Outlander show today is Saturday January

12  
00:00:41,630 --> 00:00:37,860  
6 2018 and blasting off with some UFO

13  
00:00:45,170 --> 00:00:41,640

reports a UFO sighting in Lowell

14

00:00:48,369 --> 00:00:45,180

Massachusetts this occurred January 1st

15

00:00:51,830 --> 00:00:48,379

2018 way to start off the new year

16

00:00:54,860 --> 00:00:51,840

multiple hovering lights in semicircle

17

00:00:56,779 --> 00:00:54,870

formation in more detail the witness

18

00:00:59,330 --> 00:00:56,789

states my husband went outside to use

19

00:01:02,599 --> 00:00:59,340

our grill and quickly called me out to

20

00:01:04,789 --> 00:01:02,609

our back deck he pointed out a bright

21

00:01:07,039 --> 00:01:04,799

light which appeared to be hovering in

22

00:01:09,950 --> 00:01:07,049

the distance on the left side of our

23

00:01:11,899 --> 00:01:09,960

property he then pointed to the opposite

24

00:01:15,109 --> 00:01:11,909

side of our property and there were

25

00:01:18,980 --> 00:01:15,119

between five to seven very bright lights

26  
00:01:20,780 --> 00:01:18,990  
which also appeared to be hovering when

27  
00:01:23,480 --> 00:01:20,790  
scanning from the right side of our

28  
00:01:27,200 --> 00:01:23,490  
house to the left side you could clearly

29  
00:01:30,080 --> 00:01:27,210  
see they formed a semicircle around the

30  
00:01:32,359 --> 00:01:30,090  
area since there were some trees

31  
00:01:34,550 --> 00:01:32,369  
obstructing our view outside we ran

32  
00:01:37,850 --> 00:01:34,560  
inside to a large window in the dining

33  
00:01:40,969 --> 00:01:37,860  
room on the side of the house from there

34  
00:01:43,340 --> 00:01:40,979  
we were able to get a very clear view of

35  
00:01:46,850 --> 00:01:43,350  
the lights to the right of our house

36  
00:01:49,069 --> 00:01:46,860  
none were moving all appeared to be

37  
00:01:51,770 --> 00:01:49,079  
hovering we questioned if they were

38  
00:01:53,870 --> 00:01:51,780

perhaps planes but again they were not

39

00:01:57,200 --> 00:01:53,880

moving and there were no additional

40

00:01:59,749 --> 00:01:57,210

lights on them also I'm sure planes

41

00:02:02,600 --> 00:01:59,759

would not even be allowed that close in

42

00:02:04,760 --> 00:02:02,610

proximity to each other I assume being

43

00:02:08,510 --> 00:02:04,770

that they were close they would be

44

00:02:10,520 --> 00:02:08,520

considered in each other's airspace we

45

00:02:12,050 --> 00:02:10,530

sat there and watched them for about 20

46

00:02:13,610 --> 00:02:12,060

minutes and then they abruptly

47

00:02:16,940 --> 00:02:13,620

disappeared

48

00:02:18,440 --> 00:02:16,950

they did not fly away or dim they

49

00:02:20,630 --> 00:02:18,450

literally just disappeared

50

00:02:24,050 --> 00:02:20,640

my husband took video from inside the

51  
00:02:26,630 --> 00:02:24,060  
house which did not come out good likely

52  
00:02:28,210 --> 00:02:26,640  
due to the window glare shortly after

53  
00:02:31,789 --> 00:02:28,220  
they disappeared about 10 minutes

54  
00:02:34,490 --> 00:02:31,799  
another appeared by itself I took video

55  
00:02:36,589 --> 00:02:34,500  
of this one from our deck it's not good

56  
00:02:39,110 --> 00:02:36,599  
quality you can only tell that it is a

57  
00:02:42,710 --> 00:02:39,120  
bright light but you can plainly see

58  
00:02:45,140 --> 00:02:42,720  
that it is not moving just hovering

59  
00:02:48,860 --> 00:02:45,150  
we're not totally sure what we saw but

60  
00:02:50,869 --> 00:02:48,870  
these were definitely not airplanes very

61  
00:02:54,410 --> 00:02:50,879  
curious to know if anyone else in the

62  
00:02:56,449 --> 00:02:54,420  
area saw this as well we live in Lowell

63  
00:03:01,039 --> 00:02:56,459

Massachusetts the Concord River is

64

00:03:03,500 --> 00:03:01,049

directly to the left of our house cool

65

00:03:06,770 --> 00:03:03,510

the next UFO sighting this occurred in

66

00:03:09,470 --> 00:03:06,780

Syracuse around New York yep this

67

00:03:09,920 --> 00:03:09,480

occurred it was a big UFO blast from the

68

00:03:12,140 --> 00:03:09,930

past

69

00:03:16,430 --> 00:03:12,150

alright Hill's always seem to have more

70

00:03:20,180 --> 00:03:16,440

details 1966 may 31st

71

00:03:23,000 --> 00:03:20,190

football shaped object rear red front

72

00:03:25,640 --> 00:03:23,010

green emitting light from these two

73

00:03:29,000 --> 00:03:25,650

areas coming into sight pausing and

74

00:03:31,970 --> 00:03:29,010

continuing in more detail they stayed in

75

00:03:34,129 --> 00:03:31,980

June of 1996 cannot recall specific

76  
00:03:36,409 --> 00:03:34,139  
evening I was outside at Syracuse New

77  
00:03:39,680 --> 00:03:36,419  
York it was a clear night after sunset

78  
00:03:42,589 --> 00:03:39,690  
quite dark I was with three friends no

79  
00:03:45,110 --> 00:03:42,599  
alcohol or anything similar was involved

80  
00:03:47,900 --> 00:03:45,120  
okay there goes everything else uh we

81  
00:03:48,460 --> 00:03:47,910  
noticed a football-shaped light or pair

82  
00:03:53,180 --> 00:03:48,470  
of lights

83  
00:03:55,879 --> 00:03:53,190  
zooming silently and rapidly overhead It

84  
00:03:57,819 --> 00:03:55,889  
was as if a football had a black band

85  
00:04:01,339 --> 00:03:57,829  
around it shorter circumference on

86  
00:04:04,430 --> 00:04:01,349  
either side of this dark area were two

87  
00:04:06,800 --> 00:04:04,440  
lighted areas left of the band was red

88  
00:04:09,979 --> 00:04:06,810

the front part of the football shape was

89

00:04:13,789 --> 00:04:09,989

green these lighted areas are what gave

90

00:04:16,060 --> 00:04:13,799

the object its quote football shape just

91

00:04:18,529 --> 00:04:16,070

picture football with a black band

92

00:04:21,050 --> 00:04:18,539

painted around at shorter circumference

93

00:04:24,830 --> 00:04:21,060

than picture the left-hand part of the

94

00:04:27,170 --> 00:04:24,840

football illuminated red in the area of

95

00:04:29,840 --> 00:04:27,180

the right side of the black band

96

00:04:33,080 --> 00:04:29,850

front part illuminated green then

97

00:04:35,600 --> 00:04:33,090

picture this in a black sky all you

98

00:04:38,629 --> 00:04:35,610

could see were the two lighted areas but

99

00:04:41,150 --> 00:04:38,639

they seem to be part of one object it

100

00:04:44,570 --> 00:04:41,160

zoomed into sight and suddenly stopped

101  
00:04:46,159 --> 00:04:44,580  
it seemed very close to us let's say

102  
00:04:48,980 --> 00:04:46,169  
several hundred feet above the ground

103  
00:04:51,680 --> 00:04:48,990  
ooh wow that's really close after a

104  
00:04:54,080 --> 00:04:51,690  
pause it immediately zoomed on in the

105  
00:04:56,960 --> 00:04:54,090  
same direction and disappeared over the

106  
00:04:59,749 --> 00:04:56,970  
horizon the whole event took less than a

107  
00:05:02,029 --> 00:04:59,759  
minute it was not an airplane it wasn't

108  
00:05:03,980 --> 00:05:02,039  
some searchlight in the sky and the two

109  
00:05:07,400 --> 00:05:03,990  
lighted area stayed the same distance

110  
00:05:09,529 --> 00:05:07,410  
from each other to me it was a black

111  
00:05:12,290 --> 00:05:09,539  
football shaped object that was lighted

112  
00:05:14,960 --> 00:05:12,300  
somehow its rear being red and its front

113  
00:05:17,689 --> 00:05:14,970

being green it was totally silent no

114

00:05:19,640 --> 00:05:17,699

motor noises I had never experienced

115

00:05:20,270 --> 00:05:19,650

anything like it before and never have

116

00:05:22,550 --> 00:05:20,280

again

117

00:05:25,010 --> 00:05:22,560

I've been curious after all these years

118

00:05:29,110 --> 00:05:25,020

if anyone else reported seeing this

119

00:05:33,980 --> 00:05:29,120

phenomenon in Syracuse New York in June

120

00:05:37,700 --> 00:05:33,990

1966 Wow alright the next UFO sighting

121

00:05:43,250 --> 00:05:37,710

oh nice nice nice name I cannot printout

122

00:05:44,710 --> 00:05:43,260

nanny Elmi nanny OMA nano mo yeah no mo

123

00:05:49,430 --> 00:05:44,720

British Columbia

124

00:05:51,830 --> 00:05:49,440

this happened December 31st 2017 -

125

00:05:54,980 --> 00:05:51,840

orange orbs changing speed and direction

126  
00:05:56,629 --> 00:05:54,990  
in more detail witness States myself and

127  
00:05:59,659 --> 00:05:56,639  
some friends have work around a campfire

128  
00:06:01,249 --> 00:05:59,669  
in my backyard since my last sighting

129  
00:06:05,300 --> 00:06:01,259  
earlier in the month I have been looking

130  
00:06:08,629 --> 00:06:05,310  
up much more often into the sky I then

131  
00:06:12,740 --> 00:06:08,639  
noticed two orange orbs south of me

132  
00:06:14,839 --> 00:06:12,750  
heading north and then east they seemed

133  
00:06:17,570 --> 00:06:14,849  
to almost be playing cat and mouse as

134  
00:06:19,520 --> 00:06:17,580  
they would speed up and slow down and

135  
00:06:21,980 --> 00:06:19,530  
follow one another changing speed and

136  
00:06:24,680 --> 00:06:21,990  
direction after about four to five

137  
00:06:26,839 --> 00:06:24,690  
minutes the lights vanished like they

138  
00:06:28,969 --> 00:06:26,849

were turned off while this was happening

139

00:06:31,659 --> 00:06:28,979

I ran it to my house to get my other

140

00:06:35,779 --> 00:06:31,669

guests and kids on the back deck to see

141

00:06:38,930 --> 00:06:35,789

almost a full moon night minimal clouds

142

00:06:41,090 --> 00:06:38,940

and a slight wind my wife and I saw one

143

00:06:43,460 --> 00:06:41,100

orange orb along with it

144

00:06:45,920 --> 00:06:43,470

green and white one earlier that month

145

00:06:47,810 --> 00:06:45,930

and we had told our friends and were

146

00:06:50,810 --> 00:06:47,820

glad that some of the people we told

147

00:06:53,960 --> 00:06:50,820

actually now saw what we saw this night

148

00:06:56,000 --> 00:06:53,970

after that we saw local planes landing

149

00:07:00,230 --> 00:06:56,010

and taken off as well as larger planes

150

00:07:03,230 --> 00:07:00,240

on descent to Vancouver Airport all

151  
00:07:05,300 --> 00:07:03,240  
those had the normal lights and sounds

152  
00:07:08,720 --> 00:07:05,310  
one of my guests has a commercial grade

153  
00:07:10,850 --> 00:07:08,730  
drone and his initial reaction was his

154  
00:07:14,330 --> 00:07:10,860  
drone could not fly that high and he

155  
00:07:17,420 --> 00:07:14,340  
thought it was about 5,000 feet up five

156  
00:07:22,160 --> 00:07:17,430  
adults and two children 7 and 11 saw

157  
00:07:25,180 --> 00:07:22,170  
this all right this next UFO sighting

158  
00:07:30,500 --> 00:07:25,190  
occurred in Bergers Ville Indiana

159  
00:07:33,740 --> 00:07:30,510  
December 29 2017 three domed saucer like

160  
00:07:37,910 --> 00:07:33,750  
bright lights in sky followed by five

161  
00:07:39,650 --> 00:07:37,920  
small balls of light following the

162  
00:07:42,470 --> 00:07:39,660  
picture attached was posted on our

163  
00:07:45,230 --> 00:07:42,480

neighborhood Facebook page the poster

164

00:07:48,950 --> 00:07:45,240

had commented on the perfectly shaped

165

00:07:50,780 --> 00:07:48,960

thawed water line on the lake my

166

00:07:54,140 --> 00:07:50,790

girlfriend and I viewed the objects in

167

00:07:55,610 --> 00:07:54,150

the sky I thought they were strange my

168

00:07:58,640 --> 00:07:55,620

girlfriend ended up posting a comment

169

00:08:01,340 --> 00:07:58,650

about them then several people responded

170

00:08:04,010 --> 00:08:01,350

saying they were glad someone had the

171

00:08:08,210 --> 00:08:04,020

guts to bring that up frame still of

172

00:08:11,990 --> 00:08:08,220

this stuff okay alright next your full

173

00:08:14,090 --> 00:08:12,000

sighting this happened in my hometown Oh

174

00:08:19,700 --> 00:08:14,100

in San Francisco California

175

00:08:23,300 --> 00:08:19,710

December 22nd 2017 glowing green on

176

00:08:26,720 --> 00:08:23,310

December 22nd 2017 at approximately 750

177

00:08:29,620 --> 00:08:26,730

I was text by a co-worker a picture he

178

00:08:33,070 --> 00:08:29,630

just took of a green object in the sky

179

00:08:36,200 --> 00:08:33,080

over the San Francisco Bay approximately

180

00:08:38,930 --> 00:08:36,210

southeast my coworker took the photo

181

00:08:41,270 --> 00:08:38,940

from the roof of our 43 story office

182

00:08:44,000 --> 00:08:41,280

building while doing his daily rounds

183

00:08:46,150 --> 00:08:44,010

and checks as he was taking a picture of

184

00:08:49,430 --> 00:08:46,160

the sunrise he noticed the green object

185

00:08:51,950 --> 00:08:49,440

he saw the object for about 15 minutes I

186

00:08:54,380 --> 00:08:51,960

did not notice the text until about a

187

00:08:55,190 --> 00:08:54,390

half hour later so by the time I was

188

00:08:58,550 --> 00:08:55,200

able to get

189

00:09:00,860 --> 00:08:58,560

the roof the glow was gone while later

190

00:09:03,200 --> 00:09:00,870

looking at the picture on his phone my

191

00:09:07,010 --> 00:09:03,210

coworker showed me that the object

192

00:09:09,860 --> 00:09:07,020

darted around but it was not visible to

193

00:09:11,570 --> 00:09:09,870

the human eye at the time please let me

194

00:09:16,160 --> 00:09:11,580

know what you think well I think it's

195

00:09:20,900 --> 00:09:16,170

cool um next one Oh an alien encounter

196

00:09:22,880 --> 00:09:20,910

in Stevenage England this is a bit of a

197

00:09:26,840 --> 00:09:22,890

blast from the past this happened May

198

00:09:28,850 --> 00:09:26,850

1st 2012 this is not a UFO encounter it

199

00:09:31,340 --> 00:09:28,860

is an alien encounter or something I

200

00:09:35,420 --> 00:09:31,350

just don't know that's what they said ok

201  
00:09:38,000 --> 00:09:35,430  
more detail they say hello one night I

202  
00:09:40,340 --> 00:09:38,010  
got in bed turn the light off so it was

203  
00:09:43,160 --> 00:09:40,350  
dark I put my head on the pillow and

204  
00:09:46,040 --> 00:09:43,170  
blinked 2 or 3 times ready to fall

205  
00:09:49,370 --> 00:09:46,050  
asleep on the last blink I opened my

206  
00:09:52,610 --> 00:09:49,380  
eyes and there was what looked like a

207  
00:09:56,030 --> 00:09:52,620  
tall man standing halfway down my bed

208  
00:09:58,070 --> 00:09:56,040  
looking straight at me I thought that if

209  
00:10:00,140 --> 00:09:58,080  
I ever saw a ghost I would literally

210  
00:10:02,780 --> 00:10:00,150  
poop my pants

211  
00:10:06,170 --> 00:10:02,790  
he is the bad word though but I was not

212  
00:10:09,740 --> 00:10:06,180  
worried at all the man looked tall oh

213  
00:10:12,860 --> 00:10:09,750

boy here we go this is my arena black

214

00:10:15,740 --> 00:10:12,870

suit black tie white shirt I could not

215

00:10:18,500 --> 00:10:15,750

make out his face although he did have a

216

00:10:21,860 --> 00:10:18,510

light-colored shaped face his head

217

00:10:24,200 --> 00:10:21,870

looked like to me a 60 year old with a

218

00:10:27,500 --> 00:10:24,210

Teddy Boy haircut

219

00:10:32,210 --> 00:10:27,510

going a bit bald on top at the front

220

00:10:34,520 --> 00:10:32,220

that he had having same haircut since

221

00:10:36,860 --> 00:10:34,530

his youth after opening my eyes and

222

00:10:38,720 --> 00:10:36,870

seeing this man standing there I quickly

223

00:10:41,270 --> 00:10:38,730

closed him again and open them just as

224

00:10:43,970 --> 00:10:41,280

quick I do not know why I opened my eyes

225

00:10:47,690 --> 00:10:43,980

straightaway but as I did the man bent

226

00:10:51,020 --> 00:10:47,700

forward and held his arms out as if to

227

00:10:53,690 --> 00:10:51,030

grab me I just closed my eyes again next

228

00:10:56,810 --> 00:10:53,700

thing I knew I opened them to see it was

229

00:10:59,960 --> 00:10:56,820

morning and light out but it only felt

230

00:11:02,510 --> 00:10:59,970

like two or three seconds had passed the

231

00:11:04,490 --> 00:11:02,520

memory was as fresh in my mind as if

232

00:11:08,100 --> 00:11:04,500

only 2 or 3 seconds had actually passed

233

00:11:11,220 --> 00:11:08,110

I do not know who to turn to

234

00:11:14,220 --> 00:11:11,230

as this is another incident before after

235

00:11:17,430 --> 00:11:14,230

this one has been playing on my mind it

236

00:11:19,829 --> 00:11:17,440

was not a dream I know that can you

237

00:11:22,800 --> 00:11:19,839

offer in any explanation on what I saw

238

00:11:25,829 --> 00:11:22,810

that night if you wish to know more my

239

00:11:28,650 --> 00:11:25,839

encounters there is one more black suit

240

00:11:30,300 --> 00:11:28,660

incident please let me know if there was

241

00:11:32,190 --> 00:11:30,310

something strange going on it always

242

00:11:36,960 --> 00:11:32,200

happens to me thank you

243

00:11:38,850 --> 00:11:36,970

oh wow he puts us in the wrong category

244

00:11:40,769 --> 00:11:38,860

here I have to see if I could find this

245

00:11:44,730 --> 00:11:40,779

person that is a hat man

246

00:11:47,639 --> 00:11:44,740

hat man hat man happen incident he wears

247

00:11:50,040 --> 00:11:47,649

a suit I named the phenomenon I named

248

00:11:51,990 --> 00:11:50,050

the shadow people phenomenon and yeah

249

00:11:54,780 --> 00:11:52,000

sometimes wears a hat sometimes he does

250

00:11:57,329 --> 00:11:54,790

it could be a trenchcoat a cape

251  
00:11:58,829 --> 00:11:57,339  
three-piece suit sometimes people see

252  
00:12:00,810 --> 00:11:58,839  
details other times they don't sometimes

253  
00:12:03,720 --> 00:12:00,820  
a top hat sometimes a gaucho hat top

254  
00:12:07,680 --> 00:12:03,730  
sometimes a derby hat and even a cowboy

255  
00:12:10,230 --> 00:12:07,690  
hat so hat man is no good yes he is kind

256  
00:12:13,710 --> 00:12:10,240  
of related to the alien phenomenon and

257  
00:12:17,009 --> 00:12:13,720  
yeah if your listing I'd say go to Heidi

258  
00:12:20,670 --> 00:12:17,019  
Hollis calm and look up the Hat man that

259  
00:12:24,480 --> 00:12:20,680  
is unfortunately something I know all

260  
00:12:26,069 --> 00:12:24,490  
too well all right moving on here comes

261  
00:12:29,939 --> 00:12:26,079  
another good word for me to try to

262  
00:12:36,019 --> 00:12:29,949  
pronounce you look sighting in Loch

263  
00:12:42,650 --> 00:12:39,150

this occurred it's a bit of a UFO blast

264

00:12:46,829 --> 00:12:42,660

from the bat of the past September 12

265

00:12:48,960 --> 00:12:46,839

2015 was an orange slow pulsating an

266

00:12:51,360 --> 00:12:48,970

object almost in a football shape

267

00:12:53,819 --> 00:12:51,370

hovering over the lake for roughly five

268

00:12:56,579 --> 00:12:53,829

minutes in more detail they stay at me

269

00:12:58,350 --> 00:12:56,589

and my girlfriend were driving around

270

00:13:00,569 --> 00:12:58,360

for a couple of hours enjoying the night

271

00:13:03,509 --> 00:13:00,579

and came to her arrest at a boat launch

272

00:13:05,340 --> 00:13:03,519

for a cigarette and stretch a leg but

273

00:13:09,090 --> 00:13:05,350

decided not to get out of the car

274

00:13:11,850 --> 00:13:09,100

because we noticed a dim darker orange

275

00:13:13,610 --> 00:13:11,860

glowing football shaped object hovering

276

00:13:16,769 --> 00:13:13,620

over the lake about a mile away and

277

00:13:19,410 --> 00:13:16,779

possibly 500 meters in the air in a

278

00:13:21,870 --> 00:13:19,420

northeast direction there was absolutely

279

00:13:24,570 --> 00:13:21,880

no sound made but the waves

280

00:13:26,250 --> 00:13:24,580

lapping against the shore the object was

281

00:13:30,360 --> 00:13:26,260

just sitting there hovering with a

282

00:13:32,100 --> 00:13:30,370

pulsating dull dark orange glow it gave

283

00:13:34,980 --> 00:13:32,110

us both a chill to see such an

284

00:13:36,780 --> 00:13:34,990

incredible thing and as soon as we were

285

00:13:39,330 --> 00:13:36,790

going to go for our phones to try to

286

00:13:41,340 --> 00:13:39,340

snap a picture the object kind of

287

00:13:44,900 --> 00:13:41,350

dropped down several meters and then

288

00:13:48,000 --> 00:13:44,910

shot up into the sky at a crazy speed

289

00:13:51,780 --> 00:13:48,010

soundless leaving an orange trail behind

290

00:13:53,910 --> 00:13:51,790

that lasted only a few seconds it was

291

00:13:57,480 --> 00:13:53,920

around 1:20 a.m. when the sighting took

292

00:13:59,850 --> 00:13:57,490

place and by 1:25 a.m. it was over and

293

00:14:02,160 --> 00:13:59,860

we were then in a hurry to get out of

294

00:14:04,080 --> 00:14:02,170

there as fast as we could this was the

295

00:14:06,570 --> 00:14:04,090

most incredible thing I have ever seen

296

00:14:10,110 --> 00:14:06,580

in my life as well as my girlfriend but

297

00:14:14,010 --> 00:14:10,120

so very very strange the exact location

298

00:14:17,900 --> 00:14:14,020

was at old lock Labiche Mission Alberta

299

00:14:20,250 --> 00:14:17,910

Canada I'm sorry I slaughtered that name

300

00:14:22,860 --> 00:14:20,260

you know I swear you guys see this

301

00:14:24,660 --> 00:14:22,870

pattern with a lot of these sightings

302

00:14:26,970 --> 00:14:24,670

especially the real good juicy ones

303

00:14:29,430 --> 00:14:26,980

where people are like it was so clear it

304

00:14:32,130 --> 00:14:29,440

was so freaky and I went for my camera

305

00:14:35,580 --> 00:14:32,140

up it's as if it hurt me and it took off

306

00:14:38,160 --> 00:14:35,590

what these things often respond to

307

00:14:40,890 --> 00:14:38,170

people and sometimes mentally people can

308

00:14:43,260 --> 00:14:40,900

say things and they'll respond it's

309

00:14:46,080 --> 00:14:43,270

happened to me I hope it's in a book

310

00:14:48,720 --> 00:14:46,090

really it is just mind-blowing has

311

00:14:51,420 --> 00:14:48,730

happened to me three times pretty pretty

312

00:14:53,910 --> 00:14:51,430

tremendous times to be exact

313

00:14:58,110 --> 00:14:53,920

all right moving on UFO sighting in

314

00:15:00,540 --> 00:14:58,120

Beverly Hills California all right it's

315

00:15:02,370 --> 00:15:00,550

occurred November the starlight lounge

316

00:15:05,640 --> 00:15:02,380

presents an evening at the progressive

317

00:15:08,130 --> 00:15:05,650

318

00:15:10,830 --> 00:15:08,140

319

00:15:12,780 --> 00:15:10,840

ah there it is gotta get things just

320

00:15:14,790 --> 00:15:12,790

now the mood is right wait the lights

325

00:15:26,539 --> 00:15:24,929

are back on again tree can you and now

326

00:15:27,439 --> 00:15:26,549

it's completely dark because the

327

00:15:28,460 --> 00:15:27,449

casualty insurance company and

328

00:15:32,899 --> 00:15:28,470

affiliates price and coverage match

329

00:15:34,789 --> 00:15:32,909

limited by state law for 11th 2017 was

330

00:15:38,449 --> 00:15:34,799

leaving work when I observed these

331

00:15:41,239 --> 00:15:38,459

strange lights in the sky sighting

332

00:15:44,809 --> 00:15:41,249

occurred 11:20 p.m. November 11 2017

333

00:15:47,119 --> 00:15:44,819

Veterans Day the entire sighting lasted

334

00:15:49,069 --> 00:15:47,129

about five minutes I was leaving work in

335

00:15:51,169 --> 00:15:49,079

Beverly Hills California and I was

336

00:15:55,939 --> 00:15:51,179

walking down an alley towards my car

337

00:15:58,639 --> 00:15:55,949

when I saw three glowing red orbs in a

338

00:16:01,129 --> 00:15:58,649

triangle formation just hovering out of

339

00:16:04,129 --> 00:16:01,139

nowhere they hovered and moved about

340

00:16:07,219 --> 00:16:04,139

slightly in complete silence their

341

00:16:10,069 --> 00:16:07,229

movement was very strange very smooth

342

00:16:12,379 --> 00:16:10,079

they reminded me of the way a Marinette

343

00:16:15,649 --> 00:16:12,389

moves for some reason then they

344

00:16:20,479 --> 00:16:15,659

disappeared almost as if camouflaging or

345

00:16:22,429 --> 00:16:20,489

cloaking one by one to my utter shock at

346

00:16:24,859 --> 00:16:22,439

first I thought they might be drones

347

00:16:27,799 --> 00:16:24,869

however they seemed larger than any

348

00:16:30,649 --> 00:16:27,809

drone I have ever seen approximately

349

00:16:33,019 --> 00:16:30,659

car-sized accounting for distance they

350

00:16:35,899 --> 00:16:33,029

did not have any strobing or other

351

00:16:37,639 --> 00:16:35,909

lighting like aircraft typically do the

352

00:16:39,799 --> 00:16:37,649

weather was somewhat foggy and I

353

00:16:41,329 --> 00:16:39,809

couldn't quite make out their shape one

354

00:16:43,479 --> 00:16:41,339

of the red lights have reappeared

355

00:16:47,559 --> 00:16:43,489

momentarily for a minute or so and then

356

00:16:55,629 --> 00:16:50,960

the next UFO sighting this happened in

357

00:17:00,049 --> 00:16:55,639

Los Angeles this happened January 1st

358

00:17:02,869 --> 00:17:00,059

2018 nice way to start the new year from

359

00:17:06,199 --> 00:17:02,879

second-story balcony red lights against

360

00:17:08,929 --> 00:17:06,209

mountain up down up down very very fast

361

00:17:11,119 --> 00:17:08,939

moved then back over houses house red

362

00:17:13,309 --> 00:17:11,129

lights are heading all over California

363

00:17:15,710 --> 00:17:13,319

sounds like around 8 p.m. January 1st

364

00:17:19,069 --> 00:17:15,720

2018 went out to second story balcony

365

00:17:22,579 --> 00:17:19,079

against dark mountains in distance saw a

366

00:17:24,740 --> 00:17:22,589

row of light moving up down up down

367

00:17:28,129 --> 00:17:24,750

like elevator seemed to be over

368

00:17:31,249 --> 00:17:28,139

mountaintop houses then sudden rapid

369

00:17:31,730 --> 00:17:31,259

very fast moved across the sky faster

370

00:17:35,120 --> 00:17:31,740

than a

371

00:17:38,389 --> 00:17:35,130

or chopper hovered then fast back over

372

00:17:40,760 --> 00:17:38,399

houses it seemed to descend I then drove

373

00:17:44,830 --> 00:17:40,770

a few blocks up towards Mountain houses

374

00:17:47,799 --> 00:17:44,840

I saw nothing else okay

375

00:17:52,419 --> 00:17:47,809

next he ofö sighting this occurred in

376  
00:17:57,350 --> 00:17:52,429  
stoke-on-trent England November 29th

377  
00:17:59,539 --> 00:17:57,360  
2017 to circle bright red and back to

378  
00:18:03,440 --> 00:17:59,549  
white constantly dance together in sky

379  
00:18:05,720 --> 00:18:03,450  
then shot up and disappeared in more

380  
00:18:07,789 --> 00:18:05,730  
detail the witness states I've been

381  
00:18:09,620 --> 00:18:07,799  
seeing this every two years around

382  
00:18:12,440 --> 00:18:09,630  
middle of November and different

383  
00:18:15,110 --> 00:18:12,450  
locations always not far from where I

384  
00:18:19,310 --> 00:18:15,120  
was living at the time it all started

385  
00:18:21,500 --> 00:18:19,320  
when I was 17 I'm 39 now when I was 17 I

386  
00:18:24,500 --> 00:18:21,510  
had a dream I was floating in the sky

387  
00:18:27,710 --> 00:18:24,510  
and unable to come back down when I

388  
00:18:30,620 --> 00:18:27,720

awoke I had a perfect circle like a burn

389

00:18:33,830 --> 00:18:30,630

but perfectly circle on my lower back

390

00:18:37,460 --> 00:18:33,840

just above my waist line this was the

391

00:18:38,870 --> 00:18:37,470

middle of November 1997 since then every

392

00:18:41,870 --> 00:18:38,880

single November in the middle of the

393

00:18:45,350 --> 00:18:41,880

month I am unable to stop looking at the

394

00:18:47,659 --> 00:18:45,360

sky at night every two years I see the

395

00:18:52,700 --> 00:18:47,669

same dancing lights with the same

396

00:18:56,630 --> 00:18:52,710

movements all others okay as all others

397

00:18:58,730 --> 00:18:56,640

please don't think I'm a nutter I've

398

00:19:01,700 --> 00:18:58,740

kept this to myself for many years due

399

00:19:04,909 --> 00:19:01,710

to ridicule but yet again this middle of

400

00:19:08,510 --> 00:19:04,919

November I was flying my owl at Park

401  
00:19:10,430 --> 00:19:08,520  
Hall and Staffordshire England the same

402  
00:19:12,110 --> 00:19:10,440  
light same dance appeared over my head I

403  
00:19:14,560 --> 00:19:12,120  
don't know what's going on but every

404  
00:19:16,789 --> 00:19:14,570  
time I see them I feel a deep terror

405  
00:19:21,350 --> 00:19:16,799  
followed by a soothing feeling as if

406  
00:19:23,480 --> 00:19:21,360  
it's okay please could you help identify

407  
00:19:25,130 --> 00:19:23,490  
these things and why every two years in

408  
00:19:26,240 --> 00:19:25,140  
the middle of November do they turn up

409  
00:19:28,760 --> 00:19:26,250  
in my eyesight

410  
00:19:31,220 --> 00:19:28,770  
please don't really kill me it's took me

411  
00:19:34,340 --> 00:19:31,230  
years to get in touch with yourselves I

412  
00:19:37,159 --> 00:19:34,350  
just need to know what is going on many

413  
00:19:39,440 --> 00:19:37,169

things I have no evidence of this as it

414

00:19:42,080 --> 00:19:39,450

quickly happens and for some reason

415

00:19:44,419 --> 00:19:42,090

recording it never comes to mind I'm not

416

00:19:45,629 --> 00:19:44,429

a crackpot something's going on and I'd

417

00:19:48,810 --> 00:19:45,639

like to get to the bottom

418

00:19:49,529 --> 00:19:48,820

but many thanks again okay I won't

419

00:19:51,869 --> 00:19:49,539

really kill you

420

00:19:53,190 --> 00:19:51,879

that is very different I could say I

421

00:19:56,639 --> 00:19:53,200

have not heard that but you know what I

422

00:20:00,149 --> 00:19:56,649

have heard of people noticing this type

423

00:20:03,680 --> 00:20:00,159

of it's like a rhythmic visitation from

424

00:20:06,659 --> 00:20:03,690

alien beings even to check up on their

425

00:20:09,839 --> 00:20:06,669

prodigies or I don't know what you would

426

00:20:11,729 --> 00:20:09,849

rather call them but if they've had bad

427

00:20:14,129 --> 00:20:11,739

interactions with people such as

428

00:20:16,949 --> 00:20:14,139

abductions they'll check on the implants

429

00:20:19,859 --> 00:20:16,959

make sure they're still in place things

430

00:20:21,680 --> 00:20:19,869

like that so yeah maybe something is

431

00:20:25,589 --> 00:20:21,690

going on along those signs and

432

00:20:28,799 --> 00:20:25,599

unfortunately all right moving on this

433

00:20:32,099 --> 00:20:28,809

next UFO sighting happened in wilcott

434

00:20:36,629 --> 00:20:32,109

New York this is a serious blast from

435

00:20:38,909 --> 00:20:36,639

the past has happened May 1st 1994 while

436

00:20:42,029 --> 00:20:38,919

smoking another another common pattern

437

00:20:45,060 --> 00:20:42,039

right while smoking outside I saw a UFO

438

00:20:48,029 --> 00:20:45,070

appear above a barn across the road from

439

00:20:51,209 --> 00:20:48,039

where I lived in more detail they stayed

440

00:20:53,549 --> 00:20:51,219

I was late out at night about midnight

441

00:20:55,949 --> 00:20:53,559

and remember it was very nice out so I'm

442

00:20:57,719 --> 00:20:55,959

guessing it was May and I stepped

443

00:21:00,419 --> 00:20:57,729

outside to have a cigarette on the deck

444

00:21:02,459 --> 00:21:00,429

we kept a dog outside on a chain and she

445

00:21:04,919 --> 00:21:02,469

was barking and facing the direction

446

00:21:07,259 --> 00:21:04,929

across the road for me I followed her

447

00:21:10,259 --> 00:21:07,269

gaze toward a small animal which turned

448

00:21:12,659 --> 00:21:10,269

out to be a raccoon after it scurried

449

00:21:15,629 --> 00:21:12,669

its way under the light of a nearby

450

00:21:18,419 --> 00:21:15,639

outdoor light I watched how the raccoon

451  
00:21:21,379 --> 00:21:18,429  
made its way into a hole in the side of

452  
00:21:25,859 --> 00:21:21,389  
a barn just as it entered the barn

453  
00:21:28,019 --> 00:21:25,869  
that's what had happened some gigantic

454  
00:21:31,560 --> 00:21:28,029  
craft appeared out of nowhere

455  
00:21:34,109 --> 00:21:31,570  
just above this barn which such bright

456  
00:21:34,529 --> 00:21:34,119  
lights of the likes I have never seen

457  
00:21:37,199 --> 00:21:34,539  
before

458  
00:21:38,789 --> 00:21:37,209  
it's probably the raccoon from guardians

459  
00:21:42,959 --> 00:21:38,799  
of the galaxy I'm just saying just

460  
00:21:45,810 --> 00:21:42,969  
saying kitty and It was as if this thing

461  
00:21:49,019 --> 00:21:45,820  
took immediate control over me and my

462  
00:21:52,440 --> 00:21:49,029  
dog quit barking and all the crickets

463  
00:21:54,899 --> 00:21:52,450

and toads quit chirping everything was

464

00:21:58,229 --> 00:21:54,909

silent and I couldn't move anything

465

00:21:59,840 --> 00:21:58,239

except my eyes this lasted long enough

466

00:22:02,810 --> 00:21:59,850

for the sick

467

00:22:06,230 --> 00:22:02,820

to burn the full-length down to the

468

00:22:08,140 --> 00:22:06,240

filter and that's when it released me to

469

00:22:10,640 --> 00:22:08,150

where I was able to move again

470

00:22:13,010 --> 00:22:10,650

I'm guessing about eight minutes went by

471

00:22:15,020 --> 00:22:13,020

judging by how long it takes to burn

472

00:22:18,230 --> 00:22:15,030

through a cigarette and then the thing

473

00:22:20,090 --> 00:22:18,240

vanished without descending away some

474

00:22:22,400 --> 00:22:20,100

things I was able to observe were that

475

00:22:25,810 --> 00:22:22,410

it was so bright I couldn't see the

476

00:22:29,540 --> 00:22:25,820

shape and it didn't make a single noise

477

00:22:32,270 --> 00:22:29,550

Wow you know things like that changes

478

00:22:35,210 --> 00:22:32,280

the whole person's reality and and their

479

00:22:37,340 --> 00:22:35,220

whole perspective on life and here our

480

00:22:39,950 --> 00:22:37,350

government has hidden the facts that

481

00:22:43,880 --> 00:22:39,960

they have been looking into these topics

482

00:22:45,530 --> 00:22:43,890

for a very very long time way beyond the

483

00:22:49,550 --> 00:22:45,540

five years that they've just disclosed

484

00:22:52,760 --> 00:22:49,560

Oh makes me so mad okay anyways moving

485

00:22:55,570 --> 00:22:52,770

on you know it's starting off the new

486

00:22:58,130 --> 00:22:55,580

year right I thought this week

487

00:23:00,470 --> 00:22:58,140

inspirational stories of miracles and

488

00:23:01,870 --> 00:23:00,480

angels and you know forgive me if some

489

00:23:07,010 --> 00:23:01,880

of them don't fall into that

490

00:23:09,350 --> 00:23:07,020

ramification of definition because I am

491

00:23:12,470 --> 00:23:09,360

just reading these as they are popping

492

00:23:15,620 --> 00:23:12,480

up on my screen and sometimes sometimes

493

00:23:17,510 --> 00:23:15,630

people put things that I am just like

494

00:23:21,050 --> 00:23:17,520

beyond shocked all right this one is

495

00:23:23,120 --> 00:23:21,060

called angelic being at bedside I have a

496

00:23:26,300 --> 00:23:23,130

dear friend battling cancer who's in the

497

00:23:27,740 --> 00:23:26,310

hospital with liver failure from chemo

498

00:23:30,500 --> 00:23:27,750

yeah they don't tell you about those

499

00:23:32,240 --> 00:23:30,510

side effects that's terrible she told me

500

00:23:36,680 --> 00:23:32,250

yesterday that she opened her eyes to

501  
00:23:40,100 --> 00:23:36,690  
see a light angelic being hovering over

502  
00:23:43,370 --> 00:23:40,110  
her with arms spread wide and that the

503  
00:23:45,830 --> 00:23:43,380  
angel circled her bed holding her hands

504  
00:23:49,820 --> 00:23:45,840  
close to my friend's body sending

505  
00:23:52,760 --> 00:23:49,830  
healing energy to her oh wow I asked did

506  
00:23:55,700 --> 00:23:52,770  
the angel have wings she told me that it

507  
00:24:00,560 --> 00:23:55,710  
did indeed have wings oh that's

508  
00:24:02,600 --> 00:24:00,570  
beautiful sitting in silence the other

509  
00:24:05,150 --> 00:24:02,610  
night I came to stay for the Christmas

510  
00:24:07,490 --> 00:24:05,160  
holidays with my dad and brother my

511  
00:24:09,950 --> 00:24:07,500  
brother sometimes as a person I still

512  
00:24:12,710 --> 00:24:09,960  
don't get along with even though we are

513  
00:24:13,370 --> 00:24:12,720

adults he keeps to himself and seems to

514

00:24:15,980 --> 00:24:13,380

ignore me

515

00:24:18,800 --> 00:24:15,990

most of the time I feel very sad about

516

00:24:21,170 --> 00:24:18,810

this every time I visit my family he is

517

00:24:24,080 --> 00:24:21,180

not nice to my mom at all who lives

518

00:24:26,990 --> 00:24:24,090

separate from him and my dad on the

519

00:24:29,780 --> 00:24:27,000

first night I was here I held back tears

520

00:24:32,090 --> 00:24:29,790

as we ate supper I played cards with my

521

00:24:34,400 --> 00:24:32,100

dad I could have talked to my dad about

522

00:24:36,920 --> 00:24:34,410

it but I didn't know how to put it into

523

00:24:38,090 --> 00:24:36,930

words that night I cried when I went to

524

00:24:40,850 --> 00:24:38,100

bed and in the middle of the night I

525

00:24:44,420 --> 00:24:40,860

woke up to see a woman in a black and

526  
00:24:46,340 --> 00:24:44,430  
orange dress sitting beside my bed she

527  
00:24:48,890 --> 00:24:46,350  
never said anything just sat in silence

528  
00:24:51,860 --> 00:24:48,900  
but after a while I fell back to sleep

529  
00:24:54,350 --> 00:24:51,870  
in the morning I felt refreshed like I

530  
00:24:56,710 --> 00:24:54,360  
had been talking to a good friend hmm

531  
00:24:58,970 --> 00:24:56,720  
that's a different kind of encounter

532  
00:25:03,020 --> 00:24:58,980  
black and orange doesn't strike me as

533  
00:25:06,830 --> 00:25:03,030  
very inviting oh right Halloween um this

534  
00:25:09,980 --> 00:25:06,840  
next one is called angel encounter it

535  
00:25:12,460 --> 00:25:09,990  
was an extremely sad day for me and my

536  
00:25:15,920 --> 00:25:12,470  
husband we had just left from our

537  
00:25:18,710 --> 00:25:15,930  
veterinarians office after taking our

538  
00:25:21,440 --> 00:25:18,720

female Persian she was 13 years old in

539

00:25:23,300 --> 00:25:21,450

to have her put to sleep she had been

540

00:25:25,760 --> 00:25:23,310

suffering from liver disease and I could

541

00:25:28,760 --> 00:25:25,770

see in her eyes that she was telling me

542

00:25:30,680 --> 00:25:28,770

it was time for her to leave us we were

543

00:25:34,100 --> 00:25:30,690

on our way home and waiting at a

544

00:25:35,890 --> 00:25:34,110

stoplight just as it turned green and we

545

00:25:38,840 --> 00:25:35,900

were about to enter the intersection

546

00:25:41,390 --> 00:25:38,850

something made my husband and the people

547

00:25:45,020 --> 00:25:41,400

in their vehicle across from us hesitate

548

00:25:47,320 --> 00:25:45,030

a lady who was apparently talking on her

549

00:25:51,050 --> 00:25:47,330

cell phone and not paying any attention

550

00:25:52,940 --> 00:25:51,060

sped through the light oh I know it's

551

00:25:55,610 --> 00:25:52,950

all my heart that my little girl had

552

00:25:58,430 --> 00:25:55,620

somehow let us know and save not only

553

00:26:01,970 --> 00:25:58,440

our lives but those of the people across

554

00:26:05,860 --> 00:26:01,980

from us we miss our little sweetie every

555

00:26:09,770 --> 00:26:05,870

day but know one day we'll see her again

556

00:26:11,960 --> 00:26:09,780

that's different angels story I was out

557

00:26:14,600 --> 00:26:11,970

shopping today with my husband and mum I

558

00:26:17,450 --> 00:26:14,610

had not been feeling all that good but

559

00:26:19,670 --> 00:26:17,460

had read an angel book I then thought

560

00:26:23,270 --> 00:26:19,680

about it and said if there were such

561

00:26:26,499 --> 00:26:23,280

things and for me to have a sign today a

562

00:26:30,069 --> 00:26:26,509

young man appeared from nowhere and said

563

00:26:33,249 --> 00:26:30,079

I had a lovely smile and was pretty when

564

00:26:36,219 --> 00:26:33,259

I used it was he an angel he was a small

565

00:26:38,049 --> 00:26:36,229

man but was handsome he bought very

566

00:26:41,219 --> 00:26:38,059

little at the shop and went out

567

00:26:45,029 --> 00:26:41,229

afterwards good B that's kind of cool

568

00:26:48,129 --> 00:26:45,039

my angel sighting I was 10 years old and

569

00:26:50,349 --> 00:26:48,139

visiting my Nana I went down the hall

570

00:26:52,959 --> 00:26:50,359

and I had to pass her room to get to the

571

00:26:56,409 --> 00:26:52,969

room I was staying in and there was a

572

00:26:58,029 --> 00:26:56,419

crack on the door okay

573

00:26:59,619 --> 00:26:58,039

I stopped to looked in and there was a

574

00:27:02,259 --> 00:26:59,629

woman standing right in the middle of

575

00:27:05,589 --> 00:27:02,269

the room wearing a white or really light

576  
00:27:08,159 --> 00:27:05,599  
yellow dress she had long brown hair she

577  
00:27:11,259 --> 00:27:08,169  
had a light glow all around her face I

578  
00:27:16,229 --> 00:27:11,269  
felt that piece I haven't seen her since

579  
00:27:19,180 --> 00:27:16,239  
but I feel that she is my guardian angel

580  
00:27:21,939 --> 00:27:19,190  
my guardian angel that's what this one

581  
00:27:24,729 --> 00:27:21,949  
is called my daughter was h3 when I was

582  
00:27:26,529 --> 00:27:24,739  
taking her to daycare I had left the

583  
00:27:28,959 --> 00:27:26,539  
house and traveled two blocks when I

584  
00:27:31,899 --> 00:27:28,969  
came to a major intersection that was

585  
00:27:33,879 --> 00:27:31,909  
being widened I was the first car at the

586  
00:27:36,969 --> 00:27:33,889  
light my daughter was in her child seat

587  
00:27:38,519 --> 00:27:36,979  
in the front the light turned green as I

588  
00:27:42,039 --> 00:27:38,529

ready to go through the intersection

589

00:27:45,159 --> 00:27:42,049

loud and clear I heard the words don't

590

00:27:46,539 --> 00:27:45,169

go it was so clear that I thought

591

00:27:49,659 --> 00:27:46,549

someone was in my back seat

592

00:27:53,499 --> 00:27:49,669

I checked the rearview mirror there was

593

00:27:55,869 --> 00:27:53,509

no one at that point I thought oh I am

594

00:27:58,479 --> 00:27:55,879

holding up traffic and started to

595

00:28:02,139 --> 00:27:58,489

proceed through the intersection when a

596

00:28:04,089 --> 00:28:02,149

dump truck full of hot asphalt ran the

597

00:28:07,119 --> 00:28:04,099

red light it's a lot of these stories

598

00:28:09,549 --> 00:28:07,129

huh I was told that if I hadn't delayed

599

00:28:12,189 --> 00:28:09,559

the impact from the dump truck it would

600

00:28:15,119 --> 00:28:12,199

have killed us and if not the hot

601  
00:28:17,379 --> 00:28:15,129  
asphalt would have burned us to death I

602  
00:28:20,199 --> 00:28:17,389  
always thought it was my daughter's

603  
00:28:22,930 --> 00:28:20,209  
angel years later I spoke with a psychic

604  
00:28:26,229 --> 00:28:22,940  
she said she was mine and that I had

605  
00:28:28,659 --> 00:28:26,239  
three one strong woman and two men the

606  
00:28:30,579 --> 00:28:28,669  
psychic said you know the men that help

607  
00:28:34,930 --> 00:28:30,589  
you do things around here

608  
00:28:38,169 --> 00:28:34,940  
I thanked them a lot very cool seems to

609  
00:28:40,210 --> 00:28:38,179  
be there's a lot of avoidances of going

610  
00:28:42,800 --> 00:28:40,220  
through lights that

611  
00:28:46,520 --> 00:28:42,810  
people are blowing on the opposite side

612  
00:28:49,730 --> 00:28:46,530  
that's very very very wild and you know

613  
00:28:52,400 --> 00:28:49,740

they always say green means to proceed

614

00:28:55,250 --> 00:28:52,410

with caution not to just go blindly into

615

00:28:59,390 --> 00:28:55,260

the coming traffic or the intersection

616

00:29:01,850 --> 00:28:59,400

so always check around well I want to

617

00:29:04,130 --> 00:29:01,860
