1
00:00:03,710 --> 00:00:02,600
welcome to UFO headline news with me

2
00:00:08,470 --> 00:00:03,720
Heidi Hollis

3
00:00:12,650 --> 00:00:08,480
today is Monday December 11th 2017

4
00:00:16,010 --> 00:00:12,660
blasting off with some UFO reports this

5
00:00:20,570 --> 00:00:16,020
one comes from Oh fallon Missouri and it

6
00:00:23,810 --> 00:00:20,580
occurred October 20th 2017 and brief the

7
00:00:26,480 --> 00:00:23,820
witness states pulsating lights hovering

8
00:00:31,669 --> 00:00:26,490
with star-like objects flying near it

9
00:00:33,380 --> 00:00:31,679
then disappearing full report states I

10
00:00:36,170 --> 00:00:33,390
was sitting on my porch having a

11
00:00:40,060 --> 00:00:36,180
cigarette when I noticed a military jet

12
00:00:43,340 --> 00:00:40,070
flying low and slow over my cul-de-sac

13
00:00:47,330 --> 00:00:43,350

curious I watched for a second wondering

14

00:00:49,910 --> 00:00:47,340

why it was flying so slow and low as I

15

00:00:52,700 --> 00:00:49,920

watched it past the tree line behind my

16

00:00:55,040 --> 00:00:52,710

neighbor's house I noticed a pulsating

17

00:00:58,310 --> 00:00:55,050

light in the distance where the jet was

18

00:01:01,729 --> 00:00:58,320

heading perpendicular to the pulsating

19

00:01:04,969 --> 00:01:01,739

lights at first glance I thought maybe

20

00:01:07,280 --> 00:01:04,979

it was a star but after inspecting it I

21

00:01:11,030 --> 00:01:07,290

noticed that it was flashing different

22

00:01:13,520 --> 00:01:11,040

colors of light around the object as I

23

00:01:16,789 --> 00:01:13,530

was observing I watched a bright white

24

00:01:20,719 --> 00:01:16,799

light descend from the object and watch

25

00:01:23,960 --> 00:01:20,729

it flew ten feet from the object then it

26
00:01:26,510 --> 00:01:23,970
just disappeared about two minutes after

27
00:01:29,300 --> 00:01:26,520
watching that light disappear another

28
00:01:32,870 --> 00:01:29,310
military jet flew over my cul-de-sac

29
00:01:37,190 --> 00:01:32,880
heading in the same direction as the

30
00:01:39,319 --> 00:01:37,200
first jet did perpendicular I ran in my

31
00:01:42,520 --> 00:01:39,329
house to get binoculars to get a closer

32
00:01:47,090 --> 00:01:42,530
look at the object but by that time I

33
00:01:53,060 --> 00:01:47,100
ran back outside the object had finished

34
00:01:55,010 --> 00:01:53,070
and vanished crap huh our next to a foe

35
00:01:55,880 --> 00:01:55,020
sighting comes from Harrisburg

36
00:02:00,740 --> 00:01:55,890
Pennsylvania

37
00:02:03,440 --> 00:02:00,750
this occurred October 27 2017 in brief

38
00:02:08,359 --> 00:02:03,450

the witness states saw multiple craft

39

00:02:09,229 --> 00:02:08,369

types probably 40 plus 15 or 20 were

40

00:02:13,760 --> 00:02:09,239

triangle

41

00:02:16,790 --> 00:02:13,770

unknown

42

00:02:23,090 --> 00:02:16,800

sightings confirmed in days after as

43

00:02:25,990 --> 00:02:23,100

well the full report states October 27

44

00:02:29,150 --> 00:02:26,000

2017 after midnight I was in my backyard

45

00:02:31,790 --> 00:02:29,160

seen four crafts glowing white with

46

00:02:34,820 --> 00:02:31,800

occasional red blue lights blinking not

47

00:02:37,340 --> 00:02:34,830

planes at times they hovered and moved

48

00:02:39,530 --> 00:02:37,350

about in all different directions

49

00:02:42,170 --> 00:02:39,540

my girlfriend seen pretty much

50

00:02:45,770 --> 00:02:42,180

everything I seen against her please for

51
00:02:48,200 --> 00:02:45,780
me not I attempted to signal one of the

52
00:02:51,530 --> 00:02:48,210
crafts with a light and asked it

53
00:02:54,050 --> 00:02:51,540
thinking it could maybe hear me if it

54
00:02:57,050 --> 00:02:54,060
would and wanted to make contact with me

55
00:03:01,160 --> 00:02:57,060
I have always had a serious interest in

56
00:03:04,580 --> 00:03:01,170
UFOs and ETS the one I signaled appeared

57
00:03:08,690 --> 00:03:04,590
to track and follow me to store up from

58
00:03:11,210 --> 00:03:08,700
where we reside and back at one point it

59
00:03:13,730 --> 00:03:11,220
looked as though it was descending on me

60
00:03:17,090 --> 00:03:13,740
but seemed to have second thoughts and

61
00:03:20,300 --> 00:03:17,100
stayed put I continued to sit out in my

62
00:03:22,790 --> 00:03:20,310
yard observing that particular one for

63
00:03:26,390 --> 00:03:22,800

the most part it didn't move much beyond

64

00:03:29,390 --> 00:03:26,400

that during this time I also seen craft

65

00:03:33,860 --> 00:03:29,400

which I would assume were satellite

66

00:03:36,530 --> 00:03:33,870

level in orbit these look like stars and

67

00:03:38,720 --> 00:03:36,540

their movement was erratic change in

68

00:03:42,080 --> 00:03:38,730

direction and speed multiple times I

69

00:03:44,720 --> 00:03:42,090

also noticed certain large star patterns

70

00:03:46,760 --> 00:03:44,730

that did not seem familiar and there

71

00:03:50,240 --> 00:03:46,770

were a few of each kind that seemed

72

00:03:52,670 --> 00:03:50,250

identical as far as I could tell the

73

00:03:58,520 --> 00:03:52,680

patterns noted were three star

74

00:04:02,270 --> 00:03:58,530

triangular these were huge - the others

75

00:04:06,260 --> 00:04:02,280

consisted of two stars best way can

76

00:04:10,160 --> 00:04:06,270

describe those is hold a cigar up to the

77

00:04:13,340 --> 00:04:10,170

night sky and picture a star on each end

78

00:04:16,280 --> 00:04:13,350

I say this too because there appeared to

79

00:04:19,039 --> 00:04:16,290

be a dark silhouette against night sky

80

00:04:22,820 --> 00:04:19,049

of that shape with the star on either

81

00:04:24,890 --> 00:04:22,830

end keep this in mind this is the one

82

00:04:26,530 --> 00:04:24,900

thing I saw that night and the few

83

00:04:28,750 --> 00:04:26,540

following that I

84

00:04:32,440 --> 00:04:28,760

I'm least certain about but I figured

85

00:04:36,670 --> 00:04:32,450

I'd note it anyway now it gets real

86

00:04:39,570 --> 00:04:36,680

crazy hovering slowly over our houses I

87

00:04:42,190 --> 00:04:39,580

spotted the first of many

88

00:04:45,900 --> 00:04:42,200

triangle-shaped craft that to the best

89

00:04:47,110 --> 00:04:45,910

of my knowledge were the tribe models

90

00:04:51,850 --> 00:04:47,120

mm-hmm

91

00:04:55,150 --> 00:04:51,860

built by us after spotting two or more

92

00:04:58,120 --> 00:04:55,160

I had one fly directly over my head

93

00:05:00,220 --> 00:04:58,130

where I was sitting in my yard I swear I

94

00:05:03,910 --> 00:05:00,230

might have been able to hit it with a

95

00:05:07,480 --> 00:05:03,920

rock on a side note I choked 'only spoke

96

00:05:10,210 --> 00:05:07,490

out to one a few minutes before that and

97

00:05:12,790 --> 00:05:10,220

asked if it could send one right over me

98

00:05:13,980 --> 00:05:12,800

possibly lower so I could get a better

99

00:05:17,560 --> 00:05:13,990

look at it

100

00:05:20,530 --> 00:05:17,570

yeah that could be a coincidence but to

101
00:05:23,020 --> 00:05:20,540
say I was shocked and freaked out is an

102
00:05:25,300 --> 00:05:23,030
understatement we've seen what we

103
00:05:27,700 --> 00:05:25,310
figured to be at least 20 of these

104
00:05:31,410 --> 00:05:27,710
patrolling all over the sky at various

105
00:05:34,540 --> 00:05:31,420
altitudes for the rest of the night as

106
00:05:38,460 --> 00:05:34,550
dawn started to break they all seemed to

107
00:05:42,250 --> 00:05:38,470
be headed west in line after the other I

108
00:05:44,230 --> 00:05:42,260
also went to note I spotted what

109
00:05:46,990 --> 00:05:44,240
appeared to be one of them cloaking

110
00:05:50,320 --> 00:05:47,000
possibly in an attempt to look like a

111
00:05:53,980 --> 00:05:50,330
normal aircraft reading up on these

112
00:05:56,350 --> 00:05:53,990
seems to indicate this ability the next

113
00:05:58,600 --> 00:05:56,360

day the skies were clear and I believe

114

00:06:02,770 --> 00:05:58,610

they had this ability on full display

115

00:06:05,770 --> 00:06:02,780

during the day I only picked up on it

116

00:06:08,680 --> 00:06:05,780

because I spotted a commercial airliner

117

00:06:11,140 --> 00:06:08,690

which seemed odd in that it was a flat

118

00:06:14,650 --> 00:06:11,150

dull white appearance flying overhead

119

00:06:18,040 --> 00:06:14,660

with chemtrails following here's the

120

00:06:20,710 --> 00:06:18,050

real strange part it had what I'd call

121

00:06:24,010 --> 00:06:20,720

an orb to the very front left of it

122

00:06:26,560 --> 00:06:24,020

leaving a trail as well I did a double

123

00:06:29,890 --> 00:06:26,570

take when it suddenly looked like a

124

00:06:33,160 --> 00:06:29,900

smaller version of the plane both same

125

00:06:35,500 --> 00:06:33,170

dull white color the smaller craft

126
00:06:39,370 --> 00:06:35,510
immediately took off leaving the larger

127
00:06:40,150 --> 00:06:39,380
on in the dust so to speak there were

128
00:06:41,980 --> 00:06:40,160
many

129
00:06:45,280 --> 00:06:41,990
more of these planes that seemed odd to

130
00:06:48,310 --> 00:06:45,290
me following that first set all leaving

131
00:06:50,470 --> 00:06:48,320
the trails the following evening it

132
00:06:53,050 --> 00:06:50,480
looked as though we might get a better

133
00:06:56,710 --> 00:06:53,060
show than last night right around 7:00

134
00:07:00,940 --> 00:06:56,720
p.m. the tribe craft were out again

135
00:07:03,760 --> 00:07:00,950
quite a few at that I seen the star ones

136
00:07:06,070 --> 00:07:03,770
again as well when all this began

137
00:07:08,560 --> 00:07:06,080
emergency vehicles could be heard

138
00:07:09,250 --> 00:07:08,570

screaming around the city and for a

139

00:07:13,510 --> 00:07:09,260

while

140

00:07:17,590 --> 00:07:13,520

suddenly it died down so did the tribe

141

00:07:19,870 --> 00:07:17,600

sightings they seemed to disappear while

142

00:07:22,630 --> 00:07:19,880

some were still visible but at much

143

00:07:26,740 --> 00:07:22,640

higher altitude another coincidence

144

00:07:30,490 --> 00:07:26,750

no idea in between all of this another

145

00:07:33,010 --> 00:07:30,500

tribe flew very low almost right over me

146

00:07:36,430 --> 00:07:33,020

and my neighbor I yelled for him to look

147

00:07:38,020 --> 00:07:36,440

and basically said see I told you he

148

00:07:39,610 --> 00:07:38,030

thought I was either nuts or on

149

00:07:42,700 --> 00:07:39,620

something when I told him about the

150

00:07:46,210 --> 00:07:42,710

night before he seemed spooked and

151
00:07:51,070 --> 00:07:46,220
nervously said I'm sure it was just a

152
00:07:54,460 --> 00:07:51,080
plane I asked how many planes that low

153
00:07:56,500 --> 00:07:54,470
make zero noise what I can't understand

154
00:07:58,900 --> 00:07:56,510
about all of this is there was no

155
00:08:01,900 --> 00:07:58,910
mention of anything in the local

156
00:08:07,000 --> 00:08:01,910
newspaper news outlets small and large

157
00:08:09,640 --> 00:08:07,010
any online searches came up dead I asked

158
00:08:12,280 --> 00:08:09,650
so many people locally if they spotted

159
00:08:15,610 --> 00:08:12,290
anything and pretty much all looked at

160
00:08:19,030 --> 00:08:15,620
me like I have three heads only one

161
00:08:19,900 --> 00:08:19,040
neighbor up the block knew what I was

162
00:08:23,650 --> 00:08:19,910
talking about

163
00:08:26,770 --> 00:08:23,660

he seemed ecstatic when he walked by and

164

00:08:29,050 --> 00:08:26,780

I asked him about it he stated his

165

00:08:32,380 --> 00:08:29,060

mother kept bugging him about the crazy

166

00:08:34,480 --> 00:08:32,390

stuff in the sky that's basically me my

167

00:08:38,040 --> 00:08:34,490

girlfriend and some guy and his mom that

168

00:08:40,870 --> 00:08:38,050

seen this I find it all so strange

169

00:08:43,120 --> 00:08:40,880

mainly due to the sighting being so

170

00:08:47,620 --> 00:08:43,130

large both a number of craft and

171

00:08:50,770 --> 00:08:47,630

duration of the event are you or anyone

172

00:08:52,410 --> 00:08:50,780

else aware of any of this if so I would

173

00:08:54,480 --> 00:08:52,420

love to hear keep

174

00:08:58,440 --> 00:08:54,490

mind that before all of this I have

175

00:09:01,940 --> 00:08:58,450

never seen a single UFO or ET in my

176

00:09:05,220 --> 00:09:01,950

entire existence spanning 38 years I

177

00:09:08,670 --> 00:09:05,230

guess what else bothers me in the quote

178

00:09:11,519 --> 00:09:08,680

coincidence I see surrounding this as I

179

00:09:15,150 --> 00:09:11,529

stated earlier I have always had a deep

180

00:09:17,280 --> 00:09:15,160

interest in all this what excites me and

181

00:09:20,670 --> 00:09:17,290

almost scares me though is the week

182

00:09:23,610 --> 00:09:20,680

leading to this I had always deep

183

00:09:26,519 --> 00:09:23,620

interest turned into an obsession that's

184

00:09:29,759 --> 00:09:26,529

dominated every thought to the point of

185

00:09:31,530 --> 00:09:29,769

extremes I cannot describe it was as

186

00:09:35,519 --> 00:09:31,540

though I experienced having premonitions

187

00:09:39,090 --> 00:09:35,529

about it all as if someone or something

188

00:09:43,079 --> 00:09:39,100

was calling out to me I know it sounds

189

00:09:46,110 --> 00:09:43,089

crazy believe me I have no doubt I'm the

190

00:09:49,710 --> 00:09:46,120

resident crazy on my social media circle

191

00:09:52,920 --> 00:09:49,720

it ain't over yet either it's been a bit

192

00:09:56,280 --> 00:09:52,930

strange since guess I'll just have to

193

00:09:58,170 --> 00:09:56,290

see how far the rabbit hole goes sorry

194

00:10:03,150 --> 00:09:58,180

for my rambling and if you read this

195

00:10:04,110 --> 00:10:03,160

then thank you for taking the time okay

196

00:10:08,880 --> 00:10:04,120

interesting

197

00:10:13,829 --> 00:10:08,890

next UFO sighting in inada Missouri this

198

00:10:15,960 --> 00:10:13,839

occurred October 28th 2017 in brief the

199

00:10:19,889 --> 00:10:15,970

witness states traditional circular

200

00:10:23,060 --> 00:10:19,899

looking UFO that you would see on ET

201
00:10:26,280 --> 00:10:23,070
bright white lights all the way around

202
00:10:29,400 --> 00:10:26,290
hovering and more detail they go on to

203
00:10:32,400 --> 00:10:29,410
state my family and I were at a Hunt

204
00:10:34,740 --> 00:10:32,410
Club over the weekend fishing I don't

205
00:10:38,130 --> 00:10:34,750
want to disclose the name for fear of

206
00:10:41,000 --> 00:10:38,140
them getting mad we stayed at a house on

207
00:10:44,100 --> 00:10:41,010
the property in a town called inada

208
00:10:47,189 --> 00:10:44,110
which is approximately 15 minutes away

209
00:10:49,170 --> 00:10:47,199
from the clubhouse the house sits in the

210
00:10:53,610 --> 00:10:49,180
middle of farmland and hunting ground

211
00:10:56,759 --> 00:10:53,620
and stands alone this is the duck house

212
00:10:59,579 --> 00:10:56,769
and is primarily used for duck hunters

213
00:11:03,689 --> 00:10:59,589

on Saturday night I was standing out on

214

00:11:05,579 --> 00:11:03,699

the deck looking east at the sky right

215

00:11:10,380 --> 00:11:05,589

above the tree line about a mile away

216

00:11:14,340 --> 00:11:10,390

there was a very large UFO hovering it

217

00:11:17,670 --> 00:11:14,350

stayed in one spot for a good 10 minutes

218

00:11:21,389 --> 00:11:17,680

I went in and grabbed the binoculars and

219

00:11:24,420 --> 00:11:21,399

sure enough it was a beautiful perfectly

220

00:11:28,559 --> 00:11:24,430

round craft with several lights in a

221

00:11:31,110 --> 00:11:28,569

perfect row all the way around without

222

00:11:34,259 --> 00:11:31,120

the binoculars the lights looked oranges

223

00:11:36,870 --> 00:11:34,269

yellowish with the binoculars the lights

224

00:11:40,139 --> 00:11:36,880

were perfectly round bright white lights

225

00:11:42,960 --> 00:11:40,149

I called my son and nephew out and they

226

00:11:45,090 --> 00:11:42,970

also saw it I took pictures but they

227

00:11:48,210 --> 00:11:45,100

looked nothing like what I saw which is

228

00:11:50,639 --> 00:11:48,220

a huge disappointment in fact I'm sure I

229

00:11:54,240 --> 00:11:50,649

took way more photos than what's

230

00:11:57,210 --> 00:11:54,250

actually on my phone only one is showing

231

00:11:59,670 --> 00:11:57,220

up then goes to my son and nephew of

232

00:12:02,550 --> 00:11:59,680

them sleeping then there are a few more

233

00:12:05,100 --> 00:12:02,560

question mark they were awake when I

234

00:12:08,639 --> 00:12:05,110

took all the pictures and now they are

235

00:12:10,530 --> 00:12:08,649

out of order question mark I tried

236

00:12:14,639 --> 00:12:10,540

getting a picture through the binoculars

237

00:12:16,949 --> 00:12:14,649

that definitely didn't work lol it was

238

00:12:19,559 --> 00:12:16,959

really cold this past Saturday so we

239

00:12:22,769 --> 00:12:19,569

kept going to the window to check if it

240

00:12:25,889 --> 00:12:22,779

had moved it did move slightly up and

241

00:12:28,620 --> 00:12:25,899

down after about 15 minutes after about

242

00:12:31,410 --> 00:12:28,630

20 minutes from first spotting it it was

243

00:12:34,110 --> 00:12:31,420

gone so we didn't get to see it fly in

244

00:12:36,569 --> 00:12:34,120

any direction I took pictures in the

245

00:12:38,670 --> 00:12:36,579

daylight to show how far the trees were

246

00:12:41,759 --> 00:12:38,680

from us and circled the location of the

247

00:12:43,380 --> 00:12:41,769

craft I will also upload a picture I

248

00:12:45,840 --> 00:12:43,390

found on the Internet

249

00:12:48,059 --> 00:12:45,850

it's the closest to what I saw through

250

00:12:51,300 --> 00:12:48,069

the binoculars only the lights were

251
00:12:54,689 --> 00:12:51,310
bright white and I could only see what I

252
00:12:58,769 --> 00:12:54,699
circled there was no sound from the

253
00:13:01,920 --> 00:12:58,779
craft the next UFO sighting comes from

254
00:13:05,340 --> 00:13:01,930
Galesville Alabama this occurred October

255
00:13:09,419 --> 00:13:05,350
29th 2017 and briefed the witness States

256
00:13:12,840 --> 00:13:09,429
very fast moving lights star height see

257
00:13:15,569 --> 00:13:12,850
them every night in more detail they

258
00:13:17,040 --> 00:13:15,579
State me and many other people watch

259
00:13:19,680 --> 00:13:17,050
these objects ever

260
00:13:23,790 --> 00:13:19,690
night I'm starting to think I have the

261
00:13:26,880 --> 00:13:23,800
most active UFO sightings on earth we

262
00:13:29,699 --> 00:13:26,890
usually see 20 plus a night these

263
00:13:32,579 --> 00:13:29,709

objects fly as high as the stars and

264

00:13:35,639 --> 00:13:32,589

could do some crazy movements and unreal

265

00:13:39,230 --> 00:13:35,649

speeds they seem to be coming from a

266

00:13:46,380 --> 00:13:39,240

portal right above my house

267

00:13:50,600 --> 00:13:46,390

an alien adventure the title states man

268

00:13:53,940 --> 00:13:50,610

saw two Nordic ETS at Mayan ruins

269

00:13:57,000 --> 00:13:53,950

Michael Johnson has been surfing since

270

00:13:59,220 --> 00:13:57,010

he was 10 years old and his passion for

271

00:14:03,000 --> 00:13:59,230

riding the waves has taken him to the

272

00:14:05,310 --> 00:14:03,010

shores of many countries in the 1980s

273

00:14:08,430 --> 00:14:05,320

when he and a friend were on the coast

274

00:14:11,550 --> 00:14:08,440

of Belize they decided to travel inland

275

00:14:15,180 --> 00:14:11,560

to visit the Mayan ruins in tackle

276

00:14:18,650 --> 00:14:15,190

Guatemala they experienced so much more

277

00:14:22,199 --> 00:14:18,660

than they ever expected

278

00:14:24,870 --> 00:14:22,209

he states we just happened to arrive

279

00:14:25,650 --> 00:14:24,880

there when a big full moon ceremony was

280

00:14:27,780 --> 00:14:25,660

going on

281

00:14:30,650 --> 00:14:27,790

Michael explained it was kind of a

282

00:14:33,960 --> 00:14:30,660

magical place and real primitive then

283

00:14:36,240 --> 00:14:33,970

just before sunset we climbed up temple

284

00:14:39,930 --> 00:14:36,250

4 which is the highest structure in

285

00:14:43,889 --> 00:14:39,940

tackle a lot of people were up there a

286

00:14:46,769 --> 00:14:43,899

sundown party almost so the Sun Goes

287

00:14:49,740 --> 00:14:46,779

Down and the full moon pops up and the

288

00:14:53,810 --> 00:14:49,750

triple-canopy jungle about 120 feet

289

00:14:57,930 --> 00:14:53,820

below us came alive with animals birds

290

00:15:00,389 --> 00:14:57,940

flocks of toucans and monkeys it was all

291

00:15:01,740 --> 00:15:00,399

so enchanting hi it's Jamie progress's

292

00:15:04,319 --> 00:15:01,750

employee of the month two months in a

293

00:15:06,449 --> 00:15:04,329

row leave a message at the hi Jamie it's

294

00:15:08,189 --> 00:15:06,459

me Jamie I just had a new idea for our

295

00:15:09,960 --> 00:15:08,199

song with the name your price tool so

296

00:15:12,090 --> 00:15:09,970

when it's like tell us what you want to

297

00:15:13,800 --> 00:15:12,100

pay hey hey hey the trombone goes blah

298

00:15:15,470 --> 00:15:13,810

blah blah and you say we'll help you

299

00:15:18,240 --> 00:15:15,480

find carpet options to fit your budget

300

00:15:19,740 --> 00:15:18,250

then we just all do finger snaps well

301

00:15:21,750 --> 00:15:19,750

acquire goes Satan's coming at you

302

00:15:23,970 --> 00:15:21,760

savings coming at Jeb yes no maybe

303

00:15:26,250 --> 00:15:23,980

anyway see your practice tonight I got

304

00:15:27,630 --> 00:15:26,260

new lyrics with a rap break progressive

305

00:15:28,710 --> 00:15:27,640

casualty insurance company in affiliates

306

00:15:30,900 --> 00:15:28,720

price and coverage match limited by

307

00:15:34,050 --> 00:15:30,910

state law we were the left

308

00:15:37,410 --> 00:15:34,060

one's to leave as we were climbing down

309

00:15:40,590 --> 00:15:37,420

the pyramid here come the guards they

310

00:15:41,280 --> 00:15:40,600

asked us is anyone else up there we said

311

00:15:44,040 --> 00:15:41,290

yeah

312

00:15:47,700 --> 00:15:44,050

and the guards climbed up the pyramid we

313

00:15:49,560 --> 00:15:47,710

took off into the jungle and hid we were

314

00:15:52,410 --> 00:15:49,570

supposed to be out of there by then but

315

00:15:56,370 --> 00:15:52,420

we stayed up the ruins all night taking

316

00:15:58,500 --> 00:15:56,380

photos as it was getting towards sunrise

317

00:16:01,470 --> 00:15:58,510

we were sitting in the plaza major

318

00:16:06,800 --> 00:16:01,480

thinking we should leave when animals

319

00:16:08,910 --> 00:16:06,810

from the jungle coatimundi small foxes

320

00:16:10,500 --> 00:16:08,920

marsupials started coming out of the

321

00:16:13,830 --> 00:16:10,510

jungle and checking us up

322

00:16:16,500 --> 00:16:13,840

I guess they felt we were no threat when

323

00:16:21,720 --> 00:16:16,510

we looked over toward one of them we saw

324

00:16:25,920 --> 00:16:21,730

two very tall Nordic et's a male and a

325

00:16:27,800 --> 00:16:25,930

female walking towards us it wasn't like

326

00:16:32,580 --> 00:16:27,810

they were actually walking or hiking

327

00:16:34,950 --> 00:16:32,590

they were gliding along towards us they

328

00:16:37,050 --> 00:16:34,960

obviously knew we were there but they

329

00:16:40,140 --> 00:16:37,060

made no attempt to look at us or

330

00:16:41,030 --> 00:16:40,150

acknowledge us they just glided around

331

00:16:45,150 --> 00:16:41,040

us

332

00:16:48,900 --> 00:16:45,160

they were about seven feet tall the man

333

00:16:52,140 --> 00:16:48,910

and the woman both had long silver blond

334

00:16:55,260 --> 00:16:52,150

hair their clothing was almost like

335

00:16:58,080 --> 00:16:55,270

playing guatemalan clothing maybe to

336

00:17:01,470 --> 00:16:58,090

better blend in but they were definitely

337

00:17:03,540 --> 00:17:01,480

different after the couple disappeared

338

00:17:06,900 --> 00:17:03,550

behind the ruins my friend and I looked

339

00:17:09,690 --> 00:17:06,910

at each other and we both said wow did

340

00:17:12,630 --> 00:17:09,700

you see that why they made their

341

00:17:15,420 --> 00:17:12,640

presence known to us I don't know but I

342

00:17:17,460 --> 00:17:15,430

have had an interest in UFOs since I saw

343

00:17:21,060 --> 00:17:17,470

my first one in Wilmington North

344

00:17:23,910 --> 00:17:21,070

Carolina when I was 14 years old as a

345

00:17:26,790 --> 00:17:23,920

footnote Michael Johnson has made EI

346

00:17:29,670 --> 00:17:26,800

Salvador his home since 1994

347

00:17:32,220 --> 00:17:29,680

Evelyn Gordon co-author of this website

348

00:17:34,320 --> 00:17:32,230

that we took this article from and I met

349

00:17:38,850 --> 00:17:34,330

with him when he was in Myrtle Beach

350

00:17:41,130 --> 00:17:38,860

South Carolina in June of 2016 he was in

351

00:17:43,200 --> 00:17:41,140

the u.s. taking care of some family

352

00:17:44,770 --> 00:17:43,210

business and fixing up an old ambulance

353

00:17:47,320 --> 00:17:44,780

for the people of a

354

00:17:50,320 --> 00:17:47,330

village in El Salvador he is known by

355

00:17:53,080 --> 00:17:50,330

the villagers as Senora pescado or mr.

356

00:17:55,510 --> 00:17:53,090

fisherman because he is the owner of the

357

00:17:58,060 --> 00:17:55,520

fishing business he says he loves

358

00:18:00,880 --> 00:17:58,070

helping God's flock of poor humble

359

00:18:03,070 --> 00:18:00,890

people adding that they are very

360

00:18:05,710 --> 00:18:03,080

spiritual and appreciative and by

361

00:18:08,530 --> 00:18:05,720

helping them their spiritual light can

362

00:18:11,550 --> 00:18:08,540

grow bigger that's beautiful

363

00:18:15,180 --> 00:18:11,560

now for some stories crossing over into

364

00:18:20,790 --> 00:18:15,190

Bigfoot boundaries this is entitled

365

00:18:24,250 --> 00:18:20,800

Bigfoot makes soap and bathe honestly

366

00:18:27,010 --> 00:18:24,260

Bigfoot are known for their foul pungent

367

00:18:29,830 --> 00:18:27,020

odors so people assume they simply are

368

00:18:32,050 --> 00:18:29,840

dirty and smelly creatures however

369

00:18:35,050 --> 00:18:32,060

researchers say the smell is

370

00:18:38,460 --> 00:18:35,060

deliberately released to repel people

371

00:18:40,870 --> 00:18:38,470

who get too close a bit like a skunk

372

00:18:44,020 --> 00:18:40,880

whatever the case one Bigfoot

373

00:18:47,920 --> 00:18:44,030

experiencer says Bigfoot actually makes

374

00:18:51,010 --> 00:18:47,930

soap and bathe Thomas Hughes lives in

375

00:18:53,170 --> 00:18:51,020

Bigfoot territory about 20 to 30 miles

376

00:18:56,800 --> 00:18:53,180

from the western edge of the Sam Houston

377

00:18:59,140 --> 00:18:56,810

National Forest in Texas since he was 7

378

00:19:02,020 --> 00:18:59,150

years old he has roamed the land and

379

00:19:05,350 --> 00:19:02,030

seen heard and even interacted with

380

00:19:07,900 --> 00:19:05,360

Bigfoot he says I consider them my

381

00:19:11,350 --> 00:19:07,910

neighbors so to speak since we share the

382

00:19:14,010 --> 00:19:11,360

land Tomas states they live their way I

383

00:19:17,800 --> 00:19:14,020

live my way sometimes we come together

384

00:19:21,910 --> 00:19:17,810

sometimes we don't we simply live in the

385

00:19:24,040 --> 00:19:21,920

same place and we share the land one of

386

00:19:26,500 --> 00:19:24,050

the things I've been seeing at the ponds

387

00:19:31,360 --> 00:19:26,510

and water tanks around here in this area

388

00:19:34,030 --> 00:19:31,370

since I was a kid is scummy soap suds he

389

00:19:35,770 --> 00:19:34,040

says I couldn't figure out what chemical

390

00:19:38,500 --> 00:19:35,780

was bubbling up from the bottom of the

391

00:19:40,930 --> 00:19:38,510

ponds or tanks that would cause that to

392

00:19:44,310 --> 00:19:40,940

happen I couldn't come up with anything

393

00:19:48,100 --> 00:19:44,320

nothing that leaves a residue like that

394

00:19:50,980 --> 00:19:48,110

then a woman gave me somewhat of an

395

00:19:54,250 --> 00:19:50,990

education he continued looking at

396

00:19:57,370 --> 00:19:54,260

photographs taken on my land she noticed

397

00:19:58,460 --> 00:19:57,380

that I have yellow root growing she

398

00:20:00,909 --> 00:19:58,470

explained that the

399

00:20:03,890 --> 00:20:00,919

Bigfoot will pick the yellow route and

400

00:20:06,409 --> 00:20:03,900

pulpit with a stone or hard piece of

401
00:20:08,960 --> 00:20:06,419
wood so the juices of the plant are

402
00:20:13,340 --> 00:20:08,970
running out then they mix it with water

403
00:20:17,240 --> 00:20:13,350
and use it like soap so I tried this

404
00:20:19,370 --> 00:20:17,250
myself what I found is that after you

405
00:20:23,060 --> 00:20:19,380
pulp the yellow root and rub it on

406
00:20:27,140 --> 00:20:23,070
yourself with water it suds up just like

407
00:20:29,330 --> 00:20:27,150
soap does it resulted in scummy soap

408
00:20:31,000 --> 00:20:29,340
suds like I've been seeing around here

409
00:20:34,970 --> 00:20:31,010
since I was a kid

410
00:20:37,940 --> 00:20:34,980
mystery solved in case you're ever

411
00:20:39,409 --> 00:20:37,950
camping and needs some Bigfoot soap here

412
00:20:43,190 --> 00:20:39,419
are some photos to help you identify

413
00:20:45,770 --> 00:20:43,200

yellow root it is significant that it

414

00:20:50,080 --> 00:20:45,780

long has been used as a natural

415

00:20:53,710 --> 00:20:50,090

antibiotic how about that

416

00:20:57,169 --> 00:20:53,720

still trudging on in Bigfoot boundaries

417

00:20:59,169 --> 00:20:57,179

this one is entitled owls linked to

418

00:21:01,850 --> 00:20:59,179

Bigfoot in UFOs

419

00:21:04,340 --> 00:21:01,860

the story begins I never would have

420

00:21:08,149 --> 00:21:04,350

picked this book off the shelf to read

421

00:21:10,850 --> 00:21:08,159

until two Big Foot experiences Samantha

422

00:21:14,720 --> 00:21:10,860

and Jack told us about their encounter

423

00:21:17,840 --> 00:21:14,730

with giant owls near a Bigfoot home base

424

00:21:20,049 --> 00:21:17,850

in the high mountains of Western North

425

00:21:23,149 --> 00:21:20,059

Carolina

426

00:21:26,870 --> 00:21:23,159

everything seems much larger over there

427

00:21:30,230 --> 00:21:26,880

Samantha told us back in August 2015 the

428

00:21:33,110 --> 00:21:30,240

rocks are huge I have large rocks on my

429

00:21:36,680 --> 00:21:33,120

land but those on Jack's land are

430

00:21:39,890 --> 00:21:36,690

enormous when you see footprints they're

431

00:21:43,880 --> 00:21:39,900

much larger then there's the big brown

432

00:21:47,930 --> 00:21:43,890

or beige panther even the owls are

433

00:21:50,090 --> 00:21:47,940

bigger Jack said oh they're the largest

434

00:21:53,899 --> 00:21:50,100

owls you've ever laid eyes on

435

00:21:55,880 --> 00:21:53,909

Samantha responded they're gigantic the

436

00:21:59,810 --> 00:21:55,890

big ones are at least three and a half

437

00:22:02,990 --> 00:21:59,820

feet tall with a wingspan of 8 feet last

438

00:22:07,159 --> 00:22:03,000

night there were so many of them five or

439

00:22:09,230 --> 00:22:07,169

six owls just flying back and forth one

440

00:22:11,960 --> 00:22:09,240

was right above us and its eyes were

441

00:22:14,480 --> 00:22:11,970

pitch black

442

00:22:18,020 --> 00:22:14,490

I've never seen eyes like that Jack

443

00:22:21,200 --> 00:22:18,030

added I've got a real powerful spotlight

444

00:22:25,370 --> 00:22:21,210

and I was shining it right in its face

445

00:22:28,970 --> 00:22:25,380

and there was no shine no shimmer no

446

00:22:31,310 --> 00:22:28,980

reflection at all whatsoever I've never

447

00:22:35,120 --> 00:22:31,320

seen anything like that before and I've

448

00:22:38,960 --> 00:22:35,130

seen a lot of owls according to Mike

449

00:22:42,140 --> 00:22:38,970

Cleveland author of the messengers owls

450

00:22:45,320 --> 00:22:42,150

often our scene along with UFO sightings

451
00:22:48,050 --> 00:22:45,330
in alien contacts and abductions to a

452
00:22:52,220 --> 00:22:48,060
surprise his research turned up so many

453
00:22:56,090 --> 00:22:52,230
cases that his book is 378 pages and

454
00:22:59,090 --> 00:22:56,100
links well Samantha and Jack were in a

455
00:23:02,120 --> 00:22:59,100
very act of Bigfoot location the night

456
00:23:05,660 --> 00:23:02,130
of the giant owls it's an area known for

457
00:23:09,260 --> 00:23:05,670
many UFO sightings too but there's also

458
00:23:12,110 --> 00:23:09,270
a direct link between UFOs and Bigfoot

459
00:23:15,410 --> 00:23:12,120
according to Bigfoot researcher Kewanee

460
00:23:19,370 --> 00:23:15,420
less versus author of the Sasquatch

461
00:23:21,940 --> 00:23:19,380
people his 238 page book includes

462
00:23:26,930 --> 00:23:21,950
information conveyed by a dying

463
00:23:30,140 --> 00:23:26,940

sasquatch it goes on to state quote the

464

00:23:32,900 --> 00:23:30,150

dying sasquatch said that contact have

465

00:23:35,510 --> 00:23:32,910

been made to us people by the United

466

00:23:38,510 --> 00:23:35,520

States military because our government

467

00:23:42,170 --> 00:23:38,520

knew the truth and importance of the

468

00:23:46,040 --> 00:23:42,180

Bigfoot UFO connection some Sasquatch

469

00:23:50,300 --> 00:23:46,050

are recruited by a certain race of star

470

00:23:54,680 --> 00:23:50,310

people the Sasquatch are the ETS quote

471

00:23:58,940 --> 00:23:54,690

ground crew to mine certain minerals do

472

00:24:02,570 --> 00:23:58,950

the heavy work act as sentries spy for

473

00:24:05,480 --> 00:24:02,580

them and so on well that makes sense the

474

00:24:09,730 --> 00:24:05,490

dying Sasquatch also relayed a glimpse

475

00:24:13,670 --> 00:24:09,740

of the dark side of the US military

476
00:24:17,240 --> 00:24:13,680
quote the Sasquatch man told Pam that

477
00:24:19,820 --> 00:24:17,250
military personnel had lured him and two

478
00:24:23,390 --> 00:24:19,830
other Sasquatch into a building under

479
00:24:25,520 --> 00:24:23,400
the pretense of being their friend the

480
00:24:28,400 --> 00:24:25,530
military used some form of elec

481
00:24:31,330 --> 00:24:28,410
trol magnetic device to block his use of

482
00:24:34,460 --> 00:24:31,340
telepathy and to stop him from D

483
00:24:37,280 --> 00:24:34,470
materializing then they gave the

484
00:24:41,390 --> 00:24:37,290
creature food with a powerful sedative

485
00:24:44,180 --> 00:24:41,400
in it once unconscious they injected an

486
00:24:47,090 --> 00:24:44,190
implant to the back of his skull in

487
00:24:52,640 --> 00:24:47,100
order to monitor and follow his every

488
00:24:54,980 --> 00:24:52,650

move he was enraged by this deceit Wow

489

00:24:57,950 --> 00:24:54,990

so the research of these two authors

490

00:25:01,190 --> 00:24:57,960

indicates that Samantha and Jack have

491

00:25:04,570 --> 00:25:01,200

found a spot where a three paranormal

492

00:25:11,290 --> 00:25:04,580

phenomena come together giant owls

493

00:25:15,680 --> 00:25:11,300

Bigfoot and UFOs onto a paranormal point

494

00:25:19,100 --> 00:25:15,690

crying boy in painting the curse of the

495

00:25:22,310 --> 00:25:19,110

crying boy painting in 1988 a mysterious

496

00:25:25,280 --> 00:25:22,320

explosion destroyed the home of the Amos

497

00:25:27,200 --> 00:25:25,290

family and has while England when

498

00:25:30,140 --> 00:25:27,210

firemen sifted through the burnt-out

499

00:25:33,500 --> 00:25:30,150

shell of the house they found a framed

500

00:25:35,870 --> 00:25:33,510

picture entitled The Crying boy which

501
00:25:39,260 --> 00:25:35,880
was a portrait of an angelic looking boy

502
00:25:42,290 --> 00:25:39,270
with a sorrowful expression and a tear

503
00:25:46,040 --> 00:25:42,300
rolling down his cheek but the picture

504
00:25:48,140 --> 00:25:46,050
was not even singed by the blaze not

505
00:25:50,330 --> 00:25:48,150
long afterwards in Bradford

506
00:25:53,090 --> 00:25:50,340
there was another blaze and again a

507
00:25:57,170 --> 00:25:53,100
picture of the crying boy was found

508
00:25:59,150 --> 00:25:57,180
intact among the smoldering ruins the

509
00:26:01,910 --> 00:25:59,160
head of the Yorkshire Fire Brigade told

510
00:26:04,250 --> 00:26:01,920
the national newspapers that pictures of

511
00:26:07,250 --> 00:26:04,260
the weird crying boy were frequently

512
00:26:09,080 --> 00:26:07,260
found intact in the rubble of houses

513
00:26:12,140 --> 00:26:09,090

that had been mysteriously burnt to the

514

00:26:14,210 --> 00:26:12,150

ground journalists asked him if he

515

00:26:17,120 --> 00:26:14,220

thought that the picture was evil and

516

00:26:21,410 --> 00:26:17,130

could somehow start the fires but the

517

00:26:23,690 --> 00:26:21,420

fire chief refused to comment crying boy

518

00:26:26,360 --> 00:26:23,700

the reports of the unlucky painting

519

00:26:29,420 --> 00:26:26,370

causing fires are still occasionally

520

00:26:32,350 --> 00:26:29,430

reported there was a crying boy picture

521

00:26:37,370 --> 00:26:32,360

found at a gutted house in Dublin in

522

00:26:39,139 --> 00:26:37,380

1998 but no one has ever found out just

523

00:26:41,690 --> 00:26:39,149

who the child is

524

00:26:43,969 --> 00:26:41,700

in the supposedly cursed painting one

525

00:26:46,789 --> 00:26:43,979

well-respected researcher into occult

526

00:26:49,940 --> 00:26:46,799

matters a retired schoolmaster from

527

00:26:53,869 --> 00:26:49,950

Devon named George Mallory claimed that

528

00:26:56,479 --> 00:26:53,879

to have uncovered the truth in 1995

529

00:26:58,729 --> 00:26:56,489

mr. Mallory claimed he tracked down the

530

00:27:02,810 --> 00:26:58,739

artist behind the controversial painting

531

00:27:06,489 --> 00:27:02,820

an old Spanish postcard artist named

532

00:27:09,649 --> 00:27:06,499

Fran show Savelle who lives in Madrid

533

00:27:10,279 --> 00:27:09,659

Savelle said the crying boy was a little

534

00:27:12,289 --> 00:27:10,289

secret

535

00:27:16,609 --> 00:27:12,299

durjan he had found wandering around

536

00:27:18,709 --> 00:27:16,619

Madrid in 1969 he never spoke and he had

537

00:27:21,499 --> 00:27:18,719

a very sorrowful look in his eyes

538

00:27:24,440 --> 00:27:21,509

Savelle painted the boy and a Catholic

539

00:27:26,959 --> 00:27:24,450

priest said the boy was Don Benilde a

540

00:27:29,719 --> 00:27:26,969

child who had run away after seeing his

541

00:27:31,849 --> 00:27:29,729

parents die in a blaze the priest told

542

00:27:34,759 --> 00:27:31,859

the artist to have nothing to do with

543

00:27:37,759 --> 00:27:34,769

the runaway because wherever he settled

544

00:27:41,119 --> 00:27:37,769

fires of the unknown origin would

545

00:27:42,950 --> 00:27:41,129

mysteriously break out the villagers

546

00:27:46,039 --> 00:27:42,960

called him Diablo

547

00:27:48,169 --> 00:27:46,049

because of this Seville ignored the

548

00:27:51,589 --> 00:27:48,179

superstitious priests and looked after

549

00:27:55,039 --> 00:27:51,599

the boy the paintings of the little sad

550

00:27:58,489 --> 00:27:55,049

orphan made Seville fairly rich but one

551
00:28:01,969 --> 00:27:58,499
day his studio was mysteriously burned

552
00:28:05,839 --> 00:28:01,979
to the ground Seville was ruined and he

553
00:28:08,239 --> 00:28:05,849
accused the little Don Beal of arson the

554
00:28:11,509 --> 00:28:08,249
boy ran off crying and was never seen

555
00:28:13,579 --> 00:28:11,519
again then from all over Europe came the

556
00:28:17,419 --> 00:28:13,589
reports of the unlucky crying boy

557
00:28:19,070 --> 00:28:17,429
paintings causing blazes Seville was

558
00:28:21,799 --> 00:28:19,080
also regarded as a jinx

559
00:28:26,029 --> 00:28:21,809
and no one commissioned him to paint or

560
00:28:28,430 --> 00:28:26,039
would even look at his paintings in 1976

561
00:28:30,919 --> 00:28:28,440
a car exploded into a fireball on the

562
00:28:33,769 --> 00:28:30,929
outskirts of Barcelona after crashing

563
00:28:35,029 --> 00:28:33,779

into a wall the victim was charred

564

00:28:38,180 --> 00:28:35,039

beyond recognition

565

00:28:40,969 --> 00:28:38,190

but parts the victims driving licence in

566

00:28:45,229 --> 00:28:40,979

the glove compartment was only partly

567

00:28:48,169 --> 00:28:45,239

burned the name on the license was 119
