
 UFO Headline News | Friday December 16th, 2017

 Listen on  
[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:06,079 --> 00:00:02,990  
welcome welcome to UFO headline news

2  
00:00:11,330 --> 00:00:06,089  
with me Heidi Hollis today is Saturday

3  
00:00:14,450 --> 00:00:11,340  
December 16th 2017 blasting off with

4  
00:00:19,900 --> 00:00:14,460  
some UFO reports there was a UFO

5  
00:00:25,519 --> 00:00:19,910  
sighting in Kaplan city eastern Vegas on

6  
00:00:29,060 --> 00:00:25,529  
November 13 2016 and they go on to

7  
00:00:32,200 --> 00:00:29,070  
describe the satellite like object

8  
00:00:37,340 --> 00:00:32,210  
appears to revolve around the moon in

9  
00:00:41,630 --> 00:00:37,350  
seconds the end the next youthful

10  
00:00:46,610 --> 00:00:41,640  
sighting is from Toronto Canada this

11  
00:00:49,639 --> 00:00:46,620  
occurred June 3rd 2017 in brief the

12  
00:00:52,850 --> 00:00:49,649  
witness states witnessed a gray cylinder

13  
00:00:55,779 --> 00:00:52,860

slowly rotate counterclockwise while

14

00:00:58,610 --> 00:00:55,789

lying in a park in downtown Toronto I

15

00:01:00,860 --> 00:00:58,620

alerted the two people I was with and

16

00:01:04,070 --> 00:01:00,870

visually tracked the object to the

17

00:01:07,640 --> 00:01:04,080

northeast the object reflected light as

18

00:01:09,890 --> 00:01:07,650

it's spun around in more detail the

19

00:01:12,410 --> 00:01:09,900

witness goes on to say the three of us

20

00:01:15,530 --> 00:01:12,420

were in a Toronto Park that overlooks

21

00:01:19,370 --> 00:01:15,540

the downtown core I was lying on my back

22

00:01:22,490 --> 00:01:19,380

went directly above me I spotted a gray

23

00:01:23,600 --> 00:01:22,500

cylinder in the sky slowly revolving

24

00:01:26,210 --> 00:01:23,610

backwards

25

00:01:29,450 --> 00:01:26,220

I'm pointed at the object with my arm

26  
00:01:31,640 --> 00:01:29,460  
and asked what is that to my friends and

27  
00:01:36,770 --> 00:01:31,650  
continued to visually track the object

28  
00:01:39,890 --> 00:01:36,780  
on its northward flight path the object

29  
00:01:42,950 --> 00:01:39,900  
rotated about every 10 seconds and I

30  
00:01:45,679 --> 00:01:42,960  
could clearly see the side reflecting

31  
00:01:48,499 --> 00:01:45,689  
light from the Sun I lost sight of the

32  
00:01:52,580 --> 00:01:48,509  
object over the horizon when it had

33  
00:01:56,810 --> 00:01:52,590  
passed I asked what the time was 7:45

34  
00:02:01,010 --> 00:01:56,820  
p.m. June 3rd 2017 I then commented that

35  
00:02:03,940 --> 00:02:01,020  
we had just seen a UFO what was

36  
00:02:08,330 --> 00:02:03,950  
upsetting was that this thing defied all

37  
00:02:12,330 --> 00:02:08,340  
principles of flight that's upsetting it

38  
00:02:14,910 --> 00:02:12,340

had no wings no sound no

39

00:02:17,670 --> 00:02:14,920

Jen I could say this has been a

40

00:02:20,720 --> 00:02:17,680

life-changing event for me for now when

41

00:02:27,390 --> 00:02:20,730

I see photos of UFOs I have to believe

42

00:02:31,440 --> 00:02:27,400

the photos are real you do okay uh next

43

00:02:36,839 --> 00:02:31,450

year UFO sighting this took place in

44

00:02:39,900 --> 00:02:36,849

Whitesboro New York August 20th of 2016

45

00:02:44,009 --> 00:02:39,910

in brief the witness states I spotted

46

00:02:46,380 --> 00:02:44,019

this dog-bone object in my backyard it

47

00:02:49,910 --> 00:02:46,390

appeared to be too white and black

48

00:02:53,370 --> 00:02:49,920

objects possibly round or hexagonal

49

00:02:56,190 --> 00:02:53,380

connected together and tumbling there's

50

00:03:00,780 --> 00:02:56,200

another tumblr while traveling in a

51  
00:03:03,440 --> 00:03:00,790  
straight line West in more detail the

52  
00:03:06,150 --> 00:03:03,450  
witness states I spotted this dog-bone

53  
00:03:07,920 --> 00:03:06,160  
object in my backyard it appeared to be

54  
00:03:10,229 --> 00:03:07,930  
too white and black objects possibly

55  
00:03:12,330 --> 00:03:10,239  
round a hexagonal connected together and

56  
00:03:14,910 --> 00:03:12,340  
tumbling while traveling in a straight

57  
00:03:21,059 --> 00:03:14,920  
line West I've recorded footage with an

58  
00:03:23,970 --> 00:03:21,069  
iPhone 6s plus at 1080p 60fps i zoomed

59  
00:03:26,819 --> 00:03:23,980  
in digitally while viewing objects

60  
00:03:28,979 --> 00:03:26,829  
straight with my naked eye being so

61  
00:03:32,129 --> 00:03:28,989  
caught up in the excitement I forgot to

62  
00:03:34,559 --> 00:03:32,139  
zoom back and unknowingly ended up

63  
00:03:35,160 --> 00:03:34,569

losing the sight of the object with my

64

00:03:40,620 --> 00:03:35,170

phone

65

00:03:42,839 --> 00:03:40,630

darn it the next UFO sighting happened

66

00:03:48,300 --> 00:03:42,849

in Vero Beach Florida

67

00:03:53,550 --> 00:03:48,310

this occurred March 19th 2017 strange

68

00:03:56,220 --> 00:03:53,560

lights in the sky in detail the witness

69

00:03:58,740 --> 00:03:56,230

states I was shooting still photography

70

00:04:01,920 --> 00:03:58,750

at a carnival west of Vero Beach Florida

71

00:04:06,479 --> 00:04:01,930

a few miles west from the Atlantic Ocean

72

00:04:08,849 --> 00:04:06,489

I captured two images that show unusual

73

00:04:11,759 --> 00:04:08,859

lights behind the foreground carnival

74

00:04:15,150 --> 00:04:11,769

equipment which was the actual target I

75

00:04:17,580 --> 00:04:15,160

was aiming at the lights do not appear

76

00:04:20,190 --> 00:04:17,590

to be a camera related issue such as

77

00:04:25,690 --> 00:04:20,200

dirt or reflection or lens or sensory

78

00:04:29,140 --> 00:04:25,700

aberration the camera used is a Sony a

79

00:04:32,680 --> 00:04:29,150

6,000 a close inspection of the photo

80

00:04:34,900 --> 00:04:32,690

that shows quote rockstar on the

81

00:04:37,090 --> 00:04:34,910

Carnival Ride shows the lights in a

82

00:04:39,280 --> 00:04:37,100

different position than they do in the

83

00:04:42,160 --> 00:04:39,290

subsequent photo where the rides

84

00:04:44,410 --> 00:04:42,170

position has changed and you can see the

85

00:04:47,320 --> 00:04:44,420

lights just beneath the left arm of the

86

00:04:50,730 --> 00:04:47,330

ride not far from the center support

87

00:04:53,860 --> 00:04:50,740

structure in the quote rock star photo

88

00:04:56,740 --> 00:04:53,870

lower right just to the left of the

89

00:04:59,650 --> 00:04:56,750

ferris wheel you can clearly see a

90

00:05:02,170 --> 00:04:59,660

helicopter which was providing five

91

00:05:05,560 --> 00:05:02,180

minute rides for 20 bucks around the

92

00:05:08,620 --> 00:05:05,570

carnival two of the supplied photos are

93

00:05:10,870 --> 00:05:08,630

closed crops from the originals so you

94

00:05:13,770 --> 00:05:10,880

can see the area of the photo without

95

00:05:16,900 --> 00:05:13,780

having to pull up the entire original

96

00:05:24,190 --> 00:05:16,910

another screenshot shows the date and

97

00:05:28,420 --> 00:05:24,200

time information cool the next UFO

98

00:05:31,960 --> 00:05:28,430

sighting this occurred in dullard day

99

00:05:36,040 --> 00:05:31,970

Amuro Quebec this occurred

100

00:05:38,730 --> 00:05:36,050

March 19th 2017 in brief they state one

101  
00:05:42,640 --> 00:05:38,740  
light orb then a small orb broke off

102  
00:05:46,450 --> 00:05:42,650  
then they were to the small orb lit up

103  
00:05:49,690 --> 00:05:46,460  
bright then it dimmed down in more

104  
00:05:51,430 --> 00:05:49,700  
detail they state ice was starting my

105  
00:05:53,440 --> 00:05:51,440  
workday I do maintenance in the

106  
00:05:56,380 --> 00:05:53,450  
buildings I live in when I went outside

107  
00:05:59,800 --> 00:05:56,390  
I happen to look up like always and I

108  
00:06:02,500 --> 00:05:59,810  
saw what looked like a star but then it

109  
00:06:05,950 --> 00:06:02,510  
started moving then I took my cell phone

110  
00:06:10,210 --> 00:06:05,960  
and began to record it as I was watching

111  
00:06:12,970 --> 00:06:10,220  
the one Oribe small or broke off then as

112  
00:06:18,400 --> 00:06:12,980  
it was moving the small orb lit up

113  
00:06:21,070 --> 00:06:18,410

bright then it dimmed down hmm the next

114

00:06:26,680 --> 00:06:21,080

UFO sighting happened in Sunnyvale

115

00:06:30,520 --> 00:06:26,690

California March 12 2017 high altitude

116

00:06:33,610 --> 00:06:30,530

translucent orbs with video in detail

117

00:06:37,030 --> 00:06:33,620

the witness goes on to say I was on a

118

00:06:38,860 --> 00:06:37,040

walk on a sunny no cloudy I was looking

119

00:06:41,320 --> 00:06:38,870

up at a telephone pole

120

00:06:43,990 --> 00:06:41,330

in some cities we are getting public

121

00:06:47,500 --> 00:06:44,000

Wi-Fi so I saw something on the

122

00:06:51,970 --> 00:06:47,510

telephone pole to check out as I was

123

00:06:58,360 --> 00:06:51,980

looking up I saw four orbs moving fast

124

00:07:01,780 --> 00:06:58,370

we have three airports and a NASA we

125

00:07:05,380 --> 00:07:01,790

have planes in the sky all the time from

126

00:07:09,730 --> 00:07:05,390

single engines to 747 to military jets

127

00:07:11,770 --> 00:07:09,740

so I've never seen this before I quickly

128

00:07:14,650 --> 00:07:11,780

got out my phone and started taking

129

00:07:17,920 --> 00:07:14,660

video if you have a big monitor it's

130

00:07:20,020 --> 00:07:17,930

very obvious as I was taking video I

131

00:07:23,400 --> 00:07:20,030

could not see the orbs on my phone

132

00:07:26,230 --> 00:07:23,410

screen so I was guessing where to video

133

00:07:31,170 --> 00:07:26,240

what I noticed that caused me to go

134

00:07:34,960 --> 00:07:31,180

quote UFO was that these orbs were

135

00:07:37,860 --> 00:07:34,970

translucent if you ever remember the

136

00:07:42,370 --> 00:07:37,870

movie predator the creature had

137

00:07:44,410 --> 00:07:42,380

translucent cameo I could see the orbs

138

00:07:47,920 --> 00:07:44,420

but they appeared to be the same color

139

00:07:50,980 --> 00:07:47,930

of the sky I could see for the first

140

00:07:54,420 --> 00:07:50,990

three were in a v-formation followed by

141

00:07:57,640 --> 00:07:54,430

a single one almost trying to catch up

142

00:08:00,760 --> 00:07:57,650

that's what I remembered in the video

143

00:08:03,250 --> 00:08:00,770

you will see the first three moving fast

144

00:08:06,640 --> 00:08:03,260

and not in a v-formation

145

00:08:09,520 --> 00:08:06,650

so in the ten seconds to take my phone

146

00:08:13,510 --> 00:08:09,530

out and video the v-formation was gone

147

00:08:17,320 --> 00:08:13,520

after the v-formation they were in a

148

00:08:20,380 --> 00:08:17,330

weird flight line the video is shaky as

149

00:08:21,070 --> 00:08:20,390

I didn't know if I was getting it it was

150

00:08:26,410 --> 00:08:21,080

exactly

151  
00:08:29,170 --> 00:08:26,420  
12:03 p.m. orbs were moving northeast to

152  
00:08:32,920 --> 00:08:29,180  
southwest it appeared to be high

153  
00:08:34,990 --> 00:08:32,930  
altitude and moving fast there were

154  
00:08:38,470 --> 00:08:35,000  
other planes in the sky at the time

155  
00:08:42,610 --> 00:08:38,480  
flying low to land what was a little

156  
00:08:45,280 --> 00:08:42,620  
weird was a very high plane I could only

157  
00:08:47,740 --> 00:08:45,290  
see the contrail otherwise you wouldn't

158  
00:08:51,310 --> 00:08:47,750  
see it and it was flying from south to

159  
00:08:52,650 --> 00:08:51,320  
north and then uh north to south the

160  
00:08:57,720 --> 00:08:52,660  
other planes were seeing

161  
00:09:00,600 --> 00:08:57,730  
engines 747 types with no contrails it

162  
00:09:02,430 --> 00:09:00,610  
could be just a random plane flying

163  
00:09:06,660 --> 00:09:02,440

really low but who knows

164

00:09:09,960 --> 00:09:06,670

on another note there's a case number 8

165

00:09:13,530 --> 00:09:09,970

to 64 which was reported the same day

166

00:09:16,350 --> 00:09:13,540

and same area is very similar to my

167

00:09:18,660 --> 00:09:16,360

story so if the person could look at the

168

00:09:22,290 --> 00:09:18,670

video and confirm if this is what he or

169

00:09:24,240 --> 00:09:22,300

she saw that would be pretty cool their

170

00:09:27,179 --> 00:09:24,250

description is right on the money to

171

00:09:29,490 --> 00:09:27,189

what I saw mine was earlier in the day

172

00:09:32,129 --> 00:09:29,500

but the interesting thing is that the

173

00:09:39,379 --> 00:09:32,139

orbs were heading in that person's

174

00:09:44,519 --> 00:09:39,389

general direction pretty cool onto an

175

00:09:48,929 --> 00:09:44,529

alien adventure this alien encounter

176

00:09:52,650 --> 00:09:48,939

happened in Casa Grande Arizona and it's

177

00:09:56,879 --> 00:09:52,660

a blast from the past August 31st 1995

178

00:10:01,019 --> 00:09:56,889

in brief a state man on the run with

179

00:10:07,170 --> 00:10:01,029

taken alien evidence was grabbed and put

180

00:10:09,809 --> 00:10:07,180

in a van okay the story insists I know

181

00:10:13,110 --> 00:10:09,819

this event happened a long time ago but

182

00:10:15,509 --> 00:10:13,120

it has always bothered me I am sure

183

00:10:18,300 --> 00:10:15,519

someone has wondered what happened to

184

00:10:21,269 --> 00:10:18,310

this gentleman I want to tell the little

185

00:10:24,389 --> 00:10:21,279

tiny part of this story an effort to

186

00:10:28,559 --> 00:10:24,399

help solve a possible missing person

187

00:10:32,160 --> 00:10:28,569

situation in case this man had never

188

00:10:35,309 --> 00:10:32,170

shown up anywhere again just maybe

189

00:10:38,040 --> 00:10:35,319

somebody will recognize the very general

190

00:10:41,189 --> 00:10:38,050

information I do not know about and that

191

00:10:44,160 --> 00:10:41,199

it might help solve a serious event

192

00:10:47,579 --> 00:10:44,170

I am very unclear of the date and even

193

00:10:49,949 --> 00:10:47,589

not for sure of the year later mid-1990s

194

00:10:52,980 --> 00:10:49,959

I am sorry I did not report this

195

00:10:55,499 --> 00:10:52,990

somewhere previously it was unclear

196

00:10:59,249 --> 00:10:55,509

where I should go or who to report such

197

00:11:02,040 --> 00:10:59,259

the situation to it was around 3 p.m. on

198

00:11:05,220 --> 00:11:02,050

a Friday I believe I was down at the

199

00:11:06,090 --> 00:11:05,230

town's motor vehicle department waiting

200

00:11:08,400 --> 00:11:06,100

to have an inspect

201  
00:11:11,610 --> 00:11:08,410  
done on a vehicle and then get the tags

202  
00:11:14,730 --> 00:11:11,620  
entitled to the auto I happen to park

203  
00:11:18,809 --> 00:11:14,740  
beside a gentleman of about 45 years old

204  
00:11:21,629 --> 00:11:18,819  
he was tall white pale no facial hair

205  
00:11:25,860 --> 00:11:21,639  
and may have had a receding hairline and

206  
00:11:28,590 --> 00:11:25,870  
light hair we were both waiting for a

207  
00:11:28,920 --> 00:11:28,600  
long time because it was so busy that

208  
00:11:32,009 --> 00:11:28,930  
day

209  
00:11:35,309 --> 00:11:32,019  
the man slowly started to approach me

210  
00:11:37,980 --> 00:11:35,319  
and he appeared very nervous and was

211  
00:11:41,220 --> 00:11:37,990  
sweating for more than the weather made

212  
00:11:43,650 --> 00:11:41,230  
a reason for he made it a point to

213  
00:11:46,980 --> 00:11:43,660

explain a little bit about his behavior

214

00:11:50,100 --> 00:11:46,990

he told me that he knew it sounded

215

00:11:53,670 --> 00:11:50,110

far-fetched but that he has been running

216

00:11:57,710 --> 00:11:53,680

from town to town trying to stay hidden

217

00:12:00,389 --> 00:11:57,720

from the government secret military I

218

00:12:03,360 --> 00:12:00,399

having never in my life but in a

219

00:12:04,860 --> 00:12:03,370

conversation with anyone about this kind

220

00:12:08,100 --> 00:12:04,870

of conversation made me even more

221

00:12:11,550 --> 00:12:08,110

uncomfortable for him to say what he was

222

00:12:14,280 --> 00:12:11,560

attempting to say he said that he felt

223

00:12:16,920 --> 00:12:14,290

he finally had lost them and that he was

224

00:12:20,189 --> 00:12:16,930

there to get a vehicle tagged to fit in

225

00:12:24,569 --> 00:12:20,199

with the state of Arizona and his new

226

00:12:27,120 --> 00:12:24,579

fictitious name he was planning to try

227

00:12:29,670 --> 00:12:27,130

to stay here for a while and make

228

00:12:33,360 --> 00:12:29,680

Casagrande his home for a few months but

229

00:12:36,420 --> 00:12:33,370

he just had to put this new used car in

230

00:12:38,699 --> 00:12:36,430

order saying that he had been with many

231

00:12:42,179 --> 00:12:38,709

vehicles trying to conceal his past if

232

00:12:44,550 --> 00:12:42,189

they were following and getting close he

233

00:12:47,009 --> 00:12:44,560

was very nervous telling me this and I

234

00:12:49,889 --> 00:12:47,019

was rather shocked and mostly just

235

00:12:52,740 --> 00:12:49,899

listened I asked him why he was telling

236

00:12:55,019 --> 00:12:52,750

me though he said he was on a mission to

237

00:12:58,410 --> 00:12:55,029

break out the truth to the world about

238

00:13:02,009 --> 00:12:58,420

UFOs and and that fact that they were

239

00:13:04,350 --> 00:13:02,019

real and he could prove it he said that

240

00:13:07,410 --> 00:13:04,360

his mission was to tell as many as

241

00:13:10,499 --> 00:13:07,420

possible and to prove it to all he could

242

00:13:15,809 --> 00:13:10,509

by means of showing people the evidence

243

00:13:18,240 --> 00:13:15,819

he had stolen from area 51 he asked if I

244

00:13:18,880 --> 00:13:18,250

knew of this place and at the time I had

245

00:13:22,010 --> 00:13:18,890

not

246

00:13:24,500 --> 00:13:22,020

so he explained that this is where the

247

00:13:27,830 --> 00:13:24,510

government and military try to hide the

248

00:13:30,350 --> 00:13:27,840

truth of aliens and the fact is they are

249

00:13:33,710 --> 00:13:30,360

real and that he wanted me to see as

250

00:13:36,770 --> 00:13:33,720

evidence he stated he stole at least

251

00:13:40,790 --> 00:13:36,780

reels of videotape feed all showing

252

00:13:41,710 --> 00:13:40,800

information and documentation of actual

253

00:13:44,450 --> 00:13:41,720

aliens

254

00:13:47,740 --> 00:13:44,460

he said if I would like to see them I

255

00:13:51,380 --> 00:13:47,750

was quite stunned at what this well-kept

256

00:13:53,780 --> 00:13:51,390

mid-age man was saying I told him I

257

00:13:56,000 --> 00:13:53,790

would like to see but I'm afraid to be

258

00:13:58,550 --> 00:13:56,010

alone with him under the potential

259

00:14:01,280 --> 00:13:58,560

threat of getting caught by some secret

260

00:14:04,550 --> 00:14:01,290

society on his heels and asked if I

261

00:14:07,130 --> 00:14:04,560

could bring somebody with me he had no

262

00:14:09,230 --> 00:14:07,140

problem with that and said it would be

263

00:14:12,560 --> 00:14:09,240

even better because he would be getting

264

00:14:15,290 --> 00:14:12,570

the word out to two of us so very

265

00:14:18,350 --> 00:14:15,300

strange I raced to a phone to call my

266

00:14:20,840 --> 00:14:18,360

boyfriend and tell him all this and he

267

00:14:23,210 --> 00:14:20,850

insisted on coming with which was a

268

00:14:25,970 --> 00:14:23,220

great relief to me though his boss did

269

00:14:29,600 --> 00:14:25,980

not like him just leaving work with very

270

00:14:32,540 --> 00:14:29,610

little being said the man instructed me

271

00:14:35,390 --> 00:14:32,550

that he was at this one motel I knew of

272

00:14:38,270 --> 00:14:35,400

and that he was in the first room on the

273

00:14:42,440 --> 00:14:38,280

south end and I knew perfectly where

274

00:14:44,330 --> 00:14:42,450

this was we pull into a motel and the

275

00:14:46,700 --> 00:14:44,340

man's car was not pulled up all the way

276

00:14:50,540 --> 00:14:46,710

into the parking spot and a rear

277

00:14:54,710 --> 00:14:50,550

passenger door was still open his motel

278

00:14:57,500 --> 00:14:54,720

room door had been kicked in and it was

279

00:15:00,380 --> 00:14:57,510

down I could see the manager of the

280

00:15:03,140 --> 00:15:00,390

motel going in and I when we go out to

281

00:15:05,720 --> 00:15:03,150

eat we never agree on where to go what

282

00:15:07,400 --> 00:15:05,730

burgers heats up tacos it is the one

283

00:15:09,560 --> 00:15:07,410

thing we do agree on is we all want

284

00:15:12,620 --> 00:15:09,570

unlimited high-speed data that's why we

285

00:15:14,300 --> 00:15:12,630

switch to metro pcs stop by metro pcs

286

00:15:16,130 --> 00:15:14,310

with the whole family and get four lines

287

00:15:17,240 --> 00:15:16,140

with unlimited LTE data for just a

288

00:15:19,820 --> 00:15:17,250

hundred dollars period

289

00:15:21,020 --> 00:15:19,830

metro pcs Wireless figured out covers

290

00:15:22,070 --> 00:15:21,030

not available in some areas offered by

291

00:15:23,420 --> 00:15:22,080

reporting of number not currently active

292

00:15:24,470 --> 00:15:23,430

on t-mobile network during congestion

293

00:15:25,670 --> 00:15:24,480

the fraction of customers used more than

294

00:15:27,500 --> 00:15:25,680

thirty five cakes per month may notice

295

00:15:28,760 --> 00:15:27,510

reduced beats video stream step 240p no

296

00:15:30,829 --> 00:15:28,770

tethering see store for details in terms

297

00:15:31,590 --> 00:15:30,839

and conditions pursuit direction from us

298

00:15:33,569 --> 00:15:31,600

and

299

00:15:36,600 --> 00:15:33,579

he would not respond to my calling to

300

00:15:39,300 --> 00:15:36,610

him we're out looking around stunned

301  
00:15:41,040 --> 00:15:39,310  
that all that had taken place when we

302  
00:15:44,939 --> 00:15:41,050  
see in the middle of the parking area

303  
00:15:47,819 --> 00:15:44,949  
set a white new van and the doors were

304  
00:15:50,999 --> 00:15:47,829  
slamming shut and the driver was in a

305  
00:15:53,400 --> 00:15:51,009  
hurry to leave noise like kicking the

306  
00:15:56,960 --> 00:15:53,410  
panel's inside the van could be heard as

307  
00:15:59,910 --> 00:15:56,970  
it kicked up rocks speeding away from us

308  
00:16:04,170 --> 00:15:59,920  
my boyfriend told me to get back into

309  
00:16:07,319 --> 00:16:04,180  
our truck and we left fast we hardly

310  
00:16:09,660 --> 00:16:07,329  
spoke a word about it but like I said at

311  
00:16:13,319 --> 00:16:09,670  
the beginning this has always bothered

312  
00:16:16,680 --> 00:16:13,329  
me what happened to him is anyone

313  
00:16:23,220 --> 00:16:16,690

looking for him did he survive this

314

00:16:25,740 --> 00:16:23,230

ordeal Wow that is highly freaky almost

315

00:16:29,370 --> 00:16:25,750

sounds like she's describing the famous

316

00:16:32,340 --> 00:16:29,380

bob lazar doesn't it I don't know if

317

00:16:36,329 --> 00:16:32,350

he's ever shared that story okay going

318

00:16:39,509 --> 00:16:36,339

on to the next alien adventure et

319

00:16:43,350 --> 00:16:39,519

autopsy information revealed and dr.

320

00:16:46,040 --> 00:16:43,360

Greer's new book the article begins the

321

00:16:49,470 --> 00:16:46,050

following anatomical information about

322

00:16:53,280 --> 00:16:49,480

grey ETS is from dr. Steven Greer is a

323

00:16:56,280 --> 00:16:53,290

brand-new book unacknowledged an expose

324

00:16:59,340 --> 00:16:56,290

of the world's greatest secret it is

325

00:17:02,400 --> 00:16:59,350

based on highly classified alien autopsy

326

00:17:06,799 --> 00:17:02,410

information it should be noted that the

327

00:17:10,409 --> 00:17:06,809

book primarily focuses on UFO reports by

328

00:17:11,909 --> 00:17:10,419

eyewitnesses in high places who also

329

00:17:15,529 --> 00:17:11,919

attest to the government

330

00:17:17,730 --> 00:17:15,539

Erika Baal cover-up of the et reality

331

00:17:20,549 --> 00:17:17,740

the latter portion of the book

332

00:17:23,880 --> 00:17:20,559

encourages citizens to initiate their

333

00:17:27,659 --> 00:17:23,890

own peaceful contact with ETS and

334

00:17:30,210 --> 00:17:27,669

present a plan to develop ET clean and

335

00:17:33,029 --> 00:17:30,220

free energy technology which has been

336

00:17:35,720 --> 00:17:33,039

suppressed by those who profit from the

337

00:17:40,940 --> 00:17:35,730

oil industry I've heard that for years

338

00:17:44,010 --> 00:17:40,950

the editor states this going on

339

00:17:45,450 --> 00:17:44,020

bullet-points the surviving SQ

340

00:17:49,080 --> 00:17:45,460

terrestrial from the fur

341

00:17:52,020 --> 00:17:49,090

Roswell crash was referred to as an even

342

00:17:54,150 --> 00:17:52,030

which is short for extraterrestrial

343

00:17:57,420 --> 00:17:54,160

biological entity

344

00:18:00,480 --> 00:17:57,430

it had a chlorophyll based internal

345

00:18:03,240 --> 00:18:00,490

anatomy and it processed food into

346

00:18:07,530 --> 00:18:03,250

energy and waste material in the same

347

00:18:10,860 --> 00:18:07,540

manner as plants next bullet point what

348

00:18:14,040 --> 00:18:10,870

we found out was that these evens had

349

00:18:18,510 --> 00:18:14,050

just one organ that was made up of heart

350

00:18:20,130 --> 00:18:18,520

and lungs it was just one organ and they

351

00:18:24,120 --> 00:18:20,140

had a couple different stomachs for

352

00:18:26,640 --> 00:18:24,130

different digestive reasons and they had

353

00:18:29,370 --> 00:18:26,650

an organ that would take every single

354

00:18:33,210 --> 00:18:29,380

bit of moisture out of whatever they ate

355

00:18:36,720 --> 00:18:33,220

and fed the body so they really didn't

356

00:18:39,270 --> 00:18:36,730

have to drink a lot of fluids the

357

00:18:42,090 --> 00:18:39,280

creatures were about four feet their

358

00:18:46,440 --> 00:18:42,100

hands had no thumbs just four fingers

359

00:18:49,200 --> 00:18:46,450

with suction devices on the tips they

360

00:18:52,590 --> 00:18:49,210

didn't have any ears but they had a

361

00:18:57,210 --> 00:18:52,600

canal with an organ or gland a little

362

00:18:59,970 --> 00:18:57,220

bulb out of which they could hear their

363

00:19:02,580 --> 00:18:59,980

eyes were very sophisticated and the

364

00:19:06,300 --> 00:19:02,590

optic nerves went into a different place

365

00:19:09,900 --> 00:19:06,310

in the brain from humans but they didn't

366

00:19:13,290 --> 00:19:09,910

have vocal cords like we have they had

367

00:19:16,500 --> 00:19:13,300

11 different lobes of their brain and

368

00:19:20,370 --> 00:19:16,510

where their spinal cord met the brain it

369

00:19:24,750 --> 00:19:20,380

had little bulbs on each side which they

370

00:19:27,780 --> 00:19:24,760

could never figure out what they were as

371

00:19:29,070 --> 00:19:27,790

for reproductive organs they were all

372

00:19:31,830 --> 00:19:29,080

male

373

00:19:34,620 --> 00:19:31,840

I think they even once told them that

374

00:19:38,220 --> 00:19:34,630

there were females but there weren't any

375

00:19:41,430 --> 00:19:38,230

females on any of these crafts male

376

00:19:44,940 --> 00:19:41,440

domination everywhere the male's had a

377

00:19:48,780 --> 00:19:44,950

reproductive gland in the body I guess

378

00:19:51,320 --> 00:19:48,790

it came out at the appropriate time the

379

00:19:53,550 --> 00:19:51,330

muscles were extremely fibrous

380

00:19:57,080 --> 00:19:53,560

especially their leg muscles

381

00:19:59,190 --> 00:19:57,090

they weren't bulky but they were strong

382

00:20:02,129 --> 00:19:59,200

this even that

383

00:20:04,950 --> 00:20:02,139

lived he had an Air Force captain that

384

00:20:08,220 --> 00:20:04,960

was assigned to him and the captain was

385

00:20:10,620 --> 00:20:08,230

a linguist he was also an intelligence

386

00:20:13,409 --> 00:20:10,630

officer and was able to build a really

387

00:20:16,500 --> 00:20:13,419

good rapport with the ebin communicating

388

00:20:18,840 --> 00:20:16,510

far more than anyone else could he

389

00:20:22,950 --> 00:20:18,850

actually lived with the even for three

390

00:20:26,149 --> 00:20:22,960

or four years until it died realizing

391

00:20:28,649 --> 00:20:26,159

the et was dying the United States began

392

00:20:30,840 --> 00:20:28,659

broadcasting radio signals into deep

393

00:20:34,740 --> 00:20:30,850

space in an attempt to demonstrate

394

00:20:41,129 --> 00:20:34,750

peaceful intentions to a superior entity

395

00:20:44,100 --> 00:20:41,139

On June 2nd 1952 eben died Steven

396

00:20:48,680 --> 00:20:44,110

Spielberg's movie et was loosely based

397

00:20:53,310 --> 00:20:48,690

on these events the movie unacknowledged

398

00:20:56,250 --> 00:20:53,320

premieres June 24th 2017 at the alien

399

00:20:59,279 --> 00:20:56,260

cosmic Expo at the Crown Plaza at the

400

00:21:02,669 --> 00:20:59,289

Toronto Airport and it can also be

401  
00:21:04,259 --> 00:21:02,679  
purchased through iTunes and Amazon so

402  
00:21:04,529 --> 00:21:04,269  
that's something that's already taken

403  
00:21:10,490 --> 00:21:04,539  
place

404  
00:21:13,350 --> 00:21:10,500  
so go dig in everybody this next story

405  
00:21:16,320 --> 00:21:13,360  
Robert T Bigelow is founder president

406  
00:21:19,980 --> 00:21:16,330  
and program manager of Bigelow Aerospace

407  
00:21:23,610 --> 00:21:19,990  
which designs and develops expandable

408  
00:21:25,980 --> 00:21:23,620  
habitats for space he also owns budget

409  
00:21:29,129 --> 00:21:25,990  
Suites of America and has been a very

410  
00:21:32,460 --> 00:21:29,139  
successful real estate developer this

411  
00:21:33,320 --> 00:21:32,470  
billionaire businessman says ETS are on

412  
00:21:36,320 --> 00:21:33,330  
earth

413  
00:21:38,250 --> 00:21:36,330

Bob Bigelow is so successful and

414

00:21:41,909 --> 00:21:38,260

self-confident that he doesn't care if

415

00:21:44,370 --> 00:21:41,919

you think he's crazy he is absolutely

416

00:21:48,600 --> 00:21:44,380

convinced there are extraterrestrials

417

00:21:52,710 --> 00:21:48,610

already here on earth on May 28th 2017

418

00:21:55,950 --> 00:21:52,720

he actually openly spoke about ety

419

00:21:58,769 --> 00:21:55,960

beliefs on CBS s 60 minutes oh I missed

420

00:22:02,070 --> 00:21:58,779

it but there was a link to view the two

421

00:22:04,950 --> 00:22:02,080

minute and 14 second segment from the

422

00:22:07,259 --> 00:22:04,960

CBS show so if you wish to see the

423

00:22:09,990 --> 00:22:07,269

entire 12 minute CBS feature was Robert

424

00:22:11,170 --> 00:22:10,000

Bigelow you can also go to the link that

425

00:22:16,690 --> 00:22:11,180

we have on

426

00:22:22,960 --> 00:22:16,700

our page the next story skeleton of an

427

00:22:26,320 --> 00:22:22,970

et in silver suit found in cave the

428

00:22:31,090 --> 00:22:26,330

story begins as a boy in the early

429

00:22:34,210 --> 00:22:31,100

1900's Luis Santiago was hired to be a

430

00:22:37,600 --> 00:22:34,220

gofer for an archeologist working at the

431

00:22:40,500 --> 00:22:37,610

Mayan ruins in cope and handle he was

432

00:22:43,900 --> 00:22:40,510

paid the equivalent of 10 cents per day

433

00:22:46,390 --> 00:22:43,910

but there were incentives when he

434

00:22:49,480 --> 00:22:46,400

learned English has paid jumped to 50

435

00:22:51,910 --> 00:22:49,490

cents per day then he and his cousins

436

00:22:54,400 --> 00:22:51,920

were paid for any artifacts they found

437

00:22:58,990 --> 00:22:54,410

on their own time in the many caves

438

00:23:01,540 --> 00:22:59,000

around the ruins Luis eventually became

439

00:23:06,970 --> 00:23:01,550

an interpreter and guide at the copan

440

00:23:09,060 --> 00:23:06,980

ruins and worked there for 75 years when

441

00:23:12,400 --> 00:23:09,070

he turned a hundred years old

442

00:23:15,600 --> 00:23:12,410

dr. rt6 killer Clark

443

00:23:19,210 --> 00:23:15,610

professor at Montana State University

444

00:23:22,060 --> 00:23:19,220

was able to interview him the most

445

00:23:25,870 --> 00:23:22,070

remarkable story he told her was about

446

00:23:29,950 --> 00:23:25,880

finding a skeleton of a man in a silver

447

00:23:32,290 --> 00:23:29,960

suit in one of the caves he states his

448

00:23:35,020 --> 00:23:32,300

suit was silver from the top of his head

449

00:23:38,380 --> 00:23:35,030

to the bottom of his feet he told her

450

00:23:42,130 --> 00:23:38,390

all that remained inside the suit was a

451  
00:23:45,580 --> 00:23:42,140  
skeleton from the size of the suit he

452  
00:23:48,040 --> 00:23:45,590  
was a small man smaller than me at this

453  
00:23:50,710 --> 00:23:48,050  
point Louise used his hands to show dr.

454  
00:23:55,420 --> 00:23:50,720  
Clark that the skeleton was little more

455  
00:23:59,110 --> 00:23:55,430  
than three feet tall he goes on his head

456  
00:24:01,210 --> 00:23:59,120  
was covered in a hard metal like tube we

457  
00:24:05,020 --> 00:24:01,220  
found a strange tablet with strange

458  
00:24:09,750 --> 00:24:05,030  
characters on it lying beside him it was

459  
00:24:13,360 --> 00:24:09,760  
not my intent

460  
00:24:17,470 --> 00:24:13,370  
the writing was foreign to us it was

461  
00:24:19,900 --> 00:24:17,480  
unknown to the archaeologists tip when

462  
00:24:21,760 --> 00:24:19,910  
dr. Clark asked what happened when the

463  
00:24:24,850 --> 00:24:21,770

archaeologists saw the little skeleton

464

00:24:28,150 --> 00:24:24,860

and the silver suit he replied

465

00:24:30,360 --> 00:24:28,160

they were excited they took it into one

466

00:24:33,190 --> 00:24:30,370

of their tents and began examining it

467

00:24:37,450 --> 00:24:33,200

one of them said they had to send it

468

00:24:40,240 --> 00:24:37,460

back to the USA immediately he said it

469

00:24:44,740 --> 00:24:40,250

was proof that the Maya had a connection

470

00:24:46,419 --> 00:24:44,750

with the Stars he goes on we never

471

00:24:49,360 --> 00:24:46,429

hunted for artifacts

472

00:24:53,440 --> 00:24:49,370

after that our conscience would not let

473

00:24:56,169 --> 00:24:53,450

us for some reason I think we knew we

474

00:24:59,049 --> 00:24:56,179

had given up an important part of our

475

00:25:02,080 --> 00:24:59,059

history one of the scientists who took

476

00:25:05,620 --> 00:25:02,090

it knows the truth and they are not

477

00:25:08,320 --> 00:25:05,630

talking your government probably knows

478

00:25:10,650 --> 00:25:08,330

too I think our government knows but

479

00:25:15,039 --> 00:25:10,660

they do not want to admit it to us

480

00:25:16,900 --> 00:25:15,049

simple people but our people know far

481

00:25:20,350 --> 00:25:16,910

more than the governments about the men

482

00:25:23,980 --> 00:25:20,360

from the most stars dr. Clarke includes

483

00:25:27,430 --> 00:25:23,990

Lewis's entire story in chapter 9 of her

484

00:25:30,270 --> 00:25:27,440

book sky people which features reports

485

00:25:33,909 --> 00:25:30,280

by indigenous people in Belize Guatemala

486

00:25:37,180 --> 00:25:33,919

Honduras and Mexico about their

487

00:25:39,669 --> 00:25:37,190

encounters with extraterrestrials the 46

488

00:25:43,240 --> 00:25:39,679

chapter book is packed with stories and

489

00:25:45,100 --> 00:25:43,250

written in a clear easy-to-read style

490

00:25:50,620 --> 00:25:45,110

the sky people

491

00:25:55,780 --> 00:25:50,630

that sounds pretty darn good next going

492

00:26:02,080 --> 00:25:55,790

on to paranormal points there's someone

493

00:26:04,620 --> 00:26:02,090

under the bed sometimes the very short

494

00:26:07,659 --> 00:26:04,630

ghost stories are the best and this tale

495

00:26:11,680 --> 00:26:07,669

tells the story of a father putting his

496

00:26:14,320 --> 00:26:11,690

young son to bed I begin tucking him

497

00:26:17,799 --> 00:26:14,330

into bed and he tells me daddy

498

00:26:20,460 --> 00:26:17,809

check for monsters under my bed I look

499

00:26:25,000 --> 00:26:20,470

underneath for his amusement and see him

500

00:26:29,169 --> 00:26:25,010

another him under the bed staring back

501  
00:26:33,100 --> 00:26:29,179  
at me quivering and whispering daddy

502  
00:26:36,990 --> 00:26:33,110  
there's somebody on my bed okay I got

503  
00:26:44,820 --> 00:26:41,850  
the chair this short tail starts

504  
00:26:47,640 --> 00:26:44,830  
benignly enough with a friendly seeming

505  
00:26:50,580 --> 00:26:47,650  
ghost playing with children but when you

506  
00:26:52,560 --> 00:26:50,590  
learn the origins of the ghost and just

507  
00:26:55,470 --> 00:26:52,570  
why the ghost is moving the object

508  
00:27:00,330 --> 00:26:55,480  
around the room it quickly gets a lot

509  
00:27:03,270 --> 00:27:00,340  
creepier the story begins when my sister

510  
00:27:05,779 --> 00:27:03,280  
Betsy and I were kids our family lived

511  
00:27:08,970 --> 00:27:05,789  
for a while in a charming old farmhouse

512  
00:27:11,419 --> 00:27:08,980  
we loved exploring its dusty corners and

513  
00:27:15,480 --> 00:27:11,429

climbing the apple tree in the backyard

514

00:27:18,090 --> 00:27:15,490

but our favorite thing was the ghost we

515

00:27:21,000 --> 00:27:18,100

called her mother because she seemed so

516

00:27:22,740 --> 00:27:21,010

kind and nurturing some mornings Betsy

517

00:27:25,500 --> 00:27:22,750

and I would wake up and on each of our

518

00:27:28,169 --> 00:27:25,510

nightstands we'd find a cup that hadn't

519

00:27:30,570 --> 00:27:28,179

been there the night before mother had

520

00:27:32,970 --> 00:27:30,580

left them there worried that we'd get

521

00:27:34,370 --> 00:27:32,980

thirsty during the night she just wanted

522

00:27:37,289 --> 00:27:34,380

to take care of us

523

00:27:40,260 --> 00:27:37,299

among the homes original furnishings was

524

00:27:42,140 --> 00:27:40,270

an antique wooden chair which we kept

525

00:27:45,360 --> 00:27:42,150

against the back wall of the living room

526

00:27:48,000 --> 00:27:45,370

whenever we were preoccupied watching TV

527

00:27:50,370 --> 00:27:48,010

or playing in game mother would inch

528

00:27:53,549 --> 00:27:50,380

that chair forward across the room

529

00:27:55,649 --> 00:27:53,559

toward us sometimes she'd managed to

530

00:27:58,590 --> 00:27:55,659

move it all the way to the center of the

531

00:28:02,340 --> 00:27:58,600

room we always felt sad putting it back

532

00:28:03,169 --> 00:28:02,350

against the wall mother just wanted to

533

00:28:06,630 --> 00:28:03,179

be near us

534

00:28:09,659 --> 00:28:06,640

years later long after we'd moved out I

535

00:28:11,690 --> 00:28:09,669

found an old newspaper article about the

536

00:28:16,680 --> 00:28:11,700

farm houses original occupants

537

00:28:19,590 --> 00:28:16,690

widow she'd murdered her two children by

538

00:28:24,799 --> 00:28:19,600

giving them each a cup of poisoned milk

539

00:28:28,320 --> 00:28:24,809

before bed then she hung herself

540

00:28:31,190 --> 00:28:28,330

the article included a photo of the farm

541

00:28:35,430 --> 00:28:31,200

houses living room with a woman's body

542

00:28:39,419 --> 00:28:35,440

hanging from a beam beneath her knocked

543

00:28:44,340 --> 00:28:39,429

over was that old wooden chair placed

544

00:28:48,070 --> 00:28:44,350

exactly in the center of the room did it

545

00:28:50,660 --> 00:28:48,080

just get cold in here or is it just me

546

00:28:53,720 --> 00:28:50,670

well thank you for listening to UFO

547

00:28:55,520 --> 00:28:53,730

headline news with me Heidi Hollis be

548

00:28:59,330 --> 00:28:55,530

sure to check out UFO headline news

549

00:29:01,730 --> 00:28:59,340

dot-com every single day and also tune

550

00:29:04,370 --> 00:29:01,740

in to my other weekly show the Outlander

551  
00:29:06,560 --> 00:29:04,380  
which is every Friday 9:00 p.m. Eastern

552  
00:29:09,530 --> 00:29:06,570  
8:00 p.m. central and catch my

553  
00:29:13,130 --> 00:29:09,540  
paranormal comic the Outlanders direct

554  
00:29:15,680 --> 00:29:13,140  
links can be found via Heidi Hollis calm

555  
00:29:18,200 --> 00:29:15,690  
or just come to Inception Radio Network

556  
00:29:20,360 --> 00:29:18,210  
calm remember always to keep an open

557  
00:29:38,870 --> 00:29:20,370  
mind so you can stay informed and

558  
00:29:41,990 --> 00:29:38,880  
inspired when we go out to eat we never

559  
00:29:44,330 --> 00:29:42,000  
agree on where to go burgers pizza tacos

560  
00:29:45,980 --> 00:29:44,340  
it is the one thing we do agree on is we

561  
00:29:49,250 --> 00:29:45,990  
all want unlimited high-speed data

562  
00:29:50,960 --> 00:29:49,260  
that's why we switch to metro pcs stop

563  
00:29:53,030 --> 00:29:50,970

by metro pcs with the whole family and

564

00:29:56,150 --> 00:29:53,040

get four lines with unlimited LTE data

565

00:29:57,770 --> 00:29:56,160

for just \$100 period metro pcs Wireless

566

00:29:59,060 --> 00:29:57,780

figured out covers not available in some

567

00:30:00,020 --> 00:29:59,070

areas office prep or in a number not

568

00:30:01,190 --> 00:30:00,030

currently active on t-mobile network

569

00:30:02,450 --> 00:30:01,200

during congestion the fraction of

570

00:30:03,830 --> 00:30:02,460

customers used more than 35 gigs per

571

00:30:05,570 --> 00:30:03,840

month may notice reduced beats video
