2
00:00:09,589 --> 00:00:03,389
Heidi Hollis

3
00:00:13,669 --> 00:00:09,599
today is Monday January 1st 2018 Happy

4
00:00:15,680 --> 00:00:13,679
Happy New Year everybody I hope that it

5
00:00:19,310 --> 00:00:15,690
was a blast last night bringing in the

6
00:00:25,160 --> 00:00:19,320
new year and that 2018 is absolutely

7
00:00:30,410 --> 00:00:25,170
blessed joyful and fun now we're gonna

8
00:00:32,590 --> 00:00:30,420
begin our UFO reports for today UFO

9
00:00:35,389 --> 00:00:32,600
sighting in Charleston South Carolina

10
00:00:40,310 --> 00:00:35,399
this UFO blast from the past

11
00:00:44,690 --> 00:00:40,320
this occurred November 30th 1980 that's

12
00:00:48,110 --> 00:00:44,700
way back that's not that awful but in

13
00:00:53,389 --> 00:00:48,120

brief the witness states I was a load

14

00:00:55,549 --> 00:00:53,399

master on a c-141 transport aircraft we

15

00:01:01,189 --> 00:00:55,559

left Charleston Air Force Base and was

16

00:01:03,349 --> 00:01:01,199

paced by UFO to Dover Air Force Base in

17

00:01:04,039 --> 00:01:03,359

more detail the witness states I was a

18

00:01:07,550 --> 00:01:04,049

loadmaster

19

00:01:11,660 --> 00:01:07,560

he's repeating aircraft Lee okay hello

20

00:01:13,370 --> 00:01:11,670

master on it c-141 transport aircraft we

21

00:01:16,070 --> 00:01:13,380

took off from Charleston Air Force Base

22

00:01:19,370 --> 00:01:16,080

going to Dover Air Force Base Delaware

23

00:01:21,710 --> 00:01:19,380

when we pick up an object on radar the

24

00:01:23,539 --> 00:01:21,720

object was pacing our aircraft we

25

00:01:27,980 --> 00:01:23,549

reported the incident to the tower

26
00:01:31,310 --> 00:01:27,990
they also saw the object but said we may

27
00:01:34,340 --> 00:01:31,320
have a problem with our radar was we

28
00:01:37,190 --> 00:01:34,350
landed at Dover the techs checked out

29
00:01:40,520 --> 00:01:37,200
the radar on the aircraft and found no

30
00:01:43,310 --> 00:01:40,530
problems we then took off from Dover Air

31
00:01:46,010 --> 00:01:43,320
Force Base heading to Ireland halfway

32
00:01:49,700 --> 00:01:46,020
across the Atlantic Ocean the object

33
00:01:53,960 --> 00:01:49,710
returned and continued to pace us the

34
00:01:56,389 --> 00:01:53,970
rest of the way across the ocean we once

35
00:01:58,940 --> 00:01:56,399
again contacted the tower to report the

36
00:02:02,630 --> 00:01:58,950
incident and the tower confirmed that

37
00:02:05,270 --> 00:02:02,640
they also had the object on radar at

38
00:02:09,410 --> 00:02:05,280

this we were asked if the crew wanted to

39

00:02:12,589 --> 00:02:09,420

file a UFO report Ireland's ahead of us

40

00:02:13,880 --> 00:02:12,599

we discussed it as a crew and decided it

41

00:02:18,110 --> 00:02:13,890

would be bad for

42

00:02:19,190 --> 00:02:18,120

our careers so no report was filed oh go

43

00:02:24,199 --> 00:02:19,200

figure

44

00:02:26,750 --> 00:02:24,209

so absolutely fascinating so apparently

45

00:02:27,170 --> 00:02:26,760

these can be tracked on radar how about

46

00:02:31,640 --> 00:02:27,180

that

47

00:02:35,240 --> 00:02:31,650

so radar screens must be filled the next

48

00:02:38,600 --> 00:02:35,250

Yafo signing up another UFO blast from

49

00:02:40,760 --> 00:02:38,610

the past your foe sighting in Chicago

50

00:02:46,330 --> 00:02:40,770

Illinois right where I'm at this

51
00:02:50,300 --> 00:02:46,340
occurred March 31st 1972 ancient history

52
00:02:53,690 --> 00:02:50,310
in brief the witness states orb entered

53
00:02:57,140 --> 00:02:53,700
through living room window went up and

54
00:03:00,860 --> 00:02:57,150
down and around me then exited out

55
00:03:03,740 --> 00:03:00,870
through the front door in more detail

56
00:03:05,690 --> 00:03:03,750
they stayed in April 1972 my mother

57
00:03:09,699 --> 00:03:05,700
brother and myself were sitting in the

58
00:03:12,380 --> 00:03:09,709
living room when a burnt orange sphere

59
00:03:14,150 --> 00:03:12,390
entered through the living room window I

60
00:03:17,660 --> 00:03:14,160
was standing in the center of the living

61
00:03:20,350 --> 00:03:17,670
room when the object went around and up

62
00:03:24,650 --> 00:03:20,360
and down me about three or four times

63
00:03:27,080 --> 00:03:24,660

then exited through the front door my

64

00:03:30,410 --> 00:03:27,090

mother did not see the orb but my

65

00:03:32,690 --> 00:03:30,420

brother did in which at that point he

66

00:03:37,330 --> 00:03:32,700

believed me from when I told him about

67

00:03:40,699 --> 00:03:37,340

the craft I had seen in early February

68

00:03:44,479 --> 00:03:40,709

1972 Oh sounds like they were following

69

00:03:47,240 --> 00:03:44,489

up with him and that first UFO report I

70

00:03:48,860 --> 00:03:47,250

cannot help but to think that UFO was

71

00:03:51,740 --> 00:03:48,870

checking out what kind of stuff they had

72

00:03:52,610 --> 00:03:51,750

in that plane what do you think could be

73

00:03:58,970 --> 00:03:52,620

all right

74

00:04:02,270 --> 00:03:58,980

this next one Oh Kat this another UFO

75

00:04:05,180 --> 00:04:02,280

blast from the past within the same time

76

00:04:05,870 --> 00:04:05,190

frame your foe sighting in Chicago

77

00:04:12,199 --> 00:04:05,880

Illinois

78

00:04:14,150 --> 00:04:12,209

this occurred January 31st 1972 in brief

79

00:04:17,509 --> 00:04:14,160

the witness states going to friend's

80

00:04:20,630 --> 00:04:17,519

house saw object hovering over trees in

81

00:04:23,750 --> 00:04:20,640

backyard only remember getting to my

82

00:04:27,860 --> 00:04:23,760

friend's house and was told I was two

83

00:04:30,020 --> 00:04:27,870

hours late in more detail the whit

84

00:04:33,110 --> 00:04:30,030

States I left my house by the backdoor

85

00:04:35,870 --> 00:04:33,120

to go to my friend's house he lived on

86

00:04:37,640 --> 00:04:35,880

the next row house from mine as I cut

87

00:04:40,370 --> 00:04:37,650

through the backyard there was some

88

00:04:41,780 --> 00:04:40,380

light I looked to my right and at

89

00:04:45,920 --> 00:04:41,790

treetop height

90

00:04:47,930 --> 00:04:45,930

I saw a cigar-shaped craft hovering over

91

00:04:52,370 --> 00:04:47,940

the top of the trees where we kids

92

00:04:56,300 --> 00:04:52,380

played football it was an red orange in

93

00:04:58,400 --> 00:04:56,310

color and made no sound I remember

94

00:05:00,830 --> 00:04:58,410

standing there looking at it and then

95

00:05:02,779 --> 00:05:00,840

there was nothing the next thing I

96

00:05:05,330 --> 00:05:02,789

remember was beating on my friend's door

97

00:05:07,820 --> 00:05:05,340

my friend answered the door and we went

98

00:05:10,520 --> 00:05:07,830

upstairs to his room some of my friends

99

00:05:13,909 --> 00:05:10,530

were there they all stated that I was a

100

00:05:15,219 --> 00:05:13,919

few hours late I do not know how that

101
00:05:20,360 --> 00:05:15,229
happened

102
00:05:24,170 --> 00:05:20,370
abduction I'm saying ok next UFO

103
00:05:26,659 --> 00:05:24,180
sightings occurred sighting triangle in

104
00:05:30,650 --> 00:05:26,669
Smithtown New York Wow

105
00:05:33,469 --> 00:05:30,660
this occurred just December 26 2017 in

106
00:05:35,600 --> 00:05:33,479
brief a state I was stargazing when I

107
00:05:38,480 --> 00:05:35,610
noticed the movement of a triangular

108
00:05:41,300 --> 00:05:38,490
shaped craft and where detailed a state

109
00:05:44,450 --> 00:05:41,310
I went outside to my front door deck to

110
00:05:46,940 --> 00:05:44,460
have a smoke at 7:10 p.m. on December 26

111
00:05:49,430 --> 00:05:46,950
2017 while smoking

112
00:05:52,670 --> 00:05:49,440
I was stargazing and looked to the north

113
00:05:55,300 --> 00:05:52,680

when a triangular shaped craft was

114

00:05:59,270 --> 00:05:55,310

rectangular dull lights at each point

115

00:06:02,180 --> 00:05:59,280

moved quickly without any noise in the

116

00:06:05,960 --> 00:06:02,190

southern direction the entire sighting

117

00:06:07,550 --> 00:06:05,970

lasted about two to three seconds I ran

118

00:06:09,800 --> 00:06:07,560

back into the house to tell my daughter

119

00:06:14,810 --> 00:06:09,810

and came back out to see if it would

120

00:06:18,050 --> 00:06:14,820

return but we haven't seen it since this

121

00:06:19,670 --> 00:06:18,060

next UFO sighting oh boy and another UFO

122

00:06:21,950 --> 00:06:19,680

blast from the past laws always seem to

123

00:06:25,460 --> 00:06:21,960

be more interesting don't think this

124

00:06:29,480 --> 00:06:25,470

happened in Biloxi Mississippi November

125

00:06:33,439 --> 00:06:29,490

1st 1979 in brief the witness states

126
00:06:36,529 --> 00:06:33,449
seven to nine teens observe UFO which

127
00:06:40,310 --> 00:06:36,539
was pursued by helicopters with

128
00:06:41,990 --> 00:06:40,320
searchlights in more detail they state I

129
00:06:44,870 --> 00:06:42,000
have never

130
00:06:47,740 --> 00:06:44,880
reported this story and have only shared

131
00:06:50,720 --> 00:06:47,750
it with my closest family and friends

132
00:06:54,880 --> 00:06:50,730
those who know me well enough to know I

133
00:06:59,750 --> 00:06:54,890
do not lie nor do I embellish stories

134
00:07:01,520 --> 00:06:59,760
between August 1976 and May 1979 I

135
00:07:05,210 --> 00:07:01,530
attended Fernwood

136
00:07:06,820 --> 00:07:05,220
Junior High School Pass Road Biloxi

137
00:07:11,150 --> 00:07:06,830
Mississippi

138
00:07:15,140 --> 00:07:11,160

3:9 531 for my seventh eighth and ninth

139

00:07:18,350 --> 00:07:15,150

grade years so it has been nearly 40

140

00:07:21,620 --> 00:07:18,360

years since my UFO experience that being

141

00:07:24,650 --> 00:07:21,630

said though I am a little vague on the

142

00:07:28,520 --> 00:07:24,660

exact date or time the circumstances are

143

00:07:32,630 --> 00:07:28,530

still as clear in my mind as if they had

144

00:07:35,330 --> 00:07:32,640

happened yesterday one evening I was

145

00:07:37,909 --> 00:07:35,340

among a group of friends who had just

146

00:07:40,310 --> 00:07:37,919

finished band practice there were

147

00:07:42,830 --> 00:07:40,320

probably seven to nine of us waiting for

148

00:07:45,590 --> 00:07:42,840

our parents to pick us up if I remember

149

00:07:49,040 --> 00:07:45,600

correctly it was for a concert band and

150

00:07:52,070 --> 00:07:49,050

it had to have been at least 8 p.m. or

151
00:07:54,920 --> 00:07:52,080
8:30 p.m. maybe a little later than that

152
00:07:57,409 --> 00:07:54,930
after practice was finished we were all

153
00:07:59,960 --> 00:07:57,419
huddled at the back of the school where

154
00:08:02,090 --> 00:07:59,970
it looked over the football field on the

155
00:08:06,770 --> 00:08:02,100
other side of the field was an area of

156
00:08:09,469 --> 00:08:06,780
woods and past that lies the beaches it

157
00:08:12,350 --> 00:08:09,479
was completely dark outside and I don't

158
00:08:14,390 --> 00:08:12,360
remember being cold so I believe it was

159
00:08:17,770 --> 00:08:14,400
in the late summer or early fall

160
00:08:20,150 --> 00:08:17,780
sometime between September and December

161
00:08:22,640 --> 00:08:20,160
the sky was completely clear and

162
00:08:25,670 --> 00:08:22,650
illuminated by only the Stars and the

163
00:08:27,710 --> 00:08:25,680

moon was a faint glow from some street

164

00:08:30,380 --> 00:08:27,720

lights on the front side of the school

165

00:08:32,980 --> 00:08:30,390

north of our position and from the

166

00:08:35,540 --> 00:08:32,990

businesses which lined Beach Boulevard

167

00:08:37,520 --> 00:08:35,550

approximately a mile away

168

00:08:41,600 --> 00:08:37,530

on the other side of the woods to the

169

00:08:45,260 --> 00:08:41,610

south Biloxi was east of our location

170

00:08:47,810 --> 00:08:45,270

and Gulfport was to our West also lying

171

00:08:50,030 --> 00:08:47,820

east of our location was Kessler Air

172

00:08:52,000 --> 00:08:50,040

Force Base interesting how these things

173

00:08:55,310 --> 00:08:52,010

surround around Air Force bases Donuts

174

00:08:56,000 --> 00:08:55,320

my father was stationed there we were

175

00:08:58,939 --> 00:08:56,010

all gas

176
00:09:01,610 --> 00:08:58,949
I'm just talking when someone in the

177
00:09:04,970 --> 00:09:01,620
group noticed a bright light that

178
00:09:06,560 --> 00:09:04,980
appeared at the top of the trees since

179
00:09:09,769 --> 00:09:06,570
it was on the other side of the field I

180
00:09:13,220 --> 00:09:09,779
estimate it was approximately 200 feet

181
00:09:15,319 --> 00:09:13,230
plus away from our school or location

182
00:09:17,960 --> 00:09:15,329
and based on its position above the

183
00:09:22,610 --> 00:09:17,970
field I estimate that it had an

184
00:09:25,490 --> 00:09:22,620
approximate diameter of 40 to 60 feet it

185
00:09:29,689 --> 00:09:25,500
was a bright white sphere that was

186
00:09:31,189 --> 00:09:29,699
completely silent and slowly glided just

187
00:09:33,980 --> 00:09:31,199
above the tree line towards the

188
00:09:37,819 --> 00:09:33,990

direction of Gulfport until it was out

189

00:09:40,579 --> 00:09:37,829

of our line of sight it only took about

190

00:09:43,550 --> 00:09:40,589

30 seconds for it to disappear past the

191

00:09:47,750 --> 00:09:43,560

treetops after a moment of silent

192

00:09:50,360 --> 00:09:47,760

disbelief a buzz of talking incurred

193

00:09:54,139 --> 00:09:50,370

with questions about the source of the

194

00:09:58,220 --> 00:09:54,149

light but what really happened next

195

00:10:00,079 --> 00:09:58,230

sent the conversation into a frenzy as I

196

00:10:03,680 --> 00:10:00,089

said the spirit was completely silent

197

00:10:07,699 --> 00:10:03,690

but approximately 20 seconds after it

198

00:10:09,740 --> 00:10:07,709

disappeared a group of helicopters came

199

00:10:12,259 --> 00:10:09,750

into view at the top of the trees to our

200

00:10:14,600 --> 00:10:12,269

east they were not in a straight line

201
00:10:17,900 --> 00:10:14,610
but in some kind of formation spread out

202
00:10:20,090 --> 00:10:17,910
from the treeline towards the beach we

203
00:10:23,240 --> 00:10:20,100
heard them loud and clear before we even

204
00:10:25,579 --> 00:10:23,250
saw them which squashed the point that

205
00:10:28,970 --> 00:10:25,589
the sphere was too far away for us to

206
00:10:32,870 --> 00:10:28,980
hear and they followed the same exact

207
00:10:36,019 --> 00:10:32,880
path across the top of the trees east to

208
00:10:38,240 --> 00:10:36,029
west hurriedly scanning below with

209
00:10:40,759 --> 00:10:38,250
searchlights along their path as they

210
00:10:42,980 --> 00:10:40,769
passed the school about that time we

211
00:10:44,960 --> 00:10:42,990
heard our parents blow their car horns

212
00:10:47,990 --> 00:10:44,970
and we weren't running up to the front

213
00:10:50,480 --> 00:10:48,000

of the school we load it into the car I

214

00:10:53,389 --> 00:10:50,490

was riding with a friend and excitedly

215

00:10:56,030 --> 00:10:53,399

began to describe our experience we were

216

00:10:59,509 --> 00:10:56,040

headed east on Pass Road towards home I

217

00:11:02,780 --> 00:10:59,519

lived in throwerw Park which was base

218

00:11:05,929 --> 00:11:02,790

housing no sooner had we started driving

219

00:11:09,810 --> 00:11:05,939

down Pass Road when four to five police

220

00:11:11,850 --> 00:11:09,820

cars with lights and sirens blaring

221

00:11:15,120 --> 00:11:11,860

sped past us in the direction of

222

00:11:18,480 --> 00:11:15,130

Gulfport this only fueled our

223

00:11:20,160 --> 00:11:18,490

speculations the next day I looked in

224

00:11:22,590 --> 00:11:20,170

the newspapers for any word of the

225

00:11:25,500 --> 00:11:22,600

events of the previous evening but there

226

00:11:27,140 --> 00:11:25,510

was nothing wow the secrets those people

227

00:11:30,090 --> 00:11:27,150

have to live with over there

228

00:11:32,520 --> 00:11:30,100

of course we spoke of it at school and I

229

00:11:34,950 --> 00:11:32,530

kept watch in the newspapers for several

230

00:11:37,830 --> 00:11:34,960

weeks but eventually gave up on finding

231

00:11:39,540 --> 00:11:37,840

out what happened that night over the

232

00:11:42,300 --> 00:11:39,550

years I have thought of our experience

233

00:11:45,660 --> 00:11:42,310

often and wondered about the truth but

234

00:11:49,020 --> 00:11:45,670

in my mind I have no doubt about what we

235

00:11:51,390 --> 00:11:49,030

saw during my father's 20-year career in

236

00:11:54,960 --> 00:11:51,400

the Air Force he worked on mission

237

00:11:57,750 --> 00:11:54,970

specific equipment for aircraft and I

238

00:11:59,640 --> 00:11:57,760

was in and around aircraft frequently

239

00:12:02,280 --> 00:11:59,650

when I would visit the hangars where he

240

00:12:03,990 --> 00:12:02,290

worked some of the mission equipment he

241

00:12:08,010 --> 00:12:04,000

worked on was for the Hurricane Hunters

242

00:12:12,260 --> 00:12:08,020

and I was very aware of what a weather

243

00:12:14,700 --> 00:12:12,270

balloon was and what it looked like I

244

00:12:18,930 --> 00:12:14,710

think was the Roswell weather balloon

245

00:12:21,450 --> 00:12:18,940

nope so much so that as a child I wanted

246

00:12:23,580 --> 00:12:21,460

to grow up to be a weather person I was

247

00:12:26,640 --> 00:12:23,590

captivated by weather and the hurricane

248

00:12:28,920 --> 00:12:26,650

hunters we had also lived in Albuquerque

249

00:12:31,020 --> 00:12:28,930

New Mexico and been to the hot air

250

00:12:33,510 --> 00:12:31,030

balloon festivals and several occasions

251
00:12:35,340 --> 00:12:33,520
during my childhood I wish I could say I

252
00:12:36,870 --> 00:12:35,350
remember the date and the names of the

253
00:12:39,570 --> 00:12:36,880
other kids who were present that night

254
00:12:42,480 --> 00:12:39,580
but other than my recollection of the

255
00:12:45,600 --> 00:12:42,490
experience and a few nicknames I am at a

256
00:12:48,420 --> 00:12:45,610
loss how I wish we had the Internet then

257
00:12:50,850 --> 00:12:48,430
I may not have been able to find any

258
00:12:53,220 --> 00:12:50,860
information back then but I have never

259
00:12:55,920 --> 00:12:53,230
forgotten and would love to know if

260
00:12:58,110 --> 00:12:55,930
there was anyone else out there who went

261
00:13:00,930 --> 00:12:58,120
to Fernwood junior high during that

262
00:13:05,790 --> 00:13:00,940
period and who has not forgotten it

263
00:13:08,400 --> 00:13:05,800

either alright next UFO report this

264

00:13:12,360 --> 00:13:08,410

happened in Elk Grove Village Illinois

265

00:13:15,690 --> 00:13:12,370

this occurred September 24th 2017 in

266

00:13:18,540 --> 00:13:15,700

brief just hovering over trees and then

267

00:13:21,930 --> 00:13:18,550

took off in more detail which isn't much

268

00:13:22,530 --> 00:13:21,940

I was on vacation with my camera at

269

00:13:25,500 --> 00:13:22,540

night and

270

00:13:28,700 --> 00:13:25,510

I looked up to the trees and saw it

271

00:13:32,850 --> 00:13:28,710

there just hovering three blue lights

272

00:13:39,030 --> 00:13:32,860

then it just took off with three blue

273

00:13:42,480 --> 00:13:39,040

quick streaks in the sky another UFO

274

00:13:46,980 --> 00:13:42,490

sighting in Plainfield New Jersey

275

00:13:50,730 --> 00:13:46,990

this occurred December 21st 2017 it was

276

00:13:53,820 --> 00:13:50,740

a thin light that shot to the sky I saw

277

00:13:56,370 --> 00:13:53,830

it for about one sec the witness states

278

00:13:58,920 --> 00:13:56,380

in more detail I was out with my dog and

279

00:14:02,130 --> 00:13:58,930

just so happened to look up when I saw a

280

00:14:06,300 --> 00:14:02,140

light streak across the sky

281

00:14:09,030 --> 00:14:06,310

super fast to estimate speed no planes

282

00:14:11,910 --> 00:14:09,040

that we have would have been able to

283

00:14:14,520 --> 00:14:11,920

catch it as I saw it I got the

284

00:14:17,670 --> 00:14:14,530

impression that it just went out of my

285

00:14:20,970 --> 00:14:17,680

line of sight by distance it was going

286

00:14:23,580 --> 00:14:20,980

away from and the color was sort of like

287

00:14:27,660 --> 00:14:23,590

a blue red I'm just reading this stuff

288

00:14:30,090 --> 00:14:27,670

English is chopped up I just read it it

289

00:14:34,620 --> 00:14:30,100

looked as if I could make out the two

290

00:14:42,560 --> 00:14:34,630

colors shooting star came to mind the

291

00:14:48,360 --> 00:14:42,570

next UFO sighting states in Lahey Utah

292

00:14:52,400 --> 00:14:48,370

Lehi could be Lehi this occurred on

293

00:14:54,780 --> 00:14:52,410

294

00:14:59,030 --> 00:14:54,790

disc-shaped object to punch through

295

00:15:02,820 --> 00:14:59,040

cloud deck maneuvered back into clouds

296

00:15:05,670 --> 00:15:02,830

I'm a robot vacuum cleaner so yeah I got

297

00:15:08,070 --> 00:15:05,680

one gig I suck up dirt so pardon my

298

00:15:10,410 --> 00:15:08,080

inferiority complex about guy coat who

299

00:15:12,090 --> 00:15:10,420

claim service too and an award-winning

303
00:15:20,460 --> 00:15:18,040
mobile app plus access to licensed

304
00:15:22,710 --> 00:15:20,470
agents 24/7 Who am I kidding

305
00:15:25,090 --> 00:15:22,720
I can't even do corners Oh choking

306
00:15:27,710 --> 00:15:25,100
hazard

307
00:15:30,050 --> 00:15:27,720
Geico expect great savings and a whole

308
00:15:33,050 --> 00:15:30,060
lot more in more detail the witness

309
00:15:35,769 --> 00:15:33,060
states I was traveling north on i-15 to

310
00:15:40,610 --> 00:15:35,779
the Salt Lake Airport on January 19th

311
00:15:44,360 --> 00:15:40,620
2016 to catch a flight time was just

312
00:15:46,940 --> 00:15:44,370
past 10 a.m. and I had passed the Lehi

313
00:15:50,720 --> 00:15:46,950

exit and was rounding that loop in the

314

00:15:52,880 --> 00:15:50,730

highway before you get to exit 289 there

315

00:15:55,810 --> 00:15:52,890

had been a light snow that night and

316

00:15:58,730 --> 00:15:55,820

what seemed to be low-level gray clouds

317

00:16:01,250 --> 00:15:58,740

almost like an ice fog covering the

318

00:16:03,220 --> 00:16:01,260

northern portion of the skies and below

319

00:16:06,800 --> 00:16:03,230

the peaks of the mountains to the east

320

00:16:09,260 --> 00:16:06,810

south of there the skies had clear and

321

00:16:12,710 --> 00:16:09,270

in general the cloud deck seemed to be

322

00:16:17,150 --> 00:16:12,720

rising as I came around on that broad

323

00:16:19,490 --> 00:16:17,160

turn on i-15 just north of Lehi some

324

00:16:23,449 --> 00:16:19,500

motion to my left off to the northwest

325

00:16:27,320 --> 00:16:23,459

as I was on that highway turn caught my

326

00:16:30,590 --> 00:16:27,330

eye I was astonished by what looked to

327

00:16:34,699 --> 00:16:30,600

be a grayish similar in color to the

328

00:16:37,280 --> 00:16:34,709

cloud deck disc with structure and a

329

00:16:40,579 --> 00:16:37,290

central dome pop through the bottom of

330

00:16:44,269 --> 00:16:40,589

the clouds it then quickly maneuvered on

331

00:16:46,400 --> 00:16:44,279

all three axis as it dropped clear of

332

00:16:48,350 --> 00:16:46,410

the cloud deck and then went back into

333

00:16:50,570 --> 00:16:48,360

the cloud hole then it had punched

334

00:16:53,329 --> 00:16:50,580

through once it went back into the

335

00:16:56,210 --> 00:16:53,339

clouds I could see some swirling clouds

336

00:16:59,720 --> 00:16:56,220

and also part of a cloud wall on the far

337

00:17:03,050 --> 00:16:59,730

side of the cloud hole the object was

338

00:17:03,620 --> 00:17:03,060

visible for between five to ten seconds

339

00:17:04,790 --> 00:17:03,630

Wow

340

00:17:07,760 --> 00:17:04,800

it's like something out of a sci-fi

341

00:17:10,720 --> 00:17:07,770

movie cool the hole in the cloud deck

342

00:17:14,000 --> 00:17:10,730

lasted for twenty to thirty seconds I

343

00:17:17,329 --> 00:17:14,010

could not believe what I had just

344

00:17:21,380 --> 00:17:17,339

witnessed I was stunned as I continued

345

00:17:23,809 --> 00:17:21,390

driving on i-15 the size of the object

346

00:17:26,870 --> 00:17:23,819

was amazing and I would guess that the

347

00:17:31,370 --> 00:17:26,880

diameter of the object was on the order

348

00:17:34,310 --> 00:17:31,380

of 200 yards that's a monster once I

349

00:17:36,470 --> 00:17:34,320

reached the airport and turned in my

350

00:17:37,730 --> 00:17:36,480

rental car and then got checked in for

351
00:17:39,560 --> 00:17:37,740
my flight

352
00:17:42,320 --> 00:17:39,570
I pulled out a couple of sheets of paper

353
00:17:45,230 --> 00:17:42,330
and immediately sketched out what I had

354
00:17:47,630 --> 00:17:45,240
seen and jotted my notes down as I sat

355
00:17:50,480 --> 00:17:47,640
in a quiet passenger lounge

356
00:17:54,049 --> 00:17:50,490
I finished my notes and sketch by 11:40

357
00:17:56,150 --> 00:17:54,059
a.m. that same morning oh that's a

358
00:17:59,030 --> 00:17:56,160
pretty cool one alright

359
00:18:04,270 --> 00:17:59,040
the next UFO sighting occurred in

360
00:18:08,030 --> 00:18:04,280
Maryland this happened October 6 2017 oh

361
00:18:10,669 --> 00:18:08,040
wow they say abducted saw the interior

362
00:18:14,270 --> 00:18:10,679
of the ship was white with a circular

363
00:18:17,660 --> 00:18:14,280

glass bottom in more detail and they

364

00:18:19,130 --> 00:18:17,670

have a lot I woke up at 1:30 a.m. to the

365

00:18:21,680 --> 00:18:19,140

sound of a break-in

366

00:18:24,049 --> 00:18:21,690

I grabbed my hand gun from my bedside

367

00:18:26,960 --> 00:18:24,059

drawer and went to the bedroom door to

368

00:18:30,290 --> 00:18:26,970

confront the intruder but was suddenly

369

00:18:34,850 --> 00:18:30,300

rendered unconscious as I touched the

370

00:18:38,919 --> 00:18:34,860

doorknob I woke up clothes --less and

371

00:18:42,500 --> 00:18:38,929

cold in a pill shaped glass container

372

00:18:44,990 --> 00:18:42,510

the lid was open so I was able to

373

00:18:45,650 --> 00:18:45,000

stumble out onto the floor around the

374

00:18:49,700 --> 00:18:45,660

container

375

00:18:51,590 --> 00:18:49,710

I felt drugged and could barely walk but

376

00:18:54,440 --> 00:18:51,600

I thought I'd been kidnapped by someone

377

00:18:57,860 --> 00:18:54,450

so I was urgently trying to find an

378

00:19:01,460 --> 00:18:57,870

escape route the room I was in was made

379

00:19:04,130 --> 00:19:01,470

of composite materials namely concrete

380

00:19:08,270 --> 00:19:04,140

and plastic with fluorescent lights was

381

00:19:11,780 --> 00:19:08,280

a cheap UFO I limped into a hallway that

382

00:19:15,980 --> 00:19:11,790

was tunnel shaped and fouled a blue glow

383

00:19:18,320 --> 00:19:15,990

coming from down the hall as I walked I

384

00:19:21,410 --> 00:19:18,330

came out of the tunnel and entered a

385

00:19:25,700 --> 00:19:21,420

large cylindrical room lined with

386

00:19:29,240 --> 00:19:25,710

vehicles on hooks along the walls they

387

00:19:32,150 --> 00:19:29,250

were human vehicles mostly Japanese and

388

00:19:34,880 --> 00:19:32,160

German cars motorcycles but some

389

00:19:38,030 --> 00:19:34,890

vehicles were clearly from the American

390

00:19:41,419 --> 00:19:38,040

military great in the center of the room

391

00:19:45,500 --> 00:19:41,429

was what looked like a metal tree that

392

00:19:49,010 --> 00:19:45,510

was six stories tall with glowing blue

393

00:19:51,590 --> 00:19:49,020

leaves but upon closer inspection this

394

00:19:54,590 --> 00:19:51,600

tree was a large metal

395

00:19:58,190 --> 00:19:54,600

cylinder and the leaves were capsules

396

00:20:00,620 --> 00:19:58,200

much like the one I'd woken up in except

397

00:20:06,080 --> 00:20:00,630

these still had people inside of them

398

00:20:07,789 --> 00:20:06,090

and were radiating a neon blue glow as I

399

00:20:11,570 --> 00:20:07,799

drew my eyes further up the tree I

400

00:20:15,200 --> 00:20:11,580

noticed some blue wires moving around in

401
00:20:17,299 --> 00:20:15,210
the dark area toward the ceiling these

402
00:20:20,990 --> 00:20:17,309
clumps of wires suddenly floated down

403
00:20:24,680 --> 00:20:21,000
towards me and turned to reveal that

404
00:20:29,000 --> 00:20:24,690
they had faces in them each with two

405
00:20:32,269 --> 00:20:29,010
large dark eyes and narrow slits for

406
00:20:35,899 --> 00:20:32,279
noses and mouths it's hard to describe

407
00:20:38,750 --> 00:20:35,909
yikes and I hate to put it this way but

408
00:20:43,340 --> 00:20:38,760
think of a stereotypical quote gray

409
00:20:47,240 --> 00:20:43,350
alien face and picture it floating in a

410
00:20:50,299 --> 00:20:47,250
tangled up mess of tentacles Wow there

411
00:20:53,330 --> 00:20:50,309
were three of them one smiling two

412
00:20:55,879 --> 00:20:53,340
frowning there was an exchange of words

413
00:20:59,570 --> 00:20:55,889

and charades between myself and the

414

00:21:02,779 --> 00:20:59,580

smiling one for roughly ten minutes but

415

00:21:05,419 --> 00:21:02,789

I was so exhausted and they were so

416

00:21:08,539 --> 00:21:05,429

advanced that there was no pertinent

417

00:21:12,529 --> 00:21:08,549

information shared between us I passed

418

00:21:16,100 --> 00:21:12,539

out then woke up again facedown in a

419

00:21:19,549 --> 00:21:16,110

puddle of my own drool on a glass floor

420

00:21:22,580 --> 00:21:19,559

I was too tired to move so I tilted my

421

00:21:25,220 --> 00:21:22,590

head up just enough to take a look

422

00:21:27,919 --> 00:21:25,230

around the room that was circular and

423

00:21:31,220 --> 00:21:27,929

was about a hundred and fifty square

424

00:21:34,549 --> 00:21:31,230

feet in size and a bright sterile white

425

00:21:37,340 --> 00:21:34,559

color one of the tentacle creatures was

426
00:21:40,159 --> 00:21:37,350
in the room but was busy facing away and

427
00:21:43,549 --> 00:21:40,169
operating a set of strange controls with

428
00:21:46,610 --> 00:21:43,559
no buttons or levers I laid my head back

429
00:21:50,210 --> 00:21:46,620
down but saw through the glass floor

430
00:21:54,430 --> 00:21:50,220
that we had risen out of a deep black

431
00:21:58,039 --> 00:21:54,440
hole that was dug into a grassy plain a

432
00:22:02,299 --> 00:21:58,049
rock shaped lid closed around the hole

433
00:22:05,350 --> 00:22:02,309
to cover it as we flew further up this

434
00:22:08,380 --> 00:22:05,360
is when I realized I was in a spacecraft

435
00:22:10,420 --> 00:22:08,390
and we had actually been in a silo of

436
00:22:14,260 --> 00:22:10,430
some sort that's here on earth somewhere

437
00:22:17,820 --> 00:22:14,270
I passed out and was awoken to the

438
00:22:22,480 --> 00:22:17,830

sensation of being dropped back first

439

00:22:25,870 --> 00:22:22,490

onto my bed with a hard thud I checked

440

00:22:29,770 --> 00:22:25,880

my phone and it read 6:30 a.m. the whole

441

00:22:32,530 --> 00:22:29,780

trip had been exactly five hours I'm not

442

00:22:35,860 --> 00:22:32,540

going into further detail but I found an

443

00:22:38,590 --> 00:22:35,870

object had been inserted and cauterized

444

00:22:41,440 --> 00:22:38,600

into my right leg and I had a run-in

445

00:22:44,620 --> 00:22:41,450

with some men in suits within four days

446

00:22:47,080 --> 00:22:44,630

of the abduction I've never believed in

447

00:22:50,410 --> 00:22:47,090

abductions or UFOs or men and black or

448

00:22:53,730 --> 00:22:50,420

any of that but now I've got no choice

449

00:22:57,130 --> 00:22:53,740

yeah thanks a lot aliens I'm annoyed

450

00:22:59,710 --> 00:22:57,140

that there's no official place to get

451
00:23:02,110 --> 00:22:59,720
legitimate information or help on this

452
00:23:05,140 --> 00:23:02,120
subject since the experience was

453
00:23:09,010 --> 00:23:05,150
traumatic and any kind of clarity would

454
00:23:11,290 --> 00:23:09,020
help fix that MUFON is the closest I've

455
00:23:14,200 --> 00:23:11,300
found so this is where I'm reporting

456
00:23:18,610 --> 00:23:14,210
this information hopefully it helps

457
00:23:21,760 --> 00:23:18,620
someone somewhere oh gosh you know I

458
00:23:25,420 --> 00:23:21,770
have got to say there needs to be more

459
00:23:27,550 --> 00:23:25,430
of a special response to people being

460
00:23:29,460 --> 00:23:27,560
abducted against their will since when

461
00:23:32,710 --> 00:23:29,470
is it okay for anyone to be abducted

462
00:23:34,420 --> 00:23:32,720
when if someone's complaining about it

463
00:23:36,310 --> 00:23:34,430

shouldn't our government be responding

464

00:23:41,520 --> 00:23:36,320

shouldn't someone be doing something

465

00:23:45,400 --> 00:23:41,530

saying something if anything I hope with

466

00:23:48,400 --> 00:23:45,410

sharing this story here and having these

467

00:23:50,140 --> 00:23:48,410

radio shows and I welcome people to

468

00:23:52,870 --> 00:23:50,150

write me about whatever it is at the

469

00:23:55,360 --> 00:23:52,880

experience and I will hopefully be able

470

00:23:58,200 --> 00:23:55,370

to lend some level-headed advice you're

471

00:24:01,900 --> 00:23:58,210

not alone the person that put this

472

00:24:04,960 --> 00:24:01,910

report on the MUFON site you are not

473

00:24:08,080 --> 00:24:04,970

alone it's a lot of people truly ticked

474

00:24:10,330 --> 00:24:08,090

out there and I'm one of them so welcome

475

00:24:12,820 --> 00:24:10,340

to the fold though it's a party no one

476

00:24:16,480 --> 00:24:12,830

wishes to be a part of and it's a new

477

00:24:18,799 --> 00:24:16,490

year all right so moving forward and

478

00:24:23,330 --> 00:24:18,809

keeping in the spirit of in

479

00:24:25,190 --> 00:24:23,340

aspiring stories of mystery we're gonna

480

00:24:28,879 --> 00:24:25,200

speak about some angel sightings how

481

00:24:32,659 --> 00:24:28,889

about that all right this first story is

482

00:24:35,840 --> 00:24:32,669

called morning Sun angel this person

483

00:24:39,139 --> 00:24:35,850

says it started with me keep seeing a

484

00:24:41,509 --> 00:24:39,149

figure at the end of my bed I also kept

485

00:24:44,360 --> 00:24:41,519

seeing purple green and white balls of

486

00:24:47,299 --> 00:24:44,370

light in my room at night one night I

487

00:24:50,119 --> 00:24:47,309

had just laid down suddenly I was

488

00:24:55,070 --> 00:24:50,129

outside staring at this woman who had

489

00:24:56,600 --> 00:24:55,080

long black hair her wings covered the

490

00:24:59,810 --> 00:24:56,610

whole of the sky

491

00:25:04,100 --> 00:24:59,820

she was massive I asked her what she

492

00:25:06,680 --> 00:25:04,110

wanted shouting at her she smiled and

493

00:25:09,649 --> 00:25:06,690

she told me she was an angel of the

494

00:25:13,369 --> 00:25:09,659

Morning Sun she flapped her wings three

495

00:25:16,399 --> 00:25:13,379

times and my body went all funny I was

496

00:25:19,879 --> 00:25:16,409

back in my room I could see myself lying

497

00:25:24,190 --> 00:25:19,889

in bed I was on my ceiling I was

498

00:25:26,749 --> 00:25:24,200

fighting and fell back into my body I

499

00:25:29,090 --> 00:25:26,759

straightaway research the angel of the

500

00:25:33,619 --> 00:25:29,100

Morning Sun and I found scriptures of

501
00:25:36,379 --> 00:25:33,629
her and pictures it was 100% the same

502
00:25:39,159 --> 00:25:36,389
angel I'm still freaked out to this day

503
00:25:41,480 --> 00:25:39,169
as I had never heard of her before and

504
00:25:44,330 --> 00:25:41,490
also didn't believe in this type of

505
00:25:48,109 --> 00:25:44,340
thing could anybody tell me why this

506
00:25:50,570 --> 00:25:48,119
happened to me would be great wow that's

507
00:25:53,930 --> 00:25:50,580
a fascinating one I could tell you this

508
00:25:56,180 --> 00:25:53,940
I have heard people who see angels on a

509
00:26:00,379 --> 00:25:56,190
regular basis how some of these angels

510
00:26:02,180 --> 00:26:00,389
are huge the size of mountains so yeah

511
00:26:04,220 --> 00:26:02,190
I'm not surprised with that story all

512
00:26:07,759 --> 00:26:04,230
right the next one is called bright

513
00:26:10,639 --> 00:26:07,769

light i sat in the garden with my

514

00:26:13,190 --> 00:26:10,649

seven-year-old son suddenly I could see

515

00:26:16,340 --> 00:26:13,200

in the corner of my eye a very bright

516

00:26:18,560 --> 00:26:16,350

light I looked to the left and down and

517

00:26:21,529 --> 00:26:18,570

the bright light was on an ornament

518

00:26:24,049 --> 00:26:21,539

angel in the flowerbed then suddenly the

519

00:26:26,899 --> 00:26:24,059

light disappeared I have looked on the

520

00:26:30,290 --> 00:26:26,909

net and it says I was visited by my

521

00:26:37,830 --> 00:26:34,400

this next story is called reaching out I

522

00:26:40,280 --> 00:26:37,840

was four years old I was in my brother's

523

00:26:44,250 --> 00:26:40,290

room crying this is when I heard a sweet

524

00:26:47,700 --> 00:26:44,260

voice call me I looked up towards the

525

00:26:50,790 --> 00:26:47,710

footboard and saw a woman with long hair

526

00:26:52,950 --> 00:26:50,800

lying on her right shoulder she had on a

527

00:26:55,920 --> 00:26:52,960

white flowing cloth with light blue

528

00:26:57,750 --> 00:26:55,930

trimming surrounding by a white mist her

529

00:27:00,030 --> 00:26:57,760

arms were extended out with her palms

530

00:27:04,260 --> 00:27:00,040

facing upward as if she wanted to

531

00:27:07,170 --> 00:27:04,270

embrace me she whispered towards me come

532

00:27:10,410 --> 00:27:07,180

with me I love you in Spanish

533

00:27:13,560 --> 00:27:10,420

I kept looking at her when I heard the

534

00:27:15,560 --> 00:27:13,570

bedroom door starting to open I screamed

535

00:27:18,810 --> 00:27:15,570

as I saw my mother walked into the room

536

00:27:21,810 --> 00:27:18,820

she ran to the bed and lifts me up into

537

00:27:23,400 --> 00:27:21,820

our arms and ran out of the room she sat

538

00:27:26,310 --> 00:27:23,410

down and started praying over me and

539

00:27:30,270 --> 00:27:26,320

kept pouring a sweet fragrance onto my

540

00:27:32,430 --> 00:27:30,280

head I was not afraid of the lady but I

541

00:27:34,620 --> 00:27:32,440

do not know what happened between the

542

00:27:37,410 --> 00:27:34,630

time the door was opening and when I

543

00:27:40,230 --> 00:27:37,420

started screaming we moved out several

544

00:27:42,690 --> 00:27:40,240

months later however to this day I know

545

00:27:46,100 --> 00:27:42,700

I have someone watching over me that was

546

00:27:49,200 --> 00:27:46,110

protecting me for something else

547

00:27:53,700 --> 00:27:49,210

the next story is called God answers our

548

00:27:55,860 --> 00:27:53,710

prayers in his timing I prayed that God

549

00:27:59,130 --> 00:27:55,870

would show me an angel and he did twice

550

00:28:01,200 --> 00:27:59,140

many years after I prayed for this both

551
00:28:03,780 --> 00:28:01,210
encounters happened when I was sleeping

552
00:28:05,940 --> 00:28:03,790
I suppose angels would come to visit us

553
00:28:07,740 --> 00:28:05,950
on occasion when we would be most

554
00:28:10,260 --> 00:28:07,750
relaxed and receptive to their

555
00:28:14,370 --> 00:28:10,270
visitations the first encounter I had

556
00:28:17,160 --> 00:28:14,380
was when I was in a dream state walking

557
00:28:20,220 --> 00:28:17,170
along a dark path at night then suddenly

558
00:28:22,950 --> 00:28:20,230
the entire environment setting lit up

559
00:28:25,220 --> 00:28:22,960
with incredibly pure bright light as if

560
00:28:29,460 --> 00:28:25,230
the Sun itself was shining on me

561
00:28:32,580 --> 00:28:29,470
suddenly I woke up but no one was in the

562
00:28:36,030 --> 00:28:32,590
dark bedroom that I could see so I asked

563
00:28:38,790 --> 00:28:36,040

in bewilderment what is it as if it was

564

00:28:42,450 --> 00:28:38,800

someone I was speaking to no voice her

565

00:28:45,269 --> 00:28:42,460

words came forth but the angel conveyed

566

00:28:48,869 --> 00:28:45,279

and pictures to my mind telepathically

567

00:28:51,869 --> 00:28:48,879

showing me that I left the side door of

568

00:28:55,049 --> 00:28:51,879

the garage open with a picture in my

569

00:28:57,629 --> 00:28:55,059

mind and then reminding me to close the

570

00:29:00,029 --> 00:28:57,639

door and to lock it ha ha ha

571

00:29:03,049 --> 00:29:00,039

so I thank the angel and got out of bed

572

00:29:07,830 --> 00:29:03,059

and sure enough the door was wide open

573

00:29:11,310 --> 00:29:07,840

that's interesting huh this next one is

574

00:29:12,810 --> 00:29:11,320

called red lights over this past few

575

00:29:15,389 --> 00:29:12,820

months when I have been at work I

576

00:29:17,970 --> 00:29:15,399

haven't counted a very intense red light

577

00:29:20,639 --> 00:29:17,980

which has shown for about four seconds

578

00:29:22,649 --> 00:29:20,649

and then disappeared when I have seen

579

00:29:25,080 --> 00:29:22,659

this light I have asked others present

580

00:29:28,289 --> 00:29:25,090

if they could see it but they all said

581

00:29:30,239 --> 00:29:28,299

no I wondered if I was seeing things

582

00:29:32,190 --> 00:29:30,249

oh I don't always say anything when it

583

00:29:33,989 --> 00:29:32,200

appears but a couple of weeks ago it

584

00:29:37,859 --> 00:29:33,999

appeared and one of the people present

585

00:29:40,230 --> 00:29:37,869

with me saw it in the building I work in

586

00:29:43,739 --> 00:29:40,240

it is impossible for this light to shine

587

00:29:45,419 --> 00:29:43,749

in I saw it again last night but no one

588

00:29:49,799 --> 00:29:45,429

else did okay that's an interesting

589

00:29:53,100 --> 00:29:49,809
