blasting off with some very cool UFO

15

00:00:50,660 --> 00:00:47,460

reports we always find some good ones

16

00:00:54,439 --> 00:00:50,670

don't we all right this UFO sighting

17

00:00:56,479 --> 00:00:54,449

comes to us from Cornwall Ontario this

18

00:01:01,250 --> 00:00:56,489

is a slight blast from the past this

19

00:01:03,950 --> 00:01:01,260

occurred June 16th 2016 in brief the

20

00:01:07,640 --> 00:01:03,960

witness states object captured in view

21

00:01:11,120 --> 00:01:07,650

of Moon hmm seems like a lot of people

22

00:01:14,210 --> 00:01:11,130

do that they do find oddities around our

23

00:01:16,850 --> 00:01:14,220

moon in more detail the witness states I

24

00:01:21,200 --> 00:01:16,860

was shooting images with my kids on the

25

00:01:22,850 --> 00:01:21,210

side of the house great in more detail

26
00:01:24,770 --> 00:01:22,860
the witness states I was shooting images

27
00:01:27,980 --> 00:01:24,780
with my kids on the side of my house

28
00:01:31,039 --> 00:01:27,990
just randomly shooting the moon and

29
00:01:36,200 --> 00:01:31,049
clouds I captured the day's images using

30
00:01:39,289 --> 00:01:36,210
a canon sx60 HS which has zoom

31
00:01:41,630 --> 00:01:39,299
capabilities allowing you to zoom in on

32
00:01:44,090 --> 00:01:41,640
the moon's craters so that's funky

33
00:01:46,429 --> 00:01:44,100
I did not notice the object while

34
00:01:49,010 --> 00:01:46,439
shooting in this particular moment I was

35
00:01:50,660 --> 00:01:49,020
using a three-shot bursts and just

36
00:01:53,389 --> 00:01:50,670
trying to get the circumference of the

37
00:01:55,850 --> 00:01:53,399
moon it was only when I was going

38
00:01:59,499 --> 00:01:55,860

through the day's images I noticed what

39
00:02:01,730 --> 00:01:59,509
seemed to be a mark on my monitor screen

40
00:02:03,679 --> 00:02:01,740
after trying to remove it the

41
00:02:06,800 --> 00:02:03,689
old-fashioned way by licking my finger

42
00:02:09,589 --> 00:02:06,810
and scrubbing it off I realized it was

43
00:02:12,850 --> 00:02:09,599
in the image and I blew it up only to

44
00:02:16,440 --> 00:02:12,860
notice an object in view of the moon

45
00:02:19,510 --> 00:02:16,450
the object seems to resemble a hat shape

46
00:02:23,890 --> 00:02:19,520
likely metallic and what I would call a

47
00:02:26,200 --> 00:02:23,900
disc with an elevated dome of sorts it

48
00:02:29,950 --> 00:02:26,210
does not look to have many attachments

49
00:02:32,080 --> 00:02:29,960
at all I was immediately shocked by what

50
00:02:34,450 --> 00:02:32,090
I had captured however with my kids

51
00:02:38,740 --> 00:02:34,460
there I asked them what do you think

52
00:02:42,270 --> 00:02:38,750
this is they all respectively said they

53
00:02:46,540 --> 00:02:42,280
thought it was a UFO or spacecraft out

54
00:02:49,780 --> 00:02:46,550
of the mouths of babes I am unaware

55
00:02:53,050 --> 00:02:49,790
whether it could be military dimensional

56
00:02:55,980 --> 00:02:53,060
otherworldly my only certainty is that I

57
00:02:58,780 --> 00:02:55,990
have never witnessed anything like it

58
00:03:02,080 --> 00:02:58,790
unfortunately this was a still image

59
00:03:05,020 --> 00:03:02,090
however there was no object in the two

60
00:03:07,720 --> 00:03:05,030
subsequent images meaning it was either

61
00:03:11,070 --> 00:03:07,730
faster than the shutter speed on three

62
00:03:14,980 --> 00:03:11,080
bursts or it was there and gone

63
00:03:17,860 --> 00:03:14,990

disappeared not sure I was utterly

64

00:03:22,060 --> 00:03:17,870

afraid to report this object I did not

65

00:03:23,920 --> 00:03:22,070

want to be the subject of ridicule I did

66

00:03:26,020 --> 00:03:23,930

post it on my Facebook page and shared

67

00:03:28,180 --> 00:03:26,030

it with some friends and family who have

68

00:03:31,810 --> 00:03:28,190

all encouraged me to report the sighting

69

00:03:33,880 --> 00:03:31,820

and get my story out there my children

70

00:03:36,490 --> 00:03:33,890

who were reviewing the images with me

71

00:03:39,670 --> 00:03:36,500

all witnessed the finding there were

72

00:03:42,910 --> 00:03:39,680

five of us in total the kids aged eight

73

00:03:45,640 --> 00:03:42,920

to twelve and myself so with that said

74

00:03:48,190 --> 00:03:45,650

here's my sighting I appreciate any

75

00:03:51,130 --> 00:03:48,200

feedback as to what it is I witnessed

76

00:03:53,170 --> 00:03:51,140

that day hmm that's pretty funky like I

77

00:03:56,520 --> 00:03:53,180

like that kind of stuff I dig it I dig

78

00:04:00,910 --> 00:03:56,530

it and Bravo for stepping forward

79

00:04:03,940 --> 00:04:00,920

all right this next UFO report oh

80

00:04:07,110 --> 00:04:03,950

another slight blast from the past it's

81

00:04:09,449 --> 00:04:07,120

not that far back UFO sighting in Marion

82

00:04:14,680 --> 00:04:09,459

Virginia this occurred

83

00:04:17,979 --> 00:04:14,690

January 10th 2015 Army osprey following

84

00:04:21,250 --> 00:04:17,989

orbs that change direction fast in that

85

00:04:23,080 --> 00:04:21,260

90 degree angle in more detail the

86

00:04:26,470 --> 00:04:23,090

witness states I was inside the house

87

00:04:30,520 --> 00:04:26,480

and heard loud aircraft went outside

88

00:04:33,550 --> 00:04:30,530

and saw three of the four Ospreys rotors

89

00:04:36,880 --> 00:04:33,560

and helicopter position that flew over

90

00:04:39,340 --> 00:04:36,890

from north to south about 15 minutes

91

00:04:42,610 --> 00:04:39,350

later I heard them coming back from

92

00:04:43,090 --> 00:04:42,620

south to north three passed over the

93

00:04:46,080 --> 00:04:43,100

house

94

00:04:49,900 --> 00:04:46,090

the fourth made a fairly quick Bank and

95

00:04:52,060 --> 00:04:49,910

turned around and headed south I had my

96

00:04:54,490 --> 00:04:52,070

one son come with me and jumped in the

97

00:04:57,550 --> 00:04:54,500

car to see where it was going yeah I

98

00:04:59,320 --> 00:04:57,560

loved it but the time we got in the car

99

00:05:01,720 --> 00:04:59,330

and went over the hill the Osprey was

100

00:05:05,380 --> 00:05:01,730

coming back north a couple hundred yards

101
00:05:09,370 --> 00:05:05,390
in front of us at about 400 to 500 feet

102
00:05:13,390 --> 00:05:09,380
altitude we saw a tiny bright white

103
00:05:16,120 --> 00:05:13,400
light in front of the Osprey as it

104
00:05:19,900 --> 00:05:16,130
passed over us there were two lights and

105
00:05:23,290 --> 00:05:19,910
one darted west at a 90-degree angle and

106
00:05:25,840 --> 00:05:23,300
one went out of sight the other went

107
00:05:28,330 --> 00:05:25,850
east a second or so after the first one

108
00:05:31,870 --> 00:05:28,340
and the second one darted east and the

109
00:05:34,450 --> 00:05:31,880
Osprey went in that direction over the

110
00:05:37,000 --> 00:05:34,460
ridge and out of sight the Osprey is a

111
00:05:40,500 --> 00:05:37,010
flew over this area all the time but it

112
00:05:43,870 --> 00:05:40,510
is very rare they do so after dark I

113
00:05:47,890 --> 00:05:43,880

figured this was something they the Army

114

00:05:49,990 --> 00:05:47,900

have or use but the speed and physics

115

00:05:54,250 --> 00:05:50,000

were pretty fast compared to today's

116

00:05:58,570 --> 00:05:54,260

drones especially in 2015

117

00:06:01,570 --> 00:05:58,580

don't-don't-don't all right

118

00:06:06,700 --> 00:06:01,580

the next UFO sighting this occurred in

119

00:06:09,250 --> 00:06:06,710

North Carolina January 1st 2018 red

120

00:06:13,330 --> 00:06:09,260

orange candle flame shaped objects

121

00:06:16,450 --> 00:06:13,340

flying south from the north up to 30 in

122

00:06:19,030 --> 00:06:16,460

more detail the witness states it was

123

00:06:21,090 --> 00:06:19,040

the 2018 New Year and my neighbor and I

124

00:06:23,770 --> 00:06:21,100

were in the backyard enjoying a fire

125

00:06:27,340 --> 00:06:23,780

when I noticed a couple of these orange

126

00:06:30,210 --> 00:06:27,350

objects in the sky I had not been

127

00:06:33,460 --> 00:06:30,220

drinking for the record

128

00:06:35,920 --> 00:06:33,470

get a kick out of that I first noticed

129

00:06:38,529 --> 00:06:35,930

that they were not blinking like

130

00:06:40,839 --> 00:06:38,539

aviation lights we live in the city and

131

00:06:43,779 --> 00:06:40,849

are constantly having air traffic in our

132

00:06:46,839 --> 00:06:43,789

area yet there seemed to be a lack of it

133

00:06:49,390 --> 00:06:46,849

in this time frame they look like orange

134

00:06:52,300 --> 00:06:49,400

red candle flames traveling from the

135

00:06:55,930 --> 00:06:52,310

north to south they kept coming one

136

00:06:59,649 --> 00:06:55,940

after another it looked like a huge ship

137

00:07:02,050 --> 00:06:59,659

was passing by at a low altitude all of

138

00:07:04,330 --> 00:07:02,060

the lights seemed to travel at the same

139

00:07:07,570 --> 00:07:04,340

speed and distance from each other not

140

00:07:09,969 --> 00:07:07,580

passing or deviating from the path the

141

00:07:12,790 --> 00:07:09,979

only thing that seemed to differ some

142

00:07:16,149 --> 00:07:12,800

were the altitudes of the objects but

143

00:07:19,749 --> 00:07:16,159

not by that much excited I call my wife

144

00:07:23,140 --> 00:07:19,759

to come and see these objects we now had

145

00:07:26,740 --> 00:07:23,150

three people observing this this lasted

146

00:07:30,459 --> 00:07:26,750

about 20 to 25 minutes it was from about

147

00:07:33,249 --> 00:07:30,469

12:15 at 12:40 a.m. hey aliens got to

148

00:07:35,469 --> 00:07:33,259

bring in the new year come on now the

149

00:07:37,779 --> 00:07:35,479

sky was overcast but I could see

150

00:07:40,559 --> 00:07:37,789

fireworks coming from Freedom Park area

151
00:07:43,330 --> 00:07:40,569
which is maybe two or three blocks away

152
00:07:46,420 --> 00:07:43,340
so it seemed that there was a low

153
00:07:47,890 --> 00:07:46,430
ceiling of visibility lending me to

154
00:07:51,129 --> 00:07:47,900
believe that these objects were

155
00:07:53,890 --> 00:07:51,139
definitely under the radar we realized

156
00:07:56,620 --> 00:07:53,900
that there were so many that we should

157
00:08:01,990 --> 00:07:56,630
start counting we both determined that

158
00:08:04,390 --> 00:08:02,000
three were at least 25 to 30 I have now

159
00:08:07,240 --> 00:08:04,400
witnessed three events the first was a

160
00:08:09,370 --> 00:08:07,250
pulsating violet blue orb around

161
00:08:11,830 --> 00:08:09,380
Crowder's Mountain North Carolina in

162
00:08:16,659 --> 00:08:11,840
which I was an R and then a few years

163
00:08:19,149 --> 00:08:16,669

later a white orb and tr-3b in Dallas

164

00:08:23,200 --> 00:08:19,159

North Carolina which made me and my

165

00:08:26,800 --> 00:08:23,210

ex-wife feel fear and we ran and hid

166

00:08:29,529 --> 00:08:26,810

whoa really Wow these were both in the

167

00:08:33,069 --> 00:08:29,539

90s this event I didn't feel anything

168

00:08:36,279 --> 00:08:33,079

but ah I think most of what I have seen

169

00:08:38,589 --> 00:08:36,289

was experimental military crafts in my

170

00:08:41,680 --> 00:08:38,599

appearance in my opinion North Carolina

171

00:08:43,780 --> 00:08:41,690

is home to Fort Bragg Pope Air Force

172

00:08:47,050 --> 00:08:43,790

Base as well as Camp

173

00:08:50,020 --> 00:08:47,060

lujon and cheery point I took some pics

174

00:08:53,470 --> 00:08:50,030

on my verizon Revere flip dumb phone

175

00:08:56,440 --> 00:08:53,480

that's funny a total of four picks for

176
00:08:59,470 --> 00:08:56,450
such a crappy phone it picked up a white

177
00:09:03,160 --> 00:08:59,480
sphere and also the orange flame but

178
00:09:05,500 --> 00:09:03,170
when it took it seemed to look like some

179
00:09:09,720 --> 00:09:05,510
other image of craft that I have seen on

180
00:09:13,960 --> 00:09:09,730
the web I will try to upload these later

181
00:09:16,960 --> 00:09:13,970
alrighty then this next your full

182
00:09:18,970 --> 00:09:16,970
sighting this occurred in Marblehead

183
00:09:21,100 --> 00:09:18,980
Massachusetts don't you wonder where

184
00:09:23,200 --> 00:09:21,110
these names come from I mean were they

185
00:09:25,000 --> 00:09:23,210
insulting somebody and the name just

186
00:09:25,930 --> 00:09:25,010
stuck I don't know I'm just I'm just

187
00:09:29,350 --> 00:09:25,940
thinking out loud

188
00:09:31,780 --> 00:09:29,360

all right moving on June 20th 2016 in

189

00:09:34,810 --> 00:09:31,790

brief the witness states I was driving

190

00:09:37,390 --> 00:09:34,820

and saw two lights ahead hovering just

191

00:09:39,790 --> 00:09:37,400

above the treeline there appeared to be

192

00:09:43,420 --> 00:09:39,800

light coming from it like a helicopter

193

00:09:47,920 --> 00:09:43,430

beam but that light wasn't there once I

194

00:09:51,310 --> 00:09:47,930

got close to it okay in more detail the

195

00:09:53,710 --> 00:09:51,320

witness states I waited a long time to

196

00:09:57,340 --> 00:09:53,720

submit this because I have had trouble

197

00:09:59,740 --> 00:09:57,350

describing what I saw and have been

198

00:10:05,440 --> 00:09:59,750

looking for reports of anything similar

199

00:10:08,920 --> 00:10:05,450

I came across MUFON Case 75504 and

200

00:10:11,110 --> 00:10:08,930

finally saw an object an experience that

201
00:10:12,970 --> 00:10:11,120
was like my own I also had another

202
00:10:15,130 --> 00:10:12,980
experience a few months later in

203
00:10:17,550 --> 00:10:15,140
September which has video but a

204
00:10:22,330 --> 00:10:17,560
completely different type of object or

205
00:10:26,200 --> 00:10:22,340
objects anyway on June 20th 2016 I was

206
00:10:30,880 --> 00:10:26,210
driving home from vennen square down to

207
00:10:34,510 --> 00:10:30,890
ski Co street into Marblehead tedesco in

208
00:10:36,460 --> 00:10:34,520
a long straight road the first

209
00:10:39,640 --> 00:10:36,470
intersection is a four-way stop it's

210
00:10:42,670 --> 00:10:39,650
visible from a decent distance on

211
00:10:44,740 --> 00:10:42,680
Tedesco driving toward it I noticed two

212
00:10:46,780 --> 00:10:44,750
headlight like lights very bright

213
00:10:49,930 --> 00:10:46,790

hovering not too far above the treeline

214

00:10:53,500 --> 00:10:49,940

I also thought I saw light coming from

215

00:10:54,519 --> 00:10:53,510

the object and assumed it was a

216

00:10:56,290 --> 00:10:54,529

helicopter

217

00:10:58,420 --> 00:10:56,300

I wonder what was going on what had

218

00:11:01,629 --> 00:10:58,430

happened I expected some sort of

219

00:11:05,139 --> 00:11:01,639

movement even hovering helicopters tend

220

00:11:08,559 --> 00:11:05,149

to waver as do their lights but it held

221

00:11:11,230 --> 00:11:08,569

steady there is an elementary school on

222

00:11:13,929 --> 00:11:11,240

the corner and I was also expecting that

223

00:11:16,509 --> 00:11:13,939

it might move to land there or that

224

00:11:19,360 --> 00:11:16,519

another would appear in land it was a

225

00:11:24,069 --> 00:11:19,370

very quiet night there was no one else

226
00:11:26,530 --> 00:11:24,079
on the road this whole time I was coming

227
00:11:30,249 --> 00:11:26,540
up on the intersection waiting for some

228
00:11:32,170 --> 00:11:30,259
sign of anything and it still just

229
00:11:35,350 --> 00:11:32,180
wasn't moving at all

230
00:11:39,639 --> 00:11:35,360
I had deliberately slowed down to watch

231
00:11:42,160 --> 00:11:39,649
and to try catch the red light there was

232
00:11:45,730 --> 00:11:42,170
no one behind me so I went very slowly

233
00:11:48,730 --> 00:11:45,740
and let it turn red and still the object

234
00:11:54,100 --> 00:11:48,740
just sat there I swear to you I don't

235
00:11:55,989 --> 00:11:54,110
know why but i 100% felt it knew I was

236
00:11:57,819 --> 00:11:55,999
looking at it you know that's common

237
00:11:59,829 --> 00:11:57,829
that's very common do you know they

238
00:12:05,110 --> 00:11:59,839

respond to its pretty kind of funky too

239

00:12:07,769 --> 00:12:05,120

um and it was looking at me oh heck we

240

00:12:11,639 --> 00:12:07,779

sat like that for about ten seconds and

241

00:12:13,840 --> 00:12:11,649

then it started moving towards me I

242

00:12:17,110 --> 00:12:13,850

rolled my window the rest of the way

243

00:12:19,720 --> 00:12:17,120

down and at the same time was detaching

244

00:12:23,490 --> 00:12:19,730

my phone and turning off the music

245

00:12:27,519 --> 00:12:23,500

because I felt I needed to pay attention

246

00:12:29,949 --> 00:12:27,529

still and selection I guess I was sort

247

00:12:33,460 --> 00:12:29,959

of expecting that with the window wide

248

00:12:35,819 --> 00:12:33,470

open and the music off I'd hear a sound

249

00:12:39,030 --> 00:12:35,829

of a helicopter and see the wind

250

00:12:43,780 --> 00:12:39,040

generated by one but there was nothing

251
00:12:46,030 --> 00:12:43,790
it was noiseless no wind it had gotten a

252
00:12:48,999 --> 00:12:46,040
little lower in those two seconds or so

253
00:12:51,910 --> 00:12:49,009
and was just beyond the intersection it

254
00:12:55,179 --> 00:12:51,920
got almost right in front of me then

255
00:12:58,329 --> 00:12:55,189
smoothly veered to the right a papal

256
00:13:01,869 --> 00:12:58,339
Street diagonally as if heading toward

257
00:13:05,129 --> 00:13:01,879
Salem or out to sea and was gone from

258
00:13:08,350 --> 00:13:05,139
sight the lights in the intersection and

259
00:13:11,979 --> 00:13:08,360
on the vehicle

260
00:13:13,449 --> 00:13:11,989
turned it into a fuzzy silhouette it

261
00:13:15,280 --> 00:13:13,459
looked like a head corners and curves

262
00:13:18,369 --> 00:13:15,290
there were more lights on it but I

263
00:13:21,759 --> 00:13:18,379

didn't see the beam like light anymore I

264

00:13:24,509 --> 00:13:21,769

wasn't sure I had seen it at all I wrote

265

00:13:28,329 --> 00:13:24,519

two Facebook posts about it right after

266

00:13:32,650 --> 00:13:28,339

all it took you two years to report that

267

00:13:34,840 --> 00:13:32,660

okay you know it's so wild to me because

268

00:13:36,009 --> 00:13:34,850

people feel like I need validation that

269

00:13:37,749 --> 00:13:36,019

somebody else is waiting to something

270

00:13:41,710 --> 00:13:37,759

like this I'm just gonna wait one year

271

00:13:44,289 --> 00:13:41,720

two year I mean wow just speak your

272

00:13:48,280 --> 00:13:44,299

story we've got to get these things out

273

00:13:53,079 --> 00:13:48,290

there so why not just share away you're

274

00:13:55,629 --> 00:13:53,089

among friends all right the next UFO

275

00:13:56,859 --> 00:13:55,639

sighting this occurred in Las Vegas

276

00:14:01,169 --> 00:13:56,869

Nevada

277

00:14:03,939 --> 00:14:01,179

this occurred January 7th 2018 and brief

278

00:14:07,960 --> 00:14:03,949

multiple shiny objects mostly spheres

279

00:14:10,449 --> 00:14:07,970

and subtil looking ones in more detail I

280

00:14:14,590 --> 00:14:10,459

was standing on sidewalk of Frank

281

00:14:16,989 --> 00:14:14,600

Sinatra Drive huh that's funny uh facing

282

00:14:19,780 --> 00:14:16,999

south when I noticed the plane from the

283

00:14:22,960 --> 00:14:19,790

southwest giving a chem trail that was

284

00:14:26,139 --> 00:14:22,970

thicker and whiter than usual I followed

285

00:14:27,939 --> 00:14:26,149

it until it was just right above me when

286

00:14:30,629 --> 00:14:27,949

I noticed would appear to look like a

287

00:14:33,309 --> 00:14:30,639

bunch of balloons above the planes path

288

00:14:36,609 --> 00:14:33,319

after focusing more on the quote

289

00:14:40,389 --> 00:14:36,619

balloons I realized that they were very

290

00:14:43,689 --> 00:14:40,399

shiny metallic layer on them and they

291

00:14:47,049 --> 00:14:43,699

were perfect spheres and that they were

292

00:14:49,329 --> 00:14:47,059

the same size of the plane flying by

293

00:14:52,659 --> 00:14:49,339

them with the chemtrail but higher up

294

00:14:55,090 --> 00:14:52,669

the objects were in a mass group with

295

00:14:58,090 --> 00:14:55,100

the spheres in the front and pill like

296

00:15:00,210 --> 00:14:58,100

objects towards the rear the plane with

297

00:15:01,780 --> 00:15:00,220

the trail was traveling northeast

298

00:15:10,449 --> 00:15:01,790

attention shoppers

299

00:15:16,419 --> 00:15:10,459

clean up on aisle 14 someone dropped a

300

00:15:18,519 --> 00:15:16,429

jar pickles feet boxing at a big box

301

00:15:20,470 --> 00:15:18,529

store surprising what's not surprising

302

00:15:21,280 --> 00:15:20,480

how much you could save by switching to

303

00:15:24,430 --> 00:15:21,290

Geico

304

00:15:26,920 --> 00:15:24,440

a red minivan has the lights on in the

305

00:15:31,509 --> 00:15:26,930

parking lot Geico 15 minutes could save

306

00:15:34,689 --> 00:15:31,519

you 15% or more while the objects were

307

00:15:37,269 --> 00:15:34,699

in perfect line with the planes trail

308

00:15:40,569 --> 00:15:37,279

traveling Southwest as if to cover the

309

00:15:42,550 --> 00:15:40,579

objects as this was happening there was

310

00:15:45,460 --> 00:15:42,560

another plane below the plane with the

311

00:15:48,370 --> 00:15:45,470

trail and the objects traveling a high

312

00:15:51,389 --> 00:15:48,380

rate of speed towards the southwest

313

00:15:54,220 --> 00:15:51,399

appeared to look like a fighter jet

314

00:15:56,439 --> 00:15:54,230

about two minutes after watching this a

315

00:15:58,990 --> 00:15:56,449

black hawk while the sky is getting

316

00:16:02,530 --> 00:15:59,000

crowded in this story a Black Hawk

317

00:16:05,740 --> 00:16:02,540

helicopter flew right overhead maybe

318

00:16:08,829 --> 00:16:05,750

about a hundred feet above ground moving

319

00:16:11,110 --> 00:16:08,839

very fast heading north I was

320

00:16:15,579 --> 00:16:11,120

overwhelmed at the time but managed to

321

00:16:17,350 --> 00:16:15,589

capture some photos I should take looks

322

00:16:21,069 --> 00:16:17,360

at these photos shouldn't I while I'm

323

00:16:27,430 --> 00:16:21,079

doing all this it'd be just too

324

00:16:33,040 --> 00:16:27,440

distracting okay the next UFO sighting

325

00:16:36,610 --> 00:16:33,050

happened in Capone bridge West Virginia

326

00:16:39,069 --> 00:16:36,620

this occurred January 13th 2018 I am so

327

00:16:41,410 --> 00:16:39,079

bad at pronouncing things it's all good

328

00:16:43,689 --> 00:16:41,420

or just have some fun here it's just me

329

00:16:46,180 --> 00:16:43,699

and you four lights that emitted

330

00:16:50,620 --> 00:16:46,190

material from them in more detail the

331

00:16:52,930 --> 00:16:50,630

witness states my wife and I saw four

332

00:16:55,720 --> 00:16:52,940

bright glowing lights that we thought

333

00:16:58,900 --> 00:16:55,730

were airplanes from Martinsburg airbase

334

00:17:01,120 --> 00:16:58,910

or some other airplanes we observed the

335

00:17:04,360 --> 00:17:01,130

lights right above the trees in the

336

00:17:06,610 --> 00:17:04,370

direction of Slains Ville the lights

337

00:17:08,980 --> 00:17:06,620

were very bright and did not move her

338

00:17:11,919 --> 00:17:08,990

blink and drop some sort of bright

339

00:17:14,770 --> 00:17:11,929

material from them the lights pulsated

340

00:17:16,360 --> 00:17:14,780

from a yellow to white blue color after

341

00:17:18,280 --> 00:17:16,370

the lights dropped material they

342

00:17:21,309 --> 00:17:18,290

remained in the area for another two

343

00:17:23,679 --> 00:17:21,319

minutes and then flew off and an

344

00:17:27,789 --> 00:17:23,689

extremely high rate of speed in the

345

00:17:29,890 --> 00:17:27,799

direction of Slains Ville on the 14th we

346

00:17:32,380 --> 00:17:29,900

drove up to the area where we thought

347

00:17:34,720 --> 00:17:32,390

the lights were hovering above and found

348

00:17:38,830 --> 00:17:34,730

some metallic drops

349

00:17:42,280 --> 00:17:38,840

that look like soldiering that's why the

350

00:17:44,919 --> 00:17:42,290

side of one tree had a thin burn mark

351

00:17:47,409 --> 00:17:44,929

and the material lying at the base of

352

00:17:50,049 --> 00:17:47,419

the tree we did take a couple of soil

353

00:17:52,360 --> 00:17:50,059

samples and scraped bark off some of the

354

00:17:55,419 --> 00:17:52,370

trees did you get some were you sending

355

00:17:59,260 --> 00:17:55,429

that that's pretty funky that's that's

356

00:18:01,120 --> 00:17:59,270

cool all right the next UFO sighting

357

00:18:06,210 --> 00:18:01,130

this occurred in Bern ooh

358

00:18:09,370 --> 00:18:06,220

Idaho this occurred on January 14 2017

359

00:18:10,990 --> 00:18:09,380

object emitting bright light high up in

360

00:18:14,590 --> 00:18:11,000

the atmosphere that changed directions

361

00:18:18,940 --> 00:18:14,600

and quickly disappeared from sight in

362

00:18:20,799 --> 00:18:18,950

more detail I was walking home it was

363

00:18:24,130 --> 00:18:20,809

towards the end of dusk when I noticed a

364

00:18:27,430 --> 00:18:24,140

bright white light moving across the sky

365

00:18:30,610 --> 00:18:27,440

at a high altitude heading northeast

366

00:18:33,460 --> 00:18:30,620

climbing from about 60 degrees climbing

367

00:18:35,230 --> 00:18:33,470

toward 70 degrees I thought it was the

368

00:18:38,200 --> 00:18:35,240

International Space Station and - the

369

00:18:40,960 --> 00:18:38,210

lights went from pulsating to blinking

370

00:18:42,880 --> 00:18:40,970

as it broke from the past before a brief

371

00:18:46,030 --> 00:18:42,890

absence before the object flickered

372

00:18:48,039 --> 00:18:46,040

coming back into view briefly down 55

373

00:18:52,480 --> 00:18:48,049

degrees heading southeast as it appeared

374

00:18:54,520 --> 00:18:52,490

to rapidly accelerate out of sight the

375

00:18:56,980 --> 00:18:54,530

overall appearance of the light appeared

376

00:19:00,490 --> 00:18:56,990

almost as if emitted from the objects

377

00:19:02,770 --> 00:19:00,500

drive and the various phases appeared to

378

00:19:05,710 --> 00:19:02,780

correlate with the change of speed and

379

00:19:09,370 --> 00:19:05,720

direction I live beneath the flight path

380

00:19:11,409 --> 00:19:09,380

of Mountain Home Air Force Base and have

381

00:19:14,770 --> 00:19:11,419

seen every sort of aircraft they could

382

00:19:18,360 --> 00:19:14,780

fly including project Aurora and this

383

00:19:21,430 --> 00:19:18,370

wasn't like anything I have seen hmm

384

00:19:25,539 --> 00:19:21,440

already the next UFO sighting this

385

00:19:28,690 --> 00:19:25,549

occurred in Medford Oregon this happened

386

00:19:31,810 --> 00:19:28,700

January 13th 2018 in brief the witness

387

00:19:34,299 --> 00:19:31,820

states I saw an orange orb suddenly very

388

00:19:39,580 --> 00:19:34,309

bright white orb shows up next to it out

389

00:19:41,980 --> 00:19:39,590

of nowhere and we're detail I had come

390

00:19:45,190 --> 00:19:41,990

at about 10:30 p.m. Saturday January

391

00:19:48,470 --> 00:19:45,200

13th I looked around and saw an orange

392

00:19:52,280 --> 00:19:48,480

orb hovering over south Medford

393

00:19:54,830 --> 00:19:52,290

at first there was an orange orb I knew

394

00:19:58,100 --> 00:19:54,840

it was alien because I had never seen a

395

00:20:01,910 --> 00:19:58,110

light there before suddenly a very

396

00:20:04,910 --> 00:20:01,920

bright white light orb shows up next to

397

00:20:08,510 --> 00:20:04,920

it out of nowhere and just as quickly as

398

00:20:11,990 --> 00:20:08,520

the white light is gone but the orange

399

00:20:14,720 --> 00:20:12,000

orb is still there I watched it for 15

400

00:20:16,900 --> 00:20:14,730

minutes waiting for it to leave then

401
00:20:22,450 --> 00:20:16,910
went inside I guess they got bored I

402
00:20:27,740 --> 00:20:23,740
alrighty

403
00:20:30,760 --> 00:20:27,750
the next UFO sighting a black triangle

404
00:20:31,940 --> 00:20:30,770
sighting in Crescent City California a

405
00:20:35,120 --> 00:20:31,950
hmm

406
00:20:38,450 --> 00:20:35,130
this happened January 14 2018 in brief

407
00:20:41,720 --> 00:20:38,460
the witness states observed one coming

408
00:20:44,060 --> 00:20:41,730
over horizon followed by three more then

409
00:20:47,870 --> 00:20:44,070
ascend then more coming over horizon

410
00:20:50,270 --> 00:20:47,880
then ascend also several more same but

411
00:20:53,030 --> 00:20:50,280
in different areas see pics

412
00:20:55,940 --> 00:20:53,040
in more detail I was sitting at my

413
00:20:57,920 --> 00:20:55,950

dining room it was dark outside my

414

00:21:00,290 --> 00:20:57,930

cousin was out the kitchen sink

415

00:21:01,910 --> 00:21:00,300

I looked up towards I'm just kidding I'm

416

00:21:03,620 --> 00:21:01,920

sorry Californians everything sounds

417

00:21:05,770 --> 00:21:03,630

like a question at the end they raised

418

00:21:08,150 --> 00:21:05,780

her voice you know that's okay I'll quit

419

00:21:10,370 --> 00:21:08,160

because it was at the kitchen sink

420

00:21:13,430 --> 00:21:10,380

I looked up towards him to ask him a

421

00:21:15,800 --> 00:21:13,440

question I noticed a bright reddish

422

00:21:19,010 --> 00:21:15,810

orange light in the sky out of the

423

00:21:20,930 --> 00:21:19,020

kitchen window I told him look out the

424

00:21:23,000 --> 00:21:20,940

window what the heck is that

425

00:21:25,300 --> 00:21:23,010

I'm not kidding I'm reading this we ran

426

00:21:28,070 --> 00:21:25,310

out to the back porch and suddenly

427

00:21:31,580 --> 00:21:28,080

several more appeared coming over the

428

00:21:33,500 --> 00:21:31,590

mountain range I ran in got my camera we

429

00:21:36,440 --> 00:21:33,510

stepped down into the yard and I took

430

00:21:39,830 --> 00:21:36,450

pics more came as the others appeared to

431

00:21:41,180 --> 00:21:39,840

ascend more would follow if you look

432

00:21:44,240 --> 00:21:41,190

closely at the pics you will see

433

00:21:50,450 --> 00:21:44,250

triangular lights and what appears to be

434

00:21:52,810 --> 00:21:50,460

a lead craft no sounds no trails nothing

435

00:21:56,420 --> 00:21:52,820

that would be like a plane or helicopter

436

00:21:58,880 --> 00:21:56,430

no flare either I was shocked and

437

00:22:01,670 --> 00:21:58,890

somewhat frightened thinking maybe we

438

00:22:02,300 --> 00:22:01,680

were under some kind of attack watching

439

00:22:05,210 --> 00:22:02,310

them a son

440

00:22:09,620 --> 00:22:05,220

was even more confusing they ascended

441

00:22:11,930 --> 00:22:09,630

and were no longer visible I hope there

442

00:22:15,680 --> 00:22:11,940

is a good explanation for what we saw I

443

00:22:19,340 --> 00:22:15,690

am still shook up two hours later no

444

00:22:21,650 --> 00:22:19,350

that is something to see all right the

445

00:22:24,860 --> 00:22:21,660

next year full sighting happened in

446

00:22:32,260 --> 00:22:24,870

Redford Charter Township Michigan that's

447

00:22:39,440 --> 00:22:36,680

don't know why that's funny okay all

448

00:22:44,420 --> 00:22:39,450

right this is a blast from the UFO past

449

00:22:47,450 --> 00:22:44,430

this occurred March 31st 2004 in brief

450

00:22:50,840 --> 00:22:47,460

the object I saw was large and hovering

451
00:22:52,760 --> 00:22:50,850
at a low altitude moving slowly as if it

452
00:22:57,710 --> 00:22:52,770
was looking for something maybe it's

453
00:23:01,040 --> 00:22:57,720
lost its mind I don't know in 2004 I saw

454
00:23:04,070 --> 00:23:01,050
an unknown flying object while standing

455
00:23:06,710 --> 00:23:04,080
in front of my home looking up at the

456
00:23:10,160 --> 00:23:06,720
moon with a telescope facing northeast

457
00:23:12,830 --> 00:23:10,170
in Redford Michigan the object I saw was

458
00:23:16,340 --> 00:23:12,840
triangular with rounded corners and dim

459
00:23:18,980 --> 00:23:16,350
white lights centered in each corner the

460
00:23:21,680 --> 00:23:18,990
object hovered over me for how long

461
00:23:24,350 --> 00:23:21,690
I don't know it wasn't until I turned

462
00:23:28,490 --> 00:23:24,360
around to go into my home that I noticed

463
00:23:32,870 --> 00:23:28,500

the object it made no sound as a hovered

464

00:23:36,020 --> 00:23:32,880

over and slowly began moving Southwest

465

00:23:39,260 --> 00:23:36,030

over my neighborhood moments after the

466

00:23:43,280 --> 00:23:39,270

object cleared the horizon I heard then

467

00:23:46,370 --> 00:23:43,290

watched two fighter jets pursuing the

468

00:23:48,740 --> 00:23:46,380

object in the same direction the object

469

00:23:52,040 --> 00:23:48,750

I saw was large and hovering at a low

470

00:23:54,740 --> 00:23:52,050

altitude moving slowly as if it was

471

00:23:57,500 --> 00:23:54,750

looking for something I never shared

472

00:23:59,150 --> 00:23:57,510

this story with anyone after my family

473

00:24:02,330 --> 00:23:59,160

did not believe what I had witnessed

474

00:24:04,670 --> 00:24:02,340

during the time of this incident for a

475

00:24:07,430 --> 00:24:04,680

week later I watched news channels

476
00:24:10,070 --> 00:24:07,440
hoping to hear about others who had seen

477
00:24:13,670 --> 00:24:10,080
either the object or fighter jets in the

478
00:24:15,549 --> 00:24:13,680
night sky to no avail since this time I

479
00:24:18,789 --> 00:24:15,559
have wondered about what I

480
00:24:21,220 --> 00:24:18,799
saw on that night in private I've also

481
00:24:25,749 --> 00:24:21,230
wondered about how long the object was

482
00:24:28,299 --> 00:24:25,759
there before I even noticed it we always

483
00:24:32,080 --> 00:24:28,309
look to be validated don't we see how

484
00:24:35,139 --> 00:24:32,090
people get isolated and how others get

485
00:24:36,489 --> 00:24:35,149
to know control the information that

486
00:24:39,879 --> 00:24:36,499
gets put out there because they are

487
00:24:41,590 --> 00:24:39,889
doubtful if we all shared what we

488
00:24:45,100 --> 00:24:41,600

experienced no matter what the naysayers

489

00:24:46,840 --> 00:24:45,110

said and so much more education could be

490

00:24:49,989 --> 00:24:46,850

had I think this happens a lot more

491

00:24:53,799 --> 00:24:49,999

often than people realize I'm just

492

00:24:56,769 --> 00:24:53,809

saying I'm just saying now to highlight

493

00:25:00,279 --> 00:24:56,779

some cool articles that I find all over

494

00:25:04,389 --> 00:25:00,289

the web this one comes from Sky ships /

495

00:25:07,980 --> 00:25:04,399

cashiers and this is called could

496

00:25:09,279 --> 00:25:07,990

recently found stones be a giant's

497

00:25:14,019 --> 00:25:09,289

spearhead

498

00:25:18,279 --> 00:25:14,029

oh gosh help me on this pronunciation of

499

00:25:20,440 --> 00:25:18,289

this name here the NAT tan Tala National

500

00:25:24,659 --> 00:25:20,450

Forest in Jackson County North Carolina

501
00:25:27,999 --> 00:25:24,669
is a hotspot for unusual sightings and

502
00:25:31,659 --> 00:25:28,009
discoveries most recently a man

503
00:25:34,450 --> 00:25:31,669
discovered a trove of very large stones

504
00:25:36,909 --> 00:25:34,460
that look like they might be ancient

505
00:25:39,279 --> 00:25:36,919
spearheads he found them when he was

506
00:25:42,519 --> 00:25:39,289
cleaning a swampy area on his property

507
00:25:44,680 --> 00:25:42,529
so his Creek would flow better he was

508
00:25:47,169 --> 00:25:44,690
amazed at what he found wow these are

509
00:25:50,499 --> 00:25:47,179
cool-looking photos of some of the

510
00:25:54,009 --> 00:25:50,509
stones he found are shown below clearly

511
00:25:59,169 --> 00:25:54,019
they are too big and heavy to be useful

512
00:26:01,239 --> 00:25:59,179
to a normal-sized human and he says I

513
00:26:03,039 --> 00:26:01,249

was just throwing rocks on the bank

514

00:26:06,820 --> 00:26:03,049

while cleaning out the swampy part of

515

00:26:09,820 --> 00:26:06,830

the creek so it would flow better as the

516

00:26:11,190 --> 00:26:09,830

rocks piled up I noticed they all had

517

00:26:14,619 --> 00:26:11,200

similar shapes

518

00:26:17,529 --> 00:26:14,629

unlike smooth river rocks which I also

519

00:26:20,320 --> 00:26:17,539

found these had sharp edges and appeared

520

00:26:24,340 --> 00:26:20,330

to be tooled a creek doesn't create

521

00:26:26,950 --> 00:26:24,350

straight pointed rocks it may be they

522

00:26:28,450 --> 00:26:26,960

could be ancient spear heads when I

523

00:26:31,300 --> 00:26:28,460

picked up some of them they

524

00:26:33,850 --> 00:26:31,310

weighed like ten pounds yeah they're big

525

00:26:35,530 --> 00:26:33,860

they're the size of his hand an old

526

00:26:38,380 --> 00:26:35,540

friend of mine whose mother was a

527

00:26:42,610 --> 00:26:38,390

full-blooded Cherokee claims to have a

528

00:26:45,060 --> 00:26:42,620

spiritual connection and reads energy BJ

529

00:26:48,160 --> 00:26:45,070

continued which he came to visit she was

530

00:26:51,340 --> 00:26:48,170

overwhelmed by the energy and power of

531

00:26:55,330 --> 00:26:51,350

the place she felt people had lived

532

00:26:59,230 --> 00:26:55,340

there before the Cherokee you have to

533

00:27:03,210 --> 00:26:59,240

wonder if these might have been gents

534

00:27:06,370 --> 00:27:03,220

Wow and he stacked them and they almost

535

00:27:08,920 --> 00:27:06,380

fit like they're like similar size and

536

00:27:11,290 --> 00:27:08,930

and everything and then there is an

537

00:27:13,840 --> 00:27:11,300

editor's note here in 2014 we post an

538

00:27:16,720 --> 00:27:13,850

article about a book that had just been

539

00:27:21,130 --> 00:27:16,730

published titled the ancient Giants who

540

00:27:23,290 --> 00:27:21,140

ruled America by Richard J Dewhurst not

541

00:27:25,090 --> 00:27:23,300

only does the author present extensive

542

00:27:28,620 --> 00:27:25,100

evidence that Giants once lived in

543

00:27:32,080 --> 00:27:28,630

America he accuses them Smithsonian of

544

00:27:34,690 --> 00:27:32,090

hiding giant skeletons in its closets

545

00:27:37,960 --> 00:27:34,700

yeah actually I have heard about that

546

00:27:40,360 --> 00:27:37,970

that people have turned in giant

547

00:27:41,950 --> 00:27:40,370

skeletons and what what giant skeletons

548

00:27:45,550 --> 00:27:41,960

we don't know what you're speaking of

549

00:27:48,550 --> 00:27:45,560

they just magically disappeared once

550

00:27:51,130 --> 00:27:48,560

again limiting our knowledge on our own

551
00:27:54,580 --> 00:27:51,140
history is it that difficult to rewrite

552
00:27:57,190 --> 00:27:54,590
history books is it that is that the

553
00:27:59,380 --> 00:27:57,200
reason cuz they just don't want all that

554
00:28:01,390 --> 00:27:59,390
writing I mean hey I'm a writer I

555
00:28:03,100 --> 00:28:01,400
couldn't I could take on some of it I

556
00:28:04,840 --> 00:28:03,110
mean there's a lot of writers around we

557
00:28:06,580 --> 00:28:04,850
could we could tackle it and edit the

558
00:28:09,090 --> 00:28:06,590
history books I mean things have been

559
00:28:11,500 --> 00:28:09,100
edited before why why not do it again

560
00:28:16,180 --> 00:28:11,510
doesn't hurt me none to do that but it

561
00:28:19,210 --> 00:28:16,190
hurts us not to know the truth and the

562
00:28:20,620 --> 00:28:19,220
truth shall set you free boy I wish I

563
00:28:21,940 --> 00:28:20,630

lived in one of those not lived but

564

00:28:24,610 --> 00:28:21,950

worked in one of the caverns

565

00:28:26,620 --> 00:28:24,620

I was Smithsonian and just shuffled

566

00:28:29,290 --> 00:28:26,630

around in there and tripped over things

567

00:28:31,720 --> 00:28:29,300

at all look what I uncovered I bet they

568

00:28:35,680 --> 00:28:31,730

have catacombs under there they just

569

00:28:37,900 --> 00:28:35,690

find so many hoards of things that to be

570

00:28:39,700 --> 00:28:37,910

discovered perhaps a little earthquake

571

00:28:41,140 --> 00:28:39,710

may rattle them out and they'll just

572

00:28:42,070 --> 00:28:41,150

roll out onto the street or something

573

00:28:47,830 --> 00:28:42,080

and

574

00:28:49,720 --> 00:28:47,840

girl can dream right well anyways I have
