blasting off with some UFO reports this

14

00:00:44,709 --> 00:00:44,070

first one happened in Gallion Ohio this

15

00:00:49,100 --> 00:00:44,719

occurred

16

00:00:52,010 --> 00:00:49,110

December 5th 2017 in brief the witness

17

00:00:55,939 --> 00:00:52,020

states saw large hovering craft on way

18

00:00:58,490 --> 00:00:55,949

home from store stop to take video

19

00:01:04,219 --> 00:00:58,500

awesome in more detail the witness

20

00:01:08,920 --> 00:01:04,229

states I first want to declare and I am

21

00:01:12,230 --> 00:01:08,930

NOT a UFO hunter they put that in quotes

22

00:01:20,179 --> 00:01:12,240

I'm a boring mom that works at a boring

23

00:01:22,359 --> 00:01:20,189

office job oh when I was young in 1991

24

00:01:27,499 --> 00:01:22,369

my family and I had witnessed an

25

00:01:30,649 --> 00:01:27,509

unidentified object up close so I have

26

00:01:33,200 --> 00:01:30,659

been intrigued but in our family though

27

00:01:37,700 --> 00:01:33,210

four of us saw it we didn't talk about

28

00:01:40,069 --> 00:01:37,710

it until a decade later on December 5th

29

00:01:41,990 --> 00:01:40,079

2017 oh you've got to be kidding me

30

00:01:45,319 --> 00:01:42,000

see how people go into these paranormal

31

00:01:46,700 --> 00:01:45,329

closets it's very freaky this person

32

00:01:49,219 --> 00:01:46,710

continues I was coming home from the

33

00:01:52,910 --> 00:01:49,229

grocery store on County Road 9 and

34

00:01:55,639 --> 00:01:52,920

Morrow County toured Iberia I noticed

35

00:01:58,670 --> 00:01:55,649

what appeared to be a huge craft of some

36

00:02:00,560 --> 00:01:58,680

sort with very bright individual lights

37

00:02:04,190 --> 00:02:00,570

going around the whole side

38

00:02:07,340 --> 00:02:04,200

circumference it was maybe a half to a

39

00:02:09,770 --> 00:02:07,350

half-mile away huh half to a half I

40

00:02:12,530 --> 00:02:09,780

swear that's what they put and hovering

41

00:02:13,490 --> 00:02:12,540

not far above the tree line after

42

00:02:16,070 --> 00:02:13,500

driving for

43

00:02:19,100 --> 00:02:16,080

miele may be looking to my east I found

44

00:02:22,250 --> 00:02:19,110

a clear line-of-sight and stopped my car

45

00:02:24,710 --> 00:02:22,260

to the side of the road I snapped a pic

46

00:02:27,950 --> 00:02:24,720

to show how bright it was in comparison

47

00:02:31,580 --> 00:02:27,960

to the very bright moon then started

48

00:02:33,890 --> 00:02:31,590

video on my galaxy 7 phone I held my

49

00:02:37,190 --> 00:02:33,900

phone up recording but was looking with

50

00:02:39,110 --> 00:02:37,200

my naked eye as it was a much clearer

51
00:02:42,320 --> 00:02:39,120
closer appearing in person

52
00:02:45,800 --> 00:02:42,330
I watched the circular craft hover over

53
00:02:49,100 --> 00:02:45,810
a field wooded area and it started to

54
00:02:51,680 --> 00:02:49,110
tilt a bit forward in the direction of

55
00:02:54,340 --> 00:02:51,690
movement north and slowly appeared to

56
00:02:57,410 --> 00:02:54,350
get closer I got nervous at this point

57
00:02:59,270 --> 00:02:57,420
the aircraft went behind a tree that was

58
00:03:01,310 --> 00:02:59,280
in my line of sight toward the end of

59
00:03:03,650 --> 00:03:01,320
the video which gives the appearance of

60
00:03:06,760 --> 00:03:03,660
flickering light from the branches but

61
00:03:11,060 --> 00:03:06,770
the light remained constant almost

62
00:03:13,790 --> 00:03:11,070
blinding in the night sky a vehicle came

63
00:03:17,110 --> 00:03:13,800

up behind me as the aircraft became less

64

00:03:20,090 --> 00:03:17,120

visible then disappeared abruptly I

65

00:03:23,030 --> 00:03:20,100

started to drive again feeling rushed by

66

00:03:25,060 --> 00:03:23,040

the vehicle behind me I kept looking but

67

00:03:28,759 --> 00:03:25,070

the object was nowhere to be found

68

00:03:31,400 --> 00:03:28,769

immediately two low-flying jet planes

69

00:03:34,640 --> 00:03:31,410

flew over and seemed like they were

70

00:03:36,979 --> 00:03:34,650

barely above the telephone poles later

71

00:03:40,400 --> 00:03:36,989

reviewing my video I noticed a red

72

00:03:43,220 --> 00:03:40,410

flashing light which I assumed was maybe

73

00:03:45,949 --> 00:03:43,230

a tower blinking in the distance since

74

00:03:48,620 --> 00:03:45,959

the object I viewed did not have any red

75

00:03:51,229 --> 00:03:48,630

lights after researching some more I

76

00:03:54,110 --> 00:03:51,239

realized that there was no tower in the

77

00:03:57,050 --> 00:03:54,120

area so the flashing lights must have

78

00:03:59,960 --> 00:03:57,060

been the low-flying jet planes beyond

79

00:04:02,150 --> 00:03:59,970

the aircraft off in the distance I'm

80

00:04:04,819 --> 00:04:02,160

anxious to see if anyone can clean up my

81

00:04:06,979 --> 00:04:04,829

fuzzy video it looks so much further

82

00:04:11,210 --> 00:04:06,989

than it was in person and it wasn't

83

00:04:13,580 --> 00:04:11,220

grainy like the video the next UFO

84

00:04:14,420 --> 00:04:13,590

sighting this happened in Queensbury in

85

00:04:18,440 --> 00:04:14,430

New York

86

00:04:22,070 --> 00:04:18,450

November 9th 2017 in brief the witness

87

00:04:24,980 --> 00:04:22,080

state's UFO with green windows

88

00:04:27,379 --> 00:04:24,990

well that's jazzy and more detailed

89

00:04:31,459 --> 00:04:27,389

witness states on November 9th 2017

90

00:04:33,309 --> 00:04:31,469

at approximately 6:45 p.m. a couple of

91

00:04:38,059 --> 00:04:33,319

relatives who wish to remain anonymous

92

00:04:40,939 --> 00:04:38,069

say a UFO or phenomena that they cannot

93

00:04:44,269 --> 00:04:40,949

explain names have been changed from

94

00:04:46,640 --> 00:04:44,279

here on as husband Randy and wife Mindy

95

00:04:48,860 --> 00:04:46,650

I like that Mindy and Randy

96

00:04:51,559 --> 00:04:48,870

the couple were just getting home from

97

00:04:54,499 --> 00:04:51,569

dinner as they were entering the house

98

00:04:57,320 --> 00:04:54,509

Randy went in but Mindy was just behind

99

00:05:00,110 --> 00:04:57,330

him when she saw some lights above a

100

00:05:01,850 --> 00:05:00,120

tree line she couldn't believe what she

101
00:05:03,469 --> 00:05:01,860
was seeing so she called him to come out

102
00:05:06,379 --> 00:05:03,479
he obliged

103
00:05:10,790 --> 00:05:06,389
they both observed an object about 20 to

104
00:05:13,240 --> 00:05:10,800
30 feet long above a tree line it was

105
00:05:16,399 --> 00:05:13,250
night so they could not see an outline

106
00:05:19,689 --> 00:05:16,409
they can approximate the length because

107
00:05:22,129 --> 00:05:19,699
it had approximately six green lights

108
00:05:25,790 --> 00:05:22,139
that they described as looking like

109
00:05:29,029 --> 00:05:25,800
windows several feet apart the window

110
00:05:29,659 --> 00:05:29,039
had no sound or the object had no sound

111
00:05:32,059 --> 00:05:29,669
oops

112
00:05:35,059 --> 00:05:32,069
and it was covering at the same height

113
00:05:37,309 --> 00:05:35,069

the whole time as an object hovered was

114

00:05:40,939 --> 00:05:37,319

emanating sending lights were just

115

00:05:44,089 --> 00:05:40,949

amazing they can hardly describe what

116

00:05:46,670 --> 00:05:44,099

they saw they weren't lasers because

117

00:05:49,939 --> 00:05:46,680

they were not straight the lights were

118

00:05:52,999 --> 00:05:49,949

continuous but were also like corkscrews

119

00:05:54,920 --> 00:05:53,009

almost like fireworks except for the

120

00:05:58,129 --> 00:05:54,930

fact that they were continuous constant

121

00:05:59,749 --> 00:05:58,139

the whole distance they were going

122

00:06:01,790 --> 00:05:59,759

across the street into their neighbor's

123

00:06:04,070 --> 00:06:01,800

yard and going through the trees in all

124

00:06:06,610 --> 00:06:04,080

directions after about three minutes of

125

00:06:09,649 --> 00:06:06,620

observing this and being mesmerised

126

00:06:12,290 --> 00:06:09,659

Randy went into the house it was

127

00:06:14,420 --> 00:06:12,300

freaking him out and didn't want to have

128

00:06:18,379 --> 00:06:14,430

anything to do with it any longer oh

129

00:06:21,170 --> 00:06:18,389

poor guy Mindy stayed out for another 30

130

00:06:24,170 --> 00:06:21,180

seconds she's the brave one I'm just

131

00:06:26,990 --> 00:06:24,180

kidding but while she did she started

132

00:06:28,909 --> 00:06:27,000

looking around in all directions she was

133

00:06:31,519 --> 00:06:28,919

trying to see if anyone else was outside

134

00:06:34,010 --> 00:06:31,529

and if there was anything else happening

135

00:06:36,889 --> 00:06:34,020

in other places she didn't want to give

136

00:06:38,749 --> 00:06:36,899

up looking for explanations while doing

137

00:06:41,330 --> 00:06:38,759

this she looked up the street and other

138

00:06:45,200 --> 00:06:41,340

directions which is to the Northeast

139

00:06:48,439 --> 00:06:45,210

she saw a green same color glowing ball

140

00:06:51,620 --> 00:06:48,449

of light very bright and estimating the

141

00:06:54,560 --> 00:06:51,630

size of a bowling ball it was floating

142

00:06:56,629 --> 00:06:54,570

and about eye level she tried to get

143

00:07:01,310 --> 00:06:56,639

Randy to come back out to see that but

144

00:07:04,430 --> 00:07:01,320

he chose not to then it flashed like a

145

00:07:07,550 --> 00:07:04,440

camera flash and then just disappeared

146

00:07:11,060 --> 00:07:07,560

right in front of her eyes it didn't fly

147

00:07:13,219 --> 00:07:11,070

away it just vanished after this

148

00:07:15,190 --> 00:07:13,229

happened she went to look at the other

149

00:07:18,620 --> 00:07:15,200

object and it was gone

150

00:07:22,120 --> 00:07:18,630

Randy and Mindy are still blown away by

151
00:07:23,570 --> 00:07:22,130
what they saw there is no explanation

152
00:07:28,150 --> 00:07:23,580
drones

153
00:07:32,300 --> 00:07:28,160
no methane gas from a leak field no

154
00:07:35,690 --> 00:07:32,310
laser beam light show no there was

155
00:07:38,060 --> 00:07:35,700
nothing in there combined a hundred and

156
00:07:40,640 --> 00:07:38,070
twenty seven years that even comes close

157
00:07:42,800 --> 00:07:40,650
I believe they saw something based on

158
00:07:45,680 --> 00:07:42,810
their reaction that night and continued

159
00:07:48,800 --> 00:07:45,690
amazement I live right behind them so

160
00:07:51,740 --> 00:07:48,810
they called right after it happened to

161
00:07:54,170 --> 00:07:51,750
ask me if I saw it but was not home at

162
00:07:56,629 --> 00:07:54,180
the time I could sense a concern and

163
00:07:59,000 --> 00:07:56,639

confusion in their voices family

164

00:08:02,270 --> 00:07:59,010

relatives of witnesses as an artist the

165

00:08:08,089 --> 00:08:02,280

rendering of what we described here they

166

00:08:11,740 --> 00:08:08,099

said it is very accurate Wow all right

167

00:08:16,100 --> 00:08:11,750

this next UFO sighting occurred in Genoa

168

00:08:18,320 --> 00:08:16,110

Wisconsin January 8th 2018 and briefed

169

00:08:21,200 --> 00:08:18,330

the witness states a stationary flashing

170

00:08:24,379 --> 00:08:21,210

lights military aircraft zigzagging

171

00:08:27,469 --> 00:08:24,389

loudly near object second identical

172

00:08:30,560 --> 00:08:27,479

object to the south and more detail

173

00:08:34,719 --> 00:08:30,570

noticed loud aircraft noises outside and

174

00:08:38,810 --> 00:08:34,729

saw two aircraft rapidly zigzagging or

175

00:08:41,930 --> 00:08:38,820

figure-of-eight watch for 15 seconds

176
00:08:45,380 --> 00:08:41,940
before out of sight but notice flashing

177
00:08:48,260 --> 00:08:45,390
white blue green red lights like a star

178
00:08:52,160 --> 00:08:48,270
but brighter in same region aircraft

179
00:08:55,160 --> 00:08:52,170
were seen got in car to go to top of

180
00:08:58,790 --> 00:08:55,170
Ridge to observe as no towers or

181
00:09:02,660 --> 00:08:58,800
sources we could think of for source car

182
00:09:04,610 --> 00:09:02,670
acted very strangely would not start was

183
00:09:08,000 --> 00:09:04,620
turning over well and would continue to

184
00:09:08,470 --> 00:09:08,010
turn over without hand on key ignition

185
00:09:12,949 --> 00:09:08,480
Oh

186
00:09:15,740 --> 00:09:12,959
newer 2014 vehicle well-maintained kept

187
00:09:18,769 --> 00:09:15,750
in heated garage never with battery

188
00:09:22,610 --> 00:09:18,779

issues took a different car which did

189

00:09:24,470 --> 00:09:22,620

start on top of Ridge observed object

190

00:09:27,019 --> 00:09:24,480

through binoculars however still

191

00:09:30,530 --> 00:09:27,029

appeared too distant to see details

192

00:09:34,100 --> 00:09:30,540

could only notice rapidly flashing blue

193

00:09:36,560 --> 00:09:34,110

yellow green and red lights did not

194

00:09:39,590 --> 00:09:36,570

appear to be moving relative to horizon

195

00:09:42,410 --> 00:09:39,600

or stars no further aircraft observed

196

00:09:46,100 --> 00:09:42,420

returned home and noticed identical

197

00:09:48,650 --> 00:09:46,110

object light pattern to South have never

198

00:09:52,009 --> 00:09:48,660

witnessed similar event and past nor the

199

00:09:54,050 --> 00:09:52,019

aircraft that low in this area also have

200

00:09:57,110 --> 00:09:54,060

never seen pattern of flight aircraft

201
00:10:03,230 --> 00:09:57,120
we're performing continue to check but

202
00:10:06,199 --> 00:10:03,240
lights remain present for two hours all

203
00:10:09,710 --> 00:10:06,209
right this next one yo foe sighting in

204
00:10:11,689 --> 00:10:09,720
Georgia this is a slight UFO

205
00:10:12,980 --> 00:10:11,699
blast from the past this happened August

206
00:10:18,860 --> 00:10:12,990
13 2013

207
00:10:21,680 --> 00:10:18,870
oh wow just read this and brief the

208
00:10:25,400 --> 00:10:21,690
witness states I kissed an angel on the

209
00:10:27,860 --> 00:10:25,410
cheek the power died to a candle and it

210
00:10:33,199 --> 00:10:27,870
flew out of the home this is after a

211
00:10:35,360 --> 00:10:33,209
stoning what what is this okay anyways

212
00:10:38,329 --> 00:10:35,370
we're gonna continue my four-year-old so

213
00:10:41,930 --> 00:10:38,339

son made me a stone for Father's Day in

214

00:10:44,180 --> 00:10:41,940

a church it said dad rocks okay that's

215

00:10:46,819 --> 00:10:44,190

cute a year later I was coming out of

216

00:10:49,309 --> 00:10:46,829

the bathroom and she hit me in the head

217

00:10:53,360 --> 00:10:49,319

with it oh boy

218

00:10:54,680 --> 00:10:53,370

a year later I had an open heart surgery

219

00:10:58,579 --> 00:10:54,690

and died on the table

220

00:11:01,430 --> 00:10:58,589

I was lifted up out of body when I got

221

00:11:04,370 --> 00:11:01,440

back to her an angel this is a picture

222

00:11:07,260 --> 00:11:04,380

on the wall of a man's face was halfway

223

00:11:09,390 --> 00:11:07,270

out of this picture it kept

224

00:11:11,730 --> 00:11:09,400

talking to me so one night I came out of

225

00:11:13,950 --> 00:11:11,740

the bathroom and kissed it and said

226

00:11:17,160 --> 00:11:13,960

jesus loves you it will be okay

227

00:11:21,330 --> 00:11:17,170

that night the power died to a candle

228

00:11:23,550 --> 00:11:21,340

light on a ball one time two came

229

00:11:28,200 --> 00:11:23,560

through the bedroom and out towards the

230

00:11:31,260 --> 00:11:28,210

West it flew a men a few homes up was

231

00:11:34,530 --> 00:11:31,270

filming one already above the home then

232

00:11:37,140 --> 00:11:34,540

the one from inside my home flew up huh

233

00:11:42,660 --> 00:11:37,150

you could see it on YouTube under UFO

234

00:11:45,030 --> 00:11:42,670

coming in Georgia 2013 please help

235

00:11:46,530 --> 00:11:45,040

ok I'm confused it sounds like they're

236

00:11:50,100 --> 00:11:46,540

describing something was in the house

237

00:11:52,680 --> 00:11:50,110

and it flew out yeah right after they

238

00:11:56,730 --> 00:11:52,690

kissed a painting and said Jesus loves

239

00:11:59,010 --> 00:11:56,740

you ok ok ok yeah that's that's

240

00:12:01,590 --> 00:11:59,020

fascinating personally I have seen orbs

241

00:12:03,420 --> 00:12:01,600

in the house for myself that flew out

242

00:12:05,070 --> 00:12:03,430

the window out of an open window so

243

00:12:08,670 --> 00:12:05,080

maybe that's what you're trying to

244

00:12:14,010 --> 00:12:08,680

describe I'm not sure ok anyways moving

245

00:12:16,770 --> 00:12:14,020

on oh cool alien encounter in Chicago

246

00:12:22,530 --> 00:12:16,780

right where I'm at this happened

247

00:12:24,840 --> 00:12:22,540

March 20th 2004 aliens all around me in

248

00:12:27,540 --> 00:12:24,850

more detail the witness states I was

249

00:12:30,210 --> 00:12:27,550

laying down in my house on my floor and

250

00:12:32,850 --> 00:12:30,220

I was about to fall asleep when I lay

251
00:12:35,310 --> 00:12:32,860
down on the floor I closed my eyes when

252
00:12:39,270 --> 00:12:35,320
I opened my eyes I saw six to eight

253
00:12:41,400 --> 00:12:39,280
aliens all around me looking down at me

254
00:12:44,400 --> 00:12:41,410
I don't remember what happened after

255
00:12:47,580 --> 00:12:44,410
that but now I feel really really bad

256
00:12:50,940 --> 00:12:47,590
inside and I can see it watching me

257
00:12:54,930 --> 00:12:50,950
wherever I go I can feel it in my body

258
00:12:57,600 --> 00:12:54,940
every night I can't sleep I have had bad

259
00:12:59,640 --> 00:12:57,610
demonic attacks all the time day and

260
00:13:03,900 --> 00:12:59,650
night they tried to kill me

261
00:13:06,360 --> 00:13:03,910
but God will let me go God protecting me

262
00:13:08,400 --> 00:13:06,370
and it's still around me everywhere I go

263
00:13:10,830 --> 00:13:08,410

it's around me right now while I'm

264

00:13:13,710 --> 00:13:10,840

writing this comment can you please help

265

00:13:16,050 --> 00:13:13,720

me it's more to it than that people can

266

00:13:19,530 --> 00:13:16,060

feel something around me and I'm not

267

00:13:20,670 --> 00:13:19,540

normal everywhere I go I feel terrible

268

00:13:23,579 --> 00:13:20,680

I can't interact with

269

00:13:25,829 --> 00:13:23,589

or life anymore I don't want to die but

270

00:13:28,290 --> 00:13:25,839

I can't keep living like this can you

271

00:13:31,139 --> 00:13:28,300

please help me they attacked my fiancée

272

00:13:33,660 --> 00:13:31,149

they attacked my body mind and soul and

273

00:13:35,749 --> 00:13:33,670

attacking my spirit please can you help

274

00:13:39,389 --> 00:13:35,759

me I don't know what else to do

275

00:13:42,569 --> 00:13:39,399

no that's that's devastating you know I

276

00:13:45,239 --> 00:13:42,579

I reserved honestly for myself this is

277

00:13:48,389 --> 00:13:45,249

an email sent to myself I would respond

278

00:13:50,069 --> 00:13:48,399

as such to say that a lot of these

279

00:13:53,609 --> 00:13:50,079

beings that are said to abduct people

280

00:13:55,169 --> 00:13:53,619

they abduct Souls as well and they are

281

00:13:59,639 --> 00:13:55,179

not considered to be very positive

282

00:14:02,400 --> 00:13:59,649

beings abductions when when is that okay

283

00:14:04,049 --> 00:14:02,410

that word to have abducted something

284

00:14:05,100 --> 00:14:04,059

that means to take without permission

285

00:14:08,069 --> 00:14:05,110

all right

286

00:14:10,980 --> 00:14:08,079

not good personally wrote a book called

287

00:14:13,049 --> 00:14:10,990

the secret war and yeah I kind of relate

288

00:14:15,090 --> 00:14:13,059

these alien the more negative beings

289

00:14:17,730 --> 00:14:15,100

that do horrible things to people as

290

00:14:20,429 --> 00:14:17,740

being related to demonic folks and I've

291

00:14:23,850 --> 00:14:20,439

spoken to people involved in MUFON and

292

00:14:25,559 --> 00:14:23,860

and other organizations that agree that

293

00:14:29,129 --> 00:14:25,569

there is something to these beings as

294

00:14:30,960 --> 00:14:29,139

being negative and if this person would

295

00:14:33,150 --> 00:14:30,970

so happened to be listening I would say

296

00:14:35,790 --> 00:14:33,160

you know give me write me I will

297

00:14:37,319 --> 00:14:35,800

definitely address it hopefully

298

00:14:42,530 --> 00:14:37,329

somebody's reaching out to you through

299

00:14:45,869 --> 00:14:42,540

this service here alrighty moving on

300

00:14:49,829 --> 00:14:45,879

sighting in Springfield Ohio

301
00:14:52,710 --> 00:14:49,839
this occurred January 9th 2018 boomerang

302
00:14:55,169 --> 00:14:52,720
looking thing three headlights looking

303
00:14:57,919 --> 00:14:55,179
lights and mauler red lights and back

304
00:15:13,499 --> 00:14:57,929
moved but never change direction

305
00:15:15,689 --> 00:15:13,509
attention shoppers clean up feet boxing

306
00:15:17,609 --> 00:15:15,699
at a big-box store surprising what's not

307
00:15:21,179 --> 00:15:17,619
surprising how much you could save by

308
00:15:23,910 --> 00:15:21,189
switching to Geico some it even has the

309
00:15:27,900 --> 00:15:23,920
lights on in the parking lot Geico 15

310
00:15:30,809 --> 00:15:27,910
minutes could save you 15% or more in

311
00:15:34,470 --> 00:15:30,819
more detail the witness states driving

312
00:15:38,579 --> 00:15:34,480
east on i-70 in Ohio and approximately

313
00:15:41,579 --> 00:15:38,589

thirty PM mile marker 47 point five saw

314

00:15:44,430 --> 00:15:41,589

large boomerang-shaped plain-looking

315

00:15:46,740 --> 00:15:44,440

thing the rest of traffic must have also

316

00:15:50,129 --> 00:15:46,750

noticed as everyone was drifting lane

317

00:15:52,590 --> 00:15:50,139

staring at the object at first I thought

318

00:15:55,230 --> 00:15:52,600

it must have been a very large tall

319

00:15:58,350 --> 00:15:55,240

streetlight but as I got closer I

320

00:16:01,590 --> 00:15:58,360

noticed it was not on a pole and was

321

00:16:05,670 --> 00:16:01,600

much farther into the air and was above

322

00:16:08,009 --> 00:16:05,680

a dark field nowhere near any Street did

323

00:16:10,680 --> 00:16:08,019

not think to take pictures just kept

324

00:16:12,810 --> 00:16:10,690

going it was hovering over there with

325

00:16:15,410 --> 00:16:12,820

the white lights towards the front and

326
00:16:18,060 --> 00:16:15,420
of the boomerang and as I continued on

327
00:16:20,850 --> 00:16:18,070
before getting up to where the thing was

328
00:16:24,030 --> 00:16:20,860
it started slowly moving southbound

329
00:16:26,610 --> 00:16:24,040
still facing its white lights dead to

330
00:16:30,540 --> 00:16:26,620
the west it was like it was on ice

331
00:16:33,329 --> 00:16:30,550
slowly gliding sideways did not turn or

332
00:16:34,920 --> 00:16:33,339
lean when it moved and made no sound as

333
00:16:37,800 --> 00:16:34,930
I approached the section of the highway

334
00:16:41,100 --> 00:16:37,810
nearest it it was still moving

335
00:16:43,530 --> 00:16:41,110
southbound but then white lights still

336
00:16:46,500 --> 00:16:43,540
facing west started moving quickly at

337
00:16:49,259 --> 00:16:46,510
what looked like east southeast without

338
00:16:53,400 --> 00:16:49,269

turning the light side in that direction

339

00:16:56,910 --> 00:16:53,410

I looked up and back to see if I could

340

00:16:58,860 --> 00:16:56,920

see it and all I saw were small red

341

00:17:02,100 --> 00:16:58,870

lights facing the eastern direction as

342

00:17:04,799 --> 00:17:02,110

if it was still facing west and was

343

00:17:07,799 --> 00:17:04,809

moving around without turning to face

344

00:17:10,799 --> 00:17:07,809

its direction of motion on the front of

345

00:17:12,360 --> 00:17:10,809

it you could see small vertical lines of

346

00:17:15,059 --> 00:17:12,370

different colors than the body of the

347

00:17:18,059 --> 00:17:15,069

object but I couldn't tell it was those

348

00:17:20,220 --> 00:17:18,069

lines of windows or not nothing else

349

00:17:22,799 --> 00:17:20,230

could be seen on that side other than

350

00:17:25,559 --> 00:17:22,809

that shaped lights lines and the back

351
00:17:28,830 --> 00:17:25,569
inner side of the boomerang you only saw

352
00:17:31,110 --> 00:17:28,840
a small dim red lights nothing

353
00:17:34,230 --> 00:17:31,120
comparable in brightness to the bright

354
00:17:36,000 --> 00:17:34,240
white front lights I only noticed the

355
00:17:38,490 --> 00:17:36,010
object because I was looking for a sign

356
00:17:42,240 --> 00:17:38,500
for a gas station truck stop that

357
00:17:44,640 --> 00:17:42,250
usually tower near the exit I felt like

358
00:17:47,430 --> 00:17:44,650
I may have been at playing at first

359
00:17:47,970 --> 00:17:47,440
landing directly towards me but once it

360
00:17:50,820 --> 00:17:47,980
slid

361
00:17:53,940 --> 00:17:50,830
sideways and started moving backwards I

362
00:17:56,789 --> 00:17:53,950
knew there was no way it was a plane I

363
00:17:59,549 --> 00:17:56,799

lost sight of it as I kept driving and

364

00:18:01,200 --> 00:17:59,559

did not stop I don't know if the object

365

00:18:03,600 --> 00:18:01,210

stayed in the area and its movements

366

00:18:05,730 --> 00:18:03,610

were pretty slow I thought it might have

367

00:18:08,250 --> 00:18:05,740

been a helicopter but then I realized if

368

00:18:10,860 --> 00:18:08,260

it was a helicopter the three vertical

369

00:18:13,980 --> 00:18:10,870

lights would have tilted raised and

370

00:18:16,080 --> 00:18:13,990

lowered to be able to move into the and

371

00:18:19,710 --> 00:18:16,090

around the air and this object remained

372

00:18:22,230 --> 00:18:19,720

flat and facing west the entire time it

373

00:18:24,780 --> 00:18:22,240

was moving I didn't think to take any

374

00:18:27,600 --> 00:18:24,790

pictures and my dash camera is not

375

00:18:30,030 --> 00:18:27,610

installed in my current vehicle as I've

376

00:18:32,700 --> 00:18:30,040

just switched vehicles I'll do my best

377

00:18:34,440 --> 00:18:32,710

to make a sketch and hopefully one of

378

00:18:39,200 --> 00:18:34,450

the older other motorists on the road

379

00:18:43,950 --> 00:18:42,000

imagine a whole highway scene this

380

00:18:46,830 --> 00:18:43,960

freeway Wow

381

00:18:50,360 --> 00:18:46,840

that's that's just that's amazing I

382

00:18:52,919 --> 00:18:50,370

would find it difficult not to pull over

383

00:18:56,789 --> 00:18:52,929

you know it's not the safest thing okay

384

00:18:59,690 --> 00:18:56,799

moving on your foe sighting in Parker

385

00:19:05,130 --> 00:18:59,700

Colorado this happened December 30th

386

00:19:09,659 --> 00:19:05,140

2017 invisible object appears in iPhone

387

00:19:12,000 --> 00:19:09,669

photos that's why and more detail the

388

00:19:14,549 --> 00:19:12,010

witness states while standing with me on

389

00:19:16,680 --> 00:19:14,559

the open balcony of her apartment my

390

00:19:19,500 --> 00:19:16,690

daughter took the attached digital

391

00:19:23,070 --> 00:19:19,510

iPhone photo of a colorful cloud

392

00:19:25,230 --> 00:19:23,080

formation around the Sun upon examining

393

00:19:28,380 --> 00:19:25,240

the four photos immediately afterwards

394

00:19:31,980 --> 00:19:28,390

we saw that a circular object or orb

395

00:19:35,370 --> 00:19:31,990

appears in each photo an interesting

396

00:19:39,419 --> 00:19:35,380

fact is that we did not see the object

397

00:19:42,060 --> 00:19:39,429

visually we cannot say conclusively that

398

00:19:44,130 --> 00:19:42,070

it was invisible to the naked eye but we

399

00:19:46,680 --> 00:19:44,140

did not see it and we think we should

400

00:19:50,370 --> 00:19:46,690

have been able to have seen it visible

401
00:19:50,789 --> 00:19:50,380
the object is clearly moving left to

402
00:19:54,090 --> 00:19:50,799
right

403
00:19:56,220 --> 00:19:54,100
roughly east to west based on the first

404
00:19:58,230 --> 00:19:56,230
two photos showing it over a rooftop

405
00:20:00,299 --> 00:19:58,240
based on the last two photos that

406
00:20:01,440 --> 00:20:00,309
apparently increased markedly in

407
00:20:03,810 --> 00:20:01,450
altitude

408
00:20:06,870 --> 00:20:03,820
and move from right to left while

409
00:20:08,460 --> 00:20:06,880
gaining altitude again looking at the

410
00:20:10,980 --> 00:20:08,470
first two photos it appears that the

411
00:20:14,039 --> 00:20:10,990
object is solid because it obscures a

412
00:20:16,860 --> 00:20:14,049
tiny portion of the cloud behind it in

413
00:20:19,320 --> 00:20:16,870

the last two photos the object displays

414

00:20:23,669 --> 00:20:19,330

an obvious aura that may be indicative

415

00:20:26,909 --> 00:20:23,679

of radiated heat or energy the episode

416

00:20:29,700 --> 00:20:26,919

lasted less than 30 seconds as she took

417

00:20:32,159 --> 00:20:29,710

the photos in quick succession if there

418

00:20:35,430 --> 00:20:32,169

were any probable natural conventional

419

00:20:40,740 --> 00:20:35,440

explanations we would be pleased to be

420

00:20:44,060 --> 00:20:40,750

advised accordingly all right the next

421

00:20:48,299 --> 00:20:44,070

UFO sighting this happened in Elko

422

00:20:53,159 --> 00:20:48,309

Nevada slight UFO blast from the past

423

00:20:57,210 --> 00:20:53,169

this occurred April 1st 2015 the witness

424

00:21:00,210 --> 00:20:57,220

states I have a video it's a cube the

425

00:21:02,250 --> 00:21:00,220

Borg have arrived sitting in a friend's

426

00:21:05,639 --> 00:21:02,260

car smoking a cigarette we're in my

427

00:21:06,899 --> 00:21:05,649

parking lot a small orb appears floating

428

00:21:09,180 --> 00:21:06,909

over our laps

429

00:21:10,799 --> 00:21:09,190

I started checking windows assuming

430

00:21:12,870 --> 00:21:10,809

something like a laser pointer

431

00:21:18,090 --> 00:21:12,880

I know lasers don't work that way the

432

00:21:19,879 --> 00:21:18,100

light reassembles a warm light bulb in a

433

00:21:23,009 --> 00:21:19,889

dark room I think they obviously

434

00:21:28,620 --> 00:21:23,019

resemble Zips glowing but with no

435

00:21:32,759 --> 00:21:28,630

visible radius finally decide to look up

436

00:21:35,060 --> 00:21:32,769

and see how UFO cubes are formed this is

437

00:21:37,680 --> 00:21:35,070

the original shot in a Carl's isse

438

00:21:41,610 --> 00:21:37,690

Windows Phone the other file I've

439

00:21:44,580 --> 00:21:41,620

uploaded has contrast-enhanced okey

440

00:21:49,019 --> 00:21:44,590

dokey alright the next your foe sighting

441

00:21:52,710 --> 00:21:49,029

this occurred Austin Texas January 12

442

00:21:56,220 --> 00:21:52,720

2018 and briefs a state observed what

443

00:22:00,060 --> 00:21:56,230

looked like a non-moving shooting star

444

00:22:03,450 --> 00:22:00,070

may have emitted small contrail may have

445

00:22:06,509 --> 00:22:03,460

been moving very slowly in more detail

446

00:22:10,110 --> 00:22:06,519

they state I was driving south on Mohawk

447

00:22:12,330 --> 00:22:10,120

Highway approaching slaughter lane there

448

00:22:14,340 --> 00:22:12,340

the road rises in such a way that the

449

00:22:15,090 --> 00:22:14,350

drivers have a pretty clear view of a

450

00:22:17,700 --> 00:22:15,100

large

451
00:22:20,100 --> 00:22:17,710
to the sky to the south-southwest the

452
00:22:22,830 --> 00:22:20,110
sky was clear and the object pretty

453
00:22:26,220 --> 00:22:22,840
noticeable I first thought it was a

454
00:22:29,549 --> 00:22:26,230
sundog then thought it was a jet leaving

455
00:22:33,150 --> 00:22:29,559
a small contrail however as I watched it

456
00:22:36,060 --> 00:22:33,160
I realized it wasn't moving as a jet

457
00:22:40,890 --> 00:22:36,070
would it seemed to me that it was moving

458
00:22:43,470 --> 00:22:40,900
extremely slowly or motionless I would

459
00:22:45,779 --> 00:22:43,480
have described as looking like a jet

460
00:22:48,870 --> 00:22:45,789
type object creating an extremely wide

461
00:22:51,029 --> 00:22:48,880
but also extremely short contrail I

462
00:22:53,700 --> 00:22:51,039
don't think it was moving

463
00:22:57,120 --> 00:22:53,710

I was curious what it was but had no

464

00:23:00,330 --> 00:22:57,130

other emotional reaction etc I turned

465

00:23:02,820 --> 00:23:00,340

off of Mohawk and headed west on

466

00:23:04,950 --> 00:23:02,830

slaughter lane there are more trees and

467

00:23:08,039 --> 00:23:04,960

commercial buildings and I could not see

468

00:23:10,200 --> 00:23:08,049

it anymore it was below the horizon I

469

00:23:14,370 --> 00:23:10,210

live within a mile of that intersection

470

00:23:21,240 --> 00:23:14,380

by 2:45 p.m. I could not see it in the

471

00:23:24,710 --> 00:23:21,250

sky there Wow okay the next UFO sighting

472

00:23:28,830 --> 00:23:24,720

oh boy this happened in p/j Kosovo

473

00:23:30,930 --> 00:23:28,840

January 12 2018 the witness states

474

00:23:34,230 --> 00:23:30,940

firstly I'm passionate about astronomy

475

00:23:37,200 --> 00:23:34,240

universe and all those things so I was

476

00:23:39,570 --> 00:23:37,210

going out at 12 p.m. and looked up and

477

00:23:42,330 --> 00:23:39,580

saw lights coming like from below

478

00:23:45,360 --> 00:23:42,340

somewhere but it was far from me and

479

00:23:47,399 --> 00:23:45,370

they just come up like straight and took

480

00:23:49,799 --> 00:23:47,409

it to the right direction like seven or

481

00:23:52,470 --> 00:23:49,809

eight of them and I immediately took the

482

00:23:55,560 --> 00:23:52,480

phone and I made pictures in one video

483

00:23:58,680 --> 00:23:55,570

but needs to zoom out to see the

484

00:24:01,350 --> 00:23:58,690

pictures also I made pictures with red

485

00:24:04,620 --> 00:24:01,360

circles to be more easy to notice where

486

00:24:06,299 --> 00:24:04,630

they are how I lost sight they come up

487

00:24:08,580 --> 00:24:06,309

from below and took the right direction

488

00:24:11,669 --> 00:24:08,590

just going up and disappeared in clouds

489

00:24:14,100 --> 00:24:11,679

also one friend of mine said that he saw

490

00:24:17,820 --> 00:24:14,110

in that direction before five or six

491

00:24:21,299 --> 00:24:17,830

months so when I saw I was surprised and

492

00:24:24,450 --> 00:24:21,309

wanted to happen something okay like

493

00:24:26,399 --> 00:24:24,460

this this is put through Google

494

00:24:28,570 --> 00:24:26,409

Translation I think and to make a

495

00:24:31,750 --> 00:24:28,580

picture and show to the people because

496

00:24:33,700 --> 00:24:31,760

some say no it wasn't just it seems to

497

00:24:36,130 --> 00:24:33,710

you maybe with something else but it

498

00:24:38,110 --> 00:24:36,140

isn't the first time that I saw I have

499

00:24:39,820 --> 00:24:38,120

seen several times also in the mountain

500

00:24:42,340 --> 00:24:39,830

that appeared like a light and after 10

501
00:24:45,279 --> 00:24:42,350
seconds it disappeared this description

502
00:24:47,470 --> 00:24:45,289
is of what I saw wasn't that special no

503
00:24:49,299 --> 00:24:47,480
that's cool I like what people take the

504
00:24:51,039 --> 00:24:49,309
time even though English might not be

505
00:24:53,590 --> 00:24:51,049
his first language it's all good it's

506
00:24:54,220 --> 00:24:53,600
all good I am figuring this stuff out as

507
00:24:57,460 --> 00:24:54,230
we go along

508
00:25:01,659 --> 00:24:57,470
I do not edit this alright we have a

509
00:25:02,080 --> 00:25:01,669
very fascinating article to read it's

510
00:25:05,320 --> 00:25:02,090
called

511
00:25:09,909 --> 00:25:05,330
scientists explain insights from ancient

512
00:25:11,379 --> 00:25:09,919
Tibetan ice core a short film about an

513
00:25:16,389 --> 00:25:11,389

expedition in Tibet

514

00:25:20,879 --> 00:25:16,399

ghuli a gilja glacier where scientists

515

00:25:22,950 --> 00:25:20,889

drilled a stone-age ice core going back

516

00:25:25,090 --> 00:25:22,960

600,000 years

517

00:25:28,389 --> 00:25:25,100

alright the article reads this short

518

00:25:32,370 --> 00:25:28,399

film above provides an overview of an

519

00:25:35,230 --> 00:25:32,380

autumn 2015 expedition to the GU Livia

520

00:25:37,779 --> 00:25:35,240

glacier and Tibet which scientists

521

00:25:40,180 --> 00:25:37,789

drilled ice cores that could yield some

522

00:25:44,139 --> 00:25:40,190

of the oldest ice yet found on earth

523

00:25:47,289 --> 00:25:44,149

outside of the polar regions BP CRC

524

00:25:48,970 --> 00:25:47,299

media specialist Pam Theodore created

525

00:25:51,000 --> 00:25:48,980

the film using a filled footage

526

00:25:53,919 --> 00:25:51,010

collected by expedition member

527

00:25:55,690 --> 00:25:53,929

guillain-barre Tonga scientists discuss

528

00:25:57,639 --> 00:25:55,700

their analysis of one of the cores

529

00:25:59,529 --> 00:25:57,649

drilled on this expedition

530

00:26:03,700 --> 00:25:59,539

earlier this month which was actually

531

00:26:06,419 --> 00:26:03,710

December 14 2017 at the annual American

532

00:26:09,100 --> 00:26:06,429

Geophysical Union meeting in New Orleans

533

00:26:11,080 --> 00:26:09,110

the ice at the bottom of this Court

534

00:26:14,320 --> 00:26:11,090

appears to have formed during the Stone

535

00:26:16,950 --> 00:26:14,330

Age more than 600,000 years ago long

536

00:26:19,029 --> 00:26:16,960

before modern humans appeared

537

00:26:21,970 --> 00:26:19,039

researchers from the United States and

538

00:26:24,970 --> 00:26:21,980

China have been studying the core which

539

00:26:27,909 --> 00:26:24,980

is nearly as long as the Empire State

540

00:26:31,090 --> 00:26:27,919

Building is tall to assemble one of the

541

00:26:32,190 --> 00:26:31,100

longest ever records of Earth's climate

542

00:26:35,139 --> 00:26:32,200

history

543

00:26:37,210 --> 00:26:35,149

gulia glacier is located in Tibet's

544

00:26:39,519 --> 00:26:37,220

western kundun mountains one of the

545

00:26:42,410 --> 00:26:39,529

earth's largest supplies of freshwater

546

00:26:45,080 --> 00:26:42,420

ice outside of the Arctic and

547

00:26:47,240 --> 00:26:45,090

arctica in 2015 the research team

548

00:26:50,030 --> 00:26:47,250

drilled through the ice cap until they

549

00:26:54,170 --> 00:26:50,040

hit bedrock in order to obtain this very

550

00:26:56,810 --> 00:26:54,180

ancient ice they recovered five ice

551
00:27:00,860 --> 00:26:56,820
cores the longest of which is more than

552
00:27:02,960 --> 00:27:00,870
a thousand or 300 meters long the cores

553
00:27:05,720 --> 00:27:02,970
are composed of compressed layers of

554
00:27:09,470 --> 00:27:05,730
snow and ice that settled on the Western

555
00:27:12,080 --> 00:27:09,480
: mountains year after year long ago in

556
00:27:13,910 --> 00:27:12,090
each layer the ice captured chemicals

557
00:27:15,230 --> 00:27:13,920
from the air and precipitation during

558
00:27:17,330 --> 00:27:15,240
wet and dry seasons

559
00:27:19,730 --> 00:27:17,340
today's researchers are able to analyze

560
00:27:22,450 --> 00:27:19,740
the chemistry of the different layers to

561
00:27:26,330 --> 00:27:22,460
measure historical changes in climate

562
00:27:28,880 --> 00:27:26,340
changes Lonnie Thompson of Ohio State

563
00:27:30,890 --> 00:27:28,890

University was co-leader of the

564

00:27:33,830 --> 00:27:30,900

international research team that

565

00:27:37,100 --> 00:27:33,840

obtained the cores he reported at the

566

00:27:40,160 --> 00:27:37,110

aju meeting that the new data from these

567

00:27:43,010 --> 00:27:40,170

cores lend support to computer models of

568

00:27:45,140 --> 00:27:43,020

projected climate changes providing

569

00:27:47,330 --> 00:27:45,150

dramatic evidence of a recent and rapid

570

00:27:49,870 --> 00:27:47,340

temperature rise at some of the highest

571

00:27:52,580 --> 00:27:49,880

coldest mountain peaks in the world

572

00:27:54,920 --> 00:27:52,590

Thompson said in a statement the ice

573

00:27:57,110 --> 00:27:54,930

cores actually demonstrate that warming

574

00:27:59,840 --> 00:27:57,120

is happening and is already having

575

00:28:02,660 --> 00:27:59,850

detrimental effects on Earth's fresh

576

00:28:03,860 --> 00:28:02,670

water ice stores the researchers

577

00:28:06,020 --> 00:28:03,870

reported that there has been a

578

00:28:08,990 --> 00:28:06,030

persistent increase in both temperature

579

00:28:11,300 --> 00:28:09,000

and precipitation and Tibet's Conlin

580

00:28:13,850 --> 00:28:11,310

mountains over the past few centuries in

581

00:28:17,270 --> 00:28:13,860

this region the average temperature has

582

00:28:20,180 --> 00:28:17,280

risen 2.7 degrees Fahrenheit or one and

583

00:28:22,130 --> 00:28:20,190

a half degrees Celsius in the last 50

584

00:28:25,490 --> 00:28:22,140

years and the average precipitation has

585

00:28:26,750 --> 00:28:25,500

risen by 2.1 inches per year over the

586

00:28:29,600 --> 00:28:26,760

past 25 years

587

00:28:31,930 --> 00:28:29,610

a particular interest in the research is

588

00:28:33,560 --> 00:28:31,940

the projection from the

589

00:28:37,910 --> 00:28:33,570

Intergovernmental Panel on Climate

590

00:28:40,760 --> 00:28:37,920

Change that future temperatures on the

591

00:28:45,280 --> 00:28:40,770

planet will rise faster at high

592

00:28:47,690 --> 00:28:45,290

altitudes than they will at sea level

593

00:28:49,100 --> 00:28:47,700

Thompson said generally the higher the

594

00:28:51,200 --> 00:28:49,110

elevation the greater the rate of

595

00:28:52,760 --> 00:28:51,210

warming that's taking place the

596

00:28:54,080 --> 00:28:52,770

scientists pointed out that around the

597

00:28:55,580 --> 00:28:54,090

world hundreds of millions of people

598

00:28:57,980 --> 00:28:55,590

depend on

599

00:29:01,190 --> 00:28:57,990

altitude glaciers for their water

600

00:29:04,430 --> 00:29:01,200

supply the Ghoulia glacier is one of

601
00:29:06,830 --> 00:29:04,440
many Tibetan Plateau ice catches that

602
00:29:09,470 --> 00:29:06,840
provide fresh water to Central South and

603
00:29:12,950 --> 00:29:09,480
Southeast Asia thompson said there are

604
00:29:15,409 --> 00:29:12,960
over 46,000 mountain glaciers in that

605
00:29:18,260 --> 00:29:15,419
part of the world and they are the water

606
00:29:20,060 --> 00:29:18,270
source for major rivers the oldest ice

607
00:29:23,450 --> 00:29:20,070
core drilled in the northern hemisphere

608
00:29:25,730 --> 00:29:23,460
was found in Greenland in 2004 by the

609
00:29:29,960 --> 00:29:25,740
north Greenland ice core project and was

610
00:29:32,180 --> 00:29:29,970
dated to roughly 120,000 years while the

611
00:29:34,760 --> 00:29:32,190
oldest continuous ice core record

612
00:29:39,680 --> 00:29:34,770
recovered on earth to date is from

613
00:29:41,120 --> 00:29:39,690

Antarctica and extends back 800,000 over

614

00:29:43,070 --> 00:29:41,130

the next few months the American and

615

00:29:46,130 --> 00:29:43,080

Chinese research teams will analyze the

616

00:29:48,380 --> 00:29:46,140

chemistry of the gulia glacier ice core

617

00:29:50,630 --> 00:29:48,390

in even more detail they will look for

618

00:29:53,630 --> 00:29:50,640

evidence of temperature changes caused

619

00:29:56,180 --> 00:29:53,640

by ocean circulation patterns in both

620

00:29:58,760 --> 00:29:56,190

the North Atlantic and tropical Pacific

621

00:30:00,830 --> 00:29:58,770

Oceans which drive precipitation in

622

00:30:03,409 --> 00:30:00,840

Tibet as well as the India and monsoons

623

00:30:06,500 --> 00:30:03,419

for instance one important driver of

624

00:30:08,990 --> 00:30:06,510

global temperatures El Nino leaves its

625

00:30:12,110 --> 00:30:09,000

chemical mark in the snow that falls on

626
00:30:14,570 --> 00:30:12,120
tropical glaciers bottom line US and

627
00:30:17,090 --> 00:30:14,580
Chinese researchers report of their

628
00:30:20,090 --> 00:30:17,100
analysis of the oldest ice core ever

629
00:30:22,669 --> 00:30:20,100
drilled outside the polar regions for

630
00:30:25,340 --> 00:30:22,679
the ghuli a glacier in tibet Kunlun

631
00:30:27,320 --> 00:30:25,350
mountains the ice appears to contain

632
00:30:29,269 --> 00:30:27,330
more than half a million years of

633
00:30:31,490 --> 00:30:29,279
climate hello I'd like to deposit this

634
00:30:34,760 --> 00:30:31,500
to checking fate is a fickle mess

635
00:30:37,820 --> 00:30:34,770
tonight the future is uncertain okay and

636
00:30:43,180 --> 00:30:37,830
what's my account balance the horizon is

637
00:30:46,130 --> 00:30:43,190
cloudy I see a long void with great

638
00:30:48,529 --> 00:30:46,140

deposit slip or something a fortune bank

639
