Patricia Kirkman PK how you doing

16

00:01:25,660 --> 00:01:22,860

tonight fabulous we had rain last night

17

00:01:29,149 --> 00:01:25,670

and we've had rain and off today yeah

18

00:01:32,120 --> 00:01:29,159

Wow good for the double the double

19

00:01:37,430 --> 00:01:32,130

digits it was like I think wave at 20

20

00:01:42,650 --> 00:01:37,440

degrees is amazing been suffering here

21

00:01:44,359 --> 00:01:42,660

with sign know you very alright it's

22

00:01:47,770 --> 00:01:44,369

gonna be the 70s in the next day or two

23

00:01:51,830 --> 00:01:47,780

but it's okay I won't throw that at you

24

00:01:54,080 --> 00:01:51,840

listen night this is a guest I've been

25

00:01:57,080 --> 00:01:54,090

really excited about getting on the air

26

00:01:59,300 --> 00:01:57,090

haven't you oh definitely and after I

27

00:02:01,999 --> 00:01:59,310

read the book oh my goodness gracious I

28

00:02:03,919 --> 00:02:02,009

know it's a great book we've got Nigel

29

00:02:05,570 --> 00:02:03,929

Koerner he has written a book knows

30

00:02:06,499 --> 00:02:05,580

several books but the one we're talking

31

00:02:09,199 --> 00:02:06,509

about tonight

32

00:02:12,740 --> 00:02:09,209

is grey aliens and the harvesting of

33

00:02:14,869 --> 00:02:12,750

souls we're gonna get into this whole

34

00:02:17,360 --> 00:02:14,879

explanation of how and why this is

35

00:02:19,610 --> 00:02:17,370

happening and guess what we do believe

36

00:02:21,589 --> 00:02:19,620

that he's right this is happening so

37

00:02:24,619 --> 00:02:21,599

we're gonna get with Nigel in just a few

38

00:02:28,670 --> 00:02:24,629

minutes but before we do that

39

00:02:30,140 --> 00:02:28,680

miss Kirkman yes ma'am what's going on

40

00:02:30,680 --> 00:02:30,150

with the numbers you got to know where

41

00:02:33,290 --> 00:02:30,690

we stand

42

00:02:35,150 --> 00:02:33,300

firstly it's a month of creativity we've

43

00:02:37,820 --> 00:02:35,160

talked about that but creativity is key

44

00:02:40,369 --> 00:02:37,830

in communications and because it's

45

00:02:42,559 --> 00:02:40,379

creative let's use metaphysics and

46

00:02:44,660 --> 00:02:42,569

getting some real answers I think that's

47

00:02:46,490 --> 00:02:44,670

really important for us I think if we

48

00:02:49,910 --> 00:02:46,500

learned how to meditate use the skills

49

00:02:51,680 --> 00:02:49,920

that we have and looking into the spaces

50

00:02:56,420 --> 00:02:51,690

around us to find out where we can put

51
00:02:59,600 --> 00:02:56,430
some of these I'll sake unlearn skills

52
00:03:03,170 --> 00:02:59,610
that need to be learned say like your

53
00:03:04,850 --> 00:03:03,180
dreams you are an expert in dream

54
00:03:07,520 --> 00:03:04,860
interpretation and working with people

55
00:03:09,440 --> 00:03:07,530
for that and people should contact you

56
00:03:11,650 --> 00:03:09,450
about that by the way how else are they

57
00:03:13,930 --> 00:03:11,660
going to learn it's hard for us

58
00:03:16,360 --> 00:03:13,940
to work these things by ourselves we

59
00:03:18,460 --> 00:03:16,370
need people that are willing to teach us

60
00:03:20,650 --> 00:03:18,470
a little bit more of how to reach out

61
00:03:21,790 --> 00:03:20,660
and get the information we need there's

62
00:03:25,210 --> 00:03:21,800
going to be all kinds of information

63
00:03:29,350 --> 00:03:25,220

coming all month and information about

64

00:03:30,490 --> 00:03:29,360

UFOs possibly coming you think I think

65

00:03:36,190 --> 00:03:30,500

we're going to hear more and more about

66

00:03:38,680 --> 00:03:36,200

this is in community s all forms is wrap

67

00:03:41,110 --> 00:03:38,690

it up at the door ready to just jump in

68

00:03:43,540 --> 00:03:41,120

at us and I will have to throw out there

69

00:03:47,020 --> 00:03:43,550

secrets are gonna be made known some

70

00:03:50,470 --> 00:03:47,030

more this month so I'll this month is

71

00:03:52,960 --> 00:03:50,480

about gossip gossiping or let's get out

72

00:03:54,670 --> 00:03:52,970

there but we think we know and in spite

73

00:03:57,250 --> 00:03:54,680

of all that we're gonna really find out

74

00:04:00,280 --> 00:03:57,260

what we need to know so I think that's

75

00:04:01,780 --> 00:04:00,290

good I think that's all good because as

76

00:04:04,240 --> 00:04:01,790

you well know there's been a lot of

77

00:04:07,060 --> 00:04:04,250

Secrets kept from us we're talking about

78

00:04:08,770 --> 00:04:07,070

a real big one tonight and there's been

79

00:04:11,260 --> 00:04:08,780

things going on in the government we

80

00:04:13,180 --> 00:04:11,270

hear we hear that there may be some

81

00:04:15,820 --> 00:04:13,190

arrests coming and it's gonna blow

82

00:04:17,110 --> 00:04:15,830

everybody's mind but we've heard it you

83

00:04:20,440 --> 00:04:17,120

know we're gonna see if it's just gonna

84

00:04:23,500 --> 00:04:20,450

happen and I think it will I think it

85

00:04:25,990 --> 00:04:23,510

will Salani stuff coming right well I

86

00:04:28,420 --> 00:04:26,000

think in terms of this this is all about

87

00:04:30,370 --> 00:04:28,430

communication of all forms and things

88

00:04:33,820 --> 00:04:30,380

being and I said use the phrase gossip

89

00:04:36,100 --> 00:04:33,830

before but gossip is many times the most

90

00:04:38,050 --> 00:04:36,110

realistic form of information that we've

91

00:04:39,970 --> 00:04:38,060

got out there because the other thing

92

00:04:42,550 --> 00:04:39,980

they shove under the corners but we've

93

00:04:46,210 --> 00:04:42,560

got all that coming to us but we're

94

00:04:49,090 --> 00:04:46,220

getting ready to go into looking at what

95

00:04:50,290 --> 00:04:49,100

we can creatively next month it's going

96

00:04:53,230 --> 00:04:50,300

to be about restrictions and limitations

97

00:04:55,750 --> 00:04:53,240

so we've got three weeks to get this

98

00:04:57,820 --> 00:04:55,760

stuff out there it out in about so that

99

00:04:59,890 --> 00:04:57,830

we're not behind the eight-ball when

100

00:05:02,560 --> 00:04:59,900

they start talking about what we know

101
00:05:04,930 --> 00:05:02,570
they're going to talk about yes oh boy

102
00:05:09,340 --> 00:05:04,940
well this is going to be very exciting

103
00:05:11,710 --> 00:05:09,350
so yes dream analysis and also visiting

119

00:05:52,370 --> 00:05:51,630

even hit the mute button well that's

120

00:05:54,680 --> 00:05:52,380

okay

121

00:06:00,170 --> 00:05:54,690

we know you're real down but this is

122

00:06:01,670 --> 00:06:00,180

lying about the dream interpretation and

123

00:06:03,770 --> 00:06:01,680

when we first started talking about

124

00:06:05,690 --> 00:06:03,780

dreams I was kind of like well you know

125

00:06:06,920 --> 00:06:05,700

the more we've talked about it and the

126

00:06:09,650 --> 00:06:06,930

more you've told me about it and the

127

00:06:11,750 --> 00:06:09,660

more I've worked with it I find that I'm

128

00:06:12,760 --> 00:06:11,760

starting to actually dream I never

129

00:06:16,370 --> 00:06:12,770

thought I did

130

00:06:18,050 --> 00:06:16,380

isn't that interesting paying attention

131

00:06:20,180 --> 00:06:18,060

and now you have dreams to work with

132

00:06:22,250 --> 00:06:20,190

giving you inner knowledge you know that

133

00:06:24,500 --> 00:06:22,260

is the way to go in my opinion you want

134

00:06:27,500 --> 00:06:24,510

that inner knowledge it's not out there

135

00:06:30,529 --> 00:06:27,510

it's in here and the exactly right way

136

00:06:33,020 --> 00:06:30,539

great way to access it and I also want

137

00:06:35,090 --> 00:06:33,030

to mention this I hate to bring it up

138

00:06:38,570 --> 00:06:35,100

you know I hate to bring up property Rex

139

00:06:41,120 --> 00:06:38,580

why I hate it I hate it but we have a

140

00:06:43,370 --> 00:06:41,130

book on our website are you getting

141

00:06:45,980 --> 00:06:43,380

screwed on your property taxes how to

142

00:06:47,960 --> 00:06:45,990

find out and how to fix it and let me

143

00:06:50,360 --> 00:06:47,970

tell you what you better read this book

144

00:06:52,310 --> 00:06:50,370

it is on Amazon you can click it on our

145

00:06:55,460 --> 00:06:52,320

website and go right to that link and

146

00:06:57,800 --> 00:06:55,470

pick up a copy it's on Kindle so you can

147

00:07:00,650 --> 00:06:57,810

read it easily on your machine whatever

148

00:07:02,270 --> 00:07:00,660

machine you used to read but let me tell

149

00:07:04,190 --> 00:07:02,280

you if you think the Assessors got it

150

00:07:05,480 --> 00:07:04,200

right you better check you better check

151
00:07:07,580 --> 00:07:05,490
their math you better check the

152
00:07:09,050 --> 00:07:07,590
evaluation of your property and this

153
00:07:11,600 --> 00:07:09,060
book will tell you how to read your

154
00:07:13,340 --> 00:07:11,610
property record card and how to fight

155
00:07:16,370 --> 00:07:13,350
the system if you have to it's not an

156
00:07:18,500 --> 00:07:16,380
easy system to fight everything's just

157
00:07:21,560 --> 00:07:18,510
stacked and I mean stacked to the

158
00:07:25,400 --> 00:07:21,570
ceiling against this

159
00:07:29,659 --> 00:07:25,410
it's your sword of justice so again it's

160
00:07:31,550 --> 00:07:29,669
on our website yes if you if you have

161
00:07:33,680 --> 00:07:31,560
property if your own property chances

162
00:07:36,649 --> 00:07:33,690
are you are getting screwed so pick up a

163
00:07:38,480 --> 00:07:36,659

copy of that book and you will be in the

164

00:07:39,400 --> 00:07:38,490

right place to get it all figured out

165

00:07:41,800 --> 00:07:39,410

and fit

166

00:07:44,890 --> 00:07:41,810

as much as you can with this rotten

167

00:07:47,370 --> 00:07:44,900

system that's in place so anyways we

168

00:07:50,800 --> 00:07:47,380

also have opus mega Kabbalistic um

169

00:07:53,200 --> 00:07:50,810

translated from all German that is a

170

00:07:55,210 --> 00:07:53,210

great book and as lon drew cut told us

171

00:07:57,970 --> 00:07:55,220

about this book when he was blindfolded

172

00:08:00,460 --> 00:07:57,980

and taken to some secret location where

173

00:08:03,130 --> 00:08:00,470

they have these amazing meetings for the

174

00:08:06,250 --> 00:08:03,140

occult guess what was in their library

175

00:08:07,900 --> 00:08:06,260

this book he said this was the Harry

176

00:08:10,930 --> 00:08:07,910

Potter library he said it was the most

177

00:08:13,090 --> 00:08:10,940

amazing library it's ever seen and there

178

00:08:15,220 --> 00:08:13,100

was a book opus mega a Kabbalistic um

179

00:08:17,230 --> 00:08:15,230

that we had translated so you can also

180

00:08:19,480 --> 00:08:17,240

find that on our website and I highly

181

00:08:21,460 --> 00:08:19,490

recommend you pick up a copy it is all

182

00:08:25,120 --> 00:08:21,470

time knowledge that you can use today

183

00:08:27,610 --> 00:08:25,130

very very fascinating fascinating book

184

00:08:39,850 --> 00:08:37,099

fighters chasing a UFO in Bulgaria we

187

00:08:43,420 --> 00:08:39,860

have a first account of a werewolf

188

00:08:45,700 --> 00:08:43,430

sighting and experience so you've got to

189

00:08:47,800 --> 00:08:45,710

go to our Facebook page we have the

00:08:52,090 --> 00:08:49,400

paranormal news that you're gonna want

192

00:08:53,920 --> 00:08:52,100

to see it's on our Facebook page make

so you can keep in touch not late a

195

00:09:01,390 --> 00:08:59,150

supernatural paranormal news also

196

00:09:03,550 --> 00:09:01,400

remember that any of the shows from the

197

00:09:06,610 --> 00:09:03,560

past are available on that site as well

198

00:09:08,470 --> 00:09:06,620

that's right we have our archives there

199

00:09:12,010 --> 00:09:08,480

just in case you missed our show on

200

00:09:15,040 --> 00:09:12,020

cannabis as a spiritual ally we did that

201
00:09:17,800 --> 00:09:15,050
last week and also had a Parsi book and

202
00:09:19,720 --> 00:09:17,810
to talk about the crazy laws and what's

203
00:09:22,240 --> 00:09:19,730
going on especially in Massachusetts

204
00:09:26,080 --> 00:09:22,250
where just became legal recreationally

205
00:09:27,940 --> 00:09:26,090
so lots of confusion and Ezra helped us

206
00:09:30,190 --> 00:09:27,950
clear that up and then we talked to

207
00:09:32,800 --> 00:09:30,200
Stephen gray about the cannabis being

208
00:09:35,590 --> 00:09:32,810
used as a spiritual ally like ayahuasca

209
00:09:38,790 --> 00:09:35,600
or any of the things in South America so

210
00:09:41,410 --> 00:09:38,800
it was a fascinating discussion it was

211
00:09:44,770 --> 00:09:41,420
yeah oh definitely

212
00:09:47,620 --> 00:09:44,780
but tonight we are so lucky to have this

213
00:09:50,530 --> 00:09:47,630

man on our show right he is staying up

214

00:09:53,079 --> 00:09:50,540

very late at night there's the book this

215

00:09:56,439 --> 00:09:53,089

isn't a book rattle dog fabulous

216

00:09:59,309 --> 00:09:56,449

well in a child a little bit about Nigel

217

00:10:02,679 --> 00:09:59,319

he is an amazing man he's a screenwriter

218

00:10:04,299 --> 00:10:02,689

he's a journalist and he's the author of

219

00:10:06,879 --> 00:10:04,309

another book called the song of the

220

00:10:08,619 --> 00:10:06,889

greys and we just heard he has a third

221

00:10:11,019 --> 00:10:08,629

book coming out maybe he'll reveal a

222

00:10:13,629 --> 00:10:11,029

little bit of that well he's on the air

223

00:10:17,409 --> 00:10:13,639

with us tonight but he has put together

224

00:10:19,479 --> 00:10:17,419

quite quite a book on the harvesting of

225

00:10:21,039 --> 00:10:19,489

souls which again we think he's writing

226

00:10:22,809 --> 00:10:21,049

on the money with us we're gonna hear

227

00:10:37,179 --> 00:10:22,819

all about it so let's get him on the

228

00:10:38,709 --> 00:10:37,189

show you guys I hope you're not snowed

229

00:10:49,870 --> 00:10:38,719

under we've been hearing some really

230

00:10:49,880 --> 00:11:00,719

[Laughter]

231

00:11:15,249 --> 00:11:12,579

- 11-20 pleasures of living in New

232

00:11:18,879 --> 00:11:15,259

England Nigel well let's get started on

233

00:11:21,239 --> 00:11:18,889

this this subject is fascinating and you

234

00:11:24,519 --> 00:11:21,249

know it's one of the most exciting

235

00:11:26,679 --> 00:11:24,529

subjects for our audience and we all

236

00:11:30,039 --> 00:11:26,689

want to know more about all of this but

237

00:11:32,589 --> 00:11:30,049

how did you get started with this whole

238

00:11:37,709 --> 00:11:32,599

topic of UFOs there's a personal story

239

00:11:40,959 --> 00:11:37,719

isn't it as I said my side of the

240

00:11:42,849 --> 00:11:40,969

learning is in science mainly and it was

241

00:11:45,519 --> 00:11:42,859

wasn't it wasn't anything to do with

242

00:11:47,379 --> 00:11:45,529

UFOs or anything like that these what I

243

00:11:49,449 --> 00:11:47,389

think I considered to be rather exotic

244

00:11:59,739 --> 00:11:49,459

subjects and so forth I'm a real

245

00:12:02,019 --> 00:11:59,749

down-to-earth Monday no individual and

246

00:12:02,769 --> 00:12:02,029

my little my children actually keep me

247

00:12:05,679 --> 00:12:02,779

posted

248

00:12:06,460 --> 00:12:05,689

an interesting thing and some years ago

249

00:12:09,670 --> 00:12:06,470

by audio

250

00:12:11,650 --> 00:12:09,680

as I said earlier my young boy who is

251
00:12:14,110 --> 00:12:11,660
well hitched up between the years and

252
00:12:16,030 --> 00:12:14,120
usually very adept at getting me in real

253
00:12:18,430 --> 00:12:16,040
trouble after researching subjects and

254
00:12:20,800 --> 00:12:18,440
coming and asking me pointed questions

255
00:12:26,020 --> 00:12:20,810
where I end up with egg on my face

256
00:12:28,300 --> 00:12:26,030
once that question was will I had a bit

257
00:12:31,270 --> 00:12:28,310
of a reputation as a writer at the time

258
00:12:33,940 --> 00:12:31,280
and so I decided to actually take him up

259
00:12:36,520 --> 00:12:33,950
on this and dis affect him of the idea

260
00:12:40,180 --> 00:12:36,530
and say that Star Wars is strictly for

261
00:12:48,400 --> 00:12:40,190
Hollywood and you were skeptic when you

262
00:12:49,360 --> 00:12:48,410
started out I was gonna tell my son look

263
00:12:51,580 --> 00:12:49,370

this is nonsense

264

00:12:54,100 --> 00:12:51,590

and I'll show you why it's nonsense I

265

00:12:56,350 --> 00:12:54,110

will demonstrate it logically and I took

266

00:12:58,810 --> 00:12:56,360

to all the research I could do in a week

267

00:13:01,570 --> 00:12:58,820

I asked for a year a week's rain check

268

00:13:04,750 --> 00:13:01,580

on his question and I went and I looked

269

00:13:06,340 --> 00:13:04,760

it up and I had a bit of a rush around

270

00:13:09,070 --> 00:13:06,350

about you know all the books I could get

271

00:13:11,380 --> 00:13:09,080

and as I looked more and more into it I

272

00:13:12,630 --> 00:13:11,390

couldn't took the subject down I found

273

00:13:15,070 --> 00:13:12,640

that I was getting more and more

274

00:13:17,650 --> 00:13:15,080

fascinated by the contradictions I was

275

00:13:21,280 --> 00:13:17,660

getting and to my premise that all of

276

00:13:25,330 --> 00:13:21,290

this was in fact really some blue sky

277

00:13:28,720 --> 00:13:25,340

thing there was nothing to it however 40

278

00:13:32,650 --> 00:13:28,730

odd years later and three and four books

279

00:13:35,080 --> 00:13:32,660

almost passed it with commentaries

280

00:13:37,360 --> 00:13:35,090

coming from all over the world in in a

281

00:13:39,580 --> 00:13:37,370

research team of my own that has to

282

00:13:43,930 --> 00:13:39,590

stand out to some very sharp questions

283

00:13:45,670 --> 00:13:43,940

based upon logic and rationale I decided

284

00:13:47,020 --> 00:13:45,680

that this would be something to really

285

00:13:50,380 --> 00:13:47,030

look at over the years

286

00:13:52,750 --> 00:13:50,390

and I've discovered that our world is

287

00:13:55,090 --> 00:13:52,760

not what it seems to be at all and that

288

00:13:57,190 --> 00:13:55,100

and of course and you know ordinary

289

00:13:59,770 --> 00:13:57,200

people sitting at home trying to answer

290

00:14:02,830 --> 00:13:59,780

the day's questions you know and so

291

00:14:04,330 --> 00:14:02,840

forth I do live a productive life and

292

00:14:04,900 --> 00:14:04,340

all the rest of it that's really

293

00:14:07,720 --> 00:14:04,910

wonderful

294

00:14:11,050 --> 00:14:07,730

but I had to understand what thought was

295

00:14:13,000 --> 00:14:11,060

how do we know things where does do

296

00:14:16,810 --> 00:14:13,010

these actually being things actually

297

00:14:19,180 --> 00:14:16,820

manifest in terms of our bodies how do

298

00:14:20,190 --> 00:14:19,190

we pick those up do we make it in our

299

00:14:23,160 --> 00:14:20,200

brains

300

00:14:26,360 --> 00:14:23,170

we just our body's just an aerial that

301
00:14:29,070 --> 00:14:26,370
actually pick up these incredible

302
00:14:31,680 --> 00:14:29,080
amorphous thing thing that cannot be

303
00:14:33,750 --> 00:14:31,690
touched or or actually verified

304
00:14:36,060 --> 00:14:33,760
physically all these things have to be

305
00:14:39,390 --> 00:14:36,070
looked at if you want the world to take

306
00:14:41,910 --> 00:14:39,400
you seriously these days particularly as

307
00:14:44,460 --> 00:14:41,920
science is advancing so quickly and

308
00:14:46,020 --> 00:14:44,470
everything can be proved in tangible

309
00:14:48,960 --> 00:14:46,030
ways if you see what I mean

310
00:14:51,540 --> 00:14:48,970
Patricia so it's not something that we

311
00:14:53,010 --> 00:14:51,550
can take lightly if we're serious and we

312
00:14:55,590 --> 00:14:53,020
really want to look at these things and

313
00:14:57,570 --> 00:14:55,600

of course my approach is much more that

314

00:14:59,640 --> 00:14:57,580

and as I've gone along of course I've

315

00:15:03,240 --> 00:14:59,650

got far more into the human dimension of

316

00:15:06,780 --> 00:15:03,250

things and discovered that we as beings

317

00:15:09,240 --> 00:15:06,790

are just one wondrous thing no matter

318

00:15:11,280 --> 00:15:09,250

what we are how badly things of treated

319

00:15:13,200 --> 00:15:11,290

the life is treated also where we've

320

00:15:15,780 --> 00:15:13,210

taken ourselves we might call ourselves

321

00:15:18,930 --> 00:15:15,790

losers or winners or whatever it is the

322

00:15:22,350 --> 00:15:18,940

one glorious thing that makes us so

323

00:15:24,900 --> 00:15:22,360

wonderful and precious is life is living

324

00:15:27,750 --> 00:15:24,910

this and that in this world there are

325

00:15:30,990 --> 00:15:27,760

two things basically fundamentally that

326

00:15:34,350 --> 00:15:31,000

which lives has life and that which does

327

00:15:37,980 --> 00:15:34,360

not live synthetic things things we make

328

00:15:41,550 --> 00:15:37,990

we manufacture and produce and this UFO

329

00:15:45,270 --> 00:15:41,560

phenomenon really deals with that second

330

00:15:50,130 --> 00:15:45,280

Department things that somewhere natural

331

00:15:52,890 --> 00:15:50,140

beings natural living beings create as

332

00:15:54,960 --> 00:15:52,900

utilities to do their their work as we

333

00:15:57,030 --> 00:15:54,970

do with robots now you know make things

334

00:15:59,760 --> 00:15:57,040

simple for us in the garden whatever and

335

00:16:02,010 --> 00:15:59,770

do the utilities of our life and these

336

00:16:04,050 --> 00:16:02,020

things if you make them sophisticated

337

00:16:07,770 --> 00:16:04,060

enough and we're trying to do that now

338

00:16:10,950 --> 00:16:07,780

the great lesson is don't don't ever do

339

00:16:13,680 --> 00:16:10,960

that if we make robots and robots with

340

00:16:17,010 --> 00:16:13,690

artificial intelligence our living this

341

00:16:20,670 --> 00:16:17,020

will be over and I'll tell you why you

342

00:16:22,920 --> 00:16:20,680

know in 125 or maybe 150 years shall we

343

00:16:25,500 --> 00:16:22,930

say on the outside we have invented

344

00:16:27,900 --> 00:16:25,510

technology that's all it's only 150

345

00:16:29,970 --> 00:16:27,910

years and we've got all the things we've

346

00:16:33,540 --> 00:16:29,980

done gone to the moon past the moon all

347

00:16:34,080 --> 00:16:33,550

the marvelous thing just in 150 260

348

00:16:36,660 --> 00:16:34,090

years

349

00:16:39,330 --> 00:16:36,670

so to speak from technology now can you

350

00:16:41,820 --> 00:16:39,340

imagine out there in the universe a

351

00:16:43,350 --> 00:16:41,830

planet that might have evolved for ten

352

00:16:46,680 --> 00:16:43,360

thousand years like that

353

00:16:49,320 --> 00:16:46,690

what they could be doing that's a huge

354

00:16:51,420 --> 00:16:49,330

thought and of course I looked at him in

355

00:16:53,490 --> 00:16:51,430

that kind of context and thought what

356

00:16:56,010 --> 00:16:53,500

might be possibly four hundred and sixty

357

00:16:58,650 --> 00:16:56,020

years can give us all these incredible

358

00:17:00,000 --> 00:16:58,660

things what if there are planets out

359

00:17:02,430 --> 00:17:00,010

there there have to be they're finding

360

00:17:03,990 --> 00:17:02,440

thousands of them now like our earth you

361

00:17:06,720 --> 00:17:04,000

know in space through telescopes or

362

00:17:09,030 --> 00:17:06,730

whatever so we therefore have a big deal

363

00:17:12,990 --> 00:17:09,040

on our hands here if one of these things

364

00:17:15,540 --> 00:17:13,000

comes here or sends a load of there are

365

00:17:17,330 --> 00:17:15,550

those things here so we say what are we

366

00:17:20,280 --> 00:17:17,340

going to do in the stare of these

367

00:17:23,160 --> 00:17:20,290

incredible things and it seems that for

368

00:17:26,280 --> 00:17:23,170

the last hundred years or so we have the

369

00:17:28,920 --> 00:17:26,290

technology to actually make records of

370

00:17:31,260 --> 00:17:28,930

these things and see now that we are not

371

00:17:34,050 --> 00:17:31,270

alone in the universe that these things

372

00:17:36,960 --> 00:17:34,060

are here they are here for something and

373

00:17:40,500 --> 00:17:36,970

that something may well be the

374

00:17:44,070 --> 00:17:40,510

propensity we have to actually live and

375

00:17:46,740 --> 00:17:44,080

how they themselves can use that living

376

00:17:49,560 --> 00:17:46,750

capacity we have for their benefit

377

00:17:51,540 --> 00:17:49,570

because these are ro boys you can't

378

00:17:55,500 --> 00:17:51,550

travel at eight thousand miles an hour

379

00:17:57,510 --> 00:17:55,510

in a vehicle and stop or move so that

380

00:17:59,160 --> 00:17:57,520

you can cover our planet without of

381

00:18:01,440 --> 00:17:59,170

being a staying inside the window

382

00:18:04,500 --> 00:18:01,450

gravity will smash you two apart

383

00:18:07,560 --> 00:18:04,510

so biological beings can't fly these

384

00:18:10,590 --> 00:18:07,570

things it has to be some kind of machine

385

00:18:12,810 --> 00:18:10,600

that can withstand those forces so if

386

00:18:15,060 --> 00:18:12,820

machines are flying in this UFO is

387

00:18:16,620 --> 00:18:15,070

traveling at eight thousand to thirty

388

00:18:18,720 --> 00:18:16,630

thousand miles an hour

389

00:18:20,940 --> 00:18:18,730

I believe Gordon Cooper saw on one of

390

00:18:24,600 --> 00:18:20,950

your astronauts so on moving at thirty

391

00:18:26,790 --> 00:18:24,610

third they all came to the idea you know

392

00:18:29,730 --> 00:18:26,800

as a very reputable chap ed Mitchell

393

00:18:33,240 --> 00:18:29,740

would say my goodness this is incredible

394

00:18:37,200 --> 00:18:33,250

they are here so what do we do as a

395

00:18:39,870 --> 00:18:37,210

family of living beings humankind with a

396

00:18:42,330 --> 00:18:39,880

proposition like this facing us and

397

00:18:45,090 --> 00:18:42,340

that's what led me to write the books to

398

00:18:47,670 --> 00:18:45,100

ask questions of our consciences and so

399

00:18:50,910 --> 00:18:47,680

on what as human beings do

400

00:18:56,070 --> 00:18:50,920

we do with this dilemma sorry about most

401
00:18:59,820 --> 00:18:56,080
but I ya know this is a you gave us a

402
00:19:06,510 --> 00:18:59,830
great preamble situation we need to

403
00:19:09,000 --> 00:19:06,520
think we need to think we do we have to

404
00:19:11,160 --> 00:19:09,010
have it's a very big deal and and of

405
00:19:14,730 --> 00:19:11,170
course then we have adversarial

406
00:19:17,250 --> 00:19:14,740
situations at the same time with the

407
00:19:21,060 --> 00:19:17,260
government that has information and

408
00:19:23,040 --> 00:19:21,070
won't release it so then also trying to

409
00:19:24,990 --> 00:19:23,050
discredit people who have information

410
00:19:27,200 --> 00:19:25,000
and who've been trying to spread the

411
00:19:30,270 --> 00:19:27,210
information so so we've got these

412
00:19:32,820 --> 00:19:30,280
adversarial elements that don't want us

413
00:19:34,560 --> 00:19:32,830

to know the things that you're trying to

414

00:19:39,270 --> 00:19:34,570

find out and we've all been trying to

415

00:19:42,450 --> 00:19:39,280

fight out indeed Patricia the thing is

416

00:19:45,180 --> 00:19:42,460

they make us so small when we want to

417

00:19:48,410 --> 00:19:45,190

know their size is so huge these

418

00:19:51,330 --> 00:19:48,420

agencies what would it be if people

419

00:19:53,790 --> 00:19:51,340

easing is coming from Farley it's a

420

00:19:55,980 --> 00:19:53,800

fairly advanced planet and and far crys

421

00:19:57,990 --> 00:19:55,990

in the universe come to our planet would

422

00:20:00,030 --> 00:19:58,000

they not be now in charge of course

423

00:20:00,540 --> 00:20:00,040

there would be in charge if they are in

424

00:20:03,120 --> 00:20:00,550

charge

425

00:20:06,780 --> 00:20:03,130

are we in fact at the end of what

426
00:20:08,040 --> 00:20:06,790
they're giving us if they come here from

427
00:20:09,930 --> 00:20:08,050
something that's so highly developed

428
00:20:12,420 --> 00:20:09,940
they can travel at thirty thousand miles

429
00:20:15,330 --> 00:20:12,430
an hour when our planes can't reach one

430
00:20:19,050 --> 00:20:15,340
tenth of that you know then we have to

431
00:20:31,380 --> 00:20:19,060
ask the question who is in charge yeah

432
00:20:33,210 --> 00:20:31,390
we'd like to know we are you know

433
00:20:36,600 --> 00:20:33,220
because I think if these are machines

434
00:20:39,560 --> 00:20:36,610
they are controllable by us if we know

435
00:20:43,050 --> 00:20:39,570
they are that and that we are doing

436
00:20:46,290 --> 00:20:43,060
wonderful beings we may have a facility

437
00:20:48,390 --> 00:20:46,300
that they can't ever have and they want

438
00:20:51,630 --> 00:20:48,400

because remember they've come here as

439

00:20:53,970 --> 00:20:51,640

machines to manipulate something that

440

00:20:56,310 --> 00:20:53,980

they found on our little planet which

441

00:20:59,250 --> 00:20:56,320

makes humanity something romantically

442

00:21:01,260 --> 00:20:59,260

beautiful but very powerful because we

443

00:21:05,100 --> 00:21:01,270

can think we can know and

444

00:21:08,220 --> 00:21:05,110

they are just artificial computers that

445

00:21:10,860 --> 00:21:08,230

add knowledge on and don't understand

446

00:21:13,980 --> 00:21:10,870

that they even exist just like any

447

00:21:16,200 --> 00:21:13,990

computer doesn't know it is thinking or

448

00:21:18,030 --> 00:21:16,210

it's doing what it's doing if you see

449

00:21:21,180 --> 00:21:18,040

what I mean so we have an advantage over

450

00:21:22,950 --> 00:21:21,190

them we must know what they are and

451
00:21:27,210 --> 00:21:22,960
that's why I've written the books and

452
00:21:29,460 --> 00:21:27,220
try to ask people tell your story you

453
00:21:32,640 --> 00:21:29,470
know all over the world and then maybe

454
00:21:34,410 --> 00:21:32,650
this little family of ours of whatever 7

455
00:21:37,830 --> 00:21:34,420
million 7 billion people on the earth

456
00:21:40,740 --> 00:21:37,840
might be able to actually know where we

457
00:21:42,390 --> 00:21:40,750
are going and withstand any threat that

458
00:21:44,580 --> 00:21:42,400
might come from something even ten

459
00:21:55,170 --> 00:21:44,590
thousand years old simply because they

460
00:21:56,370 --> 00:21:55,180
are artificial and not living and so you

461
00:22:01,500 --> 00:21:56,380
know it's a wonderful thing to talk

462
00:22:02,250 --> 00:22:01,510
about motion I what I've here would you

463
00:22:05,400 --> 00:22:02,260

say Nigel

464

00:22:08,490 --> 00:22:05,410

they have no emotion they can think by

465

00:22:11,730 --> 00:22:08,500

what their program is but where we have

466

00:22:14,340 --> 00:22:11,740

the emotional element to feel they can

467

00:22:15,960 --> 00:22:14,350

never have that absolutely and that is

468

00:22:18,600 --> 00:22:15,970

our great advantage no matter how

469

00:22:21,120 --> 00:22:18,610

primitive we might be that marvelous

470

00:22:23,670 --> 00:22:21,130

facility is that you've so erudite ly

471

00:22:27,120 --> 00:22:23,680

affirmed in your statement is there are

472

00:22:31,380 --> 00:22:27,130

great and wondrous capacity to survive

473

00:22:35,450 --> 00:22:31,390

and we have to know though how we are as

474

00:22:38,970 --> 00:22:35,460

a living entity against how they're as a

475

00:22:41,190 --> 00:22:38,980

nonliving one and their sophistication

476
00:22:43,020 --> 00:22:41,200
is quantum computer and we're building

477
00:22:45,150 --> 00:22:43,030
them down and these things are beating

478
00:22:46,710 --> 00:22:45,160
our thinking process is now you know in

479
00:22:48,450 --> 00:22:46,720
taking on games or whatever it is

480
00:22:51,210 --> 00:22:48,460
they're showing on that if you make that

481
00:22:54,780 --> 00:22:51,220
happen they can beat us but as you say

482
00:22:59,730 --> 00:22:54,790
they can't no they can't feel they can't

483
00:23:07,470 --> 00:22:59,740
love they can't tangibly offer that

484
00:23:09,420 --> 00:23:07,480
sense of togetherness and Union and they

485
00:23:11,760 --> 00:23:09,430
can't change their mind their programs

486
00:23:15,030 --> 00:23:11,770
run them in a given direction they

487
00:23:17,820 --> 00:23:15,040
cannot and on institutionally change but

488
00:23:21,690 --> 00:23:17,830

can if we're alive so in my books I

489

00:23:24,600 --> 00:23:21,700

contrast living natural being against

490

00:23:27,750 --> 00:23:24,610

very very sophisticated synthetic

491

00:23:29,610 --> 00:23:27,760

made-up beings that are I think the

492

00:23:32,010 --> 00:23:29,620

future of a lot of the planets out there

493

00:23:34,380 --> 00:23:32,020

in the universe we haven't yet can come

494

00:23:36,180 --> 00:23:34,390

to that state and we ought to take

495

00:23:39,000 --> 00:23:36,190

notice before we allow that to happen

496

00:23:41,160 --> 00:23:39,010

what a dangerous thing that might be and

497

00:23:44,370 --> 00:23:41,170

that's simply what I say in the book you

498

00:23:46,680 --> 00:23:44,380

know the harvest is actually a title

499

00:23:48,570 --> 00:23:46,690

given by my publishers unfortunately I

500

00:23:51,360 --> 00:23:48,580

have to be published by very reputable

501
00:23:54,030 --> 00:23:51,370
publishing houses and so even though I

502
00:23:55,410 --> 00:23:54,040
gave the my own title for this book they

503
00:23:57,360 --> 00:23:55,420
thought that it would tell more

504
00:23:59,430 --> 00:23:57,370
properties if they call it called it

505
00:24:09,780 --> 00:23:59,440
something about stealing Souls now I

506
00:24:12,930 --> 00:24:09,790
have to justify that of course a

507
00:24:15,360 --> 00:24:12,940
question here from our chat room this is

508
00:24:16,890 --> 00:24:15,370
from storm trooper what about the theory

509
00:24:19,110 --> 00:24:16,900
that these crafts aren't moving that

510
00:24:21,120 --> 00:24:19,120
fast through the universe because they

511
00:24:23,160 --> 00:24:21,130
are simply slipping through dimensions

512
00:24:25,980 --> 00:24:23,170
and that for them is only a short

513
00:24:27,930 --> 00:24:25,990

journey well they'll have to be fine for

514

00:24:30,630 --> 00:24:27,940

me what they mean by a dimension a

515

00:24:33,060 --> 00:24:30,640

dimension can be aside I want to get too

516

00:24:36,420 --> 00:24:33,070

technical about this a spatial quantum

517

00:24:39,390 --> 00:24:36,430

or a mental quantum and so if you think

518

00:24:41,670 --> 00:24:39,400

dimensionally in a mental sense there is

519

00:24:42,950 --> 00:24:41,680

nothing there to change but you would

520

00:24:45,840 --> 00:24:42,960

think of it in terms of a physical

521

00:24:47,910 --> 00:24:45,850

spatial actual spatial sense like length

522

00:24:50,520 --> 00:24:47,920

breadth and height then there are things

523

00:24:52,860 --> 00:24:50,530

to be changed mechanically and that's a

524

00:24:55,950 --> 00:24:52,870

different mode modus operandi altogether

525

00:24:58,470 --> 00:24:55,960

so it's really a technical situation but

526

00:25:02,220 --> 00:24:58,480

I take your point yes

527

00:25:05,160 --> 00:25:02,230

to know something is in itself a

528

00:25:07,710 --> 00:25:05,170

dimension of knowing that thing so you

529

00:25:10,320 --> 00:25:07,720

have a dimension of an idea if you look

530

00:25:12,420 --> 00:25:10,330

at your room all of that conceptual all

531

00:25:14,880 --> 00:25:12,430

that's in that room is a dimension of

532

00:25:17,430 --> 00:25:14,890

how that thing reflects in your mind so

533

00:25:22,290 --> 00:25:17,440

that's a mental dimension if you see

534

00:25:24,630 --> 00:25:22,300

what I'm trying to say Hardware stuff

535

00:25:26,970 --> 00:25:24,640

and that's something much different

536

00:25:28,860 --> 00:25:26,980

that's mechanical you can actually have

537

00:25:30,840 --> 00:25:28,870

to physically change that and so

538

00:25:34,049 --> 00:25:30,850

she's got different things you're

539

00:25:37,110 --> 00:25:34,059

looking at yeah you know you've got to

540

00:25:42,539 --> 00:25:37,120

define it in this world you can't just

541

00:25:44,250 --> 00:25:42,549

make the claim Yeah right there's again

542

00:25:46,529 --> 00:25:44,260

this is where it's unfortunate that our

543

00:25:48,299 --> 00:25:46,539

government or shadow government or

544

00:25:50,549 --> 00:25:48,309

whomever has all the information here

545

00:25:53,070 --> 00:25:50,559

doesn't step forward and start sharing

546

00:25:55,680 --> 00:25:53,080

more of it so we're left to basically

547

00:25:57,470 --> 00:25:55,690

guess at what we know or what we're

548

00:26:01,080 --> 00:25:57,480

seeing but these are all good questions

549

00:26:02,220 --> 00:26:01,090

for people to ask I think and here's

550

00:26:04,590 --> 00:26:02,230

another one

551
00:26:05,970 --> 00:26:04,600
this is from gray being and then we're

552
00:26:09,779 --> 00:26:05,980
gonna have to go to a short break

553
00:26:12,600 --> 00:26:09,789
are these oops these droids totally self

554
00:26:14,760 --> 00:26:12,610
efficient where they can rationalize and

555
00:26:17,310 --> 00:26:14,770
they are programmed for the task to

556
00:26:19,440 --> 00:26:17,320
collect data on earth to return the info

557
00:26:22,500 --> 00:26:19,450
to the engineers who design them is that

558
00:26:24,000 --> 00:26:22,510
one of their tasks well you know when

559
00:26:26,399 --> 00:26:24,010
you're travelling at thirty thousand

560
00:26:29,460 --> 00:26:26,409
miles an hour or you have these things

561
00:26:34,529 --> 00:26:29,470
tapping energy from the Sun you actually

562
00:26:36,680 --> 00:26:34,539
see them huge huge masses ships they

563
00:26:40,080 --> 00:26:36,690

call them there's some kind of craft

564

00:26:42,330 --> 00:26:40,090

putting out energy from the Sun so much

565

00:26:43,350 --> 00:26:42,340

verification of these things that can't

566

00:26:47,070 --> 00:26:43,360

they can't be faked

567

00:26:50,669 --> 00:26:47,080

well what are these things gathering

568

00:26:53,310 --> 00:26:50,679

that massive amount of energy for we've

569

00:26:55,980 --> 00:26:53,320

got this planet we can't even run on

570

00:26:58,820 --> 00:26:55,990

fossil fuels without poisoning it and

571

00:27:03,060 --> 00:26:58,830

these things can tap plasma from the Sun

572

00:27:03,690 --> 00:27:03,070

in sizes as big as our planet some of

573

00:27:05,340 --> 00:27:03,700

these things

574

00:27:07,710 --> 00:27:05,350

some are even bigger than our planet

575

00:27:10,620 --> 00:27:07,720

they come to our Sun and tap this energy

576

00:27:12,600 --> 00:27:10,630

well what kind of thing is this why are

577

00:27:14,370 --> 00:27:12,610

they here why haven't they taken us over

578

00:27:16,830 --> 00:27:14,380

what are they here for

579

00:27:19,049 --> 00:27:16,840

if something's stopping them it's more

580

00:27:21,360 --> 00:27:19,059

likely that something we have is

581

00:27:29,100 --> 00:27:21,370

actually stopping them and that would be

582

00:27:30,870 --> 00:27:29,110

nice to know wouldn't it yeah you've

583

00:27:32,789 --> 00:27:30,880

talked a little bit in your book about

584

00:27:34,289 --> 00:27:32,799

melanin in the skin and that's

585

00:27:36,930 --> 00:27:34,299

interesting we're going to have to get a

586

00:27:39,110 --> 00:27:36,940

little bit more into that but I mean

587

00:27:41,940 --> 00:27:39,120

these are all very important questions

588

00:27:44,279 --> 00:27:41,950

because we are being

589

00:27:48,960 --> 00:27:44,289

mind for certain things we're being

590

00:27:51,029 --> 00:27:48,970

taken for certain things and as David

591

00:27:53,549 --> 00:27:51,039

Jacobs who's a friend of yours also in a

592

00:27:56,360 --> 00:27:53,559

friend of ours has said there are

593

00:27:58,980 --> 00:27:56,370

hybrids already here living among us and

594

00:28:02,279 --> 00:27:58,990

the people who have been abducted

595

00:28:04,799 --> 00:28:02,289

according to David are being taken now

596

00:28:07,980 --> 00:28:04,809

to train those hybrids how to fit in as

597

00:28:10,080 --> 00:28:07,990

humans yeah indeed and why are they

598

00:28:12,110 --> 00:28:10,090

doing that why can they not if they

599

00:28:15,450 --> 00:28:12,120

really I have all that technology so

600

00:28:18,960 --> 00:28:15,460

simply take us over why do they have to

601
00:28:21,269 --> 00:28:18,970
actually replace us piece by piece

602
00:28:23,850 --> 00:28:21,279
there must be something within some

603
00:28:27,090 --> 00:28:23,860
human beings that resist them doing this

604
00:28:30,570 --> 00:28:27,100
and my idea was to try to find out what

605
00:28:32,070 --> 00:28:30,580
this magic ingredient might be and one

606
00:28:35,159 --> 00:28:32,080
of the things I was looking at was a

607
00:28:37,620 --> 00:28:35,169
pigment called melanin which actually is

608
00:28:39,629 --> 00:28:37,630
very important you know Patricia if I

609
00:28:41,879 --> 00:28:39,639
might just take a moment to explain this

610
00:28:45,389 --> 00:28:41,889
I hope it's not too complex in our DNA

611
00:28:47,820 --> 00:28:45,399
which makes and dictates what we shaped

612
00:28:50,820 --> 00:28:47,830
like and what we are made of there are

613
00:28:54,090 --> 00:28:50,830

these codes and chemicals in a certain

614

00:28:57,149 --> 00:28:54,100

sequence if you alter those codes then

615

00:29:00,810 --> 00:28:57,159

the DNA produces another shape a protein

616

00:29:04,320 --> 00:29:00,820

so the DNA is like a special blueprint

617

00:29:06,419 --> 00:29:04,330

that will make whatever that DNA in its

618

00:29:08,759 --> 00:29:06,429

sequence says you have to make and then

619

00:29:11,700 --> 00:29:08,769

we make human beings or animals or

620

00:29:14,519 --> 00:29:11,710

whatever from it now the thing about

621

00:29:17,580 --> 00:29:14,529

that is in order to change those codes

622

00:29:20,700 --> 00:29:17,590

you have to get to the DNA and the DNA

623

00:29:24,000 --> 00:29:20,710

is in the center of every cell in its

624

00:29:25,830 --> 00:29:24,010

nucleus and all our DNA the plan so to

625

00:29:28,370 --> 00:29:25,840

speaking they're the actual

626
00:29:31,200 --> 00:29:28,380
the plants from which everything is made

627
00:29:33,360 --> 00:29:31,210
inside the middle of the cell in the

628
00:29:34,889 --> 00:29:33,370
nucleus right okay we're gonna have to

629
00:29:36,799 --> 00:29:34,899
stop there for a second Nigel because

630
00:29:39,330 --> 00:29:36,809
we're going to have to take a very short

631
00:29:42,060 --> 00:29:39,340
commercial break but we are going to

632
00:29:44,399 --> 00:29:42,070
come back and everybody buckle up I mean

633
00:29:46,830 --> 00:29:44,409
this is going to be a really exciting

634
00:29:50,190 --> 00:29:46,840
ride as we continue to talk about

635
00:29:55,360 --> 00:29:50,200
stealing Souls and Nigel Turner's book

636
00:29:58,700 --> 00:29:55,370
which is gray aliens and the harvesting

637
00:29:59,720 --> 00:29:58,710
great great great stuff so okay

638
00:30:02,300 --> 00:29:59,730

everybody you are listening to

639

00:30:03,860 --> 00:30:02,310

Supernatural girls radio and we'll be

640

00:30:06,140 --> 00:30:03,870

right back welcome back everyone to

641

00:30:08,270 --> 00:30:06,150

Supernatural girls radio I'm your host

642

00:30:09,680 --> 00:30:08,280

Patricia Baker and I am here with my

643

00:30:13,220 --> 00:30:09,690

co-host pk

644

00:30:15,650 --> 00:30:13,230

and our terrific guest tonight it is

645

00:30:18,530 --> 00:30:15,660

Nigel Koerner and we're talking about

646

00:30:20,570 --> 00:30:18,540

the greys and what their agenda is here

647

00:30:24,140 --> 00:30:20,580

on the planet there's that beautiful

648

00:30:25,610 --> 00:30:24,150

book PK's holding up and we were just in

649

00:30:29,450 --> 00:30:25,620

the middle before the break of a

650

00:30:32,240 --> 00:30:29,460

discussion about melanin and how that

651

00:30:34,310 --> 00:30:32,250

affects the way extraterrestrials

652

00:30:37,970 --> 00:30:34,320

contact us or don't so tell us more

653

00:30:41,380 --> 00:30:37,980

about this Nigel crucial thing was I

654

00:30:44,510 --> 00:30:41,390

think this happened in on our planet

655

00:30:46,250 --> 00:30:44,520

200,000 years ago we've found a species

656

00:30:48,560 --> 00:30:46,260

called human being somewhere in the

657

00:30:52,130 --> 00:30:48,570

world but they want they founded that

658

00:30:55,490 --> 00:30:52,140

species didn't have the capacity to

659

00:30:57,680 --> 00:30:55,500

understand the kind of machine type

660

00:31:00,740 --> 00:30:57,690

quantum psychology that these things

661

00:31:03,650 --> 00:31:00,750

were so they had to adapt the species to

662

00:31:05,720 --> 00:31:03,660

be able to understand that and so they

663

00:31:08,780 --> 00:31:05,730

said about genetically altering our

664

00:31:11,600 --> 00:31:08,790

species to do that you had to get to the

665

00:31:14,240 --> 00:31:11,610

melanin do that to get to the center of

666

00:31:17,930 --> 00:31:14,250

the cell where the genes were stored in

667

00:31:20,570 --> 00:31:17,940

chromosomes and those chromosomes were

668

00:31:23,660 --> 00:31:20,580

in what they call the nucleus of the

669

00:31:26,630 --> 00:31:23,670

cell ah but they ran up with a problem

670

00:31:30,370 --> 00:31:26,640

they couldn't get into the center of

671

00:31:35,270 --> 00:31:30,380

those cell of that core that that

672

00:31:37,880 --> 00:31:35,280

central area the the nucleus because it

673

00:31:40,730 --> 00:31:37,890

was surrounded the first people I met

674

00:31:42,920 --> 00:31:40,740

were Africans well where are all the

675

00:31:46,040 --> 00:31:42,930

people on the earth when they came or in

676

00:31:47,420 --> 00:31:46,050

the mid band of the planet in the dark

677

00:31:47,930 --> 00:31:47,430

in the areas where there was a lot of

678

00:31:51,020 --> 00:31:47,940

sunshine

679

00:31:55,040 --> 00:31:51,030

now these Africans had therefore had

680

00:31:58,250 --> 00:31:55,050

round nucleus these melanin granules

681

00:32:02,810 --> 00:31:58,260

that stop the Sun from actually

682

00:32:05,960 --> 00:32:02,820

radiating the DNA and altering it it was

683

00:32:08,270 --> 00:32:05,970

a protection from ultraviolet light

684

00:32:10,910 --> 00:32:08,280

coming in melon and absorb the light

685

00:32:13,070 --> 00:32:10,920

and that light then couldn't change the

686

00:32:16,880 --> 00:32:13,080

DNA's so that the whole species

687

00:32:19,460 --> 00:32:16,890

prospered within that normality however

688

00:32:21,190 --> 00:32:19,470

when these things came here they found

689

00:32:23,660 --> 00:32:21,200

that they neither the capacity to rise

690

00:32:26,180 --> 00:32:23,670

but they couldn't get through the

691

00:32:28,790 --> 00:32:26,190

melanin because the thing that they use

692

00:32:32,210 --> 00:32:28,800

a surgical knife they use to try to cut

693

00:32:34,840 --> 00:32:32,220

in there into the center was in fact

694

00:32:38,780 --> 00:32:34,850

light ultraviolet light and

695

00:32:41,270 --> 00:32:38,790

unfortunately for them and for us the

696

00:32:43,970 --> 00:32:41,280

melanin stopped there ultraviolet light

697

00:32:46,790 --> 00:32:43,980

cutting to from getting in and authoring

698

00:32:49,580 --> 00:32:46,800

us so it took them a long long time

699

00:32:52,760 --> 00:32:49,590

before they could do this and that only

700

00:32:55,580 --> 00:32:52,770

happened when an AI be annoyed type of

701
00:32:58,430 --> 00:32:55,590
human being who didn't have the melanin

702
00:33:00,380 --> 00:32:58,440
protecting it in the center allowed them

703
00:33:04,600 --> 00:33:00,390
in and then they started to construct

704
00:33:07,460 --> 00:33:04,610
from that individual different types of

705
00:33:09,770 --> 00:33:07,470
humanity and this I think we have to be

706
00:33:12,440 --> 00:33:09,780
made aware of they are constructing a

707
00:33:15,230 --> 00:33:12,450
humanity that they want to take away

708
00:33:17,900 --> 00:33:15,240
from this planet for their own uses and

709
00:33:20,570 --> 00:33:17,910
I'm talking now machines so that's a

710
00:33:23,890 --> 00:33:20,580
threat I want to warn the world about if

711
00:33:27,560 --> 00:33:23,900
right we have a big deal here all of us

712
00:33:31,250 --> 00:33:27,570
do they could deconstruct our melanin

713
00:33:34,400 --> 00:33:31,260

and our chromosomes and so make whatever

714

00:33:37,040 --> 00:33:34,410

they want or bear kind in their fashion

715

00:33:40,000 --> 00:33:37,050

and it will be done to us not by living

716

00:33:43,190 --> 00:33:40,010

things but by machines these kind and

717

00:33:46,310 --> 00:33:43,200

great what we're speaking about this off

718

00:33:49,040 --> 00:33:46,320

the air and this sounds like real life

719

00:33:51,200 --> 00:33:49,050

spider-man is what they are constructing

720

00:33:52,730 --> 00:33:51,210

just like you see dr. hope that they

721

00:33:55,310 --> 00:33:52,740

take you mouth and then they turn to

722

00:33:58,370 --> 00:33:55,320

mention machines and I will share this

723

00:34:01,340 --> 00:33:58,380

story with everybody now because I think

724

00:34:03,220 --> 00:34:01,350

it's really important we mentioned we've

725

00:34:04,760 --> 00:34:03,230

mentioned number of times on the air

726

00:34:07,070 --> 00:34:04,770

david felides

727

00:34:10,490 --> 00:34:07,080

and the incredible police work that he

728

00:34:12,350 --> 00:34:10,500

has done we really admire him he has

729

00:34:14,090 --> 00:34:12,360

done and you talk about following a

730

00:34:16,040 --> 00:34:14,100

logical pattern Nigel and certainly

731

00:34:18,800 --> 00:34:16,050

David has done that and he has

732

00:34:20,060 --> 00:34:18,810

investigated all of these disappearances

733

00:34:21,950 --> 00:34:20,070

throughout the United States and

734

00:34:24,169 --> 00:34:21,960

throughout the world star

735

00:34:26,329 --> 00:34:24,179

within national parks where these people

736

00:34:28,220 --> 00:34:26,339

have just gone missing and sometimes

737

00:34:31,430 --> 00:34:28,230

they find a body but no cause of death

738

00:34:35,599 --> 00:34:31,440

and sometimes they don't find the body

739

00:34:39,230 --> 00:34:35,609

so indeed what happened was george lugo

740

00:34:42,109 --> 00:34:39,240

who's a good friend of PK's we all got

741

00:34:44,810 --> 00:34:42,119

together to work on something called the

742

00:34:47,480 --> 00:34:44,820

american skull experiment which meant

743

00:34:49,310 --> 00:34:47,490

that we would try to contact the beings

744

00:34:51,169 --> 00:34:49,320

that are around us the beings that work

745

00:34:53,780 --> 00:34:51,179

with us on the other side and from other

746

00:34:56,629 --> 00:34:53,790

dimensions and we would go looking for

747

00:34:59,329 --> 00:34:56,639

some of these missing people that David

748

00:35:02,390 --> 00:34:59,339

had identified so we looked at three of

749

00:35:04,430 --> 00:35:02,400

them and what we found was so horrific

750

00:35:06,800 --> 00:35:04,440

that I didn't even want to report it on

751

00:35:07,339 --> 00:35:06,810

the air remember PKI said I'm not so

752

00:35:09,530 --> 00:35:07,349

sure

753

00:35:12,609 --> 00:35:09,540

scary tell people what we saw because it

754

00:35:15,770 --> 00:35:12,619

was something I struggled with and had

755

00:35:18,410 --> 00:35:15,780

sleepless nights over one of the men

756

00:35:20,930 --> 00:35:18,420

that we searched for the body had been

757

00:35:25,190 --> 00:35:20,940

found he was a doctor

758

00:35:27,740 --> 00:35:25,200

and he was an expert hiker they found

759

00:35:30,050 --> 00:35:27,750

him in a sod place which is one of the

760

00:35:32,900 --> 00:35:30,060

things that David identifies is in his

761

00:35:35,630 --> 00:35:32,910

books something to look for somewhere

762

00:35:37,760 --> 00:35:35,640

where he shouldn't have been he was dead

763

00:35:38,750 --> 00:35:37,770

and they couldn't really determine the

764

00:35:42,440 --> 00:35:38,760

cause of death

765

00:35:45,079 --> 00:35:42,450

when we went in to look at this what we

766

00:35:47,859 --> 00:35:45,089

saw was exactly what you described in

767

00:35:51,170 --> 00:35:47,869

the book these beings took his soul

768

00:35:54,230 --> 00:35:51,180

dumped the body they were after his soul

769

00:35:57,079 --> 00:35:54,240

that's why there was no cause of death

770

00:35:59,359 --> 00:35:57,089

that could be actually determined they

771

00:36:01,220 --> 00:35:59,369

always say something like hypothermia or

772

00:36:03,079 --> 00:36:01,230

head injury but that really wasn't the

773

00:36:06,530 --> 00:36:03,089

cause of death the cause of death was

774

00:36:09,430 --> 00:36:06,540

they took the soul now the other person

775

00:36:11,720 --> 00:36:09,440

that we went looking for wasn't a man

776

00:36:14,690 --> 00:36:11,730

who had gone missing from a bar that

777

00:36:17,599 --> 00:36:14,700

nobody saw any videotape of him leaving

778

00:36:21,530 --> 00:36:17,609

going anywhere he was gone and we found

779

00:36:24,260 --> 00:36:21,540

him located in like a huge warehouse and

780

00:36:26,990 --> 00:36:24,270

what we saw was awful we saw his feet

781

00:36:29,420 --> 00:36:27,000

kind of implanted into the floor of this

782

00:36:32,150 --> 00:36:29,430

building he was hooked up to all kinds

783

00:36:34,579 --> 00:36:32,160

of machinery this looked to us exactly

784

00:36:35,660 --> 00:36:34,589

what you described as the beginning of

785

00:36:39,950 --> 00:36:35,670

creating cyber

786

00:36:41,420 --> 00:36:39,960

or using a human being to fuel whatever

787

00:36:43,790 --> 00:36:41,430

in the world they were doing there again

788

00:36:47,200 --> 00:36:43,800

this was way beyond any reference point

789

00:36:50,810 --> 00:36:47,210

we had ever seen before it was horrific

790

00:36:53,630 --> 00:36:50,820

he was aware that we were looking at him

791

00:36:55,910 --> 00:36:53,640

he was aware that we wanted to help him

792

00:36:58,310 --> 00:36:55,920

now there was a third person that went

793

00:37:00,110 --> 00:36:58,320

missing her name is Stacey Ann and what

794

00:37:02,090 --> 00:37:00,120

we found with her was they had nothing

795

00:37:04,330 --> 00:37:02,100

to do with any of this it was something

796

00:37:07,520 --> 00:37:04,340

completely different she is still alive

797

00:37:09,410 --> 00:37:07,530

but she is not on the planet so those

798

00:37:12,470 --> 00:37:09,420

are the things that we found but that's

799

00:37:14,090 --> 00:37:12,480

why when I saw when we saw your book or

800

00:37:16,670 --> 00:37:14,100

like we got to get Nigel on the air

801
00:37:19,370 --> 00:37:16,680
because we know what you're identifying

802
00:37:22,460 --> 00:37:19,380
is in fact the case and we think that it

803
00:37:24,170 --> 00:37:22,470
has a lot to do with these people who go

804
00:37:29,120 --> 00:37:24,180
missing in our national parks and

805
00:37:31,940 --> 00:37:29,130
elsewhere connection there that's

806
00:37:33,950 --> 00:37:31,950
extremely useful Patricia and pigtail if

807
00:37:36,290 --> 00:37:33,960
I may say so and it's wonderful

808
00:37:38,690 --> 00:37:36,300
invaluable worth pointing to what this

809
00:37:41,690 --> 00:37:38,700
whole phenomenon might well actually be

810
00:37:44,180 --> 00:37:41,700
the reason I think they defined this you

811
00:37:45,590 --> 00:37:44,190
defined it as a soul why first have to

812
00:37:48,080 --> 00:37:45,600
you know in my terms

813
00:37:51,080 --> 00:37:48,090

try to talk about it so what it might be

814

00:37:53,420 --> 00:37:51,090

but I believe a soul is that connecting

815

00:37:56,600 --> 00:37:53,430

mechanism that brings us back to life

816

00:37:58,490 --> 00:37:56,610

and you know the ancient people of India

817

00:38:00,830 --> 00:37:58,500

and people places like that have

818

00:38:03,560 --> 00:38:00,840

believed in reincarnation in fact every

819

00:38:05,120 --> 00:38:03,570

religion at one point in time all of

820

00:38:07,010 --> 00:38:05,130

them believed in reincarnation

821

00:38:09,590 --> 00:38:07,020

until somebody found in the Christian

822

00:38:12,890 --> 00:38:09,600

ethic that one of the Holy Roman Emperor

823

00:38:14,870 --> 00:38:12,900

Justin's wife Theodora was told that she

824

00:38:16,880 --> 00:38:14,880

was a witch in her past life and she got

825

00:38:19,640 --> 00:38:16,890

her husband it was in charge of the

826

00:38:22,040 --> 00:38:19,650

Christian ethic to scrub all references

827

00:38:23,600 --> 00:38:22,050

to reincarnation but almost every

828

00:38:25,820 --> 00:38:23,610

release in fact every religion is

829

00:38:28,760 --> 00:38:25,830

catalogued as at once upon time saying

830

00:38:30,710 --> 00:38:28,770

we come back in two subsequent bodies we

831

00:38:33,140 --> 00:38:30,720

live and we go and come back now the

832

00:38:35,140 --> 00:38:33,150

soul therefore I believe is the

833

00:38:38,870 --> 00:38:35,150

mechanism that can travel the entire

834

00:38:42,110 --> 00:38:38,880

universe instantly and go to where it

835

00:38:44,900 --> 00:38:42,120

needs to go anywhere and all of us have

836

00:38:47,240 --> 00:38:44,910

this one this propensity I now come to

837

00:38:49,400 --> 00:38:47,250

believe remember I'm a scientist talking

838

00:38:51,830 --> 00:38:49,410

about this and it's been a dream

839

00:38:54,470 --> 00:38:51,840

because me to actually get my head round

840

00:38:57,620 --> 00:38:54,480

this that I finally now have a tangible

841

00:39:00,650 --> 00:38:57,630

sequence that can actually point this in

842

00:39:03,230 --> 00:39:00,660

a science way with quantum mechanics and

843

00:39:04,700 --> 00:39:03,240

quantum all kinds of Quantum's if you

844

00:39:06,470 --> 00:39:04,710

see what I mean I won't go into it

845

00:39:09,320 --> 00:39:06,480

because it's complex right and so yes

846

00:39:11,450 --> 00:39:09,330

and you take a long time anyway but the

847

00:39:14,240 --> 00:39:11,460

point is that it does point to a

848

00:39:17,570 --> 00:39:14,250

marvelous capacity we have as living

849

00:39:21,800 --> 00:39:17,580

beings to be able to return and carry on

850

00:39:24,890 --> 00:39:21,810

but these machine types have discovered

851

00:39:27,230 --> 00:39:24,900

that if they could append to this they

852

00:39:29,510 --> 00:39:27,240

too could do this otherwise those

853

00:39:31,640 --> 00:39:29,520

machines they will break up in the

854

00:39:34,220 --> 00:39:31,650

universe like everything does rot

855

00:39:35,870 --> 00:39:34,230

everything goes one way you know PK why

856

00:39:37,670 --> 00:39:35,880

doesn't it go the other way people have

857

00:39:39,680 --> 00:39:37,680

to ask it's called the second law of

858

00:39:42,800 --> 00:39:39,690

thermodynamics it breaks everything down

859

00:39:45,260 --> 00:39:42,810

it rots everything and I think that

860

00:39:47,900 --> 00:39:45,270

these things will just break down in

861

00:39:51,770 --> 00:39:47,910

time so what they have found is if they

862

00:40:02,870 --> 00:39:51,780

find human beings that can carry on they

863

00:40:04,550 --> 00:40:02,880

can then carry on - makes sense I mean

864

00:40:06,260 --> 00:40:04,560

it sounds like these greys are finite

865

00:40:13,270 --> 00:40:06,270

and so they're they're looking to us to

866

00:40:28,250 --> 00:40:25,850

but I tell you as we've talked before

867

00:40:30,980 --> 00:40:28,260

all three of us about this this may be

868

00:40:33,290 --> 00:40:30,990

one of the reasons if not the reason

869

00:40:35,510 --> 00:40:33,300

that the government does not want to

870

00:40:38,600 --> 00:40:35,520

divulge information because how would

871

00:40:42,410 --> 00:40:38,610

you feel if they knew that you were

872

00:40:43,910 --> 00:40:42,420

being used for parts by these crazies I

873

00:40:46,700 --> 00:40:43,920

mean we wouldn't take it all that well

874

00:40:48,830 --> 00:40:46,710

but I mean certainly we understand ships

875

00:40:51,260 --> 00:40:48,840

in the sky so many people have seen them

876
00:40:54,200 --> 00:40:51,270
and we know people have been abducted

877
00:40:57,920 --> 00:40:54,210
and we believe them so we've kind of got

878
00:41:01,340 --> 00:40:57,930
past all that but this is a whole new

879
00:41:02,990 --> 00:41:01,350
psychological thriller aspect of the

880
00:41:04,520 --> 00:41:03,000
abduction phenomenon

881
00:41:09,020 --> 00:41:04,530
it takes it to an entirely different

882
00:41:11,720 --> 00:41:09,030
level it's just an idea Patricia I want

883
00:41:14,120 --> 00:41:11,730
to tell you I have to look at this as

884
00:41:15,800 --> 00:41:14,130
well as dispassionately as I can even

885
00:41:18,290 --> 00:41:15,810
though I find it the most plausible

886
00:41:20,570 --> 00:41:18,300
reason why these things might be here

887
00:41:23,180 --> 00:41:20,580
and bothering with our small planet and

888
00:41:26,180 --> 00:41:23,190

it's smaller propensity shall we say

889

00:41:28,220 --> 00:41:26,190

over 180 years of Technology what are

890

00:41:30,500 --> 00:41:28,230

they bothering they're bothering because

891

00:41:33,470 --> 00:41:30,510

we have this commodity of life and

892

00:41:35,750 --> 00:41:33,480

return in the universe and anything that

893

00:41:37,670 --> 00:41:35,760

lives with the capacity of a human being

894

00:41:39,560 --> 00:41:37,680

to store knowledge they are trying to

895

00:41:42,250 --> 00:41:39,570

improve that capacity so that they

896

00:41:44,810 --> 00:41:42,260

themselves can fit in with their

897

00:41:47,060 --> 00:41:44,820

thousand-year-old knowledge perhaps I'm

898

00:41:49,820 --> 00:41:47,070

talking about machines now machines

899

00:41:51,950 --> 00:41:49,830

attending to living beings now how they

900

00:41:54,560 --> 00:41:51,960

do this I explained in my third book are

901
00:41:56,810 --> 00:41:54,570
they might do this I must say like

902
00:41:58,880 --> 00:41:56,820
nobody can definitively say this and I

903
00:42:01,310 --> 00:41:58,890
won't claim anything like that but it's

904
00:42:03,800 --> 00:42:01,320
a nice set of ideas that I'm hoping to

905
00:42:05,750 --> 00:42:03,810
throw to the world and then the clever

906
00:42:08,000 --> 00:42:05,760
of people perhaps then they can come in

907
00:42:10,610 --> 00:42:08,010
and give us a much more well-informed

908
00:42:14,300 --> 00:42:10,620
thesis about how this might be done and

909
00:42:14,750 --> 00:42:14,310
that's really the thing you know the

910
00:42:16,820 --> 00:42:14,760
same way

911
00:42:18,650 --> 00:42:16,830
yes there's a question for you Nigel

912
00:42:22,370 --> 00:42:18,660
because this is supposed to be the

913
00:42:25,370 --> 00:42:22,380

planet of free will so how are they

914

00:42:27,620 --> 00:42:25,380

taking over our will to do what they do

915

00:42:29,510 --> 00:42:27,630

point about it is when you are that's a

916

00:42:32,210 --> 00:42:29,520

very good point why did the great

917

00:42:34,520 --> 00:42:32,220

teachers come and say we have to do this

918

00:42:36,650 --> 00:42:34,530

and do this and do this I think it was

919

00:42:39,380 --> 00:42:36,660

to prepare to get us away from the reach

920

00:42:42,890 --> 00:42:39,390

of these things and if we have qualities

921

00:42:46,100 --> 00:42:42,900

in such a way that we move this power of

922

00:42:48,380 --> 00:42:46,110

life and death and our soul into an area

923

00:42:50,660 --> 00:42:48,390

where they can't reach us at death then

924

00:42:52,700 --> 00:42:50,670

we will get away from them and it won't

925

00:42:55,250 --> 00:42:52,710

happen to us and I think what we call

926

00:42:57,020 --> 00:42:55,260

good and bad is quite simply what this

927

00:42:59,020 --> 00:42:57,030

great teachers or religious teachers are

928

00:43:03,020 --> 00:42:59,030

trying to tell us with a momentum

929

00:43:05,150 --> 00:43:03,030

towards these things or indeed away from

930

00:43:08,000 --> 00:43:05,160

them and if you get away from them you

931

00:43:10,640 --> 00:43:08,010

will preserve your ancestral propensity

932

00:43:12,260 --> 00:43:10,650

to come back and be a human and have

933

00:43:15,290 --> 00:43:12,270

your freedom and you put your finger on

934

00:43:15,640 --> 00:43:15,300

it when you use the action free will we

935

00:43:23,140 --> 00:43:15,650

will

936

00:43:27,280 --> 00:43:23,150

from us

937

00:43:29,410 --> 00:43:27,290

they will yeah are you in a way that

938

00:43:31,440 --> 00:43:29,420

they do it I'll tell you a way they do

939

00:43:35,560 --> 00:43:31,450

it that I found out about just recently

940

00:43:39,250 --> 00:43:35,570

they have the capacity to walk into our

941

00:43:42,790 --> 00:43:39,260

dreams our dream state and that's when

942

00:43:45,220 --> 00:43:42,800

they ask us a question if they can take

943

00:43:47,530 --> 00:43:45,230

us now because we're in a dream state

944

00:43:50,530 --> 00:43:47,540

because a lot of people do not have

945

00:43:52,840 --> 00:43:50,540

charge over their dream state they may

946

00:43:54,280 --> 00:43:52,850

just give permission and I've seen this

947

00:43:56,710 --> 00:43:54,290

happen and it almost happened to me

948

00:43:59,350 --> 00:43:56,720

until I caught on to what was really

949

00:44:02,560 --> 00:43:59,360

asking me this question and I said no

950

00:44:05,200 --> 00:44:02,570

you can't but had I not had the

951

00:44:06,910 --> 00:44:05,210

experience as a dream analyst and

952

00:44:09,700 --> 00:44:06,920

someone who works with their dreams a

953

00:44:13,180 --> 00:44:09,710

lot I wouldn't have recognized this trap

954

00:44:14,800 --> 00:44:13,190

so I do see that they have that capacity

955

00:44:18,040 --> 00:44:14,810

they don't have no problem using it

956

00:44:20,350 --> 00:44:18,050

against us the central thing we have all

957

00:44:23,560 --> 00:44:20,360

of us is the ability to know ourselves

958

00:44:26,290 --> 00:44:23,570

and that means free will and so if we do

959

00:44:28,810 --> 00:44:26,300

not have that power that's the central

960

00:44:30,820 --> 00:44:28,820

power nothing can actually overrule that

961

00:44:32,770 --> 00:44:30,830

the Christian teacher for instance had

962

00:44:39,580 --> 00:44:32,780

to tell his father so to speak

963

00:44:41,470 --> 00:44:39,590

yes thy will be done not mine if you are

964

00:44:44,080 --> 00:44:41,480

a Christian you believe in a religion or

965

00:44:46,780 --> 00:44:44,090

whatever and that if that then expounds

966

00:44:49,900 --> 00:44:46,790

that ethic I believe you know that in

967

00:44:51,940 --> 00:44:49,910

any ethic whether any religion the free

968

00:44:54,700 --> 00:44:51,950

will of a single human being is the most

969

00:44:57,460 --> 00:44:54,710

paramount right of all and if you give

970

00:44:59,950 --> 00:44:57,470

that up not even realizing that you are

971

00:45:03,370 --> 00:44:59,960

then something else can come in there's

972

00:45:07,000 --> 00:45:03,380

some switch there that allows the entry

973

00:45:10,810 --> 00:45:07,010

and occupation of someone dependent on

974

00:45:13,090 --> 00:45:10,820

what you Patricia call freewill yes yes

975

00:45:15,910 --> 00:45:13,100

I mean this is why it's so important

976

00:45:18,340 --> 00:45:15,920

this is a great experiment for us to

977

00:45:22,210 --> 00:45:18,350

embrace our own consciousness our own

978

00:45:24,310 --> 00:45:22,220

expansion again knowing yourself is so

979

00:45:28,060 --> 00:45:24,320

important being able to use the tools

980

00:45:29,470 --> 00:45:28,070

that you have to determine you know what

981

00:45:32,490 --> 00:45:29,480

you want for yourself and

982

00:45:35,080 --> 00:45:32,500

not given to the impulses of these alien

983

00:45:37,030 --> 00:45:35,090

greys who have a totally different

984

00:45:39,790 --> 00:45:37,040

agenda and don't care about you as you

985

00:45:43,150 --> 00:45:39,800

mentioned Nigel they have no morals

986

00:45:45,220 --> 00:45:43,160

they have no no carnal moral compass

987

00:45:47,109 --> 00:45:45,230

yeah they're just gonna do what their

988

00:45:55,720 --> 00:45:47,119

task requires and they don't care about

989

00:45:57,160 --> 00:45:55,730

how we feel don't you find that

990

00:45:59,620 --> 00:45:57,170

terrifying that here is something

991

00:46:01,750 --> 00:45:59,630

incidentally acting on a program that's

992

00:46:06,430 --> 00:46:01,760

not doing it to be wicked but just doing

993

00:46:09,280 --> 00:46:06,440

it because it's following a program are

994

00:46:11,770 --> 00:46:09,290

scary because when you don't feel it you

995

00:46:15,400 --> 00:46:11,780

can't really think you put yourself in

996

00:46:17,200 --> 00:46:15,410

another space I'll be in Brazil what's

997

00:46:19,660 --> 00:46:17,210

left I think you make some wonderful

998

00:46:26,980 --> 00:46:19,670

breakthroughs if I may say so and long

999

00:46:29,710 --> 00:46:26,990

may that continue this is from silent

1000

00:46:32,560 --> 00:46:29,720

whisper did these greys come here with

1001

00:46:35,920 --> 00:46:32,570

an agenda or did they develop some ideas

1002

00:46:38,080 --> 00:46:35,930

once they found us once you get there

1003

00:46:42,130 --> 00:46:38,090

what see when you make anything

1004

00:46:45,430 --> 00:46:42,140

artificial don't give it the license to

1005

00:46:47,170 --> 00:46:45,440

protect itself at any cost if you make

1006

00:46:48,760 --> 00:46:47,180

something to sell we say our power

1007

00:46:50,620 --> 00:46:48,770

stations have to be looked after by

1008

00:46:52,450 --> 00:46:50,630

robots in the future we make super

1009

00:46:54,760 --> 00:46:52,460

robots and we tell the room but robots

1010

00:46:56,500 --> 00:46:54,770

look after yourself so you can look

1011

00:47:01,240 --> 00:46:56,510

after our power station so you can look

1012

00:47:03,730 --> 00:47:01,250

after all because then take that on and

1013

00:47:05,980 --> 00:47:03,740

then see the person who created them to

1014

00:47:08,410 --> 00:47:05,990

be the biggest danger to them and take

1015

00:47:10,750 --> 00:47:08,420

that person out and so you know you

1016

00:47:13,690 --> 00:47:10,760

unless you write the program very

1017

00:47:16,000 --> 00:47:13,700

carefully you can take yourself out by

1018

00:47:18,940 --> 00:47:16,010

thinking you've got a bonus making these

1019

00:47:21,609 --> 00:47:18,950

things to help you and that's called the

1020

00:47:24,070 --> 00:47:21,619

paradox the alien paradox I've written

1021

00:47:26,740 --> 00:47:24,080

it out in my book as simply as I can but

1022

00:47:30,990 --> 00:47:26,750

I tell you what if I was a great

1023

00:47:34,180 --> 00:47:31,000

advanced nation I would never create a

1024

00:47:40,510 --> 00:47:34,190

artificial intelligent robot it is

1025

00:47:42,730 --> 00:47:40,520

deadly they can no question yeah no

1026

00:47:44,500 --> 00:47:42,740

question about that now here's another

1027

00:47:46,870 --> 00:47:44,510

another person from the chat room this

1028

00:47:48,760 --> 00:47:46,880

is Henry oh and Henry's asking should we

1029

00:47:55,990 --> 00:47:48,770

interpret this as a spiritual awakening

1030

00:47:58,390 --> 00:47:56,000

for us my opinion is that yeah I would

1031

00:48:00,430 --> 00:47:58,400

say to you that that spiritual opening

1032

00:48:03,280 --> 00:48:00,440

is the most important thing that every

1033

00:48:05,980 --> 00:48:03,290

single human being can actually have and

1034

00:48:08,700 --> 00:48:05,990

I'm not preaching here please understand

1035

00:48:14,170 --> 00:48:08,710

no matter who you are you have that

1036

00:48:16,780 --> 00:48:14,180

wonderful facility to say no yes exactly

1037

00:48:18,640 --> 00:48:16,790

you can say no to these things and they

1038

00:48:20,200 --> 00:48:18,650

they have to get away from you and

1039

00:48:21,820 --> 00:48:20,210

that's what I found out that evening

1040

00:48:22,599 --> 00:48:21,830

that I had that dream when they were

1041

00:48:24,490 --> 00:48:22,609

trying to trick me

1042

00:48:30,280 --> 00:48:24,500

it's like if this is happening to me as

1043

00:48:32,260 --> 00:48:30,290

having to lots of people this way I must

1044

00:48:33,760 --> 00:48:32,270

make this point please the grace I don't

1045

00:48:36,849 --> 00:48:33,770

believe are a spiritual awakening

1046

00:48:38,950 --> 00:48:36,859

themselves they are just a utility we

1047

00:48:43,150 --> 00:48:38,960

must have the spiritual awakening that

1048

00:48:48,420 --> 00:48:43,160

says don't make great type Android super

1049

00:48:55,150 --> 00:48:52,120

unite all about another thing and this

1050

00:48:57,150 --> 00:48:55,160

is the men in black as we've heard a lot

1051
00:49:00,849 --> 00:48:57,160
of stories about the men in black also

1052
00:49:02,650 --> 00:49:00,859
being robotic or some type of Android

1053
00:49:04,540 --> 00:49:02,660
what do you think about that have you

1054
00:49:06,940 --> 00:49:04,550
considered what they are you heard

1055
00:49:09,040 --> 00:49:06,950
stories about them I think it's very

1056
00:49:13,180 --> 00:49:09,050
naive and he points the fact that these

1057
00:49:15,790 --> 00:49:13,190
gray androids are living in the past so

1058
00:49:19,329 --> 00:49:15,800
they create caricatures that can be

1059
00:49:21,460 --> 00:49:19,339
spotted by everyone as ludicrous things

1060
00:49:24,250 --> 00:49:21,470
that went out with forties films

1061
00:49:27,130 --> 00:49:24,260
gangster films so they make these things

1062
00:49:29,710 --> 00:49:27,140
because they thought that these things

1063
00:49:31,960 --> 00:49:29,720

had influence in our capacities on the

1064

00:49:33,940 --> 00:49:31,970

earth maybe Hollywood is responsible I

1065

00:49:36,400 --> 00:49:33,950

don't we need to sound trite and

1066

00:49:38,050 --> 00:49:36,410

frivolous but it makes it's crazy really

1067

00:49:40,690 --> 00:49:38,060

these things that they make that's

1068

00:49:43,150 --> 00:49:40,700

supposed to go in and do their functions

1069

00:49:46,359 --> 00:49:43,160

and so forth maybe they think these

1070

00:49:48,220 --> 00:49:46,369

androids create human beings or pseudo

1071

00:49:51,099 --> 00:49:48,230

humans out of the people that have

1072

00:49:53,349 --> 00:49:51,109

kidnapped or whatever taken over and

1073

00:50:03,430 --> 00:49:53,359

then they make them into facts similes

1074

00:50:03,440 --> 00:50:07,940

[Music]

1075

00:50:07,950 --> 00:50:15,029

[Laughter]

1076

00:50:21,969 --> 00:50:19,630

we also have reports many recently right

1077

00:50:24,640 --> 00:50:21,979

it started in the 90s of black eyed

1078

00:50:26,380 --> 00:50:24,650

children again another what are these

1079

00:50:31,890 --> 00:50:26,390

things do you have any as this any

1080

00:50:36,599 --> 00:50:31,900

connect there's a halfway house types in

1081

00:50:41,409 --> 00:50:38,529

that makes sense

1082

00:50:46,239 --> 00:50:41,419

yeah does I don't know why it fits but

1083

00:50:46,989 --> 00:50:46,249

it fits yeah it does huh oh that's

1084

00:50:51,130 --> 00:50:46,999

brilliant

1085

00:50:56,199 --> 00:50:51,140

Nigel we like that well except that one

1086

00:50:59,229 --> 00:50:56,209

Nigel that is one piece of the puzzle

1087

00:51:02,109 --> 00:50:59,239

that we now have which we appreciate yes

1088

00:51:03,459 --> 00:51:02,119

I mean now again let's go back to David

1089

00:51:05,289 --> 00:51:03,469

Jacobs for a minute because he says

1090

00:51:07,089 --> 00:51:05,299

we're screwed we can't stop these things

1091

00:51:09,640 --> 00:51:07,099

they're already here they're already

1092

00:51:12,819 --> 00:51:09,650

living among us they've got their agenda

1093

00:51:15,219 --> 00:51:12,829

and they've got away you know presenting

1094

00:51:18,789 --> 00:51:15,229

this that enough people won't believe it

1095

00:51:20,919 --> 00:51:18,799

until it's way too late yeah well keep

1096

00:51:23,109 --> 00:51:20,929

your sweeping my advice to my children

1097

00:51:25,509 --> 00:51:23,119

and this is all I can do is tell my own

1098

00:51:27,669 --> 00:51:25,519

children much of my advice um is keep

1099

00:51:30,189 --> 00:51:27,679

your sweetness and goodness and goodwill

1100

00:51:38,319 --> 00:51:30,199

together and nothing will ever take your

1101
00:51:44,079 --> 00:51:38,329
soul away yes that's very good

1102
00:51:46,959 --> 00:51:44,089
a lot of candy to sweep me up I will I

1103
00:51:56,589 --> 00:51:46,969
will sacrifice that and I will you know

1104
00:51:57,069 --> 00:51:56,599
I will definitely eat more candy that's

1105
00:52:00,880 --> 00:51:57,079
right

1106
00:52:03,459 --> 00:52:00,890
here's another quick question so before

1107
00:52:06,009 --> 00:52:03,469
we go to break again and this is where

1108
00:52:07,630 --> 00:52:06,019
to go it's up here we love you people in

1109
00:52:09,099 --> 00:52:07,640
the chatroom thank you so much for

1110
00:52:10,750 --> 00:52:09,109
joining the show again if you want to

1111
00:52:13,810 --> 00:52:10,760
send a question over it's

1112
00:52:16,390 --> 00:52:13,820
I are in chat calm as I are anime chat

1113
00:52:18,070 --> 00:52:16,400

calm how long do you believe these

1114

00:52:21,870 --> 00:52:18,080

beings have been visiting Earth's that

1115

00:52:25,450 --> 00:52:21,880

questions from Chris yeah well actually

1116

00:52:27,940 --> 00:52:25,460

in a sense if they have been visiting

1117

00:52:29,860 --> 00:52:27,950

for ten years or for one month if

1118

00:52:32,560 --> 00:52:29,870

they're superior to us and can control

1119

00:52:35,740 --> 00:52:32,570

us then the time they've been here might

1120

00:52:38,140 --> 00:52:35,750

account as history shows us from Egypt

1121

00:52:40,240 --> 00:52:38,150

all the civilizations in the past they

1122

00:52:43,600 --> 00:52:40,250

may well have been creating our species

1123

00:52:45,820 --> 00:52:43,610

to suit a model they want for many many

1124

00:52:47,920 --> 00:52:45,830

hundreds of thousands of years but the

1125

00:52:50,920 --> 00:52:47,930

point about it is that something there

1126

00:52:54,340 --> 00:52:50,930

is about us that doesn't let them take

1127

00:52:56,440 --> 00:52:54,350

the whole lot of us out and we know we

1128

00:52:59,830 --> 00:52:56,450

have to find those resistance points

1129

00:53:02,440 --> 00:52:59,840

work on them to stop this whole process

1130

00:53:06,250 --> 00:53:02,450

once and for all so we can find that

1131

00:53:08,920 --> 00:53:06,260

last computerized anomaly we call a gray

1132

00:53:12,910 --> 00:53:08,930

or whatever it is and stop it dead and

1133

00:53:15,100 --> 00:53:12,920

save the natural living power of our

1134

00:53:19,990 --> 00:53:15,110

species of human beings and without

1135

00:53:21,760 --> 00:53:20,000

sounding too much like a preacher my

1136

00:53:26,860 --> 00:53:21,770

family would be laughing hearing this

1137

00:53:33,010 --> 00:53:26,870

about me I really believe this just keep

1138

00:53:34,300 --> 00:53:33,020

the young ones sweet and they well but

1139

00:53:36,160 --> 00:53:34,310

we're gonna have to take another very

1140

00:53:39,340 --> 00:53:36,170

short commercial break and come back

1141

00:53:42,700 --> 00:53:39,350

again and talk more about this gray

1142

00:53:47,380 --> 00:53:42,710

aliens and the harvesting of souls by

1143

00:53:48,910 --> 00:53:47,390

Nigel Turner here's the book and again

1144

00:53:51,040 --> 00:53:48,920

we think this is really going on

1145

00:53:53,710 --> 00:53:51,050

everybody we got a good book get our

1146

00:53:57,220 --> 00:53:53,720

consciousness expanded we have to find

1147

00:53:58,810 --> 00:53:57,230

out what are the triggers here and again

1148

00:54:00,460 --> 00:53:58,820

we'll be right back where you're

1149

00:54:02,560 --> 00:54:00,470

listening to Supernatural girls radio

1150

00:54:04,840 --> 00:54:02,570

everybody welcome back everyone to

1151

00:54:07,810 --> 00:54:04,850

supernatural girls radio it is an

1152

00:54:10,840 --> 00:54:07,820

exciting night tonight oh that is your

1153

00:54:13,300 --> 00:54:10,850

host Patricia Baker I am here with my

1154

00:54:15,700 --> 00:54:13,310

co-host very exciting herself

1155

00:54:17,650 --> 00:54:15,710

Patricia Kirkman PK thank you and our

1156

00:54:21,250 --> 00:54:17,660

exciting guest who is keeping us on the

1157

00:54:24,920 --> 00:54:21,260

edge of our seat here Nyjah Turner he's

1158

00:54:27,920 --> 00:54:24,930

talking about gray aliens and there

1159

00:54:30,680 --> 00:54:27,930

Genda here their agenda what are they

1160

00:54:33,980 --> 00:54:30,690

doing here he is exposing this so

1161

00:54:37,480 --> 00:54:33,990

everybody can get very aware of what's

1162

00:54:40,339 --> 00:54:37,490

coming up and how to deal with it so

1163

00:54:42,410 --> 00:54:40,349

Nigel what else can you share with us

1164

00:54:44,510 --> 00:54:42,420

about this because we were asking all

1165

00:54:47,299 --> 00:54:44,520

these questions they getting what else

1166

00:54:49,069 --> 00:54:47,309

can you tell us yeah well just can you

1167

00:54:52,520 --> 00:54:49,079

just imagine if I was a great general

1168

00:54:54,799 --> 00:54:52,530

what would I do if I wanted a captive

1169

00:55:00,890 --> 00:54:54,809

audience I would give them all my little

1170

00:55:03,140 --> 00:55:00,900

trinkets and technology in my toys and

1171

00:55:06,260 --> 00:55:03,150

we've got the whole world I was in South

1172

00:55:07,880 --> 00:55:06,270

Africa and the South Africans in in the

1173

00:55:09,770 --> 00:55:07,890

villages of surveys and so on almost

1174

00:55:17,120 --> 00:55:09,780

every one of them had a mobile phone

1175

00:55:18,620 --> 00:55:17,130

with the camera now imagine if I was a

1176

00:55:20,780 --> 00:55:18,630

great general I wanted to capture the

1177

00:55:23,180 --> 00:55:20,790

human population I'd give them my

1178

00:55:26,270 --> 00:55:23,190

technology I would give them the trinket

1179

00:55:33,579 --> 00:55:26,280

and what would that do it was isolate us

1180

00:55:39,470 --> 00:55:37,640

so what is that what what they think is

1181

00:55:41,420 --> 00:55:39,480

a wonderful bonus when they give you all

1182

00:55:44,599 --> 00:55:41,430

these things and the latest kind of

1183

00:55:49,010 --> 00:55:44,609

iPhone or whatever that sounds to me and

1184

00:55:51,589 --> 00:55:49,020

looks me right in sidious gift really if

1185

00:55:52,910 --> 00:55:51,599

it's used for the benefit of human

1186

00:55:55,760 --> 00:55:52,920

beings and we can command it

1187

00:55:59,210 --> 00:55:55,770

Patricia pk that would be wonderful but

1188

00:56:02,299 --> 00:55:59,220

do you know it tends not to do that and

1189

00:56:03,500 --> 00:56:02,309

so if you reverse the thing if you

1190

00:56:05,240 --> 00:56:03,510

become it's slave

1191

00:56:07,370 --> 00:56:05,250

now all these things have been said this

1192

00:56:09,950 --> 00:56:07,380

is not new and that's what I believe and

1193

00:56:14,120 --> 00:56:09,960

I'm a small family point of view because

1194

00:56:15,920 --> 00:56:14,130

in the end I'm also a bird dad and mom

1195

00:56:18,410 --> 00:56:15,930

and we've got the children and we all

1196

00:56:20,630 --> 00:56:18,420

are family people and so on in the end

1197

00:56:23,539 --> 00:56:20,640

we have to think about this humanity of

1198

00:56:25,460 --> 00:56:23,549

us and to me whatever I write about grey

1199

00:56:27,559 --> 00:56:25,470

aliens or whatever they might be and

1200

00:56:29,750 --> 00:56:27,569

speculate about it I tried to be as

1201
00:56:32,930 --> 00:56:29,760
informed as I can but I am NOT here to

1202
00:56:35,270 --> 00:56:32,940
preach I just look at it from a dad's

1203
00:56:37,280 --> 00:56:35,280
point-of-view and I say these things you

1204
00:56:38,599 --> 00:56:37,290
from that point of view really and we

1205
00:56:41,269 --> 00:56:38,609
ought not

1206
00:56:43,970 --> 00:56:41,279
be suddenly clouded by all this stuff

1207
00:56:46,970 --> 00:56:43,980
being thrown at us every day so that we

1208
00:56:49,069 --> 00:56:46,980
lose that simple sense of each other as

1209
00:56:50,630 --> 00:56:49,079
human beings and I think that's what the

1210
00:56:52,910 --> 00:56:50,640
great teachers were trying to say to us

1211
00:56:56,509 --> 00:56:52,920
in the past wherever they came from

1212
00:56:59,539 --> 00:56:56,519
be careful you don't lose custody of

1213
00:57:02,029 --> 00:56:59,549

your own sense of each other if that

1214

00:57:04,640 --> 00:57:02,039

ever happens then you don't need grey

1215

00:57:08,420 --> 00:57:04,650

aliens you don't need row boys you're

1216

00:57:11,960 --> 00:57:08,430

gone anyway anything is the truth it

1217

00:57:13,519 --> 00:57:11,970

really is Nigel very well said you watch

1218

00:57:15,049 --> 00:57:13,529

people walking down the street they're

1219

00:57:17,059 --> 00:57:15,059

not looking at anything around them

1220

00:57:19,640 --> 00:57:17,069

they're looking at their hands well

1221

00:57:21,559 --> 00:57:19,650

without moans just cell phones people go

1222

00:57:23,269 --> 00:57:21,569

out to dinner they sit across from one

1223

00:57:27,680 --> 00:57:23,279

another they don't even speak to each

1224

00:57:29,809 --> 00:57:27,690

other yeah yeah I tell you a little

1225

00:57:31,309 --> 00:57:29,819

story a friend of mine was in Italy

1226

00:57:33,229 --> 00:57:31,319

recently it's quite an anecdote that

1227

00:57:35,059 --> 00:57:33,239

brings us out and they went into this

1228

00:57:37,839 --> 00:57:35,069

church the service was going on and they

1229

00:57:39,829 --> 00:57:37,849

were walking along some Christian

1230

00:57:42,620 --> 00:57:39,839

edifice it was and they were looking

1231

00:57:44,870 --> 00:57:42,630

into this church and as they walked in

1232

00:57:47,359 --> 00:57:44,880

this saw your audience and all of them

1233

00:57:49,789 --> 00:57:47,369

seemed to be bent over kneeling kneeling

1234

00:57:54,079 --> 00:57:49,799

down devotionally and they don't that's

1235

00:57:56,989 --> 00:57:54,089

lovely to see a young audience all bent

1236

00:57:59,509 --> 00:57:56,999

over concentrating on the service nobody

1237

00:58:01,640 --> 00:57:59,519

will believe how devotional and devoted

1238

00:58:03,710 --> 00:58:01,650

this a scene is they walked a little

1239

00:58:19,150 --> 00:58:03,720

further up and they could see the

1240

00:58:32,599 --> 00:58:28,880

tell me the story of course it's awful I

1241

00:58:34,999 --> 00:58:32,609

mean I thought it was funny because the

1242

00:58:36,470 --> 00:58:35,009

fact that she expected to be in this

1243

00:58:44,749 --> 00:58:36,480

world wait to be anything different

1244

00:58:48,410 --> 00:58:44,759

surprised me really shocked about it I

1245

00:58:50,269 --> 00:58:48,420

was indeed that all of them was a young

1246

00:58:57,760 --> 00:58:50,279

audience that's why she was so impressed

1247

00:59:02,300 --> 00:59:00,530

it's really shame but exactly what PK

1248

00:59:05,870 --> 00:59:02,310

was saying is happening every day and

1249

00:59:08,510 --> 00:59:05,880

and now I hear Apple is trying to find

1250

00:59:10,670 --> 00:59:08,520

ways to teach children not to be

1251
00:59:12,500 --> 00:59:10,680
addicted to their phones which would be

1252
00:59:15,350 --> 00:59:12,510
interesting thing how they accomplish

1253
00:59:17,330 --> 00:59:15,360
this but in the meantime we have much

1254
00:59:20,660 --> 00:59:17,340
bigger things to be concerned about

1255
00:59:23,900 --> 00:59:20,670
we've as we move forward as the human

1256
00:59:26,990 --> 00:59:23,910
race because we are under siege and it's

1257
00:59:30,620 --> 00:59:27,000
a secret situation and anything that

1258
00:59:32,000 --> 00:59:30,630
secret is doubly dangerous right so you

1259
00:59:34,300 --> 00:59:32,010
know I wonder I mean

1260
00:59:36,560 --> 00:59:34,310
Nigel what's your opinion about

1261
00:59:38,930 --> 00:59:36,570
disclosure do you think that our

1262
00:59:41,350 --> 00:59:38,940
governments collectively are going to

1263
00:59:44,510 --> 00:59:41,360

come clean on this what's your thought I

1264

00:59:46,580 --> 00:59:44,520

think the only thing that can actually

1265

00:59:48,350 --> 00:59:46,590

make sure of it Patricia I think this is

1266

00:59:49,730 --> 00:59:48,360

a simple common sense I think most

1267

00:59:52,610 --> 00:59:49,740

people will probably if they think about

1268

00:59:54,500 --> 00:59:52,620

it agree if you don't out of your own

1269

00:59:56,660 --> 00:59:54,510

terms of reference as an individual

1270

00:59:58,760 --> 00:59:56,670

shout as much as you can that's

1271

01:00:01,670 --> 00:59:58,770

something that you know it's patently

1272

01:00:03,950 --> 01:00:01,680

wrong then nothing will be done by

1273

01:00:06,320 --> 01:00:03,960

governments governments only follow the

1274

01:00:07,820 --> 01:00:06,330

party line so to speak and usually

1275

01:00:10,160 --> 01:00:07,830

they're power-hungry to be cynical

1276
01:00:11,810 --> 01:00:10,170
they're power-hungry people and I don't

1277
01:00:13,760 --> 01:00:11,820
think I've ever seen the government

1278
01:00:16,760 --> 01:00:13,770
around the world wherever that you've

1279
01:00:18,950 --> 01:00:16,770
found truly altruistic people serving

1280
01:00:21,020 --> 01:00:18,960
everybody so we have to therefore

1281
01:00:23,570 --> 01:00:21,030
individually take it into our own hands

1282
01:00:25,640 --> 01:00:23,580
to be privately don't go out and cause

1283
01:00:29,060 --> 01:00:25,650
all kinds of ructions and whatever it is

1284
01:00:31,280 --> 01:00:29,070
and then riots or whatever but the firm

1285
01:00:33,770 --> 01:00:31,290
within what you believe and hope that

1286
01:00:36,110 --> 01:00:33,780
your friends will join in and if they

1287
01:00:38,300 --> 01:00:36,120
are working to secret things that are

1288
01:00:41,240 --> 01:00:38,310

being done against the interests of

1289

01:00:43,670 --> 01:00:41,250

humanity and surely their humanity knows

1290

01:00:46,460 --> 01:00:43,680

that they say first person they look at

1291

01:00:48,620 --> 01:00:46,470

most of all and that is our species if

1292

01:00:52,880 --> 01:00:48,630

they take away our species we are all

1293

01:00:55,070 --> 01:00:52,890

gone too so to me as a writer when I sit

1294

01:00:56,840 --> 01:00:55,080

and write these things down I'll have to

1295

01:00:58,760 --> 01:00:56,850

look at them and understand that my

1296

01:01:00,800 --> 01:00:58,770

children will read that too and as a

1297

01:01:04,070 --> 01:01:00,810

father I have to be responsible to them

1298

01:01:06,110 --> 01:01:04,080

so my first person if you like that I

1299

01:01:08,450 --> 01:01:06,120

look to is what will a dad

1300

01:01:09,950 --> 01:01:08,460

say to children really basically and I

1301

01:01:13,180 --> 01:01:09,960

take that point of view with the writer

1302

01:01:16,670 --> 01:01:13,190

yeah I agree I agree now here's a really

1303

01:01:19,280 --> 01:01:16,680

really interesting question and this is

1304

01:01:21,020 --> 01:01:19,290

from I not probably not going to

1305

01:01:24,770 --> 01:01:21,030

pronounce this correctly Rhian Gresham

1306

01:01:26,690 --> 01:01:24,780

I'm curious to know why these aliens

1307

01:01:29,840 --> 01:01:26,700

have been reported to create hybrid

1308

01:01:31,940 --> 01:01:29,850

children with their abductors what is

1309

01:01:34,400 --> 01:01:31,950

the genetic material that they are

1310

01:01:39,050 --> 01:01:34,410

mixing our DNA with since they are

1311

01:01:42,320 --> 01:01:39,060

robots they hate melanin melanin stops

1312

01:01:45,200 --> 01:01:42,330

their actual ultraviolet light pens from

1313

01:01:48,350 --> 01:01:45,210

cutting into our DNA and melanin is

1314

01:01:51,860 --> 01:01:48,360

something is a magical component which

1315

01:01:53,660 --> 01:01:51,870

if you have a good covering off you have

1316

01:01:57,700 --> 01:01:53,670

an advantage they tend to leave you

1317

01:02:00,140 --> 01:01:57,710

alone but if they can get through that

1318

01:02:02,540 --> 01:02:00,150

melanin then they can alter you and

1319

01:02:04,430 --> 01:02:02,550

you've got to be extremely careful that

1320

01:02:06,530 --> 01:02:04,440

they might be aiming to do that

1321

01:02:08,180 --> 01:02:06,540

professor David Jacobs you know

1322

01:02:10,790 --> 01:02:08,190

interviewed a female abductor you

1323

01:02:13,460 --> 01:02:10,800

described how she was shown a hybrid

1324

01:02:15,980 --> 01:02:13,470

baby yeah you probably know and I too

1325

01:02:18,020 --> 01:02:15,990

hold it and hug it and then Jacobs artha

1326

01:02:20,120 --> 01:02:18,030

about the skin color of the baby does it

1327

01:02:22,520 --> 01:02:20,130

have light skin or dark skin within a

1328

01:02:25,490 --> 01:02:22,530

Caucasian range her answer was fair

1329

01:02:28,120 --> 01:02:25,500

quite fair I think it is very fair as a

1330

01:02:31,010 --> 01:02:28,130

matter of fact she said almost like no

1331

01:02:33,320 --> 01:02:31,020

ultraviolet light for this guy this

1332

01:02:35,900 --> 01:02:33,330

seems to be the norm for most of the

1333

01:02:38,180 --> 01:02:35,910

hybrid witnesses and it's epitomized in

1334

01:02:39,890 --> 01:02:38,190

the blonde blue-eyed Nordic type of

1335

01:02:43,640 --> 01:02:39,900

aliens that are witnessed by many

1336

01:02:45,620 --> 01:02:43,650

abductees so that's a warning for us it

1337

01:02:50,450 --> 01:02:45,630

really is that they're looking for this

1338

01:02:56,320 --> 01:02:50,460

type of kind of DNA prospectus because

1339

01:03:00,290 --> 01:02:56,330

they've easily worked on their mixing

1340

01:03:03,620 --> 01:03:00,300

with the the women and men they've been

1341

01:03:05,600 --> 01:03:03,630

abducting for breeding purposes this is

1342

01:03:09,410 --> 01:03:05,610

stuff they're basically growing in a lab

1343

01:03:11,150 --> 01:03:09,420

and then introducing indeed I mean so

1344

01:03:13,700 --> 01:03:11,160

it's interesting their own DNA

1345

01:03:15,530 --> 01:03:13,710

it is DNA that they're creating in a

1346

01:03:18,530 --> 01:03:15,540

laboratory somewhere and then mixing

1347

01:03:19,780 --> 01:03:18,540

that well that would make sense the only

1348

01:03:22,210 --> 01:03:19,790

thing that I could find

1349

01:03:24,580 --> 01:03:22,220

that's common practice with what these

1350

01:03:27,190 --> 01:03:24,590

things are doing you know in my

1351

01:03:30,099 --> 01:03:27,200

researches that runs in a line straight

1352

01:03:32,290 --> 01:03:30,109

through Patricia is that incident in the

1353

01:03:34,900 --> 01:03:32,300

last war it has been reported that

1354

01:03:37,450 --> 01:03:34,910

Hitler had an alien encounter in which

1355

01:03:40,390 --> 01:03:37,460

he showed he was shown a blond blue-eyed

1356

01:03:44,020 --> 01:03:40,400

ideal that he later sought to emulate as

1357

01:03:46,300 --> 01:03:44,030

Aryan purity and when he was asked when

1358

01:03:50,490 --> 01:03:46,310

he was asked about it he said I have

1359

01:03:53,800 --> 01:03:50,500

seen the new man and he is cruel and

1360

01:03:56,680 --> 01:03:53,810

intrepid now he formed his idealized

1361

01:04:03,580 --> 01:03:56,690

format based on it now that's not to say

1362

01:04:06,460 --> 01:04:03,590

that every thing these people come in

1363

01:04:09,760 --> 01:04:06,470

there and they use this because this

1364

01:04:10,810 --> 01:04:09,770

facility's easier to be manipulated if

1365

01:04:13,720 --> 01:04:10,820

you see what I mean with their

1366

01:04:16,090 --> 01:04:13,730

technology and maybe that's a weakness

1367

01:04:19,060 --> 01:04:16,100

all of us should rally around and

1368

01:04:22,300 --> 01:04:19,070

protect this these types of people from

1369

01:04:25,180 --> 01:04:22,310

if we don't do that then maybe these

1370

01:04:27,190 --> 01:04:25,190

guys will take them all away Oh in some

1371

01:04:29,050 --> 01:04:27,200

kind of way use them so I think the

1372

01:04:31,990 --> 01:04:29,060

world ought to be warned about this is

1373

01:04:34,990 --> 01:04:32,000

what I'm saying because this comes up in

1374

01:04:37,090 --> 01:04:35,000

research point after research point that

1375

01:04:39,430 --> 01:04:37,100

I see so when you ask me what's the most

1376

01:04:41,220 --> 01:04:39,440

dangerous thing what could be the best

1377

01:04:44,310 --> 01:04:41,230

thing against all this I would say

1378

01:04:47,320 --> 01:04:44,320

beware that there are certain biological

1379

01:04:50,950 --> 01:04:47,330

insects that these things prefer to work

1380

01:04:55,780 --> 01:04:50,960

on to hybridize our species and allow

1381

01:04:59,560 --> 01:04:55,790

them to actually be like us but a

1382

01:05:01,960 --> 01:04:59,570

machine clock running their mind than

1383

01:05:04,180 --> 01:05:01,970

their consensus and that is something we

1384

01:05:07,030 --> 01:05:04,190

have to watch very carefully and if

1385

01:05:09,400 --> 01:05:07,040

someone is guarding this in governments

1386

01:05:11,500 --> 01:05:09,410

or whatever then we ought to be able to

1387

01:05:12,310 --> 01:05:11,510

expose that for the sake of all our

1388

01:05:15,040 --> 01:05:12,320

humanity

1389

01:05:17,560 --> 01:05:15,050

oh absolutely this is reaching critical

1390

01:05:19,750 --> 01:05:17,570

mass now here's another question from

1391

01:05:22,470 --> 01:05:19,760

silent whisper did they not care to

1392

01:05:24,760 --> 01:05:22,480

preserve any history of their makers I

1393

01:05:26,650 --> 01:05:24,770

would think that all machines would be

1394

01:05:29,859 --> 01:05:26,660

programmed to archive data to keep an

1395

01:05:32,770 --> 01:05:29,869

historical record yeah yeah well you

1396

01:05:33,630 --> 01:05:32,780

have so many instances in past they've

1397

01:05:36,700 --> 01:05:33,640

been some very good

1398

01:05:38,500 --> 01:05:36,710

programs that they show generally on a

1399

01:05:40,810 --> 01:05:38,510

channel we have an England called sky

1400

01:05:43,300 --> 01:05:40,820

where they talk about ancient aliens and

1401

01:05:46,920 --> 01:05:43,310

some very well presented theses there on

1402

01:05:49,420 --> 01:05:46,930

how our history is based upon huge

1403

01:05:51,250 --> 01:05:49,430

technologies coming and turning

1404

01:05:53,500 --> 01:05:51,260

primitive people into building things

1405

01:05:56,470 --> 01:05:53,510

like pyramids and so on and even though

1406

01:05:59,140 --> 01:05:56,480

the common you know common invective of

1407

01:06:01,630 --> 01:05:59,150

scientists this can be done it doesn't

1408

01:06:03,460 --> 01:06:01,640

hang hang together these things are

1409

01:06:05,710 --> 01:06:03,470

incredible where you can cut a stone

1410

01:06:09,220 --> 01:06:05,720

lake and put a razor blade through how

1411

01:06:14,080 --> 01:06:09,230

can people you know all that way back be

1412

01:06:16,780 --> 01:06:14,090

able yeah have technology also Nigel in

1413

01:06:20,290 --> 01:06:16,790

this case is about the greys must know

1414

01:06:22,990 --> 01:06:20,300

who created them right not necessarily

1415

01:06:26,080 --> 01:06:23,000

if you create a machine you don't tell

1416

01:06:30,130 --> 01:06:26,090

because of the machine look yeah you are

1417

01:06:32,620 --> 01:06:30,140

made by this fact nothing that they

1418

01:06:36,160 --> 01:06:32,630

would do that they would just create an

1419

01:06:38,680 --> 01:06:36,170

artificial quantum computer type program

1420

01:06:41,650 --> 01:06:38,690

which will run this particular thing and

1421

01:06:43,330 --> 01:06:41,660

get it to self-replicate itself when it

1422

01:06:45,910 --> 01:06:43,340

runs up and the second law breaks

1423

01:06:48,040 --> 01:06:45,920

everything down and you know the second

1424

01:06:50,530 --> 01:06:48,050

law of thermodynamics is the Great Satan

1425

01:06:54,220 --> 01:06:50,540

to me that's the thing that breaks

1426
01:06:56,170 --> 01:06:54,230
everything into pieces and we all have

1427
01:06:58,390 --> 01:06:56,180
to watch that law because we all die

1428
01:07:04,120 --> 01:06:58,400
don't we in nothing goes the other way

1429
01:07:06,640 --> 01:07:04,130
very straight but there's no opposite to

1430
01:07:09,430 --> 01:07:06,650
the momentum of the universe all that

1431
01:07:11,590 --> 01:07:09,440
broke up what have you learned from the

1432
01:07:14,770 --> 01:07:11,600
abductees that you've spoken with about

1433
01:07:17,200 --> 01:07:14,780
this oh sorry I didn't get the question

1434
01:07:19,180 --> 01:07:17,210
sorry can you repeat please what did you

1435
01:07:23,460 --> 01:07:19,190
learn from the abductees you've spoken

1436
01:07:25,600 --> 01:07:23,470
with about what's helpful phenomena

1437
01:07:26,460 --> 01:07:25,610
first of all they're very frightened

1438
01:07:28,840 --> 01:07:26,470

people

1439

01:07:31,060 --> 01:07:28,850

secondly they don't need to be

1440

01:07:33,280 --> 01:07:31,070

frightened because often some I think

1441

01:07:35,800 --> 01:07:33,290

more often than not the abductees that

1442

01:07:38,020 --> 01:07:35,810

survived the abduction are rejects they

1443

01:07:40,990 --> 01:07:38,030

can't do anything to them so in fact

1444

01:07:44,260 --> 01:07:41,000

they have beaten the great but the one

1445

01:07:46,720 --> 01:07:44,270

that you don't hear too much about they

1446

01:07:49,270 --> 01:07:46,730

are the ones that you know it's too late

1447

01:07:51,099 --> 01:07:49,280

so if you hear about abductees I think

1448

01:07:54,070 --> 01:07:51,109

they have something extraordinary about

1449

01:07:56,680 --> 01:07:54,080

them a lot of them that grace can't do

1450

01:07:58,870 --> 01:07:56,690

anything with that's why they're here so

1451

01:08:00,910 --> 01:07:58,880

it's a good thing to survive them I

1452

01:08:03,849 --> 01:08:00,920

think from my own experience

1453

01:08:05,230 --> 01:08:03,859

ah I think the ones that are really in

1454

01:08:09,040 --> 01:08:05,240

danger you never see because they've

1455

01:08:10,570 --> 01:08:09,050

already gone and you know yeah yeah and

1456

01:08:12,160 --> 01:08:10,580

if you look at the number of people you

1457

01:08:14,200 --> 01:08:12,170

can only do you can do this research on

1458

01:08:17,890 --> 01:08:14,210

the computer of course find out how many

1459

01:08:20,440 --> 01:08:17,900

people a year go missing with no trace

1460

01:08:21,120 --> 01:08:20,450

in the world it runs into hundreds of

1461

01:08:24,220 --> 01:08:21,130

millions

1462

01:08:25,690 --> 01:08:24,230

according to w-h-o figures it goes to

1463

01:08:30,329 --> 01:08:25,700

hundreds of three I mean a hundreds of

1464

01:08:32,979 --> 01:08:30,339

thousands I should say that yeah yes

1465

01:08:35,559 --> 01:08:32,989

simply going this thing every year and

1466

01:08:38,499 --> 01:08:35,569

we need to find an answer to this where

1467

01:08:40,900 --> 01:08:38,509

are they going what is happening all

1468

01:08:50,680 --> 01:08:40,910

these things underground as many people

1469

01:08:52,599 --> 01:08:50,690

claim right but to share how are we

1470

01:08:55,090 --> 01:08:52,609

going to get the answers to this unless

1471

01:08:57,579 --> 01:08:55,100

people in the know in governments who

1472

01:09:00,249 --> 01:08:57,589

know that this is happening can come out

1473

01:09:04,479 --> 01:09:00,259

somehow and tell the world and they have

1474

01:09:06,729 --> 01:09:04,489

to be very brave people that do this you

1475

01:09:08,440 --> 01:09:06,739

know we've met some of them we've

1476

01:09:11,740 --> 01:09:08,450

invited them on the show and you're

1477

01:09:13,420 --> 01:09:11,750

scared to death for good reason to come

1478

01:09:16,599 --> 01:09:13,430

out and talk about this they've told us

1479

01:09:18,190 --> 01:09:16,609

things privately and this is why both PK

1480

01:09:21,519 --> 01:09:18,200

and I are very knowledgeable about this

1481

01:09:22,960 --> 01:09:21,529

because they have spoken and they know

1482

01:09:26,260 --> 01:09:22,970

they're knowledgeable people on the

1483

01:09:28,300 --> 01:09:26,270

inside of this but to speak publicly is

1484

01:09:30,070 --> 01:09:28,310

something they are scared to death to do

1485

01:09:35,610 --> 01:09:30,080

because they're scared not just for

1486

01:09:40,420 --> 01:09:38,170

you can imagine if they were why are you

1487

01:09:47,910 --> 01:09:40,430

doing it there Nigel and I'd say to them

1488

01:09:52,420 --> 01:09:50,229

I'm not employed by anybody of

1489

01:09:55,750 --> 01:09:52,430

independent means they can't do that to

1490

01:09:59,950 --> 01:09:55,760

me I'm very fortunate enough to have

1491

01:10:00,400 --> 01:09:59,960

such a wicked nature that my wife of 47

1492

01:10:10,870 --> 01:10:00,410

years

1493

01:10:13,150 --> 01:10:10,880

actually admire some things I do here's

1494

01:10:16,030 --> 01:10:13,160

another question and this is from Galaxy

1495

01:10:19,530 --> 01:10:16,040

hopper has the government captured these

1496

01:10:22,900 --> 01:10:19,540

grey droids and tried to hack them I

1497

01:10:29,320 --> 01:10:22,910

have no idea to give you a definitive

1498

01:10:34,000 --> 01:10:29,330

answer I don't know there's also been

1499

01:10:36,580 --> 01:10:34,010

rumors that they have a deal that they

1500

01:10:39,070 --> 01:10:36,590

made a contract with the governments of

1501

01:10:41,950 --> 01:10:39,080

the world to take a certain amount of

1502

01:10:43,570 --> 01:10:41,960

people and do with what they wanted so

1503

01:11:15,480 --> 01:10:43,580

there's been that rumor have you heard

1504

01:11:23,790 --> 01:11:15,490

about the truth checking where I live

1505

01:11:29,410 --> 01:11:27,220

there you go yeah again you know I think

1506

01:11:32,170 --> 01:11:29,420

it is our right to know I mean it's our

1507

01:11:35,410 --> 01:11:32,180

right to know and we need to embrace our

1508

01:11:37,960 --> 01:11:35,420

history with these grays and whatever

1509

01:11:39,340 --> 01:11:37,970

other alien races are becoming here

1510

01:11:43,270 --> 01:11:39,350

because we've heard there's a number of

1511

01:11:45,250 --> 01:11:43,280

them it's not just the greys right and

1512

01:11:47,530 --> 01:11:45,260

and the point is this whatever they

1513

01:11:49,990 --> 01:11:47,540

might have in terms of contracts with a

1514

01:11:52,600 --> 01:11:50,000

specific type of person or a specific

1515

01:11:55,000 --> 01:11:52,610

specific designation of humanity or

1516

01:11:56,950 --> 01:11:55,010

whatever whatever it is if you're a

1517

01:11:59,320 --> 01:11:56,960

machine who is going to send for that

1518

01:12:01,000 --> 01:11:59,330

contract what judge is going to sit in

1519

01:12:03,490 --> 01:12:01,010

charge of a machine in judgment of the

1520

01:12:05,500 --> 01:12:03,500

machine you can't so the problem is

1521

01:12:07,210 --> 01:12:05,510

there can't be contracts or whatever

1522

01:12:09,700 --> 01:12:07,220

there must be some kind of exchange

1523

01:12:12,400 --> 01:12:09,710

mechanism that they give to people and

1524

01:12:13,359 --> 01:12:12,410

say we will look off to you if you help

1525

01:12:15,669 --> 01:12:13,369

us to do this

1526

01:12:17,949 --> 01:12:15,679

now those people are likely to be the

1527

01:12:19,989 --> 01:12:17,959

richest perhaps the most powerful people

1528

01:12:22,509 --> 01:12:19,999

in the world and of course if any

1529

01:12:25,000 --> 01:12:22,519

catastrophe happens Patricia can you see

1530

01:12:25,659 --> 01:12:25,010

you and I being included in those lists

1531

01:12:27,699 --> 01:12:25,669

of course not

1532

01:12:37,659 --> 01:12:27,709

I'll be the first to go by the way so

1533

01:12:39,520 --> 01:12:37,669

maybe I can say bye-bye now well again

1534

01:12:41,020 --> 01:12:39,530

it's again it's our right to know we

1535

01:12:43,709 --> 01:12:41,030

have a heritage here we have a

1536

01:12:46,659 --> 01:12:43,719

background we were created by these

1537

01:12:47,979 --> 01:12:46,669

aliens if you watch ancient aliens

1538

01:12:51,129 --> 01:12:47,989

that's certainly what they're saying and

1539

01:12:52,989 --> 01:12:51,139

I tend to agree you talked about this in

1540

01:12:55,929 --> 01:12:52,999

your book also Nigel that we have this

1541

01:13:01,719 --> 01:12:55,939

incredible blast of Technology where did

1542

01:13:03,790 --> 01:13:01,729

it come from too quickly and too far for

1543

01:13:06,369 --> 01:13:03,800

us to believe is anything but something

1544

01:13:08,770 --> 01:13:06,379

extraordinary and when I see Gordon

1545

01:13:11,560 --> 01:13:08,780

Cooper beautiful man by Gordon Cooper

1546

01:13:13,149 --> 01:13:11,570

tell us that one of these landed in

1547

01:13:15,279 --> 01:13:13,159

front of him in one of the Air Force

1548

01:13:17,049 --> 01:13:15,289

bases he landed on and when he took the

1549

01:13:19,119 --> 01:13:17,059

photographs and gave it to these people

1550

01:13:21,879 --> 01:13:19,129

he never saw them again and he was

1551

01:13:24,279 --> 01:13:21,889

branded with doubt and so on your great

1552

01:13:27,339 --> 01:13:24,289

worthy astronaut Gordon Cooper yeah yeah

1553

01:13:31,149 --> 01:13:27,349

so who is sacred and Ed Mitchell a

1554

01:13:33,040 --> 01:13:31,159

revered scholar you know people that

1555

01:13:37,449 --> 01:13:33,050

abroad in Britain and all over the world

1556

01:13:40,929 --> 01:13:37,459

admire how can these people be kind of

1557

01:13:43,959 --> 01:13:40,939

abandoned by a bunch of people who think

1558

01:13:46,270 --> 01:13:43,969

either Vic either they're controlled or

1559

01:13:49,509 --> 01:13:46,280

have some privilege granted to them and

1560

01:13:52,569 --> 01:13:49,519

I wouldn't make any contract between

1561

01:14:06,580 --> 01:13:52,579

four fingers and no thumbs I always

1562

01:14:09,429 --> 01:14:06,590

check my wife's fingers by the way gosh

1563

01:14:11,350 --> 01:14:09,439

well you know it is this is a very

1564

01:14:13,959 --> 01:14:11,360

important issue you're a very brave man

1565

01:14:15,939 --> 01:14:13,969

Nigel and it's also good that you can

1566

01:14:17,830 --> 01:14:15,949

talk about this and maintain your sense

1567

01:14:19,569 --> 01:14:17,840

of humor because this can get very dark

1568

01:14:21,639 --> 01:14:19,579

I mean it can't get very scary I'm sure

1569

01:14:23,169 --> 01:14:21,649

we'll be hearing from some of our

1570

01:14:25,089 --> 01:14:23,179

listeners who are going to write to us

1571

01:14:27,700 --> 01:14:25,099

and say I love the show but I had

1572

01:14:37,920 --> 01:14:27,710

nightmares and that's okay too

1573

01:14:44,830 --> 01:14:42,640

yeah yeah I know but this is a big big

1574

01:14:47,530 --> 01:14:44,840

issue and you are very brave to take

1575

01:14:52,120 --> 01:14:47,540

this on and you do present this in a

1576

01:14:54,040 --> 01:14:52,130

very logical academic manner and so it's

1577

01:14:56,380 --> 01:14:54,050

it's great we can't thank you enough for

1578

01:15:04,240 --> 01:14:56,390

being one of the truth tellers in this

1579

01:15:06,459 --> 01:15:04,250

world today and always this might be a

1580

01:15:08,830 --> 01:15:06,469

mutual admiration society but I tell you

1581

01:15:15,760 --> 01:15:08,840

what I haven't met two sweeter

1582

01:15:18,400 --> 01:15:15,770

interviewers in a long long time well

1583

01:15:20,950 --> 01:15:18,410

you know we are gonna have you back

1584

01:15:22,479 --> 01:15:20,960

because we heard that you're writing

1585

01:15:25,930 --> 01:15:22,489

another book so tell us a little bit

1586

01:15:29,290 --> 01:15:25,940

about that part yeah well that is to do

1587

01:15:31,750 --> 01:15:29,300

with what what where we might finally go

1588

01:15:33,130 --> 01:15:31,760

where our destiny might be it's a kind

1589

01:15:35,620 --> 01:15:33,140

of summary of all the things I've said

1590

01:15:37,959 --> 01:15:35,630

in the other books and it is something I

1591

01:15:40,840 --> 01:15:37,969

suppose you know Patricia after doing

1592

01:15:42,880 --> 01:15:40,850

all of this stuff for so long dancing to

1593

01:15:45,450 --> 01:15:42,890

tie down up upside down and so to speak

1594

01:15:52,840 --> 01:15:45,460

with technicalities and so on I kind of

1595

01:16:00,340 --> 01:15:57,030

[Laughter]

1596

01:16:06,340 --> 01:16:00,350

okay and America the best

1597

01:16:07,810 --> 01:16:06,350

it's a lovely old country we still need

1598

01:16:10,479 --> 01:16:07,820

the name of your new book do you have a

1599

01:16:14,979 --> 01:16:10,489

name for it yet I used to call the

1600

01:16:18,220 --> 01:16:14,989

margins of forever oh gosh that's really

1601

01:16:20,590 --> 01:16:18,230

powerful I love that that's beautiful

1602

01:16:22,750 --> 01:16:20,600

all right well listen you got a promise

1603

01:16:24,729 --> 01:16:22,760

to come back Nigel we so thoroughly

1604

01:16:32,860 --> 01:16:24,739

enjoyed having you on our show thank you

1605

01:16:36,250 --> 01:16:32,870

so okay well if you get to the States

1606

01:16:37,959 --> 01:16:36,260

you gotta look us up Nigel and we look

1607

01:16:39,580 --> 01:16:37,969

forward to meeting in person someday

1608

01:16:41,640 --> 01:16:39,590

we'll definitely have you back on the

1609

01:16:48,570 --> 01:16:41,650

show absolutely

1610

01:16:50,970 --> 01:16:48,580

thank you bye-bye next week everybody we

1611

01:16:53,940 --> 01:16:50,980

have a another superstar coming on the

1612

01:16:57,840 --> 01:16:53,950

show and this is doctor Stanley Crippler

1613

01:16:59,640 --> 01:16:57,850

and he is joining us to talk about the

1614

01:17:02,250 --> 01:16:59,650

late great medicine man

1615

01:17:04,530 --> 01:17:02,260

Rolling Thunder he was very close to

1616

01:17:06,570 --> 01:17:04,540

Rolling Thunder I had the pleasure of

1617

01:17:09,390 --> 01:17:06,580

meeting Rolling Thunder only once I will

1618

01:17:12,150 --> 01:17:09,400

never forget it so please join us next

1619

01:17:14,550 --> 01:17:12,160

week we will be back with another new

1620

01:17:16,980 --> 01:17:14,560

show another exciting show and until

1621

01:17:27,010 --> 01:17:16,990

then we'll see you on the blue highway
