

 Best UFO Stories of 2017 | Special UFO Researcher Roundtable

California Radio
MUFON
LORIEN FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on
inceptionradionetwork.com

1
00:00:02,840 --> 00:00:01,490
now customers use more than 35 cakes per

2
00:00:04,430 --> 00:00:02,850
month may notice reduce beats video

3
00:00:05,360 --> 00:00:04,440
streaming setup 240p no tethering see

4
00:00:07,849 --> 00:00:05,370
store for details in terms and

5
00:00:10,040 --> 00:00:07,859
conditions everyone to the California

6
00:00:12,200 --> 00:00:10,050
MUFON radio show I'm your host Lori Ann

7
00:00:13,910 --> 00:00:12,210
Fenton were here on inception radio

8
00:00:15,799 --> 00:00:13,920
network as you guys all know it's my

9
00:00:18,830 --> 00:00:15,809
favorite place to be the home of my most

10
00:00:21,380 --> 00:00:18,840
famous famous app on my cell phone it's

11
00:00:23,150 --> 00:00:21,390
it's centre front and it's really big I

12
00:00:25,250 --> 00:00:23,160
got it to grow I don't know how I did

13
00:00:27,230 --> 00:00:25,260

that but I managed to do it and it

14

00:00:29,060 --> 00:00:27,240

reminds me every week that I've got to

15

00:00:30,589 --> 00:00:29,070

be on the network and I'm hoping you

16

00:00:32,690 --> 00:00:30,599

guys are joining me here every week on

17

00:00:34,100 --> 00:00:32,700

the network as well and guess what we're

18

00:00:36,290 --> 00:00:34,110

doing tonight we're doing a holiday

19

00:00:38,750 --> 00:00:36,300

special I try to do when every year if I

20

00:00:41,479 --> 00:00:38,760

can and I got four very amazing guests

21

00:00:44,650 --> 00:00:41,489

with me that my guests this evening are

22

00:00:47,270 --> 00:00:44,660

gonna be chuck palooka my buddy tron

23

00:00:50,299 --> 00:00:47,280

melinda leslie and we're gonna round it

24

00:00:51,740 --> 00:00:50,309

up with grant cameron later on so i just

25

00:00:55,100 --> 00:00:51,750

wanna let you guys know it's been a very

26

00:00:57,770 --> 00:00:55,110

interesting year for me and on my first

27

00:00:59,810 --> 00:00:57,780

show coming back after the new year i

28

00:01:02,000 --> 00:00:59,820

will talk about all this happened to me

29

00:01:05,329 --> 00:01:02,010

this past year and what i'm planning on

30

00:01:07,340 --> 00:01:05,339

doing for the new year and just what 28

31

00:01:09,080 --> 00:01:07,350

teens got to bring for me so i hope you

32

00:01:11,420 --> 00:01:09,090

guys tune in for that that'll be after

33

00:01:14,359 --> 00:01:11,430

January 1st I believe it's on the 3rd

34

00:01:18,050 --> 00:01:14,369

and yeah that'll be a fun show I may be

35

00:01:20,120 --> 00:01:18,060

my own guest we'll see but in the

36

00:01:23,030 --> 00:01:20,130

meantime I want to bring in with me

37

00:01:25,539 --> 00:01:23,040

tonight on our holiday special my friend

38

00:01:33,890 --> 00:01:25,549

Chuck palanca Chuck how are you doing

39

00:01:35,990 --> 00:01:33,900

I'm fine thanks for hanging out with the

40

00:01:38,060 --> 00:01:36,000

family that's what I usually do here in

41

00:01:39,859 --> 00:01:38,070

California most of my family's back east

42

00:01:57,410 --> 00:01:39,869

and I don't get back there very often

43

00:01:59,450 --> 00:01:57,420

for the holiday so it'll be great my

44

00:02:00,709 --> 00:01:59,460

parents say that I come home like a bear

45

00:02:04,429 --> 00:02:00,719

I come home to hibernate

46

00:02:06,679 --> 00:02:04,439

oh nice raise the first two days you

47

00:02:08,449 --> 00:02:06,689

know the 24th and 25th and just eat meat

48

00:02:11,420 --> 00:02:08,459

meat then I just hit the bed for about

49

00:02:13,250 --> 00:02:11,430

four days after that that I New Year's

50

00:02:16,580 --> 00:02:13,260

Eve you know

51
00:02:18,710 --> 00:02:16,590
and a year I get to sleep so you know

52
00:02:23,479 --> 00:02:18,720
I'm really thrilled about it but anyhow

53
00:02:26,240 --> 00:02:23,489
let's get back to what you are as a

54
00:02:28,220 --> 00:02:26,250
contactee because I call you a contact D

55
00:02:30,470 --> 00:02:28,230
because of your experiences as a child

56
00:02:31,699 --> 00:02:30,480
let's briefly recap those for the

57
00:02:34,100 --> 00:02:31,709
audience because we have been on this

58
00:02:36,440 --> 00:02:34,110
show before but they probably you know I

59
00:02:37,789 --> 00:02:36,450
every week I have so many people on so

60
00:02:41,559 --> 00:02:37,799
it's like you know they're going check

61
00:02:44,479 --> 00:02:41,569
below go yeah who's that guy so just

62
00:02:46,640 --> 00:02:44,489
camp what happened to you I know most of

63
00:02:48,740 --> 00:02:46,650

it was in your childhood correct correct

64

00:02:50,839 --> 00:02:48,750

right started out when I was two and a

65

00:02:57,009 --> 00:02:50,849

half years old seeing the faces in the

66

00:02:59,449 --> 00:02:57,019

windows and that was a great story

67

00:03:03,830 --> 00:02:59,459

the crafts over the next-door neighbor's

68

00:03:06,349 --> 00:03:03,840

trees and all but yeah and didn't your

69

00:03:07,970 --> 00:03:06,359

sister wasn't she part of all this - and

70

00:03:10,580 --> 00:03:07,980

your brother that you found out much

71

00:03:13,009 --> 00:03:10,590

later on in life well there were seven

72

00:03:15,920 --> 00:03:13,019

of us so yes

73

00:03:18,770 --> 00:03:15,930

two of my sisters admit to waking up

74

00:03:21,470 --> 00:03:18,780

during abductions as well as myself and

75

00:03:23,240 --> 00:03:21,480

we all saw the craft we used to wake

76

00:03:26,030 --> 00:03:23,250

each other up at night and and sit at

77

00:03:27,890 --> 00:03:26,040

the window and watch them so Wow see you

78

00:03:29,720 --> 00:03:27,900

know this is pretty folks you know I'm

79

00:03:31,849 --> 00:03:29,730

telling ya you know my whole theory

80

00:03:34,220 --> 00:03:31,859

about families being involved in all

81

00:03:36,349 --> 00:03:34,230

this I swear it's real you know I

82

00:03:38,210 --> 00:03:36,359

there's very few people I've talked to

83

00:03:40,670 --> 00:03:38,220

except for the kids that are you know

84

00:03:43,009 --> 00:03:40,680

the only child

85

00:03:44,809 --> 00:03:43,019

but everybody else tells me you know my

86

00:03:46,640 --> 00:03:44,819

I know my brother was involved

87

00:03:48,920 --> 00:03:46,650

maybe not my two younger sisters but I

88

00:03:51,020 --> 00:03:48,930

know my brother was and then years later

89

00:03:54,129 --> 00:03:51,030

they usually find out the sisters were -

90

00:03:57,710 --> 00:03:54,139

or the brother wasn't or you know I mean

91

00:04:00,199 --> 00:03:57,720

it's always that way I've never had it

92

00:04:02,030 --> 00:04:00,209

be where it wasn't a family involvement

93

00:04:05,900 --> 00:04:02,040

did you ever find out if your parents

94

00:04:09,970 --> 00:04:05,910

were involved well they never mentioned

95

00:04:13,580 --> 00:04:09,980

that they were but they did see them so

96

00:04:16,129 --> 00:04:13,590

all of us did so the problem we got here

97

00:04:18,050 --> 00:04:16,139

again is if your parents were seeing

98

00:04:21,020 --> 00:04:18,060

them then they were being taken they

99

00:04:23,990 --> 00:04:21,030

just didn't remember it well and when I

100

00:04:25,830 --> 00:04:24,000

learned when I was 13 14 years old and I

101

00:04:28,620 --> 00:04:25,840

started reading all the books

102

00:04:31,850 --> 00:04:28,630

and later on my mom asked me well why do

103

00:04:34,920 --> 00:04:31,860

you think they're not telling us and she

104

00:04:36,750 --> 00:04:34,930

she also admitted that you know how

105

00:04:37,980 --> 00:04:36,760

could I admit to you as a child when

106

00:04:41,430 --> 00:04:37,990

you're insisting that you were being

107

00:04:42,659 --> 00:04:41,440

taken that you were and that I knew it

108

00:04:44,550 --> 00:04:42,669

and there was nothing I can do about it

109

00:04:46,790 --> 00:04:44,560

you'd go to bed scared death every night

110

00:04:49,590 --> 00:04:46,800

you know so yeah it's it's interesting

111

00:04:52,020 --> 00:04:49,600

yeah it is it really is but you know in

112

00:04:55,159 --> 00:04:52,030

a weird way that's the whole thing about

113

00:04:58,050 --> 00:04:55,169

how we we manage it you know as humans

114

00:04:59,730 --> 00:04:58,060

if we didn't have our parents saying oh

115

00:05:01,590 --> 00:04:59,740

those are you know those are little

116

00:05:05,969 --> 00:05:01,600

made-up monsters and don't worry about

117

00:05:07,800 --> 00:05:05,979

it nation if they didn't say that you're

118

00:05:10,740 --> 00:05:07,810

absolutely right we'd be a terrified

119

00:05:13,140 --> 00:05:10,750

species we'd be down here cowering every

120

00:05:15,810 --> 00:05:13,150

night and not knowing who's gonna come

121

00:05:17,670 --> 00:05:15,820

and get you you know it's really it's

122

00:05:20,580 --> 00:05:17,680

it's an amazing thing that they actually

123

00:05:22,409 --> 00:05:20,590

do give us the amnesia and don't let us

124

00:05:23,760 --> 00:05:22,419

know what's going on to the best of

125

00:05:27,570 --> 00:05:23,770

their ability because obviously people

126
00:05:29,969 --> 00:05:27,580
like yourself are remembering you know

127
00:05:31,500 --> 00:05:29,979
thus amnesia thing actually I hate to

128
00:05:33,570 --> 00:05:31,510
say it Chuck I think it's a good thing

129
00:05:36,330 --> 00:05:33,580
because like you said we'd be in fear

130
00:05:38,909 --> 00:05:36,340
all the time and what good is that you

131
00:05:40,770 --> 00:05:38,919
know right now when we were young and we

132
00:05:42,900 --> 00:05:40,780
were watching them we weren't in fear

133
00:05:45,420 --> 00:05:42,910
when we were seeing them we were you

134
00:05:49,909 --> 00:05:45,430
know wow look at that that's really cool

135
00:05:52,740 --> 00:05:49,919
what is it I think that's great

136
00:05:54,120 --> 00:05:52,750
but did they ever do anything to you on

137
00:05:57,450 --> 00:05:54,130
the ships that would have made you

138
00:06:00,330 --> 00:05:57,460

afraid to remember it well no other than

139

00:06:02,279 --> 00:06:00,340

waking up and seeing their faces that's

140

00:06:04,050 --> 00:06:02,289

and then when I would look and become

141

00:06:07,980 --> 00:06:04,060

aware of them instantly boom right back

142

00:06:09,870 --> 00:06:07,990

out yeah yeah exactly and you know like

143

00:06:11,879 --> 00:06:09,880

that the whole whitley strieber thing

144

00:06:15,210 --> 00:06:11,889

about him being knocked out all the time

145

00:06:18,450 --> 00:06:15,220

you know quite often recovering memories

146

00:06:20,219 --> 00:06:18,460

later in life he always said you know

147

00:06:21,719 --> 00:06:20,229

I'm glad I didn't remember anything when

148

00:06:23,700 --> 00:06:21,729

I was younger because if I had I

149

00:06:28,170 --> 00:06:23,710

wouldn't been able to be objective about

150

00:06:30,540 --> 00:06:28,180

it as an adult right it really is a good

151
00:06:32,580 --> 00:06:30,550
thing in a weird way now what I do want

152
00:06:35,990 --> 00:06:32,590
to talk to you about though is you have

153
00:06:39,519 --> 00:06:36,000
some great footage up on YouTube about

154
00:06:41,499 --> 00:06:39,529
sky watching at your house right and

155
00:06:43,779 --> 00:06:41,509
right the different crafts you've seen

156
00:06:45,909 --> 00:06:43,789
up there with the night vision mm-hmm

157
00:06:47,919 --> 00:06:45,919
tell people how that started for you and

158
00:06:49,629 --> 00:06:47,929
and be sure to talk about the part where

159
00:06:54,089 --> 00:06:49,639
your daughter get to see him - isn't

160
00:06:56,199 --> 00:06:54,099
that correct that's right yeah actually

161
00:06:57,879 --> 00:06:56,209
because of that sighting is why I

162
00:06:59,850 --> 00:06:57,889
started the night vision that's when I

163
00:07:03,879 --> 00:06:59,860

went and bought my goggles and that was

164

00:07:05,979 --> 00:07:03,889

2008 great tell people of much detail

165

00:07:07,179 --> 00:07:05,989

about the 2008 sighting because I think

166

00:07:10,209 --> 00:07:07,189

that's extraordinary

167

00:07:11,589 --> 00:07:10,219

okay so I was laying I had started

168

00:07:14,229 --> 00:07:11,599

laying on the ground

169

00:07:17,229 --> 00:07:14,239

grounding because I had heard that that

170

00:07:19,509 --> 00:07:17,239

was really good for you and a couple of

171

00:07:20,859 --> 00:07:19,519

months into it I had the feeling

172

00:07:22,989 --> 00:07:20,869

something was gonna happen I called my

173

00:07:25,059 --> 00:07:22,999

daughter and she came out and a couple

174

00:07:27,189 --> 00:07:25,069

minutes later a craft came across the

175

00:07:29,559 --> 00:07:27,199

sky blinked twice on its way across the

176

00:07:32,369 --> 00:07:29,569

sky continued to go and then the next

177

00:07:36,189 --> 00:07:32,379

one stopped in the middle of the sky

178

00:07:38,290 --> 00:07:36,199

dent flew a perfect square and then

179

00:07:41,589 --> 00:07:38,300

bounced back and forth between the two

180

00:07:44,169 --> 00:07:41,599

upper corners of the square for maybe 20

181

00:07:46,749 --> 00:07:44,179

to 30 seconds and that it narrowed the

182

00:07:48,189 --> 00:07:46,759

distance and then it it went out like we

183

00:07:50,259 --> 00:07:48,199

couldn't see it anymore so we didn't

184

00:07:52,899 --> 00:07:50,269

know if it flew up in space but my

185

00:07:55,540 --> 00:07:52,909

daughter 23 years old going to college

186

00:08:01,869 --> 00:07:55,550

was just you know blown away wow what in

187

00:08:03,579 --> 00:08:01,879

the world was that we've talked about

188

00:08:05,980 --> 00:08:03,589

this before was it like the size of the

189

00:08:10,269 --> 00:08:05,990

thumbnail with your arm outstretched or

190

00:08:13,600 --> 00:08:10,279

was it smaller this this was in space

191

00:08:17,169 --> 00:08:13,610

and see this was on the same line that

192

00:08:19,569 --> 00:08:17,179

we see most of them flying north to

193

00:08:23,319 --> 00:08:19,579

south that particular craft was flying

194

00:08:24,999 --> 00:08:23,329

north and it was in space because what

195

00:08:28,169 --> 00:08:25,009

we were seeing is the reflection of the

196

00:08:31,269 --> 00:08:28,179

Sun off event and it was actually

197

00:08:33,219 --> 00:08:31,279

probably 45 minutes after you could see

198

00:08:35,889 --> 00:08:33,229

them you could start seeing them moving

199

00:08:37,209 --> 00:08:35,899

in the sky yeah so it was it was you

200

00:08:40,990 --> 00:08:37,219

know I would have to say it was at least

201
00:08:43,209 --> 00:08:41,000
a hundred to 150 miles away sure sure so

202
00:08:45,730 --> 00:08:43,219
we're talking way up there like you know

203
00:08:48,280 --> 00:08:45,740
like Melinda and you and and all my

204
00:08:49,840 --> 00:08:48,290
friends who do the UFO tours you know

205
00:08:51,100 --> 00:08:49,850
where we go out and look at look for

206
00:08:54,670 --> 00:08:51,110
them

207
00:08:56,620 --> 00:08:54,680
ones we normally see crap yeah okay so

208
00:08:58,990 --> 00:08:56,630
they're way up there but they're

209
00:09:09,280 --> 00:08:59,000
maneuvering is just extraordinary I mean

210
00:09:11,710 --> 00:09:09,290
that's when you know you got a real you

211
00:09:13,630 --> 00:09:11,720
know I've had some extraordinary

212
00:09:15,519 --> 00:09:13,640
sightings in my life and I got to say

213
00:09:19,900 --> 00:09:15,529

contact in the desert I've had two of my

214

00:09:22,240 --> 00:09:19,910

most extraordinary two years ago green

215

00:09:24,730 --> 00:09:22,250

fast Walker's comes shooting up the

216

00:09:27,040 --> 00:09:24,740

canyon there and then they went up into

217

00:09:28,870 --> 00:09:27,050

space Chuck and they made a triangle

218

00:09:30,670 --> 00:09:28,880

formation there were three of them they

219

00:09:37,150 --> 00:09:30,680

turned into a triangle and then they

220

00:09:40,540 --> 00:09:37,160

just faded out yeah and then this last

221

00:09:43,690 --> 00:09:40,550

year out at giant rock the biggest and

222

00:09:46,750 --> 00:09:43,700

most amazing sighting I've ever had

223

00:09:48,880 --> 00:09:46,760

and that I think most people have had in

224

00:09:54,550 --> 00:09:48,890

the last you know 30 or 40 years except

225

00:09:57,189 --> 00:09:54,560

for a crashed saucer is this F 14 or 15

226

00:10:01,870 --> 00:09:57,199

or 16 is when the latest models of

227

00:10:04,360 --> 00:10:01,880

fighter pilot planes chasing a UFO and

228

00:10:08,199 --> 00:10:04,370

this thing is 250 feet above our heads

229

00:10:10,090 --> 00:10:08,209

or less maybe 200 feet why I mean we're

230

00:10:11,560 --> 00:10:10,100

talking the size of my fist in front of

231

00:10:16,120 --> 00:10:11,570

my face that's how big this thing is

232

00:10:18,040 --> 00:10:16,130

right and bigger and it was just it was

233

00:10:21,250 --> 00:10:18,050

mind-boggling we caught it on camera and

234

00:10:23,470 --> 00:10:21,260

there were 62 witnesses and nobody is

235

00:10:25,509 --> 00:10:23,480

talking about it and it's just

236

00:10:27,939 --> 00:10:25,519

absolutely amazing that's one of the

237

00:10:30,790 --> 00:10:27,949

most amazing sightings ever no one's

238

00:10:32,889 --> 00:10:30,800

done and I'm just trying to figure out

239

00:10:36,280 --> 00:10:32,899

why they're not talking about it right

240

00:10:38,199 --> 00:10:36,290

you know it wait what kills me Chuck is

241

00:10:40,269 --> 00:10:38,209

this was during contact in the desert

242

00:10:43,420 --> 00:10:40,279

and it was Sunday night and at that same

243

00:10:45,460 --> 00:10:43,430

time on Sunday night Steven Greer was

244

00:10:47,620 --> 00:10:45,470

doing a big meditation out at a Ryan's

245

00:10:53,650 --> 00:10:47,630

point where we saw three crafts the year

246

00:10:56,019 --> 00:10:53,660

before or two years before and what's

247

00:10:57,880 --> 00:10:56,029

his name a Gilliland was doing a big you

248

00:11:00,519 --> 00:10:57,890

know calling the space brothers down in

249

00:11:03,160 --> 00:11:00,529

the amphitheater so we had two of the

250

00:11:04,540 --> 00:11:03,170

big names in UF ology calling in crafts

251

00:11:07,960 --> 00:11:04,550

which they never did

252

00:11:10,360 --> 00:11:07,970

by the way nothing was seen in that

253

00:11:12,400 --> 00:11:10,370

giant rock because we're all women okay

254

00:11:14,980 --> 00:11:12,410

I'm just in there folks I want you to

255

00:11:16,540 --> 00:11:14,990

know there is a distinction pathology

256

00:11:18,579 --> 00:11:16,550

that the women usually get thrown out

257

00:11:20,980 --> 00:11:18,589

with the trash whoo

258

00:11:22,210 --> 00:11:20,990

we're excommunicated out two giant

259

00:11:24,910 --> 00:11:22,220

rockers we're not allowed to do a

260

00:11:27,610 --> 00:11:24,920

sighting in their contracts by the way

261

00:11:31,150 --> 00:11:27,620

on the same premises while they're doing

262

00:11:33,430 --> 00:11:31,160

it Wow so you got five women contact

263

00:11:36,400 --> 00:11:33,440

these that are out in the desert with

264

00:11:38,530 --> 00:11:36,410

sixty other people that were brought out

265

00:11:40,480 --> 00:11:38,540

there from contact in the desert and

266

00:11:42,460 --> 00:11:40,490

they all signed up for this excursion

267

00:11:44,430 --> 00:11:42,470

they all came out there with us and we

268

00:11:47,110 --> 00:11:44,440

had the most phenomenal sighting

269

00:11:49,810 --> 00:11:47,120

anybody's ever had in their entire life

270

00:11:55,590 --> 00:11:49,820

and you know they may never see anything

271

00:12:00,699 --> 00:11:58,389

here and I just go what is going on with

272

00:12:02,650 --> 00:12:00,709

you apology so you know that brings me

273

00:12:04,060 --> 00:12:02,660

to my next question for you what do you

274

00:12:05,800 --> 00:12:04,070

you know what do you think's going on

275

00:12:07,150 --> 00:12:05,810

with you apology I mean do you go to

276

00:12:09,370 --> 00:12:07,160

these conferences do you pay any

277

00:12:11,350 --> 00:12:09,380

attention or you kind of like the guy

278

00:12:15,069 --> 00:12:11,360

that's on the Shelf just observing from

279

00:12:17,920 --> 00:12:15,079

a distance I do pay attention I've been

280

00:12:21,910 --> 00:12:17,930

so busy the last year to two years that

281

00:12:25,180 --> 00:12:21,920

I haven't paid as much so yes I tried I

282

00:12:28,360 --> 00:12:25,190

tried to keep up on it and actually I'm

283

00:12:30,519 --> 00:12:28,370

hoping within this next year I I come up

284

00:12:33,639 --> 00:12:30,529

with a lot more time too there's a few

285

00:12:34,750 --> 00:12:33,649

things I want to do so wonderful do you

286

00:12:37,930 --> 00:12:34,760

think you'll be speaking at the

287

00:12:40,660 --> 00:12:37,940

conferences or you know try are you just

288

00:12:43,180 --> 00:12:40,670

gonna attend or what do you think well

289

00:12:45,130 --> 00:12:43,190

I'm gonna try to get back out my son I

290

00:12:46,840 --> 00:12:45,140

had backed off for a while because my

291

00:12:48,819 --> 00:12:46,850

son was in school and my wife was

292

00:12:51,160 --> 00:12:48,829

concerned about his safety if I'm out

293

00:12:55,569 --> 00:12:51,170

there saying things that someone doesn't

294

00:12:58,060 --> 00:12:55,579

like so now he's back home so I can get

295

00:12:59,860 --> 00:12:58,070

out there again oh that's wonderful well

296

00:13:01,750 --> 00:12:59,870

then you know I'll be the first to say

297

00:13:03,310 --> 00:13:01,760

I've got a conference coming up so who

298

00:13:05,860 --> 00:13:03,320

knows what you'll be involved with with

299

00:13:07,000 --> 00:13:05,870

that I just you know I got a I gotta go

300

00:13:10,810 --> 00:13:07,010

look at the roster and see what's

301
00:13:12,670 --> 00:13:10,820
happening they're talking because I

302
00:13:14,680 --> 00:13:12,680
think you and your friend Dennis

303
00:13:16,660 --> 00:13:14,690
you know he's quite an extraordinary guy

304
00:13:18,430 --> 00:13:16,670
he comes now tell people what you've

305
00:13:21,970 --> 00:13:18,440
done for us in the past you guys

306
00:13:25,240 --> 00:13:21,980
if you bring a you know a big-screen TV

307
00:13:28,869 --> 00:13:25,250
and several occassions you guys been out

308
00:13:30,430 --> 00:13:28,879
the Delta with us you've been at my my

309
00:13:32,470 --> 00:13:30,440
place of residence in our Clubhouse

310
00:13:33,970 --> 00:13:32,480
you've been got you guys have been

311
00:13:36,999 --> 00:13:33,980
everywhere this you've been at the pedal

312
00:13:38,949 --> 00:13:37,009
of a Senior Center oh yeah yeah yeah you

313
00:13:41,290 --> 00:13:38,959

just oh you went to mount Kanak died

314

00:13:44,829 --> 00:13:41,300

with us oh yeah yeah we had some real

315

00:13:46,929 --> 00:13:44,839

fun times I gotta say folks and most of

316

00:13:49,569 --> 00:13:46,939

the time oh you were also up in volcano

317

00:13:51,759 --> 00:13:49,579

with us correct yeah you've been around

318

00:13:54,579 --> 00:13:51,769

the block with us most of the places

319

00:13:56,619 --> 00:13:54,589

we've gone with Chuck and Dennis we have

320

00:13:58,809 --> 00:13:56,629

seen some extraordinary craft on those

321

00:14:02,379 --> 00:13:58,819

TV screens I mean honest to god just

322

00:14:04,329 --> 00:14:02,389

really extraordinary craft what what do

323

00:14:06,040 --> 00:14:04,339

you think sets you aside from other

324

00:14:07,929 --> 00:14:06,050

people because I've had other people

325

00:14:09,699 --> 00:14:07,939

chuck show up and say oh I'm gonna do a

326

00:14:11,710 --> 00:14:09,709

sky watch and we're gonna see this and

327

00:14:13,749 --> 00:14:11,720

that and whatever and we've seen nothing

328

00:14:15,280 --> 00:14:13,759

we spend the whole night sitting there

329

00:14:17,769 --> 00:14:15,290

waiting for something to happen and we

330

00:14:20,379 --> 00:14:17,779

see absolutely nothing what do you think

331

00:14:21,879 --> 00:14:20,389

since you and Dennis apart I already

332

00:14:25,860 --> 00:14:21,889

know the answer but I want to hear if

333

00:14:30,939 --> 00:14:25,870

you say the same thing I'm thinking well

334

00:14:32,259 --> 00:14:30,949

one open mind and do your research like

335

00:14:34,059 --> 00:14:32,269

I think people have mentioned that a

336

00:14:36,610 --> 00:14:34,069

number of the sky watches they thought

337

00:14:38,530 --> 00:14:36,620

we were seeing satellites so we had them

338

00:14:40,240 --> 00:14:38,540

pull up their satellite trackers on

339

00:14:43,480 --> 00:14:40,250

their phones and prove that what we're

340

00:14:46,090 --> 00:14:43,490

seeing or not satellites and yeah it's I

341

00:14:48,009 --> 00:14:46,100

mean do your homework try to be as good

342

00:14:48,670 --> 00:14:48,019

at doing what you do as you can possibly

343

00:14:53,139 --> 00:14:48,680

be

344

00:14:57,370 --> 00:14:53,149

and of course remain honest and you know

345

00:14:59,110 --> 00:14:57,380

and real with people you know yeah yeah

346

00:15:01,179 --> 00:14:59,120

well I think that's very important but I

347

00:15:03,519 --> 00:15:01,189

also think the biggest important part to

348

00:15:08,049 --> 00:15:03,529

the piece to your puzzle is the fact

349

00:15:09,730 --> 00:15:08,059

that you are a contactee because you

350

00:15:12,490 --> 00:15:09,740

know the biggest thing that I've noticed

351

00:15:16,059 --> 00:15:12,500

is you know james gilliland is a contact

352

00:15:18,490 --> 00:15:16,069

D so as Steven Greer but I'm not sure

353

00:15:20,530 --> 00:15:18,500

that in and I know this is gonna sound

354

00:15:22,809 --> 00:15:20,540

really weird folks I'm not sure their

355

00:15:25,600 --> 00:15:22,819

heart is in the same place it was 10 15

356

00:15:28,090 --> 00:15:25,610

20 years ago when they were having all

357

00:15:30,240 --> 00:15:28,100

the contact because they don't seem to

358

00:15:32,820 --> 00:15:30,250

be having contact anymore

359

00:15:35,010 --> 00:15:32,830

you know isn't that odd and I think the

360

00:15:36,900 --> 00:15:35,020

people who are very close to their

361

00:15:39,270 --> 00:15:36,910

contact in other words they keep it

362

00:15:41,760 --> 00:15:39,280

close to how they live their life they

363

00:15:43,500 --> 00:15:41,770

live in a truth they at you like what

364

00:15:46,260 --> 00:15:43,510

you just said you know look for the

365

00:15:49,230 --> 00:15:46,270

truth you know try to keep it real the

366

00:15:51,020 --> 00:15:49,240

whole bit it's all about and I think

367

00:15:53,580 --> 00:15:51,030

once you get into this whole mindset

368

00:15:55,260 --> 00:15:53,590

because you got to make money you got to

369

00:15:57,210 --> 00:15:55,270

be speaking you got to have a contract

370

00:15:59,370 --> 00:15:57,220

or people are paying a thousands and

371

00:16:01,500 --> 00:15:59,380

thousands of dollars to show up and and

372

00:16:03,620 --> 00:16:01,510

do all these events and you've got all

373

00:16:05,940 --> 00:16:03,630

these followers you know at some point

374

00:16:08,160 --> 00:16:05,950

I've noticed when that starts happening

375

00:16:11,130 --> 00:16:08,170

for these people they start losing their

376

00:16:15,240 --> 00:16:11,140

connection with these other dimensional

377

00:16:18,630 --> 00:16:15,250

beings and I I just love the fact that

378

00:16:21,510 --> 00:16:18,640

you and Dennis are so down-to-earth and

379

00:16:24,090 --> 00:16:21,520

so non pulse by what's happening around

380

00:16:26,370 --> 00:16:24,100

you and very connected to it still and

381

00:16:27,720 --> 00:16:26,380

looking for the truth I think that makes

382

00:16:30,120 --> 00:16:27,730

all the difference as to why you're

383

00:16:31,710 --> 00:16:30,130

continually having contact and I got to

384

00:16:33,720 --> 00:16:31,720

say that from Melinda Leslie and I've

385

00:16:35,550 --> 00:16:33,730

got to say that for myself and Misha and

386

00:16:38,790 --> 00:16:35,560

all of us gals who go out and do these

387

00:16:40,110 --> 00:16:38,800

skywatching events you know I think the

388

00:16:43,110 --> 00:16:40,120

reason they're getting those sightings

389

00:16:44,640 --> 00:16:43,120

every single time is because they are

390

00:16:47,160 --> 00:16:44,650

being true to themselves they are not

391

00:16:50,370 --> 00:16:47,170

and being true to the aliens you know

392

00:16:53,130 --> 00:16:50,380

right is with aliens you know you can't

393

00:16:54,750 --> 00:16:53,140

you can't hide from them right check and

394

00:16:56,160 --> 00:16:54,760

it's not like you can sit there and hide

395

00:16:57,300 --> 00:16:56,170

your thoughts from them they know

396

00:17:04,020 --> 00:16:57,310

everything you're doing they're like

397

00:17:06,179 --> 00:17:04,030

Santa Claus right good kid you know

398

00:17:09,480 --> 00:17:06,189

Santa Claus can give you a lump of coal

399

00:17:13,740 --> 00:17:09,490

coal right and you know Dennis and I

400

00:17:15,990 --> 00:17:13,750

went into it with the idea that we were

401
00:17:18,449 --> 00:17:16,000
we were not going to take money for what

402
00:17:21,270 --> 00:17:18,459
we do and that this was all about truth

403
00:17:24,090 --> 00:17:21,280
and allowing people to see what's really

404
00:17:25,800 --> 00:17:24,100
going on around them absolutely that's

405
00:17:28,920 --> 00:17:25,810
the most important piece of the puzzle

406
00:17:31,290 --> 00:17:28,930
you know I'm starting my UFO tours in

407
00:17:33,090 --> 00:17:31,300
the spring here in Sonoma County and

408
00:17:35,010 --> 00:17:33,100
I've invited you guys to help me with

409
00:17:38,190 --> 00:17:35,020
that and I do hope you do come along and

410
00:17:40,050 --> 00:17:38,200
we do that I'm having to bet I'm finding

411
00:17:42,990 --> 00:17:40,060
myself Chuck I'm gonna have to charge

412
00:17:44,909 --> 00:17:43,000
people for it because I got to invest in

413
00:17:48,330 --> 00:17:44,919

like ten to fifteen thousand dollars

414

00:17:51,649 --> 00:17:48,340

worth of goggles there's got to be some

415

00:17:55,440 --> 00:17:51,659

way to pay those that bill back you know

416

00:17:58,169 --> 00:17:55,450

of it but it in at the same breath I've

417

00:18:00,990 --> 00:17:58,179

also asked them I've said to them look

418

00:18:03,450 --> 00:18:01,000

you know I I've got to do this you know

419

00:18:05,789 --> 00:18:03,460

help me do I do I do it and do I charge

420

00:18:07,529 --> 00:18:05,799

money for it and is it okay and I

421

00:18:09,240 --> 00:18:07,539

actually got permission from them one

422

00:18:10,950 --> 00:18:09,250

day I was waking up and they said you

423

00:18:13,380 --> 00:18:10,960

know what if you need to do that you go

424

00:18:15,770 --> 00:18:13,390

right ahead because the bottom line is

425

00:18:20,580 --> 00:18:15,780

you're you're you're gonna be doing it

426

00:18:22,890 --> 00:18:20,590

you know to help people that are not in

427

00:18:25,230 --> 00:18:22,900

the UFO community become aware of it

428

00:18:27,120 --> 00:18:25,240

it's very different than you know I

429

00:18:28,770 --> 00:18:27,130

think running out there with all the

430

00:18:31,020 --> 00:18:28,780

people that are in the UFO community I

431

00:18:33,690 --> 00:18:31,030

would never charge them you know I would

432

00:18:35,760 --> 00:18:33,700

never dreams think of charging anybody

433

00:18:36,659 --> 00:18:35,770

that's a contact II already I mean

434

00:18:39,690 --> 00:18:36,669

what's the point in that

435

00:18:41,730 --> 00:18:39,700

but I am gonna be hitting a lot of

436

00:18:43,890 --> 00:18:41,740

people up that have never had never seen

437

00:18:45,120 --> 00:18:43,900

a craft don't even know aliens exist and

438

00:18:47,220 --> 00:18:45,130

they're kind of like oh that looks like

439

00:18:50,159 --> 00:18:47,230

an interesting tour I think I'll go on

440

00:18:52,049 --> 00:18:50,169

that you know and so it's gonna be very

441

00:18:54,930 --> 00:18:52,059

different world for me and I I'm just

442

00:18:57,180 --> 00:18:54,940

kind of afraid to charge but I kind of

443

00:18:59,010 --> 00:18:57,190

have to have a choice oh if you put that

444

00:19:03,870 --> 00:18:59,020

kind of money out you have to Dennis and

445

00:19:05,580 --> 00:19:03,880

I are into you know anything that we can

446

00:19:07,470 --> 00:19:05,590

get our teeth into and really do

447

00:19:09,330 --> 00:19:07,480

something neat with and and this has

448

00:19:11,159 --> 00:19:09,340

been one of those things so to us it

449

00:19:13,620 --> 00:19:11,169

wasn't important to you know we only

450

00:19:15,840 --> 00:19:13,630

each bought one pair so you know we're

451
00:19:18,029 --> 00:19:15,850
we're fine there but if you start buying

452
00:19:21,120 --> 00:19:18,039
four or five pairs well yeah it makes

453
00:19:25,350 --> 00:19:21,130
sense to to charge and that's what what

454
00:19:28,140 --> 00:19:25,360
ed was doing and you know he he had at

455
00:19:30,419 --> 00:19:28,150
times eight and ten pairs and and that

456
00:19:40,649 --> 00:19:30,429
makes sense yeah and you've just got you

457
00:19:42,630 --> 00:19:40,659
got to recoup your losses they've also

458
00:19:44,700 --> 00:19:42,640
told me something very interesting and I

459
00:19:46,680 --> 00:19:44,710
I I was going to tell you this on air

460
00:19:49,470 --> 00:19:46,690
but I'm going to because they said that

461
00:19:52,680 --> 00:19:49,480
your story is going to tell you know cuz

462
00:19:54,210 --> 00:19:52,690
for 15 minutes before the the Sky

463
00:19:56,049 --> 00:19:54,220

Watcher maybe even up to a half an hour

464

00:19:59,440 --> 00:19:56,059

I wanted to have myself

465

00:20:01,149 --> 00:19:59,450

Fantana and you talk about our

466

00:20:04,389 --> 00:20:01,159

experiences and how different they are

467

00:20:06,190 --> 00:20:04,399

from each other and they told me that

468

00:20:08,259 --> 00:20:06,200

the three of us or even just me one

469

00:20:10,419 --> 00:20:08,269

night or Tana the next or you at one

470

00:20:12,609 --> 00:20:10,429

point or whatever we're gonna be able to

471

00:20:14,889 --> 00:20:12,619

get to a lot of people that have never

472

00:20:16,570 --> 00:20:14,899

even heard about this phenomena before

473

00:20:18,729 --> 00:20:16,580

and they're actually gonna change their

474

00:20:21,009 --> 00:20:18,739

mind about it and they're gonna be more

475

00:20:22,719 --> 00:20:21,019

open-minded in the future and that's all

476

00:20:24,759 --> 00:20:22,729

we can ask for but I thought that was

477

00:20:26,349 --> 00:20:24,769

pretty extraordinary you know there's

478

00:20:28,839 --> 00:20:26,359

not going to be a lot of people on these

479

00:20:30,820 --> 00:20:28,849

tours I said I'm not doing it I told

480

00:20:33,190 --> 00:20:30,830

them I'm not doing it if I have to put

481

00:20:34,869 --> 00:20:33,200

up with skepticism all night I'm really

482

00:20:36,430 --> 00:20:34,879

not gonna do it and they said you won't

483

00:20:39,639 --> 00:20:36,440

have to worry about that they will be

484

00:20:42,339 --> 00:20:39,649

able to hear the truth in your voice and

485

00:20:44,560 --> 00:20:42,349

Chuck's voice and tannaz voice and I

486

00:20:49,899 --> 00:20:44,570

said okay well that's the case and I'll

487

00:20:51,579 --> 00:20:49,909

do it unless you give me permission but

488

00:20:54,639 --> 00:20:51,589

I'm also not doing it if I'm gonna get

489

00:20:56,469 --> 00:20:54,649

in a bad time so have you ever had

490

00:20:57,639 --> 00:20:56,479

people come up to you and say I just you

491

00:20:59,139 --> 00:20:57,649

know you're out of you're out of your

492

00:21:03,999 --> 00:20:59,149

mind this doesn't exist

493

00:21:08,229 --> 00:21:04,009

what are you doing yes and you know

494

00:21:10,659 --> 00:21:08,239

there are two ways to handle it you can

495

00:21:13,570 --> 00:21:10,669

tell them you know have you I asked them

496

00:21:15,430 --> 00:21:13,580

have you done any research and a lot of

497

00:21:18,209 --> 00:21:15,440

people have done such a minimum amount

498

00:21:22,269 --> 00:21:18,219

that they really don't have anything to

499

00:21:24,190 --> 00:21:22,279

say about it but then I like to educate

500

00:21:25,659 --> 00:21:24,200

the people on what exactly they're

501
00:21:28,029 --> 00:21:25,669
looking at when they're when they're out

502
00:21:30,369 --> 00:21:28,039
with us so that they understand that

503
00:21:32,499 --> 00:21:30,379
these things are flying around a hundred

504
00:21:35,079 --> 00:21:32,509
to three hundred sometimes further not

505
00:21:39,219 --> 00:21:35,089
out in space you know obviously it's not

506
00:21:41,019 --> 00:21:39,229
being talked about on TV so you know you

507
00:21:43,329 --> 00:21:41,029
tell me if you think you know what's

508
00:21:44,979 --> 00:21:43,339
going on please explain it to me because

509
00:21:47,529 --> 00:21:44,989
I seem to know more than you know about

510
00:21:51,159 --> 00:21:47,539
it so why aren't you listening to what

511
00:21:54,159 --> 00:21:51,169
I'm saying yeah exactly exactly and you

512
00:21:58,329 --> 00:21:54,169
know what most people we were up in we

513
00:22:00,249 --> 00:21:58,339

were in Lake County we were up at gosh I

514

00:22:02,409 --> 00:22:00,259

can't remember the name of the city lake

515

00:22:05,469 --> 00:22:02,419

port we were Lakeport we were up in the

516

00:22:06,940 --> 00:22:05,479

library there and there were a couple of

517

00:22:08,979 --> 00:22:06,950

people in that room that were not

518

00:22:09,280 --> 00:22:08,989

believers but I think by the end of the

519

00:22:11,920 --> 00:22:09,290

day

520

00:22:14,140 --> 00:22:11,930

between you and Douglas and myself I

521

00:22:15,910 --> 00:22:14,150

think that these people actually had to

522

00:22:18,400 --> 00:22:15,920

change a heart I had the husband of a

523

00:22:20,530 --> 00:22:18,410

woman up there who is not a big fan of

524

00:22:22,020 --> 00:22:20,540

the whole thing he goes oh she drags me

525

00:22:24,250 --> 00:22:22,030

to all this stuff right

526

00:22:26,290 --> 00:22:24,260

he looked at me and he said you know

527

00:22:29,260 --> 00:22:26,300

this is very very interesting and very

528

00:22:30,250 --> 00:22:29,270

compelling I never thought I'd hear that

529

00:22:32,590 --> 00:22:30,260

out of him

530

00:22:34,240 --> 00:22:32,600

and so you did a really good job that

531

00:22:35,980 --> 00:22:34,250

day there were a couple people who they

532

00:22:41,490 --> 00:22:35,990

were skeptical but by the time the day

533

00:22:48,940 --> 00:22:43,750

that was a day we were pretty ice packs

534

00:22:50,950 --> 00:22:48,950

in their armpits in spite of the heat

535

00:22:52,870 --> 00:22:50,960

people who are actually coming away from

536

00:22:55,330 --> 00:22:52,880

that with new information and very

537

00:22:57,010 --> 00:22:55,340

excited about the the future of ology

538

00:23:00,130 --> 00:22:57,020

and the fact that people actually are

539

00:23:01,930 --> 00:23:00,140

having these signings so I was very

540

00:23:04,570 --> 00:23:01,940

happy with you that day I mean I think

541

00:23:06,670 --> 00:23:04,580

you did a really amazing job thank you

542

00:23:08,860 --> 00:23:06,680

fencing people because you know that's

543

00:23:10,270 --> 00:23:08,870

all we can do in the end you know is sit

544

00:23:12,730 --> 00:23:10,280

there and try to convince people that

545

00:23:14,830 --> 00:23:12,740

this stuff's all real no that's right

546

00:23:17,440 --> 00:23:14,840

yeah so what is your daughter think

547

00:23:20,170 --> 00:23:17,450

about all this she saw that with you it

548

00:23:25,090 --> 00:23:20,180

is she's true believer oh absolutely

549

00:23:30,610 --> 00:23:25,100

and I I wouldn't say that she wasn't a

550

00:23:32,680 --> 00:23:30,620

believer before she she kind of sees it

551
00:23:35,800 --> 00:23:32,690
as why would we know everything that's

552
00:23:36,940 --> 00:23:35,810
going on you know I'm sure there's all

553
00:23:39,040 --> 00:23:36,950
kinds of things going on you're not

554
00:23:46,810 --> 00:23:39,050
letting us know about it so why should I

555
00:23:57,990 --> 00:23:46,820
be surprised it's funny College not

556
00:24:03,630 --> 00:24:00,940
she hasn't but I was going to tell you

557
00:24:06,610 --> 00:24:03,640
go ahead

558
00:24:08,350 --> 00:24:06,620
she she had me over for Thanksgiving and

559
00:24:10,720 --> 00:24:08,360
she said oh you see those couple people

560
00:24:12,190 --> 00:24:10,730
over there they're kind of into some of

561
00:24:14,410 --> 00:24:12,200
the things that you're into so I went

562
00:24:17,050 --> 00:24:14,420
over and I said hi I'm Chuck and started

563
00:24:19,960 --> 00:24:17,060

talking and the one guy said to me he's

564

00:24:22,390 --> 00:24:19,970

there you know you mentioned you of us

565

00:24:24,370 --> 00:24:22,400

is there anything really to that

566

00:24:25,720 --> 00:24:24,380

and I started laughing and and he looked

567

00:24:27,610 --> 00:24:25,730

at me and he said wow that's the best

568

00:24:30,970 --> 00:24:27,620

response I've ever gotten why did you

569

00:24:33,490 --> 00:24:30,980

laugh and I said because there's so much

570

00:24:35,290 --> 00:24:33,500

to it that it's actually funny to me

571

00:24:39,970 --> 00:24:35,300

that there are people that don't realize

572

00:24:42,240 --> 00:24:39,980

that it's reality absolutely I hope we

573

00:24:44,950 --> 00:24:42,250

didn't take offense I'm sure oh no no

574

00:24:46,330 --> 00:24:44,960

but he thought it was hilarious he said

575

00:24:50,110 --> 00:24:46,340

that was the best response he's ever

576

00:24:52,870 --> 00:24:50,120

gotten he and he was just like wow but

577

00:24:55,720 --> 00:24:52,880

when when I was done talking to them

578

00:24:57,610 --> 00:24:55,730

his wife said are you a hugger and I

579

00:25:00,370 --> 00:24:57,620

said excuse me and she's they're a

580

00:25:08,410 --> 00:25:00,380

hugger I'd like to give you a hug and

581

00:25:10,480 --> 00:25:08,420

thank you for what you're doing I gotta

582

00:25:12,910 --> 00:25:10,490

tell you that doesn't happen a lot for

583

00:25:14,230 --> 00:25:12,920

you know many of us but you know what

584

00:25:16,270 --> 00:25:14,240

you did is you just changed somebody's

585

00:25:18,610 --> 00:25:16,280

whole paradigm in that in that dinner

586

00:25:20,830 --> 00:25:18,620

you know that's right cool

587

00:25:22,960 --> 00:25:20,840

that's right good well you know we're

588

00:25:25,210 --> 00:25:22,970

gonna have to do I hate to say it but

589

00:25:30,370 --> 00:25:25,220

we've already exhausted our time here

590

00:25:33,280 --> 00:25:30,380

for this thing so um Chuck I just you

591

00:25:34,960 --> 00:25:33,290

know I really adore you and Dennis and I

592

00:25:38,800 --> 00:25:34,970

really I gotta look forward to working

593

00:25:41,140 --> 00:25:38,810

with you guys in 2018 do you think that

594

00:25:43,390 --> 00:25:41,150

2018 is gonna bring about any disclosure

595

00:25:48,790 --> 00:25:43,400

anything you know just quickly do you

596

00:25:50,380 --> 00:25:48,800

think anything's gonna happen I I kind

597

00:25:52,300 --> 00:25:50,390

of doubt it I don't really don't think

598

00:25:53,980 --> 00:25:52,310

they want us to know and I think that

599

00:26:02,530 --> 00:25:53,990

the kind of disclosure we're gonna get

600

00:26:03,850 --> 00:26:02,540

is cartoon type stuff well that's you

601
00:26:05,890 --> 00:26:03,860
know that's the way it's gonna have to

602
00:26:08,350 --> 00:26:05,900
be for just a while longer I think I

603
00:26:12,550 --> 00:26:08,360
think in by 2020 things are gonna start

604
00:26:14,470 --> 00:26:12,560
really shaking I hope you know they said

605
00:26:17,200 --> 00:26:14,480
2020 and beyond would be very different

606
00:26:18,610 --> 00:26:17,210
than now because our country's an

607
00:26:20,230 --> 00:26:18,620
upheaval there's a lot of other things

608
00:26:24,340 --> 00:26:20,240
that are going on that are taking at

609
00:26:26,020 --> 00:26:24,350
people's you know time and once we get

610
00:26:28,150 --> 00:26:26,030
that all straightened out I think things

611
00:26:28,330 --> 00:26:28,160
are be very very different so there we

612
00:26:30,760 --> 00:26:28,340
go

613
00:26:32,920 --> 00:26:30,770

well happy Holidays to you and thank you

614

00:26:35,980 --> 00:26:32,930

so much for being on the show tonight oh

615

00:26:37,960 --> 00:26:35,990

thank you and right back at you

616

00:26:40,270 --> 00:26:37,970

yeah and we'll have you on for a full

617

00:26:42,430 --> 00:26:40,280

show here in a few months and it'll be

618

00:26:43,930 --> 00:26:42,440

wonderful great thanks everybody keep

619

00:26:46,240 --> 00:26:43,940

sticking around we're having a great

620

00:26:50,010 --> 00:26:46,250

holiday special here tonight on irn

621

00:26:56,290 --> 00:26:53,410

welcome back to the California MUFON

622

00:26:59,470 --> 00:26:56,300

radio show holiday special folks hey

623

00:27:01,330 --> 00:26:59,480

I've got I got one of my best friends

624

00:27:03,669 --> 00:27:01,340

here with us on the show tonight hey I

625

00:27:05,049 --> 00:27:03,679

think I have a lot of my best friends

626

00:27:07,630 --> 00:27:05,059

here on the show tonight but I'm really

627

00:27:10,540 --> 00:27:07,640

excited to bring Tron on with us mr.

628

00:27:11,350 --> 00:27:10,550

blue trona strong to me I hope he is to

629

00:27:13,900 --> 00:27:11,360

you guys as well

630

00:27:15,340 --> 00:27:13,910

Tron how you doing hi everybody and

631

00:27:17,049 --> 00:27:15,350

Merry Christmas and Thank You Laurieann

632

00:27:17,830 --> 00:27:17,059

for having me on again and I'm doing

633

00:27:19,840 --> 00:27:17,840

great thank you

634

00:27:21,580 --> 00:27:19,850

oh yeah I'm really happy to have you I'm

635

00:27:22,870 --> 00:27:21,590

just I'm kind of flummoxed here because

636

00:27:25,419 --> 00:27:22,880

I'm trying to make sure we're recording

637

00:27:28,360 --> 00:27:25,429

but we are we are I don't record often

638

00:27:30,640 --> 00:27:28,370

and you know these holiday specials are

639

00:27:33,340 --> 00:27:30,650

always fun fun fun for us and we sit

640

00:27:35,650 --> 00:27:33,350

here we we battle the technology but

641

00:27:39,340 --> 00:27:35,660

that's just the way it goes right that's

642

00:27:42,880 --> 00:27:39,350

true yeah so anyhow what are you gonna

643

00:27:45,100 --> 00:27:42,890

do for Christmas this year well it's

644

00:27:48,460 --> 00:27:45,110

almost like deja vu but I got my ham

645

00:27:48,970 --> 00:27:48,470

license and I bought a radio that's

646

00:27:53,860 --> 00:27:48,980

broken

647

00:27:56,049 --> 00:27:53,870

a you know it's a transceiver it's a

648

00:27:59,740 --> 00:27:56,059

hunter watt ham band multi band

649

00:28:01,299 --> 00:27:59,750

transceiver and the guy misrepresented

650

00:28:02,590 --> 00:28:01,309

it to me he said he was he told me he's

651
00:28:03,970 --> 00:28:02,600
broken when I bought it there's a

652
00:28:08,470 --> 00:28:03,980
thousand dollar radio and they got it

653
00:28:12,040 --> 00:28:08,480
for \$250 on eBay and I when I opened it

654
00:28:14,020 --> 00:28:12,050
up I could see that one side of it had

655
00:28:15,549 --> 00:28:14,030
been sitting in well it has saltwater

656
00:28:17,440 --> 00:28:15,559
corrosion and I should have known better

657
00:28:22,150 --> 00:28:17,450
because I bought the radio from a guy in

658
00:28:25,360 --> 00:28:22,160
Florida and and they just went to like

659
00:28:28,480 --> 00:28:25,370
what 20 hurricanes down there in

660
00:28:29,830 --> 00:28:28,490
standing water so anyway that's what I'm

661
00:28:33,490 --> 00:28:29,840
doing for Christmas is I'm fixing my

662
00:28:34,990 --> 00:28:33,500
radio cool sounds like fun it is you

663
00:28:37,540 --> 00:28:35,000

know the whole ham thing I really

664

00:28:39,640 --> 00:28:37,550

intrigues me and you know art Bell

665

00:28:40,930 --> 00:28:39,650

started with ham radio didn't he yeah

666

00:28:44,590 --> 00:28:40,940

that's true that's true

667

00:28:46,390 --> 00:28:44,600

and a tape recorder and a tape recorder

668

00:28:48,620 --> 00:28:46,400

that's right and he used to tape the

669

00:28:50,720 --> 00:28:48,630

shows and then he'd reprise

670

00:28:53,270 --> 00:28:50,730

cast them Whitney yeah but he actually

671

00:28:56,510 --> 00:28:53,280

had people call his trailer and he

672

00:29:00,650 --> 00:28:56,520

record him and then he go into a they

673

00:29:03,140 --> 00:29:00,660

had these free one-hour time slots on

674

00:29:05,300 --> 00:29:03,150

the radio stations late night and then

675

00:29:08,060 --> 00:29:05,310

he'd go over as a volunteer and play the

676
00:29:12,740 --> 00:29:08,070
tapes back and it became so popular that

677
00:29:16,300 --> 00:29:12,750
Robert Bigelow the billionaire got wind

678
00:29:19,760 --> 00:29:16,310
of it and he started funding his show

679
00:29:22,070 --> 00:29:19,770
which then allowed him to the station's

680
00:29:24,290 --> 00:29:22,080
started getting advertisers and and

681
00:29:25,610 --> 00:29:24,300
basically Robert Bigelow funded the show

682
00:29:27,590 --> 00:29:25,620
so that would would became

683
00:29:30,680 --> 00:29:27,600
coast-to-coast and it got so much

684
00:29:35,180 --> 00:29:30,690
syndication and Bigelow was using the

685
00:29:36,740 --> 00:29:35,190
show to draw attention from all the UFO

686
00:29:38,900 --> 00:29:36,750
just out there everybody was having

687
00:29:40,700 --> 00:29:38,910
contact experiences would call in to the

688
00:29:42,980 --> 00:29:40,710

show to get a chance to talk on the show

689

00:29:44,570 --> 00:29:42,990

and Robert Bigelow got access to the

690

00:29:46,760 --> 00:29:44,580

information before anybody else did and

691

00:29:47,390 --> 00:29:46,770

he'd send his teams out to study those

692

00:29:54,200 --> 00:29:47,400

events

693

00:29:55,790 --> 00:29:54,210

oh yeah that's how it worked dreamland

694

00:29:59,360 --> 00:29:55,800

that's right green land and coast to

695

00:30:01,810 --> 00:29:59,370

coast and then all of a sudden art bill

696

00:30:05,030 --> 00:30:01,820

started having all these problems you

697

00:30:07,160 --> 00:30:05,040

know well his son was kidnapped and then

698

00:30:09,650 --> 00:30:07,170

there was I mean all kinds of weird

699

00:30:11,840 --> 00:30:09,660

stuff was going on and it was it's right

700

00:30:14,150 --> 00:30:11,850

around ends when art bell dropped out

701
00:30:16,160 --> 00:30:14,160
radio and the reason was because he was

702
00:30:20,480 --> 00:30:16,170
drawing too much attention to the right

703
00:30:22,880 --> 00:30:20,490
subjects in my opinion very interesting

704
00:30:25,640 --> 00:30:22,890
you know the speaking of drawing

705
00:30:27,320 --> 00:30:25,650
attention to the right subjects you told

706
00:30:29,360 --> 00:30:27,330
me I don't know if we can talk about it

707
00:30:36,740 --> 00:30:29,370
on radio but you said you've had a men

708
00:30:38,420 --> 00:30:36,750
in black experience in your life well in

709
00:30:41,900 --> 00:30:38,430
order to talk about it I have to do a

710
00:30:44,680 --> 00:30:41,910
whole lot of background yakking it's not

711
00:30:50,480 --> 00:30:44,690
oh absolutely

712
00:30:51,920 --> 00:30:50,490
what a men in black is well I tell you

713
00:30:53,930 --> 00:30:51,930

you don't want to see them first of all

714

00:30:57,830 --> 00:30:53,940

every time they show up there's some bad

715

00:30:59,840 --> 00:30:57,840

going on I mean it's bad oh my god now

716

00:31:01,590 --> 00:30:59,850

are the human are they I don't know I

717

00:31:03,660 --> 00:31:01,600

think they're alien

718

00:31:05,400 --> 00:31:03,670

really you really you know you're the

719

00:31:08,100 --> 00:31:05,410

about the tenth person that's told me

720

00:31:09,690 --> 00:31:08,110

that everybody I have assets had an

721

00:31:10,890 --> 00:31:09,700

encounter said God that couldn't have

722

00:31:14,610 --> 00:31:10,900

been a human because they were just too

723

00:31:16,650 --> 00:31:14,620

bizarre you know they they every time

724

00:31:18,960 --> 00:31:16,660

there's a men and black event happens

725

00:31:26,640 --> 00:31:18,970

there's always something involving some

726

00:31:28,950 --> 00:31:26,650

kind of a weird sexual aspect maybe it's

727

00:31:31,110 --> 00:31:28,960

because they're embarrassed yeah yeah

728

00:31:34,440 --> 00:31:31,120

you know I was embarrassed about one of

729

00:31:36,180 --> 00:31:34,450

my encounters if it wasn't encounter it

730

00:31:40,860 --> 00:31:36,190

had to because no one tells you to keep

731

00:31:46,800 --> 00:31:40,870

their eyes shut for an excuse to be

732

00:31:48,000 --> 00:31:46,810

Jesus out of you're right I said you

733

00:31:58,860 --> 00:31:48,010

don't to know about what's going to

734

00:32:00,270 --> 00:31:58,870

happen you see it oh my god that was one

735

00:32:05,100 --> 00:32:00,280

of the most painful things I think I've

736

00:32:06,930 --> 00:32:05,110

ever had done to me my existence oh yeah

737

00:32:09,690 --> 00:32:06,940

you can hurt me astral when we go out to

738

00:32:12,270 --> 00:32:09,700

eat we never agree on where to go what

739

00:32:13,950 --> 00:32:12,280

burgers heats up tacos it is the one

740

00:32:16,110 --> 00:32:13,960

thing we do agree on is we all want

741

00:32:17,700 --> 00:32:16,120

unlimited high-speed data that's why we

742

00:32:19,800 --> 00:32:17,710

switch to metro pcs

743

00:32:21,990 --> 00:32:19,810

stop by metro pcs with the whole family

744

00:32:24,540 --> 00:32:22,000

and get four lines with unlimited LTE

745

00:32:26,460 --> 00:32:24,550

data for just \$100 period metro pcs

746

00:32:27,600 --> 00:32:26,470

Wireless figured out covers not

747

00:32:28,800 --> 00:32:27,610

available in some areas offers for our

748

00:32:30,030 --> 00:32:28,810

poor in a number not currently active on

749

00:32:31,050 --> 00:32:30,040

t-mobile network during congestion the

750

00:32:32,220 --> 00:32:31,060

fraction of customers used more than

751

00:32:34,050 --> 00:32:32,230

thirty five gigs per month may notice

752

00:32:35,310 --> 00:32:34,060

reduce beats video streams DUP 240p no

753

00:32:38,910 --> 00:32:35,320

tethering C store for details in terms

754

00:32:40,740 --> 00:32:38,920

and conditions claim do you no matter

755

00:32:42,240 --> 00:32:40,750

where they stick it in your office if

756

00:32:51,930 --> 00:32:42,250

you're in the weather your natural

757

00:32:53,790 --> 00:32:51,940

player otherwise it hurts my conference

758

00:32:54,660 --> 00:32:53,800

and he told me the other day he goes you

759

00:32:56,910 --> 00:32:54,670

know I've been having all these

760

00:32:58,680 --> 00:32:56,920

encounters all this time and and I don't

761

00:33:00,600 --> 00:32:58,690

know if he wants me to tell what

762

00:33:03,000 --> 00:33:00,610

happened but basically they did some

763

00:33:08,000 --> 00:33:03,010

probing and he was like I always told

764

00:33:11,280 --> 00:33:08,010

them go pro P don't stick it in there

765

00:33:13,410 --> 00:33:11,290

finally did it he was so furious this is

766

00:33:14,270 --> 00:33:13,420

like oh my god he goes I can't believe

767

00:33:15,560 --> 00:33:14,280

they did it but

768

00:33:18,020 --> 00:33:15,570

if yeah I mean it's just it's

769

00:33:21,440 --> 00:33:18,030

interesting you know the men in black

770

00:33:23,600 --> 00:33:21,450

are supposedly now this is what dan

771

00:33:25,400 --> 00:33:23,610

burisch has said at one point I don't

772

00:33:28,040 --> 00:33:25,410

know if you you believe in anything that

773

00:33:30,260 --> 00:33:28,050

dan burisch has to say but he at one

774

00:33:32,510 --> 00:33:30,270

point said these weird men in black a

775

00:33:37,940 --> 00:33:32,520

lot of them are aliens that have come

776

00:33:40,610 --> 00:33:37,950

down and inhabited dead or very sick

777

00:33:43,250 --> 00:33:40,620

people that are that they're animating

778

00:33:45,890 --> 00:33:43,260

their bodies do you think he was onto

779

00:33:49,490 --> 00:33:45,900

something I mean I don't have a thing

780

00:33:52,550 --> 00:33:49,500

I've ever heard in my life I believe I

781

00:33:54,260 --> 00:33:52,560

don't you can do you can do certain

782

00:33:57,670 --> 00:33:54,270

things with physics and I don't think

783

00:34:01,400 --> 00:33:57,680

bringing back dead people is one of them

784

00:34:03,920 --> 00:34:01,410

the problem the problem is is if you

785

00:34:07,310 --> 00:34:03,930

have enough science that you can cause

786

00:34:12,919 --> 00:34:07,320

flesh to come back and be animated why

787

00:34:15,230 --> 00:34:12,929

not just make it from scratch well why

788

00:34:17,330 --> 00:34:15,240

would they make it look like a dead well

789

00:34:19,010 --> 00:34:17,340

that's true that's true why would you do

790

00:34:21,770 --> 00:34:19,020

that why would you have to control a

791

00:34:23,360 --> 00:34:21,780

body that's yeah yeah well I mean if you

792

00:34:24,950 --> 00:34:23,370

got enough science I mean what happens

793

00:34:27,409 --> 00:34:24,960

to but what happens to flesh when it

794

00:34:29,869 --> 00:34:27,419

dies I mean what happens to a body body

795

00:34:32,659 --> 00:34:29,879

when it dies the nutrients the the

796

00:34:37,460 --> 00:34:32,669

nutrients okay your your bloodstream is

797

00:34:40,129 --> 00:34:37,470

the nutrient and the waste canal it's a

798

00:34:43,850 --> 00:34:40,139

pipe right and it brings oxygen and

799

00:34:47,030 --> 00:34:43,860

basically sugar sucrose you know and say

800

00:34:50,389 --> 00:34:47,040

the sugar it's it brings that to the to

801
00:34:54,050 --> 00:34:50,399
the plant to the to the cells most this

802
00:34:56,030 --> 00:34:54,060
takes place the it feeds in aspirates to

803
00:34:59,870 --> 00:34:56,040
cell right through the walls to osmosis

804
00:35:01,220 --> 00:34:59,880
and the cells do their action and they

805
00:35:02,810 --> 00:35:01,230
move around and fornicate and whatever

806
00:35:06,110 --> 00:35:02,820
else the little cells do in there and

807
00:35:08,900 --> 00:35:06,120
then the output the output their waste

808
00:35:10,880 --> 00:35:08,910
products back into the bloodstream okay

809
00:35:14,000 --> 00:35:10,890
and then the liver takes all that takes

810
00:35:16,640 --> 00:35:14,010
all that waste out and the bladder you

811
00:35:19,430 --> 00:35:16,650
know in the kidneys separate the fluids

812
00:35:22,220 --> 00:35:19,440
the toxic fluids so you got you got you

813
00:35:24,320 --> 00:35:22,230

got you know your your urine is carrying

814

00:35:27,680 --> 00:35:24,330

out the toxins out of your bloodstream

815

00:35:28,200 --> 00:35:27,690

right and the waste the hard waste comes

816

00:35:31,980 --> 00:35:28,210

out

817

00:35:34,349 --> 00:35:31,990

top of your stomach and go down to the

818

00:35:36,599 --> 00:35:34,359

intestines and that's really where your

819

00:35:39,240 --> 00:35:36,609

body eats is not in your stomach but

820

00:35:41,609 --> 00:35:39,250

it's in your intestines the top part is

821

00:35:44,190 --> 00:35:41,619

the literally which are these little

822

00:35:46,380 --> 00:35:44,200

hairy things there's reach into the into

823

00:35:48,420 --> 00:35:46,390

the food canal and it's pulling out the

824

00:35:51,000 --> 00:35:48,430

food and and it's putting poop in is

825

00:35:53,670 --> 00:35:51,010

putting the the stuff it doesn't eat

826
00:35:55,650 --> 00:35:53,680
falls down through through gravity down

827
00:35:57,780 --> 00:35:55,660
in the lower portion becomes the it's a

828
00:36:01,349 --> 00:35:57,790
poopoo tract right the elementary travel

829
00:36:03,960 --> 00:36:01,359
and it comes out as waste okay so so

830
00:36:06,630 --> 00:36:03,970
long as these things are working your

831
00:36:08,460 --> 00:36:06,640
body your flesh and your cells are

832
00:36:12,030 --> 00:36:08,470
supple and they got water and they got

833
00:36:15,990 --> 00:36:12,040
fluid and they they're alive when it

834
00:36:18,980 --> 00:36:16,000
dies okay when it dies all that stops

835
00:36:21,299 --> 00:36:18,990
happening all the waste matter starts

836
00:36:22,530 --> 00:36:21,309
staying in the cells and then it starts

837
00:36:23,819 --> 00:36:22,540
rotting just like you know food in the

838
00:36:25,500 --> 00:36:23,829

refrigerator you know it starts rotting

839

00:36:27,599 --> 00:36:25,510

and before you know it starts breaking

840

00:36:30,240 --> 00:36:27,609

down and that's what makes my stink so

841

00:36:31,920 --> 00:36:30,250

bad and they do they stink they stink

842

00:36:34,319 --> 00:36:31,930

like is this a special kind of a smell

843

00:36:36,809 --> 00:36:34,329

dead bodies human dead bodies are worse

844

00:36:40,890 --> 00:36:36,819

than animal dead bodies but they're in

845

00:36:42,720 --> 00:36:40,900

the same category of stink okay to keep

846

00:36:45,599 --> 00:36:42,730

the body from stinking and completely

847

00:36:47,640 --> 00:36:45,609

rotting morticians come in and stick a

848

00:36:51,510 --> 00:36:47,650

couple little hoses into your veins and

849

00:36:54,329 --> 00:36:51,520

they pump formaldehyde they flush out

850

00:36:55,760 --> 00:36:54,339

the blood the stagnant blood they

851

00:36:58,620 --> 00:36:55,770

flushed that out through all the pipes

852

00:37:01,049 --> 00:36:58,630

the veins and arteries and they've they

853

00:37:03,299 --> 00:37:01,059

drain the blood out and replace it with

854

00:37:07,410 --> 00:37:03,309

formaldehyde basically they're turning

855

00:37:10,170 --> 00:37:07,420

you into leather okay they bury you in

856

00:37:12,780 --> 00:37:10,180

the ground and you look like a person

857

00:37:16,079 --> 00:37:12,790

you know that you used to know until you

858

00:37:17,390 --> 00:37:16,089

touch one you ever touch a dead guy man

859

00:37:21,380 --> 00:37:17,400

they feel like they feel like cardboard

860

00:37:24,299 --> 00:37:21,390

if we're interesting they're almost yeah

861

00:37:27,299 --> 00:37:24,309

weird feeling you want to get a feeling

862

00:37:28,710 --> 00:37:27,309

of what it feels like take a person that

863

00:37:30,900 --> 00:37:28,720

you know is some person you know and

864

00:37:32,490 --> 00:37:30,910

have them touch your hand to their hand

865

00:37:35,039 --> 00:37:32,500

you know some thumb finger to finger

866

00:37:37,470 --> 00:37:35,049

like that and then take it take your

867

00:37:39,900 --> 00:37:37,480

other hand and run it up and down the

868

00:37:42,000 --> 00:37:39,910

finger so that what your thumb touches

869

00:37:44,100 --> 00:37:42,010

your friends finger and

870

00:37:46,920 --> 00:37:44,110

your and your other fingers touch the

871

00:37:48,600 --> 00:37:46,930

other side of your own and it feels like

872

00:37:50,700 --> 00:37:48,610

that you can see that you're feeling

873

00:37:53,280 --> 00:37:50,710

something that you recognize as being

874

00:37:55,470 --> 00:37:53,290

human but it has a cardboard kind of a

875

00:37:56,820 --> 00:37:55,480

feeling to it it's like ooh that's a

876

00:37:58,890 --> 00:37:56,830

distant kind of well how can you be

877

00:38:01,110 --> 00:37:58,900

distant yet near at the same time it's

878

00:38:03,210 --> 00:38:01,120

it's that kind of a weird it's a high

879

00:38:05,160 --> 00:38:03,220

strangest feeling anyway so you got

880

00:38:07,530 --> 00:38:05,170

basically a piece of cardboard there or

881

00:38:09,990 --> 00:38:07,540

a piece of leather with eyeballs in it

882

00:38:12,720 --> 00:38:10,000

actually they take the eyes out because

883

00:38:15,570 --> 00:38:12,730

they just they take out the brains they

884

00:38:17,730 --> 00:38:15,580

take out the heart below okay so you got

885

00:38:20,540 --> 00:38:17,740

a show sitting there okay why would I

886

00:38:23,520 --> 00:38:20,550

buy why would an alien come along and

887

00:38:25,440 --> 00:38:23,530

reanimate a piece of leather to look

888

00:38:27,810 --> 00:38:25,450

like a person and they got the

889

00:38:30,330 --> 00:38:27,820

technology to do that why not just make

890

00:38:32,460 --> 00:38:30,340

the person from scratch I know I know

891

00:38:34,110 --> 00:38:32,470

but maybe there is something I don't

892

00:38:37,170 --> 00:38:34,120

know like I said do you want to believe

893

00:38:40,230 --> 00:38:37,180

Danvers I don't know you know the thing

894

00:38:42,630 --> 00:38:40,240

is though if the if the brains are still

895

00:38:44,490 --> 00:38:42,640

intact and it's a freshly dead body not

896

00:38:46,020 --> 00:38:44,500

no brains are not attacked that's the

897

00:38:48,390 --> 00:38:46,030

first thing to die on a human being in

898

00:38:51,720 --> 00:38:48,400

fact that's why you do die people die

899

00:38:54,390 --> 00:38:51,730

because the brain dies every that's when

900

00:38:55,530 --> 00:38:54,400

you bleed out it isn't because the heart

901
00:38:56,670 --> 00:38:55,540
and lungs aren't getting blood is

902
00:38:59,190 --> 00:38:56,680
because the brain doesn't have any

903
00:39:01,320 --> 00:38:59,200
nutrition when your brain dies is when

904
00:39:03,810 --> 00:39:01,330
the body dies just that simple that's

905
00:39:04,950 --> 00:39:03,820
everybody dies the same way unless you

906
00:39:08,390 --> 00:39:04,960
get shot in head and all their brains

907
00:39:10,980 --> 00:39:08,400
get splattered out but if like Kennedy

908
00:39:13,110 --> 00:39:10,990
but everybody sparkles out that's how

909
00:39:15,330 --> 00:39:13,120
you die you it's like having a foot go

910
00:39:16,860 --> 00:39:15,340
to sleep and you get those little

911
00:39:18,660 --> 00:39:16,870
sparkly feelings on your feet while

912
00:39:21,270 --> 00:39:18,670
instead it's in your vision field and

913
00:39:22,830 --> 00:39:21,280

you actually see it and you actually see

914

00:39:25,470 --> 00:39:22,840

the little sparkles and you Sparkle out

915

00:39:28,560 --> 00:39:25,480

how I know this is because I have a very

916

00:39:31,170 --> 00:39:28,570

bad case of arrhythmia and what happens

917

00:39:36,330 --> 00:39:31,180

is periodically I take medication for

918

00:39:38,610 --> 00:39:36,340

this by the way once and well my heart

919

00:39:41,490 --> 00:39:38,620

will stop beating long enough that I

920

00:39:44,580 --> 00:39:41,500

start to Sparkle and actually I see it

921

00:39:47,340 --> 00:39:44,590

as a kind of a numbness forms on my lips

922

00:39:48,570 --> 00:39:47,350

my tongue and my in my fingertips

923

00:39:51,030 --> 00:39:48,580

everything starts getting kind of a

924

00:39:54,660 --> 00:39:51,040

numbness a tingling sensation and then I

925

00:39:56,910 --> 00:39:54,670

actually see little sparkles and

926
00:40:01,310 --> 00:39:56,920
and then you pass that and then you pass

927
00:40:04,740 --> 00:40:01,320
out that is exactly how everybody dies

928
00:40:07,080 --> 00:40:04,750
okay it's not unpleasant it's scary

929
00:40:11,490 --> 00:40:07,090
because if you know it's coming you know

930
00:40:15,930 --> 00:40:11,500
[h__\h] I'm dying you know gonna happen

931
00:40:20,280 --> 00:40:15,940
next week to find Kabbalah teacher we're

932
00:40:25,800 --> 00:40:20,290
just as conscious in this life form as

933
00:40:29,430 --> 00:40:25,810
we are when we're asleep because it's

934
00:40:31,590 --> 00:40:29,440
yet zero it's yeah yes I was just gonna

935
00:40:34,260 --> 00:40:31,600
say that's taking you straight into the

936
00:40:37,260 --> 00:40:34,270
next realm and just which is the astral

937
00:40:41,220 --> 00:40:37,270
plane and if you're a weakened astral

938
00:40:43,530 --> 00:40:41,230

plane when you die you lose your you

939

00:40:46,560 --> 00:40:43,540

just remember your consciousness is not

940

00:40:48,390 --> 00:40:46,570

you it's not your brain the brain is a

941

00:40:53,760 --> 00:40:48,400

computer it's a fabric that allows

942

00:40:55,140 --> 00:40:53,770

consciousness to express itself okay if

943

00:40:56,220 --> 00:40:55,150

you've got a computer that's smart if

944

00:40:58,950 --> 00:40:56,230

you've got a computer with enough

945

00:41:01,580 --> 00:40:58,960

switches enough diodes enough switches

946

00:41:04,350 --> 00:41:01,590

eventually it'll become conscious

947

00:41:06,300 --> 00:41:04,360

because God's consciousness is

948

00:41:09,540 --> 00:41:06,310

everywhere and we get our consciousness

949

00:41:12,690 --> 00:41:09,550

from God God is the source of everything

950

00:41:14,550 --> 00:41:12,700

that's alive is the source it's just the

951
00:41:16,940 --> 00:41:14,560
source and if you have the right

952
00:41:19,710 --> 00:41:16,950
conditions and right fabrics

953
00:41:22,950 --> 00:41:19,720
consciousness will will take hold and

954
00:41:24,600 --> 00:41:22,960
exhibit itself in that place so if

955
00:41:27,000 --> 00:41:24,610
you've got a world that's got enough

956
00:41:28,950 --> 00:41:27,010
silicon laying around on the beaches and

957
00:41:31,050 --> 00:41:28,960
you have enough water in the right

958
00:41:33,240 --> 00:41:31,060
combinations enough germanium and

959
00:41:35,070 --> 00:41:33,250
geranium and put in in the in the

960
00:41:40,530 --> 00:41:35,080
impurities where you can literally have

961
00:41:41,280 --> 00:41:40,540
a beach full of rusting silicon and with

962
00:41:43,290 --> 00:41:41,290
a flashlight

963
00:41:47,370 --> 00:41:43,300

you could actually have consciousness

964

00:41:50,630 --> 00:41:47,380

form in crystals on a beach and it could

965

00:41:52,800 --> 00:41:50,640

literally become a silicon-based

966

00:41:55,440 --> 00:41:52,810

intelligence switching based

967

00:41:57,600 --> 00:41:55,450

intelligence that evolved entirely on

968

00:42:00,060 --> 00:41:57,610

its own and be and totally alien

969

00:42:03,210 --> 00:42:00,070

consciousness that could continue to

970

00:42:04,680 --> 00:42:03,220

evolve until it became mobile and the

971

00:42:06,360 --> 00:42:04,690

only reason why we became mobile is

972

00:42:08,460 --> 00:42:06,370

because we could get better food sources

973

00:42:12,180 --> 00:42:08,470

according to what everybody says

974

00:42:13,589 --> 00:42:12,190

about evolution we evolved wait wait

975

00:42:17,160 --> 00:42:13,599

wait do you believe that because I

976

00:42:19,920 --> 00:42:17,170

thought absolutely the mind that the

977

00:42:23,160 --> 00:42:19,930

aliens messed with us oh yeah sure

978

00:42:26,820 --> 00:42:23,170

absolutely binky told me that he made

979

00:42:31,800 --> 00:42:26,830

humans in the Garden of Eden and he's

980

00:42:33,330 --> 00:42:31,810

still alive he's a dragon yeah yeah well

981

00:42:34,800 --> 00:42:33,340

and you're not the only one that says

982

00:42:37,920 --> 00:42:34,810

that by the way I've got three other

983

00:42:40,140 --> 00:42:37,930

guests that absolutely have met him and

984

00:42:43,190 --> 00:42:40,150

say he's exactly what you say he is

985

00:42:46,410 --> 00:42:43,200

that's just telling what he told me and

986

00:42:49,859 --> 00:42:46,420

it was before I knew a thing anything

987

00:42:52,560 --> 00:42:49,869

about his astrology or tarot cards he

988

00:42:55,050 --> 00:42:52,570

told me he programmed into human into

989

00:42:56,550 --> 00:42:55,060

early humans he said when he said first

990

00:43:01,530 --> 00:42:56,560

of all he said that he belonged to a

991

00:43:02,910 --> 00:43:01,540

secret order on another Sirius B he says

992

00:43:04,890 --> 00:43:02,920

that's the place where the good dragons

993

00:43:06,420 --> 00:43:04,900

come from is they come from Sirius B the

994

00:43:08,730 --> 00:43:06,430

good reptilians there's good and bad

995

00:43:10,890 --> 00:43:08,740

reptilians just for like students and

996

00:43:11,550 --> 00:43:10,900

Americans or or maybe Americans and

997

00:43:14,900 --> 00:43:11,560

Israelis

998

00:43:20,520 --> 00:43:14,910

there's the good in the bad okay and and

999

00:43:22,230 --> 00:43:20,530

so or bad Americans too there's bad and

1000

00:43:26,839 --> 00:43:22,240

everything but you know there's there

1001
00:43:30,750 --> 00:43:26,849
there's a tendency to have specific

1002
00:43:32,520 --> 00:43:30,760
predispositions in races and it may not

1003
00:43:34,829 --> 00:43:32,530
necessarily be bad it just may be so

1004
00:43:40,650 --> 00:43:34,839
different that they don't get along okay

1005
00:43:44,010 --> 00:43:40,660
and that's what makes them bad yeah

1006
00:43:48,870 --> 00:43:44,020
usually it's religion date you betcha

1007
00:43:51,420 --> 00:43:48,880
anyway so the good guy reptilians come

1008
00:43:54,020 --> 00:43:51,430
from or Dragons come from Sirius B and

1009
00:43:57,839 --> 00:43:54,030
he is a member of a secret organization

1010
00:44:01,650 --> 00:43:57,849
secret spiritual group in Sirius B and

1011
00:44:03,630 --> 00:44:01,660
wherever they go and create colonies and

1012
00:44:05,130 --> 00:44:03,640
then they do it all the time they fly

1013
00:44:06,660 --> 00:44:05,140

around a spacecraft and they're always

1014

00:44:09,000 --> 00:44:06,670

looking for resources for their

1015

00:44:12,000 --> 00:44:09,010

homeworld or for their interests and

1016

00:44:14,160 --> 00:44:12,010

they when they find a place they instead

1017

00:44:15,690 --> 00:44:14,170

of then themselves working the mines and

1018

00:44:17,700 --> 00:44:15,700

all this stuff they take the most

1019

00:44:20,790 --> 00:44:17,710

intelligent life form on the planet and

1020

00:44:22,289 --> 00:44:20,800

they cross their DNA the reptilian DNA

1021

00:44:25,669 --> 00:44:22,299

with those with those

1022

00:44:29,640 --> 00:44:25,679

my forms and they create a literally a

1023

00:44:32,069 --> 00:44:29,650

subspecies of reptilians that are become

1024

00:44:35,069 --> 00:44:32,079

literally slaves for them and they work

1025

00:44:36,809 --> 00:44:35,079

the mines they work they do the labor

1026

00:44:38,849 --> 00:44:36,819

and that's what they did to us

1027

00:44:41,219 --> 00:44:38,859

only the difference is in most of the

1028

00:44:43,949 --> 00:44:41,229

worlds of the universe of the galaxy its

1029

00:44:46,019 --> 00:44:43,959

reptilian life that forms but because we

1030

00:44:48,559 --> 00:44:46,029

had an asteroid that hit earth 73

1031

00:44:50,370 --> 00:44:48,569

million years ago it wiped out the

1032

00:44:52,199 --> 00:44:50,380

reptilian life-form

1033

00:44:56,039 --> 00:44:52,209

the food chain that the reptilian food

1034

00:44:59,279 --> 00:44:56,049

chain the the most intelligent lifeform

1035

00:45:01,380 --> 00:44:59,289

on the planet were mammals and not

1036

00:45:03,120 --> 00:45:01,390

reptilians so they had this big problem

1037

00:45:05,279 --> 00:45:03,130

and this by the way is supported in

1038

00:45:09,959 --> 00:45:05,289

Sanskrit in the Upanishads of the Rig

1039

00:45:11,609 --> 00:45:09,969

Veda and and it said basically said that

1040

00:45:14,999 --> 00:45:11,619

they had all this trouble trying to make

1041

00:45:18,209 --> 00:45:15,009

an enhancer I forget her name

1042

00:45:20,640 --> 00:45:18,219

inky's sister had trouble trying to make

1043

00:45:23,669 --> 00:45:20,650

humans and kept failing and he came

1044

00:45:25,819 --> 00:45:23,679

along and he crossed the DNA he showed

1045

00:45:29,039 --> 00:45:25,829

me the process I actually saw him do it

1046

00:45:31,650 --> 00:45:29,049

it was like watching a movie I watched

1047

00:45:33,599 --> 00:45:31,660

Tim literally take a needle and stick it

1048

00:45:35,489 --> 00:45:33,609

into the butt of a red-faced baboon I

1049

00:45:37,650 --> 00:45:35,499

could see the animal very clear he

1050

00:45:39,599 --> 00:45:37,660

pulled out blood you know what something

1051
00:45:43,439 --> 00:45:39,609
looked just like a syringe and he

1052
00:45:45,809 --> 00:45:43,449
unwrapped the RNA by 12% the ribo

1053
00:45:47,279 --> 00:45:45,819
nucleic acid and then he went over to

1054
00:45:50,359 --> 00:45:47,289
something to look like a centrifuge with

1055
00:45:53,669 --> 00:45:50,369
a whole bunch of test tubes selected one

1056
00:45:55,679 --> 00:45:53,679
put the two syringes put the tube test

1057
00:45:57,989 --> 00:45:55,689
tubes into this machine punched some

1058
00:46:01,079 --> 00:45:57,999
buttons and a half-hour later he took

1059
00:46:02,789 --> 00:46:01,089
took the output bottle stuck the syringe

1060
00:46:06,150 --> 00:46:02,799
in it and squirted it into the butt of

1061
00:46:09,359 --> 00:46:06,160
the baboon and in 32 days it reverted

1062
00:46:13,019 --> 00:46:09,369
from being a quadruped ed to a biped it

1063
00:46:15,419 --> 00:46:13,029

was all the fur had fallen off of it it

1064

00:46:18,029 --> 00:46:15,429

had these little square reddish like

1065

00:46:20,039 --> 00:46:18,039

squares there tiles they look like tiles

1066

00:46:22,319 --> 00:46:20,049

but they're little little tiles not like

1067

00:46:24,599 --> 00:46:22,329

a like like something like looking at an

1068

00:46:26,729 --> 00:46:24,609

alligator only they're tiles are really

1069

00:46:29,120 --> 00:46:26,739

kind of coarse and rugged and big and

1070

00:46:31,259 --> 00:46:29,130

thick and chunky these are like little

1071

00:46:33,929 --> 00:46:31,269

like what you see on the bottom of a

1072

00:46:35,790 --> 00:46:33,939

snake on the smooth side snake and it

1073

00:46:38,880 --> 00:46:35,800

was shiny like that but the

1074

00:46:43,500 --> 00:46:38,890

skin was the the the Highbury was a

1075

00:46:45,060 --> 00:46:43,510

shiny almost bright red in color the

1076
00:46:46,920 --> 00:46:45,070
whole body was covered like that had

1077
00:46:48,420 --> 00:46:46,930
these little short almost looked like

1078
00:46:50,760 --> 00:46:48,430
horns on the top of the head but they're

1079
00:46:53,640 --> 00:46:50,770
like they're little bumps the eyes were

1080
00:46:56,400 --> 00:46:53,650
goats lit blood-red the eyes were

1081
00:47:00,630 --> 00:46:56,410
originally blood-red with they were they

1082
00:47:04,860 --> 00:47:00,640
were orange orange Acuras humor the slit

1083
00:47:07,950 --> 00:47:04,870
was was blood it was actually was blood

1084
00:47:11,010 --> 00:47:07,960
red activist humor with an orange race

1085
00:47:15,720 --> 00:47:11,020
orange vertical slit had three finger

1086
00:47:18,660 --> 00:47:15,730
thumb and it had a short tail and it

1087
00:47:26,310 --> 00:47:18,670
looked just like early drawings of well

1088
00:47:29,700 --> 00:47:26,320

the devil our ancestry they recalled her

1089

00:47:32,520 --> 00:47:29,710

Mane Koopas they were called her Mane

1090

00:47:35,160 --> 00:47:32,530

nubes then there's if you look on key

1091

00:47:37,470 --> 00:47:35,170

ten of the tarot deck you'll see one and

1092

00:47:39,510 --> 00:47:37,480

it's a drawing of a Herman nubes and

1093

00:47:41,970 --> 00:47:39,520

they they're they called it Herman nubes

1094

00:47:44,850 --> 00:47:41,980

in Egyptology it's called a human nubes

1095

00:47:46,830 --> 00:47:44,860

but it was a prototype human put that

1096

00:47:49,800 --> 00:47:46,840

was called a prototype human the

1097

00:47:51,930 --> 00:47:49,810

Egyptian Book of the Dead discussions

1098

00:47:54,630 --> 00:47:51,940

anyway that's what we were made as and

1099

00:47:57,450 --> 00:47:54,640

originally baboons just say see have

1100

00:47:59,340 --> 00:47:57,460

four fingers and a thumb and and the

1101

00:48:01,620 --> 00:47:59,350

Herman nubes had three fingers on thumb

1102

00:48:04,620 --> 00:48:01,630

if you look at the the the ring finger

1103

00:48:07,610 --> 00:48:04,630

and the inner finger I mean all of the

1104

00:48:10,830 --> 00:48:07,620

early drawings of the of the Tarot and

1105

00:48:15,390 --> 00:48:10,840

early human drawings from the from the

1106

00:48:17,610 --> 00:48:15,400

Hebrew traditions the two inner fingers

1107

00:48:20,970 --> 00:48:17,620

are drawn is a fat finger in the middle

1108

00:48:22,710 --> 00:48:20,980

and at some point what happens after

1109

00:48:25,050 --> 00:48:22,720

what they call the fall those two

1110

00:48:28,230 --> 00:48:25,060

fingers separated we slept off our

1111

00:48:30,030 --> 00:48:28,240

reptilian hide and where became what was

1112

00:48:33,990 --> 00:48:30,040

called in the Bible's being naked and

1113

00:48:36,900 --> 00:48:34,000

what was happened as we no longer molted

1114

00:48:38,730 --> 00:48:36,910

when we slept off just like snakes and

1115

00:48:40,320 --> 00:48:38,740

reptilians to regularly molt and they

1116

00:48:45,260 --> 00:48:40,330

get rid of their old hide because

1117

00:48:47,730 --> 00:48:45,270

they're called the the mammalian DNA

1118

00:48:49,230 --> 00:48:47,740

became more dominant

1119

00:48:52,080 --> 00:48:49,240

and we went through what they call the

1120

00:48:55,620 --> 00:48:52,090

fall and that was we no longer molted

1121

00:48:58,800 --> 00:48:55,630

and our reptilian hides slept off and we

1122

00:49:00,510 --> 00:48:58,810

are to enter fingers became separated we

1123

00:49:03,450 --> 00:49:00,520

had four fingers and the thumb again

1124

00:49:06,000 --> 00:49:03,460

because that's your a million's ancestor

1125

00:49:09,450 --> 00:49:06,010

had it whereas the reptilians have three

1126

00:49:11,400 --> 00:49:09,460

fingers on the thumb and we became

1127

00:49:15,630 --> 00:49:11,410

bipedal and we were always by pail but

1128

00:49:17,550 --> 00:49:15,640

we we became list reptilian like in our

1129

00:49:19,680 --> 00:49:17,560

behaviors and became more and more men

1130

00:49:23,940 --> 00:49:19,690

million and somewhere around that time

1131

00:49:27,000 --> 00:49:23,950

period is when the is when the Dragons

1132

00:49:29,850 --> 00:49:27,010

went someplace they they're they're

1133

00:49:33,330 --> 00:49:29,860

still around but as best as I can tell

1134

00:49:37,140 --> 00:49:33,340

they using technology they they went up

1135

00:49:39,510 --> 00:49:37,150

into another dimension it's not Zura is

1136

00:49:42,480 --> 00:49:39,520

if it's in the exerts a higher dimension

1137

00:49:45,630 --> 00:49:42,490

form of yet zero because it's not you

1138

00:49:47,820 --> 00:49:45,640

know why does all the UFO contact these

1139

00:49:50,910 --> 00:49:47,830

that I've talked to that understand that

1140

00:49:53,190 --> 00:49:50,920

the dimensional time-space with the they

1141

00:49:55,590 --> 00:49:53,200

created a construct around this planet

1142

00:49:57,240 --> 00:49:55,600

that's what they called the slots and

1143

00:49:59,040 --> 00:49:57,250

this is what I heard from my guide that

1144

00:50:01,770 --> 00:49:59,050

supposedly was helping Nixon with the

1145

00:50:03,810 --> 00:50:01,780

UFO problem he says Laurie you don't

1146

00:50:05,609 --> 00:50:03,820

understand they created a whole nother

1147

00:50:07,920 --> 00:50:05,619

dimensional time-space around this

1148

00:50:10,140 --> 00:50:07,930

planet or with next to the planet or I

1149

00:50:12,660 --> 00:50:10,150

don't know where it is and relationship

1150

00:50:16,590 --> 00:50:12,670

to us but it's where they take us it's

1151

00:50:18,420 --> 00:50:16,600

where they hide it's it's not it's not

1152

00:50:20,430 --> 00:50:18,430

anywhere near God I can tell you that

1153

00:50:24,359 --> 00:50:20,440

it's not near death it's a whole

1154

00:50:28,470 --> 00:50:24,369

construct and he's got nothing dying or

1155

00:50:31,740 --> 00:50:28,480

death it's just it's another place exact

1156

00:50:34,200 --> 00:50:31,750

but it's related to us it is where they

1157

00:50:36,780 --> 00:50:34,210

it's like them being in our upper

1158

00:50:38,220 --> 00:50:36,790

atmosphere at all times right right yeah

1159

00:50:40,980 --> 00:50:38,230

yeah exactly

1160

00:50:42,930 --> 00:50:40,990

which I'm when I did that I did that one

1161

00:50:45,900 --> 00:50:42,940

lecture at your conference right

1162

00:50:48,270 --> 00:50:45,910

showed the craft of plowing the fields

1163

00:50:52,140 --> 00:50:48,280

that's exactly what I was talking about

1164

00:50:54,480 --> 00:50:52,150

yep yep that's exactly it and what it is

1165

00:50:56,160 --> 00:50:54,490

they can hide there and we can drive

1166

00:50:58,050 --> 00:50:56,170

right through with a spacecraft that's

1167

00:50:59,880 --> 00:50:58,060

right that's right that's right because

1168

00:51:01,050 --> 00:50:59,890

they're in a different dimension yeah

1169

00:51:01,450 --> 00:51:01,060

exactly

1170

00:51:03,099 --> 00:51:01,460

then

1171

00:51:06,490 --> 00:51:03,109

just as physical in their dimensions we

1172

00:51:10,020 --> 00:51:06,500

are in ours only they they the way Anna

1173

00:51:13,599 --> 00:51:10,030

Hayes in her book Voyager described it

1174

00:51:15,970 --> 00:51:13,609

she said that that that there is that

1175

00:51:19,120 --> 00:51:15,980

there are three prakriti's per per

1176
00:51:22,089 --> 00:51:19,130
dimension and by changing the phase

1177
00:51:25,329 --> 00:51:22,099
relationship of those prakriti's she

1178
00:51:27,550 --> 00:51:25,339
they are able to to move between our

1179
00:51:29,140 --> 00:51:27,560
dimensions they can pass directly

1180
00:51:31,780 --> 00:51:29,150
through our walls like when they want to

1181
00:51:33,880 --> 00:51:31,790
abduct us and pull south they just pass

1182
00:51:35,620 --> 00:51:33,890
a beam down change the change the phase

1183
00:51:38,370 --> 00:51:35,630
relationships of the spins of the

1184
00:51:41,020 --> 00:51:38,380
electrons and it's in our bar dimension

1185
00:51:42,160 --> 00:51:41,030
the phase coherence and they just reach

1186
00:51:43,839 --> 00:51:42,170
down and grab somebody and they just

1187
00:51:46,329 --> 00:51:43,849
pull them and they change their their

1188
00:51:48,490 --> 00:51:46,339

relate they they bring them they bring

1189

00:51:50,349 --> 00:51:48,500

their coherence their phase

1190

00:51:52,599 --> 00:51:50,359

relationships into their dimensional

1191

00:51:54,339 --> 00:51:52,609

construct and then they just post right

1192

00:51:58,180 --> 00:51:54,349

up on through throw the ceilings of our

1193

00:52:00,280 --> 00:51:58,190

houses and and you know everyone always

1194

00:52:02,589 --> 00:52:00,290

magic and so it can't be true in the

1195

00:52:04,329 --> 00:52:02,599

sign oh it's all [h__h] you know and

1196

00:52:06,700 --> 00:52:04,339

what it is it's just advanced science

1197

00:52:09,040 --> 00:52:06,710

it's all it is it's not it's not magic

1198

00:52:13,750 --> 00:52:09,050

it's not no that's not voodoo

1199

00:52:15,220 --> 00:52:13,760

it's but it certainly is reptilian well

1200

00:52:17,260 --> 00:52:15,230

you're not going to believe this but our

1201
00:52:19,570 --> 00:52:17,270
time is almost over we got like 10

1202
00:52:21,820 --> 00:52:19,580
seconds left I can't every time I talk

1203
00:52:24,640 --> 00:52:21,830
to you for 25 minutes it goes by like in

1204
00:52:26,170 --> 00:52:24,650
a blink literally a blink of eye I have

1205
00:52:28,120 --> 00:52:26,180
this alien lorien I really enjoyed

1206
00:52:29,320 --> 00:52:28,130
chatting with you this time but I want

1207
00:52:31,750 --> 00:52:29,330
to tell you I want to say something

1208
00:52:33,970 --> 00:52:31,760
everything I just told you guys I

1209
00:52:39,880 --> 00:52:33,980
absolutely believe with all my heart oh

1210
00:52:41,550 --> 00:52:39,890
I do too I trust me you guys petronas is

1211
00:52:43,690 --> 00:52:41,560
the real deal and I've had enough

1212
00:52:45,720 --> 00:52:43,700
corroboration to know that everything

1213
00:52:49,120 --> 00:52:45,730

you said to us tonight on the show is

1214

00:52:50,829 --> 00:52:49,130

absolutely real real at least in the

1215

00:52:53,859 --> 00:52:50,839

sense that others have seen some are

1216

00:52:56,050 --> 00:52:53,869

things we still have to be skeptical a

1217

00:52:58,270 --> 00:52:56,060

little bit yeah you got you know you got

1218

00:53:00,300 --> 00:52:58,280

to use your brain and stay you stay on

1219

00:53:03,400 --> 00:53:00,310

this planet in some way shape or form so

1220

00:53:05,109 --> 00:53:03,410

yeah okay sweetheart thank you so much

1221

00:53:07,329 --> 00:53:05,119

and Merry Christmas to you and yours

1222

00:53:09,700 --> 00:53:07,339

must be you because Christmas is already

1223

00:53:12,250 --> 00:53:09,710

past when this is airing I just want to

1224

00:53:14,020 --> 00:53:12,260

say I just want to say God bless each

1225

00:53:15,310 --> 00:53:14,030

and every one of you may you all have a

1226

00:53:18,700 --> 00:53:15,320

Merry Christ

1227

00:53:21,190 --> 00:53:18,710

mass and I wish you and your families to

1228

00:53:23,620 --> 00:53:21,200

be safe well and happy and let all

1229

00:53:25,600 --> 00:53:23,630

beings be free and please please please

1230

00:53:27,640 --> 00:53:25,610

pray for our misguided country and help

1231

00:53:28,060 --> 00:53:27,650

them get back into the light Merry

1232

00:53:31,300 --> 00:53:28,070

Christmas

1233

00:53:33,340 --> 00:53:31,310

Thank You Laurie have a great one okay

1234

00:53:37,810 --> 00:53:33,350

folks stick around somebody's coming up

1235

00:53:40,630 --> 00:53:37,820

next we'll be right back welcome back

1236

00:53:44,020 --> 00:53:40,640

everyone to the California MUFON radio

1237

00:53:46,990 --> 00:53:44,030

show holiday special my third guest this

1238

00:53:49,210 --> 00:53:47,000

evening is Melinda Leslie I'm so happy

1239

00:53:51,430 --> 00:53:49,220

that she's with me here today how are

1240

00:53:54,850 --> 00:53:51,440

you doing Melinda Harry's how's your

1241

00:53:57,580 --> 00:53:54,860

holidays going Oh doing so good they're

1242

00:54:02,080 --> 00:53:57,590

going great I'm I'm excited because I'm

1243

00:54:05,860 --> 00:54:02,090

actually about to travel to Denver to be

1244

00:54:07,570 --> 00:54:05,870

with my some of my family my sister and

1245

00:54:11,170 --> 00:54:07,580

brother-in-law and they're grown kids

1246

00:54:13,060 --> 00:54:11,180

they're all in their 30s and and it'll

1247

00:54:14,470 --> 00:54:13,070

be really exciting maybe they have one

1248

00:54:16,900 --> 00:54:14,480

in their 20s but the rest are in their

1249

00:54:18,820 --> 00:54:16,910

30s and so it'll be really exciting but

1250

00:54:20,860 --> 00:54:18,830

she and some of them now have kids and

1251
00:54:21,490 --> 00:54:20,870
yes so I'm really looking forward to

1252
00:54:24,670 --> 00:54:21,500
that

1253
00:54:27,520 --> 00:54:24,680
and and and it'll be great you know I

1254
00:54:30,040 --> 00:54:27,530
this year I lost a significant friend

1255
00:54:32,770 --> 00:54:30,050
that you knew as well actually actually

1256
00:54:35,470 --> 00:54:32,780
I've lost about four significant friends

1257
00:54:38,140 --> 00:54:35,480
this year and but mainly the one living

1258
00:54:39,970 --> 00:54:38,150
near me I didn't want to be all

1259
00:54:44,980 --> 00:54:39,980
depressed or anything so I'm really glad

1260
00:54:47,290 --> 00:54:44,990
that I'm going to be with family and and

1261
00:54:50,020 --> 00:54:47,300
have a really great you know fun

1262
00:54:52,060 --> 00:54:50,030
Christmas my brother-in-law Mike has

1263
00:54:54,400 --> 00:54:52,070

this giant family and they do all these

1264

00:54:56,500 --> 00:54:54,410

big events on Christmas Eve and

1265

00:54:59,770 --> 00:54:56,510

Christmas days so there's multiple

1266

00:55:02,950 --> 00:54:59,780

parties to attend and you know and and

1267

00:55:05,440 --> 00:55:02,960

so yeah so that's yeah it's it's really

1268

00:55:08,050 --> 00:55:05,450

fun it's really traditional and you know

1269

00:55:10,150 --> 00:55:08,060

it's it's it's awesome and it'll it'll

1270

00:55:11,980 --> 00:55:10,160

keep me enjoying the holidays and not it

1271

00:55:14,890 --> 00:55:11,990

not at risk of being depressed about

1272

00:55:17,020 --> 00:55:14,900

anything yeah yeah you know when you

1273

00:55:23,160 --> 00:55:17,030

lose people it's really tough and and

1274

00:55:28,490 --> 00:55:26,380

Scotty we can say that my friend Scotty

1275

00:55:30,230 --> 00:55:28,500

little star yeah

1276

00:55:32,090 --> 00:55:30,240

her just a little bit I met her a couple

1277

00:55:35,120 --> 00:55:32,100

of times we've gone out to dinner

1278

00:55:36,980 --> 00:55:35,130

together and things like that and we we

1279

00:55:40,070 --> 00:55:36,990

actually spent a conference together the

1280

00:55:46,790 --> 00:55:40,080

the farmers Nancy's with us and Scottie

1281

00:55:48,890 --> 00:55:46,800

you and I I'll never forget when we said

1282

00:55:52,340 --> 00:55:48,900

we should tell the audience what we've

1283

00:55:54,080 --> 00:55:52,350

been up to she's yeah go out with you to

1284

00:55:58,070 --> 00:55:54,090

Las Vegas and do a little bit of

1285

00:56:01,880 --> 00:55:58,080

gambling and yeah son I've become your

1286

00:56:04,820 --> 00:56:01,890

new gambling partner yeah what'd he do

1287

00:56:06,980 --> 00:56:04,830

with UFOs and aliens but you guys yeah

1288

00:56:09,200 --> 00:56:06,990

Christine I swear to God I was sitting

1289

00:56:11,750 --> 00:56:09,210

at the table and I could just feel

1290

00:56:16,070 --> 00:56:11,760

Scotty standing right there with us yes

1291

00:56:18,530 --> 00:56:16,080

what to do exactly happiness yeah yeah

1292

00:56:23,390 --> 00:56:18,540

no she was right there with us for sure

1293

00:56:26,720 --> 00:56:23,400

you know as a medium you know talking

1294

00:56:28,670 --> 00:56:26,730

dead people on and and I'm in quite a

1295

00:56:30,350 --> 00:56:28,680

bit of contact with her as well some of

1296

00:56:33,320 --> 00:56:30,360

the other people that have recently

1297

00:56:34,940 --> 00:56:33,330

passed and everything and and but now

1298

00:56:37,460 --> 00:56:34,950

they're you know and over the holidays

1299

00:56:40,280 --> 00:56:37,470

they're definitely with us and and so

1300

00:56:41,600 --> 00:56:40,290

yeah it was a it's really fun when we go

1301

00:56:46,810 --> 00:56:41,610

do that and I'm so glad you know she

1302

00:56:51,200 --> 00:56:46,820

took this online course play Baccarat

1303

00:56:52,940 --> 00:56:51,210

Rebecca runs prints and and she spent a

1304

00:56:54,590 --> 00:56:52,950

lot of money take this online course and

1305

00:56:56,660 --> 00:56:54,600

then taught me so she'd have someone to

1306

00:56:58,280 --> 00:56:56,670

go with and then when she passed I'm

1307

00:57:00,350 --> 00:56:58,290

like well I know how to do this I need

1308

00:57:02,690 --> 00:57:00,360

someone to go who can go gamble with me

1309

00:57:05,390 --> 00:57:02,700

you know and and I'm not a big gambler I

1310

00:57:08,150 --> 00:57:05,400

mean I never ever was my whole life I'm

1311

00:57:09,980 --> 00:57:08,160

not a slot play or anything but when she

1312

00:57:12,110 --> 00:57:09,990

taught me that to go play with her it's

1313

00:57:15,080 --> 00:57:12,120

really fun and you know what can I say

1314

00:57:32,330 --> 00:57:15,090

loriann we will just let everyone in on

1315

00:57:34,850 --> 00:57:32,340

the fact that we do really good you know

1316

00:57:38,780 --> 00:57:34,860

he paid thousands of dollars for of

1317

00:57:42,289 --> 00:57:38,790

course yeah and and it was to learn

1318

00:57:45,319 --> 00:57:42,299

these progressions that that they

1319

00:57:47,359 --> 00:57:45,329

spent millions of dollars in computer

1320

00:57:48,890 --> 00:57:47,369

time to come up with what were the

1321

00:57:50,630 --> 00:57:48,900

progressions that most likely ones

1322

00:57:52,069 --> 00:57:50,640

you're not you're it's totally legal

1323

00:57:54,259 --> 00:57:52,079

there's no you know you're not doing

1324

00:57:55,729 --> 00:57:54,269

anything cheating or whatever but it's

1325

00:57:57,890 --> 00:57:55,739

the progression that if you play them

1326

00:57:59,179 --> 00:57:57,900

consistently they win more often and

1327

00:58:03,640 --> 00:57:59,189

what can I say man

1328

00:58:07,489 --> 00:58:03,650

it works well and and it was something

1329

00:58:10,479 --> 00:58:07,499

paid for and developed by Kevin Trudeau

1330

00:58:17,120 --> 00:58:10,489

who you and I are such friends you know

1331

00:58:19,339 --> 00:58:17,130

Honda is currently type of program I was

1332

00:58:21,140 --> 00:58:19,349

like yeah I was like are you kidding I

1333

00:58:23,089 --> 00:58:21,150

love that man people don't know this

1334

00:58:25,459 --> 00:58:23,099

about me I followed him religiously I

1335

00:58:28,339 --> 00:58:25,469

listened to every radio show live during

1336

00:58:29,269 --> 00:58:28,349

the afternoon I was working and when he

1337

00:58:31,819 --> 00:58:29,279

got thrown in jail

1338

00:58:34,400 --> 00:58:31,829

I was absolutely I was depressed for a

1339

00:58:36,169 --> 00:58:34,410

month I swear it was yeah I felt like a

1340

00:58:37,370 --> 00:58:36,179

guy that was really out there I mean

1341

00:58:39,579 --> 00:58:37,380

yeah he is

1342

00:58:44,229 --> 00:58:39,589

you know he's another typical kind of

1343

00:58:46,969 --> 00:58:44,239

you know egomaniac there in the yeah

1344

00:58:49,219 --> 00:58:46,979

yeah yeah he had the right idea about

1345

00:58:51,049 --> 00:58:49,229

stuff he knew our government was after

1346

00:58:55,099 --> 00:58:51,059

us he knew what was going on great

1347

00:58:58,279 --> 00:58:55,109

conspiracy yes yeah yeah absolutely and

1348

00:59:01,099 --> 00:58:58,289

really good teaching people about the

1349

00:59:03,880 --> 00:59:01,109

law of attraction and and how to create

1350

00:59:06,140 --> 00:59:03,890

you the life of your dreams and and my

1351
00:59:08,209 --> 00:59:06,150
listening to information from him on

1352
00:59:11,829 --> 00:59:08,219
that changed my life in a really

1353
00:59:14,239 --> 00:59:11,839
positive way to now you know I have this

1354
00:59:16,339 --> 00:59:14,249
extremely successful business you know

1355
00:59:18,799 --> 00:59:16,349
and you know can I toot my own horn for

1356
00:59:21,469 --> 00:59:18,809
just a minute I got all excited today

1357
00:59:24,859 --> 00:59:21,479
something caused me I hadn't looked at

1358
00:59:27,489 --> 00:59:24,869
my reviews on TripAdvisor and Yelp for a

1359
00:59:29,809 --> 00:59:27,499
while for my UFO sighting tours and

1360
00:59:32,239 --> 00:59:29,819
probably most your listeners know this I

1361
00:59:35,239 --> 00:59:32,249
have UFO sighting tours in March I will

1362
00:59:38,870 --> 00:59:35,249
done it seven years I'm now at vote last

1363
00:59:40,370 --> 00:59:38,880

night was tour number 841 so you know

1364

00:59:43,400 --> 00:59:40,380

unfortunately I've had a little bit of

1365

00:59:44,839 --> 00:59:43,410

some weather stuff lately and between

1366

00:59:47,120 --> 00:59:44,849

Thanksgiving and Christmas does slow

1367

00:59:49,339 --> 00:59:47,130

down for me but tourism here in Sedona

1368

00:59:51,019 --> 00:59:49,349

and so you know but in that that

1369

00:59:56,160 --> 00:59:51,029

combined with some cloudy skies so you

1370

00:59:58,860 --> 00:59:56,170

know but I now I have completed 841

1371

01:00:01,800 --> 00:59:58,870

UFO tours only once did my clients feel

1372

01:00:03,240 --> 01:00:01,810

they didn't have a sighting so the 840

1373

01:00:05,580 --> 01:00:03,250

tours my clients always thought they had

1374

01:00:06,930 --> 01:00:05,590

sightings I had a client recently say oh

1375

01:00:10,800 --> 01:00:06,940

you're gonna be it not you're gonna be

1376

01:00:13,710 --> 01:00:10,810

over a thousand soon and I think my my

1377

01:00:16,560 --> 01:00:13,720

head spun around I'm like this what you

1378

01:00:19,560 --> 01:00:16,570

know and but that's true like this this

1379

01:00:21,650 --> 01:00:19,570

time well let me see uh you know shortly

1380

01:00:24,780 --> 01:00:21,660

after the first of the year I will past

1381

01:00:26,250 --> 01:00:24,790

900 and by this time next year I'm gonna

1382

01:00:28,080 --> 01:00:26,260

be saying I've done a thousand tours

1383

01:00:31,110 --> 01:00:28,090

I'll probably be over a thousand and

1384

01:00:40,860 --> 01:00:31,120

that just makes my head just then I'm

1385

01:00:43,320 --> 01:00:40,870

just like you know I appreciate you

1386

01:00:45,120 --> 01:00:43,330

saying that I appreciate you saying that

1387

01:00:46,710 --> 01:00:45,130

but you you know and you and I have

1388

01:00:50,340 --> 01:00:46,720

talked about this I lament sometimes

1389

01:00:52,080 --> 01:00:50,350

that I feel I'm not and it's okay

1390

01:00:54,660 --> 01:00:52,090

because I don't want to be an ego thing

1391

01:00:57,120 --> 01:00:54,670

I want to just do good work you know I

1392

01:01:00,840 --> 01:00:57,130

want to present people with sightings

1393

01:01:02,400 --> 01:01:00,850

and I want to do my abduction work and I

1394

01:01:03,900 --> 01:01:02,410

want to help abdic T's and I want to do

1395

01:01:07,650 --> 01:01:03,910

the my lab work and get that information

1396

01:01:10,650 --> 01:01:07,660

out there and inform people but I tell

1397

01:01:13,380 --> 01:01:10,660

you it's like you know feeling not

1398

01:01:15,060 --> 01:01:13,390

recognizing ufology I mean yes I am to

1399

01:01:16,560 --> 01:01:15,070

some degree but you know I'm not one of

1400

01:01:18,630 --> 01:01:16,570

those speakers asked to do every

1401

01:01:21,290 --> 01:01:18,640

conference and asked to do every TV show

1402

01:01:24,510 --> 01:01:21,300

asked to do ever not even close and

1403

01:01:27,120 --> 01:01:24,520

sometimes I feel like no one knows what

1404

01:01:28,830 --> 01:01:27,130

I'm out here doing you know that's just

1405

01:01:34,950 --> 01:01:28,840

silly in that ridiculous

1406

01:01:37,320 --> 01:01:34,960

you know and I it's a badge of honor in

1407

01:01:39,210 --> 01:01:37,330

this community not to be one of those

1408

01:01:42,080 --> 01:01:39,220

speakers I'm telling okay because that

1409

01:01:44,700 --> 01:01:42,090

really means you're doing the right work

1410

01:01:46,920 --> 01:01:44,710

okay there are too many of them out

1411

01:01:49,410 --> 01:01:46,930

there that are not doing anything for

1412

01:01:52,980 --> 01:01:49,420

anybody except for themselves and that's

1413

01:01:53,850 --> 01:01:52,990

nice I feel about that you know yeah I

1414

01:01:56,940 --> 01:01:53,860

know

1415

01:01:59,100 --> 01:01:56,950

I cannot handle it and I'm really that

1416

01:02:02,520 --> 01:01:59,110

is my big bandwagon that is my mission

1417

01:02:04,500 --> 01:02:02,530

these days is to expose all the people

1418

01:02:07,170 --> 01:02:04,510

in ufology that really aren't doing

1419

01:02:08,600 --> 01:02:07,180

anything to advance it you know you know

1420

01:02:11,600 --> 01:02:08,610

are you're one of the

1421

01:02:13,700 --> 01:02:11,610

you're one of the most thorough most

1422

01:02:16,220 --> 01:02:13,710

amazing researchers I've ever met in my

1423

01:02:18,260 --> 01:02:16,230

entire no you're lovely thank you

1424

01:02:20,240 --> 01:02:18,270

I seriously Melinda the day I met you I

1425

01:02:21,920 --> 01:02:20,250

said to you I'm gonna get you out there

1426

01:02:23,960 --> 01:02:21,930

and speaking at all my conferences

1427

01:02:25,640 --> 01:02:23,970

hopefully so well I appreciate that and

1428

01:02:29,390 --> 01:02:25,650

I appreciate that you've done that you

1429

01:02:31,670 --> 01:02:29,400

know you you you more than anybody as

1430

01:02:34,220 --> 01:02:31,680

far as my lecture doing my research out

1431

01:02:36,830 --> 01:02:34,230

there provided me a platform and I

1432

01:02:39,410 --> 01:02:36,840

really so appreciate you guys when we go

1433

01:02:42,440 --> 01:02:39,420

out to eat we never agree on where to go

1434

01:02:44,090 --> 01:02:42,450

burgers heats that tacos it is the one

1435

01:02:46,280 --> 01:02:44,100

thing we do agree on is we all want

1436

01:02:49,340 --> 01:02:46,290

unlimited high-speed data that's why we

1437

01:02:51,080 --> 01:02:49,350

switch to metro pcs stop by metro pcs

1438

01:02:53,390 --> 01:02:51,090

with the whole family and get four lines

1439

01:02:56,030 --> 01:02:53,400

with unlimited LTE data for just \$100

1440

01:02:57,320 --> 01:02:56,040

period much our pcs wireless figured out

1441

01:02:58,430 --> 01:02:57,330

covers not available in some areas

1442

01:02:59,360 --> 01:02:58,440

offers for airport in a number not

1443

01:03:00,530 --> 01:02:59,370

currently active on t-mobile network

1444

01:03:01,790 --> 01:03:00,540

during congestion the fraction of

1445

01:03:03,170 --> 01:03:01,800

customers used more than 35 gigs per

1446

01:03:04,910 --> 01:03:03,180

month may notice reduce beats video

1447

01:03:06,620 --> 01:03:04,920

streams depth 240p no tethering C store

1448

01:03:08,240 --> 01:03:06,630

for details in terms and conditions you

1449

01:03:11,080 --> 01:03:08,250

know I want all your listeners to know

1450

01:03:14,750 --> 01:03:11,090

you know Lorian puts on all these

1451

01:03:16,850 --> 01:03:14,760

amazing conferences UFO conferences or

1452

01:03:19,730 --> 01:03:16,860

JFK conferences or mind-control

1453

01:03:22,700 --> 01:03:19,740

conferences we've had an amazing

1454

01:03:25,640 --> 01:03:22,710

experience doing a TV show together that

1455

01:03:29,440 --> 01:03:25,650

our shows of yet to air but they will

1456

01:03:32,840 --> 01:03:29,450

we've got I think 14 or 16 in the fan

1457

01:03:36,110 --> 01:03:32,850

okay I'm finishing up the credits and I

1458

01:03:38,000 --> 01:03:36,120

think we're launching January 1st that

1459

01:03:41,200 --> 01:03:38,010

would be so awesome you guys we worked

1460

01:03:44,590 --> 01:03:41,210

really hard and we've had an amazing

1461

01:03:46,670 --> 01:03:44,600

guest you know yeah we've had amazing

1462

01:03:50,150 --> 01:03:46,680

amazing guest and I want to give our

1463

01:03:51,620 --> 01:03:50,160

guests credit and you know and even

1464

01:03:53,330 --> 01:03:51,630

though some of them were taped a year

1465

01:03:55,340 --> 01:03:53,340

ago their information they're gonna

1466

01:03:57,710 --> 01:03:55,350

provide is absolutely still current and

1467

01:03:59,150 --> 01:03:57,720

and fantastic but no one will know and I

1468

01:04:00,590 --> 01:03:59,160

shouldn't say we take to me year ago cuz

1469

01:04:03,530 --> 01:04:00,600

no one will know watching these program

1470

01:04:05,000 --> 01:04:03,540

but they were done back then you know at

1471

01:04:06,020 --> 01:04:05,010

all as you suffer you know those of you

1472

01:04:08,240 --> 01:04:06,030

who followed the fact that we're even

1473

01:04:09,860 --> 01:04:08,250

doing this but otherwise you know people

1474

01:04:11,600 --> 01:04:09,870

won't know they're timeless and they're

1475

01:04:14,150 --> 01:04:11,610

so good or guests and they're all

1476

01:04:17,240 --> 01:04:14,160

recognized you know well-known people in

1477

01:04:20,120 --> 01:04:17,250

the field and some of them we got into

1478

01:04:22,670 --> 01:04:20,130

you know another sight of them that may

1479

01:04:24,680 --> 01:04:22,680

be you know like a

1480

01:04:27,740 --> 01:04:24,690

aspect to them that they don't talk

1481

01:04:29,180 --> 01:04:27,750

about or that isn't known and so you're

1482

01:04:30,800 --> 01:04:29,190

gonna see a different side even though

1483

01:04:32,390 --> 01:04:30,810

they're familiar people you're gonna

1484

01:04:35,900 --> 01:04:32,400

hear something from them you've not

1485

01:04:38,060 --> 01:04:35,910

heard before and and and and they were

1486

01:04:40,310 --> 01:04:38,070

really great and I'm so excited that

1487

01:04:42,110 --> 01:04:40,320

those are gonna start airing and I'm

1488

01:04:44,510 --> 01:04:42,120

just I've you know we've always wanted

1489

01:04:49,460 --> 01:04:44,520

them to but there's been a variety of

1490

01:04:51,200 --> 01:04:49,470

reasons on the production in and and in

1491

01:04:53,240 --> 01:04:51,210

our producer and its companies and stuff

1492

01:04:55,430 --> 01:04:53,250

so so finally finally it's gonna come

1493

01:04:57,470 --> 01:04:55,440

out night yeah the bottom line to all

1494

01:05:01,640 --> 01:04:57,480

this is it cost money folks to put all

1495

01:05:03,620 --> 01:05:01,650

this stuff together Oh amen yeah every

1496

01:05:05,750 --> 01:05:03,630

time we turned around it's another 500

1497

01:05:07,700 --> 01:05:05,760

it's another 400 another 300 you know

1498

01:05:09,440 --> 01:05:07,710

and and it's just the way it is and

1499

01:05:11,990 --> 01:05:09,450

we've all and we need people to know

1500

01:05:14,360 --> 01:05:12,000

this Melinda we have yeah yeah paid our

1501
01:05:17,210 --> 01:05:14,370
own way to the studio yeah amen I was

1502
01:05:18,830 --> 01:05:17,220
just gonna say that I I want I want

1503
01:05:21,530 --> 01:05:18,840
people to know when they start seeing

1504
01:05:25,250 --> 01:05:21,540
these and we've got is it 14 or 16 in

1505
01:05:28,310 --> 01:05:25,260
the can 14 but 14 okay but I think only

1506
01:05:30,410 --> 01:05:28,320
14 are gonna air okay okay there's a

1507
01:05:33,920 --> 01:05:30,420
couple reasons why two of them may not

1508
01:05:36,110 --> 01:05:33,930
air but what we are going to air that

1509
01:05:38,750 --> 01:05:36,120
people are gonna be surprised about is I

1510
01:05:41,330 --> 01:05:38,760
I have insisted that Sean David Morton

1511
01:05:43,280 --> 01:05:41,340
be aired I think it's very and and I'm

1512
01:05:45,410 --> 01:05:43,290
okay with that because he did a really

1513
01:05:47,480 --> 01:05:45,420

good show with us I know out there

1514

01:05:50,330 --> 01:05:47,490

people are gonna go what oh my god you

1515

01:05:54,920 --> 01:05:50,340

know he went folks he is in jail yes you

1516

01:05:57,560 --> 01:05:54,930

know and and he very likely defrauded

1517

01:05:59,840 --> 01:05:57,570

the the government over some money but

1518

01:06:02,150 --> 01:05:59,850

aside from that his research still

1519

01:06:06,340 --> 01:06:02,160

stands and and I don't want people

1520

01:06:09,440 --> 01:06:06,350

disparaging his contribution in the past

1521

01:06:12,080 --> 01:06:09,450

personality aside ego aside and and

1522

01:06:15,200 --> 01:06:12,090

maybe his financial dealings aside okay

1523

01:06:17,150 --> 01:06:15,210

I'm not gonna you know I agree with

1524

01:06:19,220 --> 01:06:17,160

people there's problems there sure but

1525

01:06:21,590 --> 01:06:19,230

as a researcher and when he was good

1526

01:06:23,900 --> 01:06:21,600

when he was good he was good and at

1527

01:06:26,330 --> 01:06:23,910

times and I and I think it's a tribute

1528

01:06:29,450 --> 01:06:26,340

to the fact that he contributed to this

1529

01:06:30,950 --> 01:06:29,460

community for years and and I think you

1530

01:06:33,110 --> 01:06:30,960

know we've agreed everyone in the

1531

01:06:34,610 --> 01:06:33,120

production end of the show has agreed as

1532

01:06:36,060 --> 01:06:34,620

long as we have like a disclaimer in the

1533

01:06:37,770 --> 01:06:36,070

beginning in the end you know

1534

01:06:40,380 --> 01:06:37,780

so people understand where we're coming

1535

01:06:42,630 --> 01:06:40,390

from but to say this is shows his

1536

01:06:44,310 --> 01:06:42,640

contribution as research and it and I

1537

01:06:46,320 --> 01:06:44,320

think we're all willing to stand up and

1538

01:06:48,980 --> 01:06:46,330

if we catch blackboard I think if anyone

1539

01:06:52,440 --> 01:06:48,990

watches the show it's going to be a

1540

01:06:54,150 --> 01:06:52,450

tribute to the Shawn that was that we

1541

01:06:56,670 --> 01:06:54,160

can still appreciate oh absolutely

1542

01:06:59,850 --> 01:06:56,680

because he was on his best best behavior

1543

01:07:01,620 --> 01:06:59,860

with us that oh yeah we got into areas

1544

01:07:05,220 --> 01:07:01,630

that he hadn't talked about for quite

1545

01:07:08,010 --> 01:07:05,230

some time and told us some great

1546

01:07:10,320 --> 01:07:08,020

personal stories and that's great yeah

1547

01:07:13,080 --> 01:07:10,330

yeah yeah absolutely absolutely

1548

01:07:15,780 --> 01:07:13,090

so yeah it's it's good and it's an

1549

01:07:18,330 --> 01:07:15,790

interview I stand behind and I'm proud

1550

01:07:20,970 --> 01:07:18,340

of ya okay so we acknowledge the

1551

01:07:23,550 --> 01:07:20,980

controversy in a you know in a

1552

01:07:25,020 --> 01:07:23,560

disclaimer but but the interview I think

1553

01:07:26,880 --> 01:07:25,030

when people watch it they're gonna

1554

01:07:29,310 --> 01:07:26,890

they're gonna have an appreciation for

1555

01:07:33,720 --> 01:07:29,320

at least about that part of him would

1556

01:07:36,360 --> 01:07:33,730

you which is great and he came up and

1557

01:07:38,130 --> 01:07:36,370

did my time travel conference and I

1558

01:07:39,750 --> 01:07:38,140

swear to God Melinda he knocked it out

1559

01:07:41,820 --> 01:07:39,760

of the park it was one of the best

1560

01:07:44,780 --> 01:07:41,830

presentations he's ever made on time

1561

01:07:47,430 --> 01:07:44,790

travel and you know do you remember in

1562

01:07:50,520 --> 01:07:47,440

2014 at the Gold Coast when we did the

1563

01:07:53,820 --> 01:07:50,530

last mind-control summit that recording

1564

01:07:58,580 --> 01:07:53,830

he made for us about ghost Walker do you

1565

01:08:01,620 --> 01:07:58,590

remember that yeah oh yeah yeah yeah

1566

01:08:04,680 --> 01:08:01,630

interview is almost an hour of pure Sean

1567

01:08:07,830 --> 01:08:04,690

you know yeah the story that happened

1568

01:08:09,840 --> 01:08:07,840

with that super soldier from area 51 I

1569

01:08:12,450 --> 01:08:09,850

mean that would that is the most wild

1570

01:08:15,180 --> 01:08:12,460

story out there and hardly you people

1571

01:08:17,999 --> 01:08:15,190

know about it so you know I think I'm

1572

01:08:20,660 --> 01:08:18,009

gonna throw that interview out there is

1573

01:08:24,749 --> 01:08:20,670

a fundraiser for the next to mine you

1574

01:08:27,599 --> 01:08:24,759

know yeah yeah oh absolutely

1575

01:08:29,220 --> 01:08:27,609

absolutely you know I and and and it's

1576

01:08:30,360 --> 01:08:29,230

like don't throw the baby out with the

1577

01:08:34,140 --> 01:08:30,370

bathwater

1578

01:08:36,240 --> 01:08:34,150

you know because because there's there's

1579

01:08:39,180 --> 01:08:36,250

stuff that was good yeah yes absolutely

1580

01:08:41,519 --> 01:08:39,190

next question for you here is where do

1581

01:08:43,890 --> 01:08:41,529

you think UF ology is going right now I

1582

01:08:46,650 --> 01:08:43,900

mean what's your summation of it up to

1583

01:08:49,649 --> 01:08:46,660

the end of 2017 well where do you think

1584

01:08:52,829 --> 01:08:49,659

we're going in 2018 well we're ending

1585

01:08:56,219 --> 01:08:52,839

on a bang and and I'll tell you why and

1586

01:08:58,079 --> 01:08:56,229

you know unless you're a researchers or

1587

01:09:02,459 --> 01:08:58,089

the the program I just did a couple

1588

01:09:06,749 --> 01:09:02,469

weeks ago with you you know that that

1589

01:09:10,199 --> 01:09:06,759

it's ending on a on a banging in an

1590

01:09:13,589 --> 01:09:10,209

interesting way that ufology is all the

1591

01:09:15,589 --> 01:09:13,599

sudden kind of perked up because now you

1592

01:09:22,890 --> 01:09:15,599

know granted controversial

1593

01:09:26,629 --> 01:09:22,900

granted maybe not that productive but

1594

01:09:31,140 --> 01:09:26,639

this whole to the Stars Academy slash

1595

01:09:33,419 --> 01:09:31,150

rock star DeLong slash little bits and

1596

01:09:36,659 --> 01:09:33,429

pieces of disclosure than the Nimitz you

1597

01:09:38,789 --> 01:09:36,669

know footage that you know and so right

1598

01:09:40,559 --> 01:09:38,799

now there's some interesting things just

1599

01:09:43,079 --> 01:09:40,569

like I said the end of the year on a

1600

01:09:46,319 --> 01:09:43,089

bang with all of a sudden a couple of

1601
01:09:48,120 --> 01:09:46,329
weeks of flurry and and it's going to be

1602
01:09:52,409 --> 01:09:48,130
interesting to see where this goes after

1603
01:09:54,120 --> 01:09:52,419
the first of the year because the media

1604
01:09:56,189 --> 01:09:54,130
jumped on this I think you followed you

1605
01:09:58,469 --> 01:09:56,199
could care less really you know in a

1606
01:10:00,359 --> 01:09:58,479
sense mainstream you followed you

1607
01:10:03,029 --> 01:10:00,369
probably aunt you know that's not really

1608
01:10:04,830 --> 01:10:03,039
disclosure really but all of a sudden

1609
01:10:09,060 --> 01:10:04,840
there's a rush in the last couple of

1610
01:10:13,529 --> 01:10:09,070
days or week of media activity regarding

1611
01:10:17,219 --> 01:10:13,539
this and and you guys it's a big giant

1612
01:10:20,699 --> 01:10:17,229
disclosure with a capital D no but when

1613
01:10:23,009 --> 01:10:20,709

you have what is it Henry Reid asked

1614

01:10:26,699 --> 01:10:23,019

them to investigate I forget whatever

1615

01:10:28,890 --> 01:10:26,709

you know I admit I need to read up on it

1616

01:10:31,409 --> 01:10:28,900

more it's just in the last couple of

1617

01:10:33,239 --> 01:10:31,419

days all of a sudden uh you know on the

1618

01:10:35,489 --> 01:10:33,249

internet it's gone crazy and I'm like

1619

01:10:37,140 --> 01:10:35,499

well I think I've got my work cut out

1620

01:10:40,259 --> 01:10:37,150

for me as I get on the plane for these

1621

01:10:41,279 --> 01:10:40,269

whites is to do some if I can have my

1622

01:10:43,529 --> 01:10:41,289

phone activists

1623

01:10:45,479 --> 01:10:43,539

is to read up on some of this stuff and

1624

01:10:50,609 --> 01:10:45,489

maybe have an earpiece and listen to

1625

01:10:55,109 --> 01:10:50,619

some stuff because yesterday that video

1626

01:11:01,139 --> 01:10:55,119

from the jet fighter yeah that's one

1627

01:11:03,600 --> 01:11:01,149

thing yeah yeah yeah yeah yeah that

1628

01:11:05,250 --> 01:11:03,610

yes that's that's what I'm trying to

1629

01:11:08,280 --> 01:11:05,260

so I'm trying that and you know just

1630

01:11:13,620 --> 01:11:08,290

sizing I mean I look at it and I go it's

1631

01:11:15,359 --> 01:11:13,630

good yes yes but but the thing is again

1632

01:11:18,209 --> 01:11:15,369

it's not about ufology you guys

1633

01:11:21,540 --> 01:11:18,219

sometimes step back and go what is this

1634

01:11:23,820 --> 01:11:21,550

too mainstream and it's a little blip on

1635

01:11:25,649 --> 01:11:23,830

the radar but it is putting it out there

1636

01:11:29,040 --> 01:11:25,659

in the mainstream I mean the New York

1637

01:11:30,479 --> 01:11:29,050

Times did a significant article and then

1638

01:11:31,859 --> 01:11:30,489

when you read it on there you know

1639

01:11:33,840 --> 01:11:31,869

website and everything there's a link

1640

01:11:37,020 --> 01:11:33,850

and you can actually watch this video

1641

01:11:39,450 --> 01:11:37,030

and then the Washington Post did an

1642

01:11:41,250 --> 01:11:39,460

article you know and yeah The Huffington

1643

01:11:43,200 --> 01:11:41,260

Post does stuff but we've had there

1644

01:11:45,899 --> 01:11:43,210

there been in our camp for a long time

1645

01:11:49,379 --> 01:11:45,909

now but to have the New York Times The

1646

01:11:51,419 --> 01:11:49,389

Washington Post you know you guys don't

1647

01:11:52,709 --> 01:11:51,429

underestimate now no one reads the media

1648

01:11:55,080 --> 01:11:52,719

anymore and yeah that's a problem

1649

01:11:56,939 --> 01:11:55,090

because John Q public is you know unless

1650

01:11:59,340 --> 01:11:56,949

it's on Fox News every night they're not

1651

01:12:01,800 --> 01:11:59,350

going to get it but the thing is it is

1652

01:12:04,800 --> 01:12:01,810

being picked up now and on the news and

1653

01:12:07,530 --> 01:12:04,810

whatnot and I've had a few clients for

1654

01:12:09,180 --> 01:12:07,540

my tour comment on it you know so it's

1655

01:12:11,310 --> 01:12:09,190

like you guys this is this is getting

1656

01:12:13,919 --> 01:12:11,320

out there it's a small blip but that's

1657

01:12:16,050 --> 01:12:13,929

why I said it'll be interesting to see

1658

01:12:19,050 --> 01:12:16,060

where after the first and year this goes

1659

01:12:20,430 --> 01:12:19,060

is it build and there's a momentum if it

1660

01:12:22,919 --> 01:12:20,440

creates more stories

1661

01:12:25,950 --> 01:12:22,929

if net if New York Times and Washington

1662

01:12:28,109 --> 01:12:25,960

Post do follow ups you know we'll see if

1663

01:12:31,169 --> 01:12:28,119

it makes television we'll see you know

1664

01:12:33,629 --> 01:12:31,179

but but it's a time setting we're saying

1665

01:12:36,240 --> 01:12:33,639

we're ending on a little bit of a high

1666

01:12:39,120 --> 01:12:36,250

note in ufology as far as for the year

1667

01:12:41,609 --> 01:12:39,130

and I'm very very pleased that I'm

1668

01:12:44,129 --> 01:12:41,619

sharing some research now with Grant

1669

01:12:47,280 --> 01:12:44,139

Cameron now grant Cameron who's a friend

1670

01:12:49,050 --> 01:12:47,290

of yours and mine he's high on ufology

1671

01:12:52,109 --> 01:12:49,060

radar right now he's being asked to do

1672

01:12:55,500 --> 01:12:52,119

every radio program every conference and

1673

01:12:59,550 --> 01:12:55,510

it's because he's the one person who's

1674

01:13:01,350 --> 01:12:59,560

bothered to follow this story and look

1675

01:13:04,500 --> 01:13:01,360

at it in the inside and do background

1676

01:13:08,100 --> 01:13:04,510

research on who these guys are with the

1677

01:13:11,729 --> 01:13:08,110

to the Stars Academy and it's specific

1678

01:13:14,310 --> 01:13:11,739

links to what it's been previously known

1679

01:13:17,580 --> 01:13:14,320

in ufology as the air very and or the

1680

01:13:20,339 --> 01:13:17,590

working group which myself and fellow

1681

01:13:23,100 --> 01:13:20,349

research associate Randi coping and I

1682

01:13:26,820 --> 01:13:23,110

have been doing deep research for 28

1683

01:13:28,709 --> 01:13:26,830

years so Randi and I put our heads

1684

01:13:31,140 --> 01:13:28,719

together and said look grants on to this

1685

01:13:33,660 --> 01:13:31,150

we need to cherish stuff with him and at

1686

01:13:36,030 --> 01:13:33,670

the Star Wars conference with pal eros

1687

01:13:37,350 --> 01:13:36,040

grant and I had many many meetings of

1688

01:13:41,300 --> 01:13:37,360

which you were present for most of them

1689

01:13:44,820 --> 01:13:41,310

and conversations where we were able to

1690

01:13:46,500 --> 01:13:44,830

join our research together and I was

1691

01:13:49,260 --> 01:13:46,510

able to say look you've got you know you

1692

01:13:52,620 --> 01:13:49,270

got the last five years nailed down but

1693

01:13:55,140 --> 01:13:52,630

I've got a previous you know 28 years or

1694

01:13:58,410 --> 01:13:55,150

25 years let's say 25 previous to that

1695

01:14:01,109 --> 01:13:58,420

of information about our research into

1696

01:14:03,600 --> 01:14:01,119

this group and their connection and so

1697

01:14:05,640 --> 01:14:03,610

so I'm so thrilled to be working with

1698

01:14:10,439 --> 01:14:05,650

Grant and sharing information with him

1699

01:14:12,750 --> 01:14:10,449

and and and and so that's and because of

1700

01:14:14,700 --> 01:14:12,760

his current you know what's going on

1701
01:14:17,010 --> 01:14:14,710
ufology right now well this whole story

1702
01:14:18,750 --> 01:14:17,020
in and this whole story kind of the

1703
01:14:19,919 --> 01:14:18,760
researcher that everyone's their go-to

1704
01:14:24,750 --> 01:14:19,929
guy on it right now

1705
01:14:26,459 --> 01:14:24,760
is grant Cameron so so I I think we're

1706
01:14:27,959 --> 01:14:26,469
going to do much more activity I look

1707
01:14:29,760 --> 01:14:27,969
forward to the beginning and next year

1708
01:14:31,770 --> 01:14:29,770
and the fact that once we get through

1709
01:14:34,140 --> 01:14:31,780
the holidays I think him and I are going

1710
01:14:36,149 --> 01:14:34,150
to be working closely a lot more we're

1711
01:14:39,839 --> 01:14:36,159
going to be both speaking on this

1712
01:14:43,350 --> 01:14:39,849
subject together and separately for you

1713
01:14:45,419 --> 01:14:43,360

at UFO Con this year yeah it's gonna be

1714

01:14:47,160 --> 01:14:45,429

very interesting that you have folk on

1715

01:14:50,040 --> 01:14:47,170

this year because by the time it happens

1716

01:14:51,209 --> 01:14:50,050

at the end of March a lot of this is

1717

01:14:53,310 --> 01:14:51,219

gonna play out

1718

01:14:55,530 --> 01:14:53,320

and you guys are you might even be doing

1719

01:14:56,879 --> 01:14:55,540

just a historical review of everything

1720

01:14:58,740 --> 01:14:56,889

that's happened in the last year with

1721

01:15:01,050 --> 01:14:58,750

the long and the aviary and the working

1722

01:15:03,870 --> 01:15:01,060

group and all the way up to like March

1723

01:15:05,820 --> 01:15:03,880

of 2018 and who knows what they they

1724

01:15:08,640 --> 01:15:05,830

might have accomplished by then in the

1725

01:15:10,020 --> 01:15:08,650

mainstream mean yeah yes I mean he's got

1726

01:15:12,510 --> 01:15:10,030

he could do a full two-hour presentation

1727

01:15:15,330 --> 01:15:12,520

just up to the minute with what's going

1728

01:15:18,359 --> 01:15:15,340

on now through the end of the year that

1729

01:15:21,419 --> 01:15:18,369

alone like you said what's gonna happen

1730

01:15:24,359 --> 01:15:21,429

between now and March and then I'm gonna

1731

01:15:26,490 --> 01:15:24,369

give a background presentation on the

1732

01:15:28,620 --> 01:15:26,500

history the aviary the history of the

1733

01:15:30,330 --> 01:15:28,630

working group their involvement and that

1734

01:15:32,399 --> 01:15:30,340

you guys this isn't like

1735

01:15:34,439 --> 01:15:32,409

new thing these guys are doing about

1736

01:15:38,189 --> 01:15:34,449

every couple of years they surface with

1737

01:15:41,310 --> 01:15:38,199

some big new in a piece of involvement

1738

01:15:44,580 --> 01:15:41,320

in ufology and they have a pattern of

1739

01:15:46,470 --> 01:15:44,590

this so this is just the current phase

1740

01:15:48,839 --> 01:15:46,480

of their pattern and it all gets back to

1741

01:15:51,540 --> 01:15:48,849

as I said earlier not disclosure with a

1742

01:15:53,580 --> 01:15:51,550

capital D but disclosure with a little B

1743

01:15:57,330 --> 01:15:53,590

or what you followed you will call soft

1744

01:15:59,760 --> 01:15:57,340

disclosure that this is is this the big

1745

01:16:04,250 --> 01:15:59,770

end game no but it's pushing that ball

1746

01:16:07,800 --> 01:16:04,260

further down the field towards

1747

01:16:09,570 --> 01:16:07,810

disclosure being possible and do I need

1748

01:16:11,160 --> 01:16:09,580

is it going to happen this year no could

1749

01:16:13,830 --> 01:16:11,170

it happen in 10 or 20 years you guys I

1750

01:16:16,530 --> 01:16:13,840

don't know I you know a couple years ago

1751

01:16:18,270 --> 01:16:16,540

I would say 20 years away you know but

1752

01:16:20,040 --> 01:16:18,280

now I'm going wait a second this is

1753

01:16:23,399 --> 01:16:20,050

pushing that ball further down the field

1754

01:16:25,890 --> 01:16:23,409

and we'll see what happens

1755

01:16:29,580 --> 01:16:25,900

could it mean nothing and it will fizzle

1756

01:16:31,919 --> 01:16:29,590

out yeah highly likely you know or it

1757

01:16:34,260 --> 01:16:31,929

could be that this is the start of

1758

01:16:36,570 --> 01:16:34,270

something and that these guys are going

1759

01:16:41,220 --> 01:16:36,580

for media attention and it starts to

1760

01:16:44,850 --> 01:16:41,230

change the tide of public opinion you

1761

01:16:47,729 --> 01:16:44,860

know and and I and again everyone who

1762

01:16:50,310 --> 01:16:47,739

follows the whole disclosure subject

1763

01:16:52,260 --> 01:16:50,320

realizes it's been on like a you know

1764

01:16:55,560 --> 01:16:52,270

it'd be called the forty year plan 40 or

1765

01:16:58,410 --> 01:16:55,570

50 year plan to do this but all the

1766

01:17:02,160 --> 01:16:58,420

sudden there seems to be a few things

1767

01:17:03,810 --> 01:17:02,170

pushing that ball down the field or if

1768

01:17:06,689 --> 01:17:03,820

you think of like a disclosure time

1769

01:17:08,939 --> 01:17:06,699

clock you know if we were 5 minutes

1770

01:17:10,950 --> 01:17:08,949

before midnight now or 3 minutes before

1771

01:17:14,160 --> 01:17:10,960

midnight you know so all of a sudden

1772

01:17:15,720 --> 01:17:14,170

something something has changed and when

1773

01:17:18,930 --> 01:17:15,730

you start to get major media

1774

01:17:20,879 --> 01:17:18,940

publications writing more serious

1775

01:17:22,620 --> 01:17:20,889

articles now I read The Times I didn't

1776

01:17:24,209 --> 01:17:22,630

read it in great detail but I did go

1777

01:17:25,979 --> 01:17:24,219

through it quickly and I need to spend

1778

01:17:28,830 --> 01:17:25,989

some time in really poor overt but I

1779

01:17:31,800 --> 01:17:28,840

think it's just kind of soft balling it

1780

01:17:34,109 --> 01:17:31,810

yeah but the fact that they're they're

1781

01:17:35,850 --> 01:17:34,119

not it's not ridicule you know it's

1782

01:17:38,100 --> 01:17:35,860

softball but it's not ready to you guys

1783

01:17:40,560 --> 01:17:38,110

that's a change and that's a change in

1784

01:17:42,209 --> 01:17:40,570

the opinion in the media you know and

1785

01:17:44,310 --> 01:17:42,219

it's about time you know I'm out there

1786

01:17:45,750 --> 01:17:44,320

on these tours showing people

1787

01:17:47,760 --> 01:17:45,760

sightings every night and like i said

1788

01:17:49,589 --> 01:17:47,770

you know i kind of pat myself on the

1789

01:17:50,490 --> 01:17:49,599

back or toot my own horn is I looked on

1790

01:17:52,379 --> 01:17:50,500

TripAdvisor

1791

01:17:54,899 --> 01:17:52,389

and when you go under Center for the New

1792

01:17:56,100 --> 01:17:54,909

Age so I'm on TripAdvisor because I do

1793

01:17:57,510 --> 01:17:56,110

my tourists through the Center for New

1794

01:17:58,680 --> 01:17:57,520

Age so I'm I don't have a separate

1795

01:18:00,450 --> 01:17:58,690

listing I'm on there with them but if

1796

01:18:02,490 --> 01:18:00,460

you go Center for the New Age and then

1797

01:18:04,740 --> 01:18:02,500

in their little search engine you put in

1798

01:18:07,379 --> 01:18:04,750

UFO in the little you know go

1799

01:18:08,939 --> 01:18:07,389

TripAdvisor Center for New Age UFO in

1800

01:18:11,459 --> 01:18:08,949

their search engine so it brings up just

1801

01:18:18,060 --> 01:18:11,469

all the reviews that mention UFO I have

1802

01:18:20,879 --> 01:18:18,070

53 5 star reviews on Trip Advisor yeah

1803

01:18:24,870 --> 01:18:20,889

yeah and so you know and you guys have

1804

01:18:27,720 --> 01:18:24,880

earned everyone you know clients you

1805

01:18:29,220 --> 01:18:27,730

know and I work hard on my tours but you

1806

01:18:31,530 --> 01:18:29,230

know I never dreamt in a million years

1807

01:18:33,330 --> 01:18:31,540

we'd have as many sightings as we do but

1808

01:18:35,010 --> 01:18:33,340

the reason I kind of does tailed into

1809

01:18:44,850 --> 01:18:35,020

bringing this up again was just to say

1810

01:18:46,470 --> 01:18:44,860

I'm out there showing people sighting ok

1811

01:18:49,229 --> 01:18:46,480

well I'm just saying you know having

1812

01:18:50,580 --> 01:18:49,239

sightings every night so my clients go

1813

01:18:52,410 --> 01:18:50,590

out there and they they've had

1814

01:18:55,169 --> 01:18:52,420

disclosure they're like oh my god this

1815

01:18:58,770 --> 01:18:55,179

is real you know yeah and but but I

1816

01:19:00,379 --> 01:18:58,780

still want because they tell me they

1817

01:19:03,540 --> 01:19:00,389

have friends they have family members

1818

01:19:06,479 --> 01:19:03,550

you know close family and siblings

1819

01:19:08,850 --> 01:19:06,489

whatnot kids and and also co-workers and

1820

01:19:10,979 --> 01:19:08,860

stuff who they're even afraid to mention

1821

01:19:13,800 --> 01:19:10,989

that they went out on a UFO tour you

1822

01:19:16,379 --> 01:19:13,810

know and so when they when those people

1823

01:19:18,720 --> 01:19:16,389

who have had sightings feel like they're

1824

01:19:20,970 --> 01:19:18,730

vindicated and they can talk about it

1825

01:19:23,550 --> 01:19:20,980

now when all the whistleblowers I mean

1826

01:19:25,709 --> 01:19:23,560

you start to get massive media attention

1827

01:19:27,899 --> 01:19:25,719

and those people are going to be those

1828

01:19:30,810 --> 01:19:27,909

massive media sources are going to be

1829

01:19:32,790 --> 01:19:30,820

looking for credible witnesses they're

1830

01:19:33,959 --> 01:19:32,800

gonna go for the whistleblowers you know

1831

01:19:37,770 --> 01:19:33,969

and and so I think

1832

01:19:40,439 --> 01:19:37,780

ufology is poised to really do some

1833

01:19:43,260 --> 01:19:40,449

interesting things in the year to come

1834

01:19:45,089 --> 01:19:43,270

I agree with you on that one well happy

1835

01:19:47,430 --> 01:19:45,099

holidays my friend and I will talk to

1836

01:19:49,649 --> 01:19:47,440

you very soon and thank you for being on

1837

01:19:53,879 --> 01:19:49,659

the holiday special this year it was

1838

01:19:54,450 --> 01:19:53,889

great fun and we'll be in touch ok ok

1839

01:19:57,939 --> 01:19:54,460

thank you

1840

01:20:01,120 --> 01:19:57,949

Lorien Merry Christmas everybody ok

1841

01:20:03,189 --> 01:20:01,130

Thanks well folks we'll be back in just

1842

01:20:08,319 --> 01:20:03,199

a few minutes with our next guests so

1843

01:20:11,259 --> 01:20:08,329

stick around welcome back everyone to

1844

01:20:13,750 --> 01:20:11,269

the California MUFON radio show holidays

1845

01:20:16,330 --> 01:20:13,760

special my final guest of the night is

1846

01:20:18,310 --> 01:20:16,340

grant Cameron I am so happy you guys are

1847

01:20:20,529 --> 01:20:18,320

all with me here on this holiday night

1848

01:20:22,330 --> 01:20:20,539

and I hope you had a great Christmas

1849

01:20:24,189 --> 01:20:22,340

because you know this is being played a

1850

01:20:27,219 --> 01:20:24,199

couple days after Christmas we're going

1851

01:20:29,469 --> 01:20:27,229

into the New Year's and this is what my

1852

01:20:32,140 --> 01:20:29,479

next guest is really gonna be blowing

1853

01:20:34,989 --> 01:20:32,150

you guys away because you fo cons coming

1854

01:20:37,870 --> 01:20:34,999

up and we've got some amazing history of

1855

01:20:39,969 --> 01:20:37,880

the black op so the whole government you

1856

01:20:42,819 --> 01:20:39,979

know ball of wax that's been going on to

1857

01:20:46,149 --> 01:20:42,829

cover up for the last 30 40 50 years

1858

01:20:48,100 --> 01:20:46,159

right grant right you got it yeah it's

1859

01:20:50,350 --> 01:20:48,110

gonna be wild I just hope you guys could

1860

01:20:53,199 --> 01:20:50,360

all make it to UFO Con now grant and I

1861

01:20:56,560 --> 01:20:53,209

were just talking about how as of the

1862

01:20:58,449 --> 01:20:56,570

recording of this show that you know

1863

01:21:00,640 --> 01:20:58,459

things are unfolding really fast with

1864

01:21:02,560 --> 01:21:00,650

the whole Tom DeLonge thing and and the

1865

01:21:04,390 --> 01:21:02,570

working group in the aviary and all the

1866

01:21:07,330 --> 01:21:04,400

guys behind everything all these years

1867

01:21:10,120 --> 01:21:07,340

and the latest development as of today I

1868

01:21:12,729 --> 01:21:10,130

think is the fact that Bigelow has been

1869

01:21:17,729 --> 01:21:12,739

involved quite a bit is that correct and

1870

01:21:22,180 --> 01:21:19,989

Bigelow is at the core of the story

1871

01:21:23,589 --> 01:21:22,190

if you don't understand Bigelow you've

1872

01:21:25,689 --> 01:21:23,599

missed the story because that is the

1873

01:21:26,109 --> 01:21:25,699

story it's not Tom DeLonge it's Bob

1874

01:21:28,359 --> 01:21:26,119

Bigelow

1875

01:21:31,239 --> 01:21:28,369

you know what grant you're not gonna

1876

01:21:34,810 --> 01:21:31,249

believe this I knew this five years ago

1877

01:21:36,520 --> 01:21:34,820

I've been sitting on it because I have

1878

01:21:39,009 --> 01:21:36,530

people that have worked at Bigelow that

1879

01:21:40,989 --> 01:21:39,019

have told me you know basically you have

1880

01:21:43,330 --> 01:21:40,999

no idea what's going on Lauren and I

1881

01:21:46,870 --> 01:21:43,340

can't tell you and when they say that to

1882

01:21:49,299 --> 01:21:46,880

me about Bob Bigelow that speaks volumes

1883

01:21:50,770 --> 01:21:49,309

you know I knew that he was behind

1884

01:21:52,930 --> 01:21:50,780

everything and I kept telling people

1885

01:21:54,189 --> 01:21:52,940

that for like four or five years ago I

1886

01:21:55,509 --> 01:21:54,199

would say you know you can't really I'd

1887

01:21:57,939 --> 01:21:55,519

be checking the Bigelow I think he's

1888

01:22:00,279 --> 01:21:57,949

bigger fish in this pond than people

1889

01:22:03,609 --> 01:22:00,289

think I think he hides under the rocks

1890

01:22:05,919 --> 01:22:03,619

and he's probably a sturgeon and he eat

1891

01:22:10,330 --> 01:22:05,929

is the guy who pulled off the biggest

1892

01:22:12,040 --> 01:22:10,340

coup in history he's the guy who talked

1893

01:22:22,370 --> 01:22:12,050

to

1894

01:22:28,060 --> 01:22:22,380

the majority leader of the Democratic

1895

01:22:30,500 --> 01:22:28,070

Senate eed was into UFOs Reid went to

1896

01:22:33,830 --> 01:22:30,510

Bigelow they they come up with this sort

1897

01:22:36,230 --> 01:22:33,840

of idea to get some money then Reid went

1898

01:22:38,840 --> 01:22:36,240

to Ted Stevens who had had a UFO

1899

01:22:40,940 --> 01:22:38,850

sighting in the Army Air Force during

1900

01:22:43,070 --> 01:22:40,950

World War two and Stevens was on board

1901

01:22:45,890 --> 01:22:43,080

then they went to John Glenn John Glenn

1902

01:22:48,230 --> 01:22:45,900

was on board and then they went to in a

1903

01:22:50,120 --> 01:22:48,240

way who was the made the famous speech

1904

01:22:52,130 --> 01:22:50,130

about the secret government and the

1905

01:22:54,230 --> 01:22:52,140

secret Air Force and all that sort of

1906

01:22:57,380 --> 01:22:54,240

stuff he so he isn't either why and

1907

01:23:00,730 --> 01:22:57,390

represent yeah yeah and he yeah I think

1908

01:23:04,220 --> 01:23:00,740

Stevens is also dead or no Glenn is dead

1909

01:23:06,650 --> 01:23:04,230

four guys went and they got this money

1910

01:23:09,410 --> 01:23:06,660

put out and twenty two million dollars

1911

01:23:10,910 --> 01:23:09,420

was spent and Bob Bigelow was the

1912

01:23:13,520 --> 01:23:10,920

contractor because that's how it works

1913

01:23:15,530 --> 01:23:13,530

in in the government is if you want to

1914

01:23:17,150 --> 01:23:15,540

keep it away from the people you put it

1915

01:23:19,790 --> 01:23:17,160

in a private contractor then you know

1916

01:23:21,890 --> 01:23:19,800

the FOI a problems and so Bigelow was in

1917

01:23:24,650 --> 01:23:21,900

charge it started in 2007 and George

1918

01:23:27,680 --> 01:23:24,660

Knapp has now confirmed that he knew

1919

01:23:29,390 --> 01:23:27,690

about it took seven as it started and so

1920

01:23:30,620 --> 01:23:29,400

for ten years and this is where it comes

1921

01:23:33,740 --> 01:23:30,630

down you start putting all the pieces

1922

01:23:37,960 --> 01:23:33,750

together Bob Bigelow goes to MUFON and

1923

01:23:42,380 --> 01:23:37,970

people sign and even Alejandro Rojas

1924

01:23:44,720 --> 01:23:42,390

talked about this on the coast to coast

1925

01:23:46,820 --> 01:23:44,730

the other night and said that they all

1926

01:23:48,680 --> 01:23:46,830

do MUFON people when Bigelow offered all

1927

01:23:52,070 --> 01:23:48,690

the money Bigelow stated quite clearly

1928

01:23:53,810 --> 01:23:52,080

it was not his money and people were in

1929

01:23:57,590 --> 01:23:53,820

order to be part of this had to sign a

1930

01:24:00,020 --> 01:23:57,600

nondisclosure agreement and Alejandro

1931

01:24:02,390 --> 01:24:00,030

did not sign it and the people

1932

01:24:04,880 --> 01:24:02,400

apparently that signed it knew that this

1933

01:24:07,850 --> 01:24:04,890

was the the deal the money was coming

1934

01:24:11,660 --> 01:24:07,860

from the black ops and so he got that he

1935

01:24:14,270 --> 01:24:11,670

bought up I I know he bought up John

1936

01:24:18,730 --> 01:24:14,280

Carpenter the abduction files oh that's

1937

01:24:21,680 --> 01:24:18,740

right yeah yeah okay and he picked up

1938

01:24:23,960 --> 01:24:21,690

Vaughn cavity he was a famous major for

1939

01:24:25,190 --> 01:24:23,970

the US for the United Nations he was a I

1940

01:24:27,770 --> 01:24:25,200

knew he had bought

1941

01:24:31,580 --> 01:24:27,780

his files he went to after the Canadian

1942

01:24:34,010 --> 01:24:31,590

files and then Tom DeLonge approaches

1943

01:24:36,380 --> 01:24:34,020

the free organization and I just

1944

01:24:38,090 --> 01:24:36,390

confirmed with ray just yet this morning

1945

01:24:41,240 --> 01:24:38,100

that he didn't they didn't try to buy

1946

01:24:45,470 --> 01:24:41,250

the free files but they said that they

1947

01:24:49,400 --> 01:24:45,480

could possibly pay for freeze people

1948

01:24:51,620 --> 01:24:49,410

their salaries and Ray said nothing's

1949

01:24:53,600 --> 01:24:51,630

for sale we're not gonna talk and

1950

01:25:04,060 --> 01:24:53,610

basically hung up the phone on Tom

1951

01:25:06,050 --> 01:25:04,070

DeLonge so it's a basic ok this

1952

01:25:07,850 --> 01:25:06,060

conversation between you are' it's it's

1953

01:25:09,980 --> 01:25:07,860

it's all over the lot of people are

1954

01:25:12,530 --> 01:25:09,990

copying it the email so we talked about

1955

01:25:14,660 --> 01:25:12,540

this but basically so so he's basically

1956

01:25:16,010 --> 01:25:14,670

was the guy at the center of this thing

1957

01:25:19,040 --> 01:25:16,020

and it's it's the old business thing

1958

01:25:20,450 --> 01:25:19,050

it's OPM other people's money so none of

1959

01:25:21,890 --> 01:25:20,460

this money was Bigelow's money it was

1960

01:25:23,840 --> 01:25:21,900

all money that he got from the

1961

01:25:27,290 --> 01:25:23,850

government 22 million and Bob Bigelow

1962

01:25:30,290 --> 01:25:27,300

now controls the entire UFO story and

1963

01:25:32,450 --> 01:25:30,300

and he's pulled it off and you know

1964

01:25:34,730 --> 01:25:32,460

grant this is just like it's playing

1965

01:25:38,030 --> 01:25:34,740

right down my alley I never said much

1966

01:25:39,950 --> 01:25:38,040

about it because I was concerned for the

1967

01:25:42,080 --> 01:25:39,960

people that I know that worked for him

1968

01:25:43,100 --> 01:25:42,090

because you know I don't want to say

1969

01:25:45,650 --> 01:25:43,110

anything because I just didn't want to

1970

01:25:47,890 --> 01:25:45,660

get anybody in trouble but the way they

1971

01:25:50,510 --> 01:25:47,900

talked about him I had such a

1972

01:25:52,820 --> 01:25:50,520

deep-seated feeling that he was behind

1973

01:25:54,440 --> 01:25:52,830

pulling the strings but you know I can't

1974

01:25:56,960 --> 01:25:54,450

ever prove it and this is just this is

1975

01:25:58,940 --> 01:25:56,970

amazing that this has all come out yeah

1976

01:26:01,070 --> 01:25:58,950

and so now it's been confirmed by the

1977

01:26:03,230 --> 01:26:01,080

New York Times and did people are still

1978

01:26:05,690 --> 01:26:03,240

missing the whole story the New York

1979

01:26:08,570 --> 01:26:05,700

Times has confirmed that he has a place

1980

01:26:10,520 --> 01:26:08,580

an underground facility in Las Vegas

1981

01:26:12,320 --> 01:26:10,530

where he keeps the hardware and there is

1982

01:26:14,330 --> 01:26:12,330

hardware and they are going to release

1983

01:26:17,030 --> 01:26:14,340

this hardware Tom DeLonge was talking

1984

01:26:19,340 --> 01:26:17,040

about a 1948 crash and a piece of

1985

01:26:23,510 --> 01:26:19,350

material that sounds like they're going

1986

01:26:25,580 --> 01:26:23,520

to show which has I heard 80 layers but

1987

01:26:26,960 --> 01:26:25,590

don't quote me on that that this is

1988

01:26:29,210 --> 01:26:26,970

layered material like the if you

1989

01:26:30,950 --> 01:26:29,220

remember back the arts parts that Linda

1990

01:26:33,950 --> 01:26:30,960

Hop people were working on many years

1991

01:26:35,690 --> 01:26:33,960

ago and he has the you've heard and if

1992

01:26:38,180 --> 01:26:35,700

you read the New York Times story and

1993

01:26:38,919 --> 01:26:38,190

the Washington Post story you'll see the

1994

01:26:42,100 --> 01:26:38,929

reference

1995

01:26:44,259 --> 01:26:42,110

to a 490 page report well George Knapp

1996

01:26:48,549 --> 01:26:44,269

has now gone public and said there's not

1997

01:26:50,770 --> 01:26:48,559

one report there's 38 reports and are

1998

01:26:53,770 --> 01:26:50,780

over a hundred pages so all this

1999

01:26:55,989 --> 01:26:53,780

material is not controlled by by him all

2000

01:26:57,969 --> 01:26:55,999

the reports all the hardware and all the

2001

01:26:59,890 --> 01:26:57,979

video and I keep telling people even

2002

01:27:01,509 --> 01:26:59,900

today people are saying you know no it's

2003

01:27:02,890 --> 01:27:01,519

the story has moved away from Tom

2004

01:27:06,489 --> 01:27:02,900

DeLonge it's no longer the Tom DeLonge

2005

01:27:08,859 --> 01:27:06,499

story even tom was very upset a couple

2006

01:27:11,140 --> 01:27:08,869

days ago that oh that's another day

2007

01:27:13,270 --> 01:27:11,150

delay and he's all upset because people

2008

01:27:15,520 --> 01:27:13,280

are asking him because he's not

2009

01:27:17,229 --> 01:27:15,530

producing the story and he have anything

2010

01:27:18,850 --> 01:27:17,239

the story he was just sitting on the

2011

01:27:20,830 --> 01:27:18,860

sidelines like the rest of us waiting

2012

01:27:22,330 --> 01:27:20,840

for this New York Times story and and

2013

01:27:23,589 --> 01:27:22,340

because they coordinated this thing he

2014

01:27:26,379 --> 01:27:23,599

was not just the New York Times it was

2015

01:27:29,169 --> 01:27:26,389

the political and it was Washington Post

2016

01:27:30,339 --> 01:27:29,179

so all three agencies did separate

2017

01:27:31,929 --> 01:27:30,349

stories the same day and it was all

2018

01:27:34,649 --> 01:27:31,939

coordinated that this what happened and

2019

01:27:37,719 --> 01:27:34,659

of course it has gone viral and now

2020

01:27:40,390 --> 01:27:37,729

Donald Trump has been asked so we the

2021

01:27:42,219 --> 01:27:40,400

press secretary said I haven't talked to

2022

01:27:44,140 --> 01:27:42,229

the president about this but I'm gonna

2023

01:27:45,969 --> 01:27:44,150

talk to him and I'll get back to you so

2024

01:27:49,739 --> 01:27:45,979

that's where we stand with that but the

2025

01:27:52,000 --> 01:27:49,749

whole thing has basically gone viral

2026

01:27:55,089 --> 01:27:52,010

Bigelow basically controls the whole

2027

01:27:56,439 --> 01:27:55,099

story it's all in Las Vegas and I

2028

01:27:57,489 --> 01:27:56,449

remember there's an interview I've asked

2029

01:27:59,949 --> 01:27:57,499

for the interview I should have it later

2030

01:28:01,899 --> 01:27:59,959

in the afternoon 2013 interview he does

2031

01:28:03,310 --> 01:28:01,909

with George Knapp where he talks about

2032

01:28:05,379 --> 01:28:03,320

acclimatization this is an

2033

01:28:07,359 --> 01:28:05,389

acclimatization program going on and

2034

01:28:09,160 --> 01:28:07,369

George was in on this whole thing George

2035

01:28:11,020 --> 01:28:09,170

said he he didn't see a lot of the

2036

01:28:14,500 --> 01:28:11,030

material but he knew this was was going

2037

01:28:16,569 --> 01:28:14,510

on but George talked in 2030 and Bob

2038

01:28:19,060 --> 01:28:16,579

Bigelow talked about 2013 and

2039

01:28:21,580 --> 01:28:19,070

acclimatization program and he said if

2040

01:28:23,949 --> 01:28:21,590

if the business puts in money then it's

2041

01:28:25,689 --> 01:28:23,959

proprietary information so now you have

2042

01:28:27,549 --> 01:28:25,699

a situation where Bill go Bigelow

2043

01:28:28,750 --> 01:28:27,559

controls the information and he really

2044

01:28:31,239 --> 01:28:28,760

doesn't have to release it because he's

2045

01:28:34,029 --> 01:28:31,249

a it's his he owns the material he own

2046

01:28:36,040 --> 01:28:34,039

co whatever they've got it was all

2047

01:28:37,810 --> 01:28:36,050

handed over by this a Lozano guy from

2048

01:28:39,759 --> 01:28:37,820

the Department of Defense and P so now

2049

01:28:42,459 --> 01:28:39,769

people are making Elizondo is this great

2050

01:28:45,250 --> 01:28:42,469

hero he went to new york times I have my

2051
01:28:47,410 --> 01:28:45,260
White House UFO YouTube channel I

2052
01:28:49,029 --> 01:28:47,420
actually play the White House or the

2053
01:28:51,160 --> 01:28:49,039
reporter from the New York Times who

2054
01:28:52,690 --> 01:28:51,170
talks about the interview she does with

2055
01:28:55,360 --> 01:28:52,700
them how they're sort of

2056
01:28:58,270 --> 01:28:55,370
in this hotel and so now they're playing

2057
01:29:01,150 --> 01:28:58,280
him as the great hero that this is the

2058
01:29:03,790 --> 01:29:01,160
guy that he got frustrated with with the

2059
01:29:05,140 --> 01:29:03,800
government and and he quit because they

2060
01:29:06,970 --> 01:29:05,150
weren't you know they weren't taking it

2061
01:29:08,740 --> 01:29:06,980
seriously enough and it's like come on I

2062
01:29:10,390 --> 01:29:08,750
mean I keep posting this thing about

2063
01:29:17,020 --> 01:29:10,400

puppets like come on wake up folks

2064

01:29:19,360 --> 01:29:17,030

I mean the guy's a puppet and you know

2065

01:29:20,950 --> 01:29:19,370

what by the time our conference comes

2066

01:29:22,420 --> 01:29:20,960

around in March hopefully we'll be able

2067

01:29:24,610 --> 01:29:22,430

to clarify this for everybody can see

2068

01:29:26,470 --> 01:29:24,620

here's the problem they're all believing

2069

01:29:28,060 --> 01:29:26,480

this stuff they're working Tom DeLonge

2070

01:29:29,650 --> 01:29:28,070

as the hero they think this alessandra

2071

01:29:31,330 --> 01:29:29,660

guy is a hero they think all this is

2072

01:29:33,550 --> 01:29:31,340

great that will probably have disclosure

2073

01:29:35,670 --> 01:29:33,560

within the week you know and all this

2074

01:29:38,440 --> 01:29:35,680

and but it's not gonna change anything

2075

01:29:40,660 --> 01:29:38,450

yeah that's the thing it's not gonna be

2076
01:29:42,040 --> 01:29:40,670
the big disclosure I my biggest problem

2077
01:29:45,040 --> 01:29:42,050
with everything that's happened so far

2078
01:29:47,710 --> 01:29:45,050
is how come there isn't a 24/7 news

2079
01:29:50,590 --> 01:29:47,720
cycle running like the OJ trial for

2080
01:29:53,320 --> 01:29:50,600
weeks at a time with you and Stanton

2081
01:29:55,630 --> 01:29:53,330
Friedman and Steven Greer and you know I

2082
01:29:58,810 --> 01:29:55,640
mean I'm a I'm a no fish in this game

2083
01:30:02,080 --> 01:29:58,820
but Bassett should be on 24/7 on Fox

2084
01:30:04,510 --> 01:30:02,090
News I mean it's like where are all the

2085
01:30:06,070 --> 01:30:04,520
real people where all the real players

2086
01:30:07,930 --> 01:30:06,080
that have been in it for 50 years

2087
01:30:10,420 --> 01:30:07,940
they're not even being trotted out it's

2088
01:30:13,680 --> 01:30:10,430

these people from the CIA that are being

2089

01:30:15,640 --> 01:30:13,690

trotted out and playing us again yeah

2090

01:30:16,990 --> 01:30:15,650

yeah well that's the thing people are

2091

01:30:18,700 --> 01:30:17,000

missing the thing it's like you know

2092

01:30:20,650 --> 01:30:18,710

when Elizondo leaves he and this guy

2093

01:30:22,810 --> 01:30:20,660

saved his life he writes out supposedly

2094

01:30:24,970 --> 01:30:22,820

a letter to secretary Madison defense

2095

01:30:26,800 --> 01:30:24,980

and Madison saved his life in

2096

01:30:28,540 --> 01:30:26,810

Afghanistan so they're very close friend

2097

01:30:30,460 --> 01:30:28,550

and he writes this this thing that says

2098

01:30:32,620 --> 01:30:30,470

I'm you know I'm frustrated and I'm

2099

01:30:34,480 --> 01:30:32,630

quitting or whatever and the next day he

2100

01:30:35,830 --> 01:30:34,490

joins Tom DeLonge his operation and Tom

2101
01:30:38,020 --> 01:30:35,840
confirmed that he was actually talking

2102
01:30:40,330 --> 01:30:38,030
to him before he resigned quite quite a

2103
01:30:42,310 --> 01:30:40,340
bit and then suddenly he has all these

2104
01:30:44,650 --> 01:30:42,320
top secret UFO films that he's releasing

2105
01:30:46,330 --> 01:30:44,660
and I say like what it what does that

2106
01:30:48,100 --> 01:30:46,340
what he got on his going-away present he

2107
01:30:49,510 --> 01:30:48,110
got all the top secret UFO films as he

2108
01:30:51,670 --> 01:30:49,520
quits the Defense Department I mean this

2109
01:30:53,230 --> 01:30:51,680
is they're they're leaking the stuff out

2110
01:30:55,330 --> 01:30:53,240
the same as they're going to Steve

2111
01:30:57,070 --> 01:30:55,340
justice from Lockheed he's coming out

2112
01:30:59,590 --> 01:30:57,080
he's gonna bring all this material and

2113
01:31:01,420 --> 01:30:59,600

these plans for this sort of an

2114

01:31:03,190 --> 01:31:01,430

experiment and sort of an antigravity

2115

01:31:05,110 --> 01:31:03,200

experiment or whatever they're gonna

2116

01:31:06,580 --> 01:31:05,120

show and that's coming out of Lockheed

2117

01:31:08,830 --> 01:31:06,590

skunkworks that's top secret

2118

01:31:10,120 --> 01:31:08,840

1/2 so yeah this is how they're there

2119

01:31:14,350 --> 01:31:10,130

they're putting this stuff through but

2120

01:31:16,360 --> 01:31:14,360

it has gone extremely viral the guy that

2121

01:31:18,790 --> 01:31:16,370

wrote the New York Times story stated

2122

01:31:20,950 --> 01:31:18,800

this is the biggest story that the New

2123

01:31:23,470 --> 01:31:20,960

York Times has done for many years this

2124

01:31:25,060 --> 01:31:23,480

is absolutely a huge story and you can

2125

01:31:27,370 --> 01:31:25,070

see they're all on the bandwagon now and

2126

01:31:28,390 --> 01:31:27,380

they've now asked the question in the

2127

01:31:30,460 --> 01:31:28,400

White House press room

2128

01:31:33,850 --> 01:31:30,470

the reporters realize they've been had

2129

01:31:37,660 --> 01:31:33,860

and it has gone viral the story is is

2130

01:31:39,040 --> 01:31:37,670

literally almost 24/7 I mean I I really

2131

01:31:40,360 --> 01:31:39,050

don't have any time to do anything I've

2132

01:31:42,460 --> 01:31:40,370

got also it's a request for interviews

2133

01:31:44,860 --> 01:31:42,470

and I'm trying to do these updates and

2134

01:31:47,890 --> 01:31:44,870

I've it's incredible what's going on

2135

01:31:53,470 --> 01:31:47,900

well now do you think this is really

2136

01:31:57,040 --> 01:31:53,480

hitting mainstream media ahead on oh em

2137

01:31:59,560 --> 01:31:57,050

did Ella had a Lizardo CNN story today

2138

01:32:02,800 --> 01:31:59,570

is talk the top trending story on the

2139

01:32:04,570 --> 01:32:02,810

Internet really okay so then I've been

2140

01:32:06,940 --> 01:32:04,580

missing it I just I flipped on the

2141

01:32:08,920 --> 01:32:06,950

stations yesterday and I never watched

2142

01:32:11,290 --> 01:32:08,930

them and I went through 20 minutes of

2143

01:32:13,780 --> 01:32:11,300

you know I think a stock report I don't

2144

01:32:15,430 --> 01:32:13,790

think I got anything on the you're on

2145

01:32:17,050 --> 01:32:15,440

the money Channel you got to go to my

2146

01:32:20,290 --> 01:32:17,060

facebook site most of the stuff I'm

2147

01:32:22,780 --> 01:32:20,300

posting on my facebook site and on my

2148

01:32:25,930 --> 01:32:22,790

Whitehouse UFO YouTube channel I've done

2149

01:32:28,450 --> 01:32:25,940

to thirty five to thirty minute updates

2150

01:32:30,310 --> 01:32:28,460

since Saturday I did one on Saturday and

2151

01:32:31,720 --> 01:32:30,320

I did one yesterday I'm doing another

2152

01:32:33,910 --> 01:32:31,730

one tomorrow and another one Thursday

2153

01:32:35,230 --> 01:32:33,920

and this is just to update the things

2154

01:32:36,910 --> 01:32:35,240

that have happened since Saturday and

2155

01:32:39,700 --> 01:32:36,920

they're there like 30 minutes 30 minutes

2156

01:32:41,050 --> 01:32:39,710

long these updates as to this happened

2157

01:32:43,090 --> 01:32:41,060

this happened like today I have to add

2158

01:32:45,430 --> 01:32:43,100

the thing about Donald Trump being asked

2159

01:32:47,410 --> 01:32:45,440

and the New York Times has put out a

2160

01:32:49,750 --> 01:32:47,420

second article the guy who wrote it this

2161

01:32:51,910 --> 01:32:49,760

Ralph Blumenthal has put out a second

2162

01:32:53,530 --> 01:32:51,920

article and from what I've been told by

2163

01:32:55,360 --> 01:32:53,540

some buddies in contact he has a whole

2164

01:32:59,100 --> 01:32:55,370

series of articles coming out and he

2165

01:33:01,510 --> 01:32:59,110

also has a book coming out on John Mac

2166

01:33:04,180 --> 01:33:01,520

really cool I love it

2167

01:33:06,250 --> 01:33:04,190

John's amazing so these are major this

2168

01:33:08,980 --> 01:33:06,260

is this is the New York Times Washington

2169

01:33:12,010 --> 01:33:08,990

when we go out to eat we never agree on

2170

01:33:13,840 --> 01:33:12,020

where to go burgers pizza tacos it is

2171

01:33:16,000 --> 01:33:13,850

the one thing we do agree on is we all

2172

01:33:17,020 --> 01:33:16,010

want unlimited high-speed data that's

2173

01:33:19,779 --> 01:33:17,030

why we switch

2174

01:33:21,459 --> 01:33:19,789

MetroPCS stop by metro pcs with the

2175

01:33:24,040 --> 01:33:21,469

whole family and get four lines with

2176
01:33:26,680 --> 01:33:24,050
unlimited LTE data for just \$100 period

2177
01:33:27,879 --> 01:33:26,690
metro pcs Wireless figured out covers

2178
01:33:28,930 --> 01:33:27,889
not available in some areas offered by

2179
01:33:30,279 --> 01:33:28,940
reporting of number not currently active

2180
01:33:31,330 --> 01:33:30,289
on t-mobile network during congestion

2181
01:33:32,979 --> 01:33:31,340
the fraction of customers used more than

2182
01:33:34,689 --> 01:33:32,989
35 gigs per month made us reduce beats

2183
01:33:35,799 --> 01:33:34,699
video streams depth of 40 P no tethering

2184
01:33:38,169 --> 01:33:35,809
C store for details in terms and

2185
01:33:40,149 --> 01:33:38,179
conditions post and political all

2186
01:33:42,609 --> 01:33:40,159
coordinated their stories the same day

2187
01:33:44,549 --> 01:33:42,619
and fortune magazine ran a story today

2188
01:33:47,379 --> 01:33:44,559

it's it's got some new details in it

2189

01:33:49,149 --> 01:33:47,389

basically every major news media even

2190

01:33:51,189 --> 01:33:49,159

the Chinese picked it up to che tiny

2191

01:33:55,149 --> 01:33:51,199

Chinese Daily News reran The Washington

2192

01:33:57,640 --> 01:33:55,159

Post story Wow okay so now here's the

2193

01:33:59,950 --> 01:33:57,650

million dollar question what difference

2194

01:34:01,060 --> 01:33:59,960

isn't making in the way everybody runs

2195

01:34:02,799 --> 01:34:01,070

their daily lives

2196

01:34:08,020 --> 01:34:02,809

is it done anything is it changed

2197

01:34:09,549 --> 01:34:08,030

anything that you can tell grasping

2198

01:34:11,319 --> 01:34:09,559

what's happening well people are

2199

01:34:12,729 --> 01:34:11,329

realizing this is for real that that

2200

01:34:14,740 --> 01:34:12,739

that that the government has this

2201

01:34:16,120 --> 01:34:14,750

material but again I've always said it's

2202

01:34:19,209 --> 01:34:16,130

never going to change your life even if

2203

01:34:21,160 --> 01:34:19,219

you know you know that they blew up the

2204

01:34:22,660 --> 01:34:21,170

World Trade Center or that UFOs are real

2205

01:34:25,060 --> 01:34:22,670

it really doesn't change anything this

2206

01:34:26,919 --> 01:34:25,070

is still going to come down to what do

2207

01:34:28,810 --> 01:34:26,929

you think your life is about and what

2208

01:34:31,479 --> 01:34:28,820

are you doing about you know and most

2209

01:34:33,490 --> 01:34:31,489

people their life is about surviving

2210

01:34:34,899 --> 01:34:33,500

about paying the bills about not getting

2211

01:34:36,790 --> 01:34:34,909

thrown out of their house about taking

2212

01:34:37,689 --> 01:34:36,800

their kids to soccer practice that's for

2213

01:34:39,580 --> 01:34:37,699

most people what it's about

2214

01:34:41,859 --> 01:34:39,590

and it's just a it's just an interest

2215

01:34:43,060 --> 01:34:41,869

item for most people and that's why we

2216

01:34:44,620 --> 01:34:43,070

can never get this thing going is

2217

01:34:46,209 --> 01:34:44,630

because most people they don't want to

2218

01:34:47,529 --> 01:34:46,219

donate to the thing I mean no sit there

2219

01:34:48,910 --> 01:34:47,539

listen to a story they'll listen to you

2220

01:34:50,439 --> 01:34:48,920

but the minute you have to put some

2221

01:34:52,120 --> 01:34:50,449

money up or whatever because it really

2222

01:34:54,220 --> 01:34:52,130

doesn't affect anybody's daily life it

2223

01:34:56,290 --> 01:34:54,230

doesn't effect your paycheck or anything

2224

01:34:57,939 --> 01:34:56,300

like that and so for most people it's

2225

01:34:59,620 --> 01:34:57,949

like it's like an interesting story that

2226

01:35:01,299 --> 01:34:59,630

they like to hear I mean in the 19th

2227

01:35:03,760 --> 01:35:01,309

century we used to have mediums we'd

2228

01:35:05,890 --> 01:35:03,770

call in mediums and do seances and talk

2229

01:35:08,350 --> 01:35:05,900

to dead people and now we follow UFO

2230

01:35:10,060 --> 01:35:08,360

stories for rich people and people who

2231

01:35:12,010 --> 01:35:10,070

are wined entertainment this is what

2232

01:35:13,270 --> 01:35:12,020

they do and that's why it's the biggest

2233

01:35:15,250 --> 01:35:13,280

story for New York Times because most

2234

01:35:16,390 --> 01:35:15,260

people it's a really cool story I mean

2235

01:35:18,220 --> 01:35:16,400

you don't have to read about Donald

2236

01:35:20,379 --> 01:35:18,230

Trump today now we can and and they even

2237

01:35:21,910 --> 01:35:20,389

said that that this is a break from like

2238

01:35:24,399 --> 01:35:21,920

Donald Trump that we can actually do

2239

01:35:26,109 --> 01:35:24,409

this story and people can take a break

2240

01:35:29,680 --> 01:35:26,119

and go to this really interesting story

2241

01:35:30,459 --> 01:35:29,690

about the fact that they had this 30 37

2242

01:35:33,160 --> 01:35:30,469

foot craft

2243

01:35:34,450 --> 01:35:33,170

that was flipping around and these guys

2244

01:35:35,589 --> 01:35:34,460

were chasing it and it was you know

2245

01:35:37,089 --> 01:35:35,599

doing all these different things and

2246

01:35:39,520 --> 01:35:37,099

people look at the video and they go

2247

01:35:40,689 --> 01:35:39,530

whoo ah but they just go back because

2248

01:35:43,600 --> 01:35:40,699

you got to take a kid to soccer practice

2249

01:35:45,899 --> 01:35:43,610

you gotta pay your bills most people

2250

01:35:48,430 --> 01:35:45,909

it's not gonna affect them and

2251

01:35:51,279 --> 01:35:48,440

deep-seated implications are that we're

2252

01:35:53,200 --> 01:35:51,289

not alone so affecting them but you know

2253

01:35:54,669 --> 01:35:53,210

what I think we've brainwashed everybody

2254

01:35:56,290 --> 01:35:54,679

enough there's so much mind control

2255

01:35:56,739 --> 01:35:56,300

going out the damn cell phones and

2256

01:35:58,629 --> 01:35:56,749

everything

2257

01:36:00,370 --> 01:35:58,639

I don't think everybody's like oh yeah

2258

01:36:04,660 --> 01:36:00,380

it's like a video game okay cool you

2259

01:36:07,959 --> 01:36:04,670

know I mean they're not grasping the and

2260

01:36:09,520 --> 01:36:07,969

and even even when that sinks in the

2261

01:36:11,169 --> 01:36:09,530

portal people have now started to push

2262

01:36:12,339 --> 01:36:11,179

it looks like they're they realize

2263

01:36:14,950 --> 01:36:12,349

they've sort of missed the boat here and

2264

01:36:17,500 --> 01:36:14,960

they're gonna push I'm 95% sure this

2265

01:36:19,839 --> 01:36:17,510

portal story is for real I've got people

2266

01:36:21,850 --> 01:36:19,849

who may actually be involved in this

2267

01:36:23,410 --> 01:36:21,860

whole thing they are pushing this thing

2268

01:36:25,209 --> 01:36:23,420

and this goes to a whole new level this

2269

01:36:27,189 --> 01:36:25,219

goes to the whole thing of the spiritual

2270

01:36:28,810 --> 01:36:27,199

aspects of this thing of the fact that

2271

01:36:30,549 --> 01:36:28,820

this is not as material as people think

2272

01:36:33,910 --> 01:36:30,559

it is that they are coming through these

2273

01:36:36,489 --> 01:36:33,920

these portals and and and and this could

2274

01:36:38,709 --> 01:36:36,499

completely absolutely destroys the

2275

01:36:40,839 --> 01:36:38,719

Parrot the materialistic paradigm that

2276

01:36:43,000 --> 01:36:40,849

this whole world is built on and they're

2277

01:36:44,819 --> 01:36:43,010

saying that this is a scam story that

2278

01:36:47,379 --> 01:36:44,829

it's bit is based on making money and

2279

01:36:49,180 --> 01:36:47,389

that this is not the real story that if

2280

01:36:51,160 --> 01:36:49,190

you're looking into technology of UFOs

2281

01:36:52,390 --> 01:36:51,170

you have missed the story that's what

2282

01:36:54,640 --> 01:36:52,400

the portal people are starting to push

2283

01:36:56,290 --> 01:36:54,650

so I'm watching them closely now and to

2284

01:36:57,609 --> 01:36:56,300

see whether they can actually deliver

2285

01:36:57,879 --> 01:36:57,619

their story because they just messed it

2286

01:37:00,549 --> 01:36:57,889

up

2287

01:37:02,919 --> 01:37:00,559

whereas Bigelow and all the people

2288

01:37:04,600 --> 01:37:02,929

behind that thing absolutely did this

2289

01:37:06,549 --> 01:37:04,610

thing to a tee they actually made this

2290

01:37:08,379 --> 01:37:06,559

thing go viral the portal people just

2291

01:37:10,270 --> 01:37:08,389

completely messed up their there the

2292

01:37:12,910 --> 01:37:10,280

story that they wanted to put up yeah

2293

01:37:15,129 --> 01:37:12,920

yeah because it doesn't it's not solid

2294

01:37:16,359 --> 01:37:15,139

enough if it you know it isn't a Bob

2295

01:37:17,799 --> 01:37:16,369

Bigelow is behind it and here's the

2296

01:37:20,890 --> 01:37:17,809

money and you know we can follow this in

2297

01:37:22,810 --> 01:37:20,900

here the pieces they've got this enigma

2298

01:37:25,089 --> 01:37:22,820

you know that they're trying to deal

2299

01:37:27,219 --> 01:37:25,099

with and they and trying to get that for

2300

01:37:28,779 --> 01:37:27,229

to people to believe it well you know

2301

01:37:30,399 --> 01:37:28,789

you never know grant maybe they're gonna

2302

01:37:33,729 --> 01:37:30,409

get a video camera out and they're gonna

2303

01:37:35,620 --> 01:37:33,739

record the whole thing well that's what

2304

01:37:37,419 --> 01:37:35,630

I've heard I mean I can't really say too

2305

01:37:39,640 --> 01:37:37,429

much about it but it appears in the next

2306

01:37:43,419 --> 01:37:39,650

couple of months and I will say if it

2307

01:37:44,380 --> 01:37:43,429

gets confirmed I will say 100% that this

2308

01:37:46,150 --> 01:37:44,390

thing's for real because

2309

01:37:48,040 --> 01:37:46,160

they are sounds like they're gonna make

2310

01:37:49,780 --> 01:37:48,050

a move to sort of prove this and

2311

01:37:51,880 --> 01:37:49,790

indirectly to me but we'll see what

2312

01:37:53,590 --> 01:37:51,890

happens and the people that the people

2313

01:37:54,910 --> 01:37:53,600

that will be involved I absolutely would

2314

01:37:56,320 --> 01:37:54,920

trust with my life that these people

2315

01:37:59,200 --> 01:37:56,330

will be it's gone not gonna do anything

2316

01:38:03,730 --> 01:37:59,210

me but so that's the thing is they're

2317

01:38:05,470 --> 01:38:03,740

putting down the the story of the New

2318

01:38:06,880 --> 01:38:05,480

York Times as being sort of a money grab

2319

01:38:08,500 --> 01:38:06,890

and that may be what it is it's like

2320

01:38:10,900 --> 01:38:08,510

you're trying to get hold of technology

2321

01:38:13,060 --> 01:38:10,910

now Bigelow controls all the technology

2322

01:38:15,790 --> 01:38:13,070

he absolutely controls a whole story now

2323

01:38:18,340 --> 01:38:15,800

and it's about making money it's about

2324

01:38:20,500 --> 01:38:18,350

technology it's nuts and bolts and in

2325

01:38:22,030 --> 01:38:20,510

the end the UFO story may not be as nuts

2326

01:38:24,670 --> 01:38:22,040

and bolts as you think it is even Jim

2327

01:38:26,140 --> 01:38:24,680

semi man who runs the tombola operation

2328

01:38:27,940 --> 01:38:26,150

said and I quote this all the time and

2329

01:38:29,440 --> 01:38:27,950

this is a guy who had three beings in

2330

01:38:31,750 --> 01:38:29,450

his room and his wife was doubled over

2331

01:38:33,610 --> 01:38:31,760

in the bed and he suddenly was out in

2332

01:38:35,290 --> 01:38:33,620

the yard in his pajamas and watch this

2333

01:38:38,140 --> 01:38:35,300

flying saucer fly way this is a

2334

01:38:40,300 --> 01:38:38,150

presidential briefer from the CIA who

2335

01:38:42,130 --> 01:38:40,310

said the idea that we can measure this

2336

01:38:43,720 --> 01:38:42,140

thing is laughable how do you define

2337

01:38:46,300 --> 01:38:43,730

something where there does not appear to

2338

01:38:48,040 --> 01:38:46,310

be any there-there this has got to do

2339

01:38:50,200 --> 01:38:48,050

with consciousness this has got to do

2340

01:38:54,520 --> 01:38:50,210

with multidimensionality that is beyond

2341

01:38:56,680 --> 01:38:54,530

anything that we have in science I could

2342

01:38:58,600 --> 01:38:56,690

have said it better but see where is

2343

01:39:01,720 --> 01:38:58,610

that quote that should be on every Bible

2344

01:39:05,670 --> 01:39:01,730

yes he wrote it in sight he wrote an

2345

01:39:13,960 --> 01:39:08,890

second book and then it ties in I even

2346

01:39:19,420 --> 01:39:13,970

got a email from Chris Bledsoe he said I

2347

01:39:22,210 --> 01:39:19,430

just want to let you know that the I was

2348

01:39:24,640 --> 01:39:22,220

the first Star team person that they did

2349

01:39:26,650 --> 01:39:24,650

and the star team was was it would they

2350

01:39:29,650 --> 01:39:26,660

had mute on but who are doing it right

2351
01:39:31,690 --> 01:39:29,660
and then Bigelow has 46 full time people

2352
01:39:33,820 --> 01:39:31,700
who are the star team who go in and

2353
01:39:36,460 --> 01:39:33,830
investigate UFO stuff and it was all

2354
01:39:38,710 --> 01:39:36,470
paid for by black ops but Chris Bledsoe

2355
01:39:40,750 --> 01:39:38,720
was the first in 2007 and that's when

2356
01:39:42,730 --> 01:39:40,760
this thing started and that's why Jim

2357
01:39:44,740 --> 01:39:42,740
semi ban knew about Chris Bledsoe at the

2358
01:39:46,150 --> 01:39:44,750
very beginning because it was all an

2359
01:39:48,220 --> 01:39:46,160
inside operation it was going through

2360
01:39:50,080 --> 01:39:48,230
Bigelow and gathering up all the

2361
01:39:51,190 --> 01:39:50,090
material from experiencers and all the

2362
01:39:53,620 --> 01:39:51,200
move on people who thought they were

2363
01:39:55,210 --> 01:39:53,630

doing it you know to increase things

2364

01:39:57,880 --> 01:39:55,220

were basically working for the black ops

2365

01:39:58,209 --> 01:39:57,890

that's right absolutely and I need that

2366

01:40:00,189 --> 01:39:58,219

for

2367

01:40:02,739 --> 01:40:00,199

very beginning to I knew I smelled a rat

2368

01:40:04,330 --> 01:40:02,749

I was like no no no there's much more to

2369

01:40:06,939 --> 01:40:04,340

this story that people think you know

2370

01:40:09,640 --> 01:40:06,949

because everybody as the story came out

2371

01:40:11,379 --> 01:40:09,650

back then everybody bailed or jumped

2372

01:40:13,569 --> 01:40:11,389

ship or whatever but there was a certain

2373

01:40:15,250 --> 01:40:13,579

core group of people that were basically

2374

01:40:22,209 --> 01:40:15,260

winking at each other and I knew

2375

01:40:23,979 --> 01:40:22,219

something was deep deep going on in your

2376

01:40:25,089 --> 01:40:23,989

book you can put it in your book you're

2377

01:40:26,469 --> 01:40:25,099

part of your story because I hear your

2378

01:40:34,390 --> 01:40:26,479

story too you're gonna you got to

2379

01:40:36,669 --> 01:40:34,400

disclose now my aliens or angels or

2380

01:40:37,330 --> 01:40:36,679

whatever my whatever I do if I don't do

2381

01:40:39,239 --> 01:40:37,340

with grace

2382

01:40:41,830 --> 01:40:39,249

I don't do with any of these guys I was

2383

01:40:45,640 --> 01:40:41,840

unfortunate enough not to get off that I

2384

01:40:47,290 --> 01:40:45,650

guess but mine is very subtle but man

2385

01:40:49,899 --> 01:40:47,300

I'm telling you grant the things they

2386

01:40:51,219 --> 01:40:49,909

tell me see what they've been doing all

2387

01:40:53,919 --> 01:40:51,229

along has they've been feeding me

2388

01:40:55,689 --> 01:40:53,929

information from the other side and at

2389

01:40:57,939 --> 01:40:55,699

one point I know if I ever told you this

2390

01:41:01,930 --> 01:40:57,949

I'm in the car driving back from Las

2391

01:41:04,569 --> 01:41:01,940

Vegas and I feel arms come around me for

2392

01:41:07,629 --> 01:41:04,579

through the back seat and hold me around

2393

01:41:10,180 --> 01:41:07,639

the waist and then I feel this cold skin

2394

01:41:12,129 --> 01:41:10,190

up against my cheek right next to me and

2395

01:41:14,169 --> 01:41:12,139

I'm driving the car and I'm like oh my

2396

01:41:19,149 --> 01:41:14,179

god what's going on and I'm freaking out

2397

01:41:22,330 --> 01:41:19,159

and I hear this and I'm going oh my god

2398

01:41:25,660 --> 01:41:22,340

oh my god and then I hear I'm part of

2399

01:41:29,529 --> 01:41:25,670

the rebellion for the reptilian

2400

01:41:31,629 --> 01:41:29,539

rebellion you are working with us we

2401

01:41:33,009 --> 01:41:31,639

love you you're doing great work we're

2402

01:41:35,109 --> 01:41:33,019

gonna keep giving you the information

2403

01:41:37,270 --> 01:41:35,119

you need or something like that you know

2404

01:41:39,009 --> 01:41:37,280

is this I was so flipped out I could

2405

01:41:41,140 --> 01:41:39,019

barely I mean I'm feeling this cold

2406

01:41:44,290 --> 01:41:41,150

clammy skin up against my cheek and I'm

2407

01:41:46,419 --> 01:41:44,300

just freaking out thank God it was right

2408

01:41:48,700 --> 01:41:46,429

outside of Pern on the ten heading

2409

01:41:51,040 --> 01:41:48,710

towards LA and there's a rest stop in

2410

01:41:52,719 --> 01:41:51,050

the valley there and I pulled into the

2411

01:41:54,489 --> 01:41:52,729

rest stop and I swear to god grant I was

2412

01:41:56,439 --> 01:41:54,499

shaking like a leaf and i sat there and

2413

01:41:58,330 --> 01:41:56,449

shook for about an hour and then I

2414

01:42:00,609 --> 01:41:58,340

realized what had happened they were

2415

01:42:03,100 --> 01:42:00,619

telling me that all the information they

2416

01:42:05,979 --> 01:42:03,110

were giving me was it an inside track to

2417

01:42:08,770 --> 01:42:05,989

everything that was going on and I was

2418

01:42:11,169 --> 01:42:08,780

like holy crapola that's healthy words

2419

01:42:12,040 --> 01:42:11,179

like you used to describe it and it's

2420

01:42:14,080 --> 01:42:12,050

like it's like an

2421

01:42:15,339 --> 01:42:14,090

knowing I mean your contact do you

2422

01:42:17,589 --> 01:42:15,349

understand that it's like you just

2423

01:42:20,140 --> 01:42:17,599

suddenly know stuff right yeah like

2424

01:42:22,899 --> 01:42:20,150

going what the heck and it seems that

2425

01:42:25,450 --> 01:42:22,909

they've been gearing me or sliding me

2426

01:42:27,479 --> 01:42:25,460

into doing radio television doing all

2427

01:42:30,220 --> 01:42:27,489

these things so that I could you know

2428

01:42:31,479 --> 01:42:30,230

peace out little bits of information

2429

01:42:34,990 --> 01:42:31,489

about this like you know one of the

2430

01:42:36,430 --> 01:42:35,000

things they told me was that I I really

2431

01:42:38,290 --> 01:42:36,440

didn't follow for a long time was the

2432

01:42:41,560 --> 01:42:38,300

fact that blind people cannot be

2433

01:42:43,510 --> 01:42:41,570

controlled by the graves okay because

2434

01:42:45,700 --> 01:42:43,520

they only write they can get into your

2435

01:42:48,160 --> 01:42:45,710

head is through your optical nerves yeah

2436

01:42:49,569 --> 01:42:48,170

yeah so you know I mean they tell me

2437

01:42:51,640 --> 01:42:49,579

weird stuff like that not that it makes

2438

01:42:53,830 --> 01:42:51,650

any difference to anybody but it's like

2439

01:42:56,290 --> 01:42:53,840

and then when I feel then these these

2440

01:42:57,790 --> 01:42:56,300

little bits of information keep coming

2441

01:42:59,770 --> 01:42:57,800

out and people are winking at each other

2442

01:43:01,180 --> 01:42:59,780

and stuff is going on and I'm like you

2443

01:43:02,859 --> 01:43:01,190

know what that's not right that's not

2444

01:43:06,280 --> 01:43:02,869

what's going on here I can see right

2445

01:43:10,899 --> 01:43:06,290

through all their their BS my BS meter

2446

01:43:11,350 --> 01:43:10,909

is off the charts and you know what

2447

01:43:13,569 --> 01:43:11,360

that's like

2448

01:43:17,709 --> 01:43:13,579

I think most of the contact these have

2449

01:43:19,689 --> 01:43:17,719

highly tuned BS meters yeah and it's

2450

01:43:22,419 --> 01:43:19,699

very interesting Melinda's got one too

2451

01:43:24,459 --> 01:43:22,429

and when her and I corner somebody oh my

2452

01:43:27,549 --> 01:43:24,469

God look out the person does have a

2453

01:43:31,600 --> 01:43:27,559

prayer to survive that interrogation I'm

2454

01:43:33,220 --> 01:43:31,610

telling ya so anyhow yeah it's great to

2455

01:43:35,020 --> 01:43:33,230

know but I'll tell you what grant you I

2456

01:43:37,450 --> 01:43:35,030

look forward to I look forward to having

2457

01:43:39,100 --> 01:43:37,460

a farm and some goats making pottery and

2458

01:43:41,470 --> 01:43:39,110

jewelry and just forgetting that I was

2459

01:43:44,260 --> 01:43:41,480

ever in the whole UFO things once it's

2460

01:43:47,169 --> 01:43:44,270

broken and everybody knows it's real

2461

01:43:49,109 --> 01:43:47,179

then you know I our job is done maybe

2462

01:43:51,220 --> 01:43:49,119

maybe we can go play hockey or Sun

2463

01:43:52,330 --> 01:43:51,230

another rabbit hole once you're out of

2464

01:43:52,629 --> 01:43:52,340

that one they dragged you down another

2465

01:43:55,270 --> 01:43:52,639

one

2466

01:43:56,890 --> 01:43:55,280

god I hope no I really do you know I was

2467

01:43:58,689 --> 01:43:56,900

saying this may be my last UFO

2468

01:43:59,890 --> 01:43:58,699

conference well that's what that's what

2469

01:44:01,660 --> 01:43:59,900

I always say I tried to get out of the

2470

01:44:03,669 --> 01:44:01,670

UFO thing so many times and every time I

2471

01:44:05,709 --> 01:44:03,679

do they drag me in with you know some

2472

01:44:07,479 --> 01:44:05,719

bizarre thing like I told the story like

2473

01:44:09,760 --> 01:44:07,489

when I went to shots now I was out of

2474

01:44:10,930 --> 01:44:09,770

the UFO thing I went to meditate on the

2475

01:44:12,549 --> 01:44:10,940

side of a mountain and suddenly the

2476

01:44:15,069 --> 01:44:12,559

cellphone rings and I get this message

2477

01:44:17,229 --> 01:44:15,079

from an alien about a story that they

2478

01:44:19,149 --> 01:44:17,239

wanted to do a an option for a movie on

2479

01:44:20,859 --> 01:44:19,159

my book that I no interest in and it was

2480

01:44:22,390 --> 01:44:20,869

like I said you can't even make this

2481

01:44:24,520 --> 01:44:22,400

stuff up I mean I'm back down this

2482

01:44:25,270 --> 01:44:24,530

rabbit hole now this whole thing with

2483

01:44:27,820 --> 01:44:25,280

Tom de la

2484

01:44:30,310 --> 01:44:27,830

and it's like you know I mean Melinda

2485

01:44:33,070 --> 01:44:30,320

gave me 80 pages of new material on

2486

01:44:34,960 --> 01:44:33,080

these inside guys I'm going on no now we

2487

01:44:36,910 --> 01:44:34,970

got to do another sort of you know

2488

01:44:38,740 --> 01:44:36,920

presentation or book or something we

2489

01:44:41,290 --> 01:44:38,750

gotta you know all this new material and

2490

01:44:42,640 --> 01:44:41,300

it's like you it's like we always have

2491

01:44:44,800 --> 01:44:42,650

that joke you know when people quit the

2492

01:44:48,780 --> 01:44:44,810

UFO field we always said don't worry

2493

01:44:51,820 --> 01:44:48,790

they'll be back they'll be back nobody

2494

01:44:53,170 --> 01:44:51,830

know it's so true it's so darn true I

2495

01:44:54,700 --> 01:44:53,180

you just kidding you believe it and I

2496

01:44:57,070 --> 01:44:54,710

want you to know something I don't know

2497

01:44:59,530 --> 01:44:57,080

if Melinda told you this but two years

2498

01:45:01,780 --> 01:44:59,540

ago Melinda and I had that same pack in

2499

01:45:03,580 --> 01:45:01,790

a paper and we gave it to some very

2500

01:45:07,770 --> 01:45:03,590

prominent people in the community you

2501
01:45:10,810 --> 01:45:07,780
know they never even contacted oh no

2502
01:45:13,960 --> 01:45:10,820
seriously oh yeah her and I have been

2503
01:45:17,710 --> 01:45:13,970
going over that material with with Randy

2504
01:45:19,090 --> 01:45:17,720
copain as I must say going on for a long

2505
01:45:21,520 --> 01:45:19,100
time we've been trying to get somebody

2506
01:45:23,500 --> 01:45:21,530
to pay attention but it just wasn't time

2507
01:45:26,440 --> 01:45:23,510
yet you know yeah yeah well I really

2508
01:45:28,210 --> 01:45:26,450
appreciate being pick because I worked

2509
01:45:29,680 --> 01:45:28,220
on the same thing for so many years and

2510
01:45:31,360 --> 01:45:29,690
I'm going somebody else did the same

2511
01:45:33,160 --> 01:45:31,370
thing I'm going oh oh you know this is

2512
01:45:34,090 --> 01:45:33,170
like it validates all the stuff I did

2513
01:45:35,800 --> 01:45:34,100

for many years

2514

01:45:38,230 --> 01:45:35,810

absolutely you know I don't I don't

2515

01:45:40,960 --> 01:45:38,240

think it's a coincidence that we all

2516

01:45:42,490 --> 01:45:40,970

discovered this right now everybody's

2517

01:45:45,070 --> 01:45:42,500

been working on this on the side that

2518

01:45:47,290 --> 01:45:45,080

you know all these years because it

2519

01:45:49,090 --> 01:45:47,300

wasn't time yet you know the they hate

2520

01:45:51,070 --> 01:45:49,100

but trust me they're orchestrating what

2521

01:45:54,430 --> 01:45:51,080

we do it's not like we get a choice in

2522

01:45:57,460 --> 01:45:54,440

them yeah yeah agree anyhow what are you

2523

01:45:59,380 --> 01:45:57,470

doing for Christmas um not too much you

2524

01:46:00,910 --> 01:45:59,390

have family dinner and that's about it

2525

01:46:03,610 --> 01:46:00,920

and I do a little bit of volunteer work

2526

01:46:05,860 --> 01:46:03,620

and I would say it's probably gonna be

2527

01:46:09,640 --> 01:46:05,870

the same as the last couple of days like

2528

01:46:11,650 --> 01:46:09,650

15 hours a day on this new disclosure as

2529

01:46:13,480 --> 01:46:11,660

this thing unravels it's it's incredible

2530

01:46:16,870 --> 01:46:13,490

I mean I haven't not got time to do

2531

01:46:19,780 --> 01:46:16,880

anything don't believe I hear ya oh my

2532

01:46:21,580 --> 01:46:19,790

god well I'm gonna be well by the time

2533

01:46:23,230 --> 01:46:21,590

this airs all have eaten my Christmas

2534

01:46:25,390 --> 01:46:23,240

dinner and I'll be getting ready for New

2535

01:46:27,420 --> 01:46:25,400

Year's so it'll be very interesting to

2536

01:46:30,340 --> 01:46:27,430

see what's happening by that Wednesday

2537

01:46:32,500 --> 01:46:30,350

and I should probably have you on the

2538

01:46:35,110 --> 01:46:32,510

show on I are in probably in January

2539

01:46:36,250 --> 01:46:35,120

sometime we'll do an update before the

2540

01:46:38,440 --> 01:46:36,260

conference

2541

01:46:39,760 --> 01:46:38,450

and then we'll get everybody set for the

2542

01:46:41,950 --> 01:46:39,770

conference and then they can get the

2543

01:46:45,100 --> 01:46:41,960

whole history and then in one evening

2544

01:46:46,780 --> 01:46:45,110

yeah that's like I posted on I did open

2545

01:46:48,580 --> 01:46:46,790

minds where a lot of these people drop

2546

01:46:50,229 --> 01:46:48,590

these intelligence people drop the stuff

2547

01:46:52,479 --> 01:46:50,239

I put on there and I also put on my

2548

01:46:54,870 --> 01:46:52,489

Facebook fasten your seat belts it

2549

01:46:57,370 --> 01:46:54,880

appears we're about to go very very fast

2550

01:47:00,640 --> 01:46:57,380

yeah I can't wait

2551

01:47:03,220 --> 01:47:00,650

well happy holidays grant thank you on

2552

01:47:05,050 --> 01:47:03,230

and you've everybody out there thank you

2553

01:47:07,750 --> 01:47:05,060

so much for tuning into this holiday

2554

01:47:10,300 --> 01:47:07,760

special and I will see you in 2018 have

2555

01:47:12,910 --> 01:47:10,310

a great one good night everyone when we

2556

01:47:15,940 --> 01:47:12,920

go out to eat we never agree on where to

2557

01:47:17,800 --> 01:47:15,950

go what burgers heats up tacos it is the

2558

01:47:19,960 --> 01:47:17,810

one thing we do agree on is we all want

2559

01:47:23,020 --> 01:47:19,970

unlimited high-speed data that's why we

2560

01:47:24,700 --> 01:47:23,030

switch to metro pcs stop by metro pcs

2561

01:47:27,070 --> 01:47:24,710

with the whole family and get four lines

2562

01:47:29,740 --> 01:47:27,080

with unlimited LTE data for just \$100

2563

01:47:31,000 --> 01:47:29,750

period metro pcs Wireless figured out

2564

01:47:32,110 --> 01:47:31,010

covers not available in some areas

2565

01:47:33,040 --> 01:47:32,120

offered by reporting of number not

2566

01:47:34,240 --> 01:47:33,050

currently active on t-mobile network

2567

01:47:35,470 --> 01:47:34,250

during congestion the fraction of

2568

01:47:36,850 --> 01:47:35,480

customers used more than 35 gigs per

2569

01:47:38,590 --> 01:47:36,860

month may notice produce beats video
