1  
00:00:05,960 --> 00:00:03,290  
York and company welcome welcome to UFO

2  
00:00:11,120 --> 00:00:05,970  
headline news with me Heidi Hollis

3  
00:00:15,200 --> 00:00:11,130  
today is Tuesday December 15 we're going

4  
00:00:18,050 --> 00:00:15,210  
to last off with some UFO reports the

5  
00:00:21,470 --> 00:00:18,060  
first one States UFO sighting and poloz

6  
00:00:25,609 --> 00:00:21,480  
Bo Washington this occurred

7  
00:00:29,320 --> 00:00:25,619  
November 30th of 2017 in brief they

8  
00:00:32,959 --> 00:00:29,330  
State looked like strange small moon at

9  
00:00:35,660 --> 00:00:32,969  
first heavy cloud cover during event I

10  
00:00:39,139 --> 00:00:35,670  
was watching a dark triangle appeared to

11  
00:00:43,180 --> 00:00:39,149  
be parked hovering overhead after

12  
00:00:47,240 --> 00:00:43,190  
clearing up a long swath of cloud cover

13  
00:00:49,400 --> 00:00:47,250

in more detail the witness states I was

14

00:00:52,610 --> 00:00:49,410

looking at the way the clouds appeared

15

00:00:56,240 --> 00:00:52,620

to be a triangle shape object when I

16

00:00:59,990 --> 00:00:56,250

noticed a moonlight like object above

17

00:01:02,150 --> 00:01:00,000

the cloud cover it was more strange than

18

00:01:05,539 --> 00:01:02,160

the triangle object of which I'm

19

00:01:09,080 --> 00:01:05,549

accustomed to I guess because a video

20

00:01:12,130 --> 00:01:09,090

taped this object caught and dry night

21

00:01:17,450 --> 00:01:12,140

overlooked a small farmhouse and field

22

00:01:20,359 --> 00:01:17,460

video sucks phone is old and cheap and I

23

00:01:23,090 --> 00:01:20,369

was cold and have a broken wrist this is

24

00:01:26,240 --> 00:01:23,100

chopped up pictures are better than I

25

00:01:28,280 --> 00:01:26,250

could see with my eyes and was after

26

00:01:31,550 --> 00:01:28,290

zooming in on picture I took of that

27

00:01:35,210 --> 00:01:31,560

object that I even clued in on what it

28

00:01:38,600 --> 00:01:35,220

had been sorry I skipped triangle craft

29

00:01:44,749 --> 00:01:38,610

but those never come out anyways and are

30

00:01:46,819 --> 00:01:44,759

nothing new around here okay context UFO

31

00:01:51,469 --> 00:01:46,829

sighting black triangle sighting in

32

00:01:54,219 --> 00:01:51,479

Liechtenstein Baden württemberg and this

33

00:01:59,270 --> 00:01:54,229

is a blast from the past this occurred

34

00:02:04,359 --> 00:01:59,280

October 13th 2009 in brief they state

35

00:02:07,340 --> 00:02:04,369

very fast triangle o Mach 10 woo

36

00:02:12,530 --> 00:02:07,350

disappeared like a Klingon bird-of-prey

37

00:02:13,730 --> 00:02:12,540

in Star Trek they state walking from

38

00:02:17,810 --> 00:02:13,740

home to

39

00:02:21,110 --> 00:02:17,820

gymnastic unit I was looking Southwest

40

00:02:23,270 --> 00:02:21,120

to the Switzerland Mountains cloudy but

41

00:02:27,860 --> 00:02:23,280

clear skies over the mountains from

42

00:02:30,260 --> 00:02:27,870

Southwest to west sunset glow first I

43

00:02:32,540 --> 00:02:30,270

thought that it was three parallel

44

00:02:34,160 --> 00:02:32,550

flying meteors but it did not change

45

00:02:37,100 --> 00:02:34,170

speed and altitude

46

00:02:39,580 --> 00:02:37,110

it was bluish white glowing lights and

47

00:02:43,540 --> 00:02:39,590

triangle formation and altitude

48

00:02:49,640 --> 00:02:43,550

approximately over thirty thousand feet

49

00:02:55,220 --> 00:02:49,650

from vaduz and to st. Martin which is 20

50

00:02:59,390 --> 00:02:55,230

miles in 10 seconds I was surprised the

51  
00:03:03,470 --> 00:02:59,400  
lights turned off and the whole triangle

52  
00:03:07,540 --> 00:03:03,480  
shimmered and disappeared ooh pretty

53  
00:03:09,910 --> 00:03:07,550  
cool our next UFO sighting comes from

54  
00:03:15,200 --> 00:03:09,920  
Villa Park Illinois

55  
00:03:17,990 --> 00:03:15,210  
November 30th 2017 in brief the witness

56  
00:03:20,630 --> 00:03:18,000  
states was talking on phone in parking

57  
00:03:24,830 --> 00:03:20,640  
lot when I saw the object in the East it

58  
00:03:28,640 --> 00:03:24,840  
was in slow flight receding from me

59  
00:03:32,630 --> 00:03:28,650  
I was amazed as it looked like the ISS

60  
00:03:35,330 --> 00:03:32,640  
except it was low and close and its

61  
00:03:38,420 --> 00:03:35,340  
shape was an hourglass which was

62  
00:03:43,040 --> 00:03:38,430  
illuminated red with white appendages

63  
00:03:45,880 --> 00:03:43,050

huh in more detail the witness states my

64

00:03:49,910 --> 00:03:45,890

background I had just witnessed the ISS

65

00:03:55,220 --> 00:03:49,920

overhead zenith in its spectacular glory

66

00:03:57,980 --> 00:03:55,230

at 5:17 p.m. and had flown from West at

67

00:04:00,800 --> 00:03:57,990

zenith to the east I was alerted to it

68

00:04:03,110 --> 00:04:00,810

by my friend whom told me it would be

69

00:04:05,960 --> 00:04:03,120

the brightest ever just three minutes

70

00:04:08,420 --> 00:04:05,970

prior as I was driving to the Chinese

71

00:04:12,080 --> 00:04:08,430

restaurant to pick up an order for

72

00:04:15,020 --> 00:04:12,090

dinner the ISS was the best I've ever

73

00:04:19,039 --> 00:04:15,030

seen the body was illuminated and the

74

00:04:21,289 --> 00:04:19,049

solar panels were and its sides one of

75

00:04:24,740 --> 00:04:21,299

the north and one to the south folded

76

00:04:26,370 --> 00:04:24,750

like wings I parked the car in the East

77

00:04:28,650 --> 00:04:26,380

Gate shopping center

78

00:04:32,190 --> 00:04:28,660

parking lot and try to get a better view

79

00:04:34,740 --> 00:04:32,200

with my small binoculars they didn't

80

00:04:37,110 --> 00:04:34,750

help so I grabbed my large 50 millimeter

81

00:04:40,920 --> 00:04:37,120

binoculars from the trunk and couldn't

82

00:04:43,650 --> 00:04:40,930

focus in time after the ISS s had

83

00:04:47,220 --> 00:04:43,660

departed to the east-northeast and was

84

00:04:53,100 --> 00:04:47,230

going out of sight I went in to mr.

85

00:04:54,990 --> 00:04:53,110

Watson's to pick up my food which I had

86

00:04:57,630 --> 00:04:55,000

called in Oh that's important to know

87

00:05:00,930 --> 00:04:57,640

once outside at my car I called my

88

00:05:04,020 --> 00:05:00,940

friend who alerted me to the ISS as we

89

00:05:08,010 --> 00:05:04,030

were talking he asked if I saw a second

90

00:05:12,900 --> 00:05:08,020

object traveling with or beside the ISS

91

00:05:15,000 --> 00:05:12,910

and I said no then to the east directly

92

00:05:18,390 --> 00:05:15,010

east of the shopping center at 30

93

00:05:22,260 --> 00:05:18,400

degrees I saw an object that looked like

94

00:05:26,180 --> 00:05:22,270

the ISS it had the same appearance which

95

00:05:31,050 --> 00:05:26,190

is very unique except for it being low

96

00:05:34,410 --> 00:05:31,060

500 feet or lower and it's body was

97

00:05:35,060 --> 00:05:34,420

illuminated cherry red in an hourglass

98

00:05:38,550 --> 00:05:35,070

shape

99

00:05:42,960 --> 00:05:38,560

the white portion was exactly like the

100

00:05:46,530 --> 00:05:42,970

ISS solar panels it was in slow flight

101  
00:05:48,390 --> 00:05:46,540  
not hovering I told my friend and I

102  
00:05:51,600 --> 00:05:48,400  
don't know if I described it because I

103  
00:05:54,390 --> 00:05:51,610  
was so excited I don't know what it was

104  
00:05:57,570 --> 00:05:54,400  
it was unlike any airplane or helicopter

105  
00:06:00,240 --> 00:05:57,580  
I've seen and my binoculars were in the

106  
00:06:02,490 --> 00:06:00,250  
car I couldn't take my eyes off it

107  
00:06:04,380 --> 00:06:02,500  
except for an instant when I told my

108  
00:06:08,790 --> 00:06:04,390  
friend I'll try to capture it on the

109  
00:06:12,420 --> 00:06:08,800  
iPhone the photo did not turn out at all

110  
00:06:14,490 --> 00:06:12,430  
I could get was a bright light in the

111  
00:06:16,860 --> 00:06:14,500  
sky higher than streetlights

112  
00:06:20,160 --> 00:06:16,870  
I watched the object for several minutes

113  
00:06:22,320 --> 00:06:20,170

till it receded from view I got in the

114

00:06:25,020 --> 00:06:22,330

car thinking maybe I could chase it but

115

00:06:27,750 --> 00:06:25,030

realized it was already a mile or so

116

00:06:31,260 --> 00:06:27,760

away and chasing it in suburban traffic

117

00:06:33,750 --> 00:06:31,270

would be fruitless I can later do a

118

00:06:38,310 --> 00:06:33,760

sketch of the object and perhaps find a

119

00:06:45,900 --> 00:06:40,770

next is a UFO sighting in Rocky River

120

00:06:48,890 --> 00:06:45,910

Ohio this occurred on November 15 2017

121

00:06:52,460 --> 00:06:48,900

and they briefly described it as I

122

00:06:55,230 --> 00:06:52,470

shaped glowing object that disappeared

123

00:06:59,670 --> 00:06:55,240

the witness goes on the state I was up

124

00:07:03,300 --> 00:06:59,680

early for work and at approximately 3045

125

00:07:07,980 --> 00:07:03,310

a.m. I was looking to the west northwest

126  
00:07:11,960 --> 00:07:07,990  
and saw an eye shaped object that had a

127  
00:07:16,410 --> 00:07:11,970  
dull faded blue light in the center and

128  
00:07:18,600 --> 00:07:16,420  
a white outline semi glowing traveling

129  
00:07:21,840 --> 00:07:18,610  
at a great speed in a straight line

130  
00:07:25,230 --> 00:07:21,850  
towards the north before I could even

131  
00:07:29,730 --> 00:07:25,240  
relay what I saw to my coworker a thin

132  
00:07:33,300 --> 00:07:29,740  
white line opened up and the object

133  
00:07:35,600 --> 00:07:33,310  
disappeared into it both the object and

134  
00:07:39,000 --> 00:07:35,610  
white line vanished

135  
00:07:42,480 --> 00:07:39,010  
simultaneously never thought in my life

136  
00:07:44,340 --> 00:07:42,490  
I would see something so amazing we'll

137  
00:07:47,760 --> 00:07:44,350  
never forget that morning for the rest

138  
00:07:48,420 --> 00:07:47,770

of my life every time I go to work that

139

00:07:52,500 --> 00:07:48,430

early

140

00:07:57,510 --> 00:07:52,510

I'm always looking up to the sky in that

141

00:08:01,050 --> 00:07:57,520

certain point hmm fascinating next UFO

142

00:08:05,850 --> 00:08:01,060

sighting occurred in DeForest Wisconsin

143

00:08:09,240 --> 00:08:05,860

on November 28th 2017 briefly described

144

00:08:13,530 --> 00:08:09,250

as identical to your case number seven

145

00:08:18,210 --> 00:08:13,540

four four four two except no blinking

146

00:08:21,990 --> 00:08:18,220

light same time of day and also Madison

147

00:08:25,260 --> 00:08:22,000

Wisconsin periphery the witness goes on

148

00:08:28,140 --> 00:08:25,270

to state driving north on highway 51 and

149

00:08:32,430 --> 00:08:28,150

DeForest Wisconsin around 5:10 a.m. on

150

00:08:35,909 --> 00:08:32,440

November 28th 2017 I saw an object I

151  
00:08:38,010 --> 00:08:35,919  
thought was a landing plane since I was

152  
00:08:42,450 --> 00:08:38,020  
about five miles directly north of the

153  
00:08:47,850 --> 00:08:42,460  
airport the quote plane appeared in a

154  
00:08:51,540 --> 00:08:47,860  
foreshortened context ie squarish it was

155  
00:08:53,550 --> 00:08:51,550  
no more than a quarter mile west for me

156  
00:08:56,940 --> 00:08:53,560  
I thought it was quite low in descent

157  
00:08:59,160 --> 00:08:56,950  
for the distance from the airport it did

158  
00:09:01,170 --> 00:08:59,170  
not appear to be moving which I thought

159  
00:09:03,090 --> 00:09:01,180  
was due to my angle of sight and the

160  
00:09:06,389 --> 00:09:03,100  
fact that I was driving in the opposite

161  
00:09:09,630 --> 00:09:06,399  
direction after a few seconds there

162  
00:09:11,970 --> 00:09:09,640  
still was no movement I lowered my

163  
00:09:17,400 --> 00:09:11,980

window to get a better view trying to

164

00:09:22,650 --> 00:09:17,410

see if it was a tower the object I saw

165

00:09:26,970 --> 00:09:22,660

mirrors the February 11th 2016 sighting

166

00:09:29,790 --> 00:09:26,980

in Verona Wisconsin MUFON Case 74 for

167

00:09:32,250 --> 00:09:29,800

two including the time of day and

168

00:09:34,769 --> 00:09:32,260

location in the Madison Wisconsin

169

00:09:38,370 --> 00:09:34,779

periphery the one exception is that I

170

00:09:41,670 --> 00:09:38,380

saw no blinking white light what I did

171

00:09:44,730 --> 00:09:41,680

see was a square ish dark object about

172

00:09:48,240 --> 00:09:44,740

60 feet in diameter with red lights on

173

00:09:50,670 --> 00:09:48,250

corners it was difficult to see against

174

00:09:52,759 --> 00:09:50,680

the black sky it was hovering about a

175

00:09:55,940 --> 00:09:52,769

hundred to two hundred feet up and

176

00:09:59,160 --> 00:09:55,950

continued to hover after I drove past

177

00:10:02,130 --> 00:09:59,170

the location was easily identify since

178

00:10:06,740 --> 00:10:02,140

it hovered directly south of a large

179

00:10:09,900 --> 00:10:06,750

distribution center I also saw a couple

180

00:10:13,620 --> 00:10:09,910

bar like extensions on the ground side

181

00:10:16,139 --> 00:10:13,630

that reminded me of antenna driving home

182

00:10:18,840 --> 00:10:16,149

that afternoon and on my way to work the

183

00:10:22,410 --> 00:10:18,850

following morning I scoped out the area

184

00:10:26,550 --> 00:10:22,420

to see if I had viewed anything in the

185

00:10:29,310 --> 00:10:26,560

landscape but it was empty hmm very

186

00:10:32,930 --> 00:10:29,320

fascinating next we're gonna dab a

187

00:10:36,210 --> 00:10:32,940

little bit into some mystery science

188

00:10:38,610 --> 00:10:36,220

over the past four decades the writer

189

00:10:42,260 --> 00:10:38,620

states I have interviewed more than a

190

00:10:45,120 --> 00:10:42,270

hundred and sixty US Air Force veterans

191

00:10:49,550 --> 00:10:45,130

regarding their involvement in UFO

192

00:10:52,500 --> 00:10:49,560

incidents at nuclear weapons sites an

193

00:10:56,250 --> 00:10:52,510

overview of the key cases is presented

194

00:10:59,460 --> 00:10:56,260

in my documentary film the writer states

195

00:11:03,090 --> 00:10:59,470

a more comprehensive summary of the UFO

196

00:11:05,170 --> 00:11:03,100

nooks connection which may be found in

197

00:11:08,050 --> 00:11:05,180

their book

198

00:11:11,410 --> 00:11:08,060

CNN's live stream coverage of my

199

00:11:13,660 --> 00:11:11,420

September 2010 press conference may be

200

00:11:17,050 --> 00:11:13,670

viewed here and we will have those links

201  
00:11:21,940 --> 00:11:17,060  
on a UFO headline news com and it goes

202  
00:11:25,780 --> 00:11:21,950  
on to state in the early 1970s Michael D

203  
00:11:30,910 --> 00:11:25,790  
Jenkins was a member of the 96 security

204  
00:11:34,270 --> 00:11:30,920  
police squadron or SPS located at dyers

205  
00:11:37,620 --> 00:11:34,280  
Air Force Base in Texas at that time the

206  
00:11:41,950 --> 00:11:37,630  
base was home to the 96 bombardment wing

207  
00:11:45,220 --> 00:11:41,960  
composed of nuclear-armed b-52 bombers

208  
00:11:50,370 --> 00:11:45,230  
the nukes were stockpiled at the weapon

209  
00:11:54,660 --> 00:11:50,380  
storage area or WUSA operated by the 96

210  
00:11:59,890 --> 00:11:54,670  
missions maintenance squadron or MMS

211  
00:12:02,800 --> 00:11:59,900  
Jenkins recently told the author in 1973

212  
00:12:05,350 --> 00:12:02,810  
I was a sergeat efore and worked at the

213  
00:12:08,380 --> 00:12:05,360

secondary central security control

214

00:12:11,650 --> 00:12:08,390

facility in the munitions maintenance

215

00:12:13,780 --> 00:12:11,660

area I think this happened in October I

216

00:12:16,780 --> 00:12:13,790

was standing on the third-floor balcony

217

00:12:19,600 --> 00:12:16,790

of the SPS barracks talking to a buddy

218

00:12:22,840 --> 00:12:19,610

when I noticed a vehicle with yellowish

219

00:12:25,660 --> 00:12:22,850

flashing lights speeding down the access

220

00:12:28,180 --> 00:12:25,670

road from the headquarters area one

221

00:12:30,760 --> 00:12:28,190

light meant it was the assistant base

222

00:12:33,820 --> 00:12:30,770

commander for operations two lights

223

00:12:38,770 --> 00:12:33,830

meant it was the base commander the

224

00:12:40,960 --> 00:12:38,780

vehicle had two flashing lights moments

225

00:12:46,330 --> 00:12:40,970

later I saw a security alert team

226  
00:12:51,070 --> 00:12:46,340  
vehicle designated SAT two racing toward

227  
00:12:54,400 --> 00:12:51,080  
our location suddenly klaxon went off in

228  
00:12:57,580 --> 00:12:54,410  
the building notifying us of a recall to

229  
00:12:59,860 --> 00:12:57,590  
the central security control CFC

230  
00:13:02,740 --> 00:12:59,870  
facility we went to our rooms and

231  
00:13:04,870 --> 00:13:02,750  
quickly got dressed the chief master

232  
00:13:07,750 --> 00:13:04,880  
sergeant came over the intercom speaker

233  
00:13:11,350 --> 00:13:07,760  
telling us to ready ourselves and to

234  
00:13:14,110 --> 00:13:11,360  
board the ton-and-a-half truck waiting

235  
00:13:16,960 --> 00:13:14,120  
outside the barracks while enroute to

236  
00:13:19,060 --> 00:13:16,970  
the CSC which was located near the

237  
00:13:23,380 --> 00:13:19,070  
flight line we noticed that

238  
00:13:26,080 --> 00:13:23,390

mm s area seemed brighter than usual the

239

00:13:29,230 --> 00:13:26,090

igloo bunkers that house the weapons are

240

00:13:31,840 --> 00:13:29,240

surrounded by ballpark type lights which

241

00:13:35,170 --> 00:13:31,850

are really bright but the glow we saw

242

00:13:37,390 --> 00:13:35,180

was much brighter I just assumed that it

243

00:13:41,170 --> 00:13:37,400

was caused by the moon rising over the

244

00:13:43,810 --> 00:13:41,180

horizon upon arrival we were ordered to

245

00:13:46,930 --> 00:13:43,820

draw weapons from the armory and to get

246

00:13:51,040 --> 00:13:46,940

in line for our order assignments I was

247

00:13:53,620 --> 00:13:51,050

given SAT three which always patrolled

248

00:13:56,640 --> 00:13:53,630

the western perimeter of the base near

249

00:13:59,410 --> 00:13:56,650

the c-130 transport practice runway

250

00:14:02,200 --> 00:13:59,420

while we were on the Patrol we kept our

251  
00:14:06,760 --> 00:14:02,210  
radio open and loud to catch orders from

252  
00:14:12,880 --> 00:14:06,770  
CSC and heard that they had sent 12 cops

253  
00:14:16,600 --> 00:14:12,890  
armed with m16s out to the MS area we

254  
00:14:19,440 --> 00:14:16,610  
also heard the three dog k9 teams that

255  
00:14:21,910 --> 00:14:19,450  
normally patrolled the mm/s perimeter

256  
00:14:26,080 --> 00:14:21,920  
reporting that the dogs were afraid and

257  
00:14:28,300 --> 00:14:26,090  
acting up CSC was worried they would

258  
00:14:31,930 --> 00:14:28,310  
turn on their handlers and ordered them

259  
00:14:35,170 --> 00:14:31,940  
to be withdrawn from the area also we

260  
00:14:38,440 --> 00:14:35,180  
heard that a c-130 was on approach to

261  
00:14:42,670 --> 00:14:38,450  
the base and had been ordered by CSC to

262  
00:14:45,940 --> 00:14:42,680  
do a flyby of the MMS area to get a look

263  
00:14:48,670 --> 00:14:45,950

at it from the air the CSC microphone

264

00:14:52,090 --> 00:14:48,680

was open and we could hear this in the

265

00:14:55,660 --> 00:14:52,100

background chatter we listened to all of

266

00:14:57,820 --> 00:14:55,670

this the cops with m16s being dispatched

267

00:15:01,780 --> 00:14:57,830

the problem with the dogs

268

00:15:04,390 --> 00:15:01,790

here from New York and company radio in

the truck as second CSC and main CSC

283

00:15:44,819 --> 00:15:41,410

talked back and forth the next thing we

284

00:15:46,710 --> 00:15:44,829

heard was an order to fire on some kind

285

00:15:50,489 --> 00:15:46,720

of object that was hovering over the

286

00:15:52,679 --> 00:15:50,499

weapons eclose the order to move it out

287

00:15:55,650 --> 00:15:52,689

of the area came from Strategic Air

288

00:15:59,429 --> 00:15:55,660

Command headquarters at Offutt Air Force

289

00:16:02,160 --> 00:15:59,439

Base seconds later as we sat in our

290

00:16:05,699 --> 00:16:02,170

vehicle with the windows down we could

291

00:16:08,040 --> 00:16:05,709

hear gunfire across the base at that

292

00:16:10,829 --> 00:16:08,050

moment we saw a streak of bluish white

293

00:16:15,329 --> 00:16:10,839

light moving at high speeds towards the

294

00:16:18,030 --> 00:16:15,339

southwest it was the UFO getting out of

295

00:16:20,910 --> 00:16:18,040

there it passed right over the end of

296

00:16:23,249 --> 00:16:20,920

the runway after about three hours of

297

00:16:27,900 --> 00:16:23,259

continuous patrolling we were ordered to

298

00:16:29,699 --> 00:16:27,910

come in via CSC when we arrived there we

299

00:16:33,239 --> 00:16:29,709

were ordered to standby in the

300

00:16:35,340 --> 00:16:33,249

inspection room for further orders while

301  
00:16:38,069 --> 00:16:35,350  
we waited we talked with the guys who

302  
00:16:42,030 --> 00:16:38,079  
had shot at the UFO asking them about

303  
00:16:43,980 --> 00:16:42,040  
what they saw they seemed scared one of

304  
00:16:46,619 --> 00:16:43,990  
the other sergeants said that he had

305  
00:16:49,860 --> 00:16:46,629  
never believed in flying saucers but now

306  
00:16:53,730 --> 00:16:49,870  
he did another person described it to me

307  
00:16:58,160 --> 00:16:53,740  
as a large ball of light that hovered at

308  
00:17:01,169 --> 00:16:58,170  
about 150 to 200 feet above the igloo

309  
00:17:04,019 --> 00:17:01,179  
after 20 minutes waiting we were called

310  
00:17:05,909 --> 00:17:04,029  
to attention by an officer and told that

311  
00:17:09,000 --> 00:17:05,919  
if anyone were to ask about this

312  
00:17:13,199 --> 00:17:09,010  
incident we were to refer them to the

313  
00:17:15,240 --> 00:17:13,209

base information officer we were to tell

314

00:17:19,409 --> 00:17:15,250

no one about what had happened this

315

00:17:22,500 --> 00:17:19,419

night under penalty of court-martial one

316

00:17:25,620 --> 00:17:22,510

of the sergeants in the CSC room spoke

317

00:17:29,039 --> 00:17:25,630

up and told the officers present that

318

00:17:32,610 --> 00:17:29,049

the UFO had leaked something as it moved

319

00:17:35,789 --> 00:17:32,620

out across the base we later found out

320

00:17:39,060 --> 00:17:35,799

it was like the angel hair that you put

321

00:17:42,750 --> 00:17:39,070

on Christmas trees it created a trail

322

00:17:44,159 --> 00:17:42,760

from the MMS area all the way across the

323

00:17:46,710 --> 00:17:44,169

base to the southwest

324

00:17:51,090 --> 00:17:46,720

perimeter past the southern runway of

325

00:17:54,450 --> 00:17:51,100

the c-130 practice area the next day I

326

00:17:58,830 --> 00:17:54,460

was assigned to the primary CSC area

327

00:18:00,930 --> 00:17:58,840

with four hours of sleep a teletype

328

00:18:03,749 --> 00:18:00,940

message was given to me to take to our

329

00:18:06,419 --> 00:18:03,759

commanding officer the envelope was

330

00:18:10,830 --> 00:18:06,429

large and marked classified but not

331

00:18:14,430 --> 00:18:10,840

sealed I was cleared for top-secret

332

00:18:17,099 --> 00:18:14,440

messages so I snuck a peek as I walked

333

00:18:19,710 --> 00:18:17,109

into the majors office I don't remember

334

00:18:22,190 --> 00:18:19,720

his name basically the message said that

335

00:18:25,229 --> 00:18:22,200

the Texas Department of Public Safety

336

00:18:27,570 --> 00:18:25,239

had taken samples of the angel-hair to

337

00:18:30,180 --> 00:18:27,580

their lab and that the state of Texas

338

00:18:33,930 --> 00:18:30,190

would advise the Air Force regarding

339

00:18:36,499 --> 00:18:33,940

their findings the angel hair hung

340

00:18:39,960 --> 00:18:36,509

around on the area of ropes and

341

00:18:42,479 --> 00:18:39,970

buildings for three days on the third

342

00:18:46,649 --> 00:18:42,489

day it rained and the material dissolved

343

00:18:50,039 --> 00:18:46,659

completely disappearing the day after

344

00:18:53,999 --> 00:18:50,049

that I again served my shift at CSC and

345

00:18:57,989 --> 00:18:54,009

another teletype came in only this one

346

00:19:00,989 --> 00:18:57,999

was top-secret again then envelope was

347

00:19:04,710 --> 00:19:00,999

not sealed the message read something

348

00:19:07,619 --> 00:19:04,720

like after full chemical analysis it is

349

00:19:11,549 --> 00:19:07,629

the opinion of this lab that the

350

00:19:14,700 --> 00:19:11,559

substance is not of this world or words

351  
00:19:18,359 --> 00:19:14,710  
to that effect I was discharged from the

352  
00:19:22,169 --> 00:19:18,369  
Air Force in 1974 I said nothing about

353  
00:19:24,979 --> 00:19:22,179  
this incident until 1977 when I

354  
00:19:29,180 --> 00:19:24,989  
contacted the Center for UFO studies

355  
00:19:32,720 --> 00:19:29,190  
they never did anything with my tip in

356  
00:19:36,060 --> 00:19:32,730  
2015 I sent this information to MUFON

357  
00:19:40,139 --> 00:19:36,070  
again nothing was done with it as far as

358  
00:19:42,539 --> 00:19:40,149  
I know that's why I'm writing you the

359  
00:19:46,440 --> 00:19:42,549  
author goes on the state I asked Jenkins

360  
00:19:49,499 --> 00:19:46,450  
to send me his DD 214 military service

361  
00:19:52,499 --> 00:19:49,509  
record to confirm his former status as

362  
00:19:57,470 --> 00:19:52,509  
an Air Force security policeman assigned

363  
00:19:59,150 --> 00:19:57,480

to the 96 SPS he readily complied

364

00:20:01,010 --> 00:19:59,160

provided me with the names of a few

365

00:20:03,200 --> 00:20:01,020

other persons who were involved in the

366

00:20:04,100 --> 00:20:03,210

incident and I will attempt to locate

367

00:20:08,090 --> 00:20:04,110

them

368

00:20:11,240 --> 00:20:08,100

this report is only one of many UFO's

369

00:20:14,080 --> 00:20:11,250

maneuvering above United States Air

370

00:20:17,510 --> 00:20:14,090

Force nuclear weapons storage areas

371

00:20:23,060 --> 00:20:17,520

documented incidents occurred in man's

372

00:20:28,940 --> 00:20:23,070

Ino Base New Mexico and Calin Base Texas

373

00:20:32,480 --> 00:20:28,950

in 1949 at Loring Air Force Base Maine

374

00:20:36,590 --> 00:20:32,490

and Worth Smith Air Force Base Michigan

375

00:20:41,000 --> 00:20:36,600

in 1975 and at Kirtland Air Force Base

376

00:20:45,980 --> 00:20:41,010

New Mexico and the RAF Bentwaters base

377

00:20:47,060 --> 00:20:45,990

in the UK in 1980 the so called

378

00:20:50,360 --> 00:20:47,070

angel-hair

379

00:20:54,130 --> 00:20:50,370

mentioned by Jenkins is a well-known if

380

00:21:00,919 --> 00:20:54,140

in frequently reported feature in some

381

00:21:04,820 --> 00:21:00,929

UFO sighting cases Wow pretty cool on to

382

00:21:09,890 --> 00:21:04,830

some paranormal points the haunted

383

00:21:12,440 --> 00:21:09,900

camper don't dump down my ex and I

384

00:21:15,409 --> 00:21:12,450

purchased a camper and moved it onto our

385

00:21:18,680 --> 00:21:15,419

property the old man who lived in it

386

00:21:20,299 --> 00:21:18,690

before had fallen in the camper hit his

387

00:21:25,010 --> 00:21:20,309

head on the corner of the kitchen

388

00:21:29,240 --> 00:21:25,020

countertop and died oh gosh there was

389

00:21:31,760 --> 00:21:29,250

still a blood stain on the carpet the

390

00:21:34,340 --> 00:21:31,770

man's children were from out of the area

391

00:21:37,580 --> 00:21:34,350

and didn't want to deal with a hassle of

392

00:21:38,890 --> 00:21:37,590

moving the camper so they sold it for

393

00:21:42,110 --> 00:21:38,900

next to nothing

394

00:21:44,480 --> 00:21:42,120

not long after we moved the camper next

395

00:21:47,270 --> 00:21:44,490

to our home I was sleeping on the couch

396

00:21:50,539 --> 00:21:47,280

in our living room I was lying with my

397

00:21:54,020 --> 00:21:50,549

back facing out towards the room nearly

398

00:21:57,289 --> 00:21:54,030

asleep when something touched me and I

399

00:21:59,960 --> 00:21:57,299

jerked awake my first instinct was that

400

00:22:00,560 --> 00:21:59,970

my child had come to wake me because he

401  
00:22:02,780 --> 00:22:00,570  
couldn't sleep

402  
00:22:07,010 --> 00:22:02,790  
I turned around I asked him what was

403  
00:22:09,440 --> 00:22:07,020  
wrong but nothing was there I then

404  
00:22:11,210 --> 00:22:09,450  
thought it was my cat because he would

405  
00:22:14,240 --> 00:22:11,220  
occasionally come up and tap

406  
00:22:16,610 --> 00:22:14,250  
with his paw I got up and looked around

407  
00:22:20,539 --> 00:22:16,620  
for the cat but he was sleeping in my

408  
00:22:23,480 --> 00:22:20,549  
child's room on his bed I was creeped

409  
00:22:26,149 --> 00:22:23,490  
out and almost went back into the

410  
00:22:29,390 --> 00:22:26,159  
bedroom but decided to go back to the

411  
00:22:32,840 --> 00:22:29,400  
couch to this day I'm convinced that

412  
00:22:36,529 --> 00:22:32,850  
something inhuman touched me that night

413  
00:22:39,919 --> 00:22:36,539

I had a few other strange things happen

414

00:22:43,370 --> 00:22:39,929

I felt like it had something to do with

415

00:22:46,100 --> 00:22:43,380

moving that camper to our house another

416

00:22:49,669 --> 00:22:46,110

time I was home alone watching TV in the

417

00:22:52,149 --> 00:22:49,679

living room my chihuahua was lying in

418

00:22:55,340 --> 00:22:52,159

the corner of the room facing towards me

419

00:22:57,649 --> 00:22:55,350

all of a sudden he got up I started

420

00:23:00,380 --> 00:22:57,659

barking as if he saw something

421

00:23:03,049 --> 00:23:00,390

Chihuahuas do that don't they uh at

422

00:23:06,080 --> 00:23:03,059

first I thought it was barking at me

423

00:23:08,779 --> 00:23:06,090

which was unusual but I realized he

424

00:23:12,830 --> 00:23:08,789

wasn't looking directly at me but in

425

00:23:15,560 --> 00:23:12,840

front and to the side of me he then went

426  
00:23:19,070 --> 00:23:15,570  
from barking - whimpering and running

427  
00:23:24,020 --> 00:23:19,080  
around in circles in the room as if

428  
00:23:26,840 --> 00:23:24,030  
something was chasing him he continued

429  
00:23:29,690 --> 00:23:26,850  
on into the kitchen which is when I

430  
00:23:33,230 --> 00:23:29,700  
noticed he was not only running in

431  
00:23:36,830 --> 00:23:33,240  
circles and crying he was also peeing on

432  
00:23:39,710 --> 00:23:36,840  
the floor as he ran I picked him up and

433  
00:23:42,500 --> 00:23:39,720  
tried to comfort him and look to see if

434  
00:23:44,539 --> 00:23:42,510  
there was anything wrong and was so

435  
00:23:46,510 --> 00:23:44,549  
concerned I called my boyfriend and

436  
00:23:49,669 --> 00:23:46,520  
asked if I should take him to the vet

437  
00:23:51,890 --> 00:23:49,679  
his sister worked at a vet clinic so I

438  
00:23:54,049 --> 00:23:51,900

drove him down there just to make sure

439

00:23:56,419 --> 00:23:54,059

there wasn't anything wrong with him

440

00:23:58,190 --> 00:23:56,429

they looked him over and said he was

441

00:24:01,549 --> 00:23:58,200

fine and couldn't explain the strange

442

00:24:05,120 --> 00:24:01,559

behavior I don't know but part of me

443

00:24:10,310 --> 00:24:05,130

thinks maybe he was barking at something

444

00:24:12,860 --> 00:24:10,320

he saw that didn't seem to like I think

445

00:24:16,039 --> 00:24:12,870

that thing started to chase my dog and

446

00:24:16,760 --> 00:24:16,049

scared him to the point of him peeing on

447

00:24:19,700 --> 00:24:16,770

himself

448

00:24:24,920 --> 00:24:19,710

my dog had never behaved that way before

449

00:24:33,740 --> 00:24:24,930

and never did again it was just a weird

450

00:24:37,880 --> 00:24:33,750

inexplicable freakout next the haunted

451  
00:24:40,400 --> 00:24:37,890  
train station one day my friends and I

452  
00:24:43,310 --> 00:24:40,410  
were down at a local park that was

453  
00:24:45,200 --> 00:24:43,320  
surrounded by woods there was a small

454  
00:24:48,440 --> 00:24:45,210  
clearing where a fence guarded the

455  
00:24:50,810 --> 00:24:48,450  
railroad tracks over the tracks was a

456  
00:24:54,410 --> 00:24:50,820  
small building that we thought was an

457  
00:24:55,040 --> 00:24:54,420  
abandoned station it was clearly not in

458  
00:24:57,440 --> 00:24:55,050  
use

459  
00:25:00,020 --> 00:24:57,450  
all of the windows were shattered and

460  
00:25:03,560 --> 00:25:00,030  
the roof was starting to cave in

461  
00:25:07,280 --> 00:25:03,570  
however we could see shapes moving

462  
00:25:09,380 --> 00:25:07,290  
inside we eventually decided they were

463  
00:25:12,470 --> 00:25:09,390

reflections even though they moved

464

00:25:13,880 --> 00:25:12,480

differently the next summer we decided

465

00:25:16,780 --> 00:25:13,890

to get a look

466

00:25:21,410 --> 00:25:16,790

so we crossed the quiet railway and

467

00:25:23,840 --> 00:25:21,420

headed toward the building as soon as we

468

00:25:27,050 --> 00:25:23,850

came near we got the feeling that

469

00:25:30,590 --> 00:25:27,060

someone was watching us when we entered

470

00:25:34,280 --> 00:25:30,600

the building we saw strange scratch

471

00:25:38,120 --> 00:25:34,290

marks on the walls then we suddenly

472

00:25:42,610 --> 00:25:38,130

heard a strange whisper followed by a

473

00:25:45,950 --> 00:25:42,620

massive bang as if something fell over

474

00:25:48,410 --> 00:25:45,960

we all ran away as fast as we could

475

00:25:51,620 --> 00:25:48,420

there's no telling what it was and we'll

476  
00:25:54,500 --> 00:25:51,630  
never know because we've haven't been

477  
00:26:01,330 --> 00:25:54,510  
near that building again and never

478  
00:26:06,590 --> 00:26:01,340  
planned to go back huh okay all right a

479  
00:26:09,440 --> 00:26:06,600  
final paranormal point story and they

480  
00:26:13,010 --> 00:26:09,450  
begin my family and I were camping on a

481  
00:26:17,570 --> 00:26:13,020  
lake in Central Texas on a week with

482  
00:26:19,340 --> 00:26:17,580  
very few people around our spot was on

483  
00:26:21,410 --> 00:26:19,350  
the edge of the camp next to the woods

484  
00:26:23,510 --> 00:26:21,420  
and very close to the edge of the lake

485  
00:26:25,250 --> 00:26:23,520  
we were playing pictionary by the

486  
00:26:30,430 --> 00:26:25,260  
campfire the first night we were there

487  
00:26:32,930 --> 00:26:30,440  
when I saw a light go by over the lake I

488  
00:26:35,540 --> 00:26:32,940

didn't think much of it and was still

489

00:26:37,940 --> 00:26:35,550

focusing on the game when another one

490

00:26:38,600 --> 00:26:37,950

went by at the same speed following the

491

00:26:41,539 --> 00:26:38,610

same line

492

00:26:43,820 --> 00:26:41,549

at that point I felt a little bit

493

00:26:47,509 --> 00:26:43,830

strange but still wasn't too worried

494

00:26:50,840 --> 00:26:47,519

about it after that another one went by

495

00:26:54,169 --> 00:26:50,850

and I pointed out to my dad who said he

496

00:26:56,750 --> 00:26:54,179

noticed it as well we've walked out past

497

00:26:59,149 --> 00:26:56,760

the campfire and campground lights to

498

00:27:01,340 --> 00:26:59,159

get a better view of the lights they

499

00:27:04,460 --> 00:27:01,350

continued to fly by over the lake going

500

00:27:06,769 --> 00:27:04,470

the same speed and staying the Zack same

501  
00:27:09,950 --> 00:27:06,779  
distance from each other they were

502  
00:27:13,159 --> 00:27:09,960  
reddish yellow orbs and there was no

503  
00:27:15,820 --> 00:27:13,169  
sound coming from them by then my whole

504  
00:27:20,299 --> 00:27:15,830  
family was watching in awe and disbelief

505  
00:27:24,080 --> 00:27:20,309  
after about 15 lights went by the last

506  
00:27:28,310 --> 00:27:24,090  
one was chased by a white ball of light

507  
00:27:30,379 --> 00:27:28,320  
that was much closer than the rest we

508  
00:27:34,070 --> 00:27:30,389  
didn't talk about the lights much after

509  
00:27:36,889 --> 00:27:34,080  
that discussion what they could be but

510  
00:27:39,440 --> 00:27:36,899  
when we got back home from the trip my

511  
00:27:42,500 --> 00:27:39,450  
mom looked it up and saw that people in

512  
00:27:48,710 --> 00:27:42,510  
a town a few miles from the campsite saw

513  
00:27:51,169 --> 00:27:48,720

the same thing we did all right well
