00:00:05,120 --> 00:00:02,990
welcome welcome to UFO headline news

2
00:00:09,459 --> 00:00:05,130
with me Heidi Hollis

3
00:00:11,839 --> 00:00:09,469
today is Tuesday January 2nd 2018

4
00:00:13,480 --> 00:00:11,849
starting off this new year right aren't

5
00:00:17,300 --> 00:00:13,490
we I hope so

6
00:00:19,820 --> 00:00:17,310
blasting off with some UFO reports a UFO

7
00:00:24,769 --> 00:00:19,830
sighting in Las Vegas Nevada

8
00:00:27,470 --> 00:00:24,779
this occurred July 31st of 2017 in brief

9
00:00:30,919 --> 00:00:27,480
the witness States took pic with cell

10
00:00:33,170 --> 00:00:30,929
then flipped cell sideways and snapped

11
00:00:36,200 --> 00:00:33,180
second pick a few seconds after the

12
00:00:38,690 --> 00:00:36,210
first one in more detail they state my

13
00:00:41,569 --> 00:00:38,700

boyfriend and I enjoy doing outdoor

14

00:00:44,180 --> 00:00:41,579

stuff on our weekends and we're trying

15

00:00:47,750 --> 00:00:44,190

out an easy trail from Las Vegas to

16

00:00:52,119 --> 00:00:47,760

Pioneer saloon in Goodsprings Nevada

17

00:00:56,450 --> 00:00:52,129

via potosi pass for a service road

18

00:00:58,520 --> 00:00:56,460

number 5 8 - it's 30 miles in about a

19

00:01:01,549 --> 00:00:58,530

three hour trip through amazingly

20

00:01:04,640 --> 00:01:01,559

beautiful terrain mostly along a bunch

21

00:01:07,580 --> 00:01:04,650

of powerlines we were somewhere in the

22

00:01:11,149 --> 00:01:07,590

first third of the trail and we weren't

23

00:01:13,789 --> 00:01:11,159

too too far past the last house and the

24

00:01:16,429 --> 00:01:13,799

Boy Scout camp grounds when I saw this

25

00:01:19,550 --> 00:01:16,439

awesome cloud formation that looked like

26
00:01:20,660 --> 00:01:19,560
a Phoenix flying and asked to stop for a

27
00:01:24,380 --> 00:01:20,670
photo opportunity

28
00:01:26,810 --> 00:01:24,390
I believe thinking back that we had just

29
00:01:29,870 --> 00:01:26,820
gotten through this really cool crook in

30
00:01:32,840 --> 00:01:29,880
the road that had a tiny canyon feel to

31
00:01:35,330 --> 00:01:32,850
it it really wasn't much more than a few

32
00:01:36,800 --> 00:01:35,340
little crooks in the road I snapped a

33
00:01:39,230 --> 00:01:36,810
picture with my cell phone

34
00:01:41,590 --> 00:01:39,240
upright and then turned my so on its

35
00:01:44,270 --> 00:01:41,600
side to get the second shot lengthwise

36
00:01:47,200 --> 00:01:44,280
much farther down the trail I noticed

37
00:01:49,760 --> 00:01:47,210
the three circles but we were really

38
00:01:53,120 --> 00:01:49,770

didn't have the time to investigate it

39

00:01:55,700 --> 00:01:53,130

further way past that spot by then until

40

00:01:58,520 --> 00:01:55,710

I downloaded them to my PC for a better

41

00:02:01,219 --> 00:01:58,530

look the second picture was taken just a

42

00:02:03,800 --> 00:02:01,229

few seconds from the first both through

43

00:02:06,080 --> 00:02:03,810

the opened window just got the trucks

44

00:02:08,900 --> 00:02:06,090

windows tinted a few weeks prior so I

45

00:02:10,790 --> 00:02:08,910

know the window was down first picture

46

00:02:13,920 --> 00:02:10,800

is normal in the second picture held a

47

00:02:17,399 --> 00:02:13,930

very unique circular cloud configuration

48

00:02:19,470 --> 00:02:17,409

directly under the quote Phoenix after

49

00:02:21,660 --> 00:02:19,480

noticing the circles I took lots of

50

00:02:24,300 --> 00:02:21,670

pictures of the scenery and clouds I

51
00:02:27,030 --> 00:02:24,310
have some weird spots in the clouds in a

52
00:02:29,490 --> 00:02:27,040
lot of them but nothing like this I

53
00:02:32,460 --> 00:02:29,500
showed the Phoenix pictures to my

54
00:02:35,580 --> 00:02:32,470
boyfriend and he nor I has ever seen

55
00:02:38,699 --> 00:02:35,590
anything like this before he's a witness

56
00:02:41,280 --> 00:02:38,709
to the short duration it took to snap

57
00:02:43,289 --> 00:02:41,290
those two pics he wanted to keep moving

58
00:02:47,009 --> 00:02:43,299
because we plan to go to Pioneer saloon

59
00:02:49,229 --> 00:02:47,019
and be off the trail before dark we got

60
00:02:52,729 --> 00:02:49,239
into good Springs between 6:00 and 7:00

61
00:02:57,990 --> 00:02:52,739
p.m. personally it looks like a portal

62
00:03:00,990 --> 00:02:58,000
okay the next UFO sighting occurred in

63
00:03:05,160 --> 00:03:01,000

Horton Michigan this occurred September

64

00:03:09,149 --> 00:03:05,170

1st 2017 in brief they call it a strange

65

00:03:13,289 --> 00:03:09,159

metallic type orb seen crossing road in

66

00:03:16,949 --> 00:03:13,299

headlights of car Oh was driving car on

67

00:03:20,009 --> 00:03:16,959

Moser Ville Road near Stone company

68

00:03:22,530 --> 00:03:20,019

gravel company heading west and a

69

00:03:26,159 --> 00:03:22,540

strange metallic orb a small crossed

70

00:03:29,240 --> 00:03:26,169

road in my headlights was about 30 to 50

71

00:03:32,039 --> 00:03:29,250

feet away about 5 feet above ground

72

00:03:34,439 --> 00:03:32,049

straight path and went directly over

73

00:03:37,110 --> 00:03:34,449

road and entered gravel pit property

74

00:03:40,199 --> 00:03:37,120

only reason I observed it was hep lights

75

00:03:44,460 --> 00:03:40,209

reflected off its surface observed same

76
00:03:46,009 --> 00:03:44,470
type of orb on same road November 2017

77
00:03:49,199 --> 00:03:46,019
they're following you

78
00:03:52,500 --> 00:03:49,209
near same location don't know what these

79
00:03:54,809 --> 00:03:52,510
orbs are but were only seen briefly and

80
00:03:56,939 --> 00:03:54,819
only because headlights were shining on

81
00:03:59,069 --> 00:03:56,949
it directly both times

82
00:04:02,399 --> 00:03:59,079
heading south directly over gravel pit

83
00:04:06,740 --> 00:04:02,409
property reported this in case anyone

84
00:04:10,349 --> 00:04:06,750
else reports similar orbs in the area

85
00:04:14,159 --> 00:04:10,359
the next UFO sighting black triangle

86
00:04:15,960 --> 00:04:14,169
sighting in Boise Idaho this is a UFO

87
00:04:20,640 --> 00:04:15,970
blast from the past everybody

88
00:04:24,240 --> 00:04:20,650

this happened tuned 6 1994 in brief they

89

00:04:26,890 --> 00:04:24,250

call it the era of veteran experienced

90

00:04:29,560 --> 00:04:26,900

with all kinds of aircraft

91

00:04:32,800 --> 00:04:29,570

ever seen this large of a aircraft fly

92

00:04:35,110 --> 00:04:32,810

that made no sound other than a buzz

93

00:04:37,480 --> 00:04:35,120

I could see gigantic coils and

94

00:04:41,529 --> 00:04:37,490

compartments on the back of the aircraft

95

00:04:43,719 --> 00:04:41,539

as it flew over in detail they say it l

96

00:04:47,469 --> 00:04:43,729

would describe this aircraft to be

97

00:04:50,230 --> 00:04:47,479

flying around 2,500 to 4,000 feet off

98

00:04:52,480 --> 00:04:50,240

the ground heading northeast visually

99

00:04:54,939 --> 00:04:52,490

seeing compartments that were attached

100

00:04:58,330 --> 00:04:54,949

to the outside of this triangular shaped

101
00:05:01,719 --> 00:04:58,340
vehicle making nothing but a buzz and

102
00:05:05,620 --> 00:05:01,729
feeling of static electricity on top of

103
00:05:07,750 --> 00:05:05,630
my head this happened around 1994 when I

104
00:05:10,060 --> 00:05:07,760
was outside at 3:30 in the morning

105
00:05:11,500 --> 00:05:10,070
having a cigarette break coming back

106
00:05:15,189 --> 00:05:11,510
from Desert Storm

107
00:05:17,529 --> 00:05:15,199
this craft had three distinct sides as

108
00:05:20,469 --> 00:05:17,539
in a triangle I have to say on a

109
00:05:21,010 --> 00:05:20,479
personal note this was not made on our

110
00:05:23,950 --> 00:05:21,020
planet

111
00:05:26,650 --> 00:05:23,960
I know stealth being in the military I

112
00:05:31,200 --> 00:05:26,660
know how it works we do not have

113
00:05:35,260 --> 00:05:31,210

anything 300 to 600 feet in diameter as

114

00:05:37,360 --> 00:05:35,270

40 feet tall with compartments hanging

115

00:05:39,790 --> 00:05:37,370

off the back of it on the sides of it

116

00:05:43,480 --> 00:05:39,800

with marker lights that are in the shape

117

00:05:46,180 --> 00:05:43,490

of a triangle our planes markers are on

118

00:05:48,399 --> 00:05:46,190

the tips of the aircraft the colors

119

00:05:51,370 --> 00:05:48,409

appear to be white and amber on the

120

00:05:54,310 --> 00:05:51,380

marker lights okay

121

00:05:56,320 --> 00:05:54,320

the next your foe sighting whoa we got

122

00:06:00,219 --> 00:05:56,330

another UFO blast from the past

123

00:06:04,830 --> 00:06:00,229

UFO landing oh and God help me in

124

00:06:09,670 --> 00:06:04,840

pronouncing these names el blag Varnum

125

00:06:15,730 --> 00:06:09,680

masseria voters ship hmm this occurred

126
00:06:18,850 --> 00:06:15,740
June 8th 1991 in brief they say small

127
00:06:21,730 --> 00:06:18,860
object object pulsated lights in more

128
00:06:24,219 --> 00:06:21,740
detail I'm sleep and forest something

129
00:06:26,800 --> 00:06:24,229
wake up me at night okay and this is a

130
00:06:32,589 --> 00:06:26,810
Google translated thing I think I would

131
00:06:34,540 --> 00:06:32,599
like going to okay pee then so somebody

132
00:06:37,930 --> 00:06:34,550
illuminated eyes first I think it's

133
00:06:40,420 --> 00:06:37,940
animal then it came to me that around me

134
00:06:42,400 --> 00:06:40,430
is very quiet no noise of trees

135
00:06:45,219 --> 00:06:42,410
the sound of my walk is completely

136
00:06:48,340 --> 00:06:45,229
silent when I tried to slowly withdraw

137
00:06:51,040 --> 00:06:48,350
to figures they caught me from behind at

138
00:06:55,060 --> 00:06:51,050

the height of the elbows then white blue

139

00:06:56,920 --> 00:06:55,070

light appeared steel fossils of fear hmm

140

00:06:59,710 --> 00:06:56,930

I was put in the middle of the vehicle

141

00:07:03,610 --> 00:06:59,720

they stoned me in the middle when they

142

00:07:05,230 --> 00:07:03,620

called the rest outside okay only the

143

00:07:08,260 --> 00:07:05,240

red light was burning they closed the

144

00:07:11,200 --> 00:07:08,270

door we quickly got to the top I felt

145

00:07:13,480 --> 00:07:11,210

that they were floating up quickly the

146

00:07:15,370 --> 00:07:13,490

ship which we flew into a much larger

147

00:07:17,860 --> 00:07:15,380

ship were in the middle of other ships

148

00:07:20,890 --> 00:07:17,870

and from that time I remember only at

149

00:07:23,590 --> 00:07:20,900

random what happened to me I remember

150

00:07:25,770 --> 00:07:23,600

the woman in the glazed Hall next to

151
00:07:29,140 --> 00:07:25,780
where they hooked her some kind of tube

152
00:07:31,600 --> 00:07:29,150
the woman started to grow a belly and

153
00:07:34,960 --> 00:07:31,610
after three to five minutes they took

154
00:07:38,200 --> 00:07:34,970
the berth oh wow I remember the woman's

155
00:07:40,300 --> 00:07:38,210
horror and fear in her eyes there were a

156
00:07:42,400 --> 00:07:40,310
constant two figures like on the ship

157
00:07:46,600 --> 00:07:42,410
and someone who called himself the

158
00:07:49,659 --> 00:07:46,610
doctor was higher than them he also had

159
00:07:50,260 --> 00:07:49,669
a few hairs on his head when I laid on

160
00:07:52,629 --> 00:07:50,270
the table

161
00:07:53,950 --> 00:07:52,639
I talked with them in my language but

162
00:07:57,370 --> 00:07:53,960
they were very tired

163
00:07:59,830 --> 00:07:57,380

we started talking telepathically they

164

00:08:02,020 --> 00:07:59,840

say honestly I do not remember what I

165

00:08:04,360 --> 00:08:02,030

spoke to them they did terrible things

166

00:08:07,390 --> 00:08:04,370

to me they stuck needles in the eye

167

00:08:10,300 --> 00:08:07,400

they took sperm they stuck the needle in

168

00:08:13,060 --> 00:08:10,310

my head and a lot of other things I was

169

00:08:15,760 --> 00:08:13,070

with them for four days in different

170

00:08:18,070 --> 00:08:15,770

places I was also on the ground I

171

00:08:20,500 --> 00:08:18,080

remember a tall glass building I

172

00:08:22,120 --> 00:08:20,510

remember the elevator ride to the top I

173

00:08:24,629 --> 00:08:22,130

remember that there were two strangers

174

00:08:27,640 --> 00:08:24,639

and the elevator was a man in uniform

175

00:08:30,370 --> 00:08:27,650

was some stripe on the front pocket and

176

00:08:33,880 --> 00:08:30,380

left sleeve he looked at me with pity

177

00:08:36,519 --> 00:08:33,890

and anger at them when we drove up I

178

00:08:39,399 --> 00:08:36,529

could see through the huge glass windows

179

00:08:42,430 --> 00:08:39,409

of the roofs of houses streets lit by

180

00:08:44,680 --> 00:08:42,440

lanterns I wanted to see someone but the

181

00:08:46,990 --> 00:08:44,690

streets were empty we entered a large

182

00:08:49,960 --> 00:08:47,000

room where there were a lot of smaller

183

00:08:52,810 --> 00:08:49,970

rooms separated by screens there were

184

00:08:54,150 --> 00:08:52,820

about 20 patients under cover some

185

00:08:56,360 --> 00:08:54,160

people looked

186

00:08:58,800 --> 00:08:56,370

like their doctors I do not remember

187

00:08:59,430 --> 00:08:58,810

what they were doing to me or what was

188

00:09:02,040 --> 00:08:59,440

next

189

00:09:05,820 --> 00:09:02,050

the last thing I remember is how they

190

00:09:08,880 --> 00:09:05,830

pierced me with a thick tube in my nose

191

00:09:11,580 --> 00:09:08,890

I remember the crunch of a bone with the

192

00:09:13,560 --> 00:09:11,590

same chip I returned to the ground they

193

00:09:17,160 --> 00:09:13,570

opened the door and I could go out for

194

00:09:19,680 --> 00:09:17,170

me some 10 kilometers farther then they

195

00:09:22,290 --> 00:09:19,690

took me when I was standing in the door

196

00:09:25,380 --> 00:09:22,300

I was wondering where I was and what is

197

00:09:28,440 --> 00:09:25,390

the year when I left I saw only one

198

00:09:31,410 --> 00:09:28,450

figure in the door I was on the sidewalk

199

00:09:35,790 --> 00:09:31,420

after 10 meters I heard a voice that

200

00:09:37,860 --> 00:09:35,800

screamed stop I did not respond start

201
00:09:40,560 --> 00:09:37,870
calling me my name and surname 2

202
00:09:43,920 --> 00:09:40,570
gentleman approached me they walked very

203
00:09:46,530 --> 00:09:43,930
strangely as if they had no knees voices

204
00:09:48,540 --> 00:09:46,540
as if it came from a metal belly though

205
00:09:52,440 --> 00:09:48,550
they moved their mouths I saw their

206
00:09:56,610 --> 00:09:52,450
black car a lot of chromium invisible

207
00:09:58,500 --> 00:09:56,620
but could be a brand ok I saw it for the

208
00:10:01,170 --> 00:09:58,510
first time they ordered me to forget

209
00:10:04,140 --> 00:10:01,180
everything that I would not tell anyone

210
00:10:08,400 --> 00:10:04,150
about it because otherwise my family

211
00:10:08,910 --> 00:10:08,410
would be taken care of then I saw on my

212
00:10:11,340 --> 00:10:08,920
hand

213
00:10:14,430 --> 00:10:11,350

a glowing stamp with different colors

214

00:10:15,990 --> 00:10:14,440

that disappeared after 5 minutes when

215

00:10:18,780 --> 00:10:16,000

they left me I started to run to my

216

00:10:21,300 --> 00:10:18,790

sister's house I was cruising when I ran

217

00:10:24,390 --> 00:10:21,310

into her home I started drinking water

218

00:10:27,990 --> 00:10:24,400

with liters when my sister saw me I was

219

00:10:31,590 --> 00:10:28,000

very scared I was confused when the

220

00:10:34,200 --> 00:10:31,600

poster I tried to hide very scared of my

221

00:10:37,650 --> 00:10:34,210

eyes she said that they were very

222

00:10:40,560 --> 00:10:37,660

magnified and I look like a madman she

223

00:10:41,820 --> 00:10:40,570

kicked me out of the house oh wow I did

224

00:10:46,080 --> 00:10:41,830

not say anything about what had happened

225

00:10:49,890 --> 00:10:46,090

to me 10 years ago I told my wife 17

226
00:10:52,350 --> 00:10:49,900
years ago the x-ray a doctor of my head

227
00:10:54,980 --> 00:10:52,360
found something like a half grain of

228
00:10:57,780 --> 00:10:54,990
rice that's what I wanted to tell you I

229
00:11:00,960 --> 00:10:57,790
apologized for writing I use an online

230
00:11:03,120 --> 00:11:00,970
translator I called it I knew it sounded

231
00:11:06,530 --> 00:11:03,130
like a google translator well I don't

232
00:11:07,770 --> 00:11:06,540
know what this country is fermium

233
00:11:14,280 --> 00:11:07,780
marsupium

234
00:11:19,380 --> 00:11:14,290
vojta ship hmm I black the LBL AG just

235
00:11:23,370 --> 00:11:19,390
so you know 1991 horrific four days four

236
00:11:24,900 --> 00:11:23,380
days and our governments don't care that

237
00:11:26,870 --> 00:11:24,910
was it the people report the stuff our

238
00:11:28,160 --> 00:11:26,880

governments don't care to look into

239

00:11:31,860 --> 00:11:28,170

abductions

240

00:11:35,010 --> 00:11:31,870

now they disclose some things oh you

241

00:11:37,710 --> 00:11:35,020

guys they have done us so wrong so wrong

242

00:11:40,740 --> 00:11:37,720

so many people suffering ticks me off

243

00:11:44,190 --> 00:11:40,750

okay moving on UFO sighting and Corpus

244

00:11:47,730 --> 00:11:44,200

Christi Texas this occurred September 29

245

00:11:49,800 --> 00:11:47,740

2017 in brief a state was in a school

246

00:11:53,370 --> 00:11:49,810

bus when objects suddenly appeared in

247

00:11:55,770 --> 00:11:53,380

hovered one to two feet from me in more

248

00:11:57,840 --> 00:11:55,780

detail was waiting for a student in the

249

00:12:00,270 --> 00:11:57,850

school bus when object suddenly appeared

250

00:12:03,330 --> 00:12:00,280

in front of windshield it hovered

251
00:12:06,060 --> 00:12:03,340
directly in front of me within one to

252
00:12:08,460 --> 00:12:06,070
two feet distance the object did not

253
00:12:10,770 --> 00:12:08,470
like being filmed as I started to dart

254
00:12:14,640 --> 00:12:10,780
around erratically to avoid being filmed

255
00:12:18,300 --> 00:12:14,650
okay I took the video on an s7 edge

256
00:12:19,350 --> 00:12:18,310
Samsung film the video quality is good

257
00:12:22,200 --> 00:12:19,360
on the cell yet

258
00:12:24,540 --> 00:12:22,210
the object still appears blurry even at

259
00:12:26,220 --> 00:12:24,550
close range as soon as I acquit

260
00:12:28,440 --> 00:12:26,230
recording it it started hovering in

261
00:12:30,390 --> 00:12:28,450
front of me again during this time the

262
00:12:33,300 --> 00:12:30,400
loading lights on the school bus were

263
00:12:35,760 --> 00:12:33,310

activated it seemed to be flashing back

264

00:12:37,950 --> 00:12:35,770

the amber lights but the sequence was

265

00:12:40,020 --> 00:12:37,960

different from the bus as soon as the

266

00:12:43,110 --> 00:12:40,030

red lights were activated the object

267

00:12:46,950 --> 00:12:43,120

flash back only once and zipped up

268

00:12:49,500 --> 00:12:46,960

incredibly fast almost as it did not

269

00:12:50,160 --> 00:12:49,510

like the red lights or possibly offended

270

00:12:54,240 --> 00:12:50,170

by it

271

00:12:56,820 --> 00:12:54,250

the object was 2 to 3 inches okay my

272

00:13:00,240 --> 00:12:56,830

initial thoughts and my attendance was

273

00:13:02,910 --> 00:13:00,250

that it was a bug of some sort but

274

00:13:06,660 --> 00:13:02,920

slowing down the video it appears saucer

275

00:13:10,610 --> 00:13:06,670

oval-shaped with maybe an antenna but no

276

00:13:15,120 --> 00:13:10,620

visible wings on it as if it was a bug

277

00:13:17,970 --> 00:13:15,130

very cool the next UFO sighting happened

278

00:13:21,510 --> 00:13:17,980

in Demopoulos Alabama

279

00:13:24,180 --> 00:13:21,520

this occurred October 6 2017

280

00:13:26,820 --> 00:13:24,190

in early October I went outside of my

281

00:13:29,280 --> 00:13:26,830

house around 7:00 and seen a light

282

00:13:31,530 --> 00:13:29,290

moving in odd formations changing sizes

283

00:13:34,710 --> 00:13:31,540

I called my wife and daughter to come

284

00:13:36,990 --> 00:13:34,720

see the object and 30 minutes after 2

285

00:13:40,100 --> 00:13:37,000

fighter jets and a helicopter showed up

286

00:13:43,019 --> 00:13:40,110

oh yeah that's not our government oh ok

287

00:13:45,810 --> 00:13:43,029

in more detail they say it was early

288

00:13:47,550 --> 00:13:45,820

October about 7 to 7:15 p.m. I went

289

00:13:49,170 --> 00:13:47,560

outside to smoke you guys see the

290

00:13:51,480 --> 00:13:49,180

pattern a lot of people walking their

291

00:13:55,139 --> 00:13:51,490

pets hiking or going for a cigarette

292

00:13:58,050 --> 00:13:55,149

they all see these things setting on my

293

00:14:02,250 --> 00:13:58,060

carport I seen a light shoot across the

294

00:14:04,710 --> 00:14:02,260

sky light a shooting star then it

295

00:14:07,170 --> 00:14:04,720

stopped in a sudden manner I noticed it

296

00:14:09,720 --> 00:14:07,180

was changing color in size for a few

297

00:14:11,370 --> 00:14:09,730

minutes in the same place so I called my

298

00:14:14,430 --> 00:14:11,380

wife and daughter to come look at what I

299

00:14:17,400 --> 00:14:14,440

was seeing just to make sure they could

300

00:14:19,949 --> 00:14:17,410

see it as well it stayed stationary for

301
00:14:22,560 --> 00:14:19,959
maybe 10 to 12 minutes and shot across

302
00:14:24,930 --> 00:14:22,570
the sky stop for less than 30 seconds

303
00:14:28,650 --> 00:14:24,940
and went back to the same location as

304
00:14:30,780 --> 00:14:28,660
before very fast we observed the object

305
00:14:33,900 --> 00:14:30,790
for a few more minutes and we heard a

306
00:14:36,870 --> 00:14:33,910
jet coming flying over our house come to

307
00:14:39,569 --> 00:14:36,880
find out it was two jets and a few

308
00:14:42,030 --> 00:14:39,579
seconds behind them a helicopter

309
00:14:44,000 --> 00:14:42,040
the Jets flew straight out the orb and

310
00:14:46,800 --> 00:14:44,010
both banked in different directions

311
00:14:49,650 --> 00:14:46,810
opposite of one another to appear to

312
00:14:52,290 --> 00:14:49,660
kind of surround the orb and flew back

313
00:14:54,810 --> 00:14:52,300

and forth while the helicopter was on

314

00:14:57,449 --> 00:14:54,820

its way right before the helicopter got

315

00:15:00,150 --> 00:14:57,459

close to it it shoots straight up in the

316

00:15:03,590 --> 00:15:00,160

sky probably eight to ten times faster

317

00:15:10,680 --> 00:15:03,600

than anything I have ever seen and just

318

00:15:13,110 --> 00:15:10,690

like that boom it was gone the next UFO

319

00:15:17,600 --> 00:15:13,120

sighting occurred and a stack a dear oh

320

00:15:21,660 --> 00:15:17,610

wow a stack air Asakura do California

321

00:15:24,210 --> 00:15:21,670

has occurred December 18th 2017

322

00:15:26,699 --> 00:15:24,220

odd rounded object us seem to have

323

00:15:30,660 --> 00:15:26,709

rounded areas on it that grew and shrank

324

00:15:32,730 --> 00:15:30,670

then larger again in my parking area in

325

00:15:34,950 --> 00:15:32,740

more detail they say in my parking area

326

00:15:37,470 --> 00:15:34,960

I noticed something moving in the sky

327

00:15:40,560 --> 00:15:37,480

it was rounded bit stretched out a

328

00:15:43,620 --> 00:15:40,570

little its sides seem to grow in areas

329

00:15:46,140 --> 00:15:43,630

then shrink and grew again it moved

330

00:15:49,050 --> 00:15:46,150

three times the speed of small aircraft

331

00:15:51,750 --> 00:15:49,060

which I see around every day I noticed

332

00:15:53,610 --> 00:15:51,760

it had no wings or a rotor above it it

333

00:15:55,920 --> 00:15:53,620

made no sound at all

334

00:16:00,450 --> 00:15:55,930

it moved in a different direction

335

00:16:03,440 --> 00:16:00,460

Northwest I felt weird odd inside while

336

00:16:06,090 --> 00:16:03,450

watching it move away no wings or sound

337

00:16:10,560 --> 00:16:06,100

made me keep looking until it was out of

338

00:16:14,280 --> 00:16:10,570

sight I'm 68 years old and I have been

339

00:16:16,050 --> 00:16:14,290

in airplanes but since a young boy okay

340

00:16:18,300 --> 00:16:16,060

never seen anything close to this I

341

00:16:21,240 --> 00:16:18,310

don't edit the stuff I just read it if

342

00:16:23,580 --> 00:16:21,250

it's chopped up it's chopped up the next

343

00:16:28,290 --> 00:16:23,590

UFO sighting this happened in an easy to

344

00:16:32,520 --> 00:16:28,300

pronounce name black triangle sighting

345

00:16:34,830 --> 00:16:32,530

in San Diego California this is a UFO

346

00:16:36,690 --> 00:16:34,840

blast from the past I like these because

347

00:16:38,040 --> 00:16:36,700

they get more in the details and it's

348

00:16:40,470 --> 00:16:38,050

something that bugs a person for a long

349

00:16:42,570 --> 00:16:40,480

time before they finally send in a

350

00:16:47,550 --> 00:16:42,580

report this occurred

351

00:16:50,640 --> 00:16:47,560

December 27th of 1997 they briefly

352

00:16:53,430 --> 00:16:50,650

described it as a v-shaped craft flew

353

00:16:56,010 --> 00:16:53,440

directly overhead heading west

354

00:17:00,090 --> 00:16:56,020

clear night streetlights reflected off

355

00:17:05,460 --> 00:17:00,100

ship six round red rear taillights Top

356

00:17:09,270 --> 00:17:05,470

Gun murmur due east of sighting at rears

357

00:17:12,840 --> 00:17:09,280

ghts at rears in more detail they state

358

00:17:15,480 --> 00:17:12,850

I was taking my Westie for a walk when I

359

00:17:18,690 --> 00:17:15,490

saw a shooting star before I closed the

360

00:17:20,880 --> 00:17:18,700

door a crystal clear night I walked

361

00:17:23,400 --> 00:17:20,890

around the block when my dog stops so I

362

00:17:24,720 --> 00:17:23,410

thought I will look up to see if I see

363

00:17:27,380 --> 00:17:24,730

another shooting star

364

00:17:30,720 --> 00:17:27,390

I looked overhead and there it was a

365

00:17:34,350 --> 00:17:30,730

football field in length and width it

366

00:17:36,750 --> 00:17:34,360

was silent no exhaust and was visible

367

00:17:40,290 --> 00:17:36,760

due to the reflection of the yellowish

368

00:17:43,620 --> 00:17:40,300

streetlights this triangle shaped craft

369

00:17:46,320 --> 00:17:43,630

had six circular red lights at its rear

370

00:17:48,990 --> 00:17:46,330

as I looked up and this ship blotted out

371

00:17:51,960 --> 00:17:49,000

the whole sky I realize

372

00:17:53,790 --> 00:17:51,970

I was just left of center as it headed

373

00:17:56,340 --> 00:17:53,800

west to the Pacific I looked to my right

374

00:17:58,020 --> 00:17:56,350

to see its length which was visible

375

00:18:01,260 --> 00:17:58,030

because of the lights on the Torrey

376

00:18:04,080 --> 00:18:01,270

Pines Road this whole event lasted only

377

00:18:06,710 --> 00:18:04,090

ten or so seconds I lost sight of it

378

00:18:10,350 --> 00:18:06,720

when it was blotted out by buildings I

379

00:18:12,840 --> 00:18:10,360

felt great I had been listening to coast

380

00:18:16,320 --> 00:18:12,850

to coast art bell since 92 and was aware

381

00:18:18,900 --> 00:18:16,330

of v-shaped craft due east about three

382

00:18:22,860 --> 00:18:18,910

miles is Miramar Naval Air Station

383

00:18:26,780 --> 00:18:22,870

runway the Phoenix lights episode took

384

00:18:30,390 --> 00:18:26,790

place six months later is it one of ours

385

00:18:32,970 --> 00:18:30,400

all right next one UFO sighting black

386

00:18:36,480 --> 00:18:32,980

triangle sighting in Norwalk Norwalk

387

00:18:39,270 --> 00:18:36,490

California it's occurred December 20th

388

00:18:42,930 --> 00:18:39,280

2017 a flying triangle with red lights

389

00:18:44,520 --> 00:18:42,940

and sudden changes in movement in more

390

00:18:46,590 --> 00:18:44,530

detail they say I was sitting down

391

00:18:48,870 --> 00:18:46,600

watching a movie on my computer at my

392

00:18:50,910 --> 00:18:48,880

desk there's a couple light poles

393

00:18:53,910 --> 00:18:50,920

outside my window that I'm used to but

394

00:18:56,100 --> 00:18:53,920

something was different this time as I

395

00:18:59,190 --> 00:18:56,110

glanced past my monitor I saw what

396

00:19:01,620 --> 00:18:59,200

looked like two red lights stuck

397

00:19:03,950 --> 00:19:01,630

together the object wasn't moving at all

398

00:19:08,040 --> 00:19:03,960

until I could see that it was actually

399

00:19:10,680 --> 00:19:08,050

rotating and resembled a 3d triangle I

400

00:19:13,350 --> 00:19:10,690

quickly went outside to film get a

401
00:19:16,170 --> 00:19:13,360
better view the object had a bright

402
00:19:18,710 --> 00:19:16,180
flashlight that only turned on for a

403
00:19:22,170 --> 00:19:18,720
couple of seconds then all of a sudden a

404
00:19:23,940 --> 00:19:22,180
bunch of smaller white orbs flew out of

405
00:19:26,820 --> 00:19:23,950
the object and started to disperse

406
00:19:29,340 --> 00:19:26,830
around the area never witnessed anything

407
00:19:32,220 --> 00:19:29,350
like this before so I'm shaken up at

408
00:19:34,440 --> 00:19:32,230
this point it flew out of my view when I

409
00:19:38,100 --> 00:19:34,450
saw it again a few minutes later in the

410
00:19:40,380 --> 00:19:38,110
same spot it was just hovering and not

411
00:19:42,530 --> 00:19:40,390
moving until it finally started

412
00:19:45,030 --> 00:19:42,540
traveling east out of my view I

413
00:19:48,110 --> 00:19:45,040

mistakenly didn't save the footage where

414

00:19:51,830 --> 00:19:48,120

the light orbs flew out but I got a bit

415

00:19:55,980 --> 00:19:51,840

hopefully more people saw this as well

416

00:19:59,280 --> 00:19:55,990

the next UFO sighting UFO sighting in

417

00:20:01,560 --> 00:19:59,290

Ashland Oregon December 7 2017 it

418

00:20:02,730 --> 00:20:01,570

hovered and started accelerating for a

419

00:20:05,010 --> 00:20:02,740

second

420

00:20:07,650 --> 00:20:05,020

then just kept flying in more detail

421

00:20:09,960 --> 00:20:07,660

they say I was unable to fully hear the

422

00:20:13,590 --> 00:20:09,970

sound of it before it passed over but

423

00:20:16,500 --> 00:20:13,600

before that I saw it maybe 40 to 45

424

00:20:19,500 --> 00:20:16,510

degrees above the horizon hovering then

425

00:20:22,919 --> 00:20:19,510

one of the have --is-- minutes later it

426

00:20:25,140 --> 00:20:22,929

started moving I saw it for maybe two

427

00:20:28,530 --> 00:20:25,150

more minutes before it passed over into

428

00:20:31,860 --> 00:20:28,540

the mountain area I was in a Toyota

429

00:20:35,250 --> 00:20:31,870

Landcruiser from the 70s diesel so I

430

00:20:37,260 --> 00:20:35,260

didn't get the correct sound all right

431

00:20:39,840 --> 00:20:37,270

to start off our new year right with

432

00:20:42,810 --> 00:20:39,850

some more inspirational stories of

433

00:20:45,480 --> 00:20:42,820

miracles and angels we're gonna begin

434

00:20:50,040 --> 00:20:45,490

and sharing some of these stories this

435

00:20:51,900 --> 00:20:50,050

story is entitled amazed when I was

436

00:20:54,570 --> 00:20:51,910

younger I was going through a lot of

437

00:20:57,299 --> 00:20:54,580

things that a young 16 year old girl

438

00:20:59,730 --> 00:20:57,309

shouldn't have to endure you can try to

439

00:21:02,340 --> 00:20:59,740

imagine well my mother and I were

440

00:21:04,410 --> 00:21:02,350

arguing a lot and she stayed very angry

441

00:21:07,440 --> 00:21:04,420

because she was going through things on

442

00:21:09,540 --> 00:21:07,450

her own she took it out on me and my

443

00:21:11,490 --> 00:21:09,550

little brother I went to sleep that

444

00:21:13,560 --> 00:21:11,500

night after crying and praying to God I

445

00:21:16,260 --> 00:21:13,570

prayed for hours until I drifted off to

446

00:21:18,870 --> 00:21:16,270

sleep I woke up in the middle of the

447

00:21:20,610 --> 00:21:18,880

night to a bright light in my doorway it

448

00:21:22,970 --> 00:21:20,620

was so bright that I had to squint my

449

00:21:26,610 --> 00:21:22,980

eyes to look at this beautiful light

450

00:21:28,919 --> 00:21:26,620

then a very tall what appeared to be a

451
00:21:31,740 --> 00:21:28,929
man walked out of the light to the edge

452
00:21:35,910 --> 00:21:31,750
of my bed walked to where I was lying

453
00:21:37,919 --> 00:21:35,920
kneeled down over me he spoke my name

454
00:21:40,710 --> 00:21:37,929
and put his hand on my arm has started

455
00:21:42,120 --> 00:21:40,720
to whisper something in my ear I could

456
00:21:44,700 --> 00:21:42,130
not understand what he was trying to

457
00:21:47,850 --> 00:21:44,710
tell me because as soon as he touched my

458
00:21:51,360 --> 00:21:47,860
arm I started feeling really tired and

459
00:21:54,510 --> 00:21:51,370
fell back to sleep he made me feel so

460
00:21:59,970 --> 00:21:54,520
much comfort I still think of my angel

461
00:22:04,200 --> 00:21:59,980
to this day this next one is called the

462
00:22:07,440 --> 00:22:04,210
presence not long ago my father was

463
00:22:10,470 --> 00:22:07,450

diagnosed with stage four bladder cancer

464

00:22:13,530 --> 00:22:10,480

and not given much hope for survival

465

00:22:16,380 --> 00:22:13,540

past the Christmas season although the

466

00:22:18,780 --> 00:22:16,390

odds were devastatingly against him he

467

00:22:20,910 --> 00:22:18,790

chose to go through a round of chemo to

468

00:22:24,020 --> 00:22:20,920

take some comfort in the idea that he

469

00:22:27,300 --> 00:22:24,030

did give the whole attempt to be cured a

470

00:22:30,060 --> 00:22:27,310

credible shot although God has other

471

00:22:32,580 --> 00:22:30,070

plans I take comfort in my faith that he

472

00:22:35,430 --> 00:22:32,590

will be taken care of by Christ and the

473

00:22:37,470 --> 00:22:35,440

Angels themselves I was up at the wee

474

00:22:39,960 --> 00:22:37,480

hours of morning after not being able to

475

00:22:42,840 --> 00:22:39,970

sleep in my unending thoughts and

476

00:22:45,050 --> 00:22:42,850

prayers I sit in my driveway in the

477

00:22:47,280 --> 00:22:45,060

moonlight and meditated with chills

478

00:22:50,940 --> 00:22:47,290

indicating the presence of the Holy

479

00:22:52,530 --> 00:22:50,950

Spirit as I prayed my cat kept clawing

480

00:22:55,800 --> 00:22:52,540

and biting my ankles

481

00:22:57,540 --> 00:22:55,810

I then telepathically said Jesus can you

482

00:22:59,610 --> 00:22:57,550

please stop this annoying cat from

483

00:23:02,610 --> 00:22:59,620

biting my ankles while I'm trying to

484

00:23:06,030 --> 00:23:02,620

talk to you at that very second the cat

485

00:23:09,330 --> 00:23:06,040

refrained and sat up in a calm state

486

00:23:13,190 --> 00:23:09,340

although he still followed me as I

487

00:23:15,350 --> 00:23:13,200

strolled about the driveway coincidence

488

00:23:18,540 --> 00:23:15,360

that's cool

489

00:23:23,040 --> 00:23:18,550

this next one is called angel in the

490

00:23:26,010 --> 00:23:23,050

Navy in 1974 while stationed in Pearl

491

00:23:31,740 --> 00:23:26,020

Harbor someone I had been drinking with

492

00:23:34,200 --> 00:23:31,750

spiked my wine with LSD oh gosh he did

493

00:23:36,390 --> 00:23:34,210

so with several others we all went back

494

00:23:39,750 --> 00:23:36,400

to the base barracks and some of the

495

00:23:43,530 --> 00:23:39,760

guys were going crazy I prayed for help

496

00:23:46,530 --> 00:23:43,540

a sailor opened his door and asked what

497

00:23:48,590 --> 00:23:46,540

was wrong I told him he asked me to get

498

00:23:52,740 --> 00:23:48,600

everyone and bring them to his room I

499

00:23:54,510 --> 00:23:52,750

did he asked if we believed in God we

500

00:23:58,520 --> 00:23:54,520

all shared our experiences about God

501
00:24:03,270 --> 00:23:58,530
that is when I noticed I was sober it

502
00:24:05,150 --> 00:24:03,280
was way too soon for LSD to be out of my

503
00:24:09,030 --> 00:24:05,160
system because it's an 18-hour

504
00:24:12,120 --> 00:24:09,040
experience it had only been a few hours

505
00:24:13,980 --> 00:24:12,130
since our drinks had been spiked the

506
00:24:17,250 --> 00:24:13,990
next day I went to the room to thank the

507
00:24:20,310 --> 00:24:17,260
guy when I went to the room no one had

508
00:24:22,530 --> 00:24:20,320
been in that room for months I was in

509
00:24:26,250 --> 00:24:22,540
communications and there had been no

510
00:24:28,710 --> 00:24:26,260
ship movements no one but the guys who

511
00:24:29,490 --> 00:24:28,720
had their drinks Pyke's remembers the

512
00:24:32,460 --> 00:24:29,500
man

513
00:24:35,510 --> 00:24:32,470

it has been a mystery for nearly 40

514

00:24:39,150 --> 00:24:35,520

years there can be only one explanation

515

00:24:42,060 --> 00:24:39,160

that sailor was either a ghost or an

516

00:24:47,550 --> 00:24:42,070

angel because of how he spoke of God I

517

00:24:51,630 --> 00:24:47,560

believe he was an angel Wow my father

518

00:24:54,240 --> 00:24:51,640

came to me my father passed away on the

519

00:24:56,970 --> 00:24:54,250

1st of February 2012 and soon afterwards

520

00:24:59,790 --> 00:24:56,980

I had a dream that my father was waiting

521

00:25:02,280 --> 00:24:59,800

for me but the closer I came to him the

522

00:25:04,200 --> 00:25:02,290

further he moved away he was standing at

523

00:25:07,530 --> 00:25:04,210

the top of a flight of stairs which was

524

00:25:09,690 --> 00:25:07,540

very high I could not get to him as if

525

00:25:12,240 --> 00:25:09,700

he was watching over me then a few

526

00:25:15,090 --> 00:25:12,250

nights ago he appeared to my mom's

527

00:25:18,390 --> 00:25:15,100

neighbor who was sleeping in Mom's bed

528

00:25:21,390 --> 00:25:18,400

as an angel he just stood there and then

529

00:25:24,120 --> 00:25:21,400

disappeared after she told him my mom is

530

00:25:26,900 --> 00:25:24,130

being taken care of by me and she is

531

00:25:31,490 --> 00:25:26,910

fine I miss him so much

532

00:25:34,770 --> 00:25:31,500

the next story Moonville Ohio Angels

533

00:25:38,220 --> 00:25:34,780

Moonville Ohio is an old town that was

534

00:25:40,980 --> 00:25:38,230

overtaken by a plague almost everyone

535

00:25:43,470 --> 00:25:40,990

died all that is left of the town is a

536

00:25:45,480 --> 00:25:43,480

tunnel we went through the tunnel and

537

00:25:48,120 --> 00:25:45,490

three of my grandson's climbed the hill

538

00:25:50,850 --> 00:25:48,130

to the top there was a thin beam of

539

00:25:53,070 --> 00:25:50,860

light that looked like a sword it was

540

00:25:55,410 --> 00:25:53,080

right in front of us I couldn't see when

541

00:25:57,690 --> 00:25:55,420

I looked up to take the picture the

542

00:26:00,450 --> 00:25:57,700

light was so bright I took the picture

543

00:26:02,700 --> 00:26:00,460

anyway when we got back to our cabin I

544

00:26:05,300 --> 00:26:02,710

looked to the picture there was a bubble

545

00:26:07,710 --> 00:26:05,310

in the middle of the thin beam of light

546

00:26:10,260 --> 00:26:07,720

it was right in front of my grandson

547

00:26:13,320 --> 00:26:10,270

Jordan Jordan lost his father at nine

548

00:26:15,990 --> 00:26:13,330

months old he was killed by a train when

549

00:26:20,010 --> 00:26:16,000

I blew the picture there were angels as

550

00:26:22,500 --> 00:26:20,020

plain as day looking right at Jordan my

551
00:26:25,680 --> 00:26:22,510
five year old granddaughter Mason said I

552
00:26:27,360 --> 00:26:25,690
told you mommy I saw an angel I have the

553
00:26:29,430 --> 00:26:27,370
picture of the angels in the bubble I

554
00:26:31,980 --> 00:26:29,440
want to share this with the world what a

555
00:26:35,730 --> 00:26:31,990
blessing that we saw this at Moonville

556
00:26:38,610 --> 00:26:35,740
that day the next story is called

557
00:26:41,250 --> 00:26:38,620
angelic words my angel spoke to me once

558
00:26:43,080 --> 00:26:41,260
and told me his name it happened when I

559
00:26:45,900 --> 00:26:43,090
came back from shopping

560
00:26:48,030 --> 00:26:45,910
my mom told me to ask who my angel was I

561
00:26:52,500 --> 00:26:48,040
was barely forming the question when he

562
00:26:55,020 --> 00:26:52,510
told me one named Gabriel afterwards I

563
00:26:59,550 --> 00:26:55,030

could feel him standing near me a soft

564

00:27:03,240 --> 00:26:59,560

light with golden swirls the next story

565

00:27:05,370 --> 00:27:03,250

is called digital angel well I had two

566

00:27:08,610 --> 00:27:05,380

angels once when I was 10 and I heard

567

00:27:10,620 --> 00:27:08,620

someone whisper my name but no one was

568

00:27:14,280 --> 00:27:10,630

there and my angel communicates with me

569

00:27:16,740 --> 00:27:14,290

by using digits on the clock last night

570

00:27:19,440 --> 00:27:16,750

I was on my ipod and randomly felt

571

00:27:22,230 --> 00:27:19,450

someone lightly squeeze or touch my arm

572

00:27:25,170 --> 00:27:22,240

I was confused at first and started

573

00:27:29,460 --> 00:27:25,180

looking around but no one was there so I

574

00:27:32,820 --> 00:27:29,470

looked at the time it was 2:23 I just

575

00:27:37,130 --> 00:27:32,830

missed 2:22 one of the numbers when they

576
00:27:41,150 --> 00:27:37,140
let me know they're there I was amazed

577
00:27:44,520 --> 00:27:41,160
the next story is called bus stop angel

578
00:27:47,150 --> 00:27:44,530
I'd had a difficult two years full of

579
00:27:49,830 --> 00:27:47,160
losses and sadness and major changes I

580
00:27:52,290 --> 00:27:49,840
had been recently diagnosed with

581
00:27:54,450 --> 00:27:52,300
depression and I had some very strange

582
00:27:56,910 --> 00:27:54,460
experiences and some moments of pure

583
00:28:00,000 --> 00:27:56,920
bliss one day I was sitting at the bus

584
00:28:02,640 --> 00:28:00,010
stop and something that I could see sat

585
00:28:04,290 --> 00:28:02,650
next to me something so beautiful that I

586
00:28:08,190 --> 00:28:04,300
felt pressure and tingling

587
00:28:10,950 --> 00:28:08,200
all along that side a very spiritual

588
00:28:14,430 --> 00:28:10,960

friend said it was evil but I didn't

589

00:28:16,740 --> 00:28:14,440

feel it as evil I think so it was an

590

00:28:17,990 --> 00:28:16,750

angel that wants to guide me and has

591

00:28:20,430 --> 00:28:18,000

done just that

592

00:28:22,260 --> 00:28:20,440

through a chance encounter with a friend

593

00:28:24,960 --> 00:28:22,270

of a friend who has set me on the right

594

00:28:28,560 --> 00:28:24,970

path for healing all my hurt and

595

00:28:31,110 --> 00:28:28,570

resolving my depression and more in this

596

00:28:34,500 --> 00:28:31,120

friend of a friend is like an angel here

597

00:28:37,980 --> 00:28:34,510

on earth for me this next one is called

598

00:28:41,130 --> 00:28:37,990

angel helps me save my son's life my son

599

00:28:42,840 --> 00:28:41,140

called me because he wanted to die but

600

00:28:44,640 --> 00:28:42,850

after trying to convince him that I

601
00:28:47,160 --> 00:28:44,650
should fly there to help with the

602
00:28:48,840 --> 00:28:47,170
children he hung up my seven-year-old

603
00:28:51,600 --> 00:28:48,850
grandson called me crying and said

604
00:28:53,340 --> 00:28:51,610
please grandma come I called the

605
00:28:56,159 --> 00:28:53,350
airlines and had to be at the airport

606
00:28:58,859 --> 00:28:56,169
for the last 9 p.m. commuter plane the

607
00:29:00,690 --> 00:28:58,869
terminal was under construction so I was

608
00:29:02,549 --> 00:29:00,700
left at a shuttle site in the parking

609
00:29:05,970 --> 00:29:02,559
lot in pouring rain

610
00:29:07,950 --> 00:29:05,980
it was 8:45 p.m. I had never used this

611
00:29:11,070 --> 00:29:07,960
Airport so I was terrified and began

612
00:29:13,169 --> 00:29:11,080
crying a black woman appeared from the

613
00:29:15,869 --> 00:29:13,179

Black Knight and said why are you crying

614

00:29:18,060 --> 00:29:15,879

I don't know where to board the plane I

615

00:29:20,310 --> 00:29:18,070

said she asked for the flight

616

00:29:23,669 --> 00:29:20,320

information then said don't worry I'll

617

00:29:25,799 --> 00:29:23,679

get you there as a shuttle showed up she

618

00:29:28,499 --> 00:29:25,809

got me to the terminal and I was the

619

00:29:31,169 --> 00:29:28,509

last to board I stayed up all night with

620

00:29:33,570 --> 00:29:31,179

my son that I called the suicide line at

621

00:29:36,720 --> 00:29:33,580

4 a.m. convincing him to talk with a

622

00:29:38,820 --> 00:29:36,730

psychiatrist a friend came by went to

623

00:29:40,349 --> 00:29:38,830

talk with him and came out with a loaded

624

00:29:44,399 --> 00:29:40,359

gun and sleeping pills

625

00:29:50,220 --> 00:29:44,409
