1  
00:00:06,050 --> 00:00:02,450  
welcome welcome to UFO headline news

2  
00:00:09,520 --> 00:00:06,060  
with me Heidi Hollis today is Saturday

3  
00:00:12,320 --> 00:00:09,530  
December 30th 2017

4  
00:00:17,330 --> 00:00:12,330  
all right beginning we're gonna blast

5  
00:00:20,960 --> 00:00:17,340  
off with some UFO reports black triangle

6  
00:00:22,580 --> 00:00:20,970  
sighting in do modus Allah piment day

7  
00:00:26,839 --> 00:00:22,590  
whoa okay

8  
00:00:30,589 --> 00:00:26,849  
this is a UFO blast from the past

9  
00:00:35,389 --> 00:00:30,599  
this occurred November 25th 2014

10  
00:00:37,970 --> 00:00:35,399  
two black triangles perfect in more

11  
00:00:41,209 --> 00:00:37,980  
detail the witness states I saw two dark

12  
00:00:44,330 --> 00:00:41,219  
triangles 500 meters above my head as

13  
00:00:48,110 --> 00:00:44,340

soon as I saw them I remember that I was

14

00:00:50,720 --> 00:00:48,120

cursing I thought that the crappy

15

00:00:54,680 --> 00:00:50,730

Americans were trying their vehicles oh

16

00:00:57,740 --> 00:00:54,690

great then in a few seconds the leaders

17

00:01:00,529 --> 00:00:57,750

were gliding and it was impossible they

18

00:01:04,009 --> 00:01:00,539

were too huge and they were 6 meters

19

00:01:07,850 --> 00:01:04,019

thick they had to stall their engines

20

00:01:09,920 --> 00:01:07,860

were three white spherical lights but

21

00:01:13,700 --> 00:01:09,930

they were made of electricity and did

22

00:01:15,880 --> 00:01:13,710

not emit noise lasted 30 seconds and

23

00:01:19,399 --> 00:01:15,890

then on the back while pointing towards

24

00:01:23,570 --> 00:01:19,409

Switzerland I noticed of the square

25

00:01:30,109 --> 00:01:23,580

windows two rows of eight light windows

26  
00:01:31,370 --> 00:01:30,119  
normal neon house okay really cut up

27  
00:01:34,340 --> 00:01:31,380  
here I'm doing my best

28  
00:01:37,640 --> 00:01:34,350  
and suddenly Hemisphere and electric

29  
00:01:40,280 --> 00:01:37,650  
blue flash and disappeared I was shocked

30  
00:01:43,880 --> 00:01:40,290  
in front of them there was a mountain of

31  
00:01:47,300 --> 00:01:43,890  
3000 meters and even today I do not know

32  
00:01:50,920 --> 00:01:47,310  
if they are teleported or so I only know

33  
00:01:54,230 --> 00:01:50,930  
that they were not humanly conceivable

34  
00:01:58,039 --> 00:01:54,240  
okay well and that sighting again that

35  
00:02:00,620 --> 00:01:58,049  
was in Domo DOS Allah P Monte something

36  
00:02:04,039 --> 00:02:00,630  
like that I don't know ok moving on to

37  
00:02:07,370 --> 00:02:04,049  
the next UFO sighting this occurred in

38  
00:02:09,020 --> 00:02:07,380

Houstonian Missouri this is another UFO

39

00:02:13,870 --> 00:02:09,030

blast from the past

40

00:02:16,330 --> 00:02:13,880

this occurred October 31st 2011

41

00:02:20,200 --> 00:02:16,340

unintentional capturing of image on my

42

00:02:23,710 --> 00:02:20,210

phone while taking photo of geese saw a

43

00:02:26,590 --> 00:02:23,720

black blip the instant I took the photo

44

00:02:29,260 --> 00:02:26,600

in more detail they state while on a

45

00:02:31,300 --> 00:02:29,270

casual morning drive in a rural area

46

00:02:34,360 --> 00:02:31,310

very close to where I lived

47

00:02:37,720 --> 00:02:34,370

I spotted what seemed to be thousands of

48

00:02:40,150 --> 00:02:37,730

Canadian and snow geese spiraling above

49

00:02:42,910 --> 00:02:40,160

a lake just a few hundred yards off the

50

00:02:46,060 --> 00:02:42,920

blacktop I was traveling on I remember

51  
00:02:48,580 --> 00:02:46,070  
thinking how awesome this site was as it

52  
00:02:51,580 --> 00:02:48,590  
resembled a large vortex over the water

53  
00:02:54,340 --> 00:02:51,590  
so I decided to pull over to the side of

54  
00:02:57,400 --> 00:02:54,350  
the road and take a few photos with my

55  
00:03:00,610 --> 00:02:57,410  
phone I walked around to the passenger

56  
00:03:04,630 --> 00:03:00,620  
side of my pickup and held my phone up

57  
00:03:06,790 --> 00:03:04,640  
and focused on the lake and geese the

58  
00:03:09,820 --> 00:03:06,800  
instant I pressed the touchscreen to

59  
00:03:12,760 --> 00:03:09,830  
capture the image I saw a blip or a

60  
00:03:15,460 --> 00:03:12,770  
black flash out of the corner of my left

61  
00:03:18,790 --> 00:03:15,470  
eye I remember having a strange

62  
00:03:21,670 --> 00:03:18,800  
sensation so I in an almost frantic

63  
00:03:25,240 --> 00:03:21,680

fashion got back into my pickup and

64

00:03:27,880 --> 00:03:25,250

drove off I didn't look at the photo I

65

00:03:30,190 --> 00:03:27,890

took for several hours afterward not

66

00:03:32,560 --> 00:03:30,200

because I didn't want to but because it

67

00:03:37,060 --> 00:03:32,570

seemed to have no importance compared to

68

00:03:38,380 --> 00:03:37,070

that blip but then I looked and saw what

69

00:03:43,720 --> 00:03:38,390

I could not explain

70

00:03:46,720 --> 00:03:43,730

I had captured on film a UFO I have

71

00:03:49,420 --> 00:03:46,730

showed my photo of whatever it is to

72

00:03:51,700 --> 00:03:49,430

several people who have provided many

73

00:03:55,480 --> 00:03:51,710

different explanations but none of which

74

00:03:58,570 --> 00:03:55,490

are acceptable to me I do not know what

75

00:04:02,680 --> 00:03:58,580

the object was I know it was there and

76

00:04:05,470 --> 00:04:02,690

gone in a flash I know it was in the sky

77

00:04:08,980 --> 00:04:05,480

using some form of flight and propulsion

78

00:04:09,930 --> 00:04:08,990

I am not aware of and I know it scared

79

00:04:13,150 --> 00:04:09,940

me a little

80

00:04:14,980 --> 00:04:13,160

Whiteman Air Force Base is located just

81

00:04:20,800 --> 00:04:14,990

to the west of where the photo was taken

82

00:04:24,130 --> 00:04:20,810

maybe they hold the wrong answer okay

83

00:04:25,250 --> 00:04:24,140

thank you yeah they spelled answer right

84

00:04:28,940 --> 00:04:25,260

answer

85

00:04:32,210 --> 00:04:28,950

all right moving on next UFO sighting

86

00:04:36,620 --> 00:04:32,220

occurred in Myrtle Beach South Carolina

87

00:04:39,320 --> 00:04:36,630

this happened October 1st 2016 not too

88

00:04:43,210 --> 00:04:39,330

long ago in brief they say I saw a beam

89

00:04:47,060 --> 00:04:43,220

in the clouds and a disc-shaped object

90

00:04:50,030 --> 00:04:47,070

in more detail they say I saw a beam

91

00:04:52,700 --> 00:04:50,040

coming from clouds I took a picture of

92

00:04:55,360 --> 00:04:52,710

the clouds and only later upon looking

93

00:04:58,970 --> 00:04:55,370

at the photos I noticed that there are

94

00:05:03,670 --> 00:04:58,980

UFOs in the pictures these pictures were

95

00:05:07,460 --> 00:05:03,680

taken on my cell phone while in my car

96

00:05:09,230 --> 00:05:07,470

the next joyful sighting the person

97

00:05:12,800 --> 00:05:09,240

States black triangle sighting in

98

00:05:15,190 --> 00:05:12,810

capital Federal Way knows Eris this

99

00:05:18,860 --> 00:05:15,200

occurred December 16th

100

00:05:21,680 --> 00:05:18,870

2017 triangular unidentified flying

101  
00:05:23,960 --> 00:05:21,690  
object in more detail they say hi there

102  
00:05:26,150 --> 00:05:23,970  
it was a very hot day in Buenos Aires

103  
00:05:29,510 --> 00:05:26,160  
and me and my wife went out to the roof

104  
00:05:31,850 --> 00:05:29,520  
to lie down she was on her phone I was

105  
00:05:34,610 --> 00:05:31,860  
just watching Orion's belt and serious

106  
00:05:37,520 --> 00:05:34,620  
all of a sudden I saw what I thought

107  
00:05:40,820 --> 00:05:37,530  
first a group of bright stars moving

108  
00:05:44,720 --> 00:05:40,830  
together that was my first thought then

109  
00:05:47,330 --> 00:05:44,730  
I realize that it was not I was lying

110  
00:05:49,940 --> 00:05:47,340  
down I told my wife to look we both

111  
00:05:52,430 --> 00:05:49,950  
jumped and run to the other side of the

112  
00:05:55,070 --> 00:05:52,440  
roof to follow it it was coming from

113  
00:05:58,610 --> 00:05:55,080

east and heading west very silent very

114

00:06:01,370 --> 00:05:58,620

low and very low speed I worked in

115

00:06:04,580 --> 00:06:01,380

Airlines before and I am an aviation

116

00:06:07,010 --> 00:06:04,590

enthusiast there is no way that this

117

00:06:10,130 --> 00:06:07,020

object was an airplane or any other

118

00:06:14,330 --> 00:06:10,140

thing that I know it was transparent and

119

00:06:17,150 --> 00:06:14,340

had lights down I am not sure if it had

120

00:06:17,660 --> 00:06:17,160

like five or seven lights when I first

121

00:06:20,380 --> 00:06:17,670

saw it

122

00:06:23,810 --> 00:06:20,390

the lights were very visible and strong

123

00:06:26,630 --> 00:06:23,820

then it reduced the light to a quarter I

124

00:06:29,240 --> 00:06:26,640

would say then I lost vision of it

125

00:06:31,940 --> 00:06:29,250

behind a tall building I kept telling my

126

00:06:34,040 --> 00:06:31,950

wife did you see that another thing I

127

00:06:36,920 --> 00:06:34,050

did immediately after it disappeared is

128

00:06:39,290 --> 00:06:36,930

checking flight radar website to see if

129

00:06:42,680 --> 00:06:39,300

there were any planes flying around that

130

00:06:45,770 --> 00:06:42,690

at the time I could not find any which

131

00:06:49,460 --> 00:06:45,780

means that thing was not captured by the

132

00:06:52,430 --> 00:06:49,470

radar slight radar is very accurate I

133

00:06:57,339 --> 00:06:52,440

use it all the time if anybody saw that

134

00:07:00,800 --> 00:06:57,349

- I hope that they will report it okay

135

00:07:03,619 --> 00:07:00,810

the next UFO sighting occurred in

136

00:07:09,140 --> 00:07:03,629

Seabrook in New Hampshire this occurred

137

00:07:12,320 --> 00:07:09,150

October 20th 2017 headed from direction

138

00:07:14,540 --> 00:07:12,330

of Sun glided and slowed ascended and

139

00:07:18,860 --> 00:07:14,550

descended vanished then a second one

140

00:07:21,770 --> 00:07:18,870

came in pursuit of companion or first

141

00:07:25,430 --> 00:07:21,780

four minutes after first one okay

142

00:07:28,420 --> 00:07:25,440

and more detail witness dates lying on

143

00:07:31,850 --> 00:07:28,430

hammock in my yard with eyes closed

144

00:07:36,140 --> 00:07:31,860

opened my eyes after seeing a vision of

145

00:07:39,640 --> 00:07:36,150

a craft a craft was heading away from

146

00:07:43,100 --> 00:07:39,650

direction of the Sun when I first saw it

147

00:07:46,129 --> 00:07:43,110

shaped oval or like kidney bean or

148

00:07:49,790 --> 00:07:46,139

football varies and photos I took I

149

00:07:53,480 --> 00:07:49,800

thought wow that's awesome I had just

150

00:07:55,430 --> 00:07:53,490

had a vision and there is a craft I got

151  
00:07:57,769 --> 00:07:55,440  
my phone it took some pictures in last

152  
00:08:00,769 --> 00:07:57,779  
picture of first craft it appeared to

153  
00:08:02,689 --> 00:08:00,779  
have been sucked in or traveled up into

154  
00:08:06,200 --> 00:08:02,699  
a beam of light which came from very

155  
00:08:09,619 --> 00:08:06,210  
high in the sky to the northwest the Sun

156  
00:08:12,110 --> 00:08:09,629  
was lower in southwest sky I didn't see

157  
00:08:14,480 --> 00:08:12,120  
it vanish it just vanished

158  
00:08:16,369 --> 00:08:14,490  
the picture of the beams of light from

159  
00:08:18,890 --> 00:08:16,379  
opposite direction of Sun is why I

160  
00:08:22,459 --> 00:08:18,900  
consider it possible it travelled in the

161  
00:08:25,309 --> 00:08:22,469  
light I don't know or state that has

162  
00:08:28,809 --> 00:08:25,319  
definite fact four minutes later a

163  
00:08:33,350 --> 00:08:28,819

second craft followed it in pursuit of

164

00:08:38,000 --> 00:08:33,360

conjunction it may have been a small jet

165

00:08:41,839 --> 00:08:38,010

or a rocket I photograph that also two

166

00:08:45,949 --> 00:08:41,849

days later I had an abduction experience

167

00:08:48,920 --> 00:08:45,959

and ended up in the ER on October 23rd

168

00:08:52,850 --> 00:08:48,930

in Exeter New Hampshire Wow

169

00:08:55,400 --> 00:08:52,860

I had bite marks of unknown origin

170

00:08:58,460 --> 00:08:55,410

on lower abdomen which are consistent

171

00:09:01,400 --> 00:08:58,470

and location with the immense pain I

172

00:09:05,360 --> 00:09:01,410

felt during the abduction which took

173

00:09:07,850 --> 00:09:05,370

place between 3 to 4 a.m. on the 22nd of

174

00:09:11,180 --> 00:09:07,860

October oh that's different

175

00:09:14,900 --> 00:09:11,190

huh bite marks kinda kinky aliens are

176  
00:09:17,090 --> 00:09:14,910  
these it was absolutely the most painful

177  
00:09:20,240 --> 00:09:17,100  
and upsetting abduction or encounter I

178  
00:09:23,420 --> 00:09:20,250  
have ever had a cat scan was performed

179  
00:09:27,259 --> 00:09:23,430  
to ensure no life-threatening injury to

180  
00:09:29,030 --> 00:09:27,269  
abdomen the bite mark was noted but no

181  
00:09:31,810 --> 00:09:29,040  
aunt menteur medical care was provided

182  
00:09:34,130 --> 00:09:31,820  
to the location of external injury

183  
00:09:37,069 --> 00:09:34,140  
saline and pain medicines were

184  
00:09:40,040 --> 00:09:37,079  
administered at hospital superficial

185  
00:09:43,340 --> 00:09:40,050  
burn was on my neck posterior and

186  
00:09:46,699 --> 00:09:43,350  
inferior to right ear this was not the

187  
00:09:48,910 --> 00:09:46,709  
first time I'd been at the ER after an

188  
00:09:51,949 --> 00:09:48,920

abduction and had a fever and

189

00:09:56,530 --> 00:09:51,959

unexplainable wounds with recollection

190

00:10:00,170 --> 00:09:56,540

of the abduction event October 20th 2016

191

00:10:03,470 --> 00:10:00,180

accurate within a day after five days of

192

00:10:06,319 --> 00:10:03,480

feeling very sick I went to ER the date

193

00:10:09,259 --> 00:10:06,329

of the visit to ER was approximately

194

00:10:11,180 --> 00:10:09,269

five days after that abduction was the

195

00:10:13,340 --> 00:10:11,190

last time I'm certain the abduction was

196

00:10:17,079 --> 00:10:13,350

the cause of the injuries and fever and

197

00:10:21,230 --> 00:10:17,089

pain sick feeling my body has become

198

00:10:23,509 --> 00:10:21,240

sensitive my skin is sensitive to Sun

199

00:10:26,389 --> 00:10:23,519

and wind and my body doesn't regulate

200

00:10:29,389 --> 00:10:26,399

body temperature very well I have a fan

201  
00:10:32,870 --> 00:10:29,399  
on me at least 20 hours a day otherwise

202  
00:10:34,759 --> 00:10:32,880  
I get hot and begin sweating I'll send

203  
00:10:37,069 --> 00:10:34,769  
the photo separately I posted them and

204  
00:10:39,829 --> 00:10:37,079  
then decided to take them down due to

205  
00:10:42,170 --> 00:10:39,839  
Terms of Use the photos are available

206  
00:10:45,410 --> 00:10:42,180  
for you to viewed but I'd rather reserve

207  
00:10:48,100 --> 00:10:45,420  
the rights to my photographs I won't

208  
00:10:51,130 --> 00:10:48,110  
blame you huh interesting sounds like

209  
00:10:54,319 --> 00:10:51,140  
some kind of radiation exposure going on

210  
00:10:58,630 --> 00:10:54,329  
yikes oh gosh you don't hear very many

211  
00:11:03,829 --> 00:10:58,640  
abductions anymore just saying alright

212  
00:11:05,390 --> 00:11:03,839  
moving on to the next UFO sighting black

213  
00:11:12,140 --> 00:11:05,400

triangle sighting in

214

00:11:12,950 --> 00:11:12,150

Scottie ax Co de Co de Pennsylvania this

215

00:11:17,390 --> 00:11:12,960

occurred

216

00:11:20,090 --> 00:11:17,400

December 21st 2017 driving home evening

217

00:11:24,500 --> 00:11:20,100

saw bright star that started to dip and

218

00:11:28,370 --> 00:11:24,510

sway but not move had lights under its

219

00:11:31,850 --> 00:11:28,380

shape of fat triangle with around

220

00:11:33,829 --> 00:11:31,860

circles of light in more detail the

221

00:11:37,910 --> 00:11:33,839

witness states I was driving home the

222

00:11:42,050 --> 00:11:37,920

evening of Thursday December 21st 2017

223

00:11:45,260 --> 00:11:42,060

coming off of Route 33 north of Layton

224

00:11:49,250 --> 00:11:45,270

exit and was struck by how bright a star

225

00:11:51,380 --> 00:11:49,260

was there were two stars next to each

226

00:11:54,140 --> 00:11:51,390

other but one was brighter than the

227

00:11:56,750 --> 00:11:54,150

other I thought they were stars since

228

00:11:58,640 --> 00:11:56,760

they were not moving I like to see where

229

00:12:01,550 --> 00:11:58,650

the moon was and it was on the opposite

230

00:12:04,220 --> 00:12:01,560

side from them as I was staring up at

231

00:12:06,290 --> 00:12:04,230

the brightest of the two stars the one

232

00:12:11,210 --> 00:12:06,300

on the right which was the very bright

233

00:12:15,160 --> 00:12:11,220

one started to dip or so that I could

234

00:12:18,290 --> 00:12:15,170

actually see the shape which was a fat

235

00:12:22,160 --> 00:12:18,300

triangle with rounded tips to the

236

00:12:24,380 --> 00:12:22,170

triangle instead of points as I was

237

00:12:27,110 --> 00:12:24,390

watching this still trying to decipher

238

00:12:29,510 --> 00:12:27,120

what I was actually viewing and it

239

00:12:33,410 --> 00:12:29,520

wasn't a plane not moving just a second

240

00:12:36,260 --> 00:12:33,420

of dip to see shape it dipped to the

241

00:12:39,320 --> 00:12:36,270

other side then upright again as it

242

00:12:43,340 --> 00:12:39,330

dipped for a few seconds I saw the

243

00:12:48,530 --> 00:12:43,350

underside to have three large circle of

244

00:12:50,780 --> 00:12:48,540

Lights at each rounded tip I then had to

245

00:12:53,449 --> 00:12:50,790

keep driving so I don't know what

246

00:12:56,690 --> 00:12:53,459

happened after that it was not moving at

247

00:12:59,810 --> 00:12:56,700

all and was definitely very bright like

248

00:13:03,380 --> 00:12:59,820

a star but dipped and swayed to show

249

00:13:06,110 --> 00:13:03,390

shape of a fat triangle with rounded

250

00:13:06,530 --> 00:13:06,120

tips and at each tip circular set of

251  
00:13:09,860 --> 00:13:06,540  
lights

252  
00:13:12,140 --> 00:13:09,870  
I felt that I looked for anything that

253  
00:13:14,300 --> 00:13:12,150  
it could be and it didn't fit any of

254  
00:13:18,050 --> 00:13:14,310  
those things not a plane not a star no

255  
00:13:22,620 --> 00:13:21,960  
next UFO sighting in Los Angeles

256  
00:13:28,020 --> 00:13:22,630  
California

257  
00:13:30,300 --> 00:13:28,030  
this occurred December 26 2017 red light

258  
00:13:32,340 --> 00:13:30,310  
ascended above moon waited 10 minutes

259  
00:13:37,290 --> 00:13:32,350  
while changing colors then defied the

260  
00:13:42,060 --> 00:13:37,300  
laws of Newtonian physics in more detail

261  
00:13:45,150 --> 00:13:42,070  
the witness states December 23rd 2017

262  
00:13:48,630 --> 00:13:45,160  
Los Angeles a single large red light

263  
00:13:51,960 --> 00:13:48,640

flew upward amidst the normal lacks

264

00:13:54,450 --> 00:13:51,970

traffic towards the moon once it got

265

00:13:57,930 --> 00:13:54,460

into position it stopped and just sat

266

00:14:00,990 --> 00:13:57,940

there in one position for a good 10

267

00:14:04,590 --> 00:14:01,000

minutes during this time it was mostly

268

00:14:07,200 --> 00:14:04,600

this really deep bright red but would

269

00:14:09,930 --> 00:14:07,210

turn green for a few seconds every now

270

00:14:14,220 --> 00:14:09,940

and then and sometimes it would just

271

00:14:16,350 --> 00:14:14,230

turn completely off disappear then in

272

00:14:18,960 --> 00:14:16,360

the course of about 3 seconds it went

273

00:14:22,380 --> 00:14:18,970

from the full stopped position to

274

00:14:27,000 --> 00:14:22,390

position countless miles away then

275

00:14:30,060 --> 00:14:27,010

stopped on a dime mind you it did not

276  
00:14:33,480 --> 00:14:30,070  
just go out and appear miles away nor

277  
00:14:35,960 --> 00:14:33,490  
did it accelerate and decelerate you

278  
00:14:38,940 --> 00:14:35,970  
just see this red dot just kind of

279  
00:14:42,690 --> 00:14:38,950  
casually travel this large distance with

280  
00:14:45,300 --> 00:14:42,700  
ease then come to a complete stop it

281  
00:14:47,360 --> 00:14:45,310  
then traveled all the way across the

282  
00:14:50,400 --> 00:14:47,370  
horizon to the other direction

283  
00:14:53,100 --> 00:14:50,410  
descending and moving horizontally in

284  
00:14:58,020 --> 00:14:53,110  
funky patterns it's kind of hard to

285  
00:14:59,400 --> 00:14:58,030  
describe this last part this next your

286  
00:15:01,410 --> 00:14:59,410  
foe sighting happened

287  
00:15:03,390 --> 00:15:01,420

of a UFO blast from the past it's

308  
00:15:47,040 --> 00:15:43,930  
occurred November 20th 2015 and they are

309  
00:15:49,530 --> 00:15:47,050

a silver triangle another is a small

313  
00:16:01,079 --> 00:15:58,690

324

00:16:30,740 --> 00:16:28,300

air waves and also lights creating a

325

00:16:34,620 --> 00:16:30,750

horseshoe type shape which was created

326

00:16:37,410 --> 00:16:34,630

for reasons with an aircraft and also

327

00:16:41,850 --> 00:16:37,420

aircraft beams of radiation you can

328

00:16:43,889 --> 00:16:41,860

contact me by phone number okay anyways

329

moving on you guys can look that one up

330

00:16:49,740 --> 00:16:47,500

or not UFO headline news calm we have

331

00:16:53,660 --> 00:16:49,750

all the links to everything I'm reading

332

00:17:00,540 --> 00:16:53,670

here next your foe sighting in white

333

00:17:03,449 --> 00:17:00,550

Georgia December 26 2017 in brief the

334

00:17:03,840 --> 00:17:03,459

witness states saw a bright light in the

335

00:17:07,350 --> 00:17:03,850

sky

336

00:17:10,230 --> 00:17:07,360

move slowly twice the size of Venus look

337

00:17:13,980 --> 00:17:10,240

to see what satellite it was with an app

338

00:17:16,350 --> 00:17:13,990

then looked up and it was gone I was

339

00:17:19,079 --> 00:17:16,360

looking for Orion's belt and saw it in

340

00:17:21,840 --> 00:17:19,089

that area in more detail the witness

341

00:17:24,780 --> 00:17:21,850

states I was walking my dogs and wanted

342

00:17:28,290 --> 00:17:24,790

to see Orion's belt and there was this

343

00:17:31,860 --> 00:17:28,300

huge star twice the size of Venus just

344

00:17:34,590 --> 00:17:31,870

figured out where it was and like to see

345

00:17:37,290 --> 00:17:34,600

it I guess I had too many lights on so

346

00:17:39,480 --> 00:17:37,300

not too many stars were out but when I

347

00:17:42,150 --> 00:17:39,490

looked for a Ryan's belt there was this

348

00:17:45,390 --> 00:17:42,160

light in the sky so I watched it for a

349

00:17:49,410 --> 00:17:45,400

while to see if it was moving and it was

350

00:17:51,540 --> 00:17:49,420

but slowly a little big for a satellite

351  
00:17:54,390 --> 00:17:51,550  
but I thought I would take out my phone

352  
00:17:57,750 --> 00:17:54,400  
and check the app that shows that when I

353  
00:18:01,440 --> 00:17:57,760  
took the phone to point it - it was gone

354  
00:18:03,480 --> 00:18:01,450  
so I didn't get to see it leave just a

355  
00:18:06,150 --> 00:18:03,490  
white light much brighter than anything

356  
00:18:08,310 --> 00:18:06,160  
else in the sky except for the moon no

357  
00:18:11,370 --> 00:18:08,320  
red or another color lights coming from

358  
00:18:14,510 --> 00:18:11,380  
it I go out at that time most nights

359  
00:18:18,270 --> 00:18:14,520  
give or take a few minutes

360  
00:18:21,590 --> 00:18:18,280  
okie-dokie the next UFO sighting

361  
00:18:26,700 --> 00:18:21,600  
this happened in Southbury Connecticut

362  
00:18:29,640 --> 00:18:26,710  
December 26 2017 in brief the witness

363  
00:18:34,230 --> 00:18:29,650

states observed bright star like object

364

00:18:37,260 --> 00:18:34,240

mile north of exit 15 on i-84 object

365

00:18:40,950 --> 00:18:37,270

rapidly turned west then quickly went

366

00:18:44,730 --> 00:18:40,960

east in more detail driving north to

367

00:18:47,280 --> 00:18:44,740

Waterbury on i-84 Connecticut I observed

368

00:18:51,510 --> 00:18:47,290

what I first thought was an extremely

369

00:18:55,080 --> 00:18:51,520

bright star the object then so quickly

370

00:18:57,360 --> 00:18:55,090

went east only a little bit if I would

371

00:19:01,590 --> 00:18:57,370

guess the object was a mile or two miles

372

00:19:05,730 --> 00:19:01,600

north of exit 15 then it moved 5 inches

373

00:19:08,370 --> 00:19:05,740

left from my line of sight I guess a

374

00:19:12,330 --> 00:19:08,380

football-sized length unsure because I

375

00:19:16,530 --> 00:19:12,340

am unsure the size of the object then it

376

00:19:18,620 --> 00:19:16,540

moved east northeast even more quickly

377

00:19:22,590 --> 00:19:18,630

until it disappeared behind the trees

378

00:19:24,570 --> 00:19:22,600

this is my second UFO sighting my second

379

00:19:27,870 --> 00:19:24,580

that I've reported this year to MUFON

380

00:19:30,480 --> 00:19:27,880

although my first took place years ago

381

00:19:32,220 --> 00:19:30,490

I have kept my eyes searching my heart

382

00:19:35,670 --> 00:19:32,230

desperately wanted to see what I saw

383

00:19:38,100 --> 00:19:35,680

years ago I was not looking for a UFO I

384

00:19:41,040 --> 00:19:38,110

thought at first it was a star until it

385

00:19:46,290 --> 00:19:41,050

moved in an impossible aerial manner for

386

00:19:48,960 --> 00:19:46,300

any man or flying vehicle it was over

387

00:19:51,600 --> 00:19:48,970

before I could even grasp what I was

388

00:19:53,730 --> 00:19:51,610

seeing I can't imagine that I was the

389

00:19:56,280 --> 00:19:53,740

only one who saw this as there were many

390

00:19:58,350 --> 00:19:56,290

cars on the highway and it was

391

00:20:01,590 --> 00:19:58,360

impossible to not notice

392

00:20:04,200 --> 00:20:01,600

looking ahead which was a straight part

393

00:20:09,390 --> 00:20:04,210

of highway at that point which makes the

394

00:20:11,480 --> 00:20:09,400

objects turn not an illusion okay I just

395

00:20:14,340 --> 00:20:11,490

read this stuff there are words missing

396

00:20:17,370 --> 00:20:14,350

people write them I read them as they

397

00:20:20,670 --> 00:20:17,380

write them there was an airport nearby

398

00:20:23,910 --> 00:20:20,680

but given the movements I know it was

399

00:20:27,600 --> 00:20:23,920

not a plane okay hopefully it came up on

400

00:20:29,430 --> 00:20:27,610

the radar for the airport this event was

401  
00:20:33,240 --> 00:20:29,440  
not better than my first sighting of

402  
00:20:36,210 --> 00:20:33,250  
three objects and so much shorter I am

403  
00:20:39,300 --> 00:20:36,220  
so glad to have seen another I hope that

404  
00:20:39,630 --> 00:20:39,310  
if anyone else saw this that they report

405  
00:20:43,530 --> 00:20:39,640  
it

406  
00:20:45,570 --> 00:20:43,540  
to validate my sighting before I saw my

407  
00:20:50,250 --> 00:20:45,580  
first sighting I thought UFO sightings

408  
00:20:53,640 --> 00:20:50,260  
were lies or delusions but then I became

409  
00:20:55,770 --> 00:20:53,650  
a believer real quick mm-hmm I'd

410  
00:20:58,710 --> 00:20:55,780  
sometimes see objects at first having

411  
00:21:00,660 --> 00:20:58,720  
hope it's another UFO only to be

412  
00:21:04,650 --> 00:21:00,670  
disappointed and observing it as

413  
00:21:06,920 --> 00:21:04,660

something I'm identifiable which only

414

00:21:11,760 --> 00:21:06,930

made me upset to tell the truth but

415

00:21:13,950 --> 00:21:11,770

tonight was very amazing not as much as

416

00:21:16,140 --> 00:21:13,960

my first sighting which by searching I'm

417

00:21:19,530 --> 00:21:16,150

sure you'll find my description of those

418

00:21:21,840 --> 00:21:19,540

objects which is lengthy to add to my

419

00:21:24,930 --> 00:21:21,850

giddiness is the admission of the

420

00:21:28,680 --> 00:21:24,940

Pentagon's UFO program and release of

421

00:21:30,540 --> 00:21:28,690

the jet UFO chase off the coast of San

422

00:21:34,400 --> 00:21:30,550

Diego I hear you on that one

423

00:21:39,060 --> 00:21:34,410

which has made my hopes of disclosure

424

00:21:40,020 --> 00:21:39,070

boiling bless what you guys do here and

425

00:21:48,620 --> 00:21:40,030

Happy Holidays

426

00:21:54,540 --> 00:21:48,630

and oh what I saw was not Santa okay

427

00:21:58,350 --> 00:21:54,550

okay moving on the next UFO sighting

428

00:22:02,190 --> 00:21:58,360

occurred in Lake more Illinois this

429

00:22:04,440 --> 00:22:02,200

happened December 26 2017 and brief the

430

00:22:06,480 --> 00:22:04,450

witness says I walked outside and was

431

00:22:10,380 --> 00:22:06,490

looking at the sky and saw a bright

432

00:22:12,090 --> 00:22:10,390

light turn and then disappear and more

433

00:22:13,860 --> 00:22:12,100

detail they say well I was

434

00:22:17,070 --> 00:22:13,870

goodbye to my girlfriend and as I walked

435

00:22:19,110 --> 00:22:17,080

outside because she said to feel how

436

00:22:22,110 --> 00:22:19,120

cold it was I looked up into the sky to

437

00:22:25,080 --> 00:22:22,120

see a bright light in between the stars

438

00:22:28,590 --> 00:22:25,090

above my head thinking that it was a

439

00:22:31,710 --> 00:22:28,600

star I brushed it away and then as soon

440

00:22:34,110 --> 00:22:31,720

as I was about to look away it started

441

00:22:36,750 --> 00:22:34,120

heading north turned around and headed

442

00:22:41,250 --> 00:22:36,760

south my girlfriend did not witness it

443

00:22:43,340 --> 00:22:41,260

and does not believe me the next UFO

444

00:22:47,610 --> 00:22:43,350

sighting occurred in Belvedere

445

00:22:52,860 --> 00:22:47,620

California December 26 2017

446

00:22:56,220 --> 00:22:52,870

area above San Francisco Bay amongst San

447

00:22:59,549 --> 00:22:56,230

Francisco flight paths only moves when

448

00:23:02,100 --> 00:22:59,559

planes start to fly near in more detail

449

00:23:04,680 --> 00:23:02,110

they stayed I was working security and

450

00:23:08,310 --> 00:23:04,690

San Rafael with clear view of the sky

451  
00:23:10,470 --> 00:23:08,320  
above the bay turn three hours

452  
00:23:13,200 --> 00:23:10,480  
I witnessed approximately a hundred

453  
00:23:16,919 --> 00:23:13,210  
planes landing and taking off from San

454  
00:23:19,260 --> 00:23:16,929  
Francisco area except for one at first

455  
00:23:22,740 --> 00:23:19,270  
it looked just like a star but as a

456  
00:23:25,649 --> 00:23:22,750  
plane approached it lazily drifted more

457  
00:23:28,140 --> 00:23:25,659  
to the west from my perspective out of

458  
00:23:31,500 --> 00:23:28,150  
the planes way or something and then

459  
00:23:34,020 --> 00:23:31,510  
stays put flashing brilliantly then

460  
00:23:37,440 --> 00:23:34,030  
going dull for a short period of time

461  
00:23:40,260 --> 00:23:37,450  
then with a bright flash comes back into

462  
00:23:42,570 --> 00:23:40,270  
view I walked away for about five

463  
00:23:45,570 --> 00:23:42,580

minutes while working came back to look

464

00:23:49,380 --> 00:23:45,580

at it and it was moving very obviously

465

00:23:52,649 --> 00:23:49,390

to the southwest as I'm speaking it is

466

00:23:55,470 --> 00:23:52,659

drifting back to the east it only seems

467

00:23:59,750 --> 00:23:55,480

to move larger distances when other

468

00:24:02,490 --> 00:23:59,760

planes are in the vicinity seems very

469

00:24:05,940 --> 00:24:02,500

Observatory what is that I'm currently

470

00:24:12,630 --> 00:24:05,950

watching it so nothing else about it to

471

00:24:16,740 --> 00:24:12,640

report observer attack ok in the light

472

00:24:19,680 --> 00:24:16,750

of the holiday spirit and it being New

473

00:24:22,320 --> 00:24:19,690

Year's Eve I think it's wonderful that

474

00:24:25,890 --> 00:24:22,330

we end this year and maybe begin this

475

00:24:30,870 --> 00:24:25,900

year with angels and miracles

476  
00:24:35,670 --> 00:24:30,880  
along paranormal lines angels are among

477  
00:24:38,280 --> 00:24:35,680  
us my 15 year old grandson and I were

478  
00:24:40,770 --> 00:24:38,290  
putting up garage sale signs several

479  
00:24:43,650 --> 00:24:40,780  
blocks down the street when I got back

480  
00:24:46,290 --> 00:24:43,660  
in the car to head home back I looked at

481  
00:24:52,170 --> 00:24:46,300  
Dawson he was looking out straight ahead

482  
00:24:53,970 --> 00:24:52,180  
and asked if he got stay the night ok if

483  
00:24:55,500 --> 00:24:53,980  
he wants to stay the night no sooner

484  
00:24:59,610 --> 00:24:55,510  
than he asked the question while driving

485  
00:25:02,370 --> 00:24:59,620  
in a flash of an eye I saw a huge white

486  
00:25:04,230 --> 00:25:02,380  
angel wings encompass my windshield and

487  
00:25:07,620 --> 00:25:04,240  
at that very second

488  
00:25:10,980 --> 00:25:07,630

Dawson shouted grandma did you see that

489

00:25:12,270 --> 00:25:10,990

I said yes I saw huge angel wings

490

00:25:16,340 --> 00:25:12,280

covering my windshield

491

00:25:19,800 --> 00:25:16,350

he said no grandma I saw a ball of fire

492

00:25:22,080 --> 00:25:19,810

we were both shocked as to have seen two

493

00:25:23,970 --> 00:25:22,090

different things we were strong

494

00:25:26,850 --> 00:25:23,980

believers and have experienced many

495

00:25:27,780 --> 00:25:26,860

miracles but who is ready for something

496

00:25:31,500 --> 00:25:27,790

like this

497

00:25:33,720 --> 00:25:31,510

no trees fell no storm why angel wings

498

00:25:36,500 --> 00:25:33,730

in front of me covering my side of the

499

00:25:39,450 --> 00:25:36,510

windshield and fireball flash for him

500

00:25:41,580 --> 00:25:39,460

cannot understand this but awesome I

501  
00:25:43,650 --> 00:25:41,590  
could actually see the inner wing with

502  
00:25:48,650 --> 00:25:43,660  
all its brilliance and feathers huge

503  
00:25:52,830 --> 00:25:48,660  
gone as fast as it came this next story

504  
00:25:54,720 --> 00:25:52,840  
angel at night my family and I were

505  
00:25:58,950 --> 00:25:54,730  
going through a terrible experience back

506  
00:26:01,170 --> 00:25:58,960  
in 2006 and to make a long story short I

507  
00:26:04,200 --> 00:26:01,180  
had a chair next to my bed one night I

508  
00:26:06,930 --> 00:26:04,210  
was sleeping and I woke up looking

509  
00:26:09,800 --> 00:26:06,940  
towards my chair and there was a little

510  
00:26:12,630 --> 00:26:09,810  
girl dressed in all white with a hat on

511  
00:26:15,840 --> 00:26:12,640  
she had beautiful glow but all of a

512  
00:26:19,260 --> 00:26:15,850  
sudden she walked away I could not fall

513  
00:26:22,110 --> 00:26:19,270

back asleep I was terrified but to this

514

00:26:29,220 --> 00:26:22,120

day I know she wasn't angel watching

515

00:26:32,730 --> 00:26:29,230

over me the next story we never forget

516

00:26:35,160 --> 00:26:32,740

I've never told this story when I was

517

00:26:37,860 --> 00:26:35,170

about 7 years old I was left at home

518

00:26:39,900 --> 00:26:37,870

alone with my nephew who was three at

519

00:26:42,570 --> 00:26:39,910

the time we were playing

520

00:26:45,480 --> 00:26:42,580

in the backroom when something scared us

521

00:26:48,270 --> 00:26:45,490

I don't remember what I saw or heard but

522

00:26:52,260 --> 00:26:48,280

I knew I had to get out of that house or

523

00:26:54,120 --> 00:26:52,270

we were going to die I clutched my

524

00:26:56,300 --> 00:26:54,130

nephew tightly both of us screaming and

525

00:26:58,650 --> 00:26:56,310

crying and ran toward the front door

526

00:27:02,340 --> 00:26:58,660

just before reaching the exit

527

00:27:04,890 --> 00:27:02,350

I saw a tiny ball of glowing white light

528

00:27:07,560 --> 00:27:04,900

hovering just above our front door I

529

00:27:10,950 --> 00:27:07,570

stopped dead in my tracks I could not

530

00:27:13,370 --> 00:27:10,960

take my eyes off that ball suddenly it

531

00:27:16,110 --> 00:27:13,380

started getting bigger and bigger

532

00:27:18,920 --> 00:27:16,120

eventually we were totally engulfed by

533

00:27:21,840 --> 00:27:18,930

the light the next memory I have was

534

00:27:22,500 --> 00:27:21,850

floating inside this light I have

535

00:27:25,380 --> 00:27:22,510

goosebumps

536

00:27:28,950 --> 00:27:25,390

it was the most purest beautiful soft

537

00:27:32,730 --> 00:27:28,960

light ever and I was transfixed by it it

538

00:27:35,580 --> 00:27:32,740

felt so good I can still feel it when I

539

00:27:39,020 --> 00:27:35,590

think about that day inside the light

540

00:27:43,200 --> 00:27:39,030

there was no sense of fear pain or worry

541

00:27:47,450 --> 00:27:43,210

somehow I knew everything was ok and we

542

00:27:54,120 --> 00:27:52,050

beautiful bright light I've never

543

00:27:56,580 --> 00:27:54,130

experienced anything like this but it

544

00:27:59,550 --> 00:27:56,590

was amazing every night I will say a

545

00:28:01,370 --> 00:27:59,560

prayer now I lay me down to sleep I pray

546

00:28:03,720 --> 00:28:01,380

the Lord my soul to keep

547

00:28:07,350 --> 00:28:03,730

guard me Jesus through the night and

548

00:28:09,390 --> 00:28:07,360

wake me with the morning light and it

549

00:28:12,180 --> 00:28:09,400

actually happened to me when I woke up

550

00:28:14,940 --> 00:28:12,190

out of nowhere and seeing a beautiful

551  
00:28:17,670 --> 00:28:14,950  
bright light filling up my room

552  
00:28:19,890 --> 00:28:17,680  
I thought maybe somebody turned on the

553  
00:28:22,800 --> 00:28:19,900  
light but I remembered the light in my

554  
00:28:25,140 --> 00:28:22,810  
room is very dim and then I thought

555  
00:28:28,530 --> 00:28:25,150  
about the window but I keep the blinds

556  
00:28:31,950 --> 00:28:28,540  
closed all the time I soon went back to

557  
00:28:38,550 --> 00:28:31,960  
sleep with a great feeling and a sense

558  
00:28:41,220 --> 00:28:38,560
