

Grant Camer on | Canada's Biggest UFO Sighting Explained

California Radio
MUFON
LORIEN FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:00,000 --> 00:00:02,350

[Music]

2
00:00:07,610 --> 00:00:05,300

welcome everyone to the California MUFON

3
00:00:09,290 --> 00:00:07,620

radio show I'm your host Lori and Fenton

4
00:00:11,839 --> 00:00:09,300

and you guys you want to know why I'm

5
00:00:13,759 --> 00:00:11,849

laughing I'm laughing because poor MJ

6
00:00:16,609 --> 00:00:13,769

and I both got hit by the Microsoft

7
00:00:19,099 --> 00:00:16,619

Update disaster as I call it every time

8
00:00:21,080 --> 00:00:19,109

it happens it closes down all the things

9
00:00:22,759 --> 00:00:21,090

I'm working in and it shuts itself off

10
00:00:23,929 --> 00:00:22,769

and it reboots and then it sits there at

11
00:00:26,000 --> 00:00:23,939

the screen where you got to put in your

12
00:00:27,920 --> 00:00:26,010

password you're gonna what happened to

13
00:00:29,720 --> 00:00:27,930

everything of course it all does decide

14

00:00:31,519 --> 00:00:29,730

to come back later but what a nightmare

15

00:00:32,870 --> 00:00:31,529

I'm telling the important I'm Jay he

16

00:00:35,150 --> 00:00:32,880

comes home he's getting ready to do the

17

00:00:36,889 --> 00:00:35,160

show walks down to the studio and

18

00:00:39,319 --> 00:00:36,899

wouldn't you know it his computers is

19

00:00:41,389 --> 00:00:39,329

starting an update so he's sitting there

20

00:00:44,479 --> 00:00:41,399

and he's waiting and waiting so it's now

21

00:00:47,450 --> 00:00:44,489

8:15 8:14 my time Pacific so we waited

22

00:00:51,200 --> 00:00:47,460

like 15-20 minutes for his poor little

23

00:00:53,090 --> 00:00:51,210

PC to update so there you go what can I

24

00:00:57,470 --> 00:00:53,100

say it's always fun good old Microsoft

25

00:01:00,619 --> 00:00:57,480

I'm telling ya anyhow let's see our

26
00:01:02,330 --> 00:01:00,629
guest tonight's grant Cameron and he's

27
00:01:05,179 --> 00:01:02,340
gonna join us at the bottom of the hour

28
00:01:06,859 --> 00:01:05,189
so that gives me 15 minutes to tell you

29
00:01:09,649 --> 00:01:06,869
guys all the craziness that's been going

30
00:01:11,750 --> 00:01:09,659
on in my life let's see where do I even

31
00:01:14,179 --> 00:01:11,760
want to begin well on Monday on my show

32
00:01:16,820 --> 00:01:14,189
on Monday on both shows as a matter of

33
00:01:21,109 --> 00:01:16,830
fact I went through a big rant about

34
00:01:24,770 --> 00:01:21,119
being about what happened at my MUFON

35
00:01:26,600 --> 00:01:24,780
meeting and I actually had the results

36
00:01:28,160 --> 00:01:26,610
of what happened to this whole thing and

37
00:01:30,770 --> 00:01:28,170
I think I'm gonna tell you guys the

38
00:01:32,539 --> 00:01:30,780

story won't take long but I'm it's

39

00:01:34,280 --> 00:01:32,549

interesting it's very interesting I

40

00:01:36,350 --> 00:01:34,290

guess I'm getting old and I guess I'm

41

00:01:39,289 --> 00:01:36,360

getting cranky because boy I was on a

42

00:01:41,960 --> 00:01:39,299

tear on Monday I was so mad on Monday I

43

00:01:45,530 --> 00:01:41,970

I think I burned up airwaves on Monday

44

00:01:48,649 --> 00:01:45,540

seriously so here's what happened we're

45

00:01:51,319 --> 00:01:48,659

at our meeting on Saturday we always go

46

00:01:53,870 --> 00:01:51,329

to the Petaluma Senior Center I've been

47

00:01:55,940 --> 00:01:53,880

going there six and a half years I've

48

00:01:58,399 --> 00:01:55,950

been on a contract with them for six and

49

00:02:00,889 --> 00:01:58,409

a half years but I am is a volunteer

50

00:02:04,969 --> 00:02:00,899

with the city of Petaluma and I am

51
00:02:08,419 --> 00:02:04,979
volunteering my nonprofit is volunteered

52
00:02:10,969 --> 00:02:08,429
in and we give them half of our or a

53
00:02:13,070 --> 00:02:10,979
little more than half of our income from

54
00:02:13,940 --> 00:02:13,080
the day's event and it's called a

55
00:02:15,800 --> 00:02:13,950
donation

56
00:02:20,960 --> 00:02:15,810
and everybody's happy and this has been

57
00:02:24,470 --> 00:02:20,970
going on for six and a half years so I'm

58
00:02:26,720 --> 00:02:24,480
getting ready for the event and I'm the

59
00:02:30,890 --> 00:02:26,730
speaker so I'm kind of running around

60
00:02:34,699 --> 00:02:30,900
going crazy and all the sudden I walk up

61
00:02:37,160 --> 00:02:34,709
to the front area where my buddy Dawn is

62
00:02:39,290 --> 00:02:37,170
taking the money he's oh I gotta tell

63
00:02:42,320 --> 00:02:39,300

you guys another side track here for you

64

00:02:44,780 --> 00:02:42,330

for a moment it wasn't for dawn BRE I

65

00:02:47,509 --> 00:02:44,790

would not be continuing my MUFON group

66

00:02:50,120 --> 00:02:47,519

this year Don has decided that he's

67

00:02:52,610 --> 00:02:50,130

gonna drive down from Sacramento every

68

00:02:54,710 --> 00:02:52,620

Saturday just to sit at the door and

69

00:02:57,280 --> 00:02:54,720

take the money for me so I can set up

70

00:03:00,199 --> 00:02:57,290

for the event isn't that sweet I mean I

71

00:03:02,300 --> 00:03:00,209

unbelievable guy probably one of my

72

00:03:06,110 --> 00:03:02,310

biggest supporters I'm his biggest fan

73

00:03:07,220 --> 00:03:06,120

he and his wife Louise amazing amazing

74

00:03:09,680 --> 00:03:07,230

people and they go to all the

75

00:03:12,350 --> 00:03:09,690

conferences and they're just they're so

76

00:03:14,000 --> 00:03:12,360

sweet I mean I got I hope I met sweet

77

00:03:15,800 --> 00:03:14,010

when I'm in my 80s I don't think I'm

78

00:03:18,860 --> 00:03:15,810

gonna be I think I'm gonna be a nasty

79

00:03:20,569 --> 00:03:18,870

old woman and after you hear what

80

00:03:23,810 --> 00:03:20,579

happened you're probably all going to

81

00:03:25,789 --> 00:03:23,820

agree with me anyhow so what happens is

82

00:03:27,289 --> 00:03:25,799

I'm standing up there talking to Don

83

00:03:29,330 --> 00:03:27,299

real quickly and I have to run back up

84

00:03:33,020 --> 00:03:29,340

to the front to get the computer

85

00:03:36,110 --> 00:03:33,030

connected some more and I hear a big

86

00:03:38,630 --> 00:03:36,120

crash I'm like oh my god what the hell

87

00:03:41,660 --> 00:03:38,640

happened so I walk out into the foyer

88

00:03:43,819 --> 00:03:41,670

area where the reception desk is and

89

00:03:46,039 --> 00:03:43,829

they've got a big glass you've got this

90

00:03:47,840 --> 00:03:46,049

door that slides from one side to the

91

00:03:49,940 --> 00:03:47,850

other out of glass it's a you know

92

00:03:53,720 --> 00:03:49,950

reception area with the glass sliding

93

00:03:55,940 --> 00:03:53,730

wall so basically about you know a

94

00:03:58,190 --> 00:03:55,950

little little less than two-thirds up to

95

00:04:02,120 --> 00:03:58,200

the ceiling this thing is that big and

96

00:04:04,670 --> 00:04:02,130

it has fallen into the office the middle

97

00:04:08,479 --> 00:04:04,680

pane the one that slides has fallen into

98

00:04:11,390 --> 00:04:08,489

the office and the computer monitors

99

00:04:14,870 --> 00:04:11,400

knocked down there's a broken you know

100

00:04:17,300 --> 00:04:14,880

plastic holder there's stuff everywhere

101
00:04:19,430 --> 00:04:17,310
and I'm like what happened and the guy

102
00:04:22,339 --> 00:04:19,440
that I felt so bad for it's one of my

103
00:04:26,149 --> 00:04:22,349
new guys this is only a second meeting

104
00:04:27,510 --> 00:04:26,159
and he is the guy by the way that was at

105
00:04:30,839 --> 00:04:27,520
the thrift store and

106
00:04:33,540 --> 00:04:30,849
found the JFK album for me for my

107
00:04:35,939 --> 00:04:33,550
Christmas present and anyhow long story

108
00:04:39,629 --> 00:04:35,949
short the guy is just a really sweet guy

109
00:04:42,270 --> 00:04:39,639
and he touch it but I don't blame what

110
00:04:45,029 --> 00:04:42,280
he did here sort of it on the window it

111
00:04:50,070 --> 00:04:45,039
says there's a big sign that says this

112
00:04:51,899 --> 00:04:50,080
window closed and he's pointed it out to

113
00:04:53,610 --> 00:04:51,909

the people around them because yeah they

114

00:04:56,100 --> 00:04:53,620

have to put a sign up when it's closed

115

00:04:59,939 --> 00:04:56,110

to tell you it's closed because a bunch

116

00:05:02,460 --> 00:04:59,949

of senior they can't tell it's closed

117

00:05:04,499 --> 00:05:02,470

because they're probably blind he's

118

00:05:06,210 --> 00:05:04,509

making a joke kind of this whole thing

119

00:05:10,200 --> 00:05:06,220

and he walked over and he kind of tapped

120

00:05:12,629 --> 00:05:10,210

on the glass and it fell in and oh thank

121

00:05:14,879 --> 00:05:12,639

god it didn't break that was like Mike

122

00:05:17,040 --> 00:05:14,889

my only concern was oh thank God it

123

00:05:19,469 --> 00:05:17,050

didn't break so that's all I was worried

124

00:05:21,480 --> 00:05:19,479

about so we we kind of snaked up the

125

00:05:23,249 --> 00:05:21,490

monitor from the cords because we didn't

126

00:05:26,999 --> 00:05:23,259

go in we didn't crawl in or anything

127

00:05:29,219 --> 00:05:27,009

like that but we put the monitor back up

128

00:05:32,129 --> 00:05:29,229

we tried to straighten out the desk as

129

00:05:35,159 --> 00:05:32,139

best we could and I we took the glass

130

00:05:37,110 --> 00:05:35,169

gently out and we stood it up right in

131

00:05:38,670 --> 00:05:37,120

front of the thing and I'm thinking oh

132

00:05:40,950 --> 00:05:38,680

god what I have to do now I've got to

133

00:05:42,209 --> 00:05:40,960

start my meeting I'm already late I kind

134

00:05:45,209 --> 00:05:42,219

of flip it out and like what the heck am

135

00:05:49,140 --> 00:05:45,219

I gonna do and Edie one of the guys that

136

00:05:52,379 --> 00:05:49,150

had comes to the meeting from the Senior

137

00:05:54,480 --> 00:05:52,389

Center who's there every day says to me

138

00:05:56,040 --> 00:05:54,490

oh don't worry about it I'm coming in

139

00:05:59,129 --> 00:05:56,050

Monday morning I'll tell him what

140

00:06:01,800 --> 00:05:59,139

happened so I'm like oh okay that'll

141

00:06:03,659 --> 00:06:01,810

work you know I just at that point when

142

00:06:06,029 --> 00:06:03,669

the minute he said he'd tell them on

143

00:06:07,620 --> 00:06:06,039

Monday morning I was like okay that's

144

00:06:10,409 --> 00:06:07,630

fine I don't have to worry about this

145

00:06:12,899 --> 00:06:10,419

for another freakin second and I didn't

146

00:06:14,909 --> 00:06:12,909

so that's what happened and then we all

147

00:06:16,920 --> 00:06:14,919

left I turned on the alarm lock the

148

00:06:19,529 --> 00:06:16,930

place up there's nobody gonna get in

149

00:06:21,779 --> 00:06:19,539

blah blah blah so and I knew the

150

00:06:23,999 --> 00:06:21,789

renter's on Sunday as well they're very

151
00:06:27,120 --> 00:06:24,009
conscientious good people I think it's n

152
00:06:29,129 --> 00:06:27,130
n n na or na Narcotics Anonymous yeah

153
00:06:32,519 --> 00:06:29,139
and I've run into them a couple times

154
00:06:34,950 --> 00:06:32,529
and because I've left things there like

155
00:06:37,170 --> 00:06:34,960
my laptop just sitting there on the in

156
00:06:39,510 --> 00:06:37,180
the foyer area and I walked in you know

157
00:06:41,159 --> 00:06:39,520
and there's all these ex druggies and no

158
00:06:43,589 --> 00:06:41,169
one touched my laptop of cool

159
00:06:45,239 --> 00:06:43,599
you know I mean there's a good people I

160
00:06:46,559 --> 00:06:45,249
wasn't worried about that so I just

161
00:06:48,179 --> 00:06:46,569
didn't think anything of it and I

162
00:06:49,469 --> 00:06:48,189
thought you know if they're renting to

163
00:06:51,170 --> 00:06:49,479

people that are gonna steal from them

164

00:06:56,369 --> 00:06:51,180

then they got a problem right you know

165

00:06:58,830 --> 00:06:56,379

so so I'm like I'm Blaine Abed it's like

166

00:07:00,629 --> 00:06:58,840

you know noon or 1:00 on Monday and I'm

167

00:07:03,330 --> 00:07:00,639

getting up and getting ready to start my

168

00:07:06,269 --> 00:07:03,340

day because I went to bed at 8 a.m. and

169

00:07:08,550 --> 00:07:06,279

I look at my phone when I sit down at my

170

00:07:10,679 --> 00:07:08,560

desk and it has blown up I mean it's

171

00:07:13,619 --> 00:07:10,689

like all these 707 area codes and I'm

172

00:07:16,559 --> 00:07:13,629

like what is going on what happened you

173

00:07:18,480 --> 00:07:16,569

know I'm really freaking out and I start

174

00:07:20,670 --> 00:07:18,490

dialing back and I dialed the first one

175

00:07:23,879 --> 00:07:20,680

and it's the girl at the Senior Center

176

00:07:28,860 --> 00:07:23,889

oh my god we thought we'd gotten broken

177

00:07:30,450 --> 00:07:28,870

into and done and I went on and I what

178

00:07:34,890 --> 00:07:30,460

happened is that would break in after

179

00:07:37,559 --> 00:07:34,900

the class was out I'm like oh I didn't

180

00:07:40,589 --> 00:07:37,569

tell you oh no no he didn't show up till

181

00:07:43,469 --> 00:07:40,599

11 o'clock to tell us oh great so he

182

00:07:44,999 --> 00:07:43,479

slept in so they walked in they thought

183

00:07:47,040 --> 00:07:45,009

they've been burglarized and I'm

184

00:07:48,839 --> 00:07:47,050

thinking to myself now what burglar

185

00:07:51,059 --> 00:07:48,849

would not break the glass that's my

186

00:07:54,390 --> 00:07:51,069

first thought but you know hey I'm just

187

00:07:57,029 --> 00:07:54,400

logical what can I say so and then I'm

188

00:07:58,649 --> 00:07:57,039

thinking and I said to her I said did

189

00:08:01,230 --> 00:07:58,659

you look around the room to see if

190

00:08:03,240 --> 00:08:01,240

anything had been stolen you know that's

191

00:08:05,579 --> 00:08:03,250

just you know cuz if I'd walk in there

192

00:08:07,499 --> 00:08:05,589

that was my job in my office and I'd saw

193

00:08:11,279 --> 00:08:07,509

the glass you know just laid up there

194

00:08:13,769 --> 00:08:11,289

right in front of the window and the

195

00:08:15,839 --> 00:08:13,779

money still on the floor and everything

196

00:08:18,360 --> 00:08:15,849

still there that when I left on Friday I

197

00:08:20,159 --> 00:08:18,370

would have thought well some must have

198

00:08:22,079 --> 00:08:20,169

happened and I'll find out eventually

199

00:08:23,730 --> 00:08:22,089

and I wouldn't have worried about it and

200

00:08:25,139 --> 00:08:23,740

I would have gone about my job and I

201
00:08:26,700 --> 00:08:25,149
would have gotten somebody in there to

202
00:08:28,619 --> 00:08:26,710
fix the glass because I probably would

203
00:08:30,300 --> 00:08:28,629
have figured out well if it's down on

204
00:08:32,550 --> 00:08:30,310
the ground something's not right here

205
00:08:34,889 --> 00:08:32,560
okay but I wouldn't have jumped to the

206
00:08:37,079 --> 00:08:34,899
conclusion that I was robbed and that

207
00:08:38,819 --> 00:08:37,089
they broke in and they gently put the

208
00:08:40,800 --> 00:08:38,829
glass on the ground and didn't break it

209
00:08:42,719 --> 00:08:40,810
while they were robbing the place which

210
00:08:45,630 --> 00:08:42,729
i think is even quite more funny but

211
00:08:47,370 --> 00:08:45,640
what can I say so I'm getting reamed for

212
00:08:49,230 --> 00:08:47,380
this and all I said to her was oh I'm

213
00:08:50,850 --> 00:08:49,240

sorry I did think it was a big deal and

214

00:08:52,319 --> 00:08:50,860

didn't Edie tell you what happened she

215

00:08:54,780 --> 00:08:52,329

was like now he didn't show up till 11

216

00:08:56,400 --> 00:08:54,790

o'clock I'm sorry

217

00:08:58,710 --> 00:08:56,410

that you jump to all these conclusions

218

00:09:01,110 --> 00:08:58,720

well she called her boss or boss called

219

00:09:03,000 --> 00:09:01,120

the police and the police were even kind

220

00:09:04,950 --> 00:09:03,010

of laughing at them because I said well

221

00:09:07,770 --> 00:09:04,960

isn't the police so how can they take a

222

00:09:09,750 --> 00:09:07,780

report when nothing's Missy she goes

223

00:09:11,190 --> 00:09:09,760

wasn't they said I said yeah they don't

224

00:09:12,600 --> 00:09:11,200

take a report when nothing's missing

225

00:09:16,770 --> 00:09:12,610

because they obviously haven't been

226

00:09:19,680 --> 00:09:16,780

broken into so yeah I just I'm like

227

00:09:21,570 --> 00:09:19,690

going this is just nuts right so and

228

00:09:23,700 --> 00:09:21,580

then they say to me and this is the

229

00:09:25,350 --> 00:09:23,710

corporate jargon that puts me through

230

00:09:27,090 --> 00:09:25,360

the roof folks I mean I absolutely go

231

00:09:29,670 --> 00:09:27,100

through the roof when I hear this you've

232

00:09:30,600 --> 00:09:29,680

broken your trust with us we can't trust

233

00:09:32,910 --> 00:09:30,610

you anymore

234

00:09:36,900 --> 00:09:32,920

we don't understand why you don't think

235

00:09:38,970 --> 00:09:36,910

it was a big deal and I'm like okay I

236

00:09:40,920 --> 00:09:38,980

guess this is something else you guys

237

00:09:43,970 --> 00:09:40,930

don't know about me if you've ever heard

238

00:09:46,830 --> 00:09:43,980

of and Arkansas Anderson consulting and

239

00:09:50,130 --> 00:09:46,840

those type of organizations that train

240

00:09:52,290 --> 00:09:50,140

big corporations for negotiation

241

00:09:54,510 --> 00:09:52,300

conflict resolution sexual harassment

242

00:09:56,280 --> 00:09:54,520

blah blah blah bliss goes on on I used

243

00:09:59,040 --> 00:09:56,290

to write all those workbooks for three

244

00:10:01,560 --> 00:09:59,050

of those companies in the Bay Area and I

245

00:10:03,630 --> 00:10:01,570

did some stuff for salesforce.com around

246

00:10:05,940 --> 00:10:03,640

this and also and Raqqah Anderson

247

00:10:08,490 --> 00:10:05,950

consulting so and I used to help the

248

00:10:10,140 --> 00:10:08,500

people train these people I used to work

249

00:10:12,450 --> 00:10:10,150

for a company that used to train all of

250

00:10:14,910 --> 00:10:12,460

the Lawrence Livermore Lab scientists

251

00:10:16,730 --> 00:10:14,920

and let me tell you if that was a hoot

252

00:10:18,780 --> 00:10:16,740

or something that you wouldn't believe

253

00:10:20,910 --> 00:10:18,790

that's another story for another day

254

00:10:23,310 --> 00:10:20,920

I'll tell you guys something about how I

255

00:10:25,050 --> 00:10:23,320

went into the lab after 9/11 and I got

256

00:10:27,450 --> 00:10:25,060

weighed and I was almost naked in the

257

00:10:30,270 --> 00:10:27,460

process but anyhow long story short I

258

00:10:32,010 --> 00:10:30,280

looked at I'm thinking what the hell is

259

00:10:35,280 --> 00:10:32,020

going on these people are just flipping

260

00:10:37,200 --> 00:10:35,290

out over absolutely nothing and I they

261

00:10:39,480 --> 00:10:37,210

said we have to have a meeting with you

262

00:10:40,800 --> 00:10:39,490

immediately to go over your contract and

263

00:10:42,810 --> 00:10:40,810

see if we even want you here anymore

264

00:10:47,280 --> 00:10:42,820

maybe you should go somewhere else and

265

00:10:50,310 --> 00:10:47,290

I'm thinking oh my god all this is like

266

00:10:52,170 --> 00:10:50,320

oh my god so I'm freaking out on Monday

267

00:10:54,210 --> 00:10:52,180

night I'm on my radio show telling this

268

00:10:55,950 --> 00:10:54,220

whole story like I'm freaking out and I

269

00:10:57,480 --> 00:10:55,960

couldn't sleep on Monday night I mean

270

00:11:01,170 --> 00:10:57,490

it's just when things like this happen

271

00:11:03,450 --> 00:11:01,180

and I'm being like like criticized for

272

00:11:04,980 --> 00:11:03,460

not doing something now I do get it

273

00:11:07,020 --> 00:11:04,990

folks I probably should have left him a

274

00:11:08,580 --> 00:11:07,030

note or called or something but I just

275

00:11:10,590 --> 00:11:08,590

my thought was

276

00:11:13,230 --> 00:11:10,600

first comes to worse I had to drop off

277

00:11:15,540 --> 00:11:13,240

some I happening him right in my hand I

278

00:11:17,430 --> 00:11:15,550

have to drop the roster off on Monday or

279

00:11:21,270 --> 00:11:17,440

Tuesday so I thought I'll just swing by

280

00:11:22,620 --> 00:11:21,280

a Monday afternoon before my radio show

281

00:11:24,900 --> 00:11:22,630

and drop these off and tell her about

282

00:11:26,640 --> 00:11:24,910

the glass you know that was just like my

283

00:11:28,950 --> 00:11:26,650

worst case scenario I'll just drop it

284

00:11:30,600 --> 00:11:28,960

off late in the afternoon well boy all

285

00:11:32,910 --> 00:11:30,610

this happened before I can even do that

286

00:11:35,520 --> 00:11:32,920

one so anyhow so I meet with them on

287

00:11:37,080 --> 00:11:35,530

Tuesday at 3 o'clock so I've had no

288

00:11:38,910 --> 00:11:37,090

sleep but I'm in this meeting I'm

289

00:11:40,380 --> 00:11:38,920

sitting there and of course here's what

290

00:11:42,030 --> 00:11:40,390

I said on Monday night which I probably

291

00:11:44,700 --> 00:11:42,040

should just said but this is the truth

292

00:11:50,730 --> 00:11:44,710

you guys I'm looking my thought was this

293

00:11:53,910 --> 00:11:50,740

was a small man okay that has \$100,000

294

00:11:56,130 --> 00:11:53,920

worth of dad he's got an MBA and all he

295

00:11:58,650 --> 00:11:56,140

could land was a job as a community

296

00:12:00,900 --> 00:11:58,660

director okay so that's what I said on

297

00:12:02,600 --> 00:12:00,910

the air Monday I felt really bad cuz I'm

298

00:12:05,490 --> 00:12:02,610

going into this meeting I having already

299

00:12:07,710 --> 00:12:05,500

researched this poor guy to the point of

300

00:12:09,120 --> 00:12:07,720

you know he's you know he's chopped

301

00:12:12,000 --> 00:12:09,130

liver but he turned out to be a pretty

302

00:12:15,570 --> 00:12:12,010

nice guy but my assessment was correct

303

00:12:18,480 --> 00:12:15,580

hate to tell y'all and so they finally

304

00:12:21,330 --> 00:12:18,490

you know they offered me a whole bunch

305

00:12:22,980 --> 00:12:21,340

of choices I can sign a contract for a

306

00:12:25,470 --> 00:12:22,990

lot more money I can become an

307

00:12:27,330 --> 00:12:25,480

instructor and do a donation you know

308

00:12:29,940 --> 00:12:27,340

all this stuff and they they basically

309

00:12:32,880 --> 00:12:29,950

were just like you know we don't want

310

00:12:35,160 --> 00:12:32,890

you here but you're all your options and

311

00:12:37,890 --> 00:12:35,170

they figured I would take a hike and run

312

00:12:39,210 --> 00:12:37,900

well I didn't I decided to take one of

313

00:12:40,470 --> 00:12:39,220

the options where I'm gonna have to

314

00:12:42,900 --> 00:12:40,480

probably pay some money out of my own

315

00:12:45,630 --> 00:12:42,910

pocket but you know what that's okay I'm

316

00:12:47,580 --> 00:12:45,640

not worried about it and they turned out

317

00:12:51,210 --> 00:12:47,590

to be pretty good folk but you know I

318

00:12:53,610 --> 00:12:51,220

still was like oh my god all this over a

319

00:12:55,590 --> 00:12:53,620

piece of glass you know it just seemed

320

00:12:57,330 --> 00:12:55,600

to me like it's so crazy and and the

321

00:12:59,340 --> 00:12:57,340

worst and the funniest part about it all

322

00:13:01,770 --> 00:12:59,350

the worst point of all this is that the

323

00:13:03,780 --> 00:13:01,780

glass didn't break and I was so thrilled

324

00:13:06,050 --> 00:13:03,790

about that that I couldn't understand

325

00:13:09,270 --> 00:13:06,060

why they were so upset about this darn

326

00:13:11,580 --> 00:13:09,280

event that happened oh and the other

327

00:13:13,650 --> 00:13:11,590

thing they did is when I called and I

328

00:13:15,360 --> 00:13:13,660

said oh and by the way in spite of all

329

00:13:17,160 --> 00:13:15,370

this glass thing that happened and what

330

00:13:19,890 --> 00:13:17,170

have you you guys never leave me the

331

00:13:22,410 --> 00:13:19,900

remotes anymore and the girl had the the

332

00:13:24,269 --> 00:13:22,420

Fen nerve to tell me that

333

00:13:26,400 --> 00:13:24,279

we didn't deserve the the remotes

334

00:13:29,220 --> 00:13:26,410

because she was afraid something would

335

00:13:31,019 --> 00:13:29,230

happen to that okay great

336

00:13:32,850 --> 00:13:31,029

I've been there six and a half years

337

00:13:34,199 --> 00:13:32,860

three months have been out all the six

338

00:13:36,210 --> 00:13:34,209

and a half years by the way they just

339

00:13:38,490 --> 00:13:36,220

started she just started and this new

340

00:13:40,379 --> 00:13:38,500

guy started a few months ago so all this

341

00:13:42,750 --> 00:13:40,389

has been since they started so I don't

342

00:13:44,790 --> 00:13:42,760

get any remotes anymore but one of my

343

00:13:46,650 --> 00:13:44,800

producers had a great idea said Laureen

344

00:13:50,310 --> 00:13:46,660

just go buy her universal remote at

345

00:13:53,310 --> 00:13:50,320

Walmart I'm gonna do because I don't

346

00:13:56,460 --> 00:13:53,320

deserve the remote for the TV so okay

347

00:13:59,280 --> 00:13:56,470

yeah so that's my story now I know I'm

348

00:14:01,199 --> 00:13:59,290

I'm feeling guilty now that I blasted

349

00:14:04,889 --> 00:14:01,209

this all over the airwaves for the last

350

00:14:07,019 --> 00:14:04,899

two days but the bottom line is it's

351

00:14:09,569 --> 00:14:07,029

just pretty amazing to me what people

352

00:14:11,370 --> 00:14:09,579

will do to get it to the point where

353

00:14:12,960 --> 00:14:11,380

you're given them more and more money

354

00:14:15,449 --> 00:14:12,970

and now they've got to have insurance

355

00:14:17,670 --> 00:14:15,459

and you know all these things that I

356

00:14:20,519 --> 00:14:17,680

never had to deal with before and it was

357

00:14:22,290 --> 00:14:20,529

so nice and you know six and a half year

358

00:14:24,449 --> 00:14:22,300

run I guess I should have counted my

359

00:14:26,639 --> 00:14:24,459

blessings I knew it was coming at some

360

00:14:28,650 --> 00:14:26,649

point eventually but I was hoping I get

361

00:14:30,150 --> 00:14:28,660

10 years out of him before everybody

362

00:14:32,160 --> 00:14:30,160

would notice that we're not you know

363

00:14:34,500 --> 00:14:32,170

doing what everybody else is doing but

364

00:14:36,019 --> 00:14:34,510

what bothers me more than anything is

365

00:14:39,030 --> 00:14:36,029

the fact that the Narcotics Anonymous

366

00:14:41,100 --> 00:14:39,040

Alcoholics Anonymous the Overeaters

367

00:14:42,870 --> 00:14:41,110

Anonymous all the anonymous groups that

368

00:14:44,939 --> 00:14:42,880

are in there they don't have to do

369

00:14:48,120 --> 00:14:44,949

anything like I have to do it's just the

370

00:14:49,860 --> 00:14:48,130

UFO people of course and you know if it

371

00:14:51,509 --> 00:14:49,870

had been anybody else that had poked on

372

00:14:52,949 --> 00:14:51,519

that glass and it had fallen down I

373

00:14:57,569 --> 00:14:52,959

don't think they would have been you

374

00:14:58,980 --> 00:14:57,579

know I'm honestly guy was so anyhow I

375

00:15:01,920 --> 00:14:58,990

don't know what to say it was pretty

376

00:15:03,810 --> 00:15:01,930

pretty wild and I had to live through it

377

00:15:06,930 --> 00:15:03,820

no sleep and the whole bit I just hate

378

00:15:08,670 --> 00:15:06,940

conflict I hate conflict like that so I

379

00:15:11,250 --> 00:15:08,680

don't know maybe you guys think I was

380

00:15:13,410 --> 00:15:11,260

being too rough on them and maybe I

381

00:15:16,530 --> 00:15:13,420

should have cared more I don't know but

382

00:15:18,449 --> 00:15:16,540

I just didn't think it was a big deal I

383

00:15:20,699 --> 00:15:18,459

just really didn't and now I'm feeling

384

00:15:22,650 --> 00:15:20,709

guilty and the whole thing is just a big

385

00:15:24,540 --> 00:15:22,660

ol mess and I just hate stuff like that

386

00:15:28,590 --> 00:15:24,550

and the reason I brought this all up is

387

00:15:31,259 --> 00:15:28,600

because I always have that feeling every

388

00:15:33,620 --> 00:15:31,269

time I owe people money or something

389

00:15:36,680 --> 00:15:33,630

else is going on or I've got a

390

00:15:40,310 --> 00:15:36,690

taxes are due and you know it's just one

391

00:15:41,960 --> 00:15:40,320

of those things I guess when you when

392

00:15:43,850 --> 00:15:41,970

you've got things like that hanging over

393

00:15:47,150 --> 00:15:43,860

your head they just aren't that much fun

394

00:15:49,700 --> 00:15:47,160

yeah I got the thinking life as I got

395

00:15:51,680 --> 00:15:49,710

older isn't as fun as it used to be and

396

00:15:53,630 --> 00:15:51,690

this is just all part of it this is just

397

00:15:55,760 --> 00:15:53,640

making me think about how old I really

398

00:15:58,460 --> 00:15:55,770

am and I don't think like they do

399

00:16:00,860 --> 00:15:58,470

they're all 20 and 30 years old I just

400

00:16:02,720 --> 00:16:00,870

don't think like they do I just I've

401
00:16:05,150 --> 00:16:02,730
seen too much a piece of glass on the

402
00:16:06,950 --> 00:16:05,160
floor not broken is really not a big

403
00:16:09,650 --> 00:16:06,960
deal to me and I just didn't understand

404
00:16:11,690 --> 00:16:09,660
what was going on so yeah it's a whole

405
00:16:13,340 --> 00:16:11,700
new world out there I guess the first

406
00:16:15,530 --> 00:16:13,350
thought you would have when you're 25

407
00:16:17,060 --> 00:16:15,540
now is oh my god we've been broken into

408
00:16:20,180 --> 00:16:17,070
in the whole world's coming to an end

409
00:16:22,670 --> 00:16:20,190
and if it'd been me at 25 which you know

410
00:16:24,200 --> 00:16:22,680
I was running a big company at 25 I

411
00:16:26,030 --> 00:16:24,210
would have walked in saw that and went

412
00:16:29,420 --> 00:16:26,040
up God's the least of my worries today

413
00:16:32,030 --> 00:16:29,430

so I guess I'm just non pulse buy stuff

414

00:16:33,290 --> 00:16:32,040

and that's that's a problem I guess I'm

415

00:16:36,050 --> 00:16:33,300

gonna have to learn the lesson the hard

416

00:16:39,440 --> 00:16:36,060

way so there we go okay let's bring on

417

00:16:41,000 --> 00:16:39,450

our guest tonight if MJ will help me oh

418

00:16:43,640 --> 00:16:41,010

and guess what else is happening while

419

00:16:46,040 --> 00:16:43,650

he's getting grant Cameron in here

420

00:16:48,230 --> 00:16:46,050

UFO Khan is happening this year and

421

00:16:50,510 --> 00:16:48,240

grant is going to one of my keynote

422

00:16:53,030 --> 00:16:50,520

speakers and he's gonna do something

423

00:16:55,190 --> 00:16:53,040

he's never really done before well he's

424

00:16:57,380 --> 00:16:55,200

done it but he's gonna do he's gonna add

425

00:17:00,650 --> 00:16:57,390

as much new stuff as he can and there's

426
00:17:03,710 --> 00:17:00,660
gonna be a lot of the tape Tutte between

427
00:17:08,090 --> 00:17:03,720
he and Melinda Leslie about their

428
00:17:10,370 --> 00:17:08,100
knowledge of the working group and the

429
00:17:14,230 --> 00:17:10,380
Bigelow group and just all the things

430
00:17:16,699 --> 00:17:14,240
that are happening out there in

431
00:17:18,650 --> 00:17:16,709
disclosure land are we having trouble

432
00:17:24,470 --> 00:17:18,660
amp J cuz I can grab them if you need me

433
00:17:26,390 --> 00:17:24,480
to just let me know and so anyhow yeah

434
00:17:28,069 --> 00:17:26,400
grant and Melinda are gonna be quite the

435
00:17:30,680 --> 00:17:28,079
hit because and the reason I know this

436
00:17:33,950 --> 00:17:30,690
and the reason I can tell you guys this

437
00:17:36,890 --> 00:17:33,960
is because I was in a hotel room with

438
00:17:39,680 --> 00:17:36,900

them in Laughlin Nevada and I recorded

439

00:17:42,380 --> 00:17:39,690

almost two hours of information between

440

00:17:44,570 --> 00:17:42,390

the two of them that nobody else in this

441

00:17:46,810 --> 00:17:44,580

world seriously knows about and the only

442

00:17:49,090 --> 00:17:46,820

reason though well besides Randy Koch

443

00:17:51,220 --> 00:17:49,100

myself Melinda Leslie and grant Cameron

444

00:17:54,009 --> 00:17:51,230

we're probably the only four who knows

445

00:17:57,519 --> 00:17:54,019

some of this information because this is

446

00:18:00,310 --> 00:17:57,529

40 years of research between Melinda and

447

00:18:04,090 --> 00:18:00,320

Randy and what grant has been doing and

448

00:18:05,649 --> 00:18:04,100

I have been privy to what grant I mean

449

00:18:07,360 --> 00:18:05,659

what yeah what grants been doing

450

00:18:09,850 --> 00:18:07,370

actually for quite some time and what

451
00:18:12,310 --> 00:18:09,860
Melinda and Randy copain have been doing

452
00:18:13,720 --> 00:18:12,320
for quite some time so as you guys all

453
00:18:17,019 --> 00:18:13,730
know I think we mentioned this on the

454
00:18:19,299 --> 00:18:17,029
show before there's been a lot of us in

455
00:18:21,580 --> 00:18:19,309
the background that haven't talked for

456
00:18:23,950 --> 00:18:21,590
years and years about what's been going

457
00:18:26,560 --> 00:18:23,960
on now I'm gonna say one other Oh oh

458
00:18:30,159 --> 00:18:26,570
shoot I didn't look at the the text

459
00:18:34,720 --> 00:18:30,169
there MJ he's online you want me to grab

460
00:18:38,440 --> 00:18:34,730
him I'll just grab him okay here we go

461
00:18:43,090 --> 00:18:38,450
let's see if this works it might put you

462
00:18:55,090 --> 00:18:43,100
on hold though I don't know it's not

463
00:18:57,100 --> 00:18:55,100

working oh that's interesting on this

464

00:18:59,799 --> 00:18:57,110

thing I can I can see you calling but

465

00:19:04,930 --> 00:18:59,809

and then suddenly it said join call so I

466

00:19:07,659 --> 00:19:04,940

joined the call great all is good oh my

467

00:19:09,519 --> 00:19:07,669

god well I was just telling everybody

468

00:19:13,899 --> 00:19:09,529

about what an amazing night we're gonna

469

00:19:15,279 --> 00:19:13,909

have at California UFO Con it's gonna be

470

00:19:17,259 --> 00:19:15,289

so wild because I was telling them

471

00:19:19,659 --> 00:19:17,269

there's only four people on the planet

472

00:19:22,629 --> 00:19:19,669

right now that know what we know and

473

00:19:24,610 --> 00:19:22,639

that's you me Melinda and Randy

474

00:19:27,879 --> 00:19:24,620

co-pending and guess what Randy may show

475

00:19:30,639 --> 00:19:27,889

up at the conference yeah I know this is

476

00:19:33,549 --> 00:19:30,649

gonna be very interesting and I'm sure

477

00:19:37,600 --> 00:19:33,559

we'll have lots of new stuff by then did

478

00:19:40,629 --> 00:19:37,610

you get the latest news that just what

479

00:19:43,600 --> 00:19:40,639

is his name lizand Oh Elizondo

480

00:19:45,789 --> 00:19:43,610

Elizondo said something yesterday that

481

00:19:48,999 --> 00:19:45,799

there's gonna be all kinds of footage

482

00:19:51,190 --> 00:19:49,009

being released this year I knew that

483

00:19:54,519 --> 00:19:51,200

before I knew that they have twenty four

484

00:19:57,490 --> 00:19:54,529

films apparently Oh 24 see you know even

485

00:20:00,460 --> 00:19:57,500

more I wasn't paying much at all though

486

00:20:03,050 --> 00:20:00,470

all the gossip I know everything

487

00:20:07,010 --> 00:20:03,060

twenty-four films that's two a month for

488

00:20:10,880 --> 00:20:07,020

all do 2018 right you have 24 24 films

489

00:20:15,220 --> 00:20:10,890

they have 74 reports 36 reports and 38

490

00:20:17,660 --> 00:20:15,230

technical reports they have all this

491

00:20:21,470 --> 00:20:17,670

hardware I actually showed some of it in

492

00:20:23,150 --> 00:20:21,480

one of my update lectures and what

493

00:20:27,430 --> 00:20:23,160

what's the other thing they have they

494

00:20:33,050 --> 00:20:29,930

Jase okay well I'll think of it later on

495

00:20:37,390 --> 00:20:33,060

but they're yeah they've got 24 films is

496

00:20:40,550 --> 00:20:37,400

is is pretty big but the thing is that

497

00:20:41,780 --> 00:20:40,560

the Department of Defense is now saying

498

00:20:45,230 --> 00:20:41,790

and we knew this right from day one

499

00:20:48,470 --> 00:20:45,240

because I had a reporter who I talked

500

00:20:50,060 --> 00:20:48,480

into filing an fo a and he phoned the

501
00:20:52,550 --> 00:20:50,070
Defense Department as this story broke

502
00:20:55,160 --> 00:20:52,560
on December 16th and Defense Department

503
00:20:57,290 --> 00:20:55,170
said we didn't release anything and now

504
00:20:59,990 --> 00:20:57,300
the big dispute is on the Defense

505
00:21:07,910 --> 00:21:00,000
Department is saying we got no film

506
00:21:10,010 --> 00:21:07,920
we got no documents never heard of it no

507
00:21:11,870 --> 00:21:10,020
it's the old standard for a reply you

508
00:21:15,230 --> 00:21:11,880
know we looked and we couldn't find

509
00:21:17,210 --> 00:21:15,240
anything and there's some problems with

510
00:21:20,450 --> 00:21:17,220
the with the film that was that was

511
00:21:22,730 --> 00:21:20,460
released and it's like dead-end Road

512
00:21:25,640 --> 00:21:22,740
already and there was actually I was in

513
00:21:30,770 --> 00:21:25,650

on I got a guy who knew New York Times

514

00:21:32,540 --> 00:21:30,780

reporter Ralph Blumenthal to to contact

515

00:21:34,340 --> 00:21:32,550

him and say there's a problem with the

516

00:21:36,050 --> 00:21:34,350

film and the Defense Department's not

517

00:21:38,300 --> 00:21:36,060

saying they and they're not releasing

518

00:21:41,150 --> 00:21:38,310

any they didn't release anything and he

519

00:21:42,650 --> 00:21:41,160

was absolutely furious he said I'm

520

00:21:45,980 --> 00:21:42,660

embarrassed I assist you think I'm

521

00:21:47,780 --> 00:21:45,990

totally stupid it's like wow we just had

522

00:21:50,570 --> 00:21:47,790

to serve backup but there there is some

523

00:21:53,570 --> 00:21:50,580

problems like you know John Greenwald

524

00:21:56,120 --> 00:21:53,580

Greenwald filed already on October and

525

00:21:58,060 --> 00:21:56,130

he was told on October there they look

526

00:22:02,390 --> 00:21:58,070

for this group there is no such group

527

00:22:06,890 --> 00:22:02,400

Erik Davis who's the chief physicist for

528

00:22:09,200 --> 00:22:06,900

the Institute for the Institute for

529

00:22:11,240 --> 00:22:09,210

Advanced Studies in Austin where he'll

530

00:22:13,820 --> 00:22:11,250

put off is he's the chief physicist for

531

00:22:19,850 --> 00:22:13,830

he'll put off says that

532

00:22:21,500 --> 00:22:19,860

the what they call the the COC the chain

533

00:22:23,149 --> 00:22:21,510

of command that's the the main thing

534

00:22:25,700 --> 00:22:23,159

that every that was a chain of custody

535

00:22:27,049 --> 00:22:25,710

is what you need and that basically says

536

00:22:30,259 --> 00:22:27,059

that somebody in the Defense Department

537

00:22:32,049 --> 00:22:30,269

says this is a legitimate film it was

538

00:22:34,430 --> 00:22:32,059

taken by the Department of Defense and

539

00:22:36,289 --> 00:22:34,440

according to Eric Davis that will never

540

00:22:36,860 --> 00:22:36,299

be released because they're saying it's

541

00:22:39,230 --> 00:22:36,870

classified

542

00:22:42,289 --> 00:22:39,240

they're saying it will identify film

543

00:22:44,539 --> 00:22:42,299

that they took will identify what type

544

00:22:46,970 --> 00:22:44,549

of censors we have on our planes and

545

00:22:48,799 --> 00:22:46,980

that's classified material so you got to

546

00:22:51,230 --> 00:22:48,809

take them at their word yes this film

547

00:22:53,810 --> 00:22:51,240

was released but we can't give you the

548

00:22:55,070 --> 00:22:53,820

chain of chain of custody to prove that

549

00:22:56,870 --> 00:22:55,080

it's actually a government film and

550

00:22:59,720 --> 00:22:56,880

that's the big line I always say that

551
00:23:01,310 --> 00:22:59,730
with over this entire thing the

552
00:23:03,680 --> 00:23:01,320
government has been in a position since

553
00:23:05,629 --> 00:23:03,690
1947 it's always the same thing that

554
00:23:07,519 --> 00:23:05,639
it's fine to say the government's got

555
00:23:09,529 --> 00:23:07,529
all this stuff but to actually go across

556
00:23:11,480 --> 00:23:09,539
the line where the government says okay

557
00:23:14,090 --> 00:23:11,490
we've actually got we're actually

558
00:23:17,090 --> 00:23:14,100
investigating this we actually have film

559
00:23:18,470 --> 00:23:17,100
we actually have hardware they still

560
00:23:20,090 --> 00:23:18,480
haven't done that means to cross that

561
00:23:22,310 --> 00:23:20,100
line it's a very difficult line to cross

562
00:23:24,230 --> 00:23:22,320
because then the the sort of the

563
00:23:26,000 --> 00:23:24,240

cover-up is over then it's sort of like

564

00:23:27,620 --> 00:23:26,010

oh the government actually confirmed

565

00:23:29,690 --> 00:23:27,630

that they're lying so now we're back to

566

00:23:31,700 --> 00:23:29,700

square one and the government is saying

567

00:23:32,990 --> 00:23:31,710

well you know I know the New York Times

568

00:23:35,149 --> 00:23:33,000

photos the story in The Washington Post

569

00:23:36,110 --> 00:23:35,159

put out this story but we haven't got

570

00:23:36,740 --> 00:23:36,120

anything we don't know what you're

571

00:23:40,129 --> 00:23:36,750

talking about

572

00:23:42,110 --> 00:23:40,139

I know and it's a huge problem well let

573

00:23:45,080 --> 00:23:42,120

me let me throw something at you have

574

00:23:46,610 --> 00:23:45,090

you seen David Sarita's new of a portal

575

00:23:51,769 --> 00:23:46,620

to ascension talk that he gave

576
00:23:53,419 --> 00:23:51,779
afterwards about the film no oh boy this

577
00:23:56,779 --> 00:23:53,429
is gonna blow your shorts here it comes

578
00:24:00,139 --> 00:23:56,789
that film was released in 2015 and had

579
00:24:04,279 --> 00:24:00,149
different audio and it was also in a

580
00:24:06,590 --> 00:24:04,289
scientific journal frame by frame okay

581
00:24:09,950 --> 00:24:06,600
I'll have to look at that because when I

582
00:24:13,399 --> 00:24:09,960
released it already back in I I showed

583
00:24:20,180 --> 00:24:13,409
it back in October the film and it was

584
00:24:26,360 --> 00:24:20,190
released on a a German science fiction

585
00:24:27,660 --> 00:24:26,370
film website and it nobody knows it

586
00:24:28,950 --> 00:24:27,670
would they have the name of the

587
00:24:35,760 --> 00:24:28,960
but nobody really knows who the person

588
00:24:37,440 --> 00:24:35,770

is it was on there 2007 really it's this

589

00:24:39,300 --> 00:24:37,450

sort of there's two different films and

590

00:24:43,170 --> 00:24:39,310

this is the the second one without the

591

00:24:45,450 --> 00:24:43,180

audio and I show it I've showed it a

592

00:24:46,590 --> 00:24:45,460

couple times and yeah that's what we're

593

00:24:48,750 --> 00:24:46,600

saying there is problems with this film

594

00:24:51,510 --> 00:24:48,760

and then there's the most prob wind

595

00:24:52,890 --> 00:24:51,520

although of course I'm sort of in the

596

00:24:54,930 --> 00:24:52,900

middle of this thing so I sort of put it

597

00:24:58,590 --> 00:24:54,940

out in my updates and then of course I

598

00:25:03,240 --> 00:24:58,600

get you know hammered because I released

599

00:25:06,120 --> 00:25:03,250

some audio from an f-18 I think it's a

600

00:25:07,980 --> 00:25:06,130

Thunderbirds talking about win and then

601
00:25:09,240 --> 00:25:07,990
of course they attack me you don't

602
00:25:12,570 --> 00:25:09,250
understand what's going on yours as a

603
00:25:16,620 --> 00:25:12,580
ground yours aground theirs is the the

604
00:25:18,870 --> 00:25:16,630
flight data if the the black box voice

605
00:25:20,220 --> 00:25:18,880
thing and surface and so the problem

606
00:25:23,340 --> 00:25:20,230
with it is is that you have to know

607
00:25:26,610 --> 00:25:23,350
every technical aspect of how do they

608
00:25:28,140 --> 00:25:26,620
actually tape those conversations

609
00:25:30,060 --> 00:25:28,150
because I didn't interview John Lear

610
00:25:32,970 --> 00:25:30,070
Islands you saw it and John Lear

611
00:25:37,980 --> 00:25:32,980
immediately said this is total garbage

612
00:25:40,080 --> 00:25:37,990
pilots don't talk this way and they

613
00:25:42,120 --> 00:25:40,090

don't talk about wind like the wind's

614

00:25:45,330 --> 00:25:42,130

coming out of the West 120 knots that's

615

00:25:47,070 --> 00:25:45,340

not the way to talk about wind and so he

616

00:25:48,660 --> 00:25:47,080

had a bunch of different things on and

617

00:25:50,310 --> 00:25:48,670

the thing with the mask that you're

618

00:25:52,800 --> 00:25:50,320

wearing this mask and he said that the

619

00:25:54,510 --> 00:25:52,810

the mic inside the mask it's a totally

620

00:25:57,300 --> 00:25:54,520

quiet environment you know had this this

621

00:25:59,790 --> 00:25:57,310

growing noise and background and of

622

00:26:01,770 --> 00:25:59,800

course I I put that up on my facebook I

623

00:26:02,940 --> 00:26:01,780

did this 11 minute interview with John

624

00:26:04,560 --> 00:26:02,950

where he's talking about all the

625

00:26:05,820 --> 00:26:04,570

problems with the film and of course

626

00:26:07,530 --> 00:26:05,830

that it's just like I got totally

627

00:26:10,440 --> 00:26:07,540

attacked it's like John Lear he's an old

628

00:26:12,750 --> 00:26:10,450

guy and you know he believes there's you

629

00:26:14,700 --> 00:26:12,760

think got a million people on the moon

630

00:26:16,350 --> 00:26:14,710

and all this sort of stuff and I'm

631

00:26:18,440 --> 00:26:16,360

saying just because he has some strange

632

00:26:20,430 --> 00:26:18,450

ideas doesn't mean he's lying it's

633

00:26:21,960 --> 00:26:20,440

people always says this thing you know

634

00:26:23,060 --> 00:26:21,970

they if they can find out the Laurieann

635

00:26:25,680 --> 00:26:23,070

Fenton has got a parking ticket

636

00:26:27,720 --> 00:26:25,690

everything he ever said is is discounted

637

00:26:29,220 --> 00:26:27,730

because we say no we can go this that's

638

00:26:30,720 --> 00:26:29,230

always the route they do and and of

639

00:26:33,060 --> 00:26:30,730

course I'm sort of the messenger now so

640

00:26:34,350 --> 00:26:33,070

I'm it's sort of like that's why I said

641

00:26:35,520 --> 00:26:34,360

you know when I we were gonna do the

642

00:26:36,480 --> 00:26:35,530

interview I'm saying I'm getting a

643

00:26:37,740 --> 00:26:36,490

little tired of talking about this

644

00:26:40,440 --> 00:26:37,750

because I'm just like under attack

645

00:26:41,590 --> 00:26:40,450

constantly I'm doing I'm doing the

646

00:26:43,600 --> 00:26:41,600

Pandolfi on once

647

00:26:46,060 --> 00:26:43,610

and he's saying that it's you know this

648

00:26:47,560 --> 00:26:46,070

is a Scientology scam and that all these

649

00:26:49,600 --> 00:26:47,570

guys are Scientologists and they're

650

00:26:51,490 --> 00:26:49,610

running another scam to get money and

651
00:26:52,660 --> 00:26:51,500
and then of course once you bring up his

652
00:26:54,790 --> 00:26:52,670
name then you get attacked because you

653
00:26:56,860 --> 00:26:54,800
brought up his name and it's like wow

654
00:26:58,420 --> 00:26:56,870
people are they take it very seriously

655
00:27:01,270 --> 00:26:58,430
it's almost like a religion the UFO

656
00:27:03,370 --> 00:27:01,280
world where you put out something boy

657
00:27:05,170 --> 00:27:03,380
get ready to get attacked I am so glad

658
00:27:08,050 --> 00:27:05,180
you said that I gotta tell you a quick

659
00:27:11,140 --> 00:27:08,060
little story I was helping a guy put on

660
00:27:13,330 --> 00:27:11,150
a link on this last year and the History

661
00:27:16,120 --> 00:27:13,340
Channel was involved in Georgio and you

662
00:27:18,640 --> 00:27:16,130
know the whole nine yards and I know him

663
00:27:21,780 --> 00:27:18,650

I met him right before the the event

664

00:27:24,010 --> 00:27:21,790

happened kind of on email and his crew

665

00:27:26,800 --> 00:27:24,020

when they were wonderful to me they

666

00:27:28,030 --> 00:27:26,810

invited me to do a he said can you get a

667

00:27:30,460 --> 00:27:28,040

bunch of people in the UFO community

668

00:27:32,410 --> 00:27:30,470

together in the Bay Area and do a panel

669

00:27:34,090 --> 00:27:32,420

and can you speak and you know I was

670

00:27:35,320 --> 00:27:34,100

like sure I can do all that for you he

671

00:27:37,660 --> 00:27:35,330

goes yeah everybody told me you're the

672

00:27:40,000 --> 00:27:37,670

gear the go-to gal for MUFON in the air

673

00:27:41,920 --> 00:27:40,010

and I said sure I'll help you out so and

674

00:27:43,270 --> 00:27:41,930

Oni came to one of my MUFON meetings

675

00:27:46,390 --> 00:27:43,280

really nice guy okay

676

00:27:48,670 --> 00:27:46,400

so I told him at the MUFON meeting I

677

00:27:51,100 --> 00:27:48,680

just took him aside he said I'm not

678

00:27:54,250 --> 00:27:51,110

gonna say his name I said you gotta

679

00:27:57,580 --> 00:27:54,260

understand something this is just like

680

00:28:00,070 --> 00:27:57,590

convention he puts on monster

681

00:28:03,040 --> 00:28:00,080

conventions comic-con conventions those

682

00:28:05,020 --> 00:28:03,050

kind of things right I said you have no

683

00:28:08,830 --> 00:28:05,030

idea what kind of ground you've gotten

684

00:28:11,860 --> 00:28:08,840

yourself out these people are a cult

685

00:28:13,930 --> 00:28:11,870

they're our religion they are everybody

686

00:28:15,910 --> 00:28:13,940

has an opinion and they're gonna let you

687

00:28:23,380 --> 00:28:15,920

know it and he goes all it can't be that

688

00:28:28,030 --> 00:28:23,390

bad it's Saturday night wood started on

689

00:28:30,700 --> 00:28:28,040

Friday is now Saturday every room where

690

00:28:34,180 --> 00:28:30,710

there was a speaker like myself or sasha

691

00:28:36,640 --> 00:28:34,190

lesson or anybody around any of this

692

00:28:38,020 --> 00:28:36,650

stuff was jam-packed and people were

693

00:28:39,670 --> 00:28:38,030

flowing out the doors and they were

694

00:28:41,920 --> 00:28:39,680

pissed off that they couldn't get into

695

00:28:45,130 --> 00:28:41,930

them because he thought that the only

696

00:28:47,890 --> 00:28:45,140

bit of room that held 1200 people and

697

00:28:50,290 --> 00:28:47,900

they thought only the ancient alien guys

698

00:28:53,800 --> 00:28:50,300

were big enough to get that many people

699

00:28:55,520 --> 00:28:53,810

into their thing they had no idea that

700

00:28:57,710 --> 00:28:55,530

we all follow

701
00:29:00,410 --> 00:28:57,720
everybody it's not like comic-con where

702
00:29:02,450 --> 00:29:00,420
you got six different big acts like Star

703
00:29:05,240 --> 00:29:02,460
Trek and this and that and whatever and

704
00:29:06,800 --> 00:29:05,250
then a few of the the the small ones you

705
00:29:09,110 --> 00:29:06,810
know you go into their rooms and there's

706
00:29:14,390 --> 00:29:09,120
50 people there Darby's happy right

707
00:29:16,040 --> 00:29:14,400
oh no no no there were people mad he was

708
00:29:17,540 --> 00:29:16,050
he was being chased down the hallway

709
00:29:20,750 --> 00:29:17,550
going how come I couldn't get in to see

710
00:29:22,220 --> 00:29:20,760
so-and-so and he hid out all Saturday

711
00:29:23,600 --> 00:29:22,230
afternoon we couldn't find him that we

712
00:29:25,280 --> 00:29:23,610
didn't know what was going on he calls

713
00:29:27,170 --> 00:29:25,290

me at dinner on Saturday night goes oh

714

00:29:28,670 --> 00:29:27,180

my god I've got to redo rooms tomorrow

715

00:29:32,030 --> 00:29:28,680

gotta do all this can you do another

716

00:29:34,040 --> 00:29:32,040

panel can get Sasha and Janet to do one

717

00:29:35,480 --> 00:29:34,050

in the big room that seats 1,200 people

718

00:29:38,750 --> 00:29:35,490

which by the way we filled with a

719

00:29:41,270 --> 00:29:38,760

thousand people and there are 15,000

720

00:29:42,620 --> 00:29:41,280

people there grant it was insane it was

721

00:29:45,290 --> 00:29:42,630

just the most insane thing I've ever

722

00:29:47,270 --> 00:29:45,300

seen in my life and when it was all said

723

00:29:49,520 --> 00:29:47,280

and done he walked up to me and gave me

724

00:29:51,980 --> 00:29:49,530

a big hug and he goes oh my god you were

725

00:29:54,260 --> 00:29:51,990

right it's like a cult like a religion

726

00:29:56,950 --> 00:29:54,270

he goes I will never get I will never

727

00:29:59,630 --> 00:29:56,960

underestimate it again yeah weird

728

00:30:01,250 --> 00:29:59,640

because you know it's so true we're very

729

00:30:04,100 --> 00:30:01,260

passionate we're a very passionate group

730

00:30:06,920 --> 00:30:04,110

and you know all of my facebook messages

731

00:30:07,430 --> 00:30:06,930

I was talking to my boss about this the

732

00:30:09,440 --> 00:30:07,440

other day

733

00:30:11,480 --> 00:30:09,450

her Facebook gets two or three little

734

00:30:13,220 --> 00:30:11,490

hits every once in a while is all her

735

00:30:14,810 --> 00:30:13,230

friends like oh we went to the park and

736

00:30:17,210 --> 00:30:14,820

went dealt with the dog or you know

737

00:30:19,160 --> 00:30:17,220

whatever you look at mine and it's like

738

00:30:20,870 --> 00:30:19,170

five miles long in ten minutes it's

739

00:30:23,840 --> 00:30:20,880

everybody spouting their opinion about

740

00:30:25,880 --> 00:30:23,850

UFOs and aliens and everybody's at each

741

00:30:30,770 --> 00:30:25,890

other's throats and it's like a constant

742

00:30:35,050 --> 00:30:30,780

bickering family it's just a even told I

743

00:30:40,100 --> 00:30:35,060

run a lot of my stuff on YouTube now and

744

00:30:41,660 --> 00:30:40,110

desta you member dusted that's yeah she

745

00:30:43,940 --> 00:30:41,670

puts it up for me because she's more

746

00:30:45,980 --> 00:30:43,950

technically you know attuned to that

747

00:30:49,250 --> 00:30:45,990

status stop so she puts it up and then

748

00:30:50,990 --> 00:30:49,260

she said oh you're watching I we maybe

749

00:30:53,210 --> 00:30:51,000

there was one particular one that we

750

00:30:55,360 --> 00:30:53,220

were she was interested by some of the

751

00:31:10,060 --> 00:30:55,370

comments would lead us to new new

752

00:31:14,539 --> 00:31:12,770

beatboxing at a big box store surprising

753

00:31:18,590 --> 00:31:14,549

what's not surprising how much you could

754

00:31:21,080 --> 00:31:18,600

save by switching to Geico minivan has

755

00:31:24,460 --> 00:31:21,090

the lights on in the parking lot Geico

756

00:31:27,850 --> 00:31:24,470

15 minutes could save you 15% or more

757

00:31:30,110 --> 00:31:27,860

booth people and stuff like that I said

758

00:31:32,060 --> 00:31:30,120

you can watch the comments I got thin

759

00:31:35,330 --> 00:31:32,070

skin it's just like you can't even watch

760

00:31:37,940 --> 00:31:35,340

it it's just like on believe people what

761

00:31:39,710 --> 00:31:37,950

I just turned them off if I'm doing any

762

00:31:41,630 --> 00:31:39,720

YouTube stuff I turn off the comments

763

00:31:44,330 --> 00:31:41,640

because I'm not even gonna take it

764

00:31:47,060 --> 00:31:44,340

grandpa I tell ya I all my shows on

765

00:31:49,789 --> 00:31:47,070

Monday afternoons yeah I have not been

766

00:31:52,820 --> 00:31:49,799

in the chat room for five years I got

767

00:31:54,470 --> 00:31:52,830

tired of the arguing in the chat room

768

00:31:56,450 --> 00:31:54,480

with me it's like if you guys want to

769

00:31:57,919 --> 00:31:56,460

listen to my show listen to it - you

770

00:32:00,500 --> 00:31:57,929

know maybe glimpse a little new

771

00:32:03,470 --> 00:32:00,510

information and cook dinner right that's

772

00:32:05,570 --> 00:32:03,480

what I do you know not sit there and

773

00:32:07,190 --> 00:32:05,580

argue with me the whole show and you

774

00:32:09,289 --> 00:32:07,200

know what I had to stop having people

775

00:32:10,940 --> 00:32:09,299

call in for the same reason cuz they

776

00:32:15,500 --> 00:32:10,950

just sit there and argue with my guest

777

00:32:19,460 --> 00:32:15,510

and I'm like okay I'm done so there you

778

00:32:21,799 --> 00:32:19,470

go it's so so it's a wild world it is

779

00:32:24,200 --> 00:32:21,809

wild so anyhow we'll do a lot more

780

00:32:25,789 --> 00:32:24,210

disclosure at the conference I think we

781

00:32:26,900 --> 00:32:25,799

should just say that for what we got

782

00:32:30,980 --> 00:32:26,910

because you're getting tired of being

783

00:32:33,110 --> 00:32:30,990

you know bombarded aren't ya well it's

784

00:32:34,580 --> 00:32:33,120

it's a it's a big thing everybody wants

785

00:32:36,590 --> 00:32:34,590

updates I'm doing another one tomorrow

786

00:32:38,630 --> 00:32:36,600

and then I'm doing one on the weekend

787

00:32:40,850 --> 00:32:38,640

for portals to ascension I'm doing a

788

00:32:43,280 --> 00:32:40,860

thing because I I'm sort of I've done

789

00:32:45,710 --> 00:32:43,290

for them and they're all 30 minutes long

790

00:32:49,039 --> 00:32:45,720

so I've done two hours of updates a new

791

00:32:52,880 --> 00:32:49,049

material that's come out and everybody's

792

00:32:54,140 --> 00:32:52,890

talking and some of the YouTube updates

793

00:32:56,210 --> 00:32:54,150

I did had a hundred and some odd

794

00:32:59,510 --> 00:32:56,220

thousand hits and stuff but the thing is

795

00:33:02,330 --> 00:32:59,520

you sort of get inundated with material

796

00:33:04,070 --> 00:33:02,340

and it's such a it's not so much the the

797

00:33:06,919 --> 00:33:04,080

amount of work it's the sort of the

798

00:33:08,030 --> 00:33:06,929

divisive nosov you know you're like I

799

00:33:11,419 --> 00:33:08,040

sort of got in between this fight

800

00:33:14,180 --> 00:33:11,429

between the Pandolfi crowd that believes

801
00:33:15,770 --> 00:33:14,190
this is all Scientology scam and Tom

802
00:33:17,630 --> 00:33:15,780
DeLonge crowd that figures you know

803
00:33:19,310 --> 00:33:17,640
we're about to get disclosure and stuff

804
00:33:20,780 --> 00:33:19,320
and you get in the between those two and

805
00:33:22,070 --> 00:33:20,790
it's like whoa and it and it's like

806
00:33:23,180 --> 00:33:22,080
they're attacking me because they kind

807
00:33:24,650 --> 00:33:23,190
of talked the other side

808
00:33:26,600 --> 00:33:24,660
and it was that kind of stuff that you

809
00:33:28,130 --> 00:33:26,610
just you just sort of like oh wow

810
00:33:29,780 --> 00:33:28,140
and yet the amount of material the

811
00:33:32,000 --> 00:33:29,790
amount of people because when you start

812
00:33:34,070 --> 00:33:32,010
getting those kind of hits you start I

813
00:33:35,660 --> 00:33:34,080

start getting contacted by people that I

814

00:33:38,360 --> 00:33:35,670

never would have got contacted like some

815

00:33:40,010 --> 00:33:38,370

pretty interesting people who are really

816

00:33:42,350 --> 00:33:40,020

good at what's going on inside the

817

00:33:44,570 --> 00:33:42,360

government and how the system works and

818

00:33:47,090 --> 00:33:44,580

stuff like that and and so it's

819

00:33:49,820 --> 00:33:47,100

advantageous in that way that I've got a

820

00:33:52,790 --> 00:33:49,830

lot of material every day I get you know

821

00:33:54,800 --> 00:33:52,800

two or three new items like for example

822

00:33:57,310 --> 00:33:54,810

I'll give you a couple because you and I

823

00:34:01,520 --> 00:33:57,320

are both interested in Journal examiner

824

00:34:04,310 --> 00:34:01,530

John Alexander did a an interview this

825

00:34:08,000 --> 00:34:04,320

was jus January the 3rd so maybe less

826
00:34:09,919 --> 00:34:08,010
than a week ago on podcast and on that

827
00:34:11,659 --> 00:34:09,929
podcast I'm listening to him and he's

828
00:34:15,290 --> 00:34:11,669
actually way less skeptical he used to

829
00:34:16,159 --> 00:34:15,300
be and he's he basically said yes I I

830
00:34:18,200 --> 00:34:16,169
was on the outside

831
00:34:19,760 --> 00:34:18,210
I knew some stuff was going on with the

832
00:34:21,590 --> 00:34:19,770
Tom DeLonge thing I only talked to Tom

833
00:34:22,909 --> 00:34:21,600
on the phone one time whatever and I had

834
00:34:24,560 --> 00:34:22,919
heard this in the background I'd heard

835
00:34:26,300 --> 00:34:24,570
his name bunk bounced around still the

836
00:34:28,970 --> 00:34:26,310
guy but he basically said yes I've known

837
00:34:30,680 --> 00:34:28,980
these guys on the panel I've known these

838
00:34:31,909 --> 00:34:30,690

guys for years a lot of them are good

839

00:34:34,669 --> 00:34:31,919

friends of mine and stuff like that I

840

00:34:36,050 --> 00:34:34,679

knew it was going on and then at one

841

00:34:38,390 --> 00:34:36,060

point because you know he went to see

842

00:34:40,040 --> 00:34:38,400

Chris Bledsoe so he went you know that

843

00:34:42,830 --> 00:34:40,050

and he wrote a whole chapter in his book

844

00:34:45,380 --> 00:34:42,840

he was very impressed with Chris with

845

00:34:47,690 --> 00:34:45,390

all the stuff the burning tree getting

846

00:34:49,280 --> 00:34:47,700

heals from Crohn's and the citing thing

847

00:34:50,630 --> 00:34:49,290

where Chris said they're here I think

848

00:34:52,159 --> 00:34:50,640

they're here and then this thing appears

849

00:34:54,260 --> 00:34:52,169

in the sky and John was just sort of

850

00:34:56,150 --> 00:34:54,270

blown away so the and I never would have

851
00:34:57,620 --> 00:34:56,160
thought to ask John this and it was it

852
00:35:01,790 --> 00:34:57,630
was just so revealing because he said to

853
00:35:04,040 --> 00:35:01,800
Johnny said so why did you go see Chris

854
00:35:05,690 --> 00:35:04,050
like well why would you go across the

855
00:35:08,380 --> 00:35:05,700
country to see Chris and there's this

856
00:35:13,160 --> 00:35:08,390
there's this hesitation and John goes

857
00:35:15,440 --> 00:35:13,170
well my sponsor set it up and he made it

858
00:35:17,150 --> 00:35:15,450
he made it he said my sponsor and as

859
00:35:19,040 --> 00:35:17,160
soon as I heard that I go that's Jim

860
00:35:20,690 --> 00:35:19,050
semi van because that's the guy that

861
00:35:23,030 --> 00:35:20,700
that he's the experiencer he's the guy

862
00:35:25,760 --> 00:35:23,040
that that sort of befriended Chris

863
00:35:27,850 --> 00:35:25,770

Bledsoe and it sort of was you know you

864

00:35:29,960 --> 00:35:27,860

know covering Chris but I was back and

865

00:35:32,180 --> 00:35:29,970

you know I had known about Chris's story

866

00:35:34,430 --> 00:35:32,190

from the word go so when when John says

867

00:35:35,810 --> 00:35:34,440

my sponsor I'm thinking he's not

868

00:35:36,620 --> 00:35:35,820

supposed to being anything he's retired

869

00:35:41,540 --> 00:35:36,630

and

870

00:35:43,490 --> 00:35:41,550

another one what there's one of these

871

00:35:45,020 --> 00:35:43,500

real interesting guys from the inside I

872

00:35:47,180 --> 00:35:45,030

really don't know who he is but but he's

873

00:35:48,980 --> 00:35:47,190

basically sending me you know stuff

874

00:35:51,500 --> 00:35:48,990

that's going on and stuff that I never

875

00:35:53,030 --> 00:35:51,510

would have got without him and then he

876

00:35:55,790 --> 00:35:53,040

tells me one of the other very

877

00:35:58,220 --> 00:35:55,800

high-level every guys and he used the

878

00:36:00,440 --> 00:35:58,230

word sponsor and so he said who's John

879

00:36:01,880 --> 00:36:00,450

Alexander sponsor and he said this other

880

00:36:03,530 --> 00:36:01,890

guy he's talking about a sponsor too

881

00:36:05,360 --> 00:36:03,540

so which means there's money floating

882

00:36:07,190 --> 00:36:05,370

around in this thing and that John is

883

00:36:09,230 --> 00:36:07,200

more sort of involved and then the other

884

00:36:10,400 --> 00:36:09,240

thing I got was was from Pia news and I

885

00:36:14,270 --> 00:36:10,410

know if you know you know Pia Wright

886

00:36:17,090 --> 00:36:14,280

from Denmark she caught it no she's

887

00:36:18,440 --> 00:36:17,100

she's she's interesting so she contacted

888

00:36:20,650 --> 00:36:18,450

me she runs a bunch of conferences over

889

00:36:24,500 --> 00:36:20,660

there I'm going to speak over there and

890

00:36:26,330 --> 00:36:24,510

in May I think and yeah beginning of May

891

00:36:28,820 --> 00:36:26,340

but anyway she contacted me I didn't

892

00:36:33,380 --> 00:36:28,830

know this to John as he as if you

893

00:36:36,170 --> 00:36:33,390

realized that Tom DeLonge contacted the

894

00:36:41,060 --> 00:36:36,180

free organisation and I you know that I

895

00:36:42,380 --> 00:36:41,070

know and Ray said you know we're they

896

00:36:44,450 --> 00:36:42,390

were gonna offer to pay their salaries

897

00:36:46,550 --> 00:36:44,460

and stuff like that and you know there's

898

00:36:48,980 --> 00:36:46,560

different views as to why DeLong would

899

00:36:50,420 --> 00:36:48,990

would try to go for the files and I

900

00:36:51,920 --> 00:36:50,430

think first along he's just a

901
00:36:53,810 --> 00:36:51,930
storyteller he wants to make movies and

902
00:36:55,070 --> 00:36:53,820
this if you can get a Chris bustle story

903
00:36:56,690 --> 00:36:55,080
I mean you can make millions of dollars

904
00:36:59,180 --> 00:36:56,700
so there's there's lots of little

905
00:37:01,520 --> 00:36:59,190
stories inside the free files I don't

906
00:37:04,790 --> 00:37:01,530
really see that much really sort of you

907
00:37:07,430 --> 00:37:04,800
know Duvall and diabolical about what

908
00:37:08,630 --> 00:37:07,440
he's doing but anyway so she contact me

909
00:37:10,730 --> 00:37:08,640
she said you know John's writing a

910
00:37:12,680 --> 00:37:10,740
chapter and he's in their book I said

911
00:37:15,230 --> 00:37:12,690
are you kidding me and so I go in check

912
00:37:16,690 --> 00:37:15,240
sure if he's ready they've got this book

913
00:37:19,460 --> 00:37:16,700

coming out on all these different

914

00:37:21,590 --> 00:37:19,470

aspects of the experience your thing and

915

00:37:24,470 --> 00:37:21,600

John is writing one of the chapters and

916

00:37:27,260 --> 00:37:24,480

it's like it's on exactly what I said

917

00:37:29,060 --> 00:37:27,270

like I give John I give John a gold star

918

00:37:32,090 --> 00:37:29,070

in my book because he says exactly what

919

00:37:34,430 --> 00:37:32,100

I say it is I pointed out numerous times

920

00:37:36,950 --> 00:37:34,440

if you go to John Alexander's website

921

00:37:39,560 --> 00:37:36,960

when you look at UFOs it's not UFOs this

922

00:37:41,510 --> 00:37:39,570

UFOs phenomenology and that is the term

923

00:37:43,790 --> 00:37:41,520

that the CIA apparently is always used

924

00:37:45,980 --> 00:37:43,800

it's phenomenology it's not UFOs it's

925

00:37:48,500 --> 00:37:45,990

all that same thing so it's ghosts its

926

00:37:50,480 --> 00:37:48,510

near-death experiences or Dalls its

927

00:37:52,520 --> 00:37:50,490

consciousness it's it and John always

928

00:37:54,350 --> 00:37:52,530

says now is very opened when he talks

929

00:37:56,150 --> 00:37:54,360

about he said consciousness is going to

930

00:37:59,090 --> 00:37:56,160

be a key element to this thing so he's

931

00:38:01,490 --> 00:37:59,100

writing this thing on contact modalities

932

00:38:02,690 --> 00:38:01,500

that we should see them all as one thing

933

00:38:05,960 --> 00:38:02,700

so he's written this chapter which is

934

00:38:07,670 --> 00:38:05,970

exactly the right thing but I can just

935

00:38:10,580 --> 00:38:07,680

imagine when the experiences find out

936

00:38:12,800 --> 00:38:10,590

the journal acceptor has written a thing

937

00:38:14,960 --> 00:38:12,810

and Ray Hernandez has said he has no

938

00:38:17,090 --> 00:38:14,970

association was free it's just because

939

00:38:19,400 --> 00:38:17,100

he has this chapter or he has this thing

940

00:38:20,990 --> 00:38:19,410

which free agrees with and I agree with

941

00:38:22,910 --> 00:38:21,000

it as well with this chapter he's

942

00:38:24,560 --> 00:38:22,920

writing but it's it's kind of weird you

943

00:38:26,510 --> 00:38:24,570

hear like every day here another story

944

00:38:28,550 --> 00:38:26,520

and it's like whoa man you know like all

945

00:38:30,770 --> 00:38:28,560

these names that you and I have probably

946

00:38:32,870 --> 00:38:30,780

heard about for you know thirty years

947

00:38:34,670 --> 00:38:32,880

are all still the same names they're

948

00:38:37,400 --> 00:38:34,680

still in in this new group they're still

949

00:38:40,010 --> 00:38:37,410

floating around the valets the KITT

950

00:38:43,460 --> 00:38:40,020

greens and and and now Gary Nolan from

951
00:38:45,920 --> 00:38:43,470
Stanford and and you know he'll put off

952
00:38:47,270 --> 00:38:45,930
and John Alexander and it's all the same

953
00:38:49,790 --> 00:38:47,280
names it's just the you know that

954
00:38:51,620 --> 00:38:49,800
there's new information new places for

955
00:38:53,810 --> 00:38:51,630
them to go and find answers to stuff and

956
00:38:55,250 --> 00:38:53,820
they're all been gravitated back and

957
00:38:57,560 --> 00:38:55,260
it's it's almost like the good old days

958
00:38:59,660 --> 00:38:57,570
of Bill Moore or or John Alexander's

959
00:39:01,070 --> 00:38:59,670
group in the 1980s the you know the

960
00:39:02,810 --> 00:39:01,080
advanced physics theoretical working

961
00:39:06,910 --> 00:39:02,820
group it's like same old thing now they

962
00:39:12,770 --> 00:39:10,250
it's called the cosmic club there's a

963
00:39:14,570 --> 00:39:12,780

woman that was the woman that discovered

964

00:39:17,180 --> 00:39:14,580

and Chris used to talk to me about this

965

00:39:18,740 --> 00:39:17,190

there is this group and this is almost

966

00:39:20,900 --> 00:39:18,750

like the Avery people always think the

967

00:39:23,120 --> 00:39:20,910

Avery is this you know group that you

968

00:39:24,500 --> 00:39:23,130

know this government-sponsored group

969

00:39:27,170 --> 00:39:24,510

it's nothing it's just a bunch of guys

970

00:39:28,700 --> 00:39:27,180

who were given names by Bill Moore Avery

971

00:39:30,530 --> 00:39:28,710

names whatever and they know each other

972

00:39:32,060 --> 00:39:30,540

and it all got this the you know they've

973

00:39:34,190 --> 00:39:32,070

all interacted with the UFO phenomena

974

00:39:36,680 --> 00:39:34,200

and now it's not called the Avery now

975

00:39:38,780 --> 00:39:36,690

it's called the cosmic Club and Diane

976

00:39:40,240 --> 00:39:38,790

peessoa talks about it and Diane Basilica

977

00:39:45,470 --> 00:39:40,250

is the head of religion and philosophy

978

00:39:48,680 --> 00:39:45,480

right University has responded to me oh

979

00:39:56,690 --> 00:39:48,690

she has she was on Greg Bishop show if

980

00:39:58,040 --> 00:39:56,700

you list mysterious yes she's like she's

981

00:40:00,620 --> 00:39:58,050

been sort of dragged into this thing

982

00:40:02,690 --> 00:40:00,630

because she's a sort of a high-level

983

00:40:03,870 --> 00:40:02,700

person she's good friends with Jacque

984

00:40:05,700 --> 00:40:03,880

ballet jack

985

00:40:08,640 --> 00:40:05,710

laziness thing so they dragged her in

986

00:40:10,740 --> 00:40:08,650

and she calls it the cosmic club and I

987

00:40:12,420 --> 00:40:10,750

heard that there are 40 people in this

988

00:40:14,640 --> 00:40:12,430

group and these are people like the

989

00:40:17,069 --> 00:40:14,650

Avery who are people very high level

990

00:40:19,019 --> 00:40:17,079

people that that you you probably

991

00:40:21,120 --> 00:40:19,029

wouldn't know but they're main people at

992

00:40:22,289 --> 00:40:21,130

universities academics and stuff who

993

00:40:24,480 --> 00:40:22,299

just don't want anybody to know that

994

00:40:25,890 --> 00:40:24,490

they're doing UFOs and this is less

995

00:40:27,180 --> 00:40:25,900

high-level thing where they can work

996

00:40:29,160 --> 00:40:27,190

with each other they can exchange

997

00:40:31,259 --> 00:40:29,170

information it's like the new Avery so

998

00:40:33,299 --> 00:40:31,269

it was I even had a list there was there

999

00:40:36,990 --> 00:40:33,309

was first was the Avery in the 1980s

1000

00:40:38,249 --> 00:40:37,000

then there was John Alexander's group

1001

00:40:40,019 --> 00:40:38,259

which is called the advanced physics

1002

00:40:41,490 --> 00:40:40,029

theoretical working group and we'll be

1003

00:40:44,009 --> 00:40:41,500

talking a bit about that at your

1004

00:40:45,690 --> 00:40:44,019

conference and they had they had 20

1005

00:40:47,099 --> 00:40:45,700

people and I'll name all the people that

1006

00:40:50,099 --> 00:40:47,109

they were at that group and then you

1007

00:40:54,329 --> 00:40:50,109

have Joe firmage starts the ISS oh girl

1008

00:40:56,069 --> 00:40:54,339

in 1989 and they all suddenly gravitate

1009

00:40:58,529 --> 00:40:56,079

to their cuz he's got money and he's

1010

00:41:00,480 --> 00:40:58,539

started to work on advanced physics and

1011

00:41:01,499 --> 00:41:00,490

and stuff and they all run to that to

1012

00:41:03,990 --> 00:41:01,509

that group to find out what they can

1013

00:41:06,390 --> 00:41:04,000

find there and then you have the the

1014

00:41:08,579 --> 00:41:06,400

knids group run by Bigelow and they all

1015

00:41:10,499 --> 00:41:08,589

were in the knids group and then they

1016

00:41:12,749 --> 00:41:10,509

then they started this cosmic Club and

1017

00:41:14,130 --> 00:41:12,759

then they Tom DeLonge had some money and

1018

00:41:15,930 --> 00:41:14,140

some influence and they all have joined

1019

00:41:17,940 --> 00:41:15,940

the Tom DeLonge thing so it's just this

1020

00:41:19,920 --> 00:41:17,950

and I keep telling people it's the same

1021

00:41:21,930 --> 00:41:19,930

thing over and over and it's year after

1022

00:41:23,759 --> 00:41:21,940

year it's the same same playbook and

1023

00:41:25,230 --> 00:41:23,769

these guys are there and everybody

1024

00:41:27,329 --> 00:41:25,240

thinks this is like Tom DeLonge this is

1025

00:41:29,490 --> 00:41:27,339

new this just like man we've got to

1026

00:41:31,079 --> 00:41:29,500

change I'm going like you you must have

1027

00:41:35,940 --> 00:41:31,089

only been around for a couple years cuz

1028

00:41:37,259 --> 00:41:35,950

this is not new at all cracks I swear to

1029

00:41:39,569 --> 00:41:37,269

God I gotta tell you something about

1030

00:41:41,309 --> 00:41:39,579

Johnny Alexander yeah and I'm gonna do

1031

00:41:47,089 --> 00:41:41,319

true confessions here tonight on my

1032

00:41:49,470 --> 00:41:47,099

radio show I yeah I know I am I never

1033

00:41:51,420 --> 00:41:49,480

trusted the man I mean I don't know what

1034

00:41:53,609 --> 00:41:51,430

it is you know how it is you get around

1035

00:41:55,319 --> 00:41:53,619

people and you just kind of go I don't

1036

00:41:57,299 --> 00:41:55,329

know you know it's like I just never

1037

00:41:59,279 --> 00:41:57,309

wanted to talk to him or anything and

1038

00:42:01,529 --> 00:41:59,289

I've had plenty of opportunity to do so

1039

00:42:03,420 --> 00:42:01,539

and I just go now that's okay y'all go

1040

00:42:06,120 --> 00:42:03,430

off and have lunch right you know hit

1041

00:42:11,370 --> 00:42:06,130

the conferences like I just don't feel

1042

00:42:13,529 --> 00:42:11,380

it man so I'm sitting I'm sitting there

1043

00:42:14,910 --> 00:42:13,539

with uh I think I told you this story

1044

00:42:16,780 --> 00:42:14,920

and I'm not sure if I should be telling

1045

00:42:20,680 --> 00:42:16,790

you but I'm going to I'm sitting

1046

00:42:24,000 --> 00:42:20,690

a friend of mine and she says to me I

1047

00:42:27,420 --> 00:42:24,010

just had a woman come up to me that said

1048

00:42:30,550 --> 00:42:27,430

that the guy that was in her abduction

1049

00:42:32,830 --> 00:42:30,560

interrogating her on the in the

1050

00:42:39,640 --> 00:42:32,840

underground base her mylabs experience

1051
00:42:41,710 --> 00:42:39,650
is at the conference and I said that is

1052
00:42:43,450 --> 00:42:41,720
so bizarre wonder who it is and she goes

1053
00:42:45,910 --> 00:42:43,460
you're not gonna believe it and I said

1054
00:42:49,150 --> 00:42:45,920
tell me she goes it's John Alexander and

1055
00:42:51,790 --> 00:42:49,160
I said holy Moses okay so that was that

1056
00:42:54,100 --> 00:42:51,800
was many years ago okay so now I know

1057
00:42:56,680 --> 00:42:54,110
that John Alexander is playing both

1058
00:42:58,210 --> 00:42:56,690
sides of the fence and that's why my

1059
00:43:01,480 --> 00:42:58,220
hackles were always up around him

1060
00:43:03,580 --> 00:43:01,490
because he is now many years have gone

1061
00:43:05,410 --> 00:43:03,590
by I made a snap decision in that moment

1062
00:43:09,940 --> 00:43:05,420
that he's you know obviously never to be

1063
00:43:11,380 --> 00:43:09,950

trusted and he's denied it you know as

1064

00:43:13,150 --> 00:43:11,390

the day is long when he's been

1065

00:43:16,600 --> 00:43:13,160

confronted about this and believe me she

1066

00:43:22,300 --> 00:43:19,780

he's denied ever having done anything

1067

00:43:23,590 --> 00:43:22,310

like that and I get that you know and if

1068

00:43:26,170 --> 00:43:23,600

you're playing both sides of the fence

1069

00:43:29,230 --> 00:43:26,180

you got a you know cover your rear and I

1070

00:43:31,090 --> 00:43:29,240

get it and I and I and I and it but I

1071

00:43:33,460 --> 00:43:31,100

always thought he was a devil incarnate

1072

00:43:36,370 --> 00:43:33,470

until this year and then I finally

1073

00:43:38,920 --> 00:43:36,380

realized something if it wasn't him

1074

00:43:41,230 --> 00:43:38,930

doing it it would be somebody really

1075

00:43:44,920 --> 00:43:41,240

nasty doing it and apparently he's not

1076
00:43:47,530 --> 00:43:44,930
that nasty when he's doing it okay so in

1077
00:43:49,690 --> 00:43:47,540
my if I got abducted to the mylabs place

1078
00:43:51,760 --> 00:43:49,700
I think I'd rather have Johnson in front

1079
00:43:53,710 --> 00:43:51,770
of me just asking me some questions than

1080
00:43:56,020 --> 00:43:53,720
some reptilian like a lot of other

1081
00:43:58,210 --> 00:43:56,030
people have had or you know threatening

1082
00:44:00,610 --> 00:43:58,220
to rip my arms off or you know these

1083
00:44:02,260 --> 00:44:00,620
horrible things that go on that if it's

1084
00:44:05,380 --> 00:44:02,270
just John there I think I could handle

1085
00:44:07,390 --> 00:44:05,390
it a lot better you know so maybe if

1086
00:44:10,000 --> 00:44:07,400
that was part of his job back then hey

1087
00:44:11,860 --> 00:44:10,010
not so bad and he's been keeping track

1088
00:44:16,090 --> 00:44:11,870

of everything you know all these years

1089

00:44:18,790 --> 00:44:16,100

and so okay and the part that really

1090

00:44:20,950 --> 00:44:18,800

blew me away lately is I never listened

1091

00:44:23,920 --> 00:44:20,960

to a word he had to say because of my

1092

00:44:26,020 --> 00:44:23,930

prejudgment because of you know of his

1093

00:44:29,200 --> 00:44:26,030

material because of what I had know

1094

00:44:30,769 --> 00:44:29,210

about him right so finally I ordered his

1095

00:44:32,390 --> 00:44:30,779

books and I finally

1096

00:44:34,459 --> 00:44:32,400

started reading and listening to his

1097

00:44:37,399 --> 00:44:34,469

interviews and I realized something

1098

00:44:43,159 --> 00:44:37,409

grant he and I are on the same freakin

1099

00:44:45,079 --> 00:44:43,169

page and I fell off my chair I was like

1100

00:44:46,759 --> 00:44:45,089

you know I'm the one that's for five

1101

00:44:49,069 --> 00:44:46,769

years now and you know this for a fact

1102

00:44:51,620 --> 00:44:49,079

because I've been getting downloads from

1103

00:44:54,319 --> 00:44:51,630

that my angels about all this they've

1104

00:44:56,539 --> 00:44:54,329

always told me it's all connected that's

1105

00:44:58,249 --> 00:44:56,549

why you know all this stuff lorries I'm

1106

00:45:00,919 --> 00:44:58,259

it's all connected that's what they've

1107

00:45:02,719 --> 00:45:00,929

been telling me because you know I was a

1108

00:45:04,399 --> 00:45:02,729

psychic growing up but I used to talk to

1109

00:45:06,919 --> 00:45:04,409

ghosts and do all that you know whatever

1110

00:45:09,169 --> 00:45:06,929

and then I got sucked into the UFO

1111

00:45:11,209 --> 00:45:09,179

community in the 90s so then the next

1112

00:45:13,609 --> 00:45:11,219

thing I know I'm it's all connected

1113

00:45:15,380 --> 00:45:13,619

right yeah so in John sits there and

1114

00:45:18,949 --> 00:45:15,390

says the same thing and you know what

1115

00:45:21,229 --> 00:45:18,959

every one of the guys that I deal with

1116

00:45:22,989 --> 00:45:21,239

that are these high-level guys in the

1117

00:45:26,689 --> 00:45:22,999

DoD you have had you know whatever

1118

00:45:29,299 --> 00:45:26,699

experiences every one of them tuti says

1119

00:45:31,579 --> 00:45:29,309

that is the absolute thing it's all

1120

00:45:33,259 --> 00:45:31,589

about consciousness it doesn't matter

1121

00:45:35,599 --> 00:45:33,269

about anything else is it's all about

1122

00:45:38,089 --> 00:45:35,609

consciousness yeah so isn't that

1123

00:45:40,219 --> 00:45:38,099

interesting that you and I and a handful

1124

00:45:42,439 --> 00:45:40,229

of other people just let everything else

1125

00:45:45,799 --> 00:45:42,449

go because who cares right it's all

1126
00:45:47,719 --> 00:45:45,809
about it all being connected and that's

1127
00:45:49,849 --> 00:45:47,729
where the portals are gonna come in you

1128
00:45:51,620 --> 00:45:49,859
know because that's truly a connection

1129
00:45:53,509 --> 00:45:51,630
there is all through consciousness and

1130
00:45:55,880 --> 00:45:53,519
guess what we gotta take a break I'm

1131
00:45:58,039 --> 00:45:55,890
gonna do that when we come back we're to

1132
00:46:07,549 --> 00:45:58,049
talk all about the portals and about how

1133
00:46:09,709 --> 00:46:07,559
I now love John Alexander and welcome

1134
00:46:11,929 --> 00:46:09,719
back everyone to the California MUFON

1135
00:46:14,029 --> 00:46:11,939
radio show I'm your host Lori and Fenton

1136
00:46:16,609 --> 00:46:14,039
we are having and to disclose your night

1137
00:46:18,289 --> 00:46:16,619
that's for sure well I think rant we

1138
00:46:20,029 --> 00:46:18,299

should probably just kind of wrap it up

1139

00:46:21,620 --> 00:46:20,039

with the disclosure for this evening

1140

00:46:24,229 --> 00:46:21,630

because what I really want to get on to

1141

00:46:26,209 --> 00:46:24,239

is the portal thing going on with our

1142

00:46:27,829 --> 00:46:26,219

buddy Enrique that's coming to the

1143

00:46:30,079 --> 00:46:27,839

conference I haven't even told anybody

1144

00:46:34,640 --> 00:46:30,089

about that you know everybody do me a

1145

00:46:38,359 --> 00:46:34,650

favor go to see a UFO con that's CA for

1146

00:46:41,299 --> 00:46:38,369

California UFO con comm and check out

1147

00:46:44,299 --> 00:46:41,309

the roster even Lynn Buchanan who can't

1148

00:46:44,930 --> 00:46:44,309

travel is going to come in on skype and

1149

00:46:47,210 --> 00:46:44,940

answer

1150

00:46:49,250 --> 00:46:47,220

all your questions about as best he can

1151
00:46:51,079 --> 00:46:49,260
we're gonna do a little interview with

1152
00:46:52,700 --> 00:46:51,089
hint between he and I and then he's

1153
00:46:55,370 --> 00:46:52,710
gonna try to answer all your questions

1154
00:46:56,870 --> 00:46:55,380
because disclosures it's got a very

1155
00:46:59,780 --> 00:46:56,880
interesting twist with the remote

1156
00:47:01,430 --> 00:46:59,790
viewing group so I hope you guys are up

1157
00:47:02,990 --> 00:47:01,440
for that because that's gonna be quite

1158
00:47:05,270 --> 00:47:03,000
extraordinary and I wish I could get him

1159
00:47:07,640 --> 00:47:05,280
there in person but the problems that

1160
00:47:09,260 --> 00:47:07,650
the older people are having in the UFO

1161
00:47:10,910 --> 00:47:09,270
community you guys have got to realize

1162
00:47:13,550 --> 00:47:10,920
something grant and I are one of the

1163
00:47:16,010 --> 00:47:13,560

youngest people in the UFO community and

1164

00:47:18,920 --> 00:47:16,020

we're no spring chickens and the rest of

1165

00:47:21,290 --> 00:47:18,930

them are gonna be here long so I was so

1166

00:47:23,630 --> 00:47:21,300

unfortunate give David a dare last year

1167

00:47:26,030 --> 00:47:23,640

Oh David's gonna Skype in - I forgot

1168

00:47:27,800 --> 00:47:26,040

yeah David's gonna Skype in because he

1169

00:47:30,260 --> 00:47:27,810

wants to say hi to everybody and we're

1170

00:47:32,750 --> 00:47:30,270

gonna play as movie as a premiere this

1171

00:47:34,520 --> 00:47:32,760

year I mean it's gonna be so amazing I

1172

00:47:37,940 --> 00:47:34,530

do hope you guys can make it truly

1173

00:47:39,470 --> 00:47:37,950

because it I think this year's UFO con

1174

00:47:41,390 --> 00:47:39,480

is just gonna it's gonna blow last

1175

00:47:45,589 --> 00:47:41,400

year's apart last year's is pretty darn

1176

00:47:47,870 --> 00:47:45,599

good so anyhow check out see a UFO con

1177

00:47:49,339 --> 00:47:47,880

comm grant will be there you get to meet

1178

00:47:52,579 --> 00:47:49,349

him a person and you get to get an

1179

00:47:54,650 --> 00:47:52,589

autographed copy of managing magic which

1180

00:47:56,540 --> 00:47:54,660

i think is everybody should have that by

1181

00:47:58,819 --> 00:47:56,550

the side of their bed going through the

1182

00:48:01,910 --> 00:47:58,829

next year it'll help you get through it

1183

00:48:07,400 --> 00:48:01,920

believe that seriously it's like your

1184

00:48:10,940 --> 00:48:07,410

Bible for disclosure because it your

1185

00:48:12,650 --> 00:48:10,950

homework yeah your homework we all got

1186

00:48:15,559 --> 00:48:12,660

to do it that's the worst part

1187

00:48:20,359 --> 00:48:15,569

yeah so how did this whole portal thing

1188

00:48:22,190 --> 00:48:20,369

start for you uh uh well it started I

1189

00:48:26,599 --> 00:48:22,200

did the head the consciousness download

1190

00:48:32,270 --> 00:48:26,609

in 2012 and that's when I first met this

1191

00:48:34,040 --> 00:48:32,280

woman in Phoenix and she was in her 70s

1192

00:48:37,670 --> 00:48:34,050

and then she was the one that told me oh

1193

00:48:40,280 --> 00:48:37,680

I've flown the craft and I went you what

1194

00:48:42,170 --> 00:48:40,290

you and she said yeah I've flown three

1195

00:48:45,200 --> 00:48:42,180

different models I'm going they let you

1196

00:48:47,359 --> 00:48:45,210

fly to craft that she said oh yeah and I

1197

00:48:49,069 --> 00:48:47,369

said well how do you flag craft and then

1198

00:48:50,630 --> 00:48:49,079

she said oh you do with your mind and

1199

00:48:52,099 --> 00:48:50,640

then I was really hooked into

1200

00:48:53,960 --> 00:48:52,109

consciousness then I suddenly realized

1201
00:48:55,550 --> 00:48:53,970
like this does download I got was

1202
00:48:56,660 --> 00:48:55,560
absolutely right that this is the sort

1203
00:48:58,490 --> 00:48:56,670
of the bottom line to this whole thing

1204
00:49:00,170 --> 00:48:58,500
this is the universal

1205
00:49:02,240 --> 00:49:00,180
how they get here this is how it all

1206
00:49:03,680 --> 00:49:02,250
operates that we sort of assume that

1207
00:49:05,390 --> 00:49:03,690
it's a physical world and it's not a

1208
00:49:08,540 --> 00:49:05,400
physical world consciousness is primary

1209
00:49:10,610 --> 00:49:08,550
does the physical world is secondary to

1210
00:49:12,020 --> 00:49:10,620
consciousness you don't have as you know

1211
00:49:14,270 --> 00:49:12,030
the dual slit experiment you don't have

1212
00:49:16,280 --> 00:49:14,280
a particle appear on the back wall until

1213
00:49:19,220 --> 00:49:16,290

there's an observer until then it states

1214

00:49:21,860 --> 00:49:19,230

as a wave and so I was just sort of

1215

00:49:23,570 --> 00:49:21,870

really into this sort of thing and I'm

1216

00:49:26,060 --> 00:49:23,580

every once in a while I get dragged back

1217

00:49:27,860 --> 00:49:26,070

into the disclosure thing and what

1218

00:49:31,280 --> 00:49:27,870

happened was the Tom DeLonge thing

1219

00:49:33,910 --> 00:49:31,290

started and I got back in because I want

1220

00:49:37,550 --> 00:49:33,920

to do serve counter his evil alien

1221

00:49:39,620 --> 00:49:37,560

theory yeah yeah before we move on to

1222

00:49:41,510 --> 00:49:39,630

the portal thing that's the one part

1223

00:49:44,060 --> 00:49:41,520

about the whole disclosure thing that

1224

00:49:47,630 --> 00:49:44,070

I'm not settled with yet I can't handle

1225

00:49:48,950 --> 00:49:47,640

that part because you know yeah so but I

1226

00:49:53,030 --> 00:49:48,960

could never handle Stephen Greer's

1227

00:49:55,370 --> 00:49:53,040

they're all good either so yeah but he

1228

00:49:58,250 --> 00:49:55,380

his his was like just bizarre I mean it

1229

00:49:59,900 --> 00:49:58,260

was like all religions bye-bye aliens

1230

00:50:02,780 --> 00:49:59,910

and that they're giving different

1231

00:50:04,340 --> 00:50:02,790

religions nuclear weapon or giving the

1232

00:50:05,840 --> 00:50:04,350

weapons and now they've given us nuclear

1233

00:50:08,780 --> 00:50:05,850

weapons so we can kill each other faster

1234

00:50:11,240 --> 00:50:08,790

and we should use nuclear weapons in

1235

00:50:13,040 --> 00:50:11,250

outer space to take these the the bugs

1236

00:50:18,710 --> 00:50:13,050

down SWAT him out of the sky and I'm

1237

00:50:21,920 --> 00:50:18,720

gone like right there Tom DeLonge ever

1238

00:50:25,640 --> 00:50:21,930

figure out I mean did he ever study the

1239

00:50:29,090 --> 00:50:25,650

salle nuts Alice Hastings yeah his house

1240

00:50:30,860 --> 00:50:29,100

isn't it Robert Hastings and Bob Solow

1241

00:50:33,590 --> 00:50:30,870

this is aren't those the guys at the my

1242

00:50:36,740 --> 00:50:33,600

Knock base and the the other bases where

1243

00:50:38,660 --> 00:50:36,750

they do the nudes but he tells the other

1244

00:50:40,010 --> 00:50:38,670

story though he tells that story but he

1245

00:50:42,080 --> 00:50:40,020

but he of course he spins it the other

1246

00:50:44,480 --> 00:50:42,090

way he said well you all know the story

1247

00:50:46,220 --> 00:50:44,490

about them turning off the nukes he said

1248

00:50:48,050 --> 00:50:46,230

but the part of the story I'm gonna tell

1249

00:50:50,450 --> 00:50:48,060

you is before they turned out to nukes

1250

00:50:52,460 --> 00:50:50,460

they turned to mine and this is a story

1251
00:50:56,090 --> 00:50:52,470
that George Knapp tells about in in

1252
00:50:57,020 --> 00:50:56,100
Soviet Union the countdown but it's

1253
00:50:58,280 --> 00:50:57,030
almost like they're putting the

1254
00:51:00,320 --> 00:50:58,290
reptilian in front of you when you're

1255
00:51:01,520 --> 00:51:00,330
when you're in a my lab thing it's like

1256
00:51:03,980 --> 00:51:01,530
they're trying to get a message across

1257
00:51:05,660 --> 00:51:03,990
and so when they act when suddenly this

1258
00:51:06,740 --> 00:51:05,670
thing starts ticking down and they're

1259
00:51:07,730 --> 00:51:06,750
going what the hell how do you turn this

1260
00:51:09,170 --> 00:51:07,740
thing off and they're trying to turn it

1261
00:51:11,030 --> 00:51:09,180
off and they manage to turn it off

1262
00:51:12,829 --> 00:51:11,040
apparently and then it started up again

1263
00:51:14,239 --> 00:51:12,839

and and I mean you talk about sending

1264

00:51:17,029 --> 00:51:14,249

message to the government about nuclear

1265

00:51:18,380 --> 00:51:17,039

weapons and so he so that's his thing is

1266

00:51:20,239 --> 00:51:18,390

they're evil because they actually

1267

00:51:21,829 --> 00:51:20,249

turned the things on and they wasn't he

1268

00:51:24,650 --> 00:51:21,839

just turned them off and he refers to

1269

00:51:26,539 --> 00:51:24,660

this test is nineteen fifty sixty one

1270

00:51:28,489 --> 00:51:26,549

test or whatever we actually detonated a

1271

00:51:32,719 --> 00:51:28,499

nuclear weapon in outer space thing was

1272

00:51:33,680 --> 00:51:32,729

teller was behind it and knocked out all

1273

00:51:35,120 --> 00:51:33,690

the satellites that knocked out

1274

00:51:37,880 --> 00:51:35,130

everything because what you basically

1275

00:51:39,739 --> 00:51:37,890

end up was with this sort of radioactive

1276

00:51:41,209 --> 00:51:39,749

belt around the earth for about five

1277

00:51:41,569 --> 00:51:41,219

years it'll take out everything we've

1278

00:51:42,979 --> 00:51:41,579

got

1279

00:51:45,200 --> 00:51:42,989

and everything today everything all your

1280

00:51:47,229 --> 00:51:45,210

communications all your TV everything is

1281

00:51:49,069 --> 00:51:47,239

run by satellites it's all satellite and

1282

00:51:50,269 --> 00:51:49,079

but that doesn't seem to make any

1283

00:51:52,430 --> 00:51:50,279

difference but he's referring to this

1284

00:51:53,959 --> 00:51:52,440

test and and that's apparently I guess

1285

00:51:56,059 --> 00:51:53,969

he said that one of the the ships came

1286

00:51:58,190 --> 00:51:56,069

down when they when they detonated this

1287

00:51:59,209 --> 00:51:58,200

this test and outer space and so that's

1288

00:52:00,709 --> 00:51:59,219

the way you got to fight him it's like

1289

00:52:02,569 --> 00:52:00,719

we're learning to put on the boxing

1290

00:52:04,279 --> 00:52:02,579

gloves and and that's why the cover

1291

00:52:07,700 --> 00:52:04,289

that's what he says the cover-up is

1292

00:52:09,709 --> 00:52:07,710

taking place not because of the fact

1293

00:52:10,789 --> 00:52:09,719

that they're they may be up to something

1294

00:52:12,469 --> 00:52:10,799

it's the government is trying to hide

1295

00:52:14,690 --> 00:52:12,479

the fact that they're learning how to

1296

00:52:16,160 --> 00:52:14,700

fight back and they've got the boxing

1297

00:52:17,809 --> 00:52:16,170

gloves on and now we're able to do it so

1298

00:52:20,059 --> 00:52:17,819

but it was just a crazy idea I said like

1299

00:52:22,279 --> 00:52:20,069

I may be the most powerful guy in the

1300

00:52:23,959 --> 00:52:22,289

world but there's no way I'm gonna go to

1301
00:52:25,700 --> 00:52:23,969
my grave without putting some sort of

1302
00:52:27,049 --> 00:52:25,710
thing in print that says there's another

1303
00:52:28,789 --> 00:52:27,059
side of that story and it may not be

1304
00:52:30,709 --> 00:52:28,799
right that they're all good or whatever

1305
00:52:32,989 --> 00:52:30,719
but there's there's another side this

1306
00:52:35,239 --> 00:52:32,999
most people don't realize how crazy his

1307
00:52:37,039 --> 00:52:35,249
theory is like he said like oh it's the

1308
00:52:39,229 --> 00:52:37,049
old atheist argument it's like and he

1309
00:52:42,559 --> 00:52:39,239
was an atheist until until I guess he

1310
00:52:45,109 --> 00:52:42,569
got into the UFO thing and and so the

1311
00:52:48,349 --> 00:52:45,119
idea he said well all all reach does the

1312
00:52:50,749 --> 00:52:48,359
idea that all all all destruction and

1313
00:52:52,009 --> 00:52:50,759

all wars are caused by religion and this

1314

00:52:53,299 --> 00:52:52,019

like give your head a shake I actually

1315

00:52:56,059 --> 00:52:53,309

put in the book I said give your head

1316

00:52:58,609 --> 00:52:56,069

shake look at the were at the 20th

1317

00:52:59,930 --> 00:52:58,619

century all of the genocides none of

1318

00:53:02,839 --> 00:52:59,940

them had to do with religion it was it

1319

00:53:04,099 --> 00:53:02,849

was China which was an atheist state 78

1320

00:53:07,160 --> 00:53:04,109

million people in the Cultural

1321

00:53:08,959 --> 00:53:07,170

Revolution it was Stalin the 20 million

1322

00:53:11,329 --> 00:53:08,969

people killed that he killed his own

1323

00:53:14,479 --> 00:53:11,339

people that that was an atheist state

1324

00:53:16,279 --> 00:53:14,489

the the killing fields of Cambodia two

1325

00:53:18,140 --> 00:53:16,289

in one third of the population was

1326

00:53:19,849 --> 00:53:18,150

killed if you wore glasses you were

1327

00:53:22,069 --> 00:53:19,859

killed because you were a bourgeois and

1328

00:53:24,200 --> 00:53:22,079

stuff like that and and that was atheist

1329

00:53:26,029 --> 00:53:24,210

so I mean almost all the genocides had

1330

00:53:26,870 --> 00:53:26,039

nothing to his religion so that was kind

1331

00:53:28,670 --> 00:53:26,880

of stuff by sword

1332

00:53:30,170 --> 00:53:28,680

point out and I will also want to point

1333

00:53:32,059 --> 00:53:30,180

out the fact that this was nothing new I

1334

00:53:33,890 --> 00:53:32,069

was there when bill more I knew bill

1335

00:53:35,749 --> 00:53:33,900

more and I'm trying to tell people like

1336

00:53:38,359 --> 00:53:35,759

if you look they're doing this this

1337

00:53:39,829 --> 00:53:38,369

gradual thing every year and the fact

1338

00:53:42,799 --> 00:53:39,839

that this evil alien thing that he's

1339

00:53:45,200 --> 00:53:42,809

putting out is a total wacko story and

1340

00:53:48,109 --> 00:53:45,210

so that I sort of got back into it and

1341

00:53:49,430 --> 00:53:48,119

that's when I got back into the Pandolfi

1342

00:53:50,960 --> 00:53:49,440

because if you get into the disclosure

1343

00:53:54,289 --> 00:53:50,970

thing you get into the Pandolfi thing

1344

00:53:56,660 --> 00:53:54,299

and I learned that there was there was a

1345

00:53:59,089 --> 00:53:56,670

DeLong thing and then through talking to

1346

00:54:00,710 --> 00:53:59,099

Chris Bledsoe chris said there are six

1347

00:54:01,819 --> 00:54:00,720

different operations going on right now

1348

00:54:03,980 --> 00:54:01,829

there's six different disclosure

1349

00:54:05,990 --> 00:54:03,990

operations going on and and of course

1350

00:54:08,029 --> 00:54:06,000

that the long one would be one the

1351
00:54:10,370 --> 00:54:08,039
Pandolfi one I learned later would be

1352
00:54:12,230 --> 00:54:10,380
one and then you have the one I in my

1353
00:54:14,569 --> 00:54:12,240
last update I actually point out all the

1354
00:54:17,720 --> 00:54:14,579
portal things I list all the portal

1355
00:54:20,329 --> 00:54:17,730
stories that were started in movies and

1356
00:54:22,430 --> 00:54:20,339
TV shows last year and it's like I don't

1357
00:54:24,319 --> 00:54:22,440
know six or seven suddenly all the

1358
00:54:26,089 --> 00:54:24,329
portals and that's chase Brandon he's

1359
00:54:28,700 --> 00:54:26,099
still in Hollywood so you have these CIA

1360
00:54:31,120 --> 00:54:28,710
people who you know drop stuff into

1361
00:54:34,400 --> 00:54:31,130
movies if you want an idea you do it sub

1362
00:54:37,190 --> 00:54:34,410
subliminally in a movie where people are

1363
00:54:38,509 --> 00:54:37,200

lot less able to fight back where you

1364

00:54:40,670 --> 00:54:38,519

sort of drop it in when they're not

1365

00:54:42,559 --> 00:54:40,680

really paying attention and so they've

1366

00:54:45,019 --> 00:54:42,569

got the portal thing and it was when I

1367

00:54:47,120 --> 00:54:45,029

was doing that whole scenario of all

1368

00:54:49,370 --> 00:54:47,130

these different disclosures and Steven

1369

00:54:51,200 --> 00:54:49,380

Greer this is the story as I think you

1370

00:54:53,660 --> 00:54:51,210

know Sid Goldberg we're sitting over

1371

00:54:55,940 --> 00:54:53,670

we're in a meeting with the Pandolfi

1372

00:54:57,289 --> 00:54:55,950

zappiness go to meeting whatever and Ron

1373

00:54:59,359 --> 00:54:57,299

is sitting in the background he's not on

1374

00:55:00,890 --> 00:54:59,369

the he's never is on on you know he

1375

00:55:02,720 --> 00:55:00,900

never talks or anything but he's sitting

1376

00:55:04,970 --> 00:55:02,730

there and that's what Sid Goldberg says

1377

00:55:07,099 --> 00:55:04,980

does Steven Brewer vetted some material

1378

00:55:09,319 --> 00:55:07,109

through Ron Pandolfi and then you could

1379

00:55:12,109 --> 00:55:09,329

hear Ron Pandolf in the background he

1380

00:55:13,999 --> 00:55:12,119

yells out he says what stories and then

1381

00:55:16,009 --> 00:55:14,009

sit just repeats his question he said it

1382

00:55:17,390 --> 00:55:16,019

does he vet his material through because

1383

00:55:20,420 --> 00:55:17,400

because Steven Greer had made this

1384

00:55:22,370 --> 00:55:20,430

comment after serious played in Los

1385

00:55:23,630 --> 00:55:22,380

Angeles at the premiere he said he was

1386

00:55:26,870 --> 00:55:23,640

really angry he said now I got to go

1387

00:55:30,049 --> 00:55:26,880

back and report to Ron at the CIA UFO

1388

00:55:32,960 --> 00:55:30,059

desk and and this would make sense if if

1389

00:55:34,160 --> 00:55:32,970

Ron is this guy who maybe the guy has

1390

00:55:36,440 --> 00:55:34,170

the keys the guy that briefs the

1391

00:55:38,599 --> 00:55:36,450

president would Greer contact them

1392

00:55:39,569 --> 00:55:38,609

absolutely and and Ron would deal with

1393

00:55:40,979 --> 00:55:39,579

them Ron would play

1394

00:55:44,370 --> 00:55:40,989

the more deal of the more album or

1395

00:55:46,349 --> 00:55:44,380

whatever you and so the so there was his

1396

00:55:50,130 --> 00:55:46,359

disclosure but it was when I was doing

1397

00:55:52,680 --> 00:55:50,140

the the the whole thing with Pandolfi

1398

00:55:57,599 --> 00:55:52,690

and that was a guy out of LA name is

1399

00:56:02,279 --> 00:55:57,609

Kevin contacted me and he said US

1400

00:56:05,160 --> 00:56:02,289

intelligence has asked me to contact you

1401
00:56:07,589 --> 00:56:05,170
and I went come on come on this is like

1402
00:56:09,180 --> 00:56:07,599
crazy stuff like I'm a Canadian I'm not

1403
00:56:10,799 --> 00:56:09,190
even American like why would US

1404
00:56:13,019 --> 00:56:10,809
intelligence say oh I'm doing this thing

1405
00:56:17,190 --> 00:56:13,029
on the Avery and you know about the

1406
00:56:20,729 --> 00:56:17,200
Avery and and then he basically it came

1407
00:56:22,469 --> 00:56:20,739
out that it was wrong that Ron he wanted

1408
00:56:24,059 --> 00:56:22,479
to do this Avery thing and he was gonna

1409
00:56:27,209 --> 00:56:24,069
do this portal thing which which word

1410
00:56:29,549 --> 00:56:27,219
came in and and so I said well you know

1411
00:56:31,680 --> 00:56:29,559
I I'm willing to help you I'll tell you

1412
00:56:33,449 --> 00:56:31,690
know whatever you want to know like I

1413
00:56:34,829 --> 00:56:33,459

know who these people were I had some

1414

00:56:36,509 --> 00:56:34,839

interaction with some of these people I

1415

00:56:37,859 --> 00:56:36,519

can help you but I really don't want it

1416

00:56:39,870 --> 00:56:37,869

because I I know what happens they

1417

00:56:41,759 --> 00:56:39,880

either you either a chess player a chess

1418

00:56:43,650 --> 00:56:41,769

piece and I'd rather be the chess player

1419

00:56:46,709 --> 00:56:43,660

even though I really don't maybe not

1420

00:56:48,089 --> 00:56:46,719

know that much so then he said he was

1421

00:56:49,680 --> 00:56:48,099

talking about the portal and this thing

1422

00:56:51,689 --> 00:56:49,690

came out about the depend all fees were

1423

00:56:53,279 --> 00:56:51,699

talking about this portal thing and the

1424

00:56:54,839 --> 00:56:53,289

way they call it the wishing well you go

1425

00:56:56,670 --> 00:56:54,849

through and you go into another another

1426

00:56:59,759 --> 00:56:56,680

world and stuff like this and I'm

1427

00:57:01,829 --> 00:56:59,769

talking to him one time after I turned

1428

00:57:04,170 --> 00:57:01,839

down this thing and and we talked on the

1429

00:57:05,759 --> 00:57:04,180

phone and then he said I said is portal

1430

00:57:07,140 --> 00:57:05,769

thing this is total nonsense whatever

1431

00:57:09,359 --> 00:57:07,150

and he said no no that part of the story

1432

00:57:11,069 --> 00:57:09,369

is true and I went what it's true and I

1433

00:57:12,749 --> 00:57:11,079

it's like it wasn't coming from us I

1434

00:57:14,729 --> 00:57:12,759

thought it's covered this guy who maybe

1435

00:57:16,140 --> 00:57:14,739

part of us intelligence I don't know but

1436

00:57:18,059 --> 00:57:16,150

anyway he said no that part's true he

1437

00:57:21,920 --> 00:57:18,069

said I've been through a portal and it

1438

00:57:25,259 --> 00:57:21,930

was said and we're Sergio lips there at

1439

00:57:26,519 --> 00:57:25,269

at Napa Valley there's a apparently

1440

00:57:28,319 --> 00:57:26,529

there was one he'd been through

1441

00:57:30,900 --> 00:57:28,329

whatever's some guy what it's really a

1442

00:57:33,959 --> 00:57:30,910

there's really no wait wait wait stop

1443

00:57:35,609 --> 00:57:33,969

grant there's one in Napa yep yeah

1444

00:57:37,199 --> 00:57:35,619

according to kay let me tell you

1445

00:57:38,579 --> 00:57:37,209

something I got talked to me after the

1446

00:57:43,969 --> 00:57:38,589

show because guess where we're going

1447

00:57:48,900 --> 00:57:46,439

hill or something I don't and they were

1448

00:57:50,910 --> 00:57:48,910

sort of offering to take because we were

1449

00:57:53,099 --> 00:57:50,920

gonna go to Shasta and then we were

1450

00:57:53,850 --> 00:57:53,109

gonna stop there and then that thing

1451

00:57:55,290 --> 00:57:53,860

fell through he was

1452

00:57:57,270 --> 00:57:55,300

gonna take us to wherever this thing is

1453

00:57:59,190 --> 00:57:57,280

but to me it still it was not like come

1454

00:58:00,900 --> 00:57:59,200

on I mean it's like just goofy stuff it

1455

00:58:02,010 --> 00:58:00,910

was like because to me it was always a

1456

00:58:03,150 --> 00:58:02,020

science fiction I don't really watch

1457

00:58:04,590 --> 00:58:03,160

science fiction but I knew would the

1458

00:58:06,570 --> 00:58:04,600

idea about portal it was letter like

1459

00:58:08,730 --> 00:58:06,580

this bizarre little thing like Star Trek

1460

00:58:09,810 --> 00:58:08,740

we're gonna you know beam up to this you

1461

00:58:11,730 --> 00:58:09,820

know whatever it is to me it was all

1462

00:58:12,930 --> 00:58:11,740

just nonsense and then I said really

1463

00:58:14,400 --> 00:58:12,940

it's it's for real and he said no no

1464

00:58:17,550 --> 00:58:14,410

that part's real we're doing it the

1465

00:58:19,020 --> 00:58:17,560

documentary and it's a nonfiction Ryan

1466

00:58:20,970 --> 00:58:19,030

had said there's been enough fiction

1467

00:58:22,470 --> 00:58:20,980

we're gonna do nonfiction so this

1468

00:58:23,880 --> 00:58:22,480

documentary and there's supposedly still

1469

00:58:25,290 --> 00:58:23,890

working on it which you know I have my

1470

00:58:29,340 --> 00:58:25,300

questions as to what's actually going on

1471

00:58:31,140 --> 00:58:29,350

and so he said the last two episodes are

1472

00:58:34,080 --> 00:58:31,150

gonna be on the portal so of course my

1473

00:58:36,450 --> 00:58:34,090

obvious question was okay so who's going

1474

00:58:38,310 --> 00:58:36,460

on camera about the portal and he said

1475

00:58:40,110 --> 00:58:38,320

the princess who's Ron Penn Dolphy's

1476

00:58:43,530 --> 00:58:40,120

wife and she's sort of the center of

1477

00:58:44,850 --> 00:58:43,540

this portal thing this is the people

1478

00:58:46,320 --> 00:58:44,860

that are listening to this right now

1479

00:58:48,390 --> 00:58:46,330

they don't even know what the heck we're

1480

00:58:51,270 --> 00:58:48,400

talking about so maybe we should go back

1481

00:58:52,950 --> 00:58:51,280

to the beginning and we're you just got

1482

00:58:55,440 --> 00:58:52,960

your download the ladies flying the

1483

00:58:58,080 --> 00:58:55,450

thing you're into consciousness and then

1484

00:58:59,910 --> 00:58:58,090

how did it start that you ended up with

1485

00:59:01,680 --> 00:58:59,920

the whole portal thing though and then

1486

00:59:04,140 --> 00:59:01,690

we got explained who these people are

1487

00:59:06,150 --> 00:59:04,150

okay but it still comes down to DeLonge

1488

00:59:08,220 --> 00:59:06,160

does the book and I go back to Ron

1489

00:59:10,320 --> 00:59:08,230

Pandolfi because Ron Pandolfi I've

1490

00:59:12,240 --> 00:59:10,330

written about him I think I even wrote

1491

00:59:15,060 --> 00:59:12,250

about him in than my 1991 book

1492

00:59:17,610 --> 00:59:15,070

he's always rumored to be the guy who as

1493

00:59:19,770 --> 00:59:17,620

the term goes he has the keys to the

1494

00:59:22,860 --> 00:59:19,780

classified material he's the guy if you

1495

00:59:25,530 --> 00:59:22,870

want to bring yeah let's give everybody

1496

00:59:27,630 --> 00:59:25,540

just the quick lowdown on who he is the

1497

00:59:29,340 --> 00:59:27,640

people are gonna lose this guy if they

1498

00:59:31,080 --> 00:59:29,350

haven't been paying attention to the Tom

1499

00:59:33,360 --> 00:59:31,090

DeLonge thing which you'd be surprised

1500

00:59:36,900 --> 00:59:33,370

of how many people turned off when it

1501

00:59:39,570 --> 00:59:36,910

started they don't even know who he is

1502

00:59:41,700 --> 00:59:39,580

so go ahead and give him the key so he

1503

00:59:43,440 --> 00:59:41,710

started in the CIA there's there's a

1504

00:59:45,660 --> 00:59:43,450

story that in the CIA they have what's

1505

00:59:47,610 --> 00:59:45,670

called the weird desk or the

1506

00:59:50,100 --> 00:59:47,620

phenomenology desk which is all the stop

1507

00:59:54,240 --> 00:59:50,110

this it's ghost remote-viewing psychic

1508

00:59:57,810 --> 00:59:54,250

phenomena and psychokinesis firewalking

1509

00:59:59,430 --> 00:59:57,820

ufos remote-viewing it's all that stuff

1510

01:00:01,320 --> 00:59:59,440

it's all the same thing it's all run out

1511

01:00:03,270 --> 01:00:01,330

of there so there's there's always been

1512

01:00:05,700 --> 01:00:03,280

a rumor that they had this and and the

1513

01:00:07,490 --> 01:00:05,710

guy who supposedly has run it since 1983

1514

01:00:11,000 --> 01:00:07,500

is ron Pandolfi

1515

01:00:12,890 --> 01:00:11,010

he's the cia's he's a physicist the guy

1516

01:00:16,880 --> 01:00:12,900

who ran it before him was dr. kit Green

1517

01:00:18,440 --> 01:00:16,890

from 1969 to 1983 and the guy before him

1518

01:00:21,200 --> 01:00:18,450

was arthur lund Dahl who was the guy who

1519

01:00:24,800 --> 01:00:21,210

did the frame is briefing on the Cuban

1520

01:00:26,540 --> 01:00:24,810

Missile Crisis for Kennedy he was the

1521

01:00:28,550 --> 01:00:26,550

guy who ran the the lab where they

1522

01:00:31,130 --> 01:00:28,560

analyzed all the you to all of the sr-71

1523

01:00:32,960 --> 01:00:31,140

in spy photographs he was a an expert on

1524

01:00:34,790 --> 01:00:32,970

photographs and he was fascinated with

1525

01:00:37,370 --> 01:00:34,800

UFOs so they have you have this this

1526

01:00:40,280 --> 01:00:37,380

sort of a almost like the magician

1527

01:00:42,790 --> 01:00:40,290

there's a head puppet master for UFOs

1528

01:00:45,770 --> 01:00:42,800

and anything that comes through the CIA

1529

01:00:49,010 --> 01:00:45,780

in terms of briefings for example 1980

1530

01:00:50,630 --> 01:00:49,020

93 rockefeller goes to the Clinton White

1531

01:00:52,670 --> 01:00:50,640

House and he's demanding he's gonna

1532

01:00:54,650 --> 01:00:52,680

demand UFO disclosure from the president

1533

01:00:56,300 --> 01:00:54,660

he goes in there and they cut him off at

1534

01:00:58,250 --> 01:00:56,310

the pass and he has to go through the

1535

01:01:00,770 --> 01:00:58,260

science adviser who was dr. Jack Gibbons

1536

01:01:02,120 --> 01:01:00,780

so G Gibbons understands that

1537

01:01:04,670 --> 01:01:02,130

Rockefellers coming to the White House

1538

01:01:07,010 --> 01:01:04,680

and then and that point he has to decide

1539

01:01:09,440 --> 01:01:07,020

well I gotta figure what's going on here

1540

01:01:10,400 --> 01:01:09,450

so he requests a UFO briefing because he

1541

01:01:12,410 --> 01:01:10,410

wants know what the heck's going on with

1542

01:01:13,849 --> 01:01:12,420

UFOs like what am I what's rockefeller

1543

01:01:15,890 --> 01:01:13,859

what do we know whatever you tell them

1544

01:01:18,260 --> 01:01:15,900

I'll sister and the briefing we know for

1545

01:01:20,810 --> 01:01:18,270

a fact goes to Ron Pandolfi but the CIA

1546

01:01:22,970 --> 01:01:20,820

is not into UFOs Orion Pandolfi gives

1547

01:01:26,370 --> 01:01:22,980

the briefing to dr. Bruce Maccabee who

1548

01:01:29,670 --> 01:01:26,380

is a navy physicist friend to his

1549

01:01:32,520 --> 01:01:29,680

I'm a robot vacuum cleaner so yeah I got

1550

01:01:34,950 --> 01:01:32,530

one gig I suck up dirt so pardon my

1551
01:01:37,260 --> 01:01:34,960
inferiority complex about guy coat who

1552
01:01:38,940 --> 01:01:37,270
does so much more like not only could

1553
01:01:40,530 --> 01:01:38,950
they save their customers money on car

1554
01:01:42,630 --> 01:01:40,540
insurance but they got fast and friendly

1555
01:01:44,880 --> 01:01:42,640
claim service too and an award-winning

1556
01:01:46,260 --> 01:01:44,890
mobile app plus access to licensed

1557
01:01:48,480 --> 01:01:46,270
agents 24/7

1558
01:01:51,950 --> 01:01:48,490
Who am I kidding I can't even do corners

1559
01:01:54,570 --> 01:01:51,960
Oh Oh choking hazard

1560
01:01:57,840 --> 01:01:54,580
Geico expect great savings and a whole

1561
01:01:59,580 --> 01:01:57,850
lot more and then the briefing suddenly

1562
01:02:01,790 --> 01:01:59,590
because sunday is not an official

1563
01:02:04,740 --> 01:02:01,800

government reefing it's just some guy

1564

01:02:06,660 --> 01:02:04,750

physicist guy who's spouting off about

1565

01:02:08,790 --> 01:02:06,670

his ideas like UFOs and that's what

1566

01:02:11,820 --> 01:02:08,800

right what it goes to clinton science

1567

01:02:13,410 --> 01:02:11,830

advisor and supposedly ron Pandolfi or

1568

01:02:15,060 --> 01:02:13,420

kid green or somebody goes in the back

1569

01:02:16,860 --> 01:02:15,070

door and gives them the real briefing so

1570

01:02:18,780 --> 01:02:16,870

ron has always been the guy who may have

1571

01:02:20,670 --> 01:02:18,790

briefed the last six presidents on UFOs

1572

01:02:22,650 --> 01:02:20,680

so when they when the president comes in

1573

01:02:24,900 --> 01:02:22,660

they got to tell them Ron goes in there

1574

01:02:27,480 --> 01:02:24,910

he does the briefing and he tells them

1575

01:02:29,040 --> 01:02:27,490

what the story is whatever he needs to

1576

01:02:31,440 --> 01:02:29,050

know whatever so he's this high-level

1577

01:02:33,540 --> 01:02:31,450

guy and as they say he has the keys so

1578

01:02:35,220 --> 01:02:33,550

if he if you're and and the story was

1579

01:02:37,470 --> 01:02:35,230

for example if you if you look at the

1580

01:02:42,060 --> 01:02:37,480

Tom DeLonge thing the whole story was

1581

01:02:45,240 --> 01:02:42,070

that Senator Harry Reid had started this

1582

01:02:47,760 --> 01:02:45,250

whole thing and that John Glenn had told

1583

01:02:49,440 --> 01:02:47,770

Harry Reid to do this UFO thing that he

1584

01:02:51,390 --> 01:02:49,450

had been contacted by to defense

1585

01:02:53,520 --> 01:02:51,400

intelligence agents who had been to

1586

01:02:56,370 --> 01:02:53,530

skinwalker ranch and it had had stuff

1587

01:02:58,950 --> 01:02:56,380

happen and then they contacted Reid then

1588

01:03:01,350 --> 01:02:58,960

John Glenn he talked to John Glenn and

1589

01:03:02,970 --> 01:03:01,360

John Glenn said do this UFO let's get

1590

01:03:04,740 --> 01:03:02,980

some money let's investigate this thing

1591

01:03:06,690 --> 01:03:04,750

then they talked to Senator Ted Stevens

1592

01:03:08,610 --> 01:03:06,700

who'd had a UFO sighting in World War

1593

01:03:09,870 --> 01:03:08,620

two and he said I've been waiting since

1594

01:03:12,090 --> 01:03:09,880

I got out of the Air Force to do this

1595

01:03:13,980 --> 01:03:12,100

and he gets on board so they start this

1596

01:03:15,150 --> 01:03:13,990

whole thing and Reid gets a briefing

1597

01:03:17,970 --> 01:03:15,160

I've know that for a fact

1598

01:03:19,710 --> 01:03:17,980

Reid gets a briefing so if the briefing

1599

01:03:21,630 --> 01:03:19,720

is done it's gonna be run Pandolfi or

1600

01:03:23,730 --> 01:03:21,640

somebody that he designates who's the

1601

01:03:26,790 --> 01:03:23,740

guy here the expert so this is who Ron

1602

01:03:28,320 --> 01:03:26,800

Pandolfi is so and so when I go back to

1603

01:03:31,770 --> 01:03:28,330

this disclosure thing I know that Ron's

1604

01:03:34,680 --> 01:03:31,780

always been leaking stuff since 1991 and

1605

01:03:37,080 --> 01:03:34,690

he's been leaking stuff to a guy by name

1606

01:03:39,870 --> 01:03:37,090

of Dan Smith and Dan Smith is a guy

1607

01:03:43,289 --> 01:03:39,880

who's his father his father was a

1608

01:03:45,599 --> 01:03:43,299

financial adviser to Eisenhower very

1609

01:03:47,910 --> 01:03:45,609

very powerful guy at Harvard University

1610

01:03:50,670 --> 01:03:47,920

they give the the property up for Cal

1611

01:03:53,519 --> 01:03:50,680

Tech University Dan Smith is very very

1612

01:03:55,829 --> 01:03:53,529

wealthy Dan Smith has got two degrees in

1613

01:03:57,569 --> 01:03:55,839

master's degrees in physics he's into

1614

01:04:00,059 --> 01:03:57,579

eschatology Zin to the end of the world

1615

01:04:03,120 --> 01:04:00,069

he's into philosophy and he's into UFOs

1616

01:04:04,980 --> 01:04:03,130

and so in 1991 he has an experience

1617

01:04:06,690 --> 01:04:04,990

which he calls the Sophie experience he

1618

01:04:08,220 --> 01:04:06,700

has this experience with some somebody

1619

01:04:09,779 --> 01:04:08,230

talking in his head for 10 minutes in

1620

01:04:11,940 --> 01:04:09,789

the middle of the night this woman and

1621

01:04:15,839 --> 01:04:11,950

he sort of gets obsessed then he gets

1622

01:04:19,259 --> 01:04:15,849

into UFOs in 1991 and he joins MUFON and

1623

01:04:21,599 --> 01:04:19,269

he sees on the front cover a bunch of

1624

01:04:24,569 --> 01:04:21,609

stuff on crop circles so he contacts the

1625

01:04:29,880 --> 01:04:24,579

people in England and he contacts Robert

1626

01:04:34,349 --> 01:04:29,890

X I remember Bob excellor I promise

1627

01:04:37,079 --> 01:04:34,359

Eames NASA he contacts X ler and Exeter

1628

01:04:40,529 --> 01:04:37,089

says the guy you need to talk to is this

1629

01:04:42,120 --> 01:04:40,539

guy at the CIA so so Dan Smith picks up

1630

01:04:43,769 --> 01:04:42,130

the phone he doesn't care he's not free

1631

01:04:45,720 --> 01:04:43,779

to anybody he picks up the phone he puts

1632

01:04:50,670 --> 01:04:45,730

up Braun and he says uh uh you know I

1633

01:04:53,430 --> 01:04:50,680

had this experience and I I'm interested

1634

01:04:54,900 --> 01:04:53,440

in getting some answers and Ron starts

1635

01:04:56,670 --> 01:04:54,910

talking to him and there was I was

1636

01:04:59,180 --> 01:04:56,680

actually just watching a video of Jack

1637

01:05:01,589 --> 01:04:59,190

Sarfati who's in your area there oh yeah

1638

01:05:02,819 --> 01:05:01,599

they did a it's pretty interesting if

1639

01:05:06,059 --> 01:05:02,829

you want to go back and review this I

1640

01:05:08,940 --> 01:05:06,069

will Dan Smith and Jack Sarfati talk and

1641

01:05:10,980 --> 01:05:08,950

it's like ten segments on YouTube and in

1642

01:05:13,890 --> 01:05:10,990

the second segment he talks about this

1643

01:05:16,980 --> 01:05:13,900

thing a phony run in 1991 and and so

1644

01:05:18,749 --> 01:05:16,990

Jack says yeah so what was Ron's

1645

01:05:21,299 --> 01:05:18,759

reaction when you phoned him and he said

1646

01:05:22,680 --> 01:05:21,309

oh it was like he expected the call

1647

01:05:24,269 --> 01:05:22,690

because that's what happened to Jack

1648

01:05:27,029 --> 01:05:24,279

Sarfati if you know Jack's our bodies

1649

01:05:29,819 --> 01:05:27,039

story he has this experience in 1952

1650

01:05:31,680 --> 01:05:29,829

where he gets this message he's a little

1651
01:05:34,559 --> 01:05:31,690
kid he's reading this book on switching

1652
01:05:36,089 --> 01:05:34,569
circuits and he gets this suddenly the

1653
01:05:38,490 --> 01:05:36,099
phone rings and he picks up the phone

1654
01:05:39,779 --> 01:05:38,500
and there's this voice like Stephen

1655
01:05:41,220 --> 01:05:39,789
Hawking's is on leave you heard the

1656
01:05:43,230 --> 01:05:41,230
story it's just the most bizarre story I

1657
01:05:44,940 --> 01:05:43,240
have it so he picks up the phone and

1658
01:05:47,069 --> 01:05:44,950
there's this voice he said it sounds

1659
01:05:50,309 --> 01:05:47,079
exactly like Stephen Hawking's voice and

1660
01:05:53,069 --> 01:05:50,319
and he's he and they said it's just Jack

1661
01:05:53,980 --> 01:05:53,079
and he says yeah this is Jack and they

1662
01:05:55,930 --> 01:05:53,990
said

1663
01:05:58,359 --> 01:05:55,940

this is a computer onboard a flying

1664

01:06:00,430 --> 01:05:58,369

saucer and he goes hi I just thinking of

1665

01:06:02,680 --> 01:06:00,440

save yourself like he said a gang runs a

1666

01:06:04,210 --> 01:06:02,690

gang in Brooklyn and he says it could be

1667

01:06:05,680 --> 01:06:04,220

one of my gang guys you know see if it

1668

01:06:07,569 --> 01:06:05,690

goes I'll play along with it as he's

1669

01:06:10,660 --> 01:06:07,579

going along and they said we have picked

1670

01:06:13,329 --> 01:06:10,670

the 400 top people in the wind in the

1671

01:06:15,940 --> 01:06:13,339

world to share our experience our

1672

01:06:18,670 --> 01:06:15,950

knowledge with and we have picked you

1673

01:06:20,680 --> 01:06:18,680

but you have to agree in order for us to

1674

01:06:22,510 --> 01:06:20,690

pass you the information and said do you

1675

01:06:23,319 --> 01:06:22,520

agree and he goes and he goes like yeah

1676

01:06:24,760 --> 01:06:23,329

sure whatever

1677

01:06:26,500 --> 01:06:24,770

and then he feels this thing going up

1678

01:06:30,040 --> 01:06:26,510

his spine like Kundalini this power

1679

01:06:31,599 --> 01:06:30,050

going up is my god that some of you yeah

1680

01:06:33,549 --> 01:06:31,609

oh I've never had that yeah so he

1681

01:06:35,079 --> 01:06:33,559

describes this and then he then he sort

1682

01:06:37,359 --> 01:06:35,089

of then he's really interested and

1683

01:06:38,920 --> 01:06:37,369

anyway he goes gets his gang and the

1684

01:06:41,290 --> 01:06:38,930

Flying Saucer doesn't show up but they

1685

01:06:45,130 --> 01:06:41,300

say in 20 years you'll start to meet the

1686

01:06:47,020 --> 01:06:45,140

other people so this is 1952 in 1972 he

1687

01:06:49,329 --> 01:06:47,030

tells the story he's teaching at Davis

1688

01:06:51,040 --> 01:06:49,339

UC Davis and they're about to go to

1689

01:06:52,780 --> 01:06:51,050

England he's got a job in London he's

1690

01:06:54,460 --> 01:06:52,790

gonna teach in London and his Sunday's

1691

01:06:55,569 --> 01:06:54,470

reading the the Sunday newspaper and

1692

01:06:57,309 --> 01:06:55,579

they're leaving on Wednesday and

1693

01:06:59,049 --> 01:06:57,319

suddenly reads about uri geller

1694

01:07:00,700 --> 01:06:59,059

so he doesn't realize this is 20 years

1695

01:07:02,680 --> 01:07:00,710

later he reads about uri geller

1696

01:07:04,210 --> 01:07:02,690

and he says that's kind of weird and his

1697

01:07:06,940 --> 01:07:04,220

peer read at Stanford University down

1698

01:07:08,260 --> 01:07:06,950

the road and and then he says I'm gonna

1699

01:07:09,880 --> 01:07:08,270

check this out before I go I mean I

1700

01:07:12,789 --> 01:07:09,890

could check this out and he phones

1701

01:07:16,539 --> 01:07:12,799

s RI where he'll put off and and Targ

1702

01:07:18,910 --> 01:07:16,549

and or Russell running the road Giving

1703

01:07:21,670 --> 01:07:18,920

Program which is which is sponsored by

1704

01:07:23,140 --> 01:07:21,680

the CIA get great like weird yes he's

1705

01:07:24,940 --> 01:07:23,150

the he's the control officer of the

1706

01:07:27,520 --> 01:07:24,950

remote viewing program and and Jack

1707

01:07:28,930 --> 01:07:27,530

tells the story he says hey phones up

1708

01:07:30,339 --> 01:07:28,940

and the guy at camera the guy's name is

1709

01:07:32,500 --> 01:07:30,349

dead now but he fought he answers the

1710

01:07:33,069 --> 01:07:32,510

phone and he says this is dr. Jack

1711

01:07:34,960 --> 01:07:33,079

Sarfatti

1712

01:07:37,000 --> 01:07:34,970

I'd like to I just want to find out

1713

01:07:39,160 --> 01:07:37,010

about your program and they said Oh dr.

1714

01:07:42,670 --> 01:07:39,170

Sarfati we were hoping you would phone

1715

01:07:44,799 --> 01:07:42,680

and he was you are tells the story about

1716

01:07:46,839 --> 01:07:44,809

how he meets all these guys and so and

1717

01:07:48,549 --> 01:07:46,849

and they asked him they actually bill

1718

01:07:50,829 --> 01:07:48,559

birnes was doing the enemy says well

1719

01:07:52,539 --> 01:07:50,839

were these the 400 guys nieces well you

1720

01:07:54,819 --> 01:07:52,549

figure it out so you got you know all

1721

01:07:57,010 --> 01:07:54,829

these guys like it green and he'll put

1722

01:07:58,809 --> 01:07:57,020

off and and all these guys and he gets

1723

01:08:01,870 --> 01:07:58,819

in this group twenty years later in this

1724

01:08:03,730 --> 01:08:01,880

this thing so that's when he says to to

1725

01:08:05,799 --> 01:08:03,740

Dan Smith he says sort of like when I

1726

01:08:07,030 --> 01:08:05,809

phoned ass RI I mean because that's what

1727

01:08:07,780 --> 01:08:07,040

Dan said he said it was like he was

1728

01:08:09,910 --> 01:08:07,790

expecting my

1729

01:08:11,800 --> 01:08:09,920

he knew I was gonna call and so he then

1730

01:08:13,450 --> 01:08:11,810

he starts to he said the second

1731

01:08:16,450 --> 01:08:13,460

conversation he's talking to Ron

1732

01:08:19,360 --> 01:08:16,460

Pandolfi remember this 1991 and Ron says

1733

01:08:21,820 --> 01:08:19,370

I'm going to Los Alamos and I'm gonna

1734

01:08:24,730 --> 01:08:21,830

talk to the aliens and dances you are

1735

01:08:27,010 --> 01:08:24,740

and he says yeah I'll talk to you when I

1736

01:08:30,190 --> 01:08:27,020

get back so of course Dan posts it on

1737

01:08:32,110 --> 01:08:30,200

this perronnette or whatever this it was

1738

01:08:33,220 --> 01:08:32,120

before the internet it was like a chat

1739

01:08:38,470 --> 01:08:33,230

board I remember I used to be on this

1740

01:08:41,110 --> 01:08:38,480

thing and so he posted on this ARPANET

1741

01:08:42,700 --> 01:08:41,120

this was the ARPANET was earlier but he

1742

01:08:44,260 --> 01:08:42,710

posted on this thing was the UFO boards

1743

01:08:47,440 --> 01:08:44,270

it was us all they had was these UFO

1744

01:08:50,079 --> 01:08:47,450

boards you know like para para para net

1745

01:08:51,789 --> 01:08:50,089

and all UFO and all these things and so

1746

01:08:54,520 --> 01:08:51,799

he posts it on there and he said my

1747

01:08:56,740 --> 01:08:54,530

friend Ron Pandolfi said that he's going

1748

01:08:59,829 --> 01:08:56,750

to to Los Alamos and he's gonna talk to

1749

01:09:02,020 --> 01:08:59,839

the aliens there and and any phones up

1750

01:09:05,620 --> 01:09:02,030

los alamos and guess who comes on the

1751

01:09:10,170 --> 01:09:05,630

line oh my god he'll take a guess who

1752

01:09:18,910 --> 01:09:16,780

I know what was under John it was John

1753

01:09:22,150 --> 01:09:18,920

but it was also two other guys yeah but

1754

01:09:23,950 --> 01:09:22,160

John so yeah he phones it he says my

1755

01:09:25,510 --> 01:09:23,960

friend Ron Pandolf he's coming there and

1756

01:09:27,520 --> 01:09:25,520

they said well hang on and they put John

1757

01:09:30,550 --> 01:09:27,530

Alexander on the line this is 1991 and

1758

01:09:32,410 --> 01:09:30,560

he said is is Ron Pandolfi coming to Los

1759

01:09:34,300 --> 01:09:32,420

Alamos he said yeah yes and he doesn't

1760

01:09:37,539 --> 01:09:34,310

bring up the UFO thing so when Ron gets

1761

01:09:39,400 --> 01:09:37,549

back all Ron says is to him he says next

1762

01:09:41,620 --> 01:09:39,410

next time I tell you something like that

1763

01:09:43,870 --> 01:09:41,630

he says you you can you can talk about

1764

01:09:46,390 --> 01:09:43,880

me and you can talk talk about whatever

1765

01:09:49,270 --> 01:09:46,400

but just don't put my name and CIA in

1766

01:09:50,530 --> 01:09:49,280

the same sentence so that's good so he

1767

01:09:52,360 --> 01:09:50,540

starts leaking this stuff and it's all

1768

01:09:54,670 --> 01:09:52,370

this plausible deniability Andrew and

1769

01:09:58,420 --> 01:09:54,680

Dan has said he's talked to me almost

1770

01:09:59,560 --> 01:09:58,430

every day since 1991 for 27 years he's

1771

01:10:01,990 --> 01:09:59,570

talked to Ron been Dolphy

1772

01:10:04,480 --> 01:10:02,000

and he says Ron will leak stuff he'll

1773

01:10:06,490 --> 01:10:04,490

tell them stuff about this gravity wave

1774

01:10:08,560 --> 01:10:06,500

program that they run for he was running

1775

01:10:11,350 --> 01:10:08,570

for the Jason's and Dan Smith says it's

1776

01:10:12,700 --> 01:10:11,360

like I have my antenna up he says I hate

1777

01:10:14,440 --> 01:10:12,710

to pick it up or I don't pick it up he

1778

01:10:16,600 --> 01:10:14,450

will never repeat it a second time and

1779

01:10:18,250 --> 01:10:16,610

everything that I he's ever said to me

1780

01:10:19,310 --> 01:10:18,260

he will deny that he ever told me

1781

01:10:21,050 --> 01:10:19,320

anything

1782

01:10:22,760 --> 01:10:21,060

and and that's how he does it so it's

1783

01:10:24,290 --> 01:10:22,770

got this plausible deniability thing so

1784

01:10:27,080 --> 01:10:24,300

dan has been leaking this stuff for

1785

01:10:28,790 --> 01:10:27,090

years and dan is now sort of the key and

1786

01:10:31,520 --> 01:10:28,800

all the stuff is posted our open minds

1787

01:10:33,560 --> 01:10:31,530

form and you get like all sorts of

1788

01:10:35,419 --> 01:10:33,570

people like Beckham is on there all the

1789

01:10:37,430 --> 01:10:35,429

people are really interested in our the

1790

01:10:38,959 --> 01:10:37,440

stuff they're leaking comes on there and

1791

01:10:40,669 --> 01:10:38,969

it's all sort of like the bird code it's

1792

01:10:42,020 --> 01:10:40,679

all sort of embedded in people's

1793

01:10:44,750 --> 01:10:42,030

messages and stuff I got

1794

01:10:47,510 --> 01:10:44,760

so anyway I'm following Ron because of

1795

01:10:50,300 --> 01:10:47,520

this this whole thing of disclosure that

1796

01:10:51,979 --> 01:10:50,310

that you know the long is doing this

1797

01:10:53,089 --> 01:10:51,989

thing and that's when the portal thing

1798

01:10:54,859 --> 01:10:53,099

comes up and of course I'm very

1799

01:10:57,140 --> 01:10:54,869

interested in more interested in the

1800

01:10:59,060 --> 01:10:57,150

portal thing by Ron Pandavas then I am

1801
01:11:00,770 --> 01:10:59,070
in the dog Tom DeLonge because Tom

1802
01:11:10,669 --> 01:11:00,780
DeLonge is still into this hardware

1803
01:11:11,720 --> 01:11:10,679
you know the alien ships yeah it's

1804
01:11:13,580 --> 01:11:11,730
almost like the thing they're gonna come

1805
01:11:14,839 --> 01:11:13,590
down they're gonna you know come down

1806
01:11:18,050 --> 01:11:14,849
the chimney and give us free energy

1807
01:11:21,830 --> 01:11:18,060
engines yeah run our SUVs for free and

1808
01:11:24,229 --> 01:11:21,840
they're gonna feed you and I both know

1809
01:11:27,439 --> 01:11:24,239
that they've had that type of technology

1810
01:11:29,149 --> 01:11:27,449
for 40 years now at least and they could

1811
01:11:30,859 --> 01:11:29,159
have done it yesterday if they wanted to

1812
01:11:32,839 --> 01:11:30,869
it's never gonna happen because of the

1813
01:11:35,120 --> 01:11:32,849

money situation and this isn't that

1814

01:11:37,339 --> 01:11:35,130

simple and that's what everybody hasn't

1815

01:11:40,990 --> 01:11:37,349

figured you know it's so obvious to me

1816

01:11:44,240 --> 01:11:41,000

that until the day when we become a true

1817

01:11:45,950 --> 01:11:44,250

socialist republic I'm never gonna see

1818

01:11:47,540 --> 01:11:45,960

it that way folks we're the fascist

1819

01:11:49,970 --> 01:11:47,550

state I'm sorry is this the way it is

1820

01:11:51,500 --> 01:11:49,980

anyhow go ahead yeah so so anyway he

1821

01:11:55,280 --> 01:11:51,510

starts talking about this portal thing

1822

01:11:57,260 --> 01:11:55,290

and of course I wait until I talk to

1823

01:11:58,640 --> 01:11:57,270

Kevin and Kevin said notices for real

1824

01:12:02,180 --> 01:11:58,650

and then I started paying attention to

1825

01:12:05,359 --> 01:12:02,190

it and they call it the in the desert

1826

01:12:06,919 --> 01:12:05,369

they say it's in the desert and I start

1827

01:12:09,020 --> 01:12:06,929

putting all that I watch everything

1828

01:12:12,109 --> 01:12:09,030

that's what I do like I now have a list

1829

01:12:15,109 --> 01:12:12,119

if you include the cause the the the

1830

01:12:16,550 --> 01:12:15,119

cosmic Club which has 40 people and I

1831

01:12:19,729 --> 01:12:16,560

know some of the people for sure in it

1832

01:12:21,649 --> 01:12:19,739

like there's there's dianthus Ulka and

1833

01:12:23,180 --> 01:12:21,659

there's Jacques Ballet and there's you

1834

01:12:25,069 --> 01:12:23,190

know these these people that that have

1835

01:12:27,080 --> 01:12:25,079

long been known to be a part of this

1836

01:12:29,209 --> 01:12:27,090

group but I have a list of 81 people and

1837

01:12:30,799 --> 01:12:29,219

what I say to people is what I do now

1838

01:12:33,170 --> 01:12:30,809

that are involved with this Tom DeLonge

1839

01:12:35,150 --> 01:12:33,180
and this Pandolfi disclosure is

1840

01:12:36,470 --> 01:12:35,160
I just sit back and I listen to these 81

1841

01:12:38,000 --> 01:12:36,480
people and people say oh you can't

1842

01:12:39,230 --> 01:12:38,010
listen to John Lear cuz he's there she

1843

01:12:41,660 --> 01:12:39,240
can't listen this person cuz he's not

1844

01:12:43,280 --> 01:12:41,670
and I say no if they're in this story

1845

01:12:45,290 --> 01:12:43,290
I'm listening to what everybody says

1846

01:12:46,700 --> 01:12:45,300
that they have a if they ever I think of

1847

01:12:48,230 --> 01:12:46,710
their piece of the story I listen

1848

01:12:50,300 --> 01:12:48,240
carefully I don't care if they've they

1849

01:12:52,070 --> 01:12:50,310
like prostitutes to pee on beds or

1850

01:12:53,930 --> 01:12:52,080
they've got you like to drink or I don't

1851
01:12:55,610 --> 01:12:53,940
care what their advice is all I want to

1852
01:12:58,010 --> 01:12:55,620
know is one of this thing about portals

1853
01:12:59,990 --> 01:12:58,020
or or UFOs so I start watching very

1854
01:13:03,200 --> 01:13:00,000
carefully all the people around Ron and

1855
01:13:04,700 --> 01:13:03,210
and the the wife and Dan Smith and

1856
01:13:06,470 --> 01:13:04,710
there's this guy by name of John who's

1857
01:13:07,910 --> 01:13:06,480
the they call him the West Coast marine

1858
01:13:10,460 --> 01:13:07,920
I almost know nothing about this guy

1859
01:13:12,080 --> 01:13:10,470
except he is the key guy with the portal

1860
01:13:14,930 --> 01:13:12,090
and they're talking about these poor the

1861
01:13:16,520 --> 01:13:14,940
portal out west and offers to take

1862
01:13:17,990 --> 01:13:16,530
people through they had these these go

1863
01:13:20,060 --> 01:13:18,000

to meetings where they were saying who

1864

01:13:21,950 --> 01:13:20,070

wants to go to the volunteering to go

1865

01:13:23,300 --> 01:13:21,960

through the portal and all this kind of

1866

01:13:25,520 --> 01:13:23,310

stuff and I'm going like this is just

1867

01:13:27,290 --> 01:13:25,530

bizarre I mean and and I actually got

1868

01:13:28,730 --> 01:13:27,300

the impression this is for real

1869

01:13:31,370 --> 01:13:28,740

they actually have this kind of stuff

1870

01:13:35,150 --> 01:13:31,380

and then it drags in Joe firmage and Joe

1871

01:13:37,790 --> 01:13:35,160

firmage is the Mormon guy with the ISS

1872

01:13:39,620 --> 01:13:37,800

Oh thing he's the guy that financed

1873

01:13:41,900 --> 01:13:39,630

Robert Wood with the new majestic 12

1874

01:13:43,940 --> 01:13:41,910

documents right quarter million dollars

1875

01:13:46,040 --> 01:13:43,950

to research those documents he had this

1876

01:13:47,360 --> 01:13:46,050

experience and and this all comes down

1877

01:13:50,030 --> 01:13:47,370

like with you and with me

1878

01:13:52,400 --> 01:13:50,040

with all these people is in a lot of

1879

01:13:53,420 --> 01:13:52,410

cases people sort of go after these

1880

01:13:55,820 --> 01:13:53,430

people because they're evil government

1881

01:13:57,080 --> 01:13:55,830

people and I say no I think a lot of

1882

01:13:59,090 --> 01:13:57,090

these people are just experiences

1883

01:14:01,130 --> 01:13:59,100

they're like Jim SEM even the guy who's

1884

01:14:03,020 --> 01:14:01,140

running the Tom DeLonge operation I will

1885

01:14:05,510 --> 01:14:03,030

guarantee people he's an experienter I

1886

01:14:07,670 --> 01:14:05,520

heard his story in great detail what

1887

01:14:09,400 --> 01:14:07,680

happened to him in the early 1990s he

1888

01:14:12,050 --> 01:14:09,410

talks a little bit about it in his

1889

01:14:15,200 --> 01:14:12,060

foreword that he did for Tom DeLonge so

1890

01:14:16,550 --> 01:14:15,210

he's an experimenter you have all these

1891

01:14:18,830 --> 01:14:16,560

people at the portal this would all be

1892

01:14:20,420 --> 01:14:18,840

people who have had experiences there

1893

01:14:24,200 --> 01:14:20,430

there's a head guy at NASA who's an

1894

01:14:26,990 --> 01:14:24,210

experimenter and so to me it was this

1895

01:14:28,760 --> 01:14:27,000

this key element that these people were

1896

01:14:31,220 --> 01:14:28,770

talking about consciousness technology

1897

01:14:33,640 --> 01:14:31,230

this is not nuts and bolts top this was

1898

01:14:36,370 --> 01:14:33,650

the whole deal and I actually had on

1899

01:14:39,530 --> 01:14:36,380

there was I they went on a cruise ship

1900

01:14:41,540 --> 01:14:39,540

all these Kevin was there dan Smith was

1901

01:14:43,850 --> 01:14:41,550

there fend off he and his wife were

1902

01:14:45,380 --> 01:14:43,860

there and that the West Coast marine was

1903

01:14:47,120 --> 01:14:45,390

there and they were doing these these

1904

01:14:48,979 --> 01:14:47,130

sort of video

1905

01:14:50,570 --> 01:14:48,989

things which they've now pulled off they

1906

01:14:52,459 --> 01:14:50,580

pulled all these videos because I took

1907

01:14:53,930 --> 01:14:52,469

the ones he had told them I was looking

1908

01:14:57,140 --> 01:14:53,940

for the other day because I wanted to

1909

01:14:58,820 --> 01:14:57,150

review me yes yeah um and the one Ron

1910

01:15:00,379 --> 01:14:58,830

actually talks about portals and that's

1911

01:15:01,970 --> 01:15:00,389

the only time I've ever seen him on

1912

01:15:03,590 --> 01:15:01,980

camera where he actually talks about

1913

01:15:05,930 --> 01:15:03,600

anything you a host and he talks about

1914

01:15:08,000 --> 01:15:05,940

the portal and what he says is his his

1915

01:15:11,149 --> 01:15:08,010

wife says to him so what do you say foot

1916

01:15:12,620 --> 01:15:11,159

man and his sort of his sort of a code

1917

01:15:15,080 --> 01:15:12,630

name she's the princess he's the foot

1918

01:15:16,430 --> 01:15:15,090

man and Dan Smith is the whatever he's

1919

01:15:18,200 --> 01:15:16,440

the chicken little or whatever and

1920

01:15:19,580 --> 01:15:18,210

anyway so they have all these code names

1921

01:15:23,149 --> 01:15:19,590

but he's the foot match this what do you

1922

01:15:25,760 --> 01:15:23,159

say foot man and he says you know people

1923

01:15:29,180 --> 01:15:25,770

have always wondered what it's like to

1924

01:15:31,430 --> 01:15:29,190

go into another world he says the next

1925

01:15:32,600 --> 01:15:31,440

time Johnny looks over this John guy we

1926

01:15:34,910 --> 01:15:32,610

don't know too much about this

1927

01:15:36,410 --> 01:15:34,920

John solisten is his name he said next

1928

01:15:37,790 --> 01:15:36,420

time John goes to the desert and that's

1929

01:15:40,939 --> 01:15:37,800

where the portal is next time John goes

1930

01:15:43,010 --> 01:15:40,949

to a desert a few of us here will join

1931

01:15:45,470 --> 01:15:43,020

him and we will go into the next world

1932

01:15:48,410 --> 01:15:45,480

and come back into this world and I'm

1933

01:15:50,180 --> 01:15:48,420

going wow that's like it's like he's on

1934

01:15:51,320 --> 01:15:50,190

camera saying this you know and I knew

1935

01:15:53,870 --> 01:15:51,330

about this portal thing that they're

1936

01:15:56,510 --> 01:15:53,880

supposed to go last year and Dan Smith

1937

01:15:58,040 --> 01:15:56,520

called it off he said no I was too early

1938

01:15:59,450 --> 01:15:58,050

for disclosure and he called this thing

1939

01:16:01,790 --> 01:15:59,460

off and then there was these stories

1940

01:16:03,590 --> 01:16:01,800

they were in Costa Rica and this John

1941

01:16:05,300 --> 01:16:03,600

guy got an actuator out of one of these

1942

01:16:08,360 --> 01:16:05,310

portals and brought it back to America

1943

01:16:10,610 --> 01:16:08,370

and there was this actuators at this

1944

01:16:12,080 --> 01:16:10,620

island st. Catharines Island so I

1945

01:16:14,959 --> 01:16:12,090

started following the story very closely

1946

01:16:18,169 --> 01:16:14,969

and it does appear yes they do and the

1947

01:16:19,669 --> 01:16:18,179

key came down to it was that they kept

1948

01:16:21,290 --> 01:16:19,679

indicating and still I get these

1949

01:16:24,620 --> 01:16:21,300

indications almost every couple days

1950

01:16:26,570 --> 01:16:24,630

that Joe firmage has got some sort of

1951

01:16:28,910 --> 01:16:26,580

portal technology and he's a Mormon so

1952

01:16:31,760 --> 01:16:28,920

the Mormons believe in this this planet

1953

01:16:34,879 --> 01:16:31,770

where all the you know the the beings

1954

01:16:36,680 --> 01:16:34,889

come from or whatever and so this rumors

1955

01:16:38,750 --> 01:16:36,690

story was that he'd built this thing to

1956

01:16:40,459 --> 01:16:38,760

go to Mormon heaven to this planet and

1957

01:16:41,810 --> 01:16:40,469

because it's like as they call it a

1958

01:16:43,669 --> 01:16:41,820

wishing well you can actually manifest

1959

01:16:45,290 --> 01:16:43,679

when you get on the other side you need

1960

01:16:47,000 --> 01:16:45,300

your permission from the other side to

1961

01:16:48,770 --> 01:16:47,010

come through but once you get in it's

1962

01:16:50,030 --> 01:16:48,780

like a lucid dream or like something

1963

01:16:51,800 --> 01:16:50,040

like that where you can actually

1964

01:16:53,149 --> 01:16:51,810

manifest that dead it's not you're not

1965

01:16:56,540 --> 01:16:53,159

controlled by physical you can actually

1966

01:16:58,790 --> 01:16:56,550

make the game use a submarine is if I go

1967

01:17:00,709 --> 01:16:58,800

into the portal and I say I want a

1968

01:17:02,750 --> 01:17:00,719

million dollars in change and I wanted

1969

01:17:05,060 --> 01:17:02,760

so that I can carry it back into the

1970

01:17:08,060 --> 01:17:05,070

next place all bagged up and ready to go

1971

01:17:10,189 --> 01:17:08,070

I can manifest it if they let me and I

1972

01:17:12,439 --> 01:17:10,199

can carry it back to this dimension and

1973

01:17:13,670 --> 01:17:12,449

it will be the right denomination and

1974

01:17:16,160 --> 01:17:13,680

everything will be the way it's supposed

1975

01:17:17,840 --> 01:17:16,170

to be if I mean yeah and that's though

1976

01:17:19,420 --> 01:17:17,850

that's one of the keys parts that they

1977

01:17:21,620 --> 01:17:19,430

started and this is what I've heard from

1978

01:17:22,640 --> 01:17:21,630

but because I've got a bunch of people

1979

01:17:24,620 --> 01:17:22,650

who got interested

1980

01:17:25,670 --> 01:17:24,630

I never deal with the people firsthand I

1981

01:17:26,930 --> 01:17:25,680

just listen to what everybody else is

1982

01:17:28,220 --> 01:17:26,940

saying and I got a bunch of people who

1983

01:17:29,810 --> 01:17:28,230

are very interested in story and gotten

1984

01:17:30,500 --> 01:17:29,820

a lot closer to me and they were asking

1985

01:17:33,590 --> 01:17:30,510

all these questions

1986

01:17:35,990 --> 01:17:33,600

but what they say is that the this is

1987

01:17:38,270 --> 01:17:36,000

not built by the government is built by

1988

01:17:41,020 --> 01:17:38,280

an individual and that the key to this

1989

01:17:43,550 --> 01:17:41,030

is that it's got to do with your

1990

01:17:47,930 --> 01:17:43,560

spiritual development that they're

1991

01:17:49,820 --> 01:17:47,940

protecting the portal against people who

1992

01:17:51,560 --> 01:17:49,830

are going to misuse it that there's this

1993

01:17:54,020 --> 01:17:51,570

aspect of the thing that you can't you

1994

01:17:55,459 --> 01:17:54,030

that you can't just allow anybody to go

1995

01:17:57,590 --> 01:17:55,469

through the portal so there's that

1996

01:17:59,090 --> 01:17:57,600

aspect but one of the stories that was

1997

01:18:00,530 --> 01:17:59,100

told by Dan Smith now whether you can

1998

01:18:02,720 --> 01:18:00,540

believe believe anything Dan Smith says

1999

01:18:04,939 --> 01:18:02,730

is that they manifested Trump in the

2000

01:18:07,370 --> 01:18:04,949

portal that day they went because he

2001
01:18:08,810 --> 01:18:07,380
said that he was told by Ron that Trump

2002
01:18:09,740 --> 01:18:08,820
was gonna win and this was nobody

2003
01:18:11,360 --> 01:18:09,750
believed Trump was gonna win

2004
01:18:13,280 --> 01:18:11,370
he said no Trump Trump will win and

2005
01:18:15,229 --> 01:18:13,290
that's what Dan says that they actually

2006
01:18:16,520 --> 01:18:15,239
manifested Trump in the portal that you

2007
01:18:18,350 --> 01:18:16,530
can sort of manifest whatever you want

2008
01:18:20,030 --> 01:18:18,360
so and that's where I sort of go like I

2009
01:18:22,939 --> 01:18:20,040
watch all this stuff and and some of it

2010
01:18:25,100 --> 01:18:22,949
seems really hokey and but then I hear

2011
01:18:27,140 --> 01:18:25,110
like they did that the princess went to

2012
01:18:29,450 --> 01:18:27,150
Switzerland and she was helping the

2013
01:18:31,280 --> 01:18:29,460

Swiss government or some I think the

2014

01:18:33,290 --> 01:18:31,290

Swiss government they had a portal that

2015

01:18:35,840 --> 01:18:33,300

she was activating and then I just hear

2016

01:18:37,670 --> 01:18:35,850

now dan Smith's wife is in Malta and

2017

01:18:39,560 --> 01:18:37,680

they're with remote viewers and they're

2018

01:18:41,000 --> 01:18:39,570

opening another portal and so I just sit

2019

01:18:42,229 --> 01:18:41,010

there and listen to this stuff and and I

2020

01:18:43,310 --> 01:18:42,239

don't think you can make this stuff up I

2021

01:18:45,050 --> 01:18:43,320

mean it's just because it's coming from

2022

01:18:47,150 --> 01:18:45,060

all different sources and I'm going like

2023

01:18:48,979 --> 01:18:47,160

this is my this is my kind of stuff and

2024

01:18:50,930 --> 01:18:48,989

they actually have made sort of indirect

2025

01:18:52,370 --> 01:18:50,940

offers to people and I'm waiting for one

2026

01:18:54,140 --> 01:18:52,380

of the people that I really trust

2027

01:18:55,670 --> 01:18:54,150

because there was some people that knew

2028

01:18:57,229 --> 01:18:55,680

them better than I do that sort of

2029

01:18:59,120 --> 01:18:57,239

interacted with them and I'd go to them

2030

01:19:00,770 --> 01:18:59,130

and say do you really believe there's a

2031

01:19:01,189 --> 01:19:00,780

portal I mean you're you're closer than

2032

01:19:02,479 --> 01:19:01,199

I am

2033

01:19:04,580 --> 01:19:02,489

do you actually think there's a portal

2034

01:19:06,350 --> 01:19:04,590

or Zyzz all and they go no I

2035

01:19:08,510 --> 01:19:06,360

think she's a portal I go okay I'll

2036

01:19:10,189 --> 01:19:08,520

stick with the story because it's so so

2037

01:19:12,229 --> 01:19:10,199

many times it's because it's it's not

2038

01:19:14,629 --> 01:19:12,239

like anything else was paranormal it

2039

01:19:16,969 --> 01:19:14,639

just gets so weird that you go like

2040

01:19:18,469 --> 01:19:16,979

I gotta be making this up and yet do you

2041

01:19:20,179 --> 01:19:18,479

have this guy and that's why I say

2042

01:19:22,040 --> 01:19:20,189

people say oh you know he's kind of

2043

01:19:24,379 --> 01:19:22,050

crazy and he is he's got some weird

2044

01:19:26,659 --> 01:19:24,389

things I came in his wife and celebrate

2045

01:19:28,699 --> 01:19:26,669

their their their wedding on the 15th or

2046

01:19:30,169 --> 01:19:28,709

16th of every month like they're always

2047

01:19:31,759 --> 01:19:30,179

celebrating their wedding it was like

2048

01:19:33,259 --> 01:19:31,769

and there could and then the people that

2049

01:19:35,060 --> 01:19:33,269

have been with them say they're the

2050

01:19:37,310 --> 01:19:35,070

nicest the nicest people they've ever

2051

01:19:38,779 --> 01:19:37,320

met in their life and yet you hear that

2052

01:19:42,529 --> 01:19:38,789

this guy is you know this this

2053

01:19:44,029 --> 01:19:42,539

high-level intelligence guy and you know

2054

01:19:45,799 --> 01:19:44,039

all the stuff the CIA does and stuff

2055

01:19:47,209 --> 01:19:45,809

like that so I'm sort of sitting there

2056

01:19:51,259 --> 01:19:47,219

and I'm listening to this side and that

2057

01:19:52,339 --> 01:19:51,269

side and generally I think he's the more

2058

01:19:54,350 --> 01:19:52,349

I look at it the more I think he's a

2059

01:19:55,850 --> 01:19:54,360

good guy and the people that have been

2060

01:19:58,819 --> 01:19:55,860

around him that have been really close

2061

01:20:00,319 --> 01:19:58,829

to him have come back and said you know

2062

01:20:02,629 --> 01:20:00,329

I don't know about the portal thing but

2063

01:20:04,429 --> 01:20:02,639

I mean man this is like there's more

2064

01:20:06,409 --> 01:20:04,439

love in this family than any family I've

2065

01:20:08,089 --> 01:20:06,419

ever been with and stuff like that so

2066

01:20:09,439 --> 01:20:08,099

I'm carefully watching it and that's

2067

01:20:11,959 --> 01:20:09,449

what's in that's interesting to me

2068

01:20:14,089 --> 01:20:11,969

because if the portal is confirmed that

2069

01:20:16,459 --> 01:20:14,099

there is some sort of portal thing then

2070

01:20:19,339 --> 01:20:16,469

the materialistic paradigm which is

2071

01:20:21,319 --> 01:20:19,349

holding the whole UFO thing back is dead

2072

01:20:23,239 --> 01:20:21,329

then suddenly everybody realizes it's

2073

01:20:24,949 --> 01:20:23,249

not nuts and bolts the universe is made

2074

01:20:26,810 --> 01:20:24,959

out of consciousness and everything

2075

01:20:28,250 --> 01:20:26,820

changes and I always say when there's a

2076

01:20:29,600 --> 01:20:28,260

unravels the people that are going to be

2077

01:20:30,560 --> 01:20:29,610

affected the most are going to be the

2078

01:20:33,169 --> 01:20:30,570

scientists that could be a little

2079

01:20:35,029 --> 01:20:33,179

religious people the Vatican has already

2080

01:20:36,859 --> 01:20:35,039

said we're ready to you know baptize all

2081

01:20:38,330 --> 01:20:36,869

the aliens and stuff they're not really

2082

01:20:40,250 --> 01:20:38,340

worried about this and and the

2083

01:20:43,159 --> 01:20:40,260

government I think will jump right on on

2084

01:20:44,330 --> 01:20:43,169

board if it gets cleared the people and

2085

01:20:45,439 --> 01:20:44,340

the media will jump on this thing

2086

01:20:49,100 --> 01:20:45,449

because the New York Times said the

2087

01:20:50,899 --> 01:20:49,110

story they did on on the the UFO

2088

01:20:52,399 --> 01:20:50,909

building was the biggest story they've

2089

01:20:54,109 --> 01:20:52,409

done in years there's a mass attack

2090

01:20:55,909 --> 01:20:54,119

thing so they're gonna jump on this this

2091

01:20:57,589 --> 01:20:55,919

story to make money the people that are

2092

01:20:59,479 --> 01:20:57,599

going to be most devastated by this

2093

01:21:01,939 --> 01:20:59,489

thing are the people who spent you know

2094

01:21:03,949 --> 01:21:01,949

20 or 30 thousand dollars a year at MIT

2095

01:21:06,049 --> 01:21:03,959

and suddenly realized that everything

2096

01:21:08,330 --> 01:21:06,059

they learned is wrong they've been

2097

01:21:10,939 --> 01:21:08,340

scammed on everything it's not a

2098

01:21:13,370 --> 01:21:10,949

material world and you can get here from

2099

01:21:16,219 --> 01:21:13,380

there you can buy past time and space

2100

01:21:19,040 --> 01:21:16,229

and all this stuff and that it's as I

2101
01:21:21,229 --> 01:21:19,050
tell people you know and Ron actually

2102
01:21:22,609 --> 01:21:21,239
said this yeah a lot of people are going

2103
01:21:24,139 --> 01:21:22,619
to be disappointed when they find out

2104
01:21:25,759 --> 01:21:24,149
what disclosure really what's actually

2105
01:21:27,020 --> 01:21:25,769
going to be disclosed and what it's

2106
01:21:28,459 --> 01:21:27,030
going to be is going to be a lot less

2107
01:21:28,630 --> 01:21:28,469
physical and people think and it's going

2108
01:21:30,370 --> 01:21:28,640
to

2109
01:21:31,930 --> 01:21:30,380
a lot more spiritual than people think

2110
01:21:34,090 --> 01:21:31,940
and I don't think a lot of people

2111
01:21:35,950 --> 01:21:34,100
especially the scientists are gonna be

2112
01:21:37,390 --> 01:21:35,960
able to handle this because they I think

2113
01:21:39,400 --> 01:21:37,400

John Alexander used this one of his

2114

01:21:41,230 --> 01:21:39,410

lectures he said in the National Academy

2115

01:21:42,640 --> 01:21:41,240

of Sciences which is top 2,000

2116

01:21:46,240 --> 01:21:42,650

scientists the United States there's

2117

01:21:48,490 --> 01:21:46,250

only 6% only 7% of them believe in God

2118

01:21:50,380 --> 01:21:48,500

and there's only 4% of them believe in

2119

01:21:52,060 --> 01:21:50,390

paranormal phenomena and the people end

2120

01:21:54,010 --> 01:21:52,070

up and then the rest of them if they do

2121

01:21:55,380 --> 01:21:54,020

believe in don't talk about it so it's

2122

01:21:58,300 --> 01:21:55,390

if people don't realize how

2123

01:22:00,760 --> 01:21:58,310

materialistic the paradigm has got a

2124

01:22:03,550 --> 01:22:00,770

grip on everything that happens in this

2125

01:22:05,260 --> 01:22:03,560

world in terms of our knowledge and and

2126

01:22:06,730 --> 01:22:05,270

this will devastate it the portal thing

2127

01:22:09,490 --> 01:22:06,740

will totally devastate it because it

2128

01:22:10,900 --> 01:22:09,500

says man this is a different world that

2129

01:22:13,060 --> 01:22:10,910

these these these whatever this

2130

01:22:15,040 --> 01:22:13,070

intelligence is is popping out of these

2131

01:22:16,630 --> 01:22:15,050

things even if you heard Eric Davis

2132

01:22:18,250 --> 01:22:16,640

talked about the portals that opened at

2133

01:22:20,440 --> 01:22:18,260

at skinwalker ranch and this thing

2134

01:22:21,670 --> 01:22:20,450

popped out and he seems sort of the

2135

01:22:22,900 --> 01:22:21,680

focus of the thing a lot of people

2136

01:22:24,460 --> 01:22:22,910

nothing happened around like John

2137

01:22:26,490 --> 01:22:24,470

Alexander nothing really happened around

2138

01:22:29,020 --> 01:22:26,500

him but but Eric Davis who's this

2139

01:22:31,150 --> 01:22:29,030

astrophysicist PhD astrophysicist very

2140

01:22:33,220 --> 01:22:31,160

sharp guy is talking about this and and

2141

01:22:34,660 --> 01:22:33,230

describing the fact that this is for

2142

01:22:36,040 --> 01:22:34,670

real that the this is how they're

2143

01:22:37,780 --> 01:22:36,050

getting here and they're coming in and

2144

01:22:41,320 --> 01:22:37,790

out of these out of these portals and

2145

01:22:43,660 --> 01:22:41,330

that just just destroys the the the the

2146

01:22:45,340 --> 01:22:43,670

the cover-up and I say the cover-up is

2147

01:22:46,750 --> 01:22:45,350

the the scientist because everybody's

2148

01:22:47,740 --> 01:22:46,760

afraid of the scientists none of the

2149

01:22:49,450 --> 01:22:47,750

scientists that's why they have this

2150

01:22:50,650 --> 01:22:49,460

cosmic Club thing where nobody

2151
01:22:52,330 --> 01:22:50,660
identifies themselves because they're

2152
01:22:54,460 --> 01:22:52,340
afraid they're gonna lose their tenure

2153
01:22:55,900 --> 01:22:54,470
they're gonna lose their grants they're

2154
01:22:57,280 --> 01:22:55,910
gonna come under ridicule from all their

2155
01:22:58,900 --> 01:22:57,290
people that's why nobody in the CIA

2156
01:23:00,370 --> 01:22:58,910
believes will talk about it because

2157
01:23:02,110 --> 01:23:00,380
their career is on the line that's what

2158
01:23:04,420 --> 01:23:02,120
they told Jim semi van when he had his

2159
01:23:06,370 --> 01:23:04,430
experience in 1991 he went to George

2160
01:23:07,480 --> 01:23:06,380
Tenet and George Tenet he said I need to

2161
01:23:10,330 --> 01:23:07,490
know what's going on at George Tenet

2162
01:23:12,760 --> 01:23:10,340
said you do not want this pretend this

2163
01:23:14,740 --> 01:23:12,770

is a one-off do not go down this road

2164

01:23:17,770 --> 01:23:14,750

your career will be over you will be

2165

01:23:20,050 --> 01:23:17,780

ridiculed leave it alone and he left it

2166

01:23:21,760 --> 01:23:20,060

alone and then story I heard was when he

2167

01:23:23,470 --> 01:23:21,770

retired he was given the briefing by Ron

2168

01:23:25,510 --> 01:23:23,480

Pandolfi as to what's actually going on

2169

01:23:27,190 --> 01:23:25,520

and he went operational and now he's

2170

01:23:30,580 --> 01:23:27,200

operational running those Tom DeLonge

2171

01:23:32,860 --> 01:23:30,590

operation absolutely yeah oh you know

2172

01:23:34,630 --> 01:23:32,870

what grant now this is very interesting

2173

01:23:37,480 --> 01:23:34,640

that you bring up this type of portal

2174

01:23:39,640 --> 01:23:37,490

because and Ricky and all the guys with

2175

01:23:41,080 --> 01:23:39,650

the Rama Foundation and all these people

2176
01:23:42,580 --> 01:23:41,090
they're having a whole different type of

2177
01:23:44,500 --> 01:23:42,590
portal thing happening

2178
01:23:46,180 --> 01:23:44,510
yeah they've got the Zender that's why I

2179
01:23:48,970 --> 01:23:46,190
was more interested we didn't get into

2180
01:23:50,470 --> 01:23:48,980
Xander's and I let's do we got about 20

2181
01:23:53,350 --> 01:23:50,480
minutes left so let's talk about the

2182
01:23:55,120 --> 01:23:53,360
Xavier so I correlate the two yeah and

2183
01:23:56,710 --> 01:23:55,130
that's why a lot of times I've given up

2184
01:23:57,910 --> 01:23:56,720
on the portal thing I'm going like this

2185
01:23:59,080 --> 01:23:57,920
is absolute nonsense they're just

2186
01:24:02,080 --> 01:23:59,090
jerking us around with this stupid

2187
01:24:03,640 --> 01:24:02,090
portal story and oh yeah it's really

2188
01:24:05,110 --> 01:24:03,650

real but the thing is are they ever

2189

01:24:06,640 --> 01:24:05,120

gonna show it to anybody because you've

2190

01:24:08,710 --> 01:24:06,650

talked to Dan Smith he's the spokesman

2191

01:24:10,120 --> 01:24:08,720

you can't get anything through you have

2192

01:24:11,560 --> 01:24:10,130

to go through Dan Smith and Dan Smith's

2193

01:24:13,210 --> 01:24:11,570

never been in a portal and that Dan

2194

01:24:14,860 --> 01:24:13,220

Smith will say well it could be animal

2195

01:24:16,300 --> 01:24:14,870

vegetable mineral it could be in your in

2196

01:24:17,920 --> 01:24:16,310

your mind and it's like why are we

2197

01:24:18,850 --> 01:24:17,930

listening to you I don't I want to talk

2198

01:24:20,020 --> 01:24:18,860

to somebody who's actually been in a

2199

01:24:21,730 --> 01:24:20,030

portal you have never been in a portal

2200

01:24:23,290 --> 01:24:21,740

you don't know any you know nothing more

2201

01:24:24,550 --> 01:24:23,300

about a portal and I do and I'm trying

2202

01:24:26,350 --> 01:24:24,560

to figure out what's going on so when

2203

01:24:28,510 --> 01:24:26,360

the Zender story broke and this is a

2204

01:24:30,460 --> 01:24:28,520

story that I got dragged into by

2205

01:24:32,320 --> 01:24:30,470

synchronicity by these weird things that

2206

01:24:34,150 --> 01:24:32,330

happen in in this world and that was

2207

01:24:35,890 --> 01:24:34,160

when I released a book called Charlie

2208

01:24:38,290 --> 01:24:35,900

red star which is the story of my

2209

01:24:39,730 --> 01:24:38,300

sightings in 1975 which I had held for

2210

01:24:41,680 --> 01:24:39,740

thirty years my sister held it in ER

2211

01:24:44,710 --> 01:24:41,690

held it for 25 years and they gave it

2212

01:24:47,080 --> 01:24:44,720

back to me and then I decided there was

2213

01:24:48,310 --> 01:24:47,090

a woman's long story had a bizarre

2214

01:24:49,570 --> 01:24:48,320

experience she wanted to publish the

2215

01:24:52,090 --> 01:24:49,580

book I said okay so we published the

2216

01:24:53,980 --> 01:24:52,100

book through a publisher and I go along

2217

01:24:56,530 --> 01:24:53,990

with the whole thing and it's August of

2218

01:24:58,960 --> 01:24:56,540

last year and I'm going to Mount Shasta

2219

01:25:00,520 --> 01:24:58,970

because Katarina friend of mine who

2220

01:25:01,690 --> 01:25:00,530

helps me help me put up some of my books

2221

01:25:04,750 --> 01:25:01,700

do some editing for me

2222

01:25:07,480 --> 01:25:04,760

she's a Latino all these Latino show up

2223

01:25:09,790 --> 01:25:07,490

on Mount Shasta and they they do these

2224

01:25:12,670 --> 01:25:09,800

meditation for world peace and they come

2225

01:25:14,230 --> 01:25:12,680

from all around the world and so she

2226

01:25:16,060 --> 01:25:14,240

said oh we got to go to this some

2227

01:25:17,650 --> 01:25:16,070

meditation for world peace and these

2228

01:25:20,110 --> 01:25:17,660

contactees they're you know a lot of

2229

01:25:22,000 --> 01:25:20,120

these people they're you know South

2230

01:25:24,010 --> 01:25:22,010

American contactees and I'm thinking you

2231

01:25:25,810 --> 01:25:24,020

know I got nothing against meditation I

2232

01:25:27,520 --> 01:25:25,820

got nothing against world peace but I

2233

01:25:28,960 --> 01:25:27,530

don't think I want to go 40 hours across

2234

01:25:30,730 --> 01:25:28,970

the country to sit on side of mountain

2235

01:25:32,620 --> 01:25:30,740

and we're meditate for world peace so I

2236

01:25:34,870 --> 01:25:32,630

really wasn't interested but she because

2237

01:25:37,270 --> 01:25:34,880

she'd helped me I said okay I'll support

2238

01:25:38,800 --> 01:25:37,280

Katarina I'll go I'll go to Mount Shasta

2239

01:25:40,870 --> 01:25:38,810

and I'll sit on the side of a mountain

2240

01:25:42,970 --> 01:25:40,880

and will meditate for world peace so we

2241

01:25:44,800 --> 01:25:42,980

start this trap so that's the that's the

2242

01:25:46,300 --> 01:25:44,810

lives and Winnipeg here so I said a desk

2243

01:25:48,970 --> 01:25:46,310

do you want to come she say okay so we

2244

01:25:50,650 --> 01:25:48,980

traveled across the desert and we're in

2245

01:25:52,930 --> 01:25:50,660

a were heading for Reno we're gonna stop

2246

01:25:54,370 --> 01:25:52,940

in Reno and we're in the desert coming

2247

01:25:56,500 --> 01:25:54,380

to heading towards Reena and the phone

2248

01:26:00,880 --> 01:25:56,510

rings destice cellphone rings

2249

01:26:02,650 --> 01:26:00,890

and she says oh it's Katarina and in

2250

01:26:04,600 --> 01:26:02,660

Katarina as works in a law office now

2251
01:26:06,490 --> 01:26:04,610
she's in Washington near the Pandolfi

2252
01:26:08,140 --> 01:26:06,500
she's working in in the same law office

2253
01:26:11,290 --> 01:26:08,150
in Washington DC but she was in LA at

2254
01:26:14,320 --> 01:26:11,300
the time and she said I've got 12 13 I

2255
01:26:17,020 --> 01:26:14,330
got a message from Paula Harris and the

2256
01:26:21,340 --> 01:26:17,030
message is from Ricardo Gonzalez who's

2257
01:26:24,130 --> 01:26:21,350
this contactee from the from very famous

2258
01:26:26,320 --> 01:26:24,140
contactee from ins now an Argentine it

2259
01:26:29,650 --> 01:26:26,330
was Peru originally and it's from

2260
01:26:32,280 --> 01:26:29,660
Ricardo and he has a message for man

2261
01:26:36,160 --> 01:26:32,290
Tyrell and an Tyrell is an alien and

2262
01:26:39,040 --> 01:26:36,170
from the planet appoo and there's a

2263
01:26:40,900 --> 01:26:39,050

message from a Tyrell to grant and the

2264

01:26:42,550 --> 01:26:40,910

message is an Tyrell knows the grants

2265

01:26:44,979 --> 01:26:42,560

coming to the mountain and there will be

2266

01:26:47,050 --> 01:26:44,989

a program sighting on Saturday night and

2267

01:26:49,570 --> 01:26:47,060

grant should let people know so of

2268

01:26:51,460 --> 01:26:49,580

course I'm saying to DES I'm saying make

2269

01:26:52,870 --> 01:26:51,470

sure you get exactly what exactly is the

2270

01:26:55,090 --> 01:26:52,880

message because I know you put this on

2271

01:26:56,920 --> 01:26:55,100

Facebook and it's gonna take off and I'm

2272

01:26:58,960 --> 01:26:56,930

in the middle of this thing exactly what

2273

01:27:00,310 --> 01:26:58,970

is the message and the message was I'm

2274

01:27:01,960 --> 01:27:00,320

social people know so I put it up and of

2275

01:27:04,120 --> 01:27:01,970

course then I get attacked it's not it's

2276

01:27:06,520 --> 01:27:04,130

about world peace it's not about you

2277

01:27:08,110 --> 01:27:06,530

know a circus and all this no no no the

2278

01:27:09,400 --> 01:27:08,120

message said I'm supposed to tell people

2279

01:27:11,530 --> 01:27:09,410

there's gonna be a program sighting on

2280

01:27:14,710 --> 01:27:11,540

saarne and I already knew that Paul I

2281

01:27:16,450 --> 01:27:14,720

had been in what they call as Endre she

2282

01:27:18,220 --> 01:27:16,460

had told a story I had consciousness

2283

01:27:21,060 --> 01:27:18,230

Expo I had first heard her tell the

2284

01:27:25,290 --> 01:27:21,070

story and she said oh I was there and

2285

01:27:28,210 --> 01:27:25,300

the same contactee guy Ricardo Gonzalez

2286

01:27:29,770 --> 01:27:28,220

had called me out of they have a group

2287

01:27:31,810 --> 01:27:29,780

of about a hundred and eighty people all

2288

01:27:33,970 --> 01:27:31,820

meditating and it's freezing cold that

2289

01:27:35,800 --> 01:27:33,980

gets unbelievably cold up there and and

2290

01:27:36,880 --> 01:27:35,810

everybody's meditating and oming and

2291

01:27:39,280 --> 01:27:36,890

stuff and they're trying to raise the

2292

01:27:41,260 --> 01:27:39,290

vibration and and the UFO flies and they

2293

01:27:42,910 --> 01:27:41,270

have these antennas they call them

2294

01:27:45,100 --> 01:27:42,920

antennas and these are very highly

2295

01:27:46,690 --> 01:27:45,110

psychic people who will tell you not

2296

01:27:48,640 --> 01:27:46,700

only where the sighting will take place

2297

01:27:51,010 --> 01:27:48,650

but to the minute when it will take

2298

01:27:53,560 --> 01:27:51,020

place and there was two antennas on the

2299

01:27:55,330 --> 01:27:53,570

night I was there August the 19th was

2300

01:27:58,270 --> 01:27:55,340

the night when my event happened that

2301

01:28:01,060 --> 01:27:58,280

said it would happen in 933 on the

2302

01:28:02,800 --> 01:28:01,070

Saturday night so we go there and I'm

2303

01:28:03,460 --> 01:28:02,810

anticipating because I know Paula had

2304

01:28:07,420 --> 01:28:03,470

this experience

2305

01:28:09,500 --> 01:28:07,430

we're in 2014-2015 she gets called out

2306

01:28:11,750 --> 01:28:09,510

of this meditation group and

2307

01:28:14,240 --> 01:28:11,760

they say and Tyrell the same one that I

2308

01:28:16,609 --> 01:28:14,250

got the message from an Tyrell is in the

2309

01:28:17,390 --> 01:28:16,619

forest and he wants you to come are you

2310

01:28:20,270 --> 01:28:17,400

ready for this

2311

01:28:21,950 --> 01:28:20,280

and Paula freaks out and there they're

2312

01:28:23,629 --> 01:28:21,960

basically carrying her she she can

2313

01:28:25,129 --> 01:28:23,639

barely walk and she's just freaking out

2314

01:28:27,049 --> 01:28:25,139

she has know what to do they take her

2315

01:28:29,029 --> 01:28:27,059

and what's called a Xandra so this is

2316

01:28:30,799 --> 01:28:29,039

like a portal but this is better than a

2317

01:28:32,810 --> 01:28:30,809

portal cuz I I even told the the people

2318

01:28:35,240 --> 01:28:32,820

that I was working with the with the

2319

01:28:37,220 --> 01:28:35,250

Pandolfi thing I said you give me this

2320

01:28:38,930 --> 01:28:37,230

nonsense about animal math mineral

2321

01:28:40,609 --> 01:28:38,940

vegetable and it could be in your mind

2322

01:28:42,919 --> 01:28:40,619

and and you know all this kind of stuff

2323

01:28:44,330 --> 01:28:42,929

and that means nothing to me Sandra I

2324

01:28:46,640 --> 01:28:44,340

know because they say it's like 40 feet

2325

01:28:49,100 --> 01:28:46,650

across and they describe this bluish

2326

01:28:51,740 --> 01:28:49,110

white mist that's coming off the ground

2327

01:28:53,899 --> 01:28:51,750

that it's completely dark in 2014 there

2328

01:28:56,629 --> 01:28:53,909

was no moon it was black as could be and

2329

01:28:58,399 --> 01:28:56,639

this whitish blue mist is coming off the

2330

01:29:00,020 --> 01:28:58,409

ground and it's lighting up the forest

2331

01:29:03,319 --> 01:29:00,030

the bottom of the forest and they're

2332

01:29:05,089 --> 01:29:03,329

there and they are seven people allowed

2333

01:29:09,500 --> 01:29:05,099

in the Zender at a time so they're going

2334

01:29:10,700 --> 01:29:09,510

and and Ricardo there's there's all

2335

01:29:12,500 --> 01:29:10,710

these women and I know all all the

2336

01:29:14,419 --> 01:29:12,510

players because I actually interviewed

2337

01:29:16,850 --> 01:29:14,429

most of them and they were to hold hands

2338

01:29:18,740 --> 01:29:16,860

and they were told until you cross over

2339

01:29:20,569 --> 01:29:18,750

that mist until you're on the other side

2340

01:29:21,979 --> 01:29:20,579

of the mist do not let go and this Paul

2341

01:29:24,799 --> 01:29:21,989

Paul is telling me the story I'm going

2342

01:29:25,939 --> 01:29:24,809

what I said you're a famous UFO research

2343

01:29:27,259 --> 01:29:25,949

you got to tell people this story said

2344

01:29:27,830 --> 01:29:27,269

no it's not about me I don't want to

2345

01:29:29,839 --> 01:29:27,840

tell this story

2346

01:29:31,189 --> 01:29:29,849

I don't want people to know about this

2347

01:29:33,439 --> 01:29:31,199

stuff and I said you got to tell people

2348

01:29:35,629 --> 01:29:33,449

you actually saw this thing and then she

2349

01:29:37,540 --> 01:29:35,639

finally went ahead and told the story so

2350

01:29:40,009 --> 01:29:37,550

she said they're holding hands and

2351

01:29:42,080 --> 01:29:40,019

Ricardo says until you get through this

2352

01:29:43,700 --> 01:29:42,090

mist do not let go so she goes through

2353

01:29:45,350 --> 01:29:43,710

the mist and then she said it was the

2354

01:29:47,330 --> 01:29:45,360

hardest thing she ever did in her life

2355

01:29:49,250 --> 01:29:47,340

was to let go of these woman's and there

2356

01:29:51,649 --> 01:29:49,260

were the Carina was on one side and Saul

2357

01:29:53,629 --> 01:29:51,659

and all these women so she lets go and

2358

01:29:56,359 --> 01:29:53,639

she looks up and there's this alien Ann

2359

01:29:59,330 --> 01:29:56,369

Tyrell he's about ten feet tall he's

2360

01:30:01,399 --> 01:29:59,340

wearing a very tight suit he's got this

2361

01:30:03,979 --> 01:30:01,409

crest that has the sparks coming off it

2362

01:30:06,890 --> 01:30:03,989

he's got this whitish sort of hair and

2363

01:30:10,069 --> 01:30:06,900

so she tells me this story and when

2364

01:30:12,410 --> 01:30:10,079

we're there last August before the event

2365

01:30:13,669 --> 01:30:12,420

happened that night she I go into the

2366

01:30:15,529 --> 01:30:13,679

forest and I put these things on my

2367

01:30:16,910 --> 01:30:15,539

youtube channel I got the interviewed 22

2368

01:30:18,229 --> 01:30:16,920

minute interview we're in the forest

2369

01:30:19,669 --> 01:30:18,239

she's showing me where the aliens were

2370

01:30:21,049 --> 01:30:19,679

how many aliens through these little

2371

01:30:23,250 --> 01:30:21,059

aliens running around with these iPads

2372

01:30:24,750 --> 01:30:23,260

they were poking out from behind trees

2373

01:30:26,430 --> 01:30:24,760

stuff like this and I'm going really

2374

01:30:28,860 --> 01:30:26,440

it's like and there was ten witnesses

2375

01:30:31,260 --> 01:30:28,870

and I'm going wow she's well most of her

2376

01:30:33,000 --> 01:30:31,270

here I said they are let's go so we go

2377

01:30:34,170 --> 01:30:33,010

and she's talking these people into

2378

01:30:35,480 --> 01:30:34,180

being interviewed and I'm interviewing

2379

01:30:38,010 --> 01:30:35,490

these people on camera and I'm going for

2380

01:30:40,710 --> 01:30:38,020

you in the Sandra way I was in there

2381

01:30:42,720 --> 01:30:40,720

what did you see oh there was this guy

2382

01:30:44,610 --> 01:30:42,730

he was about ten feet tall and they're

2383

01:30:46,140 --> 01:30:44,620

all the same story these little beings

2384

01:30:49,200 --> 01:30:46,150

running around and stuff I guess I'm

2385

01:30:50,490 --> 01:30:49,210

going I simply said like this is the

2386

01:30:50,700 --> 01:30:50,500

most amazing story I've ever heard in my

2387

01:30:52,410 --> 01:30:50,710

life

2388

01:30:53,850 --> 01:30:52,420

cuz it's not like the portal thing it's

2389

01:30:55,410 --> 01:30:53,860

like oh well it could be this could be

2390

01:30:56,820 --> 01:30:55,420

that I mean you know you never know you

2391

01:30:57,510 --> 01:30:56,830

could you could do with your mind and

2392

01:30:59,940 --> 01:30:57,520

stuff this

2393

01:31:01,560 --> 01:30:59,950

I know it's like 40 feet across you know

2394

01:31:03,390 --> 01:31:01,570

it's got a dome and it's like an

2395

01:31:05,490 --> 01:31:03,400

interdimensional bubble that that the

2396

01:31:07,050 --> 01:31:05,500

aliens create and then the people go

2397

01:31:09,000 --> 01:31:07,060

into this bubble and then I started to

2398

01:31:11,610 --> 01:31:09,010

learn we gotta tell people with it's

2399

01:31:13,980 --> 01:31:11,620

raising their vibration up to the level

2400

01:31:17,430 --> 01:31:13,990

that they're at they're back fully in in

2401

01:31:19,860 --> 01:31:17,440

their dimension yeah and they're just

2402

01:31:21,660 --> 01:31:19,870

popping into ours and they cross over

2403

01:31:23,160 --> 01:31:21,670

point yeah it's it's almost like their

2404

01:31:24,810 --> 01:31:23,170

vibration that's the whole idea that

2405

01:31:28,110 --> 01:31:24,820

that people always waiting for the big

2406

01:31:29,700 --> 01:31:28,120

mass landing and yeah even the land

2407

01:31:31,860 --> 01:31:29,710

they're not gonna be no mass landing

2408

01:31:33,570 --> 01:31:31,870

they can't they can't exist in this

2409

01:31:36,510 --> 01:31:33,580

conservative different vibration then

2410

01:31:38,430 --> 01:31:36,520

they can't so they come in so that's

2411

01:31:39,660 --> 01:31:38,440

what the Xandra idea and but they're

2412

01:31:41,310 --> 01:31:39,670

just speculating on this now it makes

2413

01:31:43,440 --> 01:31:41,320

sense that they're at a high vibration

2414

01:31:45,000 --> 01:31:43,450

and that's why they do this oming and

2415

01:31:46,890 --> 01:31:45,010

that's why they do this meditation thing

2416

01:31:48,660 --> 01:31:46,900

in this oming and stuff like that to get

2417

01:31:50,400 --> 01:31:48,670

the vibration up and they raised of our

2418

01:31:52,170 --> 01:31:50,410

vibration up the aliens bring their

2419

01:31:54,630 --> 01:31:52,180

vibration down they meet in is endre

2420

01:31:56,910 --> 01:31:54,640

thing and and they could only last for a

2421

01:32:05,760 --> 01:31:56,920

few minutes attention shoppers

2422

01:32:11,580 --> 01:32:05,770

clean up on aisle 1414 someone dropped a

2423

01:32:13,260 --> 01:32:11,590

jar pickles pickles feet boxing at a big

2424

01:32:15,210 --> 01:32:13,270

box store surprising what's not

2425

01:32:18,780 --> 01:32:15,220

surprising how much you could say it by

2426

01:32:21,510 --> 01:32:18,790

switching to Geico minivan has the

2427

01:32:25,140 --> 01:32:21,520

lights on in the parking lot Geico 15

2428

01:32:28,010 --> 01:32:25,150

minutes could save you 15% or more and

2429

01:32:30,300 --> 01:32:28,020

these according to them they had the

2430

01:32:32,520 --> 01:32:30,310

some people have described a ship that

2431

01:32:34,170 --> 01:32:32,530

shoots three beams down and the and the

2432

01:32:35,520 --> 01:32:34,180

Xandra appears and the way they

2433

01:32:36,570 --> 01:32:35,530

described it as head they called them

2434

01:32:37,770 --> 01:32:36,580

the engineers

2435

01:32:39,479 --> 01:32:37,780

and I talked to the people had these

2436

01:32:41,010 --> 01:32:39,489

little aliens that were poking her and

2437

01:32:42,390 --> 01:32:41,020

they're running is and they described it

2438

01:32:44,070 --> 01:32:42,400

they're running around like dead iPads

2439

01:32:45,420 --> 01:32:44,080

and they believed that they were the

2440

01:32:46,770 --> 01:32:45,430

ones that were making the Xandra that

2441

01:32:48,660 --> 01:32:46,780

were holding the xandred together as

2442

01:32:51,330 --> 01:32:48,670

these people were in it so Paul had this

2443

01:32:53,490 --> 01:32:51,340

experience 2014/2015 and both times

2444

01:32:55,070 --> 01:32:53,500

there was like nine or ten witnesses and

2445

01:32:56,850 --> 01:32:55,080

I was going to use people and I'm going

2446

01:32:58,260 --> 01:32:56,860

everybody and everybody's telling the

2447

01:33:00,690 --> 01:32:58,270

same story about exactly what the Sun

2448

01:33:01,920 --> 01:33:00,700

does that and I said now this story you

2449

01:33:03,750 --> 01:33:01,930

can actually do something with this is

2450

01:33:06,540 --> 01:33:03,760

act and that I was talking to Joe Burks

2451
01:33:09,060 --> 01:33:06,550
and Joe Burke says oh there's this guy

2452
01:33:10,620 --> 01:33:09,070
that flew the 747 United Airlines pilot

2453
01:33:12,300 --> 01:33:10,630
oh he was in one of these things they

2454
01:33:14,040 --> 01:33:12,310
had one up in Northern California and

2455
01:33:15,930 --> 01:33:14,050
there was 50 people went to the Zen

2456
01:33:17,580 --> 01:33:15,940
Drive oh are you kidding me 50 people

2457
01:33:19,260 --> 01:33:17,590
went through and they were in its groups

2458
01:33:22,380 --> 01:33:19,270
of seven and then I learned about one in

2459
01:33:23,790 --> 01:33:22,390
Uruguay 125 and I'm watching six

2460
01:33:27,180 --> 01:33:23,800
applause who was one of the main guys

2461
01:33:29,430 --> 01:33:27,190
he's showing a video of a picture of of

2462
01:33:34,620 --> 01:33:29,440
the Xandra and I'm going whoa and so

2463
01:33:36,720 --> 01:33:34,630

that I just interviewed and reek a yes a

2464

01:33:38,820 --> 01:33:36,730

that yeah who's gonna be at your

2465

01:33:40,320 --> 01:33:38,830

conference and that and and I got him

2466

01:33:41,430 --> 01:33:40,330

talking about portals forget about all

2467

01:33:43,920 --> 01:33:41,440

this other stuff let's talk about

2468

01:33:46,260 --> 01:33:43,930

portals let's talk about the aliens that

2469

01:33:49,080 --> 01:33:46,270

they saw last year at the the event

2470

01:33:50,880 --> 01:33:49,090

because he there we were on one side of

2471

01:33:52,380 --> 01:33:50,890

the road and we had this flashing light

2472

01:33:54,810 --> 01:33:52,390

thing on his side of the road it was

2473

01:33:57,780 --> 01:33:54,820

like the circus man I mean he had aliens

2474

01:33:59,880 --> 01:33:57,790

they had this other guy had aliens they

2475

01:34:01,830 --> 01:33:59,890

had they had the portal appeared they

2476

01:34:04,080 --> 01:34:01,840

got picture of the portal and it was

2477

01:34:05,580 --> 01:34:04,090

just like wow I mean and so he was

2478

01:34:07,380 --> 01:34:05,590

telling me about his his Endre

2479

01:34:09,180 --> 01:34:07,390

experience and and I said have you ever

2480

01:34:10,440 --> 01:34:09,190

been in a Xandra I've been in those

2481

01:34:12,330 --> 01:34:10,450

things and it's that's the way these

2482

01:34:13,979 --> 01:34:12,340

Latino people talk and the only reason

2483

01:34:15,720 --> 01:34:13,989

people don't go story cuz it's a Latino

2484

01:34:19,200 --> 01:34:15,730

story it's all in Spanish and so I've

2485

01:34:20,520 --> 01:34:19,210

been I've got this Katarina who's Latino

2486

01:34:21,990 --> 01:34:20,530

so she's helping me translate we're

2487

01:34:23,340 --> 01:34:22,000

talking these people and all over the

2488

01:34:26,010 --> 01:34:23,350

place and these things are all over the

2489

01:34:30,330 --> 01:34:26,020

place and then Enrique actually sent

2490

01:34:31,709 --> 01:34:30,340

me one from 2013 from Shasta he said

2491

01:34:34,229 --> 01:34:31,719

well here's a picture of his Andra at

2492

01:34:35,910 --> 01:34:34,239

Shasta and I'm going oh my goodness it's

2493

01:34:37,560 --> 01:34:35,920

like I've never seen it before and he

2494

01:34:38,880 --> 01:34:37,570

sent it to me after we did the interview

2495

01:34:40,470 --> 01:34:38,890

about a month ago we and we haven't

2496

01:34:42,930 --> 01:34:40,480

posted the interview yet but just a

2497

01:34:45,209 --> 01:34:42,940

fascinating areas way and Enrique

2498

01:34:47,910 --> 01:34:45,219

there's no doubt this guy's found the

2499

01:34:50,339 --> 01:34:47,920

truth he's the most honest sounding guy

2500

01:34:53,370 --> 01:34:50,349

telling these stories very humble

2501
01:34:55,649 --> 01:34:53,380
whatever and because he we had our event

2502
01:34:58,080 --> 01:34:55,659
at 9:33 and I knew he'd add an event at

2503
01:35:00,060 --> 01:34:58,090
9:08 so I said Oh tell me about the

2504
01:35:01,530 --> 01:35:00,070
event at 9:08 what was a Saturday night

2505
01:35:03,359 --> 01:35:01,540
he said yeah I said well this is like 20

2506
01:35:05,370 --> 01:35:03,369
minutes per event I'll tell your event

2507
01:35:06,510 --> 01:35:05,380
and he tells this bizarre story that

2508
01:35:08,430 --> 01:35:06,520
maybe you can get him to tell at the

2509
01:35:11,129 --> 01:35:08,440
conference just absolutely bizarre with

2510
01:35:13,290 --> 01:35:11,139
with aliens and orbs going around and

2511
01:35:16,140 --> 01:35:13,300
stuff like this and and this girl that

2512
01:35:18,600 --> 01:35:16,150
disappears she's against this tree he

2513
01:35:20,490 --> 01:35:18,610

told me about that that was some decide

2514

01:35:22,260 --> 01:35:20,500

that happened at 9:08 and he had it in

2515

01:35:23,970 --> 01:35:22,270

his mind it was nine oh eight and the

2516

01:35:25,560 --> 01:35:23,980

other thing he had was they do this

2517

01:35:27,030 --> 01:35:25,570

thing where he's now he's an antenna

2518

01:35:28,709 --> 01:35:27,040

when he was young he tried to be an

2519

01:35:30,750 --> 01:35:28,719

antenna and the alien said you're not

2520

01:35:32,040 --> 01:35:30,760

the antenna the antenna will be picked

2521

01:35:33,959 --> 01:35:32,050

you're not the antenna the person that

2522

01:35:36,000 --> 01:35:33,969

gets all the messages and so he learned

2523

01:35:38,160 --> 01:35:36,010

it this antenna and he he actually

2524

01:35:43,800 --> 01:35:38,170

produced that have you seen it in this

2525

01:35:46,649 --> 01:35:43,810

year in 2017 he act he had a download of

2526

01:35:49,919 --> 01:35:46,659

a thing that he draws out and two days

2527

01:35:51,270 --> 01:35:49,929

later that exact description that exact

2528

01:35:52,680 --> 01:35:51,280

thing showed up in a crop circle in

2529

01:35:54,540 --> 01:35:52,690

England and it's a very complex

2530

01:35:55,800 --> 01:35:54,550

formation and you look at his drawing

2531

01:35:59,069 --> 01:35:55,810

and you look at the crop circle and you

2532

01:36:00,510 --> 01:35:59,079

go like wow it's just like unbeli and so

2533

01:36:02,399 --> 01:36:00,520

then he said I said are you doing it

2534

01:36:03,510 --> 01:36:02,409

again this year and he said yeah and I

2535

01:36:06,030 --> 01:36:03,520

said you're doing the same weekend as

2536

01:36:08,430 --> 01:36:06,040

Ricardo and he said no I said okay I'm

2537

01:36:10,740 --> 01:36:08,440

coming and then he said he's gonna do

2538

01:36:12,030 --> 01:36:10,750

his with Sixto Paz and I and Sixto Paz

2539

01:36:16,589 --> 01:36:12,040

is the guy that started this whole thing

2540

01:36:18,419 --> 01:36:16,599

in 94 and Enrique and six told pause I

2541

01:36:20,640 --> 01:36:18,429

mean I would drive around the world to

2542

01:36:22,169 --> 01:36:20,650

see that and I'm going like wow I could

2543

01:36:24,510 --> 01:36:22,179

hardly wait it's the middle of August up

2544

01:36:26,129 --> 01:36:24,520

at Mount Shasta and I could be I'm gonna

2545

01:36:27,569 --> 01:36:26,139

be this time I'm gonna address I'm gonna

2546

01:36:32,060 --> 01:36:27,579

have like two layers of clothes are

2547

01:36:38,310 --> 01:36:34,950

the elevation there at it's freezing

2548

01:36:40,350 --> 01:36:38,320

cold at night man at night it's just

2549

01:36:42,000 --> 01:36:40,360

yeah unbelievable so anyway they're

2550

01:36:44,250 --> 01:36:42,010

having this event and that's the whole

2551
01:36:47,750 --> 01:36:44,260
thing of the Zender and and so I'm doing

2552
01:36:50,910 --> 01:36:47,760
a book on on the events there was

2553
01:36:54,149 --> 01:36:50,920
2012-2013 for Salah was involved in 2013

2554
01:36:56,339 --> 01:36:54,159
14 15 the aliens appeared 2060 now this

2555
01:36:58,050 --> 01:36:56,349
woman from Mexico who had the alien in

2556
01:36:59,910 --> 01:36:58,060
the crystal shop down below this tall

2557
01:37:02,819 --> 01:36:59,920
alien walking around and nobody's paying

2558
01:37:04,020 --> 01:37:02,829
attention just mostly what they could

2559
01:37:06,210 --> 01:37:04,030
see him right

2560
01:37:09,990 --> 01:37:06,220
yeah but it's our story it's like you I

2561
01:37:12,360 --> 01:37:10,000
said in 42 years there's no story that

2562
01:37:14,010 --> 01:37:12,370
even comes close to the story of the

2563
01:37:17,070 --> 01:37:14,020

Zandra and you have actual witnesses

2564

01:37:19,460 --> 01:37:17,080

that will actually tell you yes I saw

2565

01:37:22,770 --> 01:37:19,470

this I was there and when you take this

2566

01:37:25,050 --> 01:37:22,780

2014/2015 both of them had 10 witnesses

2567

01:37:27,330 --> 01:37:25,060

this is not like one person the 10

2568

01:37:29,160 --> 01:37:27,340

people in this Zandra that actually will

2569

01:37:30,510 --> 01:37:29,170

tell you yes there was an alien this is

2570

01:37:32,640 --> 01:37:30,520

what he looked like and they all are

2571

01:37:34,770 --> 01:37:32,650

describing the same thing it's just wild

2572

01:37:36,360 --> 01:37:34,780

wild star whereas the portal story I

2573

01:37:38,100 --> 01:37:36,370

mean there's a chance that we may be

2574

01:37:39,600 --> 01:37:38,110

able to go through a portal because

2575

01:37:41,490 --> 01:37:39,610

there's these sort of offers that you

2576

01:37:43,350 --> 01:37:41,500

know people that you know if you're at

2577

01:37:44,310 --> 01:37:43,360

the right vibration they they decide

2578

01:37:46,830 --> 01:37:44,320

they're gonna let you through or

2579

01:37:48,720 --> 01:37:46,840

whatever I wouldn't mind that but the

2580

01:37:50,760 --> 01:37:48,730

the Xandra story for the average person

2581

01:37:52,950 --> 01:37:50,770

when you see the pictures we have

2582

01:37:55,650 --> 01:37:52,960

pictures and videos of portals or of

2583

01:37:57,150 --> 01:37:55,660

Zend Rah's and we have none of the well

2584

01:37:59,520 --> 01:37:57,160

yeah we even have some of the aliens but

2585

01:38:01,830 --> 01:37:59,530

there it's the classic alien they're not

2586

01:38:05,070 --> 01:38:01,840

that clear and pictures inside the

2587

01:38:06,810 --> 01:38:05,080

andrás there's a lot of stuff yeah the

2588

01:38:09,150 --> 01:38:06,820

thing that intrigues me about the

2589

01:38:11,520 --> 01:38:09,160

syndra's and this also has to do with

2590

01:38:13,680 --> 01:38:11,530

Gary Parker it has to do with me I told

2591

01:38:15,330 --> 01:38:13,690

you the story about when I was about 20

2592

01:38:19,230 --> 01:38:15,340

years old and the lady came through my

2593

01:38:22,440 --> 01:38:19,240

wall and this white glittery glowing

2594

01:38:24,750 --> 01:38:22,450

tunnel and came you know came at me and

2595

01:38:28,380 --> 01:38:24,760

I was so flipped out now I was out of my

2596

01:38:30,560 --> 01:38:28,390

body I gotta say but that means I'm

2597

01:38:34,230 --> 01:38:30,570

vibrating at a different frequency right

2598

01:38:36,660 --> 01:38:34,240

so that's where I picked up on the fact

2599

01:38:39,270 --> 01:38:36,670

that the aliens don't necessarily this

2600

01:38:44,160 --> 01:38:39,280

isn't a ship thing this is way beyond a

2601

01:38:46,830 --> 01:38:44,170

ship thing saying for years I usually

2602

01:38:48,360 --> 01:38:46,840

think he was crazy and now this is this

2603

01:38:49,770 --> 01:38:48,370

is the whole thing is that's what John

2604

01:38:51,300 --> 01:38:49,780

is saying that's this whole thing is

2605

01:38:53,220 --> 01:38:51,310

that this is going to do with

2606

01:38:56,040 --> 01:38:53,230

consciousness and for him to go out on

2607

01:38:59,040 --> 01:38:56,050

on on the on the the edge and say that

2608

01:39:01,020 --> 01:38:59,050

this this is basically absolutely true

2609

01:39:02,130 --> 01:39:01,030

and people have to understand this that

2610

01:39:04,110 --> 01:39:02,140

unless you understand about

2611

01:39:06,180 --> 01:39:04,120

consciousness you ain't going anywhere

2612

01:39:07,920 --> 01:39:06,190

and term is to figure out UFO we've done

2613

01:39:10,050 --> 01:39:07,930

it for 70 years we watched lights in the

2614

01:39:12,300 --> 01:39:10,060

sky we tried to measure and that's what

2615

01:39:13,620 --> 01:39:12,310

Jim semi van said and is the guy who had

2616

01:39:15,930 --> 01:39:13,630

the experience and this is what he says

2617

01:39:18,030 --> 01:39:15,940

he says the idea that you can measure

2618

01:39:19,770 --> 01:39:18,040

this thing is laughable

2619

01:39:22,560 --> 01:39:19,780

how do you define something where there

2620

01:39:24,450 --> 01:39:22,570

does not appear to be any there there

2621

01:39:25,560 --> 01:39:24,460

this has got to do with consciousness

2622

01:39:27,840 --> 01:39:25,570

this has got to do with

2623

01:39:29,850 --> 01:39:27,850

multidimensionality and it's beyond our

2624

01:39:31,560 --> 01:39:29,860

present science and that's coming from

2625

01:39:34,350 --> 01:39:31,570

this this this high-level

2626

01:39:37,530 --> 01:39:34,360

guy who was an SES to a two-star general

2627

01:39:39,600 --> 01:39:37,540

in the White House a high-level guy had

2628

01:39:41,970 --> 01:39:39,610

his own experience and people have to

2629

01:39:44,280 --> 01:39:41,980

understand that consciousness is the key

2630

01:39:45,990 --> 01:39:44,290

to this whole this whole problem that's

2631

01:39:48,480 --> 01:39:46,000

right that's what they told me in all my

2632

01:39:50,430 --> 01:39:48,490

downloads so you know it's it's it's a

2633

01:39:52,680 --> 01:39:50,440

very interesting conundrum though

2634

01:39:54,510 --> 01:39:52,690

because this portal thing intrigues me a

2635

01:39:56,610 --> 01:39:54,520

lot just like you're saying but then

2636

01:39:58,710 --> 01:39:56,620

we've got the syndra's and we've also

2637

01:40:00,270 --> 01:39:58,720

got and I got a guy that I don't know if

2638

01:40:02,910 --> 01:40:00,280

you know about yet but his name's Gary

2639

01:40:05,550 --> 01:40:02,920

Parker have you ever heard of him no no

2640

01:40:08,730 --> 01:40:05,560

okay he hadn't experienced a few years

2641

01:40:10,740 --> 01:40:08,740

back where he was able he got a voice

2642

01:40:15,150 --> 01:40:10,750

talking in his head and said go down to

2643

01:40:16,680 --> 01:40:15,160

the river and scream this chant okay so

2644

01:40:20,040 --> 01:40:16,690

he goes down to the river and screams a

2645

01:40:23,190 --> 01:40:20,050

chant and a beam appears to him in it on

2646

01:40:25,560 --> 01:40:23,200

a crystal platform and he's really big

2647

01:40:28,710 --> 01:40:25,570

and there's all this stuff going on but

2648

01:40:32,130 --> 01:40:28,720

it basically he was creating a Sendra

2649

01:40:35,520 --> 01:40:32,140

yeah and this alien sitting in on in

2650

01:40:39,330 --> 01:40:35,530

this thing and and what so bizarre to me

2651
01:40:41,400 --> 01:40:39,340
is that we can do these ender things and

2652
01:40:43,350 --> 01:40:41,410
see the aliens and communicate with them

2653
01:40:46,770 --> 01:40:43,360
I don't hear the portal people talking

2654
01:40:48,690 --> 01:40:46,780
about any aliens on the other side they

2655
01:40:50,610 --> 01:40:48,700
say it's a different world they're going

2656
01:40:52,560 --> 01:40:50,620
into so maybe they're two completely

2657
01:40:54,710 --> 01:40:52,570
different things what do you think yeah

2658
01:40:57,780 --> 01:40:54,720
there could be because it doesn't sound

2659
01:41:01,130 --> 01:40:57,790
the same sort of thing and they have

2660
01:41:04,890 --> 01:41:01,140
these actuators and stuff whereas the

2661
01:41:06,660 --> 01:41:04,900
beings seem to be able to make these

2662
01:41:08,220 --> 01:41:06,670
things appear wherever they want like

2663
01:41:09,360 --> 01:41:08,230

people say well there's there's portals

2664

01:41:10,650 --> 01:41:09,370

and they're on top of these mountains

2665

01:41:12,660 --> 01:41:10,660

and they're in people's backyards and

2666

01:41:14,730 --> 01:41:12,670

stuff and I go no no these aren't on

2667

01:41:18,750 --> 01:41:14,740

specific places this is wherever they

2668

01:41:20,190 --> 01:41:18,760

decide to pop this thing out oh yeah

2669

01:41:22,280 --> 01:41:20,200

they make like a near dimensional bubble

2670

01:41:24,900 --> 01:41:22,290

and that's where they come through and

2671

01:41:26,790 --> 01:41:24,910

you get to the vibration so when you're

2672

01:41:28,590 --> 01:41:26,800

when your mind is quiet so it'll usually

2673

01:41:30,780 --> 01:41:28,600

happen at night when your mind is quiet

2674

01:41:32,550 --> 01:41:30,790

you're out of your body or dreaming

2675

01:41:35,160 --> 01:41:32,560

whatever that's what Bashara the famous

2676

01:41:38,010 --> 01:41:35,170

Chandler says we come in we come to you

2677

01:41:42,030 --> 01:41:38,020

in your dreams because now you're in our

2678

01:41:43,860 --> 01:41:42,040

world exactly that's exactly it man I

2679

01:41:46,950 --> 01:41:43,870

can't wait till the conference this year

2680

01:41:48,510 --> 01:41:46,960

is exciting nobody else shows up we're

2681

01:41:50,040 --> 01:41:48,520

all gonna have a great time

2682

01:41:51,870 --> 01:41:50,050

Oh we'll get lots of people there get

2683

01:41:53,490 --> 01:41:51,880

lots of people there cuz by then it'll

2684

01:41:54,690 --> 01:41:53,500

be moving because they're they're

2685

01:41:57,480 --> 01:41:54,700

claiming that they're gonna drop these

2686

01:41:58,890 --> 01:41:57,490

films and I've heard one thing and if

2687

01:42:00,690 --> 01:41:58,900

what happens happens

2688

01:42:04,260 --> 01:42:00,700

this thing is going to be front-page

2689

01:42:07,020 --> 01:42:04,270

news big time one more time and they

2690

01:42:10,620 --> 01:42:07,030

said January and it'll happen on a

2691

01:42:12,750 --> 01:42:10,630

Sunday but we'll see I don't want to

2692

01:42:18,960 --> 01:42:12,760

sort of upset the thing it must be in

2693

01:42:20,100 --> 01:42:18,970

February on a Sunday well in general I

2694

01:42:21,780 --> 01:42:20,110

her to be general I knew it wouldn't be

2695

01:42:23,040 --> 01:42:21,790

early because it's the Christmas thing

2696

01:42:25,290 --> 01:42:23,050

it's like the Blue Book they shut Blue

2697

01:42:27,390 --> 01:42:25,300

Book down because there's no there's no

2698

01:42:29,220 --> 01:42:27,400

reporters around but I was told while

2699

01:42:31,620 --> 01:42:29,230

Chris said that Chris said that that

2700

01:42:34,260 --> 01:42:31,630

this thing is just to prick the bubble

2701
01:42:36,930 --> 01:42:34,270
and he's on the inside and he he does

2702
01:42:40,830 --> 01:42:36,940
have very high-level contacts in there

2703
01:42:43,860 --> 01:42:40,840
and he said this thing is about to get

2704
01:42:46,230 --> 01:42:43,870
really really big they're about to drop

2705
01:42:48,330 --> 01:42:46,240
this thing this is only this is just to

2706
01:42:50,550 --> 01:42:48,340
get people's taste in the same and he

2707
01:42:52,650 --> 01:42:50,560
was talking January and Gary Nolan if

2708
01:42:56,070 --> 01:42:52,660
you go to Gary Nolan's Facebook page the

2709
01:42:57,810 --> 01:42:56,080
the DNA guy from Stanford who's part of

2710
01:43:00,720 --> 01:42:57,820
this program that watches experiences

2711
01:43:03,210 --> 01:43:00,730
DNA and their mind things with kit green

2712
01:43:05,160 --> 01:43:03,220
and and and and put on if you take a

2713
01:43:07,140 --> 01:43:05,170

look at he says same thing he's saying

2714

01:43:08,910 --> 01:43:07,150

this thing is about to blow that you

2715

01:43:11,280 --> 01:43:08,920

haven't you haven't I think he says you

2716

01:43:13,580 --> 01:43:11,290

haven't seen anything yet oh geez this

2717

01:43:16,440 --> 01:43:13,590

is gonna be so amazing so bite

2718

01:43:18,690 --> 01:43:16,450

everybody's every gonna want to see what

2719

01:43:20,430 --> 01:43:18,700

the latest update is because I'll do an

2720

01:43:22,050 --> 01:43:20,440

update and I mean right now I'm doing an

2721

01:43:24,060 --> 01:43:22,060

update every two days but I'll do an

2722

01:43:25,560 --> 01:43:24,070

update there for people that they will

2723

01:43:28,140 --> 01:43:25,570

get the the latest we'll go through the

2724

01:43:30,420 --> 01:43:28,150

whole thing and they'll have the latest

2725

01:43:32,250 --> 01:43:30,430

on what's going on because I have a lot

2726

01:43:34,080 --> 01:43:32,260

of contacts I have 81 people that I'm

2727

01:43:37,050 --> 01:43:34,090

watching on this story

2728

01:43:39,060 --> 01:43:37,060

and there's a lot of stuff happening

2729

01:43:41,850 --> 01:43:39,070

that we we gotta sort of let them spin

2730

01:43:43,919 --> 01:43:41,860

their thing out but I have you know

2731

01:43:45,959 --> 01:43:43,929

great faith that

2732

01:43:47,160 --> 01:43:45,969

we are going to get what you know and it

2733

01:43:48,899 --> 01:43:47,170

doesn't really matter whether the videos

2734

01:43:50,310 --> 01:43:48,909

are true or whatever they have changed

2735

01:43:52,350 --> 01:43:50,320

consciousness by what they've done

2736

01:43:54,060 --> 01:43:52,360

I mean people they have moved the ball

2737

01:43:55,229 --> 01:43:54,070

down the field I'll tell you and they're

2738

01:43:57,720 --> 01:43:55,239

gonna do it again that's what I'm told

2739

01:43:59,160 --> 01:43:57,730

like exactly they've either moved the

2740

01:44:05,910 --> 01:43:59,170

ball down the field or they're getting

2741

01:44:08,340 --> 01:44:05,920

ready to set off a nuclear explosion oh

2742

01:44:10,290 --> 01:44:08,350

my god well grant thank you for being

2743

01:44:12,149 --> 01:44:10,300

here this has been really wonderful and

2744

01:44:14,910 --> 01:44:12,159

thank you so much I know you're tired of

2745

01:44:17,340 --> 01:44:14,920

it all but it seems it's very intriguing

2746

01:44:19,950 --> 01:44:17,350

and it really is gonna change the world

2747

01:44:21,209 --> 01:44:19,960

so I'm glad that we're part of that you

2748

01:44:23,100 --> 01:44:21,219

know yeah well that's the thing it's the

2749

01:44:25,380 --> 01:44:23,110

as I always tell people I will end this

2750

01:44:28,950 --> 01:44:25,390

I always tell people if you understand

2751

01:44:31,169 --> 01:44:28,960

the UFO story and what's really going on

2752

01:44:32,970 --> 01:44:31,179

you are in the Superbowl of all stories

2753

01:44:36,600 --> 01:44:32,980

and you better appreciate that you got

2754

01:44:38,850 --> 01:44:36,610

to play in the game yeah exactly I do I

2755

01:44:42,959 --> 01:44:38,860

think God every day or the AI or

2756

01:44:44,850 --> 01:44:42,969

whatever I think of all I just say thank

2757

01:44:47,399 --> 01:44:44,860

you for letting me you know being part

2758

01:44:49,649 --> 01:44:47,409

of this funds right thank you darling

2759

01:44:51,630 --> 01:44:49,659

I'll tell you soon and M today take us

2760

01:44:53,700 --> 01:44:51,640

out and I'll see you guys all next week
