14

00:00:46,040 --> 00:00:43,850

blasting off with some UFO reports black

15

00:00:49,459 --> 00:00:46,050

triangle sighting in New Orleans

16

00:00:50,979 --> 00:00:49,469

Louisiana ooh this is a UFO blast from

17

00:00:54,400 --> 00:00:50,989

the past

18

00:01:00,920 --> 00:00:54,410

triangle-shaped craft singing back in

19

00:01:02,720 --> 00:01:00,930

May 31st 1972 in more detail the witness

20

00:01:05,750 --> 00:01:02,730

states I don't recall what month it was

21

00:01:08,480 --> 00:01:05,760

but it was during the summer of 1972 I

22

00:01:12,050 --> 00:01:08,490

was then working for a Gulf oil company

23

00:01:14,870 --> 00:01:12,060

at the Alliance refinery just south of

24

00:01:17,749 --> 00:01:14,880

Belle chase Louisiana we were working

25

00:01:19,550 --> 00:01:17,759

the evening shift 3 p.m. to 11 p.m. a

26
00:01:22,370 --> 00:01:19,560
friend and I were riding together

27
00:01:25,219 --> 00:01:22,380
he lived in Port Sulphur and I lived in

28
00:01:27,890 --> 00:01:25,229
Burriss when we got off that night we

29
00:01:30,770 --> 00:01:27,900
head towards home going south on highway

30
00:01:32,899 --> 00:01:30,780
23 just after getting on the road we

31
00:01:36,319 --> 00:01:32,909
noticed a bright light to the west of us

32
00:01:39,080 --> 00:01:36,329
that looked to be about over the marsh

33
00:01:41,870 --> 00:01:39,090
at first we thought it was a helicopter

34
00:01:44,630 --> 00:01:41,880
from nearby elven calendar airfield it

35
00:01:47,060 --> 00:01:44,640
would stop and then move again as if

36
00:01:49,310 --> 00:01:47,070
they were searching for something the

37
00:01:53,030 --> 00:01:49,320
light then sped off in a southward

38
00:01:55,300 --> 00:01:53,040

direction at a high rate of speed we did

39

00:01:58,690 --> 00:01:55,310

not see it again for a few miles then

40

00:02:01,700 --> 00:01:58,700

noticed it in the area of Lake Hermitage

41

00:02:04,280 --> 00:02:01,710

it looked like it had stopped and then

42

00:02:06,319 --> 00:02:04,290

we noticed it was moving again we were

43

00:02:08,180 --> 00:02:06,329

close to the lake Hermitage Road so we

44

00:02:10,460 --> 00:02:08,190

pulled over to see what it was since it

45

00:02:12,800 --> 00:02:10,470

had started to move towards the

46

00:02:13,880 --> 00:02:12,810

Mississippi River my friend and I

47

00:02:16,040 --> 00:02:13,890

stepped out of the car

48

00:02:20,210 --> 00:02:16,050

observed the light moving towards the

49

00:02:23,840 --> 00:02:20,220

river slowly as it passed over what we

50

00:02:27,920 --> 00:02:23,850

saw was a metallic triangle-shaped craft

51
00:02:30,230 --> 00:02:27,930
with six lights on the bottom it wasn't

52
00:02:33,290 --> 00:02:30,240
shining but looked like it was a light

53
00:02:36,080 --> 00:02:33,300
gray color from what I recall it

54
00:02:39,290 --> 00:02:36,090
appeared to be about 1500 feet above us

55
00:02:42,320 --> 00:02:39,300
and was not making any noise

56
00:02:44,870 --> 00:02:42,330
it was pretty large but hard to estimate

57
00:02:47,570 --> 00:02:44,880
what size it was when it reached about

58
00:02:50,270 --> 00:02:47,580
the middle of the river it suddenly sped

59
00:02:53,350 --> 00:02:50,280
off in an easterly direction and we lost

60
00:02:56,509 --> 00:02:53,360
sight of it I could still see my friend

61
00:03:00,350 --> 00:02:56,519
looking up as it passed over and saying

62
00:03:02,750 --> 00:03:00,360
what the heck is that when we return to

63
00:03:05,300 --> 00:03:02,760

work the next evening we told our fellow

64

00:03:08,390 --> 00:03:05,310

co-workers about what we saw and just

65

00:03:10,100 --> 00:03:08,400

kind of laughed about it and made fun my

66

00:03:12,350 --> 00:03:10,110

friend and I talked about this several

67

00:03:15,199 --> 00:03:12,360

times over the years still trying to

68

00:03:17,810 --> 00:03:15,209

figure out what exactly we had seen that

69

00:03:22,250 --> 00:03:17,820

night leave it to your friends to just

70

00:03:24,860 --> 00:03:22,260

poopoo and telling you but good for you

71

00:03:26,900 --> 00:03:24,870

to keep it up and chat anyhow alright

72

00:03:30,949 --> 00:03:26,910

moving on to the next one UFO sighting

73

00:03:34,370 --> 00:03:30,959

and New Orleans Louisiana goodness this

74

00:03:35,949 --> 00:03:34,380

is the same location this is also a UFO

75

00:03:39,860 --> 00:03:35,959

blast from the past has happened

76
00:03:42,610 --> 00:03:39,870
November 30th 2010 too bright round

77
00:03:46,699 --> 00:03:42,620
lights in the sky just before daylight

78
00:03:49,960 --> 00:03:46,709
wild duck hunting in more detail a

79
00:03:53,930 --> 00:03:49,970
friend and I were duck hunting in Venice

80
00:03:56,390 --> 00:03:53,940
Louisiana in the area sportsmen called

81
00:03:59,150 --> 00:03:56,400
the wagon wheel it was just before

82
00:04:01,640 --> 00:03:59,160
daylight still dark it was a moonless

83
00:04:04,039 --> 00:04:01,650
night we're standing up in the blind

84
00:04:06,650 --> 00:04:04,049
looking towards the north when all of a

85
00:04:09,680 --> 00:04:06,660
sudden two bright lights appeared in the

86
00:04:11,170 --> 00:04:09,690
sky from the north east of us my friend

87
00:04:16,039 --> 00:04:11,180
who was standing next to me exclaimed

88
00:04:18,259 --> 00:04:16,049

what the expletive we both warped for

89

00:04:20,870 --> 00:04:18,269

Chevron at the time and he was one of

90

00:04:22,670 --> 00:04:20,880

their helicopter pilots we watched the

91

00:04:24,800 --> 00:04:22,680

two bright objects move in a westerly

92

00:04:27,580 --> 00:04:24,810

direction for not more than two minutes

93

00:04:30,800 --> 00:04:27,590

when they suddenly streaked away

94

00:04:33,230 --> 00:04:30,810

they were going and gone in a blink of

95

00:04:35,330 --> 00:04:33,240

an eye he said he had never seen

96

00:04:38,000 --> 00:04:35,340

anything like that in all of his years

97

00:04:39,650 --> 00:04:38,010

he had been flying I would have to

98

00:04:41,690 --> 00:04:39,660

estimate that the size of the two bright

99

00:04:45,290 --> 00:04:41,700

objects were about the size of a dime

100

00:04:49,790 --> 00:04:45,300

held at arm's length there were just too

101
00:04:50,270 --> 00:04:49,800
bright round lights in the sky you think

102
00:04:52,790 --> 00:04:50,280
about it

103
00:04:54,860 --> 00:04:52,800
hunters would have quite a deal of

104
00:04:56,900 --> 00:04:54,870
opportunity to see odd things I bet

105
00:04:58,550 --> 00:04:56,910
there's a ton of them that are left a

106
00:05:02,300 --> 00:04:58,560
little pile of something in the woods

107
00:05:06,800 --> 00:05:02,310
that they didn't intend out of fear all

108
00:05:09,010 --> 00:05:06,810
right the next UFO sighting this

109
00:05:13,360 --> 00:05:09,020
happened in Paris France

110
00:05:17,690 --> 00:05:13,370
December 17 2017 glowing object nearby

111
00:05:19,580 --> 00:05:17,700
the Eiffel Tower after visiting a nearby

112
00:05:20,690 --> 00:05:19,590
museum I was walking back to the nearest

113
00:05:23,180 --> 00:05:20,700

subway station

114

00:05:25,880 --> 00:05:23,190

it was raining quite heavily and along

115

00:05:28,400 --> 00:05:25,890

the way I simply took some pictures of

116

00:05:30,620 --> 00:05:28,410

the Eiffel Tower in fact I did not see

117

00:05:33,890 --> 00:05:30,630

that object in the sky until I

118

00:05:35,600 --> 00:05:33,900

downloaded the photos on my PC probably

119

00:05:37,870 --> 00:05:35,610

because of the light of the beacon and

120

00:05:39,980 --> 00:05:37,880

the hurry and getting not too wet

121

00:05:43,640 --> 00:05:39,990

meanwhile there are five pictures in

122

00:05:46,760 --> 00:05:43,650

total taken from two spots in about 90

123

00:05:48,860 --> 00:05:46,770

meters distance they give the

124

00:05:51,790 --> 00:05:48,870

coordinates I took the photos with an

125

00:05:54,710 --> 00:05:51,800

iPhone 5 at about 7:07 p.m. local time

126

00:05:58,300 --> 00:05:54,720

first three photo 708 p.m. local time

127

00:06:01,340 --> 00:05:58,310

last two in less than 60 seconds span

128

00:06:03,560 --> 00:06:01,350

good to know that the Eiffel Tower is

129

00:06:05,960 --> 00:06:03,570

located inside the perimeter of the city

130

00:06:07,990 --> 00:06:05,970

where only police and enforcement

131

00:06:11,480 --> 00:06:08,000

agencies can fly their helicopters oh

132

00:06:15,110 --> 00:06:11,490

the size and oval rounded shape of the

133

00:06:18,680 --> 00:06:15,120

object it's white bright blue color the

134

00:06:21,310 --> 00:06:18,690

sudden V turn do not seem to comply with

135

00:06:24,110 --> 00:06:21,320

standard maneuvers of a standard vehicle

136

00:06:27,460 --> 00:06:24,120

the beacon of the Eiffel Tower takes

137

00:06:30,860 --> 00:06:27,470

less than 60 seconds to complete a full

138

00:06:32,720 --> 00:06:30,870

360-degree circle the object first moved

139

00:06:36,460 --> 00:06:32,730

in a northeast direction then

140

00:06:39,270 --> 00:06:36,470

disappeared in the southwest direction

141

00:06:41,790 --> 00:06:39,280

sounds like it's fascinating

142

00:06:43,740 --> 00:06:41,800

moving on the next beautiful sighting oh

143

00:06:46,200 --> 00:06:43,750

my goodness we got a lot of UFO blasts

144

00:06:49,200 --> 00:06:46,210

from the past which I dig I really do

145

00:06:54,150 --> 00:06:49,210

UFO sighting in Clifton New Jersey

146

00:06:55,710 --> 00:06:54,160

this occurred March 1st 1980 in brief

147

00:06:58,740 --> 00:06:55,720

the witness states me and my mother were

148

00:07:00,450 --> 00:06:58,750

waiting at a stop sign to turn and just

149

00:07:03,770 --> 00:07:00,460

in front of us in the sky was a plane

150

00:07:07,440 --> 00:07:03,780

and on top hovering was a gigantic

151

00:07:10,800 --> 00:07:07,450

silver saucer it went in front of the

152

00:07:15,050 --> 00:07:10,810

plane and we seen it wasn't a plane but

153

00:07:18,560 --> 00:07:15,060

a UFO it followed us three hours past

154

00:07:20,700 --> 00:07:18,570

okay moving on to the more detailed

155

00:07:23,220 --> 00:07:20,710

version me and my mom were leaving this

156

00:07:25,980 --> 00:07:23,230

store Bradley's it closed at 9:00 p.m.

157

00:07:28,260 --> 00:07:25,990

so I know it was 9:00 p.m. that this

158

00:07:31,230 --> 00:07:28,270

happened it was when I was I was almost

159

00:07:34,650 --> 00:07:31,240

11 years old about two weeks before my

160

00:07:37,110 --> 00:07:34,660

birthday which is March 13th so this

161

00:07:39,900 --> 00:07:37,120

happened approximately on March 1st 1980

162

00:07:42,150 --> 00:07:39,910

so my mom and me were in the car and we

163

00:07:44,880 --> 00:07:42,160

were waiting for traffic at stop sign

164

00:07:48,750 --> 00:07:44,890

and in front of us we noticed a plane

165

00:07:53,400 --> 00:07:48,760

probably a 747 and hovering above it

166

00:07:57,270 --> 00:07:53,410

very close was a circular silver UFO

167

00:08:02,159 --> 00:07:57,280

with windows around it flashing red and

168

00:08:03,750 --> 00:08:02,169

blue and white lights it quickly went in

169

00:08:07,350 --> 00:08:03,760

front of the plane imagine these poor

170

00:08:10,140 --> 00:08:07,360

people on that freaking plane they saw

171

00:08:13,830 --> 00:08:10,150

this thing or that pilot you could

172

00:08:16,529 --> 00:08:13,840

clearly see all the details of it with

173

00:08:20,159 --> 00:08:16,539

the plane's lights shining directly on

174

00:08:25,740 --> 00:08:20,169

it my mom told me it was telepathically

175

00:08:30,000 --> 00:08:25,750

communicating with her Wow about telling

176

00:08:32,850 --> 00:08:30,010

her it wanted to land it was almost 11

177

00:08:34,709 --> 00:08:32,860

I was almost 11 and going in the back of

178

00:08:36,899 --> 00:08:34,719

a car from the front seat to look out

179

00:08:40,620 --> 00:08:36,909

the back window and realize it was

180

00:08:42,690 --> 00:08:40,630

actually following us I don't remember

181

00:08:45,570 --> 00:08:42,700

being scared but definitely concerned

182

00:08:48,360 --> 00:08:45,580

that it was communicating with my mother

183

00:08:51,000 --> 00:08:48,370

but seeing what I had seen it was

184

00:08:51,960 --> 00:08:51,010

probably too much for me to process at

185

00:08:54,030 --> 00:08:51,970

my age

186

00:08:57,060 --> 00:08:54,040

we'll only live 10 minutes away and we

187

00:09:00,780 --> 00:08:57,070

got home at 12:30 p.m. at night so this

188

00:09:03,690 --> 00:09:00,790

always bothered me I have no memory of

189

00:09:06,210 --> 00:09:03,700

those 3 and a half hours oh my goodness

190

00:09:08,010 --> 00:09:06,220

the next thing I remembered was we were

191

00:09:11,040 --> 00:09:08,020

in the opposite direction that my mother

192

00:09:15,570 --> 00:09:11,050

turned in a park in Nutley New Jersey

193

00:09:18,930 --> 00:09:15,580

and the UFO was above us as we were on

194

00:09:21,180 --> 00:09:18,940

foot in the park ok I don't know they

195

00:09:24,120 --> 00:09:21,190

have these weird things I think they're

196

00:09:26,550 --> 00:09:24,130

saying and my mom's car was running far

197

00:09:29,220 --> 00:09:26,560

away ok

198

00:09:31,230 --> 00:09:29,230

I remember being excited and calling out

199

00:09:33,390 --> 00:09:31,240

to someone going in their house to look

200

00:09:34,020 --> 00:09:33,400

up at the sky but he probably thought we

201
00:09:36,210 --> 00:09:34,030
were crazy

202
00:09:38,670 --> 00:09:36,220
I always felt we were abducted because

203
00:09:41,970 --> 00:09:38,680
of the memory loss my mother did call

204
00:09:44,220 --> 00:09:41,980
Clifton police when we got home and said

205
00:09:47,550 --> 00:09:44,230
that hundreds of calls were coming in

206
00:09:50,220 --> 00:09:47,560
from a UFO sighting that night hundreds

207
00:09:52,830 --> 00:09:50,230
of calls how cool that they would admit

208
00:09:55,230 --> 00:09:52,840
to that back then huh they sure wouldn't

209
00:09:57,960 --> 00:09:55,240
do that crap these days my mother never

210
00:10:00,960 --> 00:09:57,970
talked about it again I think she might

211
00:10:02,790 --> 00:10:00,970
remember more than me I do remember when

212
00:10:05,130 --> 00:10:02,800
we were in the park it was directly

213
00:10:07,410 --> 00:10:05,140

hovering over us and there was no noise

214

00:10:09,030 --> 00:10:07,420

and when it took off it was faster than

215

00:10:10,530 --> 00:10:09,040

anything I'd ever seen in my life

216

00:10:13,830 --> 00:10:10,540

there's a whole lot missing in that

217

00:10:16,260 --> 00:10:13,840

story and I'm sorry but I just read the

218

00:10:18,660 --> 00:10:16,270

stuff people don't edit I'm like trying

219

00:10:21,240 --> 00:10:18,670

to guess what a V D means what do you

220

00:10:24,480 --> 00:10:21,250

think a V D means I think it meant and

221

00:10:29,310 --> 00:10:24,490

so I was saying and it seemed to fit

222

00:10:31,470 --> 00:10:29,320

most of the time people are writing we

223

00:10:34,080 --> 00:10:31,480

want to learn tell us everything

224

00:10:37,020 --> 00:10:34,090

tell us everything UFO sighting in

225

00:10:40,460 --> 00:10:37,030

Hillsboro North Dakota the UFO blast

226
00:10:42,750 --> 00:10:40,470
from the past which I did July 4th 2010

227
00:10:44,190 --> 00:10:42,760
around 1:00 to 2:00 a.m. we noticed a

228
00:10:46,200 --> 00:10:44,200
bright light in the direction of Grand

229
00:10:48,660 --> 00:10:46,210
Forks it was pretty high up and very

230
00:10:52,620 --> 00:10:48,670
bright as we watched it began dropping

231
00:10:54,900 --> 00:10:52,630
lights from it in more detail my wife

232
00:10:56,670 --> 00:10:54,910
and son and sister headed up to North

233
00:10:59,550 --> 00:10:56,680
Dakota to my dad's house for the fourth

234
00:11:01,020 --> 00:10:59,560
of July after we had set off some

235
00:11:03,930 --> 00:11:01,030
fireworks and watched a few others in

236
00:11:05,730 --> 00:11:03,940
town celebrating we settled back in lawn

237
00:11:08,160 --> 00:11:05,740
chairs to watch the stars and

238
00:11:10,170 --> 00:11:08,170

gaze at the Milky Way around 1:00 to

239

00:11:12,420 --> 00:11:10,180

2:00 a.m. we noticed a bright light in

240

00:11:14,520 --> 00:11:12,430

the direction of Grand Forks it was

241

00:11:17,340 --> 00:11:14,530

pretty high up and very bright as we

242

00:11:20,100 --> 00:11:17,350

watched it began dropping lights from it

243

00:11:22,950 --> 00:11:20,110

I assumed it was air force training with

244

00:11:26,100 --> 00:11:22,960

flares but the flares were multicolored

245

00:11:29,070 --> 00:11:26,110

blue yellow white red the main light was

246

00:11:31,500 --> 00:11:29,080

white as they dropped they kind of hung

247

00:11:33,900 --> 00:11:31,510

in the air like flares and then they

248

00:11:36,780 --> 00:11:33,910

started moving up and around the main

249

00:11:38,460 --> 00:11:36,790

white light flares can travel with the

250

00:11:41,640 --> 00:11:38,470

wind but I've never seen them move up

251
00:11:44,940 --> 00:11:41,650
and circle around what dropped them as

252
00:11:46,820 --> 00:11:44,950
we were watching the lights I caught

253
00:11:50,910 --> 00:11:46,830
movement out of the corner of my eye

254
00:11:54,120 --> 00:11:50,920
looking to the left off the corner of my

255
00:11:56,430 --> 00:11:54,130
dad's house I saw an object going over

256
00:11:59,370 --> 00:11:56,440
the street light in on the road to the

257
00:12:01,170 --> 00:11:59,380
south of the house at the point I first

258
00:12:03,840 --> 00:12:01,180
saw it it was about a hundred feet away

259
00:12:06,720 --> 00:12:03,850
and traveling about above the tree lines

260
00:12:09,750 --> 00:12:06,730
across the street I watched as it went

261
00:12:11,460 --> 00:12:09,760
along the street above the trees just as

262
00:12:14,550 --> 00:12:11,470
it was going off out of sight it

263
00:12:17,370 --> 00:12:14,560

released what looked like molten metal

264

00:12:20,070 --> 00:12:17,380

from a port on the side of the craft oh

265

00:12:22,590 --> 00:12:20,080

I have heard of this and know the people

266

00:12:24,660 --> 00:12:22,600

that collected it hmm I could see the

267

00:12:27,000 --> 00:12:24,670

streetlights illuminating the bottom of

268

00:12:29,910 --> 00:12:27,010

the craft it looked somewhat modular in

269

00:12:31,980 --> 00:12:29,920

construction it was about 20 to 25 feet

270

00:12:34,140 --> 00:12:31,990

long taller in the back and slightly tap

271

00:12:38,880 --> 00:12:34,150

'red towards the front it kind of

272

00:12:41,730 --> 00:12:38,890

reminded me of the ships from space 1999

273

00:12:44,100 --> 00:12:41,740

but smaller and more compact I turned

274

00:12:46,830 --> 00:12:44,110

away after the ship passed and within 30

275

00:12:49,770 --> 00:12:46,840

seconds the bright white light we had

276

00:12:52,650 --> 00:12:49,780

been watching had absorbed all the

277

00:12:54,600 --> 00:12:52,660

lights it had released and faded into

278

00:12:56,520 --> 00:12:54,610

nothing Wow

279

00:13:03,060 --> 00:12:56,530

maybe it's like those little things I

280

00:13:05,760 --> 00:13:03,070

drop in tornadoes oh I I think this was

281

00:13:08,400 --> 00:13:05,770

one of ours the proximity of Grand Forks

282

00:13:11,310 --> 00:13:08,410

Air Force Base which is about 45 miles

283

00:13:13,560 --> 00:13:11,320

in the direction we saw the lights I had

284

00:13:15,420 --> 00:13:13,570

eyes on the object for about 20 to 30

285

00:13:17,670 --> 00:13:15,430

seconds before it passed out of sight

286

00:13:19,560 --> 00:13:17,680

and I was looking at it from the side

287

00:13:22,200 --> 00:13:19,570

with unobstructed view

288

00:13:24,360 --> 00:13:22,210

this isn't 2010 I haven't seen anything

289

00:13:25,950 --> 00:13:24,370

like this since you guys see this

290

00:13:29,730 --> 00:13:25,960

pattern once again Air Force Base

291

00:13:34,050 --> 00:13:29,740

military base always in the mix always

292

00:13:35,880 --> 00:13:34,060

must be one of ours UFO sighting in

293

00:13:39,990 --> 00:13:35,890

Cedarville Illinois

294

00:13:42,900 --> 00:13:40,000

this occurred January 13th 2018 three

295

00:13:45,150 --> 00:13:42,910

reflective cigar-shaped objects sudden

296

00:13:47,850 --> 00:13:45,160

vertical descent whoa see you three

297

00:13:50,240 --> 00:13:47,860

cigars witnesses shiny reflective cigar

298

00:13:52,980 --> 00:13:50,250

shaped object pass over field of vision

299

00:13:56,340 --> 00:13:52,990

while driving one mile north of

300

00:13:59,010 --> 00:13:56,350

Cedarville on highway 26 went from north

301
00:14:03,120 --> 00:13:59,020
west to east over horizon before leaving

302
00:14:06,000 --> 00:14:03,130
my point of view 45 seconds later a

303
00:14:09,270 --> 00:14:06,010
second object appeared in Northwest and

304
00:14:11,910 --> 00:14:09,280
again passed over my view Wow halfway

305
00:14:13,830 --> 00:14:11,920
through it appeared to descend suddenly

306
00:14:16,740 --> 00:14:13,840
straight down without changing angle

307
00:14:19,050 --> 00:14:16,750
like a helicopter descended for three to

308
00:14:21,870 --> 00:14:19,060
four seconds before heading in same

309
00:14:23,730 --> 00:14:21,880
direction as first object third object

310
00:14:25,850 --> 00:14:23,740
appeared from Northwest and followed

311
00:14:30,060 --> 00:14:25,860
roughly same direction as previous to

312
00:14:35,100 --> 00:14:30,070
whole encounter lasted roughly six to

313
00:14:38,850 --> 00:14:35,110

seven minutes or less this next UFO

314

00:14:39,900 --> 00:14:38,860

sighting happened in moments Illinois

315

00:14:43,320 --> 00:14:39,910

never heard of it

316

00:14:46,890 --> 00:14:43,330

January 6 2018 I live here in Chicago so

317

00:14:48,900 --> 00:14:46,900

my sister is up with me in the morning

318

00:14:51,090 --> 00:14:48,910

she happened to look out the window and

319

00:14:54,020 --> 00:14:51,100

saw a light and took pictures she's

320

00:14:56,850 --> 00:14:54,030

never told me right away it scares her

321

00:14:58,740 --> 00:14:56,860

she's handicapped as she's showed me her

322

00:15:13,710 --> 00:14:58,750

picture attention shoppers

323

00:15:15,930 --> 00:15:13,720

clean up feet boxing at a big box store

324

00:15:17,610 --> 00:15:15,940

surprising what's not surprising how

325

00:15:21,420 --> 00:15:17,620

much you could save by switching to

326

00:15:23,910 --> 00:15:21,430

Geico some it even has the lights on in

327

00:15:27,960 --> 00:15:23,920

the parking lot Geico 15 minutes could

328

00:15:31,770 --> 00:15:27,970

save you 15% or more it's more recently

329

00:15:33,090 --> 00:15:31,780

so I am sending these photos okay in

330

00:15:35,400 --> 00:15:33,100

more detail

331

00:15:37,620 --> 00:15:35,410

I recently moved in with my handicapped

332

00:15:40,080 --> 00:15:37,630

sister while the house I purchased for

333

00:15:43,560 --> 00:15:40,090

us is being remodeled she likes to take

334

00:15:45,540 --> 00:15:43,570

nature pictures and she has an iPhone 7

335

00:15:47,520 --> 00:15:45,550

she started taking pictures at night

336

00:15:50,190 --> 00:15:47,530

during a meteor shower and I noticed a

337

00:15:52,170 --> 00:15:50,200

few funny things soon she was taking

338

00:15:54,360 --> 00:15:52,180

pictures at night very often as she

339

00:15:57,480 --> 00:15:54,370

likes to show them to me the more she

340

00:15:59,880 --> 00:15:57,490

took pictures the more quote stuff I saw

341

00:16:02,520 --> 00:15:59,890

in the pictures lots of orbs different

342

00:16:06,060 --> 00:16:02,530

colors and one night what I think of as

343

00:16:08,730 --> 00:16:06,070

a drone anyway I had started to look at

344

00:16:10,200 --> 00:16:08,740

the sky myself to see where she was

345

00:16:14,070 --> 00:16:10,210

getting all this and I see what looks

346

00:16:16,740 --> 00:16:14,080

like stars like flash blue red green and

347

00:16:19,440 --> 00:16:16,750

they move I would take a picture of

348

00:16:21,210 --> 00:16:19,450

something moving that looked like a

349

00:16:24,450 --> 00:16:21,220

drone but the picture would just look

350

00:16:26,760 --> 00:16:24,460

like an orb I moved in here in September

351
00:16:30,390 --> 00:16:26,770
and more and more seemed to be happening

352
00:16:33,240 --> 00:16:30,400
as time went by I get up for work at

353
00:16:35,130 --> 00:16:33,250
4:00 a.m. and she oh she gets up as well

354
00:16:37,770 --> 00:16:35,140
and occasionally she would go out at

355
00:16:40,200 --> 00:16:37,780
that time to take pictures however this

356
00:16:42,150 --> 00:16:40,210
day she was in the house notice the

357
00:16:44,970 --> 00:16:42,160
light and just began taking a series of

358
00:16:48,780 --> 00:16:44,980
pics as she walked to the front window

359
00:16:52,110 --> 00:16:48,790
it seems that way with the pics as they

360
00:16:54,000 --> 00:16:52,120
move a little closer in each time this

361
00:16:55,980 --> 00:16:54,010
scared her and she told me nothing about

362
00:16:58,140 --> 00:16:55,990
it for a few days which would be her

363
00:16:59,910 --> 00:16:58,150

usual and then just showed me the

364

00:17:00,510 --> 00:16:59,920

pictures didn't really want to talk

365

00:17:02,070 --> 00:17:00,520

about it

366

00:17:04,020 --> 00:17:02,080

she's agreeable that I send these

367

00:17:07,290 --> 00:17:04,030

pictures to you she would like someone

368

00:17:12,600 --> 00:17:07,300

to verify that it could be what it could

369

00:17:14,640 --> 00:17:12,610

be this happened January 6 at 5:11 she

370

00:17:15,780 --> 00:17:14,650

would appreciate knowing what it is we

371

00:17:20,220 --> 00:17:15,790

are looking at in these pictures

372

00:17:22,700 --> 00:17:20,230

if at all possible I realize some of

373

00:17:25,950 --> 00:17:22,710

these pictures she has some zoom crazy

374

00:17:27,420 --> 00:17:25,960

okay and it's pretty distorted thank you

375

00:17:30,330 --> 00:17:27,430

for your time

376

00:17:32,940 --> 00:17:30,340

this next UFO sighting comes from

377

00:17:38,300 --> 00:17:32,950

Paducah Kentucky

378

00:17:42,180 --> 00:17:38,310

this occurred March 17 2016 captured

379

00:17:44,070 --> 00:17:42,190

screen grabs while observing live feed

380

00:17:46,360 --> 00:17:44,080

of the International Space Station of

381

00:17:50,990 --> 00:17:46,370

unknown objects taking place

382

00:17:53,660 --> 00:17:51,000

from the solar surface in more detail on

383

00:17:56,120 --> 00:17:53,670

March 17 2016 a while at home I opened

384

00:18:00,049 --> 00:17:56,130

up an app that I had downloaded on my

385

00:18:01,970 --> 00:18:00,059

iPad called is s HD live as an app that

386

00:18:03,560 --> 00:18:01,980

allows the viewer to see a live feed

387

00:18:06,230 --> 00:18:03,570

broadcast from the international space

388

00:18:07,850 --> 00:18:06,240

station and I enjoy the app as

389

00:18:10,490 --> 00:18:07,860

background entertainment while I do

390

00:18:12,020 --> 00:18:10,500

online work that's cool this day I

391

00:18:14,720 --> 00:18:12,030

opened the app and instead of the usual

392

00:18:17,120 --> 00:18:14,730

view of Earth from orbit I was greeted

393

00:18:21,049 --> 00:18:17,130

by two views of the Sun apparently being

394

00:18:23,150 --> 00:18:21,059

observed from the ISS it was a split

395

00:18:25,100 --> 00:18:23,160

screen on the left side was a filtered

396

00:18:28,130 --> 00:18:25,110

view of the Sun and on the right side

397

00:18:31,760 --> 00:18:28,140

was zoomed in view of the same scene

398

00:18:34,220 --> 00:18:31,770

they were labeled macro view on the left

399

00:18:37,310 --> 00:18:34,230

and micro view on the right to my

400

00:18:40,340 --> 00:18:37,320

astonishment I observed two very bright

401
00:18:42,169 --> 00:18:40,350
objects like plasma or something appear

402
00:18:44,780 --> 00:18:42,179
from the far right of the screen and

403
00:18:47,510 --> 00:18:44,790
move to the left toward the surface of

404
00:18:50,299 --> 00:18:47,520
the Sun I watched them move to the Sun

405
00:18:53,030 --> 00:18:50,309
and seemed to land on it very quickly

406
00:18:55,640 --> 00:18:53,040
they began to swell to large balloon

407
00:18:58,640 --> 00:18:55,650
like objects as they seemingly drew

408
00:19:00,470 --> 00:18:58,650
plasma from the surface of the Sun more

409
00:19:04,760 --> 00:19:00,480
lights appeared while this was happening

410
00:19:07,789 --> 00:19:04,770
in the midst of them was a very distinct

411
00:19:09,950 --> 00:19:07,799
dark colored object that suddenly

412
00:19:12,590 --> 00:19:09,960
appeared near the Sun and began to

413
00:19:14,860 --> 00:19:12,600

release blobs of plasma that followed

414

00:19:17,539 --> 00:19:14,870

the same behavior as the previous ones I

415

00:19:19,250 --> 00:19:17,549

began to take screenshots because I'm

416

00:19:22,159 --> 00:19:19,260

pretty familiar with Sun activity and

417

00:19:24,830 --> 00:19:22,169

this didn't seem like anything anyone

418

00:19:28,100 --> 00:19:24,840

has ever seen before at first I thought

419

00:19:30,470 --> 00:19:28,110

maybe this is a solar flare it resembles

420

00:19:32,840 --> 00:19:30,480

a solar flare in some ways however solar

421

00:19:34,820 --> 00:19:32,850

flares on the Sun and these plasma light

422

00:19:38,810 --> 00:19:34,830

balls of light appeared from the right

423

00:19:41,539 --> 00:19:38,820

side of the screen and moved towards the

424

00:19:43,850 --> 00:19:41,549

Sun they also began as balls of light

425

00:19:46,610 --> 00:19:43,860

but grew to enormous proportions

426
00:19:48,020 --> 00:19:46,620
well apparently attached to the Sun and

427
00:19:50,539 --> 00:19:48,030
groups that are arranged symmetrically

428
00:19:52,940 --> 00:19:50,549
as you can see in the attached photos

429
00:19:55,970 --> 00:19:52,950
and let me tell you guys I looked it's

430
00:19:59,000 --> 00:19:55,980
wow it's amazing I'm surprised this

431
00:20:00,230 --> 00:19:59,010
hasn't been even put out there in our

432
00:20:02,030 --> 00:20:00,240
circle of

433
00:20:06,350 --> 00:20:02,040
people that it's pretty cool you gotta

434
00:20:08,210 --> 00:20:06,360
check it out that isn't a solar flare so

435
00:20:10,940 --> 00:20:08,220
I thought maybe meteors I'm pretty sure

436
00:20:13,940 --> 00:20:10,950
however that meteors do not hover also

437
00:20:15,799 --> 00:20:13,950
the plasma balloons that were attached

438
00:20:18,140 --> 00:20:15,809

to the Sun seemed to have an outline of

439

00:20:20,690 --> 00:20:18,150

some sort dark like some sort of

440

00:20:23,030 --> 00:20:20,700

container or forest that was keeping the

441

00:20:25,700 --> 00:20:23,040

plasma together in any elongated sphere

442

00:20:29,120 --> 00:20:25,710

the biggest problem here was this being

443

00:20:30,919 --> 00:20:29,130

natural phenomenon is the dark object

444

00:20:33,320 --> 00:20:30,929

seemingly controlling these plasma

445

00:20:35,480 --> 00:20:33,330

things the object is clearly visible in

446

00:20:38,690 --> 00:20:35,490

the attached photos one screen grab

447

00:20:40,640 --> 00:20:38,700

actually defines edges to this object

448

00:20:45,080 --> 00:20:40,650

making it appear as a very large

449

00:20:47,150 --> 00:20:45,090

rectangle stood up on end for it to be

450

00:20:48,919 --> 00:20:47,160

as visible as it was it must have been

451
00:20:53,180 --> 00:20:48,929
larger than the earth itself based on

452
00:20:55,100 --> 00:20:53,190
the scale to the Sun I was stunned at

453
00:20:57,590 --> 00:20:55,110
what I was seeing and I took eight

454
00:21:00,770 --> 00:20:57,600
screenshots throughout this event only

455
00:21:02,630 --> 00:21:00,780
eight because I was arguing logic with

456
00:21:05,240 --> 00:21:02,640
myself that's funny

457
00:21:08,780 --> 00:21:05,250
in denial of what was happening and

458
00:21:10,730 --> 00:21:08,790
happening live all over the world I'm

459
00:21:13,250 --> 00:21:10,740
sure that is s people are going darn it

460
00:21:17,180 --> 00:21:13,260
we didn't get the cloak that one or cut

461
00:21:19,400 --> 00:21:17,190
it out at least those watching the feet

462
00:21:21,320 --> 00:21:19,410
at that time I cannot be the only one to

463
00:21:24,230 --> 00:21:21,330

witness this though I may be the only

464

00:21:26,450 --> 00:21:24,240

one who thought to screen grab it I do

465

00:21:28,220 --> 00:21:26,460

not know the most dramatic event took

466

00:21:31,870 --> 00:21:28,230

place at the end of this event

467

00:21:35,570 --> 00:21:31,880

these plasma things attached to the Sun

468

00:21:38,840 --> 00:21:35,580

blinked out all at once and appeared

469

00:21:41,570 --> 00:21:38,850

again way less than a second later and

470

00:21:45,110 --> 00:21:41,580

had emerged into one very bright and

471

00:21:48,650 --> 00:21:45,120

extremely large barn circle of I guess

472

00:21:51,290 --> 00:21:48,660

plasma it has to be many times bigger

473

00:21:54,680 --> 00:21:51,300

than the entire Earth this is also

474

00:21:56,030 --> 00:21:54,690

visible in the attached photos I seen it

475

00:21:58,880 --> 00:21:56,040

it's it's wild

476

00:22:01,539 --> 00:21:58,890

the feed ended at this point it went to

477

00:22:06,399 --> 00:22:01,549

blue screen

478

00:22:09,789 --> 00:22:06,409

I assess people said oh crap man we let

479

00:22:13,479 --> 00:22:09,799

that one slip yeah it's funny this was a

480

00:22:15,519 --> 00:22:13,489

live feed video so it's likely that the

481

00:22:18,340 --> 00:22:15,529

ISS has a copy of this footage somewhere

482

00:22:20,619 --> 00:22:18,350

I sat on these photos for over a year

483

00:22:22,779 --> 00:22:20,629

because I simply had no idea what to do

484

00:22:25,720 --> 00:22:22,789

with them and I was sure I would find a

485

00:22:28,600 --> 00:22:25,730

natural explanation for this I have

486

00:22:30,340 --> 00:22:28,610

found none I didn't want to put these

487

00:22:33,609 --> 00:22:30,350

out there and find out

488

00:22:35,529 --> 00:22:33,619

they are explainable I'd feel silly so

489

00:22:38,049 --> 00:22:35,539

I've tried and tried and to find out

490

00:22:39,700 --> 00:22:38,059

what this could be in really there is no

491

00:22:42,940 --> 00:22:39,710

known phenomena that takes the

492

00:22:45,549 --> 00:22:42,950

characteristics described above so now

493

00:22:47,769 --> 00:22:45,559

I'll give them to you guys please at

494

00:22:50,349 --> 00:22:47,779

some point if possible at all get in

495

00:22:53,289 --> 00:22:50,359

touch with me by this email address I

496

00:22:56,470 --> 00:22:53,299

provided and tell me tell me this is a

497

00:22:58,989 --> 00:22:56,480

natural phenomena or something so I can

498

00:23:01,720 --> 00:22:58,999

rest my mind on this but I don't think

499

00:23:06,580 --> 00:23:01,730

it's natural at all thank you for

500

00:23:08,409 --> 00:23:06,590

considering this report wow that you

501
00:23:11,009 --> 00:23:08,419
guys got to see that it is amazing

502
00:23:14,259 --> 00:23:11,019
absolutely amazing

503
00:23:15,549 --> 00:23:14,269
how much of this is out there oh my gosh

504
00:23:17,169 --> 00:23:15,559
I don't always click on these because a

505
00:23:19,090 --> 00:23:17,179
lot of times I click on the photos

506
00:23:21,340 --> 00:23:19,100
aren't there but I've been finding more

507
00:23:23,919 --> 00:23:21,350
consistency with that so I did I did see

508
00:23:25,570 --> 00:23:23,929
these photos it's man the things that

509
00:23:26,619 --> 00:23:25,580
they're hiding from us it's just so

510
00:23:29,109 --> 00:23:26,629
ridiculous

511
00:23:31,269 --> 00:23:29,119
obviously the ISS guys saw it and

512
00:23:32,859 --> 00:23:31,279
they're still have a heart beaten in

513
00:23:35,470 --> 00:23:32,869

their chest and it didn't kill them to

514

00:23:37,149 --> 00:23:35,480

witness it so I think we could handle it

515

00:23:38,859 --> 00:23:37,159

tell us oh

516

00:23:41,320 --> 00:23:38,869

pentagons you want to tell us it was

517

00:23:42,580 --> 00:23:41,330

something that you investigated it

518

00:23:45,519 --> 00:23:42,590

probably 20 years from now we

519

00:23:48,310 --> 00:23:45,529

investigate these things and we only put

520

00:23:50,310 --> 00:23:48,320

22 million dollars in it right yeah

521

00:23:53,619 --> 00:23:50,320

whatever so anyways that I mean

522

00:23:55,359 --> 00:23:53,629

fascinating fascinating stuff that's

523

00:23:57,639 --> 00:23:55,369

really cool cool photo and actually I

524

00:24:00,639 --> 00:23:57,649

saw something more recently where it

525

00:24:02,830 --> 00:24:00,649

looked like ships were going through the

526

00:24:05,229 --> 00:24:02,840

Sun wouldn't it be something if the

527

00:24:07,210 --> 00:24:05,239

mystery of these UFOs and how they are

528

00:24:09,789 --> 00:24:07,220

being powered is they're stealing the

529

00:24:12,600 --> 00:24:09,799

energy from our Sun and may actually

530

00:24:15,419 --> 00:24:12,610

ultimately kill it probably

531

00:24:17,279 --> 00:24:15,429

anyways moving on to a paranormal point

532

00:24:21,210 --> 00:24:17,289

because we love paranormal stories do

533

00:24:23,549 --> 00:24:21,220

don't we I think we do I do this is

534

00:24:27,289 --> 00:24:23,559

somebody sharing their story and this

535

00:24:34,019 --> 00:24:27,299

one is entitled it came from the ocean

536

00:24:37,019 --> 00:24:34,029

wah-wah-wah whose witness shares saying

537

00:24:39,480 --> 00:24:37,029

this happened in 1993 I was around 12

538

00:24:42,330 --> 00:24:39,490

years old my uncle max picked me up and

539

00:24:44,879 --> 00:24:42,340

took me fishing with him he had a decent

540

00:24:47,340 --> 00:24:44,889

sized boat with a good engine we weren't

541

00:24:49,799 --> 00:24:47,350

going out far but I figured we would be

542

00:24:51,810 --> 00:24:49,809

gone most of the day we started early

543

00:24:54,149 --> 00:24:51,820

around 5:00 a.m. and drove around in the

544

00:24:58,139 --> 00:24:54,159

boat looking at the coastal area before

545

00:25:01,110 --> 00:24:58,149

we started fishing we located a good

546

00:25:03,659 --> 00:25:01,120

spot next to an oil platform looking

547

00:25:06,180 --> 00:25:03,669

structure in the water it was still a

548

00:25:08,190 --> 00:25:06,190

bit dark but we could see the supplies

549

00:25:11,100 --> 00:25:08,200

on the boat without a flashlight or any

550

00:25:13,919 --> 00:25:11,110

other lighting we had only fish for

551
00:25:18,419 --> 00:25:13,929
about ten minutes when we heard a bump

552
00:25:21,060 --> 00:25:18,429
on the bottom of the boat it almost

553
00:25:23,639 --> 00:25:21,070
moved the boat I looked at my uncle and

554
00:25:26,700 --> 00:25:23,649
shrugged my shoulders he said it's

555
00:25:29,370 --> 00:25:26,710
probably some big turtle he snickered I

556
00:25:32,610 --> 00:25:29,380
laughed because just hearing my uncle

557
00:25:34,860 --> 00:25:32,620
cuss was enough back then but before we

558
00:25:38,129 --> 00:25:34,870
could finish laughing there was an odd

559
00:25:41,909 --> 00:25:38,139
splash I turned to my right to see the

560
00:25:45,750 --> 00:25:41,919
strangest thing I have ever seen it was

561
00:25:50,519 --> 00:25:45,760
a creature it was like a man but his

562
00:25:52,500 --> 00:25:50,529
skin was like that old fish the kola

563
00:25:57,539 --> 00:25:52,510

canis I don't know what that means

564

00:26:01,470 --> 00:25:57,549

brown scaly skin covered the thing he

565

00:26:04,710 --> 00:26:01,480

had white eyes in a gaping mouth I swear

566

00:26:07,980 --> 00:26:04,720

I even saw fins on him but it happened

567

00:26:10,980 --> 00:26:07,990

too fast I wasn't sure it had shot

568

00:26:14,870 --> 00:26:10,990

straight up out of the water about chest

569

00:26:19,649 --> 00:26:14,880

high then sank right back down again I

570

00:26:22,110 --> 00:26:19,659

was shocked my heart stopped in my mind

571

00:26:25,500 --> 00:26:22,120

I thought it had to be a prank or

572

00:26:26,470 --> 00:26:25,510

something it surely couldn't have been a

573

00:26:29,169 --> 00:26:26,480

real creature

574

00:26:32,110 --> 00:26:29,179

it was a little dark but I swear that I

575

00:26:36,039 --> 00:26:32,120

saw the shadow of that thing swim off

576

00:26:37,780 --> 00:26:36,049

underneath the water like a dolphin my

577

00:26:42,039 --> 00:26:37,790

heart was racing as I look back at my

578

00:26:45,250 --> 00:26:42,049

uncle the expression on his face scared

579

00:26:49,390 --> 00:26:45,260

me even more I had never before or since

580

00:26:52,960 --> 00:26:49,400

seeing him so scared I trembled there on

581

00:26:56,860 --> 00:26:52,970

that boat I reeled in my line dropped my

582

00:27:00,820 --> 00:26:56,870

pole on the boat floor and rested on the

583

00:27:04,330 --> 00:27:00,830

short bench on the boat I tried and to

584

00:27:07,360 --> 00:27:04,340

breathe without a sound we left the

585

00:27:10,390 --> 00:27:07,370

coastal waters we stopped and ate some

586

00:27:13,510 --> 00:27:10,400

breakfast tacos on the way home we never

587

00:27:15,340 --> 00:27:13,520

really talked about what we saw I wonder

588

00:27:18,669 --> 00:27:15,350

if that thing was the only one of its

589

00:27:23,080 --> 00:27:18,679

kind or if there are more quote fish

590

00:27:27,190 --> 00:27:23,090

people out there always be careful going

591

00:27:31,750 --> 00:27:27,200

out into the ocean mermaids are real but

592

00:27:34,030 --> 00:27:31,760

it was a mer man daddy I could say I've

593

00:27:37,030 --> 00:27:34,040

not read a story like that what on earth

594

00:27:38,440 --> 00:27:37,040

I mean really I don't know what I'd do

595

00:27:40,299 --> 00:27:38,450

if I seen something like that but you

596

00:27:43,840 --> 00:27:40,309

597

00:27:44,380 --> 00:27:43,850

598

00:27:48,750 --> 00:27:44,390

life

599

00:27:52,560 --> 00:27:48,760
