UFO reports from everywhere the first

16

00:00:54,200 --> 00:00:52,199

UFO sighting occurred in San Antonio

17

00:00:59,229 --> 00:00:54,210

Texas

18

00:01:05,350 --> 00:00:59,239

UFO blast from the past July 18 2013 and

19

00:01:11,060 --> 00:01:08,570

and more detail I have fallen asleep in

20

00:01:14,030 --> 00:01:11,070

my mom's bedroom from watching a movie

21

00:01:15,380 --> 00:01:14,040

with her I woke up after seeing a light

22

00:01:19,460 --> 00:01:15,390

turn on in the kitchen

23

00:01:22,789 --> 00:01:19,470

well aliens got a C for some reason it

24

00:01:27,170 --> 00:01:22,799

felt like time stopped it was like white

25

00:01:30,920 --> 00:01:27,180

noise and for some reason my mom nor the

26

00:01:34,069 --> 00:01:30,930

dogs were waking up I saw this entity

27

00:01:36,260 --> 00:01:34,079

that looked male he was picking up

28

00:01:39,160 --> 00:01:36,270

different things and staring at them for

29

00:01:41,450 --> 00:01:39,170

a bit before putting them back down I

30

00:01:44,630 --> 00:01:41,460

grabbed my bedside lamp

31

00:01:46,039 --> 00:01:44,640

fearing he was a thief he moved swiftly

32

00:01:49,550 --> 00:01:46,049

and quickly through the kitchen and

33

00:01:51,830 --> 00:01:49,560

living room before I knew it he was in

34

00:01:55,520 --> 00:01:51,840

the bedroom and my mom and the dogs were

35

00:01:58,459 --> 00:01:55,530

still not waking up I was holding the

36

00:01:59,240 --> 00:01:58,469

lamp over my chest trying to protect

37

00:02:03,530 --> 00:01:59,250

myself

38

00:02:06,530 --> 00:02:03,540

the man / alien moved closer towards me

39

00:02:09,020 --> 00:02:06,540

and I turned on the lamp that I was

40

00:02:11,330 --> 00:02:09,030

holding to my chest to see better

41

00:02:13,820 --> 00:02:11,340

thinking I might as well see the person

42

00:02:16,910 --> 00:02:13,830

that's about to hurt me

43

00:02:19,340 --> 00:02:16,920

it was weird he was probably like 510

44

00:02:22,520 --> 00:02:19,350

--is-- and half the body of a man and

45

00:02:26,150 --> 00:02:22,530

his face was like a human but the eyes

46

00:02:29,960 --> 00:02:26,160

were frightening his eyes were small

47

00:02:32,360 --> 00:02:29,970

slits and completely black and glassy he

48

00:02:36,110 --> 00:02:32,370

was wearing a completely black outfit

49

00:02:38,750 --> 00:02:36,120

long sleeves and pants he also didn't

50

00:02:40,580 --> 00:02:38,760

seem friendly he looked at me and gave

51

00:02:44,090 --> 00:02:40,590

me a creepy smile

52

00:02:44,540 --> 00:02:44,100

I felt very afraid like I had met him

53

00:02:48,380 --> 00:02:44,550

before

54

00:02:51,680 --> 00:02:48,390

and knew what was coming then he moved

55

00:02:54,380 --> 00:02:51,690

forward and touched me and everything

56

00:02:56,960 --> 00:02:54,390

went black and that's all I remember

57

00:02:59,510 --> 00:02:56,970

for some reason I had the strange

58

00:03:02,210 --> 00:02:59,520

feeling when I woke up that he was a

59

00:03:05,660 --> 00:03:02,220

hybrid I don't know what that means

60

00:03:09,110 --> 00:03:05,670

like half-human half-alien I also had a

61

00:03:13,040 --> 00:03:09,120

strange marking on my face that was very

62

00:03:16,870 --> 00:03:13,050

faint it was two blue hexagons near my

63

00:03:21,310 --> 00:03:16,880

mouth and I had light bruises on my body

64

00:03:25,430 --> 00:03:21,320

was also kind of sore hmm

65

00:03:28,720 --> 00:03:25,440

highly disturbing stuff the next UFO

66

00:03:35,050 --> 00:03:28,730

report black triangle sighting in

67

00:03:39,470 --> 00:03:35,060

Surprise Arizona really this occurred

68

00:03:42,410 --> 00:03:39,480

July 14 2016 while stargazing it

69

00:03:45,800 --> 00:03:42,420

suddenly looked as though a rip or wave

70

00:03:48,920 --> 00:03:45,810

clear in the sky showed itself then a

71

00:03:51,710 --> 00:03:48,930

very large triangular craft was now in

72

00:03:54,199 --> 00:03:51,720

my sight hovered over our house lurched

73

00:03:58,940 --> 00:03:54,209

forward to hover over a neighbor's house

74

00:04:02,720 --> 00:03:58,950

then shot out of sight due west my name

75

00:04:08,470 --> 00:04:02,730

is David and I testify this account is

76
00:04:11,960 --> 00:04:08,480
true and accurate no drug use or alcohol

77
00:04:15,470 --> 00:04:11,970
plays any part of this instance on the

78
00:04:18,680 --> 00:04:15,480
night of July 14th 2016 around 11:45

79
00:04:20,810 --> 00:04:18,690
p.m. I was tossing garbage out then

80
00:04:23,200 --> 00:04:20,820
decided to look up and a beautifully

81
00:04:26,029 --> 00:04:23,210
starlit clear night before turning in

82
00:04:27,129 --> 00:04:26,039
while cranking my neck straight up to

83
00:04:31,270 --> 00:04:27,139
view the Stars

84
00:04:35,409 --> 00:04:31,280
a sudden ripple like clear wave happened

85
00:04:38,679 --> 00:04:35,419
and instantly a huge dark triangular

86
00:04:41,140 --> 00:04:38,689
craft then appeared I watched with

87
00:04:45,670 --> 00:04:41,150
stunned amazement as this craft being

88
00:04:48,600 --> 00:04:45,680

about three houses big hovered about 800

89

00:04:51,249 --> 00:04:48,610

feet or so over me standing in place

90

00:04:54,070 --> 00:04:51,259

then after about a minute or two it

91

00:04:57,640 --> 00:04:54,080

lurched forward to hover over my

92

00:05:02,769 --> 00:04:57,650

neighbor's house after a minute or two

93

00:05:06,399 --> 00:05:02,779

or more it then very suddenly shot away

94

00:05:09,490 --> 00:05:06,409

due west the most curious factors of

95

00:05:11,709 --> 00:05:09,500

this event were that one it seemed as if

96

00:05:15,100 --> 00:05:11,719

this craft suddenly came out of a warp

97

00:05:17,679 --> 00:05:15,110

thus producing this tear or rip in the

98

00:05:19,990 --> 00:05:17,689

clear night sky and when it first

99

00:05:22,779 --> 00:05:20,000

appeared it blocked out a number of the

100

00:05:26,110 --> 00:05:22,789

stars I had been looking at so I knew it

101
00:05:29,079 --> 00:05:26,120
was something physical number two put

102
00:05:32,110 --> 00:05:29,089
off no noise at all number three

103
00:05:35,950 --> 00:05:32,120
appeared to be the same triangular shape

104
00:05:39,610 --> 00:05:35,960
as the atari asteroids craft with a

105
00:05:41,920 --> 00:05:39,620
slight scoop at the bottom number four

106
00:05:45,100 --> 00:05:41,930
each of the three corners of the craft

107
00:05:47,740 --> 00:05:45,110
had a very bright white light no beams

108
00:05:50,110 --> 00:05:47,750
or anything like that number five

109
00:05:53,350 --> 00:05:50,120
watching it shoot out of sight at such

110
00:05:55,869 --> 00:05:53,360
incredible speed holds true to just

111
00:06:00,450 --> 00:05:55,879
about every other sighting i've watched

112
00:06:03,760 --> 00:06:00,460
on history channels ancient aliens shows

113
00:06:06,519 --> 00:06:03,770

unless Luke Air Force Base has gotten

114

00:06:08,889 --> 00:06:06,529

their hands on something big none of our

115

00:06:12,429 --> 00:06:08,899

military craft can maneuver at such high

116

00:06:13,329 --> 00:06:12,439

speeds with no sound I didn't feel

117

00:06:16,570 --> 00:06:13,339

frightened at all

118

00:06:19,749 --> 00:06:16,580

but more intent on mentally capturing

119

00:06:22,689 --> 00:06:19,759

everything going on at that time I was

120

00:06:26,249 --> 00:06:22,699

terribly excited afterwards but felt

121

00:06:28,570 --> 00:06:26,259

unsure about reporting it immediately

122

00:06:31,510 --> 00:06:28,580

yeah that happens to a lot of people

123

00:06:35,980 --> 00:06:31,520

then next UFO sighting this happened in

124

00:06:37,449 --> 00:06:35,990

Marysville Washington December 21st 2017

125

00:06:40,790 --> 00:06:37,459

in brief the witness states

126
00:06:42,890 --> 00:06:40,800
I was outside in the morning when I just

127
00:06:45,860 --> 00:06:42,900
turned in and turned around and was

128
00:06:48,260 --> 00:06:45,870
right there so bright it's hard to look

129
00:06:52,339 --> 00:06:48,270
at then it jet it to the south leaving a

130
00:06:53,960 --> 00:06:52,349
orange heat trail behind it okay in more

131
00:06:56,960 --> 00:06:53,970
detail the witness dates on that morning

132
00:06:59,480 --> 00:06:56,970
I took the dogs out and smoked while I

133
00:07:02,210 --> 00:06:59,490
wait for them we have our deck on the

134
00:07:05,420 --> 00:07:02,220
second story the land is all cleared as

135
00:07:07,760 --> 00:07:05,430
housing project is going on next door I

136
00:07:10,999 --> 00:07:07,770
had my back to it when I turned around

137
00:07:13,490 --> 00:07:11,009
it was just sitting there around a

138
00:07:16,700 --> 00:07:13,500

hundred feet away and about that from

139

00:07:20,749 --> 00:07:16,710

the ground I don't know how long it was

140

00:07:22,370 --> 00:07:20,759

watching it makes no sound as I was

141

00:07:25,279 --> 00:07:22,380

looking at it almost seemed to get

142

00:07:26,839 --> 00:07:25,289

brighter it hurt my eyes almost like a

143

00:07:31,070 --> 00:07:26,849

cloaking light

144

00:07:34,610 --> 00:07:31,080

I couldn't define the shape then I'm

145

00:07:38,600 --> 00:07:34,620

sure it wanted me to see it and me to

146

00:07:41,180 --> 00:07:38,610

know it saw me as well all of a sudden

147

00:07:44,480 --> 00:07:41,190

it shot to the south and they very low

148

00:07:47,240 --> 00:07:44,490

oranges cloud leaving an intense orange

149

00:07:49,760 --> 00:07:47,250

streak like a meteor as it was leaving

150

00:07:52,760 --> 00:07:49,770

when it was farther away I could see the

151
00:07:55,430 --> 00:07:52,770
blue exhaust color right under the ship

152
00:07:57,709 --> 00:07:55,440
it helped me see the bottom outer rim

153
00:08:01,490 --> 00:07:57,719
shape and some brushed metal look and

154
00:08:03,529 --> 00:08:01,500
there was a small black area after it

155
00:08:06,709 --> 00:08:03,539
went out of my sight I kept looking

156
00:08:10,040 --> 00:08:06,719
it was way up it did a zigzag higher

157
00:08:13,969 --> 00:08:10,050
each time then moved in a half circle to

158
00:08:16,189 --> 00:08:13,979
the west as high as I could see it's odd

159
00:08:20,180 --> 00:08:16,199
because I was not filled with fear I did

160
00:08:22,279 --> 00:08:20,190
not want to closer I don't know what

161
00:08:24,800 --> 00:08:22,289
closer okay to get a better look because

162
00:08:26,300 --> 00:08:24,810
of my dogs I think they were looking at

163
00:08:29,029 --> 00:08:26,310

the construction site because of the

164

00:08:31,070 --> 00:08:29,039

artifacts the news mentioned it in

165

00:08:34,310 --> 00:08:31,080

passing the day after talking about

166

00:08:37,670 --> 00:08:34,320

broken cloud syndrome but I haven't seen

167

00:08:39,469 --> 00:08:37,680

that lady newscaster lately King five I

168

00:08:42,709 --> 00:08:39,479

think I don't know what I don't know

169

00:08:46,160 --> 00:08:42,719

what's person is talking about

170

00:08:48,619 --> 00:08:46,170

I just um you know people it's so

171

00:08:51,499 --> 00:08:48,629

awesome people do these reports we all

172

00:08:56,780 --> 00:08:51,509

173

00:09:00,110 --> 00:08:56,790

174

00:09:03,110 --> 00:09:00,120

good things it's so helpful to the world

175

00:09:05,509 --> 00:09:03,120

truly it truly it is uh-huh

176

00:09:08,569 --> 00:09:05,519

anyways moving on UFO sighting in

177

00:09:12,679 --> 00:09:08,579

Galveston Texas this occurred Christmas

178

00:09:15,019 --> 00:09:12,689

Day December twenty-fifth 2017 sighting

179

00:09:18,590 --> 00:09:15,029

picked up by camera when I stopped to

180

00:09:20,090 --> 00:09:18,600

take sunrise pictures over Gulf in more

181

00:09:22,759 --> 00:09:20,100

detail the witness states on Christmas

182

00:09:25,460 --> 00:09:22,769

morning approximately around 8:30 a.m.

183

00:09:28,220 --> 00:09:25,470

my husband and I were in Galveston Texas

184

00:09:31,040 --> 00:09:28,230

to celebrate with family we were driving

185

00:09:34,400 --> 00:09:31,050

down Seewald Boulevard approaching 61st

186

00:09:36,949 --> 00:09:34,410

Street I had my husband stopped he

187

00:09:39,050 --> 00:09:36,959

stopped our car facing the pier so I

188

00:09:40,850 --> 00:09:39,060

could get out and take pictures of the

189

00:09:43,699 --> 00:09:40,860

sunrise to send to other family members

190

00:09:45,740 --> 00:09:43,709

who were not in Galveston I stood on the

191

00:09:49,879 --> 00:09:45,750

seawall sidewalk taking a series of

192

00:09:51,530 --> 00:09:49,889

pictures with my Apple iPhone se I stood

193

00:09:54,470 --> 00:09:51,540

in the same place in position as I

194

00:09:56,030 --> 00:09:54,480

rapidly took several pictures later that

195

00:09:58,160 --> 00:09:56,040

evening when I was receiving the

196

00:09:59,030 --> 00:09:58,170

pictures I had taken that day I noticed

197

00:10:01,999 --> 00:09:59,040

the greenish

198

00:10:03,889 --> 00:10:02,009

orab on three of the pictures it was

199

00:10:06,110 --> 00:10:03,899

apparent it was moving eastward and

200

00:10:08,240 --> 00:10:06,120

upward when compared to the clouds and

201
00:10:11,179 --> 00:10:08,250
using the pier house as a reference

202
00:10:13,069 --> 00:10:11,189
point again I emphasized I stood still

203
00:10:16,400 --> 00:10:13,079
in the same position just taking photo

204
00:10:19,160 --> 00:10:16,410
after photo in quick succession when I

205
00:10:21,799 --> 00:10:19,170
enlarge the object I am able to see a

206
00:10:25,009 --> 00:10:21,809
grid pattern and what is either Windows

207
00:10:27,889 --> 00:10:25,019
or some type of white orbs docked on it

208
00:10:29,929 --> 00:10:27,899
I do notice in the succeeding pictures

209
00:10:32,299 --> 00:10:29,939
the white lights or orbs seems to be

210
00:10:33,590 --> 00:10:32,309
moving around the green object and are

211
00:10:36,470 --> 00:10:33,600
not stationary

212
00:10:39,199 --> 00:10:36,480
what a strange to both my husband and I

213
00:10:42,259 --> 00:10:39,209

is that neither of us saw this large

214

00:10:44,660 --> 00:10:42,269

object with our eyes he was facing the

215

00:10:46,610 --> 00:10:44,670

pier waiting for me in the car and I

216

00:10:49,819 --> 00:10:46,620

scouted out what I wanted in the

217

00:10:51,590 --> 00:10:49,829

pictures prior to taking them also no

218

00:10:54,439 --> 00:10:51,600

other pictures that I took that day or

219

00:10:56,420 --> 00:10:54,449

even later has this object showing so

220

00:10:59,090 --> 00:10:56,430

I've ruled out any

221

00:11:01,460 --> 00:10:59,100

juster dirt on my camera lens I'm

222

00:11:04,190 --> 00:11:01,470

attaching for pictures by time sequence

223

00:11:09,050 --> 00:11:04,200

the first picture has nothing showing

224

00:11:13,400 --> 00:11:09,060

the next three pictures do pop up Wow

225

00:11:14,750 --> 00:11:13,410

okay the next UFO sighting happened in

226

00:11:18,110 --> 00:11:14,760

Portland Oregon

227

00:11:19,730 --> 00:11:18,120

this occurred January 19 2018 in brief

228

00:11:21,949 --> 00:11:19,740

the witness states I was on the sixth

229

00:11:24,470 --> 00:11:21,959

floor of a building it was heading north

230

00:11:28,370 --> 00:11:24,480

elevation was higher than a helicopter a

231

00:11:31,340 --> 00:11:28,380

bit and moved less speed than a jet in

232

00:11:33,920 --> 00:11:31,350

more detail they stayed I was on the

233

00:11:36,680 --> 00:11:33,930

sixth floor of a building at the cross

234

00:11:38,329 --> 00:11:36,690

streets of alder and 10th Street the

235

00:11:41,300 --> 00:11:38,339

object was observed in the South East

236

00:11:43,940 --> 00:11:41,310

heading north the skies were close to

237

00:11:47,090 --> 00:11:43,950

the same gray and lead color of the

238

00:11:50,780 --> 00:11:47,100

object it was a sphere shape and had no

239

00:11:53,180 --> 00:11:50,790

lights that I'd seen the elevation it

240

00:11:55,910 --> 00:11:53,190

was traveling at about the normal height

241

00:11:58,310 --> 00:11:55,920

a helicopter would travel it was just a

242

00:12:01,400 --> 00:11:58,320

consistent speed but nothing extremely

243

00:12:03,110 --> 00:12:01,410

fast as it headed north and started to

244

00:12:06,320 --> 00:12:03,120

come over the building it seemed to be

245

00:12:08,930 --> 00:12:06,330

spinning I'm assuming cuz it was

246

00:12:11,810 --> 00:12:08,940

wobbling like a top when it starts to

247

00:12:15,079 --> 00:12:11,820

slow down I didn't take a video because

248

00:12:17,750 --> 00:12:15,089

I was in awe trying to figure out if I

249

00:12:20,180 --> 00:12:17,760

was seeing what I was seeing I don't

250

00:12:23,570 --> 00:12:20,190

have a logical reason of any device

251
00:12:25,400 --> 00:12:23,580
being able to fit the description no

252
00:12:29,110 --> 00:12:25,410
lights no propellers no blades no

253
00:12:35,360 --> 00:12:29,120
landing gear or anything just a sphere

254
00:12:38,720 --> 00:12:35,370
moving across the sky the next UFO

255
00:12:41,810 --> 00:12:38,730
report happened in Peterborough England

256
00:12:44,870 --> 00:12:41,820
this occurred January 7th 2018

257
00:12:48,319 --> 00:12:44,880
bright lights expanding in more detail

258
00:12:50,960 --> 00:12:48,329
the witness states I was standing in my

259
00:12:53,389 --> 00:12:50,970
back garden on the 7th of January 2018

260
00:12:57,199 --> 00:12:53,399
having a cigarette looking at the Stars

261
00:12:59,930 --> 00:12:57,209
out of the corner of my eye I saw what I

262
00:13:01,610 --> 00:12:59,940
thought at first was a plane as it was a

263
00:13:05,390 --> 00:13:01,620

bright light with lots of different

264

00:13:08,030 --> 00:13:05,400

colors underneath it I got my iPhone out

265

00:13:10,249 --> 00:13:08,040

and tried to take a picture of it I got

266

00:13:13,429 --> 00:13:10,259

a picture that just looked like a

267

00:13:17,929 --> 00:13:13,439

star but not rounded it was more like a

268

00:13:19,879 --> 00:13:17,939

teardrop shape facing sideways I told my

269

00:13:24,259 --> 00:13:19,889

wife and daughter and they got her

270

00:13:26,539 --> 00:13:24,269

camera which was a 30x optical zoom the

271

00:13:29,179 --> 00:13:26,549

pictures we took were really strange it

272

00:13:31,699 --> 00:13:29,189

moved in strange directions and even in

273

00:13:34,219 --> 00:13:31,709

one picture she took it moves so quick

274

00:13:37,669 --> 00:13:34,229

that she got a line of lights all

275

00:13:40,369 --> 00:13:37,679

different colors she then took more

276

00:13:42,379 --> 00:13:40,379

photos and she caught it as a light and

277

00:13:46,150 --> 00:13:42,389

then disappeared although in the photo

278

00:13:49,549 --> 00:13:46,160

it appeared dark in color and very large

279

00:13:51,650 --> 00:13:49,559

we took lots of photos in a video which

280

00:13:54,679 --> 00:13:51,660

it was shifting around all over the

281

00:13:58,549 --> 00:13:54,689

place we came in as it was getting cold

282

00:14:02,509 --> 00:13:58,559

outside that was about 7:30 p.m. we went

283

00:14:04,369 --> 00:14:02,519

back outside about 2 hours later and it

284

00:14:07,219 --> 00:14:04,379

had slightly moved to the south but

285

00:14:09,169 --> 00:14:07,229

still doing the same thing flashing lots

286

00:14:11,509 --> 00:14:09,179

of colors and then disappearing and

287

00:14:16,249 --> 00:14:11,519

coming back to a bright white light with

288

00:14:19,460 --> 00:14:16,259

lots of colors underneath ok next one

289

00:14:23,299 --> 00:14:19,470

you feel sighting in BO Washington

290

00:14:26,449 --> 00:14:23,309

this occurred January 14 2018 took a 30

291

00:14:31,449 --> 00:14:26,459

second shutter speed picture object

292

00:14:33,189 --> 00:14:31,459

puttered like a Jetson mobile array

293

00:14:38,210 --> 00:14:33,199

that's funny

294

00:14:40,729 --> 00:14:38,220

for 19 a.m. went out to take star

295

00:14:44,059 --> 00:14:40,739

pictures when I started taking a 30

296

00:14:49,009 --> 00:14:44,069

second shutter speed picture I saw an

297

00:14:53,090 --> 00:14:49,019

almost typical UFO shaped UFO puttering

298

00:14:55,849 --> 00:14:53,100

I love that word along in the sky slower

299

00:14:59,599 --> 00:14:55,859

than a shooting star but faster than

300

00:15:01,220 --> 00:14:59,609

planes and it was literally this is New

the picture does do justice it was like

316

00:15:43,350 --> 00:15:40,780

15 or 20 seconds long I couldn't wait to

317

00:15:48,510 --> 00:15:43,360

see if I caught it on camera and I did

318

00:15:55,710 --> 00:15:52,530

I'm looking at this photo and wow it

319

00:15:58,260 --> 00:15:55,720

really did kind of putter it's really

320

00:16:00,360 --> 00:15:58,270

kind of kind of interesting you guys go

321

00:16:04,200 --> 00:16:00,370

check that one out all right the next

322

00:16:08,270 --> 00:16:04,210

one alien encounter in Los Angeles

323

00:16:11,970 --> 00:16:08,280

California this occurred September 30th

324

00:16:14,430 --> 00:16:11,980

1976 I was alone in the park was

325

00:16:17,100 --> 00:16:14,440

startled and began running up a hill and

326

00:16:20,010 --> 00:16:17,110

the target I was running toward kept

327

00:16:22,440 --> 00:16:20,020

getting farther and farther away oh

328

00:16:24,930 --> 00:16:22,450

that's a nightmare alright in more

329

00:16:26,940 --> 00:16:24,940

detail one fall day when I was seven

330

00:16:29,220 --> 00:16:26,950

years old I walked to the park like I

331

00:16:31,350 --> 00:16:29,230

always did as a kid looking for kids to

332

00:16:34,260 --> 00:16:31,360

play football with but the park was

333

00:16:36,150 --> 00:16:34,270

virtually empty when I got there as I

334

00:16:38,640 --> 00:16:36,160

walked east across the large playing

335

00:16:41,850 --> 00:16:38,650

field toward a road that led to the

336

00:16:45,240 --> 00:16:41,860

parks craft center I was startled by

337

00:16:48,630 --> 00:16:45,250

something I'm not sure what and I began

338

00:16:51,150 --> 00:16:48,640

running desperately up a slope but the

339

00:16:54,120 --> 00:16:51,160

target I was running toward kept getting

340

00:16:56,990 --> 00:16:54,130

further and further away from me almost

341

00:17:00,690 --> 00:16:57,000

as if I was in some sort of time tunnel

342

00:17:03,990 --> 00:17:00,700

the next thing I know I'm on the swings

343

00:17:07,260 --> 00:17:04,000

on the other side of the park not long

344

00:17:09,660 --> 00:17:07,270

after that maybe a few days I suppose my

345

00:17:13,500 --> 00:17:09,670

mother and I noticed an odd circular

346

00:17:16,380 --> 00:17:13,510

shaped indentation on the top of my

347

00:17:21,120 --> 00:17:16,390

thumb that was not caused by trauma and

348

00:17:25,530 --> 00:17:21,130

had not been there previously that mark

349

00:17:29,310 --> 00:17:25,540

is still on my thumb to this day 42

350

00:17:31,290 --> 00:17:29,320

years later this profound event that I

351

00:17:33,490 --> 00:17:31,300

think of every time I look at my thumb

352

00:17:35,770 --> 00:17:33,500

is as fresh in my mind

353

00:17:38,080 --> 00:17:35,780

as if it happened yesterday it'sa

354

00:17:39,130 --> 00:17:38,090

dentally there are three large

355

00:17:44,830 --> 00:17:39,140

powerlines

356

00:17:47,050 --> 00:17:44,840

adjacent to the event location hmm alien

357

00:17:50,980 --> 00:17:47,060

encounters are always so freaky all

358

00:17:53,560 --> 00:17:50,990

right the next encounter or UFO sighting

359

00:17:56,890 --> 00:17:53,570

we don't know okay it was a sighting in

360

00:17:58,720 --> 00:17:56,900

roughen North Carolina who is another

361

00:18:02,350 --> 00:17:58,730

UFO blast from the past

362

00:18:05,800 --> 00:18:02,360

this happened December 31st 1976 in

363

00:18:08,500 --> 00:18:05,810

brief they describe seven red objects

364

00:18:10,720 --> 00:18:08,510

ejected from a larger white object and

365

00:18:13,330 --> 00:18:10,730

followed the larger object in the

366

00:18:17,200 --> 00:18:13,340

straight-line formation until out of

367

00:18:19,330 --> 00:18:17,210

sight in more detail in January of 1977

368

00:18:22,420 --> 00:18:19,340

two friends and I were driving home

369

00:18:24,970 --> 00:18:22,430

after visiting a friend it was around 11

370

00:18:27,790 --> 00:18:24,980

p.m. and we pulled off the road parked

371

00:18:30,730 --> 00:18:27,800

the car and stood outside the vehicle to

372

00:18:34,660 --> 00:18:30,740

observe after noticing a red object

373

00:18:37,420 --> 00:18:34,670

eject from a larger white object while

374

00:18:37,810 --> 00:18:37,430

observing from outside the car every few

375

00:18:40,600 --> 00:18:37,820

minutes

376

00:18:43,150 --> 00:18:40,610

another red object was ejected from the

377

00:18:46,050 --> 00:18:43,160

larger white object until there were

378

00:18:48,790 --> 00:18:46,060

seven red objects of the same size

379

00:18:53,080 --> 00:18:48,800

following the larger white object across

380

00:18:54,850 --> 00:18:53,090

the sky in a straight line formation we

381

00:18:57,250 --> 00:18:54,860

continued to observe for approximately

382

00:18:59,710 --> 00:18:57,260

20 minutes until all of the objects

383

00:19:02,680 --> 00:18:59,720

passed into the distance and out of

384

00:19:05,800 --> 00:19:02,690

sight the white object and red objects

385

00:19:07,900 --> 00:19:05,810

all appeared to be round shaped they

386

00:19:11,010 --> 00:19:07,910

also appeared to be at about the same

387

00:19:13,390 --> 00:19:11,020

distance from us as planes normally fly

388

00:19:14,770 --> 00:19:13,400

when we first noticed the white object

389

00:19:18,430 --> 00:19:14,780

we assumed that it was an airplane

390

00:19:20,350 --> 00:19:18,440

however after observing the first red

391

00:19:22,990 --> 00:19:20,360

object eject from the larger white

392

00:19:26,740 --> 00:19:23,000

object we were amazed and pulled off the

393

00:19:29,050 --> 00:19:26,750

road to observe wow standing outside

394

00:19:30,760 --> 00:19:29,060

we became fascinated as additional red

395

00:19:34,210 --> 00:19:30,770

objects ejected from the larger white

396

00:19:39,070 --> 00:19:34,220

object every few minutes until seven red

397

00:19:41,020 --> 00:19:39,080

objects were present and they followed

398

00:19:43,240 --> 00:19:41,030

the larger white object in a straight

399

00:19:45,700 --> 00:19:43,250

line formation across the sky until they

400

00:19:47,020 --> 00:19:45,710

pass out of sight the entire event

401
00:19:49,750 --> 00:19:47,030
lasted approximately

402
00:19:51,760 --> 00:19:49,760
twenty minutes afterwards we discussed

403
00:19:53,230 --> 00:19:51,770
and speculated concerning whether the

404
00:19:56,110 --> 00:19:53,240
objects were related to military

405
00:19:58,990 --> 00:19:56,120
government aircraft are possibly even

406
00:20:00,700 --> 00:19:59,000
extraterrestrial in origin we have

407
00:20:02,560 --> 00:20:00,710
discussed it many times through the

408
00:20:05,110 --> 00:20:02,570
years and considered reporting the event

409
00:20:07,570 --> 00:20:05,120
years ago this is the first time that I

410
00:20:09,190 --> 00:20:07,580
have reported the experience although I

411
00:20:11,550 --> 00:20:09,200
have described it to friends and

412
00:20:14,260 --> 00:20:11,560
relatives throughout the years I

413
00:20:16,690 --> 00:20:14,270

discussed the event with a local physics

414

00:20:18,760 --> 00:20:16,700

professor during the mid-90s and he

415

00:20:21,790 --> 00:20:18,770

revealed that he had witnessed a

416

00:20:25,420 --> 00:20:21,800

disc-shaped object hover over a rock

417

00:20:28,570 --> 00:20:25,430

quarry on the same County Road that our

418

00:20:30,160 --> 00:20:28,580

experience occurred he also pulled off

419

00:20:32,020 --> 00:20:30,170

of the side of the road and observed the

420

00:20:35,050 --> 00:20:32,030

object until it departed and an

421

00:20:37,240 --> 00:20:35,060

unusually fast rate of speed there was

422

00:20:40,090 --> 00:20:37,250

also a story passed around for years

423

00:20:40,840 --> 00:20:40,100

concerning a close encounter on the same

424

00:20:45,630 --> 00:20:40,850

Road

425

00:20:49,180 --> 00:20:45,640

dating back to 1929 well holy canoli

426
00:20:53,110 --> 00:20:49,190
with two beings entering a disc-shaped

427
00:20:58,350 --> 00:20:53,120
craft and taking off and an amazing rate

428
00:21:02,080 --> 00:20:58,360
of speed that's just so interesting Road

429
00:21:05,190 --> 00:21:02,090
alright the next alien encounter

430
00:21:10,540 --> 00:21:05,200
occurred in North st. Paul Minnesota

431
00:21:12,600 --> 00:21:10,550
this happened January 14 2017 okay and

432
00:21:15,880 --> 00:21:12,610
brief the witness states it's an angel

433
00:21:18,700 --> 00:21:15,890
coming into view and accelerating while

434
00:21:22,210 --> 00:21:18,710
leaving a contrail noticed it in

435
00:21:24,010 --> 00:21:22,220
pictures the next day in slight more

436
00:21:27,700 --> 00:21:24,020
detail I was taking pictures of the

437
00:21:29,380 --> 00:21:27,710
bright moon it was cold and clear I was

438
00:21:31,600 --> 00:21:29,390

really just messing with my phone's

439

00:21:34,390 --> 00:21:31,610

camera settings while leaning on my car

440

00:21:37,630 --> 00:21:34,400

I took several pictures notice that

441

00:21:39,910 --> 00:21:37,640

thing the next day compared to the

442

00:21:45,730 --> 00:21:39,920

helicopters and airplanes this thing was

443

00:21:49,240 --> 00:21:45,740

in sight much longer from 11:51 to 1153

444

00:21:52,090 --> 00:21:49,250

so that's the potential of 90 seconds

445

00:21:55,510 --> 00:21:52,100

this thing was in sight normal aircraft

446

00:21:59,380 --> 00:21:55,520

cover the field of view in like 30 to 40

447

00:22:00,120 --> 00:21:59,390

seconds oh yeah I see lots of weird

448

00:22:01,700 --> 00:22:00,130

stuff

449

00:22:05,390 --> 00:22:01,710

okay I don't know what that all means

450

00:22:09,720 --> 00:22:05,400

[Laughter]

451
00:22:12,270 --> 00:22:09,730
moving on from the UFO reports and a

452
00:22:15,090 --> 00:22:12,280
touch on a paranormal point because it's

453
00:22:16,110 --> 00:22:15,100
always fun to dabble a little bit into

454
00:22:20,460 --> 00:22:16,120
all this isn't it

455
00:22:24,680 --> 00:22:20,470
all right so this paranormal article is

456
00:22:28,230 --> 00:22:24,690
entitled little creatures from Mexico

457
00:22:31,830 --> 00:22:28,240
and this person shares their personal

458
00:22:34,770 --> 00:22:31,840
story and they begin my mother has told

459
00:22:37,590 --> 00:22:34,780
me this story various times especially

460
00:22:39,630 --> 00:22:37,600
since it's one of my favorites not too

461
00:22:42,540 --> 00:22:39,640
long ago around 2 to 3 years ago my

462
00:22:44,970 --> 00:22:42,550
mother received a phone call late in the

463
00:22:47,670 --> 00:22:44,980

evening from a relative in Mexico I

464

00:22:50,400 --> 00:22:47,680

asked her what it was about and she told

465

00:22:51,630 --> 00:22:50,410

me she would tell me in the morning the

466

00:22:55,170 --> 00:22:51,640

next day I asked her about it she

467

00:22:56,820 --> 00:22:55,180

replied in Spanish if I tell you you

468

00:22:59,580 --> 00:22:56,830

better not come to me at night saying

469

00:23:01,950 --> 00:22:59,590

you're scared

470

00:23:05,340 --> 00:23:01,960

I immediately promised that I wouldn't

471

00:23:07,380 --> 00:23:05,350

but of course that was a lie and even as

472

00:23:10,650 --> 00:23:07,390

a grown adult I still seek her

473

00:23:14,670 --> 00:23:10,660

protection when I'm scared she told me

474

00:23:16,380 --> 00:23:14,680

in that her niece who was an infant was

475

00:23:17,880 --> 00:23:16,390

staying at my grandma's house for a

476
00:23:20,790 --> 00:23:17,890
while and one day in the middle of the

477
00:23:23,990 --> 00:23:20,800
night my grandma my uncle and aunts

478
00:23:27,900 --> 00:23:24,000
awoke to the sound of small bells

479
00:23:31,820 --> 00:23:27,910
laughter and the sound of feet running

480
00:23:34,590 --> 00:23:31,830
around her small abode house in Mexico

481
00:23:37,830 --> 00:23:34,600
duendes are known to make these sounds

482
00:23:40,620 --> 00:23:37,840
and are notorious for claiming the souls

483
00:23:43,530 --> 00:23:40,630
of children especially when the child

484
00:23:46,110 --> 00:23:43,540
had not been properly protected while

485
00:23:48,980 --> 00:23:46,120
having crossed a river with their

486
00:23:51,540 --> 00:23:48,990
parents wow I never heard of such thing

487
00:23:54,150 --> 00:23:51,550
earlier they had passed by the river

488
00:23:56,700 --> 00:23:54,160

near my grandma's house without even

489

00:24:00,180 --> 00:23:56,710

bothering to protect the child from the

490

00:24:02,490 --> 00:24:00,190

duendes they had forgotten the words of

491

00:24:06,270 --> 00:24:02,500

advice from many elders who have told

492

00:24:09,410 --> 00:24:06,280

them adults are usually warned not to

493

00:24:12,750 --> 00:24:09,420

bring children in or around rivers since

494

00:24:13,529 --> 00:24:12,760

channels de Winne des goblins elves no

495

00:24:16,320 --> 00:24:13,539

man

496

00:24:21,450 --> 00:24:16,330

gnomes are notorious for kidnapping

497

00:24:23,430 --> 00:24:21,460

children and oftentimes infants Souls if

498

00:24:25,700 --> 00:24:23,440

a person were to cross the river with

499

00:24:30,149 --> 00:24:25,710

their child or infant without saying

500

00:24:33,149 --> 00:24:30,159

quote don't stay in the river or the

501
00:24:34,979 --> 00:24:33,159
channels will take you the infant soul

502
00:24:37,409 --> 00:24:34,989
is usually stuck in the river and the

503
00:24:39,690 --> 00:24:37,419
infant will cry throughout the night

504
00:24:44,239 --> 00:24:39,700
until the day when des goblins elves and

505
00:24:46,710 --> 00:24:44,249
Chanos retrieve the infant from its home

506
00:24:48,479 --> 00:24:46,720
disturbing in order to prevent this from

507
00:24:50,820 --> 00:24:48,489
happening you must go back with the

508
00:24:54,029 --> 00:24:50,830
infant and speak those words at the

509
00:24:56,869 --> 00:24:54,039
river you crossed with the child in arms

510
00:24:59,070 --> 00:24:56,879
there is also a plant called a jor-el

511
00:25:01,979 --> 00:24:59,080
which grows along the rivers that

512
00:25:04,710 --> 00:25:01,989
protects a child's soul from staying in

513
00:25:07,619 --> 00:25:04,720

the river according to many elders the

514

00:25:11,129 --> 00:25:07,629

infant child must be wearing it for the

515

00:25:13,080 --> 00:25:11,139

chant in the words to work my aunts and

516

00:25:15,960 --> 00:25:13,090

uncles had ignored the sounds of the

517

00:25:17,519 --> 00:25:15,970

Chanos and had fallen back asleep since

518

00:25:21,269 --> 00:25:17,529

they had thought nothing of it at the

519

00:25:24,629 --> 00:25:21,279

time the next morning they had found her

520

00:25:26,700 --> 00:25:24,639

by the door the grandma believes the

521

00:25:29,369 --> 00:25:26,710

channel's tried taking her back to the

522

00:25:31,409 --> 00:25:29,379

river since it was impossible for the

523

00:25:34,739 --> 00:25:31,419

newborn to crawl from her mother's bed

524

00:25:37,950 --> 00:25:34,749

to the door that was near the other side

525

00:25:39,690 --> 00:25:37,960

of the house I honestly fear these

526

00:25:42,060 --> 00:25:39,700

creatures and knowing I will have to

527

00:25:42,919 --> 00:25:42,070

visit my grandma one day gives me the

528

00:25:45,419 --> 00:25:42,929

chills

529

00:25:48,810 --> 00:25:45,429

especially since aliens - when des

530

00:25:51,089 --> 00:25:48,820

demons Lu chuza and pretty much anything

531

00:25:55,279 --> 00:25:51,099

you could think of our known inhabitants

532

00:26:00,029 --> 00:25:55,289

of that rural area in which they live

533

00:26:03,330 --> 00:26:00,039

all right the next paranormal story to

534

00:26:06,149 --> 00:26:03,340

share it's called strange creature in

535

00:26:08,789 --> 00:26:06,159

the forests of Mexico when there's a lot

536

00:26:11,279 --> 00:26:08,799

of stuff going on down there and this

537

00:26:13,950 --> 00:26:11,289

person shares I live near the coast of

538

00:26:16,379 --> 00:26:13,960

California and I'm 14 years old recently

539

00:26:18,560 --> 00:26:16,389

around 2 weeks ago me and my cousin and

540

00:26:21,509 --> 00:26:18,570

little brother decided to go camping

541

00:26:24,210 --> 00:26:21,519

overall it's a start we were having a

542

00:26:26,400 --> 00:26:24,220

fun time and we're making jokes and

543

00:26:29,100 --> 00:26:26,410

eating junk food like ha

544

00:26:32,100 --> 00:26:29,110

Cheetos until we heard hot cheetos until

545

00:26:36,510 --> 00:26:32,110

we heard slight cracking noises like an

546

00:26:39,060 --> 00:26:36,520

anvil was falling on sticks oh wow and

547

00:26:41,160 --> 00:26:39,070

that got us alarmed and as we thought a

548

00:26:43,920 --> 00:26:41,170

bear was going to attack us

549

00:26:46,590 --> 00:26:43,930

so my cousin went out was a big hunting

550

00:26:49,320 --> 00:26:46,600

knife when I mean big I mean 16 and a

551
00:26:51,830 --> 00:26:49,330
half inch hunting knife made with the

552
00:26:57,510 --> 00:26:51,840
most durable materials but he came back

553
00:27:02,340 --> 00:26:57,520
screaming and tearing up he told me that

554
00:27:05,790 --> 00:27:02,350
he saw a white pale creature with really

555
00:27:08,730 --> 00:27:05,800
long bony fingers that ended in points

556
00:27:12,330 --> 00:27:08,740
he said it moved like a dog and look

557
00:27:16,820 --> 00:27:12,340
like one except it had no tail or ears

558
00:27:19,860 --> 00:27:16,830
not even fur then he described it as

559
00:27:22,350 --> 00:27:19,870
horrifying and disfigured which I

560
00:27:25,950 --> 00:27:22,360
believed him the way he was talking so

561
00:27:28,440 --> 00:27:25,960
smoothly and how he was acting but part

562
00:27:31,110 --> 00:27:28,450
of me did not want to believe the story

563
00:27:33,150 --> 00:27:31,120

he was saying it sounded like something

564

00:27:36,690 --> 00:27:33,160

made up like something your grandpa

565

00:27:40,500 --> 00:27:36,700

would tell you at this point we were

566

00:27:43,200 --> 00:27:40,510

freaking out all of us were I wanted to

567

00:27:45,510 --> 00:27:43,210

get the heck out of there so we were

568

00:27:49,710 --> 00:27:45,520

packing up at 8:30 p.m. and we almost

569

00:27:52,800 --> 00:27:49,720

finished up by 9 p.m. at that moment we

570

00:27:54,420 --> 00:27:52,810

were happy to be almost done so we just

571

00:27:57,150 --> 00:27:54,430

sat in our tents to take a break

572

00:27:59,430 --> 00:27:57,160

horrified and all but at the same time

573

00:28:03,720 --> 00:27:59,440

we felt like something was moving and

574

00:28:05,160 --> 00:28:03,730

the panic got worse when we started to

575

00:28:07,560 --> 00:28:05,170

head out of the forest we heard

576

00:28:08,130 --> 00:28:07,570

something and my cousin forgot his

577

00:28:11,370 --> 00:28:08,140

called

578

00:28:14,160 --> 00:28:11,380

ar-15 at our house he left under the bed

579

00:28:18,180 --> 00:28:14,170

now I was scared to see what he

580

00:28:20,600 --> 00:28:18,190

described and there it was looking at me

581

00:28:23,880 --> 00:28:20,610

and my cousin and brother my cousin

582

00:28:26,070 --> 00:28:23,890

dropped his knife at the sight of the

583

00:28:29,940 --> 00:28:26,080

thing too scared to even try attacking

584

00:28:33,660 --> 00:28:29,950

it we saw it from a tree it screeched

585

00:28:35,730 --> 00:28:33,670

and ran it seemed like an hour of

586

00:28:38,310 --> 00:28:35,740

staring at this thing so we packed up

587

00:28:39,810 --> 00:28:38,320

the rest of our stuff quickly and ran to

588

00:28:41,970 --> 00:28:39,820

the car I

589

00:28:45,270 --> 00:28:41,980

we'll never forget what I'd seen and I

590

00:28:47,310 --> 00:28:45,280

never want to see it again so that's why

591

00:28:51,720 --> 00:28:47,320

when we go camping in a few months I'll

592

00:28:52,980 --> 00:28:51,730

make sure my cousin brings his cult so

593

00:28:58,260 --> 00:28:52,990

if we see that thing again

594

00:29:01,110 --> 00:28:58,270

we will try shooting it I would never go

595

00:29:04,470 --> 00:29:01,120

camping again I don't know what the heck

596

00:29:06,870 --> 00:29:04,480

what I have never heard of such a

597

00:29:10,020 --> 00:29:06,880

creature that is a really yucky sounding

598

00:29:12,920 --> 00:29:10,030

thing Chupacabra anybody I mean I don't

599

00:29:15,630 --> 00:29:12,930

know this is this is gross yuck a

600

camping know it's like people who go

602

off or something I don't know

603
00:29:27,600 --> 00:29:23,410
extraordinarily brave or extraordinarily

604
00:29:29,130 --> 00:29:27,610
