Supernatural Girlz

Guest: Brandon Massullo

1
00:00:30,730 --> 00:00:28,750
archangels ghosts and Bigfoot oh my it's

2
00:00:33,880 --> 00:00:30,740
just another night for Supernatural

3
00:00:36,280 --> 00:00:33,890
girls real stories real answers to

4
00:00:38,799 --> 00:00:36,290
life's biggest supernatural mysteries

5
00:00:41,530 --> 00:00:38,809
and now for another exciting interview

6
00:00:44,290 --> 00:00:41,540
with Errol experts in this world and

7
00:00:47,319 --> 00:00:44,300
others here's your host paranormal

8
00:00:47,650 --> 00:00:47,329
researcher Patricia Baker on the one the

9
00:01:05,770 --> 00:00:47,660
only

10
00:01:11,090 --> 00:01:08,600
let's radio I am your host

11
00:01:15,260 --> 00:01:11,100
Patricia Baker and I am here with my

12
00:01:17,450 --> 00:01:15,270
co-host all the way from Tucson miss

13
00:01:21,230 --> 00:01:17,460

Patricia Kirkman pique how are you

14

00:01:23,450 --> 00:01:21,240

tonight doing fine doing fine City on

15

00:01:26,090 --> 00:01:23,460

the edge of my chair to see if we're

16

00:01:28,639 --> 00:01:26,100

going to have a visitor or not okay

17

00:01:32,600 --> 00:01:28,649

we're gonna find out we have to talk

18

00:01:36,169 --> 00:01:32,610

about yes we do yeah terrific guests we

19

00:01:40,190 --> 00:01:36,179

have Brandon masuleh coming up who is

20

00:01:42,260 --> 00:01:40,200

the author of The Ghost studies so we

21

00:01:44,029 --> 00:01:42,270

know you may have heard from Brandon

22

00:01:46,040 --> 00:01:44,039

before because it's making the rounds of

23

00:01:47,330 --> 00:01:46,050

all the radio shows but we're gonna take

24

00:01:48,889 --> 00:01:47,340

this in a little bit of a different

25

00:01:51,950 --> 00:01:48,899

direction tonight it's gonna be a lot of

26
00:01:54,109 --> 00:01:51,960
fun so everybody buckle up it's gonna be

27
00:01:56,749 --> 00:01:54,119
a wild ride tonight with Brandon we'll

28
00:01:58,760 --> 00:01:56,759
bring him out in a few minutes and first

29
00:02:00,139 --> 00:01:58,770
we're gonna check in with you PK let's

30
00:02:02,719 --> 00:02:00,149
go down with the numbers what are we up

31
00:02:04,609 --> 00:02:02,729
to this week well I thought firstly

32
00:02:05,839 --> 00:02:04,619
worried a retrograde and there's not

33
00:02:07,339 --> 00:02:05,849
much that we're gonna be able to do

34
00:02:10,190 --> 00:02:07,349
about that we're gonna be in it for

35
00:02:12,410 --> 00:02:10,200
about three weeks signed no contracts

36
00:02:14,059 --> 00:02:12,420
unless you absolutely have to there's

37
00:02:17,390 --> 00:02:14,069
all kinds of things to deal with with

38
00:02:19,610 --> 00:02:17,400

your communications and it's not going

39

00:02:21,320 --> 00:02:19,620

to be fun it's just one of those times

40

00:02:24,170 --> 00:02:21,330

and you just have to kind of deal with

41

00:02:27,680 --> 00:02:24,180

it the retrograde is in effect until the

42

00:02:29,720 --> 00:02:27,690

22nd so no contracts to be signed

43

00:02:31,850 --> 00:02:29,730

watch out traffic is going to be delayed

44

00:02:35,660 --> 00:02:31,860

there's all kinds of things that are

45

00:02:39,050 --> 00:02:35,670

slowing everything down so I think that

46

00:02:41,540 --> 00:02:39,060

breath well yeah except that don't buy

47

00:02:43,270 --> 00:02:41,550

any expensive equipment pay attention to

48

00:02:46,040 --> 00:02:43,280

the fact that nothing's going to work as

49

00:02:48,589 --> 00:02:46,050

normal I need a new car but I'm gonna

50

00:02:50,990 --> 00:02:48,599

put it off oh you have to you I wouldn't

51
00:02:53,420 --> 00:02:51,000
defilade following your advice I'm gonna

52
00:02:55,640 --> 00:02:53,430
put it off and remember that there's a

53
00:02:57,920 --> 00:02:55,650
shadow period that before we go into it

54
00:03:00,020 --> 00:02:57,930
and right after we come out of it so

55
00:03:03,160 --> 00:03:00,030
just be a little ginger with things

56
00:03:07,459 --> 00:03:03,170
until around the first part of January

57
00:03:11,089 --> 00:03:07,469
okay all right easier follow your advice

58
00:03:12,790 --> 00:03:11,099
now you've got some special offers so

59
00:03:16,460 --> 00:03:12,800
let's [h__\h]

60
00:03:17,930 --> 00:03:16,470
well it is also positive okay but yes

61
00:03:20,300 --> 00:03:17,940
hear about it if they're interested in

62
00:03:22,490 --> 00:03:20,310
getting a reading I'm giving them a \$50

63
00:03:24,890 --> 00:03:22,500

discount on a reading between now and

64

00:03:26,180 --> 00:03:24,900

the 16th of the month so if you're

65

00:03:28,730 --> 00:03:26,190

interested in getting a gift certificate

66

00:03:30,430 --> 00:03:28,740

for that special someone that you want

67

00:03:34,100 --> 00:03:30,440

to find out what their world's all about

68

00:03:35,600 --> 00:03:34,110

give me a call or send me an email and

69

00:03:38,120 --> 00:03:35,610

we'll get it taken care of for you

70

00:03:39,940 --> 00:03:38,130

all right with the yep so the other

71

00:03:44,030 --> 00:03:39,950

thing that we're talking about is gifts

72

00:03:44,300 --> 00:03:44,040

yeah the numbers yes oh boy oh boy oh

73

00:03:46,130 --> 00:03:44,310

boy

74

00:03:48,800 --> 00:03:46,140

because take a look at a person's

75

00:03:51,620 --> 00:03:48,810

birthday if it's the 11th it's a two if

76

00:03:53,800 --> 00:03:51,630

it's a thirteenth its a four so whatever

77

00:03:57,110 --> 00:03:53,810

the date is I my web page you'll find

78

00:04:00,020 --> 00:03:57,120

gifts that are appropriate but if a

79

00:04:02,150 --> 00:04:00,030

person's birthday totals a one they're

80

00:04:04,280 --> 00:04:02,160

looking for more unique gifts they like

81

00:04:06,890 --> 00:04:04,290

special things or gains or gifts that

82

00:04:09,110 --> 00:04:06,900

are that can be played with um kind of

83

00:04:11,600 --> 00:04:09,120

make you feel good top of the top of the

84

00:04:13,640 --> 00:04:11,610

line type gifts if a person is a two

85

00:04:16,070 --> 00:04:13,650

they like gifts that are very

86

00:04:18,080 --> 00:04:16,080

sentimental or loving and like a bottle

87

00:04:21,770 --> 00:04:18,090

of wine favorite lookers something like

88

00:04:24,590 --> 00:04:21,780

that if it's a three there one are you

89

00:04:27,320 --> 00:04:24,600

social so give them things that I call

90

00:04:29,210 --> 00:04:27,330

it fluff stuff things that are just make

91

00:04:31,160 --> 00:04:29,220

them feel good a lot of things that are

92

00:04:34,010 --> 00:04:31,170

trendy or like perfume or things like

93

00:04:36,350 --> 00:04:34,020

that if it's a four they're very

94

00:04:37,790 --> 00:04:36,360

practical very down-to-earth get him

95

00:04:41,570 --> 00:04:37,800

something for the garden or some tools

96

00:04:44,330 --> 00:04:41,580

or some self-help type things and if

97

00:04:46,190 --> 00:04:44,340

it's a five well they like adventure so

98

00:04:48,590 --> 00:04:46,200

anything to do with travel or feelings

99

00:04:50,690 --> 00:04:48,600

that make him feel good or that deals

100

00:04:54,410 --> 00:04:50,700

with the sensual side as well they'll

101
00:04:58,310 --> 00:04:54,420
like nice okay so this is on your

102
00:04:59,660 --> 00:04:58,320
website which is calm so I just want to

103
00:05:01,280 --> 00:04:59,670
tell everybody that's the website you

104
00:05:03,230 --> 00:05:01,290
can go to go ahead and say now number

105
00:05:05,660 --> 00:05:03,240
six if you're a number six what you want

106
00:05:08,630 --> 00:05:05,670
oh what the sixth thing they like things

107
00:05:09,380 --> 00:05:08,640
that are homey then taken to a spa take

108
00:05:11,480 --> 00:05:09,390
them to dinner

109
00:05:13,480 --> 00:05:11,490
something to do with interior decorating

110
00:05:15,920 --> 00:05:13,490
they love things like that

111
00:05:18,620 --> 00:05:15,930
alright the cozy lifestyle getting some

112
00:05:19,850 --> 00:05:18,630
hot chocolates that's good if it's a

113
00:05:21,590 --> 00:05:19,860

seven the gifts they like our

114

00:05:23,630 --> 00:05:21,600

educational they love knowledge they

115

00:05:25,340 --> 00:05:23,640

adore books they want to learn more

116

00:05:26,150 --> 00:05:25,350

about the spiritual side as well and a

117

00:05:29,720 --> 00:05:26,160

gift certificate

118

00:05:32,960 --> 00:05:29,730

works great for them and they like gifts

119

00:05:35,030 --> 00:05:32,970

that are expensive they like good gifts

120

00:05:37,790 --> 00:05:35,040

that you can add or like a little bling

121

00:05:39,140 --> 00:05:37,800

happy jewelry that wants to just jump on

122

00:05:41,690 --> 00:05:39,150

their wrist or on their fingers

123

00:05:44,470 --> 00:05:41,700

nice ice listener just show them that

124

00:05:46,850 --> 00:05:44,480

where the money comes from but at night

125

00:05:49,370 --> 00:05:46,860

they got like gifts that are very

126

00:05:50,900 --> 00:05:49,380

sensitive and that show you care they're

127

00:05:55,070 --> 00:05:50,910

the ones that are more artistic they

128

00:05:57,380 --> 00:05:55,080

like things that are Oh artistic it

129

00:05:59,150 --> 00:05:57,390

always but you could also help out their

130

00:06:01,460 --> 00:05:59,160

favorite charity and let them know that

131

00:06:04,610 --> 00:06:01,470

the donation was made in their name they

132

00:06:07,040 --> 00:06:04,620

would love that oh nice very nice so

133

00:06:09,890 --> 00:06:07,050

just a little quick fix just yeah you

134

00:06:11,930 --> 00:06:09,900

can again go to Patricia Kirkman comm to

135

00:06:13,850 --> 00:06:11,940

get all the details on how to get your

136

00:06:16,190 --> 00:06:13,860

friends and family the best possible

137

00:06:17,780 --> 00:06:16,200

gifts with them and again don't forget

138

00:06:19,820 --> 00:06:17,790

to get a reading because this has been a

139

00:06:20,960 --> 00:06:19,830

wild ride this year has it not and so

140

00:06:23,540 --> 00:06:20,970

you want to know what's coming up next

141

00:06:25,850 --> 00:06:23,550

year and that's one of the best ways to

142

00:06:28,820 --> 00:06:25,860

do it is to have PK do a reading for you

143

00:06:32,140 --> 00:06:28,830

so Patricia Kirkman comm go take a look

144

00:06:34,820 --> 00:06:32,150

and sign up for that special gift offer

145

00:06:37,310 --> 00:06:34,830

and you'll be very happy with what has

146

00:06:40,880 --> 00:06:37,320

they should also talk to you about the

147

00:06:42,890 --> 00:06:40,890

readings that you do oh I'm gonna put a

148

00:06:45,320 --> 00:06:42,900

special offer together and follow you

149

00:06:47,420 --> 00:06:45,330

that'll be up on our Facebook page and

150

00:06:49,820 --> 00:06:47,430

on our website supernatural girls we

151
00:06:50,870 --> 00:06:49,830
comm make sure you go to our Facebook

152
00:06:53,110 --> 00:06:50,880
page

153
00:06:55,460 --> 00:06:53,120
because again we have tremendous

154
00:06:58,490 --> 00:06:55,470
paranormal stories this week I mean just

155
00:07:00,230 --> 00:06:58,500
one after another from the crazy booms

156
00:07:03,380 --> 00:07:00,240
in the sky that nobody has an

157
00:07:06,380 --> 00:07:03,390
explanation for two more UFO sightings

158
00:07:08,480 --> 00:07:06,390
and unusual cases it's just been a

159
00:07:09,890 --> 00:07:08,490
plethora of stuff coming out more and

160
00:07:11,450 --> 00:07:09,900
more and more we gotta love these

161
00:07:14,300 --> 00:07:11,460
cellphones because people can actually

162
00:07:16,850 --> 00:07:14,310
take down and post the things they're

163
00:07:18,740 --> 00:07:16,860

seeing it's wonderful you can't deny

164

00:07:20,510 --> 00:07:18,750

things anymore when it's right there a

165

00:07:22,490 --> 00:07:20,520

black and white that's right and it's

166

00:07:24,920 --> 00:07:22,500

not photoshopped it's the real deal so

167

00:07:26,210 --> 00:07:24,930

we've got it on our website but there is

168

00:07:28,220 --> 00:07:26,220

one thing I wanted to share with

169

00:07:30,770 --> 00:07:28,230

everybody because I want some input from

170

00:07:33,110 --> 00:07:30,780

our audience as you know we have the

171

00:07:36,140 --> 00:07:33,120

smartest audience in paranormal radio

172

00:07:39,719 --> 00:07:36,150

and here's what happened our dear friend

173

00:07:42,719 --> 00:07:39,729

Bob Lucca who is a

174

00:07:45,329 --> 00:07:42,729

tea and he's also the husband of betty

175

00:07:47,579 --> 00:07:45,339

andreas in lucca the Andreassen affair

176
00:07:51,540 --> 00:07:47,589
was one of the most highly documented

177
00:07:53,459 --> 00:07:51,550
UFO cases in history and that book is

178
00:07:56,100 --> 00:07:53,469
reprinted and that's for sale now also

179
00:07:58,350 --> 00:07:56,110
they have a new book out called lifting

180
00:08:00,420 --> 00:07:58,360
of the veil so take a look at both of

181
00:08:02,369 --> 00:08:00,430
those for Christmas gifts for your

182
00:08:02,959 --> 00:08:02,379
friends and family but here's what

183
00:08:07,290 --> 00:08:02,969
happened

184
00:08:11,459 --> 00:08:07,300
Bob posted on his Facebook page a letter

185
00:08:15,480 --> 00:08:11,469
that he received in 1983 from the White

186
00:08:18,709 --> 00:08:15,490
House and we posted it on our page - and

187
00:08:23,129 --> 00:08:18,719
here's what it said dear mr. Lucca

188
00:08:24,809 --> 00:08:23,139

behalf of the president who is Reagan at

189

00:08:26,790 --> 00:08:24,819

the time I wish to thank you for your

190

00:08:29,730 --> 00:08:26,800

message as the president to meet you and

191

00:08:31,920 --> 00:08:29,740

mr. Larry Fawcett now Larry Fawcett was

192

00:08:34,259 --> 00:08:31,930

a police officer who investigated UFO

193

00:08:35,459 --> 00:08:34,269

cases also while the President desires

194

00:08:37,620 --> 00:08:35,469

to meet and talk with friends and

195

00:08:39,810 --> 00:08:37,630

supporters whenever possible I am sure

196

00:08:41,610 --> 00:08:39,820

that you will understand that there are

197

00:08:43,920 --> 00:08:41,620

so many requests of this type that we

198

00:08:46,170 --> 00:08:43,930

cannot schedule these visits as often as

199

00:08:48,540 --> 00:08:46,180

he would like nonetheless please know

200

00:08:51,240 --> 00:08:48,550

that your interest is most appreciated

201
00:08:53,160 --> 00:08:51,250
and it's signed by Frederick J Ryan jr.

202
00:08:56,970 --> 00:08:53,170
who is the director of presidential

203
00:08:58,889 --> 00:08:56,980
appointments and scheduling and what Bob

204
00:09:03,960 --> 00:08:58,899
and Larry wanted to discuss obviously

205
00:09:06,509 --> 00:09:03,970
was the UFO situation so what happened

206
00:09:08,160 --> 00:09:06,519
was Bob posted this and explained a

207
00:09:12,569 --> 00:09:08,170
little bit about the letter and the

208
00:09:13,340 --> 00:09:12,579
reason that he got this letter and then

209
00:09:17,280 --> 00:09:13,350
guess what

210
00:09:20,900 --> 00:09:17,290
all of a sudden FB takes it off now why

211
00:09:23,970 --> 00:09:20,910
was there anything inflammatory there no

212
00:09:26,189 --> 00:09:23,980
but all of a sudden the post was removed

213
00:09:28,319 --> 00:09:26,199

from our page from his page and from a

214

00:09:31,530 --> 00:09:28,329

whole bunch of other pages it was insane

215

00:09:34,559 --> 00:09:31,540

so I would love to know from our

216

00:09:36,059 --> 00:09:34,569

audience who was so very smart why do

217

00:09:38,309 --> 00:09:36,069

you think this was removed

218

00:09:40,500 --> 00:09:38,319

so here's Bob's comments on it he said I

219

00:09:42,420 --> 00:09:40,510

posted this this morning and in a short

220

00:09:45,120 --> 00:09:42,430

time it was taken off for some reason

221

00:09:47,309 --> 00:09:45,130

I stated this after my wife and I

222

00:09:50,009 --> 00:09:47,319

interviewed Larry Warren in 1982

223

00:09:52,410 --> 00:09:50,019

regarding the RFI landing we went

224

00:09:53,280 --> 00:09:52,420

looking to government for answers as you

225

00:09:54,629 --> 00:09:53,290

can see

226

00:09:57,300 --> 00:09:54,639

they were not about to give us the

227

00:10:00,600 --> 00:09:57,310

satisfaction of even talking to us as a

228

00:10:04,740 --> 00:10:00,610

PS we had also tried to talk to CIA FBI

229

00:10:07,740 --> 00:10:04,750

NASA NASA etc all of the same results

230

00:10:09,120 --> 00:10:07,750

please share this so that's what

231

00:10:11,400 --> 00:10:09,130

happened we'd love to know what your

232

00:10:13,530 --> 00:10:11,410

thoughts are on why Facebook would have

233

00:10:15,360 --> 00:10:13,540

felt the need to remove this but in the

234

00:10:26,490 --> 00:10:15,370

meantime we've reposted it so please

235

00:10:27,569 --> 00:10:26,500

share it yeah so anyway so that's

236

00:10:29,370 --> 00:10:27,579

something I wanted to share with

237

00:10:31,800 --> 00:10:29,380

everybody tonight get your insight

238

00:10:34,439 --> 00:10:31,810

please go to our Facebook page and share

239

00:10:36,809 --> 00:10:34,449

that post from Bob Lucca

240

00:10:38,670 --> 00:10:36,819

let's see what we can find out about why

241

00:10:41,160 --> 00:10:38,680

Facebook wanted to take that off makes

242

00:10:44,189 --> 00:10:41,170

no sense to me at all but that's what

243

00:10:46,889 --> 00:10:44,199

happened so let's bring our guests on

244

00:10:50,189 --> 00:10:46,899

we've got a fun guest tonight this I do

245

00:10:52,499 --> 00:10:50,199

he's so sharp he's looking into the Gulf

246

00:10:55,620 --> 00:10:52,509

issue of ghosts in a new way

247

00:10:57,840 --> 00:10:55,630

so that's why we had to have a mine this

248

00:11:01,019 --> 00:10:57,850

is an amazing amount of research that

249

00:11:03,360 --> 00:11:01,029

he's done and he is a clinical therapist

250

00:11:05,280 --> 00:11:03,370

how about that and a pair of

251
00:11:08,490 --> 00:11:05,290
psychologists residing in Medina Ohio

252
00:11:10,470 --> 00:11:08,500
and he is fascinated by paranormal

253
00:11:13,410 --> 00:11:10,480
phenomena he's been involved with it for

254
00:11:16,110 --> 00:11:13,420
more than 20 years and he's been a

255
00:11:20,910 --> 00:11:16,120
participant in and a featured speaker at

256
00:11:23,069 --> 00:11:20,920
numerous paranormal forums and events so

257
00:11:25,620 --> 00:11:23,079
we we got to find out what he thinks

258
00:11:27,420 --> 00:11:25,630
about all this stuff are we all crazy or

259
00:11:29,699 --> 00:11:27,430
is this for real the ghost studies is

260
00:11:32,490 --> 00:11:29,709
the name of the book it's right here by

261
00:11:33,930 --> 00:11:32,500
Brandon muscle Oh Brandon welcome to the

262
00:11:35,280 --> 00:11:33,940
show hi

263
00:11:37,800 --> 00:11:35,290

thanks for having me it's great to be

264

00:11:40,199 --> 00:11:37,810

here hey it's a pleasure having you on

265

00:11:44,819 --> 00:11:40,209

you are trying to crack the code here of

266

00:11:46,620 --> 00:11:44,829

ghosts and we survived yes because we

267

00:11:48,210 --> 00:11:46,630

think all this stuff is normal we don't

268

00:11:50,220 --> 00:11:48,220

know why people think it isn't but

269

00:11:53,309 --> 00:11:50,230

that's okay I know you're going to

270

00:11:56,040 --> 00:11:53,319

explain to us things that we may have

271

00:11:57,660 --> 00:11:56,050

not heard of before so how did you get

272

00:12:00,629 --> 00:11:57,670

involved with this I mean you're an

273

00:12:04,110 --> 00:12:00,639

actual clinical therapist so what drove

274

00:12:05,610 --> 00:12:04,120

you to look into the paranormal um well

275

00:12:06,400 --> 00:12:05,620

I mean it started when I was a teenager

276

00:12:08,980 --> 00:12:06,410

actually

277

00:12:11,800 --> 00:12:08,990

I am I was sleeping over a friend's

278

00:12:14,290 --> 00:12:11,810

house I think I was 14 13 something like

279

00:12:15,759 --> 00:12:14,300

that and one of my other friends come

280

00:12:20,050 --> 00:12:15,769

running in the room saying he just saw a

281

00:12:22,509 --> 00:12:20,060

ghost and I didn't see it and he was

282

00:12:23,980 --> 00:12:22,519

really scared and he started asking me

283

00:12:26,379 --> 00:12:23,990

what do you think ghosts are real what

284

00:12:28,389 --> 00:12:26,389

are ghosts probably thirty other

285

00:12:31,480 --> 00:12:28,399

questions and I remember just kind of

286

00:12:33,460 --> 00:12:31,490

staring at him and thinking I don't know

287

00:12:36,280 --> 00:12:33,470

I have no idea because I never really

288

00:12:37,780 --> 00:12:36,290

thought about it before so then I went

289

00:12:39,999 --> 00:12:37,790

to the library picked up a book on

290

00:12:41,740 --> 00:12:40,009

parapsychology read through that in a

291

00:12:43,600 --> 00:12:41,750

day or two picked up another book at the

292

00:12:45,400 --> 00:12:43,610

library kept going and going and going

293

00:12:48,220 --> 00:12:45,410

so I read every book there was on

294

00:12:50,379 --> 00:12:48,230

parapsychology and then the next thing

295

00:12:52,600 --> 00:12:50,389

you know I'm studying psychology at the

296

00:12:55,150 --> 00:12:52,610

University of Toledo and I and I

297

00:12:56,470 --> 00:12:55,160

remember and I've told this story before

298

00:12:58,179 --> 00:12:56,480

I remember going up to one of the

299

00:13:00,429 --> 00:12:58,189

professors at the University of Toledo

300

00:13:02,559 --> 00:13:00,439

and saying you know I'm really

301
00:13:04,059 --> 00:13:02,569
interested in parapsychology I'd like to

302
00:13:09,210 --> 00:13:04,069
get into that and I remember him just

303
00:13:19,179 --> 00:13:16,600
never be able to support all those

304
00:13:22,360 --> 00:13:19,189
combined really he was kind of like well

305
00:13:23,530 --> 00:13:22,370
you know there's there's not it's not I

306
00:13:25,210 --> 00:13:23,540
don't leave he didn't really say it

307
00:13:26,829 --> 00:13:25,220
wasn't respected but he said that

308
00:13:29,559 --> 00:13:26,839
there's there's not a lot of people in

309
00:13:33,490 --> 00:13:29,569
the states that do parapsychology you're

310
00:13:34,990 --> 00:13:33,500
lucky to get a job in it again you know

311
00:13:39,280 --> 00:13:35,000
you're better off getting a degree and

312
00:13:41,110 --> 00:13:39,290
and something more practical so you know

313
00:13:42,840 --> 00:13:41,120

I kind of took his advice cuz he was you

314

00:13:45,759 --> 00:13:42,850

know he's a professor so you know I'm a

315

00:13:47,650 --> 00:13:45,769

19 year old kid talking about ghosts and

316

00:13:50,110 --> 00:13:47,660

parapsychology and this is a you know

317

00:13:53,439 --> 00:13:50,120

forty some year old professor who's you

318

00:13:56,019 --> 00:13:53,449

know got all kinds of research in all

319

00:13:57,670 --> 00:13:56,029

the journals so I was like oh okay so I

320

00:14:00,280 --> 00:13:57,680

did the clinical counseling thing for a

321

00:14:03,040 --> 00:14:00,290

couple years and did private practice

322

00:14:04,389 --> 00:14:03,050

hospitals substance abuse places and

323

00:14:06,249 --> 00:14:04,399

then I was like you know what I really

324

00:14:08,980 --> 00:14:06,259

want to do this parapsychology thing so

325

00:14:09,970 --> 00:14:08,990

then I applied and got accepted to the

326

00:14:12,340 --> 00:14:09,980

University of Edinburgh in Scotland

327

00:14:13,990 --> 00:14:12,350

where I studied psychological research

328

00:14:16,299 --> 00:14:14,000

methods and I specialized in

329

00:14:20,079 --> 00:14:16,309

parapsychology and that's when I did my

330

00:14:22,030 --> 00:14:20,089

research at haunted location my my

331

00:14:24,429 --> 00:14:22,040

certain supervisor was dr. Caroline

332

00:14:26,590 --> 00:14:24,439

white who is the head of the Koestler

333

00:14:28,119 --> 00:14:26,600

parapsychology unit and probably one of

334

00:14:29,980 --> 00:14:28,129

the most famous pair of psychologists in

335

00:14:31,150 --> 00:14:29,990

the world and that's really what started

336

00:14:33,280 --> 00:14:31,160

I didn't have a I didn't have a cool

337

00:14:35,019 --> 00:14:33,290

experience when I was young I don't have

338

00:14:36,400 --> 00:14:35,029

a cool story like most people do I just

339

00:14:38,739 --> 00:14:36,410

picked up a book because I was really

340

00:14:40,960 --> 00:14:38,749

kind of curious and then you know fast

341

00:14:42,340 --> 00:14:40,970

forward 20 years and now I got a book

342

00:14:44,170 --> 00:14:42,350

called to go studies you know I would

343

00:14:46,150 --> 00:14:44,180

never thought anything like that would

344

00:14:46,809 --> 00:14:46,160

have happened congratulations that's

345

00:14:49,629 --> 00:14:46,819

great

346

00:14:52,840 --> 00:14:49,639

did you did you find a people in

347

00:14:55,629 --> 00:14:52,850

Scotland we're more open to this yes yes

348

00:14:57,340 --> 00:14:55,639

a lot more open everywhere you go in

349

00:14:59,860 --> 00:14:57,350

Scotland whether you're you're going to

350

00:15:02,949 --> 00:14:59,870

get a sandwich or you're going to you

351

00:15:05,350 --> 00:15:02,959

know the store to buy a shirt everyone

352

00:15:07,210 --> 00:15:05,360

will wants to tell you how their place

353

00:15:12,610 --> 00:15:07,220

is haunted you know everything is

354

00:15:15,460 --> 00:15:12,620

haunted in Scotland I mean you know fun

355

00:15:17,920 --> 00:15:15,470

yeah everyone's got a story and everyone

356

00:15:19,840 --> 00:15:17,930

really wants to you know talk about

357

00:15:22,210 --> 00:15:19,850

theories and and everything like that

358

00:15:23,799 --> 00:15:22,220

and I could macadamias a lot more open

359

00:15:24,999 --> 00:15:23,809

over there too because there's a lot of

360

00:15:26,710 --> 00:15:25,009

universities that have pair of

361

00:15:28,749 --> 00:15:26,720

psychologists and pair of psychology

362

00:15:30,309 --> 00:15:28,759

departments as opposed to the states

363

00:15:32,710 --> 00:15:30,319

where there's not really that too much

364

00:15:34,840 --> 00:15:32,720

at least in colleges there's not there's

365

00:15:36,549 --> 00:15:34,850

not too many parapsychology course as a

366

00:15:39,429 --> 00:15:36,559

matter of fact I can't think of any so

367

00:15:43,299 --> 00:15:39,439

the people are more open academia is

368

00:15:46,269 --> 00:15:43,309

more open to it you know it's just a

369

00:15:47,949 --> 00:15:46,279

different environment and I don't know

370

00:15:50,889 --> 00:15:47,959

what people ask me why that is I don't

371

00:15:53,169 --> 00:15:50,899

know you know I know if you anyone who's

372

00:15:55,989 --> 00:15:53,179

ever been to the United Kingdom knows

373

00:15:57,970 --> 00:15:55,999

that everything is old over there like

374

00:16:00,879 --> 00:15:57,980

university of n borough was founded in

375

00:16:01,629 --> 00:16:00,889

or I think founded in like 1576 like

376

00:16:06,009 --> 00:16:01,639

Darwin

377

00:16:07,989 --> 00:16:06,019

Edinburgh so you know the states where

378

00:16:09,730 --> 00:16:07,999

our history is really only you know 200

379

00:16:12,519 --> 00:16:09,740

some years old so we don't have all

380

00:16:14,410 --> 00:16:12,529

those stories and all the castles and

381

00:16:15,850 --> 00:16:14,420

all that stuff so you know I think maybe

382

00:16:18,879 --> 00:16:15,860

that's the plays a little bit of a role

383

00:16:22,989 --> 00:16:18,889

in it too yeah exactly

384

00:16:26,619 --> 00:16:22,999

so now you've taken on a fascinating

385

00:16:28,449 --> 00:16:26,629

subject which we love which is ghosts

386

00:16:32,949 --> 00:16:28,459

and you we're answering some questions

387

00:16:33,850 --> 00:16:32,959

in your book about why some people see

388

00:16:36,730 --> 00:16:33,860

ghosts and

389

00:16:39,550 --> 00:16:36,740

why some people do not so I know you've

390

00:16:41,949 --> 00:16:39,560

come to your own conclusions about this

391

00:16:44,019 --> 00:16:41,959

and please enlighten us what do you

392

00:16:46,590 --> 00:16:44,029

think causes some people to see them and

393

00:16:50,590 --> 00:16:46,600

have experiences and not others

394

00:16:52,810 --> 00:16:50,600

well you know I wanted the research that

395

00:16:54,690 --> 00:16:52,820

I did overseas at the University of

396

00:16:56,889 --> 00:16:54,700

Edinburgh was on a thing called

397

00:17:00,400 --> 00:16:56,899

environmental sensitivity and paranormal

398

00:17:02,590 --> 00:17:00,410

experiences so I really believe that

399

00:17:04,329 --> 00:17:02,600

people who are classified as

400

00:17:09,549 --> 00:17:04,339

environmentally sensitive are more prone

401
00:17:11,289 --> 00:17:09,559
to have ghostly encounters so let me

402
00:17:14,409 --> 00:17:11,299
just first just kind of explain what

403
00:17:15,970 --> 00:17:14,419
environmental sensitivity is yes yeah

404
00:17:19,439 --> 00:17:15,980
because I think things can get a little

405
00:17:22,990 --> 00:17:19,449
confusing with the word sensitivity but

406
00:17:24,610 --> 00:17:23,000
basically it's sort of an increased it

407
00:17:27,039 --> 00:17:24,620
has nothing to do with psychic abilities

408
00:17:28,780 --> 00:17:27,049
but rather something pretty simple and

409
00:17:32,500 --> 00:17:28,790
concrete such as sort of the ability to

410
00:17:34,630 --> 00:17:32,510
taste touch and smell so environmental

411
00:17:37,330 --> 00:17:34,640
sensitivity is not psychic sensitivity

412
00:17:40,270 --> 00:17:37,340
those those who claim to be psychic or

413
00:17:41,560 --> 00:17:40,280

obviously like you know they could

414

00:17:44,280 --> 00:17:41,570

communicate with the deceased

415

00:17:46,270 --> 00:17:44,290

chip coffee Sylvia Browne John Edwards

416

00:17:47,590 --> 00:17:46,280

environmental sensitivity that these

417

00:17:48,909 --> 00:17:47,600

people are just affected by the

418

00:17:52,150 --> 00:17:48,919

surrounding environment to a higher

419

00:17:54,400 --> 00:17:52,160

degree than the normal population so we

420

00:17:56,530 --> 00:17:54,410

all and you got everyone here could

421

00:17:59,230 --> 00:17:56,540

really attest to it we all are affected

422

00:18:00,789 --> 00:17:59,240

by the environment differently my my

423

00:18:02,890 --> 00:18:00,799

experiences in the world are different

424

00:18:03,310 --> 00:18:02,900

than PKS and Patricia's experiences in

425

00:18:06,130 --> 00:18:03,320

the world

426

00:18:08,260 --> 00:18:06,140

I smell things differently I see colors

427

00:18:11,380 --> 00:18:08,270

differently I experience the environment

428

00:18:13,150 --> 00:18:11,390

differently there's some individuals who

429

00:18:17,320 --> 00:18:13,160

are more than others than the general

430

00:18:19,870 --> 00:18:17,330

population that just are more attuned to

431

00:18:22,900 --> 00:18:19,880

the environment than everyone else they

432

00:18:24,909 --> 00:18:22,910

taste foods better if you want to say it

433

00:18:29,110 --> 00:18:24,919

like that super tasters sometimes

434

00:18:31,390 --> 00:18:29,120

they're called you know the smells can

435

00:18:34,990 --> 00:18:31,400

be overwhelming to them like fragrances

436

00:18:38,320 --> 00:18:35,000

can cause rashes fibromyalgia they tend

437

00:18:40,000 --> 00:18:38,330

to have migraines so what research

438

00:18:41,530 --> 00:18:40,010

really points is that these people who

439

00:18:43,750 --> 00:18:41,540

are really sensitive to the environment

440

00:18:45,820 --> 00:18:43,760

and environmental stimuli have way way

441

00:18:47,510 --> 00:18:45,830

way way way way more paranormal

442

00:18:51,530 --> 00:18:47,520

experiences than the general pype

443

00:18:53,090 --> 00:18:51,540

and I think those who were sent

444

00:18:53,900 --> 00:18:53,100

environmentally-sensitive seventy

445

00:18:55,520 --> 00:18:53,910

percent of those who

446

00:18:57,919 --> 00:18:55,530

environmentally-sensitive have

447

00:19:02,090 --> 00:18:57,929

paranormal experiences which is a pretty

448

00:19:03,919 --> 00:19:02,100

big number so my thoughts were well you

449

00:19:06,590 --> 00:19:03,929

know why are they having more paranormal

450

00:19:08,660 --> 00:19:06,600

experiences than everybody else and you

451
00:19:11,960 --> 00:19:08,670
know I don't really have a definitive

452
00:19:14,630 --> 00:19:11,970
fact answer for that I think that it

453
00:19:16,400 --> 00:19:14,640
more has to do with if they're more

454
00:19:20,299 --> 00:19:16,410
sensitive to the sensitive to the

455
00:19:23,810 --> 00:19:20,309
environment and you know ghosts or

456
00:19:26,060 --> 00:19:23,820
apparitions or ghostly encounters have

457
00:19:27,860 --> 00:19:26,070
to do with sort of the environment maybe

458
00:19:29,120 --> 00:19:27,870
those who are more sensitive to it can

459
00:19:30,470 --> 00:19:29,130
pick up on these things in the

460
00:19:34,760 --> 00:19:30,480
environment better than everybody else

461
00:19:37,130 --> 00:19:34,770
which makes them more prone mm-hmm so it

462
00:19:41,090 --> 00:19:37,140
makes it a little easier for them as

463
00:19:42,919 --> 00:19:41,100

opposed to others but what about then

464

00:19:45,020 --> 00:19:42,929

the emotional component because you also

465

00:19:47,630 --> 00:19:45,030

get into that in your book how does that

466

00:19:52,010 --> 00:19:47,640

fit in well you know emotions have been

467

00:19:53,900 --> 00:19:52,020

linked with paranormal experiences gosh

468

00:19:56,419 --> 00:19:53,910

since the 1800s

469

00:20:00,440 --> 00:19:56,429

you know crisis apparitions deathbed

470

00:20:02,240 --> 00:20:00,450

apparitions they tend to happen when so

471

00:20:04,010 --> 00:20:02,250

crisis apparitions are like if you're if

472

00:20:06,740 --> 00:20:04,020

you're sitting at home on a Wednesday

473

00:20:09,530 --> 00:20:06,750

night and you know you're ready to go to

474

00:20:11,750 --> 00:20:09,540

bed and then you know you're your son

475

00:20:14,060 --> 00:20:11,760

pops up in the corner or your Sun pops

476
00:20:16,880 --> 00:20:14,070
up in the room and he's you know covered

477
00:20:19,310 --> 00:20:16,890
and he's drenched in water and he's got

478
00:20:21,950 --> 00:20:19,320
a cut on his head and he says I love you

479
00:20:24,560 --> 00:20:21,960
mom and then you find out the next day

480
00:20:27,200 --> 00:20:24,570
that he had slipped off a bridge hit his

481
00:20:29,810 --> 00:20:27,210
head and drowned in the river right so

482
00:20:31,460 --> 00:20:29,820
you know it's kind of like this happened

483
00:20:34,310 --> 00:20:31,470
at the same time you were having this

484
00:20:37,100 --> 00:20:34,320
crisis apparition of your son

485
00:20:39,890 --> 00:20:37,110
but in deathbed visions are sort of the

486
00:20:42,200 --> 00:20:39,900
same thing but these spontaneous cases

487
00:20:45,370 --> 00:20:42,210
are sort of a wealth of information for

488
00:20:48,080 --> 00:20:45,380

parapsychology but what we find is that

489

00:20:51,950 --> 00:20:48,090

when people are in emotional states like

490

00:20:55,190 --> 00:20:51,960

overwhelming depression they tend to

491

00:20:56,720 --> 00:20:55,200

have more at that points it's more

492

00:20:59,180 --> 00:20:56,730

correlated with having a ghostly

493

00:21:00,980 --> 00:20:59,190

encounter and that's been going on it's

494

00:21:02,419 --> 00:21:00,990

pretty much since the 1800s

495

00:21:05,500 --> 00:21:02,429

some of my theories and thoughts are

496

00:21:09,620 --> 00:21:05,510

that I think life-threatening events

497

00:21:12,799 --> 00:21:09,630

crisis trauma is sort of a catalyst or

498

00:21:14,990 --> 00:21:12,809

the first step in a process of having

499

00:21:16,970 --> 00:21:15,000

like a paranormal experience so let's

500

00:21:19,760 --> 00:21:16,980

use the example let's say I'm walking on

501
00:21:21,350 --> 00:21:19,770
a bridge and I I trip and fall and I hit

502
00:21:25,190 --> 00:21:21,360
my head and I'm in the water I'm

503
00:21:27,590 --> 00:21:25,200
probably gonna be pretty overwhelmed

504
00:21:29,540 --> 00:21:27,600
with a lot of emotions right yeah

505
00:21:31,520 --> 00:21:29,550
hey I'm you know I'm dying I'm this

506
00:21:33,470 --> 00:21:31,530
might be the end you know I'm gonna be

507
00:21:36,020 --> 00:21:33,480
scared I'm gonna be fearful I'm gonna be

508
00:21:39,020 --> 00:21:36,030
sad you know I'm gonna be all these

509
00:21:42,200 --> 00:21:39,030
emotions so that's sort of the the the

510
00:21:44,270 --> 00:21:42,210
switch that the catalyst so then these

511
00:21:47,540 --> 00:21:44,280
emotions happen and I want to

512
00:21:49,460 --> 00:21:47,550
communicate them to somebody and then

513
00:21:52,549 --> 00:21:49,470

somehow I communicate them to my mom

514

00:21:55,490 --> 00:21:52,559

who's you know two states over through

515

00:21:57,530 --> 00:21:55,500

this you know this telepathic distress

516

00:22:00,230 --> 00:21:57,540

signal that I sent them and then I show

517

00:22:02,690 --> 00:22:00,240

up in her bedroom covered in water and

518

00:22:05,299 --> 00:22:02,700

so forth but the start to that whole

519

00:22:06,770 --> 00:22:05,309

process is the emotional part the

520

00:22:08,660 --> 00:22:06,780

life-threatening event feeling like

521

00:22:10,610 --> 00:22:08,670

you're dying wanting to communicate all

522

00:22:13,250 --> 00:22:10,620

that stuff that's sort of the start of

523

00:22:15,680 --> 00:22:13,260

are my theories and then I think that

524

00:22:18,020 --> 00:22:15,690

emotions trigger a lot of internal bio

525

00:22:20,630 --> 00:22:18,030

energetic stuff if you want to call it

526

00:22:22,460 --> 00:22:20,640

like that and then that that leads to

527

00:22:24,669 --> 00:22:22,470

sort of resonating through the

528

00:22:27,730 --> 00:22:24,679

environment as a whole I have a whole

529

00:22:30,620 --> 00:22:27,740

equation as what I call it in the book

530

00:22:32,419 --> 00:22:30,630

yeah I mean emotions seem to be a

531

00:22:35,360 --> 00:22:32,429

valuable part of a lot of things

532

00:22:37,760 --> 00:22:35,370

including prayer I mean people talk

533

00:22:40,250 --> 00:22:37,770

about if you want to pray successfully

534

00:22:43,310 --> 00:22:40,260

you've got to put your emotions into it

535

00:22:45,770 --> 00:22:43,320

whether it's desperation or love or

536

00:22:48,049 --> 00:22:45,780

whatever it is you've got to pray with

537

00:22:50,120 --> 00:22:48,059

that feeling of emotion because emotions

538

00:22:53,090 --> 00:22:50,130

kind of like the rocket fuel isn't it I

539

00:22:57,380 --> 00:22:53,100

mean it's it's the stuff that pushes the

540

00:22:58,790 --> 00:22:57,390

energy forward yeah yeah you know if you

541

00:23:02,210 --> 00:22:58,800

know I think I can't remember if it was

542

00:23:06,160 --> 00:23:02,220

Carl Jung who said something along the

543

00:23:08,720 --> 00:23:06,170

lines of you know if if there's no

544

00:23:11,240 --> 00:23:08,730

significant emotional dynamics in a

545

00:23:12,650 --> 00:23:11,250

house he doesn't he didn't think that

546

00:23:14,370 --> 00:23:12,660

there's there would be any sort of

547

00:23:16,620 --> 00:23:14,380

hauntings or apparitional experience

548

00:23:19,410 --> 00:23:16,630

is so this idea that emotions are linked

549

00:23:21,120 --> 00:23:19,420

with ghosts are and in prayer and spirit

550

00:23:23,070 --> 00:23:21,130

and all that it's it's been going on for

551

00:23:26,940 --> 00:23:23,080

a while I don't think it's hard to

552

00:23:29,130 --> 00:23:26,950

really quantify emotions right you know

553

00:23:30,720 --> 00:23:29,140

it's it is yeah you can't take a blood

554

00:23:34,350 --> 00:23:30,730

test and though someone's emotional

555

00:23:37,110 --> 00:23:34,360

right you know so quantifying that it's

556

00:23:39,300 --> 00:23:37,120

difficult but there is this huge

557

00:23:43,170 --> 00:23:39,310

correlation between paranormal

558

00:23:45,900 --> 00:23:43,180

experiences and emotions so and I think

559

00:23:47,850 --> 00:23:45,910

science is just trying to figure out why

560

00:23:50,370 --> 00:23:47,860

that is or what happens in our with our

561

00:23:54,600 --> 00:23:50,380

bodies when we get overwhelmed trauma

562

00:23:57,750 --> 00:23:54,610

wise and emotion wise yeah there's a lot

563

00:23:59,640 --> 00:23:57,760

to this emotional aspect I think and I

564

00:24:01,620 --> 00:23:59,650

know what I used to work for Bob Monroe

565

00:24:04,530 --> 00:24:01,630

years ago from the Monroe Institute and

566

00:24:07,170 --> 00:24:04,540

I remember Bob saying that we don't have

567

00:24:09,090 --> 00:24:07,180

the technology to really measure what's

568

00:24:11,610 --> 00:24:09,100

going on with the paranormal he said

569

00:24:16,550 --> 00:24:11,620

we're kind of measuring like the exhaust

570

00:24:21,600 --> 00:24:19,980

you know but with emotions interesting

571

00:24:25,140 --> 00:24:21,610

to me for a number of reasons but it's

572

00:24:27,810 --> 00:24:25,150

also linked to water in the emotion and

573

00:24:29,010 --> 00:24:27,820

water if you're dreaming of water we

574

00:24:30,450 --> 00:24:29,020

have a dream at night and there's

575

00:24:31,890 --> 00:24:30,460

something about water you're dreaming

576

00:24:34,800 --> 00:24:31,900

about emotion that's the universal

577

00:24:38,730 --> 00:24:34,810

symbol but there's also something kind

578

00:24:41,430 --> 00:24:38,740

of spooky with water and let me mention

579

00:24:43,770 --> 00:24:41,440

this one to you and tell me what you

580

00:24:45,690 --> 00:24:43,780

think because we're familiar and I'm

581

00:24:49,110 --> 00:24:45,700

sure you are too with the work of David

582

00:24:52,730 --> 00:24:49,120

Pilates be familiar with David's work he

583

00:24:56,270 --> 00:24:52,740

is a retired police officer who has been

584

00:24:58,290 --> 00:24:56,280

cataloging all of these mysterious

585

00:25:03,630 --> 00:24:58,300

disappearances of people in our national

586

00:25:07,350 --> 00:25:03,640

parks and in urban areas now as well and

587

00:25:10,260 --> 00:25:07,360

one of the things that he finds in

588

00:25:14,160 --> 00:25:10,270

almost every case is the link to water

589

00:25:16,350 --> 00:25:14,170

and the bodies are found in water or the

590

00:25:18,360 --> 00:25:16,360

people disappear from a place near one I

591

00:25:21,030 --> 00:25:18,370

mean there's always something intense

592

00:25:23,250 --> 00:25:21,040

around this water thing and I'm

593

00:25:25,650 --> 00:25:23,260

wondering you know I read David's work

594

00:25:27,750 --> 00:25:25,660

it's incredible of the amount of work

595

00:25:28,259 --> 00:25:27,760

he's put into this to try to bring all

596

00:25:31,349 --> 00:25:28,269

this to

597

00:25:33,449 --> 00:25:31,359

he has no answer for how these people go

598

00:25:36,949 --> 00:25:33,459

missing and what's causing them to go

599

00:25:40,169 --> 00:25:36,959

missing but it makes me wonder do we

600

00:25:42,329 --> 00:25:40,179

need to know more about water I mean

601
00:25:45,359 --> 00:25:42,339
what is it about water that we don't

602
00:25:47,759 --> 00:25:45,369
know is the question I have is there

603
00:25:50,159 --> 00:25:47,769
something electrochemical about water

604
00:25:52,859 --> 00:25:50,169
that we're missing completely because

605
00:25:55,649 --> 00:25:52,869
we're focused on more on the electricity

606
00:25:58,619 --> 00:25:55,659
or the biochemical stuff but we're we're

607
00:26:00,479 --> 00:25:58,629
not paying attention to what water

608
00:26:02,190 --> 00:26:00,489
really is mean we're mostly made up of

609
00:26:05,159 --> 00:26:02,200
water right what is it ninety seven

610
00:26:08,029 --> 00:26:05,169
percent or something crazy like that but

611
00:26:10,379 --> 00:26:08,039
there seems to be to me anyways

612
00:26:12,629 --> 00:26:10,389
something paranormal that goes on with

613
00:26:15,079 --> 00:26:12,639

water and again what brought it to my

614

00:26:17,609 --> 00:26:15,089

mind was reading your book and also

615

00:26:21,119 --> 00:26:17,619

keeping in my and David's work with

616

00:26:23,039 --> 00:26:21,129

these missing people there's something

617

00:26:24,869 --> 00:26:23,049

very mysterious here that we have yet to

618

00:26:26,699 --> 00:26:24,879

figure out about water in my opinion

619

00:26:29,159 --> 00:26:26,709

what do you think about that you know I

620

00:26:32,249 --> 00:26:29,169

I don't know what I think about that I

621

00:26:35,539 --> 00:26:32,259

know there's been a lot of I think

622

00:26:37,979 --> 00:26:35,549

Studies on I I can't remember the

623

00:26:42,049 --> 00:26:37,989

person's name I think he's in Japan or

624

00:26:45,989 --> 00:26:42,059

something like that about how water

625

00:26:47,519 --> 00:26:45,999

crystallizes okay I'm talking about I

626

00:26:49,739 --> 00:26:47,529

can't remember off the top there's a

627

00:26:54,149 --> 00:26:49,749

movie that shows the different stages of

628

00:26:55,859 --> 00:26:54,159

it okay no and and what is the people

629

00:26:57,569 --> 00:26:55,869

think different if they're happy water

630

00:26:59,519 --> 00:26:57,579

crystallizes differently or something

631

00:27:02,999 --> 00:26:59,529

yeah in a much more beautiful pattern

632

00:27:06,389 --> 00:27:03,009

yes right yeah so that's a good example

633

00:27:08,819 --> 00:27:06,399

of how people's emotions affect the

634

00:27:11,129 --> 00:27:08,829

things that are around us water being

635

00:27:14,399 --> 00:27:11,139

specifically one of those things so I

636

00:27:17,549 --> 00:27:14,409

and I think that throughout time waters

637

00:27:20,549 --> 00:27:17,559

had this sort of mystical element to it

638

00:27:22,109 --> 00:27:20,559

if you want to say that but I don't know

639

00:27:23,399 --> 00:27:22,119

his work - well I'll be honest with you

640

00:27:26,069 --> 00:27:23,409

I'll have to look that up and read it

641

00:27:28,799 --> 00:27:26,079

yeah you'll find it fascinating rebus

642

00:27:30,539 --> 00:27:28,809

yeah you really will you may be able to

643

00:27:35,339 --> 00:27:30,549

put some pieces together that are

644

00:27:37,409 --> 00:27:35,349

definitely missing pieces are missing

645

00:27:39,180 --> 00:27:37,419

yeah I've heard that before though a lot

646

00:27:42,060 --> 00:27:39,190

of people who you know correlate

647

00:27:45,210 --> 00:27:42,070

paranormal experiences or

648

00:27:47,520 --> 00:27:45,220

locations to be closer to bodies of

649

00:27:50,820 --> 00:27:47,530

water or streams or rivers or something

650

00:27:53,160 --> 00:27:50,830

like that yes yes but I'm not much in

651
00:27:56,790 --> 00:27:53,170
the geology or the all that stuff that

652
00:27:58,260 --> 00:27:56,800
goes on there unfortunately so I have I

653
00:28:01,770 --> 00:27:58,270
haven't really looked into that as much

654
00:28:03,810 --> 00:28:01,780
as other areas but I always love reading

655
00:28:06,450 --> 00:28:03,820
new stuff so I'll have to write that

656
00:28:08,970 --> 00:28:06,460
down here and check that oh yeah because

657
00:28:11,190 --> 00:28:08,980
I think we're onto something here about

658
00:28:14,010 --> 00:28:11,200
the power of water within our own bodies

659
00:28:15,840 --> 00:28:14,020
and how that contributes to the

660
00:28:18,330 --> 00:28:15,850
paranormal phenomenon it may actually be

661
00:28:19,920 --> 00:28:18,340
the highway for a lot of these things to

662
00:28:22,380 --> 00:28:19,930
happen and it's something that we so

663
00:28:25,950 --> 00:28:22,390

take for granted I don't think we

664

00:28:28,190 --> 00:28:25,960

understand the depths of the power of it

665

00:28:31,010 --> 00:28:28,200

all and certainly if there are

666

00:28:34,080 --> 00:28:31,020

interdimensional beings or other

667

00:28:34,710 --> 00:28:34,090

creatures that know how to use it which

668

00:28:37,410 --> 00:28:34,720

is my guess

669

00:28:39,900 --> 00:28:37,420

we're far behind and we need to do some

670

00:28:42,840 --> 00:28:39,910

catching up because these these things

671

00:28:45,150 --> 00:28:42,850

are using water and they are making

672

00:28:46,560 --> 00:28:45,160

people mysteriously disappear into other

673

00:28:48,540 --> 00:28:46,570

dimensions or wherever the heck they're

674

00:28:51,480 --> 00:28:48,550

taking them never to be seen again

675

00:28:53,640 --> 00:28:51,490

so it's a it's it's quite an interesting

676

00:28:56,430 --> 00:28:53,650

phenomenon and I think there's a link

677

00:28:58,830 --> 00:28:56,440

between that and your work so that's why

678

00:29:02,580 --> 00:28:58,840

I'm bringing this to your attention what

679

00:29:07,670 --> 00:29:02,590

was his name again David Paulides

680

00:29:09,870 --> 00:29:07,680

a ul I des he's done a number of

681

00:29:11,430 --> 00:29:09,880

podcasts we've tried to get him on the

682

00:29:30,450 --> 00:29:11,440

show but I don't know he just doesn't

683

00:29:32,400 --> 00:29:30,460

seem to like doing shows I think there's

684

00:29:33,750 --> 00:29:32,410

a link for you so that's why I wanted to

685

00:29:35,910 --> 00:29:33,760

be sure to bring this up there's some

686

00:29:37,830 --> 00:29:35,920

power there that we don't understand

687

00:29:40,260 --> 00:29:37,840

there's some power here that were

688

00:29:42,540 --> 00:29:40,270

absolutely missing and I think it's a

689

00:29:44,640 --> 00:29:42,550

link for you and I think that that's

690

00:29:45,930 --> 00:29:44,650

something it's important you bring up

691

00:29:47,970 --> 00:29:45,940

the this topic but I think it's

692

00:29:50,520 --> 00:29:47,980

important to say this I I think everyone

693

00:29:53,610 --> 00:29:50,530

you know I was an ardent skeptic for I

694

00:29:55,080 --> 00:29:53,620

don't know ten years or so you know when

695

00:29:55,980 --> 00:29:55,090

people would tell me ghostly encounters

696

00:29:58,049 --> 00:29:55,990

I would just be going

697

00:30:00,600 --> 00:29:58,059

from my head ways to debunk what they're

698

00:30:02,640 --> 00:30:00,610

saying so I wasn't really listening I

699

00:30:05,070 --> 00:30:02,650

wasn't open-minded if it didn't fit in

700

00:30:06,900 --> 00:30:05,080

my little screen or my little bubble you

701

00:30:08,190 --> 00:30:06,910

know I was just like oh they all know

702

00:30:09,780 --> 00:30:08,200

what they're talking about you know I

703

00:30:12,240 --> 00:30:09,790

have a degree I know what I'm talking

704

00:30:14,010 --> 00:30:12,250

about but that you know that kind of

705

00:30:16,919 --> 00:30:14,020

attitude doesn't get you very far it

706

00:30:19,320 --> 00:30:16,929

keeps you close minded yes and you just

707

00:30:21,210 --> 00:30:19,330

look for confirmation bias and you just

708

00:30:22,470 --> 00:30:21,220

get caught up in a lot of that yeah

709

00:30:23,520 --> 00:30:22,480

absolutely do I'm gonna have to

710

00:30:25,169 --> 00:30:23,530

interrupt you because we're gonna have

711

00:30:26,880 --> 00:30:25,179

to take a very short breaks and we're

712

00:30:27,810 --> 00:30:26,890

gonna get back to this and other things

713

00:30:33,900 --> 00:30:27,820

from your book

714

00:30:36,810 --> 00:30:33,910

the ghost legal studies everybody

715

00:30:38,669 --> 00:30:36,820

migrates by Brandon my solo and we are

716

00:30:48,800 --> 00:30:38,679

listening to supernatural girls radio

717

00:30:53,640 --> 00:30:51,240

welcome back everyone to supernatural

718

00:30:57,090 --> 00:30:53,650

Girls radio I'm your host Patricia Baker

719

00:30:59,130 --> 00:30:57,100

I am here with my co-host PK and our

720

00:31:02,220 --> 00:30:59,140

terrific guest tonight who is Brandon

721

00:31:09,570 --> 00:31:02,230

Mozilo he is the author of the ghost

722

00:31:11,640 --> 00:31:09,580

studies and fabulous book a great

723

00:31:13,800 --> 00:31:11,650

Christmas present for all your friends

724

00:31:15,240 --> 00:31:13,810

who are into this kind of thing and some

725

00:31:16,760 --> 00:31:15,250

that aren't lets change their mind about

726

00:31:19,830 --> 00:31:16,770

this okay

727

00:31:21,600 --> 00:31:19,840

got some questions for you Brandon from

728

00:31:24,330 --> 00:31:21,610

the chat room so I'm going to go ahead

729

00:31:27,450 --> 00:31:24,340

and go down some of this list here from

730

00:31:29,760 --> 00:31:27,460

Sheryl marks she wants to know when your

731

00:31:31,230 --> 00:31:29,770

friends saw the ghost way back when when

732

00:31:34,680 --> 00:31:31,240

you're a teenager what did the ghost

733

00:31:36,570 --> 00:31:34,690

look like well the the place we were

734

00:31:40,260 --> 00:31:36,580

staying at was my friend's house and he

735

00:31:42,450 --> 00:31:40,270

lived probably I don't know how it was

736

00:31:46,320 --> 00:31:42,460

like next door to a cemetery

737

00:31:48,240 --> 00:31:46,330

and the ghost was I it was female it had

738

00:31:51,630 --> 00:31:48,250

an older and he described it as like an

739

00:31:53,430 --> 00:31:51,640

older dress on so I'm guessing that

740

00:31:54,720 --> 00:31:53,440

probably meant like 40s or 50s or

741

00:31:57,090 --> 00:31:54,730

something like that

742

00:31:59,370 --> 00:31:57,100

and it had a hat on and it kind of

743

00:32:02,310 --> 00:31:59,380

walked it kind of walked into the

744

00:32:04,140 --> 00:32:02,320

basement like the doorway and then it

745

00:32:06,390 --> 00:32:04,150

walked in a little bit and then

746

00:32:09,570 --> 00:32:06,400

disappeared if I remember it correctly

747

00:32:11,850 --> 00:32:09,580

so it's kind of late and then I think my

748

00:32:15,390 --> 00:32:11,860

friend who lived there said he had seen

749

00:32:17,070 --> 00:32:15,400

that ghost before as well so nobody back

750

00:32:19,200 --> 00:32:17,080

you know back then it was just like oh

751
00:32:21,000 --> 00:32:19,210
goes okay so no one did research don't

752
00:32:22,830 --> 00:32:21,010
want Google to anything they just like

753
00:32:32,280 --> 00:32:22,840
oh it's a ghost okay and then you can

754
00:32:35,760 --> 00:32:32,290
just move on it was just kind of it is

755
00:32:37,770 --> 00:32:35,770
what it is and you move on very

756
00:32:40,050 --> 00:32:37,780
interesting yes okay this is from

757
00:32:42,720 --> 00:32:40,060
friendship stone who says hi Brandon

758
00:32:46,020 --> 00:32:42,730
can you explain if any of these

759
00:32:50,760 --> 00:32:46,030
abilities that some have are linked to

760
00:32:52,650 --> 00:32:50,770
familial DNA yeah actually there is

761
00:32:55,140 --> 00:32:52,660
because we talked about environmental

762
00:32:58,140 --> 00:32:55,150
sensitivity so there's the strong

763
00:33:01,290 --> 00:32:58,150

genetic link and environmental

764

00:33:02,190 --> 00:33:01,300

sensitivity so if your if your mom was

765

00:33:03,630 --> 00:33:02,200

very sensitive to

766

00:33:05,040 --> 00:33:03,640

I have many chances are you're very

767

00:33:06,510 --> 00:33:05,050

sensitive to the environment and then

768

00:33:08,280 --> 00:33:06,520

your kids will be very sensitive to the

769

00:33:11,130 --> 00:33:08,290

environment so you know you could

770

00:33:14,100 --> 00:33:11,140

actually see the sort of that genetic

771

00:33:15,780 --> 00:33:14,110

link handed down in these sensitivity to

772

00:33:18,780 --> 00:33:15,790

all this environmental stimuli going on

773

00:33:20,190 --> 00:33:18,790

and as I said before those people who

774

00:33:22,260 --> 00:33:20,200

are really sensitive are more prone to

775

00:33:23,220 --> 00:33:22,270

paranormal experiences so you could see

776

00:33:25,350 --> 00:33:23,230

that there is a little bit of a

777

00:33:28,620 --> 00:33:25,360

coordination between people who are more

778

00:33:31,590 --> 00:33:28,630

prone to ghostly encounters you know

779

00:33:33,090 --> 00:33:31,600

it's tough with psychic sensitivity to

780

00:33:35,430 --> 00:33:33,100

see if there's a genetic link my guess

781

00:33:38,850 --> 00:33:35,440

would be probably a hundred percent the

782

00:33:41,430 --> 00:33:38,860

same thing I think that it's it's

783

00:33:44,250 --> 00:33:41,440

genetic it's passed down you know it's

784

00:33:46,080 --> 00:33:44,260

like eye color in a way you know if I'm

785

00:33:47,580 --> 00:33:46,090

if my dad's good at basketball there's

786

00:33:49,260 --> 00:33:47,590

probably high probability I'm gonna be

787

00:33:51,600 --> 00:33:49,270

pretty good at basketball or sports and

788

00:33:54,870 --> 00:33:51,610

I think psychic abilities probably are

789

00:33:57,510 --> 00:33:54,880

the same thing yeah I think we would

790

00:33:59,010 --> 00:33:57,520

agree with that absolutely because all

791

00:34:02,520 --> 00:33:59,020

the people that we've interviewed on the

792

00:34:04,320 --> 00:34:02,530

show they always talk about this this

793

00:34:06,750 --> 00:34:04,330

their mother had it or their grandmother

794

00:34:09,660 --> 00:34:06,760

handed or grandpa somebody had it and

795

00:34:13,080 --> 00:34:09,670

and also it comes out a lot with UFO

796

00:34:15,030 --> 00:34:13,090

abductees that if one person was

797

00:34:17,310 --> 00:34:15,040

abducted then they often have stories

798

00:34:20,120 --> 00:34:17,320

that in generations past this had gone

799

00:34:23,780 --> 00:34:20,130

on so and I I hear about that from

800

00:34:26,400 --> 00:34:23,790

people that have done the hypnosis for

801
00:34:28,590 --> 00:34:26,410
abductees subjects and they find this

802
00:34:29,700 --> 00:34:28,600
with family members over and over again

803
00:34:31,860 --> 00:34:29,710
huh

804
00:34:33,630 --> 00:34:31,870
yeah and that's one of the things that

805
00:34:35,040 --> 00:34:33,640
I'm I'm kind of because I was sort of

806
00:34:37,030 --> 00:34:35,050
behind the scenes for a lot of years you

807
00:34:40,850 --> 00:34:37,040
know I I never really came out in public

808
00:34:42,690 --> 00:34:40,860
[Laughter]

809
00:34:44,880 --> 00:34:42,700
yes

810
00:34:47,340 --> 00:34:44,890
you know now I'm out in paranormal

811
00:34:49,620 --> 00:34:47,350
conferences and I'm out on radio shows

812
00:34:51,930 --> 00:34:49,630
and I have a website and all that so you

813
00:34:55,920 --> 00:34:51,940

know I'm finding more and more people

814

00:34:57,780 --> 00:34:55,930

are are sort of like I always thought

815

00:35:00,360 --> 00:34:57,790

there was sections like there's there's

816

00:35:02,100 --> 00:35:00,370

cryptids right that's one place and then

817

00:35:03,330 --> 00:35:02,110

there's aliens that's another place and

818

00:35:05,610 --> 00:35:03,340

then there's ghosts and that's a third

819

00:35:08,550 --> 00:35:05,620

place right but I'm finding that there's

820

00:35:11,370 --> 00:35:08,560

a little bit of um a blurry line between

821

00:35:14,100 --> 00:35:11,380

some things like that like you know

822

00:35:16,050 --> 00:35:14,110

abductees have somewhere senses to those

823

00:35:18,060 --> 00:35:16,060

with go so you know I didn't really

824

00:35:19,800 --> 00:35:18,070

there was a lot of that melding of all

825

00:35:21,210 --> 00:35:19,810

these phenomenon in the one thing which

826

00:35:22,980 --> 00:35:21,220

I'm finding out more and more down that

827

00:35:24,450 --> 00:35:22,990

you know these conferences which is kind

828

00:35:27,330 --> 00:35:24,460

of really interesting I never really

829

00:35:28,950 --> 00:35:27,340

looked at that before yeah it is

830

00:35:30,450 --> 00:35:28,960

fascinating it's like well why does

831

00:35:32,700 --> 00:35:30,460

somebody see a ghost why does somebody

832

00:35:35,220 --> 00:35:32,710

see Bigfoot I mean are these these

833

00:35:38,100 --> 00:35:35,230

things linked you know are these people

834

00:35:40,020 --> 00:35:38,110

having some experiences because of some

835

00:35:42,630 --> 00:35:40,030

of the same factors that you identify in

836

00:35:44,670 --> 00:35:42,640

your book yeah and then sometimes people

837

00:35:46,140 --> 00:35:44,680

will talk about their their alien

838

00:35:47,640 --> 00:35:46,150

encounters and it sounds a lot like a

839

00:35:50,490 --> 00:35:47,650

ghostly encounter and you kind of go

840

00:35:52,200 --> 00:35:50,500

okay there's a lot of similarities there

841

00:35:55,500 --> 00:35:52,210

it's it's kind of a weird melding I

842

00:35:57,720 --> 00:35:55,510

never really saw before yeah it's

843

00:35:59,700 --> 00:35:57,730

fascinating and this is from Carrie

844

00:36:03,180 --> 00:35:59,710

Remington who's asking I would like to

845

00:36:05,640 --> 00:36:03,190

know if a professional like you can rule

846

00:36:08,820 --> 00:36:05,650

out if someone is not just plainly

847

00:36:22,220 --> 00:36:08,830

insane when they claim to see ghosts

848

00:36:28,140 --> 00:36:26,340

it's it can be done I think in the book

849

00:36:30,450 --> 00:36:28,150

I have a chapter called not everything

850

00:36:33,650 --> 00:36:30,460

is paranormal and one of the things that

851

00:36:36,450 --> 00:36:33,660

I go over in that chapter is sort of the

852

00:36:38,790 --> 00:36:36,460

mental illness and ghostly encounters

853

00:36:39,980 --> 00:36:38,800

right so if someone talks about seeing a

854

00:36:42,270 --> 00:36:39,990

ghost

855

00:36:43,950 --> 00:36:42,280

there's always one skeptic in the room

856

00:36:47,370 --> 00:36:43,960

that just goes all that person's crazy

857

00:36:48,990 --> 00:36:47,380

and they're hallucinating right it

858

00:36:52,560 --> 00:36:49,000

doesn't really work that way I've done

859

00:36:54,570 --> 00:36:52,570

over 5,000 psychological evaluations so

860

00:36:56,250 --> 00:36:54,580

I know how to diagnose someone who's

861

00:36:57,720 --> 00:36:56,260

schizophrenic I know how to diagnose

862

00:37:01,440 --> 00:36:57,730

someone who's schizoaffective I know

863

00:37:03,530 --> 00:37:01,450

hallucinations I know delusions and and

864

00:37:06,300 --> 00:37:03,540

there is a difference between having

865

00:37:10,260 --> 00:37:06,310

consistent visual auditory and command

866

00:37:12,870 --> 00:37:10,270

hallucinations and seeing having a

867

00:37:15,710 --> 00:37:12,880

ghostly encounter once or twice in your

868

00:37:20,340 --> 00:37:15,720

life right there's a difference between

869

00:37:23,910 --> 00:37:20,350

so it can be you know I think that you

870

00:37:26,190 --> 00:37:23,920

you know whenever I have a lot of

871

00:37:29,329 --> 00:37:26,200

ghostly encounter cases in my book and

872

00:37:30,979 --> 00:37:29,339

you know none of these people were

873

00:37:32,989 --> 00:37:30,989

schizophrenic or schizoaffective ever

874

00:37:35,150 --> 00:37:32,999

had any type of psychosis involved in it

875

00:37:36,709 --> 00:37:35,160

so you can't really parse that parcel

876

00:37:41,209 --> 00:37:36,719

that stuff out

877

00:37:43,849 --> 00:37:41,219

I know I've ran into some people in my

878

00:37:46,880 --> 00:37:43,859

time that I can definitely tell I had

879

00:37:50,359 --> 00:37:46,890

some mental illnesses there was one

880

00:37:52,279 --> 00:37:50,369

gentleman who he was adamant that there

881

00:37:54,499 --> 00:37:52,289

was a light outside of his room that

882

00:37:55,969 --> 00:37:54,509

would go off on certain times throughout

883

00:37:59,989 --> 00:37:55,979

the night he was adamant that it was a

884

00:38:01,969 --> 00:37:59,999

ghost just adamant about it and the

885

00:38:03,829 --> 00:38:01,979

neighbor actually told him no it's it's

886

00:38:06,440 --> 00:38:03,839

a motion detected light it just goes off

887

00:38:09,049 --> 00:38:06,450

when something goes by it and he was

888

00:38:10,519 --> 00:38:09,059

still convinced it was ghosts so at that

889

00:38:11,630 --> 00:38:10,529

point you kind of have to go well you

890

00:38:13,700 --> 00:38:11,640

know there's probably something more

891

00:38:15,200 --> 00:38:13,710

going on there and then he thought the

892

00:38:17,989 --> 00:38:15,210

light was trying to communicate with

893

00:38:21,140 --> 00:38:17,999

them so you could see some stretches

894

00:38:22,940 --> 00:38:21,150

involved in that but like I said before

895

00:38:25,940 --> 00:38:22,950

you could parcel out usually mental

896

00:38:26,989 --> 00:38:25,950

illness and ghostly encounters and I

897

00:38:28,940 --> 00:38:26,999

think a lot of people who have

898

00:38:31,009 --> 00:38:28,950

legitimate ghostly encounters there's no

899

00:38:33,769 --> 00:38:31,019

real mental illness with them at least

900

00:38:35,749 --> 00:38:33,779

in my experience yeah that would make

901
00:38:37,700 --> 00:38:35,759
sense now one of the things too that

902
00:38:39,349 --> 00:38:37,710
we've heard recently because he had

903
00:38:41,479 --> 00:38:39,359
talked to some psychologists and

904
00:38:43,190 --> 00:38:41,489
psychiatrists that we wanted to have

905
00:38:44,539 --> 00:38:43,200
come on the show but they were scared to

906
00:38:47,150 --> 00:38:44,549
because they didn't want to lose their

907
00:38:50,109 --> 00:38:47,160
job but what they're saying is that

908
00:38:52,519 --> 00:38:50,119
there is an entire group of

909
00:38:56,630 --> 00:38:52,529
psychologists and psychiatrists that now

910
00:38:58,400 --> 00:38:56,640
feel that some not all but some of the

911
00:38:59,959 --> 00:38:58,410
schizophrenic and some of the people

912
00:39:03,739 --> 00:38:59,969
that have been diagnosed with mental

913
00:39:06,200 --> 00:39:03,749

illnesses are really seeing things and

914

00:39:08,479 --> 00:39:06,210

hearing things that are there they're

915

00:39:10,910 --> 00:39:08,489

just in another dimension and they can't

916

00:39:15,640 --> 00:39:10,920

what the problem is they're telling us

917

00:39:19,279 --> 00:39:15,650

that they these patients cannot sort out

918

00:39:23,269 --> 00:39:19,289

this other dimensional experience from

919

00:39:26,269 --> 00:39:23,279

this reality and so that's what makes us

920

00:39:28,459 --> 00:39:26,279

diagnose them with a mental illness but

921

00:39:29,930 --> 00:39:28,469

in fact what these psychiatrists and

922

00:39:31,940 --> 00:39:29,940

psychologists are saying is they're not

923

00:39:34,219 --> 00:39:31,950

really insane they just they're seeing

924

00:39:37,370 --> 00:39:34,229

something in another dimension and

925

00:39:41,559 --> 00:39:37,380

they're reacting to it and so it's a

926

00:39:43,069 --> 00:39:41,569

very fascinating change oh yeah yeah

927

00:39:45,410 --> 00:39:43,079

just thinking of

928

00:39:46,910 --> 00:39:45,420

this I would live with tuned into that

929

00:39:52,190 --> 00:39:46,920

show if you can get someone on to talk

930

00:39:54,620 --> 00:39:52,200

about that know what the stigma can be

931

00:39:57,109 --> 00:39:54,630

for somebody in traditional psychiatry

932

00:39:58,249 --> 00:39:57,119

psychology so that's been their hold up

933

00:39:59,900 --> 00:39:58,259

I said you don't have to even use your

934

00:40:04,789 --> 00:39:59,910

real name we don't care just you know

935

00:40:07,999 --> 00:40:04,799

disguise your voice because it is a

936

00:40:10,309 --> 00:40:08,009

fascinating possibility then these

937

00:40:12,739 --> 00:40:10,319

people aren't insane but they really are

938

00:40:16,309 --> 00:40:12,749

seeing into other places that we can't

939

00:40:18,079 --> 00:40:16,319

see normally so it's again it's an

940

00:40:20,959 --> 00:40:18,089

interesting thing now there's another

941

00:40:24,279 --> 00:40:20,969

doctor though that dr. Gallagher I know

942

00:40:28,009 --> 00:40:24,289

if you've heard of him he was doing

943

00:40:29,779 --> 00:40:28,019

exorcisms and he is a firm believer I

944

00:40:34,039 --> 00:40:29,789

believe he's a psychiatrist and he's a

945

00:40:36,859 --> 00:40:34,049

firm believer that demons etc are in

946

00:40:37,940 --> 00:40:36,869

fact real so he's in the process of

947

00:40:40,249 --> 00:40:37,950

writing a book now we're gonna

948

00:40:43,160 --> 00:40:40,259

definitely have him on the show because

949

00:40:44,900 --> 00:40:43,170

you know again it's a totally different

950

00:40:47,150 --> 00:40:44,910

perspective he's not a Catholic priest

951
00:40:50,509 --> 00:40:47,160
you know it's not a part of a religious

952
00:40:52,249 --> 00:40:50,519
experience what this is is is a doctor

953
00:40:53,930 --> 00:40:52,259
who's saying yes these people are

954
00:40:58,489 --> 00:40:53,940
possessed or yes these people are being

955
00:41:00,380 --> 00:40:58,499
attacked by real entities and so again

956
00:41:02,209 --> 00:41:00,390
there's a whole changeover that's

957
00:41:04,670 --> 00:41:02,219
happening in the way we think about this

958
00:41:06,949 --> 00:41:04,680
but speaking of demons have you come

959
00:41:09,739 --> 00:41:06,959
across people that have had experiences

960
00:41:13,549 --> 00:41:09,749
with a negative side of this you know I

961
00:41:15,140 --> 00:41:13,559
I haven't really had anybody talked to

962
00:41:17,809 --> 00:41:15,150
me about demons or anything like that

963
00:41:19,249 --> 00:41:17,819

and I and that's kind of really one of

964

00:41:22,309 --> 00:41:19,259

those things that's sort of outside my

965

00:41:23,180 --> 00:41:22,319

realm of expertise if you want to say

966

00:41:25,249 --> 00:41:23,190

something like that

967

00:41:28,239 --> 00:41:25,259

I've dealt mainly with just ghostly

968

00:41:31,969 --> 00:41:28,249

encounters sense of presence apparitions

969

00:41:34,999 --> 00:41:31,979

you know auditory like hearing things

970

00:41:35,599 --> 00:41:35,009

like rap sounds smells perfumes things

971

00:41:37,969 --> 00:41:35,609

like that

972

00:41:40,969 --> 00:41:37,979

I really haven't gone too much down the

973

00:41:45,069 --> 00:41:40,979

demon route you know I with my training

974

00:41:47,630 --> 00:41:45,079

I still you know I you know the

975

00:41:49,459 --> 00:41:47,640

possession exorcism there's a lot of

976

00:41:51,289 --> 00:41:49,469

similarities between that and like

977

00:41:54,559 --> 00:41:51,299

schizophrenia so disorganized speech

978

00:41:55,699 --> 00:41:54,569

flat affect my auditory visual

979

00:41:56,990 --> 00:41:55,709

hallucinations

980

00:41:58,460 --> 00:41:57,000

so someone

981

00:42:01,460 --> 00:41:58,470

speaking in tongues is disorganized

982

00:42:03,940 --> 00:42:01,470

speech in a way so you know it's kind of

983

00:42:05,930 --> 00:42:03,950

tough even pseudo seizures like

984

00:42:08,240 --> 00:42:05,940

convulsions things like that I've seen

985

00:42:10,160 --> 00:42:08,250

people in the emergency room who aren't

986

00:42:15,350 --> 00:42:10,170

having actual seizures they're just

987

00:42:17,540 --> 00:42:15,360

seizures brought on by mental illness if

988

00:42:19,640 --> 00:42:17,550

you want to say something like that so I

989

00:42:21,440 --> 00:42:19,650

try to stay away from the demon part of

990

00:42:23,240 --> 00:42:21,450

things just because there's too many

991

00:42:24,940 --> 00:42:23,250

variables associated with that that I

992

00:42:28,610 --> 00:42:24,950

don't think you can really pin that down

993

00:42:30,230 --> 00:42:28,620

and I haven't you know I really don't

994

00:42:31,520 --> 00:42:30,240

know what my thoughts are on demons I

995

00:42:34,040 --> 00:42:31,530

really haven't gone down that rabbit

996

00:42:35,860 --> 00:42:34,050

hole quite yet I don't know I so I

997

00:42:38,890 --> 00:42:35,870

usually just stay away from that type of

998

00:42:41,810 --> 00:42:38,900

question and everything like that I

999

00:42:44,420 --> 00:42:41,820

people always will send me messages on

1000

00:42:46,130 --> 00:42:44,430

on the Facebook and the Twitter asking

1001
00:42:47,450 --> 00:42:46,140
me about that it and I really don't know

1002
00:42:49,850 --> 00:42:47,460
I think there's a lot of people out

1003
00:42:51,650 --> 00:42:49,860
there who know more a lot about that

1004
00:42:54,770 --> 00:42:51,660
than I do so I try to stay away and

1005
00:43:17,270 --> 00:42:54,780
direct them towards them sure it makes

1006
00:43:18,920 --> 00:43:17,280
sense I'd want to go down there here's

1007
00:43:21,710 --> 00:43:18,930
another question for you Brandon this is

1008
00:43:24,890 --> 00:43:21,720
from Preston D who asks I'm also curious

1009
00:43:28,460 --> 00:43:24,900
about the idea of ghosts vs. aliens and

1010
00:43:30,920 --> 00:43:28,470
that they may truly be the same entity

1011
00:43:32,870 --> 00:43:30,930
could aliens not project their form of

1012
00:43:35,090 --> 00:43:32,880
something we are familiar with like a

1013
00:43:39,080 --> 00:43:35,100

human being so the witness can interpret

1014

00:43:41,150 --> 00:43:39,090

it as a ghost good question yeah and I

1015

00:43:42,770 --> 00:43:41,160

think there's a lot of there's a lot of

1016

00:43:44,570 --> 00:43:42,780

thought about actually you know what are

1017

00:43:46,880 --> 00:43:44,580

apparitions and what are ghosts are they

1018

00:43:49,150 --> 00:43:46,890

sort of this internal projection of

1019

00:43:52,640 --> 00:43:49,160

what's going on with us psychologically

1020

00:43:56,420 --> 00:43:52,650

so is seeing the ghost of a recently

1021

00:43:58,940 --> 00:43:56,430

deceased relative is that sort of like

1022

00:44:02,660 --> 00:43:58,950

our grief projecting itself out into the

1023

00:44:05,330 --> 00:44:02,670

environment you know you mentioned again

1024

00:44:09,590 --> 00:44:05,340

aliens I don't know much about but you

1025

00:44:10,040 --> 00:44:09,600

know if that if that realm falls into it

1026

00:44:11,870 --> 00:44:10,050

or they

1027

00:44:13,940 --> 00:44:11,880

manipulating and doing things like that

1028

00:44:15,560 --> 00:44:13,950

so there's so many there's that's the

1029

00:44:17,660 --> 00:44:15,570

problem nowadays is there's so many

1030

00:44:20,840 --> 00:44:17,670

there's so many questions and there's so

1031

00:44:23,060 --> 00:44:20,850

many sort of thoughts about what's going

1032

00:44:25,210 --> 00:44:23,070

on or possibilities that going on it's

1033

00:44:27,500 --> 00:44:25,220

tough to sort of narrow that down

1034

00:44:29,180 --> 00:44:27,510

especially when you have this in the

1035

00:44:31,640 --> 00:44:29,190

last ten years I don't know five years

1036

00:44:33,470 --> 00:44:31,650

we're quantum mechanics and quantum

1037

00:44:36,110 --> 00:44:33,480

physics has sort of got an end to this

1038

00:44:37,940 --> 00:44:36,120

whole paranormal realm that you know you

1039

00:44:41,000 --> 00:44:37,950

could really point you could really say

1040

00:44:42,830 --> 00:44:41,010

well it's interdimensional string theory

1041

00:44:44,030 --> 00:44:42,840

types going in and then people go how do

1042

00:44:47,120 --> 00:44:44,040

you know that well it's quantum

1043

00:44:48,470 --> 00:44:47,130

mechanics so quantum mechanics has

1044

00:44:50,990 --> 00:44:48,480

become that word that sort of can

1045

00:44:53,210 --> 00:44:51,000

explain everything now and I think

1046

00:44:55,040 --> 00:44:53,220

that's and I and there's probably a lot

1047

00:44:57,380 --> 00:44:55,050

to it I'm not a physicist obviously but

1048

00:45:00,290 --> 00:44:57,390

I think it's dangerous sometimes to go

1049

00:45:02,030 --> 00:45:00,300

down that road to say well it's just

1050

00:45:05,900 --> 00:45:02,040

quantum physics or it's interdimensional

1051

00:45:08,120 --> 00:45:05,910

or it's aliens I like the sort of and

1052

00:45:10,280 --> 00:45:08,130

again my little bubble is is ghostly

1053

00:45:11,510 --> 00:45:10,290

encounters so I like to look at these

1054

00:45:14,390 --> 00:45:11,520

ghostly encounters on a case-by-case

1055

00:45:16,340 --> 00:45:14,400

basis and sort of go well what's going

1056

00:45:18,710 --> 00:45:16,350

on here why what happened in this

1057

00:45:21,770 --> 00:45:18,720

situation what was this person feeling

1058

00:45:23,210 --> 00:45:21,780

what was their personal experience and I

1059

00:45:25,880 --> 00:45:23,220

try to stay away from sort of those

1060

00:45:28,160 --> 00:45:25,890

external quantum mechanics and you know

1061

00:45:30,640 --> 00:45:28,170

aliens and dimensions and things like

1062

00:45:33,920 --> 00:45:30,650

that because I think that gets my brain

1063

00:45:36,320 --> 00:45:33,930

going in all different places you know

1064

00:45:38,600 --> 00:45:36,330

psyching you if you're researching

1065

00:45:40,010 --> 00:45:38,610

something and you google Clark physics

1066

00:45:41,990 --> 00:45:40,020

the next thing you know it's like nine

1067

00:45:49,310 --> 00:45:42,000

hours later and I'm just my eyes are

1068

00:45:52,940 --> 00:45:49,320

just I've read 2,200 websites on IHI I

1069

00:45:55,760 --> 00:45:52,950

got to go to sleep you know so I have to

1070

00:45:56,690 --> 00:45:55,770

really focus myself on one thing and one

1071

00:45:58,310 --> 00:45:56,700

thing at a time

1072

00:46:00,140 --> 00:45:58,320

and that's when people ask me about

1073

00:46:14,210 --> 00:46:00,150

demons and aliens a Bigfoot I'm going I

1074

00:46:16,250 --> 00:46:14,220

can't I can't deal with this now in your

1075

00:46:19,340 --> 00:46:16,260

book you talk a lot about electricity

1076

00:46:20,780 --> 00:46:19,350

and how that applies to this these

1077

00:46:24,350 --> 00:46:20,790

ghostly encounters tell us more about

1078

00:46:26,570 --> 00:46:24,360

that well I I there

1079

00:46:28,130 --> 00:46:26,580

the correlation between EMFs and

1080

00:46:30,380 --> 00:46:28,140

electricity and energy and ghosts has

1081

00:46:32,090 --> 00:46:30,390

been going on for a while I don't know

1082

00:46:38,780 --> 00:46:32,100

did you know any paranormal team that

1083

00:46:42,290 --> 00:46:38,790

doesn't have an EMF meter every show my

1084

00:46:44,570 --> 00:46:42,300

phone every show you why someone's

1085

00:46:48,440 --> 00:46:44,580

carrying around that EMF meter and you

1086

00:46:50,390 --> 00:46:48,450

know they it's almost part of like if

1087

00:46:52,970 --> 00:46:50,400

someone told you to draw a ghost hunter

1088

00:46:56,450 --> 00:46:52,980

they would draw with a black vest and

1089

00:46:58,520 --> 00:46:56,460

you know holding an EMF meter right so

1090

00:47:00,290 --> 00:46:58,530

the correlation between electricity and

1091

00:47:03,710 --> 00:47:00,300

ghostly encounters and going on for a

1092

00:47:05,570 --> 00:47:03,720

long time the big question is at least

1093

00:47:09,560 --> 00:47:05,580

when it comes to research parapsychology

1094

00:47:14,540 --> 00:47:09,570

and is are are these electromagnetic

1095

00:47:18,020 --> 00:47:14,550

fields in a way causing people to have

1096

00:47:20,510 --> 00:47:18,030

ghostly encounters or are ghosts

1097

00:47:22,340 --> 00:47:20,520

utilizing the energy in the environment

1098

00:47:25,100 --> 00:47:22,350

to manifest themselves which are

1099

00:47:26,330 --> 00:47:25,110

affecting these EMF meter's right so if

1100

00:47:28,400 --> 00:47:26,340

you have someone walking around with the

1101
00:47:31,220 --> 00:47:28,410
EMF meter and it goes bananas on them

1102
00:47:34,610 --> 00:47:31,230
they say oh my ears an example of a

1103
00:47:36,950 --> 00:47:34,620
ghost here you know they would say that

1104
00:47:38,360 --> 00:47:36,960
it's the the ghost is using the energy

1105
00:47:40,670 --> 00:47:38,370
and the environment to manifest

1106
00:47:43,580 --> 00:47:40,680
themselves there's a lot of research out

1107
00:47:46,580 --> 00:47:43,590
there like by Michael Persinger who is

1108
00:47:51,440 --> 00:47:46,590
him and kind of most famous for the god

1109
00:47:52,940 --> 00:47:51,450
helmet have you ever yes basically a

1110
00:47:56,360 --> 00:47:52,950
bicycle helmet that they put on these

1111
00:47:58,400 --> 00:47:56,370
people and it's a crude way of saying

1112
00:48:00,200 --> 00:47:58,410
this but it shot electromagnetic fields

1113
00:48:02,300 --> 00:48:00,210

in their brains and while they were

1114

00:48:04,040 --> 00:48:02,310

doing that in the laboratory people

1115

00:48:06,200 --> 00:48:04,050

started having this sense of presence

1116

00:48:09,260 --> 00:48:06,210

they started seeing visual apparitions

1117

00:48:11,390 --> 00:48:09,270

they started having all these haunt type

1118

00:48:13,160 --> 00:48:11,400

experiences so they were actually

1119

00:48:16,160 --> 00:48:13,170

inducing haunt type experiences in a

1120

00:48:19,160 --> 00:48:16,170

laboratory 3 em f's right and then they

1121

00:48:21,020 --> 00:48:19,170

they took that that a little further so

1122

00:48:23,450 --> 00:48:21,030

they went out into the field and they

1123

00:48:26,360 --> 00:48:23,460

found that things such as clocks by the

1124

00:48:29,120 --> 00:48:26,370

bedside we're causing these very erratic

1125

00:48:31,280 --> 00:48:29,130

and complex electromagnetic fields which

1126

00:48:34,220 --> 00:48:31,290

were causing people to have ghostly

1127

00:48:36,470 --> 00:48:34,230

encounters so it's like misinterpreting

1128

00:48:38,570 --> 00:48:36,480

things so you know if I take a bunch of

1129

00:48:42,560 --> 00:48:38,580

LSD and I see

1130

00:48:44,060 --> 00:48:42,570

flying around are those ghosts probably

1131

00:48:47,360 --> 00:48:44,070

no it probably has something to do with

1132

00:48:49,760 --> 00:48:47,370

the LSD that I just took right yes yes

1133

00:48:51,950 --> 00:48:49,770

yeah so there's a there's a reason or an

1134

00:48:55,130 --> 00:48:51,960

explanation for that so the same thing

1135

00:48:57,050 --> 00:48:55,140

with EMFs maybe EMFs if they're erratic

1136

00:48:58,970 --> 00:48:57,060

and fluctuating are causing these

1137

00:49:02,180 --> 00:48:58,980

ghostly encounters but then on the other

1138

00:49:05,390 --> 00:49:02,190

side of that the argument is well you

1139

00:49:07,190 --> 00:49:05,400

know if if you have an erratic EMF and

1140

00:49:09,320 --> 00:49:07,200

it's moving throughout the house and

1141

00:49:12,200 --> 00:49:09,330

it's following you around and there's no

1142

00:49:14,000 --> 00:49:12,210

source to the EMF wouldn't that indicate

1143

00:49:16,820 --> 00:49:14,010

that that it could be something

1144

00:49:18,500 --> 00:49:16,830

paranormal and I think that's what a lot

1145

00:49:22,010 --> 00:49:18,510

of the ghost hunters when they use this

1146

00:49:23,810 --> 00:49:22,020

these these EMFs are trying to say if

1147

00:49:25,670 --> 00:49:23,820

you have an EMF that's really high next

1148

00:49:27,500 --> 00:49:25,680

to a dishwasher you could sort of say

1149

00:49:29,780 --> 00:49:27,510

well it's the dishwasher if you have an

1150

00:49:32,420 --> 00:49:29,790

EMF that walks around the house like a

1151
00:49:34,340 --> 00:49:32,430
human then you could possibly say well

1152
00:49:37,940 --> 00:49:34,350
it's it goes so this correlation has

1153
00:49:40,430 --> 00:49:37,950
always been there and it again the

1154
00:49:42,380 --> 00:49:40,440
question is you know what is it

1155
00:49:45,730 --> 00:49:42,390
it's so in the book I go over all the

1156
00:49:48,590 --> 00:49:45,740
latest research I go over all the

1157
00:49:50,570 --> 00:49:48,600
looking at it from both sides I go over

1158
00:49:52,880 --> 00:49:50,580
sort of the electricity that's inside

1159
00:49:55,220 --> 00:49:52,890
our bodies and how that can sometimes be

1160
00:49:56,900 --> 00:49:55,230
you know ghosts might be able to you or

1161
00:49:58,550 --> 00:49:56,910
you know apparitions or ghostly

1162
00:50:01,760 --> 00:49:58,560
encounters could could be the result of

1163
00:50:04,520 --> 00:50:01,770

that as well so I I really take the

1164

00:50:07,130 --> 00:50:04,530

reader through start to finish how EMF

1165

00:50:09,230 --> 00:50:07,140

is correlated with ghostly encounters so

1166

00:50:11,240 --> 00:50:09,240

the book the book really reads is sort

1167

00:50:12,920 --> 00:50:11,250

of you know I know I'm not preaching to

1168

00:50:15,320 --> 00:50:12,930

people what's out there I'm giving them

1169

00:50:16,940 --> 00:50:15,330

the latest research on both sides and

1170

00:50:18,650 --> 00:50:16,950

I'm asking them to sort of think a

1171

00:50:21,320 --> 00:50:18,660

little bit outside the box when it comes

1172

00:50:22,550 --> 00:50:21,330

to emergency and goes and I think that

1173

00:50:24,910 --> 00:50:22,560

that's really what we need in the

1174

00:50:27,410 --> 00:50:24,920

paranormal field is just this you know

1175

00:50:29,390 --> 00:50:27,420

knowing a little bit more there's all

1176

00:50:30,710 --> 00:50:29,400

these tech books about what EMFs to use

1177

00:50:33,230 --> 00:50:30,720

what they do blah blah blah blah

1178

00:50:37,490 --> 00:50:33,240

but I think looking at what research is

1179

00:50:39,290 --> 00:50:37,500

out there and sort of understanding what

1180

00:50:42,530 --> 00:50:39,300

the correlations are I think we can get

1181

00:50:45,320 --> 00:50:42,540

a better idea of that yeah it's your

1182

00:50:48,050 --> 00:50:45,330

book is explains a lot now with

1183

00:50:51,859 --> 00:50:48,060

electricity we are also for water but

1184

00:50:53,239 --> 00:50:51,869

we're also electrical as beings and

1185

00:50:55,249 --> 00:50:53,249

and one of the things I've noticed is

1186

00:50:58,460 --> 00:50:55,259

that some of the people that I've known

1187

00:51:01,700 --> 00:50:58,470

have been very very talented mediums

1188

00:51:04,549 --> 00:51:01,710

who've gotten critically ill they lose

1189

00:51:07,279 --> 00:51:04,559

their ability through their illness it's

1190

00:51:10,400 --> 00:51:07,289

like the electrical sensation of

1191

00:51:12,559 --> 00:51:10,410

whatever they had connected to these

1192

00:51:17,180 --> 00:51:12,569

channels just goes away it's like the

1193

00:51:18,829 --> 00:51:17,190

electrical volume goes way down and they

1194

00:51:20,569 --> 00:51:18,839

didn't can't do what they used to do in

1195

00:51:22,069 --> 00:51:20,579

the past it's interesting but I know

1196

00:51:24,049 --> 00:51:22,079

it's also related to health they're also

1197

00:51:26,509 --> 00:51:24,059

saying that electrical stimulation can

1198

00:51:29,779 --> 00:51:26,519

help health you know to bring that

1199

00:51:32,390 --> 00:51:29,789

electrical volume back up so there's a

1200

00:51:34,579 --> 00:51:32,400

lot to that with the electrical

1201
00:51:37,489 --> 00:51:34,589
stimulation of who we are as people how

1202
00:51:39,259 --> 00:51:37,499
we use that yeah and like you said I

1203
00:51:41,029 --> 00:51:39,269
mean every ghostly encounter that's

1204
00:51:43,819 --> 00:51:41,039
that's happened since the dawn of time

1205
00:51:45,829 --> 00:51:43,829
has involved electricity because humans

1206
00:51:48,230 --> 00:51:45,839
have been present to see the ghost feel

1207
00:51:50,359 --> 00:51:48,240
see the poltergeist do whatever and

1208
00:51:52,249 --> 00:51:50,369
anytime a humanist present electricity

1209
00:51:56,269 --> 00:51:52,259
is present because we're electrical

1210
00:51:58,579 --> 00:51:56,279
beings from reading just reading

1211
00:52:00,979 --> 00:51:58,589
something in a book there's electrical

1212
00:52:03,229 --> 00:52:00,989
impulses going through my my eyes and in

1213
00:52:05,630 --> 00:52:03,239

my brain and you know my heart's beating

1214

00:52:07,069 --> 00:52:05,640

I got any neurons are firing there's

1215

00:52:09,920 --> 00:52:07,079

there's electricity occurring all the

1216

00:52:12,109 --> 00:52:09,930

time inside of us and it's not just

1217

00:52:14,059 --> 00:52:12,119

encapsulated inside of us it also sort

1218

00:52:15,829 --> 00:52:14,069

of leaks out into the environment as

1219

00:52:17,630 --> 00:52:15,839

well so this is this idea that

1220

00:52:18,950 --> 00:52:17,640

electricity is part of everything that

1221

00:52:22,460 --> 00:52:18,960

goes on in the world I mean we're

1222

00:52:27,220 --> 00:52:22,470

surrounded by EMFs there's no you can't

1223

00:52:33,890 --> 00:52:29,269

opportunity shall we say where the veil

1224

00:52:37,190 --> 00:52:33,900

is thinner where a person can step over

1225

00:52:39,589 --> 00:52:37,200

that feeling that they have or it

1226
00:52:42,920 --> 00:52:39,599
becomes more obvious because of the

1227
00:52:45,680 --> 00:52:42,930
electrical I think people who are more

1228
00:52:48,009 --> 00:52:45,690
sensitive to the environment like I

1229
00:52:50,420 --> 00:52:48,019
talked before mm-hmm sort of to

1230
00:52:52,400 --> 00:52:50,430
electromagnetic fields more sensitive to

1231
00:52:54,859 --> 00:52:52,410
the environment that's around them so

1232
00:52:57,309 --> 00:52:54,869
let's say ghosts have something to do

1233
00:52:59,779 --> 00:52:57,319
with like the imprint theory where

1234
00:53:01,460 --> 00:52:59,789
there's recordings in the environment

1235
00:53:05,360 --> 00:53:01,470
that certain sensitive sensitive people

1236
00:53:08,000 --> 00:53:05,370
pick up on if I'm more sensitive to

1237
00:53:08,780 --> 00:53:08,010
pmfs and EMFs are sort of encoded in the

1238
00:53:11,060 --> 00:53:08,790

environment

1239

00:53:13,340 --> 00:53:11,070

chances are I'm more likely to have

1240

00:53:15,230 --> 00:53:13,350

these encounters because a more apt to

1241

00:53:16,460 --> 00:53:15,240

what's going on magnetically in the

1242

00:53:18,440 --> 00:53:16,470

environment hmm

1243

00:53:20,090 --> 00:53:18,450

so the veil would be thinner for these

1244

00:53:23,300 --> 00:53:20,100

types of people if you want to look at

1245

00:53:26,000 --> 00:53:23,310

it like that hmm interesting so we're

1246

00:53:27,530 --> 00:53:26,010

gonna take another short break but

1247

00:53:29,450 --> 00:53:27,540

before we do I just want to remind

1248

00:53:31,220 --> 00:53:29,460

everybody go to our Facebook page give

1249

00:53:32,660 --> 00:53:31,230

us a like follow us there take a look at

1250

00:53:34,310 --> 00:53:32,670

all the stories we have all the

1251
00:53:36,650 --> 00:53:34,320
paranormal stuff going on in the world

1252
00:53:39,620 --> 00:53:36,660
today on our Facebook page

1253
00:53:42,440 --> 00:53:39,630
sign ups is the fringe files our

1254
00:53:45,800 --> 00:53:42,450
newsletter on supernatural Girls website

1255
00:53:47,840 --> 00:53:45,810
supernatural girls with z.com be sure to

1256
00:53:50,480 --> 00:53:47,850
visit Patricia Kirkman calm for her

1257
00:53:53,570 --> 00:53:50,490
special offers you get money off you

1258
00:53:56,090 --> 00:53:53,580
can't beat this deal take a look at what

1259
00:53:58,130 --> 00:53:56,100
you need for next year at Patricia

1260
00:53:59,840 --> 00:53:58,140
Kirkman calm you are listening to

1261
00:54:01,880 --> 00:53:59,850
Supernatural girls radio

1262
00:54:04,310 --> 00:54:01,890
we'll be right back welcome back

1263
00:54:06,560 --> 00:54:04,320

everyone to Supernatural girls radio I

1264

00:54:09,950 --> 00:54:06,570

am your host Patricia Baker I am here

1265

00:54:11,570 --> 00:54:09,960

with my co-host PK and our terrific

1266

00:54:12,860 --> 00:54:11,580

guest tonight we're having so much fun

1267

00:54:15,020 --> 00:54:12,870

with him Branden masuo

1268

00:54:18,590 --> 00:54:15,030

he's the author of a great book

1269

00:54:23,780 --> 00:54:18,600

everybody it is Mel it's a great read

1270

00:54:25,520 --> 00:54:23,790

you'll it's excellent it really is of

1271

00:54:28,190 --> 00:54:25,530

everything you need to read it it's

1272

00:54:39,310 --> 00:54:28,200

great but we've got to talk about what's

1273

00:54:45,500 --> 00:54:42,940

it's a proton pack from the Ghostbusters

1274

00:54:47,810 --> 00:54:45,510

when I was in grad school I built a

1275

00:54:50,120 --> 00:54:47,820

hundred percent replica of the proton

1276

00:54:52,640 --> 00:54:50,130

pack it took me a little while to build

1277

00:54:54,650 --> 00:54:52,650

but it's a hundred percent accurate I

1278

00:54:57,760 --> 00:54:54,660

didn't put the lights on it yet probably

1279

00:55:00,680 --> 00:54:57,770

never will my wife won't let me but

1280

00:55:05,170 --> 00:55:00,690

because it's bad enough it's hanging on

1281

00:55:10,730 --> 00:55:07,850

so it's a hundred percent accurate it's

1282

00:55:12,110 --> 00:55:10,740

just like the screen it's kind of my

1283

00:55:14,180 --> 00:55:12,120

pride and joy

1284

00:55:15,970 --> 00:55:14,190

I'm a big Ghostbusters fan like most

1285

00:55:18,500 --> 00:55:15,980

people who are

1286

00:55:20,390 --> 00:55:18,510

the three parapsychologist wandering

1287

00:55:27,590 --> 00:55:20,400

around with unlicensed nuclear

1288

00:55:29,090 --> 00:55:27,600

accelerators on their back well here's

1289

00:55:33,470 --> 00:55:29,100

an excellent question this is from

1290

00:55:35,540 --> 00:55:33,480

Denise Clarke cress and this we want to

1291

00:55:41,600 --> 00:55:35,550

know the answer to this what is your

1292

00:55:44,030 --> 00:55:41,610

favorite ghost case oh gosh that's a

1293

00:55:47,540 --> 00:55:44,040

tough one that is really a tough one you

1294

00:55:49,940 --> 00:55:47,550

know when I when I went through the book

1295

00:55:53,960 --> 00:55:49,950

so through the book I have a probably

1296

00:55:56,240 --> 00:55:53,970

about I don't know maybe 15 or so cases

1297

00:56:00,680 --> 00:55:56,250

in there so it's tough to pick really

1298

00:56:04,370 --> 00:56:00,690

one I will read you what I think is

1299

00:56:06,110 --> 00:56:04,380

probably my most favorite one so let me

1300

00:56:09,850 --> 00:56:06,120

pull it up here know if you don't if you

1301

00:56:15,170 --> 00:56:12,440

that's what's great you know that's to

1302

00:56:16,520 --> 00:56:15,180

me reading ghost stories and hear

1303

00:56:18,770 --> 00:56:16,530

ghostly encounters are probably one of

1304

00:56:22,310 --> 00:56:18,780

the most that's the coolest thing about

1305

00:56:24,580 --> 00:56:22,320

studying this type of thing is that you

1306

00:56:26,960 --> 00:56:24,590

know everyone has a pretty cool story

1307

00:56:28,490 --> 00:56:26,970

and then but what's great about the book

1308

00:56:31,220 --> 00:56:28,500

is I sort of break it down like hey this

1309

00:56:32,420 --> 00:56:31,230

might be going on here so let me pull

1310

00:56:34,600 --> 00:56:32,430

something up here because I can't

1311

00:56:38,630 --> 00:56:34,610

remember him off the top of my head

1312

00:56:43,010 --> 00:56:38,640

unfortunately fine yeah my memories

1313

00:56:52,280 --> 00:56:43,020

never been good okay let me get the one

1314

00:56:55,960 --> 00:56:52,290

with okay that's tough to pick one but I

1315

00:56:58,490 --> 00:56:55,970

tell you what I'll do I'll pick okay

1316

00:57:01,400 --> 00:56:58,500

this one's this one's kind of a short

1317

00:57:04,400 --> 00:57:01,410

one I I really like it though so I was

1318

00:57:06,080 --> 00:57:04,410

lying awake in bed for hours I could not

1319

00:57:08,480 --> 00:57:06,090

fall asleep and I could not understand

1320

00:57:10,520 --> 00:57:08,490

why I was very anxious and I felt of

1321

00:57:13,130 --> 00:57:10,530

sunk I felt as if something wasn't right

1322

00:57:15,110 --> 00:57:13,140

without warning a soft glowing light

1323

00:57:17,270 --> 00:57:15,120

appeared next to my bed the light

1324

00:57:19,100 --> 00:57:17,280

gradually morphed into the form of a man

1325

00:57:21,830 --> 00:57:19,110

whom I recognized instantly as my

1326

00:57:23,390 --> 00:57:21,840

ex-husband he did not say anything and

1327

00:57:25,730 --> 00:57:23,400

appeared to be just staring at me

1328

00:57:27,590 --> 00:57:25,740

what was bizarre was that I wasn't

1329

00:57:28,849 --> 00:57:27,600

scared and I had little reaction aside

1330

00:57:31,670 --> 00:57:28,859

from being curious

1331

00:57:34,009 --> 00:57:31,680

the next day I got a call from my son my

1332

00:57:36,079 --> 00:57:34,019

ex-husband's child stating that my ex

1333

00:57:37,910 --> 00:57:36,089

had died the night before unexpectedly

1334

00:57:40,099 --> 00:57:37,920

mm-hmm his death occurred around the

1335

00:57:41,930 --> 00:57:40,109

same time I saw his image in my room I

1336

00:57:46,789 --> 00:57:41,940

think he wanted to say goodbye one last

1337

00:57:50,239 --> 00:57:46,799

time yeah I think that's a pretty cool

1338

00:57:51,890 --> 00:57:50,249

story you know this person never had any

1339

00:57:54,019 --> 00:57:51,900

paranormal experiences in their life and

1340

00:57:58,670 --> 00:57:54,029

had nothing since then but you have this

1341

00:58:00,769 --> 00:57:58,680

one life-changing event that's that's

1342

00:58:02,660 --> 00:58:00,779

you see you're your ex-husband in front

1343

00:58:04,190 --> 00:58:02,670

of your bed staring at you and then

1344

00:58:06,859 --> 00:58:04,200

finding out that he died at the same

1345

00:58:09,049 --> 00:58:06,869

time you know across town or something

1346

00:58:11,930 --> 00:58:09,059

like that so me that's a life-changing

1347

00:58:14,059 --> 00:58:11,940

event and that's it but it's it doesn't

1348

00:58:15,739 --> 00:58:14,069

have demons or you know people getting

1349

00:58:19,789 --> 00:58:15,749

scratched or anything like that but it's

1350

00:58:21,829 --> 00:58:19,799

it's it's a really neat spontaneous case

1351

00:58:23,779 --> 00:58:21,839

example of a paranormal experience and

1352

00:58:26,870 --> 00:58:23,789

and to me those are sometimes the best

1353

00:58:28,880 --> 00:58:26,880

ones very simple well and it's a very

1354

00:58:32,059 --> 00:58:28,890

touching moment because clearly this was

1355

00:58:34,069 --> 00:58:32,069

an ex-husband for some reason but yet he

1356

00:58:36,589 --> 00:58:34,079

came back to say as she thought goodbye

1357

00:58:39,259 --> 00:58:36,599

one last time and she wasn't afraid as I

1358

00:58:41,569 --> 00:58:39,269

read in the story uh that she was

1359

00:58:44,509 --> 00:58:41,579

curious about it so you know that's

1360

00:58:47,779 --> 00:58:44,519

again a peaceful kind of experience

1361

00:58:50,269 --> 00:58:47,789

which is nice yeah yeah there's nothing

1362

00:58:52,519 --> 00:58:50,279

horrible about it it's it's it gives you

1363

00:58:55,189 --> 00:58:52,529

a positive feeling it sort of makes you

1364

00:58:56,839 --> 00:58:55,199

say wow afterlife there's something

1365

00:58:58,849 --> 00:58:56,849

going on there's something amazing in

1366

00:59:00,650 --> 00:58:58,859

this world that you know science really

1367

00:59:02,689 --> 00:59:00,660

hasn't been able to explain quite yet

1368

00:59:06,109 --> 00:59:02,699

and I think that's really really cool

1369

00:59:08,259 --> 00:59:06,119

and so I'll have a lot of those types of

1370

00:59:10,849 --> 00:59:08,269

stories in the in the book and Island I

1371

00:59:13,339 --> 00:59:10,859

didn't want it to be boring research the

1372

00:59:15,170 --> 00:59:13,349

whole time so I I like the stories that

1373

00:59:18,949 --> 00:59:15,180

are they're a part of it and a lot of

1374

00:59:21,499 --> 00:59:18,959

them kind of are just like that positive

1375

00:59:24,650 --> 00:59:21,509

sort of experiences and I think it's

1376

00:59:28,189 --> 00:59:24,660

wonderful yeah there's some terrifying

1377

00:59:31,699 --> 00:59:28,199

ones and ones were you know one word

1378

00:59:36,609 --> 00:59:31,709

animal dies unfortunately but yeah it's

1379

00:59:46,400 --> 00:59:41,300

I know the whole thing that's right

1380

00:59:49,070 --> 00:59:46,410

I think it's important sometimes to III

1381

00:59:50,750 --> 00:59:49,080

think pets are there's so much part of

1382

00:59:53,859 --> 00:59:50,760

our lives I'm a big dog person I have a

1383

00:59:57,560 --> 00:59:53,869

dog that's my life revolves around her

1384

00:59:59,780 --> 00:59:57,570

and I always was you know girl growing

1385

01:00:01,340 --> 00:59:59,790

up and even going through college it was

1386

01:00:03,380 --> 01:00:01,350

like well animals don't possess the

1387

01:00:05,120 --> 01:00:03,390

cognitive functions that we do so they

1388

01:00:07,820 --> 01:00:05,130

can't have these experiences bah blah

1389

01:00:10,400 --> 01:00:07,830

blah blah blah but I think that you know

1390

01:00:12,410 --> 01:00:10,410

we really are connected to our pets and

1391

01:00:14,510 --> 01:00:12,420

you know we sometimes if they're in

1392

01:00:15,890 --> 01:00:14,520

danger or if they're dying I think that

1393

01:00:19,820 --> 01:00:15,900

there is some sort of communication

1394

01:00:23,060 --> 01:00:19,830

between the two of us and I think we

1395

01:00:26,480 --> 01:00:23,070

underestimate our animals and they are

1396

01:00:28,250 --> 01:00:26,490

not I mean they they are on our level I

1397

01:00:30,680 --> 01:00:28,260

know Native Americans have said their

1398

01:00:33,260 --> 01:00:30,690

you know we don't know anything like

1399

01:00:33,770 --> 01:00:33,270

what animals no animals know more than

1400

01:00:36,530 --> 01:00:33,780

we do

1401

01:00:39,109 --> 01:00:36,540

I have a story to tell about this when

1402

01:00:41,330 --> 01:00:39,119

we thank God it wasn't about a death of

1403

01:00:43,940 --> 01:00:41,340

a pet but just too devastating for me to

1404

01:00:47,780 --> 01:00:43,950

talk about but this is an interesting

1405

01:00:50,780 --> 01:00:47,790

story when we were looking to get shih

1406

01:00:53,120 --> 01:00:50,790

tzu puppy and we had been to see the

1407

01:00:54,650 --> 01:00:53,130

puppies at this woman's house they were

1408

01:00:56,750 --> 01:00:54,660

all purebred they're beautiful my

1409

01:00:58,490 --> 01:00:56,760

husband bonded very well with one of

1410

01:01:01,160 --> 01:00:58,500

them and as you know my husband's a

1411

01:01:05,510 --> 01:01:01,170

non-believer and all of this stuff but

1412

01:01:07,609 --> 01:01:05,520

what happened was one morning both my

1413

01:01:10,840 --> 01:01:07,619

husband and I woke up and we had almost

1414

01:01:14,090 --> 01:01:10,850

exactly the same dream and in the dream

1415

01:01:16,730 --> 01:01:14,100

this puppy came to us and said you need

1416

01:01:20,000 --> 01:01:16,740

to take me home now because there's

1417

01:01:22,550 --> 01:01:20,010

something wrong with the woodstove now

1418

01:01:25,400 --> 01:01:22,560

that was my dream and that in the in my

1419

01:01:27,170 --> 01:01:25,410

dream the place burned to the ground I'm

1420

01:01:33,200 --> 01:01:27,180

a little more dramatic than my husband

1421

01:01:34,730 --> 01:01:33,210

so similar dream but the house doesn't

1422

01:01:36,109 --> 01:01:34,740

burn to the ground but he's there and

1423

01:01:37,310 --> 01:01:36,119

he's trying he's looking at the wood

1424

01:01:40,580 --> 01:01:37,320

stove trying to figure out what's wrong

1425

01:01:42,410 --> 01:01:40,590

with it so I said this is too unique

1426

01:01:46,160 --> 01:01:42,420

because my husband never remembers his

1427

01:01:48,890 --> 01:01:46,170

dreams so I called a woman I said I know

1428

01:01:50,870 --> 01:01:48,900

the dog is the puppy is a little to you

1429

01:01:53,390 --> 01:01:50,880

for you to release to us but we want to

1430

01:01:54,920 --> 01:01:53,400

pick him up anyways he was eight weeks

1431

01:01:56,960 --> 01:01:54,930

they usually don't really like to

1432

01:01:58,339 --> 01:01:56,970

release you know young dogs and his

1433

01:01:59,870 --> 01:01:58,349

small dogs like that until they're

1434

01:02:02,180 --> 01:01:59,880

twelve weeks off but I said we're

1435

01:02:03,829 --> 01:02:02,190

responsible pet owners you know we'll do

1436

01:02:08,230 --> 01:02:03,839

everything to make sure he's taken care

1437

01:02:10,670 --> 01:02:08,240

of so we brought him home early and a

1438

01:02:12,529 --> 01:02:10,680

few weeks later I called her up to see

1439

01:02:15,259 --> 01:02:12,539

how the other puppies were doing if they

1440

01:02:17,210 --> 01:02:15,269

had all found homes and she said oh my

1441

01:02:19,970 --> 01:02:17,220

god I had the most terrible thing

1442

01:02:22,609 --> 01:02:19,980

happened with the wood stove and the

1443

01:02:24,589 --> 01:02:22,619

wood stove backed up and they almost

1444

01:02:27,549 --> 01:02:24,599

have a fire but didn't in all the

1445

01:02:30,019 --> 01:02:27,559

puppies got sick they had to be put on

1446

01:02:34,009 --> 01:02:30,029

antibiotics and a whole big Megillah

1447

01:02:37,549 --> 01:02:34,019

so anyways there's a good example that's

1448

01:02:40,640 --> 01:02:37,559

out to us he knew something was wrong

1449

01:02:43,640 --> 01:02:40,650

and he needed to get out of there sooner

1450

01:02:45,950 --> 01:02:43,650

instead of later and luckily we listened

1451
01:02:49,460 --> 01:02:45,960
to what he told us in the dream and we

1452
01:02:51,440 --> 01:02:49,470
got him out of there in time so yeah I

1453
01:02:54,559 --> 01:02:51,450
think we underestimate these little

1454
01:02:56,420 --> 01:02:54,569
creatures sure I think we do too and you

1455
01:02:58,880 --> 01:02:56,430
know I think that there's a lot of

1456
01:03:01,009 --> 01:02:58,890
things we could you know they they're

1457
01:03:03,140 --> 01:03:01,019
not distracted by all the stuff that

1458
01:03:04,819 --> 01:03:03,150
weigh us down so that they're a little

1459
01:03:07,999 --> 01:03:04,829
bit more perceptive to everything that's

1460
01:03:12,200 --> 01:03:08,009
going on in the world you know in the

1461
01:03:14,509 --> 01:03:12,210
book I have this one example of it was

1462
01:03:16,220 --> 01:03:14,519
taken from like the 1860s it was from

1463
01:03:19,249 --> 01:03:16,230

the phantasms of the living which is a

1464

01:03:24,859 --> 01:03:19,259

book that was written late 1860's about

1465

01:03:27,200 --> 01:03:24,869

bob the dog and yeah so you know this is

1466

01:03:30,499 --> 01:03:27,210

obviously I wasn't in the 1860s to get

1467

01:03:33,019 --> 01:03:30,509

this but from the book I pulled it from

1468

01:03:37,039 --> 01:03:33,029

this phantasms of the living book so in

1469

01:03:40,729 --> 01:03:37,049

in this in this example this the the

1470

01:03:41,239 --> 01:03:40,739

gentleman wakes up one night and from a

1471

01:03:49,519 --> 01:03:41,249

nightmare

1472

01:03:52,220 --> 01:03:49,529

is like he senses an awful oppression

1473

01:03:54,170 --> 01:03:52,230

and a terrified struggle for life like

1474

01:03:56,630 --> 01:03:54,180

the act of drowning in water would

1475

01:04:00,130 --> 01:03:56,640

perhaps possibly involved and he dreamed

1476

01:04:02,360 --> 01:04:00,140

that his his black retriever was was

1477

01:04:04,940 --> 01:04:02,370

named Bob was

1478

01:04:08,210 --> 01:04:04,950

was laying in on his side and the in the

1479

01:04:09,830 --> 01:04:08,220

in the water of some kind and in this

1480

01:04:12,530 --> 01:04:09,840

vision the dog was trying to speak to

1481

01:04:14,930 --> 01:04:12,540

him in words and he was transmitting to

1482

01:04:18,250 --> 01:04:14,940

him there was mine this this idea that

1483

01:04:21,170 --> 01:04:18,260

he was dying and then he kind of woke up

1484

01:04:24,110 --> 01:04:21,180

and you know his wife was like what are

1485

01:04:25,730 --> 01:04:24,120

you doing and and she was like you know

1486

01:04:30,980 --> 01:04:25,740

you were making all these weird barking

1487

01:04:32,960 --> 01:04:30,990

noises and when you were god so not only

1488

01:04:35,870 --> 01:04:32,970

was he getting this sort of telepathic

1489

01:04:38,240 --> 01:04:35,880

message from his dog but somehow he was

1490

01:04:41,000 --> 01:04:38,250

almost trying to like talk to the dog

1491

01:04:43,640 --> 01:04:41,010

back like he was working and making dog

1492

01:04:46,340 --> 01:04:43,650

noises so there was some sort of

1493

01:04:48,110 --> 01:04:46,350

communication happening obviously the

1494

01:04:50,540 --> 01:04:48,120

next day that unfortunately the dog was

1495

01:04:52,850 --> 01:04:50,550

was found in a river or something like

1496

01:04:55,880 --> 01:04:52,860

that but you have this idea where this

1497

01:04:59,180 --> 01:04:55,890

dog has this emotional life-threatening

1498

01:05:02,180 --> 01:04:59,190

event and he somehow was communicating

1499

01:05:03,890 --> 01:05:02,190

this to his owner you know and there's

1500

01:05:06,230 --> 01:05:03,900

some sort of communication happening

1501
01:05:09,560 --> 01:05:06,240
like a telepathic thought transference

1502
01:05:11,560 --> 01:05:09,570
type thing happening so the you know to

1503
01:05:15,680 --> 01:05:11,570
me that's a kind of a really cool

1504
01:05:19,160 --> 01:05:15,690
example of this things that are

1505
01:05:21,410 --> 01:05:19,170
happening that we're not really looking

1506
01:05:23,150 --> 01:05:21,420
for just happen out of the blue and it

1507
01:05:26,900 --> 01:05:23,160
has to do with emotions it has to do

1508
01:05:29,030 --> 01:05:26,910
with communicating thoughts across long

1509
01:05:30,770 --> 01:05:29,040
distances and I think that's all

1510
01:05:32,600 --> 01:05:30,780
fascinating and I think it all sort of

1511
01:05:35,660 --> 01:05:32,610
goes to those deathbed apparitions and

1512
01:05:38,660 --> 01:05:35,670
crisis apparitions yeah and so they do

1513
01:05:41,060 --> 01:05:38,670

they are connected to us and we need to

1514

01:05:42,680 --> 01:05:41,070

listen to what they have to say it's too

1515

01:05:44,450 --> 01:05:42,690

bad he couldn't save the dog because it

1516

01:05:47,630 --> 01:05:44,460

sounded like the dog was really wanting

1517

01:05:49,940 --> 01:05:47,640

to be saved so that's too bad well

1518

01:05:51,860 --> 01:05:49,950

here's another question for you this is

1519

01:05:54,080 --> 01:05:51,870

from Bailey Shaw who says what about

1520

01:05:55,070 --> 01:05:54,090

ghostly possessions like we saw in the

1521

01:06:00,230 --> 01:05:55,080

movie ghosts

1522

01:06:03,140 --> 01:06:00,240

is this all a farce ghostly possessions

1523

01:06:12,970 --> 01:06:03,150

like god I haven't seen ghosts in a

1524

01:06:16,120 --> 01:06:12,980

while yes and that would be Goldberg

1525

01:06:18,880 --> 01:06:16,130

yeah you know a lot of the case examples

1526

01:06:20,890 --> 01:06:18,890

that I come across I've never come

1527

01:06:24,250 --> 01:06:20,900

across anyone who's who's reported to be

1528

01:06:26,710 --> 01:06:24,260

possessed by a spirit of any kind if

1529

01:06:27,970 --> 01:06:26,720

that does happen I suppose it's probably

1530

01:06:32,650 --> 01:06:27,980

really really really really really

1531

01:06:35,980 --> 01:06:32,660

really really rare so I I and I've I've

1532

01:06:37,300 --> 01:06:35,990

spoken to many people and in the UK and

1533

01:06:40,329 --> 01:06:37,310

here in the states as well and I've

1534

01:06:42,910 --> 01:06:40,339

never come across anyone who's talked

1535

01:06:44,380 --> 01:06:42,920

about possession so usually if I don't

1536

01:06:46,150 --> 01:06:44,390

talk about it face to face with somebody

1537

01:06:48,010 --> 01:06:46,160

I don't really talk about it too much so

1538

01:07:02,109 --> 01:06:48,020

unfortunately I can't answer that one

1539

01:07:05,500 --> 01:07:02,119

too much I've gotten good at saying I

1540

01:07:07,540 --> 01:07:05,510

don't know yeah sometimes people will

1541

01:07:13,569 --> 01:07:07,550

ask me about Bigfoot and I say I don't

1542

01:07:14,410 --> 01:07:13,579

know anything I don't know you know I go

1543

01:07:16,690 --> 01:07:14,420

into some of these paranormal

1544

01:07:17,859 --> 01:07:16,700

conferences I think there's a lot of

1545

01:07:19,630 --> 01:07:17,869

pressure for people who are doing

1546

01:07:21,430 --> 01:07:19,640

lectures and speaking to have all the

1547

01:07:22,990 --> 01:07:21,440

answers and you can't have all the

1548

01:07:25,329 --> 01:07:23,000

answers especially when it comes to the

1549

01:07:27,910 --> 01:07:25,339

paranormal so you have to just say this

1550

01:07:29,500 --> 01:07:27,920

is what I think but I don't know because

1551

01:07:34,300 --> 01:07:29,510

I should I don't know about demons I

1552

01:07:36,579 --> 01:07:34,310

don't know about the new technologies

1553

01:07:39,490 --> 01:07:36,589

that are coming out I have heard some

1554

01:07:41,260 --> 01:07:39,500

remarkable experiences with some of the

1555

01:07:44,349 --> 01:07:41,270

new technologies so instead of getting

1556

01:07:46,540 --> 01:07:44,359

some little garbled EVP they're getting

1557

01:07:48,490 --> 01:07:46,550

full conversations with people that have

1558

01:07:50,500 --> 01:07:48,500

passed over in the voice of the person

1559

01:07:54,250 --> 01:07:50,510

who passed have you had an experience

1560

01:07:57,370 --> 01:07:54,260

for that no unfortunately not I've been

1561

01:08:00,880 --> 01:07:57,380

going on a lot more ghost investigations

1562

01:08:04,380 --> 01:08:00,890

in fact this this past weekend a team

1563

01:08:07,420 --> 01:08:04,390

had invited me to the Collingwood Arts

1564

01:08:11,050 --> 01:08:07,430

Center in Toledo Ohio which is which is

1565

01:08:13,750 --> 01:08:11,060

a pretty old building and they use all

1566

01:08:16,329 --> 01:08:13,760

the spirit boxes and they used you know

1567

01:08:19,180 --> 01:08:16,339

a lot of the latest stuff and nothing

1568

01:08:20,709 --> 01:08:19,190

really came across so I've heard about

1569

01:08:22,059 --> 01:08:20,719

this technology I've heard stories about

1570

01:08:24,160 --> 01:08:22,069

it but I've never had any sort of

1571

01:08:27,410 --> 01:08:24,170

first-hand experiences about

1572

01:08:30,560 --> 01:08:27,420

involving it actually working or

1573

01:08:32,540 --> 01:08:30,570

something that was abnormal so you know

1574

01:08:35,150 --> 01:08:32,550

I always tell people I'm I'm looking

1575

01:08:37,400 --> 01:08:35,160

well again I'm open-minded to anything

1576

01:08:39,500 --> 01:08:37,410

so I go to these investigations if

1577

01:08:42,110 --> 01:08:39,510

somebody asked me to go I I sit in the

1578

01:08:44,210 --> 01:08:42,120

dark rooms and I I listen to you know

1579

01:08:47,060 --> 01:08:44,220

try to talk and you know I'll ask

1580

01:08:50,720 --> 01:08:47,070

questions to you know just to sort of be

1581

01:08:52,760 --> 01:08:50,730

part of it but I've never had that that

1582

01:08:55,640 --> 01:08:52,770

paranormal experience like seeing a full

1583

01:08:57,170 --> 01:08:55,650

apparition or having something bizarre

1584

01:08:59,930 --> 01:08:57,180

like that happen

1585

01:09:03,140 --> 01:08:59,940

so I'm open to that and so I don't want

1586

01:09:05,960 --> 01:09:03,150

people to think that I'm close-minded I

1587

01:09:10,700 --> 01:09:05,970

but I haven't had anything like that but

1588

01:09:11,810 --> 01:09:10,710

a lot of the new Tech's is god I can't

1589

01:09:14,180 --> 01:09:11,820

even keep up with a lot of the tech

1590

01:09:15,800 --> 01:09:14,190

that's out there you know they have a

1591

01:09:17,090 --> 01:09:15,810

lot of this evidence on YouTube and

1592

01:09:20,450 --> 01:09:17,100

things like that that I watch and I

1593

01:09:21,980 --> 01:09:20,460

listen to but it's tough to really and

1594

01:09:23,210 --> 01:09:21,990

this is may sound horrible Sam it's

1595

01:09:25,730 --> 01:09:23,220

tough to believe it unless you're

1596

01:09:27,380 --> 01:09:25,740

actually there it's like these pictures

1597

01:09:28,970 --> 01:09:27,390

you know there's pictures there's

1598

01:09:30,440 --> 01:09:28,980

pictures are popping up and they're like

1599

01:09:32,870 --> 01:09:30,450

well it looks like a ghost and then two

1600

01:09:35,090 --> 01:09:32,880

weeks later it's it's a ghost app that

1601
01:09:36,800 --> 01:09:35,100
someone just made up and you know it's

1602
01:09:38,020 --> 01:09:36,810
like if it's unless I'm there it's hard

1603
01:09:41,360 --> 01:09:38,030
for me to believe it

1604
01:09:44,900 --> 01:09:41,370
yeah it's really frustrating I think for

1605
01:09:46,730 --> 01:09:44,910
people who love the paranormal to have

1606
01:09:49,310 --> 01:09:46,740
to sort through all of the things that

1607
01:09:51,530 --> 01:09:49,320
people kind of fudge their way through I

1608
01:09:54,560 --> 01:09:51,540
wish they would stop doing that because

1609
01:09:57,050 --> 01:09:54,570
it just muddies the water so much and we

1610
01:09:59,060 --> 01:09:57,060
prefer it if people would just post

1611
01:10:01,280 --> 01:09:59,070
their real encounters and not try to

1612
01:10:04,400 --> 01:10:01,290
photoshop it or whatever they're doing

1613
01:10:07,160 --> 01:10:04,410

it and yeah makes it yeah and now it's

1614

01:10:08,960 --> 01:10:07,170

almost like my you know maybe ten years

1615

01:10:10,970 --> 01:10:08,970

ago when I was going through Facebook ID

1616

01:10:13,910 --> 01:10:10,980

like oh go a real ghostly picture and

1617

01:10:16,250 --> 01:10:13,920

I'd pop on it now it's like happens

1618

01:10:18,920 --> 01:10:16,260

thirty times a day I get something on my

1619

01:10:21,440 --> 01:10:18,930

facebook saying proof of ghosts I'm like

1620

01:10:27,050 --> 01:10:21,450

okay and then two hours later proof of

1621

01:10:29,000 --> 01:10:27,060

ghosts okay and I'm like yeah like you

1622

01:10:31,390 --> 01:10:29,010

said it muddies the water makes things a

1623

01:10:34,370 --> 01:10:31,400

lot more challenging whereas you know

1624

01:10:36,470 --> 01:10:34,380

back in the 70s and 80s if there was a

1625

01:10:37,970 --> 01:10:36,480

there was a cool ghost picture it was

1626

01:10:40,640 --> 01:10:37,980

just you know

1627

01:10:42,590 --> 01:10:40,650

well this one picture circulated for you

1628

01:10:46,010 --> 01:10:42,600

know forever like the great lady or

1629

01:10:49,070 --> 01:10:46,020

whatever else was out there yeah that

1630

01:10:51,070 --> 01:10:49,080

one did go around forever but yeah I

1631

01:10:53,210 --> 01:10:51,080

just again I just wish people would stop

1632

01:10:55,130 --> 01:10:53,220

making stuff up and let's stick to what

1633

01:10:57,410 --> 01:10:55,140

they really find cuz people are finding

1634

01:10:59,180 --> 01:10:57,420

some really great things and we'd love

1635

01:11:01,280 --> 01:10:59,190

to be able to see them and enjoy them

1636

01:11:03,200 --> 01:11:01,290

but some of the recent technology that

1637

01:11:05,420 --> 01:11:03,210

I've heard is absolutely mind-boggling

1638

01:11:07,250 --> 01:11:05,430

and we're hoping to get more of these

1639

01:11:08,870 --> 01:11:07,260

folks on our show so that we can

1640

01:11:10,610 --> 01:11:08,880

demonstrate it to our audience and they

1641

01:11:13,070 --> 01:11:10,620

can actually have a live experience like

1642

01:11:15,050 --> 01:11:13,080

you said it makes a big difference when

1643

01:11:17,000 --> 01:11:15,060

you're there and and you have this

1644

01:11:19,340 --> 01:11:17,010

experience yourself so we're hoping to

1645

01:11:21,470 --> 01:11:19,350

get some of them on in the next couple

1646

01:11:22,460 --> 01:11:21,480

of months and here's a question this is

1647

01:11:25,790 --> 01:11:22,470

from Tom Rader

1648

01:11:28,490 --> 01:11:25,800

hi Brandon do we all become ghosts like

1649

01:11:41,450 --> 01:11:28,500

a piece of matter or energy that can

1650

01:11:44,720 --> 01:11:41,460

never truly be destroyed no no what I

1651

01:11:47,150 --> 01:11:44,730

think in the book I go over this a lot

1652

01:11:49,340 --> 01:11:47,160

I'm a big proponent of consciousness and

1653

01:11:53,210 --> 01:11:49,350

consciousness existing outside of our

1654

01:11:54,740 --> 01:11:53,220

physical brains so a lot of time in

1655

01:11:56,570 --> 01:11:54,750

mainstream science the idea was that

1656

01:12:00,229 --> 01:11:56,580

consciousness is a part of our brain

1657

01:12:03,229 --> 01:12:00,239

right so we're like robots in a way once

1658

01:12:04,880 --> 01:12:03,239

once we once the body shuts down then we

1659

01:12:09,380 --> 01:12:04,890

cease to exist and there's nothing more

1660

01:12:12,380 --> 01:12:09,390

after that but within the last probably

1661

01:12:14,570 --> 01:12:12,390

five years or so this there's this idea

1662

01:12:16,970 --> 01:12:14,580

that consciousness is not just located

1663

01:12:22,190 --> 01:12:16,980

inside our brain but it's actually

1664

01:12:24,110 --> 01:12:22,200

external sort of like so these

1665

01:12:25,550 --> 01:12:24,120

near-death experiences it's it's more

1666

01:12:27,800 --> 01:12:25,560

it's more like it has to do with

1667

01:12:29,810 --> 01:12:27,810

consciousness so if the idea that

1668

01:12:32,720 --> 01:12:29,820

consciousness are self awareness who we

1669

01:12:34,910 --> 01:12:32,730

are is not located internally and is

1670

01:12:38,920 --> 01:12:34,920

external that opens the door to this

1671

01:12:43,880 --> 01:12:38,930

idea of near-death experiences

1672

01:12:46,729 --> 01:12:43,890

reincarnation sigh ESP those types of

1673

01:12:48,320 --> 01:12:46,739

phenomenon that are out there so I would

1674

01:12:51,200 --> 01:12:48,330

say the consciousness probably plays a

1675

01:12:51,890 --> 01:12:51,210

role after you after your your body

1676

01:12:54,860 --> 01:12:51,900

ceases

1677

01:12:57,080 --> 01:12:54,870

to exist consciousness may may hang

1678

01:12:59,750 --> 01:12:57,090

around for a little while now how long

1679

01:13:02,090 --> 01:12:59,760

it hangs around I don't know if it's 2

1680

01:13:04,430 --> 01:13:02,100

minutes or if it's 2 years I have no

1681

01:13:06,860 --> 01:13:04,440

idea there's people who have near-death

1682

01:13:09,080 --> 01:13:06,870

experiences who can describe after they

1683

01:13:10,850 --> 01:13:09,090

die what's going on beneath them that's

1684

01:13:13,700 --> 01:13:10,860

sort of this idea that consciousness has

1685

01:13:19,370 --> 01:13:13,710

left the body and it's it's still able

1686

01:13:20,570 --> 01:13:19,380

to sort of understand what's going on

1687

01:13:23,209 --> 01:13:20,580

and then when they're brought back

1688

01:13:25,100 --> 01:13:23,219

obviously consciousness goes goes back

1689

01:13:27,350 --> 01:13:25,110

to the body and sort of resonates with

1690

01:13:29,990 --> 01:13:27,360

the mind again and then they remember

1691

01:13:31,790 --> 01:13:30,000

that type of thing so you know maybe

1692

01:13:33,590 --> 01:13:31,800

when when the body ceases to exist

1693

01:13:36,229 --> 01:13:33,600

consciousness is still sort of floating

1694

01:13:38,000 --> 01:13:36,239

around there you know Michael Persinger

1695

01:13:39,830 --> 01:13:38,010

who we talked about a little bit earlier

1696

01:13:41,990 --> 01:13:39,840

has a youtube video out called no more

1697

01:13:45,979 --> 01:13:42,000

secrets and in it he kind of goes over

1698

01:13:49,070 --> 01:13:45,989

this idea that the the environment so

1699

01:13:54,310 --> 01:13:49,080

the atmosphere has enough energy to sort

1700

01:13:56,540 --> 01:13:54,320

of hold and maintain everybody's

1701
01:13:58,070 --> 01:13:56,550
everybody who every human that's ever

1702
01:14:00,830 --> 01:13:58,080
lived their thoughts feelings and

1703
01:14:03,380 --> 01:14:00,840
emotions in a way so if this idea that

1704
01:14:04,910 --> 01:14:03,390
that those are sort of hanging around in

1705
01:14:06,590 --> 01:14:04,920
the atmosphere and we can sort of link

1706
01:14:10,520 --> 01:14:06,600
into them that opens up the possibility

1707
01:14:12,590 --> 01:14:10,530
to a lot of things so this idea and and

1708
01:14:14,120 --> 01:14:12,600
this is this is actually flowing in the

1709
01:14:17,180 --> 01:14:14,130
mainstream science a little bit more

1710
01:14:18,740 --> 01:14:17,190
there's a lot of neuroscientists there

1711
01:14:20,840 --> 01:14:18,750
are psychologists who are saying you

1712
01:14:22,700 --> 01:14:20,850
know what maybe we were wrong maybe

1713
01:14:24,320 --> 01:14:22,710

consciousness is not part of our brain

1714

01:14:25,970 --> 01:14:24,330

maybe it's external and like I said

1715

01:14:29,000 --> 01:14:25,980

before that opens the door to a lot of

1716

01:14:33,560 --> 01:14:29,010

things and to me that would answer the

1717

01:14:35,959 --> 01:14:33,570

question that the person had asked yeah

1718

01:14:38,000 --> 01:14:35,969

it's an interesting question and I mean

1719

01:14:39,590 --> 01:14:38,010

I've heard I heard one explanation of

1720

01:14:42,800 --> 01:14:39,600

death which I think is the best one I've

1721

01:14:44,600 --> 01:14:42,810

heard yet where the person came through

1722

01:14:46,850 --> 01:14:44,610

a medium and said well it was like I was

1723

01:14:48,530 --> 01:14:46,860

sitting in this chair over here and then

1724

01:14:52,070 --> 01:14:48,540

I died and now I'm sitting in this chair

1725

01:14:53,510 --> 01:14:52,080

over here so you know that's how how

1726

01:14:56,870 --> 01:14:53,520

simple it is and it's a great

1727

01:14:59,419 --> 01:14:56,880

explanation I think but yeah although

1728

01:15:02,750 --> 01:14:59,429

these are such fabulous questions to

1729

01:15:05,669 --> 01:15:02,760

keep asking and your book does provide

1730

01:15:08,189 --> 01:15:05,679

some direction as to where to look next

1731

01:15:09,719 --> 01:15:08,199

you know for for some of these answers I

1732

01:15:11,459 --> 01:15:09,729

think you know that I think

1733

01:15:15,089 --> 01:15:11,469

consciousness and consciousness studies

1734

01:15:17,009 --> 01:15:15,099

I think we're gonna hear a lot more

1735

01:15:18,870 --> 01:15:17,019

about that in the next two or three

1736

01:15:20,879 --> 01:15:18,880

years when it comes to the paranormal

1737

01:15:23,549 --> 01:15:20,889

you're gonna see a lot more books about

1738

01:15:26,069 --> 01:15:23,559

how consciousness relates to ghosts and

1739

01:15:28,310 --> 01:15:26,079

paranormal and near-death experiences so

1740

01:15:30,359 --> 01:15:28,320

you're probably going to get a lot more

1741

01:15:33,089 --> 01:15:30,369

people on this show we're gonna be

1742

01:15:34,560 --> 01:15:33,099

talking a lot better than I will so I

1743

01:15:37,949 --> 01:15:34,570

think that's really where the field is

1744

01:15:40,080 --> 01:15:37,959

shifting yeah I think there's a lot of

1745

01:15:41,459 --> 01:15:40,090

people that that are reaching out and

1746

01:15:45,719 --> 01:15:41,469

and they're not they're no longer

1747

01:15:48,209 --> 01:15:45,729

ashamed but talking about these things

1748

01:15:50,879 --> 01:15:48,219

thank goodness it is following more of a

1749

01:15:52,979 --> 01:15:50,889

mainstream current for a change which is

1750

01:15:54,870 --> 01:15:52,989

great because we need to look at all the

1751

01:15:57,000 --> 01:15:54,880

stuff and it's these are unanswered

1752

01:15:59,040 --> 01:15:57,010

questions for millennia so we need to be

1753

01:16:01,319 --> 01:15:59,050

able to have some some better

1754

01:16:03,390 --> 01:16:01,329

discussions about this without the

1755

01:16:04,890 --> 01:16:03,400

embarrassment you know that that has

1756

01:16:07,679 --> 01:16:04,900

been heaped on people that have had

1757

01:16:10,949 --> 01:16:07,689

experiences or have some you know some

1758

01:16:12,929 --> 01:16:10,959

idea of what's going on but you know

1759

01:16:15,620 --> 01:16:12,939

with consciousness let me just mention

1760

01:16:18,689 --> 01:16:15,630

one more thing you know some of the best

1761

01:16:21,089 --> 01:16:18,699

remote viewers and mediums I've ever met

1762

01:16:23,549 --> 01:16:21,099

have had tremendously traumatic early

1763

01:16:25,290 --> 01:16:23,559

lives and it seems like one of the

1764

01:16:27,660 --> 01:16:25,300

things that all of that traumatic

1765

01:16:30,120 --> 01:16:27,670

emotion has done is it's allowed them a

1766

01:16:32,219 --> 01:16:30,130

non-local consciousness so they can

1767

01:16:34,199 --> 01:16:32,229

separate more from their physical

1768

01:16:37,410 --> 01:16:34,209

reality and take their consciousness

1769

01:16:42,089 --> 01:16:37,420

other places so I think you know there's

1770

01:16:43,890 --> 01:16:42,099

a lot to be said for for that and we've

1771

01:16:45,989 --> 01:16:43,900

had some healers on the show that had

1772

01:16:49,229 --> 01:16:45,999

horrible childhoods but somehow we're

1773

01:16:51,540 --> 01:16:49,239

able to to manifest these amazing gifts

1774

01:16:56,339 --> 01:16:51,550

and again from non-local consciousness

1775

01:16:57,779 --> 01:16:56,349

so anyway yes it's just oh we love this

1776

01:17:02,640 --> 01:16:57,789

stuff and we love having you on the show

1777

01:17:08,390 --> 01:17:02,650

friends yeah yeah and the book is

1778

01:17:12,839 --> 01:17:08,400

wonderful it really is joy to read

1779

01:17:14,669 --> 01:17:12,849

interesting yeah it's great and I think

1780

01:17:16,350 --> 01:17:14,679

it's I think it's good for anyone who's

1781

01:17:18,270 --> 01:17:16,360

interested in the paranormal so that's

1782

01:17:19,350 --> 01:17:18,280

paranormal investigators or just people

1783

01:17:21,870 --> 01:17:19,360

who just like

1784

01:17:24,240 --> 01:17:21,880

ghost stories but I think what it does

1785

01:17:26,189 --> 01:17:24,250

is it really has a provides the most

1786

01:17:28,379 --> 01:17:26,199

up-to-date research it provides all the

1787

01:17:30,530 --> 01:17:28,389

the past theories and it gives a couple

1788

01:17:32,669 --> 01:17:30,540

of new theories so it's going to explain

1789

01:17:34,830 --> 01:17:32,679

what's going on with these crisis

1790

01:17:37,560 --> 01:17:34,840

separations these deathbed visions it's

1791

01:17:39,149 --> 01:17:37,570

going to talk about how what's going on

1792

01:17:41,970 --> 01:17:39,159

maybe with hauntings it's going to talk

1793

01:17:44,609 --> 01:17:41,980

about you know the the relationship

1794

01:17:46,950 --> 01:17:44,619

between you know mental illness and and

1795

01:17:48,870 --> 01:17:46,960

paranormal stuff but you know I think

1796

01:17:50,459 --> 01:17:48,880

it's important to know that because a

1797

01:17:52,169 --> 01:17:50,469

lot of people will ask me do you are you

1798

01:17:54,270 --> 01:17:52,179

skeptic are you believer

1799

01:17:55,800 --> 01:17:54,280

I definitely lean more towards the idea

1800

01:17:59,729 --> 01:17:55,810

that paranormal phenomenon ghostly

1801
01:18:01,530 --> 01:17:59,739
encounters are genuine so you know I

1802
01:18:03,810 --> 01:18:01,540
think that a lot of people find comfort

1803
01:18:05,459 --> 01:18:03,820
when I say that so I always like saying

1804
01:18:06,840 --> 01:18:05,469
that I don't want to say like I don't

1805
01:18:08,129 --> 01:18:06,850
want to hide behind the research or

1806
01:18:09,540 --> 01:18:08,139
anything I think there is a lot out

1807
01:18:13,560 --> 01:18:09,550
there that says that these encounters

1808
01:18:15,720 --> 01:18:13,570
are 100% genuine well thanks again

1809
01:18:16,590 --> 01:18:15,730
Brandon for a great shout out we really

1810
01:18:18,660 --> 01:18:16,600
appreciate it

1811
01:18:21,000 --> 01:18:18,670
we'll be back next week everybody we

1812
01:18:23,040 --> 01:18:21,010
have white spirit animals to discuss

1813
01:18:25,500 --> 01:18:23,050

with everybody we will be doing that and

1814

01:18:28,080 --> 01:18:25,510

I want to again welcome our new

1815

01:18:30,240 --> 01:18:28,090

advertiser Australian we'll be talking

1816

01:18:33,209 --> 01:18:30,250

more about their products next week they

1817

01:18:35,939 --> 01:18:33,219

are on the website check them out up

1818

01:18:36,629 --> 01:18:35,949

until then we will see you on the blue

1819

01:18:43,540 --> 01:18:36,639

Highway
