2
00:00:08,799 --> 00:00:05,430
welcome to UFO headline news with me

3
00:00:12,560 --> 00:00:08,809
righty Alice today is Friday December 8

4
00:00:16,340 --> 00:00:12,570
2017 and blasting off with some UFO

5
00:00:19,250 --> 00:00:16,350
reports this UFO sighting took place in

6
00:00:24,950 --> 00:00:19,260
Rumaki and this is a blast from the past

7
00:00:28,990 --> 00:00:24,960
from February 1st 1992 a glowing sphere

8
00:00:32,150 --> 00:00:29,000
that made no sound orange and hovering

9
00:00:34,850 --> 00:00:32,160
the witness goes on to detail reporting

10
00:00:36,889 --> 00:00:34,860
this for my friend my friend told me

11
00:00:40,940 --> 00:00:36,899
that a sighting he and his friends had

12
00:00:43,610 --> 00:00:40,950
in my town about 20 years ago very near

13
00:00:45,440 --> 00:00:43,620

where I live there were about eight to

14

00:00:49,130 --> 00:00:45,450

ten years of age sliding down a hill

15

00:00:52,790 --> 00:00:49,140

near a smallish but dense forest during

16

00:00:55,850 --> 00:00:52,800

wintertime and the evening suddenly they

17

00:00:57,889 --> 00:00:55,860

apparently saw a strange light coming

18

00:01:00,950 --> 00:00:57,899

from behind the hill and went to

19

00:01:02,630 --> 00:01:00,960

investigate they go to about three

20

00:01:06,200 --> 00:01:02,640

meters away from the reddish or orange

21

00:01:07,429 --> 00:01:06,210

us pulsating object and it was about 1

22

00:01:10,969 --> 00:01:07,439

metre in diameter

23

00:01:14,030 --> 00:01:10,979

if I recall him telling me right also it

24

00:01:16,640 --> 00:01:14,040

was hovering about 1 meter from the

25

00:01:18,530 --> 00:01:16,650

ground they got scared and all of them

26
00:01:20,870 --> 00:01:18,540
ran home and tried explaining it to

27
00:01:23,929 --> 00:01:20,880
their parents who naturally didn't

28
00:01:26,090 --> 00:01:23,939
believe them after years of convincing

29
00:01:29,210 --> 00:01:26,100
his parents they just said it was

30
00:01:31,850 --> 00:01:29,220
probably a meteor or something anyway

31
00:01:34,760 --> 00:01:31,860
they went back a few weeks later too

32
00:01:37,179 --> 00:01:34,770
scared to go earlier the trees around

33
00:01:40,219 --> 00:01:37,189
the spot where they had saw it

34
00:01:42,710 --> 00:01:40,229
apparently were burned the tree bark

35
00:01:45,020 --> 00:01:42,720
just 1 meter from the ground from about

36
00:01:48,260 --> 00:01:45,030
the length of the sphere they saw but

37
00:01:51,649 --> 00:01:48,270
also the snow below the place had melted

38
00:01:54,740 --> 00:01:51,659

away he said nothing grew on that spot

39
00:01:57,080 --> 00:01:54,750
for about a decade he showed me the spot

40
00:01:59,840 --> 00:01:57,090
about a month ago but it was too dark to

41
00:02:01,700 --> 00:01:59,850
properly see anything I might go check

42
00:02:04,370 --> 00:02:01,710
it out again in daylight when I have the

43
00:02:07,039 --> 00:02:04,380
time though the burn marks have faded

44
00:02:09,889 --> 00:02:07,049
few trees were cut around the spot

45
00:02:12,410 --> 00:02:09,899
thought they were small trees and we

46
00:02:13,470 --> 00:02:12,420
wondered why would anyone cut them

47
00:02:15,869 --> 00:02:13,480
Cinthia

48
00:02:18,869 --> 00:02:15,879
kind of young trees and for firewood

49
00:02:21,479 --> 00:02:18,879
there would have been better trees to

50
00:02:24,030 --> 00:02:21,489
burn additional information in question

51
00:02:26,759 --> 00:02:24,040
he told me that the object did not make

52
00:02:30,600 --> 00:02:26,769
any sound heinous friends still believe

53
00:02:33,089 --> 00:02:30,610
they saw a real alien spacecraft I

54
00:02:36,650 --> 00:02:33,099
forgot to ask how many of them there

55
00:02:40,650 --> 00:02:36,660
were and he gives the Google coordinates

56
00:02:45,390 --> 00:02:40,660
about sixty point seven three two zero

57
00:02:48,330 --> 00:02:45,400
seven eight two four point seven five

58
00:02:50,850 --> 00:02:48,340
seven four two zero if you are around my

59
00:02:53,009 --> 00:02:50,860
town I can probably show you the spot I

60
00:02:58,410 --> 00:02:53,019
might go there to check on the burn

61
00:03:02,039 --> 00:02:58,420
marks at some point cool next UFO

62
00:03:02,789 --> 00:03:02,049
sighting in Bridgewater Virginia this

63
00:03:06,449 --> 00:03:02,799

occurred

64

00:03:08,970 --> 00:03:06,459

December 4th 2017 a big light coming

65

00:03:11,520 --> 00:03:08,980

towards house just above the electric

66

00:03:13,410 --> 00:03:11,530

lines the witness goes on estate at

67

00:03:16,259 --> 00:03:13,420

around 6:15 p.m.

68

00:03:18,780 --> 00:03:16,269

walked out front and notice very bright

69

00:03:21,569 --> 00:03:18,790

yellow gold light coming towards the

70

00:03:24,120 --> 00:03:21,579

house couldn't miss it as it was big and

71

00:03:26,970 --> 00:03:24,130

bright I thought it was a helicopter at

72

00:03:29,780 --> 00:03:26,980

first it stayed completely round and

73

00:03:33,720 --> 00:03:29,790

very bright light did not change no

74

00:03:37,830 --> 00:03:33,730

sound no blinking lights just a big

75

00:03:39,930 --> 00:03:37,840

yellow gold ball going across the sky in

76

00:03:44,129 --> 00:03:39,940

front of my house in a straight path

77

00:03:46,229 --> 00:03:44,139

about 20 to 25 miles per hour took pics

78

00:03:49,110 --> 00:03:46,239

and video until I couldn't see it

79

00:03:51,930 --> 00:03:49,120

anymore not the least bit scared just

80

00:03:55,379 --> 00:03:51,940

curious and I want to know what it was

81

00:03:58,890 --> 00:03:55,389

I'm guessing it was a drone but honestly

82

00:04:01,559 --> 00:03:58,900

I have no clue the last two picks that

83

00:04:04,289 --> 00:04:01,569

are blurry I took right before I saw the

84

00:04:04,500 --> 00:04:04,299

bright light but I have no clue what it

85

00:04:09,620 --> 00:04:04,510

is

86

00:04:12,479 --> 00:04:09,630

didn't realize I had two blurry picks

87

00:04:15,629 --> 00:04:12,489

our next real foe sighting occurred in

88

00:04:19,620 --> 00:04:15,639

Bismarck North Dakota this occurred

89

00:04:21,539 --> 00:04:19,630

December 3rd 2017 they briefly state I

90

00:04:24,510 --> 00:04:21,549

and others have noticed for about three

91

00:04:27,000 --> 00:04:24,520

to four years I'm one of two that have

92

00:04:31,560 --> 00:04:27,010

had extremely close encounters

93

00:04:32,940 --> 00:04:31,570

maybe just me arms links just me the

94

00:04:35,040 --> 00:04:32,950

witness goes into more detail

95

00:04:37,860 --> 00:04:35,050

hello this started years earlier in

96

00:04:40,620 --> 00:04:37,870

Wilston North Dakota these lights

97

00:04:43,260 --> 00:04:40,630

started appearing a few here a few there

98

00:04:47,070 --> 00:04:43,270

I noticed right away because although

99

00:04:49,560 --> 00:04:47,080

they look like stars they are not keep

100

00:04:52,410 --> 00:04:49,570

in mind this was happening pretty much

101
00:04:55,560 --> 00:04:52,420
at the same time the media mentioned

102
00:04:59,550 --> 00:04:55,570
drones are a big deal in North Dakota

103
00:05:02,040 --> 00:04:59,560
and they will be in the local skies cool

104
00:05:05,250 --> 00:05:02,050
I thought it's not my place to say

105
00:05:06,600 --> 00:05:05,260
disinformation or maybe the two are

106
00:05:10,200 --> 00:05:06,610
completely unrelated

107
00:05:13,650 --> 00:05:10,210
I appreciate for the most part we are

108
00:05:16,800 --> 00:05:13,660
safe and God bless the USA and all the

109
00:05:18,270 --> 00:05:16,810
good people maybe they are drones maybe

110
00:05:21,330 --> 00:05:18,280
not in fact

111
00:05:24,270 --> 00:05:21,340
if they are why pay any attention to

112
00:05:27,000 --> 00:05:24,280
boring me now for the good stuff I

113
00:05:30,150 --> 00:05:27,010

thought how weird is it when you're

114

00:05:32,760 --> 00:05:30,160

naked I've used them they look similar

115

00:05:34,530 --> 00:05:32,770

to a star viewing them through a

116

00:05:37,740 --> 00:05:34,540

mechanical piece is something different

117

00:05:38,580 --> 00:05:37,750

altogether that's crazy and freaks

118

00:05:41,490 --> 00:05:38,590

people out

119

00:05:44,070 --> 00:05:41,500

and it should it changed my life and I

120

00:05:47,490 --> 00:05:44,080

don't mean distance moving on quickly

121

00:05:50,340 --> 00:05:47,500

hmm and please don't be mad whatever you

122

00:05:55,170 --> 00:05:50,350

are I respect and fear you but not sure

123

00:05:57,800 --> 00:05:55,180

I need to what scary is simply put what

124

00:06:01,620 --> 00:05:57,810

I see nightly if I step outside on my

125

00:06:04,560 --> 00:06:01,630

rooftop is not normal looks like a star

126
00:06:08,220 --> 00:06:04,570
for sure they are from what I've

127
00:06:10,830 --> 00:06:08,230
gathered our plasma orbs these orbs are

128
00:06:13,470 --> 00:06:10,840
actually three orbs when they are near

129
00:06:17,400 --> 00:06:13,480
I'm not afraid of the outcome because

130
00:06:19,890 --> 00:06:17,410
it's so amazing our normal reactions

131
00:06:22,920 --> 00:06:19,900
reality isn't in the same realm

132
00:06:26,580 --> 00:06:22,930
so instead although my life hasn't been

133
00:06:30,090 --> 00:06:26,590
so lucky I consider this reassuring

134
00:06:32,940 --> 00:06:30,100
positive I hope they have a matter or

135
00:06:37,440 --> 00:06:32,950
plasma in between them and a smaller

136
00:06:40,800 --> 00:06:37,450
antenna when they're close you can see

137
00:06:43,890 --> 00:06:40,810
it and it scares the heck out of me they

138
00:06:46,140 --> 00:06:43,900

can be a constellation size object one

139

00:06:48,780 --> 00:06:46,150

minute then shrink down to the same

140

00:06:52,760 --> 00:06:48,790

formation and be outside your window

141

00:06:56,370 --> 00:06:52,770

model aircraft size just seconds later

142

00:06:58,860 --> 00:06:56,380

they did this last night did in effect

143

00:07:03,540 --> 00:06:58,870

where they after I asked in my head

144

00:07:04,530 --> 00:07:03,550

where are you then they came all the way

145

00:07:07,140 --> 00:07:04,540

from a distance

146

00:07:10,140 --> 00:07:07,150

looking like fireworks I'm also once

147

00:07:14,090 --> 00:07:10,150

again joined by the owl hooting outside

148

00:07:17,460 --> 00:07:14,100

they love animals or it is of importance

149

00:07:20,010 --> 00:07:17,470

zoom in on the two photos both orbs

150

00:07:24,510 --> 00:07:20,020

however the one above the building which

151

00:07:28,650 --> 00:07:24,520

I won't name to be decent the orb has

152

00:07:30,900 --> 00:07:28,660

with it a bear and its cup stood out

153

00:07:33,690 --> 00:07:30,910

immediately for me but on two separate

154

00:07:36,150 --> 00:07:33,700

occasions these orbs have created Birds

155

00:07:38,790 --> 00:07:36,160

about twenty feet above my head and a

156

00:07:41,490 --> 00:07:38,800

flock for a friend call it a grand

157

00:07:43,950 --> 00:07:41,500

finale I'm not saying anything else here

158

00:07:46,200 --> 00:07:43,960

I couldn't make this up if I tried I'm

159

00:07:48,900 --> 00:07:46,210

not trying to hurt or bother anybody but

160

00:07:51,960 --> 00:07:48,910

I'm basically alone with this and it

161

00:07:54,810 --> 00:07:51,970

takes a lot they are whatever they want

162

00:07:58,200 --> 00:07:54,820

to be they can change and create massive

163

00:08:01,110 --> 00:07:58,210

objects overnight thank you Oh in these

164

00:08:04,850 --> 00:08:01,120

photos are from my phone these objects

165

00:08:07,590 --> 00:08:04,860

are at a range of 50 to 75 feet I guess

166

00:08:09,659 --> 00:08:07,600

when extremely close then kind of act

167

00:08:12,930 --> 00:08:09,669

like a Firefly and I won't share that

168

00:08:16,400 --> 00:08:12,940

with anyone through photos and would be

169

00:08:19,290 --> 00:08:16,410

afraid or consider it disrespectful

170

00:08:21,629 --> 00:08:19,300

lastly I'll include a definition I found

171

00:08:24,990 --> 00:08:21,639

somehow that is extremely accurate and

172

00:08:26,580 --> 00:08:25,000

they did not put it apologies on the

173

00:08:30,540 --> 00:08:26,590

chopped-up English here people I'm just

174

00:08:30,810 --> 00:08:30,550

reading the reports so I'm doing all

175

00:08:34,680 --> 00:08:30,820

right

176
00:08:37,620 --> 00:08:34,690
the next UFO sighting this occurred this

177
00:08:40,320 --> 00:08:37,630
took place in Boise Idaho a black

178
00:08:42,839 --> 00:08:40,330
triangle sighting they briefly state I

179
00:08:44,880 --> 00:08:42,849
saw two triangle-shaped objects with

180
00:08:47,030 --> 00:08:44,890
pulsating lights of varying colors

181
00:08:50,220 --> 00:08:47,040
flying in a triangle shaped pattern

182
00:08:54,000 --> 00:08:50,230
underneath the projected light of the

183
00:08:54,360 --> 00:08:54,010
moon they go on to say more last night I

184
00:08:56,480 --> 00:08:54,370
was

185
00:09:00,600 --> 00:08:56,490
walking with my dog when I noticed a

186
00:09:02,460 --> 00:09:00,610
projected angle of 45 degrees underneath

187
00:09:05,910 --> 00:09:02,470
the light of the full moon

188
00:09:09,090 --> 00:09:05,920

two large triangle shaped objects flying

189

00:09:11,910 --> 00:09:09,100

in unison in a triangular or a circular

190

00:09:15,540 --> 00:09:11,920

flight pattern while emitting a strange

191

00:09:17,730 --> 00:09:15,550

pattern of lights these two objects spun

192

00:09:20,430 --> 00:09:17,740

faster and faster for about two minutes

193

00:09:22,040 --> 00:09:20,440

then disappeared over the foothills to

194

00:09:25,519 --> 00:09:22,050

the Northeast

195

00:09:30,750 --> 00:09:25,529

the next UFO sighting occurred in

196

00:09:33,600 --> 00:09:30,760

Simferopol Crimea on November 25th 2017

197

00:09:36,390 --> 00:09:33,610

they state in short I didn't know what I

198

00:09:39,030 --> 00:09:36,400

captured until I got back home they go

199

00:09:41,570 --> 00:09:39,040

on to say the day was the 25th of

200

00:09:44,160 --> 00:09:41,580

November we were going to a Thanksgiving

201
00:09:47,280 --> 00:09:44,170
luncheon on the way I took several

202
00:09:49,140 --> 00:09:47,290
random pictures of buildings later when

203
00:09:51,540 --> 00:09:49,150
I was back home from the luncheon I

204
00:09:53,640 --> 00:09:51,550
brought my camera roll to look at the

205
00:09:56,610 --> 00:09:53,650
pictures I had taken the afternoon I

206
00:09:58,200 --> 00:09:56,620
didn't notice the glow like thing the

207
00:10:01,260 --> 00:09:58,210
first time when I looked at the picture

208
00:10:05,100 --> 00:10:01,270
it was the second time where I zoomed it

209
00:10:07,560 --> 00:10:05,110
and was literally shocked to me it

210
00:10:09,690 --> 00:10:07,570
looked like an angel I want to make this

211
00:10:11,790 --> 00:10:09,700
clearer that the time when I was taking

212
00:10:14,390 --> 00:10:11,800
the pictures of the buildings I didn't

213
00:10:18,210 --> 00:10:14,400

notice it at all I love taking pictures

214

00:10:20,100 --> 00:10:18,220

so I had to focus and my stuff and my

215

00:10:22,050 --> 00:10:20,110

iPhone to get that perfect shot but I

216

00:10:24,720 --> 00:10:22,060

really didn't see anything above the

217

00:10:27,360 --> 00:10:24,730

building and it's not lens flare or an

218

00:10:30,600 --> 00:10:27,370

insect if you see it I don't even know

219

00:10:32,730 --> 00:10:30,610

what that thing is so I decided to share

220

00:10:37,890 --> 00:10:32,740

it with you guys have you ever seen

221

00:10:41,390 --> 00:10:37,900

anything like this before the next UFO

222

00:10:45,840 --> 00:10:41,400

sighting occurred in Hagerman New Mexico

223

00:10:48,449 --> 00:10:45,850

the date October 5th 2017 they briefly

224

00:10:51,870 --> 00:10:48,459

say I watched eight lights the first

225

00:10:55,230 --> 00:10:51,880

three were evenly spaced moving fast two

226

00:10:57,150 --> 00:10:55,240

more started moving up then I saw the

227

00:11:00,120 --> 00:10:57,160

other three moving at different speeds

228

00:11:02,550 --> 00:11:00,130

by the time they were just over my head

229

00:11:06,960 --> 00:11:02,560

they're about evenly spaced and then

230

00:11:07,910 --> 00:11:06,970

they were gone my wife was there too the

231

00:11:10,190 --> 00:11:07,920

witness continued

232

00:11:12,680 --> 00:11:10,200

to state I just went outside with my

233

00:11:16,430 --> 00:11:12,690

wife when she was smoking when I thought

234

00:11:18,560 --> 00:11:16,440

I saw a satellite then I noticed two

235

00:11:21,230 --> 00:11:18,570

more coming with it I've never seen

236

00:11:22,670 --> 00:11:21,240

three satellites together I told my wife

237

00:11:25,460 --> 00:11:22,680

check this out

238

00:11:28,790 --> 00:11:25,470

then I see two more catching up with the

239

00:11:32,660 --> 00:11:28,800

two others followed by three they were

240

00:11:35,720 --> 00:11:32,670

even faster I asked my wife do you see

241

00:11:41,090 --> 00:11:35,730

this soon they were all in a row and

242

00:11:45,319 --> 00:11:41,100

just disappeared Wow on to some

243

00:11:48,590 --> 00:11:45,329

paranormal points this was dictated

244

00:11:51,590 --> 00:11:48,600

message from the little people editor's

245

00:11:56,000 --> 00:11:51,600

note coming to us from Sky ships over

246

00:11:58,910 --> 00:11:56,010

cashier's in early May 2016 Evelyn

247

00:12:02,060 --> 00:11:58,920

Gordon and I made a trip to eastern

248

00:12:05,420 --> 00:12:02,070

Tennessee to visit a private 200 acre

249

00:12:08,569 --> 00:12:05,430

woodland where an ancient race of little

250

00:12:11,000 --> 00:12:08,579

people supposedly still lives according

251
00:12:13,910 --> 00:12:11,010
to the owner of the land he and

252
00:12:16,000 --> 00:12:13,920
generations of his family have protected

253
00:12:18,610 --> 00:12:16,010
and interacted with the little people

254
00:12:22,130 --> 00:12:18,620
while we were there we asked the owner

255
00:12:24,040 --> 00:12:22,140
Xander if he might be able to get the

256
00:12:26,810 --> 00:12:24,050
little people to communicate with us

257
00:12:31,130 --> 00:12:26,820
about a year and a half later on

258
00:12:33,860 --> 00:12:31,140
September 27 2017 we received the

259
00:12:36,590 --> 00:12:33,870
following message which Xander says the

260
00:12:39,680 --> 00:12:36,600
little people dictated to him and said

261
00:12:42,889 --> 00:12:39,690
it could be shared we've added the

262
00:12:46,250 --> 00:12:42,899
highlighting they state the article

263
00:12:49,150 --> 00:12:46,260

continues we are the little people and

264

00:12:52,069 --> 00:12:49,160

we do have something to say to you our

265

00:12:55,490 --> 00:12:52,079

Governing Council has approved this

266

00:12:59,600 --> 00:12:55,500

dictation to our friend our history is

267

00:13:02,420 --> 00:12:59,610

very complicated we once lived nearer to

268

00:13:05,720 --> 00:13:02,430

the center of the galaxy we are one of

269

00:13:08,329 --> 00:13:05,730

the oldest humanoid races we have a

270

00:13:11,750 --> 00:13:08,339

glorious culture and expand it to

271

00:13:14,750 --> 00:13:11,760

several solar systems we have a very

272

00:13:18,530 --> 00:13:14,760

peaceful existence and traded with many

273

00:13:21,440 --> 00:13:18,540

groups then the first galactic war began

274

00:13:25,340 --> 00:13:21,450

which created a dilemma for us

275

00:13:28,280 --> 00:13:25,350

we were asked to join each side although

276

00:13:31,490 --> 00:13:28,290

our values clearly had us aligned with

277

00:13:34,880 --> 00:13:31,500

one particular side we refused to

278

00:13:37,940 --> 00:13:34,890

participate in a war the ones who

279

00:13:41,660 --> 00:13:37,950

dominate eventually took our area over

280

00:13:45,800 --> 00:13:41,670

and we as a race were systematically

281

00:13:49,310 --> 00:13:45,810

being killed off after years of harsh

282

00:13:52,970 --> 00:13:49,320

punishment the leader decided to banish

283

00:13:56,330 --> 00:13:52,980

our race to this planet we were forced

284

00:13:59,080 --> 00:13:56,340

to stay here or die we agreed to this

285

00:14:03,050 --> 00:13:59,090

and will honor our agreement

286

00:14:07,460 --> 00:14:03,060

we now are imprisoned on this planet as

287

00:14:10,220 --> 00:14:07,470

are you genetic experiments were done on

288

00:14:13,100 --> 00:14:10,230

us and we were reduced in height and

289

00:14:15,320 --> 00:14:13,110

much of our ability to use the energy

290

00:14:19,550 --> 00:14:15,330

waves of the universe was greatly

291

00:14:23,480 --> 00:14:19,560

reduced your ancestors which you know as

292

00:14:27,800 --> 00:14:23,490

the soul trien Clovis and cro-magnon

293

00:14:31,430 --> 00:14:27,810

peoples had this ability too and now you

294

00:14:33,410 --> 00:14:31,440

have none of this ability at all these

295

00:14:36,140 --> 00:14:33,420

ancestral colonies were the first

296

00:14:38,900 --> 00:14:36,150

inhabitants on this planet they were

297

00:14:42,490 --> 00:14:38,910

later brutally attacked and killed off

298

00:14:45,920 --> 00:14:42,500

by savage ones of your current people a

299

00:14:50,060 --> 00:14:45,930

single family of the ancestral colonies

300

00:14:52,730 --> 00:14:50,070

remains and lives in obscurity we call

301
00:14:56,570 --> 00:14:52,740
these people those of the green and

302
00:15:00,350 --> 00:14:56,580
silver eyes your people were modified

303
00:15:03,320 --> 00:15:00,360
from this ancestral race but the ability

304
00:15:05,900 --> 00:15:03,330
to contact Russian dhol maybe for \$1

305
00:15:07,910 --> 00:15:05,910
cozy socks today only in stores plus

306
00:15:09,560 --> 00:15:07,920

308
00:15:14,390 --> 00:15:12,150
today in stores and at Old Navy calm

309

ends tonight cozy socks valid 12:9

310
00:15:19,880 --> 00:15:16,740
jackets valid 12 8 to 12 9 select styles

311
00:15:23,870 --> 00:15:19,890
only or use the Galactic energy was

312
00:15:27,800 --> 00:15:23,880
permanently removed you were created to

313
00:15:31,010 --> 00:15:27,810

be a slave group we retain some of the

314

00:15:33,260 --> 00:15:31,020

ability to use the galactic energy which

315

00:15:35,020 --> 00:15:33,270

explains much of the abilities you

316

00:15:39,280 --> 00:15:35,030

ascribe to us

317

00:15:41,830 --> 00:15:39,290

some of it is deserved and some not the

318

00:15:45,820 --> 00:15:41,840

ability to appear invisible to you is

319

00:15:48,100 --> 00:15:45,830

nothing more than use of this energy by

320

00:15:51,280 --> 00:15:48,110

using this ability and combining it with

321

00:15:55,600 --> 00:15:51,290

the use of crystals we are able to gain

322

00:15:58,270 --> 00:15:55,610

access to your media and systems please

323

00:16:00,280 --> 00:15:58,280

remember that the ones who dominate have

324

00:16:03,940 --> 00:16:00,290

full use of this energy as your

325

00:16:07,660 --> 00:16:03,950

ancestors did we fear several things

326

00:16:10,060 --> 00:16:07,670

which originate from your activity you

327

00:16:14,230 --> 00:16:10,070

do not understand the natural force here

328

00:16:17,350 --> 00:16:14,240

which abounds in nature instead you cut

329

00:16:20,670 --> 00:16:17,360

down trees continue to mine the ground

330

00:16:23,980 --> 00:16:20,680

and waste almost everything you gain

331

00:16:27,160 --> 00:16:23,990

from our point of view you destroy

332

00:16:30,550 --> 00:16:27,170

everything you can this is all due to

333

00:16:34,180 --> 00:16:30,560

the complete loss of your connection to

334

00:16:35,800 --> 00:16:34,190

the energy waves of the galaxy for this

335

00:16:38,470 --> 00:16:35,810

reason it is important for you to

336

00:16:42,480 --> 00:16:38,480

realize that you must be governed by

337

00:16:45,670 --> 00:16:42,490

another group which has such abilities

338

00:16:47,650 --> 00:16:45,680

alone you will destroy yourselves and

339

00:16:52,360 --> 00:16:47,660

much of the environment in which we all

340

00:16:55,270 --> 00:16:52,370

reside unknown to you a third galactic

341

00:16:58,930 --> 00:16:55,280

war rages at this moment and is moving

342

00:17:01,540 --> 00:16:58,940

into this sector battles have happened

343

00:17:04,750 --> 00:17:01,550

in the sector before resulting in a

344

00:17:08,650 --> 00:17:04,760

planet being destroyed it is known to

345

00:17:10,059 --> 00:17:08,660

you as the asteroid belt before long you

346

00:17:13,510 --> 00:17:10,069

will have to make a choice

347

00:17:16,630 --> 00:17:13,520

the ones who dominate are not so kind as

348

00:17:20,020 --> 00:17:16,640

they were when we were moved to this

349

00:17:23,260 --> 00:17:20,030

planet now all their defeated enemies

350

00:17:26,559 --> 00:17:23,270

are forced into slavery or become their

351

00:17:29,530 --> 00:17:26,569

food only some of you are suitable

352

00:17:33,580 --> 00:17:29,540

slaves the vast majority they will

353

00:17:36,300 --> 00:17:33,590

process as food a small group among your

354

00:17:39,220 --> 00:17:36,310

people which some of you call the Cabal

355

00:17:43,120 --> 00:17:39,230

have contact with the ones who dominate

356

00:17:45,040 --> 00:17:43,130

and willingly obey their wishes because

357

00:17:48,780 --> 00:17:45,050

they've been promised control of the

358

00:17:51,480 --> 00:17:48,790

planet once the dominators have secured

359

00:17:55,060 --> 00:17:51,490

nothing could be further from the truth

360

00:17:57,340 --> 00:17:55,070

we know how the dominators act and they

361

00:18:00,910 --> 00:17:57,350

will devour these traitors in a victory

362

00:18:04,090 --> 00:18:00,920

celebration the fate of mixed-race

363

00:18:05,500 --> 00:18:04,100

people will not be better they will have

364

00:18:09,130 --> 00:18:05,510

to fight for their lives as

365

00:18:12,640 --> 00:18:09,140

entertainment for the dominators even

366

00:18:16,539 --> 00:18:12,650

now the Cabal trades small children for

367

00:18:19,630 --> 00:18:16,549

the dominators technology if babies and

368

00:18:22,780 --> 00:18:19,640

children cannot meet the quotas then

369

00:18:25,680 --> 00:18:22,790

other humans are sent this is being done

370

00:18:29,200 --> 00:18:25,690

in numbers that few would believe

371

00:18:31,950 --> 00:18:29,210

thousands per month or more we

372

00:18:35,490 --> 00:18:31,960

absolutely do intend to raise your alarm

373

00:18:38,919 --> 00:18:35,500

you do not know the enemy you are facing

374

00:18:42,190 --> 00:18:38,929

there are other forces aligned to oppose

375

00:18:45,190 --> 00:18:42,200

the ones who dominate some think these

376

00:18:48,100 --> 00:18:45,200

will suddenly appear as saviors but they

377

00:18:52,060 --> 00:18:48,110

will demand a heavy tribute and will not

378

00:18:54,000 --> 00:18:52,070

tolerate disobedience at all we call

379

00:18:58,570 --> 00:18:54,010

them the ones of the Council of the

380

00:19:01,360 --> 00:18:58,580

galaxy most likely they will establish a

381

00:19:04,690 --> 00:19:01,370

permanent Center for their fleet to

382

00:19:07,330 --> 00:19:04,700

operate on this planet or nearby they

383

00:19:09,659 --> 00:19:07,340

also will exterminate traitors among you

384

00:19:12,880 --> 00:19:09,669

and get rid of the mixed race people

385

00:19:16,299 --> 00:19:12,890

because each race was developed for a

386

00:19:18,760 --> 00:19:16,309

specific purpose or environment we are

387

00:19:22,150 --> 00:19:18,770

sure they will place your ancestral race

388

00:19:24,640 --> 00:19:22,160

in charge of you here they exist in many

389

00:19:28,600 --> 00:19:24,650

parts of the galaxy and are considered

390

00:19:30,760 --> 00:19:28,610

to be your superiors they know what was

391

00:19:33,460 --> 00:19:30,770

done to their colonies here and will

392

00:19:38,080 --> 00:19:33,470

eliminate the savage ones who destroyed

393

00:19:40,210 --> 00:19:38,090

them there is no other choice you will

394

00:19:43,299 --> 00:19:40,220

be under the control of either the

395

00:19:47,380 --> 00:19:43,309

dominators or the Council of the galaxy

396

00:19:50,740 --> 00:19:47,390

as for us we are all that remain of our

397

00:19:54,880 --> 00:19:50,750

people we wish to remain a part as we

398

00:19:56,980 --> 00:19:54,890

are our numbers are falling rapidly in a

399

00:20:01,510 --> 00:19:56,990

few hundred years we will no longer

400

00:20:02,090 --> 00:20:01,520

exist this is our accepted fate we urge

401
00:20:04,490 --> 00:20:02,100
you to

402
00:20:07,180 --> 00:20:04,500
consider the position in which you now

403
00:20:09,470 --> 00:20:07,190
find yourselves

404
00:20:13,250 --> 00:20:09,480
for those of you who don't know I wrote

405
00:20:15,950 --> 00:20:13,260
a book called the secret war that was

406
00:20:18,230 --> 00:20:15,960
published in 2001 and it's written by

407
00:20:20,600 --> 00:20:18,240
myself Heidi Hollis and kind of goes

408
00:20:22,789 --> 00:20:20,610
over something similar so that was an

409
00:20:26,419 --> 00:20:22,799
eye-opener for me to listen to just now

410
00:20:29,210 --> 00:20:26,429
let me tell you Wow I wanted to read a

411
00:20:33,320 --> 00:20:29,220
little bit more about this person who

412
00:20:35,419 --> 00:20:33,330
invited this author out named Xander who

413
00:20:38,299 --> 00:20:35,429

gives a physical description of the

414

00:20:39,860 --> 00:20:38,309

little people she goes on to state

415

00:20:42,470 --> 00:20:39,870

Xander gave us a wealth of information

416

00:20:45,380 --> 00:20:42,480

about the little people who live on his

417

00:20:48,200 --> 00:20:45,390

land including detailed physical

418

00:20:50,870 --> 00:20:48,210

descriptions there between three and a

419

00:20:53,390 --> 00:20:50,880

half and four feet tall he began their

420

00:20:56,330 --> 00:20:53,400

skin color is a very subtle shade of

421

00:20:59,570 --> 00:20:56,340

light blue just enough to recognize the

422

00:21:02,390 --> 00:20:59,580

color as for their faces they're rather

423

00:21:05,270 --> 00:21:02,400

ordinary and look like faces you'd see

424

00:21:08,090 --> 00:21:05,280

in town but smaller their eyes are

425

00:21:11,419 --> 00:21:08,100

usually light in color I've seen blue

426

00:21:14,029 --> 00:21:11,429

gray and yellowish eyes neither my

427

00:21:17,330 --> 00:21:14,039

father nor I have ever seen any little

428

00:21:20,029 --> 00:21:17,340

people with dark eyes my green eyes seem

429

00:21:22,399 --> 00:21:20,039

to intrigue them and they've commented

430

00:21:25,370 --> 00:21:22,409

that they have relatives or friends with

431

00:21:27,830 --> 00:21:25,380

green eyes the teenagers are the most

432

00:21:31,490 --> 00:21:27,840

curious and the ones most likely to be

433

00:21:35,419 --> 00:21:31,500

seen Xander explained a timer to one of

434

00:21:37,970 --> 00:21:35,429

them has reached out and touched me once

435

00:21:40,490 --> 00:21:37,980

there was one in a tree above the path I

436

00:21:42,770 --> 00:21:40,500

was walking suddenly he was hanging from

437

00:21:44,899 --> 00:21:42,780

a limb about three inches in front of my

438

00:21:47,659 --> 00:21:44,909

face because he wanted to look in my

439

00:21:50,810 --> 00:21:47,669

eyes for some reason they're very

440

00:21:53,930 --> 00:21:50,820

enamored with green eyes green eyes

441

00:21:56,510 --> 00:21:53,940

means something to them normally though

442

00:21:59,299 --> 00:21:56,520

they walk like anyone else and leave

443

00:22:01,430 --> 00:21:59,309

footprints and Bend the grass yet they

444

00:22:05,510 --> 00:22:01,440

definitely have the ability to become

445

00:22:08,659 --> 00:22:05,520

sort of invisible though not 100% if

446

00:22:11,539 --> 00:22:08,669

they're standing still you can still see

447

00:22:14,330 --> 00:22:11,549

them easier so when people are around

448

00:22:15,980 --> 00:22:14,340

they keep moving most people wouldn't

449

00:22:19,460 --> 00:22:15,990

see them or they just

450

00:22:22,730 --> 00:22:19,470

whisp go by as for their clothing Xander

451

00:22:25,669 --> 00:22:22,740

said they wear short leather pants much

452

00:22:28,700 --> 00:22:25,679

like german lederhosen knee-high socks

453

00:22:32,060 --> 00:22:28,710

and ankle high boots that look like

454

00:22:35,570 --> 00:22:32,070

hiking boots their shirts are a bit like

455

00:22:38,090 --> 00:22:35,580

old u.s. calvary bib shirts with double

456

00:22:41,120 --> 00:22:38,100

rows of buttons they don't usually wear

457

00:22:44,030 --> 00:22:41,130

hats but I have seen some wear old style

458

00:22:47,860 --> 00:22:44,040

ball caps like back in the time of Ty

459

00:22:50,870 --> 00:22:47,870

Cobb some of them wear bowler hats and

460

00:22:53,630 --> 00:22:50,880

the women have very similar dress and

461

00:22:56,030 --> 00:22:53,640

long flowing hair everything from

462

00:22:59,510 --> 00:22:56,040

totally white to blonde to light brown

463

00:23:03,440 --> 00:22:59,520

to red they usually stay back and the

464

00:23:06,110 --> 00:23:03,450

young children stay back to Mary Joyce

465

00:23:08,299 --> 00:23:06,120

the author of this article goes on to

466

00:23:10,549 --> 00:23:08,309

state it's worth noting that because of

467

00:23:12,500 --> 00:23:10,559

their light body weight the little

468

00:23:15,860 --> 00:23:12,510

people seldom leave behind clear

469

00:23:18,530 --> 00:23:15,870

footprints unless the ground is damp the

470

00:23:21,200 --> 00:23:18,540

day we were there it was dry and we were

471

00:23:24,350 --> 00:23:21,210

fortunate to find one tiny footprint

472

00:23:26,090 --> 00:23:24,360

beneath the old tree as Xander searched

473

00:23:28,549 --> 00:23:26,100

for footprints he explained that the

474

00:23:31,010 --> 00:23:28,559

little people loved that spot and when

475

00:23:33,770 --> 00:23:31,020

all is quiet especially when the fog

476

00:23:37,490 --> 00:23:33,780

rolls in they sometimes go there to do

477

00:23:39,710 --> 00:23:37,500

circle dances and sing up here where I

478

00:23:42,500 --> 00:23:39,720

lived there was a lot of fog Xander

479

00:23:44,570 --> 00:23:42,510

explained and when it rolls by sometimes

480

00:23:46,330 --> 00:23:44,580

you could hear their songs I've had a

481

00:23:48,980 --> 00:23:46,340

lot of people that have told me that too

482

00:23:52,820 --> 00:23:48,990

then with a chuckle in his voice he told

483

00:23:55,010 --> 00:23:52,830

us a story once I hired three fellows to

484

00:23:56,930 --> 00:23:55,020

help me with some fencing work they were

485

00:24:00,380 --> 00:23:56,940

from another country and when that

486

00:24:02,419 --> 00:24:00,390

happened to them they left running they

487

00:24:04,880 --> 00:24:02,429

jumped in their old Pontiac and drove

488

00:24:07,520 --> 00:24:04,890

off so fast that I thought one of them

489

00:24:10,130 --> 00:24:07,530

might have hurt themselves and they were

490

00:24:10,700 --> 00:24:10,140

rushing him to the hospital when I saw

491

00:24:12,980 --> 00:24:10,710

them later

492

00:24:16,340 --> 00:24:12,990

they said they'd heard singing in the

493

00:24:18,799 --> 00:24:16,350

fog then they curiously asked me are you

494

00:24:19,820 --> 00:24:18,809

familiar with this I said oh yeah

495

00:24:22,460 --> 00:24:19,830

absolutely

496

00:24:24,590 --> 00:24:22,470

then it called me something derogatory

497

00:24:28,490 --> 00:24:24,600

in their language that seemed to mean

498

00:24:29,720 --> 00:24:28,500

something like evil wizard they left and

499

00:24:31,490 --> 00:24:29,730

wouldn't come back

500

00:24:33,080 --> 00:24:31,500

they wouldn't even accept the money I

501

00:24:36,110 --> 00:24:33,090

owed them for the work they'd already

502

00:24:39,590 --> 00:24:36,120

done the only one who will work for me

503

00:24:41,810 --> 00:24:39,600

is a man who was my father's employee he

504

00:24:42,320 --> 00:24:41,820

added sometimes he has talked about my

505

00:24:44,600 --> 00:24:42,330

father

506

00:24:46,580 --> 00:24:44,610

and the unusual things the two of them

507

00:24:48,980 --> 00:24:46,590

had seen and heard on the property

508

00:24:51,470 --> 00:24:48,990

we asked sander if the little people had

509

00:24:55,490 --> 00:24:51,480

musical instruments he said he'd never

510

00:24:59,330 --> 00:24:55,500

seen any but he had occasionally heard

511

00:25:02,210 --> 00:24:59,340

their flute music how one man

512

00:25:04,610 --> 00:25:02,220

communicates with little people editor's

513

00:25:07,340 --> 00:25:04,620

note this is a third in a series about

514

00:25:09,140 --> 00:25:07,350

visiting the private property in eastern

515

00:25:11,780 --> 00:25:09,150

Tennessee where an ancient race of

516

00:25:13,100 --> 00:25:11,790

little people still live Xander the

517

00:25:14,960 --> 00:25:13,110

owner of the land with the little people

518

00:25:17,720 --> 00:25:14,970

still lived there remembers his father

519

00:25:20,270 --> 00:25:17,730

and grandfather communicating with the

520

00:25:22,880 --> 00:25:20,280

little people he goes out to say my

521

00:25:25,430 --> 00:25:22,890

father had an ability that I probably

522

00:25:28,220 --> 00:25:25,440

don't approach to contact the little

523

00:25:30,620 --> 00:25:28,230

people Xander told us my grandfather and

524

00:25:33,440 --> 00:25:30,630

great-grandfather had it too but my

525

00:25:35,420 --> 00:25:33,450

children don't seem to have it at all it

526

00:25:38,780 --> 00:25:35,430

seems to be some sort of genetic

527

00:25:40,820 --> 00:25:38,790

capability that is fading away he then

528

00:25:42,490 --> 00:25:40,830

explained the unique bond between his

529

00:25:45,350 --> 00:25:42,500

family and the little people

530

00:25:47,900 --> 00:25:45,360

yuichi Indians who once thrived in

531

00:25:49,880 --> 00:25:47,910

eastern Tennessee the yuichi Indians

532

00:25:51,980 --> 00:25:49,890

were like no other Native American tribe

533

00:25:54,260 --> 00:25:51,990

he began their language was

534

00:25:56,780 --> 00:25:54,270

unintelligible to every other tribe that

535

00:25:59,570 --> 00:25:56,790

existed and they were used as

536

00:26:01,910 --> 00:25:59,580

translators for other tribes there are

537

00:26:03,860 --> 00:26:01,920

rumors that some early explorers came

538

00:26:06,440 --> 00:26:03,870

through this area and found that the

539

00:26:09,680 --> 00:26:06,450

yuichi could translate English and

540

00:26:12,680 --> 00:26:09,690

German as well there were people who had

541

00:26:15,560 --> 00:26:12,690

fair skin would sunburn easily and had

542

00:26:18,530 --> 00:26:15,570

light-colored hair and blue or grayish

543

00:26:22,130 --> 00:26:18,540

color dyes they were about the same size

544

00:26:24,410 --> 00:26:22,140

and look as most Europeans we found all

545

00:26:26,620 --> 00:26:24,420

this intriguing and later spent hours

546

00:26:29,810 --> 00:26:26,630

slogging through academic papers

547

00:26:33,080 --> 00:26:29,820

theories and histories of the Yukie to

548

00:26:34,850 --> 00:26:33,090

confirm that Xander had told us we found

549

00:26:37,490 --> 00:26:34,860

the following information written by

550

00:26:40,010 --> 00:26:37,500

Richard Thornton one of the country's

551
00:26:42,950 --> 00:26:40,020
leading experts on southeastern Indians

552
00:26:45,799 --> 00:26:42,960
the most interesting

553
00:26:49,730 --> 00:26:45,809
it is from an article he posted in May

554
00:26:53,120 --> 00:26:49,740
8th 2016 on the people of one fire

555
00:26:55,490 --> 00:26:53,130
website goes on to state the yuichi

556
00:26:57,710 --> 00:26:55,500
migration legend states that their

557
00:27:00,529 --> 00:26:57,720
ancestors came by boat from the home of

558
00:27:03,010 --> 00:27:00,539
the Sun across the Atlantic and arrived

559
00:27:06,470 --> 00:27:03,020
in the vicinity of Savannah Georgia

560
00:27:08,539 --> 00:27:06,480
recent archeological discoveries appear

561
00:27:10,850 --> 00:27:08,549
to confirm the youichi's version of

562
00:27:13,250 --> 00:27:10,860
history it has been discovered that

563
00:27:16,549 --> 00:27:13,260

there was a massive flood in Ireland

564

00:27:20,539 --> 00:27:16,559

western France and western Spain around

565

00:27:23,240 --> 00:27:20,549

2050 BC most of the indigenous people of

566

00:27:26,539 --> 00:27:23,250

Ireland aka the black Irish either

567

00:27:28,850 --> 00:27:26,549

drowned or were forced to leave at the

568

00:27:31,760 --> 00:27:28,860

same time as this flood the first

569

00:27:33,740 --> 00:27:31,770

pottery appeared in North America would

570

00:27:36,620 --> 00:27:33,750

you believe that was made in the

571

00:27:39,860 --> 00:27:36,630

Savannah River Basin thus it appears

572

00:27:42,740 --> 00:27:39,870

that the oldest tribe in the southeast

573

00:27:45,950 --> 00:27:42,750

was neither ethnically nor genetically

574

00:27:47,539 --> 00:27:45,960

quote American Indian it's worth

575

00:27:49,730 --> 00:27:47,549

mentioning that the Yukie called

576
00:27:52,130 --> 00:27:49,740
themselves children of the Sun which

577
00:27:54,350 --> 00:27:52,140
supports the legend that they came

578
00:27:57,860 --> 00:27:54,360
across the Atlantic from the direction

579
00:27:59,659 --> 00:27:57,870
of the Rising Sun it is also interesting

580
00:28:02,090 --> 00:27:59,669
that the leprechauns and little people

581
00:28:05,419 --> 00:28:02,100
long have been associated with Ireland

582
00:28:07,340 --> 00:28:05,429
perhaps some wee ones also escaped to

583
00:28:12,080 --> 00:28:07,350
America during the flood that hit

584
00:28:14,480 --> 00:28:12,090
Ireland in 20 50 BC after all Xander

585
00:28:17,029 --> 00:28:14,490
says the little people on his land wear

586
00:28:19,820 --> 00:28:17,039
clothing more like old traditional

587
00:28:23,269 --> 00:28:19,830
European clothing than that of Native

588
00:28:26,320 --> 00:28:23,279

American tribes then Xander quietly said

589

00:28:29,720 --> 00:28:26,330

he believes he might be a watered-down

590

00:28:31,789 --> 00:28:29,730

remnant of the Yukie people because his

591

00:28:34,190 --> 00:28:31,799

family has lived in the Yukie territory

592

00:28:36,430 --> 00:28:34,200

for the last two centuries and because

593

00:28:39,970 --> 00:28:36,440

the little people have felt safe

594

00:28:44,299 --> 00:28:39,980

interacting with him and his ancestors

595

00:28:47,389 --> 00:28:44,309

he goes on to state it was my father who

596

00:28:49,880 --> 00:28:47,399

died in 1993 that I decided to contact

597

00:28:52,220 --> 00:28:49,890

the little people myself Xander said I

598

00:28:54,950 --> 00:28:52,230

went to the place where they live and

599

00:28:56,630 --> 00:28:54,960

just said out loud are you still here

600

00:28:59,630 --> 00:28:56,640

are you interested

601
00:29:01,340 --> 00:28:59,640
in communicating with me if so then I'll

602
00:29:04,220 --> 00:29:01,350
come back here tomorrow and you could

603
00:29:06,380 --> 00:29:04,230
show me a sign I will recognize so I

604
00:29:08,900 --> 00:29:06,390
came back the next day and there was a

605
00:29:12,380 --> 00:29:08,910
circle that they made out of some kind

606
00:29:14,750 --> 00:29:12,390
of woven straw and on it there were

607
00:29:17,090 --> 00:29:14,760
eight to ten extremely light blue

608
00:29:20,390 --> 00:29:17,100
feathers arranged in a circle like

609
00:29:23,450 --> 00:29:20,400
spokes on a wheel each one was about six

610
00:29:26,000 --> 00:29:23,460
inches long and an inch or so wide they

611
00:29:29,000 --> 00:29:26,010
were pretty heavy for bird feathers I've

612
00:29:30,860 --> 00:29:29,010
never seen feathers like them yes I took

613
00:29:33,140 --> 00:29:30,870

the circle of feathers as a sign so I

614

00:29:35,030 --> 00:29:33,150

gathered them up and left a note the

615

00:29:38,090 --> 00:29:35,040

next day I'd written a note on the paper

616

00:29:40,130 --> 00:29:38,100

for me since then I've written them

617

00:29:42,080 --> 00:29:40,140

notes so many times that I can't

618

00:29:44,960 --> 00:29:42,090

remember exactly what I wrote the first

619

00:29:47,660 --> 00:29:44,970

time if I leave them a pencil they'll

620

00:29:50,450 --> 00:29:47,670

write me notes while they can print it

621

00:29:52,700 --> 00:29:50,460

doesn't look pretty and neat they always

622

00:29:55,310 --> 00:29:52,710

write that they prefer to talk to me

623

00:29:57,050 --> 00:29:55,320

when I go to her a special spot in the

624

00:29:58,250 --> 00:29:57,060

woods they will speak to me but they

625

00:30:01,760 --> 00:29:58,260

don't speak out loud

626
00:30:05,830 --> 00:30:01,770
it's definitely telepathic communication

627
00:30:08,480 --> 00:30:05,840
and then they show an actual note

628
00:30:10,970 --> 00:30:08,490
