

# UFO Headline News | Thursday January 4th, 2018

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:11,030 --> 00:00:03,740  
the UFO headline news with me today is

2  
00:00:15,079 --> 00:00:11,040  
Thursday 18 blasting off with some

3  
00:00:20,349 --> 00:00:15,089  
wonderful UFO reports this one took

4  
00:00:25,130 --> 00:00:20,359  
place in Aust Westry Oswestry England

5  
00:00:27,310 --> 00:00:25,140  
this occurred December 28th 2017 in

6  
00:00:30,410 --> 00:00:27,320  
brief the witness states this object

7  
00:00:35,479 --> 00:00:30,420  
glittered like Venus but wrong time of

8  
00:00:39,830 --> 00:00:35,489  
day and moved bright random colors moved

9  
00:00:42,369 --> 00:00:39,840  
left to right fade it out in more detail

10  
00:00:46,970 --> 00:00:42,379  
the witness states I spotted this small

11  
00:00:49,959 --> 00:00:46,980  
distant iridescent sphere whilst whilst

12  
00:00:53,750 --> 00:00:49,969  
they said whilst standing in my garden I

13  
00:00:57,319 --> 00:00:53,760

have an open garden surrounded by nearby

14

00:01:02,750 --> 00:00:57,329

ok I quit open countryside with a great

15

00:01:05,479 --> 00:01:02,760

view of the sky I live alone and pop out

16

00:01:08,570 --> 00:01:05,489

into the garden to look for interesting

17

00:01:10,940 --> 00:01:08,580

objects several times every night this

18

00:01:13,670 --> 00:01:10,950

glittering star like object immediately

19

00:01:17,390 --> 00:01:13,680

caught my eye because it was out of

20

00:01:20,630 --> 00:01:17,400

place it was low over the neighboring

21

00:01:23,719 --> 00:01:20,640

rooftops at about 40 to 45 degrees

22

00:01:27,260 --> 00:01:23,729

altitude the sky was clear without any

23

00:01:30,350 --> 00:01:27,270

visible cloud cover as I watched I

24

00:01:33,859 --> 00:01:30,360

realized that it was moving slowly and

25

00:01:38,359 --> 00:01:33,869

steadily in a southerly direction thus

26  
00:01:41,300 --> 00:01:38,369  
no planet or star I watched for a minute

27  
00:01:44,630 --> 00:01:41,310  
or so and then took a chance by running

28  
00:01:46,730 --> 00:01:44,640  
in to grab my binos I think those are

29  
00:01:50,270 --> 00:01:46,740  
binoculars which were directly behind

30  
00:01:53,899 --> 00:01:50,280  
the door to my relief it was still there

31  
00:01:57,620 --> 00:01:53,909  
and visible when I returned the binos

32  
00:02:01,069 --> 00:01:57,630  
made it even harder to focus it was just

33  
00:02:05,300 --> 00:02:01,079  
like a spherical mass of random swirling

34  
00:02:08,300 --> 00:02:05,310  
colors it then faded out as they often

35  
00:02:10,880 --> 00:02:08,310  
do given the low positioning in the sky

36  
00:02:13,940 --> 00:02:10,890  
the fading out could possibly be

37  
00:02:16,790 --> 00:02:13,950  
attributed to a low cloud bank

38  
00:02:20,180 --> 00:02:16,800

I live directly under a major UK flight

39

00:02:23,860 --> 00:02:20,190

path including nearby Manchester Airport

40

00:02:28,610 --> 00:02:23,870

I know all civilian and military

41

00:02:31,820 --> 00:02:28,620

aircraft frequently watch an ID visible

42

00:02:35,150 --> 00:02:31,830

satellites on my phone and am familiar

43

00:02:36,470 --> 00:02:35,160

with the celestial constellations in

44

00:02:39,800 --> 00:02:36,480

other words this person knows their

45

00:02:43,339 --> 00:02:39,810

stuff I regularly visit military air

46

00:02:47,449 --> 00:02:43,349

shows M 59 years of age and used to be a

47

00:02:50,120 --> 00:02:47,459

member of the local now folded UFO Club

48

00:02:52,490 --> 00:02:50,130

this was just the kind of thing I hope

49

00:02:57,080 --> 00:02:52,500

to see when I go out into my garden all

50

00:03:00,500 --> 00:02:57,090

year round it was something very unusual

51  
00:03:03,140 --> 00:03:00,510  
right Shay that's interesting okay the

52  
00:03:05,630 --> 00:03:03,150  
next you know full sighting oh my

53  
00:03:11,890 --> 00:03:05,640  
goodness this name I'm a slaughter this

54  
00:03:13,100 --> 00:03:11,900  
one UFO sighting and Kawana cocky Hawaii

55  
00:03:16,190 --> 00:03:13,110  
mmhmm

56  
00:03:19,599 --> 00:03:16,200  
Kawana cocky I believe so alright this

57  
00:03:23,319 --> 00:03:19,609  
occurred up January 1st of this year

58  
00:03:26,900 --> 00:03:23,329  
2018 three people observed an

59  
00:03:31,699 --> 00:03:26,910  
unidentifiable object floating across

60  
00:03:37,490 --> 00:03:31,709  
the sky then disappearing in more detail

61  
00:03:41,120 --> 00:03:37,500  
they state New Year's 1225 ish a.m. and

62  
00:03:43,039 --> 00:03:41,130  
Kawana cocky Hawaii right after the

63  
00:03:47,360 --> 00:03:43,049

neighborhood finished the 20 minute long

64

00:03:50,509 --> 00:03:47,370

fireworks show in ranch camp I was

65

00:03:54,349 --> 00:03:50,519

alerted by my father to go look out in

66

00:03:57,080 --> 00:03:54,359

the sky what the f is that that's I'm

67

00:03:59,120 --> 00:03:57,090

quoting I was followed outside by my

68

00:04:02,240 --> 00:03:59,130

mother to the south side of the house we

69

00:04:05,300 --> 00:04:02,250

witnessed a bright red orange object

70

00:04:07,640 --> 00:04:05,310

floating eastbound approximately five

71

00:04:10,640 --> 00:04:07,650

hundred to a thousand feet off the ocean

72

00:04:13,809 --> 00:04:10,650

it did not have any blinking lights and

73

00:04:16,400 --> 00:04:13,819

was just kind of a steady brilliant glow

74

00:04:19,069 --> 00:04:16,410

my father and I both agree it was

75

00:04:21,949 --> 00:04:19,079

probably doing less than a hundred miles

76  
00:04:24,020 --> 00:04:21,959  
per hour my mother and father are both

77  
00:04:27,040 --> 00:04:24,030  
skeptics when it comes to such things

78  
00:04:29,800 --> 00:04:27,050  
yet neither of them could process

79  
00:04:31,330 --> 00:04:29,810  
the skeptics response to what we were

80  
00:04:33,939 --> 00:04:31,340  
seeing all right

81  
00:04:37,210 --> 00:04:33,949  
it continued on an Eastern Pass for

82  
00:04:40,719 --> 00:04:37,220  
maybe one minute then slowly turned

83  
00:04:44,529 --> 00:04:40,729  
south for 30 seconds or so then slowly

84  
00:04:45,909 --> 00:04:44,539  
vanished I was able to get some crappy

85  
00:04:48,369 --> 00:04:45,919  
sell video of it

86  
00:04:50,890 --> 00:04:48,379  
I'm sure dozens of people had to have

87  
00:04:54,550 --> 00:04:50,900  
seen it as everyone was still bringing

88  
00:04:56,080 --> 00:04:54,560

in the new year I am Telling You guys I

89

00:04:58,510 --> 00:04:56,090

don't know if you've noticed this has

90

00:05:01,600 --> 00:04:58,520

been pretty darn consistent with the

91

00:05:05,230 --> 00:05:01,610

fireworks celebration for the new year

92

00:05:06,580 --> 00:05:05,240

lots and lots of UFO sightings maybe

93

00:05:07,930 --> 00:05:06,590

they're just kind of like a bug to a

94

00:05:09,820 --> 00:05:07,940

flame and they just want to see the

95

00:05:12,610 --> 00:05:09,830

pretty lights or maybe they like

96

00:05:15,100 --> 00:05:12,620

fireworks who knows moving on you will

97

00:05:20,020 --> 00:05:15,110

feel sighting in Palm Coast Florida

98

00:05:22,779 --> 00:05:20,030

this occurred January 1st 2018 glowing

99

00:05:25,839 --> 00:05:22,789

objects flying with some fireworks like

100

00:05:30,129 --> 00:05:25,849

I daresay again then hover across sky

101  
00:05:32,980 --> 00:05:30,139  
then head out into clouds in more detail

102  
00:05:35,680 --> 00:05:32,990  
they say looking at fireworks also

103  
00:05:39,070 --> 00:05:35,690  
looking for cat that was attacked by dog

104  
00:05:44,200 --> 00:05:39,080  
and smoking a cigarette after watching

105  
00:05:48,370 --> 00:05:44,210  
the ball drop I'm imagining it in my

106  
00:05:51,850 --> 00:05:48,380  
head glowing balls seem to be ash embers

107  
00:05:56,260 --> 00:05:51,860  
floating they kept flying then shot away

108  
00:06:01,990 --> 00:05:56,270  
into the clouds my thoughts were no BS

109  
00:06:04,899 --> 00:06:02,000  
just mind trick then thought no way the

110  
00:06:06,909 --> 00:06:04,909  
mind trick is to believe these were just

111  
00:06:07,899 --> 00:06:06,919  
glowing embers I like that that was a

112  
00:06:10,120 --> 00:06:07,909  
flip slipper ooh

113  
00:06:13,029 --> 00:06:10,130

flipper ooh then shot up through the

114

00:06:19,860 --> 00:06:13,039

clouds in a way four balls change

115

00:06:25,930 --> 00:06:23,680

the next useful sighting this occurred

116

00:06:30,339 --> 00:06:25,940

in Malabar Florida

117

00:06:33,149 --> 00:06:30,349

this occurred December 31st 2017

118

00:06:38,320 --> 00:06:33,159

in brief the witness states falling down

119

00:06:41,040 --> 00:06:38,330

large orange glow fought gravity moved

120

00:06:46,050 --> 00:06:41,050

left and right up down then

121

00:06:48,330 --> 00:06:46,060

burned out in more detail at a they I'm

122

00:06:51,090 --> 00:06:48,340

not kidding they put bomb fire like

123

00:06:53,910 --> 00:06:51,100

somebody threw a bomb they mean bonfire

124

00:06:54,600 --> 00:06:53,920

in Malibu Florida with three other

125

00:06:58,590 --> 00:06:54,610

people

126

00:07:01,110 --> 00:06:58,600

I always sky watch it was a full moon I

127

00:07:04,700 --> 00:07:01,120

saw an orange object kind of large for a

128

00:07:07,380 --> 00:07:04,710

meteor I yelled for everyone to look it

129

00:07:11,430 --> 00:07:07,390

headed toward Earth heading into

130

00:07:15,090 --> 00:07:11,440

atmosphere it slowed fraught the

131

00:07:17,280 --> 00:07:15,100

atmosphere fraught moved right then left

132

00:07:20,220 --> 00:07:17,290

and backwards all the while getting

133

00:07:24,390 --> 00:07:20,230

smaller it again move left and seemed to

134

00:07:28,980 --> 00:07:24,400

either flame out or reserved out of the

135

00:07:32,850 --> 00:07:28,990

atmosphere it lasted about one minute

136

00:07:35,370 --> 00:07:32,860

and 50 seconds that's pretty specific we

137

00:07:38,790 --> 00:07:35,380

were all amazed trying to understand the

138

00:07:41,340 --> 00:07:38,800

way it was moving and wondering what

139

00:07:44,340 --> 00:07:41,350

logical answer would there be for that

140

00:07:47,130 --> 00:07:44,350

kind of decisive movement when it

141

00:07:49,080 --> 00:07:47,140

finally disappeared I started to go

142

00:07:55,470 --> 00:07:49,090

online to see if there were any other

143

00:07:57,950 --> 00:07:55,480

sightings the end this next UFO sighting

144

00:08:02,520 --> 00:07:57,960

black triangle sighting in Bemis Point

145

00:08:05,670 --> 00:08:02,530

New York this is a UFO blast from the

146

00:08:09,900 --> 00:08:05,680

past this occurred July 10th 2012 in

147

00:08:14,700 --> 00:08:09,910

more details um saw a triangle shape one

148

00:08:16,680 --> 00:08:14,710

half mile out over at agua agua Lake

149

00:08:19,530 --> 00:08:16,690

very bright and slowly shrunk in size

150

00:08:21,870 --> 00:08:19,540

until it disappeared I and another

151  
00:08:23,400 --> 00:08:21,880  
fisherman saw a triangle-shaped light a

152  
00:08:26,940 --> 00:08:23,410  
half mile out over

153  
00:08:30,240 --> 00:08:26,950  
chata Gua lake while we were on my boat

154  
00:08:32,970 --> 00:08:30,250  
dock it was a very clear and the light

155  
00:08:35,820 --> 00:08:32,980  
was big over a hundred feet and about a

156  
00:08:38,190 --> 00:08:35,830  
thousand feet above the water so objects

157  
00:08:39,750 --> 00:08:38,200  
slowly dissipated from the bottom until

158  
00:08:42,270 --> 00:08:39,760  
it disappeared into a point

159  
00:08:45,230 --> 00:08:42,280  
my wife observed the same thing from her

160  
00:08:51,750 --> 00:08:45,240  
car about one mile away

161  
00:08:54,000 --> 00:08:51,760  
interesting validation the next not UFO

162  
00:08:56,640 --> 00:08:54,010  
sighting in alien encounter

163  
00:09:01,790 --> 00:08:56,650

this happened here in Chicago Illinois

164

00:09:07,590 --> 00:09:01,800

right where I'm at Wow December 26 2017

165

00:09:09,570 --> 00:09:07,600

alien manifestation in photo my daughter

166

00:09:10,740 --> 00:09:09,580

while visiting this Shedd Aquarium at

167

00:09:13,830 --> 00:09:10,750

Chicago Illinois

168

00:09:16,860 --> 00:09:13,840

while snapping many photos of aquatic

169

00:09:20,970 --> 00:09:16,870

animal life later showed me the photos

170

00:09:23,420 --> 00:09:20,980

and I found the following anomaly within

171

00:09:27,480 --> 00:09:23,430

the attached photos that clearly shows a

172

00:09:30,810 --> 00:09:27,490

manifesting alien being with an aura

173

00:09:34,980 --> 00:09:30,820

surrounding the being located behind her

174

00:09:41,120 --> 00:09:34,990

approximately 4 to 6 feet distance the

175

00:09:51,560 --> 00:09:46,770

okay moving on UFO sighting in Kursk

176

00:09:55,950 --> 00:09:51,570

kursk oblast this happened January 1st

177

00:09:58,080 --> 00:09:55,960

2018 it is looking like star at first

178

00:10:00,600 --> 00:09:58,090

and suddenly disappeared and glow again

179

00:10:03,180 --> 00:10:00,610

it goes down an upward direction in more

180

00:10:08,130 --> 00:10:03,190

detail the witness states I'm living in

181

00:10:11,760 --> 00:10:08,140

Kursk Russia Wow today January 1st 2018

182

00:10:13,770 --> 00:10:11,770

exactly 12 a.m. we all celebrate New

183

00:10:16,380 --> 00:10:13,780

Year in the place where we all celebrate

184

00:10:18,870 --> 00:10:16,390

all festival that's sounds like a Google

185

00:10:21,990 --> 00:10:18,880

Translation we finished the celebration

186

00:10:24,510 --> 00:10:22,000

on the way to home I and two others saw

187

00:10:27,210 --> 00:10:24,520

the light glow straight in the sky while

188

00:10:29,760 --> 00:10:27,220

walking first I thought it's a star then

189

00:10:32,100 --> 00:10:29,770

it disappear after some minute it

190

00:10:34,260 --> 00:10:32,110

appears again changing direction upward

191

00:10:36,270 --> 00:10:34,270

and downward it disappeared again me and

192

00:10:41,090 --> 00:10:36,280

two guys witnessed it let me know if

193

00:10:46,770 --> 00:10:41,100

anyone witnessed the same that's next

194

00:10:48,870 --> 00:10:46,780

UFO sighting in Eureka California it's

195

00:10:51,750 --> 00:10:48,880

happened on January 1st 2018

196

00:10:54,450 --> 00:10:51,760

well January 1st was a busy day flying

197

00:10:56,850 --> 00:10:54,460

then split into two in more detail the

198

00:10:59,970 --> 00:10:56,860

witness states I was locking up my truck

199

00:11:03,780 --> 00:10:59,980

and looked into the sky and noticed an

200

00:11:06,990 --> 00:11:03,790

orange light almost like a plane heading

201  
00:11:07,860 --> 00:11:07,000  
north to south it stood out to me with

202  
00:11:11,100 --> 00:11:07,870  
object B

203  
00:11:13,950 --> 00:11:11,110  
hazy moving faster than a plane and no

204  
00:11:15,930 --> 00:11:13,960  
flashing lights it seemed like the

205  
00:11:18,810 --> 00:11:15,940  
object had some lights on the front of

206  
00:11:20,970 --> 00:11:18,820  
it and was moving over twice the speed

207  
00:11:23,850 --> 00:11:20,980  
of an airplane at that altitude

208  
00:11:27,060 --> 00:11:23,860  
I stood there watching it to see if it

209  
00:11:29,490 --> 00:11:27,070  
was a plane for about three minutes then

210  
00:11:32,190 --> 00:11:29,500  
all of a sudden split into two and

211  
00:11:37,019 --> 00:11:32,200  
rocketed away from each other going east

212  
00:11:39,660 --> 00:11:37,029  
and west and a high rate of speed after

213  
00:11:41,700 --> 00:11:39,670

its split it was no longer visible

214

00:11:45,450 --> 00:11:41,710

I remain looking in the general vicinity

215

00:11:50,780 --> 00:11:45,460

after another minute to see if it would

216

00:11:56,610 --> 00:11:53,790

the next UFO sighting happened in

217

00:12:02,490 --> 00:11:56,620

Burlington Washington this happened

218

00:12:05,269 --> 00:12:02,500

January 1st 2018 in brief a state bright

219

00:12:08,370 --> 00:12:05,279

orange star like but much brighter

220

00:12:11,220 --> 00:12:08,380

floating into formation than what seemed

221

00:12:16,350 --> 00:12:11,230

like they left one at a time away from

222

00:12:18,810 --> 00:12:16,360

me as their magnitude dropped away okay

223

00:12:22,130 --> 00:12:18,820

in more detail they say going to work

224

00:12:25,410 --> 00:12:22,140

and at 2:54 a.m. on New Year's Day

225

00:12:28,290 --> 00:12:25,420

morning I had just left a house and saw

226

00:12:31,170 --> 00:12:28,300

four bright orange lights that look to

227

00:12:36,269 --> 00:12:31,180

be about forty degrees five miles away

228

00:12:39,329 --> 00:12:36,279

in the very clear sky I am 44 years old

229

00:12:42,290 --> 00:12:39,339

amateur astronomer for years owned an 8

230

00:12:46,860 --> 00:12:42,300

inch and 15 inch reflector telescope

231

00:12:51,240 --> 00:12:46,870

that I ground polished figured and built

232

00:12:54,449 --> 00:12:51,250

myself what wow I've never heard of that

233

00:12:58,050 --> 00:12:54,459

I shared this info to give me some sort

234

00:13:01,730 --> 00:12:58,060

of credibility in my sky observation

235

00:13:04,170 --> 00:13:01,740

skills yeah take that mr. deGrasse Tyson

236

00:13:06,660 --> 00:13:04,180

he says we're not qualified to look at

237

00:13:10,019 --> 00:13:06,670

the sky just so you know the bright

238

00:13:12,630 --> 00:13:10,029

orange lights were silent jet sound

239

00:13:15,269 --> 00:13:12,640

helicopter lights were hovering toward

240

00:13:17,579 --> 00:13:15,279

another till one by one they diminished

241

00:13:18,800 --> 00:13:17,589

in size as if they were traveling away

242

00:13:21,630 --> 00:13:18,810

from me

243

00:13:24,540 --> 00:13:21,640

flares and fireworks

244

00:13:27,930 --> 00:13:24,550

out of the question this was truly my

245

00:13:30,750 --> 00:13:27,940

first experience with UFOs my first

246

00:13:34,140 --> 00:13:30,760

thoughts war flares but root that out

247

00:13:37,290 --> 00:13:34,150

fairly quickly after the motions were

248

00:13:41,070 --> 00:13:37,300

being controlled well that's all I got

249

00:13:45,990 --> 00:13:41,080

thank you well that was it very detailed

250

00:13:50,690 --> 00:13:46,000

okay the next UFO sighting occurred in

251  
00:13:54,180 --> 00:13:50,700  
Palm Bay Florida on December 31st 2017

252  
00:13:57,210 --> 00:13:54,190  
in brief the witness states a strange

253  
00:14:00,420 --> 00:13:57,220  
light at night no sound light faded and

254  
00:14:03,780 --> 00:14:00,430  
could see an object before disappearing

255  
00:14:06,540 --> 00:14:03,790  
all together in more detail they stayed

256  
00:14:09,870 --> 00:14:06,550  
I went outside on my back porch to smoke

257  
00:14:12,360 --> 00:14:09,880  
and read my novel my porch is

258  
00:14:15,770 --> 00:14:12,370  
screened-in while reading I just

259  
00:14:18,480 --> 00:14:15,780  
happened to glance up and saw an unusual

260  
00:14:21,330 --> 00:14:18,490  
orange yellow light that appeared to be

261  
00:14:25,080 --> 00:14:21,340  
moving I stepped out of the screened-in

262  
00:14:27,450 --> 00:14:25,090  
porch to get a better view the light was

263  
00:14:30,690 --> 00:14:27,460

definitely moving across the sky and

264

00:14:34,170 --> 00:14:30,700

appeared to flicker becoming brighter

265

00:14:37,530 --> 00:14:34,180

than softer a few times before fading

266

00:14:41,790 --> 00:14:37,540

and then going out when this light faded

267

00:14:45,330 --> 00:14:41,800

I saw an object it was dark outside and

268

00:14:48,600 --> 00:14:45,340

this thing was pretty far away but it

269

00:14:51,390 --> 00:14:48,610

appeared to be spherical in shape was

270

00:14:55,500 --> 00:14:51,400

dark gray or black in color and seemed

271

00:14:58,710 --> 00:14:55,510

to move effortlessly it made no noise

272

00:15:01,680 --> 00:14:58,720

that I could discern and had progressive

273

00:15:04,680 --> 00:15:01,690

presents get bugs inspiration to help

274

00:15:05,070 --> 00:15:04,690

you do insurance stuff hey get your head

275

00:15:06,960 --> 00:15:05,080

in the game

276

00:15:08,880 --> 00:15:06,970

this ain't no exhibition match this is

277

00:15:10,710 --> 00:15:08,890

for real you've got a house to insure

278

00:15:12,510 --> 00:15:10,720

and there are no excuses because

279

00:15:14,100 --> 00:15:12,520

progressives home quote Explorer makes

280

00:15:15,810 --> 00:15:14,110

it easier than ever to get the coverage

281

00:15:17,610 --> 00:15:15,820

you need here's some music to get you

282

00:15:19,110 --> 00:15:17,620

pumped don't joke a joke a joke up me

283

00:15:20,640 --> 00:15:19,120

hear me here man don't you contribute a

284

00:15:22,140 --> 00:15:20,650

fear that confidence don't joke

285

00:15:25,620 --> 00:15:22,150

interpret to come did I say stop saving

286

00:15:26,970 --> 00:15:25,630

money no don't come so the rest of

287

00:15:29,490 --> 00:15:26,980

casualty insurance company affiliates

288

00:15:33,120 --> 00:15:29,500

and other insurers no other lights on or

289

00:15:34,759 --> 00:15:33,130

around it truthfully I thought this

290

00:15:36,949 --> 00:15:34,769

object may have been a

291

00:15:39,710 --> 00:15:36,959

helicopter at first but when the light

292

00:15:43,729 --> 00:15:39,720

faded and I saw the object against the

293

00:15:46,729 --> 00:15:43,739

sky I really had no idea what it could

294

00:15:49,609 --> 00:15:46,739

have been now this happened today which

295

00:15:53,629 --> 00:15:49,619

is New Year's Eve and yes there were

296

00:15:56,989 --> 00:15:53,639

fireworks around goes the fireworks

297

00:15:59,989 --> 00:15:56,999

again but I know fireworks they do not

298

00:16:02,869 --> 00:15:59,999

fly above your house and disappear over

299

00:16:05,960 --> 00:16:02,879

the horizon this thing was not a

300

00:16:09,139 --> 00:16:05,970

firework it was unlike anything I have

301  
00:16:12,439 --> 00:16:09,149  
ever seen before and did scare me for a

302  
00:16:15,850 --> 00:16:12,449  
moment especially after its light faded

303  
00:16:20,809 --> 00:16:15,860  
out and I could still see quote it

304  
00:16:23,059 --> 00:16:20,819  
moving along the sky silently after the

305  
00:16:25,519 --> 00:16:23,069  
light faded I could only track it for a

306  
00:16:29,389 --> 00:16:25,529  
second or two as it moved toward the

307  
00:16:31,549 --> 00:16:29,399  
horizon I lost track of it due to it

308  
00:16:34,639 --> 00:16:31,559  
being so dark outside and the object

309  
00:16:37,910 --> 00:16:34,649  
having no color or other lights on or

310  
00:16:40,939 --> 00:16:37,920  
around it after it vanished I stood for

311  
00:16:43,249 --> 00:16:40,949  
a moment to collect myself went back in

312  
00:16:46,720 --> 00:16:43,259  
the screen porch and sat down for a few

313  
00:16:49,179 --> 00:16:46,730

minutes to try and think asking myself

314

00:16:52,309 --> 00:16:49,189

did I really just see what I just saw

315

00:16:55,340 --> 00:16:52,319

this can't be happening to me

316

00:16:58,579 --> 00:16:55,350

but it did and I know what I saw

317

00:17:04,240 --> 00:16:58,589

was there and was real and that I do not

318

00:17:08,299 --> 00:17:04,250

know what it was welcome to the party uh

319

00:17:12,199 --> 00:17:08,309

the next UFO sighting black triangle

320

00:17:12,949 --> 00:17:12,209

sighting in Quincy Washington this

321

00:17:18,079 --> 00:17:12,959

happened

322

00:17:21,949 --> 00:17:18,089

December 31st 2017 three blue-white

323

00:17:25,549 --> 00:17:21,959

lights in a triangle in more detail same

324

00:17:28,490 --> 00:17:25,559

as last night orbs in the sky hovering

325

00:17:32,629 --> 00:17:28,500

then making sharp turns and wave-like

326

00:17:35,419 --> 00:17:32,639

movements observed over a field object

327

00:17:39,169 --> 00:17:35,429

still there at present time flickering

328

00:17:42,110 --> 00:17:39,179

blue white ascending and descending 90

329

00:17:47,970 --> 00:17:42,120

degrees turns and all of a sudden stops

330

00:17:56,610 --> 00:17:51,480

the next UFO sighting happened in Naga

331

00:18:02,840 --> 00:17:56,620

ball Naga Bo no boat okay this is Puerto

332

00:18:09,450 --> 00:18:02,850

Rico uh December 31st 2017 cigar-shaped

333

00:18:12,030 --> 00:18:09,460

UFO and na gobo Puerto Rico that is

334

00:18:16,080 --> 00:18:12,040

interesting cigar shaped UFO in Puerto

335

00:18:18,120 --> 00:18:16,090

Rico nug Bo took photos looking at north

336

00:18:24,750 --> 00:18:18,130

and northwest found the object after

337

00:18:27,890 --> 00:18:24,760

reviewing the photos on my computer the

338

00:18:31,100 --> 00:18:27,900

next UFO sighting this occurred in

339

00:18:36,380 --> 00:18:31,110

Tennessee December 18th

340

00:18:40,200 --> 00:18:36,390

2017 fireball at mid tree level then

341

00:18:42,930 --> 00:18:40,210

disintegrated in more detail the witness

342

00:18:45,660 --> 00:18:42,940

states strange things have happened to

343

00:18:49,590 --> 00:18:45,670

me since I was diagnosed with cancer at

344

00:18:52,770 --> 00:18:49,600

age 8 but the specific night something

345

00:18:56,640 --> 00:18:52,780

happened extremely close and I've tried

346

00:18:58,110 --> 00:18:56,650

to figure it out and I just cannot I was

347

00:18:59,520 --> 00:18:58,120

on the phone with my mother standing

348

00:19:02,550 --> 00:18:59,530

outside on my porch

349

00:19:04,950 --> 00:19:02,560

I saw something right in front of me and

350

00:19:07,610 --> 00:19:04,960

even told my mother that I thought I

351  
00:19:09,930 --> 00:19:07,620  
just saw a shooting star or something I

352  
00:19:12,180 --> 00:19:09,940  
brushed it off and went inside and

353  
00:19:16,170 --> 00:19:12,190  
started thinking about what I had just

354  
00:19:18,750 --> 00:19:16,180  
seen and at what level it happened huh I

355  
00:19:21,480 --> 00:19:18,760  
went back outside to retrace what had

356  
00:19:24,300 --> 00:19:21,490  
happened I know the object I saw looked

357  
00:19:27,240 --> 00:19:24,310  
like a bright fireball and when it got

358  
00:19:29,970 --> 00:19:27,250  
to the power liner tree I couldn't tell

359  
00:19:32,940 --> 00:19:29,980  
until the next morning I knew it had

360  
00:19:36,840 --> 00:19:32,950  
either vanished out of thin air or hit

361  
00:19:38,670 --> 00:19:36,850  
something and dissipated I played it

362  
00:19:41,130 --> 00:19:38,680  
over and over in my mind that night and

363  
00:19:44,850 --> 00:19:41,140

looked up what it could have been but

364

00:19:47,250 --> 00:19:44,860

nothing explained what I saw I really

365

00:19:50,100 --> 00:19:47,260

thought it had hit the power line but

366

00:19:54,180 --> 00:19:50,110

then I noticed a chunk out of the tree

367

00:19:56,700 --> 00:19:54,190

at the same level the fireball was I do

368

00:19:58,950 --> 00:19:56,710

not know if it hit the tree or if the

369

00:20:00,960 --> 00:19:58,960

chunk out of the tree is from the

370

00:20:02,909 --> 00:20:00,970

fireball or if

371

00:20:06,510 --> 00:20:02,919

hit the power line but I know it hits

372

00:20:08,610 --> 00:20:06,520

something and vanished there is much

373

00:20:17,070 --> 00:20:08,620

more I could say but I'm going to leave

374

00:20:19,200 --> 00:20:17,080

it at this for now okay I'm gonna see

375

00:20:21,180 --> 00:20:19,210

what the chunk hit does their fireball

376

00:20:23,850 --> 00:20:21,190

pieces laying in the grass I don't know

377

00:20:26,730 --> 00:20:23,860

I would go and check it out okay in

378

00:20:30,149 --> 00:20:26,740

starting off this new year right I am

379

00:20:32,760 --> 00:20:30,159

using this week to reflect on some

380

00:20:35,669 --> 00:20:32,770

inspirational stories of miracles and

381

00:20:36,560 --> 00:20:35,679

angels again I don't read these in

382

00:20:39,779 --> 00:20:36,570

advance

383

00:20:42,720 --> 00:20:39,789

these are people's stories and I'm just

384

00:20:47,789 --> 00:20:42,730

picking the met random this first story

385

00:20:50,880 --> 00:20:47,799

is called prediction in my dream i total

386

00:20:53,909 --> 00:20:50,890

believe in my angel on the 12th of

387

00:20:56,840 --> 00:20:53,919

november night i was praying to my angel

388

00:21:00,750 --> 00:20:56,850

to connect with me in my dream as usual

389

00:21:03,240 --> 00:21:00,760

that night i saw lots of dreams which i

390

00:21:06,090 --> 00:21:03,250

don't remember but i woke up by a male

391

00:21:09,980 --> 00:21:06,100

voice an only thing I remember was he

392

00:21:12,779 --> 00:21:09,990

was saying earthquake between 4 and 5

393

00:21:15,840 --> 00:21:12,789

his words strike me a lot but I was

394

00:21:19,470 --> 00:21:15,850

confused that 4 to 5 he means was the

395

00:21:22,830 --> 00:21:19,480

time or on the Richter scale and to my

396

00:21:25,710 --> 00:21:22,840

surprise on the 14th my husband called

397

00:21:27,690 --> 00:21:25,720

me around 2 p.m. and asked me that if I

398

00:21:31,950 --> 00:21:27,700

had felt the shake that morning around

399

00:21:32,990 --> 00:21:31,960

5:00 a.m. and that it was 5 on the

400

00:21:37,409 --> 00:21:33,000

Richter scale

401  
00:21:41,250 --> 00:21:37,419  
ba-ba-boom the next story is called

402  
00:21:44,220 --> 00:21:41,260  
Encounters of divine protection since I

403  
00:21:46,649 --> 00:21:44,230  
was a young kid I've never had any doubt

404  
00:21:49,049 --> 00:21:46,659  
that my guardian angel protects me

405  
00:21:50,669 --> 00:21:49,059  
whenever I need protection that's how

406  
00:21:53,190 --> 00:21:50,679  
I've lived and prayed through my

407  
00:21:57,180 --> 00:21:53,200  
encounters of divine protection and

408  
00:21:59,539 --> 00:21:57,190  
safekeeping today I'm a semi retired

409  
00:22:04,049 --> 00:21:59,549  
veterinarian belonging to our local

410  
00:22:08,789 --> 00:22:04,059  
guardian angels group developed typed 1

411  
00:22:11,370 --> 00:22:08,799  
diabetes in 1967 now a happy 66 years

412  
00:22:14,790 --> 00:22:11,380  
old with a lot of faith at Jesus with

413  
00:22:17,610 --> 00:22:14,800

all his love will always carry me and to

414

00:22:19,430 --> 00:22:17,620

he needs me at the next level bless you

415

00:22:22,920 --> 00:22:19,440

all with God's grace and all

416

00:22:26,070 --> 00:22:22,930

overpowering love okay I'm just reading

417

00:22:27,450 --> 00:22:26,080

these stories next one who is my angel

418

00:22:30,510 --> 00:22:27,460

that's what it's called

419

00:22:31,920 --> 00:22:30,520

I have several angels and see them each

420

00:22:35,190 --> 00:22:31,930

in different ways

421

00:22:37,200 --> 00:22:35,200

my father is rainbows my grandmother is

422

00:22:39,900 --> 00:22:37,210

butterflies there are orbs and pictures

423

00:22:42,420 --> 00:22:39,910

I know they are there when I photo them

424

00:22:46,230 --> 00:22:42,430

they are red and often in shapes of

425

00:22:49,350 --> 00:22:46,240

angels I have been told I have five one

426

00:22:53,220 --> 00:22:49,360

day I took my very sick dog to the vet

427

00:22:55,980 --> 00:22:53,230

we were at a stoplight and was on my lap

428

00:22:59,430 --> 00:22:55,990

getting hugs and love for his day which

429

00:23:02,190 --> 00:22:59,440

was tough on my dog our light turned

430

00:23:06,090 --> 00:23:02,200

green and I began to accelerate and my

431

00:23:09,000 --> 00:23:06,100

dog his name as who coughed and lost his

432

00:23:11,400 --> 00:23:09,010

breath I immediately stopped and looked

433

00:23:13,890 --> 00:23:11,410

down at him and fear I'd have to run him

434

00:23:16,350 --> 00:23:13,900

back inside to the vet in seconds a

435

00:23:20,040 --> 00:23:16,360

truck sped through the red light with

436

00:23:22,740 --> 00:23:20,050

lightning speed rocking my SUV and that

437

00:23:26,700 --> 00:23:22,750

would have been the end of us my mouth

438

00:23:31,050 --> 00:23:26,710

was open and I gasped and who looked at

439

00:23:33,660 --> 00:23:31,060

me and who is blind and I said Wow

440

00:23:37,650 --> 00:23:33,670

whoo you saved my life with your little

441

00:23:41,280 --> 00:23:37,660

coffin he laid his face on my arm as if

442

00:23:44,520 --> 00:23:41,290

to thank me for saving his he is now one

443

00:23:49,010 --> 00:23:44,530

of my angels near to my heart and at my

444

00:23:53,160 --> 00:23:49,020

feet right now that's just beautiful

445

00:23:53,610 --> 00:23:53,170

this next one is called we both knew who

446

00:23:59,300 --> 00:23:53,620

he was

447

00:24:02,130 --> 00:23:59,310

it happened at tells a Devi jungle poon

448

00:24:05,550 --> 00:24:02,140

we knew we were lost both of us had

449

00:24:07,440 --> 00:24:05,560

almost decided that might be we will

450

00:24:09,960 --> 00:24:07,450

have to spend the rest of the night at

451

00:24:12,510 --> 00:24:09,970

the jungle oh that that's just sounds

452

00:24:15,630 --> 00:24:12,520

like a bad bad nightmare but suddenly

453

00:24:18,210 --> 00:24:15,640

from somewhere a man appeared his looks

454

00:24:21,660 --> 00:24:18,220

were serene in spite of meeting him at

455

00:24:24,390 --> 00:24:21,670

that day of the hour in a jungle not

456

00:24:26,460 --> 00:24:24,400

even for once did we get scared of him

457

00:24:28,649 --> 00:24:26,470

he looked so peaceful

458

00:24:32,070 --> 00:24:28,659

such serenity on his face

459

00:24:36,299 --> 00:24:32,080

his hands were to his knees just like

460

00:24:38,609 --> 00:24:36,309

Sai Baba and as we followed him myself

461

00:24:41,700 --> 00:24:38,619

and my friend stared at each other we

462

00:24:45,389 --> 00:24:41,710

both knew that either he is an angel of

463

00:24:47,849 --> 00:24:45,399

a man sent by an angel for our help and

464

00:24:50,339 --> 00:24:47,859

one of the signals to know if you have

465

00:24:53,879 --> 00:24:50,349

had an angel encounter is if the person

466

00:24:58,169 --> 00:24:53,889

along with you also is enlightened about

467

00:25:00,330 --> 00:24:58,179

it and certainly my friend was we are so

468

00:25:02,489 --> 00:25:00,340

sure that never again in our lives we

469

00:25:04,769 --> 00:25:02,499

are going to meet or see that man I'm

470

00:25:07,799 --> 00:25:04,779

sure he wasn't a common man because

471

00:25:11,549 --> 00:25:07,809

nobody comes for a walk in that area at

472

00:25:13,589 --> 00:25:11,559

7:30 when it's getting pitch dark and he

473

00:25:17,539 --> 00:25:13,599

knew the road which nobody else would

474

00:25:22,859 --> 00:25:17,549

know that's cool

475

00:25:24,690 --> 00:25:22,869

angels in backyard taking picture in my

476

00:25:27,960 --> 00:25:24,700

backyard one and a half years ago I

477

00:25:30,749 --> 00:25:27,970

looked to see how the pics appeared at

478

00:25:33,899 --> 00:25:30,759

present and found that a great awesome

479

00:25:37,169 --> 00:25:33,909

cloud came down my alley

480

00:25:40,680 --> 00:25:37,179

and three UFO shaped like pyramids were

481

00:25:43,399 --> 00:25:40,690

in my backyard three men wearing silver

482

00:25:46,919 --> 00:25:43,409

suits and silver cone-shaped hats

483

00:25:50,249 --> 00:25:46,929

advanced from the UFOs towards me the

484

00:25:53,549 --> 00:25:50,259

one closest to me about eight feet had a

485

00:25:56,549 --> 00:25:53,559

great smile and reached out as if he was

486

00:26:00,570 --> 00:25:56,559

going to hug me he looked as common as

487

00:26:02,570 --> 00:26:00,580

any man except for his silver suit I was

488

00:26:05,999 --> 00:26:02,580

overwhelmed with excitement and surprise

489

00:26:08,430 --> 00:26:06,009

being new to photography the photos were

490

00:26:13,919 --> 00:26:08,440

lost when downloading them to the

491

00:26:16,739 --> 00:26:13,929

computer come on come on the message

492

00:26:19,529 --> 00:26:16,749

error said something about my space on

493

00:26:22,349 --> 00:26:19,539

memory card was used up so that I could

494

00:26:25,019 --> 00:26:22,359

not transfer pics to it this was

495

00:26:28,469 --> 00:26:25,029

extremely frustrating nevertheless the

496

00:26:31,169 --> 00:26:28,479

experience Shores up other encounters

497

00:26:35,639 --> 00:26:31,179

with the kingdom of God in various

498

00:26:41,019 --> 00:26:35,649

visions huh I'm frustrated in hearing

499

00:26:44,899 --> 00:26:41,029

that story I just okay

500

00:26:46,610 --> 00:26:44,909

all righty next next

501  
00:26:49,009 --> 00:26:46,620  
angel story mm-hmm all right my

502  
00:26:51,139 --> 00:26:49,019  
daughter's angels I have a daughter who

503  
00:26:54,049 --> 00:26:51,149  
is permanently disabled and who had

504  
00:26:56,749 --> 00:26:54,059  
open-heart surgery when she was only 3

505  
00:26:58,909 --> 00:26:56,759  
months old and we were told when she was

506  
00:27:01,029 --> 00:26:58,919  
being prepped for surgery that we

507  
00:27:04,039 --> 00:27:01,039  
shouldn't do it and that her prognosis

508  
00:27:06,110 --> 00:27:04,049  
wasn't good and that they would make her

509  
00:27:09,379 --> 00:27:06,120  
as comfortable as possible till she

510  
00:27:12,680 --> 00:27:09,389  
passed obviously we didn't do that and

511  
00:27:13,310 --> 00:27:12,690  
now she is simply amazing since the

512  
00:27:16,850 --> 00:27:13,320  
surgery

513  
00:27:18,799 --> 00:27:16,860

we have been stopped four times in the

514

00:27:22,399 --> 00:27:18,809

last year all by different people who

515

00:27:24,739 --> 00:27:22,409

have said they see angels all around her

516

00:27:27,230 --> 00:27:24,749

and i 100% believe it

517

00:27:29,720 --> 00:27:27,240

God gave me a daughter for a reason and

518

00:27:31,909 --> 00:27:29,730

I am grateful for the Angels who always

519

00:27:34,249 --> 00:27:31,919

take care of her I just thought that

520

00:27:37,639 --> 00:27:34,259

after four different people I don't know

521

00:27:40,460 --> 00:27:37,649

how come up to me and my wife stating

522

00:27:43,340 --> 00:27:40,470

their angels all around my daughter that

523

00:27:45,249 --> 00:27:43,350

they must be onto something God is

524

00:27:49,899 --> 00:27:45,259

amazing

525

00:27:53,840 --> 00:27:49,909

the next inspirational story clear sign

526

00:27:56,600 --> 00:27:53,850

hi yesterday I just asked into nowhere

527

00:27:59,840 --> 00:27:56,610

really please just give me a sign on

528

00:28:02,180 --> 00:27:59,850

what to do I want to relocate from

529

00:28:05,060 --> 00:28:02,190

Ireland to Spain but was not sure if I

530

00:28:06,889 --> 00:28:05,070

should go for it or not the next day I

531

00:28:09,259 --> 00:28:06,899

was looking through one of my many

532

00:28:11,960 --> 00:28:09,269

handbags and I just put my hand in to

533

00:28:14,899 --> 00:28:11,970

grab some coins out of it suddenly I

534

00:28:17,810 --> 00:28:14,909

found myself with a silver ring in my

535

00:28:20,539 --> 00:28:17,820

hand with a cent coin stuck in the

536

00:28:22,850 --> 00:28:20,549

middle of the ring the story behind all

537

00:28:25,820 --> 00:28:22,860

of this is the ring is very important to

538

00:28:28,609 --> 00:28:25,830

me I got it from a boy on my very first

539

00:28:31,100 --> 00:28:28,619

holiday in Spain when I fell in love

540

00:28:33,259 --> 00:28:31,110

with the country and I thought I had

541

00:28:36,379 --> 00:28:33,269

lost the ring forever searched

542

00:28:39,169 --> 00:28:36,389

everywhere but could not find it and the

543

00:28:44,570 --> 00:28:39,179

coin in the middle had the Irish harp on

544

00:28:47,840 --> 00:28:44,580

it so it's Spain Ireland although I am

545

00:28:51,049 --> 00:28:47,850

confused as it is Spain Ireland really

546

00:28:53,460 --> 00:28:51,059

but I still believe this is my own

547

00:28:56,340 --> 00:28:53,470

personal sign to change

548

00:29:00,149 --> 00:28:56,350

my life now what are the odds of that

549

00:29:03,240 --> 00:29:00,159

okay the next story I'll never leave you

550

00:29:05,399 --> 00:29:03,250

nor forsake you at the age of fifteen

551  
00:29:08,130 --> 00:29:05,409  
years old I was riding my four-wheeler I

552  
00:29:11,220 --> 00:29:08,140  
found myself being a boy when I tried to

553  
00:29:14,460 --> 00:29:11,230  
climb a hill with my four-wheeler all by

554  
00:29:17,430 --> 00:29:14,470  
myself with no one there if I were to

555  
00:29:20,600 --> 00:29:17,440  
wreck as I got to the top of the hill my

556  
00:29:23,700 --> 00:29:20,610  
front tire came up a rock in the trail

557  
00:29:26,250 --> 00:29:23,710  
my four-wheeler began to flip back and I

558  
00:29:29,279 --> 00:29:26,260  
had already felt the point of feeling

559  
00:29:32,880 --> 00:29:29,289  
helpless at gaining control as the front

560  
00:29:35,279 --> 00:29:32,890  
end was pointing toward the sky ooh at

561  
00:29:38,549 --> 00:29:35,289  
that point I knew I was in trouble then

562  
00:29:42,750 --> 00:29:38,559  
at an instance I felt a hand of force

563  
00:29:45,570 --> 00:29:42,760

catch me and drove me forward with so

564

00:29:47,850 --> 00:29:45,580

much force I thought that I was going to

565

00:29:51,600 --> 00:29:47,860

go over the front of the four-wheeler as

566

00:29:55,110 --> 00:29:51,610

I hit the ground from that day forward I

567

00:29:58,890 --> 00:29:55,120

vowed to never try to climb that hill

568

00:30:02,210 --> 00:29:58,900

again I am now 28 years old and a

569

00:30:05,909 --> 00:30:02,220

preacher for Christ thank God for that

570

00:30:11,220 --> 00:30:05,919

unseen hand that watches us each and

571

00:30:13,380 --> 00:30:11,230

every day inspiring one well I want to

572

00:30:17,039 --> 00:30:13,390

thank you all for listening to UFO

573

00:30:19,200 --> 00:30:17,049

headline news with me Heidi Hollis be

574

00:30:22,200 --> 00:30:19,210

sure to check out UFO headline news

575

00:30:24,570 --> 00:30:22,210

dot-com every single day where you could

576

00:30:27,480 --> 00:30:24,580

find links to the stories I just read

577

00:30:29,730 --> 00:30:27,490

and the images and also tune in to my

578

00:30:32,940 --> 00:30:29,740

other the starlight lounge presents an

579

00:30:36,960 --> 00:30:32,950

evening with the progressive box

580

00:30:39,180 --> 00:30:36,970

I took a bit of a risk singing that song

581

00:30:41,639 --> 00:30:39,190

but of course the one place I never take

582

00:30:43,740 --> 00:30:41,649

chances is the road where progressive

583

00:30:45,960 --> 00:30:43,750

snapshot rewards your safe driving a

584

00:30:49,200 --> 00:30:45,970

good driver plus snapshot equals big

585

00:30:52,879 --> 00:30:49,210

discounts and speaking of math one plus

586

00:30:54,720 --> 00:30:52,889

one equals two little too late

587

00:30:56,039 --> 00:30:54,730

progressive casualty insurance company

588

00:30:57,299 --> 00:30:56,049

affiliates snapshot not available in

589

00:31:00,029 --> 00:30:57,309

California North Carolina or from all

590

00:31:02,909 --> 00:31:00,039

agents our weekly shows I host Heidi

591

00:31:05,730 --> 00:31:02,919

Hollis's the Outlander show every Friday

592

00:31:08,190 --> 00:31:05,740

8:00 p.m. central 9:00 p.m. Eastern and

593

00:31:11,430 --> 00:31:08,200

I co-host on the Kevin cook show every

594

00:31:14,070 --> 00:31:11,440

Tuesday p.m. central 9:00 p.m. Eastern

595

00:31:18,120 --> 00:31:14,080

and catch my paranormal comic strip the

596

00:31:20,100 --> 00:31:18,130

Outlanders the Outlanders comic calm and

597

00:31:22,409 --> 00:31:20,110

direct links to everything I'm

598

00:31:25,620 --> 00:31:22,419

mentioning here can be found at Heidi

599

00:31:28,740 --> 00:31:25,630

Hollis calm or just go to Inception

600

00:31:30,299 --> 00:31:28,750

Radio Network comm if you've experienced

601  
00:31:32,580 --> 00:31:30,309  
something out of the ordinary and want

602  
00:31:35,700 --> 00:31:32,590  
some level-headed advice or if you've

603  
00:31:38,990 --> 00:31:35,710  
seen a UFO and want to share just write

604  
00:31:44,490 --> 00:31:39,000  
me through Heidi Hollis calm or my email

605  
00:31:47,460 --> 00:31:44,500  
dust remember always to keep an open

606  
00:31:48,430 --> 00:31:47,470  
mind so you can stay informed and
