3
00:00:13,789 --> 00:00:08,490
headline news with me Heidi Hollis today

4
00:00:17,720 --> 00:00:13,799
is Friday December 1st 2017 blasting off

5
00:00:22,730 --> 00:00:17,730
with some UFO reports a UFO sighting in

6
00:00:27,109 --> 00:00:22,740
Arizona this occurred on November 23rd

7
00:00:33,160 --> 00:00:27,119
of 2017 the witness describes two lights

8
00:00:36,860 --> 00:00:33,170
at bottom of Grand Canyon 102 Canyon

9
00:00:39,880 --> 00:00:36,870
dancing and then rising above horizon

10
00:00:43,100 --> 00:00:39,890
the second in the sky was blinking and

11
00:00:45,920 --> 00:00:43,110
disappeared the witness goes into more

12
00:00:49,010 --> 00:00:45,930
detail to describe this occurred around

13
00:00:51,860 --> 00:00:49,020

9:20 p.m. on Thanksgiving night at the

14

00:00:54,229 --> 00:00:51,870

bottom of the Grand Canyon my wife and I

15

00:00:56,869 --> 00:00:54,239

were walking south on the trail from the

16

00:01:01,310 --> 00:00:56,879

Phantom Ranch Lodge to the Bright Angel

17

00:01:03,650 --> 00:01:01,320

campground I saw a very bright light

18

00:01:06,020 --> 00:01:03,660

hovering in the southern sky above the

19

00:01:08,179 --> 00:01:06,030

rim of the inner Canyon that attracted

20

00:01:10,990 --> 00:01:08,189

my attention I don't know why but

21

00:01:13,700 --> 00:01:11,000

something about the light seemed odd and

22

00:01:16,010 --> 00:01:13,710

after a few seconds I asked my wife if

23

00:01:18,100 --> 00:01:16,020

she saw it she said she had been

24

00:01:22,460 --> 00:01:18,110

watching it and thought it was a plane

25

00:01:24,770 --> 00:01:22,470

suddenly it dropped straight down below

26
00:01:27,109 --> 00:01:24,780
the rim of the canyon and we could see

27
00:01:29,780 --> 00:01:27,119
it in the front of the canyon walls when

28
00:01:32,420 --> 00:01:29,790
it dropped it descended very quickly and

29
00:01:34,670 --> 00:01:32,430
the light ended up about as far below

30
00:01:37,219 --> 00:01:34,680
the rim as it had been above the rim

31
00:01:40,219 --> 00:01:37,229
when I first saw it I asked my wife if

32
00:01:43,929 --> 00:01:40,229
she saw what I had just seen and she

33
00:01:47,270 --> 00:01:43,939
said yes we stopped walking and watched

34
00:01:49,910 --> 00:01:47,280
the light hovered a few seconds then it

35
00:01:53,480 --> 00:01:49,920
moved slowly horizontally to the west

36
00:01:57,410 --> 00:01:53,490
and then it began slowly going up and

37
00:01:59,240 --> 00:01:57,420
down in loops then another bright light

38
00:02:01,760 --> 00:01:59,250

appeared in the sky above the inner

39

00:02:06,499 --> 00:02:01,770

Canyon more to the southeast

40

00:02:08,779 --> 00:02:06,509

I saw it blink 4 times and go out a few

41

00:02:12,199 --> 00:02:08,789

seconds later it blinked 2 more times

42

00:02:13,750 --> 00:02:12,209

and went out it appeared to be moving

43

00:02:16,459 --> 00:02:13,760

toward the first light

44

00:02:19,699 --> 00:02:16,469

after the second light went out for the

45

00:02:22,369 --> 00:02:19,709

last time the first light drifted slowly

46

00:02:25,580 --> 00:02:22,379

up and then disappeared into the sky

47

00:02:27,770 --> 00:02:25,590

above the rim of the inner Canyon my

48

00:02:30,050 --> 00:02:27,780

wife said she had seen the blinking

49

00:02:31,940 --> 00:02:30,060

light earlier right before I asked her

50

00:02:34,789 --> 00:02:31,950

if she saw the one thing I was looking

51
00:02:36,860 --> 00:02:34,799
at I've been in this area more than a

52
00:02:39,860 --> 00:02:36,870
dozen times in the past and I have seen

53
00:02:43,670 --> 00:02:39,870
lights from hikers on the kill Bob trail

54
00:02:46,119 --> 00:02:43,680
and the rim trail at night but I knew

55
00:02:49,069 --> 00:02:46,129
that could not explain what we saw

56
00:02:53,030 --> 00:02:49,079
because both lights were in the sky

57
00:02:56,860 --> 00:02:53,040
above the rim at times and they were

58
00:03:00,500 --> 00:02:56,870
moving much too far and fast for a hiker

59
00:03:01,190 --> 00:03:00,510
our next UFO sighting is in Bartow

60
00:03:06,709 --> 00:03:01,200
Florida

61
00:03:08,869 --> 00:03:06,719
this occurred November 25th of 2017 the

62
00:03:12,610 --> 00:03:08,879
witness states my girlfriend and I were

63
00:03:15,860 --> 00:03:12,620

driving east on Florida 60 around Bartow

64

00:03:18,860 --> 00:03:15,870

we both noticed two lights in our upper

65

00:03:21,740 --> 00:03:18,870

left northwest the upper light remained

66

00:03:23,780 --> 00:03:21,750

constant white while the lower light

67

00:03:27,409 --> 00:03:23,790

grew larger and changed colors from

68

00:03:30,229 --> 00:03:27,419

white to red and back after about 45

69

00:03:33,920 --> 00:03:30,239

seconds the top light faded away as the

70

00:03:37,059 --> 00:03:33,930

lower light exploded into ten or so

71

00:03:41,210 --> 00:03:37,069

smaller pulsating green and red lights

72

00:03:45,499 --> 00:03:41,220

these ten quickly multiplying to a max

73

00:03:47,869 --> 00:03:45,509

of 100 or so within a minute all of

74

00:03:50,089 --> 00:03:47,879

these smaller pulsating lights seemed to

75

00:03:54,020 --> 00:03:50,099

be floating independently of each other

76
00:03:55,999 --> 00:03:54,030
and constantly changing directions this

77
00:03:59,179 --> 00:03:56,009
continued as the light spread out

78
00:04:02,240 --> 00:03:59,189
falling towards the southeast during

79
00:04:05,589 --> 00:04:02,250
this directional elevation drop two or

80
00:04:09,199 --> 00:04:05,599
more of these lights burst into flames

81
00:04:13,159 --> 00:04:09,209
with tails 50 times larger than the

82
00:04:15,740 --> 00:04:13,169
original light these falling balls of

83
00:04:19,249 --> 00:04:15,750
flame were a zigzagging abruptly and

84
00:04:21,949 --> 00:04:19,259
seemed to be so close to us almost

85
00:04:24,440 --> 00:04:21,959
coming in our direction one of these

86
00:04:27,110 --> 00:04:24,450
flaming lights dropped so close to the

87
00:04:30,379 --> 00:04:27,120
road I thought we would surely

88
00:04:31,760 --> 00:04:30,389

drive by the fire it caused by six

89

00:04:32,629 --> 00:04:31,770
minutes the lights had completely

90

00:04:35,060 --> 00:04:32,639
disappeared

91

00:04:36,740 --> 00:04:35,070
below the tree line look like they

92

00:04:40,280 --> 00:04:36,750
couldn't have been more than two hundred

93

00:04:43,870 --> 00:04:40,290
yards away I'm still shaken up by this

94

00:04:47,450 --> 00:04:43,880
and won't be able to sleep tonight

95

00:04:52,909 --> 00:04:47,460
the next UFO sighting is in Hanover

96

00:04:55,520 --> 00:04:52,919
Pennsylvania November 25th 2017 the

97

00:04:58,129 --> 00:04:55,530
witness states driving on highway 94

98

00:05:00,890 --> 00:04:58,139
North leaving Hanover Pennsylvania it

99

00:05:04,700 --> 00:05:00,900
was dark and there were clouds in the

100

00:05:06,860 --> 00:05:04,710
sky out of my passenger window north a

101
00:05:09,409 --> 00:05:06,870
bright white light and the clouds caught

102
00:05:11,540 --> 00:05:09,419
my attention it came down through the

103
00:05:13,850 --> 00:05:11,550
clouds rapidly and there was a hole in

104
00:05:16,850 --> 00:05:13,860
the clouds where it came through like it

105
00:05:19,250 --> 00:05:16,860
pierced the clouds and left a hole then

106
00:05:21,830 --> 00:05:19,260
it seemed to maintain that altitude for

107
00:05:23,629 --> 00:05:21,840
a second or two not long enough to say

108
00:05:26,750 --> 00:05:23,639
that it was hovering because it started

109
00:05:28,939 --> 00:05:26,760
to move southward after it came down it

110
00:05:31,850 --> 00:05:28,949
kind of came down paused a second

111
00:05:33,800 --> 00:05:31,860
started moving south there was a glowing

112
00:05:36,710 --> 00:05:33,810
trail where it came down through the

113
00:05:39,770 --> 00:05:36,720

clouds the object appeared black and

114

00:05:41,480 --> 00:05:39,780

round I can only see the shape against

115

00:05:44,629 --> 00:05:41,490

the clouds above it so I don't know for

116

00:05:47,990 --> 00:05:44,639

sure if it was actually black or not but

117

00:05:51,409 --> 00:05:48,000

it was definitely round it had two times

118

00:05:54,680 --> 00:05:51,419

visible lights steady lights no pulsing

119

00:05:57,020 --> 00:05:54,690

no blinking the object started moving

120

00:05:59,900 --> 00:05:57,030

south from my passenger side across the

121

00:06:02,150 --> 00:05:59,910

driver side of the car it was no longer

122

00:06:05,360 --> 00:06:02,160

leaving a trail and the lights began

123

00:06:08,810 --> 00:06:05,370

blinking as it was passing over which

124

00:06:12,680 --> 00:06:08,820

made me think maybe it was a plane but

125

00:06:14,089 --> 00:06:12,690

then it suddenly shot back north back to

126

00:06:17,480 --> 00:06:14,099

where it had come down through the

127

00:06:20,300 --> 00:06:17,490

clouds and the two times lights got much

128

00:06:23,390 --> 00:06:20,310

brighter when that happened then it

129

00:06:26,480 --> 00:06:23,400

changed direction again and started

130

00:06:29,089 --> 00:06:26,490

heading back south again at that point

131

00:06:32,689 --> 00:06:29,099

the two times the lights went to one

132

00:06:35,959 --> 00:06:32,699

time solid bright white lights there was

133

00:06:39,770 --> 00:06:35,969

no more blinking then it just shot off

134

00:06:40,610 --> 00:06:39,780

southward crazy crazy fast and I lost

135

00:06:44,340 --> 00:06:40,620

sight of it

136

00:06:47,160 --> 00:06:44,350

it was completely gone in under a second

137

00:06:47,910 --> 00:06:47,170

much too fast to have been a plane or

138

00:06:51,270 --> 00:06:47,920

drone

139

00:06:53,790 --> 00:06:51,280

I think after it was out of sight I

140

00:06:56,190 --> 00:06:53,800

noticed the glowing trail where it came

141

00:06:59,970 --> 00:06:56,200

through the clouds was still there and

142

00:07:02,250 --> 00:06:59,980

still glowing it did not leave any other

143

00:07:05,160 --> 00:07:02,260

trail at all just where it came through

144

00:07:06,960 --> 00:07:05,170

the clouds it is possible that moonlight

145

00:07:09,960 --> 00:07:06,970

may have been shining through the spot

146

00:07:12,450 --> 00:07:09,970

where it came through the clouds but it

147

00:07:15,690 --> 00:07:12,460

really didn't look like that it looked

148

00:07:18,420 --> 00:07:15,700

more like a glow which faded away after

149

00:07:20,820 --> 00:07:18,430

about two minutes I didn't hear any

150

00:07:24,150 --> 00:07:20,830

noise didn't see any other planes in the

151
00:07:26,430 --> 00:07:24,160
sky just a strange object that shifted

152
00:07:30,120 --> 00:07:26,440
direction rapidly and then took off

153
00:07:32,790 --> 00:07:30,130
crazy fast gotta say the glow it left in

154
00:07:36,270 --> 00:07:32,800
the clouds was creepy it was like a

155
00:07:40,140 --> 00:07:36,280
whitish golden glow the clock in the car

156
00:07:42,870 --> 00:07:40,150
said 7:20 p.m. but I think I don't have

157
00:07:46,320 --> 00:07:42,880
it I looked at my watch it is a digital

158
00:07:49,530 --> 00:07:46,330
battery-powered watch casio and it was

159
00:07:52,980 --> 00:07:49,540
completely dead no display on it at all

160
00:07:55,980 --> 00:07:52,990
I have no idea if that has anything to

161
00:08:00,180 --> 00:07:55,990
do with the object or not but I found it

162
00:08:01,800 --> 00:08:00,190
odd that it died at that moment I had

163
00:08:04,560 --> 00:08:01,810

checked my watch when I left my

164

00:08:07,980 --> 00:08:04,570

brother's house at 7 p.m. and again when

165

00:08:09,510 --> 00:08:07,990

I crossed over Highway 234 which was

166

00:08:12,210 --> 00:08:09,520

only a couple of minutes before I saw

167

00:08:15,380 --> 00:08:12,220

the object so the watch was definitely

168

00:08:17,490 --> 00:08:15,390

working and now it's definitely dead

169

00:08:20,520 --> 00:08:17,500

nothing else appears to have been

170

00:08:22,740 --> 00:08:20,530

affected just the watch may not be

171

00:08:24,540 --> 00:08:22,750

related at all I'm pretty sure our

172

00:08:27,390 --> 00:08:24,550

current flight technologies can't

173

00:08:30,300 --> 00:08:27,400

replicate what I saw the sighting was on

174

00:08:33,420 --> 00:08:30,310

highway 94 heading north past highway

175

00:08:36,870 --> 00:08:33,430

234 before it meets up with highway 15

176

00:08:39,810 --> 00:08:36,880

north my initial feeling upon seeing it

177

00:08:42,810 --> 00:08:39,820

was curiosity trying to figure out what

178

00:08:44,490 --> 00:08:42,820

could pierce clouds like that then when

179

00:08:47,220 --> 00:08:44,500

I saw the blinking light so I thought it

180

00:08:49,380 --> 00:08:47,230

was just a plane but then it totally

181

00:08:52,800 --> 00:08:49,390

changed direction and shot northward

182

00:08:54,060 --> 00:08:52,810

again and the lights changed my exact

183

00:08:58,200 --> 00:08:54,070

words were

184

00:09:00,990 --> 00:08:58,210

what the heck was that when the light

185

00:09:03,180 --> 00:09:01,000

got brighter in a shot off southward it

186

00:09:06,660 --> 00:09:03,190

was actually feeling a bit tense

187

00:09:09,180 --> 00:09:06,670

not quite fear just a bit tense

188

00:09:11,730 --> 00:09:09,190

I had a 90 minute drive to get home and

189

00:09:14,430 --> 00:09:11,740

I spent the entire drive trying to come

190

00:09:17,850 --> 00:09:14,440

up with explanations and I can't think

191

00:09:21,900 --> 00:09:17,860

of anything at all to explain what I saw

192

00:09:25,350 --> 00:09:21,910

so I classified it as unidentified when

193

00:09:26,100 --> 00:09:25,360

I got home I looked up online and filed

194

00:09:29,400 --> 00:09:26,110

this report

195

00:09:32,730 --> 00:09:29,410

I hope this helps I hope that someone

196

00:09:35,310 --> 00:09:32,740

can provide some answers and this is

197

00:09:39,620 --> 00:09:35,320

enough details Wow

198

00:09:44,730 --> 00:09:39,630

fascinating next a blast from the past

199

00:09:48,060 --> 00:09:44,740

the UFO past that is this is a UFO

200

00:09:54,990 --> 00:09:48,070

sighting in Emma Wisconsin it occurred

201
00:09:56,940 --> 00:09:55,000
on November 14th 2016 at 4:28 p.m. the

202
00:10:01,500 --> 00:09:56,950
witness states while on horseback on

203
00:10:03,540 --> 00:10:01,510
that date his wife and I did observe and

204
00:10:08,580 --> 00:10:03,550
at about the same time came to say

205
00:10:12,390 --> 00:10:08,590
outloud UFO I highly super polished

206
00:10:16,320 --> 00:10:12,400
chrome cigar-shaped in appearance

207
00:10:20,400 --> 00:10:16,330
defying gravity when it saw us it slowed

208
00:10:23,370 --> 00:10:20,410
down the witness goes on to state on

209
00:10:27,030 --> 00:10:23,380
November 14 2016 at 4:28 p.m. my wife

210
00:10:29,880 --> 00:10:27,040
and I won horse back on the way home we

211
00:10:32,520 --> 00:10:29,890
both observed a cigar-shaped object

212
00:10:36,000 --> 00:10:32,530
coming from the north to south direction

213
00:10:39,180 --> 00:10:36,010

and an altitude of about 500 to 600 feet

214

00:10:42,060 --> 00:10:39,190

in the distance of about the same and

215

00:10:47,030 --> 00:10:42,070

about the same time we both said out

216

00:10:50,610 --> 00:10:47,040

loud UFO when it saw us it slowed down

217

00:10:54,450 --> 00:10:50,620

but not like anything wood could compare

218

00:10:58,080 --> 00:10:54,460

it to as it defied gravity it was a

219

00:11:03,570 --> 00:10:58,090

highly polished chrome in color no

220

00:11:07,620 --> 00:11:03,580

identifiable fuselage none no wings no

221

00:11:13,290 --> 00:11:07,630

tail no visible engines or exhaust trail

222

00:11:16,860 --> 00:11:13,300

no sound no lights or windows the horses

223

00:11:20,160 --> 00:11:16,870

were not nervous in any way but we did

224

00:11:23,340 --> 00:11:20,170

observe that air was muffled and no

225

00:11:25,410 --> 00:11:23,350

other sounds could be heard we have a

226

00:11:27,660 --> 00:11:25,420

major highway not too far from the

227

00:11:30,720 --> 00:11:27,670

sighting and could not hear the highway

228

00:11:33,540 --> 00:11:30,730

in the background after many years in

229

00:11:39,210 --> 00:11:33,550

the military I realized as my wife did

230

00:11:40,530 --> 00:11:39,220

this was not ours after seeing us it

231

00:11:43,590 --> 00:11:40,540

picked up speed

232

00:11:45,950 --> 00:11:43,600

but again defying gravity as we know

233

00:11:49,770 --> 00:11:45,960

propulsion by today's standards and

234

00:11:51,810 --> 00:11:49,780

continued on a Southwest direction then

235

00:11:55,350 --> 00:11:51,820

changed to a deliberate more

236

00:11:57,240 --> 00:11:55,360

southwesterly direction I did scramble

237

00:11:59,760 --> 00:11:57,250

to take pictures from my phone which I

238

00:12:02,640 --> 00:11:59,770

still have but really missed the mother

239

00:12:05,640 --> 00:12:02,650

of all shots but still have pictures

240

00:12:08,430 --> 00:12:05,650

from a distance for my wife and I this

241

00:12:10,950 --> 00:12:08,440

has been an unbelievable experience and

242

00:12:14,370 --> 00:12:10,960

have shared it with many of our close

243

00:12:17,130 --> 00:12:14,380

friends and family but it has changed us

244

00:12:19,620 --> 00:12:17,140

forever we have always known we are not

245

00:12:22,200 --> 00:12:19,630

alone and this is not the first time we

246

00:12:26,220 --> 00:12:22,210

have spotted objects in the sky but

247

00:12:30,960 --> 00:12:26,230

never this close this was an

248

00:12:33,570 --> 00:12:30,970

in-your-face experience took as many

249

00:12:36,510 --> 00:12:33,580

pictures until it was gone we talked

250

00:12:40,260 --> 00:12:36,520

about it all the way home and at times

251
00:12:48,600 --> 00:12:40,270
even saying did we just see what we

252
00:12:51,510 --> 00:12:48,610
truly saw a UFO they going to ask who do

253
00:12:57,030 --> 00:12:51,520
you go to who do you show the pictures

254
00:12:59,610 --> 00:12:57,040
to who is going to believe us all of the

255
00:13:03,120 --> 00:12:59,620
normal feelings people have I do have

256
00:13:06,210 --> 00:13:03,130
difficulty sleeping but has not affected

257
00:13:09,210 --> 00:13:06,220
my wife that way as we observe something

258
00:13:12,960 --> 00:13:09,220
like this in seconds process all of that

259
00:13:14,970 --> 00:13:12,970
in one second and even overwhelmed like

260
00:13:17,340 --> 00:13:14,980
seeing a unicorn and trying to come to

261
00:13:17,850 --> 00:13:17,350
terms in belief of what you just saw was

262
00:13:20,610 --> 00:13:17,860
real

263
00:13:21,770 --> 00:13:20,620

and what it's held the world but afraid

264

00:13:24,620 --> 00:13:21,780

of Riddick

265

00:13:28,680 --> 00:13:24,630

this has changed me and my wife forever

266

00:13:31,590 --> 00:13:28,690

we want the truth and seek answers and

267

00:13:35,460 --> 00:13:31,600

willing to help others on this if need

268

00:13:40,860 --> 00:13:35,470

be we are both retired so we have the

269

00:13:46,800 --> 00:13:40,870

time a profound experience for sure that

270

00:13:50,730 --> 00:13:46,810

sounds like it an alien encounter this

271

00:13:55,830 --> 00:13:50,740

alien encounter occurred on September

272

00:14:00,090 --> 00:13:55,840

23rd of 2017 briefly stating two alien

273

00:14:03,330 --> 00:14:00,100

beings observed within residents the

274

00:14:07,740 --> 00:14:03,340

witness states it was between 4 a.m. and

275

00:14:10,610 --> 00:14:07,750

4 10:00 a.m. on September 23rd 2017 when

276

00:14:13,170 --> 00:14:10,620

I woke up and went to the restroom I

277

00:14:15,810 --> 00:14:13,180

frequent the restaurant many times each

278

00:14:18,900 --> 00:14:15,820

night because of a medical problem that

279

00:14:22,430 --> 00:14:18,910

causes me to be a very light sleeper

280

00:14:25,920 --> 00:14:22,440

I live with my two disabled parents and

281

00:14:28,920 --> 00:14:25,930

since noises easily wake and disturb

282

00:14:31,260 --> 00:14:28,930

them I have become very adept to

283

00:14:33,570 --> 00:14:31,270

visiting the restroom in the middle of

284

00:14:37,580 --> 00:14:33,580

the night while being as very quiet as

285

00:14:40,200 --> 00:14:37,590

possible the restroom is located down a

286

00:14:42,840 --> 00:14:40,210

30-foot hallway and the hallway goes

287

00:14:45,300 --> 00:14:42,850

straight from my bedroom door directly

288

00:14:47,820 --> 00:14:45,310

to the restaurant on one side of the

289

00:14:49,200 --> 00:14:47,830

hallway there are two other bedrooms and

290

00:14:51,840 --> 00:14:49,210

on the other side of the hallway is the

291

00:14:54,960 --> 00:14:51,850

living room in the kitchen the living

292

00:14:56,910 --> 00:14:54,970

room has a doorway accessing the kitchen

293

00:14:59,570 --> 00:14:56,920

as well as a doorway accessing the

294

00:15:03,510 --> 00:14:59,580

hallway right outside my bedroom door

a year from New York and company were

309
00:15:39,850 --> 00:15:37,310
turned off except for a small nightlight

310
00:15:43,509 --> 00:15:39,860
in the kitchen which remains on all

311
00:15:44,980 --> 00:15:43,519
night for our cat to eat with I did not

312
00:15:47,160 --> 00:15:44,990
notice anything different

313
00:15:52,960 --> 00:15:47,170

when I was walking to the restroom

314

00:15:55,269 --> 00:15:52,970

except one thing I thought I had felt a

315

00:15:57,490 --> 00:15:55,279

slight electrical type charge in the

316

00:16:01,720 --> 00:15:57,500

atmosphere that made the house feel a

317

00:16:04,960 --> 00:16:01,730

little different it did not feel like

318

00:16:06,879 --> 00:16:04,970

our house usually feels I was in the

319

00:16:08,710 --> 00:16:06,889

restroom for maybe three or four minutes

320

00:16:11,829 --> 00:16:08,720

before I was ready to go back to my

321

00:16:14,650 --> 00:16:11,839

bedroom I turned off the restroom light

322

00:16:17,470 --> 00:16:14,660

and as I was getting ready to turn the

323

00:16:22,179 --> 00:16:17,480

doorknob to exit the restroom is when I

324

00:16:23,860 --> 00:16:22,189

heard sounds that I miss identified at

325

00:16:26,590 --> 00:16:23,870

first I thought I was hearing my cat's

326

00:16:30,340 --> 00:16:26,600

claws clicking on the kitchen floor as

327

00:16:31,629 --> 00:16:30,350

he was walking across it which is usual

328

00:16:33,879 --> 00:16:31,639

sounds in the middle of the night

329

00:16:37,030 --> 00:16:33,889

because he eats his meals every night

330

00:16:39,850 --> 00:16:37,040

between 3:00 and 5:00 a.m. I quietly

331

00:16:42,790 --> 00:16:39,860

turned the doorknob and exited the

332

00:16:44,259 --> 00:16:42,800

restroom I was then standing in the

333

00:16:47,100 --> 00:16:44,269

hallway closed in the restroom door

334

00:16:51,309 --> 00:16:47,110

behind me very quietly like I always do

335

00:16:52,960 --> 00:16:51,319

the sound I misidentified seemed to be

336

00:16:55,210 --> 00:16:52,970

getting closer but I didn't think

337

00:16:58,240 --> 00:16:55,220

anything about it I took one step

338

00:17:01,119 --> 00:16:58,250

forward toward my bedroom and I looked

339

00:17:05,049 --> 00:17:01,129

to my right I thought it was going to be

340

00:17:09,279 --> 00:17:05,059

looking at my cat in the kitchen I saw

341

00:17:12,699 --> 00:17:09,289

an alien about six feet away turning to

342

00:17:15,699 --> 00:17:12,709

look at me from the kitchen I froze in

343

00:17:18,309 --> 00:17:15,709

mid-stride and I looked at it for about

344

00:17:18,760 --> 00:17:18,319

five seconds while it was staring back

345

00:17:23,649 --> 00:17:18,770

at me

346

00:17:27,309 --> 00:17:23,659

it was a short gray alien between 3 and

347

00:17:32,230 --> 00:17:27,319

4 feet tall with a large head that had

348

00:17:36,190 --> 00:17:32,240

big black slanted eyes no ears a stubby

349

00:17:39,669 --> 00:17:36,200

nose and a small mouth its arms were

350

00:17:42,159 --> 00:17:39,679

long in proportion to its body it was

351
00:17:44,649 --> 00:17:42,169
being backlit by the night light and

352
00:17:45,310 --> 00:17:44,659
appeared to be an off-white grayish

353
00:17:47,560 --> 00:17:45,320
color

354
00:17:50,710 --> 00:17:47,570
while I was looking at the alien it

355
00:17:53,259 --> 00:17:50,720
began making soft clicking noises what's

356
00:17:57,730 --> 00:17:53,269
its small mouth I was standing there

357
00:18:00,930 --> 00:17:57,740
trying to figure out what to do I began

358
00:18:04,269 --> 00:18:00,940
feeling more electricity in the air and

359
00:18:08,019 --> 00:18:04,279
I was trying to figure out if what I was

360
00:18:09,190 --> 00:18:08,029
looking at was real a feeling of ease

361
00:18:12,129 --> 00:18:09,200
came over me

362
00:18:16,960 --> 00:18:12,139
and inside of my head I heard a voice

363
00:18:21,549 --> 00:18:16,970

say to me that there was no danger this

364

00:18:23,740 --> 00:18:21,559

might not be real being confused and

365

00:18:26,560 --> 00:18:23,750

scared I wanted to believe the voice in

366

00:18:29,950 --> 00:18:26,570

my head because I wanted to get away

367

00:18:33,070 --> 00:18:29,960

I raised my right hand to see what would

368

00:18:36,490 --> 00:18:33,080

happen and the alien raised its right

369

00:18:39,700 --> 00:18:36,500

hand back at me I started walking down

370

00:18:41,649 --> 00:18:39,710

the hallway toward my bedroom and I

371

00:18:45,070 --> 00:18:41,659

couldn't stop thinking about going back

372

00:18:47,320 --> 00:18:45,080

to sleep I got half way down the hallway

373

00:18:50,769 --> 00:18:47,330

to my bedroom door and I remember

374

00:18:54,879 --> 00:18:50,779

thinking what if there's more than one

375

00:18:58,539 --> 00:18:54,889

of those in the house I stopped in front

376

00:19:00,700 --> 00:18:58,549

of my bedroom door so I could open it as

377

00:19:03,450 --> 00:19:00,710

I was reaching out to grab the knob on

378

00:19:07,210 --> 00:19:03,460

the door I looked into the living room

379

00:19:09,970 --> 00:19:07,220

about 4 feet away from me standing in

380

00:19:14,049 --> 00:19:09,980

the doorway to the kitchen was a tall

381

00:19:15,789 --> 00:19:14,059

alien that was facing towards me and was

382

00:19:19,749 --> 00:19:15,799

looking directly at me

383

00:19:23,499 --> 00:19:19,759

I was basically like the short gray

384

00:19:26,710 --> 00:19:23,509

alien except its torso was much longer

385

00:19:30,789 --> 00:19:26,720

making it about six to six and a half

386

00:19:34,720 --> 00:19:30,799

feet tall I heard a calm and soft voice

387

00:19:38,710 --> 00:19:34,730

in my head saying it's okay just go back

388

00:19:43,869 --> 00:19:38,720

to sleep now like it was Santa or

389

00:19:47,350 --> 00:19:43,879

something I raised my hand and moved it

390

00:19:49,749 --> 00:19:47,360

like I was waving the alien raised its

391

00:19:52,779 --> 00:19:49,759

right hand and waved back

392

00:19:55,930 --> 00:19:52,789

just like the short alien had done by

393

00:19:58,450 --> 00:19:55,940

this time I was feeling a strong buzzing

394

00:20:01,480 --> 00:19:58,460

sensation all over my body

395

00:20:03,700 --> 00:20:01,490

I remember hearing some more soft

396

00:20:07,240 --> 00:20:03,710

clicking sounds coming from the tall

397

00:20:09,790 --> 00:20:07,250

alien I was overcome with an impulse I

398

00:20:13,750 --> 00:20:09,800

couldn't resist that made me reach out

399

00:20:16,630 --> 00:20:13,760

and open my bedroom door I walked into

400

00:20:20,560 --> 00:20:16,640

my bedroom and closed the door behind me

401
00:20:27,400 --> 00:20:20,570
I got into bed and fell asleep as though

402
00:20:29,470 --> 00:20:27,410
nothing had ever happened oh my goodness

403
00:20:34,750 --> 00:20:29,480
that is quite a story

404
00:20:40,360 --> 00:20:34,760
Oh an encounter next dabs into some

405
00:20:47,010 --> 00:20:40,370
mystery science Boober partners with

406
00:20:50,260 --> 00:20:47,020
NASA to bring flying taxis to LA by 2020

407
00:20:52,960 --> 00:20:50,270
uber has partnered with NASA to research

408
00:20:56,050 --> 00:20:52,970
air traffic management and will conduct

409
00:20:59,140 --> 00:20:56,060
tests of new aerial vehicles in Los

410
00:21:02,410 --> 00:20:59,150
Angeles well alright ride sharing or

411
00:21:04,660 --> 00:21:02,420
should we say fly sharing vehicles could

412
00:21:08,770 --> 00:21:04,670
zoom through the skies of Los Angeles as

413
00:21:12,820 --> 00:21:08,780

soon as 2020 uber unveiled today in

414

00:21:15,970 --> 00:21:12,830

agreement with NASA that advances the

415

00:21:19,360 --> 00:21:15,980

company's plan to bring flying vehicles

416

00:21:22,180 --> 00:21:19,370

to major US cities the agreement with

417

00:21:25,600 --> 00:21:22,190

the space agency aims to develop traffic

418

00:21:29,460 --> 00:21:25,610

management systems for unmanned aerial

419

00:21:34,300 --> 00:21:29,470

vehicles it was signed January 26 and

420

00:21:35,430 --> 00:21:34,310

allocates funds over \$100,000 over five

421

00:21:38,200 --> 00:21:35,440

years

422

00:21:39,370 --> 00:21:38,210

speaking at the Webb summit in Lisbon

423

00:21:42,130 --> 00:21:39,380

Portugal

424

00:21:44,320 --> 00:21:42,140

uber chief product officer Jeff Holden

425

00:21:48,100 --> 00:21:44,330

said the vehicles could carry four

426

00:21:51,130 --> 00:21:48,110

passengers and fly at speeds of 200

427

00:21:53,530 --> 00:21:51,140

miles per hour we are very much

428

00:21:55,750 --> 00:21:53,540

embracing the regulatory bodies and

429

00:21:58,900 --> 00:21:55,760

starting very early in discussions about

430

00:22:02,560 --> 00:21:58,910

this and getting everyone aligned with

431

00:22:05,170 --> 00:22:02,570

the vision Holden said according to

432

00:22:07,860 --> 00:22:05,180

Reuters the company also announced that

433

00:22:11,350 --> 00:22:07,870

Los Angeles would be the third City

434

00:22:12,070 --> 00:22:11,360

following dallas-fort worth and Dubai

435

00:22:15,070 --> 00:22:12,080

and what

436

00:22:18,669 --> 00:22:15,080

the service would be tested la mayor

437

00:22:20,350 --> 00:22:18,679

Eric Carr Kenny said in a statement la

438

00:22:22,419 --> 00:22:20,360

is the perfect testing ground for this

439

00:22:26,289 --> 00:22:22,429

new technology and I look forward to

440

00:22:28,779 --> 00:22:26,299

seeing it grow in the coming years uber

441

00:22:31,029 --> 00:22:28,789

joins several other companies that are

442

00:22:34,330 --> 00:22:31,039

working with NASA to develop methods for

443

00:22:37,210 --> 00:22:34,340

managing fleets of aerial vehicles the

444

00:22:38,970 --> 00:22:37,220

agreement funds phase four of work which

445

00:22:42,130 --> 00:22:38,980

involves testing the service over

446

00:22:46,600 --> 00:22:42,140

high-density urban areas in March of

447

00:22:48,970 --> 00:22:46,610

2019 previous phases tested unmanned

448

00:22:53,200 --> 00:22:48,980

aerial vehicle services over light and

449

00:22:55,960 --> 00:22:53,210

moderately populated areas on demand

450

00:22:59,799 --> 00:22:55,970

aviation the company said in October

451
00:23:03,279 --> 00:22:59,809
2016 white paper on its flying taxi

452
00:23:06,190 --> 00:23:03,289
service has the potential to radically

453
00:23:09,659 --> 00:23:06,200
improve urban mobility giving people

454
00:23:12,850 --> 00:23:09,669
back time lost in their daily commutes

455
00:23:15,370 --> 00:23:12,860
the company says insights gained from

456
00:23:17,560 --> 00:23:15,380
its ride-sharing business means it can

457
00:23:22,210 --> 00:23:17,570
empathize with frustrated daily

458
00:23:25,539 --> 00:23:22,220
commuters we view helping to solve this

459
00:23:27,610 --> 00:23:25,549
problem as core to our mission and our

460
00:23:30,940 --> 00:23:27,620
commitment to our writer base the

461
00:23:33,310 --> 00:23:30,950
company says in the white paper just as

462
00:23:36,810 --> 00:23:33,320
skyscrapers allowed cities to use

463
00:23:38,580 --> 00:23:36,820

limited land more efficiently urban air

464

00:23:41,529 --> 00:23:38,590

transportation will use

465

00:23:44,230 --> 00:23:41,539

three-dimensional airspace to alleviate

466

00:23:48,600 --> 00:23:44,240

transportation congestion on the ground

467

00:23:53,110 --> 00:23:48,610

in a related statement the space-age

468

00:23:55,269 --> 00:23:53,120

looking flying car actually flies uber

469

00:23:58,180 --> 00:23:55,279

argues that developing infrastructure

470

00:24:01,269 --> 00:23:58,190

for its flying vehicle network would be

471

00:24:04,860 --> 00:24:01,279

significantly cheaper than investments

472

00:24:09,240 --> 00:24:04,870

in roads bridges tunnels and railways

473

00:24:12,220 --> 00:24:09,250

airplanes could take off from helipads

474

00:24:14,620 --> 00:24:12,230

unused lands near highways or even the

475

00:24:16,990 --> 00:24:14,630

tops of parking garages but uber

476
00:24:19,389 --> 00:24:17,000
acknowledges that many barriers remain

477
00:24:23,340 --> 00:24:19,399
potential bumps in the road or flight

478
00:24:25,210 --> 00:24:23,350
paths they include battery efficiency

479
00:24:26,720 --> 00:24:25,220
certification with the Federal Aviation

480
00:24:29,750 --> 00:24:26,730
in men

481
00:24:32,930 --> 00:24:29,760
air traffic control procedures and pilot

482
00:24:35,780 --> 00:24:32,940
training remain earlier this year

483
00:24:38,870 --> 00:24:35,790
uber hired NASA veterans mark Moore and

484
00:24:41,210 --> 00:24:38,880
Tom pre-bought to assist in developing

485
00:24:44,120 --> 00:24:41,220
vehicle design and air traffic

486
00:24:46,070 --> 00:24:44,130
management software the company faces

487
00:24:48,980 --> 00:24:46,080
stiff competition from other firms

488
00:24:52,040 --> 00:24:48,990

developing drones or small passenger

489

00:24:55,820 --> 00:24:52,050

aircraft aimed at speeding up urban

490

00:24:58,700 --> 00:24:55,830

deliveries and reducing congestion uber

491

00:25:01,700 --> 00:24:58,710

operates a taxi service in more than 600

492

00:25:03,620 --> 00:25:01,710

cities worldwide in which individuals

493

00:25:04,790 --> 00:25:03,630

use their own vehicles to ferry people

494

00:25:07,010 --> 00:25:04,800

from place to place

495

00:25:09,260 --> 00:25:07,020

the service is generally cheaper than

496

00:25:11,720 --> 00:25:09,270

taxis but has triggered backlash among

497

00:25:14,300 --> 00:25:11,730

taxi drivers and public officials

498

00:25:17,060 --> 00:25:14,310

concerned about labor and safety

499

00:25:19,970 --> 00:25:17,070

conditions in September the City of

500

00:25:22,460 --> 00:25:19,980

London stripped uber of its operating

501
00:25:24,890 --> 00:25:22,470
licence the company is appealing the

502
00:25:31,160 --> 00:25:24,900
decision and its service continues to

503
00:25:35,630 --> 00:25:31,170
run pending an outcome Wow on to some

504
00:25:40,010 --> 00:25:35,640
paranormal points Chicago creatures is

20th 2017 at about 5:00 p.m. central

509
00:25:56,300 --> 00:25:54,450

510
00:25:59,480 --> 00:25:56,310
driving down Lakeshore Drive toward

North Avenue beach in the car with my

512
00:26:04,070 --> 00:26:01,350
best friend my sister and my boyfriend

513
00:26:06,230 --> 00:26:04,080

as we were approaching the curb near

514

00:26:09,140 --> 00:26:06,240

North Avenue and beach we saw something

515

00:26:11,870 --> 00:26:09,150

fly right out from underneath the bridge

516

00:26:14,000 --> 00:26:11,880

that goes over the street that separates

517

00:26:16,730 --> 00:26:14,010

the big black building in front of Navy

518

00:26:20,630 --> 00:26:16,740

Pier which is called Lake Point Tower

519

00:26:24,680 --> 00:26:20,640

and the beach it flew straight up into

520

00:26:27,770 --> 00:26:24,690

the air and out towards the lake it was

521

00:26:31,880 --> 00:26:27,780

not an owl and it was not a seagull as

522

00:26:33,800 --> 00:26:31,890

seagulls are white in color my boyfriend

523

00:26:36,410 --> 00:26:33,810

who was in the front seat with me was

524

00:26:38,070 --> 00:26:36,420

the first to see it and showed me and

525

00:26:43,529 --> 00:26:38,080

everybody else

526
00:26:46,830 --> 00:26:43,539
afterwards it was as freaky as f bomb to

527
00:26:49,889 --> 00:26:46,840
see this thing fly up like that it was

528
00:26:54,029 --> 00:26:49,899
like completely black and looked like a

529
00:26:56,970 --> 00:26:54,039
giant flying bat it flew straight up and

530
00:26:59,490 --> 00:26:56,980
out of sight I could not keep watching

531
00:27:03,860 --> 00:26:59,500
it as I was trying to drive and not get

532
00:27:06,120 --> 00:27:03,870
into our wreck it was freaky to watch

533
00:27:09,240 --> 00:27:06,130
manual called the witness for a

534
00:27:11,580 --> 00:27:09,250
follow-up as per the witness they were

535
00:27:14,669 --> 00:27:11,590
on their way to a gathering with friends

536
00:27:17,430 --> 00:27:14,679
at North Avenue beach the entity shot

537
00:27:19,950 --> 00:27:17,440
out from what looked like under the

538
00:27:22,950 --> 00:27:19,960

bridge it flew above the trees and

539

00:27:24,870 --> 00:27:22,960

headed out towards the lake it was seen

540

00:27:27,299 --> 00:27:24,880

by the driver who was trying to avoid

541

00:27:30,019 --> 00:27:27,309

hitting another car the boyfriend said

542

00:27:34,590 --> 00:27:30,029

that it was solid black and was flying

543

00:27:37,230 --> 00:27:34,600

very fast another Chicago creature

544

00:27:40,320 --> 00:27:37,240

sighting the witness states I was out

545

00:27:43,200 --> 00:27:40,330

for a jog a late jog on Saturday evening

546

00:27:46,110 --> 00:27:43,210

about 7:00 p.m. June 17th

547

00:27:48,539 --> 00:27:46,120

I was taking my usual route along the

548

00:27:51,870 --> 00:27:48,549

lakefront jogging trail headed toward

549

00:27:55,500 --> 00:27:51,880

Navy Pier as I passed Ohio Street Beach

550

00:27:59,039 --> 00:27:55,510

and headed toward the pier I saw what

551
00:28:01,139 --> 00:27:59,049
looked like a giant bat fly over from

552
00:28:02,899 --> 00:28:01,149
what looked like under the bridge that

553
00:28:06,419 --> 00:28:02,909
holds up North Lake Shore Drive

554
00:28:09,570 --> 00:28:06,429
it flew parallel to East Grand Avenue

555
00:28:12,480 --> 00:28:09,580
and then up and over the trees toward

556
00:28:15,169 --> 00:28:12,490
the water treatment plant the whole

557
00:28:18,299 --> 00:28:15,179
incident lasted only a few seconds and

558
00:28:21,419 --> 00:28:18,309
getting any exact details was hard due

559
00:28:23,759 --> 00:28:21,429
to the low light I can make an educated

560
00:28:26,340 --> 00:28:23,769
guess and say that it looked like it was

561
00:28:30,810 --> 00:28:26,350
the height of an average man at about 6

562
00:28:33,090 --> 00:28:30,820
foot tall also I might be able to say I

563
00:28:37,500 --> 00:28:33,100

was 15 feet away from it when I saw it

564

00:28:39,750 --> 00:28:37,510

it looked like a great big bat solid

565

00:28:42,480 --> 00:28:39,760

black but it stood out against the

566

00:28:44,490 --> 00:28:42,490

building and had a wingspan that must

567

00:28:48,510 --> 00:28:44,500

have been at least seven to eight feet

568

00:28:50,669 --> 00:28:48,520

from tip to tip it was silent as far as

569

00:28:51,750 --> 00:28:50,679

I could tell but there was a lot of city

570

00:28:54,960 --> 00:28:51,760

noise in that area

571

00:28:57,870 --> 00:28:54,970

traffic and whatnot I know I was not the

572

00:29:00,600 --> 00:28:57,880

only one who saw it as was about six to

573

00:29:03,810 --> 00:29:00,610

seven others notice it and I heard more

574

00:29:06,180 --> 00:29:03,820

than one person say look at that as it

575

00:29:09,180 --> 00:29:06,190

flew you could tell it was flapping its

576
00:29:11,610 --> 00:29:09,190
large wings gaining speed and altitude

577
00:29:14,370 --> 00:29:11,620
till it cleared the trees and headed off

578
00:29:16,170 --> 00:29:14,380
toward the water treatment plant when I

579
00:29:19,260 --> 00:29:16,180
reached the point where I could look out

580
00:29:21,300 --> 00:29:19,270
toward the plant it was gone I checked

581
00:29:24,750 --> 00:29:21,310
my watch at that time and note the time

582
00:29:26,790 --> 00:29:24,760
of 708 p.m. and the weather was cloudy

583
00:29:29,580 --> 00:29:26,800
we had storms passed through the area

584
00:29:31,830 --> 00:29:29,590
earlier today and it looked like more

585
00:29:33,660 --> 00:29:31,840
we're on the way there was visible

586
00:29:36,150 --> 00:29:33,670
lightning over the lake at the time that

587
00:29:38,130 --> 00:29:36,160
this incident occurred I went home after

588
00:29:40,470 --> 00:29:38,140

my jog was completed and looked up

589

00:29:42,450 --> 00:29:40,480

sightings of giant bats in the city and

590

00:29:45,750 --> 00:29:42,460

was shocked by how many there were

591

00:29:52,710 --> 00:29:45,760
