

# UFO Headline News | Thursday December 21st, 2017

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:07,490 --> 00:00:03,379  
welcome welcome to UFO headline news

2  
00:00:12,070 --> 00:00:07,500  
with me Heidi Hollis today is Thursday

3  
00:00:15,220 --> 00:00:12,080  
December 21st 2017 and to discuss

4  
00:00:19,429 --> 00:00:15,230  
something in regards to the Pentagon

5  
00:00:23,330 --> 00:00:19,439  
admission about their investigation into

6  
00:00:27,349 --> 00:00:23,340  
UFOs for at least five years spending 22

7  
00:00:30,410 --> 00:00:27,359  
million dollars that's a big deal but

8  
00:00:33,229 --> 00:00:30,420  
for some reason there was mentioning

9  
00:00:36,020 --> 00:00:33,239  
that compared to the United States

10  
00:00:41,479 --> 00:00:36,030  
budget and the billions 22 million isn't

11  
00:00:43,970 --> 00:00:41,489  
anything uh well it's a lot of money

12  
00:00:45,889 --> 00:00:43,980  
when you think about gosh that would

13  
00:00:48,229 --> 00:00:45,899

look good in my bank account twenty two

14

00:00:53,330 --> 00:00:48,239

million dollars come on now come on

15

00:00:55,310 --> 00:00:53,340

really I think they put enough into it I

16

00:00:57,920 --> 00:00:55,320

really do I mean we're talking about a

17

00:01:00,590 --> 00:00:57,930

little over what four million a year or

18

00:01:04,100 --> 00:01:00,600

something yeah yeah so they put

19

00:01:06,710 --> 00:01:04,110

something into that I have to say I also

20

00:01:10,399 --> 00:01:06,720

have to comment about something that

21

00:01:17,330 --> 00:01:10,409

this certain astrophysicist named Neil

22

00:01:20,920 --> 00:01:17,340

deGrasse Tyson he went on CNN and just

23

00:01:25,730 --> 00:01:20,930

the other day just just to state that

24

00:01:28,429 --> 00:01:25,740

unidentified means unidentified we don't

25

00:01:32,510 --> 00:01:28,439

know what we're looking at so to call it

26

00:01:37,160 --> 00:01:32,520

aliens I mean I mean like truly he's

27

00:01:41,840 --> 00:01:37,170

he's throwing the the decades-old thing

28

00:01:44,240 --> 00:01:41,850

of skeptics and bunkers constantly using

29

00:01:46,149 --> 00:01:44,250

that you're not qualified to look at the

30

00:01:49,580 --> 00:01:46,159

sky Oh

31

00:01:52,310 --> 00:01:49,590

highly disappointing there mister tyson

32

00:01:53,780 --> 00:01:52,320

i mean come on really really did you

33

00:01:56,240 --> 00:01:53,790

really go there and use that same old

34

00:01:59,209 --> 00:01:56,250

rehash thing you're making me think that

35

00:02:00,770 --> 00:01:59,219

you're on a payroll of somebody's mm-hmm

36

00:02:01,760 --> 00:02:00,780

i can't help but to think that i

37

00:02:04,520 --> 00:02:01,770

couldn't believe it

38

00:02:07,039 --> 00:02:04,530

i'm like really dude the pentagon just

39

00:02:10,249 --> 00:02:07,049

told you that the guy in charge of the

40

00:02:13,780 --> 00:02:10,259

pentagon secret black pro program

41

00:02:16,600 --> 00:02:13,790

project told you

42

00:02:19,130 --> 00:02:16,610

we're pretty sure we're not alone oh but

43

00:02:21,500 --> 00:02:19,140

mr. Tyson has to say

44

00:02:26,330 --> 00:02:21,510

oh it's unidentified I mean dude really

45

00:02:29,510 --> 00:02:26,340

yeah unidentified because it's defying

46

00:02:35,210 --> 00:02:29,520

all means of transportation that we have

47

00:02:37,120 --> 00:02:35,220

in the world today dude I was looking at

48

00:02:39,890 --> 00:02:37,130

that and I'm like I just cannot believe

49

00:02:41,240 --> 00:02:39,900

he said that I think every debunker

50

00:02:43,760 --> 00:02:41,250

that's been on the government payroll

51  
00:02:45,410 --> 00:02:43,770  
has used that one you're not qualified

52  
00:02:47,870 --> 00:02:45,420  
to look at the sky and say what you're

53  
00:02:51,010 --> 00:02:47,880  
seeing these eyeballs know there's

54  
00:02:53,900 --> 00:02:51,020  
another one with the pilots who were

55  
00:02:55,580 --> 00:02:53,910  
filming this this object this black

56  
00:02:57,620 --> 00:02:55,590  
object they probably got like the worst

57  
00:02:59,390 --> 00:02:57,630  
piece of footage that they could get as

58  
00:03:02,210 --> 00:02:59,400  
far as the UFO sightings concerned me

59  
00:03:05,330 --> 00:03:02,220  
because I know they have tons more they

60  
00:03:06,500 --> 00:03:05,340  
were investigating for five years you

61  
00:03:10,490 --> 00:03:06,510  
mean to tell me they couldn't get

62  
00:03:12,620 --> 00:03:10,500  
anything better than a black blob you

63  
00:03:14,420 --> 00:03:12,630

know I think there's some ten-year-old

64

00:03:15,710 --> 00:03:14,430

out there who have snapshots of UFOs

65

00:03:20,150 --> 00:03:15,720

have been better than that

66

00:03:21,650 --> 00:03:20,160

but the statement from Luis Elizondo the

67

00:03:24,620 --> 00:03:21,660

guy that was in charge of this Pentagon

68

00:03:26,570 --> 00:03:24,630

black project he said you know millions

69

00:03:30,080 --> 00:03:26,580

of dollars have been put into these

70

00:03:33,010 --> 00:03:30,090

pilots these filmed this so-called UFO

71

00:03:37,790 --> 00:03:33,020

I'm sorry they don't know what it is

72

00:03:42,500 --> 00:03:37,800

object that they were trained to be

73

00:03:44,360 --> 00:03:42,510

observers yes well you know I think my

74

00:03:47,030 --> 00:03:44,370

eyeballs have a lot more training

75

00:03:50,030 --> 00:03:47,040

involved in a lot more hours on the

76

00:03:53,380 --> 00:03:50,040

roads of America and I live in Chicago

77

00:03:57,500 --> 00:03:53,390

so I really have to keep my eyes peeled

78

00:03:59,570 --> 00:03:57,510

so um don't discredit our eyeballs just

79

00:04:02,110 --> 00:03:59,580

because others were trained to look for

80

00:04:06,500 --> 00:04:02,120

terrorists or whatnot I mean come on

81

00:04:09,530 --> 00:04:06,510

come on how many times has a regular

82

00:04:11,690 --> 00:04:09,540

everyday person been so observant that

83

00:04:15,800 --> 00:04:11,700

they've saved another person's life or

84

00:04:19,910 --> 00:04:15,810

stopped a thief or stopped a terrorist

85

00:04:22,159 --> 00:04:19,920

act come on give us a break give us give

86

00:04:25,400 --> 00:04:22,169

us some credit okay we're not all stupid

87

00:04:26,930 --> 00:04:25,410

we're not all blind we do trust our

88

00:04:31,720 --> 00:04:26,940

eyeballs out here

89

00:04:36,920 --> 00:04:31,730

and mr. Tyson dropped that age age

90

00:04:39,320 --> 00:04:36,930

ancient old rhetoric about no

91

00:04:40,970 --> 00:04:39,330

unidentified means unidentified come on

92

00:04:43,460 --> 00:04:40,980

and the look on his face the way he was

93

00:04:45,530 --> 00:04:43,470

carrying on I was like really

94

00:04:48,680 --> 00:04:45,540

really I mean you think he was gonna

95

00:04:50,390 --> 00:04:48,690

crack a joke next I just a hold on that

96

00:04:52,940 --> 00:04:50,400

maybe that was the joke Lutz

97

00:04:55,700 --> 00:04:52,950

unidentified oh good lord you know check

98

00:04:59,420 --> 00:04:55,710

out the link I will put it up on UFO

99

00:05:01,240 --> 00:04:59,430

headline news dot-com and you'd be the

100

00:05:04,700 --> 00:05:01,250

judge of that

101  
00:05:08,240 --> 00:05:04,710  
whatever okay we're moving on blasting

102  
00:05:13,580 --> 00:05:08,250  
off with some UFO reports we tidy

103  
00:05:18,230 --> 00:05:13,590  
breathe a black triangle sighting in

104  
00:05:22,640 --> 00:05:18,240  
Dubuque Iowa this occurred kind of a

105  
00:05:25,130 --> 00:05:22,650  
blast from the past on October 15 2016

106  
00:05:27,680 --> 00:05:25,140  
and in brief the witness states silent

107  
00:05:29,600 --> 00:05:27,690  
blended in with the background except

108  
00:05:33,909 --> 00:05:29,610  
the five lights on the bottom in

109  
00:05:38,720 --> 00:05:33,919  
triangle form going fast no sound or

110  
00:05:40,280 --> 00:05:38,730  
after sound in more detail they go on to

111  
00:05:42,470 --> 00:05:40,290  
state I wouldn't have a cigarette at

112  
00:05:44,990 --> 00:05:42,480  
around 9:00 p.m. I always look up at the

113  
00:05:47,840 --> 00:05:45,000

night as I am fascinated with space

114

00:05:51,440 --> 00:05:47,850

about halfway through my cigarette I

115

00:05:54,440 --> 00:05:51,450

seen very faint red and amber colored

116

00:05:55,490 --> 00:05:54,450

lights moving fast I thought it was a

117

00:05:59,540 --> 00:05:55,500

plane or something

118

00:06:01,730 --> 00:05:59,550

as it got overhead I noticed the pattern

119

00:06:04,370 --> 00:06:01,740

of the lights were strange and the craft

120

00:06:07,670 --> 00:06:04,380

itself was big for the distance from the

121

00:06:10,460 --> 00:06:07,680

ground it was I don't edit these things

122

00:06:12,470 --> 00:06:10,470

I just read them also the surface of the

123

00:06:15,620 --> 00:06:12,480

craft seemed to blend in with the night

124

00:06:19,610 --> 00:06:15,630

sky determined as it blocked out the

125

00:06:22,640 --> 00:06:19,620

Stars as it passed them also as fast as

126

00:06:24,890 --> 00:06:22,650

it was going and being overhead I was

127

00:06:27,290 --> 00:06:24,900

expecting to hear the delayed sound of

128

00:06:30,140 --> 00:06:27,300

an aviation engine as it went out of

129

00:06:32,690 --> 00:06:30,150

sight behind the houses there was never

130

00:06:34,820 --> 00:06:32,700

a sound and I will never forget the

131

00:06:37,550 --> 00:06:34,830

incident or the shape of the craft and

132

00:06:40,610 --> 00:06:37,560

lights as it took me some serious

133

00:06:43,400 --> 00:06:40,620

adjusting to the eyes to see the craft

134

00:06:45,400 --> 00:06:43,410

the night sky this isn't my first time

135

00:06:49,580 --> 00:06:45,410

seeing things that are unexplainable

136

00:06:52,129 --> 00:06:49,590

both in Iowa and Illinois after the

137

00:06:54,740 --> 00:06:52,139

craft left my sight and I knew I had

138

00:06:57,350 --> 00:06:54,750

seen another unexplained aircraft I

139

00:07:00,140 --> 00:06:57,360

quickly went inside and drew a picture

140

00:07:02,450 --> 00:07:00,150

and couldn't believe it as it was my

141

00:07:07,969 --> 00:07:02,460

first time seeing one of these that I

142

00:07:12,560 --> 00:07:07,979

was able to see the shape of it the next

143

00:07:16,210 --> 00:07:12,570

UFO sighting this is not a UFO sighting

144

00:07:20,510 --> 00:07:16,220

this is an alien encounter in gallant

145

00:07:25,010 --> 00:07:20,520

Alabama this was said to have taken

146

00:07:28,810 --> 00:07:25,020

place November 23rd 2017 and in brief

147

00:07:32,810 --> 00:07:28,820

they state encounter with two entities

148

00:07:35,810 --> 00:07:32,820

the witness states I was awoke at 4:00

149

00:07:36,469 --> 00:07:35,820

a.m. to find myself unable to move in my

150

00:07:39,620 --> 00:07:36,479

bed

151  
00:07:42,469 --> 00:07:39,630  
there was a curved screen floating above

152  
00:07:46,600 --> 00:07:42,479  
my head the screen appeared to have no

153  
00:07:49,250 --> 00:07:46,610  
mass as there was no edges of the screen

154  
00:07:52,850 --> 00:07:49,260  
the screen was translucent and I could

155  
00:07:56,120 --> 00:07:52,860  
see through it small images would blink

156  
00:07:58,250 --> 00:07:56,130  
on the screen every half a second each

157  
00:08:00,469 --> 00:07:58,260  
time the image appeared it would be the

158  
00:08:04,520 --> 00:08:00,479  
same image displayed on the screen a

159  
00:08:06,680 --> 00:08:04,530  
hundred images at the same time I didn't

160  
00:08:07,520 --> 00:08:06,690  
recognize any of the symbols as being

161  
00:08:11,120 --> 00:08:07,530  
known to me

162  
00:08:14,120 --> 00:08:11,130  
I then peered through the screen and saw

163  
00:08:17,029 --> 00:08:14,130

two dark figures they were standing in

164

00:08:21,320 --> 00:08:17,039

opposite corners of the room at the foot

165

00:08:24,350 --> 00:08:21,330

of my bed the figures were no more than

166

00:08:28,390 --> 00:08:24,360

four feet tall and were covered in a

167

00:08:31,760 --> 00:08:28,400

shroud of shifting darkness shadow I

168

00:08:35,510 --> 00:08:31,770

felt a sense of fear come over me

169

00:08:37,370 --> 00:08:35,520

it was dire fear I remember looking over

170

00:08:39,620 --> 00:08:37,380

at my dog who was sleeping on my bed

171

00:08:42,079 --> 00:08:39,630

with me and feeling upset that the dog

172

00:08:45,500 --> 00:08:42,089

was still sleeping and not barking at

173

00:08:47,420 --> 00:08:45,510

the intruders or tried to help me I then

174

00:08:52,490 --> 00:08:47,430

yelled at the two intruders and told

175

00:08:54,460 --> 00:08:52,500

them a cheesy double hockey sticks no

176

00:08:56,280 --> 00:08:54,470

I'm not allowing it and I

177

00:09:00,130 --> 00:08:56,290

told them they had to leave immediately

178

00:09:02,680 --> 00:09:00,140

I couldn't make out any facial features

179

00:09:06,580 --> 00:09:02,690

but could see one of the intruders turn

180

00:09:08,800 --> 00:09:06,590

its head to the other one as if it was

181

00:09:13,720 --> 00:09:08,810

in shock of the fact that I had ordered

182

00:09:17,020 --> 00:09:13,730

them to leave the blackness / shroud

183

00:09:20,320 --> 00:09:17,030

around them appeared to move rapidly or

184

00:09:24,100 --> 00:09:20,330

shimmer as much as black fog can shimmer

185

00:09:26,110 --> 00:09:24,110

and then they were gone immediately I

186

00:09:29,320 --> 00:09:26,120

had control of my body and could move

187

00:09:30,970 --> 00:09:29,330

again I jumped up and turned the lights

188

00:09:33,310 --> 00:09:30,980

on and searched the room for the

189

00:09:35,950 --> 00:09:33,320

entities I didn't find anything

190

00:09:38,050 --> 00:09:35,960

I was visibly shaken by the experience

191

00:09:41,520 --> 00:09:38,060

and it took me a few minutes to calm

192

00:09:44,020 --> 00:09:41,530

down and stop my body from shaking I

193

00:09:47,590 --> 00:09:44,030

looked at the clock when I jumped out of

194

00:09:50,350 --> 00:09:47,600

bed and it said 4:30 a.m. I remember

195

00:09:53,440 --> 00:09:50,360

being upset because I had to get up at 8

196

00:09:56,470 --> 00:09:53,450

a.m. to get the turkey ready to go in

197

00:10:00,400 --> 00:09:56,480

the oven for Thanksgiving and that's the

198

00:10:04,210 --> 00:10:00,410

end of the story oh I have always stated

199

00:10:07,780 --> 00:10:04,220

shadow people are related to alien

200

00:10:12,070 --> 00:10:07,790

abductions and this is kind of a blend

201  
00:10:14,560 --> 00:10:12,080  
to show the two having similar things

202  
00:10:18,040 --> 00:10:14,570  
going on got technology you got black

203  
00:10:21,790 --> 00:10:18,050  
mass and shadowy figures and wearing the

204  
00:10:25,560 --> 00:10:21,800  
hood though does indicate more alien ish

205  
00:10:27,610 --> 00:10:25,570  
more of a solid entity I should say but

206  
00:10:30,390 --> 00:10:27,620  
shadow beings will be seen right

207  
00:10:34,360 --> 00:10:30,400  
alongside such creatures as well so

208  
00:10:38,920 --> 00:10:34,370  
fascinating fascinating the next UFO

209  
00:10:40,720 --> 00:10:38,930  
sighting in Sacramento California this

210  
00:10:45,220 --> 00:10:40,730  
is a UFO blast from the past this

211  
00:10:46,840 --> 00:10:45,230  
occurred November 6 2015 in brief the

212  
00:10:49,720 --> 00:10:46,850  
witness states it was around 10:00 p.m.

213  
00:10:52,360 --> 00:10:49,730

I was on the phone with my boyfriend we

214

00:10:54,910 --> 00:10:52,370

hung up I decided to go to the store I

215

00:10:57,250 --> 00:10:54,920

left my apartment and went to the store

216

00:10:59,200 --> 00:10:57,260

got my items I started walking out the

217

00:11:03,860 --> 00:10:59,210

door towards the stop light I looked up

218

00:11:06,410 --> 00:11:03,870

to the sky and saw the stars okay

219

00:11:08,810 --> 00:11:06,420

I have to say when I first glanced at

220

00:11:11,420 --> 00:11:08,820

this I usually don't read ahead but I

221

00:11:14,810 --> 00:11:11,430

glanced at the size of this report and

222

00:11:18,710 --> 00:11:14,820

then I realized this person put

223

00:11:23,269 --> 00:11:18,720

absolutely no periods in this entire

224

00:11:25,940 --> 00:11:23,279

report it is a giant monstrosity of a

225

00:11:29,780 --> 00:11:25,950

run-on sentence oh except for putting a

226

00:11:33,200 --> 00:11:29,790

period after like 10:00 p.m. or 10:00

227

00:11:35,360 --> 00:11:33,210

a.m. I just I'm not kidding you most

228

00:11:37,850 --> 00:11:35,370

times people just don't capitalize

229

00:11:39,800 --> 00:11:37,860

things and goof around with their

230

00:11:42,050 --> 00:11:39,810

wording but this is it this is going to

231

00:11:46,190 --> 00:11:42,060

be a doozy so bear with me as I plan

232

00:11:52,010 --> 00:11:46,200

some breaths as I read this over to page

233

00:11:54,829 --> 00:11:52,020

long report with no periods ok the

234

00:11:57,890 --> 00:11:54,839

witness goes into more detail and in one

235

00:12:00,590 --> 00:11:57,900

breath it was around 10:00 p.m. on a

236

00:12:03,110 --> 00:12:00,600

Sunday night it just happened to be the

237

00:12:05,870 --> 00:12:03,120

biggest meteor shower in history they

238

00:12:07,519 --> 00:12:05,880

said on the news and advised us to stay

239

00:12:10,010 --> 00:12:07,529

inside mm-hmm

240

00:12:11,870 --> 00:12:10,020

I was on the phone with my boyfriend we

241

00:12:15,170 --> 00:12:11,880

hung up I decided to leave my apartment

242

00:12:17,600 --> 00:12:15,180

and go to the store I forgot they said

243

00:12:20,480 --> 00:12:17,610

stay in the house I walked to the store

244

00:12:22,820 --> 00:12:20,490

got my items and walked out the door

245

00:12:26,240 --> 00:12:22,830

looked up in the sky and notice the

246

00:12:29,600 --> 00:12:26,250

Stars look strange they were hovering as

247

00:12:32,930 --> 00:12:29,610

I was walking I remembered oh there is a

248

00:12:35,720 --> 00:12:32,940

meteor shower but I look to the side of

249

00:12:38,540 --> 00:12:35,730

the stars and I noticed two objects

250

00:12:41,900 --> 00:12:38,550

hovering with a red light and a green

251  
00:12:46,100 --> 00:12:41,910  
light and it was stationary staggering

252  
00:12:49,130 --> 00:12:46,110  
hold on no I don't recall there being a

253  
00:12:52,220 --> 00:12:49,140  
report to stay indoors because of a

254  
00:12:56,300 --> 00:12:52,230  
meteor shower in Sacramento anybody

255  
00:12:58,160 --> 00:12:56,310  
anybody I don't know staggering each

256  
00:13:00,350 --> 00:12:58,170  
other I continued to walk towards a

257  
00:13:02,300 --> 00:13:00,360  
streetlight and it was a red light I

258  
00:13:05,380 --> 00:13:02,310  
stopped I looked at the stars and the

259  
00:13:07,940 --> 00:13:05,390  
stars turn black they turned off I

260  
00:13:09,620 --> 00:13:07,950  
thought that was really strange and got

261  
00:13:12,829 --> 00:13:09,630  
scared I started to walk towards my

262  
00:13:15,470 --> 00:13:12,839  
apartment really quickly and then the

263  
00:13:16,940 --> 00:13:15,480

two staggering objects started to move

264

00:13:19,580 --> 00:13:16,950

in a straight line

265

00:13:22,460 --> 00:13:19,590

in the sky as I got closer to my

266

00:13:25,070 --> 00:13:22,470

apartment I said oh this is just an

267

00:13:27,500 --> 00:13:25,080

airplane when I said that I was getting

268

00:13:29,990 --> 00:13:27,510

closer to my apartment it changed

269

00:13:32,450 --> 00:13:30,000

direction it started to come towards me

270

00:13:34,910 --> 00:13:32,460

I thought nothing of it and continued to

271

00:13:36,650 --> 00:13:34,920

walk and look at the Stars and as I got

272

00:13:39,200 --> 00:13:36,660

closer to my apartment and near my

273

00:13:41,060 --> 00:13:39,210

swimming pool the staggering objects

274

00:13:44,060 --> 00:13:41,070

with the red and green light flew

275

00:13:47,200 --> 00:13:44,070

towards me and jumped out at me in front

276

00:13:50,810 --> 00:13:47,210

of my face about one to two feet and

277

00:13:54,830 --> 00:13:50,820

hovered in the sky right above my right

278

00:13:58,390 --> 00:13:54,840

at eye level I was terrified and noticed

279

00:14:00,680 --> 00:13:58,400

immediately it was an airplane I

280

00:14:02,900 --> 00:14:00,690

screamed to the top of my lungs it

281

00:14:05,120 --> 00:14:02,910

started to run towards my apartment I am

282

00:14:09,140 --> 00:14:05,130

thinking the person meant that it wasn't

283

00:14:11,690 --> 00:14:09,150

an airplane not it was my apartment

284

00:14:13,820 --> 00:14:11,700

screaming when I started to run the

285

00:14:16,280 --> 00:14:13,830

objects took off and flew around the

286

00:14:18,680 --> 00:14:16,290

building and landed on top of the

287

00:14:23,420 --> 00:14:18,690

apartment building where I was staying

288

00:14:24,890 --> 00:14:23,430

apartment 137 when I got in my apartment

289

00:14:27,790 --> 00:14:24,900

I stood in the middle of the floor

290

00:14:31,520 --> 00:14:27,800

grabbed my Bible and started to cry and

291

00:14:34,760 --> 00:14:31,530

still there shaking for about 60 seconds

292

00:14:37,820 --> 00:14:34,770

then I sat down I will still extremely

293

00:14:40,250 --> 00:14:37,830

terrified I heard a loud terrible noise

294

00:14:43,130 --> 00:14:40,260

and shaking on my building like an

295

00:14:46,580 --> 00:14:43,140

earthquake and the object took off up in

296

00:14:50,570 --> 00:14:46,590

the sky and it left with a loud roar I

297

00:14:52,400 --> 00:14:50,580

later on that night call my mother and

298

00:14:55,340 --> 00:14:52,410

my husband and then explain what I saw

299

00:14:57,650 --> 00:14:55,350

and couldn't get to sleep my mother

300

00:14:59,420 --> 00:14:57,660

stayed on the phone with me the next day

301  
00:15:01,940 --> 00:14:59,430  
I was taking some pictures but when we

302  
00:15:04,970 --> 00:15:01,950  
go out to eat we never agree on where to

303  
00:15:06,830 --> 00:15:04,980  
go what burgers pizza tacos it is the

304  
00:15:08,990 --> 00:15:06,840  
one thing we do agree on is we all want

305  
00:15:12,050 --> 00:15:09,000  
unlimited high-speed data that's why we

306  
00:15:13,730 --> 00:15:12,060  
switch to metro pcs stop by metro pcs

307  
00:15:16,640 --> 00:15:13,740  
with the whole family and get four lines

308  
00:15:19,250 --> 00:15:16,650  
with unlimited LTE data for just \$100 .

309  
00:15:20,450 --> 00:15:19,260  
metro pcs Wireless figured out covers

310  
00:15:21,620 --> 00:15:20,460  
not available in some areas offered by

311  
00:15:22,850 --> 00:15:21,630  
reporting a member not currently active

312  
00:15:23,930 --> 00:15:22,860  
on t-mobile network during congestion

313  
00:15:25,340 --> 00:15:23,940

the fraction of customers used more than

314

00:15:26,240 --> 00:15:25,350

35 gigs per month may notice reduced

315

00:15:27,980 --> 00:15:26,250

beats video streams

316

00:15:30,080 --> 00:15:27,990

240p no tethering see store for details

317

00:15:31,670 --> 00:15:30,090

in terms and conditions because I was

318

00:15:34,190 --> 00:15:31,680

getting ready to leave and I looked at

319

00:15:38,180 --> 00:15:34,200

the picture and notice on the side of my

320

00:15:41,300 --> 00:15:38,190

picture in the doorway was an entity it

321

00:15:44,210 --> 00:15:41,310

was tall was a huge head huge eyes very

322

00:15:47,390 --> 00:15:44,220

thin metallic green color and it was

323

00:15:49,400 --> 00:15:47,400

standing in my bathroom the lights were

324

00:15:52,340 --> 00:15:49,410

out in the bathroom but you can see it

325

00:15:54,470 --> 00:15:52,350

it was in my photo and it was just

326

00:15:59,660 --> 00:15:54,480

staring at me it was around 10 o'clock

327

00:16:01,250 --> 00:15:59,670

p.m. on a Sunday Sunday night it just

328

00:16:04,670 --> 00:16:01,260

happened to be the biggest meteor shower

329

00:16:08,150 --> 00:16:04,680

in history they said and advised us to

330

00:16:11,570 --> 00:16:08,160

stay inside ok it sounds like this

331

00:16:16,340 --> 00:16:11,580

person is repeating themselves I don't

332

00:16:18,110 --> 00:16:16,350

know why ok repeat repeat repeat and all

333

00:16:23,720 --> 00:16:18,120

the way down to the bottom this person

334

00:16:27,080 --> 00:16:23,730

states ok that they are often seeing

335

00:16:29,570 --> 00:16:27,090

these things in photos and they just

336

00:16:32,150 --> 00:16:29,580

show their eyes looking so you have to

337

00:16:33,920 --> 00:16:32,160

look very well and zoom in if I cannot

338

00:16:36,079 --> 00:16:33,930

attach the photos please try to contact

339

00:16:39,140 --> 00:16:36,089

me please help

340

00:16:42,290 --> 00:16:39,150

I will send these photos ok that was an

341

00:16:45,740 --> 00:16:42,300

interesting one moving on another UFO

342

00:16:46,400 --> 00:16:45,750

sighting in Buffalo West Virginia this

343

00:16:50,360 --> 00:16:46,410

occurred

344

00:16:53,780 --> 00:16:50,370

November 26th 2017 in brief a state

345

00:16:56,810 --> 00:16:53,790

bright solid star moves in a path then

346

00:16:58,970 --> 00:16:56,820

fades away they go on to state I walked

347

00:17:02,180 --> 00:16:58,980

out of my parents home after having

348

00:17:05,600 --> 00:17:02,190

dinner at roughly 6:40 p.m. while

349

00:17:09,260 --> 00:17:05,610

leaving I looked up facing the south as

350

00:17:13,490 --> 00:17:09,270

I was getting in my car I saw a very

351

00:17:16,939 --> 00:17:13,500

bright red star almost orb like up in

352

00:17:19,670 --> 00:17:16,949

the sky the object was moving slowly at

353

00:17:24,260 --> 00:17:19,680

a steady pace at first I thought it

354

00:17:26,480 --> 00:17:24,270

could be the ISS or a low orbiting

355

00:17:28,280 --> 00:17:26,490

satellite because of the 2 o'clock

356

00:17:30,590 --> 00:17:28,290

position moving east

357

00:17:34,520 --> 00:17:30,600

there was the blinking of an airplane

358

00:17:38,120 --> 00:17:34,530

moving away there was only one plane to

359

00:17:40,430 --> 00:17:38,130

be heard jet noise again the rate of

360

00:17:44,870 --> 00:17:40,440

speed was slow but kant's

361

00:17:47,000 --> 00:17:44,880

this lasted approximately 30 seconds the

362

00:17:50,060 --> 00:17:47,010

object past the roofline of the house

363

00:17:52,010 --> 00:17:50,070

moving south to north about five to ten

364

00:17:54,830 --> 00:17:52,020

seconds after passing the roofline the

365

00:17:58,190 --> 00:17:54,840

object appeared and had changed

366

00:18:02,420 --> 00:17:58,200

directions with a soft 90-degree turn

367

00:18:04,600 --> 00:18:02,430

west and ascended as the object ascended

368

00:18:08,570 --> 00:18:04,610

it faded for about a second

369

00:18:10,610 --> 00:18:08,580

then nothing the jet engine noise and

370

00:18:13,460 --> 00:18:10,620

the airplane were still present when I

371

00:18:17,470 --> 00:18:13,470

looked back I looked where the object

372

00:18:21,320 --> 00:18:17,480

was and nothing

373

00:18:24,560 --> 00:18:21,330

the next UFO sighting black triangle

374

00:18:25,400 --> 00:18:24,570

sighting in Boulder Colorado this

375

00:18:29,000 --> 00:18:25,410

occurred

376

00:18:31,390 --> 00:18:29,010

November 24 2017 string of lights that

377

00:18:34,610 --> 00:18:31,400

move quickly in flock of bird-like

378

00:18:36,050 --> 00:18:34,620

formation in more detail they stayed

379

00:18:39,770 --> 00:18:36,060

taking my dog out to use the bathroom

380

00:18:42,050 --> 00:18:39,780

around 9:30 p.m. on the southeast side

381

00:18:45,020 --> 00:18:42,060

of a house and I notice this string of

382

00:18:47,870 --> 00:18:45,030

lights moving in a formation similar to

383

00:18:50,780 --> 00:18:47,880

a flock of birds but it also moved like

384

00:18:53,270 --> 00:18:50,790

a school of fish moving quickly through

385

00:18:55,730 --> 00:18:53,280

the sky headed Northwest direction I

386

00:18:58,400 --> 00:18:55,740

thought it was some sort of Christmas

387

00:19:01,070 --> 00:18:58,410

lights but the speed and movement of the

388

00:19:04,130 --> 00:19:01,080

objects pretty much shut that idea down

389

00:19:07,010 --> 00:19:04,140

I couldn't keep my eyes off the object

390

00:19:11,630 --> 00:19:07,020

trying to figure out what it was the

391

00:19:14,090 --> 00:19:11,640

formation was mesmerizing the next year

392

00:19:19,220 --> 00:19:14,100

foe sighting occurred in La Mesa

393

00:19:23,050 --> 00:19:19,230

California on December 15th 2017 in

394

00:19:25,520 --> 00:19:23,060

brief hovering cigar shaped bright light

395

00:19:27,860 --> 00:19:25,530

in more detail

396

00:19:30,590 --> 00:19:27,870

they stayed I was driving to work today

397

00:19:33,170 --> 00:19:30,600

when I saw a massive cigar shaped

398

00:19:35,570 --> 00:19:33,180

brightly I'm just gonna kidding cigar

399

00:19:38,570 --> 00:19:35,580

shaped bright white light hovering over

400

00:19:42,050 --> 00:19:38,580

East County San Diego I was driving east

401  
00:19:44,150 --> 00:19:42,060  
on Interstate 8 when I saw it there was

402  
00:19:46,940 --> 00:19:44,160  
not a single cloud in the sky due to the

403  
00:19:50,450 --> 00:19:46,950  
high pressure that has been present in

404  
00:19:52,160 --> 00:19:50,460  
San Diego I lost it as I was driving

405  
00:19:53,789 --> 00:19:52,170  
through Mission Valley because the

406  
00:19:56,190 --> 00:19:53,799  
southern mesas were blah

407  
00:20:00,269 --> 00:19:56,200  
get out when I drove out of the valley

408  
00:20:03,899 --> 00:20:00,279  
and reached the top of the Mount Asuma

409  
00:20:05,519 --> 00:20:03,909  
Mesa it completely vanished from the sky

410  
00:20:09,629 --> 00:20:05,529  
without a trace

411  
00:20:12,060 --> 00:20:09,639  
I estimate that it was at least a half

412  
00:20:15,269 --> 00:20:12,070  
mile across in length

413  
00:20:18,989 --> 00:20:15,279

that's a mothership I saw this same

414

00:20:22,399 --> 00:20:18,999

object on October 26 2017 from my

415

00:20:24,629 --> 00:20:22,409

balcony moving over the Pacific Ocean I

416

00:20:27,389 --> 00:20:24,639

reported that sighting along with

417

00:20:32,009 --> 00:20:27,399

pictures of it earlier I also have two

418

00:20:33,919 --> 00:20:32,019

short videos of it to the next UFO

419

00:20:35,190 --> 00:20:33,929

sighting that was an incredible sighting

420

00:20:38,039 --> 00:20:35,200

whoof

421

00:20:41,220 --> 00:20:38,049

okay UFO sighting in Madeira Beach

422

00:20:45,509 --> 00:20:41,230

Florida this is a blast from the UFO

423

00:20:47,310 --> 00:20:45,519

past this occurred March 9th 2010 two

424

00:20:49,859 --> 00:20:47,320

glowing orbs when following the other

425

00:20:55,109 --> 00:20:49,869

along shoreline suddenly one vanished up

426  
00:20:57,749 --> 00:20:55,119  
and South the next up and north in more

427  
00:21:02,149 --> 00:20:57,759  
detail at Madeira Beach Florida around

428  
00:21:05,609 --> 00:21:02,159  
March 9th 10th or 11th 2009 2010 or 2011

429  
00:21:09,330 --> 00:21:05,619  
it was about 8:15 p.m. Eastern Standard

430  
00:21:11,249 --> 00:21:09,340  
Time it was dusk with a few scattered

431  
00:21:14,279 --> 00:21:11,259  
clouds I was sitting on our porch

432  
00:21:17,190 --> 00:21:14,289  
overlooking the Gulf of Mexico so in the

433  
00:21:19,919 --> 00:21:17,200  
North I saw two glowing orbs moving

434  
00:21:23,039 --> 00:21:19,929  
southward fairly slowly along the

435  
00:21:26,729 --> 00:21:23,049  
shoreline my first thought was some kid

436  
00:21:29,099 --> 00:21:26,739  
has a really cool remote control toy the

437  
00:21:32,369 --> 00:21:29,109  
two glowing objects appeared to be a

438  
00:21:34,409 --> 00:21:32,379

couple of hundred yards apart one

439

00:21:37,649 --> 00:21:34,419

appeared to follow the other and a few

440

00:21:40,710 --> 00:21:37,659

hundred yards above the shore each orb

441

00:21:44,249 --> 00:21:40,720

appeared to have a tiny red light near

442

00:21:46,919 --> 00:21:44,259

the top these orbs made absolutely no

443

00:21:49,229 --> 00:21:46,929

sound they were silent as soon as the

444

00:21:52,279 --> 00:21:49,239

first orb was passed our building it

445

00:21:56,789 --> 00:21:52,289

took off upwards and to the South

446

00:21:59,099 --> 00:21:56,799

vanishing almost instantly immediately

447

00:22:03,169 --> 00:21:59,109

the second orb took off upwards and

448

00:22:07,019 --> 00:22:03,179

vanished to the north gone almost

449

00:22:09,840 --> 00:22:07,029

instantly I had never seen anything like

450

00:22:13,049 --> 00:22:09,850

it as i sat there wondering what on

451  
00:22:16,980 --> 00:22:13,059  
earth I had just seen along came either

452  
00:22:20,340 --> 00:22:16,990  
two more identical orbs or the same ones

453  
00:22:24,029 --> 00:22:20,350  
I don't know nevertheless the same event

454  
00:22:26,149 --> 00:22:24,039  
repeated itself exactly between five and

455  
00:22:28,799 --> 00:22:26,159  
ten minutes after the first event

456  
00:22:32,249 --> 00:22:28,809  
everything happened the second time

457  
00:22:33,989 --> 00:22:32,259  
exactly as it had the first time other

458  
00:22:36,330 --> 00:22:33,999  
people in the beach or sitting on their

459  
00:22:39,029 --> 00:22:36,340  
balconies must have also seen this

460  
00:22:42,659 --> 00:22:39,039  
happening I put the whole incident out

461  
00:22:48,470 --> 00:22:42,669  
of my mind at the time yet periodically

462  
00:22:51,779 --> 00:22:48,480  
I wonder what did I see what was that

463  
00:22:55,950 --> 00:22:51,789

the next UFO sighting occurred in

464

00:22:57,409 --> 00:22:55,960

British Columbia this happened July 7th

465

00:23:00,330 --> 00:22:57,419

2016

466

00:23:03,840 --> 00:23:00,340

they say they thought it was Venus at

467

00:23:06,210 --> 00:23:03,850

first in more detail they state I was

468

00:23:10,099 --> 00:23:06,220

looking out my bedroom window as I do

469

00:23:14,099 --> 00:23:10,109

often and wrestle with are we alone I

470

00:23:17,369 --> 00:23:14,109

saw what seemed to be a star at first I

471

00:23:21,739 --> 00:23:17,379

thought it might be Venus but it was too

472

00:23:26,820 --> 00:23:21,749

large to be Venus then as if the people

473

00:23:30,599 --> 00:23:26,830

inside saw me it's big white light

474

00:23:33,330 --> 00:23:30,609

turned off no airplane would be allowed

475

00:23:37,080 --> 00:23:33,340

to do that in mid-flight what was left

476

00:23:40,919 --> 00:23:37,090

was a small red light that went over my

477

00:23:43,440 --> 00:23:40,929

house and disappeared from view behind

478

00:23:43,919 --> 00:23:43,450

some apartment behind my house is where

479

00:23:47,489 --> 00:23:43,929

it went

480

00:23:51,060 --> 00:23:47,499

the next time I saw it it was moving

481

00:23:54,029 --> 00:23:51,070

from east to west it passed my field of

482

00:23:59,009 --> 00:23:54,039

view and as it passed its big white

483

00:24:01,200 --> 00:23:59,019

light went out like before I have always

484

00:24:03,269 --> 00:24:01,210

believed that there were indeed other

485

00:24:07,470 --> 00:24:03,279

intelligent and advanced beings out

486

00:24:08,220 --> 00:24:07,480

there and this just proved it for me mhm

487

00:24:11,789 --> 00:24:08,230

mhm

488

00:24:14,940 --> 00:24:11,799

the next UFO sighting occurred in Sierra

489

00:24:16,560 --> 00:24:14,950

Vista Arizona this is a super-duper

490

00:24:19,669 --> 00:24:16,570

blast from the past

491

00:24:25,230 --> 00:24:19,679

this occurred July 31st

492

00:24:28,379 --> 00:24:25,240

1976 a star made a triangular motion in

493

00:24:32,340 --> 00:24:28,389

more detail I must have been 12 or 13

494

00:24:36,720 --> 00:24:32,350

years old around 1976 we lived in Sierra

495

00:24:39,239 --> 00:24:36,730

Vista Arizona the sky was always very

496

00:24:40,769 --> 00:24:39,249

clear out there a buddy of mine and I

497

00:24:44,360 --> 00:24:40,779

were sitting in the back of my dad's

498

00:24:48,239 --> 00:24:44,370

truck looking up and toward the west a

499

00:24:50,730 --> 00:24:48,249

star began to move it moved north to

500

00:24:55,230 --> 00:24:50,740

south in a straight line then up to a

501  
00:24:56,970 --> 00:24:55,240  
center point above its first motion then

502  
00:25:00,600 --> 00:24:56,980  
back to the original point of origin

503  
00:25:04,499 --> 00:25:00,610  
making a perfect triangle as I got older

504  
00:25:08,279 --> 00:25:04,509  
I began to wonder they put wonder wonder

505  
00:25:11,999 --> 00:25:08,289  
if I had just imagined this but 30 years

506  
00:25:14,970 --> 00:25:12,009  
later I met my old buddy in Tampa one

507  
00:25:17,549 --> 00:25:14,980  
weekend as we were reminiscing about our

508  
00:25:19,499 --> 00:25:17,559  
childhood i iost tell me if you remember

509  
00:25:21,419 --> 00:25:19,509  
it sitting in my dad's truck one night

510  
00:25:24,269 --> 00:25:21,429  
and before I could finish what I was

511  
00:25:27,720 --> 00:25:24,279  
about to say he said we saw a star make

512  
00:25:33,210 --> 00:25:27,730  
a triangle he went on to say he thinks

513  
00:25:38,029 --> 00:25:33,220

about it to the next UFO sighting

514

00:25:41,399 --> 00:25:38,039

happened in Litchfield Maine December 14

515

00:25:44,730 --> 00:25:41,409

2017 in brief they say thought it was a

516

00:25:47,070 --> 00:25:44,740

satellite until I saw it stop hover

517

00:25:50,639 --> 00:25:47,080

changed direction stop

518

00:25:54,659 --> 00:25:50,649

hover change direction and do a small

519

00:25:56,970 --> 00:25:54,669

circle and stop in more detail I went

520

00:25:57,749 --> 00:25:56,980

outside about 7:00 p.m. to see how cold

521

00:26:00,389 --> 00:25:57,759

it was

522

00:26:02,580 --> 00:26:00,399

and while I was outdoor I remembered

523

00:26:05,879 --> 00:26:02,590

that a meteor shower was reported on the

524

00:26:07,889 --> 00:26:05,889

weather so I decided to let my eyes get

525

00:26:11,279 --> 00:26:07,899

accustomed to the dark and hopes to see

526  
00:26:13,830 --> 00:26:11,289  
some meteors I saw a bright moving light

527  
00:26:16,350 --> 00:26:13,840  
star-like object and thought Oh a

528  
00:26:19,200 --> 00:26:16,360  
satellite as it was at that high

529  
00:26:22,710 --> 00:26:19,210  
altitude I normally see a satellite and

530  
00:26:24,480 --> 00:26:22,720  
I will watch that while I was there I am

531  
00:26:26,609 --> 00:26:24,490  
very familiar with satellites I have

532  
00:26:29,639 --> 00:26:26,619  
seen and tracked many over the years and

533  
00:26:32,480 --> 00:26:29,649  
thought gee this one is so much brighter

534  
00:26:35,270 --> 00:26:32,490  
than normal of those I usually have seen

535  
00:26:39,950 --> 00:26:35,280  
object was moving from north south on a

536  
00:26:45,650 --> 00:26:39,960  
slight angle it got about what is that

537  
00:26:47,900 --> 00:26:45,660  
any just above a pine tree I used as a

538  
00:26:49,790 --> 00:26:47,910

reference point with no tree limbs

539

00:26:53,090 --> 00:26:49,800

obstructing my view and the object

540

00:26:56,510 --> 00:26:53,100

stopped dead hovered for a minute or so

541

00:26:59,270 --> 00:26:56,520

then changed direction a hundred and

542

00:27:02,150 --> 00:26:59,280

eighty degrees to the north it would a

543

00:27:05,090 --> 00:27:02,160

short distance say about two inches or

544

00:27:08,840 --> 00:27:05,100

so in the sky a decent distance that I

545

00:27:13,370 --> 00:27:08,850

could gauge and stopped again reversed

546

00:27:15,560 --> 00:27:13,380

again a hundred and eighty degrees what

547

00:27:18,980 --> 00:27:15,570

about half the distance passed the same

548

00:27:21,620 --> 00:27:18,990

path to the south and stopped again and

549

00:27:26,360 --> 00:27:21,630

then it did a small circle say about a

550

00:27:29,060 --> 00:27:26,370

half inch diameter diameter kind of

551  
00:27:31,130 --> 00:27:29,070  
wiggling as it went in the circle it

552  
00:27:34,280 --> 00:27:31,140  
then continued on a path to the south

553  
00:27:36,230 --> 00:27:34,290  
and stopped all the while I was watching

554  
00:27:39,100 --> 00:27:36,240  
I could not believe what I was

555  
00:27:42,140 --> 00:27:39,110  
witnessing and wished I had my phone

556  
00:27:45,080 --> 00:27:42,150  
once it stopped I watched a minute or so

557  
00:27:47,480 --> 00:27:45,090  
and since it was still I ran inside to

558  
00:27:48,110 --> 00:27:47,490  
get my phone my wife asked what was the

559  
00:27:50,900 --> 00:27:48,120  
problem

560  
00:27:53,180 --> 00:27:50,910  
as I was almost running and told her I'm

561  
00:27:56,540 --> 00:27:53,190  
watching a UFO I want to get my camera I

562  
00:27:59,450 --> 00:27:56,550  
had took notice of the position using

563  
00:28:01,790 --> 00:27:59,460

the pine tree as a marker it was about

564

00:28:04,850 --> 00:28:01,800

five degrees above the tree in a very

565

00:28:07,340 --> 00:28:04,860

clear sky when I got back outside no

566

00:28:10,490 --> 00:28:07,350

more than a minute it was still in the

567

00:28:13,310 --> 00:28:10,500

same location but perfectly still it

568

00:28:15,980 --> 00:28:13,320

never moved again while I was watching

569

00:28:18,890 --> 00:28:15,990

for the next five minutes wife was

570

00:28:21,400 --> 00:28:18,900

probably rolling her eyes as I pointed

571

00:28:23,780 --> 00:28:21,410

it out to her but it never moved again

572

00:28:27,080 --> 00:28:23,790

after five minutes and since it was

573

00:28:30,320 --> 00:28:27,090

about fourteen degrees outside I went

574

00:28:33,620 --> 00:28:30,330

back inside while I was outside with the

575

00:28:36,260 --> 00:28:33,630

camera I tried to record the object in

576  
00:28:38,510 --> 00:28:36,270  
the event that it moved again but I was

577  
00:28:43,350 --> 00:28:38,520  
unable to see anything on the video I

578  
00:28:45,800 --> 00:28:43,360  
know what I saw it's moved

579  
00:28:49,610 --> 00:28:45,810  
stopped hovered circle change direction

580  
00:28:54,360 --> 00:28:49,620  
moved a good distance across the sky

581  
00:28:59,460 --> 00:28:54,370  
well a full show of UFO reports take

582  
00:29:01,890 --> 00:28:59,470  
that mr. Neil deGrasse Tyson and any

583  
00:29:04,380 --> 00:29:01,900  
other skeptic out there I thought it was

584  
00:29:07,530 --> 00:29:04,390  
very fitting to do a full UFO report

585  
00:29:09,450 --> 00:29:07,540  
show so anyway I want to thank you all

586  
00:29:12,510 --> 00:29:09,460  
for listening to UFO headline news with

587  
00:29:15,600 --> 00:29:12,520  
me Heidi Hollis be sure to check out UFO

588  
00:29:18,090 --> 00:29:15,610

headline news com every single day and

589

00:29:21,570 --> 00:29:18,100

also tune in to my other weekly shows

590

00:29:25,800 --> 00:29:21,580

the Outlander and I co-host on the Kevin

591

00:29:28,260 --> 00:29:25,810

kook show both are at 9 p.m. Eastern a

592

00:29:31,440 --> 00:29:28,270

p.m. central my show is on Fridays

593

00:29:34,170 --> 00:29:31,450

Kevin cook show Tuesdays and catch my

594

00:29:38,130 --> 00:29:34,180

paranormal comic the Outlanders direct

595

00:29:41,370 --> 00:29:38,140

links can be found at the Outlanders

596

00:29:44,030 --> 00:29:41,380

comic calm or Heidi Hollis calm and you

597

00:29:46,380 --> 00:29:44,040

can always go to inception radio

598

00:29:49,080 --> 00:29:46,390

network.com to find absolutely

599

00:29:51,870 --> 00:29:49,090

everything remember to always keep an

600

00:30:11,130 --> 00:29:51,880

open mind so you can stay informed and

601  
00:30:12,540 --> 00:30:11,140  
inspired when we go out to eat we never

602  
00:30:15,510 --> 00:30:12,550  
agree on where to go

603  
00:30:17,430 --> 00:30:15,520  
burgers eats tacos it is the one thing

604  
00:30:19,800 --> 00:30:17,440  
we do agree on is we all want unlimited

605  
00:30:22,560 --> 00:30:19,810  
high-speed data that's why we switch to

606  
00:30:24,240 --> 00:30:22,570  
metro pcs stop by metro pcs with the

607  
00:30:27,300 --> 00:30:24,250  
whole family and get four lines with

608  
00:30:29,550 --> 00:30:27,310  
unlimited LTE data for just \$100 . metro

609  
00:30:30,630 --> 00:30:29,560  
pcs Wireless figured out covers not

610  
00:30:31,680 --> 00:30:30,640  
available in some areas offered by

611  
00:30:33,030 --> 00:30:31,690  
reporting of number not currently active

612  
00:30:34,080 --> 00:30:33,040  
on t-mobile network during congestion

613  
00:30:35,550 --> 00:30:34,090

the fraction of customers used more than

614

00:30:37,110 --> 00:30:35,560

35 gigs per month may notice reduced
