13
00:00:40,959 --> 00:00:37,079

and listen live to the Outlander show or

14

00:00:43,369 --> 00:00:40,969

go to Inception Radio Network comm

15

00:00:44,900 --> 00:00:43,379

blasting off with some UFO reports

16

00:00:48,860 --> 00:00:44,910

because we've got a lot of them to get

17

00:00:51,979 --> 00:00:48,870

to UFO sighting in Wyoming this occurred

18

00:00:54,049 --> 00:00:51,989

January 18th 2017 in brief the witness

19

00:00:57,040 --> 00:00:54,059

states I was just taking pictures from

20

00:01:00,380 --> 00:00:57,050

the truck window heading west on i-80 in

21

00:01:02,720 --> 00:01:00,390

Wyoming in more detail they go on I was

22

00:01:05,270 --> 00:01:02,730

on the road with my husband who drives

23

00:01:07,359 --> 00:01:05,280

an 18-wheeler we were traveling at a

24

00:01:11,719 --> 00:01:07,369

speed of 65 miles per hour

25

00:01:13,820 --> 00:01:11,729

it was a cold crisp clear day being from

26
00:01:16,969 --> 00:01:13,830
southern Texas you don't see snow a lot

27
00:01:19,429 --> 00:01:16,979
so I was so focused on getting photos of

28
00:01:21,200 --> 00:01:19,439
the snow I didn't even see the object

29
00:01:23,570 --> 00:01:21,210
until just the other day when I was

30
00:01:26,090 --> 00:01:23,580
going through them to post a facebook a

31
00:01:29,450 --> 00:01:26,100
friend of mine posted a comment about

32
00:01:31,880 --> 00:01:29,460
there being a cross in the sky in one of

33
00:01:34,700 --> 00:01:31,890
them I looked at the photo and zoomed in

34
00:01:38,510 --> 00:01:34,710
on it and it's not a cross and we were

35
00:01:40,640 --> 00:01:38,520
now we're near a wind farm it is

36
00:01:43,490 --> 00:01:40,650
cylindrical with what looks like

37
00:01:45,740 --> 00:01:43,500
something on both ends so I started

38
00:01:49,069 --> 00:01:45,750

looking at the other photos of that day

39

00:01:52,100 --> 00:01:49,079

and found another one only this one

40

00:01:55,460 --> 00:01:52,110

isn't as clear as the first but it still

41

00:01:58,580 --> 00:01:55,470

looks elongated I have seen UFOs once

42

00:02:01,789 --> 00:01:58,590

before when I was 14 years old living in

43

00:02:04,429 --> 00:02:01,799

McAlester Oklahoma but at night the

44

00:02:07,130 --> 00:02:04,439

whole neighborhood saw them but in this

45

00:02:12,420 --> 00:02:07,140

case that I'm submitting to you now I

46

00:02:14,459 --> 00:02:12,430

had no idea what I caught on camera

47

00:02:24,149 --> 00:02:14,469

the spellcheck is a miraculous thing

48

00:02:24,959 --> 00:02:24,159

people just ain't just oh my goodness my

49

00:02:28,619 --> 00:02:24,969

goodness

50

00:02:30,420 --> 00:02:28,629

hmm yeah let's let's try practicing our

51
00:02:36,259 --> 00:02:30,430
English stuff

52
00:02:41,339 --> 00:02:36,269
I mean KN o w for just n oh I mean wow

53
00:02:43,979 --> 00:02:41,349
wow we don't know the difference oh I

54
00:02:45,360 --> 00:02:43,989
really love these UFO reports and I love

55
00:02:47,940 --> 00:02:45,370
that people take the time for it and I

56
00:02:49,679 --> 00:02:47,950
know I say this time and time again but

57
00:02:52,589 --> 00:02:49,689
the more that you can express yourself

58
00:02:55,199 --> 00:02:52,599
more clearly than us people who are

59
00:02:57,449 --> 00:02:55,209
reading these reports anybody reading

60
00:03:01,349 --> 00:02:57,459
these reports the more we can understand

61
00:03:02,759 --> 00:03:01,359
the more we actually learn but not if

62
00:03:05,599 --> 00:03:02,769
we're guessing on what you're trying to

63
00:03:07,830 --> 00:03:05,609

say and I don't edit this I just try to

64

00:03:10,920 --> 00:03:07,840

fiddle along that's why I trip over

65

00:03:13,649 --> 00:03:10,930

words sometimes cuz I'm just what did

66

00:03:16,710 --> 00:03:13,659

they put there okay now I'm making it up

67

00:03:18,539 --> 00:03:16,720

as I go along they're making up where

68

00:03:23,640 --> 00:03:18,549

they're lacking in their words alright

69

00:03:26,189 --> 00:03:23,650

moving on I have to vent sometimes next

70

00:03:30,210 --> 00:03:26,199

one UFO sighting in Kissimmee Florida

71

00:03:32,219 --> 00:03:30,220

this occurred March 31st 2017 and brief

72

00:03:35,849 --> 00:03:32,229

the witness states observed a tic-tac

73

00:03:38,219 --> 00:03:35,859

like or bush white light moving on

74

00:03:41,129 --> 00:03:38,229

eastern horizon from northeast to

75

00:03:44,129 --> 00:03:41,139

southeast observed from front yard of my

76

00:03:48,059 --> 00:03:44,139

house UFO reports were generated in

77

00:03:50,189 --> 00:03:48,069

route 192 the same night in more detail

78

00:03:52,740 --> 00:03:50,199

they stayed while sitting on our front

79

00:03:55,619 --> 00:03:52,750

yard this past spring I noticed a

80

00:03:57,539 --> 00:03:55,629

tic-tac shaped white light moving from

81

00:04:00,869 --> 00:03:57,549

northeast to southeast very bright and

82

00:04:03,030 --> 00:04:00,879

moving in a straight line it faded out

83

00:04:05,369 --> 00:04:03,040

for a few seconds then back on a few

84

00:04:08,129 --> 00:04:05,379

seconds and then fade it out at the

85

00:04:11,009 --> 00:04:08,139

southeast horizon the same night there

86

00:04:13,740 --> 00:04:11,019

were UFOs reported on route 192 in

87

00:04:15,929 --> 00:04:13,750

Kissimmee Florida the object was not

88

00:04:18,689 --> 00:04:15,939

moving very fast as it took about two

89

00:04:21,029 --> 00:04:18,699

minutes to cross our line of sight we

90

00:04:23,730 --> 00:04:21,039

have a lot of air traffic in our area as

91

00:04:24,810 --> 00:04:23,740

Kissimmee Airport is nearby as is

92

00:04:25,650 --> 00:04:24,820

Orlando Airport

93

00:04:28,740 --> 00:04:25,660

never

94

00:04:33,350 --> 00:04:28,750

observed anything like this light felt

95

00:04:37,560 --> 00:04:33,360

it was a UFO about 8 p.m. in the evening

96

00:04:40,050 --> 00:04:37,570

the next euroval report is a UFO blast

97

00:04:43,110 --> 00:04:40,060

from the past your foe sighting in

98

00:04:47,640 --> 00:04:43,120

Chicago Heights Illinois this occurred

99

00:04:53,120 --> 00:04:47,650

July 16 2009 and in brief the witness

100

00:04:56,190 --> 00:04:53,130

states brown 1/3 cigar sized crafts

101
00:04:58,740 --> 00:04:56,200
going in and out of giant cloud cover

102
00:05:01,740 --> 00:04:58,750
the front look like a man's face and

103
00:05:06,390 --> 00:05:01,750
there were several going in and out of

104
00:05:08,220 --> 00:05:06,400
what would be the mouth huh is wacky ok

105
00:05:09,840 --> 00:05:08,230
and more detail the witness states the

106
00:05:12,990 --> 00:05:09,850
weather was starting to change with

107
00:05:13,890 --> 00:05:13,000
large puffy clouds I went to my car to

108
00:05:16,170 --> 00:05:13,900
get my camera

109
00:05:19,290 --> 00:05:16,180
I noticed the front of these clouds look

110
00:05:22,500 --> 00:05:19,300
like a face of a man and these objects

111
00:05:26,610 --> 00:05:22,510
were going in and out what would be the

112
00:05:28,770 --> 00:05:26,620
mouth fast and looping around quickly to

113
00:05:31,740 --> 00:05:28,780

enter and exit well maybe these UFOs

114

00:05:34,170 --> 00:05:31,750

were being a little artsy and playing

115

00:05:36,270 --> 00:05:34,180

with the clouds there were other craft

116

00:05:39,330 --> 00:05:36,280

flying in and out of the cloud cover as

117

00:05:42,390 --> 00:05:39,340

well I say craft now because at first I

118

00:05:44,520 --> 00:05:42,400

was confused about what they were I knew

119

00:05:46,490 --> 00:05:44,530

they were too large to be Birds that far

120

00:05:50,400 --> 00:05:46,500

away and nothing I had ever seen

121

00:05:53,610 --> 00:05:50,410

maneuvered like them I uploaded them to

122

00:05:56,850 --> 00:05:53,620

my computer to see what they really were

123

00:05:58,980 --> 00:05:56,860

I had used my telescopic lens but these

124

00:06:01,230 --> 00:05:58,990

pictures were the best I could come up

125

00:06:03,720 --> 00:06:01,240

with I shared them on the net with

126
00:06:06,930 --> 00:06:03,730
friends with my Apple computer crashed

127
00:06:09,510 --> 00:06:06,940
ok I was unable to get the raw pics back

128
00:06:11,520 --> 00:06:09,520
but I had saved some copies on another

129
00:06:14,210 --> 00:06:11,530
driver when I enlarged them and tried to

130
00:06:16,860 --> 00:06:14,220
use contrast to see them better I

131
00:06:19,790 --> 00:06:16,870
contacted my friend who was an Army

132
00:06:22,140 --> 00:06:19,800
Ranger who was there with me and he said

133
00:06:24,390 --> 00:06:22,150
2009 would have been correct

134
00:06:27,960 --> 00:06:24,400
the earliest files I found or a Thursday

135
00:06:29,909 --> 00:06:27,970
July 16th 2009 when my Apple crashed the

136
00:06:32,640 --> 00:06:29,919
pictures I shared on the internet were

137
00:06:33,240 --> 00:06:32,650
gone as well good thing I have these

138
00:06:35,460 --> 00:06:33,250

saved

139

00:06:37,890 --> 00:06:35,470

I just felt they were part of our craft

140

00:06:39,090 --> 00:06:37,900

showing off but I would like to know

141

00:06:45,800 --> 00:06:39,100

what you all think

142

00:06:50,610 --> 00:06:45,810

them okay the next UFO sighting is Nazca

143

00:06:54,450 --> 00:06:50,620

Eike or iike ICA okay this occur January

144

00:07:00,630 --> 00:06:54,460

14th 2018 many stars like objects during

145

00:07:03,870 --> 00:07:00,640

the 7.1 earthquake on January 14th 2018

146

00:07:05,910 --> 00:07:03,880

this happened during the 7.1 magnitude

147

00:07:09,600 --> 00:07:05,920

earthquake that rocked north of a

148

00:07:11,220 --> 00:07:09,610

creeper in the sea near Nazca people

149

00:07:13,950 --> 00:07:11,230

woke up and rushed outside of their

150

00:07:15,600 --> 00:07:13,960

homes from several places of Nazca

151

00:07:18,720 --> 00:07:15,610

especially those not near the city

152

00:07:21,870 --> 00:07:18,730

people could witness dozens nobody could

153

00:07:25,830 --> 00:07:21,880

count star-like objects going down from

154

00:07:28,500 --> 00:07:25,840

above looking southeast to the sea in

155

00:07:31,080 --> 00:07:28,510

other places near the sea they could not

156

00:07:33,570 --> 00:07:31,090

see because the sky is cloudy but Nazca

157

00:07:36,840 --> 00:07:33,580

has clear skies it was funny to hear

158

00:07:38,870 --> 00:07:36,850

some religious people saying that it was

159

00:07:42,450 --> 00:07:38,880

written in the Bible the stars will fall

160

00:07:45,000 --> 00:07:42,460

no I can't say how many people saw this

161

00:07:47,700 --> 00:07:45,010

but in the city people are still talking

162

00:07:50,610 --> 00:07:47,710

about it it's not something how these

163

00:07:53,640 --> 00:07:50,620

UFOs show up around cataclysmic events

164

00:07:58,080 --> 00:07:53,650

mm-hmm and fireworks lots of fireworks

165

00:08:00,600 --> 00:07:58,090

lots of fireworks all right the next UFO

166

00:08:02,940 --> 00:08:00,610

sighting happened in Wasilla Alaska we

167

00:08:05,490 --> 00:08:02,950

know who lives there don't we multiple

168

00:08:08,250 --> 00:08:05,500

colored vehicle hovering over neighbor's

169

00:08:09,900 --> 00:08:08,260

house appears to be a small being at

170

00:08:15,300 --> 00:08:09,910

front-of-house probably they were

171

00:08:17,820 --> 00:08:15,310

looking at Russia yes Sarah Palin we're

172

00:08:20,330 --> 00:08:17,830

talking about you uh-huh

173

00:08:23,160 --> 00:08:20,340

all right in more detail nighttime

174

00:08:25,620 --> 00:08:23,170

things feel a little uneasy noticed a

175

00:08:27,480 --> 00:08:25,630

small cylinder vehicle with numerous

176

00:08:29,790 --> 00:08:27,490

bright white lights in back of

177

00:08:33,120 --> 00:08:29,800

neighbor's house felt nervous went

178

00:08:35,640 --> 00:08:33,130

inside house about an hour later son 39

179

00:08:38,760 --> 00:08:35,650

mentions that our house was under a

180

00:08:41,490 --> 00:08:38,770

light looking out back I noticed a fog

181

00:08:44,910 --> 00:08:41,500

over his house yet the sky was cold

182

00:08:48,450 --> 00:08:44,920

clear and full of stars about another

183

00:08:50,400 --> 00:08:48,460

hour passes and out back we noticed some

184

00:08:52,390 --> 00:08:50,410

of the town lights appeared to brighten

185

00:08:55,720 --> 00:08:52,400

and begin flashing

186

00:08:57,490 --> 00:08:55,730

the lights appeared to be warping some I

187

00:09:00,100 --> 00:08:57,500

went to my room for a few minutes my son

188

00:09:03,370 --> 00:09:00,110

had grabbed a phone and was recording a

189

00:09:06,130 --> 00:09:03,380

vehicle with multiple colors hovering

190

00:09:08,620 --> 00:09:06,140

over a neighbor's house out back there

191

00:09:11,230 --> 00:09:08,630

looks to be a small being at the front

192

00:09:15,040 --> 00:09:11,240

of the house the upper windows of the

193

00:09:18,430 --> 00:09:15,050

house seemed to have some for some for a

194

00:09:20,050 --> 00:09:18,440

pumping going on windows and the vehicle

195

00:09:21,820 --> 00:09:20,060

appeared to have the same happening

196

00:09:24,550 --> 00:09:21,830

after a short period of maybe two

197

00:09:27,550 --> 00:09:24,560

minutes the multiple colors brightened

198

00:09:30,940 --> 00:09:27,560

to a highlighted orangish color that

199

00:09:33,190 --> 00:09:30,950

returns to multicolor it does this two

200

00:09:35,410 --> 00:09:33,200

to three times I got nervous and

201
00:09:38,290 --> 00:09:35,420
returned to my room I did not see the

202
00:09:41,590 --> 00:09:38,300
vehicle leave my son has had a prior

203
00:09:44,530 --> 00:09:41,600
experience on December 10th 2017 to

204
00:09:46,450 --> 00:09:44,540
which he has video and pictures he does

205
00:09:49,300 --> 00:09:46,460
not remember taking them he has time

206
00:09:52,750 --> 00:09:49,310
loss is highly nervous in a lot of ways

207
00:09:57,400 --> 00:09:52,760
believes he may have been abducted he

208
00:10:00,370 --> 00:09:57,410
claims to see aliens around us now okay

209
00:10:02,940 --> 00:10:00,380
that's wild all right this next UFO

210
00:10:07,120 --> 00:10:02,950
sighting occurred in New Jersey

211
00:10:10,780 --> 00:10:07,130
January 17th 2018 reddish orange orb

212
00:10:14,590 --> 00:10:10,790
stationary to drastic change in speed

213
00:10:17,230 --> 00:10:14,600

and direction in more detail the witness

214

00:10:20,199 --> 00:10:17,240

states I was just driving south on

215

00:10:22,840 --> 00:10:20,209

Boulevard East and Oaxacan New Jersey I

216

00:10:24,579 --> 00:10:22,850

was looking to the southwest part of the

217

00:10:27,220 --> 00:10:24,589

sky for a moment while driving and

218

00:10:30,670 --> 00:10:27,230

noticed an orange reddish ball in the

219

00:10:32,050 --> 00:10:30,680

sky it was stationary at first I didn't

220

00:10:35,699 --> 00:10:32,060

think much of it maybe a helicopter

221

00:10:38,740 --> 00:10:35,709

since it was moving relatively slow

222

00:10:40,329 --> 00:10:38,750

almost stationary I didn't see any

223

00:10:44,010 --> 00:10:40,339

blinking lights but I kept my eyes

224

00:10:47,079 --> 00:10:44,020

fixated on it while at the red light

225

00:10:49,449 --> 00:10:47,089

what caught my eye next was a drastic

226

00:10:53,019 --> 00:10:49,459

change in speed and direction from being

227

00:10:56,530 --> 00:10:53,029

almost stationary it dipped in the sky

228

00:10:59,829 --> 00:10:56,540

from west to east as if it were on a big

229

00:11:03,180 --> 00:10:59,839

slide almost like a hard Bank while

230

00:11:06,180 --> 00:11:03,190

dropping what looked like at least a

231

00:11:09,980 --> 00:11:06,190

thousand feet pretty dramatically

232

00:11:13,350 --> 00:11:09,990

this made my heart race I said out loud

233

00:11:18,420 --> 00:11:13,360

that's a UFO talk it to myself like a

234

00:11:20,790 --> 00:11:18,430

madman that's pretty funny I fumbled to

235

00:11:22,890 --> 00:11:20,800

open my camera app but had to continue

236

00:11:25,080 --> 00:11:22,900

driving and not hit the person in front

237

00:11:26,970 --> 00:11:25,090

of me I quickly pulled over keeping my

238

00:11:30,300 --> 00:11:26,980

eyes on it trying to hit record on my

239

00:11:33,840 --> 00:11:30,310

phone but it was too dark what happened

240

00:11:36,960 --> 00:11:33,850

next was even more bizarre I it trailed

241

00:11:40,200 --> 00:11:36,970

slowly in a line and reducing in speed

242

00:11:43,380 --> 00:11:40,210

then disappeared with a pup like a

243

00:11:46,920 --> 00:11:43,390

bubble popping I'm not sure what I just

244

00:11:49,380 --> 00:11:46,930

saw but hopefully someone here in the

245

00:11:51,600 --> 00:11:49,390

New York City area might have seen it

246

00:11:52,890 --> 00:11:51,610

too oh I'm sure they have I'm sure they

247

00:11:55,260 --> 00:11:52,900

have we don't know if they got to the

248

00:11:57,510 --> 00:11:55,270

site to report it but you can bet your

249

00:11:58,970 --> 00:11:57,520

bottom dollar somebody else eat it

250

00:12:02,880 --> 00:11:58,980

mm-hmm

251
00:12:04,980 --> 00:12:02,890
the next UFO sighting is entitled black

252
00:12:09,450 --> 00:12:04,990
triangle sighting in Hot Springs

253
00:12:11,250 --> 00:12:09,460
Arkansas the Sakura July 20th 2016 and

254
00:12:14,130 --> 00:12:11,260
brief the witness states

255
00:12:18,240 --> 00:12:14,140
I seen a triangle-shaped standing on end

256
00:12:21,200 --> 00:12:18,250
and the craft was not moving at all like

257
00:12:23,460 --> 00:12:21,210
you hung a school bus on end in the sky

258
00:12:25,590 --> 00:12:23,470
now I got to tell you guys something I

259
00:12:27,930 --> 00:12:25,600
am scanning this visually this report

260
00:12:32,460 --> 00:12:27,940
which is a big one would you believe

261
00:12:37,290 --> 00:12:32,470
there is not a period in the entire

262
00:12:40,200 --> 00:12:37,300
report except at the end and it's a big

263
00:12:42,600 --> 00:12:40,210

report yeah that's our American dollars

264

00:12:49,800 --> 00:12:42,610

working for our education system over

265

00:12:52,880 --> 00:12:49,810

here really ha okay Oh terrible I am

266

00:12:56,940 --> 00:12:52,890

sorry to bless people but then I'm not

267

00:13:00,360 --> 00:12:56,950

punctuation communication we've got to

268

00:13:03,630 --> 00:13:00,370

get it together so we could learn ok

269

00:13:05,370 --> 00:13:03,640

this report reads I just got off work at

270

00:13:06,480 --> 00:13:05,380

Barry plastic you know if I read this in

271

00:13:10,050 --> 00:13:06,490

one breath you guys would all be

272

00:13:11,520 --> 00:13:10,060

exhausted and I was as I was going

273

00:13:13,650 --> 00:13:11,530

through the gate something caught my eye

274

00:13:15,930 --> 00:13:13,660

in the sky I thought at first it was a

275

00:13:18,780 --> 00:13:15,940

helicopter because there was an airport

276

00:13:19,710 --> 00:13:18,790

maybe 10 miles away but when I looked I

277

00:13:21,509 --> 00:13:19,720

couldn't believe

278

00:13:23,970 --> 00:13:21,519

what I was seeing it was

279

00:13:26,519 --> 00:13:23,980

rectangle-shaped object standing on end

280

00:13:29,610 --> 00:13:26,529

not moving at all and the whole thing

281

00:13:33,240 --> 00:13:29,620

was wrapped in chrome panels no windows

282

00:13:35,220 --> 00:13:33,250

no lights no markings no engine no sound

283

00:13:38,009 --> 00:13:35,230

just hanging there

284

00:13:41,280 --> 00:13:38,019

it looked about the size of a school bus

285

00:13:43,829 --> 00:13:41,290

standing on end hanging maybe a thousand

286

00:13:47,369 --> 00:13:43,839

feet or so I was so shocked and amazed

287

00:13:50,460 --> 00:13:47,379

by it it took me a few seconds I need to

288

00:13:52,259 --> 00:13:50,470

get my phone out and get it on video and

289

00:13:54,869 --> 00:13:52,269

as I was driving there was a hundred

290

00:13:57,179 --> 00:13:54,879

people leaving work behind me so I was

291

00:13:59,040 --> 00:13:57,189

going to video it once I got off the

292

00:14:02,100 --> 00:13:59,050

road where everyone was coming out of

293

00:14:05,189 --> 00:14:02,110

work maybe ten seconds and I had my

294

00:14:08,249 --> 00:14:05,199

phone out and turned on so when I got

295

00:14:10,679 --> 00:14:08,259

out to the place to pull over it was

296

00:14:13,769 --> 00:14:10,689

gone I look around the sky in every

297

00:14:16,679 --> 00:14:13,779

direction nothing in just five to ten

298

00:14:19,439 --> 00:14:16,689

seconds there was no way anything could

299

00:14:22,379 --> 00:14:19,449

be gone that fast I was mad at myself

300

00:14:24,569 --> 00:14:22,389

for not getting it on video it was just

301
00:14:26,549 --> 00:14:24,579
so amazing to get to see it I have

302
00:14:28,889 --> 00:14:26,559
watched shows on UFOs and I have never

303
00:14:30,960 --> 00:14:28,899
seen anything like it but the next day I

304
00:14:33,240 --> 00:14:30,970
was at a friend's house that works there

305
00:14:34,799 --> 00:14:33,250
with me and he was in front of me leave

306
00:14:37,769 --> 00:14:34,809
him work and I asked him if he's seen

307
00:14:38,730 --> 00:14:37,779
the same thing I'd seen but he said he

308
00:14:41,369 --> 00:14:38,740
didn't see anything

309
00:14:43,019 --> 00:14:41,379
I told him how could you not see it the

310
00:14:45,600 --> 00:14:43,029
Sun was shining off the front of it and

311
00:14:47,579 --> 00:14:45,610
everything and he laughed at me so I

312
00:14:51,059 --> 00:14:47,589
told him just wait let me go back to

313
00:14:53,549 --> 00:14:51,069

work on Monday I was I would be shocked

314

00:14:55,619 --> 00:14:53,559

if everyone isn't talking about it and I

315

00:14:58,470 --> 00:14:55,629

told him I won't say a word about it and

316

00:15:00,059 --> 00:14:58,480

we see on Monday this is New York

317

00:15:02,429 --> 00:15:00,069

firefighter Rafael poor yet for

318

00:15:04,290 --> 00:15:02,439

save more lives

330

00:15:30,640 --> 00:15:28,670

tap the banner now to learn more when it

331

00:15:33,580 --> 00:15:30,650

came I go to work I was ready to tell

332

00:15:35,320 --> 00:15:33,590

him I told you it's real but to my

333

00:15:37,120 --> 00:15:35,330

amusement not one person said anything

334

00:15:39,040 --> 00:15:37,130

about it and didn't say anything there

335

00:15:42,520 --> 00:15:39,050

should have been hundreds of witnesses

336

00:15:44,440 --> 00:15:42,530

but that's not all huh about two months

337

00:15:47,740 --> 00:15:44,450

later I was leaving work I turned on the

338

00:15:49,750 --> 00:15:47,750

road okay that I was going to pull over

339

00:15:52,420 --> 00:15:49,760

on to get the video and I see a super

340

00:15:54,130 --> 00:15:52,430

bright light right above the gas station

341

00:15:56,590 --> 00:15:54,140

in front of me and it was so bright you

342

00:15:58,660 --> 00:15:56,600

couldn't even look at it too much

343

00:16:01,600 --> 00:15:58,670

because oh my gosh this is a giant

344

00:16:03,430 --> 00:16:01,610

run-on sentence people it was like going

345

00:16:05,530 --> 00:16:03,440

to look at the side and I was moved away

346

00:16:09,250 --> 00:16:05,540

from moving west and it was the same way

347

00:16:11,560 --> 00:16:09,260

I was going to get home I couldn't see

348

00:16:13,990 --> 00:16:11,570

it again because of the trees till I got

349

00:16:15,940 --> 00:16:14,000

closer to home and by then and it moved

350

00:16:19,300 --> 00:16:15,950

over my house and was traveling west but

351
00:16:21,700 --> 00:16:19,310
with several miles away then it stopped

352
00:16:24,280 --> 00:16:21,710
and moved up and down me and my sister

353
00:16:26,200 --> 00:16:24,290
watched it for about 30 minutes and I

354
00:16:28,630 --> 00:16:26,210
did get pictures of it but it was night

355
00:16:30,700 --> 00:16:28,640
and my cheap phone it just looked like a

356
00:16:32,410 --> 00:16:30,710
blob of light no details but I grabbed

357
00:16:35,020 --> 00:16:32,420
my binoculars so I could see it better

358
00:16:36,700 --> 00:16:35,030
and it was really weird it was a

359
00:16:39,400 --> 00:16:36,710
triangle shape and the whole thing was

360
00:16:41,800 --> 00:16:39,410
covered in orange and red flames so in

361
00:16:43,360 --> 00:16:41,810
two months I got to see two UFOs and not

362
00:16:45,460 --> 00:16:43,370
the same thing but two different types

363
00:16:47,500 --> 00:16:45,470

of UFOs what are the odds of this

364

00:16:49,570 --> 00:16:47,510

happening I'm sorry it has taken so long

365

00:16:51,460 --> 00:16:49,580

to report this I have been on here three

366

00:16:53,410 --> 00:16:51,470

times but I just couldn't do it and

367

00:16:56,830 --> 00:16:53,420

everyone I have told just laughed at

368

00:16:58,570 --> 00:16:56,840

last laughed it off but it has really

369

00:17:00,820 --> 00:16:58,580

changed me I look at things in a totally

370

00:17:03,750 --> 00:17:00,830

different way now and I think about it

371

00:17:08,380 --> 00:17:03,760

almost every time I go outside we are

372

00:17:11,260 --> 00:17:08,390

differently not alone but but if would

373

00:17:14,380 --> 00:17:11,270

like to talk to me OK about it contact

374

00:17:21,000 --> 00:17:14,390

me I'm not a good writer so I can give

375

00:17:23,800 --> 00:17:21,010

you more details about it oh really oh

376

00:17:26,829 --> 00:17:23,810

ok I have to tell you guys something you

377

00:17:29,140 --> 00:17:26,839

know there is such an influx of UFOs

378

00:17:33,430 --> 00:17:29,150

being spotted while alien abduction like

379

00:17:34,210 --> 00:17:33,440

stuff is going down sightings up aliens

380

00:17:41,610 --> 00:17:34,220

down

381

00:17:45,460 --> 00:17:41,620

about it if our government is able to

382

00:17:46,960 --> 00:17:45,470

create these crafts now because there's

383

00:17:48,909 --> 00:17:46,970

been a ton of them that are crashes

384

00:17:51,190 --> 00:17:48,919

enough people talking about reverse

385

00:17:53,529 --> 00:17:51,200

engineer and the secret space program is

386

00:17:56,230 --> 00:17:53,539

no longer a secret okay

387

00:17:58,539 --> 00:17:56,240

so our people have figured out how to

388

00:17:59,919 --> 00:17:58,549

get up and move about and do different

389

00:18:02,470 --> 00:17:59,929

things and all this stuff and and

390

00:18:05,020 --> 00:18:02,480

they've got a pretty cool cloaking

391

00:18:06,310 --> 00:18:05,030

system that you know it's just like you

392

00:18:08,649 --> 00:18:06,320

know the stealth fighter we know it's

393

00:18:10,450 --> 00:18:08,659

invisible to radar and we've got things

394

00:18:13,690 --> 00:18:10,460

that are way way more advanced so

395

00:18:15,850 --> 00:18:13,700

apparently if you are looking at these

396

00:18:18,940 --> 00:18:15,860

craft at a certain angle you can't quite

397

00:18:20,649 --> 00:18:18,950

see them as well so a person standing

398

00:18:23,110 --> 00:18:20,659

next to you their eyeballs just may not

399

00:18:26,200 --> 00:18:23,120

be refracting just right to spot these

400

00:18:27,520 --> 00:18:26,210

things so that one person just happen to

401
00:18:28,779 --> 00:18:27,530
be in the right spot to see it and go

402
00:18:32,680 --> 00:18:28,789
holy smokes

403
00:18:34,419 --> 00:18:32,690
I see a UFO so we're getting these

404
00:18:37,570 --> 00:18:34,429
reports and and how quickly they move

405
00:18:40,419 --> 00:18:37,580
away because their vision line of vision

406
00:18:42,220 --> 00:18:40,429
moved or they moved and and it just you

407
00:18:45,580 --> 00:18:42,230
know just went out of you you have to

408
00:18:46,529 --> 00:18:45,590
keep in the moment and without causing a

409
00:18:49,870 --> 00:18:46,539
car accident

410
00:18:52,779 --> 00:18:49,880
but it's like okay so if we have this

411
00:18:56,470 --> 00:18:52,789
knowledge now and we're patrolling the

412
00:18:58,810 --> 00:18:56,480
skies and we're able to keep maybe some

413
00:19:03,430 --> 00:18:58,820

of these rotten lowdown good-for-nothin

414

00:19:07,000 --> 00:19:03,440

abducting aliens away reduce the amount

415

00:19:08,860 --> 00:19:07,010

of alien contacts and abduction going on

416

00:19:09,549 --> 00:19:08,870

what do you think I think that's a

417

00:19:12,520 --> 00:19:09,559

possibility

418

00:19:14,200 --> 00:19:12,530

I really do and I don't think it's a

419

00:19:16,720 --> 00:19:14,210

mistake I think that there there's

420

00:19:19,360 --> 00:19:16,730

something that is going on and I am you

421

00:19:23,260 --> 00:19:19,370

know our government things that they do

422

00:19:25,990 --> 00:19:23,270

I just oh the stories I could tell of

423

00:19:27,640 --> 00:19:26,000

people have bumped into randomly people

424

00:19:30,250 --> 00:19:27,650

that I've known for a while and

425

00:19:32,200 --> 00:19:30,260

especially ex-military I mean they're

426

00:19:34,240 --> 00:19:32,210

your brothers your sisters and your

427

00:19:36,760 --> 00:19:34,250

friends and they're like well you have

428

00:19:38,649 --> 00:19:36,770

no idea what is going on okay well now

429

00:19:41,409 --> 00:19:38,659

we do because enough people have told

430

00:19:44,740 --> 00:19:41,419

and I think they're getting us ready to

431

00:19:46,150 --> 00:19:44,750

realize they're their hands on some

432

00:19:48,430 --> 00:19:46,160

technology and

433

00:19:51,580 --> 00:19:48,440

it's changing our future it's changing

434

00:19:56,950 --> 00:19:51,590

the present keeping it a freakin secret

435

00:20:00,160 --> 00:19:56,960

makes no sense none none we're not the

436

00:20:02,110 --> 00:20:00,170

only country going out there come on

437

00:20:04,240 --> 00:20:02,120

Russia and China they're all busy out

438

00:20:06,460 --> 00:20:04,250

there too going to outer space their

439

00:20:10,600 --> 00:20:06,470

secret space program isn't so secret

440

00:20:14,410 --> 00:20:10,610

either so what's the dealio we take

441

00:20:16,750 --> 00:20:14,420

turns going I know that's okay it's okay

442

00:20:19,390 --> 00:20:16,760

oh it's their turn now that's fine let

443

00:20:22,180 --> 00:20:19,400

them it's like why can't we know I think

444

00:20:25,300 --> 00:20:22,190

they're preparing us to get to know

445

00:20:27,610 --> 00:20:25,310

what's going on and so more and more

446

00:20:30,010 --> 00:20:27,620

people are getting a really good look at

447

00:20:31,900 --> 00:20:30,020

these different crafts and what our boys

448

00:20:33,940 --> 00:20:31,910

are flying out there mm-hmm

449

00:20:37,030 --> 00:20:33,950

yeah I think it's our boys doing a lot

450

00:20:39,070 --> 00:20:37,040

of it too many times way too many times

451
00:20:40,120 --> 00:20:39,080
all right I'm gonna read one more and

452
00:20:44,050 --> 00:20:40,130
then we're gonna get onto some other

453
00:20:45,460 --> 00:20:44,060
things you'll feel citing in Texas a UFO

454
00:20:49,390 --> 00:20:45,470
blast from the past

455
00:20:52,360 --> 00:20:49,400
courage live for 2005 looking out window

456
00:20:55,630 --> 00:20:52,370
three identical craft raised from ground

457
00:20:58,410 --> 00:20:55,640
each from ground each smaller than the

458
00:21:01,600 --> 00:20:58,420
other then disappeared at certain height

459
00:21:03,490 --> 00:21:01,610
people man it was the fourth of July I

460
00:21:05,620 --> 00:21:03,500
was watching fireworks see I told you

461
00:21:09,040 --> 00:21:05,630
fireworks in the far distance all of a

462
00:21:11,290 --> 00:21:09,050
sudden in my near view I observed a

463
00:21:14,380 --> 00:21:11,300

metallic object kind of triangular

464

00:21:16,870 --> 00:21:14,390

shaved but with rounded points no lights

465

00:21:19,540 --> 00:21:16,880

but the metallic colors shone bright it

466

00:21:21,580 --> 00:21:19,550

had a dark Center strip from the corner

467

00:21:24,520 --> 00:21:21,590

or point of craft to the other end it

468

00:21:27,550 --> 00:21:24,530

just materialized out of nowhere and

469

00:21:30,310 --> 00:21:27,560

then two more identical objects followed

470

00:21:33,340 --> 00:21:30,320

behind it it elevated quickly to a

471

00:21:36,580 --> 00:21:33,350

certain height then disappeared and each

472

00:21:39,400 --> 00:21:36,590

craft that followed did the same thing

473

00:21:41,740 --> 00:21:39,410

it reached the same height as the first

474

00:21:44,620 --> 00:21:41,750

craft my heart raced when I saw it and I

475

00:21:47,590 --> 00:21:44,630

doubted my vision for a long time but I

476
00:21:50,710 --> 00:21:47,600
realized that there was no reason for me

477
00:21:53,500 --> 00:21:50,720
to hallucinate that particular vision or

478
00:21:54,940 --> 00:21:53,510
imagined it as opposed to any other

479
00:21:57,400 --> 00:21:54,950
vision thank you

480
00:21:58,690 --> 00:21:57,410
I'm convinced of what I saw and would

481
00:22:00,159 --> 00:21:58,700
stake my life on it

482
00:22:02,820 --> 00:22:00,169
what Jubilee

483
00:22:06,249 --> 00:22:02,830
I saw was an interdimensional craft

484
00:22:09,690 --> 00:22:06,259
coming in and out of our realm uh-huh

485
00:22:12,190 --> 00:22:09,700
okay I think they're posing the question

486
00:22:13,119 --> 00:22:12,200
yeah there's a lot of things that are

487
00:22:16,810 --> 00:22:13,129
going on out there

488
00:22:19,629 --> 00:22:16,820

tons Tod things all right moving on to a

489

00:22:21,700 --> 00:22:19,639

paranormal point because you know I love

490

00:22:25,720 --> 00:22:21,710

to talk about the paranormal as well and

491

00:22:28,599 --> 00:22:25,730

we cover it all here this article was

492

00:22:30,669 --> 00:22:28,609

submitted by someone and for this

493

00:22:32,979 --> 00:22:30,679

certain website called darkness prevails

494

00:22:36,639 --> 00:22:32,989

dark o-r-g

495

00:22:40,359 --> 00:22:36,649

and it's called creature shot by my

496

00:22:42,039 --> 00:22:40,369

grandmother all right this story reads

497

00:22:44,229 --> 00:22:42,049

hello first of all I'm sorry in advance

498

00:22:47,680 --> 00:22:44,239

for any spelling errors in a grammar and

499

00:22:52,690 --> 00:22:47,690

punctuation marks and overall mistakes

500

00:22:54,970 --> 00:22:52,700

I wish reports for UFOs were like that I

501
00:22:57,639 --> 00:22:54,980
really hope I can one day hear the story

502
00:22:59,859 --> 00:22:57,649
on a channel not to seek attention or

503
00:23:01,749 --> 00:22:59,869
anything of that sort with that said

504
00:23:03,489 --> 00:23:01,759
thank you I feel free to do what you

505
00:23:06,489 --> 00:23:03,499
want with this story okay and we're

506
00:23:08,080 --> 00:23:06,499
reading on cut and delete takeaway

507
00:23:10,720 --> 00:23:08,090
phrases Dadda Dadda

508
00:23:12,700 --> 00:23:10,730
okay all right moving on writing and my

509
00:23:14,889 --> 00:23:12,710
grandmother telling it again thank you

510
00:23:16,389 --> 00:23:14,899
always darkness for okay okay the reason

511
00:23:19,450 --> 00:23:16,399
behind the story is to share with my

512
00:23:24,310 --> 00:23:19,460
grandmother refugio encountered and

513
00:23:27,419 --> 00:23:24,320

fought in the mountains of Guanajuato

514

00:23:31,720 --> 00:23:27,429

Mexico because I feel a duty in me now

515

00:23:33,729 --> 00:23:31,730

that has passed away to tell you what my

516

00:23:36,220 --> 00:23:33,739

old man told all of his kids and

517

00:23:37,440 --> 00:23:36,230

grandkids he wasn't a drunk or a crazy

518

00:23:40,509 --> 00:23:37,450

man

519

00:23:42,340 --> 00:23:40,519

from the mind but in the contrary a

520

00:23:45,249 --> 00:23:42,350

respected hard-working well-known man

521

00:23:47,560 --> 00:23:45,259

that worked from sunrise to sundown that

522

00:23:48,940 --> 00:23:47,570

is why when he told my family his

523

00:23:51,099 --> 00:23:48,950

friends what he saw

524

00:23:55,690 --> 00:23:51,109

nobody had a single sense of doubt that

525

00:23:57,729 --> 00:23:55,700

he was lying in any way or making stuff

526

00:23:59,739 --> 00:23:57,739

up okay it is a little chopped up I'm

527

00:24:00,940 --> 00:23:59,749

trying to read it as good as I can he

528

00:24:04,060 --> 00:24:00,950

and my grandmother lived in the

529

00:24:06,190 --> 00:24:04,070

mountains of Guanajuato by themselves

530

00:24:09,310 --> 00:24:06,200

they were very poor because they lived

531

00:24:12,249 --> 00:24:09,320

only off the land and animals they had

532

00:24:14,020 --> 00:24:12,259

and animals he hunted for food and fruit

533

00:24:16,990 --> 00:24:14,030

and vegetables grown by the

534

00:24:22,470 --> 00:24:17,000

around the household a brief description

535

00:24:25,440 --> 00:24:22,480

of my grandmother she was six foot two

536

00:24:27,730 --> 00:24:25,450

that didn't weigh that much but still

537

00:24:31,120 --> 00:24:27,740

intimidating always had a cowboy hat on

538

00:24:34,000 --> 00:24:31,130

always on the horse with a machete Oh

539

00:24:36,580 --> 00:24:34,010

hold on grandfather haha

540

00:24:40,810 --> 00:24:36,590

the grandfather his horse with a machete

541

00:24:41,950 --> 00:24:40,820

by his side and a 30-30 rifle and a 45

542

00:24:44,800 --> 00:24:41,960

caliber handgun

543

00:24:47,860 --> 00:24:44,810

tucked on his waist and always his

544

00:24:49,900 --> 00:24:47,870

German Shepherd named Comanche which

545

00:24:52,360 --> 00:24:49,910

means commander alongside of him a very

546

00:24:54,940 --> 00:24:52,370

loyal and brave dog with scars that he

547

00:24:57,480 --> 00:24:54,950

got from fending off coyote and other

548

00:25:00,340 --> 00:24:57,490

animals that was a bad to the bone doggy

549

00:25:01,870 --> 00:25:00,350

you need dogs like this and guns when

550

00:25:04,090 --> 00:25:01,880

you live in the middle of nowhere with

551
00:25:07,570 --> 00:25:04,100
packs of wild hungry coyotes mountain

552
00:25:09,250 --> 00:25:07,580
lions bobcats and other wildlife and a

553
00:25:11,920 --> 00:25:09,260
description of my grandfather's ranch

554
00:25:14,740 --> 00:25:11,930
was a lonely house up in the mountains

555
00:25:19,330 --> 00:25:14,750
miles and hours from the nearest road of

556
00:25:22,060 --> 00:25:19,340
civilization and other towns he had one

557
00:25:24,670 --> 00:25:22,070
neighbor named Antonio who lived five

558
00:25:27,460 --> 00:25:24,680
miles down the mountain from him besides

559
00:25:29,560 --> 00:25:27,470
that they were alone now on to the

560
00:25:32,590 --> 00:25:29,570
encounter these are the words my

561
00:25:34,420 --> 00:25:32,600
grandfather shared by me to you it must

562
00:25:36,430 --> 00:25:34,430
have been some day between the week

563
00:25:37,900 --> 00:25:36,440

Wednesday or Thursday everything was

564

00:25:40,600 --> 00:25:37,910

normal that day nothing out of the

565

00:25:43,390 --> 00:25:40,610

ordinary as he was putting away the cows

566

00:25:46,210 --> 00:25:43,400

and horses to the home made stable that

567

00:25:48,670 --> 00:25:46,220

consisted of just a plain square made

568

00:25:51,160 --> 00:25:48,680

out of wood and rocks with a long dead

569

00:25:53,620 --> 00:25:51,170

log across the front of the door they

570

00:25:55,990 --> 00:25:53,630

always were tied up in a pasture where

571

00:25:57,820 --> 00:25:56,000

they ate all day long it was dark out by

572

00:26:00,220 --> 00:25:57,830

the time he was done with all his normal

573

00:26:02,490 --> 00:26:00,230

chores as he was getting ready for bed

574

00:26:04,840 --> 00:26:02,500

he heard his dog and two others he had

575

00:26:06,970 --> 00:26:04,850

starting to bark and growl he didn't

576
00:26:09,340 --> 00:26:06,980
care much he said at the time he thought

577
00:26:10,780 --> 00:26:09,350
they were just barking at coyotes it

578
00:26:12,460 --> 00:26:10,790
wasn't till later that night that my

579
00:26:14,830 --> 00:26:12,470
grandmother will come up and told him

580
00:26:16,540 --> 00:26:14,840
that the horse was going nuts and the

581
00:26:18,910 --> 00:26:16,550
dogs were fighting with something at the

582
00:26:21,370 --> 00:26:18,920
time they thought a mountain lion but

583
00:26:21,910 --> 00:26:21,380
all of a sudden they stopped making

584
00:26:24,460 --> 00:26:21,920
noise

585
00:26:26,170 --> 00:26:24,470
not a single Barker growl my grandfather

586
00:26:27,539 --> 00:26:26,180
listened for a little bit thinking the

587
00:26:31,229 --> 00:26:27,549
dogs fended off

588
00:26:33,330 --> 00:26:31,239

ever had tried and have an uneasy meal

589

00:26:36,029 --> 00:26:33,340

and I don't know where the horse started

590

00:26:39,180 --> 00:26:36,039

making awful noises like he was getting

591

00:26:40,859 --> 00:26:39,190

killed and he knew it without any second

592

00:26:42,930 --> 00:26:40,869

thought my grandfather jumped out of bed

593

00:26:45,960 --> 00:26:42,940

and grabbed his 45 caliber handgun and

594

00:26:47,609 --> 00:26:45,970

went outside it was getting light must

595

00:26:49,080 --> 00:26:47,619

have been almost 4:00

596

00:26:51,869 --> 00:26:49,090

close to morning he said he walked

597

00:26:54,330 --> 00:26:51,879

around the house of the stable and he

598

00:26:56,100 --> 00:26:54,340

said he froze in fear and terror when he

599

00:26:58,739 --> 00:26:56,110

saw what was trying to kill his horse

600

00:27:00,419 --> 00:26:58,749

all that came to him was just fear and

601
00:27:02,489 --> 00:27:00,429
disbelief from what he was witnessing

602
00:27:04,950 --> 00:27:02,499
when all of a sudden the horse started

603
00:27:06,539 --> 00:27:04,960
to cry again if that makes any sense and

604
00:27:08,909 --> 00:27:06,549
it brought my grandfather back to

605
00:27:12,119 --> 00:27:08,919
reality without warning he fired and hit

606
00:27:14,070 --> 00:27:12,129
it it must have been 15 yards away he

607
00:27:16,499 --> 00:27:14,080
aimed again for the body hitting it at

608
00:27:19,019 --> 00:27:16,509
least three times he fired all eight

609
00:27:22,200 --> 00:27:19,029
bullets the other five he shot randomly

610
00:27:24,450 --> 00:27:22,210
at the creature and it ran he said as

611
00:27:27,060 --> 00:27:24,460
soon as he hit it the first time he saw

612
00:27:30,149 --> 00:27:27,070
it released the horse's neck by dropping

613
00:27:32,489 --> 00:27:30,159

and opening its mouth and the claws came

614

00:27:35,099 --> 00:27:32,499

off the horses shoulders as best as I

615

00:27:37,859 --> 00:27:35,109

can describe it he said it was bigger

616

00:27:41,639 --> 00:27:37,869

than a dog way bigger easy four feet

617

00:27:44,070 --> 00:27:41,649

tall on all fours thin but yet you could

618

00:27:46,830 --> 00:27:44,080

see it was so powerful the way it fought

619

00:27:49,560 --> 00:27:46,840

the horse it controlled it with ease and

620

00:27:52,289 --> 00:27:49,570

the head was big almost like the horse's

621

00:27:55,320 --> 00:27:52,299

head with a long mouth not a lot of

622

00:27:59,009 --> 00:27:55,330

teeth but the few that it had were long

623

00:28:01,349 --> 00:27:59,019

and big not thin but like a cone he said

624

00:28:03,899 --> 00:28:01,359

the back legs were bigger than the front

625

00:28:06,960 --> 00:28:03,909

ones but the front ones had longer claws

626

00:28:09,180 --> 00:28:06,970

it look light gray under the moon it

627

00:28:11,639 --> 00:28:09,190

made a weird noise my grandfather says

628

00:28:14,340 --> 00:28:11,649

he can't describe almost like a cry with

629

00:28:17,129 --> 00:28:14,350

a painful howl like when a dog is being

630

00:28:19,349 --> 00:28:17,139

choked by the throat as it darted

631

00:28:21,359 --> 00:28:19,359

through the trees stumbling and breaking

632

00:28:24,180 --> 00:28:21,369

branches he never heard across the

633

00:28:26,129 --> 00:28:24,190

stream that ran alongside of the house

634

00:28:29,549 --> 00:28:26,139

the only explanation he could give us

635

00:28:31,729 --> 00:28:29,559

was that the thing cleared over the 35

636

00:28:34,979 --> 00:28:31,739

something foot wide stream without

637

00:28:36,419 --> 00:28:34,989

splashing or touching the water he

638

00:28:38,700 --> 00:28:36,429

thought that the thing had killed his

639

00:28:41,070 --> 00:28:38,710

dogs when he turned to go inside all

640

00:28:41,270 --> 00:28:41,080

shaken up from what just had happened

641

00:28:58,700 --> 00:28:41,280

the

642

00:29:01,640 --> 00:28:58,710

back leg with flesh hanging down its

643

00:29:03,470 --> 00:29:01,650

side and bottom of his stomach he went

644

00:29:06,920 --> 00:29:03,480

and got my grandmother and told her to

645

00:29:08,930 --> 00:29:06,930

help him put up the dogs that were hurt

646

00:29:11,120 --> 00:29:08,940

the next morning two dogs remained and

647

00:29:13,610 --> 00:29:11,130

one of the gashes on him didn't make it

648

00:29:16,280 --> 00:29:13,620

as well as the horse that died two days

649

00:29:17,900 --> 00:29:16,290

later he went in that night thinking it

650

00:29:20,270 --> 00:29:17,910

was the devil he had encountered but

651
00:29:22,160 --> 00:29:20,280
realized he was wrong he told me if he

652
00:29:24,740 --> 00:29:22,170
had shot the devil he wouldn't have ran

653
00:29:26,360 --> 00:29:24,750
he wouldn't have cried out in pain that

654
00:29:28,490 --> 00:29:26,370
was something else that night he said

655
00:29:30,380 --> 00:29:28,500
something I never imagined I would see

656
00:29:31,970 --> 00:29:30,390
or existed I don't blame the dogs for

657
00:29:35,420 --> 00:29:31,980
hiding either they were more brave than

658
00:29:37,250 --> 00:29:35,430
me he said fighting it physically they

659
00:29:39,080 --> 00:29:37,260
bear the scars of that night and I only

660
00:29:41,420 --> 00:29:39,090
have the memory of what I saw and shot

661
00:29:43,460 --> 00:29:41,430
I'm lucky I scared it off and not ticked

662
00:29:44,840 --> 00:29:43,470
it off it came charging if it came

663
00:29:47,750 --> 00:29:44,850

charging at me I wouldn't have grabbed

664

00:29:50,600 --> 00:29:47,760

my 3030 instead that night and aimed for

665

00:29:53,270 --> 00:29:50,610

that big head he smirked but things

666

00:29:55,490 --> 00:29:53,280

happen for a reason he said maybe one

667

00:29:59,440 --> 00:29:55,500

day he'll see it again this time he'll

668

00:30:00,860 --> 00:29:59,450

aim for the head and not with a handgun

669

00:30:02,900 --> 00:30:00,870

Wow

670

00:30:05,300 --> 00:30:02,910

absolutely that sounds like a chupacabra

671

00:30:06,980 --> 00:30:05,310

to me I don't know there's more to the

672

00:30:09,590 --> 00:30:06,990

story but I'll post it up on the site
