others here's your host paranormal

8
00:00:47,650 --> 00:00:47,329
researcher Patricia Baker on the one the

9
00:01:06,310 --> 00:00:47,660
only

10
00:01:10,100 --> 00:01:06,320
[Music]

11
00:01:14,139 --> 00:01:10,110
with my co-host Patricia Kirkman pique

12
00:01:17,480 --> 00:01:14,149
all the way to sunny - starts in the 70s

13
00:01:19,430 --> 00:01:17,490

Saturdays we're sorry but it's gonna

14

00:01:23,300 --> 00:01:19,440
cool down tomorrow so it's okay

15

00:01:28,910 --> 00:01:23,310
in the 50s dad for us yes wearing shorts

16

00:01:34,400 --> 00:01:28,920
you know oh okay

17

00:01:36,499 --> 00:01:34,410
mom so you just turn on that heater I

18

00:01:41,359 --> 00:01:36,509
have it on right now just to be a

19

00:01:47,889 --> 00:01:41,369
nothing right you're not easy living

20

00:01:50,389 --> 00:01:47,899
here with this weather like this right

21

00:01:52,580 --> 00:01:50,399
my driveway is impassable

22

00:01:55,340 --> 00:01:52,590
it is solid ice we're hoping to get it

23

00:01:56,230 --> 00:01:55,350
sanded sometime tomorrow somebody we can

24

00:01:58,910 --> 00:01:56,240
get out of here

25

00:02:01,370 --> 00:01:58,920
nobody has a medical emergency because

26

00:02:09,440 --> 00:02:01,380

they would die right here so what they

27

00:02:13,640 --> 00:02:09,450

could slide right down into the woods to

28

00:02:16,729 --> 00:02:13,650

you know our driveway put it this way it

29

00:02:19,670 --> 00:02:16,739

would not be safe no and if you say yeah

30

00:02:21,320 --> 00:02:19,680

you did a great big sander to make it

31

00:02:24,260 --> 00:02:21,330

happen oh yeah

32

00:02:26,119 --> 00:02:24,270

we need we need help oh they always got

33

00:02:29,570 --> 00:02:26,129

some you think we could put Kim out

34

00:02:37,699 --> 00:02:29,580

there on the job we might my dad your

35

00:02:39,830 --> 00:02:37,709

kid oh well I'm gonna have willing to

36

00:02:41,839 --> 00:02:39,840

brave you know that they've learned

37

00:02:44,390 --> 00:02:41,849

something my two little guys who I love

38

00:02:49,089 --> 00:02:44,400

with all my heart my little Shih Tzu's

39

00:02:52,220 --> 00:02:49,099

they know it's like it's cold it's snowy

40

00:02:55,130 --> 00:02:52,230

we're gonna run out the front door about

41

00:02:57,470 --> 00:02:55,140

four feet and we do our business and we

42

00:03:00,080 --> 00:02:57,480

come right back in and we're done yeah

43

00:03:02,930 --> 00:03:00,090

and I've got votes for them that are

44

00:03:04,759 --> 00:03:02,940

like parkas they're heavy they're warm

45

00:03:07,339 --> 00:03:04,769

they'll care it's like just let me back

46

00:03:10,390 --> 00:03:07,349

in this is not where ever you want to be

47

00:03:12,500 --> 00:03:10,400

snow you give those shoes for them too

48

00:03:14,449 --> 00:03:12,510

you know what I'm

49

00:03:16,670 --> 00:03:14,459

I can't find the right kind of shoes now

50

00:03:19,039 --> 00:03:16,680

listeners if you know of any good shoes

51
00:03:22,460 --> 00:03:19,049
for shih tzus let me know because their

52
00:03:25,039 --> 00:03:22,470
paws are really wide and their legs are

53
00:03:26,600 --> 00:03:25,049
really thin so I can't find any shoes

54
00:03:30,559 --> 00:03:26,610
but I do have something else I have

55
00:03:33,110 --> 00:03:30,569
mushers secret which is a great product

56
00:03:34,670 --> 00:03:33,120
and it's kind of like Vaseline but it

57
00:03:37,580 --> 00:03:34,680
doesn't make a mess all over your house

58
00:03:39,740 --> 00:03:37,590
you put it on their paws and it gives

59
00:03:44,119 --> 00:03:39,750
them just like a little bit of

60
00:03:46,250 --> 00:03:44,129
insulation so that they don't stick to

61
00:03:48,050 --> 00:03:46,260
anything frozen out there so it's it's

62
00:03:50,420 --> 00:03:48,060
the best I can do for right now but if

63
00:03:52,129 --> 00:03:50,430

you listeners know of any good booties I

64

00:03:54,140 --> 00:03:52,139

could try for them just he isn't a me an

65

00:03:55,520 --> 00:03:54,150

email I don't know trying to keep them

66

00:03:59,629 --> 00:03:55,530

comfortable for their two minutes

67

00:04:02,660 --> 00:03:59,639

outside Sampo nice and they might stay

68

00:04:06,680 --> 00:04:02,670

for four I could they might they might

69

00:04:08,599 --> 00:04:06,690

indeed yeah I get could no but I'm very

70

00:04:11,569 --> 00:04:08,609

cautious with them and any kind of cold

71

00:04:14,809 --> 00:04:11,579

weather there so anyways just absolutely

72

00:04:17,569 --> 00:04:14,819

gorgeous yes well we have a really great

73

00:04:18,890 --> 00:04:17,579

show planned for tonight we may have to

74

00:04:22,219 --> 00:04:18,900

take a little bit of a detour because

75

00:04:24,850 --> 00:04:22,229

our guest has some phone trouble our

76

00:04:27,529 --> 00:04:24,860

guest is Stanley krypter doctor yes

77

00:04:31,219 --> 00:04:27,539

we've been dying to interview for like

78

00:04:32,750 --> 00:04:31,229

two years and finally he decided to come

79

00:04:35,300 --> 00:04:32,760

on the show because he has a new book

80

00:04:37,879 --> 00:04:35,310

out and it's called the shamanic powers

81

00:04:41,120 --> 00:04:37,889

of Rolling Thunder and we want to hear

82

00:04:44,870 --> 00:04:41,130

from him so but if we don't guess waters

83

00:04:49,180 --> 00:04:44,880

off and everyone talked about it he best

84

00:04:51,860 --> 00:04:49,190

call in he best and the thing is this

85

00:04:53,360 --> 00:04:51,870

I've met Rolling Thunder I've got my own

86

00:04:57,110 --> 00:04:53,370

stories and you

87

00:05:00,980 --> 00:04:57,120

piqué know somebody who was there with

88

00:05:02,870 --> 00:05:00,990

him and also has stories to tell so the

89

00:05:05,450 --> 00:05:02,880

two of us we will have stories and also

90

00:05:07,279 --> 00:05:05,460

from the book that we've read so we're

91

00:05:08,000 --> 00:05:07,289

gonna do our best to entertain all of

92

00:05:11,480 --> 00:05:08,010

you tonight

93

00:05:14,899 --> 00:05:11,490

with Rolling Thunder and who he was as a

94

00:05:17,290 --> 00:05:14,909

man as a medicine man as a shaman as a

95

00:05:19,850 --> 00:05:17,300

legend because he truly was a legend Oh

96

00:05:22,010 --> 00:05:19,860

stick I checked people through dream

97

00:05:24,350 --> 00:05:22,020

work believe it or not so we're gonna

98

00:05:26,140 --> 00:05:24,360

get to as much of that as we can this

99

00:05:28,540 --> 00:05:26,150

evening but first and flu

100

00:05:32,560 --> 00:05:28,550

most what's going on in this crazy world

101
00:05:34,540 --> 00:05:32,570
where the numbers PK well come on why

102
00:05:39,490 --> 00:05:34,550
would you consider the world to be crazy

103
00:05:40,720 --> 00:05:39,500
at all well firstly you got to remember

104
00:05:43,180 --> 00:05:40,730
that this month is all about

105
00:05:46,120 --> 00:05:43,190
communications and creativity right and

106
00:05:48,130 --> 00:05:46,130
then today on top of that it's a two

107
00:05:50,530 --> 00:05:48,140
days everybody's overly sensitive which

108
00:05:53,470 --> 00:05:50,540
can make them insensitive just as

109
00:05:56,980 --> 00:05:53,480
quickly so it's just time to sit back

110
00:05:59,050 --> 00:05:56,990
relax let it be you can't fix it don't

111
00:06:02,020 --> 00:05:59,060
worry about it do the best you can now

112
00:06:03,550 --> 00:06:02,030
let it go let it go let it go that's the

113
00:06:06,450 --> 00:06:03,560

way it's gonna work either better we'll

114

00:06:08,860 --> 00:06:06,460

get some extra information from the pups

115

00:06:15,420 --> 00:06:08,870

they know about what's happening and

116

00:06:20,760 --> 00:06:17,950

well you know you said there were gonna

117

00:06:23,910 --> 00:06:20,770

be a lot more secrets coming out and

118

00:06:27,280 --> 00:06:23,920

sensations flying back and forth

119

00:06:30,400 --> 00:06:27,290

harassment concerns and all of that and

120

00:06:32,110 --> 00:06:30,410

who knows with this Russia probe and it

121

00:06:34,600 --> 00:06:32,120

goes on and on but they don't seem to

122

00:06:36,160 --> 00:06:34,610

come up with anything so I don't know

123

00:06:38,200 --> 00:06:36,170

and then there's of course the Clinton

124

00:06:41,140 --> 00:06:38,210

situation that I hear is it's gonna be

125

00:06:44,320 --> 00:06:41,150

open season as they've been up to so

126

00:06:46,720 --> 00:06:44,330

we'll we'll see I heard from my guy on

127

00:06:47,950 --> 00:06:46,730

the inside there were many arrests all

128

00:06:52,150 --> 00:06:47,960

them the other day said where they are

129

00:06:55,390 --> 00:06:52,160

us we're waiting so we'll see what

130

00:06:56,860 --> 00:06:55,400

happens there's a lot of things taking

131

00:06:58,710 --> 00:06:56,870

place and that's what we're talking

132

00:07:01,570 --> 00:06:58,720

about the creativity the communications

133

00:07:03,700 --> 00:07:01,580

there's a lot of stuff shake rattle and

134

00:07:05,140 --> 00:07:03,710

roll out there if people are trying to

135

00:07:07,750 --> 00:07:05,150

well look at the Hollywood stars

136

00:07:11,440 --> 00:07:07,760

everybody's pointing fingers he said she

137

00:07:13,360 --> 00:07:11,450

said oh my god it's it's like a carnival

138

00:07:15,340 --> 00:07:13,370

where they got the little ducks going

139

00:07:19,750 --> 00:07:15,350

across and you get to take a pop shot

140

00:07:23,290 --> 00:07:19,760

yeah it's like a Pandora's box and it's

141

00:07:25,390 --> 00:07:23,300

open now so yeah and I didn't matter

142

00:07:26,830 --> 00:07:25,400

what somebody said oh that wasn't what

143

00:07:29,050 --> 00:07:26,840

you said that's what your attempt was

144

00:07:30,640 --> 00:07:29,060

and you're going oh please

145

00:07:32,260 --> 00:07:30,650

let's get real let's take care of the

146

00:07:34,870 --> 00:07:32,270

real people that are the pain in the

147

00:07:35,950 --> 00:07:34,880

butts let the good people get on their

148

00:07:38,590 --> 00:07:35,960

way take care of what needs to be

149

00:07:39,940 --> 00:07:38,600

happening exactly exactly this shouldn't

150

00:07:41,500 --> 00:07:39,950

be a witch hunt but it they should

151
00:07:43,810 --> 00:07:41,510
be holding people accountable but the

152
00:07:44,560 --> 00:07:43,820
whole industry has been so corrupt for

153
00:07:48,610 --> 00:07:44,570
so long

154
00:07:52,030 --> 00:07:48,620
so you know it is what it is but anyways

155
00:07:54,940 --> 00:07:52,040
but we do have a good show plan we do

156
00:07:57,610 --> 00:07:54,950
know we also have some things to talk

157
00:07:59,740 --> 00:07:57,620
about we have the Australian healthcare

158
00:08:01,870 --> 00:07:59,750

159
00:08:04,030 --> 00:08:01,880

detail about your year based on your

172

name and your birth date right they get

173

00:08:45,790 --> 00:08:43,790

to find out what's happening where

174

00:08:47,230 --> 00:08:45,800

they're going how fast they're gonna get

175

00:08:50,350 --> 00:08:47,240

there or if they'd better put the brakes

176
00:08:52,270 --> 00:08:50,360
on or what they want to avoid there you

177
00:08:54,550 --> 00:08:52,280

00:09:08,410 --> 00:09:05,150
offering a brand new brand new

183
00:09:11,110 --> 00:09:08,420
leading-edge service and it's so cool

184
00:09:13,480 --> 00:09:11,120
and so I just started working with

185
00:09:17,980 --> 00:09:13,490
people on this and what it's what it's

186
00:09:20,500 --> 00:09:17,990
about is finding out who your spirit

187
00:09:23,890 --> 00:09:20,510
team is learning how to work with them

188
00:09:27,880 --> 00:09:23,900

so it's not just guardian angel this is

189

00:09:29,800 --> 00:09:27,890

a team from the other side it will work

190

00:09:32,440 --> 00:09:29,810

with you and so what I can tell you is

191

00:09:34,810 --> 00:09:32,450

this is something I learned from my work

192

00:09:38,920 --> 00:09:34,820

with American school that when you have

193

00:09:41,020 --> 00:09:38,930

one entity or one guiding spirit on the

194

00:09:44,410 --> 00:09:41,030

other side that's very nice that's all

195

00:09:46,840 --> 00:09:44,420

well and good however if you have an

196

00:09:50,800 --> 00:09:46,850

entire team on the other side is working

197

00:09:53,269 --> 00:09:50,810

together for your best interest for your

198

00:09:55,850 --> 00:09:53,279

highest good for your consciousness

199

00:10:00,739 --> 00:09:55,860

expansion everything happens much more

200

00:10:02,629 --> 00:10:00,749

quickly and it's the way to go so I am

201
00:10:05,210 --> 00:10:02,639
now offering sessions in this to help

202
00:10:07,639 --> 00:10:05,220
everybody who wants to do this find out

203
00:10:10,369 --> 00:10:07,649
who their team is bring that team

204
00:10:12,980 --> 00:10:10,379
together and then set the goals that

205
00:10:15,710 --> 00:10:12,990
they want to work with with that spirit

206
00:10:17,840 --> 00:10:15,720
team so that's a whole new service I'm

207
00:10:19,879 --> 00:10:17,850
offering it's against leading-edge I

208
00:10:22,129 --> 00:10:19,889
don't use anybody out there that's doing

209
00:10:24,710 --> 00:10:22,139
this I don't know of anyone that doesn't

210
00:10:27,829 --> 00:10:24,720
either and you're so good at what you do

211
00:10:31,009 --> 00:10:27,839
any opportunity people have you utilize

212
00:10:33,170 --> 00:10:31,019
this they need to check in with you well

213
00:10:36,079 --> 00:10:33,180

thank you very much it's very exciting

214

00:10:38,059 --> 00:10:36,089

work it's very powerful work so again

finding out that's going on in the world

242

00:11:55,429 --> 00:11:50,579

today and in the other world

243

00:11:58,040 --> 00:11:55,439

so yes and piqué gonna say did you want

244

00:12:00,590 --> 00:11:58,050

me to take a look at Rolling Thunder by

245

00:12:01,840 --> 00:12:00,600

his yes saying I would ever know he's

246

00:12:04,840 --> 00:12:01,850

got two names

247

00:12:08,620 --> 00:12:04,850

he was born with and now his and also

248

00:12:10,629 --> 00:12:08,630

his his Native American title so yeah

249

00:12:11,680 --> 00:12:10,639

what did you find you've been looking at

250

00:12:14,259 --> 00:12:11,690

this you found some very interesting

251

00:12:15,699 --> 00:12:14,269

things well a couple of things were very

252

00:12:18,519 --> 00:12:15,709

interesting I was fortunate enough to

253

00:12:20,319 --> 00:12:18,529

talk to a gentleman named miles Howe who

254

00:12:23,499 --> 00:12:20,329

worked with Rolling Thunder back in the

255

00:12:26,530 --> 00:12:23,509

80s so I was very fortunate to get them

256

00:12:29,860 --> 00:12:26,540

additional information so his birth name

257

00:12:32,439 --> 00:12:29,870

was John Walter Polk and taking a look

258

00:12:34,360 --> 00:12:32,449

at that in his birthday this gentleman

259

00:12:36,759 --> 00:12:34,370

came into this lifetime having issues

260

00:12:39,699 --> 00:12:36,769

with the father figure but he was here

261

00:12:41,559 --> 00:12:39,709

I'm to be a part of the world at large

262

00:12:44,290 --> 00:12:41,569

he's here for the masses and that's

263

00:12:47,620 --> 00:12:44,300

exactly what he was but when you take a

264

00:12:51,579 --> 00:12:47,630

look at his name very sensitive not a

265

00:12:54,340 --> 00:12:51,589

big ego at all and very direct but he

266

00:12:57,939 --> 00:12:54,350

had something to say as John Walter Pope

267

00:13:00,670 --> 00:12:57,949

but very spiritual very into it all

268

00:13:03,009 --> 00:13:00,680

aspects of it but when we switched over

269

00:13:05,949 --> 00:13:03,019

to the name Rolling Thunder

270

00:13:10,210 --> 00:13:05,959

this is a man who had absolutely no ego

271

00:13:14,439 --> 00:13:10,220

at all now he was here to communicate be

272

00:13:16,540 --> 00:13:14,449

creative outgoing very into all aspects

273

00:13:18,790 --> 00:13:16,550

of what had to be taken care of without

274

00:13:20,829 --> 00:13:18,800

falter but when it came to making

275

00:13:22,840 --> 00:13:20,839

changes or communicating or what he

276

00:13:25,600 --> 00:13:22,850

offered to the world at large it was

277

00:13:28,179 --> 00:13:25,610

always about creativity communications

278

00:13:29,710 --> 00:13:28,189

and making it a higher level so I

279

00:13:32,429 --> 00:13:29,720

thought that was very interesting to

280

00:13:35,410 --> 00:13:32,439

take a look at how he dealt with things

281

00:13:37,960 --> 00:13:35,420

yes and it's so interesting that when he

282

00:13:41,350 --> 00:13:37,970

took on the name of Rolling Thunder how

283

00:13:44,829 --> 00:13:41,360

it kind of erased his ego it did so it

284

00:13:46,749 --> 00:13:44,839

even accentuated his desire to help

285

00:13:49,300 --> 00:13:46,759

others in the world and the earth that

286

00:13:52,600 --> 00:13:49,310

was his big mission and it made it so

287

00:13:54,720 --> 00:13:52,610

much easier for him creatively there was

288

00:13:57,280 --> 00:13:54,730

always something more to deal with

289

00:14:01,329 --> 00:13:57,290

when I mentioned that I ever talked to

290

00:14:03,790 --> 00:14:01,339

miles how this morning he said that he

291

00:14:06,999 --> 00:14:03,800

had a great sense of humor he said used

292

00:14:09,100 --> 00:14:07,009

to smoke a pipe all the time he said

293

00:14:09,610 --> 00:14:09,110

that the tobacco use was called Seven

294

00:14:11,829 --> 00:14:09,620

Brothers

295

00:14:13,480 --> 00:14:11,839

but he said he had a good sense of humor

296

00:14:15,100 --> 00:14:13,490

he said they were telling you the smoky

297

00:14:15,730 --> 00:14:15,110

too much so he said he was going to

298

00:14:19,270 --> 00:14:15,740

smoke

299

00:14:22,510 --> 00:14:19,280

my brother's instead that way to be less

300

00:14:24,610 --> 00:14:22,520

less to deal with but the artist giving

301

00:14:28,000 --> 00:14:24,620

some tidbits about things that he did

302

00:14:31,870 --> 00:14:28,010

which I found fascinating work anytime

303

00:14:34,570 --> 00:14:31,880

it rained he collected the water because

304

00:14:37,450 --> 00:14:34,580

he used it for making medicines and or

305

00:14:41,320 --> 00:14:37,460

plants to deal with that for himself he

306

00:14:43,060 --> 00:14:41,330

also was excuse me he had retired from

307

00:14:45,490 --> 00:14:43,070

the railroad and I didn't have any idea

308

00:14:47,500 --> 00:14:45,500

that he had been part of the railroad he

309

00:14:50,980 --> 00:14:47,510

was that's right background was from

310

00:14:54,310 --> 00:14:50,990

Oklahoma and the is all of his

311

00:14:56,530 --> 00:14:54,320

ceremonies and sunrise ceremonies were

312

00:15:00,250 --> 00:14:56,540

done daily regardless but the weather

313

00:15:02,290 --> 00:15:00,260

was amazing working for him yeah but he

314

00:15:05,230 --> 00:15:02,300

had a commute they were basically lives

315

00:15:07,240 --> 00:15:05,240

in a commune style where all Indians

316

00:15:09,010 --> 00:15:07,250

were invited even if you were just a

317

00:15:10,300 --> 00:15:09,020

smidgeon Indian you were still invited

318

00:15:12,580 --> 00:15:10,310

as part of the group

319

00:15:14,440 --> 00:15:12,590

but they would grow your own food with

320

00:15:16,300 --> 00:15:14,450

their own settings and he said they also

321

00:15:18,750 --> 00:15:16,310

had goats where they could make cheese

322

00:15:21,790 --> 00:15:18,760

and milks and whatever so they were all

323

00:15:23,890 --> 00:15:21,800

self-sufficient within the commune and

324

00:15:26,850 --> 00:15:23,900

the property I think we'll find out as

325

00:15:31,420 --> 00:15:26,860

we talk later was purchased for him by

326

00:15:34,810 --> 00:15:31,430

one of his musician groups yes it was

327

00:15:37,000 --> 00:15:34,820

Mickey Hart wasn't it yes yep amazing

328

00:15:39,760 --> 00:15:37,010

yeah I guess you have nabbed with some

329

00:15:42,700 --> 00:15:39,770

of these celebrities and we're gonna

330

00:15:44,860 --> 00:15:42,710

00:17:10,570 --> 00:17:07,540

message is still very important today

364

00:17:13,890 --> 00:17:10,580

you know you've not you knew him when he

365

00:17:17,220 --> 00:17:13,900

was alive for many years right I

366

00:17:22,260 --> 00:17:17,230

actually knew him more than 20 years

367

00:17:25,150 --> 00:17:22,270

right up to the time of his death and I

368

00:17:28,090 --> 00:17:25,160

had the great fortune of being in this

369

00:17:31,690 --> 00:17:28,100

very last birthday party which was held

370

00:17:34,480 --> 00:17:31,700

in Santa Cruz California and those of

371

00:17:37,510 --> 00:17:34,490

your listeners who have read our books

372

00:17:39,010 --> 00:17:37,520

about Rolling Thunder mm-hmm I think the

373

00:17:41,740 --> 00:17:39,020

voice of Rolling Thunder and the

374

00:17:43,900 --> 00:17:41,750

shamanic powers of Rolling Thunder know

375

00:17:48,310 --> 00:17:43,910

that when he had his birthday party in

376

00:17:53,020 --> 00:17:48,320

Santa Cruz California we had Denison

377

00:17:56,320 --> 00:17:53,030

meet we had succotash we had Indian

378

00:18:00,970 --> 00:17:56,330

apples we had many many traditional

379

00:18:03,250 --> 00:18:00,980

Indian foods another few days later he

380

00:18:05,350 --> 00:18:03,260

simply packed up a bluff he said I've

381

00:18:07,990 --> 00:18:05,360

got to get out of here something bad is

382

00:18:10,270 --> 00:18:08,000

going to happen and he went back to

383

00:18:13,240 --> 00:18:10,280

Nevada and wouldn't you know what the

384

00:18:19,570 --> 00:18:13,250

very next day was e Loma Prieta

385

00:18:22,390 --> 00:18:19,580

earthquake right in the area where he

386

00:18:23,050 --> 00:18:22,400

had been staying in Santa Cruz Oh for

387

00:18:27,010 --> 00:18:23,060

heaven sakes

388

00:18:30,370 --> 00:18:27,020

my god well he was somebody who was so

389

00:18:33,400 --> 00:18:30,380

tuned in to the earth to the animals and

390

00:18:35,620 --> 00:18:33,410

to people right I mean he knew how to

391

00:18:37,450 --> 00:18:35,630

read people to but that's amazing he

392

00:18:41,530 --> 00:18:37,460

knew that something bad was coming and

393

00:18:42,670 --> 00:18:41,540

it was that earthquake oh my gosh amazed

394

00:18:46,450 --> 00:18:42,680

you're right that's a good

395

00:18:49,660 --> 00:18:46,460

were to use he said he was tuned in he

396

00:18:52,480 --> 00:18:49,670

doesn't claim that he was a prophet or

397

00:18:55,630 --> 00:18:52,490

could see as of the future he said it's

398

00:18:58,920 --> 00:18:55,640

just a matter of tuning in and talking

399

00:19:02,230 --> 00:18:58,930

to the animals listening to the birds

400

00:19:06,010 --> 00:19:02,240

giving a feel for the earth and the

401
00:19:11,530 --> 00:19:06,020
water and the wind and they know what's

402
00:19:17,560 --> 00:19:11,540
going to happen before we do in human to

403
00:19:20,650 --> 00:19:17,570
nature helps you to forecast well he was

404
00:19:23,230 --> 00:19:20,660
an incredible legend as as you mentioned

405
00:19:26,530 --> 00:19:23,240
his legend his legendary presence still

406
00:19:30,040 --> 00:19:26,540
is felt by many people in dreams and in

407
00:19:33,700 --> 00:19:30,050
other states of consciousness but

408
00:19:36,600 --> 00:19:33,710
certainly he was remarkable and what he

409
00:19:39,340 --> 00:19:36,610
was able to do let's start with his name

410
00:19:41,560 --> 00:19:39,350
Rolling Thunder he was able to call

411
00:19:47,080 --> 00:19:41,570
forth thunder and lightning and rain

412
00:19:52,540 --> 00:19:47,090
storms right well he surely had that

413
00:19:55,690 --> 00:19:52,550

reputation and in our book the shamanic

414

00:19:57,670 --> 00:19:55,700

powers of Rolling Thunder we tell the

415

00:20:00,730 --> 00:19:57,680

story of Larry Dossey who's a very

416

00:20:04,860 --> 00:20:00,740

well-known physician and he was at

417

00:20:07,720 --> 00:20:04,870

Rolling Thunder in Dallas Texas and a

418

00:20:13,200 --> 00:20:07,730

newspaper reporter came to hear roaring

419

00:20:20,860 --> 00:20:15,880

snide and that's the article about

420

00:20:24,130 --> 00:20:20,870

Rolling Thunder LA yeah Rolling Thunder

421

00:20:26,560 --> 00:20:24,140

phoned him at the office and he said I

422

00:20:31,270 --> 00:20:26,570

guess if you don't believe in the Native

423

00:20:33,340 --> 00:20:31,280

American ways and the newspaper reporter

424

00:20:38,490 --> 00:20:33,350

said oh I just don't believe in nonsense

425

00:20:41,020 --> 00:20:38,500

and superstition and belief I said just

426
00:20:43,450 --> 00:20:41,030
alert your newspaper there's something

427
00:20:46,150 --> 00:20:43,460
that's going to happen in the next 24

428
00:20:47,080 --> 00:20:46,160
hours and the Sooners ruling Thunder

429
00:20:50,260 --> 00:20:47,090
left town

430
00:20:52,480 --> 00:20:50,270
there was raining thunder and lightning

431
00:20:55,420 --> 00:20:52,490
there was a summer storm that never

432
00:20:56,350 --> 00:20:55,430
occurs in Dallas Texas at that time of

433
00:21:00,190 --> 00:20:56,360
year

434
00:21:03,520 --> 00:21:00,200
and so Rolling Thunder was right but you

435
00:21:05,920 --> 00:21:03,530
think the newspaper reporter II wounded

436
00:21:06,580 --> 00:21:05,930
article about us in the newspaper no he

437
00:21:10,840 --> 00:21:06,590
doesn't

438
00:21:14,080 --> 00:21:10,850

oh that's stinker that's no fair no it's

439

00:21:16,480 --> 00:21:14,090

not fair but but Larry Dossey and others

440

00:21:19,660 --> 00:21:16,490

recorded it and so it's not a matter of

441

00:21:21,250 --> 00:21:19,670

history exact music exactly and he

442

00:21:23,470 --> 00:21:21,260

that's one of the things he was known

443

00:21:24,460 --> 00:21:23,480

for I remember when he came to Hartford

444

00:21:27,480 --> 00:21:24,470

Connecticut

445

00:21:30,580 --> 00:21:27,490

many years ago and there were

446

00:21:33,820 --> 00:21:30,590

thunderstorms for three days before he

447

00:21:37,120 --> 00:21:33,830

got there and for three days after he

448

00:21:38,830 --> 00:21:37,130

left and again that's what I was told he

449

00:21:42,430 --> 00:21:38,840

said you can expect this and sure enough

450

00:21:46,780 --> 00:21:42,440

mm-hmm that's what he brought before we

451

00:21:49,360 --> 00:21:46,790

even got there we were getting ready

452

00:21:52,060 --> 00:21:49,370

from the naiton Nature was responding to

453

00:21:55,060 --> 00:21:52,070

his his power and his energy and he was

454

00:21:57,900 --> 00:21:55,070

a very commanding presence I'll never

455

00:22:01,180 --> 00:21:57,910

forget meeting him he was just power

456

00:22:05,890 --> 00:22:01,190

personified but as PK mentioned no ego

457

00:22:10,150 --> 00:22:05,900

just mm-hmm very powerful yes indeed and

458

00:22:12,760 --> 00:22:10,160

he knew how to control his power and to

459

00:22:17,410 --> 00:22:12,770

use it for positive things like healing

460

00:22:19,540 --> 00:22:17,420

people and making crops grow because

461

00:22:23,290 --> 00:22:19,550

when you have that amount of power it's

462

00:22:25,990 --> 00:22:23,300

very eager it's very easy to let your

463

00:22:28,900 --> 00:22:26,000

ego get the best of you it has no off

464

00:22:30,970 --> 00:22:28,910

the Rolling Thunder never showed off he

465

00:22:34,720 --> 00:22:30,980

just used the power for very positive

466

00:22:37,900 --> 00:22:34,730

things that's wonderful yes it was

467

00:22:41,110 --> 00:22:37,910

amazing just amazing it the other thing

468

00:22:42,520 --> 00:22:41,120

that I recall when I met him that time

469

00:22:44,980 --> 00:22:42,530

and he was lecturing there and in

470

00:22:47,500 --> 00:22:44,990

Hartford somebody brought me over to the

471

00:22:49,570 --> 00:22:47,510

window now we were high up in one of the

472

00:22:52,480 --> 00:22:49,580

high-rise buildings where he was about

473

00:22:54,670 --> 00:22:52,490

to speak but that they said look outside

474

00:22:57,520 --> 00:22:54,680

and looked outside and there were

475

00:23:04,930 --> 00:22:57,530

coyotes on the sidewalk in Hartford

476

00:23:07,180 --> 00:23:04,940

Connecticut oh my god and I know that

477

00:23:09,010 --> 00:23:07,190

was one of the animals that he was very

478

00:23:09,940 --> 00:23:09,020

close to and as you talked about in the

479

00:23:11,680 --> 00:23:09,950

book

480

00:23:14,470 --> 00:23:11,690

he was able to communicate very easily

481

00:23:16,899 --> 00:23:14,480

with them and I didn't know any of this

482

00:23:19,299 --> 00:23:16,909

you know when I met him but I was amazed

483

00:23:22,299 --> 00:23:19,309

when I saw those coyotes walking down

484

00:23:27,039 --> 00:23:22,309

the sidewalk right outside the building

485

00:23:29,350 --> 00:23:27,049

where he was just oh you were the voice

486

00:23:32,049 --> 00:23:29,360

of Rolling Thunder I tell the story

487

00:23:35,049 --> 00:23:32,059

about how when I visited Rolling Thunder

488

00:23:37,360 --> 00:23:35,059

one night he took me off to the very

489

00:23:40,180 --> 00:23:37,370

edge of the woods where his property

490

00:23:45,870 --> 00:23:40,190

ends and were the woods begins and he

491

00:23:49,899 --> 00:23:45,880

started to hoot and he started the bark

492

00:23:53,409 --> 00:23:49,909

and I was not surprised at anything that

493

00:23:56,440 --> 00:23:53,419

he would do but what he was actually up

494

00:24:00,370 --> 00:23:56,450

to is to call the Coyotes out of the

495

00:24:02,769 --> 00:24:00,380

woods came a pack of coyotes and they

496

00:24:05,230 --> 00:24:02,779

came very close to her so close I could

497

00:24:07,659 --> 00:24:05,240

have reached out and touched them well

498

00:24:10,690 --> 00:24:07,669

so the pack started the conversation

499

00:24:13,779 --> 00:24:10,700

with Rolling Thunder and they spoke

500

00:24:16,269 --> 00:24:13,789

barks yelps back on the fourth with each

501
00:24:19,629 --> 00:24:16,279
other for oh I would say four or five

502
00:24:22,539 --> 00:24:19,639
minutes and then I went back into the

503
00:24:23,799 --> 00:24:22,549
woods and I said Rolling Thunder what

504
00:24:26,470 --> 00:24:23,809
was that all about

505
00:24:30,430 --> 00:24:26,480
he said well of his renewing our

506
00:24:33,340 --> 00:24:30,440
contract we have promised that we will

507
00:24:35,560 --> 00:24:33,350
not kill any of the coyote and in

508
00:24:37,960 --> 00:24:35,570
exchange they say they will not raise

509
00:24:40,930 --> 00:24:37,970
our chicken coop and killing of our

510
00:24:44,200 --> 00:24:40,940
chickens and we're the only farmer out

511
00:24:46,419 --> 00:24:44,210
here that the Coyotes leave alone and

512
00:24:49,509 --> 00:24:46,429
we've never had a chicken loss of the

513
00:24:53,110 --> 00:24:49,519

Coyotes not be damn credible just

514

00:24:55,269 --> 00:24:53,120

incredible again that's an amazing

515

00:24:57,909 --> 00:24:55,279

ability that he had we say it's amazing

516

00:25:01,570 --> 00:24:57,919

but to him this was just the natural way

517

00:25:03,580 --> 00:25:01,580

of boozing or yeah it's just phenomenal

518

00:25:07,840 --> 00:25:03,590

when you think about the things that he

519

00:25:12,220 --> 00:25:07,850

was able to achieve yes yes it was

520

00:25:14,950 --> 00:25:12,230

amazing and he's certainly missed there

521

00:25:17,440 --> 00:25:14,960

are what now listen I'm just take this

522

00:25:21,820 --> 00:25:17,450

off for a second dr. Krueger because I

523

00:25:23,950 --> 00:25:21,830

knew I was lucky blessed enough to be

524

00:25:27,430 --> 00:25:23,960

introduced to a number of Medicine

525

00:25:29,830 --> 00:25:27,440

ocean of festivals and also who's in

526

00:25:31,960 --> 00:25:29,840

your book who gave a wonderful testament

527

00:25:35,440 --> 00:25:31,970

to Rolling Thunder mm-hmm

528

00:25:39,160 --> 00:25:35,450

slow turtle Philip dear mad bear

529

00:25:41,470 --> 00:25:39,170

Anderson these people and just again

530

00:25:44,170 --> 00:25:41,480

they walked their talk they were

531

00:25:47,590 --> 00:25:44,180

powerful people and they were here to

532

00:25:51,640 --> 00:25:47,600

help us but since their passing I have

533

00:25:55,060 --> 00:25:51,650

yet to meet anybody who can even come

534

00:25:57,250 --> 00:25:55,070

close to what they were able to do and

535

00:25:58,600 --> 00:25:57,260

how they walked on this planet so I

536

00:26:00,040 --> 00:25:58,610

don't know maybe I haven't met the right

537

00:26:04,300 --> 00:26:00,050

people yet but what do you think about

538

00:26:07,510 --> 00:26:04,310

that well you know you talk about the

539

00:26:10,870 --> 00:26:07,520

celebrated people who he met Buckminster

540

00:26:16,060 --> 00:26:10,880

Fuller the inventor of the geodesic dome

541

00:26:19,060 --> 00:26:16,070

and famous author and philosopher and

542

00:26:22,180 --> 00:26:19,070

architect actually this is a grueling

543

00:26:26,680 --> 00:26:22,190

thunder stamp because he wanted to see

544

00:26:28,510 --> 00:26:26,690

the domes that had been erected and he

545

00:26:31,930 --> 00:26:28,520

was really very pleased that they have

546

00:26:34,360 --> 00:26:31,940

taken his model and they had built the

547

00:26:38,020 --> 00:26:34,370

domes out of a type of plastic called

548

00:26:43,090 --> 00:26:38,030

mylar plastic because an artist by the

549

00:26:46,300 --> 00:26:43,100

name of Christophe and a commissioned to

550

00:26:50,260 --> 00:26:46,310

do a ribbon of mylar plastic across

551
00:26:52,930 --> 00:26:50,270
Sonoma County in California and it was

552
00:26:57,430 --> 00:26:52,940
so beautiful they had to have guards

553
00:26:59,230 --> 00:26:57,440
standing every few yards to keep people

554
00:27:02,710 --> 00:26:59,240
from stealing the plastic such was

555
00:27:05,290 --> 00:27:02,720
service silver happy times okay it's

556
00:27:11,160 --> 00:27:05,300
very exquisite now when they finally

557
00:27:14,530 --> 00:27:11,170
finish the art show after several months

558
00:27:17,260 --> 00:27:14,540
Christophe gave Rolling Thunder a lot of

559
00:27:19,510 --> 00:27:17,270
that by law plastic and that's what he

560
00:27:23,800 --> 00:27:19,520
used to construct the domes on his

561
00:27:26,590 --> 00:27:23,810
property in the other way oh what a

562
00:27:32,080 --> 00:27:26,600
wonderful gift from mr. fuller that's

563
00:27:34,600 --> 00:27:32,090

incredible and those don't kept those

564

00:27:37,420 --> 00:27:34,610

he's out in the summer and kept the heat

565

00:27:40,210 --> 00:27:37,430

in in the wintertime it was just

566

00:27:44,530 --> 00:27:40,220

they needed for a comfortable living

567

00:27:47,050 --> 00:27:44,540

place amazing and that's what he set out

568

00:27:49,210 --> 00:27:47,060

to do is create a new community that

569

00:27:50,860 --> 00:27:49,220

that would be self-sustaining and he was

570

00:27:54,220 --> 00:27:50,870

successful when now he had a lot of

571

00:27:57,580 --> 00:27:54,230

support people around him that that did

572

00:27:59,710 --> 00:27:57,590

support his idea and and came to help I

573

00:28:01,420 --> 00:27:59,720

mean I know and I met him he had a troop

574

00:28:02,800 --> 00:28:01,430

with him there were a lot of people with

575

00:28:06,220 --> 00:28:02,810

him that had trapped it actually

576

00:28:07,810 --> 00:28:06,230

traveled with him so anyways it's just

577

00:28:09,670 --> 00:28:07,820

been remarkable now I have a question

578

00:28:12,130 --> 00:28:09,680

for you dr. Crippen er from the chat

579

00:28:14,650 --> 00:28:12,140

room from Patrice who's asking who or

580

00:28:21,700 --> 00:28:14,660

what did Rolling Thunder credit his

581

00:28:27,040 --> 00:28:21,710

powers to he never made that big issue

582

00:28:30,610 --> 00:28:27,050

of it and he never tried to persuade

583

00:28:33,300 --> 00:28:30,620

people to come but he had actors like

584

00:28:36,130 --> 00:28:33,310

Candice Bergen and Jane Fonda comes him

585

00:28:41,020 --> 00:28:36,140

with their film cruisers so that they

586

00:28:43,360 --> 00:28:41,030

could film the beautiful domes the name

587

00:28:46,690 --> 00:28:43,370

of the community was never party which

588

00:28:51,520 --> 00:28:46,700

means go in peace and he was devoting up

589

00:28:54,280 --> 00:28:51,530

to peaceful ways of living and he taught

590

00:28:57,250 --> 00:28:54,290

people how the arbitrates disagreements

591

00:29:00,580 --> 00:28:57,260

they never had any long fights or

592

00:29:02,890 --> 00:29:00,590

rivalries at the camp and he had people

593

00:29:05,710 --> 00:29:02,900

there free literally from all over the

594

00:29:07,360 --> 00:29:05,720

world sometimes there were 50 people

595

00:29:10,210 --> 00:29:07,370

there sometimes there were hundred

596

00:29:12,220 --> 00:29:10,220

people there sometimes they stayed for a

597

00:29:15,130 --> 00:29:12,230

few days sometimes they stayed for a few

598

00:29:18,130 --> 00:29:15,140

years but they all got something out of

599

00:29:20,200 --> 00:29:18,140

the experience and to this day they tell

600

00:29:23,530 --> 00:29:20,210

me about what they learned that mettaton

601
00:29:26,890 --> 00:29:23,540
tea and how that has been so helpful in

602
00:29:30,340 --> 00:29:26,900
providing balance to their life that's

603
00:29:32,590 --> 00:29:30,350
amazing again his rich continues even to

604
00:29:35,200 --> 00:29:32,600
this day well we're going to take a very

605
00:29:36,550 --> 00:29:35,210
short commercial break everybody and

606
00:29:39,130 --> 00:29:36,560
we're going to come back and I'm gonna

607
00:29:41,230 --> 00:29:39,140
follow up on Patrice's question because

608
00:29:43,330 --> 00:29:41,240
I have an additional question to

609
00:29:45,880 --> 00:29:43,340
Patrice's that we're going to find out a

610
00:29:49,270 --> 00:29:45,890
little bit more about rolling thunders

611
00:29:50,980 --> 00:29:49,280
lineage and where he got these abilities

612
00:29:55,060 --> 00:29:50,990
he's amazing

613
00:29:57,190 --> 00:29:55,070

abilities that he used so judiciously so

614

00:30:00,280 --> 00:29:57,200

anyways everybody you are listening to

615

00:30:00,820 --> 00:30:00,290

supernatural girls radio we'll be right

616

00:30:05,440 --> 00:30:00,830

back

617

00:30:09,580 --> 00:30:05,450

Girls radio I'm your host Patricia Baker

618

00:30:11,980 --> 00:30:09,590

I am here with my co-host PK and we are

619

00:30:14,950 --> 00:30:11,990

here with our illustrious guest tonight

620

00:30:17,260 --> 00:30:14,960

and his name is dr. Stanley krepner he's

621

00:30:20,080 --> 00:30:17,270

the author and co-author of this new

622

00:30:22,570 --> 00:30:20,090

book shamanic powers of Rolling Thunder

623

00:30:25,510 --> 00:30:22,580

and we were talking about this man is

624

00:30:27,790 --> 00:30:25,520

truly a legend truly a legend and now we

625

00:30:31,000 --> 00:30:27,800

had a question dr. Crippen ER right

626
00:30:35,830 --> 00:30:31,010
before the break from patrice about who

627
00:30:37,840 --> 00:30:35,840
or what did Rolling Thunder credit with

628
00:30:40,419 --> 00:30:37,850
his powers where did his powers come

629
00:30:43,450 --> 00:30:40,429
from do is that something he felt came

630
00:30:45,970 --> 00:30:43,460
from his lineage from his father

631
00:30:49,360 --> 00:30:45,980
grandfather mother grandmother did it

632
00:30:53,910 --> 00:30:49,370
come from something in his own line well

633
00:30:58,770 --> 00:30:53,920
he did have some noted healers in his

634
00:31:02,140 --> 00:30:58,780
ancestry but to tell you the truth he

635
00:31:08,100 --> 00:31:02,150
really worked very hard on developing

636
00:31:12,220 --> 00:31:08,110
his powers himself for example he was

637
00:31:16,860 --> 00:31:12,230
not 100% sure he because he had some

638
00:31:24,150 --> 00:31:16,870

Caucasian ancestry but he was more

639

00:31:31,990 --> 00:31:27,549

actually studied the whole Cherokee way

640

00:31:36,100 --> 00:31:32,000

of healing but he also studied a number

641

00:31:41,530 --> 00:31:36,110

of other medicine traditions and he said

642

00:31:45,280 --> 00:31:41,540

that he could go back and forth with six

643

00:31:47,799 --> 00:31:45,290

different Native American medical

644

00:31:50,169 --> 00:31:47,809

systems and each of them came from

645

00:31:53,250 --> 00:31:50,179

different parts of the country so each

646

00:32:01,150 --> 00:31:53,260

of them had their own special type of

647

00:32:04,210 --> 00:32:01,160

herbs and one time I visited his his

648

00:32:04,840 --> 00:32:04,220

trailer that he had been given and then

649

00:32:09,360 --> 00:32:04,850

the tray

650

00:32:13,090 --> 00:32:09,370

all of the herbs were put in boxes or

651
00:32:16,600 --> 00:32:13,100
Google cloth sacks and they were

652
00:32:18,999 --> 00:32:16,610
identified and he knew which every one

653
00:32:22,120 --> 00:32:19,009
of those herbs could be used for and

654
00:32:25,659 --> 00:32:22,130
those herbs came from different

655
00:32:29,499 --> 00:32:25,669
different traditions he had a lot of

656
00:32:31,269 --> 00:32:29,509
Shoshone connections and the great deal

657
00:32:36,269 --> 00:32:31,279
of a Shoshone herbs

658
00:32:42,570 --> 00:32:36,279
he also Apache connections so he had

659
00:32:48,669 --> 00:32:42,580
command of a lot of different medicine

660
00:32:51,490 --> 00:32:48,679
systems but also he had Chinese doctor

661
00:32:53,440 --> 00:32:51,500
friends who had left him Chinese herbs

662
00:32:57,820 --> 00:32:53,450
had told them how to use the Chinese

663
00:33:00,299 --> 00:32:57,830

herbs and then he had Western medical

664

00:33:03,190 --> 00:33:00,309

friends and they gave him some

665

00:33:05,889 --> 00:33:03,200

pharmaceutical samples of Western

666

00:33:09,730 --> 00:33:05,899

medicine and told him how he could use

667

00:33:12,549 --> 00:33:09,740

those and he once told me you know I

668

00:33:15,009 --> 00:33:12,559

don't care what the herb is what the

669

00:33:19,180 --> 00:33:15,019

medicine is as long as it helps people

670

00:33:20,889 --> 00:33:19,190

I'm happy to use it wonderful so it was

671

00:33:23,499 --> 00:33:20,899

very well-versed in many different

672

00:33:26,409 --> 00:33:23,509

traditions now there's a story in the

673

00:33:28,840 --> 00:33:26,419

book that's quite remarkable about a

674

00:33:32,830 --> 00:33:28,850

young boy that was brought in with a

675

00:33:35,740 --> 00:33:32,840

very deep wound and he was able to heal

676

00:33:38,080 --> 00:33:35,750

it like in a matter of what minutes I

677

00:33:40,659 --> 00:33:38,090

mean it's just incredible story can you

678

00:33:43,090 --> 00:33:40,669

tell us that you know that yeah that was

679

00:33:45,490 --> 00:33:43,100

quite a story and that was witnessed by

680

00:33:50,430 --> 00:33:45,500

several people so you can't say that it

681

00:33:53,230 --> 00:33:50,440

was made up actually the full story is

682

00:33:56,560 --> 00:33:53,240

that's when Rowling father gave a

683

00:33:58,230 --> 00:33:56,570

lecture for the Edgar Cayce people at

684

00:34:02,080 --> 00:33:58,240

Virginia Beach Virginia

685

00:34:04,539 --> 00:34:02,090

they wanted to bring in two young boys

686

00:34:07,810 --> 00:34:04,549

who were not able to go to school they

687

00:34:09,899 --> 00:34:07,820

were so sick and so Rolling Thunder had

688

00:34:13,359 --> 00:34:09,909

a friend of mine go and get some

689

00:34:16,419 --> 00:34:13,369

beefsteak and he was going to use two

690

00:34:18,580 --> 00:34:16,429

pieces of beefsteak in the healing so

691

00:34:23,500 --> 00:34:18,590

the night came for the healing

692

00:34:27,240 --> 00:34:23,510

and he had both of the boys cops and he

693

00:34:31,810 --> 00:34:27,250

went to the first boy and he put the

694

00:34:36,430 --> 00:34:31,820

beefsteak underneath the cot and then he

695

00:34:41,620 --> 00:34:36,440

took out his eagle feathers and he

696

00:34:44,620 --> 00:34:41,630

started the Pope on the boy and started

697

00:34:48,490 --> 00:34:44,630

to give the boy some energy and the boy

698

00:34:51,940 --> 00:34:48,500

was saying I already feel better and

699

00:34:57,640 --> 00:34:51,950

then that's beef steak underneath the

700

00:35:00,250 --> 00:34:57,650

cop began to smoke and the smoke covered

701
00:35:09,370 --> 00:35:00,260
the boy and the smoke actually took the

702
00:35:12,490 --> 00:35:09,380
form of a wolf and you know the smoke

703
00:35:14,890 --> 00:35:12,500
went out and the boys out dinner and the

704
00:35:18,760 --> 00:35:14,900
next week the boy was back in school for

705
00:35:24,580 --> 00:35:18,770
the first time in years came for the

706
00:35:29,290 --> 00:35:24,590
second boy and the smoke started to come

707
00:35:32,170 --> 00:35:29,300
up and then the true Surtur's petered

708
00:35:35,350 --> 00:35:32,180
out and the in Rolling Thunder said you

709
00:35:40,360 --> 00:35:35,360
know that boy's mother will not let me

710
00:35:44,140 --> 00:35:40,370
heal her son oh my school she'll be all

711
00:35:47,220 --> 00:35:44,150
alone she have any company and as long

712
00:35:50,290 --> 00:35:47,230
as he's sick she's in control of him and

713
00:35:53,290 --> 00:35:50,300

she'll have somebody at home to talk to

714

00:35:56,830 --> 00:35:53,300

and she won't feel alone well can you

715

00:35:59,740 --> 00:35:56,840

imagine a mother who would be so selfish

716

00:36:02,020 --> 00:35:59,750

as to not let her son be healed but

717

00:36:04,660 --> 00:36:02,030

rolling feather said her energy is just

718

00:36:07,690 --> 00:36:04,670

too strong and she's keeping the son

719

00:36:10,990 --> 00:36:07,700

from being healed so people have a

720

00:36:14,470 --> 00:36:11,000

chance to see two different varieties of

721

00:36:16,960 --> 00:36:14,480

mother love once was a giving type of

722

00:36:19,570 --> 00:36:16,970

lover the one was a taking type of love

723

00:36:23,110 --> 00:36:19,580

and the giving love help the boy gets

724

00:36:27,370 --> 00:36:23,120

cured and the taking love kept the boy

725

00:36:30,790 --> 00:36:27,380

as a little envelope that is an amazing

726

00:36:32,320 --> 00:36:30,800

story isn't that sad and but also it

727

00:36:34,870 --> 00:36:32,330

says a lot about rolling

728

00:36:37,030 --> 00:36:34,880

thunder was able to discern this right

729

00:36:39,970 --> 00:36:37,040

yeah I mean he was able to figure this

730

00:36:42,220 --> 00:36:39,980

out immediately and then there was

731

00:36:45,370 --> 00:36:42,230

another story in the book about this

732

00:36:50,370 --> 00:36:45,380

little boy that had this I guess very

733

00:36:53,620 --> 00:36:50,380

serious deep into the muscle wound then

734

00:36:55,240 --> 00:36:53,630

again the mist came back and you tell us

735

00:36:58,300 --> 00:36:55,250

about that because the mist showed up

736

00:37:09,070 --> 00:36:58,310

again the smoke and he used a seagull

737

00:37:11,320 --> 00:37:09,080

feather oh good heavens yes the you've

738

00:37:17,860 --> 00:37:11,330

got to give me a clue because I'm trying

739

00:37:21,160 --> 00:37:17,870

to see go feather and he kept waving it

740

00:37:25,630 --> 00:37:21,170

over this very deep wound this amazed me

741

00:37:28,360 --> 00:37:25,640

in the book waving it over and it just

742

00:37:31,170 --> 00:37:28,370

kept it just like healed before

743

00:37:36,070 --> 00:37:31,180

everybody's eyes until it was just pink

744

00:37:38,800 --> 00:37:36,080

healthy skin left over this wound yes a

745

00:37:43,540 --> 00:37:38,810

the Rolling Thunder was very close to

746

00:37:45,820 --> 00:37:43,550

Eagles and he felt that eagle feathers

747

00:37:49,480 --> 00:37:45,830

has a great deal of healing property in

748

00:37:52,360 --> 00:37:49,490

them and sure enough the he used that

749

00:37:54,730 --> 00:37:52,370

eagle feather and passion over the boys

750

00:37:57,280 --> 00:37:54,740

wound he had been injured in some sort

751

00:38:00,570 --> 00:37:57,290

of a sports event and right before

752

00:38:03,400 --> 00:38:00,580

everybody's eyes the wound healed up

753

00:38:05,620 --> 00:38:03,410

that's just incredible and it happened

754

00:38:09,910 --> 00:38:05,630

just in a very short period of time

755

00:38:12,100 --> 00:38:09,920

that's unheard of he was a shapeshifter

756

00:38:14,860 --> 00:38:12,110

that he could turn himself into

757

00:38:18,100 --> 00:38:14,870

different shapes one of his favorite

758

00:38:21,130 --> 00:38:18,110

shapes is the eagle and he said that he

759

00:38:24,760 --> 00:38:21,140

could turn himself into an eagle and fly

760

00:38:27,550 --> 00:38:24,770

around the skies and he would stop and

761

00:38:32,440 --> 00:38:27,560

he would ask other eagles what was going

762

00:38:35,230 --> 00:38:32,450

on down below and he could cover a lot

763

00:38:37,990 --> 00:38:35,240

of distance that way and that's sort of

764

00:38:41,080 --> 00:38:38,000

how he got his news about the condition

765

00:38:43,060 --> 00:38:41,090

that the earth was in incredible you

766

00:38:45,610 --> 00:38:43,070

know you must be psychic dr. Crippin er

767

00:38:48,850 --> 00:38:45,620

because that was the next question

768

00:38:51,160 --> 00:38:48,860

from from the chat room was from Katniss

769

00:38:54,100 --> 00:38:51,170

it was just about what you you answered

770

00:38:56,980 --> 00:38:54,110

about his shape-shifting abilities so

771

00:39:02,160 --> 00:38:56,990

that's an incredible coincidence I would

772

00:39:04,810 --> 00:39:02,170

say oh yes well Rolling Thunder

773

00:39:07,420 --> 00:39:04,820

also has a bit pretty good sense of

774

00:39:09,640 --> 00:39:07,430

humor as you said and you talked out

775

00:39:11,920 --> 00:39:09,650

Mickey Hart of the Grateful Dead and

776

00:39:13,990 --> 00:39:11,930

Mickey Hart and the Grateful Dead are

777

00:39:17,380 --> 00:39:14,000

still playing under the name doesn't

778

00:39:19,690 --> 00:39:17,390

company and one day I got a phone call

779

00:39:22,570 --> 00:39:19,700

from Mickey Hart saying that he'd seen

780

00:39:26,590 --> 00:39:22,580

Rolling Thunder on collecting herbs on

781

00:39:29,740 --> 00:39:26,600

his field outside his ranch and he was

782

00:39:31,810 --> 00:39:29,750

going to prepare a dinner for him so my

783

00:39:34,930 --> 00:39:31,820

wife and I went up for dinner but the

784

00:39:39,460 --> 00:39:34,940

Rolling Thunder didn't show up and I

785

00:39:45,100 --> 00:39:39,470

said to Mickey you know let me just

786

00:39:48,900 --> 00:39:45,110

phone rolling thunders ranch and and see

787

00:39:52,540 --> 00:39:48,910

if he is there and we phoned his ranch

788

00:39:56,110 --> 00:39:52,550

and sure enough Rolling Thunder came to

789

00:39:58,930 --> 00:39:56,120

the phone and then Mickey sort of

790

00:40:01,060 --> 00:39:58,940

spoiled my surprise he said Rolling

791

00:40:03,880 --> 00:40:01,070

Thunder how could you be at the ranch I

792

00:40:05,920 --> 00:40:03,890

saw you picking herbs this morning you

793

00:40:08,110 --> 00:40:05,930

see I had intended to ask Rolling

794

00:40:11,590 --> 00:40:08,120

Thunder what were you doing at 10

795

00:40:14,170 --> 00:40:11,600

o'clock this morning none of you that

796

00:40:16,750 --> 00:40:14,180

well I was collecting herbs on Nicky's

797

00:40:18,670 --> 00:40:16,760

ranch that was a pretty good

798

00:40:22,090 --> 00:40:18,680

demonstration that he turned himself

799

00:40:27,580 --> 00:40:22,100

into an eagle but Mickey was so excited

800

00:40:30,250 --> 00:40:27,590

that he just blew the story so what was

801
00:40:32,770 --> 00:40:30,260
Rolling Thunder to say he said well you

802
00:40:35,530 --> 00:40:32,780
know I have somebody here I'm doctoring

803
00:40:37,450 --> 00:40:35,540
and he needed some special herbs and I

804
00:40:38,200 --> 00:40:37,460
knew that you had those herbs on your

805
00:40:40,990 --> 00:40:38,210
wrath

806
00:40:44,530 --> 00:40:41,000
so I just shape-shifted myself into an

807
00:40:47,260 --> 00:40:44,540
eagle eye when I picked up the herbs I

808
00:40:51,460 --> 00:40:47,270
brought them back and the guy that I'm

809
00:40:53,310 --> 00:40:51,470
doctor is doing fine now amazing so now

810
00:40:57,520 --> 00:40:53,320
you gotta tell everybody the the

811
00:40:59,079 --> 00:40:57,530
distance involved where were you guys as

812
00:41:01,359 --> 00:40:59,089
opposed to where this

813
00:41:06,719 --> 00:41:01,369

ranches in Nevada how many hundreds of

814

00:41:11,229 --> 00:41:06,729

miles away was that oh yes his ranches

815

00:41:15,190 --> 00:41:11,239

moved to Sebastopol actually because

816

00:41:17,019 --> 00:41:15,200

I've actually been the three different

817

00:41:20,469 --> 00:41:17,029

ranches of his and they keep getting

818

00:41:23,170 --> 00:41:20,479

bigger and bigger as he now he has a

819

00:41:26,259 --> 00:41:23,180

ranch this actually has horses on it and

820

00:41:28,930 --> 00:41:26,269

so he can go horseback riding too bad

821

00:41:32,920 --> 00:41:28,940

that Rolling Thunder didn't live to see

822

00:41:35,019 --> 00:41:32,930

that ranch but Mickey is out touring

823

00:41:38,650 --> 00:41:35,029

with the musicians so often that he

824

00:41:41,440 --> 00:41:38,660

doesn't get much of a chance to spend on

825

00:41:46,289 --> 00:41:41,450

his ranch even though it's a very very

826
00:41:51,969 --> 00:41:46,299
very beautiful place but Rolling Thunder

827
00:41:55,029 --> 00:41:51,979
actually is connected to me through

828
00:41:59,849 --> 00:41:55,039
Mickey Hart because I met Mickey Hart of

829
00:42:03,390 --> 00:41:59,859
the party and Mickey Hart wanted to

830
00:42:07,779 --> 00:42:03,400
introduce me to Rolling Thunder and so

831
00:42:10,989 --> 00:42:07,789
one time when I was available

832
00:42:15,279 --> 00:42:10,999
he flew Rolling Thunder from the data in

833
00:42:19,989 --> 00:42:15,289
a private plane and the grateful that

834
00:42:22,599 --> 00:42:19,999
were performing in San Francisco and the

835
00:42:26,049 --> 00:42:22,609
intermission who should I see walking

836
00:42:28,719 --> 00:42:26,059
down the aisle that this very strong and

837
00:42:32,910 --> 00:42:28,729
powerful Native American guy with a

838
00:42:39,160 --> 00:42:35,769

you must be Rolling Thunder and he said

839

00:42:43,390 --> 00:42:39,170

yes you must be dr. Crippen er that is

840

00:42:45,880 --> 00:42:43,400

how we met well you bring up an another

841

00:42:49,660 --> 00:42:45,890

very interesting chapter in the book

842

00:42:51,940 --> 00:42:49,670

from ocean of festivals that he liked

843

00:42:55,690 --> 00:42:51,950

the ladies and that's the name of the

844

00:42:56,890 --> 00:42:55,700

chapter so he he did have a fine eye for

845

00:42:59,920 --> 00:42:56,900

ladies did he not

846

00:43:08,219 --> 00:42:59,930

oh yes people have to read the book to

847

00:43:12,730 --> 00:43:10,390

unlike what you hear today

848

00:43:15,099 --> 00:43:12,740

Rolling Thunder never

849

00:43:18,839 --> 00:43:15,109

took advantage of women the Rolling

850

00:43:23,079 --> 00:43:18,849

Thunder never was gross or crass or

851

00:43:26,079 --> 00:43:23,089

pushy with women he always treated them

852

00:43:28,079 --> 00:43:26,089

with great respect and I think that's

853

00:43:31,540 --> 00:43:28,089

why they liked him in return

854

00:43:34,200 --> 00:43:31,550

mm-hmm and on top of that all Rolling

855

00:43:39,730 --> 00:43:34,210

Thunder was very devoted to his wife's

856

00:43:42,700 --> 00:43:39,740

spotted thong and spotted thong was an

857

00:43:44,530 --> 00:43:42,710

excellent cook and at metha Tati the

858

00:43:49,690 --> 00:43:44,540

spiritual community that they head

859

00:43:52,930 --> 00:43:49,700

together she was in charge of the

860

00:43:56,589 --> 00:43:52,940

kitchen and she knew how they make the

861

00:43:59,620 --> 00:43:56,599

most delicious Indian dishes and passed

862

00:44:03,990 --> 00:43:59,630

on that skill whoo the people who stayed

863

00:44:06,870 --> 00:44:04,000

there and then when the Rolling Thunder

864

00:44:10,260 --> 00:44:06,880

called me one day and said that his wife

865

00:44:14,799 --> 00:44:10,270

spotted thought was very very sick I

866

00:44:19,450 --> 00:44:14,809

came to help her out by hypnotizing her

867

00:44:21,730 --> 00:44:19,460

to reduce the pain and ruling father had

868

00:44:23,410 --> 00:44:21,740

paid a lot of money to have healers

869

00:44:25,510 --> 00:44:23,420

through the three from all over the

870

00:44:27,339 --> 00:44:25,520

country come and help her out and of

871

00:44:29,650 --> 00:44:27,349

course I didn't charge anything I just

872

00:44:32,410 --> 00:44:29,660

thought that I could be of service and

873

00:44:34,240 --> 00:44:32,420

the Rolling Thunder later told me that

874

00:44:36,579 --> 00:44:34,250

I'd been more helpful than any of the

875

00:44:40,059 --> 00:44:36,589

healers and he'd paid thousands of

876

00:44:41,950 --> 00:44:40,069

dollars to come and I was just doing it

877

00:44:44,849 --> 00:44:41,960

out of the goodness of my heart because

878

00:44:49,349 --> 00:44:44,859

spotted father was such a beautiful

879

00:44:50,770 --> 00:44:49,359

beautiful woman and when she passed

880

00:44:54,430 --> 00:44:50,780

Rolling Thunder

881

00:44:56,650 --> 00:44:54,440

went into the Great Depression and then

882

00:44:58,240 --> 00:44:56,660

his spiritual community really didn't

883

00:45:05,200 --> 00:44:58,250

last much longer than that

884

00:45:09,730 --> 00:45:05,210

and so for ten years mettaton tea was

885

00:45:11,920 --> 00:45:09,740

doing very very well as long as spotted

886

00:45:15,970 --> 00:45:11,930

fawn was alive I always thought that she

887

00:45:19,030 --> 00:45:15,980

was the heart of mellotoxin so it sounds

888

00:45:20,890 --> 00:45:19,040

like yes I think a lot of time lek tree

889

00:45:24,309 --> 00:45:20,900

doing workshops and all the money

890

00:45:26,860 --> 00:45:24,319

hearings came for the up heap of mother

891

00:45:31,480 --> 00:45:26,870

potty so that he could have a

892

00:45:33,970 --> 00:45:31,490

a model community so in our book we have

893

00:45:36,760 --> 00:45:33,980

many many stories about methyl Ponte and

894

00:45:40,360 --> 00:45:36,770

the purse

895

00:45:43,030 --> 00:45:40,370

maybe someday somebody will have the

896

00:45:45,460 --> 00:45:43,040

money and the time and the land to do

897

00:45:48,850 --> 00:45:45,470

something similar in terms of teaching

898

00:45:52,300 --> 00:45:48,860

people Native American wisdom Native

899

00:45:54,670 --> 00:45:52,310

American herbs Native American medicine

900

00:45:57,940 --> 00:45:54,680

all the things that Rolling Thunder

901
00:46:00,490 --> 00:45:57,950
tried to teach that would be a wonderful

902
00:46:02,380 --> 00:46:00,500
thing a wonderful gift if that happened

903
00:46:04,540 --> 00:46:02,390
but and you know what you're talking

904
00:46:07,360 --> 00:46:04,550
about is interesting too because being a

905
00:46:08,890 --> 00:46:07,370
medicine man does not mean that you

906
00:46:11,470 --> 00:46:08,900
don't have tragedy in your life he

907
00:46:14,080 --> 00:46:11,480
certainly did have tragedy in his life

908
00:46:17,830 --> 00:46:14,090
when he lost his first wife and child in

909
00:46:21,370 --> 00:46:17,840
a fire and then his second wife who was

910
00:46:23,710 --> 00:46:21,380
so beloved so there again there was just

911
00:46:26,170 --> 00:46:23,720
it doesn't mean because you're a shaman

912
00:46:27,790 --> 00:46:26,180
or your medicine person that you don't

913
00:46:29,830 --> 00:46:27,800

have things happen like that in your

914

00:46:32,560 --> 00:46:29,840

life there's still challenges to face

915

00:46:35,530 --> 00:46:32,570

and that last one with his wife who

916

00:46:37,090 --> 00:46:35,540

passed they did bring him to his knees

917

00:46:40,680 --> 00:46:37,100

that's for sure and it did affect the

918

00:46:44,790 --> 00:46:40,690

community greatly and not a good way oh

919

00:46:49,300 --> 00:46:44,800

yes here your apps absolutely right and

920

00:46:53,470 --> 00:46:49,310

while he was on the sacred lamb never

921

00:46:56,020 --> 00:46:53,480

Ponte in Nevada he had bought the lab

922

00:46:59,050 --> 00:46:56,030

and he got a treat because there was no

923

00:47:01,420 --> 00:46:59,060

water on the land and so he determined

924

00:47:05,350 --> 00:47:01,430

that he was going to find a spring of

925

00:47:09,040 --> 00:47:05,360

water and he took his dozing sticks and

926

00:47:12,340 --> 00:47:09,050

he went around the land and when the

927

00:47:14,830 --> 00:47:12,350

thousand six went down he had his people

928

00:47:16,420 --> 00:47:14,840

dig and sure enough they found a spring

929

00:47:20,950 --> 00:47:16,430

of water even though there was not

930

00:47:22,780 --> 00:47:20,960

supposed to be water there a few months

931

00:47:26,950 --> 00:47:22,790

later he went to the other end of the

932

00:47:29,950 --> 00:47:26,960

property and took 2006 again and were

933

00:47:33,280 --> 00:47:29,960

the thousand six went down they found

934

00:47:34,290 --> 00:47:33,290

another spring of water so he had water

935

00:47:39,210 --> 00:47:34,300

on both

936

00:47:42,600 --> 00:47:39,220

of his property and both of those had

937

00:47:45,690 --> 00:47:42,610

been on his very very first try I was

938

00:47:49,170 --> 00:47:45,700

actually out of the lab and if he would

939

00:47:50,910 --> 00:47:49,180

have tried to dig five or six or seven

940

00:47:53,010 --> 00:47:50,920

holes I would have seen them

941

00:47:55,530 --> 00:47:53,020

though he knew right where the water was

942

00:47:58,230 --> 00:47:55,540

on the very first try and he found

943

00:48:02,070 --> 00:47:58,240

enough spring water to keep his whole

944

00:48:04,170 --> 00:48:02,080

community from getting thirsty at all so

945

00:48:08,220 --> 00:48:04,180

that could be used for cooking and for

946

00:48:09,870 --> 00:48:08,230

washing that's very amazing you know

947

00:48:12,270 --> 00:48:09,880

right out in the desert like that to be

948

00:48:14,100 --> 00:48:12,280

able to find water and again you know

949

00:48:17,010 --> 00:48:14,110

it's something I'm gonna go back PK to

950

00:48:19,740 --> 00:48:17,020

what you said about he had no ego right

951
00:48:21,990 --> 00:48:19,750
and and so he had he must have had that

952
00:48:26,210 --> 00:48:22,000
direct connection to source to be able

953
00:48:30,500 --> 00:48:26,220
to do these things right dr. krypter

954
00:48:36,380 --> 00:48:30,510
well he was not a name-dropper

955
00:48:43,710 --> 00:48:40,470
some of his visitors Bob Dylan visited

956
00:48:46,050 --> 00:48:43,720
Rolling Thunder because Bob Dylan liked

957
00:48:49,490 --> 00:48:46,060
the early sunrise services the throbbing

958
00:48:52,110 --> 00:48:49,500
Thunder did early in the morning and

959
00:48:54,990 --> 00:48:52,120
Rolling Thunder never made a big deal

960
00:48:57,660 --> 00:48:55,000
out of that even though Bob Dylan once

961
00:49:01,110 --> 00:48:57,670
had a touring show called the Rolling

962
00:49:03,810 --> 00:49:01,120
Thunder revue and rolling saucer was

963
00:49:07,620 --> 00:49:03,820

always advised to come to those shows

964

00:49:10,290 --> 00:49:07,630

and serve on the stage and one time he

965

00:49:14,940 --> 00:49:10,300

was in Manhattan and the driver was

966

00:49:17,550 --> 00:49:14,950

driving too fast and the police arrested

967

00:49:20,810 --> 00:49:17,560

them and he said why are you going so

968

00:49:31,790 --> 00:49:20,820

fast and the Rolling Thunder said well

969

00:49:37,830 --> 00:49:35,160

the guest passes and the ruling and then

970

00:49:40,440 --> 00:49:37,840

the police officers okay I can believe

971

00:49:46,290 --> 00:49:40,450

you the other get for you those want to

972

00:49:47,880 --> 00:49:46,300

be late so off they went oh that's so

973

00:49:50,700 --> 00:49:47,890

funny goodness

974

00:49:51,960 --> 00:49:50,710

now here's my question also this is this

975

00:49:54,269 --> 00:49:51,970

is from Katy

976

00:49:57,599 --> 00:49:54,279

dr. Crippen er and Katy's asking did

977

00:50:00,630 --> 00:49:57,609

doctors ever study him his brain to see

978

00:50:07,160 --> 00:50:00,640

if he had any unusual activity in areas

979

00:50:12,470 --> 00:50:07,170

that are not common for most people well

980

00:50:15,420 --> 00:50:12,480

there were always unusual activities but

981

00:50:22,979 --> 00:50:15,430

living at methyl Ponte his spiritual

982

00:50:26,130 --> 00:50:22,989

community was really more like daily

983

00:50:28,019 --> 00:50:26,140

ordinary living and learning from the

984

00:50:30,150 --> 00:50:28,029

animals learning from the weather

985

00:50:36,269 --> 00:50:30,160

learning from Rolling Thunder who would

986

00:50:38,999 --> 00:50:36,279

give talks and he was not one to show

987

00:50:41,029 --> 00:50:39,009

off like pointing up to the sky and

988

00:50:44,849 --> 00:50:41,039

bringing down a bolt of lightning

989

00:50:47,279 --> 00:50:44,859

when these pants happened he just

990

00:50:51,180 --> 00:50:47,289

happened in the ordinary context of

991

00:50:53,120 --> 00:50:51,190

happening and I always tried to get

992

00:50:56,249 --> 00:50:53,130

Rolling Thunder to write his own book

993

00:50:58,440 --> 00:50:56,259

and you know he was just so modest he

994

00:51:02,069 --> 00:50:58,450

said well that sounds like I'm bragging

995

00:51:03,479 --> 00:51:02,079

and boasting and I still wish he would

996

00:51:06,359 --> 00:51:03,489

have written his own book or had

997

00:51:09,989 --> 00:51:06,369

somebody write up for him but the next

998

00:51:12,779 --> 00:51:09,999

best thing that we could do was to work

999

00:51:16,739 --> 00:51:12,789

with his grandson Scindia Morningstar

1000

00:51:20,190 --> 00:51:16,749

and that's why we have now two books on

1001

00:51:22,739 --> 00:51:20,200

Rolling Thunder the voice of Rolling

1002

00:51:25,410 --> 00:51:22,749

Thunder and then the shamanic powers of

1003

00:51:29,279 --> 00:51:25,420

Rolling Thunder and the voice of Rolling

1004

00:51:31,440 --> 00:51:29,289

Thunder resolves from tape recorded

1005

00:51:35,940 --> 00:51:31,450

lectures that Mickey Hart had done over

1006

00:51:38,609 --> 00:51:35,950

the years Mickey had a dozen lectures

1007

00:51:41,309 --> 00:51:38,619

and we were able to take those lectures

1008

00:51:44,430 --> 00:51:41,319

and transcribe them and use rolling

1009

00:51:46,559 --> 00:51:44,440

thunders exact words in the book so that

1010

00:51:51,269 --> 00:51:46,569

was a great gift for Mickey Hart it was

1011

00:51:53,339 --> 00:51:51,279

very far sizes of him to have a solid

1012

00:51:56,609 --> 00:51:53,349

engine or some pretty good solid equip

1013

00:52:00,870 --> 00:51:56,619

them hmm and to take a recording of

1014

00:52:01,740 --> 00:52:00,880

rolling thunders lectures oh why so very

1015

00:52:05,550 --> 00:52:01,750

wise

1016

00:52:08,640 --> 00:52:05,560

yes now his sons were they not involved

1017

00:52:14,849 --> 00:52:08,650

with the work the way that Rolling

1018

00:52:17,400 --> 00:52:14,859

Thunder did it though I didn't hear

1019

00:52:20,609 --> 00:52:17,410

about question you have to repeat did

1020

00:52:23,070 --> 00:52:20,619

his sons have any idea or work with

1021

00:52:26,130 --> 00:52:23,080

Rolling Thunder in the same capacity as

1022

00:52:28,440 --> 00:52:26,140

Rolling Thunder beneath the talents his

1023

00:52:31,740 --> 00:52:28,450

grandson only metal many sons are once

1024

00:52:37,170 --> 00:52:31,750

or twice yes young Rolling Thunder

1025

00:52:39,300 --> 00:52:37,180

actually has a couple of sons and

1026

00:52:41,790 --> 00:52:39,310

Buffalo horse is the one that we quote

1027

00:52:45,450 --> 00:52:41,800

extensively in the book and I've spent a

1028

00:52:48,740 --> 00:52:45,460

lot of time with Buffalo horse he

1029

00:52:53,910 --> 00:52:48,750

doesn't feel called to be a healer and

1030

00:52:55,800 --> 00:52:53,920

so he has taken another path and so

1031

00:52:58,890 --> 00:52:55,810

people who have studied with Rolling

1032

00:53:02,790 --> 00:52:58,900

Thunder extensively usually are not

1033

00:53:07,740 --> 00:53:02,800

members of his immediate family Kenneth

1034

00:53:11,640 --> 00:53:07,750

Cohen is actually a Taoist practitioner

1035

00:53:13,020 --> 00:53:11,650

and he's been to visit Rolling Thunder

1036

00:53:15,359 --> 00:53:13,030

many times

1037

00:53:21,839 --> 00:53:15,369

Taoism of course is a very ancient

1038

00:53:24,359 --> 00:53:21,849

Chinese form of healing and Kenneth Cole

1039

00:53:26,010 --> 00:53:24,369

has written some beautiful material

1040

00:53:28,890 --> 00:53:26,020

about rolling fetters what he learned

1041

00:53:32,010 --> 00:53:28,900

and Rolling Thunder said that Chinese

1042

00:53:34,829 --> 00:53:32,020

Taoism comes closer than any other

1043

00:53:37,470 --> 00:53:34,839

tradition to what the Native Americans

1044

00:53:38,760 --> 00:53:37,480

believed no kidding well we're gonna

1045

00:53:41,609 --> 00:53:38,770

have to take another very short

1046

00:53:43,620 --> 00:53:41,619

commercial break everybody so please

1047

00:53:47,640 --> 00:53:43,630

stay tuned and we will be coming right

1048

00:53:50,190 --> 00:53:47,650

back this is supernatural girls radio so

1049

00:53:52,560 --> 00:53:50,200

stay tuned everybody welcome back

1050

00:53:54,690 --> 00:53:52,570

everyone to supernatural girls radio I

1051
00:53:59,370 --> 00:53:54,700
am your host Patricia Baker I am here

1052
00:54:00,900 --> 00:53:59,380
with my lovely co-host PK and our guests

1053
00:54:04,680 --> 00:54:00,910
were so pleased to have him with us

1054
00:54:07,530 --> 00:54:04,690
tonight we have dr. Stanley crook nur

1055
00:54:09,870 --> 00:54:07,540
and he has written a book with his

1056
00:54:13,170 --> 00:54:09,880
co-author and the book is called the

1057
00:54:15,599 --> 00:54:13,180
shamanic powers of Rolling Thunder a

1058
00:54:18,779 --> 00:54:15,609
true legend the true

1059
00:54:20,999 --> 00:54:18,789
we were talking yes great you guys got

1060
00:54:22,620 --> 00:54:21,009
to get it's on amazon.com with all the

1061
00:54:24,599 --> 00:54:22,630
other books and they've been authored

1062
00:54:25,499 --> 00:54:24,609
and co-authored by dr. Crippen ER and

1063
00:54:29,549 --> 00:54:25,509

they're all great

1064

00:54:31,829 --> 00:54:29,559

so dr. Crippen are off the air pique and

1065

00:54:36,029 --> 00:54:31,839

I were talking to you and you mentioned

1066

00:54:37,640 --> 00:54:36,039

the connection with the pleiades so can

1067

00:54:42,029 --> 00:54:37,650

we talk about that a little bit

1068

00:54:45,690 --> 00:54:42,039

yes Rolling Thunder often wear a turbine

1069

00:54:48,239 --> 00:54:45,700

and the turbine has seven stars on us

1070

00:54:50,670 --> 00:54:48,249

and they were arranged in the form of

1071

00:54:54,739 --> 00:54:50,680

the play of these the Seven Sisters that

1072

00:54:58,109 --> 00:54:54,749

you can see up in the heavens and

1073

00:55:01,099 --> 00:54:58,119

Rolling Thunder felt that some of the

1074

00:55:06,059 --> 00:55:01,109

wisdom that he got was sent from spirits

1075

00:55:09,779 --> 00:55:06,069

who home bases in the in the Pleiades

1076
00:55:14,370 --> 00:55:09,789
and so the play these were a very very

1077
00:55:17,849 --> 00:55:14,380
special constellation for him and this

1078
00:55:20,249 --> 00:55:17,859
is something that pops up in another

1079
00:55:24,150 --> 00:55:20,259
number of folk traditions as well

1080
00:55:27,539 --> 00:55:24,160
and so there's something very special

1081
00:55:29,809 --> 00:55:27,549
about the plea of these and they are all

1082
00:55:32,489 --> 00:55:29,819
clustered very very closely together

1083
00:55:33,930 --> 00:55:32,499
even though wasn't actuality of course

1084
00:55:38,459 --> 00:55:33,940
there are probably millions of miles

1085
00:55:42,329 --> 00:55:38,469
apart that Rolling Thunder didn't wear

1086
00:55:48,660 --> 00:55:42,339
flashy clothes he would sometimes dress

1087
00:55:51,959 --> 00:55:48,670
up with a tan buckskin jacket for

1088
00:55:56,479 --> 00:55:51,969

special occasions but around the house

1089

00:56:01,709 --> 00:55:56,489

he would wear blue jeans or he'd wear

1090

00:56:08,640 --> 00:56:01,719

simple clothes usually earth colors like

1091

00:56:12,180 --> 00:56:08,650

Browns and in light dreams and many

1092

00:56:14,880 --> 00:56:12,190

people wonder why he didn't wear a more

1093

00:56:17,130 --> 00:56:14,890

Cherokee red because Cherokee red is a

1094

00:56:20,759 --> 00:56:17,140

very famous color associated with the

1095

00:56:21,870 --> 00:56:20,769

Cherokees and he said that would just be

1096

00:56:24,989 --> 00:56:21,880

too flashy

1097

00:56:27,809 --> 00:56:24,999

I knew Cherokee red very well because I

1098

00:56:29,260 --> 00:56:27,819

grew up in Wisconsin and I met Frank

1099

00:56:33,490 --> 00:56:29,270

Lloyd Wright the famous

1100

00:56:36,460 --> 00:56:33,500

architect a number of times and he was

1101

00:56:41,010 --> 00:56:36,470

also very very close to Native Americans

1102

00:56:43,900 --> 00:56:41,020

and in his buildings he would put a logo

1103

00:56:50,410 --> 00:56:43,910

someplace in the building which was a

1104

00:56:53,800 --> 00:56:50,420

square in cherokee red and then FLW get

1105

00:56:55,480 --> 00:56:53,810

into that square and so if you look at

1106

00:56:58,930 --> 00:56:55,490

frank lloyd wright's buildings you will

1107

00:57:02,740 --> 00:56:58,940

find out cherokee red square sort of

1108

00:57:04,600 --> 00:57:02,750

demonstrating his respect and sympathy

1109

00:57:07,050 --> 00:57:04,610

and union with the Native American

1110

00:57:10,450 --> 00:57:07,060

people and these of American wisdom

1111

00:57:11,950 --> 00:57:10,460

interesting never know when things are

1112

00:57:14,980 --> 00:57:11,960

going to pop up and when these

1113

00:57:17,010 --> 00:57:14,990

connections are going to be made amazing

1114

00:57:19,690 --> 00:57:17,020

now where did the pleiades connection

1115

00:57:22,210 --> 00:57:19,700

did Rolling Thunder ever talk about the

1116

00:57:30,880 --> 00:57:22,220

people from the stars ever having any

1117

00:57:33,640 --> 00:57:30,890

contact with them really enjoy sitting

1118

00:57:36,610 --> 00:57:33,650

down around the campfire telling stories

1119

00:57:43,620 --> 00:57:36,620

or sitting down in his home telling

1120

00:57:46,630 --> 00:57:43,630

stories and many of the stories were

1121

00:57:49,440 --> 00:57:46,640

pretty fantastic and nature like the

1122

00:57:52,270 --> 00:57:49,450

stories about the plea of these of about

1123

00:57:55,330 --> 00:57:52,280

how the wisdom came down from the

1124

00:57:57,610 --> 00:57:55,340

Pleiades but he's also talked about his

1125

00:58:00,610 --> 00:57:57,620

past incarnations because he thought

1126

00:58:04,330 --> 00:58:00,620

that he had had several lights as he

1127

00:58:08,050 --> 00:58:04,340

felt that he knew Cochise he knew

1128

00:58:10,150 --> 00:58:08,060

Geronimo he knew a number of Native

1129

00:58:13,870 --> 00:58:10,160

American leaders and sometimes he

1130

00:58:17,860 --> 00:58:13,880

thought for them and sometimes he was a

1131

00:58:19,480 --> 00:58:17,870

messenger for them and you don't know

1132

00:58:21,880 --> 00:58:19,490

what to make of all of this but he

1133

00:58:29,110 --> 00:58:21,890

certainly knew how to entertain his

1134

00:58:31,120 --> 00:58:29,120

audience yeah I know

1135

00:58:32,770 --> 00:58:31,130

one time he when I was sitting there

1136

00:58:37,960 --> 00:58:32,780

listening to him he was making fun of

1137

00:58:40,360 --> 00:58:37,970

vegetarian he loved to do that and it

1138

00:58:42,550 --> 00:58:40,370

was funny because he was talking about

1139

00:58:45,850 --> 00:58:42,560

how the vegetarians

1140

00:58:48,610 --> 00:58:45,860

would come to Minnesota did not want to

1141

00:58:50,800 --> 00:58:48,620

eat meat and he said that's fine because

1142

00:58:54,700 --> 00:58:50,810

it gets real cold out here

1143

00:58:57,010 --> 00:58:54,710

in order to stay warm we eat meat but if

1144

00:58:59,470 --> 00:58:57,020

you don't want to eat me that's ok with

1145

00:59:04,300 --> 00:58:59,480

us that's more meat for us and we'll

1146

00:59:08,590 --> 00:59:04,310

stay warm but you won't so you may have

1147

00:59:16,000 --> 00:59:08,600

cleared it how he felt about that well

1148

00:59:18,640 --> 00:59:16,010

he was a very good storyteller and one

1149

00:59:20,800 --> 00:59:18,650

time I was with him in Germany he

1150

00:59:23,830 --> 00:59:20,810

actually was able to take a couple of

1151

00:59:27,610 --> 00:59:23,840

trips abroad and he was very very

1152

00:59:34,950 --> 00:59:27,620

popular with the Germans and he once had

1153

00:59:38,560 --> 00:59:34,960

a lecture in the city of Bonn Germany

1154

00:59:41,530 --> 00:59:38,570

and he filled up a whole auditorium

1155

00:59:45,280 --> 00:59:41,540

people came from hundreds of kilometers

1156

00:59:49,930 --> 00:59:45,290

just to hear him give an evening lecture

1157

00:59:52,360 --> 00:59:49,940

and then some of them stayed he did a

1158

00:59:54,900 --> 00:59:52,370

three-day workshop in which he would

1159

00:59:59,290 --> 00:59:54,910

talk about Native American herbs and

1160

01:00:03,600 --> 00:59:59,300

tell more Native American stories and I

1161

01:00:08,440 --> 01:00:03,610

think that I think that he regretted

1162

01:00:10,990 --> 01:00:08,450

that he didn't spend more time learning

1163

01:00:14,080 --> 01:00:11,000

about herbs and traditions and other

1164

01:00:16,920 --> 01:00:14,090

countries he was very fond of Swedish

1165

01:00:19,750 --> 01:00:16,930

folklore and Swedish herbs by the way

1166

01:00:23,200 --> 01:00:19,760

and he also had many people from

1167

01:00:25,360 --> 01:00:23,210

Scandinavia and from Germany come to

1168

01:00:29,560 --> 01:00:25,370

visit so many people from England came

1169

01:00:31,630 --> 01:00:29,570

to visit him at Belafonte and and

1170

01:00:36,810 --> 01:00:31,640

occasionally he would have people from

1171

01:00:41,040 --> 01:00:36,820

Latin America and every once in a while

1172

01:00:44,950 --> 01:00:41,050

somebody from Asia he would haven't had

1173

01:00:47,980 --> 01:00:44,960

he enjoyed having martial artists from

1174

01:00:53,450 --> 01:00:47,990

China and Japan for example demonstrate

1175

01:00:58,970 --> 01:00:53,460

the martial arts and one of his visitor

1176

01:01:01,640 --> 01:00:58,980

was due to my intercession Kareem Calvi

1177

01:01:03,950 --> 01:01:01,650

who is a French actress mm-hmm

1178

01:01:08,420 --> 01:01:03,960

later made many many films in Hollywood

1179

01:01:14,599 --> 01:01:08,430

and the severe gastrointestinal problem

1180

01:01:17,260 --> 01:01:14,609

and he and and she could not find a

1181

01:01:20,750 --> 01:01:17,270

Hollywood doctor who could help her out

1182

01:01:23,240 --> 01:01:20,760

and so I actually took her this is a

1183

01:01:24,740 --> 01:01:23,250

grueling thunder and he said this is

1184

01:01:28,310 --> 01:01:24,750

very very serious

1185

01:01:30,410 --> 01:01:28,320

and I don't know if I should do it or

1186

01:01:33,170 --> 01:01:30,420

not and then the spot I saw his wife

1187

01:01:33,950 --> 01:01:33,180

said well go she recognized who you're

1188

01:01:36,560 --> 01:01:33,960

talking to

1189

01:01:38,300 --> 01:01:36,570

this is Kareem Calloway we saw one of

1190

01:01:47,150 --> 01:01:38,310

his movies one of her movies on

1191

01:01:50,329 --> 01:01:47,160

television last time so he agreed to do

1192

01:01:53,329 --> 01:01:50,339

a healing and he said well we're going

1193

01:01:56,450 --> 01:01:53,339

to have to have all of your friends come

1194

01:02:01,820 --> 01:01:56,460

and do the snake dance so we will live a

1195

01:02:04,460 --> 01:02:01,830

bonfire and we do two things we did this

1196

01:02:07,010 --> 01:02:04,470

very complicated sake dance that pull

1197

01:02:09,380 --> 01:02:07,020

the other to be together but before the

1198

01:02:12,260 --> 01:02:09,390

snake dance we did a sweat lodge and

1199

01:02:17,930 --> 01:02:12,270

that's not taking off our clothes and

1200

01:02:22,550 --> 01:02:17,940

going into the high Hubbard Lodge have

1201
01:02:24,800 --> 01:02:22,560
fully fund rotate hop stones put them in

1202
01:02:27,470 --> 01:02:24,810
the middle of them pour water over and

1203
01:02:32,540 --> 01:02:27,480
within seconds the whole logs are

1204
01:02:36,200 --> 01:02:32,550
silverstein and he had to breathe in the

1205
01:02:41,930 --> 01:02:36,210
steam and purify ourselves it was very

1206
01:02:44,870 --> 01:02:41,940
very hot and after like 20 minutes then

1207
01:02:46,820 --> 01:02:44,880
we could come out and take a pose and

1208
01:02:49,760 --> 01:02:46,830
cool though but then we have been going

1209
01:02:52,660 --> 01:02:49,770
back in again and we did this three

1210
01:02:56,720 --> 01:02:52,670
times did the snake down some then we

1211
01:03:00,859 --> 01:02:56,730
and Korean cafe right in the middle of

1212
01:03:03,020 --> 01:03:00,869
the campfire the campfire and back of

1213
01:03:05,240 --> 01:03:03,030

her of course have on top of her and

1214

01:03:08,300 --> 01:03:05,250

then warming feathers in

1215

01:03:12,230 --> 01:03:08,310

there with the eagle feathers and he

1216

01:03:16,700 --> 01:03:12,240

would poke the eagle feathers parts of

1217

01:03:20,600 --> 01:03:16,710

the skin that he felt even release now

1218

01:03:23,660 --> 01:03:20,610

she went to bed and she came out of bed

1219

01:03:27,590 --> 01:03:23,670

and she's felt well and she never had an

1220

01:03:30,820 --> 01:03:27,600

illness a young sense and amazing I was

1221

01:03:35,090 --> 01:03:30,830

a pretty good demonstration of her

1222

01:03:38,300 --> 01:03:35,100

recuperation and that is incredible

1223

01:03:40,430 --> 01:03:38,310

again and as you had said pique that he

1224

01:03:42,470 --> 01:03:40,440

didn't think of himself as a shaman he

1225

01:03:50,150 --> 01:03:42,480

thought of himself as a heal healer

1226

01:03:51,380 --> 01:03:50,160

mm-hmm amazing it is and go ahead now

1227

01:03:54,380 --> 01:03:51,390

I'm just gonna say what a fantastic

1228

01:03:56,630 --> 01:03:54,390

individual he was it's a shame that it's

1229

01:03:57,800 --> 01:03:56,640

not in this point in time because

1230

01:04:03,970 --> 01:03:57,810

there's so much that we could have

1231

01:04:08,360 --> 01:04:03,980

learned from him oh yes indeed and

1232

01:04:10,160 --> 01:04:08,370

another question dr. Crippen ER and this

1233

01:04:12,560 --> 01:04:10,170

is someone asked us actually in the

1234

01:04:14,570 --> 01:04:12,570

chatroom conte was saying is there

1235

01:04:16,850 --> 01:04:14,580

anybody that's gonna pick that was able

1236

01:04:19,700 --> 01:04:16,860

to pick up the torch and go on where he

1237

01:04:22,210 --> 01:04:19,710

left off the stones of course and the

1238

01:04:26,270 --> 01:04:22,220

sweat lodge were too hot to pick up and

1239

01:04:31,370 --> 01:04:26,280

we just kept pouring water on them

1240

01:04:34,130 --> 01:04:31,380

because they were a source of the steam

1241

01:04:36,590 --> 01:04:34,140

that was so necessary I've actually been

1242

01:04:39,560 --> 01:04:36,600

in many many sweat lodges since that

1243

01:04:42,800 --> 01:04:39,570

that was my first one and I have a

1244

01:04:44,930 --> 01:04:42,810

friend in Phoenix Arizona Michael Neal's

1245

01:04:47,810 --> 01:04:44,940

who actually lived with Rolling Thunder

1246

01:04:50,240 --> 01:04:47,820

for a while and who has mastered the

1247

01:04:53,510 --> 01:04:50,250

sweat lodge and he has actually written

1248

01:04:55,750 --> 01:04:53,520

stories in the book that you referred to

1249

01:04:59,990 --> 01:04:55,760

the shamanic powers of Rolling Thunder

1250

01:05:05,360 --> 01:05:00,000

my father was very unhappy that there

1251

01:05:07,580 --> 01:05:05,370

were Native American skeletons in the

1252

01:05:10,280 --> 01:05:07,590

University Museum and the basement

1253

01:05:12,830 --> 01:05:10,290

nothing was being done with them they'd

1254

01:05:14,510 --> 01:05:12,840

served their purpose the anthropologists

1255

01:05:15,050 --> 01:05:14,520

had learned everything they needed to

1256

01:05:16,700 --> 01:05:15,060

learn

1257

01:05:22,010 --> 01:05:16,710

from them and they were very

1258

01:05:24,380 --> 01:05:22,020

unceremoniously put in boxes and so

1259

01:05:28,390 --> 01:05:24,390

Rolling Thunder said that they deserved

1260

01:05:33,260 --> 01:05:28,400

the proper burial so this is one of the

1261

01:05:35,330 --> 01:05:33,270

memorable ceremonies as I recall because

1262

01:05:39,110 --> 01:05:35,340

Michael got permission from the

1263

01:05:41,870 --> 01:05:39,120

University to take the boxes of the

1264

01:05:44,210 --> 01:05:41,880

bones out of the University and Rolling

1265

01:05:48,680 --> 01:05:44,220

Thunder found a sacred place in Sonoma

1266

01:05:52,670 --> 01:05:48,690

County and so the bones were were buried

1267

01:05:57,620 --> 01:05:52,680

with a great deal of respect and rolling

1268

01:06:00,050 --> 01:05:57,630

thunders prayers and some very very

1269

01:06:04,520 --> 01:06:00,060

simple decorations like leaves and

1270

01:06:07,490 --> 01:06:04,530

feathers were put over the land and then

1271

01:06:10,520 --> 01:06:07,500

of course the bones later this too

1272

01:06:13,880 --> 01:06:10,530

degenerated and joined the land which

1273

01:06:16,490 --> 01:06:13,890

was the respectful way for them to go

1274

01:06:20,600 --> 01:06:16,500

through the cycle not just staying in

1275

01:06:23,330 --> 01:06:20,610

the university basements right I believe

1276

01:06:26,300 --> 01:06:23,340

he basically started a whole reinterment

1277

01:06:28,160 --> 01:06:26,310

movement because I know that radiated

1278

01:06:30,050 --> 01:06:28,170

throughout the country and there are a

1279

01:06:33,260 --> 01:06:30,060

lot of reburial since we had them in

1280

01:06:37,160 --> 01:06:33,270

Connecticut also and slow turtle was the

1281

01:06:39,230 --> 01:06:37,170

one who made sure that those happened so

1282

01:06:45,980 --> 01:06:39,240

oh yeah that's a great thing you did

1283

01:06:49,520 --> 01:06:45,990

yeah right he started other people first

1284

01:06:52,820 --> 01:06:49,530

helped out too but now more and more

1285

01:06:55,570 --> 01:06:52,830

there is a great respect being given for

1286

01:06:58,310 --> 01:06:55,580

the remains of Native Americans and

1287

01:07:01,640 --> 01:06:58,320

there's no sense in just keeping them

1288

01:07:03,410 --> 01:07:01,650

around you know anthropologists have

1289

01:07:05,210 --> 01:07:03,420

learned what they need from them and

1290

01:07:12,200 --> 01:07:05,220

then you just dispose of them in a very

1291

01:07:17,360 --> 01:07:12,210

very sacred way exactly a number of very

1292

01:07:20,510 --> 01:07:17,370

innovative procedures one of them had to

1293

01:07:26,210 --> 01:07:20,520

do with the destruction of the pine nut

1294

01:07:28,500 --> 01:07:26,220

trees in Nevada and Rolling Thunder said

1295

01:07:31,420 --> 01:07:28,510

to me well you know the

1296

01:07:34,690 --> 01:07:31,430

poor people need pine nuts as their a

1297

01:07:37,840 --> 01:07:34,700

good source of protein and at night the

1298

01:07:40,450 --> 01:07:37,850

ranchers are coming in and they're using

1299

01:07:43,450 --> 01:07:40,460

bulldozers and they're digging up the

1300

01:07:45,970 --> 01:07:43,460

pine nut trees so that they come turn

1301

01:07:49,140 --> 01:07:45,980

this into cattle and it's against the

1302

01:07:53,500 --> 01:07:49,150

law but they just pay off the local

1303

01:07:55,780 --> 01:07:53,510

sheriff's so rolling another has a very

1304

01:08:02,920 --> 01:07:55,790

innovative way of dealing with that and

1305

01:08:06,430 --> 01:08:02,930

I was actually talking with Rolling

1306

01:08:09,550 --> 01:08:06,440

Thunder and so I charted the whole the

1307

01:08:15,460 --> 01:08:09,560

whole story the first thing he did was

1308

01:08:17,860 --> 01:08:15,470

to get a film crew to take movies at

1309

01:08:20,650 --> 01:08:17,870

night showing the bulldozers coming in

1310

01:08:29,309 --> 01:08:20,660

the tractors coming in and digging up

1311

01:08:32,470 --> 01:08:29,319

the trees so - yeah and then he had his

1312

01:08:34,930 --> 01:08:32,480

assistants takes and and pour the sand

1313

01:08:39,660 --> 01:08:34,940

into the gas tank of the tractors on the

1314

01:08:45,910 --> 01:08:42,130

taking pictures of that that was really

1315

01:08:50,020 --> 01:08:45,920

neat and then he had some others of his

1316

01:08:56,200 --> 01:08:50,030

of his group fly to Washington DC with

1317

01:09:00,220 --> 01:08:56,210

the the with the film that tried to get

1318

01:09:03,370 --> 01:09:00,230

some support and most of the politicians

1319

01:09:06,520 --> 01:09:03,380

weren't interested in that at all but

1320

01:09:10,630 --> 01:09:06,530

senator Ted Kennedy was a great interest

1321

01:09:12,910 --> 01:09:10,640

so Senator Henry Jackson and they wanted

1322

01:09:15,539 --> 01:09:12,920

to do something about it and the

1323

01:09:19,240 --> 01:09:15,549

president at the time was Richard Nixon

1324

01:09:22,090 --> 01:09:19,250

and Nixon with all of his faults he was

1325

01:09:26,260 --> 01:09:22,100

very good to Native Americans because he

1326

01:09:28,960 --> 01:09:26,270

is a Native American coach at school and

1327

01:09:32,579 --> 01:09:28,970

he issued an executive order stopping

1328

01:09:36,700 --> 01:09:32,589

the ruination of the land back in Nevada

1329

01:09:39,820 --> 01:09:36,710

so that was a beautiful example of how

1330

01:09:42,340 --> 01:09:39,830

Rolling Thunder did something through

1331

01:09:45,490 --> 01:09:42,350

peaceful means and

1332

01:09:51,829 --> 01:09:45,500

intelligence and through cleverness

1333

01:09:56,690 --> 01:09:51,839

instead of using guns and using force to

1334

01:10:00,200 --> 01:09:56,700

try to and to try to stop what was being

1335

01:10:02,360 --> 01:10:00,210

done and that was a him yeah that was

1336

01:10:07,610 --> 01:10:02,370

rolling thunders way to use your wits

1337

01:10:09,470 --> 01:10:07,620

instead of using your fists has anyone

1338

01:10:13,870 --> 01:10:09,480

picked up the torch to follow through

1339

01:10:17,390 --> 01:10:13,880

with the work he's done had anybody what

1340

01:10:19,550 --> 01:10:17,400

picked up the torch to go back and

1341

01:10:23,150 --> 01:10:19,560

continue the work that Rolling Thunder

1342

01:10:25,730 --> 01:10:23,160

had done I started yes yes there there

1343

01:10:28,220 --> 01:10:25,740

are certainly a number of activists

1344

01:10:31,010 --> 01:10:28,230

today who are doing very good work and

1345

01:10:34,100 --> 01:10:31,020

I'll tell you the accumulation of a lot

1346

01:10:37,630 --> 01:10:34,110

of their work is in the Museum of the

1347

01:10:40,250 --> 01:10:37,640

American Indian of the Washington DC I

1348

01:10:43,310 --> 01:10:40,260

then there are several times and they

1349

01:10:46,820 --> 01:10:43,320

have a rotating exhibit because they

1350

01:10:49,580 --> 01:10:46,830

have oh they have at least 100 different

1351

01:10:51,860 --> 01:10:49,590

tribes represented and they are

1352

01:10:53,960 --> 01:10:51,870

collecting artifacts from both North

1353

01:10:56,750 --> 01:10:53,970

American and South American Indian

1354

01:10:58,790 --> 01:10:56,760

tribes and it's a beautiful exhibit its

1355

01:11:04,120 --> 01:10:58,800

interactive people can learn a lot about

1356

01:11:06,800 --> 01:11:04,130

Native Americans and I think that the

1357

01:11:08,750 --> 01:11:06,810

Rolling Thunder deserves some credit for

1358

01:11:11,690 --> 01:11:08,760

that museum because he helped raise

1359

01:11:13,670 --> 01:11:11,700

people's consciousness about how Native

1360

01:11:16,430 --> 01:11:13,680

Americans need to be remembered and

1361

01:11:22,670 --> 01:11:16,440

about how their work needs to be well

1362

01:11:25,250 --> 01:11:22,680

remembered also is but is there anybody

1363

01:11:26,750 --> 01:11:25,260

that's able to do what he was able to do

1364

01:11:30,410 --> 01:11:26,760

I mean that's the thing that I don't

1365

01:11:33,110 --> 01:11:30,420

hear in this I hear people are talking

1366

01:11:37,640 --> 01:11:33,120

about the legacy but I don't hear that

1367

01:11:40,910 --> 01:11:37,650

there's another healer like him going

1368

01:11:45,950 --> 01:11:40,920

forward well you know first of all he

1369

01:11:51,020 --> 01:11:45,960

was one of a kind secondly I have known

1370

01:11:55,660 --> 01:11:51,030

some outstanding healers and one of them

1371

01:12:05,180 --> 01:12:02,060

she was actually living in the Southwest

1372

01:12:10,730 --> 01:12:05,190

United States and had a medicine camp

1373

01:12:12,080 --> 01:12:10,740

and I was sending her combat veterans

1374

01:12:15,140 --> 01:12:12,090

who are suffering from post-traumatic

1375

01:12:22,100 --> 01:12:15,150

stress disorder because she has a

1376

01:12:24,470 --> 01:12:22,110

special treatment for them and again one

1377

01:12:27,310 --> 01:12:24,480

of my students wrote her dissertation on

1378

01:12:31,640 --> 01:12:27,320

fawn journey hawk and so we do have a

1379

01:12:33,530 --> 01:12:31,650

record of what fawn did she did not know

1380

01:12:35,540 --> 01:12:33,540

Rolling Thunder but she was certainly in

1381

01:12:38,660 --> 01:12:35,550

the Rolling Thunder tradition of using

1382

01:12:42,650 --> 01:12:38,670

intelligence and using ceremonies mm-hmm

1383

01:12:49,730 --> 01:12:42,660

what father would do with a soldier who

1384

01:12:54,110 --> 01:12:49,740

would head trauma would be to take one

1385

01:12:57,530 --> 01:12:54,120

of her out-of-body trips back to Vietnam

1386

01:13:00,680 --> 01:12:57,540

Afghanistan Iraq wherever the trauma had

1387

01:13:06,910 --> 01:13:00,690

occurred and often the trouble is

1388

01:13:10,490 --> 01:13:06,920

connected to the soldiers killing of a

1389

01:13:12,530 --> 01:13:10,500

child of a family whatever and the

1390

01:13:15,560 --> 01:13:12,540

soldier just did that at the course of

1391

01:13:20,350 --> 01:13:15,570

war but son felt guilty about it and so

1392

01:13:23,870 --> 01:13:20,360

she begged the spirit of the dead people

1393

01:13:26,930 --> 01:13:23,880

to release their power over the soldier

1394

01:13:30,200 --> 01:13:26,940

and so that he could live a normal life

1395

01:13:32,360 --> 01:13:30,210

and then he would vow to do something in

1396

01:13:35,510 --> 01:13:32,370

honor of the people that he had filled

1397

01:13:41,330 --> 01:13:35,520

and so this is sort of a reconciliation

1398

01:13:43,720 --> 01:13:41,340

done on the spiritual plane and bon

1399

01:13:48,470 --> 01:13:43,730

journée Hawk had a special set of

1400

01:13:50,630 --> 01:13:48,480

healing stones that were very very

1401

01:13:56,300 --> 01:13:50,640

beautiful and they were in geometric

1402

01:13:58,070 --> 01:13:56,310

shapes and sometimes people would steal

1403

01:13:59,960 --> 01:13:58,080

them from her and she that doesn't

1404

01:14:02,960 --> 01:13:59,970

matter they'll come back and sure enough

1405

01:14:05,540 --> 01:14:02,970

they came back and I've seen some of

1406

01:14:08,330 --> 01:14:05,550

these stones and she gave me permission

1407

01:14:10,700 --> 01:14:08,340

to give a set of those stones

1408

01:14:13,550 --> 01:14:10,710

and put them in the museum in Canada

1409

01:14:18,080 --> 01:14:13,560

which is specializing and artifacts of

1410

01:14:20,600 --> 01:14:18,090

this type and so there have been other

1411

01:14:22,430 --> 01:14:20,610

people like Rolling Thunder but like you

1412

01:14:25,640 --> 01:14:22,440

mentioned he was one of a kind and

1413

01:14:27,800 --> 01:14:25,650

that's a great way of putting this that

1414

01:14:28,970 --> 01:14:27,810

he was one of a kind but here's another

1415

01:14:30,800 --> 01:14:28,980

question

1416

01:14:33,649 --> 01:14:30,810

dr. Crippen er and again we're going to

1417

01:14:35,990 --> 01:14:33,659

go back to aliens

1418

01:14:37,580 --> 01:14:36,000

ETS whatever you want to call them this

1419

01:14:39,080 --> 01:14:37,590

is from oculus who's saying what about

1420

01:14:42,850 --> 01:14:39,090

space visitors

1421

01:14:48,020 --> 01:14:42,860

what did Rolling Thunder think of that

1422

01:14:50,120 --> 01:14:48,030

what did he think of what aliens space

1423

01:14:54,350 --> 01:14:50,130

visitors ETS

1424

01:14:57,010 --> 01:14:54,360

whatever you want to call them visitors

1425

01:15:01,850 --> 01:14:59,959

did he have an opinion on that or did he

1426

01:15:03,589 --> 01:15:01,860

have an experience on that that you

1427

01:15:07,430 --> 01:15:03,599

could share we only have about a minute

1428

01:15:09,439 --> 01:15:07,440

left but oh good heavens no I would say

1429

01:15:12,200 --> 01:15:09,449

rolling rolling founder was very

1430

01:15:15,589 --> 01:15:12,210

broad-minded and he thought if somebody

1431

01:15:18,560 --> 01:15:15,599

was doing good work they had his

1432

01:15:23,930 --> 01:15:18,570

blessing and whether it was a male or a

1433

01:15:33,740 --> 01:15:23,940

female native or non-native he was very

1434

01:15:36,680 --> 01:15:33,750

very blessing to them oh that's nice

1435

01:15:39,370 --> 01:15:36,690

well that's a wonderful way to be and I

1436

01:15:41,479 --> 01:15:39,380

think again his lack of ego as pique

1437

01:15:44,270 --> 01:15:41,489

identified that right at the beginning

1438

01:15:47,479 --> 01:15:44,280

of the show was paramount and his

1439

01:15:49,820 --> 01:15:47,489

ability to do the wonderful and great

1440

01:15:52,939 --> 01:15:49,830

work that he did and again his life was

1441

01:15:55,040 --> 01:15:52,949

not without some challenges because he

1442

01:15:58,220 --> 01:15:55,050

was still human and we all face those

1443

01:16:00,790 --> 01:15:58,230

great loss at certain times and things

1444

01:16:03,020 --> 01:16:00,800

like that but but he kept his focus on

1445

01:16:05,540 --> 01:16:03,030

helping the world helping the earth

1446

01:16:07,479 --> 01:16:05,550

helping people and it's wonderful that

1447

01:16:10,160 --> 01:16:07,489

you've written this great book

1448

01:16:13,280 --> 01:16:10,170

commemorates everything that he's thank

1449
