eating great food we're going to start

9  
00:00:33,950 --> 00:00:30,019  
off with some interesting UFO reports

10  
00:00:37,240 --> 00:00:33,960  
the first one occurring in Derry New

11  
00:00:42,650 --> 00:00:37,250  
Hampshire this occurred December 13th

12  
00:00:43,580 --> 00:00:42,660  
2017 triangle in the sky and more detail

13  
00:00:46,760 --> 00:00:43,590

the witness states

14

00:00:49,520 --> 00:00:46,770

I was driving south on i-93 in the Derry

15

00:00:52,610 --> 00:00:49,530

area of New Hampshire when I saw a solid

16

00:00:55,220 --> 00:00:52,620

triangle in the sky heading west at a

17

00:00:58,250 --> 00:00:55,230

slow steady pace

18

00:01:00,319 --> 00:00:58,260

it had blueish lights at each point and

19

00:01:03,650 --> 00:01:00,329

a light in the middle of the underside

20

00:01:06,560 --> 00:01:03,660

that turned on and off but not at

21

00:01:09,140 --> 00:01:06,570

regular intervals I lost sight of the

22

00:01:11,960 --> 00:01:09,150

craft due to driving I was not able to

23

00:01:14,450 --> 00:01:11,970

get any pictures I have seen these types

24

00:01:19,760 --> 00:01:14,460

of crafts several times in the past well

25

00:01:23,510 --> 00:01:19,770

lucky you the next UFO sighting occurred

26

00:01:27,109 --> 00:01:23,520

in California that's all it says this

27

00:01:31,130 --> 00:01:27,119

happened December 14th 2017 in brief

28

00:01:34,069 --> 00:01:31,140

they say meteor shaped object descended

29

00:01:37,730 --> 00:01:34,079

from the Northeast it may not be a

30

00:01:40,310 --> 00:01:37,740

meteor location of landing maybe in a

31

00:01:44,149 --> 00:01:40,320

field in more detail

32

00:01:47,929 --> 00:01:44,159

they say sleeping when the CCTV camera

33

00:01:49,520 --> 00:01:47,939

recorded what appears to be a meteor the

34

00:01:53,240 --> 00:01:49,530

brightness of the object appeared

35

00:01:57,050 --> 00:01:53,250

without making any noise it may not be a

36

00:02:01,450 --> 00:01:57,060

meteor it could be space junk the object

37

00:02:04,639 --> 00:02:01,460

has a trailing appearance like a comet

38

00:02:06,230 --> 00:02:04,649

this object could be space junk the

39

00:02:08,979 --> 00:02:06,240

Atlanta in a field the video of the

40

00:02:12,100 --> 00:02:08,989

meteor is not in color

41

00:02:13,860 --> 00:02:12,110

the next UFO sighting happened in

42

00:02:19,289 --> 00:02:13,870

Almeida

43

00:02:22,890 --> 00:02:19,299

for Nia on December 13th 2017 and brief

44

00:02:25,830 --> 00:02:22,900

they describe two vertical lights moved

45

00:02:29,880 --> 00:02:25,840

slowly parallel to the ground then

46

00:02:32,369 --> 00:02:29,890

change direction and shot away in more

47

00:02:35,490 --> 00:02:32,379

detail they say I saw it in the sky

48

00:02:37,680 --> 00:02:35,500

towards the southeast I had never seen

49

00:02:40,830 --> 00:02:37,690

anything like it before tonight

50

00:02:44,100 --> 00:02:40,840

two lights one directly above the other

51  
00:02:47,009 --> 00:02:44,110  
about a cars length apart moved very

52  
00:02:49,410 --> 00:02:47,019  
slowly directly across the sky

53  
00:02:51,750 --> 00:02:49,420  
it moved parallel to the ground and

54  
00:02:55,740 --> 00:02:51,760  
seemed to be hovering about 200 feet off

55  
00:02:58,949 --> 00:02:55,750  
the ground then it slowed down turn on a

56  
00:03:02,039 --> 00:02:58,959  
dime and the lights either faded out or

57  
00:03:04,800 --> 00:03:02,049  
it shot off into the darkness it was

58  
00:03:06,930 --> 00:03:04,810  
difficult to tell which though I think

59  
00:03:09,780 --> 00:03:06,940  
it flew away as there was nothing there

60  
00:03:13,949 --> 00:03:09,790  
after the lights went out the entire

61  
00:03:16,050 --> 00:03:13,959  
experience lasted about 15 seconds for

62  
00:03:18,210 --> 00:03:16,060  
my noticing the lights to a sense that

63  
00:03:20,759 --> 00:03:18,220

they were something different to

64

00:03:22,890 --> 00:03:20,769

watching it move across the night sky to

65

00:03:26,129 --> 00:03:22,900

starting to see what seemed like an

66

00:03:29,000 --> 00:03:26,139

object between the two lights though

67

00:03:31,470 --> 00:03:29,010

it's suddenly and noticeably stopping

68

00:03:36,509 --> 00:03:31,480

changing directions and then shooting

69

00:03:39,770 --> 00:03:36,519

off to the dark the next UFO sighting

70

00:03:41,430 --> 00:03:39,780

happened in Hooksett in New Hampshire

71

00:03:46,559 --> 00:03:41,440

this occurred

72

00:03:49,259 --> 00:03:46,569

December 14th 2017 they described I was

73

00:03:52,500 --> 00:03:49,269

at a stop sign and observed the triangle

74

00:03:54,629 --> 00:03:52,510

hovering over a field had blue-white

75

00:03:56,280 --> 00:03:54,639

lights at each point and a brighter

76

00:03:59,849 --> 00:03:56,290

white light in the middle of the

77

00:04:02,610 --> 00:03:59,859

underside it appeared gray Sun was night

78

00:04:04,650 --> 00:04:02,620

up yet then the lights dimmed and it

79

00:04:08,640 --> 00:04:04,660

slowly started moving in a straight line

80

00:04:11,159 --> 00:04:08,650

I was on a back road so lost sight of it

81

00:04:14,490 --> 00:04:11,169

with all the trees and turns off the

82

00:04:16,469 --> 00:04:14,500

road I was not able to get a good

83

00:04:18,420 --> 00:04:16,479

picture of it but I have seen the

84

00:04:19,759 --> 00:04:18,430

triangle objects several times in the

85

00:04:23,360 --> 00:04:19,769

past

86

00:04:24,560 --> 00:04:23,370

then next UFO sighting happened in

87

00:04:26,650 --> 00:04:24,570

Chilliwack

88

00:04:30,670 --> 00:04:26,660

British Columbia

89

00:04:34,990 --> 00:04:30,680  
on September 19 2017 and brief they say

90

00:04:38,110 --> 00:04:35,000  
saw a doughnut-shaped UFO outside of my

91

00:04:41,620 --> 00:04:38,120  
house in more detail they say I was on

92

00:04:45,550 --> 00:04:41,630  
my way home with my father from 7-eleven

93

00:04:47,590 --> 00:04:45,560  
and it was just after 5:00 a.m. just as

94

00:04:50,710 --> 00:04:47,600  
we got back I noticed a bright light in

95

00:04:52,810 --> 00:04:50,720  
the sky I frequently look at the night

96

00:04:56,110 --> 00:04:52,820  
sky in our area so I know this object

97

00:04:58,870 --> 00:04:56,120  
was never there before as I've lived in

98

00:05:00,880 --> 00:04:58,880  
this house for the last three years my

99

00:05:04,810 --> 00:05:00,890  
dad thought it was the moon and he went

100

00:05:08,230 --> 00:05:04,820  
inside but it wasn't the moon it was a

101  
00:05:14,110 --> 00:05:08,240  
donut shaped UFO with a circular in

102  
00:05:16,990 --> 00:05:14,120  
shape think of a circle in a circle it

103  
00:05:20,080 --> 00:05:17,000  
did glow as bright as the moon though a

104  
00:05:22,810 --> 00:05:20,090  
bright white all it did was hover in the

105  
00:05:27,850 --> 00:05:22,820  
same area for about 40 minutes and it

106  
00:05:29,650 --> 00:05:27,860  
made no noise whatsoever I was just fine

107  
00:05:32,260 --> 00:05:29,660  
while watching the craft had felt

108  
00:05:34,360 --> 00:05:32,270  
comfortable and wasn't scared I even

109  
00:05:36,520 --> 00:05:34,370  
took a picture of it that I've compared

110  
00:05:39,640 --> 00:05:36,530  
to others on the internet and it's the

111  
00:05:42,820 --> 00:05:39,650  
same craft after observing the craft for

112  
00:05:49,660 --> 00:05:42,830  
40 minutes it completely disappeared and

113  
00:05:52,810 --> 00:05:49,670

went invisible this is all next UFO

114

00:05:57,640 --> 00:05:52,820

sighting it says it took place in Cape

115

00:05:59,170 --> 00:05:57,650

Girardeau Illinois on December 8th 2017

116

00:06:02,050 --> 00:05:59,180

at 2200 hours

117

00:06:04,870 --> 00:06:02,060

they stayed I was driving with my son to

118

00:06:07,390 --> 00:06:04,880

go deer hunting as I was driving through

119

00:06:10,510 --> 00:06:07,400

a very wooded area near the Mississippi

120

00:06:13,630 --> 00:06:10,520

River I saw what I thought was a strange

121

00:06:15,990 --> 00:06:13,640

looking plane it shot straight down

122

00:06:21,880 --> 00:06:16,000

behind some trees then straight up and

123

00:06:23,470 --> 00:06:21,890

hovered then flew east rapidly in more

124

00:06:25,780 --> 00:06:23,480

detail they say I was driving with my

125

00:06:26,560 --> 00:06:25,790

son to go deer hunting in southern

126  
00:06:30,130 --> 00:06:26,570  
Illinois

127  
00:06:32,980 --> 00:06:30,140  
we took i-55 south to Cape Girardeau and

128  
00:06:35,860 --> 00:06:32,990  
crosses Mississippi there it was around

129  
00:06:38,950 --> 00:06:35,870  
10:00 p.m. and we were on Illinois Route

130  
00:06:40,570 --> 00:06:38,960  
3 heading south about to run parallel to

131  
00:06:42,610 --> 00:06:40,580  
the river

132  
00:06:45,189 --> 00:06:42,620  
I noticed a strange-looking plane coming

133  
00:06:48,129 --> 00:06:45,199  
from the east moving at a very slow

134  
00:06:50,830 --> 00:06:48,139  
speed I saw it but didn't think much

135  
00:06:54,820 --> 00:06:50,840  
about it until it shot down behind some

136  
00:06:58,450 --> 00:06:54,830  
trees at an amazing speed it moved so

137  
00:07:00,730 --> 00:06:58,460  
fast my eyes couldn't follow it I was

138  
00:07:04,839 --> 00:07:00,740

blown away by what I had just seen but

139

00:07:07,719 --> 00:07:04,849

also confused then the object shot back

140

00:07:10,540 --> 00:07:07,729

up from behind the trees hovered for a

141

00:07:12,610 --> 00:07:10,550

few seconds shot up some more and then

142

00:07:16,119 --> 00:07:12,620

flew off towards a direction that came

143

00:07:19,930 --> 00:07:16,129

East the speed that this thing was

144

00:07:22,480 --> 00:07:19,940

capable of was insane it moves so fast

145

00:07:24,879 --> 00:07:22,490

it was almost like it would jump

146

00:07:27,879 --> 00:07:24,889

locations instead of smooth movements

147

00:07:30,610 --> 00:07:27,889

the whole incident left me confused by

148

00:07:31,649 --> 00:07:30,620

what I had witnessed and a little

149

00:07:36,309 --> 00:07:31,659

nervous

150

00:07:40,269 --> 00:07:36,319

the next UFO report is from Fort Collins

151

00:07:42,100 --> 00:07:40,279

Colorado this is a UFO blast from the

152

00:07:46,420 --> 00:07:42,110

past that occurred

153

00:07:49,300 --> 00:07:46,430

June 15th 2004 in brief the witness says

154

00:07:52,809 --> 00:07:49,310

I was a kid and I was woken up like I

155

00:07:56,409 --> 00:07:52,819

had some psychological connection to the

156

00:07:59,170 --> 00:07:56,419

light or aircraft I saw in the sky and I

157

00:08:02,499 --> 00:07:59,180

felt like I had to watch it until it

158

00:08:04,450 --> 00:08:02,509

disappeared in more detail they state

159

00:08:08,050 --> 00:08:04,460

this happened when I was in fourth grade

160

00:08:09,670 --> 00:08:08,060

sometime in the summer I only recently

161

00:08:12,519 --> 00:08:09,680

started sharing this experience with

162

00:08:14,649 --> 00:08:12,529

family and friends because my father had

163

00:08:17,769 --> 00:08:14,659

his own experience within the last

164

00:08:21,909 --> 00:08:17,779

couple of years I remember waking up at

165

00:08:24,459 --> 00:08:21,919

about 3:30 a.m. on top of my bed my bed

166

00:08:26,980 --> 00:08:24,469

sheets were made perfectly all the

167

00:08:30,249 --> 00:08:26,990

corners crisp and everything and my

168

00:08:33,009 --> 00:08:30,259

blinds were pulled tightly open and I

169

00:08:35,860 --> 00:08:33,019

was incredibly awake like I had to look

170

00:08:36,430 --> 00:08:35,870

out my window and I had a feeling in my

171

00:08:39,870 --> 00:08:36,440

stomach

172

00:08:43,120 --> 00:08:39,880

kind of like a no gravity feeling I

173

00:08:46,630 --> 00:08:43,130

looked outside in the distance directly

174

00:08:50,170 --> 00:08:46,640

in the west of me in my bed and there is

175

00:08:53,620 --> 00:08:50,180

this very large lemon shaped bright

176  
00:08:54,370 --> 00:08:53,630  
yellow object very slowly traveling to

177  
00:08:57,640 --> 00:08:54,380  
my left

178  
00:08:59,860 --> 00:08:57,650  
to South it was going in a perfectly

179  
00:09:02,680 --> 00:08:59,870  
straight path and moving at a constant

180  
00:09:05,470 --> 00:09:02,690  
speed what I would think to be like

181  
00:09:07,480 --> 00:09:05,480  
three miles per hour but was probably a

182  
00:09:10,630 --> 00:09:07,490  
little faster given the distance it was

183  
00:09:13,210 --> 00:09:10,640  
away from me I just kept staring and

184  
00:09:15,970 --> 00:09:13,220  
feeling the weird feeling of my stomach

185  
00:09:18,910 --> 00:09:15,980  
like I was frozen and terrified looking

186  
00:09:21,250 --> 00:09:18,920  
at this object there was a large pine

187  
00:09:24,220 --> 00:09:21,260  
tree past the garage outside my window

188  
00:09:26,650 --> 00:09:24,230

and I knew that if it went behind that

189

00:09:28,840 --> 00:09:26,660

pine tree and did not come out the other

190

00:09:32,980 --> 00:09:28,850

side I must be seeing things

191

00:09:35,920 --> 00:09:32,990

I waited and waited as it slowly

192

00:09:40,360 --> 00:09:35,930

surfaced onto the left side of the palm

193

00:09:43,360 --> 00:09:40,370

tree my best guest is that this object

194

00:09:47,140 --> 00:09:43,370

was around three to five football fields

195

00:09:49,150 --> 00:09:47,150

away as it kept slowly moving south it

196

00:09:51,940 --> 00:09:49,160

started moving towards the aspen tree

197

00:09:53,740 --> 00:09:51,950

that was in our front yard and as it

198

00:09:58,380 --> 00:09:53,750

approached around some of the first

199

00:10:02,230 --> 00:09:58,390

branches it just disappeared completely

200

00:10:05,380 --> 00:10:02,240

the feeling in my stomach was let go

201  
00:10:07,510 --> 00:10:05,390  
I became physically less tense but then

202  
00:10:10,840 --> 00:10:07,520  
a new feeling of reality set in that

203  
00:10:14,440 --> 00:10:10,850  
made me feel incredibly fearful scared

204  
00:10:15,280 --> 00:10:14,450  
and confused I felt like it wanted me to

205  
00:10:22,300 --> 00:10:15,290  
watch it

206  
00:10:24,730 --> 00:10:22,310  
confused why my bed was made I was on

207  
00:10:27,250 --> 00:10:24,740  
top of all the sheets and comforters and

208  
00:10:31,300 --> 00:10:27,260  
everything and I was very confused why

209  
00:10:34,480 --> 00:10:31,310  
my blinds were pulled tightly open I do

210  
00:10:36,220 --> 00:10:34,490  
not know if I did that or if something

211  
00:10:39,190 --> 00:10:36,230  
else had happened that I don't remember

212  
00:10:41,320 --> 00:10:39,200  
I know that at that time I had watched

213  
00:10:44,500 --> 00:10:41,330

some movie on lifetime about a stalker

214

00:10:46,330 --> 00:10:44,510

and I would always shut my blinds before

215

00:10:48,040 --> 00:10:46,340

the Sun went down because I was scared

216

00:10:50,740 --> 00:10:48,050

somebody would crawl into the garage and

217

00:10:54,490 --> 00:10:50,750

could see me through my window so I knew

218

00:10:57,340 --> 00:10:54,500

I had to have close those blinds I also

219

00:11:00,550 --> 00:10:57,350

never made my bed especially that neat

220

00:11:02,590 --> 00:11:00,560

but I really have no explanation to

221

00:11:04,810 --> 00:11:02,600

those parts of my experience I also

222

00:11:07,300 --> 00:11:04,820

remember there was no sound that I could

223

00:11:08,079 --> 00:11:07,310

hear from the object and my window was

224

00:11:10,389 --> 00:11:08,089

closed

225

00:11:13,900 --> 00:11:10,399

but I could usually hear the cars on the

226

00:11:15,910 --> 00:11:13,910

street outside of my house and I could

227

00:11:18,340 --> 00:11:15,920

see the lights from the cars but during

228

00:11:20,439 --> 00:11:18,350

the few minutes I saw the object I don't

229

00:11:23,559 --> 00:11:20,449

remember seeing any cars going down that

230

00:11:25,780 --> 00:11:23,569

Street or my street I know I didn't see

231

00:11:28,900 --> 00:11:25,790

any other objects like airplanes or

232

00:11:29,259 --> 00:11:28,910

anything in the sky and it was crystal

233

00:11:31,989 --> 00:11:29,269

clear

234

00:11:34,179 --> 00:11:31,999

out that night I do remember seeing

235

00:11:36,850 --> 00:11:34,189

stars in the sky the whole experience

236

00:11:39,519 --> 00:11:36,860

was maybe five to eight minutes and it

237

00:11:42,460 --> 00:11:39,529

felt like the world was absolutely

238

00:11:46,150 --> 00:11:42,470

silent and still while I have this weird

239

00:11:51,129 --> 00:11:46,160

and frightening connection experience to

240

00:11:53,650 --> 00:11:51,139

this object I have to tell you it sounds

241

00:11:56,230 --> 00:11:53,660

like an alien abduction aftermath to me

242

00:11:59,290 --> 00:11:56,240

what do you guys think I think it does

243

00:12:03,100 --> 00:11:59,300

something like that the next UFO

244

00:12:05,350 --> 00:12:03,110

sighting occurred in Dunbar this is

245

00:12:09,280 --> 00:12:05,360

another youthful blast from the past

246

00:12:11,829 --> 00:12:09,290

this occurred October 15th the year 2000

247

00:12:14,230 --> 00:12:11,839

in brief they say the account I am

248

00:12:17,139 --> 00:12:14,240

giving called my story it was the

249

00:12:19,869 --> 00:12:17,149

beginning of things the picture of the

250

00:12:22,900 --> 00:12:19,879

female was similar to when I saw in an

251  
00:12:24,850 --> 00:12:22,910  
experience I had after in more detail

252  
00:12:27,669 --> 00:12:24,860  
they say I was at the top of a hill

253  
00:12:31,900 --> 00:12:27,679  
where I had an overwhelming feeling to

254  
00:12:34,720 --> 00:12:31,910  
go there I got out of the car is when I

255  
00:12:37,780 --> 00:12:34,730  
saw the object coming towards me when I

256  
00:12:41,019 --> 00:12:37,790  
first noticed it I was unsure of what it

257  
00:12:44,739 --> 00:12:41,029  
was as it got closer I thought it was a

258  
00:12:48,579 --> 00:12:44,749  
UFO when it got above me I realized this

259  
00:12:50,710 --> 00:12:48,589  
was a spacecraft there were no motions

260  
00:12:54,489 --> 00:12:50,720  
or other actions other than the lights

261  
00:12:57,790 --> 00:12:54,499  
on it moving around my feelings were

262  
00:13:00,489 --> 00:12:57,800  
normal no excitement no fear it seemed

263  
00:13:02,650 --> 00:13:00,499

perfectly normal to me after the

264

00:13:06,489 --> 00:13:02,660

incident I questioned myself about how I

265

00:13:09,549 --> 00:13:06,499

felt no fear and normal for me which I

266

00:13:12,730 --> 00:13:09,559

found strange I never even told my wife

267

00:13:15,069 --> 00:13:12,740

about it until a while later I lost

268

00:13:18,600 --> 00:13:15,079

sight of the object because I had a

269

00:13:21,960 --> 00:13:18,610

feeling I had to leave which I did I

270

00:13:24,210 --> 00:13:21,970

have picked Dublin for the time zone

271

00:13:28,619 --> 00:13:24,220

as my account took place in Scotland and

272

00:13:36,480 --> 00:13:28,629

the time zone is Greenwich Mean Time and

273

00:13:38,429 --> 00:13:36,490

that hour was 1935 in the continued to

274

00:13:41,610 --> 00:13:38,439

Christmas spirit being that Christmas

275

00:13:46,460 --> 00:13:41,620

was just yesterday I'm going to share

276

00:13:50,160 --> 00:13:46,470

some interesting Christmas inspired

277

00:13:54,090 --> 00:13:50,170

paranormal stories how's that talking

278

00:13:58,220 --> 00:13:54,100

angels whatever all right so the first

279

00:14:01,319 --> 00:13:58,230

story I'm going to really begins with

280

00:14:05,189 --> 00:14:01,329

Jackie believes that her guardian angel

281

00:14:08,100 --> 00:14:05,199

came to her aid on two occasions helping

282

00:14:10,980 --> 00:14:08,110

her avoid serious injury most

283

00:14:14,519 --> 00:14:10,990

interesting her testimony is that she

284

00:14:17,970 --> 00:14:14,529

actually physically felt and heard this

285

00:14:20,999 --> 00:14:17,980

protective force both happen when she

286

00:14:23,160 --> 00:14:21,009

was a child of kindergarten age while at

287

00:14:26,999 --> 00:14:23,170

a popular sledding hill near the post

288

00:14:29,040 --> 00:14:27,009

office her town Jackie was enjoying the

289

00:14:31,110 --> 00:14:29,050

day with her family the young girl

290

00:14:31,350 --> 00:14:31,120

decided to try the steepest part of the

291

00:14:35,009 --> 00:14:31,360

hill

292

00:14:37,740 --> 00:14:35,019

she closed her eyes and started down she

293

00:14:40,590 --> 00:14:37,750

says I apparently hit someone going down

294

00:14:43,679 --> 00:14:40,600

and I was spinning out of control I was

295

00:14:46,079 --> 00:14:43,689

heading for the metal guardrail I didn't

296

00:14:50,579 --> 00:14:46,089

know what to do says Jackie I suddenly

297

00:14:52,980 --> 00:14:50,589

felt something push my chest down I came

298

00:14:56,369 --> 00:14:52,990

within less than half an inch to the

299

00:15:00,600 --> 00:14:56,379

rail but didn't hit it I could have lost

300

00:15:02,309 --> 00:15:00,610

my nose Jackie said we the entertainment

301

apply cease to offer details can

334

00:16:03,889 --> 00:16:00,800

experience occur during her birthday

335

00:16:06,019 --> 00:16:03,899

celebration at school she had to run

336

00:16:08,960 --> 00:16:06,029

across the playground to place her crown

337

00:16:13,040 --> 00:16:08,970

on a bench while running back to her

338

00:16:15,470 --> 00:16:13,050

friends three boys tripped her the prank

339

00:16:18,169 --> 00:16:15,480

ground was filled with metal objects and

340

00:16:21,499 --> 00:16:18,179

wood chips so it was not like the safe

341

00:16:24,019 --> 00:16:21,509

playgrounds today Jackie says that she

342

00:16:26,780 --> 00:16:24,029

went flying and hit something just under

343

00:16:29,360 --> 00:16:26,790

her eye she says but I felt something

344

00:16:32,389 --> 00:16:29,370

pulled me back when I fell says Jackie

345

00:16:35,540 --> 00:16:32,399

the teacher said that they saw me sort

346

00:16:38,660 --> 00:16:35,550

of fly forward then fly back at the same

347

00:16:41,540 --> 00:16:38,670

time as they hurried me to the nurse's

348

00:16:45,679 --> 00:16:41,550

office I heard an unfamiliar voice keep

349

00:16:47,720 --> 00:16:45,689

telling me don't worry I'm here God

350

00:16:51,340 --> 00:16:47,730

doesn't want anything to happen to his

351

00:16:54,710 --> 00:16:51,350

baby oh that's very sweet

352

00:16:59,569 --> 00:16:54,720

the next story shared in the Christmas

353

00:17:02,629 --> 00:16:59,579

spirit the reading angel this story

354

00:17:04,329 --> 00:17:02,639

begins it's remarkable how many stories

355

00:17:07,429 --> 00:17:04,339

of angels come out of hospital

356

00:17:10,819 --> 00:17:07,439

experiences it may not be so hard to

357

00:17:13,210 --> 00:17:10,829

understand when we realized they are

358

00:17:18,590 --> 00:17:13,220

places of sharply focused emotions

359

00:17:22,699 --> 00:17:18,600

prayers and hope reader D Bay entered

360

00:17:25,789 --> 00:17:22,709

the hospital in 1994 was acute pain from

361

00:17:28,820 --> 00:17:25,799

a fibroid tumor the size of a grapefruit

362

00:17:31,730 --> 00:17:28,830

in her uterus the surgery was successful

363

00:17:32,740 --> 00:17:31,740

but more complicated than expected and

364

00:17:36,670 --> 00:17:32,750

her

365

00:17:39,580 --> 00:17:36,680

troubles weren't over dabei recalls that

366

00:17:41,590 --> 00:17:39,590

she was in horrible pain she had an

367

00:17:43,900 --> 00:17:41,600

allergic reaction to the morphine she

368

00:17:46,200 --> 00:17:43,910

was given and doctors were trying to

369

00:17:50,770 --> 00:17:46,210

counteract that with other medications

370

00:17:53,830 --> 00:17:50,780

this turned a bad experience worse not

371

00:17:55,450 --> 00:17:53,840

only had she just had a major surgery

372

00:17:58,330 --> 00:17:55,460

and feared she might not be able to have

373

00:18:03,190 --> 00:17:58,340

children she now dealt with the pain of

374

00:18:05,080 --> 00:18:03,200

an acute drug reaction after receiving

375

00:18:08,260 --> 00:18:05,090

more pain medication she was able to

376

00:18:10,630 --> 00:18:08,270

sleep for a few hours she says I awoke

377

00:18:13,900 --> 00:18:10,640

in the middle of the night according to

378

00:18:16,930 --> 00:18:13,910

the wall clock it was 2:45 I heard

379

00:18:19,990 --> 00:18:16,940

someone speaking and realized someone

380

00:18:21,940 --> 00:18:20,000

was at my bedside she says it was a

381

00:18:24,930 --> 00:18:21,950

young woman with short brown hair and

382

00:18:27,550 --> 00:18:24,940

wearing a white hospital staff uniform

383

00:18:31,360 --> 00:18:27,560

she was sitting and reading aloud from

384

00:18:34,510 --> 00:18:31,370

the Bible I said to her am i all right

385

00:18:37,390 --> 00:18:34,520

where are you here with me the woman

386

00:18:41,590 --> 00:18:37,400

visiting D Bay stopped reading but did

387

00:18:44,680 --> 00:18:41,600

not look up she simply said I was sent

388

00:18:46,260 --> 00:18:44,690

here to make sure you'd be all right you

389

00:18:49,240 --> 00:18:46,270

are going to be fine

390

00:18:52,870 --> 00:18:49,250

now you should get some rest and go back

391

00:18:56,830 --> 00:18:52,880

to sleep she began to read again and I

392

00:18:59,020 --> 00:18:56,840

drifted off back to sleep the next

393

00:19:01,600 --> 00:18:59,030

morning she explained the experience to

394

00:19:04,750 --> 00:19:01,610

her doctor who checked and said that no

395

00:19:06,880 --> 00:19:04,760

staff had visited her overnight she

396

00:19:09,820 --> 00:19:06,890

asked all the nurses and no one knew of

397

00:19:12,640 --> 00:19:09,830

this visitor neither did anyone check

398

00:19:16,270 --> 00:19:12,650

her vitals that night to this day she

399

00:19:19,450 --> 00:19:16,280

says I believe that I was visited by my

400

00:19:22,120 --> 00:19:19,460

guardian angel that night she was sent

401  
00:19:25,750 --> 00:19:22,130  
to comfort me and assure me that I would

402  
00:19:29,410 --> 00:19:25,760  
be okay coincidentally the time on the

403  
00:19:31,710 --> 00:19:29,420  
clock that night 2:45 a.m. is the exact

404  
00:19:38,590 --> 00:19:31,720  
time recorded on my birth certificate

405  
00:19:41,590 --> 00:19:38,600  
that I was born the next story in the

406  
00:19:44,440 --> 00:19:41,600  
theme of the Christmas spirit rescued

407  
00:19:47,320 --> 00:19:44,450  
from hopelessness

408  
00:19:49,120 --> 00:19:47,330  
perhaps more painful than any injury or

409  
00:19:52,300 --> 00:19:49,130  
illness is the feeling of utter

410  
00:19:55,770 --> 00:19:52,310  
hopelessness the despair of the soul

411  
00:19:58,870 --> 00:19:55,780  
that leads one to thoughts of suicide

412  
00:20:03,730 --> 00:19:58,880  
Dean knew this pain as he was going

413  
00:20:06,460 --> 00:20:03,740

through a divorce at the age of 26 the

414

00:20:09,250 --> 00:20:06,470

thought of being apart from his two

415

00:20:12,520 --> 00:20:09,260

young daughters was almost more than he

416

00:20:16,680 --> 00:20:12,530

could bear but in one night of stormy

417

00:20:19,990 --> 00:20:16,690

darkness Dean was given renewed hope

418

00:20:23,260 --> 00:20:20,000

Dean worked as a derrickman

419

00:20:25,150 --> 00:20:23,270

on a drill rig on this one night he was

420

00:20:28,960 --> 00:20:25,160

having serious thoughts of taking his

421

00:20:33,040 --> 00:20:28,970

life as he looked down from the 128-foot

422

00:20:35,830 --> 00:20:33,050

derrick he says my family and I have

423

00:20:38,740 --> 00:20:35,840

strong beliefs in Jesus but it was hard

424

00:20:42,100 --> 00:20:38,750

not to contemplate suicide recalls Dean

425

00:20:44,620 --> 00:20:42,110

in the worst thunderstorm I'd ever seen

426

00:20:47,830 --> 00:20:44,630

I climbed the derrick to take my

427

00:20:51,010 --> 00:20:47,840

position to pull pipe out of the hole we

428

00:20:53,620 --> 00:20:51,020

were drilling his co-workers urged him

429

00:20:55,960 --> 00:20:53,630

not to climb the derrick saying they'd

430

00:20:59,320 --> 00:20:55,970

rather have downtime than risk someone's

431

00:21:02,650 --> 00:20:59,330

life Dean ignored this and began to

432

00:21:06,070 --> 00:21:02,660

climb he says lightning flashed all

433

00:21:09,610 --> 00:21:06,080

around me Thunder boomed I cried to God

434

00:21:12,850 --> 00:21:09,620

to take me if I couldn't have my family

435

00:21:16,810 --> 00:21:12,860

I didn't want to live but I couldn't

436

00:21:19,300 --> 00:21:16,820

take my own life and suicide God spared

437

00:21:23,200 --> 00:21:19,310

me I don't know how I survived that

438

00:21:26,470 --> 00:21:23,210

night but I did a couple of weeks later

439

00:21:29,860 --> 00:21:26,480

I bought a small Bible and traveled to

440

00:21:33,520 --> 00:21:29,870

the Peace River Hills or my family has

441

00:21:36,070 --> 00:21:33,530

lived for so long I sat down on top of

442

00:21:40,000 --> 00:21:36,080

one of the green hills and started to

443

00:21:42,310 --> 00:21:40,010

read I had such a warm feeling enter

444

00:21:44,350 --> 00:21:42,320

into me as the Sun parted through the

445

00:21:48,550 --> 00:21:44,360

clouds and shone on me

446

00:21:52,600 --> 00:21:48,560

it was raining all around me but I was

447

00:21:55,870 --> 00:21:52,610

dry and warm in my small spot on top of

448

00:21:58,060 --> 00:21:55,880

that Hill Dean says that these moments

449

00:22:01,080 --> 00:21:58,070

changed his life for the better

450

00:22:03,610 --> 00:22:01,090

he met his new wife and fell in love

451  
00:22:07,450 --> 00:22:03,620  
they started a family together that

452  
00:22:09,940 --> 00:22:07,460  
includes his two daughters he says thank

453  
00:22:16,180 --> 00:22:09,950  
you Lord Jesus and the Angels you sent

454  
00:22:18,880 --> 00:22:16,190  
that day to touch my soul the next story

455  
00:22:23,800 --> 00:22:18,890  
and the theme of the Christmas spirit

456  
00:22:28,570 --> 00:22:23,810  
here has entitled beautiful strange Yafo

457  
00:22:30,880 --> 00:22:28,580  
or angel some researchers think that

458  
00:22:34,870 --> 00:22:30,890  
there might be a connection between UFOs

459  
00:22:37,390 --> 00:22:34,880  
and angel sightings they say the angels

460  
00:22:40,350 --> 00:22:37,400  
and heavenly figures encountered in the

461  
00:22:43,420 --> 00:22:40,360  
Bible might actually have been

462  
00:22:46,090 --> 00:22:43,430  
extraterrestrials after his experience

463  
00:22:49,960 --> 00:22:46,100

in the 1980s with the most beautiful

464

00:22:51,070 --> 00:22:49,970

thing he ever saw Luis might agree with

465

00:22:54,880 --> 00:22:51,080

that assessment

466

00:22:58,150 --> 00:22:54,890

he begins it was a Saturday morning in

467

00:23:01,030 --> 00:22:58,160

Maris poza California and Luis had to

468

00:23:03,100 --> 00:23:01,040

work that day the air was freshly washed

469

00:23:05,890 --> 00:23:03,110

from a cool rain the night before and

470

00:23:08,470 --> 00:23:05,900

the morning sky was bright with a deep

471

00:23:12,310 --> 00:23:08,480

blue sky and a few scattered cumulus

472

00:23:14,230 --> 00:23:12,320

clouds he says I was heading out of my

473

00:23:16,930 --> 00:23:14,240

car in the back parking lot of the

474

00:23:20,850 --> 00:23:16,940

apartment complex where I lived when I

475

00:23:24,670 --> 00:23:20,860

noticed someone kneeling next to my car

476  
00:23:28,150 --> 00:23:24,680  
this person saw me and quickly stood up

477  
00:23:30,520 --> 00:23:28,160  
holding a crowbar the young man was

478  
00:23:33,400 --> 00:23:30,530  
quite obviously startled by Louis's

479  
00:23:36,550 --> 00:23:33,410  
interruption and although Luis sensed

480  
00:23:39,270 --> 00:23:36,560  
the boy was up to no good he hadn't yet

481  
00:23:42,130 --> 00:23:39,280  
hit him what he was doing

482  
00:23:44,620 --> 00:23:42,140  
then Luis looked through the passenger

483  
00:23:47,110 --> 00:23:44,630  
window of his car and saw that the

484  
00:23:49,480 --> 00:23:47,120  
steering wheel column had been stripped

485  
00:23:53,040 --> 00:23:49,490  
of its cover and he realized that the

486  
00:23:55,750 --> 00:23:53,050  
young man was trying to steal his car I

487  
00:23:58,630 --> 00:23:55,760  
asked him what the heck he was doing

488  
00:24:00,910 --> 00:23:58,640

Luis recalls he gave me a lame story

489

00:24:03,430 --> 00:24:00,920

about his friend's car being stolen last

490

00:24:06,310 --> 00:24:03,440

night and that my car looked like his

491

00:24:08,710 --> 00:24:06,320

friends and so on I didn't want to hear

492

00:24:11,590 --> 00:24:08,720

it I told him I was going to call the

493

00:24:13,870 --> 00:24:11,600

police which I did on my cell phone

494

00:24:16,450 --> 00:24:13,880

luis dialed 9-1-1 and gave the

495

00:24:18,070 --> 00:24:16,460

dispatcher the address he told the

496

00:24:20,170 --> 00:24:18,080

would-be thief that the police were on

497

00:24:22,300 --> 00:24:20,180

their way and warned him not to leave

498

00:24:25,990 --> 00:24:22,310

the boy said he would wait for the

499

00:24:28,180 --> 00:24:26,000

police but Luis could tell he was just

500

00:24:31,690 --> 00:24:28,190

waiting for the right moment to make him

501  
00:24:33,490 --> 00:24:31,700  
run for it if he did I wasn't going to

502  
00:24:36,010 --> 00:24:33,500  
try to stop him because his adrenaline

503  
00:24:39,610 --> 00:24:36,020  
was pumping and he had that crowbar

504  
00:24:42,790 --> 00:24:39,620  
Lewis says as Lewis was grilling the

505  
00:24:46,360 --> 00:24:42,800  
young man trying to detain him he began

506  
00:24:49,000 --> 00:24:46,370  
to notice three rather large clouds in a

507  
00:24:53,230 --> 00:24:49,010  
single file formation that were almost

508  
00:24:55,800 --> 00:24:53,240  
overhead then he caught a flash of

509  
00:24:59,380 --> 00:24:55,810  
something out of the corner of his eye

510  
00:25:01,540 --> 00:24:59,390  
then I saw it he says a shiny object

511  
00:25:04,420 --> 00:25:01,550  
exiting from the first cloud and

512  
00:25:07,000 --> 00:25:04,430  
entering the next and then coming out of

513  
00:25:09,220 --> 00:25:07,010

that one it was shiny like brightly

514

00:25:13,210 --> 00:25:09,230

polished chrome and moving at a good

515

00:25:15,520 --> 00:25:13,220

speed I couldn't make out the shape by

516

00:25:18,580 --> 00:25:15,530

this time Lewis was so distracted by the

517

00:25:21,910 --> 00:25:18,590

UFO that the punk saw his chance and

518

00:25:24,940 --> 00:25:21,920

took off that's when the object entered

519

00:25:29,350 --> 00:25:24,950

the last cloud from there it was nothing

520

00:25:33,280 --> 00:25:29,360

but open sky when it emerged my life

521

00:25:35,770 --> 00:25:33,290

changed Lewis says there against the

522

00:25:38,460 --> 00:25:35,780

richness of the blue sky was a silvery

523

00:25:43,150 --> 00:25:38,470

shape that seemed to have arms and legs

524

00:25:46,560 --> 00:25:43,160

it was so beautiful to look at at the

525

00:25:49,600 --> 00:25:46,570

same time it had the appearance of metal

526

00:25:52,420 --> 00:25:49,610

it looked like some kind of ship with a

527

00:25:55,150 --> 00:25:52,430

strange design the best way I can

528

00:25:58,360 --> 00:25:55,160

describe it is it looked like silverware

529

00:26:02,890 --> 00:25:58,370

in the design of the stick man children

530

00:26:06,910 --> 00:26:02,900

draw it was huge moving fast and made no

531

00:26:10,210 --> 00:26:06,920

noise as it sailed overhead some of the

532

00:26:13,630 --> 00:26:10,220

limbs would move up and down giving the

533

00:26:17,130 --> 00:26:13,640

impression of being alive a living

534

00:26:19,860 --> 00:26:17,140

entity it made a couple of rolls

535

00:26:24,400 --> 00:26:19,870

reflecting the Sun in every direction

536

00:26:27,480 --> 00:26:24,410

just beautiful oh my god beautiful

537

00:26:30,370 --> 00:26:27,490

it started to fade away from my view I

538

00:26:33,940 --> 00:26:30,380

found myself short of breath and with

539

00:26:37,630 --> 00:26:33,950

tears running down my cheeks it had that

540

00:26:40,410 --> 00:26:37,640

much of an effect on me I began thinking

541

00:26:47,920 --> 00:26:40,420

maybe that's what an angel looks like

542

00:26:52,180 --> 00:26:47,930

maybe not the next story in the spirit

543

00:26:54,190 --> 00:26:52,190

of Christmas angel money there are many

544

00:26:57,240 --> 00:26:54,200

stories of people receiving much needed

545

00:27:00,370 --> 00:26:57,250

money for mysterious unknown sources

546

00:27:04,360 --> 00:27:00,380

Elly has such a story that recalls from

547

00:27:08,290 --> 00:27:04,370

the summer of January 1994 in the suburb

548

00:27:10,390 --> 00:27:08,300

of Thornbury Melbourne Australia it

549

00:27:13,180 --> 00:27:10,400

begins it was late afternoon and Elly

550

00:27:15,150 --> 00:27:13,190

was outside on this warm day gathering

551  
00:27:18,430 --> 00:27:15,160  
the family laundry from the clothesline

552  
00:27:21,040 --> 00:27:18,440  
there was a sudden small willy-willy an

553  
00:27:25,090 --> 00:27:21,050  
Australian term for a swirling wind

554  
00:27:27,210 --> 00:27:25,100  
funnel of dust and leaves she says as it

555  
00:27:29,200 --> 00:27:27,220  
raced past me I saw something blue

556  
00:27:31,720 --> 00:27:29,210  
whirling in the middle of the dust and

557  
00:27:34,330 --> 00:27:31,730  
leaves and managed to grab a hold of it

558  
00:27:37,600 --> 00:27:34,340  
she says I was surprised and very

559  
00:27:41,620 --> 00:27:37,610  
pleased to see it was a ten dollar bill

560  
00:27:43,540 --> 00:27:41,630  
a few days later Elly was at the back of

561  
00:27:46,630 --> 00:27:43,550  
the yard checking on her garden Tomatoes

562  
00:27:49,450 --> 00:27:46,640  
when she spotted something laying in the

563  
00:27:53,050 --> 00:27:49,460

grass she was astonished to find it was

564

00:27:55,390 --> 00:27:53,060

a twenty dollar bill not long afterward

565

00:27:58,480 --> 00:27:55,400

in another part of the garden she found

566

00:27:59,470 --> 00:27:58,490

a five-dollar bill and yet another 20

567

00:28:02,230 --> 00:27:59,480

dollar bill

568

00:28:05,470 --> 00:28:02,240

nestled among the leaves of the day

569

00:28:08,740 --> 00:28:05,480

lilies by this time I told my family of

570

00:28:10,720 --> 00:28:08,750

the angel money she tells us none of

571

00:28:13,090 --> 00:28:10,730

them had put money there not with the

572

00:28:15,820 --> 00:28:13,100

possibility of it blowing away and the

573

00:28:18,550 --> 00:28:15,830

often high winds of the summer all was

574

00:28:21,790 --> 00:28:18,560

quiet for a few days then one of my sons

575

00:28:25,090 --> 00:28:21,800

came in with an ear-to-ear grin and a

576

00:28:28,330 --> 00:28:25,100

\$20 bill that he had just found on top

577

00:28:30,670 --> 00:28:28,340

of the compost heap now most of us would

578

00:28:32,800 --> 00:28:30,680

rationalize that this was not angel

579

00:28:35,470 --> 00:28:32,810

money at all but that it had simply

580

00:28:37,810 --> 00:28:35,480

blown into Elly's yard from some poor

581

00:28:40,300 --> 00:28:37,820

soul who lost it

582

00:28:42,220 --> 00:28:40,310

but Elly's not quite convinced of that

583

00:28:46,600 --> 00:28:42,230

explanation because of what more

584

00:28:50,380 --> 00:28:46,610

interesting find this time in her house

585

00:28:52,420 --> 00:28:50,390

a week or so later she remembers well I

586

00:28:55,440 --> 00:28:52,430

was cleaning out under the bed and

587

00:28:59,470 --> 00:28:55,450

pulled out a pair of slippers and

588

00:29:06,060 --> 00:28:59,480

they're nestling in the toe of one like

589

00:29:09,700 --> 00:29:06,070

a little grace note was a 50 cent coin

590

00:29:12,760 --> 00:29:09,710
