00:01:33,410 --> 00:01:25,920

82 degrees today what can I say I feel

18

00:01:35,300 --> 00:01:33,420

so sporting and as well no this won't

19

00:01:37,460 --> 00:01:35,310

last long but for the next couple of

20

00:01:45,889 --> 00:01:37,470

days it's supposed to be warm oh good

21

00:01:48,550 --> 00:01:45,899

for you well I'm happy for ya hey do we

22

00:01:51,740 --> 00:01:48,560

have a great guest tonight or what gosh

23

00:01:53,480 --> 00:01:51,750

absolutely fabulous we're gonna bring

24

00:01:55,520 --> 00:01:53,490

him out in a couple of minutes he is a

25

00:01:57,350 --> 00:01:55,530

very exciting guy he's one of our

26
00:01:59,899 --> 00:01:57,360
favorite people we've had him on before

27
00:02:00,950 --> 00:01:59,909
and of course you don't know if you

28
00:02:03,320 --> 00:02:00,960
heard him before you know he's a

29
00:02:06,260 --> 00:02:03,330
terrific guest but tonight we are

30
00:02:09,589 --> 00:02:06,270
talking about the CIA secret experiments

31
00:02:12,650 --> 00:02:09,599
with Paul and his new book which is how

32
00:02:14,630 --> 00:02:12,660
blowing America's mind we are gonna get

33
00:02:16,790 --> 00:02:14,640
to all the secret stuff that happened

34
00:02:21,380 --> 00:02:16,800
way back then and we have a lot to talk

35
00:02:24,380 --> 00:02:21,390
about but before we go there PK what is

36
00:02:25,970 --> 00:02:24,390
happening we've got this these secrets

37
00:02:27,170 --> 00:02:25,980
are still coming out aren't they just

38
00:02:29,240 --> 00:02:27,180

like you said they would

39

00:02:32,089 --> 00:02:29,250

they definitely Aaron we're gonna see

40

00:02:33,710 --> 00:02:32,099

even more coming up but you know we're

41

00:02:35,150 --> 00:02:33,720

taking a look at this trifecta that

42

00:02:36,979 --> 00:02:35,160

we've just had with the moon and they

43

00:02:39,979 --> 00:02:36,989

always say that major things take place

44

00:02:43,339 --> 00:02:39,989

after these take place and so we took a

45

00:02:46,309 --> 00:02:43,349

look to see what happened when the the

46

00:02:47,960 --> 00:02:46,319

last one we had was 152 years ago so it

47

00:02:50,330 --> 00:02:47,970

shouldn't but look to see what was going

48

00:02:51,710 --> 00:02:50,340

on yeah if you remember this is today is

49

00:02:53,720 --> 00:02:51,720

a day where people don't know who or

50

00:02:56,119 --> 00:02:53,730

what to trust secrets are all about

51
00:02:59,630 --> 00:02:56,129
what's happening so we're gonna get more

52
00:03:01,610 --> 00:02:59,640
of it in our interview with our favorite

53
00:03:05,000 --> 00:03:01,620
person here about the blowin America's

54
00:03:08,449 --> 00:03:05,010
mind but the thing is Lincoln was

55
00:03:12,350 --> 00:03:08,459
assassinated 152 years ago the Civil War

56
00:03:16,550 --> 00:03:12,360
ended Steamship in London syncs killing

57
00:03:18,290 --> 00:03:16,560
20 people the SPCA was formed Charles

58
00:03:20,300 --> 00:03:18,300
Harris invented root beer that's the

59
00:03:23,750 --> 00:03:20,310
most pleasant thing that's the best

60
00:03:25,370 --> 00:03:23,760
thing yet yeah the animal protection but

61
00:03:29,270 --> 00:03:25,380
there was a great fire in Quebec which

62
00:03:30,830 --> 00:03:29,280
destroyed 225 hundred houses and then

63
00:03:32,990 --> 00:03:30,840

someone threw a firecracker which

64

00:03:35,570 --> 00:03:33,000

started a fire destroying one half of

65

00:03:38,240 --> 00:03:35,580

Portland Maine and then the color

66

00:03:42,620 --> 00:03:38,250

epidemic kills a hundred hundreds I

67

00:03:44,480 --> 00:03:42,630

should say plural in London so god only

68

00:03:46,880 --> 00:03:44,490

knows what the major changes that we're

69

00:03:49,040 --> 00:03:46,890

going to see now taking place since

70

00:03:52,520 --> 00:03:49,050

we've just had this trifecta because

71

00:03:54,020 --> 00:03:52,530

that happened in the past one hundred

72

00:03:56,540 --> 00:03:54,030

fifty two years ago so we don't know

73

00:03:58,640 --> 00:03:56,550

what's gonna happen now but one of the

74

00:04:00,350 --> 00:03:58,650

things are that people are very restless

75

00:04:04,490 --> 00:04:00,360

not knowing who or what to trust

76

00:04:08,030 --> 00:04:04,500

and secrets are just chomping at the bit

77

00:04:09,410 --> 00:04:08,040

to jump out and be made known so we're

78

00:04:11,840 --> 00:04:09,420

gonna have to pay attention to some of

79

00:04:12,560 --> 00:04:11,850

that and as you're finding some of these

80

00:04:15,979 --> 00:04:12,570

things out

81

00:04:18,789 --> 00:04:15,989

do you remember don't always trust what

82

00:04:20,870 --> 00:04:18,799

you think you heard

83

00:04:23,480 --> 00:04:20,880

double-check some of these things just

84

00:04:25,730 --> 00:04:23,490

to be on the safe side we've got a good

85

00:04:28,940 --> 00:04:25,740

example of trusting with looking at the

86

00:04:31,219 --> 00:04:28,950

book blowing America's mind because it's

87

00:04:32,540 --> 00:04:31,229

all validated it's shown in it's been

88

00:04:41,990 --> 00:04:32,550

black and white right in front of us

89

00:04:44,210 --> 00:04:42,000

yeah it's so get rid we've got this memo

90

00:04:48,590 --> 00:04:44,220

that's gonna be coming out any minute

91

00:04:50,510 --> 00:04:48,600

now oh I cannot wait it's about time

92

00:04:52,000 --> 00:04:50,520

that we get to see what's really been

93

00:04:54,110 --> 00:04:52,010

going on so it's just like you predicted

94

00:04:56,030 --> 00:04:54,120

so many secrets are gonna come out

95

00:04:57,740 --> 00:04:56,040

there's no holding them back we are

96

00:05:00,290 --> 00:04:57,750

gonna get to the bottom of a number of

97

00:05:02,630 --> 00:05:00,300

things that were forbidden before so

98

00:05:05,810 --> 00:05:02,640

okay that's perfect but the other thing

99

00:05:08,719 --> 00:05:05,820

is get rid of what no longer serviced

100

00:05:10,490 --> 00:05:08,729

you whether it's these secret things

101
00:05:13,300 --> 00:05:10,500
going on or you know this things

102
00:05:16,130 --> 00:05:13,310
happening don't just sit back anymore

103
00:05:18,620 --> 00:05:16,140
jump in the middle that get things out

104
00:05:22,730 --> 00:05:18,630
let's clear the air once and for all

105
00:05:24,830 --> 00:05:22,740
somebody's eyes spinning yeah well it's

106
00:05:26,180 --> 00:05:24,840
about time that we get to hear a little

107
00:05:27,530 --> 00:05:26,190
bit about the truth so

108
00:05:29,510 --> 00:05:27,540
I'm hoping this memo will shed some

109
00:05:31,640 --> 00:05:29,520
light and we'll begin to see something

110
00:05:33,440 --> 00:05:31,650
of what's been going on behind our backs

111
00:05:37,460 --> 00:05:33,450
hey did you think they were like

112
00:05:38,870 --> 00:05:37,470
listening in on us hmm

113
00:05:40,460 --> 00:05:38,880

they could have been they could have

114

00:05:43,730 --> 00:05:40,470

been you know goddess we've talked a lot

115

00:05:47,060 --> 00:05:43,740

I'll talk a lot about UFOs and secret

116

00:05:49,490 --> 00:05:47,070

projects so well now they do maybe teach

117

00:05:50,930 --> 00:05:49,500

them something I certainly since they

118

00:05:56,360 --> 00:05:50,940

don't seem to want to listen to what

119

00:05:58,400 --> 00:05:56,370

they already know know so we might be

120

00:06:05,240 --> 00:05:58,410

able to teach them a thing or two you

121

00:06:07,880 --> 00:06:05,250

know yeah let's go for it is long

122

00:06:09,380 --> 00:06:07,890

overdue so on that note let's talk a

123

00:06:12,230 --> 00:06:09,390

little bit about who are gonna be

124

00:06:14,810 --> 00:06:12,240

talking to tonight now again as I

125

00:06:16,730 --> 00:06:14,820

mentioned this guest of ours Paul

126

00:06:18,520 --> 00:06:16,740

Jeffrey David's he's a Hollywood

127

00:06:22,820 --> 00:06:18,530

producer he's a very successful

128

00:06:25,400 --> 00:06:22,830

Hollywood guy and he's he's also a

129

00:06:28,820 --> 00:06:25,410

Princeton graduate very smart young man

130

00:06:30,980 --> 00:06:28,830

back then very smart older man now and

131

00:06:33,890 --> 00:06:30,990

he is gonna tell us all about what

132

00:06:36,920 --> 00:06:33,900

happened to him and his friend a

133

00:06:38,659 --> 00:06:36,930

co-author John Snivy this new book that

134

00:06:41,030 --> 00:06:38,669

you have holding in your hand and I'm

135

00:06:44,990 --> 00:06:41,040

holding in mind see yeah it is yes

136

00:06:46,550 --> 00:06:45,000

fabulous it's great fabulous you were

137

00:06:48,560 --> 00:06:46,560

talking about before we get on the air

138

00:06:50,600 --> 00:06:48,570

this is a it's like a novel I mean it

139

00:06:53,480 --> 00:06:50,610

needs like you just want to turn those

140

00:06:55,850 --> 00:06:53,490

pages because it's it's a great story

141

00:06:59,990 --> 00:06:55,860

it's a scary story though it's just a

142

00:07:03,230 --> 00:07:00,000

stinky story this can be done in quote

143

00:07:04,940 --> 00:07:03,240

our country yes it happened behind the

144

00:07:10,010 --> 00:07:04,950

Iron Curtain in places like that uh uh

145

00:07:12,230 --> 00:07:10,020

right here at Princeton so let's bring

146

00:07:15,560 --> 00:07:12,240

our guest on so Paul welcome to the

147

00:07:16,970 --> 00:07:15,570

stove Thank You Patricia and piqué I

148

00:07:19,580 --> 00:07:16,980

really appreciated that rousing

149

00:07:22,070 --> 00:07:19,590

introduction and the recommendation of

150

00:07:25,310 --> 00:07:22,080

blowing America's mind it is wonderful

151
00:07:27,320 --> 00:07:25,320
for us that you wrote it yeah thank you

152
00:07:28,790 --> 00:07:27,330
for writing it and enlightening all of

153
00:07:31,159 --> 00:07:28,800
us mean we've known about we've heard

154
00:07:33,740 --> 00:07:31,169
about MKULTRA we've we've heard some

155
00:07:37,360 --> 00:07:33,750
some tales about what's been going on

156
00:07:39,650 --> 00:07:37,370
but you lived it you and John Selby so

157
00:07:41,000 --> 00:07:39,660
tell us about how you got in

158
00:07:44,120 --> 00:07:41,010
I mean we've read the book but our

159
00:07:46,430 --> 00:07:44,130
audience is new to this so if you could

160
00:07:50,090 --> 00:07:46,440
share with us how this happened I mean

161
00:07:52,550 --> 00:07:50,100
it was kind of a slow process of them

162
00:07:55,160 --> 00:07:52,560
taking you under their wing tell them

163
00:07:57,140 --> 00:07:55,170

tell us all what the heck happened back

164

00:07:59,420 --> 00:07:57,150

then I'm happy to Patricia

165

00:08:05,240 --> 00:07:59,430

let me first clarify what you mean by

166

00:08:08,630 --> 00:08:05,250

back then yes John Selby and I are

167

00:08:11,330 --> 00:08:08,640

writing about what happened to us when

168

00:08:16,850 --> 00:08:11,340

we were psychology majors at Princeton

169

00:08:20,030 --> 00:08:16,860

University back in the late 1960s and we

170

00:08:22,010 --> 00:08:20,040

both stumbled into very unusual

171

00:08:24,110 --> 00:08:22,020

employment at the New Jersey

172

00:08:28,190 --> 00:08:24,120

neuropsychiatric Institute which was

173

00:08:29,780 --> 00:08:28,200

near Princeton and which had researchers

174

00:08:32,510 --> 00:08:29,790

there they had psychiatrists

175

00:08:34,790 --> 00:08:32,520

psychologists some of whom were

176

00:08:39,140 --> 00:08:34,800

affiliated with Princeton and some of

177

00:08:42,710 --> 00:08:39,150

whom were not we had no idea when we

178

00:08:45,830 --> 00:08:42,720

volunteered to be guinea pigs really in

179

00:08:49,730 --> 00:08:45,840

deep hypnosis research and LSD research

180

00:08:52,040 --> 00:08:49,740

that it was funded by the CIA we'd never

181

00:08:54,920 --> 00:08:52,050

heard of MKULTRA no one had back in the

182

00:08:58,820 --> 00:08:54,930

late 1960s it didn't become Declassified

183

00:09:01,430 --> 00:08:58,830

at all for ten years later so we got

184

00:09:04,280 --> 00:09:01,440

involved in the program with false

185

00:09:05,620 --> 00:09:04,290

assumptions you know from what we were

186

00:09:09,080 --> 00:09:05,630

told about what we were going to be

187

00:09:11,570 --> 00:09:09,090

involved in to give you the setting a

188

00:09:13,640 --> 00:09:11,580

little bit more it was a very special

189

00:09:16,490 --> 00:09:13,650

time well not only that it was the late

190

00:09:17,990 --> 00:09:16,500

1960s and the Beatles had come out with

191

00:09:21,500 --> 00:09:18,000

sergeant pepper's Lonely Hearts Club

192

00:09:24,170 --> 00:09:21,510

Band this is that era but Princeton was

193

00:09:27,230 --> 00:09:24,180

then still an all-male school it has

194

00:09:31,070 --> 00:09:27,240

changed drastically it went co-ed in the

195

00:09:36,170 --> 00:09:31,080

fall of 1969 and it said a lot of very

196

00:09:39,560 --> 00:09:36,180

distinguished lady graduates including

197

00:09:42,410 --> 00:09:39,570

Michelle Obama and two Supreme Court

198

00:09:43,910 --> 00:09:42,420

justices current ones Eleanor Kagan

199

00:09:46,940 --> 00:09:43,920

Sonia Sotomayor

200

00:09:51,829 --> 00:09:46,950

they went to Princeton but Princeton for

201
00:09:53,120 --> 00:09:51,839
you know hundreds of years was a male

202
00:09:56,030 --> 00:09:53,130
bastion it was

203
00:10:00,230 --> 00:09:56,040
an all-male institution it was quite

204
00:10:02,450 --> 00:10:00,240
exclusive the rich dominated Princeton

205
00:10:05,840 --> 00:10:02,460
for many years their eating clubs their

206
00:10:07,760 --> 00:10:05,850
exclusive clubs most of the students

207
00:10:10,940 --> 00:10:07,770
from most of the years of Princeton

208
00:10:13,520 --> 00:10:10,950
existence were you know very privileged

209
00:10:16,030 --> 00:10:13,530
and came from wealthy families but then

210
00:10:19,850 --> 00:10:16,040
things changed you know by we got to the

211
00:10:23,270 --> 00:10:19,860
1960s and I was a kid from Maryland from

212
00:10:28,040 --> 00:10:23,280
suburban Maryland not from a rich or

213
00:10:30,290 --> 00:10:28,050

exclusive family Jewish background and

214

00:10:33,350 --> 00:10:30,300

my father a college professor my mother

215

00:10:35,450 --> 00:10:33,360

a teacher and my co-author John Selby

216

00:10:38,060 --> 00:10:35,460

who lived all this with me we were

217

00:10:40,760 --> 00:10:38,070

telling you the true story what happened

218

00:10:44,210 --> 00:10:40,770

to us then he's from he's from a cattle

219

00:10:46,670 --> 00:10:44,220

ranch so he really is a cowboy you know

220

00:10:48,770 --> 00:10:46,680

he grew up practically on horseback and

221

00:10:50,300 --> 00:10:48,780

he came into Princeton

222

00:10:53,000 --> 00:10:50,310

like I don't know if you ever saw

223

00:10:55,160 --> 00:10:53,010

Midnight Cowboy it was like you know

224

00:10:57,320 --> 00:10:55,170

John Foy the cowboy going to New York

225

00:10:59,360 --> 00:10:57,330

you know is completely out of place well

226

00:11:04,310 --> 00:10:59,370

John Selby no pretty out of place at

227

00:11:09,830 --> 00:11:04,320

Princeton and I felt out of place in an

228

00:11:11,420 --> 00:11:09,840

all-male environment so when I walked

229

00:11:13,190 --> 00:11:11,430

down Nassau Street the street in front

230

00:11:15,080 --> 00:11:13,200

of the university there's a kiosk there

231

00:11:17,090 --> 00:11:15,090

this is way before we got our

232

00:11:20,170 --> 00:11:17,100

information from the internet there

233

00:11:22,910 --> 00:11:20,180

would be ads posted on the kiosk

234

00:11:25,670 --> 00:11:22,920

announcements of student meetings clubs

235

00:11:27,560 --> 00:11:25,680

you could join projects and there was

236

00:11:29,660 --> 00:11:27,570

one that I saw that said New Jersey

237

00:11:33,020 --> 00:11:29,670

neuropsychiatric Institute looking for

238

00:11:38,060 --> 00:11:33,030

deep hypnosis subjects you know you'll

239

00:11:42,100 --> 00:11:38,070

be trained to undergo deep hypnosis at

240

00:11:48,920 --> 00:11:42,110

least once a week and these sessions

241

00:11:52,580 --> 00:11:48,930

will open you love you know it presented

242

00:11:54,280 --> 00:11:52,590

itself as something that would diminish

243

00:11:58,910 --> 00:11:54,290

your inhibitions

244

00:12:02,480 --> 00:11:58,920

you'd have greater consciousness some

245

00:12:06,650 --> 00:12:02,490

terrific experiences even improve your

246

00:12:12,769 --> 00:12:08,509

college boy right away wouldn't it yeah

247

00:12:14,509 --> 00:12:12,779

so I checked into it and learned very

248

00:12:17,710 --> 00:12:14,519

quickly that the head of the program

249

00:12:20,449 --> 00:12:17,720

there was a very famous psychiatrist

250

00:12:23,269 --> 00:12:20,459

named dr. Humphrey Osmond

251
00:12:26,509 --> 00:12:23,279
now if you've ever in your life said the

252
00:12:29,569 --> 00:12:26,519
word psychedelic dr. Humphrey Osmond

253
00:12:32,199 --> 00:12:29,579
came up with that term it means mind

254
00:12:36,189 --> 00:12:32,209
manifesting he was a psychiatrist

255
00:12:39,860 --> 00:12:36,199
originally from England then went to

256
00:12:43,160 --> 00:12:39,870
Saskatchewan Canada where he

257
00:12:45,559 --> 00:12:43,170
participated in peyote rituals with the

258
00:12:50,150 --> 00:12:45,569
Native American church that's mescaline

259
00:12:52,009 --> 00:12:50,160
and he began researching the category of

260
00:12:56,540 --> 00:12:52,019
drugs that mescaline is part of which

261
00:13:00,650 --> 00:12:56,550
includes lsd-25 includes psilocybin the

262
00:13:02,629 --> 00:13:00,660
magic mushrooms and he wanted a better

263
00:13:05,150 --> 00:13:02,639

term than what they were using then

264

00:13:09,410 --> 00:13:05,160

which was psychotropic drugs or ceccato

265

00:13:12,319 --> 00:13:09,420

mimetic meaning mimics psychosis so as a

266

00:13:13,730 --> 00:13:12,329

curious researching psychiatrist he

267

00:13:16,999 --> 00:13:13,740

asked himself the question do these

268

00:13:20,329 --> 00:13:17,009

drugs really mimic psychosis if you take

269

00:13:23,960 --> 00:13:20,339

LSD and you have you go off on an 8 to

270

00:13:26,480 --> 00:13:23,970

10 12-hour trip this extraordinary

271

00:13:28,309 --> 00:13:26,490

experience which changes all your

272

00:13:30,439 --> 00:13:28,319

perceptions but makes it almost

273

00:13:34,519 --> 00:13:30,449

impossible to function you know in a

274

00:13:36,980 --> 00:13:34,529

normal sort of way are you inducing a

275

00:13:39,139 --> 00:13:36,990

temporary psychosis on yourself is that

276
00:13:41,809 --> 00:13:39,149
what a schizophrenic who's in a mental

277
00:13:45,230 --> 00:13:41,819
hospital sees and thinks and feels or is

278
00:13:46,850 --> 00:13:45,240
it something very different so he was

279
00:13:50,389 --> 00:13:46,860
into this research before he got

280
00:13:52,999 --> 00:13:50,399
involved with the CIA now the CIA why

281
00:13:55,879 --> 00:13:53,009
the CIA why did they have their hands in

282
00:13:57,799 --> 00:13:55,889
this yes exactly you know and feel free

283
00:14:03,980 --> 00:13:57,809
by the way I'm this is sort of a

284
00:14:12,850 --> 00:14:07,160
so the build-up to it take us through it

285
00:14:16,429 --> 00:14:12,860
the CIA going back to the early 1950s

286
00:14:19,129 --> 00:14:16,439
realized that Russia was involved with

287
00:14:21,530 --> 00:14:19,139
the Soviet Union was involved with mind

288
00:14:26,269 --> 00:14:21,540

control research

289

00:14:28,939 --> 00:14:26,279

and research of esoteric drugs and in

290

00:14:31,910 --> 00:14:28,949

the aftermath of the Korean War where

291

00:14:36,319 --> 00:14:31,920

there was brainwashing of prisoners of

292

00:14:37,490 --> 00:14:36,329

war you know the CIA the military wanted

293

00:14:40,249 --> 00:14:37,500

to find out what was done to these

294

00:14:42,559 --> 00:14:40,259

people how are they changed how are they

295

00:14:44,449 --> 00:14:42,569

manipulated was there hypnosis involved

296

00:14:49,009 --> 00:14:44,459

what drugs were involved what was done

297

00:14:52,910 --> 00:14:49,019

to them so they initiated project

298

00:14:54,710 --> 00:14:52,920

MKULTRA but I don't know from the

299

00:14:56,920 --> 00:14:54,720

beginning could they have ever conceived

300

00:15:01,720 --> 00:14:56,930

that what they were really going to do

301

00:15:05,059 --> 00:15:01,730

was fund this thing to the hilt through

302

00:15:07,689 --> 00:15:05,069

you know black-budget top-secret dummy

303

00:15:10,610 --> 00:15:07,699

corporations that were the paymaster's

304

00:15:13,069 --> 00:15:10,620

inducing psychiatrists and psychologists

305

00:15:18,590 --> 00:15:13,079

all across the country to participate in

306

00:15:22,670 --> 00:15:18,600

their research on these things and you

307

00:15:28,579 --> 00:15:22,680

know as I read it now from what's been

308

00:15:32,329 --> 00:15:28,589

released there were 149 known mind

309

00:15:35,930 --> 00:15:32,339

control projects at 86 American

310

00:15:37,280 --> 00:15:35,940

institutions this spend some time

311

00:15:41,420 --> 00:15:37,290

thinking about what it means

312

00:15:43,639 --> 00:15:41,430

86 I'm talking about prisoners I am

313

00:15:45,800 --> 00:15:43,649

talking about experiments on military

314

00:15:49,879 --> 00:15:45,810

people but I'm also talking about

315

00:15:53,120 --> 00:15:49,889

experiments in hospitals and at colleges

316

00:15:56,240 --> 00:15:53,130

universities and private research

317

00:15:59,870 --> 00:15:56,250

centers like New Jersey neuropsychiatric

318

00:16:01,970 --> 00:15:59,880

is that that was just one one experiment

319

00:16:04,460 --> 00:16:01,980

that I walked into in a absolutely

320

00:16:07,550 --> 00:16:04,470

massive program all across the country

321

00:16:14,900 --> 00:16:07,560

many of the guinea pigs had no idea that

322

00:16:16,970 --> 00:16:14,910

they were being used we never told

323

00:16:18,620 --> 00:16:16,980

anything you're a hospital agent and

324

00:16:22,249 --> 00:16:18,630

you're given an experimental drug and

325

00:16:24,019 --> 00:16:22,259

you they're studying you you know and

326
00:16:25,550 --> 00:16:24,029
you don't know that yeah and and even

327
00:16:28,879 --> 00:16:25,560
with you when you were looking at the

328
00:16:30,559 --> 00:16:28,889
kiosk notification yeah they just talked

329
00:16:33,740 --> 00:16:30,569
about deep hypnosis they didn't talk

330
00:16:36,499 --> 00:16:33,750
about the LSD they didn't talk about any

331
00:16:39,679 --> 00:16:36,509
else just that this was going to be

332
00:16:44,030 --> 00:16:39,689
possibly a good thing for you right so

333
00:16:45,740 --> 00:16:44,040
right yeah that's very deceptive so of

334
00:16:47,030 --> 00:16:45,750
course they didn't want their subjects

335
00:16:51,769 --> 00:16:47,040
to be aware of what they were looking

336
00:16:54,800 --> 00:16:51,779
for we found out the truth about all of

337
00:16:57,920 --> 00:16:54,810
this about ten years later so when when

338
00:17:02,119 --> 00:16:57,930

you read blowing America's mind you're

339

00:17:04,429 --> 00:17:02,129

inside our skin so to speak back when it

340

00:17:06,439 --> 00:17:04,439

was happening it's all fresh you're

341

00:17:08,689 --> 00:17:06,449

really feeling like you're back there in

342

00:17:10,370 --> 00:17:08,699

1967 that's why you said Patricia you

343

00:17:14,240 --> 00:17:10,380

know it reads like a novel well very

344

00:17:16,699 --> 00:17:14,250

intentionally and yet John Selby and I

345

00:17:21,799 --> 00:17:16,709

set out to tell exactly what happened to

346

00:17:25,270 --> 00:17:21,809

us which we felt from early on was an

347

00:17:28,760 --> 00:17:25,280

extremely fascinating an unusual story

348

00:17:32,299 --> 00:17:28,770

the costs of the interrelationship

349

00:17:35,390 --> 00:17:32,309

between the two of us he had been in the

350

00:17:37,789 --> 00:17:35,400

program a year before me he had been

351

00:17:41,890 --> 00:17:37,799

subjected to deep hypnosis hypnotic

352

00:17:46,430 --> 00:17:41,900

indigenous including blanking memory

353

00:17:49,940 --> 00:17:46,440

wiping out the past distorting

354

00:17:52,940 --> 00:17:49,950

perception manipulating your sense of

355

00:17:56,600 --> 00:17:52,950

time slowing time down speeding it up

356

00:17:59,649 --> 00:17:56,610

changing your sense of size out-of-body

357

00:18:02,330 --> 00:17:59,659

experiences you know he became a bird

358

00:18:06,980 --> 00:18:02,340

under hypnotic instruction and was told

359

00:18:12,560 --> 00:18:06,990

to fly away and was given it not a

360

00:18:14,510 --> 00:18:12,570

conditions in that state and he became

361

00:18:16,520 --> 00:18:14,520

convinced that when he was brought back

362

00:18:18,580 --> 00:18:16,530

they had done something to him you know

363

00:18:21,020 --> 00:18:18,590

when he was out of his body as a bird

364

00:18:23,390 --> 00:18:21,030

that he wasn't the complete person that

365

00:18:25,580 --> 00:18:23,400

he was before he didn't know what

366

00:18:29,149 --> 00:18:25,590

conditions he was operating under at

367

00:18:32,990 --> 00:18:29,159

that point which is terrible because the

368

00:18:36,770 --> 00:18:33,000

what are the things that I I felt so sad

369

00:18:39,440 --> 00:18:36,780

about is that this this all happened

370

00:18:42,409 --> 00:18:39,450

fairly gradually I mean the side effects

371

00:18:43,850 --> 00:18:42,419

of this the yes the manipulation is that

372

00:18:45,010 --> 00:18:43,860

they did it's not like they gave you a

373

00:18:46,870 --> 00:18:45,020

less D and you

374

00:18:49,330 --> 00:18:46,880

jumped out a window and killed yourself

375

00:18:52,960 --> 00:18:49,340

obviously it wasn't that it was the slow

376

00:18:55,870 --> 00:18:52,970

descent well at first there was no LSD

377

00:18:58,360 --> 00:18:55,880

that I mean it began innocently and

378

00:19:04,960 --> 00:18:58,370

innocuous ly enough with training to get

379

00:19:07,360 --> 00:19:04,970

into a deep trance when you enlisted you

380

00:19:09,490 --> 00:19:07,370

did have to sign a consent form and I

381

00:19:12,010 --> 00:19:09,500

was 20 so I needed to get consent from

382

00:19:15,580 --> 00:19:12,020

my parents who didn't want to give that

383

00:19:17,860 --> 00:19:15,590

consent but I I was so insistent I you

384

00:19:21,519 --> 00:19:17,870

know as a psychology major I felt that

385

00:19:26,350 --> 00:19:21,529

working with these this team would I

386

00:19:28,350 --> 00:19:26,360

would learn a lot and so they give you

387

00:19:32,230 --> 00:19:28,360

personality tests they give you a

388

00:19:34,240 --> 00:19:32,240

hypnosis induction test to see whether

389

00:19:36,310 --> 00:19:34,250

you're susceptible to hypnosis not

390

00:19:40,870 --> 00:19:36,320

everyone is or people are not equally

391

00:19:42,820 --> 00:19:40,880

susceptible so they wanted subjects that

392

00:19:46,510 --> 00:19:42,830

they could train to go into very very

393

00:19:48,880 --> 00:19:46,520

deep trances quickly and so there would

394

00:19:51,850 --> 00:19:48,890

be a period of time of I think it was a

395

00:19:53,350 --> 00:19:51,860

couple months where you trained you know

396

00:19:55,930 --> 00:19:53,360

you relaxed it's a little bit like

397

00:19:59,710 --> 00:19:55,940

meditation at first and the the

398

00:20:01,330 --> 00:19:59,720

hypnotist voice is leading you and you

399

00:20:03,820 --> 00:20:01,340

know taking you down into an altered

400

00:20:07,090 --> 00:20:03,830

state of awareness which is sort of like

401
00:20:09,430 --> 00:20:07,100
between waking and sleeping like that

402
00:20:11,649 --> 00:20:09,440
dream state you have just before

403
00:20:14,409 --> 00:20:11,659
awakening they call it hypnagogic

404
00:20:17,279 --> 00:20:14,419
imagery and you're not really conscious

405
00:20:22,029 --> 00:20:17,289
in a normal way during that time and

406
00:20:23,320 --> 00:20:22,039
they will give you a word that they

407
00:20:25,510 --> 00:20:23,330
don't want you to remember they'll

408
00:20:27,789 --> 00:20:25,520
instruct you you won't remember it which

409
00:20:29,500 --> 00:20:27,799
will become a trigger word so that when

410
00:20:31,810 --> 00:20:29,510
you come back to the same place sit down

411
00:20:33,940 --> 00:20:31,820
in the chair and the hypnotist says that

412
00:20:36,220 --> 00:20:33,950
word you'll go right back to that same

413
00:20:40,240 --> 00:20:36,230

state very quickly they won't have to

414

00:20:41,950 --> 00:20:40,250

spend 20 minutes inducing the trance but

415

00:20:46,870 --> 00:20:41,960

what they will do after they've

416

00:20:49,510 --> 00:20:46,880

triggered your state they will deepen

417

00:20:50,710 --> 00:20:49,520

the trance take you to a point where

418

00:20:52,450 --> 00:20:50,720

they'll put you under a specific

419

00:20:54,039 --> 00:20:52,460

hypnotic condition and that what they

420

00:20:56,170 --> 00:20:54,049

want to do is study you and your

421

00:21:00,880 --> 00:20:56,180

behavior for the next few hours

422

00:21:02,440 --> 00:21:00,890

so they will they give you a perception

423

00:21:07,330 --> 00:21:02,450

altering if not a condition they wake

424

00:21:08,980 --> 00:21:07,340

you up you're woken up you though you'll

425

00:21:12,310 --> 00:21:08,990

walk around the Institute with them

426
00:21:15,310 --> 00:21:12,320
maybe outside on the grounds but you

427
00:21:17,350 --> 00:21:15,320
won't have a consciousness that your

428
00:21:18,910 --> 00:21:17,360
sense of reality has been altered maybe

429
00:21:22,240 --> 00:21:18,920
they've taken away any member of your

430
00:21:24,040 --> 00:21:22,250
past you know you won't even know who

431
00:21:25,630 --> 00:21:24,050
you are

432
00:21:28,390 --> 00:21:25,640
won't remember anything that's happened

433
00:21:32,770 --> 00:21:28,400
the day before or years before and that

434
00:21:37,570 --> 00:21:32,780
was one of John Selby's biggest concerns

435
00:21:40,030 --> 00:21:37,580
that that they wiped out his past very

436
00:21:42,550 --> 00:21:40,040
deliberately and put him through these

437
00:21:47,460 --> 00:21:42,560
manipulative conditions for an entire

438
00:21:52,140 --> 00:21:47,470

year now as far as the LSD was concerned

439

00:21:55,270 --> 00:21:52,150

they would never tell you that they were

440

00:22:00,310 --> 00:21:55,280

supplementing the hypnosis experiment

441

00:22:02,860 --> 00:22:00,320

with a psychedelic drug they might you

442

00:22:04,780 --> 00:22:02,870

know they would sometimes give a placebo

443

00:22:06,130 --> 00:22:04,790

sometimes they'd want you to think that

444

00:22:08,590 --> 00:22:06,140

you were under the influence of some

445

00:22:12,610 --> 00:22:08,600

exotic drug but you wouldn't be it would

446

00:22:14,800 --> 00:22:12,620

just be the hypnosis or other times they

447

00:22:16,660 --> 00:22:14,810

would give you LSD small very small

448

00:22:20,080 --> 00:22:16,670

doses is what I'm talking about like

449

00:22:22,420 --> 00:22:20,090

micro doses and you would not know that

450

00:22:29,230 --> 00:22:22,430

you'd been given the drug now when I say

451
00:22:32,730 --> 00:22:29,240
microdose lsd-25 is so powerful and it

452
00:22:37,870 --> 00:22:32,740
has its effect in such small amounts

453
00:22:40,120 --> 00:22:37,880
that 100 micrograms is sufficient to put

454
00:22:44,230 --> 00:22:40,130
somebody off onto a six or eight hour

455
00:22:47,170 --> 00:22:44,240
what we call a trip that's a very very

456
00:22:53,320 --> 00:22:47,180
very small amount that's right and and

457
00:22:55,660 --> 00:22:53,330
so so there we go here was John Selby

458
00:22:57,910 --> 00:22:55,670
who had been there a year and they

459
00:23:01,530 --> 00:22:57,920
really wanted to keep their claws on him

460
00:23:04,630 --> 00:23:01,540
he was a senior he was graduating as a

461
00:23:06,520 --> 00:23:04,640
psychology major they were offering him

462
00:23:08,899 --> 00:23:06,530
a full-time position at the Institute

463
00:23:10,999 --> 00:23:08,909

the following year as a hypnotist

464

00:23:13,009 --> 00:23:11,009

they want to be able to continue

465

00:23:16,359 --> 00:23:13,019

studying him and there was something

466

00:23:19,549 --> 00:23:16,369

about deferring his military service to

467

00:23:22,969 --> 00:23:19,559

yes they offered it that that was a that

468

00:23:25,879 --> 00:23:22,979

was the the big carrot held held out it

469

00:23:28,820 --> 00:23:25,889

was during the Vietnam War everyone was

470

00:23:32,779 --> 00:23:28,830

being drafted after college the only way

471

00:23:35,749 --> 00:23:32,789

to not be drafted at that time well if

472

00:23:38,749 --> 00:23:35,759

you are medically unfit okay you've got

473

00:23:41,180 --> 00:23:38,759

a four F deferment or if you went to

474

00:23:42,979 --> 00:23:41,190

medical school they let you go to

475

00:23:46,960 --> 00:23:42,989

medical school and then they would take

476

00:23:50,330 --> 00:23:46,970

you later after you were a doctor and

477

00:23:52,700 --> 00:23:50,340

also they had a deferment for seminary

478

00:23:54,799 --> 00:23:52,710

students which is really unusual

479

00:23:56,629 --> 00:23:54,809

I mean why somebody wants to become a

480

00:23:58,759 --> 00:23:56,639

chaplain or you know they go study

481

00:24:00,619 --> 00:23:58,769

religion to become a minister or

482

00:24:02,239 --> 00:24:00,629

something why deferment from the

483

00:24:04,789 --> 00:24:02,249

military but they did those were the

484

00:24:07,339 --> 00:24:04,799

only three ways so this was a big deal

485

00:24:11,239 --> 00:24:07,349

if he could get out of that being

486

00:24:13,039 --> 00:24:11,249

drafted yeah unless you came from a

487

00:24:16,539 --> 00:24:13,049

military family and were convinced that

488

00:24:19,909 --> 00:24:16,549

you needed to enlist and you wanted to

489

00:24:21,349 --> 00:24:19,919

go fight in Vietnam I think that was the

490

00:24:25,639 --> 00:24:21,359

minority of people that had that

491

00:24:27,680 --> 00:24:25,649

attitude so you know most of us just

492

00:24:30,859 --> 00:24:27,690

wanted to have our lives go on with our

493

00:24:33,289 --> 00:24:30,869

lives and not have it interrupted by

494

00:24:35,659 --> 00:24:33,299

military service so for John Selby he

495

00:24:37,399 --> 00:24:35,669

was said the work we're doing is in the

496

00:24:42,950 --> 00:24:37,409

national it's considered in the national

497

00:24:44,539 --> 00:24:42,960

interest and he was told that some of

498

00:24:46,430 --> 00:24:44,549

the support came from the National

499

00:24:51,469 --> 00:24:46,440

Institutes of Health in National

500

00:24:54,080 --> 00:24:51,479

Institutes of mental health which which

501
00:24:58,249 --> 00:24:54,090
was true that some of the money was

502
00:25:00,169 --> 00:24:58,259
funneled into you know this was a

503
00:25:04,310 --> 00:25:00,179
top-secret program it was like a black

504
00:25:08,629 --> 00:25:04,320
program so some of it did come from

505
00:25:11,899 --> 00:25:08,639
there and some of it came from a dummy

506
00:25:14,869 --> 00:25:11,909
corporation called the Society for the

507
00:25:17,889 --> 00:25:14,879
study of human ecology now I don't even

508
00:25:22,160 --> 00:25:19,640
organization

509
00:25:24,050 --> 00:25:22,170
yeah well what did you do today I got a

510
00:25:27,650 --> 00:25:24,060
job with the Society for the study of

511
00:25:30,140 --> 00:25:27,660
human ecology what that job where was it

512
00:25:33,470 --> 00:25:30,150
you were a master yeah that you were a

513
00:25:36,310 --> 00:25:33,480

paymaster for the CIA because that's

514

00:25:40,790 --> 00:25:36,320

where the checks came that paid the

515

00:25:43,370 --> 00:25:40,800

psychologist and the psychiatrist so yes

516

00:25:48,800 --> 00:25:43,380

they enticed John Selby with the draft

517

00:25:52,190 --> 00:25:48,810

deferment concept and so he he really

518

00:25:53,810 --> 00:25:52,200

and this is I think and I think you'll

519

00:25:56,210 --> 00:25:53,820

both agree with this this is part of the

520

00:25:59,330 --> 00:25:56,220

real drama of the book that you have

521

00:26:02,210 --> 00:25:59,340

this young man from the cattle ranch at

522

00:26:07,220 --> 00:26:02,220

Princeton who got into the SIP gnosis

523

00:26:09,620 --> 00:26:07,230

stuff and LSD and really wanted at a

524

00:26:14,210 --> 00:26:09,630

certain point to get out of it he felt

525

00:26:16,070 --> 00:26:14,220

that he was being haunted damaged that

526

00:26:19,010 --> 00:26:16,080

the hypnotic conditions were not being

527

00:26:20,270 --> 00:26:19,020

erased he was having flashbacks of

528

00:26:23,030 --> 00:26:20,280

things that had happened under hypnosis

529

00:26:27,020 --> 00:26:23,040

and sometimes at critical times for

530

00:26:30,860 --> 00:26:27,030

example he was a champion he became a

531

00:26:36,110 --> 00:26:30,870

champion fencer on the Princeton fencing

532

00:26:37,730 --> 00:26:36,120

team but if you have this haunting you I

533

00:26:39,830 --> 00:26:37,740

mean John Selby always called it the

534

00:26:41,570 --> 00:26:39,840

boogeyman you know the boogeyman it

535

00:26:44,930 --> 00:26:41,580

softer than the boogeyman came from I

536

00:26:50,000 --> 00:26:44,940

yeah from the National from the New

537

00:26:53,750 --> 00:26:50,010

Jersey neuropsychiatric Institute so his

538

00:26:56,570 --> 00:26:53,760

struggle to break free of it is one of

539

00:26:59,210 --> 00:26:56,580

the major themes of the book and how he

540

00:27:01,070 --> 00:26:59,220

finally did it and how he finally got up

541

00:27:03,560 --> 00:27:01,080

the courage to betray the people he was

542

00:27:08,780 --> 00:27:03,570

working for you know break into their

543

00:27:10,160 --> 00:27:08,790

files you know find his file and I don't

544

00:27:12,530 --> 00:27:10,170

want to give away the whole plot you

545

00:27:18,560 --> 00:27:12,540

know but yeah exactly he needed to break

546

00:27:21,610 --> 00:27:18,570

away meanwhile you you have me naive 20

547

00:27:24,590 --> 00:27:21,620

years old gung-ho for this right I

548

00:27:29,510 --> 00:27:24,600

hadn't experienced the dark side early

549

00:27:31,460 --> 00:27:29,520

on I I enjoyed learning to go under

550

00:27:35,030 --> 00:27:31,470

hypnosis

551
00:27:36,860 --> 00:27:35,040
so as John Selby my co-author began to

552
00:27:41,360 --> 00:27:36,870
rebel against it I couldn't understand

553
00:27:45,170 --> 00:27:41,370
why and then we had this third another

554
00:27:46,970 --> 00:27:45,180
mutual friend puck in the book terrific

555
00:27:48,410 --> 00:27:46,980
carrot would you agree puck was really

556
00:27:50,810 --> 00:27:48,420
interesting character he's a great

557
00:27:52,510 --> 00:27:50,820
character and I was gonna ask you more

558
00:27:55,700 --> 00:27:52,520
about him because he's so interesting

559
00:27:57,830 --> 00:27:55,710
yeah I mean I think he really lives it's

560
00:28:00,650 --> 00:27:57,840
he helps make it a piece of literature

561
00:28:03,170 --> 00:28:00,660
you know cuz this character apocalypse

562
00:28:05,510 --> 00:28:03,180
who's half Native American half Greek

563
00:28:10,070 --> 00:28:05,520

who was a subject at the institute

564

00:28:13,640 --> 00:28:10,080

before John Selby was and he went just

565

00:28:17,660 --> 00:28:13,650

out of his mind and he always called it

566

00:28:21,290 --> 00:28:17,670

the loony bin we came to call it the

567

00:28:24,860 --> 00:28:21,300

Cuckoo's Nest I mean eventually Warren

568

00:28:26,270 --> 00:28:24,870

you guys in his own way sure he did you

569

00:28:29,440 --> 00:28:26,280

know that there was that book by Ken

570

00:28:32,390 --> 00:28:29,450

Kesey called One Flew Over the Cuckoo's

571

00:28:34,310 --> 00:28:32,400

amazing classic yes you know he was in

572

00:28:36,560 --> 00:28:34,320

his early 20s when he wrote that and he

573

00:28:38,330 --> 00:28:36,570

was good Ken Kesey was considered one of

574

00:28:39,290 --> 00:28:38,340

the major up-and-coming writers of

575

00:28:41,330 --> 00:28:39,300

America at that time

576
00:28:45,650 --> 00:28:41,340
then he wrote sometimes a great notion

577
00:28:48,170 --> 00:28:45,660
and boy was he persecuted for what for

578
00:28:50,300 --> 00:28:48,180
possession of marijuana right I mean he

579
00:28:53,260 --> 00:28:50,310
was arrested twice for possession of a

580
00:28:57,320 --> 00:28:53,270
joint he's facing five years in prison

581
00:29:00,050 --> 00:28:57,330
but Ken Kesey and of that time he was

582
00:29:04,340 --> 00:29:00,060
also a major proselytizer of LSD well

583
00:29:07,130 --> 00:29:04,350
LSD was legal until 1966 they didn't

584
00:29:12,140 --> 00:29:07,140
pass a law against it until then Ken

585
00:29:13,640 --> 00:29:12,150
Kesey got a 1939 school bus you probably

586
00:29:17,900 --> 00:29:13,650
know about this he painted it all in

587
00:29:20,450 --> 00:29:17,910
psychedelic colors and he with a band of

588
00:29:21,020 --> 00:29:20,460

followers hippies went around the

589

00:29:23,750 --> 00:29:21,030

country

590

00:29:25,820 --> 00:29:23,760

stopping in different cities enticing

591

00:29:27,890 --> 00:29:25,830

people to take the acid test hey would

592

00:29:30,530 --> 00:29:27,900

you like to try LSD we got a deal

593

00:29:32,270 --> 00:29:30,540

kool-aid and a hundred people at a time

594

00:29:34,280 --> 00:29:32,280

would take acid thanks to Ken Kesey so

595

00:29:37,070 --> 00:29:34,290

of course they persecuted him of course

596

00:29:38,780 --> 00:29:37,080

you know an adjoint of marijuana was

597

00:29:42,620 --> 00:29:38,790

what they could what they could bust him

598

00:29:44,000 --> 00:29:42,630

on at that time they couldn't bust we're

599

00:29:46,340 --> 00:29:44,010

going to take

600

00:29:48,050 --> 00:29:46,350

you hear fall because we're going to

601
00:29:50,600 --> 00:29:48,060
have to take a very short commercial

602
00:29:52,940 --> 00:29:50,610
break but this is a fascinating

603
00:29:54,740 --> 00:29:52,950
discussion we've got questions lining up

604
00:29:56,030 --> 00:29:54,750
in the chat room from Ralph and Thomas

605
00:29:58,700 --> 00:29:56,040
and Xena we're going to ask those

606
00:30:00,800 --> 00:29:58,710
questions on their behalf if anybody has

607
00:30:04,700 --> 00:30:00,810
a question to ask you can go to IR in

608
00:30:06,770 --> 00:30:04,710
chat dot-com ir in chat comm will ask

609
00:30:08,120 --> 00:30:06,780
your question for you with this

610
00:30:10,580 --> 00:30:08,130
fascinating discussion that we're having

611
00:30:14,060 --> 00:30:10,590
tonight with paul davids blowing

612
00:30:16,180 --> 00:30:14,070
America's mind we'll be back in a very

613
00:30:18,770 --> 00:30:16,190

Supernatural girls radio stay tuned

615

00:30:21,890 --> 00:30:21,030

welcome back everyone to supernatural

616

00:30:23,990 --> 00:30:21,900

Girls radio

617

00:30:28,160 --> 00:30:24,000

I'm your host Patricia Baker I'm here

618

00:30:30,470 --> 00:30:28,170

with my co-host PK and our guests very

619

00:30:32,750 --> 00:30:30,480

exciting guest tonight Paul Jaffe

620

00:30:38,240 --> 00:30:32,760

David's and he is the author of this

621

00:30:40,670 --> 00:30:38,250

book blowin America's minds his this is

622

00:30:44,300 --> 00:30:40,680

an amazing story it's a true story of

623

00:30:45,980 --> 00:30:44,310

Princeton CIA mind control LSD and Zen

624

00:30:50,690 --> 00:30:45,990

and he is given us the inside scoop

625

00:30:52,910 --> 00:30:50,700

tonight on all of this so I'm gonna ask

626

00:30:54,410 --> 00:30:52,920

a couple questions of you Paul from our

627

00:30:57,320 --> 00:30:54,420

chat room and this is from Zena who's

628

00:31:01,810 --> 00:30:57,330

asking did any of these kids families

629

00:31:05,450 --> 00:31:01,820

not ask the school what was going on

630

00:31:09,440 --> 00:31:05,460

well that's that's a good one

631

00:31:12,920 --> 00:31:09,450

you know I can't speak of many instances

632

00:31:16,130 --> 00:31:12,930

but in the book Jon Selby certainly

633

00:31:21,260 --> 00:31:16,140

deals with his problems with his own

634

00:31:23,690 --> 00:31:21,270

family I mean they they were enraged by

635

00:31:25,730 --> 00:31:23,700

his involvement in this and they

636

00:31:27,470 --> 00:31:25,740

actually cut him off I mean it got to

637

00:31:33,500 --> 00:31:27,480

the point where he couldn't go home for

638

00:31:36,280 --> 00:31:33,510

Christmas but I don't know that the

639

00:31:39,830 --> 00:31:36,290

parents you know my parents never

640

00:31:43,270 --> 00:31:39,840

interfered they never you know they

641

00:31:45,320 --> 00:31:43,280

never tried to stop it they would not

642

00:31:46,640 --> 00:31:45,330

the people who would have picked up a

643

00:31:51,080 --> 00:31:46,650

phone and said you know what are you

644

00:31:55,490 --> 00:31:51,090

doing to my son and you know the changes

645

00:32:00,950 --> 00:31:58,940

so that's that's the best I can do with

646

00:32:03,470 --> 00:32:00,960

that question I think yeah and I think

647

00:32:06,379 --> 00:32:03,480

too back then people had a much larger

648

00:32:12,139 --> 00:32:06,389

sense of trust with institutions

649

00:32:14,450 --> 00:32:12,149

government bla bla bla so yeah I mean

650

00:32:16,220 --> 00:32:14,460

your parents generation not you but your

651
00:32:18,529 --> 00:32:16,230
parents generation they wouldn't have

652
00:32:21,649 --> 00:32:18,539
questioned you know Princeton what's

653
00:32:24,350 --> 00:32:21,659
Princeton doing in this or the New

654
00:32:26,299 --> 00:32:24,360
Jersey neuropsychiatric Institute is you

655
00:32:28,669 --> 00:32:26,309
know it's considered to be a it doesn't

656
00:32:32,060 --> 00:32:28,679
exist anymore but it was considered to

657
00:32:33,289 --> 00:32:32,070
be a reputable institution it was a also

658
00:32:35,299 --> 00:32:33,299
a mental hospital

659
00:32:38,749 --> 00:32:35,309
there were full-time schizophrenic

660
00:32:42,139 --> 00:32:38,759
patients there in other buildings you

661
00:32:44,480 --> 00:32:42,149
know we had this three-story brick

662
00:32:46,669 --> 00:32:44,490
edifice that was the bureau of research

663
00:32:49,180 --> 00:32:46,679

that we went to but when we drove down

664

00:32:51,889 --> 00:32:49,190

the long road from the entrance gate

665

00:32:54,560 --> 00:32:51,899

along a lake to get there

666

00:32:58,119 --> 00:32:54,570

we passed buildings that had you know

667

00:33:02,690 --> 00:32:58,129

patients who were there permanently

668

00:33:06,590 --> 00:33:02,700

eventually they after MKULTRA was

669

00:33:08,419 --> 00:33:06,600

exposed and the names of these doctors

670

00:33:13,159 --> 00:33:08,429

and their connection to the program

671

00:33:17,360 --> 00:33:13,169

became public they closed down the

672

00:33:19,129 --> 00:33:17,370

Bureau of research interesting fate of

673

00:33:21,740 --> 00:33:19,139

what happened to the doctors involved at

674

00:33:24,320 --> 00:33:21,750

that point who sort of scattered to the

675

00:33:28,279 --> 00:33:24,330

winds in different directions

676

00:33:30,980 --> 00:33:28,289

and they changed the name of the new

677

00:33:34,070 --> 00:33:30,990

jersey neuropsychiatric Institute it

678

00:33:37,730 --> 00:33:34,080

became a new institution called the New

679

00:33:39,289 --> 00:33:37,740

Jersey Developmental Center now does

680

00:33:45,230 --> 00:33:39,299

that sound like a psychiatric hospital

681

00:33:47,330 --> 00:33:45,240

to you no no but it still was and it

682

00:33:49,369 --> 00:33:47,340

enabled them to retire all the files

683

00:33:51,590 --> 00:33:49,379

from before because now it's a different

684

00:34:00,710 --> 00:33:51,600

institution they're clean

685

00:34:03,049 --> 00:34:00,720

okay one more person I'm gonna ask the

686

00:34:05,930 --> 00:34:03,059

floor we have we're gonna go into why

687

00:34:07,909 --> 00:34:05,940

you did this now why you and John

688

00:34:08,630 --> 00:34:07,919

decided to release this book now but

689

00:34:10,550 --> 00:34:08,640

first

690

00:34:12,890 --> 00:34:10,560

Thomas has a good question he's saying

691

00:34:19,280 --> 00:34:12,900

where you guys are ready experimenting

692

00:34:20,210 --> 00:34:19,290

with drugs prior to this no neither of

693

00:34:22,880 --> 00:34:20,220

us

694

00:34:28,370 --> 00:34:22,890

John Selby had his first experience

695

00:34:32,450 --> 00:34:28,380

being turned on with LSD by dr. Humphrey

696

00:34:34,730 --> 00:34:32,460

Osmond and the he doesn't describe that

697

00:34:36,650 --> 00:34:34,740

experience in the book but if you go to

698

00:34:40,250 --> 00:34:36,660

our website for the book which is

699

00:34:42,560 --> 00:34:40,260

blowing America's mind calm there's

700

00:34:44,690 --> 00:34:42,570

blogs there that John Selby and I have

701

00:34:46,430 --> 00:34:44,700

written and one of them John Selby

702

00:34:49,700 --> 00:34:46,440

describes that whole first experience

703

00:34:53,240 --> 00:34:49,710

with Aldous Huxley now let me just say

704

00:34:54,860 --> 00:34:53,250

and as for myself absolutely not no no

705

00:34:57,950 --> 00:34:54,870

experience when you read the book you'll

706

00:34:59,510 --> 00:34:57,960

see my first experiences when pok you

707

00:35:01,610 --> 00:34:59,520

know turns me on with grass for the

708

00:35:04,360 --> 00:35:01,620

first time and it's I think that's a

709

00:35:07,760 --> 00:35:04,370

pretty funny funny chapter really but

710

00:35:10,550 --> 00:35:07,770

but you know we felt we were in such

711

00:35:14,720 --> 00:35:10,560

good hands with dr. Osmond partially

712

00:35:19,120 --> 00:35:14,730

because we know we learned that he was a

713

00:35:22,910 --> 00:35:19,130

friend of the great writer Aldous Huxley

714

00:35:26,050 --> 00:35:22,920

who wrote brave new world and he turned

715

00:35:28,520 --> 00:35:26,060

on Aldous Huxley with mescaline and

716

00:35:31,520 --> 00:35:28,530

Aldous Huxley wrote about that

717

00:35:34,730 --> 00:35:31,530

experience and became a book called the

718

00:35:39,290 --> 00:35:34,740

doors of perception and that became a

719

00:35:41,300 --> 00:35:39,300

very famous important book maybe the

720

00:35:44,920 --> 00:35:41,310

best description of a psychedelic

721

00:35:48,560 --> 00:35:44,930

experience that we have as literature

722

00:35:50,840 --> 00:35:48,570

and you know Jim Morrison and the doors

723

00:35:53,060 --> 00:35:50,850

well they took their name from that book

724

00:35:55,340 --> 00:35:53,070

the doors of perception so at that

725

00:35:57,680 --> 00:35:55,350

period of history who wouldn't have

726

00:36:02,780 --> 00:35:57,690

wanted to experience this remarkable

727

00:36:04,550 --> 00:36:02,790

drug in the hands of free osmond yeah

728

00:36:06,440 --> 00:36:04,560

well that was part of the motivation of

729

00:36:08,330 --> 00:36:06,450

getting involved in the Institute

730

00:36:11,120 --> 00:36:08,340

because we were curious about these

731

00:36:13,400 --> 00:36:11,130

things very little was known about it

732

00:36:15,110 --> 00:36:13,410

then I mean the Beatles were beginning

733

00:36:17,960 --> 00:36:15,120

to promote it Lucy in the Sky with

734

00:36:20,810 --> 00:36:17,970

Diamonds and you know they had been to

735

00:36:22,130 --> 00:36:20,820

the Orient and they talked about how the

736

00:36:26,569 --> 00:36:22,140

psychedelic experience

737

00:36:30,890 --> 00:36:26,579

was like sort of chemical route to

738

00:36:34,190 --> 00:36:30,900

Nirvana so a lot of people were being

739

00:36:35,750 --> 00:36:34,200

enticed by this kind of talk and you

740

00:36:37,279 --> 00:36:35,760

know like with Ken Kesey that I was

741

00:36:41,299 --> 00:36:37,289

talking about before he turned on a lot

742

00:36:43,339 --> 00:36:41,309

of people just on the street but for for

743

00:36:45,859 --> 00:36:43,349

us we were trying to do it in a sensible

744

00:36:50,809 --> 00:36:45,869

way all right and that was going to the

745

00:36:53,539 --> 00:36:50,819

inside funded by the CIA and they had

746

00:36:58,789 --> 00:36:53,549

some nefarious purposes in mind in their

747

00:37:02,269 --> 00:36:58,799

in their research very nefarious and and

748

00:37:04,220 --> 00:37:02,279

again let's let's go to that that

749

00:37:05,450 --> 00:37:04,230

question we were discussing off the air

750

00:37:08,230 --> 00:37:05,460

because as you mentioned this is very

751
00:37:11,299 --> 00:37:08,240
important this happened a long time ago

752
00:37:14,750 --> 00:37:11,309
why did you and John decide to release

753
00:37:18,710 --> 00:37:14,760
this material now all right we began

754
00:37:21,730 --> 00:37:18,720
writing the book a couple years after

755
00:37:27,289 --> 00:37:21,740
this happened so we were still in our

756
00:37:30,079 --> 00:37:27,299
early to mid 20s mid 20s let's say and

757
00:37:31,640 --> 00:37:30,089
it was still fresh on our minds you know

758
00:37:33,829 --> 00:37:31,650
everything that we could actually

759
00:37:35,680 --> 00:37:33,839
remember I mean John and I had to help

760
00:37:40,730 --> 00:37:35,690
each other break through some of the

761
00:37:42,019 --> 00:37:40,740
hypnotic blocking to bring it all to the

762
00:37:44,380 --> 00:37:42,029
surface for both of us

763
00:37:47,690 --> 00:37:44,390

but we began writing this in the early

764

00:37:50,450 --> 00:37:47,700

1970s again before anything was known

765

00:37:53,450 --> 00:37:50,460

about MKULTRA but we did succeed in

766

00:37:55,370 --> 00:37:53,460

getting down our experiences and the

767

00:37:57,319 --> 00:37:55,380

people that we know and the interactions

768

00:38:00,049 --> 00:37:57,329

and the dialogue while it was still

769

00:38:02,299 --> 00:38:00,059

relatively fresh so we could be accurate

770

00:38:04,880 --> 00:38:02,309

about what would happen but we could not

771

00:38:06,589 --> 00:38:04,890

get the full picture we didn't have the

772

00:38:09,349 --> 00:38:06,599

full picture at that point we weren't

773

00:38:12,859 --> 00:38:09,359

mature enough then and we had no idea

774

00:38:14,509 --> 00:38:12,869

about the military involvement in it so

775

00:38:18,559 --> 00:38:14,519

there came a point where we put the book

776

00:38:21,319 --> 00:38:18,569

down and we it went into a drawer to

777

00:38:23,539 --> 00:38:21,329

gather dust as an unfinished manuscript

778

00:38:29,120 --> 00:38:23,549

I do I don't want to mention at this

779

00:38:31,700 --> 00:38:29,130

point too that when John Selby left the

780

00:38:33,720 --> 00:38:31,710

Institute under very unfriendly terms

781

00:38:37,930 --> 00:38:33,730

which is in here

782

00:38:40,750 --> 00:38:37,940

he and his girlfriend just picked up and

783

00:38:42,640 --> 00:38:40,760

left Princeton he was being tailed by

784

00:38:44,890 --> 00:38:42,650

some spooks at that point - they were

785

00:38:47,110 --> 00:38:44,900

making themselves obvious what they

786

00:38:50,280 --> 00:38:47,120

objected to was that John Selby had

787

00:38:54,010 --> 00:38:50,290

released information to the press about

788

00:38:55,840 --> 00:38:54,020

this that he wasn't supposed to and

789

00:38:58,990 --> 00:38:55,850

about the use of psychedelic drugs at

790

00:39:00,790 --> 00:38:59,000

Princeton and the President of Princeton

791

00:39:05,440 --> 00:39:00,800

University became quite annoyed about

792

00:39:07,060 --> 00:39:05,450

that that was Robert don't we have quite

793

00:39:09,880 --> 00:39:07,070

a great chapter isn't that really

794

00:39:11,620 --> 00:39:09,890

special it really is a great chapter

795

00:39:14,500 --> 00:39:11,630

when you talk about this because and

796

00:39:17,140 --> 00:39:14,510

here's my question about John and why he

797

00:39:20,110 --> 00:39:17,150

divulged this information because I mean

798

00:39:22,300 --> 00:39:20,120

it seems like he must have known on some

799

00:39:24,520 --> 00:39:22,310

level that what he was talking about was

800

00:39:26,890 --> 00:39:24,530

going to create a very negative response

801
00:39:29,740 --> 00:39:26,900
from the people he was involved with did

802
00:39:31,960 --> 00:39:29,750
he not know that or he did the LSD break

803
00:39:33,400 --> 00:39:31,970
down his barriers oh he didn't yeah yes

804
00:39:35,800 --> 00:39:33,410
he didn't care I mean it was like what

805
00:39:38,470 --> 00:39:35,810
Timothy Leary did he was a Harvard

806
00:39:42,580 --> 00:39:38,480
professor by the way one of my film

807
00:39:44,830 --> 00:39:42,590
projects I've made 10 and one of them is

808
00:39:48,370 --> 00:39:44,840
the film Timothy Leary's dead the

809
00:39:51,430 --> 00:39:48,380
biography of LSD guru from Harvard the

810
00:39:54,040 --> 00:39:51,440
professor Timothy Leary maybe the

811
00:39:56,200 --> 00:39:54,050
younger generation doesn't as familiar

812
00:39:58,090 --> 00:39:56,210
with him as well we were but he was like

813
00:40:02,500 --> 00:39:58,100

a national leader of the hippies in

814

00:40:05,800 --> 00:40:02,510

those days so he didn't care either what

815

00:40:07,300 --> 00:40:05,810

he said you know people you know they

816

00:40:10,060 --> 00:40:07,310

did that well there's a chapter in the

817

00:40:13,300 --> 00:40:10,070

book of John so be with the President of

818

00:40:17,170 --> 00:40:13,310

Princeton talking about LSD and the

819

00:40:20,730 --> 00:40:17,180

information that John has divulged to

820

00:40:24,730 --> 00:40:20,740

the media about drug use on campus and

821

00:40:26,590 --> 00:40:24,740

Robert going questioning him really

822

00:40:30,160 --> 00:40:26,600

trying to understand you know why this

823

00:40:32,920 --> 00:40:30,170

was happening and get at the Kenneth's

824

00:40:34,600 --> 00:40:32,930

the answer for himself as to why would

825

00:40:36,880 --> 00:40:34,610

this young man

826

00:40:40,960 --> 00:40:36,890

who was given the privilege of coming to

827

00:40:43,060 --> 00:40:40,970

Princeton from a dubious background as

828

00:40:46,570 --> 00:40:43,070

far as becoming an Ivy League student

829

00:40:51,510 --> 00:40:46,580

you know from the cattle ranch why would

830

00:40:55,830 --> 00:40:51,520

he sort of turn against tradition and

831

00:40:59,370 --> 00:40:55,840

attempt to immerse himself in these

832

00:41:02,410 --> 00:40:59,380

drugs that changed his sense of reality

833

00:41:05,230 --> 00:41:02,420

and these experiments that changes sense

834

00:41:07,120 --> 00:41:05,240

of reality yeah and the president of the

835

00:41:09,520 --> 00:41:07,130

university kept saying well it sounds

836

00:41:12,370 --> 00:41:09,530

like you want to escape reality that

837

00:41:14,710 --> 00:41:12,380

yeah you know that here I I loved the

838

00:41:17,290 --> 00:41:14,720

reality we have here kind of intimating

839

00:41:20,560 --> 00:41:17,300

what's wrong with you John yeah and John

840

00:41:22,390 --> 00:41:20,570

said back to him you you you don't know

841

00:41:25,960 --> 00:41:22,400

what reality is you won't know what

842

00:41:28,480 --> 00:41:25,970

reality is until this chemical lsd-25

843

00:41:31,870 --> 00:41:28,490

acts upon the diencephalon in your brain

844

00:41:34,300 --> 00:41:31,880

which is the filter the diencephalon is

845

00:41:36,640 --> 00:41:34,310

what limits the amount of stimulus and

846

00:41:41,170 --> 00:41:36,650

information that comes into our brain so

847

00:41:45,220 --> 00:41:41,180

we can handle the barrage of wavelengths

848

00:41:47,290 --> 00:41:45,230

of everything that's out there if you

849

00:41:49,600 --> 00:41:47,300

don't have that filter you can't

850

00:41:51,940 --> 00:41:49,610

function you're overwhelmed well LSD

851
00:41:54,460 --> 00:41:51,950
takes down the filter and you see the

852
00:42:00,550 --> 00:41:54,470
world in a new way you see much more

853
00:42:04,720 --> 00:42:00,560
detail you see things in in in minut

854
00:42:08,680 --> 00:42:04,730
detail and you have a flood of not just

855
00:42:11,110 --> 00:42:08,690
sensations but a flood of ideation of

856
00:42:15,700 --> 00:42:11,120
thoughts that courses through your brain

857
00:42:17,970 --> 00:42:15,710
at an incredibly rapid speed so it slows

858
00:42:21,040 --> 00:42:17,980
time down I mean normally you might feel

859
00:42:22,480 --> 00:42:21,050
you might the course of five minutes you

860
00:42:24,820 --> 00:42:22,490
might you might be thinking about maybe

861
00:42:28,930 --> 00:42:24,830
five different things you know you spend

862
00:42:30,640 --> 00:42:28,940
a minute worrying about meeting you have

863
00:42:33,190 --> 00:42:30,650

to attend a minute worrying about your

864

00:42:35,620 --> 00:42:33,200

finances you know a minute right

865

00:42:38,350 --> 00:42:35,630

thinking about a person who had an

866

00:42:40,660 --> 00:42:38,360

accident but under the influence of the

867

00:42:42,970 --> 00:42:40,670

psychedelic drugs you know imagine

868

00:42:44,230 --> 00:42:42,980

having a hundred thoughts in the same

869

00:42:47,830 --> 00:42:44,240

amount of time that normally you would

870

00:42:49,690 --> 00:42:47,840

have one so it's even download yeah

871

00:42:53,230 --> 00:42:49,700

yeah it makes it seem like time stands

872

00:42:55,360 --> 00:42:53,240

still so we have this chapter in the

873

00:42:56,830 --> 00:42:55,370

book of John Selby explaining all this

874

00:42:58,320 --> 00:42:56,840

to the president of the University I

875

00:43:03,370 --> 00:42:58,330

mean this really happened

876

00:43:10,930 --> 00:43:03,380

oh you years ago yes why did you wait so

877

00:43:12,460 --> 00:43:10,940

long to release the book everybody well

878

00:43:17,490 --> 00:43:12,470

dad they're out there we used all the

879

00:43:20,110 --> 00:43:17,500

real names so they're all dead

880

00:43:23,260 --> 00:43:20,120

and also we felt for many years we

881

00:43:24,370 --> 00:43:23,270

didn't dare you know we just didn't dare

882

00:43:26,170 --> 00:43:24,380

we didn't know what the reaction would

883

00:43:29,500 --> 00:43:26,180

be of Princeton to our release of this

884

00:43:31,180 --> 00:43:29,510

book or the CIA you know this is ancient

885

00:43:32,890 --> 00:43:31,190

history for the CIA they've got more

886

00:43:34,510 --> 00:43:32,900

important problems and what's going on

887

00:43:38,590 --> 00:43:34,520

you know today this happened a long time

888

00:43:40,240 --> 00:43:38,600

ago but maybe maybe some of this stuff

889

00:43:42,160 --> 00:43:40,250

is still going on we would have no way

890

00:43:44,890 --> 00:43:42,170

to know it's always been the top secret

891

00:43:46,180 --> 00:43:44,900

right we don't we don't know we don't

892

00:43:50,020 --> 00:43:46,190

know what kind of experiments they might

893

00:43:55,090 --> 00:43:50,030

be doing today we won't hear of it but

894

00:43:56,440 --> 00:43:55,100

you know it is very interesting just

895

00:43:59,230 --> 00:43:56,450

want to say regarding the President of

896

00:44:02,110 --> 00:43:59,240

Princeton it's really interesting to me

897

00:44:04,630 --> 00:44:02,120

that when he finished his tenure as

898

00:44:08,230 --> 00:44:04,640

president of Princeton President Richard

899

00:44:11,380 --> 00:44:08,240

Nixon appointed him as the United States

900

00:44:14,680 --> 00:44:11,390

ambassador to India a nuclear-armed

901
00:44:16,810 --> 00:44:14,690
country so wouldn't you think this would

902
00:44:20,640 --> 00:44:16,820
indicate that President Killeen had some

903
00:44:25,720 --> 00:44:23,280
okay but you know how they

904
00:44:27,520 --> 00:44:25,730
compartmentalize things you know in all

905
00:44:28,750 --> 00:44:27,530
of these agencies so sometimes the left

906
00:44:31,270 --> 00:44:28,760
hand doesn't know what the right hand is

907
00:44:34,570 --> 00:44:31,280
doing and that's a way they keep things

908
00:44:36,970 --> 00:44:34,580
very secret so but my god I mean we got

909
00:44:39,250 --> 00:44:36,980
to thank you for you and John for having

910
00:44:41,740 --> 00:44:39,260
the guts to bring us forward a minute

911
00:44:44,950 --> 00:44:41,750
you made yourselves very vulnerable in a

912
00:44:47,050 --> 00:44:44,960
lot of ways oh yeah it was a risk it was

913
00:44:50,050 --> 00:44:47,060

a risk you know the the best movie I

914

00:44:51,910 --> 00:44:50,060

ever saw in in my opinion about the

915

00:44:53,020 --> 00:44:51,920

craziness of the CIA and the left hand

916

00:44:55,870 --> 00:44:53,030

not knowing what the right hand is doing

917

00:44:59,080 --> 00:44:55,880

was made by the Coen brothers and it's

918

00:45:01,509 --> 00:44:59,090

called Burn After Reading you ever seen

919

00:45:05,409 --> 00:45:01,519

that movie no no

920

00:45:07,149 --> 00:45:05,419

see it burn after eating yeah first read

921

00:45:11,799 --> 00:45:07,159

blowing America's mind everybody in

922

00:45:14,109 --> 00:45:11,809

that's go see right we're gonna be so

923

00:45:15,609 --> 00:45:14,119

informed as to at least again what

924

00:45:17,889 --> 00:45:15,619

you've brought forward because it's your

925

00:45:19,929 --> 00:45:17,899

experience you guys uncovered these

926
00:45:22,359 --> 00:45:19,939
hidden files you knew what was going on

927
00:45:24,039 --> 00:45:22,369
by the end of all this you had a clue

928
00:45:27,339 --> 00:45:24,049
that you didn't have when you first

929
00:45:29,439 --> 00:45:27,349
started well by the end of our tenure at

930
00:45:31,599 --> 00:45:29,449
the Institute we had a clue

931
00:45:36,279 --> 00:45:31,609
certainly and spooks were beginning to

932
00:45:39,219 --> 00:45:36,289
gather round our our lives when we left

933
00:45:41,049 --> 00:45:39,229
this and I graduated Princeton and John

934
00:45:43,179 --> 00:45:41,059
went from Princeton to the West Coast

935
00:45:45,999 --> 00:45:43,189
and he actually entered a seminary you

936
00:45:47,319 --> 00:45:46,009
know he wanted the draft deferment I

937
00:45:51,279 --> 00:45:47,329
said there are only two ways you can get

938
00:45:55,120 --> 00:45:51,289

it she'll be studying to be a minister

939

00:45:57,489 --> 00:45:55,130

you know one of the many books he's

940

00:46:04,149 --> 00:45:57,499

written is called Jesus for the rest of

941

00:46:12,219 --> 00:46:04,159

us what if you're not a devout believer

942

00:46:14,709 --> 00:46:12,229

right the message that I love it

943

00:46:16,659 --> 00:46:14,719

how creative but we went off in two

944

00:46:18,879 --> 00:46:16,669

different directions but when he left

945

00:46:21,189 --> 00:46:18,889

the Institute and I was still part of it

946

00:46:25,599 --> 00:46:21,199

I was still supporting the research

947

00:46:29,379 --> 00:46:25,609

still happy to be connected with dr.

948

00:46:31,120 --> 00:46:29,389

Osmond and dr. Bernard Aronson Bernie

949

00:46:33,989 --> 00:46:31,130

we call them Bernie Aronson was the head

950

00:46:38,199 --> 00:46:33,999

hypnotist psychologist mm-hmm a

951
00:46:40,779 --> 00:46:38,209
Princeton psychologist oh wow is he a

952
00:46:44,099 --> 00:46:40,789
complex personality and I think we paint

953
00:46:47,349 --> 00:46:44,109
quite a portrait of him don't we Bernie

954
00:46:50,409 --> 00:46:47,359
the problem was that Bernie master

955
00:46:53,889 --> 00:46:50,419
hypnotist hypnotizing a lot of boys well

956
00:46:54,999 --> 00:46:53,899
he liked boys sake so there was that

957
00:46:58,059 --> 00:46:55,009
aspect of it too

958
00:47:00,609 --> 00:46:58,069
yeah that's another scary thing he

959
00:47:04,359 --> 00:47:00,619
couldn't be trusted and I learned that

960
00:47:06,969 --> 00:47:04,369
at toward the end and John Selby learned

961
00:47:09,429 --> 00:47:06,979
it along the way too

962
00:47:12,159 --> 00:47:09,439
but they the Institute warned me not to

963
00:47:13,179 --> 00:47:12,169

talk to him after he departed that he

964

00:47:15,670 --> 00:47:13,189

had betrayed them

965

00:47:18,279 --> 00:47:15,680

betrayed the research

966

00:47:21,640 --> 00:47:18,289

is telling lies about them anything they

967

00:47:23,799 --> 00:47:21,650

could throw out there to say cut off

968

00:47:26,650 --> 00:47:23,809

contact with him if you want to stay

969

00:47:29,349 --> 00:47:26,660

part of the research and so I did I did

970

00:47:33,640 --> 00:47:29,359

not talk to him for it was a couple of

971

00:47:36,430 --> 00:47:33,650

years I graduated and I was one of the

972

00:47:38,140 --> 00:47:36,440

first people accepted to be I was a

973

00:47:40,029 --> 00:47:38,150

fellowship student at the American Film

974

00:47:42,670 --> 00:47:40,039

Institute the Center for advanced film

975

00:47:47,620 --> 00:47:42,680

studies in Los Angeles you know that was

976

00:47:50,890 --> 00:47:47,630

sort of the the underpinning of my

977

00:47:53,890 --> 00:47:50,900

future career the fact that I became one

978

00:47:57,220 --> 00:47:53,900

of those fellows at the AFI that joined

979

00:48:00,880 --> 00:47:57,230

an honor it was and can't be on the

980

00:48:03,759 --> 00:48:00,890

other hand well he was the seminary

981

00:48:06,400 --> 00:48:03,769

student now I finished at the AFI and

982

00:48:09,519 --> 00:48:06,410

wanted to make my first feature film I

983

00:48:11,620 --> 00:48:09,529

made a student film there and I wanted

984

00:48:14,079 --> 00:48:11,630

this story blowing America's mind to be

985

00:48:15,789 --> 00:48:14,089

my first real project you know to get

986

00:48:18,579 --> 00:48:15,799

out there and get known at that time

987

00:48:23,890 --> 00:48:18,589

yeah I was in my mid-20s I had recently

988

00:48:29,170 --> 00:48:23,900

gotten married and I'm still married by

989

00:48:35,400 --> 00:48:29,180

the way after all these years we

990

00:48:40,299 --> 00:48:37,450

congratulations to both of you that's

991

00:48:43,269 --> 00:48:40,309

really terrific thank you about a week

992

00:48:47,019 --> 00:48:43,279

ago so but I wanted this to be my first

993

00:48:47,859 --> 00:48:47,029

movie so I wanted to write it with John

994

00:48:50,620 --> 00:48:47,869

Selby

995

00:48:54,730 --> 00:48:50,630

so I had to find him and that was hard

996

00:48:57,069 --> 00:48:54,740

and he was in Northern California I

997

00:49:02,410 --> 00:48:57,079

think he was in San Raphael at that

998

00:49:04,120 --> 00:49:02,420

point San Rafael and it was awkward when

999

00:49:05,920 --> 00:49:04,130

I got him on the phone and we hadn't

1000

00:49:07,779 --> 00:49:05,930

talked in a couple of years and you know

1001

00:49:10,120 --> 00:49:07,789

the Institute to turn him into the

1002

00:49:13,630 --> 00:49:10,130

boogey man and so there was a sort of

1003

00:49:15,910 --> 00:49:13,640

ice between us at the beginning I had to

1004

00:49:18,759 --> 00:49:15,920

break to tell him look I left the

1005

00:49:21,670 --> 00:49:18,769

Institute too I came to understand all

1006

00:49:24,249 --> 00:49:21,680

those warnings you gave me I think we

1007

00:49:27,670 --> 00:49:24,259

should do it as a book he said come on

1008

00:49:29,559 --> 00:49:27,680

up here and let's talk about it so we

1009

00:49:32,170 --> 00:49:29,569

quickly decided to start working on it

1010

00:49:33,880 --> 00:49:32,180

and then he came down to Los Angeles you

1011

00:49:40,839 --> 00:49:33,890

know he sat in on some of the seminars

1012

00:49:43,690 --> 00:49:40,849

at the AFI and we we worked on this

1013

00:49:45,789 --> 00:49:43,700

actively for well over a year back then

1014

00:49:52,779 --> 00:49:45,799

a year and a half maybe but we just

1015

00:49:55,900 --> 00:49:52,789

couldn't finish it now in 1977 that is

1016

00:49:59,019 --> 00:49:55,910

when MKULTRA the mind-control

1017

00:50:00,579 --> 00:49:59,029

experiments were exposed and we learned

1018

00:50:02,349 --> 00:50:00,589

about it for the first time they were

1019

00:50:05,499 --> 00:50:02,359

newspaper headlines across the whole

1020

00:50:07,089 --> 00:50:05,509

country every newspaper we've got a lot

1021

00:50:12,089 --> 00:50:07,099

of those headlines in the in the book

1022

00:50:14,799 --> 00:50:12,099

did you find that helpful Patricia yes

1023

00:50:17,259 --> 00:50:14,809

really like seeing that I mean it gave a

1024

00:50:19,390 --> 00:50:17,269

whole other sense of reality and a lot

1025

00:50:24,569 --> 00:50:19,400

of them are from the New York Times yes

1026
00:50:26,740 --> 00:50:24,579
New York Times we're talking major

1027
00:50:28,359 --> 00:50:26,750
influential media was covering us yeah

1028
00:50:30,490 --> 00:50:28,369
we have the headline of the New York

1029
00:50:31,870 --> 00:50:30,500
Times of the CIA telling Columbia

1030
00:50:37,660 --> 00:50:31,880
University and Princeton

1031
00:50:40,779 --> 00:50:37,670
of the secret behavioral research so and

1032
00:50:45,630 --> 00:50:40,789
then the Los Angeles Times wrote an

1033
00:50:48,999 --> 00:50:45,640
editorial the headline was the CIA :

1034
00:50:51,130 --> 00:50:49,009
blowin America's mind and they talked

1035
00:50:52,799 --> 00:50:51,140
about how the danger confronting the

1036
00:50:56,920 --> 00:50:52,809
American people was how do you get the

1037
00:50:58,930 --> 00:50:56,930
CIA to cease and desist on doing things

1038
00:51:03,309 --> 00:50:58,940

that undermine the very freedoms that

1039

00:51:05,589 --> 00:51:03,319

they were formed to protect so we we

1040

00:51:07,720 --> 00:51:05,599

like that expression blowing America's

1041

00:51:10,029 --> 00:51:07,730

mind and it eventually became the title

1042

00:51:11,170 --> 00:51:10,039

of our book we had like 20 other titles

1043

00:51:17,049 --> 00:51:11,180

along the way we couldn't quite decide

1044

00:51:19,450 --> 00:51:17,059

but that was perfect and then we tried

1045

00:51:21,130 --> 00:51:19,460

to finish the book in 1977 when these

1046

00:51:23,200 --> 00:51:21,140

headlines came out we worked on it

1047

00:51:26,769 --> 00:51:23,210

probably for another year now we

1048

00:51:29,620 --> 00:51:26,779

couldn't quite get it so we tried a

1049

00:51:32,950 --> 00:51:29,630

couple more times through the years but

1050

00:51:35,410 --> 00:51:32,960

this was gathering dust in a drawer John

1051
00:51:37,509 --> 00:51:35,420
Selby was traveling the world he was

1052
00:51:40,440 --> 00:51:37,519
becoming a well-known writer and a

1053
00:51:45,020 --> 00:51:40,450
popular writer mainly of popular

1054
00:51:49,200 --> 00:51:45,030
psychology popular philosophy and

1055
00:51:53,120 --> 00:51:49,210
adventure stories so he wrote a lot of

1056
00:51:58,319 --> 00:51:53,130
books he went to he was in West Germany

1057
00:52:00,240 --> 00:51:58,329
he married a lady from Germany before

1058
00:52:05,130 --> 00:52:00,250
that he was in Mexico is in South

1059
00:52:09,270 --> 00:52:05,140
America in wild parts he was in South

1060
00:52:11,700 --> 00:52:09,280
Africa and then he was in Hawaii and the

1061
00:52:16,380 --> 00:52:11,710
island of Kauai II for it must have been

1062
00:52:18,630 --> 00:52:16,390
maybe 15-20 years he lived you know in

1063
00:52:22,109 --> 00:52:18,640

Kauai in the wilds you know I mean he

1064

00:52:25,800 --> 00:52:22,119

just pushed society away he wrote his

1065

00:52:27,630 --> 00:52:25,810

books became popular you know very good

1066

00:52:30,270 --> 00:52:27,640

right I mean that's the one heartening

1067

00:52:33,870 --> 00:52:30,280

element I think both PK and I are happy

1068

00:52:36,060 --> 00:52:33,880

to see you're both so successful when

1069

00:52:38,849 --> 00:52:36,070

you as a Hollywood producer and writer

1070

00:52:41,849 --> 00:52:38,859

and John as a popular writer I mean

1071

00:52:44,250 --> 00:52:41,859

thank goodness it turned out well for

1072

00:52:46,170 --> 00:52:44,260

the two of you that way because I mean

1073

00:52:48,059 --> 00:52:46,180

it could have gone so bad and so fast

1074

00:52:50,510 --> 00:52:48,069

but yes thank goodness it and you have

1075

00:52:52,890 --> 00:52:50,520

both must have guardian angels that

1076
00:52:54,420 --> 00:52:52,900
helped you on your path because it was

1077
00:52:57,059 --> 00:52:54,430
fraught with all kinds of potential

1078
00:52:58,740 --> 00:52:57,069
disaster these people didn't have your

1079
00:53:01,740 --> 00:52:58,750
best interests at heart far from it

1080
00:53:03,240 --> 00:53:01,750
quite the opposite Beauty pigs they

1081
00:53:05,640 --> 00:53:03,250
didn't care about what happened to you

1082
00:53:07,050 --> 00:53:05,650
they just wanted their research and your

1083
00:53:09,420 --> 00:53:07,060
expense they really didn't care now

1084
00:53:11,099 --> 00:53:09,430
here's a question hurt and I'm gonna

1085
00:53:12,089 --> 00:53:11,109
have to ask you this question it's a

1086
00:53:15,990 --> 00:53:12,099
great one

1087
00:53:17,579 --> 00:53:16,000
after to our next break but it's there's

1088
00:53:18,809 --> 00:53:17,589

a lot of great questions in our chat

1089

00:53:21,540 --> 00:53:18,819

room because we have the smartest

1090

00:53:24,120 --> 00:53:21,550

audience and radio I must say so anyways

1091

00:53:25,920 --> 00:53:24,130

continue this conversation with our

1094

00:53:33,470 --> 00:53:30,190

fabulous guest Paul Davis who has

1095

00:53:36,510 --> 00:53:33,480

written a book glowing America's my and

1096

00:53:38,670 --> 00:53:36,520

listen to supernatural girls a radio you

1097

00:53:40,920 --> 00:53:38,680

will we will be right back and hopefully

1098

00:53:42,960 --> 00:53:40,930

with you welcome back everyone to

1099

00:53:45,630 --> 00:53:42,970

supernatural girls radio I'm your host

1100

00:53:49,050 --> 00:53:45,640

Patricia Baker here with my co-host PK

1101
00:53:51,329 --> 00:53:49,060
and our guest a very exciting one

1102
00:53:53,490 --> 00:53:51,339
tonight's Hall Jeffrey David the author

1103
00:53:58,140 --> 00:53:53,500
of blowing a mare

1104
00:54:03,030 --> 00:53:58,150
mind Fabio see it if you're watching us

1105
00:54:04,800 --> 00:54:03,040
an excellent book it is mind doesn't it

1106
00:54:07,380 --> 00:54:04,810
does blow your mind but it's also hard

1107
00:54:10,200 --> 00:54:07,390
for me because of the relationships that

1108
00:54:13,290 --> 00:54:10,210
you learn about as these guys are going

1109
00:54:15,660 --> 00:54:13,300
through this very dangerous potentially

1110
00:54:18,180 --> 00:54:15,670
very dangerous journey with the CIA

1111
00:54:21,570 --> 00:54:18,190
behind it which they did not know at the

1112
00:54:24,350 --> 00:54:21,580
time so here a couple questions in the

1113
00:54:27,210 --> 00:54:24,360

chat room for you Paul

1114

00:54:29,070 --> 00:54:27,220

Ralph wants to know what reason did the

1115

00:54:33,840 --> 00:54:29,080

government ever give to conduct these

1116

00:54:37,950 --> 00:54:33,850

experiments in secrecy well good

1117

00:54:43,650 --> 00:54:37,960

question when all of when the files came

1118

00:54:45,650 --> 00:54:43,660

out in 1977 the head of the CIA then

1119

00:54:48,360 --> 00:54:45,660

under Jimmy Carter was Stansfield Turner

1120

00:54:52,440 --> 00:54:48,370

this is not the same man that had put

1121

00:54:56,580 --> 00:54:52,450

these experiments into operation that

1122

00:54:59,310 --> 00:54:56,590

man was Richard Helms and Richard Helms

1123

00:55:04,140 --> 00:54:59,320

got into trouble during the iran-contra

1124

00:55:09,620 --> 00:55:04,150

scandal later on lying to Congress you

1125

00:55:15,180 --> 00:55:09,630

know he was he was fined \$1,500 for his

1126
00:55:17,490 --> 00:55:15,190
missteps but Stansfield Turner wanted to

1127
00:55:20,610 --> 00:55:17,500
give reasons to the public because he

1128
00:55:23,040 --> 00:55:20,620
when this came out he wanted to say look

1129
00:55:25,740 --> 00:55:23,050
the new administration here this is not

1130
00:55:28,320 --> 00:55:25,750
what we do you know this shocked us as

1131
00:55:30,090 --> 00:55:28,330
much as it did you there's a quota of

1132
00:55:33,210 --> 00:55:30,100
him from the New York Times saying he

1133
00:55:36,720 --> 00:55:33,220
finds this abhorrent that the agencies

1134
00:55:39,570 --> 00:55:36,730
leadership allowed it to get involved in

1135
00:55:42,720 --> 00:55:39,580
this and they had Senate hearings for

1136
00:55:44,190 --> 00:55:42,730
two days and Ted Kennedy was involved

1137
00:55:47,460 --> 00:55:44,200
and they used those hearings basically

1138
00:55:50,610 --> 00:55:47,470

to say you've heard about MKULTRA it's

1139

00:55:54,120 --> 00:55:50,620

part of the CIA's past it's over it

1140

00:55:56,550 --> 00:55:54,130

won't happen again so but as far as the

1141

00:55:58,650 --> 00:55:56,560

night Jesus died no reasons it was done

1142

00:56:00,990 --> 00:55:58,660

you know they had their their missions

1143

00:56:04,610 --> 00:56:01,000

they had their goals they one of the

1144

00:56:07,140 --> 00:56:04,620

things they hope to find was a way and

1145

00:56:09,900 --> 00:56:07,150

forgive me if I mentioned this

1146

00:56:12,300 --> 00:56:09,910

previously but to erase the memory of

1147

00:56:15,210 --> 00:56:12,310

retiring CIA agents of everything

1148

00:56:16,710 --> 00:56:15,220

classified they did that is amazing to

1149

00:56:18,270 --> 00:56:16,720

me that that's what they were looking to

1150

00:56:19,440 --> 00:56:18,280

do oh my god

1151

00:56:20,730 --> 00:56:19,450

so here these people who give their

1152

00:56:24,240 --> 00:56:20,740

lives in service and now we're gonna

1153

00:56:26,370 --> 00:56:24,250

erase your memory yeah their mind in a

1154

00:56:28,170 --> 00:56:26,380

permanent way they were also looking for

1155

00:56:29,190 --> 00:56:28,180

the perfect drug to make soldiers lay

1156

00:56:32,460 --> 00:56:29,200

down their weapons on the battlefield

1157

00:56:34,080 --> 00:56:32,470

enemy soldiers so they you know they

1158

00:56:35,940 --> 00:56:34,090

felt during the heat of the Cold War

1159

00:56:37,710 --> 00:56:35,950

that they had the justification for what

1160

00:56:42,030 --> 00:56:37,720

they did but they there were so many

1161

00:56:45,390 --> 00:56:42,040

innocent Americans who were damaged by

1162

00:56:47,550 --> 00:56:45,400

this a few of them sued there was a

1163

00:56:49,320 --> 00:56:47,560

famous lawsuit over it involving dr.

1164

00:56:52,140 --> 00:56:49,330

Cameron up in McGill University in

1165

00:56:55,200 --> 00:56:52,150

Canada who was doing part of MKULTRA and

1166

00:56:59,130 --> 00:56:55,210

had really damaged some patients who

1167

00:57:01,830 --> 00:56:59,140

came to him not that seriously ill not

1168

00:57:04,700 --> 00:57:01,840

seriously mentally ill but with extreme

1169

00:57:08,550 --> 00:57:04,710

anxiety or post-traumatic treta stress

1170

00:57:10,830 --> 00:57:08,560

trauma and what he did to them just

1171

00:57:12,570 --> 00:57:10,840

ruined their lives I mean he put them

1172

00:57:14,820 --> 00:57:12,580

through I mean you know I don't know if

1173

00:57:18,120 --> 00:57:14,830

the Nazis could have imagined those

1174

00:57:19,980 --> 00:57:18,130

nights and so there was a lawsuit and

1175

00:57:23,940 --> 00:57:19,990

the CIA settled that lawsuit with those

1176

00:57:26,310 --> 00:57:23,950

subjects but they said at the ted

1177

00:57:28,050 --> 00:57:26,320

kennedy hearing that they were gonna

1178

00:57:30,480 --> 00:57:28,060

track down the people that were

1179

00:57:38,190 --> 00:57:30,490

victimized and made good by them and of

1180

00:57:40,740 --> 00:57:38,200

course that never happened I'm sorry no

1181

00:57:42,330 --> 00:57:40,750

I just say that that that we weren't

1182

00:57:48,630 --> 00:57:42,340

able to finish the book until last year

1183

00:57:51,380 --> 00:57:48,640

2017 I had you know I turned 70 a year

1184

00:57:56,670 --> 00:57:51,390

ago in February I have white hair now

1185

00:57:58,380 --> 00:57:56,680

and I talked to John Selby we hadn't

1186

00:58:01,290 --> 00:57:58,390

talked very frequently and I said you

1187

00:58:02,910 --> 00:58:01,300

know are we gonna finish it you know or

1188

00:58:05,040 --> 00:58:02,920

is this gonna get out there while we're

1189

00:58:06,300 --> 00:58:05,050

still above ground you know because it's

1190

00:58:09,900 --> 00:58:06,310

it's not going to get out there when

1191

00:58:13,200 --> 00:58:09,910

we're below ground that's for sure so I

1192

00:58:16,110 --> 00:58:13,210

have I have a production company yellow

1193

00:58:17,670 --> 00:58:16,120

hat Productions Inc and the vision of

1194

00:58:20,550 --> 00:58:17,680

that is the publishing company yellow

1195

00:58:22,380 --> 00:58:20,560

hat publishing waiting for New York to

1196

00:58:24,890 --> 00:58:22,390

decide to publish this book I mean you

1197

00:58:30,540 --> 00:58:24,900

drop dead 20 times before you get it yes

1198

00:58:32,790 --> 00:58:30,550

and so I said to John look let my yellow

1199

00:58:34,320 --> 00:58:32,800

hat publishing be the publisher I'll

1200

00:58:36,330 --> 00:58:34,330

take care of everything all we have to

1201

00:58:37,650 --> 00:58:36,340

do is finish it we have more work to do

1202

00:58:40,530 --> 00:58:37,660

there's things we haven't tied together

1203

00:58:43,080 --> 00:58:40,540

and so we reread everything we had done

1204

00:58:46,200 --> 00:58:43,090

before and we knew that we could put all

1205

00:58:48,330 --> 00:58:46,210

kinds of details and additional touches

1206

00:58:50,310 --> 00:58:48,340

to you know pull everything together

1207

00:58:53,040 --> 00:58:50,320

make it right and then the epilogue that

1208

00:58:56,280 --> 00:58:53,050

tells what happened afterwards and we

1209

00:58:57,900 --> 00:58:56,290

both feel that there was some benefit to

1210

00:59:01,260 --> 00:58:57,910

us as being part of it it wasn't all

1211

00:59:04,110 --> 00:59:01,270

dark that you know learning hypnosis it

1212

00:59:06,330 --> 00:59:04,120

was a good predecessor for then learning

1213

00:59:08,460 --> 00:59:06,340

meditation maybe but I think the main

1214

00:59:10,320 --> 00:59:08,470

thing is that when we both rebelled

1215

00:59:14,070 --> 00:59:10,330

against the manipulation in the dark

1216

00:59:15,690 --> 00:59:14,080

side of this and broke free I think we

1217

00:59:18,870 --> 00:59:15,700

each in our own way became more

1218

00:59:21,060 --> 00:59:18,880

courageous people and some hardened part

1219

00:59:22,380 --> 00:59:21,070

of that courage enabled me to have the

1220

00:59:25,490 --> 00:59:22,390

career that I've had of making

1221

00:59:28,260 --> 00:59:25,500

controversial films in Hollywood

1222

00:59:30,990 --> 00:59:28,270

independent films that I've had the good

1223

00:59:35,220 --> 00:59:31,000

fortune to have them put out there by

1224

00:59:37,440 --> 00:59:35,230

NBCUniversal one after the other films

1225

00:59:39,690 --> 00:59:37,450

that Hollywood wouldn't decide to make I

1226

00:59:42,600 --> 00:59:39,700

got the made I produced and directed

1227

00:59:44,940 --> 00:59:42,610

them and when they were done was able to

1228

00:59:47,490 --> 00:59:44,950

have NBCUniversal be my main distributor

1229

00:59:49,050 --> 00:59:47,500

Showtime did the movie Roswell which I

1230

00:59:52,680 --> 00:59:49,060

did with Kyle MacLachlan and Martin

1231

00:59:57,450 --> 00:59:52,690

Sheen and Dwight Yoakam and then there

1232

00:59:59,760 --> 00:59:57,460

was Jesus in India which attracted a lot

1233

01:00:02,640 --> 00:59:59,770

of interest they released and is soon

1234

01:00:04,770 --> 01:00:02,650

gonna be shown in Italy they were

1235

01:00:07,260 --> 01:00:04,780

working on the Italian subtitles now I'm

1236

01:00:10,050 --> 01:00:07,270

heading for Italy in May and then there

1237

01:00:14,130 --> 01:00:10,060

was the life-after-death project was

1238

01:00:16,170 --> 01:00:14,140

another one that Universal did the

1239

01:00:17,970 --> 01:00:16,180

sci-fi boys was not so controversial

1240

01:00:20,670 --> 01:00:17,980

that was about the history of special

1241

01:00:22,770 --> 01:00:20,680

effects and movies was really really

1242

01:00:24,900 --> 01:00:22,780

successful and Peter Jackson helped me

1243

01:00:29,730 --> 01:00:24,910

so you know I had this story

1244

01:00:32,430 --> 01:00:29,740

career it went well and last year I said

1245

01:00:35,430 --> 01:00:32,440

to Selby look you know we're we're not

1246

01:00:37,110 --> 01:00:35,440

young men anymore let's finish the book

1247

01:00:39,240 --> 01:00:37,120

let's put it out and he completely

1248

01:00:41,760 --> 01:00:39,250

agreed we worked really hard finishing

1249

01:00:44,340 --> 01:00:41,770

it for around five months last year and

1250

01:00:46,560 --> 01:00:44,350

here it is now it's just been blowing

1251
01:00:50,760 --> 01:00:46,570
America's mind has just been out for a

1252
01:00:53,430 --> 01:00:50,770
little over a month and I'm out there

1253
01:00:54,870 --> 01:00:53,440
talking about it and occasionally John

1254
01:00:56,760 --> 01:00:54,880
Selby is out there talking about it -

1255
01:00:58,770 --> 01:00:56,770
but he it's harder for him than it is

1256
01:01:06,810 --> 01:00:58,780
for me you know I can talk about him

1257
01:01:09,390 --> 01:01:06,820
easier you're so full of the information

1258
01:01:10,530 --> 01:01:09,400
that just keeps us mesmerized in which

1259
01:01:14,400 --> 01:01:10,540
what's coming next

1260
01:01:15,900 --> 01:01:14,410
yes piqué piqué I wanted to mention

1261
01:01:17,940 --> 01:01:15,910
because when we were in break I

1262
01:01:21,630 --> 01:01:17,950
mentioned this I was on your show before

1263
01:01:22,590 --> 01:01:21,640

and we talked about my book an atheist

1264

01:01:24,720 --> 01:01:22,600

in heaven

1265

01:01:28,100 --> 01:01:24,730

the ultimate evidence for life after

1266

01:01:31,650 --> 01:01:28,110

death and that will that book of 2016

1267

01:01:33,990 --> 01:01:31,660

was it grew out of the film I made in

1268

01:01:36,180 --> 01:01:34,000

2013 called the life after death project

1269

01:01:38,580 --> 01:01:36,190

this was an examination of what I think

1270

01:01:40,140 --> 01:01:38,590

is some of the best evidence that there

1271

01:01:42,000 --> 01:01:40,150

is a spirit world and there can be

1272

01:01:44,910 --> 01:01:42,010

contact between the spirit world in our

1273

01:01:49,950 --> 01:01:44,920

world and you're from Tucson you said

1274

01:01:52,830 --> 01:01:49,960

I'm in Tucson myself oh you're in Tucson

1275

01:01:54,810 --> 01:01:52,840

is somebody from Tucson but you live in

1276

01:01:57,150 --> 01:01:54,820

Tucson so mind you something my

1277

01:02:02,490 --> 01:01:57,160

co-author on that book is a Tucson guy

1278

01:02:04,830 --> 01:02:02,500

now it's Gary dr. Gary Schwartz yes Gary

1279

01:02:08,520 --> 01:02:04,840

Gary Schwartz yes for the he's a

1280

01:02:11,130 --> 01:02:08,530

professor at the they yes University of

1281

01:02:13,410 --> 01:02:11,140

Arizona and he comes from Harvard and

1282

01:02:16,490 --> 01:02:13,420

Yale psychology background he's

1283

01:02:20,370 --> 01:02:16,500

researched life after death forever and

1284

01:02:23,220 --> 01:02:20,380

he was in my movie the life after death

1285

01:02:23,670 --> 01:02:23,230

project and then he co-wrote an atheist

1286

01:02:25,800 --> 01:02:23,680

in heaven

1287

01:02:29,130 --> 01:02:25,810

and I'd like your listeners to know you

1288

01:02:30,990 --> 01:02:29,140

can find all my projects at amazon.com I

1289

01:02:32,520 --> 01:02:31,000

think maybe we're as well might be hard

1290

01:02:36,630 --> 01:02:32,530

to find but if you want to see

1291

01:02:38,530 --> 01:02:36,640

everything I've done I am DB dot-com the

1292

01:02:41,770 --> 01:02:38,540

Internet Movie Database

1293

01:02:44,470 --> 01:02:41,780

David's I started with the transformer

1294

01:02:46,750 --> 01:02:44,480

show I was production coordinator on 79

1295

01:02:53,680 --> 01:02:46,760

of the cartoons that you guys grew up

1296

01:02:55,870 --> 01:02:53,690

with then George Lucas had me and my

1297

01:02:57,700 --> 01:02:55,880

wife writes 6 of the Star Wars sequel

1298

01:03:01,660 --> 01:02:57,710

books starting with the glove of Darth

1299

01:03:03,310 --> 01:03:01,670

Vader sold 5 million copies right I was

1300

01:03:08,080 --> 01:03:03,320

doing all that but I couldn't finish my

1301

01:03:12,760 --> 01:03:08,090

own book blowing America's mind that's

1302

01:03:14,860 --> 01:03:12,770

my story and we do hope that this book

1303

01:03:16,660 --> 01:03:14,870

will be turned into a television project

1304

01:03:23,110 --> 01:03:16,670

we think it would be great wouldn't it

1305

01:03:25,270 --> 01:03:23,120

be fabulous we got great characters here

1306

01:03:28,270 --> 01:03:25,280

you've got so many elements that come

1307

01:03:30,250 --> 01:03:28,280

together to make a really amazing story

1308

01:03:31,840 --> 01:03:30,260

well here's another question for you we

1309

01:03:34,960 --> 01:03:31,850

got to get to these or these people are

1310

01:03:37,840 --> 01:03:34,970

gonna be mad at me Conti is asking I'd

1311

01:03:42,400 --> 01:03:37,850

like to ask did you get paid for the

1312

01:03:45,190 --> 01:03:42,410

experiments they did on you yes yes that

1313

01:03:47,260 --> 01:03:45,200

that it was employment you know it was

1314

01:03:49,720 --> 01:03:47,270

legitimate employment so I can't say I

1315

01:03:51,730 --> 01:03:49,730

walked into it completely unknowingly

1316

01:03:54,340 --> 01:03:51,740

it's just that I didn't know what they

1317

01:03:57,190 --> 01:03:54,350

were gonna do to me or that the CIA was

1318

01:04:00,310 --> 01:03:57,200

behind it but yes I was I was a paid

1319

01:04:02,560 --> 01:04:00,320

subject and so is John Selby okay and

1320

01:04:03,730 --> 01:04:02,570

then here's a question from Thomas says

1321

01:04:05,830 --> 01:04:03,740

hello girls

1322

01:04:09,760 --> 01:04:05,840

is there any lost footage of these

1323

01:04:12,760 --> 01:04:09,770

experiments that has ever turned up it's

1324

01:04:15,070 --> 01:04:12,770

a good question I don't of our

1325

01:04:16,690 --> 01:04:15,080

experiment than what we were part of it

1326

01:04:18,550 --> 01:04:16,700

New Jersey neuropsych I don't think

1327

01:04:21,130 --> 01:04:18,560

there ever was any footage that I know

1328

01:04:22,450 --> 01:04:21,140

of it was before video it wasn't when

1329

01:04:26,560 --> 01:04:22,460

you could just set up a video camera

1330

01:04:29,140 --> 01:04:26,570

record something that way what about if

1331

01:04:32,620 --> 01:04:29,150

there were I don't know I mean I imagine

1332

01:04:35,320 --> 01:04:32,630

the doctors did it but whatever became

1333

01:04:37,960 --> 01:04:35,330

of those I mean when when they stopped

1334

01:04:39,700 --> 01:04:37,970

being the bureau of research in New

1335

01:04:41,950 --> 01:04:39,710

Jersey neuropsychiatric Institute and

1336

01:04:42,340 --> 01:04:41,960

became the New Jersey Developmental

1337

01:04:44,230 --> 01:04:42,350

Center

1338

01:04:45,760 --> 01:04:44,240

you know they retired are like all their

1339

01:04:47,950 --> 01:04:45,770

files you know who knows what was

1340

01:04:52,000 --> 01:04:47,960

destroyed or buried at that time so I

1341

01:04:55,810 --> 01:04:52,010

wish we had something

1342

01:04:57,400 --> 01:04:55,820

hmm yes now one more question cuz I know

1343

01:04:59,740 --> 01:04:57,410

you have to go a little bit early

1344

01:05:02,980 --> 01:04:59,750

tonight unfortunately but we have more

1345

01:05:05,950 --> 01:05:02,990

things to share their audience and so

1346

01:05:07,990 --> 01:05:05,960

here is a question from supernova have

1347

01:05:11,080 --> 01:05:08,000

you ever found out who the main players

1348

01:05:12,640 --> 01:05:11,090

behind these experiments were what's

1349

01:05:15,970 --> 01:05:12,650

that noise in the background yeah we're

1350

01:05:20,140 --> 01:05:15,980

definitely hearing there's good it's

1351

01:05:25,330 --> 01:05:20,150

just it's just it's just up so CIA

1352

01:05:30,040 --> 01:05:25,340

yes well specifically specifically a man

1353

01:05:32,230 --> 01:05:30,050

named Sidney Gottlieb was appointed a

1354

01:05:35,230 --> 01:05:32,240

head of all the MKULTRA projects by

1355

01:05:36,520 --> 01:05:35,240

Richard Helms so he oversaw it all and

1356

01:05:38,080 --> 01:05:36,530

he was the one who was ordered to

1357

01:05:41,440 --> 01:05:38,090

destroy all the documents by Richard

1358

01:05:44,440 --> 01:05:41,450

Holmes and somehow 20 boxes of documents

1359

01:05:46,710 --> 01:05:44,450

escaped destruction they were found at

1360

01:05:51,070 --> 01:05:46,720

Langley Virginia at the CIA headquarters

1361

01:05:54,220 --> 01:05:51,080

in 1970 seven years later I mean that

1362

01:05:55,780 --> 01:05:54,230

the files went back to 1952 but they

1363

01:05:58,390 --> 01:05:55,790

were in boxes that were mislabeled

1364

01:06:01,630 --> 01:05:58,400

deliberately I'm sure as the financial

1365

01:06:04,330 --> 01:06:01,640

records of some other project so Sidney

1366

01:06:07,780 --> 01:06:04,340

Gottlieb was in charge of it all and you

1367

01:06:09,580 --> 01:06:07,790

know and he was actually you know you

1368

01:06:12,550 --> 01:06:09,590

read the experiments and he sounds like

1369

01:06:15,970 --> 01:06:12,560

he's an old Nazi you read about his life

1370

01:06:17,920 --> 01:06:15,980

and you read that when he retired he he

1371

01:06:25,060 --> 01:06:17,930

devoted his whole life to his biggest

1372

01:06:26,859 --> 01:06:25,070

hobby which was folk dancing right and

1373

01:06:29,849 --> 01:06:26,869

he had a club foot so how does somebody

1374

01:06:32,740 --> 01:06:29,859

want a club thanks devote themselves to

1375

01:06:35,470 --> 01:06:32,750

yeah these people who work for the CIA

1376

01:06:37,210 --> 01:06:35,480

then they had human lives too they had

1377

01:06:39,609 --> 01:06:37,220

they were interesting personalities the

1378

01:06:40,780 --> 01:06:39,619

story of jim Angleton is massively

1379

01:06:42,940 --> 01:06:40,790

interesting he was head of

1380

01:06:46,720 --> 01:06:42,950

counterintelligence he figures into my

1381

01:06:49,270 --> 01:06:46,730

movie Marilyn Monroe Declassified the

1382

01:06:51,730 --> 01:06:49,280

CIA's involvement with Mayer the death

1383

01:06:59,530 --> 01:06:51,740

of Marilyn Monroe you can see that movie

1384

01:07:02,200 --> 01:06:59,540

Amazon Prime you'll learn a lot this

1385

01:07:04,599 --> 01:07:02,210

book yeah that's that's all I know I

1386

01:07:05,620 --> 01:07:04,609

have things to watch it's amazing

1387

01:07:07,540 --> 01:07:05,630

definitely

1388

01:07:09,610 --> 01:07:07,550

thank you because I was there's been

1389

01:07:11,800 --> 01:07:09,620

kind of not so many things that are good

1390

01:07:13,180 --> 01:07:11,810

so now we know to watch your stuff at

1391

01:07:14,410 --> 01:07:13,190

least we'll be entertained and we'll

1392

01:07:15,910 --> 01:07:14,420

learn something at the same time

1393

01:07:19,150 --> 01:07:15,920

couldn't ask for anything better

1394

01:07:20,890 --> 01:07:19,160

there's also my biography of Timothy

1395

01:07:22,420 --> 01:07:20,900

Leary Timothy Leary is dead

1396

01:07:24,900 --> 01:07:22,430

you know I filmed that 20 years or so

1397

01:07:28,570 --> 01:07:24,910

after the Institute experience and

1398

01:07:30,820 --> 01:07:28,580

Timothy Leary enlisted me to do his

1399

01:07:31,360 --> 01:07:30,830

biography and that you can find online

1400

01:07:34,000 --> 01:07:31,370

now too

1401

01:07:35,830 --> 01:07:34,010

Timothy Leary do you have a website that

1402

01:07:40,120 --> 01:07:35,840

lists all of your projects

1403

01:07:43,720 --> 01:07:40,130

well here's a couple of websites I'll

1404

01:07:46,210 --> 01:07:43,730

suggest if you go to paul davids dot-com

1405

01:07:48,070 --> 01:07:46,220

that's my old website it's not quite up

1406

01:07:50,080 --> 01:07:48,080

to date it doesn't have the couple

1407

01:07:53,050 --> 01:07:50,090

latest but it has all the early projects

1408

01:07:58,000 --> 01:07:53,060

a lot about them and then there's paul

1409

01:08:01,540 --> 01:07:58,010

davids - artist calm I'm an artist and

1410

01:08:05,770 --> 01:08:01,550

1411

01:08:07,480 --> 01:08:05,780

works of art but it also as you go down

1412

01:08:11,290 --> 01:08:07,490

the menu you'll find things about my

1413

01:08:14,800 --> 01:08:11,300

books and about my films and if you go

1414

01:08:17,320 --> 01:08:14,810

to as I said I am DB comm the internet

1415

01:08:19,090 --> 01:08:17,330

1419

01:08:28,630 --> 01:08:26,630

yeah well that'll be great for our

1420

01:08:30,520 --> 01:08:28,640

audience to go and learn more about your

1421

01:08:33,640 --> 01:08:30,530

because we're gonna be sharing some

1446

01:09:46,660 --> 01:09:43,029

information that you may want to hear

1447

01:09:48,729 --> 01:09:46,670

mm-hmm okay well that was very

1448

01:09:55,090 --> 01:09:48,739

interesting talking to Paul's great guy

1449

01:09:56,410 --> 01:09:55,100

oh yeah we had no idea that he was a

1450

01:09:58,750 --> 01:09:56,420

guinea pig for the CIA

1451

01:10:01,479 --> 01:09:58,760

oh yeah no that will hit all of that

1452

01:10:03,400 --> 01:10:01,489

from a shut off quiet yeah well I think

1453

01:10:06,790 --> 01:10:03,410

that he survived it some people didn't

1454

01:10:08,860 --> 01:10:06,800

there were some people who died and and

1455

01:10:10,150 --> 01:10:08,870

so he talked about people who whose

1456

01:10:13,570 --> 01:10:10,160

lives were ruined but there's those

1457

01:10:15,460 --> 01:10:13,580

people who died from some mkl nonsense

1458

01:10:18,400 --> 01:10:15,470

so I think what what are the things that

1459

01:10:22,090 --> 01:10:18,410

he said he they held off doing the book

1460

01:10:25,450 --> 01:10:22,100

until after everyone had passed damn it

1461

01:10:28,300 --> 01:10:25,460

yeah I can understand that no conflict

1462

01:10:31,420 --> 01:10:28,310

this way yes because as he talks about

1463

01:10:33,610 --> 01:10:31,430

in the book John was threatened my a

1464

01:10:36,100 --> 01:10:33,620

couple of guys from the CIA who showed

1465

01:10:37,990 --> 01:10:36,110

up at his he was going to get in his car

1466

01:10:40,060 --> 01:10:38,000

and there they were and they threatened

1467

01:10:42,250 --> 01:10:40,070

him that if he did it again if he

1468

01:10:45,580 --> 01:10:42,260

divulged information to the press that

1469

01:10:47,800 --> 01:10:45,590

they would kill him stow it was serious

1470

01:10:49,690 --> 01:10:47,810

it was directed to the point now exactly

1471

01:10:52,030 --> 01:10:49,700

yeah no I can see why they waited so

1472

01:10:56,140 --> 01:10:52,040

long to finish it up yeah this is like

1473

01:10:58,150 --> 01:10:56,150

almost 50 years yeah and it just shows

1474

01:10:59,530 --> 01:10:58,160

the power of these agencies when they're

1475

01:11:02,080 --> 01:10:59,540

there doing things they really have no

1476

01:11:05,050 --> 01:11:02,090

business doing and especially with the

1477

01:11:06,610 --> 01:11:05,060

level of secrecy and deception so people

1478

01:11:09,040 --> 01:11:06,620

are able to make really good decisions

1479

01:11:10,390 --> 01:11:09,050

if they had known what was involved I'd

1480

01:11:12,250 --> 01:11:10,400

bet you anything they never would have

1481

01:11:14,140 --> 01:11:12,260

gone down that road with those people

1482

01:11:17,020 --> 01:11:14,150

well you know some people are risk

1483

01:11:19,270 --> 01:11:17,030

takers they get a thrill out of finding

1484

01:11:22,000 --> 01:11:19,280

out something different but once they

1485

01:11:24,580 --> 01:11:22,010

got involved there really there was no

1486

01:11:26,950 --> 01:11:24,590

way to really get out no it was very

1487

01:11:29,979 --> 01:11:26,960

tough so even though their friend park

1488

01:11:31,540 --> 01:11:29,989

was trying to warn them yet still they

1489

01:11:32,680 --> 01:11:31,550

thought this was on the up-and-up and

1490

01:11:34,660 --> 01:11:32,690

they didn't realize

1491

01:11:38,320 --> 01:11:34,670

the shadowy figures behind all of this

1492

01:11:41,200 --> 01:11:38,330

so very interesting variant but we have

1493

01:11:43,720 --> 01:11:41,210

a new show that we're going to be doing

1494

01:11:45,700 --> 01:11:43,730

and we wanted to tell everybody the

1495

01:11:48,460 --> 01:11:45,710

great details this is a prayer show

1496

01:11:51,370 --> 01:11:48,470

unlike any other prayer show that has

1497

01:11:55,360 --> 01:11:51,380

been out over the airwaves now mm-hmm

1498

01:11:58,450 --> 01:11:55,370

it's gonna be you PK and myself and also

1499

01:12:01,120 --> 01:11:58,460

george lugo and the name of the show is

1500

01:12:04,810 --> 01:12:01,130

when two or more are gathered because

1501
01:12:05,530 --> 01:12:04,820
when two or more are gathered anything

1502
01:12:10,060 --> 01:12:05,540
can happen

1503
01:12:12,610 --> 01:12:10,070
miracles happen and they have they have

1504
01:12:14,530 --> 01:12:12,620
we have successfully done this before

1505
01:12:17,380 --> 01:12:14,540
and we're going to be offering our

1506
01:12:19,750 --> 01:12:17,390
audience the opportunity to send to us

1507
01:12:22,390 --> 01:12:19,760
and this is on our website supernatural

1508
01:12:25,330 --> 01:12:22,400
girls calm all right at the top you can

1509
01:12:27,370 --> 01:12:25,340
send us an email of what you want

1510
01:12:28,930 --> 01:12:27,380
prayers for it can be for yourself that

1511
01:12:31,270 --> 01:12:28,940
can be for a friend a loved one it

1512
01:12:34,600 --> 01:12:31,280
doesn't matter a situation that you want

1513
01:12:37,330 --> 01:12:34,610

resolved please send us your prayer send

1514

01:12:39,310 --> 01:12:37,340

us your story of why this is important

1515

01:12:41,710 --> 01:12:39,320

to you why you want this to have a

1516

01:12:43,420 --> 01:12:41,720

change in your life or a shift in

1517

01:12:45,910 --> 01:12:43,430

consciousness or whatever it is maybe

1518

01:12:48,580 --> 01:12:45,920

you want better health are you basing a

1519

01:12:51,340 --> 01:12:48,590

serious illness so send that information

1520

01:12:54,760 --> 01:12:51,350

to us include your name or the name of

1521

01:12:56,410 --> 01:12:54,770

the person you want us to pray for PK

1522

01:12:58,180 --> 01:12:56,420

you're gonna do their numbers now we're

1523

01:12:59,590 --> 01:12:58,190

not going to reveal the whole person's

1524

01:13:02,020 --> 01:12:59,600

name on the air that's not going to

1525

01:13:03,760 --> 01:13:02,030

happen Utley well it's the first name

1526

01:13:07,360 --> 01:13:03,770

only so the person knows we're praying

1527

01:13:09,730 --> 01:13:07,370

about them and PK is gonna offer insight

1528

01:13:12,970 --> 01:13:09,740

based on the number so we're gonna do

1529

01:13:17,170 --> 01:13:12,980

that and then George is going to offer

1530

01:13:20,200 --> 01:13:17,180

his psychic mediumship talents to also

1531

01:13:21,790 --> 01:13:20,210

further provide information for the

1532

01:13:23,800 --> 01:13:21,800

person we're going to be praying for and

1533

01:13:26,970 --> 01:13:23,810

then I'm going to bring in the spirit

1534

01:13:29,740 --> 01:13:26,980

team who are the spirit team

1535

01:13:31,930 --> 01:13:29,750

participants for this person we're going

1536

01:13:33,850 --> 01:13:31,940

to bring them in and we're also going to

1537

01:13:35,440 --> 01:13:33,860

bring in our own spirit team surround a

1538

01:13:37,630 --> 01:13:35,450

lot of power coming in from the other

1539

01:13:39,220 --> 01:13:37,640

side because as you know if it's just

1540

01:13:42,100 --> 01:13:39,230

one guardian angel that's all well and

1541

01:13:44,440 --> 01:13:42,110

good but if you have a team and now

1542

01:13:46,520 --> 01:13:44,450

you're going to have three teams plus

1543

01:13:48,020 --> 01:13:46,530

the mersen's team

1544

01:13:50,419 --> 01:13:48,030

this is going to be a very powerful

1545

01:13:52,669 --> 01:13:50,429

experience for everybody but most

1546

01:13:55,370 --> 01:13:52,679

specifically the person we're going to

1547

01:13:57,680 --> 01:13:55,380

be praying for so this nobody has ever

1548

01:14:00,020 --> 01:13:57,690

done anything like this before in this

1549

01:14:02,290 --> 01:14:00,030

format we're offering up so much

1550

01:14:04,879 --> 01:14:02,300

information it's obviously all free

1551
01:14:07,790 --> 01:14:04,889
we're doing this because we want to take

1552
01:14:09,529 --> 01:14:07,800
our work up another notch and give back

1553
01:14:13,399 --> 01:14:09,539
to our wonderful audience who's been

1554
01:14:16,129 --> 01:14:13,409
loyal and and loving us through the the

1555
01:14:17,689 --> 01:14:16,139
whole series of shows that we've done we

1556
01:14:20,270 --> 01:14:17,699
want to love you back and give you

1557
01:14:23,299 --> 01:14:20,280
something that you can participate in

1558
01:14:27,109 --> 01:14:23,309
you also as a prayer person you can join

1559
01:14:29,120 --> 01:14:27,119
us in the prayer or again you can say I

1560
01:14:31,160 --> 01:14:29,130
want prayers for me we will help you

1561
01:14:32,779 --> 01:14:31,170
with that so we're going to start that

1562
01:14:35,029 --> 01:14:32,789
very soon and we've already started

1563
01:14:37,430 --> 01:14:35,039

getting requests we are accumulating

1564

01:14:39,620 --> 01:14:37,440

them or going over them see how best we

1565

01:14:42,799 --> 01:14:39,630

can help these people and offer up a

1566

01:14:45,319 --> 01:14:42,809

prayer for them to have things shift in

1567

01:14:48,830 --> 01:14:45,329

a very beautiful positive and graceful

1568

01:14:52,010 --> 01:14:48,840

way in their lives so you're all invited

1569

01:14:54,560 --> 01:14:52,020

as participants you can pray with us for

1570

01:14:56,390 --> 01:14:54,570

these people who need prayers or you can

1571

01:14:58,700 --> 01:14:56,400

ask for prayers for yourself or someone

1572

01:15:01,430 --> 01:14:58,710

that you know so that's something that

1573

01:15:03,589 --> 01:15:01,440

we are starting right here on

1574

01:15:06,020 --> 01:15:03,599

supernatural radio and we'll give you

1575

01:15:08,990 --> 01:15:06,030

the date so that you'll know when to

1576

01:15:11,140 --> 01:15:09,000

join us and spread the word let people

1577

01:15:13,069 --> 01:15:11,150

know that something new that word yeah

1578

01:15:16,250 --> 01:15:13,079

this is going to be you're going to

1579

01:15:18,410 --> 01:15:16,260

never have too many prayers right I

1580

01:15:25,399 --> 01:15:18,420

can't either

1581

01:15:29,060 --> 01:15:25,409

I need all the help I can get with our

1582

01:15:31,279 --> 01:15:29,070

terrific audience and and just you know

1583

01:15:34,399 --> 01:15:31,289

share that power share it share the

1584

01:15:36,500 --> 01:15:34,409

presence of Spirit in our lives and

1585

01:15:37,250 --> 01:15:36,510

reach out to people who really need some

1586

01:15:40,669 --> 01:15:37,260

help right now

1587

01:15:42,950 --> 01:15:40,679

we know there's a lot we're going

1588

01:15:45,649 --> 01:15:42,960

through a lot emotionally and physically

1589

01:15:47,629 --> 01:15:45,659

in this lifetime and what's going on in

1590

01:15:49,490 --> 01:15:47,639

the world at large right now has many

1591

01:15:50,870 --> 01:15:49,500

people frightened it's scared because

1592

01:15:53,899 --> 01:15:50,880

they don't know what direction to go

1593

01:15:56,720 --> 01:15:53,909

I've had some people sudden either name

1594

01:15:58,430 --> 01:15:56,730

and a birthday just a month and day that

1595

01:16:00,350 --> 01:15:58,440

gives me a lot of information to be able

1596

01:16:02,240 --> 01:16:00,360

to help them and I know that

1597

01:16:05,530 --> 01:16:02,250

with Patricia jumping him with her parts

1598

01:16:09,649 --> 01:16:05,540

and George with his my goodness

1599

01:16:12,260 --> 01:16:09,659

you just can't manage to not be

1600

01:16:14,359 --> 01:16:12,270

successful yep we're going to make sure

1601

01:16:16,580 --> 01:16:14,369

that successful but whatever needs to

1602

01:16:18,470 --> 01:16:16,590

happen will happen in the most graceful

1603

01:16:21,890 --> 01:16:18,480

way I mean that's what this is all about

1604

01:16:23,959 --> 01:16:21,900

is I mean that the the things that we

1605

01:16:26,240 --> 01:16:23,969

bring to our audience I like to think

1606

01:16:28,640 --> 01:16:26,250

are going to help them either to expand

1607

01:16:30,500 --> 01:16:28,650

their consciousness or to improve their

1608

01:16:32,540 --> 01:16:30,510

lives in some way we are offering the

1609

01:16:34,550 --> 01:16:32,550

best of what we know and the best guests

1610

01:16:35,870 --> 01:16:34,560

that we can find so this is just taking

1611

01:16:40,220 --> 01:16:35,880

it to another level

1612

01:16:42,229 --> 01:16:40,230

so so people can can really feel the

1613

01:16:44,720 --> 01:16:42,239

power of the spirit and the power of the

1614

01:16:46,609 --> 01:16:44,730

source that surround all of us it's time

1615

01:16:48,590 --> 01:16:46,619

to tune in so we're going to help

1616

01:16:51,740 --> 01:16:48,600

everybody do it so if you're going to

1617

01:16:53,419 --> 01:16:51,750

join us as a prayer participant you're

1618

01:16:56,840 --> 01:16:53,429

gonna feel this too even though we're

1619

01:16:59,209 --> 01:16:56,850

focusing our prayer on some people who

1620

01:17:01,640 --> 01:16:59,219

have requested it you're also gonna feel

1621

01:17:05,270 --> 01:17:01,650

the pass through this and you will

1622

01:17:07,669 --> 01:17:05,280

benefit as well that it's like something

1623
