2
00:00:06,980 --> 00:00:04,350
I am very happy to have you all with me

3
00:00:11,930 --> 00:00:06,990
here tonight that week before holiday

4
00:00:14,570 --> 00:00:11,940
season hits us all and I did some I did

5
00:00:16,340 --> 00:00:14,580
some recording this weekend for next

6
00:00:18,769 --> 00:00:16,350
week's show so we do have a holiday

7
00:00:20,570 --> 00:00:18,779
special in the can as they say for next

8
00:00:23,779 --> 00:00:20,580
week's show I wouldn't abandon you guys

9
00:00:25,340 --> 00:00:23,789
I'm trying not to it's very hard because

10
00:00:26,599 --> 00:00:25,350
a lot of times I'm traveling on

11
00:00:29,540 --> 00:00:26,609
Wednesdays and it makes it very

12
00:00:31,880 --> 00:00:29,550
difficult for me to to get in here and

13
00:00:34,700 --> 00:00:31,890

do a live show but I'm really trying you

14

00:00:38,180 --> 00:00:34,710

guys so I did record it for my friends

15

00:00:44,900 --> 00:00:38,190

and you will be hearing Chuck palooka

16

00:00:47,000 --> 00:00:44,910

my buddy flute Ronis and o MJ guess what

17

00:00:51,500 --> 00:00:47,010

I just got an email back from him saying

18

00:00:54,110 --> 00:00:51,510

what's up with Skype so I don't know

19

00:00:57,529 --> 00:00:54,120

what he's doing so our guest this

20

00:00:59,540 --> 00:00:57,539

evening is he says what's up with Skype

21

00:01:01,279 --> 00:00:59,550

is it still free it's asking for a

22

00:01:03,470 --> 00:01:01,289

billing address and I need to fill it

23

00:01:06,560 --> 00:01:03,480

out so I don't know what's going on but

24

00:01:08,090 --> 00:01:06,570

maybe you can help him in some way do

25

00:01:12,469 --> 00:01:08,100

you want me to ask for phone numbers he

26

00:01:13,910 --> 00:01:12,479

can combine the scenes yes oh there

27

00:01:18,920 --> 00:01:13,920

there he goes

28

00:01:21,050 --> 00:01:18,930

okay he's on now okay folks I just took

29

00:01:25,429 --> 00:01:21,060

care of my production duties for the

30

00:01:28,130 --> 00:01:25,439

night so here we go okay my guest

31

00:01:29,600 --> 00:01:28,140

tonight is James got I can never

32

00:01:30,649 --> 00:01:29,610

pronounce his name correctly he's gonna

33

00:01:33,770 --> 00:01:30,659

have to help me with this

34

00:01:35,600 --> 00:01:33,780

I believe it's he nações but I'm not

35

00:01:37,429 --> 00:01:35,610

sure so we'll ask him when he gets on

36

00:01:39,410 --> 00:01:37,439

but in the meantime I just wanted to

37

00:01:41,270 --> 00:01:39,420

tell you guys I am really sorry I

38

00:01:43,429 --> 00:01:41,280

haven't been here a whole lot this year

39

00:01:45,980 --> 00:01:43,439

I'm really trying not to miss any shows

40

00:01:48,590 --> 00:01:45,990

and if I do miss them I'm gonna try to

41

00:01:50,090 --> 00:01:48,600

pre-record something for you but he had

42

00:01:52,310 --> 00:01:50,100

the holiday special this year is gonna

43

00:01:55,280 --> 00:01:52,320

be checked for loca my buddy Petronas

44

00:01:57,440 --> 00:01:55,290

Melinda Leslie and grant Cameron because

45

00:02:01,100 --> 00:01:57,450

as you guys all know and here comes the

46

00:02:04,840 --> 00:02:01,110

rant the big rant no this was going to

47

00:02:07,249 --> 00:02:04,850

be a little rant tonight I'm very

48

00:02:10,339 --> 00:02:07,259

concerned about what's going on in

49

00:02:13,880 --> 00:02:10,349

ufology this weekend but the the post

50

00:02:16,130 --> 00:02:13,890

putting out the article and Trump being

51
00:02:17,300 --> 00:02:16,140
about UFOs in the press conference I

52
00:02:18,710 --> 00:02:17,310
don't know what happened today because

53
00:02:21,860 --> 00:02:18,720
I've been so busy I haven't had a chance

54
00:02:25,480 --> 00:02:21,870
to figure it out and all the things

55
00:02:28,490 --> 00:02:25,490
that's going on with the to the stars oh

56
00:02:31,310 --> 00:02:28,500
good I'm so sorry everybody I'm yawning

57
00:02:34,220 --> 00:02:31,320
I can't please first time I think I've

58
00:02:36,199 --> 00:02:34,230
yond on air without muting ever oh my

59
00:02:38,360 --> 00:02:36,209
god I just can't believe I did that but

60
00:02:40,790 --> 00:02:38,370
it's been a while three days I mean

61
00:02:44,479 --> 00:02:40,800
literally when that post article hit my

62
00:02:47,000 --> 00:02:44,489
inbox had about 45 emails in it my phone

63
00:02:49,040 --> 00:02:47,010

was ringing I didn't know what was going

64

00:02:51,320 --> 00:02:49,050

on because I've been too busy to pay

65

00:02:53,750 --> 00:02:51,330

attention and I was at a fair in Oakland

66

00:02:56,210 --> 00:02:53,760

and I was like what's going on and I and

67

00:02:57,710 --> 00:02:56,220

I and I finally realised something must

68

00:02:59,000 --> 00:02:57,720

have broke with the Tom DeLonge thing

69

00:03:01,220 --> 00:02:59,010

because I've been talking to grant and

70

00:03:02,870 --> 00:03:01,230

Melinda a few days earlier and they said

71

00:03:06,050 --> 00:03:02,880

oh no something bigs coming I'm like

72

00:03:07,699 --> 00:03:06,060

okay whatever as if I cared you know

73

00:03:09,949 --> 00:03:07,709

this is the thing that people think I

74

00:03:12,530 --> 00:03:09,959

actually care I don't care because it's

75

00:03:14,630 --> 00:03:12,540

not true disclosure this is the part

76

00:03:17,030 --> 00:03:14,640

that's making me nuts I was pounding my

77

00:03:19,160 --> 00:03:17,040

fist on my show on Monday I mean

78

00:03:20,930 --> 00:03:19,170

literally what you guys don't what

79

00:03:23,509 --> 00:03:20,940

people don't understand I don't know if

80

00:03:25,250 --> 00:03:23,519

it's you guys or my audience or

81

00:03:28,940 --> 00:03:25,260

whoever's I think my audience is

82

00:03:31,910 --> 00:03:28,950

brilliant but I bias what can I say so

83

00:03:33,620 --> 00:03:31,920

I'm sitting here folks blowing up I'm

84

00:03:35,479 --> 00:03:33,630

listening to all these messages are like

85

00:03:37,850 --> 00:03:35,489

disclosures happen disclosures happen

86

00:03:39,560 --> 00:03:37,860

I'm thinking well did the president get

87

00:03:42,289 --> 00:03:39,570

up in front of everybody and say

88

00:03:44,000 --> 00:03:42,299

something and I text a few people like

89

00:03:46,400 --> 00:03:44,010

oh no no but there's articles out

90

00:03:48,289 --> 00:03:46,410

there's things happening something came

91

00:03:51,920 --> 00:03:48,299

out on it's coming out today and Sunday

92

00:03:54,620 --> 00:03:51,930

and I'm like okay so I wait and I get

93

00:03:57,080 --> 00:03:54,630

home it's late late Saturday night I had

94

00:03:59,600 --> 00:03:57,090

to go to my uncle's in Colfax I mean I'm

95

00:04:00,979 --> 00:03:59,610

driving all over I finally get home it's

96

00:04:03,470 --> 00:04:00,989

like three o'clock in the morning and

97

00:04:05,360 --> 00:04:03,480

I'm waiting for the the big event to

98

00:04:06,979 --> 00:04:05,370

happen right the big disclosure thing

99

00:04:08,000 --> 00:04:06,989

and the president's gonna stand up in

100

00:04:10,550 --> 00:04:08,010

front of everybody

101
00:04:13,789 --> 00:04:10,560
and hi James but we don't need video

102
00:04:15,860 --> 00:04:13,799
sweetheart gonna take away from our

103
00:04:19,009 --> 00:04:15,870
bandwidth all right

104
00:04:21,170 --> 00:04:19,019
okay so just go ahead and turn it off

105
00:04:23,120 --> 00:04:21,180
don't put a thing over it because that's

106
00:04:25,790 --> 00:04:23,130
not gonna stop the bandwidth that's

107
00:04:27,810 --> 00:04:25,800
gonna block the camera I didn't know

108
00:04:31,410 --> 00:04:27,820
what to switch on so I just

109
00:04:34,200 --> 00:04:31,420
the speaker than right yeah you just you

110
00:04:37,170 --> 00:04:34,210
put okay folks we're doing a little

111
00:04:40,200 --> 00:04:37,180
production here James what you do is

112
00:04:42,270 --> 00:04:40,210
over there you go good job all right

113
00:04:44,370 --> 00:04:42,280

we knew we could do it all right so

114

00:04:46,470 --> 00:04:44,380

anyhow back to my little spiel here so

115

00:04:48,780 --> 00:04:46,480

I'm sitting there and I'm like well

116

00:04:50,670 --> 00:04:48,790

where's the president what's happened is

117

00:04:52,830 --> 00:04:50,680

at the end I don't have to put on UFO

118

00:04:54,600 --> 00:04:52,840

Con this year yay that's all I'm

119

00:04:56,880 --> 00:04:54,610

thinking is oh my god I might not lose a

120

00:04:58,620 --> 00:04:56,890

bunch of money and and I'm like oh

121

00:05:00,480 --> 00:04:58,630

please well you know what disclosure

122

00:05:02,250 --> 00:05:00,490

happens so I can get back to my life

123

00:05:04,530 --> 00:05:02,260

that's all I'm thinking at this point

124

00:05:06,840 --> 00:05:04,540

right I'm like praying to God I'm

125

00:05:09,720 --> 00:05:06,850

praying to my angels my aliens everybody

126

00:05:12,090 --> 00:05:09,730

I'm good okay please dear God let it

127

00:05:13,650 --> 00:05:12,100

happen let it happen right now I don't

128

00:05:15,030 --> 00:05:13,660

want anything to do with this anymore

129

00:05:17,850 --> 00:05:15,040

please let me off the hook I don't have

130

00:05:20,190 --> 00:05:17,860

to do radio to do TV I don't have to I

131

00:05:23,040 --> 00:05:20,200

can go get a farm and have goats and

132

00:05:24,990 --> 00:05:23,050

make jewelry or big pots and and have a

133

00:05:26,730 --> 00:05:25,000

regular life like normal people come

134

00:05:29,250 --> 00:05:26,740

home and cook a dinner like a normal

135

00:05:31,590 --> 00:05:29,260

human being and not have to work 14

136

00:05:33,900 --> 00:05:31,600

hours a day to pay all these loans back

137

00:05:37,500 --> 00:05:33,910

for all these events I put on and you

138

00:05:39,180 --> 00:05:37,510

know I think and I'm free and that's

139

00:05:41,130 --> 00:05:39,190

what I'm thinking I'm honest I'm

140

00:05:43,050 --> 00:05:41,140

actually getting kind of a static at

141

00:05:43,500 --> 00:05:43,060

that's pointed Sunday afternoon I'm like

142

00:05:44,880 --> 00:05:43,510

aha

143

00:05:46,770 --> 00:05:44,890

it's gonna happen any minute now the

144

00:05:48,900 --> 00:05:46,780

president's gonna show up and it's all

145

00:05:51,270 --> 00:05:48,910

gonna be over and everybody's gonna know

146

00:05:52,590 --> 00:05:51,280

it's real the UFOs are there the aliens

147

00:05:55,080 --> 00:05:52,600

are theta they're gonna tell us all

148

00:05:58,830 --> 00:05:55,090

about the species and it's all gonna be

149

00:06:01,650 --> 00:05:58,840

done and then and then I waited I waited

150

00:06:04,590 --> 00:06:01,660

I waited some more another article comes

151

00:06:07,530 --> 00:06:04,600

out I still wait and then everybody's

152

00:06:09,750 --> 00:06:07,540

talking about it on YouTube and you and

153

00:06:11,220 --> 00:06:09,760

Facebook and yeah everybody's talking

154

00:06:13,230 --> 00:06:11,230

about but I'm like well where's the

155

00:06:20,940 --> 00:06:13,240

disclosure though where's the where's

156

00:06:23,130 --> 00:06:20,950

the 24/7 TV coverage like the OJ trial

157

00:06:24,870 --> 00:06:23,140

where's that that's what I'm waiting for

158

00:06:26,850 --> 00:06:24,880

I'm not getting it and I'm waiting for

159

00:06:29,700 --> 00:06:26,860

it I'm waiting for Whitley Strieber and

160

00:06:32,850 --> 00:06:29,710

Stanton Friedman and Greer and Travis

161

00:06:34,740 --> 00:06:32,860

and I'm waiting for the the gurus of the

162

00:06:36,450 --> 00:06:34,750

UFO community because of course they

163

00:06:38,370 --> 00:06:36,460

never have to be like me up there

164

00:06:40,990 --> 00:06:38,380

talking about disclosure of course not

165

00:06:45,490 --> 00:06:41,000

and I'm waiting for all those people

166

00:06:47,800 --> 00:06:45,500

to show up on CNN and Fox and and you

167

00:06:49,240 --> 00:06:47,810

know I don't even know what the network

168

00:06:51,580 --> 00:06:49,250

stations are because I don't listen to

169

00:06:53,020 --> 00:06:51,590

him or watch him so I have no idea but

170

00:06:55,660 --> 00:06:53,030

you know bottom line I'm waiting for

171

00:06:58,900 --> 00:06:55,670

this all to take place I'm like okay

172

00:07:01,270 --> 00:06:58,910

it's gonna happen now right nothing not

173

00:07:03,100 --> 00:07:01,280

a not a thing and I'm like what

174

00:07:05,230 --> 00:07:03,110

the only people really talking about all

175

00:07:07,270 --> 00:07:05,240

this are people in the UFO community so

176

00:07:09,520 --> 00:07:07,280

I'm a little concerned a little miffed

177

00:07:12,880 --> 00:07:09,530

and hold on a second folks I've got a

178

00:07:15,010 --> 00:07:12,890

cough oh my god so now I'm getting so

179

00:07:17,440 --> 00:07:15,020

riled up I'm gonna start coughing see I

180

00:07:18,820 --> 00:07:17,450

can't talk about this much longer and

181

00:07:21,100 --> 00:07:18,830

I'm sure you guys are sick of hearing

182

00:07:23,770 --> 00:07:21,110

about it from every other talk show host

183

00:07:26,560 --> 00:07:23,780

out there but basically it's some kind

184

00:07:29,409 --> 00:07:26,570

of weird little disclosure and it

185

00:07:31,570 --> 00:07:29,419

doesn't really hom mean a whole lot they

186

00:07:35,350 --> 00:07:31,580

are admitting that the military chased a

187

00:07:37,540 --> 00:07:35,360

UFO that's about as far as it goes and I

188

00:07:39,790 --> 00:07:37,550

called a good friend of mine who I can't

189

00:07:42,340 --> 00:07:39,800

tell you guys who it is because it just

190

00:07:46,180 --> 00:07:42,350

causes him nothing but problems but I

191

00:07:48,190 --> 00:07:46,190

called him today and I said look I don't

192

00:07:50,740 --> 00:07:48,200

know what's going on you've got to tell

193

00:07:53,110 --> 00:07:50,750

me what you think's going on and he said

194

00:07:55,409 --> 00:07:53,120

to me he goes this isn't really desculpe

195

00:07:58,840 --> 00:07:55,419

sure this is just letting people know

196

00:08:01,330 --> 00:07:58,850

that they the military chased something

197

00:08:05,800 --> 00:08:01,340

in Lorient they're never gonna let the

198

00:08:07,930 --> 00:08:05,810

people know what I know really because

199

00:08:10,840 --> 00:08:07,940

you know I can't talk about it but trust

200

00:08:12,909 --> 00:08:10,850

me if the population of this planet knew

201

00:08:15,159 --> 00:08:12,919

what I know that it would all be over

202

00:08:17,320 --> 00:08:15,169

you know and there'd be nobody going to

203

00:08:19,120 --> 00:08:17,330

work there'd be nobody doing nothing it

204

00:08:22,540 --> 00:08:19,130

would be all over he goes because the

205

00:08:25,300 --> 00:08:22,550

magnitude of it is so far beyond our

206

00:08:27,280 --> 00:08:25,310

thought process that they couldn't

207

00:08:29,469 --> 00:08:27,290

handle it you know basically he said

208

00:08:31,870 --> 00:08:29,479

just like the movie you can't handle the

209

00:08:33,969 --> 00:08:31,880

truth and you know the more I'm around

210

00:08:37,029 --> 00:08:33,979

this the more I do it the more stuff I

211

00:08:39,730 --> 00:08:37,039

find out the more stories I hear the

212

00:08:41,500 --> 00:08:39,740

more things I hear from these people

213

00:08:44,290 --> 00:08:41,510

have been entrenched for years and years

214

00:08:46,090 --> 00:08:44,300

of years I just I just go you know

215

00:08:49,350 --> 00:08:46,100

they're right maybe they're right maybe

216

00:08:53,199 --> 00:08:49,360

we don't want to know I mean I certainly

217

00:08:54,850 --> 00:08:53,209

have no problem knowing about my aliens

218

00:08:58,600 --> 00:08:54,860

my aliens have

219

00:09:01,090 --> 00:08:58,610

kept me alive they saved my life

220

00:09:03,519 --> 00:09:01,100

countless times they've talked to me in

221

00:09:07,240 --> 00:09:03,529

my head and told me what to do to keep

222

00:09:09,280 --> 00:09:07,250

from dying they have kept me alive when

223

00:09:11,340 --> 00:09:09,290

I've been so sick I mean I haven't even

224

00:09:15,130 --> 00:09:11,350

told you guys about New Year's Eve in

225

00:09:18,490 --> 00:09:15,140

twenty thirteen or fourteen I got

226

00:09:21,340 --> 00:09:18,500

botulism I got food poisoning so bad

227

00:09:23,949 --> 00:09:21,350

that I'm gonna tell you what happened

228

00:09:26,680 --> 00:09:23,959

but it was so bad and I knew I was gonna

229

00:09:28,540 --> 00:09:26,690

die and I thought I'm just gonna lay

230

00:09:30,880 --> 00:09:28,550

here and die because I certainly do not

231

00:09:32,560 --> 00:09:30,890

want to die in the hospital I'm not

232

00:09:34,150 --> 00:09:32,570

dying in the hospital there's no way I'm

233

00:09:38,110 --> 00:09:34,160

dying in the hospital I'm dying here at

234

00:09:39,759 --> 00:09:38,120

home and at least I knew my angels were

235

00:09:41,350 --> 00:09:39,769

with me at home so I was like I don't

236

00:09:42,819 --> 00:09:41,360

know how the hospital is gonna be with

237

00:09:44,560 --> 00:09:42,829

all that you know who knows what kind of

238

00:09:47,319 --> 00:09:44,570

entities hanging out of the hospital

239

00:09:50,440 --> 00:09:47,329

right so I'm laying there and I know I'm

240

00:09:53,170 --> 00:09:50,450

dying and I hear this voice tell me no

241

00:09:55,269 --> 00:09:53,180

we can't let you die you are very sick

242

00:10:00,220 --> 00:09:55,279

but we can't let you die you have work

243

00:10:03,730 --> 00:10:00,230

to do so I got the blade there would be

244

00:10:06,009 --> 00:10:03,740

deathly ill for three days three days to

245

00:10:09,850 --> 00:10:06,019

get out of bed I was so sick oh my god

246

00:10:11,290 --> 00:10:09,860

and so I finally got up I started

247

00:10:13,090 --> 00:10:11,300

feeling a little better a little better

248

00:10:16,569 --> 00:10:13,100

and I thought to myself you know this is

249

00:10:19,060 --> 00:10:16,579

just so amazing to me that they can

250

00:10:21,220 --> 00:10:19,070

control me like this it's really quite

251

00:10:23,650 --> 00:10:21,230

you know it's like I'm a puppet on a

252

00:10:25,420 --> 00:10:23,660

string in a weird way but in another way

253

00:10:28,420 --> 00:10:25,430

I'm very thankful that they're looking

254

00:10:30,430 --> 00:10:28,430

out for me you know truly are angels to

255

00:10:33,579 --> 00:10:30,440

me I mean you know maybe they're

256

00:10:36,040 --> 00:10:33,589

hideously ugly looking alien creatures I

257

00:10:39,220 --> 00:10:36,050

don't know I've never seen him you know

258

00:10:41,829 --> 00:10:39,230

the only thing I've ever seen is this

259

00:10:44,019 --> 00:10:41,839

beautiful light and the one time that it

260

00:10:46,930 --> 00:10:44,029

was by the bed I could have sworn it was

261

00:10:48,519 --> 00:10:46,940

an angel because I couldn't see it I was

262

00:10:50,139 --> 00:10:48,529

just following the sleep it touched me

263

00:10:53,160 --> 00:10:50,149

in the forehead took me to the place of

264

00:10:58,569 --> 00:10:53,170

love and light and absolute amazement

265

00:11:02,470 --> 00:10:58,579

there in that place and it just felt

266

00:11:04,870 --> 00:11:02,480

like such a loving loving loving being

267

00:11:07,540 --> 00:11:04,880

that I just I can't imagine it being a

268

00:11:08,410 --> 00:11:07,550

grey I mean I don't know maybe that's a

269

00:11:10,090 --> 00:11:08,420

good you know me

270

00:11:12,190 --> 00:11:10,100

I need to find somebody who's had

271

00:11:15,069 --> 00:11:12,200

contact with the greys word felt like it

272

00:11:17,379 --> 00:11:15,079

was so loving that they couldn't you

273

00:11:19,420 --> 00:11:17,389

know they they weren't afraid you know

274

00:11:21,879 --> 00:11:19,430

because I was not afraid I was not

275

00:11:24,400 --> 00:11:21,889

afraid in the slightest there was no

276

00:11:26,410 --> 00:11:24,410

fear in me at all around these beans now

277

00:11:28,240 --> 00:11:26,420

I've had other experiences where I was

278

00:11:30,579 --> 00:11:28,250

afraid and there's there's a huge

279

00:11:33,100 --> 00:11:30,589

difference between those two experiences

280

00:11:35,439 --> 00:11:33,110

man the evil John Lennon experienced I

281

00:11:37,629 --> 00:11:35,449

had a long time ago that thing I was

282

00:11:39,759 --> 00:11:37,639

petrified I was absolutely petrified

283

00:11:45,600 --> 00:11:39,769

during that encounter whatever it was

284

00:11:51,970 --> 00:11:50,019

so you know disappointed you know the

285

00:11:54,370 --> 00:11:51,980

whole thing you have you know it may not

286

00:11:56,259 --> 00:11:54,380

all be over yet you know I don't know if

287

00:11:59,199 --> 00:11:56,269

it's all over yet and I think there's a

288

00:12:02,019 --> 00:11:59,209

lot more to come but I'm so disappointed

289

00:12:05,920 --> 00:12:02,029

and I'm just so non pulsed and I just

290

00:12:07,840 --> 00:12:05,930

don't care and you know if if this whole

291

00:12:10,840 --> 00:12:07,850

tomp the long thing this whole through

292

00:12:13,060 --> 00:12:10,850

the Stars the whole nine yards to me is

293

00:12:16,930 --> 00:12:13,070

just a big still it's just a big shell

294

00:12:19,420 --> 00:12:16,940

game shell game and their shells and the

295

00:12:21,189 --> 00:12:19,430

whole thing is just you know look this

296

00:12:23,980 --> 00:12:21,199

way while we direct you in this

297

00:12:26,410 --> 00:12:23,990

direction you know it's like and don't

298

00:12:27,699 --> 00:12:26,420

look behind your back because we don't

299

00:12:30,340 --> 00:12:27,709

want you to know what's really going on

300

00:12:32,050 --> 00:12:30,350

it's just that thing all over again same

301
00:12:34,870 --> 00:12:32,060
old people behind it as grant has been

302
00:12:37,090 --> 00:12:34,880
saying all along and and Melinda and

303
00:12:39,040 --> 00:12:37,100
it's just the same old same old and I'm

304
00:12:41,199 --> 00:12:39,050
I'm over it I don't know about you guys

305
00:12:43,090 --> 00:12:41,209
it doesn't mean a thing for me I'm gonna

306
00:12:47,079 --> 00:12:43,100
have a Merry Christmas in spite of them

307
00:12:49,210 --> 00:12:47,089
trying to get my hopes up you know it's

308
00:12:50,949 --> 00:12:49,220
kind of what we got to do well having

309
00:12:53,170 --> 00:12:50,959
said all that that's pretty much my

310
00:12:54,880 --> 00:12:53,180
little spiel for tonight I don't want to

311
00:12:59,949 --> 00:12:54,890
go on too long so I really love to get

312
00:13:02,590 --> 00:12:59,959
to our guests here and I just want to

313
00:13:06,069 --> 00:13:02,600

say to you guys it's gonna be a very

314

00:13:09,430 --> 00:13:06,079

interesting 2018 and we'll talk about

315

00:13:12,189 --> 00:13:09,440

that in 2018 but it's gonna be a very

316

00:13:13,660 --> 00:13:12,199

very interesting 2018 we're gonna you

317

00:13:16,870 --> 00:13:13,670

know what we're gonna do this year is

318

00:13:19,590 --> 00:13:16,880

going to be the year we separate the the

319

00:13:22,300 --> 00:13:19,600

the men in black from the white hats and

320

00:13:25,059 --> 00:13:22,310

separate the contactees from the

321

00:13:27,929 --> 00:13:25,069

contactees what this is doing is it's

322

00:13:30,639 --> 00:13:27,939

polarizing the UFO community into

323

00:13:32,920 --> 00:13:30,649

military black ops people running the

324

00:13:35,470 --> 00:13:32,930

show and exposing themselves like

325

00:13:36,569 --> 00:13:35,480

they've never had before and the people

326

00:13:38,230 --> 00:13:36,579

were having contact with

327

00:13:40,389 --> 00:13:38,240

extraterrestrials and and other

328

00:13:43,900 --> 00:13:40,399

dimensional beings and it's gonna

329

00:13:46,420 --> 00:13:43,910

polarize the two to a very big extent

330

00:13:48,220 --> 00:13:46,430

and I really believe that so that's what

331

00:13:50,049 --> 00:13:48,230

I think 2018 is gonna bring and we'll

332

00:13:50,949 --> 00:13:50,059

see you know gonna be very very

333

00:13:54,639 --> 00:13:50,959

interesting

334

00:13:57,009 --> 00:13:54,649

okay my guest tonight is James verticals

335

00:14:04,960 --> 00:13:57,019

did I say that right James what's

336

00:14:14,799 --> 00:14:04,970

the--oh NACA's you not just flow off my

337

00:14:22,119 --> 00:14:14,809

tongue like it does for you so well are

338

00:14:25,119 --> 00:14:22,129

you there change issue I'm getting an

339

00:14:26,439 --> 00:14:25,129

echo in there's some how far away from

340

00:14:28,900 --> 00:14:26,449

the microphone are you

341

00:14:31,590 --> 00:14:28,910

well I'm close now how's that that's

342

00:14:35,079 --> 00:14:31,600

better can you get a little closer

343

00:14:40,929 --> 00:14:35,089

is it yeah it's even better what do you

344

00:14:43,689 --> 00:14:40,939

think MJ do you think it's good if MJ

345

00:14:45,549 --> 00:14:43,699

says anything there we go well we're

346

00:14:46,290 --> 00:14:45,559

waiting for MJ anyhow so James how are

347

00:14:49,389 --> 00:14:46,300

you dear

348

00:14:52,030 --> 00:14:49,399

yeah I'm doing pretty good that's good

349

00:14:54,999 --> 00:14:52,040

what are you gonna do for Christmas I'm

350

00:14:57,879 --> 00:14:55,009

not much to just kick back at home yeah

351

00:14:59,829 --> 00:14:57,889

nothing granted I'm still out of work I

352

00:15:01,720 --> 00:14:59,839

should be going back to work the day

353

00:15:03,790 --> 00:15:01,730

after or two days after Christmas

354

00:15:06,249 --> 00:15:03,800

so I've been out of work since July oh

355

00:15:07,749 --> 00:15:06,259

my god but what happened that you got

356

00:15:09,160 --> 00:15:07,759

out of work because I knew you were you

357

00:15:12,160 --> 00:15:09,170

weren't working but I thought that was

358

00:15:14,889 --> 00:15:12,170

your choice I'm a new construction

359

00:15:17,499 --> 00:15:14,899

plumber and sometimes the jobs don't go

360

00:15:19,569 --> 00:15:17,509

when they plan to so these three jobs

361

00:15:21,699 --> 00:15:19,579

coming right now some [h__\h] gonna be

362

00:15:23,879 --> 00:15:21,709

really busy in the next six months but

363

00:15:27,369 --> 00:15:23,889

these past six months I've done nothing

364

00:15:29,139 --> 00:15:27,379

wow that's not good at sweetheart well

365

00:15:30,999 --> 00:15:29,149

I'm really glad that you've got you

366

00:15:36,370 --> 00:15:31,009

scraped up enough money though to get a

367

00:15:38,620 --> 00:15:36,380

ticket to the next art John

368

00:15:42,070 --> 00:15:38,630

Kennedy event were having in Washington

369

00:15:47,500 --> 00:15:42,080

DC so are you looking forward to it oh

370

00:15:49,420 --> 00:15:47,510

yeah well I I was getting \$572 a 672

371

00:15:51,220 --> 00:15:49,430

dollars a week in unemployment so I was

372

00:15:53,770 --> 00:15:51,230

actually paying my bills easier than

373

00:15:56,170 --> 00:15:53,780

when I was working I was gonna say

374

00:15:58,330 --> 00:15:56,180

that's more than I make it a whole like

375

00:15:59,980 --> 00:15:58,340

don't even get me started well you so

376

00:16:02,520 --> 00:15:59,990

you weren't too bad off but were they

377

00:16:05,890 --> 00:16:02,530

gonna cut that off for you eventually

378

00:16:07,510 --> 00:16:05,900

yes I would get a hundred and twenty

379

00:16:09,760 --> 00:16:07,520

dollars if I put in for it so I'm not

380

00:16:12,100 --> 00:16:09,770

putting in for it so I should be getting

381

00:16:14,170 --> 00:16:12,110

that Christmas bonus after Christmas

382

00:16:19,090 --> 00:16:14,180

because that's what I'm going back to

383

00:16:21,460 --> 00:16:19,100

work surviving okay and everything's

384

00:16:24,490 --> 00:16:21,470

alright cuz you know I got to see at

385

00:16:26,860 --> 00:16:24,500

these conferences now we met a few years

386

00:16:31,060 --> 00:16:26,870

ago at a conference and we have a lot of

387

00:16:32,590 --> 00:16:31,070

friends in common and a few enemies we

388

00:16:36,610 --> 00:16:32,600

love those enemies got to keep them

389

00:16:38,740 --> 00:16:36,620

close right and and you are an

390

00:16:40,810 --> 00:16:38,750

experencer why don't you tell the

391

00:16:45,580 --> 00:16:40,820

people here on the show tonight about

392

00:16:48,760 --> 00:16:45,590

your first encounter well the first one

393

00:16:50,740 --> 00:16:48,770

I knew about was me my brother would get

394

00:16:52,990 --> 00:16:50,750

dressed to go out we were getting

395

00:16:54,850 --> 00:16:53,000

dressed to go to church we wanted to go

396

00:16:56,890 --> 00:16:54,860

out and play before my dad took us to

397

00:16:59,080 --> 00:16:56,900

church and I beat him by about thirty

398

00:17:01,660 --> 00:16:59,090

seconds out the door and when I when he

399

00:17:04,120 --> 00:17:01,670

came out I was gone and I was gone for

400

00:17:07,360 --> 00:17:04,130

over an hour before they finally found

401
00:17:08,620 --> 00:17:07,370
me in the back yard with two other kids

402
00:17:10,569 --> 00:17:08,630
that had been missing that they didn't

403
00:17:15,520 --> 00:17:10,579
know about true cigarettes

404
00:17:19,059 --> 00:17:15,530
under a canoe in my backyard now wait a

405
00:17:21,040 --> 00:17:19,069
minute that there okay let's let's

406
00:17:24,040 --> 00:17:21,050
examine this for a second here there

407
00:17:26,230 --> 00:17:24,050
were two other kids missing at the same

408
00:17:27,850 --> 00:17:26,240
time you were and you were gone for

409
00:17:30,220 --> 00:17:27,860
about an hour and everybody's looking

410
00:17:31,570 --> 00:17:30,230
all over the neighborhood for you but it

411
00:17:34,240 --> 00:17:31,580
was there anybody looking for the other

412
00:17:36,190 --> 00:17:34,250
two kids as well nope nobody knew they

413
00:17:37,570 --> 00:17:36,200

were gone because they they were ready

414

00:17:41,980 --> 00:17:37,580

to go to church they were you know just

415

00:17:43,870 --> 00:17:41,990

out playing okay gotcha now what's

416

00:17:45,810 --> 00:17:43,880

what's this thing about a canoeing

417

00:17:49,330 --> 00:17:45,820

cigarettes I'm confused

418

00:17:50,450 --> 00:17:49,340

yeah me too well we had a canoe we lived

419

00:17:52,640 --> 00:17:50,460

in a three story

420

00:17:55,370 --> 00:17:52,650

the people on the third floor I believe

421

00:17:57,770 --> 00:17:55,380

had a canoe in the backyard and they'd

422

00:18:00,170 --> 00:17:57,780

been looking for me and they hadn't seen

423

00:18:02,180 --> 00:18:00,180

me so they put my brother out front my

424

00:18:04,550 --> 00:18:02,190

dad went up to go call call the police

425

00:18:07,730 --> 00:18:04,560

after about an hour and a half and so

426

00:18:10,010 --> 00:18:07,740

and all of a sudden I appeared under

427

00:18:12,020 --> 00:18:10,020

this canoe that was like on on two

428

00:18:13,550 --> 00:18:12,030

horses and all three of us were like

429

00:18:15,590 --> 00:18:13,560

right under the canoe with the

430

00:18:17,570 --> 00:18:15,600

cigarettes not smoking with nothing not

431

00:18:19,310 --> 00:18:17,580

lit but just with two cigarettes and

432

00:18:22,070 --> 00:18:19,320

matches I guess they said we were trying

433

00:18:24,650 --> 00:18:22,080

to light them or something well that's

434

00:18:27,410 --> 00:18:24,660

interesting that the cigarettes and the

435

00:18:29,300 --> 00:18:27,420

matches show up with you guys I've never

436

00:18:31,040 --> 00:18:29,310

heard of anything like that before do

437

00:18:33,920 --> 00:18:31,050

you think they were there before you

438

00:18:35,870 --> 00:18:33,930

guys were put in that spot no I think

439

00:18:38,390 --> 00:18:35,880

they put the true cigarettes deal with

440

00:18:40,520 --> 00:18:38,400

us just to you know like the kids are

441

00:18:44,660 --> 00:18:40,530

playing around here as opposed to you

442

00:18:46,220 --> 00:18:44,670

know always put like a prop right that's

443

00:18:48,310 --> 00:18:46,230

what I heard they put a prop and that's

444

00:18:51,620 --> 00:18:48,320

like a prop and kind of true cigarettes

445

00:18:53,750 --> 00:18:51,630

you know something I have heard weird

446

00:18:56,240 --> 00:18:53,760

little stories like that over the years

447

00:18:58,790 --> 00:18:56,250

too and I never quite put it together as

448

00:19:02,330 --> 00:18:58,800

being a quote-unquote prop but that's

449

00:19:04,850 --> 00:19:02,340

very interesting that you say that Wow

450

00:19:07,010 --> 00:19:04,860

how amazing I'm gonna have to start

451

00:19:09,740 --> 00:19:07,020

asking all my contact these that they've

452

00:19:12,080 --> 00:19:09,750

ever had anything show up with them when

453

00:19:17,720 --> 00:19:12,090

they've had missing time and see what

454

00:19:19,400 --> 00:19:17,730

they say you know so um so you guys are

455

00:19:23,930 --> 00:19:19,410

found now you get in a lot of trouble

456

00:19:29,300 --> 00:19:23,940

I'm assuming they're just happy to find

457

00:19:32,120 --> 00:19:29,310

me oh that's good I'm so glad to hear

458

00:19:34,700 --> 00:19:32,130

that because I hate it when the parents

459

00:19:37,190 --> 00:19:34,710

you know they they sometimes reprimand

460

00:19:39,320 --> 00:19:37,200

their kids for disappearing and really

461

00:19:41,030 --> 00:19:39,330

get angry with them and and the kids

462

00:19:43,100 --> 00:19:41,040

don't even know what's happening they're

463

00:19:45,490 --> 00:19:43,110

so confused because suddenly they're not

464

00:19:47,960 --> 00:19:45,500

you know they're there and not there and

465

00:19:49,670 --> 00:19:47,970

they think they just stepped outside the

466

00:19:52,450 --> 00:19:49,680

front door and now they're you know

467

00:19:56,240 --> 00:19:52,460

somewhere else and you know it's really

468

00:19:57,890 --> 00:19:56,250

it's really tough on the kids but having

469

00:19:59,900 --> 00:19:57,900

said that maybe the reason your parents

470

00:20:01,790 --> 00:19:59,910

weren't too upset is because maybe

471

00:20:03,950 --> 00:20:01,800

they'd had something like that happened

472

00:20:05,600 --> 00:20:03,960

to them do you know

473

00:20:09,280 --> 00:20:05,610

if your father had had any contact

474

00:20:13,070 --> 00:20:09,290

before we're not my my mom but my dad

475

00:20:19,280 --> 00:20:13,080

the second time I was taken with my dad

476

00:20:21,110 --> 00:20:19,290

and they actually took the car yeah I'm

477

00:20:27,020 --> 00:20:21,120

having trouble hearing you again James

478

00:20:29,630 --> 00:20:27,030

where where you add in relationship oh

479

00:20:31,520 --> 00:20:29,640

there you go now I can hear ya I'm

480

00:20:33,740 --> 00:20:31,530

trying to stay inches away but they need

481

00:20:37,940 --> 00:20:33,750

some backing on fighting Institute but

482

00:20:41,150 --> 00:20:37,950

anyway the the second time my my dad ass

483

00:20:42,920 --> 00:20:41,160

who wants to go to buy a new tower and

484

00:20:45,650 --> 00:20:42,930

I'm just jumping up and down going like

485

00:20:47,210 --> 00:20:45,660

let's go let's go and my sister two

486

00:20:48,650 --> 00:20:47,220

sisters and brothers they just stood

487

00:20:51,320 --> 00:20:48,660

there and each one of them did the same

488

00:20:54,080 --> 00:20:51,330

thing they all went no I don't want to

489

00:20:56,390 --> 00:20:54,090

go and shrug their shoulders and I found

490

00:20:58,400 --> 00:20:56,400

that that also isn't like a scream

491

00:21:00,560 --> 00:20:58,410

memory that they put in in people

492

00:21:02,780 --> 00:21:00,570

actually put it in me too I recall when

493

00:21:05,120 --> 00:21:02,790

my brother asking me where did you go

494

00:21:07,460 --> 00:21:05,130

and his frustration and me saying I

495

00:21:10,930 --> 00:21:07,470

don't know and shrugging my shoulders to

496

00:21:15,500 --> 00:21:10,940

like the neck in your shoulders go I

497

00:21:18,230 --> 00:21:15,510

don't know I don't know your brother

498

00:21:22,120 --> 00:21:18,240

sounds like he's been he has been taken

499

00:21:26,060 --> 00:21:22,130

as well is that true I don't believe so

500

00:21:27,890 --> 00:21:26,070

okay okay from what standing seconds

501
00:21:30,230 --> 00:21:27,900
telling me it's just me for some reason

502
00:21:33,860 --> 00:21:30,240
and I really don't know why they don't

503
00:21:35,390 --> 00:21:33,870
take my brother and I think they did not

504
00:21:37,820 --> 00:21:35,400
want them for some reason

505
00:21:42,020 --> 00:21:37,830
no that's okay were they taking your dad

506
00:21:44,540 --> 00:21:42,030
as well yes definitely took my dad just

507
00:21:47,510 --> 00:21:44,550
because and we came out of the

508
00:21:51,410 --> 00:21:47,520
dealership the car died as soon as we

509
00:21:53,660 --> 00:21:51,420
come down this hill and he's pushing on

510
00:21:56,600 --> 00:21:53,670
the gas it just did not go at all

511
00:21:59,450 --> 00:21:56,610
so we rolled into a bar that had a

512
00:22:02,830 --> 00:21:59,460
telephone booth there and my dad called

513
00:22:05,870 --> 00:22:02,840

him up said come on over and get us and

514

00:22:08,360 --> 00:22:05,880

the next memory I had was my dad calling

515

00:22:09,920 --> 00:22:08,370

back over an hour man saying where are

516

00:22:11,120 --> 00:22:09,930

you it's been over an hour and you

517

00:22:14,180 --> 00:22:11,130

haven't been here and they said we're

518

00:22:15,650 --> 00:22:14,190

sorry sir the tow truck drivers came in

519

00:22:17,840 --> 00:22:15,660

you were not there

520

00:22:19,400 --> 00:22:17,850

and then my dad was mad and you know the

521

00:22:21,650 --> 00:22:19,410

tow truck driver when he showed up he's

522

00:22:23,720 --> 00:22:21,660

his eyes all bugged out on what's going

523

00:22:25,910 --> 00:22:23,730

on here so he knew something was up

524

00:22:27,800 --> 00:22:25,920

himself and I'm sitting here between

525

00:22:29,480 --> 00:22:27,810

them it's just like trying to come calm

526

00:22:31,700 --> 00:22:29,490

him down and say what's going on yeah

527

00:22:34,490 --> 00:22:31,710

you know but that was the second time

528

00:22:37,190 --> 00:22:34,500

and my mom told me that I was missing on

529

00:22:38,870 --> 00:22:37,200

her for an hour so two before I showed

530

00:22:42,160 --> 00:22:38,880

up on the stairs with her so I never

531

00:22:46,340 --> 00:22:42,170

knew about that until seven years ago

532

00:22:49,640 --> 00:22:46,350

Wow okay so you've got three solid

533

00:22:52,670 --> 00:22:49,650

missing time incidents now you mentioned

534

00:22:55,280 --> 00:22:52,680

sandy Maxx Andy Mac is an amazing woman

535

00:22:58,100 --> 00:22:55,290

and she's a I would say she's a friend

536

00:23:00,650 --> 00:22:58,110

of mine she's regressed to me as well

537

00:23:03,860 --> 00:23:00,660

she's the only one who has and the only

538

00:23:07,160 --> 00:23:03,870

one I trust too and I have never led her

539

00:23:09,050 --> 00:23:07,170

regrets me on anything UFO I just I

540

00:23:12,650 --> 00:23:09,060

basically told her I don't want to know

541

00:23:14,750 --> 00:23:12,660

anything about that and she's good with

542

00:23:17,240 --> 00:23:14,760

it but we did as we did some past life

543

00:23:19,490 --> 00:23:17,250

regression which is basically current

544

00:23:21,980 --> 00:23:19,500

life you know parallel lives regression

545

00:23:25,060 --> 00:23:21,990

but it was a lot of fun and I've done it

546

00:23:28,670 --> 00:23:25,070

live on stage with her at a church in

547

00:23:32,210 --> 00:23:28,680

San Mateo California for a conference I

548

00:23:34,460 --> 00:23:32,220

had one year 2012 she came out and

549

00:23:37,040 --> 00:23:34,470

hypnotized me on stage it was really

550

00:23:39,680 --> 00:23:37,050

interesting and we did a past life at

551

00:23:42,680 --> 00:23:39,690

that point too and it was yeah it was

552

00:23:45,230 --> 00:23:42,690

extraordinary actually and she's one of

553

00:23:47,150 --> 00:23:45,240

my favorite hypnotherapist so if you

554

00:23:48,980 --> 00:23:47,160

guys ever could find her her name's

555

00:23:50,300 --> 00:23:48,990

Sandy Mac I don't know how to tell you

556

00:23:52,520 --> 00:23:50,310

to find her because she's kind of

557

00:23:54,260 --> 00:23:52,530

private but you know you could get ahold

558

00:23:56,440 --> 00:23:54,270

of her if you're really desperate you

559

00:23:59,860 --> 00:23:56,450

could find her I know you could so

560

00:24:02,900 --> 00:23:59,870

there's always a way right James yeah

561

00:24:04,640 --> 00:24:02,910

with her and I really didn't really

562

00:24:07,430 --> 00:24:04,650

didn't go very very well but the next

563

00:24:09,110 --> 00:24:07,440

day I started getting flashbacks and

564

00:24:11,270 --> 00:24:09,120

memories coming to me and I talked to

565

00:24:12,830 --> 00:24:11,280

her she said that is that is common so I

566

00:24:15,590 --> 00:24:12,840

think it's going to be kind of hard for

567

00:24:17,330 --> 00:24:15,600

me to get hypnotized I've always said

568

00:24:18,800 --> 00:24:17,340

that I would never could never be

569

00:24:21,830 --> 00:24:18,810

hypnotized because I was always so

570

00:24:23,510 --> 00:24:21,840

strong minded but I think if I you know

571

00:24:25,820 --> 00:24:23,520

when you go to some of these conferences

572

00:24:27,620 --> 00:24:25,830

and then you there like for 12 hours

573

00:24:29,240 --> 00:24:27,630

sometimes you'd go nard now and I think

574

00:24:31,280 --> 00:24:29,250

that's the time we

575

00:24:33,880 --> 00:24:31,290

I can be hypnotized at that one time

576

00:24:36,500 --> 00:24:33,890

right there so that's what I'm hopeful I

577

00:24:38,900 --> 00:24:36,510

agree with you on that you know a people

578

00:24:40,940 --> 00:24:38,910

laugh at me but I tell them I don't see

579

00:24:43,880 --> 00:24:40,950

anybody speaking anymore and they go why

580

00:24:46,490 --> 00:24:43,890

and I go because I fall asleep during

581

00:24:48,680 --> 00:24:46,500

all of the presentations it's not that I

582

00:24:50,240 --> 00:24:48,690

want to be asleep and it's not that I

583

00:24:53,420 --> 00:24:50,250

don't care about what they're saying

584

00:24:55,550 --> 00:24:53,430

it's like I have to be asleep to take it

585

00:24:58,160 --> 00:24:55,560

all in I don't know how to describe it

586

00:25:00,020 --> 00:24:58,170

to people um and when I'm asleep and

587

00:25:01,700 --> 00:25:00,030

someone asked me a year after the

588

00:25:03,410 --> 00:25:01,710

conference is over and I sat through

589

00:25:05,120 --> 00:25:03,420

that person's thing and I slept through

590

00:25:07,010 --> 00:25:05,130

it they asked me about their

591

00:25:08,080 --> 00:25:07,020

presentation and I can almost tell them

592

00:25:11,570 --> 00:25:08,090

what they said

593

00:25:13,430 --> 00:25:11,580

it's so weird James I don't know what to

594

00:25:15,590 --> 00:25:13,440

do about it I don't see very many people

595

00:25:17,120 --> 00:25:15,600

speak anymore because my problem is if

596

00:25:20,120 --> 00:25:17,130

I'm at a conference I'm usually working

597

00:25:22,640 --> 00:25:20,130

so I don't get a chance to go listen to

598

00:25:24,860 --> 00:25:22,650

a lot of people but the few people I do

599

00:25:28,280 --> 00:25:24,870

see I sleep right through it and I

600

00:25:29,660 --> 00:25:28,290

remember it all it's so crazy yeah I

601
00:25:33,740 --> 00:25:29,670
don't know I don't know how to describe

602
00:25:35,390 --> 00:25:33,750
that I feel embarrassed actually but you

603
00:25:37,670 --> 00:25:35,400
know what am I gonna do I can't stay

604
00:25:40,820 --> 00:25:37,680
awake it's like I'm being hypnotized

605
00:25:44,060 --> 00:25:40,830
right out you know yeah well you know

606
00:25:46,580 --> 00:25:44,070
when I when I first went with Sandy she

607
00:25:52,310 --> 00:25:46,590
says that I was actually taking a fourth

608
00:25:54,440 --> 00:25:52,320
time why yeah Wow okay okay and when she

609
00:25:58,970 --> 00:25:54,450
said this this is uh about two or three

610
00:26:00,830 --> 00:25:58,980
years ago with the UFO Congress and she

611
00:26:03,140 --> 00:26:00,840
said eight years ago actually seven

612
00:26:04,820 --> 00:26:03,150
years ago at the time and I said well

613
00:26:07,220 --> 00:26:04,830

that coincides when I started going

614

00:26:10,190 --> 00:26:07,230

through these UFO conferences and she

615

00:26:11,750 --> 00:26:10,200

says yeah you were switched on two to

616

00:26:14,750 --> 00:26:11,760

start going through these things is what

617

00:26:17,390 --> 00:26:14,760

she was telling me yeah that makes sense

618

00:26:20,420 --> 00:26:17,400

makes total sense and you know I hadn't

619

00:26:22,100 --> 00:26:20,430

gotten sick in 2009 I would be here

620

00:26:23,540 --> 00:26:22,110

right now talking to everybody because

621

00:26:25,490 --> 00:26:23,550

like you know this stuff didn't mean

622

00:26:27,890 --> 00:26:25,500

anything to me back then I mean I was

623

00:26:30,380 --> 00:26:27,900

involved with it and it was important

624

00:26:31,910 --> 00:26:30,390

but it wasn't part of my life it wasn't

625

00:26:34,580 --> 00:26:31,920

what I was here to do it wasn't my

626

00:26:37,130 --> 00:26:34,590

mission yet so yeah it's very

627

00:26:39,140 --> 00:26:37,140

interesting now so you meant sandy back

628

00:26:42,770 --> 00:26:39,150

of what in two thousand thirteen or

629

00:26:45,710 --> 00:26:42,780

fourteen is it about right 2014

630

00:26:48,680 --> 00:26:45,720

okay eight years 2008 when I started

631

00:26:50,840 --> 00:26:48,690

going to Whitley Streep is unknown

632

00:26:54,740 --> 00:26:50,850

country down in Tennessee and then I

633

00:26:56,450 --> 00:26:54,750

went to X I went to the the last crash

634

00:27:00,140 --> 00:26:56,460

retrieval conference out in Las Vegas

635

00:27:02,990 --> 00:27:00,150

and to tell YouTube when Sandy told me

636

00:27:05,000 --> 00:27:03,000

that I had been taking eight seven years

637

00:27:06,860 --> 00:27:05,010

ago I immediately thought of Las Vegas

638

00:27:08,990 --> 00:27:06,870

when I was at the crash retrieval

639

00:27:12,620 --> 00:27:09,000

conference because when I was at the

640

00:27:14,120 --> 00:27:12,630

crash retrieval conference well I told

641

00:27:17,510 --> 00:27:14,130

you I've been getting followed by the

642

00:27:19,220 --> 00:27:17,520

cops all my life and I could tell that

643

00:27:20,840 --> 00:27:19,230

someone was following me at this

644

00:27:22,910 --> 00:27:20,850

conference all we can I go out to the

645

00:27:24,320 --> 00:27:22,920

pool and his guys follow me I go out to

646

00:27:26,330 --> 00:27:24,330

the parking lot next thing those guys

647

00:27:28,370 --> 00:27:26,340

follow me and telling these people I

648

00:27:30,260 --> 00:27:28,380

said man I'm good at this stuff and

649

00:27:32,870 --> 00:27:30,270

somebody's following me all weekend even

650

00:27:35,930 --> 00:27:32,880

walk to the 7-eleven and I was telling

651
00:27:37,430 --> 00:27:35,940
someone and about this guy next thing

652
00:27:40,880 --> 00:27:37,440
you know here comes a guy walking down

653
00:27:43,160 --> 00:27:40,890
the street so what is going on here so

654
00:27:45,920 --> 00:27:43,170
anyway um the last night of the

655
00:27:48,830 --> 00:27:45,930
conference I actually got this is when I

656
00:27:50,810 --> 00:27:48,840
first started getting tired too I for

657
00:27:53,930 --> 00:27:50,820
some reason I'm I was talking to Richard

658
00:27:55,850 --> 00:27:53,940
Dolan and I went and I started going on

659
00:27:58,070 --> 00:27:55,860
my computer some guy came in and I

660
00:27:59,750 --> 00:27:58,080
didn't know whether he gassed me or or

661
00:28:02,060 --> 00:27:59,760
whatever or they put something in my

662
00:28:03,650 --> 00:28:02,070
food cuz I went in and got some teak but

663
00:28:07,550 --> 00:28:03,660

I did go in the bathroom my food was

664

00:28:09,200 --> 00:28:07,560

left alone and I just got so tired I had

665

00:28:12,140 --> 00:28:09,210

to go to sleep and hear him in Las Vegas

666

00:28:14,990 --> 00:28:12,150

the first time I want go out and Here I

667

00:28:19,760 --> 00:28:15,000

am going back to my bed at 10:30 I'm out

668

00:28:24,310 --> 00:28:19,770

cold okay about four o'clock 4:30 I hear

669

00:28:27,170 --> 00:28:24,320

my door my motel door slamming shut

670

00:28:29,210 --> 00:28:27,180

James oh my god you never told me about

671

00:28:33,290 --> 00:28:29,220

this it he had go on this is interesting

672

00:28:37,220 --> 00:28:33,300

I woke up and next thing I know I'm

673

00:28:38,870 --> 00:28:37,230

throwing up no this was when the size

674

00:28:40,400 --> 00:28:38,880

thing was going on where people were

675

00:28:42,710 --> 00:28:40,410

getting sick and I'm thinking you know

676

00:28:44,570 --> 00:28:42,720

I'm thinking sicker where but I'm going

677

00:28:46,910 --> 00:28:44,580

wait a minute I heard I clearly heard

678

00:28:48,650 --> 00:28:46,920

the door shut that's what woke me up and

679

00:28:50,180 --> 00:28:48,660

next thing I know I'm throwing up so

680

00:28:51,740 --> 00:28:50,190

this throwing up went on for three hours

681

00:28:54,620 --> 00:28:51,750

and I realized that I had been drugged

682

00:28:56,220 --> 00:28:54,630

and I yes I had been drugged

683

00:28:58,890 --> 00:28:56,230

so when sandy toe

684

00:29:00,630 --> 00:28:58,900

me that I had been taking to seven years

685

00:29:04,710 --> 00:29:00,640

ago I immediately thought of that

686

00:29:07,169 --> 00:29:04,720

incident in Las Vegas so I'm not so sure

687

00:29:09,510 --> 00:29:07,179

that it might not be because maybe you

688

00:29:11,010 --> 00:29:09,520

know how she does her work maybe she was

689

00:29:13,770 --> 00:29:11,020

the last time you were taking so maybe

690

00:29:16,350 --> 00:29:13,780

my lab Stickley on the last time I'm not

691

00:29:18,750 --> 00:29:16,360

sure well I was just gonna say that you

692

00:29:22,110 --> 00:29:18,760

know that sounds like a typical very

693

00:29:25,260 --> 00:29:22,120

very typical mylabs event and as you

694

00:29:28,140 --> 00:29:25,270

know in 2013 in Henderson the whole

695

00:29:31,140 --> 00:29:28,150

group of us were taken by a mylabs event

696

00:29:32,880 --> 00:29:31,150

and these guys are not subtle I mean

697

00:29:36,600 --> 00:29:32,890

they'll even break the doors you know

698

00:29:38,700 --> 00:29:36,610

that's how unsubtle these guys are the

699

00:29:41,760 --> 00:29:38,710

break doors they'll slam the door the

700

00:29:43,530 --> 00:29:41,770

poisonous they'll drug us though you

701

00:29:46,950 --> 00:29:43,540

know they do all kinds of stuff

702

00:29:49,830 --> 00:29:46,960

I mean it's mind-boggling I fan it

703

00:29:51,720 --> 00:29:49,840

nipped me up with the antidote stuck me

704

00:29:53,549 --> 00:29:51,730

with the antidote and then just ran out

705

00:29:56,400 --> 00:29:53,559

real quick and slam the door and that's

706

00:29:58,620 --> 00:29:56,410

what I heard was the door slamming do

707

00:30:00,150 --> 00:29:58,630

you have any idea how long you were gone

708

00:30:03,330 --> 00:30:00,160

probably it sounds like you're gone

709

00:30:06,120 --> 00:30:03,340

about three or four hours right yeah it

710

00:30:12,419 --> 00:30:06,130

had to been at least well I went I know

711

00:30:15,210 --> 00:30:12,429

I was asleep by 11 o'clock yeah do you

712

00:30:17,549 --> 00:30:15,220

think that they had the opportunity to

713

00:30:19,110 --> 00:30:17,559

use scopolamine because if they did and

714

00:30:21,840 --> 00:30:19,120

we're thinking that's what they did to

715

00:30:23,610 --> 00:30:21,850

all of us but then it'll actually do is

716

00:30:25,470 --> 00:30:23,620

you'll get up you'll walk around you'll

717

00:30:27,030 --> 00:30:25,480

look like you're a normal person but

718

00:30:29,400 --> 00:30:27,040

you're in a completely drug-induced

719

00:30:31,409 --> 00:30:29,410

State and you don't remember anything

720

00:30:34,110 --> 00:30:31,419

that happens it kills all short-term

721

00:30:35,820 --> 00:30:34,120

memory so and you're very complying

722

00:30:38,130 --> 00:30:35,830

you'll do what they want like you might

723

00:30:40,470 --> 00:30:38,140

have gotten up got dressed and gone down

724

00:30:43,490 --> 00:30:40,480

stairs with them and got in a van taken

725

00:30:46,590 --> 00:30:43,500

and been taken to an underground base

726

00:30:48,810 --> 00:30:46,600

you know yeah well I just did some

727

00:30:50,669 --> 00:30:48,820

investigating and the girl that was out

728

00:30:53,100 --> 00:30:50,679

in the hallway there with when we go out

729

00:30:56,130 --> 00:30:53,110

to eat we never agree on where to go

730

00:30:57,810 --> 00:30:56,140

burgers heat that tacos it is the one

731

00:30:59,970 --> 00:30:57,820

thing we do agree on is we all want

732

00:31:03,030 --> 00:30:59,980

unlimited high-speed data that's why we

733

00:31:04,770 --> 00:31:03,040

switch to metro pcs stop by metro pcs

734

00:31:06,020 --> 00:31:04,780

with the whole family and get four lines

735

00:31:09,170 --> 00:31:06,030

with unlimited LTE

736

00:31:10,820 --> 00:31:09,180

for just \$100 . MetroPCS wireless

737

00:31:12,110 --> 00:31:10,830

figured out covers not available in some

738

00:31:13,040 --> 00:31:12,120

areas offer scrap ordinate number not

739

00:31:14,240 --> 00:31:13,050

currently active on t-mobile network

740

00:31:15,470 --> 00:31:14,250

during congestion the fraction of

741

00:31:16,850 --> 00:31:15,480

customers uses more than 35 gigs per

742

00:31:18,590 --> 00:31:16,860

month may notice reduced beats video

743

00:31:20,270 --> 00:31:18,600

stream step 240p no tethering see store

744

00:31:21,770 --> 00:31:20,280

for details in terms and conditions okay

745

00:31:25,580 --> 00:31:21,780

that was greeting the people coming into

746

00:31:27,350 --> 00:31:25,590

the bar of the D club restaurant she

747

00:31:29,180 --> 00:31:27,360

actually called in and she didn't show

748

00:31:30,770 --> 00:31:29,190

up because she was kind of sick that day

749

00:31:33,290 --> 00:31:30,780

too and that's why I thought that maybe

750

00:31:35,120 --> 00:31:33,300

with a gas this is so but I'm not sure

751

00:31:38,090 --> 00:31:35,130

exactly what they did to me

752

00:31:39,890 --> 00:31:38,100

but I do know that she didn't show up

753

00:31:43,880 --> 00:31:39,900

for work herself and I kind of tied that

754

00:31:46,160 --> 00:31:43,890

in yeah well maybe maybe she was taken

755

00:31:48,020 --> 00:31:46,170

with you you just don't know I mean see

756

00:31:51,110 --> 00:31:48,030

that's the strange thing about the whole

757

00:31:53,060 --> 00:31:51,120

my lab stuff I still have to wrap my

758

00:31:55,790 --> 00:31:53,070

head around it Melinda and Misha

759

00:31:57,410 --> 00:31:55,800

Melinda Leslie and Misha Johnson had

760

00:31:59,090 --> 00:31:57,420

wrapped their head around it and it's

761

00:32:01,580 --> 00:31:59,100

like I've told people the story here

762

00:32:05,210 --> 00:32:01,590

many time on the radio show they had an

763

00:32:07,310 --> 00:32:05,220

intervention with me in 20 16 or 15 me I

764

00:32:11,600 --> 00:32:07,320

remember was a couple years ago that's

765

00:32:14,750 --> 00:32:11,610

been 16 no it was 15 I remember now it

766

00:32:16,310 --> 00:32:14,760

was 15 it was in Lofland and we were all

767

00:32:17,780 --> 00:32:16,320

together and they said well let's go

768

00:32:19,520 --> 00:32:17,790

have dinner and I'm like okay great

769

00:32:21,050 --> 00:32:19,530

let's go have a drink I'm like I don't

770

00:32:23,390 --> 00:32:21,060

drink they go well come on have it with

771

00:32:25,580 --> 00:32:23,400

coke with us I'm like okay so we're

772

00:32:27,110 --> 00:32:25,590

sitting there and they purposely took me

773

00:32:29,030 --> 00:32:27,120

to a room James where there were no

774

00:32:30,620 --> 00:32:29,040

other people they took me into this room

775

00:32:34,060 --> 00:32:30,630

where they were just sitting there were

776

00:32:36,560 --> 00:32:34,070

the only people in the room and they say

777

00:32:40,010 --> 00:32:36,570

to me

778

00:32:41,990 --> 00:32:40,020

Lorien you do realize that we were taken

779

00:32:43,940 --> 00:32:42,000

in Henderson because I had been denying

780

00:32:46,670 --> 00:32:43,950

it for four years I kept saying it

781

00:32:48,170 --> 00:32:46,680

didn't happen it didn't happen and

782

00:32:50,660 --> 00:32:48,180

because I didn't remember it James I

783

00:32:54,110 --> 00:32:50,670

have no memory of any of it at all

784

00:32:55,880 --> 00:32:54,120

except when Melinda called me in

785

00:32:58,040 --> 00:32:55,890

September this happened in May she

786

00:33:00,950 --> 00:32:58,050

called me in September and I did have a

787

00:33:04,160 --> 00:33:00,960

flash of memory of one little part of it

788

00:33:05,720 --> 00:33:04,170

and so I did believe it did I started at

789

00:33:08,780 --> 00:33:05,730

that point to believe it could have

790

00:33:10,850 --> 00:33:08,790

happened it could have happened so I'm

791

00:33:13,550 --> 00:33:10,860

sitting there with them and James they

792

00:33:16,160 --> 00:33:13,560

say to me now you do realize that they

793

00:33:18,500 --> 00:33:16,170

told everyone of us that were in those

794

00:33:19,070 --> 00:33:18,510

chairs that were taken on those Ryder

795

00:33:22,310 --> 00:33:19,080

try

796

00:33:25,100 --> 00:33:22,320

and and examine that we were getting our

797

00:33:26,690 --> 00:33:25,110

yearly checkup and I said yeah yeah okay

798

00:33:28,880 --> 00:33:26,700

what about it you know and I'm still in

799

00:33:31,190 --> 00:33:28,890

denial that this is going on right and

800

00:33:36,350 --> 00:33:31,200

they said yeah Laurie your yearly

801
00:33:40,070 --> 00:33:36,360
checkup you know your yearly check like

802
00:33:43,399 --> 00:33:40,080
20 times before I finally it's sunk in

803
00:33:50,470 --> 00:33:43,409
and I I actually screamed they said I

804
00:33:55,759 --> 00:33:53,080
you know what is the kubler-ross

805
00:33:58,159 --> 00:33:55,769
denial and you know what is an

806
00:34:01,580 --> 00:33:58,169
acceptance denial bargaining whatever

807
00:34:03,560 --> 00:34:01,590
the seven whatever they are I don't

808
00:34:06,649 --> 00:34:03,570
remember but I hit the first one of

809
00:34:10,369 --> 00:34:06,659
denial you know and I'm sitting there

810
00:34:13,579 --> 00:34:10,379
screaming no not me I'm not my labs no

811
00:34:15,560 --> 00:34:13,589
way you know and they're like yeah sorry

812
00:34:17,389 --> 00:34:15,570
you know you were taken that means that

813
00:34:20,690 --> 00:34:17,399

they've known about you for some time

814

00:34:23,659 --> 00:34:20,700

I'm like oh no but I don't have any

815

00:34:25,760 --> 00:34:23,669

memories of anything bad do you have any

816

00:34:28,250 --> 00:34:25,770

memories of anything bad happening to

817

00:34:31,790 --> 00:34:28,260

you or they very good at wiping your

818

00:34:34,129 --> 00:34:31,800

brains out too like they do mind nothing

819

00:34:36,290 --> 00:34:34,139

at all I've got no no memories

820

00:34:38,990 --> 00:34:36,300

whatsoever what they did say I'd love to

821

00:34:41,270 --> 00:34:39,000

know but and there are times that when I

822

00:34:43,730 --> 00:34:41,280

read about stuff I see some stuff that I

823

00:34:45,740 --> 00:34:43,740

react to it that's why I reacted and

824

00:34:47,419 --> 00:34:45,750

when I was in Roswell I reacted to

825

00:34:49,430 --> 00:34:47,429

something that maybe kind of showed me

826

00:34:51,200 --> 00:34:49,440

and that's when I actually figured out

827

00:34:53,629 --> 00:34:51,210

that I was in fact taking on the way

828

00:34:55,550 --> 00:34:53,639

home and then my mom said when she added

829

00:34:57,980 --> 00:34:55,560

she said that I disappeared on her too

830

00:35:01,310 --> 00:34:57,990

when she almost called the cops I that's

831

00:35:04,099 --> 00:35:01,320

how I found out about that okay so now

832

00:35:06,320 --> 00:35:04,109

you're talking about Derrel Sims and you

833

00:35:09,440 --> 00:35:06,330

were with him in Roswell New Mexico this

834

00:35:12,320 --> 00:35:09,450

last year at the conference right no I

835

00:35:14,900 --> 00:35:12,330

didn't go this was back in 2010 when I

836

00:35:17,030 --> 00:35:14,910

figure you know cuz I I never went

837

00:35:19,070 --> 00:35:17,040

around my life saying yo I've been taken

838

00:35:21,050 --> 00:35:19,080

by aliens I did tell the story a couple

839

00:35:23,120 --> 00:35:21,060

times because they had this little

840

00:35:25,040 --> 00:35:23,130

[h__h] when I went went up and slapped a

841

00:35:26,960 --> 00:35:25,050

cigar out of his mouth because that that

842

00:35:30,020 --> 00:35:26,970

happened in there you need to tell that

843

00:35:32,840 --> 00:35:30,030

story because that's a great story by

844

00:35:35,420 --> 00:35:34,010

yeah why don't you go ahead and talk

845

00:35:37,040 --> 00:35:35,430

about that a little bit and then we're

846

00:35:39,170 --> 00:35:37,050

going to talk about how you figured this

847

00:35:41,900 --> 00:35:39,180

all out yeah

848

00:35:44,210 --> 00:35:41,910

when me and my dad were taken the next

849

00:35:47,360 --> 00:35:44,220

day we're at the the kitchen table

850

00:35:49,430 --> 00:35:47,370

eating dinner and I asked why the little

851
00:35:52,010 --> 00:35:49,440
people telling the big people what to do

852
00:35:55,670 --> 00:35:52,020
and I looked at my dad in the back of my

853
00:35:58,070 --> 00:35:55,680
mind I knew that I saw my dad you'd tell

854
00:35:59,810 --> 00:35:58,080
what to do by these little people and I

855
00:36:02,570 --> 00:35:59,820
got laughed at by my brothers and

856
00:36:04,580 --> 00:36:02,580
sisters and that they tell me well

857
00:36:06,710 --> 00:36:04,590
little people shouldn't do big people

858
00:36:08,720 --> 00:36:06,720
things until they get big big then I

859
00:36:10,820 --> 00:36:08,730
actually saw a [h__\h] at the Brockton

860
00:36:13,850 --> 00:36:10,830
State Fair that weekend at the racetrack

861
00:36:15,680 --> 00:36:13,860
you he was smoking a cigar and he's got

862
00:36:18,410 --> 00:36:15,690
he's looking through the the racing

863
00:36:20,690 --> 00:36:18,420

shots and I just went running right over

864

00:36:23,240 --> 00:36:20,700

to him and I just slapped a cigar right

865

00:36:24,980 --> 00:36:23,250

out of his mouth and I said Lou do

866

00:36:27,410 --> 00:36:24,990

big-people things until they get big

867

00:36:35,990 --> 00:36:27,420

means I can't just get away

868

00:36:39,140 --> 00:36:36,000

oh my god oh my god that is so funny and

869

00:36:41,990 --> 00:36:39,150

I what did your father like you know

870

00:36:44,000 --> 00:36:42,000

apologize profusely and I mean I think

871

00:36:45,890 --> 00:36:44,010

God has turned his head away when I

872

00:36:47,930 --> 00:36:45,900

started saying it and that made it look

873

00:36:52,720 --> 00:36:47,940

even more in my mind that I knew that

874

00:36:56,660 --> 00:36:52,730

they did I saw him get told what to do

875

00:36:58,430 --> 00:36:56,670

you know things you know oh yeah yeah I

876

00:37:01,850 --> 00:36:58,440

mean see that's the problem

877

00:37:04,010 --> 00:37:01,860

um I would say that so many more people

878

00:37:06,380 --> 00:37:04,020

on this planet have been taken that

879

00:37:09,110 --> 00:37:06,390

don't even know or have a clue or even

880

00:37:10,880 --> 00:37:09,120

wonder about it you know maybe we're all

881

00:37:13,160 --> 00:37:10,890

taking James what do you think

882

00:37:16,760 --> 00:37:13,170

well actually the alien hunter told me

883

00:37:18,980 --> 00:37:16,770

back in 2010 he told me that he thinks

884

00:37:22,160 --> 00:37:18,990

that it's as high as 91%

885

00:37:24,290 --> 00:37:22,170

Nelson what oh my god really yeah I know

886

00:37:28,550 --> 00:37:24,300

Darryl does believe that I know he does

887

00:37:31,820 --> 00:37:28,560

I just I'm not sure I don't know I think

888

00:37:34,160 --> 00:37:31,830

it's 5050 to be honest with you because

889

00:37:37,220 --> 00:37:34,170

if they're taking everybody all the time

890

00:37:39,890 --> 00:37:37,230

they'd be so busy I mean I don't know if

891

00:37:41,900 --> 00:37:39,900

there'd be any time well now I take that

892

00:37:44,450 --> 00:37:41,910

back I've learned so much since I've

893

00:37:46,730 --> 00:37:44,460

figured this all out that time doesn't

894

00:37:49,250 --> 00:37:46,740

mean anything to them like it does us

895

00:37:51,710 --> 00:37:49,260

so they could conceivably take everybody

896

00:37:55,400 --> 00:37:51,720

on the plan and pop them back into their

897

00:37:56,900 --> 00:37:55,410

wherever they were at their time and it

898

00:37:59,630 --> 00:37:56,910

wouldn't matter because nobody would

899

00:38:02,480 --> 00:37:59,640

know yes I don't believe that myself

900

00:38:06,680 --> 00:38:02,490

because you know most most of us are all

901
00:38:08,839 --> 00:38:06,690
psychic well that's true yeah and I

902
00:38:11,510 --> 00:38:08,849
don't know if I told you that before but

903
00:38:13,970 --> 00:38:11,520
every that the abductees that I know

904
00:38:16,160 --> 00:38:13,980
they're all young looking I believe

905
00:38:18,500 --> 00:38:16,170
that's because the time time dilution

906
00:38:21,140 --> 00:38:18,510
somehow well isn't that interesting

907
00:38:23,240 --> 00:38:21,150
because you know I have people come up

908
00:38:25,790 --> 00:38:23,250
to me all the time and they say there's

909
00:38:27,740 --> 00:38:25,800
no way you're 60 years old you're lying

910
00:38:31,940 --> 00:38:27,750
I mean I literally have people tell me

911
00:38:34,670 --> 00:38:31,950
that and I'm not lying I am 60 years old

912
00:38:37,160 --> 00:38:34,680
I just looking at my grandmother oh my

913
00:38:39,620 --> 00:38:37,170

god she was 77 years old and she looked

914

00:38:42,320 --> 00:38:39,630

like she was 50 she was really young

915

00:38:44,210 --> 00:38:42,330

looking I mean oh my god and my dad and

916

00:38:46,070 --> 00:38:44,220

another one up until he got in his 80s

917

00:38:50,120 --> 00:38:46,080

he looked like you know he was a baby

918

00:38:53,359 --> 00:38:50,130

I swear it's very interesting Cindy

919

00:38:54,700 --> 00:38:53,369

Cindy Williams they both look very much

920

00:38:59,960 --> 00:38:54,710

younger than your age

921

00:39:01,220 --> 00:38:59,970

I'm sorry Cindy who Cindy Cynthia you

922

00:39:04,070 --> 00:39:01,230

know Cindy the one that does the

923

00:39:16,670 --> 00:39:04,080

sculptures Oh Cynthia she passed on I

924

00:39:18,650 --> 00:39:16,680

know it's so sad oh hey James we can't

925

00:39:27,290 --> 00:39:18,660

hear you at all now where where are you

926

00:39:30,020 --> 00:39:27,300

hello stand up sighted when they said

927

00:39:32,930 --> 00:39:30,030

that about Cindy oh my god you know it's

928

00:39:34,550 --> 00:39:32,940

so sad and I and I didn't know about her

929

00:39:37,880 --> 00:39:34,560

memorial service I should have been

930

00:39:40,640 --> 00:39:37,890

there for her but you know she was an

931

00:39:43,820 --> 00:39:40,650

amazing woman she was a total hybrid

932

00:39:46,460 --> 00:39:43,830

don't you think so oh yeah yeah her her

933

00:39:47,720 --> 00:39:46,470

eyes her eyes shifted when I when she

934

00:39:49,430 --> 00:39:47,730

was so emotional

935

00:39:52,460 --> 00:39:49,440

when I bought a sculpture out for her

936

00:39:54,770 --> 00:39:52,470

her eyes just got blood-red nice let me

937

00:39:57,290 --> 00:39:54,780

get a picture of this and by the time I

938

00:39:59,440 --> 00:39:57,300

got the picture her eyes turned back to

939

00:40:01,630 --> 00:39:59,450

white yeah I

940

00:40:03,940 --> 00:40:01,640

isn't it amazing and you know what was

941

00:40:06,400 --> 00:40:03,950

cool is it my conference in Sacramento

942

00:40:07,450 --> 00:40:06,410

were you at the Sacramento conference in

943

00:40:10,240 --> 00:40:07,460

2015

944

00:40:12,520 --> 00:40:10,250

yes I was that's right you know that was

945

00:40:15,430 --> 00:40:12,530

the night that Barbara Lam at the party

946

00:40:17,079 --> 00:40:15,440

upstairs saw her eyes change and then

947

00:40:21,309 --> 00:40:17,089

Barbara was a true believer at that

948

00:40:22,900 --> 00:40:21,319

point from that point on so yeah yeah

949

00:40:26,470 --> 00:40:22,910

and they've been friends for a long time

950

00:40:29,589 --> 00:40:26,480

yeah she had sent Barbara a video of her

951
00:40:32,520 --> 00:40:29,599
eyes shape-shifting yes and then Barbara

952
00:40:35,079 --> 00:40:32,530
got to see it firsthand and that

953
00:40:37,359 --> 00:40:35,089
November yeah it was very fun I mean

954
00:40:38,349 --> 00:40:37,369
that was an interesting conference right

955
00:40:43,990 --> 00:40:38,359
yeah

956
00:40:46,150 --> 00:40:44,000
statue and she said that you know I

957
00:40:48,160 --> 00:40:46,160
think she said some like what 80 percent

958
00:40:51,220 --> 00:40:48,170
that people have a rehabber reaction or

959
00:40:54,400 --> 00:40:51,230
some kind of incident when I took my

960
00:40:56,740 --> 00:40:54,410
home the third eye on I put it out in

961
00:40:59,859 --> 00:40:56,750
the Sun I got the little aliens sitting

962
00:41:01,420 --> 00:40:59,869
down and the third eye was glowing and I

963
00:41:04,210 --> 00:41:01,430

showed it to my mom I showed it to my

964

00:41:05,980 --> 00:41:04,220

son and I said look at this and now ever

965

00:41:07,690 --> 00:41:05,990

since then it doesn't glow you can see

966

00:41:11,170 --> 00:41:07,700

white in it and all this man this that

967

00:41:12,970 --> 00:41:11,180

night it was glowing red and then I like

968

00:41:15,370 --> 00:41:12,980

I said I'd done I'd gone to the

969

00:41:17,349 --> 00:41:15,380

conference and then when I get up that

970

00:41:19,120 --> 00:41:17,359

next morning it felt like I had slept

971

00:41:21,730 --> 00:41:19,130

forever but I know it's only a few hours

972

00:41:24,430 --> 00:41:21,740

and I look in a mirror and I had a scab

973

00:41:26,260 --> 00:41:24,440

on top of my head it's a weed that scab

974

00:41:28,120 --> 00:41:26,270

come from he's like three three or four

975

00:41:30,400 --> 00:41:28,130

days old I'm like I can get cut before

976
00:41:33,400 --> 00:41:30,410
the conference or at the conference and

977
00:41:35,380 --> 00:41:33,410
have my hat on I didn't get cut and put

978
00:41:37,390 --> 00:41:35,390
yet I had a three to three day old scab

979
00:41:39,130 --> 00:41:37,400
and like what's going to I did I have

980
00:41:41,319 --> 00:41:39,140
some kind of thing going on with this

981
00:41:43,539 --> 00:41:41,329
this sculpture no but it's just weird I

982
00:41:46,380 --> 00:41:43,549
can't say for sure but I know that it

983
00:41:49,450 --> 00:41:46,390
felt like I slept forever that day

984
00:41:51,880 --> 00:41:49,460
well that's very intriguing you know I I

985
00:41:54,789 --> 00:41:51,890
I hate to say this because I'm starting

986
00:41:56,799 --> 00:41:54,799
to feel like my conferences are antennas

987
00:41:59,650 --> 00:41:56,809
for everybody to get taken or have

988
00:42:02,319 --> 00:41:59,660

experiences and I don't know if that's a

989

00:42:04,890 --> 00:42:02,329

good thing James but it seems to be that

990

00:42:07,750 --> 00:42:04,900

at most of my events people are having

991

00:42:10,960 --> 00:42:07,760

extraordinary experiences a lot of

992

00:42:12,720 --> 00:42:10,970

people are and your story is just one of

993

00:42:14,700 --> 00:42:12,730

many I've heard I've

994

00:42:16,980 --> 00:42:14,710

people tell me though they'll go to

995

00:42:20,160 --> 00:42:16,990

sleep and though they wake up on a ship

996

00:42:21,810 --> 00:42:20,170

and they're having contact with et and

997

00:42:23,880 --> 00:42:21,820

then they wake up in bed and they're all

998

00:42:25,890 --> 00:42:23,890

refreshed and ready for the next day and

999

00:42:27,630 --> 00:42:25,900

it's like the ETS are tuning them up and

1000

00:42:31,590 --> 00:42:27,640

getting ready for the next day's you

1001
00:42:34,790 --> 00:42:31,600
know speakers right and I hear this all

1002
00:42:37,440 --> 00:42:34,800
the time and I'm beginning to wonder if

1003
00:42:40,380 --> 00:42:37,450
the people all the people coming to the

1004
00:42:42,960 --> 00:42:40,390
conference isn't just like a huge beacon

1005
00:42:44,670 --> 00:42:42,970
out there to them saying oh we're all in

1006
00:42:46,440 --> 00:42:44,680
San Jose California we're all in

1007
00:42:50,400 --> 00:42:46,450
Sacramento this weekend they're you know

1008
00:42:52,050 --> 00:42:50,410
we're all here this weekend and then

1009
00:42:53,760 --> 00:42:52,060
they just like you know show up and tune

1010
00:42:57,360 --> 00:42:53,770
up everybody because we're all in one

1011
00:42:59,730 --> 00:42:57,370
spot you know it is kind of cool

1012
00:43:02,220 --> 00:42:59,740
I have heard rumor I don't know about

1013
00:43:04,500 --> 00:43:02,230

you but I heard it contacting the desert

1014

00:43:06,270 --> 00:43:04,510

that there were some other dimensional

1015

00:43:09,360 --> 00:43:06,280

beings that showed up and worked on

1016

00:43:11,250 --> 00:43:09,370

everybody in the crowd a lot did you

1017

00:43:13,950 --> 00:43:11,260

hear that when you were to contact this

1018

00:43:16,410 --> 00:43:13,960

last year I did not hear it but you know

1019

00:43:19,460 --> 00:43:16,420

I did hear about the alien on this stage

1020

00:43:22,350 --> 00:43:19,470

a couple years ago I Darren

1021

00:43:24,390 --> 00:43:22,360

Michael telling next to Michael telling

1022

00:43:26,730 --> 00:43:24,400

you on the stage when they had that

1023

00:43:30,060 --> 00:43:26,740

panel on that Saturday morning about two

1024

00:43:31,800 --> 00:43:30,070

years three years ago yeah I heard that

1025

00:43:34,950 --> 00:43:31,810

there was something there as well now I

1026

00:43:38,220 --> 00:43:34,960

saw the pictures later yeah I saw the

1027

00:43:40,290 --> 00:43:38,230

photo but I couldn't make it out now

1028

00:43:42,780 --> 00:43:40,300

maybe it's just me maybe I'm too much of

1029

00:43:44,940 --> 00:43:42,790

a skeptic you know cuz I try to be as

1030

00:43:48,060 --> 00:43:44,950

skeptical as possible so I don't get you

1031

00:43:50,400 --> 00:43:48,070

know buffaloes and don't say the wrong

1032

00:43:52,740 --> 00:43:50,410

thing on air and you know do you know

1033

00:43:55,470 --> 00:43:52,750

promote something that may not be real I

1034

00:43:57,390 --> 00:43:55,480

really try not to do that but I couldn't

1035

00:43:59,880 --> 00:43:57,400

see it but I had a friend of mine say

1036

00:44:03,600 --> 00:43:59,890

when you look at it he could see it very

1037

00:44:05,640 --> 00:44:03,610

plainly so maybe it was only for certain

1038

00:44:10,140 --> 00:44:05,650

people to see that's that's another

1039

00:44:12,480 --> 00:44:10,150

thing they do right well I remember what

1040

00:44:15,960 --> 00:44:12,490

I was looking for Michael challenger and

1041

00:44:18,060 --> 00:44:15,970

I remember that I kept my my my

1042

00:44:19,530 --> 00:44:18,070

attention to that left-hand corner when

1043

00:44:21,930 --> 00:44:19,540

I was looking for him at the time that

1044

00:44:24,300 --> 00:44:21,940

he was there but some just draw me to it

1045

00:44:25,620 --> 00:44:24,310

and then I actually found Michael

1046

00:44:26,720 --> 00:44:25,630

telling I was taking him over through

1047

00:44:28,220 --> 00:44:26,730

the integrity

1048

00:44:30,070 --> 00:44:28,230

that was the people might be telling me

1049

00:44:34,700 --> 00:44:30,080

that's why it stuck in my head

1050

00:44:39,470 --> 00:44:34,710

okay you had to meet up with him after

1051
00:44:41,120 --> 00:44:39,480
the that was slept I was invited him to

1052
00:44:45,099 --> 00:44:41,130
the integrity on with me to get a sound

1053
00:44:46,400 --> 00:44:45,109
bath and he overslept and I was okay

1054
00:44:49,130 --> 00:44:46,410
interesting

1055
00:44:51,230 --> 00:44:49,140
now did you were you there for that

1056
00:44:55,130 --> 00:44:51,240
panel did you see the alien in the

1057
00:44:57,530 --> 00:44:55,140
picture did you see no I saw I saw it I

1058
00:45:00,020 --> 00:44:57,540
think window Moulton Howe put it out on

1059
00:45:01,640 --> 00:45:00,030
her and the earth files and that's how I

1060
00:45:04,340 --> 00:45:01,650
saw it and then one of my friends

1061
00:45:06,500 --> 00:45:04,350
emailed it to me too and it's all well

1062
00:45:07,910 --> 00:45:06,510
that's why I was looking at that corner

1063
00:45:09,859 --> 00:45:07,920

more than anything else I think James

1064

00:45:11,810 --> 00:45:09,869

believer was closest to it I'm not sure

1065

00:45:13,160 --> 00:45:11,820

I think you're right I think you're

1066

00:45:15,920 --> 00:45:13,170

absolutely correct I think it was

1067

00:45:17,510 --> 00:45:15,930

Gilliland and I also think there were a

1068

00:45:20,060 --> 00:45:17,520

few people in the audience that could

1069

00:45:22,160 --> 00:45:20,070

see it because I had a friend who he

1070

00:45:23,630 --> 00:45:22,170

sees aliens all the time and he swore

1071

00:45:24,950 --> 00:45:23,640

there was an alien on that stage

1072

00:45:28,849 --> 00:45:24,960

actually he's four there were more than

1073

00:45:31,310 --> 00:45:28,859

one so you know I mean I what do I know

1074

00:45:35,510 --> 00:45:31,320

I mean that's what he sees in you know

1075

00:45:37,580 --> 00:45:35,520

and it could be true now my I was just

1076
00:45:40,400 --> 00:45:37,590
trying to try to see you see something

1077
00:45:42,710 --> 00:45:40,410
after what is it him and I'm just trying

1078
00:45:44,420 --> 00:45:42,720
to focus in and I couldn't basically see

1079
00:45:47,210 --> 00:45:44,430
it's like a blur to me is what more or

1080
00:45:49,070 --> 00:45:47,220
less yeah yeah see that's why I could

1081
00:45:50,960 --> 00:45:49,080
never really say it was an alien or not

1082
00:45:53,030 --> 00:45:50,970
because all I could see was this kind of

1083
00:45:55,520 --> 00:45:53,040
blurry colored thing and I couldn't tell

1084
00:45:58,250 --> 00:45:55,530
if it was an alien or not now this last

1085
00:46:01,160 --> 00:45:58,260
year my other friends - very good

1086
00:46:02,960 --> 00:46:01,170
psychic women came running up to me at

1087
00:46:04,970 --> 00:46:02,970
contact and they said Lord you're not

1088
00:46:07,070 --> 00:46:04,980

gonna believe it nice and to leave what

1089

00:46:09,890 --> 00:46:07,080

because I'm always like yeah what you

1090

00:46:11,720 --> 00:46:09,900

guys and they said there are aliens down

1091

00:46:13,490 --> 00:46:11,730

there tuning that people in the

1092

00:46:15,200 --> 00:46:13,500

amphitheater and they're all over

1093

00:46:16,820 --> 00:46:15,210

there's like 30 or 40 of them and

1094

00:46:19,010 --> 00:46:16,830

they're walking me in you know in

1095

00:46:20,840 --> 00:46:19,020

between the rows and there's you know

1096

00:46:23,330 --> 00:46:20,850

stopping at different people and they're

1097

00:46:26,090 --> 00:46:23,340

doing things to them and I said no way

1098

00:46:28,400 --> 00:46:26,100

they said yeah we can both see it I said

1099

00:46:30,890 --> 00:46:28,410

no way I said I don't believe you I'm

1100

00:46:32,930 --> 00:46:30,900

not gonna believe you but if it's real

1101
00:46:35,540 --> 00:46:32,940
can you find me somebody else who sees

1102
00:46:37,910 --> 00:46:35,550
it too right and they said yeah yeah

1103
00:46:39,980 --> 00:46:37,920
we'll find somebody else so the next day

1104
00:46:40,680 --> 00:46:39,990
they brought these two women to me that

1105
00:46:42,359 --> 00:46:40,690
said oh you

1106
00:46:45,240 --> 00:46:42,369
we were sitting in the audience and

1107
00:46:48,000 --> 00:46:45,250
these aliens were absolutely shocked

1108
00:46:50,430 --> 00:46:48,010
that when they leaned down to do stuff

1109
00:46:54,210 --> 00:46:50,440
to us we looked right at them and said

1110
00:46:56,520 --> 00:46:54,220
hello and I said so you saw him too and

1111
00:46:59,430 --> 00:46:56,530
they said oh yeah we saw him we didn't

1112
00:47:02,309 --> 00:46:59,440
see him like a hard 3d person we saw

1113
00:47:05,910 --> 00:47:02,319

them as like an energetic light with a

1114

00:47:07,980 --> 00:47:05,920

shape to it and I said oh my god they

1115

00:47:10,740 --> 00:47:07,990

said yep yep they were there and we were

1116

00:47:13,710 --> 00:47:10,750

saying hi to him and I'm like okay so I

1117

00:47:17,130 --> 00:47:13,720

had four women tell me they saw a whole

1118

00:47:20,520 --> 00:47:17,140

group of kind of reptilian looking

1119

00:47:23,880 --> 00:47:20,530

things running around the the

1120

00:47:25,559 --> 00:47:23,890

amphitheater doing little tune ups and a

1121

00:47:27,690 --> 00:47:25,569

couple of them apparently had little

1122

00:47:30,630 --> 00:47:27,700

wand thingies that they were running

1123

00:47:32,609 --> 00:47:30,640

over people's heads so I don't know what

1124

00:47:34,890 --> 00:47:32,619

they were doing and if anybody else was

1125

00:47:36,930 --> 00:47:34,900

at contact and actually saw this happen

1126

00:47:39,000 --> 00:47:36,940

you know in your third eye or your

1127

00:47:41,579 --> 00:47:39,010

mind's eye or anything got you guys

1128

00:47:43,770 --> 00:47:41,589

please email me because I forgot to talk

1129

00:47:46,410 --> 00:47:43,780

about that after contact this year I

1130

00:47:50,910 --> 00:47:46,420

completely forgot about it till tonight

1131

00:47:53,870 --> 00:47:50,920

of all things anyhow so yeah so I mean

1132

00:47:56,250 --> 00:47:53,880

some really crazy things happen when

1133

00:47:58,440 --> 00:47:56,260

contact these all get together in one

1134

00:47:59,730 --> 00:47:58,450

spot I think that they know that we're

1135

00:48:02,370 --> 00:47:59,740

all together and they just take

1136

00:48:05,039 --> 00:48:02,380

advantage of it the best they can need

1137

00:48:06,630 --> 00:48:05,049

James were you a giant rock with us I

1138

00:48:09,269 --> 00:48:06,640

don't think you were there were you on

1139

00:48:11,730 --> 00:48:09,279

Sunday night no I wasn't there but I'd

1140

00:48:14,250 --> 00:48:11,740

like to say that uh Joshua tree area

1141

00:48:17,849 --> 00:48:14,260

itself that that Joshua Tree spiritual

1142

00:48:19,680 --> 00:48:17,859

center yeah is it Jah alien you know

1143

00:48:24,599 --> 00:48:19,690

about the the family of light that

1144

00:48:26,069 --> 00:48:24,609

appeared and I think 2006 or so Oh tell

1145

00:48:29,309 --> 00:48:26,079

me about it I don't know anything about

1146

00:48:34,859 --> 00:48:29,319

it yeah well I've got to get a photo the

1147

00:48:37,019 --> 00:48:34,869

photo of it some guru or Indian shaman

1148

00:48:40,799 --> 00:48:37,029

some somebody had done a highly-charged

1149

00:48:42,480 --> 00:48:40,809

loving talk okay and so they how they

1150

00:48:43,799 --> 00:48:42,490

take the chairs and they fold the chairs

1151
00:48:45,809 --> 00:48:43,809
up and they put them up against the wall

1152
00:48:47,579 --> 00:48:45,819
well the people are putting the chairs

1153
00:48:50,309 --> 00:48:47,589
back against the wall and somebody felt

1154
00:48:52,140 --> 00:48:50,319
a presence and they took a photograph we

1155
00:48:54,570 --> 00:48:52,150
may looked at the photograph you can

1156
00:48:57,240 --> 00:48:54,580
actually see a family of

1157
00:48:59,280 --> 00:48:57,250
alight beans by the bathroom door bathed

1158
00:49:02,100 --> 00:48:59,290
in light and actually floating in light

1159
00:49:04,350 --> 00:49:02,110
and you can see would come through the

1160
00:49:06,210 --> 00:49:04,360
the flower that it was a plant

1161
00:49:08,160 --> 00:49:06,220
it was plant on the left side and plant

1162
00:49:10,560 --> 00:49:08,170
on the right side the plan know exactly

1163
00:49:12,330 --> 00:49:10,570

what you're talking about yeah that

1164

00:49:14,280 --> 00:49:12,340

absorbed the energy that plant wilted

1165

00:49:16,620 --> 00:49:14,290

and died there's a couple other abnormal

1166

00:49:18,240 --> 00:49:16,630

E's in the photograph like I'll sing to

1167

00:49:20,580 --> 00:49:18,250

the photograph and you can clearly see

1168

00:49:22,770 --> 00:49:20,590

that it looks like a male and a female

1169

00:49:24,930 --> 00:49:22,780

holding a baby and another child

1170

00:49:26,940 --> 00:49:24,940

standing there right next to was what we

1171

00:49:28,800 --> 00:49:26,950

think but it could be just three of them

1172

00:49:33,750 --> 00:49:28,810

but this one looks like it's man and

1173

00:49:36,860 --> 00:49:33,760

woman a baby now that's intriguing

1174

00:49:38,640 --> 00:49:36,870

too because how often do you see

1175

00:49:41,310 --> 00:49:38,650

other-dimensional beans that are a

1176
00:49:43,550 --> 00:49:41,320
family of different ages that doesn't

1177
00:49:47,670 --> 00:49:43,560
happen often that's crazy

1178
00:49:49,920 --> 00:49:47,680
Wow I wonder you know I'm I thought my

1179
00:49:52,110 --> 00:49:49,930
first thought when you said that was the

1180
00:49:54,330 --> 00:49:52,120
sounds to me like a family of people

1181
00:49:57,090 --> 00:49:54,340
that have passed over together and that

1182
00:49:58,950 --> 00:49:57,100
they were attached to that place that's

1183
00:50:00,840 --> 00:49:58,960
what it sounds like to me but hey I

1184
00:50:03,390 --> 00:50:00,850
could be wrong it could be other

1185
00:50:05,570 --> 00:50:03,400
dimensional beings but I swear to you

1186
00:50:07,980 --> 00:50:05,580
I've never heard of any baby

1187
00:50:10,020 --> 00:50:07,990
other-dimensional beans or toddlers or

1188
00:50:12,120 --> 00:50:10,030

even teenagers most of them are like

1189

00:50:15,030 --> 00:50:12,130

ascended masters of men and women

1190

00:50:16,590 --> 00:50:15,040

full-grown and and women so that's very

1191

00:50:18,090 --> 00:50:16,600

intriguing to me I'm gonna have to

1192

00:50:21,150 --> 00:50:18,100

really check that out I want to see that

1193

00:50:23,970 --> 00:50:21,160

picture when you go to break I'll send

1194

00:50:26,910 --> 00:50:23,980

it to you Oh wonderful oh my god I can't

1195

00:50:29,040 --> 00:50:26,920

wait to see this this is very cool so

1196

00:50:33,110 --> 00:50:29,050

James do you are you do you consider

1197

00:50:37,710 --> 00:50:33,120

yourself psychic oh yes I've always

1198

00:50:39,420 --> 00:50:37,720

freaked our dreams we're gonna have to

1199

00:50:40,980 --> 00:50:39,430

take a break here in a few minutes but

1200

00:50:43,820 --> 00:50:40,990

do you want to start telling us about

1201
00:50:47,700 --> 00:50:43,830
one of your Precog dreams that came true

1202
00:50:50,970 --> 00:50:47,710
well when I started going up and down

1203
00:50:53,310 --> 00:50:50,980
the coast I would pull over to the side

1204
00:50:55,650 --> 00:50:53,320
of the road because I felt tired and I

1205
00:50:57,360 --> 00:50:55,660
okay now wait a minute which coast are

1206
00:51:02,940 --> 00:50:57,370
we talking about because I'm out here on

1207
00:51:06,780 --> 00:51:02,950
the west coast I'm on East Coast 93 up

1208
00:51:08,310 --> 00:51:06,790
on the East Coast so I think I hit find

1209
00:51:10,020 --> 00:51:08,320
nuoc Delaware and

1210
00:51:12,180 --> 00:51:10,030
I just had to stop so I go over by

1211
00:51:14,940 --> 00:51:12,190
DuPont paints and next thing I know I'm

1212
00:51:17,700 --> 00:51:14,950
sleeping and I'm having this dream and

1213
00:51:19,440 --> 00:51:17,710

I'm dreaming about little kid going all

1214

00:51:21,600 --> 00:51:19,450

around the country with me and something

1215

00:51:23,400 --> 00:51:21,610

about faucets and I'm a plumber now and

1216

00:51:24,870 --> 00:51:23,410

back in when I was young anything that

1217

00:51:29,070 --> 00:51:24,880

had to do with plumber and I called it a

1218

00:51:30,840 --> 00:51:29,080

faucet so I get this dream and next

1219

00:51:32,490 --> 00:51:30,850

thing I know I'm waking up and then I'm

1220

00:51:35,010 --> 00:51:32,500

trying to get back to sleep and I'm like

1221

00:51:37,020 --> 00:51:35,020

how come I slept and now I can't get

1222

00:51:39,120 --> 00:51:37,030

back to sleep insulin so I'm noticing it

1223

00:51:40,980 --> 00:51:39,130

something's wrong if I'm that tired that

1224

00:51:43,170 --> 00:51:40,990

I got to go over and pull over and stop

1225

00:51:45,120 --> 00:51:43,180

and I go to sleep and next thing you

1226
00:51:47,490 --> 00:51:45,130
know I'm wide awake and I can't get back

1227
00:51:49,680 --> 00:51:47,500
to sleep so I actually think I drove all

1228
00:51:51,840 --> 00:51:49,690
the way back to Florida down to Florida

1229
00:51:54,840 --> 00:51:51,850
without stopping straight 24 hours that

1230
00:51:57,150 --> 00:51:54,850
time suit his myself but I realized I

1231
00:51:59,160 --> 00:51:57,160
was getting these these decisions but I

1232
00:52:02,490 --> 00:51:59,170
didn't know until I was go I went to

1233
00:52:04,980 --> 00:52:02,500
Georgetown and at a drive-in theater

1234
00:52:06,870 --> 00:52:04,990
with this girl she was actually a palm

1235
00:52:08,610 --> 00:52:06,880
reader so we pulled it I was in my

1236
00:52:11,880 --> 00:52:08,620
Mustang we pulled in and I roll my

1237
00:52:13,890 --> 00:52:11,890
wanted up yeah jeez we're kind of dating

1238
00:52:15,060 --> 00:52:13,900

ourselves here this sounds like a good

1239

00:52:18,180 --> 00:52:15,070

time had by all

1240

00:52:20,990 --> 00:52:18,190

and a drive-in theater watching jaws I'm

1241

00:52:23,040 --> 00:52:21,000

telling ya so tell you what instead of

1242

00:52:24,450 --> 00:52:23,050

continuing on with this story let's

1243

00:52:26,610 --> 00:52:24,460

leave it right there and we're gonna

1244

00:52:28,650 --> 00:52:26,620

take a break here in just a second I

1245

00:52:31,710 --> 00:52:28,660

just want to tell everyone James doesn't

1246

00:52:33,840 --> 00:52:31,720

have a website but he does frequent them

1247

00:52:36,150 --> 00:52:33,850

the conferences and he has a friend of

1248

00:52:38,670 --> 00:52:36,160

mine he always comes up and says hi and

1249

00:52:41,130 --> 00:52:38,680

he always shows up at my conferences

1250

00:52:43,410 --> 00:52:41,140

when he can and so if you ever want to

1251

00:52:45,000 --> 00:52:43,420

meet James what you can do is if your

1252

00:52:46,680 --> 00:52:45,010

were one of my avenger to get the meet

1253

00:52:48,780 --> 00:52:46,690

James and hang out with the knocked out

1254

00:52:51,060 --> 00:52:48,790

he's quite the character so we'll be

1255

00:52:53,100 --> 00:52:51,070

back with James here right after these

1256

00:52:54,750 --> 00:52:53,110

breaks and everybody's stick around

1257

00:52:58,510 --> 00:52:54,760

because we got another hour to kill

1258

00:53:03,320 --> 00:53:01,130

welcome back everyone to the California

1259

00:53:05,720 --> 00:53:03,330

1274

00:53:43,940 --> 00:53:40,290

and never hurts to you know keep us

1275

00:53:45,890 --> 00:53:43,950

going as they say and they have the most

1276

00:53:47,930 --> 00:53:45,900

amazing app so you guys don't forget

1277

00:53:49,520 --> 00:53:47,940

that and I've been having trouble with

1278

00:53:51,470 --> 00:53:49,530

mine lately MJ we're gonna have to talk

1279

00:53:52,760 --> 00:53:51,480

about it's not it's it's decided it

1280

00:53:54,170 --> 00:53:52,770

doesn't want to work anymore and I

1281

00:53:56,390 --> 00:53:54,180

wonder what's going on maybe I'm not

1282

00:53:58,190 --> 00:53:56,400

updating I don't know but it's a great

1283

00:54:01,550 --> 00:53:58,200

app in spite of the fact that I can't

1284

00:54:03,620 --> 00:54:01,560

figure out how to use it anymore I want

1285

00:54:05,450 --> 00:54:03,630

you guys to get it I also want you to

1286

00:54:07,430 --> 00:54:05,460

become a member of the insiders Club if

1287

00:54:09,410 --> 00:54:07,440

you would please you don't have to you

1288

00:54:11,210 --> 00:54:09,420

1289

00:54:13,340 --> 00:54:11,220

free and get all of our archives for

1290

00:54:15,260 --> 00:54:13,350

free but five dollars a month would help

1291

00:54:17,480 --> 00:54:15,270

us out we'd really really appreciate it

1292

00:54:19,460 --> 00:54:17,490

if you guys would do that so that's

1293

00:54:21,290 --> 00:54:19,470

that's number one thing I've got to say

1294

00:54:23,570 --> 00:54:21,300

tonight the second thing I've got to do

1295

00:54:26,330 --> 00:54:23,580

is I've got to thank Mike vara and Ira

1296

00:54:28,400 --> 00:54:26,340

over at late night the Midlands for all

1297

00:54:30,140 --> 00:54:28,410

the years now it's going on two years I

1298

00:54:33,260 --> 00:54:30,150

think that they've been repeating this

1299

00:54:35,720 --> 00:54:33,270

show over at their network and it's just

1300

00:54:37,910 --> 00:54:35,730

been really I really appreciate it the

1301
00:54:40,610 --> 00:54:37,920
guys here at its have some radio network

1302
00:54:42,650 --> 00:54:40,620
I know they do too and we're just very

1303
00:54:44,840 --> 00:54:42,660
thankful that they love the show as much

1304
00:54:46,760 --> 00:54:44,850
as I love doing it and I want to thank

1305
00:54:49,460 --> 00:54:46,770
them for doing it and I also want to

1306
00:54:50,990 --> 00:54:49,470
thank the guys here at irn without them

1307
00:54:53,720 --> 00:54:51,000
you guys I don't know what I would have

1308
00:54:56,090 --> 00:54:53,730
done I mean they they had promoted me

1309
00:55:00,440 --> 00:54:56,100
helped me kept me on the air in spite of

1310
00:55:05,690 --> 00:55:00,450
me falling asleep not showing up calling

1311
00:55:08,030 --> 00:55:05,700
from the car being on a plane I just

1312
00:55:11,309 --> 00:55:08,040
about every Fupa and talk show host

1313
00:55:14,289 --> 00:55:11,319

could do and they still let me be

1314

00:55:15,910 --> 00:55:14,299

every week we gotta go oh well she did

1315

00:55:18,069 --> 00:55:15,920

something really bizarre last week but

1316

00:55:20,470 --> 00:55:18,079

that's okay she's back here and I are in

1317

00:55:23,260 --> 00:55:20,480

so you know they've never told me what

1318

00:55:26,380 --> 00:55:23,270

to say either and that is the most to me

1319

00:55:28,569 --> 00:55:26,390

that is the most golden thing that can

1320

00:55:31,120 --> 00:55:28,579

happen in radio nowadays you guys they

1321

00:55:33,700 --> 00:55:31,130

do not tell me what to say they never

1322

00:55:36,309 --> 00:55:33,710

laugh at me they never judge my guests

1323

00:55:39,309 --> 00:55:36,319

they never judge me and they are really

1324

00:55:42,130 --> 00:55:39,319

really awesome guys so that's Bob and MJ

1325

00:55:44,799 --> 00:55:42,140

and Jo and I just they are super super

1326
00:55:48,549 --> 00:55:44,809
awesome and talk about respect for their

1327
00:55:50,859 --> 00:55:48,559
host they have amazing respect for their

1328
00:55:51,279 --> 00:55:50,869
host and I think that good is a two-way

1329
00:55:54,220 --> 00:55:51,289
street

1330
00:55:56,859 --> 00:55:54,230
every host here at irn loves these guys

1331
00:55:58,839 --> 00:55:56,869
and they are just truly amazing so I

1332
00:56:02,079 --> 00:55:58,849
just want you guys to know that I'm so

1333
00:56:03,670 --> 00:56:02,089
blessed to be here and I love irn and I

1334
00:56:05,650 --> 00:56:03,680
just want you guys to know that it's

1335
00:56:08,079 --> 00:56:05,660
just it means the world to me and I just

1336
00:56:10,779 --> 00:56:08,089
wished them all a happy happy holidays

1337
00:56:14,140 --> 00:56:10,789
so and then the last thing I need to say

1338
00:56:16,630 --> 00:56:14,150

tonight is that you know you guys know

1339

00:56:19,539 --> 00:56:16,640

that I had my big MUFON holiday party in

1340

00:56:20,740 --> 00:56:19,549

December and it was a blast I don't

1341

00:56:24,160 --> 00:56:20,750

think I'd be able to tell you guys about

1342

00:56:27,130 --> 00:56:24,170

it but it was just a blast and we had so

1343

00:56:29,289 --> 00:56:27,140

much fun and we had an amazing speaker

1344

00:56:31,750 --> 00:56:29,299

and she's gonna be speaking at UFO Con

1345

00:56:35,289 --> 00:56:31,760

this year she's a contactee and she has

1346

00:56:37,900 --> 00:56:35,299

an extraordinary story about how you

1347

00:56:39,309 --> 00:56:37,910

know she's got alien children and you

1348

00:56:43,269 --> 00:56:39,319

know it's just it's like the female

1349

00:56:45,730 --> 00:56:43,279

stand Roman act I got to say so wild

1350

00:56:47,680 --> 00:56:45,740

stuff has happened to her and she's

1351
00:56:49,599 --> 00:56:47,690
gonna be speaking at UFO Con but you

1352
00:56:51,279 --> 00:56:49,609
know the most important thing to me was

1353
00:56:53,529 --> 00:56:51,289
the fact that I got to sit there and

1354
00:56:56,950 --> 00:56:53,539
look out over a room of 40 some-odd

1355
00:56:58,990 --> 00:56:56,960
people and I got to see that they were

1356
00:57:00,940 --> 00:56:59,000
all ages and they came from all

1357
00:57:03,640 --> 00:57:00,950
different aspects of what you follow G

1358
00:57:05,859 --> 00:57:03,650
is about and they were all eating dinner

1359
00:57:07,569 --> 00:57:05,869
together and having a great time and

1360
00:57:10,120 --> 00:57:07,579
they were talking about things of

1361
00:57:13,569 --> 00:57:10,130
importance and non importance and I even

1362
00:57:16,779 --> 00:57:13,579
got to you know say my piece and be be

1363
00:57:19,180 --> 00:57:16,789

loud and boisterous and kind of admonish

1364

00:57:21,250 --> 00:57:19,190

a few people for they're speaking out

1365

00:57:23,830 --> 00:57:21,260

against a few UF ologist in the

1366

00:57:25,990 --> 00:57:23,840

community and I also changed their mind

1367

00:57:27,520 --> 00:57:26,000

about those who followed this that's the

1368

00:57:29,380 --> 00:57:27,530

other thing I got to say what I wanted

1369

00:57:32,470 --> 00:57:29,390

to say they got to stay what they wanted

1370

00:57:34,960 --> 00:57:32,480

to say where else can you go and that

1371

00:57:38,680 --> 00:57:34,970

type of thing happens so I want you all

1372

00:57:41,020 --> 00:57:38,690

I say this every every show almost every

1373

00:57:43,000 --> 00:57:41,030

show and I say it all the time you guys

1374

00:57:45,580 --> 00:57:43,010

have got to get to a MUFON meeting

1375

00:57:48,070 --> 00:57:45,590

whether it's it's not like I said it's

1376

00:57:49,930 --> 00:57:48,080

not all about MUFON it's about all of

1377

00:57:52,210 --> 00:57:49,940

you guys getting together at a MUFON

1378

00:57:53,800 --> 00:57:52,220

meeting so understand what I'm trying to

1379

00:57:57,820 --> 00:57:53,810

tell you it's important that you all

1380

00:57:59,950 --> 00:57:57,830

find each other now more than ever with

1381

00:58:02,140 --> 00:57:59,960

all the disclosure stuff that's going on

1382

00:58:04,060 --> 00:58:02,150

with all the confusion that's going on

1383

00:58:06,430 --> 00:58:04,070

with all the puppet masters in the

1384

00:58:09,250 --> 00:58:06,440

background controlling the narrative it

1385

00:58:12,430 --> 00:58:09,260

is more important now than ever ever

1386

00:58:14,800 --> 00:58:12,440

ever before that you guys all find each

1387

00:58:16,600 --> 00:58:14,810

other because like I said there's a line

1388

00:58:18,910 --> 00:58:16,610

in the sand being drawn between the

1389

00:58:21,640 --> 00:58:18,920

contact fees and the military-industrial

1390

00:58:23,920 --> 00:58:21,650

complex that's gonna let you know what

1391

00:58:26,110 --> 00:58:23,930

they want you to know so just remember

1392

00:58:29,170 --> 00:58:26,120

that and I need all the contactees to

1393

00:58:31,270 --> 00:58:29,180

get together and start becoming part of

1394

00:58:33,070 --> 00:58:31,280

other groups and other things that are

1395

00:58:34,720 --> 00:58:33,080

going on and you'll find these people at

1396

00:58:36,580 --> 00:58:34,730

the MUFON meetings there's a couple of

1397

00:58:38,860 --> 00:58:36,590

ce-5 groups going on right now a

1398

00:58:43,360 --> 00:58:38,870

thousand strong where they're actually

1399

00:58:46,390 --> 00:58:43,370

making contact there is another group

1400

00:58:48,820 --> 00:58:46,400

that's got about 5,000 people in it that

1401

00:58:50,890 --> 00:58:48,830

a bunch of my MUFON members are part of

1402

00:58:53,880 --> 00:58:50,900

where they're actually once a month

1403

00:58:57,900 --> 00:58:53,890

getting together and consciously

1404

00:59:01,690 --> 00:58:57,910

communicating with alien entities via

1405

00:59:04,000 --> 00:59:01,700

everybody on a like a moment of

1406

00:59:06,790 --> 00:59:04,010

meditation but they're all doing it as a

1407

00:59:08,530 --> 00:59:06,800

group all over the world there's 5,000

1408

00:59:11,650 --> 00:59:08,540

people they get on this meditation it

1409

00:59:13,900 --> 00:59:11,660

wants to contact et so you guys there's

1410

00:59:16,630 --> 00:59:13,910

a lot of things going on there but they

1411

00:59:19,210 --> 00:59:16,640

are not going to be the things that you

1412

00:59:21,280 --> 00:59:19,220

see that are like advertised on the

1413

00:59:22,510 --> 00:59:21,290

Internet you are not gonna find these

1414

00:59:24,220 --> 00:59:22,520

groups then we're gonna find these

1415

00:59:25,840 --> 00:59:24,230

groups as we get to a MUFON meetings I

1416

00:59:27,760 --> 00:59:25,850

can guarantee you this everybody that

1417

00:59:30,730 --> 00:59:27,770

runs one of those meetings everybody

1418

00:59:32,710 --> 00:59:30,740

it's a contact D in their area goes to

1419

00:59:34,330 --> 00:59:32,720

all the MUFON meetings and we meet up

1420

00:59:36,430 --> 00:59:34,340

with each other there that's what we use

1421

00:59:37,630 --> 00:59:36,440

MUFON for MUFON is there to help you

1422

00:59:39,279 --> 00:59:37,640

find each other

1423

00:59:41,620 --> 00:59:39,289

and what you do from that point on is

1424

00:59:44,559 --> 00:59:41,630

your business okay so just remember I

1425

00:59:46,569 --> 00:59:44,569

said that you know it I'm not saying

1426

00:59:48,370 --> 00:59:46,579

anything bad about MUFON okay just

1427

00:59:49,749 --> 00:59:48,380

remember that don't call Jan Hardison

1428

00:59:51,849 --> 00:59:49,759

tomorrow say Laureen was bad-mouthing

1429

00:59:54,069 --> 00:59:51,859

MUFON I am not bad-mouthing MUFON if it

1430

00:59:57,249 --> 00:59:54,079

wasn't for MUFON I would be here talking

1431

00:59:59,140 --> 00:59:57,259

to you guys right now so MUFON in itself

1432

01:00:02,829 --> 00:59:59,150

as an organization that's lasted since

1433

01:00:04,299 --> 01:00:02,839

1969 it's a good thing it's not as bad

1434

01:00:07,180 --> 01:00:04,309

as everybody wants to make it out to be

1435

01:00:09,849 --> 01:00:07,190

and they really do keep people together

1436

01:00:12,069 --> 01:00:09,859

I mean in Northern California we've got

1437

01:00:13,479 --> 01:00:12,079

we're really strong and MUFON but we're

1438

01:00:15,880 --> 01:00:13,489

strong and everything else too and

1439

01:00:17,650 --> 01:00:15,890

Buffon is like the backbone that made it

1440

01:00:19,420 --> 01:00:17,660

all the rest of it happen so just

1441

01:00:20,769 --> 01:00:19,430

remember that okay guys I hope you're

1442

01:00:22,989 --> 01:00:20,779

hearing me between the lines on

1443

01:00:25,749 --> 01:00:22,999

everything here it's super important you

1444

01:00:28,420 --> 01:00:25,759

get to a meeting okay so give that self

1445

01:00:30,670 --> 01:00:28,430

give yourself the gift of calling your

1446

01:00:34,720 --> 01:00:30,680

MUFON representative in your state go to

1447

01:00:37,839 --> 01:00:34,730

MUFON comm this em UFO and calm go there

1448

01:00:39,819 --> 01:00:37,849

find your state click on it find out who

1449

01:00:41,859 --> 01:00:39,829

your state director is called up and say

1450

01:00:43,539 --> 01:00:41,869

when's your next meeting and then

1451

01:00:45,489 --> 01:00:43,549

seriously think about it

1452

01:00:47,680 --> 01:00:45,499

if there is no meetings in your state if

1453

01:00:50,859 --> 01:00:47,690

there is no meetings in your town create

1454

01:00:53,529 --> 01:00:50,869

one I did you can do it too it's not

1455

01:00:55,059 --> 01:00:53,539

hard okay so I'm gonna leave it at that

1456

01:00:57,069 --> 01:00:55,069

I'm not gonna lecture you guys anymore

1457

01:00:58,239 --> 01:00:57,079

because it is the holidays all right

1458

01:01:02,259 --> 01:00:58,249

James are you still with me

1459

01:01:05,710 --> 01:01:02,269

yep I'm here okay now so you're in you

1460

01:01:07,690 --> 01:01:05,720

drove down to Florida you're in your

1461

01:01:10,390 --> 01:01:07,700

Mustang you're at the drive-in theater

1462

01:01:11,979 --> 01:01:10,400

with some cute gal and you're in your

1463

01:01:14,170 --> 01:01:11,989

mouth you're musting you're watching

1464

01:01:19,440 --> 01:01:14,180

jaws is it a convertible

1465

01:01:22,779 --> 01:01:19,450

no it wasn't convertible oh that's good

1466

01:01:25,720 --> 01:01:22,789

when we go out to eat we never agree on

1467

01:01:27,700 --> 01:01:25,730

where to go burgers pizza tacos it is

1468

01:01:29,739 --> 01:01:27,710

the one thing we do agree on is we all

1469

01:01:32,890 --> 01:01:29,749

want unlimited high-speed data that's

1470

01:01:34,660 --> 01:01:32,900

why we switch to metro pcs stop by metro

1471

01:01:36,640 --> 01:01:34,670

pcs with the whole family and get four

1472

01:01:39,729 --> 01:01:36,650

lines with unlimited LTE data for just

1473

01:01:41,170 --> 01:01:39,739

\$100 period metro pcs Wireless figured

1474

01:01:42,249 --> 01:01:41,180

out covers not available in some areas

1475

01:01:43,210 --> 01:01:42,259

offers for reporting of number not

1476

01:01:44,410 --> 01:01:43,220

currently active on t-mobile network

1477

01:01:45,640 --> 01:01:44,420

during congestion the fraction of

1478

01:01:47,079 --> 01:01:45,650

customers used more than 35 gigs per

1479

01:01:48,759 --> 01:01:47,089

month may notice reduce beats but he

1480

01:01:50,339 --> 01:01:48,769

dream step 240p no tethering see store

1481

01:01:53,410 --> 01:01:50,349

for details in terms and conditions that

1482

01:01:57,880 --> 01:01:53,420

way everybody could see in the car so

1483

01:02:00,640 --> 01:01:57,890

easily right right okay so what happened

1484

01:02:02,799 --> 01:02:00,650

I'll tell you I must have gone to sleep

1485

01:02:05,729 --> 01:02:02,809

for just a couple minutes and I had that

1486

01:02:10,120 --> 01:02:05,739

same old dream of some little kid and

1487

01:02:14,440 --> 01:02:10,130

faucets again and at this time when I

1488

01:02:15,940 --> 01:02:14,450

woke up I woke up to the turn and and

1489

01:02:18,729 --> 01:02:15,950

you know actually when I watched jaws

1490

01:02:20,890 --> 01:02:18,739

these years I don't hear that sentence

1491

01:02:25,359 --> 01:02:20,900

huh I think the Mandela effect has

1492

01:02:27,609 --> 01:02:25,369

affected jaws really yeah watch jaws and

1493

01:02:29,559 --> 01:02:27,619

look at that the beginning where the

1494

01:02:32,940 --> 01:02:29,569

shark is stalking her and because

1495

01:02:37,839 --> 01:02:32,950

there's the move the music used to be

1496

01:02:39,670 --> 01:02:37,849

now it's like did you know well you know

1497

01:02:41,440 --> 01:02:39,680

that's what I woke up to that jump and

1498

01:02:45,759 --> 01:02:41,450

her swimming around and the start with

1499

01:02:48,579 --> 01:02:45,769

shark stalking her and I woke up and I

1500

01:02:51,249 --> 01:02:48,589

immediately apologize for falling asleep

1501

01:02:52,719 --> 01:02:51,259

and the girl she had been in the

1502

01:02:54,489 --> 01:02:52,729

backseat I was with a couple couple

1503

01:02:56,859 --> 01:02:54,499

people and she was in the backseat she

1504

01:02:59,559 --> 01:02:56,869

jumped in the front seat into my lap and

1505

01:03:02,140 --> 01:02:59,569

she grabbed it with two hands and she's

1506

01:03:04,450 --> 01:03:02,150

like you were sleeping you're in a

1507

01:03:06,339 --> 01:03:04,460

trance and she just started shaking me

1508

01:03:16,709 --> 01:03:06,349

back and forth on what you see what did

1509

01:03:22,239 --> 01:03:19,569

why was she asking you like that so

1510

01:03:24,309 --> 01:03:22,249

adamantly well she was a palm reader and

1511

01:03:27,910 --> 01:03:24,319

she knew immediately that I was in in a

1512

01:03:30,039 --> 01:03:27,920

trance oh so she was a psychic no wonder

1513

01:03:32,910 --> 01:03:30,049

you were drawn to her did you ever date

1514

01:03:37,630 --> 01:03:32,920

her any length of time I said I did not

1515

01:03:42,849 --> 01:03:37,640

yeah that that week that week sure oh

1516

01:03:48,849 --> 01:03:42,859

just that week she actually moved in

1517

01:03:51,400 --> 01:03:48,859

with me is about a month here I like

1518

01:03:54,339 --> 01:03:51,410

this sorry I'm not sure if it was then

1519

01:03:56,589 --> 01:03:54,349

because we went I'm sorry I swear I went

1520

01:03:59,140 --> 01:03:56,599

to Florida when I was working at a gas

1521

01:04:00,640 --> 01:03:59,150

station my friend that was working with

1522

01:04:02,140 --> 01:04:00,650

me he gets a cause man

1523

01:04:04,150 --> 01:04:02,150

you wouldn't believe this chick Julie

1524

01:04:07,029 --> 01:04:04,160

she's calling me up she wants to see me

1525

01:04:09,339 --> 01:04:07,039

tonight I'm like what's her name not

1526

01:04:11,890 --> 01:04:09,349

Julie you know so give me that phone

1527

01:04:14,170 --> 01:04:11,900

that's me that's my friend so that's how

1528

01:04:17,109 --> 01:04:14,180

she found out where I was the second

1529

01:04:19,120 --> 01:04:17,119

time so then she ended up we stayed at

1530

01:04:20,890 --> 01:04:19,130

this place for about a lot of months

1531

01:04:29,970 --> 01:04:20,900

actually there's a frog that lived in

1532

01:04:33,010 --> 01:04:29,980

that toilet was the in the tank or the

1533

01:04:36,210 --> 01:04:33,020

flush part now he was in the first pot

1534

01:04:38,500 --> 01:04:36,220

he'd pop up every once in a while

1535

01:04:40,510 --> 01:04:38,510

strangest thing you know things fly and

1536

01:04:43,750 --> 01:04:40,520

all right we had a next-door neighbor

1537

01:04:46,240 --> 01:04:43,760

that had a monkey how daddy was weird oh

1538

01:04:50,859 --> 01:04:46,250

you guys I'm telling ya you can't make

1539

01:04:52,900 --> 01:04:50,869

this stuff up I'm waking up and she says

1540

01:04:54,760 --> 01:04:52,910

there's a monkey in the tree and I'm

1541

01:04:56,349 --> 01:04:54,770

gonna what look out

1542

01:04:58,870 --> 01:04:56,359

sure enough there was a monkey in the

1543

01:05:00,519 --> 01:04:58,880

tree the guy would let his monkey go up

1544

01:05:03,309 --> 01:05:00,529

in the tree every one and every morning

1545

01:05:12,299 --> 01:05:03,319

and there was oh my god and it was

1546

01:05:15,279 --> 01:05:12,309

stairwell okay so now we're it's okay

1547

01:05:17,170 --> 01:05:15,289

Julie the psychic is now making me you

1548

01:05:18,970 --> 01:05:17,180

saying you're having a vision what are

1549

01:05:22,000 --> 01:05:18,980

you visioning what are you seeing did

1550

01:05:24,700 --> 01:05:22,010

you tell her yeah I told her that I saw

1551
01:05:26,680 --> 01:05:24,710
the same thing I saw before with some

1552
01:05:29,650 --> 01:05:26,690
little kid that's going all around the

1553
01:05:32,559 --> 01:05:29,660
country with me and some about faucets

1554
01:05:38,559 --> 01:05:32,569
and where it turned out that exact spot

1555
01:05:40,150 --> 01:05:38,569
back in 1991 I did an apartment project

1556
01:05:42,760 --> 01:05:40,160
there that's what I used to do is go all

1557
01:05:44,740 --> 01:05:42,770
around the country and put in the water

1558
01:05:46,990 --> 01:05:44,750
pipe on apartment projects well this one

1559
01:05:49,539 --> 01:05:47,000
here was actually in the ditch putting

1560
01:05:51,819 --> 01:05:49,549
in the plastic pipe at the time so uh

1561
01:05:56,440 --> 01:05:51,829
that's probably why I called it faucets

1562
01:05:57,519 --> 01:05:56,450
because it was a pipe back okay yeah so

1563
01:06:03,220 --> 01:05:57,529

it's 1991

1564

01:06:06,970 --> 01:06:03,230

so is 75 I believe was a 73 now 75 at

1565

01:06:09,309 --> 01:06:06,980

second time so what 16 years late I had

1566

01:06:12,039 --> 01:06:09,319

the the vision come true at the exact

1567

01:06:14,560 --> 01:06:12,049

spot because uh the drive-in theater had

1568

01:06:17,470 --> 01:06:14,570

sold out and they

1569

01:06:23,800 --> 01:06:17,480

old folks apartment project their big

1570

01:06:25,660 --> 01:06:23,810

old having a precognition of what you

1571

01:06:27,790 --> 01:06:25,670

were gonna do in the futures but you

1572

01:06:29,410 --> 01:06:27,800

were having at that exact spot

1573

01:06:33,070 --> 01:06:29,420

well that's mainly what the way my

1574

01:06:37,060 --> 01:06:33,080

Precog visions work is is about where

1575

01:06:40,060 --> 01:06:37,070

I'm gonna be in my future now I find

1576

01:06:42,160 --> 01:06:40,070

this very intriguing because I used to

1577

01:06:45,010 --> 01:06:42,170

have that kind of stuff happen to me all

1578

01:06:47,080 --> 01:06:45,020

the time and I don't have it happening

1579

01:06:48,970 --> 01:06:47,090

as much now do you find that since

1580

01:06:51,730 --> 01:06:48,980

you're older it's not happening as much

1581

01:06:54,370 --> 01:06:51,740

or is it still continuing absolutely my

1582

01:06:56,230 --> 01:06:54,380

third eye has been closed and it's hard

1583

01:06:58,240 --> 01:06:56,240

for me to remember my dreams and I've

1584

01:06:59,980 --> 01:06:58,250

been actually been asking everybody

1585

01:07:01,870 --> 01:06:59,990

talking to all the people on the radio

1586

01:07:02,290 --> 01:07:01,880

asking them which what should i do what

1587

01:07:04,810 --> 01:07:02,300

should I do

1588

01:07:06,970 --> 01:07:04,820

and I finally found the solution I've

1589

01:07:09,820 --> 01:07:06,980

I'm using Skate liver oil again I

1590

01:07:12,490 --> 01:07:09,830

stopped using Skate liver oil and then

1591

01:07:14,650 --> 01:07:12,500

my dreams get stopped and now since I

1592

01:07:16,780 --> 01:07:14,660

started to skate liver oil the pills and

1593

01:07:19,570 --> 01:07:16,790

I'm starting to be able to dream again

1594

01:07:21,250 --> 01:07:19,580

plus I use the charcoal to to flush out

1595

01:07:22,810 --> 01:07:21,260

the chemtrail actually over what's going

1596

01:07:24,910 --> 01:07:22,820

on right now every year it seems like

1597

01:07:26,650 --> 01:07:24,920

the chemtrails are different like last

1598

01:07:28,570 --> 01:07:26,660

year people get in the colds and stuff

1599

01:07:30,580 --> 01:07:28,580

well this year people are getting a lot

1600

01:07:33,520 --> 01:07:30,590

of zits on their head myself included

1601
01:07:35,800 --> 01:07:33,530
and there's nothing you can do okay wait

1602
01:07:37,960 --> 01:07:35,810
a minute this is really odd that you

1603
01:07:41,440 --> 01:07:37,970
said that you're not gonna believe this

1604
01:07:43,420 --> 01:07:41,450
I was over at my doctors a while back

1605
01:07:45,520 --> 01:07:43,430
and people were sitting there and I was

1606
01:07:47,410 --> 01:07:45,530
complaining as my dermatologist and I

1607
01:07:49,420 --> 01:07:47,420
said why are you guys here is that

1608
01:07:51,400 --> 01:07:49,430
looking at this couple and they said

1609
01:07:54,970 --> 01:07:51,410
look our face is breaking out all around

1610
01:07:56,650 --> 01:07:54,980
the edge of our hairline and I said oh

1611
01:07:58,030 --> 01:07:56,660
that's weird they go yeah I've never had

1612
01:07:59,440 --> 01:07:58,040
anything like this happened to us before

1613
01:08:02,080 --> 01:07:59,450

we're worried did some kind of

1614

01:08:04,270 --> 01:08:02,090

dermatitis or a bug or you know

1615

01:08:07,750 --> 01:08:04,280

something and I said oh that's really

1616

01:08:11,170 --> 01:08:07,760

odd and then within two weeks I started

1617

01:08:12,940 --> 01:08:11,180

breaking out around my hairline and I

1618

01:08:14,530 --> 01:08:12,950

went to the doctor he goes oh yeah

1619

01:08:16,360 --> 01:08:14,540

there's been a rash of some kind of

1620

01:08:19,000 --> 01:08:16,370

weird breakout thing where people are

1621

01:08:21,910 --> 01:08:19,010

having acne breakout like go oh come on

1622

01:08:23,440 --> 01:08:21,920

really I said are you calling it acne

1623

01:08:25,420 --> 01:08:23,450

and he goes yeah cuz that's what it is

1624

01:08:27,430 --> 01:08:25,430

it's basically just like your body's

1625

01:08:29,289 --> 01:08:27,440

getting rid of poisons

1626

01:08:31,570 --> 01:08:29,299

it seems to be coming out on everybody's

1627

01:08:33,130 --> 01:08:31,580

hair like okay

1628

01:08:35,320 --> 01:08:33,140

this is too weird now I hadn't even

1629

01:08:37,689 --> 01:08:35,330

thought about it James since then until

1630

01:08:39,640 --> 01:08:37,699

just now when you said that now is it

1631

01:08:42,039 --> 01:08:39,650

happening on your head or on your

1632

01:08:46,059 --> 01:08:42,049

hairline that's what I wanna know

1633

01:08:48,999 --> 01:08:46,069

actually on the back of my head and I

1634

01:08:51,430 --> 01:08:49,009

sleep with my window open and it's like

1635

01:08:53,410 --> 01:08:51,440

right here so I I've done everything

1636

01:08:56,229 --> 01:08:53,420

I've washed my hair to three times a day

1637

01:08:58,269 --> 01:08:56,239

change the pillowcase everyday and

1638

01:09:00,550 --> 01:08:58,279

nothing seen and they're very painful

1639

01:09:03,459 --> 01:09:00,560

it's just one or two of them and they're

1640

01:09:06,910 --> 01:09:03,469

very very painful and I know it's got to

1641

01:09:09,309 --> 01:09:06,920

do with the chemtrails and wait a minute

1642

01:09:11,559 --> 01:09:09,319

do you think it might be an implant

1643

01:09:13,599 --> 01:09:11,569

that's coming up because I'll tell you

1644

01:09:16,780 --> 01:09:13,609

something when I had my implant come out

1645

01:09:20,260 --> 01:09:16,790

it hurt like a son of a B and it felt

1646

01:09:23,170 --> 01:09:20,270

like a cyst that was trying to come out

1647

01:09:24,880 --> 01:09:23,180

no it's these are these are kind of

1648

01:09:26,769 --> 01:09:24,890

curling like one on the left side then

1649

01:09:28,870 --> 01:09:26,779

it'll go away a one or two on the you

1650

01:09:30,760 --> 01:09:28,880

know right side of the one I got now is

1651

01:09:32,740 --> 01:09:30,770

like right in the back of my head right

1652

01:09:35,349 --> 01:09:32,750

definitely on the back of my head and it

1653

01:09:38,170 --> 01:09:35,359

kind of hurts and I mentioned you know

1654

01:09:38,829 --> 01:09:38,180

you mentioned LNM radio earlier with

1655

01:09:42,340 --> 01:09:38,839

Michael Berrer

1656

01:09:44,530 --> 01:09:42,350

yeah yeah I was actually in the chat

1657

01:09:47,530 --> 01:09:44,540

room earlier with with them and I

1658

01:09:49,990 --> 01:09:47,540

mentioned that about my my head getting

1659

01:09:51,999 --> 01:09:50,000

the zits and someone in the chat room

1660

01:09:54,459 --> 01:09:52,009

came back to me and said yes that's in

1661

01:09:57,010 --> 01:09:54,469

fact going on he knows about people here

1662

01:09:59,620 --> 01:09:57,020

around here too that are going to the

1663

01:10:03,640 --> 01:09:59,630

dermatologist and the dermatologist has

1664

01:10:05,860 --> 01:10:03,650

no answers for them just said yeah

1665

01:10:07,870 --> 01:10:05,870

people are getting a cyst or they're

1666

01:10:11,050 --> 01:10:07,880

getting acne around their hairline okay

1667

01:10:12,850 --> 01:10:11,060

well what is that what's it from he goes

1668

01:10:15,550 --> 01:10:12,860

oh I don't know it's just the breakout

1669

01:10:17,709 --> 01:10:15,560

I'm like okay right these guys don't

1670

01:10:19,630 --> 01:10:17,719

have a clue what's going on do they

1671

01:10:20,740 --> 01:10:19,640

James I mean it just blows my mind they

1672

01:10:25,570 --> 01:10:20,750

should even have a degree in medicine

1673

01:10:27,430 --> 01:10:25,580

you know seriously I mean I think we

1674

01:10:32,020 --> 01:10:27,440

could figure it out faster than they can

1675

01:10:34,300 --> 01:10:32,030

you know you know what I feel what I

1676

01:10:36,010 --> 01:10:34,310

feel it is is just how every time you

1677

01:10:37,930 --> 01:10:36,020

make chemtrails you're not gonna get the

1678

01:10:39,820 --> 01:10:37,940

same patch all the time something's

1679

01:10:41,390 --> 01:10:39,830

gonna have a little more something and

1680

01:10:43,250 --> 01:10:41,400

then the other patch does

1681

01:10:45,439 --> 01:10:43,260

I feel that whatever badge got made

1682

01:10:47,149 --> 01:10:45,449

maybe some kind of germ get into it and

1683

01:10:48,680 --> 01:10:47,159

there's a little more journey than the

1684

01:10:50,510 --> 01:10:48,690

natural patch and then they'll just

1685

01:10:54,649 --> 01:10:50,520

spray it till they run out of it and

1686

01:10:56,330 --> 01:10:54,659

this is the result of it oh that makes

1687

01:10:58,160 --> 01:10:56,340

sense I mean I'm not going to argue with

1688

01:11:01,130 --> 01:10:58,170

that I you know I can't prove it wrong

1689

01:11:02,899 --> 01:11:01,140

and I certainly have noticed that other

1690

01:11:05,390 --> 01:11:02,909

people have been having some issue with

1691

01:11:07,910 --> 01:11:05,400

their heads breaking out so you know and

1692

01:11:10,640 --> 01:11:07,920

me included so something is definitely

1693

01:11:12,290 --> 01:11:10,650

happening I just I'm still trying to

1694

01:11:14,630 --> 01:11:12,300

figure out what wrap my head around it

1695

01:11:16,729 --> 01:11:14,640

all but now do you think the chemtrails

1696

01:11:18,380 --> 01:11:16,739

have slowed down at all I know they've

1697

01:11:20,090 --> 01:11:18,390

slowed down quite a bit over here in

1698

01:11:26,780 --> 01:11:20,100

California how's it going on the East

1699

01:11:28,700 --> 01:11:26,790

Coast no yeah he's spraying the east in

1700

01:11:31,669 --> 01:11:28,710

the morning when the sun's rise and they

1701

01:11:34,100 --> 01:11:31,679

spray overhead in noontime and then they

1702

01:11:37,399 --> 01:11:34,110

spray in the West and even just to block

1703

01:11:39,979 --> 01:11:37,409

out our view of the Sun well this is so

1704

01:11:41,240 --> 01:11:39,989

crazy cuz you know down well here in

1705

01:11:43,939 --> 01:11:41,250

Northern California and Southern

1706

01:11:46,220 --> 01:11:43,949

California all of us have been watching

1707

01:11:48,290 --> 01:11:46,230

and it's really slowed down the

1708

01:11:52,580 --> 01:11:48,300

chemtrails have really slowed down since

1709

01:11:56,390 --> 01:11:52,590

June of this last year it's been very

1710

01:11:59,180 --> 01:11:56,400

interesting and but what we have had

1711

01:12:01,850 --> 01:11:59,190

that you guys haven't had is we've had

1712

01:12:03,919 --> 01:12:01,860

these fire storms that I'm beginning to

1713

01:12:06,260 --> 01:12:03,929

wonder aren't man-made now I was the

1714

01:12:07,970 --> 01:12:06,270

first one to say I don't know what this

1715

01:12:10,160 --> 01:12:07,980

happening with them I don't believe that

1716

01:12:13,040 --> 01:12:10,170

you know they were started by anybody

1717

01:12:16,100 --> 01:12:13,050

and what-have-you but after looking at

1718

01:12:18,290 --> 01:12:16,110

all the evidence and talking to friends

1719

01:12:20,630 --> 01:12:18,300

of mine that are really into agenda21

1720

01:12:23,149 --> 01:12:20,640

out here in the Bay Area

1721

01:12:25,010 --> 01:12:23,159

I really am beginning to wonder if they

1722

01:12:29,149 --> 01:12:25,020

weren't started have you been following

1723

01:12:32,450 --> 01:12:29,159

them at all if you don't Carla I'm not

1724

01:12:34,850 --> 01:12:32,460

sure if you talked to her or saw her her

1725

01:12:39,080 --> 01:12:34,860

talk but David Tavares was at Bryan

1726

01:12:41,390 --> 01:12:39,090

halls oh yeah yeah and and she was

1727

01:12:43,070 --> 01:12:41,400

talking about that stuff back then that

1728

01:12:46,580 --> 01:12:43,080

they may have they were planning to do

1729

01:12:49,490 --> 01:12:46,590

that so yeah and Debra's she spoke for

1730

01:12:51,169 --> 01:12:49,500

me several times and she's a friend

1731

01:12:54,720 --> 01:12:51,179

I got definitely say she is a good

1732

01:12:58,080 --> 01:12:54,730

friend and you know when this happened

1733

01:13:00,810 --> 01:12:58,090

I just was like oh my god Deborah was

1734

01:13:03,410 --> 01:13:00,820

right all along but you know we can't

1735

01:13:05,880 --> 01:13:03,420

the problem we've got is that

1736

01:13:08,040 --> 01:13:05,890

everybody's screaming that Pacific Gas

1737

01:13:10,620 --> 01:13:08,050

and Electric started these fires with

1738

01:13:13,200 --> 01:13:10,630

faulty Transformers and blah blah blah

1739

01:13:16,170 --> 01:13:13,210

but what blew my mind now I could almost

1740

01:13:18,060 --> 01:13:16,180

say that that might be the case except

1741

01:13:21,350 --> 01:13:18,070

for what blew my mind was that in a

1742

01:13:23,940 --> 01:13:21,360

month now Southern California is on fire

1743

01:13:26,160 --> 01:13:23,950

you know and they're in there trying to

1744

01:13:28,380 --> 01:13:26,170

blame the the gas company down there or

1745

01:13:32,370 --> 01:13:28,390

the the electric company down there and

1746

01:13:33,630 --> 01:13:32,380

hey why is it that for 50 years all

1747

01:13:35,580 --> 01:13:33,640

these homes have been built and

1748

01:13:38,360 --> 01:13:35,590

nothing's going wrong we have no fires

1749

01:13:40,950 --> 01:13:38,370

in those areas at all and then suddenly

1750

01:13:43,320 --> 01:13:40,960

we have them within a month of each

1751

01:13:48,110 --> 01:13:43,330

other you're surrounded by trees that

1752

01:13:52,050 --> 01:13:48,120

have been burnt exactly exactly so crazy

1753

01:13:54,810 --> 01:13:52,060

well you've heard that people are saying

1754

01:13:57,690 --> 01:13:54,820

that only the homes that have the the

1755

01:14:00,210 --> 01:13:57,700

smart meters get get burnt the ones that

1756

01:14:02,100 --> 01:14:00,220

refuse the smart meters supposedly

1757

01:14:04,530 --> 01:14:02,110

didn't get get burnt out I don't know

1758

01:14:07,020 --> 01:14:04,540

how true it is but that's that's what

1759

01:14:09,930 --> 01:14:07,030

I've heard that they zoom they can zero

1760

01:14:12,510 --> 01:14:09,940

in on the smart meters and somehow send

1761

01:14:14,910 --> 01:14:12,520

a signal or whatever and foam directed

1762

01:14:19,200 --> 01:14:14,920

energy can go right to that smart and

1763

01:14:21,120 --> 01:14:19,210

film the house is gone oh my god and if

1764

01:14:24,450 --> 01:14:21,130

you as you see some of the directed

1765

01:14:27,060 --> 01:14:24,460

energy weapons tests they fire a beam at

1766

01:14:30,090 --> 01:14:27,070

a car and the surrounding area is like a

1767

01:14:31,740 --> 01:14:30,100

ring of fire around that beam and that's

1768

01:14:33,510 --> 01:14:31,750

what the cars are looking like but you

1769

01:14:35,550 --> 01:14:33,520

see the car it looks got this light ring

1770

01:14:39,090 --> 01:14:35,560

around it you know well it looked like

1771

01:14:41,600 --> 01:14:39,100

the cars at 9/11 you know that they're

1772

01:14:44,250 --> 01:14:41,610

totally like melted from the inside out

1773

01:14:47,040 --> 01:14:44,260

practically it's just it's so bizarre I

1774

01:14:48,810 --> 01:14:47,050

mean it just doesn't make sense but now

1775

01:14:50,430 --> 01:14:48,820

I have a friend who's a firefighter and

1776

01:14:53,010 --> 01:14:50,440

he says Laurie what you don't understand

1777

01:14:56,130 --> 01:14:53,020

is when a wind is whipping up and you've

1778

01:14:59,400 --> 01:14:56,140

got an intense fire moving quickly like

1779

01:15:02,330 --> 01:14:59,410

50 miles an hour just moving and you

1780

01:15:04,800 --> 01:15:02,340

what it creates is like an oven effect

1781

01:15:07,530 --> 01:15:04,810

around this whole like a whole area

1782

01:15:10,200 --> 01:15:07,540

it'll be it'll be like a hurry

1783

01:15:12,510 --> 01:15:10,210

it's get your wind is swirling in a like

1784

01:15:15,750 --> 01:15:12,520

you know five block area around this

1785

01:15:18,900 --> 01:15:15,760

this and it keeps it all it contained in

1786

01:15:22,830 --> 01:15:18,910

this small area and the temperatures get

1787

01:15:24,330 --> 01:15:22,840

up so high that everything melts and I

1788

01:15:26,730 --> 01:15:24,340

said but that doesn't seem like a

1789

01:15:29,610 --> 01:15:26,740

wildfire to me he goes the problem we've

1790

01:15:31,800 --> 01:15:29,620

got is we have never burned you know

1791

01:15:33,690 --> 01:15:31,810

homes like that close together like that

1792

01:15:36,180 --> 01:15:33,700

in that kind of situation

1793

01:15:37,950 --> 01:15:36,190

don't burn like that that often you

1794

01:15:40,290 --> 01:15:37,960

don't get fires like that these are kind

1795

01:15:43,020 --> 01:15:40,300

of new fires for firefighters because

1796

01:15:44,970 --> 01:15:43,030

they get high-rise fire so they get

1797

01:15:46,800 --> 01:15:44,980

three or four houses in the city burning

1798

01:15:49,470 --> 01:15:46,810

and they put water on them and they can

1799

01:15:51,780 --> 01:15:49,480

put them basically out right you're

1800

01:15:54,090 --> 01:15:51,790

never gonna see this doesn't happen

1801

01:15:56,790 --> 01:15:54,100

this often ever I mean this one the

1802

01:15:58,650 --> 01:15:56,800

first time this happened like this where

1803

01:16:00,210 --> 01:15:58,660

it's spread and it's just contained a

1804

01:16:02,010 --> 01:16:00,220

whole neighborhood and all the way up to

1805

01:16:04,080 --> 01:16:02,020

a freeway and then jumped a freeway and

1806

01:16:06,360 --> 01:16:04,090

and then taken out another whole

1807

01:16:07,830 --> 01:16:06,370

neighborhood I mean this doesn't happen

1808

01:16:09,480 --> 01:16:07,840

and doesn't happen it hasn't happened

1809

01:16:11,190 --> 01:16:09,490

much before I mean most of these

1810

01:16:13,290 --> 01:16:11,200

firefighters had read about what could

1811

01:16:17,160 --> 01:16:13,300

happen but they've never seen it they

1812

01:16:18,930 --> 01:16:17,170

didn't even know what to do we know that

1813

01:16:22,130 --> 01:16:18,940

did you see that interview with the

1814

01:16:25,320 --> 01:16:22,140

Santa Rosa fire chief that said I did

1815

01:16:26,910 --> 01:16:25,330

there you go I know scary you should

1816

01:16:28,530 --> 01:16:26,920

tell everybody what he said because I

1817

01:16:30,630 --> 01:16:28,540

can't remember it all worked forward but

1818

01:16:33,270 --> 01:16:30,640

well he just says it's a very suspicious

1819

01:16:35,100 --> 01:16:33,280

and he'd like to know what's going on he

1820

01:16:37,710 --> 01:16:35,110

wants to get an investigation started

1821

01:16:39,270 --> 01:16:37,720

and I don't think he can I know and I'm

1822

01:16:44,910 --> 01:16:39,280

wondering how long he's going to be

1823

01:16:46,980 --> 01:16:44,920

alive to be honest I see stuff like that

1824

01:16:50,490 --> 01:16:46,990

suddenly you have a car accident you

1825

01:16:52,680 --> 01:16:50,500

know I mean it just blows my mind what

1826

01:16:55,800 --> 01:16:52,690

happens to people that do that you know

1827

01:16:57,780 --> 01:16:55,810

that was not a good move you know what

1828

01:17:00,660 --> 01:16:57,790

you you see that they put out these

1829

01:17:03,180 --> 01:17:00,670

these so-called official propaganda

1830

01:17:05,670 --> 01:17:03,190

press releases of the fire and stuff

1831

01:17:08,970 --> 01:17:05,680

well the the fire that they showed last

1832

01:17:11,160 --> 01:17:08,980

week right had of course the Masonic

1833

01:17:13,590 --> 01:17:11,170

seven three three seven or something

1834

01:17:15,570 --> 01:17:13,600

like that they they showed a lazy boy

1835

01:17:17,850 --> 01:17:15,580

truck going by and I can't remember

1836

01:17:19,800 --> 01:17:17,860

exactly but it just showed the picture

1837

01:17:21,089 --> 01:17:19,810

on the lazy boy truck that you have they

1838

01:17:23,310 --> 01:17:21,099

have that cheers pain

1839

01:17:24,739 --> 01:17:23,320

and on the side and in real look real

1840

01:17:28,020 --> 01:17:24,749

definite and you know real

1841

01:17:30,029 --> 01:17:28,030

high-definition in the video but you

1842

01:17:32,399 --> 01:17:30,039

could see the fire on the hill in the

1843

01:17:35,339 --> 01:17:32,409

background and then there's a message on

1844

01:17:37,439 --> 01:17:35,349

the front that said I don't know exactly

1845

01:17:39,330 --> 01:17:37,449

what the message read but it said look

1846

01:17:41,459 --> 01:17:39,340

at there's something about it but I'm

1847

01:17:43,799 --> 01:17:41,469

saying that might be a message to the

1848

01:17:45,270 --> 01:17:43,809

the people in Hollywood because most of

1849

01:17:47,189 --> 01:17:45,280

them seem to be the ones that are

1850

01:17:48,869 --> 01:17:47,199

getting their houses burnt out and maybe

1851

01:17:50,879 --> 01:17:48,879

a message it felt to me that it was a

1852

01:17:53,939 --> 01:17:50,889

message to them to shut up about this

1853

01:17:56,729 --> 01:17:53,949

pedophilia stuff and that's what these

1854

01:17:58,770 --> 01:17:56,739

fires may be about is them a warning to

1855

01:18:00,179 --> 01:17:58,780

them can see how they're all instead of

1856

01:18:01,560 --> 01:18:00,189

going to the press they're all from

1857

01:18:03,060 --> 01:18:01,570

running for their lives right I don't

1858

01:18:05,250 --> 01:18:03,070

know how many actors got the houses

1859

01:18:07,589 --> 01:18:05,260

burnt out last week but probably quite a

1860

01:18:10,169 --> 01:18:07,599

few but well I think you're right about

1861

01:18:12,179 --> 01:18:10,179

that there's you know there's so much

1862

01:18:14,250 --> 01:18:12,189

going on behind the scenes you know back

1863

01:18:16,799 --> 01:18:14,260

when Hastings you remember Hastings the

1864

01:18:20,609 --> 01:18:16,809

guy who was in the BMW that worked for

1865

01:18:22,979 --> 01:18:20,619

Rolling Stone magazine and his BMW was

1866

01:18:25,679 --> 01:18:22,989

taken over and going 120 miles an hour

1867

01:18:28,049 --> 01:18:25,689

down Sepulveda Boulevard or something in

1868

01:18:31,259 --> 01:18:28,059

LA crashed into a palm tree do you

1869

01:18:33,540 --> 01:18:31,269

remember that oh yeah or wisdom Mercedes

1870

01:18:36,689 --> 01:18:33,550

I think it was a BMW anyhow point being

1871

01:18:39,389 --> 01:18:36,699

that engine was blown 50 feet in front

1872

01:18:42,359 --> 01:18:39,399

of the car that when a car hits a palm

1873

01:18:45,209 --> 01:18:42,369

tree the engine doesn't go 50 feet in

1874

01:18:48,060 --> 01:18:45,219

front of the car the engine heads to the

1875

01:18:51,119 --> 01:18:48,070

back of the car I know because I hit a

1876

01:18:53,099 --> 01:18:51,129

tree going 50 miles an hour and I put

1877

01:18:58,739 --> 01:18:53,109

the engine inside of the car and me out

1878

01:19:01,589 --> 01:18:58,749

the back window so I know what the

1879

01:19:04,020 --> 01:19:01,599

engine does not go flying forward 50

1880

01:19:07,349 --> 01:19:04,030

feet and land across the street in

1881

01:19:07,949 --> 01:19:07,359

intact condition unless it's blown out

1882

01:19:10,859 --> 01:19:07,959

of there

1883

01:19:12,889 --> 01:19:10,869

I mean seriously there was an explosion

1884

01:19:16,889 --> 01:19:12,899

that caused that a whole thing to happen

1885

01:19:18,659 --> 01:19:16,899

so and also they claim that the Boston

1886

01:19:20,659 --> 01:19:18,669

brake they caught the Boston brake

1887

01:19:24,389 --> 01:19:20,669

because he was invented around here in

1888

01:19:27,929 --> 01:19:24,399

Waltham what it does a takeover your car

1889

01:19:31,729 --> 01:19:27,939

with my computer and I actually had an

1890

01:19:35,170 --> 01:19:31,739

incident that my my niece was actually

1891

01:19:38,860 --> 01:19:35,180

doing stuff with these cops he's vice

1892

01:19:40,810 --> 01:19:38,870

and I found out she was she was involved

1893

01:19:43,510 --> 01:19:40,820

with these bicycle I bought I bought her

1894

01:19:45,610 --> 01:19:43,520

car from her and next thing I know these

1895

01:19:47,590 --> 01:19:45,620

Vice squads are pulling me all over her

1896

01:19:50,260 --> 01:19:47,600

in her car and telling me about her and

1897

01:19:52,360 --> 01:19:50,270

they know her and stuff well anyway I

1898

01:19:53,680 --> 01:19:52,370

don't want to I'd have to get into a lot

1899

01:19:56,560 --> 01:19:53,690

of stuff you know about my history and

1900

01:20:01,390 --> 01:19:56,570

stuff well anyway I put the car in my

1901
01:20:03,520 --> 01:20:01,400
backyard and all of us caught a bunch of

1902
01:20:06,370 --> 01:20:03,530
cops like seven cops in my backyard

1903
01:20:08,439 --> 01:20:06,380
trying to access that car because we

1904
01:20:11,110 --> 01:20:08,449
felt that they had a bot this is back in

1905
01:20:12,670 --> 01:20:11,120
2003 I believe they had one of them

1906
01:20:15,100 --> 01:20:12,680
Boston brakes and I'm actually testing

1907
01:20:17,709 --> 01:20:15,110
it out in my car because they wanted to

1908
01:20:19,959 --> 01:20:17,719
get into my car they we've caught him

1909
01:20:23,110 --> 01:20:19,969
like oh yeah four o'clock in the morning

1910
01:20:26,020 --> 01:20:23,120
we my dog parked and everybody in the

1911
01:20:27,459 --> 01:20:26,030
house was actually awake we are we all

1912
01:20:29,530 --> 01:20:27,469
heard I look out in the backyard and

1913
01:20:31,959 --> 01:20:29,540

there's all these cops and stuff Susan

1914

01:20:35,020 --> 01:20:31,969

went out there what's going on so uh we

1915

01:20:36,939 --> 01:20:35,030

had a burglar in the you know and they

1916

01:20:43,300 --> 01:20:36,949

all took off all got into cars and took

1917

01:20:45,189 --> 01:20:43,310

off you know did you ever feel around

1918

01:20:48,250 --> 01:20:45,199

the car for one of those tracking

1919

01:20:52,150 --> 01:20:48,260

devices and see if it was on the car no

1920

01:20:54,280 --> 01:20:52,160

well it actually when I was driving it

1921

01:20:56,430 --> 01:20:54,290

sometimes it would jump down to another

1922

01:21:01,510 --> 01:20:56,440

gear and say well how did that happen

1923

01:21:03,459 --> 01:21:01,520

and my son told me that it's some things

1924

01:21:05,320 --> 01:21:03,469

happen with him but actually there were

1925

01:21:08,080 --> 01:21:05,330

a lot of things would happen with that

1926

01:21:10,270 --> 01:21:08,090

car right and I remember his girlfriend

1927

01:21:12,580 --> 01:21:10,280

at the time they had a kid and she would

1928

01:21:14,650 --> 01:21:12,590

accuse my son of you know it's just

1929

01:21:16,810 --> 01:21:14,660

trying to please your dad by agreeing

1930

01:21:19,479 --> 01:21:16,820

with him right and then she used the car

1931

01:21:22,030 --> 01:21:19,489

one day and she come back and she was

1932

01:21:24,459 --> 01:21:22,040

just convinced they we were 100% correct

1933

01:21:26,740 --> 01:21:24,469

you know you guys are right something is

1934

01:21:28,990 --> 01:21:26,750

wrong with that car yeah

1935

01:21:31,240 --> 01:21:29,000

yeah well the reason I brought up

1936

01:21:33,820 --> 01:21:31,250

Hastings in the first place was to say

1937

01:21:36,040 --> 01:21:33,830

that you know when Hollywood decides

1938

01:21:38,320 --> 01:21:36,050

they're gonna do something to you or the

1939

01:21:41,050 --> 01:21:38,330

the CIA in Hollywood let's put it that

1940

01:21:43,540 --> 01:21:41,060

way they can do anything they want to

1941

01:21:45,250 --> 01:21:43,550

you burning down your house is easy so

1942

01:21:47,680 --> 01:21:45,260

if they want to keep people hushed up

1943

01:21:48,760 --> 01:21:47,690

about the whole pedophilia thing that's

1944

01:21:51,190 --> 01:21:48,770

going on in Hollywood

1945

01:21:52,750 --> 01:21:51,200

well that's an easy way to do it let's

1946

01:21:54,580 --> 01:21:52,760

just catch the whole Hollywood Hills on

1947

01:21:57,010 --> 01:21:54,590

fire right mm-hmm

1948

01:21:59,650 --> 01:21:57,020

yeah that's a great way to say keep your

1949

01:22:01,480 --> 01:21:59,660

mouth shut you know and that they can

1950

01:22:03,160 --> 01:22:01,490

target a certain neighborhood that where

1951

01:22:05,290 --> 01:22:03,170

they know certain people are out they

1952

01:22:08,110 --> 01:22:05,300

can get rid of the problem people too at

1953

01:22:11,050 --> 01:22:08,120

the same time so very easily yeah yeah

1954

01:22:13,300 --> 01:22:11,060

yep it's crazy I mean once you're

1955

01:22:16,180 --> 01:22:13,310

homeless there's a lot of things that

1956

01:22:17,860 --> 01:22:16,190

happen you know and especially if you

1957

01:22:19,690 --> 01:22:17,870

get a message from somebody saying

1958

01:22:22,870 --> 01:22:19,700

you're homeless for keeping your you

1959

01:22:27,100 --> 01:22:22,880

know if you opening your mouth you know

1960

01:22:29,860 --> 01:22:27,110

I don't know I I just it's so entrenched

1961

01:22:32,550 --> 01:22:29,870

out there James the the insidiousness of

1962

01:22:35,920 --> 01:22:32,560

the whole targeted individual thing and

1963

01:22:37,930 --> 01:22:35,930

they play it in a big on a big scale I

1964

01:22:40,420 --> 01:22:37,940

mean they may have really only wanted to

1965

01:22:42,520 --> 01:22:40,430

take out five homes in that hillside but

1966

01:22:45,310 --> 01:22:42,530

they took out a thousand just to do it

1967

01:22:48,820 --> 01:22:45,320

you know I mean no these guys are

1968

01:22:50,590 --> 01:22:48,830

ruthless where's everybody staying I

1969

01:22:54,220 --> 01:22:50,600

mean it seems like everybody's homeless

1970

01:22:56,170 --> 01:22:54,230

now I mean it's been so weird up here I

1971

01:22:58,570 --> 01:22:56,180

live in Petaluma and the fires were

1972

01:23:02,170 --> 01:22:58,580

right above me in Santa Rosa and right

1973

01:23:04,780 --> 01:23:02,180

to my east in Sonoma and we were on pre

1974

01:23:06,880 --> 01:23:04,790

evacuation alert I had the cat carriers

1975

01:23:09,250 --> 01:23:06,890

by the front door my art my jewelry in

1976

01:23:12,520 --> 01:23:09,260

the car and that's about all I could fit

1977

01:23:15,340 --> 01:23:12,530

in the car and some clothes in a you

1978

01:23:17,320 --> 01:23:15,350

know in a suitcase and that's it I

1979

01:23:19,480 --> 01:23:17,330

figured I could always buy new clothes

1980

01:23:21,490 --> 01:23:19,490

and I can always buy new furniture and

1981

01:23:23,920 --> 01:23:21,500

you know I just grabbed a few things

1982

01:23:26,400 --> 01:23:23,930

that were in the house that are of super

1983

01:23:29,920 --> 01:23:26,410

importance and that was it but you know

1984

01:23:33,130 --> 01:23:29,930

it was scary and since that fire

1985

01:23:35,020 --> 01:23:33,140

happened people I don't know where

1986

01:23:37,270 --> 01:23:35,030

they're staying I know that the very

1987

01:23:40,510 --> 01:23:37,280

wealthy people up in fountain Grove

1988

01:23:42,820 --> 01:23:40,520

which is the the on the hillside up by

1989

01:23:44,500 --> 01:23:42,830

the Hilton Hotel here that burned down

1990

01:23:46,300 --> 01:23:44,510

and these people were in what we call

1991

01:23:48,240 --> 01:23:46,310

Nick mansions you know these four

1992

01:23:51,940 --> 01:23:48,250

thousand five thousand square-foot homes

1993

01:23:53,590 --> 01:23:51,950

and most of those people are fine

1994

01:23:56,590 --> 01:23:53,600

because what happened was the insurance

1995

01:23:59,380 --> 01:23:56,600

companies all are paying their rent at

1996

01:24:02,020 --> 01:23:59,390

these other McMansions throughout the

1997

01:24:02,410 --> 01:24:02,030

you know the counties these Airbnb homes

1998

01:24:04,270 --> 01:24:02,420

and

1999

01:24:06,100 --> 01:24:04,280

they've just said well we're gonna

2000

01:24:08,200 --> 01:24:06,110

rebuild it'll take a year we'll just

2001
01:24:11,440 --> 01:24:08,210
rent a house for you for a year you know

2002
01:24:13,300 --> 01:24:11,450
and that's what's going on so they're

2003
01:24:15,550 --> 01:24:13,310
trying to rebuild fast but those are the

2004
01:24:17,860 --> 01:24:15,560
wealthy people the people in Coffee Park

2005
01:24:19,240 --> 01:24:17,870
in the middle class area I don't know

2006
01:24:21,480 --> 01:24:19,250
where any of those people went I know

2007
01:24:24,430 --> 01:24:21,490
that two of my friends homes burned down

2008
01:24:27,490 --> 01:24:24,440
and they're all staying with family you

2009
01:24:30,070 --> 01:24:27,500
know in the East Bay or Marin County or

2010
01:24:31,750 --> 01:24:30,080
Sonoma County over on the coast or you

2011
01:24:33,880 --> 01:24:31,760
know wherever they can stay but they're

2012
01:24:36,250 --> 01:24:33,890
all staying with family now waiting to

2013
01:24:37,900 --> 01:24:36,260

figure out if they're gonna rebuild and

2014

01:24:40,300 --> 01:24:37,910

oh here's the other weird thing that's

2015

01:24:42,790 --> 01:24:40,310

going on with that that the Army Corps

2016

01:24:47,020 --> 01:24:42,800

of Engineers came in and the Department

2017

01:24:50,230 --> 01:24:47,030

of God was it was energy or somebody who

2018

01:24:51,670 --> 01:24:50,240

takes care of disasters god I want to

2019

01:24:54,460 --> 01:24:51,680

say Department of Energy but it's not

2020

01:24:56,410 --> 01:24:54,470

them but they were going around and

2021

01:24:58,330 --> 01:24:56,420

tagging all the homes and saying nobody

2022

01:25:00,190 --> 01:24:58,340

could really go in there and do anything

2023

01:25:03,280 --> 01:25:00,200

until they've gone through a made sure

2024

01:25:05,170 --> 01:25:03,290

that the foundations were okay that the

2025

01:25:07,330 --> 01:25:05,180

foundations were all probably

2026

01:25:10,840 --> 01:25:07,340

compromised and they couldn't rebuild on

2027

01:25:14,440 --> 01:25:10,850

the same foundation again now what takes

2028

01:25:16,870 --> 01:25:14,450

out a concrete foundation like that well

2029

01:25:19,450 --> 01:25:16,880

with the heat if there was a tense heat

2030

01:25:21,280 --> 01:25:19,460

they could melt the bought the pipes the

2031

01:25:24,460 --> 01:25:21,290

PVC pipes that are in the ground and

2032

01:25:27,760 --> 01:25:24,470

could also melt the lines so and put

2033

01:25:29,890 --> 01:25:27,770

cracks in the foundation to act yeah

2034

01:25:32,020 --> 01:25:29,900

he's good now so they would check for

2035

01:25:34,900 --> 01:25:32,030

cracks and they'd probably want a water

2036

01:25:36,370 --> 01:25:34,910

test the plumbing pipes as the the

2037

01:25:39,220 --> 01:25:36,380

plastic pipes that go in the ground

2038

01:25:41,290 --> 01:25:39,230

there were no pipes left here there were

2039

01:25:43,390 --> 01:25:41,300

pipes were melted the people were

2040

01:25:46,150 --> 01:25:43,400

digging around to look for maybe it's I

2041

01:25:47,680 --> 01:25:46,160

watched a you know a TV thing where they

2042

01:25:49,210 --> 01:25:47,690

said these guys are digging around to

2043

01:25:51,520 --> 01:25:49,220

check the foundations and the pipes

2044

01:25:54,010 --> 01:25:51,530

there the pipes are gone the only ones

2045

01:25:56,260 --> 01:25:54,020

left were a few of the metal ones the

2046

01:25:58,990 --> 01:25:56,270

copper pipes leaving some of those

2047

01:26:00,670 --> 01:25:59,000

melted you know so I don't know I mean

2048

01:26:04,150 --> 01:26:00,680

that's how intense the fire was it was

2049

01:26:08,440 --> 01:26:04,160

just melting everything so but what is

2050

01:26:10,810 --> 01:26:08,450

this was it the APA god whoever who does

2051
01:26:13,800 --> 01:26:10,820
environmental disaster cleanup I can't

2052
01:26:16,090 --> 01:26:13,810
think of who that organization is FEMA

2053
01:26:17,830 --> 01:26:16,100
welfare

2054
01:26:19,780 --> 01:26:17,840
yeah they've been involved but they're

2055
01:26:22,570 --> 01:26:19,790
not the ones who went around with their

2056
01:26:24,820 --> 01:26:22,580
their full bodysuits with the mask on

2057
01:26:27,070 --> 01:26:24,830
going through their people's rubble and

2058
01:26:28,540 --> 01:26:27,080
stuff you know that scared me because

2059
01:26:30,970 --> 01:26:28,550
then it's saying to me

2060
01:26:32,320 --> 01:26:30,980
what in the heck melted all this stuff

2061
01:26:35,130 --> 01:26:32,330
that they've got to be wearing those

2062
01:26:38,740 --> 01:26:35,140
kind of hazmat suits you know

2063
01:26:41,350 --> 01:26:38,750

well the plastics the PVC itself that if

2064

01:26:46,150 --> 01:26:41,360

you if you breathe it you'll die

2065

01:26:49,240 --> 01:26:46,160

oh really oh yeah so maybe this whole

2066

01:26:53,170 --> 01:26:49,250

fire was just a fire you know maybe

2067

01:26:55,300 --> 01:26:53,180

someone nefarious started it but these

2068

01:26:56,920 --> 01:26:55,310

guys they're cleaning up and the EPA is

2069

01:26:59,110 --> 01:26:56,930

involved and everybody's doing their

2070

01:27:01,900 --> 01:26:59,120

thing then maybe it's just what it is a

2071

01:27:04,390 --> 01:27:01,910

clean up what do you think well I've

2072

01:27:07,300 --> 01:27:04,400

seen them them green lasers fired from

2073

01:27:09,760 --> 01:27:07,310

the from the planes you saw that right

2074

01:27:11,500 --> 01:27:09,770

the helicopter did see that now I'm

2075

01:27:13,840 --> 01:27:11,510

still trying to wrap my head around that

2076

01:27:15,880 --> 01:27:13,850

one yeah you can see he was startled

2077

01:27:17,230 --> 01:27:15,890

when when the when the laser shot off it

2078

01:27:19,810 --> 01:27:17,240

startled him and he moved the camera

2079

01:27:21,490 --> 01:27:19,820

real quick so he wasn't ready for it you

2080

01:27:23,620 --> 01:27:21,500

know people say well he moved the way he

2081

01:27:25,810 --> 01:27:23,630

moved the camera way not to show no he

2082

01:27:29,140 --> 01:27:25,820

got startled by the laser and you can

2083

01:27:31,120 --> 01:27:29,150

see though yeah now explain to the

2084

01:27:32,830 --> 01:27:31,130

audience what that was because I can't

2085

01:27:35,680 --> 01:27:32,840

remember the full story but there was a

2086

01:27:38,650 --> 01:27:35,690

helicopter in the sky doing what the

2087

01:27:41,010 --> 01:27:38,660

helicopter was was was surveying the

2088

01:27:44,680 --> 01:27:41,020

whole scene and he had his wide range

2089

01:27:46,720 --> 01:27:44,690

camera just flashed out ahead and they

2090

01:27:49,330 --> 01:27:46,730

they were going and just flying around

2091

01:27:52,060 --> 01:27:49,340

and then all of a sudden a beam shot out

2092

01:27:54,160 --> 01:27:52,070

and he reacted he turned the camera down

2093

01:27:56,500 --> 01:27:54,170

instead of towards the beam because he

2094

01:27:58,060 --> 01:27:56,510

just got shocked by it and it was coming

2095

01:28:00,190 --> 01:27:58,070

from a plane up above was the green

2096

01:28:03,430 --> 01:28:00,200

laser shots shining down to the ground

2097

01:28:06,610 --> 01:28:03,440

which people say that it's it's tuned

2098

01:28:08,620 --> 01:28:06,620

into the smart meters and igniting it

2099

01:28:11,560 --> 01:28:08,630

right down in there so I don't know but

2100

01:28:14,500 --> 01:28:11,570

this wasn't during the fire this was a

2101
01:28:16,900 --> 01:28:14,510
couple days later wasn't yeah it was it

2102
01:28:20,200 --> 01:28:16,910
was during the fire and showing the

2103
01:28:22,930 --> 01:28:20,210
aftermath of one of one area there was

2104
01:28:25,120 --> 01:28:22,940
still fires burning right right yes

2105
01:28:28,210 --> 01:28:25,130
exactly it was in the middle of it like

2106
01:28:30,010 --> 01:28:28,220
just showing where it had already been

2107
01:28:31,810 --> 01:28:30,020
started and they do up to the fire

2108
01:28:33,430 --> 01:28:31,820
that's what they heading towards the

2109
01:28:36,880 --> 01:28:33,440
fire line and that's where that thing

2110
01:28:40,120 --> 01:28:36,890
came from was that well like I was still

2111
01:28:42,610 --> 01:28:40,130
trying to figure out the why okay first

2112
01:28:45,370 --> 01:28:42,620
of all it's two days into the fire

2113
01:28:47,770 --> 01:28:45,380

everything's still happening and they're

2114

01:28:51,460 --> 01:28:47,780

still shooting off starting fires I mean

2115

01:28:53,650 --> 01:28:51,470

and why didn't see it they have they

2116

01:28:56,440 --> 01:28:53,660

have people been seeing all over talking

2117

01:28:58,540 --> 01:28:56,450

about him all over well that's true yeah

2118

01:29:00,610 --> 01:28:58,550

and did you hear about the little kid he

2119

01:29:06,210 --> 01:29:00,620

said to his dad the fire started in the

2120

01:29:09,160 --> 01:29:06,220

house yes I heard about that right there

2121

01:29:11,140 --> 01:29:09,170

yeah lunch of people said that the fire

2122

01:29:13,030 --> 01:29:11,150

actually started from the smart meter

2123

01:29:15,640 --> 01:29:13,040

and burned into the walls that way

2124

01:29:18,190 --> 01:29:15,650

mm-hmm and I thought that was very

2125

01:29:20,620 --> 01:29:18,200

intriguing and now now that could have

2126
01:29:22,660 --> 01:29:20,630
been and here's another thought I you

2127
01:29:25,510 --> 01:29:22,670
know we can't be too quick to judge but

2128
01:29:28,030 --> 01:29:25,520
maybe there was an overload in the

2129
01:29:29,950 --> 01:29:28,040
system and it you know it shot back in

2130
01:29:32,140 --> 01:29:29,960
like a little transformer and caught the

2131
01:29:34,120 --> 01:29:32,150
thing on fire do you think that Cokie

2132
01:29:38,530 --> 01:29:34,130
but did you see the tree that was

2133
01:29:40,870 --> 01:29:38,540
burning on inside okay well okay well to

2134
01:29:42,850 --> 01:29:40,880
me that seems to be like a microwave

2135
01:29:45,670 --> 01:29:42,860
because you know how a microwave it

2136
01:29:48,010 --> 01:29:45,680
doesn't work on dry things now the bark

2137
01:29:49,900 --> 01:29:48,020
is dry the inside of the tree you know

2138
01:29:52,420 --> 01:29:49,910

how the the microwave actually heats up

2139

01:29:54,880 --> 01:29:52,430

the moisture in the meal and that's how

2140

01:29:57,250 --> 01:29:54,890

it works so it seems to me that heated

2141

01:29:59,560 --> 01:29:57,260

up the moisture in the tree and ignited

2142

01:30:01,990 --> 01:29:59,570

the tree on the inside and left the bark

2143

01:30:04,090 --> 01:30:02,000

which is dry on the outside alone and

2144

01:30:08,350 --> 01:30:04,100

that to me seemed to me that it was a

2145

01:30:10,030 --> 01:30:08,360

microwave weapon well it makes sense I

2146

01:30:12,250 --> 01:30:10,040

still can't wrap my head around it

2147

01:30:14,310 --> 01:30:12,260

although I I just can't wrap my head

2148

01:30:17,410 --> 01:30:14,320

around it enough to say this is

2149

01:30:20,500 --> 01:30:17,420

absolutely a microwave weapon I I got a

2150

01:30:22,510 --> 01:30:20,510

feeling it was but then how does this

2151
01:30:24,460 --> 01:30:22,520
correlate the Southern Californian did

2152
01:30:26,800 --> 01:30:24,470
they do the same exact thing down there

2153
01:30:29,560 --> 01:30:26,810
and I hope somebody out there is really

2154
01:30:31,660 --> 01:30:29,570
doing their yeoman's work by comparing

2155
01:30:35,080 --> 01:30:31,670
the two fires and how they started and

2156
01:30:38,680 --> 01:30:35,090
what started them and you know this

2157
01:30:40,320 --> 01:30:38,690
whole thing blaming PG&E though well do

2158
01:30:41,930 --> 01:30:40,330
you think that's just a smokescreen

2159
01:30:47,090 --> 01:30:41,940
Racha zones it

2160
01:30:49,560 --> 01:30:47,100
[Laughter]

2161
01:30:53,430 --> 01:30:49,570
but they're gonna get sued they're gonna

2162
01:30:55,230 --> 01:30:53,440
lose tons and tons of money so I don't

2163
01:30:57,120 --> 01:30:55,240

know if the Rothschilds are ready for to

2164

01:30:58,650 --> 01:30:57,130

lose all that money do you think it was

2165

01:31:01,050 --> 01:30:58,660

something do you think it was a coup

2166

01:31:03,540 --> 01:31:01,060

against them well you know people say

2167

01:31:05,400 --> 01:31:03,550

that China has bought the land and they

2168

01:31:07,770 --> 01:31:05,410

owe it to China and they you know but it

2169

01:31:09,600 --> 01:31:07,780

just doesn't make sense to me if trying

2170

01:31:11,160 --> 01:31:09,610

to get kids access to the land they'd

2171

01:31:13,290 --> 01:31:11,170

come in and say okay what's our land now

2172

01:31:15,090 --> 01:31:13,300

and you owe us money so why would they

2173

01:31:17,010 --> 01:31:15,100

destroy what's there just to take

2174

01:31:19,200 --> 01:31:17,020

possession of it later so the China

2175

01:31:21,150 --> 01:31:19,210

thing doesn't make sense to me no I

2176
01:31:22,650 --> 01:31:21,160
agree with you on that and I have heard

2177
01:31:24,330 --> 01:31:22,660
that I've heard the Japanese as well

2178
01:31:25,920 --> 01:31:24,340
that bought up a bunch of land in

2179
01:31:27,810 --> 01:31:25,930
Hollywood and and they own a lot of

2180
01:31:29,730 --> 01:31:27,820
apartment buildings up there that burned

2181
01:31:31,050 --> 01:31:29,740
and you know and I'm thinking you know

2182
01:31:32,790 --> 01:31:31,060
people don't want to lose their

2183
01:31:35,790 --> 01:31:32,800
investments they really don't so it

2184
01:31:39,120 --> 01:31:35,800
can't be that yeah very interesting

2185
01:31:41,400 --> 01:31:39,130
stuff I gotta say I mean we live in wild

2186
01:31:43,590 --> 01:31:41,410
times you and I are sitting here on a

2187
01:31:47,460 --> 01:31:43,600
radio show contemplating the fact that

2188
01:31:50,970 --> 01:31:47,470

they actually started all these fires oh

2189

01:31:53,400 --> 01:31:50,980

my god it's just like I when we go out

2190

01:31:56,430 --> 01:31:53,410

to eat we never agree on where to go

2191

01:31:58,110 --> 01:31:56,440

burgers heats up tacos it is the one

2192

01:32:00,270 --> 01:31:58,120

thing we do agree on is we all want

2193

01:32:03,330 --> 01:32:00,280

unlimited high-speed data that's why we

2194

01:32:05,070 --> 01:32:03,340

switch to metro pcs stop by metro pcs

2195

01:32:06,840 --> 01:32:05,080

with the whole family and get four lines

2196

01:32:08,700 --> 01:32:06,850

with unlimited LTE data for just a

2197

01:32:10,620 --> 01:32:08,710

hundred dollars period metro pcs

2198

01:32:11,730 --> 01:32:10,630

Wireless figured out covers not

2199

01:32:12,780 --> 01:32:11,740

available in some areas offers for

2200

01:32:14,130 --> 01:32:12,790

reporting of number not currently active

2201
01:32:15,210 --> 01:32:14,140
on t-mobile network during congestion

2202
01:32:16,650 --> 01:32:15,220
the fraction of customers used more than

2203
01:32:18,210 --> 01:32:16,660
35 gigs per month may notice reduced

2204
01:32:19,470 --> 01:32:18,220
beats video streams depth 240p no

2205
01:32:21,630 --> 01:32:19,480
tethering C store for details in terms

2206
01:32:23,610 --> 01:32:21,640
and conditions I was sixteen or twenty

2207
01:32:25,710 --> 01:32:23,620
years old but I have thought that it's

2208
01:32:28,740 --> 01:32:25,720
sixty years old I'd be sitting near to

2209
01:32:32,960 --> 01:32:28,750
having this conversation you guys not in

2210
01:32:35,970 --> 01:32:32,970
a million years James did you ever think

2211
01:32:38,460 --> 01:32:35,980
and you heard you heard the latest about

2212
01:32:40,980 --> 01:32:38,470
the the airport in Atlanta they say that

2213
01:32:42,570 --> 01:32:40,990

there was done intentionally to why what

2214

01:32:44,070 --> 01:32:42,580

Airport in a letter what happened I

2215

01:32:46,260 --> 01:32:44,080

don't know nothing about this tell me

2216

01:32:48,270 --> 01:32:46,270

you know the busiest airport in the

2217

01:32:51,060 --> 01:32:48,280

world gets shut down this weekend and

2218

01:32:53,250 --> 01:32:51,070

about a thousand flights were canceled

2219

01:32:55,350 --> 01:32:53,260

on Sunday and it's still a mess over the

2220

01:32:56,430 --> 01:32:55,360

in Atlanta right now yeah what happened

2221

01:32:57,300 --> 01:32:56,440

tell me the story from the beginning

2222

01:32:59,150 --> 01:32:57,310

tell

2223

01:33:02,670 --> 01:32:59,160

maybe they don't watch the news either

2224

01:33:05,070 --> 01:33:02,680

but supposedly there was some kind of

2225

01:33:06,930 --> 01:33:05,080

electrical fire and some underground

2226

01:33:09,030 --> 01:33:06,940

plays and some underground holes

2227

01:33:12,180 --> 01:33:09,040

somewhere and it caused the whole

2228

01:33:15,210 --> 01:33:12,190

Atlanta Airport to go completely dark

2229

01:33:18,410 --> 01:33:15,220

and now the only the only place they had

2230

01:33:21,270 --> 01:33:18,420

some power was strangely in the tower so

2231

01:33:23,190 --> 01:33:21,280

they were able to land some flights but

2232

01:33:25,620 --> 01:33:23,200

basically when you got to Atlanta you're

2233

01:33:28,800 --> 01:33:25,630

stuck there and all the flights on East

2234

01:33:36,270 --> 01:33:28,810

Coast basically all over they they did

2235

01:33:38,400 --> 01:33:36,280

not leave so US Airways I think it's

2236

01:33:40,530 --> 01:33:38,410

their hub as well I mean it's a major

2237

01:33:44,190 --> 01:33:40,540

hub so the busiest airport in the world

2238

01:33:46,500 --> 01:33:44,200

because it's a it's a it's a connection

2239

01:33:49,410 --> 01:33:46,510

port Airport right that's right yeah

2240

01:33:52,320 --> 01:33:49,420

absolutely so they were shut down in and

2241

01:33:56,610 --> 01:33:52,330

they said it was because of a fire or

2242

01:33:58,680 --> 01:33:56,620

because of an electrical fire or fire

2243

01:34:00,120 --> 01:33:58,690

and they they wouldn't say where they

2244

01:34:02,040 --> 01:34:00,130

don't know where they say they're still

2245

01:34:05,790 --> 01:34:02,050

trying to find out but you know that's

2246

01:34:09,600 --> 01:34:05,800

all we heard very intriguing you know

2247

01:34:14,030 --> 01:34:09,610

cuz I was told this 20-some odd years

2248

01:34:16,770 --> 01:34:14,040

ago by a very good psychic he said to me

2249

01:34:19,020 --> 01:34:16,780

knows Lauren the future doesn't look so

2250

01:34:21,090 --> 01:34:19,030

good and I used to say well what do you

2251

01:34:22,980 --> 01:34:21,100

mean by that and I was waiting tables at

2252

01:34:24,960 --> 01:34:22,990

the time and I had a dance company and

2253

01:34:29,940 --> 01:34:24,970

I'm doing my thing right and I'm like

2254

01:34:32,340 --> 01:34:29,950

how could it get any worse this is like

2255

01:34:34,020 --> 01:34:32,350

25 years ago like how could it get any

2256

01:34:37,500 --> 01:34:34,030

worse than it is now and I thought I was

2257

01:34:39,630 --> 01:34:37,510

bad back then right and he's like Laurie

2258

01:34:42,360 --> 01:34:39,640

and I just I foresee that we're gonna

2259

01:34:44,640 --> 01:34:42,370

have all kinds of disasters and the

2260

01:34:47,310 --> 01:34:44,650

worst part about it is is our government

2261

01:34:49,350 --> 01:34:47,320

doing it to us and I used to think that

2262

01:34:51,720 --> 01:34:49,360

was the weirdest thing that anybody ever

2263

01:34:53,700 --> 01:34:51,730

said to me and I never believed him and

2264

01:34:55,620 --> 01:34:53,710

now he's long dead

2265

01:34:57,870 --> 01:34:55,630

he was an astrologer and he was a

2266

01:35:00,030 --> 01:34:57,880

psychic and he was a really good guy and

2267

01:35:02,490 --> 01:35:00,040

I really really have a lot of respect

2268

01:35:05,160 --> 01:35:02,500

for his knowledge and you know what

2269

01:35:07,530 --> 01:35:05,170

James I swear to God everything he told

2270

01:35:11,100 --> 01:35:07,540

me is coming true because I would he

2271

01:35:13,260 --> 01:35:11,110

said you just don't be afraid of you

2272

01:35:15,840 --> 01:35:13,270

no evil and all that he goes be afraid

2273

01:35:18,690 --> 01:35:15,850

of our government you see all the time

2274

01:35:20,430 --> 01:35:18,700

and I said but you talk to your angels

2275

01:35:22,530 --> 01:35:20,440

don't you oh yeah yeah I talked to my

2276

01:35:23,760 --> 01:35:22,540

Angels all the time I go well how come

2277

01:35:27,840 --> 01:35:23,770

they're not telling you everything's

2278

01:35:30,510 --> 01:35:27,850

gonna be okay goes cuz it's not great

2279

01:35:32,580 --> 01:35:30,520

just what I mean thank God my friends

2280

01:35:34,350 --> 01:35:32,590

are honest with me right you know I mean

2281

01:35:38,430 --> 01:35:34,360

we don't pull punches with each other do

2282

01:35:40,620 --> 01:35:38,440

we well it's just really it's nasty out

2283

01:35:42,600 --> 01:35:40,630

there because you know everything that

2284

01:35:43,800 --> 01:35:42,610

was predicted is coming true about these

2285

01:35:47,070 --> 01:35:43,810

you know they're trying to make

2286

01:35:51,000 --> 01:35:47,080

everybody be be just like everybody else

2287

01:35:52,800 --> 01:35:51,010

with these cars like a high undie looks

2288

01:35:54,600 --> 01:35:52,810

like a Honda and a Honda looks like a

2289

01:35:57,870 --> 01:35:54,610

Toyota they all look the same they're

2290

01:35:59,940 --> 01:35:57,880

all they get same colors yeah it's so

2291

01:36:02,250 --> 01:35:59,950

weird you said that I'm driving down the

2292

01:36:04,230 --> 01:36:02,260

street yesterday my roommates with me in

2293

01:36:06,150 --> 01:36:04,240

the car and he says to me he goes have

2294

01:36:07,410 --> 01:36:06,160

you noticed I go notice what you guys

2295

01:36:09,450 --> 01:36:07,420

have you noticed all the cars are the

2296

01:36:12,150 --> 01:36:09,460

same shape and they're all three colors

2297

01:36:14,130 --> 01:36:12,160

or four colors and that's it I went no

2298

01:36:15,840 --> 01:36:14,140

and I started looking around I said oh

2299

01:36:16,710 --> 01:36:15,850

my god oh my god you're right you're

2300

01:36:18,660 --> 01:36:16,720

right you're right

2301

01:36:22,230 --> 01:36:18,670

and we were in the parking lot it was a

2302

01:36:24,510 --> 01:36:22,240

sea of grey white black and everyone saw

2303

01:36:29,600 --> 01:36:24,520

a burgundy in a blue every once in a

2304

01:36:34,590 --> 01:36:31,860

socialism that's trying to bring his

2305

01:36:36,960 --> 01:36:34,600

socialist agenda and make us all be the

2306

01:36:40,290 --> 01:36:36,970

same nobody sticks out we nobody can

2307

01:36:44,580 --> 01:36:40,300

have a Camaro red car no more it's all

2308

01:36:49,620 --> 01:36:44,590

this nasty looking off blue or purple

2309

01:36:52,140 --> 01:36:49,630

whatever Honda's Toyota's I know I know

2310

01:36:54,390 --> 01:36:52,150

or the luxury high-end version of the

2311

01:36:57,000 --> 01:36:54,400

Toyota you know the Lexus is made by two

2312

01:36:59,400 --> 01:36:57,010

it I think if I remember right and you

2313

01:37:01,980 --> 01:36:59,410

know BMWs owned by God who are they

2314

01:37:04,230 --> 01:37:01,990

owned by now Chevy I can't remember but

2315

01:37:06,660 --> 01:37:04,240

whatever the points while this is it's

2316

01:37:09,540 --> 01:37:06,670

all becoming the same and no one's

2317

01:37:11,940 --> 01:37:09,550

noticing and I just think it's so weird

2318

01:37:13,770 --> 01:37:11,950

I don't get it and you wonder the

2319

01:37:15,570 --> 01:37:13,780

architects you like the architects

2320

01:37:17,250 --> 01:37:15,580

saying oh I've got this new invention

2321

01:37:19,560 --> 01:37:17,260

here and this just this is the thing

2322

01:37:22,920 --> 01:37:19,570

like and they're all the same so what's

2323

01:37:24,459 --> 01:37:22,930

going on are they all the buildings look

2324

01:37:26,890 --> 01:37:24,469

alike I know is

2325

01:37:28,569 --> 01:37:26,900

pretty it's it's getting real scary too

2326

01:37:31,479 --> 01:37:28,579

but you know the other problem we've got

2327

01:37:33,910 --> 01:37:31,489

is our infrastructure Jesus I don't know

2328

01:37:36,819 --> 01:37:33,920

about where you live but where I live in

2329

01:37:39,399 --> 01:37:36,829

California nobody's building new stuff

2330

01:37:42,279 --> 01:37:39,409

anymore and we've got these old old

2331

01:37:44,680 --> 01:37:42,289

buildings everywhere and it's getting

2332

01:37:46,419 --> 01:37:44,690

run down and they're not being kept up I

2333

01:37:48,700 --> 01:37:46,429

don't know if you ever heard about it

2334

01:37:52,870 --> 01:37:48,710

but there was a artists warehouse in

2335

01:37:55,089 --> 01:37:52,880

Oakland that killed 36 people last year

2336

01:37:58,180 --> 01:37:55,099

at this time was in October last year

2337

01:38:00,160 --> 01:37:58,190

and it was because the building was you

2338

01:38:01,689 --> 01:38:00,170

know they were stringing electrical

2339

01:38:04,180 --> 01:38:01,699

wires here and there and it was way

2340

01:38:07,120 --> 01:38:04,190

under code and the building was not

2341

01:38:09,129 --> 01:38:07,130

maintained and I can tell you some I

2342

01:38:11,229 --> 01:38:09,139

don't know very many buildings like that

2343

01:38:13,149 --> 01:38:11,239

that aren't like that I mean they're all

2344

01:38:15,430 --> 01:38:13,159

all these warehouses where all these

2345

01:38:18,819 --> 01:38:15,440

artists are at and all these people that

2346

01:38:21,279 --> 01:38:18,829

are you know have art spaces and pure

2347

01:38:23,640 --> 01:38:21,289

space and all this stuff you know a lot

2348

01:38:26,589 --> 01:38:23,650

of them were just old places that are

2349

01:38:30,189 --> 01:38:26,599

ready to go up in a you know you know if

2350

01:38:31,899 --> 01:38:30,199

you drop a match on it's the end and if

2351

01:38:33,910 --> 01:38:31,909

you have an electrical fire it's the end

2352

01:38:36,939 --> 01:38:33,920

and I just don't know there's nothing

2353

01:38:40,330 --> 01:38:36,949

being redundant just looking old and

2354

01:38:41,919 --> 01:38:40,340

rundown and how's it going out there on

2355

01:38:43,390 --> 01:38:41,929

the East Coast are you guys rebuilding

2356

01:38:45,219 --> 01:38:43,400

old buildings and getting some new

2357

01:38:47,379 --> 01:38:45,229

architecture going are you getting

2358

01:38:50,950 --> 01:38:47,389

anything exciting happening I mean I

2359

01:38:53,439 --> 01:38:50,960

swear I'm worried yeah they do a lot of

2360

01:38:54,910 --> 01:38:53,449

remodeling over here too but not lately

2361

01:38:58,359 --> 01:38:54,920

they're just like tearing everything

2362

01:39:00,279 --> 01:38:58,369

down and build build new a lot of

2363

01:39:02,950 --> 01:39:00,289

apartments going up because I put a lot

2364

01:39:05,259 --> 01:39:02,960

of apartments and it used to be you

2365

01:39:07,270 --> 01:39:05,269

couldn't get an apartment now I think

2366

01:39:08,589 --> 01:39:07,280

you can get him pretty pretty much but

2367

01:39:11,439 --> 01:39:08,599

we're still putting a lot of apartments

2368

01:39:13,810 --> 01:39:11,449

and and like I said construction

2369

01:39:16,000 --> 01:39:13,820

actually last year construction was was

2370

01:39:18,790 --> 01:39:16,010

really big the first half of the year

2371

01:39:21,339 --> 01:39:18,800

and you could couldn't find nobody to do

2372

01:39:24,700 --> 01:39:21,349

the job and now everybody's looking

2373

01:39:27,040 --> 01:39:24,710

forward that's interesting that is very

2374

01:39:28,689 --> 01:39:27,050

interesting I wonder what happened then

2375

01:39:31,419 --> 01:39:28,699

it would be such a boom and then

2376

01:39:33,189 --> 01:39:31,429

suddenly just drop off like that that's

2377

01:39:35,080 --> 01:39:33,199

the way construction is sometimes you

2378

01:39:36,969 --> 01:39:35,090

know you get all these contracts at once

2379

01:39:38,890 --> 01:39:36,979

and then they're all going at one

2380

01:39:41,469 --> 01:39:38,900

and then you get you need plumbers you

2381

01:39:42,850 --> 01:39:41,479

need conferences you need this and you

2382

01:39:45,129 --> 01:39:42,860

fighting to get to people and then all

2383

01:39:46,379 --> 01:39:45,139

of a sudden this is not no work so and

2384

01:39:48,580 --> 01:39:46,389

everybody's fighting for a job so

2385

01:39:50,560 --> 01:39:48,590

exactly well you know in Portland Oregon

2386

01:39:52,180 --> 01:39:50,570

my father was a land developer I think I

2387

01:39:55,089 --> 01:39:52,190

mentioned this before on the show unto

2388

01:39:57,129 --> 01:39:55,099

you and he built a couple Motel sixes

2389

01:39:59,890 --> 01:39:57,139

and he's built just a whole bunch of

2390

01:40:01,689 --> 01:39:59,900

things over the years bottom line was he

2391

01:40:03,640 --> 01:40:01,699

always said I'm gonna start a project

2392

01:40:05,379 --> 01:40:03,650

into the fall and I'd always say why

2393

01:40:07,029 --> 01:40:05,389

it's raining and what have you goes well

2394

01:40:09,009 --> 01:40:07,039

once we get the framing down and the

2395

01:40:11,350 --> 01:40:09,019

roof on it doesn't matter if it's

2396

01:40:13,089 --> 01:40:11,360

raining because we can all work you just

2397

01:40:16,089 --> 01:40:13,099

because it's cold and wet doesn't mean

2398

01:40:17,890 --> 01:40:16,099

we can't build I go okay cool arguing

2399

01:40:19,569 --> 01:40:17,900

the foundation the roof and the framing

2400

01:40:22,779 --> 01:40:19,579

right once you get that in you're pretty

2401
01:40:25,060 --> 01:40:22,789
much good and and he goes I can always

2402
01:40:27,279 --> 01:40:25,070
find people to work for me in the fall

2403
01:40:30,549 --> 01:40:27,289
in the winter because all of them are

2404
01:40:32,739 --> 01:40:30,559
looking for work there's nobody building

2405
01:40:35,469 --> 01:40:32,749
you guys I can guarantee you I can get a

2406
01:40:36,939 --> 01:40:35,479
whole project done by February if I'm if

2407
01:40:38,560 --> 01:40:36,949
I'm putting them to work in the winter

2408
01:40:42,699 --> 01:40:38,570
because I'm the only job they got they

2409
01:40:44,350 --> 01:40:42,709
all show up you know so yeah I don't

2410
01:40:47,379 --> 01:40:44,360
know how is it like that back east

2411
01:40:48,819 --> 01:40:47,389
that's it flows it just comes and flows

2412
01:40:51,819 --> 01:40:48,829
sometimes it'd be a lot of job

2413
01:40:53,830 --> 01:40:51,829

something's is not but this time it was

2414

01:40:57,430 --> 01:40:53,840

six months of me being out of work so it

2415

01:40:59,830 --> 01:40:57,440

was a while you know and that's a tough

2416

01:41:02,410 --> 01:40:59,840

that's a tough one that's really tough

2417

01:41:09,790 --> 01:41:02,420

you know what we steered so far away

2418

01:41:12,399 --> 01:41:09,800

from your alien experiences we do on the

2419

01:41:14,500 --> 01:41:12,409

telephone and our poor audience is

2420

01:41:17,890 --> 01:41:14,510

probably good this is a snoozer show but

2421

01:41:19,180 --> 01:41:17,900

hey I'm having a blast so let's get back

2422

01:41:21,040 --> 01:41:19,190

and talk about the aliens for the last

2423

01:41:23,649 --> 01:41:21,050

few minutes of the show have you ever

2424

01:41:25,600 --> 01:41:23,659

seen them you have no recall at all of

2425

01:41:27,279 --> 01:41:25,610

any of these aliens do you know I I

2426

01:41:29,859 --> 01:41:27,289

think that they were the little greys

2427

01:41:34,689 --> 01:41:29,869

they took me for the reptilians you know

2428

01:41:37,209 --> 01:41:34,699

so I don't know I'd love to know I love

2429

01:41:39,790 --> 01:41:37,219

Sandy to just hypnotize me on the drop

2430

01:41:42,219 --> 01:41:39,800

of a dime but you know I don't think

2431

01:41:44,229 --> 01:41:42,229

wait wait until like one o'clock in the

2432

01:41:46,810 --> 01:41:44,239

morning until I'm ready to really get

2433

01:41:48,640 --> 01:41:46,820

hypnotized but I'd love it to but you

2434

01:41:50,980 --> 01:41:48,650

know I think that's what it's gonna take

2435

01:41:53,380 --> 01:41:50,990

have you thought about

2436

01:41:55,390 --> 01:41:53,390

now you said something very telling

2437

01:41:58,600 --> 01:41:55,400

there you said the little greys take you

2438

01:42:00,940 --> 01:41:58,610

for the reptilians what what does that

2439

01:42:04,750 --> 01:42:00,950

mean do you know that the reptilians are

2440

01:42:08,890 --> 01:42:04,760

behind your your teens I think so

2441

01:42:13,450 --> 01:42:08,900

because I reacted to so was the saw

2442

01:42:17,380 --> 01:42:13,460

sausage Sariah sauce type that got like

2443

01:42:19,090 --> 01:42:17,390

the rounded head yeah yeah yeah I know

2444

01:42:22,330 --> 01:42:19,100

what you're talking about sorry I

2445

01:42:27,580 --> 01:42:22,340

believe it's Orion and I react to that

2446

01:42:29,200 --> 01:42:27,590

oh my god so yeah one of them and you

2447

01:42:32,650 --> 01:42:29,210

were like oh my god

2448

01:42:35,560 --> 01:42:32,660

right I also reacted to the the gray

2449

01:42:39,100 --> 01:42:35,570

with a gray when when the alien Han

2450

01:42:41,560 --> 01:42:39,110

showed me the gray with his eye I bought

2451
01:42:44,020 --> 01:42:41,570
an inch away from a human doing that i l

2452
01:42:46,720 --> 01:42:44,030
think I reacted to that and that's

2453
01:42:49,750 --> 01:42:46,730
actually what what led me to really

2454
01:42:52,690 --> 01:42:49,760
believe that I had been taken and I told

2455
01:42:54,160 --> 01:42:52,700
taro I saw a positive and then I figured

2456
01:42:56,800 --> 01:42:54,170
it out on the way home and then when I

2457
01:42:59,320 --> 01:42:56,810
saw taro again the second time I said

2458
01:43:01,720 --> 01:42:59,330
you know it's almost as if I had to l

2459
01:43:03,370 --> 01:43:01,730
learned I was left and right hand had to

2460
01:43:05,770 --> 01:43:03,380
relearn my left and right hand he goes

2461
01:43:07,510 --> 01:43:05,780
oh my god just like me and I told him a

2462
01:43:09,340 --> 01:43:07,520
couple other things that happened to me

2463
01:43:13,690 --> 01:43:09,350

that I remembered and he kept saying oh

2464

01:43:15,490 --> 01:43:13,700

my god just like me yeah yeah slow down

2465

01:43:18,490 --> 01:43:15,500

a bit here what do you mean you had to

2466

01:43:22,750 --> 01:43:18,500

relearn II I don't get it I mean after

2467

01:43:25,060 --> 01:43:22,760

the the abductions something I remember

2468

01:43:26,980 --> 01:43:25,070

I remember I was learning how to I was

2469

01:43:29,050 --> 01:43:26,990

three and a half and I was learning how

2470

01:43:30,790 --> 01:43:29,060

to throw a ball and I was throwing a

2471

01:43:32,140 --> 01:43:30,800

ball and I was trying to figure out in

2472

01:43:34,960 --> 01:43:32,150

my left hand at a right hand

2473

01:43:38,170 --> 01:43:34,970

so I was ended up telling the ball at my

2474

01:43:40,960 --> 01:43:38,180

right hand and I was right handed and

2475

01:43:42,760 --> 01:43:40,970

then after these experiences all of a

2476

01:43:45,130 --> 01:43:42,770

sudden I'm left-handed it's like I had

2477

01:43:46,630 --> 01:43:45,140

to relearn how to do things oh it's

2478

01:43:48,700 --> 01:43:46,640

almost as if they took something out of

2479

01:43:51,130 --> 01:43:48,710

me and didn't put it back correctly and

2480

01:43:54,160 --> 01:43:51,140

I had to refigure things out and that's

2481

01:43:54,790 --> 01:43:54,170

what Darrow agree with it's like you had

2482

01:43:59,020 --> 01:43:54,800

to rethink

2483

01:44:00,880 --> 01:43:59,030

refigure things out on your own Wow

2484

01:44:03,820 --> 01:44:00,890

you know what that's not the first time

2485

01:44:04,840 --> 01:44:03,830

I've ever heard that that's very

2486

01:44:07,240 --> 01:44:04,850

interesting that you

2487

01:44:10,630 --> 01:44:07,250

you and Darrell figured that out because

2488

01:44:12,250 --> 01:44:10,640

I've had a lot of experiences tell me

2489

01:44:14,770 --> 01:44:12,260

it's like they took something away from

2490

01:44:16,570 --> 01:44:14,780

me and I had to figure it all out over

2491

01:44:18,910 --> 01:44:16,580

again and it wasn't just being right or

2492

01:44:21,520 --> 01:44:18,920

left-handed it was things like you know

2493

01:44:23,800 --> 01:44:21,530

some of them couldn't drive a car right

2494

01:44:26,950 --> 01:44:23,810

for a long time after their driving

2495

01:44:28,390 --> 01:44:26,960

abduction they there was something weird

2496

01:44:29,980 --> 01:44:28,400

about like when they put them back in

2497

01:44:32,350 --> 01:44:29,990

the car it was like the car was a

2498

01:44:33,970 --> 01:44:32,360

foreign object to them they knew how to

2499

01:44:35,440 --> 01:44:33,980

drive it but they weren't sure if they

2500

01:44:38,140 --> 01:44:35,450

knew how to drive it I don't know if I

2501

01:44:39,970 --> 01:44:38,150

mean explaining this correctly but it

2502

01:44:42,010 --> 01:44:39,980

was like they'd forgotten how to drive

2503

01:44:44,200 --> 01:44:42,020

the car but they knew they knew how I

2504

01:44:47,770 --> 01:44:44,210

thats the only way they've ever said it

2505

01:44:49,840 --> 01:44:47,780

to me does that make sense yeah

2506

01:44:52,030 --> 01:44:49,850

yeah they're probably just a program and

2507

01:44:53,740 --> 01:44:52,040

didn't quite come out right you know

2508

01:44:55,990 --> 01:44:53,750

scream memory that they wanted to plant

2509

01:44:58,720 --> 01:44:56,000

in him or something yeah or they may

2510

01:45:00,400 --> 01:44:58,730

have probed so deep to say okay we don't

2511

01:45:02,080 --> 01:45:00,410

want them to remember anything and they

2512

01:45:04,630 --> 01:45:02,090

may have accidentally like tweaked

2513

01:45:07,780 --> 01:45:04,640

another nerve that was your driving

2514

01:45:09,820 --> 01:45:07,790

skills you know and taking that away too

2515

01:45:13,420 --> 01:45:09,830

that's what I always believed because

2516

01:45:15,700 --> 01:45:13,430

I'll never forget after the 2011

2517

01:45:18,750 --> 01:45:15,710

experience I had at the awaken aware

2518

01:45:22,450 --> 01:45:18,760

conference where my whole life changed

2519

01:45:24,460 --> 01:45:22,460

for about a year afterwards and I've

2520

01:45:27,280 --> 01:45:24,470

been telling people this firm for years

2521

01:45:29,320 --> 01:45:27,290

now is that I saw three orange glowing

2522

01:45:31,450 --> 01:45:29,330

orbs up in the sky in a triangle

2523

01:45:34,570 --> 01:45:31,460

formation when I looked out the window

2524

01:45:37,720 --> 01:45:34,580

and I backed up and I then I just went

2525

01:45:40,150 --> 01:45:37,730

to sleep everybody tells me that I was

2526

01:45:42,460 --> 01:45:40,160

taken because there's no way a triangle

2527

01:45:44,260 --> 01:45:42,470

formation right above the house and he's

2528

01:45:46,540 --> 01:45:44,270

looking at it and then they said I

2529

01:45:49,570 --> 01:45:46,550

probably was looking at it as they're

2530

01:45:51,640 --> 01:45:49,580

putting me back okay because that's

2531

01:45:55,210 --> 01:45:51,650

usually the case right that you see the

2532

01:45:56,200 --> 01:45:55,220

ship once you're being returned and well

2533

01:46:00,310 --> 01:45:56,210

that's what I think

2534

01:46:03,670 --> 01:46:00,320

anyhow so but for a year after that they

2535

01:46:05,860 --> 01:46:03,680

were trying to erase my memory of seeing

2536

01:46:07,540 --> 01:46:05,870

those three balls in the light you know

2537

01:46:09,790 --> 01:46:07,550

those lights in the sky in that triangle

2538

01:46:11,470 --> 01:46:09,800

formation because I would wake up in the

2539

01:46:14,470 --> 01:46:11,480

morning it was like somebody was in my

2540

01:46:16,540 --> 01:46:14,480

head erasing it and I go I know

2541

01:46:18,100 --> 01:46:16,550

something's gone I know something's gone

2542

01:46:18,790 --> 01:46:18,110

and did I'd have to really think about

2543

01:46:21,370 --> 01:46:18,800

it like

2544

01:46:23,380 --> 01:46:21,380

oh yeah remember your would happen and

2545

01:46:25,150 --> 01:46:23,390

then I'd have to remember the three

2546

01:46:26,890 --> 01:46:25,160

balls of light in the sky and I have to

2547

01:46:28,900 --> 01:46:26,900

remember what they look like and look at

2548

01:46:31,360 --> 01:46:28,910

them out the window in my head again and

2549

01:46:33,430 --> 01:46:31,370

I went through this James for a year

2550

01:46:36,190 --> 01:46:33,440

before they stopped trying to take the

2551

01:46:37,930 --> 01:46:36,200

memory away from me it was the weirdest

2552

01:46:40,780 --> 01:46:37,940

sensation it happened almost every

2553

01:46:42,760 --> 01:46:40,790

morning for a year like it was like ten

2554

01:46:44,530 --> 01:46:42,770

and a half 11 months they just kept

2555

01:46:46,570 --> 01:46:44,540

trying to erase that memory and I don't

2556

01:46:47,920 --> 01:46:46,580

know why there's nothing that happened

2557

01:46:50,020 --> 01:46:47,930

that I remember so I don't know why it

2558

01:46:53,860 --> 01:46:50,030

was so important for them to get rid of

2559

01:46:56,260 --> 01:46:53,870

it you know it's it's so bizarre I'll

2560

01:46:58,270 --> 01:46:56,270

never know I will never understand what

2561

01:47:00,400 --> 01:46:58,280

they're doing do you have any clue to

2562

01:47:02,770 --> 01:47:00,410

why they're taking you I don't know

2563

01:47:05,230 --> 01:47:02,780

sandy says it goes back ten generations

2564

01:47:06,820 --> 01:47:05,240

on the male side and that's why I

2565

01:47:08,920 --> 01:47:06,830

questioned why didn't they take my

2566

01:47:11,170 --> 01:47:08,930

brother and that's why well my brother

2567

01:47:13,090 --> 01:47:11,180

committed suicide so that's why I always

2568

01:47:16,420 --> 01:47:13,100

felt that they didn't want him so they

2569

01:47:18,730 --> 01:47:16,430

probably knew his future so but that's

2570

01:47:20,770 --> 01:47:18,740

taking on the male side I don't know why

2571

01:47:24,130 --> 01:47:20,780

my grandfather actually was a wrestler

2572

01:47:26,530 --> 01:47:24,140

and I inherited his his strong legs I

2573

01:47:28,450 --> 01:47:26,540

was always a good wrestler so they must

2574

01:47:31,870 --> 01:47:28,460

have taken him too from what sandy says

2575

01:47:34,900 --> 01:47:31,880

and all the way back I did have a back

2576

01:47:40,480 --> 01:47:34,910

in in Crete or one of them islands in

2577

01:47:43,090 --> 01:47:40,490

Greece there was a a great ancestor on a

2578

01:47:46,300 --> 01:47:43,100

horse with the same last name as general

2579

01:47:49,750 --> 01:47:46,310

and he's got some some statue erected of

2580

01:47:53,650 --> 01:47:49,760

him on a horse and and I think it's

2581

01:47:55,210 --> 01:47:53,660

Crete increase so I don't know if that's

2582

01:47:57,010 --> 01:47:55,220

got something to do with it that he was

2583

01:47:59,170 --> 01:47:57,020

a leader or you know could have been

2584

01:48:01,930 --> 01:47:59,180

before that I don't know I'd have to

2585

01:48:04,540 --> 01:48:01,940

trace my my genus and then my my last

2586

01:48:07,000 --> 01:48:04,550

names been changed to inadvertently so

2587

01:48:10,990 --> 01:48:07,010

every I do know it was HIO

2588

01:48:17,170 --> 01:48:11,000

a kos so maybe I'll trace it one of

2589

01:48:19,300 --> 01:48:17,180

these days ancestry blood test no I'm

2590

01:48:23,380 --> 01:48:19,310

thinking they're doing it you know and

2591

01:48:26,080 --> 01:48:23,390

get each ancestry.com check it out it's

2592

01:48:28,330 --> 01:48:26,090

on sale right now for \$69 instead of

2593

01:48:32,260 --> 01:48:28,340

like 89 or a hundred so it might be a

2594

01:48:36,490 --> 01:48:32,270

good time to do it I'm thinking about it

2595

01:48:38,680 --> 01:48:36,500

39 yeah me too

2596

01:48:41,950 --> 01:48:38,690

I don't know why we waited so long oh

2597

01:48:43,210 --> 01:48:41,960

well those darn pesky aliens they just

2598

01:48:45,460 --> 01:48:43,220

don't want us to know anything that

2599

01:48:47,980 --> 01:48:45,470

they're doing I swear to God see this is

2600

01:48:49,570 --> 01:48:47,990

the problem James right what you and I

2601

01:48:51,250 --> 01:48:49,580

are talking about tonight it's the

2602

01:48:53,170 --> 01:48:51,260

problem with the whole disclosure thing

2603

01:48:54,580 --> 01:48:53,180

that's going on it's gonna separate the

2604

01:48:56,740 --> 01:48:54,590

people like yourself we've had

2605

01:48:59,110 --> 01:48:56,750

experiences like me you've had my angels

2606

01:49:01,750 --> 01:48:59,120

and all the experiences I had it's gonna

2607

01:49:03,640 --> 01:49:01,760

separate us right down the line and away

2608

01:49:06,790 --> 01:49:03,650

from all those military people that are

2609

01:49:09,220 --> 01:49:06,800

saying you know UFOs are real because

2610

01:49:11,170 --> 01:49:09,230

you and I know they're real I mean real

2611

01:49:13,600 --> 01:49:11,180

is not the issue anymore what the issue

2612

01:49:15,130 --> 01:49:13,610

is is who are the aliens behind it and

2613

01:49:17,920 --> 01:49:15,140

what's their agenda and they're not even

2614

01:49:20,170 --> 01:49:17,930

talking about that are they no but

2615

01:49:22,870 --> 01:49:20,180

before they use the people in it was

2616

01:49:25,060 --> 01:49:22,880

like they did bad and now I think they

2617

01:49:26,320 --> 01:49:25,070

used in Tom's along because he's you

2618

01:49:28,570 --> 01:49:26,330

know he's with the kids and they want

2619

01:49:32,080 --> 01:49:28,580

the new generation to think that they're

2620

01:49:33,760 --> 01:49:32,090

all loving and all good as well tom is

2621

01:49:37,150 --> 01:49:33,770

saying that they're all bad and we got a

2622

01:49:39,040 --> 01:49:37,160

shoot amount of the sky so you know yeah

2623

01:49:40,630 --> 01:49:39,050

that's what he's saying it's scaring the

2624

01:49:43,360 --> 01:49:40,640

bejesus out of me that's what he wants

2625

01:49:45,430 --> 01:49:43,370

the young kids to believe so you know

2626

01:49:47,950 --> 01:49:45,440

what can you do well okay sweetie the

2627

01:49:50,500 --> 01:49:47,960

show's almost over and I gotta say happy

2628

01:49:52,870 --> 01:49:50,510

2629

01:50:01,630 --> 01:49:52,880

I'm so glad you're going back to work

2630

01:50:07,660 --> 01:50:01,640

2631

01:50:09,760 --> 01:50:07,670

that anyway you got credit cards and

2632

01:50:12,220 --> 01:50:09,770

2637

01:50:26,140 --> 01:50:23,840

see you right after the holidays take

2638

01:50:28,900 --> 01:50:26,150

care everyone good night happy holidays

2639

01:50:29,710 --> 01:50:28,910

when we go out to eat we never agree on

2640

01:50:32,530 --> 01:50:29,720

where to go

2641

01:50:34,180 --> 01:50:32,540

what burgers pizza tacos it is the one

2642

01:50:36,340 --> 01:50:34,190

thing we do agree on is we all want

2643

01:50:37,930 --> 01:50:36,350

unlimited high-speed data that's why we

2644
