

UFO Headline News | Tuesday December 19th, 2017

Listen on

inceptionradionetwork.com

1
00:00:07,099 --> 00:00:03,770
visions welcome welcome to UFO headline

2
00:00:12,700 --> 00:00:07,109
news with me Heidi Hollis today is an

3
00:00:16,070 --> 00:00:12,710
awesome Tuesday December 19th 2017 and

4
00:00:19,070 --> 00:00:16,080
today we have a special story we're

5
00:00:20,900 --> 00:00:19,080
going to go over that I'm sure a lot of

6
00:00:26,140 --> 00:00:20,910
you have been hearing about in regards

7
00:00:31,600 --> 00:00:26,150
to that fantastic New York Times article

8
00:00:35,720 --> 00:00:31,610
discussing UFOs on December 16th of 2017

9
00:00:38,440 --> 00:00:35,730
the title of that article is glowing

10
00:00:44,470 --> 00:00:38,450
auras and black money

11
00:00:48,860 --> 00:00:44,480
the Pentagon's mysterious UFO program

12
00:00:51,740 --> 00:00:48,870
Washington in the 600 billion annual

13
00:00:55,160 --> 00:00:51,750

defense department budgets the 22

14

00:00:58,389 --> 00:00:55,170

million dollars spent on the advanced

15

00:01:02,779 --> 00:00:58,399

aerospace threat identification program

16

00:01:06,679 --> 00:01:02,789

was almost impossible to find which was

17

00:01:08,630 --> 00:01:06,689

how the Pentagon wanted it for years the

18

00:01:11,600 --> 00:01:08,640

program investigated reports of

19

00:01:14,660 --> 00:01:11,610

unidentified flying objects according to

20

00:01:17,210 --> 00:01:14,670

Defense Department officials interviews

21

00:01:20,149 --> 00:01:17,220

with program participants and records

22

00:01:22,760 --> 00:01:20,159

obtained by the New York Times it was

23

00:01:26,420 --> 00:01:22,770

run by a military intelligence official

24

00:01:27,350 --> 00:01:26,430

Louise Elizondo on the fifth floor of

25

00:01:30,460 --> 00:01:27,360

the Pentagon's

26

00:01:33,490 --> 00:01:30,470

searing deep within the buildings maze

27

00:01:35,539 --> 00:01:33,500

the Defense Department has never before

28

00:01:38,630 --> 00:01:35,549

acknowledged the existence of the

29

00:01:43,340 --> 00:01:38,640

program which it says it shut down in

30

00:01:46,340 --> 00:01:43,350

2012 but it's backers say that while the

31

00:01:49,340 --> 00:01:46,350

Pentagon ended funding for the effort at

32

00:01:52,520 --> 00:01:49,350

that time the program remains in

33

00:01:54,950 --> 00:01:52,530

existence for the past five years they

34

00:01:57,380 --> 00:01:54,960

say officials with a program have

35

00:02:00,289 --> 00:01:57,390

continued to investigate episodes

36

00:02:03,170 --> 00:02:00,299

brought to them by service members while

37

00:02:06,740 --> 00:02:03,180

also carrying out their other Defense

38

00:02:10,630 --> 00:02:06,750

Department duties the shadowy program

39

00:02:14,000 --> 00:02:10,640

parts of it remain classified began in

40

00:02:16,970 --> 00:02:14,010

2007 and initially it was

41

00:02:20,240 --> 00:02:16,980

largely funded at the request of Harry

42

00:02:22,729 --> 00:02:20,250

Reid the Nevada Democrat who was the

43

00:02:25,640 --> 00:02:22,739

Senate Majority Leader at the time and

44

00:02:29,300 --> 00:02:25,650

who has long had an interest in space

45

00:02:32,539 --> 00:02:29,310

phenomena most of the money went to an

46

00:02:35,660 --> 00:02:32,549

aerospace research run by a billionaire

47

00:02:41,599 --> 00:02:35,670

entrepreneur and longtime friend the mr.

48

00:02:43,399 --> 00:02:41,609

Reid's Robert Bigelow makes sense who

49

00:02:46,309 --> 00:02:43,409

was currently working with NASA to

50

00:02:50,960 --> 00:02:46,319

produce expandable craft for humans to

51
00:02:54,349 --> 00:02:50,970
use in space on CBS's 60 minutes in May

52
00:02:57,080 --> 00:02:54,359
mr. Bigelow said he was absolutely

53
00:03:01,399 --> 00:02:57,090
convinced that aliens exist and that

54
00:03:04,220 --> 00:03:01,409
UFOs have visited earth working with mr.

55
00:03:06,319 --> 00:03:04,230
Bigelow's Las Vegas based company the

56
00:03:09,170 --> 00:03:06,329
program produced documents that describe

57
00:03:11,720 --> 00:03:09,180
sightings of aircraft that seemed to

58
00:03:15,050 --> 00:03:11,730
move at very high velocities with no

59
00:03:18,819 --> 00:03:15,060
visible signs of propulsion or that

60
00:03:21,050 --> 00:03:18,829
hovered with no apparent means of lift

61
00:03:23,210 --> 00:03:21,060
officials with the program have also

62
00:03:26,150 --> 00:03:23,220
studied videos of encounters between

63
00:03:29,000 --> 00:03:26,160

unknown objects and American military

64

00:03:32,780 --> 00:03:29,010

aircraft including one released in

65

00:03:35,900 --> 00:03:32,790

August of a whitish oval object about

66

00:03:39,920 --> 00:03:35,910

the size of a commercial plane chased by

67

00:03:43,580 --> 00:03:39,930

two Navy f-18s fighter jets from the

68

00:03:48,439 --> 00:03:43,590

aircraft carrier nips off the coast of

69

00:03:50,569 --> 00:03:48,449

San Diego in 2004 mr. Reid who retired

70

00:03:54,140 --> 00:03:50,579

from Congress this year said he was

71

00:03:56,780 --> 00:03:54,150

proud of the program he says I'm not

72

00:03:59,629 --> 00:03:56,790

embarrassed or ashamed or sorry I got

73

00:04:02,360 --> 00:03:59,639

this thing going mr. Reid said in a

74

00:04:03,680 --> 00:04:02,370

recent interview in Nevada I think it's

75

00:04:05,960 --> 00:04:03,690

one of the good things I did in my

76

00:04:08,860 --> 00:04:05,970

congressional service I've done

77

00:04:11,479 --> 00:04:08,870

something that no one has done before

78

00:04:13,550 --> 00:04:11,489

two other former senators and top

79

00:04:16,399 --> 00:04:13,560

members of a defense spending cut

80

00:04:19,909 --> 00:04:16,409

subcommittee Ted Stevens an Alaskan

81

00:04:23,779 --> 00:04:19,919

Republican and Daniel K unis a Hawaiian

82

00:04:27,650 --> 00:04:23,789

Democrat also supported the program mr.

83

00:04:30,980 --> 00:04:27,660

Stevens died in 2010 and mr. Oney and

84

00:04:33,310 --> 00:04:30,990

20:12 while not addressing the merits of

85

00:04:37,370 --> 00:04:33,320

the program Sara Seager an

86

00:04:39,800 --> 00:04:37,380

astrophysicist at MIT cautioned that not

87

00:04:42,350 --> 00:04:39,810

knowing the origin of an object does not

88

00:04:47,180 --> 00:04:42,360

mean that it is from another planet or

89

00:04:50,410 --> 00:04:47,190

galaxy she states when people claim to

90

00:04:53,080 --> 00:04:50,420

observe truly unusual phenomena

91

00:04:57,080 --> 00:04:53,090

sometimes it's worth investigating

92

00:04:59,900 --> 00:04:57,090

seriously she said but she added what

93

00:05:02,750 --> 00:04:59,910

people sometimes don't get about science

94

00:05:07,400 --> 00:05:02,760

is that we often have phenomena that

95

00:05:10,070 --> 00:05:07,410

remain unexplained James E Oberg a

96

00:05:12,980 --> 00:05:10,080

former NASA Space Shuttle engineer and

97

00:05:16,910 --> 00:05:12,990

the author of 10 books on space flight

98

00:05:20,390 --> 00:05:16,920

who often debunks UFO sightings was also

99

00:05:23,300 --> 00:05:20,400

doubtful he says there are plenty of

100

00:05:25,520 --> 00:05:23,310

prosaic events and human perceptual

101
00:05:28,910 --> 00:05:25,530
traits that can account for these

102
00:05:30,980 --> 00:05:28,920
stories mister Oberg said lots of people

103
00:05:32,480 --> 00:05:30,990
are active in the air and don't want

104
00:05:36,440 --> 00:05:32,490
others to know about it

105
00:05:39,110 --> 00:05:36,450
they are happy to lurk unrecognized in

106
00:05:43,430 --> 00:05:39,120
the noise or even to stir it up as

107
00:05:47,360 --> 00:05:43,440
camouflage still mister Oberg said he

108
00:05:50,600 --> 00:05:47,370
welcomed research there could well be a

109
00:05:53,060 --> 00:05:50,610
pearl out there he said in response to

110
00:05:55,040 --> 00:05:53,070
questions from The Times Pentagon

111
00:05:57,920 --> 00:05:55,050
officials this month acknowledged the

112
00:06:00,050 --> 00:05:57,930
existence of the program which began as

113
00:06:03,800 --> 00:06:00,060

part of the Defense Intelligence Agency

114

00:06:08,270 --> 00:06:03,810

officials insisted that the effort had

115

00:06:10,460 --> 00:06:08,280

ended after five years in 2012 it was

116

00:06:13,370 --> 00:06:10,470

determined that there were other high

117

00:06:15,890 --> 00:06:13,380

priority issues that merited funding and

118

00:06:17,420 --> 00:06:15,900

it was in the best interest of the DoD

119

00:06:20,360 --> 00:06:17,430

to make a change

120

00:06:23,180 --> 00:06:20,370

a Pentagon spokesman Thomas cross on

121

00:06:28,280 --> 00:06:23,190

said in an email referring to the

122

00:06:31,310 --> 00:06:28,290

Department of Defense but Mr Elizondo

123

00:06:33,980 --> 00:06:31,320

said the only thing that had ended was

124

00:06:37,490 --> 00:06:33,990

the efforts government funding which

125

00:06:40,190 --> 00:06:37,500

dried up in 2012 from then on mister

126
00:06:41,850 --> 00:06:40,200
Elizondo said in an interview he worked

127
00:06:45,720 --> 00:06:41,860
with officials from the

128
00:06:47,910 --> 00:06:45,730
and the CIA he continued to work out of

129
00:06:51,390 --> 00:06:47,920
his Pentagon office until this past

130
00:06:54,930 --> 00:06:51,400
October when he resigned to protest what

131
00:07:00,120 --> 00:06:54,940
he characterized as excessive secrecy

132
00:07:02,070 --> 00:07:00,130
and internal opposition why aren't we

133
00:07:04,650 --> 00:07:02,080
spending more time and effort on this

134
00:07:06,890 --> 00:07:04,660
issue mr. Elizondo wrote in a

135
00:07:10,890 --> 00:07:06,900
resignation letter to defense secretary

136
00:07:13,200 --> 00:07:10,900
Jim mattis mr. Elizondo said that the

137
00:07:18,000 --> 00:07:13,210
effort continued and that he had a

138
00:07:20,760 --> 00:07:18,010

successor whom he declined to name UFOs

139

00:07:22,610 --> 00:07:20,770

have been repeatedly investigated over

140

00:07:26,540 --> 00:07:22,620

the decades in the United States

141

00:07:30,330 --> 00:07:26,550

including by the American military in

142

00:07:32,720 --> 00:07:30,340

1947 the US Air Force began a series of

143

00:07:36,300 --> 00:07:32,730

studies that investigated more than

144

00:07:42,780 --> 00:07:36,310

12,000 claimed UFO sightings before it

145

00:07:45,690 --> 00:07:42,790

was officially ended in 1969 the project

146

00:07:49,880 --> 00:07:45,700

which included a study code named

147

00:07:52,650 --> 00:07:49,890

project Bluebook started in 1952

148

00:07:56,880 --> 00:07:52,660

concluded that most sightings involve

149

00:07:58,530 --> 00:07:56,890

stars clouds conventional aircraft or

150

00:08:04,280 --> 00:07:58,540

spy planes

151

00:08:08,280 --> 00:08:04,290

although 7:01 remained unexplained

152

00:08:10,890 --> 00:08:08,290

Robert C seaman's jr. the Secretary of

153

00:08:14,400 --> 00:08:10,900

the Air Force at the time said in a

154

00:08:17,490 --> 00:08:14,410

memorandum announcing the end of Project

155

00:08:19,770 --> 00:08:17,500

lubic that it quote no longer can be

156

00:08:22,620 --> 00:08:19,780

justified either on the ground of

157

00:08:25,980 --> 00:08:22,630

national security or in the interest of

158

00:08:30,570 --> 00:08:25,990

science mr. Reid said of his interest in

159

00:08:33,570 --> 00:08:30,580

UFOs came from mr. Bigelow in 2007 mr.

160

00:08:35,700 --> 00:08:33,580

Reid said in the interview mr. Bigelow

161

00:08:38,219 --> 00:08:35,710

told him that an official with the

162

00:08:40,740 --> 00:08:38,229

Defense Intelligence Agency had

163

00:08:43,290 --> 00:08:40,750

approached him wanting to visit mr.

164

00:08:47,340 --> 00:08:43,300

Bigelow's ranch in Utah where he

165

00:08:49,560 --> 00:08:47,350

conducted research mr. Reid said he met

166

00:08:52,050 --> 00:08:49,570

with agency officials shortly after his

167

00:08:55,290 --> 00:08:52,060

meeting with mr. Bigelow and learned

168

00:08:59,519 --> 00:08:55,300

that they wanted to start a research

169

00:09:04,019 --> 00:08:59,529

on UFOs mr. Reid then summoned mr.

170

00:09:08,490 --> 00:09:04,029

Stephens in mr. ona to a secure room in

171

00:09:11,160 --> 00:09:08,500

the Capitol he states I had a talk to

172

00:09:13,769 --> 00:09:11,170

John Glenn a number of years before mr.

173

00:09:16,710 --> 00:09:13,779

Reid said referring to the astronaut and

174

00:09:17,880 --> 00:09:16,720

former senator from Ohio who died in

175

00:09:21,720 --> 00:09:17,890

2016

176

00:09:23,730 --> 00:09:21,730

mr. Glenn mr. Reid said had told him he

177

00:09:26,190 --> 00:09:23,740

thought that the federal government

178

00:09:28,560 --> 00:09:26,200

should be looking seriously into UFOs

179

00:09:32,430 --> 00:09:28,570

and should be talking to military

180

00:09:34,410 --> 00:09:32,440

service members particularly pilots who

181

00:09:39,240 --> 00:09:34,420

have reported seeing aircraft they could

182

00:09:41,699 --> 00:09:39,250

not identify or explain the sightings

183

00:09:45,030 --> 00:09:41,709

were not often reported up the

184

00:09:47,699 --> 00:09:45,040

military's chain of command mr. Reid

185

00:09:50,900 --> 00:09:47,709

said because service members were afraid

186

00:09:54,150 --> 00:09:50,910

they would be laughed at or stigmatized

187

00:09:57,060 --> 00:09:54,160

the meeting with mr. Stevens and mr. an

188

00:10:01,829 --> 00:09:57,070

yay mr. Reid said was one of the easiest

189

00:10:05,100 --> 00:10:01,839

meetings I ever had he added Ted Stevens

190

00:10:07,860 --> 00:10:05,110

said I've been waitin to do this since I

191

00:10:10,170 --> 00:10:07,870

was in the Air Force the Alaska senator

192

00:10:12,930 --> 00:10:10,180

had been a pilot in the Army's Air Force

193

00:10:17,850 --> 00:10:12,940

flying transport missions over China

194

00:10:21,449 --> 00:10:17,860

during World War two during the meeting

195

00:10:24,960 --> 00:10:21,459

mr. Reid said mr. Stevens recounted

196

00:10:27,750 --> 00:10:24,970

being tailed by a strange aircraft with

197

00:10:30,650 --> 00:10:27,760

no known origin which he said had

198

00:10:33,540 --> 00:10:30,660

followed his plane for miles

199

00:10:35,639 --> 00:10:33,550

none of the three senators wanted a

200

00:10:37,710 --> 00:10:35,649

public debate on the Senate floor about

201
00:10:42,600 --> 00:10:37,720
the funding for the program mr. Reid

202
00:10:46,530 --> 00:10:42,610
said so this was so-called black money

203
00:10:49,530 --> 00:10:46,540
he said Stevens knows about it oye knows

204
00:10:52,590 --> 00:10:49,540
about it but that was it and that's how

205
00:10:56,370 --> 00:10:52,600
we wanted it forget the people that paid

206
00:10:59,780 --> 00:10:56,380
for it mr. Reid was referring to the

207
00:11:02,870 --> 00:10:59,790
Pentagon budget for classified programs

208
00:11:05,550 --> 00:11:02,880
contracts obtained by the time show a

209
00:11:09,180 --> 00:11:05,560
congressional appropriation of just

210
00:11:13,590 --> 00:11:09,190
under 22 million dollars begin

211
00:11:15,650 --> 00:11:13,600
in late 2008 through 2211 the money was

212
00:11:18,630 --> 00:11:15,660
used for management of the program

213
00:11:22,500 --> 00:11:18,640

research and assessments of the threat

214

00:11:25,980 --> 00:11:22,510

posed by the objects the funding went to

215

00:11:30,240 --> 00:11:25,990

mr. Bigelow's company Bigelow Aerospace

216

00:11:34,710 --> 00:11:30,250

which hired subcontractors and solicited

217

00:11:37,080 --> 00:11:34,720

research for the program under mr.

218

00:11:39,810 --> 00:11:37,090

Bigelow's direction the company modified

219

00:11:42,960 --> 00:11:39,820

buildings in Las Vegas for the storage

220

00:11:46,410 --> 00:11:42,970

of metal alloys and other materials that

221

00:11:48,770 --> 00:11:46,420

mr. Elizondo and program contractors

222

00:11:51,740 --> 00:11:48,780

said had been recovered from

223

00:11:54,600 --> 00:11:51,750

unidentified aerial phenomena

224

00:11:57,390 --> 00:11:54,610

researchers also studied people who said

225

00:11:59,570 --> 00:11:57,400

they had experienced physical effects

226
00:12:02,610 --> 00:11:59,580
from encounters with the objects and

227
00:12:07,050 --> 00:12:02,620
examined them for any physiological

228
00:12:09,330 --> 00:12:07,060
changes in addition researchers spoke to

229
00:12:12,500 --> 00:12:09,340
military service members who had

230
00:12:15,540 --> 00:12:12,510
reported sightings of strange aircraft

231
00:12:18,630 --> 00:12:15,550
we're sort of in the position of what

232
00:12:22,140 --> 00:12:18,640
would happen if you gave Leonardo da

233
00:12:26,610 --> 00:12:22,150
Vinci a garage door opener said Harold

234
00:12:29,750 --> 00:12:26,620
Il put off and put off an engineer who

235
00:12:33,480 --> 00:12:29,760
has conducted research on extrasensory

236
00:12:36,600 --> 00:12:33,490
perception for the CIA and later worked

237
00:12:39,420 --> 00:12:36,610
as a contractor for the program first of

238
00:12:42,330 --> 00:12:39,430

all he tried to figure out what is this

239

00:12:44,610 --> 00:12:42,340

plastic stuff he wouldn't know anything

240

00:12:47,910 --> 00:12:44,620

about the electromagnetic signals

241

00:12:50,970 --> 00:12:47,920

involved or its function the program

242

00:12:54,360 --> 00:12:50,980

collected video and audio recordings of

243

00:12:58,650 --> 00:12:54,370

reported UFO incidents including footage

244

00:13:01,410 --> 00:12:58,660

from a navy f-18 Super Hornet showing an

245

00:13:04,490 --> 00:13:01,420

aircraft surrounded by some kind of

246

00:13:08,250 --> 00:13:04,500

glowing aura traveling at high speed and

247

00:13:10,410 --> 00:13:08,260

rotating as it moves the Navy pilots can

248

00:13:13,470 --> 00:13:10,420

be heard trying to understand what they

249

00:13:16,590 --> 00:13:13,480

are seeing they said there's a whole

250

00:13:19,079 --> 00:13:16,600

fleet of them when exclaims defense

251
00:13:22,829 --> 00:13:19,089
officials declined to release the

252
00:13:25,509 --> 00:13:22,839
location and date of the incident

253
00:13:28,449 --> 00:13:25,519
internationally we are the most backward

254
00:13:30,449 --> 00:13:28,459
country in the world on this issue mr.

255
00:13:32,530 --> 00:13:30,459
Bigalow said in an interview our

256
00:13:35,379 --> 00:13:32,540
scientists are scared of being

257
00:13:38,230 --> 00:13:35,389
ostracized and our media is scared of

258
00:13:40,569 --> 00:13:38,240
the stigma china and russia are much

259
00:13:43,290 --> 00:13:40,579
more open and work on this with huge

260
00:13:45,970 --> 00:13:43,300
organizations within their countries

261
00:13:48,369 --> 00:13:45,980
smaller countries like Belgium France

262
00:13:52,119 --> 00:13:48,379
England and South American countries

263
00:13:54,610 --> 00:13:52,129

like Chile are more open to they are

264

00:13:57,400 --> 00:13:54,620

proactive and willing to discuss this

265

00:14:02,889 --> 00:13:57,410

topic rather than being held back by a

266

00:14:05,460 --> 00:14:02,899

juvenile taboo by 2009 mr. Reid decided

267

00:14:08,290 --> 00:14:05,470

that the program had made such

268

00:14:11,160 --> 00:14:08,300

extraordinary discoveries that he argued

269

00:14:14,170 --> 00:14:11,170

for heightened security to protect it

270

00:14:16,900 --> 00:14:14,180

much progress has been made with the

271

00:14:19,600 --> 00:14:16,910

identification of several highly

272

00:14:22,720 --> 00:14:19,610

sensitive unconventional aerospace

273

00:14:26,290 --> 00:14:22,730

related findings mr. Reid said in the

274

00:14:29,259 --> 00:14:26,300

letter to William Lin the third a deputy

275

00:14:32,110 --> 00:14:29,269

defense secretary at the time requesting

276

00:14:35,650 --> 00:14:32,120

that it be designated a restricted

277

00:14:40,900 --> 00:14:35,660

special access program limited to a few

278

00:14:44,079 --> 00:14:40,910

listed officials a 2009 Pentagon

279

00:14:46,150 --> 00:14:44,089

briefing summary of the program prepared

280

00:14:48,759 --> 00:14:46,160

by its director at the time asserted

281

00:14:52,329 --> 00:14:48,769

that what was considered science fiction

282

00:14:55,299 --> 00:14:52,339

is now science fact and that the United

283

00:14:56,949 --> 00:14:55,309

States was incapable of defending itself

284

00:15:00,040 --> 00:14:56,959

against some of the technologies

285

00:15:02,650 --> 00:15:00,050

discovered mr. Reid's request for the

286

00:15:05,379 --> 00:15:02,660

special when we go out to eat we never

287

00:15:07,540 --> 00:15:05,389

agree on where to go what burgers pizza

288

00:15:09,759 --> 00:15:07,550

tacos it is the one thing we do agree on

289

00:15:13,030 --> 00:15:09,769

is we all want unlimited high-speed data

290

00:15:14,710 --> 00:15:13,040

that's why we switch to metro pcs stop

291

00:15:16,780 --> 00:15:14,720

by metro pcs with the whole family and

292

00:15:18,819 --> 00:15:16,790

get four lines with unlimited LTE data

293

00:15:20,530 --> 00:15:18,829

for just a hundred dollars period metro

294

00:15:21,760 --> 00:15:20,540

pcs Wireless figured

295

00:15:22,840 --> 00:15:21,770

Gerber's not available in some areas

296

00:15:23,800 --> 00:15:22,850

offered by reporting of number not

297

00:15:24,970 --> 00:15:23,810

currently active on t-mobile network

298

00:15:26,230 --> 00:15:24,980

during congestion the fraction of

299

00:15:27,580 --> 00:15:26,240

customers used more than 35 gigs per

300

00:15:29,350 --> 00:15:27,590

month may notice reduce beats video

301

00:15:32,110 --> 00:15:29,360

streams dr. 40 P no tethering C store

302

00:15:36,880 --> 00:15:32,120

for details in terms and conditions was

303

00:15:40,600 --> 00:15:36,890

denied mr. Elizondo in his resignation

304

00:15:43,480 --> 00:15:40,610

letter of October 4th said there was a

305

00:15:46,180 --> 00:15:43,490

need for more serious attention to the

306

00:15:49,750 --> 00:15:46,190

the many accounts from the Navy and

307

00:15:51,760 --> 00:15:49,760

other services of unusual aerial systems

308

00:15:54,970 --> 00:15:51,770

interfering with military weapon

309

00:15:58,780 --> 00:15:54,980

platforms and displaying beyond next

310

00:16:01,000 --> 00:15:58,790

generation capabilities he expressed his

311

00:16:04,090 --> 00:16:01,010

frustration with the limitations placed

312

00:16:07,210 --> 00:16:04,100

on the program telling mr. maddest at

313

00:16:10,750 --> 00:16:07,220

quote there remains a vital need to

314

00:16:13,180 --> 00:16:10,760

ascertain capability and intent of these

315

00:16:14,910 --> 00:16:13,190

phenomena for the benefit of the Armed

316

00:16:18,160 --> 00:16:14,920

Forces and the nation

317

00:16:20,260 --> 00:16:18,170

mr. Elizondo has now joined mister put

318

00:16:22,900 --> 00:16:20,270

off and another former Defense

319

00:16:26,320 --> 00:16:22,910

Department official Christopher k Mellon

320

00:16:28,990 --> 00:16:26,330

who was a deputy assistant secretary of

321

00:16:31,750 --> 00:16:29,000

defense for intelligence in a new

322

00:16:34,960 --> 00:16:31,760

commercial venture called to the stars

323

00:16:37,120 --> 00:16:34,970

Academy of Arts and Science they are

324

00:16:39,640 --> 00:16:37,130

speaking publicly about their efforts as

325

00:16:44,350 --> 00:16:39,650

their venture aims to raise money for

326

00:16:46,270 --> 00:16:44,360

research into UFOs in the interview mr.

327

00:16:48,640 --> 00:16:46,280

Elizondo said he and his government

328

00:16:50,860 --> 00:16:48,650

colleagues had determined that the

329

00:16:54,850 --> 00:16:50,870

phenomena they had studied did not seem

330

00:16:57,280 --> 00:16:54,860

to originate from any country he states

331

00:16:59,380 --> 00:16:57,290

that fact is not something any

332

00:17:02,080 --> 00:16:59,390

government or institution should

333

00:17:05,470 --> 00:17:02,090

classify in order to keep secret from

334

00:17:07,330 --> 00:17:05,480

the people he said for his part mr. Reed

335

00:17:10,600 --> 00:17:07,340

said he did not know where the objects

336

00:17:12,940 --> 00:17:10,610

had come from he says if anyone says

337

00:17:15,490 --> 00:17:12,950

they have the answers now they're

338

00:17:19,090 --> 00:17:15,500

fooling themselves he said we do not

339

00:17:27,010 --> 00:17:19,100

know but he said we have to start

340

00:17:31,660 --> 00:17:27,020

someplace now for the first time I feel

341

00:17:33,170 --> 00:17:31,670

that I need to have my UFO moment the

342

00:17:35,510 --> 00:17:33,180

Outlanders show style

343

00:17:38,510 --> 00:17:35,520

meaning I'm gonna keep it on the level

344

00:17:40,910 --> 00:17:38,520

while I address what I just read here

345

00:17:46,180 --> 00:17:40,920

and one of the interviews that I saw

346

00:17:49,720 --> 00:17:46,190

with mr. Lewis Elizondo today on CNN I

347

00:17:54,050 --> 00:17:49,730

don't know what they think of people

348

00:17:57,860 --> 00:17:54,060

like myself who have seen UFOs and other

349

00:18:02,510 --> 00:17:57,870

things and have been essentially allowed

350

00:18:05,330 --> 00:18:02,520

to sit in limbo and allow to be

351

00:18:08,030 --> 00:18:05,340

ridiculed for claiming to have a belief

352

00:18:13,640 --> 00:18:08,040

in what it is their own eyeballs have

353

00:18:18,560 --> 00:18:13,650

shown them I saw mr. Elizondo today talk

354

00:18:22,280 --> 00:18:18,570

about his opinion when it comes to

355

00:18:25,400 --> 00:18:22,290

pilots who have been trained to observe

356

00:18:26,660 --> 00:18:25,410

better than the next person millions of

357

00:18:29,900 --> 00:18:26,670

dollars have been put into their

358

00:18:32,120 --> 00:18:29,910

observational skills because of the kind

359

00:18:34,280 --> 00:18:32,130

of work that they do well my

360

00:18:39,170 --> 00:18:34,290

observational skills to be able to drive

361

00:18:42,410 --> 00:18:39,180

a car it's pretty high level and to be

362

00:18:45,400 --> 00:18:42,420

able to trust what it is that I say that

363

00:18:50,300 --> 00:18:45,410

I saw and that my senses have taken in

364

00:18:54,860 --> 00:18:50,310

but our government for so many years has

365

00:18:58,070 --> 00:18:54,870

allowed us to sit in the dark and this

366

00:19:01,370 --> 00:18:58,080

person mister Elizondo and others like

367

00:19:04,430 --> 00:19:01,380

him harry reid tried to keep it under

368

00:19:06,620 --> 00:19:04,440

wraps and worked for that as long as it

369

00:19:10,970 --> 00:19:06,630

worked as long as the funding was there

370

00:19:12,560 --> 00:19:10,980

it was ok but gosh you lost the funding

371

00:19:13,880 --> 00:19:12,570

now you want to raise more funds so you

372

00:19:16,460 --> 00:19:13,890

can start your own program

373

00:19:19,930 --> 00:19:16,470

isn't that Bigelow isn't he the guy that

374

00:19:22,700 --> 00:19:19,940

kind of owns MUFON and gets the better

375

00:19:26,030 --> 00:19:22,710

reports of UFOs and kind of keeps those

376

00:19:28,850 --> 00:19:26,040

to himself so we have this public forum

377

00:19:31,820 --> 00:19:28,860

where people funnel all their UFO

378

00:19:34,820 --> 00:19:31,830

reports into MUFON and Bigelow grabs

379

00:19:38,090 --> 00:19:34,830

them takes the good juicy ones as I've

380

00:19:40,340 --> 00:19:38,100

heard from state directors of MUFON and

381

00:19:42,140 --> 00:19:40,350

they don't get those reports it turns

382

00:19:45,260 --> 00:19:42,150

out he's working for the government to

383

00:19:46,940 --> 00:19:45,270

research this even deeper oh and he's

384

00:19:49,759 --> 00:19:46,950

buddies with Reed

385

00:19:52,129 --> 00:19:49,769

great I'm so glad that you guys have

386

00:19:54,169 --> 00:19:52,139

been finding this stuff and figuring it

387

00:19:55,399 --> 00:19:54,179

out for all these years and we know it's

388

00:19:58,009 --> 00:19:55,409

still going on and we know it's been

389

00:20:00,979 --> 00:19:58,019

going on way before but do you know how

390

00:20:04,820 --> 00:20:00,989

many people have suffered in silence or

391

00:20:08,749 --> 00:20:04,830

in public and agony do you have any idea

392

00:20:11,899 --> 00:20:08,759

what people have gone through people

393

00:20:14,149 --> 00:20:11,909

have lost families friends over what is

394

00:20:16,580 --> 00:20:14,159

this they've experienced and you allowed

395

00:20:18,289 --> 00:20:16,590

them to be put down and ridiculed and

396

00:20:21,560 --> 00:20:18,299

poo-pooed and they'll be thought to be

397

00:20:25,099 --> 00:20:21,570

nuts people go to psychiatrists only to

398

00:20:27,830 --> 00:20:25,109

find that they're had PTSD y ou had

399

00:20:31,220 --> 00:20:27,840

alien eyes they were abducted they were

400

00:20:34,419 --> 00:20:31,230

violated they had UFOs visiting their

401
00:20:39,649 --> 00:20:34,429
lands for a long time but you guys

402
00:20:42,889 --> 00:20:39,659
allowed that you sold us out we pay the

403
00:20:45,169 --> 00:20:42,899
bills this little black program millions

404
00:20:47,289 --> 00:20:45,179
of dollars put into you more than that

405
00:20:50,989 --> 00:20:47,299
has been put into it we're not stupid

406
00:20:54,349 --> 00:20:50,999
but you allowed that people have killed

407
00:20:54,830 --> 00:20:54,359
themselves do you realize that do you

408
00:20:58,149 --> 00:20:54,840
care

409
00:21:01,159 --> 00:20:58,159
I know and it's not that I think I know

410
00:21:04,070 --> 00:21:01,169
that you guys have a lot more going on

411
00:21:06,109 --> 00:21:04,080
then even what mr. Elizondo knows

412
00:21:09,849 --> 00:21:06,119
because he's like why aren't we looking

413
00:21:12,349 --> 00:21:09,859

more into this stuff well you know a

414

00:21:15,499 --> 00:21:12,359

scientist once told me who tried to sell

415

00:21:17,359 --> 00:21:15,509

something very extraordinary as far as

416

00:21:21,440 --> 00:21:17,369

being able to pull energy from the air

417

00:21:23,649 --> 00:21:21,450

to levitate items to levitate a motor

418

00:21:25,820 --> 00:21:23,659

that could levitate anything and

419

00:21:27,769 --> 00:21:25,830

presented it to the governments of the

420

00:21:29,960 --> 00:21:27,779

world and they all said no and you know

421

00:21:31,970 --> 00:21:29,970

why that is because they already had

422

00:21:36,470 --> 00:21:31,980

that and why else would they turn it

423

00:21:39,109 --> 00:21:36,480

down why else they already know mr.

424

00:21:40,669 --> 00:21:39,119

Elizondo why do you think they're not

425

00:21:42,919 --> 00:21:40,679

gonna fund it anymore

426
00:21:43,580 --> 00:21:42,929
they've got things going on behind

427
00:21:45,619 --> 00:21:43,590
closed doors

428
00:21:48,320 --> 00:21:45,629
that even you weren't allowed to know or

429
00:21:51,590 --> 00:21:48,330
mr. Reed wasn't allowed to know I have

430
00:21:54,080 --> 00:21:51,600
met many ex-military people who are

431
00:21:57,080 --> 00:21:54,090
human beings who can't handle it anymore

432
00:21:58,489 --> 00:21:57,090
that they know what they know and are

433
00:21:59,869 --> 00:21:58,499
bursting from the seams they're our

434
00:22:00,560 --> 00:21:59,879
brothers they're our sisters there are

435
00:22:04,519 --> 00:22:00,570
mothers there are

436
00:22:08,269 --> 00:22:04,529
fathers who work for the government and

437
00:22:12,590 --> 00:22:08,279
have been exposed to crazy things aliens

438
00:22:15,499 --> 00:22:12,600

UFOs they know and they can't help but

439

00:22:17,810 --> 00:22:15,509

to vent sometimes and there have been

440

00:22:21,289 --> 00:22:17,820

random and scattered over the years but

441

00:22:23,990 --> 00:22:21,299

holy smokes you guys are doing a whole

442

00:22:25,430 --> 00:22:24,000

heck of a lot and no the left hand does

443

00:22:28,879 --> 00:22:25,440

not know what the right hand is doing

444

00:22:32,869 --> 00:22:28,889

but you know what you guys sold us out

445

00:22:35,389 --> 00:22:32,879

you sold us out the things that I have

446

00:22:37,820 --> 00:22:35,399

learned and so many others have learned

447

00:22:40,100 --> 00:22:37,830

to be able to have the technologies and

448

00:22:43,279 --> 00:22:40,110

leaps ahead and and things that you're

449

00:22:46,070 --> 00:22:43,289

able to do you've allowed them to abuse

450

00:22:48,019 --> 00:22:46,080

human beings cattle mutilations is one

451
00:22:51,379 --> 00:22:48,029
thing but how about human mutilations

452
00:22:53,950 --> 00:22:51,389
I've been interrogated if I'm so wrong I

453
00:22:57,200 --> 00:22:53,960
have been interrogated by our so-called

454
00:23:00,830 --> 00:22:57,210
government of people who work for the

455
00:23:03,350 --> 00:23:00,840
government and asked what I know and how

456
00:23:06,350 --> 00:23:03,360
far do I know of something I mean I was

457
00:23:09,909 --> 00:23:06,360
a college student it I couldn't believe

458
00:23:12,919 --> 00:23:09,919
that they were looking to me for answers

459
00:23:14,779 --> 00:23:12,929
they knew and they have their hands on

460
00:23:17,240 --> 00:23:14,789
some technology to be able to take me

461
00:23:19,279 --> 00:23:17,250
the way that they did and interrogate me

462
00:23:20,600 --> 00:23:19,289
and I have met others who work for the

463
00:23:23,240 --> 00:23:20,610

government who are part of the

464

00:23:26,869 --> 00:23:23,250

interrogators who do this to people look

465

00:23:30,590 --> 00:23:26,879

up military abductions or mylabs mi l

466

00:23:35,090 --> 00:23:30,600

abs and BS is what we're talking about

467

00:23:38,240 --> 00:23:35,100

here today isn't it it has to be said I

468

00:23:40,690 --> 00:23:38,250

am so tired of you know Oh was this a

469

00:23:43,999 --> 00:23:40,700

disclosure we're looking for you know

470

00:23:47,149 --> 00:23:44,009

yay I'm glad that somebody has stepped

471

00:23:49,249 --> 00:23:47,159

forward Canada step forward Russia has

472

00:23:50,810 --> 00:23:49,259

step forward you know I've met many

473

00:23:53,509 --> 00:23:50,820

people who say oh they won't believe

474

00:23:54,710 --> 00:23:53,519

anything is real as far as UFOs and

475

00:23:56,779 --> 00:23:54,720

aliens are concerned until the

476
00:23:59,930 --> 00:23:56,789
government says so well they're saying

477
00:24:03,649 --> 00:23:59,940
so I didn't see anybody doing anything

478
00:24:06,320 --> 00:24:03,659
different today or yesterday or the day

479
00:24:08,539 --> 00:24:06,330
before it's all been the same now they

480
00:24:11,149 --> 00:24:08,549
said mass panic would hit us like we

481
00:24:13,580 --> 00:24:11,159
just can't handle the truth huh all

482
00:24:14,360 --> 00:24:13,590
right did anybody see the world go into

483
00:24:17,570 --> 00:24:14,370
panic

484
00:24:20,570 --> 00:24:17,580
no I think I mean did everybody get the

485
00:24:23,480 --> 00:24:20,580
new whose says New York Times it was on

486
00:24:25,880 --> 00:24:23,490
CNN it was on other outlets 60 minutes

487
00:24:26,960 --> 00:24:25,890
for crying out loud I think we handled

488
00:24:29,810 --> 00:24:26,970

it okay

489

00:24:32,539 --> 00:24:29,820

way to go us crazy people can't handle

490

00:24:35,120 --> 00:24:32,549

this information I've always said who's

491

00:24:39,799 --> 00:24:35,130

in the government are human beings some

492

00:24:43,640 --> 00:24:39,809

of them are not reptilians live but in

493

00:24:49,130 --> 00:24:43,650

our own government these are people who

494

00:24:52,880 --> 00:24:49,140

are exposed to UFOs aliens sightings and

495

00:24:55,070 --> 00:24:52,890

inner knowings and they are functioning

496

00:24:57,830 --> 00:24:55,080

human beings but yeah they got events

497

00:24:59,690 --> 00:24:57,840

sometimes and they tell us regular folks

498

00:25:02,659 --> 00:24:59,700

sometimes about what's going on

499

00:25:04,820 --> 00:25:02,669

so yay yay for a little dab of

500

00:25:08,210 --> 00:25:04,830

disclosure are you gonna give us the

501
00:25:11,149 --> 00:25:08,220
full story what you know do you know you

502
00:25:12,919 --> 00:25:11,159
know there's a problem out there there

503
00:25:16,669 --> 00:25:12,929
are some good aliens and there are some

504
00:25:19,610 --> 00:25:16,679
bad aliens and this is a common theme

505
00:25:23,830 --> 00:25:19,620
among a lot of people who have

506
00:25:26,870 --> 00:25:23,840
experienced abductions versus more of a

507
00:25:29,149 --> 00:25:26,880
contact and some people who have been

508
00:25:31,760 --> 00:25:29,159
abducted dart isn't feeling like gosh

509
00:25:34,970 --> 00:25:31,770
I'm special because they chose me to

510
00:25:38,659 --> 00:25:34,980
torture or to do this or that or to

511
00:25:42,080 --> 00:25:38,669
communicate with so there's a lot going

512
00:25:45,860 --> 00:25:42,090
on and the day that they finally allow

513
00:25:47,810 --> 00:25:45,870

the world heard this country alone to

514

00:25:50,630 --> 00:25:47,820

know the full scoop and how they sold us

515

00:25:53,419 --> 00:25:50,640

down the river for technology sold

516

00:25:55,519 --> 00:25:53,429

people look up missing for one one okay

517

00:25:58,490 --> 00:25:55,529

just look up those books and the

518

00:26:01,669 --> 00:25:58,500

research on so many people just going

519

00:26:04,700 --> 00:26:01,679

missing how are we missing that many

520

00:26:08,480 --> 00:26:04,710

people in the in the national parks in

521

00:26:11,750 --> 00:26:08,490

the woods it's nuts they it people go

522

00:26:13,730 --> 00:26:11,760

missing in the cities too but this is

523

00:26:16,549 --> 00:26:13,740

this is a phenomenon that needs to be

524

00:26:18,620 --> 00:26:16,559

addressed and it needs to be accounted

525

00:26:22,789 --> 00:26:18,630

for but our government knows very well

526

00:26:25,039 --> 00:26:22,799

there is a secret war going on already

527

00:26:26,810 --> 00:26:25,049

and it's just getting closer so they

528

00:26:28,070 --> 00:26:26,820

feel like okay we can do a little okay

529

00:26:29,690 --> 00:26:28,080

Louie Louie

530

00:26:31,880 --> 00:26:29,700

Elizondo you're gonna take a step

531

00:26:34,490 --> 00:26:31,890

forward and you're gonna say I'd

532

00:26:36,980 --> 00:26:34,500

resigned because of this and I need to

533

00:26:39,250 --> 00:26:36,990

vent and I need money to continue to do

534

00:26:41,720 --> 00:26:39,260

my research because nobody's doing it

535

00:26:44,810 --> 00:26:41,730

they're feeding us little chunks that

536

00:26:47,899 --> 00:26:44,820

yay for it here and I'm clapping with

537

00:26:49,759 --> 00:26:47,909

with just a couple fingers when you get

538

00:26:52,820 --> 00:26:49,769

a full applause for me is when you

539

00:26:55,370 --> 00:26:52,830

really just like drop the charades and

540

00:26:58,549 --> 00:26:55,380

get down to the nitty-gritty and be like

541

00:27:02,000 --> 00:26:58,559

look people are right we suck at this

542

00:27:04,820 --> 00:27:02,010

and we really want to get our hands on

543

00:27:06,500 --> 00:27:04,830

some cool toys and we just said hey

544

00:27:09,200 --> 00:27:06,510

we'll give you up I don't know five

545

00:27:11,480 --> 00:27:09,210

thousand people tenth up how many people

546

00:27:14,419 --> 00:27:11,490

you wants a week of fly ships to any

547

00:27:17,180 --> 00:27:14,429

place that we want to go and they are

548

00:27:17,930 --> 00:27:17,190

doing it space program that is not a

549

00:27:25,970 --> 00:27:17,940

joke

550

00:27:27,769 --> 00:27:25,980

me on that one and they're there

551

00:27:30,500 --> 00:27:27,779

checking things out they're out there

552

00:27:34,100 --> 00:27:30,510

already there fiddling around with this

553

00:27:36,620 --> 00:27:34,110

this little disclosure and they have the

554

00:27:39,830 --> 00:27:36,630

bigger picture they're buddies with some

555

00:27:43,370 --> 00:27:39,840

beings that are not not our friends they

556

00:27:46,759 --> 00:27:43,380

are not and I'm really I'm honestly I'm

557

00:27:49,430 --> 00:27:46,769

fed up I'm fed up it's I'm glad that

558

00:27:52,430 --> 00:27:49,440

they took a step forward for the other

559

00:27:54,440 --> 00:27:52,440

people who are not in the know but know

560

00:27:56,149 --> 00:27:54,450

this there's a lot of us who are in the

561

00:27:58,610 --> 00:27:56,159

know and when you're ready to ask

562

00:28:00,139 --> 00:27:58,620

questions look for us we're the ones

563

00:28:02,480 --> 00:28:00,149

that you're pointing at making fun of

564

00:28:04,519 --> 00:28:02,490

her I don't know how many years for

565

00:28:06,680 --> 00:28:04,529

anything that we said that we saw or

566

00:28:09,529 --> 00:28:06,690

that we experienced but you know what I

567

00:28:11,110 --> 00:28:09,539

have to give it to this country and the

568

00:28:14,779 --> 00:28:11,120

people in it

569

00:28:16,720 --> 00:28:14,789

people have been perking up and opening

570

00:28:19,490 --> 00:28:16,730

up their eyes and ears and in

571

00:28:22,580 --> 00:28:19,500

questioning gosh there must be something

572

00:28:24,940 --> 00:28:22,590

else out there yes there is and it's

573

00:28:27,470 --> 00:28:24,950

been visiting us for a very long time

574

00:28:30,139 --> 00:28:27,480

luckily I'm not a person who's ever been

575

00:28:33,259 --> 00:28:30,149

abducted but I have seen things that are

576

00:28:37,370 --> 00:28:33,269

not from this planet just to keep it

577

00:28:40,460 --> 00:28:37,380

real why be afraid to say these our

578

00:28:41,840 --> 00:28:40,470

spacecraft this Elizondo guys like let's

579

00:28:43,909 --> 00:28:41,850

just call them

580

00:28:46,430 --> 00:28:43,919

aircraft I'm like dude if they're going

581

00:28:49,539 --> 00:28:46,440

into space it's called a spacecraft just

582

00:28:50,900 --> 00:28:49,549

call it for what it is why be afraid

583

00:28:53,990 --> 00:28:50,910

UFOs

584

00:28:55,549 --> 00:28:54,000

spacecraft aliens they're not from any

585

00:28:56,390 --> 00:28:55,559

other country that's because they're not

586

00:28:59,720 --> 00:28:56,400

from here

587

00:29:02,720 --> 00:28:59,730

let's just call it for what it is don't

588

00:29:05,240 --> 00:29:02,730

be ashamed that is one thing that I

589

00:29:07,850 --> 00:29:05,250

always ask people to do is to take a

590

00:29:10,940 --> 00:29:07,860

paranormal pledge I have paranormal

591

00:29:13,220 --> 00:29:10,950

pledge calm even check it out where

592

00:29:14,990 --> 00:29:13,230

people take the time to share their

593

00:29:16,640 --> 00:29:15,000

story with the next person so they know

594

00:29:18,529 --> 00:29:16,650

that you're somebody to go to to ask

595

00:29:21,370 --> 00:29:18,539

questions when things get weird or

596

00:29:24,110 --> 00:29:21,380

things get rough when the aliens come

597

00:29:27,289 --> 00:29:24,120

who knows if they're gonna come in a big

598

00:29:31,250 --> 00:29:27,299

invasion but I think they will at some

599

00:29:36,169 --> 00:29:31,260

point why what something's going on and

600

00:29:37,850 --> 00:29:36,179

I also I have to say too something that

601
00:29:40,580 --> 00:29:37,860
I've been working on for a very long

602
00:29:42,049 --> 00:29:40,590
time trying to disclose the clash

603
00:29:45,770 --> 00:29:42,059
between the different beings out there

604
00:29:47,510 --> 00:29:45,780
my first book the secret war go to Heidi

605
00:29:50,539 --> 00:29:47,520
Hollis comm check it out what I'm

606
00:29:54,500 --> 00:29:50,549
talking about but it's a real phenomenon

607
00:29:56,810 --> 00:29:54,510
it's a real thing people know it more

608
00:29:58,520 --> 00:29:56,820
people believe in UFOs than God somebody

609
00:30:02,060 --> 00:29:58,530
sent me an article once on that I'm like

610
00:30:03,770 --> 00:30:02,070
what we're doing something wrong then we

611
00:30:06,500 --> 00:30:03,780
need our face people because these

612
00:30:09,980 --> 00:30:06,510
things these beings are able to walk

613
00:30:11,750 --> 00:30:09,990

through a wall for a reason because they

614

00:30:14,690 --> 00:30:11,760

understand matters of the soul better

615

00:30:16,669 --> 00:30:14,700

than we do and if that's true and they

616

00:30:18,470 --> 00:30:16,679

know I haven't manipulate us and they

617

00:30:21,620 --> 00:30:18,480

know how to paralyze us with a thought

618

00:30:23,240 --> 00:30:21,630

or a look we've got a problem because we

619

00:30:25,610 --> 00:30:23,250

don't have control over our own Souls

620

00:30:30,260 --> 00:30:25,620

and our own thoughts and there's a

621

00:30:32,270 --> 00:30:30,270

positive light out there called God not

622

00:30:35,539 --> 00:30:32,280

afraid to say when we go out to eat we

623

00:30:37,700 --> 00:30:35,549

never agree on where to go burgers pizza

624

00:30:39,890 --> 00:30:37,710

tacos it is the one thing we do agree on

625

00:30:43,159 --> 00:30:39,900

is we all want unlimited high-speed data

626
00:30:44,840 --> 00:30:43,169
that's why we switch to metro pcs stop

627
00:30:46,940 --> 00:30:44,850
by metro pcs with the whole family and

628
00:30:48,830 --> 00:30:46,950
get four lines with unlimited LTE data

629
00:30:49,619 --> 00:30:48,840
for just a hundred dollars period but

630
00:30:51,210 --> 00:30:49,629
your

631
00:30:52,320 --> 00:30:51,220
Wireless figured out covers not

632
00:30:53,519 --> 00:30:52,330
available in some areas offers for our

633
00:30:54,779 --> 00:30:53,529
port number not currently active on

634
00:30:56,070 --> 00:30:54,789
t-mobile network during congestion the

635
00:30:57,419 --> 00:30:56,080
fraction of customers used more than 35

636
00:30:59,310 --> 00:30:57,429
gigs per month may notice reduce beats

637
00:31:00,239 --> 00:30:59,320
video stream step 240p no tethering C

638
00:31:03,899 --> 00:31:00,249

store for details in terms and

639

00:31:05,850 --> 00:31:03,909

conditions that either and they are

640

00:31:08,340 --> 00:31:05,860

afraid to hear such words

641

00:31:10,440 --> 00:31:08,350

why would so-called alien beings be

642

00:31:14,730 --> 00:31:10,450

afraid to hear the name of Jesus and God

643

00:31:17,669 --> 00:31:14,740

tell me anyways this is a special

644

00:31:19,619 --> 00:31:17,679

edition of UFO headline news and I want

645

00:31:21,450 --> 00:31:19,629

to thank you for listening with me and

646

00:31:24,810 --> 00:31:21,460

be sure to check out UFO headline news

647

00:31:27,080 --> 00:31:24,820

com every single day and also turn into

648

00:31:30,239 --> 00:31:27,090

my other weekly show the Outlander

649

00:31:32,700 --> 00:31:30,249

Friday's 9 p.m. Eastern a p.m. central

650

00:31:35,129 --> 00:31:32,710

and catch my paranormal comic the

651

00:31:38,909 --> 00:31:35,139

Outlanders you can find that at the

652

00:31:42,720 --> 00:31:38,919

Outlanders comic calm and you could also

653

00:31:46,499 --> 00:31:42,730

go to Heidi Hollis calm and inception

654

00:31:48,869 --> 00:31:46,509

radio network calm this has been special

655

00:31:52,019 --> 00:31:48,879

I tell you remember always to keep an

656

00:32:10,499 --> 00:31:52,029

open mind so you can stay informed and

657

00:32:13,799 --> 00:32:10,509

inspired when we go out to eat we never

658

00:32:15,960 --> 00:32:13,809

agree on where to go burgers Itza tacos

659

00:32:17,639 --> 00:32:15,970

it is the one thing we do agree on is we

660

00:32:20,879 --> 00:32:17,649

all want unlimited high-speed data

661

00:32:22,560 --> 00:32:20,889

that's why we switch to metro pcs stop

662

00:32:24,659 --> 00:32:22,570

by metro pcs with the whole family and

663

00:32:27,779 --> 00:32:24,669

get four lines with unlimited LTE data

664

00:32:29,399 --> 00:32:27,789

for just \$100 . metro pcs wireless

665

00:32:30,690 --> 00:32:29,409

figured out covers not available in some

666

00:32:31,649 --> 00:32:30,700

areas offers for reporting of number not

667

00:32:32,850 --> 00:32:31,659

currently active on t-mobile network

668

00:32:34,080 --> 00:32:32,860

during congestion the fraction of

669

00:32:35,460 --> 00:32:34,090

customers used more than 35 gigs per

670

00:32:37,200 --> 00:32:35,470

month may notice reduce beats video
