8
00:00:31,569 --> 00:00:18,119
welcome welcome to UFO have my news with

9
00:00:36,290 --> 00:00:35,479
UFO sighting in Denver Colorado this

10
00:00:41,810 --> 00:00:36,300
occurred

11
00:00:44,270 --> 00:00:41,820
January 1st 2018 UFOs waste no time it

12
00:00:47,420 --> 00:00:44,280
breathed the witness states we saw

13
00:00:51,560 --> 00:00:47,430

hovering above lockheed martin orange

14

00:00:54,080 --> 00:00:51,570

then white then faded out how convenient

15

00:00:56,350 --> 00:00:54,090

my wife and I just left a concert at the

16

00:00:59,299 --> 00:00:56,360

venue we were walking to our car

17

00:01:02,380 --> 00:00:59,309

approximately 12 10 a.m.

18

00:01:05,660 --> 00:01:02,390

witnessed a bright orange red orb

19

00:01:07,550 --> 00:01:05,670

hovering above Lockheed Martin it

20

00:01:11,149 --> 00:01:07,560

changed directions but pretty much

21

00:01:14,570 --> 00:01:11,159

stayed in the same location faded to

22

00:01:16,820 --> 00:01:14,580

bright white then disappeared as if it

23

00:01:18,380 --> 00:01:16,830

knew we were watching it isn't that

24

00:01:21,200 --> 00:01:18,390

interesting how you hear that with

25

00:01:23,450 --> 00:01:21,210

witnesses a lot I took a picture after

26
00:01:26,749 --> 00:01:23,460
he had changed to white but disappeared

27
00:01:29,480 --> 00:01:26,759
before I could get video darn it the

28
00:01:36,890 --> 00:01:29,490
time was New Year's Eve approximately

29
00:01:40,899 --> 00:01:36,900
12:10 a.m. January 1st 2018 the next UFO

30
00:01:44,660 --> 00:01:40,909
sighting occurred and Miami Florida on

31
00:01:48,139 --> 00:01:44,670
January 1st 2018 in brief they state

32
00:01:51,190 --> 00:01:48,149
noted three objects in sky southeast of

33
00:01:57,080 --> 00:01:51,200
my position at home outside adjacent to

34
00:02:00,080 --> 00:01:57,090
Tammy Airport at 12 13 January 1st 2018

35
00:02:02,630 --> 00:02:00,090
noted multiple changes in position from

36
00:02:07,249 --> 00:02:02,640
hovering triangle to straight positions

37
00:02:12,080 --> 00:02:07,259
numerous fireworks in area in more

38
00:02:13,640 --> 00:02:12,090

detail they stay at 12 13 On January 1st

39

00:02:15,890 --> 00:02:13,650

2018 I noted three

40

00:02:19,009 --> 00:02:15,900

objects hovering over West Kendall near

41

00:02:21,220 --> 00:02:19,019

Tammany Airport while observing my

42

00:02:23,800 --> 00:02:21,230

daughter leaving for her friend's home

43

00:02:26,929 --> 00:02:23,810

these objects appeared with bright white

44

00:02:29,720 --> 00:02:26,939

red to orange colored lighting and moved

45

00:02:32,270 --> 00:02:29,730

with numerous positioning formatting

46

00:02:36,589 --> 00:02:32,280

from straight lines to a triangle

47

00:02:38,170 --> 00:02:36,599

formation these objects noted to change

48

00:02:40,970 --> 00:02:38,180

position quickly and seemingly

49

00:02:43,610 --> 00:02:40,980

strategically almost in response to

50

00:02:46,550 --> 00:02:43,620

increasingly more fireworks in the

51
00:02:50,300 --> 00:02:46,560
vicinity of the affected area that it

52
00:02:53,180 --> 00:02:50,310
was near Southwest 152nd as well as

53
00:02:57,080 --> 00:02:53,190
above the small airport I continued to

54
00:03:00,440 --> 00:02:57,090
record using my iPhone 6s as these

55
00:03:02,479 --> 00:03:00,450
objects initially formatted a triangle

56
00:03:04,580 --> 00:03:02,489
hovering over the airport then one

57
00:03:07,339 --> 00:03:04,590
object disappearing from sight and

58
00:03:10,069 --> 00:03:07,349
another object coming from seemingly

59
00:03:14,149 --> 00:03:10,079
southeast of my position and then

60
00:03:17,330 --> 00:03:14,159
formatting a straight line surprisingly

61
00:03:21,140 --> 00:03:17,340
I was not alarmed by the subjects nor

62
00:03:24,050 --> 00:03:21,150
surprised by their presence somehow

63
00:03:26,030 --> 00:03:24,060

instinctively I think they were curious

64

00:03:28,759 --> 00:03:26,040

with the lights and noise of the

65

00:03:32,360 --> 00:03:28,769

fireworks the one thing I am convinced

66

00:03:36,080 --> 00:03:32,370

of is that these objects were not drones

67

00:03:38,780 --> 00:03:36,090

nor fireworks I decided to stop filming

68

00:03:42,020 --> 00:03:38,790

that I had enough and went back outside

69

00:03:46,460 --> 00:03:42,030

after five minutes and no objects were

70

00:03:49,339 --> 00:03:46,470

observed the next UFO sighting has

71

00:03:49,969 --> 00:03:49,349

occurred in San Jose California this

72

00:03:54,680 --> 00:03:49,979

occurred

73

00:03:58,280 --> 00:03:54,690

November 8th 2017 8-foot diameter

74

00:04:00,680 --> 00:03:58,290

object filled portal stationary on

75

00:04:02,990 --> 00:04:00,690

highway in more detail of witness State

76

00:04:06,409 --> 00:04:03,000

San Jose California about 11 a.m.

77

00:04:08,780 --> 00:04:06,419

November 8th driving on highway 280

78

00:04:12,259 --> 00:04:08,790

westbound between highway 17 and

79

00:04:14,780 --> 00:04:12,269

Saratoga exit I saw a large object or

80

00:04:17,300 --> 00:04:14,790

field or portal in the middle of the

81

00:04:21,170 --> 00:04:17,310

left lane which I couldn't visually

82

00:04:24,529 --> 00:04:21,180

focus on shaped like an onion hmm

83

00:04:26,580 --> 00:04:24,539

slightly wider than tall very slightly

84

00:04:30,150 --> 00:04:26,590

pointed at the top

85

00:04:35,460 --> 00:04:30,160

about the width of a car so 810 feet in

86

00:04:38,159 --> 00:04:35,470

diameter perfectly radial a radially

87

00:04:42,360 --> 00:04:38,169

okay there's misspelling radially

88

00:04:45,870 --> 00:04:42,370

symmetric mostly opaque black or very

89

00:04:48,780 --> 00:04:45,880

dark brown but the outer one foot from

90

00:04:50,970 --> 00:04:48,790

the edge was gradually transparent it

91

00:04:54,350 --> 00:04:50,980

was so featureless that it was

92

00:04:58,379 --> 00:04:54,360

impossible for me to focus my eyes on it

93

00:05:00,990 --> 00:04:58,389

like it didn't have a solid surface it

94

00:05:03,330 --> 00:05:01,000

was in the left lane and I was in the

95

00:05:07,350 --> 00:05:03,340

second to the left lane and drove right

96

00:05:10,320 --> 00:05:07,360

past it and still couldn't recognize it

97

00:05:13,440 --> 00:05:10,330

because it was so difficult to focus on

98

00:05:15,810 --> 00:05:13,450

my how was this weird there was only one

99

00:05:18,210 --> 00:05:15,820

other car on the highway about 50 yards

100

00:05:21,180 --> 00:05:18,220

ahead of me in another Lane which I

101
00:05:23,400 --> 00:05:21,190
assumed avoided colliding with it but

102
00:05:26,490 --> 00:05:23,410
other than that this section of the

103
00:05:29,460 --> 00:05:26,500
highway was empty it's normally pretty

104
00:05:32,820 --> 00:05:29,470
busy this time of day but not packed so

105
00:05:35,010 --> 00:05:32,830
this was only a little unusual when I

106
00:05:38,400 --> 00:05:35,020
first saw it I thought it was a large

107
00:05:40,320 --> 00:05:38,410
roll of wire fencing viewed from one end

108
00:05:43,409 --> 00:05:40,330
because of the outer edges were

109
00:05:46,500 --> 00:05:43,419
transparent but as I drove past it it

110
00:05:50,159 --> 00:05:46,510
was clearly not cylindrical shaped but

111
00:05:53,730 --> 00:05:50,169
onion shaved its position remained

112
00:05:55,620 --> 00:05:53,740
stable it didn't move I was driving at

113
00:05:57,300 --> 00:05:55,630

about 70 miles per hour I would have

114

00:05:59,580 --> 00:05:57,310

pulled over personally taken some

115

00:06:01,500 --> 00:05:59,590

pictures of something I don't know so I

116

00:06:03,300 --> 00:06:01,510

had to keep looking ahead to remain in

117

00:06:06,260 --> 00:06:03,310

my lane but kept looking at it

118

00:06:10,350 --> 00:06:06,270

repeatedly to try and identify it

119

00:06:12,900 --> 00:06:10,360

it was completely puzzling the way my

120

00:06:15,000 --> 00:06:12,910

eyes couldn't focus on it sounds like it

121

00:06:18,540 --> 00:06:15,010

was kind of flipping in and out of this

122

00:06:21,060 --> 00:06:18,550

stratosphere here huh or this reality

123

00:06:23,700 --> 00:06:21,070

yeah okay anyways continuing I kept

124

00:06:26,640 --> 00:06:23,710

trying to assign an identity to it but

125

00:06:29,340 --> 00:06:26,650

couldn't it's not a rule of fencing

126

00:06:32,430 --> 00:06:29,350

because it's not cylindrical it's not a

127

00:06:36,330 --> 00:06:32,440

huge trash bag because there is no solid

128

00:06:38,610 --> 00:06:36,340

surface it looked like a field which

129

00:06:40,270 --> 00:06:38,620

didn't make a lot of sense but that's

130

00:06:42,460 --> 00:06:40,280

what it looked like this

131

00:06:45,790 --> 00:06:42,470

center of the field was the consistent

132

00:06:49,930 --> 00:06:45,800

color a very dark brownish black like

133

00:06:52,750 --> 00:06:49,940

rich soil it didn't look like soil but

134

00:06:56,710 --> 00:06:52,760

that's the color with very slight

135

00:07:00,129 --> 00:06:56,720

variation not pure color but with a

136

00:07:02,890 --> 00:07:00,139

slight variation after being unable to

137

00:07:05,470 --> 00:07:02,900

identify it I thought maybe it's a

138

00:07:08,409 --> 00:07:05,480

cloaked object some kind of visual

139

00:07:11,470 --> 00:07:08,419

distortion field it's hard to describe

140

00:07:14,320 --> 00:07:11,480

how difficult it was to focus on for

141

00:07:17,640 --> 00:07:14,330

example are you familiar with random-dot

142

00:07:20,200 --> 00:07:17,650

stereograms google it and find one

143

00:07:22,659 --> 00:07:20,210

sometimes while trying to focus on one

144

00:07:25,300 --> 00:07:22,669

which involves crossing your eyes to

145

00:07:28,600 --> 00:07:25,310

produce an overlapping image you'll

146

00:07:30,909 --> 00:07:28,610

almost have it but not quite it was like

147

00:07:33,520 --> 00:07:30,919

that like my eyes weren't able to see

148

00:07:36,190 --> 00:07:33,530

the same thing but each eye was seeing

149

00:07:40,300 --> 00:07:36,200

something slightly different it almost

150

00:07:43,629 --> 00:07:40,310

looked like a hole as I drove past it it

151
00:07:46,030 --> 00:07:43,639
seemed that the central color changed

152
00:07:49,030 --> 00:07:46,040
the way a background changes when you

153
00:07:50,920 --> 00:07:49,040
view it through a doorway moving at a

154
00:07:53,620 --> 00:07:50,930
different rate than the doorway as you

155
00:07:56,170 --> 00:07:53,630
walk past it what I mean is touch your

156
00:07:58,570 --> 00:07:56,180
index finger to your thumb forming a

157
00:08:01,719 --> 00:07:58,580
hole and hold it a foot from your face

158
00:08:04,690 --> 00:08:01,729
so you can see through it now move your

159
00:08:06,279 --> 00:08:04,700
head slightly to the side your hand and

160
00:08:08,920 --> 00:08:06,289
whatever you see through your fingers

161
00:08:12,430 --> 00:08:08,930
both move visually but at a different

162
00:08:15,460 --> 00:08:12,440
rate it was like that as though it was a

163
00:08:17,950 --> 00:08:15,470

hole with a hollow space beyond it which

164

00:08:21,219 --> 00:08:17,960

contained a very dark brown slightly

165

00:08:23,230 --> 00:08:21,229

textured surface that's the closest

166

00:08:26,440 --> 00:08:23,240

description that makes sense to me but

167

00:08:33,130 --> 00:08:26,450

even then as I said it was difficult to

168

00:08:40,270 --> 00:08:33,140

focus on clearly I called 911 i called

169

00:08:42,850 --> 00:08:40,280

9-1-1 it while still driving an operator

170

00:08:46,960 --> 00:08:42,860

a woman answered and i said there's a

171

00:08:51,460 --> 00:08:46,970

large thing i can't tell what it is on

172

00:08:54,100 --> 00:08:51,470

highway 280 just east of Saratoga the

173

00:08:55,900 --> 00:08:54,110

operator forwarded me to a second person

174

00:08:58,900 --> 00:08:55,910

a man to whom I gave the same

175

00:09:03,670 --> 00:08:58,910

description he said like a big beanbag

176

00:09:06,069 --> 00:09:03,680

and I said yes because that's the shape

177

00:09:10,449 --> 00:09:06,079

it was I said yeah but I couldn't tell

178

00:09:12,970 --> 00:09:10,459

what it was what is it he said other

179

00:09:16,480 --> 00:09:12,980

people have reported it but they didn't

180

00:09:18,519 --> 00:09:16,490

know what it was yet Oh get out he asked

181

00:09:21,100 --> 00:09:18,529

for my name which I gave and spelled out

182

00:09:23,740 --> 00:09:21,110

for him but he initially thought my last

183

00:09:26,590 --> 00:09:23,750

name was my first name that seemed odd

184

00:09:28,840 --> 00:09:26,600

because surely they have caller ID and

185

00:09:31,930 --> 00:09:28,850

would be able to see my name linked to

186

00:09:34,240 --> 00:09:31,940

my phone number I concluded the call I

187

00:09:37,449 --> 00:09:34,250

considered going back but I was late for

188

00:09:39,970 --> 00:09:37,459

work anyway and figured well it must

189

00:09:42,519 --> 00:09:39,980

have been something obviously whatever

190

00:09:44,380 --> 00:09:42,529

it is they'll haul it away but in the

191

00:09:46,900 --> 00:09:44,390

following minutes after I arrived at

192

00:09:49,690 --> 00:09:46,910

work and in the following hours as I

193

00:09:54,370 --> 00:09:49,700

thought it over my mind I realized that

194

00:09:57,790 --> 00:09:54,380

my memory of it was consistent it really

195

00:10:00,069 --> 00:09:57,800

had happened to be a non solid field

196

00:10:02,920 --> 00:10:00,079

without a surface and looked like either

197

00:10:06,360 --> 00:10:02,930

a visual distortion field around a

198

00:10:07,630 --> 00:10:06,370

cloaked object or a hole in space I

199

00:10:11,019 --> 00:10:07,640

checked

200

00:10:14,560 --> 00:10:11,029

seiga leaked a Sigalert a Sigalert calm

201
00:10:16,660 --> 00:10:14,570
that's a Sigalert which lists traffic

202
00:10:20,110 --> 00:10:16,670
accidents and objects on the highways

203
00:10:22,660 --> 00:10:20,120
but there was no mention of it it was

204
00:10:25,509 --> 00:10:22,670
quite large and if it had been some

205
00:10:27,670 --> 00:10:25,519
giant bag of trash or a ball of junk

206
00:10:30,160 --> 00:10:27,680
they would have had to block off the

207
00:10:33,040 --> 00:10:30,170
highway to remove it if it had been

208
00:10:34,689 --> 00:10:33,050
solid it would have taken some effort to

209
00:10:37,990 --> 00:10:34,699
remove it from the road so whatever it

210
00:10:40,840 --> 00:10:38,000
was it wasn't permanent or it would have

211
00:10:43,660 --> 00:10:40,850
caused a huge traffic jam while a road

212
00:10:45,759 --> 00:10:43,670
crew removed it based on that it must

213
00:10:48,850 --> 00:10:45,769

have appeared and disappeared shortly

214

00:10:51,880 --> 00:10:48,860

thereafter that evening I posted on

215

00:10:55,000 --> 00:10:51,890

reddit in a local subreddit about it in

216

00:10:58,329 --> 00:10:55,010

case anyone else had seen it but nobody

217

00:11:00,970 --> 00:10:58,339

had I don't have a photo but it happened

218

00:11:02,889 --> 00:11:00,980

in this section of highway close to this

219

00:11:05,230 --> 00:11:02,899

location and then they give the Google

220

00:11:08,410 --> 00:11:05,240

location Wow

221

00:11:11,470 --> 00:11:08,420

that is a highly unusual

222

00:11:13,930 --> 00:11:11,480

very unique sighting of something I have

223

00:11:16,660 --> 00:11:13,940

never heard of before in such a color

224

00:11:19,930 --> 00:11:16,670

portals yes black holes in the middle of

225

00:11:23,939 --> 00:11:19,940

highways with some brown muddy color no

226

00:11:27,790 --> 00:11:23,949

no no I haven't this next one is

227

00:11:33,910 --> 00:11:27,800

entitled UFO landing in Chicago Illinois

228

00:11:35,980 --> 00:11:33,920

on December 31st 2017 and they stayed in

229

00:11:39,689 --> 00:11:35,990

brief this is pretty complicated but in

230

00:11:42,250 --> 00:11:39,699

short it landed exited approached

231

00:11:46,569 --> 00:11:42,260

ape-like creature emerging from a

232

00:11:50,519 --> 00:11:46,579

metallic light source Wow fascinating

233

00:11:53,019 --> 00:11:50,529

okay in more detail the witness states

234

00:11:55,810 --> 00:11:53,029

last night I was coming home from the

235

00:11:58,449 --> 00:11:55,820

grocery store and the entire sky for one

236

00:12:02,769 --> 00:11:58,459

second lit up like a flash of lightning

237

00:12:06,250 --> 00:12:02,779

an orb like figure with blue and pink

238

00:12:08,650 --> 00:12:06,260

lights circulating around it oscillating

239

00:12:12,400 --> 00:12:08,660

came out of the Northeast and headed

240

00:12:16,360 --> 00:12:12,410

towards me it then landed up in the

241

00:12:18,579 --> 00:12:16,370

trees as if it was an owl perching it

242

00:12:22,509 --> 00:12:18,589

had the shape of about a two foot tall

243

00:12:25,590 --> 00:12:22,519

owl shining metallic light staring at me

244

00:12:28,150 --> 00:12:25,600

and then flew down and very slowly

245

00:12:30,460 --> 00:12:28,160

reached out towards me

246

00:12:33,460 --> 00:12:30,470

I dropped my groceries and ran inside

247

00:12:36,329 --> 00:12:33,470

and the house began to shake Wow

248

00:12:39,759 --> 00:12:36,339

when the house began to shake a large

249

00:12:41,500 --> 00:12:39,769

symphonic hum occurred everywhere in the

250

00:12:44,650 --> 00:12:41,510

entire house was glowing

251
00:12:47,769 --> 00:12:44,660
all the lights were shimmering on and

252
00:12:50,519 --> 00:12:47,779
off the preacher made a noise from the

253
00:12:54,189 --> 00:12:50,529
outside that sounded organic like

254
00:12:57,670 --> 00:12:54,199
machinery ok preacher I I don't know I

255
00:12:59,980 --> 00:12:57,680
just read it I don't edit it whatever it

256
00:13:03,850 --> 00:12:59,990
was it sounds horrifying alright next

257
00:13:08,259 --> 00:13:03,860
UFO sighting in Shoreview Minnesota

258
00:13:12,550 --> 00:13:08,269
this occurred January 1st 2018 at 2:10

259
00:13:14,650 --> 00:13:12,560
a.m. on January 1st 118 I witnessed a

260
00:13:17,280 --> 00:13:14,660
peculiar light the witness states in

261
00:13:20,620 --> 00:13:17,290
brief cluster of three white lights in

262
00:13:22,270 --> 00:13:20,630
intermittent red light from an

263
00:13:25,390 --> 00:13:22,280

east-facing window in my home

264

00:13:28,240 --> 00:13:25,400

I had my 29 year old son watch it with

265

00:13:32,560 --> 00:13:28,250

me we observed for half an hour hovering

266

00:13:36,640 --> 00:13:32,570

bobbing zooming white and red lights in

267

00:13:43,600 --> 00:13:36,650

more detail it's date at 2:10 a.m. on

268

00:13:46,390 --> 00:13:43,610

the first of 2018 I finally decided to

269

00:13:49,540 --> 00:13:46,400

get out of bed and frustration over not

270

00:13:52,600 --> 00:13:49,550

being able to fall asleep okay I had

271

00:13:55,000 --> 00:13:52,610

never suffered from even one night of

272

00:13:57,460 --> 00:13:55,010

insomnia but that is what I was

273

00:13:59,740 --> 00:13:57,470

experiencing as soon as I swung my legs

274

00:14:02,320 --> 00:13:59,750

over the edge of the bed I looked out my

275

00:14:07,330 --> 00:14:02,330

east-facing window and observed from my

276

00:14:10,510 --> 00:14:07,340

home in Shoreview Minnesota USA a quote

277

00:14:13,180 --> 00:14:10,520

light or a cluster of three white lights

278

00:14:16,450 --> 00:14:13,190

very close together moving in a very

279

00:14:18,760 --> 00:14:16,460

peculiar manner at the onset of my

280

00:14:22,120 --> 00:14:18,770

half-hour viewing time a red glowing

281

00:14:25,320 --> 00:14:22,130

light shone from this object and from

282

00:14:28,390 --> 00:14:25,330

then on the red light was irregularly

283

00:14:32,170 --> 00:14:28,400

intermittent the object was far away and

284

00:14:35,079 --> 00:14:32,180

resembled a star only much larger first

285

00:14:39,040 --> 00:14:35,089

positioned at about 20 degrees above the

286

00:14:41,380 --> 00:14:39,050

horizon it wobbled hovered it slowly

287

00:14:43,990 --> 00:14:41,390

moved from north to south and seemed to

288

00:14:47,430 --> 00:14:44,000

discrete in altitude and then increase

289

00:14:50,290 --> 00:14:47,440

in altitude slowly but very noticeably

290

00:14:53,260 --> 00:14:50,300

from my viewing position the object was

291

00:14:57,310 --> 00:14:53,270

located between two large pine trees as

292

00:14:59,829 --> 00:14:57,320

I had a suitable frame of reference for

293

00:15:02,320 --> 00:14:59,839

more movement after observing this with

294

00:15:05,579 --> 00:15:02,330

my 29 year old son we observed and

295

00:15:09,250 --> 00:15:05,589

witnessed the object suddenly zoom

296

00:15:11,590 --> 00:15:09,260

teleport aha they say approximately 10

297

00:15:13,240 --> 00:15:11,600

degrees south of where it had been it

298

00:15:16,240 --> 00:15:13,250

continued to display the hovering

299

00:15:18,490 --> 00:15:16,250

wobbling almost sir get to Old Navy now

Navy calm adult Wade deals this great

305
00:15:32,980 --> 00:15:30,020
won't last hurry in valid 12 26 - 2 -

306
00:15:36,130 --> 00:15:32,990
dealer motions it continuously climbed

307
00:15:38,980 --> 00:15:36,140
in the sky and at about 25 degrees

308
00:15:42,130 --> 00:15:38,990
it shot a beam of white light to the

309
00:15:45,280 --> 00:15:42,140
south of it which reflected as an arc of

310
00:15:48,730 --> 00:15:45,290
light on what I assumed were the clouds

311
00:15:51,280 --> 00:15:48,740
around it about five minutes after that

312
00:15:53,890 --> 00:15:51,290
it shot a beam of light straight down

313
00:15:57,100 --> 00:15:53,900

and slightly to the north of it in a few

314

00:16:00,640 --> 00:15:57,110

seconds after that another beam in the

315

00:16:02,680 --> 00:16:00,650

same path it continued the quote

316

00:16:05,250 --> 00:16:02,690

hovering in the sentient to about 30

317

00:16:07,510 --> 00:16:05,260

degrees when we decided to stop watching

318

00:16:10,630 --> 00:16:07,520

I'm hoping that others saw this

319

00:16:12,460 --> 00:16:10,640

phenomena also I am interested in quote

320

00:16:15,520 --> 00:16:12,470

rational explanations of what I

321

00:16:19,390 --> 00:16:15,530

witnessed I just have never seen typical

322

00:16:21,910 --> 00:16:19,400

aircraft behave this way personally I'm

323

00:16:25,030 --> 00:16:21,920

amazed by what my son and I witnessed I

324

00:16:28,870 --> 00:16:25,040

regret not having tried to video the

325

00:16:31,780 --> 00:16:28,880

event the next year faux sighting

326

00:16:36,280 --> 00:16:31,790

occurred in Fort Myers Florida on

327

00:16:38,440 --> 00:16:36,290

January 1st 2018 in brief the witness

328

00:16:41,830 --> 00:16:38,450

states daughter and I witnessed object

329

00:16:45,000 --> 00:16:41,840

descending ejection of smaller object

330

00:16:48,490 --> 00:16:45,010

then immediate ascending of object and

331

00:16:50,650 --> 00:16:48,500

disappeared in more detail they state my

332

00:16:53,740 --> 00:16:50,660

daughter and I just finished lighting a

333

00:16:56,560 --> 00:16:53,750

couple of fireworks off after the New

334

00:16:58,900 --> 00:16:56,570

Year ball dropped on TV hmm once

335

00:17:01,960 --> 00:16:58,910

finished my daughter said daddy look at

336

00:17:03,720 --> 00:17:01,970

that plane it looks weird after looking

337

00:17:07,660 --> 00:17:03,730

at the object I could tell right away

338

00:17:10,180 --> 00:17:07,670

this was not a plane or normal object in

339

00:17:12,490 --> 00:17:10,190

the sky I told my daughter to grab my

340

00:17:15,550 --> 00:17:12,500

phone as I continued to watch and study

341

00:17:16,329 --> 00:17:15,560

the object it was shaped as a Christmas

342

00:17:18,939 --> 00:17:16,339

ornament

343

00:17:21,520 --> 00:17:18,949

what's a small handle like object on the

344

00:17:25,000 --> 00:17:21,530

bottom the object was glowing bright

345

00:17:27,660 --> 00:17:25,010

gold copper red yellow combined such as

346

00:17:31,240 --> 00:17:27,670

lava once the object came to a halt

347

00:17:35,440 --> 00:17:31,250

hovered it simultaneously turned into a

348

00:17:39,100 --> 00:17:35,450

more of a bell shape and a second

349

00:17:41,260 --> 00:17:39,110

smaller object dispersed descending once

350

00:17:43,900 --> 00:17:41,270

the second object ejected the larger

351
00:17:48,130 --> 00:17:43,910
object went behind a cloud and

352
00:17:50,170 --> 00:17:48,140
disappeared without notice or sound we

353
00:17:52,450 --> 00:17:50,180
can still see the color of the

354
00:17:54,430 --> 00:17:52,460
behind the cloud and then in the blink

355
00:17:56,980 --> 00:17:54,440
of an eye it was gone

356
00:17:59,380 --> 00:17:56,990
the secondary object was nowhere to be

357
00:18:01,450 --> 00:17:59,390
seen against the rest of the night we

358
00:18:04,270 --> 00:18:01,460
noticed our cable boxes were turned off

359
00:18:07,300 --> 00:18:04,280
which was strange as we watched the ball

360
00:18:10,920 --> 00:18:07,310
drop on TV and did not touch either of

361
00:18:14,620 --> 00:18:10,930
the boxes before or after the sighting

362
00:18:16,590 --> 00:18:14,630
my daughter was scared as can be she

363
00:18:19,090 --> 00:18:16,600

would not allow me to leave her sight

364

00:18:21,850 --> 00:18:19,100

she was worried something was going to

365

00:18:24,340 --> 00:18:21,860

happen to us I initially thought how

366

00:18:26,800 --> 00:18:24,350

amazing this was but then when I saw her

367

00:18:29,140 --> 00:18:26,810

reaction it was time to sit down and

368

00:18:32,440 --> 00:18:29,150

explain to her exactly what happened and

369

00:18:34,810 --> 00:18:32,450

what we saw fortunately later on in the

370

00:18:37,750 --> 00:18:34,820

afternoon today she feels much better

371

00:18:41,140 --> 00:18:37,760

and has more questions and is intrigued

372

00:18:44,110 --> 00:18:41,150

about the experience opposed to being

373

00:18:45,330 --> 00:18:44,120

afraid that's the UFO effect what can we

374

00:18:48,610 --> 00:18:45,340

say

375

00:18:51,970 --> 00:18:48,620

the next year for sighting happened in

376

00:18:52,330 --> 00:18:51,980

mrs. Sagwa Ontario I know I messed that

377

00:18:56,860 --> 00:18:52,340

up

378

00:19:00,490 --> 00:18:56,870

this occurred in November 24th 2017 four

379

00:19:03,190 --> 00:19:00,500

or five foggy type oval lights circling

380

00:19:06,550 --> 00:19:03,200

my house simultaneously join together

381

00:19:09,790 --> 00:19:06,560

then split and repeat toward the end

382

00:19:12,970 --> 00:19:09,800

many circles also appeared next to the

383

00:19:15,340 --> 00:19:12,980

bigger ones in more detail the witness

384

00:19:18,300 --> 00:19:15,350

states went out in the backyard with my

385

00:19:22,000 --> 00:19:18,310

two dogs and saw above my townhome

386

00:19:25,450 --> 00:19:22,010

approximately four to five foggy oval

387

00:19:27,310 --> 00:19:25,460

lights circling in a rotation at first I

388

00:19:29,860 --> 00:19:27,320

thought this was an event spotlight

389

00:19:33,250 --> 00:19:29,870

since it was in the Christmas season but

390

00:19:35,110 --> 00:19:33,260

there were no beams to the ground over

391

00:19:38,350 --> 00:19:35,120

time they joined together to make one

392

00:19:40,540 --> 00:19:38,360

circle in the middle then they would

393

00:19:45,100 --> 00:19:40,550

break apart and repeat the same rotation

394

00:19:47,860 --> 00:19:45,110

I reported this MUFON forum this went on

395

00:19:50,230 --> 00:19:47,870

for half an hour this is all I noticed

396

00:19:53,280 --> 00:19:50,240

but for all I know this was going on

397

00:19:56,680 --> 00:19:53,290

prior to my 8:30 p.m. notice of my event

398

00:19:59,080 --> 00:19:56,690

my dogs did not seem agitated nor did

399

00:20:01,510 --> 00:19:59,090

they even look up but I felt it should

400

00:20:03,130 --> 00:20:01,520

bring them into the house I kept

401
00:20:03,760 --> 00:20:03,140
checking every five minutes or so in the

402
00:20:06,910 --> 00:20:03,770
same thing

403
00:20:09,160 --> 00:20:06,920
would happen I am not tech savvy and I

404
00:20:11,290 --> 00:20:09,170
don't have a smartphone but I filmed

405
00:20:12,910 --> 00:20:11,300
this with my digital camera and couldn't

406
00:20:15,850 --> 00:20:12,920
see anything once I looked into the

407
00:20:21,850 --> 00:20:15,860
camera frame and unfortunately deleted

408
00:20:24,340 --> 00:20:21,860
what I filmed I should have uploaded it

409
00:20:26,440 --> 00:20:24,350
because then the objects may have been

410
00:20:28,870 --> 00:20:26,450
visible from the computer screen so I

411
00:20:30,610 --> 00:20:28,880
know they have any footage I called my

412
00:20:33,400 --> 00:20:30,620
neighbor behind me and he went out to

413
00:20:37,180 --> 00:20:33,410

look as well and was perplexed he too

414

00:20:38,890 --> 00:20:37,190

did not take any pics toward 9:00 p.m. I

415

00:20:41,320 --> 00:20:38,900

checked again and this time smaller

416

00:20:43,660 --> 00:20:41,330

circles were around the bigger ones as

417

00:20:46,770 --> 00:20:43,670

if they broke from the bigger lights

418

00:20:48,910 --> 00:20:46,780

perhaps next check they were gone

419

00:20:50,740 --> 00:20:48,920

because I was busy decorating for

420

00:20:53,620 --> 00:20:50,750

Christmas I didn't check a report

421

00:20:56,140 --> 00:20:53,630

anything until a day or two later again

422

00:20:58,450 --> 00:20:56,150

because I had no footage I looked online

423

00:21:01,120 --> 00:20:58,460

for anything similar the nearest

424

00:21:03,310 --> 00:21:01,130

comparison is on YouTube a video called

425

00:21:06,820 --> 00:21:03,320

mysterious white lights circling in the

426

00:21:09,610 --> 00:21:06,830

sky that video shows similar color size

427

00:21:12,280 --> 00:21:09,620

and movement the ones I saw however were

428

00:21:15,550 --> 00:21:12,290

rotating in sync in adjoining in the

429

00:21:18,220 --> 00:21:15,560

middle coming apart circling and joining

430

00:21:20,860 --> 00:21:18,230

on a consistent basis until a final

431

00:21:23,620 --> 00:21:20,870

check when there were also smaller

432

00:21:27,040 --> 00:21:23,630

circles I asked another neighbor of mine

433

00:21:29,800 --> 00:21:27,050

who is an airport firefighter he felt it

434

00:21:31,870 --> 00:21:29,810

may have been powerful laser lights and

435

00:21:35,380 --> 00:21:31,880

if that were the case I should report

436

00:21:37,500 --> 00:21:35,390

this to navigation Canada so such pranks

437

00:21:41,590 --> 00:21:37,510

could be investigated as they pose

438

00:21:43,720 --> 00:21:41,600

danger to planes I emailed navigation

439

00:21:47,140 --> 00:21:43,730

Canada and have received no response I

440

00:21:49,210 --> 00:21:47,150

also called Peel Police and this was

441

00:21:51,580 --> 00:21:49,220

dismissed and not taken seriously I

442

00:21:54,010 --> 00:21:51,590

asked if there were events in the area

443

00:21:57,730 --> 00:21:54,020

that may have contributed to some sort

444

00:21:59,620 --> 00:21:57,740

of spotlight and was told no but no

445

00:22:02,260 --> 00:21:59,630

interest beyond this was given other

446

00:22:04,870 --> 00:22:02,270

than the officer did ask if I had a

447

00:22:08,050 --> 00:22:04,880

photo and I explained that I deleted

448

00:22:09,820 --> 00:22:08,060

what I filmed regrettably he said no one

449

00:22:12,760 --> 00:22:09,830

from my neighborhood or surrounding

450

00:22:15,400 --> 00:22:12,770

subdivisions reported anything other

451
00:22:17,139 --> 00:22:15,410
than myself I guess it just didn't

452
00:22:20,990 --> 00:22:17,149
happen

453
00:22:23,210 --> 00:22:21,000
the next UFO sighting this occurred in

454
00:22:27,740 --> 00:22:23,220
Auckland Auckland is what it says I

455
00:22:29,870 --> 00:22:27,750
swear December 25th 2017 fast in silent

456
00:22:33,049 --> 00:22:29,880
in more detail the witness states

457
00:22:35,830 --> 00:22:33,059
superfast silent if you don't believe in

458
00:22:39,049 --> 00:22:35,840
the secret space program this is proof

459
00:22:42,110 --> 00:22:39,059
identical to that of a USA aircraft

460
00:22:44,060 --> 00:22:42,120
carrier and size color shape etc this

461
00:22:46,700 --> 00:22:44,070
craft was traveling at speeds and like

462
00:22:49,940 --> 00:22:46,710
anything that we know of except that of

463
00:22:51,620 --> 00:22:49,950

hidden black projects if I editor zoom

464

00:22:55,909 --> 00:22:51,630

further into this pick

465

00:22:58,159 --> 00:22:55,919

it shows levels doors covering tower and

466

00:23:00,019 --> 00:22:58,169

things just like an ordinary aircraft

467

00:23:03,350 --> 00:23:00,029

carrier from the outside with

468

00:23:05,600 --> 00:23:03,360

anti-gravity this thing is quick I have

469

00:23:08,060 --> 00:23:05,610

a video of this thing as with many

470

00:23:10,639 --> 00:23:08,070

others crafts that people are totally

471

00:23:13,629 --> 00:23:10,649

unaware exist apologies about such a

472

00:23:18,289 --> 00:23:13,639

small pic enlarging distorts it too much

473

00:23:21,049 --> 00:23:18,299

okay the next UFO sighting oh what a

474

00:23:23,779 --> 00:23:21,059

name oh okay guys forgive me and

475

00:23:26,600 --> 00:23:23,789

slaughtering this name UFO sighting in

476

00:23:32,960 --> 00:23:26,610

waller e nord bre bent

477

00:23:36,289 --> 00:23:32,970

MMH waa lr e Waller II and this occurred

478

00:23:39,409 --> 00:23:36,299

January 1st 2018 and brief the witness

479

00:23:41,960 --> 00:23:39,419

says one blue UFO watching the various

480

00:23:44,360 --> 00:23:41,970

fireworks hovering flashing and dashing

481

00:23:46,700 --> 00:23:44,370

around and more detail I was downstairs

482

00:23:49,039 --> 00:23:46,710

looking at the fireworks in the sky from

483

00:23:51,649 --> 00:23:49,049

my living room I noticed a blue light

484

00:23:54,500 --> 00:23:51,659

amongst the fireworks but it wasn't part

485

00:23:56,840 --> 00:23:54,510

of it when it hovered it flashed blue

486

00:23:59,480 --> 00:23:56,850

when it moved from one point in the sky

487

00:24:01,279 --> 00:23:59,490

to another it didn't flash but stay blue

488

00:24:03,799 --> 00:24:01,289

it seemed to be interested in the

489

00:24:06,049 --> 00:24:03,809

fireworks here goes another one we see a

490

00:24:07,610 --> 00:24:06,059

pattern don't we going from one display

491

00:24:10,190 --> 00:24:07,620

to the other I thought it could be a

492

00:24:13,070 --> 00:24:10,200

drone but who would put a drone in

493

00:24:15,950 --> 00:24:13,080

harm's way plus I stayed up for 20

494

00:24:18,649 --> 00:24:15,960

minutes pretty long and it could dash

495

00:24:21,560 --> 00:24:18,659

around real fast it could hover in one

496

00:24:25,269 --> 00:24:21,570

place and then dash away faster slow but

497

00:24:29,990 --> 00:24:25,279

unearthly fast as well I was calm and

498

00:24:32,450 --> 00:24:30,000

interested this wasn't the first UFO

499

00:24:35,600 --> 00:24:32,460

I had seen I am Not Afraid but instead

500

00:24:38,330 --> 00:24:35,610

interested I lost sight of the object

501
00:24:45,580 --> 00:24:38,340
when it moved right away from my window

502
00:24:48,230 --> 00:24:45,590
view okay in carrying on in sharing some

503
00:24:51,140 --> 00:24:48,240
inspirational stories of miracles and

504
00:24:53,930 --> 00:24:51,150
angels to bring in our New Year properly

505
00:24:58,280 --> 00:24:53,940
I am going to commence in reading some

506
00:25:02,750 --> 00:24:58,290
off to you this one is entitled guardian

507
00:25:05,930 --> 00:25:02,760
angel encounters this person stays at 18

508
00:25:08,450 --> 00:25:05,940
I was in a car wreck out of nowhere a

509
00:25:11,720 --> 00:25:08,460
lady and white clothes like a nurse

510
00:25:14,660 --> 00:25:11,730
appeared she held a towel to my head

511
00:25:17,180 --> 00:25:14,670
stopping my severe bleeding as the fire

512
00:25:20,240 --> 00:25:17,190
trucks were coming she said you will be

513
00:25:23,570 --> 00:25:20,250

fine now I looked away and she was gone

514

00:25:26,840 --> 00:25:23,580

I asked the fireman where was the lady

515

00:25:29,030 --> 00:25:26,850

he said wet lady I pointed to where she

516

00:25:31,640 --> 00:25:29,040

had come from and he said she could not

517

00:25:34,120 --> 00:25:31,650

have come from that area it was a five

518

00:25:37,100 --> 00:25:34,130

hundred foot cliff to the Pacific Ocean

519

00:25:39,800 --> 00:25:37,110

she said I heard the accident and was at

520

00:25:42,590 --> 00:25:39,810

the beach and came to help you all my

521

00:25:45,860 --> 00:25:42,600

friend saw her thirty years later my

522

00:25:48,020 --> 00:25:45,870

girlfriend died the next day what I am

523

00:25:51,320 --> 00:25:48,030

walking to my dog crying wishing it was

524

00:25:53,600 --> 00:25:51,330

me instead of her a gold truck drives up

525

00:25:56,270 --> 00:25:53,610

the blonde lady gets out and walks over

526
00:25:58,700 --> 00:25:56,280
to me and says you are going to be okay

527
00:26:00,380 --> 00:25:58,710
everything will be fine she walks away

528
00:26:03,920 --> 00:26:00,390
and I turn around and realize it's her

529
00:26:06,200 --> 00:26:03,930
again my guardian angel Wow

530
00:26:09,770 --> 00:26:06,210
that gave me goosebumps a little

531
00:26:13,580 --> 00:26:09,780
confusing but goose-bumpy next story

532
00:26:16,910 --> 00:26:13,590
angels touch my mom passed away June

533
00:26:20,150 --> 00:26:16,920
2011 about a month after her death I was

534
00:26:22,310 --> 00:26:20,160
at a fair crying a lot that night I felt

535
00:26:26,570 --> 00:26:22,320
a touch on my arm coming directly from

536
00:26:30,320 --> 00:26:26,580
above me I realized it was mom and I

537
00:26:32,510 --> 00:26:30,330
felt so comforted it was the same exact

538
00:26:38,330 --> 00:26:32,520

touch I wanted to give her to say

539

00:26:41,840 --> 00:26:38,340

goodbye in the coffin and could not next

540

00:26:43,580 --> 00:26:41,850

one is called the beloved angel I had an

541

00:26:46,430 --> 00:26:43,590

experience where I felt something

542

00:26:49,159 --> 00:26:46,440

touching my head in a strange but soft

543

00:26:52,010 --> 00:26:49,169

manner and I knew I received a blessing

544

00:26:54,950 --> 00:26:52,020

because I was from church that day and

545

00:26:57,590 --> 00:26:54,960

from time to time I also see this little

546

00:27:00,649 --> 00:26:57,600

orb and for some reason I just had a

547

00:27:04,630 --> 00:27:00,659

feeling it was my angel and whenever I

548

00:27:07,600 --> 00:27:04,640

see it I smile and say Amen

549

00:27:12,260 --> 00:27:07,610

alright this next one is called angelic

550

00:27:14,029 --> 00:27:12,270

visitation it was on 2011 May I was not

551
00:27:17,029 --> 00:27:14,039
feeling well everything seemed to be

552
00:27:19,519 --> 00:27:17,039
falling down I would spend a lot of time

553
00:27:23,330 --> 00:27:19,529
on Facebook and the internet I felt I

554
00:27:25,220 --> 00:27:23,340
was challenged by evil spirits by then I

555
00:27:28,880 --> 00:27:25,230
was supposed to complete my

556
00:27:32,060 --> 00:27:28,890
authorization as a distribution regional

557
00:27:36,560 --> 00:27:32,070
controller and was tasked by my employer

558
00:27:39,169 --> 00:27:36,570
Escom national control South Africa okay

559
00:27:41,570 --> 00:27:39,179
I was feeling like I was dead most of

560
00:27:45,740 --> 00:27:41,580
the time would see my spirit get out of

561
00:27:48,049 --> 00:27:45,750
my body and wonder to my mentor my dad

562
00:27:51,049 --> 00:27:48,059
will come in a spirit form to bring my

563
00:27:52,549 --> 00:27:51,059

soul back to my body okay little

564

00:27:54,680 --> 00:27:52,559

chopped-up but I think I'm following I

565

00:27:57,049 --> 00:27:54,690

thought it was one of the many dreams I

566

00:27:59,389 --> 00:27:57,059

had since I was young I always had

567

00:28:02,029 --> 00:27:59,399

dreams until now last year

568

00:28:05,180 --> 00:28:02,039

the start date it was at night I was

569

00:28:07,490 --> 00:28:05,190

from my work place at midnight I was

570

00:28:10,220 --> 00:28:07,500

walking at night a risky place German

571

00:28:13,399 --> 00:28:10,230

stood and prayed that night I saw a

572

00:28:16,700 --> 00:28:13,409

light from above and collapsed then my

573

00:28:19,490 --> 00:28:16,710

hands were lifted up by that light the

574

00:28:24,110 --> 00:28:19,500

same light picked me up and danced with

575

00:28:29,299 --> 00:28:24,120

me then I was happy ever since as always

576

00:28:33,500 --> 00:28:29,309

now okay very cool angels at Christmas

577

00:28:36,500 --> 00:28:33,510

Mass my non Catholic friend went to

578

00:28:39,950 --> 00:28:36,510

Christmas Mass with me and my family he

579

00:28:43,940 --> 00:28:39,960

said that he saw angels Michael Ariel

580

00:28:46,700 --> 00:28:43,950

etc as well as Saint Lucy the priest had

581

00:28:49,639 --> 00:28:46,710

lost an eye that year she is the saint

582

00:28:52,880 --> 00:28:49,649

of eyesight and her name means light as

583

00:28:56,090 --> 00:28:52,890

well as st. Anthony of Padua who is

584

00:28:57,410 --> 00:28:56,100

devoted to Jesus the baby and also who

585

00:28:59,960 --> 00:28:57,420

was a great preacher and the

586

00:29:02,510 --> 00:28:59,970

pre struggles with good homilies okay

587

00:29:04,700 --> 00:29:02,520

also Mary Magdalene was there - I was

588

00:29:08,060 --> 00:29:04,710

uplifted and felt that I was given a

589

00:29:10,430 --> 00:29:08,070

gift of having this shared with me okay

590

00:29:13,000 --> 00:29:10,440

that's I don't know I can't follow that

591

00:29:16,690 --> 00:29:13,010

one very clearly but next one

592

00:29:20,000 --> 00:29:16,700

angel helped with emotional release I

593

00:29:22,040 --> 00:29:20,010

know I needed healing I wanted help to

594

00:29:24,860 --> 00:29:22,050

allow my emotion to flow out instead of

595

00:29:28,280 --> 00:29:24,870

wearing a protective mask or being like

596

00:29:30,830 --> 00:29:28,290

a statue I asked an angel connected with

597

00:29:33,860 --> 00:29:30,840

Mount Shasta for help with these blocked

598

00:29:35,930 --> 00:29:33,870

emotions within five minutes I was in

599

00:29:38,540 --> 00:29:35,940

tears of gratitude for a dear friend who

600

00:29:41,030 --> 00:29:38,550

brought me to this healing meditation I

601
00:29:44,810 --> 00:29:41,040
cried every morning for the long week

602
00:29:47,300 --> 00:29:44,820
and released my UNCHR eye tears from old

603
00:29:50,030 --> 00:29:47,310
pain I knew I didn't have to remember

604
00:29:52,370 --> 00:29:50,040
and I just allowed this healing release

605
00:29:54,830 --> 00:29:52,380
to begin a new journey for me it felt

606
00:29:57,560 --> 00:29:54,840
odd not to be embarrassed by my

607
00:30:00,830 --> 00:29:57,570
emotional state of releasing but felt so

608
00:30:02,960 --> 00:30:00,840
good to let go I was so grateful and

609
00:30:06,650 --> 00:30:02,970
realized angels are always here for us

610
00:30:09,710 --> 00:30:06,660
if we ask for their help what a gift I

611
00:30:12,520 --> 00:30:09,720
have never felt such love such freedom

612
00:30:14,570 --> 00:30:12,530
such connection after this retreat oh

613
00:30:17,300 --> 00:30:14,580

that was kind of beautiful

614

00:30:20,180 --> 00:30:17,310
