16

00:00:48,619 --> 00:00:45,870

blasting off with some UFO reports the

17

00:00:52,790 --> 00:00:48,629

first one is a black triangle sighting

18

00:00:54,740 --> 00:00:52,800

and Visalia California this is a UFO

19

00:00:58,729 --> 00:00:54,750

blast from the past has happened March

20

00:01:02,450 --> 00:00:58,739

15th 2012 in brief the witness states

21

00:01:05,060 --> 00:01:02,460

hang glider like object quickly flew

22

00:01:07,310 --> 00:01:05,070

over in more detail the witness states I

23

00:01:09,770 --> 00:01:07,320

was outside cleaning my pool filter

24

00:01:13,160 --> 00:01:09,780

turned off getting it ready for summer

25

00:01:16,100 --> 00:01:13,170

it was a clear dark night almost a half

26  
00:01:18,230 --> 00:01:16,110  
moon or just after with no traffic noise

27  
00:01:20,539 --> 00:01:18,240  
I was looking up and thinking about

28  
00:01:23,149 --> 00:01:20,549  
pruning my palm tree and other trees to

29  
00:01:25,670 --> 00:01:23,159  
reduce leaves in the pool direction of

30  
00:01:27,770 --> 00:01:25,680  
focus was upwards for about 10 to 20

31  
00:01:31,310 --> 00:01:27,780  
minutes while looking to the east over

32  
00:01:34,640 --> 00:01:31,320  
my house I saw what was either a hang

33  
00:01:38,060 --> 00:01:34,650  
glider size at the smallest if it was

34  
00:01:41,390 --> 00:01:38,070  
within 150 feet or extremely large

35  
00:01:45,319 --> 00:01:41,400  
aircraft if it was more than 500 feet

36  
00:01:49,310 --> 00:01:45,329  
football field-sized size or larger jet

37  
00:01:52,880 --> 00:01:49,320  
black triangle flying completely silent

38  
00:01:55,310 --> 00:01:52,890

from east to west it's hard to explain

39

00:01:58,370 --> 00:01:55,320

but the visual cues were not normal if

40

00:01:59,899 --> 00:01:58,380

it was low some city streetlights or

41

00:02:03,350 --> 00:01:59,909

building lights should have illuminated

42

00:02:06,440 --> 00:02:03,360

at least a little or reflected some kind

43

00:02:09,320 --> 00:02:06,450

of light if it was that low some kind of

44

00:02:12,320 --> 00:02:09,330

sound should have been heard it cast a

45

00:02:13,940 --> 00:02:12,330

larger shadow over me and the white

46

00:02:17,449 --> 00:02:13,950

poolside concrete

47

00:02:19,160 --> 00:02:17,459

as it flew quickly over I first thought

48

00:02:21,949 --> 00:02:19,170

it was a hang glider but there was

49

00:02:24,259 --> 00:02:21,959

nothing hanging under it it actually

50

00:02:27,589 --> 00:02:24,269

looked like a two-dimensional triangle

51  
00:02:30,320 --> 00:02:27,599  
the entire time it looked like it was

52  
00:02:33,410 --> 00:02:30,330  
moving around 50 to 70 miles per hour if

53  
00:02:36,830 --> 00:02:33,420  
it were at 150 feet above me or way too

54  
00:02:40,580 --> 00:02:36,840  
fast and too large for anything above a

55  
00:02:44,960 --> 00:02:40,590  
thousand feet it definitely was not a

56  
00:02:45,979 --> 00:02:44,970  
bird a kite a frisbee or a drone there

57  
00:02:49,580 --> 00:02:45,989  
was no color to it

58  
00:02:52,699 --> 00:02:49,590  
I just saw the triangle-shaped absence

59  
00:02:55,460 --> 00:02:52,709  
of light between the stars and me it

60  
00:02:57,470 --> 00:02:55,470  
moved at a constant horizontal speed and

61  
00:03:01,120 --> 00:02:57,480  
did not change direction until I could

62  
00:03:05,479 --> 00:03:01,130  
no longer see it the only other thing

63  
00:03:08,630 --> 00:03:05,489

black that I saw was when it flew over a

64

00:03:10,699 --> 00:03:08,640

brightly lit parking lot shopping center

65

00:03:13,460 --> 00:03:10,709

about a thousand feet west southwest of

66

00:03:15,589 --> 00:03:13,470

me and it was a faint orange amber

67

00:03:17,509 --> 00:03:15,599

reflection from the orange lights from

68

00:03:19,550 --> 00:03:17,519

the parking lot that was kind of

69

00:03:22,640 --> 00:03:19,560

confusing because that would mean it was

70

00:03:24,740 --> 00:03:22,650

too low for an aircraft and I should

71

00:03:28,849 --> 00:03:24,750

have been able to see at least some

72

00:03:34,670 --> 00:03:28,859

profile of the vertical axis I still saw

73

00:03:37,430 --> 00:03:34,680

a 2d looking isosceles triangle but no

74

00:03:40,309 --> 00:03:37,440

sound other than like what you would

75

00:03:45,530 --> 00:03:40,319

hear if someone threw something close to

76

00:03:48,500 --> 00:03:45,540

you like a quiet whoosh if it was higher

77

00:03:50,900 --> 00:03:48,510

up it would have been too massive to be

78

00:03:53,870 --> 00:03:50,910

anything like a normal aircraft almost

79

00:03:56,599 --> 00:03:53,880

like an aircraft carrier or cruise ship

80

00:03:59,240 --> 00:03:56,609

sighs wow that's a big mother it would

81

00:04:02,629 --> 00:03:59,250

have also been moving past the speed of

82

00:04:06,110 --> 00:04:02,639

sound going by airshow experiences only

83

00:04:09,199 --> 00:04:06,120

and no sonic boom or contrails behind it

84

00:04:11,509 --> 00:04:09,209

there is no place even remotely close

85

00:04:14,089 --> 00:04:11,519

that someone could have jumped from a

86

00:04:17,509 --> 00:04:14,099

stationary object to hang glide over

87

00:04:20,810 --> 00:04:17,519

them there is no one I've even heard of

88

00:04:24,500 --> 00:04:20,820

that has a hang glider within 50 miles

89

00:04:26,300 --> 00:04:24,510

either the guest building is the

90

00:04:27,350 --> 00:04:26,310

hospital about two miles away at five

91

00:04:30,260 --> 00:04:27,360

stories

92

00:04:33,350 --> 00:04:30,270

there were no aircraft balloons anywhere

93

00:04:35,950 --> 00:04:33,360

in the sky that night or for at least 10

94

00:04:39,290 --> 00:04:35,960

to 20 minutes where I was looking up

95

00:04:41,869 --> 00:04:39,300

there is I'lamour Naval Air Station about

96

00:04:44,240 --> 00:04:41,879

30 to 40 miles to the west but they

97

00:04:45,909 --> 00:04:44,250

usually never come to the east there

98

00:04:48,679 --> 00:04:45,919

were no lights coming from it either

99

00:04:50,779 --> 00:04:48,689

there are a commercial jets that fly

100

00:04:52,999 --> 00:04:50,789

overhead at night but usually always

101  
00:04:55,909 --> 00:04:53,009  
north to south or south to north but

102  
00:04:58,820 --> 00:04:55,919  
they could not be mistaken for this

103  
00:05:02,600 --> 00:04:58,830  
object to put it quite literally it was

104  
00:05:05,990 --> 00:05:02,610  
like someone threw a black 20 to 30 foot

105  
00:05:09,499 --> 00:05:06,000  
paper airplane from the east I love this

106  
00:05:14,080 --> 00:05:09,509  
analogy and it flew just about a hundred

107  
00:05:17,360 --> 00:05:14,090  
feet over my head without making any

108  
00:05:20,149 --> 00:05:17,370  
discernible sound other than air moving

109  
00:05:23,330 --> 00:05:20,159  
quietly by it so to sum it up nothing

110  
00:05:25,580 --> 00:05:23,340  
tall enough to glide from nearby drones

111  
00:05:29,209 --> 00:05:25,590  
were not popular yet four years after

112  
00:05:31,939 --> 00:05:29,219  
this time also not personal drone shaped

113  
00:05:34,249 --> 00:05:31,949

or sized clear and dark sky except the

114

00:05:36,709 --> 00:05:34,259

moon and stars with no other aircraft

115

00:05:40,820 --> 00:05:36,719

birds kites and a silent ambient

116

00:05:43,430 --> 00:05:40,830

environment the only way to have better

117

00:05:46,820 --> 00:05:43,440

viewed would have to be through

118

00:05:49,339 --> 00:05:46,830

binoculars or a telescope it looked like

119

00:05:51,920 --> 00:05:49,349

it was mostly two-dimensional moving too

120

00:05:54,800 --> 00:05:51,930

fast if it was higher up too quiet for

121

00:05:56,899 --> 00:05:54,810

the apparent closer distance did not

122

00:06:00,890 --> 00:05:56,909

move or change it with respect to

123

00:06:04,129 --> 00:06:00,900

appearance excluding direction of travel

124

00:06:08,119 --> 00:06:04,139

which was west to slightly Southwest it

125

00:06:10,399 --> 00:06:08,129

had no lights shining from it and only a

126

00:06:14,209 --> 00:06:10,409

glint of city lights from the bottom

127

00:06:16,879 --> 00:06:14,219

traveled at 2 or 3 miles or way more of

128

00:06:20,269 --> 00:06:16,889

it was that airplane height I don't know

129

00:06:23,050 --> 00:06:20,279

what that means I was not drinking and

130

00:06:26,089 --> 00:06:23,060

where would people say that or doing

131

00:06:27,980 --> 00:06:26,099

anything under the influence of any

132

00:06:31,040 --> 00:06:27,990

drugs or alcohol prescription medication

133

00:06:32,629 --> 00:06:31,050

or diagnosed or not with any previous or

134

00:06:34,339 --> 00:06:32,639

current mental conditions or

135

00:06:37,699 --> 00:06:34,349

hallucinations oh that's that's so

136

00:06:40,730 --> 00:06:37,709

important it just happened to be looking

137

00:06:43,010 --> 00:06:40,740

up at the trees and sky on that night

138

00:06:45,200 --> 00:06:43,020

at the right time I haven't seen

139

00:06:48,050 --> 00:06:45,210

anything like it before or after and

140

00:06:50,660 --> 00:06:48,060

really wasn't all that exciting other

141

00:06:53,240 --> 00:06:50,670

than the missing obvious visual and

142

00:06:57,830 --> 00:06:53,250

audible sensory cues of distance and

143

00:07:00,080 --> 00:06:57,840

size I don't think anyone would ever

144

00:07:01,970 --> 00:07:00,090

even notice it unless they were looking

145

00:07:03,710 --> 00:07:01,980

for it or at least looking in the sky I

146

00:07:05,120 --> 00:07:03,720

don't have the best vision but it's

147

00:07:07,760 --> 00:07:05,130

definitely good enough to not need

148

00:07:10,130 --> 00:07:07,770

glasses at night or to drive and my

149

00:07:12,290 --> 00:07:10,140

right eye suffered moderate trauma 25

150

00:07:14,390 --> 00:07:12,300

years ago over got confessions here when

151

00:07:16,640 --> 00:07:14,400

I was 8 but my vision has adapted very

152

00:07:19,130 --> 00:07:16,650

well the only problem I mildly have is

153

00:07:21,020 --> 00:07:19,140

objects like a baseball or smaller size

154

00:07:23,000 --> 00:07:21,030

object coming directly at my face or

155

00:07:25,970 --> 00:07:23,010

directly away you know I gotta say

156

00:07:27,860 --> 00:07:25,980

something because a lot of people they

157

00:07:28,850 --> 00:07:27,870

doubt their eyes all the time and it's

158

00:07:30,170 --> 00:07:28,860

like they want to let you know their

159

00:07:31,910 --> 00:07:30,180

eyes are good enough they drive you got

160

00:07:34,490 --> 00:07:31,920

a driver's license those eyes are good

161

00:07:36,800 --> 00:07:34,500

ok it's ok you get back a fourth

162

00:07:39,560 --> 00:07:36,810

generally without running anybody over

163

00:07:41,900 --> 00:07:39,570

we're good I believe you drugs and

164

00:07:44,660 --> 00:07:41,910

alcohol you know if you were talking

165

00:07:46,130 --> 00:07:44,670

about possession like by a demon then

166

00:07:49,580 --> 00:07:46,140

that would be something I would drawn to

167

00:07:53,180 --> 00:07:49,590

question but even then people had a

168

00:07:55,880 --> 00:07:53,190

couple drinks then whatever they can

169

00:07:57,590 --> 00:07:55,890

tell if they saw UFO or not and you are

170

00:07:59,060 --> 00:07:57,600

so right I don't think if people are

171

00:08:02,750 --> 00:07:59,070

looking for this one what they actually

172

00:08:05,390 --> 00:08:02,760

have spotted it and I think that's you

173

00:08:07,490 --> 00:08:05,400

know there's happenstance UFO sightings

174

00:08:09,290 --> 00:08:07,500

all the time going out for a smoke gonna

175

00:08:11,060 --> 00:08:09,300

walk their dog just happen to look up at

176

00:08:13,430 --> 00:08:11,070

their tree to prune it and there you

177

00:08:16,340 --> 00:08:13,440

have it these things sneak past us all

178

00:08:21,620 --> 00:08:16,350

the time I think and luckily we got

179

00:08:24,080 --> 00:08:21,630

pruners in the evening the next UFO

180

00:08:28,040 --> 00:08:24,090

sighting this happened in Northridge on

181

00:08:29,270 --> 00:08:28,050

the 118 in California on January 5th

182

00:08:31,520 --> 00:08:29,280

2018

183

00:08:34,370 --> 00:08:31,530

in brief the witness states metallic

184

00:08:36,980 --> 00:08:34,380

sphere shape in more detail the witness

185

00:08:39,380 --> 00:08:36,990

states I was driving on the route 118

186

00:08:41,750 --> 00:08:39,390

and right before I passed the Tampa exit

187

00:08:44,330 --> 00:08:41,760

I just happened to notice something

188

00:08:47,600 --> 00:08:44,340

flying close together in formation with

189

00:08:49,070 --> 00:08:47,610

the Sun reflecting off from it I wasn't

190

00:08:51,920 --> 00:08:49,080

sure what to think I just pulled out my

191

00:08:53,810 --> 00:08:51,930

phone and started recording as I was

192

00:08:54,530 --> 00:08:53,820

recording and watching these objects I

193

00:08:56,720 --> 00:08:54,540

realized

194

00:08:57,740 --> 00:08:56,730

this was something I have never seen

195

00:09:00,230 --> 00:08:57,750

before

196

00:09:03,139 --> 00:09:00,240

first I noticed the reflection and it

197

00:09:05,569 --> 00:09:03,149

was metallic looking sphere shape I was

198

00:09:08,180 --> 00:09:05,579

a little unsure about it but after five

199

00:09:10,400 --> 00:09:08,190

minutes of thinking about what I saw it

200

00:09:12,499 --> 00:09:10,410

was really excited I was even more

201  
00:09:16,699 --> 00:09:12,509  
excited when I saw the video and seen

202  
00:09:19,730 --> 00:09:16,709  
but I caught it on video these craft

203  
00:09:23,809 --> 00:09:19,740  
went over trees then I lost sight of

204  
00:09:26,499 --> 00:09:23,819  
where they were heading all right this

205  
00:09:30,319 --> 00:09:26,509  
next UFO sighting this occurred in

206  
00:09:31,850 --> 00:09:30,329  
Richmond British Columbia this is a UFO

207  
00:09:35,780 --> 00:09:31,860  
blast from the past

208  
00:09:39,230 --> 00:09:35,790  
this occurred July 27 2003 disk-like

209  
00:09:42,170 --> 00:09:39,240  
reflective Sun on top curved bottom in

210  
00:09:45,110 --> 00:09:42,180  
more detail I was riding shotgun in my

211  
00:09:47,930 --> 00:09:45,120  
father's car in the middle eastern sky I

212  
00:09:51,139 --> 00:09:47,940  
saw some sort of object disc like and

213  
00:09:53,150 --> 00:09:51,149

just hovering at first I thought it was

214

00:09:55,850 --> 00:09:53,160

an airplane coming to the airport as I

215

00:09:58,639 --> 00:09:55,860

live quite close to 1 but this craft was

216

00:10:01,639 --> 00:09:58,649

too far south and had a curved bottom I

217

00:10:03,079 --> 00:10:01,649

don't think it lasted more than a minute

218

00:10:05,600 --> 00:10:03,089

I had to shield my eyes from the

219

00:10:07,610 --> 00:10:05,610

reflected Sun when I uncovered my eyes

220

00:10:10,519 --> 00:10:07,620

to perhaps get a second look the

221

00:10:13,160 --> 00:10:10,529

reflection and whatever it was was gone

222

00:10:15,680 --> 00:10:13,170

my father didn't see it as he was

223

00:10:18,110 --> 00:10:15,690

watching the road I was inside a moving

224

00:10:20,960 --> 00:10:18,120

vehicle so I couldn't get out to see if

225

00:10:23,389 --> 00:10:20,970

it had moved this was my first UFO

226

00:10:25,730 --> 00:10:23,399

sighting any doubts of some other

227

00:10:28,280 --> 00:10:25,740

intelligence and other forms of it out

228

00:10:31,340 --> 00:10:28,290

there greater than our own was a thing

229

00:10:33,379 --> 00:10:31,350

of the past I did draw in the computer

230

00:10:35,740 --> 00:10:33,389

what I saw but it is on another computer

231

00:10:38,059 --> 00:10:35,750

and I don't know how to send attachments

232

00:10:44,030 --> 00:10:38,069

now the computer is not connected to the

233

00:10:47,689 --> 00:10:44,040

Internet what it's so entertaining all

234

00:10:49,550 --> 00:10:47,699

right ooh we got another big ol UFO

235

00:10:52,400 --> 00:10:49,560

blast from the past black triangle

236

00:10:56,870 --> 00:10:52,410

sighting in Cardiff this occurred last

237

00:10:58,759 --> 00:10:56,880

15 1991 black triangle with three lights

238

00:11:02,360 --> 00:10:58,769

silently passed overhead similar to

239

00:11:03,800 --> 00:11:02,370

Corinne Sables huh one hour unaccounted

240

00:11:05,990 --> 00:11:03,810

for oh we're talking about abduction

241

00:11:07,879 --> 00:11:06,000

people all right in more detail they

242

00:11:08,329 --> 00:11:07,889

stayed finished work and was going to

243

00:11:11,239 --> 00:11:08,339

help

244

00:11:14,150 --> 00:11:11,249

private party at a nearby public house a

245

00:11:16,309 --> 00:11:14,160

friend was asked to go to his shared

246

00:11:17,059 --> 00:11:16,319

house by his landlord to pick up a box

247

00:11:20,720 --> 00:11:17,069

of wine

248

00:11:22,970 --> 00:11:20,730

a box I offered to go with him I was

249

00:11:25,610 --> 00:11:22,980

looking at the crossword when my friend

250

00:11:30,139 --> 00:11:25,620

said something like what is that light

251  
00:11:32,960 --> 00:11:30,149  
in the sky I said probably a plane my

252  
00:11:36,049 --> 00:11:32,970  
friend said that's not a plane without

253  
00:11:38,809 --> 00:11:36,059  
looking up I said probably a helicopter

254  
00:11:42,129 --> 00:11:38,819  
then my friend said that don't look like

255  
00:11:48,470 --> 00:11:45,400  
i'ma quit i'ma quit I really am

256  
00:11:51,019 --> 00:11:48,480  
at this point I looked out and asked my

257  
00:11:56,389 --> 00:11:51,029  
friend what exactly he was looking at he

258  
00:11:59,960 --> 00:11:56,399  
pointed towards the sky oh it was right

259  
00:12:03,049 --> 00:11:59,970  
and said that we were approaching a

260  
00:12:04,610 --> 00:12:03,059  
roundabout and the car stopped we both

261  
00:12:06,439 --> 00:12:04,620  
got out of the car another car was

262  
00:12:09,189 --> 00:12:06,449  
stopped on opposite side of the

263  
00:12:12,350 --> 00:12:09,199

roundabout the craft passed overhead

264

00:12:15,019 --> 00:12:12,360

silently it disappeared behind some

265

00:12:17,239 --> 00:12:15,029

trees now remember looking at the man on

266

00:12:21,530 --> 00:12:17,249

opposite side around about and shrugged

267

00:12:23,210 --> 00:12:21,540

as if to say WTF the man shrugged we got

268

00:12:26,239 --> 00:12:23,220

back in the car and went back to the

269

00:12:29,030 --> 00:12:26,249

public house when we got back everyone

270

00:12:32,150 --> 00:12:29,040

was asking where we had been the journey

271

00:12:34,509 --> 00:12:32,160

to the house was 15 to 20 minutes there

272

00:12:39,019 --> 00:12:34,519

and back but we had been gone for nearly

273

00:12:41,210 --> 00:12:39,029

one and a half hours oh I thought the

274

00:12:43,280 --> 00:12:41,220

clocks had gone forward so adjusted my

275

00:12:46,340 --> 00:12:43,290

watch accordingly and was late for work

276

00:12:49,840 --> 00:12:46,350

the next day the clocks had not gone

277

00:12:52,309 --> 00:12:49,850

forward yet my watch was an hour out

278

00:12:54,230 --> 00:12:52,319

subsequently I woke one morning and my

279

00:12:56,509 --> 00:12:54,240

brother asked what time I got in the

280

00:12:58,910 --> 00:12:56,519

night before I said that I hadn't gone

281

00:13:01,460 --> 00:12:58,920

out and had gone to bed early at about

282

00:13:04,160 --> 00:13:01,470

10 p.m. my brother said you weren't in

283

00:13:07,639 --> 00:13:04,170

bed when I got home as I sat up in bed I

284

00:13:10,369 --> 00:13:07,649

felt a pulling of the hair on my chest I

285

00:13:13,790 --> 00:13:10,379

looked down and there was a substance

286

00:13:16,340 --> 00:13:13,800

like wallpaper paste but much thicker so

287

00:13:19,879 --> 00:13:16,350

thick that I had to shave the area to

288

00:13:22,009 --> 00:13:19,889

remove it yeah that's that I also

289

00:13:24,259 --> 00:13:22,019

noticed a bald spot below

290

00:13:29,030 --> 00:13:24,269

belly button and slightly to the right

291

00:13:33,350 --> 00:13:29,040

to this day no hair grows there and it

292

00:13:35,689 --> 00:13:33,360

is as soft as a baby's bum I have woken

293

00:13:38,449 --> 00:13:35,699

many times since with weird markings

294

00:13:42,799 --> 00:13:38,459

series of dots and various places that I

295

00:13:45,559 --> 00:13:42,809

cannot explain some with the time on my

296

00:13:48,650 --> 00:13:45,569

android tablet being out by an hour even

297

00:13:51,859 --> 00:13:48,660

though it is on auto-configuration as

298

00:13:54,079 --> 00:13:51,869

dictated by the web I have remained

299

00:13:55,189 --> 00:13:54,089

quiet about these experiences for fear

300

00:13:57,710 --> 00:13:55,199

of being ridiculed

301  
00:14:00,169 --> 00:13:57,720  
I have lost touch with my friend who was

302  
00:14:01,879 --> 00:14:00,179  
driving that night but I'm sure he would

303  
00:14:04,910 --> 00:14:01,889  
give a similar account of that night's

304  
00:14:07,789 --> 00:14:04,920  
offense the craft was like a triangle

305  
00:14:10,910 --> 00:14:07,799  
but the one corner was slightly off

306  
00:14:13,840 --> 00:14:10,920  
I have no picture evidence as cellphones

307  
00:14:16,129 --> 00:14:13,850  
were not as prevalent as they are today

308  
00:14:19,400 --> 00:14:16,139  
sounds like you have had some alien

309  
00:14:21,019 --> 00:14:19,410  
intervention going on that is horrifying

310  
00:14:23,600 --> 00:14:21,029  
but you guys hear you hear how people

311  
00:14:26,419 --> 00:14:23,610  
get isolated because they are fearing

312  
00:14:28,369 --> 00:14:26,429  
being ridiculed that's it's sad and here

313  
00:14:30,829 --> 00:14:28,379

are pentagons thought it was fun to keep

314

00:14:31,999 --> 00:14:30,839

that secret yeah mm-hmm we know you've

315

00:14:34,669 --> 00:14:32,009

been doing a lot longer than five years

316

00:14:37,789 --> 00:14:34,679

buddies but no laughing matter when

317

00:14:41,179 --> 00:14:37,799

people are being abducted and abused and

318

00:14:43,579 --> 00:14:41,189

confused okay and getting bald spots on

319

00:14:45,949 --> 00:14:43,589

their bodies not cool oh look at this

320

00:14:47,569 --> 00:14:45,959

another UFO blast from the past we're

321

00:14:49,400 --> 00:14:47,579

getting a lot of those which I always

322

00:14:51,859 --> 00:14:49,410

find fascinating how long it took people

323

00:14:53,869 --> 00:14:51,869

to come forward and they usually have

324

00:14:56,600 --> 00:14:53,879

like really thought about it and how to

325

00:14:58,069 --> 00:14:56,610

express themselves and sometimes they

326

00:15:00,470 --> 00:14:58,079

write about it a little bit more detail

327

00:15:02,840 --> 00:15:00,480

I do not edit this stuff if if the

328

00:15:10,100 --> 00:15:02,850

language the starlight lounge presents

329

00:15:12,019 --> 00:15:10,110

330

00:15:13,999 --> 00:15:12,029

331

00:15:16,489 --> 00:15:14,009

337

00:15:33,730 --> 00:15:31,550

in all states or situations was chopped

338

00:15:36,309 --> 00:15:33,740

I'm reading it chopped but doing my best

339

00:15:40,359 --> 00:15:36,319

to fix it and take off the swear words

340

00:15:43,290 --> 00:15:40,369

as we go along that's all i'ma say okay

341

00:15:50,019 --> 00:15:43,300

so next we have full siding Boise Idaho

342

00:15:52,239 --> 00:15:50,029

may 31st 1986 no UFO just gray aliens

343

00:15:54,699 --> 00:15:52,249

and a childhood slumber party oh they

344

00:15:57,340 --> 00:15:54,709

crashed the party did they arrived when

345

00:16:00,040 --> 00:15:57,350

all girls were asleep and walked among

346

00:16:02,290 --> 00:16:00,050

us oh that's just that's just perverted

347

00:16:03,910 --> 00:16:02,300

right there all right in more detail I

348

00:16:06,790 --> 00:16:03,920

was approximately six years old and had

349

00:16:08,949 --> 00:16:06,800

gone to a friend's birthday slumber

350

00:16:11,650 --> 00:16:08,959

party we're all tucked into our sleeping

351

00:16:14,019 --> 00:16:11,660

bags and chattering like girls do it

352

00:16:15,549 --> 00:16:14,029

must have been about ten or so of us my

353

00:16:17,169 --> 00:16:15,559

friend's parents and younger brother

354

00:16:19,749 --> 00:16:17,179

were sleeping in their rooms down the

355

00:16:21,850 --> 00:16:19,759

hall our sleeping bags were located in

356

00:16:24,850 --> 00:16:21,860

the living room that looked on to the

357

00:16:27,569 --> 00:16:24,860

kitchen and from the kitchen windows is

358

00:16:30,400 --> 00:16:27,579

where I noticed the bright light flash

359

00:16:32,169 --> 00:16:30,410

all the girls were asleep and I had just

360

00:16:37,629 --> 00:16:32,179

remained awake enough to notice the

361

00:16:41,650 --> 00:16:37,639

light once my eyes adjusted I saw six to

362

00:16:44,559 --> 00:16:41,660

ten grey alien looking figures starting

363

00:16:47,559 --> 00:16:44,569

to walk into the room without any sound

364

00:16:49,840 --> 00:16:47,569

I tried to pretend I was asleep as they

365

00:16:52,660 --> 00:16:49,850

moved between our sleeping bags if they

366

00:16:54,939 --> 00:16:52,670

notice me they did not show it in a

367

00:16:58,809 --> 00:16:54,949

flash of an eye they were sucked back

368

00:17:00,910 --> 00:16:58,819

out the kitchen window and gone Wow

369

00:17:03,730 --> 00:17:00,920

I ran out of my sleeping bag and crawled

370

00:17:05,799 --> 00:17:03,740

into bed with Ashley's parents and spent

371

00:17:07,449 --> 00:17:05,809

the night there Wow that way she could

372

00:17:09,519 --> 00:17:07,459

describe what do you mean suck bat like

373

00:17:13,630 --> 00:17:09,529

a like a vacuum cleaner or did they just

374

00:17:15,909 --> 00:17:13,640

go one after another I don't know gosh

375

00:17:18,130 --> 00:17:15,919

that's crazy did they levitate I mean

376

00:17:20,649 --> 00:17:18,140

was a big old tornado suction I've

377

00:17:24,159 --> 00:17:20,659

really I really I really need to hear

378

00:17:27,299 --> 00:17:24,169

all right moving on UFO sighting in

379

00:17:29,080 --> 00:17:27,309

Dallas Texas this happened January 14th

380

00:17:32,139 --> 00:17:29,090

2018

381

00:17:35,259 --> 00:17:32,149

in brief seen it flying then hover then

382

00:17:38,320 --> 00:17:35,269

let off big bright light for maybe ten

383

00:17:41,769 --> 00:17:38,330

seconds then proceeded to continue to

384

00:17:43,389 --> 00:17:41,779

come my way which is West in more detail

385

00:17:46,509 --> 00:17:43,399

oh they put their phone number we could

386

00:17:48,489 --> 00:17:46,519

call my kids and I were on our balcony

387

00:17:50,529 --> 00:17:48,499

after watching the football game and we

388

00:17:52,989 --> 00:17:50,539

noticed what we thought was a plane

389

00:17:55,779 --> 00:17:52,999

until we seen another object come from

390

00:17:57,999 --> 00:17:55,789

it and went left of the object did it

391

00:17:59,889 --> 00:17:58,009

stop then went right of the bright

392

00:18:03,279 --> 00:17:59,899

object then the bright object lit up in

393

00:18:05,769 --> 00:18:03,289

the clear dark sky like the moon well

394

00:18:08,830 --> 00:18:05,779

that's when the hairs and our body stood

395

00:18:11,560 --> 00:18:08,840

up as we could not believe what we were

396

00:18:13,810 --> 00:18:11,570

seeing when the smaller object continued

397

00:18:16,659 --> 00:18:13,820

going south as the bright object

398

00:18:22,419 --> 00:18:16,669

continued West we all captured the

399

00:18:26,590 --> 00:18:22,429

offense on our cellphones okay just next

400

00:18:30,399 --> 00:18:26,600

UFO sighting happen and mate er Matt er

401  
00:18:33,340 --> 00:18:30,409  
Louisiana January 15th 2018 loud

402  
00:18:36,159 --> 00:18:33,350  
aircraft hovering above home then

403  
00:18:38,710 --> 00:18:36,169  
passing in more detail witness states

404  
00:18:41,320 --> 00:18:38,720  
this morning around midnight I awoke a

405  
00:18:44,919 --> 00:18:41,330  
few minutes before I heard an incredibly

406  
00:18:47,499 --> 00:18:44,929  
loud aircraft pass over my home Wow dare

407  
00:18:52,090 --> 00:18:47,509  
they I live in what's considered Old

408  
00:18:54,909 --> 00:18:52,100  
Metairie air Maitri are Louisiana near

409  
00:18:57,669 --> 00:18:54,919  
the causeway and that's quite a bit of

410  
00:18:59,919 --> 00:18:57,679  
noise outside day and night with the

411  
00:19:02,889 --> 00:18:59,929  
highway being so close there's

412  
00:19:05,379 --> 00:19:02,899  
constantly the drone of cars and 18

413  
00:19:07,720 --> 00:19:05,389

wheelers passing not to mention I also

414

00:19:10,080 --> 00:19:07,730

live about 15 minutes from the airport

415

00:19:13,210 --> 00:19:10,090

so I'm used to hearing planes as well

416

00:19:15,549 --> 00:19:13,220

last night was different though I woke

417

00:19:18,460 --> 00:19:15,559

up a couple of minutes before it

418

00:19:20,320 --> 00:19:18,470

happened in a short coughing fit it's

419

00:19:23,409 --> 00:19:20,330

flu season and I'm getting over it now

420

00:19:25,600 --> 00:19:23,419

lucky you and lay them bed in silence

421

00:19:28,350 --> 00:19:25,610

with my dog before I heard what at first

422

00:19:30,909 --> 00:19:28,360

I thought was a helicopter approaching I

423

00:19:33,570 --> 00:19:30,919

say it sounded like a helicopter because

424

00:19:36,489 --> 00:19:33,580

it was almost a pulsating whirring

425

00:19:39,430 --> 00:19:36,499

instead of a steady building of noise

426  
00:19:41,680 --> 00:19:39,440  
like an airplane but my heart started to

427  
00:19:42,610 --> 00:19:41,690  
race because it seemed like it wasn't

428  
00:19:45,279 --> 00:19:42,620  
passing at

429  
00:19:49,149 --> 00:19:45,289  
and instead was getting closer and

430  
00:19:51,820 --> 00:19:49,159  
louder until I certainly thought at the

431  
00:19:53,950 --> 00:19:51,830  
volume it was at there's no way

432  
00:19:56,470 --> 00:19:53,960  
it couldn't be right above the

433  
00:19:59,049 --> 00:19:56,480  
neighborhood I couldn't bring myself to

434  
00:20:00,940 --> 00:19:59,059  
look outside and see for fear of seeing

435  
00:20:03,940 --> 00:20:00,950  
anything other than a plane or

436  
00:20:07,029 --> 00:20:03,950  
helicopter that's a suspicious feeling

437  
00:20:10,860 --> 00:20:07,039  
and instead I lay there holding my

438  
00:20:15,340 --> 00:20:10,870

breath waiting for the noise to subside

439

00:20:18,100 --> 00:20:15,350

after about two minutes or so it did but

440

00:20:20,740 --> 00:20:18,110

not without me trying to justify my head

441

00:20:23,139 --> 00:20:20,750

what could have taken it so long as any

442

00:20:27,010 --> 00:20:23,149

other aircraft takes only seconds to

443

00:20:29,019 --> 00:20:27,020

pass no matter how close it sounds I'd

444

00:20:31,899 --> 00:20:29,029

like to add that I also grew up on a

445

00:20:34,149 --> 00:20:31,909

military base so I consider my ears

446

00:20:37,060 --> 00:20:34,159

incredibly accustomed to the noise of

447

00:20:39,279 --> 00:20:37,070

training exercises and transport at all

448

00:20:41,889 --> 00:20:39,289

times of the day but I couldn't shake

449

00:20:45,120 --> 00:20:41,899

the feeling last night that this was

450

00:20:49,690 --> 00:20:45,130

something I have never heard here before

451  
00:20:51,690 --> 00:20:49,700  
trained ears love that alright next UFO

452  
00:20:56,080 --> 00:20:51,700  
sighting this happened in Mason Ohio

453  
00:20:58,750 --> 00:20:56,090  
this occurred July 8th 2017 and brief

454  
00:21:02,860 --> 00:20:58,760  
the witness states amazing bright green

455  
00:21:06,130 --> 00:21:02,870  
orb with incredible moments I bet they

456  
00:21:08,560 --> 00:21:06,140  
meet movements the story and how it

457  
00:21:12,460 --> 00:21:08,570  
appeared to me is just as amazing in

458  
00:21:15,760 --> 00:21:12,470  
more detail they stake at the time I was

459  
00:21:20,919 --> 00:21:15,770  
under what I call a voluntary psychosis

460  
00:21:23,799 --> 00:21:20,929  
I believed in many charlatans and was

461  
00:21:27,909 --> 00:21:23,809  
pulled in Pleiadians pop culture and

462  
00:21:30,610 --> 00:21:27,919  
false channeling I was told to look at

463  
00:21:33,580 --> 00:21:30,620

the skies by them and I would see a sign

464

00:21:36,130 --> 00:21:33,590

a few days later so three days passed I

465

00:21:38,350 --> 00:21:36,140

go to take out the trash on this night I

466

00:21:40,419 --> 00:21:38,360

see the moon and it was bright and

467

00:21:43,740 --> 00:21:40,429

beautiful I decided to take a picture

468

00:21:47,409 --> 00:21:43,750

and this green one appeared on my screen

469

00:21:49,980 --> 00:21:47,419

this gives the word hypocrisy a new

470

00:21:54,909 --> 00:21:49,990

meaning because channeling is fake as

471

00:21:55,700 --> 00:21:54,919

wrestling took seven no huh I don't get

472

00:21:58,610 --> 00:21:55,710

it too

473

00:22:01,130 --> 00:21:58,620

that out however out of my own belief

474

00:22:02,960 --> 00:22:01,140

disappeared to me there's some other

475

00:22:06,860 --> 00:22:02,970

things about this happening that is

476

00:22:11,240 --> 00:22:06,870

essential but that it is the gist of it

477

00:22:15,769 --> 00:22:11,250

okay people at it to say let me just say

478

00:22:18,669 --> 00:22:15,779

edit all right who's next UFO sighting

479

00:22:21,380 --> 00:22:18,679

this occurred in Clarksville Tennessee

480

00:22:25,370 --> 00:22:21,390

this is a slight UFO blast from the past

481

00:22:27,769 --> 00:22:25,380

this occurred March 15 2014 there were

482

00:22:31,070 --> 00:22:27,779

around 30 to 50 of them and you could

483

00:22:33,740 --> 00:22:31,080

see them from Horizon to Horizon it made

484

00:22:37,250 --> 00:22:33,750

no sound whatsoever as they passed right

485

00:22:39,470 --> 00:22:37,260

over our heads glowed orange red with no

486

00:22:43,909 --> 00:22:39,480

blinking lights and move too slowly to

487

00:22:46,970 --> 00:22:43,919

be planes move slow but steadily in more

488

00:22:49,070 --> 00:22:46,980

detail my wife and I are from Dickson

489

00:22:52,070 --> 00:22:49,080

Tennessee we were driving home from

490

00:22:54,740 --> 00:22:52,080

Clarksville one night on highway 48 a

491

00:22:56,899 --> 00:22:54,750

few years ago and saw this there were

492

00:22:59,360 --> 00:22:56,909

around thirty to fifty of them and you

493

00:23:03,409 --> 00:22:59,370

could see them from Horizon to Horizon

494

00:23:05,840 --> 00:23:03,419

they made no sound whatsoever we first

495

00:23:09,440 --> 00:23:05,850

noticed them while driving and they

496

00:23:12,529 --> 00:23:09,450

slowly flew in the sky there were so

497

00:23:15,680 --> 00:23:12,539

many of them they could be seen as far

498

00:23:17,870 --> 00:23:15,690

as you could see in each direction they

499

00:23:20,389 --> 00:23:17,880

were not very high when passing directly

500

00:23:23,720 --> 00:23:20,399

over our head so if they made a noise at

501  
00:23:26,779 --> 00:23:23,730  
all they would have heard them they're

502  
00:23:29,419 --> 00:23:26,789  
an orange red color and if you zoom in

503  
00:23:33,289 --> 00:23:29,429  
on the video you can see that they were

504  
00:23:35,269 --> 00:23:33,299  
round classic dis shape it sounds like

505  
00:23:37,669 --> 00:23:35,279  
the ones you see in Mexico it was an

506  
00:23:40,519 --> 00:23:37,679  
extraordinary sight there is a military

507  
00:23:43,490 --> 00:23:40,529  
base not too far from the siding maybe

508  
00:23:45,919 --> 00:23:43,500  
50 miles at the most so I'd really like

509  
00:23:48,860 --> 00:23:45,929  
to know if they were flying something

510  
00:23:53,330 --> 00:23:48,870  
that night if they worked then these

511  
00:23:55,490 --> 00:23:53,340  
were by very definition UFOs one video

512  
00:23:58,190 --> 00:23:55,500  
is what my wife took from inside the car

513  
00:24:00,769 --> 00:23:58,200

and the other is what I took once we

514

00:24:03,049 --> 00:24:00,779

stopped to look these videos have been

515

00:24:05,480 --> 00:24:03,059

edited to fit the format necessary to

516

00:24:08,240 --> 00:24:05,490

send in the email thank you and please

517

00:24:10,760 --> 00:24:08,250

let me know what you think of it well

518

00:24:14,120 --> 00:24:10,770

I have not seen the video myself so I'll

519

00:24:16,850 --> 00:24:14,130

let you guys click on over and follow

520

00:24:20,810 --> 00:24:16,860

the link not goodness well let's move on

521

00:24:22,760 --> 00:24:20,820

over to a fascinating story showing

522

00:24:25,360 --> 00:24:22,770

let's see what article do I have here to

523

00:24:30,620 --> 00:24:25,370

join us today alright

524

00:24:34,130 --> 00:24:30,630

this article is called Bigfoot scene

525

00:24:37,420 --> 00:24:34,140

with its child in mill Spring North

526

00:24:39,920 --> 00:24:37,430

Carolina I like these types of stories

527

00:24:41,600 --> 00:24:39,930

there is nothing special about me the

528

00:24:42,320 --> 00:24:41,610

author writes I am just an ordinary

529

00:24:45,890 --> 00:24:42,330

person

530

00:24:47,780 --> 00:24:45,900

who witnessed Bigfoot about a month ago

531

00:24:50,120 --> 00:24:47,790

from today I don't see the date on this

532

00:24:52,400 --> 00:24:50,130

one it was about midnight my friend

533

00:24:54,320 --> 00:24:52,410

Bobby and I were walking back home from

534

00:24:56,720 --> 00:24:54,330

visiting another friend who lives in the

535

00:24:59,060 --> 00:24:56,730

same neighborhood the neighborhood we

536

00:25:02,300 --> 00:24:59,070

live in is mostly backwoods and the

537

00:25:04,010 --> 00:25:02,310

houses are pretty well far apart going

538

00:25:06,500 --> 00:25:04,020

the back way on the dirt road from her

539

00:25:09,410 --> 00:25:06,510

house to ours was a lot closer than

540

00:25:12,410 --> 00:25:09,420

taking the main road so we walked with

541

00:25:14,450 --> 00:25:12,420

flashlights when we approached a home we

542

00:25:17,930 --> 00:25:14,460

turn off our flashlights so we wouldn't

543

00:25:20,960 --> 00:25:17,940

disturb anyone as we walked past one

544

00:25:24,710 --> 00:25:20,970

neighbors home all her outside dog

545

00:25:26,270 --> 00:25:24,720

started to bark but as we walked on they

546

00:25:28,820 --> 00:25:26,280

stopped barking

547

00:25:31,430 --> 00:25:28,830

as we started up the hill approaching a

548

00:25:34,160 --> 00:25:31,440

light pole we turned our lights out at

549

00:25:39,410 --> 00:25:34,170

the same time we both saw what looked

550

00:25:41,930 --> 00:25:39,420

like a Bigfoot creature Bobby

551  
00:25:46,430 --> 00:25:41,940  
quickly squeezed my hand firmly and we

552  
00:25:48,740 --> 00:25:46,440  
both stopped walking this creature was

553  
00:25:51,890 --> 00:25:48,750  
walking up someone's driveway under a

554  
00:25:55,490 --> 00:25:51,900  
light pole it looked to be about seven

555  
00:25:59,480 --> 00:25:55,500  
and a half feet tall with brown hair all

556  
00:26:02,930 --> 00:25:59,490  
over it walked almost slanted over but

557  
00:26:05,300 --> 00:26:02,940  
upright its arms were long like almost

558  
00:26:09,230 --> 00:26:05,310  
past its knees and its fingers were

559  
00:26:11,360 --> 00:26:09,240  
curled under almost like an ape the

560  
00:26:14,060 --> 00:26:11,370  
creature took about four strides up the

561  
00:26:16,970 --> 00:26:14,070  
driveway and at the top it turned around

562  
00:26:19,370 --> 00:26:16,980  
and headed back down where the trees and

563  
00:26:21,850 --> 00:26:19,380

bushes hit it but when it turned around

564

00:26:26,120 --> 00:26:21,860

it had a

565

00:26:27,740 --> 00:26:26,130

Bigfoot by its side holding its and a

566

00:26:30,289 --> 00:26:27,750

little stinker probably what I got away

567

00:26:32,690 --> 00:26:30,299

otherwise we just stood there in fear

568

00:26:36,080 --> 00:26:32,700

for a few moments and then started

569

00:26:41,180 --> 00:26:36,090

walking again we both know what we saw

570

00:26:44,600 --> 00:26:41,190

it is not made up well I believe you wow

571

00:26:48,980 --> 00:26:44,610

that is really cool all right we will

572

00:26:51,200 --> 00:26:48,990

head with a nice inspiring paranormal

573

00:26:54,020 --> 00:26:51,210

story how about that I think I like

574

00:26:58,539 --> 00:26:54,030

these all right

575

00:27:01,190 --> 00:26:58,549

this story is called my son saw an angel

576

00:27:04,039 --> 00:27:01,200

my kids and I were sick one morning and

577

00:27:05,539 --> 00:27:04,049

I was so scared I got on my knees and

578

00:27:09,140 --> 00:27:05,549

prayed and kept calling the name of

579

00:27:12,169 --> 00:27:09,150

Jesus all of a sudden my three year old

580

00:27:15,320 --> 00:27:12,179

son said mama why you keep calling him

581

00:27:19,490 --> 00:27:15,330

there he goes right there pointing up to

582

00:27:22,490 --> 00:27:19,500

the window we all felt so much better he

583

00:27:26,180 --> 00:27:22,500

said it was a lady standing there with

584

00:27:28,399 --> 00:27:26,190

one hand in the other it was a great

585

00:27:30,039 --> 00:27:28,409

feeling to know someone was watching

586

00:27:32,630 --> 00:27:30,049

over us

587

00:27:35,450 --> 00:27:32,640
