13
00:00:55,610 --> 00:00:50,809

headline news there was a sighting in

14

00:01:00,160 --> 00:00:55,620

devi' Andorra this is a very complicated

15

00:01:03,650 --> 00:01:00,170

name this occurred on October 7th of

16

00:01:06,080 --> 00:01:03,660

2017 the witness states I was coming

17

00:01:08,870 --> 00:01:06,090

home from work picked up my son from his

18

00:01:11,420 --> 00:01:08,880

nanny and we headed home close to home

19

00:01:13,850 --> 00:01:11,430

we both noticed some lights in the

20

00:01:16,490 --> 00:01:13,860

clouds at first I thought they were

21

00:01:19,460 --> 00:01:16,500

reflections from the ground when we

22

00:01:22,670 --> 00:01:19,470

first noticed them there were four

23

00:01:25,850 --> 00:01:22,680

bright lights in the clouds circling

24

00:01:28,969 --> 00:01:25,860

each other in one spot while we walked

25

00:01:31,700 --> 00:01:28,979

further towards our home the circling

26

00:01:34,850 --> 00:01:31,710

lights seemed to follow the path of the

27

00:01:36,590 --> 00:01:34,860

street we were walking on as we stopped

28

00:01:41,330 --> 00:01:36,600

in front of the block of apartments

29

00:01:43,609 --> 00:01:41,340

where we live we seemed to stop to some

30

00:01:46,550 --> 00:01:43,619

of the neighbors were there and they saw

31

00:01:48,590 --> 00:01:46,560

them as well they were like gigantic

32

00:01:51,950 --> 00:01:48,600

fireflies playing with each other

33

00:01:54,440 --> 00:01:51,960

through the clouds okay occasionally you

34

00:01:56,899 --> 00:01:54,450

see the lights were coming from above

35

00:01:59,780 --> 00:01:56,909

the clouds and not from the ground

36

00:02:02,630 --> 00:01:59,790

I took my phone and did my best to film

37

00:02:04,580 --> 00:02:02,640

them I had to use my phone cover to

38

00:02:07,069 --> 00:02:04,590

block the streetlight from interfering

39

00:02:10,400 --> 00:02:07,079

with the camera on my phone after I

40

00:02:13,220 --> 00:02:10,410

filmed I took some photos too and after

41

00:02:15,199 --> 00:02:13,230

that we went upstairs I

42

00:02:18,070 --> 00:02:15,209

no for how long the lights remained in

43

00:02:21,770 --> 00:02:18,080

the sky but they were there for at least

44

00:02:24,589 --> 00:02:21,780

15 minutes I don't know if it matters

45

00:02:27,649 --> 00:02:24,599

but the following day I had a dream

46

00:02:30,380 --> 00:02:27,659

about a partially destroyed planet on

47

00:02:33,080 --> 00:02:30,390

which the remaining people were

48

00:02:37,640 --> 00:02:33,090

searching for a way to prevent a

49

00:02:39,910 --> 00:02:37,650

cataclysm Wow quite common with people

50

00:02:44,449 --> 00:02:39,920

that have seen UFOs I might add and

51
00:02:50,630 --> 00:02:44,459
aliens so maybe they paid him a visit we

52
00:02:52,789 --> 00:02:50,640
can only guess all right next one UFO

53
00:02:57,349 --> 00:02:52,799
sighting in South Chicago Heights

54
00:03:01,309 --> 00:02:57,359
Illinois October 28th of 2017 that's

55
00:03:06,349 --> 00:03:01,319
near where I'm at here in Chicago the

56
00:03:09,349 --> 00:03:06,359
report states I was driving on I 394

57
00:03:12,110 --> 00:03:09,359
heading north from Dyer Indiana heading

58
00:03:14,990 --> 00:03:12,120
back to Chicago when I was a corner of

59
00:03:18,349 --> 00:03:15,000
my eye I noticed some lights in the sky

60
00:03:21,080 --> 00:03:18,359
to my right which is East traffic was

61
00:03:23,780 --> 00:03:21,090
light so I slowed down a bit to get a

62
00:03:27,770 --> 00:03:23,790
better look I noticed the other cars

63
00:03:33,250 --> 00:03:27,780

also hit their brakes to slow down I saw

64

00:03:36,759 --> 00:03:33,260

four to five large hazy white lights

65

00:03:39,770 --> 00:03:36,769

chasing each other in a perfect circle

66

00:03:42,110 --> 00:03:39,780

sounds like the last one going through

67

00:03:43,940 --> 00:03:42,120

whatever clouds were there and then

68

00:03:46,729 --> 00:03:43,950

meeting up in the middle of the circle

69

00:03:49,780 --> 00:03:46,739

and then going back into the circle

70

00:03:52,460 --> 00:03:49,790

formation looked like they were playing

71

00:03:54,199 --> 00:03:52,470

ring-around-the-rosie but at a super

72

00:03:55,789 --> 00:03:54,209

fast pace Wow

73

00:03:59,119 --> 00:03:55,799

what are the odds these are back-to-back

74

00:04:03,050 --> 00:03:59,129

these stories I looked at the time and

75

00:04:05,839 --> 00:04:03,060

it was 755 p.m. I kept sight of it until

76

00:04:09,229 --> 00:04:05,849

I got onto i-294 and then couldn't look

77

00:04:13,069 --> 00:04:09,239

up because traffic was pretty busy on I

78

00:04:17,629 --> 00:04:13,079

294 I got off on my exit to head home I

79

00:04:20,900 --> 00:04:17,639

was at a light on 117 Pulaski in Chicago

80

00:04:24,110 --> 00:04:20,910

heading north and looked up in a bit to

81

00:04:26,410 --> 00:04:24,120

my left which is west and there they

82

00:04:29,620 --> 00:04:26,420

were the lights chasing

83

00:04:31,450 --> 00:04:29,630

each other in a perfect circle in and

84

00:04:34,570 --> 00:04:31,460

out of the clouds and meeting in the

85

00:04:38,320 --> 00:04:34,580

middle bouncing back out to the circle

86

00:04:41,500 --> 00:04:38,330

once again I believe it was about 8:20

87

00:04:44,020 --> 00:04:41,510

p.m. during both sightings I did not see

88

00:04:45,850 --> 00:04:44,030

any beams of light beneath it going to

89

00:04:48,970 --> 00:04:45,860

the ground as one might see with a

90

00:04:51,190 --> 00:04:48,980

spotlight or advertising lights no

91

00:04:54,250 --> 00:04:51,200

storms are lightning in the area either

92

00:04:56,650 --> 00:04:54,260

I know other people saw this as well as

93

00:04:59,350 --> 00:04:56,660

I saw people looking up from their cars

94

00:05:02,320 --> 00:04:59,360

in that direction perhaps they may

95

00:05:04,510 --> 00:05:02,330

report it as well it was the first time

96

00:05:08,920 --> 00:05:04,520

I personally witnessed this phenomena I

97

00:05:12,430 --> 00:05:08,930

saw this at least two other times once

98

00:05:15,280 --> 00:05:12,440

with my son sure would like to know if

99

00:05:17,440 --> 00:05:15,290

anyone else has witnessed this Wow

100

00:05:19,870 --> 00:05:17,450

that's interesting this person has seen

101

00:05:21,910 --> 00:05:19,880

this same kind of phenomena I had

102

00:05:24,730 --> 00:05:21,920

personally seen a lot of UFOs but I have

103

00:05:28,570 --> 00:05:24,740

not seen dancing balls of light like

104

00:05:32,110 --> 00:05:28,580

that outside all right next one UFO

105

00:05:39,400 --> 00:05:32,120

sighting in Jareau Louisiana this

106

00:05:42,460 --> 00:05:39,410

occurred on December 24th of 2014 this

107

00:05:45,550 --> 00:05:42,470

person states my husband and I were

108

00:05:49,030 --> 00:05:45,560

driving home and I was amazed at a very

109

00:05:51,700 --> 00:05:49,040

unusual sunset I asked my husband to

110

00:05:53,710 --> 00:05:51,710

pull over in a vacant field so I could

111

00:05:58,420 --> 00:05:53,720

snap a few images of the clouds over

112

00:06:00,550 --> 00:05:58,430

Alma plantation a local sugar mill the

113

00:06:04,060 --> 00:06:00,560

mill was in full production at the time

114

00:06:07,750 --> 00:06:04,070

the next day I opened the images and

115

00:06:11,530 --> 00:06:07,760

noticed a white speck and thought the

116

00:06:14,050 --> 00:06:11,540

image was marred when I expanded the

117

00:06:16,930 --> 00:06:14,060

image to find out exactly what that

118

00:06:20,320 --> 00:06:16,940

white speck looked look like I was a

119

00:06:25,060 --> 00:06:20,330

little stunned to see this quote object

120

00:06:27,840 --> 00:06:25,070

I was leering at of this photo this to

121

00:06:32,380 --> 00:06:27,850

anyone except for my husband in fear

122

00:06:35,440 --> 00:06:32,390

thought I would thought I was a nut this

123

00:06:38,170 --> 00:06:35,450

was almost three years ago and I now

124

00:06:39,270 --> 00:06:38,180

just want to know what others believe it

125

00:06:44,070 --> 00:06:39,280

to be

126
00:06:47,120 --> 00:06:44,080
any comments will be appreciated Wow

127
00:06:48,930 --> 00:06:47,130
very cool all right we've got a blast

128
00:06:53,790 --> 00:06:48,940
from the past

129
00:06:57,810 --> 00:06:53,800
of a UFO sighting I lived in Portland

130
00:07:01,560 --> 00:06:57,820
Oregon it was March 17th 1981 at about

131
00:07:03,540 --> 00:07:01,570
4:30 in the morning at first I thought

132
00:07:04,260 --> 00:07:03,550
it was dreaming I could hear my dog in

133
00:07:07,170 --> 00:07:04,270
the basement

134
00:07:09,630 --> 00:07:07,180
barking constantly there was this sound

135
00:07:12,120 --> 00:07:09,640
like I was in a wind tunnel in a very

136
00:07:15,570 --> 00:07:12,130
high-pitched sound that was piercing my

137
00:07:19,050 --> 00:07:15,580
ears suddenly I felt my feet go numb

138
00:07:23,250 --> 00:07:19,060

like they were no longer there I quickly

139

00:07:27,120 --> 00:07:23,260

knew this was no dream someone or

140

00:07:30,770 --> 00:07:27,130

something was trying to take my insides

141

00:07:35,159 --> 00:07:30,780

of my body I could feel my body

142

00:07:39,000 --> 00:07:35,169

disappearing as it went upward towards

143

00:07:41,990 --> 00:07:39,010

my head it never at anytime hurt until

144

00:07:44,940 --> 00:07:42,000

it got to the level where my heart was

145

00:07:49,710 --> 00:07:44,950

at that moment I could hear myself

146

00:07:53,370 --> 00:07:49,720

screaming you're killing me my heart

147

00:07:57,900 --> 00:07:53,380

hurt so bad it was like it was going to

148

00:08:01,320 --> 00:07:57,910

explode all at once it stopped and I

149

00:08:04,710 --> 00:08:01,330

could feel my body coming back as it had

150

00:08:08,100 --> 00:08:04,720

gone up my body it was dropping downward

151
00:08:11,310 --> 00:08:08,110
and making me feel my body again then

152
00:08:14,250 --> 00:08:11,320
all at once it stopped and no more wind

153
00:08:17,130 --> 00:08:14,260
or high-pitched noise the dog stopped

154
00:08:20,909 --> 00:08:17,140
barking the high-pitched sound must have

155
00:08:22,290 --> 00:08:20,919
hurt her ears I was so scared I jumped

156
00:08:24,900 --> 00:08:22,300
out of bed and started to find my

157
00:08:26,940 --> 00:08:24,910
children our house was two storeys and

158
00:08:29,430 --> 00:08:26,950
the kids all slept upstairs

159
00:08:32,550 --> 00:08:29,440
my twin boys were in their beds my

160
00:08:35,810 --> 00:08:32,560
daughter was missing from her bed my

161
00:08:38,700 --> 00:08:35,820
first thoughts were they had taken her

162
00:08:41,700 --> 00:08:38,710
screaming I ran downstairs and found her

163
00:08:44,490 --> 00:08:41,710

on the sofa my boys had woken up from my

164

00:08:47,370 --> 00:08:44,500

screaming I must have been a crazy

165

00:08:49,890 --> 00:08:47,380

person I was screaming at them to get in

166

00:08:52,079 --> 00:08:49,900

the car really I thought they would

167

00:08:52,980 --> 00:08:52,089

return at any minute and we needed to

168

00:08:56,430 --> 00:08:52,990

leave

169

00:08:59,790 --> 00:08:56,440

house like I said I was not thinking

170

00:09:02,070 --> 00:08:59,800

clearly I did not call the police I

171

00:09:03,990 --> 00:09:02,080

thought they wouldn't believe me my

172

00:09:04,949 --> 00:09:04,000

husband was at work he worked the

173

00:09:06,960 --> 00:09:04,959

graveyard shift

174

00:09:09,210 --> 00:09:06,970

so I called my sister-in-law in

175

00:09:13,310 --> 00:09:09,220

California and told her that if we

176

00:09:17,460 --> 00:09:13,320

disappeared the aliens had taken us I

177

00:09:20,070 --> 00:09:17,470

was beyond scared she said simply that

178

00:09:21,990 --> 00:09:20,080

she would tell everyone I took my

179

00:09:25,320 --> 00:09:22,000

children and put them in the car we're

180

00:09:27,870 --> 00:09:25,330

all still in our pajamas I drove to the

181

00:09:31,380 --> 00:09:27,880

hills where there were lots of trees

182

00:09:35,280 --> 00:09:31,390

thinking we could hide then as a crazed

183

00:09:38,490 --> 00:09:35,290

and scared person I kept driving my

184

00:09:42,329 --> 00:09:38,500

children said mom what's those lights in

185

00:09:45,120 --> 00:09:42,339

the sky a craft that look like a

186

00:09:48,329 --> 00:09:45,130

triangle without the bottom line had

187

00:09:51,630 --> 00:09:48,339

lights up and down both sides and

188

00:09:53,610 --> 00:09:51,640

wherever we went it went with us my

189

00:09:55,920 --> 00:09:53,620

children were now starting to get scared

190

00:09:58,769 --> 00:09:55,930

I explained to them as best as I could

191

00:10:01,680 --> 00:09:58,779

that if they took us we would be

192

00:10:04,920 --> 00:10:01,690

together and I would protect them yeah

193

00:10:07,470 --> 00:10:04,930

sure I would what do you say to three

194

00:10:10,440 --> 00:10:07,480

scared kids I knew they weren't going to

195

00:10:11,790 --> 00:10:10,450

leave us and I drove back home we went

196

00:10:15,600 --> 00:10:11,800

back into the house and waited

197

00:10:17,370 --> 00:10:15,610

hugged together on the sofa soon my

198

00:10:20,310 --> 00:10:17,380

husband walked to the door and the kids

199

00:10:21,990 --> 00:10:20,320

ran screaming and crying to their dad he

200

00:10:25,019 --> 00:10:22,000

had no idea what was happening

201
00:10:28,139 --> 00:10:25,029
I explained as best as I could I'm sure

202
00:10:31,530 --> 00:10:28,149
my husband thought I had finally lost it

203
00:10:35,370 --> 00:10:31,540
he turned on the television and there it

204
00:10:38,100 --> 00:10:35,380
all was they told about two large orange

205
00:10:42,329 --> 00:10:38,110
balls that officers on both sides of the

206
00:10:44,340 --> 00:10:42,339
river had seen Washington lies on one

207
00:10:47,430 --> 00:10:44,350
side of the river and Oregon lies on the

208
00:10:50,699 --> 00:10:47,440
other side they both heard the wind and

209
00:10:54,300 --> 00:10:50,709
high-pitched noise and the ball split in

210
00:10:56,220 --> 00:10:54,310
half and went down into the river they

211
00:10:58,590 --> 00:10:56,230
came back up and the two halves went

212
00:11:02,060 --> 00:10:58,600
back together and were gone

213
00:11:05,730 --> 00:11:02,070

they had to believe the two officers I

214

00:11:06,900 --> 00:11:05,740

knew then that I was not crazy the kids

215

00:11:08,490 --> 00:11:06,910

told their dad about

216

00:11:11,250 --> 00:11:08,500

the spaceship that had followed us

217

00:11:13,620 --> 00:11:11,260

everywhere the television station asked

218

00:11:17,520 --> 00:11:13,630

if anyone had any contact or saw these

219

00:11:20,340 --> 00:11:17,530

things to contact them I called and said

220

00:11:22,860 --> 00:11:20,350

so many had called they were going to do

221

00:11:24,750 --> 00:11:22,870

a show on it when I went for the show

222

00:11:29,820 --> 00:11:24,760

there were a lot of people there

223

00:11:33,030 --> 00:11:29,830

the Air Force had men there the man from

224

00:11:35,760 --> 00:11:33,040

the Air Force interviewed us all I told

225

00:11:38,070 --> 00:11:35,770

him would happen he said we could not

226

00:11:41,520 --> 00:11:38,080

tell it to the public because we would

227

00:11:44,310 --> 00:11:41,530

panic the nation I told him I didn't

228

00:11:46,950 --> 00:11:44,320

care because people needed to know then

229

00:11:50,430 --> 00:11:46,960

he showed me a book that said Project

230

00:11:54,140 --> 00:11:50,440

Blue Book on it inside were pictures of

231

00:11:57,300 --> 00:11:54,150

aliens and spacecrafts the real thing

232

00:11:57,840 --> 00:11:57,310

well as you might guess that show never

233

00:12:00,450 --> 00:11:57,850

aired

234

00:12:03,390 --> 00:12:00,460

they threatened everyone in their own

235

00:12:06,500 --> 00:12:03,400

way after that you never heard anything

236

00:12:09,440 --> 00:12:06,510

again about what happened for many years

237

00:12:13,350 --> 00:12:09,450

after when a big wind storm happened I

238

00:12:17,730 --> 00:12:13,360

was terrified whenever I heard a siren

239

00:12:20,220 --> 00:12:17,740

of anything any kind I would get scared

240

00:12:23,190 --> 00:12:20,230

it took a long time to get over it I

241

00:12:26,010 --> 00:12:23,200

have seen a lot over the years but I

242

00:12:29,160 --> 00:12:26,020

just keep it to myself what good does it

243

00:12:31,080 --> 00:12:29,170

do to tell anyone anything anyway that

244

00:12:34,650 --> 00:12:31,090

was a lot of years ago and now people

245

00:12:38,820 --> 00:12:34,660

see a lot and tell about it we all know

246

00:12:41,310 --> 00:12:38,830

they are out there and here and just

247

00:12:44,010 --> 00:12:41,320

waiting until they can peacefully come

248

00:12:45,620 --> 00:12:44,020

and meet with us it won't be that much

249

00:12:48,900 --> 00:12:45,630

longer

250

00:12:52,260 --> 00:12:48,910

Wow I have not heard of such a story

251
00:12:55,200 --> 00:12:52,270
that was amazing and to have the Air

252
00:13:00,330 --> 00:12:55,210
Force show up and threaten them and this

253
00:13:04,230 --> 00:13:00,340
took place March 17th of 1981 out in

254
00:13:07,500 --> 00:13:04,240
Portland Oregon that is amazing I would

255
00:13:10,530 --> 00:13:07,510
love to hear more about this woman's

256
00:13:13,770 --> 00:13:10,540
story I cannot believe that again you

257
00:13:17,450 --> 00:13:13,780
could find the links to this on UFO

258
00:13:21,270 --> 00:13:17,460
headline news and this comes to us from

259
00:13:27,970 --> 00:13:25,150
coming to us from Earth Sky News a

260
00:13:30,850 --> 00:13:27,980
powerful star explosion known as

261
00:13:34,650 --> 00:13:30,860
supernova usually mark the death of

262
00:13:39,160 --> 00:13:34,660
stars but astronomers today November 8th

263
00:13:42,190 --> 00:13:39,170

2017 noted announced a supernova that

264

00:13:45,790 --> 00:13:42,200

exploded multiple times over a period of

265

00:13:48,130 --> 00:13:45,800

more than 50 years it might be the

266

00:13:51,640 --> 00:13:48,140

explosion of a star more massive than

267

00:13:53,920 --> 00:13:51,650

any seen to explode before it might be

268

00:13:57,190 --> 00:13:53,930

an explosion caused by the meeting of

269

00:14:00,460 --> 00:13:57,200

matter and antimatter in a massive stars

270

00:14:03,040 --> 00:14:00,470

core whatever the true explanation the

271

00:14:05,590 --> 00:14:03,050

astronomers said the finding which is

272

00:14:09,160 --> 00:14:05,600

published in the peer-reviewed journal

273

00:14:11,910 --> 00:14:09,170

Nature completely come founds existing

274

00:14:14,910 --> 00:14:11,920

knowledge of a star's end of life the

275

00:14:19,270 --> 00:14:14,920

Palomar transient Factory an

276

00:14:22,690 --> 00:14:19,280

astronomical survey led by Caltech

277

00:14:24,810 --> 00:14:22,700

designed to find transient and variable

278

00:14:28,450 --> 00:14:24,820

sources such as variable stars

279

00:14:31,600 --> 00:14:28,460

supernovae asteroids and comets notice

280

00:14:37,930 --> 00:14:31,610

the supernova in September of 2014

281

00:14:43,329 --> 00:14:37,940

the supernova was designated I P T F 14

282

00:14:47,380 --> 00:14:43,339

h LS analysis of its light indicated it

283

00:14:50,950 --> 00:14:47,390

was what's called a type 2p supernova as

284

00:14:53,530 --> 00:14:50,960

expected the supernova began to fade

285

00:14:56,670 --> 00:14:53,540

again everything about the discovery

286

00:15:00,040 --> 00:14:56,680

seemed normal until a few months later

287

00:15:03,040 --> 00:15:00,050

that's when astronomers with the Las

288

00:15:06,840 --> 00:15:03,050

Cumbres Observatory a worldwide network

289

00:15:07,960 --> 00:15:06,850

of robotic telescopes directed out of

290

00:15:13,420 --> 00:15:07,970

galleta

291

00:15:16,780 --> 00:15:13,430

California notice that IPT f-14 HL s was

292

00:15:21,130 --> 00:15:16,790

growing brighter again their statement

293

00:15:23,050 --> 00:15:21,140

explained a normal supernova rises to

294

00:15:26,470 --> 00:15:23,060

peak brightness and fades over

295

00:15:31,010 --> 00:15:26,480

approximately a hundred days supernovae

296

00:15:34,100 --> 00:15:31,020

IPT f-14 HL s on the other hand

297

00:15:36,020 --> 00:15:34,110

I'm a one-trick pony literally I show up

298

00:15:38,570 --> 00:15:36,030

at kids parties and act cute that's

299

00:15:40,880 --> 00:15:38,580

pretty much it so excuse me for being

300

00:15:42,800 --> 00:15:40,890

bitter when Geico says not only could we

301
00:15:45,560 --> 00:15:42,810
save you money on car insurance but we

302
00:15:47,660 --> 00:15:45,570
do more like give you 24/7 access online

303
00:15:51,050 --> 00:15:47,670
over the phone or even via our

304
00:15:54,890 --> 00:15:51,060
award-winning mobile app well LA aren't

305
00:15:59,060 --> 00:15:54,900
they multi-talented hey I said organic

306
00:16:01,730 --> 00:15:59,070
carrots Geico expect great savings and a

307
00:16:06,620 --> 00:16:01,740
whole lot more grew brighter and dimmer

308
00:16:08,540 --> 00:16:06,630
at least five times over two years then

309
00:16:11,930 --> 00:16:08,550
astronomers went back and looked at

310
00:16:13,940 --> 00:16:11,940
archival data showing this part of the

311
00:16:17,810 --> 00:16:13,950
sky they were astonished to find

312
00:16:21,940 --> 00:16:17,820
evidence of an explosion in 1954 at the

313
00:16:26,690 --> 00:16:21,950

exact same location on the skies dome

314

00:16:29,720 --> 00:16:26,700

apparently IPT f-14 hls had somehow

315

00:16:33,920 --> 00:16:29,730

survived an earlier explosion and

316

00:16:37,250 --> 00:16:33,930

exploded again than 2014 astronomers are

317

00:16:40,310 --> 00:16:37,260

now saying that IPT f-14 HL s might be

318

00:16:43,850 --> 00:16:40,320

an explosion of a star more massive than

319

00:16:47,600 --> 00:16:43,860

any seen to explode before the study led

320

00:16:50,210 --> 00:16:47,610

by astronomer rkv of Las Cumbres

321

00:16:53,360 --> 00:16:50,220

Observatory and the University of

322

00:16:56,480 --> 00:16:53,370

California Santa Barbara calculated that

323

00:16:59,140 --> 00:16:56,490

the star that exploded was at least 50

324

00:17:03,800 --> 00:16:59,150

times more massive than our Sun and

325

00:17:06,500 --> 00:17:03,810

probably much larger the size of this

326

00:17:09,170 --> 00:17:06,510

explosion could be the reason that our

327

00:17:13,070 --> 00:17:09,180

conventional understanding of the death

328

00:17:15,410 --> 00:17:13,080

of stars explained this event or failed

329

00:17:19,370 --> 00:17:15,420

to explain this event according to these

330

00:17:20,990 --> 00:17:19,380

astronomers rkv commented this supernova

331

00:17:24,440 --> 00:17:21,000

breaks everything we thought we knew

332

00:17:27,340 --> 00:17:24,450

about supernova work the last cumbrous

333

00:17:30,530 --> 00:17:27,350

astronomers statement also explained a

334

00:17:35,110 --> 00:17:30,540

possible bizarre mechanism for the

335

00:17:39,170 --> 00:17:35,120

explosion of supernovae IPT F H 14 HL s

336

00:17:44,570 --> 00:17:39,180

supernova IPT F 14 HLS may be the first

337

00:17:47,600 --> 00:17:44,580

example of a pulsation apair instability

338

00:17:50,630 --> 00:17:47,610

supernovae this theory holds that

339

00:17:53,450 --> 00:17:50,640

massive stars become so hot in their

340

00:17:57,380 --> 00:17:53,460

cores that energy is converted into

341

00:17:59,180 --> 00:17:57,390

matter and antimatter this would cause

342

00:18:02,210 --> 00:17:59,190

an explosion that blows off the outer

343

00:18:06,380 --> 00:18:02,220

layers of the star and leaves the core

344

00:18:09,139 --> 00:18:06,390

intact this process can repeat over

345

00:18:15,830 --> 00:18:09,149

decades before the large final explosion

346

00:18:19,430 --> 00:18:15,840

and collapse to a black hole Andy Howell

347

00:18:22,009 --> 00:18:19,440

leader of the Ico supernova group and a

348

00:18:24,320 --> 00:18:22,019

co-author of the study said these

349

00:18:26,600 --> 00:18:24,330

explosions were only expected to be seen

350

00:18:29,120 --> 00:18:26,610

in the early universe and should be

351

00:18:31,970 --> 00:18:29,130

extinct today this is like finding a

352

00:18:33,919 --> 00:18:31,980

dinosaur still alive today if you found

353

00:18:36,830 --> 00:18:33,929

one you would question whether it was

354

00:18:39,889 --> 00:18:36,840

truly a dinosaur but the astronomers

355

00:18:43,370 --> 00:18:39,899

warned this theory can't explain all the

356

00:18:45,190 --> 00:18:43,380

observations and might not after all be

357

00:18:48,649 --> 00:18:45,200

the answer to the riddle of this star

358

00:18:51,919 --> 00:18:48,659

instead they say this supernova might be

359

00:18:53,960 --> 00:18:51,929

something completely new that's why the

360

00:18:58,850 --> 00:18:53,970

supernova group at Las Cumbres

361

00:19:02,299 --> 00:18:58,860

Observatory is still monitoring IPT f-14

362

00:19:04,909 --> 00:19:02,309

his which remains bright three years

363

00:19:09,169 --> 00:19:04,919

after it was discovered bottom line

364

00:19:10,070 --> 00:19:09,179

supernova IPT f-14 HL s discovered in

365

00:19:13,220 --> 00:19:10,080

2014

366

00:19:16,460 --> 00:19:13,230

stayed bright for 600 days then

367

00:19:23,240 --> 00:19:16,470

astronomers found a 1954 explosion in

368

00:19:26,990 --> 00:19:23,250

the same spot in the sky Wow then

369

00:19:30,519 --> 00:19:27,000

finally a look into the paranormal these

370

00:19:33,799 --> 00:19:30,529

stories come to us from thought co.com

371

00:19:37,009 --> 00:19:33,809

you once again can find these all on

372

00:19:40,759 --> 00:19:37,019

inception radio network under UFO

373

00:19:42,850 --> 00:19:40,769

headline news poltergeist haunts this

374

00:19:46,129 --> 00:19:42,860

old Fargo home

375

00:19:48,580 --> 00:19:46,139

after moving in to the old house k

376

00:19:53,419 --> 00:19:48,590

experienced some very disturbing

377

00:19:56,389 --> 00:19:53,429

poltergeist activity she states I bought

378

00:19:58,310 --> 00:19:56,399

an older home in Fargo North Dakota in

379

00:20:00,740 --> 00:19:58,320

the spring of 2002

380

00:20:02,690 --> 00:20:00,750

at first I didn't pay any attention to

381

00:20:05,360 --> 00:20:02,700

the noises and lights flickering because

382

00:20:08,180 --> 00:20:05,370

of its age in the first few weeks I

383

00:20:10,850 --> 00:20:08,190

would see someone run by my window in

384

00:20:13,430 --> 00:20:10,860

the backyard I would run out and try to

385

00:20:17,060 --> 00:20:13,440

catch them but never saw anyone and

386

00:20:20,600 --> 00:20:17,070

wondered how they could run down the

387

00:20:23,690 --> 00:20:20,610

side of the house that fast all I could

388

00:20:27,920 --> 00:20:23,700

see of him was a black shape of a man

389

00:20:30,200 --> 00:20:27,930

from the waist up going by it took some

390

00:20:33,560 --> 00:20:30,210

time before I realized that the guy

391

00:20:37,100 --> 00:20:33,570

would have to have been 10 feet tall to

392

00:20:39,260 --> 00:20:37,110

be seen at the window I'm 5 feet 6

393

00:20:42,770 --> 00:20:39,270

inches tall and the bottom of the window

394

00:20:44,390 --> 00:20:42,780

is a few inches above me I still didn't

395

00:20:47,480 --> 00:20:44,400

think anything of the noises and

396

00:20:51,280 --> 00:20:47,490

flickering lights I was sitting on the

397

00:20:54,650 --> 00:20:51,290

couch and an orb came in from outside

398

00:20:59,210 --> 00:20:54,660

walk the wall in my staircase and into

399

00:21:03,140 --> 00:20:59,220

the other wall the only other time I saw

400

00:21:05,570 --> 00:21:03,150

them was during the day and two orbs one

401
00:21:08,810 --> 00:21:05,580
behind the other egg-shaped and a solid

402
00:21:12,140 --> 00:21:08,820
white went four feet off the ground

403
00:21:15,590 --> 00:21:12,150
across my living room and disappeared

404
00:21:18,980 --> 00:21:15,600
again I was sitting on my couch with my

405
00:21:22,130 --> 00:21:18,990
cat and we both watched them go by my

406
00:21:24,440 --> 00:21:22,140
cat couldn't have care less and they

407
00:21:26,540 --> 00:21:24,450
didn't frighten me either I'm not

408
00:21:29,500 --> 00:21:26,550
looking for odd things to happen so

409
00:21:32,690 --> 00:21:29,510
didn't notice unless it was in my face I

410
00:21:34,310 --> 00:21:32,700
had moved in a dresser and left it at

411
00:21:35,720 --> 00:21:34,320
the bottom of the stairs because I

412
00:21:38,990 --> 00:21:35,730
didn't feel like hauling it up to the

413
00:21:41,780 --> 00:21:39,000

second floor yet that evening I heard a

414

00:21:43,760 --> 00:21:41,790

loud noise in that area and just thought

415

00:21:47,900 --> 00:21:43,770

it was something falling down the stairs

416

00:21:50,120 --> 00:21:47,910

I put stuff on my stairs and would take

417

00:21:53,020 --> 00:21:50,130

it all up at once instead of a bunch of

418

00:21:57,110 --> 00:21:53,030

trips when I went there the next day a

419

00:22:00,860 --> 00:21:57,120

drawer was open and not just a little it

420

00:22:04,730 --> 00:22:00,870

was pulled almost all the way out then I

421

00:22:06,860 --> 00:22:04,740

became frightened during the winter I

422

00:22:09,230 --> 00:22:06,870

put plastic on the windows to keep the

423

00:22:12,500 --> 00:22:09,240

cold out the tape that

424

00:22:15,080 --> 00:22:12,510

used takes the pain off when removed if

425

00:22:18,950 --> 00:22:15,090

you're not careful right in front of me

426

00:22:22,160 --> 00:22:18,960

the plastic was ripped halfway off a

427

00:22:25,070 --> 00:22:22,170

full-sized window for about 15 years

428

00:22:27,620 --> 00:22:25,080

I've had problems with pictures I had

429

00:22:30,200 --> 00:22:27,630

taken with white streaks and light spots

430

00:22:32,810 --> 00:22:30,210

in them I thought it was where I was

431

00:22:34,970 --> 00:22:32,820

getting them developed so I took them to

432

00:22:37,820 --> 00:22:34,980

four different places hoping to correct

433

00:22:40,940 --> 00:22:37,830

the problem I've had three different

434

00:22:43,910 --> 00:22:40,950

cameras over this time and so I knew it

435

00:22:45,620 --> 00:22:43,920

wasn't that I had thrown some away sake

436

00:22:48,140 --> 00:22:45,630

and they were just developed wrong and

437

00:22:50,870 --> 00:22:48,150

now I wished I hadn't I never thought

438

00:22:53,780 --> 00:22:50,880

they were anything paranormal I've

439

00:22:56,240 --> 00:22:53,790

stopped taking pictures now over time

440

00:22:58,190 --> 00:22:56,250

almost everything has stopped but for a

441

00:23:01,390 --> 00:22:58,200

few noises and lights flickering that

442

00:23:05,030 --> 00:23:01,400

I've hardly noticed now it's January

443

00:23:06,980 --> 00:23:05,040

2016 and have had some loud noises my

444

00:23:09,530 --> 00:23:06,990

lights are flickering again and too many

445

00:23:12,830 --> 00:23:09,540

bulbs are going out but it is an old

446

00:23:16,190 --> 00:23:12,840

house what i can't explain is all my

447

00:23:20,210 --> 00:23:16,200

electronics are not working properly my

448

00:23:22,070 --> 00:23:20,220

coffee pot i love started leaking and my

449

00:23:26,960 --> 00:23:22,080

gas stove i used to heat my house

450

00:23:29,150 --> 00:23:26,970

stopped working all in the same week at

451
00:23:32,660 --> 00:23:29,160
a such a haunted place that is so

452
00:23:36,350 --> 00:23:32,670
typical to hear i don't know what

453
00:23:40,220 --> 00:23:36,360
they're thinking oh gosh alright next

454
00:23:40,730 --> 00:23:40,230
one the haunting of laura dogs don't

455
00:23:43,610 --> 00:23:40,740
though

456
00:23:46,220 --> 00:23:43,620
all right traumatic events can sometimes

457
00:23:49,400 --> 00:23:46,230
trigger poltergeist activity but for one

458
00:23:50,180 --> 00:23:49,410
young girl the torment seemed to have no

459
00:23:53,660 --> 00:23:50,190
end

460
00:23:56,090 --> 00:23:53,670
it is currently theorized that

461
00:23:58,580 --> 00:23:56,100
poltergeist activity arises out of the

462
00:24:03,080 --> 00:23:58,590
subconscious of a living person called

463
00:24:05,360 --> 00:24:03,090

an agent this agent very often a young

464

00:24:08,030 --> 00:24:05,370

girl usually is known to be under some

465

00:24:11,000 --> 00:24:08,040

kind of stress whether it is emotional

466

00:24:12,890 --> 00:24:11,010

physical or psychological by some

467

00:24:15,860 --> 00:24:12,900

mechanism that is still unknown as

468

00:24:18,920 --> 00:24:15,870

science and paranormal researchers this

469

00:24:22,910 --> 00:24:18,930

inner stress can manifest as phenomena

470

00:24:25,400 --> 00:24:22,920

outside the agent turmoil inside

471

00:24:28,040 --> 00:24:25,410

the body and mind of the agent becomes a

472

00:24:31,400 --> 00:24:28,050

physical reality in the form of knocks

473

00:24:33,820 --> 00:24:31,410

on the walls lights and other electric

474

00:24:38,270 --> 00:24:33,830

flicking on and off by themselves

475

00:24:40,910 --> 00:24:38,280

objects thrown about and more in the

476

00:24:44,630 --> 00:24:40,920

case of Laura B might very well

477

00:24:47,090 --> 00:24:44,640

qualified as a poltergeist agent as a

478

00:24:49,550 --> 00:24:47,100

young girl she suffered the English of

479

00:24:51,770 --> 00:24:49,560

an alcoholic father who often lashed out

480

00:24:54,080 --> 00:24:51,780

in violent anger it's not surprising

481

00:24:57,410 --> 00:24:54,090

then that Laura was terrified of her

482

00:25:00,170 --> 00:24:57,420

homes basement at night since that is

483

00:25:03,110 --> 00:25:00,180

where her parents bedroom was the creepy

484

00:25:05,480 --> 00:25:03,120

feeling in my basement intensified as

485

00:25:09,290 --> 00:25:05,490

his alcoholism and addictions grew worse

486

00:25:11,720 --> 00:25:09,300

Laura says and I refused to go into my

487

00:25:13,520 --> 00:25:11,730

parents room for any reason there was

488

00:25:17,440 --> 00:25:13,530

always a negative feeling in the room

489

00:25:20,960 --> 00:25:17,450

but I always attributed that to my dad

490

00:25:22,970 --> 00:25:20,970

evil in itself is not paranormal and we

491

00:25:24,790 --> 00:25:22,980

can easily understand why Laura would

492

00:25:27,770 --> 00:25:24,800

get negative feelings from that room

493

00:25:30,830 --> 00:25:27,780

about five years ago however her parents

494

00:25:34,280 --> 00:25:30,840

divorced and that's when the line began

495

00:25:39,380 --> 00:25:34,290

to be crossed into the unexplained when

496

00:25:41,600 --> 00:25:39,390

the poltergeist activity began quote all

497

00:25:44,150 --> 00:25:41,610

of the negative feelings that had been

498

00:25:49,130 --> 00:25:44,160

in my parents room suddenly moved into

499

00:25:51,560 --> 00:25:49,140

my room and intensified Laura says now

500

00:25:54,290 --> 00:25:51,570

on one level this could be understood as

501
00:25:56,240 --> 00:25:54,300
a psychological reaction many children

502
00:25:58,880 --> 00:25:56,250
feel responsible or guilty for their

503
00:26:00,560 --> 00:25:58,890
parents divorces and Laura might have

504
00:26:04,190 --> 00:26:00,570
been transferring the negative feelings

505
00:26:06,320 --> 00:26:04,200
she once had about her parents room her

506
00:26:09,860 --> 00:26:06,330
father and brought them into her own

507
00:26:11,570 --> 00:26:09,870
room her unjustified guilt but now that

508
00:26:14,360 --> 00:26:11,580
she was directing this fear and trauma

509
00:26:18,020 --> 00:26:14,370
inward it began to manifest in outward

510
00:26:20,810 --> 00:26:18,030
phenomena quote I had taken the TV from

511
00:26:23,240 --> 00:26:20,820
downstairs into my room but always had

512
00:26:25,430 --> 00:26:23,250
to sleep with it on or with me facing

513
00:26:28,130 --> 00:26:25,440

the other direction Laura says in

514

00:26:30,620 --> 00:26:28,140

explaining how the phenomena began if I

515

00:26:33,950 --> 00:26:30,630

looked around my room at night I would

516

00:26:36,530 --> 00:26:33,960

always see a tiny red orbs if across my

517

00:26:38,480 --> 00:26:36,540

room I would watch it zoom from

518

00:26:40,940 --> 00:26:38,490

side of the room to the other almost

519

00:26:43,790 --> 00:26:40,950

like the red dot from a laser pointer

520

00:26:47,030 --> 00:26:43,800

shortly after I would see this red light

521

00:26:49,880 --> 00:26:47,040

if I looked at my TV there would be a

522

00:26:53,090 --> 00:26:49,890

small green square flashing at the

523

00:26:55,850 --> 00:26:53,100

center of the screen this square would

524

00:26:59,060 --> 00:26:55,860

get larger with each flash and look like

525

00:27:02,650 --> 00:26:59,070

it was an image but I was way too scared

526

00:27:05,270 --> 00:27:02,660

to look at it the flashing TV sent me

527

00:27:07,790 --> 00:27:05,280

extremely bad vibes and I would always

528

00:27:10,520 --> 00:27:07,800

turn on the lights or the TV afterward

529

00:27:13,880 --> 00:27:10,530

so I wouldn't be in the dark terrible

530

00:27:15,710 --> 00:27:13,890

silent dark if this happened just once

531

00:27:17,840 --> 00:27:15,720

we might dismiss his experience as

532

00:27:21,770 --> 00:27:17,850

hallucination but the phenomena repeated

533

00:27:23,810 --> 00:27:21,780

night after night for Laura quote each

534

00:27:25,700 --> 00:27:23,820

night I would see the screen flash once

535

00:27:28,910 --> 00:27:25,710

and be terrified to even consider

536

00:27:31,280 --> 00:27:28,920

looking at it I realized that the red

537

00:27:34,250 --> 00:27:31,290

light was a sign that the TV would flash

538

00:27:36,560 --> 00:27:34,260

so it always turned on the TV or stay on

539

00:27:38,270 --> 00:27:36,570

my eyes shut when I saw it I got so

540

00:27:40,460 --> 00:27:38,280

scared of the red light and green flash

541

00:27:42,820 --> 00:27:40,470

that I stopped sleeping in my room all

542

00:27:45,080 --> 00:27:42,830

together

543

00:27:47,510 --> 00:27:45,090

fast-forward to a year after Laura's

544

00:27:49,790 --> 00:27:47,520

parents divorce it was the end of the

545

00:27:52,340 --> 00:27:49,800

school year and Laura decided to have a

546

00:27:55,820 --> 00:27:52,350

sleepover party with a few close friends

547

00:27:57,920 --> 00:27:55,830

to celebrate Laura plan for them to

548

00:28:00,190 --> 00:27:57,930

sleep in the living room making the

549

00:28:02,630 --> 00:28:00,200

excuse that her bedroom was too small

550

00:28:05,720 --> 00:28:02,640

quote I had other reasons for saying

551

00:28:08,510 --> 00:28:05,730

that she says one girl was intent on

552

00:28:11,560 --> 00:28:08,520

sneaking into Laura's room however when

553

00:28:15,710 --> 00:28:11,570

she did so Laura had a disturbing vision

554

00:28:19,790 --> 00:28:15,720

quote what I saw made me go cold she

555

00:28:22,490 --> 00:28:19,800

recalls black smog like gunk was oozing

556

00:28:24,860 --> 00:28:22,500

out from the crack under my door into

557

00:28:26,690 --> 00:28:24,870

the hallway it was one of the most

558

00:28:27,670 --> 00:28:26,700

disgusting looking things I have ever

559

00:28:30,290 --> 00:28:27,680

seen

560

00:28:32,060 --> 00:28:30,300

Laura was at our wits end she asked

561

00:28:34,250 --> 00:28:32,070

another trusted friend who happened to

562

00:28:37,160 --> 00:28:34,260

have an interest in the paranormal to

563

00:28:39,050 --> 00:28:37,170

investigate her room she went and came

564

00:28:42,230 --> 00:28:39,060

out a little while later looking

565

00:28:43,910 --> 00:28:42,240

white-faced whatever is in your room is

566

00:28:46,880 --> 00:28:43,920

the most evil thing I have ever

567

00:28:49,760 --> 00:28:46,890

encountered she told Laura it is not

568

00:28:50,570 --> 00:28:49,770

human to be objective we don't know

569

00:28:52,670 --> 00:28:50,580

whether

570

00:28:55,430 --> 00:28:52,680

Laura's friend is a suitable judge of

571

00:28:57,770 --> 00:28:55,440

such matters but she did perhaps feel

572

00:29:00,440 --> 00:28:57,780

the same negativity that Laura was

573

00:29:04,100 --> 00:29:00,450

dealing with Laura believes this was a

574

00:29:06,800 --> 00:29:04,110

turning-point quote after she

575

00:29:09,560 --> 00:29:06,810

investigated my room It was as if all

576
00:29:11,840 --> 00:29:09,570
hell had been unleashed Laura says I

577
00:29:14,750 --> 00:29:11,850
believe that acknowledging the entity

578
00:29:16,730 --> 00:29:14,760
for what it was gave it power the

579
00:29:19,670 --> 00:29:16,740
negative feeling of my room spread to

580
00:29:23,270 --> 00:29:19,680
the entire house and made being there

581
00:29:26,870 --> 00:29:23,280
feel oppressive I no longer felt safe in

582
00:29:28,940 --> 00:29:26,880
my house it all seemed to come to a head

583
00:29:31,390 --> 00:29:28,950
one summer night when Laura and this

584
00:29:34,220 --> 00:29:31,400
friend were in the house alone

585
00:29:36,800 --> 00:29:34,230
even though it was summer my entire

586
00:29:39,230 --> 00:29:36,810
house was cold she says a heavy

587
00:29:42,470 --> 00:29:39,240
malevolent feeling seemed to creep ever

588
00:29:44,990 --> 00:29:42,480

closer to us we were cold so we decided

589

00:29:47,390 --> 00:29:45,000

to make some soup as we were in my

590

00:29:51,290 --> 00:29:47,400

kitchen we heard a scratching noise come

591

00:29:53,210 --> 00:29:51,300

from the inside of the microwave we open

592

00:29:56,480 --> 00:29:53,220

it up to see where it could be coming

593

00:29:58,340 --> 00:29:56,490

from and the noise stopped we couldn't

594

00:30:01,420 --> 00:29:58,350

find the source so we just shut the door

595

00:30:05,000 --> 00:30:01,430

and the scratching started up again

596

00:30:07,340 --> 00:30:05,010

Laura's dog began to act strangely he

597

00:30:10,070 --> 00:30:07,350

would stand look nervously at the TV

598

00:30:12,230 --> 00:30:10,080

whine with discomfort and then sit down

599

00:30:14,540 --> 00:30:12,240

with his ears pinned back submissively

600

00:30:17,450 --> 00:30:14,550

the two girls decided to put on a movie

601
00:30:19,250 --> 00:30:17,460
to calm their escalating fears I was

602
00:30:20,990 --> 00:30:19,260
sitting on my couch with my feet tucked

603
00:30:24,020 --> 00:30:21,000
under me when I felt something cold

604
00:30:27,050 --> 00:30:24,030
thick and pointed brush for my heel to

605
00:30:29,330 --> 00:30:27,060
my arch of my foot it was very

606
00:30:32,180 --> 00:30:29,340
deliberate and the worst sensation I

607
00:30:35,000 --> 00:30:32,190
have ever felt I screamed and jumped up

608
00:30:37,400 --> 00:30:35,010
and my friend and I ran outside to go

609
00:30:39,260 --> 00:30:37,410
into my trampoline and just held each

610
00:30:41,690 --> 00:30:39,270
other in the semi-darkness

611
00:30:44,390 --> 00:30:41,700
I looked toward my room and I could see

612
00:30:47,060 --> 00:30:44,400
a shape in my window even though no one

613
00:30:48,860 --> 00:30:47,070

else was home my dog started to freak

614

00:30:52,160 --> 00:30:48,870

out again and there was a rustling noise

615

00:30:55,760 --> 00:30:52,170

in the grass I saw what looked like a

616

00:30:58,940 --> 00:30:55,770

black cloak being dragged across the

617

00:31:01,310 --> 00:30:58,950

grass the shape circled the trampoline

618

00:31:03,680 --> 00:31:01,320

637
00:31:36,890 --> 00:31:35,400
disturbing activity continued for Lauren

638
00:31:39,410 --> 00:31:36,900

so she got some advice from an online

639

00:31:41,990 --> 00:31:39,420

friend he said he had two guardian

640

00:31:44,810 --> 00:31:42,000

spirits that he would send to me to take

641

00:31:47,720 --> 00:31:44,820

care of the creature one light and one

642

00:31:50,810 --> 00:31:47,730

dark Laura says I was different

643

00:31:52,430 --> 00:31:50,820

desperate for any help so I agreed most

644

00:31:55,250 --> 00:31:52,440

of us probably would not have taken that

645

00:31:56,780 --> 00:31:55,260

solution very seriously she states that

646

00:31:59,630 --> 00:31:56,790

night I stayed up all night watching

647

00:32:03,380 --> 00:31:59,640

three orbs of light fly frantically

648

00:32:05,480 --> 00:32:03,390

around my house she said one was an inky

649

00:32:07,940 --> 00:32:05,490

black color that seemed to lose and drip

650

00:32:10,190 --> 00:32:07,950

the others were a large black ball on a

651

00:32:12,290 --> 00:32:10,200

smaller white ball the white and black

652

00:32:15,560 --> 00:32:12,300

ball were chasing and bumping into the

653

00:32:17,690 --> 00:32:15,570

inky blot as I watched wide-eyed the

654

00:32:20,030 --> 00:32:17,700

black and white spirits forced it out of

655

00:32:25,280 --> 00:32:20,040

my house and for a while I thought

656

00:32:28,580 --> 00:32:25,290

everything would be all right things

657

00:32:30,520 --> 00:32:28,590

would not be all right however Laura

658

00:32:33,620 --> 00:32:30,530

continued to be haunted by menacing

659

00:32:36,110 --> 00:32:33,630

shadows and experienced one particularly

660

00:32:38,360 --> 00:32:36,120

frightening illusion a couple of houses

661

00:32:40,910 --> 00:32:38,370

down the street there is a family that

662

00:32:43,010 --> 00:32:40,920

has a large Rottweiler she says one

663

00:32:44,990 --> 00:32:43,020

night I was walking home when I looked

664

00:32:48,380 --> 00:32:45,000

at that dog it was staring at me with

665

00:32:50,240 --> 00:32:48,390

inky black eyes it also looked like its

666

00:32:53,090 --> 00:32:50,250

jaw had been ripped off and its tongue

667

00:32:54,500 --> 00:32:53,100

was just hanging out of its mouth I ran

668

00:32:56,570 --> 00:32:54,510

to my house and in front of my driveway

669

00:32:59,300 --> 00:32:56,580

was a cat with the same ripped out jaw

670

00:33:01,940 --> 00:32:59,310

but its eyes were normal it was strange

671

00:33:04,640 --> 00:33:01,950

and disturbing but luckily I only saw

672

00:33:06,470 --> 00:33:04,650

that phenomena once today the phenomena

673

00:33:09,170 --> 00:33:06,480

has subsided but Laura admits that her

674

00:33:11,420 --> 00:33:09,180

faith has been shaken by this ordeal I'm

675

00:33:14,090 --> 00:33:11,430

not sure what I believe anymore she says

676

00:33:17,210 --> 00:33:14,100

but all I know for sure is that there is

677

00:33:19,070 --> 00:33:17,220

true evil in this world

678

00:33:21,560 --> 00:33:19,080

people are everywhere I'm telling you

679

00:33:23,570 --> 00:33:21,570
