some very cool your four reports because

16

00:00:48,680 --> 00:00:46,890

that's all we have around here UFO

17

00:00:52,910 --> 00:00:48,690

sighting in Arizona

18

00:00:55,010 --> 00:00:52,920

this occurred June 14 27 teen in brief

19

00:00:57,770 --> 00:00:55,020

the witness states saw a reflecting

20

00:01:01,610 --> 00:00:57,780

light in the sky so I grabbed my camera

21

00:01:04,429 --> 00:01:01,620

and watched this donut shaped UFO come

22

00:01:05,440 --> 00:01:04,439

into view and hover around and move in

23

00:01:09,230 --> 00:01:05,450

strange ways

24

00:01:12,800 --> 00:01:09,240

later the same UFO was filmed in Britain

25

00:01:15,710 --> 00:01:12,810

that looked the same as the one I filmed

26  
00:01:17,270 --> 00:01:15,720  
in more detail the witness dates back in

27  
00:01:20,060 --> 00:01:17,280  
June of 2017

28  
00:01:23,060 --> 00:01:20,070  
I was outside my apartment with my

29  
00:01:25,219 --> 00:01:23,070  
daughter I started seeing a reflecting

30  
00:01:27,850 --> 00:01:25,229  
light in the sky but couldn't see

31  
00:01:30,319 --> 00:01:27,860  
anything and did not know what it was I

32  
00:01:34,940 --> 00:01:30,329  
grabbed my camera and started solving

33  
00:01:38,859 --> 00:01:34,950  
and as soon as I did this UFO came into

34  
00:01:41,390 --> 00:01:38,869  
view this donut shaped UFO started

35  
00:01:46,010 --> 00:01:41,400  
hovering almost like a drone but in

36  
00:01:47,780 --> 00:01:46,020  
weird patterns and very quickly it also

37  
00:01:50,270 --> 00:01:47,790  
seemed to have a light in the middle of

38  
00:01:53,030 --> 00:01:50,280

it that would come in and out of the

39

00:01:54,590 --> 00:01:53,040

craft but as quickly as it showed up it

40

00:01:57,620 --> 00:01:54,600

was gone within a minute

41

00:02:00,260 --> 00:01:57,630

of seeing it also I saw just a month ago

42

00:02:03,620 --> 00:02:00,270

that a guy from Britain has recorded

43

00:02:06,830 --> 00:02:03,630

that same type of UFO it's almost like

44

00:02:09,350 --> 00:02:06,840

it is the same one I have looked and

45

00:02:12,470 --> 00:02:09,360

searched constantly for months now for a

46

00:02:13,240 --> 00:02:12,480

drone that looks like this UFO but one

47

00:02:16,120 --> 00:02:13,250

does

48

00:02:18,760 --> 00:02:16,130

not exist at least not one the public

49

00:02:20,080 --> 00:02:18,770

can purchase was hoping you guys can let

50

00:02:24,460 --> 00:02:20,090

me know what you think of the footage

51  
00:02:27,940 --> 00:02:24,470  
well I haven't looked at it alright

52  
00:02:31,050 --> 00:02:27,950  
moving on the next UFO sighting it

53  
00:02:36,250 --> 00:02:31,060  
happened in Chula Vista California

54  
00:02:40,210 --> 00:02:36,260  
January 14 2018 and brief bright yellow

55  
00:02:44,680 --> 00:02:40,220  
red golf ball shape moving in a line

56  
00:02:47,620 --> 00:02:44,690  
East and disappeared in thin air in more

57  
00:02:50,290 --> 00:02:47,630  
detail I heard a loud sound coming from

58  
00:02:55,060 --> 00:02:50,300  
my backyard went outside saw a bright

59  
00:02:58,630 --> 00:02:55,070  
light North flying east it moved like a

60  
00:03:01,000 --> 00:02:58,640  
laser beam I've never seen anything move

61  
00:03:03,520 --> 00:03:01,010  
like that I called my boyfriend to see

62  
00:03:05,860 --> 00:03:03,530  
what I saw I thought it moved

63  
00:03:07,720 --> 00:03:05,870

differently than a normal aircraft it

64

00:03:12,370 --> 00:03:07,730

was flying in a straight line and

65

00:03:15,550 --> 00:03:12,380

disappeared into thin air we were amazed

66

00:03:18,280 --> 00:03:15,560

at what we saw I immediately went online

67

00:03:21,190 --> 00:03:18,290

to see if anyone else saw what we saw I

68

00:03:24,009 --> 00:03:21,200

saw the same kind of light moving in the

69

00:03:25,060 --> 00:03:24,019

sky when I was younger I never told

70

00:03:28,060 --> 00:03:25,070

anyone

71

00:03:31,090 --> 00:03:28,070

yeah that's helpful I've been hearing

72

00:03:34,500 --> 00:03:31,100

loud sounds coming from the sky lately

73

00:03:38,259 --> 00:03:34,510

so I've been looking up at the sky a lot

74

00:03:41,199 --> 00:03:38,269

this flying machine moved differently

75

00:03:46,120 --> 00:03:41,209

I'm sure someone else saw what we saw

76

00:03:50,229 --> 00:03:46,130

January 14th 2018 5:30 p.m. we also saw

77

00:03:53,199 --> 00:03:50,239

a plane straight up in the sky also an

78

00:03:55,960 --> 00:03:53,209

airplane from Lindbergh Field coming in

79

00:03:58,150 --> 00:03:55,970

and another right behind it probably

80

00:04:02,620 --> 00:03:58,160

coming in for landing at the same time

81

00:04:04,780 --> 00:04:02,630

we saw the UFO I'm happy my boyfriend

82

00:04:06,430 --> 00:04:04,790

witnessed this UFO at the same time as

83

00:04:09,729 --> 00:04:06,440

me let's you know you know that's right

84

00:04:13,030 --> 00:04:09,739

what was weird is it disappeared right

85

00:04:16,390 --> 00:04:13,040

before our eyes it was round like a golf

86

00:04:19,420 --> 00:04:16,400

ball sized light color of yellow red

87

00:04:22,029 --> 00:04:19,430

white no blinking lights that airplanes

88

00:04:25,150 --> 00:04:22,039

have blinking lights shaped like a

89

00:04:26,390 --> 00:04:25,160

triangle they blink less than a couple

90

00:04:30,320 --> 00:04:26,400

of minutes after this

91

00:04:33,350 --> 00:04:30,330

a large helicopter flew over our house

92

00:04:36,379 --> 00:04:33,360

headed south we were 11 miles from the

93

00:04:39,110 --> 00:04:36,389

Mexican border the North Island Navy

94

00:04:43,100 --> 00:04:39,120

base is closed on Coronado there has

95

00:04:45,710 --> 00:04:43,110

been chemtrails every day from plain

96

00:04:49,850 --> 00:04:45,720

white aircraft that fly north to south

97

00:04:52,280 --> 00:04:49,860

and south to north or Northwest I wanted

98

00:04:55,310 --> 00:04:52,290

to document this UFO sighting while it

99

00:04:57,500 --> 00:04:55,320

was still fresh in my mind thank you for

100

00:05:01,100 --> 00:04:57,510

all the work you do to hear the

101  
00:05:03,400 --> 00:05:01,110  
population's UFO sightings I hope I've

102  
00:05:06,350 --> 00:05:03,410  
given enough info for you to relate our

103  
00:05:09,740 --> 00:05:06,360  
UFO sighting I kept saying to my

104  
00:05:11,540 --> 00:05:09,750  
boyfriend you saw that he says yes we

105  
00:05:14,450 --> 00:05:11,550  
were amazed how the light just

106  
00:05:16,010 --> 00:05:14,460  
disappeared right before our eyes I wish

107  
00:05:20,810 --> 00:05:16,020  
I could have captured this UFO in my

108  
00:05:25,120 --> 00:05:20,820  
camera yes don't we all moving on the

109  
00:05:26,300 --> 00:05:25,130  
next UFO sighting occurred in Astor

110  
00:05:30,740 --> 00:05:26,310  
Florida

111  
00:05:34,670 --> 00:05:30,750  
nice easy name this happened January 14

112  
00:05:37,820 --> 00:05:34,680  
2018 in brief the witness states I awoke

113  
00:05:41,120 --> 00:05:37,830

to a bright beam of light outside my

114

00:05:44,000 --> 00:05:41,130

back door I opened the door to look up

115

00:05:46,730 --> 00:05:44,010

as I thought it might be a helicopter

116

00:05:49,490 --> 00:05:46,740

when I stepped out I followed the beam

117

00:05:53,600 --> 00:05:49,500

and looked behind me and it came from

118

00:05:55,010 --> 00:05:53,610

way behind the clouds it was almost like

119

00:06:00,560 --> 00:05:55,020

enormous

120

00:06:04,250 --> 00:06:00,570

detail the witness states I awoke at

121

00:06:07,719 --> 00:06:04,260

4:00 a.m. January 14th 2018 to a bright

122

00:06:10,430 --> 00:06:07,729

beam of light outside my back door I

123

00:06:12,770 --> 00:06:10,440

opened the door to look up as I thought

124

00:06:16,820 --> 00:06:12,780

it might be a helicopter when I stepped

125

00:06:21,050 --> 00:06:16,830

out I followed the beam and looked

126  
00:06:23,950 --> 00:06:21,060  
behind me it came from way above the

127  
00:06:28,040 --> 00:06:23,960  
clouds and was partially in the clouds

128  
00:06:31,790 --> 00:06:28,050  
it was like an enormous sphere with

129  
00:06:34,370 --> 00:06:31,800  
large structures on top but way off in

130  
00:06:36,860 --> 00:06:34,380  
the distance oh that sounds really cool

131  
00:06:38,990 --> 00:06:36,870  
I kept telling myself I was just

132  
00:06:39,920 --> 00:06:39,000  
dreaming but when outside this morning

133  
00:06:42,020 --> 00:06:39,930  
to see

134  
00:06:45,860 --> 00:06:42,030  
where the beam of light had shown and

135  
00:06:48,320 --> 00:06:45,870  
done nothing it was a short time frame

136  
00:06:52,129 --> 00:06:48,330  
all this happened I did not feel anxious

137  
00:06:55,629 --> 00:06:52,139  
scared or upset I realized after going

138  
00:06:59,659 --> 00:06:55,639

over this in my mind today it was real

139

00:07:03,260 --> 00:06:59,669

indeed indeed all right the next UFO

140

00:07:08,060 --> 00:07:03,270

sighting a black triangle sighting in

141

00:07:10,100 --> 00:07:08,070

Putney Vermont this is a youthful blast

142

00:07:14,270 --> 00:07:10,110

from the past this occurred

143

00:07:18,170 --> 00:07:14,280

September 30th 2012 in brief they stayed

144

00:07:22,580 --> 00:07:18,180

I looked up at my home and saw a flying

145

00:07:26,390 --> 00:07:22,590

triangle maybe ten feet wide 2,000 feet

146

00:07:28,850 --> 00:07:26,400

just black in more detail witness states

147

00:07:31,999 --> 00:07:28,860

stepping out of my house one afternoon I

148

00:07:35,540 --> 00:07:32,009

was headed to my shop when witches

149

00:07:38,480 --> 00:07:35,550

across the driveway about 75 feet I do

150

00:07:41,450 --> 00:07:38,490

woodworking so for me to be home is

151  
00:07:44,600 --> 00:07:41,460  
fairly common I remember it was a cloudy

152  
00:07:47,540 --> 00:07:44,610  
day a little rainy or very damp I loved

153  
00:07:50,629 --> 00:07:47,550  
living where I do and often when I step

154  
00:07:54,200 --> 00:07:50,639  
outside I look around that day I looked

155  
00:07:56,779 --> 00:07:54,210  
up and I saw a black triangle flying

156  
00:08:01,399 --> 00:07:56,789  
over my house from southwest and

157  
00:08:05,960 --> 00:08:01,409  
northeast no sound no lights no markings

158  
00:08:08,899 --> 00:08:05,970  
no exhaust trail given the cloud ceiling

159  
00:08:10,969 --> 00:08:08,909  
I guess at about 3,000 feet I would see

160  
00:08:15,200 --> 00:08:10,979  
it was smaller than a single-engine

161  
00:08:18,710 --> 00:08:15,210  
plane and larger than a drone I saw it

162  
00:08:21,140 --> 00:08:18,720  
and said to myself that's odd I wonder

163  
00:08:24,320 --> 00:08:21,150

what it is it disappeared into the

164

00:08:26,029 --> 00:08:24,330

clouds and that was it only in the last

165

00:08:28,279 --> 00:08:26,039

couple of years have I been following

166

00:08:31,670 --> 00:08:28,289

for lack of a better way to explain the

167

00:08:33,649 --> 00:08:31,680

ancient alien stories I've always been

168

00:08:39,260 --> 00:08:33,659

interested but when I put two and two

169

00:08:42,589 --> 00:08:39,270

together I now look up every day all

170

00:08:45,190 --> 00:08:42,599

right the next UFO sighting black

171

00:08:46,970 --> 00:08:45,200

triangle sighting in West Melbourne

172

00:08:50,750 --> 00:08:46,980

Florida

173

00:08:53,250 --> 00:08:50,760

this occurred January 11th 2018 three

174

00:08:55,760 --> 00:08:53,260

lights in triangle formation of

175

00:08:59,490 --> 00:08:55,770

over the road and continued until

176

00:09:02,340 --> 00:08:59,500

disappeared behind the treeline in more

177

00:09:05,400 --> 00:09:02,350

detail my husband and I were driving

178

00:09:09,810 --> 00:09:05,410

east on Route 192 somewhat east of Canal

179

00:09:12,330 --> 00:09:09,820

South 161 a this was approximately seven

180

00:09:17,370 --> 00:09:12,340

fifty five pm that's pretty specific on

181

00:09:20,460 --> 00:09:17,380

Thursday night January 11th 2018 three

182

00:09:23,910 --> 00:09:20,470

lights in a triangle formation flew over

183

00:09:26,640 --> 00:09:23,920

the road then over us as we passed under

184

00:09:29,190 --> 00:09:26,650

them I turned to look out the passenger

185

00:09:31,290 --> 00:09:29,200

window and didn't see where they went I

186

00:09:34,530 --> 00:09:31,300

assumed that they had belonged to a

187

00:09:37,380 --> 00:09:34,540

small plane that had descended below the

188

00:09:40,380 --> 00:09:37,390

tree line when I first saw it I assumed

189

00:09:44,070 --> 00:09:40,390

it was a small plane going to land on

190

00:09:47,040 --> 00:09:44,080

some farm airstrip but then I got

191

00:09:49,170 --> 00:09:47,050

thinking about the lights the front one

192

00:09:53,250 --> 00:09:49,180

and the one closest to me were white and

193

00:09:55,910 --> 00:09:53,260

steady no blinking the light farthest

194

00:09:59,250 --> 00:09:55,920

from me was steady white and also

195

00:10:02,300 --> 00:09:59,260

flashing green it seemed odd this thing

196

00:10:06,000 --> 00:10:02,310

had no red light as if it were in plane

197

00:10:08,970 --> 00:10:06,010

also the more I thought about it it was

198

00:10:13,080 --> 00:10:08,980

pretty big if it was a plane it would

199

00:10:16,050 --> 00:10:13,090

have covered both eastbound lanes easily

200

00:10:19,070 --> 00:10:16,060

if it was on the ground it had been the

201  
00:10:21,750 --> 00:10:19,080  
very low and slow but no sound I

202  
00:10:25,620 --> 00:10:21,760  
remember thinking that the pilot was

203  
00:10:29,550 --> 00:10:25,630  
pretty bold to be as low and unless its

204  
00:10:31,320 --> 00:10:29,560  
airstrip was really close I honestly

205  
00:10:35,070 --> 00:10:31,330  
don't remember seeing anything between

206  
00:10:36,930 --> 00:10:35,080  
the lights like wings a cockpit etc well

207  
00:10:43,320 --> 00:10:36,940  
thank you for checking out the sighting

208  
00:10:45,260 --> 00:10:43,330  
ok the next year the first sighting this

209  
00:10:50,340 --> 00:10:45,270  
occurred in Eatonville

210  
00:10:54,750 --> 00:10:50,350  
Washington January 15 2018 sphere of

211  
00:10:59,670 --> 00:10:54,760  
light zigzagged up and down as it moved

212  
00:11:02,490 --> 00:10:59,680  
from East to Southwest in the forest and

213  
00:11:05,430 --> 00:11:02,500

more detail my wife and I were sitting

214

00:11:07,199 --> 00:11:05,440

in our hot tub when she asked me if I

215

00:11:09,689 --> 00:11:07,209

saw the ball of light in the

216

00:11:13,169 --> 00:11:09,699

woods I then looked to the east and

217

00:11:15,150 --> 00:11:13,179

spotted what she first saw the ball of

218

00:11:17,879 --> 00:11:15,160

light was approximately a hundred yards

219

00:11:21,150 --> 00:11:17,889

away from us as it started to move from

220

00:11:25,109 --> 00:11:21,160

left to right through the woods as it

221

00:11:29,249 --> 00:11:25,119

moved it Zig zagged and down very

222

00:11:31,939 --> 00:11:29,259

sharply by about ten to fifteen feet the

223

00:11:34,139 --> 00:11:31,949

light then disappeared to the east

224

00:11:38,389 --> 00:11:34,149

immediately after the light vanished

225

00:11:41,309 --> 00:11:38,399

beams of light like a spotlight began

226

00:11:44,660 --> 00:11:41,319

sweeping through the trees sounds like

227

00:11:48,179 --> 00:11:44,670

they lost something a chupacabra maybe

228

00:11:53,040 --> 00:11:48,189

the entire experience lasted

229

00:11:55,439 --> 00:11:53,050

approximately 15 minutes I do know there

230

00:11:57,840 --> 00:11:55,449

is a gravel road on the other side of

231

00:12:00,809 --> 00:11:57,850

the woods about a quarter mile from our

232

00:12:05,910 --> 00:12:00,819

back property this road is used

233

00:12:07,919 --> 00:12:05,920

sparingly and I rode my ATV to look for

234

00:12:10,410 --> 00:12:07,929

vehicle tire tracks the next day but the

235

00:12:13,049 --> 00:12:10,420

road was undisturbed

236

00:12:16,109 --> 00:12:13,059

except for my ATV tire tracks that were

237

00:12:18,809 --> 00:12:16,119

quite visible it did not rain overnight

238

00:12:19,259 --> 00:12:18,819

so the tracks could not have been washed

239

00:12:22,439 --> 00:12:19,269

away

240

00:12:25,559 --> 00:12:22,449

I have lived as this residence for

241

00:12:28,769 --> 00:12:25,569

almost eight years and have never seen

242

00:12:31,139 --> 00:12:28,779

this occur before at first I thought it

243

00:12:33,600 --> 00:12:31,149

might have been car headlights but the

244

00:12:37,769 --> 00:12:33,610

way it was moving through the trees IG's

245

00:12:41,069 --> 00:12:37,779

agging and down as it moved I knew this

246

00:12:43,710 --> 00:12:41,079

was not going to be car headlights my

247

00:12:46,199 --> 00:12:43,720

wife asked if it could have been someone

248

00:12:49,590 --> 00:12:46,209

with a lantern in the woods I told her

249

00:12:52,049 --> 00:12:49,600

there was no way anyone could move that

250

00:12:55,199 --> 00:12:52,059

fast through the woods and the zigzag

251  
00:12:56,970 --> 00:12:55,209  
up-and-down movement as it traveled was

252  
00:13:00,929 --> 00:12:56,980  
quite unusual

253  
00:13:04,350 --> 00:13:00,939  
my wife was extremely scared as I could

254  
00:13:07,499 --> 00:13:04,360  
feel her shaking behind me I was

255  
00:13:11,879 --> 00:13:07,509  
thinking that if they are here to abduct

256  
00:13:15,030 --> 00:13:11,889  
us there isn't much I can do about it

257  
00:13:17,309 --> 00:13:15,040  
yeah there is so we sat there watching

258  
00:13:20,390 --> 00:13:17,319  
the beam of light move through the trees

259  
00:13:22,430 --> 00:13:20,400  
until it too disappeared

260  
00:13:24,770 --> 00:13:22,440  
about another 15 minutes or so of

261  
00:13:27,800 --> 00:13:24,780  
watching to see if it would come back we

262  
00:13:32,870 --> 00:13:27,810  
then went to bed I am retired Air Force

263  
00:13:35,080 --> 00:13:32,880

oh where oh with over 5,000 flight hours

264

00:13:39,980 --> 00:13:35,090

and seeing something like this sphere

265

00:13:43,760 --> 00:13:39,990

which was approximately 14 years old in

266

00:13:46,340 --> 00:13:43,770

the Oregon Cascade Mountains near middle

267

00:13:49,460 --> 00:13:46,350

sister very strange to see it again

268

00:13:52,610 --> 00:13:49,470

almost 40 years later okay I got you you

269

00:13:57,040 --> 00:13:52,620

saw that then okay I don't edit the

270

00:14:00,440 --> 00:13:57,050

stuff I just read it all right this next

271

00:14:08,050 --> 00:14:00,450

UFO sighting happened in Peterborough

272

00:14:12,010 --> 00:14:08,060

England January 17 2018 two identical

273

00:14:15,890 --> 00:14:12,020

rectangular objects at different heights

274

00:14:17,720 --> 00:14:15,900

hovering with two white lights it's that

275

276

00:14:24,100 --> 00:14:21,240

just real quick driving home from work I

277

00:14:28,190 --> 00:14:24,110

noticed two distinct bright lights

278

00:14:31,910 --> 00:14:28,200

approximately 500 feet static in the sky

279

00:14:36,040 --> 00:14:31,920

on closer observation each object was

280

00:14:39,590 --> 00:14:36,050

rectangular with two fixed white lights

281

00:14:43,130 --> 00:14:39,600

one at each side at different heights

282

00:14:45,890 --> 00:14:43,140

both motionless probably fifty two

283

00:14:48,920 --> 00:14:45,900

hundred feet apart as I drove parallel

284

00:14:53,390 --> 00:14:48,930

the lights were not visible from the

285

00:14:57,050 --> 00:14:53,400

side or rear forward-facing only it was

286

00:15:00,310 --> 00:14:57,060

dark approximately 6:40 p.m. January 17

287

00:15:02,890 --> 00:15:00,320

2018 the objects were between the

footage for my dashcam available online

which can be found by searching for UFO

306  
00:15:53,230 --> 00:15:48,430  
over Peterborough January 17th 2018 we

307  
00:15:57,550 --> 00:15:53,240  
all right the next UFO sighting a black

308  
00:16:01,740 --> 00:15:57,560  
triangle sighting in Ridley California a

309  
00:16:04,600 --> 00:16:01,750  
UFO blast from the past July 4th 2012

310  
00:16:08,500 --> 00:16:04,610  
three reddish orange lights in the form

311  
00:16:10,840 --> 00:16:08,510  
of a triangle my family and I along with

312  
00:16:13,150 --> 00:16:10,850  
one friend were sitting in the front

313  
00:16:16,300 --> 00:16:13,160

yard waiting for the fireworks to begin

314

00:16:19,960 --> 00:16:16,310

on the fourth of July then in the corner

315

00:16:23,050 --> 00:16:19,970

of my eye I notice three distinct

316

00:16:26,260 --> 00:16:23,060

reddish orange lights that were

317

00:16:28,920 --> 00:16:26,270

stationary to my left I set up the video

318

00:16:32,470 --> 00:16:28,930

camera and began filming the formation

319

00:16:38,579 --> 00:16:32,480

the lights vanished about 40 seconds

320

00:16:41,560 --> 00:16:38,589

after first appearing see the video okay

321

00:16:46,510 --> 00:16:41,570

then next UFO sighting happened in

322

00:16:55,360 --> 00:16:46,520

Joplin Missouri this occurred on April

323

00:16:59,410 --> 00:16:55,370

10th 2016 3d picture in a cloud the

324

00:17:03,120 --> 00:16:59,420

witness states I am a Christian man 76

325

00:17:05,799 --> 00:17:03,130

years old and live in Joplin Missouri I

326

00:17:08,620 --> 00:17:05,809

watch your YouTube programs regularly

327

00:17:10,809 --> 00:17:08,630

and have a great appreciation for you

328

00:17:13,689 --> 00:17:10,819

and others that bring to light the

329

00:17:17,290 --> 00:17:13,699

things that happen to people who have no

330

00:17:19,569 --> 00:17:17,300

one usually who wants to hear what they

331

00:17:23,770 --> 00:17:19,579

have to say about strange occurrences in

332

00:17:26,530 --> 00:17:23,780

their lives I have had several things

333

00:17:29,590 --> 00:17:26,540

happen that are hard to explain but one

334

00:17:34,150 --> 00:17:29,600

of the strangest happened in April of

335

00:17:36,250 --> 00:17:34,160

2016 as I do fairly often I started out

336

00:17:39,549 --> 00:17:36,260

the back door with a cup of coffee to

337

00:17:42,250 --> 00:17:39,559

enjoy on the patio I observed the sky

338

00:17:42,940 --> 00:17:42,260

that it was fairly overcast with billowy

339

00:17:46,690 --> 00:17:42,950

light

340

00:17:49,330 --> 00:17:46,700

then dark gray clouds and then I saw

341

00:17:53,200 --> 00:17:49,340

something that caught my eye and could

342

00:17:55,620 --> 00:17:53,210

hardly believe what I was seeing there

343

00:18:01,150 --> 00:17:55,630

in the front area of one of the clouds

344

00:18:05,530 --> 00:18:01,160

was in edging which was done in 3d and

345

00:18:08,800 --> 00:18:05,540

not just a drawing the picture remained

346

00:18:12,820 --> 00:18:08,810

on the cloud for another 20 minutes as I

347

00:18:15,310 --> 00:18:12,830

looked at it in amazement there was no

348

00:18:18,070 --> 00:18:15,320

action around the picture as long as I

349

00:18:21,940 --> 00:18:18,080

watched it but after the 20 minutes it

350

00:18:25,450 --> 00:18:21,950

started to slowly go away and the cloud

351  
00:18:28,210 --> 00:18:25,460  
became just another cloud in the sky at

352  
00:18:30,820 --> 00:18:28,220  
this time I didn't have a camera that I

353  
00:18:33,490 --> 00:18:30,830  
could take a picture of the design with

354  
00:18:35,530 --> 00:18:33,500  
so I watched the news fully expecting to

355  
00:18:39,280 --> 00:18:35,540  
see the cloud on the news or in the

356  
00:18:40,720 --> 00:18:39,290  
newspaper but it never showed up I tried

357  
00:18:42,610 --> 00:18:40,730  
to make a rough drawing of the design

358  
00:18:46,480 --> 00:18:42,620  
but I am NOT an artist so my best

359  
00:18:49,600 --> 00:18:46,490  
efforts do it no justice the design was

360  
00:18:53,200 --> 00:18:49,610  
huge and just for a clue the best I

361  
00:18:55,240 --> 00:18:53,210  
could guess it was at least as large as

362  
00:18:58,270 --> 00:18:55,250  
a football field and the design was

363  
00:19:01,750 --> 00:18:58,280

perfectly drawn and it had a nice border

364

00:19:05,410 --> 00:19:01,760

all the way around it it was oval in

365

00:19:08,230 --> 00:19:05,420

shape not square or round has anyone

366

00:19:11,500 --> 00:19:08,240

else ever came to you with anything like

367

00:19:14,170 --> 00:19:11,510

this ever if I could get someone to draw

368

00:19:16,480 --> 00:19:14,180

the design for me I would be glad to

369

00:19:18,760 --> 00:19:16,490

send the drawing but the people I know

370

00:19:21,400 --> 00:19:18,770

who could do the drawing show no

371

00:19:26,080 --> 00:19:21,410

interest in doing it so as of yet I

372

00:19:29,800 --> 00:19:26,090

still only have my rough draft 3d

373

00:19:32,350 --> 00:19:29,810

projections anybody know all right the

374

00:19:33,540 --> 00:19:32,360

next UFO sighting this happened in st.

375

00:19:38,560 --> 00:19:33,550

Louis Missouri

376

00:19:42,040 --> 00:19:38,570

this happened January 19 2018 very

377

00:19:45,250 --> 00:19:42,050

flashy lights with very loud humming

378

00:19:48,340 --> 00:19:45,260

sound the witness states in more detail

379

00:19:50,980 --> 00:19:48,350

I discovered the spaceship three years

380

00:19:54,970 --> 00:19:50,990

ago I then did my own research and

381

00:19:56,799 --> 00:19:54,980

discovered more doing-doing you mean

382

00:20:00,190 --> 00:19:56,809

during the November and

383

00:20:03,489 --> 00:20:00,200

number of 2017 we had rain storms coming

384

00:20:06,159 --> 00:20:03,499

in I like taking pictures of the sky

385

00:20:09,450 --> 00:20:06,169

when things look different I discovered

386

00:20:13,029 --> 00:20:09,460

them coming down in human form mm-hmm

387

00:20:14,919 --> 00:20:13,039

doing doing again during that time I

388

00:20:18,159 --> 00:20:14,929

also realized they knew I was watching

389

00:20:21,310 --> 00:20:18,169

and discovered them round the end of

390

00:20:24,249 --> 00:20:21,320

2017 I realized I had visitors in my

391

00:20:26,799 --> 00:20:24,259

house I was scared at first and couldn't

392

00:20:28,989 --> 00:20:26,809

sleep at night so I started staying at

393

00:20:33,460 --> 00:20:28,999

my daughter's home I noticed they

394

00:20:36,970 --> 00:20:33,470

followed me there on January 20 18 8:30

395

00:20:40,149 --> 00:20:36,980

a.m. I got up to lock the door behind my

396

00:20:42,879 --> 00:20:40,159

daughter and noticed there were two of

397

00:20:46,090 --> 00:20:42,889

them looking at me from the left side of

398

00:20:51,220 --> 00:20:46,100

the wall I never imagined seeing this

399

00:20:53,769 --> 00:20:51,230

kind of beauty discovery in my life they

400

00:20:57,340 --> 00:20:53,779

were very peaceful I have photos and

401  
00:21:03,759 --> 00:20:57,350  
also more details okay all right it was

402  
00:21:06,519 --> 00:21:03,769  
interesting um moving on another UFO

403  
00:21:11,350 --> 00:21:06,529  
sighting in Knoxville Tennessee

404  
00:21:14,499 --> 00:21:11,360  
this occurred January 18 2018 bright non

405  
00:21:15,129 --> 00:21:14,509  
flashing light hovering in sky for a few

406  
00:21:18,639 --> 00:21:15,139  
minutes

407  
00:21:21,820 --> 00:21:18,649  
we passed a house that blocked view then

408  
00:21:24,190 --> 00:21:21,830  
it had vanished in more detail we were

409  
00:21:27,220 --> 00:21:24,200  
driving home it was around 9:15 I

410  
00:21:30,129 --> 00:21:27,230  
stopped in mid conversation for wreaking

411  
00:21:34,090 --> 00:21:30,139  
out because I saw this bright bright

412  
00:21:36,999 --> 00:21:34,100  
light in the sky not moving and it's the

413  
00:21:39,700 --> 00:21:37,009

second time I had seen it but first time

414

00:21:42,159 --> 00:21:39,710

I had seen it with someone my girlfriend

415

00:21:44,499 --> 00:21:42,169

drove to an opening in my neighborhood

416

00:21:46,930 --> 00:21:44,509

we recorded the event we drove past a

417

00:21:49,690 --> 00:21:46,940

house which blocked the view of it then

418

00:21:52,570 --> 00:21:49,700

reversed when we did this it was gone

419

00:21:56,259 --> 00:21:52,580

there was absolutely no trace of

420

00:22:03,190 --> 00:21:56,269

anything everybody follow that okay I

421

00:22:07,299 --> 00:22:03,200

don't know okay moving on to creepy and

422

00:22:10,769 --> 00:22:07,309

strange stories because that's the way I

423

00:22:14,470 --> 00:22:10,779

like to wrap up these UFOs

424

00:22:19,590 --> 00:22:14,480

all right this is a story called

425

00:22:22,299 --> 00:22:19,600

highschool possessions mm-hmm all right

426

00:22:25,659 --> 00:22:22,309

this person is sharing their story

427

00:22:28,680 --> 00:22:25,669

saying my story was it really a back to

428

00:22:31,749 --> 00:22:28,690

school scenario but it happened on my

429

00:22:34,180 --> 00:22:31,759

early days of senior high school year

430

00:22:36,639 --> 00:22:34,190

forgive my English for it is not my

431

00:22:40,350 --> 00:22:36,649

first language I bet you do better than

432

00:22:43,629 --> 00:22:40,360

most after reading these UFO reports

433

00:22:45,909 --> 00:22:43,639

anyways I was fifteen when one of my

434

00:22:50,200 --> 00:22:45,919

scariest paranormal encounters happen

435

00:22:52,180 --> 00:22:50,210

and it happened under three days I lived

436

00:22:55,539 --> 00:22:52,190

in one of the villages of the town of

437

00:22:58,149 --> 00:22:55,549

San Manuel in the Philippines our town

438

00:23:00,310 --> 00:22:58,159

well I would say that most people

439

00:23:03,399 --> 00:23:00,320

believe in the paranormal and I grew up

440

00:23:06,460 --> 00:23:03,409

believing fearing and respecting the

441

00:23:09,399 --> 00:23:06,470

unknown I am not the most religious

442

00:23:13,269 --> 00:23:09,409

person in our village no one knows but

443

00:23:16,810 --> 00:23:13,279

me but I kept my mind open to these

444

00:23:19,119 --> 00:23:16,820

quote things the school I went to as a

445

00:23:21,399 --> 00:23:19,129

high school is located at the central

446

00:23:24,700 --> 00:23:21,409

village of our town and is one of the

447

00:23:27,100 --> 00:23:24,710

oldest schools there rumor has it that

448

00:23:31,359 --> 00:23:27,110

the land where my school was built on

449

00:23:35,680 --> 00:23:31,369

was once a cemetery or a prison ground

450

00:23:37,659 --> 00:23:35,690

during World War two security guards

451  
00:23:40,899 --> 00:23:37,669  
would tell us stories about hearing

452  
00:23:43,989 --> 00:23:40,909  
chain sounds being dragged during their

453  
00:23:46,509 --> 00:23:43,999  
night patrol in the area yes our school

454  
00:23:48,119 --> 00:23:46,519  
has a night shift security guard deal

455  
00:23:51,460 --> 00:23:48,129  
with it

456  
00:23:54,100 --> 00:23:51,470  
sightings of women and white and there

457  
00:23:57,460 --> 00:23:54,110  
is one particular area on our school

458  
00:24:00,399 --> 00:23:57,470  
that they refuse to go check in in the

459  
00:24:03,869 --> 00:24:00,409  
night for a reason they refused to tell

460  
00:24:07,119 --> 00:24:03,879  
us kids and guess where my story begins

461  
00:24:09,879 --> 00:24:07,129  
yep you guessed that right

462  
00:24:13,379 --> 00:24:09,889  
it was our early days of senior life and

463  
00:24:16,509 --> 00:24:13,389

our section was picked to clean an

464

00:24:18,730 --> 00:24:16,519

abandoned classroom one day due to

465

00:24:21,159 --> 00:24:18,740

increasing numbers of students

466

00:24:22,840 --> 00:24:21,169

I didn't mind because that means we

467

00:24:24,570 --> 00:24:22,850

wouldn't have to go to our next two

468

00:24:28,269 --> 00:24:24,580

classes

469

00:24:30,940 --> 00:24:28,279

now this classroom is not connected to

470

00:24:33,130 --> 00:24:30,950

any buildings in our school it was

471

00:24:36,580 --> 00:24:33,140

surrounded by shrubs and two to three

472

00:24:39,389 --> 00:24:36,590

mini balle trees and this is the area

473

00:24:42,490 --> 00:24:39,399

our security guard refuses to check

474

00:24:44,889 --> 00:24:42,500

things went smoothly we started at about

475

00:24:48,519 --> 00:24:44,899

1:00 p.m. and planning to stop at 3 p.m.

476  
00:24:50,500 --> 00:24:48,529  
and continue the task the next day the

477  
00:24:53,190 --> 00:24:50,510  
girls cleaned the inside and us boys

478  
00:24:55,960 --> 00:24:53,200  
cleaned the outer area picking up trash

479  
00:24:58,240 --> 00:24:55,970  
taking away the trash bags any heavy

480  
00:25:01,509 --> 00:24:58,250  
chores the girls would not be able to do

481  
00:25:05,620 --> 00:25:01,519  
as we were closing 3:00 p.m. one of the

482  
00:25:08,409 --> 00:25:05,630  
girls will just call her Cheri collapsed

483  
00:25:11,440 --> 00:25:08,419  
to the ground but only for a brief

484  
00:25:14,680 --> 00:25:11,450  
moment as our teacher and classmates

485  
00:25:17,860 --> 00:25:14,690  
began to surround her she got up

486  
00:25:19,899 --> 00:25:17,870  
immediately needless to say we finished

487  
00:25:22,269 --> 00:25:19,909  
earlier than what was planned

488  
00:25:24,730 --> 00:25:22,279

they gave sherry water and let her cool

489

00:25:27,610 --> 00:25:24,740

down for she claims that she's just

490

00:25:30,870 --> 00:25:27,620

exhausted due to the heat she's not

491

00:25:34,450 --> 00:25:30,880

wrong the heat that afternoon was insane

492

00:25:36,310 --> 00:25:34,460

as everybody rested and prepared to go

493

00:25:40,299 --> 00:25:36,320

to our next class I noticed one of my

494

00:25:42,610 --> 00:25:40,309

classmates will call her Valle she looks

495

00:25:44,289 --> 00:25:42,620

scared for some reason I brushed it off

496

00:25:47,230 --> 00:25:44,299

since we were all exhausted and maybe

497

00:25:49,090 --> 00:25:47,240

dad I just imagined it now Valle was

498

00:25:52,299 --> 00:25:49,100

known in her class as the girl with the

499

00:25:55,570 --> 00:25:52,309

third eye open meaning that she could

500

00:25:58,779 --> 00:25:55,580

see what the naked eye can't a sixth

501  
00:26:00,909 --> 00:25:58,789  
sense she's not creepy though she's on

502  
00:26:04,000 --> 00:26:00,919  
one of the most cheerful girls in our

503  
00:26:06,090 --> 00:26:04,010  
class and everyone likes her moving on

504  
00:26:08,680 --> 00:26:06,100  
we were now on our last period class

505  
00:26:12,580 --> 00:26:08,690  
physics as her professor discussed

506  
00:26:15,370 --> 00:26:12,590  
professor Ben I glanced up the clock

507  
00:26:19,950 --> 00:26:15,380  
quarter to four I mumbled can't this

508  
00:26:23,980 --> 00:26:19,960  
class get over any faster balamb Shari

509  
00:26:28,210 --> 00:26:23,990  
collapsed again we tried to hold her up

510  
00:26:32,669 --> 00:26:28,220  
but this time there is resistance she

511  
00:26:36,310 --> 00:26:32,679  
opened her eyes bloodshot eyes saliva

512  
00:26:37,930 --> 00:26:36,320  
leaking from her mouth she glared on

513  
00:26:41,230 --> 00:26:37,940

each one of

514

00:26:44,200 --> 00:26:41,240

with the most evil look a look that

515

00:26:49,330 --> 00:26:44,210

gives me chills until today filled with

516

00:26:52,690 --> 00:26:49,340

hate and anger she began thrashing the

517

00:26:56,289 --> 00:26:52,700

table screaming gibberish words me and

518

00:26:59,409 --> 00:26:56,299

my friend John - big body boys have to

519

00:27:02,680 --> 00:26:59,419

restrain her as my teacher try to talk

520

00:27:05,529 --> 00:27:02,690

to her and calm her down but she's

521

00:27:08,159 --> 00:27:05,539

strong as heck she's not skinny but

522

00:27:10,539 --> 00:27:08,169

she's also not athletic so the two of us

523

00:27:14,619 --> 00:27:10,549

must not have a hard time dealing with

524

00:27:18,639 --> 00:27:14,629

her she calmed down after what's like

525

00:27:20,560 --> 00:27:18,649

hours but still growling she then

526

00:27:23,850 --> 00:27:20,570

collapsed again after a few minutes she

527

00:27:26,889 --> 00:27:23,860

awoke without any memories of the event

528

00:27:30,039 --> 00:27:26,899

my section started to calm down

529

00:27:32,499 --> 00:27:30,049

- now The Crying girl stopped we were

530

00:27:36,820 --> 00:27:32,509

now feeling safe until another one of my

531

00:27:40,810 --> 00:27:36,830

classmates REM collapsed - and did the

532

00:27:44,019 --> 00:27:40,820

same as sherry did we restrained her but

533

00:27:46,289 --> 00:27:44,029

now professor Ben sent a kid to get the

534

00:27:52,810 --> 00:27:46,299

school pastor for he suspects something

535

00:27:55,450 --> 00:27:52,820

supernatural I think so too - the pastor

536

00:27:57,549 --> 00:27:55,460

came and tried to do an exorcism fear

537

00:28:00,369 --> 00:27:57,559

enveloped me as I held her and I could

538

00:28:02,799 --> 00:28:00,379

see it in my friends eyes - I fell

539

00:28:05,769 --> 00:28:02,809

holding another entity and not my

540

00:28:08,049 --> 00:28:05,779

classmate after a grueling battle of

541

00:28:10,509 --> 00:28:08,059

faith REM calmed down and lost

542

00:28:12,639 --> 00:28:10,519

consciousness and woke up after a brief

543

00:28:15,070 --> 00:28:12,649

moment also no memory on what happened

544

00:28:18,190 --> 00:28:15,080

to her the teachers asked us to go home

545

00:28:20,259 --> 00:28:18,200

now and took Shari and REM home - they

546

00:28:24,580 --> 00:28:20,269

also had a discussion with each other

547

00:28:26,830 --> 00:28:24,590

but did not share the rest with us day

548

00:28:28,509 --> 00:28:26,840

two in the physics class everyone is

549

00:28:30,549 --> 00:28:28,519

edgy but are trying to forget what

550

00:28:33,009 --> 00:28:30,559

happened yesterday class went smoothly

551  
00:28:35,619 --> 00:28:33,019  
as expected surprisingly everyone is

552  
00:28:37,749 --> 00:28:35,629  
present even sharing REM I looked at the

553  
00:28:41,950 --> 00:28:37,759  
time again quarter to four and I glanced

554  
00:28:44,200 --> 00:28:41,960  
at Valley accidentally I froze she was

555  
00:28:46,960 --> 00:28:44,210  
glaring at one of our classmates Aries

556  
00:28:49,600 --> 00:28:46,970  
with the most sinister glare I've ever

557  
00:28:51,290 --> 00:28:49,610  
seen in a human eye the fear that

558  
00:28:54,380 --> 00:28:51,300  
enveloped me the last day

559  
00:28:55,010 --> 00:28:54,390  
came back again then she lunged I swear

560  
00:28:57,500 --> 00:28:55,020  
to God

561  
00:28:59,750 --> 00:28:57,510  
she lunged at him her hands trying to

562  
00:29:01,550 --> 00:28:59,760  
grab him by the neck turns out I'm not

563  
00:29:03,560 --> 00:29:01,560

the only one who noticed her because one

564

00:29:07,100 --> 00:29:03,570

of my classmates grabbed Aires before

565

00:29:09,230 --> 00:29:07,110

she could choke him fear filled our room

566

00:29:10,490 --> 00:29:09,240

again one kid ran out to go get the

567

00:29:12,800 --> 00:29:10,500

pastor immediately

568

00:29:15,080 --> 00:29:12,810

professor ben and my friend was the one

569

00:29:17,750 --> 00:29:15,090

holding her down and she's stronger than

570

00:29:20,570 --> 00:29:17,760

the two the last day she was thrashing

571

00:29:23,030 --> 00:29:20,580

screaming cursing and now trying to

572

00:29:25,190 --> 00:29:23,040

threaten us her hands kept getting free

573

00:29:26,720 --> 00:29:25,200

so I helped professor ben and my friend

574

00:29:29,450 --> 00:29:26,730

to restrain her as we wait for the

575

00:29:31,490 --> 00:29:29,460

pastor the classroom was evacuated we

576

00:29:33,860 --> 00:29:31,500

were the only ones left inside other

577

00:29:35,720 --> 00:29:33,870

kids began crowding the classroom this

578

00:29:39,260 --> 00:29:35,730

spirit is more sinister than the last

579

00:29:41,510 --> 00:29:39,270

one the pastor came began to exorcise

580

00:29:45,170 --> 00:29:41,520

Valley spoke in a deep voice not

581

00:29:48,680 --> 00:29:45,180

belonging to her they killed us now I am

582

00:29:53,300 --> 00:29:48,690

going to kill you I almost let her go

583

00:29:56,840 --> 00:29:53,310

because of those on unholy words spoken

584

00:29:58,820 --> 00:29:56,850

in an unholy voice the pastor commanded

585

00:30:02,240 --> 00:29:58,830

the kid who summoned him to get his holy

586

00:30:04,520 --> 00:30:02,250

water after an hour that felt like hours

587

00:30:06,890 --> 00:30:04,530

she calmed down I let her go part of me

588

00:30:09,590 --> 00:30:06,900

still scared and relieved I went outside

589

00:30:12,410 --> 00:30:09,600

the crowd was already gone due to the

590

00:30:14,270 --> 00:30:12,420

interference of other teachers check my

591

00:30:16,460 --> 00:30:14,280

phone the video I tried to take what

592

00:30:19,190 --> 00:30:16,470

Professor Ben and my friend were holding

593

00:30:21,530 --> 00:30:19,200

her down and saw something a black

594

00:30:24,440 --> 00:30:21,540

figure the shape of a woman passed

595

00:30:27,400 --> 00:30:24,450

behind them slowly then Valley began to

596

00:30:31,550 --> 00:30:27,410

act out again thrashing and cursing I

597

00:30:33,680 --> 00:30:31,560

deleted the video the pet hello I'd like

598

00:30:36,080 --> 00:30:33,690

to deposit this to checking fate is a

599

00:30:38,450 --> 00:30:36,090

fickle mess tonight the future is

600

00:30:42,410 --> 00:30:38,460

uncertain okay and what's my account

601  
00:30:47,930 --> 00:30:42,420  
balance the horizon is cloudy I see a

602  
00:30:50,720 --> 00:30:47,940  
long with I just slip or something a

603  
00:30:52,430 --> 00:30:50,730  
fortune bank teller surprising what's

604  
00:30:55,190 --> 00:30:52,440  
not surprising how much you could save

605  
00:30:58,460 --> 00:30:55,200  
by switching to Geico I see a yellow

606  
00:31:00,350 --> 00:30:58,470  
eyed serpent and a low BP our Geico 15

607  
00:31:03,770 --> 00:31:00,360  
minutes could save you 15% or more

608  
00:31:05,360 --> 00:31:03,780  
mister and professor been forcibly took

609  
00:31:08,180 --> 00:31:05,370  
Valley to the church

610  
00:31:10,070 --> 00:31:08,190  
for a priest to exorcise the spirit

611  
00:31:13,760 --> 00:31:10,080  
according to the pastor because it was

612  
00:31:16,160 --> 00:31:13,770  
just too powerful for him day 3 the

613  
00:31:19,310 --> 00:31:16,170

priest asked to bless the whole

614

00:31:22,310 --> 00:31:19,320

classroom everyone on the class prayed

615

00:31:26,330 --> 00:31:22,320

and prayed vali was there too sherry and

616

00:31:28,130 --> 00:31:26,340

REM everyone was just silent when the

617

00:31:29,180 --> 00:31:28,140

priest was to give the final blessing

618

00:31:31,970 --> 00:31:29,190

and pour some holy water

619

00:31:35,450 --> 00:31:31,980

vali interrupted him and asked if she

620

00:31:37,430 --> 00:31:35,460

can pour it she poured the bottle on two

621

00:31:39,950 --> 00:31:37,440

different places in the last place she

622

00:31:42,470 --> 00:31:39,960

had to bring her arm up as if she was

623

00:31:44,900 --> 00:31:42,480

pouring it on a much taller entity than

624

00:31:46,970 --> 00:31:44,910

her after the whole thing settled and

625

00:31:50,330 --> 00:31:46,980

back to normal me and my friend Kenji

626  
00:31:52,190 --> 00:31:50,340  
and John asked her what she saw the day

627  
00:31:54,680 --> 00:31:52,200  
when we were cleaning the bend on

628  
00:31:57,230 --> 00:31:54,690  
classroom she just said that there were

629  
00:31:59,570 --> 00:31:57,240  
two women in there an old lady and a

630  
00:32:01,220 --> 00:31:59,580  
child and they both touched sherry

631  
00:32:03,290 --> 00:32:01,230  
before she collapsed to the ground the

632  
00:32:05,990 --> 00:32:03,300  
old woman is the stronger and angrier

633  
00:32:08,060 --> 00:32:06,000  
one we asked her if she could still see

634  
00:32:10,090 --> 00:32:08,070  
them she did not answer I don't believe

635  
00:32:14,150 --> 00:32:10,100  
that the three girls made it all up

636  
00:32:16,790 --> 00:32:14,160
