18

00:00:44,860 --> 00:00:42,510

the that's the five Super Bowls at yeah

22

00:00:53,990 --> 00:00:50,879

with the mistake time we think with the

23

00:00:57,590 --> 00:00:54,000

mistake okay for the Roman numeral

24

00:01:07,929 --> 00:00:57,600

mistake on Super Bowl xlix okay alright

25

00:01:13,460 --> 00:01:11,359

okay I already can lower number yeah

26
00:01:16,100 --> 00:01:13,470
okay but then the nine is supposed to be

27
00:01:18,350 --> 00:01:16,110
IX everybody X okay yeah the Roman

28
00:01:20,090 --> 00:01:18,360
numeral clock yes you would know

29
00:01:22,520 --> 00:01:20,100
everybody did when right in my age

30
00:01:28,520 --> 00:01:22,530
bracket right I see a Roman numeral

31
00:01:30,830 --> 00:01:28,530
pocket watch you remember Roman numeral

32
00:01:32,690 --> 00:01:30,840
pocket watches yeah I do how old I want

33
00:01:36,200 --> 00:01:32,700
to get another one go to a place it

34
00:01:48,649 --> 00:01:36,210
sells you know jewelry from dead okay

35
00:01:50,719 --> 00:01:48,659
okay alright I have to I can see I can

36
00:01:54,499 --> 00:01:50,729
feel the steam running and that's the

37
00:01:56,600 --> 00:01:54,509
part that I know it's a state jewelry

38
00:01:58,280 --> 00:01:56,610

people had to sell it because they need

39

00:02:02,810 --> 00:01:58,290

the money to pay off so that bothered

40

00:02:04,880 --> 00:02:02,820

that Bob yeah okay yeah from dead people

41

00:02:06,499 --> 00:02:04,890

right yeah well who knows what vibe

42

00:02:10,249 --> 00:02:06,509

you're gonna get from them that's true

43

00:02:11,380 --> 00:02:10,259

anyway speak both lves also on the line

44

00:02:14,920 --> 00:02:11,390

with us tonight

45

00:02:16,750 --> 00:02:14,930

from a undisclosed location they come

46

00:02:18,370 --> 00:02:16,760

Coco on the streets and apparently they

47

00:02:21,270 --> 00:02:18,380

call him Coco in Hollywood - that's the

48

00:02:23,740 --> 00:02:21,280

number-one movie no an animated

49

00:02:26,410 --> 00:02:23,750

adaptation of Cobra as the end boy

50

00:02:29,440 --> 00:02:26,420

we were spiritual advisor for that yes

51
00:02:31,780 --> 00:02:29,450
your spiritual in you know a ghost of a

52
00:02:36,070 --> 00:02:31,790
paycheck that's nothing

53
00:02:38,740 --> 00:02:36,080
the Cobra yes good evening gentlemen

54
00:02:41,949 --> 00:02:38,750
dead man walking dead man pocket watch

55
00:02:43,720 --> 00:02:41,959
yeah Gold I mean there's so many things

56
00:02:48,640 --> 00:02:43,730
that was written down I couldn't I was

57
00:02:50,229 --> 00:02:48,650
acting out here the cover of it there's

58
00:02:51,280 --> 00:02:50,239
a picture of what your wife or your

59
00:02:53,620 --> 00:02:51,290
girlfriend or something

60
00:02:57,370 --> 00:02:53,630
go ahead for an inscription or an

61
00:02:59,380 --> 00:02:57,380
inscription yeah or both just a red bow

62
00:03:02,080 --> 00:02:59,390
folks and it fits so nicely in your

63
00:03:03,430 --> 00:03:02,090

pocket it had the chain I remember I

64

00:03:07,840 --> 00:03:03,440

used to play with clocks when I was a

65

00:03:11,020 --> 00:03:07,850

kid well how weird is that I was three

66

00:03:15,640 --> 00:03:11,030

so I quit my question mister timekeeper

67

00:03:18,640 --> 00:03:15,650

yeah your recent lack of activity and

68

00:03:20,560 --> 00:03:18,650

contact with mr. Brady is that was

69

00:03:23,410 --> 00:03:20,570

responsible for the reported events of

70

00:03:27,009 --> 00:03:23,420

his misbehavior with management on his

71

00:03:31,090 --> 00:03:27,019

team gave him a bad attitude I guess

72

00:03:32,410 --> 00:03:31,100

yeah a little why caddie sidelines you

73

00:03:34,570 --> 00:03:32,420

know I haven't been texting back and

74

00:03:35,800 --> 00:03:34,580

forth as much as we used to see it might

75

00:03:37,600 --> 00:03:35,810

be affecting him you never know you

76

00:03:40,960 --> 00:03:37,610

assuming wouldn't affect m11 being a

77

00:03:42,759 --> 00:03:40,970

little selfish one one you know yeah I

78

00:03:44,920 --> 00:03:42,769

really need to get back in the game yeah

79

00:03:48,160 --> 00:03:44,930

okay you know well I just got a new

80

00:03:51,250 --> 00:03:48,170

Facebook account oh you did I hadn't

81

00:03:53,050 --> 00:03:51,260

been on Facebook ever just about three

82

00:03:55,630 --> 00:03:53,060

or four weeks ago I finally got on

83

00:03:57,160 --> 00:03:55,640

Facebook so I'm trying to friend the guy

84

00:03:58,750 --> 00:03:57,170

I'm trying to friend Tom Brady but

85

00:04:03,840 --> 00:03:58,760

hasn't been happening you know who else

86

00:04:08,740 --> 00:04:07,229

yeah yeah right what would he have done

87

00:04:12,069 --> 00:04:08,750

he would have been an interesting

88

00:04:13,509 --> 00:04:12,079

Facebook or don't you think yeah yes I

89

00:04:15,910 --> 00:04:13,519

think we're gonna be talking a lot about

90

00:04:19,030 --> 00:04:15,920

AIDS off tonight just as things come

91

00:04:20,409 --> 00:04:19,040

together I mean not him we are gonna be

92

00:04:22,360 --> 00:04:20,419

talking about him but we're also talking

93

00:04:23,930 --> 00:04:22,370

about yeah the Nazis this whole Nazi

94

00:04:26,960 --> 00:04:23,940

thing that he started over there

95

00:04:29,030 --> 00:04:26,970

I mean there's all kinds of

96

00:04:30,800 --> 00:04:29,040

documentaries on the help you know

97

00:04:32,330 --> 00:04:30,810

mystery channel and the History Channel

98

00:04:33,920 --> 00:04:32,340

in the military channel about Hitler you

99

00:04:37,370 --> 00:04:33,930

know the amount of just call them the

100

00:04:39,230 --> 00:04:37,380

Hitler Channel sure but what he did over

101

00:04:40,790 --> 00:04:39,240

there is like crazy and it's one of

102

00:04:42,230 --> 00:04:40,800

these things that it you just some of

103

00:04:46,100 --> 00:04:42,240

the stuff you just can't explain first

104

00:04:48,860 --> 00:04:46,110

of all he he had 42 assassination

105

00:04:52,310 --> 00:04:48,870

attempts on his life okay and never got

106

00:04:54,230 --> 00:04:52,320

hurt because at the last minute for a

107

00:04:55,910 --> 00:04:54,240

lot of he would like simply say oh I'm

108

00:04:59,480 --> 00:04:55,920

going here instead of there he had the

109

00:05:00,950 --> 00:04:59,490

sixth sense about it 42 times people

110

00:05:01,820 --> 00:05:00,960

just know that's amazing and nothing

111

00:05:06,680 --> 00:05:01,830

happened to him

112

00:05:08,390 --> 00:05:06,690

and also when they came to power in 1938

113

00:05:11,150 --> 00:05:08,400

one of the things they made compulsory

114

00:05:12,560 --> 00:05:11,160

for public employees is everyone had it

115

00:05:15,830 --> 00:05:12,570

greet each other with the Heil Hitler

116

00:05:17,570 --> 00:05:15,840

sign them absolute okay just just

117

00:05:19,430 --> 00:05:17,580

basically civil workers how to do that

118

00:05:22,460 --> 00:05:19,440

right within two months everyone in

119

00:05:23,900 --> 00:05:22,470

Germany but cleaning the toilet if

120

00:05:25,730 --> 00:05:23,910

you're on the public goal you had to do

121

00:05:28,070 --> 00:05:25,740

it okay but in two months the entire

122

00:05:30,200 --> 00:05:28,080

country was doing it to each other that

123

00:05:32,420 --> 00:05:30,210

it caught on like you wouldn't believe

124

00:05:34,730 --> 00:05:32,430

you know it's just like you're here

125

00:05:36,440 --> 00:05:34,740

these had the people just so I don't

126

00:05:39,920 --> 00:05:36,450

know what's the word Co but just didn't

127

00:05:41,330 --> 00:05:39,930

uh just didn't his power and it was well

128

00:05:42,590 --> 00:05:41,340

there's a lot of psychological power

129

00:05:44,750 --> 00:05:42,600

going on especially the way they

130

00:05:47,060 --> 00:05:44,760

organized those big rallies were on

131

00:05:50,770 --> 00:05:47,070

Brahms yeah it's like it's like a

132

00:05:54,560 --> 00:05:50,780

throwback to Roman times yes he had a

133

00:05:56,630 --> 00:05:54,570

very strange fascination with the power

134

00:05:59,230 --> 00:05:56,640

of church and symbolism

135

00:06:01,640 --> 00:05:59,240

you know the Nazi cross yeah there's a

136

00:06:06,050 --> 00:06:01,650

actually a symbol that came from I

137

00:06:08,180 --> 00:06:06,060

believe a Catholic Church I I'm I'm and

138

00:06:10,430 --> 00:06:08,190

don't call me I do remember seeing that

139

00:06:13,070 --> 00:06:10,440

there were devices like in the Hindu

140

00:06:16,150 --> 00:06:13,080

faith it's reversed just a sort of

141

00:06:18,920 --> 00:06:16,160

symbol and symbolism and he transcended

142

00:06:22,210 --> 00:06:18,930

Catholicism Christianity into he wanted

143

00:06:26,930 --> 00:06:22,220

to go back to this early Teutonic

144

00:06:30,409 --> 00:06:26,940

medieval pagan kind of worship thing

145

00:06:32,960 --> 00:06:30,419

that he understood getting people to be

146

00:06:35,090 --> 00:06:32,970

part of you know the the rally movement

147

00:06:37,790 --> 00:06:35,100

and and the whole thing now you take a

148

00:06:41,629 --> 00:06:37,800

country like Germany that was

149

00:06:45,920 --> 00:06:41,639

in the absolute dolt an absolute dirt

150

00:06:49,249 --> 00:06:45,930

not the world war one it led to the rise

151
00:06:50,540 --> 00:06:49,259
of someone like this very easily and you

152
00:06:53,149 --> 00:06:50,550
look back at it but I'm gonna pose a

153
00:06:59,029 --> 00:06:53,159
question to you who was worse who killed

154
00:07:00,760 --> 00:06:59,039
more people Stalin or Hitler only : it's

155
00:07:03,379 --> 00:07:00,770
not only kill more people

156
00:07:06,640 --> 00:07:03,389
but Hitler's considered worse because he

157
00:07:10,820 --> 00:07:06,650
did his killings based on primarily on

158
00:07:12,830 --> 00:07:10,830
socio or racial the rest is where Stalin

159
00:07:15,409 --> 00:07:12,840
was equal-opportunity he didn't like

160
00:07:17,689 --> 00:07:15,419
died also came away to his gulag system

161
00:07:20,330 --> 00:07:17,699
yeah yeah yeah but that the absolutely

162
00:07:24,320 --> 00:07:20,340
people do not realize the advances that

163
00:07:25,969 --> 00:07:24,330

were made by the Germans Wow and they

164

00:07:29,540 --> 00:07:25,979

build nests to hang on

165

00:07:31,279 --> 00:07:29,550

they had unbelievable records that they

166

00:07:33,649 --> 00:07:31,289

kept about how they work their slave

167

00:07:35,450 --> 00:07:33,659

labor oh yeah you know with minimal

168

00:07:36,709 --> 00:07:35,460

calories to get the most work out I

169

00:07:38,029 --> 00:07:36,719

meant to have this well they drop dead

170

00:07:39,950 --> 00:07:38,039

and someone else it seemed like they had

171

00:07:41,270 --> 00:07:39,960

everything they did down to a size see

172

00:07:43,249 --> 00:07:41,280

that's what caught them all on the end

173

00:07:44,990 --> 00:07:43,259

you know because everything everything

174

00:07:47,570 --> 00:07:45,000

down and I knew who ran the camps and

175

00:07:49,249 --> 00:07:47,580

all that stuff so yeah it came back to

176

00:07:51,939 --> 00:07:49,259

bite them on the ass you know but I will

177

00:07:54,680 --> 00:07:51,949

propose this gentleman okay in the last

178

00:07:58,189 --> 00:07:54,690

three four months there have been a

179

00:08:00,830 --> 00:07:58,199

number of recent discoveries in South

180

00:08:03,830 --> 00:08:00,840

America in Argentina okay that lend a

181

00:08:07,670 --> 00:08:03,840

lot of credence that Hitler using a body

182

00:08:12,980 --> 00:08:07,680

double may have escaped yeah and escaped

183

00:08:14,809 --> 00:08:12,990

to Argentina yeah by sup and the tests

184

00:08:18,860 --> 00:08:14,819

that were done on the body that was

185

00:08:20,719 --> 00:08:18,870

reported to be Hitler burnt the burned

186

00:08:23,480 --> 00:08:20,729

body but the parts that they recovered

187

00:08:25,129 --> 00:08:23,490

when they did a DNA test they found it

188

00:08:26,779 --> 00:08:25,139

was actually a woman's body that they

189

00:08:29,689 --> 00:08:26,789

the Russians had claimed was the skull

190

00:08:31,430 --> 00:08:29,699

and the fragments why in a run and then

191

00:08:33,709 --> 00:08:31,440

after that the Russians never allowed

192

00:08:36,920 --> 00:08:33,719

the remains to be examined by anybody

193

00:08:39,139 --> 00:08:36,930

else so even in his death the symbolism

194

00:08:41,810 --> 00:08:39,149

and the power of who got him how he died

195

00:08:45,530 --> 00:08:41,820

had the body all those things just are

196

00:08:47,630 --> 00:08:45,540

amazing the he would have had to have

197

00:08:49,760 --> 00:08:47,640

lived a now a lot of them did go down

198

00:08:50,730 --> 00:08:49,770

when a Nazis did know as a bonafide

199

00:08:52,769 --> 00:08:50,740

program they knew

200

00:08:55,650 --> 00:08:52,779

when things weren't going the way that

201
00:08:59,340 --> 00:08:55,660
we had set up a major and I Jen Tina

202
00:09:01,380 --> 00:08:59,350
also Peregrine right yes and so all

203
00:09:04,530 --> 00:09:01,390
those countries there but in particular

204
00:09:06,420 --> 00:09:04,540
Argentina at one point was rivaling

205
00:09:07,350 --> 00:09:06,430
United States for European settlement

206
00:09:10,260 --> 00:09:07,360
uh-huh

207
00:09:13,050 --> 00:09:10,270
in the in the tens and the 20s yeah and

208
00:09:16,530 --> 00:09:13,060
then the depression made it Mike my

209
00:09:18,660 --> 00:09:16,540
great grandmother was an Italian born in

210
00:09:20,790 --> 00:09:18,670
Argentina and then came to the United

211
00:09:22,019 --> 00:09:20,800
States because that's that's reason why

212
00:09:25,320 --> 00:09:22,029
you have so many people that were

213
00:09:29,240 --> 00:09:25,330

fascinated by Hitler and by Mussolini

214

00:09:31,560 --> 00:09:29,250

because they had come from those

215

00:09:35,130 --> 00:09:31,570

segments of society that were still very

216

00:09:37,920 --> 00:09:35,140

much in the imperialistic or the other

217

00:09:40,350 --> 00:09:37,930

aspects of society that believed well

218

00:09:43,230 --> 00:09:40,360

you know we can you can use fascism in a

219

00:09:47,040 --> 00:09:43,240

good way okay yeah as long as you're on

220

00:09:49,320 --> 00:09:47,050

the right side okay you know some part

221

00:09:50,610 --> 00:09:49,330

the agent in Ian's you know first of all

222

00:09:53,130 --> 00:09:50,620

I suppose that a lot of these people

223

00:09:54,570 --> 00:09:53,140

escaped it you know because it's not bad

224

00:09:56,250 --> 00:09:54,580

weather down there you know what I mean

225

00:09:58,170 --> 00:09:56,260

it's not like crazy it's very much like

226

00:10:00,810 --> 00:09:58,180

the United States yeah in many aspects

227

00:10:02,400 --> 00:10:00,820

of it and and you would see there

228

00:10:04,500 --> 00:10:02,410

remember seeing a picture of like the

229

00:10:07,110 --> 00:10:04,510

army in the 70s in there and they're in

230

00:10:08,610 --> 00:10:07,120

complete Nazi regalia at the hat you

231

00:10:10,260 --> 00:10:08,620

know that that kind of helmet that they

232

00:10:15,000 --> 00:10:10,270

are in the Nazis are worn not just that

233

00:10:16,199 --> 00:10:15,010

Mac my god I mean people yeah and then

234

00:10:18,180 --> 00:10:16,209

we really went to that you know the

235

00:10:20,550 --> 00:10:18,190

missing people and you know they would

236

00:10:22,290 --> 00:10:20,560

take people and they would they were in

237

00:10:24,449 --> 00:10:22,300

Chile was that you only Argentina to

238

00:10:25,710 --> 00:10:24,459

they would they would just if you're a

239

00:10:27,870 --> 00:10:25,720

nuisance they take up in a helicopter

240

00:10:29,069 --> 00:10:27,880

fly out over the ocean just kick you out

241

00:10:30,810 --> 00:10:29,079

of the helicopter and the ones on your

242

00:10:32,130 --> 00:10:30,820

body nothing you know and they did this

243

00:10:34,620 --> 00:10:32,140

to thousands of people but I'll tell you

244

00:10:36,420 --> 00:10:34,630

one thing they've up in the Falkland

245

00:10:38,010 --> 00:10:36,430

Islands man you know when you ever read

246

00:10:40,290 --> 00:10:38,020

anything about that war and how it

247

00:10:42,139 --> 00:10:40,300

happened and why they did it and and

248

00:10:47,420 --> 00:10:42,149

they just like they misjudged the

249

00:10:49,380 --> 00:10:47,430

resolution of the bridge you know but to

250

00:10:51,569 --> 00:10:49,390

it was one of these things where the

251
00:10:52,860 --> 00:10:51,579
diplomats used to meet twice a year like

252
00:10:55,560 --> 00:10:52,870
they did it for decades

253
00:10:57,569 --> 00:10:55,570
don't let the Falklands give us back the

254
00:10:58,769 --> 00:10:57,579
Falklands over say no we're not gonna do

255
00:11:00,720 --> 00:10:58,779
it okay you know let's have lunch and

256
00:11:02,910 --> 00:11:00,730
that's literally what it was and then

257
00:11:03,290 --> 00:11:02,920
one day a new group came in and they

258
00:11:04,880 --> 00:11:03,300
said you

259
00:11:07,250 --> 00:11:04,890
we really want them the British girl you

260
00:11:09,440 --> 00:11:07,260
know thought now that stuff and then all

261
00:11:11,269 --> 00:11:09,450
of a sudden they have a while down in

262
00:11:14,780 --> 00:11:11,279
the middle of diamond it on effect you

263
00:11:16,670 --> 00:11:14,790

know it couldn't be more out to sea than

264

00:11:18,650 --> 00:11:16,680

out there and they did it then they won

265

00:11:24,880 --> 00:11:18,660

the Brits won you know but the amazing

266

00:11:28,040 --> 00:11:24,890

thing about that war was the the near

267

00:11:30,530 --> 00:11:28,050

apex of a lot of the most current

268

00:11:32,360 --> 00:11:30,540

technology display to its limits there

269

00:11:34,220 --> 00:11:32,370

absolutely yep yep a lot of new

270

00:11:36,740 --> 00:11:34,230

strategic bombing that had not been seen

271

00:11:41,210 --> 00:11:36,750

since World War two Russ was

272

00:11:43,009 --> 00:11:41,220

accomplished absolute deception the the

273

00:11:48,079 --> 00:11:43,019

Argentiniens had an airfield that was

274

00:11:50,600 --> 00:11:48,089

hit by runways they would put the dirt

275

00:11:52,220 --> 00:11:50,610

on the runway every morning after flying

276

00:11:53,990 --> 00:11:52,230

missions out of there at night to make

277

00:11:55,490 --> 00:11:54,000

it look like it was still crated him so

278

00:11:57,440 --> 00:11:55,500

when they over fluid it looked like it

279

00:11:59,540 --> 00:11:57,450

was created then they would pull the

280

00:12:01,850 --> 00:11:59,550

dirt off and go and and after they

281

00:12:02,960 --> 00:12:01,860

repaired the runway to keep the Brits

282

00:12:06,470 --> 00:12:02,970

from coming back and doing another

283

00:12:08,060 --> 00:12:06,480

attack one of the Vulcan bombers

284

00:12:09,620 --> 00:12:08,070

couldn't make it back and land it in and

285

00:12:11,329 --> 00:12:09,630

it was interned in Brazil I mean it's

286

00:12:13,250 --> 00:12:11,339

just amazing the stuff went on it I mean

287

00:12:16,460 --> 00:12:13,260

there was a credibly high death toll

288

00:12:21,010 --> 00:12:16,470

yeah it was a combat yeah exit sets to

289

00:12:23,990 --> 00:12:21,020

hit Brit ships stuff that went on yeah

290

00:12:25,490 --> 00:12:24,000

yeah the Brits said there was 300

291

00:12:27,139 --> 00:12:25,500

British soldiers died and about a

292

00:12:28,910 --> 00:12:27,149

thousand Argentine soldiers you know

293

00:12:33,889 --> 00:12:28,920

what I don't recall a lot of news

294

00:12:37,100 --> 00:12:33,899

coverage on that why was that funny it

295

00:12:38,389 --> 00:12:37,110

wasn't ours but it was um I was in

296

00:12:40,519 --> 00:12:38,399

England during that I mean where was

297

00:12:42,760 --> 00:12:40,529

John Cameron Swayze I know he was you

298

00:12:45,440 --> 00:12:42,770

know what you want to remember is that

299

00:12:47,750 --> 00:12:45,450

hag was the Secretary of State and he

300

00:12:50,360 --> 00:12:47,760

kept getting in the near plane going it

301
00:12:52,220 --> 00:12:50,370
was the first shuttle diplomacy he'd fly

302
00:12:54,470 --> 00:12:52,230
over there he flied down a gteen a fly

303
00:12:55,939 --> 00:12:54,480
up here he'd do this thing you know and

304
00:12:58,310 --> 00:12:55,949
finally the United States head aside

305
00:13:05,689 --> 00:12:58,320
with their both allies that with the the

306
00:13:10,819 --> 00:13:05,699
British and friend of mine Tony McNally

307
00:13:12,710 --> 00:13:10,829
MC nal why he is a veteran of that war

308
00:13:15,829 --> 00:13:12,720
and he's written a book called screening

309
00:13:16,850 --> 00:13:15,839
in silence so military combat veteran he

310
00:13:19,100 --> 00:13:16,860
was

311
00:13:22,070 --> 00:13:19,110
he's a leader in the PTSD world long

312
00:13:23,660 --> 00:13:22,080
before it was fashionable and he's got a

313
00:13:26,030 --> 00:13:23,670

great website just look up with McNally

314

00:13:27,410 --> 00:13:26,040

or screaming in silence comes a great

315

00:13:29,960 --> 00:13:27,420

book these books is it

316

00:13:33,230 --> 00:13:29,970

it's a continues continuous set of

317

00:13:34,730 --> 00:13:33,240

poetry that he wrote has experienced it

318

00:13:37,850 --> 00:13:34,740

their poetry break

319

00:13:39,620 --> 00:13:37,860

yep poetry okay alright let's have them

320

00:13:43,580 --> 00:13:39,630

on whatever screaming and silence is

321

00:13:44,870 --> 00:13:43,590

that like a metaphor for the outside

322

00:13:50,780 --> 00:13:44,880

world not really knowing what the heck

323

00:13:52,250 --> 00:13:50,790

is going on over there that maloney guy

324

00:13:55,910 --> 00:13:52,260

that you're always talking about you

325

00:13:58,970 --> 00:13:55,920

have any of his books I say it's

326

00:14:00,710 --> 00:13:58,980

dog-eared like crazy key parts any sky

327

00:14:02,600 --> 00:14:00,720

club CDs over giving your buddies 10

328

00:14:04,280 --> 00:14:02,610

I've got yeah they've all gone and you

329

00:14:09,140 --> 00:14:04,290

know he just listens to the first time

330

00:14:13,790 --> 00:14:09,150

like two weeks ago think about it one it

331

00:14:15,140 --> 00:14:13,800

is excellent so yes I love that there

332

00:14:17,570 --> 00:14:15,150

would have sound a lot better seven

333

00:14:19,220 --> 00:14:17,580

years ago in ten CDs ago my friend you

334

00:14:20,630 --> 00:14:19,230

didn't give me anything so yeah the

335

00:14:25,670 --> 00:14:20,640

first time you ever fixed my computer I

336

00:14:28,610 --> 00:14:25,680

gave you this no way time date

337

00:14:30,380 --> 00:14:28,620

everything you know hey listen well this

338

00:14:31,880 --> 00:14:30,390

is a yeah interesting opening to the

339

00:14:33,950 --> 00:14:31,890

show so why don't we do this why don't

340

00:14:35,510 --> 00:14:33,960

we take a commercial break now and when

341

00:14:38,690 --> 00:14:35,520

we come back we're gonna be talking to a

342

00:14:40,790 --> 00:14:38,700

gentleman whose father was in the OSS

343

00:14:43,340 --> 00:14:40,800

and after world war two went over and

344

00:14:45,050 --> 00:14:43,350

captured German scientists for us for

345

00:14:47,270 --> 00:14:45,060

the goodies so they wouldn't fall into

346

00:14:49,490 --> 00:14:47,280

the hands of the baddies the race good

347

00:14:52,190 --> 00:14:49,500

worker interesting show interesting

348

00:14:54,020 --> 00:14:52,200

segment so what you're listening to Mike

349

00:14:55,460 --> 00:14:54,030

350

00:14:59,160 --> 00:14:55,470

Thunder radio network we'll be right

351

00:15:10,810 --> 00:15:07,100
been an issue with us tonight he's here

355
00:15:13,240 --> 00:15:10,820
four weeks in a row the very famous Juan

356
00:15:15,220 --> 00:15:13,250
Juan I'm going to beat their celtics

357
00:15:16,990 --> 00:15:15,230
record okay twenty one twenty four

358
00:15:21,150 --> 00:15:17,000
twenty and twenty twenty and four or

359
00:15:25,870 --> 00:15:24,310
yeah yep yeah they're great you know

360
00:15:27,400 --> 00:15:25,880
it's just too bad they blame the same

361
00:15:29,040 --> 00:15:27,410
city as the Patriots you don't I mean

362
00:15:33,010 --> 00:15:29,050
they would be on top of the world of

363
00:15:34,960 --> 00:15:33,020

anyway we all go there because also

364

00:15:36,640 --> 00:15:34,970

calling it from his undisclosed location

365

00:15:39,280 --> 00:15:36,650

they don't cocoa on the streets it's

366

00:15:41,560 --> 00:15:39,290

Camino Cobra is with us gentlemen

367

00:15:43,030 --> 00:15:41,570

Wow how about that for a base E Witte

368

00:15:45,040 --> 00:15:43,040

were right on the microphone there my

369

00:15:46,960 --> 00:15:45,050

friend you know I'm actually sitting on

370

00:15:49,740 --> 00:15:46,970

the other side okay how come you're not

371

00:15:52,840 --> 00:15:49,750

on camera tonight I'm never on camera

372

00:15:55,150 --> 00:15:52,850

we're Senor Bob you are yes I'm usually

373

00:15:57,340 --> 00:15:55,160

but I have costume on so that my

374

00:16:01,270 --> 00:15:57,350

identity cannot be seen would you really

375

00:16:02,890 --> 00:16:01,280

like to see me on camera why do you have

376

00:16:05,200 --> 00:16:02,900

a costume on that's the first question

377

00:16:10,510 --> 00:16:05,210

I'd with he's gonna have that major mud

378

00:16:12,850 --> 00:16:10,520

outfit on you know he's gonna look like

379

00:16:15,160 --> 00:16:12,860

you know with his gear on his knife in

380

00:16:17,440 --> 00:16:15,170

his mouth and the whole deal lucky like

381

00:16:18,700 --> 00:16:17,450

just a lot of oral fixation oh you just

382

00:16:22,450 --> 00:16:18,710

want to admission one I'm a little

383

00:16:24,670 --> 00:16:22,460

concerned what's up this is going where

384

00:16:27,130 --> 00:16:24,680

you are not talking to Tom Brady no so

385

00:16:30,579 --> 00:16:27,140

Mac always says well Cobras on a mission

386

00:16:33,370 --> 00:16:30,589

yeah and I'm assuming that no he's not

387

00:16:40,600 --> 00:16:33,380

on the mission he's like in the

388

00:16:42,340 --> 00:16:40,610

missionary position that's doing this on

389

00:16:44,560 --> 00:16:42,350

a mission stuff that's what you know it

390

00:16:47,380 --> 00:16:44,570

you know mrs. Cobra what do you it's a

391

00:16:51,360 --> 00:16:47,390

man that's true I know I've been the

392

00:16:55,300 --> 00:16:51,370

missionary position too if I ever see Oh

393

00:16:59,650 --> 00:16:55,310

Chinese sake what one one is in a hole

394

00:17:00,760 --> 00:16:59,660

and wants to get out of it yes I've

395

00:17:02,740 --> 00:17:00,770

gone with my

396

00:17:04,210 --> 00:17:02,750

Jim Jones look for you tonight oh really

397

00:17:06,240 --> 00:17:04,220

oh I guess we're gonna have to bring

398

00:17:09,400 --> 00:17:06,250

them on the screen how do we do that

399

00:17:10,360 --> 00:17:09,410

go to your conversation box there and

400

00:17:12,480 --> 00:17:10,370

hit the screen

401

00:17:17,860 --> 00:17:12,490

he'll see me

402

00:17:19,060 --> 00:17:17,870

they just dump truck I know okay

403

00:17:21,250 --> 00:17:19,070

Chuck yeah I just want to introduce

404

00:17:22,780 --> 00:17:21,260

chuck stands Berg is also with us a

405

00:17:25,690 --> 00:17:22,790

friend calling us some way up there and

406

00:17:27,190 --> 00:17:25,700

the breasts how you doing Chuck good

407

00:17:28,780 --> 00:17:27,200

let's get all right we're gonna get this

408

00:17:31,660 --> 00:17:28,790

straightened out for us Cobra we can't

409

00:17:34,200 --> 00:17:31,670

see you it's a radio show if you want to

410

00:17:37,270 --> 00:17:34,210

dress up and have no camera on that's

411

00:17:38,740 --> 00:17:37,280

the cameras on so you know you calling

412

00:17:41,370 --> 00:17:38,750

me out and then because you have

413

00:17:44,470 --> 00:17:41,380

technical inability now it's my fault so

414

00:17:47,140 --> 00:17:44,480

why are you in a costume if the camera

415

00:17:49,210 --> 00:17:47,150

isn't on he says the camera we're seeing

416

00:17:50,980 --> 00:17:49,220

is somebody before you put the camera on

417

00:17:52,660 --> 00:17:50,990

he was there in the costume so he was

418

00:17:54,310 --> 00:17:52,670

concerned that people were seeing him

419

00:17:56,410 --> 00:17:54,320

but you need any he likes to dress up

420

00:17:57,820 --> 00:17:56,420

well I'd say listen I didn't want to get

421

00:18:00,790 --> 00:17:57,830

Matt Monro but luckily you did

422

00:18:03,310 --> 00:18:00,800

so are you through there are you thank

423

00:18:06,240 --> 00:18:03,320

you mr. pocket watch we always just to

424

00:18:16,330 --> 00:18:06,250

play dress-up and her kids you dress up

425

00:18:19,000 --> 00:18:16,340

I'd know I didn't know I could have

426

00:18:22,090 --> 00:18:19,010

beaten his Wow stickball oh hey hey

427

00:18:26,680 --> 00:18:22,100

let's not talk about lots beaten this is

428

00:18:28,690 --> 00:18:26,690

a new age we live in Bologna x-files

429

00:18:31,720 --> 00:18:28,700

that has to leave the show for four

430

00:18:35,290 --> 00:18:31,730

months because of incorrect sexual

431

00:18:37,320 --> 00:18:35,300

innuendo or behaviors father Church I

432

00:18:40,210 --> 00:18:37,330

used to go to Charlestown was

433

00:18:45,670 --> 00:18:40,220

unbelievable and you know how ornate

434

00:18:47,320 --> 00:18:45,680

yeah yeah Catholic churches I mean like

435

00:18:52,090 --> 00:18:47,330

the Pope would have really liked the

436

00:18:53,410 --> 00:18:52,100

churches yeah same thing without Church

437

00:18:56,440 --> 00:18:53,420

I mean why i dint do anything really

438

00:18:57,790 --> 00:18:56,450

kind of odd yeah you know and it's the

439

00:18:59,500 --> 00:18:57,800

whole idea you know and they want you to

440

00:19:02,260 --> 00:18:59,510

think you felt like you were there with

441

00:19:04,650 --> 00:19:02,270

right Christ and yeah God right up there

442

00:19:08,260 --> 00:19:04,660

yep Jehovah yep

443

00:19:10,210 --> 00:19:08,270

Marian Joseph I get us and never liked

444

00:19:11,650 --> 00:19:10,220

going to church one second of it

445

00:19:13,330 --> 00:19:11,660

you ever do the Stations of the Cross oh

446

00:19:15,910 --> 00:19:13,340

yeah used to I used to read them it's

447

00:19:20,260 --> 00:19:15,920

the lead look the gang

448

00:19:22,120 --> 00:19:20,270

yeah yeah not fun not fun school and

449

00:19:24,340 --> 00:19:22,130

church could have done without really

450

00:19:25,700 --> 00:19:24,350

because I always wanted to be somewhere

451

00:19:29,430 --> 00:19:25,710

else you know

452

00:19:31,519 --> 00:19:29,440

that's some fond memories anyway anyway

453

00:19:33,659 --> 00:19:31,529

Chuck well listen so a good friend

454

00:19:35,100 --> 00:19:33,669

channels don't throw me jack stands Berg

455

00:19:37,649 --> 00:19:35,110

is on the line with us it's been a while

456

00:19:39,359 --> 00:19:37,659

since we've talked to him because he

457

00:19:41,340 --> 00:19:39,369

would down in Texas neh Houston the

458

00:19:44,899 --> 00:19:41,350

strip of capital of the world and now

459

00:19:48,690 --> 00:19:44,909

you're up in Nebraska somewhere right

460

00:19:50,789 --> 00:19:48,700

okay and um but you're still seeing your

461

00:19:51,379 --> 00:19:50,799

friends up and not a space they know

462

00:19:55,200 --> 00:19:51,389

where you are

463

00:19:56,580 --> 00:19:55,210

oh good so what have you done have you

464

00:19:58,769 --> 00:19:56,590

been up there lately we should explain

465

00:20:00,060 --> 00:19:58,779

to people that check leads a lifestyle

466

00:20:03,389 --> 00:20:00,070

that I think all of us would like to

467

00:20:05,820 --> 00:20:03,399

lead he has friends in high places just

468

00:20:08,070 --> 00:20:05,830

happens to be up and out of space and

469

00:20:10,109 --> 00:20:08,080

every once in a while when they need his

470

00:20:12,869 --> 00:20:10,119

help they'll transport him up to this

471

00:20:15,210 --> 00:20:12,879

ship he has an adventure and he comes

472

00:20:17,099 --> 00:20:15,220

back and he usually has been next day

473

00:20:18,930 --> 00:20:17,109

right in your right reclining chair

474

00:20:20,580 --> 00:20:18,940

right falling asleep waking up in your

475

00:20:22,109 --> 00:20:20,590

recliner he's a commander of his own

476

00:20:23,940 --> 00:20:22,119

group right

477

00:20:28,529 --> 00:20:23,950

I don't know update us yeah update us on

478

00:20:31,919 --> 00:20:28,539

your status please yeah Lieutenant

479

00:20:38,609 --> 00:20:31,929

Commander I've got five ships and two

480

00:20:43,710 --> 00:20:38,619

wings okay so we go around our galaxy

481

00:20:46,619 --> 00:20:43,720

you know and certain times and I send

482

00:20:49,049 --> 00:20:46,629

them each different places you know we

483

00:20:51,239 --> 00:20:49,059

keep talking to each other and stuff and

484

00:20:53,460 --> 00:20:51,249

making sure what's going on if there's

485

00:20:57,119 --> 00:20:53,470

anything going on so most of the time

486

00:20:59,639 --> 00:20:57,129

we're here you know pretty good pretty

487

00:21:05,039 --> 00:20:59,649

good drive because a lot of times we're

488

00:21:07,830 --> 00:21:05,049

going to near a planet yep and to see

489

00:21:10,889 --> 00:21:07,840

what they're doing on you know and if

490

00:21:13,289 --> 00:21:10,899

they're if they're going to be okay

491

00:21:16,649 --> 00:21:13,299

then we what we do is we try to hail

492

00:21:19,349 --> 00:21:16,659

them somehow and we go down there and

493

00:21:22,979 --> 00:21:19,359

talk to them and so on and so forth and

494

00:21:26,570 --> 00:21:22,989

and I get I have I have several

495

00:21:29,519 --> 00:21:26,580

different people that have do the

496

00:21:31,549 --> 00:21:29,529

talking because I don't know what the

497

00:21:34,830 --> 00:21:31,559

languages are right okay yep

498

00:21:38,369 --> 00:21:34,840

understandable and I'll tell you what

499

00:21:39,340 --> 00:21:38,379

some of them it kind of boggles my mind

500

00:21:43,600 --> 00:21:39,350

how he call

501
00:21:47,200 --> 00:21:43,610
right sure and what they do this for is

502
00:21:51,039 --> 00:21:47,210
that people themselves how they live

503
00:21:52,539 --> 00:21:51,049
right I can't enjoy it let me ask you a

504
00:21:53,860 --> 00:21:52,549
question how about if you go to when

505
00:21:55,419 --> 00:21:53,870
these planets and it looks like that

506
00:21:57,669 --> 00:21:55,429
they're not gonna be good guys that

507
00:21:59,440 --> 00:21:57,679
they're not going to go along with

508
00:22:06,330 --> 00:21:59,450
everything you know what if it's you

509
00:22:18,419 --> 00:22:10,570
they just don't want to be yeah they

510
00:22:22,390 --> 00:22:21,100
what if they step out of line down if

511
00:22:23,500 --> 00:22:22,400
they step out of line you have to get

512
00:22:29,620 --> 00:22:23,510
down there and slap them around a little

513
00:22:34,630 --> 00:22:29,630

bit Oh No most the time they do heed the

514

00:22:36,250 --> 00:22:34,640

warning like right I suppose the summit

515

00:22:37,810 --> 00:22:36,260

came down from out of space and was you

516

00:22:41,529 --> 00:22:37,820

know basically talking to you you'd

517

00:22:43,299 --> 00:22:41,539

probably heed the warning you know they

518

00:22:45,340 --> 00:22:43,309

wouldn't take too kindly maybe to your

519

00:22:48,760 --> 00:22:45,350

antagonism right or it could be

520

00:22:50,830 --> 00:22:48,770

misinterpreted yeah well well

521

00:22:53,110 --> 00:22:50,840

so go ahead so now you go out and patrol

522

00:22:56,380 --> 00:22:53,120

with these ships and and looking for bad

523

00:23:00,279 --> 00:22:56,390

guys basically right yeah making sure

524

00:23:02,740 --> 00:23:00,289

that the galaxy is safe we have said we

525

00:23:06,909 --> 00:23:02,750

have three I think it's three different

526

00:23:15,659 --> 00:23:06,919

types of beings that are here in our

527

00:23:22,450 --> 00:23:15,669

galaxy as well I think you guys know and

528

00:23:27,909 --> 00:23:22,460

it helps come in towards our galaxy we

529

00:23:35,289 --> 00:23:27,919

are there quick and time to say hey no

530

00:23:42,039 --> 00:23:35,299

you can't come through here right it's

531

00:23:44,770 --> 00:23:42,049

like it's like a big galactic fence you

532

00:23:46,840 --> 00:23:44,780

can't come over the fence well I'll tell

533

00:23:50,100 --> 00:23:46,850

ya I'm glad someone's out there you know

534

00:23:52,340 --> 00:23:50,110

keeping us safe in the entire galaxy

535

00:23:54,010 --> 00:23:52,350

would you guys see any

536

00:23:56,630 --> 00:23:54,020

missiles that were launched in

537

00:23:58,390 --> 00:23:56,640

traversing the skies and could you if

538

00:24:02,230 --> 00:23:58,400

you did could you intercept them and

539

00:24:06,320 --> 00:24:02,240

either redirect them and blow them up

540

00:24:09,230 --> 00:24:06,330

well to what

541

00:24:09,890 --> 00:24:09,240

like let's say that the guy in North

542

00:24:14,180 --> 00:24:09,900

Korea

543

00:24:23,299 --> 00:24:14,190

he blew one up if they be able to you

544

00:24:27,799 --> 00:24:23,309

know step in step in and is saying right

545

00:24:29,480 --> 00:24:27,809

do not interfere maybe they can make it

546

00:24:42,970 --> 00:24:29,490

they can make an exception this time

547

00:24:45,710 --> 00:24:42,980

okay if so basically being a warning hey

548

00:24:48,560 --> 00:24:45,720

let me ask you this now are you still

549

00:24:51,140 --> 00:24:48,570

with your galactic life I know that

550

00:24:52,820 --> 00:24:51,150

you're kind of a space woman right you

551
00:24:55,340 --> 00:24:52,830
have a wife he had done on earth but you

552
00:25:13,640 --> 00:24:55,350
have a wife up there in the cosmos -

553
00:25:16,039 --> 00:25:13,650
right yeah the baby daddy yeah she loves

554
00:25:18,710 --> 00:25:16,049
daddies and every time I go up there and

555
00:25:25,880 --> 00:25:18,720
- or you just had to come up on board

556
00:25:27,380 --> 00:25:25,890
ship and she comes over she wants to

557
00:25:31,610 --> 00:25:27,390
play good because she knows some of the

558
00:25:36,680 --> 00:25:31,620
a lot of the different types of toys and

559
00:25:39,320 --> 00:25:36,690
everything okay and how about the the

560
00:25:40,720 --> 00:25:39,330
baby mama - you still I used to bathing

561
00:25:43,640 --> 00:25:40,730
her you still in a good relay a

562
00:25:52,659 --> 00:25:43,650
friendship you know friendly basis with

563
00:25:56,120 --> 00:25:52,669

her buddies well I'm leaving oh yeah

564

00:26:00,200 --> 00:25:56,130

friends with benefits as one one likes

565

00:26:03,530 --> 00:26:00,210

to say is it you can tell let's Jack

566

00:26:04,640 --> 00:26:03,540

who's going to know well it happened at

567

00:26:09,880 --> 00:26:04,650

least once right

568

00:26:13,670 --> 00:26:11,120

okay

569

00:26:15,500 --> 00:26:13,680

so I mean you know Kay you've described

570

00:26:17,390 --> 00:26:15,510

her to us before but you know for our

571

00:26:19,190 --> 00:26:17,400

new listeners we have a expanded

572

00:26:23,140 --> 00:26:19,200

audience now these days what does she

573

00:26:31,070 --> 00:26:29,090

lady okay I mean she's like a buddy Wow

574

00:26:33,260 --> 00:26:31,080

okay and when I see you I have to stand

575

00:26:39,280 --> 00:26:33,270

I have to look up there and talk to her

576
00:26:48,740 --> 00:26:46,160
pretty close planet okay and we go there

577
00:26:55,610 --> 00:26:48,750
once in a while here and you see the

578
00:26:58,520 --> 00:26:55,620
kids kid and we kind of just just go

579
00:27:03,400 --> 00:26:58,530
over and do it to where the waterfalls

580
00:27:07,400 --> 00:27:03,410
are and just kind of sit around nice

581
00:27:10,910 --> 00:27:07,410
nice so um you know I mean that but do

582
00:27:15,200 --> 00:27:10,920
you remember that night of a vague

583
00:27:17,330 --> 00:27:15,210
Radhika in love when you well I'm

584
00:27:20,750 --> 00:27:17,340
interested know what if the species sex

585
00:27:25,190 --> 00:27:20,760
is like frankly you remember it or did

586
00:27:27,020 --> 00:27:25,200
they get you drunken you know anything

587
00:27:44,690 --> 00:27:27,030
Equipe it's the same right is the

588
00:27:48,410 --> 00:27:44,700

equipment same that's not what happened

589

00:27:57,200 --> 00:27:48,420

when that's when I went up there they

590

00:28:00,040 --> 00:27:57,210

said we got rice for you once we get off

591

00:28:02,810 --> 00:28:00,050

the ship was heading towards the house I

592

00:28:06,020 --> 00:28:02,820

thought why are we here

593

00:28:09,740 --> 00:28:06,030

you know those to see one of the rows

594

00:28:14,210 --> 00:28:09,750

begins and then one of the small on the

595

00:28:16,520 --> 00:28:14,220

other grace that guys once we landed and

596

00:28:18,290 --> 00:28:16,530

we started walking over the house she

597

00:28:20,570 --> 00:28:18,300

come out with my daughter

598

00:28:23,029 --> 00:28:20,580

yep who was about maybe

599

00:28:26,720 --> 00:28:23,039

two years old okay looking like looking

600

00:28:29,240 --> 00:28:26,730

like three years old and one of the one

601
00:28:32,000 --> 00:28:29,250
they only got me stopped I said

602
00:28:34,759 --> 00:28:32,010
beautiful little thing who is she in all

603
00:28:36,649 --> 00:28:34,769
three of them the two with me and her

604
00:28:42,860 --> 00:28:36,659
all three of them said the same time

605
00:28:44,810 --> 00:28:42,870
yours Wow Wow okay all right

606
00:28:46,909 --> 00:28:44,820
so you're saying that they took your DNA

607
00:28:48,500 --> 00:28:46,919
they took her DNA and they what just

608
00:28:51,200 --> 00:28:48,510
stirred them together and then somehow

609
00:29:00,350 --> 00:28:51,210
it was it with the drinks and dinner

610
00:29:02,029 --> 00:29:00,360
involved or anything or well I'll pay

611
00:29:05,720 --> 00:29:02,039
wet you know check I'm glad that you got

612
00:29:07,370 --> 00:29:05,730
back on the show with us you know it's

613
00:29:08,539 --> 00:29:07,380

been too long as like two or three

614

00:29:10,250 --> 00:29:08,549

months that we hadn't talked you because

615

00:29:23,210 --> 00:29:10,260

you were moving up to Nebraska do you

616

00:29:24,830 --> 00:29:23,220

like Nebraska right any of that hippy

617

00:29:26,120 --> 00:29:24,840

trash up there and though that used to

618

00:29:29,240 --> 00:29:26,130

slap him around a little bit Alvarado

619

00:29:30,830 --> 00:29:29,250

when you're a state cop right yeah you

620

00:29:31,840 --> 00:29:30,840

were protecting us down there and up

621

00:29:34,129 --> 00:29:31,850

there

622

00:29:35,629 --> 00:29:34,139

well Chuck hey listen thanks very much

623

00:29:37,190 --> 00:29:35,639

for joining us we really appreciate it

624

00:29:41,240 --> 00:29:37,200

625

00:29:42,919 --> 00:29:41,250

Chuck all right and we'll talk to you

626

00:29:44,690 --> 00:29:42,929

soon and if we don't talk to you soon

627

00:29:46,850 --> 00:29:44,700

enough have a nice Christmas and so on

628

00:29:52,310 --> 00:29:46,860

both down here and up there thank you

629

00:29:55,159 --> 00:29:52,320

okay Dan's burg man we haven't talked to

630

00:29:56,990 --> 00:29:55,169

him in a long time favorite guests so

631

00:29:59,629 --> 00:29:57,000

why don't we take a commercial break now

632

00:30:00,950 --> 00:29:59,639

and there we'll be right back after this

633

00:30:02,389 --> 00:30:00,960

you're listening to Matt Lonny's Mill

634

00:30:08,090 --> 00:30:02,399

tracks our show here on the distant

635

00:30:09,470 --> 00:30:08,100

Thunder radio network stay tuned hey

636

00:30:11,120 --> 00:30:09,480

welcome back to macaronis Mill tractors

637

00:30:13,070 --> 00:30:11,130

I'll show here on the distant Thunder

638

00:30:15,889 --> 00:30:13,080

radio network this is back morning and

639

00:30:20,600 --> 00:30:15,899

the studios tonight is the very famous

640

00:30:23,210 --> 00:30:20,610

Juan Juan is here okay and also from a

641

00:30:25,549 --> 00:30:23,220

undisclosed location actually right down

642

00:30:30,080 --> 00:30:25,559

the hall from us makeover is with us as

643

00:30:31,460 --> 00:30:30,090

well good evening we are in we might

644

00:30:33,090 --> 00:30:31,470

have mission this before but we are in

645

00:30:38,870 --> 00:30:33,100

our new radio

646

00:30:42,000 --> 00:30:38,880

studio yeah it really is truly is the

647

00:30:43,530 --> 00:30:42,010

Pistol Pete complex yeah I'll say no say

648

00:30:44,790 --> 00:30:43,540

and we were in new report mass for a

649

00:30:46,770 --> 00:30:44,800

long time but now we're in Exeter New

650

00:30:48,720 --> 00:30:46,780

Hampshire and as much as I like new

651

00:30:50,370 --> 00:30:48,730

report the view from here is a lot

652

00:30:52,680 --> 00:30:50,380

better to the view our back is like a

653

00:30:54,480 --> 00:30:52,690

million-dollar view yeah you can just

654

00:30:56,640 --> 00:30:54,490

see the UFO over the ninth hole right

655

00:30:58,530 --> 00:30:56,650

amazing exit a golf club I figure we

656

00:31:04,170 --> 00:30:58,540

could sneak on that the 8th hole someday

657

00:31:06,330 --> 00:31:04,180

and replace ducks in the Little River

658

00:31:07,590 --> 00:31:06,340

route back yeah and then we're in the

659

00:31:09,660 --> 00:31:07,600

middle of a neighborhood which is really

660

00:31:11,160 --> 00:31:09,670

the strangest thing at all totally

661

00:31:14,040 --> 00:31:11,170

incognito it looks like a house with a

662

00:31:18,300 --> 00:31:14,050

big Tower in back of it so anyway so

663

00:31:20,070 --> 00:31:18,310

we're having fun here anyway so listen

664

00:31:21,530 --> 00:31:20,080

if the UFO is gonna go anywhere I see it

665

00:31:26,030 --> 00:31:21,540

hovering over that thing to the truth

666

00:31:30,750 --> 00:31:26,040

shilling up also sitting in with us is

667

00:31:39,620 --> 00:31:30,760

superfan Bible with is here just a class

668

00:31:41,880 --> 00:31:39,630

up the whole situation again ok so

669

00:31:42,960 --> 00:31:41,890

anyway so listen on the phone with us is

670

00:31:46,110 --> 00:31:42,970

some of that I've been wanting to talk

671

00:31:48,330 --> 00:31:46,120

to for quite a while I'm a friend of his

672

00:31:50,340 --> 00:31:48,340

sons and one day his son came up to me

673

00:31:51,780 --> 00:31:50,350

Mike and said hey you won't hear the

674

00:31:53,670 --> 00:31:51,790

story and he told me this incredible

675

00:31:55,020 --> 00:31:53,680

story about well basically he told me

676

00:31:58,380 --> 00:31:55,030

about this book that his father had

677

00:32:02,130 --> 00:31:58,390

written about his father someone who in

678

00:32:03,750 --> 00:32:02,140

World War 2 who was recruited by what we

679

00:32:06,390 --> 00:32:03,760

would call the CIA these days but it was

680

00:32:08,160 --> 00:32:06,400

the OSS Office of Strategic Services is

681

00:32:10,620 --> 00:32:08,170

that right called that's correct

682

00:32:12,060 --> 00:32:10,630

ok and at the end of World War two and

683

00:32:13,860 --> 00:32:12,070

there's been movies books many books

684

00:32:16,230 --> 00:32:13,870

written about this but not quite a book

685

00:32:18,390 --> 00:32:16,240

like this we basically went over to

686

00:32:20,400 --> 00:32:18,400

Europe they send very educated people

687

00:32:23,310 --> 00:32:20,410

over to Europe to track down and to find

688

00:32:26,100 --> 00:32:23,320

in to escort and let's say offer asylum

689

00:32:28,350 --> 00:32:26,110

to German scientists to come over to the

690

00:32:30,180 --> 00:32:28,360

United States work for us and yeah the

691

00:32:31,800 --> 00:32:30,190

long and short of it is those German

692

00:32:33,540 --> 00:32:31,810

scientists actually were the foundation

693

00:32:36,390 --> 00:32:33,550

of NASA and they put us on the moon it's

694

00:32:42,030 --> 00:32:36,400

a long story short as crazy as it sounds

695

00:32:43,230 --> 00:32:42,040

that's what happened to me right oh yeah

696

00:32:45,780 --> 00:32:43,240

I'm sure

697

00:32:47,010 --> 00:32:45,790

maybe who knows and what the innocent

698

00:32:53,730 --> 00:32:47,020

it's almost something like that what is

699

00:32:56,370 --> 00:32:53,740

that a sausage theater schnitzel is is a

700

00:32:59,130 --> 00:32:56,380

like a pork and it's gently cooked in a

701
00:33:00,480 --> 00:32:59,140
batter and fried pan-fried Jaeger

702
00:33:04,980 --> 00:33:00,490
schnitzel it actually is my favorite

703
00:33:11,310 --> 00:33:04,990
that's called hunters is eaten in

704
00:33:13,080 --> 00:33:11,320
Wisconsin there's a lot of Germans Cobra

705
00:33:16,340 --> 00:33:13,090
said something about 20 seconds ago that

706
00:33:19,080 --> 00:33:16,350
sound evolved too you know so here we go

707
00:33:20,790 --> 00:33:19,090
anyway so when the phone with us is Bob

708
00:33:23,940 --> 00:33:20,800
Jamison he's gonna talk to us about his

709
00:33:25,800 --> 00:33:23,950
father Jim Jameson's mission World War

710
00:33:27,870 --> 00:33:25,810
two soldiers and scientists is the name

711
00:33:31,650 --> 00:33:27,880
of the book how are you doing Lia

712
00:33:33,450 --> 00:33:31,660
tonight Bob good thanks very much now

713
00:33:37,020 --> 00:33:33,460

you're done you're done in Winter Haven

714

00:33:39,390 --> 00:33:37,030

Florida right right okay did you get hit

715

00:33:42,780 --> 00:33:39,400

by the latest hurricane yes

716

00:33:44,220 --> 00:33:42,790

unfortunately we did okay we did suffer

717

00:33:46,620 --> 00:33:44,230

a little bit of damage but it was

718

00:33:49,320 --> 00:33:46,630

actually from the tornados that spun out

719

00:33:50,610 --> 00:33:49,330

from Turkey Wow Wow

720

00:33:53,040 --> 00:33:50,620

if you don't have enough problems with a

721

00:33:55,980 --> 00:33:53,050

hurricane it you know it's causing

722

00:33:57,780 --> 00:33:55,990

tornadoes as well so anyway well listen

723

00:34:00,990 --> 00:33:57,790

this book is really something else and

724

00:34:03,240 --> 00:34:01,000

I'm so glad I was able to get a copy and

725

00:34:04,800 --> 00:34:03,250

read it I'm just gonna try to thumbnail

726

00:34:06,360 --> 00:34:04,810

it real quick and then you can fill in

727

00:34:08,940 --> 00:34:06,370

the blanks okay basically your father

728

00:34:11,340 --> 00:34:08,950

was approached some time during World

729

00:34:13,620 --> 00:34:11,350

War two with a special mission to go

730

00:34:16,980 --> 00:34:13,630

over to Europe and to kind of track down

731

00:34:19,020 --> 00:34:16,990

these German scientists and bring in try

732

00:34:22,170 --> 00:34:19,030

to get them to come over to the US and

733

00:34:26,580 --> 00:34:22,180

work for the US government is that the

734

00:34:29,190 --> 00:34:26,590

thumbnail yeah okay but he had such

735

00:34:29,580 --> 00:34:29,200

interesting adventures when he was over

736

00:34:32,720 --> 00:34:29,590

there

737

00:34:35,460 --> 00:34:32,730

you know like could you tell us about

738

00:34:37,830 --> 00:34:35,470

when he well this started the beginning

739

00:34:40,230 --> 00:34:37,840

you know he was he was not an officer

740

00:34:45,960 --> 00:34:40,240

correct that's correct

741

00:34:47,880 --> 00:34:45,970

actually he worked in research as a

742

00:34:53,190 --> 00:34:47,890

civilian initially in Aberdeen Proving

743

00:34:56,550 --> 00:34:53,200

Ground and then he was able to get out

744

00:35:00,310 --> 00:34:56,560

of two drafts by the colonel who

745

00:35:04,420 --> 00:35:00,320

working on the weapons refinement and

746

00:35:08,589 --> 00:35:04,430

early rocket research but after a couple

747

00:35:10,359 --> 00:35:08,599

of deferments and he was drafted but

748

00:35:12,520 --> 00:35:10,369

then the colonel was able to get him

749

00:35:15,430 --> 00:35:12,530

back to work without any proving ground

750

00:35:20,609 --> 00:35:15,440

on the same project after boot camp and

751
00:35:24,250 --> 00:35:20,619
then a year later is when the army

752
00:35:28,530 --> 00:35:24,260
needed him to go to Germany to do two

753
00:35:32,770 --> 00:35:28,540
things first of all to go around and

754
00:35:34,900 --> 00:35:32,780
rummage through buildings and previous

755
00:35:39,880 --> 00:35:34,910
outposts where the Germans are Nazis

756
00:35:42,670 --> 00:35:39,890
work to find any weapons that were

757
00:35:44,319 --> 00:35:42,680
advanced over the US Army's weapons and

758
00:35:47,079 --> 00:35:44,329
then write an analysis and send those

759
00:35:49,660 --> 00:35:47,089
back and that was a pretty short-term

760
00:35:52,780 --> 00:35:49,670
assignment then working for Army

761
00:35:58,240 --> 00:35:52,790
Intelligence he was assigned this secret

762
00:36:00,370 --> 00:35:58,250
assignment to help to find these rocket

763
00:36:03,099 --> 00:36:00,380

scientists they were German rocket

764

00:36:06,300 --> 00:36:03,109

scientists who had worked on the YouTube

765

00:36:09,569 --> 00:36:06,310

project of the v2 project excuse me and

766

00:36:12,970 --> 00:36:09,579

tried to bring them back but but they

767

00:36:15,430 --> 00:36:12,980

the dangerous thing about that was that

768

00:36:18,550 --> 00:36:15,440

the Russians wanted them and the British

769

00:36:21,609 --> 00:36:18,560

wanted them also and they had this

770

00:36:24,430 --> 00:36:21,619

agreement with Operation Paperclip

771

00:36:26,530 --> 00:36:24,440

where the three allies worked together

772

00:36:29,579 --> 00:36:26,540

to try to identify any scientists and

773

00:36:33,550 --> 00:36:29,589

bring them back but the u.s. kind of

774

00:36:37,599 --> 00:36:33,560

trumped that by a super secret mission

775

00:36:40,089 --> 00:36:37,609

which was not known to anyone except

776

00:36:44,460 --> 00:36:40,099

Eisenhower and a few others that was

777

00:36:47,470 --> 00:36:44,470

approved by the Pentagon to assign 20

778

00:36:50,640 --> 00:36:47,480

soldiers to go a million some of them

779

00:36:54,220 --> 00:36:50,650

were enlisted some of them were officers

780

00:36:56,740 --> 00:36:54,230

to find these scientists and yet my

781

00:36:59,920 --> 00:36:56,750

father was was just a corporal but his

782

00:37:02,040 --> 00:36:59,930

background was in some rocket

783

00:37:05,829 --> 00:37:02,050

exploration I'm working with him

784

00:37:06,849 --> 00:37:05,839

improving go right into it now Abidine

785

00:37:09,010 --> 00:37:06,859

is still there and that's where they

786

00:37:09,700 --> 00:37:09,020

test like a lot of new up-and-coming

787

00:37:12,430 --> 00:37:09,710

weapons and

788

00:37:14,680 --> 00:37:12,440

so on right that's exactly right right

789

00:37:17,589 --> 00:37:14,690

so now I just want to explain to people

790

00:37:19,270 --> 00:37:17,599

that Operation Paperclip the way it used

791

00:37:21,520 --> 00:37:19,280

to go and the reason I kept that name is

792

00:37:23,079 --> 00:37:21,530

if you were someone this is at the end

793

00:37:24,190 --> 00:37:23,089

of World War two now in Europe and it

794

00:37:26,950 --> 00:37:24,200

was like really chaotic

795

00:37:30,370 --> 00:37:26,960

you know just crazy right so if you were

796

00:37:31,290 --> 00:37:30,380

someone who the US government won to you

797

00:37:35,349 --> 00:37:31,300

know wanted to offer you a job

798

00:37:36,700 --> 00:37:35,359

scientists and so on and they wanted to

799

00:37:38,730 --> 00:37:36,710

kind of forget all that kind of nasty

800

00:37:42,160 --> 00:37:38,740

Nazi stuff right

801
00:37:43,810 --> 00:37:42,170
they would put a paperclip on your um on

802
00:37:45,520 --> 00:37:43,820
your visa application or something and

803
00:37:46,720 --> 00:37:45,530
the people letting people in and out

804
00:37:48,099 --> 00:37:46,730
when they saw the paperclip they would

805
00:37:50,109 --> 00:37:48,109
just basically wave these guys through

806
00:37:50,650 --> 00:37:50,119
so that's how it was called Operation

807
00:37:54,220 --> 00:37:50,660
Paperclip

808
00:37:55,740 --> 00:37:54,230
okay so suit but your father was he

809
00:37:58,089 --> 00:37:55,750
wasn't an officer but he knew you know

810
00:37:59,470 --> 00:37:58,099
like rocket science he knew all this

811
00:38:00,790 --> 00:37:59,480
kind of stuff so that so did the

812
00:38:01,930 --> 00:38:00,800
government go right to him and say

813
00:38:04,690 --> 00:38:01,940

listen was gonna give you the secret

814

00:38:07,839 --> 00:38:04,700

mission or he went to the service first

815

00:38:09,940 --> 00:38:07,849

and then they contacted him yeah he had

816

00:38:11,550 --> 00:38:09,950

been in the service about a year still

817

00:38:16,750 --> 00:38:11,560

working at every improved ground in

818

00:38:19,390 --> 00:38:16,760

rocket research until he was needed for

819

00:38:21,130 --> 00:38:19,400

this special assignment which he was not

820

00:38:25,450 --> 00:38:21,140

told anything about the assignment until

821

00:38:29,230 --> 00:38:25,460

he landed in France right okay in the

822

00:38:30,430 --> 00:38:29,240

orders and then they briefed him on two

823

00:38:32,890 --> 00:38:30,440

things that he was going to be doing

824

00:38:36,730 --> 00:38:32,900

gathering weapons initially and then

825

00:38:38,650 --> 00:38:36,740

being involved in this this search for

826

00:38:41,170 --> 00:38:38,660

scientists and bring him back program

827

00:38:42,550 --> 00:38:41,180

now it was top secret the Russians

828

00:38:45,339 --> 00:38:42,560

didn't know about it and the British

829

00:38:47,560 --> 00:38:45,349

didn't know about it because if they did

830

00:38:50,560 --> 00:38:47,570

then they would have blown the whistle

831

00:38:52,660 --> 00:38:50,570

on the whole thing right we were in no

832

00:38:54,940 --> 00:38:52,670

way going to share all these rocket

833

00:38:58,839 --> 00:38:54,950

scientists with those two countries

834

00:39:00,520 --> 00:38:58,849

right yes right so like I said you you

835

00:39:02,260 --> 00:39:00,530

finally had these this kind of series of

836

00:39:03,970 --> 00:39:02,270

adventures while he was over there and

837

00:39:06,370 --> 00:39:03,980

and the one that one of the ones that I

838

00:39:08,230 --> 00:39:06,380

like the most is they gave him a cod

839

00:39:11,170 --> 00:39:08,240

like like an ID card right he was a

840

00:39:13,329 --> 00:39:11,180

corporal right it was a corporal but he

841

00:39:14,560 --> 00:39:13,339

had orders ramanujan hammer in his

842

00:39:16,359 --> 00:39:14,570

pocket in his pocket

843

00:39:20,410 --> 00:39:16,369

so like at one point some colonel came

844

00:39:22,420 --> 00:39:20,420

up to one of his Jeep or something I I

845

00:39:23,400 --> 00:39:22,430

can't give it to you and go ahead tell

846

00:39:27,220 --> 00:39:23,410

the story

847

00:39:29,980 --> 00:39:27,230

it was it was one of those funny stories

848

00:39:32,770 --> 00:39:29,990

amid all this violence and killing and

849

00:39:36,130 --> 00:39:32,780

people trying to survive that sometimes

850

00:39:38,980 --> 00:39:36,140

happens on one of his assignments they

851

00:39:41,170 --> 00:39:38,990

and in fact they broke up the 20 men

852

00:39:43,570 --> 00:39:41,180

that were assigned to this detachment

853

00:39:45,760 --> 00:39:43,580

and they had him going out individually

854

00:39:47,380 --> 00:39:45,770

in order to try bringing in more

855

00:39:50,650 --> 00:39:47,390

scientists so that made it even more

856

00:39:56,109 --> 00:39:50,660

dangerous but he was he was sent on a

857

00:39:57,970 --> 00:39:56,119

mission to one particular segment and by

858

00:40:00,910 --> 00:39:57,980

the way Germany was carved up into

859

00:40:03,790 --> 00:40:00,920

Russian segments and British and US and

860

00:40:07,450 --> 00:40:03,800

France right and any and so he was on

861

00:40:09,640 --> 00:40:07,460

his way and all the signs were gone so

862

00:40:11,740 --> 00:40:09,650

it was art and he had very crude map so

863

00:40:14,050 --> 00:40:11,750

he stopped it this one this one Army

864

00:40:18,010 --> 00:40:14,060

outpost and asked for directions and

865

00:40:20,890 --> 00:40:18,020

when he came out the colonel and the

866

00:40:23,320 --> 00:40:20,900

Colonel's captain we're standing there

867

00:40:24,130 --> 00:40:23,330

eyeing up the cheap that my father had

868

00:40:28,150 --> 00:40:24,140

requisitioned

869

00:40:30,010 --> 00:40:28,160

and they said we the colonel needs that

870

00:40:32,170 --> 00:40:30,020

cheese because his is broken down that's

871

00:40:34,240 --> 00:40:32,180

in a motor pool being repaired and my

872

00:40:37,450 --> 00:40:34,250

father said you can't you can't have

873

00:40:40,390 --> 00:40:37,460

that Jeep and so after getting

874

00:40:42,760 --> 00:40:40,400

directions in the outpost he walked

875

00:40:44,770 --> 00:40:42,770

outside any notice that there was a

876

00:40:49,359 --> 00:40:44,780

captain and a colonel eyeing up his jeep

877

00:40:51,760 --> 00:40:49,369

and the captain told my father that the

878

00:40:53,740 --> 00:40:51,770

colonel needed that Jeep because his was

879

00:40:55,650 --> 00:40:53,750

in the motor pool being repaired and my

880

00:40:59,230 --> 00:40:55,660

father said you can't have that Jeep and

881

00:41:01,359 --> 00:40:59,240

so they went back and forth a couple of

882

00:41:04,270 --> 00:41:01,369

times the colonel saw resistance to the

883

00:41:06,910 --> 00:41:04,280

colonel approach and said soldier I want

884

00:41:09,849 --> 00:41:06,920

a jeep and my father said you can't have

885

00:41:11,680 --> 00:41:09,859

that Jeep and colonel said you better

886

00:41:14,770 --> 00:41:11,690

have a damn good reason soldier for not

887

00:41:17,830 --> 00:41:14,780

giving me that G so my father pulled out

888

00:41:19,240 --> 00:41:17,840

his orders and showed started to hand

889

00:41:21,310 --> 00:41:19,250

them to the colonel the colonel backed

890

00:41:23,590 --> 00:41:21,320

up and the captain stepped in and took

891

00:41:24,400 --> 00:41:23,600

the orders he looked them over and he

892

00:41:28,000 --> 00:41:24,410

said sir

893

00:41:31,060 --> 00:41:28,010

yes sir he has a good reason and orders

894

00:41:34,859 --> 00:41:31,070

to run away the colonel went home and

895

00:41:36,260 --> 00:41:34,869

walked away because they were signed by

896

00:41:39,050 --> 00:41:36,270

yeah

897

00:41:40,240 --> 00:41:39,060

that's a Cobra you must appreciate that

898

00:41:42,740 --> 00:41:40,250

story man

899

00:41:44,900 --> 00:41:42,750

it's those rare moments that you can

900

00:41:46,160 --> 00:41:44,910

have all that line up and have the

901
00:41:48,440 --> 00:41:46,170
letter and I think the other part that's

902
00:41:49,940 --> 00:41:48,450
just amazing about this is in this day

903
00:41:51,770 --> 00:41:49,950
and age Britain orders like that

904
00:41:53,870 --> 00:41:51,780
wouldn't carry very far but World War

905
00:41:56,660 --> 00:41:53,880
two they were worth you know their

906
00:41:58,520 --> 00:41:56,670
weight in gold they had that kind of

907
00:42:01,460 --> 00:41:58,530
authority because it was a hand written

908
00:42:02,390 --> 00:42:01,470
our hand signature on a typed letter it

909
00:42:04,100 --> 00:42:02,400
was pretty amazing

910
00:42:05,660 --> 00:42:04,110
well that's cool so anyway so now your

911
00:42:07,400 --> 00:42:05,670
father what was interesting you you

912
00:42:08,990 --> 00:42:07,410
touched on it before is that they used

913
00:42:10,760 --> 00:42:09,000

to ask these guys in groups okay they'd

914

00:42:12,800 --> 00:42:10,770

send them out as a group to try to find

915

00:42:14,480 --> 00:42:12,810

one or two guys right but then as things

916

00:42:15,590 --> 00:42:14,490

got even more chaotic and they realized

917

00:42:16,880 --> 00:42:15,600

you know these guys are scattered all

918

00:42:20,300 --> 00:42:16,890

those lights they just sent them out one

919

00:42:21,590 --> 00:42:20,310

at a time in Germany at night and it was

920

00:42:23,630 --> 00:42:21,600

over but still people are shooting each

921

00:42:27,110 --> 00:42:23,640

other and all this stuff okay so now he

922

00:42:29,870 --> 00:42:27,120

said there's another story where he was

923

00:42:32,570 --> 00:42:29,880

coming down the road and there was a

924

00:42:34,340 --> 00:42:32,580

convoy stopped at the side of the road

925

00:42:35,960 --> 00:42:34,350

and he had to kind of slow down for it

926

00:42:40,580 --> 00:42:35,970

and he saw someone he knew can you tell

927

00:42:42,980 --> 00:42:40,590

us that story yes at this moment in time

928

00:42:45,650 --> 00:42:42,990

they were still paired up after this

929

00:42:49,010 --> 00:42:45,660

incident they weren't paired up anymore

930

00:42:53,330 --> 00:42:49,020

but my father was paired up with a

931

00:42:56,390 --> 00:42:53,340

captain and yeah he saw a convoy and my

932

00:42:59,840 --> 00:42:56,400

father said to the captain gee my

933

00:43:04,670 --> 00:42:59,850

brother is over here and he's I think

934

00:43:08,450 --> 00:43:04,680

assigned to that group and the captain

935

00:43:10,610 --> 00:43:08,460

said we'll pull him over I said you know

936

00:43:12,500 --> 00:43:10,620

I'm a corporal I can't pull anybody over

937

00:43:14,960 --> 00:43:12,510

so the captain said pull up there I'll

938

00:43:16,870 --> 00:43:14,970

take care of it so I pulled up captain

939

00:43:19,790 --> 00:43:16,880

Wade the convoy over they stopped and

940

00:43:21,920 --> 00:43:19,800

then my father went looking through the

941

00:43:26,290 --> 00:43:21,930

convoy and found his brother brother

942

00:43:32,930 --> 00:43:30,050

imagine the odds against that really and

943

00:43:36,200 --> 00:43:32,940

and so the captain spoke to the

944

00:43:37,940 --> 00:43:36,210

commander of the convoy and kind of kept

945

00:43:39,320 --> 00:43:37,950

him distracted well my father was able

946

00:43:41,030 --> 00:43:39,330

to visit with his brother for a while

947

00:43:43,490 --> 00:43:41,040

Wow that's it that's really cool and

948

00:43:46,790 --> 00:43:43,500

then okay so let's move on a little bit

949

00:43:48,410 --> 00:43:46,800

when he got to that village that was

950

00:43:49,400 --> 00:43:48,420

kind of cut in half there was kind of

951

00:43:51,260 --> 00:43:49,410

like half it was rush

952

00:43:53,180 --> 00:43:51,270

and half at work you know not Russians

953

00:43:55,570 --> 00:43:53,190

and a guy that your father wanted was in

954

00:43:58,100 --> 00:43:55,580

the Russian sector do I have that right

955

00:43:59,690 --> 00:43:58,110

okay what and just tell us that stir a

956

00:44:02,150 --> 00:43:59,700

little bit in how he also he met someone

957

00:44:04,790 --> 00:44:02,160

he knew yeah

958

00:44:08,380 --> 00:44:04,800

he coincidence you know millions of

959

00:44:11,780 --> 00:44:08,390

soldiers all over the world and he did

960

00:44:14,150 --> 00:44:11,790

he was told that there was a scientist

961

00:44:18,220 --> 00:44:14,160

in this village in the Russian sector

962

00:44:21,920 --> 00:44:18,230

and the village was divided and that

963

00:44:27,530 --> 00:44:21,930

they needed for him to somehow get that

964

00:44:29,840 --> 00:44:27,540

scientist and arrived he went in to see

965

00:44:33,860 --> 00:44:29,850

the commander on the the American side

966

00:44:35,950 --> 00:44:33,870

and showed him his orders and and

967

00:44:38,690 --> 00:44:35,960

commander whatever you need no problem

968

00:44:42,170 --> 00:44:38,700

and my father said well I've got this

969

00:44:45,320 --> 00:44:42,180

German dictionary but I don't have time

970

00:44:49,550 --> 00:44:45,330

for that I need an interpreter so the

971

00:44:52,790 --> 00:44:49,560

commander asked one of the soldiers to

972

00:44:56,480 --> 00:44:52,800

go and bring in the interpreter and in

973

00:44:59,900 --> 00:44:56,490

walks a friend of my father's as the

974

00:45:03,980 --> 00:44:59,910

interpreter ready they grown up together

975

00:45:08,660 --> 00:45:03,990

in Pennsylvania right this interpreter

976
00:45:11,900 --> 00:45:08,670
knew German Polish Russian several

977
00:45:14,090 --> 00:45:11,910
languages multilingual and so you know

978
00:45:16,700 --> 00:45:14,100
they kind of embraced and slapped each

979
00:45:20,420 --> 00:45:16,710
other on the back and so my father

980
00:45:26,240 --> 00:45:20,430
explained what he was doing and his

981
00:45:28,070 --> 00:45:26,250
friend who was Joe for Corning said yes

982
00:45:29,240 --> 00:45:28,080
he's here and he's right up the breadth

983
00:45:31,790 --> 00:45:29,250
the street here and there are two

984
00:45:33,320 --> 00:45:31,800
Russian guards and they don't have him

985
00:45:35,480 --> 00:45:33,330
locked in or anything but they're

986
00:45:38,930 --> 00:45:35,490
supposed to keep their eye on him until

987
00:45:43,220 --> 00:45:38,940
a detachment comes from rest from the

988
00:45:44,990 --> 00:45:43,230

Russian side to pick them up so poor

989

00:45:47,270 --> 00:45:45,000

corny said okay here's what we're going

990

00:45:50,060 --> 00:45:47,280

to do you're going to pretend you're

991

00:45:51,740 --> 00:45:50,070

just a courier and so hide your weapons

992

00:45:55,070 --> 00:45:51,750

and my father had a Thompson submachine

993

00:45:57,230 --> 00:45:55,080

gun and 45 in the shoulder holster yeah

994

00:45:59,180 --> 00:45:57,240

hide your weapons in the Jeep put put

995

00:46:00,740 --> 00:45:59,190

your jewelry anything you've got put it

996

00:46:02,190 --> 00:46:00,750

in the Jeep so they can't see it from

997

00:46:06,870 --> 00:46:02,200

down the street

998

00:46:08,339 --> 00:46:06,880

and and so the interpreter Joe walked

999

00:46:11,190 --> 00:46:08,349

down the street and started talking to

1000

00:46:14,190 --> 00:46:11,200

the two Russian guards and he brought

1001

00:46:16,140 --> 00:46:14,200

some schnapps with him yeah and so they

1002

00:46:19,440 --> 00:46:16,150

wanted to know who this guy wasn't the

1003

00:46:21,329 --> 00:46:19,450

chief and Courtney said he's just a

1004

00:46:22,680 --> 00:46:21,339

courier he he brought schnapps for all

1005

00:46:27,030 --> 00:46:22,690

of us and you know we thought we'd bring

1006

00:46:29,339 --> 00:46:27,040

some to you guys so they're there

1007

00:46:32,280 --> 00:46:29,349

sucking it up and having fun and they're

1008

00:46:34,380 --> 00:46:32,290

drinking all this and and after a little

1009

00:46:34,920 --> 00:46:34,390

while they weren't as sharp as they were

1010

00:46:40,109 --> 00:46:34,930

before

1011

00:46:42,030 --> 00:46:40,119

and Joe Fort Kearny gave my father a

1012

00:46:44,339 --> 00:46:42,040

signal my father drove around the

1013

00:46:47,790 --> 00:46:44,349

village and got behind the building

1014

00:46:49,800 --> 00:46:47,800

where this scientist was and reporting I

1015

00:46:52,589 --> 00:46:49,810

told the scientist when the Jeep pulls

1016

00:46:55,680 --> 00:46:52,599

up you run out and get in it so he did

1017

00:46:58,560 --> 00:46:55,690

and my father took off and was able to

1018

00:47:01,859 --> 00:46:58,570

Wow snatch this guy out of the jaws of

1019

00:47:04,010 --> 00:47:01,869

the Russians grip right and you can

1020

00:47:08,970 --> 00:47:04,020

imagine what happened to those two

1021

00:47:09,900 --> 00:47:08,980

Russian soldiers right I mean who would

1022

00:47:11,670 --> 00:47:09,910

have thought that you could drive

1023

00:47:18,210 --> 00:47:11,680

Russians with liquor you know I mean I

1024

00:47:19,770 --> 00:47:18,220

know we're listening to make monies mill

1025

00:47:22,109 --> 00:47:19,780

tracks I'll show here on the distant

1026

00:47:23,880 --> 00:47:22,119

Thunder radio network we're talking to

1027

00:47:27,000 --> 00:47:23,890

Bob James in about a fast name book he

1028

00:47:29,700 --> 00:47:27,010

wrote about his father who was employed

1029

00:47:32,130 --> 00:47:29,710

by doing secret missions for the OSS or

1030

00:47:33,930 --> 00:47:32,140

the forerunner of the CIA in a world war

1031

00:47:36,300 --> 00:47:33,940

in Europe right after World War two

1032

00:47:37,620 --> 00:47:36,310

ended he was instrumental in bringing a

1033

00:47:39,720 --> 00:47:37,630

lot of German scientists off this

1034

00:47:41,609 --> 00:47:39,730

country and at least some of them formed

1035

00:47:44,849 --> 00:47:41,619

the foundation of NASA and put us on the

1036

00:47:46,290 --> 00:47:44,859

moon now I know there was one other

1037

00:47:48,089 --> 00:47:46,300

story in there that I really liked and

1038

00:47:49,680 --> 00:47:48,099

it was it was kind of simple and it just

1039

00:47:51,650 --> 00:47:49,690

kind of shows you like the Moxie of some

1040

00:47:54,210 --> 00:47:51,660

of these guys who fought over there

1041

00:47:55,800 --> 00:47:54,220

didn't your father's this Jeep break

1042

00:47:57,510 --> 00:47:55,810

down or something and he spent the night

1043

00:48:01,530 --> 00:47:57,520

like in a bombed-out building or

1044

00:48:04,319 --> 00:48:01,540

something yes at this point the same as

1045

00:48:07,800 --> 00:48:04,329

with dealing with the Russians at this

1046

00:48:08,400 --> 00:48:07,810

point they were singular there they were

1047

00:48:12,000 --> 00:48:08,410

on their own

1048

00:48:14,040 --> 00:48:12,010

and he was sent out to find another

1049

00:48:17,390 --> 00:48:14,050

scientist and

1050

00:48:23,510 --> 00:48:17,400

while enroute he came to a bombed-out

1051
00:48:26,550 --> 00:48:23,520
bridge with a pretty deep ravine and so

1052
00:48:28,410 --> 00:48:26,560
like he always said when you're given

1053
00:48:32,340 --> 00:48:28,420
order so you don't turn around you keep

1054
00:48:34,260 --> 00:48:32,350
going so he kind of searched around the

1055
00:48:36,660 --> 00:48:34,270
area to make sure there were no land

1056
00:48:38,640 --> 00:48:36,670
mines alongside where the bridge had

1057
00:48:40,609 --> 00:48:38,650
been blown out put the Jeep in

1058
00:48:44,820 --> 00:48:40,619
four-wheel-drive and went flying down

1059
00:48:48,810 --> 00:48:44,830
one slope got to the the base of what

1060
00:48:52,620 --> 00:48:48,820
used to be a river and some cup to the

1061
00:48:54,180 --> 00:48:52,630
axles and he tried it wasn't able to go

1062
00:48:56,280 --> 00:48:54,190
forward what isn't able to go backwards

1063
00:48:58,050 --> 00:48:56,290

and at that point he didn't know whether

1064

00:49:00,420 --> 00:48:58,060

he was in the Russian sector or not

1065

00:49:03,630 --> 00:49:00,430

because it wasn't clearly identified all

1066

00:49:05,760 --> 00:49:03,640

right and so he laid his head on the

1067

00:49:09,300 --> 00:49:05,770

steering wheel and said how'd you know

1068

00:49:12,390 --> 00:49:09,310

you need to get me out of this so just

1069

00:49:15,450 --> 00:49:12,400

then he heard the jingle jangle of

1070

00:49:18,540 --> 00:49:15,460

chains and farm equipment and sure

1071

00:49:21,660 --> 00:49:18,550

enough up on the other Ridge was a

1072

00:49:26,359 --> 00:49:21,670

German farmer who had a wagon and oxen

1073

00:49:29,880 --> 00:49:26,369

and so my father because he had been out

1074

00:49:31,830 --> 00:49:29,890

for a pretty good while filled up his

1075

00:49:33,270 --> 00:49:31,840

musette bag with all kinds of cigarettes

1076

00:49:34,620 --> 00:49:33,280

and candy and stuff in case he had to

1077

00:49:38,120 --> 00:49:34,630

bribe somebody yes

1078

00:49:41,880 --> 00:49:38,130

and sure enough he climbed the hill and

1079

00:49:43,109 --> 00:49:41,890

asked the farmer to bring two options

1080

00:49:45,599 --> 00:49:43,119

down and full of sheep out and the

1081

00:49:48,450 --> 00:49:45,609

farmer said no I'm just gonna bring one

1082

00:49:51,720 --> 00:49:48,460

and they were using hands sign language

1083

00:49:53,700 --> 00:49:51,730

because they could okay so he brought

1084

00:49:55,890 --> 00:49:53,710

one officer down ox down and couldn't

1085

00:49:57,410 --> 00:49:55,900

pull the Jeep out so he went back up the

1086

00:50:00,840 --> 00:49:57,420

hill and brought the other one down and

1087

00:50:02,550 --> 00:50:00,850

pulled the Jeep out and my father

1088

00:50:04,920 --> 00:50:02,560

rewarded him with cigarettes and candy

1089

00:50:08,390 --> 00:50:04,930

and yes and then he went on his way

1090

00:50:11,730 --> 00:50:08,400

to complete his mission I mean you know

1091

00:50:13,620 --> 00:50:11,740

at any point and now you know if they

1092

00:50:15,630 --> 00:50:13,630

happened today yeah he'd call back they

1093

00:50:17,250 --> 00:50:15,640

never sent a try you know just a

1094

00:50:20,820 --> 00:50:17,260

determination back then I think was

1095

00:50:23,310 --> 00:50:20,830

interesting yeah yeah right and

1096

00:50:25,920 --> 00:50:23,320

determination in spite of the fact that

1097

00:50:26,830 --> 00:50:25,930

there probably were still Nazi snipers

1098

00:50:30,310 --> 00:50:26,840

out there

1099

00:50:32,530 --> 00:50:30,320

never got the word and the Russians who

1100

00:50:34,830 --> 00:50:32,540

always shoot and ask questions right

1101

00:50:39,070 --> 00:50:34,840

sure well you also had the the whole

1102

00:50:41,200 --> 00:50:39,080

wolf dog campaign the werewolf or excuse

1103

00:50:44,320 --> 00:50:41,210

me that what was going on at that time

1104

00:50:46,840 --> 00:50:44,330

where you had Nazis that were not going

1105

00:50:48,940 --> 00:50:46,850

to be picked up that were fighting they

1106

00:50:51,280 --> 00:50:48,950

were hunting for anybody that they could

1107

00:50:52,840 --> 00:50:51,290

they could take down right can you tell

1108

00:50:55,000 --> 00:50:52,850

us but what kind of a guy was your

1109

00:50:56,940 --> 00:50:55,010

father I've talked to Mike a little bit

1110

00:50:59,920 --> 00:50:56,950

and he said he was just a very kind of

1111

00:51:02,380 --> 00:50:59,930

yo guy who didn't say much didn't talk

1112

00:51:03,610 --> 00:51:02,390

about all these experiences very much he

1113

00:51:14,650 --> 00:51:03,620

was just a real kind of scented

1114

00:51:19,510 --> 00:51:14,660

individual right unassuming stoic kind

1115

00:51:21,040 --> 00:51:19,520

of guy that didn't say much if you asked

1116

00:51:23,620 --> 00:51:21,050

him he would certainly hold a

1117

00:51:28,510 --> 00:51:23,630

conversation with you but he generally

1118

00:51:31,060 --> 00:51:28,520

listened more than he taught and people

1119

00:51:33,430 --> 00:51:31,070

enjoyed his company because they could

1120

00:51:34,540 --> 00:51:33,440

talk to him he would listen he wouldn't

1121

00:51:37,450 --> 00:51:34,550

he didn't dominate the conversation

1122

00:51:41,530 --> 00:51:37,460

right now but he was also at the very

1123

00:51:43,780 --> 00:51:41,540

same time the go-to guy if you wanted

1124

00:51:46,810 --> 00:51:43,790

something done he was the guy to go to

1125

00:51:49,450 --> 00:51:46,820

right all right he would get it done no

1126
00:51:54,580 --> 00:51:49,460
matter what it was right now he never

1127
00:51:56,260 --> 00:51:54,590
spoke see in his exit interview out of

1128
00:51:59,230 --> 00:51:56,270
the military he was told that he could

1129
00:52:03,040 --> 00:51:59,240
not disclose any of this for 50 years

1130
00:52:04,810 --> 00:52:03,050
mm-hmm and in fact just a for a margin

1131
00:52:09,820 --> 00:52:04,820
of error I guess he did not disclose

1132
00:52:12,070 --> 00:52:09,830
anything for 60 years Wow until he was

1133
00:52:15,550 --> 00:52:12,080
at the point where I was talking to him

1134
00:52:19,030 --> 00:52:15,560
about the biography and he began in

1135
00:52:21,100 --> 00:52:19,040
little by little disclosing some of the

1136
00:52:22,420 --> 00:52:21,110
details and then plus he had a pretty

1137
00:52:24,670 --> 00:52:22,430
exciting

1138
00:52:26,320 --> 00:52:24,680

career after the military well that's

1139

00:52:28,750 --> 00:52:26,330

what I was I was going to ask you about

1140

00:52:31,120 --> 00:52:28,760

that yeah but wrapped up the book for me

1141

00:52:32,710 --> 00:52:31,130

was and again out had a thumbnail and he

1142

00:52:34,270 --> 00:52:32,720

went back to work at Aberdeen and he was

1143

00:52:38,890 --> 00:52:34,280

working on different weapons and so on

1144

00:52:40,240 --> 00:52:38,900

okay and then one day in late 1963 two

1145

00:52:42,330 --> 00:52:40,250

guys walk in

1146

00:52:46,599 --> 00:52:42,340

FBI guys and they have a rifle

1147

00:52:51,040 --> 00:52:46,609

handcuffed to one of them 63 and they

1148

00:52:54,040 --> 00:52:51,050

had they had Bob's father look at it and

1149

00:52:55,180 --> 00:52:54,050

whatever they said who knows turned

1150

00:52:57,580 --> 00:52:55,190

around and walked out and there's a

1151
00:52:59,680 --> 00:52:57,590
pretty good chance that what it was was

1152
00:53:01,240 --> 00:52:59,690
Lee Harvey Oswald rifle and they went to

1153
00:53:04,540 --> 00:53:01,250
him for some kind of an expert opinion

1154
00:53:06,070 --> 00:53:04,550
is that kind of on the mark yes that's

1155
00:53:10,990 --> 00:53:06,080
exactly right in fact the interesting

1156
00:53:15,460 --> 00:53:11,000
thing was they came to these two FBI

1157
00:53:17,950 --> 00:53:15,470
special agents came to the division head

1158
00:53:19,839 --> 00:53:17,960
and the division head said you need to

1159
00:53:21,370 --> 00:53:19,849
go to the branch head they went to the

1160
00:53:25,270 --> 00:53:21,380
branch and the branch head said no you

1161
00:53:27,160 --> 00:53:25,280
need to see Jim so okay here here again

1162
00:53:31,359 --> 00:53:27,170
kind of at the Corporal level or

1163
00:53:34,150 --> 00:53:31,369

supervisory level he was the go-to guy

1164

00:53:38,260 --> 00:53:34,160

right and he performed the ballistics

1165

00:53:39,520 --> 00:53:38,270

test on that rifle Matt Mayes yeah well

1166

00:53:41,980 --> 00:53:39,530

you know he sounds like he was quite a

1167

00:53:43,630 --> 00:53:41,990

guy and I know it must been a labor of

1168

00:53:46,050 --> 00:53:43,640

love to write a book a World War two

1169

00:53:48,700 --> 00:53:46,060

soldiers and scientists Jim Jane's

1170

00:53:53,560 --> 00:53:48,710

Jameson's mission so you know can people

1171

00:53:57,310 --> 00:53:53,570

buy this or well to be honest I wrote it

1172

00:54:00,190 --> 00:53:57,320

for the family just just for us to have

1173

00:54:02,670 --> 00:54:00,200

and I've had it bound so that you know

1174

00:54:05,170 --> 00:54:02,680

we it would be better for posterity sure

1175

00:54:08,650 --> 00:54:05,180

and I've written a couple of others too

1176

00:54:11,440 --> 00:54:08,660

that I never really intended to to sell

1177

00:54:14,040 --> 00:54:11,450

I've been encouraged to maybe put these

1178

00:54:17,650 --> 00:54:14,050

kinds of things on the Internet

1179

00:54:19,390 --> 00:54:17,660

eBay or something but really gotten to

1180

00:54:22,510 --> 00:54:19,400

that point well when you do call us back

1181

00:54:26,710 --> 00:54:22,520

and we'll well pump it for you okay

1182

00:54:28,210 --> 00:54:26,720

who's listening all right well thanks

1183

00:54:29,859 --> 00:54:28,220

it's a really fascinating story and I'll

1184

00:54:31,630 --> 00:54:29,869

tell you if he had if he had met a

1185

00:54:33,370 --> 00:54:31,640

Fraulein and married her over there

1186

00:54:35,589 --> 00:54:33,380

you'd have a movie you know what I mean

1187

00:54:42,420 --> 00:54:35,599

yes you really would you know the right

1188

00:54:45,880 --> 00:54:44,470

what are the chances you're gonna run

1189

00:54:47,079 --> 00:54:45,890

into a guy you know and he speaks

1190

00:54:48,970 --> 00:54:47,089

Russian and you need someone to speak

1191

00:54:51,290 --> 00:54:48,980

Russian at that moment that's the guy

1192

00:54:53,300 --> 00:54:51,300

was truly blessed yes

1193

00:54:55,730 --> 00:54:53,310

well hey listen thanks for joining us

1194

00:54:57,680 --> 00:54:55,740

and you know we'll talk to you soon and

1195

00:55:00,500 --> 00:54:57,690

hopefully you'll have nice weather and

1196

00:55:02,630 --> 00:55:00,510

this went it down there in Florida we

1197

00:55:03,830 --> 00:55:02,640

sure hope we feel like we were blessed

1198

00:55:06,080 --> 00:55:03,840

to be part of his family

1199

00:55:07,520 --> 00:55:06,090

yeah he's son Mike has told me a lot

1200

00:55:09,859 --> 00:55:07,530

about him he's a really interesting guy

1201
00:55:12,890 --> 00:55:09,869
so thanks for sharing the story with us

1202
00:55:15,650 --> 00:55:12,900
and we'll talk to you soon okay thank

1203
00:55:17,810 --> 00:55:15,660
you very much talking to you guys great

1204
00:55:19,460 --> 00:55:17,820
story well I'm J Benson yeah yeah I was

1205
00:55:21,230 --> 00:55:19,470
a real hero man back in World War two

1206
00:55:24,830 --> 00:55:21,240
and just and let the James Bond life

1207
00:55:27,109 --> 00:55:24,840
without being you know James one yeah I

1208
00:55:29,200 --> 00:55:27,119
know I'm very cool so when we take a

1209
00:55:31,550 --> 00:55:29,210
commercial break now and we'll be back

1210
00:55:32,720 --> 00:55:31,560
with the next segment of the show you

1211
00:55:34,310 --> 00:55:32,730
listening to back Lumbees mill tracks

1212
00:55:36,770 --> 00:55:34,320
I'll show here on the distant Thunder

1213
00:55:41,720 --> 00:55:36,780

radio network we'll be right back after

1214

00:55:43,310 --> 00:55:41,730

this welcome back everyone to Mack

1215

00:55:44,690 --> 00:55:43,320

Maloney's military style show here on

1216

00:55:47,570 --> 00:55:44,700

the distant Thunder of radio network

1217

00:55:50,240 --> 00:55:47,580

this is Mac Maloney in the studio is

1218

00:55:52,580 --> 00:55:50,250

with us tonight three weeks in a row not

1219

00:55:57,280 --> 00:55:52,590

yes sir freaked by dope he is here

1220

00:55:59,390 --> 00:55:57,290

working on a streak if not a streaking

1221

00:56:02,200 --> 00:55:59,400

Brady still ahead of me in terms of

1222

00:56:04,880 --> 00:56:02,210

streaks there you go okay all right you

1223

00:56:08,630 --> 00:56:04,890

listen to last week's show this morning

1224

00:56:10,370 --> 00:56:08,640

and you really have a real Gaga

1225

00:56:12,230 --> 00:56:10,380

situation with Tom Brady I didn't

1226

00:56:14,900 --> 00:56:12,240

realize how severe it was until I

1227

00:56:16,599 --> 00:56:14,910

listened to two segments on last week's

1228

00:56:19,099 --> 00:56:16,609

show and I really think in his honor

1229

00:56:21,560 --> 00:56:19,109

especially from his recent performances

1230

00:56:24,250 --> 00:56:21,570

I need to upgrade my Tom Brady at tyre

1231

00:56:27,970 --> 00:56:24,260

and sidon be more you know more up-tempo

1232

00:56:30,080 --> 00:56:27,980

okay yes up-tempo would be the word yep

1233

00:56:34,670 --> 00:56:30,090

fabulous might be another word you never

1234

00:56:39,500 --> 00:56:34,680

know the tell us yes okay I want to come

1235

00:56:42,440 --> 00:56:39,510

1236

00:56:43,520 --> 00:56:42,450

1237

00:56:45,140 --> 00:56:43,530

1264

00:58:05,930 --> 00:58:02,810

good yeah not racist at all that mama

1265

00:58:09,860 --> 00:58:05,940

and we tolerated it back in the day I

1266

00:58:12,680 --> 00:58:09,870

mean we know deep down inside up in

1267

00:58:22,700 --> 00:58:12,690

Italian since day one really well it's

1268

00:58:26,890 --> 00:58:22,710

another show uncle named Guido and they

1269

00:58:30,170 --> 00:58:26,900

do have an uncle named Vinnie and two

1270

00:58:32,540 --> 00:58:30,180

aunts yes that play the accordion

1271

00:58:36,710 --> 00:58:32,550

well you ever throw that nails it right

1272

00:58:38,450 --> 00:58:36,720

there you out this swan song was like

1273

00:58:39,610 --> 00:58:38,460

Lady of Spain or something really yeah

1274

00:58:42,840 --> 00:58:39,620

okay all right

1275

00:58:45,340 --> 00:58:42,850

hate to say it but that's 100% meatball

1276

00:58:49,520 --> 00:58:45,350

[Laughter]

1277

00:58:51,440 --> 00:58:49,530

everyday it was pretty good friend of

1278

00:58:52,760 --> 00:58:51,450

mine in Dorchester I've known for years

1279

00:58:56,600 --> 00:58:52,770

he grew up in the original print

1280

00:58:58,640 --> 00:58:56,610

spaghetti house okay the budget sounds

1281

00:58:59,750 --> 00:58:58,650

really inside stuff anyway hey comments

1282

00:59:02,750 --> 00:58:59,760

so what's new with you in the band

1283

00:59:06,130 --> 00:59:02,760

what's going on well we just put out a

1284

00:59:09,650 --> 00:59:06,140

new record so I'm excited about that and

1285

00:59:11,240 --> 00:59:09,660

yeah getting ready to uh getting put out

1286

00:59:13,610 --> 00:59:11,250

there right now right it's lining up

1287

00:59:15,980 --> 00:59:13,620

some shows and get ready to uh you know

1288

00:59:17,310 --> 00:59:15,990

have a hopefully a good new year and

1289

00:59:20,610 --> 00:59:17,320

doing some show

1290

00:59:22,410 --> 00:59:20,620

getting out there and taking out on the

1291

00:59:24,360 --> 00:59:22,420

road yeah there's a record company

1292

00:59:25,740 --> 00:59:24,370

little bit no I mean always you know

1293

00:59:27,210 --> 00:59:25,750

we'll see what opportunities come out

1294

00:59:29,550 --> 00:59:27,220

which will kind of dictate you know

1295

00:59:31,050 --> 00:59:29,560

right how long how long the runs will be

1296

00:59:34,020 --> 00:59:31,060

but I'll definitely be doing a lot of

1297

00:59:35,760 --> 00:59:34,030

shows locally in my tri-state area you

1298

00:59:37,620 --> 00:59:35,770

know we'll see what the new year brings

1299

00:59:41,390 --> 00:59:37,630

us if you won't play the BB King's or

1300

00:59:45,420 --> 00:59:41,400

have you been inside them I have in fact

1301

00:59:46,920 --> 00:59:45,430

ironically enough I played bb's about

1302

00:59:49,740 --> 00:59:46,930

two months ago I did a show down there

1303

00:59:51,600 --> 00:59:49,750

and solo thing that's a nice net but

1304

00:59:53,610 --> 00:59:51,610

it's a nice venue as they say right

1305

00:59:55,470 --> 00:59:53,620

BB King's oh yeah it's a great place to

1306

00:59:57,240 --> 00:59:55,480

Soundssystem there's great they really

1307

00:59:59,760 --> 00:59:57,250

they do well they take care of you yeah

1308

01:00:01,830 --> 00:59:59,770

it really is great great great venue and

1309

01:00:03,810 --> 01:00:01,840

right in the heart of Times Square in

1310

01:00:07,380 --> 01:00:03,820

monarch city was going to be you know

1311

01:00:08,070 --> 01:00:07,390

fun people watching experiment yeah to

1312

01:00:15,620 --> 01:00:08,080

say the least

1313

01:00:23,580 --> 01:00:20,760

something to uh you know I had a couple

1314

01:00:25,860 --> 01:00:23,590

of New York legends that kind of have

1315

01:00:27,840 --> 01:00:25,870

their namesake Les Paul who we used to

1316

01:00:29,550 --> 01:00:27,850

play at the Iridium all the time in New

1317

01:00:32,820 --> 01:00:29,560

York City as well I had the pleasure of

1318

01:00:37,590 --> 01:00:32,830

meeting him and so those are two of my

1319

01:00:40,050 --> 01:00:37,600

my old school blues guitar guys yes

1320

01:00:44,130 --> 01:00:40,060

Paula smells awesome yeah I mean just

1321

01:00:45,540 --> 01:00:44,140

stuff he did Jim just is just for the

1322

01:00:50,640 --> 01:00:45,550

instrument itself you know what I mean

1323

01:00:53,490 --> 01:00:50,650

he's incredible yeah it was something I

1324

01:00:55,620 --> 01:00:53,500

was glad really early on my teen him

1325

01:00:57,570 --> 01:00:55,630

when I was was really young and he was

1326

01:01:00,300 --> 01:00:57,580

playing a different place called Fat

1327

01:01:02,520 --> 01:01:00,310

Tuesday at the at the time before he

1328

01:01:05,520 --> 01:01:02,530

went to the Iridium and uh he was just

1329

01:01:07,890 --> 01:01:05,530

just to see the joy that he brings

1330

01:01:10,620 --> 01:01:07,900

brought you know when he played he had

1331

01:01:12,180 --> 01:01:10,630

such a great time and it was just so

1332

01:01:15,050 --> 01:01:12,190

great to see even now had become an

1333

01:01:18,930 --> 01:01:15,060

older musician I just see that joy of

1334

01:01:20,340 --> 01:01:18,940

you know the way the way he just

1335

01:01:22,290 --> 01:01:20,350

performed it really was it was a great

1336

01:01:25,020 --> 01:01:22,300

experience of something that I tried to

1337

01:01:26,880 --> 01:01:25,030

take in you know from early on and you

1338

01:01:29,809 --> 01:01:26,890

know one lock into myself you know right

1339

01:01:34,069 --> 01:01:29,819

yeah I was in one with the instrument

1340

01:01:35,660 --> 01:01:34,079

all right want to stack I think he used

1341

01:01:39,229 --> 01:01:35,670

he was the first one to stack recorders

1342

01:01:41,859 --> 01:01:39,239

and edit them all down together it

1343

01:01:44,209 --> 01:01:41,869

really was multitrack yeah it was

1344

01:01:45,890 --> 01:01:44,219

incredible you know incredible inventor

1345

01:01:47,479 --> 01:01:45,900

and obviously look you said earlier what

1346

01:01:51,170 --> 01:01:47,489

he did for the instrument you know

1347

01:01:53,870 --> 01:01:51,180

itself is incredible and and it's my

1348

01:01:56,390 --> 01:01:53,880

favorite guitar to a Les Paul a lot of

1349

01:01:58,519 --> 01:01:56,400

people so what else so what what other

1350

01:02:04,999 --> 01:01:58,529

Road you know rock stars have you run

1351
01:02:09,319 --> 01:02:05,009
into that you can tell us about a number

1352
01:02:12,319 --> 01:02:09,329
I will say let me think here what might

1353
01:02:14,569 --> 01:02:12,329
be fun you know I am I had the pleasure

1354
01:02:16,640 --> 01:02:14,579
of sitting down if you know some of the

1355
01:02:19,729 --> 01:02:16,650
guys from from the band cactus like

1356
01:02:22,609 --> 01:02:19,739
Carmine Appice yeah Jimmy McCarty and

1357
01:02:25,459 --> 01:02:22,619
whatnot and I'm friends with Jimmy Coons

1358
01:02:30,349 --> 01:02:25,469
a singer of the band and we were out in

1359
01:02:32,630 --> 01:02:30,359
Detroit at the magic hat what is it

1360
01:02:34,910 --> 01:02:32,640
magic I think the venue was called and

1361
01:02:37,519 --> 01:02:34,920
we were having dinner out there and

1362
01:02:39,650 --> 01:02:37,529
carmine was telling me his Zeppelin

1363
01:02:48,469 --> 01:02:39,660

story with the shark oh yeah remember

1364

01:02:50,420 --> 01:02:48,479

that you told me firsthand that was a

1365

01:02:52,309 --> 01:02:50,430

pretty interesting one I love to do that

1366

01:03:00,229 --> 01:02:52,319

story not hurt it yeah we cannot tell

1367

01:03:01,969 --> 01:03:00,239

this story but that was probably one

1368

01:03:03,890 --> 01:03:01,979

interesting time and a PC was with

1369

01:03:06,650 --> 01:03:03,900

Vanilla Fudge probably at the time yeah

1370

01:03:09,079 --> 01:03:06,660

yeah he was when he was still doing

1371

01:03:11,120 --> 01:03:09,089

playing with I mean cactus you know

1372

01:03:13,999 --> 01:03:11,130

doing that with Jimmy not with resin but

1373

01:03:16,459 --> 01:03:14,009

um he's still doing any comment there's

1374

01:03:18,979 --> 01:03:16,469

all sorts of you know he still does

1375

01:03:27,589 --> 01:03:18,989

fudge cactus is always jam sitting in at

1376

01:03:31,009 --> 01:03:27,599

the Beacon Wow

1377

01:03:32,509 --> 01:03:31,019

excellent so just it we're rum the

1378

01:03:33,920 --> 01:03:32,519

reason we called you one did you run the

1379

01:03:35,959 --> 01:03:33,930

air is that we've taken three two songs

1380

01:03:43,479 --> 01:03:35,969

from the CD and we use them as bumpass

1381

01:03:51,470 --> 01:03:49,609

eight minutes and 10 seconds anyway so

1382

01:03:53,299 --> 01:03:51,480

we've used summer signs as bumpers and

1383

01:03:54,799 --> 01:03:53,309

the thing is is that we can't hear them

1384

01:04:00,710 --> 01:03:54,809

now you're gonna be famous just by the

1385

01:04:04,759 --> 01:04:00,720

soil just by the Pampas put in this

1386

01:04:06,049 --> 01:04:04,769

Shazam MOA yes in front of the speaker

1387

01:04:07,309 --> 01:04:06,059

when the bumpers are playing and it's

1388

01:04:08,569 --> 01:04:07,319

not gonna come up with anything because

1389

01:04:11,059 --> 01:04:08,579

let me ask you something real quick

1390

01:04:13,220 --> 01:04:11,069

completely off the subject both have

1391

01:04:15,259 --> 01:04:13,230

either of you guys heard of the Mandela

1392

01:04:17,900 --> 01:04:15,269

effect do you know what the Mandela

1393

01:04:19,930 --> 01:04:17,910

effect there's no okay you know it's

1394

01:04:22,339 --> 01:04:19,940

funny because you said Shazam right um

1395

01:04:25,220 --> 01:04:22,349

there's this thing going around where

1396

01:04:27,999 --> 01:04:25,230

people I'm misremembering are the

1397

01:04:32,059 --> 01:04:28,009

remembering a different thing than other

1398

01:04:33,829 --> 01:04:32,069

like when Mandela died in 2010 people

1399

01:04:36,410 --> 01:04:33,839

said wait a minute I sat home and

1400

01:04:39,920 --> 01:04:36,420

watched Mandela's funeral on the air

1401

01:04:41,239 --> 01:04:39,930

live and and they tell the story from

1402

01:04:42,650 --> 01:04:41,249

beginning to end and it's this in

1403

01:04:44,569 --> 01:04:42,660

someone and not the code I had it and

1404

01:04:46,039 --> 01:04:44,579

this is my versions of different

1405

01:04:47,839 --> 01:04:46,049

versions of it totally different and

1406

01:04:50,059 --> 01:04:47,849

they can't figure out why these people

1407

01:04:51,529 --> 01:04:50,069

are not remembering or what they saw was

1408

01:04:54,049 --> 01:04:51,539

different from us or whatever but anyway

1409

01:04:56,749 --> 01:04:54,059

the question they ask my people is did

1410

01:04:58,460 --> 01:04:56,759

you ever see the movie Shazam Shazam do

1411

01:05:03,200 --> 01:04:58,470

you remember the movie Shazam no no okay

1412

01:05:05,329 --> 01:05:03,210

do you comment like 50% of people say

1413

01:05:09,289 --> 01:05:05,339

yeah I saw the movie and was with Sinbad

1414

01:05:12,109 --> 01:05:09,299

the comedian okay even Lois Lane said it

1415

01:05:14,089 --> 01:05:12,119

she said yeah remember that I said and

1416

01:05:15,979 --> 01:05:14,099

what was he he was a genie never made it

1417

01:05:22,999 --> 01:05:15,989

never made a movie but people remember

1418

01:05:24,259 --> 01:05:23,009

it it's strange anyway you know he was a

1419

01:05:27,799 --> 01:05:24,269

comedian but I don't think I've ever

1420

01:05:29,150 --> 01:05:27,809

seen a film allegedly a comedian let's

1421

01:05:39,049 --> 01:05:29,160

put it down we go down a lot of roads

1422

01:05:40,339 --> 01:05:39,059

see that road we just went down so

1423

01:05:41,900 --> 01:05:40,349

anyway so just tell us a little bit

1424

01:05:43,519 --> 01:05:41,910

about what that you know the music on

1425

01:05:45,019 --> 01:05:43,529

the album it's hot it's kind of define

1426
01:05:47,720 --> 01:05:45,029
because we use the beginning of three

1427
01:05:51,079 --> 01:05:47,730
songs as the bumpers and they sound

1428
01:05:52,640 --> 01:05:51,089
weird and almost kind of prog rock not

1429
01:05:54,349 --> 01:05:52,650
prog right just kind of strange some

1430
01:05:54,710 --> 01:05:54,359
kind of West in that West I don't know

1431
01:05:57,800 --> 01:05:54,720
how to

1432
01:05:59,570 --> 01:05:57,810
a little bit of New Orleans Canada know

1433
01:06:01,520 --> 01:05:59,580
what it is so just tell us a little bit

1434
01:06:03,980 --> 01:06:01,530
about like that my way home find my way

1435
01:06:04,640 --> 01:06:03,990
home what's what's with that song yeah

1436
01:06:06,800 --> 01:06:04,650
okay

1437
01:06:09,680 --> 01:06:06,810
well you know I guess with this record

1438
01:06:12,620 --> 01:06:09,690

there's definitely um you know before I

1439

01:06:15,440 --> 01:06:12,630

still make albums and this being my

1440

01:06:17,330 --> 01:06:15,450

fourth full-length album business um you

1441

01:06:19,520 --> 01:06:17,340

know depending which record you listen

1442

01:06:21,740 --> 01:06:19,530

to you might even think it's a different

1443

01:06:24,560 --> 01:06:21,750

band I mean you hear there's it's

1444

01:06:26,630 --> 01:06:24,570

definitely in the same you know it's in

1445

01:06:28,550 --> 01:06:26,640

the same kitchen but depending which

1446

01:06:31,760 --> 01:06:28,560

record you have and what was going on in

1447

01:06:35,000 --> 01:06:31,770

my life at the time kind of dictated how

1448

01:06:37,220 --> 01:06:35,010

I produced the record so the last record

1449

01:06:39,859 --> 01:06:37,230

full one anyways that I did beggars and

1450

01:06:41,900 --> 01:06:39,869

thieves was very much a road record and

1451

01:06:44,359 --> 01:06:41,910

I was playing so much kind of traveling

1452

01:06:47,089 --> 01:06:44,369

everywhere out of my truck and doing a

1453

01:06:49,370 --> 01:06:47,099

lot of acoustic stuff and really you

1454

01:06:52,010 --> 01:06:49,380

know influenced by the sounds of America

1455

01:06:55,010 --> 01:06:52,020

and now this record and going back on

1456

01:06:58,070 --> 01:06:55,020

points of your questions you know if you

1457

01:07:00,200 --> 01:06:58,080

follow my whole wiser time work there

1458

01:07:02,810 --> 01:07:00,210

really has been a theme over these last

1459

01:07:05,349 --> 01:07:02,820

kind of 10 years and I've been or even

1460

01:07:09,980 --> 01:07:05,359

more so you know I've been doing it for

1461

01:07:11,359 --> 01:07:09,990

17 years I can guess what the theme is

1462

01:07:16,220 --> 01:07:11,369

one one you want to guess what the theme

1463

01:07:18,260 --> 01:07:16,230

of this is of his album well the

1464

01:07:21,020 --> 01:07:18,270

musician 17 years as a musician the

1465

01:07:23,030 --> 01:07:21,030

theme of his life story would be 17

1466

01:07:34,609 --> 01:07:23,040

years yeah why does anyone get in the

1467

01:07:36,380 --> 01:07:34,619

rock-and-roll band one might want to do

1468

01:07:38,450 --> 01:07:36,390

it to get girls others may want to do it

1469

01:07:40,760 --> 01:07:38,460

for just an outlet you know me for me I

1470

01:07:43,670 --> 01:07:40,770

think it was just an artistic outlet I

1471

01:07:45,770 --> 01:07:43,680

will own okay always writing I mean I

1472

01:07:47,930 --> 01:07:45,780

have notebooks anytime I need to work

1473

01:07:49,910 --> 01:07:47,940

something Alex he's a really do it on

1474

01:07:51,290 --> 01:07:49,920

paper he's a really wake up in the

1475

01:07:52,940 --> 01:07:51,300

middle of the night and I just tape

1476

01:07:56,359 --> 01:07:52,950

recorder advanced all the way and

1477

01:07:58,849 --> 01:07:56,369

there's a real at the witching hour is

1478

01:08:01,220 --> 01:07:58,859

really my best time because no one

1479

01:08:03,410 --> 01:08:01,230

bothering you kind of everything's dark

1480

01:08:05,750 --> 01:08:03,420

and I don't know it kind of gets you

1481

01:08:07,460 --> 01:08:05,760

into it and me anyways in a certain kind

1482

01:08:09,560 --> 01:08:07,470

of mode you're not distracted by

1483

01:08:11,030 --> 01:08:09,570

stuff now is it the same band for every

1484

01:08:13,670 --> 01:08:11,040

album or do you change around the

1485

01:08:15,980 --> 01:08:13,680

bandmates it's been different I mean

1486

01:08:18,860 --> 01:08:15,990

really this has kind of been my thing I

1487

01:08:22,099 --> 01:08:18,870

do all the writing and depending really

1488

01:08:25,039 --> 01:08:22,109

where my you know where it takes me I've

1489

01:08:27,579 --> 01:08:25,049

really allowed this you know it started

1490

01:08:30,079 --> 01:08:27,589

off me being more like a folk musician

1491

01:08:31,970 --> 01:08:30,089

you know playing in the coffee houses in

1492

01:08:33,620 --> 01:08:31,980

New York City you know singing about the

1493

01:08:35,840 --> 01:08:33,630

war and stuff like that and things were

1494

01:08:38,300 --> 01:08:35,850

going on and it's it's progress to so

1495

01:08:40,700 --> 01:08:38,310

many different levels so and at the time

1496

01:08:42,979 --> 01:08:40,710

you know it started off it was more of a

1497

01:08:44,510 --> 01:08:42,989

studio thing and then as you start

1498

01:08:46,700 --> 01:08:44,520

playing out more and you start doing

1499

01:08:48,709 --> 01:08:46,710

things and people kind of latch on to

1500

01:08:50,870 --> 01:08:48,719

what you're doing it's just kind of

1501
01:08:52,579 --> 01:08:50,880
natural certain cats kind of come in and

1502
01:08:54,440 --> 01:08:52,589
tell you listen I just want to play with

1503
01:08:56,829 --> 01:08:54,450
you kind of thing and you know be a part

1504
01:08:59,510 --> 01:08:56,839
of it and so it's had different times

1505
01:09:01,579 --> 01:08:59,520
when it's been a band and when it's been

1506
01:09:04,390 --> 01:09:01,589
more of a studio thing and there's been

1507
01:09:07,999 --> 01:09:04,400
recurring guys like Rob Flores my friend

1508
01:09:09,860 --> 01:09:08,009
great piano player and he's been on

1509
01:09:11,809 --> 01:09:09,870
every record and just about every

1510
01:09:14,800 --> 01:09:11,819
recording I've ever done he's been on

1511
01:09:18,530 --> 01:09:14,810
some things there's always a you know a

1512
01:09:20,690 --> 01:09:18,540
familiar group yes and just depending on

1513
01:09:22,789 --> 01:09:20,700

you know where I'm at at a particular

1514

01:09:25,670 --> 01:09:22,799

time kind of dictates who's kind of

1515

01:09:27,979 --> 01:09:25,680

playing on it and on that right so in

1516

01:09:31,280 --> 01:09:27,989

the minute we have left can I ask one

1517

01:09:32,660 --> 01:09:31,290

more question certainly okay what do you

1518

01:09:38,749 --> 01:09:32,670

call the guy who hangs around with

1519

01:09:46,970 --> 01:09:38,759

musicians what do you call a guy hangs

1520

01:09:48,559 --> 01:09:46,980

out with musicians a dealer one you know

1521

01:09:58,190 --> 01:09:48,569

the answer is it you what is it the

1522

01:10:00,200 --> 01:09:58,200

drummer the drummer I played guitar for

1523

01:10:04,340 --> 01:10:00,210

a while back in the 60s rap back when

1524

01:10:07,040 --> 01:10:04,350

everybody was playing if you were a

1525

01:10:08,750 --> 01:10:07,050

drummer I know I'm trying to learn how

1526

01:10:10,400 --> 01:10:08,760

to play a piano at the Yamaha grand

1527

01:10:13,670 --> 01:10:10,410

piano in the house I don't not a play

1528

01:10:15,830 --> 01:10:13,680

yeah well my girls do but I don't

1529

01:10:17,300 --> 01:10:15,840

touched around with it and so listen a

1530

01:10:19,140 --> 01:10:17,310

common do you ever come up to Boston to

1531

01:10:20,820 --> 01:10:19,150

do shows

1532

01:10:22,590 --> 01:10:20,830

I have been in the past it's been a

1533

01:10:24,420 --> 01:10:22,600

while since I've been up there but um

1534

01:10:27,840 --> 01:10:24,430

we'll see where the next wreck we don't

1535

01:10:30,270 --> 01:10:27,850

wear this record tape right yeah come on

1536

01:10:30,900 --> 01:10:30,280

in the studio and uh you know with us

1537

01:10:33,750 --> 01:10:30,910

we'll sit down

1538

01:10:35,190 --> 01:10:33,760

so it's a common school Fani okay and

1539

01:10:39,180 --> 01:10:35,200

this has nothing to do with his uncle

1540

01:10:40,890 --> 01:10:39,190

Vito calling us early this morning and

1541

01:10:50,060 --> 01:10:40,900

it was really good to talk to him say

1542

01:10:54,120 --> 01:10:52,710

okay so what why is the time is the name

1543

01:10:56,670 --> 01:10:54,130

of the band and look them up on

1544

01:10:58,260 --> 01:10:56,680

amazon.com , thanks for joining I said

1545

01:11:06,500 --> 01:10:58,270

we're gonna use your music is you know

1546

01:11:14,340 --> 01:11:11,880

okay okay great all right thank you

1547

01:11:16,440 --> 01:11:14,350

it's comments go funny notice she said

1548

01:11:18,420 --> 01:11:16,450

records records yeah I like that you

1549

01:11:20,520 --> 01:11:18,430

know you know a vinyl is making a big

1550

01:11:21,840 --> 01:11:20,530

comeback with oh we were in it we were

1551

01:11:29,220 --> 01:11:21,850

in it I was gonna say we're in a bland

1552

01:11:31,050 --> 01:11:29,230

and Noble the other day there was a

1553

01:11:32,720 --> 01:11:31,060

story in Forbes today too that said that

1554

01:11:34,920 --> 01:11:32,730

vinyls coming back in such a big way

1555

01:11:37,170 --> 01:11:34,930

mostly at one of the reasons they put

1556

01:11:39,630 --> 01:11:37,180

outside Jim pepper on vinyl and a couple

1557

01:11:41,580 --> 01:11:39,640

Rolling Stones albums that blues Elma

1558

01:11:42,930 --> 01:11:41,590

okay now the Millennials are finding

1559

01:11:44,460 --> 01:11:42,940

that you know they're really like

1560

01:11:46,080 --> 01:11:44,470

violent and then the people who missed

1561

01:11:49,470 --> 01:11:46,090

vinyl and now coming back that's right

1562

01:11:52,200 --> 01:11:49,480

so turntable sales the sky high end

1563

01:11:54,210 --> 01:11:52,210

turntable sales the technology is cool

1564

01:11:55,530 --> 01:11:54,220

and you know it's funny thing go away

1565

01:11:57,120 --> 01:11:55,540

you can be at one with the music when

1566

01:11:59,130 --> 01:11:57,130

you're playing yeah I love a listen I

1567

01:12:01,500 --> 01:11:59,140

love vinyl man but it gets scratched

1568

01:12:04,170 --> 01:12:01,510

anyway um so that was very interesting

1569

01:12:06,570 --> 01:12:04,180

was a musical segment in the show so why

1570

01:12:08,010 --> 01:12:06,580

don't we take a commercial break now and

1571

01:12:09,570 --> 01:12:08,020

we'll be right back after this you're

1572

01:12:11,490 --> 01:12:09,580

listening to Mack money's no tracks now

1573

01:12:15,600 --> 01:12:11,500

show here on the distant Thunder radio

1574

01:12:19,750 --> 01:12:18,010

welcome back to makani's mil tracks our

1575

01:12:22,120 --> 01:12:19,760

show here on the distant Thunder radio

1576

01:12:24,820 --> 01:12:22,130

network this is back money we're in the

1577

01:12:26,260 --> 01:12:24,830

middle of a fascinating shoe but let me

1578

01:12:28,540 --> 01:12:26,270

hit that loose all the people who have

1579

01:12:30,370 --> 01:12:28,550

suddenly came down upon us first of all

1580

01:12:31,930 --> 01:12:30,380

he's been here since the beginning the

1581

01:12:33,850 --> 01:12:31,940

very famous Juan Juan is here that's

1582

01:12:35,290 --> 01:12:33,860

right since the beginning of the show

1583

01:12:37,870 --> 01:12:35,300

and there's almost a spirit of time

1584

01:12:40,900 --> 01:12:37,880

you're sitting tonight in a smaller tree

1585

01:12:43,630 --> 01:12:40,910

usually you're above I'm resting my

1586

01:12:46,479 --> 01:12:43,640

posterior right okay my gluteus maximus

1587

01:12:47,580 --> 01:12:46,489

needs to be minimus for a fool okay if

1588

01:12:53,500 --> 01:12:47,590

you say so

1589

01:12:56,530 --> 01:12:53,510

they've cream for that cocoa was with us

1590

01:12:59,229 --> 01:12:56,540

captain Cobra so good evening gentleman

1591

01:13:01,030 --> 01:12:59,239

a good evening when you class up with a

1592

01:13:02,380 --> 01:13:01,040

little Latin that's always the gluteus

1593

01:13:04,810 --> 01:13:02,390

maximus you bet

1594

01:13:06,700 --> 01:13:04,820

always dreaming it apparently it's max

1595

01:13:10,959 --> 01:13:06,710

big Lida we had the Roman numerals class

1596

01:13:14,380 --> 01:13:10,969

earlier right yes you missed that also

1597

01:13:15,640 --> 01:13:14,390

on the line with us coming in from

1598

01:13:18,640 --> 01:13:15,650

Battle Creek Michigan where they make

1599

01:13:21,220 --> 01:13:18,650

all the cereals one one thing how many

1600

01:13:23,260 --> 01:13:21,230

tons of breakfast cereal just yourself

1601
01:13:25,000 --> 01:13:23,270
could you imagine there's explosion in

1602
01:13:27,479 --> 01:13:25,010
the building with it like flakes flying

1603
01:13:30,850 --> 01:13:27,489
you sent them last week you know is that

1604
01:13:32,680 --> 01:13:30,860
I was equated it to the molasses flood

1605
01:13:34,540 --> 01:13:32,690
in Boston right and I was thinking that

1606
01:13:36,160 --> 01:13:34,550
was really a sticky wicket well you know

1607
01:13:38,080 --> 01:13:36,170
if you can't escape my grandfather

1608
01:13:40,180 --> 01:13:38,090
actually was alive when that happened is

1609
01:13:42,760 --> 01:13:40,190
that right wow what a mess was it like

1610
01:13:45,580 --> 01:13:42,770
40 people maybe I saw yeah and horses

1611
01:13:47,080 --> 01:13:45,590
and oh my god I'm an orphan you can

1612
01:13:49,150 --> 01:13:47,090
still win it they say when it's hot you

1613
01:13:51,070 --> 01:13:49,160

can still smell it you know coming off

1614

01:13:52,959 --> 01:13:51,080

the sidewalk but I think the Big Dig

1615

01:13:56,260 --> 01:13:52,969

took care of that if you think you smell

1616

01:13:59,140 --> 01:13:56,270

something different if you can't run

1617

01:14:03,189 --> 01:13:59,150

away from a wave of them lasses you

1618

01:14:06,430 --> 01:14:03,199

smoke anyway so anyway let people by

1619

01:14:15,970 --> 01:14:06,440

surprise I said is that molasses they

1620

01:14:20,590 --> 01:14:15,980

both lost second like the blob maybe

1621

01:14:22,419 --> 01:14:20,600

another window down there well there was

1622

01:14:26,470 --> 01:14:22,429

Irish then but now but now you know

1623

01:14:31,750 --> 01:14:26,480

it's not gonna Pyrrha nothing there you

1624

01:14:34,810 --> 01:14:31,760

go racial stereotypes 1919 if you care

1625

01:14:36,760 --> 01:14:34,820

okay so anyway let's hope that nothing

1626

01:14:38,590 --> 01:14:36,770

like that happens impossible and was

1627

01:14:40,600 --> 01:14:38,600

rushing to the streets at an estimated

1628

01:14:41,830 --> 01:14:40,610

thirty mile five miles per hour

1629

01:14:44,590 --> 01:14:41,840

so I just want to make sure we get that

1630

01:14:47,830 --> 01:14:44,600

all clear what's the estimated 35 miles

1631

01:14:50,860 --> 01:14:47,840

an hour I don't know three point it was

1632

01:14:52,950 --> 01:14:50,870

a big fat like huge it killed 21 it

1633

01:14:55,030 --> 01:14:52,960

injured 150 okay

1634

01:14:56,800 --> 01:14:55,040

all right you're gonna lag you whitcomb

1635

01:15:00,189 --> 01:14:56,810

it's almost like the Boston equivalent

1636

01:15:02,130 --> 01:15:00,199

of Mount Vesuvius listen to the time

1637

01:15:06,100 --> 01:15:02,140

well that was until at least the

1638

01:15:09,760 --> 01:15:06,110

brothers Pink Floyd movie well I was

1639

01:15:11,860 --> 01:15:09,770

thinking enjoy what the marathon all

1640

01:15:14,110 --> 01:15:11,870

right so why don't we do this when we do

1641

01:15:18,550 --> 01:15:14,120

sembly no not yet never let's get to it

1642

01:15:20,169 --> 01:15:18,560

we're gonna salute Cobra anyway also

1643

01:15:21,790 --> 01:15:20,179

with the so with science which hopefully

1644

01:15:24,370 --> 01:15:21,800

nothing like that happens up in Battle

1645

01:15:27,700 --> 01:15:24,380

Creek oh okay no explosions no volcanoes

1646

01:15:30,010 --> 01:15:27,710

no molasses look there's any floods

1647

01:15:38,939 --> 01:15:30,020

we'll try and keep the quaker puffed

1648

01:15:45,070 --> 01:15:43,450

okay eating air if it's sad and a bowl

1649

01:15:46,720 --> 01:15:45,080

of milk like you forgot about it you're

1650

01:15:49,660 --> 01:15:46,730

watching you yeah hapten kangaroo yeah

1651

01:15:52,300 --> 01:15:49,670

yep it was like expand right it could

1652

01:15:54,430 --> 01:15:52,310

almost look like the monster that

1653

01:15:57,310 --> 01:15:54,440

devoured clean and put a lot of sugar on

1654

01:15:57,700 --> 01:15:57,320

that one oh yeah so anyway how are you

1655

01:16:01,149 --> 01:15:57,710

tonight

1656

01:16:03,520 --> 01:16:01,159

des which I'm doing really good because

1657

01:16:07,990 --> 01:16:03,530

I've taken the first steps toward

1658

01:16:09,580 --> 01:16:08,000

retirement don't puss out great that

1659

01:16:11,229 --> 01:16:09,590

that is retiring from real work I'm not

1660

01:16:14,110 --> 01:16:11,239

actually gonna retire okay

1661

01:16:22,570 --> 01:16:14,120

not gonna you know just sit him I took

1662

01:16:23,890 --> 01:16:22,580

us oh another land that's right all

1663

01:16:26,050 --> 01:16:23,900

right it sounds exciting

1664

01:16:28,450 --> 01:16:26,060

I'm good for you Steve right yes

1665

01:16:29,860 --> 01:16:28,460

congratulations sir thanks graduations

1666

01:16:32,500 --> 01:16:29,870

and a few more steps to go but we're

1667

01:16:33,820 --> 01:16:32,510

working on it okay super so what are you

1668

01:16:35,979 --> 01:16:33,830

doing you're leaving your job is that

1669

01:16:38,320 --> 01:16:35,989

word assignment yeah yeah probably

1670

01:16:43,060 --> 01:16:38,330

by about April everything will kick in

1671

01:16:44,500 --> 01:16:43,070

okay and I'll be retired okay to say out

1672

01:16:47,190 --> 01:16:44,510

loud yeah but you'll be self-employed

1673

01:16:51,870 --> 01:16:47,200

doing something so you know yeah yeah

1674

01:17:01,720 --> 01:16:51,880

yeah you know it'll be fun right yeah

1675

01:17:03,760 --> 01:17:01,730

I'll never be bored do golf it's a it's

1676

01:17:06,700 --> 01:17:03,770

a nice walk in the park really when you

1677

01:17:10,450 --> 01:17:06,710

think it's the ball of Gotham doesn't

1678

01:17:13,720 --> 01:17:10,460

appear to me now without a cat no way I

1679

01:17:17,680 --> 01:17:13,730

would walk no way I need a cut and well

1680

01:17:20,320 --> 01:17:17,690

that's where the exercise part that that

1681

01:17:22,180 --> 01:17:20,330

ship sailed anyway

1682

01:17:27,130 --> 01:17:22,190

also joining us from Cincinnati I'm

1683

01:17:29,140 --> 01:17:27,140

assuming is Emily minimize Emily M hello

1684

01:17:31,780 --> 01:17:29,150

hey are you doing tonight

1685

01:17:35,080 --> 01:17:31,790

I'm doing very well yeah how about those

1686

01:17:38,530 --> 01:17:35,090

Bengals yeah just I don't follow them so

1687

01:17:40,120 --> 01:17:38,540

good yeah good you just repeat you'd be

1688

01:17:45,720 --> 01:17:40,130

vomiting right now and read a court

1689

01:17:49,060 --> 01:17:46,990

Wow

1690

01:17:51,340 --> 01:17:49,070

so anyway tonight we were we've been

1691

01:17:54,850 --> 01:17:51,350

talking off and on about the Nazis

1692

01:17:56,170 --> 01:17:54,860

Germany Hitler just somehow some things

1693

01:17:59,800 --> 01:17:56,180

you know they did some crazy things but

1694

01:18:01,300 --> 01:17:59,810

you know faith or whatever push them in

1695

01:18:02,830 --> 01:18:01,310

the right direction for a while this

1696

01:18:04,000 --> 01:18:02,840

stuff happened to them that yeah they

1697

01:18:05,530 --> 01:18:04,010

were they were lucky they were really

1698

01:18:07,060 --> 01:18:05,540

like it's almost you know I hate to say

1699

01:18:10,410 --> 01:18:07,070

but almost like it was meant to be you

1700

01:18:14,190 --> 01:18:10,420

know or whatever but so Emily tell us

1701

01:18:17,050 --> 01:18:14,200

what's your Nazi story tonight

1702

01:18:20,590 --> 01:18:17,060

lots of Nazi stories this is actually

1703

01:18:23,380 --> 01:18:20,600

one of my favorites well probably my

1704

01:18:25,630 --> 01:18:23,390

favorite conspiracy theory is about

1705

01:18:29,170 --> 01:18:25,640

Hitler's death and if it actually

1706

01:18:32,590 --> 01:18:29,180

happened the way that we've been told ok

1707

01:18:34,810 --> 01:18:32,600

I Cobra brought this up earlier is he

1708

01:18:39,250 --> 01:18:34,820

did he live after World War 2 was that

1709

01:18:43,810 --> 01:18:39,260

war saying he made the great escape it's

1710

01:18:46,390 --> 01:18:43,820

a good possibility I I would say I just

1711

01:18:49,869 --> 01:18:46,400

think that the way that we are told that

1712

01:18:53,739 --> 01:18:49,879

he died which was by killing himself

1713

01:18:56,379 --> 01:18:53,749

and in his bunker in researching it

1714

01:18:56,979 --> 01:18:56,389

there really is no proof does that

1715

01:19:01,389 --> 01:18:56,989

happen

1716

01:19:02,889 --> 01:19:01,399

it definitely could've right I hear so

1717

01:19:05,109 --> 01:19:02,899

called proof you would agree probably

1718

01:19:07,449 --> 01:19:05,119

doesn't stand any kind of scrutiny when

1719

01:19:09,699 --> 01:19:07,459

you write I mean there's lots of

1720

01:19:12,159 --> 01:19:09,709

eyewitness accounts but you know from

1721

01:19:15,099 --> 01:19:12,169

his own people saying yes he killed

1722

01:19:17,799 --> 01:19:15,109

himself and Ava Braun did too and then

1723

01:19:20,709 --> 01:19:17,809

we burned them and their bodies are

1724

01:19:25,029 --> 01:19:20,719

unrecognizable but here they are you

1725

01:19:27,369 --> 01:19:25,039

know in a in a bomb crater they would be

1726

01:19:29,919 --> 01:19:27,379

the ones to say that so that he could

1727

01:19:31,540 --> 01:19:29,929

get away I mean the bones are wrong

1728

01:19:33,639 --> 01:19:31,550

right didn't someone determine that the

1729

01:19:36,489 --> 01:19:33,649

bones I'm not correct or something right

1730

01:19:39,250 --> 01:19:36,499

and then the whole path that his remains

1731

01:19:42,369 --> 01:19:39,260

follow from when the Russians found

1732

01:19:44,409 --> 01:19:42,379

these remains and thought it was Hitler

1733

01:19:47,319 --> 01:19:44,419

and Eva Braun and they took them and

1734

01:19:50,739 --> 01:19:47,329

even what happened in the short term

1735

01:19:53,169 --> 01:19:50,749

after they found the bodies seems to

1736

01:19:56,049 --> 01:19:53,179

have conflicting accounts i I've seen

1737

01:19:58,389 --> 01:19:56,059

that they took the bodies they buried

1738

01:20:02,049 --> 01:19:58,399

them elsewhere in Germany came back

1739

01:20:05,679 --> 01:20:02,059

later exhumed the bodies took them back

1740

01:20:08,080 --> 01:20:05,689

to Russia had some of the body parts

1741

01:20:12,129 --> 01:20:08,090

like Hitler's skull in the archives you

1742

01:20:14,790 --> 01:20:12,139

know until the mid 2000 well 2009 is

1743

01:20:17,379 --> 01:20:14,800

when the the DNA testing was done but

1744

01:20:18,899 --> 01:20:17,389

but but then there's other reports that

1745

01:20:22,479 --> 01:20:18,909

says no the bodies were burned

1746

01:20:24,879 --> 01:20:22,489

completely in the 70s and you know ashes

1747

01:20:26,830 --> 01:20:24,889

scattered so there were no remains so

1748

01:20:28,899 --> 01:20:26,840

the fact that we can't even trace what

1749

01:20:30,669 --> 01:20:28,909

happened to his body and what we can

1750

01:20:32,589 --> 01:20:30,679

trace the Russians said yes this is

1751

01:20:35,080 --> 01:20:32,599

Hitler's skull they did the tests on it

1752

01:20:37,509 --> 01:20:35,090

in 2009 and it came back that it was the

1753

01:20:38,349 --> 01:20:37,519

skull of a 40 year old woman so clearly

1754

01:20:41,979 --> 01:20:38,359

not him either

1755

01:20:46,149 --> 01:20:41,989

no I feel like we don't know what Hitler

1756

01:20:48,639 --> 01:20:46,159

was a woman Wow

1757

01:20:52,089 --> 01:20:48,649

well but but let me ask this Cobra maybe

1758

01:20:54,820 --> 01:20:52,099

you would know this was there some

1759

01:20:56,470 --> 01:20:54,830

special unit

1760

01:20:59,290 --> 01:20:56,480

that would be in charge of getting him

1761

01:21:00,990 --> 01:20:59,300

out of the country well it appears that

1762

01:21:04,330 --> 01:21:01,000

his most

1763

01:21:08,050 --> 01:21:04,340

Dollard supporters I mean the ideologues

1764

01:21:10,480 --> 01:21:08,060

that we're no capital I and the use of

1765

01:21:13,540 --> 01:21:10,490

body doubles which is very popular there

1766

01:21:15,460 --> 01:21:13,550

are many leaders of that time and it

1767

01:21:19,840 --> 01:21:15,470

appears still continues to this day some

1768

01:21:23,320 --> 01:21:19,850

Hussein had a number of them they set

1769

01:21:26,560 --> 01:21:23,330

this all up and worked it so that he

1770

01:21:28,630 --> 01:21:26,570

could depart and the suicide had

1771

01:21:31,000 --> 01:21:28,640

occurred the most popular going

1772

01:21:34,660 --> 01:21:31,010

conspiracy now is that the suicide that

1773

01:21:37,270 --> 01:21:34,670

occurred was the the body doubles double

1774

01:21:38,910 --> 01:21:37,280

performed it and they did it as their

1775

01:21:43,180 --> 01:21:38,920

final service to the yet they're like

1776

01:21:45,310 --> 01:21:43,190

well so now they know they there's two

1777

01:21:47,920 --> 01:21:45,320

folks that have worked out if it was

1778

01:21:51,250 --> 01:21:47,930

physically possible to be flown to a

1779

01:21:55,360 --> 01:21:51,260

location to get on it to a ship to meet

1780

01:22:00,910 --> 01:21:55,370

a u-boat and recently quite a bit of

1781

01:22:03,070 --> 01:22:00,920

u-boat I believe is 944 977 it has shown

1782

01:22:05,740 --> 01:22:03,080

up its records have shown up and parts

1783

01:22:08,320 --> 01:22:05,750

and pieces have shown up in Argentina so

1784

01:22:10,180 --> 01:22:08,330

it makes it that there is at least a

1785

01:22:13,360 --> 01:22:10,190

logical pathway that he could have done

1786

01:22:16,780 --> 01:22:13,370

it right I have to interrupt the show at

1787

01:22:20,050 --> 01:22:16,790

a bulletin Bob the ghost has made his

1788

01:22:22,330 --> 01:22:20,060

appearance from the night like the light

1789

01:22:24,310 --> 01:22:22,340

on off and on above one was head which

1790

01:22:28,240 --> 01:22:24,320

must have met he concurred with what

1791

01:22:30,580 --> 01:22:28,250

lower has been saying but submarines and

1792

01:22:32,470 --> 01:22:30,590

the Hitler with a gteen answer Argentina

1793

01:22:37,240 --> 01:22:32,480

so he would not here's an interesting

1794

01:22:40,860 --> 01:22:37,250

question do you mean he was gonna why do

1795

01:22:42,850 --> 01:22:40,870

you think he was so quiet in Argentina

1796

01:22:46,330 --> 01:22:42,860

do you think he just went into a

1797

01:22:47,290 --> 01:22:46,340

different form of control would have

1798

01:22:49,570 --> 01:22:47,300

been somehow for him to keep his mouth

1799

01:22:54,160 --> 01:22:49,580

shot for one thing but go ahead please

1800

01:22:57,610 --> 01:22:54,170

Emily right no no I think this is where

1801

01:23:00,310 --> 01:22:57,620

I am conflicted with myself because I

1802

01:23:01,390 --> 01:23:00,320

feel like he wanted to escape because he

1803

01:23:04,210 --> 01:23:01,400

wanted to come back into power

1804

01:23:07,240 --> 01:23:04,220

eventually because I mean he was a ego

1805

01:23:08,600 --> 01:23:07,250

maniacal psychopath that probably

1806

01:23:11,270 --> 01:23:08,610

thought he was doing

1807

01:23:13,340 --> 01:23:11,280

the right thing and so to me it seems

1808

01:23:15,590 --> 01:23:13,350

like he would escape and then try to

1809

01:23:18,800 --> 01:23:15,600

start something up again and so I think

1810

01:23:20,390 --> 01:23:18,810

maybe the reason why he was quiet if he

1811

01:23:24,109 --> 01:23:20,400

did escape and that we didn't really

1812

01:23:25,790 --> 01:23:24,119

hear from him is because he either

1813

01:23:28,399 --> 01:23:25,800

realized that that was the smart thing

1814

01:23:30,280 --> 01:23:28,409

to do otherwise people were he's gonna

1815

01:23:33,560 --> 01:23:30,290

have a lot of people coming after him or

1816

01:23:36,649 --> 01:23:33,570

he was you know quietly plotting his

1817

01:23:39,649 --> 01:23:36,659

return and died before it happened

1818

01:23:41,600 --> 01:23:39,659

know me ask one suppose one more piece

1819

01:23:43,700 --> 01:23:41,610

today do you think what the high number

1820

01:23:46,189 --> 01:23:43,710

of Nazis that came to the United States

1821

01:23:48,050 --> 01:23:46,199

after World War two that he was able to

1822

01:23:50,359 --> 01:23:48,060

transition to a different way of doing

1823

01:23:52,550 --> 01:23:50,369

that but he didn't have to I don't think

1824

01:23:54,140 --> 01:23:52,560

his personal makeup makes it appear this

1825

01:23:55,760 --> 01:23:54,150

could easily be pulling the lovers from

1826
01:23:57,080 --> 01:23:55,770
behind doesn't appear to be that type of

1827
01:24:00,200 --> 01:23:57,090
person but do you think that that's what

1828
01:24:02,629 --> 01:24:00,210
it was yeah it could be that doesn't

1829
01:24:04,609 --> 01:24:02,639
seem as as grand as they feel like a guy

1830
01:24:07,450 --> 01:24:04,619
like him would want it to be but but

1831
01:24:10,760 --> 01:24:07,460
definitely yeah just kind of covertly

1832
01:24:12,140 --> 01:24:10,770
inserting these horrible people into

1833
01:24:16,129 --> 01:24:12,150
other countries to bring their

1834
01:24:18,890 --> 01:24:16,139
ideologies there and you know maybe

1835
01:24:24,350 --> 01:24:18,900
something worked out in some state you

1836
01:24:25,790 --> 01:24:24,360
know but um the thing would be is if he

1837
01:24:27,200 --> 01:24:25,800
was down there wouldn't that mean that

1838
01:24:28,970 --> 01:24:27,210

they were and I always say this wouldn't

1839

01:24:30,919 --> 01:24:28,980

that mean they'd be you know a fairly

1840

01:24:32,600 --> 01:24:30,929

large circle of people who would know he

1841

01:24:34,760 --> 01:24:32,610

was down there if he was not looking a

1842

01:24:36,140 --> 01:24:34,770

lot of his henchmen were done right yeah

1843

01:24:37,850 --> 01:24:36,150

I know but you know they caught them the

1844

01:24:39,590 --> 01:24:37,860

Israelis caught them and so on no one

1845

01:24:41,840 --> 01:24:39,600

ever said anything you know he's hiding

1846

01:24:43,729 --> 01:24:41,850

up in the woods somewhere I I wouldn't

1847

01:24:45,649 --> 01:24:43,739

put it past them to try it there was at

1848

01:24:47,990 --> 01:24:45,659

one point I know there was some female

1849

01:24:49,669 --> 01:24:48,000

pilot Cobra who he really trusted and

1850

01:24:51,590 --> 01:24:49,679

she was like landing in the bombed-out

1851
01:24:54,950 --> 01:24:51,600
streets of Berlin and so yeah you know

1852
01:24:56,479 --> 01:24:54,960
so he couldn't get out of the Brewin by

1853
01:24:58,700 --> 01:24:56,489
an airplane you know we feel from that

1854
01:25:00,260 --> 01:24:58,710
or the subs you know they had long-range

1855
01:25:04,280 --> 01:25:00,270
sub some of them went as long ranges

1856
01:25:07,240 --> 01:25:04,290
like pot and so on but hey switch what

1857
01:25:10,970 --> 01:25:07,250
do you wha what are you gonna bring us

1858
01:25:11,899 --> 01:25:10,980
okay I I know he's got more but I was

1859
01:25:15,080 --> 01:25:11,909
going to get into some of the really

1860
01:25:19,370 --> 01:25:15,090
weird stuff and just uh you know there's

1861
01:25:22,550 --> 01:25:19,380
all this rumor and stuff about Nazi

1862
01:25:24,830 --> 01:25:22,560
flying saucers and the wealth of

1863
01:25:26,780 --> 01:25:24,840

this is incredible and it's something

1864

01:25:30,440 --> 01:25:26,790

that probably really doesn't have too

1865

01:25:31,580 --> 01:25:30,450

much substance to it and just uh just

1866

01:25:35,090 --> 01:25:31,590

let me know when you want to get back to

1867

01:25:38,570 --> 01:25:35,100

Emily here but maria orsic

1868

01:25:40,490 --> 01:25:38,580

she was born 1895 in vienna a gifted

1869

01:25:43,910 --> 01:25:40,500

psychic she's one of these that they

1870

01:25:45,260 --> 01:25:43,920

called the virile the VR il I don't know

1871

01:25:47,420 --> 01:25:45,270

if you've seen pictures of them they

1872

01:25:50,420 --> 01:25:47,430

would say a group of psychic women back

1873

01:25:52,280 --> 01:25:50,430

in the 1930s this is one one's area

1874

01:25:55,700 --> 01:25:52,290

because one of his first dates with his

1875

01:25:57,860 --> 01:25:55,710

lovely wife was to a seance right that's

1876

01:26:01,220 --> 01:25:57,870

right and her mother did automatic

1877

01:26:03,740 --> 01:26:01,230

writing yeah that was that's right right

1878

01:26:06,950 --> 01:26:03,750

and what was going on here she what a

1879

01:26:09,790 --> 01:26:06,960

handle on him in a mother-in-law oh it's

1880

01:26:13,340 --> 01:26:09,800

perfect that's just the beginning though

1881

01:26:17,630 --> 01:26:13,350

anyway go ahead but as early as 1917 she

1882

01:26:20,930 --> 01:26:17,640

was channeling these entities from alder

1883

01:26:23,030 --> 01:26:20,940

barren Sahra system not Alderaan like we

1884

01:26:27,170 --> 01:26:23,040

see in Star Wars okay

1885

01:26:29,540 --> 01:26:27,180

it started in well it up speed in 1924

1886

01:26:30,920 --> 01:26:29,550

at the request of Rudolf Hess okay they

1887

01:26:34,220 --> 01:26:30,930

made an attempt through a séance to

1888

01:26:35,690 --> 01:26:34,230

contact the master occultist meister

1889

01:26:39,200 --> 01:26:35,700

eckhart all right look you guys are

1890

01:26:41,960 --> 01:26:39,210

family okay back back 1260 1328 Holy

1891

01:26:43,670 --> 01:26:41,970

Roman Empire okay Rudolf house we should

1892

01:26:45,710 --> 01:26:43,680

say Rudolf s was like number three in

1893

01:26:49,550 --> 01:26:45,720

the Nazi Party he was a bright three or

1894

01:26:51,320 --> 01:26:49,560

four day guy big guy yeah and this

1895

01:26:54,890 --> 01:26:51,330

meister eckhart begins to speak through

1896

01:26:57,200 --> 01:26:54,900

maria and then he then Eckhart turns it

1897

01:26:59,780 --> 01:26:57,210

over to these beings and so over a long

1898

01:27:02,540 --> 01:26:59,790

period of time she and this group of

1899

01:27:05,690 --> 01:27:02,550

women are contacting these beings and

1900

01:27:07,340 --> 01:27:05,700

they had they were called the Sumi su mi

1901

01:27:10,130 --> 01:27:07,350

and supposedly had visited the earth in

1902

01:27:11,480 --> 01:27:10,140

the past and had established Sumeria you

1903

01:27:13,970 --> 01:27:11,490

know so they were pretty busy I guess

1904

01:27:16,310 --> 01:27:13,980

yeah and the thing that comes out of the

1905

01:27:17,360 --> 01:27:16,320

steve-dave rural does vr IL I don't know

1906

01:27:20,390 --> 01:27:17,370

if I'm even pronouncing it correctly

1907

01:27:23,900 --> 01:27:20,400

this life force it's very much like the

1908

01:27:27,020 --> 01:27:23,910

force in Star Wars or this this energy

1909

01:27:30,850 --> 01:27:27,030

this undefinable energy people are

1910

01:27:34,280 --> 01:27:30,860

always talking about in various mystical

1911

01:27:36,170 --> 01:27:34,290

belief systems and but this that came

1912

01:27:41,480 --> 01:27:36,180

from a book called the

1913

01:27:45,170 --> 01:27:41,490

coming race by Edward Witten and this

1914

01:27:47,180 --> 01:27:45,180

was a supportive fictional book story

1915

01:27:50,450 --> 01:27:47,190

about an underground race that utopian

1916

01:27:52,460 --> 01:27:50,460

race about 1871 he wrote this and they

1917

01:27:54,350 --> 01:27:52,470

were they practiced they had this this

1918

01:27:56,780 --> 01:27:54,360

they talked a lot about this force and

1919

01:27:59,060 --> 01:27:56,790

their utopian situation and how it was

1920

01:28:01,730 --> 01:27:59,070

used in healing and so forth well this

1921

01:28:05,150 --> 01:28:01,740

this this virile this was actually

1922

01:28:07,730 --> 01:28:05,160

co-opted years later and a lot of people

1923

01:28:09,860 --> 01:28:07,740

seem to believe that this guy that this

1924

01:28:11,570 --> 01:28:09,870

wasn't a complete work of fiction and

1925

01:28:14,360 --> 01:28:11,580

we're talking about people like Madame

1926

01:28:17,330 --> 01:28:14,370

Blavatsky found it that theosophy

1927

01:28:19,480 --> 01:28:17,340

movement rudolf steiner who founded the

1928

01:28:21,680 --> 01:28:19,490

anthroposophy movement excuse me

1929

01:28:24,800 --> 01:28:21,690

[Music]

1930

01:28:25,880 --> 01:28:24,810

and so but they were the ones i don't

1931

01:28:28,780 --> 01:28:25,890

know if you have seen these

1932

01:28:31,940 --> 01:28:28,790

illustrations but they were channeling

1933

01:28:34,820 --> 01:28:31,950

all these these pictures of I mean

1934

01:28:37,130 --> 01:28:34,830

illustrations of flying saucers they

1935

01:28:39,320 --> 01:28:37,140

look suspiciously like the George

1936

01:28:41,120 --> 01:28:39,330

Adamski sausage oh wow

1937

01:28:42,740 --> 01:28:41,130

many years later and it's almost a

1938

01:28:45,110 --> 01:28:42,750

spitting image you got the that the

1939

01:28:46,790 --> 01:28:45,120

bell-shaped craft you got the leave the

1940

01:28:50,030 --> 01:28:46,800

ball landing gear and so forth the

1941

01:28:50,780 --> 01:28:50,040

portholes and coke but now you know the

1942

01:28:52,460 --> 01:28:50,790

damn ski

1943

01:28:54,440 --> 01:28:52,470

make no mistake Adamski was a fraud

1944

01:28:57,980 --> 01:28:54,450

that's another story right yeah but uh

1945

01:29:00,110 --> 01:28:57,990

so but that's that's how this this this

1946

01:29:02,600 --> 01:29:00,120

this name came about more into the

1947

01:29:04,430 --> 01:29:02,610

present day now according to Joseph

1948

01:29:07,400 --> 01:29:04,440

Ferrell and I'm not doing him justice

1949

01:29:09,410 --> 01:29:07,410

because he has written volumes I don't

1950

01:29:12,470 --> 01:29:09,420

know if Emily has read some of his stuff

1951

01:29:12,860 --> 01:29:12,480

as well but he's written volumes on this

1952

01:29:15,440 --> 01:29:12,870

stuff

1953

01:29:17,390 --> 01:29:15,450

and he says that a lot of this is

1954

01:29:20,120 --> 01:29:17,400

nonsense because there's a historical

1955

01:29:22,190 --> 01:29:20,130

gap between the end of World War two and

1956

01:29:26,270 --> 01:29:22,200

where as some of these documents show up

1957

01:29:29,630 --> 01:29:26,280

that are purportedly documents that show

1958

01:29:31,640 --> 01:29:29,640

that the Nazis built these these the

1959

01:29:33,410 --> 01:29:31,650

plans for these flying saucers that were

1960

01:29:35,450 --> 01:29:33,420

channeled by these women right so

1961

01:29:36,980 --> 01:29:35,460

nothing nothing is actually can be

1962

01:29:39,770 --> 01:29:36,990

traced back to World War two but about

1963

01:29:42,800 --> 01:29:39,780

early 1950s suspiciously it this stuff

1964

01:29:46,010 --> 01:29:42,810

turns up but then we get to the Nazi

1965

01:29:48,650 --> 01:29:46,020

bell yes Joseph Ferrell thinks that the

1966

01:29:50,120 --> 01:29:48,660

Nazi bell and this was kind of a ACORN

1967

01:29:57,939 --> 01:29:50,130

like

1968

01:30:01,010 --> 01:29:57,949

in Vice with two interior cylinders

1969

01:30:03,140 --> 01:30:01,020

rotating opposite supposedly somehow

1970

01:30:06,470 --> 01:30:03,150

creating anti-gravity yet located in

1971

01:30:09,379 --> 01:30:06,480

Poland western Poland yes yes exactly

1972

01:30:13,250 --> 01:30:09,389

it's big it's a big it's a big Bell

1973

01:30:15,350 --> 01:30:13,260

chestnut chestnut huge right and they

1974

01:30:18,050 --> 01:30:15,360

think that it was creating you know go

1975

01:30:19,399 --> 01:30:18,060

ahead please right exactly but when I

1976

01:30:21,169 --> 01:30:19,409

was looking at some of this and again

1977

01:30:24,530 --> 01:30:21,179

there's there's so much on this it's

1978

01:30:27,140 --> 01:30:24,540

hard to find it on there was a gentleman

1979

01:30:29,419 --> 01:30:27,150

named Igor Witkowski yes claim that he

1980

01:30:30,859 --> 01:30:29,429

got information from a Polish source

1981

01:30:35,680 --> 01:30:30,869

polish intelligence like you were saying

1982

01:30:41,810 --> 01:30:35,690

and it was supposedly originated with

1983

01:30:46,310 --> 01:30:41,820

another major Nazi officer Jacob Soren

1984

01:30:48,770 --> 01:30:46,320

Berg no sporrenberg and that what's

1985

01:30:50,750 --> 01:30:48,780

problem is that he when he got this this

1986

01:30:52,879 --> 01:30:50,760

polish intelligence he said well he

1987

01:30:55,609 --> 01:30:52,889

wasn't able to transcribe any of it or

1988

01:30:58,069 --> 01:30:55,619

make any copies so he's the only person

1989

01:31:00,740 --> 01:30:58,079

you know that has seen this and it was

1990

01:31:03,200 --> 01:31:00,750

all about supposedly the plans for this

1991

01:31:05,390 --> 01:31:03,210

Nazi bell which seems to be a little

1992

01:31:07,490 --> 01:31:05,400

dubious but then if we move ahead a

1993

01:31:14,290 --> 01:31:07,500

little bit forward we look at the

1994

01:31:19,550 --> 01:31:16,580

1967 no 65 okay

1995

01:31:22,640 --> 01:31:19,560

December 65 and when you see

1996

01:31:24,919 --> 01:31:22,650

illustrations of the Kecksburg acorn if

1997

01:31:27,800 --> 01:31:24,929

you will and the Nazi bell

1998

01:31:31,100 --> 01:31:27,810

very very similar yeah and what people

1999

01:31:33,410 --> 01:31:31,110

reported course nobody got real close to

2000

01:31:35,600 --> 01:31:33,420

it I guess that could really examine it

2001
01:31:39,020 --> 01:31:35,610
because they allegedly they wished this

2002
01:31:40,609 --> 01:31:39,030
thing away right but as I recall you

2003
01:31:42,319 --> 01:31:40,619
know Stan Gordon when he talks about

2004
01:31:44,689 --> 01:31:42,329
he's the one that really was on the

2005
01:31:47,060 --> 01:31:44,699
ground floor of us Stan Gordon a great

2006
01:31:49,370 --> 01:31:47,070
researcher from Pennsylvania got on the

2007
01:31:52,580 --> 01:31:49,380
show he's the Kecksburg story is

2008
01:31:54,470 --> 01:31:52,590
fascinating about twenty levels somebody

2009
01:31:57,050 --> 01:31:54,480
was especially because when it and when

2010
01:31:58,520 --> 01:31:57,060
it came in actually my wife saw this

2011
01:32:01,040 --> 01:31:58,530
thing streaked across the sky in

2012
01:32:03,169 --> 01:32:01,050
Michigan back happened I missed it

2013
01:32:04,080 --> 01:32:03,179

unfortunately but this thing apparently

2014

01:32:06,120 --> 01:32:04,090

according to Stan

2015

01:32:08,189 --> 01:32:06,130

at the last minute it kind of did some

2016

01:32:10,859 --> 01:32:08,199

maneuvers yeah something that a and

2017

01:32:12,479 --> 01:32:10,869

meteor or even some kind of a projectile

2018

01:32:14,820 --> 01:32:12,489

that if any shot would never do right

2019

01:32:17,189 --> 01:32:14,830

yeah so and once I'm so sorry it's our

2020

01:32:19,859 --> 01:32:17,199

turn turn on an angle switch directions

2021

01:32:21,750 --> 01:32:19,869

and you know asteroids meteorites coming

2022

01:32:24,000 --> 01:32:21,760

into the atmosphere don't usually do

2023

01:32:25,379 --> 01:32:24,010

that so Emily what else if you don't

2024

01:32:28,050 --> 01:32:25,389

mind me just jump and head to Emily this

2025

01:32:33,180 --> 01:32:28,060

which tell us what else have you

2026

01:32:34,740 --> 01:32:33,190

researched tell me sir so I think well

2027

01:32:36,300 --> 01:32:34,750

the most interesting things I found and

2028

01:32:38,280 --> 01:32:36,310

so I don't I always heard the story

2029

01:32:40,020 --> 01:32:38,290

about Argentina or the theory about

2030

01:32:41,729 --> 01:32:40,030

Argentina and that's where he escaped to

2031

01:32:43,890 --> 01:32:41,739

and to me that seems the most plausible

2032

01:32:46,649 --> 01:32:43,900

and we can come back to that but one

2033

01:32:49,709 --> 01:32:46,659

that I hadn't heard before was that he

2034

01:32:53,640 --> 01:32:49,719

escaped to Spain with the help of

2035

01:32:55,649 --> 01:32:53,650

General Franco and apparently died there

2036

01:32:57,990 --> 01:32:55,659

I mean according to the theory he died

2037

01:33:01,020 --> 01:32:58,000

there a couple years after the fact

2038

01:33:03,899 --> 01:33:01,030

after he got to Spain and I think it was

2039

01:33:07,379 --> 01:33:03,909

Franco's driver that had gone and picked

2040

01:33:08,820 --> 01:33:07,389

Hitler up from the bunker and took him

2041

01:33:10,260 --> 01:33:08,830

to the airport or picked him up from the

2042

01:33:12,000 --> 01:33:10,270

airport and stay and I don't remember

2043

01:33:14,160 --> 01:33:12,010

which but that that was interesting

2044

01:33:17,280 --> 01:33:14,170

there's another one that he had escaped

2045

01:33:20,070 --> 01:33:17,290

to Brazil to be a treasure hunter

2046

01:33:27,629 --> 01:33:20,080

because he was given a map by friends of

2047

01:33:30,689 --> 01:33:27,639

his at the Vatican Wow and that one he

2048

01:33:33,390 --> 01:33:30,699

was live there until the early 80s huh

2049

01:33:35,100 --> 01:33:33,400

see here's okay that that to me is more

2050

01:33:39,030 --> 01:33:35,110

plausible that he went to Spain short a

2051
01:33:41,700 --> 01:33:39,040
distance he was basically you know in

2052
01:33:45,330 --> 01:33:41,710
league with the Spanish fascists right

2053
01:33:47,310 --> 01:33:45,340
Franco helped them win the Civil War so

2054
01:33:49,379 --> 01:33:47,320
he needed a favor back and I could see

2055
01:33:51,180 --> 01:33:49,389
him just you know living in some veranda

2056
01:33:52,919 --> 01:33:51,190
they had no one knows you know any and

2057
01:33:55,320 --> 01:33:52,929
he just like lived out his life and said

2058
01:33:57,149 --> 01:33:55,330
well you know keep it below the radar

2059
01:33:59,700 --> 01:33:57,159
you know because you don't want anyone

2060
01:34:00,899 --> 01:33:59,710
to know I'm here and it's a little more

2061
01:34:01,520 --> 01:34:00,909
plausible than not that I know I'm a

2062
01:34:04,109 --> 01:34:01,530
sub

2063
01:34:08,220 --> 01:34:04,119

and the thing about Argentina though is

2064

01:34:09,660 --> 01:34:08,230

that you know current day Nazi hunters

2065

01:34:12,060 --> 01:34:09,670

researchers whatever you want to call

2066

01:34:14,640 --> 01:34:12,070

them have found I mean they're able to

2067

01:34:17,390 --> 01:34:14,650

trace information that came out and the

2068

01:34:19,459 --> 01:34:17,400

CIA documents that were released a while

2069

01:34:21,470 --> 01:34:19,469

there's anything in there that outright

2070

01:34:23,149 --> 01:34:21,480

says oh he escaped but there's enough in

2071

01:34:25,370 --> 01:34:23,159

there the fact that they were still

2072

01:34:27,350 --> 01:34:25,380

investigating the possibility of him

2073

01:34:28,340 --> 01:34:27,360

being alive right years after he was

2074

01:34:30,770 --> 01:34:28,350

supposed to be dead

2075

01:34:34,370 --> 01:34:30,780

and the fact that so many of the reports

2076

01:34:35,810 --> 01:34:34,380

were in Argentina and you know people in

2077

01:34:38,060 --> 01:34:35,820

the last few years have been able to

2078

01:34:40,640 --> 01:34:38,070

track down some of these places the

2079

01:34:44,000 --> 01:34:40,650

people speak to you know relatives of

2080

01:34:46,550 --> 01:34:44,010

these people who have corroborated these

2081

01:34:49,160 --> 01:34:46,560

stories that he was there they found the

2082

01:34:50,660 --> 01:34:49,170

you know potential buildings that he had

2083

01:34:52,370 --> 01:34:50,670

stayed in you know out in the middle of

2084

01:34:54,770 --> 01:34:52,380

nowhere where you know you're surrounded

2085

01:34:56,479 --> 01:34:54,780

by water nobody could sneak up on you

2086

01:34:59,380 --> 01:34:56,489

and they found the remains of these

2087

01:35:02,360 --> 01:34:59,390

structures so to me that seems

2088

01:35:03,890 --> 01:35:02,370

reasonable nothing to when you just

2089

01:35:05,840 --> 01:35:03,900

think of his personality I remember

2090

01:35:07,459 --> 01:35:05,850

reading once someone said they

2091

01:35:10,310 --> 01:35:07,469

determined that he didn't have any kind

2092

01:35:13,130 --> 01:35:10,320

of mental disease okay he was a normal

2093

01:35:16,040 --> 01:35:13,140

human being when it came to that all

2094

01:35:17,510 --> 01:35:16,050

right but he just had this there was

2095

01:35:18,979 --> 01:35:17,520

something in him where he could say

2096

01:35:20,540 --> 01:35:18,989

anything and people would believe him

2097

01:35:21,979 --> 01:35:20,550

and he knew that right away and there's

2098

01:35:25,610 --> 01:35:21,989

almost like an actor in a way you know

2099

01:35:27,709 --> 01:35:25,620

and and he's I hate to say it but he was

2100

01:35:29,330 --> 01:35:27,719

a smart guy and in certain on certain

2101

01:35:30,860 --> 01:35:29,340

levels that say yeah I think he'd be

2102

01:35:32,510 --> 01:35:30,870

smart enough to keep his mouth shut if

2103

01:35:33,680 --> 01:35:32,520

he could out of World War two I think

2104

01:35:35,360 --> 01:35:33,690

he'd be smart enough to keep as much

2105

01:35:37,760 --> 01:35:35,370

that and not like starting to move in

2106

01:35:40,880 --> 01:35:37,770

them you know just wait under the radar

2107

01:35:43,459 --> 01:35:40,890

well how about this one Mac there are

2108

01:35:47,209 --> 01:35:43,469

people saying that this went exactly the

2109

01:35:49,760 --> 01:35:47,219

way he wanted to go mm-hmm okay that the

2110

01:35:54,080 --> 01:35:49,770

outcome how come on the wall I'll come

2111

01:35:56,450 --> 01:35:54,090

with a war and how it went was part of

2112

01:35:58,939 --> 01:35:56,460

his plan or wasn't accepted it was an

2113

01:36:00,709 --> 01:35:58,949

acceptable conclusion to what he did

2114

01:36:02,810 --> 01:36:00,719

because it was just one more step along

2115

01:36:03,890 --> 01:36:02,820

the way what's the next step do you mean

2116

01:36:05,870 --> 01:36:03,900

something will rise up in another

2117

01:36:08,300 --> 01:36:05,880

thousand years and now be is that what

2118

01:36:12,800 --> 01:36:08,310

you mean while the infiltration to the

2119

01:36:15,500 --> 01:36:12,810

United States the defeat the of Europe

2120

01:36:17,899 --> 01:36:15,510

Europe uniting which is what his goal

2121

01:36:20,000 --> 01:36:17,909

was his version of you know many people

2122

01:36:22,250 --> 01:36:20,010

say the EU has the has the complete

2123

01:36:23,990 --> 01:36:22,260

blueprint of what the Nazis wanted right

2124

01:36:25,729 --> 01:36:24,000

they said that's its own said that

2125

01:36:27,500 --> 01:36:25,739

they've invaded all the count empties

2126

01:36:29,359 --> 01:36:27,510

that they invaded before but this way

2127

01:36:31,549 --> 01:36:29,369

the way they did is they loan the money

2128

01:36:33,379 --> 01:36:31,559

they loan the money and now everyone

2129

01:36:34,459 --> 01:36:33,389

always plenty to Germany and and someone

2130

01:36:35,929 --> 01:36:34,469

figured out oh you know you don't have

2131

01:36:37,549 --> 01:36:35,939

to go to City the other way around

2132

01:36:41,000 --> 01:36:37,559

yeah you got it because Germany's the

2133

01:36:43,609 --> 01:36:41,010

most you know most the richest nation in

2134

01:36:45,169 --> 01:36:43,619

the EU it's the one who owns out all the

2135

01:36:48,560 --> 01:36:45,179

money before you're indebted to them

2136

01:36:52,839 --> 01:36:48,570

okay so so it's three as far to bankroll

2137

01:36:59,319 --> 01:36:52,849

yeah tomato tomahto go ahead please

2138

01:37:03,679 --> 01:36:59,329

somebody Emily so go ahead please now I

2139

01:37:06,409 --> 01:37:03,689

just I like this mystery so much because

2140

01:37:08,770 --> 01:37:06,419

there really isn't a clear answer okay I

2141

01:37:11,629 --> 01:37:08,780

mean any of these I could see being

2142

01:37:18,169 --> 01:37:11,639

possible or something else we haven't

2143

01:37:19,429 --> 01:37:18,179

even thought of some kind of unit you

2144

01:37:21,409 --> 01:37:19,439

know okay here we go get him on the

2145

01:37:22,369 --> 01:37:21,419

plane fly here do this if someone was

2146

01:37:25,549 --> 01:37:22,379

gonna do what he'd do

2147

01:37:27,409 --> 01:37:25,559

oh yeah absolutely it was never

2148

01:37:30,229 --> 01:37:27,419

satisfactory that we didn't have a body

2149

01:37:31,909 --> 01:37:30,239

right yes that's a story we heard and I

2150

01:37:33,859 --> 01:37:31,919

heard that Stalin was just like obsessed

2151

01:37:35,659 --> 01:37:33,869

was to his dying day that Hitler was

2152

01:37:37,429 --> 01:37:35,669

still alive he wanted like all the proof

2153

01:37:42,310 --> 01:37:37,439

in the world and and they couldn't give

2154

01:37:44,600 --> 01:37:42,320

it to him yeah he was so what else about

2155

01:37:46,759 --> 01:37:44,610

Hitler can we talk about C and this is

2156

01:37:48,319 --> 01:37:46,769

Hitler night well you know what not that

2157

01:37:57,500 --> 01:37:48,329

there's any connection but let's salute

2158

01:37:58,580 --> 01:37:57,510

Cobra here we go yeah I appreciate that

2159

01:38:03,020 --> 01:37:58,590

thank you gentlemen

2160

01:38:04,850 --> 01:38:03,030

lovely we've done just if I've seen a

2161

01:38:07,790 --> 01:38:04,860

little less than enthusiastic that only

2162

01:38:09,709 --> 01:38:07,800

yeah breath and he loved Hitler

2163

01:38:13,159 --> 01:38:09,719

discussion we remembered to salute me I

2164

01:38:14,949 --> 01:38:13,169

can find that the palms weren't towards

2165

01:38:18,080 --> 01:38:14,959

me and they were up against your temples

2166

01:38:20,060 --> 01:38:18,090

all right think I would like I can give

2167

01:38:24,409 --> 01:38:20,070

you what I think is the bottom line of

2168

01:38:27,770 --> 01:38:24,419

the saucer Bell mythos okay that is if

2169

01:38:30,609 --> 01:38:27,780

you know we have Maria channeling and

2170

01:38:34,069 --> 01:38:30,619

her cohorts channeling these the strange

2171

01:38:37,209 --> 01:38:34,079

saucer diagrams from from this alleged

2172

01:38:39,379 --> 01:38:37,219

mother planet and we have the alleged

2173

01:38:42,169 --> 01:38:39,389

plans for the Nazi bell

2174

01:38:43,080 --> 01:38:42,179

if this stuff if this is true their

2175

01:38:45,720 --> 01:38:43,090

substance

2176

01:38:47,430 --> 01:38:45,730

this where are they why haven't they

2177

01:38:49,290 --> 01:38:47,440

been used yeah why weren't they used at

2178

01:38:52,080 --> 01:38:49,300

the end of World War two to turn the

2179

01:38:54,419 --> 01:38:52,090

table right and even if they didn't have

2180

01:38:56,760 --> 01:38:54,429

them ready by then and if in fact some

2181

01:38:58,890 --> 01:38:56,770

of the I mean some of the Nazis whether

2182

01:39:01,979 --> 01:38:58,900

Hitler survived or not ended up

2183

01:39:03,359 --> 01:39:01,989

somewhere why aren't they being used I

2184

01:39:04,830 --> 01:39:03,369

guess some people might say well that's

2185

01:39:07,140 --> 01:39:04,840

some of the things we're seeing in the

2186

01:39:09,479 --> 01:39:07,150

sky but I'm a little skeptical and it

2187

01:39:10,979 --> 01:39:09,489

certainly wouldn't explain the entire

2188

01:39:13,050 --> 01:39:10,989

spectrum of look we're what we

2189

01:39:16,439 --> 01:39:13,060

experience in modern day UFO reports

2190

01:39:18,149 --> 01:39:16,449

right and I mean any time it and I'm

2191

01:39:20,820 --> 01:39:18,159

believe me I'm with you I've seen the

2192

01:39:23,430 --> 01:39:20,830

amount of material out there trying to

2193

01:39:25,320 --> 01:39:23,440

link the Nazis with aliens and alien

2194

01:39:27,270 --> 01:39:25,330

help and all this stuff it's

2195

01:39:29,669 --> 01:39:27,280

unbelievable I mean there is this hot

2196

01:39:32,550 --> 01:39:29,679

work that looks like photographs you

2197

01:39:34,890 --> 01:39:32,560

know they're just crazy but you know all

2198

01:39:36,899 --> 01:39:34,900

you have to do is say well why did they

2199

01:39:39,479 --> 01:39:36,909

lose the wall you know we're getting

2200

01:39:40,709 --> 01:39:39,489

help from an alien race 44 light-years

2201

01:39:42,930 --> 01:39:40,719

and you know they can do this maybe the

2202

01:39:46,140 --> 01:39:42,940

alien race was incompetent in Compton to

2203

01:39:47,399 --> 01:39:46,150

me why do we hate there that's true very

2204

01:39:49,649 --> 01:39:47,409

true

2205

01:39:51,839 --> 01:39:49,659

you're like the Bengals on top it like

2206

01:40:09,120 --> 01:39:51,849

the Bengals that's a very good

2207

01:40:12,950 --> 01:40:09,130

comparison so you know switchblade sees

2208

01:40:16,379 --> 01:40:12,960

a valley and he fills it with laughter

2209

01:40:19,580 --> 01:40:16,389

so what else can we talk about about

2210

01:40:21,839 --> 01:40:19,590

Hitler I know a couple things about them

2211

01:40:23,760 --> 01:40:21,849

believe in the night he was a vegetarian

2212

01:40:26,100 --> 01:40:23,770

you know that never ate meat I never

2213

01:40:29,580 --> 01:40:26,110

knew that yeah you told me ever in his

2214

01:40:31,050 --> 01:40:29,590

life and never drank alcohol Wow never

2215

01:40:32,459 --> 01:40:31,060

drank alcohol they would have these big

2216

01:40:34,649 --> 01:40:32,469

state dinners and stuff where everyone's

2217

01:40:37,260 --> 01:40:34,659

you know drinking wine or whatever and

2218

01:40:41,100 --> 01:40:37,270

he'd always have apple juice well Mac

2219

01:40:42,390 --> 01:40:41,110

you address the o Jehovah Witness no no

2220

01:40:45,390 --> 01:40:42,400

but I mean you know you would think that

2221

01:40:47,280 --> 01:40:45,400

he'd be like a raging drunk no and yeah

2222

01:40:48,689 --> 01:40:47,290

and the rest of them were and you know

2223

01:40:51,209 --> 01:40:48,699

snuggling you know I mean they're all

2224

01:40:54,270 --> 01:40:51,219

very well fed and so on but he was high

2225

01:40:55,530 --> 01:40:54,280

as that he took 44 different medications

2226

01:40:57,330 --> 01:40:55,540

a day and there's like

2227

01:41:00,690 --> 01:40:57,340

kinds of different kinds of cocaine they

2228

01:41:03,030 --> 01:41:00,700

the Nazis invented meta in fat amines

2229

01:41:05,250 --> 01:41:03,040

they gave it to their troops the troops

2230

01:41:08,160 --> 01:41:05,260

were run speed yeah for most of the

2231

01:41:11,010 --> 01:41:08,170

fighting and so on so they did some

2232

01:41:12,810 --> 01:41:11,020

strange things and yeah he wasn't a

2233

01:41:17,820 --> 01:41:12,820

Duras to taking pills and stuff but no

2234

01:41:19,800 --> 01:41:17,830

booze no meat you addressed earlier the

2235

01:41:21,690 --> 01:41:19,810

the way that people just sort of went

2236

01:41:23,550 --> 01:41:21,700

along with Hitler and believed him

2237

01:41:26,190 --> 01:41:23,560

there was a book I read years ago called

2238

01:41:28,230 --> 01:41:26,200

ominous parallels by Leonard Peikoff and

2239

01:41:29,640 --> 01:41:28,240

he talks about the the atmosphere and

2240

01:41:31,950 --> 01:41:29,650

the political philosophies that were

2241

01:41:33,900 --> 01:41:31,960

prevalent in Germany at the time and

2242

01:41:36,060 --> 01:41:33,910

what what students were being taught in

2243

01:41:38,460 --> 01:41:36,070

colleges and they were learning a lot of

2244

01:41:42,600 --> 01:41:38,470

stuff of like Immanuel Kant and Hegel

2245

01:41:44,460 --> 01:41:42,610

and so forth and his thesis was that a

2246

01:41:46,470 --> 01:41:44,470

lot of these philosophies if there were

2247

01:41:48,000 --> 01:41:46,480

there were no absolutes you would kind

2248

01:41:50,040 --> 01:41:48,010

of you could go and believe anything you

2249

01:41:51,810 --> 01:41:50,050

wanted to and he suggests that that's an

2250

01:41:54,240 --> 01:41:51,820

oversimplification but he suggested that

2251

01:41:56,250 --> 01:41:54,250

that's what what set the sort of

2252

01:41:58,350 --> 01:41:56,260

atmosphere for somebody like Hillard to

2253

01:42:00,600 --> 01:41:58,360

take over if there's no absolute right

2254

01:42:02,580 --> 01:42:00,610

or wrong then you can think all kinds of

2255

01:42:04,680 --> 01:42:02,590

things right other other people's and

2256

01:42:07,800 --> 01:42:04,690

other ethnicities and so forth right and

2257

01:42:09,900 --> 01:42:07,810

not feel any pang of conscience about it

2258

01:42:13,890 --> 01:42:09,910

conscience about him but but he had this

2259

01:42:15,060 --> 01:42:13,900

power and you know he used to practice

2260

01:42:16,740 --> 01:42:15,070

it he used to take pictures of himself

2261

01:42:18,570 --> 01:42:16,750

in front of the mirror using the hand

2262

01:42:20,660 --> 01:42:18,580

gestures but when you see him giving a

2263

01:42:23,130 --> 01:42:20,670

speech and you see you know like the

2264

01:42:27,120 --> 01:42:23,140

caption version the English he's not

2265

01:42:28,200 --> 01:42:27,130

saying anything of grand scale okay he's

2266

01:42:29,730 --> 01:42:28,210

basically saying you know we're gonna

2267

01:42:31,290 --> 01:42:29,740

build the highways with demo you know

2268

01:42:33,210 --> 01:42:31,300

clean up the rivers you know we're gonna

2269

01:42:34,950 --> 01:42:33,220

put everyone to work but but the way

2270

01:42:37,020 --> 01:42:34,960

he's saying delivery the charismatic

2271

01:42:38,820 --> 01:42:37,030

approach to everything that he did when

2272

01:42:40,050 --> 01:42:38,830

he came into power the first thing he

2273

01:42:43,140 --> 01:42:40,060

said is we're gonna build the greatest

2274

01:42:45,000 --> 01:42:43,150

highway in the world okay so they built

2275

01:42:47,100 --> 01:42:45,010

the Autobahn they put a lot of people to

2276

01:42:48,780 --> 01:42:47,110

work gave everyone a shovel they watch

2277

01:42:50,730 --> 01:42:48,790

out to the site and you know big them

2278

01:42:52,920 --> 01:42:50,740

and to driving over nine but I hate to

2279

01:42:55,050 --> 01:42:52,930

drive on as beautiful the thing is is

2280

01:42:55,560 --> 01:42:55,060

that like one out of 20 Germans had a

2281

01:42:57,540 --> 01:42:55,570

car

2282

01:42:58,890 --> 01:42:57,550

no one had any guys but you know through

2283

01:43:00,150 --> 01:42:58,900

Hitler's kind of will say hey we're

2284

01:43:02,100 --> 01:43:00,160

gonna build these highways no one has

2285

01:43:03,420 --> 01:43:02,110

cars but you know we're still gonna go

2286

01:43:04,800 --> 01:43:03,430

the highways would be ready for Italy

2287

01:43:06,090 --> 01:43:04,810

for ice cream and he tried to get the

2288

01:43:07,410 --> 01:43:06,100

Volkswagen done that's how the vote

2289

01:43:09,000 --> 01:43:07,420

swings

2290

01:43:14,100 --> 01:43:09,010

then that nasty thing Kyle we're about

2291

01:43:15,450 --> 01:43:14,110

to interrupt the tune so obviously once

2292

01:43:15,990 --> 01:43:15,460

you have the road and you have to do

2293

01:43:17,220 --> 01:43:16,000

something else

2294

01:43:19,980 --> 01:43:17,230

I don't know Poland looks like a good

2295

01:43:22,950 --> 01:43:19,990

place to go there you go it's a nice

2296

01:43:25,050 --> 01:43:22,960

Sunday Drive right in the fall and then

2297

01:43:28,470 --> 01:43:25,060

while I got the beach that leads to Fran

2298

01:43:30,390 --> 01:43:28,480

Fran nice beaches okay yeah it all makes

2299

01:43:34,580 --> 01:43:30,400

sense nurse Paris is lovely the stuff

2300

01:43:37,800 --> 01:43:34,590

yeah you want snow you invade Russia see

2301

01:43:40,920 --> 01:43:37,810

skiers and though yeah couple minutes we

2302

01:43:44,450 --> 01:43:40,930

have left you know Emily what any other

2303

01:43:46,590 --> 01:43:44,460

weird quirks that you know about Adolf

2304

01:43:49,140 --> 01:43:46,600

well I was gonna say when you're talking

2305

01:43:51,000 --> 01:43:49,150

about his eating habits how he was a

2306

01:43:53,730 --> 01:43:51,010

vegetarian and he didn't drink he also

2307

01:43:57,870 --> 01:43:53,740

didn't smoke and that piece plays into

2308

01:43:59,820 --> 01:43:57,880

the theory of him committing suicide and

2309

01:44:02,280 --> 01:43:59,830

that it wasn't him because the person

2310

01:44:04,530 --> 01:44:02,290

who people thought was Hitler you know

2311

01:44:07,500 --> 01:44:04,540

in the days leading up to the suicide

2312

01:44:10,530 --> 01:44:07,510

was in the bunker you know eating meat

2313

01:44:12,870 --> 01:44:10,540

smoking drinking and and I think

2314

01:44:15,540 --> 01:44:12,880

somewhere I even read that he had like

2315

01:44:17,910 --> 01:44:15,550

food spilled on his uniform and Hitler

2316

01:44:19,410 --> 01:44:17,920

himself was so meticulous like that

2317

01:44:21,300 --> 01:44:19,420

never would have been right right never

2318

01:44:23,130 --> 01:44:21,310

had a stain uniform came or you know I

2319

01:44:28,980 --> 01:44:23,140

do know a couple of vegans that when

2320

01:44:31,560 --> 01:44:28,990

things got bad went off not sure what

2321

01:44:36,510 --> 01:44:31,570

that means but okay go ahead please

2322

01:44:39,030 --> 01:44:36,520

Emily about a minute and a half yeah it

2323

01:44:42,060 --> 01:44:39,040

was definitely a quirky guy I don't mean

2324

01:44:45,570 --> 01:44:42,070

to say that to minimize him but aside

2325

01:44:48,030 --> 01:44:45,580

from me the horrific things that he did

2326

01:44:52,500 --> 01:44:48,040

just as a person it's a quirky dictator

2327

01:44:53,760 --> 01:44:52,510

yeah okay and an awful person right and

2328

01:44:55,470 --> 01:44:53,770

an awful process right

2329

01:44:58,710 --> 01:44:55,480

were there any other things you know

2330

01:44:59,580 --> 01:44:58,720

then he have a sweet tooth or something

2331

01:45:02,460 --> 01:44:59,590

along those lines

2332

01:45:06,720 --> 01:45:02,470

good I mean I would think you would do

2333

01:45:11,460 --> 01:45:06,730

if you didn't eat meat okay well it

2334

01:45:14,640 --> 01:45:11,470

seems like a one-to-one that might wind

2335

01:45:16,560 --> 01:45:14,650

up in through his favorite no wait a

2336

01:45:20,629 --> 01:45:16,570

minute what's his favorite pastry though

2337

01:45:27,109 --> 01:45:20,639

oh okay I'm gonna we give up what is it

2338

01:45:28,820 --> 01:45:27,119

cupcakes you kill one have to say that

2339

01:45:30,770 --> 01:45:28,830

I'm offended that the word cupcakes was

2340

01:45:38,979 --> 01:45:30,780

used to get in the show after a lengthy

2341

01:45:46,129 --> 01:45:44,180

okay we should just say like other words

2342

01:45:48,320 --> 01:45:46,139

that are not allowed use I see you got

2343

01:45:50,930 --> 01:45:48,330

to use the word cupcake where the rest

2344

01:45:53,000 --> 01:45:50,940

of us aren't okay I get how this goes if

2345

01:45:58,609 --> 01:45:53,010

I go on Facebook a search for cupcakes

2346

01:46:01,879 --> 01:45:58,619

am I gonna get to [h__\h] do a search

2347

01:46:04,250 --> 01:46:01,889

and type into cupcakes is gonna be a

2348

01:46:07,100 --> 01:46:04,260

surreptitious connection to you see the

2349

01:46:09,439 --> 01:46:07,110

floodgates are open now yes the

2350

01:46:14,870 --> 01:46:09,449

Weinstein moment now thank you is not

2351

01:46:17,689 --> 01:46:14,880

the Weinstein moment well anyway I

2352

01:46:19,520 --> 01:46:17,699

suppose I should say that this is but a

2353

01:46:21,700 --> 01:46:19,530

president is your spider-man hat on when

2354

01:46:24,740 --> 01:46:21,710

you're doing this right now no I don't

2355

01:46:26,359 --> 01:46:24,750

know I'm so what are you wearing the

2356

01:46:27,979 --> 01:46:26,369

other one who said I got dressed up in a

2357

01:46:29,570 --> 01:46:27,989

costume tonight refused to turn I look

2358

01:46:31,760 --> 01:46:29,580

like Jim Jones tonight with the dark

2359

01:46:37,760 --> 01:46:31,770

sunglasses all the guy who dumb people

2360

01:46:39,919 --> 01:46:37,770

with the Kuwait yeah what was gone and

2361

01:46:42,290 --> 01:46:39,929

all Mike remembers that his 800 dead

2362

01:46:44,000 --> 01:46:42,300

bodies there and someone throws who's

2363

01:46:46,310 --> 01:46:44,010

gonna clean them up so they the nearest

2364

01:46:48,470 --> 01:46:46,320

you Air Force Base they just said it on

2365

01:46:50,330 --> 01:46:48,480

Air Force Base yeah they say we're

2366

01:46:53,899 --> 01:46:50,340

taking volunteers to take a trip down to

2367

01:46:56,959 --> 01:46:53,909

Central America wants to go and now they

2368

01:46:59,660 --> 01:46:56,969

buy you guys that were there horrible

2369

01:47:02,330 --> 01:46:59,670

things they ever experienced okay you

2370

01:47:06,320 --> 01:47:02,340

know just we gotta do a show on Koresh

2371

01:47:07,939 --> 01:47:06,330

Jim Jones and the hale-bopp guys the

2372

01:47:09,890 --> 01:47:07,949

hill Bop guys are the strangest yeah

2373

01:47:12,770 --> 01:47:09,900

yeah they're the strangest man I've read

2374

01:47:15,229 --> 01:47:12,780

a lot of stories about them and I don't

2375

01:47:19,580 --> 01:47:15,239

know how because that was also a sexual

2376

01:47:24,530 --> 01:47:19,590

cult okay and he had the guys castrated

2377

01:47:26,510 --> 01:47:24,540

and women were ready to you know yeah

2378

01:47:27,770 --> 01:47:26,520

yeah how do you talk people into that

2379

01:47:29,089 --> 01:47:27,780

you know what I mean how do you talk

2380

01:47:31,640 --> 01:47:29,099

people into do we gonna have somebody

2381

01:47:33,740 --> 01:47:31,650

charismatic you have to have somebody

2382

01:47:34,280 --> 01:47:33,750

that's was not convincing quality that

2383

01:47:36,170 --> 01:47:34,290

this is the

2384

01:47:38,240 --> 01:47:36,180

way to go right since you're new to new

2385

01:47:39,800 --> 01:47:38,250

Varna yeah so you're insane every one of

2386

01:47:42,200 --> 01:47:39,810

them was laying then they had a quarter

2387

01:47:46,030 --> 01:47:42,210

and then a milky way by or something you

2388

01:47:51,260 --> 01:47:49,250

right yeah they all speakers yes right

2389

01:47:59,420 --> 01:47:51,270

yeah are you saying that they cut off

2390

01:48:04,360 --> 01:48:03,680

so anyway well Thank You Emily for that

2391

01:48:06,800 --> 01:48:04,370

report

2392

01:48:09,350 --> 01:48:06,810

you know and I'll say one thing I've

2393

01:48:13,760 --> 01:48:09,360

learned about showbiz punchlines that

2394

01:48:15,530 --> 01:48:13,770

made to be stepped on and I just make

2395

01:48:17,150 --> 01:48:15,540

sure we leave on the fact that the help

2396

01:48:19,220 --> 01:48:17,160

our people did not have cupcakes they

2397

01:48:21,950 --> 01:48:19,230

were not allowed oh they're not okay all

2398

01:48:26,300 --> 01:48:21,960

right okay whether they have Twinkies

2399

01:48:27,650 --> 01:48:26,310

ring things what you know they just laid

2400

01:48:31,550 --> 01:48:27,660

down in their beds and they waited for

2401

01:48:35,930 --> 01:48:31,560

the yeah they wait to shed their their

2402

01:48:38,690 --> 01:48:35,940

cocoon or turmoil yeah yeah yeah I just

2403

01:48:40,610 --> 01:48:38,700

want to know how you how you get like 21

2404

01:48:42,830 --> 01:48:40,620

women to go along with something like

2405

01:48:44,270 --> 01:48:42,840

that you know I mean a third of women

2406

01:48:46,340 --> 01:48:44,280

going along with some things but that

2407

01:48:50,240 --> 01:48:46,350

but I mean Anson had the same thing you

2408

01:48:51,770 --> 01:48:50,250

know but it's incredible another show so

2409

01:48:55,220 --> 01:48:51,780

hey listen let's thank everyone who was

2410

01:48:58,100 --> 01:48:55,230

on tonight we're gonna thank Emily Emily

2411

01:48:59,780 --> 01:48:58,110

Emily thank you for joining us tonight

2412

01:49:01,610 --> 01:48:59,790

on that report on hitless sounds like

2413

01:49:03,530 --> 01:49:01,620

you know Emily's getting chopped

2414

01:49:06,440 --> 01:49:03,540

building all the time every time well to

2415

01:49:08,240 --> 01:49:06,450

do story I was I was I feared that when

2416

01:49:10,220 --> 01:49:08,250

when she came on the scene that uh you

2417

01:49:12,410 --> 01:49:10,230

know my my stature would be soaring kick

2418

01:49:14,540 --> 01:49:12,420

to the curb or just to shows there's no

2419

01:49:22,040 --> 01:49:14,550

mystery yeah I see five photos on the

2420

01:49:24,680 --> 01:49:22,050

screen who would you give Top Billing I

2421

01:49:29,090 --> 01:49:24,690

do like how well-groomed switches though

2422

01:49:30,890 --> 01:49:29,100

and really yeah oh wow a welding sending

2423

01:49:32,330 --> 01:49:30,900

me some stuff on Facebook very

2424

01:49:35,060 --> 01:49:32,340

well-groomed that's how you're gonna get

2425

01:49:36,110 --> 01:49:35,070

in trouble you too and then I gotta give

2426

01:49:37,730 --> 01:49:36,120

credit where credit's due

2427

01:49:38,870 --> 01:49:37,740

these Internet's you kids in your

2428

01:49:40,460 --> 01:49:38,880

internet yeah I know it's gonna be

2429

01:49:42,470 --> 01:49:40,470

trouble I'm telling you I knew I should

2430

01:49:45,770 --> 01:49:42,480

have done but trying to avoid the stupid

2431

01:49:48,050 --> 01:49:45,780

Facebook hmm I really hate it has some

2432

01:49:50,300 --> 01:49:48,060

positive aspects you'll enjoy it yeah

2433

01:49:52,040 --> 01:49:50,310

I am enjoying it so far I'm surprised I

2434

01:49:53,780 --> 01:49:52,050

am enjoying it more than I thought oh

2435

01:49:54,710 --> 01:49:53,790

that's good that's good to know I'm good

2436

01:49:56,780 --> 01:49:54,720

thank you

2437

01:49:58,820 --> 01:49:56,790

if you're happy we're happy and there's

2438

01:50:00,080 --> 01:49:58,830

nothing crude and rude on it and you're

2439

01:50:02,030 --> 01:50:00,090

not going the right place so should a

2440

01:50:03,590 --> 01:50:02,040

bunch of Patriots things we said oh I'm

2441

01:50:05,690 --> 01:50:03,600

sure the people across they sent me

2442

01:50:07,760 --> 01:50:05,700

that's right they say they were dying to

2443

01:50:09,290 --> 01:50:07,770

hear my comment about Gronk all right so

2444

01:50:09,680 --> 01:50:09,300

I haven't posted anything recent about

2445

01:50:11,420 --> 01:50:09,690

Gronk

2446

01:50:12,830 --> 01:50:11,430

okay all right hey you never know

2447

01:50:13,970 --> 01:50:12,840

something will come up this weekend you

2448

01:50:16,400 --> 01:50:13,980

guarantee it

2449

01:50:20,450 --> 01:50:16,410

anyway well thank you Emily Thank You

2450

01:50:23,390 --> 01:50:20,460

switchblade pleasure and talking Nazis

2451

01:50:24,770 --> 01:50:23,400

and it's always fun to talk Nazis yes it

2452

01:50:28,370 --> 01:50:24,780

is right you know because they've

2453

01:50:32,030 --> 01:50:28,380

they're insane crazy but they rose to

2454

01:50:35,750 --> 01:50:32,040

power you know they were in like the

2455

01:50:37,550 --> 01:50:35,760

hemeway isms in 1938-39 measuring

2456

01:50:39,800 --> 01:50:37,560

people's heads because they thought they

2457

01:50:42,920 --> 01:50:39,810

were the original Aryans and their

2458

01:50:45,020 --> 01:50:42,930

mission you know people's heads that's

2459

01:50:46,850 --> 01:50:45,030

just crazy behavior you know well it's

2460

01:50:48,470 --> 01:50:46,860

funny they were interested in science as

2461

01:50:50,660 --> 01:50:48,480

much as they're interested in warfare

2462

01:50:52,670 --> 01:50:50,670

right and ruling the world but the cult

2463

01:50:54,950 --> 01:50:52,680

- they were really into the cult and the

2464

01:50:56,450 --> 01:50:54,960

myths and anyway alright good so thank

2465

01:50:58,520 --> 01:50:56,460

you Emily thank you switch we're gonna

2466

01:51:00,380 --> 01:50:58,530

thank mr. Jamison for telling us the

2467

01:51:02,450 --> 01:51:00,390

story about his father who worked for

2468

01:51:04,610 --> 01:51:02,460

the OSS and who brought Nazi scientists

2469

01:51:06,950 --> 01:51:04,620

here the United States then you know

2470

01:51:09,550 --> 01:51:06,960

they became the foundation what became

2471

01:51:11,900 --> 01:51:09,560

NASA but a really Hara a real hero that

2472

01:51:15,080 --> 01:51:11,910

you know while we are glad to give the

2473

01:51:16,970 --> 01:51:15,090

story about you know because yeah you

2474

01:51:18,530 --> 01:51:16,980

hear the people hunted thousands of

2475

01:51:20,810 --> 01:51:18,540

people did stuff like that and ever hear

2476

01:51:22,720 --> 01:51:20,820

of him so he's a veteran we're giving

2477

01:51:25,100 --> 01:51:22,730

him a chance or a story to be told

2478

01:51:28,130 --> 01:51:25,110
