1  
00:00:09,440 --> 00:00:07,309  
welcome welcome to my awesome Friday

2  
00:00:11,240 --> 00:00:09,450  
evening your listen to me Heidi Hollis

3  
00:00:12,320 --> 00:00:11,250  
the Outlander so welcome to the show

4  
00:00:14,539 --> 00:00:12,330  
everybody

5  
00:00:17,510 --> 00:00:14,549  
oh this is gonna be a lot of fun tonight

6  
00:00:19,130 --> 00:00:17,520  
you guys you know you know sometimes I

7  
00:00:20,029 --> 00:00:19,140  
get these really interesting people on

8  
00:00:23,630 --> 00:00:20,039  
you're gonna really enjoy this one

9  
00:00:26,240 --> 00:00:23,640  
tonight I am gonna tell you what this

10  
00:00:29,120 --> 00:00:26,250  
show is about because if you are new to

11  
00:00:30,529 --> 00:00:29,130  
me you need to be informed this show is

12  
00:00:32,810 --> 00:00:30,539  
about bringing outlandish and

13  
00:00:35,240 --> 00:00:32,820

interesting topics to the forefront from

14

00:00:38,330 --> 00:00:35,250

alien angels ghosts demons holy

15

00:00:40,760 --> 00:00:38,340

encounters shadow people to Bigfoot to

16

00:00:43,040 --> 00:00:40,770

the outlandish I always say if it's

17

00:00:44,389 --> 00:00:43,050

weird we're here and now you are too so

18

00:00:47,150 --> 00:00:44,399

you are among friends

19

00:00:53,750 --> 00:00:47,160

if you do not know who I am well how

20

00:00:55,670 --> 00:00:53,760

dare you personally I'm someone who has

21

00:00:57,650 --> 00:00:55,680

been there seeing that experienced it

22

00:01:00,080 --> 00:00:57,660

freaked out found some answers wrote

23

00:01:01,490 --> 00:01:00,090

about it got over it and now I'm hoping

24

00:01:04,850 --> 00:01:01,500

to help others do the same darn thing

25

00:01:08,359 --> 00:01:04,860

and understand this kooky cookie fun

26

00:01:11,210 --> 00:01:08,369

freaky world of ours I dare you to go to

27

00:01:13,390 --> 00:01:11,220

my main website I don't even know if my

28

00:01:16,789 --> 00:01:13,400

parents have seen it in recent years

29

00:01:19,370 --> 00:01:16,799

Heidi Hollis calm you're gonna find

30

00:01:22,149 --> 00:01:19,380

things there that are just man boy just

31

00:01:24,410 --> 00:01:22,159

I'm going and I have YouTube channel

32

00:01:26,810 --> 00:01:24,420

Facebook Twitter all that stuff is up

33

00:01:29,780 --> 00:01:26,820

there you can find me on Facebook and

34

00:01:32,090 --> 00:01:29,790

Twitter just put a 1 so at 1 Heidi

35

00:01:34,670 --> 00:01:32,100

Hollis that literally the number one and

36

00:01:36,469 --> 00:01:34,680

you will find me and I want to tell you

37

00:01:38,510 --> 00:01:36,479

guys how you hear this program because I

38

00:01:40,969 --> 00:01:38,520

think it's pretty darn awesome and

39  
00:01:46,010 --> 00:01:40,979  
honestly most you guys do take advantage

40  
00:01:49,160 --> 00:01:46,020  
of the inception radio network app what

41  
00:01:52,520 --> 00:01:49,170  
is that well it's just an app you hear

42  
00:01:55,490 --> 00:01:52,530  
this so live you can hear my recorded

43  
00:01:58,490 --> 00:01:55,500  
shows and yeah all that good stuff this

44  
00:01:59,990 --> 00:01:58,500  
is considered a live broadcast show you

45  
00:02:01,789 --> 00:02:00,000  
will say oh you're podcasting like now

46  
00:02:03,289 --> 00:02:01,799  
it's considered live broadcasts we just

47  
00:02:05,539 --> 00:02:03,299  
happen to record it so you can listen to

48  
00:02:07,760 --> 00:02:05,549  
it later so isn't that fantastic and

49  
00:02:09,589 --> 00:02:07,770  
most of you do seem to listen through

50  
00:02:11,300 --> 00:02:09,599  
the app but we've got gosh we're on I

51  
00:02:13,250 --> 00:02:11,310  
heart were everywhere we're everywhere

52  
00:02:13,940 --> 00:02:13,260  
so you can check us out so many

53  
00:02:17,449 --> 00:02:13,950  
different

54  
00:02:20,119 --> 00:02:17,459  
and probably the easiest way to listen

55  
00:02:22,429 --> 00:02:20,129  
to us if you're old school especially or

56  
00:02:25,880 --> 00:02:22,439  
if your internet sucks you can just dial

57  
00:02:28,780 --> 00:02:25,890  
a number and just listen put it on

58  
00:02:33,500 --> 00:02:28,790  
speakerphone that is seven one two seven

59  
00:02:35,300 --> 00:02:33,510  
seven zero eight eight eight eight and I

60  
00:02:37,160 --> 00:02:35,310  
always welcome you guys to call in to

61  
00:02:38,619 --> 00:02:37,170  
the show which is one eight eight eight

62  
00:02:41,750 --> 00:02:38,629  
nine one nine

63  
00:02:44,330 --> 00:02:41,760

23:55 or you can Skype your comments and

64

00:02:46,250 --> 00:02:44,340

questions to inception radio network but

65

00:02:47,599 --> 00:02:46,260

again I realize that let's see you guys

66

00:02:49,670 --> 00:02:47,609

you're not listening to this show live

67

00:02:52,490 --> 00:02:49,680

let's just fine no I forgive you

68

00:02:54,080 --> 00:02:52,500

so uh so you might not hear a whole lot

69

00:02:56,509 --> 00:02:54,090

of calls that come in live because

70

00:03:03,229 --> 00:02:56,519

people like to listen on their own darn

71

00:03:06,110 --> 00:03:03,239

time which is fine again so anywho and

72

00:03:09,170 --> 00:03:06,120

oh it's gonna go into the inception

73

00:03:12,020 --> 00:03:09,180

radio network chat room that is I are in

74

00:03:14,509 --> 00:03:12,030

chat comm and there's some folks in

75

00:03:17,330 --> 00:03:14,519

there right now and I see B and I see

76

00:03:22,909 --> 00:03:17,340

Bonnie MJ whoa MJ that's a stranger if I

77

00:03:24,309 --> 00:03:22,919

ever heard a name okay so that's really

78

00:03:27,619 --> 00:03:24,319

happens

79

00:03:29,809 --> 00:03:27,629

so yeah it's you know we got a lot of

80

00:03:32,149 --> 00:03:29,819

different things going on here at

81

00:03:34,189 --> 00:03:32,159

inception radio network and my goodness

82

00:03:42,140 --> 00:03:34,199

I don't know if there's any orifice they

83

00:03:44,719 --> 00:03:42,150

have not reached into okay that was bad

84

00:03:48,890 --> 00:03:44,729

oh god I got a dry spot

85

00:03:51,860 --> 00:03:48,900

so anyways tonight because I do have yes

86

00:03:53,869 --> 00:03:51,870

joining me we're going to forego the

87

00:03:56,360 --> 00:03:53,879

outlandish corner and that is where I

88

00:03:58,849 --> 00:03:56,370

answer your emails and your comments and

89

00:04:00,379 --> 00:03:58,859

whatnot to whatever it is that you're

90

00:04:02,149 --> 00:04:00,389

experiencing out there out of the

91

00:04:04,159 --> 00:04:02,159

ordinary that I lend some level-headed

92

00:04:06,740 --> 00:04:04,169

advice to without being a psychic or a

93

00:04:08,539 --> 00:04:06,750

guru but I do sprinkle some Jesus on it

94

00:04:12,800 --> 00:04:08,549

which is uh yeah that's that's a given

95

00:04:14,990 --> 00:04:12,810

so anywho you can write me with your

96

00:04:17,539 --> 00:04:15,000

experiences I don't care what it is if

97

00:04:20,300 --> 00:04:17,549

Bigfoot does go into your trash every

98

00:04:22,219 --> 00:04:20,310

night and you're just sick of it look

99

00:04:23,839 --> 00:04:22,229

what with some Bigfoot repellent spray I

100

00:04:26,140 --> 00:04:23,849

don't know but we'll think of something

101

00:04:29,530 --> 00:04:26,150

and so we'll do it together

102

00:04:31,150 --> 00:04:29,540

shadow people go with aliens anything

103

00:04:32,770 --> 00:04:31,160

and everything out of the ordinary just

104

00:04:36,550 --> 00:04:32,780

write me at dusk

105

00:04:39,939 --> 00:04:36,560

das Outlander at gmail.com or go to my

106

00:04:42,310 --> 00:04:39,949

facebook page at 1:00 Heidi Hollis put a

107

00:04:45,640 --> 00:04:42,320

1 in front of my name and yeah well I

108

00:04:49,090 --> 00:04:45,650

will get down to it groovy and I will

109

00:04:51,070 --> 00:04:49,100

address it so anyways I am going to get

110

00:04:54,670 --> 00:04:51,080

on to introducing whom I guess will be

111

00:04:57,040 --> 00:04:54,680

this evening Kenneth and Farrah Rose

112

00:04:59,620 --> 00:04:57,050

deal they are a rare husband-and-wife

113

00:05:01,120 --> 00:04:59,630

team with a combined 80 plus years

114

00:05:03,790 --> 00:05:01,130

they're both a hundred and fifty years

115

00:05:05,920 --> 00:05:03,800

old I was kidding your sexual experience

116

00:05:08,529 --> 00:05:05,930

and related studies and spiritual

117

00:05:11,879 --> 00:05:08,539

warfare counselors filled investigators

118

00:05:14,710 --> 00:05:11,889

educators Catholic apologists and

119

00:05:17,100 --> 00:05:14,720

evangelists or as the mainstream public

120

00:05:19,950 --> 00:05:17,110

refers to them as religious

121

00:05:22,920 --> 00:05:19,960

demonologists taking on all cases of

122

00:05:26,050 --> 00:05:22,930

infestation oppression possession from

123

00:05:27,430 --> 00:05:26,060

investigation phase to the clues of the

124

00:05:29,529 --> 00:05:27,440

case everybody

125

00:05:33,640 --> 00:05:29,539

round of applause for Kenneth affero

126

00:05:36,969 --> 00:05:33,650

deal come aboard guys how the heck are

127

00:05:38,920 --> 00:05:36,979

you two doing this evening freezing our

128

00:05:41,350 --> 00:05:38,930

frigid little toesies off

129

00:05:43,510 --> 00:05:41,360

oh it's cold where you're at huh well

130

00:05:48,159 --> 00:05:43,520

degrees okay at least we're not getting

131

00:05:52,020 --> 00:05:48,169

the snow Wow we're yeah we're not in the

132

00:05:55,659 --> 00:05:52,030

Bible Belt we are in the Bible buckle

133

00:05:58,060 --> 00:05:55,669

Springfield Missouri Springfield nice

134

00:06:01,300 --> 00:05:58,070

yeah we're a city of the United States

135

00:06:03,790 --> 00:06:01,310

that has the most number of churches per

136

00:06:14,350 --> 00:06:03,800

capita than anywhere in the world

137

00:06:19,420 --> 00:06:14,360

Wow an infestation I'm scanning week the

138

00:06:21,610 --> 00:06:19,430

mass you know that's not our all of our

139

00:06:22,899 --> 00:06:21,620

parishes but it's kind of funny that you

140

00:06:27,520 --> 00:06:22,909

know they're all five minutes from me

141

00:06:29,830 --> 00:06:27,530

promise oh my goodness so you two have

142

00:06:32,550 --> 00:06:29,840

both been dabbling in this stuff for a

143

00:06:35,260 --> 00:06:32,560

long time has it always been as a team

144

00:06:37,450 --> 00:06:35,270

no there's only since we met each other

145

00:06:39,279 --> 00:06:37,460

and immediately we started talking about

146

00:06:39,780 --> 00:06:39,289

that topic which is refreshing because

147

00:06:41,280 --> 00:06:39,790

you

148

00:06:44,070 --> 00:06:41,290

can't talk to anybody about it

149

00:06:48,020 --> 00:06:44,080

especially a beautiful woman how long

150

00:06:53,550 --> 00:06:48,030

ago did did you join forces I should ask

151

00:06:55,830 --> 00:06:53,560

years ago eight you said yes okay all

152

00:06:57,870 --> 00:06:55,840

right so well gosh what are the odds of

153

00:06:59,400 --> 00:06:57,880

that that you too well cross paths I

154

00:07:01,050 --> 00:06:59,410

mean didn't you cover one half of the

155

00:07:03,480 --> 00:07:01,060

state she had the other and what you

156

00:07:04,500 --> 00:07:03,490

just met and go this is meant to be

157

00:07:08,240 --> 00:07:04,510

how'd this happen

158

00:07:11,340 --> 00:07:08,250

it's kind of crazy actually I covered

159

00:07:14,120 --> 00:07:11,350

New Mexico California Washington Texas

160

00:07:17,460 --> 00:07:14,130

and Michigan before meeting him yeah

161

00:07:20,160 --> 00:07:17,470

yeah he was all over the place he was

162

00:07:22,110 --> 00:07:20,170

originally from st. Louis and we ended

163

00:07:24,450 --> 00:07:22,120

up meeting on one of those quirky little

164

00:07:26,040 --> 00:07:24,460

Christian dating sites accidentally

165

00:07:28,620 --> 00:07:26,050

looking for a friend because we were

166

00:07:29,880 --> 00:07:28,630

bored it was Halloween and you know it

167

00:07:32,160 --> 00:07:29,890

was just one of those things and it's

168

00:07:38,210 --> 00:07:32,170

like kismet he couldn't shut up and I

169

00:07:48,450 --> 00:07:43,350

mind blowing that are into these topics

170

00:07:49,740 --> 00:07:48,460

and it's a lonely drudging difficult

171

00:07:52,770 --> 00:07:49,750

thing to do because they're always

172

00:07:54,330 --> 00:07:52,780

working it alone the wife doesn't get it

173

00:07:56,670 --> 00:07:54,340

or the husband doesn't get this and

174

00:07:58,350 --> 00:07:56,680

that's really that's kind of cool that

175

00:08:00,480 --> 00:07:58,360

you two have merged the way that you

176

00:08:02,310 --> 00:08:00,490

have that's awesome it's bizarre Heidi

177

00:08:04,410 --> 00:08:02,320

it's really bizarre thirty people that

178

00:08:08,130 --> 00:08:04,420

we meet especially the members of the

179

00:08:10,950 --> 00:08:08,140

opposite sex have difficulty you know in

180

00:08:15,300 --> 00:08:10,960

relationships and related on and it's

181

00:08:17,160 --> 00:08:15,310

very very difficult to be able to invest

182

00:08:18,630 --> 00:08:17,170

in so many other people beside

183

00:08:20,520 --> 00:08:18,640

yourselves and then still have something

184

00:08:24,960 --> 00:08:20,530

left for your family and in your main

185

00:08:28,380 --> 00:08:24,970

relationship etc etc so you know can

186

00:08:30,900 --> 00:08:28,390

meeting me he couldn't believe that I've

187

00:08:33,330 --> 00:08:30,910

been through this stuff he was you know

188

00:08:37,860 --> 00:08:33,340

just like what and I was like oh yeah

189

00:08:39,540 --> 00:08:37,870

you've done that oh boy was really it

190

00:08:41,520 --> 00:08:39,550

was almost like we both wrote the same

191

00:08:43,230 --> 00:08:41,530

Exorcist movie except in different

192

00:08:45,630 --> 00:08:43,240

languages that we were like comparing

193

00:08:48,090 --> 00:08:45,640

notes going yet yeah yeah sure yeah okay

194

00:08:50,010 --> 00:08:48,100

hold it do you guys step on each other's

195

00:08:51,900 --> 00:08:50,020

toes because if you're both used to

196

00:08:53,670 --> 00:08:51,910

being the solo kind of center of

197

00:08:55,710 --> 00:08:53,680

attention you know

198

00:08:57,300 --> 00:08:55,720

was one soon to takeover versus the

199

00:09:00,810 --> 00:08:57,310

other I mean is that was that hard to

200

00:09:03,240 --> 00:09:00,820

get used to like hey I do that it kind

201  
00:09:05,310 --> 00:09:03,250  
of like okay you know I I should let Ken

202  
00:09:08,430 --> 00:09:05,320  
talk for a little bit but I think it's

203  
00:09:11,550 --> 00:09:08,440  
easier to understand that for whatever

204  
00:09:13,590 --> 00:09:11,560  
reason Heidi especially you know how you

205  
00:09:16,380 --> 00:09:13,600  
do radio you understand that there's

206  
00:09:19,380 --> 00:09:16,390  
give-and-take well right we both can't

207  
00:09:21,300 --> 00:09:19,390  
specify you know okay well I'm gonna

208  
00:09:23,370 --> 00:09:21,310  
take I'm gonna take the land I'm gonna

209  
00:09:24,780 --> 00:09:23,380  
go you know check out the property okay

210  
00:09:28,079 --> 00:09:24,790  
well I'm gonna go into the Attic

211  
00:09:30,030 --> 00:09:28,089  
we both have areas of expertise where we

212  
00:09:31,590 --> 00:09:30,040  
just were just like little pointers it's

213  
00:09:34,050 --> 00:09:31,600

like we're little dogs that you turn

214

00:09:35,460 --> 00:09:34,060

loose on on the birds and it's like you

215

00:09:36,960 --> 00:09:35,470

know I might take the tail-end he'll

216

00:09:38,519 --> 00:09:36,970

take the front or I'm gonna stick right

217

00:09:40,769 --> 00:09:38,529

in the middle of the pack and he's going

218

00:09:44,519 --> 00:09:40,779

to hop up in the tree we both are like

219

00:09:47,340 --> 00:09:44,529

pointers when we're set in a place or

220

00:09:50,130 --> 00:09:47,350

with people so we both have have our

221

00:09:52,650 --> 00:09:50,140

ways of just going to where the need is

222

00:09:54,090 --> 00:09:52,660

to find out what's going on I think that

223

00:10:07,199 --> 00:09:54,100

pretty much sums it up what do you think

224

00:10:18,540 --> 00:10:07,209

can one that's sick and laying in bed

225

00:10:21,750 --> 00:10:18,550

okay so it what are your different

226

00:10:23,220 --> 00:10:21,760

expertise I sell you visualizing ken

227

00:10:25,079 --> 00:10:23,230

with his little pointy tail like a

228

00:10:34,620 --> 00:10:25,089

little you know a little pointer out in

229

00:10:38,400 --> 00:10:34,630

the field Gale blowing in the wind what

230

00:10:41,280 --> 00:10:38,410

is it that you seem to excel at when you

231

00:10:44,400 --> 00:10:41,290

have these these demon like cases coming

232

00:10:49,230 --> 00:10:44,410

at you yeah I was gonna say oh yeah I

233

00:10:51,930 --> 00:10:49,240

mean even on the other things that we do

234

00:10:53,639 --> 00:10:51,940

you know like art wherever an artist but

235

00:10:56,160 --> 00:10:53,649

we're different artists so we complement

236

00:11:00,060 --> 00:10:56,170

each other with the things I do or can

237

00:11:02,760 --> 00:11:00,070

do and music you know it's like we're

238

00:11:07,290 --> 00:11:02,770

both singers but I guess that brings to

239

00:11:09,300 --> 00:11:07,300

the broadcast voice too and and that

240

00:11:11,190 --> 00:11:09,310

you know how the difference between men

241

00:11:13,259 --> 00:11:11,200

and women is men will like rely on a gut

242

00:11:17,850 --> 00:11:13,269

feeling or a tell to use a logical

243

00:11:19,500 --> 00:11:17,860

choice and and they on that part because

244

00:11:22,940 --> 00:11:19,510

we go in like a police investigation

245

00:11:26,160 --> 00:11:22,950

that will always be there

246

00:11:27,960 --> 00:11:26,170

we both do the thing where we rely in

247

00:11:29,579 --> 00:11:27,970

and you know we don't have pre-canned

248

00:11:31,920 --> 00:11:29,589

questions when we interview people for

249

00:11:34,949 --> 00:11:31,930

example and the reason is is because one

250

00:11:36,960 --> 00:11:34,959

question gives to another sometimes it's

251  
00:11:39,420 --> 00:11:36,970  
from an impression of something you see

252  
00:11:41,370 --> 00:11:39,430  
something here but you just go you go

253  
00:11:42,900 --> 00:11:41,380  
with the flow you keep going and then

254  
00:11:44,519 --> 00:11:42,910  
when that one question prompts the other

255  
00:11:46,680 --> 00:11:44,529  
one we ask a question we get at the

256  
00:11:48,420 --> 00:11:46,690  
truth quicker if I just did pre-canned

257  
00:11:51,569 --> 00:11:48,430  
questions I'd be sitting here all day

258  
00:11:53,250 --> 00:11:51,579  
like that guy you know with the litmus

259  
00:11:55,500 --> 00:11:53,260  
test and you know I'm sure it would be

260  
00:11:57,720 --> 00:11:55,510  
really boring like being an IRS auditor

261  
00:11:59,699 --> 00:11:57,730  
but it's kind of like the crime scene

262  
00:12:02,009 --> 00:11:59,709  
investigation let's ask questions that

263  
00:12:04,290 --> 00:12:02,019

are more relevant to the person in the

264

00:12:06,269 --> 00:12:04,300

case and then when you're trying to get

265

00:12:07,920 --> 00:12:06,279

it to true with you you don't ask the

266

00:12:10,490 --> 00:12:07,930

pre-canned stop just because you want to

267

00:12:13,199 --> 00:12:10,500

fill out your paperwork and go home and

268

00:12:14,699 --> 00:12:13,209

so the you know I guess the difference

269

00:12:22,350 --> 00:12:14,709

between men and women logical side you

270

00:12:25,350 --> 00:12:22,360

can say I get some sort of you know kind

271

00:12:27,720 --> 00:12:25,360

of a backdrop of going to place and

272

00:12:31,139 --> 00:12:27,730

making a personal reference I'm trying

273

00:12:32,790 --> 00:12:31,149

to think of how much okay let me let me

274

00:12:35,610 --> 00:12:32,800

let me see if I can help you here honey

275

00:12:38,000 --> 00:12:35,620

right hi let's just take the sides

276

00:12:41,040 --> 00:12:38,010

intuitive or whatever it's like just a

277

00:12:42,960 --> 00:12:41,050

sample visitation of reference you know

278

00:12:49,079 --> 00:12:42,970

from one of the local teams or something

279

00:12:51,000 --> 00:12:49,089

that most the time Heidi sad but true we

280

00:12:53,010 --> 00:12:51,010

are called in because lots of solutions

281

00:12:55,650 --> 00:12:53,020

have been tried nothing's been working

282

00:12:57,269 --> 00:12:55,660

and the people are kind of like dogs

283

00:12:59,610 --> 00:12:57,279

chasing their tails are just like you

284

00:13:00,870 --> 00:12:59,620

know we we don't know what's going on

285

00:13:02,819 --> 00:13:00,880

you know we're trying to figure out

286

00:13:06,300 --> 00:13:02,829

what's going on nothing's working etc

287

00:13:08,970 --> 00:13:06,310

etc come out and help us so after we

288

00:13:10,889 --> 00:13:08,980

start with initial intake and Ken's

289

00:13:12,660 --> 00:13:10,899

usually pretty good at that on the phone

290

00:13:13,949 --> 00:13:12,670

I'm really not one for initial intakes

291

00:13:15,389 --> 00:13:13,959

because I don't want to talk to people I

292

00:13:17,970 --> 00:13:15,399

want to jump in their face so I can see

293

00:13:20,490 --> 00:13:17,980

and read and feel what's going on right

294

00:13:20,990 --> 00:13:20,500

then and there because sometimes a lot

295

00:13:23,120 --> 00:13:21,000

of times

296

00:13:26,090 --> 00:13:23,130

you get people on the phone they are

297

00:13:27,800 --> 00:13:26,100

very very wonderful charmers and you

298

00:13:30,380 --> 00:13:27,810

know they could only make you believe

299

00:13:31,940 --> 00:13:30,390

that the sun's out and you know the

300

00:13:33,860 --> 00:13:31,950

temperature is fine and hop in your

301  
00:13:35,360 --> 00:13:33,870  
bikini and go in your backyard nobody's

302  
00:13:37,190 --> 00:13:35,370  
looking and you find out you know the

303  
00:13:40,820 --> 00:13:37,200  
neighbors are watching it's snowing and

304  
00:13:42,260 --> 00:13:40,830  
you're an idiot if they could paint a

305  
00:13:44,840 --> 00:13:42,270  
nice picture for you and it's like

306  
00:13:49,760 --> 00:13:44,850  
that's not true so so are you telling me

307  
00:13:58,850 --> 00:13:49,770  
that you you have a psychic like

308  
00:14:00,770 --> 00:13:58,860  
intuition no no no no out I'm the I'm

309  
00:14:05,030 --> 00:14:00,780  
the little hound he has on a leash I'm a

310  
00:14:07,040 --> 00:14:05,040  
bloodhound and the truth I can smell it

311  
00:14:09,350 --> 00:14:07,050  
without stepping in it let me just put

312  
00:14:12,290 --> 00:14:09,360  
it that way okay the dark the dark crap

313  
00:14:14,960 --> 00:14:12,300

yeah basically exactly it has it has a

314

00:14:17,720 --> 00:14:14,970

smell it has a footprint and we're done

315

00:14:20,120 --> 00:14:17,730

is more the logical reasoning type you

316

00:14:23,960 --> 00:14:20,130

know tearing away you know the structure

317

00:14:26,420 --> 00:14:23,970

of a story or or you know what's

318

00:14:28,100 --> 00:14:26,430

happened you know I'm heading right to

319

00:14:30,920 --> 00:14:28,110

the heart of the matter because I want

320

00:14:34,070 --> 00:14:30,930

to we want to get people to a place of

321

00:14:37,460 --> 00:14:34,080

peace as soon as possible and I want to

322

00:14:39,230 --> 00:14:37,470

sit there and waste anybody's time who's

323

00:14:41,300 --> 00:14:39,240

got it usually they're in pain and

324

00:14:43,550 --> 00:14:41,310

there's you know they're not sleeping in

325

00:14:45,200 --> 00:14:43,560

there are you finding these people how

326

00:14:47,329 --> 00:14:45,210

are they getting themselves into the

327

00:14:49,250 --> 00:14:47,339

trouble that you're finding most often

328

00:14:53,690 --> 00:14:49,260

like what are they how are they opening

329

00:14:56,300 --> 00:14:53,700

themselves up usually a cult magic

330

00:14:57,890 --> 00:14:56,310

trying trying to practice something and

331

00:15:01,220 --> 00:14:57,900

dabble with things that they just don't

332

00:15:04,400 --> 00:15:01,230

quite understand a couple people have

333

00:15:05,960 --> 00:15:04,410

actually been cursed by others and we're

334

00:15:10,520 --> 00:15:05,970

just kind of like you know what did I do

335

00:15:13,430 --> 00:15:10,530

to deserve this others you know I think

336

00:15:15,200 --> 00:15:13,440

the majority of it the majority of it is

337

00:15:17,060 --> 00:15:15,210

basically they're playing with things

338

00:15:21,110 --> 00:15:17,070

they shouldn't play with they're yeah

339

00:15:24,290 --> 00:15:21,120

feeding spirits and we have such a sad

340

00:15:26,420 --> 00:15:24,300

strange fascination with inviting

341

00:15:28,880 --> 00:15:26,430

anything that's supernatural if it's a

342

00:15:30,620 --> 00:15:28,890

cockroach it's moving around on a potato

343

00:15:32,360 --> 00:15:30,630

chip bag and they think it's a spirit

344

00:15:35,920 --> 00:15:32,370

they're running in the kitchen going oh

345

00:15:38,720 --> 00:15:35,930

give me a sign you're there

346

00:15:41,630 --> 00:15:38,730

shut your mouth and stop playing with it

347

00:15:45,950 --> 00:15:41,640

it's a cockroach kill it yeah yeah you

348

00:15:48,440 --> 00:15:45,960

know I am finding that people love to be

349

00:15:50,150 --> 00:15:48,450

scared they love to dabble in this stuff

350

00:15:51,710 --> 00:15:50,160

and just take a peek like they're bored

351

00:15:53,300 --> 00:15:51,720

with this reality and they just want

352

00:15:55,310 --> 00:15:53,310

something else to reach in at them and

353

00:15:57,500 --> 00:15:55,320

what darkness seems pretty easy to reach

354

00:15:59,600 --> 00:15:57,510

into I'm like oh my gosh okay

355

00:16:01,220 --> 00:15:59,610

why can't you look more to the light

356

00:16:03,170 --> 00:16:01,230

it's like yeah God's not gonna dance a

357

00:16:05,420 --> 00:16:03,180

jig for you you know to entertain you

358

00:16:07,640 --> 00:16:05,430

but now the devil might something evil

359

00:16:09,050 --> 00:16:07,650

may come along but why is that so

360

00:16:09,650 --> 00:16:09,060

inviting to people why do you think that

361

00:16:14,750 --> 00:16:09,660

is

362

00:16:17,120 --> 00:16:14,760

Oh morbid curiosity yeah that went when

363

00:16:19,070 --> 00:16:17,130

MTV was big everybody wanted that MTV

364

00:16:22,610 --> 00:16:19,080

experience so I made a lot of money and

365

00:16:24,710 --> 00:16:22,620

friends etc any 80s because they we

366

00:16:27,620 --> 00:16:24,720

delivered what they wanted and maybe

367

00:16:30,500 --> 00:16:27,630

before that or you know halfway through

368

00:16:32,540 --> 00:16:30,510

90s and started tapering off that desire

369

00:16:35,270 --> 00:16:32,550

because when they watched all these you

370

00:16:36,980 --> 00:16:35,280

know top 20 MTV videos and most of them

371

00:16:38,960 --> 00:16:36,990

were concerts and it were so stereotyped

372

00:16:40,310 --> 00:16:38,970

you always you know show it to drummer

373

00:16:42,290 --> 00:16:40,320

you know the hair bands

374

00:16:43,490 --> 00:16:42,300

he was twirling drumsticks looking at

375

00:16:45,350 --> 00:16:43,500

the camera sticking his tongue out

376

00:16:46,580 --> 00:16:45,360

sometimes then you get that Steve Vai

377

00:16:50,000 --> 00:16:46,590

licking the guitar neck you know what I

378

00:16:52,010 --> 00:16:50,010

mean so now we have haunted stories that

379

00:16:54,170 --> 00:16:52,020

make wow I want some of that this is

380

00:16:57,080 --> 00:16:54,180

exciting so it's it's like they're porn

381

00:17:00,140 --> 00:16:57,090

I think it's sad it's it's really sad

382

00:17:02,840 --> 00:17:00,150

you know I have six books published only

383

00:17:08,090 --> 00:17:02,850

two of them are on Doc dark topics and

384

00:17:10,660 --> 00:17:08,100

that is all I get called about you know

385

00:17:13,370 --> 00:17:10,670

I started to bargain with some of these

386

00:17:15,290 --> 00:17:13,380

media people like okay you want me to

387

00:17:17,540 --> 00:17:15,300

talk about the demons well I'm gonna

388

00:17:19,940 --> 00:17:17,550

talk about my Jesus book first and then

389

00:17:23,270 --> 00:17:19,950

we'll get into the demons you know but

390

00:17:25,340 --> 00:17:23,280

you really do we have to like yeah cuz

391

00:17:30,590 --> 00:17:25,350

I'm really needing to talk about Jesus

392

00:17:32,720 --> 00:17:30,600

tonight so I mean it's mind blowing but

393

00:17:35,480 --> 00:17:32,730

it's it's sad to me that that is you

394

00:17:38,480 --> 00:17:35,490

know people love to be scared I just uh

395

00:17:41,090 --> 00:17:38,490

I get it but then I I don't want to get

396

00:17:46,790 --> 00:17:41,100

it you know I think it goes beyond being

397

00:17:47,870 --> 00:17:46,800

scared I think that there is I think

398

00:17:50,600 --> 00:17:47,880

that our

399

00:17:55,010 --> 00:17:50,610

our primitive desire just to be

400

00:17:58,130 --> 00:17:55,020

recognized and heard and in the world we

401  
00:18:00,710 --> 00:17:58,140  
live in today Heidi we we go for many

402  
00:18:04,790 --> 00:18:00,720  
years even unnoticed by our parents on

403  
00:18:06,440 --> 00:18:04,800  
pet unloved pond off you know in our in

404  
00:18:09,410 --> 00:18:06,450  
our out of lesson years when we need

405  
00:18:12,050 --> 00:18:09,420  
attention so desperately we go unpack

406  
00:18:14,060 --> 00:18:12,060  
unloved you know kind of misplaced and

407  
00:18:15,740 --> 00:18:14,070  
then we you know get into our 20s and

408  
00:18:18,200 --> 00:18:15,750  
into relationships you know loose

409  
00:18:20,870 --> 00:18:18,210  
relationships and we're still longing

410  
00:18:23,120 --> 00:18:20,880  
just to be recognized for who we really

411  
00:18:26,240 --> 00:18:23,130  
truly are as you know a gift you know

412  
00:18:28,820 --> 00:18:26,250  
God created a special to be a gift and

413  
00:18:31,670 --> 00:18:28,830

we can't realize that because we don't

414

00:18:33,410 --> 00:18:31,680

even know that so we go looking for love

415

00:18:37,550 --> 00:18:33,420

in all the wrong places you know it

416

00:18:40,880 --> 00:18:37,560

haunted houses and dead the cemeteries

417

00:18:43,340 --> 00:18:40,890

and and magic and palm reading and you

418

00:18:46,340 --> 00:18:43,350

know Dungeons and Dragons we look for

419

00:18:48,410 --> 00:18:46,350

that essential part of ourselves it's

420

00:18:50,990 --> 00:18:48,420

just gonna wake up if just the magic

421

00:18:53,480 --> 00:18:51,000

would happen somebody would recognize us

422

00:18:55,700 --> 00:18:53,490

for who we truly are and this is gotta

423

00:18:59,120 --> 00:18:55,710

be it and I think that's where the love

424

00:19:02,060 --> 00:18:59,130

of being scared comes in because you

425

00:19:06,110 --> 00:19:02,070

know we want that we want that essential

426

00:19:09,170 --> 00:19:06,120

I I can't even describe it in one word

427

00:19:13,400 --> 00:19:09,180

but it is definitely a sense eight

428

00:19:17,390 --> 00:19:13,410

emotion driven here I mm-hmm it's a

429

00:19:20,840 --> 00:19:17,400

substance even by the dark side I don't

430

00:19:22,010 --> 00:19:20,850

know you belong they belong gentlemen

431

00:19:24,110 --> 00:19:22,020

you know I guess it's kind of like a

432

00:19:32,510 --> 00:19:24,120

drug know because I used to repossess

433

00:19:34,310 --> 00:19:32,520

cars and I love adrenaline I have the

434

00:19:35,840 --> 00:19:34,320

wonderful opportunity I got to chat with

435

00:19:38,150 --> 00:19:35,850

you with a friend of mine who it is

436

00:19:40,220 --> 00:19:38,160

Catholic I'm not Catholic and I wanted

437

00:19:42,560 --> 00:19:40,230

to understand a bit of your background

438

00:19:45,110 --> 00:19:42,570

as far as you know demonologists are

439

00:19:47,660 --> 00:19:45,120

usually priests how did you two come

440

00:19:55,130 --> 00:19:47,670

about to have the the backing that you

441

00:19:57,950 --> 00:19:55,140

do of the church nobody jump at that one

442

00:19:59,000 --> 00:19:57,960

huh well it's like you know well you

443

00:20:00,470 --> 00:19:59,010

know I'm just thinking about the first

444

00:20:02,870 --> 00:20:00,480

part of the statement

445

00:20:06,560 --> 00:20:02,880

actually demonologists art priests and

446

00:20:09,320 --> 00:20:06,570

in our faith you know basically the word

447

00:20:10,789 --> 00:20:09,330

demonologist is really know you know

448

00:20:12,590 --> 00:20:10,799

what i'm thinking along the lines of

449

00:20:15,860 --> 00:20:12,600

exorcist my apologies but yeah you're

450

00:20:17,930 --> 00:20:15,870

right you're right yes and only PhD

451

00:20:19,850 --> 00:20:17,940

because there is no real PhD or any

452

00:20:23,049 --> 00:20:19,860

horse in demonology although there's

453

00:20:25,250 --> 00:20:23,059

tons of people offering him out there is

454

00:20:27,590 --> 00:20:25,260

you know acquaintance of ours William

455

00:20:28,190 --> 00:20:27,600

Bradshaw who's a really wonderful guy to

456

00:20:31,250 --> 00:20:28,200

talk to

457

00:20:33,470 --> 00:20:31,260

he's out of st. Louis he's got a PhD and

458

00:20:36,310 --> 00:20:33,480

he was actually sent he's a Lutheran

459

00:20:39,260 --> 00:20:36,320

pastor he was actually sent overseas to

460

00:20:42,049 --> 00:20:39,270

that prestigious University it wasn't

461

00:20:43,220 --> 00:20:42,059

Cornwall it was in England and that's

462

00:20:46,789 --> 00:20:43,230

where he got his ph.d

463

00:20:48,860 --> 00:20:46,799

so in calling ourselves a demonologist

464

00:20:50,930 --> 00:20:48,870

Heidi that is the sum total of our

465

00:20:54,230 --> 00:20:50,940

experiences and it is not a title

466

00:20:56,060 --> 00:20:54,240

conferred on us by our church if

467

00:20:57,530 --> 00:20:56,070

anything we are looked on our church as

468

00:21:00,320 --> 00:20:57,540

our church's spiritual warfare

469

00:21:02,270 --> 00:21:00,330

counselors right right I know that she

470

00:21:04,100 --> 00:21:02,280

had some kind of like backing by a

471

00:21:06,320 --> 00:21:04,110

church I didn't know what it was called

472

00:21:08,960 --> 00:21:06,330

it's pardon me I don't recall it is but

473

00:21:11,840 --> 00:21:08,970

how did you go about getting that kind

474

00:21:14,360 --> 00:21:11,850

of backing to do what it what you guys

475

00:21:16,100 --> 00:21:14,370

do because you do go in the name of the

476

00:21:18,230 --> 00:21:16,110

Catholic Church to doing what you do

477

00:21:19,820 --> 00:21:18,240

correct actually what we do is we

478

00:21:24,530 --> 00:21:19,830

actually go and do what we do as

479

00:21:27,260 --> 00:21:24,540

Catholics because we are not even though

480

00:21:29,780 --> 00:21:27,270

we are professed Franciscans we are

481

00:21:32,630 --> 00:21:29,790

ordained ministers we are not in right

482

00:21:34,130 --> 00:21:32,640

so right we don't go there and say oh we

483

00:21:36,680 --> 00:21:34,140

have the full backing of the Catholic

484

00:21:39,700 --> 00:21:36,690

Church no we go as Catholics what we do

485

00:21:42,860 --> 00:21:39,710

is we do our own ministry on our own and

486

00:21:46,039 --> 00:21:42,870

if we need Catholic help we call

487

00:21:48,680 --> 00:21:46,049

Catholic priests Catholic nuns to come

488

00:21:51,260 --> 00:21:48,690

and help us oh yeah so they do there

489

00:21:54,409 --> 00:21:51,270

they are somebody that you confer with

490

00:21:57,320 --> 00:21:54,419

and counsel what next do what you do yes

491

00:22:00,590 --> 00:21:57,330

but it's essential because we can only

492

00:22:03,409 --> 00:22:00,600

go so far yeah you know we don't we

493

00:22:05,450 --> 00:22:03,419

can't go we're exorcists can go we don't

494

00:22:07,340 --> 00:22:05,460

not have that kind of authority in other

495

00:22:08,510 --> 00:22:07,350

words the Roman ritual that kind of

496

00:22:11,240 --> 00:22:08,520

thing I mean but you already know that

497

00:22:14,390 --> 00:22:11,250

you know that's kind of a mm-hmm

498

00:22:16,490 --> 00:22:14,400

now boo if if somebody does the job of a

499

00:22:19,220 --> 00:22:16,500

priest who's laity you know even a

500

00:22:21,169 --> 00:22:19,230

brother or you know our sister mm-hmm

501

00:22:23,870 --> 00:22:21,179

you know that's it's yeah it's

502

00:22:25,039 --> 00:22:23,880

definitely a no-no in any true Catholic

503

00:22:27,909 --> 00:22:25,049

Church I mean there's a lot with these

504

00:22:32,419 --> 00:22:27,919

kind of prefixes old new you know modern

505

00:22:34,820 --> 00:22:32,429

did you study with somebody to get the

506

00:22:36,049 --> 00:22:34,830

position that you do and the the

507

00:22:38,180 --> 00:22:36,059

authority that you do have is

508

00:22:40,250 --> 00:22:38,190

demonologists and the know-how how did

509

00:22:43,460 --> 00:22:40,260

you both gather the knowledge on these

510

00:22:45,529 --> 00:22:43,470

topics the conglomerate of validation

511

00:22:47,180 --> 00:22:45,539

from the peers and men you stay with

512

00:22:51,140 --> 00:22:47,190

your father you've got a heck of a

513

00:22:53,180 --> 00:22:51,150

library we have this huge family had a

514

00:22:55,399 --> 00:22:53,190

bunch of priests and nuns that had the

515

00:22:58,520 --> 00:22:55,409

Bishop of st. Louis back when my mother

516

00:23:00,649 --> 00:22:58,530

and father were just early twenties

517

00:23:03,260 --> 00:23:00,659

married them into Cathedral in st. Louis

518

00:23:04,700 --> 00:23:03,270

and I you know they were wondering if I

519

00:23:07,909 --> 00:23:04,710

should be a priest I went on some

520

00:23:12,470 --> 00:23:07,919

retreats with my mom's a Monsignor

521

00:23:14,960 --> 00:23:12,480

cousin and my dad apparitions was

522

00:23:18,049 --> 00:23:14,970

another one and he loves his politics

523

00:23:21,470 --> 00:23:18,059

but demonology spiritual warfare and

524

00:23:23,210 --> 00:23:21,480

that stuff he did that until I wasn't

525

00:23:25,310 --> 00:23:23,220

about third grade and I guess they'd

526  
00:23:28,880 --> 00:23:25,320  
they backed off of it because it started

527  
00:23:31,310 --> 00:23:28,890  
affecting the family and and that was a

528  
00:23:35,180 --> 00:23:31,320  
primer but dad just kept reading about

529  
00:23:36,649 --> 00:23:35,190  
it and researching and can but he did

530  
00:23:39,799 --> 00:23:36,659  
not do the fieldwork

531  
00:23:42,289 --> 00:23:39,809  
ever since that third grade thing

532  
00:23:44,810 --> 00:23:42,299  
happened where he he a mom bowed out of

533  
00:23:47,419 --> 00:23:44,820  
it and so you know he accumulated all

534  
00:23:48,890 --> 00:23:47,429  
that but over the years you know it was

535  
00:23:49,970 --> 00:23:48,900  
just a personal interest because guess

536  
00:23:51,710 --> 00:23:49,980  
what you know when they were playing

537  
00:23:53,120 --> 00:23:51,720  
Ouija boards in the sixties and I was

538  
00:23:56,950 --> 00:23:53,130

not in third grade in the sixties I

539

00:23:59,840 --> 00:23:56,960

don't think they yeah and with that and

540

00:24:02,000 --> 00:23:59,850

when they went to cases and they didn't

541

00:24:03,830 --> 00:24:02,010

pray when they got home to get it off

542

00:24:05,539 --> 00:24:03,840

them like you do to break a curse I

543

00:24:09,680 --> 00:24:05,549

think they brought something back

544

00:24:11,840 --> 00:24:09,690

because of the torments that I had as a

545

00:24:13,399 --> 00:24:11,850

child let's you know and they gave me a

546

00:24:14,899 --> 00:24:13,409

st. Benedict Mellon you know didn't say

547

00:24:17,630 --> 00:24:14,909

this is gonna protect you from demons or

548

00:24:19,279 --> 00:24:17,640

anything like that but I never really

549

00:24:22,100 --> 00:24:19,289

had them get closer than about three

550

00:24:24,770 --> 00:24:22,110

feet there's all in the family that's

551

00:24:27,050 --> 00:24:24,780

wild don't I'm uh

552

00:24:28,250 --> 00:24:27,060

you know like I'm just having waking

553

00:24:31,790 --> 00:24:28,260

nightmares you know they call night

554

00:24:33,800 --> 00:24:31,800

terrors and that's awesome yeah so and

555

00:24:36,860 --> 00:24:33,810

that went on for such a long time you

556

00:24:38,240 --> 00:24:36,870

know and I I still you know when I saw

557

00:24:39,890 --> 00:24:38,250

that scene that we were two conjuring

558

00:24:41,510 --> 00:24:39,900

for example and then that girl sits up

559

00:24:45,230 --> 00:24:41,520

in bed and she's just her eyes are

560

00:24:46,910 --> 00:24:45,240

frozen on the back door that was me so

561

00:24:48,380 --> 00:24:46,920

yeah remember you're saying at the very

562

00:24:50,600 --> 00:24:48,390

beginning of the show it does sound like

563

00:24:54,260 --> 00:24:50,610

a lot of people initially were victims

564

00:24:57,160 --> 00:24:54,270

yeah we came through the Catholic I

565

00:25:00,020 --> 00:24:57,170

guess the background you know my dad

566

00:25:02,930 --> 00:25:00,030

homeschooled us on the Catechism and

567

00:25:06,620 --> 00:25:02,940

those type of things to solidify it and

568

00:25:09,590 --> 00:25:06,630

then we want to retire I my aunt's house

569

00:25:12,020 --> 00:25:09,600

which was by my grandmother's sisters

570

00:25:14,480 --> 00:25:12,030

and they were like nuns they didn't join

571

00:25:16,910 --> 00:25:14,490

a convent for some reason but they took

572

00:25:19,130 --> 00:25:16,920

us to church and tell you know told the

573

00:25:21,110 --> 00:25:19,140

stories of saints then I'd move my

574

00:25:26,540 --> 00:25:21,120

grandpa's lawn and he'd tell me stories

575

00:25:28,970 --> 00:25:26,550

and you know it's like good so the

576

00:25:30,850 --> 00:25:28,980

conversation was alive and well in the

577

00:25:33,230 --> 00:25:30,860

family Farrah how did you come about

578

00:25:37,010 --> 00:25:33,240

gaining your knowledge on this and

579

00:25:39,230 --> 00:25:37,020

getting started thing Heidi is that you

580

00:25:41,270 --> 00:25:39,240

know I didn't realize that I was I never

581

00:25:44,390 --> 00:25:41,280

called myself a demonologist until I met

582

00:25:46,670 --> 00:25:44,400

Ken no idea that that was my specialty

583

00:25:49,340 --> 00:25:46,680

but I'm a demon magnet for whatever

584

00:25:55,660 --> 00:25:49,350

reason it's like you know and I say that

585

00:25:59,120 --> 00:25:55,670

jokingly and now yeah exactly there is

586

00:26:01,850 --> 00:25:59,130

there is no training for what I went

587

00:26:04,580 --> 00:26:01,860

through I experienced I lived with the

588

00:26:07,100 --> 00:26:04,590

serial murderer I survived

589

00:26:10,790 --> 00:26:07,110

oh yeah it didn't even know it until

590

00:26:12,500 --> 00:26:10,800

afterwards it was really bizarre lore

591

00:26:14,240 --> 00:26:12,510

yeah it was really really strange you

592

00:26:16,310 --> 00:26:14,250

know you're you're hanging out with this

593

00:26:18,830 --> 00:26:16,320

guy because you know your boyfriend

594

00:26:21,020 --> 00:26:18,840

jilts you so you decide to get a job

595

00:26:23,150 --> 00:26:21,030

together and then you find out later

596

00:26:25,600 --> 00:26:23,160

after you move away because you're kind

597

00:26:28,900 --> 00:26:25,610

of like it was just really ridiculous ID

598

00:26:32,300 --> 00:26:28,910

and people are terrified that story in

599

00:26:34,550 --> 00:26:32,310

the toilet I guess so you should share

600

00:26:38,790 --> 00:26:34,560

that yeah can we name names who was this

601  
00:26:41,940 --> 00:26:38,800  
a free Dahmer I wasn't

602  
00:26:43,590 --> 00:26:41,950  
yeah you're the wrong yeah I'm not gonna

603  
00:26:46,560 --> 00:26:43,600  
say his last name to protect the

604  
00:26:49,050 --> 00:26:46,570  
innocent because he was returned to the

605  
00:26:52,710 --> 00:26:49,060  
institution and he was returned to his

606  
00:26:54,420 --> 00:26:52,720  
meds his first names s - yeah really

607  
00:26:57,360 --> 00:26:54,430  
seriously possession tell that story

608  
00:27:00,240 --> 00:26:57,370  
because it's relevant to the show topics

609  
00:27:04,290 --> 00:27:00,250  
mostly so but you got it so ok being

610  
00:27:07,320 --> 00:27:04,300  
exposed to ugly black things shadow

611  
00:27:09,780 --> 00:27:07,330  
people shadow animals shadow beings

612  
00:27:12,240 --> 00:27:09,790  
since as far back as I can remember upon

613  
00:27:14,730 --> 00:27:12,250

waking and sleeping with lights and

614

00:27:17,550 --> 00:27:14,740

being terrorized as a child went on to

615

00:27:19,470 --> 00:27:17,560

trying to help other kids in school that

616

00:27:22,470 --> 00:27:19,480

were terrorized and trying to help them

617

00:27:25,950 --> 00:27:22,480

deal with it and help them be brave when

618

00:27:28,980 --> 00:27:25,960

they went to bed and parents for the

619

00:27:31,350 --> 00:27:28,990

most part including mine you're over

620

00:27:35,220 --> 00:27:31,360

imaginative you're working yourself up

621

00:27:37,740 --> 00:27:35,230

you just want attention on and on and

622

00:27:39,780 --> 00:27:37,750

you know come to find out there probably

623

00:27:41,760 --> 00:27:39,790

were a lot of reasons we had visitors

624

00:27:43,020 --> 00:27:41,770

and investigators in our house you know

625

00:27:45,360 --> 00:27:43,030

that's what I call them because they

626

00:27:46,920 --> 00:27:45,370

were lower level demons obviously not

627

00:27:48,540 --> 00:27:46,930

strong enough to do anything to hurt me

628

00:27:50,570 --> 00:27:48,550

but obviously enough to frighten the

629

00:27:53,820 --> 00:27:50,580

hell out of me

630

00:27:55,740 --> 00:27:53,830

you know the experiences in childhood

631

00:27:58,020 --> 00:27:55,750

went to trying to help other kids and

632

00:27:59,670 --> 00:27:58,030

there's a lot of kids I tried to help

633

00:28:01,380 --> 00:27:59,680

get away from their demons and I think a

634

00:28:04,610 --> 00:28:01,390

big one was getting away from a lot of

635

00:28:08,550 --> 00:28:04,620

the serious heavy metal music - the

636

00:28:10,260 --> 00:28:08,560

scrying and seances and yeah at the

637

00:28:14,700 --> 00:28:10,270

death metal the really heavy-duty stuff

638

00:28:17,490 --> 00:28:14,710

- where I was I ended up in a city in

639

00:28:22,080 --> 00:28:17,500

the Midwest because I had run away with

640

00:28:23,850 --> 00:28:22,090

a man I fell in love with and my mom of

641

00:28:25,470 --> 00:28:23,860

course disinherited me and she calls me

642

00:28:27,180 --> 00:28:25,480

she's like no you're cut out of the will

643

00:28:29,160 --> 00:28:27,190

it's like oh that's that's a joy I want

644

00:28:30,690 --> 00:28:29,170

to live you know on a ranch with horses

645

00:28:34,020 --> 00:28:30,700

in the middle of nowhere no I'm a city

646

00:28:36,600 --> 00:28:34,030

girl so very short you know he dumps me

647

00:28:38,400 --> 00:28:36,610

I am hanging out with my girlfriend who

648

00:28:39,990 --> 00:28:38,410

is like going to New Mexico are not New

649

00:28:43,130 --> 00:28:40,000

Mexico but Mexico because she's going to

650

00:28:46,140 --> 00:28:43,140

be selling timeshares hi you lucky her

651  
00:28:47,490 --> 00:28:46,150  
you know these are my friends you know

652  
00:28:49,320 --> 00:28:47,500  
you can check in with them they'll help

653  
00:28:52,200 --> 00:28:49,330  
you out keep an eye on you one of them

654  
00:28:52,680 --> 00:28:52,210  
you know was a friend of a friend ones

655  
00:28:53,820 --> 00:28:52,690  
like

656  
00:28:55,200 --> 00:28:53,830  
look you know I know you need a job and

657  
00:28:56,970 --> 00:28:55,210  
everything I'm kind of done with this

658  
00:28:58,320 --> 00:28:56,980  
job won't we go apply for it together it

659  
00:29:00,620 --> 00:28:58,330  
was a good main tynin Staub kind of

660  
00:29:04,440 --> 00:29:00,630  
thing so we shared an apartment and

661  
00:29:06,810 --> 00:29:04,450  
didn't know that this guy was like

662  
00:29:09,360 --> 00:29:06,820  
showing houses and sore condos and stuff

663  
00:29:11,190 --> 00:29:09,370

like that you know how it is yeah we're

664

00:29:13,590 --> 00:29:11,200

coming up on our first break here in

665

00:29:16,050 --> 00:29:13,600

about 30 seconds so keep going okay well

666

00:29:18,150 --> 00:29:16,060

30 seconds long story short this is

667

00:29:19,290 --> 00:29:18,160

really low basically I'm gonna leave

668

00:29:23,100 --> 00:29:19,300

more the cliffhanger

669

00:29:26,640 --> 00:29:23,110

yeah the guy was giving me stolen

670

00:29:28,980 --> 00:29:26,650

property and I didn't know it oh I was

671

00:29:30,480 --> 00:29:28,990

following me in the middle of the night

672

00:29:32,370 --> 00:29:30,490

and I didn't know it how did I know

673

00:29:34,920 --> 00:29:32,380

because I saw shadows and I didn't know

674

00:29:38,340 --> 00:29:34,930

it was him till what gosh the middle of

675

00:29:43,440 --> 00:29:38,350

the night I woke up and he's on his

676  
00:29:46,740 --> 00:29:43,450  
tiptoes of his fingers and knees and he

677  
00:29:50,960 --> 00:29:46,750  
is slinking along the wall and his head

678  
00:29:58,260 --> 00:29:50,970  
is turned at this bizarre angle like

679  
00:30:02,730 --> 00:29:58,270  
yeah of my bedroom break you guys we'll

680  
00:30:04,560 --> 00:30:02,740  
be right back welcome back everybody

681  
00:30:06,300 --> 00:30:04,570  
you're listening to me Heidi how's the

682  
00:30:08,370 --> 00:30:06,310  
Outlander remembering always if it's

683  
00:30:10,410 --> 00:30:08,380  
weird we're here we'll give you advice

684  
00:30:13,400 --> 00:30:10,420  
and insight on outlandish topics phone

685  
00:30:15,930 --> 00:30:13,410  
lines are always open 1 8 8 8 9 1 9

686  
00:30:18,690 --> 00:30:15,940  
23:55 but I know most of you guys are

687  
00:30:21,480 --> 00:30:18,700  
listening to the irn app so that is just

688  
00:30:23,760 --> 00:30:21,490

fine and dandy we have Ken and Farah

689

00:30:25,740 --> 00:30:23,770

deal the real deal is they better known

690

00:30:30,390 --> 00:30:25,750

as and we are talking about their

691

00:30:33,900 --> 00:30:30,400

demonology expertise and oh my goodness

692

00:30:35,970 --> 00:30:33,910

these they are the real team so how

693

00:30:39,360 --> 00:30:35,980

convenient to get into that last name ha

694

00:30:42,140 --> 00:30:39,370

sure I know I couldn't like look in the

695

00:30:44,910 --> 00:30:42,150

Sears & Roebuck catalog and said hmm

696

00:30:49,740 --> 00:30:44,920

since I chased ghosts but my specialty

697

00:30:52,860 --> 00:30:49,750

is goodness and you're known as

698

00:30:57,150 --> 00:30:52,870

religious demonologist real deal again

699

00:30:58,890 --> 00:30:57,160

see arty definition is very important

700

00:31:00,470 --> 00:30:58,900

for people to understand is that you

701

00:31:04,470 --> 00:31:00,480

know we come from a Christ

702

00:31:06,120 --> 00:31:04,480

Christocentric place that we accept

703

00:31:08,250 --> 00:31:06,130

everybody right where there

704

00:31:11,670 --> 00:31:08,260

as they're at and help them the best

705

00:31:13,830 --> 00:31:11,680

that we can get to a place of peace and

706

00:31:17,640 --> 00:31:13,840

that the only piece that we know of is

707

00:31:19,470 --> 00:31:17,650

Christ yes we are not afraid to talk

708

00:31:21,060 --> 00:31:19,480

about Jesus on this show because I think

709

00:31:22,890 --> 00:31:21,070

he comes up every good show I don't care

710

00:31:24,930 --> 00:31:22,900

what I'm talking about because it

711

00:31:31,830 --> 00:31:24,940

there's no way I would be doing any of

712

00:31:36,090 --> 00:31:31,840

what I'm doing there are so many reasons

713

00:31:39,000 --> 00:31:36,100

734

00:32:27,690 --> 00:32:25,750

entertaining see store for details had I

735

00:32:31,200 --> 00:32:27,700

not had the encounters I had with him I

736

00:32:34,050 --> 00:32:31,210

would not have had the nerve to take a

737

00:32:36,810 --> 00:32:34,060

step forward so everything it's because

738

00:32:39,750 --> 00:32:36,820

of him so I get it I totally get it

739

00:32:41,700 --> 00:32:39,760

there's a question in the chat room what

740

00:32:43,950 --> 00:32:41,710

honey is asking do they protect

741

00:32:45,840 --> 00:32:43,960

themselves when doing this and if they

742

00:32:47,400 --> 00:32:45,850

do how do they do it well that's a

743

00:32:49,110 --> 00:32:47,410

really good question you I'm gonna start

744

00:32:51,540 --> 00:32:49,120

do you want me to start honey I'll start

745

00:32:54,330 --> 00:32:51,550

and you can finish upstairs all right

746

00:32:55,230 --> 00:32:54,340

yeah we have a daily amount of practices

747

00:32:57,300 --> 00:32:55,240

you know when it was a little bit of

748

00:32:59,070 --> 00:32:57,310

trial and error especially the more the

749

00:33:01,080 --> 00:32:59,080

severe cases especially when they're

750

00:33:04,710 --> 00:33:01,090

back to back you can sometimes you have

751

00:33:09,060 --> 00:33:04,720

to step it up and the default for us is

752

00:33:10,650 --> 00:33:09,070

you know Catholic Mass every day I go

753

00:33:14,250 --> 00:33:10,660

about five times a week including

754

00:33:16,050 --> 00:33:14,260

Sundays you know when I can which is

755

00:33:18,180 --> 00:33:16,060

most of the time because I drop my

756

00:33:19,250 --> 00:33:18,190

daughter off at school and then I go in

757

00:33:22,040 --> 00:33:19,260

Mass right after that

758

00:33:23,540 --> 00:33:22,050

come home and I work now we do two daily

759

00:33:25,760 --> 00:33:23,550

rosary I know when I was younger I

760

00:33:27,320 --> 00:33:25,770

notice how the Rosary does seem to bring

761

00:33:29,120 --> 00:33:27,330

about a certain peace in the house less

762

00:33:31,400 --> 00:33:29,130

you know arguing when otherwise should

763

00:33:33,800 --> 00:33:31,410

be I say you know those type of things

764

00:33:35,360 --> 00:33:33,810

and but it's definitely a one Padre Pio

765

00:33:39,970 --> 00:33:35,370

called it one of the most powerful

766

00:33:42,560 --> 00:33:39,980

weapons in spiritual warfare okay

767

00:33:46,190 --> 00:33:42,570

specific prayers I'll go to the metals

768

00:33:48,350 --> 00:33:46,200

first I'll leave that part with the was

769

00:33:51,110 --> 00:33:48,360

fair on the metals specific prayers is

770

00:33:53,480 --> 00:33:51,120

prayers that when we go to a place we

771

00:33:55,220 --> 00:33:53,490

say prayers before for protection and

772

00:33:58,010 --> 00:33:55,230

you know whether prayers or ones in

773

00:34:00,380 --> 00:33:58,020

particular that you use the other air

774

00:34:02,660 --> 00:34:00,390

protection and breaking curses prayers

775

00:34:04,790 --> 00:34:02,670

relating to afternoon our website yeah

776

00:34:08,990 --> 00:34:04,800

what's your on our website which site

777

00:34:11,629 --> 00:34:09,000

which one yet the the real deals dot-com

778

00:34:14,000 --> 00:34:11,639

which uh one word correctly right and

779

00:34:17,270 --> 00:34:14,010

it's got to be real like the camera film

780

00:34:27,980 --> 00:34:17,280

re e L because we're not re al we're not

781

00:34:32,990 --> 00:34:27,990

real mayonnaise we're real so it's the

782

00:34:34,879 --> 00:34:33,000

real deals.com yeah don't find the

783

00:34:36,320 --> 00:34:34,889

protection prayers right there because

784

00:34:38,649 --> 00:34:36,330

we have a number of prayers and we

785

00:34:41,419 --> 00:34:38,659

always refer those to people right away

786

00:34:44,240 --> 00:34:41,429

because the power of prayer can never

787

00:34:45,830 --> 00:34:44,250

never be understated I put that on the

788

00:34:47,480 --> 00:34:45,840

books a lot whenever people ask me to

789

00:34:49,430 --> 00:34:47,490

sign them because that's one of the

790

00:34:50,720 --> 00:34:49,440

things that is definitely concrete it's

791

00:34:51,950 --> 00:34:50,730

like most the time people just started

792

00:34:54,500 --> 00:34:51,960

praying enough that's it

793

00:34:56,360 --> 00:34:54,510

yeah got to do it every day and I was so

794

00:34:58,670 --> 00:34:56,370

refreshed when I ran into father Chad

795

00:35:00,820 --> 00:34:58,680

River gir and not while we we do from

796

00:35:04,040 --> 00:35:00,830

him earlier but not knew him personally

797

00:35:06,500 --> 00:35:04,050

2015 he came here to speak and we helped

798

00:35:08,990 --> 00:35:06,510

set it up and rerecord it on video and

799

00:35:13,250 --> 00:35:09,000

we put it online and we met him and he

800

00:35:14,660 --> 00:35:13,260

said there that and he said earlier I

801  
00:35:17,690 --> 00:35:14,670  
think I'm one of his other things but he

802  
00:35:19,700 --> 00:35:17,700  
repeated it he pretty much had to draft

803  
00:35:22,880 --> 00:35:19,710  
his own prayer because he has an

804  
00:35:25,310 --> 00:35:22,890  
exorcist an ordained priest he was

805  
00:35:26,990 --> 00:35:25,320  
getting retaliation strikes you know

806  
00:35:28,670 --> 00:35:27,000  
you're doing an exorcism and that sort

807  
00:35:30,830 --> 00:35:28,680  
of thing and you go back to your off you

808  
00:35:32,570 --> 00:35:30,840  
find your computer won't boot you know

809  
00:35:33,109 --> 00:35:32,580  
this the series of unfortunate events

810  
00:35:35,390 --> 00:35:33,119  
that

811  
00:35:37,430 --> 00:35:35,400  
some people might call or actually you

812  
00:35:39,079 --> 00:35:37,440  
know symptoms of a curse and and they

813  
00:35:41,480 --> 00:35:39,089

hit people differently some people get

814

00:35:43,190 --> 00:35:41,490

hit with physical ailments they'll get

815

00:35:45,620 --> 00:35:43,200

like a series of kidney stones or get

816

00:35:46,910 --> 00:35:45,630

fibromyalgia that doesn't go away they

817

00:35:49,640 --> 00:35:46,920

don't get rid of that when they get that

818

00:35:51,739 --> 00:35:49,650

far or in the and in this case if it's a

819

00:35:53,660 --> 00:35:51,749

financial where they can hurt you more

820

00:35:55,130 --> 00:35:53,670

they'll they'll mess with your

821

00:35:56,690 --> 00:35:55,140

electronics or something or they'll just

822

00:35:58,339 --> 00:35:56,700

do tricks that doesn't permanently

823

00:36:00,410 --> 00:35:58,349

damage anything to some degree that

824

00:36:02,180 --> 00:36:00,420

interferes with your day and then you

825

00:36:05,299 --> 00:36:02,190

know like making a car we're on start

826

00:36:07,789 --> 00:36:05,309

and then magically it starts to the

827

00:36:10,009 --> 00:36:07,799

category of a curse you know because

828

00:36:11,690 --> 00:36:10,019

it's a curse is essentially a demonic

829

00:36:13,309 --> 00:36:11,700

effect like if a witch puts as a curse

830

00:36:15,230 --> 00:36:13,319

on you it's not her doing and she's

831

00:36:17,569 --> 00:36:15,240

sending a demonic hitman to carry some

832

00:36:24,140 --> 00:36:17,579

evil act out on you and sometimes got a

833

00:36:25,670 --> 00:36:24,150

legion at me then my god because he said

834

00:36:27,200 --> 00:36:25,680

that I pretty much have to do this

835

00:36:28,549 --> 00:36:27,210

prayer every day and I asked him oh hey

836

00:36:30,559 --> 00:36:28,559

what prayer did you come up with I told

837

00:36:32,720 --> 00:36:30,569

him I was saying which is on the site

838

00:36:34,730 --> 00:36:32,730

both of them I was saying a break and

839

00:36:36,829 --> 00:36:34,740

curses prayer that I drafted on my own

840

00:36:39,349 --> 00:36:36,839

from an original prayer that was

841

00:36:41,450 --> 00:36:39,359

specifically for breaking curses and I

842

00:36:43,400 --> 00:36:41,460

say that one every day and Haven said

843

00:36:45,589 --> 00:36:43,410

it's a counselor friend of mine he says

844

00:36:47,420 --> 00:36:45,599

oh I think you're going a little bit

845

00:36:49,609 --> 00:36:47,430

overboard there and when I heard father

846

00:36:51,710 --> 00:36:49,619

Chad say that that was like so like

847

00:36:53,809 --> 00:36:51,720

alright an exorcist said that's all

848

00:36:55,549 --> 00:36:53,819

better how much were in this work we

849

00:36:58,339 --> 00:36:55,559

still get some validation like when I

850

00:37:03,799 --> 00:36:58,349

used to talk to you know John Zaffis and

851  
00:37:05,479 --> 00:37:03,809  
early 2000 late 1900s 1999 and sometimes

852  
00:37:07,039 --> 00:37:05,489  
you have to talk to somebody who might

853  
00:37:10,309 --> 00:37:07,049  
have experienced something that's

854  
00:37:12,349 --> 00:37:10,319  
extraordinarily not probable for the

855  
00:37:16,759 --> 00:37:12,359  
person who does a few cases but someone

856  
00:37:20,450 --> 00:37:16,769  
has a higher Pope you know I'd actually

857  
00:37:23,359 --> 00:37:20,460  
written the Warrens some time ago when I

858  
00:37:24,950 --> 00:37:23,369  
realized I you guys know I named the

859  
00:37:28,309 --> 00:37:24,960  
shadow people in the hat man phenomenon

860  
00:37:30,680 --> 00:37:28,319  
and and when I was zeroing in on the hat

861  
00:37:34,390 --> 00:37:30,690  
man what he was and who he was I was

862  
00:37:36,589 --> 00:37:34,400  
like holy crap and I have thousands of

863  
00:37:39,079 --> 00:37:36,599

emails from all over the globe about

864

00:37:43,339 --> 00:37:39,089

this guy like I have got to reach out so

865

00:37:45,859 --> 00:37:43,349

I reached a reach out and Zaffis writes

866

00:37:46,790 --> 00:37:45,869

me back and I was living in Australia at

867

00:37:48,320 --> 00:37:46,800

the time and

868

00:37:50,120 --> 00:37:48,330

and it's like well you know let's chat

869

00:37:55,250 --> 00:37:50,130

sometime it's like hope to make a phone

870

00:37:57,080 --> 00:37:55,260

call overseas it was just so it was

871

00:37:58,850 --> 00:37:57,090

really nice of them to you know to take

872

00:38:00,710 --> 00:37:58,860

the time but I never did get to have the

873

00:38:02,600 --> 00:38:00,720

conversation with them because every

874

00:38:05,480 --> 00:38:02,610

time I think that took a step forward to

875

00:38:07,250 --> 00:38:05,490

delve into the topic I am not kidding

876

00:38:09,050 --> 00:38:07,260

you friends family they're like Heidi

877

00:38:11,540 --> 00:38:09,060

whatever you're looking into stop I

878

00:38:13,790 --> 00:38:11,550

can't sleep I'm having bad luck and I'm

879

00:38:15,560 --> 00:38:13,800

like it was they just knew I had to do

880

00:38:17,360 --> 00:38:15,570

was something I was doing I'm like well

881

00:38:21,770 --> 00:38:17,370

say a prayer I mean I'm trying to work

882

00:38:23,540 --> 00:38:21,780

here metals does help it st. Benedict

883

00:38:27,500 --> 00:38:23,550

metal I mean we tell people put that on

884

00:38:29,360 --> 00:38:27,510

if you want to try to well just say ease

885

00:38:30,770 --> 00:38:29,370

your sleep paralysis sometimes they put

886

00:38:32,900 --> 00:38:30,780

it on they have to do other things to

887

00:38:35,150 --> 00:38:32,910

get it off of them and then they and on

888

00:38:37,520 --> 00:38:35,160

like closing the gate and the miraculous

889

00:38:40,250 --> 00:38:37,530

mental especially if it might be sexual

890

00:38:43,130 --> 00:38:40,260

in nature because the purity of Mary and

891

00:38:45,050 --> 00:38:43,140

her humility and you know or what to say

892

00:38:46,490 --> 00:38:45,060

her bright white well we're talking

893

00:38:49,430 --> 00:38:46,500

about what we do to protect ourselves

894

00:38:51,680 --> 00:38:49,440

before we go someplace yeah but I were

895

00:38:54,680 --> 00:38:51,690

thick metal in a miraculous metal and

896

00:38:56,750 --> 00:38:54,690

Farrah okay but the other prayers are

897

00:38:58,910 --> 00:38:56,760

all the prayers that I say to protect us

898

00:39:00,610 --> 00:38:58,920

on a daily level besides those practices

899

00:39:03,080 --> 00:39:00,620

of you know weekly confessional at

900

00:39:06,890 --> 00:39:03,090

sacramentals and sacraments they're on

901  
00:39:08,900 --> 00:39:06,900  
our way so okay it's something that

902  
00:39:13,130 --> 00:39:08,910  
Farrah said that really has me thinking

903  
00:39:15,500 --> 00:39:13,140  
okay I am just known for the shadow

904  
00:39:16,670 --> 00:39:15,510  
people hat man thing and you said you

905  
00:39:18,320 --> 00:39:16,680  
didn't feel like you're a demonologist

906  
00:39:21,080 --> 00:39:18,330  
you didn't call yourself a demonologist

907  
00:39:23,090 --> 00:39:21,090  
prior to that I know what I'm dealing

908  
00:39:25,340 --> 00:39:23,100  
with demons this does that make you a

909  
00:39:27,170 --> 00:39:25,350  
demonologist just because you're you're

910  
00:39:30,950 --> 00:39:27,180  
kind of addressing the issue or the

911  
00:39:32,870 --> 00:39:30,960  
topic or how's that work I put seven

912  
00:39:34,790 --> 00:39:32,880  
types of demonologist and a blog up to

913  
00:39:36,530 --> 00:39:34,800

there I try to define him because yeah

914

00:39:38,390 --> 00:39:36,540

honestly in the church they don't use

915

00:39:40,700 --> 00:39:38,400

the term demonologist I don't know how

916

00:39:43,160 --> 00:39:40,710

Adam Bligh ended up with that title call

917

00:39:46,790 --> 00:39:43,170

buddy like avoid that yeah they don't

918

00:39:51,110 --> 00:39:46,800

like that kind of a job oh they don't I

919

00:39:54,770 --> 00:39:51,120

don't know they was it it refuses the

920

00:39:57,410 --> 00:39:54,780

the baptism which you know dissolves the

921

00:39:59,720 --> 00:39:57,420

the curse of original sin and it takes

922

00:40:00,650 --> 00:39:59,730

the focus off of Christ when you say oh

923

00:40:02,180 --> 00:40:00,660

well you know

924

00:40:05,630 --> 00:40:02,190

that what you do you're a demonologist

925

00:40:07,130 --> 00:40:05,640

you know instead you know we they like

926

00:40:10,760 --> 00:40:07,140

the term you know spiritual warfare

927

00:40:12,319 --> 00:40:10,770

Christ ologists evangelism that sort of

928

00:40:15,130 --> 00:40:12,329

thing because they prefer to keep the

929

00:40:18,589 --> 00:40:15,140

focus on the positive and rightly so and

930

00:40:21,440 --> 00:40:18,599

do in our lay ministry you know we want

931

00:40:23,569 --> 00:40:21,450

to basically you know we don't want to

932

00:40:25,339 --> 00:40:23,579

catch the Dolphins and you know all the

933

00:40:27,140 --> 00:40:25,349

little octopi we want to catch everybody

934

00:40:29,960 --> 00:40:27,150

you know we want to throw the net far

935

00:40:32,120 --> 00:40:29,970

and wide and we want to bring as many

936

00:40:37,160 --> 00:40:32,130

people out of the out of the dark as we

937

00:40:40,010 --> 00:40:37,170

can and if we get if we go around you

938

00:40:43,940 --> 00:40:40,020

know with with robes and serious faces

939

00:40:48,470 --> 00:40:43,950

and you know speak you know lofty er

940

00:40:49,849 --> 00:40:48,480

than you know so chances are that you

941

00:40:51,799 --> 00:40:49,859

know a lot of people are gonna think we

942

00:40:54,770 --> 00:40:51,809

got our heads you know stuck in some

943

00:40:58,160 --> 00:40:54,780

candelabra a little bit too high and oh

944

00:41:01,990 --> 00:40:58,170

my gosh I hear you we can't we can't do

945

00:41:06,559 --> 00:41:02,000

that you know I I am a barefoot strange

946

00:41:09,019 --> 00:41:06,569

tree-hugging Franciscan and I not you

947

00:41:11,410 --> 00:41:09,029

know I'm I know that God made me for a

948

00:41:15,710 --> 00:41:11,420

specific person purpose and it's not

949

00:41:18,109 --> 00:41:15,720

it's just I I know that there's a reason

950

00:41:20,420 --> 00:41:18,119

that we use the terminology we do and it

951  
00:41:22,190 --> 00:41:20,430  
is basically Heidi to affect the

952  
00:41:25,430 --> 00:41:22,200  
majority of people to let them know that

953  
00:41:29,150 --> 00:41:25,440  
who we are we're real people yeah and

954  
00:41:31,700 --> 00:41:29,160  
you know I anyone for anybody think that

955  
00:41:34,579 --> 00:41:31,710  
is highly important there there are too

956  
00:41:38,359 --> 00:41:34,589  
many people who once they start delving

957  
00:41:41,029 --> 00:41:38,369  
into these more spiritual topics they I

958  
00:41:43,640 --> 00:41:41,039  
have a hard time talking to them because

959  
00:41:46,279 --> 00:41:43,650  
they do speak lofty and the TSA's and

960  
00:41:48,559 --> 00:41:46,289  
thousand I'm like they turn even me off

961  
00:41:50,329 --> 00:41:48,569  
and like I'm a human being and I want to

962  
00:41:53,480 --> 00:41:50,339  
present myself as such so people can

963  
00:41:56,059 --> 00:41:53,490

relate to me and and be more apt to ask

964

00:41:58,130 --> 00:41:56,069

questions than to be turned off you know

965

00:41:59,900 --> 00:41:58,140

so it we have to present ourselves as as

966

00:42:03,200 --> 00:41:59,910

we are a good point

967

00:42:06,620 --> 00:42:03,210

and I think that in our search for God

968

00:42:11,059 --> 00:42:06,630

sometimes that are our desire to you

969

00:42:14,930 --> 00:42:11,069

know attain goals or a greater level of

970

00:42:18,410 --> 00:42:14,940

intent or holiness I think sometimes we

971

00:42:20,589 --> 00:42:18,420

separate ourselves from or I should say

972

00:42:23,930 --> 00:42:20,599

we separate too much of ourselves

973

00:42:28,250 --> 00:42:23,940

instead of embracing the self that God

974

00:42:31,250 --> 00:42:28,260

gave us and I think that is where we

975

00:42:33,980 --> 00:42:31,260

have a disconnect and that God doesn't

976

00:42:37,339 --> 00:42:33,990

ask all of us to be choir boys or

977

00:42:40,160 --> 00:42:37,349

priests or bishops or or we're each

978

00:42:45,910 --> 00:42:40,170

created individually so that our

979

00:42:53,089 --> 00:42:49,819

different parts right we all can't we

980

00:42:53,839 --> 00:42:53,099

all can't be Plato or Aristotle or rach

981

00:42:57,349 --> 00:42:53,849

mulli

982

00:43:01,910 --> 00:42:57,359

or or poder they are awesome I love them

983

00:43:04,640 --> 00:43:01,920

you know you know question free this is

984

00:43:08,960 --> 00:43:04,650

I've spoken to others who dabble in

985

00:43:11,109 --> 00:43:08,970

these things that you both do and one

986

00:43:14,599 --> 00:43:11,119

element that I learned is that

987

00:43:18,950 --> 00:43:14,609

supposedly demons cannot read your mind

988

00:43:22,010 --> 00:43:18,960

however once a person has been met with

989

00:43:24,140 --> 00:43:22,020

darkness they fear the day they will

990

00:43:26,329 --> 00:43:24,150

ever be met with it ever again and they

991

00:43:29,150 --> 00:43:26,339

think because they have such fear the

992

00:43:32,150 --> 00:43:29,160

darkness will see that fear and come

993

00:43:34,069 --> 00:43:32,160

back so which is it can the can demons

994

00:43:36,349 --> 00:43:34,079

really reach upon and can your fear of

995

00:43:39,529 --> 00:43:36,359

them coming back actually attract them

996

00:43:40,400 --> 00:43:39,539

back to you well let's let's take it one

997

00:43:44,930 --> 00:43:40,410

step at a time

998

00:43:46,910 --> 00:43:44,940

no it is not possible it is not possible

999

00:43:51,529 --> 00:43:46,920

and it is not ready if you are

1000

00:43:55,039 --> 00:43:51,539

unbaptized all right you are still a

1001

00:43:58,819 --> 00:43:55,049

child of Adam you are still a child of

1002

00:44:01,579 --> 00:43:58,829

Adam there is no way because you are

1003

00:44:04,970 --> 00:44:01,589

physical being born into this world

1004

00:44:07,370 --> 00:44:04,980

your thoughts are between you and your

1005

00:44:11,000 --> 00:44:07,380

Creator God exactly

1006

00:44:14,420 --> 00:44:11,010

even that can cross that barrier I tell

1007

00:44:16,309 --> 00:44:14,430

people this I do a lot of concern about

1008

00:44:18,559 --> 00:44:16,319

this most often in a one-set you know I

1009

00:44:21,650 --> 00:44:18,569

have something to fear that I'm out

1010

00:44:24,109 --> 00:44:21,660

pressed and they they give this illusion

1011

00:44:25,370 --> 00:44:24,119

whether your psychological battle of

1012

00:44:26,990 --> 00:44:25,380

that they can read your mind by

1013

00:44:27,380 --> 00:44:27,000

inserting the thought because you know

1014

00:44:29,750 --> 00:44:27,390

they're good

1015

00:44:31,400 --> 00:44:29,760

temptation when they oppressed they can

1016

00:44:34,220 --> 00:44:31,410

actually talk and they can hear moddable

1017

00:44:37,819 --> 00:44:34,230

so I mean most of times demonic activity

1018

00:44:40,370 --> 00:44:37,829

is just louder and and bigger from

1019

00:44:43,009 --> 00:44:40,380

weight or you know even manifestations

1020

00:44:45,410 --> 00:44:43,019

moving car keys to moving refrigerators

1021

00:44:48,079 --> 00:44:45,420

yes they're impressive the one element

1022

00:44:50,750 --> 00:44:48,089

that I think kind of confuses people and

1023

00:44:53,269 --> 00:44:50,760

it makes them believe that their fear

1024

00:44:55,220 --> 00:44:53,279

will allow these things to come at them

1025

00:44:57,440 --> 00:44:55,230

like they could hear their thoughts or

1026

00:44:59,779 --> 00:44:57,450

something is that they can give them

1027

00:45:02,150 --> 00:44:59,789

nightmares so I think the nightmares

1028

00:45:04,279 --> 00:45:02,160

sometimes get them to feel like well

1029

00:45:05,839 --> 00:45:04,289

they're inside my head already but

1030

00:45:08,390 --> 00:45:05,849

nightmares are a whole different ball

1031

00:45:10,099 --> 00:45:08,400

game how do you guys classify nightmares

1032

00:45:15,049 --> 00:45:10,109

well we didn't finish answering the

1033

00:45:16,519 --> 00:45:15,059

first the second part this is an

1034

00:45:19,099 --> 00:45:16,529

important topic to address you know

1035

00:45:20,930 --> 00:45:19,109

people yeah the ball you know you you

1036

00:45:22,069 --> 00:45:20,940

know I think you're you're the people

1037

00:45:24,319 --> 00:45:22,079

that you're talking to definitely need

1038

00:45:24,950 --> 00:45:24,329

to hear that demons cannot hear people's

1039

00:45:29,599 --> 00:45:24,960

thoughts

1040

00:45:31,640 --> 00:45:29,609

and fear okay we all have fears okay

1041

00:45:33,319 --> 00:45:31,650

does that attract demons no demons

1042

00:45:34,970 --> 00:45:33,329

aren't necessarily interested in you

1043

00:45:36,980 --> 00:45:34,980

especially you know if you're doing what

1044

00:45:39,470 --> 00:45:36,990

they want you either come from two

1045

00:45:40,999 --> 00:45:39,480

places you come from a place that you

1046

00:45:43,160 --> 00:45:41,009

know what I'm gonna put God first in my

1047

00:45:46,430 --> 00:45:43,170

life or you come from a place well I'm

1048

00:45:48,200 --> 00:45:46,440

gonna take care of myself first don't

1049

00:45:50,180 --> 00:45:48,210

you those two places that you come from

1050

00:45:51,319 --> 00:45:50,190

if you're putting yourself first and

1051  
00:45:52,490 --> 00:45:51,329  
what you want and everything else and

1052  
00:45:53,990 --> 00:45:52,500  
evens aren't gonna bother with you you

1053  
00:45:55,599 --> 00:45:54,000  
re doing what you need to do to get you

1054  
00:45:59,630 --> 00:45:55,609  
to hell

1055  
00:46:02,299 --> 00:45:59,640  
sorry it just it's a fact yes if you put

1056  
00:46:03,680 --> 00:46:02,309  
God first you can be scared all you want

1057  
00:46:05,359 --> 00:46:03,690  
but your guardian angel is gonna stand

1058  
00:46:08,259 --> 00:46:05,369  
right there and be batting a thousand

1059  
00:46:12,109 --> 00:46:08,269  
trying to keep them off you yep so

1060  
00:46:13,849 --> 00:46:12,119  
people you have nothing to fear nothing

1061  
00:46:17,210 --> 00:46:13,859  
to fear whatsoever that battle already

1062  
00:46:22,819 --> 00:46:17,220  
got one fear does not attract them our

1063  
00:46:24,849 --> 00:46:22,829

choices of sin attracts them faith of a

1064

00:46:27,650 --> 00:46:24,859

mustard seed would smack them down

1065

00:46:29,960 --> 00:46:27,660

exactly you got that right on a dream

1066

00:46:33,380 --> 00:46:29,970

okay so let's go to the dream thingy but

1067

00:46:35,749 --> 00:46:33,390

the other dreams the we say that the

1068

00:46:38,299 --> 00:46:35,759

first thing that you experience when

1069

00:46:40,310 --> 00:46:38,309

you're beginning to be affected by a

1070

00:46:42,290 --> 00:46:40,320

demonic spirit is

1071

00:46:44,180 --> 00:46:42,300

dreams and anxiety both of those seem to

1072

00:46:45,530 --> 00:46:44,190

enter around the same time now let

1073

00:46:47,390 --> 00:46:45,540

you're prone to other psychological

1074

00:46:50,600 --> 00:46:47,400

ailments because they'll try to play

1075

00:46:52,760 --> 00:46:50,610

those up like you'll go from mild

1076  
00:46:55,460 --> 00:46:52,770  
depression to more severe maybe you're

1077  
00:46:57,290 --> 00:46:55,470  
in suicidal as they progress so do so

1078  
00:46:59,090 --> 00:46:57,300  
does your psychological elements and the

1079  
00:47:00,290 --> 00:46:59,100  
same thing for even physical you might

1080  
00:47:02,600 --> 00:47:00,300  
even have like we're talking earlier

1081  
00:47:04,910 --> 00:47:02,610  
about new ones show up but that so we

1082  
00:47:07,100 --> 00:47:04,920  
have to like watch our little meter of

1083  
00:47:09,920 --> 00:47:07,110  
the person that starts to go down back

1084  
00:47:11,900 --> 00:47:09,930  
down to zero and you know it's a we

1085  
00:47:13,400 --> 00:47:11,910  
believe that the demonic was

1086  
00:47:15,230 --> 00:47:13,410  
non-existent but it's always going to be

1087  
00:47:17,030 --> 00:47:15,240  
shouting and roaring and or stuff and

1088  
00:47:18,680 --> 00:47:17,040

they're in the background when they make

1089

00:47:21,230 --> 00:47:18,690

a mistake it's gonna come in like that

1090

00:47:23,900 --> 00:47:21,240

rabbit that never left your garden

1091

00:47:25,450 --> 00:47:23,910

outside the fence and then that one day

1092

00:47:27,740 --> 00:47:25,460

you leave the gate open or you

1093

00:47:29,180 --> 00:47:27,750

accidentally damage it with the more

1094

00:47:32,990 --> 00:47:29,190

something and then that's going to be

1095

00:47:35,570 --> 00:47:33,000

inside sort after that but yeah that the

1096

00:47:38,720 --> 00:47:35,580

dreams and then indicating how to dreams

1097

00:47:40,250 --> 00:47:38,730

is another story and if you can tell if

1098

00:47:42,560 --> 00:47:40,260

it's demonic or not but you think a lot

1099

00:47:44,900 --> 00:47:42,570

of times the person who has them suspect

1100

00:47:47,210 --> 00:47:44,910

they are without even us they we're

1101

00:47:49,490 --> 00:47:47,220

giving them some like tips and hints of

1102

00:47:56,570 --> 00:47:49,500

how you can tell us the demonics you

1103

00:47:59,180 --> 00:47:56,580

know induced dream yeah yeah I would get

1104

00:48:01,490 --> 00:47:59,190

these demonic dreams and and I wouldn't

1105

00:48:03,350 --> 00:48:01,500

back down I think sometimes have to get

1106

00:48:09,760 --> 00:48:03,360

up to go to the bathroom and say I want

1107

00:48:14,000 --> 00:48:12,620

coma patients if you research someone I

1108

00:48:15,440 --> 00:48:14,010

like a near-death experience coma

1109

00:48:18,230 --> 00:48:15,450

patient just like that movie with

1110

00:48:20,540 --> 00:48:18,240

Jennifer Lopez the cage then when it

1111

00:48:22,700 --> 00:48:20,550

finally battled in one demon just like

1112

00:48:25,010 --> 00:48:22,710

the buoyant sin that st. Louis exorcism

1113

00:48:26,420 --> 00:48:25,020

case that inspired the movie last thing

1114

00:48:28,100 --> 00:48:26,430

he remembers whether there was a battle

1115

00:48:30,560 --> 00:48:28,110

with the Saint Michael with a flaming

1116

00:48:32,210 --> 00:48:30,570

sword you know he saw that and then he

1117

00:48:34,280 --> 00:48:32,220

wakes up kind of like out of this state

1118

00:48:36,740 --> 00:48:34,290

like he came out of a coma no memory of

1119

00:48:39,110 --> 00:48:36,750

all the things that he did from the time

1120

00:48:41,540 --> 00:48:39,120

that he was initially possessed and

1121

00:48:43,100 --> 00:48:41,550

that's dreams can be that way too you

1122

00:48:44,960 --> 00:48:43,110

wake up you didn't dream anything and in

1123

00:48:46,580 --> 00:48:44,970

something jars your memory it's like oh

1124

00:48:47,900 --> 00:48:46,590

my gosh I had a horrible dream about

1125

00:48:50,089 --> 00:48:47,910

that

1126

00:48:51,620 --> 00:48:50,099

though you usually remember in the

1127

00:48:54,589 --> 00:48:51,630

morning and your memory starts to fade

1128

00:48:56,270 --> 00:48:54,599

as time goes on but it's a fast danger

1129

00:48:58,099 --> 00:48:56,280

fascinating thing anyway so I liked

1130

00:49:01,250 --> 00:48:58,109

Freddy Kruger when I first came out oh

1131

00:49:03,609 --> 00:49:01,260

yeah have dreams too you know and then

1132

00:49:05,450 --> 00:49:03,619

you win the battle and then you wake up

1133

00:49:06,799 --> 00:49:05,460

you know it's like how do you wake

1134

00:49:08,480 --> 00:49:06,809

yourself up with your dream you couldn't

1135

00:49:10,130 --> 00:49:08,490

exit whenever you're battling it you

1136

00:49:12,410 --> 00:49:10,140

know there's a lot of questions of how

1137

00:49:15,020 --> 00:49:12,420

they interact with a dream so I feel

1138

00:49:16,849 --> 00:49:15,030

they try us I feel they try to find that

1139

00:49:19,789 --> 00:49:16,859

weakness in you sometimes with these

1140

00:49:22,069 --> 00:49:19,799

dreams and it's like oh man you know the

1141

00:49:23,779 --> 00:49:22,079

ad for protection and this applies to is

1142

00:49:25,789 --> 00:49:23,789

a blessing your house so take the holy

1143

00:49:30,200 --> 00:49:25,799

water use frankincense and myrrh bless

1144

00:49:32,000 --> 00:49:30,210

your room thank you oh my gosh I think I

1145

00:49:36,589 --> 00:49:32,010

have to bring that up every show I am

1146

00:49:38,539 --> 00:49:36,599

not kidding you I'll tell you what the

1147

00:49:42,049 --> 00:49:38,549

number one thing that people can do to

1148

00:49:44,299 --> 00:49:42,059

protect themselves is fast once a week I

1149

00:49:47,359 --> 00:49:44,309

don't care if it's one meal if it's one

1150

00:49:50,150 --> 00:49:47,369

day and you can fast food you can fast

1151  
00:49:55,910 --> 00:49:50,160  
TV I fasted Facebook the other day for a

1152  
00:50:00,500 --> 00:49:55,920  
whole day out that must painful oh no

1153  
00:50:03,529 --> 00:50:00,510  
don't touch that phone you could choose

1154  
00:50:06,680 --> 00:50:03,539  
two fast different things dare people to

1155  
00:50:08,059 --> 00:50:06,690  
fast their cell phones it's really

1156  
00:50:10,250 --> 00:50:08,069  
difficult because especially if you

1157  
00:50:11,630 --> 00:50:10,260  
don't have a house phone anymore or if

1158  
00:50:14,089 --> 00:50:11,640  
you have a business because it's like we

1159  
00:50:16,279 --> 00:50:14,099  
have like three businesses you know that

1160  
00:50:18,470 --> 00:50:16,289  
we access through our our phones and you

1161  
00:50:22,039 --> 00:50:18,480  
know our ministry and stuff so it's very

1162  
00:50:24,380 --> 00:50:22,049  
very difficult if it matters to you to

1163  
00:50:26,599 --> 00:50:24,390

deny your flesh and mortify something

1164

00:50:30,410 --> 00:50:26,609

that you desire that's pleasurable to

1165

00:50:34,910 --> 00:50:30,420

you it matters to God and that strikes

1166

00:50:37,010 --> 00:50:34,920

out any demonic influence so people

1167

00:50:39,019 --> 00:50:37,020

learn how to fast and you'll kick them

1168

00:50:41,299 --> 00:50:39,029

out way quick that's right I was so

1169

00:50:43,099 --> 00:50:41,309

that's true everything he was having a

1170

00:50:45,529 --> 00:50:43,109

problem with you know succubus type

1171

00:50:47,029 --> 00:50:45,539

experiences and it's not working it's

1172

00:50:48,470 --> 00:50:47,039

not working this guy's addicted to porn

1173

00:50:49,609 --> 00:50:48,480

too but that doesn't help but I said

1174

00:50:52,519 --> 00:50:49,619

you're gonna have to go back to the

1175

00:50:54,470 --> 00:50:52,529

essentials deny your flesh of these

1176

00:50:55,970 --> 00:50:54,480

things that you know eating not to

1177

00:50:57,859 --> 00:50:55,980

starve himself to death but you know

1178

00:51:01,180 --> 00:50:57,869

don't be so quick to get your favorite

1179

00:51:03,220 --> 00:51:01,190

food you got to deny your self because

1180

00:51:05,770 --> 00:51:03,230

God expects you to deny yourself of sin

1181

00:51:07,270 --> 00:51:05,780

of the flesh of that nature and then

1182

00:51:10,000 --> 00:51:07,280

when you deny food something that's

1183

00:51:11,770 --> 00:51:10,010

essential to your daily living and you

1184

00:51:13,720 --> 00:51:11,780

fast and you might get a pain of hunger

1185

00:51:17,260 --> 00:51:13,730

you know I don't know if you call it

1186

00:51:19,480 --> 00:51:17,270

pain but it's not comfortable yeah it

1187

00:51:21,010 --> 00:51:19,490

does aids the fight and it's much been

1188

00:51:22,599 --> 00:51:21,020

that Bible quote you might remember that

1189

00:51:24,940 --> 00:51:22,609

one care what was that one about this

1190

00:51:27,550 --> 00:51:24,950

one takes it fast when the Apostles

1191

00:51:32,470 --> 00:51:27,560

couldn't catch a demon on something like

1192

00:51:34,599 --> 00:51:32,480

that oh that one was for whatever reason

1193

00:51:36,609 --> 00:51:34,609

the Apostles and I'm sure Heidi's

1194

00:51:38,800 --> 00:51:36,619

familiar with this the chapter in the

1195

00:51:40,210 --> 00:51:38,810

Bible I know it's not Luke it might be

1196

00:51:42,309 --> 00:51:40,220

John where the disciples had been

1197

00:51:45,069 --> 00:51:42,319

working to cast a demon out of a young

1198

00:51:47,050 --> 00:51:45,079

girl and they finally ran to Jesus who

1199

00:51:48,700 --> 00:51:47,060

of course is rolling his eyes and he

1200

00:51:49,960 --> 00:51:48,710

says hey master we can't get this one

1201

00:51:53,620 --> 00:51:49,970

out we can't get this one out you got to

1202

00:51:57,370 --> 00:51:53,630

come help us and he says sometimes these

1203

00:52:03,309 --> 00:51:57,380

ones can only be cast out by fasting and

1204

00:52:05,500 --> 00:52:03,319

praying oh yeah so you come upon you

1205

00:52:07,300 --> 00:52:05,510

combine the power punch of just you know

1206

00:52:08,710 --> 00:52:07,310

fasting and you know making a morning

1207

00:52:10,030 --> 00:52:08,720

offering that you know God this is what

1208

00:52:12,130 --> 00:52:10,040

I'm going to do for you now if you

1209

00:52:17,170 --> 00:52:12,140

combine that with additional praying

1210

00:52:22,450 --> 00:52:17,180

you've got a one-two punch so true so

1211

00:52:25,569 --> 00:52:22,460

true so I'm fascinated with there

1212

00:52:29,170 --> 00:52:25,579

there's so many people that getting in

1213

00:52:31,359 --> 00:52:29,180

tomorrow that the daily cases that pop

1214

00:52:36,040 --> 00:52:31,369

up a lot of people are having issues

1215

00:52:38,710 --> 00:52:36,050

around 3 a.m. what the heck is the deal

1216

00:52:40,660 --> 00:52:38,720

with the witching hour I mean this is a

1217

00:52:41,800 --> 00:52:40,670

this is a real thing it just seems like

1218

00:52:43,390 --> 00:52:41,810

people will wake up they're having a

1219

00:52:45,550 --> 00:52:43,400

nightmare they hear something or

1220

00:52:48,370 --> 00:52:45,560

something's creeping up on them what

1221

00:52:50,650 --> 00:52:48,380

might be that it's a mock it's a mockery

1222

00:52:52,930 --> 00:52:50,660

of the Trinity Satan loves it it's like

1223

00:52:54,609 --> 00:52:52,940

it's his funny time because he knows

1224

00:52:57,130 --> 00:52:54,619

that God created our bodies on a

1225

00:52:59,290 --> 00:52:57,140

specific circadian rhythm you know that

1226  
00:53:01,660 --> 00:52:59,300  
we would rise with the Sun and we would

1227  
00:53:04,359 --> 00:53:01,670  
settle down with the departing of the

1228  
00:53:06,700 --> 00:53:04,369  
Sun and at our deepest opportunity for

1229  
00:53:08,829 --> 00:53:06,710  
our bodies to be healing and quiet and

1230  
00:53:10,180 --> 00:53:08,839  
our angels watching over our spirits the

1231  
00:53:12,130 --> 00:53:10,190  
little devils are like right there

1232  
00:53:14,440 --> 00:53:12,140  
poking us going ha ha ha you thought you

1233  
00:53:16,210 --> 00:53:14,450  
could sleep and the 3 a.m.

1234  
00:53:19,480 --> 00:53:16,220  
and that's when they go to scratch it

1235  
00:53:22,240 --> 00:53:19,490  
it's three scratches mocking I even

1236  
00:53:24,609 --> 00:53:22,250  
thought that if we had that darkness and

1237  
00:53:27,789 --> 00:53:24,619  
that that I don't know what you call it

1238  
00:53:30,400 --> 00:53:27,799

plane or time zone and it didn't leave

1239

00:53:31,870 --> 00:53:30,410

that 3 a.m. I would think manifestation

1240

00:53:34,180 --> 00:53:31,880

would just keep growing and growing and

1241

00:53:36,549 --> 00:53:34,190

growing that's just a theory because we

1242

00:53:38,079 --> 00:53:36,559

find out it seems like it seems that the

1243

00:53:40,930 --> 00:53:38,089

Sun is on the farthest side of the

1244

00:53:43,030 --> 00:53:40,940

planet you know at that phase but you

1245

00:53:46,930 --> 00:53:43,040

know the the theology does seem to be

1246

00:53:48,849 --> 00:53:46,940

what to do with 3 a.m. is the hour as we

1247

00:53:51,760 --> 00:53:48,859

figure that the veil between this world

1248

00:53:53,950 --> 00:53:51,770

and the hellish one is at its thinnest

1249

00:53:55,420 --> 00:53:53,960

3:00 p.m. that busted mother and a cat

1250

00:53:57,730 --> 00:53:55,430

you know an Orthodox Catholic old

1251  
00:54:00,099 --> 00:53:57,740  
teachings they said that she assumed

1252  
00:54:02,710 --> 00:54:00,109  
into heaven at 3:00 p.m. Jesus died on

1253  
00:54:04,960 --> 00:54:02,720  
the cross at 3:00 p.m. so you say hey

1254  
00:54:07,450 --> 00:54:04,970  
yeah Oh any assumes into heaven at 3:00

1255  
00:54:08,920 --> 00:54:07,460  
p.m. you see there's a lot of prayers

1256  
00:54:10,480 --> 00:54:08,930  
that you're supposed to say a 3 p.m.

1257  
00:54:13,150 --> 00:54:10,490  
chapel of divine mercy of you know

1258  
00:54:16,030 --> 00:54:13,160  
Sister Faustina in the early 1900s and

1259  
00:54:17,799 --> 00:54:16,040  
and some of those others but beyond so

1260  
00:54:19,150 --> 00:54:17,809  
we know there's a significance on the

1261  
00:54:21,160 --> 00:54:19,160  
flip side and Satan likes to do

1262  
00:54:23,680 --> 00:54:21,170  
opposites and that is the witching hour

1263  
00:54:25,750 --> 00:54:23,690

when the Satanists have their mass you

1264

00:54:27,579 --> 00:54:25,760

know the mass not a bid night you know

1265

00:54:30,549 --> 00:54:27,589

that might that's only Celtic won or

1266

00:54:34,569 --> 00:54:30,559

something yeah doesn't it seem like

1267

00:54:38,680 --> 00:54:34,579

there's an increase of evil things going

1268

00:54:40,599 --> 00:54:38,690

amuck and I mean like purposely demonic

1269

00:54:44,190 --> 00:54:40,609

entities I remember a couple of years

1270

00:54:47,260 --> 00:54:44,200

ago hey I live in Chicago and there is a

1271

00:54:49,569 --> 00:54:47,270

newspaper article that said the Catholic

1272

00:54:53,620 --> 00:54:49,579

Church was having an emergency training

1273

00:54:56,910 --> 00:54:53,630

of Exorcist because they were so overrun

1274

00:54:59,549 --> 00:54:56,920

and overwhelmed with the amount of calls

1275

00:55:02,980 --> 00:54:59,559

have you noticed this in flex as well

1276

00:55:05,650 --> 00:55:02,990

I'd say and I think it's more than just

1277

00:55:09,789 --> 00:55:05,660

an influx my dear what it is is I think

1278

00:55:11,620 --> 00:55:09,799

that because of the ability for people

1279

00:55:15,490 --> 00:55:11,630

to get their hands on occult items

1280

00:55:18,309 --> 00:55:15,500

cursed objects and the fascination with

1281

00:55:22,720 --> 00:55:18,319

all things occult you know every kind of

1282

00:55:25,539 --> 00:55:22,730

magic it's so easy for people to invite

1283

00:55:28,390 --> 00:55:25,549

sin in and their choices lead them to

1284

00:55:30,279 --> 00:55:28,400

attachments and they don't they

1285

00:55:31,809 --> 00:55:30,289

trust a friend they immediately call the

1286

00:55:35,440 --> 00:55:31,819

Catholic Church the Catholic Church is

1287

00:55:36,819 --> 00:55:35,450

like well okay so you're Methodist let's

1288

00:55:39,940 --> 00:55:36,829

talk to your pastor but I don't want to

1289

00:55:43,029 --> 00:55:39,950

talk to him all right yes sir it's like

1290

00:55:44,799 --> 00:55:43,039

I don't want him knowing yeah we gotta

1291

00:55:45,910 --> 00:55:44,809

get to our next break you guys are

1292

00:55:49,680 --> 00:55:45,920

listening to me Heidi how's the

1293

00:55:54,789 --> 00:55:52,299

welcome back everybody you're listening

1294

00:55:57,190 --> 00:55:54,799

to me Heidi how's the Outlander and I

1295

00:56:00,400 --> 00:55:57,200

have Kennison Farah deal the real deals

1296

00:56:03,519 --> 00:56:00,410

here go to the real deals calm that's

1297

00:56:06,970 --> 00:56:03,529

double e for both words and we're just

1298

00:56:10,240 --> 00:56:06,980

chatting it up just to in the fat good

1299

00:56:12,490 --> 00:56:10,250

ol time and I forget where did we leave

1300

00:56:15,190 --> 00:56:12,500

off but I wanted to hold it there's a

1301

00:56:17,109 --> 00:56:15,200

question here okay oh people want people

1302

00:56:20,049 --> 00:56:17,119

want to hear some of your creepy stories

1303

00:56:24,700 --> 00:56:20,059

which I get it so you've come across

1304

00:56:29,049 --> 00:56:24,710

people who have been possessed it so

1305

00:56:30,309 --> 00:56:29,059

tell us of some of these cases that you

1306

00:56:34,059 --> 00:56:30,319

guys have come across that have been the

1307

00:56:35,470 --> 00:56:34,069

most uh I don't know difficult that's

1308

00:56:37,240 --> 00:56:35,480

not what the more recent ones sir I

1309

00:56:37,720 --> 00:56:37,250

guess I probably more appropriate since

1310

00:56:40,930 --> 00:56:37,730

we've done this

1311

00:56:43,510 --> 00:56:40,940

well tell you the truth that it's easy

1312

00:56:46,690 --> 00:56:43,520

to talk about cases that because there's

1313

00:56:50,500 --> 00:56:46,700

so many of them Heidi where you know

1314

00:56:53,430 --> 00:56:50,510

people are in shock to realize because

1315

00:56:55,870 --> 00:56:53,440

what they see on TV isn't real

1316

00:56:59,019 --> 00:56:55,880

whether they're looking at Linda Blair

1317

00:57:03,640 --> 00:56:59,029

spewing pea soup out of her nose or her

1318

00:57:06,700 --> 00:57:03,650

head it's not real know right pepper

1319

00:57:07,720 --> 00:57:06,710

should they walk into Walmart I'm be

1320

00:57:09,670 --> 00:57:07,730

seeing they're playing on their little

1321

00:57:12,760 --> 00:57:09,680

cell phone and the person in front of

1322

00:57:14,620 --> 00:57:12,770

them head start switching and in just

1323

00:57:15,910 --> 00:57:14,630

you know going all over the place and

1324

00:57:17,500 --> 00:57:15,920

they're thinking okay somebody's doing

1325

00:57:20,140 --> 00:57:17,510

the Macarena well I need to get out of

1326

00:57:22,510 --> 00:57:20,150

here get out of my line and also start

1327

00:57:24,130 --> 00:57:22,520

frothing on the ground and look up at

1328

00:57:26,710 --> 00:57:24,140

them and speak in some kind of language

1329

00:57:29,529 --> 00:57:26,720

they've never heard that would you know

1330

00:57:31,450 --> 00:57:29,539

gets everybody to run screaming oh yeah

1331

00:57:34,210 --> 00:57:31,460

it's not the norm

1332

00:57:37,269 --> 00:57:34,220

no and consequently you know the subject

1333

00:57:40,630 --> 00:57:37,279

of you know people that are possessed is

1334

00:57:42,170 --> 00:57:40,640

so sensitive and it is held so close to

1335

00:57:45,860 --> 00:57:42,180

the vest by the Catholic Church

1336

00:57:48,430 --> 00:57:45,870

you know they really don't they don't

1337

00:57:51,110 --> 00:57:48,440

want it sensationalized because it's not

1338

00:57:53,900 --> 00:57:51,120

it's not like it's not like a popcorn

1339

00:57:55,850 --> 00:57:53,910

movie like Star Wars you know where

1340

00:57:59,300 --> 00:57:55,860

everybody goes oh come on let's go look

1341

00:58:01,610 --> 00:57:59,310

at the MK ULTRA person or you know the

1342

00:58:04,010 --> 00:58:01,620

birth in the gym all of a sudden just

1343

00:58:05,690 --> 00:58:04,020

Timothy Leary experiment I know you know

1344

00:58:10,550 --> 00:58:05,700

let's just let's go look at Jeffrey

1345

00:58:12,800 --> 00:58:10,560

Dahmer in a cage yeah not so you know if

1346

00:58:14,930 --> 00:58:12,810

we share things about some of our

1347

00:58:17,480 --> 00:58:14,940

experiences you know we like to try and

1348

00:58:20,210 --> 00:58:17,490

help people recognize things and

1349

00:58:22,520 --> 00:58:20,220

recognize symptoms of you know a

1350

00:58:24,680 --> 00:58:22,530

potentially possessed er a person that

1351  
00:58:27,110 --> 00:58:24,690  
has an attachment so let's go there

1352  
00:58:29,510 --> 00:58:27,120  
because I think there's that one a ton

1353  
00:58:32,480 --> 00:58:29,520  
yes and a lot of people have okay

1354  
00:58:34,040 --> 00:58:32,490  
because there's a lot of confusion and a

1355  
00:58:35,780 --> 00:58:34,050  
lot of people that we know that call

1356  
00:58:36,980 --> 00:58:35,790  
themselves demonologist or really want

1357  
00:58:38,510 --> 00:58:36,990  
to help people they're out there in the

1358  
00:58:41,060 --> 00:58:38,520  
paranormal field they make the mistake

1359  
00:58:43,280 --> 00:58:41,070  
of calling everything a demon because

1360  
00:58:45,590 --> 00:58:43,290  
they don't believe in ghosts they make

1361  
00:58:48,410 --> 00:58:45,600  
the mistake of saying that oh yes you

1362  
00:58:50,510 --> 00:58:48,420  
know I've got the right sage I've got

1363  
00:58:54,440 --> 00:58:50,520

the right music I've got the right chant

1364

00:58:56,660 --> 00:58:54,450

for you because I can fix this for you

1365

00:58:59,150 --> 00:58:56,670

and it's gonna all go away and they have

1366

00:59:02,780 --> 00:58:59,160

a magic wand now but they don't take

1367

00:59:05,990 --> 00:59:02,790

into encounters with people on a daily

1368

00:59:09,440 --> 00:59:06,000

basis a lot of people and according to

1369

00:59:10,670 --> 00:59:09,450

the Diagnostics for the psychology we're

1370

00:59:12,260 --> 00:59:10,680

not even talking psychiatry although

1371

00:59:14,480 --> 00:59:12,270

psychiatry is a pseudoscience and I

1372

00:59:17,000 --> 00:59:14,490

don't believe it in any way um better

1373

00:59:19,070 --> 00:59:17,010

living through medication only in the

1374

00:59:21,470 --> 00:59:19,080

cases of severe pain and severe severe

1375

00:59:24,580 --> 00:59:21,480

illness a lot of people are mental what

1376

00:59:28,490 --> 00:59:24,590

do I mean by mental I'm mental okay

1377

00:59:31,010 --> 00:59:28,500

they're the degrees of mental shall we

1378

00:59:35,350 --> 00:59:31,020

say difficulty in dealing with daily

1379

00:59:40,330 --> 00:59:35,360

life is usually suspect 1 there are

1380

00:59:43,960 --> 00:59:40,340

shall we say bipolar emotional swings

1381

00:59:47,990 --> 00:59:43,970

behaviors that are self-depreciating

1382

00:59:50,780 --> 00:59:48,000

self-effacing or harmful and now that

1383

00:59:53,300 --> 00:59:50,790

could be anything from addiction to you

1384

00:59:55,730 --> 00:59:53,310

know you could have you know a case that

1385

00:59:58,609 --> 00:59:55,740

calls us and you know the

1386

01:00:00,440 --> 00:59:58,619

won't stop sleeping around and it's like

1387

01:00:02,210 --> 01:00:00,450

you know I think this person's possessed

1388

01:00:05,300 --> 01:00:02,220

because it doesn't matter you know

1389

01:00:07,220 --> 01:00:05,310

they're obsessed with sex and then you

1390

01:00:09,349 --> 01:00:07,230

come to find out that the person you

1391

01:00:11,990 --> 01:00:09,359

know was molested from you know the age

1392

01:00:13,849 --> 01:00:12,000

of two to about twelve and they're

1393

01:00:15,200 --> 01:00:13,859

acting out because they don't feel loved

1394

01:00:18,260 --> 01:00:15,210

because the person that they're with

1395

01:00:20,570 --> 01:00:18,270

isn't cuddling them and then smacking

1396

01:00:22,130 --> 01:00:20,580

them and beating them and raping them so

1397

01:00:23,870 --> 01:00:22,140

they're not receiving love from their

1398

01:00:26,870 --> 01:00:23,880

partner that's what I'm talking about

1399

01:00:28,250 --> 01:00:26,880

mental so this person may look and act

1400

01:00:29,120 --> 01:00:28,260

like you know they're they're out of

1401  
01:00:31,370 --> 01:00:29,130  
their mind

1402  
01:00:34,630 --> 01:00:31,380  
they're possessed but there's so much

1403  
01:00:37,820 --> 01:00:34,640  
more that goes into a case folks that

1404  
01:00:39,320 --> 01:00:37,830  
it's easy to say yes this person has an

1405  
01:00:41,359 --> 01:00:39,330  
attachment you know they're they're

1406  
01:00:44,390 --> 01:00:41,369  
talking mumbo-jumbo in their sleep and

1407  
01:00:46,880 --> 01:00:44,400  
then all of a sudden they're normal are

1408  
01:00:51,290 --> 01:00:46,890  
they do they have a real attachment or

1409  
01:00:53,560 --> 01:00:51,300  
do they have a mental stress a spiritual

1410  
01:00:57,020 --> 01:00:53,570  
wound that is going to take time to heal

1411  
01:00:59,720 --> 01:00:57,030  
more are they seeing things because of

1412  
01:01:02,359 --> 01:00:59,730  
the result of their dabbling with minor

1413  
01:01:04,400 --> 01:01:02,369

like witchcraft that are coming to visit

1414

01:01:08,020 --> 01:01:04,410

them and it's causing them nightmares so

1415

01:01:11,109 --> 01:01:08,030

they've got a combination of a wound and

1416

01:01:13,420 --> 01:01:11,119

Invitational black evil little

1417

01:01:15,980 --> 01:01:13,430

cockroaches coming to visit them you

1418

01:01:18,620 --> 01:01:15,990

know so for us to talk about some of the

1419

01:01:21,050 --> 01:01:18,630

creepiest creepiest horrific things you

1420

01:01:22,250 --> 01:01:21,060

know all we can do is say hey people you

1421

01:01:25,670 --> 01:01:22,260

know there's so many of them it's like

1422

01:01:29,960 --> 01:01:25,680

where do we start you know we got Mary's

1423

01:01:32,210 --> 01:01:29,970

of them one went over it was just

1424

01:01:33,740 --> 01:01:32,220

interviewer and then we're I was pretty

1425

01:01:37,130 --> 01:01:33,750

sure by the phone interview and that's

1426  
01:01:39,050 --> 01:01:37,140  
what I really am glad you know with the

1427  
01:01:41,450 --> 01:01:39,060  
help of Holy Spirit and so forth so over

1428  
01:01:42,829 --> 01:01:41,460  
the years at that time we gotten to the

1429  
01:01:45,050 --> 01:01:42,839  
point we can get a lot of them figured

1430  
01:01:46,430 --> 01:01:45,060  
out on the phone and a lot of them can

1431  
01:01:49,220 --> 01:01:46,440  
be helped over the phone but not to you

1432  
01:01:50,720 --> 01:01:49,230  
know not their true possessions so in

1433  
01:01:52,490 --> 01:01:50,730  
this case we went over and there we're

1434  
01:01:54,589 --> 01:01:52,500  
just taking the intake sitting on the

1435  
01:01:56,420 --> 01:01:54,599  
porch no sipping lemonade or whatever it

1436  
01:02:00,380 --> 01:01:56,430  
was I still drink at Pepsi I hate that

1437  
01:02:02,720 --> 01:02:00,390  
stuff I like was it a guy and girl comes

1438  
01:02:04,160 --> 01:02:02,730

here again the girl in question my son

1439

01:02:05,780 --> 01:02:04,170

calls me in the phone I go around a

1440

01:02:08,329 --> 01:02:05,790

corner this is just because there's

1441

01:02:09,170 --> 01:02:08,339

examples of how it's funny how to double

1442

01:02:11,630 --> 01:02:09,180

does is little

1443

01:02:12,980 --> 01:02:11,640

even though this wheel and I go around

1444

01:02:14,720 --> 01:02:12,990

the corner and he's let go we're gonna

1445

01:02:16,460 --> 01:02:14,730

have you know he's 16 welcome to who

1446

01:02:17,960 --> 01:02:16,470

viewed for lunch and then I go back

1447

01:02:20,000 --> 01:02:17,970

around the side of the house and she's

1448

01:02:23,180 --> 01:02:20,010

kicking 300-pound men offer her she's

1449

01:02:31,280 --> 01:02:23,190

got a couple ft you know guys who live

1450

01:02:33,829 --> 01:02:31,290

at the house there you know there are so

1451

1474

01:03:34,400 --> 01:03:30,299

father and a and uncle girl might have

1475

01:03:37,010 --> 01:03:34,410

been 85 to 90 pounds into the fight you

1476

01:03:39,710 --> 01:03:37,020

know and so we're battling this thing

1477

01:03:41,270 --> 01:03:39,720

it occurred later to so that was one of

1478

01:03:44,480 --> 01:03:41,280

the Simpsons every reveal but we already

1479

01:03:45,799 --> 01:03:44,490

had her turn on the phone and you got to

1480

01:03:47,030 --> 01:03:45,809

get that under control you just can't

1481

01:03:49,280 --> 01:03:47,040

leave him there oh let me go wrote a

1482

01:03:50,900 --> 01:03:49,290

good priest in case of emergency break

1483

01:03:53,329 --> 01:03:50,910

glass does one of the reasons why people

1484

01:03:55,190 --> 01:03:53,339

shouldn't enter this stuff unless they

1485

01:03:57,319 --> 01:03:55,200

are prepared to do that spiritually when

1486

01:04:01,280 --> 01:03:57,329

you more say them it's not it's a

1487

01:04:03,500 --> 01:04:01,290

psychological and spiritual battle if

1488

01:04:06,650 --> 01:04:03,510

when you guys tackle certain things like

1489

01:04:08,990 --> 01:04:06,660

I tackle at a distance I don't get my

1490

01:04:12,500 --> 01:04:09,000

hands dirty like you guys do i i

1491

01:04:14,630 --> 01:04:12,510

sometimes wish i did in the face of

1492

01:04:15,710 --> 01:04:14,640

shadow people hat man and stuff but i'm

1493

01:04:19,130 --> 01:04:15,720

like you know i don't think that's my

1494

01:04:21,319 --> 01:04:19,140

place to do that sort of thing but when

1495

01:04:22,490 --> 01:04:21,329

i get bad luck after giving someone

1496

01:04:27,140 --> 01:04:22,500

advice i over the

1497

01:04:29,210 --> 01:04:27,150

on the radio or by email I take it as a

1498

01:04:30,920 --> 01:04:29,220

compliment Lana go I really ticked off

1499

01:04:32,900 --> 01:04:30,930

the dark side this time like you know

1500

01:04:34,880 --> 01:04:32,910

they hate my guts feelings are mutual

1501

01:04:36,650 --> 01:04:34,890

and I'm like well I must be doing

1502

01:04:38,780 --> 01:04:36,660

something right because uh yeah I just

1503

01:04:40,010 --> 01:04:38,790

know and sometimes the people that

1504

01:04:41,960 --> 01:04:40,020

you're helping in like whoa things

1505

01:04:44,300 --> 01:04:41,970

really heated up there for a second when

1506

01:04:45,859 --> 01:04:44,310

I sent this email to you and I'm like

1507

01:04:47,660 --> 01:04:45,869

take it as a compliment because I know

1508

01:04:49,940 --> 01:04:47,670

their time is limited do you get that

1509

01:04:51,830 --> 01:04:49,950

yeah you gotta take that's why you have

1510

01:04:53,599 --> 01:04:51,840

to say those daily prayers after you had

1511

01:04:57,950 --> 01:04:53,609

been on the phone or even email them

1512

01:05:00,410 --> 01:04:57,960

yeah about 12 years ago I had this other

1513

01:05:02,960 --> 01:05:00,420

denomination camera what it was and he

1514

01:05:05,300 --> 01:05:02,970

contacted me any email and says hey I

1515

01:05:07,160 --> 01:05:05,310

have a group of prayer meeting friends

1516

01:05:10,220 --> 01:05:07,170

and they meet and there's about 15 of

1517

01:05:12,589 --> 01:05:10,230

them and we want to pray for cases did

1518

01:05:14,000 --> 01:05:12,599

you work on iOS sure and so I gave him a

1519

01:05:17,089 --> 01:05:14,010

name of a possession case I was working

1520

01:05:19,700 --> 01:05:17,099

on what to say his name's Tom yeah and

1521

01:05:21,140 --> 01:05:19,710

they they began praying for him and I

1522

01:05:23,570 --> 01:05:21,150

didn't you know I didn't you know keep

1523

01:05:28,339 --> 01:05:23,580

in touch but I thought you know we

1524

01:05:30,230 --> 01:05:28,349

contact him and see how you know I'll

1525

01:05:30,800 --> 01:05:30,240

tell him how things are going on that

1526

01:05:34,099 --> 01:05:30,810

case

1527

01:05:39,470 --> 01:05:34,109

so I actually saw that uh he emailed me

1528

01:05:42,829 --> 01:05:39,480

and he's saying it's pretty sad he says

1529

01:05:44,570 --> 01:05:42,839

there any have you ever heard of a

1530

01:05:46,220 --> 01:05:44,580

demonic spirit affecting people are just

1531

01:05:47,570 --> 01:05:46,230

praying for a case you know you're just

1532

01:05:49,520 --> 01:05:47,580

praying for it you don't you're live in

1533

01:05:51,800 --> 01:05:49,530

the same state or anything like that he

1534

01:05:53,810 --> 01:05:51,810

says because we're all everybody the

1535

01:05:55,970 --> 01:05:53,820

whole to prayer teams broken up all of

1536

01:05:57,620 --> 01:05:55,980

them he says some of the relationships

1537

01:05:59,510 --> 01:05:57,630

are you know not talking to each other

1538

01:06:02,270 --> 01:05:59,520

and thinking about separation and a

1539

01:06:05,839 --> 01:06:02,280

car's broke down all of this stuff and I

1540

01:06:08,780 --> 01:06:05,849

was like oh my gosh it's ice tile are

1541

01:06:09,260 --> 01:06:08,790

you guys praying for yourselves domino

1542

01:06:12,050 --> 01:06:09,270

effect

1543

01:06:14,660 --> 01:06:12,060

I can't assume that anybody knows that

1544

01:06:20,180 --> 01:06:14,670

and just praying for me emailing and

1545

01:06:22,339 --> 01:06:20,190

meddling in any way okay yeah something

1546

01:06:24,079 --> 01:06:22,349

I called picture prayers I wrote a book

1547

01:06:26,450 --> 01:06:24,089

called picture prison it's like one I

1548

01:06:28,880 --> 01:06:26,460

don't know when I'm not praying honestly

1549

01:06:30,440 --> 01:06:28,890

it's like I think all day long I feel

1550

01:06:32,359 --> 01:06:30,450

I'm in prayer and I'm in communication

1551  
01:06:36,090 --> 01:06:32,369  
with God so that's that's how I go about

1552  
01:06:38,670 --> 01:06:36,100  
my days I find it to be

1553  
01:06:41,640 --> 01:06:38,680  
ah there's there's this phenomenon out

1554  
01:06:44,430 --> 01:06:41,650  
there that I'm really upset about and I

1555  
01:06:46,620 --> 01:06:44,440  
was taught that there is this time of

1556  
01:06:48,480 --> 01:06:46,630  
innocence when you're a kid God's

1557  
01:06:52,350 --> 01:06:48,490  
protecting you until you become

1558  
01:06:55,500 --> 01:06:52,360  
confirmed and I have received many

1559  
01:06:57,330 --> 01:06:55,510  
emails from kids or people who were kids

1560  
01:07:00,120 --> 01:06:57,340  
when they were first approached by

1561  
01:07:02,040 --> 01:07:00,130  
demonic beings and and really have had

1562  
01:07:04,050 --> 01:07:02,050  
like a lifetime of issues with these

1563  
01:07:05,880 --> 01:07:04,060

things what do you think is going on why

1564

01:07:09,600 --> 01:07:05,890

are kids being targeted how are they

1565

01:07:12,840 --> 01:07:09,610

able to gain access to them well the

1566

01:07:15,650 --> 01:07:12,850

number one access that children have is

1567

01:07:19,290 --> 01:07:15,660

through a lack of protection or

1568

01:07:20,730 --> 01:07:19,300

invitation by the adults because a child

1569

01:07:22,260 --> 01:07:20,740

is born into this world under the

1570

01:07:24,450 --> 01:07:22,270

protective wing of the mother or father

1571

01:07:27,570 --> 01:07:24,460

whoever has legal right or if the child

1572

01:07:29,400 --> 01:07:27,580

has been abandoned whoever signs on to

1573

01:07:33,270 --> 01:07:29,410

take you know adopts and has legal right

1574

01:07:35,250 --> 01:07:33,280

over that child now a lot of a lot of

1575

01:07:37,800 --> 01:07:35,260

people have difficulty believing in

1576

01:07:40,460 --> 01:07:37,810

generational spirits a lot of places

1577

01:07:44,070 --> 01:07:40,470

call them generational curses children

1578

01:07:46,710 --> 01:07:44,080

have if they're not baptized and if they

1579

01:07:49,230 --> 01:07:46,720

are not brought up and even sometimes if

1580

01:07:51,960 --> 01:07:49,240

they are brought up in loving homes with

1581

01:07:54,480 --> 01:07:51,970

loving support of adults their targets

1582

01:07:57,510 --> 01:07:54,490

right away because they are so

1583

01:07:59,340 --> 01:07:57,520

vulnerable because of the sins of the

1584

01:08:02,220 --> 01:07:59,350

mom and dad that they are continuing to

1585

01:08:03,930 --> 01:08:02,230

choose it invites all these little

1586

01:08:05,550 --> 01:08:03,940

cockroaches to find out what they can

1587

01:08:07,410 --> 01:08:05,560

get away with and then they send to

1588

01:08:09,990 --> 01:08:07,420

friends and call two more friends and

1589

01:08:12,300 --> 01:08:10,000

the children you know being as

1590

01:08:16,500 --> 01:08:12,310

inquisitive and sweet and innocent as

1591

01:08:19,980 --> 01:08:16,510

they are are very easily misled makes

1592

01:08:22,470 --> 01:08:19,990

sense I it's so disgusting I've had

1593

01:08:24,720 --> 01:08:22,480

people who Brittany as young as three

1594

01:08:29,310 --> 01:08:24,730

years old having memories of just being

1595

01:08:31,230 --> 01:08:29,320

battered by demons and I just I mean I

1596

01:08:33,030 --> 01:08:31,240

don't even know what say him like that

1597

01:08:36,060 --> 01:08:33,040

it's that's horrible it's like where is

1598

01:08:38,370 --> 01:08:36,070

the protection but where's that element

1599

01:08:39,810 --> 01:08:38,380

of innocence that I mean I don't know

1600

01:08:41,640 --> 01:08:39,820

what the Catholic Church teaches but are

1601

01:08:44,010 --> 01:08:41,650

you taught that like they're under that

1602

01:08:46,599 --> 01:08:44,020

protective Spirit of God if it's a

1603

01:08:49,329 --> 01:08:46,609

certain a that came up recently

1604

01:08:52,899 --> 01:08:49,339

and it depends when they're baptized

1605

01:08:57,399 --> 01:08:52,909

they become a member of you know the the

1606

01:09:01,329 --> 01:08:57,409

body of Christ the Holy Family is now

1607

01:09:02,590 --> 01:09:01,339

your Adam and Eve and so you there's a

1608

01:09:04,030 --> 01:09:02,600

head of protection with that and when

1609

01:09:06,729 --> 01:09:04,040

you use holy water and all those

1610

01:09:09,820 --> 01:09:06,739

sacraments they'll have more meaning but

1611

01:09:11,260 --> 01:09:09,830

yeah it is it's a strange thing it has

1612

01:09:12,970 --> 01:09:11,270

to do with the sins of the parents and

1613

01:09:15,669 --> 01:09:12,980

baptism and all that stuff which you

1614

01:09:20,430 --> 01:09:15,679

know it it frees them of the sins of

1615

01:09:24,280 --> 01:09:20,440

their parents into a fallen world Heidi

1616

01:09:26,950 --> 01:09:24,290

and the the or the fallen world is the

1617

01:09:29,229 --> 01:09:26,960

Prince of the air and he's been given

1618

01:09:30,660 --> 01:09:29,239

dominion here people have to remember

1619

01:09:33,430 --> 01:09:30,670

though the battle has already been won

1620

01:09:35,829 --> 01:09:33,440

know for sure I always tell people

1621

01:09:37,809 --> 01:09:35,839

there's something to be said about the

1622

01:09:39,399 --> 01:09:37,819

human potential the human spirit and God

1623

01:09:41,499 --> 01:09:39,409

because if these things could have taken

1624

01:09:45,300 --> 01:09:41,509

us out a long time ago they would have

1625

01:09:50,169 --> 01:09:45,310

done it but they can't they cannot do it

1626  
01:09:54,310 --> 01:09:50,179  
moving what's up the story about sister

1627  
01:09:57,609 --> 01:09:54,320  
Magdalene out across sea at an early age

1628  
01:10:00,820 --> 01:09:57,619  
desire to be so holy that she'd be you

1629  
01:10:02,709 --> 01:10:00,830  
know honored and revered and venerated

1630  
01:10:05,709 --> 01:10:02,719  
by everybody in this life and that and

1631  
01:10:07,450 --> 01:10:05,719  
then the next and it turns out that

1632  
01:10:10,540 --> 01:10:07,460  
later on it was revealed when she was

1633  
01:10:12,520 --> 01:10:10,550  
discovered you know of her dark secret

1634  
01:10:15,100 --> 01:10:12,530  
that she had made a deal with a double

1635  
01:10:17,320 --> 01:10:15,110  
at the age of five so sometimes kids

1636  
01:10:19,510 --> 01:10:17,330  
mature more into the age of reason

1637  
01:10:20,530 --> 01:10:19,520  
instead of just being by default seven

1638  
01:10:25,090 --> 01:10:20,540

that's true

1639

01:10:28,930 --> 01:10:25,100

number seven is so true those they're in

1640

01:10:30,790 --> 01:10:28,940

there there's there's so much that's

1641

01:10:32,770 --> 01:10:30,800

going on in this world I tell people

1642

01:10:35,310 --> 01:10:32,780

it's not just a possibility you'll be

1643

01:10:39,520 --> 01:10:35,320

met with something dark it's a threat

1644

01:10:41,080 --> 01:10:39,530

it's yeah it's a threat it is so active

1645

01:10:43,840 --> 01:10:41,090

people have to be on their P's and Q's

1646

01:10:45,970 --> 01:10:43,850

because this is this is not a joke this

1647

01:10:49,090 --> 01:10:45,980

is an everyday battle and I don't care

1648

01:10:50,859 --> 01:10:49,100

what color skin of this the things that

1649

01:10:54,669 --> 01:10:50,869

are presenting themselves to them if

1650

01:10:56,560 --> 01:10:54,679

it's an alien being or or what not some

1651  
01:10:58,479 --> 01:10:56,570  
of the aliens that are showing up are

1652  
01:11:00,550 --> 01:10:58,489  
not the good guys in general the ones

1653  
01:11:02,530 --> 01:11:00,560  
that are being portrayed in the movies

1654  
01:11:04,540 --> 01:11:02,540  
their demonic why do they leave in the

1655  
01:11:08,740 --> 01:11:04,550  
name of Jesus if you say that why do

1656  
01:11:12,280 --> 01:11:08,750  
they leave if they're not yeah what a

1657  
01:11:14,470 --> 01:11:12,290  
bit run and turn kale yes that's just

1658  
01:11:16,810 --> 01:11:14,480  
right you know I wanted to address a

1659  
01:11:18,880 --> 01:11:16,820  
question you asked earlier real quick no

1660  
01:11:21,400 --> 01:11:18,890  
work shirt on time Oh

1661  
01:11:22,300 --> 01:11:21,410  
people that get into you know thinking

1662  
01:11:25,000 --> 01:11:22,310  
well you know I'm gonna go investigate

1663  
01:11:28,030 --> 01:11:25,010

and I'm gonna help people etc etc and

1664

01:11:30,520 --> 01:11:28,040

then they talk about wow you know I came

1665

01:11:32,860 --> 01:11:30,530

home and you know this happened and my

1666

01:11:35,020 --> 01:11:32,870

my car got stolen and you know my wife

1667

01:11:36,490 --> 01:11:35,030

decided to leave me for my friend and

1668

01:11:38,020 --> 01:11:36,500

all this horrible stuff man I must be

1669

01:11:44,530 --> 01:11:38,030

doing the right thing man I must be

1670

01:11:46,300 --> 01:11:44,540

working forgot no wrong wrong no that's

1671

01:11:50,260 --> 01:11:46,310

the first that's one of the first signs

1672

01:11:53,020 --> 01:11:50,270

that a you have meddled into some place

1673

01:11:55,240 --> 01:11:53,030

that you have no business meddling to

1674

01:11:57,130 --> 01:11:55,250

you do not either have the proper

1675

01:12:02,530 --> 01:11:57,140

authority to be sticking your nose in it

1676

01:12:05,350 --> 01:12:02,540

or your prayers are the result of the

1677

01:12:07,870 --> 01:12:05,360

choices that you have made exactly if

1678

01:12:12,220 --> 01:12:07,880

you have not if you have not turned away

1679

01:12:14,590 --> 01:12:12,230

from past sins and made as best to your

1680

01:12:17,170 --> 01:12:14,600

ability remuneration to the people that

1681

01:12:21,240 --> 01:12:17,180

you've offended that stuff follows you

1682

01:12:26,080 --> 01:12:21,250

around like Linus with his dirty blanket

1683

01:12:28,750 --> 01:12:26,090

oh I can mess with this one okay your

1684

01:12:30,700 --> 01:12:28,760

guardian angels they don't stand down

1685

01:12:32,920 --> 01:12:30,710

but God allows them for the

1686

01:12:35,610 --> 01:12:32,930

sanctification of your soul to come back

1687

01:12:37,990 --> 01:12:35,620

to him to be messed with

1688

01:12:40,090 --> 01:12:38,000

so cherubs only people that they're

1689

01:12:44,410 --> 01:12:40,100

stubborn will go back to or go to them

1690

01:12:47,410 --> 01:12:44,420

for the first time what allows you to

1691

01:12:49,810 --> 01:12:47,420

come back yeah what do you guys think of

1692

01:12:52,990 --> 01:12:49,820

okay I don't know if you've seen this

1693

01:12:55,900 --> 01:12:53,000

this couple others like for videos or

1694

01:12:58,540 --> 01:12:55,910

something of this this this Dutch Dutch

1695

01:13:01,840 --> 01:12:58,550

businessman who has come forward who was

1696

01:13:04,000 --> 01:13:01,850

part of this group of elite people who

1697

01:13:06,520 --> 01:13:04,010

kind of manipulate the whole world

1698

01:13:08,110 --> 01:13:06,530

economy and he's like I couldn't go

1699

01:13:10,420 --> 01:13:08,120

through with what they were wanting me

1700

01:13:13,150 --> 01:13:10,430

to do and and then there's Bohemian

1701

01:13:14,500 --> 01:13:13,160

Grove where the strange ritual that

1702

01:13:17,379 --> 01:13:14,510

takes place just out of sand

1703

01:13:19,899 --> 01:13:17,389

Cisco where all of these world power

1704

01:13:24,310 --> 01:13:19,909

people go and and they they do this

1705

01:13:27,100 --> 01:13:24,320

really strange ceremony that seems very

1706

01:13:30,310 --> 01:13:27,110

st. mystic and in the and a satanic

1707

01:13:32,979 --> 01:13:30,320

groups around the country and I've met

1708

01:13:35,520 --> 01:13:32,989

even ex-military guys who said that they

1709

01:13:38,169 --> 01:13:35,530

were told to participate in these

1710

01:13:40,810 --> 01:13:38,179

satanic rituals and in the Dutch

1711

01:13:43,660 --> 01:13:40,820

businessmen as well he was told to to

1712

01:13:45,669 --> 01:13:43,670

kill children and I'm like there's so

1713

01:13:47,950 --> 01:13:45,679

much that is indicating that our world

1714

01:13:51,870 --> 01:13:47,960

governments it seems so weird and

1715

01:13:55,600 --> 01:13:51,880

far-fetched but are actually involved in

1716

01:13:57,160 --> 01:13:55,610

satanic ritualistic things I have you

1717

01:14:00,459 --> 01:13:57,170

heard this and what do you think about

1718

01:14:04,089 --> 01:14:00,469

that I don't get political on this one

1719

01:14:07,060 --> 01:14:04,099

yet expertise said I was talking about

1720

01:14:08,649 --> 01:14:07,070

one of his three things you talked when

1721

01:14:11,950 --> 01:14:08,659

he talked politics he was talking about

1722

01:14:13,750 --> 01:14:11,960

what people call conspiracy theories but

1723

01:14:16,419 --> 01:14:13,760

I watched he's been passed away for what

1724

01:14:19,149 --> 01:14:16,429

three years now fair yeah he's passed

1725

01:14:20,620 --> 01:14:19,159

away now and we see that all the stuff

1726

01:14:22,899 --> 01:14:20,630

he was talking about and the books he's

1727

01:14:25,029 --> 01:14:22,909

reading is all happening and then we're

1728

01:14:27,580 --> 01:14:25,039

all supposed to go oh oh it's just a

1729

01:14:29,649 --> 01:14:27,590

conspiracy theory it's like all that's

1730

01:14:31,930 --> 01:14:29,659

dead was right well I knew about the

1731

01:14:34,899 --> 01:14:31,940

Masons and all that stuff because when

1732

01:14:37,330 --> 01:14:34,909

we run into Freemason cases it has to be

1733

01:14:39,490 --> 01:14:37,340

Delaware they can't just be ignored it

1734

01:14:41,140 --> 01:14:39,500

you know there what are you finding with

1735

01:14:44,140 --> 01:14:41,150

Freemason cases what's going on with

1736

01:14:45,720 --> 01:14:44,150

them you know the the Masons is also you

1737

01:14:48,399 --> 01:14:45,730

know it's like this that this ancient

1738

01:14:51,069 --> 01:14:48,409

order you know evolved into what they

1739

01:14:53,770 --> 01:14:51,079

call the Freemasons now they put a claim

1740

01:14:56,830 --> 01:14:53,780

as though it's a Hiram's II builder you

1741

01:14:58,600 --> 01:14:56,840

know of Solomon I mean you have Crowley

1742

01:15:00,220 --> 01:14:58,610

and these others that actually link him

1743

01:15:05,290 --> 01:15:00,230

through that called magic you're not

1744

01:15:06,850 --> 01:15:05,300

going back to the pot the the I can't

1745

01:15:10,180 --> 01:15:06,860

believe I just forgot the word I was

1746

01:15:12,399 --> 01:15:10,190

gonna say Hakka probs like Kabbalah and

1747

01:15:15,040 --> 01:15:12,409

I think about yeah that that gets kind

1748

01:15:18,089 --> 01:15:15,050

of deep with this ancient mystical magic

1749

01:15:20,439 --> 01:15:18,099

side and but they it's the iana triangle

1750

01:15:22,029 --> 01:15:20,449

type symbol that goes back and actually

1751

01:15:25,089 --> 01:15:22,039

found the eye in a triangle triangle

1752

01:15:28,270 --> 01:15:25,099

symbol and Egyptian ruins is very old

1753

01:15:31,720 --> 01:15:28,280

and they have an obsession with ancient

1754

01:15:33,730 --> 01:15:31,730

Egypt anyway as you know the cult of it

1755

01:15:35,410 --> 01:15:33,740

and in the Templars if you watch some of

1756

01:15:37,150 --> 01:15:35,420

the documentaries that are not you know

1757

01:15:37,690 --> 01:15:37,160

put forth by you know a church or

1758

01:15:40,330 --> 01:15:37,700

something

1759

01:15:42,100 --> 01:15:40,340

they understand that the Templars really

1760

01:15:44,980 --> 01:15:42,110

were pagans pretending to be Christians

1761

01:15:47,530 --> 01:15:44,990

because they carved symbols pagan

1762

01:15:49,420 --> 01:15:47,540

symbols in the cells and there's it's

1763

01:15:51,490 --> 01:15:49,430

all matched up and they weren't tortured

1764

01:15:53,110 --> 01:15:51,500

they were well to say they're

1765

01:15:55,720 --> 01:15:53,120

interviewed by three priests who were

1766

01:15:59,500 --> 01:15:55,730

experts at psychology and you know very

1767

01:16:02,140 --> 01:15:59,510

pious but those anyway I think this can

1768

01:16:06,790 --> 01:16:02,150

really branch off a lot but the

1769

01:16:09,310 --> 01:16:06,800

Freemasons is the true story seems to go

1770

01:16:10,780 --> 01:16:09,320

back to the great grandson of King Herod

1771

01:16:12,880 --> 01:16:10,790

you know the one who murdered the

1772

01:16:15,400 --> 01:16:12,890

innocent babies trying to kill Jesus and

1773

01:16:17,200 --> 01:16:15,410

they were tired of seeing the the

1774

01:16:20,310 --> 01:16:17,210

Christian movement grow I think it was

1775

01:16:24,460 --> 01:16:20,320

like 60 ad we're on a time to st. John

1776

01:16:28,390 --> 01:16:24,470

you know the young st. John around the

1777

01:16:29,410 --> 01:16:28,400

time he died that the population was the

1778

01:16:30,670 --> 01:16:29,420

more and more increasing to be

1779

01:16:33,490 --> 01:16:30,680

Christians so they called him dad

1780

01:16:35,140 --> 01:16:33,500

impostor Jesus and that's why if this Da

1781

01:16:36,550 --> 01:16:35,150

Vinci Code he was a member of what was

1782

01:16:38,440 --> 01:16:36,560

called a new temple art which were

1783

01:16:40,330 --> 01:16:38,450

Freemasons again if he put something in

1784

01:16:42,700 --> 01:16:40,340

the paintings that someone discovered

1785

01:16:44,140 --> 01:16:42,710

later on he did it because he secretly

1786

01:16:46,960 --> 01:16:44,150

believed here if you pretended to be

1787

01:16:48,880 --> 01:16:46,970

Catholic that Jesus was an impostor but

1788

01:16:50,560 --> 01:16:48,890

that's where it began and the Temple of

1789

01:16:53,170 --> 01:16:50,570

Jerusalem was the name of it so they

1790

01:16:55,680 --> 01:16:53,180

used the cover of a Jewish Church Jewish

1791

01:16:58,630 --> 01:16:55,690

temple to do their meetings and all that

1792

01:17:00,400 --> 01:16:58,640

if you go - right you'll actually see

1793

01:17:02,190 --> 01:17:00,410

the upside-down inverted pentagram with

1794

01:17:05,080 --> 01:17:02,200

a circle around it on the back of the

1795

01:17:07,780 --> 01:17:05,090

the throne or whatever chair that is at

1796

01:17:10,120 --> 01:17:07,790

the the Grandmaster sits and so in some

1797

01:17:14,020 --> 01:17:10,130

levels they don't even hide it oh it's

1798

01:17:17,260 --> 01:17:14,030

so scary there's so much it's like uh

1799

01:17:19,000 --> 01:17:17,270

the things that are there coming forward

1800

01:17:20,710 --> 01:17:19,010

and it's just like all connecting and

1801  
01:17:22,600 --> 01:17:20,720  
making sense and whistleblowers are

1802  
01:17:24,370 --> 01:17:22,610  
stepping forward saying they're killing

1803  
01:17:27,310 --> 01:17:24,380  
children they're sacrificing them I'm

1804  
01:17:28,780 --> 01:17:27,320  
like and and somebody that I met that's

1805  
01:17:30,250 --> 01:17:28,790  
on the down-low that doesn't work for

1806  
01:17:31,900 --> 01:17:30,260  
the government anymore I said I couldn't

1807  
01:17:35,770 --> 01:17:31,910  
sacrifice people anymore

1808  
01:17:37,390 --> 01:17:35,780  
it's all satanic and like Wow what what

1809  
01:17:41,600 --> 01:17:37,400  
are we talking about here that it's

1810  
01:17:43,970 --> 01:17:41,610  
scary ID they're doing it every daily

1811  
01:17:47,899 --> 01:17:43,980  
in abortion clinics and they're selling

1812  
01:17:50,330 --> 01:17:47,909  
the baby's body parts something that is

1813  
01:17:52,340 --> 01:17:50,340

just like so horrific and so horrendous

1814

01:17:54,290 --> 01:17:52,350

and it's such an unpopular topic nobody

1815

01:17:56,660 --> 01:17:54,300

wants to talk about it but heck if you

1816

01:18:00,740 --> 01:17:56,670

find a single cell on Mars its life you

1817

01:18:01,970 --> 01:18:00,750

know let's make sure we put in a petri

1818

01:18:06,350 --> 01:18:01,980

dish and get it to grow

1819

01:18:08,510 --> 01:18:06,360

you are so true you know question for

1820

01:18:10,129 --> 01:18:08,520

you as the topic that I cover and I know

1821

01:18:12,890 --> 01:18:10,139

that you guys I've had some

1822

01:18:15,770 --> 01:18:12,900

communications there groups online with

1823

01:18:19,459 --> 01:18:15,780

Facebook how do you categorize the Hat

1824

01:18:21,590 --> 01:18:19,469

men what have you come across and the

1825

01:18:23,180 --> 01:18:21,600

people that have experienced them how do

1826

01:18:29,300 --> 01:18:23,190

you categorize the Hat man what he's up

1827

01:18:30,590 --> 01:18:29,310

to and who he is hat man I think I've

1828

01:18:33,649 --> 01:18:30,600

been thinking about this for a long time

1829

01:18:35,840 --> 01:18:33,659

like you have yeah we find that period

1830

01:18:37,430 --> 01:18:35,850

costumes outfits or whatever because we

1831

01:18:41,270 --> 01:18:37,440

have the ones that are shaped like Oscar

1832

01:18:43,250 --> 01:18:41,280

you know this trophy not that Grouch and

1833

01:18:44,959 --> 01:18:43,260

you just see head and shoulders you

1834

01:18:47,419 --> 01:18:44,969

don't see you know a choleric off a

1835

01:18:48,950 --> 01:18:47,429

hairline you don't see long hair when

1836

01:18:50,780 --> 01:18:48,960

you see a lot of them and then we

1837

01:18:52,399 --> 01:18:50,790

suspect it might be humans but I think

1838

01:18:55,010 --> 01:18:52,409

when they're darker in a dark room they

1839

01:18:56,959 --> 01:18:55,020

are human minions of you know Satan

1840

01:18:59,570 --> 01:18:56,969

wordid Anton LaVey go when he passed

1841

01:19:02,060 --> 01:18:59,580

away and entered into the next life he's

1842

01:19:03,919 --> 01:19:02,070

helping his demonic masters bring down

1843

01:19:06,800 --> 01:19:03,929

probably you know relatives that came

1844

01:19:08,450 --> 01:19:06,810

from his family tree or in the house or

1845

01:19:09,740 --> 01:19:08,460

temple that he worked in you know so

1846

01:19:11,959 --> 01:19:09,750

they're working behind the scenes

1847

01:19:13,729 --> 01:19:11,969

they're not going to hell at this time

1848

01:19:16,399 --> 01:19:13,739

they're getting pulled directly out or

1849

01:19:18,290 --> 01:19:16,409

never went there with but yeah I think

1850

01:19:20,270 --> 01:19:18,300

that you know I said though you know

1851

01:19:21,919 --> 01:19:20,280

what would we see if we saw the Three

1852

01:19:23,660 --> 01:19:21,929

Stooges wheeze three three men you see

1853

01:19:26,379 --> 01:19:23,670

curly with his bowler hat you know and

1854

01:19:28,760 --> 01:19:26,389

he's hair these hats these uh fedoras I

1855

01:19:32,240 --> 01:19:28,770

that some of them has to do with period

1856

01:19:34,520 --> 01:19:32,250

hats you know but you would be more

1857

01:19:36,290 --> 01:19:34,530

suspecting if it had something to do

1858

01:19:38,990 --> 01:19:36,300

with some dark cult you know like the

1859

01:19:41,390 --> 01:19:39,000

Hat man you remember the the Voodoo they

1860

01:19:44,000 --> 01:19:41,400

they wear a top hat now you might be

1861

01:19:46,340 --> 01:19:44,010

relating you know it's a case that is

1862

01:19:48,470 --> 01:19:46,350

actually has Voodoo involved or it could

1863

01:19:52,160 --> 01:19:48,480

be something with the people involved

1864

01:19:54,740 --> 01:19:52,170

aren't cursed by voodoo as much as maybe

1865

01:19:55,220 --> 01:19:54,750

a member of the family was you know

1866

01:19:58,340 --> 01:19:55,230

there

1867

01:20:02,360 --> 01:19:58,350

Aaron swore maybe wine or whatever maybe

1868

01:20:04,580 --> 01:20:02,370

it was the glowing red eyes when he does

1869

01:20:06,440 --> 01:20:04,590

show his eyes the glowing red eyes yeah

1870

01:20:08,180 --> 01:20:06,450

that's a little as a cold anytime you

1871

01:20:09,830 --> 01:20:08,190

see growing glowing red eyes on it

1872

01:20:12,110 --> 01:20:09,840

that's as it's a cult and that will be a

1873

01:20:14,660 --> 01:20:12,120

voodoo some of the darker black magic

1874

01:20:16,990 --> 01:20:14,670

satanism not necessarily what people

1875

01:20:21,110 --> 01:20:17,000

call Wicca and that sort of thing

1876

01:20:24,770 --> 01:20:21,120

introduce himself sometimes as scratch

1877

01:20:29,150 --> 01:20:24,780

the the Old Norse term for the devil ant

1878

01:20:33,290 --> 01:20:29,160

yeah Danny yeah we could talk longer

1879

01:20:37,790 --> 01:20:33,300

about this talk yeah disturbing stuff

1880

01:20:39,950 --> 01:20:37,800

and Wow does he hate me yeah it's been a

1881

01:20:42,170 --> 01:20:39,960

negative thing every time except for the

1882

01:20:43,550 --> 01:20:42,180

rare case or it was it seemed like a

1883

01:20:45,710 --> 01:20:43,560

ghost but down once one and a head

1884

01:20:47,570 --> 01:20:45,720

period close on and it was just you

1885

01:20:49,400 --> 01:20:47,580

weren't seeing it really very it wasn't

1886

01:20:52,580 --> 01:20:49,410

pitch-black and silhouettes so much even

1887

01:20:56,150 --> 01:20:52,590

it wasn't darker the dark room when it

1888

01:20:57,410 --> 01:20:56,160

was we consider a ghost you don't look

1889

01:20:58,610 --> 01:20:57,420

like yourself when you're helping the

1890

01:21:01,010 --> 01:20:58,620

minions unless they're having you

1891

01:21:05,840 --> 01:21:01,020

portray that masquerade like oh I'm a

1892

01:21:07,400 --> 01:21:05,850

child who misses his mommy we yeah well

1893

01:21:08,750 --> 01:21:07,410

we've got less than a minute I want to

1894

01:21:10,610 --> 01:21:08,760

give you guys a chance to put out your

1895

01:21:13,030 --> 01:21:10,620

information if you got any events going

1896

01:21:16,760 --> 01:21:13,040

on or how people can reach out to you

1897

01:21:18,620 --> 01:21:16,770

alright YouTube we have our our archives

1909

01:21:49,160 --> 01:21:44,670

anymore now we just do live broadcasts

1910

01:21:51,320 --> 01:21:49,170

like they right you can't well I wanna

1911

01:21:53,390 --> 01:21:51,330

thank you guys for coming on I've gotta

1912

01:21:55,040 --> 01:21:53,400

wrap this show this went fast there is

1913

01:21:56,270 --> 01:21:55,050

so much to talk about but you to hold

1914

01:21:58,490 --> 01:21:56,280

the line so we could chat a little bit

1915

01:22:00,680 --> 01:21:58,500

more after the show here but thank you

1916

01:22:01,430 --> 01:22:00,690

so much for coming on fara can Thank You

1917

01:22:04,910 --> 01:22:01,440

Heidi

1918

01:22:06,830 --> 01:22:04,920

there's a lot of fun let's go god bless

1919

01:22:08,240 --> 01:22:06,840

you too all right you guys will come to

1920

01:22:09,200 --> 01:22:08,250

the bottom another cool show remember

1921

01:22:10,850 --> 01:22:09,210

you catch me here

1922

01:22:12,830 --> 01:22:10,860

every Friday 8 p.m. Central 9 p.m.

1923

01:22:14,660 --> 01:22:12,840

Eastern human listen to me Heidi how's

1924

01:22:17,530 --> 01:22:14,670

the Outlander remembering always if it's

1925

01:22:26,850 --> 01:22:17,540

weird we're here good night everybody

1926

01:22:29,650 --> 01:22:26,860

[Music]

1927

01:22:32,500 --> 01:22:29,660

[Applause]

1928

01:22:36,940 --> 01:22:32,510

there are so many reasons to celebrate

1929

01:22:40,310 --> 01:22:36,950

with over 8,000 wines 3000 spirits and

1930

01:22:42,740 --> 01:22:40,320
