

UFO Headline News | Thursday December 28th, 2017

Listen on

inceptionradionetwork.com

1
00:00:10,490 --> 00:00:02,360
UFO headline news with me Heidi Hollis

2
00:00:14,390 --> 00:00:10,500
today is Thursday closer to the end of

3
00:00:17,840 --> 00:00:14,400
this year and boy did it go quickly to

4
00:00:23,740 --> 00:00:17,850
begin things off let's talk about Elon

5
00:00:26,810 --> 00:00:23,750
Musk's final SpaceX launch of 2017

6
00:00:29,720 --> 00:00:26,820
unbelievable yeah a lot of speculation

7
00:00:32,209 --> 00:00:29,730
about hmm was that a UFO everybody saw

8
00:00:35,420 --> 00:00:32,219
or what well I'm gonna read to you this

9
00:00:39,500 --> 00:00:35,430
very brief little segment here it says

10
00:00:43,930 --> 00:00:39,510
Elon Musk final SpaceX launch of 2017

11
00:00:46,540 --> 00:00:43,940
puts on an amazing holiday light show I

12
00:00:49,729 --> 00:00:46,550
personally got so many things and

13
00:00:53,330 --> 00:00:49,739

pictures of videos from various people

14

00:00:55,639 --> 00:00:53,340

telling me oMG I just videotaped this

15

00:00:57,380 --> 00:00:55,649

UFO and they didn't know what to think

16

00:00:59,090 --> 00:00:57,390

of it what was going on and blah blah

17

00:01:02,439 --> 00:00:59,100

blah so just a lot of things I'm gonna

18

00:01:06,800 --> 00:01:02,449

read this off very briefly here the

19

00:01:08,539 --> 00:01:06,810

SpaceX launch was December 22nd and to

20

00:01:10,190 --> 00:01:08,549

read and briefed what this article says

21

00:01:13,670 --> 00:01:10,200

it says people used to pay attention

22

00:01:17,330 --> 00:01:13,680

when Ilan musk sent one of his rockets

23

00:01:20,480 --> 00:01:17,340

into space now it's totally routine up

24

00:01:24,530 --> 00:01:20,490

until Friday night his SpaceX had flown

25

00:01:27,800 --> 00:01:24,540

17 missions in 2017 and chances are you

26
00:01:30,580 --> 00:01:27,810
weren't aware of any of them SpaceX's

27
00:01:33,170 --> 00:01:30,590
18th launch of the year was different

28
00:01:35,960 --> 00:01:33,180
last night some combination of the

29
00:01:38,120 --> 00:01:35,970
Falcon 9 rocket selfie path and the

30
00:01:40,940 --> 00:01:38,130
Southern California sky created a

31
00:01:43,190 --> 00:01:40,950
fantastic light show that people

32
00:01:46,480 --> 00:01:43,200
captured on their phones and cameras and

33
00:01:50,060 --> 00:01:46,490
then they shared them on social media

34
00:01:52,880 --> 00:01:50,070
this other article states Elon Musk says

35
00:01:55,940 --> 00:01:52,890
the first tech launch of SpaceX is

36
00:01:58,459 --> 00:01:55,950
massive a new rocket will happen next

37
00:02:03,830 --> 00:01:58,469
month so this is an older article its

38
00:02:07,340 --> 00:02:03,840

destination Mars its cargo a Tesla

39

00:02:09,830 --> 00:02:07,350

Roadster with David Bowie on the stereo

40

00:02:13,400 --> 00:02:09,840

did you guys hear this did you hear that

41

00:02:17,690 --> 00:02:13,410

this is what was sent in this rocket I

42

00:02:20,840 --> 00:02:17,700

I just what a waste of a roadster okay

43

00:02:23,420 --> 00:02:20,850

i'ma read this article the rocket known

44

00:02:26,270 --> 00:02:23,430

as the Falcon Heavy will lift off from

45

00:02:29,210 --> 00:02:26,280

Kennedy Space Center near Cape Canaveral

46

00:02:32,300 --> 00:02:29,220

Florida using the same launch pad as

47

00:02:35,630 --> 00:02:32,310

Apollo 11 Musk tweeted late Friday in

48

00:02:37,280 --> 00:02:35,640

the u.s. yes we know that did not happen

49

00:02:39,830 --> 00:02:37,290

it happened in California we'll have

50

00:02:42,170 --> 00:02:39,840

double thrust of next largest rocket he

51
00:02:45,320 --> 00:02:42,180
said guaranteed to be exciting one way

52
00:02:48,220 --> 00:02:45,330
or another SpaceX has revolutionized the

53
00:02:50,450 --> 00:02:48,230
rocket industry but it has also suffered

54
00:02:52,760 --> 00:02:50,460
spectacular setbacks over the years

55
00:02:55,520 --> 00:02:52,770
including rockets blowing up on the

56
00:02:58,100 --> 00:02:55,530
launch pad and in flight related Elon

57
00:03:03,590 --> 00:02:58,110
Musk is aiming to land spaceships on

58
00:03:07,130 --> 00:03:03,600
Mars in 2022 Musk the CEO of both SpaceX

59
00:03:09,080 --> 00:03:07,140
and electric car company Tesla said the

60
00:03:11,420 --> 00:03:09,090
Falcon Heavy would be launched with the

61
00:03:12,620 --> 00:03:11,430
aim of putting its payload in orbit

62
00:03:15,680 --> 00:03:12,630
around Mars

63
00:03:18,680 --> 00:03:15,690

the Rockets rather unorthodox cargo will

64

00:03:21,770 --> 00:03:18,690

be must own midnight cherry Tesla

65

00:03:24,440 --> 00:03:21,780

Roadster playing Space Oddity he said

66

00:03:27,410 --> 00:03:24,450

referring to Bowie's classic song it

67

00:03:29,300 --> 00:03:27,420

will must predicted be in space for a

68

00:03:33,199 --> 00:03:29,310

billion years or so if it doesn't blow

69

00:03:35,720 --> 00:03:33,209

up on ascent as with pretty much all

70

00:03:38,470 --> 00:03:35,730

timetables announced by musk the launch

71

00:03:41,600 --> 00:03:38,480

date could be changed SpaceX and Tesla

72

00:03:44,750 --> 00:03:41,610

have a long track record of missing the

73

00:03:46,970 --> 00:03:44,760

CEOs ambitious deadlines SpaceX

74

00:03:49,640 --> 00:03:46,980

originally hoped to carry out the first

75

00:03:51,949 --> 00:03:49,650

falcon heavy test launch years ago and

76

00:03:55,610 --> 00:03:51,959

must said earlier this year he was

77

00:03:58,610 --> 00:03:55,620

targeting November related SpaceX's

78

00:04:01,220 --> 00:03:58,620

playbook make history then make more

79

00:04:04,040 --> 00:04:01,230

history must announcement of the planned

80

00:04:06,620 --> 00:04:04,050

launch of the giant rocket comes just

81

00:04:08,780 --> 00:04:06,630

over two months after he outlined his

82

00:04:10,970 --> 00:04:08,790

vision of eventually putting humans on

83

00:04:15,640 --> 00:04:10,980

Mars and colonizing the planet you're

84

00:04:19,760 --> 00:04:15,650

too late Elon it's already been done uh

85

00:04:21,469 --> 00:04:19,770

space program is for real that project

86

00:04:25,159 --> 00:04:21,479

will require an even larger rocket

87

00:04:27,260 --> 00:04:25,169

though it's called the bfr or the big

88

00:04:31,189 --> 00:04:27,270

Falcon rocket which inside the company

89

00:04:33,529 --> 00:04:31,199

nicknamed the big effing rocket SpaceX

90

00:04:35,570 --> 00:04:33,539

plans to start building the first of

91

00:04:38,119 --> 00:04:35,580

those by the middle of next year musk

92

00:04:39,770 --> 00:04:38,129

said in late September you could do

93

00:04:42,559 --> 00:04:39,780

anything with the right money can't you

94

00:04:45,170 --> 00:04:42,569

I'll be in charge hey make it purple

95

00:04:46,909 --> 00:04:45,180

that's what I would do he wants to land

96

00:04:51,110 --> 00:04:46,919

at least two of the spacecraft on Mars

97

00:04:53,749 --> 00:04:51,120

in 2022 carrying equipment and the ones

98

00:04:55,309 --> 00:04:53,759

transporting people in 2024 well he's

99

00:04:58,219 --> 00:04:55,319

already got his car there so he'll be

100

00:05:00,499 --> 00:04:58,229

good in the meantime the Falcon Heavy is

101
00:05:03,680 --> 00:05:00,509
intended to boost the amount of cargo

102
00:05:06,559 --> 00:05:03,690
space X can take into space for its

103
00:05:09,290 --> 00:05:06,569
customers the company says it will be

104
00:05:13,430 --> 00:05:09,300
able to take an orbit more than twice

105
00:05:16,240 --> 00:05:13,440
the payload 119 thousand pounds of its

106
00:05:18,680 --> 00:05:16,250
closest rival at a third of the cost

107
00:05:21,200 --> 00:05:18,690
SpaceX has shaken up the aerospace

108
00:05:22,999 --> 00:05:21,210
industry by dramatically slashing costs

109
00:05:25,309 --> 00:05:23,009
and developing rockets that can blast

110
00:05:29,809 --> 00:05:25,319
out of the atmosphere and then come back

111
00:05:32,659 --> 00:05:29,819
down to land on a barge floating in the

112
00:05:34,730 --> 00:05:32,669
middle of the ocean market sectors see

113
00:05:37,420 --> 00:05:34,740

latest news and which stock market

114

00:05:39,770 --> 00:05:37,430

segments are performing best

115

00:05:42,649 --> 00:05:39,780

traditionally Rockets have been used

116

00:05:45,230 --> 00:05:42,659

just once and are left to burn up in the

117

00:05:48,170 --> 00:05:45,240

atmosphere after mission but SpaceX has

118

00:05:51,379 --> 00:05:48,180

been working for years to change that it

119

00:05:53,510 --> 00:05:51,389

has said that reuse rockets will be a

120

00:05:57,559 --> 00:05:53,520

part of the maiden launch of the Falcon

121

00:06:00,370 --> 00:05:57,569

Heavy which is essentially three Falcon

122

00:06:03,620 --> 00:06:00,380

9 rocket the company's current workhorse

123

00:06:05,870 --> 00:06:03,630

strapped together so on that little

124

00:06:07,189 --> 00:06:05,880

weird little tandem thing that was going

125

00:06:13,089 --> 00:06:07,199

up into that rocket everybody was

126

00:06:16,939 --> 00:06:13,099

filming it was probably his roadster no

127

00:06:19,189 --> 00:06:16,949

unbelievable yeah and he said that he

128

00:06:20,719 --> 00:06:19,199

was announcing for weeks that this was

129

00:06:25,779 --> 00:06:20,729

going to happen that he was going to

130

00:06:29,439 --> 00:06:25,789

launch this thing but oddly in the first

131

00:06:32,659 --> 00:06:29,449

how can I say reports the first like

132

00:06:35,779 --> 00:06:32,669

people calling and questioning what was

133

00:06:38,420 --> 00:06:35,789

that I heard SpaceX was hesitant to say

134

00:06:40,760 --> 00:06:38,430

it was them and I know that a lot of

135

00:06:41,100 --> 00:06:40,770

people in the UFO community were really

136

00:06:43,230 --> 00:06:41,110

like

137

00:06:45,750 --> 00:06:43,240

and I know they didn't look typical and

138

00:06:48,030 --> 00:06:45,760

it didn't look typical because it wasn't

139

00:06:50,100 --> 00:06:48,040

the typical rocket and it literally is a

140

00:06:54,540 --> 00:06:50,110

rocket come on now they know they've got

141

00:06:57,660 --> 00:06:54,550

the re-engineered level UFOs up but

142

00:07:01,530 --> 00:06:57,670

anyways blasting off with some UFO

143

00:07:05,790 --> 00:07:01,540

reports how about we do that UFO

144

00:07:08,520 --> 00:07:05,800

sighting in Vacaville California this

145

00:07:11,750 --> 00:07:08,530

occurred December 22nd 2017

146

00:07:14,520 --> 00:07:11,760

in brief witness States black

147

00:07:17,670 --> 00:07:14,530

cylindrical shaped object hovered over

148

00:07:23,220 --> 00:07:17,680

hilltop in more detail they state

149

00:07:25,110 --> 00:07:23,230

December 22nd 2017 816 a.m. my coworker

150

00:07:28,140 --> 00:07:25,120

the driver and I were traveling

151
00:07:31,710 --> 00:07:28,150
westbound on i-80 towards San Francisco

152
00:07:34,440 --> 00:07:31,720
on our way to work while passing the

153
00:07:36,780 --> 00:07:34,450
area of Vacaville I noticed an object

154
00:07:38,850 --> 00:07:36,790
hovering over a hilltop in the distance

155
00:07:41,970 --> 00:07:38,860
the size of the object would be about

156
00:07:42,570 --> 00:07:41,980
the size of an aspirin if held at arm's

157
00:07:45,960 --> 00:07:42,580
length

158
00:07:48,540 --> 00:07:45,970
it was cylindrical shaped oriented

159
00:07:51,990 --> 00:07:48,550
vertically it appeared larger at the top

160
00:07:54,750 --> 00:07:52,000
the object was dark grey black it was

161
00:07:56,880 --> 00:07:54,760
very pronounced against a clear sky

162
00:07:59,400 --> 00:07:56,890
background I saw the object

163
00:08:01,890 --> 00:07:59,410

intermittently as my line of sight was

164

00:08:04,640 --> 00:08:01,900

disrupted by traffic in the lane next to

165

00:08:07,710 --> 00:08:04,650

mine and an overpass that we drove under

166

00:08:10,500 --> 00:08:07,720

for me the event lasted somewhere

167

00:08:12,540 --> 00:08:10,510

between one to three minutes I see it

168

00:08:17,390 --> 00:08:12,550

that way because I didn't see the object

169

00:08:20,700 --> 00:08:17,400

quote arrived and I didn't see it leave

170

00:08:23,460 --> 00:08:20,710

so I can't say for sure how long it was

171

00:08:25,200 --> 00:08:23,470

there during the periods that I had a

172

00:08:28,170 --> 00:08:25,210

direct line of sight to the object I

173

00:08:31,650 --> 00:08:28,180

could tell that while stationary it was

174

00:08:35,040 --> 00:08:31,660

either rotating around its y-axis or

175

00:08:37,350 --> 00:08:35,050

changing shape the larger part on top

176
00:08:39,900 --> 00:08:37,360
seemed to alternate between being on the

177
00:08:41,700 --> 00:08:39,910
left and right side of the object the

178
00:08:44,010 --> 00:08:41,710
weather conditions during this event

179
00:08:46,590 --> 00:08:44,020
were relatively clear with very little

180
00:08:49,170 --> 00:08:46,600
cloud coverage I would describe it as a

181
00:08:52,140 --> 00:08:49,180
bright and sunny California winter

182
00:08:54,879 --> 00:08:52,150
morning I'm not sure what made me first

183
00:08:59,679 --> 00:08:54,889
notice the object but as soon as I did

184
00:09:01,509 --> 00:08:59,689
my mind classified it as odd I Drive

185
00:09:03,220 --> 00:09:01,519
that route several times a week and I'm

186
00:09:06,129 --> 00:09:03,230
very familiar with the aircraft in that

187
00:09:07,960 --> 00:09:06,139
area Travis Air Force Base is only about

188
00:09:10,840 --> 00:09:07,970

15 miles from where this event took

189

00:09:13,389 --> 00:09:10,850

place so seeing military aircraft as

190

00:09:15,789 --> 00:09:13,399

well as commercial aircraft is extremely

191

00:09:17,650 --> 00:09:15,799

common along with airplanes and

192

00:09:20,499 --> 00:09:17,660

helicopters regularly seen in the area

193

00:09:21,159 --> 00:09:20,509

it's also quite common to see hot-air

194

00:09:24,009 --> 00:09:21,169

balloons

195

00:09:26,369 --> 00:09:24,019

in fact the first prosaic explanation

196

00:09:30,400 --> 00:09:26,379

that came to mind was a hot-air balloon

197

00:09:32,530 --> 00:09:30,410

but that's just not what I saw first of

198

00:09:34,749 --> 00:09:32,540

all it's out of season for hot-air

199

00:09:37,720 --> 00:09:34,759

balloons in that area usually when you

200

00:09:39,669 --> 00:09:37,730

see them they are generally brightly

201
00:09:41,590 --> 00:09:39,679
colored this was almost black and its

202
00:09:41,949 --> 00:09:41,600
shape wasn't correct to be a hot-air

203
00:09:44,429 --> 00:09:41,959
balloon

204
00:09:47,439 --> 00:09:44,439
the next Westland nation I came up with

205
00:09:49,840 --> 00:09:47,449
was those balloons that you would see

206
00:09:52,749 --> 00:09:49,850
above a car dealership or new housing

207
00:09:55,210 --> 00:09:52,759
development this however doesn't seem

208
00:09:58,720 --> 00:09:55,220
plausible because for one that

209
00:10:01,539 --> 00:09:58,730
particular hilltop doesn't really have

210
00:10:03,579 --> 00:10:01,549
any buildings others and a few homes for

211
00:10:06,579 --> 00:10:03,589
another the size of the thing from the

212
00:10:09,400 --> 00:10:06,589
distance I saw it means it had to be

213
00:10:12,100 --> 00:10:09,410

much larger than an advertising balloon

214

00:10:15,999 --> 00:10:12,110

seeing this object was exciting for me

215

00:10:18,609 --> 00:10:16,009

full disclosure I'm a UFO enthusiast I

216

00:10:20,289 --> 00:10:18,619

generally keep an eye to the sky in

217

00:10:23,169 --> 00:10:20,299

hopes of seeing something of high

218

00:10:25,030 --> 00:10:23,179

strangeness until now I've never seen

219

00:10:27,729 --> 00:10:25,040

anything that couldn't immediately be

220

00:10:29,949 --> 00:10:27,739

explained I tried my best to take photos

221

00:10:31,569 --> 00:10:29,959

and video with my phone but it just

222

00:10:34,239 --> 00:10:31,579

wasn't large enough for my phone to

223

00:10:35,889 --> 00:10:34,249

capture it my coworker also saw the

224

00:10:39,340 --> 00:10:35,899

object and acknowledged that it was

225

00:10:41,470 --> 00:10:39,350

indeed strange he too said that it

226

00:10:42,369 --> 00:10:41,480

didn't look like any hot air balloon

227

00:10:45,009 --> 00:10:42,379

he'd ever seen

228

00:10:46,689 --> 00:10:45,019

I eventually lost sight of the object

229

00:10:49,449 --> 00:10:46,699

when we got close enough to the hills to

230

00:10:51,609 --> 00:10:49,459

block my view I continued to look in

231

00:10:55,989 --> 00:10:51,619

that direction that I thought it may be

232

00:10:58,509 --> 00:10:55,999

the rest of the way to San Francisco the

233

00:11:01,989 --> 00:10:58,519

next UFO sighting happened in South

234

00:11:03,369 --> 00:11:01,999

Glens Falls New York and this is a bit

235

00:11:07,029 --> 00:11:03,379

of a blast from the past

236

00:11:08,140 --> 00:11:07,039

it's occurred June 15 2013 in brief the

237

00:11:11,350 --> 00:11:08,150

witness states came for

238

00:11:14,680 --> 00:11:11,360

the stars about 30 orange orbs forming a

239

00:11:18,310 --> 00:11:14,690

large circle a hundred feet across then

240

00:11:22,240 --> 00:11:18,320

broke apart to form a boomerang shape

241

00:11:24,610 --> 00:11:22,250

and shot Northwest five witnesses in

242

00:11:27,370 --> 00:11:24,620

more detail the witness states it was

243

00:11:30,490 --> 00:11:27,380

almost summer in Glens Falls New York a

244

00:11:32,890 --> 00:11:30,500

clear warm evening I just moved back

245

00:11:35,190 --> 00:11:32,900

here from Portland Oregon so I was

246

00:11:38,410 --> 00:11:35,200

staying in a house with room rentals a

247

00:11:40,500 --> 00:11:38,420

husband and wife lived in the house they

248

00:11:44,170 --> 00:11:40,510

were outside at a picnic table

249

00:11:46,270 --> 00:11:44,180

they knew the girl I was dating so we

250

00:11:48,160 --> 00:11:46,280

were all drinking a few beers hanging

251

00:11:50,260 --> 00:11:48,170

out there were a couple other people

252

00:11:54,490 --> 00:11:50,270

there I never believed in aliens or UFOs

253

00:11:57,940 --> 00:11:54,500

before this anyways it was just a normal

254

00:12:00,370 --> 00:11:57,950

night but after whatever this was it has

255

00:12:03,550 --> 00:12:00,380

completely changed my perspective on

256

00:12:06,520 --> 00:12:03,560

life and has given me a hunger for

257

00:12:09,280 --> 00:12:06,530

knowledge so my girlfriend at the time

258

00:12:12,760 --> 00:12:09,290

her name was Alicia standing behind me

259

00:12:14,020 --> 00:12:12,770

she pointed at the sky and said oh my

260

00:12:19,510 --> 00:12:14,030

god what is that

261

00:12:23,200 --> 00:12:19,520

I turned and look and it was a tear drop

262

00:12:25,540 --> 00:12:23,210

shape coming into our atmosphere then

263

00:12:28,900 --> 00:12:25,550

still very high in the atmosphere it

264

00:12:31,720 --> 00:12:28,910

broke apart into about thirty orange

265

00:12:34,690 --> 00:12:31,730

circle like craft forming a large ferris

266

00:12:37,960 --> 00:12:34,700

wheel like circle and just stood in the

267

00:12:40,210 --> 00:12:37,970

night sky for like ten seconds then the

268

00:12:43,480 --> 00:12:40,220

orbs all drifted off from the large

269

00:12:47,110 --> 00:12:43,490

circle and performed a perfect v-shape

270

00:12:50,140 --> 00:12:47,120

at that time and moment I got scared it

271

00:12:52,300 --> 00:12:50,150

felt like an invasion it hovered in that

272

00:12:56,230 --> 00:12:52,310

position a couple of seconds and then

273

00:13:00,250 --> 00:12:56,240

shot Northwest we kept watching it

274

00:13:02,950 --> 00:13:00,260

because it was so high in the air you

275

00:13:06,040 --> 00:13:02,960

could watch it fly for a while then it

276

00:13:08,410 --> 00:13:06,050

was gone and we sat there stunned and I

277

00:13:11,140 --> 00:13:08,420

thought it was like a Russian invasion

278

00:13:14,620 --> 00:13:11,150

or something but there was no sound and

279

00:13:17,080 --> 00:13:14,630

I never seen anything like it again so I

280

00:13:19,450 --> 00:13:17,090

tried researching it that's when I

281

00:13:22,000 --> 00:13:19,460

started learning about UFOs and aliens

282

00:13:24,850 --> 00:13:22,010

so all my books all my movies

283

00:13:29,610 --> 00:13:24,860

everything is trying to figure out this

284

00:13:33,490 --> 00:13:29,620

event the next UFO report happened in

285

00:13:38,440 --> 00:13:33,500

Montesano Washington this occurred on

286

00:13:40,660 --> 00:13:38,450

December 23rd 2017 and brief the witness

287

00:13:43,120 --> 00:13:40,670

states I have watched this thing every

288

00:13:46,540 --> 00:13:43,130

year for four or five years now

289

00:13:48,910 --> 00:13:46,550

this year has changed position from

290

00:13:52,840 --> 00:13:48,920

north of me to east of me and now

291

00:13:54,880 --> 00:13:52,850

tonight it is west of me I can only

292

00:13:57,970 --> 00:13:54,890

observe it on clear nights

293

00:14:02,290 --> 00:13:57,980

it makes impossible turns and speeds

294

00:14:04,690 --> 00:14:02,300

that no jet can do in more detail they

295

00:14:07,030 --> 00:14:04,700

state I walked out on the front porch

296

00:14:10,270 --> 00:14:07,040

and notice this glittering object to the

297

00:14:13,360 --> 00:14:10,280

west of me moving fast in an erratic

298

00:14:15,700 --> 00:14:13,370

path right away I recognized it as the

299

00:14:18,520 --> 00:14:15,710

object that I have been watching for

300

00:14:22,120 --> 00:14:18,530

about four years now but it has changed

301
00:14:25,390 --> 00:14:22,130
position now it's in the western sky it

302
00:14:29,290 --> 00:14:25,400
flies very erratic patterns at speeds

303
00:14:31,930 --> 00:14:29,300
that are unbelievable tonight as I was

304
00:14:34,510 --> 00:14:31,940
watching it to the west two more objects

305
00:14:37,090 --> 00:14:34,520
appeared from the Northeast they were

306
00:14:40,360 --> 00:14:37,100
white orbs that periodically flashed on

307
00:14:43,630 --> 00:14:40,370
and off they were heading right for the

308
00:14:45,610 --> 00:14:43,640
first object this caused it to disappear

309
00:14:48,520 --> 00:14:45,620
behind the trees for a few minutes I

310
00:14:50,830 --> 00:14:48,530
hope whoever it is doesn't shoot this

311
00:14:55,420 --> 00:14:50,840
thing down it doesn't seem to hurt

312
00:14:58,300 --> 00:14:55,430
anyone my feelings amazement is all I

313
00:15:00,820 --> 00:14:58,310

watched the night skies often and when

314

00:15:03,580 --> 00:15:00,830

we go out to eat we never agree on where

315

00:15:05,560 --> 00:15:03,590

to go what Burgers heats up tacos it is

316

00:15:07,600 --> 00:15:05,570

the one thing we do agree on is we all

317

00:15:10,750 --> 00:15:07,610

want unlimited high-speed data that's

318

00:15:12,520 --> 00:15:10,760

why we switch to metro pcs stop by metro

319

00:15:14,500 --> 00:15:12,530

pcs with the whole family and get four

320

00:15:17,590 --> 00:15:14,510

lines with unlimited LTE data for just

321

00:15:19,030 --> 00:15:17,600

\$100 period metro pcs Wireless figured

322

00:15:20,110 --> 00:15:19,040

out covers not available in some areas

323

00:15:21,070 --> 00:15:20,120

offers for our poor in a number not

324

00:15:22,270 --> 00:15:21,080

currently active on t-mobile network

325

00:15:23,500 --> 00:15:22,280

during congestion the fraction of

326

00:15:25,090 --> 00:15:23,510

customers used more than 35 gigs per

327

00:15:26,740 --> 00:15:25,100

month made us reduce beats video streams

328

00:15:28,420 --> 00:15:26,750

DEP 240p no tethering C store for

329

00:15:31,240 --> 00:15:28,430

details in terms and conditions have

330

00:15:34,090 --> 00:15:31,250

seen many things a few summers ago I saw

331

00:15:36,090 --> 00:15:34,100

a white orb just zooming along from

332

00:15:38,370 --> 00:15:36,100

Southwest in north

333

00:15:41,340 --> 00:15:38,380

when another orb came from the east to

334

00:15:43,680 --> 00:15:41,350

meet it a bright white flash came from

335

00:15:47,730 --> 00:15:43,690

the second orb and it destroyed or

336

00:15:50,250 --> 00:15:47,740

caused it to disappear weird are there

337

00:15:51,420 --> 00:15:50,260

Wars going on in the heavens yes there

338

00:15:54,000 --> 00:15:51,430

are

339

00:15:57,470 --> 00:15:54,010

hey I named my first book the secret war

340

00:16:01,260 --> 00:15:57,480

what can I say alright next UFO sighting

341

00:16:05,460 --> 00:16:01,270

this occurred in what a name

342

00:16:07,500 --> 00:16:05,470

Gothenburg västra götaland County this

343

00:16:08,490 --> 00:16:07,510

is a little bit of a blast up from the

344

00:16:13,530 --> 00:16:08,500

past

345

00:16:17,190 --> 00:16:13,540

this happened in April 16 2015 and this

346

00:16:18,900 --> 00:16:17,200

is really a bit distorted I can tell

347

00:16:21,320 --> 00:16:18,910

already the English is a little broken

348

00:16:24,630 --> 00:16:21,330

up I will do my best

349

00:16:27,510 --> 00:16:24,640

the witness states should open the patio

350

00:16:30,330 --> 00:16:27,520

doors to let some air in when I saw this

351

00:16:33,210 --> 00:16:30,340

thing high up in the air at first I

352

00:16:36,750 --> 00:16:33,220

thought it was a star but it was way too

353

00:16:39,360 --> 00:16:36,760

big and the shape was wrong said to my

354

00:16:41,220 --> 00:16:39,370

wife and son that they have to come out

355

00:16:43,980 --> 00:16:41,230

and watch and that's when we

356

00:16:47,280 --> 00:16:43,990

photographed it it hovered and then

357

00:16:51,120 --> 00:16:47,290

moved quite harshly and then disappeared

358

00:16:55,530 --> 00:16:51,130

behind black clouds and tree Peaks that

359

00:16:57,990 --> 00:16:55,540

obscure the sight of us everything felt

360

00:17:04,560 --> 00:16:58,000

unreal and we just stood watching each

361

00:17:07,830 --> 00:17:04,570

other afterwards next UFO sighting

362

00:17:11,540 --> 00:17:07,840

happen in Bradenton Florida yeah

363

00:17:16,470 --> 00:17:11,550

Bradenton this occurred December 23rd

364

00:17:19,560 --> 00:17:16,480

2017 in brief the witness dates hard to

365

00:17:22,350 --> 00:17:19,570

explain in more detail they say I was

366

00:17:25,530 --> 00:17:22,360

watching one of my favorite UFO videos

367

00:17:29,310 --> 00:17:25,540

on YouTube channel yeah I know the irony

368

00:17:33,030 --> 00:17:29,320

lol when I got a weird feeling or should

369

00:17:35,910 --> 00:17:33,040

I say urge to go outside then I look up

370

00:17:38,640 --> 00:17:35,920

to see a lot of lights so I started to

371

00:17:41,760 --> 00:17:38,650

record them for a bit then my battery

372

00:17:44,670 --> 00:17:41,770

started to die but I swear it was fully

373

00:17:47,340 --> 00:17:44,680

charged before I went outside so I had

374

00:17:49,380 --> 00:17:47,350

to cut the recording short here the link

375

00:17:52,620 --> 00:17:49,390

to my UFO video on YouTube

376

00:17:54,960 --> 00:17:52,630

I also sent the mp4 file of the video

377

00:17:57,740 --> 00:17:54,970

just in case you are not able to watch

378

00:18:00,510 --> 00:17:57,750

it on my channel how convenient

379

00:18:02,580 --> 00:18:00,520

oftentimes people say they get a strange

380

00:18:05,310 --> 00:18:02,590

feeling and have to go look and guess

381

00:18:08,040 --> 00:18:05,320

the UFO occupants knew they were looking

382

00:18:12,000 --> 00:18:08,050

up UFOs again and again all right the

383

00:18:14,610 --> 00:18:12,010

next UFO sighting UFO sighting in Prince

384

00:18:17,880 --> 00:18:14,620

Rupert British Columbia

385

00:18:20,580 --> 00:18:17,890

this happened December 22nd 2017 and

386

00:18:23,840 --> 00:18:20,590

brief the witness states clouded light

387

00:18:27,600 --> 00:18:23,850

in night sky 0 clouds in atmosphere

388

00:18:31,230 --> 00:18:27,610

faded away causing giant smoke ring from

389

00:18:33,960 --> 00:18:31,240

its clouded surrounding ok in more

390

00:18:36,330 --> 00:18:33,970

detail they state I'm a truck driver we

391

00:18:40,620 --> 00:18:36,340

drive the same route every night as an

392

00:18:43,950 --> 00:18:40,630

outfit last night December 22nd 2017 was

393

00:18:47,220 --> 00:18:43,960

like the past couple nights cold crisp

394

00:18:49,320 --> 00:18:47,230

and very clear skies where I live in the

395

00:18:52,020 --> 00:18:49,330

northwest of British Columbia is a very

396

00:18:54,540 --> 00:18:52,030

open sky with little natural lights on

397

00:18:57,330 --> 00:18:54,550

parts of the route we drive making for

398

00:19:01,170 --> 00:18:57,340

the starry skies to be very luminescent

399

00:19:03,840 --> 00:19:01,180

I enjoy looking up when I can and always

400

00:19:06,960 --> 00:19:03,850

observe as much as I can as it's truly a

401
00:19:10,080 --> 00:19:06,970
beautiful spectacle last night the moon

402
00:19:12,900 --> 00:19:10,090
was about under half full very clear

403
00:19:15,720 --> 00:19:12,910
skies not a single cloud could be seen

404
00:19:20,820 --> 00:19:15,730
all evening well coming back along the

405
00:19:22,440 --> 00:19:20,830
route were I here's no natural light for

406
00:19:25,770 --> 00:19:22,450
a bit I don't know what that word is I

407
00:19:28,230 --> 00:19:25,780
noticed a clouded orb like light off to

408
00:19:30,450 --> 00:19:28,240
the right of the moon now that's just

409
00:19:33,510 --> 00:19:30,460
from the direction I was headed at the

410
00:19:36,630 --> 00:19:33,520
time so I noticed this weird oddity it

411
00:19:40,290 --> 00:19:36,640
then by perspective shot out a smoke

412
00:19:43,860 --> 00:19:40,300
ring as the ring grew larger the clouded

413
00:19:47,310 --> 00:19:43,870

light got farther away the smoke wasn't

414

00:19:49,710 --> 00:19:47,320

heavier thick in any way thin like but

415

00:19:51,630 --> 00:19:49,720

as I continued down the road and the

416

00:19:54,090 --> 00:19:51,640

angle change to where I lost sight of

417

00:19:58,200 --> 00:19:54,100

the lighted misty cloud like object I

418

00:20:00,840 --> 00:19:58,210

could see the ring still after passing

419

00:20:03,470 --> 00:20:00,850

by the trees everything was gone this

420

00:20:06,180 --> 00:20:03,480

was over about a four-minute time

421

00:20:08,940 --> 00:20:06,190

now I'm a rational thinking person my

422

00:20:12,509 --> 00:20:08,950

thoughts were the ring was rested by

423

00:20:15,149 --> 00:20:12,519

propulsion only thing is what was the

424

00:20:17,639 --> 00:20:15,159

clouded object that caused this looking

425

00:20:20,180 --> 00:20:17,649

for some science logical rational

426
00:20:23,820 --> 00:20:20,190
reasoning here for a possible answer

427
00:20:27,019 --> 00:20:23,830
thanks for listening and reading the

428
00:20:29,519 --> 00:20:27,029
next UFO sighting this occurred in

429
00:20:33,440 --> 00:20:29,529
Tantallon Nova Scotia

430
00:20:36,960 --> 00:20:33,450
this occurred December 22nd 2017 Oh

431
00:20:42,269 --> 00:20:36,970
interesting in brief the witness states

432
00:20:44,039 --> 00:20:42,279
glowing angel over water in more detail

433
00:20:45,989 --> 00:20:44,049
they say I went out of my house to start

434
00:20:49,139 --> 00:20:45,999
my car coming back I looked over the

435
00:20:51,869 --> 00:20:49,149
water and seen an angel went in the

436
00:20:54,480 --> 00:20:51,879
house guy camera to take picture lasted

437
00:20:57,720 --> 00:20:54,490
about three minutes did not see it go it

438
00:21:00,330 --> 00:20:57,730

just hovered there I felt very warm and

439

00:21:01,859 --> 00:21:00,340

happy I went inside and then looked out

440

00:21:04,649 --> 00:21:01,869

the window it was gone

441

00:21:10,109 --> 00:21:04,659

my brother suggested I send you the

442

00:21:14,159 --> 00:21:10,119

picture that wasn't a UFO but great for

443

00:21:17,399 --> 00:21:14,169

the season right and the next year for

444

00:21:19,619 --> 00:21:17,409

siding black triangle sighting in

445

00:21:23,850 --> 00:21:19,629

Prescott Arizona this occurred at

446

00:21:26,039 --> 00:21:23,860

December 23rd 2017 sitting on deck

447

00:21:28,710 --> 00:21:26,049

looking at Granite Mountain and saw a

448

00:21:30,840 --> 00:21:28,720

triangle shaped with lights red and

449

00:21:34,169 --> 00:21:30,850

white hovering and then a couple of

450

00:21:36,419 --> 00:21:34,179

minutes lights went out in more detail

451
00:21:39,450 --> 00:21:36,429
they stayed on my deck talking on the

452
00:21:42,690 --> 00:21:39,460
phone triangle object lit up hovering

453
00:21:45,480 --> 00:21:42,700
and not moving was not sure because the

454
00:21:49,049 --> 00:21:45,490
triangle shape the object had outline of

455
00:21:51,749 --> 00:21:49,059
lights in triangle shape and lights

456
00:21:55,019 --> 00:21:51,759
looked white but could see flickering of

457
00:21:57,509 --> 00:21:55,029
red just did not move then all of a

458
00:21:59,399 --> 00:21:57,519
sudden the lights went out speaking to

459
00:22:01,590 --> 00:21:59,409
girlfriend on phone and had to stop

460
00:22:04,440 --> 00:22:01,600
speaking to her to keep looking at it

461
00:22:07,019 --> 00:22:04,450
and told her what I just witnessed was

462
00:22:11,419 --> 00:22:07,029
scared because the shape was not an

463
00:22:14,070 --> 00:22:11,429

aircraft so I posted a Facebook and

464

00:22:16,590 --> 00:22:14,080

Friends saying it was satellites being

465

00:22:17,270 --> 00:22:16,600

launched but I said there was no trail

466

00:22:19,640 --> 00:22:17,280

seen

467

00:22:22,970 --> 00:22:19,650

looked up on computer and it looks to me

468

00:22:26,000 --> 00:22:22,980

like the TR b3 but it had lights

469

00:22:29,300 --> 00:22:26,010

outlining the whole triangle the lights

470

00:22:31,820 --> 00:22:29,310

just went off took a photo of it but it

471

00:22:37,700 --> 00:22:31,830

only shows a light in the distance and

472

00:22:41,720 --> 00:22:37,710

that is not what I saw the next UFO

473

00:22:45,580 --> 00:22:41,730

sighting this happened in Varadero

474

00:22:50,240 --> 00:22:45,590

Matins oz pronunciation I'm not sure

475

00:22:52,940 --> 00:22:50,250

November 23rd 2017 in brief they state

476
00:22:56,210 --> 00:22:52,950
giant glowing objects started to slowly

477
00:22:58,150 --> 00:22:56,220
fade into sight disappeared for 30

478
00:23:03,020 --> 00:22:58,160
seconds then reappeared suddenly and

479
00:23:07,520 --> 00:23:03,030
grew bigger in more detail the witness

480
00:23:11,360 --> 00:23:07,530
states Varadero Cuba November 23rd night

481
00:23:12,770 --> 00:23:11,370
2 very early hours November 24th my

482
00:23:15,830 --> 00:23:12,780
friends and I were sitting on their

483
00:23:18,560 --> 00:23:15,840
patio on the hotel late one night after

484
00:23:21,290 --> 00:23:18,570
their wedding my friend happened to

485
00:23:24,080 --> 00:23:21,300
notice a small red light object in the

486
00:23:26,840 --> 00:23:24,090
sky as we looked it started to grow

487
00:23:29,930 --> 00:23:26,850
bigger appearing to look like lava

488
00:23:33,200 --> 00:23:29,940

starting to flow from a volcano no

489

00:23:36,800 --> 00:23:33,210

volcanoes nearby however it grew bigger

490

00:23:38,660 --> 00:23:36,810

slowly before disappearing suddenly then

491

00:23:41,780 --> 00:23:38,670

again reappearing suddenly and staying

492

00:23:44,030 --> 00:23:41,790

in a Halfmoon shape for at least 5

493

00:23:45,890 --> 00:23:44,040

minutes the picture at night that is

494

00:23:49,040 --> 00:23:45,900

included was taken off of my phone

495

00:23:52,280 --> 00:23:49,050

iPhone 6 it doesn't capture the true

496

00:23:55,790 --> 00:23:52,290

color which looked a lot more fiery but

497

00:23:57,770 --> 00:23:55,800

the shape is almost accurate it wasn't

498

00:23:58,880 --> 00:23:57,780

perfectly smooth as mentioned before it

499

00:24:01,070 --> 00:23:58,890

looked like lava

500

00:24:04,190 --> 00:24:01,080

had begun pouring down the side of a

501
00:24:07,010 --> 00:24:04,200
volcano but stopped just at the top in

502
00:24:09,080 --> 00:24:07,020
the half moon like shape I also added

503
00:24:10,640 --> 00:24:09,090
another photo I had taken earlier that

504
00:24:13,250 --> 00:24:10,650
day in the exact same spot as a

505
00:24:14,960 --> 00:24:13,260
reference there were no buildings or

506
00:24:17,870 --> 00:24:14,970
ships that could have possibly caused

507
00:24:20,720 --> 00:24:17,880
that light to be there it also shows it

508
00:24:22,970 --> 00:24:20,730
was quite high up I'm not sure the exact

509
00:24:25,280 --> 00:24:22,980
location if it was north or south but

510
00:24:28,400 --> 00:24:25,290
the moon that night was the opposite

511
00:24:30,180 --> 00:24:28,410
side of the sky to this object so it

512
00:24:32,400 --> 00:24:30,190
would not have been the moon

513
00:24:34,890 --> 00:24:32,410

after about five minutes that object

514

00:24:37,170 --> 00:24:34,900

suddenly disappeared again but did not

515

00:24:40,260 --> 00:24:37,180

return this time and we never saw the

516

00:24:43,080 --> 00:24:40,270

object again it caused us no feelings

517

00:24:46,530 --> 00:24:43,090

other than confusion and a bit of fear

518

00:24:48,050 --> 00:24:46,540

as we had and still have no idea what we

519

00:24:52,560 --> 00:24:48,060

saw that night

520

00:24:56,450 --> 00:24:52,570

in keeping with the holiday spirits I am

521

00:25:01,880 --> 00:24:56,460

going to read off some very inspiring

522

00:25:05,550 --> 00:25:01,890

stories that are fitting for Christmas

523

00:25:09,600 --> 00:25:05,560

well this first story comes to us it is

524

00:25:11,490 --> 00:25:09,610

called the accident warnings the

525

00:25:14,130 --> 00:25:11,500

question is asked is our future planned

526

00:25:16,740 --> 00:25:14,140

and is there therefore psychics and

527

00:25:19,800 --> 00:25:16,750

prophets can see the future or is the

528

00:25:21,810 --> 00:25:19,810

future only a set of possibilities the

529

00:25:25,920 --> 00:25:21,820

paths of which can be altered by our

530

00:25:28,470 --> 00:25:25,930

actions a reader with the username -

531

00:25:30,360 --> 00:25:28,480

rights house she received two separate

532

00:25:32,460 --> 00:25:30,370

and remarkable warnings about a possible

533

00:25:36,170 --> 00:25:32,470

future incident toward which she was

534

00:25:39,540 --> 00:25:36,180

heading they may have saved her life

535

00:25:42,420 --> 00:25:39,550

- sister called at about four of one

536

00:25:45,210 --> 00:25:42,430

morning she had a tremble in her voice

537

00:25:47,730 --> 00:25:45,220

and was nearly crying since she lived

538

00:25:50,850 --> 00:25:47,740

across the country it was so early

539

00:25:52,590 --> 00:25:50,860

heaven was obviously worried she told me

540

00:25:53,130 --> 00:25:52,600

she had a vision of me being in a car

541

00:25:55,260 --> 00:25:53,140

accident

542

00:25:57,300 --> 00:25:55,270

she didn't say whether or not I was

543

00:26:00,180 --> 00:25:57,310

killed in it but the sound of her voice

544

00:26:03,570 --> 00:26:00,190

made me think she did believe this but

545

00:26:05,850 --> 00:26:03,580

was afraid to tell me heaven rights she

546

00:26:09,120 --> 00:26:05,860

told me to pray and she said she would

547

00:26:11,520 --> 00:26:09,130

pray for me she told me to be careful to

548

00:26:14,130 --> 00:26:11,530

take another route to work anything I

549

00:26:16,080 --> 00:26:14,140

could do I told her I believed her and

550

00:26:18,900 --> 00:26:16,090

would call our mother and ask her to

551
00:26:22,950 --> 00:26:18,910
pray with us when heaven left for work

552
00:26:27,390 --> 00:26:22,960
she was terrified by strengthened in the

553
00:26:29,640 --> 00:26:27,400
spirit she worked at a hospital and had

554
00:26:31,860 --> 00:26:29,650
patients to attend to as she was leaving

555
00:26:34,230 --> 00:26:31,870
the room she was called over by a

556
00:26:35,940 --> 00:26:34,240
gentleman in a wheelchair I went to him

557
00:26:39,240 --> 00:26:35,950
expecting that he had a complaint

558
00:26:41,460 --> 00:26:39,250
against the hospital he told me God had

559
00:26:42,300 --> 00:26:41,470
given him a message that I would be in a

560
00:26:44,070 --> 00:26:42,310
car accident

561
00:26:47,130 --> 00:26:44,080
he said someone

562
00:26:49,590 --> 00:26:47,140
paying attention would hit me I was so

563
00:26:51,960 --> 00:26:49,600

shocked I almost fainted he said he

564

00:26:55,019 --> 00:26:51,970

would pray for me and that God loved me

565

00:26:58,110 --> 00:26:55,029

I felt weak in the knees as I left the

566

00:27:00,899 --> 00:26:58,120

hospital I drove like an old lady as I

567

00:27:03,570 --> 00:27:00,909

observed every intersection stop sign

568

00:27:06,450 --> 00:27:03,580

and stop light when I got home I called

569

00:27:08,279 --> 00:27:06,460

my mom and sister and told them I was

570

00:27:13,880 --> 00:27:08,289

fine

571

00:27:18,090 --> 00:27:13,890

interesting the next inspirational story

572

00:27:20,669 --> 00:27:18,100

the flight papers assayed relationship

573

00:27:25,230 --> 00:27:20,679

can be just as important as a saved life

574

00:27:27,629 --> 00:27:25,240

a reader calling herself Smigel relates

575

00:27:30,210 --> 00:27:27,639

how a little miracle might have rescued

576

00:27:31,860 --> 00:27:30,220

her troubled marriage at the time she

577

00:27:35,190 --> 00:27:31,870

was making every effort to mend her

578

00:27:37,440 --> 00:27:35,200

rocky relationship with her husband she

579

00:27:39,750 --> 00:27:37,450

had set up a long romantic weekend in

580

00:27:43,409 --> 00:27:39,760

Bermuda when things started to go wrong

581

00:27:47,639 --> 00:27:43,419

it seems her plans were ruined until

582

00:27:49,409 --> 00:27:47,649

fate intervened smidgens a husband was

583

00:27:52,259 --> 00:27:49,419

reluctant to go on the trip and said

584

00:27:54,629 --> 00:27:52,269

things were going fine on arrival in

585

00:27:57,690 --> 00:27:54,639

Philadelphia they were notified that

586

00:27:59,460 --> 00:27:57,700

weather was causing planes to back up so

587

00:28:02,039 --> 00:27:59,470

they were stuck in a holding pattern for

588

00:28:04,470 --> 00:28:02,049

some time by the time they landed their

589

00:28:06,990 --> 00:28:04,480

flight to Bermuda was boarding as many

590

00:28:09,690 --> 00:28:07,000

passengers have experienced it was a mad

591

00:28:12,149 --> 00:28:09,700

dash to their gate they were devastated

592

00:28:14,940 --> 00:28:12,159

that the gate door was just closing when

593

00:28:18,180 --> 00:28:14,950

they arrived the attendant told them

594

00:28:19,980 --> 00:28:18,190

that they could get to Bermuda but it

595

00:28:23,460 --> 00:28:19,990

would require two more connecting

596

00:28:26,250 --> 00:28:23,470

flights in an additional 10 hours she

597

00:28:28,139 --> 00:28:26,260

says my husband said that's it I'm not

598

00:28:31,230 --> 00:28:28,149

putting up with this anymore and started

599

00:28:33,779 --> 00:28:31,240

to walk out of the area and I just knew

600

00:28:37,259 --> 00:28:33,789

out of the marriage I was truly

601
00:28:39,090 --> 00:28:37,269
devastated recalls Megan as my husband

602
00:28:42,060 --> 00:28:39,100
was walking away the attendant saw

603
00:28:44,610 --> 00:28:42,070
on the counter and I swear it had not

604
00:28:47,009 --> 00:28:44,620
been there when we checked in a packet

605
00:28:49,680 --> 00:28:47,019
she was obviously upset that it was

606
00:28:52,350 --> 00:28:49,690
still there it turned out to be the

607
00:28:55,529 --> 00:28:52,360
landing papers packet that the pilot

608
00:28:57,060 --> 00:28:55,539
must have on board to land in a

609
00:28:58,740 --> 00:28:57,070
different country

610
00:29:01,950 --> 00:28:58,750
she quickly called the plane of return

611
00:29:04,770 --> 00:29:01,960
the plane had been on the runway ready

612
00:29:07,110 --> 00:29:04,780
to start powering up the engines it

613
00:29:10,670 --> 00:29:07,120

returned to the gate for the papers and

614

00:29:13,110 --> 00:29:10,680

they allowed us and others to get on

615

00:29:15,780 --> 00:29:13,120

Meghan says that the time with her

616

00:29:17,520 --> 00:29:15,790

husband in Bermuda was wonderful they

617

00:29:20,490 --> 00:29:17,530

were able to work out the problems they

618

00:29:22,860 --> 00:29:20,500

were having and stay together though

619

00:29:24,750 --> 00:29:22,870

they had been through tough times since

620

00:29:27,960 --> 00:29:24,760

they always remembered that moment in

621

00:29:30,660 --> 00:29:27,970

the airport she says I felt as if my

622

00:29:33,120 --> 00:29:30,670

world had collapsed and was given a

623

00:29:38,960 --> 00:29:33,130

miracle that helped us keep a marriage

624

00:29:43,950 --> 00:29:38,970

and a family together Wow absolutely

625

00:29:45,960 --> 00:29:43,960

amazing stories and UFO reports oh I

626

00:29:48,900 --> 00:29:45,970

want to thank you all for listening to

627

00:29:51,810 --> 00:29:48,910

UFO headline news with me Heidi Hollis

628

00:29:55,050 --> 00:29:51,820

be sure to check out UFO headline news

629

00:29:58,080 --> 00:29:55,060

com every single day and also tended to

630

00:30:00,450 --> 00:29:58,090

my other weekly shows I co-host on the

631

00:30:03,630 --> 00:30:00,460

Kevin kook show on Tuesdays and the

632

00:30:06,660 --> 00:30:03,640

Outlander show every Friday 9:00 p.m.

633

00:30:09,090 --> 00:30:06,670

Eastern 8:00 p.m. central and catch my

634

00:30:12,470 --> 00:30:09,100

paranormal comic strip the Outlanders

635

00:30:17,160 --> 00:30:12,480

just go to the Outlanders comic calm or

636

00:30:21,270 --> 00:30:17,170

Heidi Hollis calm and be sure to come to

637

00:30:23,460 --> 00:30:21,280

Inception Radio Network comm remember

638

00:30:28,680 --> 00:30:23,470

always to keep an open mind so you can

639

00:30:31,230 --> 00:30:28,690

stay informed and inspired when we go

640

00:30:34,470 --> 00:30:31,240

out to eat we never agree on where to go

641

00:30:36,390 --> 00:30:34,480

burgers pizza tacos it is the one thing

642

00:30:38,760 --> 00:30:36,400

we do agree on is we all want unlimited

643

00:30:41,490 --> 00:30:38,770

high-speed data that's why we switch to

644

00:30:43,200 --> 00:30:41,500

metro pcs stop by metro pcs with the

645

00:30:46,260 --> 00:30:43,210

whole family and get four lines with

646

00:30:48,480 --> 00:30:46,270

unlimited LTE data for just \$100 . metro

647

00:30:49,590 --> 00:30:48,490

pcs wireless figured out covers not

648

00:30:50,760 --> 00:30:49,600

available in some areas offers for

649

00:30:51,990 --> 00:30:50,770

reporting of number not currently active

650

00:30:53,070 --> 00:30:52,000

on t-mobile network during congestion

651
00:30:54,510 --> 00:30:53,080
the fraction of customers used more than

652
00:30:56,070 --> 00:30:54,520
35 gigs per month may notice reduced

653
00:30:57,390 --> 00:30:56,080
beats video stream step 240p no

654
00:30:58,800 --> 00:30:57,400
tethering C store for details in terms

655
00:31:10,659 --> 00:30:58,810
and conditions

656
00:31:14,690 --> 00:31:14,000
when we go out to eat we never agree on

657
00:31:17,510 --> 00:31:14,700
where to go

658
00:31:19,159 --> 00:31:17,520
what burgers pizza tacos it is the one

659
00:31:21,350 --> 00:31:19,169
thing we do agree on is we all want

660
00:31:24,409 --> 00:31:21,360
unlimited high-speed data that's why we

661
00:31:26,149 --> 00:31:24,419
switch to metro pcs stop by metro pcs

662
00:31:28,460 --> 00:31:26,159
with the whole family and get four lines

663
00:31:31,310 --> 00:31:28,470

with unlimited LTE data for just \$100

664

00:31:32,390 --> 00:31:31,320

period metro pcs Wireless figured out

665

00:31:33,740 --> 00:31:32,400

covers not available in some areas

666

00:31:34,850 --> 00:31:33,750

offers for our port number not currently

667

00:31:35,899 --> 00:31:34,860

active on t-mobile network during

668

00:31:37,220 --> 00:31:35,909

congestion the fraction of customers

669

00:31:38,570 --> 00:31:37,230

used more than 30 bucks per month may
