inception radio network.com jumping

16

00:00:57,950 --> 00:00:54,809

right on in to some UFO reports this

17

00:01:00,319 --> 00:00:57,960

first one is a black triangle sighting

18

00:01:04,429 --> 00:01:00,329

in Somerville Alabama

19

00:01:07,520 --> 00:01:04,439

this occurred January 16 2018 and

20

00:01:10,429 --> 00:01:07,530

briefed the witness states triangular

21

00:01:16,399 --> 00:01:10,439

shape three lights blinking with forth

22

00:01:19,039 --> 00:01:16,409

red light low-flying very quiet and

23

00:01:20,899 --> 00:01:19,049

we're detail the witness goes on my

24

00:01:23,690 --> 00:01:20,909

girlfriend and I had pulled it into her

25

00:01:28,160 --> 00:01:23,700

driveway and talked for about 20 minutes

26

00:01:30,280 --> 00:01:28,170

I noticed a very bright flickering light

27

00:01:34,850 --> 00:01:30,290

in the southeastern part of the sky

28

00:01:36,590 --> 00:01:34,860

fairly far away about two miles we

29

00:01:39,740 --> 00:01:36,600

looked at it a little more and we

30

00:01:41,749 --> 00:01:39,750

noticed it stopped flickering it stayed

31

00:01:44,240 --> 00:01:41,759

there in the same spot for another

32

00:01:46,370 --> 00:01:44,250

minute or two we got out of the car and

33

00:01:48,050 --> 00:01:46,380

continued to look at it I told my

34

00:01:49,910 --> 00:01:48,060

girlfriend I thought it was Venus

35

00:01:52,580 --> 00:01:49,920

because it was bigger and brighter than

36

00:01:55,460 --> 00:01:52,590

anything else in the sky but I was

37

00:01:58,249 --> 00:01:55,470

confused because I know Venus couldn't

38

00:02:00,399 --> 00:01:58,259

be that close to the horizon we

39

00:02:04,310 --> 00:02:00,409
continued to look at it more and it

40

00:02:08,119 --> 00:02:04,320
started to move in our direction very

41

00:02:11,089 --> 00:02:08,129
quickly and like it hasn't moved before

42

00:02:13,460 --> 00:02:11,099
my girlfriend was kind of freaking out

43

00:02:15,770 --> 00:02:13,470
once it got closer it

44

00:02:18,770 --> 00:02:15,780
moved in our direction and flew over the

45

00:02:22,940 --> 00:02:18,780
neighbor's house right in front of us in

46

00:02:27,130 --> 00:02:22,950
a straight path the whole time we could

47

00:02:31,280 --> 00:02:27,140
only see the three lights it had given a

48

00:02:33,320 --> 00:02:31,290
triangular shape it had a white and red

49

00:02:35,930 --> 00:02:33,330
blinking light as well it moved very

50

00:02:38,330 --> 00:02:35,940
quietly making a little sound the

51
00:02:41,990 --> 00:02:38,340
creepiest part about it is how low it

52
00:02:45,260 --> 00:02:42,000
flew it was only maybe 200 feet above us

53
00:02:48,110 --> 00:02:45,270
it flew not very high at all which made

54
00:02:51,620 --> 00:02:48,120
the fact that it being so quiet was also

55
00:02:54,470 --> 00:02:51,630
very weird no pilot would fly that low

56
00:02:55,460 --> 00:02:54,480
in this mountainous area at night that's

57
00:02:58,160 --> 00:02:55,470
insane

58
00:03:00,500 --> 00:02:58,170
it continued on in the northwest

59
00:03:02,780 --> 00:03:00,510
direction and flew over onto the

60
00:03:06,680 --> 00:03:02,790
mountain overhead dodging the mountain

61
00:03:08,060 --> 00:03:06,690
itself by making slight turns it looked

62
00:03:10,670 --> 00:03:08,070
like it could have landed on that

63
00:03:14,690 --> 00:03:10,680

mountain I'm not sure if it did or could

64

00:03:16,730 --> 00:03:14,700

I believe it was a man-made plane of

65

00:03:19,699 --> 00:03:16,740

some kind because of the red flashing

66

00:03:22,550 --> 00:03:19,709

light being similar to the ones on real

67

00:03:24,770 --> 00:03:22,560

planes but it has to be some secret

68

00:03:27,770 --> 00:03:24,780

military plane or something because this

69

00:03:31,160 --> 00:03:27,780

plane can create an extreme amount of

70

00:03:34,940 --> 00:03:31,170

light from miles away possibly stay in

71

00:03:37,190 --> 00:03:34,950

one place fly very low slide very

72

00:03:39,680 --> 00:03:37,200

quietly and maneuver through mountains

73

00:03:41,900 --> 00:03:39,690

at night I have a video showing the

74

00:03:44,090 --> 00:03:41,910

object flying by it's hard to tell in

75

00:03:46,400 --> 00:03:44,100

the video how far are big it was but I

76

00:03:49,820 --> 00:03:46,410

didn't zoom in at all it was close

77

00:03:51,920 --> 00:03:49,830

enough to shoot with a BB gun and it

78

00:03:54,470 --> 00:03:51,930

really wasn't that big just the size of

79

00:03:56,990 --> 00:03:54,480

a small plane at least what we could

80

00:03:58,759 --> 00:03:57,000

tell at the end the lights get kind of

81

00:04:02,420 --> 00:03:58,769

blurry because we are in a heavily

82

00:04:05,390 --> 00:04:02,430

wooded area and it's flying right in the

83

00:04:07,250 --> 00:04:05,400

little valley behind the trees I wish I

84

00:04:09,910 --> 00:04:07,260

could have gotten the whole thing I just

85

00:04:12,400 --> 00:04:09,920

can't really explain what it really was

86

00:04:16,820 --> 00:04:12,410

me neither

87

00:04:20,599 --> 00:04:16,830

alright this next one oh it's an alien

88

00:04:24,560 --> 00:04:20,609

encounter whoo this is a blast from the

89

00:04:26,180 --> 00:04:24,570

past Fort Lupton Colorado this occurred

90

00:04:26,810 --> 00:04:26,190

June 1st

91

00:04:32,180 --> 00:04:26,820

9

92

00:04:36,770 --> 00:04:32,190

1886 Wow in brief the witness just says

93

00:04:38,270 --> 00:04:36,780

the word entity in tons more detail the

94

00:04:41,030 --> 00:04:38,280

witness states I was sleeping on the

95

00:04:44,180 --> 00:04:41,040

couch at my parents house I was 20 years

96

00:04:47,180 --> 00:04:44,190

old when I noticed the light outside the

97

00:04:49,520 --> 00:04:47,190

window behind the couch I looked out the

98

00:04:51,970 --> 00:04:49,530

window and approximately 200 feet from

99

00:04:54,350 --> 00:04:51,980

the window on the open grass on a

100

00:04:57,560 --> 00:04:54,360

concrete basketball court

101
00:05:01,460 --> 00:04:57,570
I saw approximately 4 feet off the

102
00:05:05,780 --> 00:05:01,470
ground a bright white light which I

103
00:05:08,000 --> 00:05:05,790
later decided was a rip in space that's

104
00:05:11,050 --> 00:05:08,010
the only way I can describe it this

105
00:05:14,090 --> 00:05:11,060
bright light or hole which was a

106
00:05:17,390 --> 00:05:14,100
probably 3 or 4 feet in diameter I saw

107
00:05:21,070 --> 00:05:17,400
three to five aliens or whatever you

108
00:05:24,020 --> 00:05:21,080
want to call them exit out of the hole

109
00:05:26,660 --> 00:05:24,030
somehow I knew that they were going to

110
00:05:30,290 --> 00:05:26,670
come over to where I was and this

111
00:05:33,890 --> 00:05:30,300
terrified me I did not actually see them

112
00:05:36,080 --> 00:05:33,900
walk from the basketball court and over

113
00:05:38,210 --> 00:05:36,090

the lawn to the window which was

114

00:05:41,360 --> 00:05:38,220

approximately a foot foot and a half of

115

00:05:44,170 --> 00:05:41,370

my body so it's the couch between me and

116

00:05:46,430 --> 00:05:44,180

the window on the outside of the window

117

00:05:49,550 --> 00:05:46,440

three is what I remember

118

00:05:53,510 --> 00:05:49,560

three of the gray aliens were staring

119

00:05:57,940 --> 00:05:53,520

down at me I tried to move but my entire

120

00:06:01,100 --> 00:05:57,950

body was not responding and I was frozen

121

00:06:04,010 --> 00:06:01,110

frozen is probably the wrong word it was

122

00:06:06,980 --> 00:06:04,020

like I was a quadriplegic or something

123

00:06:10,040 --> 00:06:06,990

the only thing that I can move was my

124

00:06:12,740 --> 00:06:10,050

eyelids and my eyes so I could look over

125

00:06:16,490 --> 00:06:12,750

and see them staring down at me their

126
00:06:19,010 --> 00:06:16,500
faces were approximately 3 feet at the

127
00:06:21,700 --> 00:06:19,020
most away from mine still looking

128
00:06:25,490 --> 00:06:21,710
through the window directly into my face

129
00:06:28,220 --> 00:06:25,500
it was fully I was fully awake and this

130
00:06:31,250 --> 00:06:28,230
continued for I'm guessing somewhere

131
00:06:34,130 --> 00:06:31,260
between 15 minutes and a half an hour I

132
00:06:37,250 --> 00:06:34,140
know that seems like a big variance for

133
00:06:40,250 --> 00:06:37,260
one who was describing something that

134
00:06:42,350 --> 00:06:40,260
occurred when they were completely awake

135
00:06:45,920 --> 00:06:42,360
it was a terrifying experience and I

136
00:06:50,210 --> 00:06:45,930
suspect a minute may have lasted in my

137
00:06:52,460 --> 00:06:50,220
mind forever subsequently I discovered

138
00:06:54,850 --> 00:06:52,470

that people had sleep paralysis and

139

00:06:59,120 --> 00:06:54,860

described something similar to this

140

00:07:01,370 --> 00:06:59,130

however this was not sleep paralysis

141

00:07:05,000 --> 00:07:01,380

yeah I'm not a fan of that definition

142

00:07:06,620 --> 00:07:05,010

either I was wide awake and aware and I

143

00:07:09,680 --> 00:07:06,630

know what I saw

144

00:07:11,540 --> 00:07:09,690

so the paralysis started sometime after

145

00:07:15,290 --> 00:07:11,550

I saw them come out of the light or the

146

00:07:17,810 --> 00:07:15,300

basketball court and I was laying back

147

00:07:20,300 --> 00:07:17,820

on the couch and at some point they

148

00:07:22,910 --> 00:07:20,310

paralyzed me they seemed to enjoy it and

149

00:07:24,920 --> 00:07:22,920

I seem to be either reading their

150

00:07:28,100 --> 00:07:24,930

thoughts or something to know that or

151
00:07:31,610 --> 00:07:28,110
more correctly they communicated that to

152
00:07:33,530 --> 00:07:31,620
me without speech oh great yeah I know

153
00:07:36,710 --> 00:07:33,540
they don't think they love to see people

154
00:07:39,650 --> 00:07:36,720
suffer um other than staring at me

155
00:07:42,680 --> 00:07:39,660
I don't know what else they were trying

156
00:07:45,710 --> 00:07:42,690
to accomplish during this encounter I

157
00:07:48,380 --> 00:07:45,720
was struggling with all of my might to

158
00:07:52,190 --> 00:07:48,390
try to move even one little finger I

159
00:07:55,310 --> 00:07:52,200
could feel my body all over I could not

160
00:07:58,430 --> 00:07:55,320
move it I tried and I tried and tried to

161
00:08:00,290 --> 00:07:58,440
fight them to get away from them I would

162
00:08:04,550 --> 00:08:00,300
have went down the hallway to my room

163
00:08:08,510 --> 00:08:04,560

and picked out my 2:43 to blow them away

164

00:08:12,620 --> 00:08:08,520

if I could but I could not move then

165

00:08:14,810 --> 00:08:12,630

they left I did not see how they exited

166

00:08:18,050 --> 00:08:14,820

but I imagine it was through the same

167

00:08:20,420 --> 00:08:18,060

hole I have a distinct feeling that this

168

00:08:23,270 --> 00:08:20,430

has happened several times and may

169

00:08:25,970 --> 00:08:23,280

happen again but that was the only

170

00:08:29,150 --> 00:08:25,980

incident that I remember possibly I

171

00:08:32,900 --> 00:08:29,160

remember them when I was five years old

172

00:08:35,750 --> 00:08:32,910

and Missoula Montana but that could be

173

00:08:37,250 --> 00:08:35,760

just a bad dream I did tell some family

174

00:08:39,920 --> 00:08:37,260

members and a couple of friends about it

175

00:08:42,890 --> 00:08:39,930

but I described it as the worst bad

176

00:08:46,700 --> 00:08:42,900

dream ever but I'm letting you know it

177

00:08:49,820 --> 00:08:46,710

was never a dream I was wide awake and

178

00:08:52,700 --> 00:08:49,830

aware now approximately thirty years

179

00:08:54,070 --> 00:08:52,710

later I have the guts to at least report

180

00:08:56,590 --> 00:08:54,080

this to you in hopes

181

00:09:00,940 --> 00:08:56,600

it may help somebody or you guys with

182

00:09:03,070 --> 00:09:00,950

your research I am mentally stable and I

183

00:09:05,680 --> 00:09:03,080

have managed millions of acres of

184

00:09:11,770 --> 00:09:05,690

federal land as the primary land officer

185

00:09:13,120 --> 00:09:11,780

I am gs-13 30 year federal employee with

186

00:09:15,190 --> 00:09:13,130

a staff of 30

187

00:09:17,920 --> 00:09:15,200

I'm not some nutcase and I'm

188

00:09:20,560 --> 00:09:17,930

scientifically trained I have had no

189

00:09:22,600 --> 00:09:20,570

mental issues or no drug issues and I

190

00:09:24,250 --> 00:09:22,610

have a very long responsible career

191

00:09:31,860 --> 00:09:24,260

family life and I'm letting you know

192

00:09:33,910 --> 00:09:31,870

this this actually happened I am I'm

193

00:09:36,580 --> 00:09:33,920

kudos to you

194

00:09:40,420 --> 00:09:36,590

way to go to take that step forward so

195

00:09:42,910 --> 00:09:40,430

many do not ever it may have taken you a

196

00:09:45,010 --> 00:09:42,920

long time but you know what I learned

197

00:09:47,110 --> 00:09:45,020

from what you shared and I know others

198

00:09:50,340 --> 00:09:47,120

have learned from what you shared we

199

00:09:53,650 --> 00:09:50,350

have got to kick down these barriers of

200

00:09:55,540 --> 00:09:53,660

ridicule and they're so often people

201
00:09:57,120 --> 00:09:55,550
have to put I'm not an alcoholic I'm not

202
00:10:00,490 --> 00:09:57,130
a drug addict you know

203
00:10:02,320 --> 00:10:00,500
look even if you were your testimony

204
00:10:06,430 --> 00:10:02,330
could stand up in a court of law

205
00:10:08,230 --> 00:10:06,440
more than likely I mean come on geez

206
00:10:12,790 --> 00:10:08,240
we'll take the words of convicts and

207
00:10:15,520 --> 00:10:12,800
whatnot for jailhouse confessions but

208
00:10:17,950 --> 00:10:15,530
not a responsible federal worker like

209
00:10:20,850 --> 00:10:17,960
this really yeah that's that's our

210
00:10:24,580 --> 00:10:20,860
that's our government for yeah and

211
00:10:28,120 --> 00:10:24,590
people in society who don't like to take

212
00:10:30,400 --> 00:10:28,130
people's reports seriously but we have

213
00:10:32,380 --> 00:10:30,410

learned they do don't we Pentagon hello

214

00:10:34,780 --> 00:10:32,390

we know you've done more research than

215

00:10:36,880 --> 00:10:34,790

just that five year pentagon pet project

216

00:10:40,240 --> 00:10:36,890

okay moving on this next one oh it's

217

00:10:43,060 --> 00:10:40,250

another alien encounter in Ontario this

218

00:10:48,610 --> 00:10:43,070

took another 30-some years to get out

219

00:10:51,280 --> 00:10:48,620

this is from August 28 1984 and him

220

00:10:55,990 --> 00:10:51,290

briefed the witness states I spoke to

221

00:10:58,840 --> 00:10:56,000

the then huh was abducted and raped oh

222

00:11:01,330 --> 00:10:58,850

gosh then awoke in the craft then

223

00:11:04,660 --> 00:11:01,340

electronically put back to sleep then

224

00:11:07,480 --> 00:11:04,670

awoke in my car seven miles away 12

225

00:11:12,460 --> 00:11:07,490

years later confronted by men and black

226

00:11:15,310 --> 00:11:12,470

oh my gosh I just I I feel this pain of

227

00:11:19,120 --> 00:11:15,320

this person this sounds terrible that's

228

00:11:21,730 --> 00:11:19,130

just a title but they only put a short

229

00:11:25,780 --> 00:11:21,740

description for further details so they

230

00:11:29,019 --> 00:11:25,790

go on if men and black confront me

231

00:11:31,840 --> 00:11:29,029

can I attack them or disable them till

232

00:11:35,980 --> 00:11:31,850

police come to help me if I tell you

233

00:11:38,620 --> 00:11:35,990

they will find me the one of two UFOs of

234

00:11:42,550 --> 00:11:38,630

the Third Kind told me not to tell

235

00:11:45,220 --> 00:11:42,560

anyone after I spoke about my experience

236

00:11:48,280 --> 00:11:45,230

and such in general public Ottawa

237

00:11:51,730 --> 00:11:48,290

Ontario two men and black approached me

238

00:11:55,780 --> 00:11:51,740

and asked if I had such an encounter I

239

00:11:59,639 --> 00:11:55,790

just replied no and went away from them

240

00:12:03,190 --> 00:11:59,649

I found that as a life-threatening event

241

00:12:06,310 --> 00:12:03,200

if this happens again I am attempted to

242

00:12:09,310 --> 00:12:06,320

attack them please contact me before

243

00:12:16,510 --> 00:12:09,320

anything else help happens a please help

244

00:12:19,810 --> 00:12:16,520

me I mean I'm in a black car in Canada

245

00:12:20,519 --> 00:12:19,820

apparently this it just makes me so

246

00:12:25,900 --> 00:12:20,529

angry

247

00:12:29,829 --> 00:12:25,910

really they get violated raped abducted

248

00:12:32,410 --> 00:12:29,839

raped and then moved away you guys don't

249

00:12:34,920 --> 00:12:32,420

hear about the rape involved in alien

250

00:12:39,100 --> 00:12:34,930

abductions very much but it is highly

251
00:12:43,870 --> 00:12:39,110
violating male or female these beings

252
00:12:45,639 --> 00:12:43,880
have no limits so for those who think

253
00:12:47,650 --> 00:12:45,649
that alien abductions are something

254
00:12:50,940 --> 00:12:47,660
fluffy and oh they feel special because

255
00:12:53,680 --> 00:12:50,950
it happened to them this is abuse

256
00:12:56,139 --> 00:12:53,690
abduction the word abduction taken

257
00:13:00,160 --> 00:12:56,149
against your will it's not just crazy

258
00:13:04,980 --> 00:13:00,170
experiments done on them oftentimes it's

259
00:13:08,829 --> 00:13:04,990
rape very sexual very negative feeling

260
00:13:13,420 --> 00:13:08,839
terrified and then you get followed up

261
00:13:15,160 --> 00:13:13,430
with some creeps in suits who threaten

262
00:13:17,740 --> 00:13:15,170
people they'll threaten you if they

263
00:13:19,540 --> 00:13:17,750

don't say it verbally though they'll

264

00:13:21,220 --> 00:13:19,550

seem very intimidating just like this

265

00:13:23,760 --> 00:13:21,230

person wants to beat the

266

00:13:27,070 --> 00:13:23,770

Rapp out of them you have my permission

267

00:13:30,160 --> 00:13:27,080

beat the crap out of the men and black

268

00:13:33,760 --> 00:13:30,170

you see them again just go hog wild on

269

00:13:38,560 --> 00:13:33,770

them just just hog wild just you can hog

270

00:13:41,110 --> 00:13:38,570

time - oh gosh boy that would be great

271

00:13:42,610 --> 00:13:41,120

if it isn't Will Smith beat the crap out

272

00:13:44,950 --> 00:13:42,620

of them alright

273

00:13:49,600 --> 00:13:44,960

call your friends over so you can really

274

00:13:55,660 --> 00:13:49,610

make sure you get them all a call on

275

00:14:00,640 --> 00:13:55,670

mana black attack such a pain all right

276

00:14:03,280 --> 00:14:00,650

so this next UFO report black triangle

277

00:14:04,780 --> 00:14:03,290

sighting in Ridley California this

278

00:14:05,200 --> 00:14:04,790

occurred it's the UFO blaster in the

279

00:14:08,770 --> 00:14:05,210

past

280

00:14:11,290 --> 00:14:08,780

August 14 2008 triangle object with a

281

00:14:15,670 --> 00:14:11,300

reddish orange colored glowing surface

282

00:14:17,770 --> 00:14:15,680

on its trailing edge in more detail the

283

00:14:19,420 --> 00:14:17,780

witness states my family of five were

284

00:14:22,900 --> 00:14:19,430

driving home from our Thursday night

285

00:14:25,480 --> 00:14:22,910

Bible study we were Amish Mennonite aka

286

00:14:28,390 --> 00:14:25,490

conservative Mennonites at the time he

287

00:14:31,000 --> 00:14:28,400

changed and we stayed until almost 10:00

288

00:14:33,730 --> 00:14:31,010

p.m. that night I was driving south on

289

00:14:37,510 --> 00:14:33,740

South Buttonwillow Avenue north of

290

00:14:39,280 --> 00:14:37,520

Reedley as we approached Adams Avenue we

291

00:14:42,100 --> 00:14:39,290

saw a triangle-shaped craft hovering

292

00:14:44,650 --> 00:14:42,110

over the house that sits about 200 feet

293

00:14:48,190 --> 00:14:44,660

north of the northwest corner of the

294

00:14:50,560 --> 00:14:48,200

Buttonwillow Adams intersection as we

295

00:14:53,560 --> 00:14:50,570

drove closer to the point where the

296

00:14:57,700 --> 00:14:53,570

craft was hovering the craft darted and

297

00:15:00,460 --> 00:14:57,710

flew due south parallel to button Willow

298

00:15:15,160 --> 00:15:00,470

Avenue attention shoppers

299

00:15:17,380 --> 00:15:15,170

clean up on 14 feet boxing at a big-box

300

00:15:19,270 --> 00:15:17,390

store surprising what's not surprising

301
00:15:23,110 --> 00:15:19,280
how much you could save by switching to

302
00:15:25,630 --> 00:15:23,120
Geico submit even has the lights on in

303
00:15:31,090 --> 00:15:25,640
the parking lot Geico 15 minutes could

304
00:15:34,390 --> 00:15:31,100
save you 15% or more it moved with great

305
00:15:35,020 --> 00:15:34,400
speed and disappeared over the horizon

306
00:15:38,350 --> 00:15:35,030
with

307
00:15:41,710 --> 00:15:38,360
in a second the height of the craft was

308
00:15:45,280 --> 00:15:41,720
just over the powerlines as it flew it

309
00:15:49,750 --> 00:15:45,290
lit up the road that was directly below

310
00:15:52,180 --> 00:15:49,760
it in a reddish orange glow I did notice

311
00:15:54,700 --> 00:15:52,190
a few cars that were heading north pull

312
00:15:58,510 --> 00:15:54,710
over to the curb after the craft flew

313
00:15:59,260 --> 00:15:58,520

over them no one heard any sounds from

314

00:16:02,740 --> 00:15:59,270

the object

315

00:16:05,110 --> 00:16:02,750

Wow alright this next one is a UFO

316

00:16:09,040 --> 00:16:05,120

sighting in st. Charles Illinois not far

317

00:16:11,560 --> 00:16:09,050

from where I'm at January 3rd 2018 I saw

318

00:16:15,100 --> 00:16:11,570

a cigar object to fly over our building

319

00:16:19,470 --> 00:16:15,110

it had a light at both ends I've seen

320

00:16:23,200 --> 00:16:19,480

one of those and they're huge huge just

321

00:16:26,440 --> 00:16:23,210

just huge okay and they it's true they

322

00:16:28,990 --> 00:16:26,450

have these big like like spotlights

323

00:16:34,990 --> 00:16:29,000

on either end and I just move slow and

324

00:16:36,580 --> 00:16:35,000

quietly and you're like just cruising by

325

00:16:38,620 --> 00:16:36,590

it's like you could turn your lights off

326

00:16:40,600 --> 00:16:38,630

and no one would see you but no they

327

00:16:41,830 --> 00:16:40,610

turn their lights on I don't get it

328

00:16:43,630 --> 00:16:41,840

I mean where they want to see what's

329

00:16:46,750 --> 00:16:43,640

going on there shining it down below

330

00:16:48,310 --> 00:16:46,760

them all right moving on okay this is a

331

00:16:49,840 --> 00:16:48,320

more detail my husband and I were

332

00:16:51,970 --> 00:16:49,850

looking at our front kitchen window

333

00:16:55,720 --> 00:16:51,980

about 9:30 p.m. on the night of January

334

00:16:57,970 --> 00:16:55,730

3rd 2018 our window overlooks the

335

00:17:00,100 --> 00:16:57,980

covered deck but we like to watch the

336

00:17:02,920 --> 00:17:00,110

planes coming and going into and out of

337

00:17:05,170 --> 00:17:02,930

the airports in Chicago from the side of

338

00:17:08,170 --> 00:17:05,180

the window that I was standing I notice

339

00:17:11,080 --> 00:17:08,180

a bright light and saw a cigar-shaped

340

00:17:14,890 --> 00:17:11,090

object with bright lights on the front

341

00:17:18,040 --> 00:17:14,900

and back of the object it moved so fast

342

00:17:20,670 --> 00:17:18,050

by the time I told my husband to move

343

00:17:24,040 --> 00:17:20,680

over to my side and up

344

00:17:27,160 --> 00:17:24,050

look it huh I think they said look up at

345

00:17:29,110 --> 00:17:27,170

it had moved out of sight it appeared to

346

00:17:33,370 --> 00:17:29,120

come from the northwest and headed

347

00:17:36,490 --> 00:17:33,380

southeast out of sight it made no sound

348

00:17:40,380 --> 00:17:36,500

and was a dark metal color with no light

349

00:17:41,620 --> 00:17:40,390

between the front and back lights

350

00:17:44,020 --> 00:17:41,630

fantastic

351

00:17:47,710 --> 00:17:44,030

this next year for sighting comes from

352

00:17:48,910 --> 00:17:47,720

topher de pennsylvania On January 20th

353

00:17:51,280 --> 00:17:48,920

2018

354

00:17:54,850 --> 00:17:51,290

and brief the object appeared in my

355

00:17:58,270 --> 00:17:54,860

photos at 5:38 then disappears from them

356

00:18:01,330 --> 00:17:58,280

by 5:45 p.m. I took my photos with a

357

00:18:04,330 --> 00:18:01,340

sony cybershot Wi-Fi camera for a car

358

00:18:06,610 --> 00:18:04,340

fanpage a beautiful sky sunset was the

359

00:18:09,580 --> 00:18:06,620

best background so I took advantage of

360

00:18:12,730 --> 00:18:09,590

the scenery with flash on and off when I

361

00:18:16,180 --> 00:18:12,740

got home to post like normal I noticed a

362

00:18:18,700 --> 00:18:16,190

spot and almost all pictures during a 10

363

00:18:21,100 --> 00:18:18,710

minute period during that period geese

364

00:18:26,020 --> 00:18:21,110

in the V formation flew by and clouds

365

00:18:29,380 --> 00:18:26,030

went by but this object was unmoved no

366

00:18:31,570 --> 00:18:29,390

matter my ever-changing angles I looked

367

00:18:34,780 --> 00:18:31,580

at these photos closer on a new computer

368

00:18:38,010 --> 00:18:34,790

and could see much closer than my phone

369

00:18:41,320 --> 00:18:38,020

could show and my wife and I cannot deny

370

00:18:44,770 --> 00:18:41,330

there was definitely a hovering object

371

00:18:47,380 --> 00:18:44,780

in the shots I did post two pictures

372

00:18:49,660 --> 00:18:47,390

before noticing it to further check out

373

00:18:52,270 --> 00:18:49,670

the photos I over expose them and the

374

00:18:55,270 --> 00:18:52,280

clouds disappear but it shows up even

375

00:18:58,210 --> 00:18:55,280

more defined as I stated there are many

376

00:19:01,600 --> 00:18:58,220

pics that can be studied I didn't know

377

00:19:05,200 --> 00:19:01,610

it was there I normally take many nature

378

00:19:07,810 --> 00:19:05,210

and vehicle following photos all right

379

00:19:10,510 --> 00:19:07,820

this next UFO sighting comes from

380

00:19:14,020 --> 00:19:10,520

Sheffield England this occurred

381

00:19:16,630 --> 00:19:14,030

January 20th 2018 and briefed the

382

00:19:21,010 --> 00:19:16,640

witness stayed solid white blue light

383

00:19:24,310 --> 00:19:21,020

shot across the sky both car occupants

384

00:19:28,300 --> 00:19:24,320

saw and thought imagined it as so fast

385

00:19:31,990 --> 00:19:28,310

saw once not window screen reflection

386

00:19:35,680 --> 00:19:32,000

okay in more detail driving south from

387

00:19:38,620 --> 00:19:35,690

York on m1 still light outside but cars

388

00:19:41,350 --> 00:19:38,630

were using headlights as starting to get

389

00:19:45,250 --> 00:19:41,360

dark southeast of the sky had cloud

390

00:19:48,190 --> 00:19:45,260

cover Southwest was blue sky not dark

391

00:19:52,150 --> 00:19:48,200

enough to see stars was about 4:30 p.m.

392

00:19:55,930 --> 00:19:52,160

GMT both myself and partners see a very

393

00:19:59,170 --> 00:19:55,940

bright white blue speck of light shoot

394

00:20:00,840 --> 00:19:59,180

across the sky south east to south west

395

00:20:03,720 --> 00:20:00,850

in front of us

396

00:20:06,389 --> 00:20:03,730

was faster than a shooting star speed

397

00:20:10,139 --> 00:20:06,399

but as bright and about the same size

398

00:20:13,320 --> 00:20:10,149

speck in sky as a star must have been

399

00:20:16,019 --> 00:20:13,330

below cloud cover as saw it from left to

400

00:20:19,529 --> 00:20:16,029

right in sky from cloudy sky area

401
00:20:22,200 --> 00:20:19,539
through blue sky couldn't see any type

402
00:20:24,629 --> 00:20:22,210
of trail left behind seem to be

403
00:20:27,360 --> 00:20:24,639
traveling a consistent height in sky I

404
00:20:30,389 --> 00:20:27,370
waited until a few cars had gone past

405
00:20:32,249 --> 00:20:30,399
with their lights on and noticing none

406
00:20:34,499 --> 00:20:32,259
of their headlights had recreated the

407
00:20:36,060 --> 00:20:34,509
light I saw in the sky I asked my

408
00:20:37,740 --> 00:20:36,070
partner if he had seen a bright light

409
00:20:40,499 --> 00:20:37,750
shoot across the sky a minute layer

410
00:20:42,419 --> 00:20:40,509
layer he was surprised he had seen it

411
00:20:44,610 --> 00:20:42,429
too and also thought he must have

412
00:20:47,639 --> 00:20:44,620
imagined it or would see it again and be

413
00:20:50,549 --> 00:20:47,649

able to explain it neither of us saw the

414

00:20:53,249 --> 00:20:50,559

light again we agreed it went incredibly

415

00:20:55,440 --> 00:20:53,259

fast blink and you would have missed it

416

00:20:57,210 --> 00:20:55,450

we couldn't explain what it could be I

417

00:21:06,169 --> 00:20:57,220

am a blinker I probably would have so

418

00:21:14,820 --> 00:21:11,009

okay next one UFO sighting in

419

00:21:18,090 --> 00:21:14,830

Stephenville newfoundland and lab okay

420

00:21:20,129 --> 00:21:18,100

this occurred January 19th 2018 UFO

421

00:21:23,190 --> 00:21:20,139

bright orange silent heading from

422

00:21:25,259 --> 00:21:23,200

northeast over ocean to Southwest in

423

00:21:28,529 --> 00:21:25,269

more detail while walking with a friend

424

00:21:30,480 --> 00:21:28,539

she is deaf we noticed two bright orange

425

00:21:33,269 --> 00:21:30,490

lights in the sky about 60 degrees in

426

00:21:35,009 --> 00:21:33,279

the sky heading north east south west we

427

00:21:37,080 --> 00:21:35,019

were making comments about how low the

428

00:21:39,779 --> 00:21:37,090

crescent moon looked in the sky and had

429

00:21:42,749 --> 00:21:39,789

taken photos earlier as it was so nice

430

00:21:45,509 --> 00:21:42,759

looking the temperature was around minus

431

00:21:47,879 --> 00:21:45,519

5 degrees Celsius with winds 20

432

00:21:50,009 --> 00:21:47,889

kilometers an hour with some low snow

433

00:21:52,919 --> 00:21:50,019

clouds but generally clear while walking

434

00:21:53,730 --> 00:21:52,929

up town roads covered in snow towards

435

00:21:56,399 --> 00:21:53,740

Main Street

436

00:21:59,039 --> 00:21:56,409

Stephenville the two objects did not

437

00:22:01,799 --> 00:21:59,049

seem high in the sky probably less than

438

00:22:04,379 --> 00:22:01,809

1500 meters and were heading northeast

439

00:22:06,869 --> 00:22:04,389

to southwest over the Atlantic a Bay to

440

00:22:09,149 --> 00:22:06,879

st. George and maybe a few kilometers

441

00:22:11,909 --> 00:22:09,159

away from our point of view the objects

442

00:22:14,009 --> 00:22:11,919

did not have any sound they did not have

443

00:22:14,610 --> 00:22:14,019

any flame or smoke trails visible the

444

00:22:17,100 --> 00:22:14,620

objects

445

00:22:19,740 --> 00:22:17,110

very bright orange bright colored and

446

00:22:22,500 --> 00:22:19,750

remained bright until they left sight to

447

00:22:24,540 --> 00:22:22,510

far away I got video of the objects

448

00:22:26,549 --> 00:22:24,550

halfway through the sighting the objects

449

00:22:28,920 --> 00:22:26,559

made a fairly uniform flight path

450

00:22:30,240 --> 00:22:28,930

although slowed at different pace

451
00:22:32,760 --> 00:22:30,250
independent of each other

452
00:22:33,750 --> 00:22:32,770
hovered without movement then continued

453
00:22:36,299 --> 00:22:33,760
the flight path

454
00:22:39,140 --> 00:22:36,309
I could hear propeller plane at the near

455
00:22:41,790 --> 00:22:39,150
Airport with its engines an idol whose

456
00:22:45,240 --> 00:22:41,800
Direction was easily heard as our main

457
00:22:47,610 --> 00:22:45,250
street is very close to the tarmac the

458
00:22:50,430 --> 00:22:47,620
lights travelled the visible horizon in

459
00:22:54,030 --> 00:22:50,440
about a minute I lost sight when the

460
00:22:56,549 --> 00:22:54,040
lights faded from being too far away

461
00:22:58,320 --> 00:22:56,559
moving on to some paranormal points

462
00:23:00,799 --> 00:22:58,330
because you know we like to touch on the

463
00:23:05,720 --> 00:23:00,809

paranormal as well for this show this

464

00:23:09,030 --> 00:23:05,730

article is entitled Wendigo bumper bomb

465

00:23:12,090 --> 00:23:09,040

this person describes their paranormal

466

00:23:14,010 --> 00:23:12,100

encounter I grew up in Russia I didn't

467

00:23:16,590 --> 00:23:14,020

know anything about Native American

468

00:23:20,250 --> 00:23:16,600

stories as far as I knew it was the

469

00:23:23,760 --> 00:23:20,260

classics Bigfoot Mothman etc when I

470

00:23:26,220 --> 00:23:23,770

turned 20 I moved to Utah to start fresh

471

00:23:27,780 --> 00:23:26,230

so to speak I remember dating this girl

472

00:23:30,630 --> 00:23:27,790

who was Native and telling me about

473

00:23:33,360 --> 00:23:30,640

these stories and what to do to protect

474

00:23:37,140 --> 00:23:33,370

myself from them but me being a skeptic

475

00:23:39,840 --> 00:23:37,150

ignored it I bought this property on the

476
00:23:42,900 --> 00:23:39,850
outskirts of town near a forest a couple

477
00:23:45,840 --> 00:23:42,910
hundred feet around before breaking off

478
00:23:48,530 --> 00:23:45,850
into badlands I go hunting and wood

479
00:23:50,820 --> 00:23:48,540
collecting in these forests all the time

480
00:23:53,580 --> 00:23:50,830
after about a month of living in this

481
00:23:56,160 --> 00:23:53,590
house I started noticing weird prints in

482
00:23:59,640 --> 00:23:56,170
the grass and mud but the thing that got

483
00:24:01,770 --> 00:23:59,650
me was it was footprints and handprints

484
00:24:03,900 --> 00:24:01,780
so I shrugged it off thinking it was

485
00:24:06,660 --> 00:24:03,910
City kids trying to Punk the foreigner

486
00:24:09,360 --> 00:24:06,670
after about two weeks later I started

487
00:24:11,070 --> 00:24:09,370
noticing the footprints and such getting

488
00:24:14,190 --> 00:24:11,080

closer to the house

489

00:24:16,350 --> 00:24:14,200

so eventually weeks go by with nothing

490

00:24:19,260 --> 00:24:16,360

so I went hunting and killed a deer to

491

00:24:23,280 --> 00:24:19,270

feed myself a couple of weeks that night

492

00:24:26,190 --> 00:24:23,290

all I could smell was just irony coppery

493

00:24:27,110 --> 00:24:26,200

smell like blood after it's set for a

494

00:24:31,220 --> 00:24:27,120

time

495

00:24:34,460 --> 00:24:31,230

my dog I named Kazan he's an Anatolian

496

00:24:38,240 --> 00:24:34,470

Shepherd hmm I've seen this dog kill

497

00:24:41,240 --> 00:24:38,250

coyotes and Badgers easily was sitting

498

00:24:43,970 --> 00:24:41,250

in my bed growling at the window the

499

00:24:45,920 --> 00:24:43,980

entire night in the morning I went

500

00:24:49,820 --> 00:24:45,930

outside to see the deer carcass I

501
00:24:52,580 --> 00:24:49,830
disposed of was broken the ribs legs

502
00:24:55,370 --> 00:24:52,590
bones were just snapped like it was

503
00:24:57,460 --> 00:24:55,380
nothing that day I went to the town's

504
00:25:01,550 --> 00:24:57,470
Native Americans I started asking if

505
00:25:04,610 --> 00:25:01,560
anyone or a thing can do that they all

506
00:25:07,490 --> 00:25:04,620
said nothing after several weeks went by

507
00:25:11,660 --> 00:25:07,500
I go hunting but the moment I step in

508
00:25:16,220 --> 00:25:11,670
the woods nothing dead silence nothing

509
00:25:18,110 --> 00:25:16,230
not even birds or insects I figured it

510
00:25:19,970 --> 00:25:18,120
was because I stepped in the woods and

511
00:25:23,000 --> 00:25:19,980
we're all checking me out after a while

512
00:25:26,660 --> 00:25:23,010
I find a spot in the woods up a tree in

513
00:25:30,050 --> 00:25:26,670

my stand still nothing but silence but

514

00:25:33,200 --> 00:25:30,060

this time the overwhelming smell of iron

515

00:25:37,000 --> 00:25:33,210

again where I was almost gagging about

516

00:25:39,770 --> 00:25:37,010

thirty yards to my left I see an object

517

00:25:43,280 --> 00:25:39,780

cruising at a good speed then it comes

518

00:25:46,630 --> 00:25:43,290

to a dead stop and stands up a good

519

00:25:50,990 --> 00:25:46,640

three meters tall and sticks its elk

520

00:25:54,020 --> 00:25:51,000

skull head with antlers straight up then

521

00:25:58,730 --> 00:25:54,030

lowers it and looks around till our eyes

522

00:26:03,800 --> 00:25:58,740

meet in my mind I had the same like

523

00:26:07,070 --> 00:26:03,810

voice on my left going run just leave my

524

00:26:09,520 --> 00:26:07,080

mind was screaming at me to leave it was

525

00:26:12,440 --> 00:26:09,530

then that I realized this is the thing

526
00:26:15,530 --> 00:26:12,450
talking to me and checking me out I've

527
00:26:17,570 --> 00:26:15,540
noticed it I kill something in those

528
00:26:20,810 --> 00:26:17,580
woods and don't leave something for it

529
00:26:23,300 --> 00:26:20,820
it comes to my property and watches me

530
00:26:26,090 --> 00:26:23,310
I've caught it in the corner of my eye

531
00:26:30,700 --> 00:26:26,100
off in the forest just sitting watching

532
00:26:34,790 --> 00:26:30,710
me waiting for me to do something whoa

533
00:26:39,110 --> 00:26:34,800
Wow well hey learn the ways of the

534
00:26:40,820 --> 00:26:39,120
natives yes she warned you alright this

535
00:26:44,200 --> 00:26:40,830
next one guess what

536
00:26:49,009 --> 00:26:44,210
this one is called the woodland Wendigo

537
00:26:51,230 --> 00:26:49,019
or Windigo this person says I was out

538
00:26:54,019 --> 00:26:51,240

late at night like I usually am I live

539

00:26:57,169 --> 00:26:54,029

far from anyone or anywhere smack bang

540

00:26:59,750 --> 00:26:57,179

in the middle of the forest was more so

541

00:27:02,210 --> 00:26:59,760

right it was a thunderous night rain

542

00:27:04,220 --> 00:27:02,220

pelted the road as I drove home my house

543

00:27:05,690 --> 00:27:04,230

was one of those fancy lager houses in

544

00:27:09,889 --> 00:27:05,700

the middle of the woods sort of houses

545

00:27:11,779 --> 00:27:09,899

but just a small two-story Shack the

546

00:27:14,690 --> 00:27:11,789

main road curved and twisted through the

547

00:27:16,899 --> 00:27:14,700

forest this was a complete nightmare for

548

00:27:19,610 --> 00:27:16,909

me but luckily I lived down a dirt road

549

00:27:22,310 --> 00:27:19,620

the rain continued as I drove down the

550

00:27:24,830 --> 00:27:22,320

road I finally reached my barb fence I

551
00:27:27,080 --> 00:27:24,840
drove into the garage I closed the

552
00:27:30,799 --> 00:27:27,090
garage with my keys in my hands and that

553
00:27:32,659 --> 00:27:30,809
was when I heard a screech I just

554
00:27:35,750 --> 00:27:32,669
assumed it was a wild deer or boar

555
00:27:38,509 --> 00:27:35,760
getting stuck in the fence I groaned as

556
00:27:40,639 --> 00:27:38,519
this was usually a pain to do I grabbed

557
00:27:42,799 --> 00:27:40,649
my wire clippers and a flashlight I

558
00:27:45,139 --> 00:27:42,809
headed into the direction of the screech

559
00:27:47,750 --> 00:27:45,149
the screech continued for a bit I

560
00:27:50,570 --> 00:27:47,760
reached the area of where the fence was

561
00:27:52,610 --> 00:27:50,580
but what was odd was that this is an

562
00:27:55,039 --> 00:27:52,620
area where I hadn't put any fencing

563
00:27:58,389 --> 00:27:55,049

around I flicked on the flashlight and

564

00:28:02,539 --> 00:27:58,399

shined it in front of me there it was

565

00:28:06,259 --> 00:28:02,549

crouched on the ground was a matted pale

566

00:28:10,250 --> 00:28:06,269

figure it was eating a deer that must

567

00:28:13,610 --> 00:28:10,260

have been too slow I held my breath as I

568

00:28:15,379 --> 00:28:13,620

saw this horrid sight I slowly crept

569

00:28:19,669 --> 00:28:15,389

back I could hear it breathing and

570

00:28:22,759 --> 00:28:19,679

munching away crack a branch broke under

571

00:28:27,080 --> 00:28:22,769

my foot with my flashlight still shining

572

00:28:31,669 --> 00:28:27,090

on the thing it stopped and froze before

573

00:28:35,509 --> 00:28:31,679

slowly standing up and turning to me its

574

00:28:39,440 --> 00:28:35,519

body was mangled and decomposed maggots

575

00:28:44,149 --> 00:28:39,450

eating away at its chest its long lanky

576

00:28:47,930 --> 00:28:44,159

arms the deer by its antlers its face

577

00:28:51,769 --> 00:28:47,940

was what got me going it was like a deer

578

00:28:54,290 --> 00:28:51,779

face but just bone and few flesh maggots

579

00:28:58,550 --> 00:28:54,300

eating away at its face dark so

580

00:29:02,750 --> 00:28:58,560

Liss eyes staring at me I froze with

581

00:29:06,860 --> 00:29:02,760

fear it stared right into my soul it

582

00:29:08,900 --> 00:29:06,870

screamed at me before staring to come at

583

00:29:11,930 --> 00:29:08,910

me they mean starting to come at me I

584

00:29:14,900 --> 00:29:11,940

panicked and threw the wire Clippers at

585

00:29:18,140 --> 00:29:14,910

the thing stuck it right in the chest oh

586

00:29:20,990 --> 00:29:18,150

my gosh it screamed and I was out of

587

00:29:23,720 --> 00:29:21,000

there running as fast as I can

588

00:29:25,520 --> 00:29:23,730

back to the house I reached the house

589

00:29:27,800 --> 00:29:25,530

locking the house and turning the lights

590

00:29:29,330 --> 00:29:27,810

off I hid panicked at what I just

591

00:29:31,790 --> 00:29:29,340

experienced I peeked through the door

592

00:29:34,790 --> 00:29:31,800

window out into the darkness

593

00:29:37,070 --> 00:29:34,800

nothing ever since that night I've never

594

00:29:42,100 --> 00:29:37,080

left the house around dark or ventured

595

00:29:44,660 --> 00:29:42,110

into the night I bet wow that's nasty

596

00:29:47,030 --> 00:29:44,670

Wendigos or when day goes there some

597

00:29:49,400 --> 00:29:47,040

598

00:29:51,020 --> 00:29:49,410

of such an ugly thing I have heard of

599

00:29:53,120 --> 00:29:51,030
