21

00:01:22,039 --> 00:01:20,070

reports the first UFO sighting happened

22

00:01:25,460 --> 00:01:22,049

in st. Lucie Florida

23

00:01:28,550 --> 00:01:25,470

this occurred January 7th 2018 and

24

00:01:33,530 --> 00:01:28,560

briefed the witness states three multi

25

00:01:35,630 --> 00:01:33,540

colored objects mysterious in more

26

00:01:37,630 --> 00:01:35,640

detail the witness states my daughter

27

00:01:40,580 --> 00:01:37,640

and son-in-law pulled up to our house

28

00:01:43,910 --> 00:01:40,590

she called me frantic and told me to

29

00:01:46,039 --> 00:01:43,920

come out by their truck now I ran out

30

00:01:48,289 --> 00:01:46,049

still on the phone with her thinking the

31

00:01:50,450 --> 00:01:48,299

worst of things and they both ran

32

00:01:54,440 --> 00:01:50,460

towards me pointing to the north in the

33

00:01:58,459 --> 00:01:54,450

sky all of us witnessed three separate

34

00:02:01,520 --> 00:01:58,469

objects flashed multi colors slower than

35

00:02:04,340 --> 00:02:01,530

a strobe light I myself could see red

36

00:02:07,399 --> 00:02:04,350

blue purple ish and white yellowish

37

00:02:09,589 --> 00:02:07,409

flash colors but the three of them were

38

00:02:13,160 --> 00:02:09,599

spinning around in circles of each other

39

00:02:16,979 --> 00:02:13,170

so quickly it was mesmerizing

40

00:02:19,619 --> 00:02:16,989

up-down left-right oval-shaped movement

41

00:02:22,830 --> 00:02:19,629

darting around like almost a game or

42

00:02:25,970 --> 00:02:22,840

something like fast butterflies movement

43

00:02:28,650 --> 00:02:25,980

were graceful and soft yet so rapid

44

00:02:31,110 --> 00:02:28,660

lasted about two to three minutes then

45

00:02:34,920 --> 00:02:31,120

they hovered a few seconds before slowly

46

00:02:36,809 --> 00:02:34,930

heading north northeast it was a good

47

00:02:39,869 --> 00:02:36,819

four minutes we watched trying not to

48

00:02:43,410 --> 00:02:39,879

even blink and they disappeared like a

49

00:02:44,580 --> 00:02:43,420

zap all three of us were stunned shocked

50

00:02:47,550 --> 00:02:44,590

and disbelief

51
00:02:50,250 --> 00:02:47,560
we took the UFO thing as a hoax joke

52
00:02:53,190 --> 00:02:50,260
science related objects Chinese lantern

53
00:02:56,250 --> 00:02:53,200
satellites etc that people were coming

54
00:02:59,759 --> 00:02:56,260
up with but now the three of us know

55
00:03:03,030 --> 00:02:59,769
otherwise I'm still shaken up about it

56
00:03:05,580 --> 00:03:03,040
and it was six hours ago I do believe my

57
00:03:11,490 --> 00:03:05,590
daughter has footage I will have her

58
00:03:14,390 --> 00:03:11,500
send it to me so I can post it next UFO

59
00:03:19,740 --> 00:03:14,400
sighting this happened in a fall

60
00:03:23,520 --> 00:03:19,750
Massachusetts on December 26 2017 and

61
00:03:25,890 --> 00:03:23,530
brief witness states driving north me

62
00:03:29,839 --> 00:03:25,900
and my brother looked up and saw a green

63
00:03:32,430 --> 00:03:29,849

orb fly through sky lost it in the trees

64

00:03:36,240 --> 00:03:32,440

hear a lot about green orbs lately don't

65

00:03:39,210 --> 00:03:36,250

we in more detail driving down Silver

66

00:03:41,699 --> 00:03:39,220

Lake Street and Eiffel Massachusetts I

67

00:03:44,819 --> 00:03:41,709

looked out the front window to see a

68

00:03:47,430 --> 00:03:44,829

fast-moving green orb descending it

69

00:03:50,580 --> 00:03:47,440

looked like it was making a landing in

70

00:03:52,470 --> 00:03:50,590

at Tully Lake a big lake that's less

71

00:03:55,140 --> 00:03:52,480

than a mile from the location spotted

72

00:03:57,780 --> 00:03:55,150

after that my brother asked if I saw

73

00:04:00,809 --> 00:03:57,790

that and I did was in disbelief and

74

00:04:03,900 --> 00:04:00,819

thought I was seeing things so I want

75

00:04:06,150 --> 00:04:03,910

say going anything what the heck what is

76

00:04:08,550 --> 00:04:06,160

saying so I want going I don't

77

00:04:11,400 --> 00:04:08,560

understand it until he asked if I saw it

78

00:04:14,610 --> 00:04:11,410

as well was definitely not a shooting

79

00:04:17,039 --> 00:04:14,620

star it was too big and was glowing

80

00:04:18,330 --> 00:04:17,049

bright green people edit your reports

81

00:04:20,550 --> 00:04:18,340

read through them

82

00:04:23,310 --> 00:04:20,560

so we can all learn about what it is you

83

00:04:25,129 --> 00:04:23,320

really feel and experience I just read

84

00:04:28,999 --> 00:04:25,139

this stuff but that's it

85

00:04:30,040 --> 00:04:29,009

I can't I can't edit I do my best as I

86

00:04:33,200 --> 00:04:30,050

read it though

87

00:04:36,100 --> 00:04:33,210

alright the next UFO sighting this

88

00:04:40,279 --> 00:04:36,110

happened in st. John's Newfoundland and

89

00:04:44,719 --> 00:04:40,289

lab huh Newfoundland in lab ok this

90

00:04:46,670 --> 00:04:44,729

occurred October 23rd 2017 and brief the

91

00:04:49,300 --> 00:04:46,680

witness states object descended at a

92

00:04:52,909 --> 00:04:49,310

45-degree angle and lit up the sky

93

00:04:55,249 --> 00:04:52,919

witnessed by dozens of people in more

94

00:04:57,740 --> 00:04:55,259

detail this event was witnessed by

95

00:04:59,659 --> 00:04:57,750

dozens of people and captured by cameras

96

00:05:02,689 --> 00:04:59,669

that were affixed in the downtown area

97

00:05:05,269 --> 00:05:02,699

by the Harbourfront as well as cameras

98

00:05:08,390 --> 00:05:05,279

people had with them it was thought to

99

00:05:11,330 --> 00:05:08,400

have crashed in the south side Hills but

100

00:05:12,830 --> 00:05:11,340

nothing was ever found I do believe it

101
00:05:15,290 --> 00:05:12,840
went straight into the water on the

102
00:05:17,959 --> 00:05:15,300
other side of the hills I have witnessed

103
00:05:20,420 --> 00:05:17,969
the same type thing happening numerous

104
00:05:23,450 --> 00:05:20,430
times close to where I live which is a

105
00:05:25,519 --> 00:05:23,460
few miles outside of st. John's and I do

106
00:05:28,760 --> 00:05:25,529
have photos I have taken with my small

107
00:05:30,589 --> 00:05:28,770
Kodak camera Kodak still likes it ok it

108
00:05:34,279 --> 00:05:30,599
was later thought to have probably been

109
00:05:37,010 --> 00:05:34,289
a meteorite but people familiar with

110
00:05:40,309 --> 00:05:37,020
meteorites say it was like nothing

111
00:05:42,139 --> 00:05:40,319
they'd ever seen I am attaching news

112
00:05:44,480 --> 00:05:42,149
articles that have links showing the

113
00:05:47,540 --> 00:05:44,490

camera footage that captured the event I

114

00:05:50,329 --> 00:05:47,550

have put 50 as the number of witnesses

115

00:05:53,059 --> 00:05:50,339

but it was much higher than that

116

00:05:59,179 --> 00:05:53,069

everyone in the downtown area that were

117

00:06:02,149 --> 00:05:59,189

outside seen it that's really really

118

00:06:05,269 --> 00:06:02,159

cool alright moving on to the next UFO

119

00:06:09,860 --> 00:06:05,279

sighting this occurred in Toronto

120

00:06:12,409 --> 00:06:09,870

Ontario on December 2nd 2017

121

00:06:15,260 --> 00:06:12,419

in brief the witness states two long

122

00:06:18,189 --> 00:06:15,270

cylindrical bright objects from hospital

123

00:06:22,550 --> 00:06:18,199

bed they were hovering then sped

124

00:06:25,010 --> 00:06:22,560

eastward and more detail the witness

125

00:06:27,200 --> 00:06:25,020

states I was in the hospital I woke

126
00:06:29,269 --> 00:06:27,210
because I had to use the bathroom I

127
00:06:32,179 --> 00:06:29,279
looked out my window which was looking

128
00:06:34,639 --> 00:06:32,189
north just below the clouds and I saw

129
00:06:37,100 --> 00:06:34,649
two cylinders that look like bright

130
00:06:38,839 --> 00:06:37,110
lights at first I thought that they were

131
00:06:42,260 --> 00:06:38,849
a reflection from something

132
00:06:45,499 --> 00:06:42,270
in my room on the window but so gave the

133
00:06:47,869 --> 00:06:45,509
idea a no way okay whatever that means I

134
00:06:51,230 --> 00:06:47,879
looked at the two objects for about five

135
00:06:54,320 --> 00:06:51,240
seconds then the 22 cylinder called

136
00:06:58,100 --> 00:06:54,330
light sped faster than any airplane

137
00:07:01,429 --> 00:06:58,110
could ever move to the east I am 100%

138
00:07:04,189 --> 00:07:01,439

certain that they were UFOs the speed

139

00:07:07,279 --> 00:07:04,199

with which they left was very fast a few

140

00:07:10,179 --> 00:07:07,289

minutes later I saw an airplane crossed

141

00:07:13,429 --> 00:07:10,189

my window just before the UFO had been

142

00:07:15,919 --> 00:07:13,439

just where the UFO had been okay and it

143

00:07:20,509 --> 00:07:15,929

took much longer to cross my window than

144

00:07:22,809 --> 00:07:20,519

the UFO did hmm okay moving on then the

145

00:07:28,279 --> 00:07:22,819

next UFO sighting this occurred in

146

00:07:30,589 --> 00:07:28,289

Orlando Florida on January 7th 2018 in

147

00:07:33,709 --> 00:07:30,599

brief the witness states ate orange

148

00:07:36,409 --> 00:07:33,719

glowing spheres approaching Northwest to

149

00:07:37,969 --> 00:07:36,419

Southwest over the course of five to

150

00:07:40,189 --> 00:07:37,979

seven minutes passed over my

151
00:07:42,679 --> 00:07:40,199
neighborhood where I observed four of

152
00:07:46,189 --> 00:07:42,689
the eight turned off their orange glow

153
00:07:50,059 --> 00:07:46,199
and could see them silently flying line

154
00:07:52,369 --> 00:07:50,069
towards the southwest okay in more

155
00:07:55,279 --> 00:07:52,379
detail and it's a good amount of detail

156
00:07:57,589 --> 00:07:55,289
at about 7:00 p.m. I was in my car at

157
00:08:00,019 --> 00:07:57,599
the intersection of har Gill and Conway

158
00:08:02,689 --> 00:08:00,029
Road heading east into my neighborhood

159
00:08:06,049 --> 00:08:02,699
as I waited to cross the road I observed

160
00:08:09,230 --> 00:08:06,059
two orange orbs flying at northeast to

161
00:08:11,569 --> 00:08:09,240
southwest one of the two orange glowing

162
00:08:15,079 --> 00:08:11,579
orbs disappeared from view as the lights

163
00:08:17,569 --> 00:08:15,089

dimmed until not visible the second orb

164

00:08:19,939 --> 00:08:17,579

followed suit within two minutes a third

165

00:08:24,230 --> 00:08:19,949

and fourth orb coming from the northeast

166

00:08:27,669 --> 00:08:24,240

to southwest flew with and orange glow

167

00:08:30,439 --> 00:08:27,679

until the glow dimmed out of sight Oh

168

00:08:33,050 --> 00:08:30,449

after a minute later I was at house and

169

00:08:35,209 --> 00:08:33,060

observed a fifth glowing orb fly almost

170

00:08:39,139 --> 00:08:35,219

directly overhead looking up at

171

00:08:42,589 --> 00:08:39,149

approximately 85% at about 2,000 feet

172

00:08:45,319 --> 00:08:42,599

AGL best guess based on my experience as

173

00:08:47,900 --> 00:08:45,329

a paratrooper I took out my phone to

174

00:08:50,150 --> 00:08:47,910

take a video and as I did the object

175

00:08:52,080 --> 00:08:50,160

turned off its lights and I could see a

176
00:08:54,930 --> 00:08:52,090
gray sphere

177
00:08:57,930 --> 00:08:54,940
violently fly overhead at the speed of a

178
00:09:01,530 --> 00:08:57,940
traffic helicopter until out of you well

179
00:09:04,800 --> 00:09:01,540
that's pretty darn specific traffic

180
00:09:07,230 --> 00:09:04,810
helicopter okay about two minutes later

181
00:09:10,740 --> 00:09:07,240
I was on my roof looking to the

182
00:09:13,200 --> 00:09:10,750
northeast towards Titusville when the

183
00:09:15,990 --> 00:09:13,210
three orange glowing orbs flying in a

184
00:09:20,910 --> 00:09:16,000
line at about 2,000 feet AGL followed

185
00:09:23,610 --> 00:09:20,920
and arced path across the southwest as

186
00:09:26,160 --> 00:09:23,620
each object approached my position the

187
00:09:28,410 --> 00:09:26,170
light it was emitting turned off

188
00:09:31,110 --> 00:09:28,420

approximately above the neighborhood of

189

00:09:34,380 --> 00:09:31,120

Dover Manor east and I could clearly

190

00:09:37,680 --> 00:09:34,390

observe three gray orbs silently fly

191

00:09:41,700 --> 00:09:37,690

above my house on a Southwest flight

192

00:09:43,710 --> 00:09:41,710

path toward I Drive of the eight orbs I

193

00:09:46,590 --> 00:09:43,720

observed it was the final four orbs that

194

00:09:48,510 --> 00:09:46,600

I could clearly see after the orange

195

00:09:51,930 --> 00:09:48,520

glow ceased to emit from the other

196

00:09:54,990 --> 00:09:51,940

object after the lights were gone each

197

00:09:58,290 --> 00:09:55,000

object appeared to be spherical with

198

00:10:01,650 --> 00:09:58,300

absolutely no audible sound or

199

00:10:05,310 --> 00:10:01,660

observable propulsion mechanism the

200

00:10:07,470 --> 00:10:05,320

speed arced flight a path and following

201
00:10:09,360 --> 00:10:07,480
in a line behavior of these objects

202
00:10:12,780 --> 00:10:09,370
indicate to me that they were not

203
00:10:15,030 --> 00:10:12,790
balloons of any kind additionally I

204
00:10:17,460 --> 00:10:15,040
lived directly along the flight path of

205
00:10:20,670 --> 00:10:17,470
the airport and have extensive military

206
00:10:22,350 --> 00:10:20,680
experience in and around aircraft and I

207
00:10:24,260 --> 00:10:22,360
could say with one other percent

208
00:10:27,329 --> 00:10:24,270
certainty that these were not

209
00:10:34,590 --> 00:10:27,339
conventional aircraft either helicopter

210
00:10:39,120 --> 00:10:34,600
or fixed-wing the next UFO sighting this

211
00:10:39,720 --> 00:10:39,130
occurred in England Derby England to be

212
00:10:43,410 --> 00:10:39,730
exact

213
00:10:45,570 --> 00:10:43,420

January 8th 2017 a bit of a blast from

214

00:10:50,400 --> 00:10:45,580

the past unless they meant forward this

215

00:10:54,000 --> 00:10:50,410

year January 8th 2018 but they put 2017

216

00:10:56,850 --> 00:10:54,010

all right possible star but not seen

217

00:10:59,190 --> 00:10:56,860

before brightest in a sky changing color

218

00:11:02,699 --> 00:10:59,200

in more detail the witness states lying

219

00:11:05,460 --> 00:11:02,709

in bed I always look to the stars

220

00:11:09,300 --> 00:11:05,470

noticed it by the flashing light

221

00:11:11,699 --> 00:11:09,310

I'm such a bad British accent thought to

222

00:11:12,119 --> 00:11:11,709

be a plane or helicopter but went

223

00:11:15,059 --> 00:11:12,129

outside

224

00:11:18,809 --> 00:11:15,069

no noise staying in one place so filled

225

00:11:20,999 --> 00:11:18,819

out plane or helicopter I was a bit

226

00:11:25,019 --> 00:11:21,009

excited I try to zoom in on the phone

227

00:11:27,929 --> 00:11:25,029

camera to see it changing colors vague

228

00:11:30,749 --> 00:11:27,939

not as bright as to the eye video

229

00:11:35,490 --> 00:11:30,759

footage unable to zoom I first noticed

230

00:11:39,269 --> 00:11:35,500

it about 1 a.m. it seems to drop off and

231

00:11:41,550 --> 00:11:39,279

height a slight bit can still see it if

232

00:11:43,949 --> 00:11:41,560

it's just a star would appreciate the

233

00:11:46,740 --> 00:11:43,959

info boys I chopped up man I thought

234

00:11:50,220 --> 00:11:46,750

that over here in the States we wrote

235

00:11:52,550 --> 00:11:50,230

little gibberish but that was pretty

236

00:11:56,550 --> 00:11:52,560

messed up alright moving on

237

00:12:00,720 --> 00:11:56,560

sorry edit edit does a great thing just

238

00:12:03,420 --> 00:12:00,730

reread it I like to learn I really do

239

00:12:07,379 --> 00:12:03,430

but it's hard when it's um just not

240

00:12:07,829 --> 00:12:07,389

clear alright I know I say it all the

241

00:12:11,040 --> 00:12:07,839

time

242

00:12:15,660 --> 00:12:11,050

the next UFO sighting happened in Lindon

243

00:12:19,499 --> 00:12:15,670

Michigan January 5th 2018 and briefly

244

00:12:23,429 --> 00:12:19,509

witness state saw you huge UFO object

245

00:12:26,249 --> 00:12:23,439

outside bedroom window with orange red

246

00:12:28,740 --> 00:12:26,259

lights in more detail they say it was

247

00:12:30,960 --> 00:12:28,750

about 1:30 a.m. and I noticed out of my

248

00:12:33,960 --> 00:12:30,970

bedroom window something really large

249

00:12:37,650 --> 00:12:33,970

with red and or reddish orange lights

250

00:12:40,889 --> 00:12:37,660

the size of a car or if at an airplane

251
00:12:43,290 --> 00:12:40,899
level compare it to ten planes over that

252
00:12:45,090 --> 00:12:43,300
was huge it came from the northwest at

253
00:12:47,699 --> 00:12:45,100
our home and traveled a straight line to

254
00:12:51,030 --> 00:12:47,709
the east stopping for a moment to hover

255
00:12:53,639 --> 00:12:51,040
over our home it cut diagonally across

256
00:12:57,090 --> 00:12:53,649
our yard sort of going fast then slow

257
00:12:59,699 --> 00:12:57,100
then fast again it was there for about

258
00:13:01,949 --> 00:12:59,709
one minute I watched from inside my

259
00:13:03,449 --> 00:13:01,959
husband went outside to see it my phone

260
00:13:06,299 --> 00:13:03,459
was charging so I couldn't take any

261
00:13:09,869 --> 00:13:06,309
pictures my husband said and blinked out

262
00:13:12,329 --> 00:13:09,879
when it was in the east he was pale and

263
00:13:15,660 --> 00:13:12,339

knew he saw something that wasn't human

264

00:13:18,660 --> 00:13:15,670

when he came in the house he had also

265

00:13:21,690 --> 00:13:18,670

seen the same thing two summers ago I

266

00:13:25,260 --> 00:13:21,700

also at her house but then he had seen

267

00:13:29,190 --> 00:13:25,270

eight in a row we had no idea what it

268

00:13:32,310 --> 00:13:29,200

was so we called MUFON Wow

269

00:13:36,900 --> 00:13:32,320

pretty pretty pretty jazzy there pretty

270

00:13:40,290 --> 00:13:36,910

jazzy the next UFO sighting

271

00:13:44,730 --> 00:13:40,300

this happened in Capone Springs West

272

00:13:47,130 --> 00:13:44,740

Virginia January 6 2018 in brief a

273

00:13:50,130 --> 00:13:47,140

witness states two disc-shaped objects

274

00:13:53,490 --> 00:13:50,140

hovering then shooting into the sky in

275

00:13:56,810 --> 00:13:53,500

more detail they state January 6 2018 at

276

00:13:59,550 --> 00:13:56,820

approximately 406 Eastern Standard Time

277

00:14:01,829 --> 00:13:59,560

myself of for other people witnessed two

278

00:14:05,880 --> 00:14:01,839

discs or oval-shaped objects hovering

279

00:14:08,579 --> 00:14:05,890

about 500 feet above bare Ridge just

280

00:14:11,579 --> 00:14:08,589

northeast of the Capone Springs and

281

00:14:13,860 --> 00:14:11,589

farms hotel and resort these objects

282

00:14:16,680 --> 00:14:13,870

were not drones or terrestrial aircraft

283

00:14:20,040 --> 00:14:16,690

unless there has been gravity defying

284

00:14:22,740 --> 00:14:20,050

technology created the objects did not

285

00:14:25,949 --> 00:14:22,750

appear to make any noise and was glowing

286

00:14:28,320 --> 00:14:25,959

white blueish with yellow there did not

287

00:14:30,540 --> 00:14:28,330

appear to be any sort of navigation

288

00:14:33,180 --> 00:14:30,550

lights on the objects as would be

289

00:14:35,579 --> 00:14:33,190

typically observed on man-made aircraft

290

00:14:37,560 --> 00:14:35,589

the objects were observable for

291

00:14:41,160 --> 00:14:37,570

approximately two minutes before they

292

00:14:44,190 --> 00:14:41,170

shot rapidly toward the sky into a low

293

00:14:46,260 --> 00:14:44,200

cloud cover there was no smoke trail or

294

00:14:49,380 --> 00:14:46,270

anything that would be associated with a

295

00:14:51,990 --> 00:14:49,390

typical propulsion system the incident

296

00:14:55,050 --> 00:14:52,000

took place above Bear Ridge and Capone

297

00:14:57,240 --> 00:14:55,060

Springs West Virginia bear Ridge is

298

00:15:00,420 --> 00:14:57,250

situated north east of the Capone

299

00:15:02,370 --> 00:15:00,430

Springs and farms hotel and resort the

300

00:15:04,530 --> 00:15:02,380

coordinates according to Google Earth

301

00:15:10,380 --> 00:15:04,540

are okay yeah we don't need all that

302

00:15:13,170 --> 00:15:10,390

moving on to the next UFO sighting this

303

00:15:16,380 --> 00:15:13,180

happened in port-au-prince okosan hora

304

00:15:19,680 --> 00:15:16,390

Mexico hmm I don't know if I said that

305

00:15:22,050 --> 00:15:19,690

right this happened January 3rd 2018 and

306

00:15:25,530 --> 00:15:22,060

briefed the witness states larger craft

307

00:15:29,030 --> 00:15:25,540

straight up and down paths hovered above

308

00:15:30,960 --> 00:15:29,040

cell phone tower with bright white orbs

309

00:15:34,500 --> 00:15:30,970

affiliates discounts not available in

323

00:16:06,180 --> 00:16:02,980

all states outside of my Sun porch

324

00:16:09,960 --> 00:16:06,190

having a cigarette casually looked to my

325

00:16:13,590 --> 00:16:09,970

northwest and saw larger object rapidly

326

00:16:16,290 --> 00:16:13,600

fall stop and hover above cell phone

327

00:16:19,080 --> 00:16:16,300

tower and smaller white objects

328

00:16:20,850 --> 00:16:19,090

streaking in different directions some

329

00:16:23,360 --> 00:16:20,860

becoming stationary while others

330

00:16:24,480 --> 00:16:23,370

disappearing but all eventually

331

00:16:27,510 --> 00:16:24,490

disappeared

332

00:16:31,080 --> 00:16:27,520

it was dark with cloud cover so I didn't

333

00:16:33,920 --> 00:16:31,090

know what it was as it got light larger

334

00:16:37,500 --> 00:16:33,930

object went straight up and disappeared

335

00:16:40,680 --> 00:16:37,510

smaller object just disappeared

336

00:16:43,560 --> 00:16:40,690

stationary before larger object my

337

00:16:46,260 --> 00:16:43,570

action was Who am I going to mention

338

00:16:47,790 --> 00:16:46,270

this to other than my wife well you

339

00:16:49,890 --> 00:16:47,800

could tell the world but they may look

340

00:16:54,120 --> 00:16:49,900

at you funny but it's ok you're among

341

00:16:58,580 --> 00:16:54,130

friends all right this next UFO sighting

342

00:17:03,390 --> 00:16:58,590

this happened in Klamath Falls Oregon on

343

00:17:05,790 --> 00:17:03,400

January 1st 2018 to amber-colored square

344

00:17:10,050 --> 00:17:05,800

or diamond-shaped light stationary in

345

00:17:12,510 --> 00:17:10,060

the sky just after New Year's it was

346

00:17:13,740 --> 00:17:12,520

just after New Year's Eve 12:15 a.m. and

347

00:17:16,230 --> 00:17:13,750

I was looking and listening to the

348

00:17:19,110 --> 00:17:16,240

fireworks haha they always are attracted

349

00:17:21,059 --> 00:17:19,120

to those darn fireworks they were going

350

00:17:22,770 --> 00:17:21,069

off of my neighborhood and across the

351

00:17:25,319 --> 00:17:22,780

city out of my dining room window

352

00:17:28,199 --> 00:17:25,329

I noticed a bright amber light not

353

00:17:30,720 --> 00:17:28,209

moving or stationary which I thought was

354

00:17:33,660 --> 00:17:30,730

very strange as I could see and hear

355

00:17:35,400 --> 00:17:33,670

fireworks going off I decided to go

356

00:17:38,700 --> 00:17:35,410

outside in my backyard to get a better

357

00:17:41,910 --> 00:17:38,710

look once I got outside I see that there

358

00:17:44,250 --> 00:17:41,920

are actually two amber lights one a

359

00:17:46,950 --> 00:17:44,260

little higher than the other after

360

00:17:50,100 --> 00:17:46,960

minutes watching the light highest up of

361

00:17:53,340 --> 00:17:50,110

the to slowly ascending straight up into

362

00:17:55,920 --> 00:17:53,350

what was a light layer of cloud cover

363

00:17:58,350 --> 00:17:55,930

then after another minute or two the

364

00:18:01,380 --> 00:17:58,360

second light ascended straight up into

365

00:18:03,390 --> 00:18:01,390

the cloud layer as well I could see the

366

00:18:05,640 --> 00:18:03,400

clouds are reflecting the color of the

367

00:18:07,500 --> 00:18:05,650

lights as they ascended I could no

368

00:18:10,260 --> 00:18:07,510

longer see the lights after they

369

00:18:12,150 --> 00:18:10,270

ascended I live on a hilltop on the

370

00:18:15,000 --> 00:18:12,160

north end of town with a great view of

371

00:18:16,950 --> 00:18:15,010

the city to the south the lights from my

372

00:18:17,940 --> 00:18:16,960

vantage point were to the South

373

00:18:21,870 --> 00:18:17,950

eastwardly

374

00:18:24,000 --> 00:18:21,880

direction I was looking up at about a 45

375

00:18:26,520 --> 00:18:24,010

degree angle I took a video of the

376

00:18:29,340 --> 00:18:26,530

lights on my cell phone which doesn't do

377

00:18:31,170 --> 00:18:29,350

what I saw justice but the video

378

00:18:33,090 --> 00:18:31,180

basically shows the lights and them

379

00:18:36,120 --> 00:18:33,100

ascending up into the clouds as I

380

00:18:39,090 --> 00:18:36,130

described I regrettably use profanity

381

00:18:41,400 --> 00:18:39,100

while recording the video so I am not

382

00:18:44,610 --> 00:18:41,410

sure if I should submit oh just go ahead

383

00:18:45,390 --> 00:18:44,620

let's give it more fun a little bit

384

00:18:47,280 --> 00:18:45,400

alright

385

00:18:49,470 --> 00:18:47,290

I took a 30 second video and then

386

00:18:51,810 --> 00:18:49,480

stopped so that I could turn off the

387

00:18:53,460 --> 00:18:51,820

flash on my phone and then continued for

388

00:18:56,460 --> 00:18:53,470

another two minutes until the lights

389

00:18:58,800 --> 00:18:56,470

went out of my view there is an air

390

00:19:01,080 --> 00:18:58,810

guard base here on the south end of town

391

00:19:03,450 --> 00:19:01,090

and I am very familiar with the f-15

392

00:19:05,580 --> 00:19:03,460

fighter jets and what they look like at

393

00:19:08,310 --> 00:19:05,590

night I've watched him from my dining

394

00:19:10,740 --> 00:19:08,320

room window many times as far as I know

395

00:19:13,500 --> 00:19:10,750

they were not doing night flights

396

00:19:15,930 --> 00:19:13,510

exercises New Year's Eve I am also

397

00:19:18,690 --> 00:19:15,940

familiar with what drones look like at

398

00:19:22,050 --> 00:19:18,700

night these lights were much larger than

399

00:19:24,330 --> 00:19:22,060

a drone and too high up to be a drone I

400

00:19:26,460 --> 00:19:24,340

couldn't make out any shapes other than

401
00:19:29,340 --> 00:19:26,470
the lights themselves which were square

402
00:19:32,160 --> 00:19:29,350
diamond shape I was really hoping that

403
00:19:35,700 --> 00:19:32,170
other people saw the lights just to give

404
00:19:36,810 --> 00:19:35,710
me some validation or an explanation for

405
00:19:40,110 --> 00:19:36,820
what I saw

406
00:19:42,300 --> 00:19:40,120
I will validate you probably saw

407
00:19:45,510 --> 00:19:42,310
something that was unidentified and

408
00:19:49,470 --> 00:19:45,520
flying and an object that's a UFO all

409
00:19:53,700 --> 00:19:49,480
right the next UFO sighting alright

410
00:19:57,630 --> 00:19:53,710
this happened in oh what a name lega now

411
00:20:02,789 --> 00:19:57,640
bettan Fortin Berg Steve

412
00:20:04,470 --> 00:20:02,799
Duch daibouken external trusted and okay

413
00:20:07,049 --> 00:20:04,480

I'm not gonna do the German I'm sorry I

414

00:20:09,060 --> 00:20:07,059

just had him but I have taken German for

415

00:20:09,419 --> 00:20:09,070

years but I just I can't do it it's a

416

00:20:13,140 --> 00:20:09,429

lot

417

00:20:16,140 --> 00:20:13,150

that's a Illi gnam UFO leader hobby -

418

00:20:19,110 --> 00:20:16,150

minor Eastern Zika tongue knock knee

419

00:20:24,450 --> 00:20:19,120

demon Devon aresult that's that's the

420

00:20:31,490 --> 00:20:24,460

lessons okay moving on my name is anne

421

00:20:35,250 --> 00:20:31,500

heidi for nothing ich bin ein heidi okay

422

00:20:39,530 --> 00:20:35,260

moving on alright we're gonna touch base

423

00:20:43,440 --> 00:20:39,540

on a very fascinating article here top

424

00:20:46,500 --> 00:20:43,450

US counties for UFO sightings I think we

425

00:20:49,110 --> 00:20:46,510

all want to know don't we all right here

426

00:20:51,659 --> 00:20:49,120

are more than 3,000 counties in the

427

00:20:53,970 --> 00:20:51,669

United States it's hard to pin down the

428

00:20:57,240 --> 00:20:53,980

exact number however because of the

429

00:21:00,060 --> 00:20:57,250

state level there seems to be a process

430

00:21:03,659 --> 00:21:00,070

of ongoing consolidation of county

431

00:21:07,140 --> 00:21:03,669

services in various regions in terms of

432

00:21:08,909 --> 00:21:07,150

national UFO sighting reports the author

433

00:21:12,530 --> 00:21:08,919

thought it would be fun to see which

434

00:21:18,200 --> 00:21:12,540

counties had the most sightings based on

435

00:21:20,909 --> 00:21:18,210

reports from 2001 to 2015

436

00:21:23,940 --> 00:21:20,919

this little title here says first

437

00:21:27,480 --> 00:21:23,950

California has the most sightings

438

00:21:30,120 --> 00:21:27,490

reports at fifteen thousand eight

439

00:21:32,130 --> 00:21:30,130

hundred and thirty five during the

440

00:21:36,330 --> 00:21:32,140

sample period here they always say it's

441

00:21:38,789 --> 00:21:36,340

New Mexico and that's not Los Angeles

442

00:21:41,460 --> 00:21:38,799

County with a population of about ten

443

00:21:45,840 --> 00:21:41,470

million has the most sightings with

444

00:21:48,270 --> 00:21:45,850

three South 3212 I gotta get out there

445

00:21:51,180 --> 00:21:48,280

people always tell the author that they

446

00:21:53,250 --> 00:21:51,190

think the volume of UFO sighting reports

447

00:21:56,789 --> 00:21:53,260

is strictly driven by the size of the

448

00:21:58,740 --> 00:21:56,799

population base when our book UFO

449

00:22:01,530 --> 00:21:58,750

sightings desk reference was released

450

00:22:03,570 --> 00:22:01,540

last year many people remarked of course

451
00:22:07,560 --> 00:22:03,580
California has the most UFO sightings

452
00:22:10,430 --> 00:22:07,570
they have the biggest population second

453
00:22:11,600 --> 00:22:10,440
place is Maricopa County Arizona with

454
00:22:16,919 --> 00:22:11,610
2000

455
00:22:20,010 --> 00:22:16,929
523 UFO reports note the vast difference

456
00:22:24,210 --> 00:22:20,020
in County population bases Maricopa

457
00:22:27,779 --> 00:22:24,220
County has 78% of the UFO reports that

458
00:22:29,990 --> 00:22:27,789
Los Angeles County does but Maricopa has

459
00:22:32,610 --> 00:22:30,000
only 40 percent of the population

460
00:22:35,669 --> 00:22:32,620
compared to LA County how about them

461
00:22:36,210 --> 00:22:35,679
apples huh third place oh hey I'm a

462
00:22:38,880 --> 00:22:36,220
winner

463
00:22:44,250 --> 00:22:38,890

Cook County Illinois that's 3rd place

464

00:22:47,549 --> 00:22:44,260

they logged in 1431 that's involved

465

00:22:53,610 --> 00:22:47,559

Chicago just so you guys know San Diego

466

00:22:58,880 --> 00:22:53,620

California 4th had 1393 and King County

467

00:23:02,700 --> 00:22:58,890

Washington 5th place had 1393 as well

468

00:23:05,880 --> 00:23:02,710

these three counties are within the 1400

469

00:23:06,450 --> 00:23:05,890

range yet the populations are vastly

470

00:23:09,990 --> 00:23:06,460

different

471

00:23:14,789 --> 00:23:10,000

Cook County has 5.2 million

472

00:23:17,750 --> 00:23:14,799

San Diego at 3.3 million and King County

473

00:23:20,760 --> 00:23:17,760

with 2.1 million

474

00:23:24,870 --> 00:23:20,770

Orange County California sits in 6

475

00:23:27,419 --> 00:23:24,880

plates with 1271 sightings followed by

476
00:23:31,350 --> 00:23:27,429
Riverside County California seventh

477
00:23:35,000 --> 00:23:31,360
place Clark County Nevada 8th place

478
00:23:38,570 --> 00:23:35,010
San Bernardino County 9th place and

479
00:23:42,240 --> 00:23:38,580
Harris County Texas at tenth place

480
00:23:47,360 --> 00:23:42,250
Riverside and Clark both had 958

481
00:23:53,340 --> 00:23:47,370
sightings San Bernardino had 836 and

482
00:23:55,680 --> 00:23:53,350
Harris had 792 yet while Riverside Clark

483
00:23:59,880 --> 00:23:55,690
and San Bernardino had County

484
00:24:02,159 --> 00:23:59,890
populations averaging 2.2 million Harris

485
00:24:06,419 --> 00:24:02,169
the lowest of the four in terms of

486
00:24:10,380 --> 00:24:06,429
sightings had a population of about 4.5

487
00:24:15,750 --> 00:24:10,390
million Horry County South Carolina

488
00:24:21,960 --> 00:24:15,760

11th place had 629 multum accounting

489

00:24:25,460 --> 00:24:21,970

Oregon 12 with 621 miami-dade County

490

00:24:29,400 --> 00:24:25,470

Florida 13th place with

491

00:24:34,170 --> 00:24:29,410

619 and Broward County Florida 14th

492

00:24:37,650 --> 00:24:34,180

place hosting 590 yet the population

493

00:24:40,110 --> 00:24:37,660

range is eye-opening Horry County only

494

00:24:43,350 --> 00:24:40,120

has a population of about three hundred

495

00:24:46,550 --> 00:24:43,360

and nine thousand and Malta ma County

496

00:24:50,840 --> 00:24:46,560

has seven hundred ninety thousand yet

497

00:24:54,600 --> 00:24:50,850

miami-dade county has 2.6 million in

498

00:24:59,610 --> 00:24:54,610

Broward County has one point eight nine

499

00:25:02,070 --> 00:24:59,620

million the author says I agree with

500

00:25:05,430 --> 00:25:02,080

population is a contributing factor to

501
00:25:07,170 --> 00:25:05,440
high UFO sighting numbers yet there is

502
00:25:08,850 --> 00:25:07,180
something else that seems to drive the

503
00:25:11,130 --> 00:25:08,860
bigger sighting volumes in lower

504
00:25:14,160 --> 00:25:11,140
population areas their board I don't

505
00:25:15,900 --> 00:25:14,170
know I'm just saying one concept that

506
00:25:19,110 --> 00:25:15,910
has been suggested as the notion that

507
00:25:22,050 --> 00:25:19,120
certain locations have had notable

508
00:25:24,980 --> 00:25:22,060
sightings in the past Los Angeles County

509
00:25:27,930 --> 00:25:24,990
has had UFO sighting reports since the

510
00:25:31,380 --> 00:25:27,940
1880s and of course they have had

511
00:25:35,460 --> 00:25:31,390
unprecedented Battle of Los Angeles on

512
00:25:37,560 --> 00:25:35,470
February 25th 1942 if you guys don't

513
00:25:41,280 --> 00:25:37,570

know what that is look it up Battle of

514

00:25:43,880 --> 00:25:41,290

LA was for real all right and Maricopa

515

00:25:47,610 --> 00:25:43,890

County was location for the March 13th

516

00:25:49,140 --> 00:25:47,620

1997 Phoenix lights mass UFO sighting

517

00:25:49,890 --> 00:25:49,150

another one to look up if you don't know

518

00:25:52,530 --> 00:25:49,900

about that one

519

00:25:53,250 --> 00:25:52,540

is there a generational conditioning at

520

00:25:55,830 --> 00:25:53,260

play here

521

00:25:57,600 --> 00:25:55,840

our people simply looking up more than

522

00:26:00,240 --> 00:25:57,610

in the other areas of the country

523

00:26:02,280 --> 00:26:00,250

because something amazing happened in

524

00:26:04,260 --> 00:26:02,290

the past perhaps somebody in the

525

00:26:06,990 --> 00:26:04,270

Behavioral Sciences can study this

526

00:26:10,380 --> 00:26:07,000

phenomenon if you have had a UFO

527

00:26:12,030 --> 00:26:10,390

sighting to report MUFON encourages you

528

00:26:15,420 --> 00:26:12,040

to do so because that's how they're

529

00:26:19,140 --> 00:26:15,430

adding all this stuff up so absolutely

530

00:26:22,500 --> 00:26:19,150

very seriously fascinating to myself and

531

00:26:26,390 --> 00:26:22,510

I hope to you guys alright I thought it

532

00:26:30,300 --> 00:26:26,400

would be cool to read a paranormal

533

00:26:34,200 --> 00:26:30,310

inspirational story just because this

534

00:26:36,240 --> 00:26:34,210

story is called angel story worked I am

535

00:26:38,390 --> 00:26:36,250

sitting in my office suffering from

536

00:26:41,540 --> 00:26:38,400

terrible cold my

537

00:26:44,990 --> 00:26:41,550

is nasty and somehow I chanced upon this

538

00:26:47,990 --> 00:26:45,000

article and in the story quote I must

539

00:26:50,000 --> 00:26:48,000

have a male angel or guide the angel

540

00:26:51,860 --> 00:26:50,010

asked the man to breathe and I felt

541

00:26:55,280 --> 00:26:51,870

someone telling me to do it too

542

00:26:58,250 --> 00:26:55,290

and I did the same time and it worked my

543

00:27:01,720 --> 00:26:58,260

coal disappeared I am not sneezing

544

00:27:05,420 --> 00:27:01,730

anymore and I can complete my work now

545

00:27:08,060 --> 00:27:05,430

angels exist truly hopefully someday I

546

00:27:09,860 --> 00:27:08,070

will be able to see my angel Thank You

547

00:27:12,200 --> 00:27:09,870

angel boy can't a lot of people use that

548

00:27:16,340 --> 00:27:12,210

because everybody's got the flu or a

549

00:27:19,990 --> 00:27:16,350

cold right about now so everybody just

550

00:27:22,070 --> 00:27:20,000

breathe and maybe you'll be healed

551

00:27:25,040 --> 00:27:22,080

alright those next story is called

552

00:27:27,680 --> 00:27:25,050

embraced by love one Wednesday night

553

00:27:31,010 --> 00:27:27,690

back in the late 1990s I decided to sing

554

00:27:33,680 --> 00:27:31,020

for God under the evening stars we live

555

00:27:35,740 --> 00:27:33,690

in a semi-rural area so thankfully I

556

00:27:38,150 --> 00:27:35,750

wouldn't be waking and he went up I

557

00:27:40,580 --> 00:27:38,160

suggested to God that he may want to

558

00:27:43,490 --> 00:27:40,590

have some angels doctor up my lame

559

00:27:45,830 --> 00:27:43,500

singing voice as I'm sure he's used to

560

00:27:50,630 --> 00:27:45,840

hearing beautiful angel choirs in the

561

00:27:52,090 --> 00:27:50,640

heavenly realms I sang all of my old

562

00:27:54,530 --> 00:27:52,100

hymns to God under the night sky

563

00:27:56,690 --> 00:27:54,540

anything that came to my heart that made

564

00:27:58,670 --> 00:27:56,700

me feel closer to him while I was

565

00:28:01,730 --> 00:27:58,680

singing I felt a feeling of being

566

00:28:04,010 --> 00:28:01,740

surrounded or embraced by love after I

567

00:28:07,330 --> 00:28:04,020

finished I instinctively looked up to

568

00:28:10,970 --> 00:28:07,340

the rooftop of our home and saw a tall

569

00:28:14,510 --> 00:28:10,980

glowing figure completely surrounded in

570

00:28:17,780 --> 00:28:14,520

a warm yellow white light standing there

571

00:28:20,300 --> 00:28:17,790

on our rooftop I smiled at this being

572

00:28:22,700 --> 00:28:20,310

still feeling that sense of love

573

00:28:25,910 --> 00:28:22,710

surrounding me then this light person

574

00:28:29,990 --> 00:28:25,920

flew off of the roof and up toward the

575

00:28:32,270 --> 00:28:30,000

stars as I stood watching in shock I ran

576

00:28:36,050 --> 00:28:32,280

inside to excitedly tell my mother

577

00:28:39,230 --> 00:28:36,060

we were both encouraged their name is

578

00:28:41,060 --> 00:28:39,240

called Baldy locks that's hilarious wow

579

00:28:43,760 --> 00:28:41,070
