## Supernatural Girlz

Guest: George Lugo

1  
00:00:30,730 --> 00:00:28,750  
archangels ghosts and Bigfoot oh my it's

2  
00:00:34,119 --> 00:00:30,740  
just another night for Supernatural

3  
00:00:36,280 --> 00:00:34,129  
girls real stories real answers to

4  
00:00:38,650 --> 00:00:36,290  
life's biggest supernatural mysteries

5  
00:00:41,530 --> 00:00:38,660  
and now for another exciting interview

6  
00:00:44,290 --> 00:00:41,540  
with Errol experts in this world and

7  
00:00:47,319 --> 00:00:44,300  
others here's your host paranormal

8  
00:00:47,650 --> 00:00:47,329  
researcher Patricia Baker on the one the

9  
00:01:06,670 --> 00:00:47,660  
only

10  
00:01:09,170 --> 00:01:06,680  
[Music]

11  
00:01:11,960 --> 00:01:09,180  
welcome everyone to another exciting

12  
00:01:15,230 --> 00:01:11,970  
episode of Supernatural girls radio

13  
00:01:17,960 --> 00:01:15,240

I'm your host Patricia Baker and I am

14

00:01:20,450 --> 00:01:17,970

here with my co-host all the way from

15

00:01:23,210 --> 00:01:20,460

Tucson Patricia Kirkman pique how are

16

00:01:24,499 --> 00:01:23,220

you tonight absolutely fabulous I can't

17

00:01:27,020 --> 00:01:24,509

wait for the show tonight

18

00:01:31,430 --> 00:01:27,030

this is gonna be I think our most

19

00:01:33,410 --> 00:01:31,440

exciting show of the year well it will

20

00:01:36,260 --> 00:01:33,420

be good friends old friends get together

21

00:01:37,820 --> 00:01:36,270

and harass each other the information

22

00:01:41,150 --> 00:01:37,830

we're gonna wring every bit of

23

00:01:45,050 --> 00:01:41,160

information out of him we are we have

24

00:01:47,779 --> 00:01:45,060

the best of the best tonight we have in

25

00:01:51,169 --> 00:01:47,789

our opinion the top psychic medium in

26

00:01:52,790 --> 00:01:51,179

the world this evening is going to be

27

00:01:56,480 --> 00:01:52,800

earth-shattering for everybody listening

28

00:01:58,609 --> 00:01:56,490

we have with us george lugo he is a dear

29

00:02:01,249 --> 00:01:58,619

friend of ours we have the utmost

30

00:02:04,219 --> 00:02:01,259

respect for him he is tremendously

31

00:02:07,100 --> 00:02:04,229

talented and he has read for people all

32

00:02:09,770 --> 00:02:07,110

over the world and tonight we're going

33

00:02:12,440 --> 00:02:09,780

to hear what he's been up to who he's

34

00:02:14,570 --> 00:02:12,450

been talking to and the adventures he

35

00:02:17,750 --> 00:02:14,580

has had on the other side and we are

36

00:02:20,119 --> 00:02:17,760

also going to ask him about what he

37

00:02:22,729 --> 00:02:20,129

picks up on regarding this soft

38

00:02:25,130 --> 00:02:22,739

disclosure that's been going on because

39

00:02:27,260 --> 00:02:25,140

we've been discussing us now for weeks

40

00:02:29,900 --> 00:02:27,270

trying to get to the bottom of why now

41

00:02:34,010 --> 00:02:29,910

why are they throwing this stuff at us

42

00:02:35,780 --> 00:02:34,020

in this time and on these days what for

43

00:02:40,309 --> 00:02:35,790

so we're going to get to a lot of stuff

44

00:02:43,070 --> 00:02:40,319

tonight misting people also we're going

45

00:02:44,690 --> 00:02:43,080

to talk about that and we will be happy

46

00:02:46,369 --> 00:02:44,700

to take your questions in the chat room

47

00:02:49,309 --> 00:02:46,379

now George is not going to do any live

48

00:02:51,080 --> 00:02:49,319

readings but you can reach him for live

49

00:02:54,050 --> 00:02:51,090

readings for your own personal and

50

00:02:57,949 --> 00:02:54,060

private reading at Crystal Gate readings

51  
00:03:00,140 --> 00:02:57,959  
dot-com and still we got to start with

52  
00:03:03,500 --> 00:03:00,150  
the numbers though right PK what's going

53  
00:03:04,940 --> 00:03:03,510  
on well we know firstly that this is a

54  
00:03:07,429 --> 00:03:04,950  
month where a lot of people are very

55  
00:03:10,339 --> 00:03:07,439  
uptight a lot of angers going on and

56  
00:03:11,869 --> 00:03:10,349  
going around and today people are trying

57  
00:03:12,640 --> 00:03:11,879  
to make everything perfect it does that

58  
00:03:14,740 --> 00:03:12,650  
have

59  
00:03:16,959 --> 00:03:14,750  
we're getting a little opportunity to

60  
00:03:19,559 --> 00:03:16,969  
see what's taking place around us

61  
00:03:22,869 --> 00:03:19,569  
but it nothing seems like it's fitting

62  
00:03:27,190 --> 00:03:22,879  
we're taking a look at what's coming up

63  
00:03:29,020 --> 00:03:27,200

because information is coming we find

64

00:03:30,819 --> 00:03:29,030

that the rejig raid will be over in

65

00:03:32,440 --> 00:03:30,829

another club within the next few days

66

00:03:36,309 --> 00:03:32,450

which will be good because everything

67

00:03:37,589 --> 00:03:36,319

any indication has been crappy I guess

68

00:03:39,910 --> 00:03:37,599

that's the nicest way I can put it

69

00:03:42,399 --> 00:03:39,920

people have been having between

70

00:03:45,369 --> 00:03:42,409

breakdowns of communication and of all

71

00:03:48,220 --> 00:03:45,379

forms everything from computers to you

72

00:03:49,990 --> 00:03:48,230

name it cars everything and we forget

73

00:03:52,390 --> 00:03:50,000

that cars have computer chips in them

74

00:03:54,490 --> 00:03:52,400

now so we're having more people having

75

00:03:56,379 --> 00:03:54,500

problems with that and I had somebody

76

00:03:59,170 --> 00:03:56,389

said well I just bought a new car and I

77

00:04:01,119 --> 00:03:59,180

said take it back it's not gonna it's at

78

00:04:02,800 --> 00:04:01,129

what let me see and I said I'll look up

79

00:04:04,690 --> 00:04:02,810

and I said you're not only if you're

80

00:04:08,319 --> 00:04:04,700

born in a retrograde your things go well

81

00:04:10,599 --> 00:04:08,329

for you uh-uh right the car baths so

82

00:04:12,190 --> 00:04:10,609

she's making it back because there's no

83

00:04:14,050 --> 00:04:12,200

way it's not gonna give her problems

84

00:04:16,659 --> 00:04:14,060

especially with the year personal year

85

00:04:18,180 --> 00:04:16,669

she's in on top of it in a nine year you

86

00:04:19,479 --> 00:04:18,190

don't go out and buy a brand new car

87

00:04:21,610 --> 00:04:19,489

uh-oh

88

00:04:23,950 --> 00:04:21,620

so two more days and we'll pretty much

89

00:04:26,500 --> 00:04:23,960

have this behind us which is a great

90

00:04:27,550 --> 00:04:26,510

thing we'll think about the shadow period

91

00:04:29,710 --> 00:04:27,560

there's gonna be that little bit of

92

00:04:31,960 --> 00:04:29,720

dusting and cleaning in between so

93

00:04:35,439 --> 00:04:31,970

that's not bad right it's the

94

00:04:37,089 --> 00:04:35,449

information that's coming January is

95

00:04:39,670 --> 00:04:37,099

going to deal with a lot of creativity

96

00:04:41,770 --> 00:04:39,680

but communications of all forms are

97

00:04:44,290 --> 00:04:41,780

going to be thrown at us and it's going

98

00:04:46,719 --> 00:04:44,300

to start actually just about it sometime

99

00:04:48,700 --> 00:04:46,729

after the 25th it's gonna start

100

00:04:51,040 --> 00:04:48,710

tiptoeing out and then there's gonna be

101  
00:04:52,689 --> 00:04:51,050  
stuff brought out to us that everybody's

102  
00:04:55,029 --> 00:04:52,699  
been saying it's coming but we don't

103  
00:04:57,310 --> 00:04:55,039  
want to listen or the government says oh

104  
00:05:00,219 --> 00:04:57,320  
let's pretend it didn't happen it's

105  
00:05:03,010 --> 00:05:00,229  
happening well it is because they're

106  
00:05:05,310 --> 00:05:03,020  
letting things out very slowly but they

107  
00:05:07,600 --> 00:05:05,320  
are bringing some bigger stories out in

108  
00:05:09,310 --> 00:05:07,610  
mainstream media in the New York Times

109  
00:05:12,100 --> 00:05:09,320  
they're letting one of their Colonels

110  
00:05:14,860 --> 00:05:12,110  
talk about their their sighting of the

111  
00:05:16,089 --> 00:05:14,870  
UFO right while he was flying I mean

112  
00:05:17,830 --> 00:05:16,099  
there are more and more stories coming

113  
00:05:21,310 --> 00:05:17,840

out but only because they're allowing it

114

00:05:25,300 --> 00:05:21,320

the question is why why now after all

115

00:05:27,220 --> 00:05:25,310

this time of beating up on abductees and

116

00:05:28,510 --> 00:05:27,230

trying to make them look stupid and all

117

00:05:31,720 --> 00:05:28,520

these people that have spotted these

118

00:05:33,250 --> 00:05:31,730

things in the skies why now so we're

119

00:05:35,710 --> 00:05:33,260

going to talk to George about that word

120

00:05:38,160 --> 00:05:35,720

and get all of his insight but I just

121

00:05:41,350 --> 00:05:38,170

want to also talk a little bit about

122

00:05:43,330 --> 00:05:41,360

some of the things that we have on our

123

00:05:46,990 --> 00:05:43,340

website so if you guys are looking for

124

00:05:49,930 --> 00:05:47,000

books we have the Opus mega Kabbalistic

125

00:05:53,200 --> 00:05:49,940

um which is an English translation the

126

00:05:56,770 --> 00:05:53,210

only English English translation of the

127

00:05:59,710 --> 00:05:56,780

very old Theosophical book and that's

128

00:06:03,160 --> 00:05:59,720

been this is a book that LAN Duquette

129

00:06:06,430 --> 00:06:03,170

found in this library that he said was

130

00:06:08,440 --> 00:06:06,440

like the Harry Potter Hogwarts library

131

00:06:09,910 --> 00:06:08,450

in a place hidden away from the world

132

00:06:11,830 --> 00:06:09,920

nobody even knows how to get to this

133

00:06:14,140 --> 00:06:11,840

place except they blindfolded LAN and

134

00:06:16,330 --> 00:06:14,150

took him there and this book was there

135

00:06:18,160 --> 00:06:16,340

we have it for sale on our website you

136

00:06:20,620 --> 00:06:18,170

can buy an Amazon actually and it is

137

00:06:24,400 --> 00:06:20,630

again called the Opus mego Kabbalistic

138

00:06:27,580 --> 00:06:24,410

um now I hate to bring this subject up

139

00:06:29,470 --> 00:06:27,590

but property taxes right around the

140

00:06:32,860 --> 00:06:29,480

corner they're studying their values

141

00:06:35,290 --> 00:06:32,870

their rates they no see it's a terrible

142

00:06:37,390 --> 00:06:35,300

thing but it's a system we're stuck with

143

00:06:39,100 --> 00:06:37,400

but there's a great book we have also on

144

00:06:41,380 --> 00:06:39,110

our website called are you getting

145

00:06:45,010 --> 00:06:41,390

screwed on your property taxes how to

146

00:06:47,140 --> 00:06:45,020

find it out and how to fix it so great

147

00:06:49,360 --> 00:06:47,150

Christmas present for anybody who owns

148

00:06:51,040 --> 00:06:49,370

property you really need to check your

149

00:06:53,080 --> 00:06:51,050

property record card do you even know

150

00:06:55,360 --> 00:06:53,090

how to read it or how to find it this

151  
00:06:57,040 --> 00:06:55,370  
book would tell you how so you have lots

152  
00:06:59,830 --> 00:06:57,050  
of other things and on the website

153  
00:07:02,170 --> 00:06:59,840  
including a new sponsor yes this is what

154  
00:07:05,680 --> 00:07:02,180  
keeps us on the air we have a straighten

155  
00:07:08,980 --> 00:07:05,690  
they are a wonderful cosmetic company

156  
00:07:11,950 --> 00:07:08,990  
they provide skin treatment that is out

157  
00:07:14,410 --> 00:07:11,960  
literally supernatural it's out of this

158  
00:07:16,570 --> 00:07:14,420  
world it does things no other skin cream

159  
00:07:18,730 --> 00:07:16,580  
can do and it's on sale right now so you

160  
00:07:22,030 --> 00:07:18,740  
can find that on our home page you can

161  
00:07:23,380 --> 00:07:22,040  
go and visit their home page and see if

162  
00:07:24,910 --> 00:07:23,390  
you want to try some of their products

163  
00:07:26,470 --> 00:07:24,920

they are highly recommended they're

164

00:07:28,030 --> 00:07:26,480

excellent I can't even tell you all the

165

00:07:30,520 --> 00:07:28,040

great things they do because the FDA

166

00:07:32,140 --> 00:07:30,530

would come in and give me a hard time so

167

00:07:34,840 --> 00:07:32,150

I'm just gonna tell you it's the best

168

00:07:38,890 --> 00:07:34,850

product line I've ever found and believe

169

00:07:42,820 --> 00:07:38,900

me I tried a lot of them so the

170

00:07:46,930 --> 00:07:42,830

it is a stridden a STR I dia n it's on

171

00:07:50,020 --> 00:07:46,940

our homepage okay well we're gonna get

172

00:07:52,540 --> 00:07:50,030

started here with our tremendous gas and

173

00:07:55,510 --> 00:07:52,550

we're so excited to have him here

174

00:07:57,610 --> 00:07:55,520

because like we said this guy he is the

175

00:08:00,249 --> 00:07:57,620

best of the best we love all the psychic

176

00:08:01,689 --> 00:08:00,259

mediums we've had on our show and we

177

00:08:04,270 --> 00:08:01,699

have the deepest respect for them but

178

00:08:06,610 --> 00:08:04,280

George stands alone I mean he is just

179

00:08:08,249 --> 00:08:06,620

there's nobody else like him so we're

180

00:08:11,439 --> 00:08:08,259

lucky enough to have him with us tonight

181

00:08:24,670 --> 00:08:11,449

george lugo welcome to the show thank

182

00:08:27,850 --> 00:08:24,680

you wow what an introduction boy thank

183

00:08:29,740 --> 00:08:27,860

you so tell us a little bit let's get

184

00:08:31,629 --> 00:08:29,750

started we know you've had a lifelong

185

00:08:35,199 --> 00:08:31,639

experience with us you were basically

186

00:08:37,870 --> 00:08:35,209

born into this world of the psychic

187

00:08:41,350 --> 00:08:37,880

medium and you've also had your own UFO

188

00:08:43,959 --> 00:08:41,360

experiences so tell us in what order

189

00:08:45,699 --> 00:08:43,969

this started in your life well the

190

00:08:46,090 --> 00:08:45,709

mediumship started right before I was

191

00:08:48,730 --> 00:08:46,100

born

192

00:08:51,550 --> 00:08:48,740

that's when it started remember those

193

00:08:53,320 --> 00:08:51,560

and number that time before I was born

194

00:08:56,019 --> 00:08:53,330

just before I was born is when I had my

195

00:08:58,390 --> 00:08:56,029

first experience and then after that you

196

00:08:59,829 --> 00:08:58,400

know just I remember being born I

197

00:09:00,940 --> 00:08:59,839

remember all of that and we were growing

198

00:09:03,220 --> 00:09:00,950

up with it

199

00:09:04,810 --> 00:09:03,230

there was no vocabulary for it so it was

200

00:09:06,460 --> 00:09:04,820

kind of frightening in the beginning I

201

00:09:10,060 --> 00:09:06,470

didn't know what to call it

202

00:09:11,890 --> 00:09:10,070

I all these visitations and you know

203

00:09:13,930 --> 00:09:11,900

from souls and spirits I could see them

204

00:09:16,090 --> 00:09:13,940

all over the place you know just

205

00:09:17,860 --> 00:09:16,100

everywhere and I was terrified in the

206

00:09:20,050 --> 00:09:17,870

beginning then I finally learned that I

207

00:09:22,720 --> 00:09:20,060

was there to help them and the people

208

00:09:24,550 --> 00:09:22,730

that they were attached to so I started

209

00:09:27,150 --> 00:09:24,560

doing it and I was a professional

210

00:09:29,980 --> 00:09:27,160

musician traveled the world seven times

211

00:09:32,199 --> 00:09:29,990

and in those travels and met lots of

212

00:09:33,780 --> 00:09:32,209

people that are of like mine like heart

213

00:09:36,160 --> 00:09:33,790

even though there was a language barrier

214

00:09:37,630 --> 00:09:36,170

somehow we were able to speak to each

215

00:09:39,970 --> 00:09:37,640

other these are real people I'm talking

216

00:09:42,880 --> 00:09:39,980

about hold him in from like in the

217

00:09:45,490 --> 00:09:42,890

months from Japan and aberrated

218

00:09:48,970 --> 00:09:45,500

Aborigines from Australia and the Native

219

00:09:51,699 --> 00:09:48,980

Americans from here just for some reason

220

00:09:52,519 --> 00:09:51,709

I've always been attracted or they're

221

00:09:53,720 --> 00:09:52,529

attracted to me

222

00:09:56,689 --> 00:09:53,730

they come to me because they can't speak

223

00:09:58,579 --> 00:09:56,699

their language but yet we have this so

224

00:10:00,590 --> 00:09:58,589

the telepathic way of speaking with each

225

00:10:02,360 --> 00:10:00,600

other and knowing all these things and

226

00:10:03,850 --> 00:10:02,370

they've been a big help to help me

227

00:10:07,879 --> 00:10:03,860

understand what it is I'm going through

228

00:10:10,069 --> 00:10:07,889

and yeah now where did the UFO

229

00:10:13,189 --> 00:10:10,079

experiences start as far as you can

230

00:10:15,230 --> 00:10:13,199

recall when I was very young man I must

231

00:10:18,530 --> 00:10:15,240

have been kindergarten and that's and I

232

00:10:20,179 --> 00:10:18,540

remember a couple of things I I'm not

233

00:10:23,179 --> 00:10:20,189

sure about it well I think I was

234

00:10:25,759 --> 00:10:23,189

abducted once for sure but visited by

235

00:10:27,980 --> 00:10:25,769

them yeah for sure I know I was and back

236

00:10:29,059 --> 00:10:27,990

then there wasn't any vocabulary or you

237

00:10:33,049 --> 00:10:29,069

know a little green men and all that

238

00:10:37,069 --> 00:10:33,059

stuff but yeah I've had a brushes with

239

00:10:39,889 --> 00:10:37,079

them definitely at one time you were

240

00:10:43,249 --> 00:10:39,899

taken with other children right yeah

241

00:10:45,319 --> 00:10:43,259

yeah there was a time in junior high

242

00:10:46,879 --> 00:10:45,329

school and this friend of mine said hey

243

00:10:50,540 --> 00:10:46,889

let's go fishing I know a great place to

244

00:10:52,009 --> 00:10:50,550

go so I went with him and I used to live

245

00:10:54,350 --> 00:10:52,019

out in the San Joaquin Valley in

246

00:10:57,259 --> 00:10:54,360

California and you know gigantic

247

00:11:00,319 --> 00:10:57,269

agricultural area so these fields are

248

00:11:01,730 --> 00:11:00,329

huge like oceans anyway we're driving

249

00:11:04,189 --> 00:11:01,740

out there and there was this clump of

250

00:11:07,069 --> 00:11:04,199

trees in the distance so we drove there

251

00:11:08,179 --> 00:11:07,079

it was almost sundown and we pull up and

252

00:11:10,790 --> 00:11:08,189

it's about three or four of the cars

253

00:11:12,559 --> 00:11:10,800

kind of tucked by the trees and this

254

00:11:14,660 --> 00:11:12,569

river that ran underneath those trees

255

00:11:17,900 --> 00:11:14,670

and that was a good fishing hole so

256

00:11:20,509 --> 00:11:17,910

we're sitting in this car and we're

257

00:11:22,579 --> 00:11:20,519

facing the west and the sun's just over

258

00:11:24,170 --> 00:11:22,589

the horizon so the so there's still

259

00:11:27,350 --> 00:11:24,180

lighting this guy but that sun's down

260

00:11:29,960 --> 00:11:27,360

and we see this orange ball coming out

261

00:11:31,910 --> 00:11:29,970

of the south and it's heading north and

262

00:11:36,199 --> 00:11:31,920

we both saw it I said look at that what

263

00:11:37,639 --> 00:11:36,209

is that and and I said I don't know so

264

00:11:39,829 --> 00:11:37,649

he thought when he got in front of the

265

00:11:42,470 --> 00:11:39,839

car I mean it was you know maybe a

266

00:11:44,929 --> 00:11:42,480

hundred miles away or so he flashed his

267

00:11:48,079 --> 00:11:44,939

lights out from his car and the in this

268

00:11:50,600 --> 00:11:48,089

round orange thing just stopped and did

269

00:11:52,819 --> 00:11:50,610

it started getting larger and larger and

270

00:11:55,160 --> 00:11:52,829

larger and all of a sudden I noticed

271

00:11:57,439 --> 00:11:55,170

that the trees around where the cars

272

00:11:59,900 --> 00:11:57,449

were parked were shimmering in this kind

273

00:12:01,639 --> 00:11:59,910

of orange shine and the guys that were

274

00:12:03,769 --> 00:12:01,649

underneath the trees were going what is

275

00:12:04,840 --> 00:12:03,779

that what is that and the next thing I

276

00:12:08,860 --> 00:12:04,850

remember

277

00:12:11,220 --> 00:12:08,870

we are all about 30 miles away walking

278

00:12:13,900 --> 00:12:11,230

single file in the foothills on a

279

00:12:16,240 --> 00:12:13,910

moonless night and I remember kind of

280

00:12:18,009 --> 00:12:16,250

like coming to because I can hear the

281

00:12:19,840 --> 00:12:18,019

crunching of the gravel the guy in front

282

00:12:22,480 --> 00:12:19,850

of me and the guy behind me and we were

283

00:12:25,540 --> 00:12:22,490

just all in single file and just walking

284

00:12:28,090 --> 00:12:25,550

in the middle of nowhere and this pickup

285

00:12:29,769 --> 00:12:28,100

truck pulls up and he says what are you

286

00:12:33,639 --> 00:12:29,779

guys doing out here he had a gun with

287

00:12:36,519 --> 00:12:33,649

him and the the guy that was leaving a

288

00:12:39,129 --> 00:12:36,529

party about seven of us the first guy in

289

00:12:41,680 --> 00:12:39,139

line he stopped he says we're going home

290

00:12:43,120 --> 00:12:41,690

it's all I remember him saying and he

291

00:12:44,920 --> 00:12:43,130

says well getting him back at the truck

292

00:12:46,210 --> 00:12:44,930

so we all got in the back of the truck

293

00:12:48,970 --> 00:12:46,220

and he took us down to our hometown

294

00:12:52,569 --> 00:12:48,980

which was I don't know a long ways away

295

00:12:55,180 --> 00:12:52,579

and after that we never spoke to each

296

00:12:56,740 --> 00:12:55,190

other again these boys and us we even

297

00:12:59,860 --> 00:12:56,750

the guy that I went with he ended up

298

00:13:02,230 --> 00:12:59,870

dying like a year later and now and some

299

00:13:03,970 --> 00:13:02,240

of the other guys died too but none of

300

00:13:05,199 --> 00:13:03,980

us talked about it we need to

301  
00:13:06,639 --> 00:13:05,209  
acknowledge each other like they weren't

302  
00:13:08,519 --> 00:13:06,649  
even friends anymore you just totally

303  
00:13:12,429 --> 00:13:08,529  
avoided each other I thought that was

304  
00:13:14,980 --> 00:13:12,439  
really strange that I had something in

305  
00:13:18,879 --> 00:13:14,990  
the back of my neck behind my right ear

306  
00:13:23,139 --> 00:13:18,889  
in the lobe where the bone is I felt a

307  
00:13:24,730 --> 00:13:23,149  
little something there so I I didn't

308  
00:13:26,740 --> 00:13:24,740  
know what it was at first and I later I

309  
00:13:28,749 --> 00:13:26,750  
learned that it's probably an implant of

310  
00:13:31,059 --> 00:13:28,759  
some sort because if there was a buzzing

311  
00:13:33,910 --> 00:13:31,069  
feeling to it a tiny little vibration

312  
00:13:36,639 --> 00:13:33,920  
feeling to it or a frequency to it and

313  
00:13:38,889 --> 00:13:36,649

and it would it would sort of it never

314

00:13:42,370 --> 00:13:38,899

hurt but I guess I just noticed that it

315

00:13:44,019 --> 00:13:42,380

was there and I would touch it and my

316

00:13:45,730 --> 00:13:44,029

finger would go on it I would kind of

317

00:13:49,150 --> 00:13:45,740

feel the shape of it and there's sort of

318

00:13:51,220 --> 00:13:49,160

rectangular and pretty thin so I had

319

00:13:54,189 --> 00:13:51,230

that for years and years and then it

320

00:13:57,639 --> 00:13:54,199

went away and then just recently

321

00:13:59,439 --> 00:13:57,649

probably four months ago or so I felt it

322

00:14:02,189 --> 00:13:59,449

again but this time it's in a different

323

00:14:05,710 --> 00:14:02,199

location on my body it's on my back and

324

00:14:08,290 --> 00:14:05,720

there's four lines and two little dots

325

00:14:10,689 --> 00:14:08,300

next to it it looks like almost like a

326

00:14:12,639 --> 00:14:10,699

barcode it's really strange and it's

327

00:14:15,400 --> 00:14:12,649

it's actually a little bit larger than

328

00:14:17,190 --> 00:14:15,410

the day my first implant but I know it

329

00:14:23,730 --> 00:14:17,200

is I just know it isn't I've been dig

330

00:14:26,510 --> 00:14:23,740

and digging at it and oh yeah Triplt

331

00:14:28,200 --> 00:14:26,520

George yeah I've had a checked out and

332

00:14:29,970 --> 00:14:28,210

they're just going I don't know what

333

00:14:32,010 --> 00:14:29,980

that is and nobody seems to know what it

334

00:14:33,600 --> 00:14:32,020

is and but no man's gonna cut it out you

335

00:14:35,100 --> 00:14:33,610

don't want to touch it

336

00:14:36,300 --> 00:14:35,110

well it's not really bothering the

337

00:14:37,950 --> 00:14:36,310

Alissa's leave it there to see what

338

00:14:39,690 --> 00:14:37,960

happens I'm thinking well could it have

339

00:14:40,980 --> 00:14:39,700

been a spider bite or something said no

340

00:14:44,070 --> 00:14:40,990

it's not a spider bite is something

341

00:14:46,290 --> 00:14:44,080

something underneath your skin so I

342

00:14:48,240 --> 00:14:46,300

don't know we'll see what happens yeah

343

00:14:50,370 --> 00:14:48,250

well here's a question from the chat

344

00:14:52,950 --> 00:14:50,380

room this is from Bailey Shaw who wants

345

00:15:00,000 --> 00:14:52,960

to know can you tell us what year and

346

00:15:03,860 --> 00:15:00,010

location this happened yeah the year had

347

00:15:07,860 --> 00:15:03,870

to have been 70 around 72

348

00:15:10,770 --> 00:15:07,870

around there is when I when I had that

349

00:15:11,970 --> 00:15:10,780

implant from that first time I went

350

00:15:14,370 --> 00:15:11,980

fishing with those guys

351  
00:15:17,370 --> 00:15:14,380  
it was round that time round 72 which I

352  
00:15:19,110 --> 00:15:17,380  
think and this happening help we're in

353  
00:15:19,920 --> 00:15:19,120  
California in California in Northern

354  
00:15:25,390 --> 00:15:19,930  
California

355  
00:15:26,900 --> 00:15:25,400  
yeah I was San Joaquin Valley up near

356  
00:15:34,350 --> 00:15:26,910  
[Music]

357  
00:15:35,940 --> 00:15:34,360  
Stockton Modesto that area you know as I

358  
00:15:38,400 --> 00:15:35,950  
mentioned to you a long time ago dr.

359  
00:15:40,380 --> 00:15:38,410  
Andrew Puharich has always said behind

360  
00:15:44,700 --> 00:15:40,390  
every great psychic is an

361  
00:15:48,450 --> 00:15:44,710  
extraterrestrial so you certainly fit

362  
00:15:50,370 --> 00:15:48,460  
that but now what we're facing and we're

363  
00:15:54,390 --> 00:15:50,380

gonna get into some of your experiences

364

00:15:56,610 --> 00:15:54,400

with the afterlife but we are we are now

365

00:15:59,130 --> 00:15:56,620

experiencing soft disclosure there's

366

00:16:02,310 --> 00:15:59,140

been story after story in mainstream

367

00:16:05,580 --> 00:16:02,320

media talking about different aspects of

368

00:16:07,920 --> 00:16:05,590

UFOs and government programs is Robert

369

00:16:10,140 --> 00:16:07,930

Bigelow and things like that but

370

00:16:12,660 --> 00:16:10,150

everybody's asking the same question why

371

00:16:15,180 --> 00:16:12,670

now we all know it's real okay so our

372

00:16:18,210 --> 00:16:15,190

audience poopers certainly know we all

373

00:16:20,970 --> 00:16:18,220

know that ufos et's interdimensional z'

374

00:16:22,920 --> 00:16:20,980

they're all real but suddenly the

375

00:16:26,100 --> 00:16:22,930

government is kind of doling out these

376

00:16:28,830 --> 00:16:26,110

little stories for us but what do you

377

00:16:30,970 --> 00:16:28,840

feel the reason is behind all of that

378

00:16:33,370 --> 00:16:30,980

why no I just

379

00:16:37,090 --> 00:16:33,380

that the earth is kind of maxed out in a

380

00:16:39,400 --> 00:16:37,100

lot of areas and we would need that type

381

00:16:41,439 --> 00:16:39,410

of intelligence to like correct a lot of

382

00:16:43,569 --> 00:16:41,449

our wrongs on this earth I mean with

383

00:16:47,439 --> 00:16:43,579

chemtrails going on they've been going

384

00:16:51,280 --> 00:16:47,449

on since about 1886 they started and

385

00:16:52,300 --> 00:16:51,290

globally and what that's caused and just

386

00:16:54,250 --> 00:16:52,310

all the different things all the

387

00:16:55,930 --> 00:16:54,260

experimenting we've done underground all

388

00:16:58,629 --> 00:16:55,940

the things that we've done to this earth

389

00:17:00,910 --> 00:16:58,639

has kind of thrown off balance

390

00:17:03,639 --> 00:17:00,920

and they probably have the technology to

391

00:17:05,409 --> 00:17:03,649

straighten all that out but all this

392

00:17:07,059 --> 00:17:05,419

news that's coming out now about UFOs

393

00:17:09,549 --> 00:17:07,069

and sightings I mean that's old news you

394

00:17:13,659 --> 00:17:09,559

know it's that's been around since time

395

00:17:15,100 --> 00:17:13,669

you know so it's just that people want

396

00:17:16,960 --> 00:17:15,110

to believe in their government they want

397

00:17:19,990 --> 00:17:16,970

to trust them and all that so now it's

398

00:17:21,880 --> 00:17:20,000

gotten to the point where I also think

399

00:17:23,500 --> 00:17:21,890

that it's the media you know everyone's

400

00:17:25,539 --> 00:17:23,510

got a cellphone in the camera and the

401  
00:17:27,189 --> 00:17:25,549  
video camera and all that and people are

402  
00:17:28,510 --> 00:17:27,199  
taking pictures and there's just no

403  
00:17:29,919 --> 00:17:28,520  
denying it I mean there are a lot of

404  
00:17:31,150 --> 00:17:29,929  
fakes out there don't get me wrong but

405  
00:17:33,310 --> 00:17:31,160  
it's here but there are some legitimate

406  
00:17:35,409 --> 00:17:33,320  
things that are being seen and done now

407  
00:17:37,360 --> 00:17:35,419  
and the government I don't think you

408  
00:17:39,299 --> 00:17:37,370  
have a choice I think they have to come

409  
00:17:42,130 --> 00:17:39,309  
out you know and now they're doing it so

410  
00:17:44,470 --> 00:17:42,140  
give it another six months and see what

411  
00:17:46,270 --> 00:17:44,480  
happens it's gonna be a lot going on and

412  
00:17:49,480 --> 00:17:46,280  
it's going to throw a lot of belief

413  
00:17:52,120 --> 00:17:49,490

systems on their ear you know so we'll

414

00:17:54,480 --> 00:17:52,130

see how that goes you know as far as

415

00:17:56,890 --> 00:17:54,490

religion goes how we do business

416

00:17:59,710 --> 00:17:56,900

everything it's gonna affect everything

417

00:18:00,630 --> 00:17:59,720

but I do feel that there's good out of

418

00:18:05,140 --> 00:18:00,640

this

419

00:18:06,940 --> 00:18:05,150

yeah if they could come clean I mean

420

00:18:08,860 --> 00:18:06,950

that the concern is and this is so this

421

00:18:11,200 --> 00:18:08,870

stuff we've seen all over the internet

422

00:18:13,570 --> 00:18:11,210

about it is that the government usually

423

00:18:16,090 --> 00:18:13,580

likes to take things and turn it into

424

00:18:18,520 --> 00:18:16,100

something nefarious something they can

425

00:18:21,549 --> 00:18:18,530

use against us rather than for our

426

00:18:23,320 --> 00:18:21,559

benefit so are they some people are

427

00:18:26,530 --> 00:18:23,330

saying are they trying to set up a false

428

00:18:29,080 --> 00:18:26,540

flag are they trying to set up this fear

429

00:18:34,210 --> 00:18:29,090

of aliens that they're real and they're

430

00:18:36,100 --> 00:18:34,220

gonna come and attack us or you know if

431

00:18:37,539 --> 00:18:36,110

that was the case they could have done

432

00:18:39,460 --> 00:18:37,549

that a long time ago I mean the exact

433

00:18:42,940 --> 00:18:39,470

technology he could have just wiped us

434

00:18:44,409 --> 00:18:42,950

all out you know just it is so fast but

435

00:18:46,269 --> 00:18:44,419

I feel that they want to work

436

00:18:47,979 --> 00:18:46,279

side of us we just have to wrap her head

437

00:18:50,379 --> 00:18:47,989

around it because it's going to be very

438

00:18:53,769 --> 00:18:50,389

different you know we're gonna have to

439

00:18:56,440 --> 00:18:53,779

listen to a lot of new not just new

440

00:18:58,060 --> 00:18:56,450

thinking but new doing there's maybe a

441

00:19:01,810 --> 00:18:58,070

lot of things that are gonna be changing

442

00:19:03,759 --> 00:19:01,820

for us as a globe as a world and and

443

00:19:05,649 --> 00:19:03,769

you'll see it and for the most part I

444

00:19:08,769 --> 00:19:05,659

believe it's going to be good I really

445

00:19:11,619 --> 00:19:08,779

feel it's going to be good so some new

446

00:19:14,229 --> 00:19:11,629

changes yeah I think it will be - yeah I

447

00:19:16,419 --> 00:19:14,239

mean as long as it comes out and it's

448

00:19:18,609 --> 00:19:16,429

it's truly out in the open but that's

449

00:19:20,710 --> 00:19:18,619

been the big concern is the way our

450

00:19:21,729 --> 00:19:20,720

government does things it's not always

451

00:19:23,769 --> 00:19:21,739

out in the open

452

00:19:29,619 --> 00:19:23,779

well there's always there's always some

453

00:19:31,720 --> 00:19:29,629

other agenda is the guy behind the

454

00:19:33,970 --> 00:19:31,730

curtain you know so what they want to

455

00:19:35,590 --> 00:19:33,980

keep that from being raised and it you

456

00:19:37,599 --> 00:19:35,600

know and there's it's just gotten to the

457

00:19:39,279 --> 00:19:37,609

point now where everything's becoming

458

00:19:41,409 --> 00:19:39,289

pretty much transparent and I have to

459

00:19:44,169 --> 00:19:41,419

say I really since I was in you know in

460

00:19:46,210 --> 00:19:44,179

media at one point media does create a

461

00:19:48,190 --> 00:19:46,220

lot of this type of static and a lot of

462

00:19:50,710 --> 00:19:48,200

you know wash and all that

463

00:19:52,119 --> 00:19:50,720

and a lot of spin on everything but it's

464

00:19:55,239 --> 00:19:52,129

gotten to the point now people are more

465

00:19:57,310 --> 00:19:55,249

savvy they know what's going on even

466

00:20:00,369 --> 00:19:57,320

some of the disbelievers are being kind

467

00:20:02,529 --> 00:20:00,379

of thinking well you know all this it

468

00:20:04,359 --> 00:20:02,539

just can't be false not all of it and we

469

00:20:06,099 --> 00:20:04,369

have trillions and billions and

470

00:20:08,200 --> 00:20:06,109

trillions of trillions of planets and

471

00:20:11,919 --> 00:20:08,210

stars how can we be the only one you

472

00:20:13,749 --> 00:20:11,929

know exactly exactly and if you know

473

00:20:15,519 --> 00:20:13,759

they say we used 10% of our brain if

474

00:20:18,519 --> 00:20:15,529

that's the case I mean is this all we've

475

00:20:20,109 --> 00:20:18,529

created that's it this is it you know so

476

00:20:22,359 --> 00:20:20,119

I know that we use more than that but

477

00:20:24,369 --> 00:20:22,369

yeah I know I believe that they're gonna

478

00:20:26,289 --> 00:20:24,379

heal the planet I feel that they would

479

00:20:29,019 --> 00:20:26,299

come and they would heal the planet they

480

00:20:30,279 --> 00:20:29,029

have to coexist with us and so I feel

481

00:20:31,659 --> 00:20:30,289

that they would do some healing of the

482

00:20:34,269 --> 00:20:31,669

planet and they have the technology to

483

00:20:36,099 --> 00:20:34,279

do it not you know different from what

484

00:20:37,659 --> 00:20:36,109

we know different for what we conceive

485

00:20:41,409 --> 00:20:37,669

and I know the government Ori knows all

486

00:20:44,139 --> 00:20:41,419

that so yeah I definitely do yeah

487

00:20:46,450 --> 00:20:44,149

so it's to our benefit as a people is

488

00:20:48,549 --> 00:20:46,460

just that belief systems are going to be

489

00:20:50,739 --> 00:20:48,559

changed somewhat there's going to be a

490

00:20:51,340 --> 00:20:50,749

lot of that kind of stuff in not to

491

00:20:54,669 --> 00:20:51,350

worry

492

00:20:56,499 --> 00:20:54,679

it's going to be okay you'll see you'll

493

00:20:57,970 --> 00:20:56,509

see yeah I think most of people were

494

00:20:59,889 --> 00:20:57,980

looking forward to here

495

00:21:01,899 --> 00:20:59,899

the truth they know the truth all along

496

00:21:03,310 --> 00:21:01,909

they just want to hear it out of the

497

00:21:05,950 --> 00:21:03,320

mouths of the people that have been

498

00:21:08,049 --> 00:21:05,960

denying it for their own reasons and

499

00:21:10,210 --> 00:21:08,059

their own greed or whatever it is so

500

00:21:13,509 --> 00:21:10,220

it's it would be a nice thing if it came

501  
00:21:16,419 --> 00:21:13,519  
to pass that way and again people are

502  
00:21:19,419 --> 00:21:16,429  
anxious to see see this happen but again

503  
00:21:22,570 --> 00:21:19,429  
we are also asking some very good

504  
00:21:23,860 --> 00:21:22,580  
questions around why why all of a sudden

505  
00:21:25,960 --> 00:21:23,870  
are they gonna develop this now one of

506  
00:21:28,470 --> 00:21:25,970  
the other theories that I've seen and I

507  
00:21:30,129 --> 00:21:28,480  
tend to agree with is that the

508  
00:21:32,620 --> 00:21:30,139  
extraterrestrials have given the

509  
00:21:35,169 --> 00:21:32,630  
governments of the world a deadline and

510  
00:21:38,529 --> 00:21:35,179  
saying to them you need to disclose by a

511  
00:21:41,200 --> 00:21:38,539  
certain time and if you don't we will so

512  
00:21:43,840 --> 00:21:41,210  
what do you think about that well I

513  
00:21:46,060 --> 00:21:43,850

believe I think that the government has

514

00:21:48,039 --> 00:21:46,070

done that with aliens and and they kind

515

00:21:50,440 --> 00:21:48,049

of I have that deadline thing and we

516

00:21:51,490 --> 00:21:50,450

just didn't really pay attention to it

517

00:21:53,710 --> 00:21:51,500

you know we're trying to do it ourselves

518

00:21:56,190 --> 00:21:53,720

you know and we just can't we don't

519

00:21:59,080 --> 00:21:56,200

we're just we're antiquated we're just

520

00:22:00,669 --> 00:21:59,090

the way we do things is just old you

521

00:22:02,710 --> 00:22:00,679

know and these aliens can just come in

522

00:22:04,090 --> 00:22:02,720

and go listen with with a snap of my

523

00:22:07,000 --> 00:22:04,100

finger I can almost you know do almost

524

00:22:08,980 --> 00:22:07,010

anything and they're gonna change a lot

525

00:22:12,430 --> 00:22:08,990

of our thinking and it'll be I believe

526

00:22:17,169 --> 00:22:12,440

that will coexist we are now yes we are

527

00:22:18,789 --> 00:22:17,179

right and but it'll be in a peaceful

528

00:22:20,379 --> 00:22:18,799

manner they don't want to destroy this

529

00:22:21,789 --> 00:22:20,389

path they want to make it healthy again

530

00:22:23,889 --> 00:22:21,799

because you know they have to survive

531

00:22:26,110 --> 00:22:23,899

here too and I really feel the first

532

00:22:28,509 --> 00:22:26,120

thing on their agenda is balancing the

533

00:22:30,820 --> 00:22:28,519

planet getting it back together again

534

00:22:32,230 --> 00:22:30,830

and it and it's gonna you know ruffle

535

00:22:35,379 --> 00:22:32,240

some feathers and all that but that's

536

00:22:37,240 --> 00:22:35,389

okay it'll pass it'll be fine after that

537

00:22:39,700 --> 00:22:37,250

just kind of hang on for a little bit

538

00:22:41,379 --> 00:22:39,710

and it might seem a little scary but the

539

00:22:43,750 --> 00:22:41,389

more you know the more you're informed

540

00:22:45,759 --> 00:22:43,760

and educated about it the better we'll

541

00:22:47,980 --> 00:22:45,769

need for you there's actually good times

542

00:22:51,759 --> 00:22:47,990

ahead and we're at the point now write

543

00:22:54,250 --> 00:22:51,769

out that crux where it has to change yes

544

00:22:55,990 --> 00:22:54,260

because I was trying to find you know

545

00:22:57,490 --> 00:22:56,000

we're already making plans of living on

546

00:22:59,680 --> 00:22:57,500

different planets like building the

547

00:23:02,169 --> 00:22:59,690

station on the Moon and Mars and all

548

00:23:05,500 --> 00:23:02,179

that the world long ways from that and

549

00:23:08,889 --> 00:23:05,510

so we need help right now so they have

550

00:23:10,760 --> 00:23:08,899

the technology to do it yes well that's

551

00:23:13,130 --> 00:23:10,770

very good news and

552

00:23:15,380 --> 00:23:13,140

appreciate your insights on all of this

553

00:23:18,260 --> 00:23:15,390

because we know you're closer to it also

554

00:23:19,640 --> 00:23:18,270

given your own experiences yes you know

555

00:23:20,780 --> 00:23:19,650

and because of that you know because I

556

00:23:23,450 --> 00:23:20,790

felt that I've always had that

557

00:23:25,610 --> 00:23:23,460

connection with them my life has been

558

00:23:27,680 --> 00:23:25,620

really unusual in this sense like when I

559

00:23:29,360 --> 00:23:27,690

was a kid when a lot of kids would get

560

00:23:31,970 --> 00:23:29,370

together in plays I'd be laying on the

561

00:23:33,860 --> 00:23:31,980

lawn looking at the stars just thinking

562

00:23:35,480 --> 00:23:33,870

there's a bigger picture then but you

563

00:23:37,790 --> 00:23:35,490

know like it's almost like reads like

564

00:23:41,150 --> 00:23:37,800

receiving something from up there you

565

00:23:42,590 --> 00:23:41,160

know it's like a knowing and being fed

566

00:23:44,720 --> 00:23:42,600

something all the time

567

00:23:46,160 --> 00:23:44,730

and I used to make these predictions I

568

00:23:48,590 --> 00:23:46,170

think I told you when I was in the third

569

00:23:49,700 --> 00:23:48,600

grade we used to have to write every

570

00:23:52,520 --> 00:23:49,710

Monday we had to write a little

571

00:23:53,870 --> 00:23:52,530

paragraph on what we did that weekend a

572

00:23:55,520 --> 00:23:53,880

lot of kids were you know went swimming

573

00:23:58,370 --> 00:23:55,530

I play with my brother I went to saw

574

00:23:59,750 --> 00:23:58,380

grandma and I'm Here I am writing

575

00:24:02,150 --> 00:23:59,760

something about how we're gonna be

576

00:24:08,120 --> 00:24:02,160

looking at TVs with typewriters in front

577

00:24:11,720 --> 00:24:08,130

of them you know so I also drew pictures

578

00:24:13,880 --> 00:24:11,730

of 911 back then I also drew pictures of

579

00:24:16,940 --> 00:24:13,890

the fake gas crunch in the middle 70s

580

00:24:18,710 --> 00:24:16,950

and in wrote about it and my teacher

581

00:24:20,210 --> 00:24:18,720

would read it she'd go to my desk person

582

00:24:21,260 --> 00:24:20,220

go she breathed answer girls were you

583

00:24:23,900 --> 00:24:21,270

getting this alright go to the office

584

00:24:27,110 --> 00:24:23,910

and take this with you so I didn't visit

585

00:24:31,310 --> 00:24:27,120

the office every Monday and particularly

586

00:24:33,050 --> 00:24:31,320

here that year our principal happened to

587

00:24:35,420 --> 00:24:33,060

be an Indian chief a Native American

588

00:24:36,890 --> 00:24:35,430

chief and he was the principal and he

589

00:24:38,240 --> 00:24:36,900

would call me in his office and he would

590

00:24:39,920 --> 00:24:38,250

read it and he goes where are you

591

00:24:41,510 --> 00:24:39,930

getting this information and I said I

592

00:24:44,210 --> 00:24:41,520

don't know I just sit down and starts

593

00:24:47,090 --> 00:24:44,220

coming out and he said if you're in my

594

00:24:48,470 --> 00:24:47,100

tribe you'd be a road man and I didn't

595

00:24:50,870 --> 00:24:48,480

know what that wasn't I didn't ask him

596

00:24:52,670 --> 00:24:50,880

so I didn't find that out until much

597

00:24:55,060 --> 00:24:52,680

much later after living in Arizona and

598

00:24:59,630 --> 00:24:55,070

meeting about the leader of America a

599

00:25:01,700 --> 00:24:59,640

road man a wise holy man that goes from

600

00:25:03,650 --> 00:25:01,710

tribe to tribe he's always on the road

601  
00:25:06,620 --> 00:25:03,660  
and he goes from tribe to tribe and he

602  
00:25:09,440 --> 00:25:06,630  
talks just to the the elders the council

603  
00:25:10,430 --> 00:25:09,450  
not the people below him again and he

604  
00:25:12,440 --> 00:25:10,440  
talks to them and he gives them

605  
00:25:15,100 --> 00:25:12,450  
information and he helps them out and he

606  
00:25:18,500 --> 00:25:15,110  
helps them with you know healings and

607  
00:25:20,060 --> 00:25:18,510  
fourside like Vision Quest that kind of

608  
00:25:21,440 --> 00:25:20,070  
thing and that he moves off of the next

609  
00:25:22,480 --> 00:25:21,450  
tribe so he's always on the road he's

610  
00:25:24,670 --> 00:25:22,490  
called a road man

611  
00:25:31,500 --> 00:25:24,680  
and that's what he said that's what I

612  
00:25:34,780 --> 00:25:31,510  
would have been if I was in his tribe oh

613  
00:25:38,920 --> 00:25:34,790

yeah and that particular man that that

614

00:25:41,620 --> 00:25:38,930

principle his family would do these

615

00:25:43,600 --> 00:25:41,630

Native American dances and for the

616

00:25:45,940 --> 00:25:43,610

school and we'd go out on the blacktop

617

00:25:48,130 --> 00:25:45,950

where all the hoops were and sit on the

618

00:25:50,170 --> 00:25:48,140

ground as a class and you would always

619

00:25:52,060 --> 00:25:50,180

pick me out and have me sit on the

620

00:25:53,620 --> 00:25:52,070

blacktop and one that his relatives

621

00:25:55,840 --> 00:25:53,630

would dance around me doing the Eagle

622

00:25:57,970 --> 00:25:55,850

dance but dance around and all that's

623

00:26:00,510 --> 00:25:57,980

not a chanting and beating drums and

624

00:26:05,980 --> 00:26:00,520

made me feel really special

625

00:26:07,990 --> 00:26:05,990

yeah so in every kind of situation like

626  
00:26:09,610 --> 00:26:08,000  
that like I live with the monks in Japan

627  
00:26:12,820 --> 00:26:09,620  
for a little while and Aborigines for a

628  
00:26:15,910 --> 00:26:12,830  
little while just getting pulled in

629  
00:26:18,460 --> 00:26:15,920  
there from different places other than

630  
00:26:21,160 --> 00:26:18,470  
Florida now and I was going down

631  
00:26:23,800 --> 00:26:21,170  
ninety-eight it's a major artery down

632  
00:26:25,420 --> 00:26:23,810  
here in the house and I was with my

633  
00:26:27,790 --> 00:26:25,430  
friend and she says hey gonna have some

634  
00:26:29,290 --> 00:26:27,800  
Thai food and I said sure I know a place

635  
00:26:30,910 --> 00:26:29,300  
night I just arrived here if I didn't

636  
00:26:32,380 --> 00:26:30,920  
know anything so we'd go to this

637  
00:26:33,850 --> 00:26:32,390  
restaurant is about seven people

638  
00:26:36,220 --> 00:26:33,860

standing outside waiting to get in and

639

00:26:37,870 --> 00:26:36,230

so we just followed them in and there

640

00:26:41,410 --> 00:26:37,880

was a room to the left full of these

641

00:26:44,080 --> 00:26:41,420

monks and and so we were the last ones

642

00:26:47,320 --> 00:26:44,090

in and as we're passing by the monks all

643

00:26:49,360 --> 00:26:47,330

bowed to me which I thought yeah Dina

644

00:26:50,740 --> 00:26:49,370

stood up and he bowed and I bowed back

645

00:26:52,000 --> 00:26:50,750

to them you know and sat down I just

646

00:26:54,010 --> 00:26:52,010

thought they were just doing that as a

647

00:26:55,840 --> 00:26:54,020

whole for all of us and then the

648

00:26:57,970 --> 00:26:55,850

waitress comes over and she says these

649

00:26:59,920 --> 00:26:57,980

monks want you to eat with them come and

650

00:27:01,210 --> 00:26:59,930

sit with them so I did I want I said

651

00:27:04,930 --> 00:27:01,220

with these guys never could speak

652

00:27:07,420 --> 00:27:04,940

English and the the lead priest there

653

00:27:09,190 --> 00:27:07,430

put his robe over my arm and the owner

654

00:27:11,350 --> 00:27:09,200

comes running up going no touchy-touchy

655

00:27:13,380 --> 00:27:11,360

I said I'm not touching them you know

656

00:27:17,440 --> 00:27:13,390

and and he spoke to her and said that

657

00:27:19,570 --> 00:27:17,450

you know he's one of us and so I don't

658

00:27:28,660 --> 00:27:19,580

know it's just things like that so just

659

00:27:31,300 --> 00:27:28,670

what you are road man yes you are it's

660

00:27:34,210 --> 00:27:31,310

not fascinating it is it is to me I mean

661

00:27:36,100 --> 00:27:34,220

it's something that I just it just comes

662

00:27:40,810 --> 00:27:36,110

this way you know and I just have to go

663

00:27:47,789 --> 00:27:40,820

the experience of it every time so as a

664

00:27:50,860 --> 00:27:47,799

musician you know able to travel well

665

00:27:53,340 --> 00:27:50,870

this is just you have such an exciting

666

00:27:55,780 --> 00:27:53,350

life and you've helped so many people

667

00:27:57,460 --> 00:27:55,790

with your private readings and it's just

668

00:27:59,500 --> 00:27:57,470

an amazing amount of people that you've

669

00:28:03,880 --> 00:27:59,510

met over the years and you've got some

670

00:28:06,400 --> 00:28:03,890

great stories to tell us I know so I'm

671

00:28:08,500 --> 00:28:06,410

thinking let's see where should we start

672

00:28:11,740 --> 00:28:08,510

with all the stories that you have to

673

00:28:14,049 --> 00:28:11,750

tell and one of the things that I know

674

00:28:16,900 --> 00:28:14,059

people have said about you and I've said

675

00:28:19,419 --> 00:28:16,910

this myself I know PK you have two you

676

00:28:22,539 --> 00:28:19,429

are very specific you don't talk in

677

00:28:25,450 --> 00:28:22,549

generalities you boil it down and you

678

00:28:28,090 --> 00:28:25,460

know this is what's happening and you're

679

00:28:31,630 --> 00:28:28,100

right so what are the one of the places

680

00:28:35,919 --> 00:28:31,640

I want to start with you after the break

681

00:28:40,510 --> 00:28:35,929

is with the story where a woman came for

682

00:28:47,820 --> 00:28:40,520

a reading and you knew that her husband

683

00:28:51,789 --> 00:28:50,110

what that happened I mean obviously

684

00:29:01,270 --> 00:28:51,799

we're not going to talk about anybody's

685

00:29:04,230 --> 00:29:01,280

names that we can so they can get a feel

686

00:29:07,060 --> 00:29:04,240

for how great you are at what you do and

687

00:29:09,070 --> 00:29:07,070

so that's what we're gonna start with

688

00:29:11,650 --> 00:29:09,080

when we come back so anybody who has a

689

00:29:15,760 --> 00:29:11,660

question for Jorge please ask it in the

690

00:29:18,250 --> 00:29:15,770

chat room that's IR in chat comm IR in

691

00:29:20,500 --> 00:29:18,260

chat comm make sure you visit our

692

00:29:23,080 --> 00:29:20,510

facebook page at supernatural girls or

693

00:29:24,640 --> 00:29:23,090

the Z give us a like follow us so you

694

00:29:26,530 --> 00:29:24,650

can see all the wonderful things we've

695

00:29:29,500 --> 00:29:26,540

found that page all things weird and

696

00:29:31,659 --> 00:29:29,510

wonderful you will find there so stay

697

00:29:33,520 --> 00:29:31,669

tuned everybody we are going to take a

698

00:29:36,130 --> 00:29:33,530

very short break you are listening to

699

00:29:41,110 --> 00:29:36,140

Supernatural girls radio and we will be

700

00:29:43,600 --> 00:29:41,120

right back welcome back everyone to

701  
00:29:45,780 --> 00:29:43,610  
supernatural girls radio I am your host

702  
00:29:49,690 --> 00:29:45,790  
Patricia Baker I am here with my co-host

703  
00:29:52,960 --> 00:29:49,700  
pk and our amazing guest tonight who we

704  
00:29:56,409 --> 00:29:52,970  
dearly love george lugo a very famous

705  
00:29:57,730 --> 00:29:56,419  
psychic medium and we did promise you we

706  
00:30:01,210 --> 00:29:57,740  
were gonna start with a blockbuster

707  
00:30:04,810 --> 00:30:01,220  
story about a woman that came to see you

708  
00:30:06,879 --> 00:30:04,820  
George and what happened yeah well she

709  
00:30:08,649 --> 00:30:06,889  
came to sit me and see me and the

710  
00:30:10,450 --> 00:30:08,659  
typical you know reading wasn't

711  
00:30:12,310 --> 00:30:10,460  
expecting anything you know different

712  
00:30:15,039 --> 00:30:12,320  
she sat down in front of me I took her

713  
00:30:18,100 --> 00:30:15,049

hands for a moment tapped in and as soon

714

00:30:20,200 --> 00:30:18,110

as I took her hands off the left side of

715

00:30:22,570 --> 00:30:20,210

myself I saw this woman hit me in the

716

00:30:24,610 --> 00:30:22,580

arm with a rolling pin a white rolling

717

00:30:29,769 --> 00:30:24,620

pin and Sheila's look really Stern and

718

00:30:31,149 --> 00:30:29,779

she gave me a location and that the

719

00:30:32,440 --> 00:30:31,159

woman that I was waiting for needed to

720

00:30:35,139 --> 00:30:32,450

go there because there was something she

721

00:30:37,509 --> 00:30:35,149

needed to see herself and so if she was

722

00:30:40,120 --> 00:30:37,519

angry and I can literally feel that

723

00:30:42,669 --> 00:30:40,130

rolling pin on my arm all my you know my

724

00:30:45,700 --> 00:30:42,679

bicep and I told her about it and she

725

00:30:48,100 --> 00:30:45,710

just goes oh okay you know she goes I

726

00:30:49,750 --> 00:30:48,110

know where that is I said you need to

727

00:30:52,870 --> 00:30:49,760

knock on door and I told her the number

728

00:30:55,149 --> 00:30:52,880

of it and she says okay I'll do that so

729

00:30:56,379 --> 00:30:55,159

after that this one someone kind of

730

00:30:57,970 --> 00:30:56,389

backed off she was always in the

731

00:31:00,490 --> 00:30:57,980

background quite like tapping her foot

732

00:31:03,730 --> 00:31:00,500

like waiting for to leave so I gave her

733

00:31:06,250 --> 00:31:03,740

the rest of the reading she left went to

734

00:31:07,450 --> 00:31:06,260

this place that that was her mother by

735

00:31:12,700 --> 00:31:07,460

the way that was a mother that came in

736

00:31:16,480 --> 00:31:12,710

with that rolling pin and yeah she went

737

00:31:19,350 --> 00:31:16,490

to this location and knocked on the door

738

00:31:21,610 --> 00:31:19,360

and she thought to put her finger on the

739

00:31:23,470 --> 00:31:21,620

people so she put her finger on the

740

00:31:25,810 --> 00:31:23,480

people that way they would answer it

741

00:31:27,970 --> 00:31:25,820

well this lady answered the door and

742

00:31:33,070 --> 00:31:27,980

sitting behind this lady on the couch

743

00:31:35,590 --> 00:31:33,080

butt-naked was her husband he jumped up

744

00:31:37,299 --> 00:31:35,600

and ran to the back of the apartment and

745

00:31:40,659 --> 00:31:37,309

was yelling and screaming and all this

746

00:31:42,039 --> 00:31:40,669

and then he finally came out and he's

747

00:31:44,139 --> 00:31:42,049

yelling at his wife and what are you

748

00:31:49,060 --> 00:31:44,149

doing here and he's been having this

749

00:31:55,779 --> 00:31:49,070

affair for six years so it finally came

750

00:31:57,850 --> 00:31:55,789

to an end and the so she just told me

751  
00:32:01,029 --> 00:31:57,860  
you tell me all about it and he wanted

752  
00:32:02,350 --> 00:32:01,039  
to know how she found this out and she

753  
00:32:03,190 --> 00:32:02,360  
didn't really say anything and he just

754  
00:32:04,779 --> 00:32:03,200  
grabbed the phone

755  
00:32:07,120 --> 00:32:04,789  
her hand oh what she had done was

756  
00:32:08,649 --> 00:32:07,130  
recorded it and I told her not to record

757  
00:32:10,990 --> 00:32:08,659  
because too many things will happen

758  
00:32:12,789 --> 00:32:11,000  
and during recordings sometimes you hear

759  
00:32:16,149 --> 00:32:12,799  
the souls that are coming through on the

760  
00:32:17,710 --> 00:32:16,159  
recording when you do it with me other

761  
00:32:19,299 --> 00:32:17,720  
times it's just information that

762  
00:32:20,909 --> 00:32:19,309  
somebody else might hear and be offended

763  
00:32:23,500 --> 00:32:20,919

well that seems to be the case here so

764

00:32:25,930 --> 00:32:23,510

he found the recording played it back

765

00:32:27,159 --> 00:32:25,940

and then called my office and threatened

766

00:32:30,789 --> 00:32:27,169

to kill me that I had ruined his

767

00:32:44,409 --> 00:32:30,799

marriage and all this stuff you know all

768

00:32:46,600 --> 00:32:44,419

my fault one of many many not so amazing

769

00:32:50,230 --> 00:32:46,610

because again you were able to provide

770

00:32:53,620 --> 00:32:50,240

an exact location the number on the

771

00:32:56,049 --> 00:32:53,630

apartment door where it was and I'm

772

00:32:57,879 --> 00:32:56,059

telling you need to go there I mean I

773

00:32:59,200 --> 00:32:57,889

know very few psychic meetings who could

774

00:33:05,139 --> 00:32:59,210

give that kind of specific information

775

00:33:07,060 --> 00:33:05,149

right okay do like a big massive big

776

00:33:09,820 --> 00:33:07,070

group reading that's like 80 people 30

777

00:33:13,060 --> 00:33:09,830

people 100 300 people whatever I don't

778

00:33:16,990 --> 00:33:13,070

just like okay I see a blue pickup who

779

00:33:19,149 --> 00:33:17,000

has a blue pickup you know yeah process

780

00:33:21,669 --> 00:33:19,159

of elimination I go right to you let's

781

00:33:23,590 --> 00:33:21,679

go first person and so I do very short

782

00:33:25,450 --> 00:33:23,600

little clip readings just Bam Bam Bam

783

00:33:27,879 --> 00:33:25,460

Bam Bam Bam all the way down the line so

784

00:33:31,539 --> 00:33:27,889

I'm done so I don't waste people's time

785

00:33:34,930 --> 00:33:31,549

you know with with all that stuff yeah

786

00:33:36,610 --> 00:33:34,940

it's a big difference yeah boring for

787

00:33:39,580 --> 00:33:36,620

everyone else like ones are gonna get to

788

00:33:41,500 --> 00:33:39,590

me when's it gonna notice me so it isn't

789

00:33:43,090 --> 00:33:41,510

boring other people because they're what

790

00:33:45,460 --> 00:33:43,100

you're doing is you're validating your

791

00:33:48,639 --> 00:33:45,470

value to give them the correct

792

00:33:54,310 --> 00:33:48,649

information when you do get to them it

793

00:33:56,649 --> 00:33:54,320

is correct yeah but when you got ya the

794

00:33:59,500 --> 00:33:56,659

way to get the right answers yeah there

795

00:34:01,389 --> 00:33:59,510

was one time where this man was in the

796

00:34:03,190 --> 00:34:01,399

very back of the room the very last

797

00:34:05,259 --> 00:34:03,200

chair in the corner and he looked like a

798

00:34:07,330 --> 00:34:05,269

typical office geek and a short-sleeve

799

00:34:10,960 --> 00:34:07,340

yellow shirt on with the pocket

800

00:34:12,909 --> 00:34:10,970

protector yeah and he had his hair

801  
00:34:14,139 --> 00:34:12,919  
parted to the side and he's a real

802  
00:34:14,869 --> 00:34:14,149  
skinny and he was just kind of sitting

803  
00:34:17,059 --> 00:34:14,879  
there

804  
00:34:19,730 --> 00:34:17,069  
and I just kept getting drawn to him and

805  
00:34:23,480 --> 00:34:19,740  
I was on the first row of about maybe 40

806  
00:34:25,549 --> 00:34:23,490  
people and I saw seven horses standing

807  
00:34:27,440 --> 00:34:25,559  
around this guy and I can see from the

808  
00:34:30,289 --> 00:34:27,450  
chest up and the heads or beautiful

809  
00:34:31,819 --> 00:34:30,299  
horses and I finally this went to him

810  
00:34:34,669 --> 00:34:31,829  
and I said sir

811  
00:34:36,259 --> 00:34:34,679  
I I have to tell you this because I

812  
00:34:38,690 --> 00:34:36,269  
can't I have to tell you this there are

813  
00:34:41,059 --> 00:34:38,700

seven horses standing around you and he

814

00:34:42,799 --> 00:34:41,069

just started crying you would have

815

00:34:44,779 --> 00:34:42,809

thought that he had lost his mother or

816

00:34:47,089 --> 00:34:44,789

something I mean he just went crazy and

817

00:34:49,990 --> 00:34:47,099

just cried and cried and cried story was

818

00:34:52,549 --> 00:34:50,000

his brother used to race horses at

819

00:34:54,710 --> 00:34:52,559

Kentucky Derby and places like that and

820

00:34:56,659 --> 00:34:54,720

then after a certain while he can't race

821

00:34:59,240 --> 00:34:56,669

him anymore so he would send them out to

822

00:35:02,480 --> 00:34:59,250

Arizona to live on his brothers ranch

823

00:35:04,309 --> 00:35:02,490

and he knew nothing about horses so he

824

00:35:05,839 --> 00:35:04,319

just collected them so he had obvious

825

00:35:08,450 --> 00:35:05,849

force he had seven horses he became

826

00:35:11,240 --> 00:35:08,460

friends with and in the morning he would

827

00:35:13,370 --> 00:35:11,250

go out on the back of his lot there and

828

00:35:14,960 --> 00:35:13,380

weigh in the distance was a tree line

829

00:35:17,089 --> 00:35:14,970

and there was a river that ran through

830

00:35:18,740 --> 00:35:17,099

there and the horses would stay there to

831

00:35:20,779 --> 00:35:18,750

stay cool and drink water and all this

832

00:35:22,789 --> 00:35:20,789

and one morning he went out there and

833

00:35:25,150 --> 00:35:22,799

he's whistling and and they usually come

834

00:35:28,609 --> 00:35:25,160

flying out of the trees to committee and

835

00:35:31,400 --> 00:35:28,619

they didn't so he whistled again then he

836

00:35:33,559 --> 00:35:31,410

honked his truck horn so then nothing so

837

00:35:35,569 --> 00:35:33,569

he drove down there and all seven horses

838

00:35:40,160 --> 00:35:35,579

were poisoned somebody poisoned them all

839

00:35:42,559 --> 00:35:40,170

oh no so and so these horses were yeah

840

00:35:45,980 --> 00:35:42,569

so these horses all showed up just let

841

00:35:51,410 --> 00:35:45,990

him know that they were okay things like

842

00:35:52,910 --> 00:35:51,420

that so hard pranking oh yeah yeah so he

843

00:35:56,480 --> 00:35:52,920

was really really happy to know that

844

00:35:58,430 --> 00:35:56,490

they were okay so that's how I read you

845

00:36:00,890 --> 00:35:58,440

know on that fishing I don't look for

846

00:36:04,960 --> 00:36:00,900

obvious things and I just come right out

847

00:36:07,940 --> 00:36:04,970

and just it just comes out I can't help

848

00:36:11,749 --> 00:36:07,950

that when people come to you and they're

849

00:36:14,930 --> 00:36:11,759

looking for assistance do you give them

850

00:36:16,970 --> 00:36:14,940

that feel I know they because you and

851  
00:36:19,249 --> 00:36:16,980  
I've been friends for so many years that

852  
00:36:22,249 --> 00:36:19,259  
you give them that feeling of security

853  
00:36:24,440 --> 00:36:22,259  
that they walk away feeling it's okay

854  
00:36:25,910 --> 00:36:24,450  
but we were talking about something that

855  
00:36:28,640 --> 00:36:25,920  
was lost or it's someone that was

856  
00:36:30,710 --> 00:36:28,650  
passing away or people that were away

857  
00:36:33,500 --> 00:36:30,720  
Kermit how you're able to direct them

858  
00:36:35,510 --> 00:36:33,510  
when a person is lost how to fly that

859  
00:36:38,359 --> 00:36:35,520  
individual they're looking for whether

860  
00:36:41,680 --> 00:36:38,369  
it's alive or dead there is an instance

861  
00:36:45,500 --> 00:36:41,690  
like that wasn't there not too far back

862  
00:36:48,079 --> 00:36:45,510  
right seven so when someone comes to me

863  
00:36:50,420 --> 00:36:48,089

I usually tell them IG's expect nothing

864

00:36:52,940 --> 00:36:50,430

ask for nothing no way you're wide open

865

00:36:54,589 --> 00:36:52,950

you know cuz some company wanted I want

866

00:36:57,799 --> 00:36:54,599

to talk to my dad just my dad I don't

867

00:36:59,630 --> 00:36:57,809

give a crap about Uncle Frank and Louise

868

00:37:00,859 --> 00:36:59,640

you know I said but they're important to

869

00:37:02,539 --> 00:37:00,869

you and they're and you got things do

870

00:37:04,789 --> 00:37:02,549

you want to say to you you know so I'll

871

00:37:06,620 --> 00:37:04,799

start talking describing them and their

872

00:37:08,269 --> 00:37:06,630

mannerisms and things they've said or

873

00:37:11,450 --> 00:37:08,279

experiences they've had with them and

874

00:37:13,190 --> 00:37:11,460

what I'll do in my own mind I'm always

875

00:37:15,140 --> 00:37:13,200

asking them questions not saying it to

876

00:37:18,769 --> 00:37:15,150

the person that I'm reading for is that

877

00:37:20,660 --> 00:37:18,779

I will just say go find this soul that

878

00:37:22,910 --> 00:37:20,670

this man wants to talk to her this woman

879

00:37:24,859 --> 00:37:22,920

I so talk to please help me out here and

880

00:37:26,900 --> 00:37:24,869

they do and they'll go out there and I'd

881

00:37:28,849 --> 00:37:26,910

say about 80% of the time they do bring

882

00:37:30,559 --> 00:37:28,859

them unless you know they just don't

883

00:37:33,920 --> 00:37:30,569

come for some reason but there's always

884

00:37:34,609 --> 00:37:33,930

souls around you everyone has them no

885

00:37:40,250 --> 00:37:34,619

doubt about it

886

00:37:42,710 --> 00:37:40,260

so yeah no more body this is all right

887

00:37:44,359 --> 00:37:42,720

you know many times when we feel that

888

00:37:47,510 --> 00:37:44,369

they've a feeling that someone's around

889

00:37:49,730 --> 00:37:47,520

us and you can feel their presence and

890

00:37:51,410 --> 00:37:49,740

you turn in they're not there and one

891

00:37:53,210 --> 00:37:51,420

time you said to me don't move your

892

00:37:54,170 --> 00:37:53,220

whole body just shift your eyes and

893

00:37:56,870 --> 00:37:54,180

you'll be able to catch it

894

00:37:58,549 --> 00:37:56,880

more than bees do that yeah there is a

895

00:38:01,130 --> 00:37:58,559

way that you can that I've learned

896

00:38:04,880 --> 00:38:01,140

myself it's a very early age how to

897

00:38:06,890 --> 00:38:04,890

connect with Souls yourself and the way

898

00:38:09,079 --> 00:38:06,900

to do it that I found the most effective

899

00:38:11,480 --> 00:38:09,089

is first thing in the morning when you

900

00:38:13,339 --> 00:38:11,490

wake up you get up because you got to go

901  
00:38:15,620 --> 00:38:13,349  
to the bathroom so go do that yeah ask

902  
00:38:17,059 --> 00:38:15,630  
in bed and then the person that you want

903  
00:38:18,829 --> 00:38:17,069  
to visit with you put them in your

904  
00:38:21,170 --> 00:38:18,839  
mind's eye you see them clearing your

905  
00:38:23,599 --> 00:38:21,180  
head and start falling asleep start

906  
00:38:24,410 --> 00:38:23,609  
going to sleep and you see them in your

907  
00:38:26,539 --> 00:38:24,420  
mind's eye

908  
00:38:29,720 --> 00:38:26,549  
start pouring your love towards them and

909  
00:38:31,130 --> 00:38:29,730  
it can't be like you know happy 11 the

910  
00:38:33,349 --> 00:38:31,140  
beginning that it kind of falls off

911  
00:38:34,940 --> 00:38:33,359  
because not showing up right away don't

912  
00:38:36,260 --> 00:38:34,950  
let it fall down because if you do that

913  
00:38:37,849 --> 00:38:36,270

they'll notice that and they'll back

914

00:38:39,130 --> 00:38:37,859

right off you got to keep your look

915

00:38:42,190 --> 00:38:39,140

happy and kind of go

916

00:38:42,730 --> 00:38:42,200

up and so just stay in that frame of

917

00:38:44,260 --> 00:38:42,740

mind

918

00:38:46,600 --> 00:38:44,270

keep pouring your love towards them

919

00:38:48,610 --> 00:38:46,610

seeming your minds I ask only one

920

00:38:49,510 --> 00:38:48,620

question the question is do you have a

921

00:38:53,260 --> 00:38:49,520

message for me

922

00:38:54,310 --> 00:38:53,270

and so when the soul is only give you

923

00:38:57,250 --> 00:38:54,320

what you can handle

924

00:38:59,320 --> 00:38:57,260

so the age that they died they usually

925

00:39:01,060 --> 00:38:59,330

if you see them at that age they look

926  
00:39:03,370 --> 00:39:01,070  
perfect now to blame on them they're

927  
00:39:05,530 --> 00:39:03,380  
totally healthy was glowing or they're

928  
00:39:08,200 --> 00:39:05,540  
younger you have the tendency to get

929  
00:39:10,660 --> 00:39:08,210  
younger and when you see them if they

930  
00:39:12,430 --> 00:39:10,670  
put their arms out like give me a hug go

931  
00:39:15,520 --> 00:39:12,440  
ahead and do it put your arms around

932  
00:39:16,540 --> 00:39:15,530  
them hug them and for a moment you will

933  
00:39:19,390 --> 00:39:16,550  
feel no pain

934  
00:39:21,610 --> 00:39:19,400  
all your bodily pain will be gone there

935  
00:39:23,110 --> 00:39:21,620  
is no future there is no past you're

936  
00:39:24,700 --> 00:39:23,120  
gonna feel what it feels like for them

937  
00:39:26,470 --> 00:39:24,710  
where they are and it's going to be

938  
00:39:29,140 --> 00:39:26,480

absolutely it's beyond words but it's

939

00:39:31,270 --> 00:39:29,150

amazing and then you'll be asking lots

940

00:39:32,950 --> 00:39:31,280

of questions and eventually they're

941

00:39:35,050 --> 00:39:32,960

going to say I've got to go now you have

942

00:39:36,280 --> 00:39:35,060

to let me go and you need to let them go

943

00:39:39,160 --> 00:39:36,290

so if you don't let them go they'll

944

00:39:41,650 --> 00:39:39,170

dissolve in your arms so just let them

945

00:39:44,440 --> 00:39:41,660

go and then you'll feel yourself being

946

00:39:48,180 --> 00:39:44,450

pulled back and sort of an up feeling

947

00:39:50,170 --> 00:39:48,190

like you're drifting up and that's when

948

00:39:51,760 --> 00:39:50,180

you're starting to come back into this

949

00:39:53,770 --> 00:39:51,770

world and you can ask a few more

950

00:39:55,420 --> 00:39:53,780

questions because you're still kind of

951  
00:39:56,770 --> 00:39:55,430  
connected to them and they're gonna do

952  
00:39:58,630 --> 00:39:56,780  
whatever they're gonna do they'll fade

953  
00:40:00,280 --> 00:39:58,640  
out as a walk away or they'll smile or

954  
00:40:01,510 --> 00:40:00,290  
say I'll see you again or whatever and

955  
00:40:03,130 --> 00:40:01,520  
then all of a sudden you're going to

956  
00:40:05,410 --> 00:40:03,140  
come back into the physical world this

957  
00:40:07,750 --> 00:40:05,420  
world and all your physical pain will

958  
00:40:10,780 --> 00:40:07,760  
come back those boom hit you you know

959  
00:40:12,640 --> 00:40:10,790  
let's go you know I'm back but you'll

960  
00:40:15,490 --> 00:40:12,650  
have the residue of what it felt like

961  
00:40:21,340 --> 00:40:15,500  
where you just were with them and it'll

962  
00:40:24,070 --> 00:40:21,350  
make you cry and yeah it's so wonderful

963  
00:40:26,290 --> 00:40:24,080

yeah and you can take this process you

964

00:40:28,060 --> 00:40:26,300

know so yeah it sounds like a practice

965

00:40:31,180 --> 00:40:28,070

you could just start to do every night

966

00:40:32,380 --> 00:40:31,190

if you'd like now what it's all about -

967

00:40:34,270 --> 00:40:32,390

any love it I'm telling you guys

968

00:40:38,560 --> 00:40:34,280

listeners and all that it's a good way

969

00:40:40,360 --> 00:40:38,570

to do it now we had an interesting

970

00:40:44,230 --> 00:40:40,370

experience George because I was

971

00:40:47,740 --> 00:40:44,240

contacted by a woman whose son went

972

00:40:49,450 --> 00:40:47,750

missing and I said to her there was only

973

00:40:50,800 --> 00:40:49,460

one person that I'm gonna refer you to

974

00:40:53,080 --> 00:40:50,810

and that's George Lugo

975

00:40:56,500 --> 00:40:53,090

so she called you

976  
00:40:57,220 --> 00:40:56,510  
and you want to take it from there yeah

977  
00:40:59,170 --> 00:40:57,230  
she called me

978  
00:41:03,070 --> 00:40:59,180  
and she didn't give me much information

979  
00:41:05,740 --> 00:41:03,080  
but I just said I see this kid he's you

980  
00:41:08,230 --> 00:41:05,750  
know a teenager maybe 17 18 yeah he

981  
00:41:10,390 --> 00:41:08,240  
happened to be 17 I said I see him

982  
00:41:13,150 --> 00:41:10,400  
probably two and a half three miles away

983  
00:41:18,340 --> 00:41:13,160  
from home and she said yeah he just got

984  
00:41:20,290 --> 00:41:18,350  
up he he erased he cleared his hard

985  
00:41:22,660 --> 00:41:20,300  
drive on his computer took everything

986  
00:41:25,150 --> 00:41:22,670  
off it cleaned everything up so he

987  
00:41:27,940 --> 00:41:25,160  
couldn't be found on any any nothing

988  
00:41:29,500 --> 00:41:27,950

left of him and he left that morning and

989

00:41:32,740 --> 00:41:29,510

she just felt bad about it she felt

990

00:41:34,720 --> 00:41:32,750

something was wrong and he left and he

991

00:41:37,930 --> 00:41:34,730

ended up taking a shotgun with him a

992

00:41:42,730 --> 00:41:37,940

sawed-off shotgun that we saw because I

993

00:41:44,440 --> 00:41:42,740

thought I saw that and I said and he's

994

00:41:46,840 --> 00:41:44,450

not coming back you know I said he's not

995

00:41:49,950 --> 00:41:46,850

gonna come back I said you need to look

996

00:41:54,280 --> 00:41:49,960

for a service road that has the number

997

00:41:56,260 --> 00:41:54,290

91 or a caiman of 91 or 61 on it so it's

998

00:41:58,330 --> 00:41:56,270

way back in the woods and it's a little

999

00:42:00,610 --> 00:41:58,340

service bridge and there was a he's

1000

00:42:02,860 --> 00:42:00,620

covered and leaves that he's gonna be

1001  
00:42:05,200 --> 00:42:02,870  
covered leaves when you find him and and

1002  
00:42:07,120 --> 00:42:05,210  
she is like crying going oh no he's got

1003  
00:42:08,980 --> 00:42:07,130  
to come back and I said I'm sorry that's

1004  
00:42:10,450 --> 00:42:08,990  
what I'm getting that hope I hope to god

1005  
00:42:12,430 --> 00:42:10,460  
he walks through that door and he's time

1006  
00:42:14,590 --> 00:42:12,440  
now and it'll be all over but I don't

1007  
00:42:16,690 --> 00:42:14,600  
feel that's going to happen and uh and

1008  
00:42:19,030 --> 00:42:16,700  
he'll he will be found and he'll be

1009  
00:42:21,910 --> 00:42:19,040  
covered in the leaves and sure enough

1010  
00:42:24,910 --> 00:42:21,920  
man seven months later I just got a call

1011  
00:42:27,430 --> 00:42:24,920  
you know just a few days ago and it was

1012  
00:42:29,920 --> 00:42:27,440  
the mom and she was crying and she says

1013  
00:42:33,280 --> 00:42:29,930

they found my son exactly where you said

1014

00:42:35,530 --> 00:42:33,290

he was going to be and and he was near

1015

00:42:37,060 --> 00:42:35,540

some rocks the only thing that was

1016

00:42:39,880 --> 00:42:37,070

missing was the gun so they don't know

1017

00:42:43,210 --> 00:42:39,890

what happened to the shotgun but yeah

1018

00:42:45,580 --> 00:42:43,220

and he just skeletal remains but I saw

1019

00:42:47,380 --> 00:42:45,590

it all you know and I just didn't say

1020

00:42:48,460 --> 00:42:47,390

yeah it's just really really sad so

1021

00:42:51,960 --> 00:42:48,470

those are the kind of things that I

1022

00:42:54,400 --> 00:42:51,970

don't you know like but I do work with

1023

00:42:56,710 --> 00:42:54,410

different agencies in that once in a

1024

00:43:03,370 --> 00:42:56,720

while yeah I know you weren't very happy

1025

00:43:07,960 --> 00:43:05,890

because it was so emotional for you is

1026

00:43:10,000 --> 00:43:07,970

emotional for me but you saw the whole

1027

00:43:13,630 --> 00:43:10,010

thing you saw that he shot himself

1028

00:43:16,840 --> 00:43:13,640

yeah itself yes did you also pick up on

1029

00:43:19,780 --> 00:43:16,850

why did you get any information

1030

00:43:21,790 --> 00:43:19,790

he was just squeezed he had no friends I

1031

00:43:23,740 --> 00:43:21,800

feel like he had no friends at all I was

1032

00:43:26,470 --> 00:43:23,750

kind of you know it was a really good

1033

00:43:29,110 --> 00:43:26,480

looking kid you know in just 17 years

1034

00:43:31,960 --> 00:43:29,120

old and a good looking guy and extremely

1035

00:43:34,330 --> 00:43:31,970

brilliant smart man smart kid

1036

00:43:37,240 --> 00:43:34,340

it had a bright future but he was just

1037

00:43:39,670 --> 00:43:37,250

being just there are other details I

1038

00:43:41,760 --> 00:43:39,680

can't disclose but he just he just

1039

00:43:44,050 --> 00:43:41,770

couldn't cope with it anymore

1040

00:43:45,310 --> 00:43:44,060

and he didn't have a drug problem he

1041

00:43:46,690 --> 00:43:45,320

didn't have a drinking problem a drug

1042

00:43:48,610 --> 00:43:46,700

problem nothing like that at all

1043

00:43:50,500 --> 00:43:48,620

he just had some issues he had a hole in

1044

00:43:52,660 --> 00:43:50,510

his heart he had an emotional hole in

1045

00:43:55,780 --> 00:43:52,670

his heart that he couldn't fill and so

1046

00:44:00,730 --> 00:43:55,790

so this is the way he exited yeah it's

1047

00:44:03,570 --> 00:44:00,740

terrible feel there's more suicide

1048

00:44:08,440 --> 00:44:03,580

attempts now that we've ever had before

1049

00:44:10,150 --> 00:44:08,450

yeah you know yeah that'll pass - the

1050

00:44:10,840 --> 00:44:10,160

numbers aren't daunting out again you

1051  
00:44:12,850 --> 00:44:10,850  
know they start going the other

1052  
00:44:15,070 --> 00:44:12,860  
direction it'll be less of that but yeah

1053  
00:44:18,850 --> 00:44:15,080  
there's just a lot of a lot of little

1054  
00:44:20,920 --> 00:44:18,860  
boats out there without rudders well

1055  
00:44:22,660 --> 00:44:20,930  
what maybe even ask that George is

1056  
00:44:24,640 --> 00:44:22,670  
because as you know we've talked about

1057  
00:44:27,190 --> 00:44:24,650  
the fact for going into a to Universal

1058  
00:44:29,770 --> 00:44:27,200  
year but it's an 11-2 so it gives a lot

1059  
00:44:33,010 --> 00:44:29,780  
of high spirituality but it deals with a

1060  
00:44:34,420 --> 00:44:33,020  
tremendous amount of sensitivity and a

1061  
00:44:36,910 --> 00:44:34,430  
lot of people don't know how to cope

1062  
00:44:40,450 --> 00:44:36,920  
with that what would be a suggestion for

1063  
00:44:43,510 --> 00:44:40,460

you doing what you do for them get a

1064

00:44:46,780 --> 00:44:43,520

coping tool a coping tool would be like

1065

00:44:50,320 --> 00:44:46,790

you know really if you're a drinker stop

1066

00:44:52,390 --> 00:44:50,330

if you do a lot of drugs stop you start

1067

00:44:54,700 --> 00:44:52,400

working out it's really trying to get

1068

00:44:56,380 --> 00:44:54,710

back into your healthy healthy zone

1069

00:44:58,120 --> 00:44:56,390

that'll help you a lot so I'll take care

1070

00:44:59,410 --> 00:44:58,130

of a lot of depression nothing you have

1071

00:45:01,150 --> 00:44:59,420

a lot of that kind of stuff but I really

1072

00:45:03,100 --> 00:45:01,160

feel like try to get yourself healthy

1073

00:45:05,650 --> 00:45:03,110

again and then whatever your belief

1074

00:45:08,220 --> 00:45:05,660

system is you know use that to help you

1075

00:45:11,590 --> 00:45:08,230

if you know if you're a Catholic or

1076  
00:45:13,420 --> 00:45:11,600  
whatever a Buddhist you know use that to

1077  
00:45:17,530 --> 00:45:13,430  
help guide you out of that

1078  
00:45:19,390 --> 00:45:17,540  
and and do positive things yeah force

1079  
00:45:20,980 --> 00:45:19,400  
yourself into doing positive things you

1080  
00:45:23,230 --> 00:45:20,990  
know make yourself get a routine going

1081  
00:45:24,910 --> 00:45:23,240  
things of that nature find yourself and

1082  
00:45:26,830 --> 00:45:24,920  
it's interesting because when you start

1083  
00:45:28,780 --> 00:45:26,840  
doing that your gifts begin to show

1084  
00:45:30,310 --> 00:45:28,790  
you'll start noticing that you have

1085  
00:45:33,250 --> 00:45:30,320  
things that you didn't realize were

1086  
00:45:35,410 --> 00:45:33,260  
there or sort of dormant but now they're

1087  
00:45:37,570 --> 00:45:35,420  
coming out everyone has a lot of gifts

1088  
00:45:39,940 --> 00:45:37,580

and we need to like just kind of relax

1089

00:45:41,890 --> 00:45:39,950

and let them happen you know don't

1090

00:45:44,140 --> 00:45:41,900

overthink it everybody thinks too much

1091

00:45:46,240 --> 00:45:44,150

just cool out man just think a little

1092

00:45:48,190 --> 00:45:46,250

less and just use your heart more than

1093

00:45:49,420 --> 00:45:48,200

your head maybe a heart always stares

1094

00:45:51,430 --> 00:45:49,430

you in the right direction it's our

1095

00:45:53,830 --> 00:45:51,440

minds that get is all the advice that's

1096

00:45:56,170 --> 00:45:53,840

exactly I always say don't listen to

1097

00:45:58,630 --> 00:45:56,180

this one listen to this one yeah because

1098

00:46:00,160 --> 00:45:58,640

that's where it basically comes from but

1099

00:46:04,360 --> 00:46:00,170

I've noticed more people I've spoken

1100

00:46:06,850 --> 00:46:04,370

with of light are going into that sad or

1101  
00:46:09,220 --> 00:46:06,860  
what was me feeling of not knowing how

1102  
00:46:13,090 --> 00:46:09,230  
to go forward or feeling abandoned or

1103  
00:46:15,130 --> 00:46:13,100  
misused or abused right yeah yeah you

1104  
00:46:17,880 --> 00:46:15,140  
just have to fight your way back and

1105  
00:46:20,560 --> 00:46:17,890  
it's good to heal your meal that I know

1106  
00:46:22,270 --> 00:46:20,570  
and you know I get a lot of suicides too

1107  
00:46:23,830 --> 00:46:22,280  
that come in and come out and they

1108  
00:46:25,840 --> 00:46:23,840  
really there's no penalty for what

1109  
00:46:28,930 --> 00:46:25,850  
they've done only the fact that they

1110  
00:46:31,270 --> 00:46:28,940  
have to feel what they left behind like

1111  
00:46:34,300 --> 00:46:31,280  
the immediate family you know how much

1112  
00:46:36,460 --> 00:46:34,310  
it hurt them you know that kind of thing

1113  
00:46:40,630 --> 00:46:36,470

and then the the what-ifs you know

1114

00:46:42,910 --> 00:46:40,640

everyone's saying if I only help them

1115

00:46:44,230 --> 00:46:42,920

you know and it's it doesn't matter you

1116

00:46:45,820 --> 00:46:44,240

know when they're in that mindset

1117

00:46:47,830 --> 00:46:45,830

they're just going to do it they don't

1118

00:46:49,090 --> 00:46:47,840

want to want to live they just can't

1119

00:46:51,460 --> 00:46:49,100

figure out how to do it anymore

1120

00:46:52,990 --> 00:46:51,470

and they're overwhelmed and so they do

1121

00:46:56,800 --> 00:46:53,000

it but there is no penalty that I've

1122

00:46:58,060 --> 00:46:56,810

ever seen that's good to know because I

1123

00:46:59,950 --> 00:46:58,070

think a lot of parents when they go

1124

00:47:01,440 --> 00:46:59,960

through they they lose particularly

1125

00:47:04,900 --> 00:47:01,450

today there's so many children dying

1126  
00:47:07,060 --> 00:47:04,910  
with through drugs or whatever a quote

1127  
00:47:09,250 --> 00:47:07,070  
accidental suicide if you want to call

1128  
00:47:11,710 --> 00:47:09,260  
it that but the parents have to live

1129  
00:47:14,410 --> 00:47:11,720  
through it afterwards and the feeling

1130  
00:47:16,710 --> 00:47:14,420  
that there is no penalty for it makes it

1131  
00:47:19,630 --> 00:47:16,720  
a little easier for the parent to yeah

1132  
00:47:21,460 --> 00:47:19,640  
yeah deep in parents they really need to

1133  
00:47:23,320 --> 00:47:21,470  
look good I mean yeah you need to

1134  
00:47:25,030 --> 00:47:23,330  
celebrate their life and that more

1135  
00:47:26,830 --> 00:47:25,040  
because there was something and as

1136  
00:47:28,360 --> 00:47:26,840  
parents you know we do the best we can

1137  
00:47:30,520 --> 00:47:28,370  
to give our children the pearls of

1138  
00:47:32,290 --> 00:47:30,530

wisdom that we've learned and whether

1139

00:47:34,600 --> 00:47:32,300

they use them or not it's up kind of up

1140

00:47:37,990 --> 00:47:34,610

to them but they're on their own path

1141

00:47:41,650 --> 00:47:38,000

you know it's there if they're if their

1142

00:47:45,040 --> 00:47:41,660

path they're walking exactly right

1143

00:47:47,620 --> 00:47:45,050

yes exactly well here's a question and

1144

00:47:50,620 --> 00:47:47,630

this is from the chat room I want to get

1145

00:47:54,100 --> 00:47:50,630

to it this is from Katniss who says hi

1146

00:47:57,340 --> 00:47:54,110

George do you get any kind of tingly or

1147

00:47:59,800 --> 00:47:57,350

sensory cues before these visions pop

1148

00:48:01,780 --> 00:47:59,810

into your head about someone yeah at

1149

00:48:04,060 --> 00:48:01,790

times they do yeah at times I will I

1150

00:48:07,390 --> 00:48:04,070

could pass someone and all of a sudden I

1151  
00:48:09,760 --> 00:48:07,400  
just get this whole wave of visuals you

1152  
00:48:14,620 --> 00:48:09,770  
know and I just go oh but see I don't

1153  
00:48:21,370 --> 00:48:14,630  
approach people just in the I don't walk

1154  
00:48:22,630 --> 00:48:21,380  
up to this should do that you should get

1155  
00:48:23,890 --> 00:48:22,640  
permission first because you don't know

1156  
00:48:27,550 --> 00:48:23,900  
how they're gonna react

1157  
00:48:30,670 --> 00:48:27,560  
yeah and so I just don't really say

1158  
00:48:33,010 --> 00:48:30,680  
anything unless somehow the soul will

1159  
00:48:35,350 --> 00:48:33,020  
give me the permission to do it and show

1160  
00:48:36,970 --> 00:48:35,360  
me a way to connect with them and then

1161  
00:48:39,130 --> 00:48:36,980  
I'll do it but that's the only way I'll

1162  
00:48:41,260 --> 00:48:39,140  
do it but yeah I do get kind of a little

1163  
00:48:43,450 --> 00:48:41,270

bit of a tingly feeling feeling it's a

1164

00:48:46,180 --> 00:48:43,460

knowing you know you get this feeling of

1165

00:48:49,600 --> 00:48:46,190

knowing in your intuition you know so

1166

00:48:52,540 --> 00:48:49,610

yeah yes it's a double-edged sword

1167

00:48:53,170 --> 00:48:52,550

it really is oh definitely I know what

1168

00:48:56,920 --> 00:48:53,180

you've been through

1169

00:48:59,140 --> 00:48:56,930

yes yeah you did this is from Bryan

1170

00:49:02,020 --> 00:48:59,150

Gresham in the chat was asking is there

1171

00:49:04,720 --> 00:49:02,030

a shelf life for people who have passed

1172

00:49:06,850 --> 00:49:04,730

on to be able to connect to a medium

1173

00:49:08,740 --> 00:49:06,860

like a time window where they could

1174

00:49:11,770 --> 00:49:08,750

still make a connection to the living

1175

00:49:14,950 --> 00:49:11,780

any time it just depends on the soul

1176

00:49:16,330 --> 00:49:14,960

some Souls if they cross over everyone

1177

00:49:17,590 --> 00:49:16,340

goes through a life of you and once

1178

00:49:19,660 --> 00:49:17,600

that's done you're forgiven for

1179

00:49:21,280 --> 00:49:19,670

everything and then you go into the

1180

00:49:22,540 --> 00:49:21,290

realm of souls or the garden of souls

1181

00:49:24,360 --> 00:49:22,550

and that's where you'll see a lot of

1182

00:49:26,770 --> 00:49:24,370

your relatives even their pets are there

1183

00:49:29,020 --> 00:49:26,780

for example the man with the horses and

1184

00:49:30,550 --> 00:49:29,030

then they're there so animals that were

1185

00:49:32,590 --> 00:49:30,560

close to us they'll be there and your

1186

00:49:35,770 --> 00:49:32,600

relatives your friends that you want to

1187

00:49:36,880 --> 00:49:35,780

see and you'll cross over go through

1188

00:49:38,590 --> 00:49:36,890

your life preview

1189

00:49:40,780 --> 00:49:38,600

then you let into this garden of souls

1190

00:49:42,490 --> 00:49:40,790

and no one really you don't have to

1191

00:49:44,800 --> 00:49:42,500

reincarnate and usually they don't

1192

00:49:46,240 --> 00:49:44,810

reincarnate and so everyone that they've

1193

00:49:48,430 --> 00:49:46,250

loved that still back here on the

1194

00:49:49,960 --> 00:49:48,440

physical plane cross over and you see

1195

00:49:51,760 --> 00:49:49,970

them again and then when you see them

1196

00:49:53,770 --> 00:49:51,770

again you can either stay there in the

1197

00:49:56,800 --> 00:49:53,780

dimensional and travel dimensionally or

1198

00:49:58,570 --> 00:49:56,810

make plans to come back here but usually

1199

00:50:01,390 --> 00:49:58,580

not until everyone is crossed over

1200

00:50:03,610 --> 00:50:01,400

I'll interested to know that yeah very

1201  
00:50:05,710 --> 00:50:03,620  
interesting George that's the way I've

1202  
00:50:09,940 --> 00:50:05,720  
seen it I'm probably totally wrong but

1203  
00:50:16,000 --> 00:50:09,950  
that's how I've always seen it part of

1204  
00:50:17,830 --> 00:50:16,010  
you has to be right after all yeah what

1205  
00:50:19,690 --> 00:50:17,840  
else did you want there's another

1206  
00:50:22,360 --> 00:50:19,700  
question here this is from tolerator

1207  
00:50:25,720 --> 00:50:22,370  
says hi girls in us George

1208  
00:50:28,030 --> 00:50:25,730  
if grief allows us to remain connected

1209  
00:50:31,810 --> 00:50:28,040  
to past loved ones or does it hold us

1210  
00:50:34,870 --> 00:50:31,820  
back question grief is a very important

1211  
00:50:36,490 --> 00:50:34,880  
thing to go through to grieve someone

1212  
00:50:40,270 --> 00:50:36,500  
and you should find the tools to help

1213  
00:50:42,160 --> 00:50:40,280

you through that but they really want

1214

00:50:44,710 --> 00:50:42,170

you you know once the soul has made it

1215

00:50:46,240 --> 00:50:44,720

over they're free and clear they're in

1216

00:50:49,650 --> 00:50:46,250

the light I've never seen a soul like

1217

00:50:52,240 --> 00:50:49,660

burning in hell or mailed to anything or

1218

00:50:54,310 --> 00:50:52,250

they just cross over this was their life

1219

00:50:56,740 --> 00:50:54,320

lesson here but grieving yeah it's

1220

00:50:58,450 --> 00:50:56,750

important to do but they really want you

1221

00:51:00,220 --> 00:50:58,460

to celebrate their lives they want you

1222

00:51:02,200 --> 00:51:00,230

to celebrate their lies in fact when you

1223

00:51:04,210 --> 00:51:02,210

do celebrate their lives they can

1224

00:51:05,560 --> 00:51:04,220

actually connect with you a lot easier

1225

00:51:08,830 --> 00:51:05,570

because when you're grieving

1226  
00:51:11,140 --> 00:51:08,840  
crying constantly in that mourning state

1227  
00:51:12,910 --> 00:51:11,150  
they they don't want to get too close to

1228  
00:51:15,370 --> 00:51:12,920  
you because it brings you more pain so

1229  
00:51:18,070 --> 00:51:15,380  
they back off so once you can settle

1230  
00:51:19,360 --> 00:51:18,080  
down and make peace with it and you know

1231  
00:51:21,340 --> 00:51:19,370  
they have had their journey they're gone

1232  
00:51:22,990 --> 00:51:21,350  
now you're still here they want you to

1233  
00:51:24,760 --> 00:51:23,000  
celebrate their life and if you do that

1234  
00:51:26,920 --> 00:51:24,770  
they can change things for you and

1235  
00:51:28,420 --> 00:51:26,930  
that's through nudging Souls not allowed

1236  
00:51:30,610 --> 00:51:28,430  
to mess around with your journey they

1237  
00:51:32,440 --> 00:51:30,620  
are allowed to nudge and so that's why

1238  
00:51:36,370 --> 00:51:32,450

all of us are have we're all souls

1239

00:51:38,110 --> 00:51:36,380

having a human experience so that way we

1240

00:51:41,950 --> 00:51:38,120

all have that sort of sixth sense that

1241

00:51:44,770 --> 00:51:41,960

knowing you know yeah you mentioned

1242

00:51:45,940 --> 00:51:44,780

earlier whenever you get the feeling

1243

00:51:48,040 --> 00:51:45,950

like someone's in the room with you and

1244

00:51:49,840 --> 00:51:48,050

there's no one there we usually go to

1245

00:51:50,890 --> 00:51:49,850

our logical mind and we think oh is

1246

00:51:52,870 --> 00:51:50,900

there somebody at the front door or

1247

00:51:54,400 --> 00:51:52,880

somebody pulled in the driveway that is

1248

00:51:55,720 --> 00:51:54,410

a soul listening to your thought so

1249

00:51:58,020 --> 00:51:55,730

always try to remember what you were

1250

00:52:00,310 --> 00:51:58,030

thinking about when you got that

1251  
00:52:02,500 --> 00:52:00,320  
sensation because they're trying to

1252  
00:52:04,270 --> 00:52:02,510  
they're trying to move you on that idea

1253  
00:52:06,550 --> 00:52:04,280  
so say you're doing the dishes you want

1254  
00:52:07,900 --> 00:52:06,560  
to buy a new BMW and then you begin to

1255  
00:52:09,820 --> 00:52:07,910  
talk yourself out of it for whatever

1256  
00:52:11,860 --> 00:52:09,830  
reason and then almost you get that

1257  
00:52:13,780 --> 00:52:11,870  
sensation but that's the soul telling

1258  
00:52:14,530 --> 00:52:13,790  
you yeah go for it go for all the bells

1259  
00:52:16,210 --> 00:52:14,540  
and whistles

1260  
00:52:18,130 --> 00:52:16,220  
it'll probably trickle down a little bit

1261  
00:52:20,530 --> 00:52:18,140  
better than what you ever thought so

1262  
00:52:22,930 --> 00:52:20,540  
what the soul will do well what you will

1263  
00:52:24,820 --> 00:52:22,940

do is go look for that BMW however that

1264

00:52:27,190 --> 00:52:24,830

is you know internet neighbor friends

1265

00:52:29,410 --> 00:52:27,200

lots what the soul will do is jump ahead

1266

00:52:33,310 --> 00:52:29,420

of you and open up that door for you and

1267

00:52:34,540 --> 00:52:33,320

it'll help you to to get that BMW Alison

1268

00:52:36,010 --> 00:52:34,550

you've got to BMW sitting in your

1269

00:52:38,500 --> 00:52:36,020

driveway because everything fell into

1270

00:52:40,900 --> 00:52:38,510

place very quickly and that's how souls

1271

00:52:42,820 --> 00:52:40,910

help us they they're always trying to

1272

00:52:45,790 --> 00:52:42,830

help us and when you do feel that it's

1273

00:52:47,560 --> 00:52:45,800

so helping you always say thank you say

1274

00:52:50,170 --> 00:52:47,570

thank you to them with your heart and

1275

00:52:51,880 --> 00:52:50,180

say thank you in the physical world say

1276

00:52:54,670 --> 00:52:51,890

it out loud you know thank you uncle Ned

1277

00:52:56,560 --> 00:52:54,680

you know for that I love you too

1278

00:52:58,600 --> 00:52:56,570

and you should say it because you put it

1279

00:53:00,970 --> 00:52:58,610

in the physical world and it becomes

1280

00:53:03,370 --> 00:53:00,980

physical and it keeps that door open

1281

00:53:04,990 --> 00:53:03,380

between you and them and they'll bring

1282

00:53:07,810 --> 00:53:05,000

you all things will help you with other

1283

00:53:09,520 --> 00:53:07,820

issues too okay well this is great

1284

00:53:11,560 --> 00:53:09,530

George we're going to take another very

1285

00:53:13,810 --> 00:53:11,570

short commercial break I know you've had

1286

00:53:16,870 --> 00:53:13,820

you've read for many political figures

1287

00:53:18,520 --> 00:53:16,880

and you mentioned an interesting name we

1288

00:53:21,640 --> 00:53:18,530

were off the air so we're gonna get into

1289

00:53:23,410 --> 00:53:21,650

all of that everybody so stay tuned you

1290

00:53:25,390 --> 00:53:23,420

are listening to Supernatural girls

1291

00:53:29,850 --> 00:53:25,400

radio we're gonna take a very short

1292

00:53:32,650 --> 00:53:29,860

commercial break and we'll be right back

1293

00:53:34,900 --> 00:53:32,660

welcome back everyone to supernatural

1294

00:53:38,050 --> 00:53:34,910

girls radio I'm your host Patricia Baker

1295

00:53:40,390 --> 00:53:38,060

here with my co-host PK well you can

1296

00:53:42,910 --> 00:53:40,400

find at Patricia Kirkman dot-com if

1297

00:53:44,410 --> 00:53:42,920

you'd like a numerology reading and we

1298

00:53:45,790 --> 00:53:44,420

are here tonight with the fabulous

1299

00:53:48,040 --> 00:53:45,800

george lugo

1300

00:53:50,380 --> 00:53:48,050

who you can find at crystal gate

1301  
00:53:52,420 --> 00:53:50,390  
readings calm if you would like your own

1302  
00:53:53,950 --> 00:53:52,430  
reading with George he will be happy to

1303  
00:53:56,620 --> 00:53:53,960  
schedule something for you but I'm gonna

1304  
00:54:00,210 --> 00:53:56,630  
give you a warning this is one busy guy

1305  
00:54:02,420 --> 00:54:00,220  
so if you want something with George be

1306  
00:54:04,099 --> 00:54:02,430  
prepared to leave a message

1307  
00:54:07,190 --> 00:54:04,109  
he will get back to you but you may have

1308  
00:54:10,040 --> 00:54:07,200  
a bit of a wait he's in great demand so

1309  
00:54:13,099 --> 00:54:10,050  
George we were talking off the air again

1310  
00:54:15,200 --> 00:54:13,109  
and you mentioned a name that interested

1311  
00:54:18,829 --> 00:54:15,210  
both of us both in pique and I'm Robert

1312  
00:54:19,370 --> 00:54:18,839  
Kennedy oh yeah yeah I had a small brush

1313  
00:54:21,559 --> 00:54:19,380

with him

1314

00:54:22,849 --> 00:54:21,569

remember when he did the back of the

1315

00:54:24,200 --> 00:54:22,859

train tour and he's going through

1316

00:54:25,819 --> 00:54:24,210

California went all over the place in

1317

00:54:29,720 --> 00:54:25,829

the back of the Train given his speech

1318

00:54:32,720 --> 00:54:29,730

well he pulled into my hometown and and

1319

00:54:35,510 --> 00:54:32,730

did his speech and I was on a flatbed

1320

00:54:37,460 --> 00:54:35,520

truck with my band we're playing for

1321

00:54:39,049 --> 00:54:37,470

everybody and the train rolled in we

1322

00:54:42,020 --> 00:54:39,059

stopped playing we're just listening and

1323

00:54:43,520 --> 00:54:42,030

there's a photograph of him standing in

1324

00:54:45,049 --> 00:54:43,530

the back of the Train now I was standing

1325

00:54:47,450 --> 00:54:45,059

next to the photographer that took it

1326

00:54:49,849 --> 00:54:47,460

because I was on top of the flatbed

1327

00:54:51,770 --> 00:54:49,859

truck and I wanted to see better so I

1328

00:54:53,930 --> 00:54:51,780

got on top of the cab of the truck and

1329

00:54:55,250 --> 00:54:53,940

this entire is that me have to help me

1330

00:54:57,109 --> 00:54:55,260

up there so I got him up there and

1331

00:54:59,059 --> 00:54:57,119

there's a shot of him standing in the

1332

00:55:00,230 --> 00:54:59,069

back of the Train talking to everybody

1333

00:55:03,680 --> 00:55:00,240

and I'm standing right next to the

1334

00:55:06,200 --> 00:55:03,690

photographer but anyway the speech is

1335

00:55:09,470 --> 00:55:06,210

done he leaves he pulls out the train

1336

00:55:10,849 --> 00:55:09,480

goes and I have this giant drum set that

1337

00:55:12,920 --> 00:55:10,859

I'm breaking down back then I thought

1338

00:55:14,390 --> 00:55:12,930

more of us better but anyway so I'm

1339

00:55:15,970 --> 00:55:14,400

breaking this drum set down everyone's

1340

00:55:19,370 --> 00:55:15,980

leaving and the whole place is gone and

1341

00:55:21,170 --> 00:55:19,380

I put in my car I put the drums in my

1342

00:55:23,180 --> 00:55:21,180

car and I go kind of got to go to the

1343

00:55:26,240 --> 00:55:23,190

bathroom so I go into the bathroom I go

1344

00:55:28,130 --> 00:55:26,250

into a stall and I'm sitting there and I

1345

00:55:30,020 --> 00:55:28,140

hear this train pulling up outside I

1346

00:55:32,329 --> 00:55:30,030

thought oh another train pulled in but

1347

00:55:35,120 --> 00:55:32,339

it was actually Robert's train backed up

1348

00:55:37,190 --> 00:55:35,130

and I guess the toilets weren't working

1349

00:55:40,339 --> 00:55:37,200

or something so if he jumps out of the

1350

00:55:42,530 --> 00:55:40,349

out of the train and I see these shiny

1351

00:55:43,849 --> 00:55:42,540

black shoes in front of the door and

1352

00:55:48,789 --> 00:55:43,859

he's banging on the door who's in there

1353

00:55:51,440 --> 00:55:48,799

and I told my it's okay so come on in so

1354

00:55:53,720 --> 00:55:51,450

he's sitting next to me in the stall and

1355

00:55:55,880 --> 00:55:53,730

that divider that you have installed

1356

00:56:04,640 --> 00:55:55,890

this hand pops underneath it deals

1357

00:56:06,140 --> 00:56:04,650

Robert Kennedy and so yes we talked a

1358

00:56:08,240 --> 00:56:06,150

little bit about different things and

1359

00:56:11,780 --> 00:56:08,250

did our business and we left you know

1360

00:56:13,430 --> 00:56:11,790

and and then years later a few actually

1361

00:56:15,180 --> 00:56:13,440

not that long maybe about two years

1362

00:56:17,580 --> 00:56:15,190

later I knew

1363

00:56:19,740 --> 00:56:17,590

my hometown and moved to Los Angeles and

1364

00:56:21,720 --> 00:56:19,750

I was jogging at night because I love

1365

00:56:24,000 --> 00:56:21,730

the way everything looked and I jogged

1366

00:56:26,130 --> 00:56:24,010

over to the Ambassador Hotel and that's

1367

00:56:27,390 --> 00:56:26,140

what the Coconut Grove was and I went

1368

00:56:28,950 --> 00:56:27,400

inside there and I thought about the

1369

00:56:30,810 --> 00:56:28,960

history of all the bands that have

1370

00:56:32,820 --> 00:56:30,820

played there Count Basie and all the big

1371

00:56:34,830 --> 00:56:32,830

guys you know and I'm standing on stage

1372

00:56:36,570 --> 00:56:34,840

and it's dark in the stage and I look

1373

00:56:38,760 --> 00:56:36,580

over and I see this little shiny plaque

1374

00:56:40,440 --> 00:56:38,770

on the wall on the side of the stage and

1375

00:56:44,700 --> 00:56:40,450

I walk over and I look at it this is

1376

00:56:48,210 --> 00:56:44,710

where Robert Kennedy was shot Wow

1377

00:56:53,420 --> 00:56:48,220

full circle you know so that was my

1378

00:56:57,120 --> 00:56:53,430

little brush with Robert Kennedy yeah so

1379

00:57:00,150 --> 00:56:57,130

but you've also read for some very big

1380

00:57:01,860 --> 00:57:00,160

political figures yes I know you thought

1381

00:57:04,620 --> 00:57:01,870

you had them cordon off your whole

1382

00:57:08,400 --> 00:57:04,630

neighborhood yeah they're person to see

1383

00:57:10,770 --> 00:57:08,410

you yes I had yeah one of the guys that

1384

00:57:12,630 --> 00:57:10,780

was running for the presidency came here

1385

00:57:15,390 --> 00:57:12,640

and they sealed off my neighborhood and

1386

00:57:16,860 --> 00:57:15,400

in the black SUVs in the whole nine

1387

00:57:18,780 --> 00:57:16,870

yards are banging on the door they came

1388

00:57:20,760 --> 00:57:18,790

as it came through as a different name

1389

00:57:24,270 --> 00:57:20,770

so I wouldn't know who this guy was and

1390

00:57:25,980 --> 00:57:24,280

so they came in to check out my house my

1391

00:57:27,300 --> 00:57:25,990

house for you know anything that might

1392

00:57:29,490 --> 00:57:27,310

blow up or something I don't know what

1393

00:57:31,320 --> 00:57:29,500

they were looking for but they looked

1394

00:57:34,530 --> 00:57:31,330

around they cleared him he comes in he

1395

00:57:35,910 --> 00:57:34,540

sits down in front of me and says well

1396

00:57:38,070 --> 00:57:35,920

am I going to be the next president of

1397

00:57:39,840 --> 00:57:38,080

the United States and I just close my

1398

00:57:42,990 --> 00:57:39,850

eyes for a second and I said nope you're

1399

00:57:44,490 --> 00:57:43,000

not and so he says let me say this a

1400

00:57:47,070 --> 00:57:44,500

different way and you lean forward he

1401

00:57:48,300 --> 00:57:47,080

goes will I be the father of the United

1402

00:57:50,730 --> 00:57:48,310

States I'm not going to be the president

1403

00:57:53,220 --> 00:57:50,740

the father of United States and I said

1404

00:57:56,070 --> 00:57:53,230

I'm sorry no you won't be it's well why

1405

00:57:57,600 --> 00:57:56,080

and I said because if you do the

1406

00:57:59,010 --> 00:57:57,610

skeletons are going to come out of your

1407

00:58:02,100 --> 00:57:59,020

closet and they're going to destroy your

1408

00:58:03,960 --> 00:58:02,110

family yeah and I think you're a family

1409

00:58:05,820 --> 00:58:03,970

man and I think that you had better

1410

00:58:08,940 --> 00:58:05,830

think about this twice because

1411

00:58:10,920 --> 00:58:08,950

everything's gonna come out and he

1412

00:58:15,530 --> 00:58:10,930

thought himself he goes oh yeah you got

1413

00:58:18,960 --> 00:58:15,540

a point there and he dropped out right

1414

00:58:22,550 --> 00:58:18,970

yeah that was so good go back and check

1415

00:58:37,050 --> 00:58:25,859

the last presidency yeah I was a big one

1416

00:58:38,910 --> 00:58:37,060

so yeah yes a lot of rolling out now

1417

00:58:41,880 --> 00:58:38,920

that we hadn't even thought about what

1418

00:58:44,400 --> 00:58:41,890

do you think about all this everyone

1419

00:58:46,230 --> 00:58:44,410

being able to speak their what's

1420

00:58:48,809 --> 00:58:46,240

happened to them in the past all of a

1421

00:58:52,470 --> 00:58:48,819

sudden the old stories coming out who

1422

00:58:52,920 --> 00:58:52,480

attacked who who did what to who that's

1423

00:58:54,630 --> 00:58:52,930

good

1424

00:58:57,240 --> 00:58:54,640

how do you think that's gonna fare

1425

00:59:03,660 --> 00:58:57,250

because you're talking about the sexual

1426

00:59:06,930 --> 00:59:03,670

abuse a Hollywood thing now it's uh it's

1427

00:59:10,620 --> 00:59:06,940

moving its way into the Senate places

1428

00:59:13,380 --> 00:59:10,630

like oh yeah you know started I know it

1429

00:59:17,099 --> 00:59:13,390

but what I'm getting at is at this point

1430

00:59:19,500 --> 00:59:17,109

in time are they going to finally say

1431

00:59:21,870 --> 00:59:19,510

what has to be done where they're gonna

1432

00:59:24,630 --> 00:59:21,880

start stepping down those that have

1433

00:59:29,010 --> 00:59:24,640

created so much chaos that have gotten

1434

00:59:30,270 --> 00:59:29,020

away with it for so many years yeah it's

1435

00:59:34,410 --> 00:59:30,280

gonna change it's definitely gonna

1436

00:59:35,490 --> 00:59:34,420

change but a lot of that is just you

1437

00:59:37,260 --> 00:59:35,500

know I don't I don't think you got a

1438

00:59:38,400 --> 00:59:37,270

fair shake I mean anybody can say that

1439

00:59:40,470 --> 00:59:38,410

about someone who destroy their own

1440

00:59:42,750 --> 00:59:40,480

Shores you know but so some of it is

1441

00:59:44,460 --> 00:59:42,760

that and some of it is definitely some

1442

00:59:47,220 --> 00:59:44,470

of its anger window-dressing

1443

00:59:49,079 --> 00:59:47,230

type thing exactly yeah it's not even

1444

00:59:51,540 --> 00:59:49,089

worth discussing it'll it'll go away

1445

00:59:53,579 --> 00:59:51,550

it'll finally go away but but not

1446

00:59:55,440 --> 00:59:53,589

without a few changes you know and

1447

00:59:58,829 --> 00:59:55,450

they'll be positive changes well that's

1448

01:00:00,180 --> 00:59:58,839

what I'm hoping for there's gonna be

1449

01:00:01,980 --> 01:00:00,190

there's already hit in some of the

1450

01:00:05,400 --> 01:00:01,990

places at the government so some of that

1451

01:00:09,420 --> 01:00:05,410

can be redirected and by be cleaned up

1452

01:00:12,030 --> 01:00:09,430

yeah it needs to be yeah

1453

01:00:14,400 --> 01:00:12,040

oh I could tell you when but one of my

1454

01:00:16,890 --> 01:00:14,410

yridians a man called me and he barely

1455

01:00:20,550 --> 01:00:16,900

said a word over the phone I thought he

1456

01:00:23,010 --> 01:00:20,560

hung up several times and I said I'm

1457

01:00:24,839 --> 01:00:23,020

getting this elderly man sitting behind

1458

01:00:26,190 --> 01:00:24,849

the desk that seems to be very important

1459

01:00:28,500 --> 01:00:26,200

he's got a business suit on he's got

1460

01:00:32,460 --> 01:00:28,510

books behind them and I can barely see

1461

01:00:34,380 --> 01:00:32,470

off to his left like a big vault and as

1462

01:00:36,150 --> 01:00:34,390

I can his office and

1463

01:00:38,580 --> 01:00:36,160

and now he's pointing down at a name

1464

01:00:40,170 --> 01:00:38,590

plaque so I read the name to go oh my

1465

01:00:42,330 --> 01:00:40,180

god that's who we're looking for

1466

01:00:44,820 --> 01:00:42,340

and why he didn't even say that he goes

1467

01:00:46,950 --> 01:00:44,830

huh huh and I went okay so he's telling

1468

01:00:49,350 --> 01:00:46,960

me you guys have got to stop fighting

1469

01:00:52,250 --> 01:00:49,360

the family is just being destroyed

1470

01:00:55,110 --> 01:00:52,260

dismantled you got to stop fighting and

1471

01:00:57,270 --> 01:00:55,120

he didn't say anything I said you guys

1472

01:00:59,130 --> 01:00:57,280

were in lawsuits now I mean it's really

1473

01:01:02,880 --> 01:00:59,140

bad you guys were a close family and now

1474

01:01:05,730 --> 01:01:02,890

it's just war and and yeah I said he's

1475

01:01:07,770 --> 01:01:05,740

saying in 36 24 25 you know blah blah

1476

01:01:09,570 --> 01:01:07,780

blah I said write these numbers down and

1477

01:01:11,580 --> 01:01:09,580

he says I gotta go

1478

01:01:13,470 --> 01:01:11,590

click and that was it and so he called

1479

01:01:14,790 --> 01:01:13,480

me back about a month later and he says

1480

01:01:16,680 --> 01:01:14,800

those numbers you gave me where the

1481

01:01:20,420 --> 01:01:16,690

combination to its vault we have been

1482

01:01:23,160 --> 01:01:20,430

trying to open that vault for two years

1483

01:01:24,420 --> 01:01:23,170

and we didn't want to destroy the vault

1484

01:01:26,010 --> 01:01:24,430

because it's like an heirloom it's

1485

01:01:28,790 --> 01:01:26,020

beautiful and we didn't want to mess it

1486

01:01:30,840 --> 01:01:28,800

up and drill holes in it or whatever and

1487

01:01:33,480 --> 01:01:30,850

everything they the Wills

1488

01:01:35,760 --> 01:01:33,490

the cache the gold bullion the whole

1489

01:01:38,910 --> 01:01:35,770

nine yard was in this big big vault in

1490

01:01:40,080 --> 01:01:38,920

his house and say so they're still suing

1491

01:01:43,380 --> 01:01:40,090

each other though they're still like

1492

01:01:44,940 --> 01:01:43,390

after the money now forward it was all

1493

01:01:46,740 --> 01:01:44,950

written out who was gonna get what but

1494

01:01:48,630 --> 01:01:46,750

he died before you know nobody knew

1495

01:01:50,670 --> 01:01:48,640

where the papers were and so they had to

1496

01:01:52,590 --> 01:01:50,680

get in that vault but yeah I gave him

1497

01:01:54,690 --> 01:01:52,600

the numbers and he was real thankful for

1498

01:01:55,920 --> 01:01:54,700

that hey so sorry I didn't want to say

1499

01:01:58,740 --> 01:01:55,930

anything when I talked to you because

1500

01:02:01,710 --> 01:01:58,750

that's wanna make sure you're real okay

1501

01:02:05,370 --> 01:02:01,720

you know oh I could tell you about

1502

01:02:06,570 --> 01:02:05,380

something that I did hear this family

1503

01:02:08,160 --> 01:02:06,580

was trying to get ahold me for quite a

1504

01:02:09,630 --> 01:02:08,170

long time and they finally found me and

1505

01:02:11,250 --> 01:02:09,640

they asked me to come over and do

1506

01:02:14,790 --> 01:02:11,260

readings so I'd go to their house and

1507

01:02:18,210 --> 01:02:14,800

I'm walking around in this big house and

1508

01:02:20,550 --> 01:02:18,220

I pick up a Mary and I pick up someone

1509

01:02:23,310 --> 01:02:20,560

like Josephus and all these different

1510

01:02:28,740 --> 01:02:23,320

people and he's going yeah that's right

1511

01:02:30,420 --> 01:02:28,750

that's right and I said it's over here

1512

01:02:32,220 --> 01:02:30,430

and and I walked into the dining room

1513

01:02:34,170 --> 01:02:32,230

and the master bedroom was right off of

1514

01:02:36,180 --> 01:02:34,180

the dining room and the door was

1515

01:02:38,490 --> 01:02:36,190

slightly open and right where the hinges

1516

01:02:39,810 --> 01:02:38,500

are that holds a door on I can see

1517

01:02:42,570 --> 01:02:39,820

through that crack and there was a woman

1518

01:02:44,400 --> 01:02:42,580

laying in the hospital bed and she sat

1519

01:02:46,230 --> 01:02:44,410

up and she looked at me which told me

1520

01:02:47,099 --> 01:02:46,240

her name was Mary and she was just

1521

01:02:50,640 --> 01:02:47,109

saying thank you

1522

01:02:52,799 --> 01:02:50,650

congratulations to her husband who I was

1523

01:02:55,349 --> 01:02:52,809

doing the reading for and his wife and

1524

01:02:56,700 --> 01:02:55,359

and that was his old wife I didn't know

1525

01:02:59,009 --> 01:02:56,710

that but she told me that was his own

1526

01:03:00,900 --> 01:02:59,019

wife so I told him I said there's a Mary

1527

01:03:02,880 --> 01:03:00,910

in here that's in a hospital bed and she

1528

01:03:03,569 --> 01:03:02,890

just wanted to let you know I gave him

1529

01:03:05,609 --> 01:03:03,579

the message

1530

01:03:07,470 --> 01:03:05,619

and he started crying you know and so he

1531

01:03:09,390 --> 01:03:07,480

comes into that room he come into that

1532

01:03:11,309 --> 01:03:09,400

room with me and so he had put the

1533

01:03:13,349 --> 01:03:11,319

hospital bed right where I saw it and

1534

01:03:14,910 --> 01:03:13,359

they move the big bed over a little bit

1535

01:03:17,849 --> 01:03:14,920

so the hospital bed would sit next to

1536

01:03:20,069 --> 01:03:17,859

his bed to their bed so he took care of

1537

01:03:22,349 --> 01:03:20,079

her until she passed well in the corner

1538

01:03:23,789 --> 01:03:22,359

which I noticed out here people put

1539

01:03:26,009 --> 01:03:23,799

things in corners and cover them up with

1540

01:03:28,589 --> 01:03:26,019

blankets I don't know why but anyway so

1541

01:03:31,859 --> 01:03:28,599

in that pile of stuff under the blankets

1542

01:03:33,930 --> 01:03:31,869

I saw a chair she was a skinny old man

1543

01:03:36,029 --> 01:03:33,940

sitting in it and I told him what his

1544

01:03:38,309 --> 01:03:36,039

name was and he says yeah that's that's

1545

01:03:39,630 --> 01:03:38,319

my grandfather and I said well he's

1546

01:03:41,279 --> 01:03:39,640

sitting in this chair and he goes

1547

01:03:42,960 --> 01:03:41,289

prepared let me show you so he took the

1548

01:03:44,849 --> 01:03:42,970

blankets off took a bunch of boxes out

1549

01:03:46,259 --> 01:03:44,859

and then pulled this old chair out he

1550

01:03:48,720 --> 01:03:46,269

goes this chair has been in our family

1551

01:03:53,970 --> 01:03:48,730

for like a hundred and nineteen years

1552

01:03:55,349 --> 01:03:53,980

and he says so that's where my

1553

01:03:57,390 --> 01:03:55,359

grandfather used to sit and some other

1554

01:03:59,039 --> 01:03:57,400

family members so the whole time that

1555

01:04:01,680 --> 01:03:59,049

I'm doing this reading every once in a

1556

01:04:04,559 --> 01:04:01,690

while he said are you getting Jim I'm

1557

01:04:06,210 --> 01:04:04,569

going Jim no no Jim and later on are you

1558

01:04:08,400 --> 01:04:06,220

getting Jimmy yeah it's Jimmy coming

1559

01:04:10,680 --> 01:04:08,410

through and I said no I'm a given any

1560

01:04:13,799 --> 01:04:10,690

Jim so we got done with the whole thing

1561

01:04:19,339 --> 01:04:13,809

and then I said sorry I didn't get your

1562

01:04:26,970 --> 01:04:24,599

he said because Jimmy's alive oh okay

1563

01:04:30,289 --> 01:04:26,980

who's Jimmy you know and it's Jim

1564

01:04:32,789 --> 01:04:30,299

Morrison of the doors he's still alive

1565

01:04:40,739 --> 01:04:32,799

he lives in rides

1566

01:04:42,720 --> 01:04:40,749

he lives in Bend Oregon and this whole

1567

01:04:47,579 --> 01:04:42,730

thing the whole thing in Paris was faked

1568

01:04:49,710 --> 01:04:47,589

so he can get out of there nobody's been

1569

01:04:53,009 --> 01:04:49,720

able to really prove it but you you were

1570

01:04:55,410 --> 01:04:53,019

on the other side his family his family

1571

01:04:58,100 --> 01:04:55,420

said his family said it was his family

1572

01:05:01,040 --> 01:04:58,110

and that was it was this cousin that I

1573

01:05:02,630 --> 01:05:01,050

for and they're the same age and he says

1574

01:05:04,370 --> 01:05:02,640

you want to talk to him I said yeah I'd

1575

01:05:06,350 --> 01:05:04,380

love to talk to him and this is because

1576

01:05:08,960 --> 01:05:06,360

I want out I want to find out he says

1577

01:05:09,440 --> 01:05:08,970

what if I let you talk to them talk to

1578

01:05:11,660 --> 01:05:09,450

him

1579

01:05:13,160 --> 01:05:11,670

the FBI is always listening in and

1580

01:05:17,960 --> 01:05:13,170

they're gonna end up wanting to talk to

1581

01:05:23,480 --> 01:05:17,970

you and I said oh yeah forget it I take

1582

01:05:25,160 --> 01:05:23,490

your word for it you know so because of

1583

01:05:27,460 --> 01:05:25,170

all the in trouble he was in you know

1584

01:05:29,540 --> 01:05:27,470

when he was alive he was wanted in

1585

01:05:31,790 --> 01:05:29,550

Florida for all kinds of things in other

1586

01:05:32,720 --> 01:05:31,800

various places that he played and you

1587

01:05:35,080 --> 01:05:32,730

know Pelham

1588

01:05:38,360 --> 01:05:35,090

palimony suits all over the place and

1589

01:05:41,240 --> 01:05:38,370

indecent exposure charges and all kinds

1590

01:05:44,600 --> 01:05:41,250

of stuff and you know he just saw what

1591

01:05:46,370 --> 01:05:44,610

he did was he faked his funeral in Paris

1592

01:05:48,170 --> 01:05:46,380

and they went to South America and he

1593

01:05:50,390 --> 01:05:48,180

stayed down there for a lot of years and

1594

01:05:53,240 --> 01:05:50,400

then worked his way up to Bend Oregon

1595

01:06:01,520 --> 01:05:53,250

and settle down and and has a horse

1596

01:06:04,190 --> 01:06:01,530

ranch up there this his cousin he says

1597

01:06:06,470 --> 01:06:04,200

listen I am so happy with this reading I

1598

01:06:08,840 --> 01:06:06,480

love it I want you to have his chair I

1599

01:06:12,620 --> 01:06:08,850

said your grandfather story goes yeah

1600

01:06:14,060 --> 01:06:12,630

but Jim wrote from break on through in

1601  
01:06:16,370 --> 01:06:14,070  
that chair he wrote a whole bunch of

1602  
01:06:17,920 --> 01:06:16,380  
songs in that chair and my grandfather

1603  
01:06:21,710 --> 01:06:17,930  
is the one that came up with the doors

1604  
01:06:23,600 --> 01:06:21,720  
in the movie the doors he's Jim is

1605  
01:06:24,410 --> 01:06:23,610  
talking to the the piano player and

1606  
01:06:26,690 --> 01:06:24,420  
they're trying to put a band together

1607  
01:06:27,920 --> 01:06:26,700  
talk about doors of perception and all

1608  
01:06:30,050 --> 01:06:27,930  
that kind of stuff so they named their

1609  
01:06:33,550 --> 01:06:30,060  
band The Doors but his grandfather's the

1610  
01:06:40,070 --> 01:06:37,460  
you could knock me over with a feather

1611  
01:06:43,910 --> 01:06:40,080  
when you just said it was Jim Morrison

1612  
01:06:46,550 --> 01:06:43,920  
he's still alive still alive take it

1613  
01:06:47,990 --> 01:06:46,560

even further he gave me this chair and I

1614

01:06:49,670 --> 01:06:48,000

said don't you want to keep it you know

1615

01:06:51,740 --> 01:06:49,680

as a family heirloom and and you know

1616

01:06:53,180 --> 01:06:51,750

Jim sat here your grandfather's Admirals

1617

01:06:55,610 --> 01:06:53,190

have sat on that chair and all these

1618

01:06:57,290 --> 01:06:55,620

family members he says no no I want you

1619

01:06:57,680 --> 01:06:57,300

to have it this time for you to let this

1620

01:07:00,320 --> 01:06:57,690

go

1621

01:07:07,340 --> 01:07:00,330

and there's a little it's it's an old

1622

01:07:10,130 --> 01:07:07,350

Morris chair you know the kind then it's

1623

01:07:11,270 --> 01:07:10,140

got wide handles on it well there's a

1624

01:07:13,580 --> 01:07:11,280

little part where

1625

01:07:14,810 --> 01:07:13,590

like someone dug their nail into the

1626  
01:07:16,250 --> 01:07:14,820  
life they were nervous they're just kept

1627  
01:07:17,030 --> 01:07:16,260  
working on a little hole I made it

1628  
01:07:19,190 --> 01:07:17,040  
bigger and bigger

1629  
01:07:20,990 --> 01:07:19,200  
well that was Jim he made that hole you

1630  
01:07:22,970 --> 01:07:21,000  
know working on stuff and he was just

1631  
01:07:25,490 --> 01:07:22,980  
picking at it and picking at it middle

1632  
01:07:27,590 --> 01:07:25,500  
and hole in it so a lot of that energy

1633  
01:07:29,540 --> 01:07:27,600  
is in this chair and the way I know that

1634  
01:07:32,510 --> 01:07:29,550  
is that I took the chair and I had it in

1635  
01:07:34,400 --> 01:07:32,520  
my living room in a really non you know

1636  
01:07:36,500 --> 01:07:34,410  
show-off he part of the room I just had

1637  
01:07:38,480 --> 01:07:36,510  
it sitting there and women would come

1638  
01:07:40,430 --> 01:07:38,490

over and they'd be gravitate towards

1639

01:07:42,110 --> 01:07:40,440

that chair and there's nothing chariot

1640

01:07:44,240 --> 01:07:42,120

already to look at and they'd walk

1641

01:07:49,130 --> 01:07:44,250

around that chair in the go man I like

1642

01:07:53,900 --> 01:07:49,140

this chair and you mind if I sit in it I

1643

01:07:56,600 --> 01:07:53,910

said it's an old chair I mean oh my god

1644

01:08:09,340 --> 01:07:56,610

this channa I said keep the clothes on

1645

01:08:09,350 --> 01:08:18,760

then I got the chair how many years ago

1646

01:08:25,309 --> 01:08:21,289

he's like 70 something I used to lives

1647

01:08:27,890 --> 01:08:25,319

up there yeah been a number of sleuths

1648

01:08:30,019 --> 01:08:27,900

out there who said that he didn't die

1649

01:08:32,660 --> 01:08:30,029

faked his own death his coffin was too

1650

01:08:34,760 --> 01:08:32,670

short for his body and there's a lot of

1651

01:08:37,130 --> 01:08:34,770

things that weren't adding up right his

1652

01:08:38,809 --> 01:08:37,140

manager got there his manager flew there

1653

01:08:41,090 --> 01:08:38,819

because just in time to watch it go into

1654

01:08:42,470 --> 01:08:41,100

the ground so he never got to see the

1655

01:08:46,599 --> 01:08:42,480

body or anything there's only four

1656

01:08:49,730 --> 01:08:46,609

people there that saw it go down and oh

1657

01:08:52,999 --> 01:08:49,740

that chair has such an effect that I had

1658

01:08:55,789 --> 01:08:53,009

to put it in storage because every one

1659

01:08:57,800 --> 01:08:55,799

that came over went right to that chair

1660

01:09:00,620 --> 01:08:57,810

and even though the guy's not passed

1661

01:09:17,030 --> 01:09:00,630

away his energy is that sexual energy is

1662

01:09:19,370 --> 01:09:17,040

all over it yeah I wonder what our

1663

01:09:21,530 --> 01:09:19,380

audience is thinking right now I hope

1664

01:09:25,069 --> 01:09:21,540

you will all give us some feedback on my

1665

01:09:29,609 --> 01:09:25,079

George this isn't

1666

01:09:34,289 --> 01:09:29,619

information yeah that's it Oh George my

1667

01:09:36,149 --> 01:09:34,299

god I mean I don't know a lot of those

1668

01:09:39,660 --> 01:09:36,159

kinds of things that have happened to me

1669

01:09:40,799 --> 01:09:39,670

and I just you know Patricia PK knows I

1670

01:09:45,180 --> 01:09:40,809

mean she knows a lot of things that have

1671

01:09:51,059 --> 01:09:45,190

happened to me I'd yes yeah and then

1672

01:09:53,309 --> 01:09:51,069

some both good thing I wanted to circle

1673

01:09:54,390 --> 01:09:53,319

back and I apologize to people in chat

1674

01:09:55,979 --> 01:09:54,400

room because I know you've all asked

1675

01:09:58,589 --> 01:09:55,989

some great questions but I want to give

1676

01:10:00,810 --> 01:09:58,599

you George time to talk about the men in

1677

01:10:02,819 --> 01:10:00,820

black because you have encountered them

1678

01:10:08,399 --> 01:10:02,829

and just a lot of people that want to

1679

01:10:11,580 --> 01:10:08,409

know what you think no I had a friend

1680

01:10:13,529 --> 01:10:11,590

that was a world traveler and and it's a

1681

01:10:15,720 --> 01:10:13,539

long story about him but the men in

1682

01:10:18,330 --> 01:10:15,730

black were interested in him and at the

1683

01:10:20,459 --> 01:10:18,340

time he was living up in the Hollywood

1684

01:10:22,140 --> 01:10:20,469

Hills in LA and I used to go and visit

1685

01:10:23,790 --> 01:10:22,150

with them and we'd talk I'm just great

1686

01:10:26,910 --> 01:10:23,800

conversations about the world and all

1687

01:10:29,459 --> 01:10:26,920

this and he got visited by these guys

1688

01:10:30,779 --> 01:10:29,469

they just showed up you know did this

1689

01:10:32,790 --> 01:10:30,789

show up at the house there and he was

1690

01:10:34,169 --> 01:10:32,800

staying at someone else's house so they

1691

01:10:36,270 --> 01:10:34,179

just showed up and he just kind of

1692

01:10:39,000 --> 01:10:36,280

looked at me and I just remember their

1693

01:10:42,120 --> 01:10:39,010

eyes being real black like empty hollow

1694

01:10:44,399 --> 01:10:42,130

eyes but they had glasses on and they

1695

01:10:47,310 --> 01:10:44,409

just walked in and he seen her skin look

1696

01:10:48,569 --> 01:10:47,320

kind of bloody and almost like dead I

1697

01:10:50,430 --> 01:10:48,579

mean they had this really weird

1698

01:10:53,370 --> 01:10:50,440

complexion and they both look pretty

1699

01:10:55,830 --> 01:10:53,380

much the same and they walked in and I

1700

01:10:57,120 --> 01:10:55,840

got the vibe is like get out it's not

1701

01:10:59,609 --> 01:10:57,130

could you please leave us alone for a

1702

01:11:01,709 --> 01:10:59,619

moment it was like get out and I said

1703

01:11:03,990 --> 01:11:01,719

look gotta go I just took off you know

1704

01:11:05,339 --> 01:11:04,000

and I left and when I saw him he says

1705

01:11:07,500 --> 01:11:05,349

yeah they asked me a bunch of questions

1706

01:11:09,270 --> 01:11:07,510

and and I said did they tell you not to

1707

01:11:12,750 --> 01:11:09,280

leave it says yeah he told me to stay

1708

01:11:14,790 --> 01:11:12,760

put and and he left after that it wasn't

1709

01:11:16,229 --> 01:11:14,800

there much longer and he took off

1710

01:11:19,410 --> 01:11:16,239

he got he gained this huge inheritance

1711

01:11:21,299 --> 01:11:19,420

and then he just left so but anyway yeah

1712

01:11:24,419 --> 01:11:21,309

that's my little brush with the men in

1713

01:11:26,370 --> 01:11:24,429

black but I remember him yeah the skin

1714

01:11:28,770 --> 01:11:26,380

didn't look it didn't look healthy

1715

01:11:30,689 --> 01:11:28,780

looking out yeah yeah sort of kind of

1716

01:11:32,250 --> 01:11:30,699

gray and already looking and just I

1717

01:11:33,870 --> 01:11:32,260

think we're falling apart you know I'm

1718

01:11:36,240 --> 01:11:33,880

almost and

1719

01:11:37,950 --> 01:11:36,250

I don't know man it's it's a different

1720

01:11:41,850 --> 01:11:37,960

vibe all together that they have but

1721

01:11:43,439 --> 01:11:41,860

anyway that's my and and when you we

1722

01:11:45,000 --> 01:11:43,449

were talking off the air about them you

1723

01:11:50,850 --> 01:11:45,010

said you felt like they were being

1724

01:11:52,200 --> 01:11:50,860

controlled by some other I yeah I feel

1725

01:11:54,419 --> 01:11:52,210

like they're sentinels either sent out

1726

01:11:57,120 --> 01:11:54,429

by someone to do whatever they have to

1727

01:12:00,689 --> 01:11:57,130

do to get the job done you know and they

1728

01:12:02,879 --> 01:12:00,699

don't feel like they killed anyone you

1729

01:12:05,250 --> 01:12:02,889

know they're like information gatherers

1730

01:12:06,540 --> 01:12:05,260

in a sense but it does change your life

1731

01:12:08,070 --> 01:12:06,550

I mean people have hobby perhaps you

1732

01:12:10,320 --> 01:12:08,080

know disappeared because of those guys

1733

01:12:16,439 --> 01:12:10,330

but I can't prove that and that wouldn't

1734

01:12:19,140 --> 01:12:16,449

you know I don't necessarily killed

1735

01:12:21,570 --> 01:12:19,150

anybody but they people don't talk about

1736

01:12:23,910 --> 01:12:21,580

this or don't talk about that mostly

1737

01:12:26,010 --> 01:12:23,920

ufo-related is the report that we get

1738

01:12:27,510 --> 01:12:26,020

yeah well I'll tell you what if you see

1739

01:12:29,340 --> 01:12:27,520

them you'll never forget it and I never

1740

01:12:33,570 --> 01:12:29,350

forgot this this was back all the way

1741

01:12:35,100 --> 01:12:33,580

back in like 78 or so when they had that

1742

01:12:37,160 --> 01:12:35,110

encounter with those guys right but

1743

01:12:45,930 --> 01:12:37,170

wasn't really me it was him but I just

1744

01:12:48,200 --> 01:12:45,940

left I'm out of here to God those in

1745

01:12:51,390 --> 01:12:48,210

your audience that are sensitives that

1746

01:12:53,250 --> 01:12:51,400

have a little bit of mediumship or feel

1747

01:12:55,500 --> 01:12:53,260

like it you know go with it just relax

1748

01:12:57,540 --> 01:12:55,510

with it let it happen don't be afraid of

1749

01:12:59,790 --> 01:12:57,550

it just allow it to have and it won't

1750

01:13:01,649 --> 01:12:59,800

hurt you won't harm you you'll benefit

1751

01:13:03,120 --> 01:13:01,659

for them and just use your heart don't

1752

01:13:04,919 --> 01:13:03,130

use your head so much trying to figure

1753

01:13:06,479 --> 01:13:04,929

it out yeah just kind of go let them

1754

01:13:08,510 --> 01:13:06,489

talk to you the way they want to talk to

1755

01:13:13,080 --> 01:13:08,520

you you won't you won't be disappointed

1756

01:13:15,300 --> 01:13:13,090

when I was a little boy under five I

1757

01:13:17,160 --> 01:13:15,310

went to a lot of funerals it seemed like

1758

01:13:18,570 --> 01:13:17,170

my mom started the family that the

1759

01:13:22,439 --> 01:13:18,580

elders were all dying off and I was

1760

01:13:25,020 --> 01:13:22,449

constantly going to funerals and this

1761

01:13:28,979 --> 01:13:25,030

one time a big big church and the coffin

1762

01:13:31,020 --> 01:13:28,989

was open it was up at the top and the it

1763

01:13:33,300 --> 01:13:31,030

came to the point I was looking to cross

1764

01:13:34,979 --> 01:13:33,310

over everyone's head and I can see the

1765

01:13:37,140 --> 01:13:34,989

coffin way up there on the altar and

1766

01:13:39,810 --> 01:13:37,150

there was a guy sitting on the altar

1767

01:13:41,310 --> 01:13:39,820

behind the coffin kicking his legs back

1768

01:13:42,990 --> 01:13:41,320

and forth and smiling and looking around

1769

01:13:46,070 --> 01:13:43,000

the room he had his hands to the side

1770

01:13:47,640 --> 01:13:46,080

and he just look really happy and I

1771

01:13:49,229 --> 01:13:47,650

didn't quite

1772

01:13:51,060 --> 01:13:49,239

Stan funerals then but I knew something

1773

01:13:52,860 --> 01:13:51,070

that happened you know and anyway it was

1774

01:13:54,990 --> 01:13:52,870

our trying to go up in long procession

1775

01:13:57,060 --> 01:13:55,000

long line and we get up there and when

1776

01:13:59,790 --> 01:13:57,070

we get up there he was in the coffin I

1777

01:14:00,840 --> 01:13:59,800

said up there a moment ago so you know

1778

01:14:03,510 --> 01:14:00,850

if your haven't those kinds of

1779

01:14:06,810 --> 01:14:03,520

experiences believe it I mean that's

1780

01:14:10,410 --> 01:14:06,820

really happening it's a very fine line

1781

01:14:12,510 --> 01:14:10,420

between here and there really and and

1782

01:14:14,220 --> 01:14:12,520

everyone you know when you're born

1783

01:14:17,070 --> 01:14:14,230

you're born with a certain frequency and

1784

01:14:19,020 --> 01:14:17,080

a certain vibration and because of those

1785

01:14:21,540 --> 01:14:19,030

those determine your sensitivity to

1786

01:14:23,280 --> 01:14:21,550

what's in life and if you're always

1787

01:14:25,649 --> 01:14:23,290

questioning things you know that's a

1788

01:14:26,310 --> 01:14:25,659

good thing just kind of you know follow

1789

01:14:29,250 --> 01:14:26,320

through with it

1790

01:14:30,180 --> 01:14:29,260

lots of times it won't hurt you yeah

1791

01:14:33,630 --> 01:14:30,190

absolutely

1792

01:14:37,649 --> 01:14:33,640

and now trees yes yeah you're a pro at

1793

01:14:39,120 --> 01:14:37,659

this thank you I feel like you're more

1794

01:14:40,770 --> 01:14:39,130

awake when you're asleep that's where

1795

01:14:43,260 --> 01:14:40,780

all your truths are and there's a lot of

1796

01:14:45,270 --> 01:14:43,270

things that are there that help you

1797

01:14:47,040 --> 01:14:45,280

through your day you may not even

1798

01:14:49,439 --> 01:14:47,050

realize it but things that you dream

1799

01:14:51,479 --> 01:14:49,449

about percolate and have little spikes

1800

01:14:53,939 --> 01:14:51,489

in the day sometimes and there'll be

1801

01:14:55,770 --> 01:14:53,949

like little humps that you get over like

1802

01:14:57,390 --> 01:14:55,780

how did that happen you know and a lot

1803

01:14:58,890 --> 01:14:57,400

of it has to do with your dreams kind of

1804

01:15:01,470 --> 01:14:58,900

letting you know it's about to happen

1805

01:15:03,840 --> 01:15:01,480

but pay attention to your dreams tell a

1806

01:15:06,180 --> 01:15:03,850

great story every time well they do and

1807

01:15:08,669 --> 01:15:06,190

it's very useful and what I found is

1808

01:15:11,340 --> 01:15:08,679

people have gotten into this mindset of

1809

01:15:13,080 --> 01:15:11,350

wanting a quick fix and they don't see

1810

01:15:14,490 --> 01:15:13,090

dreams as a part of that they see it

1811

01:15:15,709 --> 01:15:14,500

it's too much work they don't want to be

1812

01:15:18,600 --> 01:15:15,719

bothered didn't want to pay attention

1813

01:15:20,370 --> 01:15:18,610

but they're missing so much we spend

1814

01:15:22,110 --> 01:15:20,380

half our lives asleep so if you're not

1815

01:15:27,479 --> 01:15:22,120

paying attention to your dreams you're

1816

01:15:28,919 --> 01:15:27,489

missing half your life oh yeah yeah not

1817

01:15:31,890 --> 01:15:28,929

worried you know if you've got a bit

1818

01:15:33,630 --> 01:15:31,900

worried and fall asleep those dreams

1819

01:15:35,729 --> 01:15:33,640

just beat you up all night long and you

1820

01:15:37,380 --> 01:15:35,739

wake up really tired you know try to

1821

01:15:39,209 --> 01:15:37,390

have you know even if you have to have

1822

01:15:44,430 --> 01:15:39,219

abstract thoughts as you're falling

1823

01:15:45,780 --> 01:15:44,440

asleep just even if they're abstract

1824

01:15:47,479 --> 01:15:45,790

it's even better you fall asleep a

1825

01:15:49,470 --> 01:15:47,489

little quicker but just try to like

1826

01:15:50,640 --> 01:15:49,480

neutralize all that stuff that way

1827

01:15:52,380 --> 01:15:50,650

you'll have better dreams better

1828

01:15:54,180 --> 01:15:52,390

messages that kind of thing and you'll

1829

01:15:56,459 --> 01:15:54,190

wake up more joyful that's the trick

1830

01:16:00,149 --> 01:15:56,469

waking it joyful yeah that's like you're

1831

01:16:00,990 --> 01:16:00,159

right right signal George I am so sorry

1832

01:16:02,820 --> 01:16:01,000

that we have to

1833

01:16:05,850 --> 01:16:02,830

and the show because PK and I could talk

1834

01:16:09,960 --> 01:16:05,860

to you all night I know our listeners

1835

01:16:12,240 --> 01:16:09,970

could listen to you all night and just a

1836

01:16:13,980 --> 01:16:12,250

wonderful wonderful guest and we hope

1837

01:16:16,560 --> 01:16:13,990

you'll come back and visit with us again

1838

01:16:18,900 --> 01:16:16,570

and share more of your great adventures

1839

01:16:23,220 --> 01:16:18,910

with the other side it's just been

1840

01:16:25,920 --> 01:16:23,230

tremendous tonight thanks so much and we

1841

01:16:27,840 --> 01:16:25,930

want to wish everybody a very very Merry

1842

01:16:31,200 --> 01:16:27,850

Christmas Happy Hanukkah whatever you

1843

01:16:36,320 --> 01:16:31,210

celebrate and happy New Year to is

1844

01:16:43,410 --> 01:16:40,620

late coming up clean clean slate we need

1845

01:16:45,510 --> 01:16:43,420

a clean slate so anyways make sure

1846

01:16:47,310 --> 01:16:45,520

everybody go to our Facebook page give

1847

01:16:49,650 --> 01:16:47,320

us a like follow us so you'll know it's

1848

01:16:53,040 --> 01:16:49,660

coming up we always announce our shows

1849

01:16:56,340 --> 01:16:53,050

let you know what to expect next week we

1850

01:16:59,850 --> 01:16:56,350

have Paul David's flowing America's mind

1851  
01:17:01,110 --> 01:16:59,860  
all the MK ULTRA experiments you're

1852  
01:17:03,900 --> 01:17:01,120  
going to hear about it here on

1853  
01:17:06,480 --> 01:17:03,910  
supernatural girls but you want a

1854  
01:17:09,030 --> 01:17:06,490  
reading with george lugo we can't

1855  
01:17:12,510 --> 01:17:09,040  
recommend him highly enough go to

1856  
01:17:14,730 --> 01:17:12,520  
crystal gate readings dot-com and you'll

1857  
01:17:17,490 --> 01:17:14,740  
be able to contact George there and set

1858  
01:17:19,710 --> 01:17:17,500  
up your own private reading and highly

1859  
01:17:22,140 --> 01:17:19,720  
recommend George to all of our audience

1860  
01:17:26,790 --> 01:17:22,150  
members the best of the best that's you

1861  
01:17:33,660 --> 01:17:31,380  
appreciate it yes thank you everybody

1862  
01:17:36,420 --> 01:17:33,670  
for listening tonight we hope you have a

1863  
01:17:38,220 --> 01:17:36,430

happy and safe holiday and be sure to

1864

01:17:41,640 --> 01:17:38,230

join us next week you've got an all-new

1865

01:17:44,580 --> 01:17:41,650

show so don't miss it and until then

1866

01:17:48,260 --> 01:17:44,590

everybody we will see you on the blue
