

UFO Headline News | Saturday/Sunday January 27th & 28th, 2018

Listen on

inceptionradionetwork.com

1
00:00:09,169 --> 00:00:05,300
welcome welcome to UFO headline news

2
00:00:11,720 --> 00:00:09,179
with me where every day I aim to give

3
00:00:14,270 --> 00:00:11,730
you the latest beautiful reports and

4
00:00:19,450 --> 00:00:14,280
other interesting stories from around

5
00:00:22,790 --> 00:00:19,460
the globe today is Saturday January 27th

6
00:00:25,429 --> 00:00:22,800
2018 and on Fridays at 8 p.m. Central

7
00:00:27,650 --> 00:00:25,439
Standard Time join me for my talk show

8
00:00:30,080 --> 00:00:27,660
the Outlander where I answer your emails

9
00:00:33,920 --> 00:00:30,090
take your calls and interview some

10
00:00:37,209 --> 00:00:33,930
intriguing guests just go to IR and chat

11
00:00:41,360 --> 00:00:37,219
comm to chat interact and listen live to

12
00:00:43,400 --> 00:00:41,370
the Outlander blasting off with some UFO

13
00:00:47,479 --> 00:00:43,410

reports oh this is an alien encounter

14

00:00:50,959 --> 00:00:47,489

this came in austin pennsylvania this

15

00:00:53,479 --> 00:00:50,969

just happened Wow August 24th 2017 in

16

00:00:57,500 --> 00:00:53,489

brief the witness states I did not go to

17

00:01:01,220 --> 00:00:57,510

my window after he D materialized fade

18

00:01:04,460 --> 00:01:01,230

it away at my bedside in more detail the

19

00:01:07,219 --> 00:01:04,470

witness states I keep a journal for any

20

00:01:10,250 --> 00:01:07,229

kind of paranormal event which I have

21

00:01:12,710 --> 00:01:10,260

many I am utilizing my notes that I

22

00:01:17,330 --> 00:01:12,720

wrote out in detail the following

23

00:01:20,149 --> 00:01:17,340

morning I was in my bed alone I woke up

24

00:01:23,330 --> 00:01:20,159

around 4:30 a.m. and I was full of fear

25

00:01:25,399 --> 00:01:23,340

I always sleep on my side I woke up

26

00:01:27,740 --> 00:01:25,409

feeling that there was someone in my

27

00:01:29,359 --> 00:01:27,750

apartment I almost double checked the

28

00:01:32,090 --> 00:01:29,369

locks on the windows and doors before

29

00:01:33,830 --> 00:01:32,100

going to bed I don't know how I knew

30

00:01:36,740 --> 00:01:33,840

something was here

31

00:01:39,200 --> 00:01:36,750

but I did I also thought at the same

32

00:01:42,469 --> 00:01:39,210

time that I was spooking myself for no

33

00:01:44,870 --> 00:01:42,479

reason I've had many other visitations

34

00:01:47,090 --> 00:01:44,880

from different entities but this was

35

00:01:49,490 --> 00:01:47,100

different for some reason I knew

36

00:01:52,100 --> 00:01:49,500

something was here so I closed my eyes

37

00:01:55,340 --> 00:01:52,110

and I pretended to be asleep and refused

38

00:01:58,819 --> 00:01:55,350

to open my eyes unless I felt that I

39

00:02:02,209 --> 00:01:58,829

should I heard something walk up to my

40

00:02:04,550 --> 00:02:02,219

bedroom door on the carpet my floors are

41

00:02:07,130 --> 00:02:04,560

noisy I believe the carpeting has wood

42

00:02:10,490 --> 00:02:07,140

floors underneath or something so it's

43

00:02:13,580 --> 00:02:10,500

at my door my eyes are closed and I'm

44

00:02:16,869 --> 00:02:13,590

terrified and curious

45

00:02:20,479 --> 00:02:16,879

at the same time I can't help feeling

46

00:02:24,199 --> 00:02:20,489

that I do encourage them to come I did

47

00:02:27,320 --> 00:02:24,209

not hear him if you're an abductee and

48

00:02:30,320 --> 00:02:27,330

you just know if it's male or female he

49

00:02:33,920 --> 00:02:30,330

walked all the way around the bed to get

50

00:02:38,360 --> 00:02:33,930

to my bedside from the door the quote

51
00:02:44,240 --> 00:02:38,370
being began to stroke my left arm and

52
00:02:47,589 --> 00:02:44,250
left torso so he knew I was awake they

53
00:02:51,259 --> 00:02:47,599
know even though I kept my mind clear

54
00:02:54,199 --> 00:02:51,269
they are all telepathic I knew I must

55
00:02:56,330 --> 00:02:54,209
open my eyes and make contact at the

56
00:02:59,750 --> 00:02:56,340
same time I wanted to get a good look at

57
00:03:02,539 --> 00:02:59,760
him and meet him even though he kind of

58
00:03:06,140 --> 00:03:02,549
scared me on purpose but instinctively I

59
00:03:08,869 --> 00:03:06,150
knew he would not hurt me if they wanted

60
00:03:11,500 --> 00:03:08,879
to hurt me they would have years ago all

61
00:03:14,479 --> 00:03:11,510
of them unless I go looking for trouble

62
00:03:17,300 --> 00:03:14,489
like at a national park remote area

63
00:03:19,789 --> 00:03:17,310

restricted areas then I give them a

64

00:03:22,250 --> 00:03:19,799

reason or excuse to harm me what what

65

00:03:24,140 --> 00:03:22,260

that's not a reason you should be able

66

00:03:25,759 --> 00:03:24,150

to go to a national park and not be okay

67

00:03:28,250 --> 00:03:25,769

nevermind I'm moving on there are

68

00:03:31,910 --> 00:03:28,260

different factions of them in the end

69

00:03:34,490 --> 00:03:31,920

it's all a negative agenda but there are

70

00:03:37,849 --> 00:03:34,500

good and bad beings just like humans I

71

00:03:41,599 --> 00:03:37,859

looked at him and made eye contact but

72

00:03:43,039 --> 00:03:41,609

it was dark I do keep my shades cracked

73

00:03:45,559 --> 00:03:43,049

so there is light coming from a

74

00:03:48,470 --> 00:03:45,569

streetlight but it was dark and he was

75

00:03:52,190 --> 00:03:48,480

dark and I could not make out detail

76

00:03:55,940 --> 00:03:52,200

except for his shape he was about six

77

00:03:58,640 --> 00:03:55,950

foot very bony long bony thin arms and

78

00:04:01,699 --> 00:03:58,650

hands and fingers we were face to face

79

00:04:04,879 --> 00:04:01,709

while I was lying down because of the

80

00:04:07,819 --> 00:04:04,889

way I am friendly looking I make peace

81

00:04:10,970 --> 00:04:07,829

and relations I rose my right arm and

82

00:04:13,550 --> 00:04:10,980

hand to shake his hand he quickly

83

00:04:15,979 --> 00:04:13,560

grabbed my hand hard and pitched it and

84

00:04:18,979 --> 00:04:15,989

heard it a little with what was his

85

00:04:22,760 --> 00:04:18,989

gesture I quickly and telepathically

86

00:04:25,339 --> 00:04:22,770

told him no please it hurts I have the

87

00:04:27,320 --> 00:04:25,349

courage to make contact and wanted to

88

00:04:30,649 --> 00:04:27,330

demonstrate that to him in my

89

00:04:33,080 --> 00:04:30,659

self just my personal belief in the old

90

00:04:35,749 --> 00:04:33,090

days we were taught to reach out I was

91

00:04:40,129 --> 00:04:35,759

willing to take the risk he was not

92

00:04:41,719 --> 00:04:40,139

going to hurt as I stated before I was

93

00:04:44,809 --> 00:04:41,729

told by a psychic friend of mine many

94

00:04:47,450 --> 00:04:44,819

times that I am protected I never asked

95

00:04:50,179 --> 00:04:47,460

her to elaborate on that and exactly who

96

00:04:52,129 --> 00:04:50,189

was protecting me or what from I like to

97

00:04:55,279 --> 00:04:52,139

believe Jesus Christ and God the Father

98

00:04:58,850 --> 00:04:55,289

I used to be into the New Age movement

99

00:05:01,790 --> 00:04:58,860

and worked with powerful crystals that

100

00:05:05,209 --> 00:05:01,800

would open up all your chakras I've

101
00:05:08,300 --> 00:05:05,219
worked with phd's and all kinds of gurus

102
00:05:10,309 --> 00:05:08,310
and healers and had the best psychic I

103
00:05:13,820 --> 00:05:10,319
don't do that anymore

104
00:05:17,240 --> 00:05:13,830
as I evolved and learned that all of

105
00:05:21,200 --> 00:05:17,250
that is satanic and Luciferian I really

106
00:05:23,930 --> 00:05:21,210
do get that I do carrying on and 2015

107
00:05:26,809 --> 00:05:23,940
the veil of deception was lifted about

108
00:05:30,950 --> 00:05:26,819
everything in the world and I grasped

109
00:05:34,459 --> 00:05:30,960
the Bible in the best and right way I am

110
00:05:36,740 --> 00:05:34,469
now a born-again saved Christian but I

111
00:05:39,980 --> 00:05:36,750
have not been baptized into a church yet

112
00:05:42,290 --> 00:05:39,990
I have been to a church many times taken

113
00:05:44,959 --> 00:05:42,300

their wonderful classes but I can't seem

114

00:05:47,779 --> 00:05:44,969

to reach them I'm also afraid of

115

00:05:50,839 --> 00:05:47,789

infiltration at the churches these

116

00:05:52,369 --> 00:05:50,849

interdimensional beings or ETS entities

117

00:05:54,740 --> 00:05:52,379

whatever you want to call them or think

118

00:05:58,579 --> 00:05:54,750

they are they are fallen angels and

119

00:06:01,070 --> 00:05:58,589

demonic beings under Lucifer that's not

120

00:06:02,809 --> 00:06:01,080

just my opinion you just ask anyone

121

00:06:06,079 --> 00:06:02,819

who's dealt with them in the government

122

00:06:09,170 --> 00:06:06,089

and they came to the same solution a

123

00:06:12,110 --> 00:06:09,180

long time ago actually I have heard of

124

00:06:14,659 --> 00:06:12,120

this as well just so you know I did see

125

00:06:17,659 --> 00:06:14,669

a quick glimpse of his hand when I shook

126

00:06:19,629 --> 00:06:17,669

it his hand was very cold and boney the

127

00:06:22,309 --> 00:06:19,639

tips of his fingers were just like claws

128

00:06:24,950 --> 00:06:22,319

that's why he was able to pinch me like

129

00:06:27,409 --> 00:06:24,960

he did they do stuff like that

130

00:06:29,360 --> 00:06:27,419

they all do there was no real

131

00:06:32,119 --> 00:06:29,370

conversation at all he bent over me

132

00:06:34,969 --> 00:06:32,129

after shaking my hand it was very close

133

00:06:38,209 --> 00:06:34,979

like your mom would bend over to tuck

134

00:06:40,519 --> 00:06:38,219

you in to kiss you Nick he just looked

135

00:06:41,030 --> 00:06:40,529

right through me when I take from the

136

00:06:43,750 --> 00:06:41,040

visit

137

00:06:46,970 --> 00:06:43,760

is he was just making himself known

138

00:06:50,060 --> 00:06:46,980

letting me know he's watching me he

139

00:06:52,730 --> 00:06:50,070

knows that I know I know a lot and that

140

00:06:54,920 --> 00:06:52,740

I'm being monitored I know that by

141

00:06:55,730 --> 00:06:54,930

everyone my cell and landlines are both

142

00:06:57,980 --> 00:06:55,740

tapped

143

00:07:00,260 --> 00:06:57,990

I hear them beep in and out at times

144

00:07:02,720 --> 00:07:00,270

according to my notes from his arrival

145

00:07:07,040 --> 00:07:02,730

to his departure he was here for about

146

00:07:09,820 --> 00:07:07,050

an hour I did not seem like that I only

147

00:07:12,890 --> 00:07:09,830

seemed about five to ten minutes I know

148

00:07:15,770 --> 00:07:12,900

kind of prompted him to leave he knew I

149

00:07:18,020 --> 00:07:15,780

had to get out of bed to pee I pee a lot

150

00:07:21,010 --> 00:07:18,030

in the middle of the night up to four

151
00:07:24,230 --> 00:07:21,020
times a night then I go back to sleep so

152
00:07:27,740 --> 00:07:24,240
when he was in my way to get out of bed

153
00:07:31,070 --> 00:07:27,750
he stood at my bedside so Haidee

154
00:07:34,010 --> 00:07:31,080
materialized and faded away like a thick

155
00:07:36,950 --> 00:07:34,020
cloud of smoke he went back to the other

156
00:07:38,930 --> 00:07:36,960
dimension these beings can be around you

157
00:07:41,600 --> 00:07:38,940
at all times and you don't even know it

158
00:07:44,590 --> 00:07:41,610
they can be invisible to to the human

159
00:07:47,000 --> 00:07:44,600
eye I've had an invisible encounter an

160
00:07:50,240 --> 00:07:47,010
out-of-body abduction oh yeah they do

161
00:07:53,540 --> 00:07:50,250
that they pulled my astral body out of

162
00:07:56,300 --> 00:07:53,550
my physical body I do ask for travel

163
00:07:59,360 --> 00:07:56,310

sometimes on my own I've also had

164

00:08:05,810 --> 00:07:59,370

visitation here in Aston three times

165

00:08:06,910 --> 00:08:05,820

from the quote hat man I think it's a

166

00:08:11,060 --> 00:08:06,920

woman

167

00:08:14,210 --> 00:08:11,070

what oh my goodness I have always

168

00:08:16,940 --> 00:08:14,220

associated shadow people hat man to

169

00:08:19,730 --> 00:08:16,950

alien stuff going on because yeah it's

170

00:08:22,850 --> 00:08:19,740

pretty dark stuff and yeah they do

171

00:08:25,750 --> 00:08:22,860

respond to positive things like Jesus

172

00:08:30,020 --> 00:08:25,760

Christ okay moving on he even got into

173

00:08:33,290 --> 00:08:30,030

my astral projection quote dream before

174

00:08:37,400 --> 00:08:33,300

he busted into my apartment that's a

175

00:08:40,010 --> 00:08:37,410

whole other serious story well I hope

176
00:08:42,080 --> 00:08:40,020
this person writes me also when I lived

177
00:08:44,300 --> 00:08:42,090
in Claymont Delaware I had several

178
00:08:46,330 --> 00:08:44,310
visitations from the greys one in

179
00:08:49,880 --> 00:08:46,340
particular was a seven-foot gray

180
00:08:52,280 --> 00:08:49,890
kneeling beside my bed at 4:00 a.m. he

181
00:08:54,380 --> 00:08:52,290
was glowing like fluorescent light he

182
00:08:54,740 --> 00:08:54,390
was a bright white light and a deep blue

183
00:08:56,210 --> 00:08:54,750
cow

184
00:08:58,670 --> 00:08:56,220
surrounding the outline of his body

185
00:09:00,819 --> 00:08:58,680
while the deep blue faded into bright

186
00:09:03,650 --> 00:09:00,829
white light in the middle of his body

187
00:09:06,889 --> 00:09:03,660
his head was big and round just like the

188
00:09:09,590 --> 00:09:06,899

basketball but bigger again I woke up or

189

00:09:11,869 --> 00:09:09,600

he let me wake up I was lying on my back

190

00:09:14,300 --> 00:09:11,879

I raised my head to watch him he had a

191

00:09:21,100 --> 00:09:14,310

cylinder of light coming from where his

192

00:09:27,980 --> 00:09:24,980

held to his um male part he was taking

193

00:09:31,759 --> 00:09:27,990

sperm right through the quilt as well

194

00:09:33,710 --> 00:09:31,769

the quilt was still on top of me I knew

195

00:09:36,170 --> 00:09:33,720

not to interrupt him and I watched him

196

00:09:38,889 --> 00:09:36,180

for about six seconds and then I lowered

197

00:09:43,429 --> 00:09:38,899

my head and quickly went back to sleep

198

00:09:47,300 --> 00:09:43,439

that also is in my journal since 2011 my

199

00:09:50,600 --> 00:09:47,310

2010 flatscreen Samsung has turned on by

200

00:09:52,429 --> 00:09:50,610

itself at least 24 times I also had an

201
00:09:55,519 --> 00:09:52,439
air-conditioner turn on by itself and

202
00:09:59,749 --> 00:09:55,529
went down to 32 degrees on the setting

203
00:10:01,400 --> 00:09:59,759
they can only go down to 66 or so it

204
00:10:03,410 --> 00:10:01,410
broke and I got another one

205
00:10:05,629 --> 00:10:03,420
on another occasion I went to the

206
00:10:07,519 --> 00:10:05,639
barbershop to get my hair cut I got out

207
00:10:10,369 --> 00:10:07,529
of my car and locked it with the

208
00:10:11,720 --> 00:10:10,379
electronic key I got my haircut went

209
00:10:14,809 --> 00:10:11,730
back to my car unlocked the door and

210
00:10:17,360 --> 00:10:14,819
could not get into my car the electronic

211
00:10:20,030 --> 00:10:17,370
chair was all the way up against the

212
00:10:22,100 --> 00:10:20,040
steering wheel I could not sit down

213
00:10:24,920 --> 00:10:22,110

I even had trouble reaching into the

214

00:10:27,769 --> 00:10:24,930

ignition to start the car so that I

215

00:10:31,160 --> 00:10:27,779

could move the electric seat you need

216

00:10:34,220 --> 00:10:31,170

power or juice to move that chair the

217

00:10:37,040 --> 00:10:34,230

car has to be on or you have to have a

218

00:10:39,590 --> 00:10:37,050

key in the ignition turned to the on

219

00:10:42,499 --> 00:10:39,600

position I told my friend about it and

220

00:10:45,650 --> 00:10:42,509

his reply was boy they're real

221

00:10:48,920 --> 00:10:45,660

pranksters I have dozens of similar

222

00:10:52,490 --> 00:10:48,930

stories the seven-foot gray that came in

223

00:10:54,740 --> 00:10:52,500

Claymont in June of 2013 I felt the urge

224

00:10:58,249 --> 00:10:54,750

that night before to look out my bedroom

225

00:10:58,910 --> 00:10:58,259

window and I looked at this tower of red

226

00:11:01,400 --> 00:10:58,920

lights

227

00:11:05,900 --> 00:11:01,410

some kind of tower no one pays attention

228

00:11:07,900 --> 00:11:05,910

to I looked at the tower at the top that

229

00:11:11,260 --> 00:11:07,910

red light was bigger than the rest it

230

00:11:12,900 --> 00:11:11,270

again to move it moved across the sky

231

00:11:16,270 --> 00:11:12,910

and kept going

232

00:11:18,670 --> 00:11:16,280

that was my first physical UFO sighting

233

00:11:20,680 --> 00:11:18,680

I've seen UFOs all the time in the

234

00:11:23,350 --> 00:11:20,690

astral plane when I'm out of my body

235

00:11:27,520 --> 00:11:23,360

they are vivid and colorful with lights

236

00:11:30,340 --> 00:11:27,530

I also saw a big black triangle in the

237

00:11:32,710 --> 00:11:30,350

astral plane and my instinct was to drop

238

00:11:35,680 --> 00:11:32,720

to my knees and put my arms up I don't

239

00:11:39,070 --> 00:11:35,690

know why TVs flat-screens or smart

240

00:11:42,540 --> 00:11:39,080

technology fallen angel technology I

241

00:11:46,390 --> 00:11:42,550

first learned about cameras and TVs in

242

00:11:48,760 --> 00:11:46,400

2007 yeah that's true they could monitor

243

00:11:50,890 --> 00:11:48,770

you type of thing I have heard some

244

00:11:53,560 --> 00:11:50,900

things about that okay a friend of mine

245

00:11:56,410 --> 00:11:53,570

told me even back then they had cameras

246

00:11:59,470 --> 00:11:56,420

watching people probably microphones too

247

00:12:02,230 --> 00:11:59,480

so when the TV is turning on they could

248

00:12:03,550 --> 00:12:02,240

be done remotely by NSA or CIA but a

249

00:12:05,410 --> 00:12:03,560

et's do it too

250

00:12:08,470 --> 00:12:05,420

finally one time I was cooking in

251

00:12:10,480 --> 00:12:08,480

Claymont I had another new car sitting

252

00:12:13,330 --> 00:12:10,490

outside my window I was cooking a big

253

00:12:15,430 --> 00:12:13,340

pot of chili or something I would always

254

00:12:17,620 --> 00:12:15,440

bang the big spoon on the pot to get the

255

00:12:20,320 --> 00:12:17,630

residue off one time I banged three

256

00:12:21,490 --> 00:12:20,330

times on the end of the stockpot and at

257

00:12:24,880 --> 00:12:21,500

that exact time

258

00:12:28,950 --> 00:12:24,890

my car's horn parking lights and head

259

00:12:32,580 --> 00:12:28,960

lights flickered and sounded three times

260

00:12:34,060 --> 00:12:32,590

you can't make this stuff up right

261

00:12:36,250 --> 00:12:34,070

mm-hmm

262

00:12:38,380 --> 00:12:36,260

it was a big juicy one that took a lot

263

00:12:40,450 --> 00:12:38,390

of time but well worth it once you guys

264

00:12:42,460 --> 00:12:40,460

say no that was pretty cool you know

265

00:12:45,490 --> 00:12:42,470

I'll tell you a quick story I had a

266

00:12:47,290 --> 00:12:45,500

friend I had a lot of UFO sightings I

267

00:12:51,340 --> 00:12:47,300

have never been abducted thing thank you

268

00:12:53,170 --> 00:12:51,350

Jesus uh but I had a friend who had this

269

00:12:55,270 --> 00:12:53,180

Triumph car a little sports car with a

270

00:12:59,260 --> 00:12:55,280

the headlights come up and stuff

271

00:13:02,320 --> 00:12:59,270

whenever I got into her car her alarm

272

00:13:04,330 --> 00:13:02,330

would go and and the headlights would

273

00:13:07,480 --> 00:13:04,340

start coming up and going down coming up

274

00:13:10,690 --> 00:13:07,490

and going down it was freaky

275

00:13:12,220 --> 00:13:10,700

and it happened all the time very freaky

276

00:13:15,670 --> 00:13:12,230

and at the time I was seeing a lot of

277

00:13:16,660 --> 00:13:15,680

UFOs and strange things so yeah these

278

00:13:19,480 --> 00:13:16,670

things happen

279

00:13:20,260 --> 00:13:19,490

Wow that man I hope that guy writes me

280

00:13:22,360 --> 00:13:20,270

Oh

281

00:13:25,390 --> 00:13:22,370

oh gosh for the Outlander show I answer

282

00:13:27,640 --> 00:13:25,400

a lot I I coined the name the hat man

283

00:13:30,970 --> 00:13:27,650

and shadow people so that's why alright

284

00:13:32,800 --> 00:13:30,980

moving on to the next one this is a UFO

285

00:13:35,080 --> 00:13:32,810

sighting in Atlantic Beach North

286

00:13:39,400 --> 00:13:35,090

Carolina this is a UFO blast from the

287

00:13:42,820 --> 00:13:39,410

past has happened July 13 1992 they say

288

00:13:46,270 --> 00:13:42,830

it was round black and large with silver

289

00:13:48,520 --> 00:13:46,280

hue and more detail the witness states

290

00:13:51,340 --> 00:13:48,530

my husband was military we lived in

291

00:13:54,850 --> 00:13:51,350

Jacksonville North Carolina on base we

292

00:13:57,940 --> 00:13:54,860

decided to drive to Emerald Isle to go

293

00:14:00,610 --> 00:13:57,950

to Fort Macon we were the only ones

294

00:14:02,170 --> 00:14:00,620

there we decided to leave it was hot we

295

00:14:04,870 --> 00:14:02,180

were walking in the parking lot there

296

00:14:08,650 --> 00:14:04,880

were no other cars I happen to look

297

00:14:13,210 --> 00:14:08,660

towards the beach I saw a huge round

298

00:14:14,860 --> 00:14:13,220

black ball like a water tower after a

299

00:14:18,370 --> 00:14:14,870

few minutes I noticed nothing was

300

00:14:21,880 --> 00:14:18,380

holding it up it was hovering right next

301
00:14:25,480 --> 00:14:21,890
to a two-story beach house I held up my

302
00:14:28,150 --> 00:14:25,490
husband a look at that moment I asked

303
00:14:31,330 --> 00:14:28,160
him what is that and what's holding it

304
00:14:35,830 --> 00:14:31,340
up he looked at me and yelled get in the

305
00:14:39,160 --> 00:14:35,840
car I stood there for a second looked at

306
00:14:43,660 --> 00:14:39,170
him then turned and looked at the object

307
00:14:47,350 --> 00:14:43,670
again and it was gone at that point we

308
00:14:49,120 --> 00:14:47,360
ran to the car and peeled out I kept

309
00:14:52,540 --> 00:14:49,130
looking back to see if I could see it

310
00:14:54,760 --> 00:14:52,550
again but it was gone like I said my

311
00:14:57,820 --> 00:14:54,770
husband was a Marine he doesn't scare

312
00:14:59,980 --> 00:14:57,830
easy all the way home we could not

313
00:15:01,450 --> 00:14:59,990

believe what we saw it's Jamie

314

00:15:03,130 --> 00:15:01,460

progresses employee of the month

315

00:15:05,800 --> 00:15:03,140

two months in a row leave a message at

316

00:15:07,420 --> 00:15:05,810

the hi Jamie it's me Jamie I just had a

317

00:15:09,460 --> 00:15:07,430

new idea for our song what the name your

318

00:15:11,560 --> 00:15:09,470

price tool so when it's like tell us

319

00:15:13,390 --> 00:15:11,570

what you want to pay hey hey hey and the

320

00:15:15,130 --> 00:15:13,400

trombone goes blah blah blah and you say

321

00:15:17,590 --> 00:15:15,140

we'll help you find courage options to

322

00:15:19,480 --> 00:15:17,600

fit your budget then we just all do

323

00:15:20,890 --> 00:15:19,490

finger snaps while choir goes statements

324

00:15:23,410 --> 00:15:20,900

coming at you save it's coming out Jeff

325

00:15:24,940 --> 00:15:23,420

yes no maybe anyway so your practice

326

00:15:27,010 --> 00:15:24,950

tonight I got new lyrics for the rap

327

00:15:28,300 --> 00:15:27,020

break progressive casualty insurance

328

00:15:31,480 --> 00:15:28,310

company and affiliates pricing coverage

329

00:15:33,879 --> 00:15:31,490

match limited by state law ah we were

330

00:15:37,509 --> 00:15:33,889

only about a hundred yards from it

331

00:15:41,259 --> 00:15:37,519

that and it was maybe 25 feet off the

332

00:15:44,139 --> 00:15:41,269

ground never so scared in all my life

333

00:15:44,829 --> 00:15:44,149

never saw my husband scared like that

334

00:15:47,829 --> 00:15:44,839

either

335

00:15:49,900 --> 00:15:47,839

wish I had taken a picture but it all

336

00:15:52,210 --> 00:15:49,910

happened so fast

337

00:15:55,150 --> 00:15:52,220

after my husband refused to talk about

338

00:15:57,939 --> 00:15:55,160

it I don't know if because of the

339

00:16:00,429 --> 00:15:57,949

military or if he just can't explain

340

00:16:01,409 --> 00:16:00,439

what he saw I remember it like it was

341

00:16:03,489 --> 00:16:01,419

yesterday

342

00:16:05,679 --> 00:16:03,499

people keep the stuff to themselves like

343

00:16:07,809 --> 00:16:05,689

I'm not talking about it I had a friend

344

00:16:09,970 --> 00:16:07,819

do that to me for like a year and I was

345

00:16:12,309 --> 00:16:09,980

alone in the experience was it

346

00:16:15,189 --> 00:16:12,319

beneficial it just made me want to tell

347

00:16:19,389 --> 00:16:15,199

everybody else and just ponder and

348

00:16:21,340 --> 00:16:19,399

ponder alright moving on the next UFO

349

00:16:23,739 --> 00:16:21,350

sighting happened in Charleston South

350

00:16:24,340 --> 00:16:23,749

Carolina Oh another UFO blast from the

351

00:16:28,929 --> 00:16:24,350

past

352

00:16:30,939 --> 00:16:28,939

this occurred August 12 2011 was taking

353

00:16:33,460 --> 00:16:30,949

picture of grandson on beaches what they

354

00:16:35,439 --> 00:16:33,470

state we were on the beach I was taking

355

00:16:37,269 --> 00:16:35,449

pictures of my grandson I didn't see it

356

00:16:39,999 --> 00:16:37,279

when taking the picture until I checked

357

00:16:42,970 --> 00:16:40,009

it to see if it came out that's when I

358

00:16:45,100 --> 00:16:42,980

noticed the object beside his head when

359

00:16:48,189 --> 00:16:45,110

I looked up it was gone it was a

360

00:16:51,220 --> 00:16:48,199

weird-shaped sorter saucer-like

361

00:16:53,650 --> 00:16:51,230

with ball on the front it was grayish

362

00:16:56,739 --> 00:16:53,660

silver it was really low no noise

363

00:17:01,629 --> 00:16:56,749

nothing it wasn't a kite it was too high

364

00:17:03,460 --> 00:17:01,639

and no one was flying one wasn't many on

365

00:17:05,439 --> 00:17:03,470

the beach I kept telling my daughter did

366

00:17:08,259 --> 00:17:05,449

you see that I showed her the picture I

367

00:17:10,360 --> 00:17:08,269

took it made her nervous and myself we

368

00:17:12,250 --> 00:17:10,370

didn't leave because it was gone

369

00:17:14,740 --> 00:17:12,260

I kept looking up the rest of the day

370

00:17:17,079 --> 00:17:14,750

but it didn't return I have two pictures

371

00:17:20,379 --> 00:17:17,089

one is close-up and the other is about a

372

00:17:23,409 --> 00:17:20,389

few feet from my grandson sorry he

373

00:17:30,340 --> 00:17:23,419

spilled kool-aid on it lol it's kind of

374

00:17:33,279 --> 00:17:30,350

reddish but you can see the object okay

375

00:17:35,409 --> 00:17:33,289

the next UFO sighting happened in

376

00:17:38,830 --> 00:17:35,419

Brownsville California this occurred

377

00:17:41,490 --> 00:17:38,840

December 31st 2017 brilliant white

378

00:17:46,290 --> 00:17:41,500

squares side by side with crossbar

379

00:17:51,540 --> 00:17:48,720

in more detail the witness states I took

380

00:17:53,880 --> 00:17:51,550

a new infrared and abled camcorder out

381

00:17:56,490 --> 00:17:53,890

in my yard for the first time this

382

00:18:00,980 --> 00:17:56,500

object immediately appeared straight

383

00:18:05,100 --> 00:18:00,990

overhead slowly flashing only twice in

384

00:18:06,720 --> 00:18:05,110

slow motion and then disappearing the

385

00:18:09,600 --> 00:18:06,730

white light was brilliant like a

386

00:18:11,940 --> 00:18:09,610

welder's torch I was facing northeast on

387

00:18:13,680 --> 00:18:11,950

the southwest slope but I didn't have

388

00:18:16,020 --> 00:18:13,690

time to put my camera in order to

389

00:18:19,170 --> 00:18:16,030

capture the event the squares were

390

00:18:22,530 --> 00:18:19,180

silent and stationary possibly less than

391

00:18:24,600 --> 00:18:22,540

a mile distant appeared dime-sized at

392

00:18:28,680 --> 00:18:24,610

arm's length I had a strong feeling that

393

00:18:30,390 --> 00:18:28,690

I was being observed note I believe that

394

00:18:33,990 --> 00:18:30,400

this is the same object which has

395

00:18:36,750 --> 00:18:34,000

flashed straight overhead several times

396

00:18:39,360 --> 00:18:36,760

over the last twenty years the white

397

00:18:41,760 --> 00:18:39,370

light always lit up my yard I have a

398

00:18:43,980 --> 00:18:41,770

history of your faux sightings

399

00:18:46,460 --> 00:18:43,990

out-of-body experiences and other

400

00:18:49,320 --> 00:18:46,470

occurrences since early childhood

401
00:18:51,810 --> 00:18:49,330
there's oh and us always always an

402
00:18:54,210 --> 00:18:51,820
association just so you guys know weird

403
00:18:56,790 --> 00:18:54,220
things just see that you're open and

404
00:18:57,150 --> 00:18:56,800
other weird things happen I am not

405
00:19:00,870 --> 00:18:57,160
kidding

406
00:19:02,580 --> 00:19:00,880
all right well we got a lot of UFO blast

407
00:19:05,280 --> 00:19:02,590
from the past I'm just scrolling through

408
00:19:05,760 --> 00:19:05,290
here Wow okay I'm just gonna jump right

409
00:19:08,510 --> 00:19:05,770
in

410
00:19:12,150 --> 00:19:08,520
I mean I just grabbed these randomly and

411
00:19:14,850 --> 00:19:12,160
Shaboom they're just Wow okay here we go

412
00:19:18,480 --> 00:19:14,860
on this one is your full sighting from

413
00:19:22,020 --> 00:19:18,490

Hutchinson Kansas that occurred August

414

00:19:24,720 --> 00:19:22,030

12th 1968 object was sitting in a

415

00:19:26,400 --> 00:19:24,730

pasture some distance from Road what

416

00:19:28,440 --> 00:19:26,410

caught my attention was a glow that

417

00:19:31,800 --> 00:19:28,450

looked like it was coming from a door

418

00:19:33,780 --> 00:19:31,810

hat I think they mean that was on the

419

00:19:36,450 --> 00:19:33,790

bottom of the object which was difficult

420

00:19:40,050 --> 00:19:36,460

to determine due to the low clouds and

421

00:19:42,120 --> 00:19:40,060

misty weather at the time and more

422

00:19:44,460 --> 00:19:42,130

detail the witness days I was with four

423

00:19:46,440 --> 00:19:44,470

other people in my car coming back to

424

00:19:49,560 --> 00:19:46,450

Hutchinson from an old school building

425

00:19:52,680 --> 00:19:49,570

that my uncle had brought and was fixing

426

00:19:55,710 --> 00:19:52,690

up oh but he we were traveling south

427

00:19:57,900 --> 00:19:55,720

east on highway 96 when we noticed a

428

00:20:00,260 --> 00:19:57,910

yellowish white light in the middle of a

429

00:20:02,390 --> 00:20:00,270

pasture some distance from the road

430

00:20:04,010 --> 00:20:02,400

the shape of the light looked like it

431

00:20:07,460 --> 00:20:04,020

was coming from a door or a square

432

00:20:09,950 --> 00:20:07,470

portal I could see inside but could not

433

00:20:12,800 --> 00:20:09,960

make out any details due to the fact we

434

00:20:15,950 --> 00:20:12,810

were too far away to see anything

435

00:20:18,250 --> 00:20:15,960

clearly the upper portion of the object

436

00:20:22,280 --> 00:20:18,260

was hard to see because the weather was

437

00:20:24,710 --> 00:20:22,290

misty in low fog cover the best I can

438

00:20:27,950 --> 00:20:24,720

remember the shape was kind of like an

439

00:20:30,200 --> 00:20:27,960

inverted triangle we were only able to

440

00:20:32,870 --> 00:20:30,210

observe it from one perspective due to

441

00:20:34,640 --> 00:20:32,880

our position on the road I stopped and

442

00:20:36,500 --> 00:20:34,650

was going to walk out and try to get a

443

00:20:39,410 --> 00:20:36,510

better look but the other people in my

444

00:20:42,890 --> 00:20:39,420

car got really nervous and wanted to

445

00:20:44,710 --> 00:20:42,900

leave so he did kind of wished I had

446

00:20:46,970 --> 00:20:44,720

went a little closer for a better look

447

00:20:51,620 --> 00:20:46,980

he might have been a fire in the sky

448

00:20:55,040 --> 00:20:51,630

victim the object did not move or make

449

00:20:57,890 --> 00:20:55,050

any noise and it was still setting on

450

00:20:59,930 --> 00:20:57,900

the ground when we left back when I was

451
00:21:02,030 --> 00:20:59,940
16 and visiting my stepdads brother in

452
00:21:04,640 --> 00:21:02,040
California we were out sightseeing on

453
00:21:07,340 --> 00:21:04,650
the coast it was kind of late because he

454
00:21:09,680 --> 00:21:07,350
had to work that day so we got a late

455
00:21:11,360 --> 00:21:09,690
start we stopped at a stop sign and we

456
00:21:14,480 --> 00:21:11,370
were going to turn onto a highway I

457
00:21:17,390 --> 00:21:14,490
think when we stopped the clock on the

458
00:21:20,120 --> 00:21:17,400
dash said it was 12 o'clock the next

459
00:21:22,820 --> 00:21:20,130
thing we knew we were still sitting at

460
00:21:25,850 --> 00:21:22,830
the stop sign and the clock was reading

461
00:21:28,790 --> 00:21:25,860
what o'clock at that point I think we

462
00:21:30,590 --> 00:21:28,800
just looked at each other didn't really

463
00:21:33,650 --> 00:21:30,600

say anything but we decided to go back

464

00:21:36,370 --> 00:21:33,660

home still can't account for that hour

465

00:21:38,810 --> 00:21:36,380

that we were sitting at the stop sign

466

00:21:42,470 --> 00:21:38,820

there was very little traffic at that

467

00:21:46,520 --> 00:21:42,480

time on the roads oh I guess so geez

468

00:21:49,400 --> 00:21:46,530

what a long time to wait you know since

469

00:21:51,350 --> 00:21:49,410

that first article was so long of the

470

00:21:53,840 --> 00:21:51,360

alien encounter I think we should just

471

00:21:59,720 --> 00:21:53,850

keep going with these UFO reports

472

00:22:01,730 --> 00:21:59,730

because we can alright this next UFO

473

00:22:04,000 --> 00:22:01,740

sighting these are good I love these

474

00:22:05,990 --> 00:22:04,010

older ones because they're so detailed

475

00:22:08,990 --> 00:22:06,000

next year a full sighting this happened

476
00:22:11,060 --> 00:22:09,000
in Country Club Hills Illinois not far

477
00:22:13,850 --> 00:22:11,070
from where I'm at here in Chicago this

478
00:22:17,000 --> 00:22:13,860
occurred at December 12 1992

479
00:22:18,770 --> 00:22:17,010
I was awoken by a boom I thought

480
00:22:22,010 --> 00:22:18,780
something crashed on the roof of the

481
00:22:24,880 --> 00:22:22,020
house I believe an aerial object loud

482
00:22:30,200 --> 00:22:24,890
with a glow of light was hovering over

483
00:22:32,380 --> 00:22:30,210
the house in more detail where were you

484
00:22:33,650 --> 00:22:32,390
and what were you doing at that time

485
00:22:36,380 --> 00:22:33,660
sleeping

486
00:22:39,200 --> 00:22:36,390
what made you first notice the object I

487
00:22:41,000 --> 00:22:39,210
was awoken by a very loud noise like a

488
00:22:42,380 --> 00:22:41,010

boom or from sleep I guess they're

489

00:22:44,450 --> 00:22:42,390

answering answering out of the

490

00:22:46,100 --> 00:22:44,460

questionnaire what did you think the

491

00:22:47,810 --> 00:22:46,110

object was when you first noticed it

492

00:22:50,539 --> 00:22:47,820

I thought something crashed on the roof

493

00:22:52,460 --> 00:22:50,549

of the house number four describe the

494

00:22:54,919 --> 00:22:52,470

object in its actions and motions in

495

00:22:56,330 --> 00:22:54,929

detail some sort of arrow object that

496

00:22:59,659 --> 00:22:56,340

hovered over the house it was very loud

497

00:23:01,159 --> 00:22:59,669

with a glow I'm remembering if the light

498

00:23:03,470 --> 00:23:01,169

was so bright I was seeing it through

499

00:23:07,340 --> 00:23:03,480

the windows or if it almost made the

500

00:23:09,590 --> 00:23:07,350

roof transparent oh that's different

501
00:23:12,110 --> 00:23:09,600
never heard of that I don't know if it

502
00:23:14,840 --> 00:23:12,120
was dark or chrome for sure as the glow

503
00:23:17,510 --> 00:23:14,850
was around it number five describe your

504
00:23:20,090 --> 00:23:17,520
feelings reactions and actions during

505
00:23:21,680 --> 00:23:20,100
and after sighting of the object well I

506
00:23:23,510 --> 00:23:21,690
felt like it was looking for something

507
00:23:26,110 --> 00:23:23,520
or doing something I was afraid it was

508
00:23:29,150 --> 00:23:26,120
going to enter the house or demo it

509
00:23:31,220 --> 00:23:29,160
number six how did you lose sight of the

510
00:23:32,930 --> 00:23:31,230
object well it ended and disappeared as

511
00:23:35,270 --> 00:23:32,940
quickly as it appeared I shook my

512
00:23:37,909 --> 00:23:35,280
husband and asked him if he had heard

513
00:23:40,640 --> 00:23:37,919

and if he wasn't fazed at all he just

514

00:23:42,260 --> 00:23:40,650

went back to sleep only I heard it and

515

00:23:44,060 --> 00:23:42,270

saw it I thought maybe it was just a

516

00:23:48,200 --> 00:23:44,070

dream the whole thing and try to forget

517

00:23:50,659 --> 00:23:48,210

about it I was doing IVF and they just

518

00:23:53,510 --> 00:23:50,669

implanted that week but it wasn't until

519

00:23:56,419 --> 00:23:53,520

after that moment that I had on faith it

520

00:23:59,360 --> 00:23:56,429

would work after that event I felt like

521

00:24:00,740 --> 00:23:59,370

I had this knowing I was pregnant after

522

00:24:04,039 --> 00:24:00,750

my daughter was born

523

00:24:06,440 --> 00:24:04,049

oh isn't that something uh and was

524

00:24:08,720 --> 00:24:06,450

talking she kept saying her birthday was

525

00:24:10,970 --> 00:24:08,730

December 12th I kept correcting her and

526
00:24:12,409 --> 00:24:10,980
saying it was September 12th simple

527
00:24:14,750 --> 00:24:12,419
confusion for a child

528
00:24:16,430 --> 00:24:14,760
December sounds like September but I

529
00:24:19,580 --> 00:24:16,440
kind of thought about that boom around

530
00:24:22,040 --> 00:24:19,590
that time and again brushed it off now

531
00:24:25,040 --> 00:24:22,050
years later after watching this show on

532
00:24:27,680 --> 00:24:25,050
History Channel I felt it was more real

533
00:24:29,570 --> 00:24:27,690
and unresolved in my mind maybe

534
00:24:31,129 --> 00:24:29,580
there's more to it I could say my

535
00:24:33,619 --> 00:24:31,139
daughter was quite brilliant through

536
00:24:34,700 --> 00:24:33,629
school and turned down going to Ivy

537
00:24:37,249 --> 00:24:34,710
League schools

538
00:24:39,769 --> 00:24:37,259

she has profound statements and a great

539

00:24:42,379 --> 00:24:39,779

writer she seems to funnel all her

540

00:24:44,389 --> 00:24:42,389

creativity to music I don't know if

541

00:24:47,269 --> 00:24:44,399

there was any correlation to that event

542

00:24:49,279 --> 00:24:47,279

I don't want any media just curious to

543

00:24:52,879 --> 00:24:49,289

know of any validity of this event

544

00:24:55,490 --> 00:24:52,889

perhaps some more research hmm yeah I

545

00:24:58,279 --> 00:24:55,500

hope music career it's better than the

546

00:25:01,419 --> 00:24:58,289

Ivy League school you could do both you

547

00:25:02,629 --> 00:25:01,429

know she's Louise that's fascinating

548

00:25:05,600 --> 00:25:02,639

see-through

549

00:25:06,730 --> 00:25:05,610

ceiling I mean really never ever heard

550

00:25:09,379 --> 00:25:06,740

of such a thing

551

00:25:12,440 --> 00:25:09,389

whooh all right there we go

552

00:25:18,019 --> 00:25:12,450

the next UFO sighting happened in

553

00:25:21,529 --> 00:25:18,029

Hershey Nebraska September 15 1977 UFO

554

00:25:26,810 --> 00:25:21,539

was hovering with a beam coming down and

555

00:25:30,350 --> 00:25:26,820

then cased my car Wow like sightings

556

00:25:32,659 --> 00:25:30,360

were a lot more prominent back in the

557

00:25:34,789 --> 00:25:32,669

day or something holy cannoli

558

00:25:36,529 --> 00:25:34,799

all right carrying on I was traveling

559

00:25:39,200 --> 00:25:36,539

down the country road going to see my

560

00:25:41,119 --> 00:25:39,210

girlfriend as I was going down the road

561

00:25:44,330 --> 00:25:41,129

on the south side of the road I saw a

562

00:25:46,549 --> 00:25:44,340

craft hovering at first I thought it was

563

00:25:50,690 --> 00:25:46,559

a helicopter but as I got closer I could

564

00:25:52,639 --> 00:25:50,700

see that it was football-shaped the only

565

00:25:56,180 --> 00:25:52,649

lights was a white beam of light coming

566

00:25:58,669 --> 00:25:56,190

from the bottom I could not see what

567

00:26:01,580 --> 00:25:58,679

they were doing with the beam also it

568

00:26:05,419 --> 00:26:01,590

had like an eye shaped window in the

569

00:26:07,460 --> 00:26:05,429

center that was iridescent blue it was

570

00:26:11,180 --> 00:26:07,470

like you could almost see into it but

571

00:26:13,850 --> 00:26:11,190

couldn't I slowed down and almost

572

00:26:17,389 --> 00:26:13,860

stopped but about this time they were

573

00:26:20,840 --> 00:26:17,399

finding cattle with their sex organs cut

574

00:26:24,200 --> 00:26:20,850

out and I did not want that done to me

575

00:26:27,649 --> 00:26:24,210

lol I floored my car and the craft

576

00:26:29,269 --> 00:26:27,659

followed me parallel and matched my

577

00:26:32,269 --> 00:26:29,279

speed oh that's disturbing

578

00:26:34,310 --> 00:26:32,279

I would speed up it would speed up I

579

00:26:37,159 --> 00:26:34,320

would slow down it it would slow down as

580

00:26:40,460 --> 00:26:37,169

I got closer to a farmhouse it stopped

581

00:26:41,450 --> 00:26:40,470

and hovered and then went back to what

582

00:26:44,029 --> 00:26:41,460

it was doing

583

00:26:46,460 --> 00:26:44,039

you could see it from the porch of my

584

00:26:48,260 --> 00:26:46,470

girlfriend's house I went into their

585

00:26:51,139 --> 00:26:48,270

house and tried to get them to come look

586

00:26:54,080 --> 00:26:51,149

but they would not they thought I was

587

00:26:57,070 --> 00:26:54,090

crazy so I didn't report it at the time

588

00:26:59,480 --> 00:26:57,080

I figured no one would believe me I

589

00:27:01,159 --> 00:26:59,490

still get goosebumps every time I tell

590

00:27:03,649 --> 00:27:01,169

the story I got goosebumps listening

591

00:27:06,680 --> 00:27:03,659

that's that's horrifying

592

00:27:08,470 --> 00:27:06,690

and how dare they not look I mean shoot

593

00:27:10,909 --> 00:27:08,480

what the heck

594

00:27:12,500 --> 00:27:10,919

all right this next year full sighting

595

00:27:13,310 --> 00:27:12,510

this happened in Burnsville North

596

00:27:18,440 --> 00:27:13,320

Carolina

597

00:27:22,940 --> 00:27:18,450

this occurred June 6 2017 they call it a

598

00:27:27,169 --> 00:27:22,950

flying chrome hardhat private pilot

599

00:27:30,560 --> 00:27:27,179

airplane and hello copter UFO sighting

600

00:27:34,100 --> 00:27:30,570

at my home June 6 2017 time 3:45 p.m.

601
00:27:36,549 --> 00:27:34,110
object description disc shaped with a

602
00:27:40,399 --> 00:27:36,559
parent dome bright a shiny metallic

603
00:27:42,710 --> 00:27:40,409
highly polished surface like chrome the

604
00:27:45,049 --> 00:27:42,720
disc appeared to be about a hundred feet

605
00:27:47,419 --> 00:27:45,059
in diameter there were no lights or

606
00:27:50,930 --> 00:27:47,429
markers and no sound no contrail from

607
00:27:55,940 --> 00:27:50,940
the object looked like a giant flying

608
00:27:58,190 --> 00:27:55,950
chrome hardhat weather was clear sky one

609
00:28:01,669 --> 00:27:58,200
cloud small cumulus to the southwest

610
00:28:04,039 --> 00:28:01,679
temperature 72 degrees as a footnote the

611
00:28:07,100 --> 00:28:04,049
afternoon Sun was bright and illuminated

612
00:28:09,200 --> 00:28:07,110
the object perfectly observed object

613
00:28:11,990 --> 00:28:09,210

traveling from the North East toward

614

00:28:15,529 --> 00:28:12,000

Southwest observed an eastern sky

615

00:28:18,950 --> 00:28:15,539

initially the disc was in a right banked

616

00:28:24,409 --> 00:28:18,960

constant speed turn I estimated the

617

00:28:28,610 --> 00:28:24,419

speed at 500 to 600 knots altitude above

618

00:28:32,750 --> 00:28:28,620

ground 2,500 feet AGL my elevation here

619

00:28:35,000 --> 00:28:32,760

is approximately 3,000 MSL the actual

620

00:28:38,690 --> 00:28:35,010

distance between myself and object was

621

00:28:41,570 --> 00:28:38,700

less than 1/2 mile the disc flew in a

622

00:28:44,630 --> 00:28:41,580

slight arc was observed by me for about

623

00:28:47,779 --> 00:28:44,640

10 to 20 seconds and disappeared into

624

00:28:49,490 --> 00:28:47,789

the only cloud in the sky I did not see

625

00:28:52,940 --> 00:28:49,500

it reappear on the backside of the small

626

00:28:55,039 --> 00:28:52,950

cloud and do not comprehend why this was

627

00:28:58,129 --> 00:28:55,049

not observed by me

628

00:29:03,859 --> 00:28:58,139

this is a true statement made and

629

00:29:07,580 --> 00:29:03,869

written by me not me but the person who

630

00:29:10,609 --> 00:29:07,590

wrote it fascinating all right well very

631

00:29:14,539 --> 00:29:10,619

cool UFO sightings what can I say I have

632

00:29:16,820 --> 00:29:14,549

to say first thank you all for tuning in

633

00:29:19,070 --> 00:29:16,830

and listening to your 4 headline news

634

00:29:22,519 --> 00:29:19,080

with me Heidi Hollis be sure to check

635

00:29:24,680 --> 00:29:22,529

out UFO headline news a.com every single

636

00:29:27,229 --> 00:29:24,690

day and also tune in to my other weekly

637

00:29:29,450 --> 00:29:27,239

show the Outlander which occurs on

638

00:29:33,950 --> 00:29:29,460

Fridays at 8 p.m. Central Standard Time

639

00:29:36,440 --> 00:29:33,960

and also the Outlanders comic calm which

640

00:29:39,710 --> 00:29:36,450

is a paranormal comic strip all can be

641

00:29:43,249 --> 00:29:39,720

found on Heidi Hollis calm or just come

642

00:29:44,989 --> 00:29:43,259

to Inception Radio Network calm and if

643

00:29:46,759 --> 00:29:44,999

you've experienced something out of the

644

00:29:50,810 --> 00:29:46,769

ordinary and want some level-headed

645

00:29:52,930 --> 00:29:50,820

advice visit Heidi Hollis calm and I

646

00:29:56,029 --> 00:29:52,940

will do my best

647

00:30:00,789 --> 00:29:56,039

remember always to keep an open mind so

648

00:30:05,720 --> 00:30:03,369

progressive presents get bugs

649

00:30:08,330 --> 00:30:05,730

inspiration to help you do insurance

650

00:30:10,549 --> 00:30:08,340

stuff ok time out you're gonna let your

651
00:30:11,899 --> 00:30:10,559
budget be the boss of you take control

652
00:30:13,940 --> 00:30:11,909
with progressives name your price tool

653
00:30:15,200 --> 00:30:13,950
tell us what you want to pay for car

654
00:30:17,239 --> 00:30:15,210
insurance and we'll help you find

655
00:30:19,129 --> 00:30:17,249
options that fit your budget here's some

656
00:30:21,019 --> 00:30:19,139
music to get you pooped get out into

657
00:30:23,599 --> 00:30:21,029
don't don't--i don't gain gain I hear

658
00:30:25,580 --> 00:30:23,609
your budget laughing at you oh wait

659
00:30:27,979 --> 00:30:25,590
that's just those kids laughing at me

660
00:30:29,060 --> 00:30:27,989
ignore them don't I'll get regressive
