7  
00:00:22,340 --> 00:00:20,250  
Mike Vere's late night in the Midlands

8  
00:00:24,109 --> 00:00:22,350  
at some point during the week maybe

9  
00:00:25,939 --> 00:00:24,119  
several times during the week but we

10  
00:00:28,310 --> 00:00:25,949  
just love Mike for doing that and so

11  
00:00:30,380 --> 00:00:28,320  
thank you Michael IRA for allowing us to

12  
00:00:32,269 --> 00:00:30,390  
be on the network there and inception

13  
00:00:34,850 --> 00:00:32,279

Radio Network loves you for it - thank

14

00:00:37,880 --> 00:00:34,860

you very much and I hope you guys are

15

00:00:39,889 --> 00:00:37,890

all doing really well I'm having to

16

00:00:42,530 --> 00:00:39,899

dilemma and you guys will probably

17

00:00:44,389 --> 00:00:42,540

already know what my dilemma is if you

18

00:00:48,440 --> 00:00:44,399

know me you know anything about me you

19

00:00:51,229 --> 00:00:48,450

know that I am a huge x-files fan and so

20

00:00:53,479 --> 00:00:51,239

right now I am recording the x-files

21

00:00:55,369 --> 00:00:53,489

and I'm wishing I wishing that wishing

22

00:00:56,389 --> 00:00:55,379

they could be watching it live but you

23

00:00:58,939 --> 00:00:56,399

know it's okay

24

00:01:05,600 --> 00:00:58,949

it's okay I got to do my show my show is

25

00:01:07,600 --> 00:01:05,610

important in a way but so I'm sitting

26

00:01:09,890 --> 00:01:07,610

here and I'm just really torn between

27

00:01:14,929 --> 00:01:09,900

cancelling the show for six or eight

28

00:01:16,969 --> 00:01:14,939

weeks or I guess I just have to record

29

00:01:19,490 --> 00:01:16,979

it and watch it later so now here's the

30

00:01:22,429 --> 00:01:19,500

rules here the ground rules to everybody

31

00:01:25,399 --> 00:01:22,439

do not text into the station do not text

32

00:01:28,460 --> 00:01:25,409

me do not call into the station do not

33

00:01:30,319 --> 00:01:28,470

tell anybody what the plot of the

34

00:01:32,810 --> 00:01:30,329

x-files is that's going on right now

35

00:01:35,810 --> 00:01:32,820

because I have another rule in my house

36

00:01:38,630 --> 00:01:35,820

no one talks about any shows I'm

37

00:01:40,969 --> 00:01:38,640

recording no one tells me the plot I

38

00:01:43,700 --> 00:01:40,979

don't read it ahead of time I don't want

39

00:01:47,060 --> 00:01:43,710

to know what I do is I plan everything

40

00:01:49,100 --> 00:01:47,070

around the end of my radio show tonight

41

00:01:52,190 --> 00:01:49,110

I'm going to make popcorn and I'm gonna

42

00:01:55,039 --> 00:01:52,200

grab a you know one of my clear sodas by

43

00:01:57,410 --> 00:01:55,049

zero-calorie clear sodas I'm gonna go to

44

00:01:59,300 --> 00:01:57,420

bed and I'm fit on my pajamas on the

45

00:02:01,039 --> 00:01:59,310

whole bit get ready watch the face you

46

00:02:03,139 --> 00:02:01,049

know do the whole the whole shebang

47

00:02:05,959 --> 00:02:03,149

then I'm gonna sit there and watch the

48

00:02:08,059 --> 00:02:05,969

episode without any preconceived notion

49

00:02:09,499 --> 00:02:08,069

of what's gonna be happening and I can

50

00:02:11,180 --> 00:02:09,509

fast-forward through the commercials

51  
00:02:13,630 --> 00:02:11,190  
which is what you guys should be doing

52  
00:02:16,990 --> 00:02:13,640  
too because there's nothing I hate more

53  
00:02:18,010 --> 00:02:17,000  
than commercials I can't stand them and

54  
00:02:20,530 --> 00:02:18,020  
I can't believe how many there are

55  
00:02:24,750 --> 00:02:20,540  
nowadays I don't watch TV that often and

56  
00:02:27,220 --> 00:02:24,760  
when I do I usually watch the HD

57  
00:02:29,140 --> 00:02:27,230  
recorded version of a show and they

58  
00:02:33,100 --> 00:02:29,150  
don't have that many commercials anymore

59  
00:02:34,660 --> 00:02:33,110  
on the cable side on like sci-fi and

60  
00:02:36,280 --> 00:02:34,670  
places like that they do have them

61  
00:02:38,860 --> 00:02:36,290  
there's probably two or three in an

62  
00:02:41,620 --> 00:02:38,870  
episode but nothing like the regular

63  
00:02:43,480 --> 00:02:41,630

broadcast networks oh my god what a

64

00:02:45,940 --> 00:02:43,490

freaking nightmare I don't know how

65

00:02:47,920 --> 00:02:45,950

anybody watches that anymore I would go

66

00:02:50,260 --> 00:02:47,930

insane if I had to watch commercials so

67

00:02:52,120 --> 00:02:50,270

thank God for my VCR and I can just like

68

00:02:54,550 --> 00:02:52,130

hit this little button that's got a

69

00:02:56,500 --> 00:02:54,560

lightning bolt on it and I just go tap

70

00:02:58,510 --> 00:02:56,510

tap and it gets me right through the

71

00:03:01,870 --> 00:02:58,520

commercial and I'm right back to the

72

00:03:03,190 --> 00:03:01,880

beginning of the next segment so oh my

73

00:03:05,500 --> 00:03:03,200

god so I can't believe I'm missing

74

00:03:07,750 --> 00:03:05,510

x-files I'm really kind of like freaking

75

00:03:09,370 --> 00:03:07,760

out but it'll be okay I'll be able to

76

00:03:13,780 --> 00:03:09,380

breathe and I can make it to you know I

77

00:03:15,550 --> 00:03:13,790

can make it through the show but oh my

78

00:03:17,560 --> 00:03:15,560

gosh I think I've told you guys all the

79

00:03:20,410 --> 00:03:17,570

funny stories around me watching x-files

80

00:03:22,930 --> 00:03:20,420

every year it was on from the very

81

00:03:24,699 --> 00:03:22,940

beginning with my friend Denise at her

82

00:03:26,680 --> 00:03:24,709

well I watched it my house the first

83

00:03:28,810 --> 00:03:26,690

couple years and then by the third

84

00:03:32,020 --> 00:03:28,820

season we started watching it at her

85

00:03:33,970 --> 00:03:32,030

house every Sunday night and oh my god

86

00:03:35,650 --> 00:03:33,980

it was a while we used to we used to

87

00:03:38,620 --> 00:03:35,660

plan our whole days around getting home

88

00:03:39,310 --> 00:03:38,630

for X Files so anyhow I don't know what

89

00:03:41,800 --> 00:03:39,320

to say

90

00:03:47,350 --> 00:03:41,810

you know David David Duchovny can do no

91

00:03:49,750 --> 00:03:47,360

wrong schmuck in real life I gotta say

92

00:03:51,130 --> 00:03:49,760

from what I've read about him that's

93

00:03:53,199 --> 00:03:51,140

another thing I try not to have a

94

00:03:55,960 --> 00:03:53,209

preconceived notion about these actors

95

00:03:58,210 --> 00:03:55,970

that do these parts because you know I

96

00:04:00,250 --> 00:03:58,220

don't want to know I want to keep the

97

00:04:02,110 --> 00:04:00,260

mystery of Mulder going I don't want to

98

00:04:04,210 --> 00:04:02,120

know that he's a scumbag and that he's

99

00:04:05,500 --> 00:04:04,220

cheated on his wife and you know blah

100

00:04:08,920 --> 00:04:05,510

blah I don't want to know all these

101  
00:04:11,350 --> 00:04:08,930  
things oh he's a sex addict too I think

102  
00:04:13,600 --> 00:04:11,360  
he's been into rehab for sex addiction I

103  
00:04:16,900 --> 00:04:13,610  
mean it's probably got a drug addiction

104  
00:04:19,659 --> 00:04:16,910  
too who knows I do know he'd start in

105  
00:04:22,300 --> 00:04:19,669  
the red shoes diaries the soft porn

106  
00:04:24,219 --> 00:04:22,310  
movies and you know I mean you know he

107  
00:04:25,900 --> 00:04:24,229  
was kind of a hunky porno guy from the

108  
00:04:27,310 --> 00:04:25,910  
beginning so I don't know what what

109  
00:04:29,170 --> 00:04:27,320  
anybody was too

110  
00:04:31,300 --> 00:04:29,180  
you know surprised that he had a sex

111  
00:04:33,880 --> 00:04:31,310  
addiction and all this going on so

112  
00:04:36,880 --> 00:04:33,890  
anyhow I'm trying to keep that out of my

113  
00:04:39,310 --> 00:04:36,890

head so that fox mulder stays the

114

00:04:41,560 --> 00:04:39,320

character that i want him to be so I

115

00:04:43,390 --> 00:04:41,570

know I know you guys I know I can hear

116

00:04:46,180 --> 00:04:43,400

you all laughing to be going yeah right

117

00:04:48,340 --> 00:04:46,190

Lorient sure good luck but you know it's

118

00:04:50,890 --> 00:04:48,350

it's important to me they have my little

119

00:04:52,720 --> 00:04:50,900

heroes because that's a big problem

120

00:04:54,670 --> 00:04:52,730

we've got and that's gonna be kind of

121

00:04:56,470 --> 00:04:54,680

the topic of my rad tonight as I was

122

00:04:58,390 --> 00:04:56,480

driving home I thought you know what I

123

00:04:59,620 --> 00:04:58,400

don't have any heroes left in the UFO

124

00:05:04,210 --> 00:04:59,630

community anymore

125

00:05:07,330 --> 00:05:04,220

I really don't and and I know some

126

00:05:08,890 --> 00:05:07,340

things you know as usual I have people

127

00:05:10,930 --> 00:05:08,900

tell me things I don't want to know

128

00:05:13,960 --> 00:05:10,940

about just like the whole molder thing

129

00:05:16,210 --> 00:05:13,970

and I I was on the phone with somebody

130

00:05:18,490 --> 00:05:16,220

the other day and he told me about one

131

00:05:20,560 --> 00:05:18,500

of the top guys in our field and he told

132

00:05:23,290 --> 00:05:20,570

me some stuff that I didn't know I had

133

00:05:25,870 --> 00:05:23,300

an inclination about it because somebody

134

00:05:28,570 --> 00:05:25,880

else had inferred something to me

135

00:05:30,250 --> 00:05:28,580

several years ago and I thought well you

136

00:05:32,740 --> 00:05:30,260

know I'm just gonna keep an eye on him

137

00:05:34,630 --> 00:05:32,750

and you know I'm never gonna invite him

138

00:05:37,420 --> 00:05:34,640

to my conference but you know I'll keep

139

00:05:40,210 --> 00:05:37,430

an eye on him and he hasn't been doing

140

00:05:43,150 --> 00:05:40,220

too much you know stuff lately and he's

141

00:05:45,400 --> 00:05:43,160

kind of keeping low and and then I'm on

142

00:05:47,140 --> 00:05:45,410

the phone with somebody Sunday night

143

00:05:50,110 --> 00:05:47,150

Monday afternoon I don't remember

144

00:05:52,210 --> 00:05:50,120

something he told me a whole bunch of

145

00:05:54,550 --> 00:05:52,220

things about this guy that what he had

146

00:05:56,590 --> 00:05:54,560

done to him and this is a very good

147

00:06:01,080 --> 00:05:56,600

friend of mine in the UFO community in a

148

00:06:05,470 --> 00:06:01,090

very upstanding very you know

149

00:06:07,420 --> 00:06:05,480

god-fearing really good guy in the UFO

150

00:06:09,520 --> 00:06:07,430

community one of the best guys in the

151  
00:06:12,460 --> 00:06:09,530  
whole UFO community I mean honest

152  
00:06:14,050 --> 00:06:12,470  
he went her to flee I mean whatever and

153  
00:06:16,270 --> 00:06:14,060  
then he told me this stuff I was like oh

154  
00:06:18,850 --> 00:06:16,280  
my god another one bites the dust for me

155  
00:06:21,610 --> 00:06:18,860  
it's like everywhere I turn in the UFO

156  
00:06:24,910 --> 00:06:21,620  
community someone tells me about

157  
00:06:28,210 --> 00:06:24,920  
something these people have done and I

158  
00:06:30,700 --> 00:06:28,220  
just I I can't I don't know what to do

159  
00:06:32,260 --> 00:06:30,710  
anymore honestly I really don't and I'm

160  
00:06:34,800 --> 00:06:32,270  
gonna tell you guys something I haven't

161  
00:06:36,940 --> 00:06:34,810  
ever talked about this and this is I

162  
00:06:38,380 --> 00:06:36,950  
probably shouldn't be doing this on air

163  
00:06:40,120 --> 00:06:38,390

but I'm going to because I think it's

164

00:06:41,170 --> 00:06:40,130

time that something comes out I'm not

165

00:06:43,780 --> 00:06:41,180

going to tell you who it

166

00:06:46,150 --> 00:06:43,790

I'm just gonna tell you this there's a

167

00:06:49,390 --> 00:06:46,160

prominent person in the UFO community

168

00:06:54,010 --> 00:06:49,400

that a friend of mine came to me at my

169

00:06:55,840 --> 00:06:54,020

MUFON meeting and he says I need to tell

170

00:06:58,060 --> 00:06:55,850

you something of that happened to me

171

00:06:59,950 --> 00:06:58,070

and I said why don't tell me because no

172

00:07:02,590 --> 00:06:59,960

I you should know this because this is

173

00:07:06,790 --> 00:07:02,600

this is about this guy's character and I

174

00:07:10,810 --> 00:07:06,800

said okay so he tells me that this guy

175

00:07:12,760 --> 00:07:10,820

he was living in his back unit you know

176

00:07:15,310 --> 00:07:12,770

like mother-in-law unit in his back yard

177

00:07:19,150 --> 00:07:15,320

he had a like a studio apartment back

178

00:07:21,580 --> 00:07:19,160

there for him he was renting it and he

179

00:07:23,140 --> 00:07:21,590

had to go to another state to do a job

180

00:07:25,000 --> 00:07:23,150

and I can't tell you anything about the

181

00:07:27,250 --> 00:07:25,010

guy but I can tell you this he had to go

182

00:07:29,080 --> 00:07:27,260

to another state to do a job and he was

183

00:07:30,910 --> 00:07:29,090

right on the border of the states okay

184

00:07:35,050 --> 00:07:30,920

so was it far away it was like a hundred

185

00:07:37,930 --> 00:07:35,060

miles away and his girlfriend and he had

186

00:07:40,510 --> 00:07:37,940

just gotten a puppy and he was the only

187

00:07:42,100 --> 00:07:40,520

one living in the house with the puppy

188

00:07:44,560 --> 00:07:42,110

and the girlfriend would come over like

189

00:07:47,500 --> 00:07:44,570

three or four days a week and hang out

190

00:07:50,740 --> 00:07:47,510

and you know whatever and help him with

191

00:07:52,450 --> 00:07:50,750

the puppy well it turns out he had to go

192

00:07:54,700 --> 00:07:52,460

and he got this puppy didn't know he had

193

00:07:57,760 --> 00:07:54,710

this job and he just got the puppy like

194

00:08:00,400 --> 00:07:57,770

a week before that and he and the girl

195

00:08:02,470 --> 00:08:00,410

decided that she just come over and take

196

00:08:04,150 --> 00:08:02,480

care of it during the day and stay at

197

00:08:06,460 --> 00:08:04,160

her place at night because she really

198

00:08:09,660 --> 00:08:06,470

couldn't have the dog at her apartment

199

00:08:14,140 --> 00:08:09,670

at all so that's what they did now

200

00:08:16,720 --> 00:08:14,150

apparently the puppy was crying loud a

201  
00:08:18,250 --> 00:08:16,730  
lot and I you know I completely get that

202  
00:08:20,920 --> 00:08:18,260  
and I think it was very stupid of them

203  
00:08:23,620 --> 00:08:20,930  
to leave a puppy alone all day while she

204  
00:08:26,080 --> 00:08:23,630  
was at work but sometimes that's what

205  
00:08:27,610 --> 00:08:26,090  
you got to do and apparently this person

206  
00:08:30,640 --> 00:08:27,620  
that's very prominent in the UFO

207  
00:08:32,980 --> 00:08:30,650  
community went in and took his key

208  
00:08:34,810 --> 00:08:32,990  
because he's the landlord opened up the

209  
00:08:37,300 --> 00:08:34,820  
place took the puppy took it to a

210  
00:08:39,910 --> 00:08:37,310  
shelter and told the shelter this is a

211  
00:08:41,800 --> 00:08:39,920  
quote and this is a fact told the

212  
00:08:47,140 --> 00:08:41,810  
shelter the puppy was sick and needed to

213  
00:08:49,510 --> 00:08:47,150

be put to sleep and they did it and this

214

00:08:52,360 --> 00:08:49,520

guy gets well the next day the girl goes

215

00:08:55,180 --> 00:08:52,370

to the house and says what the puppy's

216

00:08:56,590 --> 00:08:55,190

gone and he and he the guy that

217

00:08:58,569 --> 00:08:56,600

rented the place tomb that's very

218

00:09:02,079 --> 00:08:58,579

prominent and the UFO community says oh

219

00:09:04,449 --> 00:09:02,089

it must have escaped what took a week

220

00:09:07,650 --> 00:09:04,459

before he admitted what he had done and

221

00:09:10,540 --> 00:09:07,660

and my friend was hoping beyond hope

222

00:09:12,400 --> 00:09:10,550

that they hadn't put it to sleep yet now

223

00:09:13,869 --> 00:09:12,410

I guess he told them and needed to sleep

224

00:09:16,210 --> 00:09:13,879

it was sick and bla bla and

225

00:09:19,300 --> 00:09:16,220

what-have-you and he was just hoping

226

00:09:21,309 --> 00:09:19,310

they didn't do it and they did they had

227

00:09:23,499 --> 00:09:21,319

killed the puppy already and this was a

228

00:09:24,910 --> 00:09:23,509

healthy good puppy I mean I'm surprised

229

00:09:26,740 --> 00:09:24,920

that the shelter did it but you know

230

00:09:28,629 --> 00:09:26,750

what did you know they thought the guy

231

00:09:31,210 --> 00:09:28,639

was surrendering it and he was telling

232

00:09:33,069 --> 00:09:31,220

the truth so there you go Amy how long

233

00:09:35,949 --> 00:09:33,079

story short I don't know about you guys

234

00:09:39,519 --> 00:09:35,959

but anybody who can kill a puppy like

235

00:09:40,780 --> 00:09:39,529

that with no regard or caring or say you

236

00:09:43,119 --> 00:09:40,790

know what I would have done as a

237

00:09:45,220 --> 00:09:43,129

landlord I would have gone into place

238

00:09:47,590 --> 00:09:45,230

got the puppy taken him in the house and

239

00:09:51,670 --> 00:09:47,600

played with him for a week I mean what I

240

00:09:53,860 --> 00:09:51,680

I'm sorry I totally lost it when my

241

00:09:56,259 --> 00:09:53,870

friend told me this and my friend is not

242

00:10:00,670 --> 00:09:56,269

a liar my friend is a very honest good

243

00:10:02,829 --> 00:10:00,680

guy very sweet very not likable guy and

244

00:10:04,990 --> 00:10:02,839

he would never lie to me about something

245

00:10:08,679 --> 00:10:05,000

like this and you know what it's it's so

246

00:10:10,749 --> 00:10:08,689

awful it has to be true that's the thing

247

00:10:13,179 --> 00:10:10,759

that's what makes me go nuts about this

248

00:10:16,090 --> 00:10:13,189

community is people do these horrific

249

00:10:17,949 --> 00:10:16,100

things and and they just get away with

250

00:10:20,410 --> 00:10:17,959

it and I'm like going what is going on

251  
00:10:22,840 --> 00:10:20,420  
and and this goes back to where are our

252  
00:10:25,449 --> 00:10:22,850  
heroes in the UFO community we don't

253  
00:10:28,569 --> 00:10:25,459  
have any not that I know of I mean I

254  
00:10:31,120 --> 00:10:28,579  
can't tell you guys of anybody that I

255  
00:10:33,970 --> 00:10:31,130  
can walk up to right now except for my

256  
00:10:36,160 --> 00:10:33,980  
good friend Robert parola and probably

257  
00:10:37,749 --> 00:10:36,170  
my guest here tonight I would and a

258  
00:10:40,689 --> 00:10:37,759  
couple of my other close friends like

259  
00:10:43,240 --> 00:10:40,699  
Clute Ronis and people like that I mean

260  
00:10:45,009 --> 00:10:43,250  
I know that our guest tonight is Dan

261  
00:10:46,600 --> 00:10:45,019  
Willis by the way and he's patiently

262  
00:10:49,569 --> 00:10:46,610  
waiting for me to get done with my

263  
00:10:51,249 --> 00:10:49,579

little rant here this evening but I know

264

00:10:52,929 --> 00:10:51,259

if I called Dan tomorrow

265

00:10:54,809 --> 00:10:52,939

I don't know Dan that well I don't know

266

00:10:57,189 --> 00:10:54,819

his wife at all I haven't met her and

267

00:10:59,530 --> 00:10:57,199

fight but if I called him tomorrow I

268

00:11:01,600 --> 00:10:59,540

think in said to Dan dan I have nowhere

269

00:11:03,189 --> 00:11:01,610

to live would you let me come stay on

270

00:11:05,139 --> 00:11:03,199

your property for a while and so I get

271

00:11:07,480 --> 00:11:05,149

my act together he'd probably say yes

272

00:11:08,980 --> 00:11:07,490

maybe he'd say no but I think he'd say

273

00:11:12,010 --> 00:11:08,990

yes because he's that kind of guy

274

00:11:13,600 --> 00:11:12,020

and if he couldn't he would tell me why

275

00:11:15,220 --> 00:11:13,610

and there'd be a good reason why he

276

00:11:18,580 --> 00:11:15,230

couldn't do it you know I mean there's

277

00:11:20,710 --> 00:11:18,590

but he's a generous kind caring person I

278

00:11:22,540 --> 00:11:20,720

know that just by talking to him on

279

00:11:25,210 --> 00:11:22,550

skype over this last year and a half

280

00:11:27,100 --> 00:11:25,220

that I've known him and I know that

281

00:11:30,130 --> 00:11:27,110

about solarz blue Raven and I note that

282

00:11:32,920 --> 00:11:30,140

about Melinda Melinda Leslie has offered

283

00:11:35,620 --> 00:11:32,930

me a place to live issues tried to get

284

00:11:37,450 --> 00:11:35,630

me a job in Sedona I mean Melinda will

285

00:11:39,760 --> 00:11:37,460

do anything she'll bend over backwards

286

00:11:41,680 --> 00:11:39,770

for her friends so will Misha Johnston I

287

00:11:44,380 --> 00:11:41,690

mean I gotta say I do have I'm

288

00:11:46,300 --> 00:11:44,390

surrounded by some very good people and

289

00:11:48,190 --> 00:11:46,310

you know who else would do stuff for you

290

00:11:49,900 --> 00:11:48,200

guys out there if he'd really needed it

291

00:11:51,820 --> 00:11:49,910

if you were in the UFO community and you

292

00:11:54,250 --> 00:11:51,830

were just like you know whatever and you

293

00:11:55,750 --> 00:11:54,260

had that needed help I think the guys at

294

00:11:57,730 --> 00:11:55,760

inception radio network would do

295

00:11:59,320 --> 00:11:57,740

something for me and anybody else on the

296

00:12:01,270 --> 00:11:59,330

network that needed help too

297

00:12:03,670 --> 00:12:01,280

because they really are those guys too

298

00:12:06,250 --> 00:12:03,680

so I guess I shouldn't say they're all

299

00:12:08,560 --> 00:12:06,260

bad but I'm telling you if I hear about

300

00:12:10,480 --> 00:12:08,570

one more of these prominent people in

301  
00:12:12,670 --> 00:12:10,490  
the UFO community doing these horrific

302  
00:12:14,080 --> 00:12:12,680  
things throughout their life I don't

303  
00:12:16,840 --> 00:12:14,090  
know what I'm gonna do you guys I don't

304  
00:12:20,620 --> 00:12:16,850  
know I don't know what to do I people

305  
00:12:22,810 --> 00:12:20,630  
are starting to shun me in different

306  
00:12:24,670 --> 00:12:22,820  
circles because they're afraid to talk

307  
00:12:26,740 --> 00:12:24,680  
to me about anything anymore because

308  
00:12:28,630 --> 00:12:26,750  
they're afraid that I will judge them

309  
00:12:30,910 --> 00:12:28,640  
and I will bring out their dirty laundry

310  
00:12:32,680 --> 00:12:30,920  
well I just brought out some dirty

311  
00:12:35,110 --> 00:12:32,690  
laundry but you guys have no idea who it

312  
00:12:36,970 --> 00:12:35,120  
is okay so maybe there is a little bit

313  
00:12:39,010 --> 00:12:36,980

of dirty laundry exposing but I'm not

314

00:12:41,290 --> 00:12:39,020

telling you their names and I don't know

315

00:12:42,970 --> 00:12:41,300

why everybody is afraid of me and yeah I

316

00:12:44,260 --> 00:12:42,980

do know why they're afraid of me they're

317

00:12:46,030 --> 00:12:44,270

afraid of me because I tell the truth

318

00:12:50,350 --> 00:12:46,040

and I don't pull back and I confront

319

00:12:51,550 --> 00:12:50,360

people about their their um their evil

320

00:12:53,830 --> 00:12:51,560

ways I mean I've you know how to

321

00:12:56,080 --> 00:12:53,840

describe it I mean some of these people

322

00:12:59,230 --> 00:12:56,090

in the community are just so ego mania

323

00:12:59,980 --> 00:12:59,240

so ego mania what's the word I'm looking

324

00:13:02,200 --> 00:12:59,990

for

325

00:13:04,270 --> 00:13:02,210

egotistical thank you I would say

326

00:13:06,220 --> 00:13:04,280

egomaniac egotistical they're all that

327

00:13:08,680 --> 00:13:06,230

they're just so wrapped up in themselves

328

00:13:10,810 --> 00:13:08,690

that they forget that the rest of us out

329

00:13:12,370 --> 00:13:10,820

here are looking for the truth we're not

330

00:13:13,960 --> 00:13:12,380

looking for the dollar bill we're not

331

00:13:16,060 --> 00:13:13,970

looking to write another book we're not

332

00:13:19,210 --> 00:13:16,070

looking to do anything we just want to

333

00:13:22,510 --> 00:13:19,220

know the truth and you know in in the

334

00:13:23,340 --> 00:13:22,520

end what's really important is the fact

335

00:13:25,080 --> 00:13:23,350

that we

336

00:13:27,270 --> 00:13:25,090

come to this place when you're been in

337

00:13:28,740 --> 00:13:27,280

the UFO community long enough for you

338

00:13:31,440 --> 00:13:28,750

just kind of sit there and you look

339

00:13:33,840 --> 00:13:31,450

around you and I've had to come to this

340

00:13:35,850 --> 00:13:33,850

no one's gonna ask me to speak at their

341

00:13:36,870 --> 00:13:35,860

conference no one wants me to speak at

342

00:13:38,490 --> 00:13:36,880

their conference because they're afraid

343

00:13:41,130 --> 00:13:38,500

if I speak at their conference that I

344

00:13:43,620 --> 00:13:41,140

might sit there and tell them the truth

345

00:13:46,140 --> 00:13:43,630

as I know it and the truth is I know it

346

00:13:48,180 --> 00:13:46,150

is this we may never know the answer to

347

00:13:50,310 --> 00:13:48,190

anything disclosure is happening but

348

00:13:52,440 --> 00:13:50,320

it's gonna happen by people that that

349

00:13:54,540 --> 00:13:52,450

are gonna give you the information they

350

00:13:56,220 --> 00:13:54,550

want to give you and I'm we're gonna

351

00:13:57,840 --> 00:13:56,230

have a big talk about that tonight with

352

00:13:59,580 --> 00:13:57,850

Dan because I think Dan's got a good

353

00:14:01,110 --> 00:13:59,590

take on it and he's probably got a very

354

00:14:03,690 --> 00:14:01,120

different take on it than I do

355

00:14:06,780 --> 00:14:03,700

but anyhow my point is no one wants to

356

00:14:09,060 --> 00:14:06,790

hear me talk about the evil mind control

357

00:14:11,850 --> 00:14:09,070

that goes along with all of this I mean

358

00:14:16,350 --> 00:14:11,860

it's it's very simple folks I think

359

00:14:19,530 --> 00:14:16,360

they're disclosing right now to see how

360

00:14:23,250 --> 00:14:19,540

many people react to it and if it turns

361

00:14:25,920 --> 00:14:23,260

into a quote-unquote thing because as

362

00:14:28,800 --> 00:14:25,930

far as I could tell they disclosed on

363

00:14:30,390 --> 00:14:28,810

December 16th and within three to four

364

00:14:32,160 --> 00:14:30,400

days everybody is back at work and

365

00:14:33,780 --> 00:14:32,170

nobody cared yeah you know that's just

366

00:14:36,330 --> 00:14:33,790

pretty much it I had to get up the next

367

00:14:39,360 --> 00:14:36,340

day and go to work myself so you know it

368

00:14:41,070 --> 00:14:39,370

wasn't like it changed the world when

369

00:14:43,710 --> 00:14:41,080

they said oh yes we've been chasing the

370

00:14:45,630 --> 00:14:43,720

otherworldly craft in our skies I mean

371

00:14:48,420 --> 00:14:45,640

you know that is disclosure it's a form

372

00:14:50,580 --> 00:14:48,430

of disclosure so why didn't everything

373

00:14:52,980 --> 00:14:50,590

stop the next day and the Pope announced

374

00:14:55,050 --> 00:14:52,990

it and did Dan the president announce it

375

00:14:56,610 --> 00:14:55,060

and you know the world did not stop

376

00:15:00,300 --> 00:14:56,620

knowing cared and they are just

377

00:15:02,520 --> 00:15:00,310

measuring how far into society they can

378

00:15:05,940 --> 00:15:02,530

tell you these tales are their stories

379

00:15:07,800 --> 00:15:05,950

these truths and people will react or

380

00:15:10,500 --> 00:15:07,810

not react I think that's really what's

381

00:15:12,090 --> 00:15:10,510

going on here that the far end of the

382

00:15:15,330 --> 00:15:12,100

spectrum so that's just my opinion

383

00:15:17,730 --> 00:15:15,340

anyhow back to the heroes thing we just

384

00:15:19,650 --> 00:15:17,740

don't have a lot of heroes anymore and I

385

00:15:23,070 --> 00:15:19,660

just I worry about that in the community

386

00:15:25,200 --> 00:15:23,080

but maybe I'm oh maybe I'm just getting

387

00:15:27,890 --> 00:15:25,210

too old for this I don't know so we're

388

00:15:32,760 --> 00:15:27,900

gonna ask my guest Dan are you with me

389

00:15:35,400 --> 00:15:32,770

Lauren hi happy news yes I didn't want

390

00:15:37,110 --> 00:15:35,410

to start on a downer no but I just you

391

00:15:39,509 --> 00:15:37,120

know when my friend told me that thing

392

00:15:41,129 --> 00:15:39,519

the puppy a man I was you should have

393

00:15:43,049 --> 00:15:41,139

seen me Dan I was ready to get in the

394

00:15:47,369 --> 00:15:43,059

car and drive to this guy's house and

395

00:15:49,379 --> 00:15:47,379

take him on I was so angry oh there's

396

00:15:57,929 --> 00:15:49,389

some rule and justice is done to animals

397

00:15:59,519 --> 00:15:57,939

yeah and that's it they are on my bad

398

00:16:03,360 --> 00:15:59,529

list for me for the rest of their life

399

00:16:05,429 --> 00:16:03,370

if they heard an animal so anyhow I saw

400

00:16:07,559 --> 00:16:05,439

a guy kick a dog once and I never ever

401  
00:16:09,540 --> 00:16:07,569  
talked to that guy again he was trying

402  
00:16:12,239 --> 00:16:09,550  
to date me and he kicked a dog and I

403  
00:16:14,040 --> 00:16:12,249  
said that's you know oh my god if you

404  
00:16:19,939 --> 00:16:14,050  
can kick a dog what else can you do

405  
00:16:24,389 --> 00:16:19,949  
right you know anyhow so how are you

406  
00:16:29,160 --> 00:16:24,399  
great great haven't been busy working up

407  
00:16:31,530 --> 00:16:29,170  
here on this hill a lot of rain did you

408  
00:16:38,090 --> 00:16:31,540  
get snow how's it going now we should

409  
00:16:42,179 --> 00:16:38,100  
know it's like last year it's you know

410  
00:16:45,389 --> 00:16:42,189  
42 degrees outside and uh I was working

411  
00:16:46,919 --> 00:16:45,399  
with just a you know regular shirt and

412  
00:16:50,850 --> 00:16:46,929  
it didn't have to need a jacket or

413  
00:16:54,210 --> 00:16:50,860

anything and so it's been uh you know

414

00:16:56,429 --> 00:16:54,220

unlike the east and the Northeast my god

415

00:16:59,610 --> 00:16:56,439

they're really getting frozen I know

416

00:17:02,489 --> 00:16:59,620

it's terrible well here's a little thing

417

00:17:06,059 --> 00:17:02,499

I want to throw out at you you know

418

00:17:07,919 --> 00:17:06,069

Trump told us added that Paris Accord

419

00:17:10,110 --> 00:17:07,929

that thing that they were the weather

420

00:17:13,889 --> 00:17:10,120

control or whatever they were calling a

421

00:17:16,079 --> 00:17:13,899

global geoengineering do you I guess so

422

00:17:20,000 --> 00:17:16,089

i i'm not sure but all i remember is

423

00:17:22,889 --> 00:17:20,010

that it happened in july and that he

424

00:17:24,600 --> 00:17:22,899

pulled out because all we were doing was

425

00:17:26,220 --> 00:17:24,610

spending money on other countries to

426  
00:17:29,100 --> 00:17:26,230  
help them clean up their environment

427  
00:17:32,130 --> 00:17:29,110  
basically is when it came down to but I

428  
00:17:33,840 --> 00:17:32,140  
think that whole thing of not helping

429  
00:17:35,460 --> 00:17:33,850  
out all these other countries was kind

430  
00:17:38,100 --> 00:17:35,470  
of like blackmail to keep our weather

431  
00:17:40,230 --> 00:17:38,110  
good because everybody has weather going

432  
00:17:41,909 --> 00:17:40,240  
on everybody controls their weather at

433  
00:17:46,560 --> 00:17:41,919  
least in the big powers you know Russia

434  
00:17:48,720 --> 00:17:46,570  
China America Canada probably they are

435  
00:17:50,820 --> 00:17:48,730  
actually their weather so I'm wondering

436  
00:17:52,860 --> 00:17:50,830  
if him pulling out has led them

437  
00:17:54,330 --> 00:17:52,870  
to say okay you know what we're not

438  
00:17:56,370 --> 00:17:54,340

gonna play ball anymore either we're to

439

00:17:59,340 --> 00:17:56,380

let you have the weather you would have

440

00:18:01,019 --> 00:17:59,350

had had you played ball with us and I

441

00:18:04,110 --> 00:18:01,029

think that might be what's going on any

442

00:18:06,779 --> 00:18:04,120

I'm sinister about it but I think it

443

00:18:08,490 --> 00:18:06,789

could be a factor what do you think well

444

00:18:11,310 --> 00:18:08,500

it's it's in the public domain

445

00:18:14,370 --> 00:18:11,320

you know the patents for weather

446

00:18:16,350 --> 00:18:14,380

engineering and they you know they the

447

00:18:18,810 --> 00:18:16,360

military so they were gonna master the

448

00:18:22,350 --> 00:18:18,820

weather and everything and they have and

449

00:18:24,330 --> 00:18:22,360

they know how to steer you know storms

450

00:18:28,590 --> 00:18:24,340

and they go certain direction and make

451

00:18:31,440 --> 00:18:28,600

some areas dry and other areas too wet

452

00:18:35,580 --> 00:18:31,450

you know they can manipulate the weather

453

00:18:37,379 --> 00:18:35,590

you know it's a you know you know it's

454

00:18:40,860 --> 00:18:37,389

not you don't hear about on mainstream

455

00:18:42,600 --> 00:18:40,870

media obviously but you know this year

456

00:18:45,180 --> 00:18:42,610

is going to be a very exciting year

457

00:18:51,750 --> 00:18:45,190

there's some you know trumped estat of

458

00:18:55,230 --> 00:18:51,760

executive order huh what did he do this

459

00:18:57,779 --> 00:18:55,240

I've been kind of in a fog last two days

460

00:19:01,139 --> 00:18:57,789

well the the order and you can go to

461

00:19:03,419 --> 00:19:01,149

whitehouse.gov and look it up it's an

462

00:19:06,649 --> 00:19:03,429

executive order blocking the property of

463

00:19:09,750 --> 00:19:06,659

persons involved in serious human rights

464

00:19:11,399 --> 00:19:09,760

abuse or corruption and what's going on

465

00:19:14,519 --> 00:19:11,409

there's a lot of whistleblowers and

466

00:19:17,070 --> 00:19:14,529

things that you know the the Cabal

467

00:19:19,169 --> 00:19:17,080

Illuminati deep state secret government

468

00:19:21,360 --> 00:19:19,179

shadow government whatever you want to

469

00:19:23,639 --> 00:19:21,370

call it the group that's tied in with

470

00:19:27,690 --> 00:19:23,649

the you know satanic paedophile groups

471

00:19:31,049 --> 00:19:27,700

of human trafficking abuse you know all

472

00:19:35,159 --> 00:19:31,059

this stuff that US and the alternative

473

00:19:37,200 --> 00:19:35,169

community been waiting the day where you

474

00:19:40,680 --> 00:19:37,210

know Judgment Day comes you know were

475

00:19:44,909 --> 00:19:40,690

these people or these people are put out

476  
00:19:47,720 --> 00:19:44,919  
of a place of power which they have you

477  
00:19:49,740 --> 00:19:47,730  
know ever since you know the Nazis

478  
00:19:52,080 --> 00:19:49,750  
infiltrated and worked with the Cabal

479  
00:19:53,850 --> 00:19:52,090  
and you know released our national

480  
00:19:57,480 --> 00:19:53,860  
security apparatus against us

481  
00:19:59,700 --> 00:19:57,490  
essentially they have put their

482  
00:20:03,570 --> 00:19:59,710  
tentacles out and everything and this

483  
00:20:04,570 --> 00:20:03,580  
new order looks like you know Trump is

484  
00:20:09,250 --> 00:20:04,580  
surrounding himself

485  
00:20:12,940 --> 00:20:09,260  
a lot of high-level marine and Navy and

486  
00:20:15,340 --> 00:20:12,950  
some army you know generals Admirals and

487  
00:20:18,909 --> 00:20:15,350  
stuff like that and they're having look

488  
00:20:22,990 --> 00:20:18,919

it appears like there's Gwent Guantanamo

489

00:20:26,799 --> 00:20:23,000

Bay is being set up to take in a lot of

490

00:20:30,220 --> 00:20:26,809

a lot of these people the Special Forces

491

00:20:32,529 --> 00:20:30,230

are going in and because they have like

492

00:20:34,960 --> 00:20:32,539

thousands upon thousands of these

493

00:20:36,730 --> 00:20:34,970

indictments on these people know what's

494

00:20:40,659 --> 00:20:36,740

they know who they are it's kind of

495

00:20:44,320 --> 00:20:40,669

interesting about let's see what was his

496

00:20:46,990 --> 00:20:44,330

name the guy that was during the Obama

497

00:20:49,620 --> 00:20:47,000

you know administration regime whatever

498

00:20:54,039 --> 00:20:49,630

you want to call it

499

00:20:56,560 --> 00:20:54,049

let's see Admiral Mike Rogers who was in

500

00:21:01,090 --> 00:20:56,570

charge of a well who is currently in

501  
00:21:02,980 --> 00:21:01,100  
charge of the NSA he knew he had you

502  
00:21:05,950 --> 00:21:02,990  
know of course the NSA he's got you know

503  
00:21:09,840 --> 00:21:05,960  
backdoors to everything and quantum

504  
00:21:12,460 --> 00:21:09,850  
computers and uncomprehensible

505  
00:21:15,250 --> 00:21:12,470  
processing and storage capabilities up

506  
00:21:19,000 --> 00:21:15,260  
there in both Dell Utah where they can

507  
00:21:21,070 --> 00:21:19,010  
monitor every communication and so they

508  
00:21:25,259 --> 00:21:21,080  
knew the deep state was gonna try to do

509  
00:21:29,399 --> 00:21:25,269  
a coup with Trump and so Admiral Rogers

510  
00:21:32,139 --> 00:21:29,409  
met with Trump he oversee overstepped

511  
00:21:36,100 --> 00:21:32,149  
the chain of command which is the rule

512  
00:21:37,690 --> 00:21:36,110  
no no and he went and gave Trump warning

513  
00:21:42,509 --> 00:21:37,700

what was going on so there's a whole

514

00:21:46,419 --> 00:21:42,519

bunch of white hats that that are

515

00:21:49,509 --> 00:21:46,429

working together with military see the

516

00:21:51,970 --> 00:21:49,519

Cabal isn't usually they're not of the

517

00:21:53,740 --> 00:21:51,980

military type you know they're they're

518

00:21:57,899 --> 00:21:53,750

children don't go in the military or

519

00:22:02,289 --> 00:21:57,909

Rayleigh they usually get them out yeah

520

00:22:04,240 --> 00:22:02,299

so what's been going on is while they

521

00:22:06,789 --> 00:22:04,250

even it's just feeling like oh they've

522

00:22:09,039 --> 00:22:06,799

got you know everything covered they've

523

00:22:11,019 --> 00:22:09,049

got they're all there they're

524

00:22:13,029 --> 00:22:11,029

comfortable and their positions of power

525

00:22:15,340 --> 00:22:13,039

and they've got all their money and

526

00:22:18,520 --> 00:22:15,350

everything well what's happening is all

527

00:22:25,210 --> 00:22:21,640

assets are being their funds are being

528

00:22:28,690 --> 00:22:25,220

frozen and so they don't have that money

529

00:22:30,580 --> 00:22:28,700

power and they're being rounded up are

530

00:22:33,940 --> 00:22:30,590

they're actually going to prison have we

531

00:22:37,180 --> 00:22:33,950

do we see anybody being arrested well

532

00:22:39,490 --> 00:22:37,190

you know there was uh you know there's a

533

00:22:42,550 --> 00:22:39,500

number of whistleblowers of coming out

534

00:22:44,740 --> 00:22:42,560

and some whistleblowers that talked

535

00:22:47,890 --> 00:22:44,750

about this going to be happening and it

536

00:22:50,230 --> 00:22:47,900

is now happening getting confirmed that

537

00:22:54,270 --> 00:22:50,240

you know want Alamo Bay is being

538

00:22:59,530 --> 00:22:54,280

expanded out to take a lot more of these

539

00:23:02,830 --> 00:22:59,540

high-profile VIP prisoners and you know

540

00:23:05,770 --> 00:23:02,840

general mattis went down there with a

541

00:23:07,900 --> 00:23:05,780

thousand troops as reinforcements you

542

00:23:10,300 --> 00:23:07,910

know the you know they keep these guys

543

00:23:13,300 --> 00:23:10,310

in there so this is like the day we've

544

00:23:17,070 --> 00:23:13,310

been waiting for you know when I went to

545

00:23:19,390 --> 00:23:17,080

testify back in 2001 and the our

546

00:23:21,850 --> 00:23:19,400

mainstream media that's completely

547

00:23:24,850 --> 00:23:21,860

controlled did what's a limited hang out

548

00:23:27,430 --> 00:23:24,860

and so the the you know the general

549

00:23:30,070 --> 00:23:27,440

population don't really have a clue what

550

00:23:31,810 --> 00:23:30,080

we were disclosing only the people like

551  
00:23:35,560 --> 00:23:31,820  
our listeners that you know checked the

552  
00:23:37,870 --> 00:23:35,570  
alternative media and are aware that you

553  
00:23:40,420 --> 00:23:37,880  
know the CIA and NSA you know completely

554  
00:23:42,490 --> 00:23:40,430  
control the the mainstream media and

555  
00:23:47,410 --> 00:23:42,500  
what what the perception is that the

556  
00:23:54,790 --> 00:23:47,420  
public gets so this is very exciting

557  
00:23:56,650 --> 00:23:54,800  
this is like this is like I feel so much

558  
00:23:58,150 --> 00:23:56,660  
better I was not a real bumner downer

559  
00:24:01,240 --> 00:23:58,160  
tonight I'm thinking uh

560  
00:24:03,310 --> 00:24:01,250  
god I got nobody but now I you know I

561  
00:24:05,560 --> 00:24:03,320  
hate to say it but I'm really proud of

562  
00:24:07,720 --> 00:24:05,570  
Trump for doing this I'm really happy

563  
00:24:10,270 --> 00:24:07,730

that that general came to him and said

564

00:24:10,930 --> 00:24:10,280

look this is what's happening and here

565

00:24:13,870 --> 00:24:10,940

we go

566

00:24:16,890 --> 00:24:13,880

you know Trump's a lot smarter than he

567

00:24:22,120 --> 00:24:16,900

may appear you know his nature he's

568

00:24:24,220 --> 00:24:22,130

what's happening is mmit what's looking

569

00:24:26,170 --> 00:24:24,230

like happening on the surface and what

570

00:24:28,750 --> 00:24:26,180

you see in the media and stuff and the

571

00:24:31,200 --> 00:24:28,760

whole Russian investigation is all kind

572

00:24:35,130 --> 00:24:31,210

of like a whole nother scene

573

00:24:40,639 --> 00:24:35,140

is going on behind the scene that is is

574

00:24:42,899 --> 00:24:40,649

is very effectively instrumentally

575

00:24:44,610 --> 00:24:42,909

taking out the deep state

576

00:24:47,549 --> 00:24:44,620

you know draining the swamp or you want

577

00:24:51,029 --> 00:24:47,559

to call it while it looks like other

578

00:24:53,279 --> 00:24:51,039

things are going on so you know I mean

579

00:24:55,560 --> 00:24:53,289

you look at Trump and you know some of

580

00:24:58,440 --> 00:24:55,570

the things he does with the pipeline and

581

00:25:01,169 --> 00:24:58,450

the oil and and the public lands you

582

00:25:03,720 --> 00:25:01,179

know go drilling for oil and you know

583

00:25:06,539 --> 00:25:03,730

just all the stuff seems like he's like

584

00:25:08,100 --> 00:25:06,549

nothing but you know the the lap dog for

585

00:25:13,919 --> 00:25:08,110

all the corporations you know to make

586

00:25:16,799 --> 00:25:13,929

lots of might right yeah but this could

587

00:25:18,840 --> 00:25:16,809

be very much of a roll out you know

588

00:25:22,500 --> 00:25:18,850

because he kind of in his inauguration

589

00:25:24,539 --> 00:25:22,510

speech he kind of implied that you know

590

00:25:26,250 --> 00:25:24,549

there is going to be technologies and I

591

00:25:28,740 --> 00:25:26,260

think some of the first technologies

592

00:25:30,570 --> 00:25:28,750

that you know in these black projects

593

00:25:33,180 --> 00:25:30,580

you know such as medical things that you

594

00:25:35,909 --> 00:25:33,190

know that help help people holographic

595

00:25:38,399 --> 00:25:35,919

technologies and then later you know I

596

00:25:40,470 --> 00:25:38,409

believe we're going to be seeing you

597

00:25:44,190 --> 00:25:40,480

know the the free energy and

598

00:25:46,320 --> 00:25:44,200

anti-gravity stuff come out you know

599

00:25:48,090 --> 00:25:46,330

there's thousands and you know I spent

600

00:25:51,029 --> 00:25:48,100

10 years meeting with scientists and

601  
00:25:53,460 --> 00:25:51,039  
inventors and and seeing what happened

602  
00:25:54,930 --> 00:25:53,470  
to these people some get murdered most

603  
00:25:56,970 --> 00:25:54,940  
of them get these national security

604  
00:26:00,810 --> 00:25:56,980  
orders that are a gag order you can't

605  
00:26:02,700 --> 00:26:00,820  
share your invention and it's a secret

606  
00:26:04,350 --> 00:26:02,710  
system within the patent office that the

607  
00:26:05,940 --> 00:26:04,360  
national security apparatus set up

608  
00:26:09,990 --> 00:26:05,950  
called a sensitive application warning

609  
00:26:11,580 --> 00:26:10,000  
system which we we should be talking a

610  
00:26:13,110 --> 00:26:11,590  
little bit about here later in the show

611  
00:26:16,710 --> 00:26:13,120  
because most people don't know about

612  
00:26:19,590 --> 00:26:16,720  
this but anyhow go ahead but your with

613  
00:26:21,269 --> 00:26:19,600

your thought about Trump oh well yeah

614

00:26:23,370 --> 00:26:21,279

you know for example you know the things

615

00:26:25,430 --> 00:26:23,380

they suppress for these thousands of

616

00:26:27,389 --> 00:26:25,440

national security orders is you know

617

00:26:29,490 --> 00:26:27,399

anti-gravity anything that looks like it

618

00:26:32,190 --> 00:26:29,500

violates the known laws of physics right

619

00:26:34,500 --> 00:26:32,200

and super conductivity you know anything

620

00:26:38,909 --> 00:26:34,510

that looks like free energy you know so

621

00:26:40,649 --> 00:26:38,919

basically we've been our entire

622

00:26:43,070 --> 00:26:40,659

civilization on this planets been

623

00:26:46,430 --> 00:26:43,080

hijacked and we've been

624

00:26:49,250 --> 00:26:46,440

forced to use these dangerous obsolete

625

00:26:52,970 --> 00:26:49,260

technologies of nuclear oil and coal for

626

00:26:56,690 --> 00:26:52,980

decades and it is totally hindered you

627

00:26:58,910 --> 00:26:56,700

know and besides all the you know

628

00:27:01,130 --> 00:26:58,920

corruption connected and with Hollywood

629

00:27:03,110 --> 00:27:01,140

all the subconscious program you know

630

00:27:05,510 --> 00:27:03,120

the people that are tighten that there's

631

00:27:09,830 --> 00:27:05,520

a lot of them are tied into secret

632

00:27:12,710 --> 00:27:09,840

societies and they understand you know

633

00:27:14,510 --> 00:27:12,720

the mechanisms of consciousness and the

634

00:27:17,660 --> 00:27:14,520

collective consciousness that we're all

635

00:27:20,260 --> 00:27:17,670

share and you know you look at you know

636

00:27:22,340 --> 00:27:20,270

all the stuff that Hollywood puts out

637

00:27:25,310 --> 00:27:22,350

you know maybe we will just have a

638

00:27:29,510 --> 00:27:25,320

complete transformation all of a sudden

639

00:27:32,450 --> 00:27:29,520

we'll get truthful information you know

640

00:27:34,730 --> 00:27:32,460

Hollywood won't just continue with her

641

00:27:36,920 --> 00:27:34,740

kill programming you know which I call

642

00:27:38,480 --> 00:27:36,930

it you know everybody's got a gun

643

00:27:42,860 --> 00:27:38,490

everybody's shooting or everybody's

644

00:27:45,380 --> 00:27:42,870

hurting each other or some way just like

645

00:27:49,280 --> 00:27:45,390

a a watching family guy it kind of nut

646

00:27:51,530 --> 00:27:49,290

Rochas there's stuff going on anyway it

647

00:27:53,420 --> 00:27:51,540

some of its humorous you know but then

648

00:27:59,750 --> 00:27:53,430

again you know you look at wow it was

649

00:28:05,390 --> 00:27:59,760

like pretty you know pretty pretty much

650

00:28:08,120 --> 00:28:05,400

kill programming there you know it all

651  
00:28:10,520 --> 00:28:08,130  
comes down to it of all the things that

652  
00:28:11,960 --> 00:28:10,530  
are going on but what bothers me the

653  
00:28:14,480 --> 00:28:11,970  
most and I've said this to you before

654  
00:28:16,940 --> 00:28:14,490  
many a time is the whole mind control

655  
00:28:19,970 --> 00:28:16,950  
aspect of all of this because from

656  
00:28:22,430 --> 00:28:19,980  
cradle to grave now people are literally

657  
00:28:25,430 --> 00:28:22,440  
getting vaccinated then they get

658  
00:28:27,140 --> 00:28:25,440  
indoctrinated in school then they get to

659  
00:28:29,420 --> 00:28:27,150  
a point by the time they're in college

660  
00:28:33,260 --> 00:28:29,430  
that they have very low tolerance for

661  
00:28:34,580 --> 00:28:33,270  
people who don't work make money you

662  
00:28:37,220 --> 00:28:34,590  
know do these things that you're

663  
00:28:39,590 --> 00:28:37,230

expected to do I mean at least that's

664

00:28:42,380 --> 00:28:39,600

what I'm seeing from people in their 20s

665

00:28:48,470 --> 00:28:42,390

their early 20s i but I don't live in

666

00:28:50,060 --> 00:28:48,480

Oregon warfare you know that's what the

667

00:28:53,450 --> 00:28:50,070

Nazis were all about you know the whole

668

00:28:57,080 --> 00:28:53,460

plan was called Elkin shaolin's Krieg

669

00:28:59,270 --> 00:28:57,090

which means world view warfare

670

00:29:01,130 --> 00:28:59,280

they took over our education our

671

00:29:04,400 --> 00:29:01,140

mainstream media and entertainment

672

00:29:08,150 --> 00:29:04,410

industries and created a matrix of

673

00:29:10,790 --> 00:29:08,160

perception yeah like Hitler said no give

674

00:29:14,180 --> 00:29:10,800

me a child seven years and his mind for

675

00:29:16,610 --> 00:29:14,190

life well you know generation after

676  
00:29:20,840 --> 00:29:16,620  
generation after generation has been

677  
00:29:23,600 --> 00:29:20,850  
born into this lie of this reality that

678  
00:29:26,510 --> 00:29:23,610  
we need rockets to go into space that we

679  
00:29:28,460 --> 00:29:26,520  
need to use gasoline and nuclear and

680  
00:29:30,440 --> 00:29:28,470  
coal in order to create electrical power

681  
00:29:33,830 --> 00:29:30,450  
and we need to be connected to these

682  
00:29:36,940 --> 00:29:33,840  
dangerous grid wires that are CME and

683  
00:29:40,520 --> 00:29:36,950  
EMP susceptible you know all this was

684  
00:29:43,910 --> 00:29:40,530  
based on a lie due to the corporations

685  
00:29:47,120 --> 00:29:43,920  
that are you know profiting on this but

686  
00:29:48,980 --> 00:29:47,130  
are also tied into you know because it

687  
00:29:51,200 --> 00:29:48,990  
was Eisenhower lost control of the

688  
00:29:53,210 --> 00:29:51,210

corporations as general love cannot his

689

00:29:57,500 --> 00:29:53,220

staff you know testified that that's

690

00:29:59,900 --> 00:29:57,510

wouldn't be in the best of hands and you

691

00:30:02,600 --> 00:29:59,910

know basically they're funneled you know

692

00:30:06,020 --> 00:30:02,610

the whole thing with the Cold War was

693

00:30:08,780 --> 00:30:06,030

Russia was a big force because that took

694

00:30:13,280 --> 00:30:08,790

like trillions of dollars which they

695

00:30:15,620 --> 00:30:13,290

were lying general Reinhard gallon of

696

00:30:19,400 --> 00:30:15,630

head of Nazi intelligence brought in to

697

00:30:21,590 --> 00:30:19,410

the CIA along with Allen infamous Allen

698

00:30:24,920 --> 00:30:21,600

Dulles and general Wild Bill Donovan

699

00:30:27,440 --> 00:30:24,930

we're all giving Truman all these false

700

00:30:31,190 --> 00:30:27,450

estimates and lies about the Soviets and

701  
00:30:33,140 --> 00:30:31,200  
so took the taxpayers money and filtered

702  
00:30:37,460 --> 00:30:33,150  
it in all this thing's and the Nazis

703  
00:30:39,470 --> 00:30:37,470  
were you know fully benefiting from all

704  
00:30:41,720 --> 00:30:39,480  
this with all their secret operations

705  
00:30:44,540 --> 00:30:41,730  
that were going on but you know if it

706  
00:30:47,260 --> 00:30:44,550  
wasn't for the US Air Force and Navy

707  
00:30:50,330 --> 00:30:47,270  
split that you know William Tompkins

708  
00:30:53,320 --> 00:30:50,340  
brought to awareness that happened back

709  
00:30:58,760 --> 00:30:53,330  
in the late 40s you know right when they

710  
00:31:00,290 --> 00:30:58,770  
murdered James Forrestal I know you've

711  
00:31:02,000 --> 00:31:00,300  
reached the high fashion hotlines yeah

712  
00:31:04,010 --> 00:31:02,010  
my family's ready to embrace that whole

713  
00:31:06,050 --> 00:31:04,020

new year new you thing but don't work

714

00:31:07,230 --> 00:31:06,060

out closer so last year old us get to

715

00:31:10,380 --> 00:31:07,240

old Navy now old

716

00:31:12,900 --> 00:31:10,390

yep right now get up to 50% off all old

717

00:31:14,310 --> 00:31:12,910

AV active Styles all up to 50% off new

718

00:31:15,870 --> 00:31:14,320

me likes the sound of that active

719

00:31:18,060 --> 00:31:15,880

bottoms started just 15 bucks for adults

720

00:31:19,590 --> 00:31:18,070

12 bucks for kids with tops from 7 bucks

721

00:31:21,570 --> 00:31:19,600

for adults 6 bucks for kids at Old Navy

722

00:31:23,070 --> 00:31:21,580

an old Navy calm but hurry it ends soon

723

00:31:24,570 --> 00:31:23,080

that's one resolution we can actually

724

00:31:27,180 --> 00:31:24,580

keep we're going to Old Navy now

725

00:31:28,710 --> 00:31:27,190

high-fashion Old Navy valid 141 10

726

00:31:30,299 --> 00:31:28,720

excludes in-store clearance you know

727

00:31:31,770 --> 00:31:30,309

that whole thing but that's another

728

00:31:34,200 --> 00:31:31,780

thing that bothers me is they've been

729

00:31:36,480 --> 00:31:34,210

killing people for so long now to keep

730

00:31:38,850 --> 00:31:36,490

them there you know keep the story from

731

00:31:41,040 --> 00:31:38,860

getting out that you know that's another

732

00:31:43,650 --> 00:31:41,050

thing in our whole community that it

733

00:31:46,230 --> 00:31:43,660

gets shoveled under the carpet you know

734

00:31:48,360 --> 00:31:46,240

I mean you and I are aware of it because

735

00:31:50,490 --> 00:31:48,370

we keep tabs on everything that happens

736

00:31:52,110 --> 00:31:50,500

but I talked to a lot of people in the

737

00:31:54,030 --> 00:31:52,120

UFO community and they don't want to

738

00:31:57,380 --> 00:31:54,040

hear about it they don't want to know

739

00:32:00,390 --> 00:31:57,390

that this stuff goes on you know in its

740

00:32:03,210 --> 00:32:00,400

people they can't understand today

741

00:32:08,000 --> 00:32:03,220

unless you understand what brought us to

742

00:32:10,470 --> 00:32:08,010

today the generational and donation of

743

00:32:14,160 --> 00:32:10,480

information how our information has been

744

00:32:16,020 --> 00:32:14,170

controlled to basically form the the

745

00:32:19,560 --> 00:32:16,030

experience that all of us are having

746

00:32:21,360 --> 00:32:19,570

today you know when I was you know I

747

00:32:24,270 --> 00:32:21,370

when I went to Washington I was

748

00:32:26,940 --> 00:32:24,280

completely naive about the control of

749

00:32:30,060 --> 00:32:26,950

mainstream media I thought my god you

750

00:32:32,880 --> 00:32:30,070

know how can we say 57 different species

751  
00:32:35,790 --> 00:32:32,890  
already been categorized bases on the

752  
00:32:39,299 --> 00:32:35,800  
other side of Moon and nukes being shut

753  
00:32:41,100 --> 00:32:39,309  
down airbrushing the UFOs out before

754  
00:32:42,930 --> 00:32:41,110  
going into public then astronauts are

755  
00:32:45,260 --> 00:32:42,940  
told to keep quiet what happened on the

756  
00:32:47,669 --> 00:32:45,270  
moon you know all the stuff in that

757  
00:32:50,010 --> 00:32:47,679  
president's CIA directors are being

758  
00:32:52,260 --> 00:32:50,020  
denied access that we have scientists

759  
00:32:53,700 --> 00:32:52,270  
are willing to come forth and to prove

760  
00:32:55,440 --> 00:32:53,710  
we've got a solution to get off a

761  
00:32:57,690 --> 00:32:55,450  
nuclear Orlick all all this got

762  
00:33:00,570 --> 00:32:57,700  
disclosed with 22 cameras in the back

763  
00:33:02,760 --> 00:33:00,580

row of the National Press Club I mean

764

00:33:06,000 --> 00:33:02,770

I've been friends with these guys I mean

765

00:33:07,860 --> 00:33:06,010

with Bassett and and Braun and you know

766

00:33:11,070 --> 00:33:07,870

all these guys I'm like I can't believe

767

00:33:13,380 --> 00:33:11,080

that they put this amazing thing on and

768

00:33:15,000 --> 00:33:13,390

you know what's gonna happen Dan 50

769

00:33:17,490 --> 00:33:15,010

years from now they're gonna pull that

770

00:33:19,230 --> 00:33:17,500

out and they're gonna go see this is

771

00:33:21,160 --> 00:33:19,240

what they already knew and this is what

772

00:33:23,050 --> 00:33:21,170

you know what's really going on I mean

773

00:33:24,340 --> 00:33:23,060

you know hopefully in five years they'll

774

00:33:26,230 --> 00:33:24,350

pull it out or six months from now

775

00:33:28,690 --> 00:33:26,240

they'll pull it out it'll be used but

776

00:33:30,880 --> 00:33:28,700

you know it's just it's amazing to me

777

00:33:33,490 --> 00:33:30,890

that we can put all this out there and

778

00:33:36,160 --> 00:33:33,500

it's just ignored completely that's why

779

00:33:38,350 --> 00:33:36,170

I said earlier in the show you know on

780

00:33:41,890 --> 00:33:38,360

December 16th we had disclosure on

781

00:33:44,320 --> 00:33:41,900

December 17th I went to work-like

782

00:33:48,160 --> 00:33:44,330

well we have we had a minute and a half

783

00:33:49,780 --> 00:33:48,170

on CNN for example the coverage of thing

784

00:33:53,530 --> 00:33:49,790

which made it sound like you wanted to

785

00:33:56,290 --> 00:33:53,540

have all these witnesses you know 450 of

786

00:33:58,660 --> 00:33:56,300

them want to have on the reality of UFOs

787

00:34:01,270 --> 00:33:58,670

you know how they make how they spin it

788

00:34:04,000 --> 00:34:01,280

in such a way that they term a limited

789

00:34:06,430 --> 00:34:04,010

hangout so they don't really expose

790

00:34:08,020 --> 00:34:06,440

anything but make it look like oh okay

791

00:34:09,430 --> 00:34:08,030

this is what it's about

792

00:34:12,190 --> 00:34:09,440

and you know of course that's not gonna

793

00:34:15,040 --> 00:34:12,200

get anybody's attention but the people

794

00:34:17,890 --> 00:34:15,050

who are the thinking people that uh-huh

795

00:34:19,930 --> 00:34:17,900

what's this about and I go watched it on

796

00:34:23,140 --> 00:34:19,940

by the way the first hour was jammed by

797

00:34:26,530 --> 00:34:23,150

the NSA they didn't want people and dr.

798

00:34:30,310 --> 00:34:26,540

Greer has lice rut not to do the oh I

799

00:34:32,460 --> 00:34:30,320

know and David the dare was asked not to

800

00:34:35,560 --> 00:34:32,470

be in the press conference because

801  
00:34:38,470 --> 00:34:35,570  
Stephen and David were afraid that with

802  
00:34:40,810 --> 00:34:38,480  
him of revealing the alien technology he

803  
00:34:44,260 --> 00:34:40,820  
had taught you know touched and crawled

804  
00:34:46,480 --> 00:34:44,270  
all over that they would you know they

805  
00:34:48,130 --> 00:34:46,490  
would take the event seriously and they

806  
00:34:50,770 --> 00:34:48,140  
would just go after David and make him

807  
00:34:53,190 --> 00:34:50,780  
look like a fool so he had to actually

808  
00:34:56,620 --> 00:34:53,200  
pull out his whole testimony on that

809  
00:35:00,070 --> 00:34:56,630  
yeah I remember that well it was a

810  
00:35:02,500 --> 00:35:00,080  
little it's a little bit too deeper

811  
00:35:05,010 --> 00:35:02,510  
layer of the onion you know it is like

812  
00:35:07,660 --> 00:35:05,020  
we need to have just the people like

813  
00:35:11,440 --> 00:35:07,670

like my testimony you know basically

814

00:35:14,290 --> 00:35:11,450

there is apparently bases under deep

815

00:35:15,460 --> 00:35:14,300

under ocean there were official secret

816

00:35:19,240 --> 00:35:15,470

reports going a Chief of Naval

817

00:35:20,800 --> 00:35:19,250

Operations you know of glowing reddish

818

00:35:23,020 --> 00:35:20,810

orange discs coming out of the water

819

00:35:26,410 --> 00:35:23,030

going seven thousand miles per hour

820

00:35:28,960 --> 00:35:26,420

and you know speaking of navy reports

821

00:35:32,680 --> 00:35:28,970

you know he oh the December 16 thing

822

00:35:34,690 --> 00:35:32,690

well you know obviously when you see it

823

00:35:37,300 --> 00:35:34,700

on CNN BBC

824

00:35:39,550 --> 00:35:37,310

can post New York Times you know

825

00:35:42,609 --> 00:35:39,560

political you know when you see it

826

00:35:44,470 --> 00:35:42,619

barrage and for several days you know it

827

00:35:47,170 --> 00:35:44,480

was like were two or three days

828

00:35:50,770 --> 00:35:47,180

afterward it getting completely an

829

00:35:56,950 --> 00:35:50,780

incredibly acknowledging you know the

830

00:35:59,079 --> 00:35:56,960

incident you know that this is they

831

00:36:00,970 --> 00:35:59,089

don't they don't you know a Daniel

832

00:36:04,359 --> 00:36:00,980

Sheehan he shared with me a document

833

00:36:06,819 --> 00:36:04,369

forty two CIA NSA operatives don't let

834

00:36:08,980 --> 00:36:06,829

any of this stuff out on the mainstream

835

00:36:11,170 --> 00:36:08,990

media networks unless it gets approved

836

00:36:14,410 --> 00:36:11,180

from the higher level so this was

837

00:36:19,180 --> 00:36:14,420

absolutely orchestrated to put into the

838

00:36:22,420 --> 00:36:19,190

public psyche that you know UFOs are a

839

00:36:25,150 --> 00:36:22,430

reality think about that you know and so

840

00:36:27,760 --> 00:36:25,160

to the average guy you know that has a

841

00:36:30,460 --> 00:36:27,770

beer watching the football game and goes

842

00:36:32,650 --> 00:36:30,470

goes to work and you know really doesn't

843

00:36:34,480 --> 00:36:32,660

have you know he's kind of considers the

844

00:36:37,960 --> 00:36:34,490

rest of the people that are into the

845

00:36:40,740 --> 00:36:37,970

stuffs new tinfoil hat types all of a

846

00:36:44,440 --> 00:36:40,750

sudden it's putting into that psyche

847

00:36:47,290 --> 00:36:44,450

this reality in an incredible way so you

848

00:36:50,829 --> 00:36:47,300

know it's just the preparation for a

849

00:36:53,020 --> 00:36:50,839

roll out of the next you know the next

850

00:37:02,609 --> 00:36:53,030

sequence the thing I'm concerned about

851

00:37:07,569 --> 00:37:02,619

though is that you know this was a line

852

00:37:10,150 --> 00:37:07,579

Ellie Ellen Elizondo oh yeah yeah it was

853

00:37:13,030 --> 00:37:10,160

on drew yeah oh yeah

854

00:37:15,880 --> 00:37:13,040

Elizondo whose you know it's part one of

855

00:37:20,589 --> 00:37:15,890

the five main guys and the stars Academy

856

00:37:23,550 --> 00:37:20,599

with Tom DeLonge who has been you know

857

00:37:26,680 --> 00:37:23,560

according to you know I've been

858

00:37:29,470 --> 00:37:26,690

following up on dr. Michael sallows

859

00:37:32,559 --> 00:37:29,480

research as well and it's kind of

860

00:37:37,240 --> 00:37:32,569

interesting that he had a meeting when

861

00:37:39,370 --> 00:37:37,250

Tompkins was still alive and C Tompkins

862

00:37:43,240 --> 00:37:39,380

and doctor Robert Wood were there with

863

00:37:48,579 --> 00:37:43,250

Michael Salla okay now wait I'm confused

864

00:37:55,299 --> 00:37:51,579

now the meeting with William Thompkins

865

00:37:58,439 --> 00:37:55,309

Michael Salah and Robert Wood and

866

00:38:00,759 --> 00:37:58,449

Michael Sela was giving him the lowdown

867

00:38:03,939 --> 00:38:00,769

different than what he's getting from

868

00:38:06,579 --> 00:38:03,949

the US Air Force generals and things

869

00:38:09,910 --> 00:38:06,589

that are feeding me he's got about ten

870

00:38:12,640 --> 00:38:09,920

or so top very high-level people that

871

00:38:15,219 --> 00:38:12,650

are feeding DeLonge disinformation right

872

00:38:18,309 --> 00:38:15,229

and so when he sat down and met with

873

00:38:23,249 --> 00:38:18,319

Tompkins and Tompkins basically revealed

874

00:38:26,469 --> 00:38:23,259

that the Navy basically you know you

875

00:38:30,749 --> 00:38:26,479

know this started back in 1942 when they

876

00:38:33,699 --> 00:38:30,759

they both split and then project ran

877

00:38:35,109 --> 00:38:33,709

turned into the RAND Corporation the Air

878

00:38:37,150 --> 00:38:35,119

Force brought in a bunch of money

879

00:38:40,089 --> 00:38:37,160

basically kicked the Navy out the Navy

880

00:38:43,269 --> 00:38:40,099

did its own secret thing starting at

881

00:38:47,349 --> 00:38:43,279

China Lake and you know and they moved

882

00:38:49,870 --> 00:38:47,359

in the Army Air Force at that time moved

883

00:38:51,969 --> 00:38:49,880

on all their operations over at

884

00:38:57,009 --> 00:38:51,979

wright-patterson you know which when

885

00:39:00,489 --> 00:38:57,019

Eisenhower lost control to the mj-12 and

886

00:39:03,549 --> 00:39:00,499

CIA operations they moved all that over

887

00:39:06,150 --> 00:39:03,559

to in early 51 and s4 to continue on

888

00:39:10,599 --> 00:39:06,160

what they were doing at wright-patterson

889

00:39:13,809 --> 00:39:10,609

so when he revealed that the Navy's got

890

00:39:16,299 --> 00:39:13,819

a battle fleet that's far superior with

891

00:39:18,789 --> 00:39:16,309

eight huge battle cruisers out there

892

00:39:23,699 --> 00:39:18,799

part of this solar warden program the

893

00:39:29,890 --> 00:39:23,709

right uh it's interesting that Tompkins

894

00:39:31,599 --> 00:39:29,900

came out after good and you know Corey

895

00:39:34,839 --> 00:39:31,609

good it was talking about the solar

896

00:39:37,209 --> 00:39:34,849

warrant program then Tompkins who you

897

00:39:40,150 --> 00:39:37,219

know was like shocked when he read a

898

00:39:41,589 --> 00:39:40,160

good material that it was like oh well

899

00:39:43,539 --> 00:39:41,599

somebody's already come out with his

900

00:39:46,089 --> 00:39:43,549

stuff you know anyway that when I'm

901  
00:39:48,219 --> 00:39:46,099  
getting out is that Tom DeLonge as soon

902  
00:39:51,130 --> 00:39:48,229  
as he heard about the Navy program and

903  
00:39:53,789 --> 00:39:51,140  
stuff like that he he got up and walked

904  
00:39:57,400 --> 00:39:53,799  
right out like he didn't want yeah I

905  
00:40:00,549 --> 00:39:57,410  
heard about this and I was very I was

906  
00:40:02,109 --> 00:40:00,559  
surprised not because I'm a you know

907  
00:40:05,559 --> 00:40:02,119  
that I totally believe you

908  
00:40:07,870 --> 00:40:05,569  
everybody in that meeting you know but I

909  
00:40:10,089 --> 00:40:07,880  
do take what Michael Saleh has to a

910  
00:40:14,230 --> 00:40:10,099  
point I do take what William Thompkins

911  
00:40:15,999 --> 00:40:14,240  
says to a point - there is one problem

912  
00:40:18,190 --> 00:40:16,009  
with Thompkins that I have and I think

913  
00:40:20,769 --> 00:40:18,200

I've told you about this live on air I

914

00:40:24,039 --> 00:40:20,779

think there's a tad of Mind Control

915

00:40:28,200 --> 00:40:24,049

going on with him after skimming through

916

00:40:31,210 --> 00:40:28,210

his book I saw telltale signs of

917

00:40:34,319 --> 00:40:31,220

somebody who had been mind controlled a

918

00:40:36,789 --> 00:40:34,329

bit to forget or have different kind of

919

00:40:39,130 --> 00:40:36,799

you know uh really called screen

920

00:40:41,470 --> 00:40:39,140

memories kind of put in place so he

921

00:40:43,210 --> 00:40:41,480

won't remember the truth I think he was

922

00:40:45,489 --> 00:40:43,220

very high level at what he was doing but

923

00:40:47,380 --> 00:40:45,499

I think some of the stories have this

924

00:40:49,650 --> 00:40:47,390

weirdness to them and there's a lot of

925

00:40:52,059 --> 00:40:49,660

sexual overtones to some of them and

926

00:40:53,650 --> 00:40:52,069

usually when those start taking place

927

00:40:55,720 --> 00:40:53,660

and coming forward from people's

928

00:40:57,819 --> 00:40:55,730

memories that means that they're

929

00:40:59,950 --> 00:40:57,829

actually having a screen memory that was

930

00:41:02,259 --> 00:40:59,960

put in place to cover up what was really

931

00:41:05,529 --> 00:41:02,269

going on and it may believe it deeper

932

00:41:08,650 --> 00:41:05,539

than he even remembers you know well he

933

00:41:11,559 --> 00:41:08,660

was in his mid 90s you know so yeah he's

934

00:41:15,039 --> 00:41:11,569

gonna have yeah you know like you know

935

00:41:16,870 --> 00:41:15,049

me my experience was back in 1969 and

936

00:41:19,839 --> 00:41:16,880

you know I just remember a couple of key

937

00:41:22,660 --> 00:41:19,849

factors I remember it was secret it was

938

00:41:24,849 --> 00:41:22,670

priority it was a ship off the coast of

939

00:41:27,870 --> 00:41:24,859

Alaska and it was going to the chief

940

00:41:30,729 --> 00:41:27,880

Naval Operations in Washington DC

941

00:41:32,829 --> 00:41:30,739

reddish orange glowing 70 feet diameter

942

00:41:36,970 --> 00:41:32,839

or seven thousand miles per hour but I

943

00:41:39,910 --> 00:41:36,980

can't remember I I can kind of in my

944

00:41:43,259 --> 00:41:39,920

mind's eye I can kind of see the name of

945

00:41:46,329 --> 00:41:43,269

the ship but it's too it's too fuzzy to

946

00:41:48,640 --> 00:41:46,339

say it's credible you know couple of

947

00:41:51,249 --> 00:41:48,650

points that really stuck out in my mind

948

00:41:53,589 --> 00:41:51,259

now he's like you know in his 90s you

949

00:42:00,249 --> 00:41:53,599

know I'm you know approaching 70 here

950

00:42:03,970 --> 00:42:00,259

myself so what one example my father he

951  
00:42:06,339 --> 00:42:03,980  
was you know a career marine he was in

952  
00:42:08,620 --> 00:42:06,349  
the back of Thompkins book he talks

953  
00:42:12,279 --> 00:42:08,630  
about an incident that happened back in

954  
00:42:14,440 --> 00:42:12,289  
1951 aboard the USS Coral Sea the

955  
00:42:15,240 --> 00:42:14,450  
aircraft carrier that my father served

956  
00:42:23,150 --> 00:42:15,250  
on for Men

957  
00:42:26,010 --> 00:42:23,160  
many years where in 1951 a cigar-shaped

958  
00:42:27,720 --> 00:42:26,020  
8,000 foot long now the Coral Sea was

959  
00:42:29,760 --> 00:42:27,730  
only about a thousand feet long so this

960  
00:42:34,080 --> 00:42:29,770  
thing's like 8 times the length of the

961  
00:42:39,420 --> 00:42:34,090  
Coral Sea earther and it was 500 feet in

962  
00:42:41,970 --> 00:42:39,430  
diameter and this thing hovered I think

963  
00:42:44,010 --> 00:42:41,980

it was like seven minutes it and it was

964

00:42:47,970 --> 00:42:44,020

at night it was at about 9:30 at night

965

00:42:51,060 --> 00:42:47,980

and it completely you know the the

966

00:42:53,910 --> 00:42:51,070

carrier is supported by support ships

967

00:42:55,680 --> 00:42:53,920

you know cruisers and you know

968

00:42:59,610 --> 00:42:55,690

submarines and things like that is

969

00:43:05,490 --> 00:42:59,620

supported so the whole ocean lit up like

970

00:43:09,180 --> 00:43:05,500

was daylight and apparently the Admiral

971

00:43:13,560 --> 00:43:09,190

on board met with the Nordic being that

972

00:43:15,630 --> 00:43:13,570

was on an apparently 5,000 crew members

973

00:43:19,410 --> 00:43:15,640

were sworn to secrecy which my father

974

00:43:22,230 --> 00:43:19,420

would have been one but I did a lot of

975

00:43:24,960 --> 00:43:22,240

research on this and the contact at the

976  
00:43:27,570 --> 00:43:24,970  
head of the Coral Sea Association the

977  
00:43:29,880 --> 00:43:27,580  
president of it and I looking at ships

978  
00:43:31,470 --> 00:43:29,890  
logs and you know just he's checking

979  
00:43:33,690 --> 00:43:31,480  
this out because you know hey this is

980  
00:43:37,500 --> 00:43:33,700  
kind of personal this is my father you

981  
00:43:40,830 --> 00:43:37,510  
know I even have 1955 movies from him on

982  
00:43:44,520 --> 00:43:40,840  
the Coral Sea which I put up on the web

983  
00:43:46,110 --> 00:43:44,530  
matrix top net in the 1951 yeah I did

984  
00:43:50,820 --> 00:43:46,120  
see some of those that's pretty cool

985  
00:43:53,190 --> 00:43:50,830  
yeah oh yeah I kind of poured over your

986  
00:43:54,720 --> 00:43:53,200  
site in pieces you know and I go oh that

987  
00:43:59,550 --> 00:43:54,730  
looks interesting I'll click on it right

988  
00:44:01,830 --> 00:43:59,560

so yeah number of discrepancies one in

989

00:44:03,720 --> 00:44:01,840

1951 the Coral Sea was in the

990

00:44:08,840 --> 00:44:03,730

Mediterranean Sea not in the South China

991

00:44:13,380 --> 00:44:08,850

Sea I was in the South China Sea in 1970

992

00:44:16,140 --> 00:44:13,390

and in Vietnam service anyway that was

993

00:44:18,560 --> 00:44:16,150

crazy little the storm oh man like I'm

994

00:44:22,700 --> 00:44:18,570

not a sailor I just can't handle the

995

00:44:25,170 --> 00:44:22,710

don't even get me started on how seasick

996

00:44:29,480 --> 00:44:25,180

another thing is the name of the captain

997

00:44:30,950 --> 00:44:29,490

I looked all through all the CEOs

998

00:44:35,839 --> 00:44:30,960

you know the commanding officer is

999

00:44:39,530 --> 00:44:35,849

rather and the name the closest he said

1000

00:44:41,630 --> 00:44:39,540

it was Conley and a macaw makan Lee you

1001  
00:44:45,020 --> 00:44:41,640  
know so a lot of little things were off

1002  
00:44:47,570 --> 00:44:45,030  
I believe his memory of the event was

1003  
00:44:51,530 --> 00:44:47,580  
true but he didn't he doesn't get names

1004  
00:44:54,770 --> 00:44:51,540  
and dates correct on some of the stuff

1005  
00:44:59,060 --> 00:44:54,780  
but you know that's the big expect you

1006  
00:45:01,280 --> 00:44:59,070  
know the problem we've got with people

1007  
00:45:03,710 --> 00:45:01,290  
like him coming out that can't remember

1008  
00:45:05,960 --> 00:45:03,720  
dates and you know whatever is that

1009  
00:45:08,900 --> 00:45:05,970  
people like yourself who are doing the

1010  
00:45:10,849 --> 00:45:08,910  
research that are very skeptical will

1011  
00:45:13,490 --> 00:45:10,859  
say well that never happened because I

1012  
00:45:15,740 --> 00:45:13,500  
can't find any bla bla bla about it but

1013  
00:45:17,480 --> 00:45:15,750

but they're not taking into account or

1014

00:45:19,250 --> 00:45:17,490

two very important factors which you

1015

00:45:22,010 --> 00:45:19,260

brought up that number one is his memory

1016

00:45:24,710 --> 00:45:22,020

is a little faulty probably and number

1017

00:45:27,320 --> 00:45:24,720

two even if his memory was correct the

1018

00:45:29,599 --> 00:45:27,330

CIA the whatever the Naval Intelligence

1019

00:45:32,150 --> 00:45:29,609

would have buried this and changed all

1020

00:45:33,980 --> 00:45:32,160

the logs on that date anyhow so you

1021

00:45:37,700 --> 00:45:33,990

would never have been able to find any

1022

00:45:41,120 --> 00:45:37,710

truth to it well remember in 2001

1023

00:45:44,180 --> 00:45:41,130

you know Thompkins sat down with a very

1024

00:45:47,810 --> 00:45:44,190

high-level Admiral Admiral Hugh Webster

1025

00:45:49,849 --> 00:45:47,820

and you know it was concerned about you

1026  
00:45:53,990 --> 00:45:49,859  
know breaching security by disclosing

1027  
00:45:57,380 --> 00:45:54,000  
all this and according to Admiral Hugh

1028  
00:45:59,089 --> 00:45:57,390  
Webster he said bill tell it all it's

1029  
00:46:02,000 --> 00:45:59,099  
most important to the future of our

1030  
00:46:04,400 --> 00:46:02,010  
country don't leave anything out you

1031  
00:46:06,650 --> 00:46:04,410  
know and the Navy you know which is

1032  
00:46:10,430 --> 00:46:06,660  
consistent you know the Navy is always

1033  
00:46:13,579 --> 00:46:10,440  
and we've had support you know from

1034  
00:46:16,760 --> 00:46:13,589  
white hats you know back in 2001 in

1035  
00:46:18,710 --> 00:46:16,770  
order to come forth that you know I've

1036  
00:46:20,870 --> 00:46:18,720  
been told a number of times that if

1037  
00:46:22,910 --> 00:46:20,880  
anything happens to any of the witnesses

1038  
00:46:25,790 --> 00:46:22,920

or other family members that there would

1039

00:46:29,180 --> 00:46:25,800

be a long line of dead bodies I was told

1040

00:46:31,940 --> 00:46:29,190

and numerous times in other words the

1041

00:46:36,650 --> 00:46:31,950

white hats know who the blackouts are

1042

00:46:41,060 --> 00:46:36,660

and we have we we must most of the

1043

00:46:41,580 --> 00:46:41,070

witnesses I can say that has been true

1044

00:46:43,920 --> 00:46:41,590

for

1045

00:46:46,620 --> 00:46:43,930

or there's been some witnesses I've had

1046

00:46:50,700 --> 00:46:46,630

you know you know acts against their

1047

00:46:53,700 --> 00:46:50,710

life happening but for the most part

1048

00:46:56,790 --> 00:46:53,710

yeah we're all still here and alive you

1049

00:47:01,530 --> 00:46:56,800

know so you know the 20 20 witnesses

1050

00:47:03,030 --> 00:47:01,540

that testify back in 2001 know but there

1051  
00:47:04,680 --> 00:47:03,040  
are there some things that have happened

1052  
00:47:07,350 --> 00:47:04,690  
to some of those witnesses now I think

1053  
00:47:10,020 --> 00:47:07,360  
it's time somebody does a recap about

1054  
00:47:11,970 --> 00:47:10,030  
these what you the witnesses because I

1055  
00:47:15,570 --> 00:47:11,980  
can tell you right now that I know that

1056  
00:47:18,540 --> 00:47:15,580  
David and Daris wife was you know taken

1057  
00:47:20,370 --> 00:47:18,550  
out and that no one will say that to you

1058  
00:47:23,010 --> 00:47:20,380  
you know see one of the problems we've

1059  
00:47:25,980 --> 00:47:23,020  
got is they have so many things they can

1060  
00:47:27,930 --> 00:47:25,990  
kill you with now that they can they can

1061  
00:47:29,730 --> 00:47:27,940  
basically take somebody out and it could

1062  
00:47:32,280 --> 00:47:29,740  
take them five years to take them out

1063  
00:47:33,810 --> 00:47:32,290

and I'll just turn around and when that

1064

00:47:36,330 --> 00:47:33,820

person is gone and walk up to that

1065

00:47:38,370 --> 00:47:36,340

person at the at the funeral and say you

1066

00:47:40,890 --> 00:47:38,380

know we did this and then walk away and

1067

00:47:42,630 --> 00:47:40,900

then that person knows for sure you know

1068

00:47:45,750 --> 00:47:42,640

I mean that this is why I'm so excited

1069

00:47:50,910 --> 00:47:45,760

about what's going on about our military

1070

00:47:53,430 --> 00:47:50,920

is taking over these corrupt elements

1071

00:47:55,800 --> 00:47:53,440

that have infiltrated into our US

1072

00:48:00,870 --> 00:47:55,810

Republic that's why I'm so excited about

1073

00:48:02,760 --> 00:48:00,880

this yeah this stuff off anymore you

1074

00:48:05,520 --> 00:48:02,770

know hopefully hopefully we can get to

1075

00:48:07,740 --> 00:48:05,530

all of them and we can round them up you

1076

00:48:09,540 --> 00:48:07,750

know I think that I think want honor

1077

00:48:13,620 --> 00:48:09,550

MoBay is not going to be big enough dan

1078

00:48:16,170 --> 00:48:13,630

oh they're you know they're they put up

1079

00:48:18,600 --> 00:48:16,180

five hundred five hundred million to

1080

00:48:20,730 --> 00:48:18,610

expand it out that they don't hold these

1081

00:48:22,580 --> 00:48:20,740

people and they because they're bringing

1082

00:48:23,910 --> 00:48:22,590

in some of these high-level VIP

1083

00:48:26,820 --> 00:48:23,920

prisoners

1084

00:48:34,560 --> 00:48:26,830

you know maybe Clinton's bushes and

1085

00:48:36,390 --> 00:48:34,570

Rothschilds arrested in those groups I

1086

00:48:39,900 --> 00:48:36,400

I'm going to be flabbergasted to be

1087

00:48:42,750 --> 00:48:39,910

honest with you really everybody it'll

1088

00:48:44,610 --> 00:48:42,760

be like the day at the end of Star Wars

1089

00:48:46,470 --> 00:48:44,620

you know where all the Ewoks are

1090

00:48:51,180 --> 00:48:46,480

celebrating the Death Star has been

1091

00:48:55,230 --> 00:48:51,190

taken down you know I mean you know

1092

00:48:57,000 --> 00:48:55,240

people have no idea how important having

1093

00:48:59,640 --> 00:48:57,010

justice done to the people that have

1094

00:49:00,990 --> 00:48:59,650

been messing with us for so long they

1095

00:49:03,180 --> 00:49:01,000

have no idea how important this is

1096

00:49:05,100 --> 00:49:03,190

because well frankly they're not awake

1097

00:49:07,380 --> 00:49:05,110

enough to know they're even a problem so

1098

00:49:08,460 --> 00:49:07,390

you know it goes all the way back to

1099

00:49:10,410 --> 00:49:08,470

what we talked about at the beginning

1100

00:49:12,510 --> 00:49:10,420

about how they control the media they

1101  
00:49:15,270 --> 00:49:12,520  
control everything they keep us enslaved

1102  
00:49:17,520 --> 00:49:15,280  
so we just don't we don't know where

1103  
00:49:19,590 --> 00:49:17,530  
slaves number one and then when you do

1104  
00:49:21,600 --> 00:49:19,600  
realize you're a slave then you start

1105  
00:49:23,640 --> 00:49:21,610  
rebellious then they usually you know

1106  
00:49:25,650 --> 00:49:23,650  
figure out a way to take you out so you

1107  
00:49:28,830 --> 00:49:25,660  
know it's been a real battle for us

1108  
00:49:31,410 --> 00:49:28,840  
we're kind of like a scientist island ku

1109  
00:49:33,720 --> 00:49:31,420  
that's going on and and thank God

1110  
00:49:35,730 --> 00:49:33,730  
Trump's doing something about it I I'm

1111  
00:49:38,460 --> 00:49:35,740  
just flabbergasted to be honest with you

1112  
00:49:39,750 --> 00:49:38,470  
I really am - I'm like blown away you

1113  
00:49:42,050 --> 00:49:39,760

know some of the stuff like you know I

1114

00:49:44,940 --> 00:49:42,060

hope I'm fine I'm cautiously optimistic

1115

00:49:46,680 --> 00:49:44,950

right you know right but there's a lot

1116

00:49:48,359 --> 00:49:46,690

of indications that seem to be

1117

00:49:53,970 --> 00:49:48,369

consistent you know like back in

1118

00:49:57,690 --> 00:49:53,980

November when the the CIA II was paid a

1119

00:50:01,170 --> 00:49:57,700

visit by a half an hour of marine corps

1120

00:50:07,140 --> 00:50:01,180

troops circling over it telling him the

1121

00:50:10,320 --> 00:50:07,150

back off Obama's regime stuff supplying

1122

00:50:13,380 --> 00:50:10,330

all these you know guns and weapons and

1123

00:50:15,180 --> 00:50:13,390

ammunition - you know the Syrian freedom

1124

00:50:17,609 --> 00:50:15,190

fighters which is falling into the hands

1125

00:50:20,870 --> 00:50:17,619

of al Qaeda and Isis which is being used

1126  
00:50:24,300 --> 00:50:20,880  
to kill our Marines and our guys and so

1127  
00:50:26,430 --> 00:50:24,310  
basically what happened you know I had a

1128  
00:50:29,250 --> 00:50:26,440  
have a wonderful two-hour conversation

1129  
00:50:32,630 --> 00:50:29,260  
when Michael jollof was one of the the

1130  
00:50:39,990 --> 00:50:32,640  
newly surfacing a secret space program

1131  
00:50:42,510 --> 00:50:40,000  
you know he's a really nice guy really

1132  
00:50:50,910 --> 00:50:42,520  
like really nice he just seems real

1133  
00:50:54,570 --> 00:50:50,920  
humble you know a sincere wants to see

1134  
00:50:57,359 --> 00:50:54,580  
you know the truth exposed and you know

1135  
00:51:01,470 --> 00:50:57,369  
what he was saying just so encouraged me

1136  
00:51:05,510 --> 00:51:01,480  
by letting me know that what happened

1137  
00:51:08,569 --> 00:51:05,520  
when Eisenhower was a you know five-star

1138  
00:51:11,990 --> 00:51:08,579

general that

1139

00:51:14,059 --> 00:51:12,000

pretty sharp and he was aware that he

1140

00:51:16,910 --> 00:51:14,069

had lost control to the corporations

1141

00:51:19,819 --> 00:51:16,920

which is you know Titan with a with the

1142

00:51:21,829 --> 00:51:19,829

whole industrial military complex that

1143

00:51:25,849 --> 00:51:21,839

was tied in with Nazis that had

1144

00:51:28,370 --> 00:51:25,859

infiltrated and what happened was he set

1145

00:51:31,400 --> 00:51:28,380

up a special Marine Intelligence Unit

1146

00:51:32,930 --> 00:51:31,410

that if for and he could you know he saw

1147

00:51:34,760 --> 00:51:32,940

the writing on the wall you know it's

1148

00:51:39,290 --> 00:51:34,770

like you know these people are taking

1149

00:51:40,670 --> 00:51:39,300

over and you know because you know they

1150

00:51:42,589 --> 00:51:40,680

it's all you don't have any jurisdiction

1151  
00:51:45,230 --> 00:51:42,599  
it was all the whole thing's stemmed

1152  
00:51:47,000 --> 00:51:45,240  
from him trying to seek plausible

1153  
00:51:48,800 --> 00:51:47,010  
deniability and having Nelson

1154  
00:51:51,200 --> 00:51:48,810  
Rockefeller restructure the whole thing

1155  
00:51:54,440 --> 00:51:51,210  
secret executive order replaced all the

1156  
00:51:57,650 --> 00:51:54,450  
mj-12 members the original ones a Truman

1157  
00:52:02,030 --> 00:51:57,660  
set up and put Allen Dulles as Allen MJ

1158  
00:52:04,849 --> 00:52:02,040  
one of all people along you know you got

1159  
00:52:07,400 --> 00:52:04,859  
jr. Hoover or William tiller you know

1160  
00:52:10,339 --> 00:52:07,410  
all the infamous names that you know

1161  
00:52:12,859 --> 00:52:10,349  
were involved in all this you know any

1162  
00:52:16,250 --> 00:52:12,869  
what's interesting is speaking of junior

1163  
00:52:21,260 --> 00:52:16,260

glue Hoover you know with all the

1164

00:52:24,109 --> 00:52:21,270

thousands of reports you know that JFK

1165

00:52:26,270 --> 00:52:24,119

files that just got released revealed a

1166

00:52:28,640 --> 00:52:26,280

lot of different very interesting things

1167

00:52:30,500 --> 00:52:28,650

one that the Warren Commission which we

1168

00:52:35,050 --> 00:52:30,510

know was you know kind of like a

1169

00:52:42,530 --> 00:52:38,780

pin and on you know Lee Harvey Oswald

1170

00:52:45,230 --> 00:52:42,540

who was trained by the CIA and working

1171

00:52:47,329 --> 00:52:45,240

for them at the time and the FBI and

1172

00:52:53,089 --> 00:52:47,339

Naval Intelligence how's that for being

1173

00:52:56,180 --> 00:52:53,099

a three-star right right document with

1174

00:52:58,579 --> 00:52:56,190

McKown you know the CIA director were

1175

00:53:03,140 --> 00:52:58,589

totally reveal that substantiating that

1176  
00:53:05,589 --> 00:53:03,150  
even though the CIA put out this thing

1177  
00:53:09,500 --> 00:53:05,599  
to start it was like in nineteen

1178  
00:53:11,569 --> 00:53:09,510  
nineteen sixty seven I think you know

1179  
00:53:13,490 --> 00:53:11,579  
that start calling anybody that comes up

1180  
00:53:16,130 --> 00:53:13,500  
with alternative theory of what happened

1181  
00:53:17,930 --> 00:53:16,140  
to the JFK they call them a conspiracy

1182  
00:53:21,130 --> 00:53:17,940  
theorists you know quote-unquote

1183  
00:53:24,040 --> 00:53:21,140  
you know and they even in their Oh

1184  
00:53:26,260 --> 00:53:24,050  
and then the conspiracy that Lee Harvey

1185  
00:53:28,990 --> 00:53:26,270  
Oswald was trained by the CIA is

1186  
00:53:31,690 --> 00:53:29,000  
completely false which they have their

1187  
00:53:34,120 --> 00:53:31,700  
own documents conflict themselves but

1188  
00:53:40,450 --> 00:53:34,130

other thing that was interesting is that

1189

00:53:47,220 --> 00:53:40,460

Hitler in the JFK files ivan well 1955

1190

00:53:51,340 --> 00:53:47,230

in argentina yeah and that you know KGB

1191

00:53:53,610 --> 00:53:51,350

was well aware that lyndon b johnson you

1192

00:53:58,900 --> 00:53:53,620

know the same warrant was involved with

1193

00:54:02,440 --> 00:53:58,910

visiting visiting a hospital where James

1194

00:54:07,440 --> 00:54:02,450

Forrestal was thrown out the window you

1195

00:54:11,830 --> 00:54:07,450

know he was a he was an mj-12 asset so

1196

00:54:15,420 --> 00:54:11,840

yeah all this is all this is coming to a

1197

00:54:19,210 --> 00:54:15,430

wonderful head that I could imagine

1198

00:54:21,970 --> 00:54:19,220

until I started you know back in 2014 I

1199

00:54:23,740 --> 00:54:21,980

you know I like I said before you know a

1200

00:54:25,540 --> 00:54:23,750

media company on Hollywood want me to

1201

00:54:28,090 --> 00:54:25,550

write an article on media control and

1202

00:54:30,790 --> 00:54:28,100

you know I was an ABC News man and a

1203

00:54:32,740 --> 00:54:30,800

witness and on this thing and I I've

1204

00:54:34,300 --> 00:54:32,750

seen a number of documents and I was

1205

00:54:37,540 --> 00:54:34,310

real familiar with the hundreds of

1206

00:54:40,930 --> 00:54:37,550

witnesses testimonies and the documents

1207

00:54:43,630 --> 00:54:40,940

that leaked and so I had to want to put

1208

00:54:47,290 --> 00:54:43,640

it together on the site the web matrix

1209

00:54:52,120 --> 00:54:47,300

top nap and I started at the year 1900

1210

00:54:54,910 --> 00:54:52,130

to present day and just started piecing

1211

00:55:00,220 --> 00:54:54,920

in you know this is what a person needs

1212

00:55:02,830 --> 00:55:00,230

to do in order to understand this comes

1213

00:55:05,200 --> 00:55:02,840

yeah it comes all down to history it all

1214

00:55:07,390 --> 00:55:05,210

comes to I tell this that every MUFON

1215

00:55:10,510 --> 00:55:07,400

meeting I have I feel like I'm turning

1216

00:55:13,060 --> 00:55:10,520

into one of those you know Nazi teachers

1217

00:55:14,620 --> 00:55:13,070

you know that used to pound on the desk

1218

00:55:16,870 --> 00:55:14,630

and say no you've got to do you know

1219

00:55:19,840 --> 00:55:16,880

your homework you know this whatever but

1220

00:55:21,850 --> 00:55:19,850

the reality is it's simple you've got to

1221

00:55:23,590 --> 00:55:21,860

understand the history of UFO lives

1222

00:55:25,690 --> 00:55:23,600

you've got to understand the history of

1223

00:55:28,990 --> 00:55:25,700

war and you've got to understand the

1224

00:55:31,600 --> 00:55:29,000

history of politics to understand how we

1225

00:55:33,460 --> 00:55:31,610

ended up in the mess we're in now it's

1226

00:55:35,050 --> 00:55:33,470

really obvious once you start figuring

1227

00:55:38,410 --> 00:55:35,060

it you know looking at

1228

00:55:41,350 --> 00:55:38,420

passed and you won't don't hear about it

1229

00:55:42,730 --> 00:55:41,360

on you know the Discovery Channel or a

1230

00:55:44,650 --> 00:55:42,740

History Channel

1231

00:55:46,180 --> 00:55:44,660

you won't hear that they're completely

1232

00:55:49,060 --> 00:55:46,190

controlled

1233

00:55:51,430 --> 00:55:49,070

you won't hear give you a false reality

1234

00:55:53,820 --> 00:55:51,440

because I have been watching The History

1235

00:55:57,490 --> 00:55:53,830

Channel and I'm appalled at their last

1236

00:56:00,700 --> 00:55:57,500

JFK document release special I just

1237

00:56:03,040 --> 00:56:00,710

about died it was so bad and then they

1238

00:56:08,290 --> 00:56:03,050

did this whole bogus thing on Oswald

1239

00:56:09,970 --> 00:56:08,300

which was just I was shocked I mean I

1240

00:56:11,650 --> 00:56:09,980

was I was going oh good this will be a

1241

00:56:14,740 --> 00:56:11,660

whole true thing about how Oswald there

1242

00:56:20,680 --> 00:56:14,750

was a patsy right watch it I'm like I'm

1243

00:56:23,340 --> 00:56:20,690

horrified I won't find the truth you

1244

00:56:27,100 --> 00:56:23,350

know popular science Popular Mechanics

1245

00:56:31,660 --> 00:56:27,110

you know it's interesting back in what

1246

00:56:34,030 --> 00:56:31,670

was in 1957 they had this in a young

1247

00:56:36,370 --> 00:56:34,040

men's magazine the gene machines are

1248

00:56:38,260 --> 00:56:36,380

coming out you know anti-gravity and all

1249

00:56:41,080 --> 00:56:38,270

the stuff like that and then all of a

1250

00:56:44,710 --> 00:56:41,090

sudden the whole thing got shut down

1251  
00:56:48,130 --> 00:56:44,720  
it went deep black that's when when the

1252  
00:56:50,950 --> 00:56:48,140  
I think the agreements happen 1954-55

1253  
00:56:55,810 --> 00:56:50,960  
with Eisenhower and then they just

1254  
00:56:57,970 --> 00:56:55,820  
completely took over control you know so

1255  
00:56:59,770 --> 00:56:57,980  
yeah people can't you won't find it and

1256  
00:57:00,780 --> 00:56:59,780  
going to college you won't find on the

1257  
00:57:06,540 --> 00:57:00,790  
History Channel

1258  
00:57:10,300 --> 00:57:06,550  
the only way is to use your reasoning

1259  
00:57:12,240 --> 00:57:10,310  
and look at the hundreds of testimonies

1260  
00:57:15,580 --> 00:57:12,250  
of which include Admirals generals

1261  
00:57:18,490 --> 00:57:15,590  
astronauts very credible individuals you

1262  
00:57:21,490 --> 00:57:18,500  
look at authenticated top-secret

1263  
00:57:23,680 --> 00:57:21,500

documents that have a have come out some

1264

00:57:26,680 --> 00:57:23,690

of them have even come out through the

1265

00:57:29,440 --> 00:57:26,690

National Archives you know that showed

1266

00:57:31,600 --> 00:57:29,450

certain operations you know sir is it if

1267

00:57:35,440 --> 00:57:31,610

you get all this information and you put

1268

00:57:37,450 --> 00:57:35,450

it all lined up and then all of a sudden

1269

00:57:39,300 --> 00:57:37,460

it paints a picture of what's been

1270

00:57:42,850 --> 00:57:39,310

happening behind the scenes

1271

00:57:46,530 --> 00:57:42,860

actly and I know for myself it was like

1272

00:57:53,580 --> 00:57:46,540

one oh my god moment after another

1273

00:57:55,350 --> 00:57:53,590

of really take a break and yeah it is

1274

00:58:00,020 --> 00:57:55,360

all real and that's the problem we got

1275

00:58:04,680 --> 00:58:02,730

welcome back everyone to the California

1276

00:58:06,780 --> 00:58:04,690

MUFON radio show I'm your host Lori

1277

00:58:08,100 --> 00:58:06,790

infant and we're here on inception radio

1278

00:58:09,930 --> 00:58:08,110

network it's the home of the most

1279

00:58:11,460 --> 00:58:09,940

amazing app on the planet I hope you

1280

00:58:13,650 --> 00:58:11,470

guys have gotten it it's on your cell

1281

00:58:16,440 --> 00:58:13,660

phone reminding you about all the shows

1282

00:58:18,300 --> 00:58:16,450

here at inception radio network and also

1283

00:58:19,890 --> 00:58:18,310

I just gotta say a couple quick things I

1284

00:58:21,330 --> 00:58:19,900

want to thank Mike Farah over at

1285

00:58:24,000 --> 00:58:21,340

late-night in the Midlands for repeating

1286

00:58:25,920 --> 00:58:24,010

the show and also Jean Tatum got ahold

1287

00:58:28,920 --> 00:58:25,930

of me again I'm gonna I'm gonna say this

1288

00:58:30,810 --> 00:58:28,930

on air live so MJ can hear it he wants

1289

00:58:33,690 --> 00:58:30,820

us to start downloading and uploading

1290

00:58:36,300 --> 00:58:33,700

the show to his network as well so we

1291

00:58:38,970 --> 00:58:36,310

gotta do that how we're gonna do it but

1292

00:58:40,740 --> 00:58:38,980

he gave me a Dropbox so let me know how

1293

00:58:43,230 --> 00:58:40,750

we can make that happen so Tatum will

1294

00:58:45,000 --> 00:58:43,240

get the show and he loves the show he

1295

00:58:47,700 --> 00:58:45,010

thinks I'm quite hysterical and I used

1296

00:58:49,770 --> 00:58:47,710

to be the only one over at veterans

1297

00:58:51,390 --> 00:58:49,780

truth radio network that wasn't a

1298

00:58:54,930 --> 00:58:51,400

veteran that he allowed on the network

1299

00:58:57,450 --> 00:58:54,940

so I feel very blessed by jeans

1300

00:59:00,030 --> 00:58:57,460

friendship and as most of you know Jean

1301  
00:59:03,450 --> 00:59:00,040  
Tatum is an ex-cia pilot kind of like

1302  
00:59:05,760 --> 00:59:03,460  
that Barry seal character that Tommy Tom

1303  
00:59:09,600 --> 00:59:05,770  
Cruise is playing right now and what's

1304  
00:59:12,720 --> 00:59:09,610  
even more funny is that I know the guy I

1305  
00:59:15,210 --> 00:59:12,730  
met him at the 2015 conference that we

1306  
00:59:16,980 --> 00:59:15,220  
put on New Orleans for Lee Harvey Oswald

1307  
00:59:19,740 --> 00:59:16,990  
the guy who wrote the book about Barry

1308  
00:59:21,600 --> 00:59:19,750  
seal and that the movies based on and

1309  
00:59:23,010 --> 00:59:21,610  
for the life of me right now I can see

1310  
00:59:24,870 --> 00:59:23,020  
his face that I can remember her

1311  
00:59:26,460 --> 00:59:24,880  
drinking with him but I can't remember

1312  
00:59:28,710 --> 00:59:26,470  
his name so it'll come back to me at

1313  
00:59:31,320 --> 00:59:28,720

some point but tell you what that Barry

1314

00:59:34,410 --> 00:59:31,330

sealed movie pretty accurate a lot of

1315

00:59:36,480 --> 00:59:34,420

Hollywood a lot of Hollywood his wife

1316

00:59:38,940 --> 00:59:36,490

Barry seals wife was at our conference

1317

00:59:41,010 --> 00:59:38,950

as well and the little bit I did talk to

1318

00:59:43,710 --> 00:59:41,020

her I could tell they sensationalized

1319

00:59:45,390 --> 00:59:43,720

quite a bit of it but yeah you know

1320

00:59:47,190 --> 00:59:45,400

there were scenes in there that I heard

1321

00:59:48,510 --> 00:59:47,200

I haven't seen it yet but I heard from a

1322

00:59:51,210 --> 00:59:48,520

couple friends of mine that there was a

1323

00:59:52,590 --> 00:59:51,220

scene where he is burying money in the

1324

00:59:54,360 --> 00:59:52,600

backyard because they don't know what to

1325

00:59:55,770 --> 00:59:54,370

do with it they got so much of it it's

1326

00:59:58,260 --> 00:59:55,780

all illegal they can't put it in the

1327

00:59:59,920 --> 00:59:58,270

bait and she says to him something about

1328

01:00:01,720 --> 00:59:59,930

hey there's a storm and the money

1329

01:00:03,430 --> 01:00:01,730

blowing out all over the yard and he

1330

01:00:07,870 --> 01:00:03,440

says something about raking up tomorrow

1331

01:00:10,060 --> 01:00:07,880

or to that effect apparently that was

1332

01:00:12,250 --> 01:00:10,070

going on that was a real part of their

1333

01:00:13,450 --> 01:00:12,260

their lives is that they kept trying to

1334

01:00:16,240 --> 01:00:13,460

figure out where to put this money and

1335

01:00:19,600 --> 01:00:16,250

it kept getting loose and it was quite

1336

01:00:21,190 --> 01:00:19,610

as teracles though but anyhow I do hope

1337

01:00:23,380 --> 01:00:21,200

you guys see it because it looks it

1338

01:00:25,120 --> 01:00:23,390

looks good and you know I'm not a huge

1339

01:00:28,600 --> 01:00:25,130

Tom Cruise fan but I will watch that

1340

01:00:30,940 --> 01:00:28,610

just because a very seal but yeah very

1341

01:00:33,670 --> 01:00:30,950

interesting group of characters Tatum's

1342

01:00:36,220 --> 01:00:33,680

interesting stories and now and you know

1343

01:00:38,650 --> 01:00:36,230

what's so cool about gene chip Tatum is

1344

01:00:42,340 --> 01:00:38,660

the fact that he is your quintessential

1345

01:00:45,250 --> 01:00:42,350

ex-cia guy you know what he does now he

1346

01:00:48,070 --> 01:00:45,260

runs a yacht harbor in Ecuador and he

1347

01:00:51,190 --> 01:00:48,080

sits on the beach drinking mojitos or

1348

01:00:53,620 --> 01:00:51,200

whatever these guys drink in his print

1349

01:00:56,590 --> 01:00:53,630

shirt with the sunglasses on and I can

1350

01:00:59,700 --> 01:00:56,600

guarantee you that the other 40 guys

1351

01:01:04,270 --> 01:00:59,710

sitting there that at that bar on that

1352

01:01:06,100 --> 01:01:04,280

waterfront are all ex-cia guys do so if

1353

01:01:10,000 --> 01:01:06,110

you want to have a real experience of

1354

01:01:12,070 --> 01:01:10,010

life go down to Tatum's it's got this

1355

01:01:15,040 --> 01:01:12,080

little yacht harbor he's got down there

1356

01:01:17,110 --> 01:01:15,050

so in Ecuador yeah a real trip I'm

1357

01:01:20,560 --> 01:01:17,120

telling you you want to live the spice

1358

01:01:23,710 --> 01:01:20,570

life go meet Jean so there you go anyhow

1359

01:01:27,160 --> 01:01:23,720

so we're back here with Dean a Dean yeah

1360

01:01:28,420 --> 01:01:27,170

where did that come from dan dan dance

1361

01:01:30,070 --> 01:01:28,430

with me Dan Willis

1362

01:01:31,990 --> 01:01:30,080

you've reached the high fashion hotline

1363

01:01:33,910 --> 01:01:32,000

hi my family's ready to embrace that

1364

01:01:36,130 --> 01:01:33,920

whole new year new you thing I don't

1365

01:01:37,660 --> 01:01:36,140

work out closer so last year old us get

1366

01:01:40,540 --> 01:01:37,670

to old Navy now old Navy

1367

01:01:43,060 --> 01:01:40,550

yep right now get up to 50% off all old

1368

01:01:44,500 --> 01:01:43,070

AV active styles all up to 50% off new

1369

01:01:46,030 --> 01:01:44,510

me likes the sound of that active

1370

01:01:48,250 --> 01:01:46,040

bottoms started just 15 bucks for adults

1371

01:01:49,750 --> 01:01:48,260

12 bucks for kids with tops from 7 bucks

1372

01:01:51,730 --> 01:01:49,760

for adults 6 bucks for kids at Old Navy

1373

01:01:53,230 --> 01:01:51,740

an old Navy comm but hurry it ends soon

1374

01:01:55,120 --> 01:01:53,240

that's one resolution we can actually

1375

01:01:57,730 --> 01:01:55,130

keep we're going to Old Navy now high

1376

01:01:59,980 --> 01:01:57,740

fashioned old navy valid 141 10 excludes

1377

01:02:02,260 --> 01:01:59,990

in-store clearance and Dan give

1378

01:02:06,070 --> 01:02:02,270

everybody both websites would you please

1379

01:02:08,350 --> 01:02:06,080

do that for me oh well I have only have

1380

01:02:11,320 --> 01:02:08,360

one website you know let's associate it

1381

01:02:13,800 --> 01:02:11,330

with it which is we should talk about

1382

01:02:20,570 --> 01:02:13,810

the Marcille vogel one to the

1383

01:02:26,609 --> 01:02:20,580

dream Hilary's sure okay ww-wait Rick

1384

01:02:30,180 --> 01:02:26,619

net and I also used to do some research

1385

01:02:32,790 --> 01:02:30,190

work with interface of geometry and

1386

01:02:36,000 --> 01:02:32,800

consciousness with dr. Marcel Vogel and

1387

01:02:38,930 --> 01:02:36,010

I set up a page of just a free resource

1388

01:02:44,250 --> 01:02:38,940

page on his research

1389

01:02:47,310 --> 01:02:44,260

Marcel Vogel dot-org you know because

1390

01:02:53,880 --> 01:02:47,320

consciousness does play in with all of

1391

01:02:59,520 --> 01:02:53,890

this line isn't it yeah yeah well yes

1392

01:03:01,770 --> 01:02:59,530

and you know I think oh my god what an

1393

01:03:05,460 --> 01:03:01,780

upliftment for the whole world you know

1394

01:03:08,640 --> 01:03:05,470

if these influences that have been

1395

01:03:10,589 --> 01:03:08,650

creating these false flags you know such

1396

01:03:13,530 --> 01:03:10,599

as gulf of tonkin so I didn't have to go

1397

01:03:15,680 --> 01:03:13,540

to Vietnam and combat action back in you

1398

01:03:19,680 --> 01:03:15,690

know 1969-70

1399

01:03:25,980 --> 01:03:19,690

the 911 you know all these people people

1400

01:03:29,420 --> 01:03:25,990

suffering and starving and minoo and and

1401

01:03:32,250 --> 01:03:29,430

the pollution and the and the the

1402

01:03:33,960 --> 01:03:32,260

radiation and the oceans you know and

1403

01:03:37,560 --> 01:03:33,970

all the dark gloomy stuff and you know

1404

01:03:39,540 --> 01:03:37,570

the vaccines and and the fluoride in the

1405

01:03:41,400 --> 01:03:39,550

water and the chemtrails and the GMOs

1406

01:03:44,700 --> 01:03:41,410

and on and on and on and on all the

1407

01:03:50,339 --> 01:03:44,710

stuff that the the Cabal has been doing

1408

01:03:56,210 --> 01:03:50,349

to the people of Earth may be coming to

1409

01:04:01,859 --> 01:03:59,460

thing ever I know and here's my real

1410

01:04:04,320 --> 01:04:01,869

question for you though is will you be

1411

01:04:07,620 --> 01:04:04,330

able to wake up one day and just go god

1412

01:04:09,630 --> 01:04:07,630

it's all over and but what you know

1413

01:04:12,359 --> 01:04:09,640

what's our role at that point I mean

1414

01:04:13,800 --> 01:04:12,369

we've been kind of like the the silent

1415

01:04:15,270 --> 01:04:13,810

whistleblowers because we're the ones

1416

01:04:17,700 --> 01:04:15,280

that aren't the you know in the

1417

01:04:20,280 --> 01:04:17,710

situation as a true whistleblower but

1418

01:04:21,690 --> 01:04:20,290

we're here whistleblowing for everybody

1419

01:04:23,790 --> 01:04:21,700

right I mean we've been doing this for

1420

01:04:26,430 --> 01:04:23,800

years right I mean this is what we've

1421

01:04:26,980 --> 01:04:26,440

been doing so when it's all over what is

1422

01:04:28,750 --> 01:04:26,990

our role

1423

01:04:31,780 --> 01:04:28,760

gonna be are we gonna be able to help

1424

01:04:33,100 --> 01:04:31,790

people rebuild their consciousness to a

1425

01:04:36,640 --> 01:04:33,110

point you know I've been trying to

1426

01:04:38,950 --> 01:04:36,650

figure out what this is turning into for

1427

01:04:40,630 --> 01:04:38,960

all of us out there that have been you

1428

01:04:42,220 --> 01:04:40,640

know standing there on the street corner

1429

01:04:45,000 --> 01:04:42,230

screaming at the top of our lungs the

1430

01:04:47,620 --> 01:04:45,010

sky is falling and it really is right

1431

01:04:50,080 --> 01:04:47,630

yeah you know this is wonderful what you

1432

01:04:52,660 --> 01:04:50,090

brought up think how powerful that is if

1433

01:04:54,490 --> 01:04:52,670

all the listeners just imagine and their

1434

01:04:57,220 --> 01:04:54,500

imagination what they would be like they

1435

01:05:00,880 --> 01:04:57,230

wake up one morning look in the skies

1436

01:05:03,700 --> 01:05:00,890

there's no chemtrails there's millions

1437

01:05:05,590 --> 01:05:03,710

of millions of jobs being created and

1438

01:05:07,780 --> 01:05:05,600

create these little energy devices at

1439

01:05:11,050 --> 01:05:07,790

every home and business it'll be able to

1440

01:05:13,630 --> 01:05:11,060

have and retrofit their vehicles so they

1441

01:05:16,780 --> 01:05:13,640

run on water before it transitions into

1442

01:05:18,520 --> 01:05:16,790

you know electric or anti-gravity

1443

01:05:20,020 --> 01:05:18,530

something much more efficient than the

1444

01:05:22,300 --> 01:05:20,030

internal combustion engine

1445

01:05:24,160 --> 01:05:22,310

all these electrical wires and

1446

01:05:29,320 --> 01:05:24,170

everything ball being taken down and

1447

01:05:32,109 --> 01:05:29,330

recycled that that you know everybody

1448

01:05:34,420 --> 01:05:32,119

able to have food growing operations so

1449

01:05:37,570 --> 01:05:34,430

that all these energy devices can

1450

01:05:42,870 --> 01:05:37,580

desalinate the oceans and they even have

1451

01:05:46,180 --> 01:05:42,880

classified and you know remediate

1452

01:05:48,130 --> 01:05:46,190

radiation they have these technologies

1453

01:05:49,750 --> 01:05:48,140

that can remediate the radiation that's

1454

01:05:52,390 --> 01:05:49,760

in the oceans

1455

01:05:56,790 --> 01:05:52,400

you know there's across the board in in

1456

01:06:00,010 --> 01:05:56,800

medical and genetics in in

1457

01:06:02,830 --> 01:06:00,020

transportation you know you know you can

1458

01:06:04,870 --> 01:06:02,840

imagine trillions and trillions of

1459

01:06:07,720 --> 01:06:04,880

dollars with some of the most brightest

1460

01:06:11,380 --> 01:06:07,730

minds on the planet with unlimited

1461

01:06:13,800 --> 01:06:11,390

resources and and information that's not

1462

01:06:17,109 --> 01:06:13,810

like what we get you know in our

1463

01:06:21,340 --> 01:06:17,119

education and stuff what they have been

1464

01:06:24,430 --> 01:06:21,350

able to achieve in decades being coming

1465

01:06:30,599 --> 01:06:24,440

to the surface so that everyone on this

1466

01:06:34,120 --> 01:06:30,609

planet has has the ability to you know

1467

01:06:37,180 --> 01:06:34,130

benefit and the whole world you know as

1468

01:06:40,280 --> 01:06:37,190

far as the environment goes and

1469

01:06:43,100 --> 01:06:40,290

everything I mean imagine

1470

01:06:45,980 --> 01:06:43,110

that when you watch the news you can

1471

01:06:48,560 --> 01:06:45,990

actually feel that you know someone's

1472

01:06:51,020 --> 01:06:48,570

not actually manipulating it behind the

1473

01:06:55,910 --> 01:06:51,030

scenes to engineer your consent to give

1474

01:06:57,950 --> 01:06:55,920

you a particular perception they're

1475

01:07:01,520 --> 01:06:57,960

actually telling you the truth of what's

1476

01:07:03,860 --> 01:07:01,530

going on and it's a very it's a the

1477

01:07:07,220 --> 01:07:03,870

positive message you know if everybody

1478

01:07:09,860 --> 01:07:07,230

started visualizing that that goes out

1479

01:07:11,780 --> 01:07:09,870

to the collective consciousness and apps

1480

01:07:14,870 --> 01:07:11,790

form that reality and the secret

1481

01:07:17,330 --> 01:07:14,880

societies know that yeah that that's the

1482

01:07:21,950 --> 01:07:17,340

secret that's that's the real secret of

1483

01:07:24,710 --> 01:07:21,960

the secret societies is that we are all

1484

01:07:27,020 --> 01:07:24,720

magicians everything we think we can

1485

01:07:27,560 --> 01:07:27,030

create you know people tell me all the

1486

01:07:29,510 --> 01:07:27,570

time

1487

01:07:32,180 --> 01:07:29,520

oh you manifested that rabbit when you

1488

01:07:34,300 --> 01:07:32,190

were a kid and I manifested a lot more

1489

01:07:37,910 --> 01:07:34,310

things I've never told anybody about and

1490

01:07:41,060 --> 01:07:37,920

the reason I can do it is because I

1491

01:07:43,880 --> 01:07:41,070

absolutely believe it in my head the

1492

01:07:46,970 --> 01:07:43,890

minute you you believe it's yours in

1493

01:07:49,910 --> 01:07:46,980

your head it it materializes it's just a

1494

01:07:52,100 --> 01:07:49,920

strangest thing I and and they know that

1495

01:07:55,010 --> 01:07:52,110

you're absolutely right and this that

1496

01:07:57,650 --> 01:07:55,020

the Luciferians and the evil ones know

1497

01:07:59,840 --> 01:07:57,660

that as well and that is something they

1498

01:08:01,490 --> 01:07:59,850

all teach their children and this is

1499

01:08:03,500 --> 01:08:01,500

something we're never taught we're never

1500

01:08:06,650 --> 01:08:03,510

taught that our brain is that powerful

1501

01:08:09,290 --> 01:08:06,660

that we are that powerful and they are

1502

01:08:11,900 --> 01:08:09,300

you know it's it's very interesting to

1503

01:08:14,480 --> 01:08:11,910

me to have met some of the children of

1504

01:08:16,520 --> 01:08:14,490

these Illuminati characters and you find

1505

01:08:19,490 --> 01:08:16,530

out that they know all about it and if

1506

01:08:22,220 --> 01:08:19,500

they're part of the upper crust of that

1507

01:08:24,349 --> 01:08:22,230

group they're very narcissistic they're

1508

01:08:26,660 --> 01:08:24,359

very they're sociopaths they're you know

1509

01:08:28,670 --> 01:08:26,670

whatever but they believe in their power

1510

01:08:30,200 --> 01:08:28,680

that is one thing you'll never take away

1511

01:08:32,599 --> 01:08:30,210

from them they absolutely believe that

1512

01:08:34,640 --> 01:08:32,609

they they can do anything they want and

1513

01:08:37,099 --> 01:08:34,650

they usually do you know and they get

1514

01:08:38,750 --> 01:08:37,109

what they want by whatever means it

1515

01:08:40,280 --> 01:08:38,760

takes to get it and they're taught that

1516

01:08:42,530 --> 01:08:40,290

now I'm not saying that's the right

1517

01:08:44,120 --> 01:08:42,540

thing I'm saying if you use that for

1518

01:08:46,490 --> 01:08:44,130

good it's just like you were talking

1519

01:08:48,140 --> 01:08:46,500

about imagine what kind of beautiful

1520

01:08:51,020 --> 01:08:48,150

world may be living in right now would

1521

01:08:54,269 --> 01:08:51,030

it be amazing you know it's examine

1522

01:08:58,950 --> 01:08:54,279

beings need truth and freedom

1523

01:09:01,170 --> 01:08:58,960

in order to in order to evolve yeah oh

1524

01:09:03,660 --> 01:09:01,180

absolutely you know what I think John

1525

01:09:07,559 --> 01:09:03,670

Lennon was killed because of one thing

1526  
01:09:11,670 --> 01:09:07,569  
his song imagined because it told you

1527  
01:09:14,160 --> 01:09:11,680  
everything in that song you made that

1528  
01:09:17,760 --> 01:09:14,170  
song as if you imagined everything being

1529  
01:09:19,680 --> 01:09:17,770  
that way it will be one it will be and I

1530  
01:09:21,539 --> 01:09:19,690  
think they with the minute he said that

1531  
01:09:23,340 --> 01:09:21,549  
and put it in a song and millions and

1532  
01:09:26,010 --> 01:09:23,350  
millions of people got that download

1533  
01:09:27,870 --> 01:09:26,020  
into their head I think the the evil

1534  
01:09:30,150 --> 01:09:27,880  
went okay that's it who's the next

1535  
01:09:32,190 --> 01:09:30,160  
mind-control guy we got let's let's send

1536  
01:09:34,440 --> 01:09:32,200  
him over there to shoot him you know was

1537  
01:09:40,579 --> 01:09:34,450  
that challenge lots of evidence that

1538  
01:09:49,789 --> 01:09:44,390

yeah yeah it was totally a mind control

1539

01:10:00,270 --> 01:09:58,620

his name just like Robert Kennedy was

1540

01:10:05,430 --> 01:10:00,280

Sirhan Sirhan you know it's interesting

1541

01:10:07,680 --> 01:10:05,440

yeah yeah there's this hypnotist Darren

1542

01:10:09,630 --> 01:10:07,690

brown over in UK that proves that you

1543

01:10:10,980 --> 01:10:09,640

can create a Manchurian Kanak somebody

1544

01:10:14,970 --> 01:10:10,990

who's not a killer or something like

1545

01:10:18,120 --> 01:10:14,980

that you have a trigger well the trigger

1546

01:10:19,860 --> 01:10:18,130

he used was a girl in a theater walked

1547

01:10:23,310 --> 01:10:19,870

in front of him with a polka dot dress

1548

01:10:26,160 --> 01:10:23,320

the polka dot dress the polka dots was

1549

01:10:28,200 --> 01:10:26,170

that is the trigger executed the program

1550

01:10:29,760 --> 01:10:28,210

he shot the person on the stage you know

1551

01:10:32,790 --> 01:10:29,770

with the blanks of course he didn't

1552

01:10:36,000 --> 01:10:32,800

realize it was a blank and what's

1553

01:10:38,460 --> 01:10:36,010

interesting is that Robert Kennedy's

1554

01:10:41,040 --> 01:10:38,470

assassination a woman ran out on the

1555

01:10:43,860 --> 01:10:41,050

fire escape and was yelling we killed

1556

01:10:48,170 --> 01:10:43,870

him we killed Kennedy you know and she

1557

01:10:51,030 --> 01:10:48,180

was wearing a polka dot dress absolutely

1558

01:10:52,800 --> 01:10:51,040

and it was Mark David Chapman who killed

1559

01:11:01,260 --> 01:10:52,810

lemons so there we go

1560

01:11:03,390 --> 01:11:01,270

I didn't forget you know know what

1561

01:11:04,680 --> 01:11:03,400

happened you know it's like he doesn't

1562

01:11:06,750 --> 01:11:04,690

know what happened because you know

1563

01:11:08,040 --> 01:11:06,760

William pepper I've interviewed William

1564

01:11:11,550 --> 01:11:08,050

pepper several times

1565

01:11:14,760 --> 01:11:11,560

and I am trying my darndest to help him

1566

01:11:16,340 --> 01:11:14,770

and their legal team is trying to get

1567

01:11:20,790 --> 01:11:16,350

him out of prison

1568

01:11:21,780 --> 01:11:20,800

they denied him parole and did check

1569

01:11:25,380 --> 01:11:21,790

this out Dan

1570

01:11:28,740 --> 01:11:25,390

the last time he had parole the guy that

1571

01:11:30,030 --> 01:11:28,750

he shot Brady or Bradley I can't

1572

01:11:33,810 --> 01:11:30,040

remember his name

1573

01:11:38,310 --> 01:11:33,820

Sirhan actually shot him and he went

1574

01:11:41,940 --> 01:11:38,320

into the parole hearing this last year

1575

01:11:44,790 --> 01:11:41,950

and said he did not shoot RFK

1576

01:11:47,310 --> 01:11:44,800

I know because he only shot me and I was

1577

01:11:49,680 --> 01:11:47,320

watching him the whole time he didn't

1578

01:11:53,580 --> 01:11:49,690

even get his gun off in that direction

1579

01:11:56,880 --> 01:11:53,590

to shoot him yeah they probably have

1580

01:12:00,720 --> 01:11:56,890

backup yeah well what they've they

1581

01:12:02,520 --> 01:12:00,730

proven and what his is it on the Gucci

1582

01:12:04,590 --> 01:12:02,530

god I can't remember the coroner's name

1583

01:12:08,040 --> 01:12:04,600

right now he was the famous coroner who

1584

01:12:11,130 --> 01:12:08,050

did Marilyn Monroe and J RFK and you

1585

01:12:14,730 --> 01:12:11,140

know all the stars this was his last

1586

01:12:18,330 --> 01:12:14,740

case he resigned after this because the

1587

01:12:22,200 --> 01:12:18,340

ballistic evidence for Sirhan is that he

1588

01:12:24,660 --> 01:12:22,210

never shot J RFK that he was shot from

1589

01:12:28,050 --> 01:12:24,670

behind and he was shot right behind the

1590

01:12:29,970 --> 01:12:28,060

ear the muzzle flash left all the

1591

01:12:31,860 --> 01:12:29,980

residue behind his ear so it was very

1592

01:12:34,110 --> 01:12:31,870

close they said it was image within

1593

01:12:37,140 --> 01:12:34,120

three to six inches of his the back of

1594

01:12:42,330 --> 01:12:37,150

his head and he's also shot under the

1595

01:12:44,880 --> 01:12:42,340

shoulder or armpit from the back so tell

1596

01:12:47,430 --> 01:12:44,890

me how Sirhan Sirhan even got you know

1597

01:12:52,020 --> 01:12:47,440

killed this guy there's no way you know

1598

01:12:53,730 --> 01:12:52,030

and also Bradley after he shot him he

1599

01:12:56,820 --> 01:12:53,740

grabbed his arm and he pushed it

1600

01:12:59,460 --> 01:12:56,830

straight up so he was shooting into the

1601

01:13:03,900 --> 01:12:59,470

ceiling those last rounds that he shot

1602

01:13:05,640 --> 01:13:03,910

so you know and can you imagine being on

1603

01:13:08,400 --> 01:13:05,650

that parole board what are they paying

1604

01:13:10,530 --> 01:13:08,410

those guys to keep him in prison when

1605

01:13:18,690 --> 01:13:10,540

there's all this evidence out there that

1606

01:13:20,220 --> 01:13:18,700

he didn't do it well yeah the the you

1607

01:13:21,200 --> 01:13:20,230

know the deep states keeping him in

1608

01:13:24,620 --> 01:13:21,210

prison you know

1609

01:13:27,350 --> 01:13:24,630

so I mean you know they must be getting

1610

01:13:30,200 --> 01:13:27,360

that I I laugh every year he goes up for

1611

01:13:32,900 --> 01:13:30,210

parole I start laughing I go well that

1612

01:13:35,000 --> 01:13:32,910

lady parole officer now we should be

1613

01:13:37,880 --> 01:13:35,010

looking into where she's getting a yacht

1614

01:13:41,920 --> 01:13:37,890

a vacation you know \$100 hundred

1615

01:13:45,350 --> 01:13:41,930

thousand dollar bonus we should start

1616

01:13:46,790 --> 01:13:45,360

Ruby you know he said I'm not stupid you

1617

01:13:49,340 --> 01:13:46,800

know I know I'm a dead man

1618

01:13:52,640 --> 01:13:49,350

and he died you know fast-acting cancer

1619

01:13:54,650 --> 01:13:52,650

within a month after that and you know

1620

01:13:56,810 --> 01:13:54,660

they had the CIA guy you know he's about

1621

01:13:59,330 --> 01:13:56,820

the coroner that Marilyn Monroe you know

1622

01:14:03,530 --> 01:13:59,340

that he came out and confessed that you

1623

01:14:06,320 --> 01:14:03,540

know he he murdered Marilyn and that you

1624

01:14:09,260 --> 01:14:06,330

know the the wiretap by the CIA that

1625

01:14:12,170 --> 01:14:09,270

signed by James Jesus angleton right

1626

01:14:16,209 --> 01:14:12,180

we're fully aware of the other next I

1627

01:14:18,500 --> 01:14:16,219

think it's a very next or like two days

1628

01:14:21,290 --> 01:14:18,510

before she was going to give a press

1629

01:14:23,090 --> 01:14:21,300

conference about the president talking

1630

01:14:26,420 --> 01:14:23,100

about things from outer space and all

1631

01:14:28,880 --> 01:14:26,430

this you know they had to take her out a

1632

01:14:31,670 --> 01:14:28,890

lot of people have been been taken out

1633

01:14:34,040 --> 01:14:31,680

in order to keep the lie going oh yeah

1634

01:14:36,650 --> 01:14:34,050

it's just it's remarkable to me what's

1635

01:14:41,420 --> 01:14:36,660

even more remarkable to me is that so

1636

01:14:43,490 --> 01:14:41,430

few people believe it you know it's hard

1637

01:14:45,229 --> 01:14:43,500

to believe you know my father used to

1638

01:14:47,090 --> 01:14:45,239

watch you know it was like everybody be

1639

01:14:59,000 --> 01:14:47,100

quiet you know it's Walter Cronkite on

1640

01:15:01,250 --> 01:14:59,010

the television you know and I did too

1641

01:15:03,740 --> 01:15:01,260

you know and then my parents knew

1642

01:15:06,170 --> 01:15:03,750

believed over every word of it my my

1643

01:15:08,690 --> 01:15:06,180

father was you know career marine and

1644

01:15:13,250 --> 01:15:08,700

American flag out all the time and you

1645

01:15:19,190 --> 01:15:13,260

know all this stuff and you know I think

1646

01:15:20,900 --> 01:15:19,200

our military deserves you know I think

1647

01:15:23,300 --> 01:15:20,910

it's the most incredible thing if the

1648

01:15:29,390 --> 01:15:23,310

White House takeover because it's really

1649

01:15:32,180 --> 01:15:29,400

you know people like Henry Kissinger

1650

01:15:35,010 --> 01:15:32,190

saying you know that military men are

1651  
01:15:37,050 --> 01:15:35,020  
just dumb stupid animals to be used in

1652  
01:15:39,090 --> 01:15:37,060  
Bonz you know for things like that you

1653  
01:15:42,000 --> 01:15:39,100  
know it's like such a disservice to our

1654  
01:15:44,910 --> 01:15:42,010  
military to send them out on these false

1655  
01:15:46,430 --> 01:15:44,920  
flag wars for political gain and a lot

1656  
01:15:48,900 --> 01:15:46,440  
of times it's you know they keep the

1657  
01:15:51,120 --> 01:15:48,910  
keep the drugs running like they were in

1658  
01:15:53,040 --> 01:15:51,130  
out of Vietnam you know shooting other

1659  
01:15:55,530 --> 01:15:53,050  
than Afghanistan you know because they

1660  
01:15:58,980 --> 01:15:55,540  
make a lot of money through these other

1661  
01:16:01,380 --> 01:15:58,990  
avenues as well these unaccounted uh you

1662  
01:16:03,960 --> 01:16:01,390  
know into these these black operations

1663  
01:16:07,860 --> 01:16:03,970

yeah you know this is what I heard from

1664

01:16:10,770 --> 01:16:07,870

the several CIA xca guys and I know now

1665

01:16:13,320 --> 01:16:10,780

I know several now which I laughingly

1666

01:16:16,200 --> 01:16:13,330

admit and Jean always laughs that I get

1667

01:16:18,000 --> 01:16:16,210

he gets to be my major CIA guy but what

1668

01:16:19,350 --> 01:16:18,010

I've heard from all of these guys at

1669

01:16:21,390 --> 01:16:19,360

different points they said Lauren don't

1670

01:16:24,030 --> 01:16:21,400

you know the CIA made so much money

1671

01:16:26,070 --> 01:16:24,040

during Vietnam that it was a great

1672

01:16:29,610 --> 01:16:26,080

resource for the beginning of the

1673

01:16:31,590 --> 01:16:29,620

blackops secret space program and all

1674

01:16:34,020 --> 01:16:31,600

those underground bases you know about

1675

01:16:36,900 --> 01:16:34,030

and all that stuff they said we had a

1676

01:16:39,210 --> 01:16:36,910

hand in that too and I'm like really the

1677

01:16:40,890 --> 01:16:39,220

CIA did I never believed that before I

1678

01:16:42,630 --> 01:16:40,900

you know I even when they told me I

1679

01:16:44,190 --> 01:16:42,640

didn't believe it I'm still kind of

1680

01:16:45,810 --> 01:16:44,200

shaking my head about it because I

1681

01:16:48,870 --> 01:16:45,820

thought it was all military doing all

1682

01:16:50,580 --> 01:16:48,880

that but you know what after finding out

1683

01:16:53,340 --> 01:16:50,590

that they were drug running and gun

1684

01:16:54,780 --> 01:16:53,350

running and cocaine into LA and you know

1685

01:16:57,300 --> 01:16:54,790

all the things they've done over the

1686

01:17:00,090 --> 01:16:57,310

years you know the octopus and the whole

1687

01:17:03,210 --> 01:17:00,100

nine yards about what was going on in in

1688

01:17:06,690 --> 01:17:03,220

Los Angeles I mean I believe anything

1689

01:17:08,790 --> 01:17:06,700

now honestly yeah and the 58,000 young

1690

01:17:12,690 --> 01:17:08,800

guys that lost their lives because of

1691

01:17:15,570 --> 01:17:12,700

that lie that you know LBJ and you know

1692

01:17:18,600 --> 01:17:15,580

Kennedy was trying to get us off off the

1693

01:17:21,120 --> 01:17:18,610

federal reserve out of Vietnam and as

1694

01:17:23,700 --> 01:17:21,130

soon as he was murdered LBJ switched

1695

01:17:25,860 --> 01:17:23,710

everything around escalated the war was

1696

01:17:28,320 --> 01:17:25,870

on the phone with McNamara talking about

1697

01:17:32,880 --> 01:17:28,330

a contrived threat you know using the

1698

01:17:34,830 --> 01:17:32,890

gulf of tonkin and you know it's this

1699

01:17:38,400 --> 01:17:34,840

kind of this kind of stuff has got to

1700

01:17:42,150 --> 01:17:38,410

stop you know I was like you know no

1701

01:17:44,520 --> 01:17:42,160

more false flags you know are you see I

1702

01:17:48,630 --> 01:17:44,530

you know this is quite amazing I thought

1703

01:17:51,750 --> 01:17:48,640

about it he's been in office now for

1704

01:17:55,620 --> 01:17:51,760

is one two years now I want to trip in

1705

01:17:58,530 --> 01:17:55,630

an office now he started at the

1706

01:18:00,300 --> 01:17:58,540

beginning of seventeen so it's been one

1707

01:18:02,700 --> 01:18:00,310

year okay because I always forget that

1708

01:18:04,590 --> 01:18:02,710

they get elected in the even years and

1709

01:18:12,740 --> 01:18:04,600

start in the odd you know I always

1710

01:18:14,070 --> 01:18:12,750

forget that year yeah or January January

1711

01:18:16,260 --> 01:18:14,080

yeah

1712

01:18:18,300 --> 01:18:16,270

well anyhow point to this I'm trying to

1713

01:18:20,700 --> 01:18:18,310

say for the last year have you seen any

1714

01:18:27,020 --> 01:18:20,710

false flag operations take place I

1715

01:18:33,030 --> 01:18:30,360

big changes like 9/11 look what happened

1716

01:18:38,430 --> 01:18:33,040

with that were you know we had the

1717

01:18:40,110 --> 01:18:38,440

Patriot Act we had all these NDAA one

1718

01:18:42,720 --> 01:18:40,120

thing that people don't notice is that

1719

01:18:46,260 --> 01:18:42,730

you know Bush started the project

1720

01:18:52,110 --> 01:18:46,270

Bioshield virtually how these billions

1721

01:18:55,400 --> 01:18:52,120

of these unn unn confirmed vaccines made

1722

01:18:58,380 --> 01:18:55,410

for the public you know at all places

1723

01:19:05,280 --> 01:18:58,390

Heinrich Himmler's buy a weapons lab off

1724

01:19:06,750 --> 01:19:05,290

the coast of Germany you know so I mean

1725

01:19:09,540 --> 01:19:06,760

if you look at the pharmaceutical

1726

01:19:11,730 --> 01:19:09,550

companies that were tied in with it back

1727

01:19:16,220 --> 01:19:11,740

in the Nuremberg trials you know with

1728

01:19:18,810 --> 01:19:16,230

Bayer and IG Farben and you know the 13

1729

01:19:22,590 --> 01:19:18,820

pharmaceutical corporations that you

1730

01:19:26,480 --> 01:19:22,600

know Tompkins led on that they the Nazis

1731

01:19:29,040 --> 01:19:26,490

not only infiltrated the CIA and NASA

1732

01:19:31,530 --> 01:19:29,050

but they also infiltrated the

1733

01:19:38,760 --> 01:19:31,540

pharmaceutical industries which started

1734

01:19:42,000 --> 01:19:38,770

with they started with the trying to

1735

01:19:44,250 --> 01:19:42,010

think about scripts in San Diego and

1736

01:19:46,290 --> 01:19:44,260

then they started and they got all their

1737

01:19:48,230 --> 01:19:46,300

positions in the higher executive

1738

01:19:50,670 --> 01:19:48,240

positions of some of the mains

1739

01:19:52,820 --> 01:19:50,680

pharmaceutical companies and you know

1740

01:19:55,980 --> 01:19:52,830

you look at some of the stuff that's uh

1741

01:19:58,890 --> 01:19:55,990

you know I don't know like my my mother

1742

01:20:00,990 --> 01:19:58,900

got cured of cancer which the doctors

1743

01:20:02,400 --> 01:20:01,000

said she's gonna die if I took her for

1744

01:20:07,620 --> 01:20:02,410

nutritional therapy and she

1745

01:20:10,530 --> 01:20:07,630

to be in or 90s so stop stops stopped in

1746

01:20:13,410 --> 01:20:10,540

our you just did I hear you right you

1747

01:20:17,550 --> 01:20:13,420

your mother got cancer and you took care

1748

01:20:20,100 --> 01:20:17,560

of her and you didn't have to there was

1749

01:20:24,720 --> 01:20:20,110

a German nutritional Escala called max

1750

01:20:27,120 --> 01:20:24,730

Gerson I know about him yeah yeah I knew

1751  
01:20:30,300 --> 01:20:27,130  
his daughter well and she said that and

1752  
01:20:31,950 --> 01:20:30,310  
when he wrote his book he was writing a

1753  
01:20:34,590 --> 01:20:31,960  
cure for cancer he got strychnine

1754  
01:20:36,540 --> 01:20:34,600  
poisoning really heavy and almost killed

1755  
01:20:38,550 --> 01:20:36,550  
him and then when they finally got the

1756  
01:20:42,090 --> 01:20:38,560  
book published he was able to cure

1757  
01:20:44,520 --> 01:20:42,100  
himself he got really heavy dosage of

1758  
01:20:48,900 --> 01:20:44,530  
strychnine poisoning and it killed him

1759  
01:20:50,640 --> 01:20:48,910  
and his daughter Charlotte Gerson told

1760  
01:20:54,060 --> 01:20:50,650  
me that the American Cancer Society

1761  
01:21:00,540 --> 01:20:54,070  
published his death and they said they

1762  
01:21:03,390 --> 01:21:00,550  
died of cancer so yeah with my mother

1763  
01:21:05,640 --> 01:21:03,400

for example she had melanoma Kent they

1764

01:21:09,900 --> 01:21:05,650

want doctor want to remove her eye and

1765

01:21:13,110 --> 01:21:09,910

half of her face and I told her well I'm

1766

01:21:14,610 --> 01:21:13,120

I want to try this nutritional therapy

1767

01:21:16,080 --> 01:21:14,620

and the doctor said if you go down there

1768

01:21:18,810 --> 01:21:16,090

you're gonna die for sure

1769

01:21:21,660 --> 01:21:18,820

you're gonna die you know so I actually

1770

01:21:24,690 --> 01:21:21,670

spent time down there across the border

1771

01:21:26,910 --> 01:21:24,700

because only radiation pharmaceuticals

1772

01:21:30,930 --> 01:21:26,920

and surgery are legally allowed you

1773

01:21:33,360 --> 01:21:30,940

can't new and you know and that the the

1774

01:21:36,510 --> 01:21:33,370

pharmaceutical companies write the books

1775

01:21:39,600 --> 01:21:36,520

that the doctors learn and of the four

1776

01:21:43,470 --> 01:21:39,610

year you know medical school of the do

1777

01:21:47,190 --> 01:21:43,480

they they get less than 24 hours of the

1778

01:21:49,230 --> 01:21:47,200

entire thing on on nutrition you know

1779

01:21:50,880 --> 01:21:49,240

organic fruits and vegetables what kind

1780

01:21:53,190 --> 01:21:50,890

of an effect does that have on you you

1781

01:21:55,230 --> 01:21:53,200

know it's all about pushing the pills

1782

01:21:57,600 --> 01:21:55,240

that become pimps for the pharmaceutical

1783

01:21:59,790 --> 01:21:57,610

companies anywhere I stay down there I

1784

01:22:03,720 --> 01:21:59,800

have lots I happen to love carrot juice

1785

01:22:05,460 --> 01:22:03,730

so carrots and green drinks and shoes

1786

01:22:07,890 --> 01:22:05,470

have to do like animals that are

1787

01:22:09,360 --> 01:22:07,900

flushing the system out and a special

1788

01:22:12,090 --> 01:22:09,370

diet eliminating certain things

1789

01:22:14,690 --> 01:22:12,100

basically you starve the cancer use the

1790

01:22:16,550 --> 01:22:14,700

intelligence of the body to heal itself

1791

01:22:19,229 --> 01:22:16,560

people

1792

01:22:22,080 --> 01:22:19,239

level four cancer patient usually has

1793

01:22:25,979 --> 01:22:22,090

what a three or four percent survival

1794

01:22:28,229 --> 01:22:25,989

chance we're using regular medical down

1795

01:22:30,000 --> 01:22:28,239

there they were getting like I think

1796

01:22:32,700 --> 01:22:30,010

Isaac twenty eight percent you know

1797

01:22:34,350 --> 01:22:32,710

survive that and that's even after

1798

01:22:37,439 --> 01:22:34,360

they've gone through the chemotherapy

1799

01:22:39,240 --> 01:22:37,449

which is wiped her immune system and

1800

01:22:41,760 --> 01:22:39,250

gone through all the pharmaceuticals and

1801

01:22:43,530 --> 01:22:41,770

everything so people at the last when

1802

01:22:45,060 --> 01:22:43,540

the last thing when they given up they

1803

01:22:47,609 --> 01:22:45,070

know they're gonna die they go down they

1804

01:22:49,379 --> 01:22:47,619

try the alternative therapy and you know

1805

01:22:55,500 --> 01:22:49,389

many of them get healed some of them

1806

01:22:56,399 --> 01:22:55,510

it's too much damage and yeah yeah way

1807

01:23:00,000 --> 01:22:56,409

too late

1808

01:23:02,640 --> 01:23:00,010

because you know most doin it's actually

1809

01:23:04,470 --> 01:23:02,650

helping the cancer grow more people

1810

01:23:07,740 --> 01:23:04,480

understand once your immune system is

1811

01:23:10,200 --> 01:23:07,750

gone the cancer just goes rampant and I

1812

01:23:12,510 --> 01:23:10,210

think Dan here's my theory on this after

1813

01:23:14,430 --> 01:23:12,520

listening to all this for so many years

1814

01:23:15,840 --> 01:23:14,440

having so many friends with cancer so

1815

01:23:16,530 --> 01:23:15,850

many people dying that I know from

1816

01:23:18,660 --> 01:23:16,540

cancer

1817

01:23:21,689 --> 01:23:18,670

I think they tear down your immune

1818

01:23:24,479 --> 01:23:21,699

system so that they can slowly let the

1819

01:23:27,180 --> 01:23:24,489

cancer grow back and kill you and that

1820

01:23:29,340 --> 01:23:27,190

they can take the money yeah take the

1821

01:23:31,410 --> 01:23:29,350

money to Jing take the money out of you

1822

01:23:34,439 --> 01:23:31,420

as you're dying slowly over two to three

1823

01:23:37,919 --> 01:23:34,449

year period or sabbatical system is

1824

01:23:39,660 --> 01:23:37,929

basically corporations that you know the

1825

01:23:41,790 --> 01:23:39,670

whole system is set up keep those

1826

01:23:46,760 --> 01:23:41,800

hospital beds packed you know keep them

1827

01:23:49,410 --> 01:23:46,770

filled and you know like some of the

1828

01:23:52,320 --> 01:23:49,420

some of the drugs like I had an ulcer

1829

01:23:54,899 --> 01:23:52,330

one time and I say oh you just have to

1830

01:23:57,060 --> 01:23:54,909

keep taking this drug zantac and it will

1831

01:23:59,310 --> 01:23:57,070

you know what happens is if you stop

1832

01:24:02,100 --> 01:23:59,320

taking it your body reacts with it and

1833

01:24:04,530 --> 01:24:02,110

so it's kind of like one of those things

1834

01:24:08,910 --> 01:24:04,540

that if you get off of it something like

1835

01:24:11,399 --> 01:24:08,920

some of the psychoactive drugs you know

1836

01:24:14,640 --> 01:24:11,409

prozac and all the other other ones that

1837

01:24:17,340 --> 01:24:14,650

I I know some friends that over in UK

1838

01:24:19,410 --> 01:24:17,350

that you know they can't get off of it

1839

01:24:23,640 --> 01:24:19,420

they get suicidal thoughts you know they

1840

01:24:26,280 --> 01:24:23,650

they have to keep on it and you know

1841

01:24:28,950 --> 01:24:26,290

it's just when other words it's great

1842

01:24:30,060 --> 01:24:28,960

for making money you know but is it

1843

01:24:32,189 --> 01:24:30,070

really helping the

1844

01:24:33,810 --> 01:24:32,199

people you know and that that's one

1845

01:24:36,629 --> 01:24:33,820

thing I'd love to see you know working

1846

01:24:38,339 --> 01:24:36,639

with Marcel Vogel and seeing he work two

1847

01:24:41,640 --> 01:24:38,349

dozen medical doctors in the Bay Area

1848

01:24:44,609 --> 01:24:41,650

who had incredible incredible using

1849

01:24:47,600 --> 01:24:44,619

consciousness you know focus through you

1850

01:24:49,649 --> 01:24:47,610

know cut crystals that help amplify the

1851  
01:24:54,120 --> 01:24:49,659  
intention you know what they were doing

1852  
01:24:56,430 --> 01:24:54,130  
and it had amazing and I've seen mazing

1853  
01:24:58,890 --> 01:24:56,440  
things happen you know with it what your

1854  
01:25:00,810 --> 01:24:58,900  
consciousness can do and healing yeah

1855  
01:25:02,700 --> 01:25:00,820  
did you tell me that this woman brought

1856  
01:25:04,589 --> 01:25:02,710  
in her daughter and you guys put the

1857  
01:25:07,709 --> 01:25:04,599  
crystal on her oh yeah the first time I

1858  
01:25:09,720 --> 01:25:07,719  
ever win this bet yeah he the doctor and

1859  
01:25:13,410 --> 01:25:09,730  
I sitting on the couch and I Marcel

1860  
01:25:16,020 --> 01:25:13,420  
actually physically they materialized a

1861  
01:25:19,319 --> 01:25:16,030  
tumor that was protruding on it

1862  
01:25:21,300 --> 01:25:19,329  
basically we're a hologram that's being

1863  
01:25:23,520 --> 01:25:21,310

modulated from a higher dimensional

1864

01:25:27,030 --> 01:25:23,530

level from our higher self so what are

1865

01:25:33,030 --> 01:25:27,040

we going to call semantics you know that

1866

01:25:35,700 --> 01:25:33,040

consciousness is if you it's like if you

1867

01:25:40,140 --> 01:25:35,710

intervene at that higher level and

1868

01:25:45,089 --> 01:25:40,150

alleviate the the program so to speak

1869

01:25:47,160 --> 01:25:45,099

it's basically our a healthy program say

1870

01:25:49,890 --> 01:25:47,170

on the highest level is perfection we're

1871

01:25:52,500 --> 01:25:49,900

perfect all over and then what happens

1872

01:25:55,410 --> 01:25:52,510

as we come into this dimension or Carmen

1873

01:25:57,300 --> 01:25:55,420

whatever DNA and whatever makes us what

1874

01:25:59,819 --> 01:25:57,310

we are you know when you have a

1875

01:26:02,459 --> 01:25:59,829

distortion that happens EEZ even be an

1876

01:26:04,859 --> 01:26:02,469

injury you know like you get your leg

1877

01:26:08,689 --> 01:26:04,869

broken or something like that there is a

1878

01:26:11,510 --> 01:26:08,699

program that's impacted that's that's

1879

01:26:15,780 --> 01:26:11,520

replaying everything has a tendency to

1880

01:26:18,629 --> 01:26:15,790

perpetuate unless acted upon so we go in

1881

01:26:20,459 --> 01:26:18,639

there and restructure that that reality

1882

01:26:22,560 --> 01:26:20,469

is like pulling the rug out from under

1883

01:26:26,129 --> 01:26:22,570

it and all of a sudden the physical

1884

01:26:28,800 --> 01:26:26,139

reality doesn't doesn't correspond it's

1885

01:26:31,410 --> 01:26:28,810

like let's see there's a break Braden

1886

01:26:33,270 --> 01:26:31,420

was talking about the in Beijing they

1887

01:26:37,560 --> 01:26:33,280

had these three practitioners and you

1888

01:26:40,799 --> 01:26:37,570

could see the the tumor in the great big

1889

01:26:42,630 --> 01:26:40,809

thing on the had a fixed image and a and

1890

01:26:45,990 --> 01:26:42,640

a real-time image

1891

01:26:48,300 --> 01:26:46,000

and you could see they were imagining

1892

01:26:50,460 --> 01:26:48,310

that it was already healed it was

1893

01:26:53,250 --> 01:26:50,470

already done they were having a group

1894

01:26:55,980 --> 01:26:53,260

reality and they were chanting something

1895

01:26:57,840 --> 01:26:55,990

of the fact in Chinese of you know

1896

01:27:00,060 --> 01:26:57,850

already happened already done type of

1897

01:27:03,510 --> 01:27:00,070

thing and so when when enough people

1898

01:27:05,670 --> 01:27:03,520

believed in that in this case we has

1899

01:27:09,450 --> 01:27:05,680

three practitioners it actually

1900

01:27:12,380 --> 01:27:09,460

physically D materialized and this this

1901

01:27:15,650 --> 01:27:12,390

is consistent with how reality is

1902

01:27:18,960 --> 01:27:15,660

according to our belief reality is

1903

01:27:20,930 --> 01:27:18,970

affected yeah well you know that's

1904

01:27:23,250 --> 01:27:20,940

exactly what I was saying about

1905

01:27:26,370 --> 01:27:23,260

manifesting you know because I believe

1906

01:27:28,410 --> 01:27:26,380

it I you know that's how I do it that's

1907

01:27:32,160 --> 01:27:28,420

how the magician's do it that's how the

1908

01:27:34,950 --> 01:27:32,170

evil empire does it this is how this is

1909

01:27:37,320 --> 01:27:34,960

this is the secret to the universe and

1910

01:27:39,930 --> 01:27:37,330

everybody you just you've got to believe

1911

01:27:42,780 --> 01:27:39,940

it those that's the problem what they do

1912

01:27:46,110 --> 01:27:42,790

is they put enough fear doubt confusion

1913

01:27:48,660 --> 01:27:46,120

and lies with exactly as we're

1914

01:27:50,820 --> 01:27:48,670

developing so we never know what the

1915

01:27:52,470 --> 01:27:50,830

real pure truth is and that is just

1916

01:27:55,710 --> 01:27:52,480

connecting with your love and higher

1917

01:27:57,990 --> 01:27:55,720

source it's so simple it's ridiculous

1918

01:28:00,300 --> 01:27:58,000

but they keep you so confused you never

1919

01:28:02,640 --> 01:28:00,310

be able to figure it out and then throw

1920

01:28:09,600 --> 01:28:02,650

religion and on top of it then you're

1921

01:28:12,660 --> 01:28:09,610

really messed religion on top of it they

1922

01:28:15,780 --> 01:28:12,670

have full spectrum dominance over all of

1923

01:28:17,970 --> 01:28:15,790

our and that with the calculated

1924

01:28:20,880 --> 01:28:17,980

application of the all important

1925

01:28:22,680 --> 01:28:20,890

component of fear and terror see when a

1926

01:28:24,630 --> 01:28:22,690

person isn't fear they're not connected

1927

01:28:26,940 --> 01:28:24,640

with their higher self and people are

1928

01:28:29,640 --> 01:28:26,950

easily controlled that's why you see all

1929

01:28:32,190 --> 01:28:29,650

these you know all the merit of crime

1930

01:28:34,200 --> 01:28:32,200

dramas and every you know most of

1931

01:28:36,060 --> 01:28:34,210

Hollywood is nothing but you know people

1932

01:28:41,210 --> 01:28:36,070

killing and shooting at each other with

1933

01:28:45,210 --> 01:28:41,220

guns and so this reality is is is

1934

01:28:46,710 --> 01:28:45,220

normalized you know speaking of

1935

01:28:48,480 --> 01:28:46,720

normalizing reality it's interesting

1936

01:28:51,060 --> 01:28:48,490

that you're recording x-files you know

1937

01:28:53,670 --> 01:28:51,070

that one x-files episode it seems as

1938

01:28:55,620 --> 01:28:53,680

though me Hollywood media's must be

1939

01:28:57,930 --> 01:28:55,630

getting infiltrated because that one up

1940

01:29:00,419 --> 01:28:57,940

so that revealed the whole thing about

1941

01:29:03,450 --> 01:29:00,429

you know the NSA monitoring and about

1942

01:29:05,220 --> 01:29:03,460

Nazi Germany you know they basically

1943

01:29:10,919 --> 01:29:05,230

spilled the whole beans on that one

1944

01:29:14,010 --> 01:29:10,929

episode yeah well you know I thought

1945

01:29:17,970 --> 01:29:14,020

well are they are they are they letting

1946

01:29:20,490 --> 01:29:17,980

giving people these the white hats or

1947

01:29:24,780 --> 01:29:20,500

infiltrated in the Hollywood that are

1948

01:29:30,180 --> 01:29:24,790

giving people a heads up you know or you

1949

01:29:32,850 --> 01:29:30,190

know as a in the guise of fiction or are

1950

01:29:34,379 --> 01:29:32,860

they wanting to at first I was wondering

1951

01:29:37,320 --> 01:29:34,389

well maybe they're putting this out is

1952

01:29:40,169 --> 01:29:37,330

like and they're normalizing it you know

1953

01:29:41,850 --> 01:29:40,179

just like Hollywood normalizes all the

1954

01:29:44,340 --> 01:29:41,860

stuff that they put out and when I put

1955

01:29:46,890 --> 01:29:44,350

out some pretty you know horrific things

1956

01:29:50,580 --> 01:29:46,900

some of the stuff exactly just a really

1957

01:29:52,860 --> 01:29:50,590

horrific stuff so you know I wondered

1958

01:29:56,490 --> 01:29:52,870

that myself but what I really think it

1959

01:30:00,570 --> 01:29:56,500

is is I think that Chris Carter has had

1960

01:30:03,270 --> 01:30:00,580

an awakening I met Chris by happenstance

1961

01:30:06,930 --> 01:30:03,280

at the secret space program conference

1962

01:30:08,669 --> 01:30:06,940

in San Mateo California I thought he was

1963

01:30:12,240 --> 01:30:08,679

one of the guys that used to come to my

1964

01:30:14,070 --> 01:30:12,250

UFO conferences and it was halfway

1965

01:30:15,870 --> 01:30:14,080

through one of somebody's presentation

1966

01:30:19,110 --> 01:30:15,880

and he had run out to use the restroom

1967

01:30:20,550 --> 01:30:19,120

and he was crossing the grass and I kind

1968

01:30:22,020 --> 01:30:20,560

of walked up to him I said hey where you

1969

01:30:24,390 --> 01:30:22,030

been I haven't seen any of the meetings

1970

01:30:26,430 --> 01:30:24,400

and he's like oh you know I don't really

1971

01:30:31,709 --> 01:30:26,440

go to meetings and I'm like okay you

1972

01:30:33,629 --> 01:30:31,719

know what I'm talking Carter but I had

1973

01:30:35,580 --> 01:30:33,639

this nice little you know like okay well

1974

01:30:38,000 --> 01:30:35,590

you got to get to the next UFO con he's

1975

01:30:40,439 --> 01:30:38,010

like yeah yeah I probably should should

1976

01:30:42,149 --> 01:30:40,449

like you know this whole thing happens

1977

01:30:44,700 --> 01:30:42,159

and then I walk away and then a day

1978

01:30:46,620 --> 01:30:44,710

later I realize God I think that wasn't

1979

01:30:48,689 --> 01:30:46,630

my buddy and then I called a girlfriend

1980

01:30:53,010 --> 01:30:48,699

of mine just oh that was Chris Carter

1981

01:30:55,590 --> 01:30:53,020

from the x5 I'm like really yeah he was

1982

01:30:57,390 --> 01:30:55,600

pretty nice but I think he's had an

1983

01:30:59,640 --> 01:30:57,400

awakening because he was sitting at that

1984

01:31:02,820 --> 01:30:59,650

conference he was very you know he knew

1985

01:31:07,379 --> 01:31:02,830

what was right he knew all the players

1986

01:31:09,430 --> 01:31:07,389

he knew mark McCandlish was um who

1987

01:31:11,080 --> 01:31:09,440

Michael shrap was all the guys that

1988

01:31:14,350 --> 01:31:11,090

on all these crafts from the secret

1989

01:31:16,390 --> 01:31:14,360

space program and he had talked to them

1990

01:31:19,270 --> 01:31:16,400

at the conference and you know he just

1991

01:31:21,729 --> 01:31:19,280

seemed like a real UFO dude you know so

1992

01:31:24,010 --> 01:31:21,739

I was like okay so this guy's awake

1993

01:31:26,620 --> 01:31:24,020

you know so that's why I think we're

1994

01:31:28,930 --> 01:31:26,630

lucky enough to get stuff coming through

1995

01:31:31,510 --> 01:31:28,940

the x-files because Kris is awake and I

1996

01:31:33,340 --> 01:31:31,520

think he just does his own thing and to

1997

01:31:35,740 --> 01:31:33,350

be honest with you I think Hollywood

1998

01:31:38,020 --> 01:31:35,750

tolerates him because has he done

1999

01:31:41,110 --> 01:31:38,030

anything really since x-files think

2000

01:31:43,600 --> 01:31:41,120

about it not a whole lot some good

2001  
01:31:45,790 --> 01:31:43,610  
elements going on in Hollywood besides

2002  
01:31:48,100 --> 01:31:45,800  
the other elements and you know this

2003  
01:31:51,189 --> 01:31:48,110  
right you know even you know the Outer

2004  
01:31:53,770 --> 01:31:51,199  
Limits and Star Trek and Battlestar

2005  
01:31:56,229 --> 01:31:53,780  
Galactica all of this came out of office

2006  
01:32:01,030 --> 01:31:56,239  
in naval intelligence through Admiral

2007  
01:32:02,530 --> 01:32:01,040  
Leslie Stevens who was the contempt my

2008  
01:32:04,479 --> 01:32:02,540  
family's ready to embrace that whole new

2009  
01:32:06,490 --> 01:32:04,489  
year new you thing I don't work out

2010  
01:32:07,689 --> 01:32:06,500  
closer so last year old us get to old

2011  
01:32:10,660 --> 01:32:07,699  
Navy now old Navy

2012  
01:32:13,209 --> 01:32:10,670  
yep right now get up to 50% off all old

2013  
01:32:14,620 --> 01:32:13,219

navy active styles all up to 50% off new

2014

01:32:16,209 --> 01:32:14,630

me likes the sound of that active

2015

01:32:18,370 --> 01:32:16,219

bottoms started just 15 bucks for adults

2016

01:32:19,900 --> 01:32:18,380

12 bucks for kids with tops from 7 bucks

2017

01:32:22,060 --> 01:32:19,910

for adults 6 bucks for kids at Old Navy

2018

01:32:23,560 --> 01:32:22,070

an old Navy comm but hurry it ends soon

2019

01:32:25,270 --> 01:32:23,570

that's one resolution we can actually

2020

01:32:27,880 --> 01:32:25,280

keep we're going to Old Navy now high

2021

01:32:29,650 --> 01:32:27,890

fashion Old Navy valid 141 10 excludes

2022

01:32:30,370 --> 01:32:29,660

in-store clearance Rory with Admiral

2023

01:32:34,060 --> 01:32:30,380

Riccobono

2024

01:32:36,459 --> 01:32:34,070

who was with Nazis you know a spider

2025

01:32:38,410 --> 01:32:36,469

program that you know Tompkins was

2026

01:32:41,470 --> 01:32:38,420

involved with and he was giving it to

2027

01:32:46,120 --> 01:32:41,480

his son it was an often Leslie Stevens

2028

01:32:48,400 --> 01:32:46,130

Jr who was in office naval intelligence

2029

01:32:50,350 --> 01:32:48,410

and everything and he was the one that

2030

01:32:52,570 --> 01:32:50,360

was putting out you know I used to love

2031

01:32:55,020 --> 01:32:52,580

the old Outer Limits you know I had no

2032

01:32:57,939 --> 01:32:55,030

idea and then he gave Gene Roddenberry

2033

01:32:59,800 --> 01:32:57,949

basically the script you know for Star

2034

01:33:02,050 --> 01:32:59,810

Trek and notice that you know it's not

2035

01:33:05,500 --> 01:33:02,060

an Air Force general that's running the

2036

01:33:08,140 --> 01:33:05,510

enterprise it's admiral james t kirk so

2037

01:33:12,240 --> 01:33:08,150

you know here we have navel navel space

2038

01:33:15,640 --> 01:33:12,250

battle fleets and you know a lot of

2039

01:33:18,459 --> 01:33:15,650

concepts and ideas were put out you know

2040

01:33:22,540 --> 01:33:18,469

in the 60s and things to people's minds

2041

01:33:26,050 --> 01:33:22,550

that you know warp drives and

2042

01:33:28,660 --> 01:33:26,060

you know beam me up communicators that

2043

01:33:31,150 --> 01:33:28,670

you flip open and all these different

2044

01:33:34,090 --> 01:33:31,160

ideas and things like that

2045

01:33:37,150 --> 01:33:34,100

we're seeding you know the population

2046

01:33:39,970 --> 01:33:37,160

with with these concepts oh absolutely

2047

01:33:41,830 --> 01:33:39,980

and you know if you take it this is what

2048

01:33:44,680 --> 01:33:41,840

I've done I've taken the old Buck Rogers

2049

01:33:46,720 --> 01:33:44,690

series and I've looked at the technology

2050

01:33:50,560 --> 01:33:46,730

that was used in Buck Rogers and you

2051  
01:33:53,380 --> 01:33:50,570  
know and it's truly 1940s because they

2052  
01:33:58,750 --> 01:33:53,390  
talk on radios back in the Buck Rogers

2053  
01:34:01,150 --> 01:33:58,760  
series and and even Dick Tracy he had a

2054  
01:34:04,330 --> 01:34:01,160  
watch that you talked into which we have

2055  
01:34:07,120 --> 01:34:04,340  
now of course but it was more along the

2056  
01:34:10,570 --> 01:34:07,130  
lines of radio frequency type of talking

2057  
01:34:12,880 --> 01:34:10,580  
than it was a cellular phone and then

2058  
01:34:14,290 --> 01:34:12,890  
you get to Star Trek and then this thing

2059  
01:34:16,540 --> 01:34:14,300  
flips open and it's called a

2060  
01:34:19,030 --> 01:34:16,550  
communicator and it it's like

2061  
01:34:21,420 --> 01:34:19,040  
instantaneous communication without

2062  
01:34:23,590 --> 01:34:21,430  
having to worry about you know radio

2063  
01:34:25,990 --> 01:34:23,600

frequency or you know whatever I mean

2064

01:34:28,060 --> 01:34:26,000

it's done on a different principle at

2065

01:34:30,790 --> 01:34:28,070

least that's what I thought when I saw

2066

01:34:32,530 --> 01:34:30,800

the very first one okay so you're

2067

01:34:34,270 --> 01:34:32,540

already you're already being trained

2068

01:34:37,870 --> 01:34:34,280

that there is a different type of

2069

01:34:40,570 --> 01:34:37,880

communication than Rainey out okay so I

2070

01:34:42,760 --> 01:34:40,580

thought that was very intriguing that in

2071

01:34:46,270 --> 01:34:42,770

the 60s they were doing digital

2072

01:34:47,980 --> 01:34:46,280

communication or mental you know a close

2073

01:34:49,780 --> 01:34:47,990

to mental telepathy type of

2074

01:34:52,690 --> 01:34:49,790

communication in some of their episodes

2075

01:34:54,820 --> 01:34:52,700

too so anyhow I think they were

2076

01:34:58,510 --> 01:34:54,830

introducing us to what was really going

2077

01:34:59,890 --> 01:34:58,520

on with the the aliens at the time very

2078

01:35:01,450 --> 01:34:59,900

familiar with electromagnetic

2079

01:35:04,480 --> 01:35:01,460

communications you know it was a

2080

01:35:07,690 --> 01:35:04,490

broadcast engineer for many years and I

2081

01:35:10,470 --> 01:35:07,700

met with scientists that had this

2082

01:35:13,360 --> 01:35:10,480

technology that used a new form of

2083

01:35:15,100 --> 01:35:13,370

communication that you can have a very

2084

01:35:16,840 --> 01:35:15,110

small amount of power you can be on the

2085

01:35:19,300 --> 01:35:16,850

other side of the planet you don't need

2086

01:35:23,470 --> 01:35:19,310

a cellular system where you have to have

2087

01:35:26,290 --> 01:35:23,480

you know these hexagonal cellular areas

2088

01:35:28,660 --> 01:35:26,300

right driving and switches from one cell

2089

01:35:33,820 --> 01:35:28,670

tower to the other you don't have to

2090

01:35:34,609 --> 01:35:33,830

have this 2.4 gigahertz you know a lot

2091

01:35:37,250 --> 01:35:34,619

of

2092

01:35:38,919 --> 01:35:37,260

energy going into your brain which is

2093

01:35:41,149 --> 01:35:38,929

you know it's proving you know the

2094

01:35:43,790 --> 01:35:41,159

tumors on the right side of the brain

2095

01:35:46,640 --> 01:35:43,800

have just gone skyrocketed and you know

2096

01:35:48,830 --> 01:35:46,650

these things and you know next your

2097

01:35:53,000 --> 01:35:48,840

testicles you know makes it that works

2098

01:35:55,700 --> 01:35:53,010

for the eugenics groups you know there's

2099

01:35:57,950 --> 01:35:55,710

other technology that I would love to

2100

01:36:00,620 --> 01:35:57,960

see all these cell towers just taken

2101  
01:36:05,839 --> 01:36:00,630  
down I know they don't there's also you

2102  
01:36:08,780 --> 01:36:05,849  
know that colony collapse technology

2103  
01:36:11,080 --> 01:36:08,790  
that doesn't radiate that works more in

2104  
01:36:15,140 --> 01:36:11,090  
harmony with the physical biological

2105  
01:36:17,479 --> 01:36:15,150  
systems Tesla's system that's bouncing

2106  
01:36:19,550 --> 01:36:17,489  
off the atmosphere and using the the

2107  
01:36:21,919 --> 01:36:19,560  
atmosphere for communication is that

2108  
01:36:24,100 --> 01:36:21,929  
what you're actually talking about no no

2109  
01:36:27,919 --> 01:36:24,110  
no this uses this type of circular

2110  
01:36:31,040 --> 01:36:27,929  
polarization kind of a or Texel type of

2111  
01:36:34,820 --> 01:36:31,050  
I don't have all the information on it

2112  
01:36:36,649 --> 01:36:34,830  
but I just know that it it you could it

2113  
01:36:39,859 --> 01:36:36,659

hardly takes any power you can have

2114

01:36:41,839 --> 01:36:39,869

multiple channels incredible wide

2115

01:36:44,450 --> 01:36:41,849

bandwidth on it an incredible

2116

01:36:45,709 --> 01:36:44,460

signal-to-noise ratio you know I was

2117

01:36:48,439 --> 01:36:45,719

sitting down with these scientists

2118

01:36:50,060 --> 01:36:48,449

talking about it but you know I never

2119

01:36:54,890 --> 01:36:50,070

heard anything more of it you know it's

2120

01:36:57,350 --> 01:36:54,900

like the the the big cell conglomerates

2121

01:36:59,300 --> 01:36:57,360

you know Verizon AT&T like that they

2122

01:37:01,149 --> 01:36:59,310

have a huge amount of money into this

2123

01:37:03,649 --> 01:37:01,159

whole infrastructure and all these

2124

01:37:05,720 --> 01:37:03,659

billions and billions of cell phones I'm

2125

01:37:07,580 --> 01:37:05,730

just concerned about all the all the

2126  
01:37:09,229 --> 01:37:07,590  
children and things you know using them

2127  
01:37:12,830 --> 01:37:09,239  
I'm putting it up to their head and you

2128  
01:37:15,620 --> 01:37:12,840  
know talking for hours oh I know you

2129  
01:37:17,979 --> 01:37:15,630  
know I mean it was alternatives we need

2130  
01:37:22,550 --> 01:37:17,989  
to bring out these alternatives and

2131  
01:37:24,229 --> 01:37:22,560  
recycle the old and bring in the new you

2132  
01:37:26,540 --> 01:37:24,239  
know I can see a day where you know the

2133  
01:37:29,270 --> 01:37:26,550  
transitions happening where we do have a

2134  
01:37:31,879 --> 01:37:29,280  
lot of people working in jobs with every

2135  
01:37:34,910 --> 01:37:31,889  
home in business you know can disconnect

2136  
01:37:37,939 --> 01:37:34,920  
from the you know it's not gonna feed

2137  
01:37:39,800 --> 01:37:37,949  
the corporations anymore it's not going

2138  
01:37:42,260 --> 01:37:39,810

to feed the oil companies it's not going

2139

01:37:43,910 --> 01:37:42,270

to feed the nuclear power and coal

2140

01:37:46,310 --> 01:37:43,920

companies it's not going to feed the

2141

01:37:48,740 --> 01:37:46,320

cell carriers anymore it's going to be

2142

01:37:51,080 --> 01:37:48,750

more for Humanity on

2143

01:37:55,520 --> 01:37:51,090

whole this would be the new world that's

2144

01:37:58,220 --> 01:37:55,530

that's what I'm that's my and I see I

2145

01:38:01,160 --> 01:37:58,230

see indicators that there's a

2146

01:38:03,980 --> 01:38:01,170

possibility that this is gonna happen

2147

01:38:08,690 --> 01:38:03,990

but you know right after the December

2148

01:38:11,450 --> 01:38:08,700

16th mainstream media blitz you know dr.

2149

01:38:14,680 --> 01:38:11,460

Greer sent out a tweet everybody saying

2150

01:38:18,530 --> 01:38:14,690

you know a warning that this could be

2151  
01:38:21,020 --> 01:38:18,540  
you know the type of situation that

2152  
01:38:23,510 --> 01:38:21,030  
could be the the false flag with a hoax

2153  
01:38:25,310 --> 01:38:23,520  
daily and that you know which they you

2154  
01:38:28,910 --> 01:38:25,320  
know report from iron mountain revealed

2155  
01:38:31,070 --> 01:38:28,920  
they were planning on having continual

2156  
01:38:34,010 --> 01:38:31,080  
enemies and they were talked about you

2157  
01:38:36,920 --> 01:38:34,020  
know contriving a threat from outer

2158  
01:38:40,250 --> 01:38:36,930  
space this is back in 67 when von Braun

2159  
01:38:43,250 --> 01:38:40,260  
died in 77 he revealed that plan as well

2160  
01:38:44,960 --> 01:38:43,260  
you know so he and and they have this

2161  
01:38:49,400 --> 01:38:44,970  
had the stuff to pull it off

2162  
01:38:51,950 --> 01:38:49,410  
you know to obviously so you know

2163  
01:38:53,600 --> 01:38:51,960

there's there's that dark side of the

2164

01:38:55,850 --> 01:38:53,610

whole thing but you know what there's

2165

01:38:59,150 --> 01:38:55,860

too much of an awakening to many people

2166

01:39:03,620 --> 01:38:59,160

are like catching on a lot of people are

2167

01:39:06,110 --> 01:39:03,630

aware that there is a push with you know

2168

01:39:08,210 --> 01:39:06,120

the DeLong group and these air force

2169

01:39:13,370 --> 01:39:08,220

people to do like a limited disclosure

2170

01:39:15,980 --> 01:39:13,380

because you know the there could be

2171

01:39:18,880 --> 01:39:15,990

human trafficking oh you know what what

2172

01:39:22,130 --> 01:39:18,890

really shocked me was the whole

2173

01:39:25,130 --> 01:39:22,140

underground plant program Nazi Germany

2174

01:39:26,900 --> 01:39:25,140

had with with an empire of slaves is

2175

01:39:28,550 --> 01:39:26,910

what Heinrich Himmler wanted to have and

2176  
01:39:31,070 --> 01:39:28,560  
he did have you know all these

2177  
01:39:33,680 --> 01:39:31,080  
concentration camp victims working in

2178  
01:39:36,260 --> 01:39:33,690  
these plants and right after the war

2179  
01:39:38,780 --> 01:39:36,270  
here they bring our Xavier doors the

2180  
01:39:41,900 --> 01:39:38,790  
mastermind who designed and built all

2181  
01:39:44,870 --> 01:39:41,910  
those to build these starting in the in

2182  
01:39:47,750 --> 01:39:44,880  
New Mexico and they started branching

2183  
01:39:49,130 --> 01:39:47,760  
out you know as Phil Schneider is like a

2184  
01:39:51,980 --> 01:39:49,140  
hundred and thirty or some of these

2185  
01:39:54,410 --> 01:39:51,990  
maglev trains huge massive underground

2186  
01:39:57,350 --> 01:39:54,420  
facilities what's going on under there

2187  
01:40:00,170 --> 01:39:57,360  
you know we have new whistleblowers like

2188  
01:40:02,600 --> 01:40:00,180

Emory Smith talking about working on

2189

01:40:08,000 --> 01:40:02,610

different alien bodies and stuff

2190

01:40:13,670 --> 01:40:08,010

these operations you know you have all

2191

01:40:16,880 --> 01:40:13,680

these missing people that show up the

2192

01:40:19,070 --> 01:40:16,890

corporate bottom line yeah oh it does I

2193

01:40:21,050 --> 01:40:19,080

mean they can't survive without us being

2194

01:40:23,510 --> 01:40:21,060

slaves that's the bottom line here no

2195

01:40:25,430 --> 01:40:23,520

matter what we do all of us are slaves

2196

01:40:26,690 --> 01:40:25,440

to the system because I mean I'm playing

2197

01:40:28,520 --> 01:40:26,700

I'm paying rent

2198

01:40:29,660 --> 01:40:28,530

the minute you start paying rent the

2199

01:40:31,250 --> 01:40:29,670

minute you start paying for your

2200

01:40:33,680 --> 01:40:31,260

electricity the minute you start paying

2201

01:40:35,990 --> 01:40:33,690

for your food in the way you do I'm

2202

01:40:37,160 --> 01:40:36,000

sorry folks you're a slave at that point

2203

01:40:40,100 --> 01:40:37,170

cuz you've got to figure out a way to

2204

01:40:41,990 --> 01:40:40,110

get to get that item again the next day

2205

01:40:43,940 --> 01:40:42,000

it's not like it's something you can

2206

01:40:47,060 --> 01:40:43,950

just buy once and forget about you know

2207

01:40:49,250 --> 01:40:47,070

so you know there's that issue but I

2208

01:40:50,570 --> 01:40:49,260

wasn't asking about Emory Smith I don't

2209

01:40:53,570 --> 01:40:50,580

know anything about him and somebody

2210

01:40:56,230 --> 01:40:53,580

says his name to me yesterday and I said

2211

01:40:59,980 --> 01:40:56,240

I'll look into that what who is this guy

2212

01:41:07,910 --> 01:40:59,990

well he's been coming out recently on

2213

01:41:10,130 --> 01:41:07,920

the gaia series and minoo this is a show

2214

01:41:13,610 --> 01:41:10,140

with Jay Widener he does a series called

2215

01:41:15,610 --> 01:41:13,620

deep space I highly recommend it is 99

2216

01:41:19,130 --> 01:41:15,620

cents for a month you know you can just

2217

01:41:21,530 --> 01:41:19,140

you know blitz out and watch you know

2218

01:41:23,680 --> 01:41:21,540

all these incredible series but the deep

2219

01:41:25,780 --> 01:41:23,690

space one's totally worth it you know is

2220

01:41:29,600 --> 01:41:25,790

incredible research on done on that

2221

01:41:32,110 --> 01:41:29,610

every Smith has been in these programs

2222

01:41:35,600 --> 01:41:32,120

like they're kind of like groomed for

2223

01:41:37,730 --> 01:41:35,610

this kind of stuff you know just like

2224

01:41:40,010 --> 01:41:37,740

Phil Schneider you know his his father

2225

01:41:42,020 --> 01:41:40,020

was one of the paperclip scientists you

2226

01:41:45,530 --> 01:41:42,030

know so they they're kind of brought in

2227

01:41:49,850 --> 01:41:45,540

at an early age the some of the stuff

2228

01:41:52,880 --> 01:41:49,860

but he was working out of in New Mexico

2229

01:41:56,120 --> 01:41:52,890

and this facility that you know the

2230

01:41:59,270 --> 01:41:56,130

underground facility that was you know

2231

01:42:06,350 --> 01:41:59,280

dissecting different different

2232

01:42:10,460 --> 01:42:06,360

extraterrestrial bodies you know yeah so

2233

01:42:12,200 --> 01:42:10,470

yeah and he's you know he's had people

2234

01:42:13,940 --> 01:42:12,210

trying to kill him and things you know

2235

01:42:15,850 --> 01:42:13,950

just like Phil Schneider was revealing

2236

01:42:18,640 --> 01:42:15,860

this kind of stuff you know they suicide

2237

01:42:21,490 --> 01:42:18,650

doctor you see it or is he a mortician

2238

01:42:27,400 --> 01:42:21,500

which a story he was trained in medical

2239

01:42:30,670 --> 01:42:27,410

practices and he you know pretty bright

2240

01:42:35,110 --> 01:42:30,680

guy and yeah he was brought into that

2241

01:42:37,540 --> 01:42:35,120

program but so anyway all this stuff is

2242

01:42:42,720 --> 01:42:37,550

coming out which is really encouraging

2243

01:42:49,960 --> 01:42:42,730

and and so you know I invite everybody

2244

01:42:52,570 --> 01:42:49,970

to you know every day give a give a give

2245

01:42:54,910 --> 01:42:52,580

a positive imagine a world that we're

2246

01:42:57,670 --> 01:42:54,920

all the stuff all these corrupt elements

2247

01:42:59,740 --> 01:42:57,680

are being exposed and taken down and at

2248

01:43:01,020 --> 01:42:59,750

the military that protects our way of

2249

01:43:03,280 --> 01:43:01,030

life you know they have their

2250

01:43:07,330 --> 01:43:03,290

sweethearts and wives and you know

2251  
01:43:13,450 --> 01:43:07,340  
girlfriends that they come home to and I

2252  
01:43:16,330 --> 01:43:13,460  
wanna that you know may just the

2253  
01:43:20,410 --> 01:43:16,340  
military may just be our heroes and take

2254  
01:43:23,080 --> 01:43:20,420  
out this rough infiltration that has

2255  
01:43:25,630 --> 01:43:23,090  
happened I would sure love that if our

2256  
01:43:28,210 --> 01:43:25,640  
military get involved anyway man these

2257  
01:43:30,280 --> 01:43:28,220  
port guys but they're so brainwashed you

2258  
01:43:32,410 --> 01:43:30,290  
know even my father to this day he was a

2259  
01:43:35,110 --> 01:43:32,420  
marine and he still brainwashed about

2260  
01:43:38,200 --> 01:43:35,120  
the service and you know your dad wasn't

2261  
01:43:40,510 --> 01:43:38,210  
a brains oh yeah yeah I have great

2262  
01:43:41,890 --> 01:43:40,520  
stories about my dad I have one story

2263  
01:43:43,180 --> 01:43:41,900

that's very interesting that you might

2264

01:43:46,750 --> 01:43:43,190

relate to I don't know if I've ever told

2265

01:43:49,270 --> 01:43:46,760

you this on air but or even off air

2266

01:43:52,210 --> 01:43:49,280

my dad was in Korea and he was heading

2267

01:43:54,070 --> 01:43:52,220

over to do his he's a gunnery guy the

2268

01:43:56,950 --> 01:43:54,080

guy who used to figure that was in the

2269

01:43:59,260 --> 01:43:56,960

Korean War - yeah yeah used to figure

2270

01:44:01,480 --> 01:43:59,270

out where the big guns would shoot off

2271

01:44:03,220 --> 01:44:01,490

they they call him and he'd figure out

2272

01:44:07,080 --> 01:44:03,230

the coordinates and then tell them what

2273

01:44:09,700 --> 01:44:07,090

were to point the darn thing right yeah

2274

01:44:12,100 --> 01:44:09,710

he was trained for that and he's on a

2275

01:44:15,040 --> 01:44:12,110

plane they they hit Hawaii and their

2276

01:44:16,870 --> 01:44:15,050

whole troop is heading over and the guy

2277

01:44:19,030 --> 01:44:16,880

gets on the plane and he says are you

2278

01:44:21,220 --> 01:44:19,040

Norman Fenton and he goes yes I am and

2279

01:44:22,960 --> 01:44:21,230

he goes come with me and so he gets off

2280

01:44:25,060 --> 01:44:22,970

the plane and he gets down to the bottom

2281

01:44:27,040 --> 01:44:25,070

on the tarmac in the end the the

2282

01:44:28,830 --> 01:44:27,050

sergeant or whoever was there at the

2283

01:44:31,620 --> 01:44:28,840

time said to him

2284

01:44:35,220 --> 01:44:31,630

are you related to general Fenton and he

2285

01:44:37,560 --> 01:44:35,230

goes yeah and now you gotta remember

2286

01:44:39,629 --> 01:44:37,570

back in the 40s there weren't very many

2287

01:44:42,810 --> 01:44:39,639

fentons in the United States so they all

2288

01:44:44,850 --> 01:44:42,820

were related somehow right now so this

2289

01:44:47,879 --> 01:44:44,860

is a very distant cousin of his

2290

01:44:49,890 --> 01:44:47,889

obviously but he goes oh yeah I related

2291

01:44:52,979 --> 01:44:49,900

to him so they took him off the plane

2292

01:44:55,859 --> 01:44:52,989

the rest of his platoon gets over there

2293

01:44:58,050 --> 01:44:55,869

and about 2/3 of them get killed so my

2294

01:45:01,649 --> 01:44:58,060

dad had a one-in-three you know one in

2295

01:45:04,140 --> 01:45:01,659

2/3 chance of getting back to begin with

2296

01:45:07,560 --> 01:45:04,150

something happened with my father - yeah

2297

01:45:09,560 --> 01:45:07,570

all this group was all killed you know

2298

01:45:15,270 --> 01:45:09,570

during the Korean War

2299

01:45:18,089 --> 01:45:15,280

he got shifted over to China and he was

2300

01:45:26,100 --> 01:45:18,099

was peeping China at the time back in

2301

01:45:28,050 --> 01:45:26,110

the mid 40s and stuff and he he took 28

2302

01:45:30,660 --> 01:45:28,060

helicopters that were shot down and

2303

01:45:32,700 --> 01:45:30,670

destroyed and made 14 fully functional

2304

01:45:35,070 --> 01:45:32,710

ones and President Truman did a big

2305

01:45:37,890 --> 01:45:35,080

parade for him you know for bourbon

2306

01:45:40,620 --> 01:45:37,900

source fall you know it's interesting

2307

01:45:42,209 --> 01:45:40,630

now my father doesn't remember who the

2308

01:45:44,879 --> 01:45:42,219

guy was that pulled him off the plane or

2309

01:45:48,209 --> 01:45:44,889

why all he knows is he ends up spending

2310

01:45:54,140 --> 01:45:48,219

all of his service in Hawaii at a cush

2311

01:45:56,640 --> 01:45:54,150

job golfing in the morning and you know

2312

01:46:03,600 --> 01:45:56,650

or something where they pulled him off

2313

01:46:05,910 --> 01:46:03,610

well you know I I never thought about it

2314

01:46:07,379 --> 01:46:05,920

until the last few years and I got to

2315

01:46:10,910 --> 01:46:07,389

thinking about I thought you know what

2316

01:46:13,439 --> 01:46:10,920

this is really odd because I'm a

2317

01:46:16,320 --> 01:46:13,449

actually on both sides of my family I'm

2318

01:46:17,729 --> 01:46:16,330

actually up in the food chain and I

2319

01:46:21,689 --> 01:46:17,739

didn't even know until a few years ago

2320

01:46:24,120 --> 01:46:21,699

myself and I really believe that they

2321

01:46:26,189 --> 01:46:24,130

keep track in the past into the future

2322

01:46:28,950 --> 01:46:26,199

now as I've as my friends have always

2323

01:46:31,320 --> 01:46:28,960

said Laureen which you don't understand

2324

01:46:33,600 --> 01:46:31,330

as they know the future when the remote

2325

01:46:36,689 --> 01:46:33,610

viewing program got really took off

2326

01:46:39,149 --> 01:46:36,699

these guys knew the future okay but I

2327

01:46:41,100 --> 01:46:39,159

think they had other devices as well I

2328

01:46:43,020 --> 01:46:41,110

think they know the future for through

2329

01:46:46,980 --> 01:46:43,030

other things

2330

01:46:49,800 --> 01:46:46,990

so they always know you know the names

2331

01:46:51,990 --> 01:46:49,810

pop up at some point or another and so

2332

01:46:54,630 --> 01:46:52,000

my name is too popped up at some point

2333

01:46:57,630 --> 01:46:54,640

and they must have traced back to say

2334

01:46:59,550 --> 01:46:57,640

well where was the father and you know

2335

01:47:01,230 --> 01:46:59,560

where's the mother and let's make sure

2336

01:47:04,020 --> 01:47:01,240

they get together and you know whatever

2337

01:47:06,120 --> 01:47:04,030

they're using me for some purpose right

2338

01:47:07,680 --> 01:47:06,130

and they may be doing the same thing to

2339

01:47:12,900 --> 01:47:07,690

you they may be doing the same thing to

2340

01:47:17,070 --> 01:47:12,910

Steven Greer who knows I mean we all

2341

01:47:18,420 --> 01:47:17,080

along Technologies like mind-boggling to

2342

01:47:22,010 --> 01:47:18,430

the average person that's been

2343

01:47:25,440 --> 01:47:22,020

indoctrinated into the so you know this

2344

01:47:28,170 --> 01:47:25,450

perception that they've created you know

2345

01:47:32,250 --> 01:47:28,180

and it just seems like - we've all even

2346

01:47:36,180 --> 01:47:32,260

fed science fiction you know real thing

2347

01:47:39,270 --> 01:47:36,190

and Beyond is going on and so you know

2348

01:47:41,670 --> 01:47:39,280

when we when they finally reveal these

2349

01:47:44,310 --> 01:47:41,680

technologies and the true advancement

2350

01:47:48,330 --> 01:47:44,320

that the human race has achieved you

2351

01:47:49,860 --> 01:47:48,340

know it'll be like it'll it'll be hard

2352

01:47:52,080 --> 01:47:49,870

to switch over you know it was like

2353

01:47:54,960 --> 01:47:52,090

people watching Star Wars and you know

2354

01:47:58,260 --> 01:47:54,970

and different things you know you see

2355

01:48:04,080 --> 01:47:58,270

all these these technologies and stuff

2356

01:48:09,150 --> 01:48:04,090

like that when we have we have such

2357

01:48:12,180 --> 01:48:09,160

advancement that you know ok my god it'd

2358

01:48:14,100 --> 01:48:12,190

be just so incredible to see all these

2359

01:48:16,110 --> 01:48:14,110

technologies released for the good of

2360

01:48:18,270 --> 01:48:16,120

mankind you know what blows my mind

2361

01:48:20,400 --> 01:48:18,280

about this whole thing is if tomorrow

2362

01:48:21,750 --> 01:48:20,410

you and I woke up in a world that was

2363

01:48:24,120 --> 01:48:21,760

like Star Wars

2364

01:48:26,790 --> 01:48:24,130

ok let's we became that advanced that

2365

01:48:28,770 --> 01:48:26,800

quickly which we could by the way I mean

2366

01:48:30,660 --> 01:48:28,780

I've seen those giant triangles I know

2367

01:48:33,270 --> 01:48:30,670

we got a secret space program up there

2368

01:48:35,940 --> 01:48:33,280

because I saw it you know I'm not I'm

2369

01:48:38,490 --> 01:48:35,950

you know they're there they've got to be

2370

01:48:41,550 --> 01:48:38,500

there there's no reason unless those are

2371

01:48:44,430 --> 01:48:41,560

somebody else's ships a funny story to

2372

01:48:47,610 --> 01:48:44,440

share with you you know back in the back

2373

01:48:50,490 --> 01:48:47,620

in the 70s I knew this 80

2374

01:48:52,950 --> 01:48:50,500

something-year-old lady who had contact

2375

01:48:55,949 --> 01:48:52,960

and I had some experiences with her in

2376

01:48:59,219 --> 01:48:55,959

the mountains it was pretty blew me away

2377

01:49:01,859 --> 01:48:59,229

anyway I took her I took her to see the

2378

01:49:04,169 --> 01:49:01,869

Star Wars when it first came out and the

2379

01:49:07,500 --> 01:49:04,179

the extra trust would channel through

2380

01:49:10,379 --> 01:49:07,510

her voice box Oh in the middle of the

2381

01:49:13,709 --> 01:49:10,389

theater you was kind of embarrassing

2382

01:49:16,919 --> 01:49:13,719

and all of a sudden you know the the TT

2383

01:49:25,679 --> 01:49:16,929

was talking through her says we don't

2384

01:49:27,810 --> 01:49:25,689

have Wars like that she was an omni

2385

01:49:28,410 --> 01:49:27,820

magazine she took a picture of the start

2386

01:49:30,959 --> 01:49:28,420

shoot

2387

01:49:32,669 --> 01:49:30,969

she had telephone books think of all

2388

01:49:35,910 --> 01:49:32,679

this information of the history of the

2389

01:49:37,770 --> 01:49:35,920

earth and how people came from Mars and

2390

01:49:40,109 --> 01:49:37,780

that everything was in quatrains

2391

01:49:43,469 --> 01:49:40,119

everything rhymed with everything else

2392

01:49:45,089 --> 01:49:43,479

and I can tell you I you know went up to

2393

01:49:47,910 --> 01:49:45,099

the mountains with her and she says oh

2394

01:49:49,560 --> 01:49:47,920

look there's a ship so all lined up and

2395

01:49:51,719 --> 01:49:49,570

there was a clear blue sky and it was

2396

01:49:54,779 --> 01:49:51,729

like a laser beam came out of the sky

2397

01:49:58,319 --> 01:49:54,789

and and hit me and like this feeling of

2398

01:50:01,560 --> 01:49:58,329

love behind it was is very young

2399

01:50:02,370 --> 01:50:01,570

I remember that feeling that's a great

2400

01:50:05,580 --> 01:50:02,380

feeling

2401  
01:50:08,549 --> 01:50:05,590  
yeah and I saw her where she was out

2402  
01:50:11,310 --> 01:50:08,559  
this UFO conference in the 70s and I

2403  
01:50:12,209 --> 01:50:11,320  
want to see what this was all about you

2404  
01:50:13,709 --> 01:50:12,219  
know because I had my military

2405  
01:50:16,410 --> 01:50:13,719  
experience I was trying to figure out

2406  
01:50:18,779 --> 01:50:16,420  
something to this and there was a hip

2407  
01:50:21,209 --> 01:50:18,789  
man from the Mafia there that came to

2408  
01:50:23,640 --> 01:50:21,219  
meet with her and he's as a cigarette

2409  
01:50:25,410 --> 01:50:23,650  
man and he's shaking I think you guys

2410  
01:50:27,959 --> 01:50:25,420  
are a bunch of kooks but I gotta tell

2411  
01:50:30,799 --> 01:50:27,969  
somebody I think I'm losing my mind you

2412  
01:50:33,600 --> 01:50:30,809  
know he's talking like that he was out

2413  
01:50:35,189 --> 01:50:33,610

hunting and a shift came down and he

2414

01:50:36,959 --> 01:50:35,199

went to shoot the beings that were

2415

01:50:38,819 --> 01:50:36,969

coming out they took him on board and

2416

01:50:41,009 --> 01:50:38,829

they did something - I'm gonna open him

2417

01:50:43,109 --> 01:50:41,019

up and now he's like seeing his past

2418

01:50:44,609 --> 01:50:43,119

lies developing a love for mankind and

2419

01:50:47,520 --> 01:50:44,619

his buddies can't relate to him anymore

2420

01:50:50,239 --> 01:50:47,530

and he's like he's a totally transformed

2421

01:50:58,370 --> 01:50:50,249

and so he wanted to talk this woman to

2422

01:51:01,410 --> 01:50:58,380

find out the mobster that becomes

2423

01:51:04,529 --> 01:51:01,420

reality hits after these UFO experience

2424

01:51:06,750 --> 01:51:04,539

this is a TV show actually yeah it was

2425

01:51:08,879 --> 01:51:06,760

amazing guy was bending spoons all kinds

2426

01:51:09,229 --> 01:51:08,889

of stuff they did something to him with

2427

01:51:12,229 --> 01:51:09,239

some

2428

01:51:14,629 --> 01:51:12,239

a laser beam on him oh when they went to

2429

01:51:16,580 --> 01:51:14,639

go shoot them he said he couldn't think

2430

01:51:18,169 --> 01:51:16,590

of anything but a million dollars is all

2431

01:51:20,299 --> 01:51:18,179

his circuits and his brain were locked

2432

01:51:23,270 --> 01:51:20,309

up with a million dollars though they

2433

01:51:25,129 --> 01:51:23,280

intuitively or you know they're

2434

01:51:28,700 --> 01:51:25,139

operating at a much higher processing

2435

01:51:30,830 --> 01:51:28,710

than we do knew exactly what would catch

2436

01:51:33,020 --> 01:51:30,840

his attention you know being his his

2437

01:51:34,430 --> 01:51:33,030

mindset so million dollars million

2438

01:51:35,689 --> 01:51:34,440

dollars million dollars and they

2439

01:51:37,669 --> 01:51:35,699

couldn't pull the trigger and they

2440

01:51:41,750 --> 01:51:37,679

brought him on board anyway just kind of

2441

01:51:44,689 --> 01:51:41,760

a interesting funny I mean I'm sitting

2442

01:51:46,310 --> 01:51:44,699

here going this is you know and to see

2443

01:51:47,959 --> 01:51:46,320

this guy at a conference and he's

2444

01:51:49,910 --> 01:51:47,969

shaking and he's good I think you guys

2445

01:51:59,270 --> 01:51:49,920

are all crazy but look what's happened

2446

01:52:01,430 --> 01:51:59,280

to me right oh my god that's a TV show

2447

01:52:06,890 --> 01:52:01,440

have you been watching by the way people

2448

01:52:08,959 --> 01:52:06,900

of Earth know oh you've gotta watch you

2449

01:52:11,000 --> 01:52:08,969

gotta promise me you'll watch it go back

2450

01:52:13,850 --> 01:52:11,010

and binge watch the first season the

2451  
01:52:16,700 --> 01:52:13,860  
second season is coming out what network

2452  
01:52:18,109 --> 01:52:16,710  
I only get one I like it one CBS channel

2453  
01:52:22,220 --> 01:52:18,119  
out here in the middle of nowhere oh

2454  
01:52:24,890 --> 01:52:22,230  
it's on TNT or TBS I can't remember one

2455  
01:52:26,149 --> 01:52:24,900  
of the two and I'll figure out how to

2456  
01:52:27,620 --> 01:52:26,159  
get it to you because I think you'd

2457  
01:52:30,830 --> 01:52:27,630  
really enjoy I think you'd get a good

2458  
01:52:34,759 --> 01:52:30,840  
laugh and you just you know it's it's

2459  
01:52:38,950 --> 01:52:34,769  
pokes fun at all the stuff that US UFO

2460  
01:52:42,109 --> 01:52:38,960  
people do and it's quite quite funny and

2461  
01:52:44,359 --> 01:52:42,119  
the little grey alien in it that looks

2462  
01:52:46,609 --> 01:52:44,369  
like he's got a butt for a head instead

2463  
01:52:48,919 --> 01:52:46,619

of a round head

2464

01:52:50,569 --> 01:52:48,929

it's like he's steel in the show he's

2465

01:52:54,680 --> 01:52:50,579

just stealing the show everybody loves

2466

01:52:56,629 --> 01:52:54,690

him so yeah interesting very interesting

2467

01:52:58,729 --> 01:52:56,639

show and what's even funnier about the

2468

01:53:03,140 --> 01:52:58,739

whole thing it's based on a group out of

2469

01:53:04,759 --> 01:53:03,150

New England experience and it's all done

2470

01:53:06,770 --> 01:53:04,769

around this experienter group but it's

2471

01:53:09,680 --> 01:53:06,780

just a sterically funny and I think

2472

01:53:11,600 --> 01:53:09,690

you'd enjoy it I do I love it I sit here

2473

01:53:12,709 --> 01:53:11,610

like oh god somebody made a TV show just

2474

01:53:16,520 --> 01:53:12,719

for all of us

2475

01:53:19,279 --> 01:53:16,530

you know and it should be so you know

2476

01:53:20,089 --> 01:53:19,289

going out of fiction into reality you

2477

01:53:22,399 --> 01:53:20,099

know it should be really interesting

2478

01:53:23,920 --> 01:53:22,409

after the mainstream media just did that

2479

01:53:27,560 --> 01:53:23,930

blitz

2480

01:53:30,530 --> 01:53:27,570

what's going to come out and everybody

2481

01:53:32,780 --> 01:53:30,540

has to be vigilant and they don't want

2482

01:53:42,320 --> 01:53:32,790

the limited disclosure we want the full

2483

01:53:44,930 --> 01:53:42,330

disclosures you want the full you know I

2484

01:53:47,450 --> 01:53:44,940

want the whole thing because you know

2485

01:53:49,970 --> 01:53:47,460

what what it means for me dan is that I

2486

01:53:52,670 --> 01:53:49,980

get to stop doing everything I'm doing

2487

01:53:55,670 --> 01:53:52,680

and I can either go you know back to

2488

01:53:57,590 --> 01:53:55,680

being an artist again and get my goats

2489

01:54:00,290 --> 01:53:57,600

and make jewelry and do the things I

2490

01:54:02,750 --> 01:54:00,300

want to do and do pottery and and you

2491

01:54:04,160 --> 01:54:02,760

know live on a farm like you do and you

2492

01:54:07,340 --> 01:54:04,170

know that's what I really that's what I

2493

01:54:09,740 --> 01:54:07,350

want to do so if this thing blows wide

2494

01:54:11,840 --> 01:54:09,750

open and they're not gonna come to me

2495

01:54:13,280 --> 01:54:11,850

for any answers so I'm like cool this

2496

01:54:14,930 --> 01:54:13,290

means I'm off the hook I don't have to

2497

01:54:18,820 --> 01:54:14,940

put any more conferences I'd have to do

2498

01:54:23,330 --> 01:54:21,170

gradual transition is going to be a

2499

01:54:25,510 --> 01:54:23,340

psychological transition for a lot of

2500

01:54:29,450 --> 01:54:25,520

people because we've been you know

2501  
01:54:32,270 --> 01:54:29,460  
indoctrinated with this this perception

2502  
01:54:34,550 --> 01:54:32,280  
matrix that they've created so it's

2503  
01:54:38,090 --> 01:54:34,560  
going to be a psychological impact so

2504  
01:54:40,460 --> 01:54:38,100  
we're gonna have to carefully bring it

2505  
01:54:42,950 --> 01:54:40,470  
out I think it's going to I don't think

2506  
01:54:45,260 --> 01:54:42,960  
they're being it away with the false

2507  
01:54:48,040 --> 01:54:45,270  
flag attack where they're gonna get away

2508  
01:54:52,010 --> 01:54:48,050  
with the limited disclosure I think

2509  
01:54:53,180 --> 01:54:52,020  
there's a lot of people that are you

2510  
01:54:55,070 --> 01:54:53,190  
know there is such a thing as a

2511  
01:54:56,900 --> 01:54:55,080  
collective mind that we're all tied into

2512  
01:54:58,340 --> 01:54:56,910  
you know beside the fact that the

2513  
01:55:01,520 --> 01:54:58,350

Internet's sharing information all over

2514

01:55:05,030 --> 01:55:01,530

the place even before the internet you

2515

01:55:06,890 --> 01:55:05,040

know people would have similar we're all

2516

01:55:09,140 --> 01:55:06,900

connected you know and so there's

2517

01:55:12,110 --> 01:55:09,150

there's an awakening and I'm feeling I'm

2518

01:55:17,390 --> 01:55:12,120

feeling hopeful for to 2018 as being the

2519

01:55:19,190 --> 01:55:17,400

year that you know stuff's gonna start

2520

01:55:21,410 --> 01:55:19,200

coming out where the full truth and

2521

01:55:24,380 --> 01:55:21,420

nothing but the truth I know and I I

2522

01:55:26,440 --> 01:55:24,390

agree with you so much okay guys the I

2523

01:55:30,770 --> 01:55:26,450

can't believe it's 10 o'clock already

2524

01:55:33,950 --> 01:55:30,780

the blab matrix dotnet it's the web

2525

01:55:36,320 --> 01:55:33,960

matrix dotnet is where you want to go to

2526

01:55:36,859 --> 01:55:36,330

find all of Dan's musings and he's got a

2527

01:55:38,719 --> 01:55:36,869

history

2528

01:55:41,089 --> 01:55:38,729

in there and he's got all kinds of stuff

2529

01:55:43,879 --> 01:55:41,099

and you know my favorite page right now

2530

01:55:47,000 --> 01:55:43,889

is imagine this that's my favorite page

2531

01:55:50,060 --> 01:55:47,010

2532

guess this because I crashed my computer

2538

01:56:06,919 --> 01:56:04,469

earlier today and I haven't rebooted my

2539

01:56:08,449 --> 01:56:06,929
