

Grant Cameron & Melinda Leslie | Charlie Red Star & Military Black-Ops

California Radio
MUFON
LORIEN FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:08,960 --> 00:00:06,380
forty who fought real war infant welcome

2
00:00:10,970 --> 00:00:08,970
everyone to the California MUFON radio

3
00:00:13,490 --> 00:00:10,980
show I'm your host Lori in Fenton we're

4
00:00:15,410 --> 00:00:13,500
here on inception radio network the home

5
00:00:18,050 --> 00:00:15,420
of the most amazing app on the planet

6
00:00:20,060 --> 00:00:18,060
and we're also replayed over at

7
00:00:22,400 --> 00:00:20,070
late-night in the Midlands with Michael

8
00:00:24,290 --> 00:00:22,410
Farah and I'm not sure where else we're

9
00:00:26,509 --> 00:00:24,300
being replayed at this point folks but I

10
00:00:28,250 --> 00:00:26,519
do know there are several other networks

11
00:00:30,349 --> 00:00:28,260
out there replaying the show which I'm

12
00:00:32,959 --> 00:00:30,359
very thankful for ire and letting them

13
00:00:34,940 --> 00:00:32,969

do so and thankful to all the people who

14

00:00:38,270 --> 00:00:34,950

are trying to get the truth out there as

15

00:00:40,610 --> 00:00:38,280

we all know it so there you are so I

16

00:00:42,560 --> 00:00:40,620

hope you guys had a great week or two I

17

00:00:44,869 --> 00:00:42,570

haven't been here for a while and then

18

00:00:47,060 --> 00:00:44,879

when I did show up last oh it was the

19

00:00:49,670 --> 00:00:47,070

last week MJ I don't remember what it

20

00:00:52,189 --> 00:00:49,680

was I swear to God folks I had the

21

00:00:55,250 --> 00:00:52,199

wildest thing happened and it's so funny

22

00:00:57,860 --> 00:00:55,260

and my guess my my last guest on the

23

00:01:00,680 --> 00:00:57,870

show um last week I was really sick I

24

00:01:02,479 --> 00:01:00,690

think it was last week so many things

25

00:01:04,549 --> 00:01:02,489

have been going on I can't I can't even

26

00:01:07,880 --> 00:01:04,559

think about it anymore but the Russell

27

00:01:10,399 --> 00:01:07,890

Scott brine agur he sent me his books

28

00:01:12,679 --> 00:01:10,409

overlords of the singularity oh my god

29

00:01:16,429 --> 00:01:12,689

you guys I thought it was the phone book

30

00:01:18,920 --> 00:01:16,439

I sort of got I see this big package of

31

00:01:21,530 --> 00:01:18,930

the door and I'm like oh god what is

32

00:01:23,330 --> 00:01:21,540

that and I come home and there's this

33

00:01:25,820 --> 00:01:23,340

thing the size of a freaking phone book

34

00:01:27,980 --> 00:01:25,830

on my desk and it's his book and I can't

35

00:01:29,990 --> 00:01:27,990

wait to dig into it I don't know when I

36

00:01:31,969 --> 00:01:30,000

will have time to read the whole thing I

37

00:01:35,480 --> 00:01:31,979

mean it's literally four inches thick

38

00:01:37,490 --> 00:01:35,490

and so we'll figure it out but man he

39

00:01:39,980 --> 00:01:37,500

was a great guest and I got to tell you

40

00:01:42,980 --> 00:01:39,990

guys what happened I told this oh I'm on

41

00:01:44,929 --> 00:01:42,990

a new network - I'm over at K cor on

42

00:01:47,810 --> 00:01:44,939

Monday evening from 8:00 to 10:00 p.m.

43

00:01:50,060 --> 00:01:47,820

Pacific just so you guys are aware so if

44

00:01:52,880 --> 00:01:50,070

you want to catch more more the Fenton

45

00:01:55,490 --> 00:01:52,890

the Fenton truth is we're starting to

46

00:01:57,080 --> 00:01:55,500

call it then you guys head on over there

47

00:01:58,880 --> 00:01:57,090

and listen to me on Monday nights as

48

00:02:00,830 --> 00:01:58,890

well so I'd love to have you have you

49

00:02:03,620 --> 00:02:00,840

you know show up every where I'm at you

50

00:02:06,469 --> 00:02:03,630

know why not it's a party what look at

51
00:02:08,270 --> 00:02:06,479
I'd say it he has so the last time I was

52
00:02:13,300 --> 00:02:08,280
live on air Russell was on the show

53
00:02:15,100 --> 00:02:13,310
Friday ger and I made it all the way I

54
00:02:17,890 --> 00:02:15,110
well here's what happens at when the

55
00:02:19,480 --> 00:02:17,900
show started I reached I and they're

56
00:02:23,680 --> 00:02:19,490
sitting right here on my desk I'm

57
00:02:25,720 --> 00:02:23,690
looking at them I was getting over the

58
00:02:27,760 --> 00:02:25,730
cold and getting it again and going

59
00:02:30,699 --> 00:02:27,770
through this whole thing and I bought a

60
00:02:32,890 --> 00:02:30,709
bunch of Kobe's and I and I never have

61
00:02:36,250 --> 00:02:32,900
that taken cold-eeze before but they're

62
00:02:40,720 --> 00:02:36,260
these zinc lozenges that you take kind

63
00:02:45,070 --> 00:02:40,730

of like Zicam and there's pink ones and

64

00:02:47,290 --> 00:02:45,080

there's blue ones I was sitting here and

65

00:02:48,670 --> 00:02:47,300

I really hadn't read the label hadn't

66

00:02:52,120 --> 00:02:48,680

done anything I just threw them all on

67

00:02:53,890 --> 00:02:52,130

my desk and when the show started I kind

68

00:02:56,140 --> 00:02:53,900

of you know I'm sitting there you know

69

00:02:58,090 --> 00:02:56,150

doing my thing up at the lozenge in my

70

00:03:00,040 --> 00:02:58,100

mouth and I'm second it down and you

71

00:03:02,259 --> 00:03:00,050

know bid then an hour later just let's

72

00:03:03,790 --> 00:03:02,269

take him except for like every hour - I

73

00:03:05,440 --> 00:03:03,800

was kind of pushing because I wasn't

74

00:03:07,540 --> 00:03:05,450

feeling well I was having coffee and

75

00:03:10,210 --> 00:03:07,550

attacks and the whole bit and I thought

76

00:03:12,040 --> 00:03:10,220

I'll just make another one so I it was

77

00:03:14,890 --> 00:03:12,050

nine o'clock I took one at nine o'clock

78

00:03:17,229 --> 00:03:14,900

and then I'm sitting here doing this

79

00:03:19,509 --> 00:03:17,239

show listening to Russell I look at the

80

00:03:23,170 --> 00:03:19,519

clock and I know we got like four or

81

00:03:26,350 --> 00:03:23,180

three minutes left in the show and I I

82

00:03:28,180 --> 00:03:26,360

think oh god you know getting so tired I

83

00:03:30,610 --> 00:03:28,190

wonder what's going on I'll just listen

84

00:03:33,810 --> 00:03:30,620

to him I close my eyes and I listen to

85

00:03:37,630 --> 00:03:33,820

him for a second the next thing I know I

86

00:03:38,560 --> 00:03:37,640

startled awake I put my hand on the

87

00:03:41,740 --> 00:03:38,570

keyboard

88

00:03:44,590 --> 00:03:41,750

somehow I'd muted or disconnected from

89

00:03:47,289 --> 00:03:44,600

the network I'm not sure what happened

90

00:03:49,990 --> 00:03:47,299

but I probably was asleep for maybe a

91

00:03:52,030 --> 00:03:50,000

minute maybe a minute and a half I don't

92

00:03:54,729 --> 00:03:52,040

know but I do remember hearing his voice

93

00:03:57,370 --> 00:03:54,739

the whole time so I don't know if it was

94

00:03:59,710 --> 00:03:57,380

how you know how much it was folks I

95

00:04:01,750 --> 00:03:59,720

maybe a minute or two I don't know but

96

00:04:04,150 --> 00:04:01,760

all I knows when I woke up I'm like oh

97

00:04:06,069 --> 00:04:04,160

my god what happened and I'm like and I

98

00:04:07,930 --> 00:04:06,079

hit the keyboard and everything went

99

00:04:10,569 --> 00:04:07,940

awry and then I'm trying to talk to the

100

00:04:12,310 --> 00:04:10,579

network they obviously can't hear me and

101
00:04:14,890 --> 00:04:12,320
then I'm like trying to figure out what

102
00:04:18,279 --> 00:04:14,900
I did and I think i unmuted at that

103
00:04:20,469 --> 00:04:18,289
point and so they're like oh it's okay

104
00:04:24,339 --> 00:04:20,479
you know and Brussels just stopped

105
00:04:25,080 --> 00:04:24,349
talking so what I did I felt so bad

106
00:04:27,810 --> 00:04:25,090
there

107
00:04:29,730 --> 00:04:27,820
happen if I was like oh my god what have

108
00:04:33,120 --> 00:04:29,740
I done and I felt so terrible so the

109
00:04:35,520 --> 00:04:33,130
next day I recorded an end to the show

110
00:04:40,290 --> 00:04:35,530
and I sent it off to Joe and I'm like

111
00:04:43,530 --> 00:04:40,300
sorry it was just it was so crazy folk

112
00:04:47,870 --> 00:04:43,540
so I get a Warren yet there is valerian

113
00:04:51,750 --> 00:04:47,880

there's a whole bunch of Sleepy 80

114

00:04:53,850 --> 00:04:51,760

products in this cold East and it's blue

115

00:04:55,409 --> 00:04:53,860

which means night and you think I would

116

00:04:58,980 --> 00:04:55,419

have figured that out but I had wasn't

117

00:05:01,230 --> 00:04:58,990

paying any attention of course and so

118

00:05:04,010 --> 00:05:01,240

just if you're on radio folks don't

119

00:05:06,360 --> 00:05:04,020

start taking nyquil

120

00:05:08,730 --> 00:05:06,370

when you're trying to do a live radio

121

00:05:10,860 --> 00:05:08,740

broadcast because it certainly isn't

122

00:05:12,570 --> 00:05:10,870

gonna help you any baby yeah so that's

123

00:05:14,969 --> 00:05:12,580

what happens so you guys are wondering

124

00:05:16,830 --> 00:05:14,979

why the abrupt end of the show last week

125

00:05:20,279 --> 00:05:16,840

and if I don't know if Joe ever got that

126

00:05:23,159 --> 00:05:20,289

recording put on the end but and yeah I

127

00:05:26,820 --> 00:05:23,169

hope you guys were we're like oh my god

128

00:05:29,370 --> 00:05:26,830

she just got knocked off the air so

129

00:05:33,150 --> 00:05:29,380

there you are okay so you know we're not

130

00:05:36,510 --> 00:05:33,160

we're not perfect here at California

131

00:05:38,580 --> 00:05:36,520

move on radio by far from it anyhow so

132

00:05:40,770 --> 00:05:38,590

I'm not taking these until the show is

133

00:05:42,750 --> 00:05:40,780

over tonight I will not be chewing on

134

00:05:44,909 --> 00:05:42,760

damn I will not be swallowing them

135

00:05:46,560 --> 00:05:44,919

nothing's gonna come up these little

136

00:05:48,300 --> 00:05:46,570

things here on the desk and I'm gonna

137

00:05:53,279 --> 00:05:48,310

I'm gonna click them together so you

138

00:05:55,350 --> 00:05:53,289

guys know I really have this yeah so um

139

00:05:57,480 --> 00:05:55,360

I you know I usually talk a lot longer

140

00:06:00,150 --> 00:05:57,490

the see me and I was gonna talk a little

141

00:06:03,210 --> 00:06:00,160

bit about some other subjects that have

142

00:06:05,700 --> 00:06:03,220

come up this last week for me but I have

143

00:06:08,760 --> 00:06:05,710

cracked camera Don with me tonight so I

144

00:06:13,170 --> 00:06:08,770

just want to talk briefly about you know

145

00:06:15,600 --> 00:06:13,180

you guys I you know as you all know I

146

00:06:17,550 --> 00:06:15,610

have a real hard time with the whole Tom

147

00:06:21,870 --> 00:06:17,560

DeLonge thing when it first came down

148

00:06:25,260 --> 00:06:21,880

the pike I was like oh my god what is

149

00:06:27,450 --> 00:06:25,270

going on and as a person has been in the

150

00:06:28,980 --> 00:06:27,460

community for you know quite some time

151

00:06:34,140 --> 00:06:28,990

now I've been active in the community

152

00:06:37,800 --> 00:06:34,150

only since 2010 11 ish but I've been a

153

00:06:38,820 --> 00:06:37,810

new FRG person you know I'm not a major

154

00:06:44,280 --> 00:06:38,830

research

155

00:06:46,110 --> 00:06:44,290

stretch of the imagination but I do know

156

00:06:48,000 --> 00:06:46,120

how to go to the library and I do know

157

00:06:52,170 --> 00:06:48,010

how to do research because of other

158

00:06:56,400 --> 00:06:52,180

parts of my life and I don't rely on

159

00:06:58,830 --> 00:06:56,410

YouTube as my research which is really

160

00:07:00,240 --> 00:06:58,840

making me insane that's the one thing

161

00:07:03,900 --> 00:07:00,250

that's going on out there right now

162

00:07:06,840 --> 00:07:03,910

folks you know real researchers know how

163

00:07:09,300 --> 00:07:06,850

to get a hold of people how to get

164

00:07:12,030 --> 00:07:09,310

information how to take that information

165

00:07:14,370 --> 00:07:12,040

put it all together and build the pieces

166

00:07:16,260 --> 00:07:14,380

of the puzzle into a clear picture so we

167

00:07:18,420 --> 00:07:16,270

can understand what's going on with

168

00:07:20,580 --> 00:07:18,430

whatever community you're involved in

169

00:07:22,470 --> 00:07:20,590

and that's what a real researcher does

170

00:07:24,660 --> 00:07:22,480

that's what an investigative journalist

171

00:07:26,820 --> 00:07:24,670

does that's what a you know I'm an

172

00:07:29,280 --> 00:07:26,830

author who's trying to give you

173

00:07:32,940 --> 00:07:29,290

information that is poignant to the

174

00:07:35,100 --> 00:07:32,950

point well researched as a beginning in

175

00:07:37,560 --> 00:07:35,110

the middle and an end and they're trying

176
00:07:40,590 --> 00:07:37,570
to give you something that makes sense

177
00:07:42,690 --> 00:07:40,600
and has a conclusion oh my god if I told

178
00:07:44,310 --> 00:07:42,700
you guys how many bad books I've read in

179
00:07:45,960 --> 00:07:44,320
the last five years where there's no

180
00:07:46,890 --> 00:07:45,970
reason for them to have written the book

181
00:07:49,320 --> 00:07:46,900
in the first place

182
00:07:51,210 --> 00:07:49,330
nothing's researched no footnotes I have

183
00:07:52,950 --> 00:07:51,220
no idea where anything came from I have

184
00:07:54,930 --> 00:07:52,960
no idea where their sources are I have

185
00:07:58,050 --> 00:07:54,940
no idea why they're even writing these

186
00:08:00,150 --> 00:07:58,060
books and that and that just makes me go

187
00:08:02,910 --> 00:08:00,160
insane I mean literally go nuts

188
00:08:05,520 --> 00:08:02,920

I can't handle it and I'm the first one

189

00:08:07,350 --> 00:08:05,530

to say hey I don't know the answer to

190

00:08:09,360 --> 00:08:07,360

something so I'm gonna you know I'm

191

00:08:12,180 --> 00:08:09,370

gonna sit back and I'm gonna just take

192

00:08:16,110 --> 00:08:12,190

in the information and i'ma sit here if

193

00:08:19,830 --> 00:08:16,120

it takes five years 10 years 15 years 20

194

00:08:21,480 --> 00:08:19,840

years for me to hear the next person say

195

00:08:24,240 --> 00:08:21,490

the same thing and then if it takes

196

00:08:26,520 --> 00:08:24,250

another five years ten years whatever I

197

00:08:29,160 --> 00:08:26,530

don't open my mouth about anything until

198

00:08:31,590 --> 00:08:29,170

three people has told me the same thing

199

00:08:33,660 --> 00:08:31,600

and the three people have to not know

200

00:08:35,550 --> 00:08:33,670

each other have to live in different

201

00:08:37,770 --> 00:08:35,560

parts of the world or the country at

202

00:08:39,450 --> 00:08:37,780

least they have to be different ages

203

00:08:41,969 --> 00:08:39,460

they have to have a completely different

204

00:08:43,650 --> 00:08:41,979

background they have to be so far

205

00:08:46,440 --> 00:08:43,660

removed from each other that they can't

206

00:08:48,180 --> 00:08:46,450

contaminate each other's story that's I

207

00:08:50,130 --> 00:08:48,190

wouldn't take three stories from three

208

00:08:51,540 --> 00:08:50,140

people that go to UFO conferences all

209

00:08:52,160 --> 00:08:51,550

together and see each other know their

210

00:08:54,019 --> 00:08:52,170

names for

211

00:08:56,569 --> 00:08:54,029

each other I would just have to take

212

00:08:58,519 --> 00:08:56,579

that as well you know one of them told

213

00:09:00,949 --> 00:08:58,529

the story maybe the other one dreamed

214

00:09:01,550 --> 00:09:00,959

that you know me you know you just don't

215

00:09:03,590 --> 00:09:01,560

know

216

00:09:06,889 --> 00:09:03,600

once it's contaminated like that you

217

00:09:09,050 --> 00:09:06,899

can't use it and I just get so upset

218

00:09:11,389 --> 00:09:09,060

with these people who just take you know

219

00:09:13,790 --> 00:09:11,399

all these stories at face value run with

220

00:09:17,210 --> 00:09:13,800

them and then we're sitting here going

221

00:09:20,180 --> 00:09:17,220

you know what what now having said that

222

00:09:23,420 --> 00:09:20,190

I have to apologize to all of you

223

00:09:25,790 --> 00:09:23,430

because I do that on my show here what I

224

00:09:29,449 --> 00:09:25,800

do is I bring on people who have amazing

225

00:09:32,960 --> 00:09:29,459

stories and I can't verify if any of

226

00:09:35,870 --> 00:09:32,970

them are true or not all I can tell you

227

00:09:38,990 --> 00:09:35,880

is that I bring them on because I want

228

00:09:41,629 --> 00:09:39,000

you to get this information get the same

229

00:09:44,300 --> 00:09:41,639

amount of information hear their stories

230

00:09:46,970 --> 00:09:44,310

just like I do wherever I go whatever

231

00:09:49,939 --> 00:09:46,980

I'm doing so that you know five years

232

00:09:52,009 --> 00:09:49,949

from now you guys can say feastin didn't

233

00:09:53,870 --> 00:09:52,019

I hear that on Lorient show didn't she

234

00:09:56,329 --> 00:09:53,880

have this guy that was a contact to you

235

00:09:59,060 --> 00:09:56,339

that said he saw you know this robot the

236

00:10:01,040 --> 00:09:59,070

foot of the bed hey I have a friend who

237

00:10:03,769 --> 00:10:01,050

just saw something like that or you know

238

00:10:06,530 --> 00:10:03,779

whatever that's why I bring them on and

239

00:10:08,569 --> 00:10:06,540

that was my whole point of this besides

240

00:10:10,100 --> 00:10:08,579

the fact that Greg Cameron is probably

241

00:10:12,110 --> 00:10:10,110

one of the best researchers out there

242

00:10:14,150 --> 00:10:12,120

right now he actually knows his stuff he

243

00:10:17,120 --> 00:10:14,160

knows what he's doing and he does the

244

00:10:18,769 --> 00:10:17,130

real work and there's the few others out

245

00:10:20,569 --> 00:10:18,779

there that are still doing amazing work

246

00:10:22,490 --> 00:10:20,579

but you know you guys it's really hard

247

00:10:23,870 --> 00:10:22,500

to come by people like grant they just

248

00:10:25,610 --> 00:10:23,880

they don't exist anymore

249

00:10:27,680 --> 00:10:25,620

you know everybody's relying on YouTube

250

00:10:30,680 --> 00:10:27,690

and the internet for their research and

251
00:10:33,019 --> 00:10:30,690
it's just not the same anyhow what I'm

252
00:10:35,150 --> 00:10:33,029
trying to say here is I do bring on

253
00:10:37,309 --> 00:10:35,160
people that I cannot verify their story

254
00:10:39,889 --> 00:10:37,319
I can't tell you guys if any of its real

255
00:10:42,500 --> 00:10:39,899
I just find it fascinating to get as

256
00:10:45,710 --> 00:10:42,510
many stories out there as I can on this

257
00:10:48,889 --> 00:10:45,720
show and it's fascinating to me the the

258
00:10:52,400 --> 00:10:48,899
amount of different different types of

259
00:10:54,829 --> 00:10:52,410
stories that the UFOs and the aliens are

260
00:10:56,629 --> 00:10:54,839
creating within humanity I mean you guys

261
00:10:59,090 --> 00:10:56,639
if you listen to all these people over

262
00:11:00,680 --> 00:10:59,100
the years I've been on this network and

263
00:11:03,620 --> 00:11:00,690

the different type of people I brought

264

00:11:06,230 --> 00:11:03,630

on and the amount of different different

265

00:11:08,749 --> 00:11:06,240

different stories that come

266

00:11:10,639 --> 00:11:08,759

it's mind-boggling I mean I can go

267

00:11:13,490 --> 00:11:10,649

another ten years and we probably never

268

00:11:16,040 --> 00:11:13,500

had the same type of story twice I mean

269

00:11:20,929 --> 00:11:16,050

it's really mind-boggling how complex

270

00:11:24,350 --> 00:11:20,939

how different how shape to each person's

271

00:11:26,740 --> 00:11:24,360

experience and just how their

272

00:11:30,050 --> 00:11:26,750

consciousness interacts with these these

273

00:11:33,110 --> 00:11:30,060

contacts or abductions or whatever you

274

00:11:35,389 --> 00:11:33,120

want to call them how they all they all

275

00:11:38,389 --> 00:11:35,399

play the out for each person they plant

276

00:11:40,699 --> 00:11:38,399

for each person very differently and I

277

00:11:42,499 --> 00:11:40,709

can't judge their their experience I

278

00:11:45,439 --> 00:11:42,509

can't sit here and say oh it didn't

279

00:11:46,939 --> 00:11:45,449

happen you know or give me proof or you

280

00:11:48,410 --> 00:11:46,949

know maybe you better do more research

281

00:11:50,720 --> 00:11:48,420

or you know I can't do that

282

00:11:53,389 --> 00:11:50,730

all I can do is listen let them say what

283

00:11:56,420 --> 00:11:53,399

happened you know it's kind of like my

284

00:11:58,550 --> 00:11:56,430

sister the one that that speaks with me

285

00:11:59,990 --> 00:11:58,560

still she thought it was pretty funny I

286

00:12:01,699 --> 00:12:00,000

mentioned something to her about this

287

00:12:05,329 --> 00:12:01,709

last Christmas and she goes yeah you're

288

00:12:07,759 --> 00:12:05,339

like a priest in the confessional god

289

00:12:09,740 --> 00:12:07,769

yeah that really is it you know people

290

00:12:12,049 --> 00:12:09,750

come in and they get they get to

291

00:12:15,230 --> 00:12:12,059

unburden themselves and then they get to

292

00:12:17,090 --> 00:12:15,240

you know do the two hours of penance on

293

00:12:22,280 --> 00:12:17,100

the radio show and then they feel better

294

00:12:24,139 --> 00:12:22,290

yeah it's it's pretty wild so anyhow but

295

00:12:25,850 --> 00:12:24,149

it's like into that you know it's like

296

00:12:27,799 --> 00:12:25,860

you know people come on my show a lot

297

00:12:29,360 --> 00:12:27,809

though they'll come on once and then

298

00:12:30,829 --> 00:12:29,370

you'll never hear them again you know

299

00:12:32,329 --> 00:12:30,839

why because they have to tell their

300

00:12:34,819 --> 00:12:32,339

story and someone actually let him talk

301

00:12:36,679 --> 00:12:34,829

about it you know that's 90% of the

302

00:12:37,939 --> 00:12:36,689

battle as I say here on the show this is

303

00:12:39,889 --> 00:12:37,949

the last part of what I'm going to say

304

00:12:42,350 --> 00:12:39,899

tonight you guys got to get to your

305

00:12:44,900 --> 00:12:42,360

MUFON meetings you know this is really

306

00:12:47,569 --> 00:12:44,910

this is why I do this show this is why

307

00:12:49,400 --> 00:12:47,579

it happens this is what I'm all about is

308

00:12:51,110 --> 00:12:49,410

that you guys get to these meetings and

309

00:12:53,240 --> 00:12:51,120

you find each other and you tell each

310

00:12:58,519 --> 00:12:53,250

other what's going on with you you know

311

00:13:01,400 --> 00:12:58,529

eventually we're gonna come across we're

312

00:13:04,009 --> 00:13:01,410

gonna come across the answer on how and

313

00:13:06,710 --> 00:13:04,019

why this is all happening I think grant

314

00:13:08,929 --> 00:13:06,720

is giving very close I think the people

315

00:13:09,860 --> 00:13:08,939

in South America with the Zen drehs are

316

00:13:11,720 --> 00:13:09,870

getting very close

317

00:13:13,790 --> 00:13:11,730

there's and that's been going on for

318

00:13:15,169 --> 00:13:13,800

some time and grant and I'll talk about

319

00:13:17,780 --> 00:13:15,179

that a little bit here at the beginning

320

00:13:19,400 --> 00:13:17,790

of the show but anyhow there's just you

321

00:13:21,800 --> 00:13:19,410

know the answers are coming folks

322

00:13:24,470 --> 00:13:21,810

I know they are I know because there's

323

00:13:26,420 --> 00:13:24,480

just way too many of us putting the

324

00:13:28,730 --> 00:13:26,430

stories of what's happened to each one

325

00:13:31,129 --> 00:13:28,740

of us and they're very different you

326

00:13:33,139 --> 00:13:31,139

know my contact is not anybody else's

327

00:13:34,939 --> 00:13:33,149

contact I can tell you that and the

328

00:13:37,040 --> 00:13:34,949

things I've seen I've only run acrost

329

00:13:38,749 --> 00:13:37,050

and all the the time I've been doing

330

00:13:42,949 --> 00:13:38,759

this for or five other people that had

331

00:13:44,990 --> 00:13:42,959

anything close to my experiences so not

332

00:13:47,210 --> 00:13:45,000

to say they're special or do you know

333

00:13:49,249 --> 00:13:47,220

anything special they're just different

334

00:13:51,590 --> 00:13:49,259

you know they're different for all of us

335

00:13:54,079 --> 00:13:51,600

and that's the whole point of it anyhow

336

00:13:56,449 --> 00:13:54,089

so I need you guys to get to those MUFON

337

00:13:58,369 --> 00:13:56,459

meetings it's really really important it

338

00:13:59,869 --> 00:13:58,379

you guys have got to talk about this

339

00:14:02,660 --> 00:13:59,879

it's got to come out in the open they

340

00:14:04,759 --> 00:14:02,670

told me these aliens or angels or

341

00:14:07,490 --> 00:14:04,769

whatever I'm dealing with so the only

342

00:14:09,230 --> 00:14:07,500

reason I'm on the air has nothing to do

343

00:14:10,699 --> 00:14:09,240

with me that's for darn sure or they

344

00:14:13,970 --> 00:14:10,709

would I would have been making money

345

00:14:15,920 --> 00:14:13,980

hand over fist doing this it's all about

346

00:14:17,720 --> 00:14:15,930

you guys it's about who's hearing my

347

00:14:19,100 --> 00:14:17,730

voice and understanding what I'm trying

348

00:14:20,990 --> 00:14:19,110

to tell you that you guys have got to

349

00:14:23,689 --> 00:14:21,000

get out there and tell your stories and

350

00:14:25,850 --> 00:14:23,699

if you've never had contact and you're

351

00:14:27,769 --> 00:14:25,860

so interested into this subject you've

352

00:14:30,319 --> 00:14:27,779

got to start asking yourself why you're

353

00:14:32,809 --> 00:14:30,329

so interested in the subject because the

354

00:14:34,670 --> 00:14:32,819

deeper down the rabbit hole I go I find

355

00:14:37,129 --> 00:14:34,680

there's nobody interested in this

356

00:14:39,949 --> 00:14:37,139

subject that isn't having something

357

00:14:42,740 --> 00:14:39,959

extraordinary happening to them at some

358

00:14:43,999 --> 00:14:42,750

level so just remember that okay that's

359

00:14:46,910 --> 00:14:44,009

one of the things that I'm really

360

00:14:49,040 --> 00:14:46,920

finding out the deeper I go we're all

361

00:14:50,600 --> 00:14:49,050

having some kind of contact or we all

362

00:14:52,189 --> 00:14:50,610

won't be listening to this show we will

363

00:14:54,230 --> 00:14:52,199

be listening to the network we will be

364

00:14:56,179 --> 00:14:54,240

listening to you know coast we won't be

365

00:14:58,999 --> 00:14:56,189

listening art Bell we would never have

366

00:15:01,069 --> 00:14:59,009

got involved in any of this if there

367

00:15:06,710 --> 00:15:01,079

wasn't a reason for it and there's some

368

00:15:09,980 --> 00:15:06,720

kind of entity or angel or reptilian or

369

00:15:10,460 --> 00:15:09,990

gray or something back there behind all

370

00:15:12,949 --> 00:15:10,470

this

371

00:15:15,619 --> 00:15:12,959

because there's no reason for you guys

372

00:15:17,710 --> 00:15:15,629

to even think about this so think about

373

00:15:20,210 --> 00:15:17,720

that why do you even think about it

374

00:15:21,920 --> 00:15:20,220

unless it's in your consciousness unless

375

00:15:25,269 --> 00:15:21,930

there's something there driving you on

376

00:15:28,309 --> 00:15:25,279

okay or maybe maybe it's just that

377

00:15:30,049 --> 00:15:28,319

you're you're aware of it on a spiritual

378

00:15:31,910 --> 00:15:30,059

level and you just need to have other

379

00:15:33,170 --> 00:15:31,920

people that are aware of it too you know

380

00:15:35,810 --> 00:15:33,180

it could be that simple

381

00:15:38,090 --> 00:15:35,820

but whatever it is get to those MUFON

382

00:15:40,400 --> 00:15:38,100

meetings it's super super important it's

383

00:15:42,980 --> 00:15:40,410

most important thing that I do on this

384

00:15:44,780 --> 00:15:42,990

network all week and all my shows is

385

00:15:47,000 --> 00:15:44,790

tell you guys get to the meetings find

386

00:15:49,340 --> 00:15:47,010

each other and get out there and spread

387

00:15:51,500 --> 00:15:49,350

the word that this is a this is real and

388

00:15:53,690 --> 00:15:51,510

we're gonna eventually get to the point

389

00:15:56,600 --> 00:15:53,700

we're gonna be able to make contact with

390

00:15:58,370 --> 00:15:56,610

them in in the open and some type of

391

00:15:59,690 --> 00:15:58,380

disclosure is gonna happen I'm not sure

392

00:16:02,210 --> 00:15:59,700

what it is and cranny I'll talk about

393

00:16:03,980 --> 00:16:02,220

that just a moment but something's gonna

394

00:16:06,230 --> 00:16:03,990

happen it's gonna happen sooner than

395

00:16:09,200 --> 00:16:06,240

later like definitely guarantee you guys

396

00:16:11,150 --> 00:16:09,210

that anyhow okay that's enough for this

397

00:16:12,770 --> 00:16:11,160

evening on anything I've got to say

398

00:16:18,110 --> 00:16:12,780

grant are you with me

399

00:16:20,030 --> 00:16:18,120

yes I am thanks for the kind words USN

400

00:16:27,560 --> 00:16:20,040

dejected do I send the check to the same

401
00:16:30,080 --> 00:16:27,570
place that sent the last one you know

402
00:16:32,090 --> 00:16:30,090
the thing is grant I'm just I'm getting

403
00:16:34,100 --> 00:16:32,100
more disgusted in my old age with

404
00:16:36,080 --> 00:16:34,110
everybody in the community you know I

405
00:16:38,450 --> 00:16:36,090
hate to say it but you're one of the few

406
00:16:41,810 --> 00:16:38,460
people left standing I even want to talk

407
00:16:45,290 --> 00:16:41,820
to you I know you're coming from right

408
00:16:47,540 --> 00:16:45,300
now it's it's like and and what really

409
00:16:49,670 --> 00:16:47,550
bothers me is I'm starting to think a

410
00:16:53,750 --> 00:16:49,680
lot of them are making stuff up now in

411
00:16:56,060 --> 00:16:53,760
line you know I really am you know if

412
00:16:58,400 --> 00:16:56,070
you're a year after year on that stage

413
00:17:00,350 --> 00:16:58,410

with a new book in hand where's this

414

00:17:04,670 --> 00:17:00,360

information coming from that's what I

415

00:17:06,740 --> 00:17:04,680

want to know yeah yeah so yeah well

416

00:17:08,540 --> 00:17:06,750

let's get on to what we're here for

417

00:17:11,200 --> 00:17:08,550

tonight and we got a lot of things to

418

00:17:13,850 --> 00:17:11,210

cover let's start with disclosure and

419

00:17:15,560 --> 00:17:13,860

Tom DeLonge let's start with that whole

420

00:17:19,390 --> 00:17:15,570

thing now I don't know if many of you

421

00:17:23,000 --> 00:17:19,400

have followed this but Tom DeLonge has

422

00:17:25,040 --> 00:17:23,010

announced that he is going to be mr.

423

00:17:28,700 --> 00:17:25,050

disclosure but he's also announced quite

424

00:17:30,800 --> 00:17:28,710

a few other things that came along to

425

00:17:34,280 --> 00:17:30,810

the stars Academy if I remember

426
00:17:36,440 --> 00:17:34,290
correctly he had to pronounce it and I

427
00:17:38,660 --> 00:17:36,450
don't know how many of you followed it

428
00:17:41,410 --> 00:17:38,670
but grant can you tell people in a

429
00:17:44,750 --> 00:17:41,420
nutshell what Tom DeLonge did at that

430
00:17:45,980 --> 00:17:44,760
press conference they held and what you

431
00:17:46,940 --> 00:17:45,990
took away from that press conference

432
00:17:52,070 --> 00:17:46,950
let's just

433
00:17:54,350 --> 00:17:52,080
there okay well he I guess we should

434
00:17:55,760 --> 00:17:54,360
actually go to the most important part

435
00:17:58,580 --> 00:17:55,770
and that is how it all got set up

436
00:18:01,700 --> 00:17:58,590
because people tom is putting it out

437
00:18:05,450 --> 00:18:01,710
like 'is the sort of the big maestro and

438
00:18:07,250 --> 00:18:05,460

he's running the whole show and people

439

00:18:09,680 --> 00:18:07,260

have to know and I keep pointing us out

440

00:18:12,590 --> 00:18:09,690

but nobody really listens is the fact

441

00:18:16,580 --> 00:18:12,600

that he was set up that he was invited

442

00:18:20,150 --> 00:18:16,590

to a barbecue at Lockheed skunkworks to

443

00:18:22,700 --> 00:18:20,160

introduce the president and he said okay

444

00:18:25,160 --> 00:18:22,710

I'll do it but if I do I need to talk to

445

00:18:26,660 --> 00:18:25,170

the president for five minutes and so

446

00:18:28,340 --> 00:18:26,670

they bring him in and this is a setup

447

00:18:30,470 --> 00:18:28,350

this is the hook this is what they

448

00:18:32,030 --> 00:18:30,480

always do they bring him in they know

449

00:18:36,800 --> 00:18:32,040

he's interest in UFOs they know he has

450

00:18:38,330 --> 00:18:36,810

this major conspiracy website where he's

451
00:18:40,520 --> 00:18:38,340
putting stuff on that he knows it isn't

452
00:18:43,190 --> 00:18:40,530
really true they know the whole

453
00:18:44,930 --> 00:18:43,200
background on him and so he has this

454
00:18:46,660 --> 00:18:44,940
five-minute conversation with the

455
00:18:49,460 --> 00:18:46,670
president he doesn't really say anything

456
00:18:51,290 --> 00:18:49,470
he doesn't use the word I should say but

457
00:18:53,750 --> 00:18:51,300
he says I've got a proposition I got a

458
00:18:55,850 --> 00:18:53,760
plan and the guy says yeah okay and so

459
00:18:58,130 --> 00:18:55,860
they allow him to come up to area 51 to

460
00:19:02,000 --> 00:18:58,140
Lockheed they goes into this secure

461
00:19:04,130 --> 00:19:02,010
facility and he's talking to the I think

462
00:19:06,260 --> 00:19:04,140
the head scientist and one other guy the

463
00:19:08,690 --> 00:19:06,270

head guy isn't there yet and he

464

00:19:11,930 --> 00:19:08,700

basically goes through his his spiel

465

00:19:13,820 --> 00:19:11,940

about you know how the aliens are here

466

00:19:15,530 --> 00:19:13,830

in the cargo cult and that's where

467

00:19:17,660 --> 00:19:15,540

religions come from and that all

468

00:19:19,010 --> 00:19:17,670

religions are caused by UFO sightings

469

00:19:20,690 --> 00:19:19,020

and the religions are fighting with each

470

00:19:22,550 --> 00:19:20,700

other because aliens are hitting one

471

00:19:24,470 --> 00:19:22,560

religion against another and that's his

472

00:19:27,610 --> 00:19:24,480

basic theory so he puts this out and

473

00:19:30,560 --> 00:19:27,620

then they confront him about the his

474

00:19:32,630 --> 00:19:30,570

website his conspiracy website and he's

475

00:19:34,700 --> 00:19:32,640

trying to defend why he had this website

476

00:19:37,850 --> 00:19:34,710

about all these you know things that I

477

00:19:42,380 --> 00:19:37,860

on there and the the head guy comes in

478

00:19:45,530 --> 00:19:42,390

and they basically once he finishes the

479

00:19:48,530 --> 00:19:45,540

cargo cult they basically say we've got

480

00:19:52,640 --> 00:19:48,540

someone we want you to meet and he is

481

00:19:55,450 --> 00:19:52,650

sent to Washington DC and he encounters

482

00:19:59,450 --> 00:19:55,460

two people from the AI from the CIA and

483

00:20:00,440 --> 00:19:59,460

those two guys send him to NASA he meets

484

00:20:03,129 --> 00:20:00,450

somebody at NASA

485

00:20:05,899 --> 00:20:03,139

that guy sends them to the west coast to

486

00:20:08,389 --> 00:20:05,909

gain to a NASA facility there he meets a

487

00:20:09,830 --> 00:20:08,399

general and they basically set up this

488

00:20:13,999 --> 00:20:09,840

whole thing so he goes from person to

489

00:20:16,999 --> 00:20:14,009

person and this whole team of people are

490

00:20:20,659 --> 00:20:17,009

set up who are going to help him on his

491

00:20:24,019 --> 00:20:20,669

mission his mission is to disclose and

492

00:20:26,299 --> 00:20:24,029

to sell lots of books and make movies

493

00:20:28,820 --> 00:20:26,309

and make lots of money at this this

494

00:20:30,680 --> 00:20:28,830

whole thing so that's big

495

00:20:32,210 --> 00:20:30,690

I wouldn't interject one thing what

496

00:20:34,099 --> 00:20:32,220

people don't understand is that the

497

00:20:35,960 --> 00:20:34,109

history of what's happened in mythology

498

00:20:37,669 --> 00:20:35,970

is very important about what grants

499

00:20:39,619 --> 00:20:37,679

talking about right now because the same

500

00:20:41,450 --> 00:20:39,629

thing happened with the Rockefeller

501
00:20:43,460 --> 00:20:41,460
initiative when Linda Moulton Howe

502
00:20:44,779 --> 00:20:43,470
Steven Greer the list goes on and I

503
00:20:46,369 --> 00:20:44,789
can't remember all the names of all the

504
00:20:49,970 --> 00:20:46,379
people they're met with David

505
00:20:51,769 --> 00:20:49,980
Rockefeller back in God was it 92 well I

506
00:20:53,299 --> 00:20:51,779
can't remember what year was yeah

507
00:20:56,269 --> 00:20:53,309
Lourdes Rockefeller yeah Laurance

508
00:20:58,369 --> 00:20:56,279
Rockefeller maybe 77 I just can't

509
00:21:00,470 --> 00:20:58,379
remember for the life of me what your

510
00:21:02,539 --> 00:21:00,480
that happened but I see the picture

511
00:21:05,659 --> 00:21:02,549
plainly in my head of that they took of

512
00:21:07,580 --> 00:21:05,669
the group photo and there is like

513
00:21:10,669 --> 00:21:07,590

everybody knew ethology was there at the

514

00:21:12,139 --> 00:21:10,679

time and they all became anointed as the

515

00:21:14,450 --> 00:21:12,149

people and you know follow Gaea that

516

00:21:16,399 --> 00:21:14,460

we're gonna carry forward with we're

517

00:21:19,909 --> 00:21:16,409

gonna disclose you know this is you know

518

00:21:28,639 --> 00:21:19,919

they were now the gurus of our community

519

00:21:30,200 --> 00:21:28,649

and we didn't vote him in this happened

520

00:21:33,229 --> 00:21:30,210

many times happen first would Bill Moore

521

00:21:35,599 --> 00:21:33,239

back in NASA he put out the the Roswell

522

00:21:37,849 --> 00:21:35,609

book the the Roswell incident that was

523

00:21:40,789 --> 00:21:37,859

before anybody knew Roswell's existed he

524

00:21:43,489 --> 00:21:40,799

puts out the Roswell incident and he's

525

00:21:45,649 --> 00:21:43,499

contacted the same thing the hook there

526
00:21:49,460 --> 00:21:45,659
was he gets phone call from Albuquerque

527
00:21:51,859 --> 00:21:49,470
New Mexico after he starts the the the

528
00:21:53,509 --> 00:21:51,869
book tour and it's after the show

529
00:21:55,999 --> 00:21:53,519
there's a phone call comes in at the end

530
00:21:57,229 --> 00:21:56,009
of the show he takes it off air and it

531
00:21:59,210 --> 00:21:57,239
says here the only guy knows what you're

532
00:22:01,700 --> 00:21:59,220
talking about and Bill Moore was a very

533
00:22:03,379 --> 00:22:01,710
smart guy but he had a big ego and he

534
00:22:05,180 --> 00:22:03,389
basically said yeah that's true he

535
00:22:05,690 --> 00:22:05,190
basically I mean no guy knows what I'm

536
00:22:07,580 --> 00:22:05,700
talking about

537
00:22:09,769 --> 00:22:07,590
and then he contains the book to her and

538
00:22:12,289 --> 00:22:09,779

he gets a phone call from a guy who I've

539

00:22:13,780 --> 00:22:12,299

actually identified now he was a guy he

540

00:22:15,460 --> 00:22:13,790

was

541

00:22:17,470 --> 00:22:15,470

everybody always talks about this Falken

542

00:22:21,550 --> 00:22:17,480

thing the guy was he phoned from Offutt

543

00:22:25,180 --> 00:22:21,560

Air Force Base and he was which was

544

00:22:29,110 --> 00:22:25,190

called Richard Dodie's defense

545

00:22:31,000 --> 00:22:29,120

intelligence guy in Washington DC and I

546

00:22:34,530 --> 00:22:31,010

think Brad sparks identified who this

547

00:22:43,030 --> 00:22:34,540

guy was he was saying a former or he was

548

00:22:47,610 --> 00:22:45,760

yeah Navin Naval Intelligence let me

549

00:22:49,780 --> 00:22:47,620

think I've got to get it right here

550

00:22:52,810 --> 00:22:49,790

Defense Intelligence Agency he was

551
00:22:54,520 --> 00:22:52,820
Defense Intelligence Agency okay and his

552
00:22:56,200 --> 00:22:54,530
name Evans I think it's name was Evans

553
00:22:58,870 --> 00:22:56,210
he was ill advised leftenant colonel and

554
00:23:00,040 --> 00:22:58,880
the strange thing about that is and that

555
00:23:01,330 --> 00:23:00,050
one sort of escaped everybody even

556
00:23:02,710 --> 00:23:01,340
though I've a lot couple of lectures

557
00:23:05,080 --> 00:23:02,720
I've actually mentioned the fact that

558
00:23:06,790 --> 00:23:05,090
this guy is is the guy that made the

559
00:23:08,410 --> 00:23:06,800
initial phone call to Bill Moore and

560
00:23:10,180 --> 00:23:08,420
said you're the oh god no sir you're

561
00:23:13,390 --> 00:23:10,190
talking about and we want to meet with

562
00:23:16,030 --> 00:23:13,400
you and so this Evans guy and dodi meet

563
00:23:17,440 --> 00:23:16,040

with with Bill Moore and they basically

564

00:23:19,930 --> 00:23:17,450

do the same thing they give them all

565

00:23:21,370 --> 00:23:19,940

these these contacts and we're gonna set

566

00:23:24,430 --> 00:23:21,380

you up you're gonna be the disclosure

567

00:23:26,650 --> 00:23:24,440

guy and Bill Moore goes out and and has

568

00:23:29,050 --> 00:23:26,660

what becomes known as the famous Avery

569

00:23:31,750 --> 00:23:29,060

where he gives everybody bird names he

570

00:23:33,730 --> 00:23:31,760

and Jamie Shandra who was his partner a

571

00:23:36,100 --> 00:23:33,740

film producer guy out of Los Angeles

572

00:23:37,900 --> 00:23:36,110

they give all these guys bird names so

573

00:23:39,400 --> 00:23:37,910

they can talk about them when they're

574

00:23:41,410 --> 00:23:39,410

talking on the telephone so nobody knows

575

00:23:44,560 --> 00:23:41,420

who these people are so they is there's

576

00:23:47,590 --> 00:23:44,570

the Condor and the Falcon and you know

577

00:23:49,780 --> 00:23:47,600

all DC the penguin is John Alexander and

578

00:23:51,940 --> 00:23:49,790

the the Pelican is Ron Pandolfi and

579

00:23:53,290 --> 00:23:51,950

everybody kicked green is the blue jay

580

00:23:55,930 --> 00:23:53,300

and all these people have these these

581

00:23:58,390 --> 00:23:55,940

names and you know grant at this point

582

00:23:59,980 --> 00:23:58,400

we should kind of rap out when this

583

00:24:01,450 --> 00:23:59,990

started because it started with John

584

00:24:04,180 --> 00:24:01,460

well it didn't start with John Alexander

585

00:24:06,910 --> 00:24:04,190

but John Alexander was the first guy the

586

00:24:09,160 --> 00:24:06,920

first meeting who created the the Avery

587

00:24:11,680 --> 00:24:09,170

is that well as I know I was working

588

00:24:13,420 --> 00:24:11,690

group no it was I but you see it was it

589

00:24:16,330 --> 00:24:13,430

was actually just Bill Moore giving

590

00:24:17,890 --> 00:24:16,340

these people names bird names and most

591

00:24:21,130 --> 00:24:17,900

of these people like I talked to for

592

00:24:23,110 --> 00:24:21,140

example I talked to Scott Jones who was

593

00:24:25,030 --> 00:24:23,120

always rumored to be the a the the

594

00:24:26,790 --> 00:24:25,040

Falcon he was a very powerful he was the

595

00:24:29,080 --> 00:24:26,800

guy that helped brief

596

00:24:34,390 --> 00:24:29,090

Clinton science advisor with rockefeller

597

00:24:36,280 --> 00:24:34,400

it's a very very high-level guy and he I

598

00:24:39,550 --> 00:24:36,290

remember when they when Bill Moore

599

00:24:40,150 --> 00:24:39,560

claimed who the Falcon was that in later

600

00:24:44,680 --> 00:24:40,160

on

601
00:24:45,970 --> 00:24:44,690
have to worry anymore you're not the

602
00:24:47,770 --> 00:24:45,980
unit you're not the anymore and

603
00:24:49,270 --> 00:24:47,780
he said oh I've had about three or four

604
00:24:50,620 --> 00:24:49,280
different bird names so none of these

605
00:24:52,960 --> 00:24:50,630
guys really knew what their bird name

606
00:24:55,750 --> 00:24:52,970
was only only Bill Moore and Jamie SH

607
00:24:57,490 --> 00:24:55,760
and Ray knew who the actual it was just

608
00:24:59,350 --> 00:24:57,500
a thing that they had but it sort of

609
00:25:02,650 --> 00:24:59,360
became a cult thing where all these guys

610
00:25:06,000 --> 00:25:02,660
knew that they had bird names and what

611
00:25:09,670 --> 00:25:06,010
they were were people inside

612
00:25:11,950 --> 00:25:09,680
intelligence the government military who

613
00:25:13,840 --> 00:25:11,960

had at one point in their career run up

614

00:25:15,820 --> 00:25:13,850

against the UFO phenomena so for example

615

00:25:18,280 --> 00:25:15,830

Kate green is an example KITT green

616

00:25:21,370 --> 00:25:18,290

round the weird desk at the CIA from 70

617

00:25:25,000 --> 00:25:21,380

from 69 to 83 and he was known as the

618

00:25:26,710 --> 00:25:25,010

Blue Jays and then he was a contractor

619

00:25:28,540 --> 00:25:26,720

for the CIA so he left the CIA retired

620

00:25:31,840 --> 00:25:28,550

and he's still doing contract work for

621

00:25:34,510 --> 00:25:31,850

the CIA and he was he was very

622

00:25:36,220 --> 00:25:34,520

interested in contacting these other

623

00:25:37,390 --> 00:25:36,230

guys because everybody had a piece of

624

00:25:38,950 --> 00:25:37,400

the puzzle like John Alexander had a

625

00:25:40,960 --> 00:25:38,960

piece of the puzzle Scott Jones had a

626

00:25:42,550 --> 00:25:40,970

piece of the puzzle and that was the

627

00:25:44,620 --> 00:25:42,560

story I was told for example about kid

628

00:25:45,430 --> 00:25:44,630

green this guy was a physiologist he

629

00:25:47,650 --> 00:25:45,440

said he's a doctor

630

00:25:50,680 --> 00:25:47,660

and he always was trying to get briefed

631

00:25:52,090 --> 00:25:50,690

on the alien autopsy and he could not

632

00:25:53,830 --> 00:25:52,100

get briefed so he knew a lot of stuff

633

00:25:55,000 --> 00:25:53,840

about a lot of stuff but the thing that

634

00:25:57,040 --> 00:25:55,010

he really wanted to know the alien

635

00:25:58,930 --> 00:25:57,050

autopsy stuff he wasn't he was never

636

00:26:01,600 --> 00:25:58,940

given a clearance to know what was going

637

00:26:04,390 --> 00:26:01,610

on so these guys are all there and this

638

00:26:06,910 --> 00:26:04,400

this initial guy one of the things that

639

00:26:08,860 --> 00:26:06,920

people they sort of don't really realize

640

00:26:12,850 --> 00:26:08,870

is were a lot of the documents we have

641

00:26:15,160 --> 00:26:12,860

for example this Defense Intelligence

642

00:26:17,440 --> 00:26:15,170

guy who initially contacted bill Moore

643

00:26:20,530 --> 00:26:17,450

in 1980 when the book der starts there

644

00:26:22,120 --> 00:26:20,540

he writes the Roswell's incident which I

645

00:26:26,290 --> 00:26:22,130

think sold a million copies was big

646

00:26:29,350 --> 00:26:26,300

selling book and he phones him and this

647

00:26:32,350 --> 00:26:29,360

guy was the guy who wrote the report on

648

00:26:34,600 --> 00:26:32,360

the Iranian jet fighter incident where

649

00:26:37,180 --> 00:26:34,610

the the jet fighters is going to

650

00:26:38,530 --> 00:26:37,190

scrambled and all the stuff is shut down

651
00:26:41,200 --> 00:26:38,540
in this

652
00:26:42,700 --> 00:26:41,210
in the jet fighter where you sitting

653
00:26:43,930 --> 00:26:42,710
here this is the guy that wrote the

654
00:26:46,060 --> 00:26:43,940
report and most people don't know that

655
00:26:48,010 --> 00:26:46,070
and the other thing that that happened

656
00:26:51,460 --> 00:26:48,020
that he was was he was the guy who

657
00:26:54,550 --> 00:26:51,470
leaked the documents about the NORAD

658
00:26:57,250 --> 00:26:54,560
site that sort NORAD stuff in 1975 when

659
00:26:59,080 --> 00:26:57,260
I had my first sighting all the Nora

660
00:27:00,880 --> 00:26:59,090
there was the NORAD document I remember

661
00:27:03,580 --> 00:27:00,890
Bob Pratt the National Enquirer showing

662
00:27:05,350 --> 00:27:03,590
him to me back at that time and these

663
00:27:07,390 --> 00:27:05,360

were documents that they had been given

664

00:27:09,190 --> 00:27:07,400

alert on and and the National Enquirer

665

00:27:13,960 --> 00:27:09,200

forced them out but it was it was this

666

00:27:15,880 --> 00:27:13,970

guy this office this defense

667

00:27:17,380 --> 00:27:15,890

intelligence guy who actually leaked

668

00:27:19,000 --> 00:27:17,390

those documents so everybody knows about

669

00:27:20,620 --> 00:27:19,010

the documents and nobody ever thinks

670

00:27:22,510 --> 00:27:20,630

about it like where did that document

671

00:27:25,000 --> 00:27:22,520

come from it was actually leaked so bill

672

00:27:27,910 --> 00:27:25,010

Moore starts this process in 1980s and

673

00:27:30,250 --> 00:27:27,920

he's got these Avery guys and they start

674

00:27:31,540 --> 00:27:30,260

feeding him material and what I say

675

00:27:33,910 --> 00:27:31,550

they're doing every other managing

676

00:27:36,190 --> 00:27:33,920

distort aren't they already brought

677

00:27:38,350 --> 00:27:36,200

together by John Alexander John

678

00:27:42,180 --> 00:27:38,360

Alexander as a theoretical working group

679

00:27:46,210 --> 00:27:42,190

though right I'll get to that in a sec

680

00:27:47,890 --> 00:27:46,220

okay so he starts in 1980 and and John

681

00:27:50,890 --> 00:27:47,900

is just one of the guys he's the the

682

00:27:52,600 --> 00:27:50,900

Pelican that's that's his that's his no

683

00:27:54,400 --> 00:27:52,610

he's the penguin John Alexander I

684

00:27:56,320 --> 00:27:54,410

believe was the penguin although bill

685

00:27:57,790 --> 00:27:56,330

Moore's never confirmed who was who but

686

00:27:59,290 --> 00:27:57,800

he was known as the the penguin so he

687

00:28:02,200 --> 00:27:59,300

was one of the sources that bill Moore

688

00:28:04,960 --> 00:28:02,210

was using and he had like coal man he

689

00:28:07,630 --> 00:28:04,970

had you know Pandolfi kid green Ron

690

00:28:13,120 --> 00:28:07,640

Pandolfi there was there was 24 these

691

00:28:14,980 --> 00:28:13,130

people there was a huge list of nobody

692

00:28:16,990 --> 00:28:14,990

everybody always said he was the Falken

693

00:28:20,110 --> 00:28:17,000

but he wasn't the Faulk and he played

694

00:28:22,720 --> 00:28:20,120

the Falcon on a documentary in 1988

695

00:28:24,550 --> 00:28:22,730

which was called UFO cover-up live and

696

00:28:25,900 --> 00:28:24,560

this was the document rarity said this

697

00:28:27,730 --> 00:28:25,910

is the worst documentary in the world

698

00:28:30,040 --> 00:28:27,740

they were reading off cue cards and all

699

00:28:31,390 --> 00:28:30,050

this kind of stuff and they were and

700

00:28:33,580 --> 00:28:31,400

that was because it was being run by

701
00:28:35,590 --> 00:28:33,590
grabber ties it was a CIA front company

702
00:28:37,510 --> 00:28:35,600
and this is Ronald Reagan doing a

703
00:28:39,700 --> 00:28:37,520
disclosure he was dropping a bunch of

704
00:28:42,670 --> 00:28:39,710
material into the UFO community this is

705
00:28:44,860 --> 00:28:42,680
October of 1988 two weeks before Reagan

706
00:28:47,380 --> 00:28:44,870
the election before Reagan leaves office

707
00:28:49,570 --> 00:28:47,390
and they basically that's when the area

708
00:28:50,500 --> 00:28:49,580
51 idea is introduced it's on a

709
00:28:52,300 --> 00:28:50,510
flowchart

710
00:28:54,400 --> 00:28:52,310
on that documentary if you look

711
00:28:57,310 --> 00:28:54,410
this UFO cover-up live you'll see a

712
00:28:59,350 --> 00:28:57,320
flowchart and it shows area 51 well Bob

713
00:29:02,050 --> 00:28:59,360

Lazar would not come public until the

714

00:29:04,780 --> 00:29:02,060

spring of the next year so before Bob

715

00:29:06,910 --> 00:29:04,790

Lazar ever went on to the base that was

716

00:29:08,640 --> 00:29:06,920

in a flow chart on UFO cover-up live the

717

00:29:12,540 --> 00:29:08,650

other thing was on the flow chart was a

718

00:29:15,100 --> 00:29:12,550

parapsychology research unit at the

719

00:29:16,810 --> 00:29:15,110

Defense Intelligence Agency and that's

720

00:29:20,050 --> 00:29:16,820

on the flow chart and that would not be

721

00:29:22,300 --> 00:29:20,060

declassified till 1995 when Ron Pandolfi

722

00:29:23,860 --> 00:29:22,310

would get control of it at the CIA would

723

00:29:25,930 --> 00:29:23,870

grab it away from the Defense

724

00:29:28,180 --> 00:29:25,940

Intelligence Agency get it to the CIA

725

00:29:30,040 --> 00:29:28,190

and then make it disappear or go into

726

00:29:31,420 --> 00:29:30,050

the black world he shut down the remote

727

00:29:33,610 --> 00:29:31,430

viewing program but that the remote

728

00:29:36,220 --> 00:29:33,620

viewing program was on this 1988

729

00:29:39,190 --> 00:29:36,230

documentary so all this stuff was sort

730

00:29:42,430 --> 00:29:39,200

of put out there and and leaked so bill

731

00:29:45,280 --> 00:29:42,440

starts this in 1980-81 he gets the idea

732

00:29:47,440 --> 00:29:45,290

of mj-12 there's these documents and all

733

00:29:49,720 --> 00:29:47,450

the documents are phony but they all

734

00:29:51,820 --> 00:29:49,730

point to the fact that mj-12 was for

735

00:29:54,880 --> 00:29:51,830

real and so they altered documents and

736

00:29:56,260 --> 00:29:54,890

there are actually most people to

737

00:29:57,850 --> 00:29:56,270

realize every cell of the mj-12

738

00:30:01,210 --> 00:29:57,860

documents real but what they don't

739

00:30:02,950 --> 00:30:01,220

realize is there were 3,700 pages of

740

00:30:08,170 --> 00:30:02,960

documents and most of these documents

741

00:30:10,930 --> 00:30:08,180

were investigated by Bob wood and Ryan

742

00:30:13,450 --> 00:30:10,940

wood his son and that quarter a quarter

743

00:30:15,340 --> 00:30:13,460

million dollars was put up by joel

744

00:30:16,630 --> 00:30:15,350

fuhrman to research those documents and

745

00:30:19,060 --> 00:30:16,640

they up they started to leak in the

746

00:30:20,590 --> 00:30:19,070

1990s so there was thirty seven hundred

747

00:30:21,790 --> 00:30:20,600

pages of documents so this is not and

748

00:30:23,380 --> 00:30:21,800

people said well it's Richard Doty he's

749

00:30:25,740 --> 00:30:23,390

behind the mj-12 and I say absolute

750

00:30:29,170 --> 00:30:25,750

garbage come on Richard Doty was gone in

751

00:30:31,510 --> 00:30:29,180

1986 or 87 at the latest he was gone in

752

00:30:33,280 --> 00:30:31,520

87 and these documents didn't start

753

00:30:35,230 --> 00:30:33,290

leaking until five years later this was

754

00:30:37,960 --> 00:30:35,240

an organization you don't have one guide

755

00:30:39,970 --> 00:30:37,970

leaking 3,700 pages of documents and so

756

00:30:41,860 --> 00:30:39,980

this is what they did so bill Moore

757

00:30:44,620 --> 00:30:41,870

starts it he creates this Avery with

758

00:30:47,410 --> 00:30:44,630

these 24 guys and these guys start to

759

00:30:49,300 --> 00:30:47,420

recycle so they all realized this might

760

00:30:50,770 --> 00:30:49,310

just my impression they all realize

761

00:30:52,540 --> 00:30:50,780

there's these other guys so they realize

762

00:30:54,010 --> 00:30:52,550

you know that there's other people have

763

00:30:56,230 --> 00:30:54,020

these clearances and they get to know

764

00:31:01,529 --> 00:30:56,240

each other and they start as sort of an

765

00:31:07,229 --> 00:31:03,749

70% off at Banana Republic factory

766

00:31:10,019 --> 00:31:07,239

stores and online and 60% off absolutely

767

00:31:12,359 --> 00:31:10,029

everything at Yap factory stores save

768

00:31:14,669 --> 00:31:12,369

even more with 40% off clearance at Gap

769

00:31:17,369 --> 00:31:14,679

factory stores and at Banana Republic

770

00:31:21,299 --> 00:31:17,379

factory sweaters start at \$19.99 and

771

00:31:23,129 --> 00:31:21,309

scarves start at \$9.99 hurry search our

772

00:31:25,320 --> 00:31:23,139

store locator for your nearest Gap

773

00:31:29,099 --> 00:31:25,330

Factory and Banana Republic factory

774

00:31:30,539 --> 00:31:29,109

store or shop us online early they're

775

00:31:32,159 --> 00:31:30,549

talking back and forth with each other

776

00:31:36,289 --> 00:31:32,169

and they're all they're all like trying

777

00:31:39,019 --> 00:31:36,299

to figure out what's going on so in 1985

778

00:31:41,609 --> 00:31:39,029

John Alexander who's one of the Avery

779

00:31:43,919 --> 00:31:41,619

starts a group and he said this was just

780

00:31:45,149 --> 00:31:43,929

personal interest and I actually was I

781

00:31:46,830 --> 00:31:45,159

think I was the one that I actually put

782

00:31:50,219 --> 00:31:46,840

out the document that said it was a

783

00:31:51,749 --> 00:31:50,229

top-secret restricted program and that

784

00:31:54,149 --> 00:31:51,759

was the same classification it was on

785

00:31:56,999 --> 00:31:54,159

the mj-12 document and it was at a it

786

00:32:00,509 --> 00:31:57,009

was at a secure facility in Virginia and

787

00:32:02,849 --> 00:32:00,519

he was always called the the New York

788

00:32:04,649 --> 00:32:02,859

Times put out a book called they talked

789

00:32:08,729 --> 00:32:04,659

about it about it was the UFO working

790

00:32:11,700 --> 00:32:08,739

group so when I got the one document

791

00:32:13,529 --> 00:32:11,710

that that was the cover page of it I put

792

00:32:16,919 --> 00:32:13,539

just enough the cover page to prove that

793

00:32:19,259 --> 00:32:16,929

I had the document on a lecture that I

794

00:32:21,769 --> 00:32:19,269

did in Eureka Springs and it was at that

795

00:32:24,359 --> 00:32:21,779

lecture that Tim good came up to me and

796

00:32:26,609 --> 00:32:24,369

so did George Wingfield who worked on

797

00:32:29,940 --> 00:32:26,619

crop circles in the early days and they

798

00:32:31,710 --> 00:32:29,950

said and they said they said and I

799

00:32:33,119 --> 00:32:31,720

showed all the names or except for two I

800

00:32:35,310 --> 00:32:33,129

took two of the names off but I showed

801
00:32:37,680 --> 00:32:35,320
about 18 of the names of the people that

802
00:32:39,419 --> 00:32:37,690
were in in this what was called the

803
00:32:41,099 --> 00:32:39,429
advanced physics theoretical working

804
00:32:43,200 --> 00:32:41,109
group thank you I can never remember the

805
00:32:44,879 --> 00:32:43,210
whole time I think and and the reason

806
00:32:47,369 --> 00:32:44,889
they called it that according to John

807
00:32:48,599 --> 00:32:47,379
was they didn't wanted fy8 a suppose so

808
00:32:50,339 --> 00:32:48,609
everybody's gonna do nfie

809
00:32:52,229 --> 00:32:50,349
so you don't put UFOs he called the

810
00:32:54,930 --> 00:32:52,239
advanced physics theoretical working

811
00:32:57,450 --> 00:32:54,940
group so I put just enough on this chart

812
00:32:58,259 --> 00:32:57,460
on one of the slides to show that that

813
00:33:01,109 --> 00:32:58,269

sort was called

814

00:33:02,549 --> 00:33:01,119

and then suddenly Tim good approaches me

815

00:33:04,739 --> 00:33:02,559

and so does Wingfield right after the

816

00:33:05,999 --> 00:33:04,749

lecture and says you showed some names

817

00:33:08,430 --> 00:33:06,009

because only showed the names for like

818

00:33:10,619 --> 00:33:08,440

two seconds it's so much no but nobody

819

00:33:13,440 --> 00:33:10,629

copped him down and they said you showed

820

00:33:15,150 --> 00:33:13,450

some names of a group could we get the

821

00:33:16,860 --> 00:33:15,160

names I said yeah sure you get things

822

00:33:19,230 --> 00:33:16,870

so I give him the names and then

823

00:33:21,720 --> 00:33:19,240

suddenly I get a phone call from hell

824

00:33:24,330 --> 00:33:21,730

put off who's now part of the time the

825

00:33:26,250 --> 00:33:24,340

long operation right and he'll contacts

826

00:33:27,690 --> 00:33:26,260

me into hell almost never contacts me I

827

00:33:29,880 --> 00:33:27,700

mean how's the busy guy he's doing his

828

00:33:32,250 --> 00:33:29,890

thing whatever and so he'll contacts me

829

00:33:34,860 --> 00:33:32,260

he says oh I understand you've got a

830

00:33:36,810 --> 00:33:34,870

list of a list of names of a group that

831

00:33:38,880 --> 00:33:36,820

I was supposed to be part of and I said

832

00:33:40,710 --> 00:33:38,890

yeah I do and he said could I could I

833

00:33:42,150 --> 00:33:40,720

get the list I said yeah sure so I sent

834

00:33:44,730 --> 00:33:42,160

him all the lists except for the the

835

00:33:45,960 --> 00:33:44,740

same two names I took off yeah I sent it

836

00:33:49,020 --> 00:33:45,970

to him and I never heard anything more

837

00:33:52,410 --> 00:33:49,030

about it but I think George I guess

838

00:33:54,030 --> 00:33:52,420

everybody had gone to him and like Tim

839

00:33:55,560 --> 00:33:54,040

good had gone to him and asked were you

840

00:33:57,810 --> 00:33:55,570

part of this group and then John

841

00:33:58,860 --> 00:33:57,820

Alexander goes public and he said oh it

842

00:34:00,360 --> 00:33:58,870

was called the advanced physics

843

00:34:02,820 --> 00:34:00,370

theoretical working group and nobody had

844

00:34:04,620 --> 00:34:02,830

notes so then my Lex next lecture I put

845

00:34:08,460 --> 00:34:04,630

out the fact I said oh and I got the

846

00:34:09,990 --> 00:34:08,470

notes too sure it was I was called the

847

00:34:11,040 --> 00:34:10,000

best is exterior Attica working group

848

00:34:13,980 --> 00:34:11,050

and nobody was supposed to have notes

849

00:34:15,950 --> 00:34:13,990

and you and I both we were discussing

850

00:34:18,750 --> 00:34:15,960

before we had a big meeting in Laughlin

851

00:34:25,140 --> 00:34:18,760

that we have to sort of release that

852

00:34:26,909 --> 00:34:25,150

that Melinda Leslie and Randy have been

853

00:34:28,919 --> 00:34:26,919

working on this for 25 years I didn't

854

00:34:33,090 --> 00:34:28,929

realize this until a couple months ago

855

00:34:34,950 --> 00:34:33,100

last month when they noted we know to be

856

00:34:37,440 --> 00:34:34,960

to be really honest about the whole

857

00:34:38,880 --> 00:34:37,450

thing I think it's 28 years plus that

858

00:34:41,400 --> 00:34:38,890

they've been working on it and I've

859

00:34:43,950 --> 00:34:41,410

known Melinda now for 10 years and her

860

00:34:47,159 --> 00:34:43,960

and I started talking about it for the

861

00:34:48,870 --> 00:34:47,169

minute we met so I got fed in and I

862

00:34:50,940 --> 00:34:48,880

already knew yeah I knew quite a bit

863

00:34:53,130 --> 00:34:50,950

about it which was quite surprising to

864

00:34:55,140 --> 00:34:53,140

me and I didn't know that you were the

865

00:34:57,090 --> 00:34:55,150

person I had gotten all that information

866

00:34:58,920 --> 00:34:57,100

from through the grapevine but anyhow I

867

00:35:01,170 --> 00:34:58,930

think right yeah but go ahead and and

868

00:35:02,550 --> 00:35:01,180

she had she had had she had the notes as

869

00:35:04,260 --> 00:35:02,560

well she doesn't she didn't have the

870

00:35:06,390 --> 00:35:04,270

cover page I've got the cover page which

871

00:35:08,970 --> 00:35:06,400

shows the classification and and the

872

00:35:11,270 --> 00:35:08,980

advances she's got all the notes and she

873

00:35:14,310 --> 00:35:11,280

got him from this friend of hers Edie

874

00:35:16,740 --> 00:35:14,320

Hulk or whatever did that that she has

875

00:35:17,910 --> 00:35:16,750

notes and I haven't compared them yet I

876

00:35:19,800 --> 00:35:17,920

saw the notes and it looked like the

877

00:35:22,740 --> 00:35:19,810

same notes I had so it's basically

878

00:35:23,810 --> 00:35:22,750

handwritten notes of different subjects

879

00:35:26,200 --> 00:35:23,820

that they brought up

880

00:35:30,410 --> 00:35:26,210

and I know that some of the notes

881

00:35:32,270 --> 00:35:30,420

indicated for example on the one subject

882

00:35:34,580 --> 00:35:32,280

they discussed like cattle mutilations

883

00:35:36,110 --> 00:35:34,590

they discussed abductions and so you'd

884

00:35:37,280 --> 00:35:36,120

have a page and have abductions on the

885

00:35:39,740 --> 00:35:37,290

top and there would be a couple of notes

886

00:35:41,120 --> 00:35:39,750

and some of the at the know some of the

887

00:35:43,070 --> 00:35:41,130

notes I had indicated that those

888

00:35:45,980 --> 00:35:43,080

subjects hadn't come up yet but the one

889

00:35:50,240 --> 00:35:45,990

that had the back-engineering on UFOs

890

00:35:52,610 --> 00:35:50,250

had Billy Ray Billy Ray Bobby Raymond's

891

00:35:54,800 --> 00:35:52,620

name on there and she's always been

892

00:35:57,290 --> 00:35:54,810

rumored to be the the guy that was the

893

00:35:59,450 --> 00:35:57,300

guy that was back in charge of

894

00:36:02,810 --> 00:35:59,460

back-engineering of flying saucers

895

00:36:05,360 --> 00:36:02,820

he worked at SAIC and this is on the

896

00:36:07,670 --> 00:36:05,370

notes I have so Melinda had the same

897

00:36:09,440 --> 00:36:07,680

notes as I had basically it was taken by

898

00:36:11,030 --> 00:36:09,450

a different person my guy is a different

899

00:36:12,890 --> 00:36:11,040

guy than hers but she gave a lot of

900

00:36:15,290 --> 00:36:12,900

support to the fact that John did have

901
00:36:17,630 --> 00:36:15,300
this group and so what happens is you

902
00:36:19,070 --> 00:36:17,640
have this same group so these guys are

903
00:36:20,930 --> 00:36:19,080
interested what's going on so then you

904
00:36:23,150 --> 00:36:20,940
get all these guys like Ron Pandolfi

905
00:36:25,100 --> 00:36:23,160
shows up at that meeting kate green

906
00:36:28,070 --> 00:36:25,110
shows up at the meeting he'll put off is

907
00:36:30,830 --> 00:36:28,080
there Bob wood is there all the same

908
00:36:32,750 --> 00:36:30,840
characters as the Avery and they cycle

909
00:36:34,340 --> 00:36:32,760
through John Alexander's group because

910
00:36:35,330 --> 00:36:34,350
if you're John Alexander and you want to

911
00:36:36,920 --> 00:36:35,340
know what's going on

912
00:36:38,870 --> 00:36:36,930
you're gonna bring in the Avery because

913
00:36:41,120 --> 00:36:38,880

these are the guys that have had the

914

00:36:44,090 --> 00:36:41,130

interaction with with the UFO phenomena

915

00:36:46,250 --> 00:36:44,100

the same as they reappear again when Bob

916

00:36:49,100 --> 00:36:46,260

Bigelow sets up knits if you look at

917

00:36:51,380 --> 00:36:49,110

this group it's the same group they he

918

00:36:53,660 --> 00:36:51,390

guys and he brings a ministry point

919

00:36:55,940 --> 00:36:53,670

they're now adding Colin Kelleher and a

920

00:36:57,260 --> 00:36:55,950

few other people but maybe yeah and

921

00:36:59,240 --> 00:36:57,270

that's the thing so that's the thing is

922

00:37:00,650 --> 00:36:59,250

you you you get these guys and you you

923

00:37:02,570 --> 00:37:00,660

if you want to know what's going on

924

00:37:04,490 --> 00:37:02,580

these guys have been through the cycle

925

00:37:07,580 --> 00:37:04,500

and they bring them in and now you see

926

00:37:10,550 --> 00:37:07,590

here again comes up Tom DeLonge and who

927

00:37:13,310 --> 00:37:10,560

do you see Jacques Vallee you see John

928

00:37:16,400 --> 00:37:13,320

Alexander's name you see how put off you

929

00:37:20,240 --> 00:37:16,410

see kit green yeah it's the same group

930

00:37:22,430 --> 00:37:20,250

of guys again and and they all just want

931

00:37:25,100 --> 00:37:22,440

to know what's going on for example I

932

00:37:27,200 --> 00:37:25,110

was looking at the whole contact cuz I

933

00:37:28,100 --> 00:37:27,210

had known he'll put off for a number of

934

00:37:29,750 --> 00:37:28,110

years I really haven't had that much

935

00:37:32,180 --> 00:37:29,760

contact I would ask him for example

936

00:37:34,370 --> 00:37:32,190

because there was no UFO FILES and in

937

00:37:36,680 --> 00:37:34,380

the White House I went to him because

938

00:37:37,400 --> 00:37:36,690

he's guy did remote viewing and I wanted

939

00:37:39,500 --> 00:37:37,410

to know I

940

00:37:42,830 --> 00:37:39,510

viewing files in the Whitehouse either

941

00:37:44,120 --> 00:37:42,840

so I want to clarify the fact that just

942

00:37:45,680 --> 00:37:44,130

because there's no files doesn't mean

943

00:37:48,380 --> 00:37:45,690

the president isn't breached so I

944

00:37:49,850 --> 00:37:48,390

contacted help put off and I said did

945

00:37:53,240 --> 00:37:49,860

the president get briefed on remote

946

00:37:55,640 --> 00:37:53,250

viewing and he said up to Bush vice

947

00:37:56,810 --> 00:37:55,650

president yes and I guess after that he

948

00:37:58,460 --> 00:37:56,820

left the program he didn't say but he

949

00:38:00,320 --> 00:37:58,470

said up to that point I can confirm yes

950

00:38:01,910 --> 00:38:00,330

the president was briefed and that would

951

00:38:04,310 --> 00:38:01,920

confirm that just because there's no

952

00:38:05,900 --> 00:38:04,320

documents in the in the in the archives

953

00:38:08,090 --> 00:38:05,910

doesn't mean that the president wasn't

954

00:38:10,250 --> 00:38:08,100

briefed on the subject and so I would

955

00:38:11,780 --> 00:38:10,260

contact hell back and forth over the

956

00:38:14,000 --> 00:38:11,790

years on little things like that I just

957

00:38:17,570 --> 00:38:14,010

asked me to say yes no that that sort of

958

00:38:19,820 --> 00:38:17,580

stuff but here you have him and and all

959

00:38:22,100 --> 00:38:19,830

these guys that that have been involved

960

00:38:23,450 --> 00:38:22,110

even the if you're familiar with the the

961

00:38:26,540 --> 00:38:23,460

in the UFO community there's this famous

962

00:38:28,700 --> 00:38:26,550

story called the core story and that was

963

00:38:30,350 --> 00:38:28,710

a meeting that took place with these

964

00:38:33,230 --> 00:38:30,360

Avery guys it was it was helped put off

965

00:38:35,600 --> 00:38:33,240

and it was Jack valet and it was kid

966

00:38:38,360 --> 00:38:35,610

green in this famous meeting that took

967

00:38:40,280 --> 00:38:38,370

place at Denny's restaurant in 1987 and

968

00:38:41,720 --> 00:38:40,290

what they did is they sat down and said

969

00:38:44,000 --> 00:38:41,730

there's a lot of rumors a lot of stuff

970

00:38:45,290 --> 00:38:44,010

going on in the UFO community what do we

971

00:38:46,730 --> 00:38:45,300

know for sure and this is what became

972

00:38:48,680 --> 00:38:46,740

known as the core story what do we know

973

00:38:50,480 --> 00:38:48,690

for sure there has been a visit there

974

00:38:54,170 --> 00:38:50,490

have been visitations there have there

975

00:38:58,160 --> 00:38:54,180

has been at least three 1940s 1970 or 80

976

00:39:00,590 --> 00:38:58,170

and 1990s there was a visit and there

977

00:39:02,240 --> 00:39:00,600

was there was a there was a crash and

978

00:39:04,010 --> 00:39:02,250

there's been some back-engineering

979

00:39:06,080 --> 00:39:04,020

that's all we know and that's became

980

00:39:08,600 --> 00:39:06,090

known as the core story the basic core

981

00:39:11,150 --> 00:39:08,610

story of ufology and again it's these

982

00:39:13,310 --> 00:39:11,160

it's these guys and to me people see

983

00:39:14,960 --> 00:39:13,320

them as this you know a government group

984

00:39:16,970 --> 00:39:14,970

to me that they're not a government

985

00:39:20,090 --> 00:39:16,980

they're just a bunch of guys who I used

986

00:39:22,670 --> 00:39:20,100

to call them mj-12 too because I had an

987

00:39:24,620 --> 00:39:22,680

interaction with with with one who was

988

00:39:26,540 --> 00:39:24,630

connected he was he knew all of them

989

00:39:28,970 --> 00:39:26,550

he had been with knids he wasn't really

990

00:39:31,100 --> 00:39:28,980

an Avery guy but he was there when all

991

00:39:32,570 --> 00:39:31,110

the Avery was there and and he was he

992

00:39:34,730 --> 00:39:32,580

was having these conversations with

993

00:39:36,350 --> 00:39:34,740

presidents and about the what was called

994

00:39:38,960 --> 00:39:36,360

the Holloman Air Force Base film this is

995

00:39:40,250 --> 00:39:38,970

the story of where they land a craft at

996

00:39:42,110 --> 00:39:40,260

Holloman Air Force Base that's filmed

997

00:39:43,850 --> 00:39:42,120

from five different angles up in the air

998

00:39:45,050 --> 00:39:43,860

there's a helicopter and stuff and this

999

00:39:47,240 --> 00:39:45,060

becomes Close Encounters of the Third

1000

00:39:49,430 --> 00:39:47,250

Kind this movie this documentary goes to

1001
00:39:50,960 --> 00:39:49,440
Steven Spielberg he turns it into Close

1002
00:39:52,640 --> 00:39:50,970
Encounters of the Third Kind

1003
00:39:54,680 --> 00:39:52,650
they just remove it from the air force

1004
00:39:56,480 --> 00:39:54,690
base to this mountain thing it's all

1005
00:39:59,630 --> 00:39:56,490
predicted people are filming it's all

1006
00:40:01,550 --> 00:39:59,640
you know it's all predicted and so

1007
00:40:03,650 --> 00:40:01,560
they're trying to track to help put off

1008
00:40:05,030 --> 00:40:03,660
and this guy are trying to track down

1009
00:40:06,440 --> 00:40:05,040
the Holloman Air Force Base filming

1010
00:40:08,690 --> 00:40:06,450
because I did a lot of work on I knew

1011
00:40:14,720 --> 00:40:08,700
Bob Emma Nagar who had the film at one

1012
00:40:16,340 --> 00:40:14,730
time I think his name right yeah oh my

1013
00:40:18,500 --> 00:40:16,350

god because I used to lecture it yeah

1014

00:40:19,790 --> 00:40:18,510

your Springs every year and I would go

1015

00:40:22,160 --> 00:40:19,800

to his house and I would interview him

1016

00:40:24,260 --> 00:40:22,170

and Bob was he was like a straight

1017

00:40:26,180 --> 00:40:24,270

shooter he just had no interest

1018

00:40:28,520 --> 00:40:26,190

whatsoever in you elbows none it was

1019

00:40:31,970 --> 00:40:28,530

like my story is true they called me in

1020

00:40:34,490 --> 00:40:31,980

to Norton Air Force Base in 1973 I think

1021

00:40:35,780 --> 00:40:34,500

it was he was working for the Nixon

1022

00:40:38,030 --> 00:40:35,790

re-election campaign he was an

1023

00:40:40,220 --> 00:40:38,040

advertising executive he knew Bob

1024

00:40:42,980 --> 00:40:40,230

Haldeman he'd gone to school used in Bob

1025

00:40:45,470 --> 00:40:42,990

Haldeman he knew the communications guy

1026
00:40:47,660 --> 00:40:45,480
in the Nixon White House he'd gone he

1027
00:40:50,060 --> 00:40:47,670
was in the Air Force with him so he had

1028
00:40:51,950 --> 00:40:50,070
these connections to Nixon and he gets

1029
00:40:55,160 --> 00:40:51,960
brought in with Allen Sandler his

1030
00:40:56,930 --> 00:40:55,170
partner and they they that's when he

1031
00:40:58,550 --> 00:40:56,940
doesn't believe in UFOs he thinks he's

1032
00:41:00,800 --> 00:40:58,560
what I was telling the story he said

1033
00:41:02,510 --> 00:41:00,810
Margaret his wife was really into it she

1034
00:41:04,280 --> 00:41:02,520
knew everything backwards and forwards

1035
00:41:07,220 --> 00:41:04,290
and he said Margaret reading that

1036
00:41:09,140 --> 00:41:07,230
garbage the alien has my baby stuff and

1037
00:41:13,070 --> 00:41:09,150
then he gets the Norton Air Force Base

1038
00:41:15,560 --> 00:41:13,080

and they say this 1973 and Emma Nagar is

1039

00:41:18,140 --> 00:41:15,570

the intelligence guy Emma's got contacts

1040

00:41:20,210 --> 00:41:18,150

the FBI and CIA and stuff and he sets up

1041

00:41:22,940 --> 00:41:20,220

the meeting and they're to do these

1042

00:41:26,180 --> 00:41:22,950

documentaries on 3d holography working

1043

00:41:28,670 --> 00:41:26,190

with dolphins all these kind of defense

1044

00:41:31,070 --> 00:41:28,680

programs and there's do these eight

1045

00:41:32,840 --> 00:41:31,080

documentaries and then Paul shuttle

1046

00:41:34,550 --> 00:41:32,850

who's the guy who's briefing them says

1047

00:41:36,590 --> 00:41:34,560

and we'd also like you to do this UFO

1048

00:41:38,990 --> 00:41:36,600

documentary and we'd like you to hide it

1049

00:41:41,780 --> 00:41:39,000

under the other documentaries and Bob

1050

00:41:43,490 --> 00:41:41,790

said are you kidding me are you telling

1051
00:41:45,680 --> 00:41:43,500
me this is for real he was like shocked

1052
00:41:47,630 --> 00:41:45,690
I mean is suddenly his wife is right and

1053
00:41:49,880 --> 00:41:47,640
it's like are you kidding me and that's

1054
00:41:51,320 --> 00:41:49,890
when Cheryl says what would you say if

1055
00:41:53,600 --> 00:41:51,330
we told you that we it was a landing at

1056
00:41:55,460 --> 00:41:53,610
Holloman Air Force Base in May of 1971

1057
00:41:56,930 --> 00:41:55,470
and it was filmed from different angles

1058
00:41:58,520 --> 00:41:56,940
and stuff like that six o'clock in the

1059
00:42:01,520 --> 00:41:58,530
morning and he's given all the details

1060
00:42:04,820 --> 00:42:01,530
of who was there and all this sort of

1061
00:42:06,020 --> 00:42:04,830
stuff and so they they get this film and

1062
00:42:07,760 --> 00:42:06,030
it's pulled to the last minute they're

1063
00:42:09,740 --> 00:42:07,770

doing the documentary and it's the last

1064

00:42:13,670 --> 00:42:09,750

minute they pull the film they say it's

1065

00:42:15,560 --> 00:42:13,680

yeah this is where I lose touch with

1066

00:42:18,020 --> 00:42:15,570

that whole story right at that point

1067

00:42:20,750 --> 00:42:18,030

they pulled the thumb were they so good

1068

00:42:22,790 --> 00:42:20,760

to use pieces of that film in their real

1069

00:42:24,290 --> 00:42:22,800

documentary they were they were told

1070

00:42:26,930 --> 00:42:24,300

that they would be allowed by Bill

1071

00:42:29,900 --> 00:42:26,940

Coleman who who is apparently just died

1072

00:42:32,210 --> 00:42:29,910

and Bill Coleman who was the public

1073

00:42:33,980 --> 00:42:32,220

relations officer for Blue Book and they

1074

00:42:36,350 --> 00:42:33,990

had gone to the the Pentagon to the

1075

00:42:39,200 --> 00:42:36,360

e-ring that the power around here and

1076

00:42:40,550 --> 00:42:39,210

they told me or Bob told me that they

1077

00:42:41,990 --> 00:42:40,560

would walk into the Pentagon they would

1078

00:42:43,970 --> 00:42:42,000

not even sign in they just walk right in

1079

00:42:46,310 --> 00:42:43,980

and they would have these meetings with

1080

00:42:48,200 --> 00:42:46,320

with and they were given this film by

1081

00:42:50,690 --> 00:42:48,210

Coleman and they were told they could

1082

00:42:54,280 --> 00:42:50,700

use it and at the last minute they said

1083

00:42:57,410 --> 00:42:54,290

that they said it's the white it's the

1084

00:42:59,450 --> 00:42:57,420

the what it's Watergate we've got

1085

00:43:01,400 --> 00:42:59,460

trouble it's not the right time we have

1086

00:43:03,500 --> 00:43:01,410

to pull a film and Bob said there was

1087

00:43:06,140 --> 00:43:03,510

these two very heavysset people in this

1088

00:43:07,670 --> 00:43:06,150

small little tiny Datsun who had put the

1089

00:43:09,890 --> 00:43:07,680

film canisters in the backseat in

1090

00:43:12,170 --> 00:43:09,900

California at Norton and they were they

1091

00:43:15,490 --> 00:43:12,180

drove this thing back to the Pentagon so

1092

00:43:18,320 --> 00:43:15,500

when the film came out they did like

1093

00:43:20,360 --> 00:43:18,330

artist renditions of this landing thing

1094

00:43:21,980 --> 00:43:20,370

and they told us okay and it was like

1095

00:43:23,780 --> 00:43:21,990

you know this may have happened in the

1096

00:43:25,820 --> 00:43:23,790

past or it may it may have actually it

1097

00:43:27,560 --> 00:43:25,830

may and it may happen in the future in a

1098

00:43:29,000 --> 00:43:27,570

me acts Yap it happened in the past and

1099

00:43:30,380 --> 00:43:29,010

then suddenly I discovered there was

1100

00:43:33,290 --> 00:43:30,390

eight seconds of the film in the

1101
00:43:36,320 --> 00:43:33,300
documentary so I go back really and I

1102
00:43:37,940 --> 00:43:36,330
said yeah grant I just got in ripped for

1103
00:43:40,160 --> 00:43:37,950
a second all these years I thought that

1104
00:43:42,530 --> 00:43:40,170
was faked because I couldn't find

1105
00:43:45,530 --> 00:43:42,540
anybody to verify that there was any

1106
00:43:47,210 --> 00:43:45,540
real footage in that documentary it was

1107
00:43:48,800 --> 00:43:47,220
eight seconds yeah and so I went to Bob

1108
00:43:53,240 --> 00:43:48,810
good friends with Bob

1109
00:43:55,580 --> 00:43:53,250
so I said Bob I said there's eight

1110
00:43:58,670 --> 00:43:55,590
seconds of film in there and he goes

1111
00:43:59,960 --> 00:43:58,680
yeah and I said I thought you told me

1112
00:44:01,790 --> 00:43:59,970
they took the film back and he told me

1113
00:44:03,980 --> 00:44:01,800

all story about these guys he's heavysset

1114

00:44:05,510 --> 00:44:03,990

people in this small tiny dodson driving

1115

00:44:07,850 --> 00:44:05,520

across the country with this thing and I

1116

00:44:11,120 --> 00:44:07,860

said but Bob there's eight seconds of

1117

00:44:12,730 --> 00:44:11,130

film in the documentary and he said well

1118

00:44:14,990 --> 00:44:12,740

it was just background and I said

1119

00:44:16,430 --> 00:44:15,000

background what you mean was background

1120

00:44:18,860 --> 00:44:16,440

and he said well he

1121

00:44:20,420 --> 00:44:18,870

didn't show anything and it made total

1122

00:44:22,640 --> 00:44:20,430

sense so they gave they allowed them to

1123

00:44:24,500 --> 00:44:22,650

use the eight seconds and what you see

1124

00:44:25,940 --> 00:44:24,510

is you see this light coming over the

1125

00:44:27,800 --> 00:44:25,950

horizon it's coming there's a mountain

1126
00:44:28,820 --> 00:44:27,810
thing and you hear they got the voice

1127
00:44:31,400 --> 00:44:28,830
they're putting the voice you know

1128
00:44:33,380 --> 00:44:31,410
identify yourself and you say this light

1129
00:44:35,630 --> 00:44:33,390
crossed and the whole thing is the

1130
00:44:37,250 --> 00:44:35,640
classified part is when it lands when

1131
00:44:38,720 --> 00:44:37,260
you can see the aliens and you can

1132
00:44:40,370 --> 00:44:38,730
actually see the craft up close that's

1133
00:44:41,690 --> 00:44:40,380
classified it doesn't mean that's why

1134
00:44:43,010 --> 00:44:41,700
they're saying its background because it

1135
00:44:44,660 --> 00:44:43,020
does really mean anything you just see

1136
00:44:45,620 --> 00:44:44,670
this right this thing and you can

1137
00:44:47,150 --> 00:44:45,630
actually see if you watch the

1138
00:44:49,400 --> 00:44:47,160

documentary you can tell her the eight

1139

00:44:51,020 --> 00:44:49,410

seconds are is it's a clip and then clip

1140

00:44:53,180 --> 00:44:51,030

and it clips again and it goes back out

1141

00:44:54,620 --> 00:44:53,190

into another frame you can tell that

1142

00:44:56,960 --> 00:44:54,630

it's actual footage they've stuck in

1143

00:44:58,670 --> 00:44:56,970

there so he confirmed to me that this

1144

00:45:00,740 --> 00:44:58,680

was there and there was a bunch of stuff

1145

00:45:02,750 --> 00:45:00,750

that they were they were basically given

1146

00:45:07,370 --> 00:45:02,760

for example there's a story that I had

1147

00:45:09,440 --> 00:45:07,380

that they had all this footage and so I

1148

00:45:11,690 --> 00:45:09,450

said to him that they had the one with

1149

00:45:14,900 --> 00:45:11,700

the the famous film where they launch

1150

00:45:17,090 --> 00:45:14,910

from Vandenberg Air Force Base the thing

1151
00:45:19,400 --> 00:45:17,100
goes up and these two UFOs go around the

1152
00:45:20,900 --> 00:45:19,410
craft and they sort of this little beam

1153
00:45:23,390 --> 00:45:20,910
into it and it falls into the Pacific

1154
00:45:25,520 --> 00:45:23,400
Ocean yeah and and he describes that

1155
00:45:27,590 --> 00:45:25,530
except the thing about the beam getting

1156
00:45:29,150 --> 00:45:27,600
shot with the beam but everything else

1157
00:45:32,090 --> 00:45:29,160
they've got and he's describing this

1158
00:45:33,800 --> 00:45:32,100
thing and they he described this guy

1159
00:45:35,330 --> 00:45:33,810
that did the analysis vide was a guy

1160
00:45:38,480 --> 00:45:35,340
from Blue Book we'd done the the

1161
00:45:41,180 --> 00:45:38,490
analysis the early analysis for the

1162
00:45:43,190 --> 00:45:41,190
Robertson panel this is expert and there

1163
00:45:44,600 --> 00:45:43,200

was no way this was this was a natural

1164

00:45:46,610 --> 00:45:44,610

object near all this sort of

1165

00:45:48,410 --> 00:45:46,620

verification and then I talking to Bob

1166

00:45:49,910 --> 00:45:48,420

and again he's like he's watching the

1167

00:45:52,700 --> 00:45:49,920

comedy channel he's no interest in you

1168

00:45:54,200 --> 00:45:52,710

opposed and I said so so you you had to

1169

00:45:56,090 --> 00:45:54,210

send a Holliman film did you send all

1170

00:45:57,680 --> 00:45:56,100

the older film bacne and did you send

1171

00:46:01,100 --> 00:45:57,690

that film back with the with the launch

1172

00:46:06,190 --> 00:46:01,110

and he goes yeah I don't know I

1173

00:46:10,700 --> 00:46:08,900

and he said yeah it was top secret it

1174

00:46:12,710 --> 00:46:10,710

had top secret on the cannister Ned

1175

00:46:14,870 --> 00:46:12,720

Quintanilla's name on it they had a blue

1176

00:46:16,910 --> 00:46:14,880

book and I said Ella's got it and he

1177

00:46:18,650 --> 00:46:16,920

said I don't know I'll have to check

1178

00:46:20,330 --> 00:46:18,660

and then he checked and he said yeah

1179

00:46:23,570 --> 00:46:20,340

Ellen's got it he's got it in his in his

1180

00:46:24,950 --> 00:46:23,580

vault and I go what so I tell Angela

1181

00:46:26,390 --> 00:46:24,960

Joyner when she would this is when

1182

00:46:28,400 --> 00:46:26,400

Stevensville broke I was good friends

1183

00:46:30,350 --> 00:46:28,410

Angela right and that's all agile I said

1184

00:46:32,270 --> 00:46:30,360

Angela we gotta get

1185

00:46:34,070 --> 00:46:32,280

film we gotta get this film this film

1186

00:46:35,960 --> 00:46:34,080

they've got this top-secret film of this

1187

00:46:38,210 --> 00:46:35,970

lunch where this these UFOs are around

1188

00:46:40,460 --> 00:46:38,220

it and they've got the film and so then

1189

00:46:43,250 --> 00:46:40,470

she talks to Bob and they're there and

1190

00:46:45,560 --> 00:46:43,260

and Alan was a real woman womanizer and

1191

00:46:49,010 --> 00:46:45,570

he wandered her to fly to Oregon to look

1192

00:46:51,590 --> 00:46:49,020

at this film and it said go and look at

1193

00:46:53,420 --> 00:46:51,600

this film so she never did do it and

1194

00:46:55,550 --> 00:46:53,430

then she told James Fox

1195

00:46:57,890 --> 00:46:55,560

so James Fox found out about the film

1196

00:47:00,080 --> 00:46:57,900

and he went Ted to Sandler and then

1197

00:47:01,640 --> 00:47:00,090

negotiate started I won't say what's

1198

00:47:03,290 --> 00:47:01,650

happened but if you ever talked to James

1199

00:47:05,270 --> 00:47:03,300

you can ask him where it is but I know

1200

00:47:09,320 --> 00:47:05,280

he was negotiating he was negotiating to

1201
00:47:11,690 --> 00:47:09,330
put this in 701 and Alan as Bob Emma

1202
00:47:13,310 --> 00:47:11,700
nigger's wife we used to tell me he was

1203
00:47:14,960 --> 00:47:13,320
as dumb as a bag of hammers

1204
00:47:16,250 --> 00:47:14,970
but if you gave him a stick and a piece

1205
00:47:17,810 --> 00:47:16,260
of gum he'd come back at the end of the

1206
00:47:19,280 --> 00:47:17,820
day with a pile of money he was just

1207
00:47:21,470 --> 00:47:19,290
really good and so he was like he was

1208
00:47:23,900 --> 00:47:21,480
negotiating and I had heard there was

1209
00:47:25,730 --> 00:47:23,910
big figures to just look at the film and

1210
00:47:27,890 --> 00:47:25,740
stuff like that but Fox was trying to

1211
00:47:30,410 --> 00:47:27,900
get it there's confirmation that they

1212
00:47:32,660 --> 00:47:30,420
actually have a top secret film that

1213
00:47:35,090 --> 00:47:32,670

they did not hand back for a blue book

1214

00:47:40,640 --> 00:47:35,100

thing top secret with Quintanilla's name

1215

00:47:43,010 --> 00:47:40,650

on the canister so near each other I

1216

00:47:48,710 --> 00:47:43,020

might drive over one day and say okay

1217

00:47:49,940 --> 00:47:48,720

buddy you've been holding out on me at

1218

00:47:52,730 --> 00:47:49,950

one point it sounded like he wasn't

1219

00:47:54,560 --> 00:47:52,740

getting very far with it but but he and

1220

00:47:57,050 --> 00:47:54,570

he did have a backer at a big backer for

1221

00:47:58,760 --> 00:47:57,060

701 at one point and then the guy pulled

1222

00:48:00,440 --> 00:47:58,770

out you know and so I don't know if he's

1223

00:48:04,840 --> 00:48:00,450

got the money that he can sort of throw

1224

00:48:06,830 --> 00:48:04,850

at this thing but anyway that was so and

1225

00:48:09,470 --> 00:48:06,840

so there was all sorts of initiatives

1226

00:48:12,800 --> 00:48:09,480

that have gone down over the years Bob

1227

00:48:14,420 --> 00:48:12,810

even told me the one story where he got

1228

00:48:16,700 --> 00:48:14,430

the phone call from Ron Pandolfi and I

1229

00:48:18,290 --> 00:48:16,710

go in you got a phone call from Dolphy

1230

00:48:20,060 --> 00:48:18,300

because he's not interested you mean he

1231

00:48:21,800 --> 00:48:20,070

just has no interest in UFOs whatever

1232

00:48:23,360 --> 00:48:21,810

like and they'll just ask him like

1233

00:48:24,920 --> 00:48:23,370

that's where I said to him I said you

1234

00:48:27,740 --> 00:48:24,930

know I'm at his place he's watching that

1235

00:48:29,570 --> 00:48:27,750

the comedy channel and his and his wife

1236

00:48:31,070 --> 00:48:29,580

is you know really into UFOs and we're

1237

00:48:32,480 --> 00:48:31,080

talking whatever but he just sits there

1238

00:48:34,070 --> 00:48:32,490

and he doesn't say anything whatever and

1239

00:48:36,230 --> 00:48:34,080

then he'll sort of get really critical

1240

00:48:37,610 --> 00:48:36,240

and she'll say Oh Bob you just shut up

1241

00:48:38,780 --> 00:48:37,620

you've never had a book what do you know

1242

00:48:41,600 --> 00:48:38,790

and then he just sort of quietens down

1243

00:48:43,220 --> 00:48:41,610

he just sits there and so I said that's

1244

00:48:44,030 --> 00:48:43,230

what I said to him I said Bob you know

1245

00:48:47,300 --> 00:48:44,040

the weird

1246

00:48:50,090 --> 00:48:47,310

thing was you know if it weren't for if

1247

00:48:51,890 --> 00:48:50,100

it weren't for the location that

1248

00:48:53,420 --> 00:48:51,900

Holloman her first film sounds exactly

1249

00:48:56,270 --> 00:48:53,430

that Close Encounters and that's when he

1250

00:48:59,240 --> 00:48:56,280

said oh I didn't tell you and they said

1251

00:49:01,220 --> 00:48:59,250

no you didn't tell me what I didn't tell

1252

00:49:03,050 --> 00:49:01,230

you I gave a copy to Spielberg and I go

1253

00:49:05,390 --> 00:49:03,060

no you didn't tell me that and he said

1254

00:49:08,000 --> 00:49:05,400

well I told you any Spielberg his sister

1255

00:49:10,010 --> 00:49:08,010

worked as a line producer for me we did

1256

00:49:12,200 --> 00:49:10,020

all these documentaries on hypnosis and

1257

00:49:13,460 --> 00:49:12,210

and near-death experiences and stuff

1258

00:49:15,560 --> 00:49:13,470

like that she was a lion producer and

1259

00:49:16,340 --> 00:49:15,570

she said Steven would like a copy of the

1260

00:49:21,560 --> 00:49:16,350

documentary

1261

00:49:23,390 --> 00:49:21,570

future came out in 1975 Close Encounters

1262

00:49:26,000 --> 00:49:23,400

came out in 1977

1263

00:49:29,600 --> 00:49:26,010

so Annie takes a copy of Close

1264

00:49:32,090 --> 00:49:29,610

Encounters of the Third Kind Holloman

1265

00:49:35,360 --> 00:49:32,100

Air Force Base documentary to Steven

1266

00:49:38,660 --> 00:49:35,370

Spielberg and then after the Close

1267

00:49:40,940 --> 00:49:38,670

Encounters was was filmed according to

1268

00:49:43,040 --> 00:49:40,950

Bob she he said that that Spielberg's

1269

00:49:45,080 --> 00:49:43,050

mother had come to him and said Oh Bob

1270

00:49:46,670 --> 00:49:45,090

I've seen your version of landing and

1271

00:49:50,900 --> 00:49:46,680

I've seen Stephens version of landing

1272

00:49:52,550 --> 00:49:50,910

and I like Stephens version better has

1273

00:49:54,230 --> 00:49:52,560

all these stories and it's just so many

1274

00:49:56,210 --> 00:49:54,240

stories that you know I go there and and

1275

00:49:58,070 --> 00:49:56,220

every time it'll be something any oh I

1276

00:50:02,240 --> 00:49:58,080

know you know he just doesn't care he

1277

00:50:04,730 --> 00:50:02,250

just but amazing sort of career and like

1278

00:50:07,130 --> 00:50:04,740

he got I could get offered in 83 it was

1279

00:50:09,590 --> 00:50:07,140

the same thing they like they did this

1280

00:50:12,140 --> 00:50:09,600

documentary in 75 they dropped a bunch

1281

00:50:13,910 --> 00:50:12,150

of stuff in this documentary about for

1282

00:50:16,190 --> 00:50:13,920

example the channeling of the alien at

1283

00:50:18,020 --> 00:50:16,200

the CIA and I knew this was a true story

1284

00:50:20,450 --> 00:50:18,030

because the Canadians had worked had

1285

00:50:21,860 --> 00:50:20,460

worked with this woman and Bob friend on

1286

00:50:24,950 --> 00:50:21,870

this documentary you can actually look

1287

00:50:28,670 --> 00:50:24,960

it up on the internet it's it was redone

1288

00:50:31,940 --> 00:50:28,680

in 1979 and was called UFOs it has begun

1289

00:50:33,530 --> 00:50:31,950

and in that document god great you know

1290

00:50:36,410 --> 00:50:33,540

that's one of my favorite movies we

1291

00:50:38,420 --> 00:50:36,420

played it at our UFO Con last year in

1292

00:50:41,960 --> 00:50:38,430

our film festivals our favorite movie

1293

00:50:44,090 --> 00:50:41,970

yes you see Bob friend they're talking

1294

00:50:46,520 --> 00:50:44,100

and he's doing this whole thing with

1295

00:50:48,140 --> 00:50:46,530

with the the channeling of the alien at

1296

00:50:52,040 --> 00:50:48,150

the at the National photographic

1297

00:50:54,050 --> 00:50:52,050

interpretation Center yeah which was

1298

00:50:56,390 --> 00:50:54,060

this top-secret building in Washington

1299

00:50:58,410 --> 00:50:56,400

that was in the slums of Washington DC

1300

00:51:00,509 --> 00:50:58,420

and all the people all the whole

1301
00:51:02,130 --> 00:51:00,519
and the homeless people that were in the

1302
00:51:03,690 --> 00:51:02,140
area used to think that they were

1303
00:51:05,009 --> 00:51:03,700
printing money in the building because

1304
00:51:07,200 --> 00:51:05,019
there was so much security on this

1305
00:51:09,779 --> 00:51:07,210
building and was where they analyzed all

1306
00:51:11,640 --> 00:51:09,789
the u2 and sr-71 and the spy photographs

1307
00:51:13,049 --> 00:51:11,650
and they put it in the worst part of

1308
00:51:14,279 --> 00:51:13,059
Washington so the Russians would never

1309
00:51:15,660 --> 00:51:14,289
find it that they would the last place

1310
00:51:18,920 --> 00:51:15,670
they'd they'd look for this thing and

1311
00:51:22,769 --> 00:51:18,930
that's where they what happens is in

1312
00:51:25,740 --> 00:51:22,779
1954 there's a woman that's that's a

1313
00:51:28,019 --> 00:51:25,750

channeling an alien by name alpha

1314

00:51:30,950 --> 00:51:28,029

she lives in Elliot Maine just down the

1315

00:51:33,599 --> 00:51:30,960

street from Betty Hill and she is

1316

00:51:35,460 --> 00:51:33,609

interesting yeah and she's channeling

1317

00:51:37,170 --> 00:51:35,470

this and the Canadians are using her as

1318

00:51:39,240 --> 00:51:37,180

a source so the Canadians are going down

1319

00:51:40,740 --> 00:51:39,250

there Wilbur Smith around the Canadian

1320

00:51:42,059 --> 00:51:40,750

program was going down there they were

1321

00:51:44,910 --> 00:51:42,069

getting the information from her and

1322

00:51:46,680 --> 00:51:44,920

doing these channeling sessions and navy

1323

00:51:49,079 --> 00:51:46,690

intelligence was watching you CIA was

1324

00:51:50,579 --> 00:51:49,089

watching her Air Force was watching her

1325

00:51:52,890 --> 00:51:50,589

everybody was watching this woman and

1326

00:51:54,329 --> 00:51:52,900

even Secret Service they had sent a

1327

00:51:57,630 --> 00:51:54,339

thing to the Secret Service to the

1328

00:51:59,370 --> 00:51:57,640

president about her and so she was she

1329

00:52:02,279 --> 00:51:59,380

was doing this channeling thing and Navy

1330

00:52:03,809 --> 00:52:02,289

intelligence saw her in 54 and then

1331

00:52:05,819 --> 00:52:03,819

these two guys in the cover story was

1332

00:52:07,740 --> 00:52:05,829

they went there to get flying time so

1333

00:52:10,170 --> 00:52:07,750

these two Navy intelligence guys one was

1334

00:52:12,599 --> 00:52:10,180

connected to the CIA fly to Elliott main

1335

00:52:14,069 --> 00:52:12,609

to talk to her and they they're there

1336

00:52:15,359 --> 00:52:14,079

she's doing the channeling thing and

1337

00:52:16,710 --> 00:52:15,369

they're asking questions and stuff like

1338

00:52:18,059 --> 00:52:16,720

that and then she says well why don't

1339

00:52:21,450 --> 00:52:18,069

you just sit down and watch you do it

1340

00:52:23,430 --> 00:52:21,460

and so they sit down the one guy sits

1341

00:52:25,140 --> 00:52:23,440

down that his name was Nisha and she

1342

00:52:27,029 --> 00:52:25,150

puts his hand on his right shoulder and

1343

00:52:29,160 --> 00:52:27,039

suddenly this guy starts this automatic

1344

00:52:30,240 --> 00:52:29,170

writing thing which is the same thing

1345

00:52:35,579 --> 00:52:30,250

these Endre guys are doing it's this

1346

00:52:37,200 --> 00:52:35,589

automatic right these two Navy

1347

00:52:39,630 --> 00:52:37,210

intelligence guys get all excited and

1348

00:52:42,299 --> 00:52:39,640

they go racing off and they go back to

1349

00:52:44,370 --> 00:52:42,309

the CIA in Washington and they go to

1350

00:52:47,160 --> 00:52:44,380

Arthur London and this is where you get

1351

00:52:49,309 --> 00:52:47,170

in this you see this this recycling of

1352

00:52:51,690 --> 00:52:49,319

stuff so right now the guy that runs the

1353

00:52:54,900 --> 00:52:51,700

UFO desk or the weird desk is Ron

1354

00:52:58,349 --> 00:52:54,910

Pandolfi he's running since 1983 before

1355

00:53:00,269 --> 00:52:58,359

him was KITT green from 69 to 80 from 83

1356

00:53:02,549 --> 00:53:00,279

and before KITT green was a guy a man

1357

00:53:04,799 --> 00:53:02,559

named Arthur Lundell and Arthur landahl

1358

00:53:06,450 --> 00:53:04,809

was was the guy who briefed Kennedy on

1359

00:53:09,690 --> 00:53:06,460

the Cuban Missile Crisis he was a

1360

00:53:10,950 --> 00:53:09,700

photographic expert he was the the guy

1361

00:53:12,240 --> 00:53:10,960

that did all the analysis of the

1362

00:53:16,140 --> 00:53:12,250

Robertson

1363

00:53:18,720 --> 00:53:16,150

UFO films and he ran a navy lab and that

1364

00:53:21,480 --> 00:53:18,730

the CIA took them and he created the CIA

1365

00:53:22,890 --> 00:53:21,490

lab which analyzed all the YouTube sr-71

1366

00:53:24,060 --> 00:53:22,900

it was called the National photographic

1367

00:53:27,900 --> 00:53:24,070

interpretation Center

1368

00:53:29,760 --> 00:53:27,910

so he's I gotta throw this out what

1369

00:53:33,650 --> 00:53:29,770

about Hawkeye works or whatever it was

1370

00:53:35,730 --> 00:53:33,660

called over at the Kodak plant in Rock

1371

00:53:37,980 --> 00:53:35,740

Neely New York

1372

00:53:41,430 --> 00:53:37,990

what is the town that's in god I just

1373

00:53:43,380 --> 00:53:41,440

just left me Rochester Rochester New

1374

00:53:46,620 --> 00:53:43,390

York the CAA Hawkeye works where they

1375

00:53:48,089 --> 00:53:46,630

developed a Zapruder film does it play

1376

00:53:49,920 --> 00:53:48,099

into this at all do you I don't have

1377

00:53:51,780 --> 00:53:49,930

never have never heard that no oh I'll

1378

00:53:54,750 --> 00:53:51,790

talk to you about it off here later okay

1379

00:53:57,359 --> 00:53:54,760

yes all right so so anyway they they go

1380

00:53:59,430 --> 00:53:57,369

there and art LUN doll is this guy he's

1381

00:54:02,040 --> 00:53:59,440

fascinated in fact one of the

1382

00:54:04,800 --> 00:54:02,050

connections I had with with help put off

1383

00:54:06,720 --> 00:54:04,810

was because I knew this connection that

1384

00:54:10,230 --> 00:54:06,730

there is these there's a guy inside the

1385

00:54:12,420 --> 00:54:10,240

CIA who's like the the Fox Mulder guy I

1386

00:54:14,880 --> 00:54:12,430

mean and he's the UFO guy and he's the

1387

00:54:16,440 --> 00:54:14,890

parapsychology guy and ghost guy and

1388

00:54:18,420 --> 00:54:16,450

it's all phenomenology they don't call

1389

00:54:20,579 --> 00:54:18,430

UFOs to call it phenomenology so Arthur

1390

00:54:23,820 --> 00:54:20,589

Lundell was the first guy and I had a

1391

00:54:25,800 --> 00:54:23,830

collection of his writings he had

1392

00:54:27,990 --> 00:54:25,810

written the UFO letters to people like

1393

00:54:31,040 --> 00:54:28,000

James McDowell and people like that so I

1394

00:54:35,609 --> 00:54:31,050

had this collection of Arthur lund dolls

1395

00:54:38,099 --> 00:54:35,619

letters and I said I guess somehow I'll

1396

00:54:39,690 --> 00:54:38,109

put off found out he said I understand

1397

00:54:41,310 --> 00:54:39,700

you got a collection of letters mark

1398

00:54:44,849 --> 00:54:41,320

Blundell I said yes I do

1399

00:54:48,180 --> 00:54:44,859

I got a copy of those letters because he

1400

00:54:53,700 --> 00:54:48,190

knew the connection he was CIA is a very

1401

00:54:56,040 --> 00:54:53,710

in fact whether it's KITT green or he'll

1402

00:54:58,109 --> 00:54:56,050

put off he'll put off was the guy ran

1403

00:55:01,230 --> 00:54:58,119

the remote viewing program in the 70s

1404

00:55:03,000 --> 00:55:01,240

for the CIA and and and KITT Green was

1405

00:55:05,339 --> 00:55:03,010

the control officer for this for the

1406

00:55:08,790 --> 00:55:05,349

remote viewing program from the CIA they

1407

00:55:11,570 --> 00:55:08,800

apparently have potentially the longest

1408

00:55:13,440 --> 00:55:11,580

held top-secret special ask us

1409

00:55:16,020 --> 00:55:13,450

clearances in the country there's

1410

00:55:17,190 --> 00:55:16,030

nobody's had a top-secret SDI clearance

1411

00:55:19,410 --> 00:55:17,200

longer than them because they've had it

1412

00:55:21,240 --> 00:55:19,420

since the 60s so that's a long time you

1413

00:55:24,690 --> 00:55:21,250

got to realize that he'll put up like in

1414

00:55:25,599 --> 00:55:24,700

his 80s and this top-secret security

1415

00:55:29,140 --> 00:55:25,609

clearance for

1416

00:55:30,970 --> 00:55:29,150

that long so he knew he probably knew

1417

00:55:33,069 --> 00:55:30,980

lund all he probably had talked to him

1418

00:55:34,660 --> 00:55:33,079

about UFOs and stuff I got so he asked

1419

00:55:36,970 --> 00:55:34,670

me for these for these letters and I

1420

00:55:38,890 --> 00:55:36,980

yeah sure I sent him a copy of all these

1421

00:55:40,479 --> 00:55:38,900

this correspondence that lund all had

1422

00:55:41,799 --> 00:55:40,489

had with with various people where he

1423

00:55:43,930 --> 00:55:41,809

would actually refer to it as the most

1424

00:55:46,749 --> 00:55:43,940

important subject there is and stuff

1425

00:55:48,339 --> 00:55:46,759

like that so yeah so anyway these guys

1426

00:55:50,710 --> 00:55:48,349

that's the thing is these guys cycle

1427

00:55:52,870 --> 00:55:50,720

through all the time that they just have

1428

00:55:55,359 --> 00:55:52,880

these these great interests in in the

1429

00:55:57,999 --> 00:55:55,369

subject and and so what happens with the

1430

00:56:00,489 --> 00:55:58,009

with the getting back to the Tom DeLonge

1431

00:56:03,069 --> 00:56:00,499

thing the reason that he'll put off was

1432

00:56:06,190 --> 00:56:03,079

involved according to him was that he

1433

00:56:08,170 --> 00:56:06,200

got a phone call from kit green again

1434

00:56:13,839 --> 00:56:08,180

these guys talk to each other all time

1435

00:56:16,299 --> 00:56:13,849

and say there's this guy by name of Tom

1436

00:56:18,069 --> 00:56:16,309

DeLonge and you might want to check out

1437

00:56:20,589 --> 00:56:18,079

what he's doing he's on the leading edge

1438

00:56:23,140 --> 00:56:20,599

so what they find out is that Tom

1439

00:56:25,599 --> 00:56:23,150

DeLonge is being fed material from

1440

00:56:27,430 --> 00:56:25,609

various agencies and if you want to know

1441

00:56:29,680 --> 00:56:27,440

what's going on you should be in his

1442

00:56:31,900 --> 00:56:29,690

camp so of course he phones up you know

1443

00:56:34,299 --> 00:56:31,910

Tom DeLonge and then he goes in there

1444

00:56:36,609 --> 00:56:34,309

and and he's gonna help him or whatever

1445

00:56:38,499 --> 00:56:36,619

but he gets to be on this leading edge

1446

00:56:40,359 --> 00:56:38,509

that he realizes the material is being

1447

00:56:42,880 --> 00:56:40,369

leaked the same as John Alexander was

1448

00:56:45,160 --> 00:56:42,890

was had they the UFO working group order

1449

00:56:47,470 --> 00:56:45,170

we want to call it the nits thing is

1450

00:56:48,670 --> 00:56:47,480

whenever they find there's a situation

1451

00:56:50,829 --> 00:56:48,680

where they can learn something more

1452

00:56:52,720 --> 00:56:50,839

about UFO phenomena all these every guys

1453

00:56:54,249 --> 00:56:52,730

they all just for show up so to me

1454

00:56:56,349 --> 00:56:54,259

they're just guys and I've known a lot

1455

00:56:58,239 --> 00:56:56,359

of them in fact bill more people say all

1456

00:57:00,069 --> 00:56:58,249

this bad stuff of Bill Moore Bill Moore

1457

00:57:02,710 --> 00:57:00,079

I was respected because Bill Moore was

1458

00:57:04,450 --> 00:57:02,720

the only guy who ever helped me when we

1459

00:57:06,309 --> 00:57:04,460

were chasing dr. Eric Walker the former

1460

00:57:07,989 --> 00:57:06,319

president of Penn State University and I

1461

00:57:09,640 --> 00:57:07,999

said this guy knows he's got 14 honorary

1462

00:57:10,989 --> 00:57:09,650

Doctorate degrees chairman of the board

1463

00:57:13,269 --> 00:57:10,999

of the Institute for Defense analysis

1464

00:57:15,609 --> 00:57:13,279

and he basically confirmed to a

1465

00:57:16,809 --> 00:57:15,619

researcher that he had been at a series

1466

00:57:18,400 --> 00:57:16,819

of briefings at wright-patterson Air

1467

00:57:21,309 --> 00:57:18,410

Force Base and he was this very

1468

00:57:22,870 --> 00:57:21,319

high-level guy and we we went around

1469

00:57:24,309 --> 00:57:22,880

trying to get everybody and Stanton

1470

00:57:25,960 --> 00:57:24,319

talked to him one time and he sort of

1471

00:57:27,370 --> 00:57:25,970

hung out with the phone understand his

1472

00:57:28,989 --> 00:57:27,380

dad said oh he's not gonna talk what do

1473

00:57:30,999 --> 00:57:28,999

you what are you gonna do as and stands

1474

00:57:33,970 --> 00:57:31,009

this morning do it but Bill Moore said I

1475

00:57:36,099 --> 00:57:33,980

really don't I really don't agree with

1476

00:57:38,800 --> 00:57:36,109

your consensus that this guy is who you

1477

00:57:40,660 --> 00:57:38,810

think he is but I'm gonna check him out

1478

00:57:42,310 --> 00:57:40,670

I'll always give bill more credit for

1479

00:57:44,470 --> 00:57:42,320

that because what he did is he said I've

1480

00:57:45,970 --> 00:57:44,480

got my I got a friend here BJ and I'm

1481

00:57:48,370 --> 00:57:45,980

gonna send BJ there and this took about

1482

00:57:51,130 --> 00:57:48,380

six months but that was Blue Jay that

1483

00:57:54,370 --> 00:57:51,140

was KITT green from the CIA and so kid

1484

00:57:56,170 --> 00:57:54,380

green go she flies to ya rant I hate to

1485

00:57:57,820 --> 00:57:56,180

do this to you but just remember where

1486

00:57:59,710 --> 00:57:57,830

you're at wherever you're a bill more in

1487

00:58:02,530 --> 00:57:59,720

the president okay I mean the the

1488

00:58:04,720 --> 00:58:02,540

college whatever it is remember it cuz

1489

00:58:07,600 --> 00:58:04,730

we got to take a break so folks we'll be

1490

00:58:09,790 --> 00:58:07,610

right back and when we come back in

1491

00:58:12,010 --> 00:58:09,800

about 15 minutes Melinda Leslie is gonna

1492

00:58:14,080 --> 00:58:12,020

join us so it's gonna be it's gonna be

1493

00:58:18,970 --> 00:58:14,090

old home day for us grants everybody

1494

00:58:21,220 --> 00:58:18,980

stick around we'll be right back welcome

1495

00:58:23,500 --> 00:58:21,230

back everyone to the California MUFON

1496

00:58:25,750 --> 00:58:23,510

radio show I'm your host Lori invented

1497

00:58:27,430 --> 00:58:25,760

we're here on inception radio network

1498

00:58:30,250 --> 00:58:27,440

the home of the most amazing app and

1499

00:58:32,920 --> 00:58:30,260

also replayed weekly probably many a

1500

00:58:34,690 --> 00:58:32,930

time over at mic bar is late-night in

1501
00:58:36,190 --> 00:58:34,700
the Midlands so thank you for joining us

1502
00:58:38,380 --> 00:58:36,200
wherever you're listening and how you're

1503
00:58:40,810 --> 00:58:38,390
listening really appreciate it and I

1504
00:58:42,730 --> 00:58:40,820
just want to say that Melinda Leslie is

1505
00:58:43,750 --> 00:58:42,740
gonna join us here the second hour I

1506
00:58:45,460 --> 00:58:43,760
don't know if I mentioned that earlier

1507
00:58:48,880 --> 00:58:45,470
in the show she'll join us as soon as

1508
00:58:50,620 --> 00:58:48,890
she can get through to MJ and I'm trying

1509
00:58:53,020 --> 00:58:50,630
to sell I'm calling that number but

1510
00:58:59,520 --> 00:58:53,030
nobody is answering that is what she's

1511
00:59:01,930 --> 00:58:59,530
saying MJ so do you want to call her MJ

1512
00:59:07,450 --> 00:59:01,940
can you call her do you want me to call

1513
00:59:10,060 --> 00:59:07,460

her um it might give me an answer

1514

00:59:15,240 --> 00:59:10,070

oh you're gonna try okay good I can see

1515

00:59:21,610 --> 00:59:18,400

like nobody was answering but now they

1516

00:59:24,040 --> 00:59:21,620

are good okay good now I gotta bring

1517

00:59:26,080 --> 00:59:24,050

we're live on air I'm going to bring

1518

00:59:30,220 --> 00:59:26,090

grant back in to talk about what we were

1519

00:59:32,830 --> 00:59:30,230

talking about before the break and so

1520

00:59:34,980 --> 00:59:32,840

you just go mute for a few minutes and

1521

00:59:38,350 --> 00:59:34,990

we'll bring you back in how's that sound

1522

00:59:40,270 --> 00:59:38,360

that sounds great okay sweetie Thanks

1523

00:59:43,360 --> 00:59:40,280

okay grant so they're just talking about

1524

00:59:45,040 --> 00:59:43,370

the guy that was the he was the

1525

00:59:46,960 --> 00:59:45,050

president of the university is that

1526
00:59:49,510 --> 00:59:46,970
correct I can't think and feel more was

1527
00:59:51,010 --> 00:59:49,520
helping you Bill Moore said oh I don't

1528
00:59:52,420 --> 00:59:51,020
know about this guy but I'll check him

1529
00:59:56,769 --> 00:59:52,430
out okay

1530
00:59:58,269 --> 00:59:56,779
so this is dr. Eric Walker who was very

1531
01:00:00,760 --> 00:59:58,279
good friends with President Eisenhower

1532
01:00:02,650 --> 01:00:00,770
and he was appointed president at Penn

1533
01:00:03,849 --> 01:00:02,660
State by Milton Eisenhower the

1534
01:00:06,609 --> 01:00:03,859
president's brother who was the

1535
01:00:09,069 --> 01:00:06,619
president before him and he indicated

1536
01:00:10,480 --> 01:00:09,079
that he knew what was going on he's the

1537
01:00:13,089 --> 01:00:10,490
one that famously said we asked about

1538
01:00:15,609 --> 01:00:13,099

mj-12 he said I've known of them for 40

1539

01:00:17,380 --> 01:00:15,619

years this is an interview in 1987 I've

1540

01:00:19,089 --> 01:00:17,390

known of them for 40 years leave it

1541

01:00:20,859 --> 01:00:19,099

alone there's nothing you can do

1542

01:00:22,720 --> 01:00:20,869

you're up against the windmill you're

1543

01:00:24,370 --> 01:00:22,730

wasting your time unless you have the

1544

01:00:26,079 --> 01:00:24,380

mind of Einstein you are never going to

1545

01:00:27,670 --> 01:00:26,089

solve this thing and he would talk like

1546

01:00:29,710 --> 01:00:27,680

that he couldn't he would say I can't

1547

01:00:31,269 --> 01:00:29,720

talk about UFOs I don't talk about UFOs

1548

01:00:33,279 --> 01:00:31,279

because was classified it but he

1549

01:00:35,380 --> 01:00:33,289

couldn't hang up the phone and people

1550

01:00:37,210 --> 01:00:35,390

would send him letters and I sat i sat

1551

01:00:39,160 --> 01:00:37,220

on the sidelines I usually don't get

1552

01:00:41,559 --> 01:00:39,170

involved with my victims but I sort of

1553

01:00:43,450 --> 01:00:41,569

had people in between me and and people

1554

01:00:45,099 --> 01:00:43,460

would be writing him and giving him

1555

01:00:46,599 --> 01:00:45,109

phone calls and stuff and I was just

1556

01:00:49,569 --> 01:00:46,609

recording all this stuff and then I we

1557

01:00:51,730 --> 01:00:49,579

put it in a book but anyway so bill

1558

01:00:53,170 --> 01:00:51,740

Moore had to heard some of the stuff

1559

01:00:56,230 --> 01:00:53,180

he'd seen some of the interviews and

1560

01:00:58,599 --> 01:00:56,240

stuff and was you know he said I'll send

1561

01:01:00,490 --> 01:00:58,609

BJ there he never mentioned oh but I

1562

01:01:03,010 --> 01:01:00,500

knew it was it was a kid Green and kid

1563

01:01:04,359 --> 01:01:03,020

green to work for the CIA and he both of

1564

01:01:08,019 --> 01:01:04,369

them had worked on the Glomar Explorer

1565

01:01:09,789 --> 01:01:08,029

on the Howard Hughes thing and because

1566

01:01:12,250 --> 01:01:09,799

Walker was a submarine expert here and

1567

01:01:14,260 --> 01:01:12,260

the underwater underwater lab for the

1568

01:01:16,930 --> 01:01:14,270

Navy at Penn State University so he was

1569

01:01:19,000 --> 01:01:16,940

an expert on submarines and he had

1570

01:01:22,299 --> 01:01:19,010

co-developed a homing torpedo in World

1571

01:01:24,400 --> 01:01:22,309

War two and so KITT Green had also

1572

01:01:27,700 --> 01:01:24,410

worked on the Glomar Explorer at the CIA

1573

01:01:30,130 --> 01:01:27,710

and so they went in there and the from

1574

01:01:32,500 --> 01:01:30,140

the I I just saw the holidays are almost

1575

01:01:34,020 --> 01:01:32,510

here but you can still treat yourself at

1576

01:01:38,280 --> 01:01:34,030

Guitar Center

1577

01:01:40,800 --> 01:01:38,290

a Casio CDP 135 digital piano just \$2.99

1578

01:01:44,160 --> 01:01:40,810

for a court of a Protege ukulele just

1579

01:01:46,530 --> 01:01:44,170

\$59 Plus weekly doorbuster deals special

1580

01:01:49,350 --> 01:01:46,540

financing the newest and hottest guitars

1581

01:01:51,480 --> 01:01:49,360

drums keys and more and exclusive gear

1582

01:01:53,010 --> 01:01:51,490

you can't get anywhere else check out

1583

01:01:55,050 --> 01:01:53,020

our new location in Daytona Beach

1584

01:01:57,840 --> 01:01:55,060

located in the one daytona shopping

1585

01:01:59,940 --> 01:01:57,850

center so hurry yet and find yourself at

1586

01:02:02,550 --> 01:01:59,950

Guitar Center buy one email about this

1587

01:02:04,470 --> 01:02:02,560

bill never reported back to me but I saw

1588

01:02:06,120 --> 01:02:04,480

an email from these Avery guys David

1589

01:02:09,300 --> 01:02:06,130

said they're all these emails are going

1590

01:02:10,830 --> 01:02:09,310

back and forth and I never did I yeah I

1591

01:02:12,510 --> 01:02:10,840

don't know what I didn't keep it or what

1592

01:02:14,610 --> 01:02:12,520

happened but anyway so he went in there

1593

01:02:15,960 --> 01:02:14,620

and then what happened was as long as

1594

01:02:17,730 --> 01:02:15,970

they were talking about the Glomar

1595

01:02:19,350 --> 01:02:17,740

Explorer in the CIA days it was great

1596

01:02:20,760 --> 01:02:19,360

old times and they talked for about an

1597

01:02:22,950 --> 01:02:20,770

hour and the minute he brought up the

1598

01:02:25,440 --> 01:02:22,960

UFO subject Walker looked at him and

1599

01:02:27,840 --> 01:02:25,450

said I don't have to tell you anything

1600

01:02:29,130 --> 01:02:27,850

you're not the president you can't tell

1601
01:02:31,230 --> 01:02:29,140
you can't you're not gonna get anything

1602
01:02:33,300 --> 01:02:31,240
out of me and then he started talking to

1603
01:02:35,580 --> 01:02:33,310
a pile of books in the corner of the

1604
01:02:37,140 --> 01:02:35,590
room sort of giving kid green the

1605
01:02:39,090 --> 01:02:37,150
impression like the room is bugged

1606
01:02:41,250 --> 01:02:39,100
and he basically threw kid green out of

1607
01:02:42,840 --> 01:02:41,260
the room and that's where it ended kate

1608
01:02:44,340 --> 01:02:42,850
green left penn state he'd come from

1609
01:02:46,380 --> 01:02:44,350
detroit went to penn state university

1610
01:02:48,990 --> 01:02:46,390
did this thing and got thrown out of the

1611
01:02:50,940 --> 01:02:49,000
office and so i always respected bill

1612
01:02:53,040 --> 01:02:50,950
more because he actually sent somebody

1613
01:02:56,330 --> 01:02:53,050

in there to check this thing out and

1614

01:03:00,990 --> 01:02:56,340

kids been involved in all sorts of

1615

01:03:03,270 --> 01:03:01,000

programs he's there was a famous one

1616

01:03:06,930 --> 01:03:03,280

that apparently he's now he's he's upset

1617

01:03:10,200 --> 01:03:06,940

about it being leaked is the story of

1618

01:03:12,450 --> 01:03:10,210

him and a guy from the the academy of

1619

01:03:14,160 --> 01:03:12,460

sciences in china we're going to do an

1620

01:03:16,020 --> 01:03:14,170

experiment on telepathy where they're

1621

01:03:18,030 --> 01:03:16,030

going to put people in they're gonna

1622

01:03:19,830 --> 01:03:18,040

have a sender or receiver they're gonna

1623

01:03:22,080 --> 01:03:19,840

send a telepathic message and these

1624

01:03:23,790 --> 01:03:22,090

people would be in MRI machines and they

1625

01:03:26,210 --> 01:03:23,800

would test test the minim our machines

1626
01:03:27,600 --> 01:03:26,220
to see whether this the the signal was

1627
01:03:30,690 --> 01:03:27,610
instantaneous

1628
01:03:32,430 --> 01:03:30,700
sure well that's it where was the same

1629
01:03:34,410 --> 01:03:32,440
same time at the same time so is it

1630
01:03:35,940 --> 01:03:34,420
non-local is they taking five seconds

1631
01:03:37,680 --> 01:03:35,950
for the for the message to get to the

1632
01:03:39,210 --> 01:03:37,690
other side so I don't know if that

1633
01:03:40,980 --> 01:03:39,220
experiment ever took place with kit

1634
01:03:43,200 --> 01:03:40,990
you've always hear these things or the

1635
01:03:44,400 --> 01:03:43,210
one that's going on right now is the one

1636
01:03:45,720 --> 01:03:44,410
that we were talking I think we were

1637
01:03:47,390 --> 01:03:45,730
talking about it you're talking about

1638
01:03:50,299 --> 01:03:47,400

the DNA yeah yeah

1639

01:03:52,009 --> 01:03:50,309

and the brain thing the the antenna

1640

01:03:55,370 --> 01:03:52,019

which which interest me because yeah

1641

01:03:57,049 --> 01:03:55,380

that's a term that these Latinos use for

1642

01:03:59,150 --> 01:03:57,059

these antenna people who are able to

1643

01:04:00,559 --> 01:03:59,160

predict to the minute when a sighting is

1644

01:04:02,809 --> 01:04:00,569

going to take place and they call them

1645

01:04:06,289 --> 01:04:02,819

antennas and these make it green and

1646

01:04:08,059 --> 01:04:06,299

help put off and this Gary Nolan are at

1647

01:04:09,589 --> 01:04:08,069

Stanford and they're running this

1648

01:04:13,880 --> 01:04:09,599

program now I actually made a contact

1649

01:04:15,739 --> 01:04:13,890

just recently to give them people very

1650

01:04:18,019 --> 01:04:15,749

high level people who wanted to help

1651

01:04:20,329 --> 01:04:18,029

I got no reply which indicates that this

1652

01:04:21,799 --> 01:04:20,339

is a closed operation that they really

1653

01:04:26,329 --> 01:04:21,809

aren't interested in what anybody's got

1654

01:04:28,069 --> 01:04:26,339

to say they didn't respond and I've

1655

01:04:29,539 --> 01:04:28,079

known these these guys they would at

1656

01:04:31,249 --> 01:04:29,549

least say you know we can't help you or

1657

01:04:33,769 --> 01:04:31,259

forget to get lost or whatever but there

1658

01:04:34,970 --> 01:04:33,779

was nothing so that's become the Tom

1659

01:04:40,299 --> 01:04:34,980

DeLonge thing is can be a complete

1660

01:04:43,249 --> 01:04:40,309

shutdown I have a major writer

1661

01:04:45,710 --> 01:04:43,259

Psychology Today New York Times who has

1662

01:04:48,079 --> 01:04:45,720

now come on board I've talked her for a

1663

01:04:50,089 --> 01:04:48,089

long time and she's now gonna do a it's

1664

01:04:53,120 --> 01:04:50,099

going to use I do a UFO disclosure book

1665

01:04:55,339 --> 01:04:53,130

and she made a contact to the the long

1666

01:04:57,170 --> 01:04:55,349

operation and they basically said we

1667

01:04:59,839 --> 01:04:57,180

don't take we don't we don't accept

1668

01:05:01,880 --> 01:04:59,849

unsolicited projects our programs or

1669

01:05:03,680 --> 01:05:01,890

whatever the term was they used and

1670

01:05:05,420 --> 01:05:03,690

there's been a number of reporters

1671

01:05:07,519 --> 01:05:05,430

including I think Linda try to contact

1672

01:05:09,410 --> 01:05:07,529

them they won't talk to anybody so this

1673

01:05:12,079 --> 01:05:09,420

is a thing right there they're spinning

1674

01:05:14,390 --> 01:05:12,089

it out it's so carefully controlled if

1675

01:05:16,789 --> 01:05:14,400

you take a look at when they had this

1676

01:05:20,089 --> 01:05:16,799

thing they've got an embedded journalist

1677

01:05:22,009 --> 01:05:20,099

which is Leslie Kane and and basically

1678

01:05:25,609 --> 01:05:22,019

no they won't talk to anybody but Leslie

1679

01:05:27,380 --> 01:05:25,619

Kane when this Lou Elizondo this is the

1680

01:05:29,269 --> 01:05:27,390

guy that the Department of Defense guy

1681

01:05:31,640 --> 01:05:29,279

who came out and said I ran the the

1682

01:05:34,849 --> 01:05:31,650

aerial threat program and it's for real

1683

01:05:36,589 --> 01:05:34,859

and you know confirmed basically said

1684

01:05:39,710 --> 01:05:36,599

this for real the yeah I work for the

1685

01:05:41,870 --> 01:05:39,720

government and UFOs are for real and he

1686

01:05:44,779 --> 01:05:41,880

he'd the day after he retired he was

1687

01:05:46,339 --> 01:05:44,789

being interviewed by Leslie Kane so here

1688

01:05:47,690 --> 01:05:46,349

you have a situation where she's

1689

01:05:49,569 --> 01:05:47,700

interviewing all these people she's got

1690

01:05:52,279 --> 01:05:49,579

the inside track

1691

01:05:54,349 --> 01:05:52,289

Steve Justice it only been retired a

1692

01:05:55,640 --> 01:05:54,359

couple of weeks or something and she had

1693

01:05:56,930 --> 01:05:55,650

the interview with him she puts the

1694

01:05:59,790 --> 01:05:56,940

whole story together so it's this very

1695

01:06:03,390 --> 01:05:59,800

controlled release and

1696

01:06:05,610 --> 01:06:03,400

axia and I managed to recovered it was a

1697

01:06:07,200 --> 01:06:05,620

tweet that was done by Tom DeLonge a

1698

01:06:11,760 --> 01:06:07,210

couple of days after a news conference

1699

01:06:14,310 --> 01:06:11,770

where he said every word was carefully

1700

01:06:16,470 --> 01:06:14,320

written was carefully written for months

1701
01:06:18,300 --> 01:06:16,480
which means that before Elizondo and

1702
01:06:19,500 --> 01:06:18,310
before justice actually retired their

1703
01:06:21,720 --> 01:06:19,510
speeches were actually written for them

1704
01:06:23,550 --> 01:06:21,730
already they walked in and and who and

1705
01:06:25,830 --> 01:06:23,560
so it's almost like the UFO cover-up ly

1706
01:06:27,750 --> 01:06:25,840
thing that did the complaint was there

1707
01:06:29,910 --> 01:06:27,760
was this they're reading off cue cards

1708
01:06:31,410 --> 01:06:29,920
and then they you know and then the

1709
01:06:32,520 --> 01:06:31,420
reason they're having off cue cards is

1710
01:06:34,830 --> 01:06:32,530
because he wants you don't want somebody

1711
01:06:37,110 --> 01:06:34,840
going off script you want somebody who's

1712
01:06:39,120 --> 01:06:37,120
carefully because the UFO cover-up lie

1713
01:06:40,830 --> 01:06:39,130

that's where the the big debate came

1714

01:06:42,360 --> 01:06:40,840

about but Richard Doty and I said

1715

01:06:44,160 --> 01:06:42,370

Richard audience Faulk and I know knee

1716

01:06:45,780 --> 01:06:44,170

isn't he's just no way who's the Falcon

1717

01:06:47,850 --> 01:06:45,790

because I knew the Falcon was that that

1718

01:06:50,580 --> 01:06:47,860

that documentary and I asked Bill more

1719

01:06:53,850 --> 01:06:50,590

because what happened was Bill Coleman

1720

01:06:55,830 --> 01:06:53,860

was there he was on he was on and he was

1721

01:06:57,360 --> 01:06:55,840

he was doing his little deal on the

1722

01:06:59,880 --> 01:06:57,370

Holloman Air Force Base film and all

1723

01:07:02,790 --> 01:06:59,890

that all this stuff and he told Billy

1724

01:07:05,850 --> 01:07:02,800

Cox who I knew very well from 1980s who

1725

01:07:06,930 --> 01:07:05,860

worked for the for the USA Today and he

1726

01:07:09,750 --> 01:07:06,940

would then he worked for the Tampa

1727

01:07:12,480 --> 01:07:09,760

Tribune very interested in UFOs he had a

1728

01:07:14,520 --> 01:07:12,490

close encounter and he got him very

1729

01:07:17,940 --> 01:07:14,530

interesting he did this blog thing for

1730

01:07:19,560 --> 01:07:17,950

years on UFOs and we were corresponding

1731

01:07:22,500 --> 01:07:19,570

during the time when his documentary is

1732

01:07:24,030 --> 01:07:22,510

being made and the rumor was before it

1733

01:07:25,470 --> 01:07:24,040

came out that Reagan was going to appear

1734

01:07:27,450 --> 01:07:25,480

at the live alien because the core story

1735

01:07:29,640 --> 01:07:27,460

was out already and the idea was that

1736

01:07:31,200 --> 01:07:29,650

Reagan as he left the office was gonna

1737

01:07:32,880 --> 01:07:31,210

appear with the live alien so Billy Cox

1738

01:07:34,260 --> 01:07:32,890

and I were talking about is he is the

1739

01:07:35,700 --> 01:07:34,270

live alien going up here what's going to

1740

01:07:37,440 --> 01:07:35,710

happen on this we knew this documentary

1741

01:07:39,990 --> 01:07:37,450

was coming and so when the when the

1742

01:07:41,700 --> 01:07:40,000

documentary came he and he was good

1743

01:07:43,380 --> 01:07:41,710

friends with bill Coleman because bill

1744

01:07:45,060 --> 01:07:43,390

Coleman lived down the street from not

1745

01:07:47,550 --> 01:07:45,070

down street but he lived close to him in

1746

01:07:50,820 --> 01:07:47,560

Florida so he was talking to Bill

1747

01:07:52,980 --> 01:07:50,830

Coleman and Bill Coleman said I can't

1748

01:07:56,250 --> 01:07:52,990

believe it the Falken I met this guy I

1749

01:07:57,450 --> 01:07:56,260

cannot believe this guy was involved so

1750

01:08:00,210 --> 01:07:57,460

was Richard Doty because we know that

1751

01:08:03,360 --> 01:08:00,220

Richard Doty was in was in a training

1752

01:08:06,000 --> 01:08:03,370

for the New Mexico police at that time

1753

01:08:07,890 --> 01:08:06,010

and that they had flown to Albuquerque

1754

01:08:11,370 --> 01:08:07,900

to interview him for the the backlit

1755

01:08:13,080 --> 01:08:11,380

Falken interview but Coleman said that

1756

01:08:13,740 --> 01:08:13,090

that he couldn't believe who this guy

1757

01:08:15,480 --> 01:08:13,750

was and

1758

01:08:17,190 --> 01:08:15,490

Billy Cox tried to get him to describe

1759

01:08:20,849 --> 01:08:17,200

who it was so I contacted bill Moore and

1760

01:08:23,519 --> 01:08:20,859

I said bill Coleman said that Falken was

1761

01:08:25,559 --> 01:08:23,529

in the audience is that true and he said

1762

01:08:27,180 --> 01:08:25,569

well I'll tell you what grant there was

1763

01:08:28,110 --> 01:08:27,190

only 12 people in the audience let's

1764

01:08:29,670 --> 01:08:28,120

just leave it at that

1765

01:08:30,930 --> 01:08:29,680

which basically confirmed yes the Falken

1766

01:08:32,160 --> 01:08:30,940

was actually there and it's the same

1767

01:08:35,670 --> 01:08:32,170

thing you have this guy in the

1768

01:08:36,420 --> 01:08:35,680

background who's a retired CIA that's

1769

01:08:38,820 --> 01:08:36,430

how it works

1770

01:08:41,130 --> 01:08:38,830

so the Falken was retired CIA they

1771

01:08:42,840 --> 01:08:41,140

brought him out of retirement to do this

1772

01:08:45,269 --> 01:08:42,850

and that's how it works the guy that's

1773

01:08:48,900 --> 01:08:45,279

running Tom DeLong's operation is Jim

1774

01:08:51,599 --> 01:08:48,910

semi man Jim Sullivan was a two-star

1775

01:08:53,789 --> 01:08:51,609

general in the equivalent he was an SES

1776

01:08:55,890 --> 01:08:53,799

too he was he was in the bush White

1777

01:08:58,260 --> 01:08:55,900

House he was in president's office every

1778

01:09:01,019 --> 01:08:58,270

day he ran the drone program very high

1779

01:09:03,030 --> 01:09:01,029

level there's a ward named after CI very

1780

01:09:05,160 --> 01:09:03,040

powerful guy and he's an experiercer he

1781

01:09:07,620 --> 01:09:05,170

had three beings in his room in the

1782

01:09:09,329 --> 01:09:07,630

1990s and his wife was curled over in a

1783

01:09:10,650 --> 01:09:09,339

fetus position and then the next thing

1784

01:09:11,910 --> 01:09:10,660

he knew he's standing outside the house

1785

01:09:14,729 --> 01:09:11,920

and he was watching this flying saucer

1786

01:09:16,769 --> 01:09:14,739

fly away so he's an experienced ER and

1787

01:09:18,990 --> 01:09:16,779

he went and tried to get briefed and

1788

01:09:21,329 --> 01:09:19,000

they wouldn't brief him Tennant said you

1789

01:09:24,059 --> 01:09:21,339

don't want this you don't need this

1790

01:09:27,570 --> 01:09:24,069

you're going to be stereotyped and what

1791

01:09:29,760 --> 01:09:27,580

happens is as soon as he retires in 2008

1792

01:09:32,070 --> 01:09:29,770

that's when Ron Pandolfi briefs him and

1793

01:09:34,110 --> 01:09:32,080

brings him into the program because you

1794

01:09:36,749 --> 01:09:34,120

can't if you're in the CIA you can't be

1795

01:09:38,910 --> 01:09:36,759

involved in this it's to all xci people

1796

01:09:41,789 --> 01:09:38,920

because the Senate's in the black world

1797

01:09:43,019 --> 01:09:41,799

so so so Jim semi van is running Tom

1798

01:09:44,789 --> 01:09:43,029

belongs operation I don't care what

1799

01:09:46,170 --> 01:09:44,799

anybody says he's running the operation

1800

01:09:49,140 --> 01:09:46,180

and it's all very carefully controlled

1801
01:09:51,090 --> 01:09:49,150
it's all very carefully scripted and you

1802
01:09:52,019 --> 01:09:51,100
have these stories it's its own but it's

1803
01:09:54,630 --> 01:09:52,029
almost like it's run by the government

1804
01:09:57,360 --> 01:09:54,640
cuz it's so you're missing all the

1805
01:09:58,650 --> 01:09:57,370
deadlines in fact there's the story that

1806
01:10:00,959 --> 01:09:58,660
I had to put out the rumor that were

1807
01:10:04,229 --> 01:10:00,969
slapping a Sunday but now I heard from

1808
01:10:05,670 --> 01:10:04,239
MUFON in Canada here they said have you

1809
01:10:08,040 --> 01:10:05,680
heard this that the film is coming out

1810
01:10:10,080 --> 01:10:08,050
because there's a story that that what

1811
01:10:12,300 --> 01:10:10,090
are you talking about I I'm so confused

1812
01:10:13,770 --> 01:10:12,310
so go ahead and explain it a little more

1813
01:10:16,320 --> 01:10:13,780

detail because I lost

1814

01:10:21,060 --> 01:10:16,330

loulou Elizondo the guy that said I ran

1815

01:10:24,950 --> 01:10:21,070

the program also stated that we are

1816

01:10:27,630 --> 01:10:24,960

going to release UFO footage that is

1817

01:10:30,370 --> 01:10:27,640

what's the word for it

1818

01:10:35,770 --> 01:10:30,380

compelling the evidence or no no UFO

1819

01:10:36,910 --> 01:10:35,780

footage UFO video that is sanctioned

1820

01:10:38,110 --> 01:10:36,920

that it that the government is actually

1821

01:10:39,520 --> 01:10:38,120

gonna sign off on it

1822

01:10:41,890 --> 01:10:39,530

the government is going to say yes it's

1823

01:10:43,540 --> 01:10:41,900

legitimate stop and he said that almost

1824

01:10:45,790 --> 01:10:43,550

a I think it was either in the news

1825

01:10:47,320 --> 01:10:45,800

conference or it was to last Akane I

1826

01:10:50,530 --> 01:10:47,330

have right at that that news conference

1827

01:10:52,630 --> 01:10:50,540

thing so then the story came out note on

1828

01:10:55,390 --> 01:10:52,640

November the 18th Tom DeLonge put out a

1829

01:10:58,570 --> 01:10:55,400

tweet that said there's going to be a

1830

01:11:01,060 --> 01:10:58,580

release of the film within two weeks and

1831

01:11:02,650 --> 01:11:01,070

I'm not doing the release so sorry Tom

1832

01:11:04,600 --> 01:11:02,660

Blanc it's gonna be one of the people so

1833

01:11:06,370 --> 01:11:04,610

it's probably gonna be Lu Alessandro cuz

1834

01:11:07,990 --> 01:11:06,380

he's the guy talked about it then they

1835

01:11:09,490 --> 01:11:08,000

pulled that tweet then he put another

1836

01:11:12,040 --> 01:11:09,500

tweet out that said it would be three

1837

01:11:14,620 --> 01:11:12,050

weeks from from November the 18th then

1838

01:11:16,720 --> 01:11:14,630

there was a rumor last week that said

1839

01:11:18,910 --> 01:11:16,730

Sunday something was gonna happen Sunday

1840

01:11:21,190 --> 01:11:18,920

and the rumor was New York Times then I

1841

01:11:23,560 --> 01:11:21,200

got a the guy confirmed to me just today

1842

01:11:26,400 --> 01:11:23,570

said no it's not New York Times but it's

1843

01:11:29,740 --> 01:11:26,410

big then I get a phone call from from

1844

01:11:32,560 --> 01:11:29,750

Stu Bundy in Toronto today and he said I

1845

01:11:34,930 --> 01:11:32,570

hear the film's coming is is this is

1846

01:11:36,820 --> 01:11:34,940

this what is it coming today or tomorrow

1847

01:11:38,290 --> 01:11:36,830

or something so there's this film that

1848

01:11:40,510 --> 01:11:38,300

they're gonna drop that is going to be

1849

01:11:42,160 --> 01:11:40,520

sanctioned that this is legitimate film

1850

01:11:47,350 --> 01:11:42,170

and it may be the Nimitz film I put it

1851
01:11:48,910 --> 01:11:47,360
on my right site because I managed to

1852
01:11:51,340 --> 01:11:48,920
figure out where this what the film was

1853
01:11:53,320 --> 01:11:51,350
and I put it up but it's not confirmed

1854
01:11:55,420 --> 01:11:53,330
by the government so that maybe the film

1855
01:11:57,400 --> 01:11:55,430
one of the films that the girl lease but

1856
01:11:58,900 --> 01:11:57,410
it's actually going to say there's going

1857
01:12:01,090 --> 01:11:58,910
to be a sign off that the government

1858
01:12:04,300 --> 01:12:01,100
actually authenticates that this is

1859
01:12:06,400 --> 01:12:04,310
legitimate film oh my god well that's

1860
01:12:07,750 --> 01:12:06,410
disclosure isn't it don't you think

1861
01:12:09,400 --> 01:12:07,760
yeah well that's I think what they've

1862
01:12:10,690 --> 01:12:09,410
done and this is my impression of what

1863
01:12:13,270 --> 01:12:10,700

they've done is they've gone back to

1864

01:12:15,310 --> 01:12:13,280

1947 they try to figure out how do we

1865

01:12:18,040 --> 01:12:15,320

get this thing out so what they do is

1866

01:12:19,690 --> 01:12:18,050

they say let's start at 1947 again we

1867

01:12:22,479 --> 01:12:19,700

make the announcement and it has worked

1868

01:12:24,550 --> 01:12:22,489

they make the announcement and say yes

1869

01:12:26,020 --> 01:12:24,560

there are UFOs and we haven't got the

1870

01:12:27,970 --> 01:12:26,030

foggiest notion what's going on and

1871

01:12:29,200 --> 01:12:27,980

we're gonna investigate it and so they

1872

01:12:31,240 --> 01:12:29,210

start where they should have done in

1873

01:12:34,510 --> 01:12:31,250

1947 instead of saying there's nothing

1874

01:12:35,950 --> 01:12:34,520

going on it's alright and perhaps like

1875

01:12:37,479 --> 01:12:35,960

that so they've done that and the other

1876

01:12:39,070 --> 01:12:37,489

thing that everybody talks about the

1877

01:12:40,990 --> 01:12:39,080

money and I think what what's happened

1878

01:12:43,120 --> 01:12:41,000

here is that what the other

1879

01:12:46,300 --> 01:12:43,130

that they've done is even if you say

1880

01:12:48,790 --> 01:12:46,310

UFOs are real you're stuck in a box how

1881

01:12:50,020 --> 01:12:48,800

do you get the technology out so what

1882

01:12:52,600 --> 01:12:50,030

they do is they bring in this Steve

1883

01:12:55,270 --> 01:12:52,610

justice guy first they had and nobody's

1884

01:12:56,290 --> 01:12:55,280

explained this you had originally Tom

1885

01:12:58,690 --> 01:12:56,300

DeLonge gets set up for these two

1886

01:13:00,370 --> 01:12:58,700

generals one is the guy his assistant

1887

01:13:01,510 --> 01:13:00,380

head of Space Command the other guy was

1888

01:13:02,890 --> 01:13:01,520

the guy that ran the lab at

1889

01:13:05,170 --> 01:13:02,900

wright-patterson Air Force Base where

1890

01:13:08,290 --> 01:13:05,180

the bodies are so spend this much mckay

1891

01:13:09,670 --> 01:13:08,300

and this McCaslin general guys and then

1892

01:13:11,740 --> 01:13:09,680

Robert Weiss who was the head of

1893

01:13:12,430 --> 01:13:11,750

Lockheed skunkworks so in the Podesta

1894

01:13:14,770 --> 01:13:12,440

emails

1895

01:13:15,370 --> 01:13:14,780

these guys are identified as Tom

1896

01:13:18,250 --> 01:13:15,380

DeLong's

1897

01:13:20,800 --> 01:13:18,260

inside sources so when he goes for the

1898

01:13:22,750 --> 01:13:20,810

news conference then is what I call the

1899

01:13:24,100 --> 01:13:22,760

B team you put the B team out you don't

1900

01:13:25,330 --> 01:13:24,110

have the generals anymore now you've got

1901

01:13:27,370 --> 01:13:25,340

people under the generals so you got

1902

01:13:29,140 --> 01:13:27,380

this Lou Elizondo guy who's not a

1903

01:13:31,420 --> 01:13:29,150

general but he's in that department and

1904

01:13:33,070 --> 01:13:31,430

you have Steve Justus who's not Robert

1905

01:13:34,750 --> 01:13:33,080

Weiss the head of Lockheed skunkworks

1906

01:13:36,250 --> 01:13:34,760

he's a Lockheed skunkworks guy and

1907

01:13:37,930 --> 01:13:36,260

they're coming out so they raised this

1908

01:13:39,430 --> 01:13:37,940

money and the whole thing was well the

1909

01:13:41,260 --> 01:13:39,440

kid that this they could spend his two

1910

01:13:42,400 --> 01:13:41,270

million bucks they've raised in like 15

1911

01:13:45,400 --> 01:13:42,410

minutes this is nuts

1912

01:13:46,900 --> 01:13:45,410

but that may be just a cover for what

1913

01:13:49,210 --> 01:13:46,910

they're actually doing is they are

1914

01:13:52,480 --> 01:13:49,220

because Steve justice is stating that he

1915

01:13:54,610 --> 01:13:52,490

is going to produce material that it was

1916

01:13:56,440 --> 01:13:54,620

worked on at Lockheed skunkworks this is

1917

01:13:57,820 --> 01:13:56,450

classified material you go to jail for

1918

01:13:59,470 --> 01:13:57,830

this kind of stuff when you walk out of

1919

01:14:02,200 --> 01:13:59,480

Lockheed you don't just say I'm gonna

1920

01:14:04,480 --> 01:14:02,210

okay what's going on right so this is

1921

01:14:07,210 --> 01:14:04,490

the leak this is how they move the black

1922

01:14:08,770 --> 01:14:07,220

technology into the white world is this

1923

01:14:10,600 --> 01:14:08,780

a scam they've got the two million

1924

01:14:12,760 --> 01:14:10,610

dollars Steve justice bringing it across

1925

01:14:15,070 --> 01:14:12,770

and it's worked because nobody even says

1926

01:14:17,470 --> 01:14:15,080

anything it's almost like when when lose

1927

01:14:19,870 --> 01:14:17,480

Lou Elizondo stood up and said it's for

1928

01:14:22,000 --> 01:14:19,880

real we have UFOs I worked the program

1929

01:14:23,530 --> 01:14:22,010

and I'm in the government everybody just

1930

01:14:25,750 --> 01:14:23,540

said well what about the money he's

1931

01:14:27,430 --> 01:14:25,760

running a scam the money nobody even

1932

01:14:28,690 --> 01:14:27,440

considered the fact that they had

1933

01:14:30,340 --> 01:14:28,700

actually disclosed they just want to

1934

01:14:32,410 --> 01:14:30,350

talk about the money the money is just a

1935

01:14:35,410 --> 01:14:32,420

cover it's just a thing to distract

1936

01:14:37,390 --> 01:14:35,420

people from from from justice saying I'm

1937

01:14:39,370 --> 01:14:37,400

going to bring this this this black

1938

01:14:41,380 --> 01:14:39,380

technology into the world that we're

1939

01:14:42,580 --> 01:14:41,390

gonna build this flying saucer and so

1940

01:14:45,310 --> 01:14:42,590

you really don't need that much money

1941

01:14:46,990 --> 01:14:45,320

all you need is Steve Justice to bring

1942

01:14:49,030 --> 01:14:47,000

the material out of Lockheed skunkworks

1943

01:14:50,170 --> 01:14:49,040

and put it in the white world that's how

1944

01:14:52,900 --> 01:14:50,180

they moved the technology out of the

1945

01:14:54,790 --> 01:14:52,910

black world interesting that's very

1946

01:14:56,350 --> 01:14:54,800

interesting because I know

1947

01:14:58,689 --> 01:14:56,360

exactly we were saying is when I watched

1948

01:15:01,450 --> 01:14:58,699

it and he said that I thought to myself

1949

01:15:03,430 --> 01:15:01,460

well every UFO every person who's been

1950

01:15:05,890 --> 01:15:03,440

abducted or as contact already knows

1951

01:15:07,750 --> 01:15:05,900

this yeah so they're gonna gloss right

1952

01:15:09,580 --> 01:15:07,760

over that and it's not gonna make any

1953

01:15:11,859 --> 01:15:09,590

sense to anybody else because they're

1954

01:15:14,169 --> 01:15:11,869

gonna think these guys are nuts I mean

1955

01:15:15,939 --> 01:15:14,179

you gotta realize you got my sister who

1956

01:15:17,470 --> 01:15:15,949

doesn't believe in any of this and she

1957

01:15:18,879 --> 01:15:17,480

would hear that she all these guys are

1958

01:15:20,859 --> 01:15:18,889

nuts and she turned it off and she'd

1959

01:15:23,319 --> 01:15:20,869

forget about it right yeah then you have

1960

01:15:25,629 --> 01:15:23,329

the UFO community going oh well you know

1961

01:15:27,129 --> 01:15:25,639

all the contact these are going oh we

1962

01:15:28,299 --> 01:15:27,139

already know that now what are you guys

1963

01:15:31,930 --> 01:15:28,309

up to what do you how are you gonna

1964

01:15:34,419 --> 01:15:31,940

screw us over this time right yeah and

1965

01:15:36,339 --> 01:15:34,429

everybody forgot that what they're

1966

01:15:38,229 --> 01:15:36,349

trying to do is they're trying to do

1967

01:15:41,740 --> 01:15:38,239

their own thing out in the public now

1968

01:15:44,890 --> 01:15:41,750

for the people that are under 25 so that

1969

01:15:47,169 --> 01:15:44,900

in 20 years there is no big deal when

1970

01:15:49,330 --> 01:15:47,179

these aliens start showing up and doing

1971

01:15:51,430 --> 01:15:49,340

whatever they do you know that's what

1972

01:15:52,780 --> 01:15:51,440

I'm seeing that's just my take on it

1973

01:15:55,330 --> 01:15:52,790

grant what's your take on it

1974

01:15:56,709 --> 01:15:55,340

yeah I I the way I look at these guys is

1975

01:16:00,549 --> 01:15:56,719

because I know some of these guys I mean

1976

01:16:03,100 --> 01:16:00,559

I I know some people very close to semi

1977

01:16:05,830 --> 01:16:03,110

van I've heard in great detail his story

1978

01:16:07,149 --> 01:16:05,840

how they they wanted money that he

1979

01:16:09,790 --> 01:16:07,159

believed that this thing had to be

1980

01:16:12,189 --> 01:16:09,800

funded and it has to do with this this

1981

01:16:14,500 --> 01:16:12,199

big thing in Sweden where they've got

1982

01:16:17,879 --> 01:16:14,510

all this UFO material and semi van was

1983

01:16:20,229 --> 01:16:17,889

there and he wants material released for

1984

01:16:21,939 --> 01:16:20,239

academics to study the phenomena and

1985

01:16:24,189 --> 01:16:21,949

stuff I got so I know that that that

1986

01:16:26,950 --> 01:16:24,199

semi van is a guy he's he's not like the

1987

01:16:28,149 --> 01:16:26,960

evil you know guy in the government he's

1988

01:16:29,919 --> 01:16:28,159

a guy who's trying to figure out what's

1989

01:16:32,649 --> 01:16:29,929

going on and he said this experience and

1990

01:16:34,240 --> 01:16:32,659

so the way I look at these people is

1991

01:16:36,850 --> 01:16:34,250

they got this very difficult problem

1992

01:16:38,709 --> 01:16:36,860

they screwed it up in 1947 and they're

1993

01:16:41,319 --> 01:16:38,719

trying to figure out how do we do this

1994

01:16:44,500 --> 01:16:41,329

without blowing up the without going

1995

01:16:46,030 --> 01:16:44,510

down in in in flames ourselves and it's

1996

01:16:48,100 --> 01:16:46,040

actually worked because nobody's picking

1997

01:16:49,720 --> 01:16:48,110

up on this nobody's it's like I always

1998

01:16:52,030 --> 01:16:49,730

said like what happened to the street

1999

01:16:55,240 --> 01:16:52,040

the two generals and Robert Weiss they

2000

01:16:58,330 --> 01:16:55,250

came out they were identified that we

2001
01:16:59,919 --> 01:16:58,340
actually had a researcher go to the New

2002
01:17:02,470 --> 01:16:59,929
York Times to three reporters in New

2003
01:17:04,450 --> 01:17:02,480
York Times and said there's guys have

2004
01:17:06,100 --> 01:17:04,460
been outed that's in WikiLeaks they had

2005
01:17:07,629 --> 01:17:06,110
a meeting with John Podesta on UFO

2006
01:17:08,560 --> 01:17:07,639
disclosure are you going to do something

2007
01:17:10,150 --> 01:17:08,570
about this

2008
01:17:12,310 --> 01:17:10,160
New York Times all three reporter said

2009
01:17:14,890 --> 01:17:12,320
we'll pass on the story so nobody's

2010
01:17:17,440 --> 01:17:14,900
going same as chase Brandon comes out in

2011
01:17:19,180 --> 01:17:17,450
2012 is this a second highest guy to

2012
01:17:21,430 --> 01:17:19,190
speak publicly on behalf of the CI he's

2013
01:17:23,950 --> 01:17:21,440

like super high-level CIA guy comes out

2014

01:17:25,330 --> 01:17:23,960

and says UFO Roswell was real it was

2015

01:17:26,920 --> 01:17:25,340

extraterrestrial and there were bodies

2016

01:17:28,930 --> 01:17:26,930

and he walks back in the shadows and

2017

01:17:30,700 --> 01:17:28,940

nobody bothers to even chase the guy so

2018

01:17:31,870 --> 01:17:30,710

he puts his stuff out and nobody does

2019

01:17:33,490 --> 01:17:31,880

anything because everybody's so busy

2020

01:17:34,960 --> 01:17:33,500

with their life you know sending their

2021

01:17:36,940 --> 01:17:34,970

kids to soccer practice and making it

2022

01:17:39,100 --> 01:17:36,950

making a job and trying to pay the bills

2023

01:17:40,660 --> 01:17:39,110

and stuff that the this is so little but

2024

01:17:42,670 --> 01:17:40,670

they're doing so I look at it as a bunch

2025

01:17:44,170 --> 01:17:42,680

of guys who have a really difficult

2026

01:17:46,330 --> 01:17:44,180

situation and they're trying to figure

2027

01:17:48,010 --> 01:17:46,340

out how do we do this how do we get this

2028

01:17:49,990 --> 01:17:48,020

thing out we want this thing out we

2029

01:17:51,820 --> 01:17:50,000

realize it's got to get out and how do

2030

01:17:54,370 --> 01:17:51,830

we do it and then it makes sense the way

2031

01:17:56,290 --> 01:17:54,380

they they just drop this thing and they

2032

01:17:58,270 --> 01:17:56,300

run this this money thing that everybody

2033

01:18:00,310 --> 01:17:58,280

picked up on all people talked about was

2034

01:18:02,260 --> 01:18:00,320

the money nobody picked up on anything

2035

01:18:03,580 --> 01:18:02,270

else that happened in that thing so they

2036

01:18:05,080 --> 01:18:03,590

basically done this and that's why you

2037

01:18:07,240 --> 01:18:05,090

can see it's so carefully controlled

2038

01:18:11,620 --> 01:18:07,250

they will not talk to anybody they will

2039

01:18:13,780 --> 01:18:11,630

not and it's leave you with him to save

2040

01:18:15,910 --> 01:18:13,790

my rear end not that I ever could anyhow

2041

01:18:18,130 --> 01:18:15,920

but I mean I even if I tried he would

2042

01:18:21,430 --> 01:18:18,140

say no sure and then the hoe talks about

2043

01:18:22,660 --> 01:18:21,440

the fact that he came to her and DeLonge

2044

01:18:24,520 --> 01:18:22,670

came to her and said you know you're

2045

01:18:26,620 --> 01:18:24,530

gonna be one of my stars and and all

2046

01:18:28,240 --> 01:18:26,630

these offers and this and that and stuff

2047

01:18:30,220 --> 01:18:28,250

and then he just cut her off and he and

2048

01:18:32,590 --> 01:18:30,230

she can't talk to him either and and he

2049

01:18:34,180 --> 01:18:32,600

approached her and and made these offers

2050

01:18:35,410 --> 01:18:34,190

like you got to be part of my team and

2051

01:18:36,730 --> 01:18:35,420

you know everything and you're the

2052

01:18:38,020 --> 01:18:36,740

greatest and all this stuff and she

2053

01:18:40,270 --> 01:18:38,030

can't get home either

2054

01:18:41,920 --> 01:18:40,280

so they've cut off everybody and that

2055

01:18:43,900 --> 01:18:41,930

shows this this idea it's almost like

2056

01:18:45,580 --> 01:18:43,910

the script like the you have a cover up

2057

01:18:47,410 --> 01:18:45,590

life or it's all scripted where

2058

01:18:49,300 --> 01:18:47,420

everybody stays on script nobody goes

2059

01:18:51,280 --> 01:18:49,310

off script you're the only people that

2060

01:18:53,350 --> 01:18:51,290

are allowed to interview are the people

2061

01:18:55,450 --> 01:18:53,360

that we allow so so Leslie Kane does

2062

01:18:57,520 --> 01:18:55,460

interviews you allow one interview with

2063

01:19:00,040 --> 01:18:57,530

Rogan nobody else we don't want anybody

2064

01:19:02,710 --> 01:19:00,050

going off script we don't want Lorien

2065

01:19:04,120 --> 01:19:02,720

doing a story and quoting Tom DeLonge

2066

01:19:06,430 --> 01:19:04,130

and screwing the thing up or whatever

2067

01:19:09,370 --> 01:19:06,440

it's also careful we don't want her

2068

01:19:11,260 --> 01:19:09,380

digging into his past bring it out to my

2069

01:19:16,150 --> 01:19:11,270

audience should like what I said in the

2070

01:19:19,150 --> 01:19:16,160

past and now grant I and this point but

2071

01:19:20,570 --> 01:19:19,160

I yeah I just hold on one second here's

2072

01:19:25,730 --> 01:19:20,580

what I wanted

2073

01:19:28,040 --> 01:19:25,740

I miss you guys I yeah I'm sure you do I

2074

01:19:30,950 --> 01:19:28,050

got one question for both of you and I'm

2075

01:19:32,240 --> 01:19:30,960

gonna answer it first because my problem

2076

01:19:34,220 --> 01:19:32,250

with the whole thing grant is I

2077

01:19:36,350 --> 01:19:34,230

understand what they're doing and I get

2078

01:19:39,710 --> 01:19:36,360

it and I did catch the fact that they

2079

01:19:42,650 --> 01:19:39,720

disclosed in that but my problem with it

2080

01:19:46,160 --> 01:19:42,660

again as you both know is that I cannot

2081

01:19:48,170 --> 01:19:46,170

stand an external force that has really

2082

01:19:50,330 --> 01:19:48,180

nothing to do with the whole UFO

2083

01:19:53,210 --> 01:19:50,340

community like boots on the ground like

2084

01:19:56,240 --> 01:19:53,220

grant Melinda and Lorien like we live

2085

01:19:58,550 --> 01:19:56,250

this everyday of our lives right these

2086

01:20:01,940 --> 01:19:58,560

guys pop in and decide how they're going

2087

01:20:04,880 --> 01:20:01,950

to control what we are hearing from them

2088

01:20:06,950 --> 01:20:04,890

and they and they what's so bizarre to

2089

01:20:09,560 --> 01:20:06,960

me grant is that they disclose during

2090

01:20:12,080 --> 01:20:09,570

that that conference and nobody ever

2091

01:20:14,390 --> 01:20:12,090

talked about it see that's how much mind

2092

01:20:16,760 --> 01:20:14,400

control plays in this and social media

2093

01:20:19,220 --> 01:20:16,770

and how they're controlling all of our

2094

01:20:22,130 --> 01:20:19,230

all of how words it's supposed to think

2095

01:20:24,830 --> 01:20:22,140

about this and it's making me crazy I

2096

01:20:26,780 --> 01:20:24,840

can't stand it it makes me nuts so grant

2097

01:20:29,060 --> 01:20:26,790

let's let's start with Melinda first

2098

01:20:31,640 --> 01:20:29,070

Melinda what is your take on what

2099

01:20:35,960 --> 01:20:31,650

they're doing and how did you react to

2100

01:20:40,040 --> 01:20:35,970

it I think everyone needs to keep in

2101
01:20:41,600 --> 01:20:40,050
mind and you said disclosure right then

2102
01:20:45,260 --> 01:20:41,610
and a couple minutes ago in this

2103
01:20:47,600 --> 01:20:45,270
conversation Laurie and you said if you

2104
01:20:49,430 --> 01:20:47,610
know about being disclosure what we're

2105
01:20:51,350 --> 01:20:49,440
after members there's disclosure with a

2106
01:20:53,360 --> 01:20:51,360
capital D and then they're soft its

2107
01:20:56,480 --> 01:20:53,370
disclosure well true what we're getting

2108
01:20:58,970 --> 01:20:56,490
here is soft disclosure this is not an

2109
01:21:02,630 --> 01:20:58,980
overnight deal this is a 40 or 50 year

2110
01:21:05,720 --> 01:21:02,640
plan that we're on the middle of okay so

2111
01:21:08,660 --> 01:21:05,730
this this is this is not everything

2112
01:21:10,580 --> 01:21:08,670
overnight this is I agree that with

2113
01:21:13,430 --> 01:21:10,590

Grant that this may be an attempt to

2114

01:21:16,840 --> 01:21:13,440

start to bring some of the technologies

2115

01:21:20,210 --> 01:21:16,850

at what not into the white world I'll

2116

01:21:23,560 --> 01:21:20,220

believe it when I see it but it could be

2117

01:21:28,670 --> 01:21:23,570

their attempt to start that process but

2118

01:21:33,230 --> 01:21:28,680

separately it is soft disclosure and and

2119

01:21:34,460 --> 01:21:33,240

and everyone needs to remember and and I

2120

01:21:37,600 --> 01:21:34,470

might say everyone I mean

2121

01:21:41,600 --> 01:21:37,610

both of you guys in and your audience

2122

01:21:44,830 --> 01:21:41,610

but the whole point to the working group

2123

01:21:48,140 --> 01:21:44,840

and their involvement all along and

2124

01:21:50,900 --> 01:21:48,150

about every five years or so they roll

2125

01:21:54,680 --> 01:21:50,910

out another program or multiple programs

2126
01:21:57,940 --> 01:21:54,690
as grant has been quick to say and this

2127
01:22:00,800 --> 01:21:57,950
is just the the current program Dave a

2128
01:22:04,030 --> 01:22:00,810
lot of their attempts to do this before

2129
01:22:05,780 --> 01:22:04,040
went so far and then they pulled back

2130
01:22:08,120 --> 01:22:05,790
this is brand-new

2131
01:22:10,910 --> 01:22:08,130
let's see how long it keeps going it

2132
01:22:16,780 --> 01:22:10,920
might get pulled back as well

2133
01:22:19,970 --> 01:22:16,790
but the point being that ufology is

2134
01:22:21,920 --> 01:22:19,980
being manipulated from behind the sees

2135
01:22:24,320 --> 01:22:21,930
you were just saying oh I hate when

2136
01:22:26,900 --> 01:22:24,330
these guys come in you know these

2137
01:22:29,750 --> 01:22:26,910
seemingly Outsiders Lorien these aren't

2138
01:22:32,240 --> 01:22:29,760

you fall G Outsiders at all I know that

2139

01:22:35,510 --> 01:22:32,250

you guys a lot of these guys have been

2140

01:22:41,330 --> 01:22:35,520

very very active in ufology from the

2141

01:22:46,840 --> 01:22:41,340

get-go it's true I'm just saying I don't

2142

01:22:50,960 --> 01:22:46,850

know I just I don't I hate it well

2143

01:22:52,700 --> 01:22:50,970

manipulated for 50 years yeah we don't

2144

01:22:54,800 --> 01:22:52,710

like it but it's the way you followed

2145

01:22:57,320 --> 01:22:54,810

you works you know or the way it doesn't

2146

01:22:59,660 --> 01:22:57,330

work as the case may be but yeah but I

2147

01:23:05,960 --> 01:22:59,670

don't we send manipulated from the gate

2148

01:23:09,770 --> 01:23:05,970

code that that that the you fall UFOs

2149

01:23:14,260 --> 01:23:09,780

and the presence of others and the

2150

01:23:17,870 --> 01:23:14,270

technology associated with it is so

2151

01:23:20,270 --> 01:23:17,880

significant that it has been an

2152

01:23:26,390 --> 01:23:20,280

intelligence run operation from the

2153

01:23:29,150 --> 01:23:26,400

get-go that the government's last shadow

2154

01:23:32,240 --> 01:23:29,160

government have been involved with this

2155

01:23:34,210 --> 01:23:32,250

subject matter with the ETS with the

2156

01:23:40,040 --> 01:23:34,220

development the technology

2157

01:23:42,860 --> 01:23:40,050

you know from pre Roswell you know I

2158

01:23:44,900 --> 01:23:42,870

mean it's that's what 70 years and

2159

01:23:48,209 --> 01:23:44,910

there's evidence that they've been

2160

01:23:50,819 --> 01:23:48,219

involved before then that's how they had

2161

01:23:52,529 --> 01:23:50,829

all the procedures in place at Roswell

2162

01:23:54,509 --> 01:23:52,539

they weren't paying to reinvent the

2163

01:23:57,029 --> 01:23:54,519

wheel with Roswell they knew how to

2164

01:23:59,580 --> 01:23:57,039

handle the situation because they had

2165

01:24:04,379 --> 01:23:59,590

handled even situations prior to that

2166

01:24:07,649 --> 01:24:04,389

you bet and so all along this has been

2167

01:24:10,229 --> 01:24:07,659

manipulated in control one of the

2168

01:24:13,890 --> 01:24:10,239

members of the working group once said

2169

01:24:16,649 --> 01:24:13,900

to me and I've been researching this and

2170

01:24:19,219 --> 01:24:16,659

I applaud that grant has been on to it

2171

01:24:22,049 --> 01:24:19,229

for grand I don't know when you first

2172

01:24:24,239 --> 01:24:22,059

stumbled on to them and and got involved

2173

01:24:27,120 --> 01:24:24,249

with behavior and everything but you

2174

01:24:29,819 --> 01:24:27,130

know whatever it's been my research

2175

01:24:31,259 --> 01:24:29,829

associate knife and I we taught you and

2176

01:24:34,739 --> 01:24:31,269

I've talked about this have been

2177

01:24:39,149 --> 01:24:34,749

involved with is in this for about 28 29

2178

01:24:43,580 --> 01:24:39,159

years now I'd say 28 years and and

2179

01:24:50,160 --> 01:24:43,590

really I would say very hard core

2180

01:24:53,879 --> 01:24:50,170

working at it for 25 years but but again

2181

01:24:56,520 --> 01:24:53,889

the whole point being is it's a study in

2182

01:24:58,739 --> 01:24:56,530

how you follow Jesus been manipulated a

2183

01:25:00,899 --> 01:24:58,749

lot and as I started to say one of these

2184

01:25:02,870 --> 01:25:00,909

guys I always caught the were in at the

2185

01:25:05,969 --> 01:25:02,880

spinet speech you know they he said

2186

01:25:07,439 --> 01:25:05,979

we're involved in ufology to direct it

2187

01:25:08,819 --> 01:25:07,449

and steer it where we wanted to go and

2188

01:25:11,129 --> 01:25:08,829

steer it away from where we don't want

2189

01:25:14,609 --> 01:25:11,139

you know and and so they've been

2190

01:25:16,500 --> 01:25:14,619

involved in that way ever since and he

2191

01:25:18,779 --> 01:25:16,510

also said we answer to a bigger umbrella

2192

01:25:21,450 --> 01:25:18,789

group I have never thought the working

2193

01:25:23,879 --> 01:25:21,460

group was the current incarnation of you

2194

01:25:28,919 --> 01:25:23,889

know m-day 12 or something I don't think

2195

01:25:31,049 --> 01:25:28,929

so it that they answer to a bigger

2196

01:25:34,109 --> 01:25:31,059

umbrella group and that they're just one

2197

01:25:37,399 --> 01:25:34,119

branch of it but they're one branch of

2198

01:25:41,430 --> 01:25:37,409

it that is specifically active in

2199

01:25:45,239 --> 01:25:41,440

ufology in the UFO field and in

2200

01:25:47,069 --> 01:25:45,249

manipulating the UFO feel manipulating

2201

01:25:49,680 --> 01:25:47,079

certain you follow just certain

2202

01:25:51,899 --> 01:25:49,690

directions leaking stuff when they want

2203

01:25:56,129 --> 01:25:51,909

it leaked spinning it back away from

2204

01:25:56,580 --> 01:25:56,139

that one they don't want it excuse me

2205

01:26:00,930 --> 01:25:56,590

guys

2206

01:26:01,709 --> 01:26:00,940

anyway so and I want people understand

2207

01:26:04,140 --> 01:26:01,719

that the you

2208

01:26:06,810 --> 01:26:04,150

that's the point when we're following

2209

01:26:10,529 --> 01:26:06,820

the DeLong story and the to the Stars

2210

01:26:12,750 --> 01:26:10,539

Academy that's just the the the current

2211

01:26:16,439 --> 01:26:12,760

thing that they're involved in you know

2212

01:26:19,169 --> 01:26:16,449

you can go back to of course the

2213

01:26:23,580 --> 01:26:19,179

formation of the aviary and a meeting

2214

01:26:26,160 --> 01:26:23,590

that took place May 21st 1985 of maybe

2215

01:26:29,850 --> 01:26:26,170

an official formation but they

2216

01:26:32,310 --> 01:26:29,860

pre-existed that I had when Colonel

2217

01:26:35,489 --> 01:26:32,320

corsa was alive and Phil Burns was still

2218

01:26:37,739 --> 01:26:35,499

very much involved with them when I

2219

01:26:39,569 --> 01:26:37,749

talked to Bill about some my research in

2220

01:26:42,419 --> 01:26:39,579

this early on and Corso was still like

2221

01:26:44,040 --> 01:26:42,429

he went to car so in Corso said oh yeah

2222

01:26:45,390 --> 01:26:44,050

I was involved in that even prior to

2223

01:26:48,870 --> 01:26:45,400

that blah blah blah and knew a

2224

01:26:51,899 --> 01:26:48,880

prehistory the group going back long

2225

01:26:54,419 --> 01:26:51,909

before 85 that he was involved in you

2226

01:26:57,239 --> 01:26:54,429

know and in my these days I got a tech

2227

01:26:58,770 --> 01:26:57,249

bill birnes brain about what exactly did

2228

01:27:02,129 --> 01:26:58,780

course we'll say about that prehistory

2229

01:27:04,560 --> 01:27:02,139

and who else was involved and well to

2230

01:27:06,870 --> 01:27:04,570

what capacity he was and and how did he

2231

01:27:10,080 --> 01:27:06,880

know about it becoming a working group

2232

01:27:13,259 --> 01:27:10,090

as we know it now and of course the

2233

01:27:15,629 --> 01:27:13,269

aviary was just a name thrown on by

2234

01:27:17,729 --> 01:27:15,639

morons and array who said well we're

2235

01:27:20,549 --> 01:27:17,739

working with these guys when so we know

2236

01:27:21,839 --> 01:27:20,559

we're talking about and so you know they

2237

01:27:23,819 --> 01:27:21,849

do you know will come up with these

2238

01:27:25,830 --> 01:27:23,829

stupid bird names and as a group of cult

2239

01:27:28,259 --> 01:27:25,840

the aviary you get very one bird names

2240

01:27:33,930 --> 01:27:28,269

because that was their way of talking

2241

01:27:37,830 --> 01:27:33,940

about it without without you know saying

2242

01:27:39,899 --> 01:27:37,840

the the names of the members you know

2243

01:27:41,459 --> 01:27:39,909

back then because they didn't want to

2244

01:27:43,140 --> 01:27:41,469

leak that because they didn't want to

2245

01:27:46,020 --> 01:27:43,150

scare these guys off and blah blah blah

2246

01:27:48,330 --> 01:27:46,030

but anyway so it made sense back then to

2247

01:27:50,520 --> 01:27:48,340

give them all these code names and the

2248

01:27:52,830 --> 01:27:50,530

terminology aviary this group never

2249

01:27:54,379 --> 01:27:52,840

called themselves the aviary it's all

2250

01:27:56,969 --> 01:27:54,389

kind of a big joke to them now but

2251

01:27:59,370 --> 01:27:56,979

that's what it was that was more in

2252

01:28:00,629 --> 01:27:59,380

shandur a calling calling who they're

2253

01:28:03,060 --> 01:28:00,639

involved with at the time and the

2254

01:28:07,100 --> 01:28:03,070

working group is named and the working

2255

01:28:09,390 --> 01:28:07,110

group yeah yeah anyhow if you've got a

2256

01:28:11,100 --> 01:28:09,400

conclusion you're coming to that's great

2257

01:28:13,259 --> 01:28:11,110

but I want to make sure Greg gets his

2258

01:28:15,539 --> 01:28:13,269

answer in on how he feels about these

2259

01:28:18,000 --> 01:28:15,549

guys running our narrative

2260

01:28:19,559 --> 01:28:18,010

okay well I think the clean thumb that

2261

01:28:22,699 --> 01:28:19,569

that that main point I want to make

2262

01:28:24,929 --> 01:28:22,709

right and also we did we I had grant

2263

01:28:27,239 --> 01:28:24,939

methodically for the first hour go

2264

01:28:28,949 --> 01:28:27,249

through the history of all this so we

2265

01:28:29,669 --> 01:28:28,959

did a lot of history tonight so you'd be

2266

01:28:33,869 --> 01:28:29,679

proud of them

2267

01:28:35,819 --> 01:28:33,879

okay so grant what's your take on it how

2268

01:28:39,779 --> 01:28:35,829

do you feel about them controlling what

2269

01:28:42,179 --> 01:28:39,789

you and I do on a daily basis you guys

2270

01:28:45,000 --> 01:28:42,189

the gold makes the rules this year right

2271

01:28:47,429 --> 01:28:45,010

there right but more more more to the

2272

01:28:49,049 --> 01:28:47,439

point the way I look at it and I think

2273

01:28:51,029 --> 01:28:49,059

Melinda consider back me up I mean I

2274

01:28:52,979 --> 01:28:51,039

know whom the Lind is talking about here

2275

01:28:55,439 --> 01:28:52,989

and so I've asked them are these good

2276

01:28:58,049 --> 01:28:55,449

guys or bad guys they're good guys that

2277

01:28:59,699 --> 01:28:58,059

that are facing a situation like even

2278

01:29:01,589 --> 01:28:59,709

even we're carving up their names we're

2279

01:29:03,179 --> 01:29:01,599

coming up their names because we've got

2280

01:29:04,859 --> 01:29:03,189

some justified reason why we are not

2281

01:29:08,189 --> 01:29:04,869

going to name who these people are who

2282

01:29:09,959 --> 01:29:08,199

were talking about and I know these

2283

01:29:11,339 --> 01:29:09,969

people and I think that they're just

2284

01:29:14,129 --> 01:29:11,349

people who are doing the best they can

2285

01:29:15,929 --> 01:29:14,139

with what they've got and and so they're

2286

01:29:19,289 --> 01:29:15,939

manipulating yes but you got to remember

2287

01:29:22,169 --> 01:29:19,299

that there there there the aliens are

2288

01:29:23,639 --> 01:29:22,179

doing exactly the same thing exactly

2289

01:29:24,839 --> 01:29:23,649

they're not disclosing they could land

2290

01:29:26,399 --> 01:29:24,849

on the White House lawn and tell us

2291

01:29:28,079 --> 01:29:26,409

what's going on anytime they want or

2292

01:29:29,849 --> 01:29:28,089

they could cover up they could just turn

2293

01:29:32,549 --> 01:29:29,859

the lights off on the flying saucers and

2294

01:29:34,109 --> 01:29:32,559

quit allowing abductees to remember

2295

01:29:36,929 --> 01:29:34,119

what's going on and stuff like that and

2296

01:29:39,449 --> 01:29:36,939

and just sort of do it you know quietly

2297

01:29:41,250 --> 01:29:39,459

so everybody's doing the cover-up and it

2298

01:29:43,699 --> 01:29:41,260

almost comes down to what kid green did

2299

01:29:46,649 --> 01:29:43,709

and he had an interview when the the

2300

01:29:48,599 --> 01:29:46,659

whatever they call it the Mirage Minh

2301
01:29:50,039 --> 01:29:48,609
did the interview with him and they said

2302
01:29:51,419 --> 01:29:50,049
they were talking about the Sur poll

2303
01:29:52,829 --> 01:29:51,429
taken he said oh no don't throw it sir

2304
01:29:54,149 --> 01:29:52,839
Paul there's classified material in

2305
01:29:56,250 --> 01:29:54,159
there and he said you got to realize

2306
01:29:58,049 --> 01:29:56,260
what would you do if you had to run this

2307
01:30:00,809 --> 01:29:58,059
thing and so I always look at it with

2308
01:30:02,309 --> 01:30:00,819
them is that there guys and we know who

2309
01:30:04,619 --> 01:30:02,319
some of these people are they're friends

2310
01:30:06,479 --> 01:30:04,629
of ours who were involved in this and

2311
01:30:07,919 --> 01:30:06,489
they were guys who thought they were

2312
01:30:09,899 --> 01:30:07,929
saving the world they were they were

2313
01:30:11,189 --> 01:30:09,909

doing the the best they could and maybe

2314

01:30:13,439 --> 01:30:11,199

it was the wrong thing to do maybe it

2315

01:30:17,159 --> 01:30:13,449

was the right thing to do but I see

2316

01:30:21,209 --> 01:30:17,169

these people as like and so I would ask

2317

01:30:23,789 --> 01:30:21,219

the question to Lorien what would you do

2318

01:30:25,229 --> 01:30:23,799

if you were at this situation what would

2319

01:30:27,959 --> 01:30:25,239

you do we used to drop the whole thing

2320

01:30:29,010 --> 01:30:27,969

on the public eye I just I'm going to

2321

01:30:30,420 --> 01:30:29,020

say one other quick thing

2322

01:30:34,250 --> 01:30:30,430

about that I'm gonna go back and answer

2323

01:30:41,310 --> 01:30:38,070

God just went out on my head our buddy

2324

01:30:43,800 --> 01:30:41,320

in Colorado come on Stan as Stan how he

2325

01:30:46,650 --> 01:30:43,810

feels about this I mean Stan Romanick I

2326

01:30:47,970 --> 01:30:46,660

mean you know you you guys say that all

2327

01:30:54,230 --> 01:30:47,980

these guys are you know doing whatever

2328

01:30:59,760 --> 01:30:57,300

yeah I mean yeah think about it grant i

2329

01:31:02,160 --> 01:30:59,770

I I'm still pissed off that about the

2330

01:31:04,590 --> 01:31:02,170

fact that they retaliate against people

2331

01:31:06,840 --> 01:31:04,600

they decide they don't want talking you

2332

01:31:09,540 --> 01:31:06,850

know I mean it's gotta be these guys or

2333

01:31:13,650 --> 01:31:09,550

the guys above them doing that you know

2334

01:31:15,300 --> 01:31:13,660

so okay so yeah okay okay go ahead no I

2335

01:31:17,160 --> 01:31:15,310

would just say you got to remember that

2336

01:31:18,870 --> 01:31:17,170

I'm a Canadian and you guys dropped two

2337

01:31:21,150 --> 01:31:18,880

atomic bombs and you killed over a

2338

01:31:22,830 --> 01:31:21,160

million people and Iran and and people

2339

01:31:25,290 --> 01:31:22,840

make decisions like that where they say

2340

01:31:26,550 --> 01:31:25,300

we got to do this and it's like these

2341

01:31:28,860 --> 01:31:26,560

the story of the dropping the atomic

2342

01:31:31,560 --> 01:31:28,870

bombs the the embedded journalist from

2343

01:31:32,970 --> 01:31:31,570

the New York Times wrote and when you

2344

01:31:33,720 --> 01:31:32,980

flying back on the plane he said they

2345

01:31:35,700 --> 01:31:33,730

had it coming

2346

01:31:37,740 --> 01:31:35,710

so make people do these decisions but

2347

01:31:39,570 --> 01:31:37,750

they still think that they're saving the

2348

01:31:42,090 --> 01:31:39,580

world they've this guy's out of control

2349

01:31:43,350 --> 01:31:42,100

he's got to do this and people there's a

2350

01:31:45,150 --> 01:31:43,360

lot of people in government who will do

2351

01:31:47,010 --> 01:31:45,160

these kind of things the same as

2352

01:31:49,200 --> 01:31:47,020

countries will do things that we think

2353

01:31:50,790 --> 01:31:49,210

in Canada are like totally insane like

2354

01:31:53,430 --> 01:31:50,800

what are these grand I think we're at a

2355

01:31:56,820 --> 01:31:53,440

point you know you and I know it matter

2356

01:31:59,280 --> 01:31:56,830

so much about consciousness and that

2357

01:32:01,440 --> 01:31:59,290

part of this ever comes what the

2358

01:32:04,510 --> 01:32:01,450

holidays are almost here but you can

2359

01:32:06,580 --> 01:32:04,520

still treat yourself at Guitar Center

2360

01:32:08,530 --> 01:32:06,590

Fender acoustic electric guitar or a

2361

01:32:12,220 --> 01:32:08,540

Mitchell electric guitar launched back

2362

01:32:14,590 --> 01:32:12,230

with am your choice just 139 plus weakly

2363

01:32:19,410 --> 01:32:14,600

doorbuster deals special financing the

2364

01:32:19,420 --> 01:32:24,000

anywhere else

2365

01:32:30,040 --> 01:32:27,370

shopping so hurry in and find yourself

2366

01:32:32,800 --> 01:32:30,050

Guitar Center you have to start saying

2367

01:32:35,200 --> 01:32:32,810

no you know that this is not acting out

2368

01:32:36,750 --> 01:32:35,210

of higher consciousness I don't know

2369

01:32:40,330 --> 01:32:36,760

guys

2370

01:32:44,070 --> 01:32:40,340

we can roll ourselves you can't we can

2371

01:32:47,500 --> 01:32:44,080

yes yes yes I think we can excuse away

2372

01:32:51,900 --> 01:32:47,510

bad behavior that is that has had a lot

2373

01:32:54,870 --> 01:32:51,910

of very overt criminal activity you know

2374

01:33:00,190 --> 01:32:54,880

you know their their actions have been

2375

01:33:03,010 --> 01:33:00,200

criminal in many ways and and ufology

2376

01:33:05,860 --> 01:33:03,020

has been let around by the nose and lied

2377

01:33:09,790 --> 01:33:05,870

to by these guys and these guys are in

2378

01:33:11,170 --> 01:33:09,800

embedded in ufology in a way that you

2379

01:33:14,260 --> 01:33:11,180

followed you doesn't even know that

2380

01:33:16,690 --> 01:33:14,270

they're being lied to and misled by me

2381

01:33:18,640 --> 01:33:16,700

and that one of these primary guys said

2382

01:33:20,950 --> 01:33:18,650

to me we're in it to spin it I mean

2383

01:33:22,630 --> 01:33:20,960

ufology doesn't you know thinks that

2384

01:33:26,350 --> 01:33:22,640

they're best friends with these guys and

2385

01:33:28,480 --> 01:33:26,360

not realizing that this is a problem it

2386

01:33:31,150 --> 01:33:28,490

is a problem these guys have an agenda

2387

01:33:34,090 --> 01:33:31,160

and that agenda is not about the truth

2388

01:33:37,900 --> 01:33:34,100

it's about their version of the truth

2389

01:33:41,260 --> 01:33:37,910

which is either never or so slow so

2390

01:33:44,050 --> 01:33:41,270

deliberate that meanwhile we're on a

2391

01:33:46,150 --> 01:33:44,060

petroleum-based economy and ruining the

2392

01:33:48,700 --> 01:33:46,160

world in a way that we don't need to so

2393

01:33:51,190 --> 01:33:48,710

it's like wait a second no no I think I

2394

01:33:53,860 --> 01:33:51,200

think if you follow G makes excuses for

2395

01:33:55,540 --> 01:33:53,870

these guys it's like oh it's ok we're

2396

01:33:59,080 --> 01:33:55,550

little children we need to be lied to

2397

01:34:03,570 --> 01:33:59,090

that's ok no no it's not ok we've been

2398

01:34:08,110 --> 01:34:03,580

manipulated we've been lied to and and

2399

01:34:09,400 --> 01:34:08,120

and and we got to realize that you know

2400

01:34:11,470 --> 01:34:09,410

you thought you know everyone's always

2401
01:34:14,170 --> 01:34:11,480
like over Embedded there's intelligence

2402
01:34:16,540 --> 01:34:14,180
insiders yeah they run some of our

2403
01:34:18,500 --> 01:34:16,550
organizations you know we need to

2404
01:34:20,660 --> 01:34:18,510
question that you know we

2405
01:34:23,959 --> 01:34:20,670
to question the motives of these people

2406
01:34:26,359 --> 01:34:23,969
you know and and everyone's glad to have

2407
01:34:29,479 --> 01:34:26,369
their little you know I always caught

2408
01:34:30,709 --> 01:34:29,489
like their Swiss Army knife

2409
01:34:32,509 --> 01:34:30,719
you know whistle blow in their back

2410
01:34:34,009 --> 01:34:32,519
pocket their little insider we've all

2411
01:34:36,229 --> 01:34:34,019
got our little insider in our back

2412
01:34:38,000 --> 01:34:36,239
pocket like you know like that's like

2413
01:34:40,370 --> 01:34:38,010

your your good luck charm or that's your

2414

01:34:42,529 --> 01:34:40,380

e-ticket in or I'm something important

2415

01:34:44,959 --> 01:34:42,539

because I interface with this insider

2416

01:34:49,189 --> 01:34:44,969

this whistle and it's like that's enough

2417

01:34:51,020 --> 01:34:49,199

to keep me alive yeah yeah yeah you know

2418

01:34:53,509 --> 01:34:51,030

but but but the point being it's like

2419

01:34:55,779 --> 01:34:53,519

you guys some of these their agendas not

2420

01:34:57,709 --> 01:34:55,789

about the truth it's not about

2421

01:35:00,200 --> 01:34:57,719

disclosing today it's not about

2422

01:35:04,009 --> 01:35:00,210

disclosing in the next 10 years I

2423

01:35:05,629 --> 01:35:04,019

don't think you know it's like we you

2424

01:35:08,779 --> 01:35:05,639

know we pardon my language please look

2425

01:35:10,790 --> 01:35:08,789

we have to question this and question

2426
01:35:14,149 --> 01:35:10,800
these guys is involvement I mean I know

2427
01:35:16,580 --> 01:35:14,159
them too and I all sing every name

2428
01:35:18,410 --> 01:35:16,590
except maybe one you know but that's

2429
01:35:21,439 --> 01:35:18,420
like cuz I'm currently talking to them

2430
01:35:22,819 --> 01:35:21,449
and I don't want them to be scared away

2431
01:35:25,279 --> 01:35:22,829
from talking to me

2432
01:35:27,919 --> 01:35:25,289
we're just you're justifying it's their

2433
01:35:33,649 --> 01:35:27,929
wives saying they're justified getting

2434
01:35:35,779 --> 01:35:33,659
information from you know they think

2435
01:35:37,580 --> 01:35:35,789
that they're saving the world I say the

2436
01:35:39,339 --> 01:35:37,590
same thing that they they don't none of

2437
01:35:41,479 --> 01:35:39,349
these guys think they're bad guys I

2438
01:35:43,459 --> 01:35:41,489

think we have to do this we've got to

2439

01:35:46,390 --> 01:35:43,469

shut down Romanick we've got to shut

2440

01:35:49,220 --> 01:35:46,400

down Benowitz we've this guy's

2441

01:35:50,779 --> 01:35:49,230

experiencing the fact that there's UFOs

2442

01:35:53,270 --> 01:35:50,789

or the nuclear weapons storage area and

2443

01:35:55,549 --> 01:35:53,280

you're manipulated on everything that

2444

01:35:57,830 --> 01:35:55,559

ever happens you're like people are

2445

01:36:02,959 --> 01:35:57,840

sheeples everything that they do they

2446

01:36:06,229 --> 01:36:02,969

manipulate you on it's not just UFOs but

2447

01:36:09,350 --> 01:36:06,239

again I think I think we're not just I

2448

01:36:11,270 --> 01:36:09,360

think we're justifying bad behavior that

2449

01:36:14,959 --> 01:36:11,280

is not about the truth it's not about

2450

01:36:17,990 --> 01:36:14,969

informing people now and and you know

2451
01:36:20,149 --> 01:36:18,000
and and I saw though do you do on trick

2452
01:36:24,770 --> 01:36:20,159
these grand ground if we do that you

2453
01:36:27,140 --> 01:36:24,780
know I just think I just I mean as far

2454
01:36:29,660 --> 01:36:27,150
as as far as there being a 40-year

2455
01:36:32,390 --> 01:36:29,670
disclosure plan or 50 or whatever the

2456
01:36:33,590 --> 01:36:32,400
hell it is I'm I guess that makes sense

2457
01:36:35,750 --> 01:36:33,600
I know where you're going with that

2458
01:36:37,850 --> 01:36:35,760
argument I guess that make sense but I'm

2459
01:36:42,700 --> 01:36:37,860
saying this to the degree that you

2460
01:36:46,340 --> 01:36:42,710
follow G is manipulated and spun and

2461
01:36:48,380 --> 01:36:46,350
people put out a commission or are given

2462
01:36:51,950 --> 01:36:48,390
attention when it's useful you know and

2463
01:36:53,810 --> 01:36:51,960

and ufology need to know it's being used

2464

01:36:59,570 --> 01:36:53,820

and manipulated and be more aware of

2465

01:37:03,830 --> 01:36:59,580

that and anyway so that I guess that's

2466

01:37:06,919 --> 01:37:03,840

my point so what would you do your turn

2467

01:37:09,919 --> 01:37:06,929

you're in charge okay you get to you get

2468

01:37:12,200 --> 01:37:09,929

to go to stand and have a beat now we

2469

01:37:16,189 --> 01:37:12,210

have to put these guys cease fire and we

2470

01:37:19,130 --> 01:37:16,199

say you know we have to hold them to to

2471

01:37:20,510 --> 01:37:19,140

the truth and we have to question what

2472

01:37:23,689 --> 01:37:20,520

they've done in their past and their

2473

01:37:26,060 --> 01:37:23,699

backgrounds and and demand more from

2474

01:37:27,260 --> 01:37:26,070

them or kick them out of you follow but

2475

01:37:29,180 --> 01:37:27,270

you're the brother which would you

2476

01:37:31,220 --> 01:37:29,190

expose over always no I'm not trying to

2477

01:37:36,890 --> 01:37:31,230

up at 40-year disclosure plan that's

2478

01:37:38,419 --> 01:37:36,900

that's grants asking you if you were the

2479

01:37:41,750 --> 01:37:38,429

President of the United States what

2480

01:37:43,100 --> 01:37:41,760

would you do would you expose I I

2481

01:37:46,790 --> 01:37:43,110

wouldn't be the president because I just

2482

01:37:48,140 --> 01:37:46,800

quote - easy answer you would you would

2483

01:37:50,149 --> 01:37:48,150

disclose all the people that were killed

2484

01:37:51,500 --> 01:37:50,159

and what you did and and take

2485

01:37:55,040 --> 01:37:51,510

responsibility for all the stuff that

2486

01:37:57,320 --> 01:37:55,050

happens yeah yeah because I think that's

2487

01:37:59,680 --> 01:37:57,330

at the human race we have to start doing

2488

01:38:03,560 --> 01:37:59,690

that otherwise just I to living in lies

2489

01:38:05,660 --> 01:38:03,570

yeah I just living life the lies how to

2490

01:38:07,490 --> 01:38:05,670

stop somewhere and it's got stuff with

2491

01:38:09,649 --> 01:38:07,500

someone having the balls to speak the

2492

01:38:10,970 --> 01:38:09,659

truth and take the consequences but it's

2493

01:38:12,770 --> 01:38:10,980

like you have you've had 14

2494

01:38:14,689 --> 01:38:12,780

administration's seven Republican seven

2495

01:38:17,990 --> 01:38:14,699

Democrat and it's sort of like you know

2496

01:38:19,100 --> 01:38:18,000

we're not keeping the truth because I

2497

01:38:21,290 --> 01:38:19,110

don't think you can handle they're

2498

01:38:22,760 --> 01:38:21,300

keeping the truth from you for financial

2499

01:38:25,640 --> 01:38:22,770

reasons because they're profiting from

2500

01:38:28,399 --> 01:38:25,650

it for milt no one month their little

2501

01:38:30,800 --> 01:38:28,409

black project to die no one wants their

2502

01:38:33,979 --> 01:38:30,810

underground bases to go around go away

2503

01:38:35,360 --> 01:38:33,989

and there's its million dollars United

2504

01:38:37,939 --> 01:38:35,370

States is young country it does this

2505

01:38:39,919 --> 01:38:37,949

it's all military it's about separation

2506

01:38:41,840 --> 01:38:39,929

it's belief that there's evil people out

2507

01:38:43,310 --> 01:38:41,850

there and we can't give the technology

2508

01:38:45,080 --> 01:38:43,320

to the evil people and they actually

2509

01:38:48,360 --> 01:38:45,090

need this crap they actually believe

2510

01:38:52,320 --> 01:38:50,430

no joke no joke is the good

2511

01:38:55,710 --> 01:38:52,330

old-fashioned military-industrial

2512

01:38:58,140 --> 01:38:55,720

complex or the attitude just the

2513

01:39:00,240 --> 01:38:58,150

American attitude like Canada we are now

2514

01:39:01,980 --> 01:39:00,250

the bad guys we're trying to steal all

2515

01:39:04,140 --> 01:39:01,990

your jobs and we're gonna shut down

2516

01:39:05,640 --> 01:39:04,150

NAFTA and and we're the bad guys and

2517

01:39:07,770 --> 01:39:05,650

it's just this bad guy thing all the

2518

01:39:09,420 --> 01:39:07,780

time and we've gotta protected all this

2519

01:39:11,640 --> 01:39:09,430

stuff from the bad guys and everybody

2520

01:39:14,340 --> 01:39:11,650

buys into it why do you have like the

2521

01:39:15,510 --> 01:39:14,350

700 billion dollar defense budget

2522

01:39:17,100 --> 01:39:15,520

everybody goes along with it because

2523

01:39:19,440 --> 01:39:17,110

everybody's playing the fear card

2524

01:39:21,690 --> 01:39:19,450

everybody's so scared that you know that

2525

01:39:23,940 --> 01:39:21,700

there's a bad Chinese and the bad Arabs

2526

01:39:26,700 --> 01:39:23,950

and the this North Korean we all and and

2527

01:39:28,140 --> 01:39:26,710

Loreen will love this is all about the

2528

01:39:34,680 --> 01:39:28,150

mind control because it's really all

2529

01:39:36,060 --> 01:39:34,690

about privacy that s'what America is

2530

01:39:38,190 --> 01:39:36,070

about forget about corporate profit it's

2531

01:39:42,890 --> 01:39:38,200

all about material in the United States

2532

01:39:57,300 --> 01:39:55,590

Canada clothing yeah but he would

2533

01:39:59,850 --> 01:39:57,310

currently in the position now that is

2534

01:40:02,130 --> 01:39:59,860

now that his voice doesn't matter you

2535

01:40:04,080 --> 01:40:02,140

know yeah I didn't even know anything I

2536

01:40:07,650 --> 01:40:04,090

knew him in the in the 70s he told me

2537

01:40:08,910 --> 01:40:07,660

clearly he was busy milk mating the the

2538

01:40:11,340 --> 01:40:08,920

Armed Forces he didn't know what was

2539

01:40:13,200 --> 01:40:11,350

going on it was only when when his son

2540

01:40:14,640 --> 01:40:13,210

came his son-in-law came to him and said

2541

01:40:16,590 --> 01:40:14,650

we wait we're reading that stupid book

2542

01:40:18,360 --> 01:40:16,600

on Corso 4 and he said what do you mean

2543

01:40:20,730 --> 01:40:18,370

and then the son was working for this

2544

01:40:22,590 --> 01:40:20,740

general and the general said tell your

2545

01:40:24,390 --> 01:40:22,600

did your father and a lot of phone me

2546

01:40:26,100 --> 01:40:24,400

any phones and that's when the general

2547

01:40:28,560 --> 01:40:26,110

said it's all real and more that's when

2548

01:40:33,420 --> 01:40:28,570

say he suddenly found Jesus and started

2549

01:40:34,050 --> 01:40:33,430

running down here then he did ok now

2550

01:40:37,800 --> 01:40:34,060

wait a minute

2551

01:40:40,560 --> 01:40:37,810

I talked to Paul at the at the 2015 and

2552

01:40:42,750 --> 01:40:40,570

MUFON conference in LA Paul basically

2553

01:40:44,970 --> 01:40:42,760

told me said Lori and I had a sighting I

2554

01:40:47,190 --> 01:40:44,980

was out at the cabin and the UFO came

2555

01:40:49,620 --> 01:40:47,200

over the lake and you know who knows

2556

01:40:51,510 --> 01:40:49,630

what they did to him oh yeah he believes

2557

01:40:53,970 --> 01:40:51,520

I'm not know that when was the sighting

2558

01:40:56,880 --> 01:40:53,980

easy contactee let's put it that way I'm

2559

01:40:58,410 --> 01:40:56,890

pretty sure yeah but he but he didn't

2560

01:40:59,720 --> 01:40:58,420

have any interest until he was reading

2561

01:41:01,100 --> 01:40:59,730

the course a book and

2562

01:41:03,560 --> 01:41:01,110

that angrily didn't have any interest in

2563

01:41:05,360 --> 01:41:03,570

UFOs because I confronted him I had this

2564

01:41:08,660 --> 01:41:05,370

situation where I was in Washington DC

2565

01:41:10,520 --> 01:41:08,670

where he said I need to talk to you and

2566

01:41:13,580 --> 01:41:10,530

I had he had put out the story that he

2567

01:41:15,470 --> 01:41:13,590

had done this famous lecture in 1967 in

2568

01:41:17,330 --> 01:41:15,480

st. Paul Alberta reopened the UFO

2569

01:41:19,130 --> 01:41:17,340

landing base for this Centennial project

2570

01:41:20,810 --> 01:41:19,140

this town but it built a UFO landing

2571

01:41:23,270 --> 01:41:20,820

base and he gives a speech and then he

2572

01:41:25,190 --> 01:41:23,280

said oh it was the it was the Royal

2573

01:41:26,660 --> 01:41:25,200

Canadian Mounted Police guy who gave him

2574

01:41:28,130 --> 01:41:26,670

the information and he could remember

2575

01:41:30,290 --> 01:41:28,140

the guy his name and I put on my website

2576

01:41:31,940 --> 01:41:30,300

I said oh come on I mean this the top

2577

01:41:34,370 --> 01:41:31,950

expert on the opposing ten-member the

2578

01:41:35,420 --> 01:41:34,380

guy's name and so he that's when he said

2579

01:41:36,590 --> 01:41:35,430

I want to have breakfast with you and he

2580

01:41:38,630 --> 01:41:36,600

comes down with these files under his

2581

01:41:41,090 --> 01:41:38,640

arm and he said mr. Kramer are many

2582

01:41:42,440 --> 01:41:41,100

things one of them is I'm not a liar and

2583

01:41:44,390 --> 01:41:42,450

I go holy what they say you know

2584

01:41:47,510 --> 01:41:44,400

and I realized what I said and they said

2585

01:41:49,310 --> 01:41:47,520

I I did not even write that speech

2586

01:41:51,170 --> 01:41:49,320

someone wrote it for me I don't even

2587

01:41:53,180 --> 01:41:51,180

remember giving the speech and so it was

2588

01:41:54,680 --> 01:41:53,190

I was confronting him on this thing that

2589

01:41:56,360 --> 01:41:54,690

he had given this speech that said that

2590

01:41:59,630 --> 01:41:56,370

the Canadians are open to base for you

2591

01:42:01,610 --> 01:41:59,640

opposed to land in 1954 but after 54 the

2592

01:42:03,560 --> 01:42:01,620

Canadians are just saluting they're just

2593

01:42:05,120 --> 01:42:03,570

handing it off to the Americans the same

2594

01:42:07,430 --> 01:42:05,130

as most other countries are handing it

2595

01:42:08,780 --> 01:42:07,440

off the Canadian people always ask me

2596

01:42:12,340 --> 01:42:08,790

what's going on cat I said I've got the

2597

01:42:14,900 --> 01:42:12,350

foggiest notion what's going on cat No

2598

01:42:16,790 --> 01:42:14,910

thank God for all the leaks from the Tom

2599

01:42:21,640 --> 01:42:16,800

DeLonge groups down here we could just

2600

01:42:25,729 --> 01:42:24,050

leaks like there are no leaks in Canada

2601

01:42:27,710 --> 01:42:25,739

there are no whistleblowers running

2602

01:42:30,380 --> 01:42:27,720

around and leaked documents and Sam in

2603

01:42:31,700 --> 01:42:30,390

Europe and Australia the United States

2604

01:42:33,380 --> 01:42:31,710

of America is the only place that this

2605

01:42:35,690 --> 01:42:33,390

happens where you have you know Tom

2606

01:42:37,610 --> 01:42:35,700

DeLonge and all these you know Avery and

2607

01:42:39,380 --> 01:42:37,620

and then they start the aquarium Dan

2608

01:42:40,820 --> 01:42:39,390

Smith starts the aquarium so when it

2609

01:42:43,580 --> 01:42:40,830

came down we started the the thing with

2610

01:42:45,170 --> 01:42:43,590

cats so we all we all called cats and I

2611

01:42:46,729 --> 01:42:45,180

was that I was a pretty cat and there

2612

01:42:48,380 --> 01:42:46,739

was you know it was a stray cat and they

2613

01:42:50,630 --> 01:42:48,390

all they didn't really nuts I mean they

2614

01:42:52,700 --> 01:42:50,640

were playing these stupid games but the

2615

01:42:53,870 --> 01:42:52,710

United States is the the one place it

2616

01:42:56,420 --> 01:42:53,880

seems like they control this whole

2617

01:42:58,760 --> 01:42:56,430

phenomena but it's always the sort of

2618

01:43:00,320 --> 01:42:58,770

the the military is running the show and

2619

01:43:10,010 --> 01:43:00,330

you may you may have said something

2620

01:43:13,910 --> 01:43:12,670

[Applause]

2621

01:43:16,340 --> 01:43:13,920

okay

2622

01:43:19,010 --> 01:43:16,350

you may have you may have have said it

2623

01:43:24,490 --> 01:43:19,020

right there that the u.s. controls it

2624

01:43:26,390 --> 01:43:24,500

and it could be that it because of the

2625

01:43:29,900 --> 01:43:26,400

weather it was the biggest military

2626

01:43:35,870 --> 01:43:29,910

worldwide at the time what was you know

2627

01:43:37,550 --> 01:43:35,880

or the the money was there or or the

2628

01:43:41,450 --> 01:43:37,560

intelligence because it started with

2629

01:43:47,800 --> 01:43:41,460

naval intelligence that it could have

2630

01:43:52,280 --> 01:43:47,810

been when there was a worldwide decision

2631

01:43:54,290 --> 01:43:52,290

to keep the lid on this and to

2632

01:43:56,660 --> 01:43:54,300

investigate it further and develop the

2633

01:44:00,200 --> 01:43:56,670

technology and do the crash retrievals

2634

01:44:03,979 --> 01:44:00,210

etc etc that it fall under fell under US

2635

01:44:06,860 --> 01:44:03,989

jurisdiction I think there's some

2636

01:44:09,680 --> 01:44:06,870

history mythology you know to show that

2637

01:44:13,820 --> 01:44:09,690

now I would need to ask someone else

2638

01:44:16,340 --> 01:44:13,830

museology exactly maybe why that was but

2639

01:44:18,410 --> 01:44:16,350

I probably just touched on some of it

2640

01:44:20,450 --> 01:44:18,420

whether we have the intelligence

2641

01:44:22,459 --> 01:44:20,460

apparatus in place or the biggest

2642

01:44:26,080 --> 01:44:22,469

military whatever we're talking back in

2643

01:44:28,430 --> 01:44:26,090

like the 30s and 40s when it when the

2644

01:44:31,910 --> 01:44:28,440

jurisdiction for management of this

2645

01:44:34,280 --> 01:44:31,920

either was assumed by the US are handed

2646

01:44:37,250 --> 01:44:34,290

to the US by the rest of the world I am

2647

01:44:40,550 --> 01:44:37,260

because I can tell you right now it was

2648

01:44:42,320 --> 01:44:40,560

never handed to the US the u.s. decided

2649

01:44:44,300 --> 01:44:42,330

they were going to manage it it's that

2650

01:44:50,930 --> 01:44:44,310

simple and they put everybody else

2651
01:44:52,610 --> 01:44:50,940
seemed to go along with it you know okay

2652
01:44:54,620 --> 01:44:52,620
okay this is my point

2653
01:44:56,930 --> 01:44:54,630
yeah but I'm gonna say one more thing I

2654
01:44:59,419 --> 01:44:56,940
believe that the u.s. also said if we

2655
01:45:02,000 --> 01:44:59,429
get anything out of this we will also

2656
01:45:05,419 --> 01:45:02,010
give you a piece of small sliver of the

2657
01:45:10,419 --> 01:45:05,429
pie of technology if we do get anything

2658
01:45:14,000 --> 01:45:10,429
you know probably field made you know

2659
01:45:16,070 --> 01:45:14,010
with NATO I mean the Isis runs near it's

2660
01:45:18,260 --> 01:45:16,080
like every report to them and you get to

2661
01:45:20,419 --> 01:45:18,270
you know the spin off and we get to

2662
01:45:24,260 --> 01:45:20,429
protect you and this whole operation

2663
01:45:25,939 --> 01:45:24,270

where it's a convenient way that it's

2664

01:45:27,439 --> 01:45:25,949

operated I think the Russians are

2665

01:45:28,910 --> 01:45:27,449

working independent and the

2666

01:45:30,830 --> 01:45:28,920

these are working independent but but

2667

01:45:32,990 --> 01:45:30,840

for the for the sort of the free world

2668

01:45:35,120 --> 01:45:33,000

the the Western world I think it's

2669

01:45:39,500 --> 01:45:35,130

basically you can even see with with the

2670

01:45:41,030 --> 01:45:39,510

this the case in Bolivia with the with

2671

01:45:43,130 --> 01:45:41,040

the aliens the live aliens where they

2672

01:45:45,110 --> 01:45:43,140

come walking in there and they say

2673

01:45:47,030 --> 01:45:45,120

brigade will allow a Brazilian on the

2674

01:45:49,430 --> 01:45:47,040

space shuttle and they walk off with the

2675

01:45:51,470 --> 01:45:49,440

body the live aliens and the craft and

2676

01:45:53,240 --> 01:45:51,480

the whole bit that that there's all

2677

01:45:55,490 --> 01:45:53,250

these quid pro Crowe that you can put a

2678

01:45:56,689 --> 01:45:55,500

lot of pressure on a country and say

2679

01:45:58,340 --> 01:45:56,699

we're gonna come up this we're going to

2680

01:46:00,200 --> 01:45:58,350

cut off that and everybody just goes

2681

01:46:02,240 --> 01:46:00,210

along with it because it's almost like

2682

01:46:03,709 --> 01:46:02,250

the people it's easier just to let

2683

01:46:06,560 --> 01:46:03,719

someone else run the thing rather than

2684

01:46:09,530 --> 01:46:06,570

doing it yourself yes I think it's safe

2685

01:46:11,959 --> 01:46:09,540

to say that that's that that's what

2686

01:46:14,390 --> 01:46:11,969

happened so so whether the u.s. assumed

2687

01:46:16,939 --> 01:46:14,400

its autonomy combination but that they

2688

01:46:19,010 --> 01:46:16,949

that they have been running it and

2689

01:46:25,729 --> 01:46:19,020

everyone else's answers to them about

2690

01:46:28,010 --> 01:46:25,739

this you know it manok we it shows to to

2691

01:46:29,360 --> 01:46:28,020

some degree if you guys step back and

2692

01:46:33,410 --> 01:46:29,370

you go oh wait a second if they've been

2693

01:46:36,650 --> 01:46:33,420

doing that from the get-go a lot of this

2694

01:46:39,560 --> 01:46:36,660

oh well you know cold war with Russia

2695

01:46:41,270 --> 01:46:39,570

and you know cold war with China and you

2696

01:46:43,669 --> 01:46:41,280

know is every is all just smoke and

2697

01:46:45,470 --> 01:46:43,679

mirrors because you realize well wait a

2698

01:46:47,959 --> 01:46:45,480

second they've been answering to us all

2699

01:46:50,290 --> 01:46:47,969

along on these bigger subjects you know

2700

01:46:53,240 --> 01:46:50,300

and the rest of that just becomes

2701
01:46:57,620 --> 01:46:53,250
literally as the hand puppets in a play

2702
01:46:59,900 --> 01:46:57,630
for you know so that you look back

2703
01:47:02,450 --> 01:46:59,910
military actions with money and you know

2704
01:47:04,280 --> 01:47:02,460
blah blah but so you know in it and it

2705
01:47:08,870 --> 01:47:04,290
just helps you realize how it really

2706
01:47:11,270 --> 01:47:08,880
works you know and and I'm not saying I

2707
01:47:14,120 --> 01:47:11,280
agree with any of it it's just it seems

2708
01:47:16,040 --> 01:47:14,130
to be just the way it is though well you

2709
01:47:20,780 --> 01:47:16,050
are going to ask you something grant oh

2710
01:47:23,840 --> 01:47:20,790
go ahead I'm gonna and switch in subject

2711
01:47:28,100 --> 01:47:23,850
just a little bit all of a sudden it

2712
01:47:31,939 --> 01:47:28,110
seems like you know DoDEA Richard or

2713
01:47:34,040 --> 01:47:31,949

Rick Doty is out there and I jokingly

2714

01:47:36,410 --> 01:47:34,050

say he's not quite singing like in in

2715

01:47:38,810 --> 01:47:36,420

canary but he is coming like this money

2716

01:47:40,700 --> 01:47:38,820

you know and so why is he out there

2717

01:47:42,530 --> 01:47:40,710

humming like a canary I'm one

2718

01:47:44,270 --> 01:47:42,540

you know I mean obviously he's a member

2719

01:47:47,090 --> 01:47:44,280

this group always has been

2720

01:47:49,610 --> 01:47:47,100

it seems to be different then yeah the

2721

01:47:52,270 --> 01:47:49,620

the hold along IDs and what's going on

2722

01:47:54,950 --> 01:47:52,280

there at the same time you've got the

2723

01:47:56,960 --> 01:47:54,960

remnants of the Rockefeller initiative

2724

01:47:59,150 --> 01:47:56,970

stuff going on you certainly got a

2725

01:48:01,610 --> 01:47:59,160

resurface I'm hearing firma jizz name

2726

01:48:03,350 --> 01:48:01,620

come up again and yeah this or whatever

2727

01:48:05,630 --> 01:48:03,360

the new incarnation of that's going to

2728

01:48:07,310 --> 01:48:05,640

be you know and so obviously these guys

2729

01:48:11,960 --> 01:48:07,320

have their hands and a couple different

2730

01:48:14,330 --> 01:48:11,970

pots at once but Dodi seems like while

2731

01:48:16,340 --> 01:48:14,340

he's saying I'm I'm I'm saying these

2732

01:48:19,100 --> 01:48:16,350

things on behalf of these guys that he's

2733

01:48:21,380 --> 01:48:19,110

not saying I'm going against them but he

2734

01:48:25,010 --> 01:48:21,390

seems to be kind of like this loan guy

2735

01:48:27,230 --> 01:48:25,020

out there and I'm like you know I just

2736

01:48:29,270 --> 01:48:27,240

find it curious who green-lighted dhoti

2737

01:48:31,340 --> 01:48:29,280

to suddenly be yapping about this and

2738

01:48:33,110 --> 01:48:31,350

then he's also been saying in recent

2739

01:48:35,810 --> 01:48:33,120

interviews well I've been saying all

2740

01:48:37,490 --> 01:48:35,820

this stuff all along well no it's too

2741

01:48:40,010 --> 01:48:37,500

sudden you're getting a tremendous

2742

01:48:41,540 --> 01:48:40,020

amount of attention for it or if you

2743

01:48:44,360 --> 01:48:41,550

were saying you were singing it on the

2744

01:48:46,640 --> 01:48:44,370

down-low but you know it just seems like

2745

01:48:49,370 --> 01:48:46,650

it's there's suddenly he's out there a

2746

01:48:51,890 --> 01:48:49,380

bunch and and on the increase and I just

2747

01:48:53,660 --> 01:48:51,900

wanting what your thoughts on I mean I

2748

01:48:56,270 --> 01:48:53,670

guess I answered my own question is just

2749

01:48:59,120 --> 01:48:56,280

it's just part of it and it's part of

2750

01:49:00,940 --> 01:48:59,130

the the soft disclosure but it's just

2751

01:49:03,440 --> 01:49:00,950

interesting it seems like he was

2752

01:49:04,550 --> 01:49:03,450

definitely green-lighted from where oh

2753

01:49:06,590 --> 01:49:04,560

absolutely

2754

01:49:08,690 --> 01:49:06,600

as I said this is areas talking about

2755

01:49:10,310 --> 01:49:08,700

Tom DeLonge there are six operations

2756

01:49:12,320 --> 01:49:10,320

going on at this very present I was

2757

01:49:14,720 --> 01:49:12,330

offered an in on one of the operations

2758

01:49:17,420 --> 01:49:14,730

and one of them was this operation with

2759

01:49:19,850 --> 01:49:17,430

this documentary thing in Hollywood with

2760

01:49:22,460 --> 01:49:19,860

six parts and they were gonna do the a

2761

01:49:25,790 --> 01:49:22,470

the Avery and and Collins was involved

2762

01:49:27,950 --> 01:49:25,800

and they went and interviewed Richard

2763

01:49:29,930 --> 01:49:27,960

Doty they were interviewed Bigelow the

2764

01:49:31,010 --> 01:49:29,940

interviewed firm itch and and all these

2765

01:49:33,530 --> 01:49:31,020

names that I heard that they're

2766

01:49:38,140 --> 01:49:33,540

interviewing and so it's it's one of the

2767

01:49:40,760 --> 01:49:38,150

disclosures that he's maybe Pandolfi has

2768

01:49:42,140 --> 01:49:40,770

sort of green-lighted all these

2769

01:49:44,870 --> 01:49:42,150

different things he's very close friends

2770

01:49:47,000 --> 01:49:44,880

with Kate green and KITT green tells

2771

01:49:49,310 --> 01:49:47,010

this famous story that right that that

2772

01:49:51,530 --> 01:49:49,320

Dodi passed the lie detector test after

2773

01:49:53,330 --> 01:49:51,540

a UFO cover-up live the day after in the

2774

01:49:54,359 --> 01:49:53,340

counterintelligence this famous story

2775

01:49:57,030 --> 01:49:54,369

that that

2776

01:49:59,129 --> 01:49:57,040

big with the guys that wrote wrote the

2777

01:50:01,589 --> 01:49:59,139

Roswell report stormed out of the office

2778

01:50:04,560 --> 01:50:01,599

where kid green was saying he had passed

2779

01:50:06,629 --> 01:50:04,570

this lie-detector test and then the kid

2780

01:50:08,189 --> 01:50:06,639

green also tells the story that that he

2781

01:50:09,390 --> 01:50:08,199

had this very secret meeting with Helms

2782

01:50:11,220 --> 01:50:09,400

I don't if you ever heard this story

2783

01:50:12,899 --> 01:50:11,230

it's very secret and he got the codeword

2784

01:50:14,790 --> 01:50:12,909

wrong he was give this code word and

2785

01:50:16,950 --> 01:50:14,800

that Helms told him believe everything

2786

01:50:19,050 --> 01:50:16,960

Richard Doty tells you on UFOs so this

2787

01:50:21,930 --> 01:50:19,060

whole thing is is is Richard Doty the

2788

01:50:24,450 --> 01:50:21,940

bad guy that he that everybody sort of

2789

01:50:26,160 --> 01:50:24,460

made him out to be or is he a guy that

2790

01:50:28,470 --> 01:50:26,170

is playing a role he's always played

2791

01:50:29,640 --> 01:50:28,480

this role and when I heard him do that

2792

01:50:32,879 --> 01:50:29,650

an interview that y'all weren't happy

2793

01:50:35,399 --> 01:50:32,889

interview with Steven Greer and I talked

2794

01:50:37,020 --> 01:50:35,409

to the producer of Steven Greer saying

2795

01:50:38,399 --> 01:50:37,030

and they said oh we made him confess and

2796

01:50:40,470 --> 01:50:38,409

it's like what that's not what I heard

2797

01:50:41,970 --> 01:50:40,480

when I heard him talking and some of the

2798

01:50:44,189 --> 01:50:41,980

stuff that Dodi was saying in there was

2799

01:50:45,660 --> 01:50:44,199

stuff that only I knew this very secret

2800

01:50:48,390 --> 01:50:45,670

meeting they had had in the Midwest

2801

01:50:50,100 --> 01:50:48,400

before UFO cover-up live where the

2802

01:50:51,839 --> 01:50:50,110

producer for UFO cover-up life was so

2803

01:50:53,550 --> 01:50:51,849

scared he thought he was gonna die he

2804

01:50:55,200 --> 01:50:53,560

suddenly all these high-level people and

2805

01:50:57,120 --> 01:50:55,210

they're on this lake and they're this

2806

01:50:58,260 --> 01:50:57,130

bizarre meeting that takes place in the

2807

01:50:59,609 --> 01:50:58,270

middle of the night and stuff like that

2808

01:51:01,800 --> 01:50:59,619

and dodie's talking about this meeting

2809

01:51:03,419 --> 01:51:01,810

I'm going like wow this meeting actually

2810

01:51:05,160 --> 01:51:03,429

didn't take place so I start hearing

2811

01:51:06,959 --> 01:51:05,170

Dodie and I'm thinking he actually

2812

01:51:08,700 --> 01:51:06,969

sounded a lot better I fought with him

2813

01:51:10,680 --> 01:51:08,710

in the 1980s I thought he was this big

2814

01:51:12,240 --> 01:51:10,690

counterintelligence you know bad guy

2815

01:51:14,879 --> 01:51:12,250

type thing and I'm thinking well maybe

2816

01:51:16,649 --> 01:51:14,889

he's actually playing his role that they

2817

01:51:18,510 --> 01:51:16,659

brought him back out yeah that they're

2818

01:51:20,339 --> 01:51:18,520

there because to me it's all been

2819

01:51:21,689 --> 01:51:20,349

initiated in the last two years there's

2820

01:51:24,300 --> 01:51:21,699

no doubt in last two years this thing

2821

01:51:26,640 --> 01:51:24,310

has spiraled unbelievably out of control

2822

01:51:28,979 --> 01:51:26,650

and it happened when when Barack Obama

2823

01:51:31,410 --> 01:51:28,989

gave an interview to GQ magazine and

2824

01:51:33,149 --> 01:51:31,420

that's when he said the UFO FILES are

2825

01:51:34,229 --> 01:51:33,159

not as top secret as you think they are

2826

01:51:35,850 --> 01:51:34,239

and when a president talks about

2827

01:51:38,040 --> 01:51:35,860

something it's green-lighted it's

2828

01:51:40,830 --> 01:51:38,050

Declassified and this thing gave it the

2829

01:51:43,320 --> 01:51:40,840

green light and there's all I just for

2830

01:51:45,240 --> 01:51:43,330

me it's our to our the stuff that is

2831

01:51:47,100 --> 01:51:45,250

breaking it's unbelievable the stuff

2832

01:51:48,000 --> 01:51:47,110

that that's that's coming out I've never

2833

01:51:53,280 --> 01:51:48,010

seen anything like it

2834

01:51:55,290 --> 01:51:53,290

unbelievable yeah like you were saying

2835

01:51:57,209 --> 01:51:55,300

you know something is greenlight and

2836

01:51:59,939 --> 01:51:57,219

they're moving the ball further down the

2837

01:52:07,650 --> 01:51:59,949

field it's it's not disclosure but it's

2838

01:52:11,370 --> 01:52:07,660

it's I totally agree with you

2839

01:52:13,980 --> 01:52:11,380

and it plays right into my whole concept

2840

01:52:15,750 --> 01:52:13,990

of that it's all a mind control arm that

2841

01:52:18,240 --> 01:52:15,760

they started they said well let's see

2842

01:52:22,680 --> 01:52:18,250

how how gullible these people are Monica

2843

01:52:25,350 --> 01:52:22,690

don't believe you know oh yeah exactly

2844

01:52:28,050 --> 01:52:25,360

commercials and TV and and yeah and how

2845

01:52:30,120 --> 01:52:28,060

they spin the news and and and the idea

2846

01:52:34,530 --> 01:52:30,130

that we need more more and and

2847

01:52:36,060 --> 01:52:34,540

everything is is people are totally you

2848

01:52:38,400 --> 01:52:36,070

know she polls they're just following

2849

01:52:39,990 --> 01:52:38,410

along there's they're easily manipulated

2850

01:52:41,730 --> 01:52:40,000

they don't pay attention everybody's

2851
01:52:44,880 --> 01:52:41,740
busy you know trying to make a living

2852
01:52:46,860 --> 01:52:44,890
nobody's watching nobody just go along

2853
01:52:49,290 --> 01:52:46,870
with it I mean you see what goes on in

2854
01:52:51,180 --> 01:52:49,300
the world and you just like wow I know

2855
01:52:52,980 --> 01:52:51,190
if you if you pay attention for five

2856
01:52:58,110 --> 01:52:52,990
minutes a day you get depressed so long

2857
01:53:00,270 --> 01:52:58,120
that you can't get out of bed I the way

2858
01:53:02,640 --> 01:53:00,280
I look at Ellen like this I look at it

2859
01:53:04,800 --> 01:53:02,650
it doesn't matter whether it's all true

2860
01:53:06,810 --> 01:53:04,810
whether it's all bad whether it's all

2861
01:53:07,530 --> 01:53:06,820
good really doesn't matter it's not with

2862
01:53:10,350 --> 01:53:07,540
cards

2863
01:53:12,900 --> 01:53:10,360

you you are Delta it's how you play your

2864

01:53:15,210 --> 01:53:12,910

cards so whether it's it turns out all

2865

01:53:16,650 --> 01:53:15,220

to be really bad stuff you and I still

2866

01:53:18,840 --> 01:53:16,660

have to live our lives and we have to do

2867

01:53:20,370 --> 01:53:18,850

a we wanted will we think is right and

2868

01:53:22,290 --> 01:53:20,380

that's all we can do we can't really

2869

01:53:23,970 --> 01:53:22,300

control what other people are doing

2870

01:53:30,300 --> 01:53:23,980

because it's all about what cards are

2871

01:53:35,480 --> 01:53:30,310

dealt to us that's when the show's gonna

2872

01:53:40,200 --> 01:53:37,830

you guys probably touched upon this

2873

01:53:42,450 --> 01:53:40,210

before I got on but you know there the

2874

01:53:45,030 --> 01:53:42,460

current interest in this group is very

2875

01:53:47,970 --> 01:53:45,040

much focused also not only on the

2876

01:53:52,230 --> 01:53:47,980

technology but also on abdic T's and

2877

01:53:55,500 --> 01:53:52,240

their genetics their DNA and their

2878

01:53:57,180 --> 01:53:55,510

abilities and I'm not sure grant if you

2879

01:53:59,940 --> 01:53:57,190

covered that before I got on but that's

2880

01:54:01,920 --> 01:53:59,950

a big part of their interest as well but

2881

01:54:04,950 --> 01:54:01,930

I contacted them in they absolutely will

2882

01:54:07,350 --> 01:54:04,960

not I had very high-level people who

2883

01:54:10,860 --> 01:54:07,360

offered to help they are not talking

2884

01:54:16,230 --> 01:54:10,870

there that's it's released out but but

2885

01:54:18,390 --> 01:54:16,240

they're not talking about it so ya know

2886

01:54:20,610 --> 01:54:18,400

my big theory about this whole thing is

2887

01:54:21,540 --> 01:54:20,620

it goes back to I always thought it's

2888

01:54:23,670 --> 01:54:21,550

all connected

2889

01:54:25,590 --> 01:54:23,680

it goes back and I keep fighting the JFK

2890

01:54:27,240 --> 01:54:25,600

thing but I'm telling you guys that's

2891

01:54:28,590 --> 01:54:27,250

when they really ramped it up is when

2892

01:54:30,480 --> 01:54:28,600

they realized they can kill the

2893

01:54:33,180 --> 01:54:30,490

President of the United States and cover

2894

01:54:35,670 --> 01:54:33,190

it up they knew they had the UFO thing

2895

01:54:38,330 --> 01:54:35,680

down to a science by them you know it's

2896

01:54:41,400 --> 01:54:38,340

just that there's no way that these guys

2897

01:54:44,160 --> 01:54:41,410

haven't been in the game for a very long

2898

01:54:47,430 --> 01:54:44,170

time and I'm still gonna bring this out

2899

01:54:49,830 --> 01:54:47,440

I don't like the fact that they're we

2900

01:54:52,950 --> 01:54:49,840

still have the dark underbelly of these

2901
01:54:54,840 --> 01:54:52,960
guys running around hurting people in

2902
01:54:59,100 --> 01:54:54,850
our community and getting away with it

2903
01:55:02,280 --> 01:54:59,110
that bothers me mentally you know you

2904
01:55:07,140 --> 01:55:02,290
know a lot has been done to keep these

2905
01:55:09,750 --> 01:55:07,150
secrets without a doubt yeah exactly

2906
01:55:11,910 --> 01:55:09,760
that's right that's true grant goes back

2907
01:55:15,180 --> 01:55:11,920
to every secret that we've ever since

2908
01:55:17,910 --> 01:55:15,190
Egyptian people justified like the 2,000

2909
01:55:19,980 --> 01:55:17,920
civilians killed and or Pandolf he talks

2910
01:55:22,110 --> 01:55:19,990
about the bombing of Iraq and a couple

2911
01:55:24,690 --> 01:55:22,120
months ago 40,000 people killed EP

2912
01:55:26,790 --> 01:55:24,700
called a genocide so I mean people are

2913
01:55:28,410 --> 01:55:26,800

justified you get one guy who decides we

2914

01:55:30,000 --> 01:55:28,420

got to do this to save the world and

2915

01:55:45,270 --> 01:55:30,010

everybody just salutes and goes along

2916

01:55:47,580 --> 01:55:45,280

with it yeah it's true you're gone thank

2917

01:55:49,890 --> 01:55:47,590

you all for being with us and thank you

2918

01:55:52,560 --> 01:55:49,900

Melinda and grant thank you as always

2919

01:55:54,240 --> 01:55:52,570

and we'll see you next week and I got

2920

01:55:56,580 --> 01:55:54,250

something special cooking up for you I

2921

01:55:58,290 --> 01:55:56,590

got a friend John is gonna be with me

2922

01:56:00,030 --> 01:55:58,300

and he's an experienter so you guys are

2923

01:56:02,310 --> 01:56:00,040

gonna have lots of fun so we'll see you

2924

01:56:15,270 --> 01:56:02,320

next week on the California MUFON radio

2925

01:56:17,190 --> 01:56:15,280

show here on IR save even more with 40%

2926

01:56:19,470 --> 01:56:17,200

off clearance that gap back three stores

2927

01:56:20,439 --> 01:56:19,480

and to Banana Republic Factory all

2928

01:56:24,100 --> 01:56:20,449

flannel shirt

2929

01:56:27,729 --> 01:56:24,110

1999 and doorbuster stars 999 this

2930

01:56:29,709 --> 01:56:27,739

weekend only search our star locator for
