

Thomas Creal & Paul Davids | Black Money & CIA Mind-Control

Listen on

inceptionradionetwork.com

1
00:00:03,050 --> 00:00:01,189
well it's good to be back with you again

2
00:00:05,480 --> 00:00:03,060
for an addition the Kevin cook show I

3
00:00:07,099 --> 00:00:05,490
got Heidi Hollis on board and we've got

4
00:00:10,430 --> 00:00:07,109
two different guests tonight so the

5
00:00:14,780 --> 00:00:10,440
first one is Thomas creel and he's a an

6
00:00:16,490 --> 00:00:14,790
expert in the money laundering and I

7
00:00:19,400 --> 00:00:16,500
have a lot of experience and well not

8
00:00:21,050 --> 00:00:19,410
personal experience but people I've been

9
00:00:25,429 --> 00:00:21,060
associated with there were very great

10
00:00:28,339 --> 00:00:25,439
money laughter's tonight that's cool no

11
00:00:31,910 --> 00:00:28,349
we're talking about poster people's amad

12
00:00:34,670 --> 00:00:31,920
to me but my my evil ex brother-in-law

13
00:00:37,060 --> 00:00:34,680

our pseudo brother-in-law was he still

14

00:00:39,830 --> 00:00:37,070

wanted money for the mob of course and

15

00:00:43,400 --> 00:00:39,840

you know this family business and

16

00:00:45,049 --> 00:00:43,410

anything right so I I always a found

17

00:00:46,850 --> 00:00:45,059

money blogging very interesting and then

18

00:00:49,549 --> 00:00:46,860

the second half we have Paul David's

19

00:00:54,350 --> 00:00:49,559

David's on and he's written a book

20

00:00:57,560 --> 00:00:54,360

series all kinds of things I mean this

21

00:01:06,080 --> 00:00:57,570

guy blowing America's mind the CIA mind

22

00:01:08,750 --> 00:01:06,090

control drugs LSD in Princeton so yes

23

00:01:09,740 --> 00:01:08,760

yes it does so any rate you know I but

24

00:01:10,940 --> 00:01:09,750

you know I always kind of found

25

00:01:14,750 --> 00:01:10,950

money-laundering interesting you know

26

00:01:17,600 --> 00:01:14,760

it's just a little deal but there's lots

27

00:01:21,380 --> 00:01:17,610

of good guests I mean good news stories

28

00:01:24,350 --> 00:01:21,390

rather and one of the things I know

29

00:01:28,060 --> 00:01:24,360

you'll probably be just gaga over the

30

00:01:32,810 --> 00:01:28,070

Damn You Grammy Awards last night but I

31

00:01:35,240 --> 00:01:32,820

missed it oh what a heartbreak believe

32

00:01:36,980 --> 00:01:35,250

me didn't miss much I will say this

33

00:01:39,100 --> 00:01:36,990

before I say the rest of the stuff I'm

34

00:01:42,319 --> 00:01:39,110

going to say about him the very best

35

00:01:45,560 --> 00:01:42,329

without question no doubt take it to the

36

00:01:47,870 --> 00:01:45,570

bank artists and good-looking was was

37

00:01:52,789 --> 00:01:47,880

Lady gaga I've never seen her look any

38

00:01:55,190 --> 00:01:52,799

better in my life that lady she I did a

39

00:01:57,550 --> 00:01:55,200

piano song to start the show and that

40

00:02:00,469 --> 00:01:57,560

was the highlight of the show and OH

41

00:02:03,260 --> 00:02:00,479

concert she's amazing she's so talented

42

00:02:05,600 --> 00:02:03,270

I don't know what she did to her skin

43

00:02:07,999 --> 00:02:05,610

but it's like a sandblasted I mean I

44

00:02:11,960 --> 00:02:08,009

mean she's not an old person no but I

45

00:02:12,480 --> 00:02:11,970

mean she had like covered her all kind

46

00:02:13,980 --> 00:02:12,490

of skin

47

00:02:16,230 --> 00:02:13,990

I don't know what the heck they did

48

00:02:17,280 --> 00:02:16,240

sandblaster down in the back whatever

49

00:02:19,320 --> 00:02:17,290

but she looked really better than I've

50

00:02:22,590 --> 00:02:19,330

ever seen her and she did an excellent

51
00:02:25,650 --> 00:02:22,600
excellent vocals I really wanted to see

52
00:02:26,280 --> 00:02:25,660
it on my DVR and it deleted it for no

53
00:02:28,800 --> 00:02:26,290
good reason

54
00:02:34,110 --> 00:02:28,810
rotten good friendly service I was so

55
00:02:35,760 --> 00:02:34,120
ticked I've seen some of the highlights

56
00:02:38,880 --> 00:02:35,770
but I mean she always puts on a

57
00:02:41,250 --> 00:02:38,890
fantastic show she's super talented well

58
00:02:43,590 --> 00:02:41,260
she was like I say the the best of the

59
00:02:45,180 --> 00:02:43,600
lot but she didn't really enter into the

60
00:02:47,280 --> 00:02:45,190
picture much and I did like Little Big

61
00:02:52,440 --> 00:02:47,290
Town they're pretty good I had there one

62
00:02:54,090 --> 00:02:52,450
of my favorite country groups but of you

63
00:02:57,120 --> 00:02:54,100

two are in the barge performing I

64

00:02:58,620 --> 00:02:57,130

thought that'd look neat well I mean you

65

00:03:00,180 --> 00:02:58,630

know there's some good little spots but

66

00:03:01,860 --> 00:03:00,190

what I'm saying what great news they

67

00:03:06,420 --> 00:03:01,870

were trying to politicize it by knocking

68

00:03:08,580 --> 00:03:06,430

poor downtrodden Trump and I know I know

69

00:03:12,930 --> 00:03:08,590

truck they even had Hillary Clinton on

70

00:03:15,420 --> 00:03:12,940

there oh that was hilarious I did see

71

00:03:17,520 --> 00:03:15,430

that I was rolling that was funny

72

00:03:19,350 --> 00:03:17,530

all that's ridiculous one of these

73

00:03:22,260 --> 00:03:19,360

Grammy Award weasels trying to

74

00:03:24,360 --> 00:03:22,270

politicize the Grammys for if they

75

00:03:26,670 --> 00:03:24,370

didn't it would have been like where

76

00:03:29,340 --> 00:03:26,680

where are they in the universe they had

77

00:03:33,090 --> 00:03:29,350

to sew a lot in the news every day it's

78

00:03:36,600 --> 00:03:33,100

changing it's like sports what's that

79

00:03:38,490 --> 00:03:36,610

got to do with a bunch of singers I yeah

80

00:03:40,650 --> 00:03:38,500

I don't know I mean they try to use

81

00:03:42,090 --> 00:03:40,660

their platform of course these things

82

00:03:44,220 --> 00:03:42,100

and then they had a white guy at the

83

00:03:46,640 --> 00:03:44,230

very end it was some kind of wannabe

84

00:03:51,960 --> 00:03:46,650

rapper and he was trying to push

85

00:03:54,480 --> 00:03:51,970

unfettered immigration who's that I

86

00:03:56,640 --> 00:03:54,490

don't know no wasn't Eminem was some guy

87

00:03:58,560 --> 00:03:56,650

nobody's ever heard of that I don't know

88

00:04:04,980 --> 00:03:58,570

where he came out of but some new new

89

00:04:06,150 --> 00:04:04,990

guy doesn't matter it doesn't was just

90

00:04:07,260 --> 00:04:06,160

you don't see that many white rappers

91

00:04:08,610 --> 00:04:07,270

but there's a few yeah

92

00:04:10,530 --> 00:04:08,620

but what I'm saying is I don't care

93

00:04:15,000 --> 00:04:10,540

whether he was a green rapper he I mean

94

00:04:18,570 --> 00:04:15,010

he's he's saying he wants an ended you

95

00:04:22,350 --> 00:04:18,580

know unfettered immigration I don't how

96

00:04:24,150 --> 00:04:22,360

most people don't I mean yes well maybe

97

00:04:25,830 --> 00:04:24,160

for making millions of dollars as a rap

98

00:04:28,230 --> 00:04:25,840

star you can you

99

00:04:30,600 --> 00:04:28,240

you don't care but frankly if if you had

100

00:04:32,310 --> 00:04:30,610

hundreds of Mexican rappers coming up

101
00:04:34,530 --> 00:04:32,320
here sucking up your jobs you'd probably

102
00:04:38,070 --> 00:04:34,540
care all over the place which is a crazy

103
00:04:40,170 --> 00:04:38,080
idea but who knows but any rate so much

104
00:04:42,450 --> 00:04:40,180
for that but it was it was different it

105
00:04:44,610 --> 00:04:42,460
really was but I've never been that

106
00:04:48,780 --> 00:04:44,620
crazy for the Grammys except Lady gaga

107
00:04:51,840 --> 00:04:48,790
but you know nuts to this Louisell but

108
00:04:54,800 --> 00:04:51,850
anyhow at Hillary Clinton she's more

109
00:04:56,730 --> 00:04:54,810
crooked than the shop even cup does even

110
00:04:58,440 --> 00:04:56,740
merit even being in the same

111
00:05:03,240 --> 00:04:58,450
conversation with being as crooked as

112
00:05:05,879 --> 00:05:03,250
Hillary yes oh well you heard John

113
00:05:07,560 --> 00:05:05,889

legato who was on retired FBI agent said

114

00:05:09,360 --> 00:05:07,570

they're nothing but a criminal and

115

00:05:12,390 --> 00:05:09,370

murderous enterprise I mean he was on

116

00:05:14,310 --> 00:05:12,400

just a few months with us ago I mean he

117

00:05:16,770 --> 00:05:14,320

wasn't making it up but placate me he's

118

00:05:22,010 --> 00:05:16,780

a retired FBI agent next marine I mean

119

00:05:24,330 --> 00:05:22,020

come on from New York

120

00:05:26,520 --> 00:05:24,340

yes but the Clintons have got a body

121

00:05:29,480 --> 00:05:26,530

count that'd make the mob look like

122

00:05:34,230 --> 00:05:32,279

now before we lit before we take our

123

00:05:36,629 --> 00:05:34,240

break there's a Navy pilot who describes

124

00:05:39,629 --> 00:05:36,639

the UFO sighting as a white tic-tac the

125

00:05:44,550 --> 00:05:39,639

size of a plane and this was something

126

00:05:49,350 --> 00:05:44,560

came up in 2004 u.s. Navy pilot

127

00:05:51,690 --> 00:05:49,360

commander David flavor said it was a

128

00:05:54,270 --> 00:05:51,700

white tic-tac about the size of the

129

00:05:56,520 --> 00:05:54,280

Hornet which is 40 foot long with no

130

00:05:58,560 --> 00:05:56,530

wings just hanging close to the water

131

00:05:59,940 --> 00:05:58,570

the smooth flying craft left no wake of

132

00:06:02,580 --> 00:05:59,950

the water and began to shadow the

133

00:06:05,219 --> 00:06:02,590

actions of flavor and other pilots a

134

00:06:07,260 --> 00:06:05,229

separate crew tracted and filmed for 1.5

135

00:06:08,850 --> 00:06:07,270

minutes as it got closer my nose is

136

00:06:11,190 --> 00:06:08,860

starting to pull back up it accelerates

137

00:06:13,260 --> 00:06:11,200

and it's gone faster than anything I'd

138

00:06:14,940 --> 00:06:13,270

ever seen in my life we turn around say

139

00:06:16,710 --> 00:06:14,950

let's see go see what's in the water and

140

00:06:18,170 --> 00:06:16,720

there was nothing his blue water in

141

00:06:21,210 --> 00:06:18,180

other words it didn't hit the deck

142

00:06:23,580 --> 00:06:21,220

flavors was a pilot that came forward

143

00:06:25,980 --> 00:06:23,590

and told his story recently as the

144

00:06:29,339 --> 00:06:25,990

Defense Department you know study of

145

00:06:31,080 --> 00:06:29,349

UFOs was released they favor mentioned

146

00:06:32,580 --> 00:06:31,090

that so I mean these are the high

147

00:06:34,110 --> 00:06:32,590

quality guys I mean you know

148

00:06:36,779 --> 00:06:34,120

professional Navy pilots these aren't

149

00:06:38,580 --> 00:06:36,789

just some kind of guys out of a bar so

150

00:06:40,440 --> 00:06:38,590

obviously Heidi

151

00:06:42,090 --> 00:06:40,450

I see you know they're not going to

152

00:06:45,360 --> 00:06:42,100

destroy their credibility by you know

153

00:06:47,700 --> 00:06:45,370

admitting this a lot of money to train

154

00:06:49,680 --> 00:06:47,710

them to be great observers as well

155

00:06:52,200 --> 00:06:49,690

oh of course these guys ain't nitwits

156

00:06:53,850 --> 00:06:52,210

but anyhow we should have a really good

157

00:06:56,040 --> 00:06:53,860

show tonight I guess we'd better go to

158

00:06:57,480 --> 00:06:56,050

our first break but we'll have Tom Korea

159

00:07:00,290 --> 00:06:57,490

long and have a lot of interesting snow

160

00:07:02,610 --> 00:07:00,300

we'll be right back

161

00:07:04,830 --> 00:07:02,620

possibly be back with you and it's also

162

00:07:07,590 --> 00:07:04,840

good to be back with Thomas creel he's

163

00:07:12,300 --> 00:07:07,600

the creator and founder at the hunter

164

00:07:15,240 --> 00:07:12,310

group he's behind the IVA black money

165

00:07:18,270 --> 00:07:15,250

game and he's an expert in tracing black

166

00:07:22,200 --> 00:07:18,280

money for over 35 years including days

167

00:07:24,540 --> 00:07:22,210

at the UN as a sanction expert dealing

168

00:07:26,910 --> 00:07:24,550

with rogue dictators and he's also the

169

00:07:30,300 --> 00:07:26,920

author of money magicians that's good to

170

00:07:31,740 --> 00:07:30,310

have you Tom I'm hoping that he didn't

171

00:07:34,110 --> 00:07:31,750

have a difficult time getting on one

172

00:07:37,230 --> 00:07:34,120

that that unusual manner of getting on

173

00:07:40,110 --> 00:07:37,240

the show no it's pleasure be here thank

174

00:07:45,690 --> 00:07:40,120

you Kevin you know I was telling Heidi

175

00:07:47,460 --> 00:07:45,700

before the earlier on that I I didn't

176

00:07:52,740 --> 00:07:47,470

have much experience with the laundering

177

00:07:54,150 --> 00:07:52,750

money no but I was kind of by I didn't

178

00:07:56,670 --> 00:07:54,160

marry the gal but my pseudo

179

00:07:58,740 --> 00:07:56,680

brother-in-law was you know involved

180

00:08:02,000 --> 00:07:58,750

with the Mafia and they laundered money

181

00:08:04,880 --> 00:08:02,010

for the mob and they're very good at it

182

00:08:07,290 --> 00:08:04,890

they owned a nice company and they would

183

00:08:10,080 --> 00:08:07,300

cook the books to look like they were

184

00:08:12,240 --> 00:08:10,090

doing five times more ice physics and

185

00:08:13,950 --> 00:08:12,250

they were and it was a funnel for mob

186

00:08:16,710 --> 00:08:13,960

money laundering and they also mom

187

00:08:18,570 --> 00:08:16,720

wanted money in Vegas so they were maybe

188

00:08:22,140 --> 00:08:18,580

minor-league money launderers but they

189

00:08:24,600 --> 00:08:22,150

they did a good job and and you speak of

190

00:08:26,700 --> 00:08:24,610

that and money laundering the reason

191

00:08:28,710 --> 00:08:26,710

it's called laundry is it's dirty money

192

00:08:31,500 --> 00:08:28,720

and they're cleaning it so that's how I

193

00:08:33,060 --> 00:08:31,510

what they're doing and I want you to

194

00:08:36,540 --> 00:08:33,070

kick out of it guys when I was in

195

00:08:38,730 --> 00:08:36,550

Afghanistan we were trying to teach them

196

00:08:41,790 --> 00:08:38,740

the Western Way of doing business and

197

00:08:44,100 --> 00:08:41,800

living and so forth and they were doing

198

00:08:45,630 --> 00:08:44,110

the exact same thing extorting money and

199

00:08:49,940 --> 00:08:45,640

then cleaning it so I said well we've

200

00:08:53,060 --> 00:08:49,950

taught him well that's what

201
00:08:54,710 --> 00:08:53,070
well see I see I didn't I wasn't

202
00:08:56,150 --> 00:08:54,720
involved personally with that but I mean

203
00:08:58,190 --> 00:08:56,160
I just knew that's what they did and you

204
00:08:59,660 --> 00:08:58,200
hear little snippets and actually they

205
00:09:02,449 --> 00:08:59,670
logged a lot watered a lot of money

206
00:09:07,879 --> 00:09:06,439
he's my understand how they did what

207
00:09:10,850 --> 00:09:07,889
they didn't you know nowadays the money

208
00:09:12,860 --> 00:09:10,860
is so big when I started when I started

209
00:09:14,240 --> 00:09:12,870
in this business first of all they

210
00:09:15,680 --> 00:09:14,250
didn't even know what to call us now

211
00:09:18,019 --> 00:09:15,690
they're calling us you know forensic

212
00:09:19,759 --> 00:09:18,029
accountants and but back then it was

213
00:09:23,090 --> 00:09:19,769

just the guys crunch in the numbers but

214

00:09:25,430 --> 00:09:23,100

you know \$10,000 case was big this was

215

00:09:28,250 --> 00:09:25,440

in Chicago you know it was an alderman

216

00:09:31,069 --> 00:09:28,260

kickin money back so no in the billions

217

00:09:38,900 --> 00:09:31,079

that's the politics of Chicago I'm here

218

00:09:41,780 --> 00:09:38,910

right now actually in Chicago Chicago

219

00:09:44,240 --> 00:09:41,790

Public School System I mean the the new

220

00:09:46,819 --> 00:09:44,250

lady in charge just I mean she didn't

221

00:09:48,889 --> 00:09:46,829

even get in the door and she just pulled

222

00:09:50,960 --> 00:09:48,899

such garbage just crazy how could she

223

00:09:56,329 --> 00:09:50,970

how could she do it how can she do it so

224

00:09:59,509 --> 00:09:56,339

quickly several schools closed several

225

00:10:01,220 --> 00:09:59,519

schools and then gave gave a contractor

226

00:10:03,050 --> 00:10:01,230

a buddy's so she could get a big

227

00:10:05,689 --> 00:10:03,060

kickback for it because she gave them

228

00:10:11,090 --> 00:10:05,699

the contract like like her first deal

229

00:10:13,960 --> 00:10:11,100

she did and it was like just college she

230

00:10:18,740 --> 00:10:13,970

didn't get out the batter's box you

231

00:10:23,150 --> 00:10:18,750

close schools - oh it's just it's so

232

00:10:27,590 --> 00:10:23,160

difficult so typical in Chicago okay

233

00:10:30,740 --> 00:10:27,600

they'll call that a fast learner and

234

00:10:32,990 --> 00:10:30,750

then we've got the billionaire governor

235

00:10:35,780 --> 00:10:33,000

who's like a mini Trump you know it's

236

00:10:37,730 --> 00:10:35,790

like and he's a Republican it's like you

237

00:10:39,439 --> 00:10:37,740

know come on now so how many governors

238

00:10:45,740 --> 00:10:39,449

have been in prison up there but three

239

00:10:48,410 --> 00:10:45,750

or four or something we've had some good

240

00:10:50,360 --> 00:10:48,420

governors but yeah Dan Walker was first

241

00:10:54,590 --> 00:10:50,370

and then George Ryan and then obviously

242

00:10:57,559 --> 00:10:54,600

the Goa [h__h] oh yeah got the hair yeah

243

00:11:00,410 --> 00:10:57,569

Rob Lowe going but yeah you know uh

244

00:11:03,400 --> 00:11:00,420

actually uh that makes my beloved New

245

00:11:05,949 --> 00:11:03,410

York look like squeaky clean

246

00:11:07,229 --> 00:11:05,959

I think there's a race between Chicago

247

00:11:11,049 --> 00:11:07,239

and New Orleans

248

00:11:18,069 --> 00:11:11,059

yeah I'm blowing yeah New Orleans is a

249

00:11:19,599 --> 00:11:18,079

festering little city there governor's

250

00:11:21,339 --> 00:11:19,609

go to jail as well and I think they've

251
00:11:23,259 --> 00:11:21,349
had if I remember this right the

252
00:11:26,619 --> 00:11:23,269
congressman had like a hundred thousand

253
00:11:32,499 --> 00:11:26,629
dollars in cash in his freezer Congress

254
00:11:35,409 --> 00:11:32,509
Jefferson it takes a little while

255
00:11:37,359 --> 00:11:35,419
usually to get busted over here yeah I

256
00:11:39,429 --> 00:11:37,369
think they told him you have to have

257
00:11:41,859 --> 00:11:39,439
cold cash so I think he just put it in

258
00:11:45,039 --> 00:11:41,869
his freezer oh you took a really good me

259
00:11:46,659 --> 00:11:45,049
money he didn't when I promised

260
00:11:49,329 --> 00:11:46,669
something a little bit more about this

261
00:11:52,809 --> 00:11:49,339
IVA game this Eva black money game what

262
00:11:55,749 --> 00:11:52,819
what's the format on that well it's a

263
00:11:58,719 --> 00:11:55,759

couple of things and it's it's another

264

00:12:00,609 --> 00:11:58,729

weapon for me and the whole idea is to

265

00:12:03,849 --> 00:12:00,619

have a fun game for the younger

266

00:12:05,889 --> 00:12:03,859

generation to play like a candy crush so

267

00:12:08,590 --> 00:12:05,899

they will play it and then what I've

268

00:12:10,719 --> 00:12:08,600

done is I've integrated in there the

269

00:12:13,869 --> 00:12:10,729

black money messages so one of the games

270

00:12:16,419 --> 00:12:13,879

you will play is named after a Kuwaiti

271

00:12:18,909 --> 00:12:16,429

who is funding the news route front and

272

00:12:22,029 --> 00:12:18,919

he and I have done battle over Twitter

273

00:12:24,279 --> 00:12:22,039

in the courtroom face to face but it the

274

00:12:26,349 --> 00:12:24,289

whole idea is to put you know the

275

00:12:28,869 --> 00:12:26,359

messages out there right in the hands of

276

00:12:38,009 --> 00:12:28,879

the younger generation all about black

277

00:12:41,469 --> 00:12:38,019

money and who the bad guys really are no

278

00:12:43,149 --> 00:12:41,479

no and also the second part of this was

279

00:12:45,939 --> 00:12:43,159

it really just got me irritated that the

280

00:12:48,549 --> 00:12:45,949

bad guys use our inventions they used

281

00:12:51,789 --> 00:12:48,559

Twitter to raise money fund the bad

282

00:12:54,309 --> 00:12:51,799

things they use Facebook they used the

283

00:12:57,729 --> 00:12:54,319

YouTube to create videos I mean we've

284

00:12:59,710 --> 00:12:57,739

all seen the Isis beheadings but haja

285

00:13:01,629 --> 00:12:59,720

actually used YouTube to raise money

286

00:13:03,879 --> 00:13:01,639

then if you really think about it they

287

00:13:05,919 --> 00:13:03,889

used our airplanes to take down the Twin

288

00:13:06,969 --> 00:13:05,929

Towers so I said I'm gonna give them a

289

00:13:09,369 --> 00:13:06,979

taste of their own medicine

290

00:13:13,269 --> 00:13:09,379

I'm doing right back at them with social

291

00:13:16,569 --> 00:13:13,279

media in the game that's pretty cool it

292

00:13:18,489 --> 00:13:16,579

really is but you know the

293

00:13:20,439 --> 00:13:18,499

a little far afield and I don't know if

294

00:13:23,819 --> 00:13:20,449

it fits in the laundered money format I

295

00:13:25,869 --> 00:13:23,829

think it would but Howard Blum was a

296

00:13:28,419 --> 00:13:25,879

commentator actually a liberal

297

00:13:30,280 --> 00:13:28,429

commentator we had on perhaps eight or

298

00:13:33,340 --> 00:13:30,290

nine months ago and before that

299

00:13:36,609 --> 00:13:33,350

sometimes but he was saying there's an

300

00:13:41,199 --> 00:13:36,619

Islamic group that buys influence in the

301
00:13:42,429 --> 00:13:41,209
country I remember the name of it Heidi

302
00:13:43,419 --> 00:13:42,439
it's been so long I don't know I don't

303
00:13:45,999 --> 00:13:43,429
know whether you're on with me and that

304
00:13:47,979 --> 00:13:46,009
show or not but but we're talking in the

305
00:13:50,769 --> 00:13:47,989
end the billions of dollars to buy

306
00:13:53,559 --> 00:13:50,779
influence and and power here in the US

307
00:13:57,129 --> 00:13:53,569
and I guess that would fit into the

308
00:13:59,379 --> 00:13:57,139
black money category and they don't

309
00:14:00,819 --> 00:13:59,389
another they're just bag [h__h] running

310
00:14:03,400 --> 00:14:00,829
around with bag men just buying off

311
00:14:04,929 --> 00:14:03,410
congressmen and politicians school

312
00:14:12,579 --> 00:14:04,939
superintendents everybody the little

313
00:14:22,749 --> 00:14:12,589

weasels can buy sex stuff my definition

314

00:14:24,909 --> 00:14:22,759

of black money is very broad any part

315

00:14:27,189 --> 00:14:24,919

along that that that chain of Commerce

316

00:14:29,199 --> 00:14:27,199

if you're touching that black money

317

00:14:32,229 --> 00:14:29,209

you're included so if they're in there

318

00:14:34,090 --> 00:14:32,239

yes please go after them but I always

319

00:14:36,309 --> 00:14:34,100

like to you know tell the people I you

320

00:14:38,919 --> 00:14:36,319

know the generals or the or the law

321

00:14:41,559 --> 00:14:38,929

enforcement or the attorneys I like to

322

00:14:43,389 --> 00:14:41,569

go after the getaway driver not the guys

323

00:14:45,069 --> 00:14:43,399

in the in the bank pulling the trigger

324

00:14:47,679 --> 00:14:45,079

but the guys driving the car to help

325

00:14:50,289 --> 00:14:47,689

them get away so those are the guys I

326

00:14:50,799 --> 00:14:50,299

like going after I like that's

327

00:14:54,579 --> 00:14:50,809

interesting

328

00:14:58,150 --> 00:14:54,589

you know honestly lobbying the lobbyists

329

00:15:01,659 --> 00:14:58,160

it's just dirty that was made legal I

330

00:15:03,549 --> 00:15:01,669

mean nothing controlling that it's like

331

00:15:05,829 --> 00:15:03,559

you know it takes thousands of us

332

00:15:08,530 --> 00:15:05,839

pouring into the streets to be heard but

333

00:15:11,590 --> 00:15:08,540

it takes one guy with a big pocket that

334

00:15:14,139 --> 00:15:11,600

got lured in by a company - oh that

335

00:15:16,210 --> 00:15:14,149

probably was in Congress or whatever at

336

00:15:18,489 --> 00:15:16,220

some point you know to get in the door

337

00:15:23,229 --> 00:15:18,499

and to get their way just to persuade

338

00:15:26,529 --> 00:15:23,239

the rules that's that's horrible yeah I

339

00:15:29,409 --> 00:15:26,539

would almost I'm sorry no it's it's

340

00:15:30,070 --> 00:15:29,419

lobbying is transparent I mean we all

341

00:15:37,420 --> 00:15:30,080

know there

342

00:15:39,700 --> 00:15:37,430

advocating because they're being paid I

343

00:15:42,250 --> 00:15:39,710

would bet you I don't know anything

344

00:15:44,400 --> 00:15:42,260

concrete but I would bet you that some

345

00:15:46,540 --> 00:15:44,410

if you were newly elected congressman

346

00:15:48,130 --> 00:15:46,550

somewhere within the first few months

347

00:15:49,570 --> 00:15:48,140

somebody from the pharmaceutical

348

00:15:53,320 --> 00:15:49,580

industry would come by with a duffel bag

349

00:15:55,540 --> 00:15:53,330

or or less in a more sophisticated way

350

00:15:56,680 --> 00:15:55,550

of paying off new congressman I would

351

00:16:01,210 --> 00:15:56,690

almost guarantee it

352

00:16:03,820 --> 00:16:01,220

what do you think so ID some real clear

353

00:16:06,220 --> 00:16:03,830

on that no I know I'm saying that I

354

00:16:07,780 --> 00:16:06,230

would bet this that a new congressman

355

00:16:09,520 --> 00:16:07,790

would would be approached by the

356

00:16:11,710 --> 00:16:09,530

pharmaceutical industry within a few

357

00:16:14,020 --> 00:16:11,720

months of showing up I think everybody

358

00:16:16,690 --> 00:16:14,030

gets approached whether they'll admit to

359

00:16:17,950 --> 00:16:16,700

it or not it's you know we believe in

360

00:16:20,530 --> 00:16:17,960

you know I think the average American

361

00:16:23,350 --> 00:16:20,540

really doesn't think it it's all behind

362

00:16:26,560 --> 00:16:23,360

closed doors you know meandering but it

363

00:16:28,960 --> 00:16:26,570

it is it really is I just think that

364

00:16:30,730 --> 00:16:28,970

they think it's so out in the public I

365

00:16:34,060 --> 00:16:30,740

think they'd be really surprised how

366

00:16:36,820 --> 00:16:34,070

much we are just not in the know about

367

00:16:40,800 --> 00:16:36,830

black projects ooh do you consider that

368

00:16:44,140 --> 00:16:40,810

into your the dirty money category

369

00:16:47,830 --> 00:16:44,150

yeah the dark side of of every industry

370

00:16:50,140 --> 00:16:47,840

yeah and there's there's so much in the

371

00:16:53,230 --> 00:16:50,150

dark web there's so many black projects

372

00:16:55,390 --> 00:16:53,240

I mean I got shut down by the CIA a

373

00:16:58,420 --> 00:16:55,400

number of times and I would overlook why

374

00:17:02,770 --> 00:16:58,430

and they would just say you know you

375

00:17:04,510 --> 00:17:02,780

don't need to know your business well

376

00:17:07,600 --> 00:17:04,520

see that's what I wondered about that

377

00:17:10,240 --> 00:17:07,610

well at what amounts is black budget of

378

00:17:12,490 --> 00:17:10,250

our budget at one time I remember that

379

00:17:15,160 --> 00:17:12,500

Donald Rumsfeld the guy that was the

380

00:17:17,710 --> 00:17:15,170

Secretary of Defense under Bush he just

381

00:17:19,840 --> 00:17:17,720

admitted oh yes the Pentagon's lost two

382

00:17:21,939 --> 00:17:19,850

trillion dollars don't know two or three

383

00:17:23,980 --> 00:17:21,949

were throwing something like that two

384

00:17:24,939 --> 00:17:23,990

point three I think it was he the figure

385

00:17:26,560 --> 00:17:24,949

he mentioned and then we don't know

386

00:17:28,090 --> 00:17:26,570

where it went and everybody just

387

00:17:33,100 --> 00:17:28,100

swallowed that down like he just said

388

00:17:34,750 --> 00:17:33,110

it's a sunny day right well I always

389

00:17:37,810 --> 00:17:34,760

think remember that movie the Charlie

390

00:17:40,420 --> 00:17:37,820

Wilson movie no I don't think so

391

00:17:43,000 --> 00:17:40,430

no no congressman he was a congressman

392

00:17:43,990 --> 00:17:43,010

Charlie Wilson the Charlie Wilson Wars

393

00:17:47,530 --> 00:17:44,000

they funded the air

394

00:17:50,230 --> 00:17:47,540

scans when the Russian over there okay

395

00:17:52,330 --> 00:17:50,240

yeah that's and it was a movie Tom Hanks

396

00:17:54,970 --> 00:17:52,340

played Charlie Wilson but that's reality

397

00:18:01,900 --> 00:17:54,980

that was the black money going over to

398

00:18:05,170 --> 00:18:01,910

the Afghans and buying the weapons yeah

399

00:18:08,290 --> 00:18:05,180

what I've heard Reuters I've heard

400

00:18:10,900 --> 00:18:08,300

rumors and I don't know the validity of

401
00:18:13,030 --> 00:18:10,910
it I think they was they've been

402
00:18:15,790 --> 00:18:13,040
repeated often enough that the bushes

403
00:18:18,070 --> 00:18:15,800
had c-130s shuffling money on over to

404
00:18:20,470 --> 00:18:18,080
the Middle East and loaded up the dough

405
00:18:24,370 --> 00:18:20,480
I mean we're talking billions of dollars

406
00:18:28,570 --> 00:18:24,380
and nobody ever questioned it or asked

407
00:18:30,970 --> 00:18:28,580
for accounting you know here's one in it

408
00:18:32,680 --> 00:18:30,980
goes back to Afghanistan again the the

409
00:18:35,470 --> 00:18:32,690
amount of cash that moved out of their

410
00:18:37,570 --> 00:18:35,480
country first of all our country sent a

411
00:18:39,750 --> 00:18:37,580
lot of money over there I think it's

412
00:18:43,120 --> 00:18:39,760
over a trillion now over the 16 years

413
00:18:44,440 --> 00:18:43,130

but I was I traced the money so I was

414

00:18:49,690 --> 00:18:44,450

spent a lot of time at the central bank

415

00:18:52,390 --> 00:18:49,700

and I traced on one day 135 million in

416

00:18:55,990 --> 00:18:52,400

cash leaving Kabul Airport

417

00:19:01,780 --> 00:18:56,000

over to Dubai yeah it was on talents it

418

00:19:03,880 --> 00:19:01,790

was just it was all cash US dollars they

419

00:19:08,260 --> 00:19:03,890

filed a form with the central bank it

420

00:19:10,570 --> 00:19:08,270

was legal come on if I went to Australia

421

00:19:13,020 --> 00:19:10,580

with more than what 7 grand in my pocket

422

00:19:15,640 --> 00:19:13,030

or five I don't remember what it was you

423

00:19:20,830 --> 00:19:15,650

would be busted and never allowed back

424

00:19:25,840 --> 00:19:20,840

in the country ever rules apply to the

425

00:19:27,370 --> 00:19:25,850

regular bozos yes oh I was so mad that's

426

00:19:29,620 --> 00:19:27,380

like you mean I have to put my money in

427

00:19:31,630 --> 00:19:29,630

a bank and access it that way and get

428

00:19:33,640 --> 00:19:31,640

tagged with all these taxes to pull my

429

00:19:36,040 --> 00:19:33,650

own money out just to go live over in

430

00:19:37,840 --> 00:19:36,050

Australia for a bit yep can't put it in

431

00:19:40,510 --> 00:19:37,850

your pockets and they'll claim it

432

00:19:42,520 --> 00:19:40,520

otherwise like jeez

433

00:19:44,260 --> 00:19:42,530

I get the biggest kick out of the air

434

00:19:45,460 --> 00:19:44,270

defense was well if they follow the

435

00:19:48,220 --> 00:19:45,470

forms it's legal

436

00:19:50,230 --> 00:19:48,230

I said no hey so they can file all the

437

00:19:52,890 --> 00:19:50,240

forms they want what that money is going

438

00:19:56,110 --> 00:19:52,900

to be used for is not good things I

439

00:19:57,520 --> 00:19:56,120

don't care if they file for it hundred

440

00:20:03,310 --> 00:19:57,530

thirty five million cash

441

00:20:03,820 --> 00:20:03,320

is not going for a good cause no did you

442

00:20:05,850 --> 00:20:03,830

hit

443

00:20:09,790 --> 00:20:05,860

didn't you hear I think a recent figure

444

00:20:12,180 --> 00:20:09,800

all El Chapo that little guy that's the

445

00:20:16,770 --> 00:20:12,190

drug pen they arrested about a year ago

446

00:20:26,410 --> 00:20:16,780

that he has 13 billion dollars in assets

447

00:20:33,010 --> 00:20:26,420

13 no Vladimir's got a lot more than

448

00:20:34,930 --> 00:20:33,020

that he's close to stalin anyway well

449

00:20:37,350 --> 00:20:34,940

not Tom I think I've heard lad Amir was

450

00:20:39,400 --> 00:20:37,360

worth on the order of 300 billion I

451
00:20:41,800 --> 00:20:39,410
don't know what they have not heard that

452
00:20:45,310 --> 00:20:41,810
much but I know he's definitely above 30

453
00:20:47,110 --> 00:20:45,320
billion I don't know whether figure may

454
00:20:49,690 --> 00:20:47,120
have been spurious but I I thought it

455
00:21:02,410 --> 00:20:49,700
was 300 billion but I mean you know that

456
00:21:05,200 --> 00:21:02,420
was alleged but I mean oh sure yeah I

457
00:21:07,030 --> 00:21:05,210
don't know just for curiosity since

458
00:21:09,730 --> 00:21:07,040
you've had such an interesting insight

459
00:21:12,310 --> 00:21:09,740
perspective on this are the Rothschilds

460
00:21:16,470 --> 00:21:12,320
still you know I know they're 900 but

461
00:21:21,190 --> 00:21:18,520
are they the richest people in the world

462
00:21:22,980 --> 00:21:21,200
if you will or I don't know what you've

463
00:21:25,270 --> 00:21:22,990

heard if you have any knowledge of that

464

00:21:29,530 --> 00:21:25,280

well I don't know

465

00:21:33,130 --> 00:21:29,540

you know I follow the floors 400 so ok I

466

00:21:35,740 --> 00:21:33,140

don't have any I've acknowledged well I

467

00:21:37,390 --> 00:21:35,750

just had heard internationally they were

468

00:21:40,360 --> 00:21:37,400

still way up there at the top of the

469

00:21:43,270 --> 00:21:40,370

heap I didn't know oh you know where

470

00:21:44,740 --> 00:21:43,280

their age and wild spending or something

471

00:21:46,240 --> 00:21:44,750

might have worked them down but I've

472

00:21:48,340 --> 00:21:46,250

heard that they that there's different

473

00:21:52,060 --> 00:21:48,350

groups that have that are richer than

474

00:21:54,850 --> 00:21:52,070

you think that I mean yes you hear about

475

00:21:55,840 --> 00:21:54,860

the Waltons and you know Walmart people

476
00:21:57,280 --> 00:21:55,850
and so forth and so on

477
00:21:58,750 --> 00:21:57,290
but I mean that there's other groups

478
00:22:00,580 --> 00:21:58,760
that don't occur to you and of course

479
00:22:03,370 --> 00:22:00,590
you hear about warren buffett and gates

480
00:22:07,000 --> 00:22:03,380
but there's people beyond a step beyond

481
00:22:09,340 --> 00:22:07,010
them of wealth you know it wasn't it

482
00:22:10,779 --> 00:22:09,350
today that the US Treasury released the

483
00:22:13,269 --> 00:22:10,789
oligarch list

484
00:22:14,289 --> 00:22:13,279
for Russia oh I I don't know I didn't I

485
00:22:16,239 --> 00:22:14,299
didn't see that

486
00:22:18,969 --> 00:22:16,249
I think they released a list of 200

487
00:22:22,389 --> 00:22:18,979
wealthiest individuals out of Russia the

488
00:22:24,339 --> 00:22:22,399

oleg art now they're gonna be sanctioned

489

00:22:26,849 --> 00:22:24,349

but here's the guys with the billions of

490

00:22:29,279 --> 00:22:26,859

dollars and their relationship to Putin

491

00:22:32,560 --> 00:22:29,289

yeah

492

00:22:34,810 --> 00:22:32,570

what was the maximum they had did it

493

00:22:39,779 --> 00:22:34,820

show what the maximum the guys had or

494

00:22:43,689 --> 00:22:39,789

did it say here no it didn't show okay

495

00:22:46,930 --> 00:22:43,699

but well I mean a lot of billionaires in

496

00:22:48,759 --> 00:22:46,940

Russia they do have them they really do

497

00:22:50,589 --> 00:22:48,769

and they all pay homage basically to

498

00:22:52,869 --> 00:22:50,599

Vlad at least for the time being until

499

00:22:59,979 --> 00:22:52,879

they decide he's outlived its usefulness

500

00:23:01,479 --> 00:22:59,989

I guess but well yes and then they are

501
00:23:06,879 --> 00:23:01,489
read wooden they arrest the guy that was

502
00:23:08,859 --> 00:23:06,889
the main opposition there so it's a

503
00:23:12,789 --> 00:23:08,869
little bit of a stiff deal getting

504
00:23:14,680 --> 00:23:12,799
elected over there but Tom we're gonna

505
00:23:16,329 --> 00:23:14,690
take a break at the bottom of the hour

506
00:23:18,939 --> 00:23:16,339
we get back we might talk about your

507
00:23:20,680 --> 00:23:18,949
book and and how to contact your website

508
00:23:23,289 --> 00:23:20,690
and these little functions you've got

509
00:23:26,369 --> 00:23:23,299
you're doing okay thank you write that

510
00:23:30,219 --> 00:23:26,379
we'll be right back

511
00:23:32,519 --> 00:23:30,229
when Heidi and Tom tell us about how to

512
00:23:35,079 --> 00:23:32,529
get up with you your website and any and

513
00:23:38,559 --> 00:23:35,089

money magician's book and any other

514

00:23:41,439 --> 00:23:38,569

things he's like the highlight well I

515

00:23:44,049 --> 00:23:41,449

would like to I like the game and the

516

00:23:45,789 --> 00:23:44,059

website is black money games.com in

517

00:23:48,869 --> 00:23:45,799

right there in the front page you can

518

00:23:52,809 --> 00:23:48,879

download it on iTunes or on Google Play

519

00:23:54,789 --> 00:23:52,819

so I am pushing that because I do want a

520

00:23:56,349 --> 00:23:54,799

million people around the world there's

521

00:23:58,779 --> 00:23:56,359

a bunch of Afghans like a hundred

522

00:24:00,549 --> 00:23:58,789

thousand that have downloaded it and all

523

00:24:02,979 --> 00:24:00,559

three other people were already well and

524

00:24:05,199 --> 00:24:02,989

they just worked with those guys every

525

00:24:08,049 --> 00:24:05,209

single day the I was training them in

526

00:24:10,180 --> 00:24:08,059

their version of fence and their fiu

527

00:24:13,209 --> 00:24:10,190

units and trace the money laundering

528

00:24:15,219 --> 00:24:13,219

which it's big over there and I actually

529

00:24:18,309 --> 00:24:15,229

got to a point where the governor up in

530

00:24:20,919 --> 00:24:18,319

maza Sharif they called me because they

531

00:24:24,130 --> 00:24:20,929

found a million dollars flowing through

532

00:24:26,020 --> 00:24:24,140

his bank account and that's a governor

533

00:24:28,810 --> 00:24:26,030

now governor not making a million

534

00:24:31,390 --> 00:24:28,820

dollars so they found that so I took

535

00:24:34,030 --> 00:24:31,400

good that my training was paying off but

536

00:24:36,760 --> 00:24:34,040

they do hate corruption so they've been

537

00:24:39,460 --> 00:24:36,770

downloading my game so what's that well

538

00:24:41,080 --> 00:24:39,470

family that has that has like kicked out

539

00:24:43,630 --> 00:24:41,090

the other half the royal family who is

540

00:24:49,060 --> 00:24:43,640

that again who did that over the Middle

541

00:24:52,420 --> 00:24:49,070

East bonus the Saudis okay okay so the

542

00:24:54,610 --> 00:24:52,430

Saudis arrested the new king arrested

543

00:24:56,800 --> 00:24:54,620

all the corrupt individuals of the

544

00:25:05,020 --> 00:24:56,810

family and they they did house arrest at

545

00:25:07,390 --> 00:25:05,030

the ritz-carlton go to Saudi Arabia well

546

00:25:12,910 --> 00:25:07,400

got Tom you made the unusual question

547

00:25:15,100 --> 00:25:12,920

for you but it's how do I put it tell

548

00:25:19,450 --> 00:25:15,110

Thea Lee is the mob defunct or are they

549

00:25:20,890 --> 00:25:19,460

still healthy or I mean since you might

550

00:25:25,060 --> 00:25:20,900

have some knowledge of them via the

551
00:25:27,640 --> 00:25:25,070
money laundering issue the the mob is

552
00:25:29,470 --> 00:25:27,650
different from the way they operated in

553
00:25:33,280 --> 00:25:29,480
the past the Al Capone days are

554
00:25:35,350 --> 00:25:33,290
definitely dead wait yes just in the

555
00:25:37,300 --> 00:25:35,360
breaking of the kneecaps but there's

556
00:25:40,180 --> 00:25:37,310
definitely a still a criminal criminal

557
00:25:42,280 --> 00:25:40,190
enterprise and there's tons of bad

558
00:25:45,220 --> 00:25:42,290
things going on in every country so it's

559
00:25:47,890 --> 00:25:45,230
it's not overseas it's not in the Cyprus

560
00:25:51,940 --> 00:25:47,900
it's not in the the offshore islands

561
00:25:55,660 --> 00:25:51,950
it's everywhere once again that's that's

562
00:26:01,990 --> 00:25:55,670
good news for him well no I there must

563
00:26:04,510 --> 00:26:02,000

be a few broken kneecaps somewhere that

564

00:26:06,910 --> 00:26:04,520

happens every weekend in Chicago yeah

565

00:26:10,320 --> 00:26:06,920

well no I was offered a job to be one of

566

00:26:12,850 --> 00:26:10,330

those doing it when I was in college I

567

00:26:15,640 --> 00:26:12,860

did so I didn't take him up on it but I

568

00:26:18,700 --> 00:26:15,650

mean I was you know considered one of

569

00:26:20,260 --> 00:26:18,710

the family if you will but I just want

570

00:26:21,820 --> 00:26:20,270

to know their relative health in these

571

00:26:25,390 --> 00:26:21,830

days I haven't really kept up with him

572

00:26:27,400 --> 00:26:25,400

that much I you know there's a good

573

00:26:31,210 --> 00:26:27,410

friend of mine and you probably will

574

00:26:32,890 --> 00:26:31,220

know Michael Franzese he's he's he's

575

00:26:36,499 --> 00:26:32,900

written a few books he's out of the mob

576

00:26:40,129 --> 00:26:36,509

and he's a reborn Christian now but he's

577

00:26:44,419 --> 00:26:40,139

I I know him now yes the great guy but

578

00:26:47,589 --> 00:26:44,429

he was he was I think the second most

579

00:26:50,180 --> 00:26:47,599

profitable mobster first being Al Capone

580

00:26:53,509 --> 00:26:50,190

yeah and he and I just love him for his

581

00:26:56,299 --> 00:26:53,519

brain power so we went we share these

582

00:26:58,249 --> 00:26:56,309

financial investigation techniques and

583

00:27:03,859 --> 00:26:58,259

because he was taken seven million a

584

00:27:05,629 --> 00:27:03,869

week from the US government yeah that's

585

00:27:08,180 --> 00:27:05,639

not bad taker there really isn't at all

586

00:27:09,739 --> 00:27:08,190

well you know I'm not like mourning them

587

00:27:11,239 --> 00:27:09,749

I just wanted that didn't know how they

588

00:27:12,909 --> 00:27:11,249

did things anymore and I just want to

589

00:27:18,709 --> 00:27:12,919

see if there are still big money players

590

00:27:20,239 --> 00:27:18,719

but you know I just did know we have a

591

00:27:22,489 --> 00:27:20,249

finger on the pulse of how they were

592

00:27:24,949 --> 00:27:22,499

doing sounds like they're alive well and

593

00:27:26,989 --> 00:27:24,959

thriving huh well they just got more

594

00:27:30,199 --> 00:27:26,999

sophisticated in other words yeah

595

00:27:33,589 --> 00:27:30,209

exactly yeah well well a little

596

00:27:35,299 --> 00:27:33,599

sophistication never hurt but at one

597

00:27:37,549 --> 00:27:35,309

time they owned all the casinos in Vegas

598

00:27:39,469 --> 00:27:37,559

I don't know who well I know there's

599

00:27:40,879 --> 00:27:39,479

different front men but I don't know

600

00:27:45,709 --> 00:27:40,889

where they still had a lot of money on

601
00:27:50,959 --> 00:27:45,719
in Vegas you know even Vegas has changed

602
00:27:54,099 --> 00:27:50,969
now yeah I got a kick I was at this

603
00:27:57,349 --> 00:27:54,109
dinner function and we're talking about

604
00:27:59,389 --> 00:27:57,359
humanitarian aid and one of the guys at

605
00:28:01,129 --> 00:27:59,399
the table said we should ask all the

606
00:28:03,499 --> 00:28:01,139
wealthy people in the world to donate

607
00:28:06,229 --> 00:28:03,509
one percent of their net worth and use

608
00:28:07,819 --> 00:28:06,239
that money I said why don't we do

609
00:28:10,389 --> 00:28:07,829
something different there's there's a

610
00:28:13,759 --> 00:28:10,399
trillion dollars stolen every year

611
00:28:16,519 --> 00:28:13,769
dictators by warlords oh you'll get that

612
00:28:18,799 --> 00:28:16,529
money back and use that their answer

613
00:28:25,430 --> 00:28:18,809

honest to god their answer was it's too

614

00:28:27,559 --> 00:28:25,440

hard oh come on I said no I said so it's

615

00:28:29,809 --> 00:28:27,569

easier to go ask for a handout that it

616

00:28:34,009 --> 00:28:29,819

is to actually go get the money from the

617

00:28:35,779 --> 00:28:34,019

bad guys and use that Wow I think we

618

00:28:38,059 --> 00:28:35,789

should stop putting money into these

619

00:28:40,519 --> 00:28:38,069

countries that could care two craps

620

00:28:43,519 --> 00:28:40,529

about us and wait for our special

621

00:28:48,559 --> 00:28:43,529

interests overseas and it's like oh they

622

00:28:50,200 --> 00:28:48,569

just burn their flags you know I know

623

00:28:52,490 --> 00:28:50,210

it's real

624

00:28:54,110 --> 00:28:52,500

you know I'll bet you I'll bet you we

625

00:28:56,720 --> 00:28:54,120

paid off that little miserable

626

00:28:59,000 --> 00:28:56,730

Kim's Jung Hyung or whatever his name is

627

00:29:01,640 --> 00:28:59,010

this buckets of money I mean just

628

00:29:04,280 --> 00:29:01,650

buckets of money I'm sure this is try to

629

00:29:05,410 --> 00:29:04,290

buy them off in like a ting we did it

630

00:29:07,880 --> 00:29:05,420

with it father

631

00:29:09,620 --> 00:29:07,890

yeah I'm sure we've continued I'm sure

632

00:29:12,650 --> 00:29:09,630

we've continued there's a money train

633

00:29:15,020 --> 00:29:12,660

going on over there but Oh golly

634

00:29:17,660 --> 00:29:15,030

someday I'm glad you're promoting your

635

00:29:22,820 --> 00:29:17,670

game also is there a website they can go

636

00:29:25,730 --> 00:29:22,830

to for the game it's black it's black

637

00:29:29,840 --> 00:29:25,740

money Gamescom my website for the work I

638

00:29:38,990 --> 00:29:29,850

do is hunter forensics comm I'm just

639

00:29:41,030 --> 00:29:39,000

tickled about that black money I've got

640

00:29:42,950 --> 00:29:41,040

pictures of the bad guys I've got the

641

00:29:45,650 --> 00:29:42,960

schemes of the--and the devices the

642

00:29:47,570 --> 00:29:45,660

images I didn't create it but you know

643

00:29:49,940 --> 00:29:47,580

this is the development team and they

644

00:29:55,460 --> 00:29:49,950

did a great job in other words it's a

645

00:29:57,800 --> 00:29:55,470

history lesson you're attacking the

646

00:30:03,380 --> 00:29:57,810

backup bad guys you know just you're

647

00:30:05,330 --> 00:30:03,390

part of the team that's hey if you score

648

00:30:07,490 --> 00:30:05,340

really high and getting back at them

649

00:30:09,230 --> 00:30:07,500

like is there like a secret backdoor but

650

00:30:21,260 --> 00:30:09,240

the government is paying attention and

651
00:30:22,550 --> 00:30:21,270
they may hire you I mean you've heard of

652
00:30:24,470 --> 00:30:22,560
these things you know where it's like

653
00:30:26,090 --> 00:30:24,480
somebody puts out a puzzle once a year I

654
00:30:28,160 --> 00:30:26,100
forget who it is and they're like there

655
00:30:29,360 --> 00:30:28,170
they are pretty certain it's the

656
00:30:31,490 --> 00:30:29,370
government putting it out there and

657
00:30:33,050 --> 00:30:31,500
whoever solves it the best like they're

658
00:30:35,630 --> 00:30:33,060
being contacted to be hired by the

659
00:30:37,960 --> 00:30:35,640
government it's like a whole slope weird

660
00:30:41,510 --> 00:30:37,970
and strange and difficult puzzles and

661
00:30:50,680 --> 00:30:41,520
algorithms and stuff so I bet I bet

662
00:30:56,660 --> 00:30:53,570
well Thomas I sure have appreciated it

663
00:30:58,820 --> 00:30:56,670

and I guess the thing it is disgusting

664

00:31:01,220 --> 00:30:58,830

is like the thing I mentioned but Howard

665

00:31:02,930 --> 00:31:01,230

Bloom is how much money is being passed

666

00:31:03,650 --> 00:31:02,940

around to buy influence in this country

667

00:31:06,560 --> 00:31:03,660

I have no

668

00:31:08,510 --> 00:31:06,570

out that almost every strata of society

669

00:31:10,820 --> 00:31:08,520

that means anything is being bought off

670

00:31:12,650 --> 00:31:10,830

but Thomas it's been great having you

671

00:31:15,140 --> 00:31:12,660

and I look forward to following up on

672

00:31:17,450 --> 00:31:15,150

your game yeah thanks thank you Kevin

673

00:31:21,440 --> 00:31:17,460

Thank You Heidi was a pleasure yeah you

674

00:31:23,360 --> 00:31:21,450

bet Thanks okay well Heidi I guess we

675

00:31:26,960 --> 00:31:23,370

better go to our break before the second

676

00:31:30,080 --> 00:31:26,970

half of the show and I don't know Heidi

677

00:31:34,970 --> 00:31:30,090

yeah okay I guess everybody's bought off

678

00:31:36,410 --> 00:31:34,980

we'll be right back okay what's gonna be

679

00:31:38,390 --> 00:31:36,420

back whether you got Heidi Alice on

680

00:31:41,090 --> 00:31:38,400

Widdowson and our second half guest is

681

00:31:44,360 --> 00:31:41,100

paul davids who wrote blowing America's

682

00:31:47,090 --> 00:31:44,370

mind CIA mind control drugs LSD in

683

00:31:53,510 --> 00:31:47,100

Princeton and uh Paul that's a pretty

684

00:31:57,380 --> 00:31:53,520

good title for a book thank you blowing

685

00:31:59,360 --> 00:31:57,390

America's mind comes from the headline

686

00:32:04,180 --> 00:31:59,370

of an LA Times editorial

687

00:32:06,440 --> 00:32:04,190

back in 1977 when the MKULTRA

688

00:32:09,770 --> 00:32:06,450

experiments of the CIA the mind-control

689

00:32:12,470 --> 00:32:09,780

experiments were exposed as the New York

690

00:32:15,340 --> 00:32:12,480

Times headline said they know this was

691

00:32:17,990 --> 00:32:15,350

LA Times the CIA blowing America's mind

692

00:32:19,760 --> 00:32:18,000

and that was sort of the upshot of the

693

00:32:22,550 --> 00:32:19,770

feeling about what had happened these

694

00:32:26,300 --> 00:32:22,560

experiments had been conducted on

695

00:32:28,870 --> 00:32:26,310

innocent Americans yeah maybe I'm never

696

00:32:31,720 --> 00:32:28,880

hearing about that 86 different

697

00:32:34,100 --> 00:32:31,730

institutions were enlisted uh

698

00:32:36,790 --> 00:32:34,110

researchers and psychiatrists paid we're

699

00:32:42,610 --> 00:32:36,800

talking about prisons hospitals and

700

00:32:45,590 --> 00:32:42,620

universities colleges hospitals and

701
00:32:50,690 --> 00:32:45,600
private research centers but what year

702
00:32:53,510 --> 00:32:50,700
was this well it started in 1952 and it

703
00:32:55,160 --> 00:32:53,520
went through the 1970s at least I mean

704
00:32:58,460 --> 00:32:55,170
that's when they officially declared an

705
00:33:01,940 --> 00:32:58,470
end to it when it was exposed but the

706
00:33:05,000 --> 00:33:01,950
reason for my book blowing America's

707
00:33:08,030 --> 00:33:05,010
mind which is just out i co-wrote with

708
00:33:09,980 --> 00:33:08,040
John Selby the two of us were psychology

709
00:33:14,000 --> 00:33:09,990
majors at Princeton University back in

710
00:33:15,470 --> 00:33:14,010
the late 1970s and we enlisted in a

711
00:33:16,520 --> 00:33:15,480
project we thought sounded really

712
00:33:18,500 --> 00:33:16,530
fascinating

713
00:33:22,760 --> 00:33:18,510

we had no idea it had anything to do

714

00:33:24,910 --> 00:33:22,770

with the CIA and it was conducted near

715

00:33:27,050 --> 00:33:24,920

Princeton at the New Jersey

716

00:33:29,360 --> 00:33:27,060

neuropsychiatric Institute which no

717

00:33:31,370 --> 00:33:29,370

longer exists but they had a research

718

00:33:35,840 --> 00:33:31,380

bureau then and they were researching

719

00:33:37,730 --> 00:33:35,850

deep hypnosis and psychedelic drugs man

720

00:33:40,400 --> 00:33:37,740

running the program was Humphry Osmond

721

00:33:43,850 --> 00:33:40,410

who coined that term psychedelic you

722

00:33:46,490 --> 00:33:43,860

know today if everybody heard but it

723

00:33:48,560 --> 00:33:46,500

means mind manifesting and that was the

724

00:33:51,230 --> 00:33:48,570

word he came up with because he didn't

725

00:33:54,470 --> 00:33:51,240

like psychotropic he didn't like Cecotto

726

00:33:56,810 --> 00:33:54,480

mimetic for that class of drugs and we

727

00:34:02,240 --> 00:33:56,820

walked right into this project thinking

728

00:34:04,910 --> 00:34:02,250

that it could have benefits and I like

729

00:34:06,830 --> 00:34:04,920

that his title of an old book by Ken

730

00:34:11,480 --> 00:34:06,840

Kesey called One Flew Over the Cuckoo's

731

00:34:13,160 --> 00:34:11,490

Nest and that's that's us I mean John

732

00:34:15,320 --> 00:34:13,170

Selby and I Flew Over the Cuckoo's Nest

733

00:34:16,670 --> 00:34:15,330

for real at the New Jersey

734

00:34:18,530 --> 00:34:16,680

neuropsychiatric Institute and that's

735

00:34:21,740 --> 00:34:18,540

what we that's the story we tell we've

736

00:34:23,870 --> 00:34:21,750

we've waited a long time to tell it

737

00:34:28,820 --> 00:34:23,880

we've waited until everybody else was

738

00:34:31,760 --> 00:34:28,830

dead we waited till the coast was clear

739

00:34:35,030 --> 00:34:31,770

you know I think statute of limitations

740

00:34:37,640 --> 00:34:35,040

or whatever right and you know but we

741

00:34:39,350 --> 00:34:37,650

have quite a story to tell and it's a

742

00:34:42,740 --> 00:34:39,360

personal story about what happened to us

743

00:34:44,630 --> 00:34:42,750

as part of the program was a really

744

00:34:48,950 --> 00:34:44,640

interesting time so it's toward the end

745

00:34:51,110 --> 00:34:48,960

of the 1960s and at that time we didn't

746

00:34:53,330 --> 00:34:51,120

know at the CIA connection but we did

747

00:34:55,250 --> 00:34:53,340

find that out ten years later and we

748

00:34:58,520 --> 00:34:55,260

became much more wise about what we've

749

00:35:01,010 --> 00:34:58,530

been through that's crazy why do these

750

00:35:03,500 --> 00:35:01,020

things always seem to only come forward

751
00:35:05,630 --> 00:35:03,510
once the cover is blown how was their

752
00:35:07,700 --> 00:35:05,640
cover blown on this anyways it's like

753
00:35:10,130 --> 00:35:07,710
alright so we've been doing this to the

754
00:35:13,000 --> 00:35:10,140
American public who trusts us with their

755
00:35:15,190 --> 00:35:13,010
life and security you know they abused

756
00:35:18,710 --> 00:35:15,200
human beings without their knowledge

757
00:35:20,240 --> 00:35:18,720
it's sick yeah yeah that's a really

758
00:35:22,550 --> 00:35:20,250
interesting question

759
00:35:26,240 --> 00:35:22,560
back then Richard Helms was head of the

760
00:35:27,940 --> 00:35:26,250
CIA oh yeah and you know he got into a

761
00:35:31,540 --> 00:35:27,950
lot of trouble over iran-contra

762
00:35:33,420 --> 00:35:31,550
he ended up getting fired and was

763
00:35:39,819 --> 00:35:33,430

horribly punished I mean they fined him

764

00:35:45,700 --> 00:35:39,829

\$1,500 but he had ordered all the

765

00:35:47,530 --> 00:35:45,710

documents on MKULTRA to be destroyed and

766

00:35:48,640 --> 00:35:47,540

somebody didn't follow the order instead

767

00:35:52,000 --> 00:35:48,650

of destroying them all

768

00:35:56,160 --> 00:35:52,010

somebody took 20 boxes of documents

769

00:35:58,569 --> 00:35:56,170

about the mind-control experiments and

770

00:36:00,130 --> 00:35:58,579

misabeled them intentionally as

771

00:36:00,849 --> 00:36:00,140

financial documents of some other

772

00:36:04,810 --> 00:36:00,859

project

773

00:36:08,650 --> 00:36:04,820

so when Helms was out Stansfield Turner

774

00:36:10,720 --> 00:36:08,660

came in under Jimmy Carter and someone

775

00:36:13,150 --> 00:36:10,730

found the stumbled upon it then I mean

776

00:36:15,630 --> 00:36:13,160

it was sort of an accident and it was

777

00:36:19,030 --> 00:36:15,640

sort of an oh my god what happened here

778

00:36:20,950 --> 00:36:19,040

the documents were leaked the story was

779

00:36:25,690 --> 00:36:20,960

headline news across the country that

780

00:36:27,790 --> 00:36:25,700

they were doing this and these were not

781

00:36:29,230 --> 00:36:27,800

innocent projects by the way they were

782

00:36:32,970 --> 00:36:29,240

really you know putting people through

783

00:36:35,170 --> 00:36:32,980

through hell in the interests of

784

00:36:36,880 --> 00:36:35,180

discovering for example they were

785

00:36:38,650 --> 00:36:36,890

looking for the miracle drug that would

786

00:36:40,720 --> 00:36:38,660

make soldiers lay down their weapons in

787

00:36:43,000 --> 00:36:40,730

the battlefield they were looking for

788

00:36:46,089 --> 00:36:43,010

the miracle drug that they could give to

789

00:36:47,470 --> 00:36:46,099

retiring CIA agents so that they could

790

00:36:50,319 --> 00:36:47,480

obliterate their memories of all

791

00:36:53,800 --> 00:36:50,329

classified material Wow

792

00:36:57,190 --> 00:36:53,810

and they had a list of a hundred and

793

00:36:59,319 --> 00:36:57,200

thirty-nine I believe it is different

794

00:37:01,690 --> 00:36:59,329

drugs that they were testing and all of

795

00:37:03,609 --> 00:37:01,700

this came in up and what also came out

796

00:37:07,589 --> 00:37:03,619

was that the New Jersey neuropsychiatric

797

00:37:11,710 --> 00:37:07,599

Institute where we had been enlisted as

798

00:37:16,440 --> 00:37:11,720

guinea pigs in this research unknowingly

799

00:37:18,460 --> 00:37:16,450

what it was that they were one of the

800

00:37:20,319 --> 00:37:18,470

institutions listed that had been

801
00:37:23,380 --> 00:37:20,329
involved and the names of the doctors

802
00:37:25,990 --> 00:37:23,390
and now there was a professor connected

803
00:37:28,720 --> 00:37:26,000
with Princeton New York Times had a

804
00:37:30,700 --> 00:37:28,730
headline of CIA tells Columbia

805
00:37:32,559 --> 00:37:30,710
University and Princeton of the secret

806
00:37:34,359 --> 00:37:32,569
behavioral research well we think we

807
00:37:35,530 --> 00:37:34,369
knew they knew it all along but this was

808
00:37:38,200 --> 00:37:35,540
you know sort of official notification

809
00:37:40,930 --> 00:37:38,210
and they paid everyone through these

810
00:37:41,290 --> 00:37:40,940
bogus organizations that they set up

811
00:37:43,660 --> 00:37:41,300
these

812
00:37:46,090 --> 00:37:43,670
corporations that had really no purpose

813
00:37:48,700 --> 00:37:46,100

other than to be paymaster in a way that

814

00:37:51,700 --> 00:37:48,710

would be that the source of the funds

815

00:37:56,290 --> 00:37:51,710

would be untraceable and that was true

816

00:37:58,870 --> 00:37:56,300

at the at the Institute so listen it's

817

00:38:00,850 --> 00:37:58,880

blowing America's mind it's a it's a

818

00:38:03,070 --> 00:38:00,860

personal story I mean it's like it's a

819

00:38:04,390 --> 00:38:03,080

confession from both of us of things

820

00:38:07,540 --> 00:38:04,400

that we didn't want to talk about for

821

00:38:12,670 --> 00:38:07,550

decades and we've waited till we were

822

00:38:15,340 --> 00:38:12,680

senior citizens now having you have -

823

00:38:17,550 --> 00:38:15,350

yeah I think so I mean both John Selby

824

00:38:21,250 --> 00:38:17,560

and I have had very productive careers

825

00:38:23,770 --> 00:38:21,260

and in my case it's certainly been very

826

00:38:26,170 --> 00:38:23,780

successful in the entertainment business

827

00:38:28,960 --> 00:38:26,180

that I produced and directed a lot of

828

00:38:32,020 --> 00:38:28,970

films oh yeah I had messy but yet but we

829

00:38:34,720 --> 00:38:32,030

were people listening probably seen a

830

00:38:37,870 --> 00:38:34,730

number of my films and I worked on some

831

00:38:40,020 --> 00:38:37,880

of the really major franchises like the

832

00:38:42,550 --> 00:38:40,030

Transformers the original cartoons Oh

833

00:38:48,040 --> 00:38:42,560

Marvel oh now you're talking to somebody

834

00:38:50,770 --> 00:38:48,050

that's up for Alex he's apart my name is

835

00:38:54,040 --> 00:38:50,780

emblazoned in big letters on the screen

836

00:38:56,470 --> 00:38:54,050

TV screen on 79 of those episodes I was

837

00:38:58,450 --> 00:38:56,480

the production coordinator know I was

838

00:39:00,700 --> 00:38:58,460

there at all the recording sessions you

839

00:39:03,190 --> 00:39:00,710

know with Optimus Prime and Megatron and

840

00:39:04,690 --> 00:39:03,200

you know all that we had oh we must have

841

00:39:07,570 --> 00:39:04,700

had a hundred different voice actors but

842

00:39:10,660 --> 00:39:07,580

so as part of that at Marvel and new

843

00:39:13,600 --> 00:39:10,670

Stanley during those days his days of a

844

00:39:15,430 --> 00:39:13,610

depression when he was sure that

845

00:39:19,180 --> 00:39:15,440

spider-man would never get made because

846

00:39:21,520 --> 00:39:19,190

five deals had fallen through I was

847

00:39:24,040 --> 00:39:21,530

present that the spider-man will never

848

00:39:26,350 --> 00:39:24,050

be made beer party in his office one day

849

00:39:29,680 --> 00:39:26,360

that a deal fell through so through my

850

00:39:33,130 --> 00:39:29,690

days of Marvel and then then I graduated

851

00:39:37,660 --> 00:39:33,140

- if you call it that - Lucasfilm where

852

00:39:41,560 --> 00:39:37,670

you know Lucasfilm had me write six of

853

00:39:51,250 --> 00:39:41,570

the Star Wars sequel novels and those

854

00:39:52,990 --> 00:39:51,260

came out in the 1900 well the first

855

00:39:55,099 --> 00:39:53,000

sleep you see the first leap after

856

00:39:57,890 --> 00:39:55,109

graduating Princeton was to the American

857

00:40:00,470 --> 00:39:57,900

Film Institute in California I was

858

00:40:03,079 --> 00:40:00,480

accepted as one of the 15 select first

859

00:40:05,450 --> 00:40:03,089

students that they took in there and

860

00:40:08,870 --> 00:40:05,460

full fellowship but it was really a

861

00:40:10,670 --> 00:40:08,880

life-changing leap now you know I'd

862

00:40:13,009 --> 00:40:10,680

really been interested in having a

863

00:40:15,410 --> 00:40:13,019

career in in film from the time I was a

864

00:40:17,390 --> 00:40:15,420

kid I used to make oh yeah that's cool

865

00:40:20,120 --> 00:40:17,400

you know I'd used to make childhood

866

00:40:22,640 --> 00:40:20,130

eight millimeter monster movies I loved

867

00:40:24,950 --> 00:40:22,650

the Montag movies and I was famous at

868

00:40:28,160 --> 00:40:24,960

age 13 as a childhood monster movie

869

00:40:30,109 --> 00:40:28,170

maker awesome that was in famous month

870

00:40:34,190 --> 00:40:30,119

there's a Filmland magazine you know the

871

00:40:36,319 --> 00:40:34,200

works and as a kid was cavorting as a

872

00:40:39,109 --> 00:40:36,329

pen pal with people like Dennis Muren

873

00:40:42,650 --> 00:40:39,119

who now has like 10 or 11 Academy Awards

874

00:40:44,900 --> 00:40:42,660

and special effects Rick Baker Rick

875

00:40:46,339 --> 00:40:44,910

Baker monster maker and special makeup

876

00:40:48,859 --> 00:40:46,349

effects he's got another 10 Academy

877

00:40:50,479 --> 00:40:48,869

Awards I don't have my first Academy

878

00:40:52,549 --> 00:40:50,489

Award yet I have won Golden Globe

879

00:40:54,499 --> 00:40:52,559

nomination for Roswell when we beat

880

00:40:57,410 --> 00:40:54,509

Roswell for Showtime Oh who's gonna

881

00:41:00,920 --> 00:40:57,420

mention that Heidi he's got Roswell the

882

00:41:03,620 --> 00:41:00,930

UFO cover-up as far as is yeah yeah that

883

00:41:06,979 --> 00:41:03,630

was a very tough to get it made but I

884

00:41:09,529 --> 00:41:06,989

fought I fought so hard and we finally

885

00:41:12,470 --> 00:41:09,539

got it yes but yes but it's back when I

886

00:41:16,609 --> 00:41:12,480

was at Princeton I didn't quite have the

887

00:41:20,089 --> 00:41:16,619

courage to pursue this I was headed for

888

00:41:21,789 --> 00:41:20,099

medical school Oh thinking yeah I was

889

00:41:23,839 --> 00:41:21,799

taking the science courses and

890

00:41:26,930 --> 00:41:23,849

struggling my way through organic

891

00:41:29,539 --> 00:41:26,940

chemistry thought I wanted to be a

892

00:41:31,549 --> 00:41:29,549

psychiatrist you know at that time I

893

00:41:33,680 --> 00:41:31,559

thought I sort of wanted to be the next

894

00:41:35,150 --> 00:41:33,690

time for asthma you know the psychedelic

895

00:41:38,509 --> 00:41:35,160

pioneer and do research

896

00:41:40,569 --> 00:41:38,519

LSD therapy and all of that so yeah I

897

00:41:44,089 --> 00:41:40,579

got involved in the program but the

898

00:41:49,370 --> 00:41:44,099

program was a two-edged sword I always

899

00:41:52,099 --> 00:41:49,380

say it wasn't all negative I had some

900

00:41:55,339 --> 00:41:52,109

good experiences but there were some

901
00:41:58,940 --> 00:41:55,349
nightmares and particularly my my

902
00:42:01,039 --> 00:41:58,950
co-writer John Selby his story I think

903
00:42:04,700 --> 00:42:01,049
his story is is more even more

904
00:42:07,980 --> 00:42:04,710
compelling than mine he really lays

905
00:42:10,590 --> 00:42:07,990
himself there what happened to him

906
00:42:13,710 --> 00:42:10,600
while he was a subject at the Institute

907
00:42:17,010 --> 00:42:13,720
and having his memory erased having his

908
00:42:21,060 --> 00:42:17,020
past erased you know so tampered with

909
00:42:25,200 --> 00:42:21,070
with hypnotic conditions and the

910
00:42:27,000 --> 00:42:25,210
manipulation they were they were looking

911
00:42:29,510 --> 00:42:27,010
for people's behaviors under deep

912
00:42:32,010 --> 00:42:29,520
hypnosis when they changed their

913
00:42:34,020 --> 00:42:32,020

perceptions they changed their sense of

914

00:42:38,100 --> 00:42:34,030

reality in some fundamental way each

915

00:42:40,470 --> 00:42:38,110

different session so they might erase

916

00:42:42,990 --> 00:42:40,480

your past like I said or erase any sense

917

00:42:46,770 --> 00:42:43,000

of there being a future or stop time or

918

00:42:49,590 --> 00:42:46,780

slow time down mmm

919

00:42:53,609 --> 00:42:49,600

you know out-of-body experiences John

920

00:42:56,810 --> 00:42:53,619

Selby was turned into a bird in one of

921

00:43:00,780 --> 00:42:56,820

the sessions and told to fly away and

922

00:43:02,220 --> 00:43:00,790

well you know I there was some there was

923

00:43:05,910 --> 00:43:02,230

a sonata me Tudor up

924

00:43:08,460 --> 00:43:05,920

that's how I get on this one topic there

925

00:43:13,140 --> 00:43:08,470

was a show this Oh Paul this goes back

926
00:43:17,160 --> 00:43:13,150
in the late nineties oh I thought John C

927
00:43:20,880 --> 00:43:17,170
white he had that's that in tithings I

928
00:43:23,460 --> 00:43:20,890
think it was was like oh yeah oh yeah

929
00:43:25,410 --> 00:43:23,470
and they had already had an it well see

930
00:43:26,490 --> 00:43:25,420
now this sounds we're just about rated

931
00:43:29,280 --> 00:43:26,500
them for the break

932
00:43:31,680 --> 00:43:29,290
I can't tell all the dynamics of it but

933
00:43:34,170 --> 00:43:31,690
I have had contact with people that were

934
00:43:35,820 --> 00:43:34,180
yes truly telepathic and there was a

935
00:43:39,210 --> 00:43:35,830
governmental there was a governmental

936
00:43:41,760 --> 00:43:39,220
aspect to it and what happened was I had

937
00:43:43,560 --> 00:43:41,770
to travel on business but I wanted to

938
00:43:46,520 --> 00:43:43,570

see the show but I just had to travel

939

00:43:49,109 --> 00:43:46,530

going out of town so I tried to get a

940

00:43:50,730 --> 00:43:49,119

copy of the sightings at that time there

941

00:43:54,060 --> 00:43:50,740

was Burrell transcripts you could buy

942

00:43:58,650 --> 00:43:54,070

instead of the DVD or whatever and all

943

00:44:00,900 --> 00:43:58,660

eight years were on there for sightings

944

00:44:03,990 --> 00:44:00,910

except that one seer of that one show

945

00:44:06,690 --> 00:44:04,000

they were touting that week somebody put

946

00:44:08,160 --> 00:44:06,700

somebody put the kaiidas to the the

947

00:44:09,960 --> 00:44:08,170

information because I you know since I'd

948

00:44:11,730 --> 00:44:09,970

personally experienced telepathy and and

949

00:44:13,410 --> 00:44:11,740

what not knew there was a governmental

950

00:44:15,710 --> 00:44:13,420

compound I want to see what they had say

951

00:44:18,090 --> 00:44:15,720

what the subject matter was the the

952

00:44:21,150 --> 00:44:18,100

telepathic capabilities of US

953

00:44:26,260 --> 00:44:24,010

well of course they explored remote

954

00:44:27,549 --> 00:44:26,270

viewing - I think that was came under

955

00:44:30,430 --> 00:44:27,559

the MQ yes

956

00:44:33,809 --> 00:44:30,440

which yes remote viewing yes Oh with

957

00:44:35,470 --> 00:44:33,819

great success Paul loved and heard unity

958

00:44:37,630 --> 00:44:35,480

yeah

959

00:44:41,650 --> 00:44:37,640

how pull it off I think was one of the

960

00:44:43,690 --> 00:44:41,660

guys yet and part of it there was a guy

961

00:44:47,740 --> 00:44:43,700

named Oh Heidi who's that buddy of mine

962

00:44:49,329 --> 00:44:47,750

in Austin only the he was headed

963

00:44:58,510 --> 00:44:49,339

international mud viewing Association

964

00:45:00,789 --> 00:44:58,520

boys name escapes me but he he was

965

00:45:03,609 --> 00:45:00,799

involved with the operation Stargate at

966

00:45:05,859 --> 00:45:03,619

you know in Maryland Fort Meade and but

967

00:45:09,490 --> 00:45:05,869

I mean this was weird to actually

968

00:45:11,289 --> 00:45:09,500

experience it was was quite bizarre but

969

00:45:13,960 --> 00:45:11,299

when you experience telepathy let me ask

970

00:45:15,730 --> 00:45:13,970

you and in what sense did you have

971

00:45:17,740 --> 00:45:15,740

telepathic it was communication with

972

00:45:21,910 --> 00:45:17,750

another person what happened yes another

973

00:45:24,670 --> 00:45:21,920

several people yeah and I could

974

00:45:28,029 --> 00:45:24,680

communicate you had an unusual feeling

975

00:45:31,630 --> 00:45:28,039

in the foremost part of your head it's

976

00:45:32,920 --> 00:45:31,640

kind of like a pressure and you know it

977

00:45:35,470 --> 00:45:32,930

was like that Kevin come get the

978

00:45:37,599 --> 00:45:35,480

hamburgers or something you know but I

979

00:45:39,400 --> 00:45:37,609

mean it was a back and forth just like a

980

00:45:42,609 --> 00:45:39,410

whisper kind of a thing and you heard it

981

00:45:45,250 --> 00:45:42,619

very audibly and it was a you know I

982

00:45:48,819 --> 00:45:45,260

wasn't a great receiver but I was okay

983

00:45:50,500 --> 00:45:48,829

but the evident one half of one percent

984

00:45:54,339 --> 00:45:50,510

of the people in the world have that

985

00:45:57,099 --> 00:45:54,349

capability and with any rate I don't

986

00:45:59,440 --> 00:45:57,109

want to say too much on it but we're

987

00:46:00,819 --> 00:45:59,450

we're just about coming to our top of

988

00:46:05,890 --> 00:46:00,829

the hour break but we've got a lot to

989

00:46:08,289 --> 00:46:05,900

talk about I'll get right back okay

990

00:46:11,260 --> 00:46:08,299

blowing America's mind is the book it's

991

00:46:15,970 --> 00:46:11,270

at Amazon it's both a printed book or a

992

00:46:18,549 --> 00:46:15,980

Kindle or you can get it for any ebook

993

00:46:20,140 --> 00:46:18,559

reader so it's out there now it's just

994

00:46:23,260 --> 00:46:20,150

been out the short while and it took

995

00:46:24,789 --> 00:46:23,270

decades to come to bring this

996

00:46:27,069 --> 00:46:24,799

information we'll be right back to talk

997

00:46:28,979 --> 00:46:27,079

about it just as just to say we'll be

998

00:46:32,829 --> 00:46:28,989

right

999

00:46:36,849 --> 00:46:32,839

was getting back on football and you

1000

00:46:40,839 --> 00:46:36,859

know we we stopped at a particular point

1001
00:46:44,739 --> 00:46:40,849
there but you've done so many things and

1002
00:46:49,089 --> 00:46:44,749
this Roswell the UFO cover-up that that

1003
00:46:51,459 --> 00:46:49,099
was a heck of a topic and well we had we

1004
00:46:53,380 --> 00:46:51,469
got some major stars to be in that movie

1005
00:46:56,519 --> 00:46:53,390
I mean we had Kyle MacLachlan of Twin

1006
00:47:00,880 --> 00:46:56,529
Peaks and we had Dwight Yoakam and

1007
00:47:04,839 --> 00:47:00,890
Martin Sheen is under her play and

1008
00:47:07,559 --> 00:47:04,849
Charles Martin Smith who's he goes back

1009
00:47:10,120 --> 00:47:07,569
to being an actor and American Graffiti

1010
00:47:14,499 --> 00:47:10,130
so well you know was just really good

1011
00:47:17,439 --> 00:47:14,509
fortune to get Roswell made I I really

1012
00:47:20,499 --> 00:47:17,449
believed in the testimony that I was

1013
00:47:23,349 --> 00:47:20,509

hearing from the old military people who

1014

00:47:25,979 --> 00:47:23,359

had been there and then I got to hear

1015

00:47:28,509 --> 00:47:25,989

personally from two of our astronauts

1016

00:47:32,289 --> 00:47:28,519

who were absolutely convinced that it

1017

00:47:34,180 --> 00:47:32,299

was an extraterrestrial recovery so

1018

00:47:36,579 --> 00:47:34,190

making the movie was a great adventure

1019

00:47:40,120 --> 00:47:36,589

but you know each of the movies most of

1020

00:47:42,039 --> 00:47:40,130

the movies I've done excuse man get rid

1021

00:47:44,529 --> 00:47:42,049

of the frog in my throat most of the

1022

00:47:46,809 --> 00:47:44,539

movies I've done have been on you know

1023

00:47:49,989 --> 00:47:46,819

controversial subjects things that push

1024

00:47:52,749 --> 00:47:49,999

the envelope people oh they'll get their

1025

00:47:55,719 --> 00:47:52,759

ideas knocked around from from what what

1026

00:47:57,189 --> 00:47:55,729

I do you know I mean Jesus in India was

1027

00:47:59,199 --> 00:47:57,199

one of them you know the theory that

1028

00:48:02,079 --> 00:47:59,209

Geoff's gonna bring that up yeah was

1029

00:48:06,009 --> 00:48:02,089

yeah yeah on this so you were on the

1030

00:48:11,140 --> 00:48:06,019

Roswell thing I actually met this guy he

1031

00:48:13,479 --> 00:48:11,150

was like a retired Air Force he all 86

1032

00:48:17,319 --> 00:48:13,489

but as sergeant their version of a

1033

00:48:21,309 --> 00:48:17,329

sergeant and he when he was a young Air

1034

00:48:24,459 --> 00:48:21,319

Force guy he met a guy in turn that was

1035

00:48:26,859 --> 00:48:24,469

an officer at at Roswell and that guy

1036

00:48:29,349 --> 00:48:26,869

told him buddy for take it to the bank

1037

00:48:31,180 --> 00:48:29,359

that thing was as alien as alien God

1038

00:48:35,140 --> 00:48:31,190

don't believe any of the BS they told

1039

00:48:36,900 --> 00:48:35,150

you that the Roswell thing was as for

1040

00:48:40,150 --> 00:48:36,910

real as the hand on the end of your arm

1041

00:48:40,800 --> 00:48:40,160

absolutely so I I had a meeting at the

1042

00:48:43,790 --> 00:48:40,810

school

1043

00:48:46,950 --> 00:48:43,800

the National Museum of nuclear energy

1044

00:48:50,040 --> 00:48:46,960

where I was introduced to one of the

1045

00:48:52,260 --> 00:48:50,050

very old soldiers now who had been at

1046

00:48:55,590 --> 00:48:52,270

Roswell and he described having seen the

1047

00:48:58,710 --> 00:48:55,600

aliens and not something he had ever

1048

00:49:01,770 --> 00:48:58,720

talked about hardly at all and you know

1049

00:49:03,570 --> 00:49:01,780

he'd been trained in the secrecy but you

1050

00:49:06,360 --> 00:49:03,580

know he admitted at the game of

1051
00:49:08,310 --> 00:49:06,370
description and you know listening to

1052
00:49:12,120 --> 00:49:08,320
someone under those circumstances

1053
00:49:14,580 --> 00:49:12,130
someone who's old and you know toward

1054
00:49:15,630 --> 00:49:14,590
the end of their life you know you're

1055
00:49:18,840 --> 00:49:15,640
you're here when you're hearing the

1056
00:49:23,730 --> 00:49:18,850
truth you know you know you can you can

1057
00:49:25,860 --> 00:49:23,740
feel it so you know no that was a great

1058
00:49:27,930 --> 00:49:25,870
adventure the fact that showtimes said

1059
00:49:32,130 --> 00:49:27,940
yes and then that movie has been on TV

1060
00:49:34,430 --> 00:49:32,140
so many times right and then then CBS

1061
00:49:37,770 --> 00:49:34,440
got the rights at one point and since

1062
00:49:41,430 --> 00:49:37,780
CBS got the rights it's really hard to

1063
00:49:43,470 --> 00:49:41,440

find they brought it up they buy it up

1064

00:49:46,530 --> 00:49:43,480

to hold it or something or you know I

1065

00:49:48,150 --> 00:49:46,540

don't know what their policy is now but

1066

00:49:50,010 --> 00:49:48,160

you know they go back to the old days of

1067

00:49:54,720 --> 00:49:50,020

Walter Cronkite when they used to put

1068

00:49:58,860 --> 00:49:54,730

the debunking UFO shows on the air a lot

1069

00:50:01,890 --> 00:49:58,870

of that was you know they were you know

1070

00:50:03,990 --> 00:50:01,900

they were part of the company so there

1071

00:50:07,080 --> 00:50:04,000

were government tools basically yeah

1072

00:50:08,850 --> 00:50:07,090

exactly exactly so our film eventually

1073

00:50:10,290 --> 00:50:08,860

got swallowed up after but that was

1074

00:50:12,870 --> 00:50:10,300

after was on the air around a hundred

1075

00:50:17,670 --> 00:50:12,880

times but you know they haven't released

1076
00:50:19,590 --> 00:50:17,680
the DVD in years and you can't you know

1077
00:50:22,290 --> 00:50:19,600
hard to find on the internet maybe you

1078
00:50:24,660 --> 00:50:22,300
look for Roswell the UFO cover-up you

1079
00:50:29,190 --> 00:50:24,670
might find a pirated version somewhere

1080
00:50:30,510 --> 00:50:29,200
but anyway you know all right well you

1081
00:50:32,850 --> 00:50:30,520
know they had a simp they had a little

1082
00:50:38,460 --> 00:50:32,860
thing just as tangental eaten Roswell is

1083
00:50:43,560 --> 00:50:38,470
about that same time they had oh this

1084
00:50:48,450 --> 00:50:43,570
general Ramey who was a majordomo at the

1085
00:50:52,020 --> 00:50:48,460
time but he he was in Fort happy

1086
00:50:53,930 --> 00:50:52,030
yeah head of the Air Force yeah yes in

1087
00:50:55,760 --> 00:50:53,940
Fort Worth what happened was

1088
00:50:58,670 --> 00:50:55,770

had like their little take off when the

1089

00:51:01,760 --> 00:50:58,680

x-files was called the text files okay

1090

00:51:03,620 --> 00:51:01,770

they interesting connection to it Paul

1091

00:51:04,490 --> 00:51:03,630

what happened was they said oh you think

1092

00:51:07,250 --> 00:51:04,500

that was all baloney

1093

00:51:09,800 --> 00:51:07,260

they showed with enhanced techniques

1094

00:51:11,450 --> 00:51:09,810

that Rainey was holding up what was

1095

00:51:12,440 --> 00:51:11,460

allegedly the weather balloon or

1096

00:51:16,099 --> 00:51:12,450

something that's supposed to be this

1097

00:51:18,170 --> 00:51:16,109

laughable because and he had a telegram

1098

00:51:19,910 --> 00:51:18,180

he had a telegram in his hand that they

1099

00:51:22,309 --> 00:51:19,920

never liked that advanced technology

1100

00:51:25,339 --> 00:51:22,319

would be able to read in the photo you

1101
00:51:26,300 --> 00:51:25,349
know so he got contradicting sighs there

1102
00:51:29,150 --> 00:51:26,310
was higher elegy

1103
00:51:30,859 --> 00:51:29,160
yes I'm the doggone weather balloon and

1104
00:51:33,920 --> 00:51:30,869
the army I was and never had any

1105
00:51:36,290 --> 00:51:33,930
hieroglyphics on anything yeah I doubt

1106
00:51:38,150 --> 00:51:36,300
they adopted back that but it showed

1107
00:51:39,319 --> 00:51:38,160
that there was a Cossack aliy what I'm

1108
00:51:41,780 --> 00:51:39,329
saying I didn't know about the telegram

1109
00:51:43,910 --> 00:51:41,790
either yeah you know well Ramey I said

1110
00:51:46,040 --> 00:51:43,920
he was the head of the the 8th Air Force

1111
00:51:48,319 --> 00:51:46,050
but actually the 8th Army Air Force

1112
00:51:50,150 --> 00:51:48,329
because in those days in 1947 you didn't

1113
00:51:52,849 --> 00:51:50,160

have a separate Air Force yet you've got

1114

00:51:54,380 --> 00:51:52,859

that right thinking in the fall of 1947

1115

00:51:56,630 --> 00:51:54,390

but not that summer when Roswell

1116

00:51:59,599 --> 00:51:56,640

happened well anyway listen that you

1117

00:52:03,460 --> 00:51:59,609

know that was a coverup and MKULTRA that

1118

00:52:08,750 --> 00:52:03,470

my new book is about was a coverup and

1119

00:52:13,609 --> 00:52:08,760

Jesus in India cover up I tell me about

1120

00:52:18,589 --> 00:52:13,619

the yeah you know I mentioned to you I

1121

00:52:21,890 --> 00:52:18,599

mean it came out in 2007 or 2008 first

1122

00:52:24,500 --> 00:52:21,900

it was on the Sundance Channel and then

1123

00:52:28,910 --> 00:52:24,510

NBC Universal distributed the TV around

1124

00:52:30,829 --> 00:52:28,920

the world the the premise is that

1125

00:52:33,050 --> 00:52:30,839

there's 13 years in the life of Christ

1126

00:52:36,170 --> 00:52:33,060

that are not discussed in the Bible from

1127

00:52:38,750 --> 00:52:36,180

age Theroux age 30 the missing years of

1128

00:52:40,339 --> 00:52:38,760

Christ they call it it's one sentence

1129

00:52:44,359 --> 00:52:40,349

about it in the Bible and that's pretty

1130

00:52:48,710 --> 00:52:44,369

vague so in India they have believed for

1131

00:52:51,859 --> 00:52:48,720

hundreds of years that had about age 13

1132

00:52:56,390 --> 00:52:51,869

that Jesus took the Silk Road to the

1133

00:52:58,579 --> 00:52:56,400

east and lived among Hindus and

1134

00:53:02,599 --> 00:52:58,589

Buddhists and that when he began his

1135

00:53:04,910 --> 00:53:02,609

ministry in Judea that was after he had

1136

00:53:07,509 --> 00:53:04,920

been you know to the east and he was

1137

00:53:11,900 --> 00:53:07,519

returning with a lot of

1138

00:53:15,529 --> 00:53:11,910

influenced from Eastern religion you

1139

00:53:17,539 --> 00:53:15,539

know because he no longer preached an

1140

00:53:22,969 --> 00:53:17,549

eye-for-an-eye like the Old Testament

1141

00:53:24,620 --> 00:53:22,979

you know he was Jewish culturally he

1142

00:53:26,449 --> 00:53:24,630

came in with you know love love your

1143

00:53:30,589 --> 00:53:26,459

enemies right well that was much more

1144

00:53:35,239 --> 00:53:30,599

Hindu or Buddhist and so I embarked on a

1145

00:53:38,569 --> 00:53:35,249

film to see is there any evidence at all

1146

00:53:42,319 --> 00:53:38,579

for these ideas about Jesus having been

1147

00:53:44,660 --> 00:53:42,329

in India and I worked with a writer

1148

00:53:47,599 --> 00:53:44,670

named Edward T Martin he wrote a book

1149

00:53:50,690 --> 00:53:47,609

called king of travelers Jesus's Lost

1150

00:53:52,279 --> 00:53:50,700

years in India and I ended up

1151
00:53:54,979 --> 00:53:52,289
republishing that book when it went out

1152
00:53:58,249 --> 00:53:54,989
of print and I went to India with Edie

1153
00:54:00,680 --> 00:53:58,259
and we had had a Hindu crew and we

1154
00:54:03,259 --> 00:54:00,690
traveled across 4000 miles of India

1155
00:54:05,630 --> 00:54:03,269
going to ancient temples Buddhist

1156
00:54:08,359 --> 00:54:05,640
monasteries up into the Himalayas we

1157
00:54:11,839 --> 00:54:08,369
went to Kashmir with loungers very

1158
00:54:14,150 --> 00:54:11,849
dangerous we took our life in our hands

1159
00:54:15,920 --> 00:54:14,160
when we were in Kashmir what's not as

1160
00:54:19,930 --> 00:54:15,930
mere where the bandits there or

1161
00:54:23,539 --> 00:54:19,940
something well no see Kashmir is just a

1162
00:54:27,620 --> 00:54:23,549
it's it's heaven on earth in terms of

1163
00:54:30,079 --> 00:54:27,630

its beauty but it's disputed between the

1164

00:54:32,390 --> 00:54:30,089

Hindus and the Muslims oh yeah

1165

00:54:34,370 --> 00:54:32,400

Pakistan right so there's Indian

1166

00:54:37,130 --> 00:54:34,380

soldiers on every street corner and

1167

00:54:39,140 --> 00:54:37,140

there's terrorism there you know and

1168

00:54:40,849 --> 00:54:39,150

Americans are in danger their State

1169

00:54:42,680 --> 00:54:40,859

Department is not a good idea

1170

00:54:46,609 --> 00:54:42,690

you know but they didn't forbid going

1171

00:54:49,789 --> 00:54:46,619

there so you know they were I think

1172

00:54:51,579 --> 00:54:49,799

around 12 people killed violently about

1173

00:54:55,039 --> 00:54:51,589

two days after we got out of there

1174

00:54:59,569 --> 00:54:55,049

so yeah terrorism sort of followed

1175

00:55:02,509 --> 00:54:59,579

behind us by a few days as Bloods floods

1176

00:55:04,640 --> 00:55:02,519

and you know all kinds of unwelcome

1177

00:55:06,079 --> 00:55:04,650

things was always behind us by a couple

1178

00:55:08,839 --> 00:55:06,089

days were kind of blessed when we made

1179

00:55:13,339 --> 00:55:08,849

the movie but the thing it's current now

1180

00:55:16,809 --> 00:55:13,349

is that I heard from a theater in Italy

1181

00:55:20,390 --> 00:55:16,819

in Florence Italy the Odeon theatre

1182

00:55:21,589 --> 00:55:20,400

Florence Firenze and

1183

00:55:24,109 --> 00:55:21,599

they said that they wanted to have a

1184

00:55:27,650 --> 00:55:24,119

special showing of Jesus in India and it

1185

00:55:28,970 --> 00:55:27,660

would be like for VIPs and so they

1186

00:55:33,950 --> 00:55:28,980

worked that out with me that's gonna

1187

00:55:36,529 --> 00:55:33,960

happen this May May 23rd Jesus in India

1188

00:55:39,170 --> 00:55:36,539

at the Odeon theatre in Florence with

1189

00:55:40,970 --> 00:55:39,180

Italian subtitles and I did fill a

1190

00:55:42,319 --> 00:55:40,980

little of the movie at the Vatican you

1191

00:55:44,510 --> 00:55:42,329

know we got their point of view in there

1192

00:55:47,059 --> 00:55:44,520

too so it's gonna be really interesting

1193

00:55:49,519 --> 00:55:47,069

I've decided to head to Italy you know

1194

00:55:51,109 --> 00:55:49,529

and spend some time over there well that

1195

00:55:56,329 --> 00:55:51,119

sounds like an excellent life you've got

1196

00:55:58,460 --> 00:55:56,339

going on and certainly aren't yeah it's

1197

00:56:01,190 --> 00:55:58,470

a lot of a lot of things have fallen

1198

00:56:03,589 --> 00:56:01,200

into place since my days as an MKULTRA

1199

00:56:05,690 --> 00:56:03,599

subject what is it you know but a lot of

1200

00:56:09,339 --> 00:56:05,700

this a lot of this came about as my

1201
00:56:12,740 --> 00:56:09,349
rebellion against the manipulation and

1202
00:56:14,690 --> 00:56:12,750
and and mind control and the hypnosis

1203
00:56:17,319 --> 00:56:14,700
that I went through where you give

1204
00:56:19,789 --> 00:56:17,329
yourself over to the experiments

1205
00:56:24,140 --> 00:56:19,799
thinking it's for psychological research

1206
00:56:26,180 --> 00:56:24,150
and you're being very manipulated and

1207
00:56:28,339 --> 00:56:26,190
then you know you go into states of

1208
00:56:31,640 --> 00:56:28,349
depression and it takes you down and it

1209
00:56:32,630 --> 00:56:31,650
robs you a part of yourself so so I just

1210
00:56:35,589 --> 00:56:32,640
I want to say I

1211
00:56:40,099 --> 00:56:35,599
I got to a point as did my co-author

1212
00:56:44,210 --> 00:56:40,109
we're at different times we quit we left

1213
00:56:46,549 --> 00:56:44,220

abruptly we just got out and it was that

1214

00:56:50,180 --> 00:56:46,559

strength to break free and the rebellion

1215

00:56:52,010 --> 00:56:50,190

of that that from that also came the

1216

00:56:54,019 --> 00:56:52,020

strength by which I said hey you know

1217

00:56:55,970 --> 00:56:54,029

everybody thinks I should be a doctor I

1218

00:56:57,380 --> 00:56:55,980

don't really want to be a doctor I know

1219

00:56:59,059 --> 00:56:57,390

what I want to do they all tell me it's

1220

00:57:02,269 --> 00:56:59,069

crazy to try to go to Hollywood and be a

1221

00:57:04,039 --> 00:57:02,279

filmmaker but it's my life and that's

1222

00:57:05,779 --> 00:57:04,049

what I'm gonna do you see so that

1223

00:57:08,059 --> 00:57:05,789

strength had to come from somewhere

1224

00:57:12,859 --> 00:57:08,069

because everyone I knew was against that

1225

00:57:20,089 --> 00:57:12,869

idea really everybody wants their kid to

1226

00:57:21,980 --> 00:57:20,099

be a doctor they know I just don't find

1227

00:57:25,160 --> 00:57:21,990

that the government ever quits anything

1228

00:57:26,839 --> 00:57:25,170

fully whether they're busted so I'm

1229

00:57:29,029 --> 00:57:26,849

assuming that they took a step forward

1230

00:57:31,370 --> 00:57:29,039

and they got their hands on what it was

1231

00:57:32,960 --> 00:57:31,380

they're looking for because I'm sure you

1232

00:57:40,430 --> 00:57:32,970

must be familiar with military

1233

00:57:43,330 --> 00:57:40,440

abductions or my labs I've because be

1234

00:57:47,089 --> 00:57:43,340

able to do what they did and I saw

1235

00:57:48,710 --> 00:57:47,099

dozens of people where I was at and the

1236

00:57:51,440 --> 00:57:48,720

way that they were able to control the

1237

00:57:52,970 --> 00:57:51,450

people and and tell me oh you're not

1238

00:57:55,430 --> 00:57:52,980

gonna remember any of this I'm like oh

1239

00:57:57,740 --> 00:57:55,440

no I'm gonna remember you you and what

1240

00:58:01,099 --> 00:57:57,750

you're doing right over here they were

1241

00:58:02,480 --> 00:58:01,109

not happy with me and it's it's they've

1242

00:58:04,910 --> 00:58:02,490

got their hands on something I don't

1243

00:58:06,440 --> 00:58:04,920

know you know we we laugh at the movie

1244

00:58:09,140 --> 00:58:06,450

money at men in black you know which was

1245

00:58:13,609 --> 00:58:09,150

a comedy but they had those little hands

1246

00:58:16,370 --> 00:58:13,619

and ones yeah booked with and you know

1247

00:58:17,890 --> 00:58:16,380

then the memory goes blank of the you

1248

00:58:22,190 --> 00:58:17,900

know that was a serious military

1249

00:58:23,599 --> 00:58:22,200

objective and by working with subjects

1250

00:58:28,250 --> 00:58:23,609

and deep hypnose as they were trying to

1251

00:58:31,490 --> 00:58:28,260

see how far they could go yeah so

1252

00:58:33,770 --> 00:58:31,500

blowing America's mind I tell you the

1253

00:58:37,220 --> 00:58:33,780

John Selby side of the story is

1254

00:58:39,079 --> 00:58:37,230

absolutely riveting because see I was a

1255

00:58:41,570 --> 00:58:39,089

year behind him I got into the program a

1256

00:58:42,589 --> 00:58:41,580

year after he was into it he his mind

1257

00:58:45,589 --> 00:58:42,599

had already been blown

1258

00:58:47,420 --> 00:58:45,599

he was manipulated controlled they were

1259

00:58:49,040 --> 00:58:47,430

turning him into a training hypnotist

1260

00:58:50,839 --> 00:58:49,050

and offering him a full-time job the

1261

00:58:52,550 --> 00:58:50,849

next year to keep him there under their

1262

00:58:54,470 --> 00:58:52,560

wing and then we're gonna get him a

1263

00:58:56,089 --> 00:58:54,480

draft deferment for it because it was in

1264

00:58:57,980 --> 00:58:56,099

the national interest they said and he

1265

00:59:01,210 --> 00:58:57,990

wouldn't have to go to Vietnam so they

1266

00:59:03,800 --> 00:59:01,220

got their hooks into him really deep and

1267

00:59:06,859 --> 00:59:03,810

you know he fought he fell in love at

1268

00:59:09,349 --> 00:59:06,869

that time and the Institute considered

1269

00:59:12,530 --> 00:59:09,359

the woman that he was involved with as a

1270

00:59:15,320 --> 00:59:12,540

threat to their research no they yeah

1271

00:59:21,109 --> 00:59:15,330

they used the hypnosis to try to get him

1272

00:59:23,540 --> 00:59:21,119

to break his girlfriend and you see it's

1273

00:59:26,290 --> 00:59:23,550

so well written what John Selby has done

1274

00:59:29,450 --> 00:59:26,300

of the mental agony what he went through

1275

00:59:31,430 --> 00:59:29,460

not understanding the extent to which

1276

00:59:33,980 --> 00:59:31,440

they were using hypnotic conditions to

1277

00:59:36,050 --> 00:59:33,990

you know for example bring on about of

1278

00:59:40,240 --> 00:59:36,060

nausea when he's with her it's

1279

00:59:43,640 --> 00:59:40,250

programmed into him through hypnosis and

1280

00:59:45,020 --> 00:59:43,650

then eventually when it didn't work to

1281

00:59:46,769 --> 00:59:45,030

get him to break up with her they

1282

00:59:49,709 --> 00:59:46,779

offered her a job at the end

1283

00:59:51,739 --> 00:59:49,719

Institute to pull her into the family so

1284

00:59:55,949 --> 00:59:51,749

to speak and keep honor their control

1285

00:59:58,079 --> 00:59:55,959

this may build them go on to to there's

1286

00:59:59,880 --> 00:59:58,089

a confrontation that's real it's all

1287

01:00:01,709 --> 00:59:59,890

real everything here we're writing what

1288

01:00:03,509 --> 01:00:01,719

happened to us you know we just waited

1289

01:00:07,199 --> 01:00:03,519

decades come out with it and admit it

1290

01:00:09,739 --> 01:00:07,209

but John Selby's confrontation with the

1291

01:00:15,120 --> 01:00:09,749

President of Princeton at that time

1292

01:00:16,709 --> 01:00:15,130

robert f going was very conservative you

1293

01:00:19,199 --> 01:00:16,719

know son of I think Presbyterian

1294

01:00:22,289 --> 01:00:19,209

ministers who came from a long line that

1295

01:00:24,509 --> 01:00:22,299

had a family and there was a

1296

01:00:28,469 --> 01:00:24,519

confrontation of the worlds as John

1297

01:00:30,120 --> 01:00:28,479

Selby tried to talk to him about LSD and

1298

01:00:34,049 --> 01:00:30,130

what was happening on campus and the

1299

01:00:36,870 --> 01:00:34,059

Institute and he decided that that

1300

01:00:39,839 --> 01:00:36,880

President of Princeton was you know

1301
01:00:42,179 --> 01:00:39,849
heavily CIA connected himself and one of

1302
01:00:46,199 --> 01:00:42,189
the things that raises your eyebrows on

1303
01:00:49,819 --> 01:00:46,209
that is that Robert F cohan was

1304
01:00:53,549 --> 01:00:49,829
appointed to be the ambassador to India

1305
01:00:54,269 --> 01:00:53,559
by Richard Nixon after he was president

1306
01:00:56,789 --> 01:00:54,279
of Princeton

1307
01:00:59,699 --> 01:00:56,799
so that's a nuclear-armed country he's

1308
01:01:01,499 --> 01:00:59,709
our American ambassador I mean he must

1309
01:01:04,620 --> 01:01:01,509
have had some really deep government

1310
01:01:06,959 --> 01:01:04,630
connections and sure you know John Selby

1311
01:01:08,459 --> 01:01:06,969
saw evidence of this and we both felt

1312
01:01:12,269 --> 01:01:08,469
that we had walked into this enormous

1313
01:01:15,239 --> 01:01:12,279

spider web and and you know and and and

1314

01:01:17,370 --> 01:01:15,249

Princeton was part of it but the

1315

01:01:22,109 --> 01:01:17,380

Princeton experience as it comes across

1316

01:01:24,479 --> 01:01:22,119

in blowin America's mind is really

1317

01:01:26,880 --> 01:01:24,489

something to behold it was the end of

1318

01:01:29,370 --> 01:01:26,890

the era of Princeton as all-male school

1319

01:01:32,009 --> 01:01:29,380

there were no women there when we were

1320

01:01:33,179 --> 01:01:32,019

there okay Michelle Obama eventually

1321

01:01:38,159 --> 01:01:33,189

graduated from Princeton

1322

01:01:42,059 --> 01:01:38,169

so did what is the Supreme Court justice

1323

01:01:44,759 --> 01:01:42,069

Sotomayor's first name oh yeah golly I

1324

01:01:46,199 --> 01:01:44,769

don't know and Eleanor Kagan so two

1325

01:01:47,880 --> 01:01:46,209

Supreme Court justice you know there

1326

01:01:50,459 --> 01:01:47,890

were a lot of women who went on to be

1327

01:01:52,649 --> 01:01:50,469

very prominent who eventually graduated

1328

01:01:55,679 --> 01:01:52,659

from Princeton but when we were there no

1329

01:01:59,039 --> 01:01:55,689

women so you're getting to see Princeton

1330

01:02:00,630 --> 01:01:59,049

this in its twilight era as this

1331

01:02:05,870 --> 01:02:00,640

all-male party school

1332

01:02:10,320 --> 01:02:05,880

now that that has this insidiousness and

1333

01:02:13,500 --> 01:02:10,330

underneath through the these experiments

1334

01:02:19,080 --> 01:02:13,510

that were going on by the CIA that that

1335

01:02:23,670 --> 01:02:19,090

was hmm boy then what a deal that really

1336

01:02:25,260 --> 01:02:23,680

is well you know I wonder really you

1337

01:02:27,210 --> 01:02:25,270

know like I say that as far as I've

1338

01:02:28,770 --> 01:02:27,220

mentioned earlier about the sightings

1339

01:02:30,690 --> 01:02:28,780

deal where they kind of the government

1340

01:02:32,940 --> 01:02:30,700

or somebody must have covered up the

1341

01:02:35,250 --> 01:02:32,950

records for that show I guess the

1342

01:02:37,980 --> 01:02:35,260

question would be Paul why did they let

1343

01:02:40,470 --> 01:02:37,990

them love do that show anyway why didn't

1344

01:02:41,820 --> 01:02:40,480

they get a food on to it and say well

1345

01:02:44,490 --> 01:02:41,830

you know we better put the kibosh on

1346

01:02:46,860 --> 01:02:44,500

producing that they actually did you

1347

01:02:49,350 --> 01:02:46,870

know air the show they just killed that

1348

01:02:51,660 --> 01:02:49,360

odd pests Kevin there's a really good

1349

01:02:54,210 --> 01:02:51,670

question and it has a really interesting

1350

01:02:56,400 --> 01:02:54,220

answer I think you see there were a

1351

01:03:02,100 --> 01:02:56,410

couple of other shows produced back then

1352

01:03:05,310 --> 01:03:02,110

with a similar kind of effect and let's

1353

01:03:08,130 --> 01:03:05,320

say one of them was sponsoring universe

1354

01:03:10,730 --> 01:03:08,140

AT&T well there was there was one that

1355

01:03:14,010 --> 01:03:10,740

was actually made by the Disney company

1356

01:03:16,650 --> 01:03:14,020

called alien encounters they were

1357

01:03:18,750 --> 01:03:16,660

opening an alien encounter ride I think

1358

01:03:21,240 --> 01:03:18,760

in Disneyworld or something attraction

1359

01:03:25,460 --> 01:03:21,250

really I don't know them and they put

1360

01:03:28,380 --> 01:03:25,470

together a one-hour show about UFOs

1361

01:03:30,930 --> 01:03:28,390

taking the position that this has all

1362

01:03:32,910 --> 01:03:30,940

been covered up forever and it's about

1363

01:03:35,430 --> 01:03:32,920

to be released and we're telling you

1364

01:03:38,690 --> 01:03:35,440

what's going to be released now this one

1365

01:03:41,160 --> 01:03:38,700

hour show was used as kind of a test to

1366

01:03:43,020 --> 01:03:41,170

see what the public reaction would be

1367

01:03:46,320 --> 01:03:43,030

and it was not shown across the whole

1368

01:03:48,420 --> 01:03:46,330

country it was shown in selected cities

1369

01:03:53,190 --> 01:03:48,430

at like 2:00 in the morning or 3:00 in

1370

01:03:55,770 --> 01:03:53,200

the morning all right it was a

1371

01:03:59,100 --> 01:03:55,780

deliberate test and and then there was

1372

01:04:04,340 --> 01:03:59,110

this other show that bill Moore was part

1373

01:04:07,890 --> 01:04:04,350

of that had the aviary the mj-12

1374

01:04:09,330 --> 01:04:07,900

information was touted in this I can't

1375

01:04:11,490 --> 01:04:09,340

remember the name of that one but it was

1376

01:04:13,410 --> 01:04:11,500

another show that was it was clearly a

1377

01:04:14,380 --> 01:04:13,420

test it's like okay let me ask you a

1378

01:04:17,740 --> 01:04:14,390

question here

1379

01:04:20,710 --> 01:04:17,750

there this recent announcement in Hawaii

1380

01:04:22,630 --> 01:04:20,720

and then a few days later in Japan that

1381

01:04:24,910 --> 01:04:22,640

Hawaii and Japan were under attack from

1382

01:04:27,339 --> 01:04:24,920

a North Korean missile and they said

1383

01:04:30,609 --> 01:04:27,349

it's an accident oh we're sorry somebody

1384

01:04:32,890 --> 01:04:30,619

just did something wrong oh yeah oh you

1385

01:04:34,779 --> 01:04:32,900

know this guy who did it he's sorry he

1386

01:04:35,980 --> 01:04:34,789

said he's sorry he's not losing his job

1387

01:04:39,099 --> 01:04:35,990

but we're transferring rims to a

1388

01:04:40,180 --> 01:04:39,109

different Department laterally right

1389

01:04:43,029 --> 01:04:40,190

right right right

1390

01:04:45,789 --> 01:04:43,039

so yet you believe you believe that that

1391

01:04:48,279 --> 01:04:45,799

wasn't a test of course it was a test it

1392

01:04:50,230 --> 01:04:48,289

had any Talent they wanted to see how

1393

01:04:52,950 --> 01:04:50,240

prepared the public was so they're doing

1394

01:04:55,809 --> 01:04:52,960

these things all the time and MKULTRA

1395

01:05:01,930 --> 01:04:55,819

that blowing America's mind is filled

1396

01:05:06,370 --> 01:05:01,940

with had tests such as they would send

1397

01:05:07,450 --> 01:05:06,380

people into subway cars wearing masks so

1398

01:05:09,579 --> 01:05:07,460

they wouldn't breathe it and they'd

1399

01:05:11,620 --> 01:05:09,589

spray LSD on innocent people in there

1400

01:05:15,730 --> 01:05:11,630

now we want to see what would happen

1401

01:05:18,849 --> 01:05:15,740

it's one of the MKULTRA experiments it's

1402

01:05:23,559 --> 01:05:18,859

documented in the files that came out in

1403

01:05:25,269 --> 01:05:23,569

1977 so of course the CIA said we're

1404

01:05:28,029 --> 01:05:25,279

sorry we're sorry when all this came out

1405

01:05:30,099 --> 01:05:28,039

and they had a Senate hearing and Ted

1406

01:05:35,759 --> 01:05:30,109

Kennedy's involved and the Church

1407

01:05:40,720 --> 01:05:35,769

Committee and and in like two days yeah

1408

01:05:42,519 --> 01:05:40,730

two days they say they say this is what

1409

01:05:44,349 --> 01:05:42,529

happened it happened it never would have

1410

01:05:45,789 --> 01:05:44,359

happened under our watch under Jimmy

1411

01:05:47,859 --> 01:05:45,799

Carter Dansville Turner

1412

01:05:49,089 --> 01:05:47,869

you know we renounced it nothing like

1413

01:05:51,220 --> 01:05:49,099

this is ever going to happen again we

1414

01:05:52,720 --> 01:05:51,230

assure you we're gonna go looking for

1415

01:05:55,390 --> 01:05:52,730

the people that were the victims of

1416

01:05:57,160 --> 01:05:55,400

these experiments we're going to

1417

01:05:59,319 --> 01:05:57,170

recompense them and make good by them

1418

01:06:02,170 --> 01:05:59,329

and this will never happen again well

1419

01:06:05,319 --> 01:06:02,180

let me tell you cold day in hell before

1420

01:06:07,470 --> 01:06:05,329

they went after the some of their

1421

01:06:12,819 --> 01:06:07,480

victims to try to make good with them

1422

01:06:16,120 --> 01:06:12,829

sir and up in Canada there was a camera

1423

01:06:19,240 --> 01:06:16,130

on it McGill the experimental women Gail

1424

01:06:20,740 --> 01:06:19,250

Turing yeah it was horrific absolutely

1425

01:06:22,839 --> 01:06:20,750

horrific what he was doing they weren't

1426

01:06:25,990 --> 01:06:22,849

like experiments like dreamed up by the

1427

01:06:27,910 --> 01:06:26,000

Nazis and he was taking people that were

1428

01:06:30,910 --> 01:06:27,920

basically normal and had kind

1429

01:06:34,029 --> 01:06:30,920

for help with depression and anxiety and

1430

01:06:38,859 --> 01:06:34,039

was turning them into basket cases with

1431

01:06:42,339 --> 01:06:38,869

these these mind control techniques this

1432

01:06:44,380 --> 01:06:42,349

is all these people are him they sued

1433

01:06:46,240 --> 01:06:44,390

the CIA they sued camera and do

1434

01:06:48,670 --> 01:06:46,250

we've got headlines about this in our

1435

01:06:50,349 --> 01:06:48,680

book I mean I collected all the key

1436

01:06:53,529 --> 01:06:50,359

newspaper articles about this when it

1437

01:06:56,500 --> 01:06:53,539

was exposed and our book is mainly our

1438

01:06:58,769 --> 01:06:56,510

personal story and then the epilogue we

1439

01:07:01,839 --> 01:06:58,779

get into all the things that we learned

1440

01:07:05,890 --> 01:07:01,849

as time went on about MKULTRA and our

1441

01:07:09,519 --> 01:07:05,900

part in it but we've got articles in

1442

01:07:10,000 --> 01:07:09,529

here that you know prove that this is

1443

01:07:12,240 --> 01:07:10,010

real

1444

01:07:14,440 --> 01:07:12,250

this is what happened here's one article

1445

01:07:17,529 --> 01:07:14,450

Stansfield Turner calls the practice

1446

01:07:19,690 --> 01:07:17,539

abhorrent CIA ran a hundred forty nine

1447

01:07:22,210 --> 01:07:19,700

mind control projects that's the Los

1448

01:07:25,480 --> 01:07:22,220

Angeles Times here's another one from

1449

01:07:30,130 --> 01:07:25,490

the LA Times wanted to silence ex-agents

1450

01:07:33,910 --> 01:07:30,140

CIA once sought an amnesia drug so okay

1451

01:07:37,539 --> 01:07:33,920

there's plenty here to prove that this

1452

01:07:41,650 --> 01:07:37,549

you know happened and and and you know

1453

01:07:44,109 --> 01:07:41,660

worse is going on it just they would not

1454

01:07:47,049 --> 01:07:44,119

in such a thing that was proving to be

1455

01:07:50,589 --> 01:07:47,059

so successful I mean it's it's sick

1456

01:07:54,160 --> 01:07:50,599

probably took different for things

1457

01:07:55,960 --> 01:07:54,170

myself and one of the the most angering

1458

01:07:57,910 --> 01:07:55,970

things were the military objections

1459

01:08:00,490 --> 01:07:57,920

because these are our own people were

1460

01:08:01,630 --> 01:08:00,500

supposed to trust and rely upon they're

1461

01:08:03,789 --> 01:08:01,640

looking you in the face and they're

1462

01:08:06,160 --> 01:08:03,799

lying and they're they're taking you

1463

01:08:09,190 --> 01:08:06,170

against your will they using you as a

1464

01:08:13,539 --> 01:08:09,200

subject you know and speaking about

1465

01:08:15,970 --> 01:08:13,549

testing the the population with this

1466

01:08:18,820 --> 01:08:15,980

release of the Pentagon's information

1467

01:08:20,890 --> 01:08:18,830

saying oh we spent you know over the

1468

01:08:23,019 --> 01:08:20,900

past five years looking twenty two

1469

01:08:26,110 --> 01:08:23,029

million dollars buddy that was you know

1470

01:08:27,879 --> 01:08:26,120

such a load of crap it's like you guys

1471

01:08:30,610 --> 01:08:27,889

have been putting pouring money into

1472

01:08:33,249 --> 01:08:30,620

this you you release this little bitty

1473

01:08:34,689 --> 01:08:33,259

cookie and it's like yeah I turned

1474

01:08:35,890 --> 01:08:34,699

around and I'm asking people on the

1475

01:08:37,079 --> 01:08:35,900

streets the next so how do you feel

1476

01:08:39,269 --> 01:08:37,089

about the government admitting

1477

01:08:41,280 --> 01:08:39,279

that were not alone because they said it

1478

01:08:43,229 --> 01:08:41,290

I was on Tallulah Elizondo said it on

1479

01:08:45,990 --> 01:08:43,239

CNN you know what's your conclusion well

1480

01:08:47,640 --> 01:08:46,000

we're not alone I'm like no one you know

1481

01:08:49,769 --> 01:08:47,650

people are just like cool you know like

1482

01:08:51,240 --> 01:08:49,779

deep in condition to get to this point I

1483

01:08:55,379 --> 01:08:51,250

think to be able to understand running

1484

01:08:57,539 --> 01:08:55,389

around this is a real phenomena that had

1485

01:08:59,309 --> 01:08:57,549

barely made a ripple and people were

1486

01:09:02,490 --> 01:08:59,319

barely even aware that this was

1487

01:09:04,890 --> 01:09:02,500

announced I'm going like I knew it you

1488

01:09:07,439 --> 01:09:04,900

know yeah I always felt that they would

1489

01:09:16,859 --> 01:09:07,449

announce the existence of aliens on the

1490

01:09:18,570 --> 01:09:16,869

same day as a Super Bowl game yeah did

1491

01:09:20,789 --> 01:09:18,580

you deliberately did you deliberately

1492

01:09:21,990 --> 01:09:20,799

schedule this interview to coincide with

1493

01:09:26,249 --> 01:09:22,000

the president's State of the Union

1494

01:09:28,349 --> 01:09:26,259

address yes are you one of those

1495

01:09:33,539 --> 01:09:28,359

insiders I would say something I can

1496

01:09:37,309 --> 01:09:33,549

read into that but no I have people I

1497

01:09:45,140 --> 01:09:37,319

answer to but that's not but there

1498

01:09:52,109 --> 01:09:48,629

that's just such crumbs such crumbs

1499

01:09:54,269 --> 01:09:52,119

[h__\h] well 20 22 22 million dollar study

1500

01:09:58,859 --> 01:09:54,279

when it's been like you know 22 billion

1501

01:10:01,410 --> 01:09:58,869

yeah yeah you know I know ways of losing

1502

01:10:03,780 --> 01:10:01,420

trillions of dollars that's under a

1503

01:10:06,419 --> 01:10:03,790

cabbage you know you know lasting like

1504

01:10:08,939 --> 01:10:06,429

you said Paul that like supposedly

1505

01:10:12,629 --> 01:10:08,949

operation Stargate closed and that the

1506

01:10:15,209 --> 01:10:12,639

government racked up all its telepathic

1507

01:10:17,160 --> 01:10:15,219

studies and mind control studies that oh

1508

01:10:19,080 --> 01:10:17,170

it's all over and done that's all well

1509

01:10:20,430 --> 01:10:19,090

listen Kevin I think as we're getting to

1510

01:10:22,410 --> 01:10:20,440

the bottom of the hour I'd like a chance

1511

01:10:24,810 --> 01:10:22,420

to emphasize to people where they can

1512

01:10:26,399 --> 01:10:24,820

find blowing America's mind oh

1513

01:10:31,919 --> 01:10:26,409

absolutely

1514

01:10:37,609 --> 01:10:31,929

the book was just published and we

1515

01:10:41,160 --> 01:10:37,619

placed it at amazon.com as a print book

1516

01:10:44,220 --> 01:10:41,170

it's a there's a trade paperback version

1517

01:10:45,899 --> 01:10:44,230

or you can get the eBook version I think

1518

01:10:48,310 --> 01:10:45,909

the trade paperback I think they having

1519

01:10:52,240 --> 01:10:48,320

like an \$18 price on that now

1520

01:10:56,649 --> 01:10:52,250

it's nine dollars for the eight dollars

1521

01:10:59,680 --> 01:10:56,659

for the only Kindle I love let me

1522

01:11:02,109 --> 01:10:59,690

explain the cover the cover two guys

1523

01:11:05,169 --> 01:11:02,119

without shirts on a bench that's me and

1524

01:11:07,479 --> 01:11:05,179

my co-author for our Princeton days yeah

1525

01:11:10,030 --> 01:11:07,489

sunning ourselves with Princeton

1526

01:11:11,649 --> 01:11:10,040

University behind us and behind the

1527

01:11:14,410 --> 01:11:11,659

bench that we're sitting on with our

1528

01:11:17,020 --> 01:11:14,420

long hair and our our sort of hippie

1529

01:11:19,629 --> 01:11:17,030

attitude there is sort of a man in black

1530

01:11:22,300 --> 01:11:19,639

wearing dark sunglasses it's hilarious

1531

01:11:25,569 --> 01:11:22,310

over our shoulder and boy did we learn

1532

01:11:26,830 --> 01:11:25,579

that those you call them spooks or men

1533

01:11:29,020 --> 01:11:26,840

in black whatever you want to call them

1534

01:11:31,540 --> 01:11:29,030

you know they were over our shoulder

1535

01:11:36,060 --> 01:11:31,550

then they were over my shoulder when I

1536

01:11:38,890 --> 01:11:36,070

was making Roswell right yeah and and I

1537

01:11:41,350 --> 01:11:38,900

you know I was too tipped off that they

1538

01:11:45,189 --> 01:11:41,360

took great amusement in what I was doing

1539

01:11:47,260 --> 01:11:45,199

with the film Roswell yeah you think I

1540

01:11:48,609 --> 01:11:47,270

was told there were a lot of insiders

1541

01:11:51,250 --> 01:11:48,619

that favored the release of the

1542

01:11:55,149 --> 01:11:51,260

information and that I had my charm my

1543

01:11:58,300 --> 01:11:55,159

cheering squad inside but obviously

1544

01:12:01,390 --> 01:11:58,310

those that keep it secret have won out

1545

01:12:03,040 --> 01:12:01,400

still because they're not admitting

1546

01:12:06,580 --> 01:12:03,050

anything about Roswell and they're

1547

01:12:11,560 --> 01:12:06,590

admitting very very little about the you

1548

01:12:13,390 --> 01:12:11,570

know the alien craft oh you know it'd be

1549

01:12:16,419 --> 01:12:13,400

our great-great-grandchildren maybe

1550

01:12:18,220 --> 01:12:16,429

maybe some more will leak by then do you

1551

01:12:24,550 --> 01:12:18,230

think the men in black are human or no

1552

01:12:26,080 --> 01:12:24,560

oh hi you know you know where that story

1553

01:12:28,450 --> 01:12:26,090

comes from about the men in the black it

1554

01:12:34,030 --> 01:12:28,460

goes back to a book I think by a man

1555

01:12:36,700 --> 01:12:34,040

named Barker when the early 1950s UFO

1556

01:12:40,450 --> 01:12:36,710

books or late 1940s called the flying

1557

01:12:42,970 --> 01:12:40,460

saucers and the three men and supposedly

1558

01:12:46,959 --> 01:12:42,980

this guy Barker who ran a flying saucer

1559

01:12:48,550 --> 01:12:46,969

Club nationally learned the answer to

1560

01:12:50,470 --> 01:12:48,560

the flying saucer mystery and was

1561

01:12:54,510 --> 01:12:50,480

getting ready to expose it and then he

1562

01:12:57,640 --> 01:12:54,520

was visited by three men in black and

1563

01:13:00,100 --> 01:12:57,650

after that visit he resigned as

1564

01:13:01,419 --> 01:13:00,110

president refunded all the members their

1565

01:13:03,100 --> 01:13:01,429

money

1566

01:13:06,669 --> 01:13:03,110

he was never gonna talk about it again

1567

01:13:08,319 --> 01:13:06,679

Wow yeah great burger yeah so whether

1568

01:13:11,049 --> 01:13:08,329

those three men that visited him were

1569

01:13:13,989 --> 01:13:11,059

from here or from Langley Virginia or

1570

01:13:15,939 --> 01:13:13,999

somewhere else who knows yeah but but

1571

01:13:17,649 --> 01:13:15,949

they they can have a way of impressing

1572

01:13:21,879 --> 01:13:17,659

you on that there are certain lines you

1573

01:13:23,739 --> 01:13:21,889

must not cross all right sure there it

1574

01:13:26,469 --> 01:13:23,749

is well Paul I sure appreciate it you've

1575

01:13:28,600 --> 01:13:26,479

got excellent information very excellent

1576

01:13:32,969 --> 01:13:28,610

career as great talking to you hopefully

1577

01:13:39,219 --> 01:13:36,850

thank you I really really enjoy that and

1578

01:13:42,640 --> 01:13:39,229

I hope people's curiosity is now piqued

1579

01:13:44,560 --> 01:13:42,650

about blowing America's mind oh my gosh

1580

01:13:46,899 --> 01:13:44,570

yes well they better be they better be

1581

01:13:47,439 --> 01:13:46,909

you have a good evening and we'll we'll

1582

01:13:53,469 --> 01:13:47,449

keep in touch

1583

01:13:55,270 --> 01:13:53,479

yes thank you thank you so much Heidi

1584

01:13:58,739 --> 01:13:55,280

that was some pretty good stuff there it

1585

01:14:01,270 --> 01:13:58,749

really was Wow and my mind is blown I

1586

01:14:04,000 --> 01:14:01,280

mean you know you wouldn't think I guess

1587

01:14:05,290 --> 01:14:04,010

somehow I guess I'm hopelessly naive but

1588

01:14:06,969 --> 01:14:05,300

you wouldn't think about poor old

1589

01:14:09,609 --> 01:14:06,979

Princeton being involved in that but I

1590

01:14:12,939 --> 01:14:09,619

guess there's slimey's anybody else out

1591

01:14:15,129 --> 01:14:12,949

there but we're gonna have Alan patch

1592

01:14:17,080 --> 01:14:15,139

we're gonna have Alan patch on next week

1593

01:14:19,330 --> 01:14:17,090

and we're going to go to more detail but

1594

01:14:20,910 --> 01:14:19,340

UFOs too but I guess we better say
