in store clearance welcome welcome to

2
00:00:11,660 --> 00:00:05,569
UFO headline news with me Heidi Hollis

3
00:00:14,900 --> 00:00:11,670
today is Friday January 5th 2018 it's

4
00:00:17,890 --> 00:00:14,910
been a spectacularly freezing winter for

5
00:00:22,490 --> 00:00:17,900
us people here and the heartland of

6
00:00:26,570 --> 00:00:22,500
Chicagoland oh my gosh all right well

7
00:00:28,939 --> 00:00:26,580
blasting off with some UFO reports UFO

8
00:00:33,290 --> 00:00:28,949
sighting in Ontario

9
00:00:37,220 --> 00:00:33,300
this occurred November 6 of 2010 so it's

10
00:00:40,639 --> 00:00:37,230
a UFO blast from the past the witness

11
00:00:45,020 --> 00:00:40,649
states in brief I saw two Spears flying

12
00:00:47,959 --> 00:00:45,030
down hydro lines I was hunting along a

13
00:00:50,869 --> 00:00:47,969

tower line in November of 2010 when I

14

00:00:53,930 --> 00:00:50,879

saw two Spears coming down the top

15

00:00:56,510 --> 00:00:53,940

outside line they were flying in tandem

16

00:00:59,209 --> 00:00:56,520

the closer one was about 30 feet from

17

00:01:01,700 --> 00:00:59,219

the line the other was 50 yards out and

18

00:01:04,609 --> 00:01:01,710

20 yards back

19

00:01:07,760 --> 00:01:04,619

I had three friends on the same side as

20

00:01:10,760 --> 00:01:07,770

the spheres walking towards them about a

21

00:01:14,660 --> 00:01:10,770

hundred and fifty yards away my thought

22

00:01:18,679 --> 00:01:14,670

was I didn't know it was there they were

23

00:01:21,410 --> 00:01:18,689

about the size of a basketball the Sun

24

00:01:24,649 --> 00:01:21,420

gleamed off them just as my friends

25

00:01:27,620 --> 00:01:24,659

broke the tree line into the hydro at

26

00:01:29,690 --> 00:01:27,630

this point the spheres are directly in

27

00:01:32,240 --> 00:01:29,700

front of me they stopped and shot back

28

00:01:36,770 --> 00:01:32,250

and up to a 30-degree angle

29

00:01:39,140 --> 00:01:36,780

in a split second they were gone I do

30

00:01:43,039 --> 00:01:39,150

not edit these things I edit as I go

31

00:01:46,090 --> 00:01:43,049

along if I fumble o-m-g that was one

32

00:01:53,120 --> 00:01:46,100

giant sentence no period to be seen so

33

00:01:56,630 --> 00:01:53,130

have pity and mercy okay this next UFO

34

00:01:59,749 --> 00:01:56,640

sighting occurred and Flores PTIN don't

35

00:02:04,609 --> 00:01:59,759

know where that is this occurred October

36

00:02:08,240 --> 00:02:04,619

9th 2017 a green disc see picture they

37

00:02:11,360 --> 00:02:08,250

say flying standing flying above ground

38

00:02:13,790 --> 00:02:11,370

in more detail the witness states I was

39

00:02:16,190 --> 00:02:13,800

in the hotel el PTIN in

40

00:02:19,430 --> 00:02:16,200

as sitting at the balcony and watching

41

00:02:22,160 --> 00:02:19,440

Birds just before coming heavy rain and

42

00:02:23,840 --> 00:02:22,170

thunderstorm my wife first noticed the

43

00:02:27,140 --> 00:02:23,850

object coming across the lake

44

00:02:30,820 --> 00:02:27,150

in front of the hotel around 500 meters

45

00:02:35,390 --> 00:02:30,830

over ground it was no plane no

46

00:02:39,500 --> 00:02:35,400

helicopter no balloon comparable it was

47

00:02:41,150 --> 00:02:39,510

a green disc situated in the air with a

48

00:02:44,420 --> 00:02:41,160

45 degree angle

49

00:02:47,920 --> 00:02:44,430

flying abruptly forward standing and

50

00:02:50,930 --> 00:02:47,930

then flying again I took my camera

51
00:02:54,460 --> 00:02:50,940
mounted a lens with 300 millimeters

52
00:02:57,830 --> 00:02:54,470
focal length and began to shoot pictures

53
00:03:00,740 --> 00:02:57,840
the object crosses the lake and vanished

54
00:03:03,560 --> 00:03:00,750
abruptly in the North because I had seen

55
00:03:04,220 --> 00:03:03,570
and taken pictures of several UFOs in my

56
00:03:08,110 --> 00:03:04,230
life

57
00:03:13,190 --> 00:03:08,120
lucky dog was not extremely surprised

58
00:03:14,630 --> 00:03:13,200
but happy to see one again a green UFO

59
00:03:18,470 --> 00:03:14,640
that's that's different

60
00:03:21,280 --> 00:03:18,480
all right the next UFO sighting black

61
00:03:24,470 --> 00:03:21,290
triangle sighting and you fraida

62
00:03:27,979 --> 00:03:24,480
Washington this occurred December 31st

63
00:03:30,580 --> 00:03:27,989

2017 in brief they state triangle-shaped

64

00:03:32,960 --> 00:03:30,590

moved quickly verified by another person

65

00:03:34,720 --> 00:03:32,970

gotta get it verified make sure your

66

00:03:40,040 --> 00:03:34,730

eyes aren't going goofy huh

67

00:03:42,229 --> 00:03:40,050

okay anyways the witness says in more

68

00:03:45,110 --> 00:03:42,239

detail I went out to have a cigarette at

69

00:03:47,150 --> 00:03:45,120

approximately 2:00 a.m. I always see

70

00:03:49,130 --> 00:03:47,160

cigarette smokers spotting this stuff I

71

00:03:52,699 --> 00:03:49,140

witnessed a single light in the sky

72

00:03:54,970 --> 00:03:52,709

miles away that looked like a star it

73

00:03:58,790 --> 00:03:54,980

then began moving in a figure eight and

74

00:04:02,090 --> 00:03:58,800

90-degree turns I woke my father to

75

00:04:04,940 --> 00:04:02,100

verify what I was seeing I tried to film

76
00:04:08,270 --> 00:04:04,950
it but my camera on my phone would not

77
00:04:10,970 --> 00:04:08,280
pick it up I watched for 20 minutes then

78
00:04:14,690 --> 00:04:10,980
went inside an hour later I came out and

79
00:04:18,440 --> 00:04:14,700
same thing still there my last cigarette

80
00:04:20,780 --> 00:04:18,450
was that approximately 4:30 a.m. it flew

81
00:04:23,860 --> 00:04:20,790
over my house and two more lights

82
00:04:28,870 --> 00:04:23,870
appeared making it triangle-shaped I

83
00:04:31,450 --> 00:04:28,880
lost track of it after about two minutes

84
00:04:34,140 --> 00:04:31,460
got a verify with those eyes all right

85
00:04:36,970 --> 00:04:34,150
the next your full sighting happened in

86
00:04:41,020 --> 00:04:36,980
Chandler Arizona in brief the witness

87
00:04:43,840 --> 00:04:41,030
states cited a disc-shaped object with

88
00:04:46,480 --> 00:04:43,850

large red lights in the center and two

89

00:04:50,650 --> 00:04:46,490

white lights to either side moving east

90

00:04:53,320 --> 00:04:50,660

towards me while walking my dog I left

91

00:04:58,510 --> 00:04:53,330

my house to walk my dog on December 30th

92

00:05:01,120 --> 00:04:58,520

2017 at 8:25 p.m. walking West

93

00:05:05,380 --> 00:05:01,130

I usually looked to the skies for meteor

94

00:05:07,480 --> 00:05:05,390

showers shooting stars I saw at about 45

95

00:05:09,820 --> 00:05:07,490

degree angle on the horizon between

96

00:05:14,050 --> 00:05:09,830

myself and South Mountain to the west

97

00:05:16,600 --> 00:05:14,060

and unusually bright and large red light

98

00:05:20,980 --> 00:05:16,610

with two smaller white lights to either

99

00:05:23,470 --> 00:05:20,990

side forming a disc shape I stopped and

100

00:05:26,080 --> 00:05:23,480

observed it moving to the east towards

101
00:05:28,150 --> 00:05:26,090
me I decided to call my daughter to see

102
00:05:31,990 --> 00:05:28,160
if she could see from her location east

103
00:05:34,150 --> 00:05:32,000
of me a few miles she could not I then

104
00:05:37,840 --> 00:05:34,160
observed the objects stop and hover in

105
00:05:40,150 --> 00:05:37,850
place then start moving south I tended

106
00:05:43,480 --> 00:05:40,160
to take video but was unable to open

107
00:05:47,170 --> 00:05:43,490
video mode only a time-lapse photo was

108
00:05:49,600 --> 00:05:47,180
taken will need to review my dog was

109
00:05:51,880 --> 00:05:49,610
getting agitated and whining then the

110
00:05:54,610 --> 00:05:51,890
disc went from being large and visible

111
00:05:57,940 --> 00:05:54,620
to accelerating to the southwest at

112
00:05:59,740 --> 00:05:57,950
such a rate of speed it went to a

113
00:06:02,920 --> 00:05:59,750

pinpoint and gone

114

00:06:05,080 --> 00:06:02,930

I'm retired Air Force oh so this is your

115

00:06:08,800 --> 00:06:05,090

department and that was not an aircraft

116

00:06:10,960 --> 00:06:08,810

from this earth well alright I have

117

00:06:13,870 --> 00:06:10,970

never seen anything like it in my life

118

00:06:16,990 --> 00:06:13,880

before truly amazing

119

00:06:19,150 --> 00:06:17,000

my dog seems to be a bit lethargic after

120

00:06:21,550 --> 00:06:19,160

getting home and I have a very bad

121

00:06:26,350 --> 00:06:21,560

headache not sure what to make of that

122

00:06:29,260 --> 00:06:26,360

as of yet for those of us that know that

123

00:06:32,830 --> 00:06:29,270

sounds very much like those UFOs came in

124

00:06:34,210 --> 00:06:32,840

for a closer peek could do at you that's

125

00:06:38,020 --> 00:06:34,220

very interesting

126
00:06:40,839 --> 00:06:38,030
symptoms alright next UFO sighting this

127
00:06:44,379 --> 00:06:40,849
occurred in Boise Idaho

128
00:06:47,079 --> 00:06:44,389
December 30th 2017 in brief the witness

129
00:06:51,040 --> 00:06:47,089
states observed two stationary red

130
00:06:53,859 --> 00:06:51,050
globes in sky above Boise in general

131
00:06:55,749 --> 00:06:53,869
direction of the airport in more detail

132
00:06:57,899 --> 00:06:55,759
they state I came outside of my home

133
00:07:00,549 --> 00:06:57,909
because I had heard several loud

134
00:07:02,109 --> 00:07:00,559
explosions in the neighborhood this

135
00:07:04,419 --> 00:07:02,119
might have been New Year's early

136
00:07:08,469 --> 00:07:04,429
fireworks but they sounded like gunfire

137
00:07:11,230 --> 00:07:08,479
to me boys he's getting rough as I was

138
00:07:13,419 --> 00:07:11,240

looking around I noticed two red globes

139

00:07:14,499 --> 00:07:13,429

in the sky in the general direction of

140

00:07:17,139 --> 00:07:14,509

the airport

141

00:07:17,649 --> 00:07:17,149

what is him appeared farther away than

142

00:07:20,199 --> 00:07:17,659

the other

143

00:07:22,809 --> 00:07:20,209

neither was moving but remained

144

00:07:25,509 --> 00:07:22,819

stationary I thought they might have

145

00:07:27,459 --> 00:07:25,519

been helicopters but I could see no

146

00:07:30,850 --> 00:07:27,469

movement at all and they were glowing

147

00:07:34,570 --> 00:07:30,860

red all over more like a subdued

148

00:07:36,339 --> 00:07:34,580

fireball I went to get a better view so

149

00:07:39,009 --> 00:07:36,349

I ran in to the house to get a pair of

150

00:07:41,169 --> 00:07:39,019

binoculars unfortunately by the time I

151
00:07:44,709 --> 00:07:41,179
got the binoculars unpacked and focused

152
00:07:46,809 --> 00:07:44,719
the objects had disappeared so this

153
00:07:48,999 --> 00:07:46,819
whole sighting only lasted a minute or

154
00:07:51,129 --> 00:07:49,009
two I was disappointed that I couldn't

155
00:07:52,719 --> 00:07:51,139
see them with my binoculars but the

156
00:07:55,509 --> 00:07:52,729
truth is that I wouldn't have been able

157
00:07:58,779 --> 00:07:55,519
to hold binocular steady enough to see

158
00:08:01,480 --> 00:07:58,789
more detail anyway you know I am

159
00:08:04,769 --> 00:08:01,490
honestly a big believer personally and

160
00:08:07,719 --> 00:08:04,779
this is me talking that you know

161
00:08:10,569 --> 00:08:07,729
sometimes our eyes hit it just right and

162
00:08:12,909 --> 00:08:10,579
you go to move or look away and you

163
00:08:15,159 --> 00:08:12,919

can't focus on it any longer it was

164

00:08:17,290 --> 00:08:15,169

meant for that moment reaching moving

165

00:08:19,719 --> 00:08:17,300

running doesn't always work to go get

166

00:08:24,969 --> 00:08:19,729

something to see it clearer alright the

167

00:08:28,719 --> 00:08:24,979

next UFO sighting up here we go this

168

00:08:32,620 --> 00:08:28,729

occurred in looped in Michigan this

169

00:08:34,329 --> 00:08:32,630

occurred on April 30th 2017 and the

170

00:08:38,769 --> 00:08:34,339

witness states in brief this photo was

171

00:08:42,309 --> 00:08:38,779

taken by me in May of 2017 and Lupton

172

00:08:44,259 --> 00:08:42,319

michigan in my backyard my daughter had

173

00:08:47,230 --> 00:08:44,269

heard something in the tall trees I

174

00:08:50,319 --> 00:08:47,240

walked over to see what it was I saw two

175

00:08:54,250 --> 00:08:50,329

brief flashes of light as of something

176

00:08:56,980 --> 00:08:54,260

metallic it was dusk and the Sun

177

00:08:57,610 --> 00:08:56,990

be they just left it at me I don't know

178

00:09:01,540 --> 00:08:57,620

what that means

179

00:09:04,600 --> 00:09:01,550

okay in more detail oh it's just they

180

00:09:06,940 --> 00:09:04,610

they cut themselves off we'll continue

181

00:09:08,710 --> 00:09:06,950

that sentence it was dusk and the Sun

182

00:09:10,960 --> 00:09:08,720

was below the horizon at this point I

183

00:09:14,320 --> 00:09:10,970

took out my phone and began taking

184

00:09:17,050 --> 00:09:14,330

pictures I noticed an image above the

185

00:09:19,330 --> 00:09:17,060

fire and the only adjusted the light

186

00:09:21,730 --> 00:09:19,340

exposure on the photo to bring out the

187

00:09:24,040 --> 00:09:21,740

image nothing else has been altered a

188

00:09:27,130 --> 00:09:24,050

small dot of light to the right of the

189

00:09:28,990 --> 00:09:27,140

image is a light on the house several

190

00:09:31,840 --> 00:09:29,000

hundred feet away on a neighboring

191

00:09:34,510 --> 00:09:31,850

property we have frequent sightings of

192

00:09:37,630 --> 00:09:34,520

UFOs in the sky here we see them about a

193

00:09:42,070 --> 00:09:37,640

third as often as we see aircraft here

194

00:09:45,390 --> 00:09:42,080

that's fascinating to know the next year

195

00:09:48,550 --> 00:09:45,400

foe sighting this occurred in Hanover

196

00:09:51,850 --> 00:09:48,560

Massachusetts this was on December 30th

197

00:09:55,120 --> 00:09:51,860

2017 and brief they call it a floating

198

00:09:59,320 --> 00:09:55,130

Black Diamond two sightings half hour

199

00:10:02,500 --> 00:09:59,330

apart in more detail over Washington

200

00:10:05,260 --> 00:10:02,510

Street and over Massachusetts we first

201

00:10:09,730 --> 00:10:05,270

seen it when we were driving in car

202

00:10:12,640 --> 00:10:09,740

south and near Shaw's market at 4:15 ish

203

00:10:15,100 --> 00:10:12,650

my daughter Sydney pointed it out saying

204

00:10:20,100 --> 00:10:15,110

it looks like someone lost a bunch of

205

00:10:23,290 --> 00:10:20,110

balloons then after a half hour later

206

00:10:25,840 --> 00:10:23,300

4:45 we were coming back a north near

207

00:10:28,930 --> 00:10:25,850

East Street and she said it was still

208

00:10:31,990 --> 00:10:28,940

there I pulled into the Auto Mall across

209

00:10:34,210 --> 00:10:32,000

from westerns autos we got out and we

210

00:10:37,240 --> 00:10:34,220

watched it for about ten minutes it

211

00:10:40,330 --> 00:10:37,250

seemed to be a diamond shape black and

212

00:10:42,550 --> 00:10:40,340

stayed in the same place five hundred to

213

00:10:45,850 --> 00:10:42,560

a thousand feet above us for five

214

00:10:48,430 --> 00:10:45,860

minutes and then slowly rose upward to

215

00:10:51,160 --> 00:10:48,440

the east till I lost track of it

216

00:10:54,280 --> 00:10:51,170

it was snowing lightly and it wasn't

217

00:10:57,310 --> 00:10:54,290

making any sound so I don't think it was

218

00:11:00,370 --> 00:10:57,320

a drone it did appear to be rotating

219

00:11:03,400 --> 00:11:00,380

slowly and we both thought we saw a thin

220

00:11:05,740 --> 00:11:03,410

line below it like a string but if it

221

00:11:08,020 --> 00:11:05,750

was balloons it would have drifted away

222

00:11:09,820 --> 00:11:08,030

faster and it certainly

223

00:11:15,130 --> 00:11:09,830

have been in the same area for a

224

00:11:17,790 --> 00:11:15,140

half-hour all right the next UFO

225

00:11:20,430 --> 00:11:17,800

sighting OOP is an alien encounter

226

00:11:25,000 --> 00:11:20,440

Liverpool England

227

00:11:28,840 --> 00:11:25,010

this occurred December 28th 2017 and

228

00:11:31,060 --> 00:11:28,850

they put possible abduction I've woken

229

00:11:33,910 --> 00:11:31,070

up a couple of days ago with a very

230

00:11:37,150 --> 00:11:33,920

strange triangular bruise on my inside

231

00:11:40,510 --> 00:11:37,160

thigh upon studying this bruise you can

232

00:11:44,830 --> 00:11:40,520

see part of the point of a triangle and

233

00:11:46,870 --> 00:11:44,840

inside a perfect circle I remember

234

00:11:49,990 --> 00:11:46,880

nothing about what happens since this

235

00:11:53,590 --> 00:11:50,000

has appeared I'm constantly lethargic

236

00:11:57,730 --> 00:11:53,600

and want to sleep that's all they put

237

00:12:01,270 --> 00:11:57,740

okay this next one is the UFO sighting

238

00:12:05,610 --> 00:12:01,280

in a name I'm gonna really enjoy trying

239

00:12:11,440 --> 00:12:05,620

to pronounce this occurred in saskatoon

240

00:12:16,360 --> 00:12:11,450

Sasuke Sasuke watching in December 20th

241

00:12:18,550 --> 00:12:16,370

2017 in brief they state I noticed two

242

00:12:20,470 --> 00:12:18,560

bright lights moving together north

243

00:12:23,440 --> 00:12:20,480

about half way up the sky from the

244

00:12:25,270 --> 00:12:23,450

horizon before they blink together and

245

00:12:27,640 --> 00:12:25,280

met up with a third blinking light then

246

00:12:31,510 --> 00:12:27,650

moved northeast and disappeared over the

247

00:12:33,760 --> 00:12:31,520

top of the houses in more detail they

248

00:12:35,950 --> 00:12:33,770

state 609 a.m. I pull out my phone to

249

00:12:39,010 --> 00:12:35,960

change my music while I wait for my car

250

00:12:41,290 --> 00:12:39,020

pool in my front yard I noticed two

251
00:12:43,870 --> 00:12:41,300
bright blue-white lights that I assumed

252
00:12:47,140 --> 00:12:43,880
had to be a pair of satellites when they

253
00:12:50,550 --> 00:12:47,150
began to move together relative to the

254
00:12:53,560 --> 00:12:50,560
other stars and clouds very noticeably

255
00:12:55,810 --> 00:12:53,570
the pair of lights blink in unison and

256
00:12:58,990 --> 00:12:55,820
drift to the north east from the east

257
00:13:01,450 --> 00:12:59,000
and from right overhead to about 45

258
00:13:04,570 --> 00:13:01,460
degrees from the horizon just about the

259
00:13:06,880 --> 00:13:04,580
tree tops and rooftops shortly after a

260
00:13:10,240 --> 00:13:06,890
third light comes from the north from a

261
00:13:13,120 --> 00:13:10,250
low to a higher angle and meets with the

262
00:13:15,220 --> 00:13:13,130
other two lights and forms a triangle as

263
00:13:19,150 --> 00:13:15,230

they pass beyond view over the rooftops

264

00:13:21,790 --> 00:13:19,160

I was fascinated at the time but now

265

00:13:24,400 --> 00:13:21,800

I've turned to fear as

266

00:13:27,820 --> 00:13:24,410

for the last ten days I've had more

267

00:13:31,180 --> 00:13:27,830

unrecorded encounters with blue blinking

268

00:13:35,170 --> 00:13:31,190

lights most noticeably tonight at work

269

00:13:38,920 --> 00:13:35,180

and home I have been seeing a blinking

270

00:13:41,710 --> 00:13:38,930

light in the sky then nothing I've shown

271

00:13:44,920 --> 00:13:41,720

my iPhones flash in the same pattern and

272

00:13:46,420 --> 00:13:44,930

got a response after that I locked my

273

00:13:51,340 --> 00:13:46,430

doors and have been writing this report

274

00:13:52,829 --> 00:13:51,350

since thank you for your time oh I am

275

00:13:57,610 --> 00:13:52,839

sure that's terrifying

276

00:14:00,790 --> 00:13:57,620

okay the next UFO sighting this happened

277

00:14:02,650 --> 00:14:00,800

in the Hollande's Virginia this is a UFO

278

00:14:08,410 --> 00:14:02,660

blast from the past this happened on

279

00:14:11,290 --> 00:14:08,420

August 20th 2006 at least a hundred that

280

00:14:14,050 --> 00:14:11,300

first were thought to be stars until

281

00:14:18,190 --> 00:14:14,060

they started moving with half of the sky

282

00:14:20,920 --> 00:14:18,200

glowing clouds covering moon with orange

283

00:14:23,470 --> 00:14:20,930

color enough to light the sky I thought

284

00:14:26,650 --> 00:14:23,480

it was the Sun okay and more detail it

285

00:14:28,329 --> 00:14:26,660

was a big one around 3:00 a.m. I

286

00:14:30,880 --> 00:14:28,339

received a phone call from my two

287

00:14:31,569 --> 00:14:30,890

youngest daughters both were at their

288

00:14:37,060 --> 00:14:31,579

home

289

00:14:38,829 --> 00:14:37,070

approximately one mile away my daughter

290

00:14:41,350 --> 00:14:38,839

told me to go outside that something

291

00:14:43,590 --> 00:14:41,360

strange was going on with the sky before

292

00:14:46,810 --> 00:14:43,600

I could reach the door she called back

293

00:14:48,400 --> 00:14:46,820

hysterical telling me the earth was

294

00:14:52,300 --> 00:14:48,410

spinning out of control

295

00:14:56,050 --> 00:14:52,310

I laughed I asked has she been drinking

296

00:14:59,199 --> 00:14:56,060

so my daughter and I went the earth felt

297

00:15:01,660 --> 00:14:59,209

as if I had fallen off its axis

298

00:15:03,880 --> 00:15:01,670

and was out of control spin you reached

299

00:15:05,590 --> 00:15:03,890

the high fashion hotline hi my family's

300

00:15:07,389 --> 00:15:05,600

ready to embrace that whole new year new

301
00:15:09,699 --> 00:15:07,399
you thing I don't work out closer so

302
00:15:10,120 --> 00:15:09,709
last year old us get to Old Navy now old

303
00:15:11,980 --> 00:15:10,130
Navy

304
00:15:14,590 --> 00:15:11,990
yep right now get up to fifty percent

305
00:15:16,600 --> 00:15:14,600
off all old Av active styles all up to

306
00:15:18,550 --> 00:15:16,610
50% off new me likes the sound of that

307
00:15:20,319 --> 00:15:18,560
active bottoms started just 15 bucks for

308
00:15:22,150 --> 00:15:20,329
adults 12 bucks for kids with tops from

309
00:15:23,889 --> 00:15:22,160
7 bucks for adults 6 bucks for kids at

310
00:15:25,540 --> 00:15:23,899
Old Navy an old Navy comm but hurry it

311
00:15:26,949 --> 00:15:25,550
ends soon that's one resolution we can

312
00:15:29,889 --> 00:15:26,959
actually keep we're going to Old Navy

313
00:15:31,329 --> 00:15:29,899

now high fashioned Old Navy valid 141 10

314

00:15:34,150 --> 00:15:31,339

excludes in-store clearance I think so

315

00:15:35,980 --> 00:15:34,160

fast I thought I was going to fall

316

00:15:38,290 --> 00:15:35,990

okay that's chopped up I would think I

317

00:15:40,780 --> 00:15:38,300

get it half of the sky looked as if it

318

00:15:42,550 --> 00:15:40,790

were a day time the moon had a huge

319

00:15:45,040 --> 00:15:42,560

cloud in front of it luma dating

320

00:15:46,809 --> 00:15:45,050

orange-yellow so bright it was lighting

321

00:15:48,790 --> 00:15:46,819

up the sky when we looked to the other

322

00:15:51,249 --> 00:15:48,800

side it was dark and there were

323

00:15:54,429 --> 00:15:51,259

thousands of stars all of a sudden the

324

00:15:57,999 --> 00:15:54,439

stars started to fly across the sky and

325

00:16:00,369 --> 00:15:58,009

line up about this time I dropped my

326

00:16:02,290 --> 00:16:00,379

knees and began to pray my daughter

327

00:16:05,590 --> 00:16:02,300

thought it was the end times and raced

328

00:16:09,009 --> 00:16:05,600

home after about 100 stars had moved

329

00:16:12,519 --> 00:16:09,019

across the sky they formed a huge craft

330

00:16:16,240 --> 00:16:12,529

and I mean huge and as quick as it was

331

00:16:19,600 --> 00:16:16,250

there it was gone the moon was back to

332

00:16:23,050 --> 00:16:19,610

normal a note that my neighbor had come

333

00:16:24,999 --> 00:16:23,060

out and was walking to his car I had

334

00:16:28,629 --> 00:16:25,009

called out two times for him to look up

335

00:16:30,490 --> 00:16:28,639

it was as if he didn't hear me I made

336

00:16:33,819 --> 00:16:30,500

the comment to my daughter is that if

337

00:16:36,400 --> 00:16:33,829

what we saw we know we saw the military

338

00:16:38,350 --> 00:16:36,410

will release a statement and sure enough

339

00:16:43,439 --> 00:16:38,360

the next morning paper said something

340

00:16:46,470 --> 00:16:43,449

stupid that sounds like the military I

341

00:16:49,090 --> 00:16:46,480

can't recall now but it was laughable

342

00:16:51,639 --> 00:16:49,100

it was laughable just to hear that I

343

00:16:54,910 --> 00:16:51,649

have researched for years trying to find

344

00:16:57,490 --> 00:16:54,920

someone with what I saw can't even come

345

00:17:00,069 --> 00:16:57,500

close but myself and three daughters saw

346

00:17:03,910 --> 00:17:00,079

this I have painted it on my bedroom

347

00:17:05,939 --> 00:17:03,920

wall so when people are told it was so

348

00:17:08,740 --> 00:17:05,949

hard to explain and easier to show

349

00:17:10,750 --> 00:17:08,750

everyone I have told seems to believe me

350

00:17:14,350 --> 00:17:10,760

I thought they would think I was nuts

351
00:17:18,610 --> 00:17:14,360
and there have been times I have had to

352
00:17:21,130 --> 00:17:18,620
get my daughters to confirm it wow that

353
00:17:23,319 --> 00:17:21,140
is like that almost sounds like some

354
00:17:25,840 --> 00:17:23,329
kind of distortion field something took

355
00:17:27,460 --> 00:17:25,850
place and people's memories were wiped

356
00:17:30,520 --> 00:17:27,470
her they were told not to look up isn't

357
00:17:33,610 --> 00:17:30,530
that wild what an interesting story I

358
00:17:36,159 --> 00:17:33,620
must just say it personally I had a

359
00:17:40,480 --> 00:17:36,169
dream that seems so real that was very

360
00:17:42,130 --> 00:17:40,490
much like that and huh Wow but to have

361
00:17:44,770 --> 00:17:42,140
so many people confirmed gosh I would

362
00:17:47,530 --> 00:17:44,780
love to talk to that person Holland's

363
00:17:51,200 --> 00:17:47,540

Virginia hmm sounds like Hollis

364

00:17:54,980 --> 00:17:51,210

all right the next year so citing it

365

00:17:57,730 --> 00:17:54,990

occurred in another big name santa

366

terezinha d Autopia

367

00:18:05,210 --> 00:18:02,870

piranhas mm-hmm okay December 30th 2017

368

00:18:07,580 --> 00:18:05,220

saw a bright white light but couldn't

369

00:18:09,650 --> 00:18:07,590

find source in more detail the witness

370

00:18:12,980 --> 00:18:09,660

states I was walking at sunset near my

371

00:18:14,900 --> 00:18:12,990

parents property we live in a farm it

372

00:18:17,480 --> 00:18:14,910

had rained heavily during the day and

373

00:18:19,910 --> 00:18:17,490

there were many enormous clouds in the

374

00:18:22,910 --> 00:18:19,920

sky above in the southwest direction

375

00:18:26,270 --> 00:18:22,920

there was a very small and fuzzy greyish

376

00:18:29,840 --> 00:18:26,280

cloud very far from any other clouds and

377

00:18:31,700 --> 00:18:29,850

much smaller than the rest it I looked

378

00:18:34,220 --> 00:18:31,710

at it initially because I thought it

379

00:18:37,730 --> 00:18:34,230

looked funny after a few seconds it

380

00:18:39,980 --> 00:18:37,740

flashed a white light I kept looking at

381

00:18:42,380 --> 00:18:39,990

it trying to find the source waiting for

382

00:18:44,030 --> 00:18:42,390

it to flash again I couldn't see any

383

00:18:47,030 --> 00:18:44,040

airplanes or anything like that around

384

00:18:49,540 --> 00:18:47,040

just the cloud and it was moving

385

00:18:52,550 --> 00:18:49,550

southward very slowly

386

00:18:55,310 --> 00:18:52,560

someone told me and I have seen it

387

00:18:58,040 --> 00:18:55,320

myself a couple of times that there is a

388

00:18:59,080 --> 00:18:58,050

small airplane that takes pictures of

389

00:19:01,640 --> 00:18:59,090

the ground

390

00:19:04,100 --> 00:19:01,650

apparently government-owned but I

391

00:19:06,440 --> 00:19:04,110

couldn't see it this time sometimes

392

00:19:09,380 --> 00:19:06,450

airplanes fly nearby as well but I

393

00:19:12,500 --> 00:19:09,390

couldn't see or hear anything either so

394

00:19:15,260 --> 00:19:12,510

I immediately thought it was a UFO for

395

00:19:17,210 --> 00:19:15,270

some reason the way it was slowly moving

396

00:19:19,550 --> 00:19:17,220

made me think that it was something

397

00:19:22,130 --> 00:19:19,560

unknown even though it might as well

398

00:19:25,070 --> 00:19:22,140

just be a regular cloud moving because

399

00:19:27,530 --> 00:19:25,080

of the wind and then the light which I

400

00:19:31,760 --> 00:19:27,540

honestly can't understand and would like

401
00:19:33,710 --> 00:19:31,770
to I felt sure that it was a UFO even

402
00:19:38,510 --> 00:19:33,720
though I've never believed those could

403
00:19:40,970 --> 00:19:38,520
be seen from Earth huh ok and also a bit

404
00:19:43,040 --> 00:19:40,980
curious and afraid I kept looking at it

405
00:19:46,250 --> 00:19:43,050
for a while but could see nothing more

406
00:19:49,100 --> 00:19:46,260
only that it was still moving very

407
00:19:52,420 --> 00:19:49,110
slowly southward and that it appeared to

408
00:19:56,030 --> 00:19:52,430
have smaller clouds under it also

409
00:19:58,400 --> 00:19:56,040
soaring and moving as it was getting

410
00:20:00,980 --> 00:19:58,410
darker I went inside and but for some

411
00:20:05,180 --> 00:20:00,990
reason the incident was still on my mind

412
00:20:09,890 --> 00:20:05,190
so I decided to look the internet about

413
00:20:12,500 --> 00:20:09,900

it huh okay interesting

414

00:20:16,160 --> 00:20:12,510

the next UFO sighting this occurred in

415

00:20:20,900 --> 00:20:16,170

Salem Missouri has happened on December

416

00:20:24,590 --> 00:20:20,910

9th 2017 12 to 15 red lights in the sky

417

00:20:26,540 --> 00:20:24,600

in the Northwest at 8:20 p.m. we

418

00:20:29,090 --> 00:20:26,550

received a text to go outside and look

419

00:20:32,810 --> 00:20:29,100

at the North West strange lights in the

420

00:20:36,140 --> 00:20:32,820

sky the wife and I went outside sure

421

00:20:39,560 --> 00:20:36,150

enough there were 12 to 15 red lights in

422

00:20:41,420 --> 00:20:39,570

the sky not too far above the trees all

423

00:20:43,670 --> 00:20:41,430

lights were at an equal distance from

424

00:20:47,090 --> 00:20:43,680

one another all were hovering at first

425

00:20:49,430 --> 00:20:47,100

then they slowly began moving forward at

426

00:20:51,980 --> 00:20:49,440

the same time in a south southwest

427

00:20:55,250 --> 00:20:51,990

direction very slow

428

00:20:58,130 --> 00:20:55,260

we could hear no engine noise as we were

429

00:21:01,070 --> 00:20:58,140

too far away probably five to seven

430

00:21:03,620 --> 00:21:01,080

miles the witness that reported it to me

431

00:21:07,730 --> 00:21:03,630

said she heard a loud humming coming

432

00:21:10,550 --> 00:21:07,740

from them or it we were unable to tell

433

00:21:13,940 --> 00:21:10,560

if it was one object like the Phoenix

434

00:21:17,600 --> 00:21:13,950

lights or multiple objects whatever it

435

00:21:20,330 --> 00:21:17,610

was it was not airplanes the lights were

436

00:21:23,450 --> 00:21:20,340

a solid color with no flashing or

437

00:21:28,550 --> 00:21:23,460

pulsating of different colors they did

438

00:21:30,850 --> 00:21:28,560

seem to move in unison that's it the

439

00:21:37,400 --> 00:21:30,860

next year for sighting this happened in

440

00:21:41,080 --> 00:21:37,410

Montrose Colorado July 31st 2015 saw

441

00:21:44,480 --> 00:21:41,090

tiny spot then grew to aspirin sized

442

00:21:47,990 --> 00:21:44,490

aspirin sized for a few seconds then got

443

00:21:50,990 --> 00:21:48,000

small and resumed paths in more detail

444

00:21:53,390 --> 00:21:51,000

the witness states sitting on deck

445

00:21:55,400 --> 00:21:53,400

watching the sky thought we were

446

00:21:58,300 --> 00:21:55,410

watching a satellite but it stopped and

447

00:22:00,650 --> 00:21:58,310

grew in size intensity a satellite

448

00:22:02,690 --> 00:22:00,660

traveling west across the southern sky

449

00:22:06,590 --> 00:22:02,700

small pinpoint of light moving about

450

00:22:08,570 --> 00:22:06,600

like a satellite would but it stopped

451
00:22:10,700 --> 00:22:08,580
and then grew either in size or

452
00:22:13,550 --> 00:22:10,710
intensity or both grew to the size of a

453
00:22:14,720 --> 00:22:13,560
small aspirin stay that way for about

454
00:22:17,360 --> 00:22:14,730
ten seconds

455
00:22:20,060 --> 00:22:17,370
it then shrunk back to the pinpoint of

456
00:22:22,789 --> 00:22:20,070
light and resumed its course felt really

457
00:22:26,030 --> 00:22:22,799
strange about it a little freaked out

458
00:22:32,870 --> 00:22:26,040
it eventually traveled beyond what we

459
00:22:35,180 --> 00:22:32,880
could see already okay well in kicking

460
00:22:37,880 --> 00:22:35,190
off this lovely New Year right I thought

461
00:22:40,340 --> 00:22:37,890
this week we would continue on with

462
00:22:43,549 --> 00:22:40,350
inspirational stories of miracles angels

463
00:22:44,960 --> 00:22:43,559

of the paranormal sort I hope they're

464

00:22:47,930 --> 00:22:44,970

still in line with that because

465

00:22:50,900 --> 00:22:47,940

sometimes some of these stories are not

466

00:22:52,700 --> 00:22:50,910

so inspirational but I'm just reading

467

00:22:58,030 --> 00:22:52,710

them randomly all right this one is

468

00:23:04,430 --> 00:23:02,000

know I have angels by my side I've been

469

00:23:06,280 --> 00:23:04,440

so close to death a few times for

470

00:23:09,289 --> 00:23:06,290

instance I was driving down the road

471

00:23:11,690 --> 00:23:09,299

approaching a major intersection the

472

00:23:14,600 --> 00:23:11,700

light was red and I hadn't reached the

473

00:23:18,049 --> 00:23:14,610

stoplight yet before I got there it

474

00:23:20,720 --> 00:23:18,059

turned green I said to myself cool I

475

00:23:23,030 --> 00:23:20,730

don't have to stop I can keep going

476

00:23:26,900 --> 00:23:23,040

that's when a squirrel ran out in front

477

00:23:29,150 --> 00:23:26,910

of me and I slammed on my brakes no one

478

00:23:30,799 --> 00:23:29,160

was in front or behind me but I was

479

00:23:34,700 --> 00:23:30,809

ready to go through the intersection at

480

00:23:38,060 --> 00:23:34,710

the same time as a speeding car running

481

00:23:39,980 --> 00:23:38,070

a red in the opposite direction if that

482

00:23:42,020 --> 00:23:39,990

little squirrel didn't run out in front

483

00:23:44,240 --> 00:23:42,030

of me I would have been killed

484

00:23:47,510 --> 00:23:44,250

the guy who ran the light was going

485

00:23:51,140 --> 00:23:47,520

about 60 maybe an angel threw a nut

486

00:23:53,180 --> 00:23:51,150

across the street for the squirrel or

487

00:23:53,810 --> 00:23:53,190

gave him a poke in the rear oh that's

488

00:23:56,690 --> 00:23:53,820

hilarious

489

00:23:59,510 --> 00:23:56,700

or maybe the squirrel was the angel oh

490

00:24:05,780 --> 00:23:59,520

by the way I didn't hit the squirrel he

491

00:24:10,310 --> 00:24:05,790

ran on his little hero way all right

492

00:24:13,190 --> 00:24:10,320

here we go this one is called angels are

493

00:24:15,740 --> 00:24:13,200

real I have been living a reckless life

494

00:24:18,230 --> 00:24:15,750

for quite some time I have put myself in

495

00:24:21,260 --> 00:24:18,240

situations that most people would not

496

00:24:23,710 --> 00:24:21,270

have survived as my life became more

497

00:24:26,720 --> 00:24:23,720

reckless and dangerous my family told me

498

00:24:28,019 --> 00:24:26,730

something has to be watching you or

499

00:24:30,389 --> 00:24:28,029

protecting you

500

00:24:32,249 --> 00:24:30,399

I had started to lose my face until one

501
00:24:36,149 --> 00:24:32,259
night my mother came to my bedroom and

502
00:24:39,539 --> 00:24:36,159
told me please change death is following

503
00:24:43,739 --> 00:24:39,549
you I have never seen someone go through

504
00:24:45,479 --> 00:24:43,749
so much and live please change after not

505
00:24:48,440 --> 00:24:45,489
praying for years I laid in my bed and

506
00:24:52,200 --> 00:24:48,450
prayed lord please send me a sign

507
00:24:54,690 --> 00:24:52,210
anything I need help please because my

508
00:24:57,419 --> 00:24:54,700
luck is running out for my sake of my

509
00:25:02,579 --> 00:24:57,429
family's sake help me please

510
00:25:05,639 --> 00:25:02,589
so no sign came that is until I started

511
00:25:09,060 --> 00:25:05,649
to doze off and awoke in a state that I

512
00:25:12,930 --> 00:25:09,070
cannot explain I could not move I opened

513
00:25:14,820 --> 00:25:12,940

my eyes and above my bed was a light the

514

00:25:15,779 --> 00:25:14,830

brightest most beautiful light I have

515

00:25:19,409 --> 00:25:15,789

ever seen

516

00:25:22,709 --> 00:25:19,419

it was pulsating and glowing white so

517

00:25:26,279 --> 00:25:22,719

bright it lit my room up then it was

518

00:25:31,919 --> 00:25:26,289

gone I know it was an angel sent from

519

00:25:37,079 --> 00:25:31,929

God wow that's pretty cool this next one

520

00:25:38,969 --> 00:25:37,089

is called signs I cannot explain I'm not

521

00:25:41,729 --> 00:25:38,979

sure if it's my grandmother but I see a

522

00:25:45,019 --> 00:25:41,739

woman she follows me as though she is

523

00:25:47,879 --> 00:25:45,029

watching me protecting me she's my light

524

00:25:50,279 --> 00:25:47,889

every now and again I go through moments

525

00:25:54,659 --> 00:25:50,289

in my days feeling like I've already

526
00:25:56,519 --> 00:25:54,669
done this and now there's a sign pops in

527
00:25:58,969 --> 00:25:56,529
and out of my head at random times I

528
00:26:02,339 --> 00:25:58,979
just can't leave it alone I find myself

529
00:26:06,419 --> 00:26:02,349
drawing to it so much because I need to

530
00:26:09,539 --> 00:26:06,429
see it on paper guess a shield of light

531
00:26:11,940 --> 00:26:09,549
in the dark uh-huh okay I'm not sure

532
00:26:15,389 --> 00:26:11,950
about that one next one angel in the

533
00:26:18,389 --> 00:26:15,399
mall during a very rough time last week

534
00:26:20,759 --> 00:26:18,399
my daughter and I went to the mall at

535
00:26:23,749 --> 00:26:20,769
the bottom of the escalator a quote lady

536
00:26:26,940 --> 00:26:23,759
approached us and started a conversation

537
00:26:29,909 --> 00:26:26,950
she asked me a lot about where I was

538
00:26:32,789 --> 00:26:29,919

from etc then she told me that this

539

00:26:34,859 --> 00:26:32,799

rough time would pass the girls at

540

00:26:36,930 --> 00:26:34,869

school were jealous of my daughter and

541

00:26:39,940 --> 00:26:36,940

she just needs to hold her head up high

542

00:26:42,490 --> 00:26:39,950

and not respond Wow

543

00:26:45,759 --> 00:26:42,500

how did she know there was a showdown at

544

00:26:47,830 --> 00:26:45,769

her school the day before she also said

545

00:26:49,930 --> 00:26:47,840

that my daughter will have her pick of

546

00:26:52,629 --> 00:26:49,940

colleges to choose from she's a

547

00:26:55,750 --> 00:26:52,639

straight-a student since kindergarten

548

00:26:58,509 --> 00:26:55,760

she also looked deep in my eyes and told

549

00:27:01,830 --> 00:26:58,519

me that she knew I had been to hell and

550

00:27:04,930 --> 00:27:01,840

back but this will all make me stronger

551
00:27:07,840 --> 00:27:04,940
before we left she said that she sees

552
00:27:10,659 --> 00:27:07,850
six angels around my daughter and six

553
00:27:13,870 --> 00:27:10,669
around me we weren't alone

554
00:27:16,419 --> 00:27:13,880
oh she also reminded me to keep

555
00:27:19,930 --> 00:27:16,429
surrounding myself and my daughter with

556
00:27:21,700 --> 00:27:19,940
protection that it works I surround

557
00:27:27,870 --> 00:27:21,710
myself and daughter with the white light

558
00:27:30,700 --> 00:27:27,880
every day how did she know very cool

559
00:27:33,659 --> 00:27:30,710
this next one is called my mom's Angels

560
00:27:36,519 --> 00:27:33,669
my mom is 89 years old and lives alone

561
00:27:39,340 --> 00:27:36,529
she says that angels are constantly

562
00:27:41,710 --> 00:27:39,350
visiting her and bothering her waking

563
00:27:43,779 --> 00:27:41,720

her up when she sleeps too much they

564

00:27:47,019 --> 00:27:43,789

scare her and don't make her feel

565

00:27:49,750 --> 00:27:47,029

comfortable she can't understand what

566

00:27:54,759 --> 00:27:49,760

they want sure those are angels what is

567

00:27:58,509 --> 00:27:54,769

that all right yes next one is called

568

00:28:00,909 --> 00:27:58,519

what I believe must be an angel I was a

569

00:28:03,279 --> 00:28:00,919

manager of a radio broadcast station I

570

00:28:05,620 --> 00:28:03,289

worked the morning show in which I had

571

00:28:07,570 --> 00:28:05,630

to wake every morning at 3:00 a.m. oh

572

00:28:11,289 --> 00:28:07,580

hush your mouth that's terrible

573

00:28:13,960 --> 00:28:11,299

in order to get all my prep together by

574

00:28:16,509 --> 00:28:13,970

5:00 a.m. which is air time the night

575

00:28:19,750 --> 00:28:16,519

before i brough lee woke up at 11:00

576

00:28:21,970 --> 00:28:19,760

p.m. and was sound asleep by 9:30

577

00:28:25,539 --> 00:28:21,980

yet had to call the radio station

578

00:28:28,539 --> 00:28:25,549

urgently i was initially disoriented yet

579

00:28:30,669 --> 00:28:28,549

driven and barking orders to my equally

580

00:28:34,360 --> 00:28:30,679

sound asleep husband who responded

581

00:28:36,370 --> 00:28:34,370

beautifully to my orders huh i asked my

582

00:28:38,860 --> 00:28:36,380

husband to get on the cellphone and get

583

00:28:42,310 --> 00:28:38,870

ready to call 9-1-1 when I called the

584

00:28:44,710 --> 00:28:42,320

station the talent on hey air and for me

585

00:28:45,789 --> 00:28:44,720

that there was a stranger in the studio

586

00:28:48,669 --> 00:28:45,799

with a gun

587

00:28:50,980 --> 00:28:48,679

Oh i signaled my husband to call 9-1-1

588

00:28:53,379 --> 00:28:50,990

while i asked to speak to the stranger

589

00:28:55,180 --> 00:28:53,389

who was highly agitated

590

00:28:57,339 --> 00:28:55,190

I was able to talk to the man who

591

00:28:59,589 --> 00:28:57,349

threatened my friend my staff member and

592

00:29:02,079 --> 00:28:59,599

engaged him until the Sheriff's Office

593

00:29:04,479 --> 00:29:02,089

arrived and my staff member was saved

594

00:29:06,999 --> 00:29:04,489

there is no other explanation other than

595

00:29:10,449 --> 00:29:07,009

an angel informed me of danger and

596

00:29:13,509 --> 00:29:10,459

guided me though on how to handle it Wow

597

00:29:16,749 --> 00:29:13,519

that's pretty cool all right this next

598

00:29:19,149 --> 00:29:16,759

one is called my angel I have an angel

599

00:29:21,789 --> 00:29:19,159

that was sent by God to be my eternal

600

00:29:23,529 --> 00:29:21,799

companion before this encounter I was

601
00:29:25,719 --> 00:29:23,539
having some very vivid nightmares

602
00:29:27,759 --> 00:29:25,729
the nightmares were so violent and

603
00:29:30,279 --> 00:29:27,769
disturbing that I had insomnia but

604
00:29:31,440 --> 00:29:30,289
falling asleep during daytime only made

605
00:29:35,139 --> 00:29:31,450
the problem worse

606
00:29:37,209 --> 00:29:35,149
finally I prayed to God for help within

607
00:29:40,269 --> 00:29:37,219
a week I was taken into heaven and

608
00:29:42,639 --> 00:29:40,279
introduced to a special angel it took a

609
00:29:44,919 --> 00:29:42,649
while for me to trust him but for one

610
00:29:47,859 --> 00:29:44,929
and a half years now he has been by my

611
00:29:49,899 --> 00:29:47,869
side first he appeared in many vivid

612
00:29:51,549 --> 00:29:49,909
dreams to drive out any threats that

613
00:29:53,619 --> 00:29:51,559

appeared there I'd like that

614

00:29:56,409 --> 00:29:53,629

then he made himself known at other

615

00:29:58,930 --> 00:29:56,419

places in my life often when I lay down

616

00:30:01,719 --> 00:29:58,940

at night I feel his arms wrap around me

617

00:30:04,629 --> 00:30:01,729

and I fall asleep knowing I am protected

618

00:30:07,930 --> 00:30:04,639

at times when I begin to feel filled

619

00:30:11,409 --> 00:30:07,940

with doubt he gently reminds me to seek

620

00:30:13,539 --> 00:30:11,419

god this angels love and devotion for

621

00:30:16,989 --> 00:30:13,549

622

00:30:18,849 --> 00:30:16,999

623

encounters over the last year and a half

625

00:30:28,359 --> 00:30:24,820
