

 Secrets of the Secret UFO Program | The Cat is Out of the Bag!!!

 Listen on inceptionradionetwork.com

1
00:00:03,320 --> 00:00:01,579
per month may notice reduce beats video

2
00:00:04,970 --> 00:00:03,330
streams DUP 240p no tethering see store

3
00:00:06,140 --> 00:00:04,980
for details in terms and conditions good

4
00:00:07,820 --> 00:00:06,150
evening everyone and welcome to mak

5
00:00:09,919 --> 00:00:07,830
mommy's milk ranch-style show here on

6
00:00:12,080 --> 00:00:09,929
the distant thunder radio and network

7
00:00:13,940 --> 00:00:12,090
hey this is Mack Bologna and we are

8
00:00:17,480 --> 00:00:13,950
gonna be doing a special show tonight

9
00:00:19,640 --> 00:00:17,490
the show is going to be about this

10
00:00:22,580 --> 00:00:19,650
recently revealed Pentagon program

11
00:00:24,349 --> 00:00:22,590
having to do with studying UFOs what it

12
00:00:26,660 --> 00:00:24,359
really means is this like the big

13
00:00:30,500 --> 00:00:26,670

breakthrough everyone's been waiting for

14

00:00:32,359 --> 00:00:30,510

or is it just a case of maybe a Senator

15

00:00:34,580 --> 00:00:32,369

somewhere greasing a friend of his to

16

00:00:36,860 --> 00:00:34,590

the tomb of 22 million dollars I hope

17

00:00:38,540 --> 00:00:36,870

it's number one but you know sometimes

18

00:00:42,860 --> 00:00:38,550

in life things turned out to be number

19

00:00:46,010 --> 00:00:42,870

two anyway joining us for this special

20

00:00:49,240 --> 00:00:46,020

occasion of course is come in the Cobra

21

00:00:51,709 --> 00:00:49,250

good evening Mack okay you are in your

22

00:00:53,600 --> 00:00:51,719

undisclosed location undisclosed

23

00:00:55,910 --> 00:00:53,610

location tonight that is correct

24

00:00:58,040 --> 00:00:55,920

you know what what an interesting ride

25

00:00:59,840 --> 00:00:58,050

has been with this with this breaking

26

00:01:02,090 --> 00:00:59,850

piece of the program it's been all over

27

00:01:05,450 --> 00:01:02,100

the place right I'll bet you know the

28

00:01:08,649 --> 00:01:05,460

thing is we should say though upfront

29

00:01:11,630 --> 00:01:08,659

that we're gonna be one one west tonight

30

00:01:14,359 --> 00:01:11,640

he is out on his own secret mission

31

00:01:16,640 --> 00:01:14,369

raising funds to stop the program again

32

00:01:18,440 --> 00:01:16,650

to stop this UFO investigation program

33

00:01:21,020 --> 00:01:18,450

again he said I'll be standing on a

34

00:01:23,899 --> 00:01:21,030

street corner in Boston trying to raise

35

00:01:25,880 --> 00:01:23,909

funds so the stresses Brady I understand

36

00:01:27,950 --> 00:01:25,890

is now Young's doing well you know he

37

00:01:30,950 --> 00:01:27,960

usually does dresses Brady so you know

38

00:01:34,160 --> 00:01:30,960

why I changed now anyway one one won't

39

00:01:36,530 --> 00:01:34,170

be joining us but switchblade Steve will

40

00:01:39,260 --> 00:01:36,540

be calling him later on and also Emily M

41

00:01:41,960 --> 00:01:39,270

and we're just gonna talk about what

42

00:01:44,060 --> 00:01:41,970

this means you know and when I first saw

43

00:01:46,370 --> 00:01:44,070

it I'm sure you felt the same way car

44

00:01:49,219 --> 00:01:46,380

where was like I said well you know

45

00:01:52,429 --> 00:01:49,229

finally you know finally because for

46

00:01:54,530 --> 00:01:52,439

years the US military the Pentagon has

47

00:01:59,590 --> 00:01:54,540

just been denying that they you don't

48

00:02:03,139 --> 00:01:59,600

pay any interest at all in UFOs their

49

00:02:05,840 --> 00:02:03,149

project Bluebook ended in 1967 it was

50

00:02:08,270 --> 00:02:05,850

started in the early 50s that what they

51
00:02:10,669 --> 00:02:08,280
were supposedly looking into UFOs but it

52
00:02:11,720 --> 00:02:10,679
turned out to be more of a smokescreen

53
00:02:13,880 --> 00:02:11,730
than anything else

54
00:02:16,990 --> 00:02:13,890
Emily M is gonna be talking about

55
00:02:20,600 --> 00:02:17,000
on the show and then from that point on

56
00:02:24,949 --> 00:02:20,610
up until just now just in the past week

57
00:02:28,220 --> 00:02:24,959
or so the US military has just denied

58
00:02:30,949 --> 00:02:28,230
denied denied that they ever looked into

59
00:02:33,440 --> 00:02:30,959
UFOs after 1967 saying it wasn't a

60
00:02:37,670 --> 00:02:33,450
security threat and now that all turns

61
00:02:39,080 --> 00:02:37,680
out to be a lie I know you shocked this

62
00:02:42,199 --> 00:02:39,090
development and hopefully it hasn't

63
00:02:44,360 --> 00:02:42,209

rattled your your sense of understanding

64

00:02:46,400 --> 00:02:44,370

of the workings of government which I

65

00:02:47,750 --> 00:02:46,410

feel we need to bring in Bismarck who

66

00:02:49,910 --> 00:02:47,760

said that the more he understood what

67

00:02:53,210 --> 00:02:49,920

went into sausage and goes into

68

00:02:55,640 --> 00:02:53,220

government how we like both less so ok

69

00:03:00,320 --> 00:02:55,650

right there class up the show with AB is

70

00:03:02,509 --> 00:03:00,330

marking the whole yeah ok you know you

71

00:03:04,970 --> 00:03:02,519

know what it means though that whenever

72

00:03:14,750 --> 00:03:04,980

we said this magic words I'm going

73

00:03:18,979 --> 00:03:14,760

through my briefcase we have to Cobra

74

00:03:21,500 --> 00:03:18,989

you caught me I'm on here well do you

75

00:03:23,660 --> 00:03:21,510

have you us I don't know if I do I don't

76

00:03:27,770 --> 00:03:23,670

I I'm sure there is I always have one

77

00:03:29,870 --> 00:03:27,780

okay yeah I said a prayer to Saint Saint

78

00:03:32,870 --> 00:03:29,880

Francis is he the young the Saint you

79

00:03:35,180 --> 00:03:32,880

pray to when you lose things Saint

80

00:03:42,170 --> 00:03:35,190

Anthony Anthony yeah okay here we go

81

00:03:43,250 --> 00:03:42,180

wow you mention sizes so anyway see you

82

00:03:43,759 --> 00:03:43,260

thought we were gonna be serious tonight

83

00:03:46,880 --> 00:03:43,769

right

84

00:03:49,880 --> 00:03:46,890

we are you this is this is masterpiece

85

00:03:51,500 --> 00:03:49,890

theater for you we have Jeff put some

86

00:03:54,199 --> 00:03:51,510

music in them at the mess apiece there

87

00:03:56,180 --> 00:03:54,209

anyway alright so let's get serious I

88

00:03:58,370 --> 00:03:56,190

mean you know basically what has

89

00:04:00,380 --> 00:03:58,380

happened and I'll just it's really out

90

00:04:03,710 --> 00:04:00,390

there you know and it's got a lot of

91

00:04:05,810 --> 00:04:03,720

press this week it was revealed by the

92

00:04:07,490 --> 00:04:05,820

New York Times three reporters than the

93

00:04:09,590 --> 00:04:07,500

neck times that there has been this

94

00:04:11,599 --> 00:04:09,600

there was the secret program that was

95

00:04:15,710 --> 00:04:11,609

going on for it sounds like about a

96

00:04:18,740 --> 00:04:15,720

dozen years in which the eff was created

97

00:04:22,610 --> 00:04:18,750

a department the unit or whatever to

98

00:04:24,020 --> 00:04:22,620

look into UFO reports once again telling

99

00:04:27,680 --> 00:04:24,030

us that they weren't doing this but in

100

00:04:29,900 --> 00:04:27,690

fact now they've revealed they did the

101
00:04:32,150 --> 00:04:29,910
funding for this thing was secret it was

102
00:04:35,210 --> 00:04:32,160
a black lap but it came at the urging of

103
00:04:37,580 --> 00:04:35,220
Harry Reid who was descended there

104
00:04:39,560 --> 00:04:37,590
Democratic Senate a long time in Nevada

105
00:04:42,500 --> 00:04:39,570
and I'll say a lot of this stuff goes on

106
00:04:45,920 --> 00:04:42,510
out and about a lot of testing of new

107
00:04:47,360 --> 00:04:45,930
weapons and so on so he's you have to

108
00:04:49,010 --> 00:04:47,370
assume that he knows you know maybe a

109
00:04:51,950 --> 00:04:49,020
little bit more about things like this

110
00:04:52,700 --> 00:04:51,960
then let's say some senator from

111
00:04:56,120 --> 00:04:52,710
Delaware

112
00:04:58,940 --> 00:04:56,130
anyway he arranged twenty-two million

113
00:05:03,680 --> 00:04:58,950

dollars for this study to this program

114

00:05:05,810 --> 00:05:03,690

to you know be birthed and then when the

115

00:05:07,820 --> 00:05:05,820

story came out in the New York Times it

116

00:05:09,530 --> 00:05:07,830

turns out that they had footage one of

117

00:05:13,310 --> 00:05:09,540

the things they did release was footage

118

00:05:16,490 --> 00:05:13,320

shot by two f-18s in the early 2000s out

119

00:05:20,450 --> 00:05:16,500

over the Pacific of this what looks like

120

00:05:24,530 --> 00:05:20,460

a spinning top a kids top flying and

121

00:05:27,020 --> 00:05:24,540

really great speed and they are tracking

122

00:05:29,210 --> 00:05:27,030

it and you see one of them on the a chu

123

00:05:31,190 --> 00:05:29,220

heads-up display will have Cobra explain

124

00:05:32,960 --> 00:05:31,200

that in a minute but you see one of them

125

00:05:35,210 --> 00:05:32,970

in this kind of video but you can hear

126
00:05:37,640 --> 00:05:35,220
the pilot saying there's a whole fleet

127
00:05:40,250 --> 00:05:37,650
of these things and there's also a US

128
00:05:42,080 --> 00:05:40,260
USO Commission to this because the

129
00:05:43,190 --> 00:05:42,090
actually spotted this thing from the

130
00:05:45,050 --> 00:05:43,200
sounds of it sounds like they were

131
00:05:48,650 --> 00:05:45,060
spotted coming out of the water so

132
00:05:49,730 --> 00:05:48,660
basically you know where we have you

133
00:05:52,280 --> 00:05:49,740
know it's been revealed that the

134
00:05:54,620 --> 00:05:52,290
Pentagon indeed does have did have a

135
00:05:57,470 --> 00:05:54,630
program looking at UFOs up until

136
00:06:00,170 --> 00:05:57,480
recently and that you know they have

137
00:06:03,500 --> 00:06:00,180
footage the Navy has this footage which

138
00:06:06,860 --> 00:06:03,510

they released and the reason that the

139

00:06:09,190 --> 00:06:06,870

program ended or one of the reasons was

140

00:06:15,260 --> 00:06:09,200

that the guy who was in charge of it

141

00:06:16,810 --> 00:06:15,270

resigned because he said number one most

142

00:06:19,970 --> 00:06:16,820

of the stuff that they hadn't remain

143

00:06:21,080 --> 00:06:19,980

remains classified and number two he

144

00:06:23,150 --> 00:06:21,090

said there was opposition in the

145

00:06:25,730 --> 00:06:23,160

Pentagon about funding this thing which

146

00:06:28,490 --> 00:06:25,740

is 22 million dollars now Cobra I just

147

00:06:30,560 --> 00:06:28,500

got off the phone with X before we went

148

00:06:33,170 --> 00:06:30,570

on the air and I brought up that idea

149

00:06:35,360 --> 00:06:33,180

that you know 22 million dollars people

150

00:06:36,920 --> 00:06:35,370

complaining about 20 million twenty two

151
00:06:39,830 --> 00:06:36,930
million dollars being spent on this and

152
00:06:41,450 --> 00:06:39,840
he said the Air Force spends twenty two

153
00:06:45,969 --> 00:06:41,460
million dollars a year on their golf

154
00:06:48,770 --> 00:06:45,979
courses okay so I think that that

155
00:06:51,680 --> 00:06:48,780
statement is disingenuous what this guy

156
00:06:53,839 --> 00:06:51,690
was saying because if you have had a

157
00:06:57,170 --> 00:06:53,849
program that where it's resulted in a

158
00:06:59,570 --> 00:06:57,180
lot of stuff that you feel has to be

159
00:07:01,809 --> 00:06:59,580
classified stay classified what do you

160
00:07:06,170 --> 00:07:01,819
complain in about 22 million dollars for

161
00:07:10,100 --> 00:07:06,180
well it's not inconsequential money but

162
00:07:11,719 --> 00:07:10,110
in the scheme of the scale of things

163
00:07:14,629 --> 00:07:11,729

that are spent it is a drop in the

164

00:07:15,890 --> 00:07:14,639

bucket so X is correct I think the big

165

00:07:20,210 --> 00:07:15,900

issue that's gonna come up about the

166

00:07:22,909 --> 00:07:20,220

money is why did 22 million a fairly low

167

00:07:25,490 --> 00:07:22,919

amount get pumped into a pentacon

168

00:07:28,700 --> 00:07:25,500

project that had a you know ahead of

169

00:07:32,659 --> 00:07:28,710

that that that particular program

170

00:07:35,570 --> 00:07:32,669

division it's not a lot of money it went

171

00:07:38,480 --> 00:07:35,580

to a person that's going to do study of

172

00:07:40,040 --> 00:07:38,490

it one of the reasons that if some flags

173

00:07:41,930 --> 00:07:40,050

have gone up for a number of folks is

174

00:07:45,620 --> 00:07:41,940

that black program money doesn't require

175

00:07:47,120 --> 00:07:45,630

any oversight and you basically are

176

00:07:50,210 --> 00:07:47,130

writing a check out of the magic

177

00:07:51,860 --> 00:07:50,220

checkbook for that that's how many like

178

00:07:53,629 --> 00:07:51,870

foreign aircraft have been bought when a

179

00:07:56,180 --> 00:07:53,639

deal has had to be made you know to get

180

00:07:57,860 --> 00:07:56,190

people to or from a location right they

181

00:07:59,029 --> 00:07:57,870

go and they they'll they they get that

182

00:08:01,430 --> 00:07:59,039

money they move it doesn't need

183

00:08:03,140 --> 00:08:01,440

oversight because ultimately there's a

184

00:08:04,879 --> 00:08:03,150

budget that's attached to and you have

185

00:08:06,260 --> 00:08:04,889

discretionary spending out that and you

186

00:08:08,719 --> 00:08:06,270

don't tell anybody and you don't want

187

00:08:11,149 --> 00:08:08,729

the enemy quote-unquote to know that

188

00:08:12,980 --> 00:08:11,159

that money is being spent so for a small

189

00:08:15,080 --> 00:08:12,990

amount of money for the overall budget

190

00:08:17,570 --> 00:08:15,090

but going to an individual to study and

191

00:08:18,830 --> 00:08:17,580

then not having any kind of and this is

192

00:08:20,540 --> 00:08:18,840

one of the things that's always

193

00:08:22,730 --> 00:08:20,550

critiqued on black program spending

194

00:08:24,469 --> 00:08:22,740

what's the results what was what were

195

00:08:25,969 --> 00:08:24,479

they looking for when's a report going

196

00:08:29,839 --> 00:08:25,979

to come out what's going to be the end

197

00:08:31,730 --> 00:08:29,849

result of this so that that's part of it

198

00:08:34,610 --> 00:08:31,740

and the fact that that was even brought

199

00:08:36,469 --> 00:08:34,620

up is probably attached to the names of

200

00:08:40,519 --> 00:08:36,479

the the people that are involved because

201
00:08:44,510 --> 00:08:40,529
like all politicians right now there's a

202
00:08:45,949 --> 00:08:44,520
lot of dubious activity that has gone on

203
00:08:48,170 --> 00:08:45,959
is that a nice way for me to put it in

204
00:08:52,550 --> 00:08:48,180
the season that were that we're in yeah

205
00:08:55,030 --> 00:08:52,560
you to caddy on this so it sounds like

206
00:08:56,949 --> 00:08:55,040
this was a very eye

207
00:08:58,210 --> 00:08:56,959
can tell you right now that 22 million

208
00:08:59,800 --> 00:08:58,220
if it was dropped on some of the

209
00:09:01,569 --> 00:08:59,810
projects I had worked on at small

210
00:09:03,579 --> 00:09:01,579
companies would have been like the

211
00:09:05,259 --> 00:09:03,589
second coming yes because it would have

212
00:09:06,999 --> 00:09:05,269
carried almost a year and a half's worth

213
00:09:09,460 --> 00:09:07,009

of test-flying for some of the vehicles

214

00:09:10,689 --> 00:09:09,470

that we were involved ok so 22 million

215

00:09:12,730 --> 00:09:10,699

that goes to an individual that you

216

00:09:15,550 --> 00:09:12,740

don't know and it hasn't been made clear

217

00:09:17,439 --> 00:09:15,560

what's going on with a provocative

218

00:09:20,439 --> 00:09:17,449

senators name that's involved with this

219

00:09:24,220 --> 00:09:20,449

with no previous documented statements

220

00:09:27,670 --> 00:09:24,230

about the UFO phenomena nothing in

221

00:09:29,199 --> 00:09:27,680

particular that's gone on with the with

222

00:09:30,850 --> 00:09:29,209

the Pentagon in the past that he had a

223

00:09:32,110 --> 00:09:30,860

very good relationship to certain ones

224

00:09:34,840 --> 00:09:32,120

that have had it there's certain ones

225

00:09:36,879 --> 00:09:34,850

have been identified with it it rose a

226

00:09:39,759 --> 00:09:36,889

lot I personally think that this piece

227

00:09:42,519 --> 00:09:39,769

is a little bit of disinformation it's a

228

00:09:45,550 --> 00:09:42,529

little bit of throwing in some extra

229

00:09:49,210 --> 00:09:45,560

static to cover up whatever is truthful

230

00:09:51,400 --> 00:09:49,220

or whatever in the in the the footage

231

00:09:53,889 --> 00:09:51,410

also I'd like to add that some of the

232

00:09:56,710 --> 00:09:53,899

footage has been corrected the some of

233

00:09:58,930 --> 00:09:56,720

the stuff that was said verbally okay go

234

00:10:00,009 --> 00:09:58,940

ahead one of them the corrections that

235

00:10:01,960 --> 00:10:00,019

came up in the New York Times because

236

00:10:03,460 --> 00:10:01,970

I've reviewed the tape a number of times

237

00:10:04,990 --> 00:10:03,470

and I've got friends that tell me look

238

00:10:07,090 --> 00:10:05,000

you're just looking at another f-18 I

239

00:10:09,040 --> 00:10:07,100

got other ones saying that no this is it

240

00:10:11,110 --> 00:10:09,050

doesn't match and there's all kinds of

241

00:10:12,610 --> 00:10:11,120

descriptions going on it no question in

242

00:10:14,350 --> 00:10:12,620

my mind that the film has been dumbed

243

00:10:16,240 --> 00:10:14,360

down that they have played in that HUD

244

00:10:18,430 --> 00:10:16,250

description as their heads up display

245

00:10:21,519 --> 00:10:18,440

and that heads-up displays like a plate

246

00:10:24,280 --> 00:10:21,529

that shows up on the cockpit instrument

247

00:10:26,139 --> 00:10:24,290

panel area it's used to help target

248

00:10:27,730 --> 00:10:26,149

and tell you what their status is it

249

00:10:29,110 --> 00:10:27,740

gives you indications and also tells you

250

00:10:30,939 --> 00:10:29,120

what's going on to aircraft it can also

251
00:10:32,590 --> 00:10:30,949
be on the new on the newer aircraft it's

252
00:10:34,030 --> 00:10:32,600
on your helmet so while you're moving

253
00:10:36,550 --> 00:10:34,040
your head you can see some of it can be

254
00:10:38,920 --> 00:10:36,560
in both locations if it's a two-seat

255
00:10:40,929 --> 00:10:38,930
aircraft the operator in the back

256
00:10:42,939 --> 00:10:40,939
usually has a larger screen for

257
00:10:44,829 --> 00:10:42,949
targeting and it's all recorded

258
00:10:47,410 --> 00:10:44,839
digitally and then it's moved around

259
00:10:49,569 --> 00:10:47,420
just like any other digital image right

260
00:10:51,939 --> 00:10:49,579
the old days it was put on tape right

261
00:10:54,699 --> 00:10:51,949
it's it's oh they don't keep how do what

262
00:10:56,110 --> 00:10:54,709
do they do they just in the image now on

263
00:11:00,009 --> 00:10:56,120

a digital recording goes onto like a

264

00:11:02,710 --> 00:11:00,019

card or series of card okay because I'm

265

00:11:07,480 --> 00:11:02,720

sorry I was just gonna say one said this

266

00:11:09,040 --> 00:11:07,490

is excels a drone bro not not

267

00:11:12,730 --> 00:11:09,050

it's a ex

268

00:11:15,490 --> 00:11:12,740

to going on what it is expletive going

269

00:11:17,800 --> 00:11:15,500

on bro also a pilot said the wind is 120

270

00:11:21,180 --> 00:11:17,810

knots to the west not the wind is 120

271

00:11:25,240 --> 00:11:21,190

miles to the west okay

272

00:11:27,460 --> 00:11:25,250

it's so very interesting the I want to

273

00:11:31,210 --> 00:11:27,470

well first of all HUD you know the way

274

00:11:32,800 --> 00:11:31,220

that I've always thought of HUDs is if

275

00:11:34,870 --> 00:11:32,810

you can imagine you're driving down

276

00:11:36,519 --> 00:11:34,880

you're in your car and there's another

277

00:11:38,199 --> 00:11:36,529

screen on your windshield in this town

278

00:11:39,610 --> 00:11:38,209

you know how fast you're going how much

279

00:11:41,380 --> 00:11:39,620

gas you have and stuff like that

280

00:11:42,490 --> 00:11:41,390

actually made some cars that had that

281

00:11:44,230 --> 00:11:42,500

system okay

282

00:11:46,210 --> 00:11:44,240

it makes the pilot the fighter pod so he

283

00:11:48,190 --> 00:11:46,220

isn't client looking down at his

284

00:11:50,110 --> 00:11:48,200

controls he can just like look straight

285

00:11:52,600 --> 00:11:50,120

ahead he'll know like you say the status

286

00:11:54,250 --> 00:11:52,610

of the of the airplane so when you see

287

00:11:57,819 --> 00:11:54,260

it in what happened is when this story

288

00:12:00,220 --> 00:11:57,829

came out then these two videos featuring

289

00:12:02,440 --> 00:12:00,230

these two Navy pilots they also came out

290

00:12:05,560 --> 00:12:02,450

and they look like it looks like a

291

00:12:07,300 --> 00:12:05,570

really bad video but what I thought I

292

00:12:09,910 --> 00:12:07,310

would do is let me really quickly just

293

00:12:11,800 --> 00:12:09,920

read the first two or three sentences of

294

00:12:13,630 --> 00:12:11,810

this story so people out there who might

295

00:12:16,150 --> 00:12:13,640

have missed it I will know we're talking

296

00:12:17,650 --> 00:12:16,160

about this came out last week from the

297

00:12:19,449 --> 00:12:17,660

New York Times it says in the six

298

00:12:22,210 --> 00:12:19,459

hundred billion annual defense

299

00:12:24,190 --> 00:12:22,220

department budgets 220 million was spent

300

00:12:26,500 --> 00:12:24,200

on advanced aerospace threat

301
00:12:29,319 --> 00:12:26,510
identification program and is almost

302
00:12:31,540 --> 00:12:29,329
impossible to find which is now our

303
00:12:33,160 --> 00:12:31,550
Pentagon wanted it for years the program

304
00:12:35,380 --> 00:12:33,170
investigated reports of unidentified

305
00:12:37,569 --> 00:12:35,390
flying objects according to the Defense

306
00:12:39,130 --> 00:12:37,579
Department official interviews of

307
00:12:41,319 --> 00:12:39,140
program participants and records

308
00:12:43,240 --> 00:12:41,329
obtained by the New York Times it was

309
00:12:46,750 --> 00:12:43,250
run by a military intelligence official

310
00:12:49,210 --> 00:12:46,760
Wenzhou and zeldo on the fifth floor of

311
00:12:51,430 --> 00:12:49,220
the Pentagon Sebring cobra deep within

312
00:12:53,650 --> 00:12:51,440
the building's maze the Defense

313
00:12:55,660 --> 00:12:53,660

Department is never before Agha's the

314

00:13:00,699 --> 00:12:55,670

existence of the program which it says

315

00:13:03,610 --> 00:13:00,709

it shut down in 2012 so basically that's

316

00:13:06,420 --> 00:13:03,620

the story the the lead of the onion time

317

00:13:10,090 --> 00:13:06,430

story you have these videos from these

318

00:13:12,009 --> 00:13:10,100

f-18 pilots who one of the things I was

319

00:13:14,500 --> 00:13:12,019

talking X about is that somehow or other

320

00:13:16,060 --> 00:13:14,510

yeah he and his buddies there where he

321

00:13:17,800 --> 00:13:16,070

works checked out these guys and said

322

00:13:20,290 --> 00:13:17,810

these guys are rock-solid especially the

323

00:13:21,090 --> 00:13:20,300

guy who's been on TV he retired some

324

00:13:23,610 --> 00:13:21,100

time

325

00:13:26,220 --> 00:13:23,620

after this encounter but he comes across

326

00:13:28,350 --> 00:13:26,230

as a guy who you know he's a fighter

327

00:13:30,030 --> 00:13:28,360

pilot he's kind of a soft-spoken fighter

328

00:13:32,340 --> 00:13:30,040

pilot but you can tell that you know he

329

00:13:34,410 --> 00:13:32,350

has the right stuff let's say and you

330

00:13:36,000 --> 00:13:34,420

know he's talking about it from he says

331

00:13:37,830 --> 00:13:36,010

I wish I could fly something like this

332

00:13:40,050 --> 00:13:37,840

people who were saying well this is a

333

00:13:42,990 --> 00:13:40,060

drone you know whether you have to

334

00:13:44,430 --> 00:13:43,000

remember that you know in Cobra you or

335

00:13:46,880 --> 00:13:44,440

someone you know who falls into this

336

00:13:49,980 --> 00:13:46,890

category people who fly for the military

337

00:13:51,450 --> 00:13:49,990

see this case Ethan's in the sky all the

338

00:13:53,370 --> 00:13:51,460

time they see so many things they

339

00:13:56,340 --> 00:13:53,380

basically know that's the moon that's

340

00:13:58,020 --> 00:13:56,350

Venus that's this that's that and I

341

00:14:00,480 --> 00:13:58,030

think that any fighter pilot any

342

00:14:02,490 --> 00:14:00,490

military pilot with some time under his

343

00:14:03,870 --> 00:14:02,500

belt if he comes out and says I don't

344

00:14:06,150 --> 00:14:03,880

know what this thing is I tend to

345

00:14:10,440 --> 00:14:06,160

believe him sure I mean there's

346

00:14:13,470 --> 00:14:10,450

definitely the possibility is wide open

347

00:14:15,750 --> 00:14:13,480

to all that but I think to be fair the

348

00:14:19,560 --> 00:14:15,760

possibility that it could be a

349

00:14:22,110 --> 00:14:19,570

terrestrial vehicle that was we just had

350

00:14:23,910 --> 00:14:22,120

it not but what three weeks ago four

351

00:14:25,830 --> 00:14:23,920

weeks old the unidentified vehicle that

352

00:14:28,230 --> 00:14:25,840

they launched f-15s out of Oregon to go

353

00:14:30,120 --> 00:14:28,240

chase down and in flew and they couldn't

354

00:14:32,370 --> 00:14:30,130

find it and then it was like Keystone

355

00:14:33,900 --> 00:14:32,380

Cops the way it was reported no one for

356

00:14:35,310 --> 00:14:33,910

sure what's happened that they get they

357

00:14:36,600 --> 00:14:35,320

got the wrong factor they couldn't find

358

00:14:38,760 --> 00:14:36,610

it they went the wrong direction but

359

00:14:40,560 --> 00:14:38,770

they did launch airplanes for it mm-hmm

360

00:14:42,510 --> 00:14:40,570

you know I think in that one almost

361

00:14:46,860 --> 00:14:42,520

everybody's convinced that it's either a

362

00:14:49,440 --> 00:14:46,870

you have an unmanned combat aerial

363

00:14:53,160 --> 00:14:49,450

vehicle that probably went off it's test

364

00:14:55,200 --> 00:14:53,170

part got lost was on its you know on its

365

00:14:56,580 --> 00:14:55,210

recovery flight path and then they were

366

00:14:58,440 --> 00:14:56,590

able to get control of it and bring it

367

00:15:03,060 --> 00:14:58,450

back or it knew what to do at a certain

368

00:15:04,920 --> 00:15:03,070

point in this particular case that this

369

00:15:06,720 --> 00:15:04,930

fits that template but there's some

370

00:15:08,790 --> 00:15:06,730

other things that are going on with it

371

00:15:11,190 --> 00:15:08,800

the way it's maneuvering the way it's

372

00:15:12,870 --> 00:15:11,200

flipping itself around how it's reported

373

00:15:16,290 --> 00:15:12,880

so what you were saying about the HUD

374

00:15:18,180 --> 00:15:16,300

the HUD allows the the fighter crew the

375

00:15:20,220 --> 00:15:18,190

fighter pilot or if it's a two manned

376

00:15:23,570 --> 00:15:20,230

aircraft it allows them to continue to

377

00:15:26,130 --> 00:15:23,580

look outside while still having a

378

00:15:29,670 --> 00:15:26,140

resource to control and see what their

379

00:15:31,080 --> 00:15:29,680

different parts and pieces are doing on

380

00:15:34,080 --> 00:15:31,090

the aircraft like the radar in the

381

00:15:35,100 --> 00:15:34,090

infrared tracking systems and things of

382

00:15:37,319 --> 00:15:35,110

that nature with how the what

383

00:15:39,690 --> 00:15:37,329

and system is lined up and it records

384

00:15:42,000 --> 00:15:39,700

all those things going on so they are

385

00:15:43,800 --> 00:15:42,010

looking at both those parts that's why

386

00:15:46,050 --> 00:15:43,810

the picture looks poor I've seen plenty

387

00:15:47,579 --> 00:15:46,060

of hug films where you got back the way

388

00:15:49,620 --> 00:15:47,589

the Sun reflected off of it and how it

389

00:15:51,870 --> 00:15:49,630

worked right and you put the verbage and

390

00:15:54,000 --> 00:15:51,880

this is why the the audio part can be so

391

00:15:55,829 --> 00:15:54,010

important because it can be more

392

00:15:57,389 --> 00:15:55,839

important than the pictures because you

393

00:15:59,040 --> 00:15:57,399

like you said you have a qualified

394

00:16:01,530 --> 00:15:59,050

person that's describing what's going on

395

00:16:04,610 --> 00:16:01,540

that seems to be jumbled that seems to

396

00:16:06,960 --> 00:16:04,620

have some some some weird aspects to it

397

00:16:08,220 --> 00:16:06,970

one person told me well they sound way

398

00:16:10,139 --> 00:16:08,230

too much like they watch too many

399

00:16:11,880 --> 00:16:10,149

episodes a Top Gun the way they're

400

00:16:13,800 --> 00:16:11,890

talking I know lots of folks that talk

401

00:16:16,710 --> 00:16:13,810

that way I know all the folks they talk

402

00:16:19,110 --> 00:16:16,720

very very strict they follow them a much

403

00:16:21,269 --> 00:16:19,120

more Cody right yeah yeah one of them

404

00:16:23,340 --> 00:16:21,279

says look at that dude yeah you can say

405

00:16:25,430 --> 00:16:23,350

Wow okay fighter pilots call each other

406

00:16:29,569 --> 00:16:25,440

dude but yes that's that's top gonna

407

00:16:32,370 --> 00:16:29,579

surest now let me ask you this though so

408

00:16:34,199 --> 00:16:32,380

from so from that angle let's say that

409

00:16:36,000 --> 00:16:34,209

that is the case okay that this is

410

00:16:37,530 --> 00:16:36,010

something that you know it's birth made

411

00:16:41,040 --> 00:16:37,540

that is something you know that we've

412

00:16:43,769 --> 00:16:41,050

made it but is it the case of let's say

413

00:16:46,470 --> 00:16:43,779

with these f15 pilots did someone call

414

00:16:49,410 --> 00:16:46,480

them and say hey listen this highly

415

00:16:51,360 --> 00:16:49,420

classified program involving an Erica

416

00:16:54,420 --> 00:16:51,370

vehicle is coming your way you have to

417

00:16:54,930 --> 00:16:54,430

go find it or are they are they not in

418

00:16:57,569 --> 00:16:54,940

the loop

419

00:16:59,040 --> 00:16:57,579

it appears to me back the way this was

420

00:17:01,650 --> 00:16:59,050

said they were doing their work ups with

421

00:17:03,210 --> 00:17:01,660

the Nimitz carrier group and I am i all

422

00:17:07,439 --> 00:17:03,220

my deep respect I was on the Nimitz

423

00:17:09,870 --> 00:17:07,449

during the first Gulf War great ship and

424

00:17:12,809 --> 00:17:09,880

continues to have a storied history and

425

00:17:16,470 --> 00:17:12,819

career so they were out working one of

426

00:17:20,069 --> 00:17:16,480

their ships further out in that carrier

427

00:17:21,630 --> 00:17:20,079

task force had had control of the

428

00:17:23,789 --> 00:17:21,640

tactical air control the airspace at

429

00:17:25,590 --> 00:17:23,799

some point and saw this couple cruising

430

00:17:27,750 --> 00:17:25,600

it had it if you go in and this is the

431

00:17:30,330 --> 00:17:27,760

other part the stories have changed or

432

00:17:32,070 --> 00:17:30,340

had been edited a couple times the first

433

00:17:34,530 --> 00:17:32,080

one I read on Saturday afternoon

434

00:17:37,320 --> 00:17:34,540

Saturday night had more raw information

435

00:17:41,730 --> 00:17:37,330

and then it kept changing working itself

436

00:17:43,110 --> 00:17:41,740

back it's been edited and cleaned up a

437

00:17:45,390 --> 00:17:43,120

little bit and it's writing and it may

438

00:17:48,450 --> 00:17:45,400

be a little bit more sensational or a

439

00:17:50,370 --> 00:17:48,460

little more XY lush and it's handling on

440

00:17:52,610 --> 00:17:50,380

right but this ship called their

441

00:17:54,870 --> 00:17:52,620

attention to it they vectored over to it

442

00:17:56,190 --> 00:17:54,880

whoever was controlling them while they

443

00:17:58,050 --> 00:17:56,200

were doing whatever maneuvers they were

444

00:18:01,350 --> 00:17:58,060

doing goods a combination of probably

445

00:18:03,930 --> 00:18:01,360

practicing some kind of air-to-surface

446

00:18:05,340 --> 00:18:03,940

air-to-air combat and then i'm gonna go

447

00:18:06,690 --> 00:18:05,350

back and do their landing on the ship

448

00:18:09,990 --> 00:18:06,700

they were getting ready for a deployment

449

00:18:12,990 --> 00:18:10,000

they went over they were asked if they

450

00:18:14,670 --> 00:18:13,000

had any live weapons on their aircraft

451
00:18:16,770 --> 00:18:14,680
and they come back and tell them no we

452
00:18:19,050 --> 00:18:16,780
only have our training weapons which are

453
00:18:22,140 --> 00:18:19,060
basically one of our stories that you

454
00:18:23,460 --> 00:18:22,150
had early in the year a training warhead

455
00:18:28,050 --> 00:18:23,470
remember the one that showed up in Cuba

456
00:18:29,550 --> 00:18:28,060
oh yeah by mistake you just got mailed

457
00:18:34,800 --> 00:18:29,560
there from the show I don't know how

458
00:18:36,420 --> 00:18:34,810
that that's why you use FedEx it's it's

459
00:18:39,540 --> 00:18:36,430
guaranteed to be there overnight but hug

460
00:18:42,660 --> 00:18:39,550
them as a sponsor I guess but they

461
00:18:44,430 --> 00:18:42,670
worked up to this and this is where they

462
00:18:46,650 --> 00:18:44,440
got the footage of it and everyone's

463
00:18:49,650 --> 00:18:46,660

talking in that part as it was reported

464

00:18:52,380 --> 00:18:49,660

as a we don't know what's going on here

465

00:18:54,420 --> 00:18:52,390

then you add in the other layers of it

466

00:18:55,800 --> 00:18:54,430

it's activity close to the surface of

467

00:18:57,600 --> 00:18:55,810

the water what they think they see it

468

00:18:59,130 --> 00:18:57,610

doing the way it's behaving in the

469

00:19:01,950 --> 00:18:59,140

flight the way it seems to accelerate

470

00:19:04,170 --> 00:19:01,960

and move that to me is very very

471

00:19:06,180 --> 00:19:04,180

important information because as you

472

00:19:09,720 --> 00:19:06,190

have said these guys are very qualified

473

00:19:11,520 --> 00:19:09,730

experts yep in pulling G's and getting

474

00:19:13,020 --> 00:19:11,530

themselves into position so that they

475

00:19:15,060 --> 00:19:13,030

can do the business of what their

476

00:19:17,790 --> 00:19:15,070

aircraft is designed to do right and

477

00:19:20,130 --> 00:19:17,800

that as we've said in the past fighter

478

00:19:22,740 --> 00:19:20,140

pilots are not easily impressed just

479

00:19:25,190 --> 00:19:22,750

that right yeah sure I mean you know and

480

00:19:27,840 --> 00:19:25,200

and at the f-18 so like the hottest

481

00:19:29,190 --> 00:19:27,850

airplane that the Navy has its you know

482

00:19:32,130 --> 00:19:29,200

when these planes they can do just about

483

00:19:33,870 --> 00:19:32,140

anything and is just really you know

484

00:19:36,150 --> 00:19:33,880

kind of an awesome fight a plane and so

485

00:19:37,290 --> 00:19:36,160

if you're if you wind up flying one of

486

00:19:41,040 --> 00:19:37,300

these things you know you're gonna be

487

00:19:42,900 --> 00:19:41,050

really the tip of the top and and it

488

00:19:47,250 --> 00:19:42,910

does that is another interesting aspect

489

00:19:50,850 --> 00:19:47,260

was the the USO aspect of it but I have

490

00:19:53,190 --> 00:19:50,860

to ask you you said that you saw this

491

00:19:56,400 --> 00:19:53,200

video for the first time Saturday night

492

00:19:59,790 --> 00:19:56,410

yes okay weren't you here drinking with

493

00:20:01,620 --> 00:19:59,800

me and Agent X and I'm saying yeah I was

494

00:20:02,340 --> 00:20:01,630

in the Saturday afternoon when I sent

495

00:20:03,539 --> 00:20:02,350

you that

496

00:20:07,950 --> 00:20:03,549

I was talking to you and I leaned over

497

00:20:09,480 --> 00:20:07,960

you at the table oh did I did you read

498

00:20:11,279 --> 00:20:09,490

that thing about the UFO and you said no

499

00:20:15,299 --> 00:20:11,289

I said oh I have to send it to you when

500

00:20:21,419 --> 00:20:15,309

I got home no but I sent to a couple so

501
00:20:24,450 --> 00:20:21,429
yes I can multitask I can and then I can

502
00:20:27,390 --> 00:20:24,460
I can also get it to your place to enjoy

503
00:20:28,200 --> 00:20:27,400
when we go out to eat we never agree on

504
00:20:31,020 --> 00:20:28,210
where to go

505
00:20:32,669 --> 00:20:31,030
what burgers pizza tacos it is the one

506
00:20:34,830 --> 00:20:32,679
thing we do agree on is we all want

507
00:20:37,919 --> 00:20:34,840
unlimited high-speed data that's why we

508
00:20:39,600 --> 00:20:37,929
switch to metro pcs stop by metro pcs

509
00:20:41,970 --> 00:20:39,610
with the whole family and get four lines

510
00:20:44,610 --> 00:20:41,980
with unlimited LTE data for just \$100

511
00:20:45,899 --> 00:20:44,620
period metro pcs Wireless figured out

512
00:20:46,980 --> 00:20:45,909
covers not available in some areas

513
00:20:47,940 --> 00:20:46,990

offers for airport and a number not

514

00:20:49,110 --> 00:20:47,950

currently active on t-mobile network

515

00:20:50,370 --> 00:20:49,120

during congestion the fraction of

516

00:20:51,750 --> 00:20:50,380

customers use more than 35 gigs per

517

00:20:53,490 --> 00:20:51,760

month may notice reduce beats video

518

00:20:55,070 --> 00:20:53,500

stream step 240p no tethering C store

519

00:20:57,600 --> 00:20:55,080

for details in terms and conditions a

520

00:21:00,539 --> 00:20:57,610

wonderful Festivus that we had at your

521

00:21:03,899 --> 00:21:00,549

place okay well for that I will give you

522

00:21:05,370 --> 00:21:03,909

this thank you for the gifts by the way

523

00:21:09,000 --> 00:21:05,380

oh you're welcome

524

00:21:11,340 --> 00:21:09,010

so anyway so this and I agree with you

525

00:21:13,110 --> 00:21:11,350

100% with these pilots what they say

526
00:21:15,990 --> 00:21:13,120
like if you're gonna put a story out you

527
00:21:18,990 --> 00:21:16,000
would just put up you know the fighter

528
00:21:21,060 --> 00:21:19,000
pilot and here's the HUD it was reported

529
00:21:22,680 --> 00:21:21,070
you know it's um with Jason sir

530
00:21:25,620 --> 00:21:22,690
but what these guys said was that they

531
00:21:27,000 --> 00:21:25,630
see it and then they see a disturbance

532
00:21:28,830 --> 00:21:27,010
down in the ocean so they like

533
00:21:31,830 --> 00:21:28,840
immediately dive you know the five miles

534
00:21:35,130 --> 00:21:31,840
down and they and they can see this

535
00:21:37,590 --> 00:21:35,140
object and it to them it looks like it's

536
00:21:39,930 --> 00:21:37,600
just come out of the ocean because below

537
00:21:42,600 --> 00:21:39,940
it is you don't like waves and turned up

538
00:21:45,600 --> 00:21:42,610

water and turbulence and then it's gone

539

00:21:47,640 --> 00:21:45,610

now now I got to tell you since I

540

00:21:50,220 --> 00:21:47,650

started reading UFO books like when I

541

00:21:53,010 --> 00:21:50,230

was a kid flying saucer books if you

542

00:21:54,480 --> 00:21:53,020

really read good ones about 2/3 of about

543

00:21:57,020 --> 00:21:54,490

UFOs but then there will always be a

544

00:21:59,220 --> 00:21:57,030

chapter in there about you SOS and

545

00:22:00,690 --> 00:21:59,230

identified submerged objects and there

546

00:22:02,100 --> 00:22:00,700

are many people out there who think that

547

00:22:03,600 --> 00:22:02,110

these things they're not necessary from

548

00:22:06,060 --> 00:22:03,610

space but somehow they come out of the

549

00:22:08,190 --> 00:22:06,070

ocean because the ocean takes up 75% of

550

00:22:10,919 --> 00:22:08,200

the planet you know there's been like

551
00:22:14,220 --> 00:22:10,929
Honda's reports and masts that he knows

552
00:22:16,200 --> 00:22:14,230
that the United States Navy is working

553
00:22:17,730 --> 00:22:16,210
devices like that right now

554
00:22:18,690 --> 00:22:17,740
we know that they have undersea devices

555
00:22:20,430 --> 00:22:18,700
that they're launching and recovering

556
00:22:22,860 --> 00:22:20,440
unsub's mm-hmm

557
00:22:26,010 --> 00:22:22,870
and it's been highly suspected that they

558
00:22:27,150 --> 00:22:26,020
are doing like the the famous voyage at

559
00:22:28,800 --> 00:22:27,160
the bottom of the sea that they have a

560
00:22:30,990 --> 00:22:28,810
vehicle that can go into the air and

561
00:22:33,660 --> 00:22:31,000
they come back to this up yeah cool it's

562
00:22:36,660 --> 00:22:33,670
so so what was saying is that the these

563
00:22:38,370 --> 00:22:36,670

scrambling piles are gonna Washington

564

00:22:39,900 --> 00:22:38,380

just a little while ago and they've

565

00:22:42,450 --> 00:22:39,910

chased it they chased an unknown

566

00:22:46,050 --> 00:22:42,460

aircraft that landed up over California

567

00:22:48,270 --> 00:22:46,060

then in towards Idaho okay is that you

568

00:22:50,010 --> 00:22:48,280

know once again our last question is is

569

00:22:52,710 --> 00:22:50,020

that that they don't know what they're

570

00:22:54,810 --> 00:22:52,720

chasing or is that the cover story oh it

571

00:22:57,180 --> 00:22:54,820

could be both and I think here's the

572

00:22:58,230 --> 00:22:57,190

interesting thing that I want to I want

573

00:22:59,400 --> 00:22:58,240

to close this section because we're

574

00:23:02,640 --> 00:22:59,410

cutting to start and approach the

575

00:23:06,480 --> 00:23:02,650

commercial break okay where are the

576

00:23:08,310 --> 00:23:06,490

other pilots in this discussion now the

577

00:23:10,560 --> 00:23:08,320

guys that have come up

578

00:23:12,030 --> 00:23:10,570

by all accounts I don't know either of

579

00:23:15,990 --> 00:23:12,040

them I was hoping that I would recognize

580

00:23:17,640 --> 00:23:16,000

her knew one of the two of them where

581

00:23:19,590 --> 00:23:17,650

are the other folks around them I'd even

582

00:23:20,910 --> 00:23:19,600

be interested to hear the guys that were

583

00:23:23,520 --> 00:23:20,920

on the Nimitz that were in their

584

00:23:25,200 --> 00:23:23,530

squadron because they one of the pieces

585

00:23:27,810 --> 00:23:25,210

that I read and I mean I've read a lot

586

00:23:29,220 --> 00:23:27,820

of these in the last 48 hours okay it

587

00:23:30,540 --> 00:23:29,230

talks about them getting some ribbing

588

00:23:31,920 --> 00:23:30,550

and stuff like that you know that they

589

00:23:35,640 --> 00:23:31,930

got rid of what they saw and what they

590

00:23:37,320 --> 00:23:35,650

chased right it just I I don't remember

591

00:23:40,050 --> 00:23:37,330

hearing much about this and this is

592

00:23:42,540 --> 00:23:40,060

usually something that doesn't just die

593

00:23:45,230 --> 00:23:42,550

if there's more to it which makes me

594

00:23:47,790 --> 00:23:45,240

think that there may have been more

595

00:23:50,460 --> 00:23:47,800

construction around how this story is

596

00:23:51,840 --> 00:23:50,470

packaged and how are coming out now I'll

597

00:23:53,490 --> 00:23:51,850

say I'll leave you with this as we

598

00:23:57,720 --> 00:23:53,500

approach so that you can close out this

599

00:24:00,530 --> 00:23:57,730

thing if 22 million was spent and it got

600

00:24:02,760 --> 00:24:00,540

us to the point where this was leaked or

601
00:24:04,890 --> 00:24:02,770
engineered out and the New York Times

602
00:24:06,450 --> 00:24:04,900
was able to found it I think I think it

603
00:24:10,380 --> 00:24:06,460
was money where it's what well spent

604
00:24:12,840 --> 00:24:10,390
right the the going back to the story of

605
00:24:14,400 --> 00:24:12,850
the two Navy pilots if if you were gonna

606
00:24:17,070 --> 00:24:14,410
tell the story as I said it'd be just

607
00:24:18,600 --> 00:24:17,080
like chasing or whatever but to include

608
00:24:20,280 --> 00:24:18,610
this whole idea that hey maybe this

609
00:24:23,400 --> 00:24:20,290
thing came out of the water that's

610
00:24:25,260 --> 00:24:23,410
something that that rings true to me you

611
00:24:28,560 --> 00:24:25,270
know that resident like someone making

612
00:24:29,890 --> 00:24:28,570
it up in the fact that these guys also

613
00:24:32,770 --> 00:24:29,900

said you know

614

00:24:35,080 --> 00:24:32,780

look at how fast they're going you know

615

00:24:38,710 --> 00:24:35,090

how they're maneuvering there's no wind

616

00:24:41,799 --> 00:24:38,720

and stuff like that you know I just

617

00:24:45,280 --> 00:24:41,809

think their comments legitimate the

618

00:24:46,660 --> 00:24:45,290

question is is why now you know right

619

00:24:48,160 --> 00:24:46,670

you talked about it at the at the other

620

00:24:49,180 --> 00:24:48,170

side of the commercial but you know why

621

00:24:53,400 --> 00:24:49,190

why now

622

00:24:55,450 --> 00:24:53,410

I got throw one more piece at you we

623

00:24:57,580 --> 00:24:55,460

talked a lot of movies you have a

624

00:24:59,230 --> 00:24:57,590

advanced degree in the in the study of

625

00:25:02,020 --> 00:24:59,240

film that's true

626

00:25:05,320 --> 00:25:02,030

we made a remark about Top Gun there's

627

00:25:07,299 --> 00:25:05,330

also a part here that is is it kept me

628

00:25:09,520 --> 00:25:07,309

unsettled I haven't really said much

629

00:25:12,370 --> 00:25:09,530

about it but in the movie Independence

630

00:25:13,930 --> 00:25:12,380

Day yes a Marine fighter pilot who flew

631

00:25:15,370 --> 00:25:13,940

f-18s and could magically fly

632

00:25:17,470 --> 00:25:15,380

helicopters in that movie small

633

00:25:20,260 --> 00:25:17,480

technical issue that went on there okay

634

00:25:22,360 --> 00:25:20,270

he flies the alien spaceship that was

635

00:25:24,460 --> 00:25:22,370

hidden in area 51 oh right I remember

636

00:25:26,560 --> 00:25:24,470

that pod yes and why he's flying up

637

00:25:28,330 --> 00:25:26,570

there and the things whipping around he

638

00:25:31,390 --> 00:25:28,340

yells out you know and kind of a rebel

639

00:25:34,900 --> 00:25:31,400

kind of yell yes oh I've got to get one

640

00:25:38,710 --> 00:25:34,910

of these okay yeah I tell you it's it's

641

00:25:40,810 --> 00:25:38,720

it's it just makes me pause because

642

00:25:43,060 --> 00:25:40,820

sometimes movies imitate life life

643

00:25:45,280 --> 00:25:43,070

imitates movie sometimes movies and you

644

00:25:46,960 --> 00:25:45,290

incorporate what you see but it's it's

645

00:25:50,110 --> 00:25:46,970

interesting that some of the kind of the

646

00:25:52,270 --> 00:25:50,120

canned phrases have been added into this

647

00:25:54,730 --> 00:25:52,280

an Intel buddy of mine sent me the

648

00:25:57,070 --> 00:25:54,740

article completely separate channels

649

00:25:59,830 --> 00:25:57,080

because the pilot at the end of it said

650

00:26:01,960 --> 00:25:59,840

I want to fly one of these yeah I'd love

651
00:26:04,030 --> 00:26:01,970
yes he does right loved to fly one and

652
00:26:06,640 --> 00:26:04,040
he thought that made it genuine this is

653
00:26:08,320 --> 00:26:06,650
a this is an Intel guy who was deep into

654
00:26:10,990 --> 00:26:08,330
doing it when there when the Russians

655
00:26:13,450 --> 00:26:11,000
were Soviets and the whole nine yards

656
00:26:15,610 --> 00:26:13,460
he's convinced that this is genuine

657
00:26:17,560 --> 00:26:15,620
legitimate yeah because it's it's it's

658
00:26:18,970 --> 00:26:17,570
it's a thing a pilot would say you know

659
00:26:21,150 --> 00:26:18,980
what I mean I mean a scientist would say

660
00:26:23,080 --> 00:26:21,160
hey look at this thing and you know a

661
00:26:24,669 --> 00:26:23,090
sociologist say oh the world is gonna

662
00:26:29,230 --> 00:26:24,679
change but a pie would say man I'd love

663
00:26:32,140 --> 00:26:29,240

to fly that thing yep all right then I

664

00:26:36,160 --> 00:26:32,150

you have a pause there it just seems a

665

00:26:39,490 --> 00:26:36,170

little canned at when I take up a shaded

666

00:26:41,080 --> 00:26:39,500

more mature view of it okay so in the 30

667

00:26:43,130 --> 00:26:41,090

seconds we have let your Intel friend

668

00:26:44,900 --> 00:26:43,140

thinks that did that legitimized it

669

00:26:46,370 --> 00:26:44,910

and he thinks evenings is a legitimate

670

00:26:48,320 --> 00:26:46,380

story he does believe that there's some

671

00:26:50,720 --> 00:26:48,330

layers of stuff going on okay yes and

672

00:26:53,120 --> 00:26:50,730

it's absolutely no way that this thing

673

00:26:54,710 --> 00:26:53,130

is over the program and this person are

674

00:26:56,840 --> 00:26:54,720

probably done it shifted over to

675

00:26:58,610 --> 00:26:56,850

something else yeah oh yeah sure you saw

676

00:27:01,039 --> 00:26:58,620

it on Friday and it's a new office on

677

00:27:03,549 --> 00:27:01,049

Monday why don't we think yeah that

678

00:27:05,480 --> 00:27:03,559

sounds like a country song doesn't it I

679

00:27:07,220 --> 00:27:05,490

think you won you're talking about is

680

00:27:08,630 --> 00:27:07,230

everything comes back to you when you

681

00:27:11,120 --> 00:27:08,640

play the music backwards I think that's

682

00:27:13,910 --> 00:27:11,130

what you're talking oh okay and not

683

00:27:16,419 --> 00:27:13,920

thank God in Greyhound you're gone if

684

00:27:18,890 --> 00:27:16,429

the phone doesn't ring it's not me

685

00:27:21,409 --> 00:27:18,900

anyway why don't we take a commercial

686

00:27:23,120 --> 00:27:21,419

break now you're listening to make more

687

00:27:25,370 --> 00:27:23,130

these military exercise show here on the

688

00:27:27,470 --> 00:27:25,380

distant Thunder radio network we're

689

00:27:29,150 --> 00:27:27,480

talking about this breaking news about

690

00:27:30,950 --> 00:27:29,160

how the US government has finally

691

00:27:33,230 --> 00:27:30,960

admitted that they've been looking at

692

00:27:35,570 --> 00:27:33,240

the UFOs for quite a while while they

693

00:27:37,640 --> 00:27:35,580

were telling us that they weren't well

694

00:27:44,840 --> 00:27:37,650

we take some martial break now and we'll

695

00:27:46,789 --> 00:27:44,850

be right back after this show here on

696

00:27:47,840 --> 00:27:46,799

the distant Thunder radio network this

697

00:27:50,030 --> 00:27:47,850

is bad

698

00:27:53,120 --> 00:27:50,040

we're very interested shoe for you

699

00:27:55,010 --> 00:27:53,130

tonight but sad to say one one is nine

700

00:27:59,270 --> 00:27:55,020

theories I have a secret mission sorry

701
00:28:03,080 --> 00:27:59,280
girls but joining us is the equally

702
00:28:04,730 --> 00:28:03,090
famous commander cope I am very pleased

703
00:28:07,220 --> 00:28:04,740
and honored to be with you back tonight

704
00:28:08,990 --> 00:28:07,230
okay you stumble though those words that

705
00:28:10,760 --> 00:28:09,000
I throw you with yeah yeah you did

706
00:28:13,549 --> 00:28:10,770
because I wasn't ready for such nice

707
00:28:15,230 --> 00:28:13,559
lauding introduction obviously this is a

708
00:28:17,419 --> 00:28:15,240
very serious show that we're we're

709
00:28:19,730 --> 00:28:17,429
knocking out tonight and I was reading

710
00:28:21,230 --> 00:28:19,740
some more I just got another piece that

711
00:28:22,580 --> 00:28:21,240
I was looking at here so I caught

712
00:28:24,470 --> 00:28:22,590
something that got my attention so it's

713
00:28:25,820 --> 00:28:24,480

fighting off guard why don't we tell

714

00:28:28,100 --> 00:28:25,830

people what the heck we're talking about

715

00:28:29,590 --> 00:28:28,110

what we're talking about is this report

716

00:28:32,750 --> 00:28:29,600

that has been out now for about a week

717

00:28:34,760 --> 00:28:32,760

having to do with a twenty two million

718

00:28:37,520 --> 00:28:34,770

dollar program called the advanced

719

00:28:38,510 --> 00:28:37,530

aerospace threat identification program

720

00:28:40,610 --> 00:28:38,520

I love that name

721

00:28:42,890 --> 00:28:40,620

basically what it was as a pentagon

722

00:28:44,090 --> 00:28:42,900

program to look into UFOs I mean this is

723

00:28:47,289 --> 00:28:44,100

something that they've been telling us

724

00:28:49,700 --> 00:28:47,299

they haven't been doing since 1967 and

725

00:28:52,190 --> 00:28:49,710

surprise surprise our government has

726

00:28:54,530 --> 00:28:52,200

been lying to us about something that

727

00:28:56,419 --> 00:28:54,540

you know a lot of people care about and

728

00:28:58,669 --> 00:28:56,429

I think a lot of people want more

729

00:29:00,680 --> 00:28:58,679

people care about it then the US

730

00:29:02,960 --> 00:29:00,690

government or the military thinks so

731

00:29:06,440 --> 00:29:02,970

we're talking about that tonight

732

00:29:09,080 --> 00:29:06,450

one of the things that I wanted to just

733

00:29:11,779 --> 00:29:09,090

throw at youth over is we talked in the

734

00:29:13,789 --> 00:29:11,789

previous segment about how and now over

735

00:29:15,830 --> 00:29:13,799

the during the break I thought more

736

00:29:20,149 --> 00:29:15,840

about that and you know you're right the

737

00:29:22,369 --> 00:29:20,159

the audio going with this video from the

738

00:29:24,169 --> 00:29:22,379

f-18 fighter showing this thing that

739

00:29:26,840 --> 00:29:24,179

looks like a top it looks like a kid's

740

00:29:30,139 --> 00:29:26,850

top but it is kind of gyrating in a way

741

00:29:33,680 --> 00:29:30,149

and not flying in any way that it seems

742

00:29:37,399 --> 00:29:33,690

that would be possible dynamically wise

743

00:29:39,529 --> 00:29:37,409

but you know they it's almost like you

744

00:29:41,869 --> 00:29:39,539

know 1/5 says hey look at that dude and

745

00:29:44,659 --> 00:29:41,879

you know and I'd love to fly one of

746

00:29:46,580 --> 00:29:44,669

these things and and as you said you

747

00:29:48,320 --> 00:29:46,590

know people in military you like about

748

00:29:49,639 --> 00:29:48,330

half of them I really squared away and

749

00:29:51,259 --> 00:29:49,649

they do everything by the book and the

750

00:29:53,720 --> 00:29:51,269

other half a kind of you know a little

751
00:29:56,299 --> 00:29:53,730
bit more um you know funky let say and

752
00:29:59,840 --> 00:29:56,309
then I talk like that but this video is

753
00:30:03,200 --> 00:29:59,850
very kind of public land in some areas

754
00:30:05,330 --> 00:30:03,210
it's kind of a strange can can't be kind

755
00:30:07,489 --> 00:30:05,340
of feeling to it yeah yeah but when you

756
00:30:10,879 --> 00:30:07,499
when you read the other parts the pilots

757
00:30:13,700 --> 00:30:10,889
that are involved they seem completely

758
00:30:17,269 --> 00:30:13,710
genuine I have no doubts about it and

759
00:30:19,129 --> 00:30:17,279
they're easily identified that they were

760
00:30:21,649 --> 00:30:19,139
who they say they are and they didn't

761
00:30:23,629 --> 00:30:21,659
seem to have any kind of you know

762
00:30:27,590 --> 00:30:23,639
negative impact to their careers or

763
00:30:30,039 --> 00:30:27,600

anything on this it everything in the

764

00:30:32,629 --> 00:30:30,049

new world media that we live in

765

00:30:36,169 --> 00:30:32,639

ok you can't trust anything everything

766

00:30:39,409 --> 00:30:36,179

is photo shot everything has no one puts

767

00:30:41,149 --> 00:30:39,419

a picture anymore on the Internet of

768

00:30:44,810 --> 00:30:41,159

themselves without doing some kind of

769

00:30:46,159 --> 00:30:44,820

touch-up softening the focus yeah I mean

770

00:30:47,810 --> 00:30:46,169

look what we do for the program how we

771

00:30:49,759 --> 00:30:47,820

we all the stuff that we do to get the

772

00:30:52,460 --> 00:30:49,769

audio of the program to have the right

773

00:30:53,659 --> 00:30:52,470

quality so it doesn't have you know and

774

00:30:55,789 --> 00:30:53,669

the editing that go into that

775

00:30:58,549 --> 00:30:55,799

well no different and I think the

776

00:31:01,310 --> 00:30:58,559

Pentagon is way too much into the whole

777

00:31:03,739 --> 00:31:01,320

Hollywood presentation thing and of

778

00:31:05,989 --> 00:31:03,749

course ultimately Mac the timing of this

779

00:31:07,489 --> 00:31:05,999

what the hell is the trying it's you

780

00:31:09,860 --> 00:31:07,499

know what it goes back to remember about

781

00:31:12,440 --> 00:31:09,870

it was probably

782

00:31:14,299 --> 00:31:12,450

that quite a year ago went at well I

783

00:31:17,600 --> 00:31:14,309

shouldn't say who said this a friend of

784

00:31:19,610 --> 00:31:17,610

ours who works in you know what he does

785

00:31:22,970 --> 00:31:19,620

you know he works with the agencies and

786

00:31:24,740 --> 00:31:22,980

he was brought to Washington you know

787

00:31:29,060 --> 00:31:24,750

food this kind of you know routine

788

00:31:30,860 --> 00:31:29,070

working agency working yes exactly you

789

00:31:35,990 --> 00:31:30,870

know and it sounds like a boondoggle and

790

00:31:37,820 --> 00:31:36,000

most of my wits like people and people

791

00:31:39,530 --> 00:31:37,830

from the State Department people from

792

00:31:41,570 --> 00:31:39,540

the White House and people from you know

793

00:31:43,490 --> 00:31:41,580

the scientific community who knows where

794

00:31:45,380 --> 00:31:43,500

and they get all get it together in the

795

00:31:47,480 --> 00:31:45,390

in a in a classroom which they or a hall

796

00:31:48,710 --> 00:31:47,490

and they they give them a problem and

797

00:31:50,390 --> 00:31:48,720

they come back and they say well the

798

00:31:51,440 --> 00:31:50,400

military would handle like this State

799

00:31:53,030 --> 00:31:51,450

Department handle like this blah blah

800

00:31:54,680 --> 00:31:53,040

blah and he's been going through these

801
00:31:57,799 --> 00:31:54,690
things for years I know do you probably

802
00:32:00,230 --> 00:31:57,809
been involved in them and and he says

803
00:32:02,060 --> 00:32:00,240
it's always something like why don't I

804
00:32:04,070 --> 00:32:02,070
never as good as his I guess that right

805
00:32:06,710 --> 00:32:04,080
off the bat yeah the Russian pipeline

806
00:32:08,780 --> 00:32:06,720
has sprung a leak you know it's you know

807
00:32:10,400 --> 00:32:08,790
it's contaminating Siberia what should

808
00:32:12,470 --> 00:32:10,410
we do you know military would say

809
00:32:14,150 --> 00:32:12,480
nothing or I've send spies in in the

810
00:32:15,830 --> 00:32:14,160
State Department have to help them off

811
00:32:18,770 --> 00:32:15,840
it's just one of these things then they

812
00:32:22,010 --> 00:32:18,780
go have lunch right so he said the last

813
00:32:24,860 --> 00:32:22,020

time he went the problem was a UFO has

814

00:32:27,860 --> 00:32:24,870

been recovered how would you handle it

815

00:32:30,140 --> 00:32:27,870

and he says he was shocked that you know

816

00:32:33,860 --> 00:32:30,150

as we've talked about many times you

817

00:32:35,330 --> 00:32:33,870

know the the outsider's view looking

818

00:32:37,130 --> 00:32:35,340

into the military is that if you say

819

00:32:39,110 --> 00:32:37,140

anything about UFOs you're ridiculed

820

00:32:40,549 --> 00:32:39,120

you'll laugh that which is you know

821

00:32:43,210 --> 00:32:40,559

actually probably you know in the

822

00:32:45,680 --> 00:32:43,220

civilian world too he was just very

823

00:32:46,880 --> 00:32:45,690

surprised that they would spend and

824

00:32:50,240 --> 00:32:46,890

these things go on for four or five

825

00:32:53,060 --> 00:32:50,250

hours per problem something on you know

826
00:32:54,830 --> 00:32:53,070
a UFO crash he had never experienced

827
00:32:56,419 --> 00:32:54,840
before and he said as he put it to me he

828
00:32:58,730 --> 00:32:56,429
says I'm just waiting for the next shoe

829
00:33:01,880 --> 00:32:58,740
to drop maybe this is it maybe this is

830
00:33:04,250 --> 00:33:01,890
how they ease us into this oh this could

831
00:33:06,320 --> 00:33:04,260
be a socialization normalization kind of

832
00:33:07,610 --> 00:33:06,330
thing going on I mean the other part

833
00:33:11,390 --> 00:33:07,620
that I linked it up to and I thought

834
00:33:13,400 --> 00:33:11,400
about the the project that he had sat in

835
00:33:15,620 --> 00:33:13,410
on and participated on the one I thought

836
00:33:17,299 --> 00:33:15,630
about was just recently all the

837
00:33:19,010 --> 00:33:17,309
documents that came out about the

838
00:33:21,380 --> 00:33:19,020

Kennedy assassination the opening of

839

00:33:23,950 --> 00:33:21,390

that and then the very public statement

840

00:33:26,570 --> 00:33:23,960

the CIA was still withholding some

841

00:33:28,880 --> 00:33:26,580

right I said to myself why would you do

842

00:33:31,610 --> 00:33:28,890

that if you're releasing it why would

843

00:33:34,040 --> 00:33:31,620

you add any more injury to it by saying

844

00:33:38,570 --> 00:33:34,050

that the CIA is holding back some of the

845

00:33:41,030 --> 00:33:38,580

documents I mean well I add to the drama

846

00:33:41,930 --> 00:33:41,040

what exactly I mean if you if you

847

00:33:43,190 --> 00:33:41,940

thought you weren't going to get

848

00:33:45,620 --> 00:33:43,200

everybody's attention

849

00:33:47,150 --> 00:33:45,630

you you completely have even people

850

00:33:48,590 --> 00:33:47,160

there couple not interested they have

851
00:33:51,620 --> 00:33:48,600
any curse you know they're saying oh

852
00:33:53,870 --> 00:33:51,630
those SOPs that's that that's the

853
00:33:55,430 --> 00:33:53,880
smoking gun literally figuratively and

854
00:33:58,430 --> 00:33:55,440
and yeah in every dimension

855
00:34:00,920 --> 00:33:58,440
yeah yeah right right so this is the

856
00:34:03,050 --> 00:34:00,930
same is this another one of these just

857
00:34:05,330 --> 00:34:03,060
throwing it out there because we're

858
00:34:07,700 --> 00:34:05,340
getting ready for some major reveal some

859
00:34:09,110 --> 00:34:07,710
major reset that's going on are they

860
00:34:10,310 --> 00:34:09,120
that smart you know what I mean

861
00:34:11,720 --> 00:34:10,320
are they that's not that they would

862
00:34:13,730 --> 00:34:11,730
actually but I think they're in that

863
00:34:16,610 --> 00:34:13,740

much of fear that there's seismic shift

864

00:34:19,700 --> 00:34:16,620

going on there that there is culturally

865

00:34:22,879 --> 00:34:19,710

and a lot of things going on that people

866

00:34:25,490 --> 00:34:22,889

that held power or at least think they

867

00:34:29,770 --> 00:34:25,500

had their reins on it our feeling things

868

00:34:34,580 --> 00:34:29,780

slipping so if you stay ahead of it by

869

00:34:37,010 --> 00:34:34,590

causing more overload and I think

870

00:34:39,110 --> 00:34:37,020

everyone is trying to harness this

871

00:34:41,450 --> 00:34:39,120

animal which is the Internet I mean look

872

00:34:44,270 --> 00:34:41,460

at the craziness that just went on with

873

00:34:51,440 --> 00:34:44,280

net neutrality business yeah you know

874

00:34:53,690 --> 00:34:51,450

right yeah what I'm getting into is the

875

00:34:56,030 --> 00:34:53,700

talk of how people are going to be dying

876

00:35:06,980 --> 00:34:56,040

in multiple thousands of numbers of

877

00:35:09,530 --> 00:35:06,990

business I don't know I have no idea

878

00:35:11,120 --> 00:35:09,540

what but this is the kind of statements

879

00:35:12,890 --> 00:35:11,130

that people make public and I think

880

00:35:15,380 --> 00:35:12,900

those kind of things were made all the

881

00:35:17,660 --> 00:35:15,390

time but when you had just printed press

882

00:35:20,210 --> 00:35:17,670

and then you know major media television

883

00:35:21,800 --> 00:35:20,220

press that most that stuff didn't make

884

00:35:23,900 --> 00:35:21,810

it past the cutting room floor or wasn't

885

00:35:26,870 --> 00:35:23,910

put on our reporters now you have

886

00:35:28,970 --> 00:35:26,880

somebody with a phone who can tape it

887

00:35:31,100 --> 00:35:28,980

and why somebody is trying to file a

888

00:35:35,030 --> 00:35:31,110

story they have it on a YouTube and

889

00:35:36,950 --> 00:35:35,040

they're signing a deal in an uber yeah

890

00:35:41,170 --> 00:35:36,960

oh it's like when they

891

00:35:45,320 --> 00:35:41,180

when to get bin Laden as a helicopter

892

00:35:48,040 --> 00:35:45,330

with their phones think something's

893

00:35:54,380 --> 00:35:51,140

Wow it was out there like in about a

894

00:35:57,790 --> 00:35:54,390

minute it was like they don't look like

895

00:36:01,160 --> 00:35:57,800

Pakistani helicopters yeah something big

896

00:36:03,680 --> 00:36:01,170

you know but you know see that's the

897

00:36:05,060 --> 00:36:03,690

thing is and and also when when news

898

00:36:08,990 --> 00:36:05,070

used to reach us through you know the

899

00:36:11,210 --> 00:36:09,000

radio TV or newspapers there was a there

900

00:36:12,920 --> 00:36:11,220

was a limitation on space you know what

901

00:36:13,970 --> 00:36:12,930

I mean I mean it would be edited so

902

00:36:15,740 --> 00:36:13,980

people would I've worked in the

903

00:36:16,940 --> 00:36:15,750

newspapers and you know people read the

904

00:36:18,530 --> 00:36:16,950

stories and make sure everything and in

905

00:36:20,720 --> 00:36:18,540

this panel mostly because they don't

906

00:36:23,630 --> 00:36:20,730

wanna be sued or whatever you know but

907

00:36:25,970 --> 00:36:23,640

now you can and and you can only write

908

00:36:29,540 --> 00:36:25,980

you know story with eight columns let's

909

00:36:31,280 --> 00:36:29,550

say but now it's an unlimited not the

910

00:36:33,170 --> 00:36:31,290

amount of space that you can put

911

00:36:35,750 --> 00:36:33,180

whatever information at this information

912

00:36:37,880 --> 00:36:35,760

in there you know and many more people

913

00:36:40,250 --> 00:36:37,890

read it and no one edits it so no one

914

00:36:41,960 --> 00:36:40,260

knows what's the truth and what is it

915

00:36:42,829 --> 00:36:41,970

back now what's the other part of that

916

00:36:44,540 --> 00:36:42,839

and I think that this

917

00:36:46,370 --> 00:36:44,550

I think this feeds directly coming back

918

00:36:49,339 --> 00:36:46,380

to the issue that we have at hand here

919

00:36:52,450 --> 00:36:49,349

with this new media with this new way of

920

00:36:54,920 --> 00:36:52,460

doing business as it is the more

921

00:36:56,930 --> 00:36:54,930

exposure you get the more hits that you

922

00:36:59,599 --> 00:36:56,940

get the I think this is why the story

923

00:37:02,030 --> 00:36:59,609

has been broken up and repackage into a

924

00:37:03,890 --> 00:37:02,040

number of different snippets because

925

00:37:05,359 --> 00:37:03,900

each time you look at a different page

926

00:37:08,180 --> 00:37:05,369

that's another hit

927

00:37:09,740 --> 00:37:08,190

that's another advertising icon that's

928

00:37:13,339 --> 00:37:09,750

thrown on another page that hopefully

929

00:37:15,800 --> 00:37:13,349

he's been programmed right you know this

930

00:37:17,900 --> 00:37:15,810

is like right now on the screen that I'm

931

00:37:21,620 --> 00:37:17,910

using to talk to you I've just had an ad

932

00:37:24,200 --> 00:37:21,630

flash up adulting is when showed up

933

00:37:27,410 --> 00:37:24,210

there yeah so excuse me yeah adulting is

934

00:37:29,450 --> 00:37:27,420

when so now we don't think about them

935

00:37:30,980 --> 00:37:29,460

what does what does that guy well I can

936

00:37:32,570 --> 00:37:30,990

tell you right now it got mine uh from

937

00:37:34,250 --> 00:37:32,580

my attention to take a look a closer

938

00:37:36,170 --> 00:37:34,260

look at it and it's the cell laundry

939

00:37:39,410 --> 00:37:36,180

products okay it's not it's not adult

940

00:37:41,599 --> 00:37:39,420

film no no it's got but the way it's

941

00:37:43,040 --> 00:37:41,609

written and the way it's set up it's you

942

00:37:44,540 --> 00:37:43,050

know I don't want to say the names the

943

00:37:46,160 --> 00:37:44,550

manufacturers are involved on there but

944

00:37:49,859 --> 00:37:46,170

it's grocery shop that's what it's about

945

00:37:52,920 --> 00:37:49,869

okay all right yes okay yes right so

946

00:37:56,479 --> 00:37:52,930

now take that back - are you trying to

947

00:38:00,719 --> 00:37:56,489

widely disseminate are you trying to put

948

00:38:03,539 --> 00:38:00,729

into different parts and pieces are you

949

00:38:05,489 --> 00:38:03,549

using it as a way to find out who is

950

00:38:09,349 --> 00:38:05,499

interested are we a part of some grand

951
00:38:11,430 --> 00:38:09,359
little experiment now to find out as

952
00:38:13,079 --> 00:38:11,440
everyone likes to do their surveys

953
00:38:14,160 --> 00:38:13,089
because politics wants and I know you

954
00:38:15,959 --> 00:38:14,170
don't want to talk politics I'm not

955
00:38:18,989 --> 00:38:15,969
talking about that perfect political

956
00:38:22,019 --> 00:38:18,999
part of it is go ahead and run the study

957
00:38:23,430 --> 00:38:22,029
and find out if 68 percent of the

958
00:38:26,700 --> 00:38:23,440
population the United States is

959
00:38:30,029 --> 00:38:26,710
interested in UFOs and 53 percent of it

960
00:38:32,729 --> 00:38:30,039
has a positive as a very positive view

961
00:38:34,229 --> 00:38:32,739
of extraterrestrials does that mean that

962
00:38:36,900 --> 00:38:34,239
the next election cycle you're gonna

963
00:38:38,759 --> 00:38:36,910

hear people talking about if I can open

964

00:38:40,559 --> 00:38:38,769

up the files we're gonna open up the

965

00:38:42,989 --> 00:38:40,569

files yes because they think they can

966

00:38:46,140 --> 00:38:42,999

get folks is this part of what just came

967

00:38:49,859 --> 00:38:46,150

out see - we've talked about this a lot

968

00:38:53,249 --> 00:38:49,869

in the show is that the I think in the

969

00:38:56,009 --> 00:38:53,259

past 15 years six or seven of like the

970

00:38:58,650 --> 00:38:56,019

top movies of the year had something to

971

00:39:00,479 --> 00:38:58,660

do with ETS or like you say Independence

972

00:39:03,150 --> 00:39:00,489

Day or something one of the world's

973

00:39:06,059 --> 00:39:03,160

people love that kind of stuff they'd

974

00:39:08,190 --> 00:39:06,069

really and truly do and I think people

975

00:39:09,959 --> 00:39:08,200

you know just generally like the whole

976

00:39:11,459 --> 00:39:09,969

idea of us going to the moon and stuff

977

00:39:13,620 --> 00:39:11,469

like that because it's cool went away

978

00:39:15,599 --> 00:39:13,630

right right and and it wouldn't surprise

979

00:39:17,940 --> 00:39:15,609

me if the US government particularly the

980

00:39:20,249 --> 00:39:17,950

military was like just so far behind the

981

00:39:22,349 --> 00:39:20,259

curve that they're just not realizing

982

00:39:23,700 --> 00:39:22,359

that and I can also see some contract

983

00:39:26,219 --> 00:39:23,710

they're going to these people and say

984

00:39:27,900 --> 00:39:26,229

hey listen this is what you do okay you

985

00:39:29,940 --> 00:39:27,910

put out this a little bit of news here a

986

00:39:32,039 --> 00:39:29,950

little bit of news here this this video

987

00:39:34,620 --> 00:39:32,049

and so on and so forth and see what the

988

00:39:36,809 --> 00:39:34,630

reaction is and I could see some PR

989

00:39:38,880 --> 00:39:36,819

firms selling that in and and just

990

00:39:42,029 --> 00:39:38,890

saying you know is this a political

991

00:39:43,739 --> 00:39:42,039

point as you said to make you know when

992

00:39:46,709 --> 00:39:43,749

mixed and the presidential election

993

00:39:48,749 --> 00:39:46,719

comes up but on the same vein what

994

00:39:50,249 --> 00:39:48,759

really was interesting too is first of

995

00:39:53,249 --> 00:39:50,259

all someone said well this is just some

996

00:39:57,180 --> 00:39:53,259

big spat the star was okay because it's

997

00:40:00,209 --> 00:39:57,190

coming up ask that question and not help

998

00:40:02,700 --> 00:40:00,219

to ask that question and also in as you

999

00:40:04,320 --> 00:40:02,710

know I just dislike the media in this

1000

00:40:06,720 --> 00:40:04,330

country so much that I had

1001
00:40:09,150 --> 00:40:06,730
you know watched any kind of news or

1002
00:40:11,900 --> 00:40:09,160
anything for more than a year and this

1003
00:40:15,690 --> 00:40:11,910
proves why in my opinion is because when

1004
00:40:18,060 --> 00:40:15,700
ABC wanting news came back from showing

1005
00:40:19,890 --> 00:40:18,070
the oh yeah you made up to me about it

1006
00:40:22,350 --> 00:40:19,900
you're absolutely correct you know and

1007
00:40:24,000 --> 00:40:22,360
it shown the video of the of the the

1008
00:40:25,590 --> 00:40:24,010
actual object and then talking to the

1009
00:40:26,010 --> 00:40:25,600
pilot and he's making all these good

1010
00:40:29,210 --> 00:40:26,020
points

1011
00:40:31,260 --> 00:40:29,220
you know the bubble-headed news check

1012
00:40:33,390 --> 00:40:31,270
behind the desk with George

1013
00:40:35,670 --> 00:40:33,400

Stephanopoulos it was also kind of a

1014

00:40:38,100 --> 00:40:35,680

bubble headed news check when we go out

1015

00:40:41,130 --> 00:40:38,110

to eat we never agree on where to go

1016

00:40:42,810 --> 00:40:41,140

burgers heat that tacos it is the one

1017

00:40:44,970 --> 00:40:42,820

thing we do agree on is we all want

1018

00:40:48,030 --> 00:40:44,980

unlimited high-speed data that's why we

1019

00:40:49,710 --> 00:40:48,040

switch to metro pcs stop by metro pcs

1020

00:40:52,110 --> 00:40:49,720

with the whole family and get four lines

1021

00:40:54,750 --> 00:40:52,120

with unlimited LTE data for just \$100

1022

00:40:56,010 --> 00:40:54,760

period metro pcs Wireless figured out

1023

00:40:57,090 --> 00:40:56,020

covers not available in some areas

1024

00:40:58,050 --> 00:40:57,100

offers for our poor in a number not

1025

00:40:59,250 --> 00:40:58,060

currently active on t-mobile network

1026

00:41:00,480 --> 00:40:59,260

during congestion the fraction of

1027

00:41:01,860 --> 00:41:00,490

customers used more than 35 gigs per

1028

00:41:03,510 --> 00:41:01,870

month may notice reduced beats video

1029

00:41:05,000 --> 00:41:03,520

streams depth 240p no tethering seized

1030

00:41:07,620 --> 00:41:05,010

or for details in terms and conditions

1031

00:41:10,080 --> 00:41:07,630

she shares to him oh I think that was

1032

00:41:13,920 --> 00:41:10,090

the Millennium Falcon oh come on

1033

00:41:17,010 --> 00:41:13,930

okay this you stupid person nice this

1034

00:41:19,890 --> 00:41:17,020

could be the biggest story in the

1035

00:41:22,560 --> 00:41:19,900

history of mankind if these things

1036

00:41:24,240 --> 00:41:22,570

turned out to be you know you know let's

1037

00:41:26,310 --> 00:41:24,250

say people from another planet people

1038

00:41:28,470 --> 00:41:26,320

from another place another dimension

1039

00:41:30,090 --> 00:41:28,480

another time whatever you will not

1040

00:41:30,420 --> 00:41:30,100

there's no story that will be bigger

1041

00:41:32,760 --> 00:41:30,430

than that

1042

00:41:34,860 --> 00:41:32,770

history wise as that's making contact

1043

00:41:38,010 --> 00:41:34,870

with someone who is not human and that's

1044

00:41:41,100 --> 00:41:38,020

all you're gonna say now maybe someone

1045

00:41:43,260 --> 00:41:41,110

you know increased her or whatever and

1046

00:41:45,870 --> 00:41:43,270

to you know give the Star Wars a ploy

1047

00:41:48,450 --> 00:41:45,880

because it was on ABC ABC is owned by

1048

00:41:50,760 --> 00:41:48,460

Walt Disney the new Star Wars is on Walt

1049

00:41:53,250 --> 00:41:50,770

Disney films right yeah it's all part of

1050

00:41:57,480 --> 00:41:53,260

that so much power with Fox the whole

1051
00:42:00,630 --> 00:41:57,490
thing right yeah you touch upon a very

1052
00:42:02,520 --> 00:42:00,640
scary aspect of all this as well all

1053
00:42:05,130 --> 00:42:02,530
your entertainment the fusion of your

1054
00:42:07,530 --> 00:42:05,140
entertainment because that in the media

1055
00:42:11,640 --> 00:42:07,540
and so-called news is all one there's no

1056
00:42:13,170 --> 00:42:11,650
line of separation anymore right no yeah

1057
00:42:15,180 --> 00:42:13,180
you know when he uses the term

1058
00:42:17,940 --> 00:42:15,190
Millennium Falcon like as it's an

1059
00:42:20,339 --> 00:42:17,950
understood icon but what

1060
00:42:22,349 --> 00:42:20,349
monopoly bees in the Star Wars monopoly

1061
00:42:24,930 --> 00:42:22,359
so I guess you know that wasn't you know

1062
00:42:29,280 --> 00:42:24,940
what she was talking about you know 40

1063
00:42:30,870 --> 00:42:29,290

years ago they passed a law because set

1064

00:42:32,640 --> 00:42:30,880

him on and just be nothing but cartoons

1065

00:42:35,880 --> 00:42:32,650

you know when we were growing up right

1066

00:42:40,079 --> 00:42:35,890

and and there was a Flintstone cartoon

1067

00:42:42,870 --> 00:42:40,089

and Flintstones vitamins put ads on that

1068

00:42:45,180 --> 00:42:42,880

basically were just the cartoon but the

1069

00:42:46,950 --> 00:42:45,190

characters are taken Flintstone vitamins

1070

00:42:50,310 --> 00:42:46,960

right right and it went to the Supreme

1071

00:42:51,930 --> 00:42:50,320

Court I think and made them stop because

1072

00:42:54,690 --> 00:42:51,940

they said you're blurring the line

1073

00:42:57,120 --> 00:42:54,700

between what you're presenting in what

1074

00:43:00,420 --> 00:42:57,130

you're selling right well now they break

1075

00:43:02,730 --> 00:43:00,430

that law all the time you know not in

1076

00:43:05,310 --> 00:43:02,740

cartoons but so what's changed what's

1077

00:43:06,630 --> 00:43:05,320

changed I guess to the power of 10 the

1078

00:43:08,819 --> 00:43:06,640

amount of money that people are making

1079

00:43:10,800 --> 00:43:08,829

first of all there's no more cartoons on

1080

00:43:13,950 --> 00:43:10,810

setting money which is kind of a bummer

1081

00:43:15,839 --> 00:43:13,960

but yeah it's money it's like our teens

1082

00:43:17,160 --> 00:43:15,849

on Saturday morning when at any moment

1083

00:43:20,460 --> 00:43:17,170

you can call it up on your child's

1084

00:43:23,460 --> 00:43:20,470

Python exactly and in but the thing is

1085

00:43:24,510 --> 00:43:23,470

is that just that that family tree we

1086

00:43:29,190 --> 00:43:24,520

just went through okay

1087

00:43:31,349 --> 00:43:29,200

ABC News is owned by Walt Disney okay

1088

00:43:33,120 --> 00:43:31,359

there give me Walt Disney is keeping you

1089

00:43:38,250 --> 00:43:33,130

in and then Walt Disney is just but you

1090

00:43:41,010 --> 00:43:38,260

know Fox and when you see all that stuff

1091

00:43:42,900 --> 00:43:41,020

is you don't know you down to a very

1092

00:43:44,520 --> 00:43:42,910

small group of people that make the

1093

00:43:46,829 --> 00:43:44,530

media make the movies make the

1094

00:43:49,829 --> 00:43:46,839

entertainment but now my question is is

1095

00:43:52,500 --> 00:43:49,839

that do you think you know the Pentagon

1096

00:43:54,359 --> 00:43:52,510

is this something the military Minds

1097

00:43:56,520 --> 00:43:54,369

would go along with them you know you'd

1098

00:43:58,200 --> 00:43:56,530

have to really kind of first of all

1099

00:43:59,579 --> 00:43:58,210

realize that the person that was in

1100

00:44:02,450 --> 00:43:59,589

charge of this project was not a

1101

00:44:04,680 --> 00:44:02,460

military member it was a civilian

1102

00:44:06,540 --> 00:44:04,690

director that was in there that wasn't a

1103

00:44:08,849 --> 00:44:06,550

general or an admiral that was running

1104

00:44:11,490 --> 00:44:08,859

this it wasn't a colonel or a captain or

1105

00:44:13,500 --> 00:44:11,500

a commander in like that contractor no

1106

00:44:15,839 --> 00:44:13,510

no no this was some probably some kind

1107

00:44:17,190 --> 00:44:15,849

of an appointee undersecretary director

1108

00:44:21,150 --> 00:44:17,200

or something underneath that and that's

1109

00:44:22,559 --> 00:44:21,160

part of most of DoD under the Secretary

1110

00:44:24,450 --> 00:44:22,569

of Defense office are civilians you

1111

00:44:25,950 --> 00:44:24,460

don't have military people serve oh you

1112

00:44:27,950 --> 00:44:25,960

got people that from the military that

1113

00:44:30,150 --> 00:44:27,960

are there get its civilian oversight

1114

00:44:31,530 --> 00:44:30,160

civilian control of our military and

1115

00:44:37,340 --> 00:44:31,540

it's just one of the most or

1116

00:44:41,040 --> 00:44:37,350

factors of our military with that said I

1117

00:44:44,430 --> 00:44:41,050

I never heard anybody feel that they

1118

00:44:47,010 --> 00:44:44,440

couldn't talk about their experiences I

1119

00:44:49,800 --> 00:44:47,020

do remember a couple guys seeing things

1120

00:44:51,540 --> 00:44:49,810

and they you know they talked about it

1121

00:44:53,550 --> 00:44:51,550

what they saw and they didn't realize

1122

00:44:55,170 --> 00:44:53,560

didn't know what they saw and the

1123

00:44:56,790 --> 00:44:55,180

command you know back in the 80s saying

1124

00:44:58,170 --> 00:44:56,800

hey knock that off you sound like a

1125

00:45:02,070 --> 00:44:58,180

crazy guy when you're talking about it

1126

00:45:04,470 --> 00:45:02,080

there was at one point in the 60s that

1127

00:45:07,920 --> 00:45:04,480

people that were involved with UFOs were

1128

00:45:10,080 --> 00:45:07,930

actually looked upon as something to

1129

00:45:11,430 --> 00:45:10,090

keep an eye on and maybe accelerate

1130

00:45:14,010 --> 00:45:11,440

their promotions and then it went the

1131

00:45:17,910 --> 00:45:14,020

other direction which happens a lot but

1132

00:45:19,710 --> 00:45:17,920

if you look at the social changes I want

1133

00:45:20,550 --> 00:45:19,720

to make sure i phrase this as carefully

1134

00:45:23,130 --> 00:45:20,560

as I can

1135

00:45:24,870 --> 00:45:23,140

the things that are going on with the

1136

00:45:28,050 --> 00:45:24,880

society and the military being a

1137

00:45:30,270 --> 00:45:28,060

microcosm of that and the the stuff is

1138

00:45:32,160 --> 00:45:30,280

going on I don't think that anybody

1139

00:45:33,870 --> 00:45:32,170

would really hesitate right now to talk

1140

00:45:35,820 --> 00:45:33,880

about this if they thought they could go

1141

00:45:38,160 --> 00:45:35,830

and quite honestly if anybody went after

1142

00:45:40,380 --> 00:45:38,170

them they have the out to make their own

1143

00:45:43,290 --> 00:45:40,390

movie their own film contact their own

1144

00:45:46,650 --> 00:45:43,300

person books yeah the whole nine yards

1145

00:45:49,680 --> 00:45:46,660

and how i was wrong because i saw et or

1146

00:45:52,170 --> 00:45:49,690

what did i see the only thing that the

1147

00:45:55,050 --> 00:45:52,180

wine won't really allow people to get

1148

00:45:57,000 --> 00:45:55,060

away with is when you give away that

1149

00:46:00,090 --> 00:45:57,010

classified information when you give

1150

00:46:01,530 --> 00:46:00,100

away to the enemy verifiable part of it

1151
00:46:05,040 --> 00:46:01,540
and that's another part we haven't even

1152
00:46:08,130 --> 00:46:05,050
touched upon yet so long before the

1153
00:46:10,710 --> 00:46:08,140
Russians you know Putin can I you know

1154
00:46:14,040 --> 00:46:10,720
he checks our pages all the time how

1155
00:46:17,430 --> 00:46:14,050
long before they come out and say

1156
00:46:19,260 --> 00:46:17,440
something about this right right anyway

1157
00:46:22,740 --> 00:46:19,270
their virtue this do you really believe

1158
00:46:25,530 --> 00:46:22,750
that Russia and Putin are not going to

1159
00:46:27,330 --> 00:46:25,540
have some response to this that they

1160
00:46:30,960 --> 00:46:27,340
have a long study I just read the

1161
00:46:32,940 --> 00:46:30,970
obituary on my show on Sunday of Mariana

1162
00:46:35,880 --> 00:46:32,950
Pappas who was one of the greatest test

1163
00:46:37,860 --> 00:46:35,890

pilots ever okay third why supersonic

1164

00:46:39,360 --> 00:46:37,870

and later in her career she was involved

1165

00:46:41,950 --> 00:46:39,370

with a UFO and she was very big in the

1166

00:46:44,350 --> 00:46:41,960

UFO investigation right celebrated

1167

00:46:46,240 --> 00:46:44,360

very interest she's like a female Chuck

1168

00:46:48,160 --> 00:46:46,250

Yeager to the Russian ice all right more

1169

00:46:51,820 --> 00:46:48,170

are the their version of Jackie Cochran

1170

00:46:53,080 --> 00:46:51,830

the female test pilot that did

1171

00:46:55,210 --> 00:46:53,090

tremendous things in the States and

1172

00:47:00,400 --> 00:46:55,220

really was never properly recognized for

1173

00:47:02,830 --> 00:47:00,410

hope cards okay so what I'm thinking too

1174

00:47:06,310 --> 00:47:02,840

is I'm just going back in history with

1175

00:47:08,740 --> 00:47:06,320

the Russians I mean in the 1970s and the

1176

00:47:10,240 --> 00:47:08,750

aged the Russians actually a lot of

1177

00:47:11,650 --> 00:47:10,250

other countries are much more open about

1178

00:47:13,210 --> 00:47:11,660

this and the United States is the other

1179

00:47:16,300 --> 00:47:13,220

one that really is kind of closed off

1180

00:47:18,850 --> 00:47:16,310

because them and the I'm gonna say late

1181

00:47:23,170 --> 00:47:18,860

70s early 80s the Russian military

1182

00:47:26,860 --> 00:47:23,180

actually sent like a a message to every

1183

00:47:27,850 --> 00:47:26,870

every person in the Russian military at

1184

00:47:29,260 --> 00:47:27,860

the time I think it was like three

1185

00:47:31,870 --> 00:47:29,270

million people I'm talking about ground

1186

00:47:34,860 --> 00:47:31,880

soldiers people you know on ships and

1187

00:47:39,100 --> 00:47:34,870

pilots and so on and they basically said

1188

00:47:41,200 --> 00:47:39,110

fill this out if you see a UFO okay

1189

00:47:43,330 --> 00:47:41,210

because they wanted to see you know

1190

00:47:44,710 --> 00:47:43,340

Hamid you know basically how many people

1191

00:47:46,330 --> 00:47:44,720

in the military is seeing these things

1192

00:47:48,820 --> 00:47:46,340

and they would also know you know has a

1193

00:47:51,810 --> 00:47:48,830

top-secret stuff you know showing up so

1194

00:47:55,510 --> 00:47:51,820

like they kept like tens of thousands of

1195

00:47:56,890 --> 00:47:55,520

responses and and and they really kind

1196

00:47:58,870 --> 00:47:56,900

of looked into it you know this is

1197

00:48:00,340 --> 00:47:58,880

something that you know was was not

1198

00:48:01,720 --> 00:48:00,350

highly publicized here in the United

1199

00:48:03,670 --> 00:48:01,730

States because at the time you know is

1200

00:48:05,080 --> 00:48:03,680

the old Carlos block and so on but they

1201

00:48:07,300 --> 00:48:05,090

actually did look into this and they

1202

00:48:10,090 --> 00:48:07,310

what they found was that you know these

1203

00:48:13,990 --> 00:48:10,100

things show what show up you know a lot

1204

00:48:16,090 --> 00:48:14,000

people see them a lot and people don't

1205

00:48:19,570 --> 00:48:16,100

knit and don't naturally report them

1206

00:48:21,670 --> 00:48:19,580

either okay but they kind of prove the

1207

00:48:23,080 --> 00:48:21,680

fact that you know these things have

1208

00:48:24,940 --> 00:48:23,090

been with us they've been with us for a

1209

00:48:27,160 --> 00:48:24,950

long time they're still with us now and

1210

00:48:28,840 --> 00:48:27,170

another thing too is that is what all

1211

00:48:32,800 --> 00:48:28,850

this proves now what we're talking about

1212

00:48:35,140 --> 00:48:32,810

I think is that you hear many times on

1213

00:48:37,300 --> 00:48:35,150

shows not this show but shows like this

1214

00:48:39,310 --> 00:48:37,310

where oh the military of course knows

1215

00:48:41,650 --> 00:48:39,320

you know what this stuff is the military

1216

00:48:42,100 --> 00:48:41,660

of course has UFO pods and so on and so

1217

00:48:44,380 --> 00:48:42,110

forth

1218

00:48:46,780 --> 00:48:44,390

this proves that's all wrong because if

1219

00:48:49,180 --> 00:48:46,790

they knew what UFOs were this was never

1220

00:48:51,100 --> 00:48:49,190

this would never have come out just that

1221

00:48:53,410 --> 00:48:51,110

that video would not have come out those

1222

00:48:55,010 --> 00:48:53,420

f-18 pilots wouldn't be able to talk and

1223

00:48:58,820 --> 00:48:55,020

that story probably

1224

00:49:01,280 --> 00:48:58,830

come out so as I've said all along the

1225

00:49:04,940 --> 00:49:01,290

US military knows that UFOs exist but

1226

00:49:10,310 --> 00:49:04,950

they don't know what they are and they

1227

00:49:12,850 --> 00:49:10,320

use this as a means to exploit the enemy

1228

00:49:16,280 --> 00:49:12,860

and gather information and intelligence

1229

00:49:19,190 --> 00:49:16,290

there quickly to explain how that's done

1230

00:49:20,690 --> 00:49:19,200

well we know that when they were test

1231

00:49:24,110 --> 00:49:20,700

timing and flying and doing their

1232

00:49:27,020 --> 00:49:24,120

operations during the 60s and 70s they

1233

00:49:31,190 --> 00:49:27,030

fed into UFO supportive organizations

1234

00:49:33,680 --> 00:49:31,200

false information to keep them active to

1235

00:49:36,320 --> 00:49:33,690

cover up what it was that was part of

1236

00:49:38,300 --> 00:49:36,330

Project Blue Book or what whatever tier

1237

00:49:41,060 --> 00:49:38,310

you want to go do that right they would

1238

00:49:42,920 --> 00:49:41,070

eat information in so when the Russians

1239

00:49:45,350 --> 00:49:42,930

are making these kinds of remarks or

1240

00:49:48,800 --> 00:49:45,360

this is going on in Europe you use that

1241

00:49:53,060 --> 00:49:48,810

as a cover as another layer to throw off

1242

00:49:54,740 --> 00:49:53,070

what's going on so do you expect then

1243

00:49:57,050 --> 00:49:54,750

are you saying like within the next two

1244

00:49:59,600 --> 00:49:57,060

weeks we'll come and see footage from

1245

00:50:03,320 --> 00:49:59,610

Russian fighters chasing UFOs that time

1246

00:50:06,860 --> 00:50:03,330

I can't believe that Putin will not at

1247

00:50:08,960 --> 00:50:06,870

least let the Russians grab some kind of

1248

00:50:13,130 --> 00:50:08,970

piece of what this is going on because

1249

00:50:18,380 --> 00:50:13,140

this is a this I think was put up as a

1250

00:50:20,510 --> 00:50:18,390

test to some degree and it is blossoming

1251

00:50:22,370 --> 00:50:20,520

you know with a factor maybe to the

1252

00:50:23,780 --> 00:50:22,380

fourth or fifth power it keeps spread no

1253

00:50:25,190 --> 00:50:23,790

and then they keep adding different

1254

00:50:26,990 --> 00:50:25,200

stories so there's more stuff in the

1255

00:50:30,170 --> 00:50:27,000

search engine okay but I have to ask

1256

00:50:32,060 --> 00:50:30,180

this is is are you giving me the US

1257

00:50:34,430 --> 00:50:32,070

military or the US government too much

1258

00:50:37,730 --> 00:50:34,440

credit because you know 99% of what they

1259

00:50:40,190 --> 00:50:37,740

do get screwed up you know so what I was

1260

00:50:42,830 --> 00:50:40,200

selling would they be able to just you

1261

00:50:44,750 --> 00:50:42,840

know put up this master plan that is

1262

00:50:46,340 --> 00:50:44,760

working perfectly from the south I don't

1263

00:50:48,610 --> 00:50:46,350

say that it's working perfectly at all

1264

00:50:52,070 --> 00:50:48,620

max but I do think that in 15 years

1265

00:50:53,930 --> 00:50:52,080

you're starting to see active campaigns

1266

00:50:56,930 --> 00:50:53,940

that are fought on the battlefield of

1267

00:50:59,990 --> 00:50:56,940

the of the internet and media and

1268

00:51:01,430 --> 00:51:00,000

people's attention and why this is going

1269

00:51:05,660 --> 00:51:01,440

on and why this being said something

1270

00:51:07,580 --> 00:51:05,670

else is going on I just won't go find

1271

00:51:08,660 --> 00:51:07,590

that this is part of it but what could

1272

00:51:10,760 --> 00:51:08,670

be bigger than

1273

00:51:13,099 --> 00:51:10,770

you know making as I said before making

1274

00:51:16,220 --> 00:51:13,109

contact with someone and then tells the

1275

00:51:18,049 --> 00:51:16,230

species that is not us I mean what could

1276

00:51:19,910 --> 00:51:18,059

be what's what could be bigger than that

1277

00:51:21,829 --> 00:51:19,920

why would they have laughing and if it's

1278

00:51:23,120 --> 00:51:21,839

that big and I believe you're correct

1279

00:51:25,640 --> 00:51:23,130

and I don't think that that's not a

1280

00:51:26,870 --> 00:51:25,650

strong possibility if you look at what's

1281

00:51:29,059 --> 00:51:26,880

come out of the Holy See

1282

00:51:30,680 --> 00:51:29,069

the Pope himself the kind of remarks

1283

00:51:32,329 --> 00:51:30,690

that have been made as of light that

1284

00:51:34,880 --> 00:51:32,339

they could be extraterrestrial like

1285

00:51:35,809 --> 00:51:34,890

which is a huge shift for the break he

1286

00:51:38,089 --> 00:51:35,819

said that recently

1287

00:51:41,270 --> 00:51:38,099

yeah within the latest Pope within the

1288

00:51:42,980 --> 00:51:41,280

last year you know and talking about the

1289

00:51:45,440 --> 00:51:42,990

possibility of life I'll look it up on

1290

00:51:47,720 --> 00:51:45,450

our break to talk about these are all

1291

00:51:49,490 --> 00:51:47,730

things in there but in the middle of

1292

00:51:51,680 --> 00:51:49,500

that are all the other people who are

1293

00:51:53,329 --> 00:51:51,690

ying for control they don't care if

1294

00:51:55,400 --> 00:51:53,339

they're aliens or not they'll make a

1295

00:51:57,349 --> 00:51:55,410

deal with them when they show up right

1296

00:52:02,240 --> 00:51:57,359

now they're wrestling and they want to

1297

00:52:06,079 --> 00:52:02,250

maintain control Wow okay Cobra alright

1298

00:52:09,140 --> 00:52:06,089

well hey listen like I say my hat back I

1299

00:52:09,589 --> 00:52:09,150

know I didn't I can't see on camera

1300

00:52:12,230 --> 00:52:09,599

tonight

1301
00:52:14,120 --> 00:52:12,240
but anyway actually I miss all the Tom

1302
00:52:15,920 --> 00:52:14,130
Brady attire that you know one one

1303
00:52:17,839 --> 00:52:15,930
usually has on you know yeah and you and

1304
00:52:20,349 --> 00:52:17,849
Bob not around to flick the lights on

1305
00:52:22,370 --> 00:52:20,359
Bob's not around Bob the ghost yeah but

1306
00:52:25,099 --> 00:52:22,380
anyway well I'll tell you what why don't

1307
00:52:26,660 --> 00:52:25,109
we do this one thing I want to type but

1308
00:52:29,210 --> 00:52:26,670
when we come back is it something that

1309
00:52:30,890 --> 00:52:29,220
you you'll hit on and the first segment

1310
00:52:32,720 --> 00:52:30,900
is you know where is everyone else you

1311
00:52:36,500 --> 00:52:32,730
know they let these two f-18 pilots come

1312
00:52:39,470 --> 00:52:36,510
out you know where I'm coming out I mean

1313
00:52:41,390 --> 00:52:39,480

that is no there's nothing there to help

1314

00:52:45,349 --> 00:52:41,400

you understand that right yeah exactly

1315

00:52:48,950 --> 00:52:45,359

you know it's like why when now and also

1316

00:52:51,950 --> 00:52:48,960

there's that too is the you know I

1317

00:52:54,109 --> 00:52:51,960

watched on well I mean I I read let's

1318

00:52:56,720 --> 00:52:54,119

say you thought well I post is a it's

1319

00:52:58,280 --> 00:52:56,730

owned by Fox it's very conservative it's

1320

00:53:00,650 --> 00:52:58,290

very far-right but I read it for the

1321

00:53:03,440 --> 00:53:00,660

sports section and which is a great

1322

00:53:05,599 --> 00:53:03,450

sports section but you know I happen to

1323

00:53:08,150 --> 00:53:05,609

see the headline for it and it's that

1324

00:53:10,160 --> 00:53:08,160

ridicule factor again what though all

1325

00:53:11,839 --> 00:53:10,170

their stories that had that have

1326
00:53:14,930 --> 00:53:11,849
appeared about this one we're talking

1327
00:53:17,329 --> 00:53:14,940
about this UFO Seema project

1328
00:53:18,740 --> 00:53:17,339
they all hid it from hey look at how

1329
00:53:20,420 --> 00:53:18,750
they've been wasting our money for

1330
00:53:22,220 --> 00:53:20,430
twenty two million dollars I mean it's

1331
00:53:24,260 --> 00:53:22,230
it's constant there in walks

1332
00:53:26,599 --> 00:53:24,270
with that kind of story I find that

1333
00:53:28,010 --> 00:53:26,609
interesting - it don't count on what

1334
00:53:29,510 --> 00:53:28,020
we're talking about is they so people

1335
00:53:31,640 --> 00:53:29,520
are going oh yeah what are they spending

1336
00:53:33,050 --> 00:53:31,650
that money for on that nonsense but I

1337
00:53:36,560 --> 00:53:33,060
think the majority of people are going

1338
00:53:38,690 --> 00:53:36,570

yeah yes yes well my I we get our back

1339

00:53:40,130 --> 00:53:38,700

on the break I've got a piece of art

1340

00:53:41,890 --> 00:53:40,140

that I want to address on that because I

1341

00:53:43,940 --> 00:53:41,900

think that there's an interesting

1342

00:53:46,130 --> 00:53:43,950

explanation to that or at least some

1343

00:53:47,540 --> 00:53:46,140

enlightenment to it and we're hoping

1344

00:53:48,140 --> 00:53:47,550

that when we come back that the

1345

00:53:50,900 --> 00:53:48,150

Switchblade

1346

00:53:52,160 --> 00:53:50,910

will be joining us in later on Emily M

1347

00:53:53,840 --> 00:53:52,170

we're gonna be talking about this guy

1348

00:53:56,950 --> 00:53:53,850

Bigelow who actually got the 22 million

1349

00:54:00,859 --> 00:53:56,960

dollars to run this program and also

1350

00:54:02,750 --> 00:54:00,869

this is not the first US government US

1351

00:54:04,670 --> 00:54:02,760

military program to look into UFOs

1352

00:54:06,230 --> 00:54:04,680

there's been several others Emily M is

1353

00:54:09,380 --> 00:54:06,240

going to be talking to us about that so

1354

00:54:10,790 --> 00:54:09,390

when we take a break now and we'll be

1355

00:54:12,770 --> 00:54:10,800

right back after listening listening to

1356

00:54:15,380 --> 00:54:12,780

Mack mommies military-style show here a

1357

00:54:17,450 --> 00:54:15,390

special show talking about the newly

1358

00:54:19,370 --> 00:54:17,460

released newly revealed secret UFO

1359

00:54:25,400 --> 00:54:19,380

project run by the Pentagon we'll be

1360

00:54:27,050 --> 00:54:25,410

right back after this tracks now show

1361

00:54:29,810 --> 00:54:27,060

here on the distant Thunder radio

1362

00:54:31,570 --> 00:54:29,820

network this is a look we're talking

1363

00:54:34,790 --> 00:54:31,580

tonight about this newly revealed

1364

00:54:38,810 --> 00:54:34,800

Pentagon program that was looking into

1365

00:54:41,750 --> 00:54:38,820

UFOs and tracking alien life something

1366

00:54:43,490 --> 00:54:41,760

that the US military US government has

1367

00:54:45,830 --> 00:54:43,500

told us for years that they don't do and

1368

00:54:47,980 --> 00:54:45,840

it turns out they were lying to us that

1369

00:54:50,599 --> 00:54:47,990

they were doing it at least up until

1370

00:54:52,280 --> 00:54:50,609

2012 when they say the program ended its

1371

00:54:56,300 --> 00:54:52,290

controversial whether the program ended

1372

00:54:58,940 --> 00:54:56,310

or not but an interesting talk back is

1373

00:55:00,440 --> 00:54:58,950

this the big breakthrough we've all been

1374

00:55:02,450 --> 00:55:00,450

waiting for or is it just you know some

1375

00:55:03,650 --> 00:55:02,460

kind of weird media campaign who knows

1376

00:55:07,160 --> 00:55:03,660

but that's what we're talking about

1377

00:55:09,050 --> 00:55:07,170

tonight no one won tonight girl sorry

1378

00:55:10,220 --> 00:55:09,060

he's out on his own little secret

1379

00:55:13,070 --> 00:55:10,230

mission

1380

00:55:16,820 --> 00:55:13,080

he says raising funds to revitalize this

1381

00:55:19,400 --> 00:55:16,830

program who knows but with us is the

1382

00:55:21,620 --> 00:55:19,410

equally famous commander Cobra good

1383

00:55:26,240 --> 00:55:21,630

evening sir from his undisclosed

1384

00:55:28,310 --> 00:55:26,250

location and we're also joined by

1385

00:55:30,620 --> 00:55:28,320

switchblade Steve Warren up there and

1386

00:55:32,000 --> 00:55:30,630

battle creek home of the flakes hey

1387

00:55:32,540 --> 00:55:32,010

there are you doing there tonight

1388

00:55:35,820 --> 00:55:32,550

switchy

1389

00:55:38,130 --> 00:55:35,830

well I'm doing really good because I am

1390

00:55:44,130 --> 00:55:38,140

I am slouching closer and closer to

1391

00:55:48,960 --> 00:55:44,140

retirement oh wow okay are you laying on

1392

00:55:51,810 --> 00:55:48,970

your back I'm gonna try and retire

1393

00:55:54,660 --> 00:55:51,820

before I have to lay on my back okay all

1394

00:55:56,310 --> 00:55:54,670

right yeah good to know all right we all

1395

00:55:58,920 --> 00:55:56,320

prefer it for the audience to think

1396

00:56:01,080 --> 00:55:58,930

we're in our early 30 Steve but you know

1397

00:56:03,510 --> 00:56:01,090

if you want to be the retiree I could be

1398

00:56:06,300 --> 00:56:03,520

an entrepreneur that has done so well in

1399

00:56:07,830 --> 00:56:06,310

business that I'm not 45 right and a

1400

00:56:12,030 --> 00:56:07,840

wing like you could fly by on the show

1401
00:56:13,950 --> 00:56:12,040
at anytime by the window really yeah

1402
00:56:16,380 --> 00:56:13,960
okay very interesting up there in the

1403
00:56:18,570 --> 00:56:16,390
bullet flex so um what we've been

1404
00:56:21,300 --> 00:56:18,580
talking about is this you know this

1405
00:56:25,530 --> 00:56:21,310
program that the military was running

1406
00:56:27,270 --> 00:56:25,540
for a while looking into UFOs UFO

1407
00:56:29,280 --> 00:56:27,280
sightings and so on and so forth and

1408
00:56:31,470 --> 00:56:29,290
they supposedly closed it down as a

1409
00:56:34,920 --> 00:56:31,480
convert it was controversial that they

1410
00:56:36,600 --> 00:56:34,930
did but they did say in a statement

1411
00:56:40,680 --> 00:56:36,610
which I also thought was interesting was

1412
00:56:43,980 --> 00:56:40,690
that the Pentagon would continue to take

1413
00:56:47,520 --> 00:56:43,990

reports from military people principally

1414

00:56:49,500 --> 00:56:47,530

US Air Force pilots on if they see

1415

00:56:51,330 --> 00:56:49,510

things that might be described as UFOs

1416

00:56:54,480 --> 00:56:51,340

which was interesting because you know

1417

00:56:56,040 --> 00:56:54,490

we've been taught or we've been told you

1418

00:56:58,890 --> 00:56:56,050

know over the years is that you know

1419

00:57:00,840 --> 00:56:58,900

military pilots don't report seeing UFOs

1420

00:57:03,000 --> 00:57:00,850

and neither do we align pilots because

1421

00:57:04,980 --> 00:57:03,010

if they do and in case the airline

1422

00:57:06,810 --> 00:57:04,990

pilots it might you know effect you know

1423

00:57:08,580 --> 00:57:06,820

their promotions or whatever and

1424

00:57:11,340 --> 00:57:08,590

military same thing you know you don't

1425

00:57:12,930 --> 00:57:11,350

want to be known as the tin hat guy you

1426

00:57:15,840 --> 00:57:12,940

know because it stands in your way when

1427

00:57:17,340 --> 00:57:15,850

you want to get promoted but now there

1428

00:57:19,290 --> 00:57:17,350

the Pentagon you know apparently is

1429

00:57:21,240 --> 00:57:19,300

saying no we will talk to him I think

1430

00:57:23,700 --> 00:57:21,250

that probably what was happening and you

1431

00:57:25,650 --> 00:57:23,710

can you know straight me out on this if

1432

00:57:27,300 --> 00:57:25,660

I'm wrong Cobra is I think that you know

1433

00:57:28,830 --> 00:57:27,310

they probably reported these things all

1434

00:57:30,600 --> 00:57:28,840

along but they just you know how [h__\h] up

1435

00:57:31,620 --> 00:57:30,610

classified it and so on and so forth

1436

00:57:33,180 --> 00:57:31,630

what do you think if a fighter pilot

1437

00:57:35,220 --> 00:57:33,190

typical fighter pilot within the last

1438

00:57:37,800 --> 00:57:35,230

thirty years so I have something really

1439

00:57:39,300 --> 00:57:37,810

strange wouldn't he have to report it it

1440

00:57:42,530 --> 00:57:39,310

just they just wouldn't let that

1441

00:57:46,350 --> 00:57:42,540

information out I think you're right

1442

00:57:48,560 --> 00:57:46,360

partially I think it could be not to

1443

00:57:51,320 --> 00:57:48,570

allow something classified to be seen

1444

00:57:54,440 --> 00:57:51,330

could be that you have a situation where

1445

00:57:55,880 --> 00:57:54,450

they are wanting to control the

1446

00:57:58,880 --> 00:57:55,890

information and now this could be a

1447

00:58:00,260 --> 00:57:58,890

major sea shift in the the way the winds

1448

00:58:01,670 --> 00:58:00,270

blowing that they're allowing this

1449

00:58:04,040 --> 00:58:01,680

all-out or it's all part of some

1450

00:58:06,440 --> 00:58:04,050

orchestrated other programs do you know

1451
00:58:08,900 --> 00:58:06,450
getting ready for the big news well you

1452
00:58:11,630 --> 00:58:08,910
know if this is their way of easing us

1453
00:58:15,110 --> 00:58:11,640
into it as you say you know this is this

1454
00:58:17,230 --> 00:58:15,120
story has had a lot of legs it's been it

1455
00:58:20,660 --> 00:58:17,240
didn't go away it's been all over CNN

1456
00:58:23,330 --> 00:58:20,670
both negative and you know and and well

1457
00:58:25,250 --> 00:58:23,340
reported and you know somewhere like way

1458
00:58:27,290 --> 00:58:25,260
way way out there with the woman who

1459
00:58:30,020 --> 00:58:27,300
said on ABC News I thought I just

1460
00:58:31,850 --> 00:58:30,030
thought it was the you know the the

1461
00:58:35,780 --> 00:58:31,860
Millennium Falcon you know given a Star

1462
00:58:38,600 --> 00:58:35,790
Wars plug to a movie that our parent

1463
00:58:40,460 --> 00:58:38,610

company just put out as if they need any

1464

00:58:42,380 --> 00:58:40,470

more advertising you know I just want to

1465

00:58:44,120 --> 00:58:42,390

say it's that for the people who haven't

1466

00:58:46,730 --> 00:58:44,130

seen the video it's all over YouTube but

1467

00:58:48,800 --> 00:58:46,740

to me this thing looks like it's not

1468

00:58:51,020 --> 00:58:48,810

crystal clear there's something out

1469

00:58:53,270 --> 00:58:51,030

there it looks like a kid's top it looks

1470

00:58:55,220 --> 00:58:53,280

like a black kids top even though they

1471

00:58:57,890 --> 00:58:55,230

described this thing as a 48-foot your

1472

00:59:00,860 --> 00:58:57,900

own a 40-foot long tic-tac I don't see

1473

00:59:03,650 --> 00:59:00,870

the tic-tac angle looks like a kid's top

1474

00:59:05,390 --> 00:59:03,660

and it's and it's kind of rotating back

1475

00:59:07,610 --> 00:59:05,400

and forth or going back and forth on its

1476

00:59:09,920 --> 00:59:07,620

axis and at one point one of the PI's

1477

00:59:12,170 --> 00:59:09,930

says you know that's that's flying in in

1478

00:59:15,020 --> 00:59:12,180

the way that's you know aerodynamically

1479

00:59:17,750 --> 00:59:15,030

possible that we know of it it's in the

1480

00:59:19,820 --> 00:59:17,760

air but you know flying you know may not

1481

00:59:21,890 --> 00:59:19,830

be the right description it came out of

1482

00:59:23,750 --> 00:59:21,900

the ocean or it came very close to the

1483

00:59:27,020 --> 00:59:23,760

ocean which really leads us into this

1484

00:59:28,430 --> 00:59:27,030

whole unidentified submerged object

1485

00:59:31,070 --> 00:59:28,440

thing which is something that you know

1486

00:59:33,020 --> 00:59:31,080

people have been seeing for years it's

1487

00:59:35,780 --> 00:59:33,030

it's just that the video is very strange

1488

00:59:38,000 --> 00:59:35,790

on the story that came out you know why

1489

00:59:39,650 --> 00:59:38,010

now and why in the New York Times now

1490

00:59:40,670 --> 00:59:39,660

and where these pilots come from and all

1491

00:59:42,500 --> 00:59:40,680

of a sudden you know they're being

1492

00:59:44,090 --> 00:59:42,510

interviewed where's the other pilots

1493

00:59:45,620 --> 00:59:44,100

where are the other pilots you know why

1494

00:59:50,090 --> 00:59:45,630

haven't they come forward this isn't the

1495

00:59:52,730 --> 00:59:50,100

only video that we have of the UFOs I

1496

00:59:55,130 --> 00:59:52,740

mean we'll go back to Gordon Cooper back

1497

00:59:58,100 --> 00:59:55,140

in the early and the early 50s or the

1498

00:59:59,980 --> 00:59:58,110

mid 50s you know he was working out a

1499

01:00:02,210 --> 00:59:59,990

basin that secret airbase out in

1500

01:00:02,720 --> 01:00:02,220

California Edwards Air Force Base where

1501

01:00:05,630 --> 01:00:02,730

they

1502

01:00:07,400 --> 01:00:05,640

test a lot of secret stuff and he was

1503

01:00:09,500 --> 01:00:07,410

assigned out there and two guys that he

1504

01:00:11,270 --> 01:00:09,510

was working with who were a film crew

1505

01:00:15,250 --> 01:00:11,280

they were filming airplanes landing on a

1506

01:00:17,690 --> 01:00:15,260

new kind of arrested system you know

1507

01:00:20,300 --> 01:00:17,700

filled the UFO wailing right in front of

1508

01:00:21,950 --> 01:00:20,310

them people looking out at them and then

1509

01:00:24,079 --> 01:00:21,960

taking off they brought the film back to

1510

01:00:25,520 --> 01:00:24,089

Gwen Cooper who sent it right on into

1511

01:00:27,560 --> 01:00:25,530

the Pentagon I know what is in the

1512

01:00:29,900 --> 01:00:27,570

Pentagon made they said use the generals

1513

01:00:31,130 --> 01:00:29,910

airplane and get it to us he never heard

1514

01:00:32,870 --> 01:00:31,140

another word about it

1515

01:00:35,120 --> 01:00:32,880

three years later he's part of the

1516

01:00:37,130 --> 01:00:35,130

mercury seven you know he's part of the

1517

01:00:40,220 --> 01:00:37,140

first group of US astronauts and those

1518

01:00:42,800 --> 01:00:40,230

guys were heroes so we know that there's

1519

01:00:44,599 --> 01:00:42,810

at least film video of UFOs going back

1520

01:00:47,030 --> 01:00:44,609

to the 50s and I got a I got a feeling

1521

01:00:50,750 --> 01:00:47,040

there's miles of footage so now as you

1522

01:00:52,160 --> 01:00:50,760

say Corbett now why why now why well

1523

01:00:54,170 --> 01:00:52,170

we're in it we're definitely in a sea of

1524

01:00:55,670 --> 01:00:54,180

change and the other part I'm curious

1525

01:00:56,990 --> 01:00:55,680

about is where's the other pilots for

1526

01:00:59,180 --> 01:00:57,000

this story what's coming next

1527

01:01:05,450 --> 01:00:59,190

speaking about what's coming next I

1528

01:01:07,970 --> 01:01:05,460

believe yes that miss Emily m-maybe when

1529

01:01:10,730 --> 01:01:07,980

we go out to eat we never agree on where

1530

01:01:12,680 --> 01:01:10,740

to go what burgers heats up tacos it is

1531

01:01:14,720 --> 01:01:12,690

the one thing we do agree on is we all

1532

01:01:17,900 --> 01:01:14,730

want unlimited high-speed data that's

1533

01:01:19,670 --> 01:01:17,910

why we switch to metro pcs stop by metro

1534

01:01:21,620 --> 01:01:19,680

pcs with the whole family and get four

1535

01:01:24,740 --> 01:01:21,630

lines with unlimited LTE data for just

1536

01:01:26,180 --> 01:01:24,750

\$100 period metro pcs Wireless figured

1537

01:01:27,530 --> 01:01:26,190

out covers not available in some areas

1538

01:01:28,640 --> 01:01:27,540

offers for our port number not currently

1539

01:01:29,809 --> 01:01:28,650

active on t-mobile network during

1540

01:01:31,220 --> 01:01:29,819

congestion the fraction of customers use

1541

01:01:33,079 --> 01:01:31,230

more than 35 kicks per month may notice

1542

01:01:34,339 --> 01:01:33,089

reduce beats video stream step 240p no

1543

01:01:37,370 --> 01:01:34,349

tethering see store for details in terms

1544

01:01:44,770 --> 01:01:37,380

and conditions ll beamed into our into

1545

01:01:47,660 --> 01:01:44,780

our here we can hope Emily hello

1546

01:01:51,319 --> 01:01:47,670

suddenly that show is taking a welcome

1547

01:01:52,700 --> 01:01:51,329

turn yes classed it right up oh I see it

1548

01:01:58,880 --> 01:01:52,710

didn't take a welcome turn when I showed

1549

01:02:00,770 --> 01:01:58,890

up okay just clarification when you told

1550

01:02:02,390 --> 01:02:00,780

that dragging yourself to retirement

1551
01:02:04,630 --> 01:02:02,400
story I don't know yeah energy just run

1552
01:02:06,950 --> 01:02:04,640
right out of the room but it's back

1553
01:02:08,809 --> 01:02:06,960
Emily thanks for joining us you know

1554
01:02:11,800 --> 01:02:08,819
we're talking about this secret Pentagon

1555
01:02:14,720 --> 01:02:11,810
program looking into UFOs

1556
01:02:15,280 --> 01:02:14,730
Steve now this guy big about we've

1557
01:02:17,530 --> 01:02:15,290
talked about

1558
01:02:18,880 --> 01:02:17,540
him on the air before and how he was at

1559
01:02:21,820 --> 01:02:18,890
least the former owner of this place

1560
01:02:23,710 --> 01:02:21,830
called skinwalker ranch can you tell us

1561
01:02:25,600 --> 01:02:23,720
a little bit about him first of all you

1562
01:02:28,840 --> 01:02:25,610
know who is he how much money does he

1563
01:02:31,630 --> 01:02:28,850

have does anyone know well you know you

1564

01:02:33,460 --> 01:02:31,640

comb the internet and you don't know if

1565

01:02:36,190 --> 01:02:33,470

you're getting fax or not but I've heard

1566

01:02:39,220 --> 01:02:36,200

estimates of 1 billion Bundy but he did

1567

01:02:41,340 --> 01:02:39,230

he was in real estate developing hotels

1568

01:02:43,360 --> 01:02:41,350

and so forth for decades and I

1569

01:02:45,400 --> 01:02:43,370

understanding is he always had an eye

1570

01:02:47,800 --> 01:02:45,410

toward he was fascinated with the

1571

01:02:50,740 --> 01:02:47,810

unexplained with UFOs and he always

1572

01:02:54,580 --> 01:02:50,750

wanted to head in that direction and

1573

01:02:58,300 --> 01:02:54,590

also he's been involved with you know

1574

01:03:01,590 --> 01:02:58,310

putting his own private vehicles up into

1575

01:03:04,270 --> 01:03:01,600

orbit space stations and so forth ok so

1576

01:03:07,150 --> 01:03:04,280

go ahead no we should say that so this

1577

01:03:09,460 --> 01:03:07,160

guy Bigelow is the person who Harry Reid

1578

01:03:11,800 --> 01:03:09,470

the senator from Nevada was able to

1579

01:03:13,000 --> 01:03:11,810

funnel the 22 million dollars to a big

1580

01:03:15,990 --> 01:03:13,010

low and he's the guy who kind of

1581

01:03:18,880 --> 01:03:16,000

wrangled this whole you know secret UFO

1582

01:03:22,570 --> 01:03:18,890

program but my question is is number one

1583

01:03:24,190 --> 01:03:22,580

he was putting up hotels and casinos and

1584

01:03:26,140 --> 01:03:24,200

he's only worth a billion dollars that's

1585

01:03:27,250 --> 01:03:26,150

chump change and that you know era you

1586

01:03:29,800 --> 01:03:27,260

know why isn't he worth a hundred

1587

01:03:31,120 --> 01:03:29,810

billion dollars and number two and I

1588

01:03:33,220 --> 01:03:31,130

don't expect you to know that answer but

1589

01:03:35,020 --> 01:03:33,230

you know I mean could he really put

1590

01:03:37,000 --> 01:03:35,030

space stations up in orbit

1591

01:03:38,380 --> 01:03:37,010

I mean without us knowing about or would

1592

01:03:40,390 --> 01:03:38,390

the government let him put his own

1593

01:03:43,390 --> 01:03:40,400

private well he's already put up a

1594

01:03:45,940 --> 01:03:43,400

couple now he had to get the at that

1595

01:03:48,310 --> 01:03:45,950

time again my understanding was and a

1596

01:03:49,900 --> 01:03:48,320

lot of this is pretty pretty hazy NASA

1597

01:03:51,940 --> 01:03:49,910

wasn't cooperating so he went to the

1598

01:03:54,520 --> 01:03:51,950

Russians and he put these modules up and

1599

01:03:57,250 --> 01:03:54,530

they were part of the reason was to try

1600

01:03:59,740 --> 01:03:57,260

and monitor UFOs and so forth into space

1601

01:04:01,600 --> 01:03:59,750

and for a while he even had some kind of

1602

01:04:03,790 --> 01:04:01,610

it's not going on anymore he had some

1603

01:04:06,760 --> 01:04:03,800

kind of an agreement working agreement

1604

01:04:07,840 --> 01:04:06,770

with MUFON the mutual UFO network okay

1605

01:04:10,210 --> 01:04:07,850

so I don't know I don't know where that

1606

01:04:13,630 --> 01:04:10,220

stands now but he said he wants to put

1607

01:04:15,370 --> 01:04:13,640

hotels private hotels up into space and

1608

01:04:17,590 --> 01:04:15,380

now NASA he's working with NASA they

1609

01:04:19,530 --> 01:04:17,600

seem to love him and you know it's it's

1610

01:04:21,700 --> 01:04:19,540

the same old story you know sometimes

1611

01:04:23,470 --> 01:04:21,710

government does find to a certain point

1612

01:04:26,050 --> 01:04:23,480

but you get the private sector in there

1613

01:04:28,400 --> 01:04:26,060

and they go crazy but it's interesting

1614

01:04:31,489 --> 01:04:28,410

you mentioned that 22 million

1615

01:04:33,680 --> 01:04:31,499

you know George Knapp who George Knapp

1616

01:04:36,979 --> 01:04:33,690

came in isn't he knows Bigelow

1617

01:04:38,390 --> 01:04:36,989

personally in George who is an

1618

01:04:42,259 --> 01:04:38,400

investigative reporter out of Las Vegas

1619

01:04:44,870 --> 01:04:42,269

he does the Sunday show sometimes on

1620

01:04:46,910 --> 01:04:44,880

coast to coast am right he co-wrote the

1621

01:04:49,279 --> 01:04:46,920

book with column Kelleher the hunt for

1622

01:04:51,700 --> 01:04:49,289

the skinwalker and that is about the

1623

01:04:54,079 --> 01:04:51,710

ranch in Utah of course that Bigelow

1624

01:04:57,049 --> 01:04:54,089

purchased that had all kinds of weird

1625

01:04:59,059 --> 01:04:57,059

stuff going on and purchased and set up

1626

01:05:01,700 --> 01:04:59,069

the National Institute for discovery

1627

01:05:03,859 --> 01:05:01,710

science which I think disbanded about

1628

01:05:05,809 --> 01:05:03,869

2004 started about he people ought to

1629

01:05:07,430 --> 01:05:05,819

ranch back in 95 then was the ranch

1630

01:05:09,859 --> 01:05:07,440

already kind of hunted when he bought

1631

01:05:13,160 --> 01:05:09,869

was going nuts it was there the people

1632

01:05:15,589 --> 01:05:13,170

on the schurmans were going crazy and

1633

01:05:19,210 --> 01:05:15,599

one of the first paranormal investigator

1634

01:05:22,609 --> 01:05:19,220

they enlisted aid of was Chris O'Brien

1635

01:05:25,130 --> 01:05:22,619

has been on the show before and he

1636

01:05:27,559 --> 01:05:25,140

himself has investigated the San Luis

1637

01:05:30,680 --> 01:05:27,569

Valley which is what the southern

1638

01:05:33,979 --> 01:05:30,690

Colorado and northern New Mexico is that

1639

01:05:35,660 --> 01:05:33,989

correct the UFOs out there like every

1640

01:05:37,370 --> 01:05:35,670

day they see them so routinely they

1641

01:05:38,569 --> 01:05:37,380

don't even bother to report them any and

1642

01:05:39,890 --> 01:05:38,579

I guess there still has been a lot of

1643

01:05:43,150 --> 01:05:39,900

that's the biggest headache on the

1644

01:05:46,999 --> 01:05:43,160

skinwalker ranch or the Bigelow ranch is

1645

01:05:48,890 --> 01:05:47,009

people trying to trespass and right for

1646

01:05:50,390 --> 01:05:48,900

a thrill or whatever what some of the

1647

01:05:52,519 --> 01:05:50,400

things they see out there I mean did

1648

01:05:55,190 --> 01:05:52,529

they see more than UFOs oh my god

1649

01:05:57,200 --> 01:05:55,200

they've had bizarre they've had animal

1650

01:05:59,089 --> 01:05:57,210

mutilations they've seen these giant

1651

01:06:01,160 --> 01:05:59,099

black triangles and some of them coming

1652

01:06:04,789 --> 01:06:01,170

out of what seems like a hole in the sky

1653

01:06:07,910 --> 01:06:04,799

we've had all kinds of orbs blue orbs

1654

01:06:09,400 --> 01:06:07,920

orange orbs that seem actually the way

1655

01:06:12,190 --> 01:06:09,410

they move around sometimes almost

1656

01:06:15,559 --> 01:06:12,200

implies that they might be intelligent

1657

01:06:18,789 --> 01:06:15,569

they they've seen creatures just bizarre

1658

01:06:21,140 --> 01:06:18,799

creatures they don't fit any any any

1659

01:06:23,180 --> 01:06:21,150

rationale that you won't find them in

1660

01:06:26,900 --> 01:06:23,190

the National Geographic magazine let's

1661

01:06:29,180 --> 01:06:26,910

put it that way okay so it's it was it

1662

01:06:30,499 --> 01:06:29,190

was like a laboratory it was it was

1663

01:06:32,660 --> 01:06:30,509

would have been fascinating to be there

1664

01:06:35,029 --> 01:06:32,670

but the problem is that the the

1665

01:06:37,549 --> 01:06:35,039

scientists when they got there and some

1666

01:06:40,110 --> 01:06:37,559

of them they weren't there all the time

1667

01:06:42,750 --> 01:06:40,120

24/7 sometimes they were

1668

01:06:45,060 --> 01:06:42,760

they documented I don't remember the

1669

01:06:47,970 --> 01:06:45,070

exact number I think it was over 200

1670

01:06:51,240 --> 01:06:47,980

separate paranormal incidents and none

1671

01:06:53,100 --> 01:06:51,250

of them were repeated so how how in the

1672

01:06:56,220 --> 01:06:53,110

hell do you apply the scientific method

1673

01:06:57,960 --> 01:06:56,230

to that right but I wanna mention one

1674

01:07:01,140 --> 01:06:57,970

year the while they were there how long

1675

01:07:03,510 --> 01:07:01,150

were they there was that 95 to 2004

1676

01:07:04,980 --> 01:07:03,520

right okay and you say it still goes on

1677

01:07:06,030 --> 01:07:04,990

these days right yes that's why I

1678

01:07:07,650 --> 01:07:06,040

understand there are other people there

1679

01:07:08,730 --> 01:07:07,660

there have been this Ryan Skinner was a

1680

01:07:10,740 --> 01:07:08,740

guy who's written some books

1681

01:07:14,010 --> 01:07:10,750

he actually trespassed a couple times

1682

01:07:18,120 --> 01:07:14,020

there's another it he had some bizarre

1683

01:07:20,910 --> 01:07:18,130

experiences of course he claims seeing

1684

01:07:23,790 --> 01:07:20,920

one of these orbs turned into a wolf oh

1685

01:07:25,680 --> 01:07:23,800

wow there's actually in the literature

1686

01:07:27,540 --> 01:07:25,690

there's a lot of strange there are other

1687

01:07:29,160 --> 01:07:27,550

instances where people see these orb

1688

01:07:31,860 --> 01:07:29,170

things and they become something else

1689

01:07:33,780 --> 01:07:31,870

for rights rights right there are people

1690

01:07:35,250 --> 01:07:33,790

that have stood night vigils in the

1691

01:07:37,530 --> 01:07:35,260

general city it's not just the ranch

1692

01:07:41,010 --> 01:07:37,540

that's crazy if you if you go back in

1693

01:07:42,990 --> 01:07:41,020

fact a few decades there was a book

1694

01:07:46,200 --> 01:07:43,000

written called the Utah UFO display

1695

01:07:49,950 --> 01:07:46,210

written by Frank Salisbury in Frank's

1696

01:07:52,110 --> 01:07:49,960

Aylesbury got in touch with a local high

1697

01:07:54,690 --> 01:07:52,120

school teacher named jr. Hicks who had

1698

01:07:55,200 --> 01:07:54,700

cataloged it was like a Grand Central

1699

01:07:57,840 --> 01:07:55,210

Station

1700

01:08:00,210 --> 01:07:57,850

of flying saucers and landings and so

1701

01:08:03,420 --> 01:08:00,220

forth in that area in that general area

1702

01:08:05,250 --> 01:08:03,430

prior to the all the hullabaloo over the

1703

01:08:07,230 --> 01:08:05,260

skinwalker ranch run it looks still

1704

01:08:09,060 --> 01:08:07,240

available and if you you open the page

1705

01:08:10,740 --> 01:08:09,070

to all that you know it's it's like I

1706

01:08:12,170 --> 01:08:10,750

say Grand Central Station it's not like

1707

01:08:14,070 --> 01:08:12,180

one type of craft there's dozens

1708

01:08:16,050 --> 01:08:14,080

brilliant type of craft that have been

1709

01:08:18,030 --> 01:08:16,060

seen there for decades so it's been a

1710

01:08:19,230 --> 01:08:18,040

hot spot forever the most fascinating

1711

01:08:21,180 --> 01:08:19,240

thing about that is that they never

1712

01:08:23,370 --> 01:08:21,190

repeated that for some reason that is

1713

01:08:25,950 --> 01:08:23,380

that's that's very interesting you know

1714

01:08:28,860 --> 01:08:25,960

it implies that something is going on

1715

01:08:30,870 --> 01:08:28,870

there which the other side is kind of

1716

01:08:32,340 --> 01:08:30,880

yank an eye chain a little bit well you

1717

01:08:34,320 --> 01:08:32,350

mentioned that 20 to a million in that

1718

01:08:35,940 --> 01:08:34,330

the funding dried up well there's a

1719

01:08:38,640 --> 01:08:35,950

couple things there according to George

1720

01:08:40,980 --> 01:08:38,650

Knapp is that the they were still doing

1721

01:08:43,920 --> 01:08:40,990

the investigation they had personnel

1722

01:08:45,270 --> 01:08:43,930

that were already part of the the

1723

01:08:47,730 --> 01:08:45,280

government or the you know the

1724

01:08:50,430 --> 01:08:47,740

governmental department and they would

1725

01:08:53,260 --> 01:08:50,440

would do their regular duties but they

1726

01:08:56,470 --> 01:08:53,270

would still go out

1727

01:08:58,479 --> 01:08:56,480

and do you know UFO investigations Knapp

1728

01:09:00,579 --> 01:08:58,489

was actually George Knapp that is the

1729

01:09:02,559 --> 01:09:00,589

investigative reporter out of Las Vegas

1730

01:09:05,470 --> 01:09:02,569

he was actually pretty too a lot of this

1731

01:09:06,939 --> 01:09:05,480

early but he earlier on but he didn't

1732

01:09:09,549 --> 01:09:06,949

have the green light to talk about it

1733

01:09:11,890 --> 01:09:09,559

yet but he said that they had he said it

1734

01:09:13,899 --> 01:09:11,900

with some of the reports that have come

1735

01:09:16,089 --> 01:09:13,909

out have said that they stopped funding

1736

01:09:17,950 --> 01:09:16,099

it because they it wasn't doing any good

1737

01:09:20,189 --> 01:09:17,960

they weren't finding anything right

1738

01:09:22,479 --> 01:09:20,199

and and did you talk earlier about the

1739

01:09:26,379 --> 01:09:22,489

one of the reasons they were doing this

1740

01:09:27,760 --> 01:09:26,389

is not to look for et but they were at

1741

01:09:30,760 --> 01:09:27,770

least some people were recognizing that

1742

01:09:32,680 --> 01:09:30,770

whatever the hell this is is some kind

1743

01:09:35,499 --> 01:09:32,690

of a very high technology that

1744

01:09:37,329 --> 01:09:35,509

apparently we don't have and so you know

1745

01:09:39,220 --> 01:09:37,339

they want it they want to see if we can

1746

01:09:41,680 --> 01:09:39,230

figure out what it is who it is and

1747

01:09:42,910 --> 01:09:41,690

emulate it how can we get a hold of it

1748

01:09:45,430 --> 01:09:42,920

right yeah I mean when we were talking

1749

01:09:47,680 --> 01:09:45,440

earlier about how X went to this you

1750

01:09:49,930 --> 01:09:47,690

have this forum where they the problem

1751

01:09:51,819 --> 01:09:49,940

given to him the military the State

1752

01:09:53,649 --> 01:09:51,829

Department so on and so forth was what

1753

01:09:55,419 --> 01:09:53,659

would happen if a UFO

1754

01:09:57,010 --> 01:09:55,429

you know landed in the State Department

1755

01:09:59,229 --> 01:09:57,020

had a long dissertation about how we'd

1756

01:10:00,669 --> 01:09:59,239

have to be kumbaya whoever it is the

1757

01:10:02,109 --> 01:10:00,679

scientific community want to know what

1758

01:10:04,600 --> 01:10:02,119

it was made of in the military just came

1759

01:10:06,339 --> 01:10:04,610

up and said does it have any weapons and

1760

01:10:08,740 --> 01:10:06,349

how can we get our hands on them that's

1761

01:10:11,350 --> 01:10:08,750

all I cared about you know and the the

1762

01:10:13,330 --> 01:10:11,360

the ten of the program is a little

1763

01:10:16,660 --> 01:10:13,340

interesting or a lot interesting to me

1764

01:10:18,790 --> 01:10:16,670

advanced aerospace threat identification

1765

01:10:22,299 --> 01:10:18,800

program core isn't it strange they put

1766

01:10:24,879 --> 01:10:22,309

in the word threat no because everything

1767

01:10:27,430 --> 01:10:24,889

that is evaluated that way your from the

1768

01:10:29,410 --> 01:10:27,440

from the standpoint of the military from

1769

01:10:31,600 --> 01:10:29,420

the Department of Defense is from a

1770

01:10:32,830 --> 01:10:31,610

security basis so no that doesn't

1771

01:10:36,280 --> 01:10:32,840

surprise me that you would view

1772

01:10:39,640 --> 01:10:36,290

everything as just like you talked about

1773

01:10:42,189 --> 01:10:39,650

with X's working group that he was on

1774

01:10:43,810 --> 01:10:42,199

the military's view was what kind of a

1775

01:10:45,549 --> 01:10:43,820

threat is it and how can we harness that

1776

01:10:48,520 --> 01:10:45,559

technology how can we harvest it how can

1777

01:10:50,049 --> 01:10:48,530

we graft onto it and use it right I mean

1778

01:10:51,819 --> 01:10:50,059

the chances are and if this thing you

1779

01:10:53,859 --> 01:10:51,829

know is the explosion we're thinking it

1780

01:10:56,979 --> 01:10:53,869

is the chances are that they're from

1781

01:10:59,049 --> 01:10:56,989

some other planet you know is there who

1782

01:11:00,280 --> 01:10:59,059

knows what the chances are there's also

1783

01:11:02,799 --> 01:11:00,290

a good chance there from other

1784

01:11:04,750 --> 01:11:02,809

dimensions there from other time periods

1785

01:11:05,649 --> 01:11:04,760

there from someplace else that we don't

1786

01:11:08,259 --> 01:11:05,659

even understand

1787

01:11:10,870 --> 01:11:08,269

what you know and I think Emily should

1788

01:11:13,179 --> 01:11:10,880

jump in on this one but we are answering

1789

01:11:14,830 --> 01:11:13,189

this based on the reality or the

1790

01:11:17,859 --> 01:11:14,840

dimensions that we are most comfortable

1791

01:11:20,919 --> 01:11:17,869

with if you were to take somebody who's

1792

01:11:22,330 --> 01:11:20,929

never seen flight you know living in a

1793

01:11:24,850 --> 01:11:22,340

jungle someplace and show all these

1794

01:11:26,859 --> 01:11:24,860

tremendous things they cannot you know

1795

01:11:28,779 --> 01:11:26,869

they're not using it as a unit of

1796

01:11:31,239 --> 01:11:28,789

measure or an evaluation of what's going

1797

01:11:33,549 --> 01:11:31,249

on around them if you're if you

1798

01:11:36,689 --> 01:11:33,559

understand Space Flight you have a

1799

01:11:39,850 --> 01:11:36,699

another part of it we think of you know

1800

01:11:41,589 --> 01:11:39,860

physics propulsion and going as fast as

1801
01:11:45,250 --> 01:11:41,599
we possibly can as a way to get around

1802
01:11:47,520 --> 01:11:45,260
there is most likely other technologies

1803
01:11:49,659 --> 01:11:47,530
out there that allows you to do what

1804
01:11:51,909 --> 01:11:49,669
theoretical physicists are pointing

1805
01:11:54,909 --> 01:11:51,919
towards which is folding time and space

1806
01:11:56,500 --> 01:11:54,919
these incredible distances right and

1807
01:11:58,750 --> 01:11:56,510
then when you think about that when you

1808
01:12:00,159 --> 01:11:58,760
hear stuff and it you know switch is not

1809
01:12:02,040 --> 01:12:00,169
the only one that's talked about it the

1810
01:12:05,409 --> 01:12:02,050
hole that opens up in the sky and

1811
01:12:07,830 --> 01:12:05,419
aircraft or some kind of spacecraft or

1812
01:12:10,540 --> 01:12:07,840
something comes flying out of it

1813
01:12:12,429 --> 01:12:10,550

transforming and changing the the shapes

1814

01:12:14,830 --> 01:12:12,439

of things as you see it perceive it

1815

01:12:17,560 --> 01:12:14,840

going on that's all over the Bible and

1816

01:12:21,909 --> 01:12:17,570

we act like oh you know this is you know

1817

01:12:23,859 --> 01:12:21,919

this those can't be no we we continue to

1818

01:12:25,299 --> 01:12:23,869

define the world as we see it based on

1819

01:12:27,850 --> 01:12:25,309

what we're seeing right they said

1820

01:12:31,810 --> 01:12:27,860

someone said that it's like if someone

1821

01:12:34,689 --> 01:12:31,820

had given you know da Vinci a garage

1822

01:12:37,120 --> 01:12:34,699

door opener he'd be fascinated by the

1823

01:12:39,159 --> 01:12:37,130

plastic right you know what I mean he

1824

01:12:41,919 --> 01:12:39,169

the whole idea of what it does where the

1825

01:12:47,790 --> 01:12:41,929

garage is and so way would be just all

1826

01:12:50,310 --> 01:12:47,800

beyond him he'd be the material you know

1827

01:12:53,949 --> 01:12:50,320

Emily what do you think about all this

1828

01:12:55,629 --> 01:12:53,959

wow I look I love that analogy you gave

1829

01:13:01,239 --> 01:12:55,639

to Vinci a garage door apprentice a

1830

01:13:03,520 --> 01:13:01,249

plastic right now I yeah I mean I think

1831

01:13:06,429 --> 01:13:03,530

that kind of speaks to the whole UFO

1832

01:13:08,169 --> 01:13:06,439

phenomenon is we don't a lot of the

1833

01:13:10,629 --> 01:13:08,179

things that are seen I mean they're

1834

01:13:13,359 --> 01:13:10,639

unidentified we don't know what they are

1835

01:13:16,540 --> 01:13:13,369

we can't put it into the context of oh

1836

01:13:18,879 --> 01:13:16,550

that's a vehicle from outer space I mean

1837

01:13:19,270 --> 01:13:18,889

it may be it may not be we just we just

1838

01:13:23,680 --> 01:13:19,280

don't know

1839

01:13:25,840 --> 01:13:23,690

technology yet right right and you know

1840

01:13:27,880 --> 01:13:25,850

it's like how animals look at the world

1841

01:13:29,950 --> 01:13:27,890

- you know how they say dogs are about

1842

01:13:33,370 --> 01:13:29,960

you know on the intelligence level of a

1843

01:13:35,080 --> 01:13:33,380

seven-year-old they you know they know

1844

01:13:36,790 --> 01:13:35,090

what when it's time to eat when it's

1845

01:13:38,680 --> 01:13:36,800

time to go for a walk when it's time to

1846

01:13:40,420 --> 01:13:38,690

bike and whatnot yeah but they look at

1847

01:13:43,150 --> 01:13:40,430

our world in a certain way we look at

1848

01:13:44,860 --> 01:13:43,160

how a world in a certain way but there's

1849

01:13:46,660 --> 01:13:44,870

things that dogs can't understand they

1850

01:13:49,090 --> 01:13:46,670

can't understand how an airplane flies

1851

01:13:51,400 --> 01:13:49,100

or a train runs and there's there's got

1852

01:13:52,960 --> 01:13:51,410

to be stuff that we can't understand we

1853

01:13:54,100 --> 01:13:52,970

might see it you know what's around us

1854

01:13:57,100 --> 01:13:54,110

all the time but we just don't

1855

01:14:00,690 --> 01:13:57,110

understand it and you know maybe now

1856

01:14:02,950 --> 01:14:00,700

we're just like you know on the brink of

1857

01:14:04,600 --> 01:14:02,960

finding out what all this kind of

1858

01:14:06,250 --> 01:14:04,610

strange stuff isn't going back to what

1859

01:14:08,140 --> 01:14:06,260

Steve was talking about these hotspots

1860

01:14:09,820 --> 01:14:08,150

st. Louis Valley is certainly one of

1861

01:14:12,520 --> 01:14:09,830

them where they have UFO was they see

1862

01:14:14,440 --> 01:14:12,530

Bigfoot they see flying humans they see

1863

01:14:16,510 --> 01:14:14,450

you know airplanes disappearing and

1864

01:14:19,000 --> 01:14:16,520

stuff like that all these very strange

1865

01:14:20,890 --> 01:14:19,010

things going on and one kind of

1866

01:14:23,080 --> 01:14:20,900

concentrated area st. Louis Valley is

1867

01:14:25,930 --> 01:14:23,090

one skinwalker enhances the other Steve

1868

01:14:28,270 --> 01:14:25,940

is are there any air bases are there any

1869

01:14:30,730 --> 01:14:28,280

military bases around skin walking

1870

01:14:32,560 --> 01:14:30,740

around so the Bigelow ranch you know I

1871

01:14:34,720 --> 01:14:32,570

can't tell you which one it is but that

1872

01:14:37,270 --> 01:14:34,730

that's a kind of a consistent thing and

1873

01:14:39,670 --> 01:14:37,280

in most cases you do find some kind of a

1874

01:14:42,280 --> 01:14:39,680

military presence at least in the

1875

01:14:44,910 --> 01:14:42,290

general vicinity right right certainly

1876

01:14:47,110 --> 01:14:44,920

the same we Valley I think has five

1877

01:14:49,060 --> 01:14:47,120

military bases around you know

1878

01:14:50,620 --> 01:14:49,070

surrounding it and it's Chris O'Brien

1879

01:14:52,930 --> 01:14:50,630

who came up with the definition of a

1880

01:14:55,660 --> 01:14:52,940

hotspot that was one of them was that

1881

01:14:58,800 --> 01:14:55,670

it's usually within you know hiking

1882

01:15:02,710 --> 01:14:58,810

distance of some kind of military base

1883

01:15:04,810 --> 01:15:02,720

right you know earlier Matthew mentioned

1884

01:15:08,650 --> 01:15:04,820

that the 22 million and how everything

1885

01:15:10,990 --> 01:15:08,660

dried up but and of course we could just

1886

01:15:16,200 --> 01:15:11,000

mention that if the program was still

1887

01:15:19,000 --> 01:15:16,210

going on and the claim but some of the

1888

01:15:20,710 --> 01:15:19,010

the mainstream news media said well they

1889

01:15:21,670 --> 01:15:20,720

quit it because they weren't nothing

1890

01:15:23,410 --> 01:15:21,680

much was going on

1891

01:15:25,510 --> 01:15:23,420

well according to George Knapp who was

1892

01:15:28,240 --> 01:15:25,520

again it was privy to a lot of his stuff

1893

01:15:32,170 --> 01:15:28,250

earlier he said there were a dozens of

1894

01:15:32,800 --> 01:15:32,180

reports they generated some reports for

1895

01:15:36,700 --> 01:15:32,810

several

1896

01:15:38,890 --> 01:15:36,710

pages he saw one that was 490 pages you

1897

01:15:41,170 --> 01:15:38,900

don't get 490 pages out of nothing or

1898

01:15:44,920 --> 01:15:41,180

nothing unless you find him who was

1899

01:15:47,110 --> 01:15:44,930

telling him to hold off Bigelow and the

1900

01:15:49,000 --> 01:15:47,120

board that there was another there was

1901

01:15:52,090 --> 01:15:49,010

an trimmers name it was an astronaut

1902

01:15:54,910 --> 01:15:52,100

that was you know a guy had been on the

1903

01:15:57,610 --> 01:15:54,920

moon and it was also was a congressman

1904

01:15:59,290 --> 01:15:57,620

but yeah I can't think of his name but

1905

01:16:01,030 --> 01:15:59,300

yep so he was he was actually sitting on

1906

01:16:02,410 --> 01:16:01,040

this board and there were certain things

1907

01:16:04,090 --> 01:16:02,420

he couldn't know about there were

1908

01:16:07,420 --> 01:16:04,100

certain things he was able to know about

1909

01:16:09,490 --> 01:16:07,430

but just glad you keep you know keep his

1910

01:16:11,740 --> 01:16:09,500

lip buttoned until the until the right

1911

01:16:13,120 --> 01:16:11,750

time well and now we're assuming is the

1912

01:16:14,860 --> 01:16:13,130

right time there was a direct connection

1913

01:16:17,430 --> 01:16:14,870

between this board know stuff he was

1914

01:16:21,160 --> 01:16:17,440

seen with this program that was going on

1915

01:16:23,950 --> 01:16:21,170

yes they were and in fact one of the

1916

01:16:26,740 --> 01:16:23,960

really bizarre things was is that some

1917

01:16:30,250 --> 01:16:26,750

of this money Bigelow spent on on

1918

01:16:33,100 --> 01:16:30,260

rebuilding and setting up buildings that

1919

01:16:37,210 --> 01:16:33,110

to house get this I forget the exact

1920

01:16:40,230 --> 01:16:37,220

wording but material that supposedly has

1921

01:16:41,410 --> 01:16:40,240

come from some of these objects

1922

01:16:43,390 --> 01:16:41,420

implication

1923

01:16:45,520 --> 01:16:43,400

you know we again there's this there's a

1924

01:16:46,630 --> 01:16:45,530

big veil of secrecy here but I don't

1925

01:16:47,800 --> 01:16:46,640

know if he's talking about crashed

1926

01:16:49,570 --> 01:16:47,810

objects or maybe

1927

01:16:52,090 --> 01:16:49,580

yep with all the weird stuff going on on

1928

01:16:54,850 --> 01:16:52,100

a skinwalker ranch maybe some stuff from

1929

01:16:56,740 --> 01:16:54,860

there but that's uh that's pretty

1930

01:16:57,940 --> 01:16:56,750

intriguing I gotta throw this next

1931

01:16:59,920 --> 01:16:57,950

question to Cobra it would be

1932

01:17:01,930 --> 01:16:59,930

interesting is once again I'm of the

1933

01:17:03,820 --> 01:17:01,940

opinion that the US government they know

1934

01:17:05,800 --> 01:17:03,830

your foes exist they might even have

1935

01:17:07,270 --> 01:17:05,810

pieces of UFOs but I don't think they

1936

01:17:09,790 --> 01:17:07,280

know where they're from I don't think

1937

01:17:11,170 --> 01:17:09,800

they know what their origin is but I'm

1938

01:17:13,180 --> 01:17:11,180

gonna throw it back take over and I'm

1939

01:17:15,880 --> 01:17:13,190

just to suck all the funny out of the

1940

01:17:18,550 --> 01:17:15,890

room is there any chance cobra that this

1941

01:17:20,410 --> 01:17:18,560

is just some \$22 22 million dollar

1942

01:17:22,960 --> 01:17:20,420

boondoggle between harry reid and his

1943

01:17:24,580 --> 01:17:22,970

buddy Bigelow to basically grease them

1944

01:17:28,090 --> 01:17:24,590

you know that stuff goes on all the time

1945

01:17:30,580 --> 01:17:28,100

in Washington I'm gonna suck some of it

1946

01:17:32,850 --> 01:17:30,590

there is no doubt in my mind that some

1947

01:17:37,830 --> 01:17:32,860

of the money that went to Bigelow

1948

01:17:41,020 --> 01:17:37,840

boondoggle his technology is is

1949

01:17:43,570 --> 01:17:41,030

interesting he's got this pop-up Space

1950

01:17:46,629 --> 01:17:43,580

Station aperture thing that he wants to

1951

01:17:48,129 --> 01:17:46,639

do I think he's

1952

01:17:49,810 --> 01:17:48,139

probably doing some good work I don't

1953

01:17:52,089 --> 01:17:49,820

know the man I don't know a lot of the

1954

01:17:54,219 --> 01:17:52,099

technology associated with but just the

1955

01:17:56,500 --> 01:17:54,229

players that are involved with this and

1956

01:17:58,179 --> 01:17:56,510

the amount of money that's there and the

1957

01:18:00,339 --> 01:17:58,189

process of being the you know black

1958

01:18:05,529 --> 01:18:00,349

program and no oversight and that stuff

1959

01:18:07,959 --> 01:18:05,539

going on that's that doesn't something

1960

01:18:10,209 --> 01:18:07,969

doesn't seem correct but just like a

1961

01:18:13,389 --> 01:18:10,219

broken clock is Right twice twice a day

1962

01:18:15,339 --> 01:18:13,399

doesn't mean that him being attached to

1963

01:18:17,290 --> 01:18:15,349

this or having some kind of involvement

1964

01:18:20,859 --> 01:18:17,300

that it's wrong or it's not indicated

1965

01:18:22,750 --> 01:18:20,869

but they look and in that it's that

1966

01:18:24,489 --> 01:18:22,760

there's something afoot or there's

1967

01:18:26,819 --> 01:18:24,499

something getting prepared like

1968

01:18:28,779 --> 01:18:26,829

point.this they do this all the time

1969

01:18:30,219 --> 01:18:28,789

there's nothing to see at the Space

1970

01:18:34,270 --> 01:18:30,229

Shuttle but the astronaut puts his hand

1971

01:18:36,909 --> 01:18:34,280

over the lens the all the files for the

1972

01:18:39,040 --> 01:18:36,919

from the JFK we talked about JFK

1973

01:18:41,259 --> 01:18:39,050

assassination can be released except for

1974

01:18:44,319 --> 01:18:41,269

the stuff that the CIA by name called

1975

01:18:48,790 --> 01:18:44,329

out does not want released right this

1976

01:18:50,830 --> 01:18:48,800

goes on its Bigelow a herring in this or

1977

01:18:53,979 --> 01:18:50,840

not I don't know but I'm telling you

1978

01:18:56,259 --> 01:18:53,989

that nothing nothing works the way it

1979

01:18:58,569 --> 01:18:56,269

used to nothing is mm-hmm you know

1980

01:19:00,310 --> 01:18:58,579

bonafide fact how these reporters got

1981

01:19:03,609 --> 01:19:00,320

the story I'd love to hear the story of

1982

01:19:05,859 --> 01:19:03,619

how this all clicked what I know and why

1983

01:19:07,719 --> 01:19:05,869

the times why not my god times hasn't

1984

01:19:10,959 --> 01:19:07,729

been interested in this in almost a

1985

01:19:12,909 --> 01:19:10,969

decade yeah now the times has the most

1986

01:19:14,770 --> 01:19:12,919

breaking news that's that that's going

1987

01:19:16,330 --> 01:19:14,780

on but here's the interesting thing

1988

01:19:17,919 --> 01:19:16,340

about that and I know this only because

1989

01:19:20,739 --> 01:19:17,929

I was in the journalism business for a

1990

01:19:24,279 --> 01:19:20,749

while and the PR biz is that

1991

01:19:26,819 --> 01:19:24,289

after next week after after Sunday after

1992

01:19:29,620 --> 01:19:26,829

Christmas okay the week between

1993

01:19:32,409 --> 01:19:29,630

Christmas and New Year's is the dead

1994

01:19:35,919 --> 01:19:32,419

zone when it comes to new stories and

1995

01:19:37,479 --> 01:19:35,929

publicity everyone is on vacation no big

1996

01:19:40,089 --> 01:19:37,489

news stories break unless something you

1997

01:19:41,979 --> 01:19:40,099

know catastrophic happens it's hard to

1998

01:19:43,089 --> 01:19:41,989

get press releases published and so on

1999

01:19:45,399 --> 01:19:43,099

and so forth because everyone's

2000

01:19:48,790 --> 01:19:45,409

basically you know on vacation on

2001

01:19:51,399 --> 01:19:48,800

haunting on holiday right so you'll be

2002

01:19:53,620 --> 01:19:51,409

interesting if well be interesting why

2003

01:19:56,169 --> 01:19:53,630

they didn't if the plan was to kind of

2004

01:19:58,330 --> 01:19:56,179

you know put it out to I was a drip by

2005

01:20:00,040 --> 01:19:58,340

drip be interesting why they didn't do

2006

01:20:02,830 --> 01:20:00,050

it laughs and next week

2007

01:20:05,140 --> 01:20:02,840

okay or do they want to come out with it

2008

01:20:06,700 --> 01:20:05,150

and knowing that next week the stories

2009

01:20:10,120 --> 01:20:06,710

you know there's a good chance the story

2010

01:20:11,980 --> 01:20:10,130

is going to go away just how the media

2011

01:20:14,020 --> 01:20:11,990

handles it and you're right the why the

2012

01:20:16,570 --> 01:20:14,030

New York Times you know I mean of all

2013

01:20:18,610 --> 01:20:16,580

the of all the newspapers to go with

2014

01:20:20,140 --> 01:20:18,620

this they seem the most but they're the

2015

01:20:21,850 --> 01:20:20,150

most believable you know what I mean

2016

01:20:23,620 --> 01:20:21,860

even though they're not a very good

2017

01:20:25,270 --> 01:20:23,630

newspaper here they came out in the New

2018

01:20:28,210 --> 01:20:25,280

York Post or one of these kind of

2019

01:20:30,220 --> 01:20:28,220

tabloid things people would tend to not

2020

01:20:32,260 --> 01:20:30,230

to have believed it but you know some

2021

01:20:34,660 --> 01:20:32,270

reason the other time you know puts the

2022

01:20:36,970 --> 01:20:34,670

step of you know the quality stamp on it

2023

01:20:38,710 --> 01:20:36,980

I think we're gonna go through a break

2024

01:20:40,420 --> 01:20:38,720

very soon but hey listen Emily I want to

2025

01:20:41,950 --> 01:20:40,430

ask you we gotta bring this up in the

2026

01:20:43,390 --> 01:20:41,960

next segment and we're also want to talk

2027

01:20:45,580 --> 01:20:43,400

about as where is everyone else these

2028

01:20:47,080 --> 01:20:45,590

two f-18 fighter pilots came out and

2029

01:20:49,210 --> 01:20:47,090

they gave really good descriptions and

2030

01:20:52,090 --> 01:20:49,220

really good interviews backed up by the

2031

01:20:53,260 --> 01:20:52,100

video the HUD video but where is

2032

01:20:55,090 --> 01:20:53,270

everyone else we'll talk about that in

2033

01:20:56,680 --> 01:20:55,100

the other segment but Emily this this is

2034

01:20:59,980 --> 01:20:56,690

not the first program that the US

2035

01:21:04,270 --> 01:20:59,990

government had put together to look into

2036

01:21:06,880 --> 01:21:04,280

UFOs right oh not at all what were the

2037

01:21:12,240 --> 01:21:06,890

other ones oh do we have time before the

2038

01:21:18,850 --> 01:21:16,120

alright I'll talk fast so yes there were

2039

01:21:21,070 --> 01:21:18,860

other programs that were started by the

2040

01:21:24,280 --> 01:21:21,080

government the Air Force specifically to

2041

01:21:27,660 --> 01:21:24,290

investigate UFO activity the first of

2042

01:21:31,390 --> 01:21:27,670

which being project sign back in 1947

2043

01:21:33,850 --> 01:21:31,400

and it was fairly short-lived ended at

2044

01:21:37,210 --> 01:21:33,860

the end of 1948 and it was was together

2045

01:21:38,620 --> 01:21:37,220

well when we go out to eat we never

2046

01:21:41,230 --> 01:21:38,630

agree on where to go

2047

01:21:43,090 --> 01:21:41,240

what burgers heats up tacos it is the

2048

01:21:45,250 --> 01:21:43,100

one thing we do agree on is we all want

2049

01:21:48,310 --> 01:21:45,260

unlimited high-speed data that's why we

2050

01:21:50,020 --> 01:21:48,320

switch to metro pcs stop by metro pcs

2051
01:21:52,390 --> 01:21:50,030
with the whole family and get four lines

2052
01:21:55,030 --> 01:21:52,400
with unlimited LTE data for just \$100

2053
01:21:56,320 --> 01:21:55,040
period metro pcs Wireless figured out

2054
01:21:57,400 --> 01:21:56,330
covers not available in some areas

2055
01:21:58,360 --> 01:21:57,410
offers for our coordinate number not

2056
01:21:59,530 --> 01:21:58,370
currently active on t-mobile network

2057
01:22:00,760 --> 01:21:59,540
during congestion the fraction of

2058
01:22:02,140 --> 01:22:00,770
customers uses more than 35 gigs per

2059
01:22:03,790 --> 01:22:02,150
month may notice reduced beats video

2060
01:22:04,960 --> 01:22:03,800
streams depth 240p no tethering ceased

2061
01:22:09,180 --> 01:22:04,970
or for details in terms and conditions

2062
01:22:15,209 --> 01:22:12,809
have another name but

2063
01:22:17,669 --> 01:22:15,219

it was started to be able to investigate

2064

01:22:20,099 --> 01:22:17,679

these sightings that you know civilians

2065

01:22:22,289 --> 01:22:20,109

well not just civilians but and military

2066

01:22:25,049 --> 01:22:22,299

personnel were reporting of seeing these

2067

01:22:27,029 --> 01:22:25,059

unidentified flying objects in the sky

2068

01:22:29,489 --> 01:22:27,039

or flying saucers flying discs what they

2069

01:22:30,929 --> 01:22:29,499

called back then UFO wasn't actually

2070

01:22:33,089 --> 01:22:30,939

coined as a term I don't think until

2071

01:22:36,559 --> 01:22:33,099

Project Blue Book

2072

01:22:39,750 --> 01:22:36,569

but basically what came out of that

2073

01:22:44,039 --> 01:22:39,760

investigation was that it was that their

2074

01:22:47,759 --> 01:22:44,049

data was inconclusive however I think it

2075

01:22:52,409 --> 01:22:47,769

was Captain Edward ruppelt my butchering

2076

01:22:54,719 --> 01:22:52,419

his name repels repels he had he had

2077

01:22:56,309 --> 01:22:54,729

come out and said that they had

2078

01:22:58,679 --> 01:22:56,319

determined that the flying saucers that

2079

01:23:01,589 --> 01:22:58,689

were being reported they were real

2080

01:23:05,009 --> 01:23:01,599

physical aircraft of some sort they were

2081

01:23:08,579 --> 01:23:05,019

not of us or Soviet origin and that they

2082

01:23:10,859 --> 01:23:08,589

were likely extraterrestrial spacecrafts

2083

01:23:14,549 --> 01:23:10,869

and apparently that report got submitted

2084

01:23:16,770 --> 01:23:14,559

to the Pentagon and the the US Air Force

2085

01:23:19,469 --> 01:23:16,780

chief of staff at the time shot that

2086

01:23:26,099 --> 01:23:19,479

down destroyed you know that report nice

2087

01:23:27,869 --> 01:23:26,109

visual and he said this is not the

2088

01:23:30,209 --> 01:23:27,879

conclusion we wanted you people through

2089

01:23:33,449 --> 01:23:30,219

come to back in go back and come to

2090

01:23:36,899 --> 01:23:33,459

another game right a couple of those

2091

01:23:39,509 --> 01:23:36,909

projects oh you were yeah

2092

01:24:10,770 --> 01:23:39,519

no you clean it with a conclusion you're

2093

01:24:12,479 --> 01:24:10,780

told to go back and listen to mommy's no

2094

01:24:13,829 --> 01:24:12,489

tracks I'll show here on the distant

2095

01:24:16,369 --> 01:24:13,839

Thunder radio network we're talking

2096

01:24:19,619 --> 01:24:16,379

about this newly released newly revealed

2097

01:24:21,149 --> 01:24:19,629

Pentagon project looking into UFOs

2098

01:24:23,729 --> 01:24:21,159

something they were telling us they

2099

01:24:25,700 --> 01:24:23,739

weren't doing for the past 30 years well

2100

01:24:28,160 --> 01:24:25,710

they lied to us they have been doing it

2101
01:24:29,420 --> 01:24:28,170
we're running it and now we're talking

2102
01:24:32,000 --> 01:24:29,430
about it so why don't we take a

2103
01:24:38,720 --> 01:24:32,010
commercial break now and we'll be right

2104
01:24:40,040 --> 01:24:38,730
back after this stay tuned I'll show

2105
01:24:42,920 --> 01:24:40,050
here on the distant Thunder radio

2106
01:24:44,720 --> 01:24:42,930
network this is valuable money got a

2107
01:24:47,030 --> 01:24:44,730
crowd of people hit the night but no one

2108
01:24:49,520 --> 01:24:47,040
won sorry girls I could be crying out

2109
01:24:51,970 --> 01:24:49,530
there he's on his own secret mission but

2110
01:24:54,890 --> 01:24:51,980
joining us is the equally famous

2111
01:24:58,570 --> 01:24:54,900
commander Cobra from his undisclosed

2112
01:25:03,110 --> 01:24:58,580
location good evening gentlemen and lady

2113
01:25:05,590 --> 01:25:03,120

and also joining us up there in the

2114

01:25:09,290 --> 01:25:05,600

disclosed location of the bowl of flakes

2115

01:25:10,790 --> 01:25:09,300

Battle Creek Michigan which why do I

2116

01:25:12,920 --> 01:25:10,800

want to call you switchboard Steve

2117

01:25:14,870 --> 01:25:12,930

what's going on switchblade Steve won

2118

01:25:20,540 --> 01:25:14,880

maybe you could just call me a snap

2119

01:25:23,229 --> 01:25:20,550

crackle and pop you know when the funny

2120

01:25:25,330 --> 01:25:23,239

legs you can always count on switchblade

2121

01:25:28,130 --> 01:25:25,340

you're doing okay up there tonight

2122

01:25:31,270 --> 01:25:28,140

really good all right what's your

2123

01:25:34,760 --> 01:25:31,280

favorite Cyril again shredded wheat I

2124

01:25:38,270 --> 01:25:34,770

can't stand sweet I grew up on readings

2125

01:25:41,030 --> 01:25:38,280

but I like that behind I'm eating some

2126
01:25:48,340 --> 01:25:41,040
kind of stuff that my doctor recommended

2127
01:25:50,750 --> 01:25:48,350
I should I have great fiber nutrition

2128
01:25:53,870 --> 01:25:50,760
sugar on your Captain Crunch if I see

2129
01:25:54,229 --> 01:25:53,880
you again that's best friend too much

2130
01:25:56,840 --> 01:25:54,239
sugar

2131
01:25:59,300 --> 01:25:56,850
anyway classing up the show Emily

2132
01:26:02,870 --> 01:25:59,310
minimizer is with us Emily M joining us

2133
01:26:06,050 --> 01:26:02,880
some Cincinnati hello there in

2134
01:26:08,660 --> 01:26:06,060
Cincinnati tonight right I am yeah kind

2135
01:26:11,830 --> 01:26:08,670
of a world traveler aren't you in your

2136
01:26:14,270 --> 01:26:11,840
other job I do I travel quite a bit

2137
01:26:16,970 --> 01:26:14,280
one of my first nights in Cincinnati and

2138
01:26:20,180 --> 01:26:16,980

quite a while okay all right another

2139

01:26:22,310 --> 01:26:20,190

show we're talking about I mean I'm

2140

01:26:24,110 --> 01:26:22,320

assuming it's another show we're talking

2141

01:26:26,150 --> 01:26:24,120

about the secret Pentagon program

2142

01:26:28,729 --> 01:26:26,160

looking at the UFOs that there was just

2143

01:26:32,750 --> 01:26:28,739

recently revealed last week it came

2144

01:26:35,920 --> 01:26:32,760

company by two perfectly edited videos

2145

01:26:39,350 --> 01:26:35,930

from the US Navy showing f-18 pilots

2146

01:26:39,800 --> 01:26:39,360

chasing these things the video is in

2147

01:26:41,000 --> 01:26:39,810

Crystal

2148

01:26:43,520 --> 01:26:41,010

Leigha but there's something out there

2149

01:26:45,110 --> 01:26:43,530

and what also convinces me is that you

2150

01:26:47,240 --> 01:26:45,120

know these pilots who you know they just

2151
01:26:48,230 --> 01:26:47,250
don't let anyone fly an f-18 these guys

2152
01:26:50,570 --> 01:26:48,240
know what they're doing

2153
01:26:52,010 --> 01:26:50,580
they've seen a lot of strange stuff they

2154
01:26:53,600 --> 01:26:52,020
know when they see something whether

2155
01:26:55,040 --> 01:26:53,610
it's Venus or another airplane or

2156
01:26:56,990 --> 01:26:55,050
whatever and when they say we didn't

2157
01:26:58,000 --> 01:26:57,000
know what this these things were and

2158
01:27:00,230 --> 01:26:58,010
they said there was a fleet of them

2159
01:27:01,940 --> 01:27:00,240
coming out of the ocean of all things

2160
01:27:03,950 --> 01:27:01,950
when they say we don't know what they

2161
01:27:06,140 --> 01:27:03,960
were and that they were from you know

2162
01:27:08,300 --> 01:27:06,150
breaking the laws of aerodynamics as we

2163
01:27:11,330 --> 01:27:08,310

know them I believe them I believe them

2164

01:27:13,910 --> 01:27:11,340

you know because they've seen it all so

2165

01:27:15,260 --> 01:27:13,920

we were just going to talk before we get

2166

01:27:17,960 --> 01:27:15,270

into the other programs that the US

2167

01:27:22,250 --> 01:27:17,970

government used to have to look into

2168

01:27:27,170 --> 01:27:22,260

UFOs this idea you know why now Cobra

2169

01:27:28,910 --> 01:27:27,180

why now and is this just you know the

2170

01:27:31,040 --> 01:27:28,920

first step is there another shoe gonna

2171

01:27:32,120 --> 01:27:31,050

drop out there do you think yes I think

2172

01:27:34,070 --> 01:27:32,130

that another shoe is gonna drop

2173

01:27:36,530 --> 01:27:34,080

I do not think it's a clean answer I

2174

01:27:37,490 --> 01:27:36,540

believe that it is multifaceted that

2175

01:27:38,840 --> 01:27:37,500

there is a certain amount of

2176

01:27:40,220 --> 01:27:38,850

disinformation in there there's a

2177

01:27:42,770 --> 01:27:40,230

certain amount of normalising or

2178

01:27:46,310 --> 01:27:42,780

socializing what's coming next I think

2179

01:27:49,340 --> 01:27:46,320

that there's a spirit of destabilizing

2180

01:27:50,840 --> 01:27:49,350

every kind of institution and foundation

2181

01:27:52,490 --> 01:27:50,850

I don't mean that as a bad thing I just

2182

01:27:55,400 --> 01:27:52,500

think that it's basically kind of a

2183

01:27:57,440 --> 01:27:55,410

cause celeb in the last few years that

2184

01:28:00,530 --> 01:27:57,450

we've we've just gone to this cycle and

2185

01:28:03,170 --> 01:28:00,540

it's also an insatiable appetite for the

2186

01:28:05,210 --> 01:28:03,180

next thing that's gonna fascinate us so

2187

01:28:06,980 --> 01:28:05,220

this big thing yeah yeah I think that's

2188

01:28:09,890 --> 01:28:06,990

a part of it I just gotta ask this and

2189

01:28:12,320 --> 01:28:09,900

just please give me a yes or no answer

2190

01:28:15,740 --> 01:28:12,330

okay is this happening because of the

2191

01:28:20,480 --> 01:28:15,750

new resident in the White House yes Wow

2192

01:28:23,000 --> 01:28:20,490

that is depressing Emily so there you go

2193

01:28:25,570 --> 01:28:23,010

okay hang on you know what just for the

2194

01:28:30,800 --> 01:28:29,030

now Emily as we were saying before in

2195

01:28:32,360 --> 01:28:30,810

the other segment this is not the first

2196

01:28:34,700 --> 01:28:32,370

time that the u.s. government has put

2197

01:28:38,000 --> 01:28:34,710

together a program you know to look at

2198

01:28:40,850 --> 01:28:38,010

UFOs and project Bluebook I know was

2199

01:28:43,970 --> 01:28:40,860

started after the Korean War and ended

2200

01:28:47,180 --> 01:28:43,980

in 1967 they said that they were looking

2201

01:28:48,860 --> 01:28:47,190

at the UFOs everyone used to think oh

2202

01:28:50,600 --> 01:28:48,870

they made it they made it appear like

2203

01:28:52,130 --> 01:28:50,610

Project Blue Book was like this big

2204

01:28:52,710 --> 01:28:52,140

building like mass or and people running

2205

01:28:54,420 --> 01:28:52,720

around

2206

01:28:58,410 --> 01:28:54,430

white coats and everything and it never

2207

01:28:59,790 --> 01:28:58,420

was more than like an f1 officer and

2208

01:29:01,800 --> 01:28:59,800

like two secretaries you know they

2209

01:29:04,910 --> 01:29:01,810

didn't really look into something it was

2210

01:29:07,920 --> 01:29:04,920

just kind of like lip service right

2211

01:29:11,160 --> 01:29:07,930

right yeah Project Blue Book was I mean

2212

01:29:14,370 --> 01:29:11,170

the the staff was very small for that

2213

01:29:16,290 --> 01:29:14,380

and it seemed like it through its

2214

01:29:18,900 --> 01:29:16,300

history cuz Blue Book was started in

2215

01:29:21,660 --> 01:29:18,910

between sign and Blue Book was project

2216

01:29:23,940 --> 01:29:21,670

grudge which lasted I think about three

2217

01:29:27,720 --> 01:29:23,950

years right and was basically used to

2218

01:29:30,330 --> 01:29:27,730

kind of debunk any you know UFO activity

2219

01:29:31,770 --> 01:29:30,340

and and basically say oh it can be

2220

01:29:33,840 --> 01:29:31,780

explained by other things it was just

2221

01:29:35,760 --> 01:29:33,850

misinterpreted by people who saw it but

2222

01:29:41,790 --> 01:29:35,770

yeah when Project Blue Book came around

2223

01:29:45,450 --> 01:29:41,800

officially in 1952 and and it was in

2224

01:29:47,490 --> 01:29:45,460

effect or active through 1969 and and

2225

01:29:49,830 --> 01:29:47,500

they did take all the reports of of

2226

01:29:52,590 --> 01:29:49,840

sightings that had happened from people

2227

01:29:56,100 --> 01:29:52,600

and it sounded like through those years

2228

01:29:57,510 --> 01:29:56,110

that that it was active that depending

2229

01:30:00,120 --> 01:29:57,520

on who was the director of the project

2230

01:30:03,300 --> 01:30:00,130

the actual investigation into these

2231

01:30:06,120 --> 01:30:03,310

sightings varied greatly from actually

2232

01:30:07,560 --> 01:30:06,130

really putting effort into investigating

2233

01:30:09,150 --> 01:30:07,570

these and trying to figure out what

2234

01:30:09,930 --> 01:30:09,160

these sightings could have been and what

2235

01:30:11,970 --> 01:30:09,940

people saw

2236

01:30:13,920 --> 01:30:11,980

- not even investigating them at all

2237

01:30:17,520 --> 01:30:13,930

just right you know being that you know

2238

01:30:18,720 --> 01:30:17,530

kind of the the public face for what

2239

01:30:21,630 --> 01:30:18,730

activity was happening and they were

2240

01:30:24,690 --> 01:30:21,640

trying to to lessen the public's

2241

01:30:26,400 --> 01:30:24,700

interest in well they did that I read

2242

01:30:27,960 --> 01:30:26,410

once that what they used to do is that

2243

01:30:29,850 --> 01:30:27,970

you know they would get all kinds of

2244

01:30:30,990 --> 01:30:29,860

reports people would send it to them and

2245

01:30:33,360 --> 01:30:31,000

what they used to do is they used to

2246

01:30:36,150 --> 01:30:33,370

like explain the ones that they could

2247

01:30:37,860 --> 01:30:36,160

already solve you don't like Venus was

2248

01:30:39,390 --> 01:30:37,870

very bright that night and it was you

2249

01:30:42,090 --> 01:30:39,400

know and probably what the person saw

2250

01:30:43,980 --> 01:30:42,100

was Venus you know you know people saw

2251

01:30:45,120 --> 01:30:43,990

you know ten lights going over the sky

2252

01:30:47,460 --> 01:30:45,130

well they found out that there were a

2253

01:30:49,620 --> 01:30:47,470

maneuvers area you know it was maneuvers

2254

01:30:51,090 --> 01:30:49,630

in that area you know at that time and

2255

01:30:53,190 --> 01:30:51,100

they say what you were saying was this

2256

01:30:54,720 --> 01:30:53,200

they they they explained the ones that

2257

01:30:57,270 --> 01:30:54,730

they already knew the answer to it the

2258

01:30:58,830 --> 01:30:57,280

ones that were unknown you know they did

2259

01:31:00,660 --> 01:30:58,840

they didn't even touch but they did say

2260

01:31:02,640 --> 01:31:00,670

when they closed it in 69 I believe they

2261

01:31:05,379 --> 01:31:02,650

did say that there was about 700 cases

2262

01:31:07,390 --> 01:31:05,389

that they could not solve and

2263

01:31:09,580 --> 01:31:07,400

and in my opinion no that's like ghost

2264

01:31:11,620 --> 01:31:09,590

if one if there's one real ghost

2265

01:31:13,629 --> 01:31:11,630

sighting than ghosts exists if there's

2266

01:31:16,419 --> 01:31:13,639

one real UFO sightings than UFOs exist

2267

01:31:18,550 --> 01:31:16,429

you know so was it around 702 so they

2268

01:31:31,629 --> 01:31:18,560

they admitted they couldn't solve right

2269

01:31:35,290 --> 01:31:31,639

I think was 701 that's a lot so they

2270

01:31:37,930 --> 01:31:35,300

were really just give when you hit 701

2271

01:31:40,300 --> 01:31:37,940

you know you got a have to do something

2272

01:31:43,570 --> 01:31:40,310

you know so so really when that ended in

2273

01:31:46,600 --> 01:31:43,580

69 when they suppose the closed shop on

2274

01:31:48,729 --> 01:31:46,610

it you know and up until now

2275

01:31:51,070 --> 01:31:48,739

they said that nope there was no US

2276

01:31:54,939 --> 01:31:51,080

military program looking into UFOs they

2277

01:31:56,459 --> 01:31:54,949

were lying to us right yeah you know

2278

01:31:58,930 --> 01:31:56,469

what to consult a lawyer on that one yes

2279

01:32:02,470 --> 01:31:58,940

okay just want to get it down there I'm

2280

01:32:04,120 --> 01:32:02,480

not you know for the record do you think

2281

01:32:07,240 --> 01:32:04,130

Emily you give me you looked into blue

2282

01:32:09,189 --> 01:32:07,250

book you looked into grudge do you think

2283

01:32:13,000 --> 01:32:09,199

that you know they just secretly carried

2284

01:32:17,859 --> 01:32:13,010

on blue book a lot of people do I think

2285

01:32:19,359 --> 01:32:17,869

it's likely because I mean they

2286

01:32:21,729 --> 01:32:19,369

obviously started these projects for a

2287

01:32:24,760 --> 01:32:21,739

reason and they had you know I mean it's

2288

01:32:26,439 --> 01:32:24,770

in their reports and the archives that

2289

01:32:29,290 --> 01:32:26,449

that clearly says that there are all

2290

01:32:31,419 --> 01:32:29,300

these cases that remain you know

2291

01:32:33,459 --> 01:32:31,429

unidentified so I would think they would

2292

01:32:34,870 --> 01:32:33,469

be curious to find I mean there's

2293

01:32:36,879 --> 01:32:34,880

something going on and there might be

2294

01:32:38,500 --> 01:32:36,889

technology that we want to get our hands

2295

01:32:41,560 --> 01:32:38,510

on so yeah I think they did continue

2296

01:32:43,379 --> 01:32:41,570

afterwards to continue things Co but you

2297

01:32:46,359 --> 01:32:43,389

think you know they just you know

2298

01:32:48,609 --> 01:32:46,369

contracted it out and you know ended the

2299

01:32:50,439 --> 01:32:48,619

paper trail kind of you know they keep

2300

01:32:53,229 --> 01:32:50,449

morphing it into different areas to keep

2301

01:32:55,930 --> 01:32:53,239

applying it I they want no one to have

2302

01:32:58,570 --> 01:32:55,940

too much information on it you're going

2303

01:33:00,520 --> 01:32:58,580

to change our people excuse me once you

2304

01:33:03,790 --> 01:33:00,530

have the changes in assignments Steve I

2305

01:33:06,459 --> 01:33:03,800

mean you you know that nothing ever

2306

01:33:08,229 --> 01:33:06,469

stays the same person right right and

2307

01:33:10,540 --> 01:33:08,239

you know it might just be a matter of

2308

01:33:12,580 --> 01:33:10,550

semantics they they killed blue book but

2309

01:33:14,709 --> 01:33:12,590

you can be sure that there are always

2310

01:33:17,379 --> 01:33:14,719

elements within the government that were

2311

01:33:19,090 --> 01:33:17,389

you know I mean I think blue book that

2312

01:33:21,250 --> 01:33:19,100

one to ask Emily a little bit if she

2313

01:33:23,050 --> 01:33:21,260

thought that Blue Book if they were ever

2314

01:33:24,850 --> 01:33:23,060

serious and you kind of answered that a

2315

01:33:26,470 --> 01:33:24,860

little bit with different directors you

2316

01:33:28,210 --> 01:33:26,480

thought were more serious than others

2317

01:33:31,330 --> 01:33:28,220

but I think toward the end it just

2318

01:33:33,070 --> 01:33:31,340

seemed like it was a public relations

2319

01:33:34,840 --> 01:33:33,080

thing you know we've got this here to

2320

01:33:36,700 --> 01:33:34,850

sort of a buffer between people that are

2321

01:33:38,710 --> 01:33:36,710

really seeing things and we'll just kind

2322

01:33:40,330 --> 01:33:38,720

of appease them and you know give an

2323

01:33:42,400 --> 01:33:40,340

explanation we're taking care of it

2324

01:33:44,620 --> 01:33:42,410

which a lot of times you pick people

2325

01:33:48,250 --> 01:33:44,630

that are zealots because you think

2326

01:33:51,190 --> 01:33:48,260

they're gonna be useful good or bad to

2327

01:33:53,320 --> 01:33:51,200

drive that and it's obvious that some of

2328

01:33:56,800 --> 01:33:53,330

the energy that Bluebook created or what

2329

01:34:00,250 --> 01:33:56,810

went on there allowed for a curtain to

2330

01:34:02,320 --> 01:34:00,260

go up for other activities and and take

2331

01:34:04,060 --> 01:34:02,330

that away and the paranoia of what was

2332

01:34:05,830 --> 01:34:04,070

going on with the Soviets I mean this is

2333

01:34:07,770 --> 01:34:05,840

also the same error where we got it

2334

01:34:10,870 --> 01:34:07,780

wrong on one of the May Day parades

2335

01:34:12,880 --> 01:34:10,880

because the the b6 bomber that was

2336

01:34:14,710 --> 01:34:12,890

flying the formation was flying it was

2337

01:34:16,120 --> 01:34:14,720

the same ones flying over and over again

2338

01:34:17,530 --> 01:34:16,130

and as they were pounding it when they

2339

01:34:19,570 --> 01:34:17,540

saw it in the film they said oh my god

2340

01:34:21,730 --> 01:34:19,580

we have a right to them

2341

01:34:23,890 --> 01:34:21,740

and then no one ever took the time to

2342

01:34:25,180 --> 01:34:23,900

check the frigging serial numbers on the

2343

01:34:27,370 --> 01:34:25,190

sides of the airplane that would row

2344

01:34:34,920 --> 01:34:27,380

visible were the same friggin airplanes

2345

01:34:39,880 --> 01:34:38,380

like hey you know boris and Natasha

2346

01:34:41,710 --> 01:34:39,890

you're right watch out for squirrel

2347

01:34:45,160 --> 01:34:41,720

moose moose he's got it you know

2348

01:34:48,070 --> 01:34:45,170

unbelievable Yeah right right I mean in

2349

01:34:51,640 --> 01:34:48,080

I just have to keep coming back to this

2350

01:34:54,010 --> 01:34:51,650

one side is you know why now I know I

2351

01:34:58,060 --> 01:34:54,020

sound like a broken record but you know

2352

01:35:00,070 --> 01:34:58,070

is it just you know Steve is big low is

2353

01:35:04,090 --> 01:35:00,080

he met the president has he talked to

2354

01:35:06,370 --> 01:35:04,100

the press yet about this you know what I

2355

01:35:08,770 --> 01:35:06,380

don't know if he has I don't would have

2356

01:35:10,660 --> 01:35:08,780

seen it we would enjoy it he was on 60

2357

01:35:12,760 --> 01:35:10,670

minutes not too long ago that just in

2358

01:35:14,230 --> 01:35:12,770

the event that I was just gonna say that

2359

01:35:16,930 --> 01:35:14,240

you know is he gonna be on 60 minutes

2360

01:35:18,580 --> 01:35:16,940

how long ago was that well that was some

2361

01:35:20,770 --> 01:35:18,590

months ago it was a really you know

2362

01:35:23,020 --> 01:35:20,780

wasn't too long ago but he you know they

2363

01:35:24,070 --> 01:35:23,030

whoever I forget I don't know who was I

2364

01:35:25,630 --> 01:35:24,080

was interviewing him but you know

2365

01:35:27,910 --> 01:35:25,640

there's that that sort of built-in

2366

01:35:29,770 --> 01:35:27,920

giggle factor literally mainstream media

2367

01:35:32,419 --> 01:35:29,780

they could asking him you know do you

2368

01:35:33,589 --> 01:35:32,429

are you afraid of what people

2369

01:35:35,449 --> 01:35:33,599

gonna say about you if they're gonna

2370

01:35:37,160 --> 01:35:35,459

laugh at you he says I don't give a damn

2371

01:35:38,899 --> 01:35:37,170

you know this is real this is this the

2372

01:35:41,779 --> 01:35:38,909

et presence is a real thing it's a real

2373

01:35:43,250 --> 01:35:41,789

physical thing and you know the

2374

01:35:45,939 --> 01:35:43,260

interesting thing about him you guys are

2375

01:35:48,560 --> 01:35:45,949

talking about paper trails and so forth

2376

01:35:50,569 --> 01:35:48,570

however this was funded this 22 million

2377

01:35:52,790 --> 01:35:50,579

and so forth and in supporting I was

2378

01:35:55,580 --> 01:35:52,800

actually supporting a private contractor

2379

01:35:58,750 --> 01:35:55,590

it was done in such a way that you can't

2380

01:36:01,640 --> 01:35:58,760

get FOIA requests to fines right program

2381

01:36:03,319 --> 01:36:01,650

reason why this and it's right for what

2382

01:36:05,149 --> 01:36:03,329

Mac had brought up before that this

2383

01:36:06,919 --> 01:36:05,159

could just be a very convenient payoff

2384

01:36:09,679 --> 01:36:06,929

to a guy who's kind of interested in

2385

01:36:11,209 --> 01:36:09,689

this stuff and is is gonna do it it

2386

01:36:13,429 --> 01:36:11,219

doesn't mean it's not legitimate but

2387

01:36:15,199 --> 01:36:13,439

it's definitely but I have to thank you

2388

01:36:17,299 --> 01:36:15,209

the question of why does it lock this

2389

01:36:20,629 --> 01:36:17,309

Depot lack of oversight and FOIA is a

2390

01:36:24,020 --> 01:36:20,639

huge problem but cobra bite my sense is

2391

01:36:25,219 --> 01:36:24,030

that because it's Bigelow that there may

2392

01:36:27,979 --> 01:36:25,229

be some of that there but I think

2393

01:36:30,830 --> 01:36:27,989

Bigelow is is dead serious about this

2394

01:36:32,569 --> 01:36:30,840

stuff and it's really it's a guy now I

2395

01:36:34,790 --> 01:36:32,579

know a lot of crazy people that are dead

2396

01:36:36,469 --> 01:36:34,800

serious about stuff and he does not give

2397

01:36:38,390 --> 01:36:36,479

me the warm and fuzzy whatsoever a

2398

01:36:40,250 --> 01:36:38,400

starting well he's not it's not warm and

2399

01:36:42,439 --> 01:36:40,260

fuzzy and I was was disappointed that

2400

01:36:43,939 --> 01:36:42,449

originally when when he took over with

2401

01:36:46,250 --> 01:36:43,949

the NIN's team I thought oh finally

2402

01:36:47,839 --> 01:36:46,260

here's a private entity and we'll get

2403

01:36:49,370 --> 01:36:47,849

answers you know and unlike the

2404

01:36:51,560 --> 01:36:49,380

government but keeps everything quiet

2405

01:36:53,179 --> 01:36:51,570

well he's keeping things quiet too we're

2406

01:36:55,370 --> 01:36:53,189

not you know we got this hunt for the

2407

01:36:56,870 --> 01:36:55,380

skinwalker a book and he was sorry that

2408

01:36:58,609 --> 01:36:56,880

he ever released that because we've got

2409

01:37:01,850 --> 01:36:58,619

all these ability the whole that's what

2410

01:37:04,279 --> 01:37:01,860

happens why why is he keeping the secret

2411

01:37:07,910 --> 01:37:04,289

why he's got 22 million bucks and he's

2412

01:37:09,830 --> 01:37:07,920

got the future a whole lot of money to

2413

01:37:12,949 --> 01:37:09,840

this guy though is it from what I've

2414

01:37:14,330 --> 01:37:12,959

understood I mean he's a billionaire and

2415

01:37:18,379 --> 01:37:14,340

if you're a billionaire and you get to

2416

01:37:20,179 --> 01:37:18,389

keep more of it then please yeah how can

2417

01:37:22,040 --> 01:37:20,189

you think that how come people that are

2418

01:37:24,199 --> 01:37:22,050

billionaires don't turn altruistic on

2419

01:37:25,910 --> 01:37:24,209

everything why do they know they're

2420

01:37:27,350 --> 01:37:25,920

getting more money is what it is I'm

2421

01:37:29,479 --> 01:37:27,360

sure he's getting paid me might be

2422

01:37:31,069 --> 01:37:29,489

getting paid from somewhere else you

2423

01:37:32,419 --> 01:37:31,079

know it that's it that's another thing

2424

01:37:36,199 --> 01:37:32,429

and I said earlier in the show is that

2425

01:37:38,239 --> 01:37:36,209

you know 22 million dollars is exit 2

2426

01:37:40,370 --> 01:37:38,249

mese is the yep for spends 22 million

2427

01:37:42,770 --> 01:37:40,380

dollars on their on their golf courses

2428

01:37:45,379 --> 01:37:42,780

in this country every year it's nothing

2429

01:37:46,170 --> 01:37:45,389

it's nothing to a 600 billion dollar

2430

01:37:48,420 --> 01:37:46,180

Pentagon

2431

01:37:49,200 --> 01:37:48,430

budget and who god knows what the black

2432

01:37:52,080 --> 01:37:49,210

object

2433

01:37:54,330 --> 01:37:52,090

you know ops budget is you know it's

2434

01:37:57,300 --> 01:37:54,340

it's nothing yet I saw a lot of the

2435

01:37:59,970 --> 01:37:57,310

media say what are we wasting this on UF

2436

01:38:03,420 --> 01:37:59,980

Aldo and all this kind of stuff that

2437

01:38:05,010 --> 01:38:03,430

ridicule factor is in there I wish Peter

2438

01:38:07,680 --> 01:38:05,020

Jennings was still around because he did

2439

01:38:09,450 --> 01:38:07,690

that grade three hour I'm sure one UFOs

2440

01:38:11,370 --> 01:38:09,460

about two years before he died and that

2441

01:38:13,470 --> 01:38:11,380

was like the first time ever I saw her

2442

01:38:16,020 --> 01:38:13,480

in mainstream media someone who looked

2443

01:38:18,120 --> 01:38:16,030

at it and there was no giggle factor in

2444

01:38:20,700 --> 01:38:18,130

there you know but it did take a turn

2445

01:38:22,590 --> 01:38:20,710

toward the end they kind of shoveled

2446

01:38:24,600 --> 01:38:22,600

away all those great sightings and then

2447

01:38:26,160 --> 01:38:24,610

they went to SETI you know they search

2448

01:38:30,020 --> 01:38:26,170

for extraterrestrial intelligence and

2449

01:38:32,570 --> 01:38:30,030

really know they've got these big guys

2450

01:38:40,500 --> 01:38:32,580

listening when they when the when the

2451

01:38:43,350 --> 01:38:40,510

aliens are landing right behind them so

2452

01:38:44,760 --> 01:38:43,360

Emily back then way back then you know

2453

01:38:46,050 --> 01:38:44,770

with project grudge and everything if

2454

01:38:48,450 --> 01:38:46,060

they can't start it out with good

2455

01:38:50,340 --> 01:38:48,460

intentions right until they came to

2456

01:38:51,750 --> 01:38:50,350

something that you know the big shots

2457

01:38:54,300 --> 01:38:51,760

that depending on just didn't want to

2458

01:38:56,820 --> 01:38:54,310

hear right I think I think they did and

2459

01:38:58,890 --> 01:38:56,830

and what I find interesting is I was on

2460

01:39:01,830 --> 01:38:58,900

the the National Archives website

2461

01:39:04,230 --> 01:39:01,840

looking at where you could go to view

2462

01:39:06,630 --> 01:39:04,240

the the declassified documents from

2463

01:39:09,210 --> 01:39:06,640

Project Blue Book you know in Washington

2464

01:39:11,910 --> 01:39:09,220

isn't a trip to a crazy mind the

2465

01:39:14,070 --> 01:39:11,920

notional archives oh my god I want to go

2466

01:39:16,680 --> 01:39:14,080

there might need to make a trip but I

2467

01:39:19,020 --> 01:39:16,690

found it odd that on the website they

2468

01:39:21,740 --> 01:39:19,030

refer to any time that they referred to

2469

01:39:25,530 --> 01:39:21,750

the Roswell sighting an incident

2470

01:39:29,040 --> 01:39:25,540

incident was in quotes like it wasn't

2471

01:39:31,020 --> 01:39:29,050

real and I just I found that so weird

2472

01:39:33,450 --> 01:39:31,030

coming from a government website I mean

2473

01:39:35,100 --> 01:39:33,460

I know they're they have you know except

2474

01:39:37,050 --> 01:39:35,110

for the first day have always said it

2475

01:39:39,540 --> 01:39:37,060

was a weather balloon it wasn't a UFO

2476

01:39:42,180 --> 01:39:39,550

but on the first day they did say was a

2477

01:39:44,760 --> 01:39:42,190

UFO deadly right and then after that

2478

01:39:47,850 --> 01:39:44,770

they they said no it's not and even to

2479

01:39:50,070 --> 01:39:47,860

this day on on their their website they

2480

01:39:52,830 --> 01:39:50,080

refer to it as an incident well the

2481

01:39:55,439 --> 01:39:52,840

hobgoblin of consistency grind slowly

2482

01:39:58,129 --> 01:39:55,449

and government

2483

01:40:00,930 --> 01:39:58,139

well well it's I don't know very

2484

01:40:03,839 --> 01:40:00,940

interesting and you know what I want to

2485

01:40:05,580 --> 01:40:03,849

know is and we will still then we'll

2486

01:40:07,890 --> 01:40:05,590

talk about this on future shows but

2487

01:40:09,689 --> 01:40:07,900

we've talked about this before and you

2488

01:40:12,029 --> 01:40:09,699

said it earlier Cobra where's everyone

2489

01:40:14,520 --> 01:40:12,039

else these two f-18 pilots actually I

2490

01:40:17,520 --> 01:40:14,530

only saw one of them he came out he had

2491

01:40:18,810 --> 01:40:17,530

been retired for quite a while yep yep

2492

01:40:22,529 --> 01:40:18,820

no books

2493

01:40:26,430 --> 01:40:22,539

yet you know you never know and right

2494

01:40:30,089 --> 01:40:26,440

and and he just spoke so well with a lot

2495

01:40:35,009 --> 01:40:30,099

of authority on on this mminton him

2496

01:40:37,290 --> 01:40:35,019

being part of some big plot to it it did

2497

01:40:39,149 --> 01:40:37,300

seem polish and he he's not you know

2498

01:40:40,919 --> 01:40:39,159

it's interesting he's not a typical

2499

01:40:42,419 --> 01:40:40,929

looking to fight a pile which I thought

2500

01:40:44,219 --> 01:40:42,429

he looks like an English professor

2501
01:40:46,109 --> 01:40:44,229
doesn't he you know what I mean didn't

2502
01:40:48,299 --> 01:40:46,119
have the buzz cut the tattoos or any of

2503
01:40:50,310 --> 01:40:48,309
that he looked like he looked like

2504
01:40:54,029 --> 01:40:50,320
English professor to me and which kind

2505
01:40:57,509 --> 01:40:54,039
of gave him more credibility with me but

2506
01:41:02,069 --> 01:40:57,519
where are the thousands of other pilots

2507
01:41:03,120 --> 01:41:02,079
or at least 701 that's right don't you

2508
01:41:05,069 --> 01:41:03,130
think they're still afraid still

2509
01:41:07,049 --> 01:41:05,079
cautious I mean these feet blood come

2510
01:41:09,989 --> 01:41:07,059
out but it's like if I was in that I

2511
01:41:12,359 --> 01:41:09,999
think okay I'm gonna wait a minute you

2512
01:41:14,759 --> 01:41:12,369
know is this gonna blow over because

2513
01:41:16,649 --> 01:41:14,769

they did the press might just come to a

2514

01:41:17,939 --> 01:41:16,659

point and ignore it then it goes away

2515

01:41:20,549 --> 01:41:17,949

even though there's been some real

2516

01:41:22,199 --> 01:41:20,559

substance here all right you've but also

2517

01:41:23,819 --> 01:41:22,209

you've got all these other incidents the

2518

01:41:25,709 --> 01:41:23,829

coin helicopter incident that we've

2519

01:41:26,729 --> 01:41:25,719

talked about before over Ohio the

2520

01:41:28,199 --> 01:41:26,739

helicopter pilot

2521

01:41:30,750 --> 01:41:28,209

where they had a close encounter with

2522

01:41:33,390 --> 01:41:30,760

you in the 1773 where they had that

2523

01:41:37,770 --> 01:41:33,400

where they that the craft seemed to

2524

01:41:41,160 --> 01:41:37,780

actually move the the helicopter which

2525

01:41:43,259 --> 01:41:41,170

is you know it was a really bizarre

2526

01:41:44,879 --> 01:41:43,269

experience but you had this maybe what

2527

01:41:46,620 --> 01:41:44,889

six or eight crew members that all saw

2528

01:41:50,459 --> 01:41:46,630

this and you've got dozens and dozens

2529

01:41:52,500 --> 01:41:50,469

and dozens of of credible pilots that

2530

01:41:54,330 --> 01:41:52,510

have seen these things over the years

2531

01:41:57,149 --> 01:41:54,340

alright so Mack how are we gonna find

2532

01:41:59,819 --> 01:41:57,159

these guys this is this is my head there

2533

01:42:01,770 --> 01:41:59,829

okay and we've talked about this before

2534

01:42:05,729 --> 01:42:01,780

in the show how about this why don't we

2535

01:42:07,840 --> 01:42:05,739

call on the US military right now when

2536

01:42:10,840 --> 01:42:07,850

we go out to eat we never

2537

01:42:12,820 --> 01:42:10,850

and where to go burgers pizza tacos it

2538

01:42:14,470 --> 01:42:12,830

is the one thing we do agree on is we

2539

01:42:17,740 --> 01:42:14,480

all want unlimited high-speed data

2540

01:42:19,450 --> 01:42:17,750

that's why we switch to metro pcs stop

2541

01:42:21,490 --> 01:42:19,460

by metro pcs with the whole family and

2542

01:42:24,640 --> 01:42:21,500

get four lines with unlimited LTE data

2543

01:42:26,260 --> 01:42:24,650

for just \$100 period metro pcs Wireless

2544

01:42:27,580 --> 01:42:26,270

figured out covers not available in some

2545

01:42:28,510 --> 01:42:27,590

areas offers for our port number not

2546

01:42:29,680 --> 01:42:28,520

currently active on t-mobile network

2547

01:42:30,940 --> 01:42:29,690

during congestion the fraction of

2548

01:42:32,320 --> 01:42:30,950

customers use more than 30 bucks per

2549

01:42:34,060 --> 01:42:32,330

month may notice reduce beats video

2550

01:42:36,490 --> 01:42:34,070

streams DUP 240p no tethering C store

2551
01:42:39,790 --> 01:42:36,500
for details in terms and conditions to

2552
01:42:43,720 --> 01:42:39,800
give blanket amnesty to any service

2553
01:42:46,510 --> 01:42:43,730
member past a present who saw a UFO it

2554
01:42:48,880 --> 01:42:46,520
was told don't talk about it we hear a

2555
01:42:50,470 --> 01:42:48,890
lot of stories from veterans who say and

2556
01:42:52,780 --> 01:42:50,480
I'll tell you someone in my family it

2557
01:42:55,180 --> 01:42:52,790
the exact thing happened to them he was

2558
01:42:57,340 --> 01:42:55,190
an Air Force mechanic he and three other

2559
01:42:59,470 --> 01:42:57,350
mechanic sir our UFO came right down on

2560
01:43:01,810 --> 01:42:59,480
top of the plane they were fixing in the

2561
01:43:03,250 --> 01:43:01,820
middle of the night they he says the

2562
01:43:05,710 --> 01:43:03,260
food the most foolish thing I ever did

2563
01:43:07,150 --> 01:43:05,720

was I reported it he was locked up into

2564

01:43:09,940 --> 01:43:07,160

in a room that beaten they're a

2565

01:43:11,860 --> 01:43:09,950

brainwashed or anything just asked the

2566

01:43:14,830 --> 01:43:11,870

same questions over and over was given a

2567

01:43:16,750 --> 01:43:14,840

pile of paperwork to fill out until at

2568

01:43:19,330 --> 01:43:16,760

the end of four days he said okay we

2569

01:43:21,160 --> 01:43:19,340

give up and they they signed a statement

2570

01:43:22,450 --> 01:43:21,170

saying that it was a reentry vehicle

2571

01:43:23,830 --> 01:43:22,460

from Cape Canaveral this happened in

2572

01:43:26,410 --> 01:43:23,840

Charleston South Carolina

2573

01:43:29,380 --> 01:43:26,420

okay they wore them down okay which is a

2574

01:43:30,910 --> 01:43:29,390

well-known technique our listeners in

2575

01:43:34,420 --> 01:43:30,920

Charleston South Carolina

2576

01:43:37,510 --> 01:43:34,430

Charlestown is a town in Massachusetts

2577

01:43:38,860 --> 01:43:37,520

and I say oh I don't I just don't want

2578

01:43:42,520 --> 01:43:38,870

to lose anybody in South Carolina and

2579

01:43:45,580 --> 01:43:42,530

one one is that's from anyway you know

2580

01:43:47,530 --> 01:43:45,590

and so what happens is in other cases

2581

01:43:48,910 --> 01:43:47,540

where we've heard from veterans where

2582

01:43:50,710 --> 01:43:48,920

they said yeah I saw this but you know

2583

01:43:52,750 --> 01:43:50,720

my CEO came out and said don't ever talk

2584

01:43:55,150 --> 01:43:52,760

you know about this you know what and

2585

01:43:57,700 --> 01:43:55,160

and I guess all pilots have top-secret

2586

01:43:59,560 --> 01:43:57,710

clearance and they they you know fill

2587

01:44:01,750 --> 01:43:59,570

out non-disclosure forms and stuff like

2588

01:44:03,940 --> 01:44:01,760

that but what we're saying is you know

2589

01:44:05,740 --> 01:44:03,950

in this case only not looking at

2590

01:44:08,530 --> 01:44:05,750

top-secret weapons or anything like that

2591

01:44:10,360 --> 01:44:08,540

in the case of what we call UFOs why

2592

01:44:12,760 --> 01:44:10,370

doesn't the military give blanket

2593

01:44:15,610 --> 01:44:12,770

amnesty to everyone who was told okay

2594

01:44:17,800 --> 01:44:15,620

hey listen don't talk about this let

2595

01:44:20,480 --> 01:44:17,810

them talk now you let the f-18 pilots

2596

01:44:22,640 --> 01:44:20,490

talk let everyone else die I think

2597

01:44:26,120 --> 01:44:22,650

that you will be hit we will be hit with

2598

01:44:29,270 --> 01:44:26,130

a tidal wave of new information on UFOs

2599

01:44:31,670 --> 01:44:29,280

that will get us that much closer to

2600

01:44:32,690 --> 01:44:31,680

figuring out what this puzzle is you

2601

01:44:36,470 --> 01:44:32,700

know Steve what do you think of that

2602

01:44:38,750 --> 01:44:36,480

idea oh it's a great idea I'm you know I

2603

01:44:41,540 --> 01:44:38,760

have to tell you when I when I first

2604

01:44:43,820 --> 01:44:41,550

heard this I I was totally skeptical I

2605

01:44:46,160 --> 01:44:43,830

thought oh no here we go again you know

2606

01:44:50,780 --> 01:44:46,170

another another carrot dangling out

2607

01:44:51,590 --> 01:44:50,790

there and so but I'm actually I've

2608

01:44:54,830 --> 01:44:51,600

gotten to the point where I'm a little

2609

01:44:57,320 --> 01:44:54,840

bit optimistic now I'm still very very

2610

01:44:58,700 --> 01:44:57,330

very cautious to think that you know the

2611

01:45:00,410 --> 01:44:58,710

other shoe is gonna drop in something

2612

01:45:05,000 --> 01:45:00,420

more is gonna come out of this but I

2613

01:45:06,380 --> 01:45:05,010

really hope so yeah I mean that's what

2614

01:45:08,630 --> 01:45:06,390

we're all hoping for but see that's the

2615

01:45:11,000 --> 01:45:08,640

thing is next week you know unless this

2616

01:45:14,750 --> 01:45:11,010

thing really has legs you know in the

2617

01:45:18,280 --> 01:45:14,760

media which it seems to have I know the

2618

01:45:22,100 --> 01:45:18,290

pilot was on CNN last night being right

2619

01:45:24,500 --> 01:45:22,110

you know if it survives into the first

2620

01:45:25,910 --> 01:45:24,510

couple weeks of the new year then maybe

2621

01:45:28,340 --> 01:45:25,920

we have something going here but as

2622

01:45:29,930 --> 01:45:28,350

Cobra said earlier you know you just

2623

01:45:31,940 --> 01:45:29,940

these things go out there and then they

2624

01:45:33,710 --> 01:45:31,950

just wait if you're in any kind of a

2625

01:45:35,330 --> 01:45:33,720

scandal or you're putting out news there

2626

01:45:36,680 --> 01:45:35,340

that you really don't want up there all

2627

01:45:38,120 --> 01:45:36,690

you really have to do is wait and then

2628

01:45:39,800 --> 01:45:38,130

something else comes online especially

2629

01:45:41,270 --> 01:45:39,810

these days you know one of the

2630

01:45:43,190 --> 01:45:41,280

connections falls off a cliff or

2631

01:45:45,020 --> 01:45:43,200

something then BOOM yeah UFO story is

2632

01:45:46,220 --> 01:45:45,030

you know off unless you have always what

2633

01:45:50,900 --> 01:45:46,230

pushed off one of those could ask you

2634

01:45:55,660 --> 01:45:50,910

yeah exactly we can only hope that was

2635

01:46:03,530 --> 01:45:55,670

that was hurtful what I've seen amazing

2636

01:46:05,060 --> 01:46:03,540

so what do you think over I mean I think

2637

01:46:07,070 --> 01:46:05,070

you got your best chance in this

2638

01:46:08,750 --> 01:46:07,080

administration I will get that slide

2639

01:46:10,880 --> 01:46:08,760

that one underneath the radar but what

2640

01:46:13,580 --> 01:46:10,890

are we gonna do what's maximally gonna

2641

01:46:16,010 --> 01:46:13,590

do on task force Griffin gonna do for

2642

01:46:17,870 --> 01:46:16,020

this what's gonna happen and I say if

2643

01:46:19,760 --> 01:46:17,880

somebody wants to approach us and wants

2644

01:46:22,320 --> 01:46:19,770

to have that they should do it what do

2645

01:46:27,370 --> 01:46:26,020

yeah at least that nice thing keeping

2646

01:46:29,080 --> 01:46:27,380

something from us that's the thing is

2647

01:46:30,370 --> 01:46:29,090

that when that guy resigned the person

2648

01:46:31,930 --> 01:46:30,380

who was in charge of this one he

2649

01:46:34,570 --> 01:46:31,940

resigned he said two things that really

2650

01:46:36,580 --> 01:46:34,580

didn't just add together he said there

2651
01:46:39,070 --> 01:46:36,590
was opposition in the Pentagon to the

2652
01:46:40,390 --> 01:46:39,080
funding okay and then which we've

2653
01:46:42,580 --> 01:46:40,400
already determined twenty two million

2654
01:46:44,800 --> 01:46:42,590
dollars is like nothing to the Pentagon

2655
01:46:46,900 --> 01:46:44,810
but he also said that a lot of the stuff

2656
01:46:48,940 --> 01:46:46,910
that they found was classified and the

2657
01:46:51,910 --> 01:46:48,950
military wanted to keep it classified so

2658
01:46:53,530 --> 01:46:51,920
to me it's like well if you you must

2659
01:46:55,030 --> 01:46:53,540
have spent the money pretty well if

2660
01:46:57,729 --> 01:46:55,040
you've got this whole boatload of

2661
01:46:59,170 --> 01:46:57,739
classified stuff on UFOs you know it

2662
01:47:01,930 --> 01:46:59,180
seemed to me how it didn't really kind

2663
01:47:04,870 --> 01:47:01,940

of jive oh you're absolutely correct but

2664

01:47:07,180 --> 01:47:04,880

my point is you have a pretty big form

2665

01:47:09,880 --> 01:47:07,190

right here for someone to contact you

2666

01:47:12,400 --> 01:47:09,890

and give their thing and see if that

2667

01:47:13,780 --> 01:47:12,410

loosens it up did what did that brings I

2668

01:47:16,450 --> 01:47:13,790

think you should make yourself available

2669

01:47:18,610 --> 01:47:16,460

be the guy that collects that okay all

2670

01:47:20,560 --> 01:47:18,620

right I will do that how do I know your

2671

01:47:22,930 --> 01:47:20,570

self out there Mac place you haven't

2672

01:47:24,900 --> 01:47:22,940

yourself in the last 20 30 years on this

2673

01:47:28,180 --> 01:47:24,910

subject you want to written a few books

2674

01:47:31,830 --> 01:47:28,190

hoax thank you you know shows and stuff

2675

01:47:35,229 --> 01:47:31,840

like that on sale everywhere yes right

2676

01:47:38,770 --> 01:47:35,239

I've got a question though okay what

2677

01:47:39,250 --> 01:47:38,780

happens if Mac disappears who's next in

2678

01:47:43,750 --> 01:47:39,260

line

2679

01:47:47,080 --> 01:47:43,760

1 1 of course why what do you try

2680

01:47:51,610 --> 01:47:47,090

where's 1 1 ok what happens if somebody

2681

01:47:54,250 --> 01:47:51,620

takes 1 1 2 oh now you're really Cobra

2682

01:47:56,200 --> 01:47:54,260

so we come first and Emily they wouldn't

2683

01:47:58,660 --> 01:47:56,210

ok I just I'm just checking the pecking

2684

01:47:59,620 --> 01:47:58,670

order here that's ok all right well then

2685

01:48:00,940 --> 01:47:59,630

what do you want to hear do you want to

2686

01:48:03,910 --> 01:48:00,950

do you want the new straight and you

2687

01:48:07,270 --> 01:48:03,920

wanted em okay me good right why

2688

01:48:10,810 --> 01:48:07,280

so I volunteer switch to take my place

2689

01:48:12,520 --> 01:48:10,820

he can I'm gonna do like wingman another

2690

01:48:14,830 --> 01:48:12,530

one of your great series of books I like

2691

01:48:16,380 --> 01:48:14,840

being an assailant heard the Unseld

2692

01:48:18,160 --> 01:48:16,390

everywhere I like being on that third

2693

01:48:20,380 --> 01:48:18,170

second and third tier

2694

01:48:23,860 --> 01:48:20,390

you know operating directly in my in my

2695

01:48:26,200 --> 01:48:23,870

lair okay all right there you go TMI

2696

01:48:28,330 --> 01:48:26,210

there Cobra Emily I think Emily should

2697

01:48:30,910 --> 01:48:28,340

be the face of the show you know I mean

2698

01:48:32,440 --> 01:48:30,920

look at us yeah well if you're gonna

2699

01:48:34,500 --> 01:48:32,450

pick a face out of what I'm looking at

2700

01:48:39,439 --> 01:48:34,510

yes Emily wins Handa

2701
01:48:43,950 --> 01:48:39,449
No if that is the Hobby Weinstein moment

2702
01:48:45,600 --> 01:48:43,960
category that piece of crap um Emily do

2703
01:48:47,879 --> 01:48:45,610
you think this idea would work I was

2704
01:48:50,220 --> 01:48:47,889
going on the Pentagon to give blanket

2705
01:48:53,310 --> 01:48:50,230
amnesty to service people who saw UFOs

2706
01:48:55,560 --> 01:48:53,320
were told to shut up I don't know that

2707
01:48:57,689 --> 01:48:55,570
it would work since we're talking about

2708
01:49:01,500 --> 01:48:57,699
the government but I love the idea I

2709
01:49:04,669 --> 01:49:01,510
would hope it would work right yeah it's

2710
01:49:07,859 --> 01:49:04,679
almost so many people coming out yes

2711
01:49:10,680 --> 01:49:07,869
like Cobras idea about I mean seriously

2712
01:49:12,509 --> 01:49:10,690
that you know a lot of people here the

2713
01:49:14,669 --> 01:49:12,519

show and this would be a great place for

2714

01:49:16,169 --> 01:49:14,679

a pilots to come forward and say this is

2715

01:49:18,569 --> 01:49:16,179

what happened yeah they can talk to you

2716

01:49:21,000 --> 01:49:18,579

off you know package a small statement

2717

01:49:23,009 --> 01:49:21,010

and if they can give some of the basic

2718

01:49:26,729 --> 01:49:23,019

facts see if anybody else reacts to it I

2719

01:49:28,890 --> 01:49:26,739

mean I I think it's a great form and it

2720

01:49:30,689 --> 01:49:28,900

may be the it may be the trick within

2721

01:49:32,490 --> 01:49:30,699

the within the whole thing yeah that's

2722

01:49:35,549 --> 01:49:32,500

gonna get some of the log jam to move

2723

01:49:37,890 --> 01:49:35,559

well why don't we just give out a an

2724

01:49:41,120 --> 01:49:37,900

email address should we use what what

2725

01:49:43,229 --> 01:49:41,130

email address should we use their backup

2726

01:49:44,819 --> 01:49:43,239

well we can always use the one that's

2727

01:49:49,410 --> 01:49:44,829

associated with your show operation

2728

01:49:51,000 --> 01:49:49,420

distant Thunder all one word yes because

2729

01:49:53,549 --> 01:49:51,010

it's the distance on a radio network

2730

01:49:55,339 --> 01:49:53,559

that you put together right there at

2731

01:49:58,370 --> 01:49:55,349

gmail.com okay

2732

01:50:02,390 --> 01:49:58,380

operation distant thunder at gmail.com

2733

01:50:05,009 --> 01:50:02,400

right word all lowercase at gmail.com

2734

01:50:07,379 --> 01:50:05,019

you can also do a google on the show

2735

01:50:09,810 --> 01:50:07,389

which I'm it's interesting how many hits

2736

01:50:11,549 --> 01:50:09,820

that we get on that Mac more news

2737

01:50:14,729 --> 01:50:11,559

military x-files show but operation

2738

01:50:18,089 --> 01:50:14,739

distant thunder is pretty easy to

2739

01:50:20,100 --> 01:50:18,099

remember distance on the operation

2740

01:50:22,169 --> 01:50:20,110

distant thunder at gmail.com you know if

2741

01:50:24,959 --> 01:50:22,179

you're a veteran and you'll have a story

2742

01:50:27,810 --> 01:50:24,969

to share with us please send us you know

2743

01:50:30,660 --> 01:50:27,820

your story and but we what we're doing

2744

01:50:32,819 --> 01:50:30,670

is we're calling on the Pentagon the

2745

01:50:34,379 --> 01:50:32,829

military establishment to just say and

2746

01:50:35,939 --> 01:50:34,389

how much would it take in a spit and

2747

01:50:38,399 --> 01:50:35,949

especially if you're gonna do it won't

2748

01:50:41,459 --> 01:50:38,409

be 280 million I can tell you that you

2749

01:50:44,040 --> 01:50:41,469

know just you know sure okay no one's

2750

01:50:46,919 --> 01:50:44,050

gonna be punished by coming out in

2751
01:50:49,129 --> 01:50:46,929
public in saying what they saw your for

2752
01:50:51,450 --> 01:50:49,139
wise not top-secret you

2753
01:50:53,459 --> 01:50:51,460
weapons or anything like that top-secret

2754
01:50:56,280 --> 01:50:53,469
projects if you thought you saw a UFO

2755
01:51:00,660 --> 01:50:56,290
and your CEO said hey don't ever talk

2756
01:51:02,040 --> 01:51:00,670
about this you know if you get a amnesty

2757
01:51:03,899 --> 01:51:02,050
and you can come out and talk about it

2758
01:51:08,820 --> 01:51:03,909
just think of the stories we'd get Steve

2759
01:51:10,320 --> 01:51:08,830
you know what I mean exactly and we can

2760
01:51:12,240 --> 01:51:10,330
we know the history we know what's out

2761
01:51:13,979 --> 01:51:12,250
there but this is this is really the

2762
01:51:16,320 --> 01:51:13,989
time would be great for them to come

2763
01:51:18,780 --> 01:51:16,330

forward on the wave of what's going on

2764

01:51:22,140 --> 01:51:18,790

now and just perhaps we can build on it

2765

01:51:23,310 --> 01:51:22,150

and get something going all right well

2766

01:51:25,560 --> 01:51:23,320

listen I want to thank everyone for

2767

01:51:27,709 --> 01:51:25,570

joining us tonight too bad one one was

2768

01:51:30,000 --> 01:51:27,719

in here he missed a potty

2769

01:51:31,770 --> 01:51:30,010

steve-arino up there in the bowl of

2770

01:51:35,010 --> 01:51:31,780

flakes thanks for joining us and adding

2771

01:51:40,439 --> 01:51:35,020

our expertise it's my pleasure okay

2772

01:51:46,640 --> 01:51:40,449

Merry Christmas Happy New Year all of

2773

01:51:48,180 --> 01:51:46,650

you yes Emily thank you for joining us

2774

01:51:50,910 --> 01:51:48,190

my pleasure

2775

01:51:57,240 --> 01:51:50,920

okay and you know raising the skew as

2776

01:51:59,129 --> 01:51:57,250

they say of the show they go right right

2777

01:52:07,470 --> 01:51:59,139

by positive light he means a blonde is

2778

01:52:10,500 --> 01:52:07,480

that what you mean yeah thank you thank

2779

01:52:12,570 --> 01:52:10,510

you for joining us and we'll be on in a

2780

01:52:15,899 --> 01:52:12,580

couple weeks with one one we'll be back

2781

01:52:18,120 --> 01:52:15,909

with the rest of the gang so until then

2782

01:52:19,860 --> 01:52:18,130

thanks to everyone out there listening

2783

01:52:21,510 --> 01:52:19,870

to us and let's see where this goes you

2784

01:52:23,120 --> 01:52:21,520

know let's be the maybe this is the

2785

01:52:24,930 --> 01:52:23,130

breakthrough that we've been hoping for

2786

01:52:26,160 --> 01:52:24,940

let's see where it goes so you're

2787

01:52:27,840 --> 01:52:26,170

listening to you've been listening to

2788

01:52:29,640 --> 01:52:27,850

mechanoids military-style show here on

2789

01:52:32,189 --> 01:52:29,650

the distant Thunder rail network our

2790

01:52:34,919 --> 01:52:32,199

email is distant thunder at gmail.com

2791

01:52:38,580 --> 01:52:34,929

all one word operation distant thunder

2792

01:52:41,250 --> 01:52:38,590

operation distant thunder operation

2793

01:52:42,750 --> 01:52:41,260

distant fund at gmail.com I never write

2794

01:52:46,350 --> 01:52:42,760

myself there that's why I don't have to

2795

01:52:49,740 --> 01:52:46,360

us you know operation distant thunder at

2796

01:52:53,160 --> 01:52:49,750

gmail.com drop us a line and until we

2797

01:52:55,520 --> 01:52:53,170

see you next week have a good holiday be

2798

01:52:58,070 --> 01:52:55,530

safe be happy and

2799

01:52:58,760 --> 01:52:58,080

when we go out to eat we never agree on

2800

01:53:01,550 --> 01:52:58,770

where to go

2801
01:53:03,230 --> 01:53:01,560
what burgers pizza tacos it is the one

2802
01:53:05,390 --> 01:53:03,240
thing we do agree on is we all want

2803
01:53:08,450 --> 01:53:05,400
unlimited high-speed data that's why we

2804
01:53:10,220 --> 01:53:08,460
switch to metro pcs stop by metro pcs

2805
01:53:12,530 --> 01:53:10,230
with the whole family and get four lines

2806
01:53:15,170 --> 01:53:12,540
with unlimited LTE data for just \$100

2807
01:53:16,430 --> 01:53:15,180
period metro pcs Wireless figured out

2808
01:53:17,810 --> 01:53:16,440
covers not available in some areas

2809
01:53:18,890 --> 01:53:17,820
offers for our port number not currently

2810
01:53:19,970 --> 01:53:18,900
active on t-mobile network during

2811
01:53:20,900 --> 01:53:19,980
congestion the fraction of customers

2812
01:53:22,280 --> 01:53:20,910
used more than thirty five gigs per

2813
01:53:24,020 --> 01:53:22,290

month may notice reduced beats video
