Outlander show blasting off with some

15

00:00:45,049 --> 00:00:41,850

UFO reports whoo we got some good ones

16

00:00:50,450 --> 00:00:45,059

this one comes to us from Epsom Surrey

17

00:00:53,389 --> 00:00:50,460

England has happened a January 3rd 2018

18

00:00:56,900 --> 00:00:53,399

and briefed the witness states bright

19

00:01:01,310 --> 00:00:56,910

light flew across my view silent and on

20

00:01:04,039 --> 00:01:01,320

same trajectory at cloud level in more

21

00:01:06,620 --> 00:01:04,049

detail which isn't a lot they state I

22

00:01:10,340 --> 00:01:06,630

was walking my dog near Epsom common

23

00:01:14,539 --> 00:01:10,350

where I looked up and saw a white round

24

00:01:17,480 --> 00:01:14,549

brightly lit object fly past the speed

25

00:01:20,510 --> 00:01:17,490

I'd like into a military rocket and it

26  
00:01:23,719 --> 00:01:20,520  
kept its trajectory and flew past at

27  
00:01:26,570 --> 00:01:23,729  
approximately cloud height I saw it go

28  
00:01:28,609 --> 00:01:26,580  
behind the cloud cover but it could only

29  
00:01:31,929 --> 00:01:28,619  
have lasted a second or two before

30  
00:01:37,249 --> 00:01:31,939  
disappearing from view it was silent and

31  
00:01:40,190 --> 00:01:37,259  
definitely not an aircraft all right the

32  
00:01:42,800 --> 00:01:40,200  
next UFO report comes to us from

33  
00:01:46,910 --> 00:01:42,810  
Hagerstown Maryland

34  
00:01:50,330 --> 00:01:46,920  
this occurred December 31st 2017 and

35  
00:01:53,630 --> 00:01:50,340  
briefed the witness states in orb or

36  
00:01:56,990 --> 00:01:53,640  
light that change position each time I

37  
00:02:00,080 --> 00:01:57,000  
took the picture in more detail they say

38  
00:02:04,300 --> 00:02:00,090

I took a couple of pictures of the super

39

00:02:08,839 --> 00:02:04,310

moon on both December 31st 2017 in

40

00:02:11,150 --> 00:02:08,849

January 1st 2018 around the same time

41

00:02:13,400 --> 00:02:11,160

5:00 or 6:00 in the evening I took the

42

00:02:16,460 --> 00:02:13,410

pictures with my cell phone and Roy

43

00:02:18,740 --> 00:02:16,470

Samsung Note 4 when I got home and

44

00:02:21,560 --> 00:02:18,750

looked at the pictures I found that

45

00:02:24,110 --> 00:02:21,570

there was a white orb surrounded by a

46

00:02:27,020 --> 00:02:24,120

purple aura that I didn't notice when I

47

00:02:28,880 --> 00:02:27,030

took the picture I took the picture

48

00:02:31,760 --> 00:02:28,890

quickly because I was on my way home

49

00:02:33,320 --> 00:02:31,770

when I saw the moon and asked my husband

50

00:02:36,290 --> 00:02:33,330

to pull over so that I could take the

51  
00:02:40,160 --> 00:02:36,300  
pictures this happened two days in a row

52  
00:02:43,160 --> 00:02:40,170  
the first day December 31st 2017 there

53  
00:02:47,150 --> 00:02:43,170  
were no clouds the second day January

54  
00:02:49,400 --> 00:02:47,160  
1st 2018 there were some clouds once it

55  
00:02:51,710 --> 00:02:49,410  
finally took the pictures off the camera

56  
00:02:52,670 --> 00:02:51,720  
and loaded them onto my laptop and took

57  
00:02:55,550 --> 00:02:52,680  
a closer look

58  
00:02:58,040 --> 00:02:55,560  
I noticed the orbs which were in a

59  
00:03:00,830 --> 00:02:58,050  
different position each time I took the

60  
00:03:03,170 --> 00:03:00,840  
picture do you think that this was my

61  
00:03:05,530 --> 00:03:03,180  
phone creating the orb or do you think

62  
00:03:08,720 --> 00:03:05,540  
that these orbs were there and

63  
00:03:13,360 --> 00:03:08,730

surrounding the moon please let me know

64

00:03:18,050 --> 00:03:13,370

what you think well I don't know and

65

00:03:20,690 --> 00:03:18,060

identified it means unidentified sounds

66

00:03:23,870 --> 00:03:20,700

UFO which to me alright moving on this

67

00:03:27,740 --> 00:03:23,880

next UFO report comes to us from South

68

00:03:28,880 --> 00:03:27,750

Holland Illinois this is a UFO blast

69

00:03:34,250 --> 00:03:28,890

from the past

70

00:03:39,080 --> 00:03:34,260

this happened September 13 2011 big UFO

71

00:03:41,840 --> 00:03:39,090

almost crashed - a line plane huh ok in

72

00:03:45,170 --> 00:03:41,850

more detail they say I was in a backyard

73

00:03:48,590 --> 00:03:45,180

4 p.m. I did take photos from a lined

74

00:03:52,310 --> 00:03:48,600

plane about 10 kilometers high in the

75

00:03:55,160 --> 00:03:52,320

south with my old Canon camera with full

76  
00:03:58,100 --> 00:03:55,170  
zoom low resolution when I saw something

77  
00:04:01,610 --> 00:03:58,110  
flew with very high speed in a few

78  
00:04:07,940 --> 00:04:01,620  
seconds when I put the SD card in my PC

79  
00:04:11,510 --> 00:04:07,950  
I was shocked I saw a very big classical

80  
00:04:15,830 --> 00:04:11,520  
UFO with a dome that almost crashed in

81  
00:04:18,650 --> 00:04:15,840  
the line plane the line plane flew to

82  
00:04:21,199 --> 00:04:18,660  
the west the UFO flew to the east

83  
00:04:25,279 --> 00:04:21,209  
I think the pilots must have seen that

84  
00:04:26,410 --> 00:04:25,289  
big UFO it was in 2011 September 401

85  
00:04:30,190 --> 00:04:26,420  
p.m. that

86  
00:04:32,770 --> 00:04:30,200  
took those pics now it's the time I will

87  
00:04:35,350 --> 00:04:32,780  
share to the public this is one for the

88  
00:04:39,490 --> 00:04:35,360

fifty photos that I took from UFOs in

89

00:04:43,480 --> 00:04:39,500

many years very very fascinating all

90

00:04:46,330 --> 00:04:43,490

right this next UFO report comes to us

91

00:04:50,080 --> 00:04:46,340

in the form of a black triangle sighting

92

00:04:53,530 --> 00:04:50,090

in Princeton Minnesota this happened

93

00:04:58,330 --> 00:04:53,540

January 3rd 2018 in brief the witness

94

00:05:01,300 --> 00:04:58,340

states at 138 a.m. on January 3rd 2018 I

95

00:05:04,030 --> 00:05:01,310

observed a cluster of three white lights

96

00:05:06,250 --> 00:05:04,040

with at least one red light in the

97

00:05:09,790 --> 00:05:06,260

eastern sky for my home in Shoreview

98

00:05:12,700 --> 00:05:09,800

Minnesota together the lights hovered

99

00:05:15,640 --> 00:05:12,710

wobbled dardo darted ascended and

100

00:05:20,680 --> 00:05:15,650

descended and gradually moved to the

101

00:05:24,160 --> 00:05:20,690

southeast two beams of light their brief

102

00:05:29,410 --> 00:05:24,170

story continues on into a more extended

103

00:05:32,350 --> 00:05:29,420

one at 1:38 a.m. on January 1st 2018 I

104

00:05:35,920 --> 00:05:32,360

observed from an east-facing window of

105

00:05:39,100 --> 00:05:35,930

my Shoreview Minnesota home a cluster of

106

00:05:41,680 --> 00:05:39,110

three white lights in a red light moving

107

00:05:44,920 --> 00:05:41,690

together far in the distance at about a

108

00:05:47,890 --> 00:05:44,930

40 degree angle from the horizon the

109

00:05:50,170 --> 00:05:47,900

triangle grouping wobbled hovered darted

110

00:05:52,660 --> 00:05:50,180

and emitted a beam of light twice during

111

00:05:54,820 --> 00:05:52,670

the half hour that I watched it the

112

00:05:57,610 --> 00:05:54,830

beams of white light emitted were cast

113

00:05:59,560 --> 00:05:57,620

in an arc that reached midway to the

114

00:06:03,360 --> 00:05:59,570

ground and appeared to travel so fast

115

00:06:05,770 --> 00:06:03,370

that the light had a tail or trail I

116

00:06:08,320 --> 00:06:05,780

witnessed a similar or the same

117

00:06:13,180 --> 00:06:08,330

phenomenon of the hovering lights on

118

00:06:15,970 --> 00:06:13,190

January 1st 2018 but not on January 2nd

119

00:06:19,060 --> 00:06:15,980

2018 even though I searched for it

120

00:06:21,400 --> 00:06:19,070

on January 2nd 2018 both my son and I

121

00:06:24,460 --> 00:06:21,410

are intrigued by what we have observed

122

00:06:27,430 --> 00:06:24,470

in our wondering if anyone else has seen

123

00:06:29,440 --> 00:06:27,440

this we are considering investing in a

124

00:06:32,590 --> 00:06:29,450

telescope for better viewing although

125

00:06:35,380 --> 00:06:32,600

the show goes on for at least an hour

126  
00:06:38,980 --> 00:06:35,390  
and a half we only watch continuously

127  
00:06:40,040 --> 00:06:38,990  
for a half hour really I would have been

128  
00:06:43,369 --> 00:06:40,050  
out there and probably pit

129  
00:06:45,020 --> 00:06:43,379  
to tenth even in the cold these things

130  
00:06:46,820 --> 00:06:45,030  
don't happen all the time it's

131  
00:06:49,339 --> 00:06:46,830  
fascinating when people see these things

132  
00:06:51,050 --> 00:06:49,349  
and they're like okay I've watched it

133  
00:06:52,939 --> 00:06:51,060  
for a while I'm gonna go inside now

134  
00:06:54,170 --> 00:06:52,949  
perhaps I'll catch it another time and

135  
00:06:55,939 --> 00:06:54,180  
I'll have better equipment to see it

136  
00:06:58,010 --> 00:06:55,949  
then and it may be the only time in

137  
00:07:01,040 --> 00:06:58,020  
their entire lives that they ever see

138  
00:07:02,659 --> 00:07:01,050

this and it never ever happens the way

139

00:07:05,960 --> 00:07:02,669

that they play out there are some

140

00:07:07,850 --> 00:07:05,970

hotspots that it does but nine times out

141

00:07:10,219 --> 00:07:07,860

of ten I just hear gosh I kept searching

142

00:07:13,029 --> 00:07:10,229

and it never happened again go figure

143

00:07:17,719 --> 00:07:13,039

she just stuck to it when it showed up

144

00:07:21,559 --> 00:07:17,729

all right the next UFO report comes to

145

00:07:25,119 --> 00:07:21,569

us from Lake Wales Florida this happened

146

00:07:29,209 --> 00:07:25,129

January 2nd 2018 in brief they say

147

00:07:34,670 --> 00:07:29,219

mutilated wild boars found along Florida

148

00:07:38,869 --> 00:07:34,680

Road Oh at 9:45 a.m. on the morning of

149

00:07:41,839 --> 00:07:38,879

January 2nd 2018 my wife Tina and I were

150

00:07:44,629 --> 00:07:41,849

traveling along Moore road and Polk City

151  
00:07:46,670 --> 00:07:44,639  
Florida we were looking for bald eagles

152  
00:07:48,379 --> 00:07:46,680  
which my wife had seen earlier that

153  
00:07:52,839 --> 00:07:48,389  
morning along the same stretch of road

154  
00:07:57,680 --> 00:07:52,849  
maybe the Eagles did it just kidding at

155  
00:08:00,860 --> 00:07:57,690  
one 1191 Moore road we pulled our car

156  
00:08:03,920 --> 00:08:00,870  
over got out and began observing the

157  
00:08:06,649 --> 00:08:03,930  
area for Eagles we did not find any

158  
00:08:07,399 --> 00:08:06,659  
however something else caught our

159  
00:08:11,719 --> 00:08:07,409  
attention

160  
00:08:15,080 --> 00:08:11,729  
two dead wild boars on the side of the

161  
00:08:18,740 --> 00:08:15,090  
road both bodies presented in typical

162  
00:08:21,409 --> 00:08:18,750  
cattle mutilation conditions there was

163  
00:08:24,050 --> 00:08:21,419

very little decomposition and the animal

164

00:08:27,050 --> 00:08:24,060

skin looked to be almost surgically

165

00:08:29,629 --> 00:08:27,060

removed perhaps even stranger than the

166

00:08:32,870 --> 00:08:29,639

presence of the bodies was the fact that

167

00:08:36,110 --> 00:08:32,880

there were two lying right next to each

168

00:08:39,500 --> 00:08:36,120

other we both agreed that it was highly

169

00:08:42,889 --> 00:08:39,510

unlikely that two wild boars would be

170

00:08:46,250 --> 00:08:42,899

hit at the exact same time in the exact

171

00:08:50,569 --> 00:08:46,260

same spot upon further investigation of

172

00:08:52,790 --> 00:08:50,579

the scene we detected no unusual smells

173

00:08:53,750 --> 00:08:52,800

or observed anything else out of the

174

00:08:55,760 --> 00:08:53,760

ordinary

175

00:08:58,280 --> 00:08:55,770

there was no blood in the road and the

176

00:09:01,400 --> 00:08:58,290

animals did not appear to have been

177

00:09:04,070 --> 00:09:01,410

dragged to their final positions it

178

00:09:06,080 --> 00:09:04,080

looked as if they had been drained and

179

00:09:09,230 --> 00:09:06,090

dropped there did you keep them if they

180

00:09:10,720 --> 00:09:09,240

didn't stink did you pick them up did

181

00:09:13,640 --> 00:09:10,730

you take pictures

182

00:09:16,100 --> 00:09:13,650

that's fascinating or even just take a

183

00:09:18,680 --> 00:09:16,110

sample of the skin I mean everybody's

184

00:09:23,780 --> 00:09:18,690

got a pair of very nice no IR

185

00:09:26,050 --> 00:09:23,790

pocketknife no but that is not something

186

00:09:30,860 --> 00:09:26,060

you come across much I made pictures

187

00:09:33,530 --> 00:09:30,870

anything that is so rare never seen such

188

00:09:35,990 --> 00:09:33,540

a thing or heard such a thing wow what

189

00:09:37,610 --> 00:09:36,000

an opportunity missed and you could have

190

00:09:42,260 --> 00:09:37,620

submitted it or you could have roasted

191

00:09:44,810 --> 00:09:42,270

it I don't know all right moving on UFO

192

00:09:49,490 --> 00:09:44,820

sighting in exten Pennsylvania

193

00:09:52,340 --> 00:09:49,500

this occurred January 2nd 2018 in brief

194

00:09:55,180 --> 00:09:52,350

the witness says appeared as an unusual

195

00:09:59,450 --> 00:09:55,190

rapidly pulsating star to the naked eye

196

00:10:01,430 --> 00:09:59,460

used telescope for a closer view and

197

00:10:03,320 --> 00:10:01,440

more detail the witness states I went

198

00:10:05,780 --> 00:10:03,330

out to view the photograph and super

199

00:10:08,630 --> 00:10:05,790

moon okay visible on the night of

200

00:10:13,130 --> 00:10:08,640

January 2nd 2018 in eastern Pennsylvania

201  
00:10:15,590 --> 00:10:13,140  
I noticed an unusual rapidly pulsating

202  
00:10:18,110 --> 00:10:15,600  
star to the lower right of the moon in

203  
00:10:21,950 --> 00:10:18,120  
the southwest portion of the sky this

204  
00:10:23,960 --> 00:10:21,960  
was not a plane or satellite it remained

205  
00:10:26,750 --> 00:10:23,970  
very bright and maintained its position

206  
00:10:28,670 --> 00:10:26,760  
in the sky for hours it was in the

207  
00:10:31,700 --> 00:10:28,680  
vicinity of the constellation Canis

208  
00:10:34,760 --> 00:10:31,710  
minor I used an ammeter Meade telescope

209  
00:10:38,440 --> 00:10:34,770  
to get a better look at it through a

210  
00:10:41,750 --> 00:10:38,450  
strong lens it appeared to be a disc of

211  
00:10:45,080 --> 00:10:41,760  
rapidly rotating lights that flashed as

212  
00:10:47,990 --> 00:10:45,090  
well these lights constantly change

213  
00:10:50,330 --> 00:10:48,000

color there was a dark void in the

214

00:10:53,090 --> 00:10:50,340

center though at times I noticed some

215

00:10:55,070 --> 00:10:53,100

specks of light in the center I recorded

216

00:10:56,540 --> 00:10:55,080

a video using an iPhone against the

217

00:10:59,480 --> 00:10:56,550

eyepiece of my telescope

218

00:11:02,600 --> 00:10:59,490

I also took numerous stills from the

219

00:11:04,430 --> 00:11:02,610

video as the video shifts due to an

220

00:11:07,580 --> 00:11:04,440

unstable tripod

221

00:11:09,830 --> 00:11:07,590

I will attach all the content below

222

00:11:14,440 --> 00:11:09,840

hopefully you can offer an explanation

223

00:11:18,910 --> 00:11:14,450

thank you well alright that's a good one

224

00:11:21,410 --> 00:11:18,920

moving on the next oh boy this is a big

225

00:11:23,900 --> 00:11:21,420

I don't know we'll see if we could

226

00:11:27,350 --> 00:11:23,910

pronounce this one useful sighting and

227

00:11:29,540 --> 00:11:27,360

work law force distortion eesh dawn

228

00:11:30,230 --> 00:11:29,550

Scott Key was this normal Norwegian no

229

00:11:37,400 --> 00:11:30,240

I'm not sure

230

00:11:39,170 --> 00:11:37,410

this occurred December 31st 2017 in

231

00:11:41,350 --> 00:11:39,180

brief the witness states

232

00:11:45,800 --> 00:11:41,360

it flew quickly and without any sound

233

00:11:49,070 --> 00:11:45,810

then change paths and flew away quickly

234

00:11:50,960 --> 00:11:49,080

for my eyesight in more detail they

235

00:11:53,540 --> 00:11:50,970

state number one celebrating new year

236

00:11:55,700 --> 00:11:53,550

number two my fiance saw this first and

237

00:11:58,280 --> 00:11:55,710

she turned my attention to it number

238

00:12:01,190 --> 00:11:58,290

three it's not a first time when I saw

239

00:12:03,980 --> 00:12:01,200

UFO in the city almost every day I see

240

00:12:06,890 --> 00:12:03,990

at least one of them on the sky very

241

00:12:09,920 --> 00:12:06,900

different kinds of them I just knew it's

242

00:12:13,310 --> 00:12:09,930

UFO I should read this with an accent

243

00:12:15,620 --> 00:12:13,320

but I don't know where this is number

244

00:12:17,750 --> 00:12:15,630

four it was at night so I can't see any

245

00:12:21,590 --> 00:12:17,760

details but it's glowing bright light

246

00:12:25,490 --> 00:12:21,600

flew speed and soundless okay this one

247

00:12:29,330 --> 00:12:25,500

had a teardrop shape because I see UFO

248

00:12:31,390 --> 00:12:29,340

very often in work law I'm not specially

249

00:12:33,770 --> 00:12:31,400

excited about that I just watched it

250

00:12:35,750 --> 00:12:33,780

number six it just changed flight

251

00:12:39,290 --> 00:12:35,760

direction just flew away from field of

252

00:12:41,960 --> 00:12:39,300

view hmm okay Wow teardrops those are

253

00:12:43,610 --> 00:12:41,970

those are really sort of not that common

254

00:12:47,120 --> 00:12:43,620

but pretty cool when you hear about

255

00:12:50,240 --> 00:12:47,130

those alright the next UFO sighting this

256

00:12:52,910 --> 00:12:50,250

happened in Denton Kentucky this is a

257

00:12:56,570 --> 00:12:52,920

slight UFO blast from the past it's

258

00:12:58,910 --> 00:12:56,580

happened March 14th 2014 and brief the

259

00:13:01,160 --> 00:12:58,920

witness states walking on hill behind my

260

00:13:03,620 --> 00:13:01,170

house I saw the silent green orb

261

00:13:05,870 --> 00:13:03,630

descending in an unusual flight pattern

262

00:13:08,750 --> 00:13:05,880

and could see what looked to me the

263

00:13:15,050 --> 00:13:08,760

popular description of several grey

264

00:13:17,660 --> 00:13:15,060

aliens piloting the weird structure more

265

00:13:20,420 --> 00:13:17,670

detail they state the weird thing about

266

00:13:23,840 --> 00:13:20,430

the whole ordeal is that it happened

267

00:13:27,170 --> 00:13:23,850

when I first started studying UFOs as if

268

00:13:29,990 --> 00:13:27,180

to say yep it's all true we're here

269

00:13:32,240 --> 00:13:30,000

I was with kids roasting hot dogs after

270

00:13:35,030 --> 00:13:32,250

we were finished the kids ran into the

271

00:13:36,830 --> 00:13:35,040

house I was on my way back in when this

272

00:13:41,230 --> 00:13:36,840

bright green light appeared out of

273

00:13:44,150 --> 00:13:41,240

nowhere it was in a curving motion

274

00:13:47,120 --> 00:13:44,160

descending behind the ridge and out of

275

00:13:50,090 --> 00:13:47,130

nowhere redirected a flight pattern and

276  
00:13:53,260 --> 00:13:50,100  
went opposite way and I could see what I

277  
00:13:57,110 --> 00:13:53,270  
can only describe as grey aliens

278  
00:13:59,420 --> 00:13:57,120  
piloting the craft the radio went static

279  
00:14:02,300 --> 00:13:59,430  
and my cell phone vibrated in my pocket

280  
00:14:05,600 --> 00:14:02,310  
and wasn't a text and the vibration

281  
00:14:08,420 --> 00:14:05,610  
setting was turned off the news and

282  
00:14:12,290 --> 00:14:08,430  
other reports were on Facebook called it

283  
00:14:15,920 --> 00:14:12,300  
a meteor but I knew better I was at

284  
00:14:18,650 --> 00:14:15,930  
least 50 feet or so closer from it okay

285  
00:14:22,220 --> 00:14:18,660  
the light pulsated I'm died don't edit

286  
00:14:24,950 --> 00:14:22,230  
this stuff people need to edit the light

287  
00:14:29,300 --> 00:14:24,960  
pulsated and there was no noise at all

288  
00:14:32,000 --> 00:14:29,310

my dogs went crazy barking at it I saw

289

00:14:34,730 --> 00:14:32,010

it and now everyone thinks I'm crazy

290

00:14:37,940 --> 00:14:34,740

wish I would have checked for lost time

291

00:14:47,390 --> 00:14:37,950

knowing what I know now that's my UFO

292

00:14:50,060 --> 00:14:47,400

story no pictures huh all right the next

293

00:14:54,860 --> 00:14:50,070

UFO report comes to us from Brooklyn New

294

00:14:58,340 --> 00:14:54,870

York January 2nd 2018 in brief they stay

295

00:15:00,110 --> 00:14:58,350

plain like with a gold ring and reflect

296

00:15:02,120 --> 00:15:00,120

I just saved hundreds of dollars by

297

00:15:04,340 --> 00:15:02,130

and/or hypothermia Geico will not be

304

00:15:14,150 --> 00:15:12,570

00:15:15,620 --> 00:15:14,160

cave or crevice with a lonely abominable

306

00:15:16,730 --> 00:15:15,630

snowman who in all likelihood will force

307

00:15:18,710 --> 00:15:16,740

you to play games including but not

308

00:15:20,270 --> 00:15:18,720

limited to go fish charades Chinese

309

00:15:22,070 --> 00:15:20,280

checkers or his personal favorite Red

310

00:15:23,300 --> 00:15:22,080

Rover Red Rover send Yeti on over Gaga

311

00:15:25,400 --> 00:15:23,310

was not liable for any damages either

312

00:15:28,370 --> 00:15:25,410

physical or emotional Geico 15 minutes

313

00:15:29,630 --> 00:15:28,380

314

00:15:33,140 --> 00:15:29,640

jewel-like

315

00:15:33,769 --> 00:15:33,150

middle more detail they state I was

316

00:15:35,860 --> 00:15:33,779

trying to go

317

00:15:38,600 --> 00:15:35,870

to sleep and looked out the window

318

00:15:42,860 --> 00:15:38,610

coming up from behind some trees I saw

319

00:15:45,439 --> 00:15:42,870

the UFO it flew and sounded like a plane

320

00:15:48,619 --> 00:15:45,449

but the colors the shine and the shape

321

00:15:50,509 --> 00:15:48,629

they were completely different I felt

322

00:15:53,720 --> 00:15:50,519

like I couldn't move because of the fear

323

00:15:55,850 --> 00:15:53,730

I wanted to look away but couldn't the

324

00:15:57,949 --> 00:15:55,860

middle of the UFO caught my attention

325

00:16:01,639 --> 00:15:57,959

the most because it was bright colored

326

00:16:04,369 --> 00:16:01,649

and shiny I wasn't wearing my contacts

327

00:16:07,400 --> 00:16:04,379

so I had to squint to see the UFO

328

00:16:12,710 --> 00:16:07,410

look to me like the effect of a lamppost

329

00:16:15,499 --> 00:16:12,720

but far away the gold was deep and rich

330

00:16:17,329 --> 00:16:15,509

the object flew over or past my building

331

00:16:19,759 --> 00:16:17,339

and I didn't see it any longer

332

00:16:26,840 --> 00:16:19,769

at first I try to convince myself it was

333

00:16:29,869 --> 00:16:26,850

a plane then a nuclear bomb some of the

334

00:16:33,889 --> 00:16:29,879

surprises and really sticks a nuclear

335

00:16:35,299 --> 00:16:33,899

bomb okay but none of those explained

336

00:16:42,319 --> 00:16:35,309

why it looks so beautiful

337

00:16:45,319 --> 00:16:42,329

I would hope it doesn't bomb really okay

338

00:16:48,079 --> 00:16:45,329

not beautiful all right the next

339

00:16:48,860 --> 00:16:48,089

beautiful sighting comes to us from New

340

00:16:56,269 --> 00:16:48,870

Jersey

341

00:16:59,509 --> 00:16:56,279

January 2nd 2018 in brief they state 3

342

00:17:03,499 --> 00:16:59,519

gold colors with a trailing white light

343

00:17:05,899 --> 00:17:03,509

over Auckland New Jersey while walking

344

00:17:08,600 --> 00:17:05,909

my dog I noticed three gold lights

345

00:17:11,059 --> 00:17:08,610

stacked almost on top of each other with

346

00:17:13,490 --> 00:17:11,069

the middle light protruding slightly out

347

00:17:15,559 --> 00:17:13,500

in front of the other two lights gosh it

348

00:17:17,329 --> 00:17:15,569

sounds like them some think the 2018

349

00:17:19,039 --> 00:17:17,339

models of UFOs have come out or

350

00:17:22,210 --> 00:17:19,049

something you guys noticing this pattern

351  
00:17:25,069 --> 00:17:22,220  
about this magnificent middle light

352  
00:17:28,450 --> 00:17:25,079  
might be the new stuff all right

353  
00:17:32,000 --> 00:17:28,460  
it appeared to be in an almost half star

354  
00:17:34,010 --> 00:17:32,010  
configuration the objects had a blinking

355  
00:17:36,500 --> 00:17:34,020  
white light trailing behind the three

356  
00:17:38,990 --> 00:17:36,510  
gold color lights it traveled almost

357  
00:17:41,600 --> 00:17:39,000  
directly overhead in a Northwest

358  
00:17:43,010 --> 00:17:41,610  
direction it appeared to be traveling

359  
00:17:45,470 --> 00:17:43,020  
extremely slow

360  
00:17:47,640 --> 00:17:45,480  
there was a small plane that was

361  
00:17:50,970 --> 00:17:47,650  
traveling in a westerly direction

362  
00:17:53,490 --> 00:17:50,980  
and the object turned and followed the

363  
00:17:56,220 --> 00:17:53,500

plane Wow

364

00:17:57,750 --> 00:17:56,230

it appeared that the object was tracking

365

00:18:00,090 --> 00:17:57,760

the plane that's hilarious

366

00:18:03,630 --> 00:18:00,100

the support people are like oh my god

367

00:18:07,290 --> 00:18:03,640

what is that following us now don't let

368

00:18:08,370 --> 00:18:07,300

me look yeah that waited for it to get

369

00:18:11,580 --> 00:18:08,380

in front of it

370

00:18:12,420 --> 00:18:11,590

Oh before it turned in behind it sounds

371

00:18:15,570 --> 00:18:12,430

like a cop

372

00:18:17,490 --> 00:18:15,580

I lost sight of the object but not the

373

00:18:20,430 --> 00:18:17,500

plane for a few moments and when I look

374

00:18:23,280 --> 00:18:20,440

back up the plane was still flying but

375

00:18:25,919 --> 00:18:23,290

the object was gone the night was clear

376

00:18:29,280 --> 00:18:25,929

with a full moon there were no clouds

377

00:18:31,020 --> 00:18:29,290

and no wind the dipper was visible to

378

00:18:34,740 --> 00:18:31,030

the east of where I was standing

379

00:18:39,210 --> 00:18:34,750

wow that's that's pretty funny stalker

380

00:18:42,630 --> 00:18:39,220

alert all right the next report is an

381

00:18:46,169 --> 00:18:42,640

alien encounter oh boy is this a juicy

382

00:18:51,180 --> 00:18:46,179

one blasting from the past this happened

383

00:18:54,990 --> 00:18:51,190

in Miami Florida on April 9th 1963 they

384

00:18:56,730 --> 00:18:55,000

call it egg-shaped oh boy they just are

385

00:18:59,400 --> 00:18:56,740

naming names here I'm not gonna read all

386

00:19:01,710 --> 00:18:59,410

that off huh my friend

387

00:19:03,570 --> 00:19:01,720

they'll just I'll just say Bettina was

388

00:19:06,810 --> 00:19:03,580

abducted when she was seven years old

389

00:19:08,180 --> 00:19:06,820

and every seven years since then she's

390

00:19:10,530 --> 00:19:08,190

had contact

391

00:19:13,110 --> 00:19:10,540

she has been on missions around the

392

00:19:16,530 --> 00:19:13,120

world on this quest that she has been

393

00:19:20,370 --> 00:19:16,540

told to do I was on one of these with

394

00:19:23,190 --> 00:19:20,380

her I know that's pretty freaky and now

395

00:19:26,510 --> 00:19:23,200

my friend she has applied to run for

396

00:19:29,700 --> 00:19:26,520

Congress to take on Alena Ross

397

00:19:33,690 --> 00:19:29,710

lightining its position in the Miami

398

00:19:36,180 --> 00:19:33,700

seat well heck the opposition has

399

00:19:38,940 --> 00:19:36,190

already started digging the dirt and it

400

00:19:41,450 --> 00:19:38,950

was in the Miami Herald if you look it

401  
00:19:44,310 --> 00:19:41,460  
up I guess in regards to her abduction I

402  
00:19:47,730 --> 00:19:44,320  
think she could use your organization's

403  
00:19:51,210 --> 00:19:47,740  
help after all we need more believers in

404  
00:19:53,340 --> 00:19:51,220  
Congress after you hear her story you

405  
00:19:55,530 --> 00:19:53,350  
know the truth is out there there are

406  
00:20:00,480 --> 00:19:55,540  
other people who seen it and it wasn't

407  
00:20:01,200 --> 00:20:00,490  
the Herald that year oh wow this one's

408  
00:20:03,269 --> 00:20:01,210  
juicy

409  
00:20:05,519 --> 00:20:03,279  
everybody you mean to tell me okay I'm

410  
00:20:07,409 --> 00:20:05,529  
gonna name this person because they have

411  
00:20:12,200 --> 00:20:07,419  
it in the report it's public record the

412  
00:20:16,070 --> 00:20:12,210  
name is Bettina Rodrigues Aguilera and

413  
00:20:19,380 --> 00:20:16,080

apparently she's running for a seat huh

414

00:20:21,389 --> 00:20:19,390

well I I guess uh this is something that

415

00:20:23,669 --> 00:20:21,399

you know we're in the midst of some kind

416

00:20:25,529 --> 00:20:23,679

of disclosure going on and it's being

417

00:20:28,260 --> 00:20:25,539

used against her that she reported

418

00:20:31,080 --> 00:20:28,270

having had alien contact or even

419

00:20:33,299 --> 00:20:31,090

abduction experiences Wow

420

00:20:34,830 --> 00:20:33,309

yeah she could use some support so you

421

00:20:37,289 --> 00:20:34,840

guys that are listening and especially

422

00:20:41,340 --> 00:20:37,299

if you're in Miami Florida and you're a

423

00:20:42,810 --> 00:20:41,350

believer and hello our Pentagon has come

424

00:20:45,690 --> 00:20:42,820

forward to say they've been spending

425

00:20:47,700 --> 00:20:45,700

millions on researching such things

426

00:20:49,340 --> 00:20:47,710

who are we to leave this poor lady

427

00:20:52,470 --> 00:20:49,350

hanging out there we do need more

428

00:20:54,690 --> 00:20:52,480

believers in Congress and give her the

429

00:20:57,779 --> 00:20:54,700

support so this happened again this

430

00:21:00,120 --> 00:20:57,789

happened April 9th 1963 and it was in

431

00:21:05,159 --> 00:21:00,130

the Miami Herald she must have been a

432

00:21:07,080 --> 00:21:05,169

kid that is hey that's it if I was there

433

00:21:09,149 --> 00:21:07,090

in Florida I'd vote for the lady because

434

00:21:11,940 --> 00:21:09,159

we do need more support in this area so

435

00:21:14,760 --> 00:21:11,950

you guys give this lady some support

436

00:21:17,220 --> 00:21:14,770

reach in reach out help her out

437

00:21:20,190 --> 00:21:17,230

all right huh that's a cool one all

438

00:21:23,789 --> 00:21:20,200

right moving along here we've got a UFO

439

00:21:25,529 --> 00:21:23,799

sighting in Cheney Washington mm-hmm I

440

00:21:28,860 --> 00:21:25,539

know there was a chain in Washington

441

00:21:31,769 --> 00:21:28,870

like Dick Cheney all right January 2nd

442

00:21:35,519 --> 00:21:31,779

2018 and brief the witness states bright

443

00:21:39,649 --> 00:21:35,529

lights blinded me but I seen through and

444

00:21:42,510 --> 00:21:39,659

I noticed a figure in all of the ships

445

00:21:45,139 --> 00:21:42,520

another one in more detail they say I

446

00:21:49,110 --> 00:21:45,149

was sitting on top of the park gazebo

447

00:21:52,289 --> 00:21:49,120

hanging out looking at girls listening

448

00:21:55,399 --> 00:21:52,299

to the snow crunch and melt then out of

449

00:21:58,350 --> 00:21:55,409

my peripheral vision I see bright lights

450

00:22:02,159 --> 00:21:58,360

four bright lights as I'm looking I

451  
00:22:04,919 --> 00:22:02,169  
could kind of see almost people it

452  
00:22:07,110 --> 00:22:04,929  
freaked me out and I was frightened so I

453  
00:22:09,870 --> 00:22:07,120  
did a voice recording because my camera

454  
00:22:12,360 --> 00:22:09,880  
doesn't work I don't know if you could

455  
00:22:15,150 --> 00:22:12,370  
hear the humming of the ships but it was

456  
00:22:17,040 --> 00:22:15,160  
a true terrifying experience

457  
00:22:20,160 --> 00:22:17,050  
then they started moving quickly through

458  
00:22:23,550 --> 00:22:20,170  
the error and then they just disappeared

459  
00:22:25,620 --> 00:22:23,560  
I had went home and watched videos on

460  
00:22:27,630 --> 00:22:25,630  
what to do and of course one of the

461  
00:22:30,390 --> 00:22:27,640  
things was to get pictures and I

462  
00:22:32,550 --> 00:22:30,400  
couldn't I had also heard to not draw

463  
00:22:33,570 --> 00:22:32,560

attention to the men in black which I

464

00:22:38,190 --> 00:22:33,580

don't know who they are

465

00:22:41,330 --> 00:22:38,200

well it ain't Will Smith oh oh I know is

466

00:22:44,730 --> 00:22:41,340

the movie oh he says it - aha okay

467

00:22:47,880 --> 00:22:44,740

anyways that is it for the story of the

468

00:22:49,740 --> 00:22:47,890

experience and the UFO sighting huh

469

00:22:52,920 --> 00:22:49,750

you know I'll share briefly one of my

470

00:22:55,560 --> 00:22:52,930

good friends she was person that helped

471

00:22:57,900 --> 00:22:55,570

do things like delivering papers and

472

00:22:59,580 --> 00:22:57,910

setting things up and and it was like

473

00:23:01,560 --> 00:22:59,590

4:00 in the morning and she's like it's

474

00:23:04,590 --> 00:23:01,570

pitch black out and all of a sudden I

475

00:23:09,120 --> 00:23:04,600

don't know where a big bright white

476

00:23:10,860 --> 00:23:09,130

spotlight shone over her and she's like

477

00:23:12,840 --> 00:23:10,870

where's coming from she's like I felt

478

00:23:14,760 --> 00:23:12,850

like you know like a magnifying glass

479

00:23:15,960 --> 00:23:14,770

was put over me and she was trying to

480

00:23:18,990 --> 00:23:15,970

figure out where it was coming from and

481

00:23:21,450 --> 00:23:19,000

then it just turned off like nothing so

482

00:23:24,930 --> 00:23:21,460

these things do happen it's quite freaky

483

00:23:28,680 --> 00:23:24,940

when it does but it does happen hmm all

484

00:23:30,800 --> 00:23:28,690

right the next UFO report we got quite a

485

00:23:34,580 --> 00:23:30,810

few I'm tossing I'm out tonight why not

486

00:23:39,090 --> 00:23:34,590

this occurred in Edwardsville Illinois

487

00:23:41,190 --> 00:23:39,100

December 30th 2017 in brief the witness

488

00:23:44,850 --> 00:23:41,200

states I watched it for a while as I

489

00:23:49,140 --> 00:23:44,860

drove and had irregular paths unlike

490

00:23:51,120 --> 00:23:49,150

planes and helicopters as it passed UFO

491

00:23:53,520 --> 00:23:51,130

seemed to shoot away from me and was

492

00:23:56,370 --> 00:23:53,530

gone and thin air our only leaving trail

493

00:23:59,100 --> 00:23:56,380

of light in more detail the witness

494

00:24:01,260 --> 00:23:59,110

states I was driving on i-70 West

495

00:24:04,230 --> 00:24:01,270

heading to st. Louis and I noticed air

496

00:24:07,590 --> 00:24:04,240

traffic was heavy as I watched the sky

497

00:24:09,930 --> 00:24:07,600

more I noticed a clean white light that

498

00:24:12,300 --> 00:24:09,940

had nothing blinking which I found

499

00:24:14,550 --> 00:24:12,310

strange the way it moved was also

500

00:24:16,880 --> 00:24:14,560

strange as it went from side to side and

501  
00:24:18,930 --> 00:24:16,890  
then would suddenly change direction I

502  
00:24:21,570 --> 00:24:18,940  
noticed it mainly because of its

503  
00:24:23,850 --> 00:24:21,580  
movement in flight path it didn't follow

504  
00:24:26,190 --> 00:24:23,860  
the flight path that airplanes normally

505  
00:24:27,510 --> 00:24:26,200  
take near st. Louis which is along the

506  
00:24:29,010 --> 00:24:27,520  
southwest of the city

507  
00:24:31,620 --> 00:24:29,020  
this was more

508  
00:24:33,840 --> 00:24:31,630  
north of the city but flying south I

509  
00:24:36,540 --> 00:24:33,850  
first thought it was a helicopter but

510  
00:24:38,670 --> 00:24:36,550  
soon realized that the speed it would

511  
00:24:42,150 --> 00:24:38,680  
gain that helicopters couldn't move like

512  
00:24:44,910 --> 00:24:42,160  
that as I got closer passing the stout

513  
00:24:48,060 --> 00:24:44,920

inand Lebanon exit I got closer to

514

00:24:50,610 --> 00:24:48,070

Edwardsville Illinois in the object it

515

00:24:53,250 --> 00:24:50,620

seemed to have gotten lower I would say

516

00:24:55,770 --> 00:24:53,260

treetop levels and was quite bigger than

517

00:24:58,680 --> 00:24:55,780

a drone I thought it may have been one

518

00:25:03,180 --> 00:24:58,690

but again it moved too quickly and had

519

00:25:07,500 --> 00:25:03,190

such a path it also had no green

520

00:25:10,530 --> 00:25:07,510

or Lutz on it it was only a solid white

521

00:25:12,030 --> 00:25:10,540

sphere I had felt pretty weird when I

522

00:25:14,360 --> 00:25:12,040

first started driving and didn't think

523

00:25:17,730 --> 00:25:14,370

much of it but after looking back I

524

00:25:20,670 --> 00:25:17,740

realized that the anxiety I get got

525

00:25:23,520 --> 00:25:20,680

worse the closer I'd gotten to the

526

00:25:25,380 --> 00:25:23,530

actual sighting something helped us a

527

00:25:28,230 --> 00:25:25,390

lot of people like they just know

528

00:25:31,170 --> 00:25:28,240

something is coming that could kick my

529

00:25:34,800 --> 00:25:31,180

butt I'd better just keep my ego in

530

00:25:38,970 --> 00:25:34,810

check I don't know they continued as I

531

00:25:40,740 --> 00:25:38,980

watched it felt I felt it was so anxious

532

00:25:43,290 --> 00:25:40,750

and had a heavy feeling in my chest

533

00:25:45,480 --> 00:25:43,300

which I haven't gotten before as I

534

00:25:49,050 --> 00:25:45,490

passed the UFO it was at treetop level

535

00:25:52,830 --> 00:25:49,060

and it was as if it shot straight south

536

00:25:55,170 --> 00:25:52,840

into thin air following it was a trail

537

00:25:58,080 --> 00:25:55,180

of light with some green and purple in

538

00:26:00,540 --> 00:25:58,090

the trail but that was it I watched the

539

00:26:01,920 --> 00:26:00,550

spot it was at and there were no

540

00:26:04,800 --> 00:26:01,930

buildings or trees that would have

541

00:26:08,340 --> 00:26:04,810

blocked my view just a huge empty farm

542

00:26:10,500 --> 00:26:08,350

field I was astonished and right as the

543

00:26:14,250 --> 00:26:10,510

UFO had left so did the pressure in my

544

00:26:17,280 --> 00:26:14,260

chest mm-hmm that's telling I am still

545

00:26:20,100 --> 00:26:17,290

in shock as to how it shot straight away

546

00:26:22,320 --> 00:26:20,110

into the air hate to say it but almost

547

00:26:26,310 --> 00:26:22,330

as if it went into some sort of

548

00:26:27,960 --> 00:26:26,320

hyperdrive this was my first real UFO

549

00:26:30,450 --> 00:26:27,970

sighting that gave me strange feelings

550

00:26:30,960 --> 00:26:30,460

and didn't get blocked by buildings or

551  
00:26:33,780 --> 00:26:30,970  
anything

552  
00:26:37,170 --> 00:26:33,790  
I watched it clear as day as I came and

553  
00:26:39,990 --> 00:26:37,180  
as it left then next UFO sighting oh

554  
00:26:42,240 --> 00:26:40,000  
it's an alien encounter in Cambridge

555  
00:26:45,540 --> 00:26:42,250  
Ontario this happened July

556  
00:26:48,660 --> 00:26:45,550  
22nd 2017 in brief they state do not

557  
00:26:52,050 --> 00:26:48,670  
know what these were but were unknown

558  
00:26:55,500 --> 00:26:52,060  
there were creepy skinny like figures

559  
00:26:57,300 --> 00:26:55,510  
and more detail the witness states I was

560  
00:27:00,270 --> 00:26:57,310  
waiting for a bus when this van pulled

561  
00:27:02,670 --> 00:27:00,280  
up weird critters or unhuman looking

562  
00:27:04,770 --> 00:27:02,680  
people popped out you can see the

563  
00:27:08,280 --> 00:27:04,780

outline of their face and eye sockets

564

00:27:10,890 --> 00:27:08,290

wearing black and alien color gray color

565

00:27:13,680 --> 00:27:10,900

I'm not sure exactly what they were

566

00:27:15,120 --> 00:27:13,690

after they left the people were

567

00:27:17,340 --> 00:27:15,130

complaining of their cell phones

568

00:27:19,950 --> 00:27:17,350

crashing or they suddenly stopped

569

00:27:22,260 --> 00:27:19,960

working I've had drone like flying

570

00:27:24,720 --> 00:27:22,270

objects I've seen in the sky before and

571

00:27:27,510 --> 00:27:24,730

now this happens it is unknown if

572

00:27:30,810 --> 00:27:27,520

they're human or alien or even another

573

00:27:32,280 --> 00:27:30,820

species we don't know exists it's

574

00:27:34,470 --> 00:27:32,290

creeping me out

575

00:27:38,220 --> 00:27:34,480

it honestly looked like they were

576

00:27:40,740 --> 00:27:38,230

looking at me after a minute or so after

577

00:27:43,950 --> 00:27:40,750

people and me took pictures and made it

578

00:27:46,380 --> 00:27:43,960

clear we took the photos they took off I

579

00:27:48,960 --> 00:27:46,390

moved out of the city and still am in

580

00:27:51,360 --> 00:27:48,970

shock and don't know what it is to this

581

00:27:52,740 --> 00:27:51,370

day I thought is so unclear I wish you

582

00:27:54,440 --> 00:27:52,750

gave more detail on that that is

583

00:27:58,860 --> 00:27:54,450

fascinating

584

00:28:02,220 --> 00:27:58,870

good lord okay and on to some paranormal

585

00:28:06,510 --> 00:28:02,230

inspirational stories this one is

586

00:28:08,970 --> 00:28:06,520

entitled angel experience the witness

587

00:28:11,490 --> 00:28:08,980

and experience her States my ex-husband

588

00:28:13,650 --> 00:28:11,500

was a Reiki practitioner and one night

589

00:28:16,590 --> 00:28:13,660

he was giving me a treatment for a

590

00:28:18,120 --> 00:28:16,600

repetitive strain in my shoulders I was

591

00:28:20,310 --> 00:28:18,130

afraid to open my eyes during the

592

00:28:22,710 --> 00:28:20,320

treatment because I didn't want to lose

593

00:28:25,830 --> 00:28:22,720

my mind's eye view of all the wonderful

594

00:28:27,600 --> 00:28:25,840

visitors in our living room mm-hmm but

595

00:28:31,020 --> 00:28:27,610

at the same time didn't want to discover

596

00:28:34,170 --> 00:28:31,030

they were really there I could see five

597

00:28:37,680 --> 00:28:34,180

people around the recliner a Mandarin a

598

00:28:39,780 --> 00:28:37,690

twin boy and girl a French monk don't

599

00:28:42,570 --> 00:28:39,790

know why I thought he was French and a

600

00:28:44,850 --> 00:28:42,580

girl dressed in a 1940's trench coat

601  
00:28:47,850 --> 00:28:44,860  
that was weird enough but when I looked

602  
00:28:51,450 --> 00:28:47,860  
beyond them in my mind's eye I could see

603  
00:28:54,360 --> 00:28:51,460  
the most beautiful male angel standing

604  
00:28:55,610 --> 00:28:54,370  
at the far end of the room he had huge

605  
00:28:58,549 --> 00:28:55,620  
white wings

606  
00:29:00,440 --> 00:28:58,559  
which reached the right top of the

607  
00:29:02,720 --> 00:29:00,450  
ceiling I'm sure everyone thinks I'm

608  
00:29:04,549 --> 00:29:02,730  
losing it but I know what I was

609  
00:29:07,880 --> 00:29:04,559  
experiencing and it was the best

610  
00:29:10,850 --> 00:29:07,890  
encounter ever the French guy was a bit

611  
00:29:13,669 --> 00:29:10,860  
imposing on the mind huh

612  
00:29:16,070 --> 00:29:13,679  
this next one is called Easter angel I

613  
00:29:17,899 --> 00:29:16,080

believe that I saw an angel when I was

614

00:29:20,060 --> 00:29:17,909

around six or seven years old it

615

00:29:22,070 --> 00:29:20,070

happened on the night before Easter I

616

00:29:24,470 --> 00:29:22,080

had fallen asleep in my parents bedroom

617

00:29:26,870 --> 00:29:24,480

and I woke up and my mom was sitting on

618

00:29:29,510 --> 00:29:26,880

the bed and she told me to go upstairs

619

00:29:31,760 --> 00:29:29,520

and to tell my dad to come downstairs

620

00:29:34,070 --> 00:29:31,770

and so I went upstairs to get my dad and

621

00:29:37,310 --> 00:29:34,080

as we were both walking towards my

622

00:29:40,070 --> 00:29:37,320

parents bedroom I saw an angel standing

623

00:29:42,889 --> 00:29:40,080

by the bed she was looking directly at

624

00:29:44,810 --> 00:29:42,899

me she was barefoot and she didn't have

625

00:29:46,430 --> 00:29:44,820

a smile on her face or anything I can't

626  
00:29:50,659 --> 00:29:46,440  
remember what her mouth look like but

627  
00:29:52,730 --> 00:29:50,669  
she had blue eyes and long black curly

628  
00:29:54,740 --> 00:29:52,740  
hair and she was wearing a long sleeved

629  
00:29:56,750 --> 00:29:54,750  
yellow dress with flowers on it

630  
00:29:59,810 --> 00:29:56,760  
her dress almost looked like a nightgown

631  
00:30:03,080 --> 00:29:59,820  
she was glowing and she had almost like

632  
00:30:05,090 --> 00:30:03,090  
a white beam of light around her as I

633  
00:30:06,980 --> 00:30:05,100  
got closer to her she started to vanish

634  
00:30:09,529 --> 00:30:06,990  
and once she was completely gone I told

635  
00:30:11,480 --> 00:30:09,539  
my parents that I had seen an angel

636  
00:30:13,580 --> 00:30:11,490  
that's the only time I have ever seen

637  
00:30:19,220 --> 00:30:13,590  
her but I believe that she is my

638  
00:30:21,529 --> 00:30:19,230

guardian angel maybe it's just me all
