1
00:00:06,590 --> 00:00:02,929
welcome welcome to UFO headline news

2
00:00:10,669 --> 00:00:06,600
with me Heidi Hollis today is Wednesday

3
00:00:13,930 --> 00:00:10,679
December 16 2017 and we are going to

4
00:00:17,870 --> 00:00:13,940
blast off with some interesting UFO

5
00:00:20,240 --> 00:00:17,880
reports there is a UFO sighting in West

6
00:00:24,920 --> 00:00:20,250
Cliff Colorado this occurred November

7
00:00:28,519 --> 00:00:24,930
30th 2017 and briefly the witness states

8
00:00:30,529 --> 00:00:28,529
driving northbound looking east noticed

9
00:00:34,040 --> 00:00:30,539
lights in the sky pulled over and

10
00:00:36,889 --> 00:00:34,050
started filming after filming the 18

11
00:00:40,790 --> 00:00:36,899
second video I watched the lights for 15

12
00:00:43,459 --> 00:00:40,800
seconds more then they disappeared in

13
00:00:45,950 --> 00:00:43,469

more detail the witness goes on to state

14

00:00:49,400 --> 00:00:45,960

I was walking and talking to my brother

15

00:00:52,430 --> 00:00:49,410

on the phone while I was on my way home

16

00:00:53,600 --> 00:00:52,440

from work he lives in Texas and I live

17

00:00:57,170 --> 00:00:53,610

in Colorado

18

00:01:00,680 --> 00:00:57,180

I was driving northbound and I turned my

19

00:01:03,619 --> 00:01:00,690

head to look east and I saw these bigger

20

00:01:07,250 --> 00:01:03,629

than a regular star type of light in the

21

00:01:10,730 --> 00:01:07,260

sky as I watched another one appears

22

00:01:13,520 --> 00:01:10,740

next to it I was already looking at that

23

00:01:18,530 --> 00:01:13,530

one then another one and then another

24

00:01:23,330 --> 00:01:18,540

one and another making five total lights

25

00:01:26,090 --> 00:01:23,340

I then said oh my gosh bro I'm seeing

26
00:01:28,340 --> 00:01:26,100
some crazy lights in the sky he told me

27
00:01:31,219 --> 00:01:28,350
to film it and so I hung up and started

28
00:01:33,800 --> 00:01:31,229
filming the lights which were all doing

29
00:01:36,560 --> 00:01:33,810
the same thing they were appearing and

30
00:01:40,490 --> 00:01:36,570
then disappearing as he could see in the

31
00:01:45,340 --> 00:01:40,500
video the entire time I watched they did

32
00:01:49,359 --> 00:01:45,350
this which was approximately 45 seconds

33
00:01:52,730 --> 00:01:49,369
they then fluttered out and were gone I

34
00:01:55,940 --> 00:01:52,740
waited approximately five to ten minutes

35
00:02:01,459 --> 00:01:55,950
to see if they would reappear and I

36
00:02:05,149 --> 00:02:01,469
never saw anything else after that next

37
00:02:06,620 --> 00:02:05,159
UFO sighting black triangle sighting in

38
00:02:11,930 --> 00:02:06,630

Aurora Colorado

39

00:02:13,580 --> 00:02:11,940

this occurred November 30th 2017 in

40

00:02:16,570 --> 00:02:13,590

brief the witness states

41

00:02:20,330 --> 00:02:16,580

observed triangle-shaped craft hovering

42

00:02:23,839 --> 00:02:20,340

then abruptly moving in an arcing and

43

00:02:27,860 --> 00:02:23,849

zigzagging pattern low then slightly

44

00:02:31,610 --> 00:02:27,870

raising an altitude in oblique path to

45

00:02:34,430 --> 00:02:31,620

Buckley Air Force Base the witness goes

46

00:02:37,400 --> 00:02:34,440

on the state I was commuting home close

47

00:02:41,660 --> 00:02:37,410

to you 8:55 p.m. Mountain Standard time

48

00:02:46,190 --> 00:02:41,670

and had an intuitive sense to open the

49

00:02:49,819 --> 00:02:46,200

moonroof in my Acura RDX specifically to

50

00:02:52,089 --> 00:02:49,829

observe the moon which my son has been

51
00:02:57,319 --> 00:02:52,099
tracking for his class titles and

52
00:03:00,860 --> 00:02:57,329
studies when I did I both saw the moon

53
00:03:03,680 --> 00:03:00,870
as well as a low-flying triangular

54
00:03:06,380 --> 00:03:03,690
shaped object that appeared stationary I

55
00:03:08,960 --> 00:03:06,390
slowed my vehicle and pulled to the side

56
00:03:11,660 --> 00:03:08,970
of the road to observe it I was almost

57
00:03:14,509 --> 00:03:11,670
home and our subdivision is close to

58
00:03:17,449 --> 00:03:14,519
both Buckley Air Force Base as well as a

59
00:03:21,050 --> 00:03:17,459
wide open space east to the Denver over

60
00:03:23,660 --> 00:03:21,060
our metro area at first glance I

61
00:03:26,530 --> 00:03:23,670
believed the object to be one of many

62
00:03:30,979 --> 00:03:26,540
aircraft often sighted over the airbase

63
00:03:34,339 --> 00:03:30,989

however most of those craft fly during

64

00:03:37,699 --> 00:03:34,349

the daylight hours and in 13 years and

65

00:03:41,800 --> 00:03:37,709

living at this location I have never

66

00:03:44,240 --> 00:03:41,810

observed a craft looking like this one I

67

00:03:48,020 --> 00:03:44,250

observed the triangle-shaped craft

68

00:03:52,280 --> 00:03:48,030

hovering then abruptly moving in an

69

00:03:56,240 --> 00:03:52,290

arcing and zigzagging pattern low then

70

00:03:58,550 --> 00:03:56,250

slightly rising in altitude an oblique

71

00:04:03,069 --> 00:03:58,560

path to the Buckley Air Force Base for

72

00:04:08,539 --> 00:04:05,629

initially I believed it must be an

73

00:04:10,849 --> 00:04:08,549

airplane but after seeing its unusual

74

00:04:13,460 --> 00:04:10,859

movements as well as visually comparing

75

00:04:16,520 --> 00:04:13,470

the size of it to other aircraft in the

76

00:04:19,670 --> 00:04:16,530

nearby airspace which there are

77

00:04:23,000 --> 00:04:19,680

regularly many we live about 20 miles

78

00:04:26,180 --> 00:04:23,010

south of Denver International Airport it

79

00:04:27,710 --> 00:04:26,190

became clear to me this was an enormous

80

00:04:31,340 --> 00:04:27,720

ly sized

81

00:04:34,120 --> 00:04:31,350

aircraft compared to other visually

82

00:04:37,760 --> 00:04:34,130

observable craft in the night sky it

83

00:04:40,550 --> 00:04:37,770

also moved distinctly differently from

84

00:04:44,390 --> 00:04:40,560

anything else I saw tonight or virtually

85

00:04:47,660 --> 00:04:44,400

any night although in past years I have

86

00:04:50,960 --> 00:04:47,670

been witness to other unusual aerial

87

00:04:55,150 --> 00:04:50,970

phenomena particularly when I lived in

88

00:04:58,610 --> 00:04:55,160

Boulder Colorado the object hovered

89

00:05:02,270 --> 00:04:58,620

changed direction slightly then arced

90

00:05:05,330 --> 00:05:02,280

away at an increasing speed first south

91

00:05:09,530 --> 00:05:05,340

then accelerating in a northeastern arc

92

00:05:12,800 --> 00:05:09,540

towards the Air Force Base as it moved

93

00:05:15,830 --> 00:05:12,810

away I resumed following it with my car

94

00:05:18,950 --> 00:05:15,840

finally losing track as it moved too far

95

00:05:22,400 --> 00:05:18,960

east for me to observe any longer over

96

00:05:24,340 --> 00:05:22,410

the suburban housing subdivision Wow

97

00:05:28,760 --> 00:05:24,350

cool

98

00:05:33,770 --> 00:05:28,770

the next UFO sighting occurred in Ocala

99

00:05:36,350 --> 00:05:33,780

Florida on November 29th 2017 in brief

100

00:05:39,890 --> 00:05:36,360

the witness states walked into backyard

101

00:05:43,130 --> 00:05:39,900

with dog was looking at Stars clear

102

00:05:46,909 --> 00:05:43,140

night full moon observed very bright

103

00:05:50,150 --> 00:05:46,919

light approximately if 15 degrees above

104

00:05:50,750 --> 00:05:50,160

horizon in the Northeast five whole

105

00:05:54,159 --> 00:05:50,760

minutes

106

00:05:57,590 --> 00:05:54,169

no movement ran inside to get camera

107

00:05:58,909 --> 00:05:57,600

object gone within 30 seconds all right

108

00:06:01,760 --> 00:05:58,919

here's more in detail

109

00:06:04,430 --> 00:06:01,770

I had just stepped into my backyard to

110

00:06:08,090 --> 00:06:04,440

walk the dog the moon was full and

111

00:06:10,670 --> 00:06:08,100

bright very few clouds if any clear sky

112

00:06:13,580 --> 00:06:10,680

I was looking at the Stars when I

113

00:06:16,909 --> 00:06:13,590

observed an extremely white bright

114

00:06:20,000 --> 00:06:16,919

object approximately 15 degrees

115

00:06:22,969 --> 00:06:20,010

northeast from my position it appeared

116

00:06:23,770 --> 00:06:22,979

to be 15 to 20 miles away to the

117

00:06:27,530 --> 00:06:23,780

Northeast

118

00:06:29,000 --> 00:06:27,540

this is horse country so there wouldn't

119

00:06:32,600 --> 00:06:29,010

have been anything in that direction

120

00:06:34,719 --> 00:06:32,610

except horse farms I'd never notice

121

00:06:37,839 --> 00:06:34,729

anything in that part of the sky before

122

00:06:40,940 --> 00:06:37,849

what caught my attention was the size

123

00:06:41,679 --> 00:06:40,950

the brightness in the total lack of

124

00:06:44,719 --> 00:06:41,689

movement

125

00:06:47,330 --> 00:06:44,729

it was significantly larger than the

126
00:06:51,950 --> 00:06:47,340
star seen visible in the same night sky

127
00:06:55,790 --> 00:06:51,960
it aroused my curiosity no flashing

128
00:06:58,850 --> 00:06:55,800
lights no color changes I stared at it

129
00:07:02,059 --> 00:06:58,860
for at least five minutes I felt that I

130
00:07:04,089 --> 00:07:02,069
was witnessing something unusual so I

131
00:07:07,189 --> 00:07:04,099
ran into the house to grab a camera I

132
00:07:10,339 --> 00:07:07,199
was only a few yards from my bedroom so

133
00:07:12,649 --> 00:07:10,349
it took me only 30 to 40 seconds to grab

134
00:07:16,850 --> 00:07:12,659
a camera and to return to the same

135
00:07:21,559 --> 00:07:16,860
position I looked up and was amazed that

136
00:07:27,170 --> 00:07:21,569
the object was no longer present Wow

137
00:07:32,570 --> 00:07:27,180
pretty darn cool then on to some UFO

138
00:07:37,519 --> 00:07:32,580

science and mystery the question of this

139

00:07:42,909 --> 00:07:37,529

article is the Mirage men did CIA create

140

00:07:47,059 --> 00:07:42,919

UFO double bluff to mask new technology

141

00:07:49,790 --> 00:07:47,069

for four decades the CIA the National

142

00:07:53,269 --> 00:07:49,800

Security Agency and the US Air Force

143

00:07:56,869 --> 00:07:53,279

wore behind a concerted effort to full

144

00:08:00,499 --> 00:07:56,879

Americans that UFOs really did exist in

145

00:08:02,450 --> 00:08:00,509

order to mask new technology which the

146

00:08:06,230 --> 00:08:02,460

Pentagon did not want anybody knowing

147

00:08:08,480 --> 00:08:06,240

about according to a new book mark

148

00:08:10,930 --> 00:08:08,490

Pilkington a British writer who has

149

00:08:13,519 --> 00:08:10,940

researched the subject extensively and

150

00:08:17,329 --> 00:08:13,529

contributed to a book called the

151
00:08:20,749 --> 00:08:17,339
mysterium told Sputnik the strategy was

152
00:08:24,320 --> 00:08:20,759
led by mysterious figures he dubs the

153
00:08:29,540 --> 00:08:24,330
Mirage men he said a classic example was

154
00:08:33,800 --> 00:08:29,550
the Roswell incident in 1947 mirages men

155
00:08:38,420 --> 00:08:33,810
exploited Roswell incident on July 8th

156
00:08:41,029 --> 00:08:38,430
1947 the US Air Force's 509 Bomb Group

157
00:08:43,339 --> 00:08:41,039
put out a press release that army

158
00:08:46,100 --> 00:08:43,349
personnel have recovered a flying disc

159
00:08:49,000 --> 00:08:46,110
which had crashed on a ranch near the

160
00:08:51,800 --> 00:08:49,010
Roswell Air Force Base in New Mexico

161
00:08:54,830 --> 00:08:51,810
quote the area was riddled with

162
00:08:58,430 --> 00:08:54,840
radiation detecting balloons and it

163
00:09:00,140 --> 00:08:58,440

certain that it was crashed the airforce

164

00:09:02,320 --> 00:09:00,150

put the flying disc story out and

165

00:09:05,590 --> 00:09:02,330

thought it would not be taken seriously

166

00:09:08,270 --> 00:09:05,600

they then said it was a weather balloon

167

00:09:10,570 --> 00:09:08,280

the story disappeared but UFO

168

00:09:13,970 --> 00:09:10,580

researchers picked it up in the late

169

00:09:17,360 --> 00:09:13,980

1970s and it was encouraged by the

170

00:09:20,150 --> 00:09:17,370

Mirage men who put out fake documents it

171

00:09:23,330 --> 00:09:20,160

is one of the most famous examples of

172

00:09:26,630 --> 00:09:23,340

their work mr. Pilkington said in the

173

00:09:29,450 --> 00:09:26,640

early 1950s the US military was testing

174

00:09:32,540 --> 00:09:29,460

a lot of new technologies and it was

175

00:09:36,020 --> 00:09:32,550

convenient to disguise them as UFOs

176

00:09:38,360 --> 00:09:36,030

it was a double bluff said mr.

177

00:09:42,320 --> 00:09:38,370

Pilkington who has produced a

178

00:09:46,220 --> 00:09:42,330

documentary about the Mirage Minh you to

179

00:09:48,680 --> 00:09:46,230

spy plane passed off as a UFO what is a

180

00:09:53,840 --> 00:09:48,690

new aircraft that needed to be disguised

181

00:09:55,550 --> 00:09:53,850

was the u-2 spy plane in April 1960 one

182

00:09:58,940 --> 00:09:55,560

of the planes flying at high altitude

183

00:10:03,650 --> 00:09:58,950

was shot down over the Soviet Union and

184

00:10:06,230 --> 00:10:03,660

the CIA pilot Gary Powers was taken into

185

00:10:11,030 --> 00:10:06,240

captivity and eventually exchange for a

186

00:10:13,610 --> 00:10:11,040

KGB agent in Berlin but in the 1950s

187

00:10:17,300 --> 00:10:13,620

nobody even knew of the YouTube's

188

00:10:19,780 --> 00:10:17,310

existence witnesses would sometimes see

189

00:10:22,130 --> 00:10:19,790

something flying very high in the sky

190

00:10:26,510 --> 00:10:22,140

glinting in the sunlight and would

191

00:10:28,700 --> 00:10:26,520

report it as a UFO the author said mr.

192

00:10:31,970 --> 00:10:28,710

Pilkington added the Air Force's

193

00:10:35,360 --> 00:10:31,980

original strategy was the tell witnesses

194

00:10:39,290 --> 00:10:35,370

what they had seen was a reflection from

195

00:10:41,720 --> 00:10:39,300

the planet Mars or Venus but later they

196

00:10:44,570 --> 00:10:41,730

realized that it made more sense to

197

00:10:49,160 --> 00:10:44,580

spread the UFO myth as people were

198

00:10:52,520 --> 00:10:49,170

highly perceptible to it project silver

199

00:10:56,930 --> 00:10:52,530

bug he said another famous craft was the

200

00:10:58,220 --> 00:10:56,940

avrocar flying saucer a top-secret

201
00:11:02,960 --> 00:10:58,230
operation

202
00:11:06,530 --> 00:11:02,970
known as project silver bug UFO

203
00:11:08,730 --> 00:11:06,540
mythology served as a convenient cover

204
00:11:10,770 --> 00:11:08,740
said mr. Pilkington

205
00:11:13,250 --> 00:11:10,780
who has discovered that key executives

206
00:11:17,120 --> 00:11:13,260
from the media and from Hollywood

207
00:11:21,150 --> 00:11:17,130
including film mogul Darryl zanuck and

208
00:11:23,250 --> 00:11:21,160
time-life CEO Henry Luce were involved

209
00:11:26,640 --> 00:11:23,260
in something called the psychological

210
00:11:30,630 --> 00:11:26,650
Strategy Board which was behind the

211
00:11:33,350 --> 00:11:30,640
promulgation of the UFO myth mr.

212
00:11:36,960 --> 00:11:33,360
Pilkington said the history of UFOs was

213
00:11:38,910 --> 00:11:36,970

intrinsically linked to the Cold War one

214

00:11:40,590 --> 00:11:38,920

of the earliest and most famous

215

00:11:44,880 --> 00:11:40,600

sightings near Mount Ranier

216

00:11:49,770 --> 00:11:44,890

Washington State in 1947 was by Kenneth

217

00:11:52,850 --> 00:11:49,780

Arnold a u.s. aviator and businessman he

218

00:11:56,760 --> 00:11:52,860

describes seeing nine saucer-like

219

00:12:00,410 --> 00:11:56,770

objects hovering in the sky the u.s.

220

00:12:03,540 --> 00:12:00,420

feared UFO spotter was Soviet agent

221

00:12:06,390 --> 00:12:03,550

quote the US authorities were so

222

00:12:09,180 --> 00:12:06,400

paranoid about Soviet infiltration of

223

00:12:12,090 --> 00:12:09,190

the aviation industry that they worried

224

00:12:14,640 --> 00:12:12,100

he might be a Soviet agent they set up

225

00:12:18,300 --> 00:12:14,650

an entrapment operation which tragically

226

00:12:21,930 --> 00:12:18,310

led to the death of several US pilots

227

00:12:26,820 --> 00:12:21,940

who crashed while flying back with UFO

228

00:12:30,210 --> 00:12:26,830

debris said mr. Pilkington in the 1980's

229

00:12:32,780 --> 00:12:30,220

a similar subterfuge was used to conceal

230

00:12:35,220 --> 00:12:32,790

the development of the stealth bomber

231

00:12:40,020 --> 00:12:35,230

which was officially known as the

232

00:12:41,570 --> 00:12:40,030

Northrop Grumman b-2 spirit mr.

233

00:12:44,310 --> 00:12:41,580

Pilkington said the Mirage men

234

00:12:49,320 --> 00:12:44,320

infiltrated the UFO research community

235

00:12:51,510 --> 00:12:49,330

and spread without fake documents in the

236

00:12:54,120 --> 00:12:51,520

1970s and 80s they were trying to find

237

00:12:57,180 --> 00:12:54,130

out who was sharing information with the

238

00:12:59,760 --> 00:12:57,190

Soviets there was a big fear that the

239

00:13:02,370 --> 00:12:59,770

Soviets were infiltrating the UFO

240

00:13:06,930 --> 00:13:02,380

community to find out about the stealth

241

00:13:11,700 --> 00:13:06,940

program but is there any solid proof

242

00:13:14,790 --> 00:13:11,710

that this was what the CIA was up to the

243

00:13:17,280 --> 00:13:14,800

CIA will never admit to it there is no

244

00:13:19,500 --> 00:13:17,290

smoking gun but the CIA are never going

245

00:13:22,170 --> 00:13:19,510

to admit to it but there is a large

246

00:13:24,870 --> 00:13:22,180

amount of circumstantial evidence

247

00:13:27,690 --> 00:13:24,880

and about ten years ago the CIA's own

248

00:13:31,980 --> 00:13:27,700

in-house magazine carried a piece about

249

00:13:35,130 --> 00:13:31,990

the link between you two and UFOs mr.

250

00:13:37,500 --> 00:13:35,140

Pilkington told Sputnik adding that he

251

00:13:40,170 --> 00:13:37,510

did not expect them to reveal all their

252

00:13:43,730 --> 00:13:40,180

UFO FILES in the same way they recently

253

00:13:45,240 --> 00:13:43,740

released papers on the JFK assassination

254

00:13:47,910 --> 00:13:45,250

the CIA

255

00:13:52,620 --> 00:13:47,920

while refusing to confirm it was behind

256

00:13:56,250 --> 00:13:52,630

the Mirage men admitted in 2007 the UFO

257

00:13:59,340 --> 00:13:56,260

craze had got out of hand in the 1950s a

258

00:14:03,150 --> 00:13:59,350

CIA study group revealed that Soviets

259

00:14:06,720 --> 00:14:03,160

could use UFO reports to touch off mass

260

00:14:09,900 --> 00:14:06,730

hysteria and panic in the u.s. the group

261

00:14:12,990 --> 00:14:09,910

also believed that the Soviets might use

262

00:14:15,540 --> 00:14:13,000

UFO sightings to overload the US Air

263

00:14:18,750 --> 00:14:15,550

warning system so that it could not

264

00:14:24,560 --> 00:14:18,760

distinguish real targets from phantom

265

00:14:28,730 --> 00:14:24,570

UFOs admitted the CIA in a 2007 article

266

00:14:33,290 --> 00:14:28,740

Wow pretty pretty wild

267

00:14:37,890 --> 00:14:33,300

another interesting article about aliens

268

00:14:41,160 --> 00:14:37,900

the title states ETS were at NASA from

269

00:14:43,320 --> 00:14:41,170

the beginning it would take a book to

270

00:14:46,230 --> 00:14:43,330

cover Bill Tompkins resume and

271

00:14:49,850 --> 00:14:46,240

professional accomplishments suffice it

272

00:14:52,710 --> 00:14:49,860

to say that he was born with a high IQ a

273

00:14:55,640 --> 00:14:52,720

photographic memory and engineers mind

274

00:14:59,220 --> 00:14:55,650

and the ability to see the big picture

275

00:14:59,579 --> 00:14:59,230

so big that it reaches out into the

276

00:15:01,470 --> 00:14:59,589

universe

277

00:15:02,880 --> 00:15:01,480

00:15:40,670 --> 00:15:35,980

in aerospace develop

294

00:15:43,199 --> 00:15:40,680

even before NASA was created in 1958

295

00:15:47,370 --> 00:15:43,209

eventually he served as a confidential

296

00:15:51,600 --> 00:15:47,380

advisor to the top two men at NASA dr.

297

00:15:54,629 --> 00:15:51,610

Wernher von Braun and dr. Kurt dbo the

298

00:15:58,259 --> 00:15:54,639

photo shown in the article is of William

299

00:16:03,389 --> 00:15:58,269

Mills Tompkins and is from a 2016

300

00:16:05,970 --> 00:16:03,399

interview when he was 93 a year later he

301
00:16:07,970 --> 00:16:05,980
was still alive and kicking and his mind

302
00:16:12,240 --> 00:16:07,980
remained a keen

303
00:16:17,160 --> 00:16:12,250
however he passed away this year in

304
00:16:20,579 --> 00:16:17,170
August at the age of 94 Hopkins became a

305
00:16:23,100 --> 00:16:20,589
big fish whistleblower in 2010 that was

306
00:16:26,040 --> 00:16:23,110
a year his tell-all book entitled

307
00:16:28,860 --> 00:16:26,050
selected by extraterrestrials was

308
00:16:30,870 --> 00:16:28,870
published his book is packed with

309
00:16:33,540 --> 00:16:30,880
revealing and previously secret

310
00:16:36,500 --> 00:16:33,550
information about the early days of NASA

311
00:16:40,110 --> 00:16:36,510
and the glory days of moon exploration

312
00:16:42,210 --> 00:16:40,120
but what surprised so many people was

313
00:16:45,949 --> 00:16:42,220

that extraterrestrials were helping

314

00:16:47,310 --> 00:16:45,959

behind the scenes every step of the way

315

00:16:49,939 --> 00:16:47,320

now

316

00:16:53,150 --> 00:16:49,949

these ETS were not what you might expect

317

00:16:57,660 --> 00:16:53,160

Tompkins says they were exquisitely

318

00:16:59,550 --> 00:16:57,670

beautiful Nordic ETS who served as

319

00:17:02,759 --> 00:16:59,560

secretaries to those in the upper

320

00:17:07,380 --> 00:17:02,769

echelons and advanced aerospace research

321

00:17:09,809 --> 00:17:07,390

and development he States I wondered

322

00:17:12,679 --> 00:17:09,819

about these extremely good-looking star

323

00:17:16,169 --> 00:17:12,689

girls who seem to know even more than us

324

00:17:16,770 --> 00:17:16,179

Hopkins wrote why did they show up out

325

00:17:19,470 --> 00:17:16,780

of nowhere

326

00:17:21,329 --> 00:17:19,480

give us a few bits of advice on how to

327

00:17:24,809 --> 00:17:21,339

do our jobs and then just leave

328

00:17:27,809 --> 00:17:24,819

mysteriously it took several years for

329

00:17:31,049 --> 00:17:27,819

us to accept that the star girls really

330

00:17:33,150 --> 00:17:31,059

were aliens Tompkins explained even

331

00:17:37,080 --> 00:17:33,160

though the first time I laid eyes on

332

00:17:39,840 --> 00:17:37,090

them for that microsecond I felt that

333

00:17:42,690 --> 00:17:39,850

they were alien Tompkins said his

334

00:17:45,600 --> 00:17:42,700

secretary never said that she was a

335

00:17:49,169 --> 00:17:45,610

Nordic even though she flirts almost

336

00:17:49,680 --> 00:17:49,179

daily with me exposing her unbelievable

337

00:17:52,890 --> 00:17:49,690

now

338

00:17:55,080 --> 00:17:52,900

of the universe and yes she frequently

339

00:17:57,930 --> 00:17:55,090

stuffs my head with exactly what is

340

00:18:01,640 --> 00:17:57,940

needed on a program when I implement the

341

00:18:05,040 --> 00:18:01,650

plan it works every time

342

00:18:06,900 --> 00:18:05,050

reptilian and gray aliens while the

343

00:18:09,240 --> 00:18:06,910

Nordic alien sought to help mankind

344

00:18:12,720 --> 00:18:09,250

develop technology to go to the moon and

345

00:18:15,800 --> 00:18:12,730

beyond Tompkins said reptilian and gray

346

00:18:19,200 --> 00:18:15,810

aliens were only interested in

347

00:18:21,840 --> 00:18:19,210

interbreeding and control and to try to

348

00:18:26,310 --> 00:18:21,850

sabotage mankind's efforts to go into

349

00:18:28,740 --> 00:18:26,320

space Tompkins quoted what a VP of an

350

00:18:30,930 --> 00:18:28,750

aerospace company said during a

351

00:18:32,630 --> 00:18:30,940

high-level meeting regarding these two

352

00:18:35,850 --> 00:18:32,640

racess of extraterrestrials

353

00:18:38,430 --> 00:18:35,860

he added that one strain of greys who at

354

00:18:41,130 --> 00:18:38,440

times work for the reptilians really

355

00:18:44,100 --> 00:18:41,140

need to be dealt with they are very bad

356

00:18:48,780 --> 00:18:44,110

people that are sometimes useful but

357

00:18:51,330 --> 00:18:48,790

always troublesome several strains of

358

00:18:55,440 --> 00:18:51,340

the reptilians must also be dealt with

359

00:18:58,910 --> 00:18:55,450

as they are extremely violent ones very

360

00:19:02,940 --> 00:18:58,920

dangerous the worse and a race of

361

00:19:05,730 --> 00:19:02,950

killers Thanks according to Tompkins the

362

00:19:09,300 --> 00:19:05,740

reptilians can shape-shift into human

363

00:19:12,300 --> 00:19:09,310

form after one high-level meeting a key

364

00:19:14,880 --> 00:19:12,310

man at Douglas manufacturing said who

365

00:19:18,120 --> 00:19:14,890

the eff were those alien guys that look

366

00:19:21,030 --> 00:19:18,130

like us just before the meeting well

367

00:19:24,480 --> 00:19:21,040

just as they disappeared both of them

368

00:19:27,720 --> 00:19:24,490

turned into reptilians the tall one with

369

00:19:30,750 --> 00:19:27,730

no sound yelled back his face twisted

370

00:19:34,620 --> 00:19:30,760

with hate while the other one appeared

371

00:19:38,340 --> 00:19:34,630

to hiss another witness to the

372

00:19:40,740 --> 00:19:38,350

shape-shifting added quote yes bill for

373

00:19:43,500 --> 00:19:40,750

just a moment I think the tall one

374

00:19:47,460 --> 00:19:43,510

clawed at us - did you see their

375

00:19:49,350 --> 00:19:47,470

grotesque looking feet the reptilians

376

00:19:53,730 --> 00:19:49,360

and Grey's who Tompkins lumped together

377

00:19:55,980 --> 00:19:53,740

as black hat aliens or another reason

378

00:19:59,310 --> 00:19:55,990

the Nordic ETS were trying to speed up

379

00:20:02,730 --> 00:19:59,320

mankind's base efforts he explained that

380

00:20:03,420 --> 00:20:02,740

the Nordics et's want to help us develop

381

00:20:06,180 --> 00:20:03,430

capable

382

00:20:09,360 --> 00:20:06,190

we'll provide our US Navy Space Systems

383

00:20:12,170 --> 00:20:09,370

the tools necessary to deploy and

384

00:20:14,790 --> 00:20:12,180

operate our deep space battle groups

385

00:20:17,640 --> 00:20:14,800

this will be in conjunction with their

386

00:20:21,330 --> 00:20:17,650

offensive Nordic naval missions that are

387

00:20:22,530 --> 00:20:21,340

against the black hat aliens and as for

388

00:20:26,010 --> 00:20:22,540

the black heads

389

00:20:28,160 --> 00:20:26,020

Tonkin explains the primary intent now

390

00:20:32,090 --> 00:20:28,170

appears to be to prevent us from

391

00:20:37,550 --> 00:20:32,100

developing the capability of retaliating

392

00:20:41,910 --> 00:20:37,560

against them and their threats oh okay

393

00:20:45,330 --> 00:20:41,920

on to some paranormal points with a

394

00:20:48,090 --> 00:20:45,340

touch of cryptozoology this article

395

00:20:50,180 --> 00:20:48,100

states that they received this following

396

00:20:54,720 --> 00:20:50,190

report October 19th

397

00:20:57,300 --> 00:20:54,730

2017 from a 29 year-old woman who lives

398

00:20:59,790 --> 00:20:57,310

in Mill Spring at North Carolina which

399

00:21:05,520 --> 00:20:59,800

is due east of the Green River game

400

00:21:09,120 --> 00:21:05,530

lands a perfect terrain for Bigfoot she

401
00:21:15,000 --> 00:21:09,130
simply identified herself as TJ and her

402
00:21:19,140 --> 00:21:15,010
friend as Bobby Bigfoot with its child

403
00:21:21,270 --> 00:21:19,150
seen in Mill spring North Carolina she

404
00:21:23,160 --> 00:21:21,280
states there's nothing special about me

405
00:21:26,100 --> 00:21:23,170
I'm just an ordinary person

406
00:21:29,280 --> 00:21:26,110
who witnessed Bigfoot about a month ago

407
00:21:31,320 --> 00:21:29,290
from today it was about midnight my

408
00:21:33,510 --> 00:21:31,330
friend Bobby and I were walking back

409
00:21:35,670 --> 00:21:33,520
home from visiting another friend who

410
00:21:37,830 --> 00:21:35,680
lives in the same neighborhood the

411
00:21:41,010 --> 00:21:37,840
neighborhood we live in is mostly

412
00:21:44,610 --> 00:21:41,020
backwoods and houses are pretty well far

413
00:21:48,660 --> 00:21:44,620

apart during the back way on the dirt

414

00:21:51,960 --> 00:21:48,670

road from her house to hers was a lot

415

00:21:53,970 --> 00:21:51,970

closer than taking the main road so we

416

00:21:56,130 --> 00:21:53,980

walked with flashlights when we

417

00:21:58,260 --> 00:21:56,140

approached a home we turned off our flash

418

00:22:02,160 --> 00:21:58,270

lights so we wouldn't disturb anyone as

419

00:22:05,460 --> 00:22:02,170

we walked past 1 neighbor's home all her

420

00:22:07,490 --> 00:22:05,470

outside dogs started a bark but as we

421

00:22:10,110 --> 00:22:07,500

walked on they stopped barking

422

00:22:12,290 --> 00:22:10,120

as we started up the hill approaching

423

00:22:15,960 --> 00:22:12,300

the light pole we turned our lights out

424

00:22:17,280 --> 00:22:15,970

at the same time we both saw what looked

425

00:22:21,480 --> 00:22:17,290

like

426
00:22:24,270 --> 00:22:21,490
a Bigfoot creature bobbie quickly

427
00:22:27,780 --> 00:22:24,280
squeezed my hand firmly and we both

428
00:22:30,720 --> 00:22:27,790
stopped walking this creature was

429
00:22:33,780 --> 00:22:30,730
walking up someone's driveway under a

430
00:22:36,120 --> 00:22:33,790
light pole it looked to be about seven

431
00:22:39,660 --> 00:22:36,130
and a half feet tall with brown hair all

432
00:22:43,560 --> 00:22:39,670
over it walked almost slanted over but

433
00:22:46,320 --> 00:22:43,570
upright its arms were long almost past

434
00:22:49,830 --> 00:22:46,330
the knees and his fingers were curled

435
00:22:52,140 --> 00:22:49,840
under almost like an ape the creature

436
00:22:55,140 --> 00:22:52,150
took about four strides up the driveway

437
00:22:58,080 --> 00:22:55,150
and at the top it turned around and

438
00:23:00,510 --> 00:22:58,090

headed back down where the trees and

439

00:23:04,730 --> 00:23:00,520

bushes hit it but when it turned around

440

00:23:08,250 --> 00:23:04,740

and had a young Bigfoot by its side

441

00:23:10,980 --> 00:23:08,260

holding its hand we just stood there for

442

00:23:15,810 --> 00:23:10,990

a few moments and then started walking

443

00:23:20,450 --> 00:23:15,820

again but we both know what we saw it is

444

00:23:24,810 --> 00:23:20,460

not made up thanks

445

00:23:26,940 --> 00:23:24,820

next a small white figure can be seen in

446

00:23:32,190 --> 00:23:26,950

the upper left portion of the photo

447

00:23:37,850 --> 00:23:32,200

provided and goes on to state game CAM

448

00:23:41,610 --> 00:23:37,860

photo may show cherokee little person

449

00:23:43,830 --> 00:23:41,620

people have told us since 2000 that

450

00:23:47,070 --> 00:23:43,840

they've seen Cherokee little people in

451
00:23:50,400 --> 00:23:47,080
remote mountain areas of Western North

452
00:23:53,070 --> 00:23:50,410
Carolina the reports were typically told

453
00:23:58,530 --> 00:23:53,080
with great conviction but without

454
00:24:01,740 --> 00:23:58,540
tangible proof well on August 15 2017 a

455
00:24:04,160 --> 00:24:01,750
game camera may have snapped that proof

456
00:24:07,370 --> 00:24:04,170
in the woods near the Blue Ridge Parkway

457
00:24:10,980 --> 00:24:07,380
the game camera was set up by a couple

458
00:24:13,860 --> 00:24:10,990
who live off a one-lane Road near the

459
00:24:16,740 --> 00:24:13,870
top of a mountain ridge we've known them

460
00:24:20,100 --> 00:24:16,750
for many years but we'll call them Jack

461
00:24:23,250 --> 00:24:20,110
and Jill to keep the little persons

462
00:24:26,280 --> 00:24:23,260
territory from being invaded in the

463
00:24:28,980 --> 00:24:26,290

couple's credit they pondered the above

464

00:24:30,990 --> 00:24:28,990

photo for weeks before sharing it with

465

00:24:32,790 --> 00:24:31,000

this article

466

00:24:35,580 --> 00:24:32,800

Jack thought the figure might be the

467

00:24:39,030 --> 00:24:35,590

backside of a slightly crouched nude

468

00:24:43,680 --> 00:24:39,040

figure with dark hair while Jill thought

469

00:24:46,800 --> 00:24:43,690

it could be a spirit ghost they also did

470

00:24:49,020 --> 00:24:46,810

a bit of research Ashleigh determining

471

00:24:52,380 --> 00:24:49,030

where the little person was standing in

472

00:24:54,900 --> 00:24:52,390

relationship to the trees Jack stood in

473

00:24:58,170 --> 00:24:54,910

the same spot and kept crouching down

474

00:25:02,610 --> 00:24:58,180

lower and lower until he was the same

475

00:25:05,310 --> 00:25:02,620

height as the figure in the photo we

476

00:25:08,070 --> 00:25:05,320

also did some basic research we

477

00:25:10,890 --> 00:25:08,080

maximized the color saturation of the

478

00:25:15,210 --> 00:25:10,900

photo and the white figure in the woods

479

00:25:17,850 --> 00:25:15,220

turned magenta when we did the same

480

00:25:22,080 --> 00:25:17,860

thing with multiple photos of ghosts the

481

00:25:24,900 --> 00:25:22,090

ghosts remained white that seemed to

482

00:25:30,480 --> 00:25:24,910

indicate the figure in the woods was not

483

00:25:32,280 --> 00:25:30,490

alive and not a spirit or a ghost Wow

484

00:25:35,880 --> 00:25:32,290

sounds like they're pretty certain about

485

00:25:39,090 --> 00:25:35,890

that well I want to thank you all for
