
 UFO Headline News | Tuesday January 23rd, 2018

 Listen on  
[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:07,010 --> 00:00:03,889  
welcome welcome to UFO have my news with

2  
00:00:09,230 --> 00:00:07,020  
me Heidi Hollis where everyday I aim to

3  
00:00:14,230 --> 00:00:09,240  
bring you the latest beautiful reports

4  
00:00:20,200 --> 00:00:14,240  
and around the globe

5  
00:00:23,450 --> 00:00:20,210  
today is Tuesday January 23rd 2018 and

6  
00:00:25,910 --> 00:00:23,460  
on Fridays at 8 p.m. Central Standard

7  
00:00:28,910 --> 00:00:25,920  
Time join me on my talk show

8  
00:00:31,089 --> 00:00:28,920  
the Outlander where I answer your emails

9  
00:00:35,120 --> 00:00:31,099  
take your calls and interview some

10  
00:00:38,299 --> 00:00:35,130  
extremely intriguing guests just go to I

11  
00:00:41,619 --> 00:00:38,309  
are in chat comm to chat interact and

12  
00:00:46,040 --> 00:00:41,629  
listen live to the Outlander show

13  
00:00:49,729 --> 00:00:46,050

blasting off with some highly cool UFO

14

00:00:53,510 --> 00:00:49,739

reports the first one is a UFO sighting

15

00:00:59,090 --> 00:00:53,520

in Michigan this is a blast from the UFO

16

00:01:01,160 --> 00:00:59,100

past this occurred July 14 1980 in brief

17

00:01:04,369 --> 00:01:01,170

the witness states we were driving on

18

00:01:07,550 --> 00:01:04,379

motorway when this thing came up

19

00:01:11,480 --> 00:01:07,560

alongside of us and buzzed us for at

20

00:01:13,850 --> 00:01:11,490

least three minutes this was real I

21

00:01:16,460 --> 00:01:13,860

always dig reading these totally

22

00:01:20,690 --> 00:01:16,470

unedited reports because their choice of

23

00:01:25,190 --> 00:01:20,700

words or lack thereof of words I just

24

00:01:28,399 --> 00:01:25,200

throw it in there okay okay now they're

25

00:01:31,190 --> 00:01:28,409

saying it was in 1978 I was driving my

26  
00:01:36,370 --> 00:01:31,200  
lorry with my brother-in-law along the

27  
00:01:39,260 --> 00:01:36,380  
m6 motorway in the UK okay this is like

28  
00:01:42,440 --> 00:01:39,270  
something is like totally not put

29  
00:01:45,679 --> 00:01:42,450  
together properly here but it's okay I

30  
00:01:47,929 --> 00:01:45,689  
think something is goofy okay

31  
00:01:50,569 --> 00:01:47,939  
it was approximately 7:00 p.m. in the

32  
00:01:53,899 --> 00:01:50,579  
summer nice sunny evening our windows

33  
00:01:55,160 --> 00:01:53,909  
were down and traveling at 70 miles per

34  
00:01:58,580 --> 00:01:55,170  
hour

35  
00:02:01,370 --> 00:01:58,590  
I caught something in the corner of my

36  
00:02:03,590 --> 00:02:01,380  
left eye something flickering through

37  
00:02:06,800 --> 00:02:03,600  
the trees approximately 10 feet off the

38  
00:02:10,219 --> 00:02:06,810

ground it then came right across the

39

00:02:13,260 --> 00:02:10,229

front of us it was about 20 to 30 feet

40

00:02:16,860 --> 00:02:13,270

in the air it was white

41

00:02:20,430 --> 00:02:16,870

and red in color took up the three lanes

42

00:02:25,250 --> 00:02:20,440

of the motorway there were no windows no

43

00:02:29,240 --> 00:02:25,260

doors no wings and no sound at all

44

00:02:31,500 --> 00:02:29,250

me and my brother-in-law were speechless

45

00:02:35,220 --> 00:02:31,510

it stayed in front of us for

46

00:02:38,340 --> 00:02:35,230

approximately 45 seconds it then went

47

00:02:42,150 --> 00:02:38,350

across the motorway and disappeared for

48

00:02:44,070 --> 00:02:42,160

about 20 seconds it then raised up and

49

00:02:48,090 --> 00:02:44,080

came back again in front of us

50

00:02:52,590 --> 00:02:48,100

same height it stayed in front of us for

51  
00:02:57,660 --> 00:02:52,600  
about 30 seconds then took off at such a

52  
00:03:01,080 --> 00:02:57,670  
speed heading north at 95 degrees it was

53  
00:03:03,510 --> 00:03:01,090  
out of sight in just under three seconds

54  
00:03:06,810 --> 00:03:03,520  
all this time we were driving at 70

55  
00:03:12,570 --> 00:03:06,820  
miles per hour and not once did we cross

56  
00:03:14,220 --> 00:03:12,580  
a road marking or lose speed I hope

57  
00:03:17,040 --> 00:03:14,230  
someone takes me seriously because I've

58  
00:03:19,920 --> 00:03:17,050  
never spoke to anyone except my family

59  
00:03:20,780 --> 00:03:19,930  
and friends mmm take you serious that's

60  
00:03:24,360 --> 00:03:20,790  
pretty fascinating

61  
00:03:28,860 --> 00:03:24,370  
the next UFO sighting this happened in

62  
00:03:31,940 --> 00:03:28,870  
Derby England this is another UFO blast

63  
00:03:36,180 --> 00:03:31,950

from the past this occurred May 31st

64

00:03:39,150 --> 00:03:36,190

1985 in brief the witness states a

65

00:03:41,970 --> 00:03:39,160

cigar-shaped craft hovering for 10

66

00:03:45,090 --> 00:03:41,980

minutes then vanishing into the clouds

67

00:03:48,170 --> 00:03:45,100

I was 15 years old walking home when I

68

00:03:55,880 --> 00:03:52,069

as I looked up I saw a cigar-shaped

69

00:03:59,990 --> 00:03:55,890

object in the sky I couldn't say exactly

70

00:04:02,720 --> 00:04:00,000

how long it was or how far far away but

71

00:04:07,190 --> 00:04:02,730

it was hovering for about 10 minutes

72

00:04:10,670 --> 00:04:07,200

then suddenly vanished up into the

73

00:04:14,629 --> 00:04:10,680

clouds very fast I told a few friends

74

00:04:19,699 --> 00:04:14,639

about it but after some years I began to

75

00:04:22,760 --> 00:04:19,709

think I imagined it until I saw your TV

76  
00:04:25,610 --> 00:04:22,770  
show and feel now it is time to report

77  
00:04:27,320 --> 00:04:25,620  
it there's a TV show I don't know ok

78  
00:04:30,770 --> 00:04:27,330  
anyways

79  
00:04:31,430 --> 00:04:30,780  
ooh-wee oh we've got some more UFO blast

80  
00:04:33,830 --> 00:04:31,440  
from the past

81  
00:04:36,310 --> 00:04:33,840  
I like those are always fascinating

82  
00:04:39,320 --> 00:04:36,320  
they're always so deep people that just

83  
00:04:40,040 --> 00:04:39,330  
simmered on it for years and just oh I

84  
00:04:43,670 --> 00:04:40,050  
just love it

85  
00:04:45,100 --> 00:04:43,680  
ok this occurred in Monterey County

86  
00:04:51,770 --> 00:04:45,110  
California

87  
00:04:55,219 --> 00:04:51,780  
April 15th 1966 in brief the witness

88  
00:04:58,580 --> 00:04:55,229

states army platoon saw unidentified

89

00:05:03,110 --> 00:04:58,590

aircraft takeoff from hillside across

90

00:05:06,890 --> 00:05:03,120

Canyon from army base craft went off

91

00:05:10,219 --> 00:05:06,900

over Pacific Ocean change direction

92

00:05:11,779 --> 00:05:10,229

several times and disappeared over water

93

00:05:13,550 --> 00:05:11,789

see I told you they're always really

94

00:05:17,510 --> 00:05:13,560

cool that was just a brief description

95

00:05:20,980 --> 00:05:17,520

in more detail I was a member of an

96

00:05:25,999 --> 00:05:20,990

infantry training platoon at Fort Ord

97

00:05:28,670 --> 00:05:26,009

California in April 1966 we were on a

98

00:05:31,730 --> 00:05:28,680

night land navigation exercise on a

99

00:05:34,939 --> 00:05:31,740

hillside on Fort Ord federal lands and

100

00:05:38,270 --> 00:05:34,949

to the south below us was the road going

101  
00:05:40,520 --> 00:05:38,280  
east over to Salinas and across the

102  
00:05:44,270 --> 00:05:40,530  
canyon was an adjacent mountainside that

103  
00:05:47,990 --> 00:05:44,280  
was at that time I think civilian public

104  
00:05:52,610 --> 00:05:48,000  
lands it was between 7 or 8 p.m. when

105  
00:05:55,879 --> 00:05:52,620  
without warning a huge brightly lit

106  
00:05:58,909 --> 00:05:55,889  
aerial craft took off from the adjacent

107  
00:06:01,640 --> 00:05:58,919  
deserted mountainside and startled

108  
00:06:04,610 --> 00:06:01,650  
everyone in my platoon

109  
00:06:06,830 --> 00:06:04,620  
who were witnessing this event the

110  
00:06:11,090 --> 00:06:06,840  
distance across a canyon to the craft

111  
00:06:13,939 --> 00:06:11,100  
take it off was at least one mile but

112  
00:06:17,990 --> 00:06:13,949  
whatever was taking place was clear and

113  
00:06:20,499 --> 00:06:18,000

obvious and visible to everyone who was

114

00:06:22,999 --> 00:06:20,509

looking over in that direction

115

00:06:25,969 --> 00:06:23,009

everyone's seeing this event commented

116

00:06:31,330 --> 00:06:25,979

at the time that whatever this event was

117

00:06:33,950 --> 00:06:31,340

it was extraordinary and unexplainable

118

00:06:36,860 --> 00:06:33,960

at the time the adjacent mountainside

119

00:06:40,430 --> 00:06:36,870

had been dark but when the aircraft took

120

00:06:42,620 --> 00:06:40,440

off it was accompanied with a great deal

121

00:06:46,100 --> 00:06:42,630

of light and there was some kind of loud

122

00:06:48,290 --> 00:06:46,110

roaring noise the aircraft which was

123

00:06:52,550 --> 00:06:48,300

brightly lit and had no identifiable

124

00:06:55,580 --> 00:06:52,560

shape headed out in a straight path over

125

00:06:59,510 --> 00:06:55,590

the Monterey Peninsula it went out over

126  
00:07:02,330 --> 00:06:59,520  
Monterey Bay and then the distant ocean

127  
00:07:05,089 --> 00:07:02,340  
it seemed to change direction a couple

128  
00:07:08,930 --> 00:07:05,099  
of times as if it were piloted and

129  
00:07:11,930 --> 00:07:08,940  
eventually disappeared out over the

130  
00:07:13,879 --> 00:07:11,940  
water some distance from the land but it

131  
00:07:16,159 --> 00:07:13,889  
took a long time and there were some

132  
00:07:18,909 --> 00:07:16,169  
other aircraft lights on at the time in

133  
00:07:22,189 --> 00:07:18,919  
proximity to the craft we were watching

134  
00:07:26,270 --> 00:07:22,199  
everyone in the platoon stood for at

135  
00:07:30,140 --> 00:07:26,280  
least 10 to 15 minutes watching this

136  
00:07:33,950 --> 00:07:30,150  
event and we all agreed we had all

137  
00:07:37,279 --> 00:07:33,960  
witnessed as stated before something

138  
00:07:39,710 --> 00:07:37,289

unexplainable I can say with some

139

00:07:42,770 --> 00:07:39,720

certainty that this aircraft seemed to

140

00:07:45,560 --> 00:07:42,780

be piloted as opposed to being some kind

141

00:07:49,610 --> 00:07:45,570

of missile and it took off from public

142

00:07:51,830 --> 00:07:49,620

lands and not the army base so it does

143

00:07:54,860 --> 00:07:51,840

not seem likely that this was any type

144

00:07:58,310 --> 00:07:54,870

of military aircraft I'm reporting this

145

00:08:01,219 --> 00:07:58,320

now some fifty years later with the idea

146

00:08:03,589 --> 00:08:01,229

that this event might be archived with

147

00:08:06,379 --> 00:08:03,599

any other unexplained events in the Fort

148

00:08:10,100 --> 00:08:06,389

Ord and Monterey Bay area during that

149

00:08:14,860 --> 00:08:10,110

time my army training unit was first

150

00:08:17,800 --> 00:08:14,870

Platoon h h c ii BN ii b de

151

00:08:24,400 --> 00:08:17,810

advanced infantry training Fort Ord

152

00:08:26,140 --> 00:08:24,410

California March to May 1966 so if

153

00:08:29,560 --> 00:08:26,150

anybody has experienced something that

154

00:08:33,360 --> 00:08:29,570

could relate to this person's report I'd

155

00:08:35,800 --> 00:08:33,370

say hey you found a friend okay

156

00:08:38,770 --> 00:08:35,810

moving forward the next year for

157

00:08:43,570 --> 00:08:38,780

sighting this occurred in Matawan

158

00:08:47,280 --> 00:08:43,580

Michigan January 19th 2018 witnessed a

159

00:08:50,350 --> 00:08:47,290

red tennis ball-sized object flashing

160

00:08:53,830 --> 00:08:50,360

predominantly red with silver flashes

161

00:09:00,340 --> 00:08:53,840

coming from the center hovering at about

162

00:09:03,640 --> 00:09:00,350

four feet off the ground witness with my

163

00:09:06,100 --> 00:09:03,650

grandson of nine a red and silver tennis

164

00:09:09,640 --> 00:09:06,110

ball sized object hovering near our

165

00:09:11,410 --> 00:09:09,650

driveway marker around 8:00 p.m. we

166

00:09:12,850 --> 00:09:11,420

opened the front door and watched it for

167

00:09:17,410 --> 00:09:12,860

approximately one minute

168

00:09:20,680 --> 00:09:17,420

when the object instantaneously moved

169

00:09:24,130 --> 00:09:20,690

across the driveway and appeared by our

170

00:09:27,010 --> 00:09:24,140

mailbox I asked my grandson to watch

171

00:09:30,580 --> 00:09:27,020

while I put a coat and some boots on to

172

00:09:33,600 --> 00:09:30,590

go investigate closer I wasn't gone 30

173

00:09:36,610 --> 00:09:33,610

seconds and my grandson indicated it

174

00:09:40,030 --> 00:09:36,620

disappeared but he thought it may have

175

00:09:41,380 --> 00:09:40,040

gone west down the street I exited the

176

00:09:45,940 --> 00:09:41,390

house and walked to the end of the

177

00:09:48,420 --> 00:09:45,950

driveway and could see the objects two

178

00:09:50,710 --> 00:09:48,430

houses down by the neighbors mailbox I

179

00:09:52,480 --> 00:09:50,720

approached and when I got to our

180

00:09:56,740 --> 00:09:52,490

next-door neighbor's driveway

181

00:10:01,390 --> 00:09:56,750

I yelled what are you doing the object

182

00:10:03,670 --> 00:10:01,400

flashed rapidly and disappeared only to

183

00:10:06,880 --> 00:10:03,680

see it close to a tree about a hundred

184

00:10:10,510 --> 00:10:06,890

feet away and a driveway that leads into

185

00:10:13,900 --> 00:10:10,520

a wooded lot then it was gone

186

00:10:16,900 --> 00:10:13,910

the object never got more than three to

187

00:10:18,640 --> 00:10:16,910

four feet off the ground I retrieved a

188

00:10:20,830 --> 00:10:18,650

strong flashlight and tried to find

189

00:10:24,550 --> 00:10:20,840

evidence in the snow but was

190

00:10:26,710 --> 00:10:24,560

unsuccessful my regret is I wasn't able

191

00:10:28,140 --> 00:10:26,720

to get any video or pictures how does

192

00:10:33,480 --> 00:10:28,150

this happen

193

00:10:35,460 --> 00:10:33,490

toilet with their phone but they just

194

00:10:36,900 --> 00:10:35,470

never seem to have it right when they

195

00:10:39,780 --> 00:10:36,910

have these up close and personal

196

00:10:41,250 --> 00:10:39,790

encounters and maybe that's why they

197

00:10:43,500 --> 00:10:41,260

have these up close and personal

198

00:10:46,400 --> 00:10:43,510

encounters because the thing knows you

199

00:10:53,040 --> 00:10:46,410

don't have your freaking phone on you

200

00:10:55,040 --> 00:10:53,050

about that verse but how how bold to get

201  
00:10:58,200 --> 00:10:55,050  
on out there and go to confront that

202  
00:11:02,550 --> 00:10:58,210  
kudos kudos all right the next UFO

203  
00:11:05,550 --> 00:11:02,560  
sighting happened in Davie West Virginia

204  
00:11:08,900 --> 00:11:05,560  
Wow we got some more UFO blast from the

205  
00:11:13,100 --> 00:11:08,910  
past this occurred September 1st 1982

206  
00:11:17,460 --> 00:11:13,110  
bright light and time distortion

207  
00:11:19,710 --> 00:11:17,470  
multiple witnesses in more detail an

208  
00:11:22,710 --> 00:11:19,720  
event from my childhood has stayed with

209  
00:11:25,500 --> 00:11:22,720  
me my whole life I have tried to

210  
00:11:26,190 --> 00:11:25,510  
understand what happened to me for many

211  
00:11:29,850 --> 00:11:26,200  
years

212  
00:11:33,900 --> 00:11:29,860  
it happened approximately in September

213  
00:11:36,750 --> 00:11:33,910

of 1982 it was after dark approximately

214

00:11:39,090 --> 00:11:36,760

around 9:00 to 10:00 p.m. my mother my

215

00:11:41,720 --> 00:11:39,100

aunt two cousins and myself we're in the

216

00:11:45,300 --> 00:11:41,730

living room when a very bright light

217

00:11:47,700 --> 00:11:45,310

hovered outside the picture window we

218

00:11:51,170 --> 00:11:47,710

all remember the light getting brighter

219

00:11:55,040 --> 00:11:51,180

and enveloping the entire room I

220

00:11:59,840 --> 00:11:55,050

remember it as if time itself stopped

221

00:12:01,970 --> 00:11:59,850

like time itself started slowing down

222

00:12:04,590 --> 00:12:01,980

during the encounter

223

00:12:08,220 --> 00:12:04,600

we lived on top of a mountain in a

224

00:12:11,190 --> 00:12:08,230

rather secluded area all of us remember

225

00:12:16,050 --> 00:12:11,200

this experience but have no memory of

226

00:12:18,810 --> 00:12:16,060

what happened after abduction okay all

227

00:12:21,540 --> 00:12:18,820

of us have no memory of what happened

228

00:12:24,870 --> 00:12:21,550

after just waking up the next morning

229

00:12:27,060 --> 00:12:24,880

mmm that's an abduction I have always

230

00:12:31,170 --> 00:12:27,070

remembered this and other experiences in

231

00:12:33,300 --> 00:12:31,180

my childhood more abductions I started

232

00:12:36,930 --> 00:12:33,310

having night terrors in my childhood

233

00:12:42,150 --> 00:12:36,940

that has followed me into my adult life

234

00:12:44,879 --> 00:12:42,160

Oh having difficulty sleeping for fear

235

00:12:49,259 --> 00:12:44,889

of something coming in my bedroom taking

236

00:12:52,110 --> 00:12:49,269

me hmm I remember experiences where I

237

00:12:56,400 --> 00:12:52,120

would wake up screaming seeing a

238

00:12:58,079 --> 00:12:56,410

four-foot gray alien in my bedroom also

239

00:13:01,079 --> 00:12:58,089

of note while my mother was pregnant

240

00:13:04,769 --> 00:13:01,089

with me she and my father and

241

00:13:08,850 --> 00:13:04,779

grandmother remember being on a secluded

242

00:13:12,509 --> 00:13:08,860

Road and seeing a UFO hover above the

243

00:13:15,869 --> 00:13:12,519

car with a bright light shining on to

244

00:13:17,699 --> 00:13:15,879

the car this happened at night they

245

00:13:20,460 --> 00:13:17,709

talked about this encounter for many

246

00:13:23,879 --> 00:13:20,470

years I would love to get hypnotized

247

00:13:26,179 --> 00:13:23,889

when finances allow I will update this

248

00:13:29,519 --> 00:13:26,189

report with the outcome of hypnotherapy

249

00:13:33,210 --> 00:13:29,529

whenever I am able to do so Wow

250

00:13:36,900 --> 00:13:33,220

and as yeah it sounds like you've got

251  
00:13:39,449 --> 00:13:36,910  
some things to uncover then next year

252  
00:13:43,889 --> 00:13:39,459  
full sighting black triangle sighting in

253  
00:13:48,420 --> 00:13:43,899  
Port Saint Lucie Florida in January 19

254  
00:13:53,550 --> 00:13:48,430  
2018 red flashing lights huge craft no

255  
00:13:56,069 --> 00:13:53,560  
sound over Port st. Lucie in more detail

256  
00:13:58,170 --> 00:13:56,079  
I went out to watch the rocket launch

257  
00:14:00,509 --> 00:13:58,180  
tonight and about four minutes before

258  
00:14:05,999 --> 00:14:00,519  
the launch I look to the west-northwest

259  
00:14:09,509 --> 00:14:06,009  
and there in the sky were three flashing

260  
00:14:14,100 --> 00:14:09,519  
red lights on this massive silent wing

261  
00:14:17,519 --> 00:14:14,110  
shaped craft it flipped over like a

262  
00:14:20,790 --> 00:14:17,529  
pancake and kept moving slowly wow

263  
00:14:25,199 --> 00:14:20,800

that's cool I was with my folks and we

264

00:14:27,749 --> 00:14:25,209

all saw it with our jaws on the floor we

265

00:14:30,269 --> 00:14:27,759

all tried to get a picture but none of

266

00:14:34,259 --> 00:14:30,279

them turned out come on now come on now

267

00:14:35,610 --> 00:14:34,269

what just grainy black photos which

268

00:14:37,799 --> 00:14:35,620

totally sucks

269

00:14:40,379 --> 00:14:37,809

you know these things know know how to

270

00:14:42,809 --> 00:14:40,389

hit it right the red flashing lights

271

00:14:44,569 --> 00:14:42,819

definitely did not look like normal

272

00:14:49,350 --> 00:14:44,579

lights you would see on any aircraft

273

00:14:52,590 --> 00:14:49,360

they had a strange hue to them very

274

00:14:54,009 --> 00:14:52,600

pinpoint accuracy the stunner was

275

00:14:57,069 --> 00:14:54,019

watching it tilt

276

00:15:00,609 --> 00:14:57,079

on its side and then roll over to the

277

00:15:02,949 --> 00:15:00,619

other side what progressive presents get

278

00:15:05,499 --> 00:15:02,959

pugs inspiration to help you do

279

00:15:07,329 --> 00:15:05,509

insurance stuff okay time out

280

00:15:09,340 --> 00:15:07,339

you gotta let your budget be the boss of

281

00:15:11,229 --> 00:15:09,350

you take control with progressives name

282

00:15:12,970 --> 00:15:11,239

your price tool tell us what you want to

283

00:15:14,919 --> 00:15:12,980

pay for car insurance and we'll help you

284

00:15:16,989 --> 00:15:14,929

find options that fit your budget here's

285

00:15:18,460 --> 00:15:16,999

the music to get you pumped don't you

286

00:15:21,429 --> 00:15:18,470

don't you don't you don't gain gain I

287

00:15:23,379 --> 00:15:21,439

hear your budget laughing at you oh wait

288

00:15:24,850 --> 00:15:23,389

that's just those kids laughing at me

289

00:15:26,199 --> 00:15:24,860

ignore them

290

00:15:27,549 --> 00:15:26,209

get out there aggressive casualty

291

00:15:29,530 --> 00:15:27,559

insurance company in affiliates pricing

292

00:15:32,439 --> 00:15:29,540

coverage limited by state law oh it was

293

00:15:37,150 --> 00:15:32,449

silently drifted to the Southwest

294

00:15:40,090 --> 00:15:37,160

direction someone else had to have seen

295

00:15:42,519 --> 00:15:40,100

this thing you can't miss it on a night

296

00:15:44,619 --> 00:15:42,529

like tonight when there are very few

297

00:15:48,429 --> 00:15:44,629

clouds and could clearly see the stars

298

00:15:51,039 --> 00:15:48,439

as well as other planes we all thought

299

00:15:55,539 --> 00:15:51,049

the lights were very very strange no

300

00:15:57,579 --> 00:15:55,549

sound huge and triangle wing shaped not

301

00:16:01,030 --> 00:15:57,589

that high up in the sky flew over the

302

00:16:04,109 --> 00:16:01,040

homes that back up to a golf course it

303

00:16:10,319 --> 00:16:04,119

was on the golf course side of the homes

304

00:16:12,569 --> 00:16:10,329

time 7:43 p.m. location ports point st.

305

00:16:14,739 --> 00:16:12,579

Lucie ok

306

00:16:16,480 --> 00:16:14,749

hope someone they'll saw it too they

307

00:16:21,100 --> 00:16:16,490

ended ok alright alright moving on

308

00:16:24,069 --> 00:16:21,110

moving on ok here we go this is a big

309

00:16:26,460 --> 00:16:24,079

one oh my okay alright we're gonna do

310

00:16:29,049 --> 00:16:26,470

this we're gonna do this right okay

311

00:16:32,639 --> 00:16:29,059

maybe we'll do the smaller one okay

312

00:16:37,720 --> 00:16:32,649

UFO sighting in San Francisco California

313

00:16:42,569 --> 00:16:37,730

December 28th 2017 I stepped out with my

314

00:16:45,759 --> 00:16:42,579

SP camera saw more crafts took pictures

315

00:16:48,519 --> 00:16:45,769

every morning at daybreak about 6:30 ish

316

00:16:53,829 --> 00:16:48,529

I leave my apartment I looked up and saw

317

00:16:56,460 --> 00:16:53,839

a big huge face staring at me well it

318

00:16:59,199 --> 00:16:56,470

felt that way but in all honesty I think

319

00:17:01,780 --> 00:16:59,209

they were interested in city hall

320

00:17:04,210 --> 00:17:01,790

government building they hover over

321

00:17:06,730 --> 00:17:04,220

government buildings and make evil faces

322

00:17:07,929 --> 00:17:06,740

what are we talking about here they have

323

00:17:10,629 --> 00:17:07,939

destroyed government

324

00:17:13,240 --> 00:17:10,639

buildings in antiquity there are

325

00:17:16,329 --> 00:17:13,250

religious pictures depicting this they

326

00:17:20,980 --> 00:17:16,339

are not all dis shape they come in a few

327

00:17:22,869 --> 00:17:20,990

different forms boxy multigraph strange

328

00:17:25,480 --> 00:17:22,879

way to explain this but it is all true

329

00:17:28,990 --> 00:17:25,490

ever since I started writing about my

330

00:17:30,759 --> 00:17:29,000

home city ok ok I think we're just going

331

00:17:32,980 --> 00:17:30,769

to skip that let's just sound it a

332

00:17:35,049 --> 00:17:32,990

little wacky mm-hmm

333

00:17:36,820 --> 00:17:35,059

yeah I don't know just just just a

334

00:17:41,440 --> 00:17:36,830

feeling just a feeling

335

00:17:44,080 --> 00:17:41,450

okay this next one your faux sighting in

336

00:17:50,110 --> 00:17:44,090

Brownsville California this occurred

337

00:17:54,610 --> 00:17:50,120

January 1st 2017 rectangular mirror like

338

00:17:59,249 --> 00:17:54,620

dark blue square panels underneath the

339

00:18:02,230 --> 00:17:59,259

lights ramp entities abduction willing

340

00:18:03,879 --> 00:18:02,240

telepathic communication returned less

341

00:18:06,669 --> 00:18:03,889

than one hour okay that was the brief

342

00:18:07,960 --> 00:18:06,679

description a lot of abductions here

343

00:18:11,019 --> 00:18:07,970

lately tonight huh

344

00:18:13,419 --> 00:18:11,029

all right in more detail the witness

345

00:18:18,070 --> 00:18:13,429

states this event followed case number

346

00:18:20,919 --> 00:18:18,080

eight nine six zero for exactly 12 hours

347

00:18:24,930 --> 00:18:20,929

later on December 31st

348

00:18:28,169 --> 00:18:24,940

7:00 p.m. witness saw side-by-side

349

00:18:31,740 --> 00:18:28,179

Square lights of indeterminate distance

350

00:18:35,350 --> 00:18:31,750

straight overhead they flare twice

351  
00:18:38,590 --> 00:18:35,360  
slowly with a pure white brilliance that

352  
00:18:42,460 --> 00:18:38,600  
lit up the whole yard then vanished with

353  
00:18:47,169 --> 00:18:42,470  
the object stationary and silent at 7:00

354  
00:18:49,889 --> 00:18:47,179  
a.m. January 1st 2018 witness emerged

355  
00:18:53,919 --> 00:18:49,899  
from physical body passed through wall a

356  
00:18:57,249 --> 00:18:53,929  
bedroom and went Northwest about 200

357  
00:19:00,879 --> 00:18:57,259  
feet then turned and faced southeast at

358  
00:19:05,009 --> 00:19:00,889  
that point witness observed deep solid

359  
00:19:09,039 --> 00:19:05,019  
blue craft of strongly rectangular shape

360  
00:19:12,970 --> 00:19:09,049  
corners slightly rounded descend from 45

361  
00:19:15,369 --> 00:19:12,980  
degrees above mobile home it descended

362  
00:19:18,310 --> 00:19:15,379  
smoothly and quietly to stop and hover

363  
00:19:21,280 --> 00:19:18,320

quite motionless about ten feet above

364

00:19:24,280 --> 00:19:21,290

ground directly behind witnesses bedroom

365

00:19:26,850 --> 00:19:24,290

an opening appeared in bottom of craft

366

00:19:31,120 --> 00:19:26,860

and the ramp was lowered to ground

367

00:19:33,820 --> 00:19:31,130

witness observed twin panels set into

368

00:19:35,410 --> 00:19:33,830

bottom of craft which could be possible

369

00:19:39,460 --> 00:19:35,420

sources of the lights observed on

370

00:19:42,070 --> 00:19:39,470

December 31st three men in uniforms

371

00:19:44,950 --> 00:19:42,080

descended the ramp and came to the

372

00:19:47,950 --> 00:19:44,960

ground each wore a different color

373

00:19:50,530 --> 00:19:47,960

uniform there was a person whom I

374

00:19:52,810 --> 00:19:50,540

thought might be a mechanic because his

375

00:19:56,490 --> 00:19:52,820

white uniform was fitted with pockets

376

00:19:59,830 --> 00:19:56,500

and loops all over which could be from

377

00:20:03,280 --> 00:19:59,840

numerous tools apparatus or unfamiliar

378

00:20:06,340 --> 00:20:03,290

design another man wore red and the man

379

00:20:09,510 --> 00:20:06,350

that I thought might be the leader were

380

00:20:12,940 --> 00:20:09,520

a uniform of the same blue as his craft

381

00:20:15,730 --> 00:20:12,950

if there were emblems or insignia

382

00:20:18,670 --> 00:20:15,740

I didn't notice them for once I

383

00:20:22,090 --> 00:20:18,680

approached to within several feet of the

384

00:20:25,000 --> 00:20:22,100

men my eyes were captured by those in

385

00:20:28,000 --> 00:20:25,010

the men and the blue and I remained

386

00:20:31,000 --> 00:20:28,010

directly under his mental control for

387

00:20:35,980 --> 00:20:31,010

the remainder of the experience all

388

00:20:39,130 --> 00:20:35,990

three men had golden hair worn somewhat

389

00:20:42,490 --> 00:20:39,140

short but not severe the leaders hair

390

00:20:45,610 --> 00:20:42,500

was very curly his eyes were a sort of

391

00:20:49,780 --> 00:20:45,620

purple violet and the pupils were not

392

00:20:52,510 --> 00:20:49,790

really round somewhere between round and

393

00:20:55,510 --> 00:20:52,520

diamond-shaped they stood tall and

394

00:20:58,480 --> 00:20:55,520

muscular under the leaders control I

395

00:21:02,770 --> 00:20:58,490

nonetheless went willing up into their

396

00:21:06,280 --> 00:21:02,780

craft the inside was compact but not

397

00:21:09,730 --> 00:21:06,290

cramped filled with screens especially I

398

00:21:13,150 --> 00:21:09,740

saw very little in the way of controls

399

00:21:19,090 --> 00:21:13,160

but the screens responded to touch and

400

00:21:21,100 --> 00:21:19,100

also to direct mind control Wow okay I

401  
00:21:23,500 --> 00:21:21,110  
was seated facing the leader and he

402  
00:21:27,040 --> 00:21:23,510  
never broke eye contact he was very kind

403  
00:21:28,450 --> 00:21:27,050  
and intuitive I think that he knew me

404  
00:21:31,420 --> 00:21:28,460  
better than I know myself

405  
00:21:34,690 --> 00:21:31,430  
his voice was strong and colorful but I

406  
00:21:36,730 --> 00:21:34,700  
heard it only in my mind

407  
00:21:39,970 --> 00:21:36,740  
I spoke back in the same manner we rose

408  
00:21:42,550 --> 00:21:39,980  
up in the sky but stayed within a few

409  
00:21:44,860 --> 00:21:42,560  
hundred feet of the ground I could see

410  
00:21:48,610 --> 00:21:44,870  
the ground clearly below even the floor

411  
00:21:51,670 --> 00:21:48,620  
could be made transparent or perhaps it

412  
00:21:53,950 --> 00:21:51,680  
doubled as another viewing screen we

413  
00:21:56,740 --> 00:21:53,960

traveled in a circle above three of the

414

00:22:00,190 --> 00:21:56,750

neighboring roads for perhaps a half

415

00:22:03,670 --> 00:22:00,200

hour the entire time we spoke

416

00:22:04,780 --> 00:22:03,680

telepathically I had endless questions

417

00:22:08,020 --> 00:22:04,790

well I hope so

418

00:22:12,070 --> 00:22:08,030

and the answers were often slow and

419

00:22:15,070 --> 00:22:12,080

careful much was told to me but I can no

420

00:22:18,310 --> 00:22:15,080

longer remember anything except does

421

00:22:22,600 --> 00:22:18,320

your craft utilize anti-gravity he

422

00:22:24,990 --> 00:22:22,610

replied that is what you call it we have

423

00:22:29,710 --> 00:22:25,000

the ability to attract and repel

424

00:22:32,710 --> 00:22:29,720

numerous all-pervasive forces there was

425

00:22:34,960 --> 00:22:32,720

always a language barrier because they

426  
00:22:38,650 --> 00:22:34,970  
were literally Aegis more advanced than

427  
00:22:42,190 --> 00:22:38,660  
anything I can imagine all too soon I

428  
00:22:46,540 --> 00:22:42,200  
was returned and they departed I felt

429  
00:22:50,310 --> 00:22:46,550  
they would be back the next day my body

430  
00:22:54,070 --> 00:22:50,320  
suddenly began to reject a synthetic

431  
00:22:57,310 --> 00:22:54,080  
opioid prescription that I had taken for

432  
00:22:59,500 --> 00:22:57,320  
almost nine years following a head-on

433  
00:23:02,530 --> 00:22:59,510  
collision that put me in the hospital

434  
00:23:05,490 --> 00:23:02,540  
for a month the withdrawal from this

435  
00:23:09,100 --> 00:23:05,500  
medicine is unbelievably horrible I've

436  
00:23:12,280 --> 00:23:09,110  
never been so sick but my mind is

437  
00:23:13,960 --> 00:23:12,290  
emerging from a drugged haze and perhaps

438  
00:23:17,410 --> 00:23:13,970

that is the point

439

00:23:21,610 --> 00:23:17,420

maybe those visitors knew what I didn't

440

00:23:24,100 --> 00:23:21,620

or maybe just a coincidence perhaps but

441

00:23:27,220 --> 00:23:24,110

it feels like they are here to help us

442

00:23:29,070 --> 00:23:27,230

out if we are willing to be helped well

443

00:23:34,210 --> 00:23:29,080

spek for yourself

444

00:23:37,660 --> 00:23:34,220

ok anyways I'm moving on you know I love

445

00:23:40,030 --> 00:23:37,670

to give a nice paranormal story positive

446

00:23:43,030 --> 00:23:40,040

negative whatever comes my way so here

447

00:23:46,810 --> 00:23:43,040

is a paranormal point of a story and

448

00:23:47,890 --> 00:23:46,820

this one is entitled don't walk late at

449

00:23:55,810 --> 00:23:47,900

night

450

00:24:00,250 --> 00:23:55,820

in Mexico okay anyways this article

451

00:24:02,590 --> 00:24:00,260

reads I have been listening to your

452

00:24:04,660 --> 00:24:02,600

stories for a while now this is they're

453

00:24:07,420 --> 00:24:04,670

talking to the person who owns this

454

00:24:10,780 --> 00:24:07,430

website since then I've been wanting to

455

00:24:12,940 --> 00:24:10,790

send you a story my dad told us about I

456

00:24:15,730 --> 00:24:12,950

just couldn't find the courage to send

457

00:24:18,340 --> 00:24:15,740

it in but I think now it's the right

458

00:24:20,950 --> 00:24:18,350

time I'll tell you the story from my

459

00:24:23,740 --> 00:24:20,960

dad's point of view here it goes

460

00:24:25,660 --> 00:24:23,750

I was about 19 or 20 years old when this

461

00:24:29,350 --> 00:24:25,670

happened it happened one night in my

462

00:24:36,280 --> 00:24:29,360

village in Guanajuato I don't know what

463

00:24:37,990 --> 00:24:36,290

that word is Mexico okay I was out

464

00:24:41,230 --> 00:24:38,000

drinking and playing cards with a couple

465

00:24:44,080 --> 00:24:41,240

of friends after a few hours I had

466

00:24:45,820 --> 00:24:44,090

gotten really late I believe it was

467

00:24:48,430 --> 00:24:45,830

12:00 or 1:00 a.m. in the morning

468

00:24:52,150 --> 00:24:48,440

anyways I said my goodbyes and started

469

00:24:55,450 --> 00:24:52,160

to walk to your grandma's house the

470

00:24:57,430 --> 00:24:55,460

night was eerily quiet and dark but I

471

00:25:00,340 --> 00:24:57,440

was a bit drunk so it didn't bother me

472

00:25:02,890 --> 00:25:00,350

too much as I was walking up the path to

473

00:25:05,500 --> 00:25:02,900

get home I felt as if something was

474

00:25:08,440 --> 00:25:05,510

looking at me I thought it was just my

475

00:25:13,150 --> 00:25:08,450

tipsy state but something told me to

476  
00:25:18,340 --> 00:25:13,160  
turn around as soon as I did I regretted

477  
00:25:21,640 --> 00:25:18,350  
that decision this black dog appeared

478  
00:25:25,300 --> 00:25:21,650  
out of nowhere I know it wasn't on the

479  
00:25:27,430 --> 00:25:25,310  
path or the neighboring houses but it

480  
00:25:32,220 --> 00:25:27,440  
wasn't just that the dog appeared out of

481  
00:25:36,010 --> 00:25:32,230  
thin air its eyes its eyes were two

482  
00:25:39,250 --> 00:25:36,020  
round red lights ooh sounds like a

483  
00:25:44,080 --> 00:25:39,260  
hellhound to me it looked like two eyes

484  
00:25:46,420 --> 00:25:44,090  
on fire with no pupils redder than fire

485  
00:25:51,060 --> 00:25:46,430  
wood burning it stood there frozen

486  
00:25:54,610 --> 00:25:51,070  
trying to comprehend what I'm seeing but

487  
00:25:58,270 --> 00:25:54,620  
as my eyes started to look down to its

488  
00:26:01,390 --> 00:25:58,280

feet my heart skipped a beat and my eyes

489

00:26:07,900 --> 00:26:01,400

almost bulged out of my head

490

00:26:10,480 --> 00:26:07,910

the dog was floating in mid-air where

491

00:26:11,410 --> 00:26:10,490

its legs were supposed to be there was

492

00:26:13,980 --> 00:26:11,420

nothing

493

00:26:17,290 --> 00:26:13,990

kind of like an incomplete picture

494

00:26:21,070 --> 00:26:17,300

someone didn't finish I was trying to

495

00:26:25,660 --> 00:26:21,080

figure out what the his L was in front

496

00:26:29,799 --> 00:26:25,670

of me just then the dog started growling

497

00:26:33,880 --> 00:26:29,809

its red eyes locked on me I panicked and

498

00:26:37,240 --> 00:26:33,890

I started to run home the path was on a

499

00:26:40,480 --> 00:26:37,250

steep rocky hill I don't know how but I

500

00:26:43,180 --> 00:26:40,490

ran and didn't trip well I'm you're not

501  
00:26:46,630 --> 00:26:43,190  
like in the movies cool I could hear his

502  
00:26:49,240 --> 00:26:46,640  
paws running on the path oh heck no but

503  
00:26:52,600 --> 00:26:49,250  
like I said that dog was floating midair

504  
00:26:55,150 --> 00:26:52,610  
how could I hear his steps I could hear

505  
00:26:59,169 --> 00:26:55,160  
him growling and barking at me I just

506  
00:27:02,140 --> 00:26:59,179  
kept running hoping it wouldn't catch up

507  
00:27:05,080 --> 00:27:02,150  
to me I reached the gate swung open the

508  
00:27:06,760 --> 00:27:05,090  
door closed it and ran to my room my

509  
00:27:09,400 --> 00:27:06,770  
heart was racing it and I was tired from

510  
00:27:11,830 --> 00:27:09,410  
running i sat there thinking what the

511  
00:27:14,530 --> 00:27:11,840  
hell just chased me it couldn't be a

512  
00:27:17,710 --> 00:27:14,540  
normal dog dogs don't have red circles

513  
00:27:21,970 --> 00:27:17,720

for eyes with no pupils much less float

514

00:27:24,669 --> 00:27:21,980

midair and have no feet after some

515

00:27:28,299 --> 00:27:24,679

thinking I decided to sleep and put it

516

00:27:31,570 --> 00:27:28,309

behind me the next morning I talked to

517

00:27:35,169 --> 00:27:31,580

your grandma about it hesitant she told

518

00:27:38,530 --> 00:27:35,179

me most likely it was the devil in dog

519

00:27:41,919 --> 00:27:38,540

form mmm it tends to take different

520

00:27:44,350 --> 00:27:41,929

forms to roam the earth looking for a

521

00:27:47,710 --> 00:27:44,360

mischievous people roaming the nights if

522

00:27:50,730 --> 00:27:47,720

he caught up to you he would take you to

523

00:27:55,450 --> 00:27:50,740

hell for all of eternity

524

00:27:58,480 --> 00:27:55,460

we need 'less to say I really ate admite

525

00:28:00,580 --> 00:27:58,490

choices up to then I decided then and

526

00:28:03,460 --> 00:28:00,590

there to change

527

00:28:06,669 --> 00:28:03,470

I stopped gambling drinking out late and

528

00:28:10,630 --> 00:28:06,679

getting drunk not to mention a few years

529

00:28:13,630 --> 00:28:10,640

later I would marry your mom my dad had

530

00:28:14,350 --> 00:28:13,640

always been a serious but loving dad but

531

00:28:18,130 --> 00:28:14,360

when

532

00:28:20,620 --> 00:28:18,140

he told us this story we 100% believed

533

00:28:23,440 --> 00:28:20,630

him why would he lie about something

534

00:28:26,380 --> 00:28:23,450

like this I could see the fear in his

535

00:28:29,950 --> 00:28:26,390

eyes when he told us this story he's a

536

00:28:33,160 --> 00:28:29,960

brave strong man so to see him act that

537

00:28:36,100 --> 00:28:33,170

way was surprising to this day he still

538

00:28:40,630 --> 00:28:36,110

finds it hard to believe what he saw

539

00:28:44,230 --> 00:28:40,640

that night what it really was it really

540

00:28:46,240 --> 00:28:44,240

the devil in dog for him was he just

541

00:28:49,300 --> 00:28:46,250

drunk did he imagine the whole incident

542

00:28:51,250 --> 00:28:49,310

I am Telling You this story not to scare

543

00:28:53,440 --> 00:28:51,260

you but to give you a warning remember

544

00:28:56,380 --> 00:28:53,450

that there are things that creep at

545

00:28:59,200 --> 00:28:56,390

night it's not just bad people that will

546

00:29:01,620 --> 00:28:59,210

try to find a victim the devil might be

547

00:29:04,030 --> 00:29:01,630

roaming the nights for its next victim

548

00:29:07,270 --> 00:29:04,040

be careful if you find yourself in

549

00:29:09,730 --> 00:29:07,280

Mexico at night taking a midnight stroll

550

00:29:12,630 --> 00:29:09,740

in the moonlight there just might be a

551  
00:29:18,100 --> 00:29:12,640  
pair of red glowing eyes staring at you

552  
00:29:22,300 --> 00:29:18,110  
staring you down whoa wow that was a

553  
00:29:25,840 --> 00:29:22,310  
little bit wicked Wow well I dunno

554  
00:29:28,690 --> 00:29:25,850  
shadow people take on the form of demon

555  
00:29:30,450 --> 00:29:28,700  
dogs the red glowing eyes and all some

556  
00:29:33,220 --> 00:29:30,460  
people call them head hellhounds so

557  
00:29:35,380 --> 00:29:33,230  
anyways I have to tell you guys thank

558  
00:29:37,750 --> 00:29:35,390  
you for listening to UFO headline news

559  
00:29:41,200 --> 00:29:37,760  
with me Heidi Hollis and be sure to

560  
00:29:43,900 --> 00:29:41,210  
check out UFO headline news com every

561  
00:29:46,090 --> 00:29:43,910  
single day and also tune in to the

562  
00:29:48,340 --> 00:29:46,100  
Outlander Fridays a p.m. Central

563  
00:29:50,740 --> 00:29:48,350

Standard Time and catch my paranormal

564

00:29:54,490 --> 00:29:50,750

comic strip the Outlanders at the

565

00:29:56,860 --> 00:29:54,500

Outlanders comic calm direct links can

566

00:30:00,310 --> 00:29:56,870

be found everywhere on Inception Radio

567

00:30:02,020 --> 00:30:00,320

Network comm and Heidi Hollis calm

568

00:30:03,280 --> 00:30:02,030

I remember if you've experienced

569

00:30:05,170 --> 00:30:03,290

something out of the ordinary and want

570

00:30:08,470 --> 00:30:05,180

some level-headed advice or if you've

571

00:30:18,720 --> 00:30:08,480

seen a UFO and want to share visit my

572

00:30:23,900 --> 00:30:18,730

main website always keep an open mind

573

00:30:28,860 --> 00:30:26,510

progressive presents get pugs

574

00:30:31,470 --> 00:30:28,870

inspiration to help you do insurance

575

00:30:33,659 --> 00:30:31,480

stuff okay time out you gotta let your

576  
00:30:35,039 --> 00:30:33,669  
budget be the boss of you take control

577  
00:30:37,049 --> 00:30:35,049  
with progressives name your price tool

578  
00:30:38,549 --> 00:30:37,059  
tell us what you want to pay for car

579  
00:30:40,350 --> 00:30:38,559  
insurance and we'll help you find

580  
00:30:42,330 --> 00:30:40,360  
options that fit your budget here's the

581  
00:30:44,280 --> 00:30:42,340  
music to get you pumped down d-down

582  
00:30:47,039 --> 00:30:44,290  
d-down to don't gangbang i hear your

583  
00:30:49,650 --> 00:30:47,049  
budget laughing at you oh wait that's

584  
00:30:50,190 --> 00:30:49,660  
just those kids laughing at me ignore

585  
00:30:51,510 --> 00:30:50,200  
them

586  
00:30:52,860 --> 00:30:51,520  
get out dead regressive casualty
