

 UFO Headline News | Friday December 29th, 2017

 Listen on  
[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:09,220 --> 00:00:03,760  
welcome to UFO headline news with me

2  
00:00:12,680 --> 00:00:09,230  
today is Friday December 29 2017 and

3  
00:00:16,760 --> 00:00:12,690  
blasting off right from the start with

4  
00:00:21,560 --> 00:00:16,770  
UFO reports we have a UFO sighting in

5  
00:00:25,939 --> 00:00:21,570  
gardenia California or Gardena this

6  
00:00:28,250 --> 00:00:25,949  
happened December 22nd 2017 in brief the

7  
00:00:32,659 --> 00:00:28,260  
witness states I took a pic of the

8  
00:00:35,510 --> 00:00:32,669  
SpaceX launch and saw and pic and more

9  
00:00:37,940 --> 00:00:35,520  
detail they say I was outside and saw

10  
00:00:41,360 --> 00:00:37,950  
the smoke trail from the SpaceX launch

11  
00:00:44,090 --> 00:00:41,370  
and snapped a pic didn't think anything

12  
00:00:47,959 --> 00:00:44,100  
of it and next day looked at the pic

13  
00:00:51,680 --> 00:00:47,969

again and noticed two diamond shapes

14

00:00:55,430 --> 00:00:51,690

green and color in the pic have sent to

15

00:00:57,560 --> 00:00:55,440

other places but have had no responses

16

00:01:01,819 --> 00:00:57,570

hmm fascinating

17

00:01:05,299 --> 00:01:01,829

the next UFO sighting occurred in Bethel

18

00:01:11,149 --> 00:01:05,309

for both all Bethel where both all this

19

00:01:14,710 --> 00:01:11,159

occurred December 28th 2017 6 - UFO

20

00:01:18,230 --> 00:01:14,720

flying a clouds with a bright light in

21

00:01:20,060 --> 00:01:18,240

more detail the witness states was going

22

00:01:23,240 --> 00:01:20,070

out to have a smoke when I noticed a few

23

00:01:26,510 --> 00:01:23,250

bright lights flying in the clouds with

24

00:01:28,850 --> 00:01:26,520

high speed and changing direction with a

25

00:01:31,670 --> 00:01:28,860

blink of an eye or in a blink of an eye

26

00:01:34,640 --> 00:01:31,680

that's what I should say I did not call

27

00:01:37,700 --> 00:01:34,650

my wife up until I saw two passing each

28

00:01:41,060 --> 00:01:37,710

other and stopping and hovering for a

29

00:01:43,490 --> 00:01:41,070

split second then they twirled over each

30

00:01:46,670 --> 00:01:43,500

other that's when I called my wife to

31

00:01:49,190 --> 00:01:46,680

come and see what I did see we noticed a

32

00:01:52,670 --> 00:01:49,200

couple of them flying fast in a zigzag

33

00:01:56,560 --> 00:01:52,680

motion then just as fast as it started

34

00:02:00,050 --> 00:01:56,570

it ended I never believed in UFOs but

35

00:02:06,289 --> 00:02:00,060

after this I may be looking into it

36

00:02:10,430 --> 00:02:06,299

maybe ok no next UFO sighting occurred

37

00:02:13,630 --> 00:02:10,440

in Ankara Ankara not sure where that is

38

00:02:17,420 --> 00:02:13,640

this occurred November 28th

39

00:02:21,170 --> 00:02:17,430

20:17 and brief they say it was a black

40

00:02:23,690 --> 00:02:21,180

object with three vertical red lines in

41

00:02:26,300 --> 00:02:23,700

more detail they state I was eating

42

00:02:27,979 --> 00:02:26,310

dinner with my girlfriend at home the

43

00:02:31,070 --> 00:02:27,989

red lights caught my eye

44

00:02:34,580 --> 00:02:31,080

they were brighter than any usual planes

45

00:02:38,770 --> 00:02:34,590

had I just thought that it was a UFO

46

00:02:42,559 --> 00:02:38,780

it was a dark oval object with three

47

00:02:45,830 --> 00:02:42,569

distinct vertical red lines on it the

48

00:02:46,789 --> 00:02:45,840

lights went on and off from bottom to

49

00:02:49,550 --> 00:02:46,799

top

50

00:02:51,620 --> 00:02:49,560

I was excited and scared at the same

51  
00:02:54,680 --> 00:02:51,630  
time because object was followed by a

52  
00:02:57,770 --> 00:02:54,690  
helicopter which kept its distance away

53  
00:02:59,530 --> 00:02:57,780  
from it I lost sight of the object when

54  
00:03:02,809 --> 00:02:59,540  
it got behind the buildings

55  
00:03:05,470 --> 00:03:02,819  
sounds like a blimp ah the next I'm just

56  
00:03:09,350 --> 00:03:05,480  
say I'm just dating just I don't know

57  
00:03:12,550 --> 00:03:09,360  
the next you have foe sighting was not a

58  
00:03:15,949 --> 00:03:12,560  
UFO sighting alien encounter and

59  
00:03:18,170 --> 00:03:15,959  
Kenilworth New Jersey this is a blast

60  
00:03:22,729 --> 00:03:18,180  
from the past this happened

61  
00:03:25,280 --> 00:03:22,739  
December 31st 2005 they state no

62  
00:03:29,930 --> 00:03:25,290  
encounter with a craft a possible

63  
00:03:32,390 --> 00:03:29,940

encounter with an entity in my room the

64

00:03:36,110 --> 00:03:32,400

witness states in more detail in the

65

00:03:39,140 --> 00:03:36,120

month of January in 2006 I had an

66

00:03:42,080 --> 00:03:39,150

incident of sleep paralysis I've had

67

00:03:45,339 --> 00:03:42,090

such incidents as before but this was

68

00:03:49,250 --> 00:03:45,349

different at the other end of my bedroom

69

00:03:52,849 --> 00:03:49,260

approximately 20 feet from me I saw a

70

00:03:56,569 --> 00:03:52,859

shadowy hooded figure just standing

71

00:03:58,699 --> 00:03:56,579

still it had no discernible features I

72

00:04:00,949 --> 00:03:58,709

do not recall any attempt of

73

00:04:05,509 --> 00:04:00,959

communication on the part of the entity

74

00:04:07,789 --> 00:04:05,519

it was a terrifying experience I was

75

00:04:10,460 --> 00:04:07,799

unable to move despite trying as hard as

76

00:04:13,960 --> 00:04:10,470

I could and I could feel the presence of

77

00:04:16,310 --> 00:04:13,970

this thing whatever it was in my room I

78

00:04:18,860 --> 00:04:16,320

finally managed to wake up and regain

79

00:04:21,800 --> 00:04:18,870

full mobility the figure was gone

80

00:04:25,450 --> 00:04:21,810

leaving behind no evidence it was ever

81

00:04:27,410 --> 00:04:25,460

there there was no one home at the house

82

00:04:29,690 --> 00:04:27,420

several years prior

83

00:04:32,240 --> 00:04:29,700

I began working as a firefighter an

84

00:04:36,830 --> 00:04:32,250

emergency medical technician certified

85

00:04:40,100 --> 00:04:36,840

in January of 2005 sometime between 2006

86

00:04:43,090 --> 00:04:40,110

and 2007 I noticed that I had become

87

00:04:45,710 --> 00:04:43,100

very intuitive when treating patients I

88

00:04:48,610 --> 00:04:45,720

could often figure out what was wrong

89

00:04:52,250 --> 00:04:48,620

with them very quickly and correctly

90

00:04:55,460 --> 00:04:52,260

this is not uncommon for EMTs who have

91

00:04:58,610 --> 00:04:55,470

years of experience but I was still

92

00:05:00,710 --> 00:04:58,620

relatively new and inexperienced I have

93

00:05:03,770 --> 00:05:00,720

more or less had this intuition since

94

00:05:06,680 --> 00:05:03,780

that I didn't place it two things

95

00:05:09,190 --> 00:05:06,690

together until recently haven't watched

96

00:05:12,940 --> 00:05:09,200

interviews and lectures by quote

97

00:05:15,320 --> 00:05:12,950

experiencers some of whom had

98

00:05:20,000 --> 00:05:15,330

experiences similar in nature to mine

99

00:05:25,310 --> 00:05:20,010

and develop strange \$0.06 like abilities

100

00:05:27,980 --> 00:05:25,320

I am a skeptic I have never seen a UFO I

101  
00:05:29,900 --> 00:05:27,990  
have never had an incident where I have

102  
00:05:33,110 --> 00:05:29,910  
seen an entity outside of the

103  
00:05:36,200 --> 00:05:33,120  
possibility of the above scenario that

104  
00:05:38,930 --> 00:05:36,210  
said I cannot rule out there was not

105  
00:05:42,440 --> 00:05:38,940  
some related phenomena that I witnessed

106  
00:05:48,230 --> 00:05:42,450  
here and I cannot simply dismiss the

107  
00:05:52,660 --> 00:05:48,240  
experience at hand the next incident is

108  
00:05:55,760 --> 00:05:52,670  
actually a UFO sighting UFO sighting in

109  
00:06:00,200 --> 00:05:55,770  
Naperville Illinois this occurred

110  
00:06:03,920 --> 00:06:00,210  
November 22nd 2017 and brief the witness

111  
00:06:08,570 --> 00:06:03,930  
calls it a large bright object flying at

112  
00:06:12,410 --> 00:06:08,580  
low altitude in more detail they say it

113  
00:06:14,570 --> 00:06:12,420

was about 7:30 for 7:30 8:00 in the

114

00:06:17,660 --> 00:06:14,580

evening when I was coming back home from

115

00:06:20,240 --> 00:06:17,670

the grocery store with my father as we

116

00:06:24,080 --> 00:06:20,250

turned the corner of red start and

117

00:06:27,530 --> 00:06:24,090

warbler to get home I noticed something

118

00:06:31,490 --> 00:06:27,540

out of the ordinary a large pulsating

119

00:06:33,410 --> 00:06:31,500

bright white light there is quite a bit

120

00:06:36,620 --> 00:06:33,420

of air traffic in our area but this

121

00:06:37,880 --> 00:06:36,630

light was larger than any plane light I

122

00:06:40,970 --> 00:06:37,890

have ever seen

123

00:06:44,360 --> 00:06:40,980

having no outline like a plane

124

00:06:46,460 --> 00:06:44,370

would at such a low altitude about 20

125

00:06:49,010 --> 00:06:46,470

degrees above the horizon just at the

126  
00:06:52,030 --> 00:06:49,020  
treeline this light caught my attention

127  
00:06:55,220 --> 00:06:52,040  
when I first saw it I observed a small

128  
00:06:57,710 --> 00:06:55,230  
blinking red light at the bottom front

129  
00:06:59,930 --> 00:06:57,720  
of the light about a third of the way

130  
00:07:04,330 --> 00:06:59,940  
through the observed flight path of the

131  
00:07:06,740 --> 00:07:04,340  
larger light the red light disappeared

132  
00:07:09,290 --> 00:07:06,750  
traveling east the light suddenly

133  
00:07:11,810 --> 00:07:09,300  
started pulsating differently from

134  
00:07:14,720 --> 00:07:11,820  
before it started to alternate between

135  
00:07:18,950 --> 00:07:14,730  
the same bright white I had originally

136  
00:07:21,010 --> 00:07:18,960  
seen in a teal light color it's flashing

137  
00:07:23,930 --> 00:07:21,020  
reminded me almost of a strobe light

138  
00:07:26,570 --> 00:07:23,940

turning away from the Northeast the

139

00:07:27,350 --> 00:07:26,580

large light swung around to the

140

00:07:31,100 --> 00:07:27,360

southeast

141

00:07:34,490 --> 00:07:31,110

I watched him pulsate fly over my house

142

00:07:36,710 --> 00:07:34,500

off in the distance before losing sight

143

00:07:40,310 --> 00:07:36,720

of it behind the large trees in my area

144

00:07:42,950 --> 00:07:40,320

the whole siding lasted about 20 to 30

145

00:07:46,160 --> 00:07:42,960

seconds as soon as I got in the house I

146

00:07:48,560 --> 00:07:46,170

fetches my laptop and jotted down in

147

00:07:51,770 --> 00:07:48,570

quick description of what I had just

148

00:07:54,080 --> 00:07:51,780

seen I hadn't even taken off my coat or

149

00:07:56,240 --> 00:07:54,090

shoes yet I wanted to write it down

150

00:07:59,210 --> 00:07:56,250

while it was still incredibly fresh in

151  
00:08:01,940 --> 00:07:59,220  
my mind while my father was with me he

152  
00:08:05,210 --> 00:08:01,950  
didn't see anything he had recently had

153  
00:08:07,580 --> 00:08:05,220  
cataract surgery so his vision was very

154  
00:08:10,220 --> 00:08:07,590  
limited especially since it was

155  
00:08:12,710 --> 00:08:10,230  
nighttime when the sighting occurred he

156  
00:08:15,440 --> 00:08:12,720  
didn't believe me at first but he does

157  
00:08:16,700 --> 00:08:15,450  
now since we got a short fragment of the

158  
00:08:21,200 --> 00:08:16,710  
light on the cars

159  
00:08:24,230 --> 00:08:21,210  
dashcam being low resolution I probably

160  
00:08:26,210 --> 00:08:24,240  
won't include the clip however a friend

161  
00:08:28,960 --> 00:08:26,220  
and I were able to get a freeze-frame of

162  
00:08:31,430 --> 00:08:28,970  
the light along with a close-up

163  
00:08:33,680 --> 00:08:31,440

high-resolution picture in the first

164

00:08:35,600 --> 00:08:33,690

picture the light observed is in the

165

00:08:38,870 --> 00:08:35,610

upper right-hand side of the picture

166

00:08:41,390 --> 00:08:38,880

while the larger light closer to the

167

00:08:46,100 --> 00:08:41,400

left is a street light with a car

168

00:08:49,430 --> 00:08:46,110

beneath it the next UFO sighting

169

00:08:54,300 --> 00:08:49,440

happened in Naperville Illinois

170

00:08:58,230 --> 00:08:54,310

once again this occurred December 10th

171

00:09:01,050 --> 00:08:58,240

17 in brief they state red blinking

172

00:09:04,290 --> 00:09:01,060

light that was present before stars came

173

00:09:07,320 --> 00:09:04,300

out with no aircraft in area strange

174

00:09:10,410 --> 00:09:07,330

green object caught while filming red

175

00:09:12,630 --> 00:09:10,420

light in more detail the witness states

176  
00:09:17,250 --> 00:09:12,640  
first observed from the intersection of

177  
00:09:19,740 --> 00:09:17,260  
Main Street and Aurora Avenue small red

178  
00:09:22,950 --> 00:09:19,750  
light that appeared stationary above a

179  
00:09:25,550 --> 00:09:22,960  
Walgreens located at the intersection it

180  
00:09:28,829 --> 00:09:25,560  
was about 5:50 p.m. on a clear evening

181  
00:09:31,260 --> 00:09:28,839  
no stars were out yet and no planes or

182  
00:09:33,960 --> 00:09:31,270  
other aircraft were observed for the

183  
00:09:37,170 --> 00:09:33,970  
evening that's what caught my attention

184  
00:09:39,810 --> 00:09:37,180  
the light was clearly artificial but

185  
00:09:43,950 --> 00:09:39,820  
there hadn't been any typical air

186  
00:09:45,480 --> 00:09:43,960  
traffic the light was out of place I was

187  
00:09:47,310 --> 00:09:45,490  
across the street from the Walgreens

188  
00:09:50,160 --> 00:09:47,320

waiting for the light to change so I

189

00:09:54,360 --> 00:09:50,170

could get to my car in the Water Street

190

00:09:56,790 --> 00:09:54,370

parking garage observing it wasn't

191

00:09:58,920 --> 00:09:56,800

moving yet the light was blinking it

192

00:10:01,740 --> 00:09:58,930

would flash red then appear to vanish

193

00:10:05,070 --> 00:10:01,750

only to blink red again I was curious

194

00:10:08,640 --> 00:10:05,080

and did something that I'll admit was

195

00:10:12,090 --> 00:10:08,650

not really thought through I flashed the

196

00:10:16,410 --> 00:10:12,100

flashlight on my phone at it mimicking

197

00:10:19,590 --> 00:10:16,420

its own flashing it flashed back and

198

00:10:22,050 --> 00:10:19,600

then stopped flashing when the light

199

00:10:24,329 --> 00:10:22,060

finally turned after I took a quick

200

00:10:27,329 --> 00:10:24,339

series of photos I crossed the street

201  
00:10:30,350 --> 00:10:27,339  
and headed down the block towards a

202  
00:10:33,420 --> 00:10:30,360  
garage however I noticed something odd

203  
00:10:36,990 --> 00:10:33,430  
the red light wasn't behind me as it

204  
00:10:39,600 --> 00:10:37,000  
should have been if it was stationary if

205  
00:10:42,140 --> 00:10:39,610  
it had just been hovering I should have

206  
00:10:44,940 --> 00:10:42,150  
passed it by leaving it behind me I

207  
00:10:48,440 --> 00:10:44,950  
should have had to look behind me in

208  
00:10:51,990 --> 00:10:48,450  
order to keep it in view not in front

209  
00:10:55,740 --> 00:10:52,000  
curious I stopped walking abruptly in

210  
00:10:58,560 --> 00:10:55,750  
that short instance of my pause I caught

211  
00:11:02,100 --> 00:10:58,570  
it moving a few degrees more to the west

212  
00:11:04,829 --> 00:11:02,110  
before it stopped I took more photos and

213  
00:11:07,410 --> 00:11:04,839

kept walking and from the garage across

214

00:11:08,070 --> 00:11:07,420

from the Municipal Center there is a

215

00:11:11,100 --> 00:11:08,080

relative

216

00:11:13,140 --> 00:11:11,110

the empty small parking lot I stopped

217

00:11:15,600 --> 00:11:13,150

there and flashed my flashlight once

218

00:11:18,710 --> 00:11:15,610

more in a series of rapid bursts at the

219

00:11:22,290 --> 00:11:18,720

light there was no response this time

220

00:11:24,990 --> 00:11:22,300

once more the light was stationary I

221

00:11:28,290 --> 00:11:25,000

took the stairs up to the fourth floor

222

00:11:30,900 --> 00:11:28,300

where my car was and looked out the gaps

223

00:11:35,670 --> 00:11:30,910

between the floors the light was still

224

00:11:38,700 --> 00:11:35,680

there stationary blinking slowly I took

225

00:11:40,890 --> 00:11:38,710

another series of quick photos leaving

226  
00:11:43,590 --> 00:11:40,900  
the downtown area to get home I hoped

227  
00:11:48,000 --> 00:11:43,600  
outloud that I wouldn't see it coming

228  
00:11:50,970 --> 00:11:48,010  
after the car I don't recall seeing it

229  
00:11:52,650 --> 00:11:50,980  
after I left I don't know if it was

230  
00:11:55,320 --> 00:11:52,660  
still there when I pulled out of the

231  
00:11:58,440 --> 00:11:55,330  
garage but I know for sure that it

232  
00:12:00,300 --> 00:11:58,450  
didn't follow me back to my house later

233  
00:12:00,840 --> 00:12:00,310  
discovering a video I took with my cell

234  
00:12:04,050 --> 00:12:00,850  
phone

235  
00:12:06,090 --> 00:12:04,060  
that I hadn't noticed before I saw

236  
00:12:08,960 --> 00:12:06,100  
another object come out of nowhere

237  
00:12:12,360 --> 00:12:08,970  
during the last two seconds of the video

238  
00:12:15,540 --> 00:12:12,370

green and flying out of nowhere I could

239

00:12:18,690 --> 00:12:15,550

tell it was much larger than the red

240

00:12:21,780 --> 00:12:18,700

light didn't blink and wasn't noticed

241

00:12:25,290 --> 00:12:21,790

while I filmed I hope that the video I

242

00:12:28,590 --> 00:12:25,300

included works if not contact me and

243

00:12:31,740 --> 00:12:28,600

I'll try again also include some of the

244

00:12:38,330 --> 00:12:31,750

photos I took as well as a screenshot of

245

00:12:44,420 --> 00:12:38,340

the green object the next UFO encounter

246

00:12:49,220 --> 00:12:44,430

or sighting happened in Hamburg Hamburg

247

00:12:54,060 --> 00:12:49,230

this occurred December 26 of 2017 in

248

00:12:58,410 --> 00:12:54,070

brief they state 10 to 15 oranges lights

249

00:13:01,380 --> 00:12:58,420

flying past at speed in a type of curve

250

00:13:04,110 --> 00:13:01,390

in more detail they say it was night I

251  
00:13:06,570 --> 00:13:04,120  
went into our spare room to have a smoke

252  
00:13:10,040 --> 00:13:06,580  
out the window I had just started my

253  
00:13:13,890 --> 00:13:10,050  
cigarette when I saw 10 to 15 orangish

254  
00:13:17,160 --> 00:13:13,900  
oval-shaped objects in the sky they were

255  
00:13:20,010 --> 00:13:17,170  
moving very fast traveling in a wide arc

256  
00:13:20,610 --> 00:13:20,020  
but the objects themselves kept perfect

257  
00:13:21,690 --> 00:13:20,620  
formation

258  
00:13:23,970 --> 00:13:21,700  
it

259  
00:13:25,380 --> 00:13:23,980  
lasted about five seconds and they were

260  
00:13:29,040 --> 00:13:25,390  
gone out of you

261  
00:13:31,920 --> 00:13:29,050  
it was a clear cloudless night I'm not

262  
00:13:34,470 --> 00:13:31,930  
entirely sure of the exact time but it

263  
00:13:37,950 --> 00:13:34,480

would have had to been after 11:00 p.m.

264

00:13:39,930 --> 00:13:37,960

on the 26th of December as soon as I

265

00:13:41,910 --> 00:13:39,940

seen the objects I called him my husband

266

00:13:44,610 --> 00:13:41,920

to come look but they were gone by the

267

00:13:47,070 --> 00:13:44,620

time he came to the room I felt a bit

268

00:13:49,170 --> 00:13:47,080

frightened after seeing this I have

269

00:13:52,200 --> 00:13:49,180

never seen anything like this before I

270

00:13:54,270 --> 00:13:52,210

know what it wasn't it was not a plane

271

00:13:56,700 --> 00:13:54,280

or fireworks or Chinese lanterns or

272

00:14:03,930 --> 00:13:56,710

anything I have seen in the sky before I

273

00:14:06,390 --> 00:14:03,940

have no idea what it is I saw the next

274

00:14:10,880 --> 00:14:06,400

UFO sighting occurred in Woodbridge

275

00:14:15,140 --> 00:14:10,890

Township New Jersey on December 28th

276

00:14:18,960 --> 00:14:15,150

2017 in brief they say it was a

277

00:14:23,190 --> 00:14:18,970

star-like object move straight down then

278

00:14:26,640 --> 00:14:23,200

stopped make a sharp left like wide V

279

00:14:28,590 --> 00:14:26,650

shape than disappeared in more detail

280

00:14:32,220 --> 00:14:28,600

they stayed I was looking at the clear

281

00:14:36,690 --> 00:14:32,230

morning sky December 28th at around 6:25

282

00:14:39,480 --> 00:14:36,700

a.m. and first saw a small star like

283

00:14:42,930 --> 00:14:39,490

object moved from west to east across

284

00:14:45,240 --> 00:14:42,940

the sky thought it may be a satellite

285

00:14:48,270 --> 00:14:45,250

then a few minutes later I was facing

286

00:14:51,240 --> 00:14:48,280

south and about 90 degrees up I see

287

00:14:53,940 --> 00:14:51,250

another star like object moved straight

288

00:14:57,660 --> 00:14:53,950

down and then stopped and made a hard

289

00:15:00,510 --> 00:14:57,670

left then back up to the sky towards

290

00:15:03,060 --> 00:15:00,520

southeast when we go out to eat we never

291

00:15:05,340 --> 00:15:03,070

agree on where to go what burgers heats

292

00:15:07,440 --> 00:15:05,350

up tacos it is the one thing we do agree

293

00:15:10,140 --> 00:15:07,450

on is we all want unlimited high-speed

294

00:15:12,270 --> 00:15:10,150

data that's why we switch to metro pcs

295

00:15:14,460 --> 00:15:12,280

stop by metro pcs with the whole family

296

00:15:16,980 --> 00:15:14,470

and get four lines with unlimited LTE

297

00:15:18,900 --> 00:15:16,990

data for just \$100 period metro pcs

298

00:15:20,040 --> 00:15:18,910

Wireless figured out covers not

299

00:15:21,060 --> 00:15:20,050

available in some areas offered by

300

00:15:22,440 --> 00:15:21,070

reportin um we're not currently active

301  
00:15:23,400 --> 00:15:22,450  
on t-mobile network during congestion

302  
00:15:24,660 --> 00:15:23,410  
the fraction of customers using more

303  
00:15:26,520 --> 00:15:24,670  
than 35 gigs per month may notice

304  
00:15:27,810 --> 00:15:26,530  
produce beats video streams DEP 240p no

305  
00:15:30,510 --> 00:15:27,820  
tethering C store for details in terms

306  
00:15:34,050 --> 00:15:30,520  
and conditions direction the direction

307  
00:15:35,470 --> 00:15:34,060  
it took was like a wide v-shape then it

308  
00:15:37,239 --> 00:15:35,480  
disappeared

309  
00:15:41,799 --> 00:15:37,249  
this is second time I have seen this and

310  
00:15:43,809 --> 00:15:41,809  
the other was on December 21st at 6:45

311  
00:15:46,210 --> 00:15:43,819  
a.m. and went from north to south

312  
00:15:49,929 --> 00:15:46,220  
stopped and shot straight up in the sky

313  
00:15:52,090 --> 00:15:49,939

I did not report this anywhere but today

314

00:15:54,819 --> 00:15:52,100

I was very surprised and a little

315

00:15:57,669 --> 00:15:54,829

shocked to see this again now I am very

316

00:16:04,419 --> 00:15:57,679

curious and want to know what I saw

317

00:16:06,819 --> 00:16:04,429

did I really see a UFO oh the innocence

318

00:16:11,169 --> 00:16:06,829

that gets lost in this stuff I tell you

319

00:16:16,150 --> 00:16:11,179

ah the next UFO sighting this occurred

320

00:16:19,889 --> 00:16:16,160

in newcastle upon tyne in england across

321

00:16:25,659 --> 00:16:19,899

the pond this happened on December 28th

322

00:16:28,210 --> 00:16:25,669

2017 in brief they state left after 20

323

00:16:31,720 --> 00:16:28,220

minutes then came back for around

324

00:16:34,840 --> 00:16:31,730

another 30 minutes in more detail they

325

00:16:37,889 --> 00:16:34,850

stayed I looked out my window and I saw

326

00:16:41,319 --> 00:16:37,899

this white trail that wasn't moving so

327

00:16:44,679 --> 00:16:41,329

lzu din on my camera and there was a

328

00:16:47,529 --> 00:16:44,689

black object in front of it I'm used to

329

00:16:51,400 --> 00:16:47,539

seeing planes with white trails however

330

00:16:55,059 --> 00:16:51,410

I checked flightradar24 and there were

331

00:16:59,079 --> 00:16:55,069

no aircraft I thought it could be anyhow

332

00:17:01,509 --> 00:16:59,089

it left about 20 minutes after by fading

333

00:17:05,409 --> 00:17:01,519

out then it returned 30 minutes later

334

00:17:07,120 --> 00:17:05,419

and stayed for 30 minutes then left I'm

335

00:17:09,699 --> 00:17:07,130

not sure if this was some sort of

336

00:17:12,159 --> 00:17:09,709

military project so I would like to know

337

00:17:15,340 --> 00:17:12,169

in the comments wherever you guys think

338

00:17:18,789 --> 00:17:15,350

this is a UFO there were also other

339

00:17:22,090 --> 00:17:18,799

objects near it I'm not sure what they

340

00:17:26,679 --> 00:17:22,100

are as well I don't edit these things I

341

00:17:29,789 --> 00:17:26,689

just read him all right the next Hugh

342

00:17:33,129 --> 00:17:29,799

foe sighting occurred in Oxford UK

343

00:17:38,409 --> 00:17:33,139

England another one from across the pond

344

00:17:43,570 --> 00:17:38,419

and this one happened December 27th 2017

345

00:17:47,350 --> 00:17:43,580

in brief they state three millimeter

346

00:17:49,270 --> 00:17:47,360

sized white object about 100 metres to

347

00:17:51,840 --> 00:17:49,280

my front

348

00:17:58,510 --> 00:17:51,850

from my right to left then vanished

349

00:18:01,120 --> 00:17:58,520

above Freesat side of a road okay in

350

00:18:05,260 --> 00:18:01,130

more detail they state I was traveling

351  
00:18:07,930 --> 00:18:05,270  
southbound on the a34 from Oxford UK in

352  
00:18:10,120 --> 00:18:07,940  
the direction of Newbury when I saw a

353  
00:18:13,900 --> 00:18:10,130  
bright white light appear from my right

354  
00:18:17,920 --> 00:18:13,910  
which is the West move steadily over

355  
00:18:21,070 --> 00:18:17,930  
both carriageways to my left the east

356  
00:18:24,130 --> 00:18:21,080  
and once over a small line of trees

357  
00:18:28,120 --> 00:18:24,140  
which run along the length of the quote

358  
00:18:30,790 --> 00:18:28,130  
a road it disappeared the opposite side

359  
00:18:33,370 --> 00:18:30,800  
of the treeline were fields the weather

360  
00:18:36,070 --> 00:18:33,380  
was cold and clear there were no bridges

361  
00:18:39,100 --> 00:18:36,080  
nearby and no other sources of light

362  
00:18:42,160 --> 00:18:39,110  
when I saw the light it appeared out of

363  
00:18:44,230 --> 00:18:42,170

place for the setting the light appeared

364

00:18:46,840 --> 00:18:44,240

to be about three millimeters wide and

365

00:18:49,150 --> 00:18:46,850

at a distance of about a hundred meters

366

00:18:53,500 --> 00:18:49,160

in front of me I had a clear

367

00:18:55,810 --> 00:18:53,510

unobstructed view my instant thought was

368

00:18:59,440 --> 00:18:55,820

what the heck is that

369

00:19:01,570 --> 00:18:59,450

and I watched for about five seconds as

370

00:19:05,260 --> 00:19:01,580

it crossed all four lanes of the road

371

00:19:09,700 --> 00:19:05,270

before disappearing about the trees to

372

00:19:13,390 --> 00:19:09,710

my left I had an unobstructed view of

373

00:19:16,060 --> 00:19:13,400

open space beyond the trees and there

374

00:19:18,900 --> 00:19:16,070

was no trace of the object once it

375

00:19:21,580 --> 00:19:18,910

disappeared above the trees i

376

00:19:23,710 --> 00:19:21,590

double-checked there were no

377

00:19:26,200 --> 00:19:23,720

streetlights or bridges in the area I

378

00:19:31,930 --> 00:19:26,210

had seen the light and there wasn't

379

00:19:34,360 --> 00:19:31,940

anything in the area the next UFO

380

00:19:37,960 --> 00:19:34,370

sighting this one occurred in Melbourne

381

00:19:42,720 --> 00:19:37,970

Victoria Australia I used to live there

382

00:19:46,510 --> 00:19:42,730

I loved it um this occurred December 26

383

00:19:49,120 --> 00:19:46,520

2017 in brief they state some dark

384

00:19:53,110 --> 00:19:49,130

objects observed from Hastings Victoria

385

00:19:56,020 --> 00:19:53,120

at dawn in more detail they state some

386

00:19:59,500 --> 00:19:56,030

dark grey to black colored objects were

387

00:20:02,020 --> 00:19:59,510

observed appearing congregating in

388

00:20:04,930 --> 00:20:02,030

random shaped groups become

389

00:20:08,790 --> 00:20:04,940

more visible or darker then either

390

00:20:11,560 --> 00:20:08,800

moving away or fading away from sight

391

00:20:14,860 --> 00:20:11,570

they were observed by three people for

392

00:20:18,460 --> 00:20:14,870

around a half an hour and I took a few

393

00:20:23,050 --> 00:20:18,470

snaps on my iPhone I took a couple using

394

00:20:25,930 --> 00:20:23,060

HDR with normal on as well and found the

395

00:20:29,410 --> 00:20:25,940

objects had moved slightly in those

396

00:20:31,840 --> 00:20:29,420

consecutive frames a jet had passed over

397

00:20:35,140 --> 00:20:31,850

as well and my husband took photos of

398

00:20:37,600 --> 00:20:35,150

the vapor trail that revealed a couple

399

00:20:40,660 --> 00:20:37,610

more which weren't noticed when the

400

00:20:43,660 --> 00:20:40,670

photos were taken only after when I

401  
00:20:47,340 --> 00:20:43,670  
reviewed the images It was as if they

402  
00:20:50,590 --> 00:20:47,350  
were using the cloud cover to hide in

403  
00:20:54,130 --> 00:20:50,600  
prior to taking the photos larger groups

404  
00:20:56,110 --> 00:20:54,140  
had been seen some is low in the view as

405  
00:20:59,320 --> 00:20:56,120  
between and just above the treeline

406  
00:21:02,110 --> 00:20:59,330  
however I believe they were some

407  
00:21:05,800 --> 00:21:02,120  
distance away and definitely would have

408  
00:21:12,390 --> 00:21:05,810  
been over the sea as dawn became

409  
00:21:19,320 --> 00:21:16,300  
alrighty well keeping in the Christmas

410  
00:21:22,770 --> 00:21:19,330  
spirit this is our lovely holiday week

411  
00:21:25,480 --> 00:21:22,780  
we shall dive into some inspired

412  
00:21:30,280 --> 00:21:25,490  
paranormal story shall we let's let's do

413  
00:21:38,230 --> 00:21:30,290

it this first one is called angel's

414

00:21:40,450 --> 00:21:38,240

prayers and miracles the home run while

415

00:21:43,390 --> 00:21:40,460

many of these kinds of stories are life

416

00:21:45,820 --> 00:21:43,400

altering or otherwise deeply affect the

417

00:21:48,100 --> 00:21:45,830

people who experience them some involve

418

00:21:52,840 --> 00:21:48,110

activities as seemingly inconsequential

419

00:21:55,450 --> 00:21:52,850

as a kids baseball game consider John

420

00:21:58,210 --> 00:21:55,460

Dee's story I'm about to read here for

421

00:22:00,580 --> 00:21:58,220

you guys his baseball team had made it

422

00:22:03,670 --> 00:22:00,590

to the playoffs but was struggling in

423

00:22:06,040 --> 00:22:03,680

one of the semifinal games John's team

424

00:22:09,430 --> 00:22:06,050

was at bat in the bottom of the last

425

00:22:12,910 --> 00:22:09,440

inning with two outs two strikes and

426

00:22:15,549 --> 00:22:12,920

three balls bases loaded

427

00:22:18,450 --> 00:22:15,559

his team was behind

428

00:22:23,019 --> 00:22:18,460

two five then something very unusual

429

00:22:26,169 --> 00:22:23,029

happened the quote from John our second

430

00:22:28,690 --> 00:22:26,179

baseman was called of time out so he

431

00:22:30,369 --> 00:22:28,700

could tie his shoe John says I was

432

00:22:33,249 --> 00:22:30,379

sitting on the bench when suddenly a

433

00:22:36,129 --> 00:22:33,259

strange man I had never seen before

434

00:22:40,119 --> 00:22:36,139

appeared in front of me I was frozen

435

00:22:42,730 --> 00:22:40,129

still and my blood turned to ice he was

436

00:22:45,580 --> 00:22:42,740

dressed all in black and he spoke

437

00:22:50,350 --> 00:22:45,590

without even looking at me I was not

438

00:22:53,200 --> 00:22:50,360

very fond of our batter this man said do

439

00:22:56,739 --> 00:22:53,210

you hold courage in this boy and do you

440

00:22:59,379 --> 00:22:56,749

have faith at that I turned to my coach

441

00:23:01,600 --> 00:22:59,389

who had taken off his sunglasses and was

442

00:23:04,450 --> 00:23:01,610

sitting right next to me he didn't even

443

00:23:07,570 --> 00:23:04,460

notice the man I turned back to the

444

00:23:11,230 --> 00:23:07,580

stranger but he was gone the next moment

445

00:23:14,379 --> 00:23:11,240

our second baseman called time in the

446

00:23:15,190 --> 00:23:14,389

next pitch our batter hit a home run out

447

00:23:19,060 --> 00:23:15,200

of the park

448

00:23:23,859 --> 00:23:19,070

winning us the game eight to seven we

449

00:23:27,399 --> 00:23:23,869

went on to win the championship spooky

450

00:23:31,749 --> 00:23:27,409

sounds like the Hat man not an angel mmm

451

00:23:33,159 --> 00:23:31,759

I don't know you do a ear and favorite

452

00:23:38,970 --> 00:23:33,169

there and he wants favorites too

453

00:23:42,190 --> 00:23:38,980

ok here we go angels guiding hand

454

00:23:45,600 --> 00:23:42,200

winning a baseball game is one thing but

455

00:23:48,070 --> 00:23:45,610

escaping serious injury is quite another

456

00:23:50,379 --> 00:23:48,080

Jackie B believes that her guardian

457

00:23:54,070 --> 00:23:50,389

angel came to her aid on two such

458

00:23:57,129 --> 00:23:54,080

occasions most interesting her testimony

459

00:23:59,950 --> 00:23:57,139

is that she actually physically felt and

460

00:24:02,080 --> 00:23:59,960

heard this protective force both

461

00:24:05,259 --> 00:24:02,090

happened when she was a child of

462

00:24:08,470 --> 00:24:05,269

kindergarten age she begins telling her

463

00:24:10,419 --> 00:24:08,480

story here everybody in the town used to

464

00:24:13,359 --> 00:24:10,429

go to the hill by the post office to

465

00:24:15,489 --> 00:24:13,369

sled in the winter Jackie says I was

466

00:24:18,549 --> 00:24:15,499

sledding with my family and I went to

467

00:24:21,460 --> 00:24:18,559

the steep part I closed my eyes and went

468

00:24:24,639 --> 00:24:21,470

down I apparently hit someone going down

469

00:24:27,549 --> 00:24:24,649

and I was spinning out of control I was

470

00:24:28,899 --> 00:24:27,559

heading for the metal guardrail I didn't

471

00:24:31,930 --> 00:24:28,909

know what to do

472

00:24:35,589 --> 00:24:31,940

I suddenly felt something push my chest

473

00:24:37,539 --> 00:24:35,599

down I came within less than half an

474

00:24:41,499 --> 00:24:37,549

inch of the rail but didn't hit it I

475

00:24:43,210 --> 00:24:41,509

could have lost my nose the second

476

00:24:45,820 --> 00:24:43,220

experience was during a celebration of

477

00:24:48,279 --> 00:24:45,830

my birthday in school I went to put down

478

00:24:50,680 --> 00:24:48,289

my crown on the bench at the playground

479

00:24:52,570 --> 00:24:50,690

during recess I was running back to play

480

00:24:53,200 --> 00:24:52,580

with my friends three boys suddenly

481

00:24:55,509 --> 00:24:53,210

tripped me

482

00:24:57,999 --> 00:24:55,519

this playground had a lot of metal

483

00:25:00,549 --> 00:24:58,009

things and wood chips not a good combo I

484

00:25:02,529 --> 00:25:00,559

went flying and hit something about a

485

00:25:05,710 --> 00:25:02,539

quarter of an inch under my eye

486

00:25:09,369 --> 00:25:05,720

but I felt something pulled me back when

487

00:25:12,399 --> 00:25:09,379

I fell the teacher said that they saw me

488

00:25:14,830 --> 00:25:12,409

sort of fly forward then fly back at the

489

00:25:17,499 --> 00:25:14,840

same time as they hurried me to the

490

00:25:20,589 --> 00:25:17,509

nurse's office I heard an unfamiliar

491

00:25:23,109 --> 00:25:20,599

voice keep telling me don't worry I'm

492

00:25:24,369 --> 00:25:23,119

here God doesn't want anything to happen

493

00:25:29,070 --> 00:25:24,379

to his baby

494

00:25:33,039 --> 00:25:29,080

oh that's precious isn't it all right

495

00:25:37,239 --> 00:25:33,049

the next inspired story a blanket from

496

00:25:39,039 --> 00:25:37,249

an angel this story begins with my baby

497

00:25:41,859 --> 00:25:39,049

was in the hospital having a four-hour

498

00:25:45,430 --> 00:25:41,869

surgery my estranged husband was not

499

00:25:47,440 --> 00:25:45,440

present and seemed not to care at this

500

00:25:50,879 --> 00:25:47,450

time our marriage was crumbling and I

501  
00:25:54,700 --> 00:25:50,889  
fought to keep it all together he openly

502  
00:25:57,099 --> 00:25:54,710  
cheated on me but even worse I was

503  
00:25:58,989 --> 00:25:57,109  
afraid for the baby's life and when I

504  
00:26:01,210 --> 00:25:58,999  
arrived in the waiting room an older

505  
00:26:04,529 --> 00:26:01,220  
lady was sitting there working on a

506  
00:26:08,440 --> 00:26:04,539  
quilt with the Serenity Prayer on it

507  
00:26:09,909 --> 00:26:08,450  
that says God grant me the serenity to

508  
00:26:13,599 --> 00:26:09,919  
accept the things I cannot change

509  
00:26:17,889 --> 00:26:13,609  
courage to change the things I can and

510  
00:26:20,499 --> 00:26:17,899  
wisdom to know the difference she asked

511  
00:26:23,379 --> 00:26:20,509  
me if the little baby boy is mine and

512  
00:26:27,099 --> 00:26:23,389  
when I confirmed she took my hand and

513  
00:26:28,810 --> 00:26:27,109

said a prayer with me I asked who is she

514

00:26:31,989 --> 00:26:28,820

making the quote for and she replied

515

00:26:35,109 --> 00:26:31,999

that God will show her who will need it

516

00:26:37,950 --> 00:26:35,119

I was later I was called in to the

517

00:26:41,589 --> 00:26:37,960

wakeup room and my baby son was fine

518

00:26:42,670 --> 00:26:41,599

when I came outside the lady gave me the

519

00:26:45,850 --> 00:26:42,680

quilt and told me

520

00:26:49,690 --> 00:26:45,860

she now knows who she has been making it

521

00:26:52,480 --> 00:26:49,700

for I have kept it in honor of my now

522

00:26:56,790 --> 00:26:52,490

five year old son who's sleeping in his

523

00:27:01,930 --> 00:26:56,800

bed covered by it that's beautiful

524

00:27:04,150 --> 00:27:01,940

the next story angel force I was headed

525

00:27:07,570 --> 00:27:04,160

home to my children driving in the slow

526

00:27:11,320 --> 00:27:07,580

lane the next thing I knew I was flying

527

00:27:16,150 --> 00:27:11,330

in the air in my ford windstar I had no

528

00:27:19,390 --> 00:27:16,160

control when my fan landed it looked

529

00:27:22,480 --> 00:27:19,400

like a crane put it there I was in the

530

00:27:25,660 --> 00:27:22,490

ditch perfectly I had little room to get

531

00:27:30,340 --> 00:27:25,670

out I felt like some force lifted me up

532

00:27:33,340 --> 00:27:30,350

out the ditch I then saw this man who

533

00:27:37,630 --> 00:27:33,350

was so calm he put a calmness in my

534

00:27:41,500 --> 00:27:37,640

heart I never saw him again I can't

535

00:27:43,590 --> 00:27:41,510

explain how perfectly my van was in the

536

00:27:48,310 --> 00:27:43,600

ditch

537

00:27:50,830 --> 00:27:48,320

the next story my son and his angel in

538

00:27:53,770 --> 00:27:50,840

my home we are not religious by any

539

00:27:56,050 --> 00:27:53,780

means one night I was putting my son to

540

00:27:58,570 --> 00:27:56,060

bed and he started telling me that the

541

00:28:02,680 --> 00:27:58,580

night before Jesus brought an angel to

542

00:28:04,840 --> 00:28:02,690

him because he was scared he said she

543

00:28:07,530 --> 00:28:04,850

was so beautiful and her wings were so

544

00:28:10,240 --> 00:28:07,540

big they almost touched my walls

545

00:28:13,030 --> 00:28:10,250

he said she sang to him and laid with

546

00:28:15,970 --> 00:28:13,040

him until he fell asleep he then said

547

00:28:18,730 --> 00:28:15,980

Jesus came back to get her and he

548

00:28:21,700 --> 00:28:18,740

brought her back to a door with him

549

00:28:23,110 --> 00:28:21,710

where they started to Sparkle and then

550

00:28:26,320 --> 00:28:23,120

went through the door

551  
00:28:29,170 --> 00:28:26,330  
ever since my son has been obsessed with

552  
00:28:31,410 --> 00:28:29,180  
Jesus and angels he prays to an angel

553  
00:28:34,000 --> 00:28:31,420  
often and prays for Jesus to come back

554  
00:28:36,700 --> 00:28:34,010  
the other day he was crying because he

555  
00:28:39,910 --> 00:28:36,710  
said he keeps praying but he doesn't

556  
00:28:41,410 --> 00:28:39,920  
think Jesus can hear him he said that he

557  
00:28:44,580 --> 00:28:41,420  
keeps praying for him to come back

558  
00:28:46,750 --> 00:28:44,590  
because they make him feel so happy I

559  
00:28:49,150 --> 00:28:46,760  
acknowledge what he says but I don't

560  
00:28:52,480 --> 00:28:49,160  
push it I just let him talk about it

561  
00:28:52,960 --> 00:28:52,490  
when he needs to not sure what I should

562  
00:28:56,090 --> 00:28:52,970  
do

563  
00:28:59,720 --> 00:28:56,100

he gets genuinely sad when he

564

00:29:01,840 --> 00:28:59,730

Jesus can't hear him he is only four

565

00:29:06,410 --> 00:29:01,850

years old

566

00:29:08,750 --> 00:29:06,420

the next angel story my healing angel

567

00:29:11,060 --> 00:29:08,760

when I was very young maybe eight or

568

00:29:14,090 --> 00:29:11,070

nine I went to bed one night with a

569

00:29:16,130 --> 00:29:14,100

severe ear ache I woke my mother up

570

00:29:18,770 --> 00:29:16,140

several times for comfort but nothing

571

00:29:20,960 --> 00:29:18,780

made it better I laid in bed with tears

572

00:29:23,540 --> 00:29:20,970

in my eyes and then suddenly the pain

573

00:29:26,360 --> 00:29:23,550

stopped I opened my eyes and saw

574

00:29:30,380 --> 00:29:26,370

something like a cloud hovering over me

575

00:29:35,140 --> 00:29:30,390

I was amazed but more so relieved I knew

576

00:29:38,180 --> 00:29:35,150

what it was I soon fell asleep in peace

577

00:29:41,180 --> 00:29:38,190

absolutely beautiful stories very

578

00:29:42,440 --> 00:29:41,190

fitting coming to the end of this year

579

00:29:45,410 --> 00:29:42,450

well I want to thank you all for

580

00:29:48,380 --> 00:29:45,420

listening to UFO headline news with me

581

00:29:51,370 --> 00:29:48,390

Heidi Hollis be sure to check out UFO

582

00:29:54,500 --> 00:29:51,380

headline news dot com every single day

583

00:29:58,280 --> 00:29:54,510

and also tune in to my other weekly show

584

00:30:00,830 --> 00:29:58,290

the Outlander which is on Fridays and on

585

00:30:03,890 --> 00:30:00,840

Tuesdays I co-host on the Kevin cook

586

00:30:06,740 --> 00:30:03,900

show both shows are at 9:00 p.m. Eastern

587

00:30:09,380 --> 00:30:06,750

8:00 p.m. central and catch my

588

00:30:13,610 --> 00:30:09,390

paranormal comic strip the Outlanders

589

00:30:16,430 --> 00:30:13,620

just go to the Outlanders comic calm or

590

00:30:19,490 --> 00:30:16,440

Heidi Hollis calm and there is always

591

00:30:22,100 --> 00:30:19,500

inception Radio Network calm or you

592

00:30:26,420 --> 00:30:22,110

could catch any show that you hear here

593

00:30:28,880 --> 00:30:26,430

on this network at any time remember

594

00:30:33,290 --> 00:30:28,890

always to keep an open mind so you can

595

00:30:35,870 --> 00:30:33,300

stay informed and inspired when we go

596

00:30:38,720 --> 00:30:35,880

out to eat we never agree on where to go

597

00:30:40,580 --> 00:30:38,730

what burgers heats up tacos it is the

598

00:30:42,740 --> 00:30:40,590

one thing we do agree on is we all want

599

00:30:45,830 --> 00:30:42,750

unlimited high-speed data that's why we

600

00:30:47,570 --> 00:30:45,840

switch to metro pcs stop by metro pcs

601  
00:30:50,390 --> 00:30:47,580  
with the whole family and get four lines

602  
00:30:53,030 --> 00:30:50,400  
with unlimited LTE data for just \$100 .

603  
00:30:54,230 --> 00:30:53,040  
metro pcs wireless figured out covers

604  
00:30:55,430 --> 00:30:54,240  
not available in some areas offered by

605  
00:30:56,690 --> 00:30:55,440  
reporter number not currently active on

606  
00:30:57,980 --> 00:30:56,700  
t-mobile network during congestion the

607  
00:30:59,300 --> 00:30:57,990  
fraction of customers using more than 35

608  
00:31:01,220 --> 00:30:59,310  
gigs per month may notice produce beats
