Outlander show blasting off with some

15

00:00:48,770 --> 00:00:46,200

UFO reports your folks hiding in Hague

16

00:00:53,540 --> 00:00:48,780

South Holland don't know if that's how

17

00:00:56,569 --> 00:00:53,550

you say it well may 24 2012 is the UFO

18

00:00:58,639 --> 00:00:56,579

blast from the past and brief the

19

00:01:03,619 --> 00:00:58,649

witness calls that a transparent

20

00:01:08,090 --> 00:01:03,629

cylindrical 100-plus foot UFO glided

21

00:01:11,210 --> 00:01:08,100

through the sky off to see in more

22

00:01:12,980 --> 00:01:11,220

detail the witness states my wife and I

23

00:01:17,480 --> 00:01:12,990

spent a day at the beach

24

00:01:20,060 --> 00:01:17,490

the Hogg Netherlands May 24 2012 when I

25

00:01:23,300 --> 00:01:20,070

just filmed the emptiness of the beach

26
00:01:26,210 --> 00:01:23,310
because there weren't many people only

27
00:01:28,550 --> 00:01:26,220
much later when I looked at the footage

28
00:01:31,730 --> 00:01:28,560
on my iMac in the distance I noticed

29
00:01:34,490 --> 00:01:31,740
some sort of craft in the sky slowly

30
00:01:36,649 --> 00:01:34,500
moving from left to right until it

31
00:01:37,280 --> 00:01:36,659
disappeared in the haze over the North

32
00:01:40,219 --> 00:01:37,290
Sea

33
00:01:42,859 --> 00:01:40,229
there had been no sound coming from the

34
00:01:46,490 --> 00:01:42,869
craft or we would have heard it

35
00:01:49,280 --> 00:01:46,500
then and there as far as the exact size

36
00:01:51,499 --> 00:01:49,290
and shape of the craft I'm not sure

37
00:01:54,050 --> 00:01:51,509
because it could have been two miles out

38
00:01:56,929 --> 00:01:54,060

from where we were and it could be a

39

00:02:01,639 --> 00:01:56,939

cylindrical shape but it could also be a

40

00:02:05,770 --> 00:02:01,649

disc shape seen from the side heck maybe

41

00:02:09,770 --> 00:02:05,780

it was a blimp but I haven't seen one

42

00:02:13,460 --> 00:02:09,780

over the hog in over five decades and a

43

00:02:14,090 --> 00:02:13,470

blimp is not very likely because a blimp

44

00:02:16,490 --> 00:02:14,100

is

45

00:02:19,460 --> 00:02:16,500

we use for promotional stuff and why

46

00:02:22,790 --> 00:02:19,470

would a blimp go out to sea where there

47

00:02:24,830 --> 00:02:22,800

are no people I'd like it if others

48

00:02:28,460 --> 00:02:24,840

could shed some light on this video I've

49

00:02:32,780 --> 00:02:28,470

put it up on YouTube right here and they

50

00:02:36,140 --> 00:02:32,790

put a lovely link the next UFO sighting

51
00:02:36,950 --> 00:02:36,150
happened in Warner Robins Georgia this

52
00:02:40,580 --> 00:02:36,960
occurred

53
00:02:43,520 --> 00:02:40,590
January 15 2018 and briefed the witness

54
00:02:45,980 --> 00:02:43,530
States very bright orange light hovering

55
00:02:48,710 --> 00:02:45,990
in Northwest couldn't tell the altitude

56
00:02:51,110 --> 00:02:48,720
but appeared over treeline it

57
00:02:54,050 --> 00:02:51,120
disappeared and reappears just above the

58
00:02:56,390 --> 00:02:54,060
horizon some distance away driving home

59
00:03:00,530 --> 00:02:56,400
I saw what looked like a satellite but

60
00:03:05,330 --> 00:03:00,540
was moving very fast east to west in

61
00:03:08,840 --> 00:03:05,340
more detail I was at Walmart on booth

62
00:03:10,940 --> 00:03:08,850
Road around 8:30 p.m. and was putting my

63
00:03:13,490 --> 00:03:10,950

stuff in the car when I noticed a very

64

00:03:17,240 --> 00:03:13,500

bright star like object hovering in the

65

00:03:20,750 --> 00:03:17,250

Northeast I tried to get a decent video

66

00:03:22,880 --> 00:03:20,760

but got a poor quality one of course as

67

00:03:26,180 --> 00:03:22,890

soon as I looked away to shut the trunk

68

00:03:29,600 --> 00:03:26,190

it was gone and reappeared just over the

69

00:03:32,000 --> 00:03:29,610

horizon in the same direction I don't

70

00:03:35,000 --> 00:03:32,010

know how high it was maybe over the tree

71

00:03:36,830 --> 00:03:35,010

line maybe thousands of feet I got in my

72

00:03:37,610 --> 00:03:36,840

car to drive home and headed north on

73

00:03:40,490 --> 00:03:37,620

Davis

74

00:03:43,970 --> 00:03:40,500

I see a star-like object that looked

75

00:03:47,570 --> 00:03:43,980

very fast-moving low altitude satellite

76
00:03:50,090 --> 00:03:47,580
moving east to west I called my husband

77
00:03:53,510 --> 00:03:50,100
and told him to look outside because the

78
00:03:57,200 --> 00:03:53,520
front of her place faces west he saw it

79
00:04:00,290 --> 00:03:57,210
too thing is I have the same experience

80
00:04:03,350 --> 00:04:00,300
back in October even weirder is last

81
00:04:06,530 --> 00:04:03,360
time this happened a man in a black new

82
00:04:09,530 --> 00:04:06,540
Ford SUV sat in front of my neighbor's

83
00:04:12,710 --> 00:04:09,540
house and would not respond to me until

84
00:04:17,780 --> 00:04:12,720
I mentioned to my friend getting the tag

85
00:04:19,099 --> 00:04:17,790
number she threw the car in reverse and

86
00:04:22,580 --> 00:04:19,109
went backward to the end of the road

87
00:04:25,460 --> 00:04:22,590
well yesterday I had a man and an older

88
00:04:27,640 --> 00:04:25,470

model black Ford SUV when I walked out

89

00:04:29,830 --> 00:04:27,650

my door he bolted

90

00:04:32,140 --> 00:04:29,840

he had Texas plates maybe it's all

91

00:04:34,780 --> 00:04:32,150

coincidence I do live next to the Air

92

00:04:38,200 --> 00:04:34,790

Force Base and directly in between two

93

00:04:40,990 --> 00:04:38,210

major army bases both only an hour from

94

00:04:42,700 --> 00:04:41,000

here just strange stuff do you guys

95

00:04:45,430 --> 00:04:42,710

notice this pattern it's always like

96

00:04:47,469 --> 00:04:45,440

they live near an Air Force Base not too

97

00:04:49,270 --> 00:04:47,479

far they see a lot of air traffic and

98

00:04:52,060 --> 00:04:49,280

then there's fireworks and then they're

99

00:04:54,400 --> 00:04:52,070

smokers and dog walkers yeah it's just

100

00:04:56,770 --> 00:04:54,410

interesting patterns I dig it I dig it

101

00:04:59,680 --> 00:04:56,780

all right UFO sighting in Trumbull

102

00:05:02,590 --> 00:04:59,690

Connecticut a slight UFO blast from the

103

00:05:05,800 --> 00:05:02,600

past has occurred August 31st 2014

104

00:05:10,570 --> 00:05:05,810

a mystery object sighted moving slowly

105

00:05:14,110 --> 00:05:10,580

over Griffith Park in broad daylight huh

106

00:05:16,450 --> 00:05:14,120

all right in more detail I was working

107

00:05:20,070 --> 00:05:16,460

as part of a film crew in Griffith Park

108

00:05:22,570 --> 00:05:20,080

area Los Angeles sometime in late 2014

109

00:05:26,260 --> 00:05:22,580

several people on the crew saw this

110

00:05:29,379 --> 00:05:26,270

object moving slowly over the park close

111

00:05:32,040 --> 00:05:29,389

enough to see clearly but so unusual

112

00:05:34,450 --> 00:05:32,050

that no one could say what it was

113

00:05:36,010 --> 00:05:34,460

someone on the crew just happened to see

114

00:05:39,159 --> 00:05:36,020

it and pointed it out to the rest of us

115

00:05:42,520 --> 00:05:39,169

it was impossible to say what it was

116

00:05:44,980 --> 00:05:42,530

the object is somewhat bulbous almost

117

00:05:48,850 --> 00:05:44,990

balloon-like but rather complicated

118

00:05:52,360 --> 00:05:48,860

shape at least two appendages hang down

119

00:05:54,370 --> 00:05:52,370

from the dome like top there was no

120

00:05:57,909 --> 00:05:54,380

indication of an engine or propellant

121

00:06:01,450 --> 00:05:57,919

device but it moved at leisurely pace in

122

00:06:05,110 --> 00:06:01,460

a definite straight line there was no

123

00:06:08,409 --> 00:06:05,120

sound associated with it we all wondered

124

00:06:11,439 --> 00:06:08,419

at the object but we were just simply

125

00:06:14,290 --> 00:06:11,449

puzzled - I took a couple of pictures

126

00:06:16,659 --> 00:06:14,300

but I didn't think much more of it until

127

00:06:20,080 --> 00:06:16,669

one of my current co-workers suggested

128

00:06:22,899 --> 00:06:20,090

that I reported to your organization the

129

00:06:26,020 --> 00:06:22,909

object was generally overhead but moving

130

00:06:27,700 --> 00:06:26,030

away from us by the time I saw it it was

131

00:06:29,820 --> 00:06:27,710

even further away by the time I could

132

00:06:33,100 --> 00:06:29,830

get my camera and take these photos

133

00:06:35,290 --> 00:06:33,110

eventually it moved away from us and we

134

00:06:38,110 --> 00:06:35,300

just lost sight of it behind the trees I

135

00:06:41,850 --> 00:06:38,120

would like to know if anyone has any

136

00:06:44,990 --> 00:06:41,860

idea what this object

137

00:06:48,030 --> 00:06:45,000

even if it's something innocuous and

138

00:06:50,880 --> 00:06:48,040

easily identified and not a quote

139

00:06:53,700 --> 00:06:50,890

mystery object I would like to know what

140

00:06:59,990 --> 00:06:53,710

it is well unidentified and it was

141

00:07:03,630 --> 00:07:00,000

flying and it's an object okay moving on

142

00:07:08,640 --> 00:07:03,640

this next yearfor report this happened

143

00:07:11,870 --> 00:07:08,650

in Newport Minnesota June 30th 2016 they

144

00:07:13,950 --> 00:07:11,880

described it as neon green and glowing

145

00:07:16,650 --> 00:07:13,960

in more detail

146

00:07:18,870 --> 00:07:16,660

I kept thinking but never let thoughts

147

00:07:21,450 --> 00:07:18,880

telepathically to them in expressing

148

00:07:23,580 --> 00:07:21,460

that I wanted to see them one day kept

149

00:07:26,010 --> 00:07:23,590

seeing them in the sky like they drop

150

00:07:28,620 --> 00:07:26,020

out of extreme speed just low enough so

151

00:07:31,890 --> 00:07:28,630

I could tell it was a ship then speed up

152

00:07:34,650 --> 00:07:31,900

and keep going one night at like I don't

153

00:07:36,060 --> 00:07:34,660

know what 45 a.m. when I was walking

154

00:07:37,770 --> 00:07:36,070

home from a friend's house I was

155

00:07:40,730 --> 00:07:37,780

thinking it again more but never let

156

00:07:43,320 --> 00:07:40,740

base thoughts to the others or

157

00:07:43,950 --> 00:07:43,330

extraterrestrials I had seen that green

158

00:07:47,040 --> 00:07:43,960

light in the sky

159

00:07:51,920 --> 00:07:47,050

zip overhead when I had gotten home I

160

00:07:54,630 --> 00:07:51,930

was so hot from walking in a sweater I

161

00:07:57,390 --> 00:07:54,640

went straight downstairs to cool off and

162

00:07:59,690 --> 00:07:57,400

I don't know maybe like 20 minutes after

163

00:08:02,190 --> 00:07:59,700

I got home I was sitting there and

164

00:08:04,590 --> 00:08:02,200

overwhelming tiredness came over me this

165

00:08:07,740 --> 00:08:04,600

isn't the first visit but most I

166

00:08:09,510 --> 00:08:07,750

remembered from one and also when the

167

00:08:11,700 --> 00:08:09,520

implant was received okay we're talking

168

00:08:13,800 --> 00:08:11,710

about Ellen abduction here I remember

169

00:08:16,410 --> 00:08:13,810

waking up from my mind being blank just

170

00:08:19,800 --> 00:08:16,420

seeing black in my dream state and when

171

00:08:22,350 --> 00:08:19,810

I awoke I was like propped up like and

172

00:08:26,190 --> 00:08:22,360

sort of leaned push back on my couch

173

00:08:29,130 --> 00:08:26,200

remember my back had a slight jar to it

174

00:08:32,490 --> 00:08:29,140

huh so I sat up slowly what I did

175

00:08:33,180 --> 00:08:32,500

I seen the one I call oh my gosh here we

176

00:08:37,170 --> 00:08:33,190

go again

177

00:08:38,159 --> 00:08:37,180

the Hat man this is my territory guys

178

00:08:39,959 --> 00:08:38,169

Wow

179

00:08:42,270 --> 00:08:39,969

we're talking about aliens and we go in

180

00:08:45,750 --> 00:08:42,280

a hat man again I felt something like a

181

00:08:49,080 --> 00:08:45,760

warm vibrating sensation in my ax Domino

182

00:08:52,730 --> 00:08:49,090

region like all the muscles were sort of

183

00:08:55,199 --> 00:08:52,740

flexing in some strange way to a Amish I

184

00:08:57,829 --> 00:08:55,209

didn't care on what he was doing

185

00:09:01,530 --> 00:08:57,839

was more wondering like why he was there

186

00:09:04,710 --> 00:09:01,540

he tweaked his head a little but did not

187

00:09:07,169 --> 00:09:04,720

take his eyes off on what he was doing

188

00:09:10,439 --> 00:09:07,179

operating I blacked out just a few

189

00:09:11,100 --> 00:09:10,449

seconds after he ratted me out for being

190

00:09:14,340 --> 00:09:11,110

awake

191

00:09:16,109 --> 00:09:14,350

lol huh then woke back up I don't know

192

00:09:18,359 --> 00:09:16,119

ten minutes later from seeing blackness

193

00:09:21,449 --> 00:09:18,369

again this time I was sitting straight

194

00:09:24,359 --> 00:09:21,459

up with perfect posture I was thinking

195

00:09:26,400 --> 00:09:24,369

like I wonder why he's there then I

196

00:09:29,220 --> 00:09:26,410

don't know maybe a few minutes go by and

197

00:09:31,559 --> 00:09:29,230

I start to feel like I'm being watched

198

00:09:33,780 --> 00:09:31,569

the hallway light was still on and I

199

00:09:36,919 --> 00:09:33,790

look over and see this being standing

200

00:09:38,280 --> 00:09:36,929

there in this robe that is made out of

201
00:09:41,639 --> 00:09:38,290
vantablack

202
00:09:45,179 --> 00:09:41,649
hmm you can see the atoms flow in and

203
00:09:49,679 --> 00:09:45,189
out static blackness robe I could move

204
00:09:52,049 --> 00:09:49,689
just not my vocals and yeh huh I still

205
00:09:54,629 --> 00:09:52,059
freaked out I think that meant yet and

206
00:09:57,720 --> 00:09:54,639
astral projected myself and was saying

207
00:09:59,489 --> 00:09:57,730
I'm not ready yet a few moments after

208
00:10:02,879 --> 00:09:59,499
that I think I blacked out again and the

209
00:10:07,859 --> 00:10:02,889
one I call the Hat man returned and said

210
00:10:10,470 --> 00:10:07,869
are you okay and I was like yeah but was

211
00:10:13,230 --> 00:10:10,480
sort of disoriented feeling I suppose

212
00:10:16,109 --> 00:10:13,240
all the lights were on when he came back

213
00:10:18,780 --> 00:10:16,119

I woke up I think the being was wearing

214

00:10:21,389 --> 00:10:18,790

the robe because of the CFL lighting I

215

00:10:23,669 --> 00:10:21,399

think it may burn their skin or

216

00:10:26,189 --> 00:10:23,679

something I talked to hat man for a

217

00:10:28,049 --> 00:10:26,199

while and was about to walk around the

218

00:10:31,559 --> 00:10:28,059

corner into the blackness to face them

219

00:10:36,119 --> 00:10:31,569

and then I lost my courage cuz he had

220

00:10:37,949 --> 00:10:36,129

started to head back to me huh I feel

221

00:10:40,049 --> 00:10:37,959

like he said some important things to me

222

00:10:42,109 --> 00:10:40,059

but I can't remember think it's locked

223

00:10:45,090 --> 00:10:42,119

away in my subconscious somewhere

224

00:10:47,249 --> 00:10:45,100

anyways at the anti awesome what the

225

00:10:50,369 --> 00:10:47,259

implant and my ankle was for and he said

226

00:10:53,850 --> 00:10:50,379

it's for them and I looked at him like

227

00:10:57,749 --> 00:10:53,860

what and he said it's for you and for

228

00:11:00,359 --> 00:10:57,759

them and I was like ok lol

229

00:11:04,230 --> 00:11:00,369

he said now lay back down in a calm

230

00:11:06,600 --> 00:11:04,240

manner chill personality vibes and I

231

00:11:08,100 --> 00:11:06,610

said ok and laid back down covered up

232

00:11:08,940 --> 00:11:08,110

remember seeing him putting everything

233

00:11:11,250 --> 00:11:08,950

back

234

00:11:13,710 --> 00:11:11,260

the way it was and just before I was

235

00:11:17,460 --> 00:11:13,720

about to black out i sat up super fast

236

00:11:19,920 --> 00:11:17,470

and was like wait he said what I said

237

00:11:21,540 --> 00:11:19,930

well I remember any of this he said

238

00:11:24,569 --> 00:11:21,550

maybe it depends

239

00:11:26,519 --> 00:11:24,579

I just shrugged and was like okay and

240

00:11:28,710 --> 00:11:26,529

continued on going back to sleep and

241

00:11:32,879 --> 00:11:28,720

then I woke up not too long

242

00:11:34,590 --> 00:11:32,889

I don't think after they left I know it

243

00:11:37,290 --> 00:11:34,600

was dark when they first arrived but I

244

00:11:39,449 --> 00:11:37,300

know it began to get light outside when

245

00:11:42,000 --> 00:11:39,459

they were leaving for hours maybe more

246

00:11:44,040 --> 00:11:42,010

or less I think the part of me talking

247

00:11:46,710 --> 00:11:44,050

to him is buried somewhere within my

248

00:11:48,990 --> 00:11:46,720

brain because when I woke I was very

249

00:11:51,569 --> 00:11:49,000

dehydrated there are other events that

250

00:11:54,750 --> 00:11:51,579

have come back to me in a sort of REM

251

00:11:58,199 --> 00:11:54,760

sleep I've noticed and that's the end

252

00:12:01,439 --> 00:11:58,209

okay I'm this is like home my brain is

253

00:12:05,579 --> 00:12:01,449

blown right about now okay the Hat man

254

00:12:07,199 --> 00:12:05,589

I do associate him with aliens is for

255

00:12:08,460 --> 00:12:07,209

you guys I don't know I named the hat

256

00:12:09,210 --> 00:12:08,470

man phenomena and the shadow people

257

00:12:11,550 --> 00:12:09,220

phenomena

258

00:12:13,800 --> 00:12:11,560

and I wrote the book in 97 called the

259

00:12:16,680 --> 00:12:13,810

secret war and then another book called

260

00:12:20,009 --> 00:12:16,690

the hat man and the secret war I talked

261

00:12:21,930 --> 00:12:20,019

about good and bad aliens shadow beings

262

00:12:25,350 --> 00:12:21,940

being connected to them and the hat man

263

00:12:27,990 --> 00:12:25,360

and so of course I was kind of ridiculed

264

00:12:31,889 --> 00:12:28,000

quite profusely about that and now I get

265

00:12:34,650 --> 00:12:31,899

no credit for any of it but it's true

266

00:12:37,439 --> 00:12:34,660

that's like how was this girl talking

267

00:12:39,240 --> 00:12:37,449

about these these beings I could go

268

00:12:41,519 --> 00:12:39,250

through walls that are all black and

269

00:12:43,620 --> 00:12:41,529

sounds like science fiction and now

270

00:12:45,300 --> 00:12:43,630

they're all about oh wow I guess they

271

00:12:49,050 --> 00:12:45,310

are related to aliens and here's a

272

00:12:51,090 --> 00:12:49,060

clear-cut case right about here and I

273

00:12:54,480 --> 00:12:51,100

have other stories like this myself this

274

00:12:57,990 --> 00:12:54,490

is submitted to MUFON and this person

275

00:13:01,620 --> 00:12:58,000

straight up just relates it to what

276

00:13:04,889 --> 00:13:01,630

seemed to be an alien connection but

277

00:13:08,220 --> 00:13:04,899

only describes these this being which is

278

00:13:10,829 --> 00:13:08,230

quite dark and evil but it's talking

279

00:13:15,030 --> 00:13:10,839

about putting an implant into somebody's

280

00:13:18,569 --> 00:13:15,040

leg quite different I don't hear that

281

00:13:20,819 --> 00:13:18,579

man doing that generally so that was a

282

00:13:22,770 --> 00:13:20,829

juicy tell was it jamesy

283

00:13:27,030 --> 00:13:22,780

very cool very well not cool

284

00:13:30,120 --> 00:13:27,040

but these lol's and this casual talk

285

00:13:32,610 --> 00:13:30,130

about this guy he's not a good guy he's

286

00:13:35,940 --> 00:13:32,620

horrible he's nothing to take lightly if

287

00:13:37,710 --> 00:13:35,950

he's around too much ooh and coming in

288

00:13:40,490 --> 00:13:37,720

your mind's eye and all that stuff he is

289

00:13:42,960 --> 00:13:40,500

very much about threatening harming and

290

00:13:45,690 --> 00:13:42,970

yeah he's seen been seen right alongside

291

00:13:47,100 --> 00:13:45,700

of alien beings and whatnot but I think

292

00:13:50,000 --> 00:13:47,110

about that this guy is known to do

293

00:13:52,260 --> 00:13:50,010

horrible things right beat scratch bite

294

00:13:55,500 --> 00:13:52,270

yank people's souls out of their

295

00:14:00,180 --> 00:13:55,510

sleeping bodies or astral projecting it

296

00:14:02,390 --> 00:14:00,190

is really disturbing stuff and yeah and

297

00:14:05,790 --> 00:14:02,400

he's working alongside these so-called

298

00:14:07,800 --> 00:14:05,800

aliens flying around and ships makes me

299

00:14:10,050 --> 00:14:07,810

a little nervous to have any of these

300

00:14:13,950 --> 00:14:10,060

being stopped by for any amount of time

301
00:14:15,480 --> 00:14:13,960
that do abductions mm-hmm read my book

302
00:14:18,420 --> 00:14:15,490
the secret war is all I could tell you

303
00:14:20,360 --> 00:14:18,430
all right moving on that was a that was

304
00:14:23,550 --> 00:14:20,370
just crazy all right

305
00:14:26,460 --> 00:14:23,560
alien encounter in Austin Texas this

306
00:14:29,460 --> 00:14:26,470
happened January 13 2018 in brief the

307
00:14:31,770 --> 00:14:29,470
witness states I was flowing in the air

308
00:14:33,660 --> 00:14:31,780
I think they mean flying people don't

309
00:14:38,730 --> 00:14:33,670
edit this stuff I'm just playing along

310
00:14:41,760 --> 00:14:38,740
okay one on each side of me okay bed

311
00:14:44,580 --> 00:14:41,770
sleeping I asked to be awake then woke

312
00:14:47,190 --> 00:14:44,590
up back in my bed about two three three

313
00:14:49,620 --> 00:14:47,200

weeks two different objects was in the

314

00:14:52,010 --> 00:14:49,630

sky moving in a circle with very big

315

00:14:56,280 --> 00:14:52,020

lights after this object had disappeared

316

00:14:58,860 --> 00:14:56,290

one had to be very big white lights and

317

00:15:01,200 --> 00:14:58,870

very big this is New York firefighter

331

00:15:31,840 --> 00:15:29,300

the middle of these lights the other

332

00:15:34,030 --> 00:15:31,850

object had very big white lights then

333

00:15:37,180 --> 00:15:34,040

disappear they are back to visit me

334

00:15:37,720 --> 00:15:37,190

again after my son beat the shizzle out

335

00:15:41,620 --> 00:15:37,730

of them

336

00:15:45,550 --> 00:15:41,630

I hope they would not return I cannot

337

00:15:50,410 --> 00:15:45,560

have any kids no parts huh these aliens

338

00:15:53,080 --> 00:15:50,420

were from 6 5 to 6 8 very long fingers

339

00:15:55,650 --> 00:15:53,090

they woke me up to see them and then I

340

00:15:58,480 --> 00:15:55,660

was asleep again Wow

341

00:16:01,960 --> 00:15:58,490

couldn't you just put more detail and

342

00:16:03,160 --> 00:16:01,970

like make full sentences that sounds

343

00:16:05,080 --> 00:16:03,170

like it would have really been

344

00:16:07,930 --> 00:16:05,090

beneficial for us all to learn more

345

00:16:10,330 --> 00:16:07,940

about that guys take your time take your

346

00:16:11,920 --> 00:16:10,340

time is there life changing events and

347

00:16:14,080 --> 00:16:11,930

how are we gonna learn from each other

348

00:16:17,550 --> 00:16:14,090

if we're not taking the time to write it

349

00:16:23,710 --> 00:16:17,560

out just-just-just

350

00:16:26,320 --> 00:16:23,720

tip tip tap tap it out okay alright oh

351
00:16:27,520 --> 00:16:26,330
boy what a name how am I gonna okay

352
00:16:31,120 --> 00:16:27,530
where I'm just trying to sound this one

353
00:16:31,990 --> 00:16:31,130
out UFO sighting and Ocracoke North

354
00:16:36,700 --> 00:16:32,000
Carolina

355
00:16:39,130 --> 00:16:36,710
this occurred January 15 2018 in brief a

356
00:16:41,350 --> 00:16:39,140
state taking walk saw intensely bright

357
00:16:44,860 --> 00:16:41,360
yellowish light which disappeared

358
00:16:46,750 --> 00:16:44,870
poof after one second in more detail

359
00:16:49,150 --> 00:16:46,760
while taking a walk after supper I

360
00:16:52,180 --> 00:16:49,160
notice uh at quite a distance in the sky

361
00:16:56,350 --> 00:16:52,190
an intensely bright light which I at

362
00:16:59,830 --> 00:16:56,360
first took for a star but I walked under

363
00:17:02,770 --> 00:16:59,840

a tree and when I emerged poof it was

364

00:17:06,010 --> 00:17:02,780

gone and the stars I observed were quite

365

00:17:07,180 --> 00:17:06,020

dimmer and bluish so no explosion no

366

00:17:09,910 --> 00:17:07,190

path nothing

367

00:17:12,189 --> 00:17:09,920

it went invisible almost like they saw

368

00:17:15,010 --> 00:17:12,199

me looking and turned on the

369

00:17:17,500 --> 00:17:15,020

invisibility switch but this was way up

370

00:17:20,110 --> 00:17:17,510

to the sky in the north at a distance

371

00:17:23,140 --> 00:17:20,120

two thousand plus feet probably all I

372

00:17:26,530 --> 00:17:23,150

saw was the intense light then poof was

373

00:17:28,960 --> 00:17:26,540

not a plain star meteor nada just know

374

00:17:31,360 --> 00:17:28,970

what I saw I have seen numerous advanced

375

00:17:34,030 --> 00:17:31,370

military craft in the sky over the years

376

00:17:37,120 --> 00:17:34,040

this was difficult and different maybe

377

00:17:39,190 --> 00:17:37,130

it was a quasar if so there will be a

378

00:17:41,620 --> 00:17:39,200

record of it by someone

379

00:17:46,419 --> 00:17:41,630

maybe it was to the northeast of the

380

00:17:48,879 --> 00:17:46,429

North Carolina 6:05 p.m. Eastern

381

00:17:50,919 --> 00:17:48,889

Standard Time it very well could be a

382

00:17:53,500 --> 00:17:50,929

quasar but since I've never seen one

383

00:17:56,080 --> 00:17:53,510

before I'm not sure it was insanely

384

00:17:58,269 --> 00:17:56,090

bright if no one reports a quasar at

385

00:18:00,909 --> 00:17:58,279

that time that I guess it will be

386

00:18:03,600 --> 00:18:00,919

unknown look at the fine detail of a

387

00:18:06,909 --> 00:18:03,610

bright light in the sky but here we had

388

00:18:10,690 --> 00:18:06,919

inhaling an encounter with jagged

389

00:18:15,430 --> 00:18:10,700

sentences and that's amazing all right

390

00:18:18,879 --> 00:18:15,440

moving on I'm judgmental

391

00:18:21,610 --> 00:18:18,889

I just want to learn tell us what

392

00:18:25,269 --> 00:18:21,620

happened okay this next UFO sighting

393

00:18:28,930 --> 00:18:25,279

happened in Whitefish Montana January 15

394

00:18:31,450 --> 00:18:28,940

2018 they put SR 72

395

00:18:33,340 --> 00:18:31,460

question mark question mark pulse-jet

396

00:18:38,320 --> 00:18:33,350

tech question mark pulse detonation

397

00:18:41,350 --> 00:18:38,330

engine the question mark in more detail

398

00:18:43,120 --> 00:18:41,360

they state i was outside on a ladder on

399

00:18:45,610 --> 00:18:43,130

the front porch taking down Christmas

400

00:18:46,060 --> 00:18:45,620

lights warm weather for this time of

401
00:18:49,690 --> 00:18:46,070
year

402
00:18:52,180 --> 00:18:49,700
clear partly cloudy blue skies it was

403
00:18:55,090 --> 00:18:52,190
approximately 1:00 p.m. heard bizarre

404
00:18:58,659 --> 00:18:55,100
popping sound turn around and look up

405
00:19:01,840 --> 00:18:58,669
and notice perfectly shaped doughnut

406
00:19:04,750 --> 00:19:01,850
hole contrails heading to the southwest

407
00:19:08,259 --> 00:19:04,760
at high altitude and extremely high rate

408
00:19:11,259 --> 00:19:08,269
of speed I am a 30-year retired Boeing

409
00:19:13,659 --> 00:19:11,269
employee from the space division at

410
00:19:17,409 --> 00:19:13,669
Huntington Beach California we'll all

411
00:19:19,240 --> 00:19:17,419
right I retired with a secret clearance

412
00:19:21,549 --> 00:19:19,250
oh we're getting some hints about what

413
00:19:25,180 --> 00:19:21,559

this person did I worked in

414

00:19:29,259 --> 00:19:25,190

manufacturing in inventory management I

415

00:19:32,250 --> 00:19:29,269

have seen watched and heard many

416

00:19:35,590 --> 00:19:32,260

aircraft and rockets over my career

417

00:19:38,769 --> 00:19:35,600

whether at Vanderburgh or Edwards Air

418

00:19:42,700 --> 00:19:38,779

Force Base or Long Beach Airport when it

419

00:19:46,120 --> 00:19:42,710

existed I knew immediately that this was

420

00:19:48,009 --> 00:19:46,130

unusual I immediately got down ran to

421

00:19:50,590 --> 00:19:48,019

the house to grab my camera and took

422

00:19:52,470 --> 00:19:50,600

some pics of the contrail rings by the

423

00:19:54,690 --> 00:19:52,480

time I got back outside

424

00:19:56,340 --> 00:19:54,700

the contrails were gone over my house

425

00:19:59,460 --> 00:19:56,350

and towards the southwest

426

00:20:02,850 --> 00:19:59,470

my guess is extreme winds at high

427

00:20:09,230 --> 00:20:02,860

altitudes this object flew directly over

428

00:20:14,970 --> 00:20:13,290

this next whew this is a big sighting

429

00:20:18,480 --> 00:20:14,980

okay we're gonna do it

430

00:20:21,540 --> 00:20:18,490

oh this okay here we go UFO sighting in

431

00:20:24,900 --> 00:20:21,550

Villa Park Illinois not far from me

432

00:20:30,090 --> 00:20:24,910

so UFO blast from the past has happened

433

00:20:36,030 --> 00:20:30,100

April 23rd 2012 entity exited large

434

00:20:38,220 --> 00:20:36,040

glowing orb in lots more detail I lived

435

00:20:39,870 --> 00:20:38,230

in a town house and often sleep on the

436

00:20:42,210 --> 00:20:39,880

ground floor in my living room on the

437

00:20:43,920 --> 00:20:42,220

couch where I could see both front and

438

00:20:47,640 --> 00:20:43,930

back doors including a sliding glass

439

00:20:49,620 --> 00:20:47,650

patio door leading to the backyard this

440

00:20:52,620 --> 00:20:49,630

event occurred approximately in the

441

00:20:56,160 --> 00:20:52,630

early morning hours of late April 2012

442

00:20:59,430 --> 00:20:56,170

I am a thirty year old male Army veteran

443

00:21:02,970 --> 00:20:59,440

and lived alone at the time being a

444

00:21:04,170 --> 00:21:02,980

former military man I was and am still a

445

00:21:06,560 --> 00:21:04,180

very avid

446

00:21:09,180 --> 00:21:06,570

and active supporter of self defense

447

00:21:11,850 --> 00:21:09,190

during and also after my military

448

00:21:15,240 --> 00:21:11,860

service I have always kept a weapon in

449

00:21:18,230 --> 00:21:15,250

my home for self defense purposes even

450

00:21:22,320 --> 00:21:18,240

sleeping with a weapon 38 caliber pistol

451
00:21:25,440 --> 00:21:22,330
no further than arm's length in case of

452
00:21:28,710 --> 00:21:25,450
intruder a burglar up until this event I

453
00:21:32,060 --> 00:21:28,720
was also very skeptical and unbelieving

454
00:21:34,560 --> 00:21:32,070
anything I hadn't seen with my own eyes

455
00:21:38,000 --> 00:21:34,570
especially things of paranormal

456
00:21:41,250 --> 00:21:38,010
supernatural etc anything of that nature

457
00:21:44,130 --> 00:21:41,260
all of this changed one early morning of

458
00:21:46,890 --> 00:21:44,140
April 2012 about 4:45 a.m. one morning

459
00:21:49,830 --> 00:21:46,900
as I slept on my livingroom couch a

460
00:21:52,530 --> 00:21:49,840
strange feeling came across me and I

461
00:21:55,320 --> 00:21:52,540
awoke from my sleep into the pitch

462
00:21:58,560 --> 00:21:55,330
blackness of the room as I moved myself

463
00:22:01,890 --> 00:21:58,570

to a sitting position I saw a small

464

00:22:05,280 --> 00:22:01,900

flash of yellowish light piercing my

465

00:22:06,090 --> 00:22:05,290

sliding glass patio door through the

466

00:22:08,340 --> 00:22:06,100

closed

467

00:22:12,120 --> 00:22:08,350

losed okay though it was close I'm sure

468

00:22:14,370 --> 00:22:12,130

they mean tall swaying blinds at first I

469

00:22:16,919 --> 00:22:14,380

didn't think much of it until only

470

00:22:19,740 --> 00:22:16,929

seconds later not only did I see another

471

00:22:23,100 --> 00:22:19,750

flash of light this time the flash was

472

00:22:25,470 --> 00:22:23,110

red and seemed larger thinking maybe

473

00:22:28,650 --> 00:22:25,480

there was an intruder inside the clothes

474

00:22:32,279 --> 00:22:28,660

wooden gate on my backyard I quickly

475

00:22:35,669 --> 00:22:32,289

grabbed my silver 38 pistol from the

476
00:22:39,020 --> 00:22:35,679
floor near the couch and hurried to look

477
00:22:42,659 --> 00:22:39,030
through the blinds what I saw next

478
00:22:46,799 --> 00:22:42,669
changed my life and has affected me

479
00:22:48,720 --> 00:22:46,809
mentally until this day no I bet as I

480
00:22:51,120 --> 00:22:48,730
stood at the sliding glass door looking

481
00:22:54,390 --> 00:22:51,130
across the parking lot maybe 60 feet

482
00:22:57,210 --> 00:22:54,400
away on the rooftop of the adjacent town

483
00:23:00,620 --> 00:22:57,220
home directly in front of me was a

484
00:23:04,169 --> 00:23:00,630
perfectly round extremely bright orb

485
00:23:07,140 --> 00:23:04,179
which could have been approximately five

486
00:23:10,860 --> 00:23:07,150
to six feet in diameter I couldn't help

487
00:23:13,340 --> 00:23:10,870
feeling as if I was becoming beckoned or

488
00:23:17,070 --> 00:23:13,350

I was being beckoned to come to the door

489

00:23:19,649 --> 00:23:17,080

with these flashes of light after about

490

00:23:22,560 --> 00:23:19,659

ten seconds or so of staring at the

491

00:23:25,560 --> 00:23:22,570

bright luminescent orb it had doubled in

492

00:23:28,350 --> 00:23:25,570

size and again changed color to

493

00:23:31,289 --> 00:23:28,360

yellowish green in a single flash of

494

00:23:33,930 --> 00:23:31,299

bright light wow that's amazing

495

00:23:37,100 --> 00:23:33,940

immediately following the flash there

496

00:23:40,440 --> 00:23:37,110

was what sounded like a large very loud

497

00:23:43,140 --> 00:23:40,450

helicopter if one would have been

498

00:23:45,210 --> 00:23:43,150

directly over my house at the same time

499

00:23:49,740 --> 00:23:45,220

the orb grew something that looked like

500

00:23:53,909 --> 00:23:49,750

a large praying mantis mixed with a

501
00:23:56,870 --> 00:23:53,919
snake flew out of the orb

502
00:23:59,789 --> 00:23:56,880
and straight up okay I am grossed out

503
00:24:02,430 --> 00:23:59,799
praying mantis are in the orbs he's

504
00:24:04,049 --> 00:24:02,440
serious I don't think I've ever heard of

505
00:24:08,130 --> 00:24:04,059
a story of a praying mantis coming out

506
00:24:11,700 --> 00:24:08,140
of an orb Wow okay I could see that it

507
00:24:15,330 --> 00:24:11,710
had what seemed like a long three to

508
00:24:18,870 --> 00:24:15,340
four-foot tail as it exited what I can

509
00:24:20,250 --> 00:24:18,880
only describe as a portal and then the

510
00:24:23,610 --> 00:24:20,260
portal was gone

511
00:24:27,659 --> 00:24:23,620
almost as quickly as it had exited this

512
00:24:27,900 --> 00:24:27,669
orb the being flew directly towards me

513
00:24:31,950 --> 00:24:27,910

Oh

514

00:24:35,310 --> 00:24:31,960

oh heck no as now the loud sound was

515

00:24:39,240 --> 00:24:35,320

piercing and the being moved at an

516

00:24:42,480 --> 00:24:39,250

incomprehensible speed towards me it

517

00:24:45,960 --> 00:24:42,490

took all of two to three seconds to

518

00:24:48,570 --> 00:24:45,970

cross the 60 feet of parking lot between

519

00:24:51,090 --> 00:24:48,580

the adjacent rooftop of the town home

520

00:24:54,230 --> 00:24:51,100

directly behind me over my wooden

521

00:24:58,110 --> 00:24:54,240

backyard fence where it came to stop

522

00:25:02,039 --> 00:24:58,120

directly in front of me no more than two

523

00:25:04,740 --> 00:25:02,049

and a half feet hovering about five feet

524

00:25:08,490 --> 00:25:04,750

off the ground okay I am serious I have

525

00:25:11,730 --> 00:25:08,500

chills top to bottom right now at this

526
00:25:14,460 --> 00:25:11,740
time the creature displayed no lights it

527
00:25:17,100 --> 00:25:14,470
was all black with what seemed like very

528
00:25:20,340 --> 00:25:17,110
strange symbols I had never seen before

529
00:25:22,740 --> 00:25:20,350
that went across the midsection torso

530
00:25:25,350 --> 00:25:22,750
area at first glimpse I could only

531
00:25:31,320 --> 00:25:25,360
describe this being as a biomechanical

532
00:25:36,060 --> 00:25:31,330
praying mantis mixed with a snake things

533
00:25:39,960 --> 00:25:36,070
on earth it had a small head long ringed

534
00:25:42,240 --> 00:25:39,970
neck but very large inlaid black eyes

535
00:25:46,200 --> 00:25:42,250
that extended beyond the sides of its

536
00:25:49,440 --> 00:25:46,210
head which I saw less as I quickly and

537
00:25:54,539 --> 00:25:49,450
carefully looked it over from bottom to

538
00:25:57,390 --> 00:25:54,549

top my jaw stood wide and awe out of

539

00:26:00,360 --> 00:25:57,400

sheer terror and the close proximity it

540

00:26:03,539 --> 00:26:00,370

was to me I immediately raised my weapon

541

00:26:06,270 --> 00:26:03,549

over my head and pressed it firmly

542

00:26:09,510 --> 00:26:06,280

against the glass of the sliding doors

543

00:26:12,930 --> 00:26:09,520

okay alright right almost as soon as I

544

00:26:15,360 --> 00:26:12,940

had made this motion the entity while

545

00:26:17,120 --> 00:26:15,370

still hovering in midair less than three

546

00:26:19,770 --> 00:26:17,130

feet away from me

547

00:26:22,950 --> 00:26:19,780

separated only by the glass of the patio

548

00:26:25,460 --> 00:26:22,960

door the creature then extended from

549

00:26:29,450 --> 00:26:25,470

both sides what I can only describe as

550

00:26:32,549 --> 00:26:29,460

two sets of wing like appendages and

551
00:26:34,200 --> 00:26:32,559
omitted what looked like hundreds of

552
00:26:37,290 --> 00:26:34,210
tiny blue

553
00:26:41,070 --> 00:26:37,300
sparkling lightning bolt in every

554
00:26:44,010 --> 00:26:41,080
direction above and below each of the

555
00:26:46,140 --> 00:26:44,020
four appendages I say appendages because

556
00:26:49,320 --> 00:26:46,150
if they were wings they didn't seem to

557
00:26:52,620 --> 00:26:49,330
be used for flight just because of the

558
00:26:55,470 --> 00:26:52,630
sheer fact it did not use them after it

559
00:26:57,690 --> 00:26:55,480
exited the large or black portal from

560
00:27:00,720 --> 00:26:57,700
which it had emerged and flew directly

561
00:27:04,950 --> 00:27:00,730
towards me nor did it use them to hover

562
00:27:08,700 --> 00:27:04,960
in place which seemed to encompass and

563
00:27:11,070 --> 00:27:08,710

engulf the being completely at this

564

00:27:14,280 --> 00:27:11,080

moment the loud helicopter static like

565

00:27:16,230 --> 00:27:14,290

sound had stopped each of these small

566

00:27:20,010 --> 00:27:16,240

blue lightning bolt like energy

567

00:27:23,160 --> 00:27:20,020

emissions were no larger than my pinky

568

00:27:25,320 --> 00:27:23,170

finger after just a few short seconds of

569

00:27:27,840 --> 00:27:25,330

me witnessing these lightning bolt like

570

00:27:31,200 --> 00:27:27,850

Electric emissions the entity shot shot

571

00:27:35,070 --> 00:27:31,210

directly up and over the roof of my home

572

00:27:40,260 --> 00:27:35,080

and an amazing speed out of sight toward

573

00:27:41,850 --> 00:27:40,270

the front of the town home after much

574

00:27:44,370 --> 00:27:41,860

time and thought I've come to the

575

00:27:46,470 --> 00:27:44,380

conclusion that this entity did not

576
00:27:48,810 --> 00:27:46,480
spread the wing like appendages and emit

577
00:27:53,010 --> 00:27:48,820
the plasma like discharge until I

578
00:27:55,380 --> 00:27:53,020
brandished my weapon leading to me to

579
00:27:58,440 --> 00:27:55,390
believe that this display must have been

580
00:28:01,080 --> 00:27:58,450
some sort of protective energy field to

581
00:28:04,980 --> 00:28:01,090
shield itself had I fired upon it oh I

582
00:28:07,200 --> 00:28:04,990
wish you started good just kidding

583
00:28:11,220 --> 00:28:07,210
although this entire encounter which

584
00:28:13,530 --> 00:28:11,230
started at about 4:45 p.m. and lasted no

585
00:28:15,150 --> 00:28:13,540
longer than 5 to 6 minutes or less about

586
00:28:18,000 --> 00:28:15,160
2 minutes after the being had

587
00:28:20,940 --> 00:28:18,010
disappeared out of view over my home I

588
00:28:22,860 --> 00:28:20,950

quickly ran to the back door less than

589

00:28:26,100 --> 00:28:22,870

about three feet away from where I stood

590

00:28:28,320 --> 00:28:26,110

and went outside as I stood there

591

00:28:31,530 --> 00:28:28,330

staring into the sky I immediately

592

00:28:34,140 --> 00:28:31,540

realized that it had left almost the

593

00:28:37,980 --> 00:28:34,150

exact time of dawn because the Sun was

594

00:28:40,170 --> 00:28:37,990

coming up honestly I don't like giving

595

00:28:43,530 --> 00:28:40,180

this part of the account but at that

596

00:28:47,280 --> 00:28:43,540

moment I realized that what I thought to

597

00:28:48,030 --> 00:28:47,290

be only 5 to 6 minutes in reality over

598

00:28:51,480 --> 00:28:48,040

an hour

599

00:28:54,630 --> 00:28:51,490

had passed oh no because it was now dawn

600

00:28:56,820 --> 00:28:54,640

with the Sun quickly rising until to

601
00:28:59,400 --> 00:28:56,830
this day years later I'm still no closer

602
00:29:02,190 --> 00:28:59,410
to an answer of what this being could

603
00:29:04,410 --> 00:29:02,200
have been what had wanted why it

604
00:29:06,870 --> 00:29:04,420
beckoned me to the door with the light

605
00:29:07,610 --> 00:29:06,880
flashes and most importantly what

606
00:29:11,460 --> 00:29:07,620
happened

607
00:29:13,560 --> 00:29:11,470
during that missing hour if anyone has

608
00:29:16,320 --> 00:29:13,570
had similar experience and/or any

609
00:29:19,260 --> 00:29:16,330
further information that could help it

610
00:29:23,130 --> 00:29:19,270
would be greatly appreciated oh wow

611
00:29:26,220 --> 00:29:23,140
that ah that I feel that pain of that

612
00:29:29,460 --> 00:29:26,230
person here you see something out of a

613
00:29:31,380 --> 00:29:29,470

nightmare and you think you got the drop

614

00:29:35,820 --> 00:29:31,390

on it you're like I got a weapon buddy

615

00:29:38,880 --> 00:29:35,830

and it protects itself but somehow it

616

00:29:41,790 --> 00:29:38,890

froze you and took possession of your

617

00:29:44,700 --> 00:29:41,800

time your life your body because this

618

00:29:48,570 --> 00:29:44,710

sounds to me like you may have been

619

00:29:51,180 --> 00:29:48,580

assaulted you know anything that is

620

00:29:53,700 --> 00:29:51,190

against your will is an assault and you

621

00:29:56,490 --> 00:29:53,710

have missing time and that just breaks

622

00:29:58,980 --> 00:29:56,500

my heart this is this is serious people

623

00:30:01,710 --> 00:29:58,990

this is disgusting what people go

624

00:30:03,360 --> 00:30:01,720

through I am just oh my goodness and

625

00:30:06,120 --> 00:30:03,370

their have praying mantis are not known

626

00:30:06,360 --> 00:30:06,130

to be fuzzy and sweet just put it that

627

00:30:08,010 --> 00:30:06,370

way

628

00:30:11,070 --> 00:30:08,020

everything I've ever heard about them

629

00:30:12,630 --> 00:30:11,080

it's been intrusive abusive and lowdown

630

00:30:15,090 --> 00:30:12,640

I'm so sorry

631

00:30:16,440 --> 00:30:15,100

you've had to deal with that but cash

632

00:30:18,180 --> 00:30:16,450

would come to the bottom of another show

633

00:30:20,160 --> 00:30:18,190
