1  
00:00:07,130 --> 00:00:04,670  
offer welcome welcome to UFO headline

2  
00:00:12,049 --> 00:00:07,140  
news with me Heidi Hollis today is

3  
00:00:14,959 --> 00:00:12,059  
Saturday December 2nd 2017 blasting off

4  
00:00:17,830 --> 00:00:14,969  
with UFO reports there was a UFO

5  
00:00:24,200 --> 00:00:17,840  
sighting in New Bedford Massachusetts on

6  
00:00:26,839 --> 00:00:24,210  
July 10th 2017 at 9:25 p.m. waiting for

7  
00:00:30,169 --> 00:00:26,849  
a cab started looking in sky saw lights

8  
00:00:31,730 --> 00:00:30,179  
grabbed cam took pics found three

9  
00:00:35,360 --> 00:00:31,740  
objects circle each other

10  
00:00:39,110 --> 00:00:35,370  
see figure Eight's and combine into one

11  
00:00:42,700 --> 00:00:39,120  
and then disappeared the witness goes on

12  
00:00:45,590 --> 00:00:42,710  
to state on July 10th 2017 at 9:26 p.m.

13  
00:00:48,529 --> 00:00:45,600

while waiting for a cab in front of the

14

00:00:52,850 --> 00:00:48,539

porch I noticed up in the clear blue sky

15

00:00:54,590 --> 00:00:52,860

in my area three objects like dancing

16

00:00:57,950 --> 00:00:54,600

around up in the sky

17

00:01:00,979 --> 00:00:57,960

round in shape wondered if seagulls

18

00:01:05,630 --> 00:01:00,989

but distance was too far and too high to

19

00:01:08,840 --> 00:01:05,640

be planes Airport close by but these

20

00:01:11,510 --> 00:01:08,850

objects were circling each other one in

21

00:01:14,420 --> 00:01:11,520

a straight line to alternating under

22

00:01:17,480 --> 00:01:14,430

control each other like all at once in

23

00:01:20,600 --> 00:01:17,490

sync for about 20 minutes approximately

24

00:01:23,810 --> 00:01:20,610

a neighbor was walking by at the same

25

00:01:26,380 --> 00:01:23,820

time and noticed questioned me about it

26

00:01:29,450 --> 00:01:26,390

and was amazed by the flight pattern

27

00:01:32,630 --> 00:01:29,460

toward the end of the path they formed a

28

00:01:34,520 --> 00:01:32,640

straight line up and down top one

29

00:01:37,219 --> 00:01:34,530

Hubbard while the bottom one rose into

30

00:01:40,249 --> 00:01:37,229

the middle one the middle one rose up

31

00:01:43,789 --> 00:01:40,259

into the top one the top one glowed

32

00:01:46,600 --> 00:01:43,799

brightly as the final one had all of the

33

00:01:52,429 --> 00:01:46,610

objects in it and as it brightly glowed

34

00:01:55,460 --> 00:01:52,439

just vanished poof gone neighbor was in

35

00:01:59,240 --> 00:01:55,470

awe as well as myself pictures were

36

00:02:02,690 --> 00:01:59,250

taken in haste but I still got them all

37

00:02:06,470 --> 00:02:02,700

above our witness faxed and are true to

38

00:02:16,110 --> 00:02:11,670

next a UFO sighting in Mars Hill North

39

00:02:18,570 --> 00:02:16,120

Carolina on November 21st 2017

40

00:02:21,900 --> 00:02:18,580

to light orbs hovering over mountain

41

00:02:27,270 --> 00:02:21,910

forests moving independently bobbing up

42

00:02:29,970 --> 00:02:27,280

and down then disappearing upwards the

43

00:02:33,690 --> 00:02:29,980

witness states my husband and I live at

44

00:02:36,900 --> 00:02:33,700

a high elevation 4,000 feet in the

45

00:02:39,650 --> 00:02:36,910

Pisgah in national forests and have a

46

00:02:42,480 --> 00:02:39,660

clear view of the surrounding mountains

47

00:02:45,390 --> 00:02:42,490

this is the second time we have both

48

00:02:49,050 --> 00:02:45,400

seen strange orbs in the night sky in

49

00:02:51,720 --> 00:02:49,060

the evening from our back deck in both

50

00:02:53,580 --> 00:02:51,730

cases there were two light orbs larger

51  
00:02:56,190 --> 00:02:53,590  
and brighter than the light from the

52  
00:02:58,860 --> 00:02:56,200  
stars that hovered just above the

53  
00:03:02,400 --> 00:02:58,870  
mountain range horizon they would Bob

54  
00:03:05,280 --> 00:03:02,410  
and hover moving both left and right and

55  
00:03:08,820 --> 00:03:05,290  
up and down but mostly up and down as

56  
00:03:11,580 --> 00:03:08,830  
though bouncing the movement was too

57  
00:03:14,729 --> 00:03:11,590  
extreme to be helicopters and far too

58  
00:03:16,979 --> 00:03:14,739  
fast after about 10 minutes of watching

59  
00:03:18,000 --> 00:03:16,989  
them hover over the forest they would

60  
00:03:20,850 --> 00:03:18,010  
ascend upwards

61  
00:03:24,000 --> 00:03:20,860  
very quickly and then the light would

62  
00:03:26,460 --> 00:03:24,010  
disappear the second time we saw this a

63  
00:03:30,060 --> 00:03:26,470

few days ago there were multiple

64

00:03:32,880 --> 00:03:30,070

aircraft in the air all around them the

65

00:03:37,050 --> 00:03:32,890

aircraft did not go near the orbs but

66

00:03:39,960 --> 00:03:37,060

created a circle around them there is an

67

00:03:43,350 --> 00:03:39,970

airport by Johnson City and Asheville on

68

00:03:45,840 --> 00:03:43,360

this night we saw one airplane taking a

69

00:03:47,670 --> 00:03:45,850

north/south flight path but there were

70

00:03:50,789 --> 00:03:47,680

several other craft in the sky with

71

00:03:53,100 --> 00:03:50,799

blinking lights that appeared stationary

72

00:03:57,449 --> 00:03:53,110

and worth the higher elevation in the

73

00:04:00,479 --> 00:03:57,459

sky on all sides around the orbs the

74

00:04:04,050 --> 00:04:00,489

orbs were too far away to get any good

75

00:04:07,020 --> 00:04:04,060

photos or to see shape but they did

76

00:04:10,530 --> 00:04:07,030

appear slightly elongated or oval

77

00:04:12,870 --> 00:04:10,540

instead of round the orbs bobbed and

78

00:04:15,250 --> 00:04:12,880

hovered for about 10 minutes then slowly

79

00:04:17,860 --> 00:04:15,260

bobbed along the mountain Hirai

80

00:04:20,469 --> 00:04:17,870

and following the slope of the tallest

81

00:04:21,969 --> 00:04:20,479

mountain range one of them disappeared

82

00:04:23,980 --> 00:04:21,979

below the mountain range and the other

83

00:04:26,550 --> 00:04:23,990

stayed in the sky and hovered at the

84

00:04:29,710 --> 00:04:26,560

peak of the range before we went inside

85

00:04:32,650 --> 00:04:29,720

the section of forest behind us has very

86

00:04:36,189 --> 00:04:32,660

few homes if any since most of its

87

00:04:39,370 --> 00:04:36,199

National Forest so we have little light

88

00:04:41,320 --> 00:04:39,380

pollution we estimate that these orbs

89

00:04:43,990 --> 00:04:41,330

were approximately two miles away

90

00:04:46,870 --> 00:04:44,000

because the ridge of that one of the

91

00:04:48,909 --> 00:04:46,880

orbs disappeared behind is about one to

92

00:04:50,279 --> 00:04:48,919

three quarters miles away as the crow

93

00:04:53,710 --> 00:04:50,289

flies

94

00:04:55,090 --> 00:04:53,720

the next UFO sighting is a sign in New

95

00:05:00,310 --> 00:04:55,100

Milford Connecticut

96

00:05:03,610 --> 00:05:00,320

this occurred November 16 2017 briefly

97

00:05:05,730 --> 00:05:03,620

large oblong silver disc with ball or

98

00:05:08,529 --> 00:05:05,740

egg-shaped structure attached

99

00:05:12,939 --> 00:05:08,539

materialised ascending and turning and

100

00:05:16,510 --> 00:05:12,949

then ascended and disappeared the

101  
00:05:19,150 --> 00:05:16,520  
witness goes on to detail I was driving

102  
00:05:22,000 --> 00:05:19,160  
near an area I had seen a UFO a year

103  
00:05:25,270 --> 00:05:22,010  
earlier the weather conditions were the

104  
00:05:28,089 --> 00:05:25,280  
same as the last sighting the air had a

105  
00:05:31,110 --> 00:05:28,099  
feeling to it that was familiar and I

106  
00:05:33,189 --> 00:05:31,120  
was compelled to drive to the location I

107  
00:05:36,100 --> 00:05:33,199  
had a feeling I was going to see

108  
00:05:38,830 --> 00:05:36,110  
something I parked the car so I could

109  
00:05:42,219 --> 00:05:38,840  
look at the area of the sky I saw in the

110  
00:05:44,560 --> 00:05:42,229  
last one I wrote down the side window

111  
00:05:45,400 --> 00:05:44,570  
and got my binoculars and iphone camera

112  
00:05:47,770 --> 00:05:45,410  
ready

113  
00:05:50,800 --> 00:05:47,780

I was there about 20 minutes watching

114

00:05:53,320 --> 00:05:50,810

passenger jet traffic I looked down at

115

00:05:57,520 --> 00:05:53,330

my phone and when I looked at the sky

116

00:06:01,240 --> 00:05:57,530

again the craft appeared descending in a

117

00:06:04,089 --> 00:06:01,250

turning maneuver it then started to

118

00:06:06,129 --> 00:06:04,099

ascend still turning I took my eyes off

119

00:06:09,339 --> 00:06:06,139

of it for less than a second to take a

120

00:06:13,450 --> 00:06:09,349

picture and when I looked again it was

121

00:06:16,060 --> 00:06:13,460

gone very frustrating I decided I would

122

00:06:18,610 --> 00:06:16,070

take some pictures of the sky anyway to

123

00:06:22,210 --> 00:06:18,620

see if the camera could see what I could

124

00:06:25,149 --> 00:06:22,220

not and in one of the pictures an object

125

00:06:27,950 --> 00:06:25,159

was there but much further away and no

126  
00:06:30,710 --> 00:06:27,960  
longer had the brilliance at once

127  
00:06:31,460 --> 00:06:30,720  
I noticed the object because I was

128  
00:06:33,530 --> 00:06:31,470  
looking for it

129  
00:06:35,900 --> 00:06:33,540  
and it was bright silver and reflecting

130  
00:06:38,390 --> 00:06:35,910  
light from the low Sun on the horizon I

131  
00:06:40,630 --> 00:06:38,400  
have seen Jets reflect the Sun in the

132  
00:06:42,890 --> 00:06:40,640  
same way at times but the shape

133  
00:06:46,430 --> 00:06:42,900  
maneuvering and flight characteristics

134  
00:06:48,290 --> 00:06:46,440  
was nothing like a jet it did not seem

135  
00:06:52,040 --> 00:06:48,300  
to be relying on the atmosphere for

136  
00:06:55,880 --> 00:06:52,050  
flight I can't describe it entirely but

137  
00:06:58,460 --> 00:06:55,890  
it had a kind of floating light it

138  
00:07:01,910 --> 00:06:58,470

looked like an oval disc with a strange

139

00:07:05,330 --> 00:07:01,920

ball or eggs sitting on top or something

140

00:07:08,570 --> 00:07:05,340

like a tea cup on a saucer they seemed

141

00:07:11,000 --> 00:07:08,580

to be two separate parts like one was

142

00:07:13,430 --> 00:07:11,010

getting a ride from the other it was

143

00:07:16,520 --> 00:07:13,440

extremely bright silver and was

144

00:07:18,950 --> 00:07:16,530

reflecting light from the Sun at the

145

00:07:22,480 --> 00:07:18,960

distance I saw it at I would estimate it

146

00:07:25,460 --> 00:07:22,490

to at least be the size of a Boeing 747

147

00:07:30,200 --> 00:07:25,470

the strangest thing is I knew I would

148

00:07:32,600 --> 00:07:30,210

see it I could feel it in the air the

149

00:07:34,610 --> 00:07:32,610

air felt the same as when I saw one

150

00:07:38,630 --> 00:07:34,620

about a year earlier in the same

151  
00:07:41,930 --> 00:07:38,640  
location we had just had rain and the

152  
00:07:45,230 --> 00:07:41,940  
storm was over the sky was clearing with

153  
00:07:48,020 --> 00:07:45,240  
very few clouds left I even had the car

154  
00:07:50,900 --> 00:07:48,030  
positioned so well the object appeared

155  
00:07:52,490 --> 00:07:50,910  
in the center of the piece of the sky I

156  
00:07:55,400 --> 00:07:52,500  
was watching through the driver side

157  
00:07:58,160 --> 00:07:55,410  
window even though I had the camera in

158  
00:07:58,760 --> 00:07:58,170  
my lap it was something so out of the

159  
00:08:02,540 --> 00:07:58,770  
ordinary

160  
00:08:04,880 --> 00:08:02,550  
it was almost hypnotizing I had to force

161  
00:08:07,490 --> 00:08:04,890  
myself to try and take a picture see

162  
00:08:09,740 --> 00:08:07,500  
file number one original photo and file

163  
00:08:12,650 --> 00:08:09,750

number two enlargement and file number

164

00:08:15,050 --> 00:08:12,660

three shows things in a row

165

00:08:17,150 --> 00:08:15,060

are they clouds foul number four

166

00:08:20,720 --> 00:08:17,160

enlargement file number five color

167

00:08:23,600 --> 00:08:20,730

enhanced enlargement I will also post

168

00:08:26,270 --> 00:08:23,610

drawings with compass headings GPS and

169

00:08:28,480 --> 00:08:26,280

coordinates Wow

170

00:08:31,550 --> 00:08:28,490

fascinating

171

00:08:36,170 --> 00:08:31,560

the next UFO sighting occurred in

172

00:08:39,409 --> 00:08:36,180

Phoenix Arizona November 23rd 2017

173

00:08:41,510 --> 00:08:39,419

in brief saw several glowing orbs

174

00:08:43,940 --> 00:08:41,520

hovering and shifting formations

175

00:08:48,050 --> 00:08:43,950

appearing and disappearing not

176

00:08:50,030 --> 00:08:48,060

conventional aircraft the witness goes

177

00:08:51,710 --> 00:08:50,040

on to state I was outside with my dog

178

00:08:55,430 --> 00:08:51,720

and happened to look over my shoulder

179

00:08:58,220 --> 00:08:55,440

and saw five orange glowing hovering

180

00:09:02,510 --> 00:08:58,230

orbs approximately two to three miles

181

00:09:04,490 --> 00:09:02,520

away it's hard to say but they were no

182

00:09:07,940 --> 00:09:04,500

higher than a thousand feet in altitude

183

00:09:11,329 --> 00:09:07,950

I was stunned by what I saw because

184

00:09:13,519 --> 00:09:11,339

immediately I could tell these were not

185

00:09:14,350 --> 00:09:13,529

conventional aircraft that I have ever

186

00:09:17,450 --> 00:09:14,360

seen

187

00:09:21,560 --> 00:09:17,460

first they hung in the air in a

188

00:09:24,170 --> 00:09:21,570

triangular formation with two above then

189

00:09:27,170 --> 00:09:24,180

they all shifted into a perfect straight

190

00:09:30,320 --> 00:09:27,180

line I tried to capture it with my cell

191

00:09:33,620 --> 00:09:30,330

phone camera but was unable so I called

192

00:09:38,180 --> 00:09:33,630

my wife outside she saw what I saw and

193

00:09:41,120 --> 00:09:38,190

was equally amazed a family out on an

194

00:09:45,440 --> 00:09:41,130

evening walk also witnessed it as did my

195

00:09:47,720 --> 00:09:45,450

landlord and his partner also a car

196

00:09:51,170 --> 00:09:47,730

pulled up and asked us if we were

197

00:09:54,440 --> 00:09:51,180

looking at the lights they disappeared

198

00:09:57,230 --> 00:09:54,450

and we went back into the house I had a

199

00:10:00,199 --> 00:09:57,240

feeling that wasn't it so I went right

200

00:10:02,540 --> 00:10:00,209

back outside and within a minute they

201  
00:10:05,060 --> 00:10:02,550  
started to reappear this time we

202  
00:10:08,150 --> 00:10:05,070  
witnessed a total of seven of them in

203  
00:10:11,030 --> 00:10:08,160  
strange patterns appearing and

204  
00:10:14,090 --> 00:10:11,040  
disappearing eventually they all

205  
00:10:16,670 --> 00:10:14,100  
disappeared and we also noticed there

206  
00:10:20,390 --> 00:10:16,680  
was absolutely no air traffic over

207  
00:10:23,660 --> 00:10:20,400  
Phoenix helicopters made a beeline out

208  
00:10:26,240 --> 00:10:23,670  
of that area it was as if the whole area

209  
00:10:29,240 --> 00:10:26,250  
was cleared of all air traffic for about

210  
00:10:31,490 --> 00:10:29,250  
20 minutes which typically this time an

211  
00:10:36,290 --> 00:10:31,500  
evening and also being Thanksgiving

212  
00:10:38,780 --> 00:10:36,300  
there's usually lots of air traffic I am

213  
00:10:40,550 --> 00:10:38,790

certain this was witnessed by many

214

00:10:46,309 --> 00:10:40,560

people in Phoenix

215

00:10:50,480 --> 00:10:46,319

and yet nothing on the news not a

216

00:10:54,110 --> 00:10:50,490

surprise a blast from the past UFO

217

00:10:58,150 --> 00:10:54,120

sighting a UFO sighting in Weldon North

218

00:11:02,540 --> 00:10:58,160

Carolina that occurred on September 10th

219

00:11:04,610 --> 00:11:02,550

1971 the witness states I was at a

220

00:11:07,340 --> 00:11:04,620

friend's house with my brother and we

221

00:11:10,670 --> 00:11:07,350

started home and that's when we noticed

222

00:11:14,329 --> 00:11:10,680

a red blinking light over mr. Jones

223

00:11:16,249 --> 00:11:14,339

house after watching this for a while my

224

00:11:18,619 --> 00:11:16,259

little brother went into the house and

225

00:11:21,850 --> 00:11:18,629

we had determined that the light was a

226

00:11:25,639 --> 00:11:21,860

lot further away I stayed and watched it

227

00:11:29,329 --> 00:11:25,649

when I seen it move I first thought it

228

00:11:32,900 --> 00:11:29,339

was a plane but then I saw a plane going

229

00:11:35,900 --> 00:11:32,910

across the sky in another direction this

230

00:11:37,129 --> 00:11:35,910

object darted very fast to the right and

231

00:11:39,980 --> 00:11:37,139

then back to the left

232

00:11:42,499 --> 00:11:39,990

I had a lit cigarette and was getting

233

00:11:43,910 --> 00:11:42,509

ready to put it out and go into the

234

00:11:48,590 --> 00:11:43,920

house when all of a sudden the ground

235

00:11:52,670 --> 00:11:48,600

around me was glowing red and then a

236

00:11:55,699 --> 00:11:52,680

bright red I stuck my hands out and they

237

00:12:00,259 --> 00:11:55,709

were red and bright red too so I looked

238

00:12:02,929 --> 00:12:00,269

up and there it was a round object about

239

00:12:05,990 --> 00:12:02,939

50 feet in the air just over my

240

00:12:08,170 --> 00:12:06,000

grandmother's house I could see that the

241

00:12:14,059 --> 00:12:08,180

light it was casting was like a

242

00:12:17,540 --> 00:12:14,069

flashlight but only under this craft it

243

00:12:19,819 --> 00:12:17,550

was red and then bright red I could hear

244

00:12:22,400 --> 00:12:19,829

a humming noise coming from it and then

245

00:12:24,829 --> 00:12:22,410

I heard a noise come from it and a

246

00:12:28,549 --> 00:12:24,839

yellow light came on under it

247

00:12:31,119 --> 00:12:28,559

I noticed that around the bottom I could

248

00:12:34,819 --> 00:12:31,129

see what looked like small round windows

249

00:12:37,100 --> 00:12:34,829

this object then started lowering to the

250

00:12:39,499 --> 00:12:37,110

ground about 10 to 20 feet above my

251  
00:12:43,100 --> 00:12:39,509  
grandmother's house and I saw the yellow

252  
00:12:45,579 --> 00:12:43,110  
light move in my direction it scared me

253  
00:12:49,759 --> 00:12:45,589  
so I ran underneath the tree in our yard

254  
00:12:51,650 --> 00:12:49,769  
the old light stopped I knew no one

255  
00:12:52,759 --> 00:12:51,660  
would believe me so I ran to the front

256  
00:12:55,519 --> 00:12:52,769  
door

257  
00:12:57,139 --> 00:12:55,529  
but kept watching this object it never

258  
00:12:59,929 --> 00:12:57,149  
moved as I was trying to find the

259  
00:13:02,449 --> 00:12:59,939  
doorknob I looked away just to find the

260  
00:13:04,429 --> 00:13:02,459  
doorknob it was still there when I

261  
00:13:08,679 --> 00:13:04,439  
opened the door and told my mom to come

262  
00:13:11,569 --> 00:13:08,689  
here when I looked back it was gone I

263  
00:13:14,269 --> 00:13:11,579

told my mom what I had seen and I went

264

00:13:17,059 --> 00:13:14,279

outside to see if it would come back it

265

00:13:19,429 --> 00:13:17,069

never did but about five years ago

266

00:13:22,369 --> 00:13:19,439

around the time that I saw this item I

267

00:13:25,329 --> 00:13:22,379

got a strange feeling to go back and

268

00:13:28,519 --> 00:13:25,339

look for it but I never did

269

00:13:33,979 --> 00:13:28,529

strange thing about this is that I had

270

00:13:35,829 --> 00:13:33,989

not thought of this in years another

271

00:13:39,650 --> 00:13:35,839

blast from the past

272

00:13:44,600 --> 00:13:39,660

UFO sighting in beti Nevada this

273

00:13:47,449 --> 00:13:44,610

occurred on April 8th of 2001 four to

274

00:13:51,169 --> 00:13:47,459

six foot orb hovered below wingtip of

275

00:13:54,559 --> 00:13:51,179

private jet flying at 45,000 feet for

276  
00:13:57,139 --> 00:13:54,569  
about three minutes the witness states I

277  
00:14:00,019 --> 00:13:57,149  
was a professional private flight

278  
00:14:04,340 --> 00:14:00,029  
attendant for twenty years flying from

279  
00:14:06,439 --> 00:14:04,350  
Hanoi California to Sun Valley Idaho

280  
00:14:10,009 --> 00:14:06,449  
there was only one passenger who was

281  
00:14:12,499 --> 00:14:10,019  
sleeping flying northeast with the Sun

282  
00:14:15,889 --> 00:14:12,509  
about ten degrees to the west about a

283  
00:14:19,539 --> 00:14:15,899  
half hour from sunset and we're flying

284  
00:14:22,189 --> 00:14:19,549  
at the western border of area 51 I

285  
00:14:24,559 --> 00:14:22,199  
looked out the large Gulfstream

286  
00:14:27,530 --> 00:14:24,569  
aircrafts window toward the east of saw

287  
00:14:30,169 --> 00:14:27,540  
an orb about four to six feet in

288  
00:14:33,889 --> 00:14:30,179

diameter hovering below the starboard

289

00:14:36,949 --> 00:14:33,899

winglet it was stationary like a scene

290

00:14:40,280 --> 00:14:36,959

from a bad sci-fi movie this went on for

291

00:14:44,840 --> 00:14:40,290

about three minutes I could not believe

292

00:14:49,639 --> 00:14:44,850

my eyes it was silver gold brown in

293

00:14:52,639 --> 00:14:49,649

color and a perfect orb shape I stared

294

00:14:55,669 --> 00:14:52,649

at it until it rapidly raced off and

295

00:14:57,879 --> 00:14:55,679

vanished I went to the cockpit and asked

296

00:15:01,309 --> 00:14:57,889

the pilots if they saw anything on there

297

00:15:04,489 --> 00:15:01,319

traffic collision avoidance system which

298

00:15:06,390 --> 00:15:04,499

they were a medium are larger Dunkin

299

00:15:10,590 --> 00:15:06,400

Donuts hot chocolate is now at

300

00:15:13,710 --> 00:15:10,600

99 enjoy original dunkaccino or the new

301  
00:15:16,320 --> 00:15:13,720  
almond joy flavored hot chocolate yeah

302  
00:15:18,000 --> 00:15:16,330  
almond joy flavor and enjoy all that

303  
00:15:20,550 --> 00:15:18,010  
chocolate deliciousness for a dollar

304  
00:15:22,050 --> 00:15:20,560  
ninety-nine so go ahead give yourself

305  
00:15:24,360 --> 00:15:22,060  
some hot chocolate happiness for a

306  
00:15:27,450 --> 00:15:24,370  
dollar ninety-nine it's like a warm and

307  
00:15:29,850 --> 00:15:27,460  
fuzzy chocolatey hug America runs on

308  
00:15:34,680 --> 00:15:29,860  
Dunkin participation may vary limited

309  
00:15:36,840 --> 00:15:34,690  
time offer applied no they made a radio

310  
00:15:40,440 --> 00:15:36,850  
call to ground control who told them

311  
00:15:43,440 --> 00:15:40,450  
there was no traffic in the area after

312  
00:15:45,900 --> 00:15:43,450  
flying professionally for years I firmly

313  
00:15:51,060 --> 00:15:45,910

believed in outside forces in the

314

00:15:56,730 --> 00:15:51,070

universe as I have now witnessed it Wow

315

00:16:02,700 --> 00:15:56,740

pretty wild on to paranormal points the

316

00:16:04,890 --> 00:16:02,710

Sioux City entity the brave victims of

317

00:16:07,860 --> 00:16:04,900

this ordeal have allowed me to disclose

318

00:16:10,680 --> 00:16:07,870

their story they have also agreed to

319

00:16:13,320 --> 00:16:10,690

have their names made public this case

320

00:16:14,910 --> 00:16:13,330

was presented for the first time during

321

00:16:17,400 --> 00:16:14,920

an emotional interview that was

322

00:16:24,390 --> 00:16:17,410

broadcast live on beyond the edge radio

323

00:16:26,790 --> 00:16:24,400

on para XCOM June 15 2014 and it goes on

324

00:16:29,550 --> 00:16:26,800

to read the first few months of the

325

00:16:32,220 --> 00:16:29,560

investigation I was still working with

326

00:16:34,170 --> 00:16:32,230

the original group to remote view

327

00:16:36,780 --> 00:16:34,180

sessions were conducted in order to

328

00:16:39,920 --> 00:16:36,790

gather evidence several conferences were

329

00:16:42,960 --> 00:16:39,930

held with the clients unfortunately

330

00:16:46,020 --> 00:16:42,970

Sabrina was still exhibiting extreme

331

00:16:48,390 --> 00:16:46,030

bipolar like behavior even though we

332

00:16:52,140 --> 00:16:48,400

were on skype we could still observe her

333

00:16:54,620 --> 00:16:52,150

fairly well on the cam she literally

334

00:16:57,240 --> 00:16:54,630

changed physically especially her face

335

00:16:58,440 --> 00:16:57,250

our Lena had described Sabrina's

336

00:17:01,260 --> 00:16:58,450

activity as well

337

00:17:05,460 --> 00:17:01,270

writing unknown words and talking

338

00:17:08,970 --> 00:17:05,470

unknown languages her condition was

339

00:17:11,160 --> 00:17:08,980

affecting everybody in the house we were

340

00:17:13,949 --> 00:17:11,170

told that Sabrina's bedroom was the most

341

00:17:15,480 --> 00:17:13,959

active so we placed a laptop in the

342

00:17:18,870 --> 00:17:15,490

middle of the room and directed the

343

00:17:19,420 --> 00:17:18,880

camera on an area we were told noises

344

00:17:22,210 --> 00:17:19,430

had been

345

00:17:25,120 --> 00:17:22,220

heard everybody left the room as we

346

00:17:29,470 --> 00:17:25,130

watched on skype in a ten-minute period

347

00:17:33,070 --> 00:17:29,480

we observed the desk light twice fade in

348

00:17:35,820 --> 00:17:33,080

and out in the framed picture on the

349

00:17:38,830 --> 00:17:35,830

wall move a few inches across the wall

350

00:17:43,360 --> 00:17:38,840

so we were convinced that some type of

351

00:17:46,000 --> 00:17:43,370

paranormal energy was present by April

352

00:17:48,760 --> 00:17:46,010

2013 it was obvious that we were getting

353

00:17:51,790 --> 00:17:48,770

nowhere with the case activity was

354

00:17:55,360 --> 00:17:51,800

occurring day and night everybody in the

355

00:17:57,400 --> 00:17:55,370

house was experiencing something shadows

356

00:18:01,210 --> 00:17:57,410

were seen in the hallway banging on the

357

00:18:04,390 --> 00:18:01,220

walls objects would go missing items

358

00:18:07,630 --> 00:18:04,400

flung across the room as well as a

359

00:18:11,050 --> 00:18:07,640

menacing feeling any time someone would

360

00:18:12,910 --> 00:18:11,060

walk into the house I decided to take on

361

00:18:16,600 --> 00:18:12,920

the case exclusively why the group

362

00:18:19,240 --> 00:18:16,610

worked on other projects not long after

363

00:18:21,550 --> 00:18:19,250

that I left the group but I personally

364

00:18:25,180 --> 00:18:21,560

continued to work with the Sioux City

365

00:18:26,920 --> 00:18:25,190

clients at the request I told the

366

00:18:30,670 --> 00:18:26,930

sisters that if they needed me to

367

00:18:32,920 --> 00:18:30,680

contact me at any time 24/7 I was

368

00:18:36,250 --> 00:18:32,930

determined to find the actual cause of

369

00:18:39,100 --> 00:18:36,260

the disturbances I worked one-on-one

370

00:18:41,650 --> 00:18:39,110

with Sabrina and her Lena for the next

371

00:18:43,420 --> 00:18:41,660

eight months basically learning all I

372

00:18:45,880 --> 00:18:43,430

could about the history of the family

373

00:18:49,090 --> 00:18:45,890

and investigating incidences during

374

00:18:51,310 --> 00:18:49,100

their lifetime one particular incident

375

00:18:54,310 --> 00:18:51,320

occurred during this period that

376

00:18:56,590 --> 00:18:54,320

suggested to me that this entity was

377

00:19:00,070 --> 00:18:56,600

more than just a malevolent earthbound

378

00:19:04,840 --> 00:19:00,080

energy our Lena has reported to me that

379

00:19:07,450 --> 00:19:04,850

an inverted peace symbol had manifested

380

00:19:10,270 --> 00:19:07,460

on the closet wall in one of the

381

00:19:12,700 --> 00:19:10,280

bedrooms it seemed as though it was

382

00:19:16,690 --> 00:19:12,710

painted on the drywall but was

383

00:19:19,540 --> 00:19:16,700

impossible to scrub off I instructed her

384

00:19:23,320 --> 00:19:19,550

to paint over it after I consulted with

385

00:19:28,330 --> 00:19:23,330

a known occultus who stated that it was

386

00:19:31,720 --> 00:19:28,340

a sigil that implied hate and deceit the

387

00:19:33,100 --> 00:19:31,730

investigated process was very slow and

388

00:19:36,520 --> 00:19:33,110

tedious but eventually

389

00:19:38,950 --> 00:19:36,530

some helpful information came forward at

390

00:19:41,020 --> 00:19:38,960

one period in the sister's life they

391

00:19:43,990 --> 00:19:41,030

lived with relatives in Arlington Texas

392

00:19:45,730 --> 00:19:44,000

I started to research the history of the

393

00:19:47,740 --> 00:19:45,740

house which was built by their

394

00:19:52,600 --> 00:19:47,750

grandmother and the property and

395

00:19:54,730 --> 00:19:52,610

discovered a few interesting facts for

396

00:19:57,820 --> 00:19:54,740

whatever reason the house and property

397

00:20:00,250 --> 00:19:57,830

were valued far less than any other

398

00:20:03,850 --> 00:20:00,260

house and property in the huge

399

00:20:06,940 --> 00:20:03,860

subdivision the house had several

400

00:20:10,630 --> 00:20:06,950

subsequent residents some had died there

401  
00:20:13,750 --> 00:20:10,640  
I decided that I needed to conduct a

402  
00:20:17,860 --> 00:20:13,760  
controlled remote view along with two

403  
00:20:20,920 --> 00:20:17,870  
associates and a monitor the session

404  
00:20:23,590 --> 00:20:20,930  
revealed that several rituals had been

405  
00:20:26,680 --> 00:20:23,600  
conducted on the property in that the

406  
00:20:30,280 --> 00:20:26,690  
property also had a stigma attached to

407  
00:20:33,520 --> 00:20:30,290  
it by others in the neighborhood the

408  
00:20:37,210 --> 00:20:33,530  
location also possessed a deep sense of

409  
00:20:39,190 --> 00:20:37,220  
sorrow and hate we also felt that there

410  
00:20:41,920 --> 00:20:39,200  
were a lot of lingering issues that

411  
00:20:45,190 --> 00:20:41,930  
revolved around the property the viewers

412  
00:20:47,350 --> 00:20:45,200  
each reached this conclusion I decided

413  
00:20:50,020 --> 00:20:47,360

not to reveal this information to the

414

00:20:53,500 --> 00:20:50,030

clients at the time I'm glad I did

415

00:20:56,520 --> 00:20:53,510

because Alena soon asked me if I could

416

00:20:59,860 --> 00:20:56,530

determine the fate of her missing aunt

417

00:21:00,430 --> 00:20:59,870

while they were living in Arlington her

418

00:21:03,370 --> 00:21:00,440

aunt

419

00:21:06,730 --> 00:21:03,380

disappeared after leaving with some

420

00:21:08,800 --> 00:21:06,740

people when afternoon at the house the

421

00:21:13,240 --> 00:21:08,810

last time they saw her was when she got

422

00:21:16,210 --> 00:21:13,250

into the car I conducted a distant

423

00:21:18,880 --> 00:21:16,220

reading a few days later which I use to

424

00:21:21,670 --> 00:21:18,890

discern information while I'm in a

425

00:21:24,010 --> 00:21:21,680

heightened perceptive state it can be

426

00:21:26,920 --> 00:21:24,020

described as an extension of my five

427

00:21:29,860 --> 00:21:26,930

senses I usually execute these sessions

428

00:21:33,070 --> 00:21:29,870

alone I don't want anyone accusing me of

429

00:21:36,310 --> 00:21:33,080

cold reading a client though it would be

430

00:21:39,130 --> 00:21:36,320

conducted on skype voice inflection can

431

00:21:42,890 --> 00:21:39,140

still give a reader certain clues so I

432

00:21:45,200 --> 00:21:42,900

just avoid duality as much as possible

433

00:21:46,340 --> 00:21:45,210

I sensed that the aunt was no longer

434

00:21:48,770 --> 00:21:46,350

among the living

435

00:21:51,470 --> 00:21:48,780

finding a body would require some

436

00:21:54,380 --> 00:21:51,480

fieldwork which I wasn't in the position

437

00:21:57,340 --> 00:21:54,390

to do this disappearance had weighed

438

00:22:00,410 --> 00:21:57,350

heavily on the family for many years I

439

00:22:02,360 --> 00:22:00,420

believe that much of the sorrow combined

440

00:22:05,930 --> 00:22:02,370

with the malevolent energies within the

441

00:22:08,960 --> 00:22:05,940

Texas House ceded something within the

442

00:22:12,050 --> 00:22:08,970

sisters the clients had moved to

443

00:22:15,350 --> 00:22:12,060

Nebraska then Iowa where they reside

444

00:22:18,200 --> 00:22:15,360

today whatever this energy was it

445

00:22:21,200 --> 00:22:18,210

traveled with them continuing to grow

446

00:22:24,140 --> 00:22:21,210

when times were tough when life seemed

447

00:22:27,350 --> 00:22:24,150

out of control it became apparent that

448

00:22:32,800 --> 00:22:27,360

both Alina and Sabrina are spirit

449

00:22:35,390 --> 00:22:32,810

beacons they attract spiritual energy in

450

00:22:37,970 --> 00:22:35,400

fact much of the immediate family are

451  
00:22:41,750 --> 00:22:37,980  
empathic and seemed to easily take on

452  
00:22:44,540 --> 00:22:41,760  
emotions of other family members even at

453  
00:22:46,820 --> 00:22:44,550  
great distances I have seen this

454  
00:22:49,910 --> 00:22:46,830  
phenomenon before but not to the degree

455  
00:22:51,410 --> 00:22:49,920  
that this family exhibited all of this

456  
00:22:54,650 --> 00:22:51,420  
needed to be taken into consideration

457  
00:22:57,710 --> 00:22:54,660  
when determining the cause of the

458  
00:23:00,950 --> 00:22:57,720  
disturbances our Lena

459  
00:23:02,390 --> 00:23:00,960  
is a deeply devout Christian I truly

460  
00:23:05,020 --> 00:23:02,400  
believe that her faith and confidence

461  
00:23:07,520 --> 00:23:05,030  
allows her to keep this entity at bay

462  
00:23:11,020 --> 00:23:07,530  
even though she did experience

463  
00:23:14,150 --> 00:23:11,030

paranormal activity on the other hand

464

00:23:17,600 --> 00:23:14,160

Sabrina had more pressing personal

465

00:23:20,780 --> 00:23:17,610

issues by the time 2012 rolled around

466

00:23:23,200 --> 00:23:20,790

this entity had grown to a point where

467

00:23:26,420 --> 00:23:23,210

she could no longer control it it

468

00:23:30,290 --> 00:23:26,430

followed her everywhere even to her

469

00:23:32,920 --> 00:23:30,300

workplace it was determined by me and

470

00:23:35,810 --> 00:23:32,930

with some consultation with colleagues

471

00:23:37,070 --> 00:23:35,820

that Sabrina had been plagued by a

472

00:23:41,570 --> 00:23:37,080

thought-form

473

00:23:46,880 --> 00:23:41,580

entity a mind created supernatural being

474

00:23:49,360 --> 00:23:46,890

a poltergeist regardless of what is

475

00:23:52,940 --> 00:23:49,370

presented on television and the movies

476

00:23:54,830 --> 00:23:52,950

poltergeist activity is very rare there

477

00:23:56,000 --> 00:23:54,840

are several theories as to what a

478

00:23:58,310 --> 00:23:56,010

poltergeist is

479

00:24:01,310 --> 00:23:58,320

but it seems that it always has to

480

00:24:05,300 --> 00:24:01,320

relative factors one would be

481

00:24:07,730 --> 00:24:05,310

psychokinesis or PK which is an ability

482

00:24:10,340 --> 00:24:07,740

that allows a person to influence

483

00:24:13,160 --> 00:24:10,350

objects or people without physical

484

00:24:15,710 --> 00:24:13,170

interaction the other factor would be

485

00:24:18,950 --> 00:24:15,720

malevolence towards the oppressed and

486

00:24:21,760 --> 00:24:18,960

those around them a poltergeist haunting

487

00:24:25,160 --> 00:24:21,770

can only be curtailed by the person

488

00:24:27,890 --> 00:24:25,170

generating the entity this involves

489

00:24:31,060 --> 00:24:27,900

instruction in how to control emotions

490

00:24:34,340 --> 00:24:31,070

and fear as well as avoiding

491

00:24:36,230 --> 00:24:34,350

uncontrollable situations this is the

492

00:24:38,420 --> 00:24:36,240

point where the overwhelming spirit

493

00:24:41,090 --> 00:24:38,430

energy at the location comes into play

494

00:24:44,780 --> 00:24:41,100

as a result of the crash of United

495

00:24:47,660 --> 00:24:44,790

Airlines flight 232 there are many

496

00:24:49,970 --> 00:24:47,670

wandering spirits in the vicinity many

497

00:24:53,030 --> 00:24:49,980

of which don't realize that they are no

498

00:24:57,010 --> 00:24:53,040

longer part of a living body or remain

499

00:25:03,680 --> 00:24:57,020

for other reasons malevolent entities

500

00:25:06,520 --> 00:25:03,690

require energy to remain viable if they

501  
00:25:09,620 --> 00:25:06,530  
cannot feed on human emotion and

502  
00:25:14,600 --> 00:25:09,630  
lifeforce then they need to look

503  
00:25:17,930 --> 00:25:14,610  
elsewhere earthbound spirits are fodder

504  
00:25:20,990 --> 00:25:17,940  
for stronger entities and this was the

505  
00:25:25,130 --> 00:25:21,000  
reason it became so difficult to weaken

506  
00:25:27,830 --> 00:25:25,140  
this troublesome entity I instructed

507  
00:25:30,430 --> 00:25:27,840  
Alina and how to form a barrier around

508  
00:25:35,150 --> 00:25:30,440  
the residence in order to keep

509  
00:25:36,830 --> 00:25:35,160  
earthbound spirits out of the house we

510  
00:25:39,890 --> 00:25:36,840  
were starting to see a change in a

511  
00:25:42,470 --> 00:25:39,900  
lessening of the activity sabrina still

512  
00:25:45,140 --> 00:25:42,480  
has an attachment with her but she is

513  
00:25:49,490 --> 00:25:45,150

moved out of her sister's home and has

514

00:25:52,630 --> 00:25:49,500

moved in with her fiance as well she is

515

00:25:56,960 --> 00:25:52,640

no longer living near the airport and

516

00:26:00,260 --> 00:25:56,970

the mass of earthbound energies the

517

00:26:03,500 --> 00:26:00,270

degree of her torment has significantly

518

00:26:08,150 --> 00:26:03,510

lessened I continue to provide support

519

00:26:11,750 --> 00:26:08,160

which includes guidance and instruction

520

00:26:15,290 --> 00:26:11,760

after care can be a long-term commitment

521

00:26:18,770 --> 00:26:15,300

in certain cases these services are

522

00:26:22,880 --> 00:26:18,780

provided at no cost I only ask that the

523

00:26:25,700 --> 00:26:22,890

client have an open mind the discipline

524

00:26:29,000 --> 00:26:25,710

to follow my recommendations and remain

525

00:26:32,840 --> 00:26:29,010

positive which is imperative in order to

526

00:26:34,610 --> 00:26:32,850

resolve their problem the information
