

Tony Topping | Mind Control Tactics Used to Silence UFO Witnesses

Listen on

inceptionradionetwork.com

1
00:00:08,970 --> 00:00:05,300
your tool in tonight vision radio

2
00:00:11,670 --> 00:00:08,980
exposing the truth one secret at a time

3
00:00:14,129 --> 00:00:11,680
prepare yourself as we explore the

4
00:00:17,909 --> 00:00:14,139
shadow worlds of suppressed history

5
00:00:20,370 --> 00:00:17,919
secret knowledge forbidden religion and

6
00:00:36,550 --> 00:00:20,380
shine a light on the conspiracies to

7
00:00:36,560 --> 00:01:03,020
[Music]

8
00:01:03,030 --> 00:01:08,550
welcome to night-vision radio

9
00:01:13,120 --> 00:01:11,109
good evening everybody welcome to night

10
00:01:15,399 --> 00:01:13,130
vision I'm your host Renee Barnett

11
00:01:18,219 --> 00:01:15,409
looking forward to tonight's show got a

12
00:01:20,139 --> 00:01:18,229
guest that we haven't had on in a couple

13
00:01:23,590 --> 00:01:20,149

of years so there's a lot to catch up on

14

00:01:25,450 --> 00:01:23,600

because a lot has been going on I wanted

15

00:01:27,700 --> 00:01:25,460

to take a quick moment to say happy

16

00:01:29,859 --> 00:01:27,710

holidays to everyone Merry Christmas

17

00:01:32,499 --> 00:01:29,869

Happy Hanukkah whatever you're

18

00:01:35,319 --> 00:01:32,509

celebrating I hope you enjoy it to the

19

00:01:37,149 --> 00:01:35,329

fullest so that goes out to everyone in

20

00:01:39,699 --> 00:01:37,159

the world happy holidays

21

00:01:43,960 --> 00:01:39,709

now tonight we've got with us Tony

22

00:01:46,120 --> 00:01:43,970

topping he's a British UFO experimenter I

23

00:01:48,820 --> 00:01:46,130

guess you would say a writer and a

24

00:01:52,600 --> 00:01:48,830

broadcaster he's been following this US

25

00:01:55,830 --> 00:01:52,610

fo subject but not only that he has an

26
00:01:59,529 --> 00:01:55,840
uncanny way of coming into contact with

27
00:02:03,370 --> 00:01:59,539
UFOs and aliens not only that

28
00:02:07,179 --> 00:02:03,380
unfortunately also some possibly more

29
00:02:09,219 --> 00:02:07,189
sinister characters than that in people

30
00:02:11,319 --> 00:02:09,229
from unknown agencies who've been

31
00:02:14,590 --> 00:02:11,329
targeting and harassing him for years

32
00:02:15,520 --> 00:02:14,600
now because of his intimate contact with

33
00:02:18,340 --> 00:02:15,530
UFOs

34
00:02:21,220 --> 00:02:18,350
so Tony I just want to jump right in if

35
00:02:23,170 --> 00:02:21,230
we can I know you're you've got a late

36
00:02:25,539 --> 00:02:23,180
night or early morning and I do

37
00:02:28,390 --> 00:02:25,549
appreciate and know you've got some

38
00:02:30,780 --> 00:02:28,400

family things going on so extra special

39

00:02:33,220 --> 00:02:30,790

thanks to you tonight for joining us and

40

00:02:35,979 --> 00:02:33,230

do give our best to your whole family

41

00:02:38,530 --> 00:02:35,989

and that you have happy holidays that

42

00:02:41,559 --> 00:02:38,540

your mother makes a quick recovery I

43

00:02:43,599 --> 00:02:41,569

know she's ill at the moment but home

44

00:02:46,900 --> 00:02:43,609

from hospital which tells me that's good

45

00:02:49,750 --> 00:02:46,910

news so thanks so much for joining us in

46

00:02:52,240 --> 00:02:49,760

the midst of all your holiday plans and

47

00:02:56,699 --> 00:02:52,250

your medical care and everything that's

48

00:03:00,160 --> 00:02:56,709

going on at your place thanks for taking

49

00:03:05,379 --> 00:03:00,170

a break from all that to join us and

50

00:03:07,809 --> 00:03:05,389

bring us up to speed now you have you

51
00:03:10,720 --> 00:03:07,819
know as I said you know an uncanny way

52
00:03:12,819 --> 00:03:10,730
of coming into contact not only coming

53
00:03:14,830 --> 00:03:12,829
into contact with UFOs and citing them

54
00:03:18,670 --> 00:03:14,840
but you've gotten some absolutely

55
00:03:20,890 --> 00:03:18,680
marvelous videos and people can see

56
00:03:24,339 --> 00:03:20,900
those online on your web site

57
00:03:27,940 --> 00:03:24,349
now is your your website Toni topping

58
00:03:29,860 --> 00:03:27,950
dot wordpress.com that's right yes ma'am

59
00:03:33,300 --> 00:03:29,870
website sternly topping dot WordPress

60
00:03:37,839 --> 00:03:33,310
Domino a YouTube site called Sony ops

61
00:03:41,500 --> 00:03:37,849
UFO on the day on the day of the

62
00:03:45,149 --> 00:03:41,510
announcement in the u.s. press of the of

63
00:03:48,190 --> 00:03:45,159

the Pentagon carry on with the UFOs my

64

00:03:50,530 --> 00:03:48,200

web statistics went absolutely through

65

00:03:53,949 --> 00:03:50,540

the roof I've never seen anything quite

66

00:03:56,920 --> 00:03:53,959

like it visitors from all across America

67

00:03:59,740 --> 00:03:56,930

a straight up statistics on my on my web

68

00:04:02,229 --> 00:03:59,750

site although I haven't although I

69

00:04:05,080 --> 00:04:02,239

haven't received any kind of inquiries

70

00:04:07,089 --> 00:04:05,090

about it being quiet but that's that

71

00:04:09,280 --> 00:04:07,099

might be the quiet before the storm with

72

00:04:11,770 --> 00:04:09,290

me cuz I'm somewhat wired into the grid

73

00:04:14,530 --> 00:04:11,780

and I know how deep this rabbit hole

74

00:04:17,110 --> 00:04:14,540

girls I don't know it all but I've

75

00:04:20,229 --> 00:04:17,120

possibly seen it all and spanning forty

76
00:04:22,390 --> 00:04:20,239
years in dealing with the UFO phenomenon

77
00:04:25,089 --> 00:04:22,400
I think the thing is really is that we

78
00:04:27,339 --> 00:04:25,099
as contact experiences not UFO

79
00:04:30,250 --> 00:04:27,349
researchers but the contact experience

80
00:04:31,450 --> 00:04:30,260
elements of the UFO phenomena we are

81
00:04:34,570 --> 00:04:31,460
ridiculed

82
00:04:36,219 --> 00:04:34,580
we are laughed at we're bullied with

83
00:04:39,820 --> 00:04:36,229
this with that were the other we're

84
00:04:42,969 --> 00:04:39,830
anything but what's going on with us in

85
00:04:44,740 --> 00:04:42,979
certain circles that includes the the I

86
00:04:47,350 --> 00:04:44,750
suppose you could say the New York Times

87
00:04:49,719 --> 00:04:47,360
the journalists on the New York so yeah

88
00:04:52,050 --> 00:04:49,729

I was going to bring that up because you

89

00:04:54,279 --> 00:04:52,060

know I'm sure everybody that's listening

90

00:04:56,050 --> 00:04:54,289

you know it's aware of this New York

91

00:04:58,150 --> 00:04:56,060

Times article that just came out and

92

00:05:02,020 --> 00:04:58,160

about this secret government program

93

00:05:05,950 --> 00:05:02,030

that was you know funded in part by

94

00:05:09,610 --> 00:05:05,960

Robert Bigelow and yes he in in in Harry

95

00:05:12,670 --> 00:05:09,620

Reid who you know lives here in Las

96

00:05:16,450 --> 00:05:12,680

Vegas and is an old-time friend of Bob

97

00:05:19,990 --> 00:05:16,460

Bigelow were behind this and I wanted to

98

00:05:22,240 --> 00:05:20,000

ask you about that because I'm hearing a

99

00:05:24,460 --> 00:05:22,250

lot of different it's raised a lot of

100

00:05:26,950 --> 00:05:24,470

controversy you know I'm hearing a lot

101
00:05:28,480 --> 00:05:26,960
of people say things like oh wow this is

102
00:05:33,399 --> 00:05:28,490
great you know a government has been

103
00:05:34,450 --> 00:05:33,409
taking seriously UFO study other people

104
00:05:36,909 --> 00:05:34,460
saying you know

105
00:05:39,640 --> 00:05:36,919
what we're getting set up here you know

106
00:05:41,760 --> 00:05:39,650
here they're getting us ready to spend

107
00:05:44,800 --> 00:05:41,770
billions of dollars on weaponizing space

108
00:05:47,469 --> 00:05:44,810
you know because the language of what

109
00:05:50,290 --> 00:05:47,479
was released was all about a threat so

110
00:05:52,779 --> 00:05:50,300
there seems to be few different camps on

111
00:05:54,990 --> 00:05:52,789
that so where do you come down on that

112
00:05:57,999 --> 00:05:55,000
information that that was just released

113
00:06:00,370 --> 00:05:58,009

well the the it's interesting isn't it

114

00:06:02,409 --> 00:06:00,380

leaked or something having done 40 years

115

00:06:04,659 --> 00:06:02,419

of dealing with this having had what

116

00:06:07,330 --> 00:06:04,669

appears to be panicked officialdom or

117

00:06:09,219 --> 00:06:07,340

appears to be I mean I'm not sure what

118

00:06:10,900 --> 00:06:09,229

appears to be panicked officialdom from

119

00:06:14,890 --> 00:06:10,910

the German government calling me about

120

00:06:18,310 --> 00:06:14,900

all this it's true to say that certain

121

00:06:19,900 --> 00:06:18,320

elements of white hat and black hat and

122

00:06:22,650 --> 00:06:19,910

I think in the national security

123

00:06:26,430 --> 00:06:22,660

elements are very very concerned about

124

00:06:30,040 --> 00:06:26,440

what is going on with the UFO phenomena

125

00:06:32,529 --> 00:06:30,050

what they possibly done at the moment is

126

00:06:35,110 --> 00:06:32,539

actually effectively once again told you

127

00:06:38,409 --> 00:06:35,120

really nothing of what's going on they

128

00:06:40,689 --> 00:06:38,419

haven't gone down the routes you see dr.

129

00:06:42,610 --> 00:06:40,699

Greer despite all the people slugging

130

00:06:45,189 --> 00:06:42,620

the hell out of him dr. Glee a lost

131

00:06:47,170 --> 00:06:45,199

stuffing his secretary to harassment he

132

00:06:48,879 --> 00:06:47,180

was arrest because he went down the

133

00:06:51,279 --> 00:06:48,889

Avenue of unacknowledged special

134

00:06:53,649 --> 00:06:51,289

application projects he went down the

135

00:06:55,450 --> 00:06:53,659

Avenue of discovering that some elements

136

00:06:57,909 --> 00:06:55,460

of the national security apparatus

137

00:07:00,189 --> 00:06:57,919

within the Joint Chiefs of Staff in the

138

00:07:03,399 --> 00:07:00,199

UK for example we could use Admiral Hill

139

00:07:06,730 --> 00:07:03,409

not and who indicated in public that he

140

00:07:08,740 --> 00:07:06,740

was shut out from the UFO he knew it was

141

00:07:10,600 --> 00:07:08,750

going on but he was being shut out now

142

00:07:12,100 --> 00:07:10,610

he was First Sea Lord and Secretary

143

00:07:13,719 --> 00:07:12,110

General of NATO at one point in the

144

00:07:15,490 --> 00:07:13,729

proceedings he knew that there was

145

00:07:17,379 --> 00:07:15,500

something going on but he couldn't get

146

00:07:19,420 --> 00:07:17,389

to the bottom of it you've then got the

147

00:07:21,430 --> 00:07:19,430

element of the say of dr. Greer who was

148

00:07:24,430 --> 00:07:21,440

on these special an acknowledged special

149

00:07:26,890 --> 00:07:24,440

test projects routes going into this

150

00:07:28,990 --> 00:07:26,900

very deeply and now he seems to have

151

00:07:32,469 --> 00:07:29,000

been it pushed aside to make way for

152

00:07:35,709 --> 00:07:32,479

this kind of very nice kind of project

153

00:07:37,719 --> 00:07:35,719

that the Pentagon have done to look at

154

00:07:41,200 --> 00:07:37,729

UFOs they've done something similar like

155

00:07:43,420 --> 00:07:41,210

project condign which was the product

156

00:07:46,360 --> 00:07:43,430

Ondine in the UK was to research plasma

157

00:07:48,279 --> 00:07:46,370

phenomena and it looks to me I've given

158

00:07:50,109 --> 00:07:48,289

it the briefest of reads but it doesn't

159

00:07:52,089 --> 00:07:50,119

because of time constraints at my end

160

00:07:53,769 --> 00:07:52,099

actually I really needed to deeply when

161

00:07:57,879 --> 00:07:53,779

to but the Pentagon and also them like a

162

00:08:00,489 --> 00:07:57,889

like a similar thing the secrecy element

163

00:08:03,369 --> 00:08:00,499

of the UFO and the plasma relationship

164

00:08:06,519 --> 00:08:03,379

is that you'll need to look at project

165

00:08:08,980 --> 00:08:06,529

Hezbollah in Norway to discover that an

166

00:08:11,889 --> 00:08:08,990

the astrophysicist and the team there

167

00:08:15,129 --> 00:08:11,899

discovered five percent of the UFOs

168

00:08:18,760 --> 00:08:15,139

Heslin in Norway were under intelligent

169

00:08:20,920 --> 00:08:18,770

control and they had intelligence to

170

00:08:24,040 --> 00:08:20,930

them and that one of the astrophysicists

171

00:08:25,409 --> 00:08:24,050

reached a conclusion that we were

172

00:08:27,070 --> 00:08:25,419

dealing with an extraterrestrial

173

00:08:29,760 --> 00:08:27,080

civilization that could manipulate

174

00:08:31,959 --> 00:08:29,770

plasma like we could manipulate DNA

175

00:08:33,939 --> 00:08:31,969

these are the bits that were emitted

176

00:08:37,149 --> 00:08:33,949

probably this is the classified bit of

177

00:08:39,339 --> 00:08:37,159

project condign it may well be I would

178

00:08:41,949 --> 00:08:39,349

estimate the classified bit of the

179

00:08:45,160 --> 00:08:41,959

Pentagon project as well the discovery

180

00:08:48,790 --> 00:08:45,170

that you have life doing that life-forms

181

00:08:50,559 --> 00:08:48,800

biology all in that area could well be

182

00:08:53,800 --> 00:08:50,569

kept away from the from the general

183

00:08:56,319 --> 00:08:53,810

public the security issues around the

184

00:08:58,420 --> 00:08:56,329

UFO phenomenon are absolutely shocking

185

00:09:01,660 --> 00:08:58,430

after 40 years of veteran dealing with

186

00:09:04,360 --> 00:09:01,670

it it would be naive to suggest that

187

00:09:06,490 --> 00:09:04,370

there is not a threat in this area or

188

00:09:10,059 --> 00:09:06,500

there is not security issues in this

189

00:09:13,420 --> 00:09:10,069

area it's like the UFO phenomena is

190

00:09:16,360 --> 00:09:13,430

similar to looking at an ocean a vast

191

00:09:17,920 --> 00:09:16,370

ocean have in some cases you're seeing

192

00:09:19,300 --> 00:09:17,930

all the nice fish swimming around what

193

00:09:22,420 --> 00:09:19,310

you don't notice that they could be

194

00:09:26,259 --> 00:09:22,430

sharks out there even the ancient

195

00:09:28,329 --> 00:09:26,269

spiritual traditions indicated one in

196

00:09:31,300 --> 00:09:28,339

particular the Toltec tradition and not

197

00:09:33,250 --> 00:09:31,310

the woman of castamere de but the work

198

00:09:35,350 --> 00:09:33,260

of the work of what is meant to be the

199

00:09:37,360 --> 00:09:35,360

true link to atlantis with the spiritual

200

00:09:40,269 --> 00:09:37,370

teaching the work of a guy called Tom

201
00:09:42,309 --> 00:09:40,279
Morris in the Toltec tradition has

202
00:09:45,579 --> 00:09:42,319
indicated that even though they're in

203
00:09:48,009 --> 00:09:45,589
UFOs with the shiny flashing lights they

204
00:09:50,050 --> 00:09:48,019
may not understand ethics they may not

205
00:09:52,809 --> 00:09:50,060
understand human rights that's the

206
00:09:55,689 --> 00:09:52,819
fundamental thing trouble is with being

207
00:09:58,509 --> 00:09:55,699
a contact experience is that you're met

208
00:10:01,179 --> 00:09:58,519
with a very strange vagary from them

209
00:10:01,850 --> 00:10:01,189
which means that you're running round in

210
00:10:03,770 --> 00:10:01,860
sir

211
00:10:05,570 --> 00:10:03,780
thinking that you're wonderful that

212
00:10:08,150 --> 00:10:05,580
you've got UFOs coming over the house

213
00:10:10,100 --> 00:10:08,160

but the sticks and a gym that are even

214

00:10:12,020 --> 00:10:10,110

higher than that and you can get

215

00:10:14,990 --> 00:10:12,030

yourself in quite a quagmire with it if

216

00:10:18,260 --> 00:10:15,000

you're not careful because aliens have

217

00:10:20,510 --> 00:10:18,270

agendas the UFOs the population they

218

00:10:22,940 --> 00:10:20,520

just have agendas that is the way it is

219

00:10:25,220 --> 00:10:22,950

they have their own military they have

220

00:10:28,820 --> 00:10:25,230

their own populations all that that's as

221

00:10:29,960 --> 00:10:28,830

real as it gets actually I don't think

222

00:10:32,480 --> 00:10:29,970

well then they go they could be

223

00:10:35,060 --> 00:10:32,490

classifying you know then what seems

224

00:10:37,250 --> 00:10:35,070

more plausible to me and I think this is

225

00:10:40,540 --> 00:10:37,260

what you're saying correct me if I'm

226

00:10:44,420 --> 00:10:40,550

wrong that you know there there may be

227

00:10:47,180 --> 00:10:44,430

different types of beings that are out

228

00:10:48,920 --> 00:10:47,190

there it's just like we have on earth I

229

00:10:50,870 --> 00:10:48,930

mean there's a person that you're gonna

230

00:10:53,390 --> 00:10:50,880

meet up with on earth you don't want you

231

00:10:55,460 --> 00:10:53,400

want to meet in a dark alley you know we

232

00:11:02,210 --> 00:10:55,470

have very local people on earth and we

233

00:11:04,550 --> 00:11:02,220

have very horrible people I mean why

234

00:11:05,080 --> 00:11:04,560

would it be different it is it's not

235

00:11:09,860 --> 00:11:05,090

different

236

00:11:12,800 --> 00:11:09,870

no can you for people who who may not be

237

00:11:14,570 --> 00:11:12,810

aware you know I see we know a lot of

238

00:11:18,760 --> 00:11:14,580

people tuning in tonight could you give

239

00:11:21,890 --> 00:11:18,770

us just a thumbnail sketch of your

240

00:11:23,990 --> 00:11:21,900

experiences how it started I think it

241

00:11:26,030 --> 00:11:24,000

you know there was something in your

242

00:11:29,300 --> 00:11:26,040

childhood but didn't you kind of get

243

00:11:33,520 --> 00:11:29,310

started in the early 90s in your serious

244

00:11:36,800 --> 00:11:33,530

research about this yes yes I did I mean

245

00:11:38,300 --> 00:11:36,810

we know we know courses more than what

246

00:11:41,270 --> 00:11:38,310

was a family member working on it as

247

00:11:43,250 --> 00:11:41,280

well but we kind of like we kind of like

248

00:11:45,800 --> 00:11:43,260

know that these the higher level of

249

00:11:49,130 --> 00:11:45,810

strange goings-on that I'm having it's

250

00:11:52,460 --> 00:11:49,140

possibly also bloodline related as well

251
00:11:54,200 --> 00:11:52,470
my blood lines probably rare so we're

252
00:11:57,050 --> 00:11:54,210
tracing that back at the moment with

253
00:11:59,330 --> 00:11:57,060
some fascinating insights that there are

254
00:12:01,340 --> 00:11:59,340
indeed links the bloodline seems to

255
00:12:03,140 --> 00:12:01,350
linked to certain fascinating features

256
00:12:05,120 --> 00:12:03,150
and people that would indicate that

257
00:12:07,880 --> 00:12:05,130
there's something going on in the

258
00:12:11,390 --> 00:12:07,890
bloodline but my my first experience was

259
00:12:14,830 --> 00:12:11,400
at age 2 and that was an incident that

260
00:12:17,620 --> 00:12:14,840
happened yeah about age 2

261
00:12:21,220 --> 00:12:17,630
where we have this kind of spectacular

262
00:12:23,620 --> 00:12:21,230
vision walking through a wall it was

263
00:12:27,040 --> 00:12:23,630

actually it was actually believe it or

264

00:12:29,590 --> 00:12:27,050

not it was Sanskrit related and this

265

00:12:32,020 --> 00:12:29,600

vision extraordinary it was went through

266

00:12:34,240 --> 00:12:32,030

a wall now according to the other school

267

00:12:36,490 --> 00:12:34,250

of thinking that is false memory

268

00:12:38,620 --> 00:12:36,500

syndrome and that didn't happen because

269

00:12:41,590 --> 00:12:38,630

a kid at the age of two cannot

270

00:12:44,890 --> 00:12:41,600

cognitively process that kind of thing

271

00:12:46,900 --> 00:12:44,900

and that is utter rot the thing with the

272

00:12:48,880 --> 00:12:46,910

false memory syndrome is there's a there

273

00:12:50,560 --> 00:12:48,890

seems to be this kind of failure to

274

00:12:52,270 --> 00:12:50,570

acknowledge that some of the directors

275

00:12:54,550 --> 00:12:52,280

on it were involved in mind control

276

00:12:57,580 --> 00:12:54,560

projects and the thing is is that you

277

00:13:00,640 --> 00:12:57,590

will get if you're if you're a contact

278

00:13:02,920 --> 00:13:00,650

experiencer who's the real deal you will

279

00:13:06,160 --> 00:13:02,930

get targeted by dr. Strangelove and his

280

00:13:07,930 --> 00:13:06,170

merrie service where it went wrong with

281

00:13:11,350 --> 00:13:07,940

America and the national security

282

00:13:16,150 --> 00:13:11,360

element the UFOs is they would insist on

283

00:13:18,280 --> 00:13:16,160

buying a used car from aliens that was a

284

00:13:22,060 --> 00:13:18,290

bit dodgy and they've paid for it ever

285

00:13:24,610 --> 00:13:22,070

since and that metaphor that analogy if

286

00:13:25,750 --> 00:13:24,620

I said that in front of Eisenhower he

287

00:13:27,400 --> 00:13:25,760

would know exactly what I was talking

288

00:13:28,720 --> 00:13:27,410

about because it was Eisenhower that was

289

00:13:30,820 --> 00:13:28,730

warning of the of this

290

00:13:33,790 --> 00:13:30,830

military-industrial kind of situation

291

00:13:35,890 --> 00:13:33,800

that we were yes it was indeed

292

00:13:37,570 --> 00:13:35,900

Eisenhower was indeed warning of it and

293

00:13:39,940 --> 00:13:37,580

I think possibly some other world

294

00:13:41,350 --> 00:13:39,950

leaders also hinted of it if you want to

295

00:13:43,360 --> 00:13:41,360

go further that Benjamin Disraeli

296

00:13:46,630 --> 00:13:43,370

indicated that there were forces out

297

00:13:49,150 --> 00:13:46,640

there you see with the UFO phenomena two

298

00:13:51,250 --> 00:13:49,160

components to it as the UFO phenomena as

299

00:13:53,110 --> 00:13:51,260

the Pentagon as the mo D there's all

300

00:13:56,470 --> 00:13:53,120

this kind of military stuff doing it

301

00:14:00,100 --> 00:13:56,480

doing all this disclosure but failing to

302

00:14:02,500 --> 00:14:00,110

mention the esoteric elements behind it

303

00:14:04,170 --> 00:14:02,510

which do indeed go back to bloodline and

304

00:14:07,180 --> 00:14:04,180

do indeed go back to the ancient

305

00:14:09,370 --> 00:14:07,190

spiritual kind of conflict of van and

306

00:14:12,100 --> 00:14:09,380

his place in the universe of those

307

00:14:14,320 --> 00:14:12,110

forces that maneuver around us and I've

308

00:14:16,060 --> 00:14:14,330

seen them first and I've even collided

309

00:14:19,690 --> 00:14:16,070

with them Renee how he had a an

310

00:14:22,690 --> 00:14:19,700

incredible incident about three years

311

00:14:24,160 --> 00:14:22,700

ago one has to be very respectful of

312

00:14:26,920 --> 00:14:24,170

what one says I think it was about three

313

00:14:28,780 --> 00:14:26,930

years ago where we had the kind of have

314

00:14:30,190 --> 00:14:28,790

you seen the film that devil's advocate

315

00:14:33,600 --> 00:14:30,200

that's all have you seen that film with

316

00:14:36,610 --> 00:14:33,610

Pacino I wonder if you've seen it at all

317

00:14:39,220 --> 00:14:36,620

Johnson no a cookie he plays the devil

318

00:14:42,900 --> 00:14:39,230

in the form of a solicitor in the form

319

00:14:45,910 --> 00:14:42,910

of a chief executive John Nelson and he

320

00:14:48,520 --> 00:14:45,920

and of course it's quite an amazing film

321

00:14:49,990 --> 00:14:48,530

because the you know the devil to this

322

00:14:50,890 --> 00:14:50,000

tremendous drawing that we'll all that

323

00:14:53,200 --> 00:14:50,900

he didn't exist

324

00:14:55,660 --> 00:14:53,210

but you've got all that backdrop all

325

00:14:57,250 --> 00:14:55,670

that backdrop going on and it's

326

00:14:59,080 --> 00:14:57,260

interesting because the bit that

327

00:15:01,240 --> 00:14:59,090

probably that they won't be telling you

328

00:15:03,850 --> 00:15:01,250

about with all this Pentagon kind of

329

00:15:05,980 --> 00:15:03,860

stuff is the kind of elements of the

330

00:15:08,770 --> 00:15:05,990

Collins elite the work of an agency

331

00:15:10,810 --> 00:15:08,780

called Collins elite what I'm going to

332

00:15:13,360 --> 00:15:10,820

do is I'm coming up with so much data I

333

00:15:14,830 --> 00:15:13,370

just need to reset my head and just go

334

00:15:17,440 --> 00:15:14,840

where I'm going with the narrative here

335

00:15:19,720 --> 00:15:17,450

because basically I think if we start

336

00:15:21,550 --> 00:15:19,730

with the the esoteric behind the UFO

337

00:15:25,390 --> 00:15:21,560

phenomena and what the US government

338

00:15:27,100 --> 00:15:25,400

discovered in 1950 we will find that

339

00:15:29,290 --> 00:15:27,110

that prolyly underpins the secrecy and

340

00:15:31,300 --> 00:15:29,300

cover-up today as well as the fact that

341

00:15:33,760 --> 00:15:31,310

you've got Operation Paperclip going on

342

00:15:36,220 --> 00:15:33,770

in world war ii and the fact that it was

343

00:15:39,610 --> 00:15:36,230

more classified than the h-bomb you've

344

00:15:42,130 --> 00:15:39,620

got quite a situation going on the fact

345

00:15:45,100 --> 00:15:42,140

that you've got Nazi secret societies

346

00:15:46,960 --> 00:15:45,110

precisely channeling data and

347

00:15:49,810 --> 00:15:46,970

information to do with the design of

348

00:15:52,300 --> 00:15:49,820

UFOs in Moorea Osruc with the full

349

00:15:55,450 --> 00:15:52,310

society fact you've got that all that

350

00:15:57,910 --> 00:15:55,460

going on creates quite a little blend of

351
00:16:00,220 --> 00:15:57,920
secrecy while at the same time they've

352
00:16:02,650 --> 00:16:00,230
put this in the media to indicate

353
00:16:04,510 --> 00:16:02,660
disclosure and openness I went on the

354
00:16:07,150 --> 00:16:04,520
site of the Star Academy and the first

355
00:16:09,520 --> 00:16:07,160
thing I was hit with was shop here by

356
00:16:12,280 --> 00:16:09,530
this by that by the other I'm not saying

357
00:16:14,290 --> 00:16:12,290
that they're being very commercial it's

358
00:16:16,810 --> 00:16:14,300
just very for somebody like myself it's

359
00:16:19,660 --> 00:16:16,820
a bit light and fluffy it's a bit kind

360
00:16:22,030 --> 00:16:19,670
of tipping that so in the water but it's

361
00:16:25,270 --> 00:16:22,040
not kind of quite explaining fully at

362
00:16:29,670 --> 00:16:25,280
all what what is exactly what is exactly

363
00:16:34,570 --> 00:16:32,410

you know if I could if I could go back

364

00:16:37,840 --> 00:16:34,580

to something you said that really caught

365

00:16:41,440 --> 00:16:37,850

my ear there you you talked about your

366

00:16:42,610 --> 00:16:41,450

your researching your bloodline and that

367

00:16:44,530 --> 00:16:42,620

now when you

368

00:16:49,590 --> 00:16:44,540

talking about bloodline are you talking

369

00:16:52,570 --> 00:16:49,600

about ancestry yeah yeah are some

370

00:16:55,840 --> 00:16:52,580

peculiarities can you share any of those

371

00:16:57,010 --> 00:16:55,850

yeah yeah peculiar see and by the way I

372

00:17:01,330 --> 00:16:57,020

have no idea

373

00:17:03,520 --> 00:17:01,340

just for transparency on air I know that

374

00:17:04,990 --> 00:17:03,530

I'm I know that esoteric forces aren't

375

00:17:07,330 --> 00:17:05,000

present and that they've been in my

376

00:17:11,440 --> 00:17:07,340

experiences since early childhood and

377

00:17:13,150 --> 00:17:11,450

that will be because of the kind of yeah

378

00:17:16,570 --> 00:17:13,160

the the kind of the bloodline Who I am

379

00:17:19,450 --> 00:17:16,580

so the bloodline I have possibly we

380

00:17:22,750 --> 00:17:19,460

believed Tracy Matt goes into India goes

381

00:17:25,570 --> 00:17:22,760

into nobility into India that is a

382

00:17:27,820 --> 00:17:25,580

possible link to the Sinclair family on

383

00:17:30,400 --> 00:17:27,830

the st. Clair family at Rosslyn as well

384

00:17:32,350 --> 00:17:30,410

we're working on all these links we're

385

00:17:35,470 --> 00:17:32,360

trying to sort out what's going on with

386

00:17:37,060 --> 00:17:35,480

it because it's kind of like it's it's

387

00:17:39,700 --> 00:17:37,070

kind of like from where I'm sorry I'm

388

00:17:42,720 --> 00:17:39,710

asking myself why am I having these

389

00:17:45,850 --> 00:17:42,730

experiences and I'm the last to know

390

00:17:50,440 --> 00:17:45,860

anything but for example I'm being

391

00:17:54,340 --> 00:17:50,450

targeted I've had situations occur what

392

00:17:56,260 --> 00:17:54,350

goes on because because of holding a

393

00:17:58,540 --> 00:17:56,270

deck of cards running and maybe not

394

00:18:01,300 --> 00:17:58,550

explaining myself very well but I hold a

395

00:18:03,430 --> 00:18:01,310

deck of cards nobody is telling me what

396

00:18:06,160 --> 00:18:03,440

the deck is that I'm holding what my god

397

00:18:09,400 --> 00:18:06,170

it's a winning it's a winning formula

398

00:18:11,800 --> 00:18:09,410

but nobody is telling me what this deck

399

00:18:14,950 --> 00:18:11,810

of cards is or why I'm being targeted at

400

00:18:17,800 --> 00:18:14,960

the level I'm being targeted at nobody

401

00:18:21,910 --> 00:18:17,810

is telling anything just at the moment

402

00:18:26,560 --> 00:18:21,920

and so for example I gave a talk at the

403

00:18:29,320 --> 00:18:26,570

UFO Academy in Watford a few were a few

404

00:18:33,210 --> 00:18:29,330

weeks but really all begun really in 92

405

00:18:35,620 --> 00:18:33,220

we're at a UFO coming in over the garden

406

00:18:37,480 --> 00:18:35,630

we have this UFO coming in over the

407

00:18:39,370 --> 00:18:37,490

gunmen about 92 and I didn't think

408

00:18:40,630 --> 00:18:39,380

anything of it it was like something

409

00:18:43,030 --> 00:18:40,640

that with Close Encounters

410

00:18:46,780 --> 00:18:43,040

I can certainly guarantee that I will be

411

00:18:49,240 --> 00:18:46,790

filming a UFO again I know that the way

412

00:18:51,670 --> 00:18:49,250

we got I'm gonna get wine camera quite

413

00:18:54,700 --> 00:18:51,680

good we need to have some outstanding

414

00:18:56,620 --> 00:18:54,710

footage you see so I know that that's

415

00:18:59,380 --> 00:18:56,630

happening and I know that I've

416

00:19:02,050 --> 00:18:59,390

that this this is a very ancient look

417

00:19:05,110 --> 00:19:02,060

lying kind of man on his place in the

418

00:19:07,510 --> 00:19:05,120

cosmos battle I think it's also about

419

00:19:09,760 --> 00:19:07,520

the realization of humanity within the

420

00:19:12,100 --> 00:19:09,770

cosmos to the higher dimensional

421

00:19:14,200 --> 00:19:12,110

consciousness I think that that is going

422

00:19:16,150 --> 00:19:14,210

on and I think that it's effectively

423

00:19:19,210 --> 00:19:16,160

being dumbed down effectively being

424

00:19:21,610 --> 00:19:19,220

attacked effectively manipulated so that

425

00:19:23,590 --> 00:19:21,620

nations come into conflict with each

426

00:19:26,980 --> 00:19:23,600

other for example with Russia and

427

00:19:29,590 --> 00:19:26,990

America Russia or the enemy but all of a

428

00:19:31,660 --> 00:19:29,600

sudden Russia is the emerging threat but

429

00:19:35,590 --> 00:19:31,670

yet in the eyes of Russia America is the

430

00:19:38,590 --> 00:19:35,600

emerging threat world leaders are being

431

00:19:40,690 --> 00:19:38,600

played like fiddles and the big national

432

00:19:42,700 --> 00:19:40,700

security issue is this with the UFO

433

00:19:44,590 --> 00:19:42,710

phenomena it's a psychic one who

434

00:19:46,390 --> 00:19:44,600

protects the mind of the president when

435

00:19:48,910 --> 00:19:46,400

he's asleep from these forces or the

436

00:19:51,460 --> 00:19:48,920

mind of the Russian premier when he's

437

00:19:53,020 --> 00:19:51,470

asleep from these forces because as the

438

00:19:55,540 --> 00:19:53,030

UFOs have said it would appear that

439

00:19:58,500 --> 00:19:55,550

mankind and his place in the in the

440

00:20:02,050 --> 00:19:58,510

universe is a highly complex kind of

441

00:20:03,610 --> 00:20:02,060

situation that goes on and so therefore

442

00:20:06,190 --> 00:20:03,620

these are very worrying kind of

443

00:20:09,220 --> 00:20:06,200

scenarios that are happening and I know

444

00:20:11,830 --> 00:20:09,230

for a fact that when I give this UFO

445

00:20:13,660 --> 00:20:11,840

accompany talking watford I was talking

446

00:20:15,460 --> 00:20:13,670

very deeply about what happened to me

447

00:20:17,020 --> 00:20:15,470

and one of the things that happened to

448

00:20:19,630 --> 00:20:17,030

me was the fact that the UFOs have been

449

00:20:21,700 --> 00:20:19,640

coming over the house for a very long

450

00:20:23,170 --> 00:20:21,710

time and I won't know when they're

451

00:20:25,360 --> 00:20:23,180

present over the house and they will

452

00:20:28,360 --> 00:20:25,370

tell me when they're here and I'm in a

453

00:20:30,580 --> 00:20:28,370

very unique position to have information

454

00:20:33,670 --> 00:20:30,590

being given to me even though it's very

455

00:20:35,560 --> 00:20:33,680

it's drip drip drip so kind of like

456

00:20:38,170 --> 00:20:35,570

these what something is is that my

457

00:20:40,530 --> 00:20:38,180

research does not come from reading on

458

00:20:41,680 --> 00:20:40,540

the Internet it doesn't come from

459

00:20:46,450 --> 00:20:41,690

so-called

460

00:20:49,060 --> 00:20:46,460

individuals who were who have served in

461

00:20:51,670 --> 00:20:49,070

agencies or anything like that because

462

00:20:53,770 --> 00:20:51,680

it's coming directly from the UFOs that

463

00:20:55,510 --> 00:20:53,780

are coming in over their house and they

464

00:20:58,480 --> 00:20:55,520

are kind of like explaining me things

465

00:21:00,550 --> 00:20:58,490

telling me things some of it's

466

00:21:02,470 --> 00:21:00,560

absolutely hair-raising some of it

467

00:21:04,120 --> 00:21:02,480

rented by strange irony I've even had to

468

00:21:07,930 --> 00:21:04,130

put a classified stamp on would say

469

00:21:10,540 --> 00:21:07,940

can't talk about that and so that

470

00:21:13,180 --> 00:21:10,550

element of can't talk about that

471

00:21:16,210 --> 00:21:13,190

provoke some very strange reactions so

472

00:21:17,890 --> 00:21:16,220

this this kind of lecture I gave at UFO

473

00:21:19,570 --> 00:21:17,900

Academy watford one of the things that I

474

00:21:23,400 --> 00:21:19,580

thought about was a vision that I had

475

00:21:26,100 --> 00:21:23,410

this vision about four to five years ago

476
00:21:28,720 --> 00:21:26,110
involved Nordic extraterrestrials

477
00:21:33,040 --> 00:21:28,730
involved the spectacular vision of these

478
00:21:35,800 --> 00:21:33,050
two triangle craft coming in over a

479
00:21:39,400 --> 00:21:35,810
farmer's field near me at these two

480
00:21:40,930 --> 00:21:39,410
dynamic doomsday clocks the illustrator

481
00:21:43,780 --> 00:21:40,940
lloyd coming brought them to life

482
00:21:46,930 --> 00:21:43,790
beautifully one says quartz a midnight

483
00:21:48,700 --> 00:21:46,940
the other says 5:00 to midnight you

484
00:21:50,500 --> 00:21:48,710
thing is is the situation is that what

485
00:21:52,330 --> 00:21:50,510
is interesting about this pentagon

486
00:21:55,210 --> 00:21:52,340
release that's going on with information

487
00:21:58,960 --> 00:21:55,220
is actually in some way even though it's

488
00:22:01,510 --> 00:21:58,970

quite light quite light such stuff even

489

00:22:03,910 --> 00:22:01,520

though it is it's kind of like placed in

490

00:22:05,950 --> 00:22:03,920

the consciousness of the collective and

491

00:22:08,530 --> 00:22:05,960

it affects time and our future in

492

00:22:11,080 --> 00:22:08,540

somewhere even that very men in a level

493

00:22:14,290 --> 00:22:11,090

it's unprecedented it's kind of like

494

00:22:16,480 --> 00:22:14,300

placed a because the oppression of the

495

00:22:19,330 --> 00:22:16,490

of the knowledge that we are not alone

496

00:22:22,270 --> 00:22:19,340

in the universe is heavy it's it's

497

00:22:25,420 --> 00:22:22,280

horrendous the the actual oppression of

498

00:22:27,820 --> 00:22:25,430

it and I could describe it as being a

499

00:22:29,590 --> 00:22:27,830

silent police force behind the scenes

500

00:22:31,960 --> 00:22:29,600

that's actually oppressing this

501
00:22:34,120 --> 00:22:31,970
information so really when you see this

502
00:22:35,410 --> 00:22:34,130
Pentagon press release and although he

503
00:22:36,340 --> 00:22:35,420
wasn't even the Pentagon they haven't

504
00:22:37,960 --> 00:22:36,350
even acknowledged each other I think

505
00:22:39,730 --> 00:22:37,970
it's just will you see these people

506
00:22:41,530 --> 00:22:39,740
putting this attempting to put this

507
00:22:44,590 --> 00:22:41,540
disclosure out in the open they're

508
00:22:47,700 --> 00:22:44,600
actually challenging this giant secrecy

509
00:22:50,260 --> 00:22:47,710
surface that is oppressive and

510
00:22:52,360 --> 00:22:50,270
controlling and so it's quite brave

511
00:22:55,120 --> 00:22:52,370
really in that sense in terms of what is

512
00:22:57,070 --> 00:22:55,130
going on so this thing that I did at UFO

513
00:22:59,440 --> 00:22:57,080

company Watford explained this vision of

514

00:23:01,570 --> 00:22:59,450

the nuclear of the kind of the warning

515

00:23:03,340 --> 00:23:01,580

that was given to me by Nordics and what

516

00:23:04,810 --> 00:23:03,350

happened was these Nordic ETS these

517

00:23:06,730 --> 00:23:04,820

blond blue-eyed ETS

518

00:23:08,410 --> 00:23:06,740

we're flying over the house constantly

519

00:23:13,210 --> 00:23:08,420

I've served my son at sea on three

520

00:23:15,910 --> 00:23:13,220

occasions they have cured me from from

521

00:23:18,490 --> 00:23:15,920

illness which I'll go into with you

522

00:23:20,200 --> 00:23:18,500

after I've just explained this bit this

523

00:23:22,330 --> 00:23:20,210

vision of the new killest of all

524

00:23:24,200 --> 00:23:22,340

connected to conflicts all connected to

525

00:23:28,250 --> 00:23:24,210

the nuclear stuff

526

00:23:31,580 --> 00:23:28,260

I was filming for the BBC at this UFO

527

00:23:33,470 --> 00:23:31,590

Academy talk and I discovered three days

528

00:23:36,010 --> 00:23:33,480

later four days later the thorn girls

529

00:23:38,180 --> 00:23:36,020

and there's a guy on the end of it

530

00:23:40,430 --> 00:23:38,190

actual guy on the end of it

531

00:23:44,480 --> 00:23:40,440

claiming to be in a German accent

532

00:23:47,000 --> 00:23:44,490

claiming to be part of the German what

533

00:23:49,130 --> 00:23:47,010

shall we call it now he was part of the

534

00:23:51,040 --> 00:23:49,140

defense of the constitution of Germany

535

00:23:52,550 --> 00:23:51,050

part of National Defense Intelligence

536

00:23:53,870 --> 00:23:52,560

look us up

537

00:23:56,330 --> 00:23:53,880

we're oh but we've got an office above

538

00:23:58,120 --> 00:23:56,340

this cafe in Frankfurt he said well you

539

00:24:01,040 --> 00:23:58,130

know we which I found quite hilarious

540

00:24:04,460 --> 00:24:01,050

and he was quite what's the word I'm

541

00:24:06,110 --> 00:24:04,470

looking for quite agitated excited panic

542

00:24:08,690 --> 00:24:06,120

didn't know who I was until we doing my

543

00:24:10,280 --> 00:24:08,700

lecture a clearly in Aikido I'm aya I

544

00:24:12,530 --> 00:24:10,290

represent the National Defense

545

00:24:15,050 --> 00:24:12,540

Intelligence of Germany since the Cold

546

00:24:16,220 --> 00:24:15,060

War we have we've all been friends after

547

00:24:18,980 --> 00:24:16,230

the Cold War which she lies about

548

00:24:21,830 --> 00:24:18,990

because German intelligence it's even to

549

00:24:23,270 --> 00:24:21,840

this day very very powerful everybody

550

00:24:25,190 --> 00:24:23,280

thinks that the Israeli intelligence

551
00:24:28,250 --> 00:24:25,200
services apparel Germany has got a lot

552
00:24:30,650 --> 00:24:28,260
of clout so so he's going on to me about

553
00:24:33,320 --> 00:24:30,660
this vision that I had he wanted to know

554
00:24:35,000 --> 00:24:33,330
about the interior of the craft the

555
00:24:36,620 --> 00:24:35,010
triangle the craft that was flying over

556
00:24:39,350 --> 00:24:36,630
the house he wanted to know about the

557
00:24:41,450 --> 00:24:39,360
vision and I remember him wanted to know

558
00:24:44,860 --> 00:24:41,460
about all the stuff that I wasn't

559
00:24:47,450 --> 00:24:44,870
talking about regarding my experiences

560
00:24:50,180 --> 00:24:47,460
some of which is quite shocking is

561
00:24:52,130 --> 00:24:50,190
related to time events events in time

562
00:24:54,650 --> 00:24:52,140
events in the future I'll come to that

563
00:24:57,620 --> 00:24:54,660

in a minute as well and so he was a very

564

00:24:59,180 --> 00:24:57,630

panicked guy and the conversation went

565

00:25:01,010 --> 00:24:59,190

along the lines of I don't require

566

00:25:03,290 --> 00:25:01,020

anything from you I don't need anything

567

00:25:05,150 --> 00:25:03,300

from you what do you want from me

568

00:25:07,790 --> 00:25:05,160

because I don't want anything from you

569

00:25:10,430 --> 00:25:07,800

and I am certainly not gonna tell you

570

00:25:12,860 --> 00:25:10,440

the full picture of what is going on and

571

00:25:14,810 --> 00:25:12,870

I found it disrespectful that he rang on

572

00:25:16,730 --> 00:25:14,820

a private number out of the blue and

573

00:25:17,960 --> 00:25:16,740

didn't tell me how he'd got my phone

574

00:25:19,760 --> 00:25:17,970

number which I found out early

575

00:25:22,190 --> 00:25:19,770

disrespectful and then about a week

576

00:25:24,920 --> 00:25:22,200

later on the Sunday evening I get yet

577

00:25:28,430 --> 00:25:24,930

again another call from a similar German

578

00:25:30,080 --> 00:25:28,440

guy wanting information don't know who

579

00:25:31,700 --> 00:25:30,090

they are they're not from Adam I found

580

00:25:33,290 --> 00:25:31,710

it utterly disrespectful so he got

581

00:25:36,140 --> 00:25:33,300

disconnected before the conversation

582

00:25:37,430 --> 00:25:36,150

even continued I'm 40 years of veteran

583

00:25:39,950 --> 00:25:37,440

at they said being at the sharp

584

00:25:43,009 --> 00:25:39,960

I'm not having goon squads ringing me up

585

00:25:44,509 --> 00:25:43,019

out of the blue asking questions and not

586

00:25:45,980 --> 00:25:44,519

telling me how they've got the phone

587

00:25:47,810 --> 00:25:45,990

number I found it the how it really

588

00:25:50,869 --> 00:25:47,820

irritates me you know what I'm saying

589

00:25:53,419 --> 00:25:50,879

running this is not a this is not a

590

00:25:55,070 --> 00:25:53,429

laugh so it's kind of like that really

591

00:25:57,710 --> 00:25:55,080

did one the other thing as well quite

592

00:25:59,810 --> 00:25:57,720

oddly was that the division associated

593

00:26:02,230 --> 00:25:59,820

with the triangles in this vision that I

594

00:26:05,779 --> 00:26:02,240

had has associated with a farmer's field

595

00:26:09,169 --> 00:26:05,789

that field in particular has been under

596

00:26:14,560 --> 00:26:09,179

constant aerial patrol by the military

597

00:26:16,970 --> 00:26:14,570

by the Air Force Hercules c-130 of the

598

00:26:19,330 --> 00:26:16,980

special aviation wing about two years

599

00:26:20,600 --> 00:26:19,340

ago circled my house nearly seven times

600

00:26:24,950 --> 00:26:20,610

backwards/forwards

601
00:26:28,100 --> 00:26:24,960
that was forward trying to suss out what

602
00:26:29,600 --> 00:26:28,110
was what was going on meanwhile and this

603
00:26:31,730 --> 00:26:29,610
is very true while they're flying around

604
00:26:33,470 --> 00:26:31,740
it is quite common for a UFO to appear

605
00:26:35,419 --> 00:26:33,480
while they're flying about and they

606
00:26:37,039 --> 00:26:35,429
haven't seen it I've seen it but they

607
00:26:38,960 --> 00:26:37,049
haven't seen it coming

608
00:26:41,269 --> 00:26:38,970
it's quite common for the UFOs to be

609
00:26:43,279 --> 00:26:41,279
aware of air traffic it's quite common

610
00:26:45,110 --> 00:26:43,289
for these UFOs to be respectful of our

611
00:26:47,779 --> 00:26:45,120
air traffic with the Nordics in their

612
00:26:51,110 --> 00:26:47,789
triangles a very respectful of our air

613
00:26:52,820 --> 00:26:51,120

traffic and our military and they kind

614

00:26:54,019 --> 00:26:52,830

of like they've been coming in over the

615

00:26:58,070 --> 00:26:54,029

house for quite a while

616

00:27:00,680 --> 00:26:58,080

so I my situation panic this German guy

617

00:27:02,180 --> 00:27:00,690

who I don't know who we use but that so

618

00:27:05,240 --> 00:27:02,190

he said he represented but the thing is

619

00:27:08,509 --> 00:27:05,250

really is that in my line of work I can

620

00:27:10,190 --> 00:27:08,519

be stopped by fantasies I can be stopped

621

00:27:11,840 --> 00:27:10,200

my general think they work for the

622

00:27:12,320 --> 00:27:11,850

government it's a real occupational

623

00:27:16,460 --> 00:27:12,330

hazard

624

00:27:19,220 --> 00:27:16,470

and I we stopped by deluded individuals

625

00:27:21,320 --> 00:27:19,230

this is a very real warps not equally I

626

00:27:24,110 --> 00:27:21,330

can we smile and wave that by

627

00:27:25,369 --> 00:27:24,120

journalists by TV and equally I've been

628

00:27:27,200 --> 00:27:25,379

very looking and I've got a lot of

629

00:27:30,740 --> 00:27:27,210

broadcasting work coming up this year as

630

00:27:32,840 --> 00:27:30,750

well talking about my experience as you

631

00:27:34,940 --> 00:27:32,850

see perhaps I'm losing the narrative I

632

00:27:36,769 --> 00:27:34,950

don't know perhaps and I'm waffling but

633

00:27:39,279 --> 00:27:36,779

I'm just reflecting on that on that

634

00:27:42,860 --> 00:27:39,289

single incident with the German guy

635

00:27:46,789 --> 00:27:42,870

that's really weird yeah was that

636

00:27:48,340 --> 00:27:46,799

recently yeah it was recently as in this

637

00:27:51,200 --> 00:27:48,350

year yeah it was recently as about

638

00:27:53,870 --> 00:27:51,210

September October time when he called

639

00:27:56,930 --> 00:27:53,880

it is no coincidence and this may sound

640

00:27:59,960 --> 00:27:56,940

crazy but I don't think it is it's no

641

00:28:04,120 --> 00:27:59,970

coincidence that some of my UFO contact

642

00:28:07,100 --> 00:28:04,130

experiences are related to female ETS

643

00:28:09,950 --> 00:28:07,110

there was a spectacular incident a few

644

00:28:11,899 --> 00:28:09,960

weeks ago which freaked me out a bit

645

00:28:13,700 --> 00:28:11,909

actually but it happened you see what

646

00:28:18,350 --> 00:28:13,710

really it happened and I've no

647

00:28:20,450 --> 00:28:18,360

investment in lying I've made no money

648

00:28:22,279 --> 00:28:20,460

from this at all really I really as a

649

00:28:25,820 --> 00:28:22,289

very little micro business do we meet

650

00:28:27,320 --> 00:28:25,830

talks and things but really you know on

651

00:28:28,909 --> 00:28:27,330

numerous occasions I've said to the

652

00:28:30,769 --> 00:28:28,919

person look if you can't afford it or

653

00:28:32,120 --> 00:28:30,779

worry about it I'll just turn up and do

654

00:28:33,799 --> 00:28:32,130

it it's not about the money it's about

655

00:28:37,130 --> 00:28:33,809

the bloody message it's about getting it

656

00:28:38,450 --> 00:28:37,140

out there you know so it would be some

657

00:28:39,980 --> 00:28:38,460

people are under the impression that we

658

00:28:41,690 --> 00:28:39,990

meant megabucks from all this and we

659

00:28:44,240 --> 00:28:41,700

don't know don't worry it's not not

660

00:28:45,529 --> 00:28:44,250

about that really for me it's never

661

00:28:47,600 --> 00:28:45,539

really been about that it's about

662

00:28:50,120 --> 00:28:47,610

getting the the message out there but

663

00:28:52,539 --> 00:28:50,130

you see it's no coincidence at all that

664

00:28:57,620 --> 00:28:52,549

the interactions I have with the UFOs

665

00:28:59,750 --> 00:28:57,630

are female now that's really that's

666

00:29:01,100 --> 00:28:59,760

really interesting before you get into

667

00:29:03,110 --> 00:29:01,110

that we're gonna take a quick break

668

00:29:05,659 --> 00:29:03,120

because I really want to explore that

669

00:29:08,240 --> 00:29:05,669

subject that's very yeah she's exploring

670

00:29:09,799 --> 00:29:08,250

it's interesting absolutely and so

671

00:29:13,779 --> 00:29:09,809

please stay with us when we come back

672

00:29:17,750 --> 00:29:15,950

welcome back to night vision

673

00:29:19,430 --> 00:29:17,760

I'm your host Renee Barnett if you're

674

00:29:21,760 --> 00:29:19,440

just joining us we're talking with

675

00:29:24,680 --> 00:29:21,770

British UFO researcher actually

676

00:29:27,799 --> 00:29:24,690

experienced or more like it targeted

677

00:29:29,210 --> 00:29:27,809

individual tonita hopping and boy we

678

00:29:30,769 --> 00:29:29,220

have some great chats during the breaks

679

00:29:32,899 --> 00:29:30,779

on these I should just keep the show

680

00:29:34,460 --> 00:29:32,909

rolling I think Tony because we have

681

00:29:37,159 --> 00:29:34,470

some great conversations during the

682

00:29:39,019 --> 00:29:37,169

breaks but before the break we were

683

00:29:41,630 --> 00:29:39,029

talking about your personal UFO

684

00:29:45,860 --> 00:29:41,640

experiences and you said there was a

685

00:29:49,120 --> 00:29:45,870

largely female element going on with the

686

00:29:51,200 --> 00:29:49,130

aliens and your experiences can you

687

00:29:53,810 --> 00:29:51,210

explain that a little bit and why is

688

00:29:57,289 --> 00:29:53,820

that important and why do you think that

689

00:29:59,570 --> 00:29:57,299

is well this is this is it because I

690

00:30:02,269 --> 00:29:59,580

think some of my some of my experiences

691

00:30:04,159 --> 00:30:02,279

will be screen memory related and that

692

00:30:05,000 --> 00:30:04,169

what I think's going on what's happened

693

00:30:07,690 --> 00:30:05,010

to me

694

00:30:11,080 --> 00:30:07,700

entirely different different things

695

00:30:13,820 --> 00:30:11,090

screen map screen members is a frisk

696

00:30:16,670 --> 00:30:13,830

coin my Derrel Sims

697

00:30:18,740 --> 00:30:16,680

I think we're by for example you could

698

00:30:22,040 --> 00:30:18,750

be all nice and fluffy in in a nice

699

00:30:23,240 --> 00:30:22,050

meadow somewhere when in fact while you

700

00:30:26,600 --> 00:30:23,250

were asleep when in fact you're being

701
00:30:30,740 --> 00:30:26,610
abducted by a UFO the the abduction

702
00:30:32,330 --> 00:30:30,750
situation is go on the abduction of

703
00:30:34,400 --> 00:30:32,340
cattle the abduction of birth the

704
00:30:37,910 --> 00:30:34,410
abduction on that causes serious ethical

705
00:30:39,710 --> 00:30:37,920
concerns it really it really really does

706
00:30:42,980 --> 00:30:39,720
even among the alien extraterrestrial

707
00:30:46,640 --> 00:30:42,990
groups that we see around as it causes

708
00:30:48,650 --> 00:30:46,650
concern among them as well and a few a

709
00:30:51,020 --> 00:30:48,660
few weeks back and what you've got to

710
00:30:54,320 --> 00:30:51,030
remember is that I'm targeted in the

711
00:30:57,020 --> 00:30:54,330
early days in the nineties when it was

712
00:31:00,560 --> 00:30:57,030
all kicking off I was really being

713
00:31:04,610 --> 00:31:00,570

stalked by some crazy dr. Strangelove

714

00:31:07,490 --> 00:31:04,620

characters one guy still out there who

715

00:31:09,260 --> 00:31:07,500

targeted me it's probably living with

716

00:31:11,960 --> 00:31:09,270

the regret of it from what I understand

717

00:31:16,520 --> 00:31:11,970

as I have mysterious forces that guide

718

00:31:19,370 --> 00:31:16,530

me and he targeted me for a number of

719

00:31:21,560 --> 00:31:19,380

years with MKULTRA style technology the

720

00:31:24,320 --> 00:31:21,570

technology the mind inversive technology

721

00:31:26,900 --> 00:31:24,330

does exist if you're targeted you'll

722

00:31:30,010 --> 00:31:26,910

know about it and the thing is with it

723

00:31:32,780 --> 00:31:30,020

is it's dismissed it's played down

724

00:31:36,260 --> 00:31:32,790

you'll get even people on Facebook

725

00:31:38,750 --> 00:31:36,270

saying Smurfs the effects of I'm

726

00:31:40,730 --> 00:31:38,760

delusional and a Fanta cyst

727

00:31:43,330 --> 00:31:40,740

there's nothing delusional about being

728

00:31:46,580 --> 00:31:43,340

targeted with with the mind control and

729

00:31:49,520 --> 00:31:46,590

then you can kind of like click another

730

00:31:51,410 --> 00:31:49,530

level run it I mean for example you can

731

00:31:53,660 --> 00:31:51,420

be a walking back in the day when it was

732

00:31:56,240 --> 00:31:53,670

on going on well when we go out to eat

733

00:31:58,850 --> 00:31:56,250

we never agree on where to go what

734

00:32:00,500 --> 00:31:58,860

burgers heat that tacos it is the one

735

00:32:02,690 --> 00:32:00,510

thing we do agree on is we all want

736

00:32:04,280 --> 00:32:02,700

unlimited high-speed data that's why we

737

00:32:06,380 --> 00:32:04,290

switch to metro pcs

738

00:32:08,570 --> 00:32:06,390

stop by metro pcs with the whole family

739

00:32:10,860 --> 00:32:08,580

and get four lines with unlimited LTE

740

00:32:13,020 --> 00:32:10,870

data for just \$100 period much

741

00:32:14,010 --> 00:32:13,030

PCs wireless figured out covers not

742

00:32:15,180 --> 00:32:14,020

available in some areas offers

743

00:32:16,560 --> 00:32:15,190

coordinate number not currently active

744

00:32:17,580 --> 00:32:16,570

on t-mobile network during congestion

745

00:32:19,020 --> 00:32:17,590

the fraction of customers used more than

746

00:32:20,640 --> 00:32:19,030

three bucks per month may notice reduce

747

00:32:21,960 --> 00:32:20,650

beats video streams doctor for TP no

748

00:32:23,730 --> 00:32:21,970

tethering see store for details in terms

749

00:32:26,010 --> 00:32:23,740

and conditions three and four in the

750

00:32:27,600 --> 00:32:26,020

morning we couldn't fire working at

751

00:32:30,390 --> 00:32:27,610

three and four in the morning to tell me

752

00:32:34,290 --> 00:32:30,400

how much salaries that were on screaming

753

00:32:37,110 --> 00:32:34,300

all plausible denial fully plausible

754

00:32:40,950 --> 00:32:37,120

denial even then even they calling

755

00:32:43,350 --> 00:32:40,960

themselves the police the silence quite

756

00:32:45,210 --> 00:32:43,360

a rendus but it's all about evolution

757

00:32:47,760 --> 00:32:45,220

but at that time I didn't realize that

758

00:32:50,669 --> 00:32:47,770

and what happens is that you then move

759

00:32:52,560 --> 00:32:50,679

your experiences propel you and move you

760

00:32:55,200 --> 00:32:52,570

at an evolutionary level so that you

761

00:32:56,640 --> 00:32:55,210

evolve beyond them and they're the ones

762

00:32:58,350 --> 00:32:56,650

who end up reaching for the drinks

763

00:32:59,820 --> 00:32:58,360

cabinet because they've suddenly

764

00:33:01,230 --> 00:32:59,830

realized that they've blundered into

765

00:33:04,590 --> 00:33:01,240

something and walked into something

766

00:33:07,260 --> 00:33:04,600

that's very big and very ferocious and

767

00:33:12,390 --> 00:33:07,270

the the level of targeting has been

768

00:33:15,419 --> 00:33:12,400

quite nasty very nasty indeed and it

769

00:33:17,700 --> 00:33:15,429

leads me into a experience I had with a

770

00:33:21,210 --> 00:33:17,710

female et so that's where we're heading

771

00:33:24,210 --> 00:33:21,220

for okay now let me just try to get this

772

00:33:26,310 --> 00:33:24,220

clear in my in my head here when you're

773

00:33:28,500 --> 00:33:26,320

talking about being targeted you're not

774

00:33:31,590 --> 00:33:28,510

really talking about being targeted by

775

00:33:37,820 --> 00:33:31,600

the aliens you're talking about people

776

00:33:44,010 --> 00:33:41,910

from Germany clarification for your

777

00:33:45,690 --> 00:33:44,020

listeners the guy from Germany he phones

778

00:33:47,850 --> 00:33:45,700

me up he said oh I want the national

779

00:33:50,580 --> 00:33:47,860

security intelligence in LA blah blah

780

00:33:52,860 --> 00:33:50,590

he's taking signature cluster analysis

781

00:33:55,169 --> 00:33:52,870

of item my emotions on the phone I've

782

00:33:57,060 --> 00:33:55,179

got to assume that he had software wired

783

00:33:58,260 --> 00:33:57,070

in I've got to assume that he was

784

00:33:59,880 --> 00:33:58,270

listening to my voice where he was

785

00:34:02,040 --> 00:33:59,890

trying to measure my brain signature

786

00:34:04,140 --> 00:34:02,050

cluster in somewhere I've got to assume

787

00:34:06,510 --> 00:34:04,150

that he was doing MKULTRA style stuff

788

00:34:08,909 --> 00:34:06,520

which he was actually there was some

789

00:34:10,710 --> 00:34:08,919

very mysterious activity with that after

790

00:34:12,840 --> 00:34:10,720

he'd put down the phone so there was a

791

00:34:14,399 --> 00:34:12,850

conversation going on on the phone but

792

00:34:16,710 --> 00:34:14,409

they come here conversation going on

793

00:34:19,980 --> 00:34:16,720

with voice to school technology which is

794

00:34:22,770 --> 00:34:19,990

plausible denial it can happen and so

795

00:34:24,419 --> 00:34:22,780

the the the conversation with the voice

796

00:34:28,200 --> 00:34:24,429

to school technology with one of

797

00:34:29,879 --> 00:34:28,210

panic clear panic list this guy he was

798

00:34:31,619 --> 00:34:29,889

panicking so there but it's no

799

00:34:34,109 --> 00:34:31,629

coincidence running which leads us quite

800

00:34:35,909 --> 00:34:34,119

nicely in this German guy leaders quite

801
00:34:37,530 --> 00:34:35,919
nicely to the fact that the Prime

802
00:34:40,889 --> 00:34:37,540
Minister saw the Chancellor of Germany

803
00:34:43,980 --> 00:34:40,899
is female yeah and it's Minister is

804
00:34:46,319 --> 00:34:43,990
female our prime minister is female

805
00:34:49,680 --> 00:34:46,329
the aliens coming in over my house our

806
00:34:52,409 --> 00:34:49,690
female leaders and what happens is is

807
00:34:55,649 --> 00:34:52,419
that and I could be completely wrong

808
00:34:59,190 --> 00:34:55,659
females love to talk and the thing with

809
00:35:02,040 --> 00:34:59,200
that is they do and it's a universal

810
00:35:04,530 --> 00:35:02,050
thing it's not just human it's it's a

811
00:35:07,049 --> 00:35:04,540
Lisa it doesn't matter it doesn't matter

812
00:35:10,309 --> 00:35:07,059
which female you are they just love to

813
00:35:12,900 --> 00:35:10,319

communicate well I do I do agree we are

814

00:35:14,790 --> 00:35:12,910

generally good communicators they have

815

00:35:17,579 --> 00:35:14,800

genuinely good communicators and it is

816

00:35:19,680 --> 00:35:17,589

my considered opinion and it could be an

817

00:35:22,589 --> 00:35:19,690

utter load of tommyrot it could be that

818

00:35:23,849 --> 00:35:22,599

the guy is a crank caller that got my

819

00:35:26,790 --> 00:35:23,859

number when he shouldn't have done

820

00:35:28,260 --> 00:35:26,800

somehow it could all be that as well but

821

00:35:30,780 --> 00:35:28,270

there's a percentage of me that suggests

822

00:35:32,339 --> 00:35:30,790

that there's a possibility that within

823

00:35:33,990 --> 00:35:32,349

the framework of let's say the German

824

00:35:36,599 --> 00:35:34,000

government or something like that some

825

00:35:39,299 --> 00:35:36,609

communication has occurred with them via

826

00:35:40,740 --> 00:35:39,309

some actual contact situation has

827

00:35:45,120 --> 00:35:40,750

occurred with them where they've

828

00:35:48,480 --> 00:35:45,130

literally spoken to them I is my opinion

829

00:35:50,220 --> 00:35:48,490

that the UFOs have spoken in the way

830

00:35:52,230 --> 00:35:50,230

that they do you see they don't speak

831

00:35:53,460 --> 00:35:52,240

don't you kid yourself relay and I'm

832

00:35:57,299 --> 00:35:53,470

sure you've done and your listeners

833

00:35:59,940 --> 00:35:57,309

aren't after either all this all this

834

00:36:02,760 --> 00:35:59,950

kind of stuff in the media this paradigm

835

00:36:04,950 --> 00:36:02,770

consensus of with seeking the search for

836

00:36:07,880 --> 00:36:04,960

extraterrestrials we're sending out

837

00:36:09,839 --> 00:36:07,890

radio signals by doing this with

838

00:36:11,789 --> 00:36:09,849

extraterrestrials not do it in that way

839

00:36:13,530 --> 00:36:11,799

they're already communicated with us

840

00:36:15,630 --> 00:36:13,540

they're already communicating with us

841

00:36:18,690 --> 00:36:15,640

they're already here and they use a

842

00:36:21,299 --> 00:36:18,700

space time continuum environment to

843

00:36:23,880 --> 00:36:21,309

communicate with whoever they wish to

844

00:36:25,589 --> 00:36:23,890

communicate with and it's me saying that

845

00:36:28,200 --> 00:36:25,599

when a world leader or whoever they are

846

00:36:30,809 --> 00:36:28,210

asleeping that's when they'll come in

847

00:36:32,940 --> 00:36:30,819

and speak which is what they do they do

848

00:36:38,040 --> 00:36:32,950

that in the dreamscape like from the

849

00:36:42,360 --> 00:36:38,050

movie Inception so by contrast to that

850

00:36:44,640 --> 00:36:42,370

you are well aware of at least at times

851
00:36:47,010 --> 00:36:44,650
when they're communicating with you and

852
00:36:49,920 --> 00:36:47,020
said they tell me when they're coming or

853
00:36:53,370 --> 00:36:49,930
when they're overhead so how do you

854
00:36:54,990 --> 00:36:53,380
receive that information it's very it's

855
00:36:58,340 --> 00:36:55,000
very interesting because sometimes the

856
00:37:00,840 --> 00:36:58,350
information can be actually physical

857
00:37:03,600 --> 00:37:00,850
sometimes the information can be

858
00:37:06,000 --> 00:37:03,610
communicated to a mysterious third party

859
00:37:08,310 --> 00:37:06,010
who's understood the concept of what's

860
00:37:11,220 --> 00:37:08,320
going on and has made the move to

861
00:37:15,320 --> 00:37:11,230
communicate my version of UFO disclosure

862
00:37:17,490 --> 00:37:15,330
via this model and the version of UFOs

863
00:37:19,320 --> 00:37:17,500

the version of UFO disclosures that

864

00:37:22,320 --> 00:37:19,330

we're seeing at the moment I think very

865

00:37:24,510 --> 00:37:22,330

different things I know that I am being

866

00:37:27,000 --> 00:37:24,520

closely watched events are being closely

867

00:37:30,240 --> 00:37:27,010

watched I know that the Air Force are

868

00:37:32,190 --> 00:37:30,250

continually straddling coming in over

869

00:37:34,010 --> 00:37:32,200

the house I've reason to suspect that's

870

00:37:36,510 --> 00:37:34,020

because there's presence of UFOs

871

00:37:39,480 --> 00:37:36,520

consumed ually does this constant theme

872

00:37:41,550 --> 00:37:39,490

of telling what it is a constant theme

873

00:37:44,550 --> 00:37:41,560

of a technological base that's nearly

874

00:37:48,150 --> 00:37:44,560

800 years ahead of us a theme of

875

00:37:50,430 --> 00:37:48,160

understanding spirituality a cosmos the

876

00:37:53,700 --> 00:37:50,440

theme of a higher dimensional

877

00:37:57,930 --> 00:37:53,710

communication and the water and also a

878

00:38:01,470 --> 00:37:57,940

specific targeting of certain key people

879

00:38:03,870 --> 00:38:01,480

in in government I do believe to

880

00:38:05,670 --> 00:38:03,880

communicate with them I do believe

881

00:38:07,950 --> 00:38:05,680

that's going on in a way that is very

882

00:38:10,680 --> 00:38:07,960

smart in a way that's not seen in the

883

00:38:12,840 --> 00:38:10,690

public domain that in that there again

884

00:38:14,850 --> 00:38:12,850

Rennie I could be wrong don't be barking

885

00:38:16,890 --> 00:38:14,860

up the wrong tree but after 40 years of

886

00:38:18,570 --> 00:38:16,900

it I think not got to be careful what

887

00:38:21,510 --> 00:38:18,580

you say because you could end up being

888

00:38:23,340 --> 00:38:21,520

carted off so you've just got to be

889

00:38:26,700 --> 00:38:23,350

careful with it what I'm pointing out is

890

00:38:28,170 --> 00:38:26,710

that the incident that I had with which

891

00:38:30,450 --> 00:38:28,180

was recent and there's but one of being

892

00:38:33,420 --> 00:38:30,460

many was the fact that I was getting

893

00:38:37,080 --> 00:38:33,430

getting hit getting getting hit targeted

894

00:38:39,450 --> 00:38:37,090

again only just recently a few months

895

00:38:42,900 --> 00:38:39,460

back and there was some very serious

896

00:38:44,550 --> 00:38:42,910

personal issue going on and I remember

897

00:38:47,220 --> 00:38:44,560

walking down the streets of my local

898

00:38:48,660 --> 00:38:47,230

shop at about 6 o'clock and all of a

899

00:38:52,469 --> 00:38:48,670

sudden he sees on my youtube channel

900

00:38:55,739 --> 00:38:52,479

this UFO appeared literally appeared

901
00:39:00,089 --> 00:38:55,749
over the houses and it hovered and it

902
00:39:02,670 --> 00:39:00,099
waited and it's very similar to the to

903
00:39:04,729 --> 00:39:02,680
the UFOs that alike plasma type objects

904
00:39:08,339 --> 00:39:04,739
that you see the white colored ones

905
00:39:11,099 --> 00:39:08,349
constantly throughout our filming

906
00:39:13,739 --> 00:39:11,109
throughout films and TV we will see

907
00:39:16,439 --> 00:39:13,749
these white colored plasma type UFOs

908
00:39:18,179 --> 00:39:16,449
appear for example I was watching

909
00:39:22,549 --> 00:39:18,189
something on the Vietnam War the other

910
00:39:25,289 --> 00:39:22,559
day on BBC Radio 4 just flicking around

911
00:39:29,400 --> 00:39:25,299
parachutes is dropping out of aircraft

912
00:39:31,789 --> 00:39:29,410
over Vietnam this UFO are just appears

913
00:39:35,160 --> 00:39:31,799

from her where flies right across them

914

00:39:37,559 --> 00:39:35,170

Columba there's a famous clip of Columbo

915

00:39:41,009 --> 00:39:37,569

where he's just talking to somebody in a

916

00:39:44,249 --> 00:39:41,019

scene at the beach this UFO appears

917

00:39:50,130 --> 00:39:44,259

again just appears flies flew camera

918

00:39:52,289 --> 00:39:50,140

flies off forces TV in the UK I'm doing

919

00:39:55,170 --> 00:39:52,299

a documentary wouldn't be known to them

920

00:39:57,269 --> 00:39:55,180

a UFO appears in and the cameras still

921

00:39:59,669 --> 00:39:57,279

rolling the cameraman has not seen it it

922

00:40:03,839 --> 00:39:59,679

appears and just flies off again and

923

00:40:06,359 --> 00:40:03,849

over my house the UFO twice on two

924

00:40:09,239 --> 00:40:06,369

occasions communicates with my TV

925

00:40:11,999 --> 00:40:09,249

antenna it illuminated a TV antenna it

926
00:40:13,620 --> 00:40:12,009
illuminated my ham radio antenna we've

927
00:40:15,479 --> 00:40:13,630
got a tip the ham radio antenna for

928
00:40:17,370 --> 00:40:15,489
analysis because I believe that the

929
00:40:19,349 --> 00:40:17,380
metal structure of the ham radio antenna

930
00:40:22,679 --> 00:40:19,359
may have been affected by it so it's

931
00:40:25,439 --> 00:40:22,689
this theme of communication and the

932
00:40:27,779 --> 00:40:25,449
theme of a higher dimension and the

933
00:40:30,359 --> 00:40:27,789
theme of it being dark targeted towards

934
00:40:32,759 --> 00:40:30,369
let's say the UK Germany and other

935
00:40:36,989 --> 00:40:32,769
nations in other words Rene they are

936
00:40:39,449 --> 00:40:36,999
communicating very smartly and the

937
00:40:40,919 --> 00:40:39,459
public aren't quite seeing it and that

938
00:40:43,259 --> 00:40:40,929

the current disclosure that we're seeing

939

00:40:45,929 --> 00:40:43,269

in a New York Times isn't really getting

940

00:40:48,449 --> 00:40:45,939

in at all and that seems to be what's

941

00:40:51,059 --> 00:40:48,459

going on and so what happened is is that

942

00:40:53,009 --> 00:40:51,069

I was sat in my living room a few weeks

943

00:40:55,890 --> 00:40:53,019

ago after having quite an Orenda s--

944

00:40:57,900 --> 00:40:55,900

sorry Amanda targeted I'd seen the UFO

945

00:40:59,579 --> 00:40:57,910

and I'm just giving an example of the

946

00:41:01,739 --> 00:40:59,589

realist is what happened I'm sat there

947

00:41:03,689 --> 00:41:01,749

having a cup of tea I've not got my

948

00:41:04,570 --> 00:41:03,699

shirts on Rene control yourself I'm

949

00:41:08,630 --> 00:41:04,580

shirtless

950

00:41:14,849 --> 00:41:12,720

oh we must have been quite a sight for

951
00:41:18,270 --> 00:41:14,859
the female alien next minute I know I

952
00:41:20,250 --> 00:41:18,280
hear this voice in the room

953
00:41:23,640 --> 00:41:20,260
my mother didn't hear it but I heard it

954
00:41:28,470 --> 00:41:23,650
and it said may I touch you in the most

955
00:41:32,070 --> 00:41:28,480
polite way and she ran her finger down

956
00:41:36,180 --> 00:41:32,080
my chest and it was it was it freaked me

957
00:41:38,940 --> 00:41:36,190
out it was her blond blue-eyed but not

958
00:41:42,150 --> 00:41:38,950
blond blue-eyed as ignored ik long blue

959
00:41:45,740 --> 00:41:42,160
eyed as in many tall whites the the tall

960
00:41:48,750 --> 00:41:45,750
white type aliens and she was very very

961
00:41:52,320 --> 00:41:48,760
miffed off about what I had to put up

962
00:41:55,230 --> 00:41:52,330
with she was very very annoyed this this

963
00:41:57,180 --> 00:41:55,240

lady who was nearly in the female very

964

00:42:00,060 --> 00:41:57,190

very annoyed about what I was having to

965

00:42:02,250 --> 00:42:00,070

put up with and she voiced her opinion

966

00:42:05,099 --> 00:42:02,260

that she was as well and she voiced

967

00:42:08,340 --> 00:42:05,109

their opinion that she was getting some

968

00:42:10,980 --> 00:42:08,350

some type of grief is the word some type

969

00:42:12,960 --> 00:42:10,990

of she's a maverick this alien lady and

970

00:42:14,670 --> 00:42:12,970

she stood out in the crowd because she

971

00:42:16,560 --> 00:42:14,680

said there is a taboo where she's not

972

00:42:18,720 --> 00:42:16,570

quite allowed to do what she was doing

973

00:42:21,240 --> 00:42:18,730

but she was gonna do it anywhere and on

974

00:42:23,130 --> 00:42:21,250

numerous occasions I know on numerous

975

00:42:25,560 --> 00:42:23,140

occasions when these UFOs are appeared

976

00:42:27,120 --> 00:42:25,570

that they have been female pilots that

977

00:42:28,890 --> 00:42:27,130

they've spoken to me I've heard them

978

00:42:31,080 --> 00:42:28,900

that they kept they've come in to check

979

00:42:32,340 --> 00:42:31,090

on me and flying off they keep coming to

980

00:42:34,740 --> 00:42:32,350

check on me again I'm flying off

981

00:42:37,349 --> 00:42:34,750

sometimes the Air Force had turn up well

982

00:42:40,650 --> 00:42:37,359

after five minutes after they'd gone but

983

00:42:42,300 --> 00:42:40,660

they're female because it's the females

984

00:42:43,890 --> 00:42:42,310

of this world that are fighting actually

985

00:42:46,650 --> 00:42:43,900

really standing up to the corruption

986

00:42:49,109 --> 00:42:46,660

that's going on and it certainly sends a

987

00:42:51,960 --> 00:42:49,119

clear signal to whatever is going on

988

00:42:54,510 --> 00:42:51,970

with me to back it off because the

989

00:42:56,490 --> 00:42:54,520

disclosure and the issue of national

990

00:42:59,190 --> 00:42:56,500

security in UFOs is controlled by

991

00:43:01,410 --> 00:42:59,200

non-human elements really so we've got

992

00:43:04,470 --> 00:43:01,420

this marvelous work of Steve Bassett dr.

993

00:43:07,109 --> 00:43:04,480

Greer from the guy Tom who's the pop

994

00:43:08,820 --> 00:43:07,119

star trying to do all this work yeah

995

00:43:10,500 --> 00:43:08,830

it's something long you you know doing

996

00:43:12,390 --> 00:43:10,510

all this work to try and get disclosure

997

00:43:15,120 --> 00:43:12,400

that the score is controlled by

998

00:43:17,400 --> 00:43:15,130

non-human elements and that's the room

999

00:43:19,800 --> 00:43:17,410

that's the the crux of the matter really

1000

00:43:21,600 --> 00:43:19,810

yeah that's it

1001

00:43:23,640 --> 00:43:21,610

and the thing is is that sure enough

1002

00:43:25,980 --> 00:43:23,650

these white hat guys are trying to force

1003

00:43:27,900 --> 00:43:25,990

this will I have no doubt if they don't

1004

00:43:30,090 --> 00:43:27,910

already know will suddenly realize that

1005

00:43:32,580 --> 00:43:30,100

what Eisenhower was talking about is

1006

00:43:35,340 --> 00:43:32,590

indeed quite correct you know it really

1007

00:43:37,920 --> 00:43:35,350

is correct that there is a there only an

1008

00:43:41,130 --> 00:43:37,930

alert and knowledgeable citizenry will

1009

00:43:42,690 --> 00:43:41,140

concur what is going on because what

1010

00:43:44,370 --> 00:43:42,700

from what I've been told what is going

1011

00:43:48,720 --> 00:43:44,380

on is very shocking behind the scenes

1012

00:43:50,580 --> 00:43:48,730

regarding aliens and UFOs it really is I

1013

00:43:53,520 --> 00:43:50,590

don't know whether that spoon have

1014

00:43:55,110 --> 00:43:53,530

helped to the listeners in any way I'm a

1015

00:43:59,700 --> 00:43:55,120

bit tired and I don't know whether I've

1016

00:44:03,270 --> 00:43:59,710

delivered you know I can't get out of my

1017

00:44:06,870 --> 00:44:03,280

head now this this psychic image of you

1018

00:44:10,050 --> 00:44:06,880

know this alien touching your bare chest

1019

00:44:13,650 --> 00:44:10,060

and I want to know why do you think she

1020

00:44:15,990 --> 00:44:13,660

did that was she doing that because she

1021

00:44:21,810 --> 00:44:16,000

wanted to see what it felt like was she

1022

00:44:25,110 --> 00:44:21,820

doing something for you no no I actually

1023

00:44:26,760 --> 00:44:25,120

won it's that they do kind of I can only

1024

00:44:30,540 --> 00:44:26,770

describe it as they do this Guardian

1025

00:44:33,590 --> 00:44:30,550

thing with me you really honestly this

1026

00:44:37,080 --> 00:44:33,600

lady this alien lady very formidable

1027

00:44:39,390 --> 00:44:37,090

very [h__\h] you wouldn't want to piss her

1028

00:44:41,670 --> 00:44:39,400

off Rennie and she was pissed off out of

1029

00:44:45,300 --> 00:44:41,680

my language she was she was not very

1030

00:44:47,850 --> 00:44:45,310

happy about what was going on because

1031

00:44:49,440 --> 00:44:47,860

the Tarrington has been a rendus it's a

1032

00:44:51,510 --> 00:44:49,450

very personal thing what she was miffed

1033

00:44:53,400 --> 00:44:51,520

off about but it was a moral principle

1034

00:44:55,110 --> 00:44:53,410

it was to do with the fact that I'm a

1035

00:44:57,680 --> 00:44:55,120

carer as well and all that kind of thing

1036

00:45:01,400 --> 00:44:57,690

and the sheer pressure that I was under

1037

00:45:04,350 --> 00:45:01,410

and this is what was was really really

1038

00:45:06,810 --> 00:45:04,360

she wasn't happy about and on a couple

1039

00:45:09,630 --> 00:45:06,820

of occasions she's come and visited me

1040

00:45:11,280 --> 00:45:09,640

and yeah I've had the most bizarre

1041

00:45:14,430 --> 00:45:11,290

scenarios were the way she's just come

1042

00:45:17,100 --> 00:45:14,440

to visit me now let us get balancier

1043

00:45:19,140 --> 00:45:17,110

ready for all I know that could be the

1044

00:45:22,260 --> 00:45:19,150

military doing illegal experimentation

1045

00:45:23,700 --> 00:45:22,270

on me but you see the information that

1046

00:45:25,500 --> 00:45:23,710

they're talking about and the

1047

00:45:27,960 --> 00:45:25,510

information that they're doing and what

1048

00:45:31,470 --> 00:45:27,970

they're doing it puts me in a very very

1049

00:45:33,420 --> 00:45:31,480

unique position so and also she's female

1050

00:45:35,579 --> 00:45:33,430

and and so therefore I have reason

1051

00:45:37,200 --> 00:45:35,589

to suspect that she may have and good

1052

00:45:39,450 --> 00:45:37,210

will have communicating with other

1053

00:45:41,040 --> 00:45:39,460

people in government via the same method

1054

00:45:43,680 --> 00:45:41,050

by of a slit wire when you're asleep

1055

00:45:46,140 --> 00:45:43,690

they come in via a space-time continuum

1056

00:45:49,819 --> 00:45:46,150

in environment and all that kind of

1057

00:45:53,130 --> 00:45:49,829

thing really the the UFO disclosure

1058

00:45:54,859 --> 00:45:53,140

happens at their pace their control thus

1059

00:45:58,410 --> 00:45:54,869

closure it's not the other way around

1060

00:46:00,000 --> 00:45:58,420

human beings they they are holding the

1061

00:46:02,670 --> 00:46:00,010

cards of disclosure the people in the

1062

00:46:04,950 --> 00:46:02,680

ufos and it's it's it's distinctly

1063

00:46:07,980 --> 00:46:04,960

possible that all three members of the

1064

00:46:10,140 --> 00:46:07,990

public are being contacted by them and

1065

00:46:12,660 --> 00:46:10,150

they are controlling flow of information

1066

00:46:14,670 --> 00:46:12,670

and by passing the secrecy there's a

1067

00:46:16,710 --> 00:46:14,680

possibility that that could truly happen

1068

00:46:20,240 --> 00:46:16,720

at the moment what we've got with the

1069

00:46:22,799 --> 00:46:20,250

new york times stuff is UFOs in the sky

1070

00:46:24,870 --> 00:46:22,809

what the generals thought of it what the

1071

00:46:27,569 --> 00:46:24,880

airforce fought of it what the former

1072

00:46:29,849 --> 00:46:27,579

retired guys thought of them but nobody

1073

00:46:32,579 --> 00:46:29,859

dare lift at the comfort zone and go a

1074

00:46:37,039 --> 00:46:32,589

bit further into contact experience and

1075

00:46:40,500 --> 00:46:37,049

the contact experience to a worldwide

1076

00:46:42,059 --> 00:46:40,510

sweden for example in sweden there are

1077

00:46:43,410 --> 00:46:42,069

guys and girls in sweden they were

1078

00:46:46,799 --> 00:46:43,420

having contact with Nordic aliens

1079

00:46:50,670 --> 00:46:46,809

they're from Andromeda Andromeda is a is

1080

00:46:53,180 --> 00:46:50,680

a populated galactic area there are

1081

00:46:55,859 --> 00:46:53,190

there are even a human-looking

1082

00:46:58,289 --> 00:46:55,869

extraterrestrials people who look like

1083

00:47:01,349 --> 00:46:58,299

us but not quiet and there aren't

1084

00:47:03,870 --> 00:47:01,359

genuine security issues around it

1085

00:47:06,420 --> 00:47:03,880

really a bit like we have on earth for

1086

00:47:08,370 --> 00:47:06,430

example our Lord accept their own

1087

00:47:11,099 --> 00:47:08,380

judiciary they have their own legal -

1088

00:47:13,859 --> 00:47:11,109

their own police the Nordics do have law

1089

00:47:16,470 --> 00:47:13,869

enforcement they do have them because

1090

00:47:21,089 --> 00:47:16,480

the Nordic eat the Nordic people of

1091

00:47:23,490 --> 00:47:21,099

Andromeda are a very large population it

1092

00:47:25,980 --> 00:47:23,500

kind of like I mean I remember just one

1093

00:47:29,000 --> 00:47:25,990

experience with them and the thing is is

1094

00:47:31,380 --> 00:47:29,010

I know as I'm as I'm talking about this

1095

00:47:34,650 --> 00:47:31,390

there's a big question mark in my head

1096

00:47:36,930 --> 00:47:34,660

that says why why and I still don't

1097

00:47:39,660 --> 00:47:36,940

quite know why I really really don't

1098

00:47:40,680 --> 00:47:39,670

know why this is going on I'm still

1099

00:47:43,410 --> 00:47:40,690

trying to get to the bottom of it and

1100

00:47:45,359 --> 00:47:43,420

perhaps it may span two lifetimes is a

1101

00:47:47,310 --> 00:47:45,369

possibility of it such is the nature of

1102

00:47:49,410 --> 00:47:47,320

time and extraterrestrial contact

1103

00:47:52,410 --> 00:47:49,420

it never works like we think it works

1104

00:47:53,970 --> 00:47:52,420

you see so I'm exploring the reasons why

1105

00:47:55,320 --> 00:47:53,980

Renee on that one

1106

00:47:57,330 --> 00:47:55,330

I've lost my fret of what I was talking

1107

00:47:58,740 --> 00:47:57,340

about there I was chucking along into

1108

00:48:03,810 --> 00:47:58,750

something quite important and I've lost

1109

00:48:05,790 --> 00:48:03,820

the thread of it where was I oh well I

1110

00:48:08,010 --> 00:48:05,800

don't know but I mean I just want to

1111

00:48:10,620 --> 00:48:08,020

share with you really quick Tony that

1112

00:48:13,440 --> 00:48:10,630

we've got some great questions coming

1113

00:48:15,900 --> 00:48:13,450

out I've never had I've never had so

1114

00:48:18,030 --> 00:48:15,910

many questions coming out of the chat

1115

00:48:22,200 --> 00:48:18,040

room and we can either start taking

1116

00:48:27,540 --> 00:48:22,210

those now until after the break okay

1117

00:48:30,810 --> 00:48:27,550

great let's see there was let me go back

1118

00:48:33,180 --> 00:48:30,820

up to Adriana asked why our aliens

1119

00:48:36,540 --> 00:48:33,190

always portrayed as having a long life

1120

00:48:39,210 --> 00:48:36,550

span can you speak on that Tony well

1121

00:48:40,770 --> 00:48:39,220

that's interesting if there is a

1122

00:48:42,450 --> 00:48:40,780

question that I don't know the answer to

1123

00:48:44,610 --> 00:48:42,460

it's best just to say that I don't know

1124

00:48:47,520 --> 00:48:44,620

the answer to that I'm not sure what the

1125

00:48:49,290 --> 00:48:47,530

life span is of them I don't know the

1126

00:48:52,140 --> 00:48:49,300

answer to that I do know that their

1127

00:48:53,850 --> 00:48:52,150

scientific base there's wild

1128

00:48:57,030 --> 00:48:53,860

exaggerations on the internet of their

1129

00:48:59,010 --> 00:48:57,040

scientific base being 5,000 years ahead

1130

00:49:00,390 --> 00:48:59,020

so many is it actually from what they're

1131

00:49:02,610 --> 00:49:00,400

telling me they're about nine hundred

1132

00:49:04,530 --> 00:49:02,620

years ahead of us from what the time way

1133

00:49:06,570 --> 00:49:04,540

with their technology but that

1134

00:49:08,940 --> 00:49:06,580

technology possesses a spiritual

1135

00:49:11,190 --> 00:49:08,950

component I think the question might

1136

00:49:13,530 --> 00:49:11,200

more be not so much of their lifespan

1137

00:49:16,290 --> 00:49:13,540

but an understanding of their

1138

00:49:17,610 --> 00:49:16,300

spirituality I would love to sit down

1139

00:49:20,010 --> 00:49:17,620

with one of these people that are coming

1140

00:49:23,070 --> 00:49:20,020

in over my house and discuss their

1141

00:49:25,680 --> 00:49:23,080

spirituality their religious thinking

1142

00:49:27,450 --> 00:49:25,690

do they have an afterlife because that's

1143

00:49:29,820 --> 00:49:27,460

incredibly complex if they have an

1144

00:49:31,920 --> 00:49:29,830

afterlife and we have an afterlife that

1145

00:49:33,870 --> 00:49:31,930

is more greater than what we could ever

1146

00:49:35,550 --> 00:49:33,880

imagine that the aliens also have an

1147

00:49:38,970 --> 00:49:35,560

afterlife and their souls move on as

1148

00:49:42,240 --> 00:49:38,980

well that is a level of complexity that

1149

00:49:44,070 --> 00:49:42,250

is staggering absolutely staggering

1150

00:49:46,170 --> 00:49:44,080

these are the kind of questions that I'm

1151
00:49:48,960 --> 00:49:46,180
asking but I don't know the answer to

1152
00:49:50,010 --> 00:49:48,970
the lifespan one yeah absolutely that

1153
00:49:55,590 --> 00:49:50,020
would have been one of my questions

1154
00:49:57,630 --> 00:49:55,600
about about an afterlife now max says do

1155
00:50:01,320 --> 00:49:57,640
you think full disclosure would throw us

1156
00:50:01,320 --> 00:50:01,330
into an intergalactic war

1157
00:50:08,730 --> 00:50:04,230
do I think full disclosure would flow us

1158
00:50:12,720 --> 00:50:08,740
into an interactive war no I think that

1159
00:50:16,050 --> 00:50:12,730
full disclosure would alter the would

1160
00:50:19,170 --> 00:50:16,060
alter human affairs to avoid a world war

1161
00:50:21,110 --> 00:50:19,180
I mean what it would alter human affairs

1162
00:50:23,670 --> 00:50:21,120
in such a way that it would have already

1163
00:50:26,010 --> 00:50:23,680

Ronald Reagan was quite correct in what

1164

00:50:28,980 --> 00:50:26,020

he said that if we faced a threat we

1165

00:50:31,920 --> 00:50:28,990

would have to unite Eisenhower entered

1166

00:50:34,770 --> 00:50:31,930

at this there are hints going on that

1167

00:50:37,440 --> 00:50:34,780

there's something askew Nadi's all not

1168

00:50:39,150 --> 00:50:37,450

is all fluffy in the world of UFOs not

1169

00:50:41,550 --> 00:50:39,160

all of them want peace and light for

1170

00:50:43,860 --> 00:50:41,560

Humanity not all of them are respecters

1171

00:50:46,350 --> 00:50:43,870

of human affairs I found that very

1172

00:50:50,330 --> 00:50:46,360

shocking because I wanted to believe

1173

00:50:52,800 --> 00:50:50,340

that UFOs were there they were peaceful

1174

00:50:54,210 --> 00:50:52,810

after 40 years of veteran of all this

1175

00:50:57,750 --> 00:50:54,220

I've seen some hair-raising things

1176

00:51:00,840 --> 00:50:57,760

behind the scenes with the UFOs and and

1177

00:51:03,660 --> 00:51:00,850

all that kind of thing one of the issues

1178

00:51:05,940 --> 00:51:03,670

for example that you might consider with

1179

00:51:08,430 --> 00:51:05,950

the nordica tea is the fact of

1180

00:51:10,830 --> 00:51:08,440

Technology who has got access to their

1181

00:51:13,320 --> 00:51:10,840

technology their technology is very very

1182

00:51:15,570 --> 00:51:13,330

advanced who was access among them to

1183

00:51:17,820 --> 00:51:15,580

their technology who is bad among them

1184

00:51:19,800 --> 00:51:17,830

who is good among them they are many and

1185

00:51:22,140 --> 00:51:19,810

varied as they have told me and many an

1186

00:51:23,580 --> 00:51:22,150

average leads to problems so these are

1187

00:51:27,600 --> 00:51:23,590

the things that you've got to consider

1188

00:51:29,520 --> 00:51:27,610

but I full disclosure the trouble is is

1189

00:51:32,100 --> 00:51:29,530

that with disclosure non-human elements

1190

00:51:34,920 --> 00:51:32,110

control it but there again by placing

1191

00:51:36,750 --> 00:51:34,930

disclosure in the public domain may

1192

00:51:38,930 --> 00:51:36,760

alter the events of human affairs to

1193

00:51:41,550 --> 00:51:38,940

prevent a world conflict I do believe

1194

00:51:44,720 --> 00:51:41,560

that's where it is with me at the moment

1195

00:51:48,480 --> 00:51:44,730

from what I'm seeing right I think that

1196

00:51:49,920 --> 00:51:48,490

you know it makes sense to me that what

1197

00:51:52,500 --> 00:51:49,930

you're saying is absolutely right it

1198

00:51:55,830 --> 00:51:52,510

would either cause trouble or it would

1199

00:51:57,960 --> 00:51:55,840

cause a uniting on this planet but I

1200

00:52:01,740 --> 00:51:57,970

think for it to cause an intergalactic

1201
00:52:04,520 --> 00:52:01,750
war would have to assume that we're much

1202
00:52:07,350 --> 00:52:04,530
more important than we probably are

1203
00:52:11,430 --> 00:52:07,360
because you know looking at all the

1204
00:52:13,770 --> 00:52:11,440
other societies that seem to be so much

1205
00:52:15,210 --> 00:52:13,780
more advanced than we are you know I

1206
00:52:18,180 --> 00:52:15,220
think that

1207
00:52:21,060 --> 00:52:18,190
whether or not we know is not really of

1208
00:52:23,910 --> 00:52:21,070
consequence as much consequence to them

1209
00:52:27,720 --> 00:52:23,920
as it would be to us that's right they

1210
00:52:30,360 --> 00:52:27,730
they are quite aware of who we are in

1211
00:52:34,260 --> 00:52:30,370
the course of my if the years and with

1212
00:52:36,510 --> 00:52:34,270
Nordic et's they've told me information

1213
00:52:38,580 --> 00:52:36,520

has come through that in some cases it's

1214

00:52:40,110 --> 00:52:38,590

such a big universe there are even

1215

00:52:42,030 --> 00:52:40,120

civilizations out there that doesn't

1216

00:52:42,660 --> 00:52:42,040

even know earth exists don't even know

1217

00:52:45,560 --> 00:52:42,670

of us

1218

00:52:48,330 --> 00:52:45,570

it's a vast universe it's a vast

1219

00:52:50,850 --> 00:52:48,340

multi-dimensional entity as the Nordics

1220

00:52:53,460 --> 00:52:50,860

have said I'm talking about experiences

1221

00:52:56,010 --> 00:52:53,470

that span years and I'm a man who still

1222

00:52:58,530 --> 00:52:56,020

doesn't know why I'm getting all this

1223

00:53:01,020 --> 00:52:58,540

coming at me I still haven't been given

1224

00:53:03,960 --> 00:53:01,030

a clear reason of why at any point this

1225

00:53:05,820 --> 00:53:03,970

is going on and that is quite

1226

00:53:09,060 --> 00:53:05,830

disappointing really as far as I'm

1227

00:53:11,490 --> 00:53:09,070

concerned hmm I mean it kind of it

1228

00:53:13,800 --> 00:53:11,500

speaks to a question from the chat room

1229

00:53:18,270 --> 00:53:13,810

and from Leslie she says why are certain

1230

00:53:19,920 --> 00:53:18,280

people targeted more than others and is

1231

00:53:24,840 --> 00:53:19,930

that what you were talking about when

1232

00:53:27,570 --> 00:53:24,850

you're talking about the servants of the

1233

00:53:30,390 --> 00:53:27,580

line and the fact that I had I had not

1234

00:53:34,230 --> 00:53:30,400

have but did have at the time certain

1235

00:53:36,510 --> 00:53:34,240

abilities for example my father was an

1236

00:53:38,280 --> 00:53:36,520

incredible healer the relationship I had

1237

00:53:40,170 --> 00:53:38,290

with him was a was an abusive one it

1238

00:53:43,380 --> 00:53:40,180

wasn't very pleasant but yeah he was an

1239

00:53:45,360 --> 00:53:43,390

incredible healer if I was naughty he

1240

00:53:47,700 --> 00:53:45,370

could actually instead of hitting me

1241

00:53:49,830 --> 00:53:47,710

when I was about nine or ten instead of

1242

00:53:51,900 --> 00:53:49,840

smacking me it just knocked me out on

1243

00:53:54,780 --> 00:53:51,910

the bed with a migraine he would

1244

00:53:57,840 --> 00:53:54,790

literally put me on the bed a sparker

1245

00:53:59,220 --> 00:53:57,850

which gets some people quite annoyed

1246

00:54:01,440 --> 00:53:59,230

about because he shouldn't be doing that

1247

00:54:04,020 --> 00:54:01,450

at my about ten years of urge and what

1248

00:54:05,580 --> 00:54:04,030

he'd do is he'd just not respond on the

1249

00:54:08,850 --> 00:54:05,590

bed with a headache if I was naughty

1250

00:54:10,950 --> 00:54:08,860

I've seen him heal neuralgia I've seen a

1251
00:54:13,650 --> 00:54:10,960
woman come into the house wailing in

1252
00:54:17,640 --> 00:54:13,660
agony with her teeth and I've seen him

1253
00:54:20,010 --> 00:54:17,650
put the hands lay the hands on her and

1254
00:54:23,640 --> 00:54:20,020
heal her I've seen him do it with a cat

1255
00:54:26,400 --> 00:54:23,650
that was at death's door I'm equally

1256
00:54:28,680 --> 00:54:26,410
seen him be so angry at something that

1257
00:54:28,950 --> 00:54:28,690
happened he closed his eyes running in

1258
00:54:33,480 --> 00:54:28,960
the

1259
00:54:37,140 --> 00:54:33,490
question went up in smoke and a boiler

1260
00:54:39,839 --> 00:54:37,150
room and the building blew up and he was

1261
00:54:43,079 --> 00:54:39,849
he told me that when he was in the Army

1262
00:54:47,250 --> 00:54:43,089
in the 1950s he was approached he was

1263
00:54:49,589 --> 00:54:47,260

approached by the KGB he said I have no

1264

00:54:52,050 --> 00:54:49,599

idea why he was approached the reactor

1265

00:54:56,070 --> 00:54:52,060

some reported to his superiors but this

1266

00:54:59,010 --> 00:54:56,080

all comes back to the ability to an

1267

00:55:01,200 --> 00:54:59,020

ability known as eight ability if the

1268

00:55:04,550 --> 00:55:01,210

guy is involved in the remote viewing

1269

00:55:07,109 --> 00:55:04,560

program stepped forward and said that

1270

00:55:09,900 --> 00:55:07,119

classified elements of the psychic

1271

00:55:12,390 --> 00:55:09,910

espionage that went on regarding UFOs

1272

00:55:15,120 --> 00:55:12,400

and humanity that would be quite

1273

00:55:16,890 --> 00:55:15,130

shocking that would actually be really

1274

00:55:20,670 --> 00:55:16,900

very shocking indeed as to what humanity

1275

00:55:23,310 --> 00:55:20,680

is actually up against and the it's

1276

00:55:25,650 --> 00:55:23,320

called eight ability because they had

1277

00:55:29,160 --> 00:55:25,660

sort of eight martinis because the

1278

00:55:31,440 --> 00:55:29,170

ability to influence things with the

1279

00:55:36,000 --> 00:55:31,450

mind was not prominent they needed eight

1280

00:55:37,980 --> 00:55:36,010

martinis to get over it so some people

1281

00:55:41,220 --> 00:55:37,990

have a sixth sense and some people have

1282

00:55:44,099 --> 00:55:41,230

eight ability and my eighth ability got

1283

00:55:46,589 --> 00:55:44,109

me into a shedload of trouble because

1284

00:55:48,210 --> 00:55:46,599

it's unchartered waters and you do not

1285

00:55:50,550 --> 00:55:48,220

understand as an individual but

1286

00:55:53,430 --> 00:55:50,560

controlling esoteric forces around

1287

00:55:55,440 --> 00:55:53,440

mankind and I ended up with a knock at

1288

00:55:57,599 --> 00:55:55,450

the door from one of those controlling

1289

00:55:59,130 --> 00:55:57,609

forces as I slept but basically

1290

00:56:02,970 --> 00:55:59,140

threatened to kill me basically

1291

00:56:06,510 --> 00:56:02,980

threatened to to do me in ready because

1292

00:56:07,680 --> 00:56:06,520

it did not want human affairs influenced

1293

00:56:09,540 --> 00:56:07,690

in a certain direction

1294

00:56:12,540 --> 00:56:09,550

and so what will happen is at some point

1295

00:56:14,370 --> 00:56:12,550

in the proceedings that collision course

1296

00:56:17,430 --> 00:56:14,380

is still lurking in the background it's

1297

00:56:20,370 --> 00:56:17,440

like an ocean with sharks in it and so

1298

00:56:22,230 --> 00:56:20,380

what you do in that scenario is you hit

1299

00:56:24,359 --> 00:56:22,240

the stop button and you don't do

1300

00:56:25,440 --> 00:56:24,369

anything and that might sound odd but

1301
00:56:28,680 --> 00:56:25,450
currently at the moment I'm doing

1302
00:56:30,180 --> 00:56:28,690
nothing currently at the moment I should

1303
00:56:31,740 --> 00:56:30,190
be on I should be getting media

1304
00:56:32,609 --> 00:56:31,750
inquiries or should we doing do so

1305
00:56:34,829 --> 00:56:32,619
should we do we know I'm just doing

1306
00:56:36,750 --> 00:56:34,839
nothing because I've got the bloody

1307
00:56:38,760 --> 00:56:36,760
things coming in over my home I've been

1308
00:56:40,560 --> 00:56:38,770
speaking to them and having strange

1309
00:56:42,550 --> 00:56:40,570
goings on I don't really need to do

1310
00:56:44,680 --> 00:56:42,560
anything and if it's to correct that

1311
00:56:48,280 --> 00:56:44,690
is connected with all this then the

1312
00:56:49,960 --> 00:56:48,290
momentum and kind of force of it will

1313
00:56:51,970 --> 00:56:49,970

propel me anywhere without me having to

1314

00:56:53,980 --> 00:56:51,980

do anything it'd be like riding on a sea

1315

00:56:57,160 --> 00:56:53,990

with the current going in a certain

1316

00:56:59,500 --> 00:56:57,170

direction I do a shoot and that's quite

1317

00:57:00,400 --> 00:56:59,510

liberating when a actually that's quite

1318

00:57:02,500 --> 00:57:00,410

liberating

1319

00:57:06,370 --> 00:57:02,510

so the Naza situation at the moment but

1320

00:57:08,950 --> 00:57:06,380

a to influence things this is where

1321

00:57:11,470 --> 00:57:08,960

people get into trouble where human

1322

00:57:15,160 --> 00:57:11,480

beings get in trouble that's very that's

1323

00:57:17,740 --> 00:57:15,170

very interesting you know if we can take

1324

00:57:19,810 --> 00:57:17,750

a quick break again Tony and when we

1325

00:57:21,430 --> 00:57:19,820

come back if I could hit you with a

1326
00:57:25,570 --> 00:57:21,440
couple more questions from the chat room

1327
00:57:28,480 --> 00:57:25,580
and then I'm going to see what I can get

1328
00:57:31,720 --> 00:57:28,490
you to share about what the aliens have

1329
00:57:35,800 --> 00:57:31,730
told you about any possible future

1330
00:57:38,950 --> 00:57:35,810
events or ramifications beyond our

1331
00:57:40,480 --> 00:57:38,960
control or not around our control all

1332
00:57:45,490 --> 00:57:40,490
right hang in there with us we'll be

1333
00:57:47,440 --> 00:57:45,500
right back with Tony coughing welcome

1334
00:57:50,860 --> 00:57:47,450
back to night vision I'm your host Renee

1335
00:57:53,140 --> 00:57:50,870
Barnett with me tonight is Tony topping

1336
00:57:55,300 --> 00:57:53,150
he is a British researcher and

1337
00:57:58,540 --> 00:57:55,310
experimenter also a targeted and

1338
00:58:01,150 --> 00:57:58,550

individual unfortunately but he's

1339

00:58:04,270 --> 00:58:01,160

sharing some incredibly interesting

1340

00:58:05,830 --> 00:58:04,280

information with us tonight now you

1341

00:58:10,810 --> 00:58:05,840

mentioned something to me on the break

1342

00:58:14,500 --> 00:58:10,820

what was that the yaz mattock yeah yeah

1343

00:58:16,900 --> 00:58:14,510

yeah asthmatic back in them at the

1344

00:58:20,140 --> 00:58:16,910

height of my height at the height of the

1345

00:58:25,180 --> 00:58:20,150

crazy comical circus goings-on that

1346

00:58:27,910 --> 00:58:25,190

shaped my experiences the the incident

1347

00:58:30,570 --> 00:58:27,920

that I had at age 2 relates to

1348

00:58:33,190 --> 00:58:30,580

extraterrestrial phenomena relates to

1349

00:58:35,890 --> 00:58:33,200

extraterrestrials in a higher dimension

1350

00:58:40,210 --> 00:58:35,900

and relates to communication with them

1351
00:58:42,370 --> 00:58:40,220
and a few years ago at the early stages

1352
00:58:44,350 --> 00:58:42,380
where these UFOs that were clinging over

1353
00:58:46,660 --> 00:58:44,360
the house declared their understand who

1354
00:58:50,530 --> 00:58:46,670
they were and they took a number of

1355
00:58:54,340 --> 00:58:50,540
years to do that they kind of like this

1356
00:58:56,410 --> 00:58:54,350
spectacular vision of this as I slept

1357
00:58:58,600 --> 00:58:56,420
again of this kind of

1358
00:59:00,700 --> 00:58:58,610
Ridge building towards me across another

1359
00:59:02,200 --> 00:59:00,710
dimension it was quite spectacular but

1360
00:59:04,930 --> 00:59:02,210
they're they're building a bridge

1361
00:59:07,150 --> 00:59:04,940
towards me in this game it might not

1362
00:59:08,860 --> 00:59:07,160
necessarily be me there's a possibility

1363
00:59:11,830 --> 00:59:08,870

that they're actually speaking to

1364

00:59:14,920 --> 00:59:11,840

another agency or human individuals who

1365

00:59:17,710 --> 00:59:14,930

have understood the work at the work

1366

00:59:20,710 --> 00:59:17,720

being the fact that UFOs communicate in

1367

00:59:23,020 --> 00:59:20,720

a space-time continuum environment in

1368

00:59:25,930 --> 00:59:23,030

that environment time is somehow

1369

00:59:29,080 --> 00:59:25,940

collapsed so everybody hears and sees

1370

00:59:31,720 --> 00:59:29,090

everybody so if I'm in the year 2017

1371

00:59:35,230 --> 00:59:31,730

with apparent ease somebody in the year

1372

00:59:37,270 --> 00:59:35,240

2130 could easily communicate in that

1373

00:59:40,120 --> 00:59:37,280

environment because time is collapsed

1374

00:59:44,160 --> 00:59:40,130

kind of thing this spectacular vision I

1375

00:59:47,110 --> 00:59:44,170

had is was of the CT coming over to me

1376

00:59:48,580 --> 00:59:47,120

division was spectacular isn't that nice

1377

00:59:51,010 --> 00:59:48,590

to have such a nice vision but the

1378

00:59:54,010 --> 00:59:51,020

ramifications are very deep and all they

1379

00:59:56,350 --> 00:59:54,020

simply said was Yeahs mat just like that

1380

00:59:59,140 --> 00:59:56,360

and then the vision disappeared one word

1381

01:00:00,700 --> 00:59:59,150

as Matt when you look up as Matt on the

1382

01:00:05,200 --> 01:00:00,710

into it you'll discover that it means

1383

01:00:08,230 --> 01:00:05,210

the causal nature of things in Sanskrit

1384

01:00:11,140 --> 01:00:08,240

meaning the causal ninja meaning what we

1385

01:00:12,970 --> 01:00:11,150

do now as ramifications and orderly

1386

01:00:14,770 --> 01:00:12,980

oddly enough Maya strange coincidence

1387

01:00:16,840 --> 01:00:14,780

there's also I'm gone too deeply into it

1388

01:00:18,760 --> 01:00:16,850

there's also a German link it also

1389

01:00:21,070 --> 01:00:18,770

stands for German bloodline as well it

1390

01:00:22,870 --> 01:00:21,080

also sod Lee enough it's relating that

1391

01:00:24,430 --> 01:00:22,880

kind of thing isn't that strange and

1392

01:00:27,670 --> 01:00:24,440

then you get a phone call from Germany

1393

01:00:29,430 --> 01:00:27,680

it's it's it's really odd just really ah

1394

01:00:32,470 --> 01:00:29,440

but that lurks in the background as well

1395

01:00:34,240 --> 01:00:32,480

but basically so what happened is is

1396

01:00:37,390 --> 01:00:34,250

with it with the asthmatic paradox it

1397

01:00:40,570 --> 01:00:37,400

means that events that we do now share

1398

01:00:43,360 --> 01:00:40,580

pew manitous future and part of the UFO

1399

01:00:45,760 --> 01:00:43,370

phenomena is related to time travel and

1400

01:00:49,480 --> 01:00:45,770

the future of mankind and where we're

1401
01:00:53,110 --> 01:00:49,490
gonna go in the future as well and that

1402
01:00:56,110 --> 01:00:53,120
can have hair-raising goings-on

1403
01:00:58,120 --> 01:00:56,120
attention to it it's the area that I

1404
01:01:00,010 --> 01:00:58,130
don't really talk about but yeah it's

1405
01:01:02,260 --> 01:01:00,020
the area that should be talked about

1406
01:01:05,650 --> 01:01:02,270
because it could alter the future after

1407
01:01:08,200 --> 01:01:05,660
a better future why don't you talk about

1408
01:01:10,180 --> 01:01:08,210
it well I don't talk about it because

1409
01:01:13,570 --> 01:01:10,190
with the yasm attic paradox if

1410
01:01:15,490 --> 01:01:13,580
talk about it I might create it and if I

1411
01:01:17,890 --> 01:01:15,500
if I talk about it there again I might

1412
01:01:19,690 --> 01:01:17,900
not create it it's very interesting that

1413
01:01:22,540 --> 01:01:19,700

you can write the future as if you're

1414

01:01:26,440 --> 01:01:22,550

writing a computer program even now

1415

01:01:28,720 --> 01:01:26,450

talking of it will provoke recoil many

1416

01:01:31,180 --> 01:01:28,730

many years down the line when I'm passed

1417

01:01:33,310 --> 01:01:31,190

over and people look at this work what's

1418

01:01:35,080 --> 01:01:33,320

happening is is that some of the recoil

1419

01:01:39,220 --> 01:01:35,090

and some of these stuff that's going on

1420

01:01:41,170 --> 01:01:39,230

is related to me speaking in the now and

1421

01:01:44,170 --> 01:01:41,180

that's what osmotic paradox is that your

1422

01:01:46,030 --> 01:01:44,180

work has such an effect that it really

1423

01:01:48,540 --> 01:01:46,040

kind of and what happened was in this

1424

01:01:51,790 --> 01:01:48,550

environment in terms of UFO disclosure

1425

01:01:53,350 --> 01:01:51,800

what happens is that with that roughly

1426

01:01:56,380 --> 01:01:53,360

speaking from what I understand from

1427

01:02:00,220 --> 01:01:56,390

what the et tells me the et will only go

1428

01:02:01,990 --> 01:02:00,230

at a pace that humanity can handle their

1429

01:02:05,560 --> 01:02:02,000

pace and what they're looking at is

1430

01:02:08,770 --> 01:02:05,570

they're on schedule to communicate very

1431

01:02:11,290 --> 01:02:08,780

deeply widows in about 125 years from

1432

01:02:15,550 --> 01:02:11,300

now according to them they're there on

1433

01:02:19,570 --> 01:02:15,560

schedule to actually communicate with

1434

01:02:21,670 --> 01:02:19,580

certain elements of humanity and

1435

01:02:23,380 --> 01:02:21,680

communicate that what was going what is

1436

01:02:25,960 --> 01:02:23,390

going on with their science when we go

1437

01:02:29,170 --> 01:02:25,970

out to eat we never agree on where to go

1438

01:02:31,120 --> 01:02:29,180

burgers eats tacos it is the one thing

1439

01:02:33,490 --> 01:02:31,130

we do agree on is we all want unlimited

1440

01:02:36,220 --> 01:02:33,500

high-speed data that's why we switch to

1441

01:02:37,900 --> 01:02:36,230

metro pcs stop by metro pcs with the

1442

01:02:39,700 --> 01:02:37,910

whole family and get four lines with

1443

01:02:40,510 --> 01:02:39,710

unlimited LTE data for just a hundred

1444

01:02:43,120 --> 01:02:40,520

dollars period

1445

01:02:44,290 --> 01:02:43,130

metro pcs Wireless figured out covers

1446

01:02:45,370 --> 01:02:44,300

not available in some areas offers for

1447

01:02:46,720 --> 01:02:45,380

airport in a number not currently active

1448

01:02:47,770 --> 01:02:46,730

on t-mobile network during congestion

1449

01:02:48,940 --> 01:02:47,780

the fraction of customers use more than

1450

01:02:50,560 --> 01:02:48,950

three fun cakes per month may notice

1451
01:02:51,970 --> 01:02:50,570
reduce beats video streams dr. forty p

1452
01:02:53,470 --> 01:02:51,980
no tethering c store for details in

1453
01:02:54,790 --> 01:02:53,480
terms and conditions I don't know

1454
01:02:57,250 --> 01:02:54,800
whether that that's correct or whether

1455
01:02:59,560 --> 01:02:57,260
it's wrong I have I have no idea but I

1456
01:03:02,350 --> 01:02:59,570
haven't some very strange visions

1457
01:03:04,660 --> 01:03:02,360
related to that I've had what is alleged

1458
01:03:07,260 --> 01:03:04,670
communication time travel related

1459
01:03:09,880 --> 01:03:07,270
communication regarding the fact that

1460
01:03:11,620 --> 01:03:09,890
communication has indeed taken place

1461
01:03:14,260 --> 01:03:11,630
across a time continuum with these

1462
01:03:17,140 --> 01:03:14,270
extraterrestrials who have communicated

1463
01:03:20,500 --> 01:03:17,150

their science and technology to us and

1464

01:03:23,230 --> 01:03:20,510

still even further down the line no

1465

01:03:24,020 --> 01:03:23,240

government is smashing up and the files

1466

01:03:26,150 --> 01:03:24,030

and saying

1467

01:03:28,970 --> 01:03:26,160

yes aliens they still yes they here blah

1468

01:03:30,950 --> 01:03:28,980

blah not happening at all actually our

1469

01:03:33,890 --> 01:03:30,960

biggest threat is probably environmental

1470

01:03:35,840 --> 01:03:33,900

our biggest threat is is environmental

1471

01:03:38,120 --> 01:03:35,850

and nature they are the biggest threats

1472

01:03:40,820 --> 01:03:38,130

facing mankind naturally it would appear

1473

01:03:45,980 --> 01:03:40,830

from the data I'm seeing and this is

1474

01:03:47,630 --> 01:03:45,990

something that needs to be addressed of

1475

01:03:49,640 --> 01:03:47,640

course we're all seeing that data some

1476

01:03:53,090 --> 01:03:49,650

of us are not acknowledging that data

1477

01:03:58,900 --> 01:03:53,100

but now are you seeing data from other

1478

01:04:07,780 --> 01:04:05,090

yeah yeah are they giving you any advice

1479

01:04:10,550 --> 01:04:07,790

or are they're just showing you things

1480

01:04:12,050 --> 01:04:10,560

the moment stage where they're just

1481

01:04:13,490 --> 01:04:12,060

showing showing me things there is

1482

01:04:15,950 --> 01:04:13,500

something going on at the moment that I

1483

01:04:17,720 --> 01:04:15,960

am that I'd rather not talk about the

1484

01:04:19,700 --> 01:04:17,730

Sun it's quite shocking

1485

01:04:22,430 --> 01:04:19,710

I'd rather it's a deeply personal thing

1486

01:04:27,080 --> 01:04:22,440

to do in my experiences and it's to do

1487

01:04:31,100 --> 01:04:27,090

word the future it's to do with the

1488

01:04:34,310 --> 01:04:31,110

stupidity of politicians leading us in a

1489

01:04:36,980 --> 01:04:34,320

direction that is destructive these

1490

01:04:41,350 --> 01:04:36,990

politicians in Russia China America Leo

1491

01:04:42,740 --> 01:04:41,360

Britain leading down this Avenue of

1492

01:04:45,980 --> 01:04:42,750

insanity

1493

01:04:48,700 --> 01:04:45,990

that ends in conflicts is a very real

1494

01:04:51,950 --> 01:04:48,710

kind of issue a very real issue indeed

1495

01:04:54,410 --> 01:04:51,960

and so maybe to talk about my openly in

1496

01:04:56,510 --> 01:04:54,420

public and to make an effort to prevent

1497

01:04:59,510 --> 01:04:56,520

that in public could alter the future

1498

01:05:03,080 --> 01:04:59,520

could alter it so that the impact of it

1499

01:05:06,490 --> 01:05:03,090

is somewhat less than what it actually

1500

01:05:09,470 --> 01:05:06,500

is kind of thing events can be altered

1501

01:05:12,080 --> 01:05:09,480

if you look at the Russian psychic

1502

01:05:14,090 --> 01:05:12,090

espionage units there's a very famous

1503

01:05:16,330 --> 01:05:14,100

Russian espionage unit well the famous

1504

01:05:19,520 --> 01:05:16,340

and underrated actually called troop

1505

01:05:23,630 --> 01:05:19,530

10003 and they've got a website called

1506

01:05:25,450 --> 01:05:23,640

new cosmology and they're psychics these

1507

01:05:28,100 --> 01:05:25,460

military psychics talk about

1508

01:05:31,040 --> 01:05:28,110

manipulation of human affairs but also

1509

01:05:32,600 --> 01:05:31,050

talk about something known as influence

1510

01:05:36,380 --> 01:05:32,610

of human affairs at the point of

1511

01:05:37,880 --> 01:05:36,390

planetary influence and for example

1512

01:05:43,219 --> 01:05:37,890

esoterically speaking at the

1513

01:05:45,650 --> 01:05:43,229

Syria is a major conduit for esoteric

1514

01:05:47,660 --> 01:05:45,660

influence I don't know why but Syria is

1515

01:05:49,880 --> 01:05:47,670

a bit of a no-go area for influencing

1516

01:05:51,229 --> 01:05:49,890

and it's as if there are forces out

1517

01:05:54,829 --> 01:05:51,239

there that do not want peace and

1518

01:05:57,289 --> 01:05:54,839

stability in our world Rene and yet that

1519

01:05:59,180 --> 01:05:57,299

we're all going on about disclosure but

1520

01:06:03,430 --> 01:05:59,190

yet there's another hand being played

1521

01:06:07,339 --> 01:06:03,440

that is just destructive not peaceful

1522

01:06:09,019 --> 01:06:07,349

very sad really very sad it's in its own

1523

01:06:11,839 --> 01:06:09,029

hell whatever is the cause of this is

1524

01:06:13,190 --> 01:06:11,849

living in its own hell and there's a lot

1525

01:06:15,620 --> 01:06:13,200

to be said for Christianity and

1526

01:06:18,380 --> 01:06:15,630

spiritual warfare I think that's where

1527

01:06:21,620 --> 01:06:18,390

the UFO phenomena somehow merges with

1528

01:06:22,910 --> 01:06:21,630

biblical stuff and revelation and and

1529

01:06:26,449 --> 01:06:22,920

all that kind of thing you know

1530

01:06:28,699 --> 01:06:26,459

very real very real indeed demons men

1531

01:06:30,829 --> 01:06:28,709

and demons all this kind of thing the

1532

01:06:34,249 --> 01:06:30,839

Vatican has a vast library about that

1533

01:06:37,160 --> 01:06:34,259

including aliens these ETS know they

1534

01:06:38,959 --> 01:06:37,170

know how our world is structured they

1535

01:06:40,880 --> 01:06:38,969

know where it came from they know what

1536

01:06:43,759 --> 01:06:40,890

we're up against I think they're

1537

01:06:45,189 --> 01:06:43,769

assisting us I really do but some of the

1538

01:06:48,799 --> 01:06:45,199

things I have seen when there has been

1539

01:06:51,439 --> 01:06:48,809

absolutely shocking just shocking

1540

01:06:54,559 --> 01:06:51,449

and it comes from time travel related

1541

01:06:56,989 --> 01:06:54,569

incidents and so the politicians of this

1542

01:06:58,609 --> 01:06:56,999

world which is why I think women

1543

01:07:00,259 --> 01:06:58,619

politicians are a lot better than male

1544

01:07:02,749 --> 01:07:00,269

politicians actually having that in the

1545

01:07:04,339 --> 01:07:02,759

hands of women governments in a I think

1546

01:07:05,599 --> 01:07:04,349

governments are in a safer place but at

1547

01:07:08,059 --> 01:07:05,609

the moment there's a lot of disturbing

1548

01:07:11,989 --> 01:07:08,069

silver rattling going on and it's very

1549

01:07:15,140 --> 01:07:11,999

disturbing indeed yeah yeah I agree you

1550

01:07:16,939 --> 01:07:15,150

know you mentioned that you know when

1551
01:07:19,849 --> 01:07:16,949
you when you're first are talking about

1552
01:07:22,579 --> 01:07:19,859
that experience with the tall white

1553
01:07:25,939 --> 01:07:22,589
alien female alien and you said you know

1554
01:07:27,319 --> 01:07:25,949
women are you know better communicators

1555
01:07:32,150 --> 01:07:27,329
and you think that may be the reason

1556
01:07:35,539 --> 01:07:32,160
well then obviously that is a trait that

1557
01:07:39,079 --> 01:07:35,549
you feel that human women and alien them

1558
01:07:41,390 --> 01:07:39,089
and share Souls are there are there are

1559
01:07:43,489 --> 01:07:41,400
other traits I mean you know women are

1560
01:07:46,699 --> 01:07:43,499
known to sort of be the nurturers the

1561
01:07:48,799 --> 01:07:46,709
you know the sort of softer you know do

1562
01:07:51,720 --> 01:07:48,809
you find that in the in the female

1563
01:07:53,580 --> 01:07:51,730

aliens as opposed to the ales this

1564

01:07:55,800 --> 01:07:53,590

during the course of my experiences

1565

01:07:58,170 --> 01:07:55,810

which which just I can't keep up with

1566

01:07:59,700 --> 01:07:58,180

them frankly I just cannot keep up with

1567

01:08:02,430 --> 01:07:59,710

the level of stuff that's going on

1568

01:08:04,320 --> 01:08:02,440

because obviously there's obviously a

1569

01:08:05,580 --> 01:08:04,330

part of me that's speaking now but

1570

01:08:08,520 --> 01:08:05,590

there's another part of me that's doing

1571

01:08:09,840 --> 01:08:08,530

something else with all this I can't

1572

01:08:12,060 --> 01:08:09,850

keep up with it but basically for

1573

01:08:14,760 --> 01:08:12,070

example this this alien lady has a

1574

01:08:16,470 --> 01:08:14,770

little girl it would appear I don't know

1575

01:08:18,210 --> 01:08:16,480

whether it's my little girl or whether

1576

01:08:19,530 --> 01:08:18,220

it's her I know it's her little number I

1577

01:08:20,999 --> 01:08:19,540

don't know what my involvement is it

1578

01:08:23,789 --> 01:08:21,009

could be that it's my daughter it might

1579

01:08:25,890 --> 01:08:23,799

not be I have no idea I'm just assessing

1580

01:08:28,170 --> 01:08:25,900

what I've seen this little girl that

1581

01:08:29,039 --> 01:08:28,180

she's showing absolutely adorable I mean

1582

01:08:32,700 --> 01:08:29,049

just adorable

1583

01:08:35,940 --> 01:08:32,710

and she was blond white skinned white

1584

01:08:38,490 --> 01:08:35,950

haired blue-eyed distinctly alien very

1585

01:08:41,849 --> 01:08:38,500

much but just adorable little girl that

1586

01:08:44,579 --> 01:08:41,859

was just like our kids are and I thought

1587

01:08:45,960 --> 01:08:44,589

to myself there's a great and one of the

1588

01:08:48,030 --> 01:08:45,970

things they said you know was that their

1589

01:08:50,099 --> 01:08:48,040

two were up against species survival

1590

01:08:53,370 --> 01:08:50,109

issues and nature and looks like humans

1591

01:08:54,809 --> 01:08:53,380

are but it was just fascinating it just

1592

01:08:57,780 --> 01:08:54,819

fascinating could we not know about

1593

01:09:00,539 --> 01:08:57,790

their education system why have I got

1594

01:09:01,979 --> 01:09:00,549

such vagary I get disappointed in my own

1595

01:09:04,710 --> 01:09:01,989

experiences because I tell you that

1596

01:09:06,690 --> 01:09:04,720

Renee but I want to know more I want to

1597

01:09:08,400 --> 01:09:06,700

know you know this little girl she

1598

01:09:12,240 --> 01:09:08,410

schooled what a where does she fit in

1599

01:09:13,769 --> 01:09:12,250

all this kind of thing but obviously

1600

01:09:15,240 --> 01:09:13,779

they're doing something else obviously

1601
01:09:17,729 --> 01:09:15,250
they're tracking something else

1602
01:09:20,479 --> 01:09:17,739
obviously they're doing something that

1603
01:09:22,410 --> 01:09:20,489
doesn't quite apply to what I want

1604
01:09:24,329 --> 01:09:22,420
because there's obviously something

1605
01:09:26,820 --> 01:09:24,339
going on but I don't quite understand

1606
01:09:28,740 --> 01:09:26,830
that they're not being told but yeah

1607
01:09:33,180 --> 01:09:28,750
little girl oh no forget it just

1608
01:09:34,740 --> 01:09:33,190
adorable but not human gee honestly and

1609
01:09:38,160 --> 01:09:34,750
I think that trait of love and

1610
01:09:40,710 --> 01:09:38,170
understanding it's prevalent across the

1611
01:09:44,420 --> 01:09:40,720
universe isn't it that kind of parenting

1612
01:09:47,400 --> 01:09:44,430
kind of thing I've never had children

1613
01:09:48,960 --> 01:09:47,410

I've always wanted children Renee but

1614

01:09:50,640 --> 01:09:48,970

I've never had them you know that

1615

01:09:53,660 --> 01:09:50,650

parenting kind of vibe

1616

01:09:56,370 --> 01:09:53,670

I think his presence mm-hmm

1617

01:09:58,620 --> 01:09:56,380

well I mean you know you always hear

1618

01:10:00,479 --> 01:09:58,630

people talking about and I think we even

1619

01:10:04,000 --> 01:10:00,489

mentioned it earlier on in the show

1620

01:10:10,149 --> 01:10:04,010

about you know do they have emotions do

1621

01:10:12,689 --> 01:10:10,159

they what is this ear to ality that we

1622

01:10:16,629 --> 01:10:12,699

have a lot more in common with them then

1623

01:10:18,729 --> 01:10:16,639

they're not yes it is it's very it's

1624

01:10:20,770 --> 01:10:18,739

very true that we have a lot more in

1625

01:10:22,270 --> 01:10:20,780

common with them than what we than what

1626

01:10:24,129 --> 01:10:22,280

we actually think it as a distinct

1627

01:10:25,899 --> 01:10:24,139

possibility that we are related to them

1628

01:10:27,759 --> 01:10:25,909

there's a distinct possibility that

1629

01:10:29,979 --> 01:10:27,769

humanity is in fact of an ancient

1630

01:10:32,500 --> 01:10:29,989

civilization that wasn't even on earth

1631

01:10:34,180 --> 01:10:32,510

and has moved to earth if you look at

1632

01:10:36,939 --> 01:10:34,190

these stuff to do with the pyramids

1633

01:10:38,560 --> 01:10:36,949

pyramids in for example pyramids in

1634

01:10:40,000 --> 01:10:38,570

Scotland that they've kept quiet about

1635

01:10:42,129 --> 01:10:40,010

pyramids in Ireland that they've kept

1636

01:10:44,140 --> 01:10:42,139

quiet about the fact that the Nordics

1637

01:10:46,839 --> 01:10:44,150

that blonde blue-eyed deities were seen

1638

01:10:49,419 --> 01:10:46,849

in kind of like was seen first by the

1639

01:10:52,930 --> 01:10:49,429

Zulu nation but also were in China they

1640

01:10:54,700 --> 01:10:52,940

were also in Ireland they're present

1641

01:10:56,470 --> 01:10:54,710

there's a possibility that they're still

1642

01:10:58,600 --> 01:10:56,480

around us there's a distinct possibility

1643

01:11:01,270 --> 01:10:58,610

that some of them might be living in in

1644

01:11:03,430 --> 01:11:01,280

the cities of our world among us it's

1645

01:11:05,620 --> 01:11:03,440

happening that we are maybe closer to

1646

01:11:07,959 --> 01:11:05,630

them than we would ever know Rene and

1647

01:11:12,100 --> 01:11:07,969

it's a very elitist thing it's a very

1648

01:11:15,399 --> 01:11:12,110

kind of close shop it's something that

1649

01:11:18,729 --> 01:11:15,409

the public doesn't see for reasons

1650

01:11:20,529 --> 01:11:18,739

unknown and that's very interesting so

1651

01:11:22,569 --> 01:11:20,539

we see all this disclosure stuff going

1652

01:11:24,520 --> 01:11:22,579

on but it isn't really disclosure

1653

01:11:26,439 --> 01:11:24,530

it's barely touched the service from

1654

01:11:29,049 --> 01:11:26,449

what I've seen I've seen two US Air

1655

01:11:30,939 --> 01:11:29,059

Force pilots track a UFO and that's

1656

01:11:32,830 --> 01:11:30,949

meant to be part of a secret program to

1657

01:11:34,930 --> 01:11:32,840

investigate it's barely two surfaces

1658

01:11:36,729 --> 01:11:34,940

barely it's barely sister so but

1659

01:11:38,229 --> 01:11:36,739

governments do know I think they've

1660

01:11:41,169 --> 01:11:38,239

known since the nineteen fifties and

1661

01:11:43,540 --> 01:11:41,179

sixties that that we are not alone in

1662

01:11:47,399 --> 01:11:43,550

the universe and that we are looking at

1663

01:11:50,919 --> 01:11:47,409

a vast ocean of environments factors of

1664

01:11:54,609 --> 01:11:50,929

issues that are going on out there

1665

01:11:57,700 --> 01:11:54,619

we certainly are you know and I think

1666

01:12:00,160 --> 01:11:57,710

mankind is transcending I think they are

1667

01:12:01,919 --> 01:12:00,170

on a path I think men the whole of

1668

01:12:06,009 --> 01:12:01,929

mankind is on a spiritual path

1669

01:12:07,830 --> 01:12:06,019

definitely so I hope so

1670

01:12:10,689 --> 01:12:07,840

I hope the went back to that idea of

1671

01:12:13,990 --> 01:12:10,699

disclosure it takes me back to the chat

1672

01:12:16,660 --> 01:12:14,000

room and it was an interesting question

1673

01:12:17,560 --> 01:12:16,670

I think he already probably knows the

1674

01:12:19,500 --> 01:12:17,570

answer himself

1675

01:12:22,600 --> 01:12:19,510

but Tom reader says can the government

1676
01:12:24,819 --> 01:12:22,610
really have disclosure without denying

1677
01:12:26,410 --> 01:12:24,829
its efforts in suppressing what it's

1678
01:12:29,950 --> 01:12:26,420
known all these years

1679
01:12:31,569 --> 01:12:29,960
denial is an antonym of disclosure so

1680
01:12:33,520 --> 01:12:31,579
unless they're willing to admit they

1681
01:12:37,810 --> 01:12:33,530
lied to us all these years not sure

1682
01:12:39,550 --> 01:12:37,820
they'll ever come clean you see it's the

1683
01:12:40,780 --> 01:12:39,560
classified projects that they've got

1684
01:12:42,819 --> 01:12:40,790
themselves involved with which

1685
01:12:44,830 --> 01:12:42,829
eisenhower knew of which I think

1686
01:12:47,439 --> 01:12:44,840
Eisenhower knew off that dodgy goings on

1687
01:12:49,149 --> 01:12:47,449
with all that which is shocking then for

1688
01:12:51,100 --> 01:12:49,159

that reason they're never going to fully

1689

01:12:53,500 --> 01:12:51,110

disclose to the year to the public that

1690

01:12:56,859 --> 01:12:53,510

we are not alone in the universe they're

1691

01:12:58,689 --> 01:12:56,869

just not going to do it and there's

1692

01:13:00,010 --> 01:12:58,699

quite a quite a circus about it isn't

1693

01:13:01,780 --> 01:13:00,020

there but yeah I totally agree with that

1694

01:13:03,280 --> 01:13:01,790

they're not gonna go down that route I

1695

01:13:05,709 --> 01:13:03,290

don't think we're never gonna see full

1696

01:13:07,300 --> 01:13:05,719

disclosure and they're again do it wish

1697

01:13:09,250 --> 01:13:07,310

you might get it because it's a very

1698

01:13:11,410 --> 01:13:09,260

uncertain universe out there with very

1699

01:13:14,109 --> 01:13:11,420

uncertain people out there we're not

1700

01:13:16,149 --> 01:13:14,119

alone and it's a very it's a good job

1701

01:13:18,910 --> 01:13:16,159

some times that we were vast distances

1702

01:13:21,580 --> 01:13:18,920

because we'd end up I think in some

1703

01:13:23,200 --> 01:13:21,590

cases if we met aliens that look like us

1704

01:13:24,879 --> 01:13:23,210

but a human-looking we'd probably end up

1705

01:13:27,069 --> 01:13:24,889

going to war with them and bombing them

1706

01:13:28,810 --> 01:13:27,079

and but just because it's insane it's

1707

01:13:31,359 --> 01:13:28,820

the insanity that that's ingrained it

1708

01:13:33,430 --> 01:13:31,369

with us admit I feel which is very

1709

01:13:34,720 --> 01:13:33,440

disappointing it really is I don't know

1710

01:13:37,959 --> 01:13:34,730

why we can't really a peace and harmony

1711

01:13:41,800 --> 01:13:37,969

running I really don't either I don't

1712

01:13:43,750 --> 01:13:41,810

get it I I guess it's all about greed

1713

01:13:48,129 --> 01:13:43,760

and I'm not sure where that comes from

1714

01:13:53,589 --> 01:13:48,139

in humans but you know that's greed and

1715

01:13:55,120 --> 01:13:53,599

thirst for power or yes gosh it's just I

1716

01:13:58,209 --> 01:13:55,130

mean there's so much to think about

1717

01:14:00,790 --> 01:13:58,219

about here you know you mentioned that

1718

01:14:03,069 --> 01:14:00,800

the whole idea about you know collapsing

1719

01:14:06,970 --> 01:14:03,079

of time and all that and you know maybe

1720

01:14:09,700 --> 01:14:06,980

they're related to us and and and and

1721

01:14:12,580 --> 01:14:09,710

maybe they're you know coming to us from

1722

01:14:15,209 --> 01:14:12,590

other places if this idea of you know

1723

01:14:19,629 --> 01:14:15,219

that sort of the collapsing of time

1724

01:14:23,709 --> 01:14:19,639

exists then could they be us

1725

01:14:26,260 --> 01:14:23,719

from the yes yeah yeah there's a very

1726

01:14:28,270 --> 01:14:26,270

distinct possibility there's a very

1727

01:14:29,939 --> 01:14:28,280

distinct possibility of that there's a

1728

01:14:31,120 --> 01:14:29,949

very distinct possibility of the

1729

01:14:39,870 --> 01:14:31,130

complexity

1730

01:14:43,450 --> 01:14:39,880

all this which is like a supreme

1731

01:14:46,230 --> 01:14:43,460

architectural type thing situate very

1732

01:14:49,180 --> 01:14:46,240

very complex there's a possibility that

1733

01:14:52,260 --> 01:14:49,190

some of the alien interaction that goes

1734

01:14:55,300 --> 01:14:52,270

on with an alien could be yourself

1735

01:14:56,950 --> 01:14:55,310

reincarnated you could be you looking at

1736

01:15:00,280 --> 01:14:56,960

you in a different incarnation it can

1737

01:15:01,570 --> 01:15:00,290

happen it can happen and that so there's

1738

01:15:03,550 --> 01:15:01,580

all that going on as well it's a

1739

01:15:05,290 --> 01:15:03,560

staggering complexity to behold but

1740

01:15:07,780 --> 01:15:05,300

there is a possibility that you're

1741

01:15:09,850 --> 01:15:07,790

looking at yourself into future lives

1742

01:15:12,760 --> 01:15:09,860

everybody talks about past lives but

1743

01:15:15,580 --> 01:15:12,770

there's also future lives as well and

1744

01:15:19,120 --> 01:15:15,590

there's also parallel universes there is

1745

01:15:21,850 --> 01:15:19,130

definitely parallel universes going on

1746

01:15:25,900 --> 01:15:21,860

as well it seemed the the complexity of

1747

01:15:29,980 --> 01:15:25,910

it is absolutely staggering it really

1748

01:15:32,860 --> 01:15:29,990

really is and still you know when

1749

01:15:35,590 --> 01:15:32,870

speaking to you as an eraser of this

1750

01:15:38,080 --> 01:15:35,600

story I'm still baffled as to why it's

1751
01:15:40,020 --> 01:15:38,090
happened to me and I'm still kind of a

1752
01:15:42,490 --> 01:15:40,030
bit disappointed that I can't give a a

1753
01:15:45,070 --> 01:15:42,500
coherent picture a fully coherent

1754
01:15:47,380 --> 01:15:45,080
picture of why it's going on and what

1755
01:15:48,940 --> 01:15:47,390
for it's all a picture isn't it

1756
01:15:50,770 --> 01:15:48,950
disjointed of different bits of

1757
01:15:53,860 --> 01:15:50,780
information that join together to make a

1758
01:15:57,610 --> 01:15:53,870
very rough kind of picture of something

1759
01:15:59,830 --> 01:15:57,620
going on of a battle to do with humanity

1760
01:16:01,990 --> 01:15:59,840
of the fact that these ETS of a

1761
01:16:04,180 --> 01:16:02,000
technological base it's very advanced

1762
01:16:06,520 --> 01:16:04,190
and a spirituality component that is

1763
01:16:09,850 --> 01:16:06,530

very advanced in their understanding of

1764

01:16:11,970 --> 01:16:09,860

the cosmos and the fact that humanity

1765

01:16:14,320 --> 01:16:11,980

seems to have this oppressive

1766

01:16:16,180 --> 01:16:14,330

behind-the-scenes dictatorship of some

1767

01:16:18,520 --> 01:16:16,190

description that it can't seem to

1768

01:16:20,890 --> 01:16:18,530

understand as well we're weird it's only

1769

01:16:23,200 --> 01:16:20,900

battling against all these factors and

1770

01:16:25,900 --> 01:16:23,210

the aliens appear to have their own

1771

01:16:27,940 --> 01:16:25,910

agendas which is carefully kept hidden

1772

01:16:29,950 --> 01:16:27,950

but they do have agendas running they

1773

01:16:32,830 --> 01:16:29,960

definitely do and I'm not sure whether

1774

01:16:34,270 --> 01:16:32,840

you can trust them in fact in my

1775

01:16:36,460 --> 01:16:34,280

business there are no friends

1776

01:16:38,380 --> 01:16:36,470

that's the rule there are no friends

1777

01:16:39,970 --> 01:16:38,390

with anyone in my in my line of work it

1778

01:16:43,270 --> 01:16:39,980

has to be like that or you you won't

1779

01:16:45,169 --> 01:16:43,280

survive because you can you know human

1780

01:16:48,169 --> 01:16:45,179

beings social media

1781

01:16:50,270 --> 01:16:48,179

very nasty very nasty indeed so you know

1782

01:16:52,339 --> 01:16:50,280

friends in in my line of work running no

1783

01:16:54,529 --> 01:16:52,349

friends at all not that I'm saying by

1784

01:16:55,910 --> 01:16:54,539

the way that you're not a friend but you

1785

01:16:58,489 --> 01:16:55,920

get midriff you've got to have your back

1786

01:17:02,299 --> 01:16:58,499

yeah you know what I'm saying it's just

1787

01:17:04,790 --> 01:17:02,309

a way that's not how one yeah yeah

1788

01:17:06,890 --> 01:17:04,800

actually I'm a very trusting guy but but

1789

01:17:08,810 --> 01:17:06,900

but life has taught me especially with

1790

01:17:10,549 --> 01:17:08,820

all this going on that you literally

1791

01:17:12,529 --> 01:17:10,559

trust no one yeah that's quite right you

1792

01:17:14,299 --> 01:17:12,539

you can't you can't trust anyone yeah I

1793

01:17:17,479 --> 01:17:14,309

mean I had an incident with an Air Force

1794

01:17:20,509 --> 01:17:17,489

colonel the US Air Force emailed me when

1795

01:17:23,299 --> 01:17:20,519

was it now Oh about a few months back

1796

01:17:24,890 --> 01:17:23,309

very well-written letter we want to know

1797

01:17:27,080 --> 01:17:24,900

about national security we're doing a

1798

01:17:29,209 --> 01:17:27,090

study on UFOs we need your help very

1799

01:17:31,250 --> 01:17:29,219

well-written letter turned out ready

1800

01:17:32,719 --> 01:17:31,260

when I investigated the guy who sent me

1801

01:17:35,540 --> 01:17:32,729

the email it sent a photo of himself

1802

01:17:37,879 --> 01:17:35,550

that thought so it turns out belong to a

1803

01:17:39,500 --> 01:17:37,889

gentleman who who'd been in charge of an

1804

01:17:43,339 --> 01:17:39,510

airbase and had been arrested for child

1805

01:17:45,620 --> 01:17:43,349

pornography charges and they'd sent this

1806

01:17:48,799 --> 01:17:45,630

fantastic looking email that was so well

1807

01:17:51,140 --> 01:17:48,809

written but I was being stitched oh well

1808

01:17:53,330 --> 01:17:51,150

it was avoid it anyway would have been

1809

01:17:55,580 --> 01:17:53,340

very embarrassing but the email was just

1810

01:17:57,529 --> 01:17:55,590

just so well-written about the fact that

1811

01:18:00,020 --> 01:17:57,539

they wanted disclosure they wanted to

1812

01:18:02,179 --> 01:18:00,030

get to the bottom of the UFO phenomena

1813

01:18:05,779 --> 01:18:02,189

this done the other colonel so and so of

1814

01:18:07,189 --> 01:18:05,789

air intelligence it was so this is the

1815

01:18:09,080 --> 01:18:07,199

kind of thing you're up against you see

1816

01:18:12,049 --> 01:18:09,090

Europe against the fantasy Europe

1817

01:18:14,299 --> 01:18:12,059

against you know against strange goings

1818

01:18:17,560 --> 01:18:14,309

on it's a bit all a bit breathtaking

1819

01:18:19,399 --> 01:18:17,570

perhaps I should retire from it all yeah

1820

01:18:21,229 --> 01:18:19,409

well I hope not

1821

01:18:26,149 --> 01:18:21,239

then how would we get our information

1822

01:18:27,679 --> 01:18:26,159

because the aliens are talking to me you

1823

01:18:28,969 --> 01:18:27,689

see don't wish because you might get it

1824

01:18:30,259 --> 01:18:28,979

and that's the thing we may don't wish

1825

01:18:35,839 --> 01:18:30,269

because you might get what you wish for

1826

01:18:39,620 --> 01:18:35,849

and then I'm not wishing for that what I

1827

01:18:43,509 --> 01:18:39,630

I would like to you know have a more

1828

01:18:47,600 --> 01:18:43,519

confirmation just personally of you know

1829

01:18:50,179 --> 01:18:47,610

like a really really compelling sighting

1830

01:18:52,129 --> 01:18:50,189

or something but I don't know if I'm

1831

01:18:55,819 --> 01:18:52,139

ready for an up close and personal

1832

01:18:57,739 --> 01:18:55,829

experience did I remember anyway I can't

1833

01:18:59,000 --> 01:18:57,749

say I can't say that I haven't had any

1834

01:19:01,670 --> 01:18:59,010

but

1835

01:19:03,380 --> 01:19:01,680

yeah well this this is it so you see the

1836

01:19:05,030 --> 01:19:03,390

thing is is that I've had the sightings

1837

01:19:08,630 --> 01:19:05,040

I'm also a deal marked helicopters

1838

01:19:10,940 --> 01:19:08,640

appear in film Lee I've even had a few

1839

01:19:14,120 --> 01:19:10,950

months ago I had I had a tornado jet

1840

01:19:15,770 --> 01:19:14,130

pass very low over me you know I mean

1841

01:19:18,200 --> 01:19:15,780

very low and he had all the camera gear

1842

01:19:21,410 --> 01:19:18,210

on it never all the bristling with pods

1843

01:19:23,930 --> 01:19:21,420

and all sorts on it so what I know for a

1844

01:19:26,810 --> 01:19:23,940

fact that this UFO situation is being

1845

01:19:29,360 --> 01:19:26,820

closely monitored and I know for a fact

1846

01:19:32,030 --> 01:19:29,370

that we're somehow being warned by them

1847

01:19:34,160 --> 01:19:32,040

to abort from a particular course of

1848

01:19:35,870 --> 01:19:34,170

action why they bloody hell they can't

1849

01:19:38,060 --> 01:19:35,880

just get on with it and turn up at some

1850

01:19:40,070 --> 01:19:38,070

Air Force Base somewhere and say look

1851

01:19:41,900 --> 01:19:40,080

here we are this is what we do we'll see

1852

01:19:44,710 --> 01:19:41,910

why we're here it would help but we've

1853

01:19:47,260 --> 01:19:44,720

got this ridiculous agitate I'm very

1854

01:19:49,910 --> 01:19:47,270

disappointed that we've got this vagary

1855

01:19:51,680 --> 01:19:49,920

we've got this vagueness from them as to

1856

01:19:52,670 --> 01:19:51,690

what that show intentions are when

1857

01:19:54,800 --> 01:19:52,680

you're dealing with them

1858

01:19:56,630 --> 01:19:54,810

and that really disappoints me because

1859

01:20:01,760 --> 01:19:56,640

I'm a Yorkshire man I like to be upfront

1860

01:20:04,310 --> 01:20:01,770

very plain spoken and so we just we just

1861

01:20:05,870 --> 01:20:04,320

not getting that speared is this speared

1862

01:20:08,540 --> 01:20:05,880

kind of thing from them we're just

1863

01:20:10,280 --> 01:20:08,550

getting this beggary and it irritates me

1864

01:20:12,470 --> 01:20:10,290

because I want to know what's going on

1865

01:20:14,750 --> 01:20:12,480

but there again it's not surf for

1866

01:20:17,750 --> 01:20:14,760

example Renee a professor in Mexico

1867

01:20:20,660 --> 01:20:17,760

email Mazur a very eminent professor

1868

01:20:24,260 --> 01:20:20,670

yeah in Mexico and he emailed me because

1869

01:20:26,750 --> 01:20:24,270

he believed that I was having UFO

1870

01:20:28,280 --> 01:20:26,760

contact which I am it's going on and he

1871

01:20:30,500 --> 01:20:28,290

was asking all kinds of questions and

1872

01:20:33,320 --> 01:20:30,510

asking could I get them to communicate

1873

01:20:35,390 --> 01:20:33,330

with me could could could they give me

1874

01:20:37,850 --> 01:20:35,400

information to help with my scientific

1875

01:20:39,500 --> 01:20:37,860

study and I'm thinking well indeed so if

1876

01:20:41,450 --> 01:20:39,510

that's the case why the hell can't that

1877

01:20:44,060 --> 01:20:41,460

but I said to him that the thing is with

1878

01:20:46,670 --> 01:20:44,070

it professor is this is that if they do

1879

01:20:49,310 --> 01:20:46,680

communicate with you and you put that in

1880

01:20:51,200 --> 01:20:49,320

the public domain of the information

1881

01:20:52,730 --> 01:20:51,210

that is scientific that you understand

1882

01:20:54,710 --> 01:20:52,740

and they understand because he's a very

1883

01:20:55,970 --> 01:20:54,720

clever man and it's very advanced he

1884

01:20:58,400 --> 01:20:55,980

puts it in the public domain he'll be

1885

01:21:01,280 --> 01:20:58,410

mysteriously targeted running he'll be

1886

01:21:03,380 --> 01:21:01,290

targeted by something that is mysterious

1887

01:21:06,170 --> 01:21:03,390

he doesn't understand that he'll get hit

1888

01:21:08,630 --> 01:21:06,180

and that's the tragedy of it that's the

1889

01:21:11,510 --> 01:21:08,640

tragedy of it or that this man who's

1890

01:21:12,739 --> 01:21:11,520

more qualified than I am and will

1891

01:21:15,950 --> 01:21:12,749

probably even underst

1892

01:21:18,169 --> 01:21:15,960

better than I would is denied access to

1893

01:21:20,239 --> 01:21:18,179

the information and the people in the

1894

01:21:21,830 --> 01:21:20,249

UFOs are not giving that information and

1895

01:21:25,040 --> 01:21:21,840

if he wants to put it out there he would

1896

01:21:26,899 --> 01:21:25,050

then be mysteriously targeted by MKULTRA

1897

01:21:31,219 --> 01:21:26,909

style technology is an absolute tragedy

1898

01:21:33,680 --> 01:21:31,229

oh he is yeah how many people do you

1899

01:21:35,239 --> 01:21:33,690

think are actually we're almost out of

1900

01:21:36,859 --> 01:21:35,249

time but you think there's that many

1901
01:21:38,239 --> 01:21:36,869
people out there that are being targeted

1902
01:21:39,919 --> 01:21:38,249
yes I do

1903
01:21:42,109 --> 01:21:39,929
I think it's they're targeted at many

1904
01:21:45,049 --> 01:21:42,119
levels I think some people are just

1905
01:21:47,029 --> 01:21:45,059
targeted for the sheer Oh laughter value

1906
01:21:49,189 --> 01:21:47,039
of it for the sheer vindictiveness for

1907
01:21:50,899 --> 01:21:49,199
it and I think other people are targeted

1908
01:21:53,089 --> 01:21:50,909
because they're viewed as subversives

1909
01:21:55,310 --> 01:21:53,099
and other people are neroli monitored

1910
01:21:58,430 --> 01:21:55,320
and targeted because of their strange

1911
01:22:00,080 --> 01:21:58,440
goings on and I think it's being kept

1912
01:22:02,450 --> 01:22:00,090
quite about in fact I think it's a very

1913
01:22:04,689 --> 01:22:02,460

very big scandal I think we had some

1914

01:22:09,049 --> 01:22:04,699

guys in California who were part of the

1915

01:22:10,790 --> 01:22:09,059

who were the homosexual I think and they

1916

01:22:12,649 --> 01:22:10,800

were all being targeted at the same time

1917

01:22:19,339 --> 01:22:12,659

by the same woman with the same voice in

1918

01:22:20,899 --> 01:22:19,349

the head we're gonna have to come back

1919

01:22:22,879 --> 01:22:20,909

because the music's rolling and the

1920

01:22:25,580 --> 01:22:22,889

show's ending and I wish you all the

1921

01:22:27,729 --> 01:22:25,590

best and happy holidays thank you so

1922

01:22:30,890 --> 01:22:27,739

much Stoney topping go to Tony topic

1923

01:22:33,200 --> 01:22:30,900

wordpress.com get more information and

1924

01:22:36,589 --> 01:22:33,210

stay tuned also check them out on

1925

01:22:42,620 --> 01:22:36,599

YouTube I did take care everybody happy

1926

01:22:42,630 --> 01:23:12,750

[Music]

1927

01:23:18,850 --> 01:23:16,000

when we go out to eat we never agree on

1928

01:23:20,830 --> 01:23:18,860

where to go what burgers pizza tacos it

1929

01:23:22,480 --> 01:23:20,840

is the one thing we do agree on is we

1930

01:23:25,750 --> 01:23:22,490

all want unlimited high-speed data

1931

01:23:27,490 --> 01:23:25,760

that's why we switch to metro pcs stop

1932

01:23:29,500 --> 01:23:27,500

by metro pcs with the whole family and

1933

01:23:32,650 --> 01:23:29,510

get four lines with unlimited LTE data

1934

01:23:34,270 --> 01:23:32,660

for just \$100 period metro pcs Wireless

1935

01:23:35,560 --> 01:23:34,280

figured out covers not available in some

1936

01:23:36,520 --> 01:23:35,570

areas offered by reporting of number not

1937

01:23:37,690 --> 01:23:36,530

currently active on t-mobile network

1938

01:23:38,830 --> 01:23:37,700

during congestion the fraction of

1939

01:23:40,330 --> 01:23:38,840

customers used more than three bud cakes

1940

01:23:42,070 --> 01:23:40,340

per month may notice reduce beats video
