13  
00:00:32,950 --> 00:01:07,680

[Music]

14

00:01:16,200 --> 00:01:10,260

and now your host of California guffawed

15

00:01:18,870 --> 00:01:16,210

radio Laurie infant welcome everyone to

16

00:01:21,510 --> 00:01:18,880

the California MUFON radio show I'm your

17

00:01:23,310 --> 00:01:21,520

host Lori Ann Fenton I'm so happy you

18

00:01:26,730 --> 00:01:23,320

guys are with me here tonight I've been

19

00:01:29,010 --> 00:01:26,740

missing for a couple of weeks and and I

20

00:01:31,080 --> 00:01:29,020

just oh my god I don't know where to

21

00:01:33,180 --> 00:01:31,090

start I just want to thank inception

22

00:01:35,610 --> 00:01:33,190

radio network for being there for me all

23

00:01:37,560 --> 00:01:35,620

the time I travel a lot and the poor

24

00:01:39,240 --> 00:01:37,570

guys are like is she traveling this week

25

00:01:41,850 --> 00:01:39,250

is she home we can't tell from these

26

00:01:44,220 --> 00:01:41,860

cryptic messages she sends us so the

27

00:01:46,320 --> 00:01:44,230

port guys you know so last week I'm just

28

00:01:49,530 --> 00:01:46,330

I'm really sorry we weren't here but MJ

29

00:01:52,530 --> 00:01:49,540

took off for his holiday and I was

30

00:01:54,780 --> 00:01:52,540

actually home cuz it was 11 22 and it's

31

00:01:57,150 --> 00:01:54,790

the first year in a long time

32

00:02:00,330 --> 00:01:57,160

I wasn't in Dallas for the memorial

33

00:02:03,030 --> 00:02:00,340

service I decided to come home the day

34

00:02:05,700 --> 00:02:03,040

after since I this is the first year I

35

00:02:08,160 --> 00:02:05,710

hadn't produced it in about three or

36

00:02:09,990 --> 00:02:08,170

four years so I was like you know what

37

00:02:11,760 --> 00:02:10,000

I'm just gonna come home I don't need to

38

00:02:14,760 --> 00:02:11,770

stay there I'm not producing I have to

39

00:02:17,040 --> 00:02:14,770

work and it was great I got home really

40

00:02:19,890 --> 00:02:17,050

late Monday night I slept all day

41

00:02:22,470 --> 00:02:19,900

Tuesday I was sick as a dog and then

42

00:02:26,430 --> 00:02:22,480

Wednesday I went to work and then you

43

00:02:28,280 --> 00:02:26,440

know it all started in again oh my god

44

00:02:30,960 --> 00:02:28,290

so I was really looking forward to the

45

00:02:33,720 --> 00:02:30,970

11:22 special we had James Fetzner but

46

00:02:35,760 --> 00:02:33,730

I'll tell you what folks Jim was Jim and

47

00:02:38,190 --> 00:02:35,770

Larry Rivera were actually gonna show up

48

00:02:40,979 --> 00:02:38,200

you know what Larry actually was on

49

00:02:43,199 --> 00:02:40,989

three other shows that night and I think

50

00:02:45,360 --> 00:02:43,209

what was gonna happen is he sent me all

51  
00:02:47,070 --> 00:02:45,370  
of his finals and I was gonna play them

52  
00:02:49,710 --> 00:02:47,080  
for you guys and I was going to show you

53  
00:02:53,270 --> 00:02:49,720  
that what he's discovered now is you

54  
00:02:56,009 --> 00:02:53,280  
guys all know there Vera is the guy that

55  
00:02:57,900 --> 00:02:56,019  
discovered that Lee was now he didn't

56  
00:02:59,940 --> 00:02:57,910  
discover Lee was in the dark way I mean

57  
00:03:02,460 --> 00:02:59,950  
Jim Garrison knew that Lee was in the

58  
00:03:07,259 --> 00:03:02,470  
doorway he's the first person to have

59  
00:03:11,100 --> 00:03:07,269  
taken a blender and these other programs

60  
00:03:14,400 --> 00:03:11,110  
and layered over his face with his

61  
00:03:17,309 --> 00:03:14,410  
pictures and his portraits and proven

62  
00:03:20,940 --> 00:03:17,319  
with you know FBI facial recognition

63  
00:03:24,119 --> 00:03:20,950

software that it was actually Lee

64

00:03:26,130 --> 00:03:24,129

in the doorway so we know that it's the

65

00:03:28,559 --> 00:03:26,140

and I don't know if you guys can hear it

66

00:03:30,990 --> 00:03:28,569

but Mike one of my cats just croaking

67

00:03:33,839 --> 00:03:31,000

like you like it frog out here I don't

68

00:03:35,220 --> 00:03:33,849

song with her but oh well that's another

69

00:03:37,910 --> 00:03:35,230

old story I'm gonna go into that in a

70

00:03:40,080 --> 00:03:37,920

minute but let's go down with the cats

71

00:03:41,880 --> 00:03:40,090

everybody asked me you know it's funny

72

00:03:43,770 --> 00:03:41,890

I'm a radio talk-show host that all

73

00:03:46,259 --> 00:03:43,780

people ask me when they see me and beat

74

00:03:47,190 --> 00:03:46,269

me is how are your cats and I'm like oh

75

00:03:49,320 --> 00:03:47,200

they're fine

76

00:03:52,170 --> 00:03:49,330

you know but it's so funny that's the

77

00:03:54,089 --> 00:03:52,180

first thing that comes up usually so and

78

00:03:56,670 --> 00:03:54,099

the second thing is how do you know so

79

00:03:59,729 --> 00:03:56,680

much about UFOs and aliens I'm like I

80

00:04:01,470 --> 00:03:59,739

don't know I think they just instill the

81

00:04:03,210 --> 00:04:01,480

connection straight to them and that's

82

00:04:05,490 --> 00:04:03,220

why I get I get all the info

83

00:04:07,440 --> 00:04:05,500

he had going back to Larry Rivera and

84

00:04:09,839 --> 00:04:07,450

the conference oh my god the conference

85

00:04:12,360 --> 00:04:09,849

is really wonderful this year it was

86

00:04:14,550 --> 00:04:12,370

kind of the same speakers as last year

87

00:04:16,259 --> 00:04:14,560

so you know we had a little bit of new

88

00:04:18,509 --> 00:04:16,269

information and that was good

89

00:04:20,370 --> 00:04:18,519

but Larry knocked it out of the park

90

00:04:22,440 --> 00:04:20,380

this year because last year he proved

91

00:04:24,560 --> 00:04:22,450

that Lee was in the doorway Lee Harvey

92

00:04:27,810 --> 00:04:24,570

Oswald standing in the doorway watching

93

00:04:29,310 --> 00:04:27,820

the limousine go by so it's pretty hard

94

00:04:31,260 --> 00:04:29,320

to shoot somebody when you're down on

95

00:04:33,779 --> 00:04:31,270

the first floor in the doorway give me

96

00:04:36,570 --> 00:04:33,789

your picture taken as I tell everybody

97

00:04:39,330 --> 00:04:36,580

that even actually even questions

98

00:04:41,460 --> 00:04:39,340

whether we was up in there oh my god on

99

00:04:43,710 --> 00:04:41,470

that sixth floor door oh god you guys I

100

00:04:46,529 --> 00:04:43,720

gotta go off on a tangent I this is what

101  
00:04:49,200 --> 00:04:46,539  
my rant I got to do this what the heck

102  
00:04:52,230 --> 00:04:49,210  
is the city of Dallas still holding on

103  
00:04:54,090 --> 00:04:52,240  
to that stupid six lore Museum having

104  
00:04:56,040 --> 00:04:54,100  
all those boxes set up with the

105  
00:04:59,340 --> 00:04:56,050  
plexiglass I can't go in there and

106  
00:05:02,340 --> 00:04:59,350  
disturb it just like it was in 1963 and

107  
00:05:05,490 --> 00:05:02,350  
our big joke as all the JFK researchers

108  
00:05:09,390 --> 00:05:05,500  
say yeah go on up to the sixth floor

109  
00:05:11,580 --> 00:05:09,400  
Museum get your little tour pay your \$25

110  
00:05:13,710 --> 00:05:11,590  
or whatever it is to stand there and

111  
00:05:16,770 --> 00:05:13,720  
look at a room that doesn't have Lee

112  
00:05:18,089 --> 00:05:16,780  
Harvey Oswald in it just like it didn't

113  
00:05:22,170 --> 00:05:18,099

at 11

114

00:05:25,409 --> 00:05:22,180  
there are 12:30 on 11 22 1963

115

00:05:27,510 --> 00:05:25,419  
it's a total I don't know if they

116

00:05:30,120 --> 00:05:27,520  
understand what they're they're doing

117

00:05:32,760 --> 00:05:30,130  
but he's not standing there now and he

118

00:05:34,530 --> 00:05:32,770  
wasn't standing there then so and and

119

00:05:36,270 --> 00:05:34,540  
it's and they say this is

120

00:05:38,280 --> 00:05:36,280  
clean out of the room was when when he

121

00:05:40,650 --> 00:05:38,290  
shot them you know I've just we all

122

00:05:43,830 --> 00:05:40,660  
laugh I mean it's like it's the biggest

123

00:05:45,540 --> 00:05:43,840  
joke in the community beyond I think

124

00:05:48,180 --> 00:05:45,550  
anything else that goes on with us is

125

00:05:51,060 --> 00:05:48,190  
that that darn sixth floor museum has to

126

00:05:56,310 --> 00:05:51,070

sit up there and can perpetuate a lie as

127

00:06:00,090 --> 00:05:56,320

the way they do and God just makes me so

128

00:06:01,650 --> 00:06:00,100

angry anyhow I have plans for them they

129

00:06:03,870 --> 00:06:01,660

don't know it but when Laureen gets

130

00:06:07,770 --> 00:06:03,880

pissed about something and she sees away

131

00:06:09,990 --> 00:06:07,780

around them and yeah so I'm telling you

132

00:06:12,780 --> 00:06:10,000

folks I got something planned it's not

133

00:06:14,610 --> 00:06:12,790

gonna make them very happy at all but

134

00:06:17,520 --> 00:06:14,620

that's okay that's a thing for another

135

00:06:19,790 --> 00:06:17,530

day another time if I ever make enough

136

00:06:22,620 --> 00:06:19,800

money off of what I'm doing right now

137

00:06:24,480 --> 00:06:22,630

that's definitely on my hit list I think

138

00:06:26,820 --> 00:06:24,490

that's number one on the hit list of

139

00:06:29,250 --> 00:06:26,830

things I want to do once I make some

140

00:06:31,140 --> 00:06:29,260

real money and that it is go after the

141

00:06:33,330 --> 00:06:31,150

sixth floor museum with all my heart

142

00:06:35,880 --> 00:06:33,340

actually it's number two number one is

143

00:06:37,800 --> 00:06:35,890

get Lee Harvey Oswald exonerated in the

144

00:06:41,700 --> 00:06:37,810

Congressional Record because I mean

145

00:06:43,500 --> 00:06:41,710

here's a guy the poor guy now he was

146

00:06:46,350 --> 00:06:43,510

complicit because he knew what was going

147

00:06:48,510 --> 00:06:46,360

on but what he was trying to do and I

148

00:06:51,060 --> 00:06:48,520

have to reiterate this every time I say

149

00:06:53,550 --> 00:06:51,070

he was complicit because you know how do

150

00:06:55,290 --> 00:06:53,560

you one man fight against the the mass

151  
00:06:57,810 --> 00:06:55,300  
amount of people that were up in those

152  
00:06:59,550 --> 00:06:57,820  
nest you guys there were like seven

153  
00:07:03,900 --> 00:06:59,560  
nests with four people in it sometimes

154  
00:07:06,690 --> 00:07:03,910  
for the 28 people shooting that we know

155  
00:07:09,300 --> 00:07:06,700  
of probably were more where our guesses

156  
00:07:11,610 --> 00:07:09,310  
are probably more like 35 so you know

157  
00:07:15,330 --> 00:07:11,620  
how do you go up against 35 people to

158  
00:07:18,030 --> 00:07:15,340  
mob the CIA the FBI LBJ the Cubans I

159  
00:07:19,770 --> 00:07:18,040  
mean everybody was involved and he was

160  
00:07:22,140 --> 00:07:19,780  
sitting there trying to figure out a way

161  
00:07:24,240 --> 00:07:22,150  
to save JFK's life I mean that's what he

162  
00:07:26,760 --> 00:07:24,250  
was doing he was actually up on the

163  
00:07:29,460 --> 00:07:26,770

sixth floor about 12:00 noon and he had

164

00:07:32,460 --> 00:07:29,470

a gun and Loy factor was up there Mac

165

00:07:35,280 --> 00:07:32,470

Wallace was up there and Rita Rita

166

00:07:37,470 --> 00:07:35,290

Lorenz I think is her name she was on

167

00:07:39,810 --> 00:07:37,480

the walkie-talkie and they were all

168

00:07:42,180 --> 00:07:39,820

spotting each other and they were you

169

00:07:44,610 --> 00:07:42,190

know I mean he had the gun in his hand

170

00:07:47,399 --> 00:07:44,620

but he set it down and walked away that

171

00:07:50,249 --> 00:07:47,409

I'm not doing this so you know that

172

00:07:52,259 --> 00:07:50,259

there's a real hero for ya I mean he he

173

00:07:54,719 --> 00:07:52,269

tried to think of anything he could up

174

00:07:56,879 --> 00:07:54,729

until that moment to stop it and he

175

00:07:59,790 --> 00:07:56,889

couldn't stop it so he just did not

176

00:08:01,439 --> 00:07:59,800

participate and I think that is that is

177

00:08:02,909 --> 00:08:01,449

so brave I mean they could have shot him

178

00:08:06,570 --> 00:08:02,919

right there on the spot and killed them

179

00:08:08,999 --> 00:08:06,580

for not participating so you know I'm

180

00:08:11,100 --> 00:08:09,009

just I I don't know the whole thing

181

00:08:12,570 --> 00:08:11,110

stinks and there's just way too many

182

00:08:14,999 --> 00:08:12,580

people that have come out of the

183

00:08:16,949 --> 00:08:15,009

woodwork in the last 50 years that have

184

00:08:18,959 --> 00:08:16,959

told the truth what really happened Lee

185

00:08:19,229 --> 00:08:18,969

Harvey Oswald was not up on the sixth

186

00:08:21,899 --> 00:08:19,239

floor

187

00:08:23,879 --> 00:08:21,909

so exonerating him is number one number

188

00:08:25,559 --> 00:08:23,889

two is getting rid of that dar museum

189

00:08:28,139 --> 00:08:25,569

unless they want to put the right people

190

00:08:30,149 --> 00:08:28,149

up there mannequins that the right

191

00:08:32,339 --> 00:08:30,159

people would be really fine with me and

192

00:08:34,619 --> 00:08:32,349

then a whole explanation of what really

193

00:08:35,309 --> 00:08:34,629

went down that day that would be fine

194

00:08:36,899 --> 00:08:35,319

with me

195

00:08:39,569 --> 00:08:36,909

but you know perpetuating this lie is

196

00:08:41,279 --> 00:08:39,579

making me nuts absolutely freaking nuts

197

00:08:42,899 --> 00:08:41,289

and a you know that's half the reason I

198

00:08:44,269 --> 00:08:42,909

left Dallas early too is because I don't

199

00:08:47,100 --> 00:08:44,279

think I could take another

200

00:08:49,769 --> 00:08:47,110

11:22 standing on that hill when I can't

201  
00:08:51,840 --> 00:08:49,779  
get this this to happen you know I feel

202  
00:08:53,249 --> 00:08:51,850  
so bad for Judith Barry Baker I mean

203  
00:08:55,019 --> 00:08:53,259  
this poor woman that she spends her

204  
00:08:57,059 --> 00:08:55,029  
whole life doing nothing but trying to

205  
00:08:58,980 --> 00:08:57,069  
exonerate leave that's all she does and

206  
00:09:00,420 --> 00:08:58,990  
she can't live in this country anymore

207  
00:09:02,639 --> 00:09:00,430  
they've tried to kill her a million

208  
00:09:05,639 --> 00:09:02,649  
times I mean what kind of hell is that

209  
00:09:08,999 --> 00:09:05,649  
you know all this over perpetuating a

210  
00:09:11,790 --> 00:09:09,009  
lie you know oh god okay well okay

211  
00:09:13,410 --> 00:09:11,800  
nothing Dallas Dallas was fabulous the

212  
00:09:14,939 --> 00:09:13,420  
conference was fabulous everything was

213  
00:09:18,360 --> 00:09:14,949

great I got to sit with Chris Milligan

214

00:09:20,309 --> 00:09:18,370

and tried name books and Jim Fetzer was

215

00:09:22,439 --> 00:09:20,319

there Larry Rivera was there everybody

216

00:09:23,759 --> 00:09:22,449

was there and what I was trying to tell

217

00:09:26,249 --> 00:09:23,769

you guys at the beginning of the show is

218

00:09:28,019 --> 00:09:26,259

that last week if we had the show Larry

219

00:09:29,819 --> 00:09:28,029

would have proven to you two new things

220

00:09:32,999 --> 00:09:29,829

that he's discovered he's discovered

221

00:09:36,449 --> 00:09:33,009

that the body of JFK that they used to

222

00:09:40,350 --> 00:09:36,459

Bethesda Maryland at the hospital to do

223

00:09:42,780 --> 00:09:40,360

the autopsy with was not JFK he has

224

00:09:45,389 --> 00:09:42,790

proven it now he's used his you know his

225

00:09:47,490 --> 00:09:45,399

FBI facial recognition software and all

226

00:09:50,309 --> 00:09:47,500

that stuff to get all the photos he

227

00:09:52,319 --> 00:09:50,319

could of everybody that was on a slab at

228

00:09:54,030 --> 00:09:52,329

that time because we're not sure how

229

00:09:58,110 --> 00:09:54,040

many people were actually involved in

230

00:10:00,569 --> 00:09:58,120

this as the body doubles and so what

231

00:10:01,290 --> 00:10:00,579

they're doing is they're actually doing

232

00:10:02,880 --> 00:10:01,300

the facial break

233

00:10:04,769 --> 00:10:02,890

mission on them as well and they're

234

00:10:07,290 --> 00:10:04,779

starting to really believe that JD

235

00:10:10,380 --> 00:10:07,300

Tippit actually was on that slab at

236

00:10:12,509 --> 00:10:10,390

Bethesda and so very interesting stuff

237

00:10:14,699 --> 00:10:12,519

going on I mean everybody thinks oh my

238

00:10:16,769 --> 00:10:14,709

god it's 54 years later how come you

239

00:10:18,900 --> 00:10:16,779

guys are still invested with this you

240

00:10:21,030 --> 00:10:18,910

know I get this everywhere I go I get

241

00:10:23,009 --> 00:10:21,040

why do you bother with JFK you know

242

00:10:25,050 --> 00:10:23,019

there's so many other things going on I

243

00:10:27,090 --> 00:10:25,060

go because if we could solve that if we

244

00:10:29,519 --> 00:10:27,100

can get him exonerated if we can get all

245

00:10:32,190 --> 00:10:29,529

this to get back to the way it was

246

00:10:35,430 --> 00:10:32,200

before that trigger got those triggers

247

00:10:38,250 --> 00:10:35,440

got pulled in 1963 folks it would show

248

00:10:40,199 --> 00:10:38,260

people right now what this country could

249

00:10:45,000 --> 00:10:40,209

be if we get rid of all the falsehoods

250

00:10:46,949 --> 00:10:45,010

the lives the the the myths everything

251

00:10:49,050 --> 00:10:46,959

that they've created around that that

252

00:10:50,759 --> 00:10:49,060

whole assassination it would open up

253

00:10:53,310 --> 00:10:50,769

people's eyes to the point where they go

254

00:10:55,170 --> 00:10:53,320

well shoot they lied about that then the

255

00:10:57,480 --> 00:10:55,180

Warren Commission was a total lie like

256

00:11:01,560 --> 00:10:57,490

it was if everything was the way it was

257

00:11:03,630 --> 00:11:01,570

back then and they got away with it what

258

00:11:05,250 --> 00:11:03,640

are they doing to us now that's the

259

00:11:06,870 --> 00:11:05,260

bottom line folks that's why I keep

260

00:11:09,030 --> 00:11:06,880

harping on this I think it's so

261

00:11:11,250 --> 00:11:09,040

important it is just so important to me

262

00:11:12,930 --> 00:11:11,260

it should be important to every man

263

00:11:16,920 --> 00:11:12,940

woman and child in the United States

264

00:11:19,050 --> 00:11:16,930

seriously that we fix this and then once

265

00:11:21,240 --> 00:11:19,060

we fix that then everything else to fall

266

00:11:24,150 --> 00:11:21,250

in place like dominoes that's really the

267

00:11:27,510 --> 00:11:24,160

bottom line here okay well okay I'm done

268

00:11:30,269 --> 00:11:27,520

I'm done with JFK for a while at least

269

00:11:32,100 --> 00:11:30,279

it's like you James and Larry back on

270

00:11:33,960 --> 00:11:32,110

the ship so we'll get him here folks I

271

00:11:36,870 --> 00:11:33,970

promise and I'm sorry about last week

272

00:11:38,430 --> 00:11:36,880

but MJ was gone I was panicked everybody

273

00:11:40,560 --> 00:11:38,440

was running around in circles and it was

274

00:11:41,970 --> 00:11:40,570

just one of those days it was agony was

275

00:11:45,660 --> 00:11:41,980

kind of fun in the end because I got to

276

00:11:47,490 --> 00:11:45,670

talk to Larry and Jim for an hour during

277

00:11:48,540 --> 00:11:47,500

when we would have been live on air so

278

00:11:50,519 --> 00:11:48,550

we had a good time

279

00:11:51,990 --> 00:11:50,529

wish you guys could have been there I

280

00:11:53,910 --> 00:11:52,000

should probably should have just say hey

281

00:11:56,370 --> 00:11:53,920

what if I could plug into I are added

282

00:11:57,360 --> 00:11:56,380

and just do this conversation that would

283

00:11:59,009 --> 00:11:57,370

have been great you guys would have

284

00:12:01,829 --> 00:11:59,019

gotten an earful it would have been

285

00:12:03,449 --> 00:12:01,839

really interesting anyhow the other

286

00:12:05,460 --> 00:12:03,459

things that are going on with me ant

287

00:12:07,199 --> 00:12:05,470

right now are the fact that I don't know

288

00:12:09,900 --> 00:12:07,209

if you guys heard me on Dave Scott

289

00:12:12,870 --> 00:12:09,910

spaced out radio last week I think it

290

00:12:13,980 --> 00:12:12,880

was last week at lunch er yeah it was it

291

00:12:16,440 --> 00:12:13,990

was um

292

00:12:18,420 --> 00:12:16,450

I think it was a Thanksgiving night or

293

00:12:21,900 --> 00:12:18,430

the night after Thanksgiving I can't

294

00:12:22,410 --> 00:12:21,910

remember but you should listen to that

295

00:12:24,600 --> 00:12:22,420

show

296

00:12:26,639 --> 00:12:24,610

grant Cameron was on for the first two

297

00:12:29,550 --> 00:12:26,649

hours and that I came on in the last

298

00:12:32,970 --> 00:12:29,560

hour and grant and I started talking

299

00:12:35,519 --> 00:12:32,980

about some of the major research that

300

00:12:38,600 --> 00:12:35,529

he's been doing on the people that run

301  
00:12:41,100 --> 00:12:38,610  
the narratives within the UFO community

302  
00:12:43,230 --> 00:12:41,110  
now this is very important to folks

303  
00:12:44,820 --> 00:12:43,240  
because you know me I just don't get

304  
00:12:46,620 --> 00:12:44,830  
involved with just oh yeah there's an

305  
00:12:49,139 --> 00:12:46,630  
alien and he said hi to me and I have

306  
00:12:51,480 --> 00:12:49,149  
babies in space I'm not doing all that

307  
00:12:54,449 --> 00:12:51,490  
right now what I'm trying to get down to

308  
00:12:56,760 --> 00:12:54,459  
is who in the heck is running the show I

309  
00:12:58,650 --> 00:12:56,770  
want to know who that humans are that

310  
00:13:00,660 --> 00:12:58,660  
are interfacing with the aliens that are

311  
00:13:03,030 --> 00:13:00,670  
run in our narrative and telling us

312  
00:13:05,070 --> 00:13:03,040  
we're supposed to believe in the UFO

313  
00:13:09,960 --> 00:13:05,080

community this is where I'm at now I'm

314

00:13:12,360 --> 00:13:09,970

I'm getting mad on all fronts I'm a-goin

315

00:13:15,060 --> 00:13:12,370

it's time to expose all the cabal's at

316

00:13:17,430 --> 00:13:15,070

every angle and every space that we can

317

00:13:18,930 --> 00:13:17,440

so you know that's pretty much it you

318

00:13:21,930 --> 00:13:18,940

guys I guess I'm just getting old and

319

00:13:23,790 --> 00:13:21,940

cantankerous and I finally decided not

320

00:13:25,949 --> 00:13:23,800

gonna bother with the contact I get

321

00:13:27,630 --> 00:13:25,959

contacts great I love it and I want to

322

00:13:28,949 --> 00:13:27,640

talk about if our guest tonight who's

323

00:13:30,660 --> 00:13:28,959

who's going to be an extraordinary

324

00:13:34,079 --> 00:13:30,670

interview I can tell here in a few

325

00:13:36,120 --> 00:13:34,089

minutes but telling you folks it's just

326

00:13:38,490 --> 00:13:36,130

you know I really

327

00:13:40,170 --> 00:13:38,500

it's how the contact is happening that's

328

00:13:42,090 --> 00:13:40,180

changing a lot we're gonna talk about

329

00:13:44,160 --> 00:13:42,100

that a bit tonight but I want to know

330

00:13:46,949 --> 00:13:44,170

who the people are behind all that all

331

00:13:50,730 --> 00:13:46,959

the the curtains that I've been pulling

332

00:13:53,370 --> 00:13:50,740

our strings since 1947 I'm not kidding

333

00:13:55,980 --> 00:13:53,380

you did the same dudes they started the

334

00:13:58,139 --> 00:13:55,990

working group in the 60s and the next

335

00:14:00,660 --> 00:13:58,149

thing you know it's the same people

336

00:14:03,540 --> 00:14:00,670

showing up at Tom DeLonge stable and

337

00:14:05,940 --> 00:14:03,550

that's when I realized I have been being

338

00:14:08,220 --> 00:14:05,950

duped all this time and I hope you guys

339

00:14:10,710 --> 00:14:08,230

saw that too I hope that this whole time

340

00:14:12,690 --> 00:14:10,720

the long thing was a big eye-opener for

341

00:14:15,060 --> 00:14:12,700

me I mean I've been on the right track

342

00:14:17,160 --> 00:14:15,070

all this time and I knew who the players

343

00:14:18,600 --> 00:14:17,170

were I had a feeling they were behind a

344

00:14:21,360 --> 00:14:18,610

lot of stuff and I knew what was going

345

00:14:25,710 --> 00:14:21,370

on the Bigelow crowd the John Alexander

346

00:14:26,960 --> 00:14:25,720

crowd the Avery the working group you

347

00:14:28,519 --> 00:14:26,970

know I know that these

348

00:14:30,679 --> 00:14:28,529

guys are all back there pulling strings

349

00:14:33,379 --> 00:14:30,689

like little puppet masters and I know

350

00:14:35,240 --> 00:14:33,389

the dark side of them too someday I'll

351

00:14:37,670 --> 00:14:35,250

have some people on telling you guys

352

00:14:39,139 --> 00:14:37,680

about but they know about these guys but

353

00:14:39,590 --> 00:14:39,149

anyhow that's another story for another

354

00:14:42,369 --> 00:14:39,600

day

355

00:14:47,119 --> 00:14:42,379

but really folks we want to sit around

356

00:14:48,829 --> 00:14:47,129

now okay I jumped ahead the whole Tom

357

00:14:50,809 --> 00:14:48,839

DeLonge thing if you look at who's on

358

00:14:53,240 --> 00:14:50,819

his staff who's his board who's telling

359

00:14:55,730 --> 00:14:53,250

him what to do this whole nine yards

360

00:14:57,590 --> 00:14:55,740

is basically he's the next guru puppet

361

00:15:01,160 --> 00:14:57,600

master they pulled out of their pocket

362

00:15:03,740 --> 00:15:01,170

and he is the next little Bassets dead

363

00:15:05,389 --> 00:15:03,750

I'm sorry not Bassett the Greer's dead

364

00:15:07,850 --> 00:15:05,399

Bassets dead too as far as they're

365

00:15:11,059 --> 00:15:07,860

concerned Cory good didn't work out

366

00:15:13,160 --> 00:15:11,069

because he is a mind-controlled victim

367

00:15:16,069 --> 00:15:13,170

and to contact thee and he couldn't keep

368

00:15:18,410 --> 00:15:16,079

on script Tom DeLonge is deluded he's

369

00:15:20,449 --> 00:15:18,420

deluded himself into thinking that he's

370

00:15:23,059 --> 00:15:20,459

in that important that they came after

371

00:15:25,759 --> 00:15:23,069

him to be the next savior of the UFO

372

00:15:28,220 --> 00:15:25,769

community sorry folks it isn't that way

373

00:15:30,860 --> 00:15:28,230

these guys run everything from how this

374

00:15:33,079 --> 00:15:30,870

guy thinks and he is so it you know it

375

00:15:34,790 --> 00:15:33,089

blows my mind you got to have the ego

376

00:15:37,069 --> 00:15:34,800

because you don't have that ego you

377

00:15:39,559 --> 00:15:37,079

can't be duped by these people

378

00:15:41,809 --> 00:15:39,569

I mean Greer was duped by them for years

379

00:15:44,299 --> 00:15:41,819

years and years I mean it's just it's

380

00:15:46,460 --> 00:15:44,309

all it's all because of their ego they

381

00:15:48,199 --> 00:15:46,470

think they're that important they think

382

00:15:49,730 --> 00:15:48,209

that these guys are coming to them

383

00:15:51,350 --> 00:15:49,740

because they're all that important

384

00:15:53,600 --> 00:15:51,360

they're coming to them because they can

385

00:15:55,549 --> 00:15:53,610

use them and manipulate them it's

386

00:15:58,129 --> 00:15:55,559

nothing to do with being important oh

387

00:16:02,749 --> 00:15:58,139

god okay see now I'm starting to get

388

00:16:04,610 --> 00:16:02,759

angry dude all right I'm gonna calm down

389

00:16:06,309 --> 00:16:04,620

and I'm gonna talk about contact a

390

00:16:10,369 --> 00:16:06,319

little bit I just want to say one thing

391

00:16:12,949 --> 00:16:10,379

there have been reports from some

392

00:16:15,019 --> 00:16:12,959

contactees a lot of these guys in the

393

00:16:17,869 --> 00:16:15,029

working group and the people that are

394

00:16:20,119 --> 00:16:17,879

controlling the narrative about who's

395

00:16:23,179 --> 00:16:20,129

the best speaker right now and why are

396

00:16:24,740 --> 00:16:23,189

these you know here okay I am gonna go

397

00:16:27,019 --> 00:16:24,750

down this path I wasn't gonna do it

398

00:16:29,119 --> 00:16:27,029

tonight but I'm gonna do it I'm sitting

399

00:16:32,960 --> 00:16:29,129

here struggling to put on my conference

400

00:16:34,549 --> 00:16:32,970

I have about 12 to 13 extraordinary

401  
00:16:37,669 --> 00:16:34,559  
speakers I want to bring to this

402  
00:16:40,240 --> 00:16:37,679  
conference this year and they are not

403  
00:16:46,480 --> 00:16:40,250  
well known and because the

404  
00:16:49,180 --> 00:16:46,490  
being eco maniac into the narrative as

405  
00:16:51,220 --> 00:16:49,190  
all these guys want like many of the

406  
00:16:53,410 --> 00:16:51,230  
people out there that are in the UFO

407  
00:16:56,020 --> 00:16:53,420  
community that have written a book and

408  
00:16:58,030 --> 00:16:56,030  
they're like oh that the the saviors

409  
00:16:59,980 --> 00:16:58,040  
right now they're at the big conferences

410  
00:17:01,960 --> 00:16:59,990  
they're all speaking and everybody's got

411  
00:17:03,820 --> 00:17:01,970  
to go see them you know I still can't

412  
00:17:05,770 --> 00:17:03,830  
figure that one out why anybody pays to

413  
00:17:08,770 --> 00:17:05,780

see 90% of these people I don't even

414

00:17:11,050 --> 00:17:08,780

understand and why they don't pay the

415

00:17:13,000 --> 00:17:11,060

small amount I charge for my conferences

416

00:17:15,250 --> 00:17:13,010

to see people that are actually got

417

00:17:17,290 --> 00:17:15,260

their heads out of the you-know-what and

418

00:17:19,000 --> 00:17:17,300

actually know what they're talking about

419

00:17:22,240 --> 00:17:19,010

and I've been through hell with the

420

00:17:24,100 --> 00:17:22,250

aliens or working for or just life in

421

00:17:27,790 --> 00:17:24,110

general I can give you guys some real

422

00:17:29,590 --> 00:17:27,800

real crazy amazing advice I mean I don't

423

00:17:31,600 --> 00:17:29,600

I don't get it but I'm still trying to

424

00:17:33,880 --> 00:17:31,610

you know figure that one out for myself

425

00:17:36,370 --> 00:17:33,890

it's my issue deal with you know people

426

00:17:42,130 --> 00:17:36,380

say I should just sell out and bring in

427

00:17:44,800 --> 00:17:42,140

Stan's freaking bed oh my god my

428

00:17:45,640 --> 00:17:44,810

integrity is at stake here folks I can't

429

00:17:47,290 --> 00:17:45,650

do that

430

00:17:49,540 --> 00:17:47,300

I've got to bring you people that no one

431

00:17:51,700 --> 00:17:49,550

knows about I've never seen before don't

432

00:17:54,190 --> 00:17:51,710

or have the answers to what's really

433

00:17:56,140 --> 00:17:54,200

going on out there I mean I can't do

434

00:17:59,410 --> 00:17:56,150

this it's just you know it's not part of

435

00:18:02,470 --> 00:17:59,420

my makeup but anyhow okay so you know

436

00:18:04,120 --> 00:18:02,480

I'm just basically trying to tell you

437

00:18:06,250 --> 00:18:04,130

that these guys that are the working

438

00:18:08,470 --> 00:18:06,260

group the aviary the guys that are

439

00:18:10,630 --> 00:18:08,480

pulling the strings they go to these

440

00:18:14,230 --> 00:18:10,640

conferences they these big conferences

441

00:18:16,510 --> 00:18:14,240

and many a time while they're these big

442

00:18:19,120 --> 00:18:16,520

conferences and people are yakking at

443

00:18:20,860 --> 00:18:19,130

them contact these are seeing them from

444

00:18:24,190 --> 00:18:20,870

across the room and they are flipping

445

00:18:27,030 --> 00:18:24,200

out because these people are the

446

00:18:29,680 --> 00:18:27,040

perpetrators of many of their mylabs

447

00:18:32,080 --> 00:18:29,690

experiences so just wanna let you guys

448

00:18:33,700 --> 00:18:32,090

know that okay and that's the only thing

449

00:18:35,050 --> 00:18:33,710

I'm gonna say I'm not gonna say any more

450

00:18:36,760 --> 00:18:35,060

than I can say who what when where and

451  
00:18:37,210 --> 00:18:36,770  
how but I'm saying I know that for a

452  
00:18:39,580 --> 00:18:37,220  
fact

453  
00:18:41,650 --> 00:18:39,590  
and I hope the person that knows that

454  
00:18:43,600 --> 00:18:41,660  
told me is not mad at me for telling you

455  
00:18:46,690 --> 00:18:43,610  
guys but I think you have the right to

456  
00:18:49,660 --> 00:18:46,700  
know that these guys are not playing you

457  
00:18:51,580 --> 00:18:49,670  
know on on our side these guys are

458  
00:18:54,100 --> 00:18:51,590  
playing both sides of the equation and

459  
00:18:56,799 --> 00:18:54,110  
they don't give a rat's patootie about

460  
00:19:00,850 --> 00:18:56,809  
to contact these at all so just remember

461  
00:19:03,549 --> 00:19:00,860  
that okay alright I'm done with my rants

462  
00:19:05,740 --> 00:19:03,559  
I'm done with my thing I hope I stirred

463  
00:19:07,600 --> 00:19:05,750

up enough feathers tonight I'm probably

464

00:19:09,700 --> 00:19:07,610

not making any sense either cuz I've got

465

00:19:13,750 --> 00:19:09,710

still got my cold trying to breathe

466

00:19:15,250 --> 00:19:13,760

seeing that was a big mistake and thank

467

00:19:16,870 --> 00:19:15,260

God I got my voice back this week I

468

00:19:19,210 --> 00:19:16,880

really didn't have it last week so this

469

00:19:20,680 --> 00:19:19,220

is good anyhow I hope I'm making sense

470

00:19:23,110 --> 00:19:20,690

you guys I'm just you know I'm ranting

471

00:19:24,700 --> 00:19:23,120

and raving here on in inception radio

472

00:19:26,770 --> 00:19:24,710

network thank God they love me and they

473

00:19:30,760 --> 00:19:26,780

let me rant I just love them for it

474

00:19:34,000 --> 00:19:30,770

so thanks MJ thanks Jo thanks Bob I

475

00:19:37,450 --> 00:19:34,010

really appreciate it you guys know that

476

00:19:42,190 --> 00:19:37,460

and so let's bring out my guest tonight

477

00:19:45,159 --> 00:19:42,200

my guest tonight is Russell a briny gar

478

00:19:49,510 --> 00:19:45,169

as I say that right Russell its brother

479

00:19:51,789 --> 00:19:49,520

ger okay well that's really interesting

480

00:19:53,669 --> 00:19:51,799

because there's an eye in there yeah

481

00:19:59,169 --> 00:19:53,679

that's like then agree with a br ah

482

00:20:01,030 --> 00:19:59,179

gotcha okay a prin occur okay they say

483

00:20:03,669 --> 00:20:01,040

it right that time yep

484

00:20:05,230 --> 00:20:03,679

okay good well Russell thank you for

485

00:20:06,880 --> 00:20:05,240

being on the show tonight and thank you

486

00:20:08,260 --> 00:20:06,890

for sitting through my rant there I

487

00:20:11,950 --> 00:20:08,270

really appreciate it

488

00:20:14,650 --> 00:20:11,960

every yea every guest is having to order

489

00:20:16,990 --> 00:20:14,660

them these days it seems I seems that

490

00:20:19,720 --> 00:20:17,000

Wednesday night is my rant night I kind

491

00:20:22,570 --> 00:20:19,730

of do it on Mondays but Wednesday seems

492

00:20:23,950 --> 00:20:22,580

to be the night go back anymore you know

493

00:20:29,760 --> 00:20:23,960

by the time I get to Wednesday I'm

494

00:20:32,650 --> 00:20:29,770

really upset you know so I found you on

495

00:20:34,600 --> 00:20:32,660

Facebook and I don't know much about you

496

00:20:37,380 --> 00:20:34,610

at all so would you do me a big favor

497

00:20:40,150 --> 00:20:37,390

would you tell the audience what your

498

00:20:42,310 --> 00:20:40,160

experiences are where who you are where

499

00:20:44,230 --> 00:20:42,320

you come from how this all started for

500

00:20:44,680 --> 00:20:44,240

you what's been going on why don't you

501  
00:20:48,370 --> 00:20:44,690  
do that

502  
00:20:49,780 --> 00:20:48,380  
okay well currently I'm 62 years old on

503  
00:20:51,190 --> 00:20:49,790  
two months into my retirement and

504  
00:20:53,919 --> 00:20:51,200  
enjoying every minute of it

505  
00:20:56,650 --> 00:20:53,929  
I have no aspirations in the UFO field

506  
00:21:00,070 --> 00:20:56,660  
for fame or glory or profiteering I'm

507  
00:21:03,430 --> 00:21:00,080  
live a happy little peaceful life in New

508  
00:21:05,470 --> 00:21:03,440  
Castle Indiana but I was raised in

509  
00:21:07,280 --> 00:21:05,480  
Florida in Titusville Florida I grew up

510  
00:21:09,230 --> 00:21:07,290  
on the Space Coast

511  
00:21:11,900 --> 00:21:09,240  
I will tell you that I really miss

512  
00:21:17,060 --> 00:21:11,910  
having missiles going off just about

513  
00:21:19,130 --> 00:21:17,070

every other day don't get me wrong I

514

00:21:21,800 --> 00:21:19,140

mean people think I'm a big hater NASA

515

00:21:25,880 --> 00:21:21,810

but I think you know whatever at least

516

00:21:29,330 --> 00:21:25,890

they did something right you know I was

517

00:21:29,660 --> 00:21:29,340

born on September 12 1955 my parents job

518

00:21:36,920 --> 00:21:29,670

either

519

00:21:39,380 --> 00:21:36,930

I cried solid for the first six months

520

00:21:41,750 --> 00:21:39,390

so you know I'm guessing that where I

521

00:21:46,150 --> 00:21:41,760

was just prior to this incarnation was a

522

00:21:49,790 --> 00:21:46,160

pretty nice place that I didn't leave a

523

00:21:51,590 --> 00:21:49,800

great child growing up right ten miles

524

00:21:53,330 --> 00:21:51,600

from Playland to Beach I could see the

525

00:21:57,590 --> 00:21:53,340

vertical Assembly Building right across

526  
00:21:59,630 --> 00:21:57,600  
from the Indian River down there and my

527  
00:22:02,000 --> 00:21:59,640  
grandparents came in from Texas during

528  
00:22:04,520 --> 00:22:02,010  
the Apollo moon rockets with their super

529  
00:22:06,650 --> 00:22:04,530  
8 movie cameras and I watched all those

530  
00:22:08,780 --> 00:22:06,660  
missiles go off and I'll tell you that

531  
00:22:11,900 --> 00:22:08,790  
was quite a sight to see because from

532  
00:22:14,030 --> 00:22:11,910  
five miles away you could see the Saturn

533  
00:22:16,550 --> 00:22:14,040  
5 sitting there on the gantry pad and

534  
00:22:18,140 --> 00:22:16,560  
when it went off you just worried that

535  
00:22:20,180 --> 00:22:18,150  
it was going to tip over because it just

536  
00:22:22,010 --> 00:22:20,190  
stayed stationary for five to ten

537  
00:22:24,470 --> 00:22:22,020  
seconds and then you heard the ground

538  
00:22:25,940 --> 00:22:24,480

Rumble and windows broke and where we

539

00:22:27,500 --> 00:22:25,950

were at there was a million people

540

00:22:29,420 --> 00:22:27,510

standing on the rest of their car

541

00:22:34,790 --> 00:22:29,430

selling hot dogs I mean it was a big

542

00:22:38,780 --> 00:22:34,800

thing and but I was brought up in the

543

00:22:40,820 --> 00:22:38,790

scientific paradigm I was very much

544

00:22:43,310 --> 00:22:40,830

interested in science fiction in my

545

00:22:46,730 --> 00:22:43,320

childhood in Florida when I was eight

546

00:22:49,280 --> 00:22:46,740

years old they collected 1962 Mars

547

00:22:50,630 --> 00:22:49,290

Attacks cards which I still have a

548

00:22:53,440 --> 00:22:50,640

collection now that I collected them

549

00:22:56,980 --> 00:22:53,450

back on eBay in the last few years and

550

00:23:01,100 --> 00:22:56,990

but I never really you know delved into

551  
00:23:04,160 --> 00:23:01,110  
the paranormal or UFOs took the subject

552  
00:23:07,670 --> 00:23:04,170  
seriously and this lasted pretty much

553  
00:23:10,610 --> 00:23:07,680  
until I was 54 years old and then I had

554  
00:23:12,980 --> 00:23:10,620  
a heart attack and a near-death

555  
00:23:16,520 --> 00:23:12,990  
experience that completely changed my

556  
00:23:19,850 --> 00:23:16,530  
whole paradigm because in the course of

557  
00:23:20,350 --> 00:23:19,860  
this incident I it was revealed to me

558  
00:23:21,520 --> 00:23:20,360  
that we

559  
00:23:24,460 --> 00:23:21,530  
are in fact living in a

560  
00:23:26,590 --> 00:23:24,470  
multi-dimensional existence and if you'd

561  
00:23:29,230 --> 00:23:26,600  
like to hear that story I'll be glad to

562  
00:23:30,580 --> 00:23:29,240  
tell you oh please do because this is

563  
00:23:33,280 --> 00:23:30,590

why you're on the show tonight is

564

00:23:35,049 --> 00:23:33,290

because I saw that information on

565

00:23:37,450 --> 00:23:35,059

Facebook and I went that this is pretty

566

00:23:41,770 --> 00:23:37,460

cool because I look this is really the

567

00:23:43,930 --> 00:23:41,780

type of experience that most of the

568

00:23:47,440 --> 00:23:43,940

people who are having extra dimensional

569

00:23:49,120 --> 00:23:47,450

contact are having is it's almost like a

570

00:23:50,680 --> 00:23:49,130

near-death experience so that's why I

571

00:23:53,320 --> 00:23:50,690

wanted people to hear about this tonight

572

00:23:55,210 --> 00:23:53,330

so go ahead okay well I was working at a

573

00:23:58,180 --> 00:23:55,220

local nursing home I was a rehab manager

574

00:24:00,810 --> 00:23:58,190

for as an occupational therapist and a

575

00:24:03,900 --> 00:24:00,820

rehab facility here in Newcastle Indiana

576

00:24:06,669 --> 00:24:03,910

and it was a regular day August the 18th

577

00:24:09,669 --> 00:24:06,679

2009 it was a nice sunny day outside and

578

00:24:11,320 --> 00:24:09,679

I wanted to go home and mow my grass and

579

00:24:14,200 --> 00:24:11,330

just get that done and then come back

580

00:24:16,840 --> 00:24:14,210

and finish out the afternoon and I was

581

00:24:19,570 --> 00:24:16,850

feeling fine that was a great day I was

582

00:24:22,240 --> 00:24:19,580

happy and I went home opened up the

583

00:24:24,669 --> 00:24:22,250

garage I got the lawnmower out and I

584

00:24:28,510 --> 00:24:24,679

pulled it on it a couple times started

585

00:24:32,169 --> 00:24:28,520

it up and about ten feet into the first

586

00:24:34,090 --> 00:24:32,179

swipe I was overcome with a feeling of

587

00:24:36,909 --> 00:24:34,100

extreme fatigue that I had never felt

588

00:24:39,070 --> 00:24:36,919

before and the first thing I thought of

589

00:24:41,620 --> 00:24:39,080

was since it was hot outside that I was

590

00:24:44,440 --> 00:24:41,630

dehydrated so I thought well I better

591

00:24:46,419 --> 00:24:44,450

get inside and I went inside the house I

592

00:24:48,460 --> 00:24:46,429

lived in a little house all by myself at

593

00:24:49,990 --> 00:24:48,470

the time and turned on the

594

00:24:53,230 --> 00:24:50,000

air-conditioner in the bedroom and just

595

00:24:54,990 --> 00:24:53,240

kind of laid down after oh if I were 10

596

00:24:57,070 --> 00:24:55,000

minutes or so I started feeling better

597

00:24:59,590 --> 00:24:57,080

and I thought well that was really

598

00:25:01,330 --> 00:24:59,600

strange got myself a glass of water and

599

00:25:04,539 --> 00:25:01,340

went back outside to the fire the one

600

00:25:07,150 --> 00:25:04,549

were up like a dummy and when another 10

601  
00:25:09,760 --> 00:25:07,160  
feet and that same feeling of extreme

602  
00:25:12,460 --> 00:25:09,770  
fatigue came over me only about 10 times

603  
00:25:16,060 --> 00:25:12,470  
worse and I was just standing there and

604  
00:25:18,340 --> 00:25:16,070  
I knew what was going on you know I was

605  
00:25:21,549 --> 00:25:18,350  
having a heart attack I just knew it and

606  
00:25:25,060 --> 00:25:21,559  
in fact I thought it was I was going to

607  
00:25:27,820 --> 00:25:25,070  
die imminently and even though I had

608  
00:25:29,440 --> 00:25:27,830  
always considered myself an agnostic I

609  
00:25:31,570 --> 00:25:29,450  
was brought up there's a fundamentalist

610  
00:25:33,159 --> 00:25:31,580  
Christian and when I was 13 years old I

611  
00:25:34,090 --> 00:25:33,169  
started having all kinds of questions

612  
00:25:35,980 --> 00:25:34,100  
about

613  
00:25:37,960 --> 00:25:35,990

that my poor mother couldn't answer like

614

00:25:40,690 --> 00:25:37,970

you know how can you get 27 million

615

00:25:49,180 --> 00:25:40,700

species and a 450-foot bow 4,000 years

616

00:25:50,529 --> 00:25:49,190

ago you knows things like that you get

617

00:25:54,430 --> 00:25:50,539

that there in the headlights and you

618

00:25:55,900 --> 00:25:54,440

move on but I was filled with an

619

00:25:58,029 --> 00:25:55,910

unexpected feeling of anticipation

620

00:26:00,070 --> 00:25:58,039

because even though I'd always

621

00:26:02,020 --> 00:26:00,080

considered myself an agnostic kind of

622

00:26:04,960 --> 00:26:02,030

moved away from the Christian faith I

623

00:26:07,480 --> 00:26:04,970

was very curious if in fact there was

624

00:26:09,820 --> 00:26:07,490

any type of life after death and and it

625

00:26:11,980 --> 00:26:09,830

just I felt like a kid on Christmas

626

00:26:14,830 --> 00:26:11,990

morning it's like oh good I get to find

627

00:26:15,970 --> 00:26:14,840

out for sure you know whether this you

628

00:26:18,310 --> 00:26:15,980

know thing that you hear about that

629

00:26:20,799 --> 00:26:18,320

there's life after death is that actual

630

00:26:22,659 --> 00:26:20,809

reality so I started circling around in

631

00:26:24,279 --> 00:26:22,669

the grass like a dog trying to look for

632

00:26:27,029 --> 00:26:24,289

a place to do his business I I didn't

633

00:26:29,470 --> 00:26:27,039

want to lay on gravel the pathway and

634

00:26:32,140 --> 00:26:29,480

finally found myself a nice little patch

635

00:26:33,580 --> 00:26:32,150

of grass and the Sun was beating down on

636

00:26:35,080 --> 00:26:33,590

me and I just thought man this is

637

00:26:36,789 --> 00:26:35,090

beautiful you know I'm just going to be

638

00:26:38,950 --> 00:26:36,799

able to just just sail away from here

639

00:26:40,840 --> 00:26:38,960

and it'll be either an eternity of

640

00:26:42,460 --> 00:26:40,850

unconsciousness but I'm going to get to

641

00:26:45,640 --> 00:26:42,470

find out you know what's beyond the bail

642

00:26:48,490 --> 00:26:45,650

and just as I had that thought it was

643

00:26:50,380 --> 00:26:48,500

very strange because it's almost like I

644

00:26:54,549 --> 00:26:50,390

was pulled out of time I was just

645

00:26:56,560 --> 00:26:54,559

standing there there was no sound there

646

00:26:58,510 --> 00:26:56,570

was no birds the sound of traffic

647

00:27:01,029 --> 00:26:58,520

stopped and everything and then the

648

00:27:05,110 --> 00:27:01,039

strangest thing unexpected thing

649

00:27:07,090 --> 00:27:05,120

happened in entities that I knew that I

650

00:27:10,120 --> 00:27:07,100

was very familiar with started showing

651  
00:27:12,669 --> 00:27:10,130  
up and it was almost like I didn't see

652  
00:27:15,340 --> 00:27:12,679  
them with my eyes but I knew they were

653  
00:27:21,399 --> 00:27:15,350  
there and there's a few people that

654  
00:27:23,740 --> 00:27:21,409  
showed up in my presence yeah I'm gonna

655  
00:27:26,470 --> 00:27:23,750  
start asking you about these entities

656  
00:27:29,470 --> 00:27:26,480  
now did they show themselves as people

657  
00:27:32,740 --> 00:27:29,480  
you knew or were they alien entities or

658  
00:27:34,680 --> 00:27:32,750  
would they be considered angels well

659  
00:27:37,899 --> 00:27:34,690  
here's the thing it was almost like I

660  
00:27:40,450 --> 00:27:37,909  
googled into a computer Russ is dying

661  
00:27:44,289 --> 00:27:40,460  
and associated link started popping up

662  
00:27:47,590 --> 00:27:44,299  
with the closest associated link popping

663  
00:27:51,010 --> 00:27:47,600

up first which was my mother my father

664

00:27:51,279 --> 00:27:51,020

my brother me which really freaked me

665

00:27:54,430 --> 00:27:51,289

out

666

00:27:58,270 --> 00:27:54,440

and girlfriend that I've been separated

667

00:28:01,210 --> 00:27:58,280

from for about a year because both of us

668

00:28:03,039 --> 00:28:01,220

had been married divorced twice and she

669

00:28:04,480 --> 00:28:03,049

wanted to get married again and I didn't

670

00:28:07,299 --> 00:28:04,490

I just couldn't go there so we've been

671

00:28:10,690 --> 00:28:07,309

separated for about a year and lo and

672

00:28:16,390 --> 00:28:10,700

behold there she was I didn't with my

673

00:28:19,029 --> 00:28:16,400

eyes I just knew it was her yeah it's

674

00:28:21,970 --> 00:28:19,039

gonna stop you for one second there's a

675

00:28:24,070 --> 00:28:21,980

part of your story that I hardly ever

676  
00:28:26,649 --> 00:28:24,080  
tell anybody about that happened to me

677  
00:28:29,919 --> 00:28:26,659  
so that's why I wanna I want to go down

678  
00:28:32,049 --> 00:28:29,929  
the path of you saw yourself right

679  
00:28:35,200 --> 00:28:32,059  
explain that to me how did you see

680  
00:28:38,560 --> 00:28:35,210  
yourself and and were you your best self

681  
00:28:41,740 --> 00:28:38,570  
when you saw yourself I was a higher

682  
00:28:43,750 --> 00:28:41,750  
version of myself and I got the distinct

683  
00:28:47,500 --> 00:28:43,760  
feeling that this life that I'm living

684  
00:28:49,630 --> 00:28:47,510  
on earth is only one feed that's going

685  
00:28:51,820 --> 00:28:49,640  
into this higher version of myself that

686  
00:28:54,130 --> 00:28:51,830  
there's like multiple existences on

687  
00:28:56,350 --> 00:28:54,140  
multiple timelines that are all feeding

688  
00:28:57,940 --> 00:28:56,360

into this now eventually after this

689

00:29:00,010 --> 00:28:57,950

happened I eventually studied the

690

00:29:01,870 --> 00:29:00,020

simulation hypothesis and David Chalmers

691

00:29:03,760 --> 00:29:01,880

has a version of the simulation

692

00:29:06,850 --> 00:29:03,770

hypothesis called the mind body

693

00:29:09,970 --> 00:29:06,860

hypothesis where you're providing input

694

00:29:11,799 --> 00:29:09,980

for your higher self and then you're

695

00:29:14,860 --> 00:29:11,809

also receiving input from it at the same

696

00:29:17,169 --> 00:29:14,870

time so it's like an exchange of

697

00:29:19,000 --> 00:29:17,179

information between your higher self and

698

00:29:21,340 --> 00:29:19,010

your earthly life and the strangest

699

00:29:24,190 --> 00:29:21,350

thing about it was the people that were

700

00:29:26,950 --> 00:29:24,200

there some of them the first ones to

701  
00:29:29,620 --> 00:29:26,960  
show up my most immediate family we're

702  
00:29:31,480 --> 00:29:29,630  
still living their lives on earth my

703  
00:29:34,320 --> 00:29:31,490  
mom's alive my dad's alive my brother's

704  
00:29:37,570 --> 00:29:34,330  
alive and Julie my estranged girlfriend

705  
00:29:40,570 --> 00:29:37,580  
was still alive and it was the strangest

706  
00:29:41,770 --> 00:29:40,580  
thing to realize that there they were I

707  
00:29:44,320 --> 00:29:41,780  
don't know if I was looking at an

708  
00:29:46,450 --> 00:29:44,330  
etheric version of them or their higher

709  
00:29:48,700 --> 00:29:46,460  
self I did not see them with my physical

710  
00:29:50,860 --> 00:29:48,710  
eyes but I felt their presence very

711  
00:29:52,659 --> 00:29:50,870  
strongly I'm and I knew that I knew who

712  
00:29:55,090 --> 00:29:52,669  
these people were and then there was a

713  
00:29:57,130 --> 00:29:55,100

few associated beings that I did not

714

00:30:00,159 --> 00:29:57,140

know who they were they were familiar to

715

00:30:01,299 --> 00:30:00,169

me but I I couldn't pinpoint exactly who

716

00:30:03,909 --> 00:30:01,309

they were

717

00:30:05,739 --> 00:30:03,919

so I was just stunned I was stupefied

718

00:30:08,169 --> 00:30:05,749

just standing there and the hot Sun

719

00:30:10,480 --> 00:30:08,179

going oh my god there there is something

720

00:30:13,419 --> 00:30:10,490

beyond the veil and I really wanted to

721

00:30:14,739 --> 00:30:13,429

reach out through the veil and cross so

722

00:30:16,720 --> 00:30:14,749

that I could be with these familiar

723

00:30:17,470 --> 00:30:16,730

spirits to me because they were so

724

00:30:20,470 --> 00:30:17,480

welcoming

725

00:30:21,940 --> 00:30:20,480

but the freaky thing is that some of

726

00:30:22,960 --> 00:30:21,950

them were still here on earth and it's

727

00:30:28,960 --> 00:30:22,970

like well how can that be

728

00:30:31,239 --> 00:30:28,970

and it was presented to me almost like

729

00:30:33,369 --> 00:30:31,249

an impression that I had a choice and I

730

00:30:37,060 --> 00:30:33,379

better make up my mind really quick they

731

00:30:38,980 --> 00:30:37,070

were more than compatible with me

732

00:30:40,749 --> 00:30:38,990

crossing over at that point in time and

733

00:30:42,609 --> 00:30:40,759

I was very tempted to do so because

734

00:30:44,999 --> 00:30:42,619

right then and there I could find out

735

00:30:47,889 --> 00:30:45,009

what this whole show is all about right

736

00:30:50,230 --> 00:30:47,899

but the newfound knowledge that we do

737

00:30:51,970 --> 00:30:50,240

live were embedded into an

738

00:30:54,039 --> 00:30:51,980

interdimensional existence with other

739

00:30:55,779 --> 00:30:54,049

frequencies all around us that are

740

00:30:59,470 --> 00:30:55,789

occupied you know with with

741

00:31:01,299 --> 00:30:59,480

intelligences made me curious about what

742

00:31:04,090 --> 00:31:01,309

it would be like to live in the physical

743

00:31:06,489 --> 00:31:04,100

world a little bit longer with that

744

00:31:07,930 --> 00:31:06,499

knowledge so I was just like flip

745

00:31:09,879 --> 00:31:07,940

flopping in the back of my mind I knew

746

00:31:13,539 --> 00:31:09,889

had to make up my mind really quick but

747

00:31:16,210 --> 00:31:13,549

I decided to stay so okay I had to get

748

00:31:18,249 --> 00:31:16,220

myself to the hospital so I went inside

749

00:31:20,230 --> 00:31:18,259

and I got my keys off the counter and I

750

00:31:22,029 --> 00:31:20,240

drove myself to the hospital instead of

751  
00:31:24,789 --> 00:31:22,039  
calling the ambulance because I knew I

752  
00:31:28,119 --> 00:31:24,799  
wasn't going to die because I had just

753  
00:31:30,159 --> 00:31:28,129  
been given this choice and I had made it

754  
00:31:32,379 --> 00:31:30,169  
so I mean as obvious I was going to make

755  
00:31:34,389 --> 00:31:32,389  
it to the hospital so I pulled up I

756  
00:31:36,539 --> 00:31:34,399  
pulled up to the front of the local

757  
00:31:41,499 --> 00:31:36,549  
hospital which was about five miles away

758  
00:31:43,180 --> 00:31:41,509  
and I went inside and I handed the keys

759  
00:31:44,739 --> 00:31:43,190  
to the guy that was at the information

760  
00:31:46,600 --> 00:31:44,749  
desk and I said I'm having a heart

761  
00:31:48,820 --> 00:31:46,610  
attack would you please park my car and

762  
00:31:50,799 --> 00:31:48,830  
bring my keys to me wherever they take

763  
00:31:52,480 --> 00:31:50,809

me anyway his eyes got big as saucers

764

00:31:54,100 --> 00:31:52,490

you know and he says I sure will you

765

00:31:56,289 --> 00:31:54,110

know so he took off out the front door

766

00:31:59,109 --> 00:31:56,299

they got me a wheelchair they will be

767

00:32:02,560 --> 00:31:59,119

into a little round I've got an IV stuck

768

00:32:04,119 --> 00:32:02,570

into me morphine the doctor comes over

769

00:32:06,070 --> 00:32:04,129

to me and says yes you're having a heart

770

00:32:07,690 --> 00:32:06,080

attack we don't have the facilities here

771

00:32:09,249 --> 00:32:07,700

to deal with this we're gonna ship you

772

00:32:11,080 --> 00:32:09,259

up the ball which is about a 40 minute

773

00:32:13,899 --> 00:32:11,090

drive in an ambulance I said okay cool

774

00:32:15,560 --> 00:32:13,909

so they got me on the stretcher and

775

00:32:17,840 --> 00:32:15,570

they're taking me out to

776

00:32:20,330 --> 00:32:17,850

the ambulance and the Sun hit me in the

777

00:32:22,640 --> 00:32:20,340

face again and I smiled I just looked up

778

00:32:25,820 --> 00:32:22,650

and I smiled I said oh this is so cool

779

00:32:27,920 --> 00:32:25,830

this is so cool you know so they got me

780

00:32:30,620 --> 00:32:27,930

in the ambulance newest two EMTs in

781

00:32:32,930 --> 00:32:30,630

check out the best deals of the year

794

00:33:05,720 --> 00:33:03,030

from New York and company the other go I

795

00:33:08,600 --> 00:33:05,730

see about 35 and they were looking at my

796

00:33:09,980 --> 00:33:08,610

monitor with really worried looks on

797

00:33:12,110 --> 00:33:09,990

their face like they were going to lose

798

00:33:13,430 --> 00:33:12,120

me and I knew they were gonna lose me I

799

00:33:14,840 --> 00:33:13,440

knew everything was going to be fine

800

00:33:17,840 --> 00:33:14,850

because I made it my decision and that's

801  
00:33:20,000 --> 00:33:17,850  
the way it was going to be so I tried to

802  
00:33:21,800 --> 00:33:20,010  
humor them by telling the story of a

803  
00:33:24,500 --> 00:33:21,810  
couple of weeks previous camping were a

804  
00:33:26,000 --> 00:33:24,510  
bee stung me on the heel trying to make

805  
00:33:27,710 --> 00:33:26,010  
him laugh because I wanted to break this

806  
00:33:31,580 --> 00:33:27,720  
seriousness of them looking at my

807  
00:33:34,580 --> 00:33:31,590  
monitor and I heard the male EMT say

808  
00:33:36,830 --> 00:33:34,590  
under his breath he'll think bee sting

809  
00:33:41,930 --> 00:33:36,840  
when he gets to that cath lab and I

810  
00:33:44,270 --> 00:33:41,940  
remember thinking you know to find out

811  
00:33:46,670 --> 00:33:44,280  
because you know I always wanted

812  
00:33:48,380 --> 00:33:46,680  
ambulance right you know the sirens go

813  
00:33:51,350 --> 00:33:48,390

on and everything I was really fun

814

00:33:53,120 --> 00:33:51,360

and at the time I had one of my Captain

815

00:33:55,640 --> 00:33:53,130

Kirk I was hanging on to my Captain Kirk

816

00:33:58,390 --> 00:33:55,650

flip open cellphones you know so I'm

817

00:34:00,440 --> 00:33:58,400

texting various people like I texted my

818

00:34:02,090 --> 00:34:00,450

manager and said I don't think I'm going

819

00:34:05,150 --> 00:34:02,100

to make it back today I'm having a heart

820

00:34:08,060 --> 00:34:05,160

attack I'll talk to you later and but

821

00:34:10,820 --> 00:34:08,070

when I got rolled up to ball hospitals I

822

00:34:12,470 --> 00:34:10,830

went inside and the doctors were all

823

00:34:14,120 --> 00:34:12,480

there ready to go I mean they were

824

00:34:15,740 --> 00:34:14,130

scrubbed up they had her gloves on and

825

00:34:16,790 --> 00:34:15,750

they said look real quick you know we

826

00:34:18,770 --> 00:34:16,800

can do one of two things

827

00:34:21,050 --> 00:34:18,780

you know we've got blockages we can

828

00:34:23,140 --> 00:34:21,060

either put students in or we can do a

829

00:34:26,060 --> 00:34:23,150

quadruple bypass what do you want to do

830

00:34:27,350 --> 00:34:26,070

yeah I really put me on the spot you

831

00:34:32,870 --> 00:34:27,360

know so yeah

832

00:34:34,370 --> 00:34:32,880

like well I don't really know that much

833

00:34:35,900 --> 00:34:34,380

about either one um can you give me the

834

00:34:38,540 --> 00:34:35,910

rundown so they gave me that right now

835

00:34:40,280 --> 00:34:38,550

both and of course you know I said after

836

00:34:42,320 --> 00:34:40,290

listening to what you just had to say I

837

00:34:44,840 --> 00:34:42,330

think I'm going to take the stents so

838

00:34:47,510 --> 00:34:44,850

they quote me into this room and there's

839

00:34:49,670 --> 00:34:47,520

a television on my left and there's a

840

00:34:51,020 --> 00:34:49,680

doctor but you know little glasses on

841

00:34:53,720 --> 00:34:51,030

and stuff you know what he's looking at

842

00:34:55,430 --> 00:34:53,730

me and then I realized what the EMT

843

00:34:57,290 --> 00:34:55,440

meant because when they Jam a big thick

844

00:35:00,800 --> 00:34:57,300

needle and your femoral artery on the

845

00:35:02,240 --> 00:35:00,810

inside of your thigh yes but fortunately

846

00:35:04,520 --> 00:35:02,250

they had me on some kind of medication

847

00:35:07,460 --> 00:35:04,530

that I knew that hurt but I didn't care

848

00:35:09,200 --> 00:35:07,470

and I was more curious about watching

849

00:35:12,080 --> 00:35:09,210

this whole procedure so I actually got

850

00:35:14,630 --> 00:35:12,090

to watch the doctor place this little

851  
00:35:16,430 --> 00:35:14,640  
stem and I saw the collapse part in the

852  
00:35:18,500 --> 00:35:16,440  
artery and as it's like a little para

853  
00:35:20,330 --> 00:35:18,510  
Chinese handcuffs because they're

854  
00:35:22,670 --> 00:35:20,340  
they're feeding it through this line and

855  
00:35:24,530 --> 00:35:22,680  
it's a little wiggly wobbly stringy

856  
00:35:26,330 --> 00:35:24,540  
thing and as it approached the collapse

857  
00:35:27,710 --> 00:35:26,340  
part I'm saying there's no way that's

858  
00:35:29,390 --> 00:35:27,720  
going to break the artery there's no way

859  
00:35:31,370 --> 00:35:29,400  
they can do that and all of a sudden you

860  
00:35:33,230 --> 00:35:31,380  
twisted his wrist a little bit and boom

861  
00:35:34,970 --> 00:35:33,240  
popped it right open and it was

862  
00:35:35,870 --> 00:35:34,980  
successful he said first one went and we

863  
00:35:38,420 --> 00:35:35,880

got to know what to do

864

00:35:42,170 --> 00:35:38,430

so I watched two stents but here's where

865

00:35:43,850 --> 00:35:42,180

it gets a little strange because when

866

00:35:45,530 --> 00:35:43,860

they wheeled me out of there after they

867

00:35:48,920 --> 00:35:45,540

put the two stents in the back of my

868

00:35:52,250 --> 00:35:48,930

heart I'm walking past and who was there

869

00:35:54,710 --> 00:35:52,260

but my estranged girlfriend Julie with

870

00:35:56,450 --> 00:35:54,720

mascara running down her face they

871

00:35:57,980 --> 00:35:56,460

wouldn't let her in because she wasn't

872

00:36:01,220 --> 00:35:57,990

family right

873

00:36:02,240 --> 00:36:01,230

I started I said I thought to myself

874

00:36:04,550 --> 00:36:02,250

right then and there

875

00:36:05,510 --> 00:36:04,560

I'm gonna fix this you know this is

876

00:36:08,420 --> 00:36:05,520

crazy

877

00:36:09,140 --> 00:36:08,430

she showed up for me in the yard I'm

878

00:36:12,260 --> 00:36:09,150

gonna fix this

879

00:36:14,300 --> 00:36:12,270

so by and large two months later

880

00:36:23,180 --> 00:36:14,310

Julie and I flew to Las Vegas and got

881

00:36:25,160 --> 00:36:23,190

married by Dracula yeah well we went

882

00:36:27,200 --> 00:36:25,170

through online you know and saw all the

883

00:36:28,780 --> 00:36:27,210

different things that you could do it's

884

00:36:33,350 --> 00:36:28,790

a great way to go because it's only like

885

00:36:34,820 --> 00:36:33,360

\$450 and they they have a webcam that

886

00:36:36,380 --> 00:36:34,830

they'll give you at the end of it all

887

00:36:39,560 --> 00:36:36,390

your friends can watch on the computer

888

00:36:41,150 --> 00:36:39,570

there's no RSVPs no gifts no nothin it's

889

00:36:43,099 --> 00:36:41,160

just a cheap easy way to get

890

00:36:45,829 --> 00:36:43,109

all your friends that are interested

891

00:36:48,140 --> 00:36:45,839

ever get married again Russell I'm gonna

892

00:36:52,339 --> 00:36:48,150

do that but I'm doing the eldest wedding

893

00:36:54,470 --> 00:36:52,349

because I love Elvis I was in there they

894

00:36:57,049 --> 00:36:54,480

had her in another room and I saw the

895

00:36:59,390 --> 00:36:57,059

smoke you know coming down the stage and

896

00:37:01,880 --> 00:36:59,400

then the curtains open this coffin comes

897

00:37:03,529 --> 00:37:01,890

out it creaks open this guy in Whiteface

898

00:37:06,170 --> 00:37:03,539

you know pops out and then they walked

899

00:37:11,440 --> 00:37:06,180

her thinking really glad I stayed alive

900

00:37:16,220 --> 00:37:14,569

something here right now you are you're

901  
00:37:20,180 --> 00:37:16,230  
like talking to a breath of fresh air

902  
00:37:22,549 --> 00:37:20,190  
because I have forgotten how lucky I am

903  
00:37:25,039 --> 00:37:22,559  
I have almost died so many times and

904  
00:37:27,289 --> 00:37:25,049  
I've come back and I've seen myself also

905  
00:37:30,019 --> 00:37:27,299  
in a in a vision or almost death

906  
00:37:31,640 --> 00:37:30,029  
experience I had once and I've gone

907  
00:37:34,099 --> 00:37:31,650  
through a lot of what you've been

908  
00:37:36,319 --> 00:37:34,109  
through not the same but you know very

909  
00:37:38,599 --> 00:37:36,329  
similar and I always come out of it

910  
00:37:40,999 --> 00:37:38,609  
going this place is so cool I'm really

911  
00:37:43,609 --> 00:37:41,009  
glad I'm here the other place though I

912  
00:37:47,630 --> 00:37:43,619  
got to tell you I've been there too and

913  
00:37:50,359 --> 00:37:47,640

it is spectacular so right now you're in

914

00:37:52,819 --> 00:37:50,369

that same place I am except you don't

915

00:37:55,190 --> 00:37:52,829

know do you I mean that you may maybe

916

00:37:57,259 --> 00:37:55,200

you do maybe they showed you but the

917

00:38:00,559 --> 00:37:57,269

other place you're going to it's so full

918

00:38:02,150 --> 00:38:00,569

of love and so amazing that once you got

919

00:38:05,930 --> 00:38:02,160

there you would never chosen to come

920

00:38:08,690 --> 00:38:05,940

back well I totally believe that because

921

00:38:10,940 --> 00:38:08,700

I thought it was really stupid I'd buy

922

00:38:13,370 --> 00:38:10,950

the whole experience for frozen six

923

00:38:16,009 --> 00:38:13,380

months after this happened I really

924

00:38:19,130 --> 00:38:16,019

didn't know where to go with it and I

925

00:38:20,390 --> 00:38:19,140

really wasn't much of a reader in my

926

00:38:25,910 --> 00:38:20,400

life you know I didn't read for pleasure

927

00:38:27,410 --> 00:38:25,920

and Julie got me my current wife got me

928

00:38:29,870 --> 00:38:27,420

a Kindle you know where it's got the

929

00:38:31,930 --> 00:38:29,880

text-to-speech and everything and I was

930

00:38:35,089 --> 00:38:31,940

almost like training wheels because

931

00:38:38,210 --> 00:38:35,099

hearing that audio component for me was

932

00:38:40,670 --> 00:38:38,220

the missing piece and it trained me on

933

00:38:42,529 --> 00:38:40,680

how to look at the text and how to start

934

00:38:44,720 --> 00:38:42,539

reading and then at some point I didn't

935

00:38:47,420 --> 00:38:44,730

need it and now I've got a personal

936

00:38:49,190 --> 00:38:47,430

library full of UFO books that I bought

937

00:38:51,710 --> 00:38:49,200

on eBay and there's there's hundreds of

938

00:38:54,620 --> 00:38:51,720

them that I've been through and that's a

939

00:38:57,079 --> 00:38:54,630

pretty amazing thing in and of itself

940

00:38:59,630 --> 00:38:57,089

no but I delved into the literature

941

00:39:01,609 --> 00:38:59,640

because it was a personal search on just

942

00:39:02,749 --> 00:39:01,619

what in the heck happened to me what was

943

00:39:04,640 --> 00:39:02,759

that about you know and you read the

944

00:39:07,249 --> 00:39:04,650

ketamine theories and all the scientific

945

00:39:09,620 --> 00:39:07,259

explanations you know your postions

946

00:39:14,079 --> 00:39:09,630

missing in your brain and EMTs released

947

00:39:16,249 --> 00:39:14,089

from the pineal gland on oh the key but

948

00:39:18,559 --> 00:39:16,259

when you have a subjective experience

949

00:39:20,539 --> 00:39:18,569

like that you know nobody's going to be

950

00:39:22,400 --> 00:39:20,549

able to talk you out of it with any you

951  
00:39:25,700 --> 00:39:22,410  
know logical explanation like that but

952  
00:39:28,069 --> 00:39:25,710  
but I don't blame any I tried with one

953  
00:39:29,839 --> 00:39:28,079  
person right they have to try because

954  
00:39:33,019 --> 00:39:29,849  
they never had the experience they don't

955  
00:39:35,870 --> 00:39:33,029  
know right you know it's amazing to me

956  
00:39:37,120 --> 00:39:35,880  
did you get any of Betty's books by the

957  
00:39:41,329 --> 00:39:37,130  
way

958  
00:39:45,289 --> 00:39:41,339  
Betty Eadie no I've read eben Alexander

959  
00:39:48,920 --> 00:39:45,299  
and Kenneth rings Omega project where he

960  
00:39:50,630 --> 00:39:48,930  
compared the alien abduction experience

961  
00:39:52,789 --> 00:39:50,640  
with the near-death experience and

962  
00:39:55,099 --> 00:39:52,799  
that's that book and of itself was kind

963  
00:39:57,950 --> 00:39:55,109

of a springboard and then something

964

00:39:59,900 --> 00:39:57,960

happened in the fall of 2012 there's

965

00:40:01,519 --> 00:39:59,910

three years later they had a friend of

966

00:40:04,009 --> 00:40:01,529

mine from a campground I belong to that

967

00:40:06,680 --> 00:40:04,019

was a ghost hunter and I got a call out

968

00:40:07,940 --> 00:40:06,690

of the clear blue sky from Carl and he

969

00:40:09,890 --> 00:40:07,950

said that he was going to go to the

970

00:40:11,930 --> 00:40:09,900

Rhodes house up in here in Atlanta

971

00:40:13,730 --> 00:40:11,940

Indiana and asked me if I wanted to

972

00:40:16,460 --> 00:40:13,740

spend all night in a haunted house and

973

00:40:18,650 --> 00:40:16,470

of course you know my old paradigm I was

974

00:40:20,299 --> 00:40:18,660

saying no I'm just going to be watching

975

00:40:21,890 --> 00:40:20,309

paint dry there's nothing going on there

976  
00:40:26,690 --> 00:40:21,900  
but what came out of my mouth was yeah

977  
00:40:29,059 --> 00:40:26,700  
I'd love to I wound up doing that and it

978  
00:40:31,730 --> 00:40:29,069  
was very interesting because I see all

979  
00:40:33,859 --> 00:40:31,740  
the local paranormal groups showing up

980  
00:40:36,710 --> 00:40:33,869  
with their EVP equipment and all that

981  
00:40:40,730 --> 00:40:36,720  
and it really sparked an interest in

982  
00:40:43,579 --> 00:40:40,740  
that field and it was very quick that I

983  
00:40:46,519 --> 00:40:43,589  
picked up the connection between the

984  
00:40:49,940 --> 00:40:46,529  
ghost phenomena the poltergeists the

985  
00:40:52,999 --> 00:40:49,950  
elementals the jhen UFOs everything's

986  
00:40:56,960 --> 00:40:53,009  
all tied into a giant meta phenomena so

987  
00:40:59,240 --> 00:40:56,970  
I just immerse that I'm feeling better

988  
00:41:01,999 --> 00:40:59,250

already tonight because I've been saying

989

00:41:03,859 --> 00:41:02,009

all along and what's crazy about this

990

00:41:06,049 --> 00:41:03,869

I'm just going to do a little tangent

991

00:41:08,359 --> 00:41:06,059

here for you some of these evil people

992

00:41:10,099 --> 00:41:08,369

that are running the UFO community

993

00:41:11,930 --> 00:41:10,109

it's narrative have been saying the same

994

00:41:13,970 --> 00:41:11,940

thing I've been saying for years I just

995

00:41:16,609 --> 00:41:13,980

didn't know it until recently but it's

996

00:41:19,819 --> 00:41:16,619

this it's this simple rust it's all

997

00:41:22,130 --> 00:41:19,829

connected yes all connected everything

998

00:41:24,799 --> 00:41:22,140

the JFK assassination everything it's

999

00:41:27,529 --> 00:41:24,809

all connected near-death experiences

1000

00:41:29,480 --> 00:41:27,539

ghosts you name it it's all connected so

1001  
00:41:32,059 --> 00:41:29,490  
anyhow I want to throw that out at you

1002  
00:41:34,339 --> 00:41:32,069  
there so anyhow but it became an

1003  
00:41:35,839 --> 00:41:34,349  
obsession David Wilcock actually said

1004  
00:41:37,670 --> 00:41:35,849  
something that I had to laugh out loud

1005  
00:41:39,289 --> 00:41:37,680  
because the same thing happened to me he

1006  
00:41:40,670 --> 00:41:39,299  
said when he got into this field he

1007  
00:41:43,089 --> 00:41:40,680  
couldn't look at a garbage can live

1008  
00:41:45,589 --> 00:41:43,099  
without thinking of flying saucers and

1009  
00:41:47,059 --> 00:41:45,599  
that's kind of how I was for a couple of

1010  
00:41:50,150 --> 00:41:47,069  
years because it was just such a

1011  
00:41:53,569 --> 00:41:50,160  
profound realization that the UFO

1012  
00:41:57,499 --> 00:41:53,579  
phenomena is real and there's an

1013  
00:41:59,269 --> 00:41:57,509

underlying core reality to that that it

1014

00:42:02,720 --> 00:41:59,279

really does change it changes your whole

1015

00:42:05,870 --> 00:42:02,730

perspective and it's like oh and then

1016

00:42:07,339 --> 00:42:05,880

you realize that very strange things

1017

00:42:10,009 --> 00:42:07,349

have happened to you all of your life

1018

00:42:13,120 --> 00:42:10,019

that you just kind of filed in file 13

1019

00:42:16,640 --> 00:42:13,130

and didn't think much of for example in

1020

00:42:20,390 --> 00:42:16,650

1961 when I was 6 years old in a trailer

1021

00:42:22,460 --> 00:42:20,400

in Florida I got a visit by oh wait you

1022

00:42:25,309 --> 00:42:22,470

could only call to shadow people and

1023

00:42:27,769 --> 00:42:25,319

this happened when I was 6 years old

1024

00:42:30,289 --> 00:42:27,779

and I didn't know what to make of it I

1025

00:42:31,789 --> 00:42:30,299

had no way to process this experience so

1026  
00:42:35,390 --> 00:42:31,799  
it was just something that I remember to

1027  
00:42:40,729 --> 00:42:35,400  
this day and I filed away and then a few

1028  
00:42:43,039 --> 00:42:40,739  
years later in 1966 when I was 11 can we

1029  
00:42:46,370 --> 00:42:43,049  
go into what the shadow people kind of

1030  
00:42:48,499 --> 00:42:46,380  
look like I mean were they just and just

1031  
00:42:50,210 --> 00:42:48,509  
shadows that did they interact with you

1032  
00:42:52,640 --> 00:42:50,220  
did you have communication with them

1033  
00:42:56,329 --> 00:42:52,650  
what happened I'll tell you exactly what

1034  
00:42:57,979 --> 00:42:56,339  
happened I was laying in the bed and my

1035  
00:43:00,380 --> 00:42:57,989  
mother had just kind of like tucked me

1036  
00:43:02,509 --> 00:43:00,390  
in and she went out she shut the light

1037  
00:43:04,849 --> 00:43:02,519  
out and there was a light on in the

1038  
00:43:07,009 --> 00:43:04,859

bathroom which she always kept on and

1039

00:43:10,640 --> 00:43:07,019

after she was gone and things settled

1040

00:43:14,960 --> 00:43:10,650

that was ready to go to sleep these two

1041

00:43:18,710 --> 00:43:14,970

black silhouettes just appeared in my

1042

00:43:20,450 --> 00:43:18,720

room and to this day you know I've

1043

00:43:21,920 --> 00:43:20,460

always wondered all my life it was this

1044

00:43:24,020 --> 00:43:21,930

sort of like some after

1045

00:43:25,220 --> 00:43:24,030

fact you know like a flash camera or

1046

00:43:28,849 --> 00:43:25,230

something where you get an after you

1047

00:43:31,609 --> 00:43:28,859

know these were two distinctly just

1048

00:43:34,430 --> 00:43:31,619

totally I've come to know it as super

1049

00:43:37,220 --> 00:43:34,440

black you know where something from

1050

00:43:38,960 --> 00:43:37,230

another dimension temps to appear in

1051

00:43:40,549 --> 00:43:38,970

this dimension and they don't even

1052

00:43:43,760 --> 00:43:40,559

reflect light it's like a black hole

1053

00:43:47,150 --> 00:43:43,770

it's just like a black silhouette and

1054

00:43:49,460 --> 00:43:47,160

then so true yeah I could never really

1055

00:43:53,270 --> 00:43:49,470

say it that well you know there's a lot

1056

00:43:55,640 --> 00:43:53,280

of early UFO pictures that they at the

1057

00:43:57,829 --> 00:43:55,650

time wrote it off as hoaxes because like

1058

00:43:59,750 --> 00:43:57,839

half of it right down the craft was just

1059

00:44:01,460 --> 00:43:59,760

totally black you know and they thought

1060

00:44:02,960 --> 00:44:01,470

oh that's that's hokey you know but

1061

00:44:05,059 --> 00:44:02,970

that's actually the super black

1062

00:44:07,099 --> 00:44:05,069

phenomena which means that part of that

1063

00:44:08,839 --> 00:44:07,109

object does not exist in this spatial

1064

00:44:13,010 --> 00:44:08,849

dimension and it doesn't reflect any

1065

00:44:14,930 --> 00:44:13,020

light and but these they just when they

1066

00:44:17,750 --> 00:44:14,940

appeared they they walked over real

1067

00:44:20,260 --> 00:44:17,760

slowly to me and they bent down as if

1068

00:44:22,339 --> 00:44:20,270

they were checking on me stood back up

1069

00:44:25,089 --> 00:44:22,349

turned their heads and looked at each

1070

00:44:27,740 --> 00:44:25,099

other turn back and just disappeared

1071

00:44:30,289 --> 00:44:27,750

okay and that's it it happened in the

1072

00:44:34,819 --> 00:44:30,299

course of a couple of minutes and that

1073

00:44:37,069 --> 00:44:34,829

was that but then when I was 11 in 1966

1074

00:44:39,829 --> 00:44:37,079

I was walking down the driveway in

1075

00:44:43,760 --> 00:44:39,839

Titusville Florida and I looked up and

1076

00:44:46,549 --> 00:44:43,770

saw several saucer-like crafts just

1077

00:44:48,650 --> 00:44:46,559

stationary hovering in the air and my

1078

00:44:51,559 --> 00:44:48,660

reaction as I'm an 11 year old was to

1079

00:44:53,990 --> 00:44:51,569

drop to my knees and cry and the reason

1080

00:44:56,690 --> 00:44:54,000

I was crying is that I wanted them I

1081

00:44:58,750 --> 00:44:56,700

wanted them to take me home I remember

1082

00:45:03,260 --> 00:44:58,760

thinking of that when I was 11 years old

1083

00:45:05,960 --> 00:45:03,270

yeah little did I know in 1966 that was

1084

00:45:08,750 --> 00:45:05,970

the great UFO away that was a global UFO

1085

00:45:11,599 --> 00:45:08,760

wave in 1966 so that was kind of a

1086

00:45:13,760 --> 00:45:11,609

coincidental thing there well you know I

1087

00:45:17,750 --> 00:45:13,770

gotta say something else

1088

00:45:20,450 --> 00:45:17,760

I used to go run track at night when I

1089

00:45:22,520 --> 00:45:20,460

was in high school and every night I go

1090

00:45:24,109 --> 00:45:22,530

up to that track alone and I was begged

1091

00:45:26,210 --> 00:45:24,119

them to come and take me home

1092

00:45:27,920 --> 00:45:26,220

beg him I'd be on my knees practically

1093

00:45:31,010 --> 00:45:27,930

all the time like I knew this place was

1094

00:45:34,339 --> 00:45:31,020

just gonna be so so much hell that I was

1095

00:45:35,300 --> 00:45:34,349

saying get me out of here they never

1096

00:45:37,730 --> 00:45:35,310

came and I

1097

00:45:40,070 --> 00:45:37,740

always always got stuck be left here but

1098

00:45:42,410 --> 00:45:40,080

anyhow I guess there's a purpose or we

1099

00:45:45,050 --> 00:45:42,420

won't be doing this right hmm

1100

00:45:49,100 --> 00:45:45,060

then the next one was in 1976 10 years

1101

00:45:50,990 --> 00:45:49,110

later and ages 21 22 and 23

1102

00:45:53,630 --> 00:45:51,000

I had episodes with sleep paralysis

1103

00:45:56,270 --> 00:45:53,640

about once a week and I just wrote it

1104

00:45:58,070 --> 00:45:56,280

off as some anomaly that was happening

1105

00:46:00,650 --> 00:45:58,080

to me it was always so combined with a

1106

00:46:03,110 --> 00:46:00,660

very strange recurring dream of I'd be

1107

00:46:04,370 --> 00:46:03,120

talking to somebody face to face and all

1108

00:46:06,170 --> 00:46:04,380

of a sudden their eyes got really big

1109

00:46:07,810 --> 00:46:06,180

and they started screaming and I was

1110

00:46:12,320 --> 00:46:07,820

apparently turning into something

1111

00:46:13,700 --> 00:46:12,330

non-human and then I would wake up so

1112

00:46:15,860 --> 00:46:13,710

that was just kind of a strange three

1113

00:46:19,010 --> 00:46:15,870

years that I I mean I had no idea what

1114

00:46:22,550 --> 00:46:19,020

was going on and then in 1979 I didn't

1115

00:46:25,280 --> 00:46:22,560

find this out until the year 2012 but in

1116

00:46:26,810 --> 00:46:25,290

1979 I was driving with a female friend

1117

00:46:30,050 --> 00:46:26,820

of mine married from Indianapolis to

1118

00:46:32,060 --> 00:46:30,060

Bloomington and I reconnected with her

1119

00:46:34,040 --> 00:46:32,070

on Facebook after 30 years and we

1120

00:46:36,170 --> 00:46:34,050

started talking down memory lane and

1121

00:46:38,900 --> 00:46:36,180

when it came to this she goes you don't

1122

00:46:40,790 --> 00:46:38,910

recall any of this no I know what and

1123

00:46:42,980 --> 00:46:40,800

she goes you don't remember the light

1124

00:46:44,810 --> 00:46:42,990

and I said no tell me about it so she

1125

00:46:48,200 --> 00:46:44,820

tells me this fixed story and I'm just

1126  
00:46:50,420 --> 00:46:48,210  
stupefied again you know where she's

1127  
00:46:52,850 --> 00:46:50,430  
telling me this where we were driving to

1128  
00:46:54,320 --> 00:46:52,860  
blinked and and a light appeared and it

1129  
00:46:56,210 --> 00:46:54,330  
kept getting bigger and bigger and she

1130  
00:46:58,340 --> 00:46:56,220  
kept telling me to go faster and faster

1131  
00:47:01,250 --> 00:46:58,350  
and I drive like an old man but I do

1132  
00:47:03,530 --> 00:47:01,260  
remember hitting the accelerator and

1133  
00:47:06,680 --> 00:47:03,540  
trying to you know listen to her and get

1134  
00:47:08,510 --> 00:47:06,690  
away from yeah this is about one o'clock

1135  
00:47:10,280 --> 00:47:08,520  
in the morning and then next thing I

1136  
00:47:12,740 --> 00:47:10,290  
know it's bright I'm pulling into her

1137  
00:47:15,170 --> 00:47:12,750  
driveway and I asked her I was very

1138  
00:47:16,790 --> 00:47:15,180

fatigued I was very very tired and I

1139

00:47:19,760 --> 00:47:16,800

asked her if I could sleep on the couch

1140

00:47:22,400 --> 00:47:19,770

and she said sure and she tells me the

1141

00:47:24,320 --> 00:47:22,410

story that while I was sleeping she was

1142

00:47:26,960 --> 00:47:24,330

in a dress that was muddy from head to

1143

00:47:29,450 --> 00:47:26,970

toe from the ordeal whatever happened

1144

00:47:31,160 --> 00:47:29,460

and she felt violated and she went out

1145

00:47:34,940 --> 00:47:31,170

and burnt that dress on a barbecue grill

1146

00:47:36,680 --> 00:47:34,950

and so I'm amused by the story you know

1147

00:47:38,870 --> 00:47:36,690

I'm kind of like chuckling was I really

1148

00:47:42,290 --> 00:47:38,880

well apparently she had called Budd

1149

00:47:44,420 --> 00:47:42,300

Hopkins and he tried to get her to get a

1150

00:47:46,970 --> 00:47:44,430

hold of me for years but she never could

1151  
00:47:49,339 --> 00:47:46,980  
so there's an incident that's a mystery

1152  
00:47:52,099 --> 00:47:49,349  
in 1979 that I

1153  
00:47:55,190 --> 00:47:52,109  
was told by you know a co experiencer of

1154  
00:47:57,529 --> 00:47:55,200  
this thing whatever it was and I've been

1155  
00:47:59,660 --> 00:47:57,539  
suggested by several people to get

1156  
00:48:01,759 --> 00:47:59,670  
hypnotically regressed I don't really

1157  
00:48:04,999 --> 00:48:01,769  
want to I don't feel any urge to do that

1158  
00:48:06,650 --> 00:48:05,009  
because there's a reason why you know I

1159  
00:48:10,359 --> 00:48:06,660  
don't have any memory of what went on

1160  
00:48:12,920 --> 00:48:10,369  
and I want to leave it that way but

1161  
00:48:15,200 --> 00:48:12,930  
Russell that's a healthy attitude to

1162  
00:48:17,269 --> 00:48:15,210  
have you know I'm one of those people -

1163  
00:48:20,150 --> 00:48:17,279

I don't want to know I don't care to

1164

00:48:22,099 --> 00:48:20,160

know if it's all happening that's fine

1165

00:48:23,930 --> 00:48:22,109

I'll know about it when I die because

1166

00:48:25,609 --> 00:48:23,940

I've already done that and I know what

1167

00:48:28,460 --> 00:48:25,619

happens there and you get to see

1168

00:48:31,370 --> 00:48:28,470

everything you experience everything in

1169

00:48:32,180 --> 00:48:31,380

a giant explosion of of love while

1170

00:48:35,630 --> 00:48:32,190

you're doing it

1171

00:48:37,460 --> 00:48:35,640

so I'm not - I don't care I just don't

1172

00:48:39,499 --> 00:48:37,470

care people go why don't you care you

1173

00:48:40,910 --> 00:48:39,509

should care and I go like why it doesn't

1174

00:48:42,229 --> 00:48:40,920

make any difference now and it's not

1175

00:48:44,359 --> 00:48:42,239

gonna make any difference if I know

1176  
00:48:46,999 --> 00:48:44,369  
about it it's not gonna change who I am

1177  
00:48:48,910 --> 00:48:47,009  
or make me be a better person or you

1178  
00:48:52,009 --> 00:48:48,920  
know it's not gonna really do anything

1179  
00:48:54,709 --> 00:48:52,019  
though it does answer the question of

1180  
00:48:57,019 --> 00:48:54,719  
who the evil guys behind this you know

1181  
00:48:59,569 --> 00:48:57,029  
the curtain well maybe I should get it

1182  
00:49:01,640 --> 00:48:59,579  
done but I don't know you apparently I

1183  
00:49:03,650 --> 00:49:01,650  
don't have that feeling or I would do

1184  
00:49:05,209 --> 00:49:03,660  
the regression you know because if

1185  
00:49:07,880 --> 00:49:05,219  
there's something there I needed to know

1186  
00:49:09,589 --> 00:49:07,890  
I would know that and same for you

1187  
00:49:12,799 --> 00:49:09,599  
probably if there is something there you

1188  
00:49:15,049 --> 00:49:12,809

really needed to expose or do you would

1189

00:49:16,999 --> 00:49:15,059

get the regression I think that's why a

1190

00:49:17,900 --> 00:49:17,009

lot of people do get regression is

1191

00:49:20,390 --> 00:49:17,910

because they know there's something

1192

00:49:23,479 --> 00:49:20,400

there they need to tell others about to

1193

00:49:24,979 --> 00:49:23,489

warn them I really believe that you know

1194

00:49:26,539 --> 00:49:24,989

one of the reasons that I don't really

1195

00:49:28,430 --> 00:49:26,549

feel any need to is I feel like they

1196

00:49:30,019 --> 00:49:28,440

know what they're doing and Jacque

1197

00:49:33,049 --> 00:49:30,029

fillet was one of the authors that I

1198

00:49:34,910 --> 00:49:33,059

really found discovered first off and of

1199

00:49:38,539 --> 00:49:34,920

course Jacque fillet believes that the

1200

00:49:41,359 --> 00:49:38,549

man behind the curtain is who is unknown

1201  
00:49:44,029 --> 00:49:41,369  
is they some sort of control mechanism

1202  
00:49:45,620 --> 00:49:44,039  
for human consciousness and I just

1203  
00:49:47,089 --> 00:49:45,630  
figured that I was in good hands and

1204  
00:49:48,650 --> 00:49:47,099  
they did what they needed to do but if

1205  
00:49:50,900 --> 00:49:48,660  
you'd have asked me up until the time I

1206  
00:49:52,849 --> 00:49:50,910  
was 54 in 2009 when I had my heart

1207  
00:49:56,420 --> 00:49:52,859  
attack I was gonna write a book about

1208  
00:49:58,249 --> 00:49:56,430  
UFOs I would have laughed at you but you

1209  
00:50:00,140 --> 00:49:58,259  
know I immerse myself in the material a

1210  
00:50:03,020 --> 00:50:00,150  
thoroughly read John keel there's

1211  
00:50:06,440 --> 00:50:03,030  
wonderful yeah hazing guy huh

1212  
00:50:08,510 --> 00:50:06,450  
on entire collections Andrew Coleman put

1213  
00:50:11,060 --> 00:50:08,520

together entire collections of John

1214

00:50:15,620 --> 00:50:11,070

kills early magazine writings from male

1215

00:50:17,720 --> 00:50:15,630

and saga and oh yeah one of them is

1216

00:50:19,820 --> 00:50:17,730

flying saucer to the center of your mind

1217

00:50:21,860 --> 00:50:19,830

the other one is the outer limits of the

1218

00:50:25,190 --> 00:50:21,870

twilight zone the precipitation is

1219

00:50:26,360 --> 00:50:25,200

percipient searching for the stream I

1220

00:50:30,170 --> 00:50:26,370

mean there's all these wonderful

1221

00:50:32,630 --> 00:50:30,180

collections of his writings and I really

1222

00:50:35,360 --> 00:50:32,640

related to operation Trojan horse and

1223

00:50:37,220 --> 00:50:35,370

the 8th tower was one of my favorite

1224

00:50:39,290 --> 00:50:37,230

books where he thinks there's an alien

1225

00:50:42,020 --> 00:50:39,300

device that was left behind on earth

1226

00:50:45,470 --> 00:50:42,030

that I was responsible for a lot of the

1227

00:50:47,870 --> 00:50:45,480

paranormal activity and in England it

1228

00:50:49,490 --> 00:50:47,880

was a cult book over in the United

1229

00:50:54,260 --> 00:50:49,500

States he kind of got stones thrown at

1230

00:50:58,220 --> 00:50:54,270

him because everybody to be honest with

1231

00:50:59,570 --> 00:50:58,230

you and I knew most of his titles are

1232

00:51:01,870 --> 00:50:59,580

not that I've read them all but I knew

1233

00:51:04,970 --> 00:51:01,880

most of them Oh Disney Land of the Gods

1234

00:51:08,480 --> 00:51:04,980

the eighth power is like my favorite and

1235

00:51:10,610 --> 00:51:08,490

it's one of the most obscure excuse yeah

1236

00:51:12,470 --> 00:51:10,620

yeah yeah as well more obscure ones but

1237

00:51:14,540 --> 00:51:12,480

it was his favorite his personal

1238

00:51:17,420 --> 00:51:14,550

favorite but it didn't it wasn't a big

1239

00:51:20,000 --> 00:51:17,430

seller or anything and I found out that

1240

00:51:22,370 --> 00:51:20,010

most of the really good material that

1241

00:51:24,080 --> 00:51:22,380

really says good things never made it to

1242

00:51:25,940 --> 00:51:24,090

the New York Times bestseller list in

1243

00:51:28,700 --> 00:51:25,950

fact they made just sold a handful and

1244

00:51:30,170 --> 00:51:28,710

they went into the right hands and that

1245

00:51:32,390 --> 00:51:30,180

changed those people's lives and they

1246

00:51:35,090 --> 00:51:32,400

told people and it's the way the thing

1247

00:51:38,690 --> 00:51:35,100

works and you were talking about this

1248

00:51:41,630 --> 00:51:38,700

festival the the UFO conference that we

1249

00:51:42,980 --> 00:51:41,640

just had Paila Harris I was there and it

1250

00:51:44,990 --> 00:51:42,990

was funny because the first day I got

1251  
00:51:46,640 --> 00:51:45,000  
there I saw Grant Cameron at McDonald's

1252  
00:51:48,790 --> 00:51:46,650  
and I got all excited inside you know

1253  
00:51:51,320 --> 00:51:48,800  
because he was like my favorite guys I

1254  
00:51:53,000 --> 00:51:51,330  
didn't but my wife had dinner with him I

1255  
00:51:57,320 --> 00:51:53,010  
was sick for one day I missed a couple

1256  
00:51:59,960 --> 00:51:57,330  
of the lectures and Saturday we all got

1257  
00:52:03,770 --> 00:51:59,970  
young typhoid mary whatever it was that

1258  
00:52:05,330 --> 00:52:03,780  
went through erotic Julie said at one of

1259  
00:52:06,950 --> 00:52:05,340  
the circular tables and had a nice

1260  
00:52:09,500 --> 00:52:06,960  
conversation with him but that was the

1261  
00:52:11,420 --> 00:52:09,510  
big news of the conference that after 40

1262  
00:52:13,190 --> 00:52:11,430  
years of being a nuts and bolts guy you

1263  
00:52:14,750 --> 00:52:13,200

know the study and what the various

1264

00:52:16,950 --> 00:52:14,760

presidents knew and everything like that

1265

00:52:20,370 --> 00:52:16,960

he is converted to

1266

00:52:22,829 --> 00:52:20,380

this paradigm the the underlying nature

1267

00:52:26,970 --> 00:52:22,839

of the UFO phenomena has to do with the

1268

00:52:28,800 --> 00:52:26,980

evolution of consciousness right and one

1269

00:52:31,170 --> 00:52:28,810

of the things that I noticed which led

1270

00:52:33,240 --> 00:52:31,180

me to writing my book overlords of the

1271

00:52:35,670 --> 00:52:33,250

singularity the manipulation of

1272

00:52:38,970 --> 00:52:35,680

humankind by hidden UFO intelligences

1273

00:52:42,930 --> 00:52:38,980

and the quest for transcendence is the

1274

00:52:46,710 --> 00:52:42,940

fact that Jacques pull a John keel Ivan

1275

00:52:49,220 --> 00:52:46,720

theis anderson harold wilkins Curtis

1276  
00:52:55,740 --> 00:52:49,230  
Peebles you know all of the old authors

1277  
00:52:58,380 --> 00:52:55,750  
Jim Lorenzen Apple they all yeah very

1278  
00:53:00,089 --> 00:52:58,390  
very similar conclusions that they

1279  
00:53:01,740 --> 00:53:00,099  
didn't know what the UFO phenomena was

1280  
00:53:02,970 --> 00:53:01,750  
really about they couldn't quite wrap

1281  
00:53:06,240 --> 00:53:02,980  
their mind around it but it had

1282  
00:53:08,190 --> 00:53:06,250  
something to do with technology and in

1283  
00:53:10,980 --> 00:53:08,200  
one of the chapters of my book I

1284  
00:53:14,040 --> 00:53:10,990  
analyzed do a synopsis of the like the

1285  
00:53:16,589 --> 00:53:14,050  
top 40 UFO authors that I was exposed

1286  
00:53:19,440 --> 00:53:16,599  
myself to and their conclusions after an

1287  
00:53:23,280 --> 00:53:19,450  
entire lifetime and the thing is most of

1288  
00:53:25,650 --> 00:53:23,290

the most of these authors wrote prior to

1289

00:53:27,810 --> 00:53:25,660

1996 when Ray Kurzweil came out with

1290

00:53:29,760 --> 00:53:27,820

this book The Singularity is near they

1291

00:53:31,680 --> 00:53:29,770

didn't really have the concept of the

1292

00:53:34,170 --> 00:53:31,690

singularity and nobody was talking about

1293

00:53:35,849 --> 00:53:34,180

it all they knew was the UFOs and

1294

00:53:38,579 --> 00:53:35,859

technology were connected in some

1295

00:53:40,770 --> 00:53:38,589

fashion or another okay so it was just

1296

00:53:42,150 --> 00:53:40,780

kind of a bingo moment for me they're

1297

00:53:45,540 --> 00:53:42,160

talking about singularity they're

1298

00:53:48,630 --> 00:53:45,550

talking about some sort of future stage

1299

00:53:51,210 --> 00:53:48,640

in our technological evolution where we

1300

00:53:53,190 --> 00:53:51,220

develop the ability to interface

1301  
00:53:54,870 --> 00:53:53,200  
technology with consciousness and slide

1302  
00:53:57,570 --> 00:53:54,880  
out of this reality and travel

1303  
00:53:59,070 --> 00:53:57,580  
throughout the universe so that was sort

1304  
00:54:03,570 --> 00:53:59,080  
of the conclusion that I came to a

1305  
00:54:05,760 --> 00:54:03,580  
tentative conclusion one more piece into

1306  
00:54:07,859 --> 00:54:05,770  
the puzzle at that moment in time we

1307  
00:54:10,950 --> 00:54:07,869  
were actually traveling to these

1308  
00:54:12,990 --> 00:54:10,960  
realities and changing what you and I I

1309  
00:54:14,910 --> 00:54:13,000  
mean like you and I being on this radio

1310  
00:54:17,910 --> 00:54:14,920  
show tonight can change a lot of

1311  
00:54:20,310 --> 00:54:17,920  
people's lives and it knows that in the

1312  
00:54:26,190 --> 00:54:20,320  
singularity in the future that is

1313  
00:54:27,960 --> 00:54:26,200

actually the now right but what I'm

1314

00:54:29,820 --> 00:54:27,970

saying I mean everything you and I are

1315

00:54:30,390 --> 00:54:29,830

doing right now is because of what

1316

00:54:32,160 --> 00:54:30,400

happened

1317

00:54:34,319 --> 00:54:32,170

in the future with that singularity

1318

00:54:36,900 --> 00:54:34,329

because that is our higher selves that

1319

00:54:39,599 --> 00:54:36,910

is our alien that is everything that we

1320

00:54:42,660 --> 00:54:39,609

create in our consciousnesses as these

1321

00:54:44,430 --> 00:54:42,670

other dimensionals beings and who knows

1322

00:54:46,079 --> 00:54:44,440

maybe we're creating all these guys

1323

00:54:47,849 --> 00:54:46,089

coming in here maybe we create the

1324

00:54:49,319 --> 00:54:47,859

portals through different dimensional

1325

00:54:52,140 --> 00:54:49,329

time-space you know

1326

00:54:54,450 --> 00:54:52,150

well the abduction experiences that I

1327

00:54:56,789 --> 00:54:54,460

studied it was Betty Andreassen and there

1328

00:54:58,589 --> 00:54:56,799

was one haunting thing that she reports

1329

00:55:00,539 --> 00:54:58,599

she was told that stuck with me ever

1330

00:55:02,490 --> 00:55:00,549

since is that she was told where the

1331

00:55:06,930 --> 00:55:02,500

human beings are the larval form of the

1332

00:55:09,240 --> 00:55:06,940

greys and that stuck with me and then

1333

00:55:11,640 --> 00:55:09,250

you get into the Italian friendship

1334

00:55:16,559 --> 00:55:11,650

group you know that started in 1956 and

1335

00:55:19,799 --> 00:55:16,569

what through their great well the

1336

00:55:22,950 --> 00:55:19,809

average or the friendship group spoke of

1337

00:55:27,079 --> 00:55:22,960

a group of biological robots that

1338

00:55:29,880 --> 00:55:27,089

worship technology that were feminine

1339

00:55:33,480 --> 00:55:29,890

the matrix came out of was that just

1340

00:55:35,760 --> 00:55:33,490

right there because and the terminator

1341

00:55:38,130 --> 00:55:35,770

you know the whole bit about the the

1342

00:55:38,370 --> 00:55:38,140

machines have taken over okay if yeah go

1343

00:55:41,690 --> 00:55:38,380

ahead

1344

00:55:44,250 --> 00:55:41,700

well that's a whole other Hollywood is

1345

00:55:46,470 --> 00:55:44,260

previewing things that are actually real

1346

00:55:48,539 --> 00:55:46,480

and and make the plausible deniability

1347

00:55:50,039 --> 00:55:48,549

where you know if people see it in a

1348

00:55:51,569 --> 00:55:50,049

movie they don't think it's real but

1349

00:55:54,630 --> 00:55:51,579

they actually told you something that is

1350

00:55:56,609 --> 00:55:54,640

real you know as a life even though

1351

00:55:58,079 --> 00:55:56,619

Steven Spielberg's et the

1352

00:55:59,700 --> 00:55:58,089

extra-terrestrial if you look at the

1353

00:56:03,690 --> 00:55:59,710

animal bodies that they just unearthed

1354

00:56:08,190 --> 00:56:03,700

at Nazca Peru the smaller of the two

1355

00:56:10,140 --> 00:56:08,200

looks just like et on the movie oh yeah

1356

00:56:12,269 --> 00:56:10,150

that was one of the things I really

1357

00:56:14,880 --> 00:56:12,279

enjoyed at this conference was a tiny

1358

00:56:17,700 --> 00:56:14,890

moose on and his presentation I don't

1359

00:56:22,470 --> 00:56:17,710

know if he caught it catch a single

1360

00:56:24,089 --> 00:56:22,480

presentation I was so busy I did have a

1361

00:56:26,339 --> 00:56:24,099

chance that I was sick too so I was

1362

00:56:28,529 --> 00:56:26,349

trying to sleep a little bit but yeah we

1363

00:56:31,109 --> 00:56:28,539

were doing the the wheelin and dealin in

1364

00:56:33,779 --> 00:56:31,119

the you know as usual we were all trying

1365

00:56:40,400 --> 00:56:33,789

to get interviews and talk to people and

1366

00:56:43,210 --> 00:56:42,779

look at the core to it forever

1367

00:56:45,099 --> 00:56:43,220

and

1368

00:56:49,210 --> 00:56:45,109

I met sergeant Clifford stone I'm at

1369

00:56:52,000 --> 00:56:49,220

George Noory I'm even saw lots of people

1370

00:56:56,260 --> 00:56:52,010

that were very fascinating to just Don

1371

00:56:59,020 --> 00:56:56,270

Schmidt yeah I'll tell you something Don

1372

00:57:01,839 --> 00:56:59,030

Schmidt is an unsung hero to me I think

1373

00:57:03,609 --> 00:57:01,849

that guy has more integrity than most of

1374

00:57:06,400 --> 00:57:03,619

the guys in the field he did some really

1375

00:57:07,930 --> 00:57:06,410

amazing research on Roswell but when

1376

00:57:11,500 --> 00:57:07,940

that whole Jaime miss Thawne thing

1377

00:57:14,770 --> 00:57:11,510

happened with the alien in the the case

1378

00:57:16,750 --> 00:57:14,780

you know from the 40s supposedly he went

1379

00:57:18,820 --> 00:57:16,760

on board with Jaime with that and it

1380

00:57:21,550 --> 00:57:18,830

turned out to be a falsehood okay so

1381

00:57:25,150 --> 00:57:21,560

instead of trying to say hey I'm right

1382

00:57:27,849 --> 00:57:25,160

you know he basically said Jaime jumped

1383

00:57:29,589 --> 00:57:27,859

the gun and that he made a mistake you

1384

00:57:32,349 --> 00:57:29,599

know and he actually admitted to it and

1385

00:57:34,839 --> 00:57:32,359

to me that is the best thing anybody in

1386

00:57:37,030 --> 00:57:34,849

UF ology do because the problem we've

1387

00:57:39,430 --> 00:57:37,040

got is so many of these guys or ego so

1388

00:57:41,950 --> 00:57:39,440

wrapped up in what's going on that they

1389

00:57:44,620 --> 00:57:41,960

won't admit when they made a mistake you

1390

00:57:47,440 --> 00:57:44,630

know and Don was he was the first one to

1391

00:57:49,900 --> 00:57:47,450

ever admit he really blew it and he

1392

00:57:51,670 --> 00:57:49,910

apologized to the UFO community and you

1393

00:57:53,950 --> 00:57:51,680

know I have so much respect for him now

1394

00:57:56,140 --> 00:57:53,960

that I didn't have before it's amazing

1395

00:57:57,760 --> 00:57:56,150

yeah what would have embarrassed myself

1396

00:58:00,490 --> 00:57:57,770

if I asked him what was really on my

1397

00:58:02,589 --> 00:58:00,500

mind I wanted to say how do you look so

1398

00:58:05,829 --> 00:58:02,599

perfect all the time it's like any

1399

00:58:07,420 --> 00:58:05,839

errors in place you know he's gonna sue

1400

00:58:09,250 --> 00:58:07,430

with no wrinkles in it that's like how

1401

00:58:10,780 --> 00:58:09,260

do you do that you know so I'm really

1402

00:58:24,130 --> 00:58:10,790

glad that I didn't ask him that question

1403

00:58:26,079 --> 00:58:24,140

because the probably of course well I

1404

00:58:27,280 --> 00:58:26,089

hate to do this to you but we got to

1405

00:58:29,890 --> 00:58:27,290

take a break and then we'll come back

1406

00:58:31,660 --> 00:58:29,900

and we'll do another hour but I'm just

1407

00:58:33,790 --> 00:58:31,670

trying to actually get a break in here

1408

00:58:36,329 --> 00:58:33,800

from once and I want to tell everybody

1409

00:58:38,770 --> 00:58:36,339

before we hit the break though that I am

1410

00:58:40,900 --> 00:58:38,780

relaunching my web site starting

1411

00:58:43,120 --> 00:58:40,910

probably right before Christmas or

1412

00:58:46,180 --> 00:58:43,130

January first I'm not sure which date

1413

00:58:50,930 --> 00:58:46,190

yet but I need your help God is and I

1414

00:58:56,150 --> 00:58:53,690

I'm just I cannot continue being on

1415

00:58:58,490 --> 00:58:56,160

radio the way I am unless I start

1416

00:59:00,980 --> 00:58:58,500

getting some a little tiny bit of money

1417

00:59:03,349 --> 00:59:00,990

coming in to help me out so I'm starting

1418

00:59:06,020 --> 00:59:03,359

a membership website that's start paying

1419

00:59:07,790 --> 00:59:06,030

for all the expenses for being on

1420

00:59:10,190 --> 00:59:07,800

internet and all that stuff that comes

1421

00:59:11,780 --> 00:59:10,200

with it and I don't need much a month

1422

00:59:13,640 --> 00:59:11,790

but I'm hoping that you guys can afford

1423

00:59:18,079 --> 00:59:13,650

three dollars a month to hear what I've

1424

00:59:21,490 --> 00:59:18,089

got to say and at that point I'm also

1425

00:59:24,230 --> 00:59:21,500

going to be letting you guys in on

1426  
00:59:26,930 --> 00:59:24,240  
things that never have been out there

1427  
00:59:28,730 --> 00:59:26,940  
before I'm gonna have special special

1428  
00:59:29,990 --> 00:59:28,740  
interviews that'll be on there that

1429  
00:59:31,640 --> 00:59:30,000  
you'll be getting as a member of a

1430  
00:59:33,740 --> 00:59:31,650  
website so I'll tell you more about it

1431  
00:59:36,109 --> 00:59:33,750  
later so for right now let's hit our

1432  
00:59:38,059 --> 00:59:36,119  
break MJ and we'll take you out we'll be

1433  
00:59:41,180 --> 00:59:38,069  
back here on inception radio network

1434  
00:59:43,520 --> 00:59:41,190  
which is also being replayed over at

1435  
00:59:46,790 --> 00:59:43,530  
Mike bar is like night in the Midlands

1436  
00:59:51,710 --> 00:59:46,800  
we thank them for that okay be right

1437  
00:59:53,960 --> 00:59:51,720  
back welcome back everyone to the

1438  
00:59:55,849 --> 00:59:53,970

California MUFON radio show I'm your

1439

00:59:58,069 --> 00:59:55,859

host Lori invented we're here on

1440

01:00:00,200 --> 00:59:58,079

inception radio network the home of the

1441

01:00:02,210 --> 01:00:00,210

most amazing app on the planet I hope

1442

01:00:06,670 --> 01:00:02,220

you guys have it and I do hope that you

1443

01:00:13,190 --> 01:00:10,760

anybody's there you guys you know I not

1444

01:00:14,750 --> 01:00:13,200

having people in my chat room ever since

1445

01:00:18,050 --> 01:00:14,760

we got the new website things have been

1446

01:00:20,329 --> 01:00:18,060

a little quiet in there it's okay but I

1447

01:00:23,030 --> 01:00:20,339

still show you guys I do hope that a lot

1448

01:00:27,559 --> 01:00:23,040

of people show up in the chat room I'm

1449

01:00:29,510 --> 01:00:27,569

clicking right now and the reason why is

1450

01:00:33,470 --> 01:00:29,520

because I really love to have you guys

1451

01:00:35,300 --> 01:00:33,480

input the last hour of the show I'd like

1452

01:00:36,650 --> 01:00:35,310

to have questions from the chat if

1453

01:00:38,750 --> 01:00:36,660

there's a lot of people in there then

1454

01:00:41,450 --> 01:00:38,760

the more questions come and and our

1455

01:00:43,430 --> 01:00:41,460

guests get all kinds of intelligent

1456

01:00:46,190 --> 01:00:43,440

questions because I'm not always one to

1457

01:00:48,230 --> 01:00:46,200

be doing so so I really love it when you

1458

01:00:52,339 --> 01:00:48,240

guys are there especially and I gotta

1459

01:00:55,280 --> 01:00:52,349

say this mr. derp huh i mr. huff and i

1460

01:00:57,950 --> 01:00:55,290

don't know where he is we can't find the

1461

01:01:00,170 --> 01:00:57,960

huff that's all there is to it and I

1462

01:01:02,960 --> 01:01:00,180

also want to say to you guys that it's

1463

01:01:04,590 --> 01:01:02,970

this coming Saturday is the e on

1464

01:01:07,950 --> 01:01:04,600

December 2nd is

1465

01:01:10,230 --> 01:01:07,960

our annual MUFON UFO conference I need a

1466

01:01:12,450 --> 01:01:10,240

conference I'm so tired

1467

01:01:14,310 --> 01:01:12,460

it might call this so bad that I've

1468

01:01:17,480 --> 01:01:14,320

taken all this dayquil so I'm a little

1469

01:01:20,280 --> 01:01:17,490

little Spacey guys so here's the deal

1470

01:01:23,040 --> 01:01:20,290

this Saturday is our annual MUFON

1471

01:01:25,320 --> 01:01:23,050

Christmas party and it's uh we call it

1472

01:01:29,010 --> 01:01:25,330

the UFO holiday party and the green

1473

01:01:30,330 --> 01:01:29,020

alien gift exchange potluck so that's

1474

01:01:32,460 --> 01:01:30,340

what we're having so if you're in

1475

01:01:34,290 --> 01:01:32,470

Northern California and you want to have

1476

01:01:36,450 --> 01:01:34,300

a great day and have a lot of fun and

1477

01:01:40,950 --> 01:01:36,460

meet a lot of cool people all you got to

1478

01:01:44,160 --> 01:01:40,960

do is go to MUFON Marin Sonoma dot-com

1479

01:01:45,540 --> 01:01:44,170

that's MUFON think of Marin County think

1480

01:01:50,010 --> 01:01:45,550

of Sonoma County

1481

01:01:52,050 --> 01:01:50,020

so it's MUFON Marin Sonoma dot-com and

1482

01:01:54,240 --> 01:01:52,060

check out the Christmas party coming up

1483

01:01:56,100 --> 01:01:54,250

this Saturday and we're gonna have a

1484

01:01:58,110 --> 01:01:56,110

blast it's just gonna be a lot of fun

1485

01:01:59,790 --> 01:01:58,120

we've got a lady who is a contactee

1486

01:02:01,110 --> 01:01:59,800

that's had a couple regressions done

1487

01:02:04,170 --> 01:02:01,120

that's going to talk to you about her

1488

01:02:06,090 --> 01:02:04,180

contact that'll be interesting we have a

1489

01:02:08,030 --> 01:02:06,100

guy coming in that's going to talk about

1490

01:02:10,110 --> 01:02:08,040

snake head point which is another

1491

01:02:12,090 --> 01:02:10,120

interesting place here in Northern

1492

01:02:14,220 --> 01:02:12,100

California where we believe that they're

1493

01:02:16,650 --> 01:02:14,230

having all kinds of contact but nobody

1494

01:02:18,510 --> 01:02:16,660

knows about it so that would be fun and

1495

01:02:21,660 --> 01:02:18,520

then we of course will have the green

1496

01:02:24,630 --> 01:02:21,670

alien gift exchange a ton of food I

1497

01:02:26,700 --> 01:02:24,640

never know who might show up to do a sky

1498

01:02:29,250 --> 01:02:26,710

watch I have friends with goggles that

1499

01:02:31,230 --> 01:02:29,260

show up and we just have a blast and I

1500

01:02:32,550 --> 01:02:31,240

can't you know it's it's so funny we

1501

01:02:34,920 --> 01:02:32,560

start about five o'clock in the

1502

01:02:37,920 --> 01:02:34,930

afternoon and I'm kicking people out you

1503

01:02:39,600 --> 01:02:37,930

know 11 or 12 and they still want to go

1504

01:02:41,820 --> 01:02:39,610

to Denny's after they've eaten the

1505

01:02:44,310 --> 01:02:41,830

houses they still want to go Denny's and

1506

01:02:46,200 --> 01:02:44,320

talk about UFOs so sometimes it ends

1507

01:02:49,140 --> 01:02:46,210

3:00 in the morning so we're literally

1508

01:02:51,540 --> 01:02:49,150

there for like I'm there from 3 to 3 so

1509

01:02:53,940 --> 01:02:51,550

a lot of times but yeah it's our best

1510

01:02:55,740 --> 01:02:53,950

party of the year a lot of cool

1511

01:02:58,680 --> 01:02:55,750

information a lot of fun people show up

1512

01:03:01,590 --> 01:02:58,690

so I do hope you guys can and please

1513

01:03:04,200 --> 01:03:01,600

make a night of it don't type try to try

1514

01:03:06,360 --> 01:03:04,210

New York and company is the best kept

1515

01:03:09,360 --> 01:03:06,370

secret for great fashion at amazing

1516

01:03:11,140 --> 01:03:09,370

prices the new Holiday Collection has

1517

01:03:14,740 --> 01:03:11,150

arrived in this weekend is the

1518

01:03:17,530 --> 01:03:14,750

1521

01:03:24,130 --> 01:03:21,980

starting at \$5 they have something for

1522

01:03:26,410 --> 01:03:24,140

everyone including new arrivals from

1523

01:03:29,380 --> 01:03:26,420

their exclusive celebrity brands from

1524

01:03:30,820 --> 01:03:29,390

Ava Mendes and Gabrielle Union hurry and

1525

01:03:33,250 --> 01:03:30,830

check out the best deals of the year

1526

01:03:36,010 --> 01:03:33,260

from New York and company of home you

1527

01:03:39,040 --> 01:03:36,020

know I just tell people if you've got a

1528

01:03:40,780 --> 01:03:39,050

little money saved up there is a motel 6

1529

01:03:43,690 --> 01:03:40,790

up the street there is a Best Western

1530

01:03:45,670 --> 01:03:43,700

right down the corner I mean doesn't

1531

01:03:48,160 --> 01:03:45,680

cost that much of two of you get a room

1532

01:03:50,380 --> 01:03:48,170

together and just need to have a great

1533

01:03:52,720 --> 01:03:50,390

time in that way you don't have to try

1534

01:03:54,280 --> 01:03:52,730

to drive home that day we have lots of

1535

01:03:56,410 --> 01:03:54,290

great places for breakfast the next

1536

01:03:59,410 --> 01:03:56,420

morning so yeah it's good just have a

1537

01:04:01,000 --> 01:03:59,420

good old you know just given us make it

1538

01:04:02,770 --> 01:04:01,010

a Saturday night into Sunday afternoon

1539

01:04:04,870 --> 01:04:02,780

events so there you go

1540

01:04:08,140 --> 01:04:04,880

any I do hope you guys can make it go to

1541

01:04:10,930 --> 01:04:08,150

mufon Marin Sonoma comm and it's right

1542

01:04:14,080 --> 01:04:10,940

there under the next meeting so you'll

1543

01:04:16,240 --> 01:04:14,090

find it all right so and also don't

1544

01:04:18,430 --> 01:04:16,250

forget if you're mufon people aren't

1545

01:04:20,320 --> 01:04:18,440

doing what I do for my MUFON people here

1546

01:04:23,080 --> 01:04:20,330

in Northern California you guys get on

1547

01:04:25,660 --> 01:04:23,090

your state directors and you say why

1548

01:04:30,160 --> 01:04:25,670

can't you guys be like DeLorean okay I

1549

01:04:31,900 --> 01:04:30,170

want you to say that I want Jen Hardison

1550

01:04:34,930 --> 01:04:31,910

to start getting phone calls that say

1551

01:04:36,700 --> 01:04:34,940

Laurieann said that we gotta have

1552

01:04:38,650 --> 01:04:36,710

meetings every month we gotta have

1553

01:04:41,740 --> 01:04:38,660

speakers and we got to have a big party

1554

01:04:43,840 --> 01:04:41,750

every Christmas okay and a big sky watch

1555

01:04:45,910 --> 01:04:43,850

in July for fourth of July we have an

1556

01:04:48,250 --> 01:04:45,920

annual sky watch that is so much fun and

1557

01:04:50,710 --> 01:04:48,260

we can go camping and we go actually

1558

01:04:52,480 --> 01:04:50,720

this year we stated an Indian casino and

1559

01:04:55,990 --> 01:04:52,490

I gambled all night it was so much fun

1560

01:04:58,120 --> 01:04:56,000

yeah the point is I try to make it so

1561

01:05:00,730 --> 01:04:58,130

that every month is a party and every

1562

01:05:02,530 --> 01:05:00,740

July in December we have something

1563

01:05:04,660 --> 01:05:02,540

really fun to look forward to do and I

1564

01:05:08,860 --> 01:05:04,670

think everybody who has these meetings

1565

01:05:10,720 --> 01:05:08,870

should be doing it too so anyhow that's

1566

01:05:12,850 --> 01:05:10,730

my opinion and I just want you guys to

1567

01:05:14,650 --> 01:05:12,860

start radley move funds cage a little

1568

01:05:17,110 --> 01:05:14,660

bit it's good for them to get rattled as

1569

01:05:20,200 --> 01:05:17,120

Jen says I'm one of the biggest Rattlers

1570

01:05:22,480 --> 01:05:20,210

they've got it so I want you guys to

1571

01:05:24,440 --> 01:05:22,490

invoke my name and rattle their cages

1572

01:05:26,240 --> 01:05:24,450

and get them to have meetings

1573

01:05:29,150 --> 01:05:26,250

everywhere all over the United States

1574

01:05:31,010 --> 01:05:29,160

every month and and have you know a lot

1575

01:05:33,170 --> 01:05:31,020

of people show up and have a lot of cool

1576

01:05:35,089 --> 01:05:33,180

information there and who knows maybe

1577

01:05:37,460 --> 01:05:35,099

the Florida people could have our guest

1578

01:05:40,010 --> 01:05:37,470

tonight speak it has go at their event

1579

01:05:41,450 --> 01:05:40,020

every month so that'd be cool so anyhow

1580

01:05:43,910 --> 01:05:41,460

you guys get the drift you know what I'm

1581

01:05:46,640 --> 01:05:43,920

trying to say be with like mine be with

1582

01:05:48,170 --> 01:05:46,650

like people and share your experience

1583

01:05:50,120 --> 01:05:48,180

doesn't have a good time doing so

1584

01:05:52,099 --> 01:05:50,130

because trust me folks these are your

1585

01:05:54,290 --> 01:05:52,109

real family they're your real spiritual

1586

01:05:56,690 --> 01:05:54,300

family or you wouldn't be finding them

1587

01:05:57,770 --> 01:05:56,700

it's that easy it's that simple okay

1588

01:06:02,030 --> 01:05:57,780

thanks a lot

1589

01:06:04,280 --> 01:06:02,040

okay MUFON and UFO n.com yeah keep

1590

01:06:07,310 --> 01:06:04,290

pointing stay org viscom so check it out

1591

01:06:10,400 --> 01:06:07,320

MUFON comm check out my MUFON website

1592

01:06:12,859 --> 01:06:10,410

MUFON we're in Sonoma comm all right

1593

01:06:17,089 --> 01:06:12,869

Russell were back done my advertising

1594

01:06:18,980 --> 01:06:17,099

deeds for the night good great okay so

1595

01:06:21,349 --> 01:06:18,990

when we last left off we were talking

1596

01:06:24,380 --> 01:06:21,359

about basically consciousness in your

1597

01:06:26,240 --> 01:06:24,390

book and the title of your book was a

1598

01:06:28,670 --> 01:06:26,250

singularity and we gotten to the point

1599

01:06:31,099 --> 01:06:28,680

where we just I decided that you know

1600

01:06:32,900 --> 01:06:31,109

it's somewhere in the future maybe that

1601  
01:06:36,319 --> 01:06:32,910  
we're all gonna end up being doing what

1602  
01:06:37,940 --> 01:06:36,329  
we're doing now I know it sounds kind of

1603  
01:06:40,010 --> 01:06:37,950  
backwards but it really that's my

1604  
01:06:44,270 --> 01:06:40,020  
opinion what do you think about what the

1605  
01:06:46,730 --> 01:06:44,280  
singularity will bring for us well it

1606  
01:06:49,040 --> 01:06:46,740  
may sound a little strange but I am a

1607  
01:06:52,040 --> 01:06:49,050  
believer in a lot of what Nikola Tesla

1608  
01:06:53,660 --> 01:06:52,050  
said that he was attempting to do and

1609  
01:06:56,920 --> 01:06:53,670  
one of the things he did was build a

1610  
01:06:59,390 --> 01:06:56,930  
spirit radio and he tried to communicate

1611  
01:07:02,390 --> 01:06:59,400  
electronically with people who were just

1612  
01:07:05,030 --> 01:07:02,400  
incarnate and I believe that's one of

1613  
01:07:07,670 --> 01:07:05,040

the technologies that will come about as

1614

01:07:09,410 --> 01:07:07,680

a result of the singularity coming which

1615

01:07:12,470 --> 01:07:09,420

is predicted to occur somewhere between

1616

01:07:14,900 --> 01:07:12,480

2045 and 2080 according to Kurzweil and

1617

01:07:17,660 --> 01:07:14,910

some of the other futurists and I do

1618

01:07:20,809 --> 01:07:17,670

think that the veil will come down and

1619

01:07:22,579 --> 01:07:20,819

the people who are in physical bodies

1620

01:07:24,890 --> 01:07:22,589

will be able to communicate freely with

1621

01:07:26,420 --> 01:07:24,900

people who are not in physical bodies

1622

01:07:29,599 --> 01:07:26,430

and some sort of an electronic

1623

01:07:31,490 --> 01:07:29,609

consciousness interface and there's

1624

01:07:34,630 --> 01:07:31,500

things that are going to come down the

1625

01:07:36,800 --> 01:07:34,640

pike here that are so fantastic that

1626

01:07:37,500 --> 01:07:36,810

they're almost laughable if you talk

1627

01:07:41,150 --> 01:07:37,510

about

1628

01:07:43,590 --> 01:07:41,160

because we're just moving into

1629

01:07:46,920 --> 01:07:43,600

nanotechnology and then down from that

1630

01:07:50,010 --> 01:07:46,930

is Pico technology and then femto

1631

01:07:51,390 --> 01:07:50,020

technology which is actually a technical

1632

01:07:54,750 --> 01:07:51,400

definition of the physical universe

1633

01:07:57,359 --> 01:07:54,760

because ed fredkin one of the early AI

1634

01:07:59,430 --> 01:07:57,369

experts always thought that this

1635

01:08:01,859 --> 01:07:59,440

physical universe was a computational

1636

01:08:04,080 --> 01:08:01,869

mechanism that somebody was using to

1637

01:08:05,700 --> 01:08:04,090

solve a problem he didn't have he had

1638

01:08:09,030 --> 01:08:05,710

some speculations and what the problems

1639

01:08:11,160 --> 01:08:09,040

were but we don't really know and by

1640

01:08:13,410 --> 01:08:11,170

definition femto technology is a

1641

01:08:16,890 --> 01:08:13,420

computing device that uses subatomic

1642

01:08:19,229 --> 01:08:16,900

particles to make calculations and if

1643

01:08:21,390 --> 01:08:19,239

you get into any of Michiyo Kaku stuff

1644

01:08:22,410 --> 01:08:21,400

like parallel worlds or hyperspace or

1645

01:08:24,720 --> 01:08:22,420

the future of the mind

1646

01:08:26,999 --> 01:08:24,730

he goes into a lot of detail about why

1647

01:08:29,999 --> 01:08:27,009

this universe cannot possibly be a

1648

01:08:32,340 --> 01:08:30,009

random accident unless there's the

1649

01:08:33,990 --> 01:08:32,350

multiverse theory is real and we just

1650

01:08:36,420 --> 01:08:34,000

happened to be in a random universe that

1651

01:08:38,490 --> 01:08:36,430

got everything right but he had six

1652

01:08:42,539 --> 01:08:38,500

specific parameters that he went into

1653

01:08:46,499 --> 01:08:42,549

epsilon Omega lambda n D and Q we can go

1654

01:09:02,340 --> 01:08:46,509

into what those are if you like I'd love

1655

01:09:04,380 --> 01:09:02,350

to hear that so yeah you know he's a

1656

01:09:07,579 --> 01:09:04,390

very interesting guy but I have a really

1657

01:09:13,260 --> 01:09:07,589

hard time I'd rather listen to you

1658

01:09:15,240 --> 01:09:13,270

explain it and I got a picture taken

1659

01:09:20,510 --> 01:09:15,250

with a poster of him the other day at

1660

01:09:30,630 --> 01:09:27,269

okay he's still the first parameter that

1661

01:09:33,030 --> 01:09:30,640

Michiyo talks about is a figure called

1662

01:09:34,740 --> 01:09:33,040

epsilon and this represents the relative

1663

01:09:37,710 --> 01:09:34,750

amount of hydrogen that converts to

1664

01:09:39,870 --> 01:09:37,720

helium via the fusion process because if

1665

01:09:42,269 --> 01:09:39,880

epsilon was originally set at the Big

1666

01:09:44,910 --> 01:09:42,279

Bang just a fraction less than what it

1667

01:09:47,370 --> 01:09:44,920

was the nuclear binding force would have

1668

01:09:49,920 --> 01:09:47,380

been too weak for protons and neutrons

1669

01:09:51,260 --> 01:09:49,930

to bind and none of the heavier elements

1670

01:09:53,750 --> 01:09:51,270

that are necessary for life would

1671

01:09:55,790 --> 01:09:53,760

formed if epsilon was just a little bit

1672

01:09:57,290 --> 01:09:55,800

higher no hydrogen would have survived

1673

01:10:00,680 --> 01:09:57,300

the Big Bang and those stars would have

1674

01:10:02,630 --> 01:10:00,690

formed  $n$  represents the strength of the

1675

01:10:05,270 --> 01:10:02,640

electric force divided by the strength

1676

01:10:07,610 --> 01:10:05,280

of gravity if gravity was set a bit

1677

01:10:09,770 --> 01:10:07,620

weaker than no atomic fusion what do

1678

01:10:12,410 --> 01:10:09,780

they were taking place matter would have

1679

01:10:14,330 --> 01:10:12,420

just been swung out into outer space if

1680

01:10:16,130 --> 01:10:14,340

gravity was said just a bit stronger

1681

01:10:16,550 --> 01:10:16,140

nuclear field would have burned up too

1682

01:10:19,400 --> 01:10:16,560

quickly

1683

01:10:22,550 --> 01:10:19,410

so galaxies would have formed rapidly in

1684

01:10:24,650 --> 01:10:22,560

stars would have collided Omega is the

1685

01:10:26,690 --> 01:10:24,660

relative density of the universe if the

1686

01:10:28,850 --> 01:10:26,700

relative density was slightly smaller

1687

01:10:31,340 --> 01:10:28,860

the new universe would have expanded and

1688

01:10:32,810 --> 01:10:31,350

cooled too fast if omega had been any

1689

01:10:34,790 --> 01:10:32,820

larger of the universe would have

1690

01:10:37,010 --> 01:10:34,800

prematurely collapse before life even

1691

01:10:38,720 --> 01:10:37,020

had a chance to begin then lambda

1692

01:10:41,270 --> 01:10:38,730

represents the cosmological constant

1693

01:10:43,850 --> 01:10:41,280

that determined the acceleration of the

1694

01:10:45,800 --> 01:10:43,860

universe expansion if lambda had been

1695

01:10:48,140 --> 01:10:45,810

set just a little bit weaker just a tiny

1696

01:10:50,240 --> 01:10:48,150

tiny decimal point weaker the universe

1697

01:10:52,460 --> 01:10:50,250

would have already collapsed if lambda

1698

01:10:53,990 --> 01:10:52,470

had been set just a fraction stronger

1699

01:10:56,210 --> 01:10:54,000

the universe would have already blown

1700

01:10:58,430 --> 01:10:56,220

apart and then Q represents the

1701

01:11:01,190 --> 01:10:58,440

amplitude of the irregularities of the

1702

01:11:03,080 --> 01:11:01,200

Cosmic Microwave Background if Q was too

1703

01:11:05,630 --> 01:11:03,090

small the universe would have remained a

1704

01:11:08,390 --> 01:11:05,640

lifeless a modulus mass of gas and dust

1705

01:11:09,740 --> 01:11:08,400

if Q was too large all matter in the

1706

01:11:12,350 --> 01:11:09,750

universe would have already condensed

1707

01:11:14,420 --> 01:11:12,360

into black holes and then D represents

1708

01:11:17,600 --> 01:11:14,430

the actual number of spatial dimensions

1709

01:11:19,580 --> 01:11:17,610

that the universe has composed of and if

1710

01:11:22,250 --> 01:11:19,590

any one of these factors was altered at

1711

01:11:24,440 --> 01:11:22,260

the Big Bang by as little as one part in

1712

01:11:26,660 --> 01:11:24,450

a million billion we would not be having

1713

01:11:28,520 --> 01:11:26,670

this conversation right now no life

1714

01:11:30,260 --> 01:11:28,530

would exist in the universe and the

1715

01:11:33,650 --> 01:11:30,270

cosmos would be a chaotic mass of

1716

01:11:36,800 --> 01:11:33,660

nothing so any one of those factors that

1717

01:11:38,840 --> 01:11:36,810

he mentions would be the odds of getting

1718

01:11:41,380 --> 01:11:38,850

it correct and holding steady for

1719

01:11:44,270 --> 01:11:41,390

billions of years is astronomically

1720

01:11:47,770 --> 01:11:44,280

impossible but the idea of getting all

1721

01:11:51,110 --> 01:11:47,780

six of these parameters exactly correct

1722

01:11:53,000 --> 01:11:51,120

it just it goes beyond the you know

1723

01:11:58,160 --> 01:11:53,010

gravel feasibility that this is a random

1724

01:11:59,480 --> 01:11:58,170

universe so yeah yeah go ahead because I

1725

01:12:02,180 --> 01:11:59,490

know where you're going but go ahead

1726

01:12:04,280 --> 01:12:02,190

because this part I mean there's there's

1727

01:12:06,920 --> 01:12:04,290

only two possibilities the

1728

01:12:08,570 --> 01:12:06,930

is an intentionally fabricated work on

1729

01:12:10,790 --> 01:12:08,580

femto technology using subatomic

1730

01:12:12,620 --> 01:12:10,800

particles to make calculations to solve

1731

01:12:15,740 --> 01:12:12,630

an unknown problem that we probably

1732

01:12:18,620 --> 01:12:15,750

can't even wrap our mind around or we

1733

01:12:21,470 --> 01:12:18,630

live in a true random multiverse and we

1734

01:12:23,210 --> 01:12:21,480

just happen to be lucky enough to be in

1735

01:12:26,600 --> 01:12:23,220

the one that accidentally got it right

1736

01:12:29,180 --> 01:12:26,610

one of those two situations is true well

1737

01:12:29,570 --> 01:12:29,190

that's true and which one would you bet

1738

01:12:44,740 --> 01:12:29,580

on

1739

01:12:48,620 --> 01:12:44,750

would determine who they would attribute

1740

01:12:50,660 --> 01:12:48,630

the creation to there's a new group of

1741

01:12:52,010 --> 01:12:50,670

hypothetical aliens called the hyper

1742

01:12:54,980 --> 01:12:52,020

Burson's I don't know if you ever heard

1743

01:12:56,900 --> 01:12:54,990

of those or not but yeah explain this

1744

01:12:58,580 --> 01:12:56,910

too because now mr. laughing the Dare

1745

01:13:00,830 --> 01:12:58,590

they're like they don't look like super

1746

01:13:04,460 --> 01:13:00,840

chickens or anything through the air the

1747

01:13:06,470 --> 01:13:04,470

blow he theorizes a little bit of them

1748

01:13:09,440 --> 01:13:06,480

and the physics of the impossible or one

1749

01:13:11,750 --> 01:13:09,450

of his books we're okay he speculates

1750

01:13:13,880 --> 01:13:11,760

he's a smart guy and he speculates that

1751

01:13:15,320 --> 01:13:13,890

in a previous realm I don't know if you

1752

01:13:18,620 --> 01:13:15,330

want to call it a universe or just a

1753

01:13:21,340 --> 01:13:18,630

previous realm after eons of time and

1754

01:13:23,540 --> 01:13:21,350

this realm was dying the pinnacle of

1755

01:13:26,870 --> 01:13:23,550

intelligence that evolved in that

1756

01:13:29,060 --> 01:13:26,880

universe tried to save themselves by in

1757

01:13:30,980 --> 01:13:29,070

creating a new universe and embedding

1758

01:13:32,660 --> 01:13:30,990

themselves in it somehow and you've got

1759

01:13:34,760 --> 01:13:32,670

to figure out so these this is a

1760

01:13:36,710 --> 01:13:34,770

hypothetical group of creator aliens

1761

01:13:39,950 --> 01:13:36,720

that they refer to as hyper Versailles

1762

01:13:43,160 --> 01:13:39,960

and we don't really know you know the

1763

01:13:45,320 --> 01:13:43,170

identity we can only speculate theorize

1764

01:13:48,110 --> 01:13:45,330

about it but we can go so far as to

1765

01:13:51,170 --> 01:13:48,120

scientifically prove beyond a reasonable

1766

01:13:53,300 --> 01:13:51,180

doubt that this is a intentional

1767

01:13:56,600 --> 01:13:53,310

computer-like fabrication that we're

1768

01:13:59,450 --> 01:13:56,610

embedded into but we can't really

1769

01:14:01,460 --> 01:13:59,460

identify unless you just fall upon your

1770

01:14:06,170 --> 01:14:01,470

personal beliefs you know of the

1771

01:14:07,790 --> 01:14:06,180

identity or ultimate purposes of who

1772

01:14:10,580 --> 01:14:07,800

they are and why they're doing what

1773

01:14:12,380 --> 01:14:10,590

they're doing right right well okay now

1774

01:14:15,050 --> 01:14:12,390

I'm gonna just throw something in here

1775

01:14:17,909 --> 01:14:15,060

what if we're like a sim simulation and

1776

01:14:22,889 --> 01:14:17,919

we are we are actually running

1777

01:14:25,139 --> 01:14:22,899

the sims get back to our original

1778

01:14:27,479 --> 01:14:25,149

greatness that we had in the previous

1779

01:14:29,310 --> 01:14:27,489

universe you know it may very well be

1780

01:14:31,139 --> 01:14:29,320

that the only way that we could survive

1781

01:14:32,879 --> 01:14:31,149

is to come into the universe from the

1782

01:14:34,830 --> 01:14:32,889

microscopic level up go through the

1783

01:14:37,080 --> 01:14:34,840

whole process of evolution cheap

1784

01:14:38,489 --> 01:14:37,090

technological singularity merge our

1785

01:14:41,089 --> 01:14:38,499

consciousness with technology and

1786

01:14:45,629 --> 01:14:41,099

transcend yep exactly

1787

01:14:48,569 --> 01:14:45,639

and that becomes a torrid of information

1788

01:14:51,120 --> 01:14:48,579

that continually replicates itself the

1789

01:14:53,399 --> 01:14:51,130

nice thing about it is it's so wide open

1790

01:14:55,649 --> 01:14:53,409

I mean if you had gone back in Roman

1791

01:14:57,689 --> 01:14:55,659

times and talked to a Roman soldier and

1792

01:14:59,429 --> 01:14:57,699

tried to explain him what flying saucers

1793

01:15:02,219 --> 01:14:59,439

are what the funny lights in the sky

1794

01:15:04,679 --> 01:15:02,229

that they all see you know he wouldn't

1795

01:15:07,500 --> 01:15:04,689

have had any frame of reference or

1796

01:15:09,449 --> 01:15:07,510

concept and we may be in not too much

1797

01:15:12,449 --> 01:15:09,459

farther along than the Roman soldier

1798

01:15:14,639 --> 01:15:12,459

because right now a lot of people are

1799

01:15:16,729 --> 01:15:14,649

seeing you know the orbs the lights in

1800

01:15:18,719 --> 01:15:16,739

the sky the plasma phenomena is

1801

01:15:23,669 --> 01:15:18,729

spacecraft from other planets okay

1802

01:15:25,949 --> 01:15:23,679

that's our paradigm which that's not

1803

01:15:28,259 --> 01:15:25,959

what I believe and a lot of people have

1804

01:15:31,620 --> 01:15:28,269

been in the UFO field for a very long

1805

01:15:33,330 --> 01:15:31,630

time but we are all starting we all know

1806

01:15:34,620 --> 01:15:33,340

I mean then this goes back to the

1807

01:15:36,689 --> 01:15:34,630

Jacques Vallee this goes back to

1808

01:15:39,509 --> 01:15:36,699

everybody in the beginning we all know

1809

01:15:42,270 --> 01:15:39,519

they're interdimensional we're not sure

1810

01:15:44,339 --> 01:15:42,280

there may be a species or two that gets

1811

01:15:46,350 --> 01:15:44,349

here from another place but if they are

1812

01:15:47,850 --> 01:15:46,360

there transversing wormholes to get here

1813

01:15:50,639 --> 01:15:47,860

because there's no freaking way

1814

01:15:52,139 --> 01:15:50,649

anybody's building a solid mass ship and

1815

01:15:53,459 --> 01:15:52,149

going through all the radiation that's

1816

01:15:57,029 --> 01:15:53,469

out there and all the different things

1817

01:16:00,810 --> 01:15:57,039

you've got to bypass unless their ship

1818

01:16:04,350 --> 01:16:00,820

is made out of an organic type of metal

1819

01:16:07,139 --> 01:16:04,360

that can grow to deflect whatever it is

1820

01:16:11,449 --> 01:16:07,149

that it encounters and change itself to

1821

01:16:14,609 --> 01:16:11,459

morph into its own shielding that is

1822

01:16:16,350 --> 01:16:14,619

yeah this is the skeptics are right you

1823

01:16:19,199 --> 01:16:16,360

can't get here from there in the way

1824

01:16:21,299 --> 01:16:19,209

that they're thinking right you know if

1825

01:16:22,919 --> 01:16:21,309

you go through ordinary space-time I

1826

01:16:24,810 --> 01:16:22,929

don't care if you travel the speed of

1827

01:16:26,370 --> 01:16:24,820

light or whatever going to another

1828

01:16:29,909 --> 01:16:26,380

galaxy that's a hundred million light

1829

01:16:31,650 --> 01:16:29,919

years away is not feasible at all you've

1830

01:16:34,980 --> 01:16:31,660

got to find a way of slide out of

1831

01:16:37,800 --> 01:16:34,990

frequency band into higher realm where

1832

01:16:40,020 --> 01:16:37,810

everything becomes non-local and you can

1833

01:16:41,130 --> 01:16:40,030

go anywhere in the physical universe you

1834

01:16:43,680 --> 01:16:41,140

want there's probably even a

1835

01:16:46,170 --> 01:16:43,690

mathematical formula associated with

1836

01:16:48,750 --> 01:16:46,180

every time and they replace you know the

1837

01:16:50,520 --> 01:16:48,760

coordinates get been you materialize in

1838

01:16:52,590 --> 01:16:50,530

that realm and then the people on that

1839

01:16:58,800 --> 01:16:52,600

planet look up you know see funny lights

1840

01:17:02,130 --> 01:16:58,810

in the sky you brought up something very

1841

01:17:04,170 --> 01:17:02,140

interesting just now were you always

1842

01:17:06,450 --> 01:17:04,180

this smart Russell or is this something

1843

01:17:09,990 --> 01:17:06,460

that you feel has happened to you

1844

01:17:13,200 --> 01:17:10,000

because of your experiences I feel it's

1845

01:17:16,020 --> 01:17:13,210

definitely whatever it is that I am

1846

01:17:17,940 --> 01:17:16,030

right now is a direct byproduct of what

1847

01:17:20,370 --> 01:17:17,950

happened in 2009 with my near-death

1848

01:17:22,680 --> 01:17:20,380

experience because like I said I never

1849

01:17:24,660 --> 01:17:22,690

even was interested in reading books so

1850

01:17:26,880 --> 01:17:24,670

that was a goofball I was just a regular

1851

01:17:30,780 --> 01:17:26,890

bozo on the bus I didn't have a clue as

1852

01:17:33,990 --> 01:17:30,790

to what anything any of this and all of

1853

01:17:35,490 --> 01:17:34,000

this has come about since 2009 and and I

1854

01:17:37,500 --> 01:17:35,500

just can't help but think that the

1855

01:17:39,390 --> 01:17:37,510

immersion end of the material and the

1856

01:17:41,220 --> 01:17:39,400

assimilation of you know some of the

1857

01:17:43,230 --> 01:17:41,230

little pieces of the puzzle the bigger

1858

01:17:45,540 --> 01:17:43,240

parts the layers of the onion that are

1859

01:17:47,700 --> 01:17:45,550

shedding and the people that I'm meeting

1860

01:17:49,650 --> 01:17:47,710

the conversations I'm having it's just

1861

01:17:51,840 --> 01:17:49,660

like a magic kaleidoscope that's

1862

01:17:55,260 --> 01:17:51,850

unfolding before my eyes and I'm just

1863

01:17:57,630 --> 01:17:55,270

constantly amazed at it yeah yeah it's

1864

01:17:59,610 --> 01:17:57,640

very usually I see I've had I had the

1865

01:18:02,670 --> 01:17:59,620

same thing happened in 2009 I almost

1866

01:18:04,890 --> 01:18:02,680

died and my whole life changed now I had

1867

01:18:07,050 --> 01:18:04,900

been very psychic my entire life and

1868

01:18:09,630 --> 01:18:07,060

very much into all the paranormal and

1869

01:18:12,360 --> 01:18:09,640

everything very open to it for my entire

1870

01:18:14,340 --> 01:18:12,370

existence but when I got really sick and

1871

01:18:16,650 --> 01:18:14,350

almost died it was like something took

1872

01:18:19,500 --> 01:18:16,660

ahold of me and started directing my

1873

01:18:20,520 --> 01:18:19,510

life do you feel that that happened to

1874

01:18:22,920 --> 01:18:20,530

you as well

1875

01:18:25,200 --> 01:18:22,930

you feel like you've tapped into maybe a

1876

01:18:27,960 --> 01:18:25,210

God particle that kind of like is saying

1877

01:18:32,540 --> 01:18:27,970

okay yeah this is all a bowl of cherries

1878

01:18:36,360 --> 01:18:32,550

here but you now have a purpose yes

1879

01:18:38,190 --> 01:18:36,370

there's there's such a drastic change or

1880

01:18:40,590 --> 01:18:38,200

personality and John keel goes into a

1881

01:18:42,840 --> 01:18:40,600

lot of detail about this whole cosmic

1882

01:18:44,880 --> 01:18:42,850

illumination thing it happened to him

1883

01:18:47,130 --> 01:18:44,890

17 years old I was really surprised that

1884

01:18:49,730 --> 01:18:47,140

he came out and said that's right god I

1885

01:18:52,170 --> 01:18:49,740

forgot all about that I keep thinking of

1886

01:18:54,660 --> 01:18:52,180

guy Rupp Blade Runner because he's my

1887

01:18:56,130 --> 01:18:54,670

favorite philip k dick and i he had an

1888

01:19:00,330 --> 01:18:56,140

experience to that i'm sure you know

1889

01:19:02,250 --> 01:19:00,340

what right vibe right yes you have the

1890

01:19:04,050 --> 01:19:02,260

little orb that come through into the

1891

01:19:06,150 --> 01:19:04,060

room and floated around like a moth and

1892

01:19:11,250 --> 01:19:06,160

landed on his forehead and make changes

1893

01:19:13,860 --> 01:19:11,260

inside his psyche yeah yeah yeah it's

1894

01:19:15,870 --> 01:19:13,870

this is this is an ongoing operation

1895

01:19:20,130 --> 01:19:15,880

that's happening everyday to millions of

1896

01:19:24,180 --> 01:19:20,140

people and we're being worked with okay

1897

01:19:25,980 --> 01:19:24,190

tinkered with worked with something you

1898

01:19:29,460 --> 01:19:25,990

know we're we're morphing and changing

1899

01:19:31,440 --> 01:19:29,470

on a daily basis according to this

1900

01:19:35,070 --> 01:19:31,450

phenomena whatever intelligence is

1901

01:19:36,990 --> 01:19:35,080

behind it is pretty magnificent and like

1902

01:19:38,520 --> 01:19:37,000

I said before it they know what they're

1903

01:19:42,000 --> 01:19:38,530

doing you know they know human beings

1904

01:19:45,270 --> 01:19:42,010

very well and out of you know take them

1905

01:19:48,270 --> 01:19:45,280

where they want to go yeah yeah well now

1906

01:19:50,190 --> 01:19:48,280

does your book address the evil that's

1907

01:19:53,250 --> 01:19:50,200

going on on this planet because I'll

1908

01:19:56,220 --> 01:19:53,260

tell you what happened to me yes yeah

1909

01:19:58,920 --> 01:19:56,230

when I got sick I got before I got sick

1910

01:20:00,990 --> 01:19:58,930

though I was a hippie dippie everybody

1911

01:20:05,730 --> 01:20:01,000

loves everybody in the world is all

1912

01:20:07,590 --> 01:20:05,740

kumbaya and I really and I was very open

1913

01:20:10,050 --> 01:20:07,600

to the psychic stuff I read you know i

1914

01:20:11,580 --> 01:20:10,060

philip k dick i was in the UFOs and

1915

01:20:14,730 --> 01:20:11,590

aliens and you know i was into

1916

01:20:17,310 --> 01:20:14,740

everything right ghosts you name it but

1917

01:20:19,620 --> 01:20:17,320

i always thought we created our own hell

1918

01:20:23,790 --> 01:20:19,630

and there was no evil that people

1919

01:20:25,920 --> 01:20:23,800

created it okay but when i got sick and

1920

01:20:28,380 --> 01:20:25,930

came out of it it changed my whole it

1921

01:20:30,660 --> 01:20:28,390

rocked my world on that one because it

1922

01:20:32,010 --> 01:20:30,670

really proved to me that there is evil

1923

01:20:34,950 --> 01:20:32,020

outside of humans

1924

01:20:38,040 --> 01:20:34,960

that's manipulating this planet and us

1925

01:20:39,570 --> 01:20:38,050

and i and i flipped out I really did

1926

01:20:42,000 --> 01:20:39,580

flip out that was probably my biggest

1927

01:20:44,370 --> 01:20:42,010

awakening in my entire life was to the

1928

01:20:46,320 --> 01:20:44,380

fact that there is evil out there well

1929

01:20:49,440 --> 01:20:46,330

personally I think that's one of the

1930

01:20:52,350 --> 01:20:49,450

reasons why a decision was made to keep

1931

01:20:55,440 --> 01:20:52,360

a lid on a lot of this because the scope

1932

01:20:56,129 --> 01:20:55,450

of it is so great and so potentially a

1933

01:20:57,509 --> 01:20:56,139

stay

1934

01:21:00,419 --> 01:20:57,519

pounding and frightening at the same

1935

01:21:02,040 --> 01:21:00,429

time that they just didn't think that

1936

01:21:04,589 --> 01:21:02,050

the general public could handle it and

1937

01:21:07,469 --> 01:21:04,599

all you have to do is look into some of

1938

01:21:10,139 --> 01:21:07,479

the cases one in particular in Brazil at

1939

01:21:11,819 --> 01:21:10,149

a dam of a case of human mutilation

1940

01:21:16,049 --> 01:21:11,829

where they were actually tissue

1941

01:21:18,689 --> 01:21:16,059

harvested exactly like the bovine tissue

1942

01:21:22,819 --> 01:21:18,699

harvesting was starting in about 1965

1943

01:21:25,850 --> 01:21:22,829

and going for about 15 years strong and

1944

01:21:30,870 --> 01:21:25,860

somebody out there needs tons of blood

1945

01:21:36,509 --> 01:21:30,880

because these cows are found this insane

1946

01:21:38,100 --> 01:21:36,519

grenaded yeah and the same thing with

1947

01:21:41,129 --> 01:21:38,110

the occasional cases of human

1948

01:21:42,989 --> 01:21:41,139

mutilations nobody really knows and and

1949

01:21:44,520 --> 01:21:42,999

what that strike me it was the first

1950

01:21:47,069 --> 01:21:44,530

time I heard about that I was watching

1951

01:21:49,589 --> 01:21:47,079

the video by Linda Moulton Howe a lean

1952

01:21:51,509 --> 01:21:49,599

harvest and she added all these cattle

1953

01:21:54,239 --> 01:21:51,519

mutilations and then the more you get

1954

01:21:55,709 --> 01:21:54,249

into you it just hits you it's like this

1955

01:21:57,569 --> 01:21:55,719

is being done but I creatures from outer

1956

01:22:00,089 --> 01:21:57,579

space this is not a human endeavor and

1957

01:22:02,370 --> 01:22:00,099

then it switched into these human cases

1958

01:22:04,020 --> 01:22:02,380

and I felt like the blood and my face

1959

01:22:07,589 --> 01:22:04,030

just went right down straight to my feet

1960

01:22:10,080 --> 01:22:07,599

and I went oh no and it's like yes there

1961

01:22:14,339 --> 01:22:10,090

there is a side of you apology that's

1962

01:22:16,020 --> 01:22:14,349

extremely frightening and you wonder you

1963

01:22:17,609 --> 01:22:16,030

know could a human being actually do

1964

01:22:19,439 --> 01:22:17,619

that to another person the vital

1965

01:22:21,569 --> 01:22:19,449

reactions show that this guy was alive

1966

01:22:22,979 --> 01:22:21,579

when this happened he has rear end cored

1967

01:22:25,679 --> 01:22:22,989

out his insides pulled out a little

1968

01:22:29,009 --> 01:22:25,689

cookie cutter holes and his armpits you

1969

01:22:31,589 --> 01:22:29,019

know that is to me when I look at that

1970

01:22:37,409 --> 01:22:31,599

that is artificial intelligence without

1971

01:22:40,379 --> 01:22:37,419

any feelings whatsoever for it could be

1972

01:22:42,569 --> 01:22:40,389

another species that's in cotton this

1973

01:22:45,949 --> 01:22:42,579

matrix along with this that's doing this

1974

01:22:48,449 --> 01:22:45,959

that doesn't have any emotional you know

1975

01:22:50,609 --> 01:22:48,459

capability and you know that's what

1976

01:22:53,129 --> 01:22:50,619

makes humans very unique that my angels

1977

01:22:55,560 --> 01:22:53,139

have told me this they've said humans

1978

01:22:58,009 --> 01:22:55,570

are so unique you guys have if they say

1979

01:23:01,290 --> 01:22:58,019

you have no idea how amazing you are

1980

01:23:03,719 --> 01:23:01,300

because there's so many apparently so

1981

01:23:06,239 --> 01:23:03,729

many other species out there that don't

1982

01:23:08,219 --> 01:23:06,249

even have feelings they don't have art

1983

01:23:09,600 --> 01:23:08,229

they don't have love they just don't

1984

01:23:11,939 --> 01:23:09,610

have you

1985

01:23:14,340 --> 01:23:11,949

we're one step away from God in reality

1986

01:23:18,510 --> 01:23:14,350

I'm starting to believe that more and

1987

01:23:20,729 --> 01:23:18,520

more each day because if there is a you

1988

01:23:23,280 --> 01:23:20,739

know there is a God or an AI system or

1989

01:23:25,020 --> 01:23:23,290

whatever that runs this place they have

1990

01:23:27,750 --> 01:23:25,030

to have all that because the place I

1991

01:23:29,910 --> 01:23:27,760

went to was so full of love there was

1992

01:23:32,640 --> 01:23:29,920

nothing else that could have there was

1993

01:23:35,580 --> 01:23:32,650

no evil that could get into it it was so

1994

01:23:40,200 --> 01:23:35,590

full of love and I realized in that

1995

01:23:43,020 --> 01:23:40,210

moment that we are so close to that we

1996

01:23:44,840 --> 01:23:43,030

are God's - we are our higher selves

1997

01:23:47,879 --> 01:23:44,850

where all of that you know we're just

1998

01:23:51,180 --> 01:23:47,889

we're amazing creatures and my angels

1999

01:23:52,649 --> 01:23:51,190

won't lie to me about that I mean if I

2000

01:23:53,879 --> 01:23:52,659

was a slug and I didn't have any

2001

01:23:55,620 --> 01:23:53,889

feelings I think they just probably

2002

01:23:57,959 --> 01:23:55,630

helped me along you know they wouldn't

2003

01:24:01,020 --> 01:23:57,969

have told me this but they told me that

2004

01:24:02,850 --> 01:24:01,030

for a reason it must be because I need

2005

01:24:04,470 --> 01:24:02,860

to tell you guys and and you know

2006

01:24:06,870 --> 01:24:04,480

whoever was out there listening to the

2007

01:24:08,640 --> 01:24:06,880

show tonight you know because it's super

2008

01:24:11,310 --> 01:24:08,650

important that we understand that we are

2009

01:24:22,260 --> 01:24:11,320

you know I have you been watching people

2010

01:24:24,570 --> 01:24:22,270

from Earth everybody loves him he's like

2011

01:24:30,030 --> 01:24:24,580

the favorite he's that he's the runaway

2012

01:24:32,070 --> 01:24:30,040

character of the show I swear to god he

2013

01:24:36,810 --> 01:24:32,080

modeled after dr. evil with Austin

2014

01:24:38,189 --> 01:24:36,820

Powers because he just acts like trying

2015

01:24:40,649 --> 01:24:38,199

to run the world from the spaceship

2016

01:24:42,390 --> 01:24:40,659

that's a great show it is a great show

2017

01:24:44,370 --> 01:24:42,400

but I love that one thing they do they

2018

01:24:47,340 --> 01:24:44,380

tell each one to contact these you're

2019

01:24:49,890 --> 01:24:47,350

special right and that is the one thing

2020

01:24:51,899 --> 01:24:49,900

that all the contact ease that when they

2021

01:24:54,750 --> 01:24:51,909

get lost in the fact that they are

2022

01:24:56,430 --> 01:24:54,760

special that we always Alayna I laugh I

2023

01:25:02,340 --> 01:24:56,440

always go blame the aliens for making

2024

01:25:04,200 --> 01:25:02,350

you think you're special you know I'm

2025

01:25:06,180 --> 01:25:04,210

just gonna say cuz we're not we're just

2026

01:25:07,950 --> 01:25:06,190

like everybody you know all the contact

2027

01:25:10,950 --> 01:25:07,960

these are just like everybody else you

2028

01:25:13,979 --> 01:25:10,960

know and but there is this whole side

2029

01:25:15,510 --> 01:25:13,989

that the UFO community it likes to

2030

01:25:18,240 --> 01:25:15,520

perpetuate I don't know if you've run

2031

01:25:20,129 --> 01:25:18,250

across it yet you may not have it's just

2032

01:25:21,750 --> 01:25:20,139

that a lot of the contact these really

2033

01:25:23,129 --> 01:25:21,760

do think they are special and they're

2034

01:25:23,609 --> 01:25:23,139

better than everybody else because

2035

01:25:26,609 --> 01:25:23,619

they're

2036

01:25:30,600 --> 01:25:26,619

contact and it's a little freaky and a

2037

01:25:32,850 --> 01:25:30,610

little weird but it does happen so you

2038

01:25:36,779 --> 01:25:32,860

know I don't know if you met you know

2039

01:25:38,909 --> 01:25:36,789

people like that or not but it's one of

2040

01:25:41,129 --> 01:25:38,919

the really cool things about John keels

2041

01:25:43,319 --> 01:25:41,139

writings as he reveals some things that

2042

01:25:45,929 --> 01:25:43,329

happened amongst his circle of silent

2043

01:25:48,179 --> 01:25:45,939

contactees he always kept certain pieces

2044

01:25:51,119 --> 01:25:48,189

of information away from his book

2045

01:25:53,639 --> 01:25:51,129

because that's that way he was able to

2046

01:25:55,560 --> 01:25:53,649

ascertain who was a legitimate contact

2047

01:25:58,229 --> 01:25:55,570

he which he called a silent contact he

2048

01:25:59,879 --> 01:25:58,239

because for every single contact II that

2049

01:26:01,709 --> 01:25:59,889

talks about their experience there's a

2050

01:26:03,469 --> 01:26:01,719

thousand that don't want anything to do

2051

01:26:06,089 --> 01:26:03,479

with talking to anybody about it yeah

2052

01:26:08,549 --> 01:26:06,099

tell me about it those are the ones like

2053

01:26:10,500 --> 01:26:08,559

I I know three people right now that can

2054

01:26:11,850 --> 01:26:10,510

call a ship in it'll be in their front

2055

01:26:13,649 --> 01:26:11,860

yard we can all go out and have popcorn

2056

01:26:15,989 --> 01:26:13,659

and talk to the aliens if we wanted to

2057

01:26:17,369 --> 01:26:15,999

but they won't talk to anybody and they

2058

01:26:19,199 --> 01:26:17,379

won't tell anybody they can do it they

2059

01:26:22,319 --> 01:26:19,209

you know I barely can get it out of them

2060

01:26:24,270 --> 01:26:22,329

right well what he discovered through

2061

01:26:25,469 --> 01:26:24,280

his circle of contacts and that he

2062

01:26:28,889 --> 01:26:25,479

reveals this in the Mothman Prophecies

2063

01:26:32,100 --> 01:26:28,899

one of the books that he wrote is what

2064

01:26:34,649 --> 01:26:32,110

the intelligences that come through the

2065

01:26:36,869 --> 01:26:34,659

contact he's like to do for some reason

2066

01:26:39,089 --> 01:26:36,879

or another is give them a series of

2067

01:26:40,919 --> 01:26:39,099

little small wins little prophecies that

2068

01:26:43,259 --> 01:26:40,929

come true and it builds their confidence

2069

01:26:45,000 --> 01:26:43,269

and then all of a sudden they get the

2070

01:26:46,859 --> 01:26:45,010

message of this big whopper

2071

01:26:48,389 --> 01:26:46,869

you know like on such-and-such a date a

2072

01:26:50,339 --> 01:26:48,399

thousand flying saucers are going to

2073

01:26:51,959 --> 01:26:50,349

landed they and they are so confident

2074

01:26:54,089 --> 01:26:51,969

with it because of their small successes

2075

01:26:55,770 --> 01:26:54,099

but they announce it to their flock or

2076  
01:26:56,969 --> 01:26:55,780  
they announce it to the world and then

2077  
01:26:59,069 --> 01:26:56,979  
when it doesn't come through that

2078  
01:27:01,409 --> 01:26:59,079  
devastates them and this has happened

2079  
01:27:04,080 --> 01:27:01,419  
over and over and over nobody really

2080  
01:27:06,449 --> 01:27:04,090  
knows why but there's you were talking

2081  
01:27:08,879 --> 01:27:06,459  
about the evil side of the thing it's

2082  
01:27:11,339 --> 01:27:08,889  
like you'd have to familiarize yourself

2083  
01:27:14,069 --> 01:27:11,349  
with the concept of a von Neumann probe

2084  
01:27:17,699 --> 01:27:14,079  
a self-replicating von Neumann probe

2085  
01:27:18,839 --> 01:27:17,709  
because I can show that is this is the

2086  
01:27:21,540 --> 01:27:18,849  
first time I've heard of a

2087  
01:27:23,069 --> 01:27:21,550  
self-replicating von Neumann probe okay

2088  
01:27:26,279 --> 01:27:23,079

well there was a physicist named John

2089

01:27:28,699 --> 01:27:26,289

von Neumann was popular back in the 50s

2090

01:27:30,899 --> 01:27:28,709

and he came up with the concept of a

2091

01:27:32,849 --> 01:27:30,909

self-replicating von Neumann probe and

2092

01:27:34,859 --> 01:27:32,859

went so far as to say the predominant

2093

01:27:36,989 --> 01:27:34,869

form of life in the universe that we

2094

01:27:37,500 --> 01:27:36,999

would probably contact would be the

2095

01:27:40,200 --> 01:27:37,510

sulfur

2096

01:27:43,919 --> 01:27:40,210

locating automated von Neumann probes

2097

01:27:45,990 --> 01:27:43,929

and personally just tentatively in my

2098

01:27:49,529 --> 01:27:46,000

little speculation circle and Manimal

2099

01:27:51,509 --> 01:27:49,539

head I think long ago based on

2100

01:27:53,310 --> 01:27:51,519

everything that I've read something

2101

01:27:55,169 --> 01:27:53,320

similar to that arrived here and

2102

01:27:57,479 --> 01:27:55,179

attached itself to one of the

2103

01:28:00,120 --> 01:27:57,489

vibrational planes of Earth and they

2104

01:28:02,279 --> 01:28:00,130

have an interest in us achieving this

2105

01:28:05,009 --> 01:28:02,289

technological singularity for their own

2106

01:28:06,959 --> 01:28:05,019

purposes and this was confirmed in a

2107

01:28:08,970 --> 01:28:06,969

book that I just read by spirit medium

2108

01:28:12,479 --> 01:28:08,980

Paul Hammond called the Zeta primer and

2109

01:28:16,049 --> 01:28:12,489

one of the things that these Zeta to say

2110

01:28:18,649 --> 01:28:16,059

is that there are 80 races out there

2111

01:28:21,810 --> 01:28:18,659

that want to own the human astral plane

2112

01:28:23,700 --> 01:28:21,820

go figure that you know so there's

2113

01:28:25,890 --> 01:28:23,710

there's aspects of this thing that are

2114

01:28:28,020 --> 01:28:25,900

so far out there that when you say it

2115

01:28:31,979 --> 01:28:28,030

you know people want to chuckle and go

2116

01:28:33,750 --> 01:28:31,989

what you know and it's like there's a

2117

01:28:35,370 --> 01:28:33,760

lot going on that's just beyond our

2118

01:28:37,950 --> 01:28:35,380

comprehension and this is one of the

2119

01:28:39,779 --> 01:28:37,960

reasons I feel but what we really need

2120

01:28:42,000 --> 01:28:39,789

with this technology that's going to be

2121

01:28:46,040 --> 01:28:42,010

invented between now and twenty 45 we're

2122

01:28:48,689 --> 01:28:46,050

going into an exponential technological

2123

01:28:51,450 --> 01:28:48,699

expansion year to year we're no longer

2124

01:28:53,180 --> 01:28:51,460

in Moore's law where technology just

2125

01:28:57,180 --> 01:28:53,190

doubles every year we're going to

2126  
01:28:58,950 --> 01:28:57,190  
exponential expansion you know it's over

2127  
01:29:00,600 --> 01:28:58,960  
everybody said there's not a single

2128  
01:29:02,250 --> 01:29:00,610  
person on this planet right now that

2129  
01:29:04,259 --> 01:29:02,260  
understands all the technology that we

2130  
01:29:05,609 --> 01:29:04,269  
have we've got you know this robot and

2131  
01:29:07,950 --> 01:29:05,619  
Saudi Arabia that's earned its

2132  
01:29:11,069 --> 01:29:07,960  
citizenship Bitcoin and blockchain and

2133  
01:29:12,629 --> 01:29:11,079  
all this cryptocurrency go on and you

2134  
01:29:16,470 --> 01:29:12,639  
know there's things in the artificial

2135  
01:29:18,439 --> 01:29:16,480  
intelligence arena that is just a little

2136  
01:29:21,450 --> 01:29:18,449  
bit scary and mind-blowing right now

2137  
01:29:23,250 --> 01:29:21,460  
that nobody understands all of the

2138  
01:29:25,410 --> 01:29:23,260

ramifications of their it's

2139

01:29:26,819 --> 01:29:25,420

compartmentalized where this person

2140

01:29:28,620 --> 01:29:26,829

might know that and this person might

2141

01:29:30,569 --> 01:29:28,630

know that but nobody really comprehends

2142

01:29:32,669 --> 01:29:30,579

the whole picture but there's an

2143

01:29:34,979 --> 01:29:32,679

intelligence out there the intelligence

2144

01:29:37,560 --> 01:29:34,989

behind the UFO phenomena that does know

2145

01:29:39,479 --> 01:29:37,570

all about it oh you bet and one of the

2146

01:29:41,700 --> 01:29:39,489

things that I've been able to discover

2147

01:29:45,149 --> 01:29:41,710

through the contactees and through

2148

01:29:48,930 --> 01:29:45,159

psychics that I know is that if we could

2149

01:29:51,120 --> 01:29:48,940

possibly get our brains to start working

2150

01:29:53,490 --> 01:29:51,130

both sides at the same time we'd have

2151  
01:29:55,919 --> 01:29:53,500  
much better concept of what's going on

2152  
01:29:59,700 --> 01:29:55,929  
around us we might lose some of our

2153  
01:30:02,189 --> 01:29:59,710  
humanity in the process but as far as I

2154  
01:30:05,010 --> 01:30:02,199  
can tell I think that whatever the

2155  
01:30:07,320 --> 01:30:05,020  
singularity is or this AI or who's ever

2156  
01:30:09,959 --> 01:30:07,330  
running the show here I think they're

2157  
01:30:11,550 --> 01:30:09,969  
moving us in that direction because most

2158  
01:30:13,500 --> 01:30:11,560  
of the people I know that have had

2159  
01:30:16,110 --> 01:30:13,510  
near-death experiences like yourself or

2160  
01:30:18,540 --> 01:30:16,120  
contact like my friends or or whatever

2161  
01:30:20,459 --> 01:30:18,550  
it is that we go through one of the

2162  
01:30:22,320 --> 01:30:20,469  
things they all say to me and you're

2163  
01:30:25,050 --> 01:30:22,330

gonna probably say it too is yeah I

2164

01:30:28,260 --> 01:30:25,060

think I'm using more of my brain power

2165

01:30:32,129 --> 01:30:28,270

together both sides at the same time

2166

01:30:34,590 --> 01:30:32,139

than I ever did before because a I feel

2167

01:30:39,750 --> 01:30:34,600

much calmer in my life I don't feel like

2168

01:30:41,340 --> 01:30:39,760

there is such emotional input and one of

2169

01:30:43,169 --> 01:30:41,350

the things they discovered and I'm going

2170

01:30:44,729 --> 01:30:43,179

to throw this out to folks there I come

2171

01:30:46,860 --> 01:30:44,739

they can all laugh at me if they want

2172

01:30:51,300 --> 01:30:46,870

but they've discovered that our entrance

2173

01:30:53,729 --> 01:30:51,310

system seems to be the biggest player

2174

01:30:56,100 --> 01:30:53,739

when it comes to how the aliens control

2175

01:30:59,700 --> 01:30:56,110

us because one of the things they can

2176

01:31:02,910 --> 01:30:59,710

and cannot do can do is turn off our

2177

01:31:05,790 --> 01:31:02,920

ability to reproduce or they are wanting

2178

01:31:07,800 --> 01:31:05,800

to reproduce and in doing so the

2179

01:31:09,209 --> 01:31:07,810

intricate system plays a huge part in it

2180

01:31:10,649 --> 01:31:09,219

because it's all chemicals that make

2181

01:31:14,070 --> 01:31:10,659

people want to make babies it has

2182

01:31:15,930 --> 01:31:14,080

nothing to do with making them to be

2183

01:31:17,459 --> 01:31:15,940

here on this planet you know like oh

2184

01:31:18,959 --> 01:31:17,469

I've got to have a kid because it's so

2185

01:31:21,090 --> 01:31:18,969

important that I put another one on this

2186

01:31:26,129 --> 01:31:21,100

planet if you thought about having a kid

2187

01:31:28,500 --> 01:31:26,139

logically nobody would have one okay you

2188

01:31:30,629 --> 01:31:28,510

know so it's all chemicals and what

2189

01:31:32,220 --> 01:31:30,639

people don't get is if both sides of

2190

01:31:35,160 --> 01:31:32,230

your brain are firing at the same time

2191

01:31:37,800 --> 01:31:35,170

and you're not separated by logic and

2192

01:31:39,510 --> 01:31:37,810

function then they can't just go into

2193

01:31:41,430 --> 01:31:39,520

the function site and say oh let's tweak

2194

01:31:43,410 --> 01:31:41,440

up those chemicals so this woman wants

2195

01:31:45,720 --> 01:31:43,420

to have a baby so badly she can't stand

2196

01:31:47,760 --> 01:31:45,730

it right and then she'll go you know

2197

01:31:50,970 --> 01:31:47,770

have sex and make kid you know no matter

2198

01:31:54,390 --> 01:31:50,980

what and people have no idea how they're

2199

01:31:57,629 --> 01:31:54,400

controlled by other dimensional

2200

01:32:01,470 --> 01:31:57,639

time-space when it comes to us becoming

2201

01:32:02,939 --> 01:32:01,480

the fulfilled enlightened person we're

2202

01:32:04,490 --> 01:32:02,949

supposed to become you know priests

2203

01:32:06,550 --> 01:32:04,500

don't not have sex

2204

01:32:09,680 --> 01:32:06,560

reason it has all to do with how they're

2205

01:32:13,700 --> 01:32:09,690

training their body and mind to think is

2206

01:32:15,490 --> 01:32:13,710

one unit not just one side and you'll

2207

01:32:17,690 --> 01:32:15,500

find that most men that are just out

2208

01:32:21,140 --> 01:32:17,700

testosterone-driven are very one-sided

2209

01:32:25,670 --> 01:32:21,150

thinks they are not your typical you

2210

01:32:27,800 --> 01:32:25,680

know computer nerds okay and and your IQ

2211

01:32:29,270 --> 01:32:27,810

goes down with one-sided thinking too

2212

01:32:32,240 --> 01:32:29,280

and it's just it's a very interesting

2213

01:32:34,580 --> 01:32:32,250

concept I'm really starting to just dive

2214

01:32:36,320 --> 01:32:34,590

into it but what do you think about that

2215

01:32:39,140 --> 01:32:36,330

do you think that they tweet with your

2216

01:32:40,580 --> 01:32:39,150

your brains at all when you were in this

2217

01:32:43,910 --> 01:32:40,590

other dimensional space because you

2218

01:32:47,750 --> 01:32:43,920

talked about your frequency being you

2219

01:32:50,120 --> 01:32:47,760

know - derp or played with or whatever I

2220

01:32:51,800 --> 01:32:50,130

know mine has but I also know that

2221

01:32:53,870 --> 01:32:51,810

they've done a little more than just

2222

01:32:56,030 --> 01:32:53,880

mess with frequency I think they truly

2223

01:32:58,430 --> 01:32:56,040

have done something to my brain

2224

01:33:01,100 --> 01:32:58,440

structure in a way that I I don't

2225

01:33:02,900 --> 01:33:01,110

understand yeah who really knows you

2226

01:33:04,970 --> 01:33:02,910

know what what they're actually capable

2227

01:33:06,680 --> 01:33:04,980

of doing with the human psyche and the

2228

01:33:08,540 --> 01:33:06,690

DNA and the genetics and whatever

2229

01:33:10,400 --> 01:33:08,550

there's a couple of points in history

2230

01:33:11,870 --> 01:33:10,410

that you could look to that's almost

2231

01:33:14,030 --> 01:33:11,880

certain that we better genetics

2232

01:33:16,400 --> 01:33:14,040

manipulated one of them was 2 million

2233

01:33:18,370 --> 01:33:16,410

years ago when prior to Homo erectus

2234

01:33:20,390 --> 01:33:18,380

there was these little 4 foot tall

2235

01:33:22,550 --> 01:33:20,400

australopithecines running around with a

2236

01:33:24,650 --> 01:33:22,560

brain the size of an orange and then all

2237

01:33:27,470 --> 01:33:24,660

of a sudden overnight you know they've

2238

01:33:29,150 --> 01:33:27,480

got a 900 to 1,200 cubic centimeter

2239

01:33:32,120 --> 01:33:29,160

brain and they're about six foot tall

2240

01:33:34,970 --> 01:33:32,130

well for a million and a half years it

2241

01:33:37,160 --> 01:33:34,980

seems your company is the best kept

2242

01:33:40,130 --> 01:33:37,170

secret for great fashion at amazing

2243

01:33:41,600 --> 01:33:40,140

prices the new holiday collection has

2244

01:33:43,610 --> 01:33:41,610

arrived in this weekend is the

2245

01:33:47,330 --> 01:33:43,620

friends-and-family sale every single

2246

01:33:49,100 --> 01:33:47,340

thing 50% off from holiday party outfits

2247

01:33:50,870 --> 01:33:49,110

that's sparkle to hundreds of

2248

01:33:53,210 --> 01:33:50,880

spectacular gifts starting at five

2249

01:33:55,220 --> 01:33:53,220

dollars they have something for everyone

2250

01:33:57,410 --> 01:33:55,230

including new arrivals from their

2251  
01:34:00,170 --> 01:33:57,420  
exclusive celebrity brands from Ava

2252  
01:34:01,610 --> 01:34:00,180  
Mendes and Gabrielle Union hurry and

2253  
01:34:03,560 --> 01:34:01,620  
check out the best deals of the year

2254  
01:34:05,780 --> 01:34:03,570  
from New York and company that this

2255  
01:34:05,960 --> 01:34:05,790  
population of homo erectus walked the

2256  
01:34:08,330 --> 01:34:05,970  
earth

2257  
01:34:10,460 --> 01:34:08,340  
pretty peacefully and they just had one

2258  
01:34:12,140 --> 01:34:10,470  
piece of technology which was a by face

2259  
01:34:14,360 --> 01:34:12,150  
tax that they would throw into herds of

2260  
01:34:16,700 --> 01:34:14,370  
animals and that's what they did they

2261  
01:34:18,590 --> 01:34:16,710  
they went from Camp to camp and then

2262  
01:34:22,370 --> 01:34:18,600  
about 2 to 300,000

2263  
01:34:24,260 --> 01:34:22,380

years ago it appears that the telomeres

2264

01:34:26,930 --> 01:34:24,270

when chromosome number two were expertly

2265

01:34:30,230 --> 01:34:26,940

infused and the overlap between Homo

2266

01:34:32,840 --> 01:34:30,240

erectus and Homo sapiens was expertly

2267

01:34:36,350 --> 01:34:32,850

deleted and this had to be an

2268

01:34:38,360 --> 01:34:36,360

intentional no no you have you you know

2269

01:34:41,600 --> 01:34:38,370

what telomeres and where this happened in

2270

01:34:44,060 --> 01:34:41,610

the DNA structure well it's just you

2271

01:34:46,070 --> 01:34:44,070

know stuff that I've read Arthur David

2272

01:34:47,750 --> 01:34:46,080

Horne was a biological evolution

2273

01:34:50,510 --> 01:34:47,760

instructor at the Colorado University

2274

01:34:51,980 --> 01:34:50,520

for 14 years and he quit right before

2275

01:34:54,110 --> 01:34:51,990

his retirement because in all good

2276

01:34:56,450 --> 01:34:54,120

conscience he just couldn't continue to

2277

01:34:58,910 --> 01:34:56,460

teach what he felt was a lie which was

2278

01:35:00,100 --> 01:34:58,920

just pure Darwinistic evolution and he

2279

01:35:03,020 --> 01:35:00,110

went on to write a book called

2280

01:35:04,760 --> 01:35:03,030

humanity's extraterrestrial origins and

2281

01:35:07,160 --> 01:35:04,770

goes into great detail about the

2282

01:35:09,590 --> 01:35:07,170

deleterious oh god I can't wait to get

2283

01:35:13,130 --> 01:35:09,600

my hands on it okay yeah a little more

2284

01:35:15,710 --> 01:35:13,140

this is very dr. Arthur David Horne now

2285

01:35:18,650 --> 01:35:15,720

you were talking about before you know

2286

01:35:22,430 --> 01:35:18,660

the the what we would perceive as evil

2287

01:35:24,740 --> 01:35:22,440

I've done a lot of exploration into how

2288

01:35:27,290 --> 01:35:24,750

human culture has been thousands of

2289

01:35:30,140 --> 01:35:27,300

years ago in particular the writings of

2290

01:35:33,530 --> 01:35:30,150

Titus Levy he was a Roman historian and

2291

01:35:36,800 --> 01:35:33,540

there's 520 hour volumes of it on

2292

01:35:39,770 --> 01:35:36,810

audible that I've listened to and it's

2293

01:35:41,420 --> 01:35:39,780

horrifying I mean that there's battles

2294

01:35:43,040 --> 01:35:41,430

that they had just like you see in Game

2295

01:35:44,360 --> 01:35:43,050

of Thrones where you know one group you

2296

01:35:46,250 --> 01:35:44,370

know comes the other group and just

2297

01:35:48,050 --> 01:35:46,260

blood and guts and people pooping

2298

01:35:49,910 --> 01:35:48,060

themselves and everything well there was

2299

01:35:52,970 --> 01:35:49,920

this one battle that it's Libby talked

2300

01:35:54,800 --> 01:35:52,980

about where 800 men they counted when it

2301

01:35:56,090 --> 01:35:54,810

was all said and done had dug a little

2302

01:35:58,490 --> 01:35:56,100

hole and stuck their head and it

2303

01:36:00,890 --> 01:35:58,500

suffocated themselves and then you think

2304

01:36:02,840 --> 01:36:00,900

about human torture devices the bronze

2305

01:36:04,460 --> 01:36:02,850

Bowl where you get inside this bronze

2306

01:36:06,320 --> 01:36:04,470

bowl and they light a fire under and

2307

01:36:08,480 --> 01:36:06,330

your skin melts off and they take

2308

01:36:11,240 --> 01:36:08,490

pleasure when you reach the point of

2309

01:36:12,920 --> 01:36:11,250

pain where you go through and they're

2310

01:36:14,960 --> 01:36:12,930

laughing at you you know there's

2311

01:36:18,140 --> 01:36:14,970

something there's something wrong with

2312

01:36:21,710 --> 01:36:18,150

human beings and in the psyche and yes

2313

01:36:23,870 --> 01:36:21,720

it has to do with the expediting of

2314

01:36:28,370 --> 01:36:23,880

Technology because what happens when

2315

01:36:30,980 --> 01:36:28,380

you're a warring population is that each

2316

01:36:32,490 --> 01:36:30,990

side has to get better technology than

2317

01:36:34,020 --> 01:36:32,500

the other one for survival

2318

01:36:36,030 --> 01:36:34,030

you got to make a better sword you got

2319

01:36:38,760 --> 01:36:36,040

to make a better furnace better catapult

2320

01:36:41,640 --> 01:36:38,770

you know think of something to kill the

2321

01:36:44,130 --> 01:36:41,650

enemy and this expedites the production

2322

01:36:47,340 --> 01:36:44,140

of technology so what I gleaned from

2323

01:36:49,680 --> 01:36:47,350

reading Stefan breccias book about the

2324

01:36:51,420 --> 01:36:49,690

friendship group in Italy where over a

2325

01:36:53,760 --> 01:36:51,430

hundred people had contacts with these

2326

01:36:56,250 --> 01:36:53,770

humanoid aliens they gave us some

2327

01:36:59,280 --> 01:36:56,260

information about this side of the coin

2328

01:37:01,680 --> 01:36:59,290

with the biological race of biological

2329

01:37:04,740 --> 01:37:01,690

robots that worship technology I think

2330

01:37:06,600 --> 01:37:04,750

that group the CTRs or the where owes as

2331

01:37:11,540 --> 01:37:06,610

they're called to be built is what it

2332

01:37:13,890 --> 01:37:11,550

means came likely from Orion and as a

2333

01:37:17,220 --> 01:37:13,900

self-replicating von Neumann probe and

2334

01:37:19,830 --> 01:37:17,230

in a very unfeeling way they programmed

2335

01:37:24,270 --> 01:37:19,840

the the human race for war and conflict

2336

01:37:25,350 --> 01:37:24,280

and the friendship group has empathy for

2337

01:37:27,750 --> 01:37:25,360

us but they have like this

2338

01:37:30,420 --> 01:37:27,760

non-interference policy that they go by

2339

01:37:33,060 --> 01:37:30,430

and even their spaceships which have

2340

01:37:35,670 --> 01:37:33,070

been validated in optical labs as being

2341

01:37:37,950 --> 01:37:35,680

real devices about 30 foot in diameter I

2342

01:37:41,240 --> 01:37:37,960

mean the footage of these craft has been

2343

01:37:43,740 --> 01:37:41,250

authenticated scientifically yes

2344

01:37:46,800 --> 01:37:43,750

they were invested with something called

2345

01:37:48,870 --> 01:37:46,810

Loret ax which was very similar to

2346

01:37:52,080 --> 01:37:48,880

eliezer yudkowsky is coherent

2347

01:37:53,940 --> 01:37:52,090

extrapolated volition or CEV and what

2348

01:37:56,280 --> 01:37:53,950

that is it's almost like a chess playing

2349

01:37:58,320 --> 01:37:56,290

program that can look several hundred

2350

01:37:59,430 --> 01:37:58,330

moves into the future and select the

2351

01:38:01,740 --> 01:37:59,440

move that's going to take them to

2352

01:38:04,350 --> 01:38:01,750

checkmate the quickest and what you read

2353

01:38:06,570 --> 01:38:04,360

a does is analyze situations and they

2354

01:38:08,280 --> 01:38:06,580

only make decisions that are in the

2355

01:38:12,030 --> 01:38:08,290

eventual best interest of all parties

2356

01:38:15,000 --> 01:38:12,040

concern or their sinless in other words

2357

01:38:17,430 --> 01:38:15,010

the the occupants and the craft are in a

2358

01:38:19,470 --> 01:38:17,440

sinless frame of mind where they have

2359

01:38:22,320 --> 01:38:19,480

this foresight to look into the future

2360

01:38:24,540 --> 01:38:22,330

and make decisions based on the eventual

2361

01:38:25,800 --> 01:38:24,550

welfare of all parties concerned to the

2362

01:38:29,160 --> 01:38:25,810

point where the ship will self-destruct

2363

01:38:30,930 --> 01:38:29,170

rather than harm anybody okay so they

2364

01:38:33,000 --> 01:38:30,940

were the ones that warned us about the

2365

01:38:35,460 --> 01:38:33,010

where owes this this race of biological

2366

01:38:37,890 --> 01:38:35,470

robots that was an experiment that went

2367

01:38:39,450 --> 01:38:37,900

wrong long ago that has come here and

2368

01:38:41,940 --> 01:38:39,460

damned perd with our genes and created

2369

01:38:44,070 --> 01:38:41,950

this warlike psyche so that we compete

2370

01:38:46,170 --> 01:38:44,080

with one another to the death

2371

01:38:47,580 --> 01:38:46,180

and expedite this technology because

2372

01:38:51,510 --> 01:38:47,590

there's something on the technological

2373

01:38:53,190 --> 01:38:51,520

singularity that they want in the

2374

01:38:55,680 --> 01:38:53,200

meanwhile the friendship group and all

2375

01:38:56,670 --> 01:38:55,690

the humanoid aliens that are on our side

2376

01:38:57,930 --> 01:38:56,680

so to speak

2377

01:38:59,120 --> 01:38:57,940

they're kind of playing in the

2378

01:39:01,440 --> 01:38:59,130

background because they have this

2379

01:39:02,730 --> 01:39:01,450

non-interference thing they may have

2380

01:39:04,560 --> 01:39:02,740

been the ones that showed up with all

2381

01:39:06,330 --> 01:39:04,570

our nuclear facilities and shut down the

2382

01:39:08,790 --> 01:39:06,340

capability of the Minuteman Rockets like

2383

01:39:11,610 --> 01:39:08,800

Robert solace at milestone right at the

2384

01:39:13,140 --> 01:39:11,620

same time there was a facility in Soviet

2385

01:39:14,610 --> 01:39:13,150

Union that the same thing was happening

2386

01:39:17,940 --> 01:39:14,620

there

2387

01:39:19,820 --> 01:39:17,950

they're trying not to allow us to

2388

01:39:22,740 --> 01:39:19,830

destroy ourselves with nuclear weapons

2389

01:39:24,630 --> 01:39:22,750

they showed up here and there you know

2390

01:39:26,430 --> 01:39:24,640

back in the 50s as humanoid aliens

2391

01:39:27,510 --> 01:39:26,440

talking about non-proliferation and we

2392

01:39:31,200 --> 01:39:27,520

got to get rid of our nuclear weapons

2393

01:39:34,830 --> 01:39:31,210

they're very much background figures but

2394

01:39:36,690 --> 01:39:34,840

they warned us of this group that does

2395

01:39:38,610 --> 01:39:36,700

not have our best interest in mind and

2396

01:39:41,310 --> 01:39:38,620

they're going to use this technological

2397

01:39:43,560 --> 01:39:41,320

singularity for a huge sulphur

2398

01:39:45,780 --> 01:39:43,570

replication event of some sort where

2399

01:39:47,160 --> 01:39:45,790

they merge at least like a portion of

2400

01:39:49,620 --> 01:39:47,170

human consciousness with their

2401

01:39:51,150 --> 01:39:49,630

technology and make it part of

2402

01:39:54,540 --> 01:39:51,160

themselves part of their hive mind

2403

01:39:56,970 --> 01:39:54,550

somehow so there's a lot of really wild

2404

01:39:59,970 --> 01:39:56,980

things that are going to become apparent

2405

01:40:01,800 --> 01:39:59,980

in the next 20 or 30 years so I'm hoping

2406

01:40:04,260 --> 01:40:01,810

that you know I can stay alive in this

2407

01:40:06,480 --> 01:40:04,270

physical body long enough to see some of

2408

01:40:08,520 --> 01:40:06,490

these things but I've told myself that

2409

01:40:10,710 --> 01:40:08,530

the next time my physical body is about

2410

01:40:13,800 --> 01:40:10,720

to break down I'm gonna let it go

2411

01:40:15,800 --> 01:40:13,810

because I you know I remember back in oh

2412

01:40:18,000 --> 01:40:15,810

nine when I had that decision I

2413

01:40:19,470 --> 01:40:18,010

sometimes occasionally wondered if I

2414

01:40:21,360 --> 01:40:19,480

made the right decision and I'm still

2415

01:40:23,130 --> 01:40:21,370

curious what would have happened if I'd

2416

01:40:25,650 --> 01:40:23,140

have caved in and passed away on that

2417

01:40:27,840 --> 01:40:25,660

day so I don't think I'm gonna go

2418

01:40:29,040 --> 01:40:27,850

through a whole lot of major surgery or

2419

01:40:31,200 --> 01:40:29,050

anything to keep myself alive

2420

01:40:34,740 --> 01:40:31,210

indefinitely because I'm so curious

2421

01:40:37,050 --> 01:40:34,750

about you know the nature of the higher

2422

01:40:39,120 --> 01:40:37,060

frequency bands that I really want to

2423

01:40:41,010 --> 01:40:39,130

get up there and like you said I've read

2424

01:40:42,390 --> 01:40:41,020

even Alexander's book and all the lovely

2425

01:40:45,000 --> 01:40:42,400

things that so many people have said

2426  
01:40:46,740 --> 01:40:45,010  
that have actually died and the really

2427  
01:40:49,130 --> 01:40:46,750  
cool thing about the age that we're

2428  
01:40:51,840 --> 01:40:49,140  
living in is that it's no longer

2429  
01:40:54,000 --> 01:40:51,850  
scientifically unfeasible things like

2430  
01:40:56,100 --> 01:40:54,010  
reincarnation and the afterlife these

2431  
01:40:58,250 --> 01:40:56,110  
are being studied at major universities

2432  
01:40:59,680 --> 01:40:58,260  
now there's a fellow

2433  
01:41:02,569 --> 01:40:59,690  
Facebook friends with Ranieri oh

2434  
01:41:05,390 --> 01:41:02,579  
Hernandez who teamed up with the late

2435  
01:41:07,580 --> 01:41:05,400  
astronaut Edgar Mitchell and formed the

2436  
01:41:10,509 --> 01:41:07,590  
free organization and they've got a very

2437  
01:41:13,520 --> 01:41:10,519  
impressive list of PhD level Dr level

2438  
01:41:15,890 --> 01:41:13,530

scientists that are studying the UFO

2439

01:41:18,410 --> 01:41:15,900

phenomena and its relationship to human

2440

01:41:22,040 --> 01:41:18,420

consciousness right now now that's major

2441

01:41:23,990 --> 01:41:22,050

because for the last few decades I mean

2442

01:41:25,910 --> 01:41:24,000

the scientific communities all they did

2443

01:41:28,700 --> 01:41:25,920

was just cross their arms and chuckle

2444

01:41:30,229 --> 01:41:28,710

right yeah ever since the the Condon

2445

01:41:33,439 --> 01:41:30,239

committee you know come out with their

2446

01:41:34,850 --> 01:41:33,449

bogus results you know the people in the

2447

01:41:38,750 --> 01:41:34,860

scientific community didn't feel like

2448

01:41:40,669 --> 01:41:38,760

they were edible scientist I'm not sure

2449

01:41:42,500 --> 01:41:40,679

that the Condon committee wasn't right

2450

01:41:45,410 --> 01:41:42,510

you know maybe we can't handle the truth

2451  
01:41:47,689 --> 01:41:45,420  
we're you know like I like you were just

2452  
01:41:49,669 --> 01:41:47,699  
saying you know we're we're a weird

2453  
01:41:54,200 --> 01:41:49,679  
species and the fact that we kill each

2454  
01:41:56,390 --> 01:41:54,210  
other and because we do that you know

2455  
01:41:59,089 --> 01:41:56,400  
we're now in an age where killing each

2456  
01:42:02,060 --> 01:41:59,099  
other is just stupid you know but is it

2457  
01:42:03,830 --> 01:42:02,070  
gonna stop no I I don't see it stopping

2458  
01:42:06,169 --> 01:42:03,840  
and the reason why I don't see it

2459  
01:42:08,450 --> 01:42:06,179  
stopping is because only so many people

2460  
01:42:10,729 --> 01:42:08,460  
are being given this higher frequency or

2461  
01:42:12,770 --> 01:42:10,739  
whatever the heck has happened to us so

2462  
01:42:16,700 --> 01:42:12,780  
we understand there's no reason to kill

2463  
01:42:19,370 --> 01:42:16,710

anybody but the other beings on this

2464

01:42:21,830 --> 01:42:19,380

planet I don't consider them human in a

2465

01:42:25,009 --> 01:42:21,840

weird way I consider them barbarians

2466

01:42:29,240 --> 01:42:25,019

you know barbarians they just don't have

2467

01:42:31,759 --> 01:42:29,250

the same spark that we've been given as

2468

01:42:33,620 --> 01:42:31,769

contact these is near-death experiencers

2469

01:42:35,479 --> 01:42:33,630

those people that are psychic or people

2470

01:42:37,910 --> 01:42:35,489

that are awake or whatever you want to

2471

01:42:39,950 --> 01:42:37,920

call it there's something that happens

2472

01:42:41,899 --> 01:42:39,960

once you realize there's evil on this

2473

01:42:44,720 --> 01:42:41,909

planet everything changes the playing

2474

01:42:47,029 --> 01:42:44,730

field becomes very different well lots

2475

01:42:48,379 --> 01:42:47,039

of people accepted this as a fatalistic

2476

01:42:50,359 --> 01:42:48,389

sort of thing it's like we've always

2477

01:42:53,029 --> 01:42:50,369

been predators it'll always be that way

2478

01:42:54,799 --> 01:42:53,039

whoever has the most powerful weapons is

2479

01:42:57,470 --> 01:42:54,809

supposed to survive and everybody else

2480

01:42:59,000 --> 01:42:57,480

is supposed to be dead friend you know

2481

01:43:00,410 --> 01:42:59,010

in that and I don't think any further

2482

01:43:02,419 --> 01:43:00,420

about it than that

2483

01:43:04,100 --> 01:43:02,429

yeah it's horrifying and it's like you

2484

01:43:06,290 --> 01:43:04,110

know I'm finding myself distancing

2485

01:43:08,689 --> 01:43:06,300

myself from that entire mindset or even

2486

01:43:10,520 --> 01:43:08,699

the desire to interact with it or

2487

01:43:11,899 --> 01:43:10,530

justify you know a different way of

2488

01:43:18,159 --> 01:43:11,909

looking at things it's like

2489

01:43:21,020 --> 01:43:18,169

I want to be with my own people that's

2490

01:43:23,209 --> 01:43:21,030

radio show Russell I tell people you

2491

01:43:25,790 --> 01:43:23,219

know they think I'm just kind of nutty I

2492

01:43:28,100 --> 01:43:25,800

see you every week saying get to a

2493

01:43:30,020 --> 01:43:28,110

MUFON meeting because you know it's it

2494

01:43:32,029 --> 01:43:30,030

and like I tell people if MUFON it's a

2495

01:43:34,819 --> 01:43:32,039

great organization but it's not really

2496

01:43:36,679 --> 01:43:34,829

about MUFON for me at this point it's

2497

01:43:38,689 --> 01:43:36,689

about the fact that MUFON offers you a

2498

01:43:40,689 --> 01:43:38,699

place to go to meet other people like

2499

01:43:43,790 --> 01:43:40,699

yourself I think that's the most

2500

01:43:45,919 --> 01:43:43,800

important thing out there right you know

2501

01:43:47,540 --> 01:43:45,929

this event that just happened in

2502

01:43:49,040 --> 01:43:47,550

Laughlin Nevada we went to the Hoover

2503

01:43:54,169 --> 01:43:49,050

Dam by the way and I got to tell you

2504

01:43:55,489 --> 01:43:54,179

about this we passed this 13 miles away

2505

01:43:56,929 --> 01:43:55,499

from the Hoover Dam and I looked at

2506

01:43:59,750 --> 01:43:56,939

Julie she looked at me and said let's go

2507

01:44:01,159 --> 01:43:59,760

it was the most fantastic afternoon I

2508

01:44:03,500 --> 01:44:01,169

had ever had and you know what the

2509

01:44:06,140 --> 01:44:03,510

weirdest part about it was right there

2510

01:44:09,319 --> 01:44:06,150

by the Hoover Dam built in the 1930s is

2511

01:44:12,919 --> 01:44:09,329

a giant celestial calendar in granite

2512

01:44:15,350 --> 01:44:12,929

that talks about the great year 25,920

2513

01:44:16,609 --> 01:44:15,360

year precession of the equinoxes coming

2514

01:44:19,549 --> 01:44:16,619

through the little speakers that were

2515

01:44:22,370 --> 01:44:19,559

mounted on the granite wall and there's

2516

01:44:23,899 --> 01:44:22,380

these tall bronze angelic statues up

2517

01:44:26,209 --> 01:44:23,909

there that people go ahead and rub their

2518

01:44:28,640 --> 01:44:26,219

foot for good luck but they had a whole

2519

01:44:29,989 --> 01:44:28,650

celestial calendar about you know the

2520

01:44:32,659 --> 01:44:29,999

great year and it's like I've been

2521

01:44:35,479 --> 01:44:32,669

hearing a lot about this on you know

2522

01:44:38,000 --> 01:44:35,489

wisdom teachings with David Wilcock and

2523

01:44:39,830 --> 01:44:38,010

you know the hamlets mill and how this

2524

01:44:41,679 --> 01:44:39,840

is embedded in all the cultures where

2525

01:44:44,290 --> 01:44:41,689

there's some sort of solar flash or

2526

01:44:48,469 --> 01:44:44,300

ascension type event you know every

2527

01:44:50,149 --> 01:44:48,479

25,920 years comes around so I was just

2528

01:44:51,979 --> 01:44:50,159

stunned I just stood there in the Sun

2529

01:44:53,689 --> 01:44:51,989

listening to this coming through the

2530

01:44:56,299 --> 01:44:53,699

speakers talking about the precession of

2531

01:44:58,429 --> 01:44:56,309

the equinoxes at the Hoover Dam on the

2532

01:45:01,279 --> 01:44:58,439

ground in granite it was wonderful that

2533

01:45:03,199 --> 01:45:01,289

is so cool yeah I've heard these angels

2534

01:45:06,679 --> 01:45:03,209

are they aren't they about 50 or 60 feet

2535

01:45:07,790 --> 01:45:06,689

tall it's very impressive and it's like

2536

01:45:09,830 --> 01:45:07,800

you go down through all these little

2537

01:45:12,259 --> 01:45:09,840

crag and it's like overhanging

2538

01:45:14,029 --> 01:45:12,269

mountains or almost like engulfing your

2539

01:45:15,890 --> 01:45:14,039

car I mean there's so beautiful tears

2540

01:45:17,839 --> 01:45:15,900

came to our eyes and we went up into

2541

01:45:19,580 --> 01:45:17,849

this little parking lot and they got the

2542

01:45:21,529 --> 01:45:19,590

elevators where you go down you can look

2543

01:45:24,020 --> 01:45:21,539

at the Hoover Dam and it's breathtaking

2544

01:45:25,340 --> 01:45:24,030

I had a friend of mine who lives in

2545

01:45:26,870 --> 01:45:25,350

Phoenix and said well if you're

2546

01:45:28,850 --> 01:45:26,880

that way you need to go see the Hoover

2547

01:45:30,590 --> 01:45:28,860

Dam that's we're seeing and I'm thinking

2548

01:45:32,360 --> 01:45:30,600

Hoover Dam and who wants to see that you

2549

01:45:34,370 --> 01:45:32,370

know but it was really something and

2550

01:45:37,310 --> 01:45:34,380

just the whole history that's outlined

2551

01:45:40,850 --> 01:45:37,320

there in their tours and stuff that it's

2552

01:45:42,770 --> 01:45:40,860

just fantastic you know and that this

2553

01:45:44,690 --> 01:45:42,780

whole celestial calendar was there was

2554

01:45:46,460 --> 01:45:44,700

just kind of like par for the course for

2555

01:45:50,660 --> 01:45:46,470

the weekend that we were having you know

2556

01:45:52,550 --> 01:45:50,670

had until a UFO convention all the

2557

01:45:54,350 --> 01:45:52,560

sudden you're in a room where sergeant

2558

01:45:56,300 --> 01:45:54,360

Clifford stone used to work for project

2559

01:45:57,950 --> 01:45:56,310

moon does the 90 moose on that's looking

2560

01:45:59,870 --> 01:45:57,960

at these bodies in Peru and grant

2561

01:46:02,450 --> 01:45:59,880

Cameron who just changed his paradigm to

2562

01:46:03,890 --> 01:46:02,460

the consciousness movement and it was

2563

01:46:07,220 --> 01:46:03,900

really cool I really had a great time

2564

01:46:10,730 --> 01:46:07,230

now what was your take on Clifford stone

2565

01:46:12,530 --> 01:46:10,740

what did you think of Lifford well I

2566

01:46:15,080 --> 01:46:12,540

kind of felt a little tinge of pity

2567

01:46:17,870 --> 01:46:15,090

because when George Noory was

2568

01:46:20,540 --> 01:46:17,880

interviewing him he says okay now no

2569

01:46:23,000 --> 01:46:20,550

slight to you you know but how many in

2570

01:46:24,920 --> 01:46:23,010

this audience don't believe a word of

2571

01:46:27,350 --> 01:46:24,930

this and about six or seven people went

2572

01:46:30,650 --> 01:46:27,360

hey you know and I assumed everybody

2573

01:46:33,410 --> 01:46:30,660

else you know was on board and the whole

2574

01:46:38,450 --> 01:46:33,420

flying saucer crash retrieval thing is

2575

01:46:40,670 --> 01:46:38,460

mired in ambiguity and hearsay and

2576

01:46:42,050 --> 01:46:40,680

things that are really difficult to get

2577

01:46:44,570 --> 01:46:42,060

to the bottom of Leonard Stringfield

2578

01:46:46,940 --> 01:46:44,580

spent 30 years of his life trying to get

2579

01:46:49,280 --> 01:46:46,950

to the bottom of it and he's got five

2580

01:46:51,590 --> 01:46:49,290

status reports that I've read and and

2581

01:46:53,360 --> 01:46:51,600

they're within these status reports

2582

01:46:55,160 --> 01:46:53,370

there's incidents that we'll talk about

2583

01:46:57,620 --> 01:46:55,170

like a doctor that he ran into the

2584

01:46:59,360 --> 01:46:57,630

Ashley did an autopsy on a little guy

2585

01:47:02,060 --> 01:46:59,370

they had lizard-like skin and stuff and

2586

01:47:04,190 --> 01:47:02,070

he was convinced that there is an

2587

01:47:07,760 --> 01:47:04,200

underlying core of truth but then you've

2588

01:47:10,010 --> 01:47:07,770

got like my favorite UFO writer John

2589

01:47:12,290 --> 01:47:10,020

keel that just flat-out does not believe

2590

01:47:14,450 --> 01:47:12,300

in crash land saucers and pickled aliens

2591

01:47:16,100 --> 01:47:14,460

and then you've got other people like

2592

01:47:18,110 --> 01:47:16,110

renegade military historian Douglas

2593

01:47:21,440 --> 01:47:18,120

Dietrich who says that these were all

2594

01:47:23,210 --> 01:47:21,450

Japanese POWs John keel thinks that Mac

2595

01:47:26,990 --> 01:47:23,220

Brazel found a Fugo balloon

2596

01:47:29,180 --> 01:47:27,000

you know from Japan and none of us were

2597

01:47:33,020 --> 01:47:29,190

there so the only thing that we're

2598

01:47:34,820 --> 01:47:33,030

really relying upon is hearsay and

2599

01:47:36,680 --> 01:47:34,830

testimonies from people that say that

2600

01:47:38,470 --> 01:47:36,690

they were there that they do have direct

2601

01:47:40,120 --> 01:47:38,480

knowledge of this and

2602

01:47:42,580 --> 01:47:40,130

everybody just has to come to their own

2603

01:47:45,550 --> 01:47:42,590

I mean Clifford stone is a wonderful

2604

01:47:47,320 --> 01:47:45,560

person and I'm fascinated by his stories

2605

01:47:50,590 --> 01:47:47,330

of crash retrievals an alien encounters

2606

01:47:53,740 --> 01:47:50,600

and stuff and I just I just accept it as

2607

01:47:55,890 --> 01:47:53,750

a possibility and I do know one thing

2608

01:47:58,300 --> 01:47:55,900

about sergeant Clifford stone is he is

2609

01:48:01,660 --> 01:47:58,310

diligent since he was released from the

2610

01:48:05,560 --> 01:48:01,670

service yeah researching documents it's

2611

01:48:09,010 --> 01:48:05,570

like he very much wants to ascertain his

2612

01:48:11,140 --> 01:48:09,020

story and I'm thinking you know nobody

2613

01:48:13,240 --> 01:48:11,150

goes to that length of going through

2614

01:48:15,310 --> 01:48:13,250

millions of documents and everything in

2615

01:48:17,680 --> 01:48:15,320

this desperate search to find out their

2616

01:48:19,270 --> 01:48:17,690

their own history you know and their own

2617

01:48:20,620 --> 01:48:19,280

verification of the things that they're

2618

01:48:22,600 --> 01:48:20,630

telling people and people were telling

2619

01:48:24,250 --> 01:48:22,610

him he's full of crap and it'd be

2620

01:48:25,810 --> 01:48:24,260

frustrating I mean if these things

2621

01:48:27,550 --> 01:48:25,820

really happened the sergeant Clifford

2622

01:48:30,550 --> 01:48:27,560

stone and he's telling the world but

2623

01:48:32,470 --> 01:48:30,560

it's almost like Philip Corso when he

2624

01:48:34,180 --> 01:48:32,480

wrote the book the day after Roswell he

2625

01:48:35,770 --> 01:48:34,190

got bitter at the end it just said you

2626  
01:48:43,690 --> 01:48:35,780  
know what it probably been deserved to

2627  
01:48:45,310 --> 01:48:43,700  
know and you know I can relate to I was

2628  
01:48:47,110 --> 01:48:45,320  
just sitting here today thinking you

2629  
01:48:48,940 --> 01:48:47,120  
know I just want to give it all up and

2630  
01:48:52,000 --> 01:48:48,950  
just crawl back under a rock again and

2631  
01:48:54,340 --> 01:48:52,010  
just get it North the job you know I

2632  
01:48:56,830 --> 01:48:54,350  
just I have days where I just got it so

2633  
01:48:58,540 --> 01:48:56,840  
futile but it really does you know once

2634  
01:49:01,540 --> 01:48:58,550  
you're in I don't think there's any way

2635  
01:49:03,460 --> 01:49:01,550  
out and the interesting part about

2636  
01:49:06,250 --> 01:49:03,470  
Clifford stone I just want to say is

2637  
01:49:08,890 --> 01:49:06,260  
that he's had major telepathic

2638  
01:49:11,710 --> 01:49:08,900

communication with aliens and I think it

2639

01:49:13,420 --> 01:49:11,720

absolutely has got him to the point

2640

01:49:15,760 --> 01:49:13,430

where he is thinking like you and I are

2641

01:49:18,040 --> 01:49:15,770

just talking about he doesn't really

2642

01:49:19,870 --> 01:49:18,050

want to talk about it anymore he just

2643

01:49:22,570 --> 01:49:19,880

wants to get through the next to the

2644

01:49:24,910 --> 01:49:22,580

next day because you know he's been

2645

01:49:26,950 --> 01:49:24,920

there and done that and you know when

2646

01:49:30,070 --> 01:49:26,960

you sit and you help he actually helped

2647

01:49:32,770 --> 01:49:30,080

an alien escape run get back home so you

2648

01:49:34,170 --> 01:49:32,780

know I mean he's done his Yeomans duty

2649

01:49:37,960 --> 01:49:34,180

right

2650

01:49:40,060 --> 01:49:37,970

he's very empathetic and every time he

2651  
01:49:41,229 --> 01:49:40,070  
tells certain portions of the story he

2652  
01:49:47,190 --> 01:49:41,239  
breaks down emotionally

2653  
01:49:52,390 --> 01:49:51,490  
from its PTSD from dealing with so many

2654  
01:49:54,520 --> 01:49:52,400  
people that

2655  
01:49:57,070 --> 01:49:54,530  
so hard on him for what he was doing at

2656  
01:50:00,600 --> 01:49:57,080  
the time you gotta understand he was

2657  
01:50:03,280 --> 01:50:00,610  
dealing with people that wanted results

2658  
01:50:06,700 --> 01:50:03,290  
didn't want him to show emotion with the

2659  
01:50:09,160 --> 01:50:06,710  
the et you know and and then when he

2660  
01:50:11,140 --> 01:50:09,170  
left that thing escaped I mean that was

2661  
01:50:13,720 --> 01:50:11,150  
that I mean then they were really you

2662  
01:50:15,640 --> 01:50:13,730  
know they still used him but at that

2663  
01:50:20,130 --> 01:50:15,650

point they can't trust him anymore right

2664

01:50:24,640 --> 01:50:22,899

there's one thing for sure if you listen

2665

01:50:26,140 --> 01:50:24,650

to the testimony of Bill Cooper and

2666

01:50:28,600 --> 01:50:26,150

Robert Dean and all these people that

2667

01:50:31,180 --> 01:50:28,610

were in the military there are documents

2668

01:50:33,550 --> 01:50:31,190

that they present to high-level officers

2669

01:50:36,729 --> 01:50:33,560

that go into great detail about humanoid

2670

01:50:39,100 --> 01:50:36,739

aliens and whether they're true or not

2671

01:50:40,689 --> 01:50:39,110

is up to each researcher to determine

2672

01:50:42,790 --> 01:50:40,699

for themselves but the fact that the

2673

01:50:45,490 --> 01:50:42,800

documents exist and that they're being

2674

01:50:48,760 --> 01:50:45,500

shown to officers and told that they're

2675

01:50:50,890 --> 01:50:48,770

true is factual yeah oh that is

2676  
01:50:52,750 --> 01:50:50,900  
absolutely true and that's what Clifford

2677  
01:50:54,399 --> 01:50:52,760  
told me he said you know I said where

2678  
01:50:56,709 --> 01:50:54,409  
they the greys or whatever he goes no it

2679  
01:50:58,959 --> 01:50:56,719  
looked like a human beam with big eyes

2680  
01:51:01,080 --> 01:50:58,969  
and you know bigger eyes and normal

2681  
01:51:03,970 --> 01:51:01,090  
smaller mouths smaller fit you know nose

2682  
01:51:06,790 --> 01:51:03,980  
type of thing and I said really he goes

2683  
01:51:09,280 --> 01:51:06,800  
yeah yeah they're definitely you know

2684  
01:51:10,660 --> 01:51:09,290  
they could pass off as a human that

2685  
01:51:13,030 --> 01:51:10,670  
there's something wrong with them but

2686  
01:51:14,410 --> 01:51:13,040  
they're still human you know well it's

2687  
01:51:16,270 --> 01:51:14,420  
got to be really frustrating is

2688  
01:51:17,680 --> 01:51:16,280

something really beyond the norm that's

2689

01:51:19,390 --> 01:51:17,690

happened to you in your life and you're

2690

01:51:22,390 --> 01:51:19,400

telling people the truth about it and

2691

01:51:24,160 --> 01:51:22,400

they're just not able to accept it as

2692

01:51:25,959 --> 01:51:24,170

something real I mean it would just get

2693

01:51:27,850 --> 01:51:25,969

old and get very frustrating after a

2694

01:51:30,430 --> 01:51:27,860

while I was surprised to hear from

2695

01:51:32,410 --> 01:51:30,440

Clifford stone he said this convention

2696

01:51:33,910 --> 01:51:32,420

might be his last public appearance I

2697

01:51:36,729 --> 01:51:33,920

know he just had major heart surgery

2698

01:51:38,290 --> 01:51:36,739

I think last March I talked to him and

2699

01:51:39,850 --> 01:51:38,300

when I was in the process of writing

2700

01:51:41,649 --> 01:51:39,860

overlords of the singularity

2701  
01:51:43,149 --> 01:51:41,659  
I gave him a copy by the way because I

2702  
01:51:45,490 --> 01:51:43,159  
talked about Clifford stone quite a bit

2703  
01:51:47,530 --> 01:51:45,500  
and I figured if I talked about in he

2704  
01:51:49,149 --> 01:51:47,540  
deserves a copy so I sent one home to

2705  
01:51:51,010 --> 01:51:49,159  
Roswell with him I don't know if he'll

2706  
01:51:53,919 --> 01:51:51,020  
read it or not but I'm really curious if

2707  
01:51:55,000 --> 01:51:53,929  
he does and but you know I talked to him

2708  
01:51:56,830 --> 01:51:55,010  
on the telephone for about three hours

2709  
01:51:59,860 --> 01:51:56,840  
and he's just he's a wonderful person

2710  
01:52:01,720 --> 01:51:59,870  
and he's very he always ends his

2711  
01:52:05,229 --> 01:52:01,730  
Facebook post with god bless I mean he's

2712  
01:52:06,160 --> 01:52:05,239  
just really an empathetic kind person

2713  
01:52:07,419 --> 01:52:06,170

and I just can't

2714

01:52:09,729 --> 01:52:07,429

see somebody like that you know

2715

01:52:11,800 --> 01:52:09,739

fabricating this big lie you know I'm

2716

01:52:15,700 --> 01:52:11,810

telling everybody because he certainly

2717

01:52:20,709 --> 01:52:15,710

has profited you know nobody's profited

2718

01:52:22,240 --> 01:52:20,719

from it people you know when you said at

2719

01:52:24,250 --> 01:52:22,250

the beginning of the show I don't do

2720

01:52:25,479 --> 01:52:24,260

this for the money well that's true

2721

01:52:29,020 --> 01:52:25,489

folks because I can tell you right now

2722

01:52:31,510 --> 01:52:29,030

I've run every kind of book company you

2723

01:52:33,910 --> 01:52:31,520

can run and I'm telling you there is no

2724

01:52:37,600 --> 01:52:33,920

money in books anymore and it's sad it's

2725

01:52:40,240 --> 01:52:37,610

really people are looking online and one

2726

01:52:42,430 --> 01:52:40,250

thing that I've noticed is if I

2727

01:52:45,010 --> 01:52:42,440

recommend a book to somebody they'll get

2728

01:52:47,560 --> 01:52:45,020

on Google real quick and get the debunk

2729

01:52:49,300 --> 01:52:47,570

or to get the get the skinny on it you

2730

01:52:50,560 --> 01:52:49,310

know and make up their mind if they're

2731

01:52:52,540 --> 01:52:50,570

going to read the book or not just based

2732

01:52:54,430 --> 01:52:52,550

on the little blurb that they read on

2733

01:52:56,260 --> 01:52:54,440

Google and you know as well as I do that

2734

01:52:58,450 --> 01:52:56,270

you can get on Google and put any word

2735

01:53:01,090 --> 01:52:58,460

in the English language on there and the

2736

01:53:11,050 --> 01:53:01,100

word debunked or hoax will be right

2737

01:53:13,030 --> 01:53:11,060

after it you know nobody wants to

2738

01:53:14,709 --> 01:53:13,040

believe it's that simple until it

2739

01:53:16,750 --> 01:53:14,719

actually smacks you upside the head I

2740

01:53:19,870 --> 01:53:16,760

just don't think that many people are

2741

01:53:21,520 --> 01:53:19,880

gonna believe anything well this this

2742

01:53:24,640 --> 01:53:21,530

whole thing is this like the wild wild

2743

01:53:26,709 --> 01:53:24,650

west of information and one person that

2744

01:53:28,630 --> 01:53:26,719

I wish was still around was James Mosely

2745

01:53:31,090 --> 01:53:28,640

he used to have a magazine called saucer

2746

01:53:32,530 --> 01:53:31,100

smear that had all the latest gossip you

2747

01:53:34,390 --> 01:53:32,540

know about all the apologists and

2748

01:53:36,189 --> 01:53:34,400

everything and I've got a couple of

2749

01:53:38,740 --> 01:53:36,199

copies of that I got on eBay and they're

2750

01:53:41,560 --> 01:53:38,750

hilarious and people have lost their

2751  
01:53:44,050 --> 01:53:41,570  
sense of humor I mean Sean David Morton

2752  
01:53:46,959 --> 01:53:44,060  
I saw him on a YouTube video where he

2753  
01:53:49,000 --> 01:53:46,969  
was kind of emceeing a convention where

2754  
01:53:51,220 --> 01:53:49,010  
Richard Dolan and Douglas D Church and a

2755  
01:53:52,510 --> 01:53:51,230  
couple of people were there they're kind

2756  
01:53:54,820 --> 01:53:52,520  
of clashed with each other and he

2757  
01:53:56,860 --> 01:53:54,830  
expertly just lightened it all up and

2758  
01:53:58,689 --> 01:53:56,870  
told the joke you know and I think

2759  
01:54:00,160 --> 01:53:58,699  
that's sort of needed in the UFO field

2760  
01:54:01,780 --> 01:54:00,170  
there's a sense of humor to come back

2761  
01:54:03,610 --> 01:54:01,790  
into because you know we're all just

2762  
01:54:05,169 --> 01:54:03,620  
trying to figure this thing out we know

2763  
01:54:08,650 --> 01:54:05,179

that there's a core of reality to it

2764

01:54:10,750 --> 01:54:08,660

earth is like a cargo cult some of us

2765

01:54:13,270 --> 01:54:10,760

have seen things that don't belong there

2766

01:54:15,180 --> 01:54:13,280

or that weren't made here we know it for

2767

01:54:17,470 --> 01:54:15,190

to be a fact and then you've got the

2768

01:54:18,689 --> 01:54:17,480

shamans who claim to be in touch with

2769

01:54:21,120 --> 01:54:18,699

the airplane pilot

2770

01:54:24,120 --> 01:54:21,130

you you got this whole host of

2771

01:54:26,009 --> 01:54:24,130

characters the hucksters the profiteers

2772

01:54:28,169 --> 01:54:26,019

that play on people's gullibility and

2773

01:54:30,540 --> 01:54:28,179

make up stuff and then you've got the

2774

01:54:33,689 --> 01:54:30,550

the real deal and it's the real deal

2775

01:54:38,129 --> 01:54:33,699

that all of us want to weed through the

2776

01:54:40,859 --> 01:54:38,139

Hall of Mirrors and find it's their New
