1
00:00:03,800 --> 00:00:02,540
there's a UFO sighting in Las Vegas

2
00:00:06,800 --> 00:00:03,810
Nevada

3
00:00:12,440 --> 00:00:06,810
this is a UFO blast from the past this

4
00:00:15,919 --> 00:00:12,450
occurred on April 21st 2013 in brief the

5
00:00:19,070 --> 00:00:15,929
witness describes a multi-level craft

6
00:00:19,970 --> 00:00:19,080
that seemed to gradually appear that was

7
00:00:24,290 --> 00:00:19,980
v-shaped

8
00:00:30,259 --> 00:00:24,300
with no wings then gradually disappeared

9
00:00:32,510 --> 00:00:30,269
as if it was clocking in more detail the

10
00:00:36,470 --> 00:00:32,520
witness goes on the state this event

11
00:00:40,340 --> 00:00:36,480
occurred in April 2013 at approximately

12
00:00:44,600 --> 00:00:40,350
2:00 p.m. total duration of event was

13
00:00:47,690 --> 00:00:44,610

about 15 to 20 seconds while traveling

14

00:00:50,569 --> 00:00:47,700

south on South Durango toward Blue

15

00:00:53,959 --> 00:00:50,579

Diamond I was stopped due to road

16

00:00:57,110 --> 00:00:53,969

construction and a red light on Pebble

17

00:01:00,080 --> 00:00:57,120

Avenue my attention was drawn to the sky

18

00:01:03,380 --> 00:01:00,090

as I thought a commercial aircraft was

19

00:01:07,399 --> 00:01:03,390

making an approach to land at Las Vegas

20

00:01:10,640 --> 00:01:07,409

Airport the sky was clear in the area

21

00:01:13,310 --> 00:01:10,650

but scattered clouds were around as I

22

00:01:16,960 --> 00:01:13,320

observed the craft it was approaching

23

00:01:20,450 --> 00:01:16,970

from the west and appeared to be

24

00:01:23,590 --> 00:01:20,460

appearing out of thin air until I could

25

00:01:29,469 --> 00:01:23,600

see the entire craft it was a

26

00:01:34,039 --> 00:01:29,479

multi-level craft v-shaped no wings

27

00:01:38,929 --> 00:01:34,049

approximately 200 yards in length it

28

00:01:42,109 --> 00:01:38,939

appeared to have four or five levels it

29

00:01:46,370 --> 00:01:42,119

was a dull dark gray color that seemed

30

00:01:49,999 --> 00:01:46,380

to absorb light there was no reflective

31

00:01:54,200 --> 00:01:50,009

material on the craft it was flying in a

32

00:01:57,800 --> 00:01:54,210

straight line due east there was no

33

00:02:01,190 --> 00:01:57,810

sound emanating from the craft after

34

00:02:05,660 --> 00:02:01,200

about eight seconds it began to

35

00:02:09,109 --> 00:02:05,670

disappear back into thin air as if it

36

00:02:12,520 --> 00:02:09,119

was cloaking not clocking they

37

00:02:15,470 --> 00:02:12,530

misspelled it until it disappeared

38

00:02:19,160 --> 00:02:15,480

during the visual it maintained a

39

00:02:22,880 --> 00:02:19,170

constant speed as if approaching for a

40

00:02:26,690 --> 00:02:22,890

landing but it was not on the same

41

00:02:29,540 --> 00:02:26,700

course or altitude as Jets take when

42

00:02:32,990 --> 00:02:29,550

landing from the West the craft began to

43

00:02:36,500 --> 00:02:33,000

appear from front to back and then

44

00:02:39,530 --> 00:02:36,510

disappeared from front to back

45

00:02:43,850 --> 00:02:39,540

I am only reporting this now because I

46

00:02:46,940 --> 00:02:43,860

was not sure I really saw what I saw but

47

00:02:50,830 --> 00:02:46,950

the details have vividly stuck with me

48

00:02:53,750 --> 00:02:50,840

since the sighting as far as I know

49

00:02:57,070 --> 00:02:53,760

there were no other reports of this

50

00:03:00,830 --> 00:02:57,080

event that's fascinating

51
00:03:02,449 --> 00:03:00,840
next UFO report sighting in Egg Harbor

52
00:03:07,190 --> 00:03:02,459
City New Jersey

53
00:03:10,880 --> 00:03:07,200
this occurred September 6 2017 in brief

54
00:03:15,559 --> 00:03:10,890
they state saw a small orb while driving

55
00:03:19,009 --> 00:03:15,569
in more detail had just left my driveway

56
00:03:22,400 --> 00:03:19,019
heading towards Indian cabin road when I

57
00:03:26,599 --> 00:03:22,410
observed an orb the approximate size of

58
00:03:29,500 --> 00:03:26,609
a large cantaloupe coming down the

59
00:03:32,780 --> 00:03:29,510
street towards me and level two my car

60
00:03:36,710 --> 00:03:32,790
it appeared translucent and there

61
00:03:38,930 --> 00:03:36,720
appeared to be something in it I thought

62
00:03:41,000 --> 00:03:38,940
I might have hit it or maybe it went

63
00:03:44,750 --> 00:03:41,010

around me and looked in my rearview

64

00:03:48,319 --> 00:03:44,760

mirror and saw nothing and did not stop

65

00:03:56,259 --> 00:03:48,329

as I was in a hurry I live in a wooded

66

00:04:02,710 --> 00:03:56,269

area that's it this next UFO report is

67

00:04:08,840 --> 00:04:02,720

for fun sighting in Bristol Connecticut

68

00:04:11,420 --> 00:04:08,850

occurred October 27th 2017 in brief the

69

00:04:14,030 --> 00:04:11,430

witness states I almost gave up filling

70

00:04:18,379 --> 00:04:14,040

out this form look at the picture and

71

00:04:21,320 --> 00:04:18,389

then in more detail oh my god I've never

72

00:04:24,129 --> 00:04:21,330

filled out such an aggravating form just

73

00:04:24,290 --> 00:04:24,139

call me if you want to know more

74

00:04:29,230 --> 00:04:24,300

Oh

75

00:04:34,929 --> 00:04:29,240

[Laughter]

76

00:04:39,459 --> 00:04:34,939

Oh that was funny okay next UFO sighting

77

00:04:42,580 --> 00:04:39,469

this occurred in Oakland Illinois not

78

00:04:48,429 --> 00:04:42,590

far from me and this is a blast from the

79

00:04:51,429 --> 00:04:48,439

UFO past June 13th 2010 in brief they

80

00:04:55,179 --> 00:04:51,439

state noticed orange light hovering out

81

00:04:59,200 --> 00:04:55,189

in backyard then couple days later seen

82

00:05:01,659 --> 00:04:59,210

orange light again in more detail the

83

00:05:05,080 --> 00:05:01,669

witness states on that evening went out

84

00:05:08,469 --> 00:05:05,090

to backyard to smoke the noticed round

85

00:05:11,140 --> 00:05:08,479

orange glowing orb and sky after minute

86

00:05:14,469 --> 00:05:11,150

or so I went back in house to inform

87

00:05:17,980 --> 00:05:14,479

family and grab recorder went out back

88

00:05:20,529 --> 00:05:17,990

with family and light was gone while

89

00:05:24,429 --> 00:05:20,539

telling family of what I had seen an

90

00:05:27,249 --> 00:05:24,439

orange orb my daughter stated like that

91

00:05:29,999 --> 00:05:27,259

one there and I looked east and seen it

92

00:05:33,309 --> 00:05:30,009

flying West appeared to stop and hover

93

00:05:36,279 --> 00:05:33,319

then battery died while filming object

94

00:05:38,980 --> 00:05:36,289

then orb seen again by many people on

95

00:05:42,010 --> 00:05:38,990

block was close to 4th of July

96

00:05:45,429 --> 00:05:42,020

warm night spotted or began at first

97

00:05:47,529 --> 00:05:45,439

hovering then went straight up then came

98

00:05:51,279 --> 00:05:47,539

back and flew from south to north

99

00:05:53,529 --> 00:05:51,289

it appeared stopping and hovering no

100

00:05:56,950 --> 00:05:53,539

further information on video it appears

101
00:06:02,159 --> 00:05:56,960
as something flying out maybe someone

102
00:06:05,740 --> 00:06:02,169
can clear grainy video and see more ok

103
00:06:10,600 --> 00:06:05,750
next year full sighting in Boulder Creek

104
00:06:14,529 --> 00:06:10,610
California this occurred on October 29th

105
00:06:17,200 --> 00:06:14,539
of 2017 in brief the witness states was

106
00:06:19,629 --> 00:06:17,210
looking at a plane in the sky when I

107
00:06:21,939 --> 00:06:19,639
noticed further up in the sky what at

108
00:06:26,800 --> 00:06:21,949
first appeared to be a stationary object

109
00:06:31,379 --> 00:06:26,810
I thought it may be Venus then it slowly

110
00:06:35,699 --> 00:06:31,389
moved in a westerly arch shape south in

111
00:06:39,009 --> 00:06:35,709
more detail witness States was outside

112
00:06:42,369 --> 00:06:39,019
setting up my new telescope looking for

113
00:06:44,409 --> 00:06:42,379

a clear area to point it I saw a plane

114

00:06:47,170 --> 00:06:44,419

coming in from the northwest when I

115

00:06:49,629 --> 00:06:47,180

noticed a silver object in the sky it

116

00:06:52,439 --> 00:06:49,639

seemed to be twice as high as the

117

00:06:55,300 --> 00:06:52,449

passenger airplane passing at the time I

118

00:06:58,119 --> 00:06:55,310

watched it in comparison with the

119

00:07:01,689 --> 00:06:58,129

eastbound plane and it seemed to be

120

00:07:06,009 --> 00:07:01,699

stationary I ran inside to get my phone

121

00:07:09,309 --> 00:07:06,019

to check the time 344 p.m. Pacific time

122

00:07:12,820 --> 00:07:09,319

and grabbed my binoculars I wasn't able

123

00:07:15,240 --> 00:07:12,830

to focus a telescope I focused in on it

124

00:07:18,369 --> 00:07:15,250

with my binoculars and checked the time

125

00:07:20,740 --> 00:07:18,379

3:45 p.m. Pacific time the object

126
00:07:24,869 --> 00:07:20,750
appeared to float in a sweeping motion

127
00:07:26,980 --> 00:07:24,879
at what seemed to be varying heights

128
00:07:30,730 --> 00:07:26,990
occasionally I could see what looked

129
00:07:32,980 --> 00:07:30,740
like blue lights on what seemed to be

130
00:07:35,619 --> 00:07:32,990
the front it was shaped like an

131
00:07:38,409 --> 00:07:35,629
elongated diamond upside down

132
00:07:40,869 --> 00:07:38,419
it took about seven minutes to cross the

133
00:07:44,259 --> 00:07:40,879
field of view then hovered in the

134
00:07:46,680 --> 00:07:44,269
southwestern sky for a minute then

135
00:07:49,990 --> 00:07:46,690
vanished

136
00:07:54,909 --> 00:07:50,000
the next UFO sighting

137
00:07:57,189 --> 00:07:54,919
this happened in air-dry Alberta this is

138
00:08:01,649 --> 00:07:57,199

kind of a blast from the past January

139

00:08:05,110 --> 00:08:01,659

5th 2016 in brief the witness states a

140

00:08:11,980 --> 00:08:05,120

massive craft floated almost directly

141

00:08:15,119 --> 00:08:11,990

over Barney and I the more detail it

142

00:08:19,839 --> 00:08:15,129

states body and I were out for a drive

143

00:08:23,199 --> 00:08:19,849

about 1.5 kilometers north of air-dry 30

144

00:08:25,619 --> 00:08:23,209

kilometers from Calgary we had pulled

145

00:08:28,480 --> 00:08:25,629

off to the side of the road to talk

146

00:08:31,089 --> 00:08:28,490

bonny noticed three lights in a

147

00:08:35,050 --> 00:08:31,099

triangular shape outside the front

148

00:08:38,079 --> 00:08:35,060

window to the north at first we assumed

149

00:08:40,929 --> 00:08:38,089

it to be a helicopter coming straight

150

00:08:45,160 --> 00:08:40,939

towards us it just didn't seem right

151
00:08:48,699 --> 00:08:45,170
though I said to her that looks like the

152
00:08:49,120 --> 00:08:48,709
UFO on YouTube finally started to get a

153
00:08:51,580 --> 00:08:49,130
little

154
00:08:55,300 --> 00:08:51,590
scared and started driving north towards

155
00:08:57,760 --> 00:08:55,310
it looking for a place to turn around we

156
00:09:00,130 --> 00:08:57,770
drove about a half kilometre to a left

157
00:09:03,520 --> 00:09:00,140
corner which is at the edge of a valley

158
00:09:07,360 --> 00:09:03,530
as we started turning left and going

159
00:09:12,250 --> 00:09:07,370
downhill the craft came in to a better

160
00:09:15,270 --> 00:09:12,260
view out my passenger window I could see

161
00:09:20,230 --> 00:09:15,280
the entire bottom and part of the side

162
00:09:22,990 --> 00:09:20,240
it had a diamond shape from front than

163
00:09:26,680 --> 00:09:23,000

two circular shapes in the middle then

164

00:09:30,390 --> 00:09:26,690

another diamond-shaped rear these shapes

165

00:09:34,300 --> 00:09:30,400

were pulsating with numerous colors

166

00:09:37,990 --> 00:09:34,310

yellow front and rear of diamond shapes

167

00:09:40,450 --> 00:09:38,000

turning green near Center red an outer

168

00:09:45,220 --> 00:09:40,460

of circular shapes turning blue and

169

00:09:47,920 --> 00:09:45,230

purple near center of the craft the side

170

00:09:50,650 --> 00:09:47,930

that I could see was very dark if not

171

00:09:53,710 --> 00:09:50,660

completely black and had a choppy

172

00:09:56,740 --> 00:09:53,720

surface similar to stealth aircrafts

173

00:10:00,190 --> 00:09:56,750

that I've seen I could not see any

174

00:10:04,570 --> 00:10:00,200

windows or even a distinction to say

175

00:10:09,070 --> 00:10:04,580

front or back it was perfectly uniform

176
00:10:12,220 --> 00:10:09,080
in shape it was about 7:00 p.m. and was

177
00:10:15,970 --> 00:10:12,230
very warm night so I had my window open

178
00:10:20,710 --> 00:10:15,980
but I could not hear any sound coming

179
00:10:24,460 --> 00:10:20,720
from the craft whatsoever it was

180
00:10:28,060 --> 00:10:24,470
approximately 100 feet above us and was

181
00:10:31,780 --> 00:10:28,070
about 100 feet in length and 70 feet

182
00:10:35,500 --> 00:10:31,790
wide from my vantage point I would say

183
00:10:40,150 --> 00:10:35,510
10 to 15 feet in height it slowly

184
00:10:42,850 --> 00:10:40,160
floated south towards air-dry I was so

185
00:10:45,160 --> 00:10:42,860
stunned by its features that I didn't

186
00:10:48,460 --> 00:10:45,170
even think to grab my phone to get a

187
00:10:51,760 --> 00:10:48,470
picture at first when this idea came to

188
00:10:53,050 --> 00:10:51,770

me it had already floated behind the

189

00:10:56,500 --> 00:10:53,060

hill we were driving down

190

00:10:59,230 --> 00:10:56,510

I asked Bonnie to turn around now and

191

00:11:01,000 --> 00:10:59,240

follow it so I could take pictures by

192

00:11:02,740 --> 00:11:01,010

the time we had turn around and reached

193

00:11:05,800 --> 00:11:02,750

the top of the hill again

194

00:11:09,010 --> 00:11:05,810

now turning right southward it was

195

00:11:11,950 --> 00:11:09,020

already at least a mile or so in front

196

00:11:16,510 --> 00:11:11,960

of us it again had the appearance of

197

00:11:18,940 --> 00:11:16,520

three lights in triangular form we tried

198

00:11:21,970 --> 00:11:18,950

to chase it but it seemed to be going

199

00:11:26,500 --> 00:11:21,980

incredibly fast now and just kept

200

00:11:29,530 --> 00:11:26,510

getting further away I kept my eyes on

201
00:11:32,650 --> 00:11:29,540
it but it just kept getting further away

202
00:11:33,760 --> 00:11:32,660
then suddenly it just seemed to take off

203
00:11:37,630 --> 00:11:33,770
in an instant

204
00:11:39,760 --> 00:11:37,640
straight south we kept driving for quite

205
00:11:42,460 --> 00:11:39,770
some distance towards where I last saw

206
00:11:46,180 --> 00:11:42,470
it but never saw anything again

207
00:11:49,180 --> 00:11:46,190
I enjoyed drawing and can easily draw a

208
00:11:51,870 --> 00:11:49,190
fairly accurate picture of it as I have

209
00:11:54,850 --> 00:11:51,880
for numerous friends and family since

210
00:11:57,310 --> 00:11:54,860
Bonnie seems to have been quite rattled

211
00:12:00,340 --> 00:11:57,320
by the encounter and does not like to

212
00:12:03,700 --> 00:12:00,350
talk about it I would really like to

213
00:12:07,270 --> 00:12:03,710

know if anyone else has seen this or

214

00:12:10,600 --> 00:12:07,280

similar objects in the area I can't say

215

00:12:13,930 --> 00:12:10,610

for sure that it was unearthly or an

216

00:12:16,510 --> 00:12:13,940

experimental military craft with the

217

00:12:20,320 --> 00:12:16,520

stealthy appearance it seemed more

218

00:12:23,350 --> 00:12:20,330

military to me I do not care if my

219

00:12:26,980 --> 00:12:23,360

identity is revealed I would just really

220

00:12:30,540 --> 00:12:26,990

like an answer to what it was I saw that

221

00:12:37,230 --> 00:12:30,550

evening all right

222

00:12:40,329 --> 00:12:37,240

all right going into an alien adventure

223

00:12:43,920 --> 00:12:40,339

this witness states I was driving to

224

00:12:48,370 --> 00:12:43,930

work at 5:30 on a cold winter morning in

225

00:12:51,790 --> 00:12:48,380

February or March 1996 it was mostly

226

00:12:55,720 --> 00:12:51,800

dark with only a big dawn light when I

227

00:13:00,010 --> 00:12:55,730

saw the general outline of a huge object

228

00:13:02,650 --> 00:13:00,020

on a hill about a half mile away it was

229

00:13:06,010 --> 00:13:02,660

like seeing a Walmart building where

230

00:13:11,710 --> 00:13:06,020

nothing exists even to this day except

231

00:13:14,260 --> 00:13:11,720

trees it was tilted 5 to 10 degrees off

232

00:13:15,970 --> 00:13:14,270

horizontal following the contour of the

233

00:13:18,700 --> 00:13:15,980

hill

234

00:13:22,240 --> 00:13:18,710

the rectangular object at least the side

235

00:13:25,600 --> 00:13:22,250

facing me look to be several hundred

236

00:13:29,410 --> 00:13:25,610

feet long and taller than any of the

237

00:13:34,930 --> 00:13:29,420

trees I could see perhaps fifty to sixty

238

00:13:37,450 --> 00:13:34,940

feet in height the object had five huge

239

00:13:41,650 --> 00:13:37,460

square windows along the side that was

240

00:13:44,260 --> 00:13:41,660

facing me each one was possibly 30 to 40

241

00:13:48,580 --> 00:13:44,270

square feet they were lit from within

242

00:13:50,560 --> 00:13:48,590

and had a soft yellow glow I could see

243

00:13:53,350 --> 00:13:50,570

no people or beings through those

244

00:13:57,100 --> 00:13:53,360

windows but I felt like I was being

245

00:13:59,220 --> 00:13:57,110

watched I pulled my Jeep over to the

246

00:14:02,350 --> 00:13:59,230

side of the road to get a better look I

247

00:14:04,660 --> 00:14:02,360

even thought of trying to find a road up

248

00:14:09,340 --> 00:14:04,670

that hill to see it a little bit more

249

00:14:12,630 --> 00:14:09,350

closely then the most significant part

250

00:14:16,990 --> 00:14:12,640

of this sighting happened suddenly

251

00:14:20,430 --> 00:14:17,000

inside my head just as clearly as if

252

00:14:26,830 --> 00:14:20,440

someone were sitting next to me I heard

253

00:14:30,250 --> 00:14:26,840

you need to go to work note that the

254

00:14:38,410 --> 00:14:30,260

voice did not say I need to get to work

255

00:14:40,330 --> 00:14:38,420

it said you need to get to work this was

256

00:14:45,340 --> 00:14:40,340

not a thought that occurred in my mind

257

00:14:47,440 --> 00:14:45,350

it was external someone else placed that

258

00:14:49,270 --> 00:14:47,450

thought in might get too old maybe today

259

00:14:50,800 --> 00:14:49,280

only great gifts like blankets and

260

00:14:53,230 --> 00:14:50,810

slippers for the family or just five

261

00:14:54,910 --> 00:14:53,240

bucks and adorable for women girls and

262

00:14:57,070 --> 00:14:54,920

toddler girls are just twelve bucks

263

00:14:59,260 --> 00:14:57,080

hurry it ends tonight at Old Navy valid

264

00:15:02,710 --> 00:14:59,270

twelve fourteen excludes boys select

265

00:15:07,650 --> 00:15:02,720

styles in stores only Ted and I felt

266

00:15:10,750 --> 00:15:07,660

compelled to leave and go on to work in

267

00:15:13,720 --> 00:15:10,760

retrospect there was no particular

268

00:15:16,990 --> 00:15:13,730

urgency for me to be at work that

269

00:15:21,580 --> 00:15:17,000

morning no big projects were being done

270

00:15:22,470 --> 00:15:21,590

at that time yet this command sounded

271

00:15:28,030 --> 00:15:22,480

urgent

272

00:15:29,120 --> 00:15:28,040

It was as if I had been told leave and I

273

00:15:32,540 --> 00:15:29,130

did just that

274

00:15:34,640 --> 00:15:32,550

I have thought about that encounter many

275

00:15:36,980 --> 00:15:34,650

times over the years and remain

276

00:15:39,470 --> 00:15:36,990

frustrated that I did not follow through

277

00:15:42,440 --> 00:15:39,480

and go find that object

278

00:15:45,860 --> 00:15:42,450

I still wonder where that voice head

279

00:15:49,370 --> 00:15:45,870

command came from and why I simply

280

00:15:52,580 --> 00:15:49,380

obeyed and didn't fight it after all I

281

00:15:56,930 --> 00:15:52,590

had been waiting a lifetime for such an

282

00:15:59,690 --> 00:15:56,940

encounter in reflecting on the incident

283

00:16:03,590 --> 00:15:59,700

it exhibited anti-gravity

284

00:16:05,720 --> 00:16:03,600

characteristics and was far too large to

285

00:16:06,410 --> 00:16:05,730

have been propelled by conventional

286

00:16:10,010 --> 00:16:06,420

engines

287

00:16:15,590 --> 00:16:10,020

it was either a secret American military

288

00:16:19,190 --> 00:16:15,600

craft or it was alien if it was an alien

289

00:16:22,430 --> 00:16:19,200

craft I might understand how compelling

290

00:16:23,120 --> 00:16:22,440

they could be but if it was a military

291

00:16:25,850 --> 00:16:23,130

craft

292

00:16:29,390 --> 00:16:25,860

then it's truly frightening what

293

00:16:36,410 --> 00:16:29,400

technologies they might have and use on

294

00:16:40,580 --> 00:16:36,420

people at I hear you ok another alien

295

00:16:45,650 --> 00:16:40,590

adventure story this one is entitled the

296

00:16:49,400 --> 00:16:45,660

night the UFO talked back one summer

297

00:16:51,770 --> 00:16:49,410

evening I had this inexplicable urge to

298

00:16:56,000 --> 00:16:51,780

drive up on the Blue Ridge Parkway

299

00:16:58,450 --> 00:16:56,010

I enjoy the solitude up there but it's

300

00:17:03,080 --> 00:16:58,460

not something I'd normally do at night

301
00:17:06,230 --> 00:17:03,090
the urge was strong though so I took my

302
00:17:09,470 --> 00:17:06,240
old pitbull dog and got on the Parkway

303
00:17:13,400 --> 00:17:09,480
at the entrance between Waynesville and

304
00:17:16,880 --> 00:17:13,410
Sylva North Carolina I headed north

305
00:17:19,520 --> 00:17:16,890
toward Cherokee after cruising along for

306
00:17:24,050 --> 00:17:19,530
a while I pulled over at the cranberry

307
00:17:26,510 --> 00:17:24,060
Ridge overlook and got out leaning

308
00:17:29,030 --> 00:17:26,520
against my car and looking out over the

309
00:17:31,610 --> 00:17:29,040
valley I thought about the many UFO

310
00:17:34,370 --> 00:17:31,620
sightings in the area and began mentally

311
00:17:37,370 --> 00:17:34,380
asking if there were any sky ships

312
00:17:42,020 --> 00:17:37,380
around then I just sort of exclaimed it

313
00:17:42,770 --> 00:17:42,030

out loud to the universe after about 15

314

00:17:47,120 --> 00:17:42,780
to 20 min

315

00:17:50,930 --> 00:17:47,130
it's my dog started growling a few

316

00:17:55,570 --> 00:17:50,940
moments later a sky ship appeared maybe

317

00:17:59,180 --> 00:17:55,580
100 yards away it didn't fly in it

318

00:18:03,740 --> 00:17:59,190
suddenly it was just there hovering over

319

00:18:06,710 --> 00:18:03,750
the valley at my eye level of course I

320

00:18:11,030 --> 00:18:06,720
was astonished and my dog stopped

321

00:18:14,990 --> 00:18:11,040
growling it was a very large triangular

322

00:18:17,720 --> 00:18:15,000
craft if you were to use the thumb at

323

00:18:19,940 --> 00:18:17,730
arm's length measurement my son was

324

00:18:24,130 --> 00:18:19,950
about the size of one of the crafts

325

00:18:27,320 --> 00:18:24,140
windows that ran along the side of it

326

00:18:32,210 --> 00:18:27,330

the front point of the craft was cut off

327

00:18:36,470 --> 00:18:32,220

flat but not very far from the tip the

328

00:18:39,860 --> 00:18:36,480

rear of the craft was flat it was a dark

329

00:18:44,330 --> 00:18:39,870

gray silver color I really don't think

330

00:18:48,440 --> 00:18:44,340

it was man-made though I was stunned I

331

00:18:52,000 --> 00:18:48,450

never felt any fear and my dog didn't

332

00:18:55,250 --> 00:18:52,010

act up I just stood there

333

00:18:59,350 --> 00:18:55,260

welcoming the ship and asking if they

334

00:19:03,200 --> 00:18:59,360

had a message then 15 minutes later the

335

00:19:03,800 --> 00:19:03,210

craft literally disappeared before my

336

00:19:06,460 --> 00:19:03,810

eyes

337

00:19:09,760 --> 00:19:06,470

I stood around for another 10 minutes

338

00:19:13,580 --> 00:19:09,770

but when the craft didn't reappear I

339

00:19:16,220 --> 00:19:13,590

decided to drive on home it was a nice

340

00:19:18,800 --> 00:19:16,230

balmy night and I had my windows down

341

00:19:22,550 --> 00:19:18,810

I felt so relaxed and happy that I

342

00:19:27,140 --> 00:19:22,560

started singing at the top of my lungs a

343

00:19:30,110 --> 00:19:27,150

little made-up ditty it was like a child

344

00:19:34,280 --> 00:19:30,120

song I can't remember the words but it

345

00:19:37,610 --> 00:19:34,290

was something like I saw a UFO we saw a

346

00:19:38,540 --> 00:19:37,620

UFO I can't do it did he um it was

347

00:19:42,530 --> 00:19:38,550

ridiculous

348

00:19:45,440 --> 00:19:42,540

I can't sing so this was not a normal

349

00:19:49,730 --> 00:19:45,450

thing for me to do but I just kept

350

00:19:54,710 --> 00:19:49,740

singing it over and over then I heard

351
00:19:56,570 --> 00:19:54,720
this very serious commanding deep male

352
00:20:00,139 --> 00:19:56,580
voice you

353
00:20:04,220 --> 00:20:00,149
was like in my head but not in my head

354
00:20:07,370 --> 00:20:04,230
it said this is the commander of the

355
00:20:09,529 --> 00:20:07,380
ship you saw in the valley and I want to

356
00:20:10,130 --> 00:20:09,539
apologize that we had to leave so

357
00:20:14,180 --> 00:20:10,140
abruptly

358
00:20:16,700 --> 00:20:14,190
we had orders to leave Wow

359
00:20:20,360 --> 00:20:16,710
I had to pull over to the side of the

360
00:20:23,419 --> 00:20:20,370
road because I was so shocked believe me

361
00:20:27,110 --> 00:20:23,429
I'm not a person who has SaLuSa nations

362
00:20:31,159 --> 00:20:27,120
or anything like that I knew this was

363
00:20:34,610 --> 00:20:31,169

not a normal conversation looking back I

364

00:20:38,120 --> 00:20:34,620

feel like the singing may have opened up

365

00:20:40,750 --> 00:20:38,130

some kind of vibrational channel oddly

366

00:20:45,919 --> 00:20:40,760

when I got back on the road again I

367

00:20:50,659 --> 00:20:45,929

couldn't sing that song anymore Wow

368

00:20:55,430 --> 00:20:50,669

I was pretty cool alright crossing over

369

00:20:58,909 --> 00:20:55,440

into Bigfoot boundaries this is entitled

370

00:21:02,350 --> 00:20:58,919

why do Bigfoot take and then return

371

00:21:06,139 --> 00:21:02,360

gifts well that's a question

372

00:21:09,560 --> 00:21:06,149

the story begins we've been leaving a

373

00:21:12,620 --> 00:21:09,570

variety of food and an isolated spot in

374

00:21:16,070 --> 00:21:12,630

Bigfoot territory in the high mountains

375

00:21:21,049 --> 00:21:16,080

of Western North Carolina since November

376

00:21:25,159 --> 00:21:21,059

2015 periodically we have also left non

377

00:21:29,840 --> 00:21:25,169

edible gifts of the five gifts we've

378

00:21:32,779 --> 00:21:29,850

left so far only two were taken an image

379

00:21:36,980 --> 00:21:32,789

of a butterfly wood burned on a thin

380

00:21:40,490 --> 00:21:36,990

disc of balsa wood and a mirror then it

381

00:21:44,029 --> 00:21:40,500

became puzzling the butterfly was

382

00:21:50,480 --> 00:21:44,039

returned six weeks later in the mirror

383

00:21:53,060 --> 00:21:50,490

only a week after it was taken why in an

384

00:21:56,060 --> 00:21:53,070

attempt to understand this Bigfoot take

385

00:21:58,159 --> 00:21:56,070

and return behavior we contacted several

386

00:22:02,180 --> 00:21:58,169

people we thought might have insights

387

00:22:05,840 --> 00:22:02,190

into this the best answer came from Joan

388

00:22:08,510 --> 00:22:05,850

Ocean the world-renowned dolphin expert

389

00:22:10,400 --> 00:22:08,520

who has had face-to-face interactions

390

00:22:13,940 --> 00:22:10,410

with Bigfoot Sasquatch

391

00:22:15,100 --> 00:22:13,950

in the West Coast mountains here is what

392

00:22:18,740 --> 00:22:15,110

she said

393

00:22:22,310 --> 00:22:18,750

yes I have experienced on occasion the

394

00:22:26,300 --> 00:22:22,320

Sasquatch behavior where they return or

395

00:22:28,640 --> 00:22:26,310

comment on something I gave them once a

396

00:22:32,810 --> 00:22:28,650

friend of mine gave them a rod for

397

00:22:34,520 --> 00:22:32,820

spearfishing they were appreciative but

398

00:22:40,010 --> 00:22:34,530

when we asked if they would like another

399

00:22:42,200 --> 00:22:40,020

one they said no we have enough on other

400

00:22:44,450 --> 00:22:42,210

occasions my friend who communicated

401
00:22:47,600 --> 00:22:44,460
with them regularly and lived in close

402
00:22:50,900 --> 00:22:47,610
proximity to the Sasquatch family made

403
00:22:55,820 --> 00:22:50,910
the female sasquatch some muumuu dresses

404
00:22:58,340 --> 00:22:55,830
to wear very large ones they kept them

405
00:23:02,570 --> 00:22:58,350
for a while don't know if they tried

406
00:23:05,060 --> 00:23:02,580
them on but then they gave him back my

407
00:23:07,940 --> 00:23:05,070
friend always kept a tent set up in the

408
00:23:10,490 --> 00:23:07,950
woods so when the Sasquatch wanted to

409
00:23:15,020 --> 00:23:10,500
give something back they could put it in

410
00:23:18,260 --> 00:23:15,030
the tent they once gave me a seven inch

411
00:23:22,010 --> 00:23:18,270
plastic Sasquatch doll that had moveable

412
00:23:24,320 --> 00:23:22,020
arms and legs I kept it for a year and

413
00:23:26,720 --> 00:23:24,330

then gave it back for them to give to

414

00:23:31,400 --> 00:23:26,730

the little one that had recently been

415

00:23:32,840 --> 00:23:31,410

born they kept it after that or maybe

416

00:23:36,590 --> 00:23:32,850

they gave it to someone else

417

00:23:39,800 --> 00:23:36,600

on some occasions when I gave them

418

00:23:43,430 --> 00:23:39,810

things they didn't want they chose the

419

00:23:46,190 --> 00:23:43,440

food they wanted and left the rest for

420

00:23:48,740 --> 00:23:46,200

example one day they ignored an entire

421

00:23:52,540 --> 00:23:48,750

bag of apples I left for them on the

422

00:23:55,370 --> 00:23:52,550

picnic table on grates

423

00:23:58,760 --> 00:23:55,380

afterwards I thought that perhaps those

424

00:24:01,130 --> 00:23:58,770

apples from the grocery store were GMO

425

00:24:04,490 --> 00:24:01,140

apples and they preferred to pick their

426

00:24:06,260 --> 00:24:04,500

own apples from trees in the area they

427

00:24:08,810 --> 00:24:06,270

always liked jars of honey and

428

00:24:11,600 --> 00:24:08,820

sandwiches and especially leftover

429

00:24:14,840 --> 00:24:11,610

vegetables that I cooked in foil on the

430

00:24:17,180 --> 00:24:14,850

grill I actually learned about this

431

00:24:21,230 --> 00:24:17,190

giving back behavior from dolphins I

432

00:24:23,960 --> 00:24:21,240

swim with here in Hawaii every day back

433

00:24:27,200 --> 00:24:23,970

in 1990 a dolphin swam

434

00:24:30,410 --> 00:24:27,210

to me with a leaf on his pectoral fin

435

00:24:34,880 --> 00:24:30,420

and right in front of me shook his fin

436

00:24:39,050 --> 00:24:34,890

and released it I was so amazed to see a

437

00:24:42,740 --> 00:24:39,060

quote wild dolphin bring me a leaf that

438

00:24:45,440 --> 00:24:42,750

he had found so I talked it into my

439

00:24:51,320 --> 00:24:45,450

bathing suit and brought it home to save

440

00:24:54,050 --> 00:24:51,330

forever a gift from a dolphin then on

441

00:24:56,680 --> 00:24:54,060

another day the dolphin showed me how

442

00:25:00,500 --> 00:24:56,690

they play with leaves in the ocean

443

00:25:03,140 --> 00:25:00,510

first one dolphin caught it and then he

444

00:25:05,270 --> 00:25:03,150

released it for another to catch they

445

00:25:09,290 --> 00:25:05,280

played this catch and carry the leaf

446

00:25:11,900 --> 00:25:09,300

game for a long time that was when I

447

00:25:16,220 --> 00:25:11,910

realized I wasn't supposed to take the

448

00:25:20,000 --> 00:25:16,230

leaf gift home I was meant to play the

449

00:25:23,780 --> 00:25:20,010

game with them from that time on I never

450

00:25:26,690 --> 00:25:23,790

took another one away to this day we

451
00:25:29,660 --> 00:25:26,700
passed the leaf back and forth diving

452
00:25:32,090 --> 00:25:29,670
down coming up and often playing for

453
00:25:36,140 --> 00:25:32,100
hours with many swimmers and many

454
00:25:39,680 --> 00:25:36,150
dolphins the Sasquatch often left me

455
00:25:42,020 --> 00:25:39,690
special stones as gifts only now am i

456
00:25:44,260 --> 00:25:42,030
realising the interdimensional

457
00:25:50,590 --> 00:25:44,270
capabilities of some of these stones

458
00:25:56,890 --> 00:25:50,600
they are more than mere rocks editor's

459
00:26:00,530 --> 00:25:56,900
